Village Board Adopts 1985 Budget

By GERRY MUELLER

With not one resident present at Monday night's public hearing, the Village Board unanimously voted to adopt the proposed Village of Kewaskum 1985 budget of \$1,146,770.

The bottom line for village taxpayers is a gross tax rate of \$22.29 per \$1,000 of assessed valuation, less a projected state tax credit of \$2.27, for a net rate of \$20.1 per \$1,000. Village Administrator Dan Schmidt

again stressed that the tax rate is not official since the state still has not released its figures for the tax credit.

Village residents will face a total 1985 tax levy of \$1,335,719.39. Of that, 29.806% or \$398,127.11, is the village's share for a rate of \$6.64, down .183% from 1984. The County's portion of the levy is 11.804% or \$157,670.93, with a rate of \$2.63, down 1.170%. The State's share is .888% or \$11,861.20, with a tax rate of .20c, down 1.842% from 1984. The School District's portion of the 1985 levy is 50.695% or \$677,138.12, for a rate of \$11.30 per \$1,000 of assessed valuation, up 6.599% over 1984. The Vocational School levy share is

Commission to Recommend Veterinary Clinic Permit

By GERRY MUELLER
Statesman Staff Writer

At its meeting Tuesday evening, the Kewaskum Plan Commission voted to recommend to the Village Board that a conditional use permit be granted to Dr. Greg Ogi for the construction of a veterinary clinic at 1511 Fond du Lac Avenue.

While the commission had no problem with construction plans, the members could not agree about under which ordinance classification the clinic fell. The classification portion of the permit determines how many off-street parking places are required. After nearly a half-hour's discussion, the commission decided the clinic did not fit into any of the three possible categories, either medical and

dental, professional, or hospital. On that basis commission member Dick Schmidt moved the permit be recommended with the condition that a minimum of five parking spaces be constructed.

Under village zoning ordinances, the permit falls in to the B-2 business classification which allows establishment of a veterinary clinic. Zoning Administrator Richard Zarleng pointed out, however, the zoning does not permit any outside use of the premises for the veterinary practice, that includes kennels. If any animals are kept at the clinic, they must be housed within the clinic building itself.

The recommendation will now go on to the village board with a public hearing scheduled for December 17th.

Roseland Waterloop Started

By GERRY MUELLER
Statesman Staff Writer

Digging began Wednesday for the laying of pipe for the Roseland water main project.

The construction is being financed with funds from the village's Tax Incremental Financing program.

If the weather cooperates, the work should be completed by the end of December.

Local Police Dept. Has Films Now Available

Community education has become a major part of Kewaskum Police Department program for diminishing lawlessness. In the continuing effort to upgrade the program, five new audio visual films, "Drugs of Abuse," "Child Abuse," "Every Eight Seconds," "An Act of Violence," and "Tuned Out" are available from the Department for showing at schools, parents groups, civic clubs, and other law enforcement agencies.

The film, "Drugs of Abuse" provides up-to-date knowledge of the five categories of abused drugs. "Child Abuse," also called the "Silent Epidemic," provides accurate, current knowledge of the four categories of child abuse, and gives concerned citizens the chance to do something constructive about the problem.

"Every Eight Seconds" examines myths associated with burglary, and the vulnerable points of entry into a home. "An Act of Violence," a rape film, is a highly documented treatise by many respected experts who have studied the crime of rape. "Tuned Out" is a profile of a young multiple drug user who incorporated recreational chemicals into his life to the extent that the development of his life-coping skills were severely hampered.

Additional information and answers to questions may be obtained by contacting Chief of Police Don Hlavaty or Officer Dick Knoebel, Kewaskum Police Department, phone 626-2323. These films were produced by the visual communications division of Syndistar, Inc., New Orleans, LA 70125.

Jon Etta Delegate to National 4-H Congress

Jon Etta

How many 16 to 19 year olds discuss big business with ranking officers of important U.S. corporations?

Or are recognized nationally for their past accomplishments?

Or meet and talk to 1,700 outstanding youth from every state in the nation and Puerto Rico?

Jon Etta, son of Ethan and Judy Etta, was selected as one of thirty-two Wisconsin 4-H members who had the chance of a lifetime November 24-29 at the National 4-H Congress held each year in Chicago. It's a tremendous personal development experience for youths.

Jon is a junior at Kewaskum High School. He has been an

active member of the Wayne Crusaders 4-H Club. His outstanding 4-H involvement includes teaching, county swine workshops, workshops on showmanship and grooming, giving numerous project demonstrations, activity speaking and poster contests, working with community health, conservation projects, and extensive junior leadership responsibilities.

"4-H has given me knowledge, responsibility, honesty, leadership, hope, sadness, management, and has prepared me to face the world every day looking for the good in things to improve myself and our country," says Jon.

Delegates who attend the Congress are chosen from an intensive selection process based on their activities in 4-H. Wisconsin 4-H'ers are also chosen in part by their overall leadership in 4-H and their other community work.

All delegates are honored for their achievements in their special project areas, and from four to nine in each area are awarded \$1,000 scholarships. These scholarships are based on reports that delegates submit detailing each youth's work in 4-H.

It's a big recognition event for their past accomplishments.

Winter Parking Restrictions Go Into Effect Dec. 1

The Winter Parking Restrictions and Snow Emergency Parking Restrictions go into effect December 1, 1984.

Municipal Code Section 7.04(3) **Night Parking Restrictions**, reads as follows: Signs have been erected at or reasonably near the corporate limits as provided in Section 349.13, Wisconsin Statutes, no person excepting physicians or licensed emergency vehicles on emergency calls, shall park or stop any vehicle on any public street or highway within the village between the hours of 2:00 A.M. and 6:00 A.M. from December 1, to April 1, of each year; provided that, notwithstanding such restrictions vehicles may be parked for a period of time not longer than 3 minutes for actually loading or unloading of passengers, and provided further that no other regulation restricting parking as to place, time, or manner is violated thereby.

The fine for violating this ordinance is:

\$5.00 if paid within three (3) days of the issuance of the parking citation.

\$10.00 if paid after ten (10) days, but before 28 days.

After 28 days, the amount is \$20.00 and a notice will be sent to the Motor Vehicle Department to suspend your vehicle registrations and refuse renewals until the citation is satisfied.

An important fact is the owner of the vehicle is responsible for the payment of the citation whether or not he was the operator.

Municipal Code Section 7.04(4) **Removal of Illegally Parked Vehicles**. This section covers the issuance of citations to and possible removal of such vehicles in violation of this ordinance. In addition to other penalties provided by Section 7.04(6) of this code, the owner or operator of a vehicle so removed shall pay the cost of the towing and storage.

UNITED WAY NEARS GOAL

United Way President, Roy Esser, raises the thermometer total to nearly \$29,000. With some donations still to be turned in, the United Way has hopes of reaching the goal of \$30,000.

6.807% or \$90,922.03, with a rate of \$1.52, up 7.374% over 1984.

Schmidt said he expected to receive the official tax credit information by the end of the week.

The board also adopted Resolution 84-14, which will divide the village's federal revenue sharing funds. The resolution designates 20% or approximately \$6,667.20 for Parks and Recreation and 80% or \$26,668.80, for Street Lighting. Previously the split had been 15%, 85%.

The board also set February 28, 1985, as the last day to make the first payment of split payment 1984 taxes.

Board President Gerald Stollenwerk also informed the press that at this point no decisions had been made on 1985 salaries. "For the purpose of budget preparation only, I have instructed Dan to use a figure of 3.5%." Stollenwerk said the board was still in negotiations and as soon as salaries had been settled, the official figures would be released.

With the adoption of the new budget, the village will change the destination of its refuse hauling. Trustee David Nigh questioned whether the village was bound to any contract with the present landfill. Schmidt

said no. Nigh then asked that as an agenda item for next Monday's meeting, the board consider the possibility of switching over to the new plan as soon as possible rather than wait until January 1st. With the holiday and the snow season near he felt the time saved could be used to handle snow-plowing.

Vandalism at Elementary School

Police suspect that a baseball bat or some other heavy object was used to break five windows in the cafeteria of the Kewaskum Elementary School sometime last Thursday night. The broken windows were discovered by police at 1:30 a.m. Friday morning, but it is possible that the vandalism occurred before midnight.

Early Monday, the police also learned that two other windows were broken in the boiler room of the building. They suspect the two occurrences may be related. The damage is estimated at \$200.

To avoid trouble, breathe through your nose. That way you keep your mouth shut.

Jon Etta

[Continued from Page 1]

And it adds extra incentive for many to maintain their involvement in 4-H, either as a part member or as a volunteer leader. They come back with a renewed mission to return what volunteer leaders have given them.

National 4-H Congress prepares delegates for new roles in life, even as many come to the end of their 4-H membership.

Workshops focus on personal development for young adults such as beginning careers, dealing with shifting family relationships, and coping with the stress of making important decisions.

Another aspect of 4-H Congress is meeting representatives of the national businesses which sponsor delegates' stays in Chicago. Most delegates are sponsored and get to talk about business with people who help run major corporations. The members see that important people are highly skilled and talented individuals but that they're real people.

Another eye-opener for many of the delegates comes from interacting with so many young people from all over the nation; they soon realize that 4-H varies from state to state.

KES Students Kick Off Drive to Help 'the Lady'

Jenny Sauer portrayed the Statue of Liberty during Kewaskum Elementary School's program to kick off its boxtop collection project to earn money for the statue's restoration.

By GERRY MUELLER
Statesman Staff Writer

Students of the Kewaskum Elementary School held a kick-off rally Monday as the official start of their school-wide project to help the Statue of Liberty.

The object of the students' project is to collect 5,000 Kellogg cereal boxtops (any type of cereal) by February 15, 1985. In return for successfully gathering the boxtops, the Kellogg's Cereal Company will donate \$250.00, in the name of the school, to the program to restore the Statue of Liberty.

It is expected to take two years and \$30 million to return the "lady of the harbor" to her original beauty in time to celebrate her 200th birthday in 1986. To date, approximately \$3 million has been donated toward the restoration work.

In return for their effort, the school will receive a bronze plaque recognizing the students' contribution. The school's name will also appear on a roster, listing all the contributors, which will be part of the unveiling ceremony on July 4th, 1986.

Mrs. Kathy West, Sixth Grade teacher, who put on the

program, said the Sixth Grade will be in charge of collecting, counting and mailing the labels. Each room will have its own container in which the students will deposit their boxtops.

If each child collects at least fifteen labels, the school will be able to reach its goal. To add more of a challenge to the project, there will be a contest among the classes to see which one will collect the most boxtops per students in each class. The winning class will receive an ice cream party.

KES principal Richard Zarling stressed the children will be collecting boxtops, not the proof-of-purchase codes. The school is encouraging the entire community to become involved in the project. Anyone wishing to donate boxtops may also do so by bringing them to the school office where they will be gladly accepted.

While the boxtop collecting is a school project, individuals or organizations may also make contributions to the Statue of Liberty's restoration by sending their donations to, The Statue of Liberty Foundation, P.O. Box 1986, New York, New York, 10018.

Student Council Formed At Holy Trinity School

A Student Council has been formed at Holy Trinity Catholic School this year. This group is to accomplish the following goals for the school:

1. To develop leadership potential in our students.
2. To provide a vehicle for student input.
3. To promote school spirit.
4. To develop a faith community among all concerned.
5. To foster communication to the other groups related with school.
6. To promote activities that will raise funds for the school.

Two students from each classroom will participate in the meetings. One student will be designated to sit at the meeting table and bring the recommendations from the classroom to the meeting. The other student will act as the observer and bring back to the classroom details of the discussion that took place.

The teacher advisors involved are Lorna Stopper, who teaches social studies to the sixth, seventh and eighth graders in the school and is the main advisor to the group, music teacher Katie Geiger and seventh grade teacher Mary Stodola.

The students meet every Wednesday noon during the lunch hour, and they bring suggestions from their classmates. Thus far they have

discussed fund-raising projects. The students do vote on issues before them and can make recommendations to the principal, Sister Phyllis Wirtz, although she still maintains the final word on major questions.

The officers were elected from the 8th grade as follows:

President, Cheryl Miller; Secretary, Angie Geidel, and Treasurer, Melissa Heisdorf.

Representatives from the grades are: Grade 1: Patrick Schmitt, Debra Schneider; Grade 2: Shannon Mitchell, Samuel Schmidt; Grade 3: Nikki Neckuty, Jenny Heisdorf; Grade 4: Chad Harlow, Kim Sabish; Grade 5: Joel Fleischman, Nancy Neumann; Grade 6: Terri Grahl, Craig Kulas; Grade 7: Traci Knoeck, Jim Wilhelmi.

THE JOY OF THE HUNT

By R. G. Edwards, M.D.

The weather was superb, a truly wonderful South Dakota autumn day, cool and crisp yet not cold. The air was calm and one could see the fine white wisps of the bursting milkweed pods floating lazily to and fro with the air currents. My pet dog, Nipper, came with me as I picked up the 22 caliber long rifle, a load of shells, and headed for the large school section of land just across the narrow road on the south side of our home.

My pet terrier had gotten too close to some horses the year before and had the forepart of one front paw cut off when the horse stomped down the hill. It took several months to heal but now he could hippety hop along with me in comfort as we explored the surrounding area. Sometimes I would hit a jack-rabbit running across the prairie while other times I would knock over a gopher standing erect at his hole about

one hundred feet distant, daring me to hit him.

This day as we were passing near an old shallow well I suddenly chose to look into it and was greatly surprised to see a two foot long large dark mink racing around the bottom of the dirt well which was about six feet deep. The old cover boards were half rotted away so that the sunshine revealed the insides of the well clearly. The only way out was a three inch wide circuitous tube dug through the earth from a spot three feet distant to the walls top edge thence down to the bottom of the well. Quickly, after seeing the racing mink, I jumped up to search for the exit opening and stuck the gun barrel into it just as two glaring beady black eyes arrived. Should I shoot this great specimen or not? I had heard that the fine ladies who buy these animal hides to hang around their neck like a scarf don't want the heads damaged so I refrained.

The mink went back into the well. I could hear his feet patting the hard earth as he ran. My thoughts of joy began to measure the great value of this very large male mink in dollars. Surely, I guessed it would bring fifty dollars after the hide had

been salted and stretched on a shingle to dry. That much money was more than my father earned in a month by preaching every Sunday to two small congregations located ten miles apart. Such a blessing God had placed within my reach.

I looked down into the well, saw no mink and quickly jumped back to the top hole, but alas too late. The sassy animal had turned and jumped out of the unguarded opening running very fast to get away from Nipper, who was hippity hopping a few feet behind the mink. I did not shoot I felt this mink had earned his freedom by outwitting the hunter.

KHS Key Club to Host Holiday Dinner For Senior Citizens

All senior citizens of the Kewaskum area are invited to a Holiday Dinner on Sunday, Dec. 2. Dinner will be served between the hours of 4:00 and 6:00 p.m. It will be held at the Kewaskum High School this year instead of at the Middle School as in past years.

The menu includes turkey and all the fixings. To top it off, the dessert will be homemade pies. To make the wait before or after the meal a little more relaxing, there will be entertainment in the gym. There is no charge for either the meal or the entertainment, but donations are accepted. This is sponsored by the Kewaskum High School Key Club, a group of teenagers dedicated to serving their school and community.

This will be a very relaxing afternoon, so mark your calendars for December 2nd. Should there be any questions, call Julie at 629-5063 or Adrienne at 334-3902. No reservations, please.

We Need You... VOLUNTEER

The Washington County Voluntary Action Center has information about many volunteer opportunities in your community. Listed below are just a few, beginning with a few in volunteering your time and working with the older, more respected citizen of our community. Not all of these positions are time committal ones, some are looking for just a one time volunteer, and some for just once a month. To find out

Page 4, Kewaskum Statesman,
Friday, Nov. 30, 1984

more about these and other volunteer opportunities available in the community, call the V.A.C. - 338-8256.

Christmas time will soon be here. The Washington County Senior Center would like someone to coordinate a SING-A-LONG for the people on a Sunday afternoon in December. It would only take one or two people to lead the singing and play the piano. Maybe there's a group of you that would like to do this for the Center. Volunteer two hours on a Sunday afternoon and create some Holiday spirit!

A bit crafty? Share that special talent with a group of ladies that would like to learn it.

BRIDGE PLAYERS!! There's a group of senior citizens who would like to do just that, play bridge! Come teach them how on a Wednesday afternoon.

HOME DELIVERED MEALS needs volunteer drivers to deliver meals to homebound individuals in the West Bend area. Meals are picked up at the Washington County Senior Center at 11:45 a.m. on Mondays through Fridays.

Drivers!! We need people who know how to get around to help others do the same. Trips to the doctor's office, hospital, stores, and grocery shopping. For more information, call the V.A.C.

Nor more ring around the collar, if you can volunteer a few hours in the Samaritan laundry and help with the general clothing care of residence.

"Sweet Yesterday" Shop needs a volunteer cafe-counter clerk. Meet new and interesting people who remember yesterday and you help fill their sweet desire.

Amber Charland

Amber Charland, daughter of Fran and Kathy Charland, 9318 Kettle Moraine Dr. Kewaskum, has been selected as Kewaskum Community High School's candidate for the Wisconsin Society, Daughters of the American Revolution Good Citizen's award. LeRoy Kopecky, principal announced.

The National Society, DAR, aims to develop an appreciation of character building among young people as a basis of good citizenship. Contestants must attend an accredited high school and have four qualities listed to an outstanding degree: Dependability, Service, Patriotism and Leadership. The Contest is open to both boys and girls in the senior class. Students must be American citizens.

Amber will now compete with other high school representatives from Wisconsin. A pin and certificate are presented to all DAR contestants. The state contest will have 1st, 2nd, and 3rd place winners with the first place winner going on to the division contest. A \$100 savings bond and participation in the national contest is awarded to the state winner. The winner of the first place national award receives a \$1000 scholarship to

the college of the winner's choice. The winner is also to be presented to Congress in April of 1985.

Amber's awards and accomplishments list as follows: National Honor Society member 3-4, Badger State girls 3, Junior class treasurer, Senior class treasurer, Tennis-MVP 1-4, Basketball 1-3, Honors Band 4, Academic Decathlon 4, Homecoming Court 3, Prom Court 3, Girls chorus 1-2, Triple-trio 1-2, Mixed chorus 3, Swing choir 3, Jazz Band 3-4, Pit Band 3-4, Track 1, Letter winners club 3-4, Student Government 1.

TOYS FOR TOTS

The Kewaskum Jaycee Women, in cooperation with the Washington County Social Services, will be collecting toys and goods for the underprivileged children in our area. The Toys for Tots program is open to kids from newborns to age eighteen. Suggested items for contribution are toys, games, stuffed animals, dolls, hair dryers, curling irons, books, hats, mittens, scarves, and jewelry. (Please give either new or like new items). Cash contributions are also welcome to purchase articles that may be missing from certain age groups.

Look for Garfield on the big red and green boxes at Valley Bank, Rich's Super Savings, the Kewaskum Branch of the West Bend Savings ? Loan, Sentry, Kennelly Pharmacy, and Homeplate. Donations will be accepted until December 13. If you have any questions or would like us to pick up your contributions at your home, please call Wendy at 626-2798 or Rene at 626-2854.

Won't you share and help make this a special Christmas for all the kids in our community?

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. next Thursday, Dec. 6.

Village of Kewaskum News Notes

SNOW AND ICE REMOVAL

The snow and ice season has arrived bringing along some problems. To alleviate the problem or to clarify two items let us refer to the Municipal Code, Chapter 8.09 which covers, "Snow and Ice Removal."

I. Sidewalks to be kept clear. The owner or occupant of any lot or parcel shall promptly each day remove all snow and ice which may have fallen or accumulate upon the sidewalk in front of each lot or parcel; provided, when ice has so formed that it cannot be removed, the owner or occupant shall keep the same sprinkled with a material which will prevent the sidewalk from being dangerous to pedestrians. If the owner or occupant fails to

comply with this subsection, the Superintendent of Public Works shall cause the snow or ice to be removed or sprinkled as required in this section and the cost thereof assessed against the property as a special tax.

II. Snow not to be deposited in the streets. No person shall cause to be deposited snow from his premises or sidewalk abutting thereon onto any street in the Village without a permit from the Superintendent of Public Works, who may require to be paid a fee sufficient to reimburse the Village for the cost of removal of such snow.

As for this and all ordinances a penalty is also provided for in Chapter 25.04 of this Municipal Code.

**LETTERS TO
THE EDITOR...**

November 26, 1984

To the Editor:

We would like to express our gratitude to all of the individuals involved in the production of Bye Bye Birdie. A special thanks goes to Terri Bertelsen, assistant director in charge of choreography; Don Potter, assistant director in charge of drama and make-up; Jean Goeden and Eileen Kurtz, Booster Club members who helped with costumes; the make-up crew, headed by Mona Anderson and Colleen Amerling; the costume committee, headed by Rhonda Herring; the technical crew, headed by Mike Vetter; Kim Johnson, who put in many hours at the press for programs, tickets, and posters; and various townspeople who donated props for the musical production.

These people were very instrumental in helping to produce Kewaskum High School's fall musical production.

Sincerely,
David Bertelsen

**FHA to Sponsor
'Breakfast
With Santa'**

The Kewaskum High School FHA chapter will be sponsoring a "Breakfast with Santa" on Saturday, Dec. 15th, at 9:00 a.m. in the high school cafeteria. A breakfast will be served consisting of scrambled eggs, sausage, sweet rolls, fruit juice and milk/coffee. Santa will make an appearance and hand out a "goody bag" to the children. The swing choir will be performing and a Christmas cartoon will be shown. The cost is \$2.50 for children over one year and adults.

Advance ticket sales only. Tickets will be on a first come basis and can be picked up starting Monday, Nov. 26th. Proceeds will go to a scholarship fund.

Polaroid snap shots of your child with Santa can be purchased at the breakfast.

Serwe - Dreher

Sharon A. Serwe and Michael A. Dreher exchanged wedding vows during a 2 p.m. ceremony on Saturday, October 20, at St. Matthew's Catholic Church, Campbellsport. Rev. Victor Kemmer officiated.

Music for the ceremony was provided by the organist, John Penkoske, and the soloist, Mrs. Sue Leonard.

Parents of the couple are Mr. and Mrs. Mathias L. Serwe, Campbellsport, and Merlin J. Dreher, Kewaskum, and Mrs. Mary Ann Lecher, West Bend.

Lori Rowe, Campbellsport, served as maid of honor. The bridesmaids were Lynn Serwe, sister-in-law of the bride, Kim Mueller, sister of the bride, and Linda Enright, sister of the groom.

The groom chose his brother, Randy Dreher, Kewaskum, as his best man. The groomsmen were Cary Serwe, brother of the bride, Steve Ebert, friend of the groom, and Rick Serwe, brother of the bride.

Ushering duties were shared by Mark Mueller, Campbellsport, brother-in-law of the bride, and Daniel Breit, West Bend, uncle of the groom.

Following the ceremony, a reception, dinner and dance was held at The Amerahn, Kewaskum.

The bride is a 1980 graduate of Campbellsport High School and is employed at King Pin Lanes, Campbellsport. The groom is a 1976 graduate of Kewaskum High School and is employed at Jack Walters and Sons, Allenton.

The newlyweds honeymooned in Pennsylvania and are now residing at 1510 Brooklane Dr., Kewaskum.

KHS Students Attend Folk Fair

Thirty-five students from the Kewaskum High School foreign language department attended the 41st annual Folk Fair at MECCA in Milwaukee last Saturday.

As always the event offered a huge array of ethnic food and ethnic gifts. The honored ethnic group this year, the Hispanic group, was the center of attention. A two hour Folk Spectacle centered around their customs and foods. Many other dancing groups representing other countries were also hosted.

The students, their parents and advisors, Ms. Terry Candelario and Ms. Carrie Swanson also enjoyed the International Mart and the International Cafe where food and gift items from around the world were sold.

Christmas Poster Available at West Bend Art Gallery

In preparation for "Toys Through the Years," one of the December exhibits at the West Bend Gallery of Fine Arts, the gallery has available a delightful limited-edition poster. This nostalgic reproduction of an early 20th century Christmas ad portrays Santa delivering his Christmas cheer in a delightfully decorated turn of the century family room. The poster is available at the gallery either framed or unframed.

Proceeds of the poster sales, membership fees and donations go towards the acquisition fund for the purchase of museum-quality art work for the museum's permanent collection.

Initiation Highlights Meeting

A candlelight ceremony marked the initiation of Diane Shreves (second from right), newest member of the GFWC Kewaskum Jr. Woman's Club at the November 13th meeting in the American Legion Hall. GFWC Wisconsin Federation of Women's Clubs President Carolyn Seawell represented the international federation while Debbie Lettow, club vice president, represented the local club. Kewaskum club President, Gayle Van Ess, gave a brief history of women's clubs and the responsibilities of club women, before joining the other club members in welcoming

Diane. In addition to the initiation ceremony Mrs. Seawell also gave the program address on "characteristics of GFWC clubwomen." A personality questionnaire completed the introspective theme of the evening.

The next regular KJWC club meeting will be held at 7:30 p.m. on Tuesday, Dec. 11th, in the Peace Church, when Marlene Frey of West Bend will present a holiday piano and organ recital. Clubwomen are asked to remember the ornament and cookie exchange for that evening.

Craig Garbisch Restores 1948 Forage Harvester for Gehl Fest

While Gehl personnel worked long and hard to collect early models of Gehl farm equipment to display at Gehl Fest '84, held the past summer at the Horlamus Farm, Highway 143, West Bend, no one worked longer or harder than Craig Garbisch, Kewaskum High School Class of '84.

His contribution was a gleaming red, fully restored forage harvester, vintage 1948. Garbisch, vintage 1966, first spied the old machine in a neighbor's field. After years and acres of cornfield duty, it sat there dull, rusted and choked with weeds.

Gehl began manufacturing forage harvesters in 1943, and by 1948 was turning out 2,500 units a year. Those that still exist are more than likely just as dull, rusted and choked with weeds as Craig's.

But Garbisch saw promise in that old machine. He also saw the shop project he needed for his Ag-4 class at school. "It interested me," he says. "I thought it would look good restored—that it would be nice to see something like that work again."

Garbisch, incidentally, comes by his interest in Gehl equipment quite naturally. His father, Roger, works in the company's tool processing department.

Garbisch now knows the inner workings of the Gehl FH 48 on an up-close-and-personal basis. "I started out by tearing the whole thing down, including the old Continental Red Seal engine," he explains. "Then I sanded all the pieces by hand, painted them individually, put the machine back together and gave it the final paint job."

Was it hard putting it back together? "Not really," he says confidently. "Once you take it apart, you can't put it back together wrong."

Garbisch's ag teacher, Dave Rizzardi, says the harvester "was really brown with rust and totally pitted when we dragged it in here a week before school started last September. Craig started working one hour a day on it, then 2-3 hours a day and

by the end of the semester, he was spending more than half the day down in the shop.

"But he learned a lot about it—both the body and the engine—and he did a really good job," Rizzardi says.

The only help Garbisch received along the way was from a high school friend helping him disassemble the machine and from Gehl supplying paint and parts. While it took longer than anyone imagined, he finished it in April—just in time to display at the spring meeting of the Farm and Industrial Equipment Institute (FIEI) hosted by Gehl in May.

"The harvester drew a lot of attention at the meeting," says Erwin Koepf, Gehl product service manager—the man in charge of rounding up old equipment. "Craig spent an awful lot of time on it and he did a good job—especially when you consider he didn't have a sand blaster, degreaser or steam cleaner to use."

He also adds that the unit will be part of a collection of early Gehl farm equipment on display at Gehl Fests.

"I'm glad to give it to them," says Garbisch. "After all, it was theirs to start with, so it's nice they can have it back again."

Pam Green Fritz, Area Instructor, Attends Jazzercise Convention

Pamela Green - Fritz, West Bend Area Certified Instructor, recently attended the first Jazzercise Midwest Regional Convention, held at the Marriott Oak Brook Hotel in Oak Brook, Ill., on November 9-11.

Instructor Fritz teaches Jazzercise at three locations throughout West Bend. For more information on classes in the area, contact 626-2038 or write Jazzercise, 351 Clinton Street, Kewaskum, WI 53040.

The three-day convention, fifth in a series of five conventions held throughout the United States, featured guest speaker Covert Bailey, Bailey, nutritionist, biochemist and author of "Fit or Fat?" and "The Fit-or-Fat Target Diet," spoke on nutrition as it relates to exercise. Bailey emphasized the relationship of aerobic exercise to weight loss and overall fitness. Individual workshops were also conducted in Jazzercise dance technique, physiology and teaching methods, and goal setting in business.

Jazzercise is the largest international dance fitness program with 2,700 certified instructors teaching to more than 370,000 students in all 50 states and 17 other countries including Canada and Australia. Founded in 1969 by jazz dance pro-

fessional Judi Sheppard Missett, the program has consistently set the standard for excellence in instructor certification policies, ongoing monitoring, continuing education in exercise physiology, and topical health issues.

"Our regional conventions are some of the first of their kind in this industry," said Missett, who highlighted the three-day convention by teaching a giant class attended by more than 350 instructors from Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Oklahoma, South Dakota, Wisconsin and Saskatchewan.

"We put a tremendous amount of time and money into keeping our instructors first-rate. This was a real working convention...we try to make our classes fun for the students, but we take our responsibility as fitness leaders in our classes and our communities very seriously. This involves keeping abreast of current information in health care, physiology and teaching techniques. This is what distinguishes us from other fitness programs."

Richfield Craft Fair This Weekend

The Richfield Fair will be held Saturday and Sunday, Dec. 1 and 2 from 10:00 a.m. to 5:00 p.m. at the Kettle Moraine Bowl, Junction Hwys. 60 & 175 Slinger.

Exhibitors dress in old-fashioned costumes and sell only high quality merchandise which includes quilts, tapes, stiches, of all kinds, wood-working, Christmas decor and ornaments, live wreaths, woven goods and rugs, jewelry, plants, ceramics, hand-painted items and much, much more. There is also bakery and fresh produce. Fun things to do include visits with Kris Kringle and Herself the Elf who have free treats for children. Caroling groups stroll through the crowd and there are free door prizes. Another unique feature is "Kid Krafte Korner" where children sell their own hand-made items.

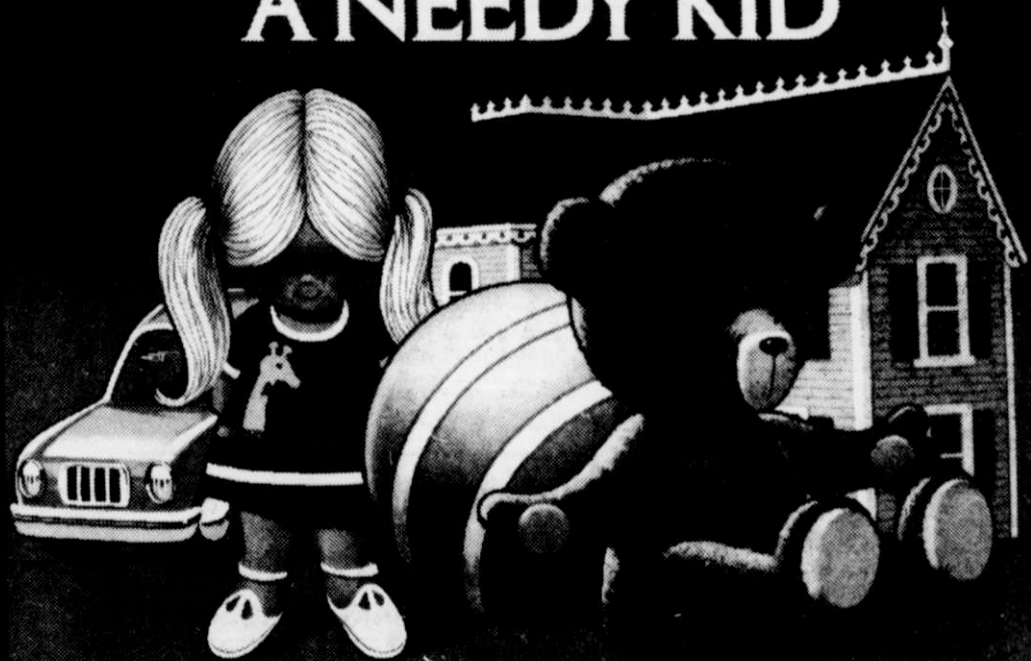

Some say carrying nutmeg in the pocket prevents rheumatism.

Key Club Extends Thanks for Food

The Kewaskum High School Key Club would like to extend a big heartfelt THANK YOU to anyone who contributed to our Thanksgiving Food Drive. The food which was collected was turned over to the St. Vincent de Paul Society for distribution. They help anyone in need in the immediate Kewaskum area. Your donation of food items will help a family in need and is, of course, greatly appreciated. Again, thank you very much.

Spend your money wisely. Advertise in the Statesman.

Brownies Hold Investiture Ceremony

Recently Brownie Troop 17 held their investiture ceremony at Holy Trinity Church basement.

The leaders for this active troop are Joan Stoffel, Joan Fleischman and Izzy Straub.

The mothers were invited, refreshments were served and a short program followed. The scouts received their pins and troop number.

There are 13 girls in this troop (10 are new and 3 are in

for the second year).

On Thursday, December 6, at 7:00 p.m. the Girl Scout leaders from the Kewaskum area will hold their Potluck Christmas party at the Legion Clubhouse. Each leader is asked to bring a dish to pass and a home-made ornament wrapped for exchange.

The leaders are also reminded to bring along the food collected at their troop meeting for the needy.

Reminder to All Girl Scout Leaders

Reminder to all Girl Scout Leaders from Kewaskum, Farmington, Wayne and Beechwood: There will be a Christmas Pot-Luck meeting on Dec. 6, at 7:00 p.m. at the American Legion. Bring a dish to pass and a home made ornament, wrapped for exchange. There will be only a short business meeting.

Please remember to also bring your troop's food-drive box.

Hope to see you all there for a fun evening.

In the Service

Pvt. Sean M. Darvin, son of Janet M. and Michael L. Darvin of Rural Route 2, Campbellsport, has completed one station unit training (OSUT) at the U.S. Army Infantry School, Fort Benning, Ga.

OSUT is a 12-week period which combines basic combat training and advanced individual training.

The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations. Com-

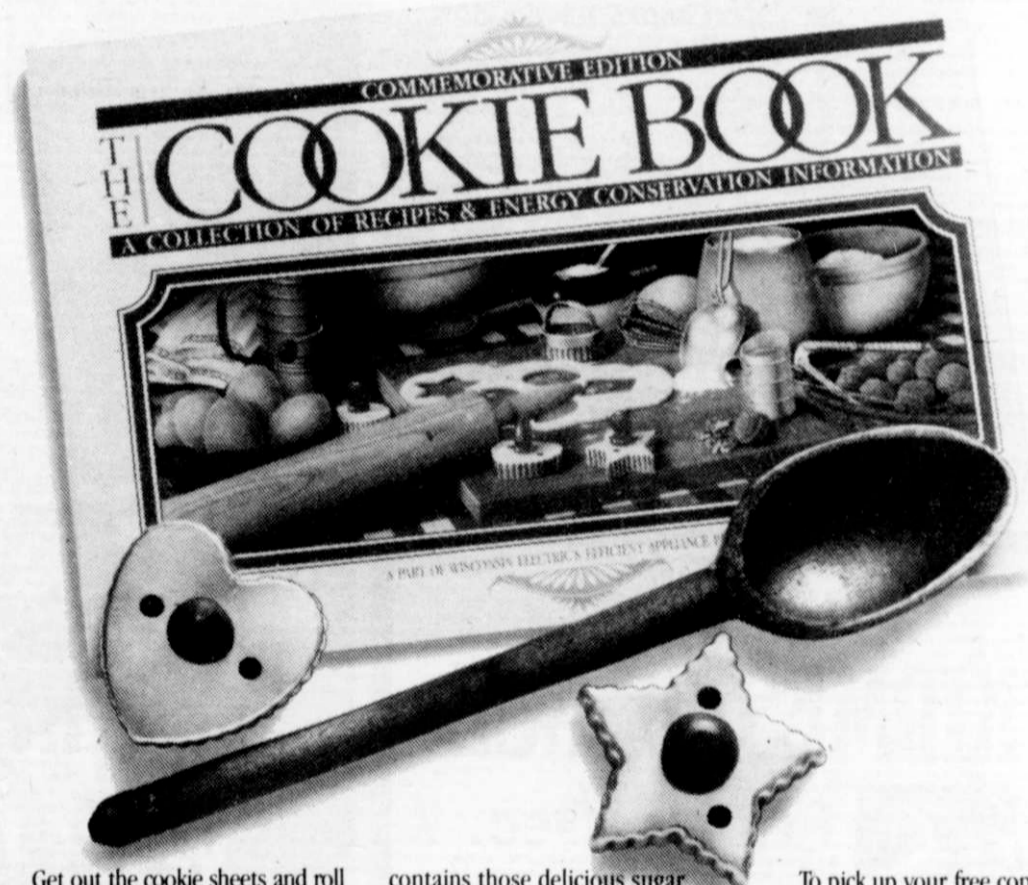

pletion of this course qualifies the soldier as a light-weapons infantryman and as an indirect-fire crewman.

Soldiers were taught to perform any of the duties in a rifle or mortar squad.

Mrs. Reuben Schultz Dies

Mrs. Reuben (Sylvia M.) Schultz, 70, of New Fane, passed away on Sunday, Nov. 25, at St. Joseph's Community Hospital in West Bend where she had been a patient for 11 days.

She was born on July 11, 1914, in the Town of Kewaskum to the late Fred and Ida Seefeld Klein Sr. On March 11, 1937, she married Reuben P. Schultz at Woodstock, Ill. After her marriage she lived in Milwaukee for five years before moving to New Fane. She had been a teacher for 35 years in the surrounding area. She was a very active member of St. Lucas Church in Kewaskum and their Ladies Aid. She was also a member of the Kewaskum Woman's Club.

Survivors include her husband and two children: one daughter, Carole (Lloyd) Keller of Kewaskum and one son, Richard (Sandi) of New Fane. She is also survived by three grandchildren; one brother, Fred Klein Jr. of Kewaskum; other relatives and friends. One son, Reuben Jr., preceded her in death.

Services for Mrs. Schultz were on Wednesday at 1:30 p.m. at St. Lucas Lutheran Church in Kewaskum with Rev. Paul Hoenecke officiating. Burial was in Lutheran Memorial Park in Kewaskum.

Visitation was after 3 p.m. on Tuesday at Miller's Funeral Home in Kewaskum and from 12 noon to time of services on Wednesday at the church.

MABEL M. HARTH

Mabel M. Harth, nee Worden, of 2968 State 60, Jackson, died Friday, Nov. 23, at the Gateway Nursing Home, Hartford, at the age of 93.

She was born April 15, 1891, in the Town of Polk, where she lived until her marriage to Miles Harth at Jackson July 27, 1910.

After their marriage they settled in Mayfield where she lived until entering the Gateway Nursing Home in May of 1980.

Her husband passed away April 14, 1961.

Survivors include 13 children, George (Margaret) of Jackson,

Gladys (William) Bergstrom of Milwaukee, Lester, James (Marion) both of Jackson, Sophie Tesch of Fort Atkinson, Lucille (Herman) Schultz of Green Lake, Robert (Marie) of Montello, Miles Jr. (Nevada) of Hartford, Helen (Norman) Beder of Menomonee Falls, Ralph (Dorothy) of West Bend, Lois (Richard) Gaskell of Wauwatosa, Luella (James) Hagen of Jackson and Mary Ann (Harold) Boettcher of Kewaskum; 20 grandchildren; 26 great-grandchildren; a son-in-law, Hugo Lehner of Milwaukee; one sister-in-law, Eleanor Harth of Milwaukee, and other relatives and friends.

Two daughters, Florence Lehner and Ruth Harth, predeceased. She was a member of the Staff Sgt. Henry F. Gumm Post 487 American Legion Auxiliary of Jackson.

Funeral services were held Sunday, Nov. 25, at 8 p.m. at the Schmidt Funeral Home, West Bend. Rev. Paul Hoenecke officiated, and burial was Monday morning in Washington County Memorial Park.

HENRY BREGER

Funeral services for Henry H. Breger, 88, of Route 3, Campbellsport, were held Saturday at 3:30 p.m. at the Twobig Funeral Home, Campbellsport. The Rev. Norman LeClercq officiated. Burial was in Wisconsin Memorial Park.

Friends called Saturday from 1:30 p.m. to the time of service at the funeral home.

Mr. Breger died Wednesday, Nov. 21, 1984, at Americana Healthcare Center.

He was born Aug. 25, 1896, in Milwaukee, the son of Gust and Ida Griebler. He was a retired brewery worker.

Survivors include two sons, Kenneth of Germantown and Glenn of Milwaukee; two daughters, Mrs. Edmund (Rose) Schelwat of Sheboygan and Mrs. Charlotte Pantel of Milwaukee; 14 grandchildren; and two great-grandchildren.

He was preceded in death by two wives and brothers and sisters.

MRS. ANNA STENZ

Funeral services for Mrs. Anna V. Stenz, 85, of the

Calumet Homestead, New Holstein, were held Monday at 6:30 p.m. at the Erbe-Evjen Funeral Home, New Holstein, and at 7 p.m. at Holy Rosary Catholic Church, New Holstein. The Rev. Ralph Hermsen officiated. Burial followed in the church cemetery.

Friends called Monday from 3 p.m. to the time of service at the funeral home.

Mrs. Stenz died Thursday, Nov. 15, 1984, at Calumet Memorial Hospital, Chilton.

She was born Aug. 30, 1899, in Kewaskum, the daughter of the late Frank and Anna Kohn Hess. She married Michael Kaufman in 1920. He died in 1934. She married Corbin Stenz Sr. Nov. 6, 1956. He died May 30, 1971.

She was a member of Holy Rosary Catholic Church, the Christian Mothers Society, the New Holstein Senior Citizens, the Tabernacle Club and the New Holstein American Legion Auxiliary Unit No. 124.

"I'd rather keep on renting my phone. It makes my life simpler."

Of course, you can buy your GTE telephone if you prefer. But you don't have to. In fact, you don't have to do anything. You can keep right on renting your GTE phone. The low monthly rent is all you pay. And you can rent as many more phones as you like—without laying out a cent for purchase. Not only that, but when you rent, you never have to worry about repairs. If your phone should ever stop working (with a minor problem), we'll fix it. You don't pay a penny extra for repairs. If there's a major problem, we'll simply rent you another phone. It's very simple: GTE customers do not have to buy the telephones they are now renting. Period.

We make your life simpler.

A new record deer kill, far more than double that of last year, had already been achieved in Washington County Wednesday when reports indicated that more than 200 deer had been killed during the first five days of the season in the county, with four more days of the season remaining. Monday morning reports indicated that 106 deer were registered at the sheriff's office on the opening weekend and this number increased over the 200 mark by Wednesday. Mostly bucks were bagged with does running close behind and a smaller number of fawns were taken. Washington County has an "any deer" season this year. Bob Lake, conservation warden for this area, said that in addition to the legal kill during the present season, he has already recorded 60 deer killed by automobiles in the county this year. Last year 87 deer were shot in the county and 50 were reported killed by cars. The two year report indicates that the county deer herd is growing rapidly and this is by far the most successful season ever. Hunters who went to the north woods also report a heavy population of the animals and most of them reported success in bagging deer. This season should find the largest deer kill ever in the state.

Mr. and Mrs. Anton Schaeffer of St. Michaels celebrated their golden wedding anniversary on Nov. 14. The celebration began with a high mass in St. Michael's Church and continued with a dinner reception and dance in the evening in St. Michael's Hall. Seven children were born to the honored couple. They have 18 grandchildren and two great-grandchildren.

Twin daughters were born to Mr. and Mrs. John Coulter, Kewaskum, on November 20. Mrs. Coulter is the former Patty Hron. A daughter was also born to Mr. and Mrs. Gregor Rohlinger, Kewaskum, on November 21.

Among girls active in the plans for the annual Riding Exhibition at Milwaukee Downer College to be given this year on December 8, is Linda Rosenheimer, daughter of Mr. and Mrs. Newton Rosenheimer of Kewaskum. Miss Rosenheimer is a sophomore at the college and during her two years there, has been outstanding in athletics and other extra-curricular activities.

A very pretty wedding took place at St. Petri Lutheran Church, Theresa, on November 24, when Miss Louise Herman, daughter of Mr. and Mrs. George Herman of the Town of Wayne, was united in marriage to Ervin Butzlaff, only son of Mrs. Amelia Butzlaff of the Town of Kewaskum.

Recent rains and the activities of a colony of beavers have created a flood problem in the Town of Osceola, it is reported by Leo Rosenbaum, town chairman, one of the farmers whose land is being inundated. The beavers have been busy for several months damming up a small creek crossing County Trunk F near Waucousta and have succeeded in stopping up the stream with two completed dams. Water levels have been raised noticeably during the heavy rains the past week.

About the latter part of January the Royal Neighbors will give a home talent play in Groeschel's Hall. The title of

the play is "Josiah's Courtship," a farce comedy drama in four acts, consisting of 11 characters. Arthur Schaefer will be the leading man, Josiah Perkins, while Miss Adela Gottleben will be the leading lady known as Priscilla Brown.

Judge J. V. Quarles of Milwaukee on Tuesday suspended sentence on a Campbellsport man who pleaded guilty to an indictment for selling liquor to Indians while up north. The man is a cripple and pleaded ignorance of the law. He is also the only support of an aged mother.

Wednesday morning while the Eden section crew was going over the road, their hand-car was struck by a south-bound freight train about a mile north of Campbellsport. The men escaped from probably being hurled to death by jumping. The car was thrown several feet from the track and was smashed to splinters.

The first severe snow storm this season was experienced last Monday morning. The fall of snow was accompanied by a heavy wind which came from the north. It started snowing shortly after midnight and by morning about 10 inches of the "beautiful" covered the ground.

Anton Marx and Miss Anna Krueger, both popular young people of New Fane, were married at the Holy Trinity church parsonage here last Tuesday morning.

County 4-H Leaders Attend North Central Regional Volunteer Leader Forum

Dianne and Pat Horlamus returned from Columbus, Ohio, where they attended the North Central Regional 4-H Volunteer Leader Forum. They were two of 18 volunteer leaders in Wisconsin participating in the conference designed to help volunteer leaders gain additional skills in working with youth. More than 400 volunteer leaders from twelve north central states attended the forum.

With the theme, "4-H: Building Lives Through Learning," the forum focused on three main areas—personal development, effective teaching methods, and 4-H community involvement and visibility. Workshop topics included time management, computers, family involvement in 4-H, effective meeting planning, drugs and alcohol, vision education, leadership skills for younger 4-H'ers, stress management, expanding the role of volunteers, creative 4-H advertising, and commodity marketing.

They participated in workshops both 4-H and business oriented: marketing computers, 4-H and family, 4-H meetings, citizenship and self improvement, covering time utilization, and stress and our self concept. The entire speaking staff was self-motivated, informed, and

energetic, passing on an abundance of timely, pertinent information. An extremely high emphasis was placed on the value of volunteerism today and the obligation to utilize the volunteers wisely to accomplish the intended goal. They plan to use the experiences gained during the week at home by holding mini-sessions and presenting reports to groups who may be interested as well as incorporating it directly as a volunteer and leader of volunteers.

The forum is arranged by National 4-H Council in support of the 4-H Program of the Cooperative Extension Service of state land-grant universities and the U.S. Department of Agriculture. Financial assistance is provided by J.C. Penney Company and its member stores throughout the north central region.

Their participation was made possible by a travel scholarship from J.C. Penney Company, Wisconsin 4-H Foundation, and Washington County Leaders Association.

You can learn more about opportunities for participation in 4-H as a member or volunteer leader by contacting Kandi Veal, 4-H and Youth Agent in Washington County, 338-4478, 644-5204, or 342-2929.

washington county, wis. SHERIFFS DEPARTMENT

Clarence A. Schwartz, Sheriff

Use Headlights and Not Parking Lights During Inclement Weather

Washington County residents are reminded that parking lights are for parking only and not for use when driving in the rain, fog, sleet, or snow. Sheriff Clarence Schwartz urges drivers to use their headlights as required by law, during periods of inclement weather, as well as during hours of darkness.

There appears to be misconception that headlights cost more to run than parking lights, Schwartz said. This is not true. When the engine is running the alternator replaces the current used by the battery. Only when the vehicle is parked and the engine is not running would the headlights represent a greater drain on the battery, he said.

The greater safety provided by using headlights as required by law during periods of inclement weather should motivate drivers to turn them on. Not only can you see better with

headlights, but other drivers can see you better. When driving home from work during fall and winter months it is a good idea to use headlights so drivers facing the sunset can see you.

Wisconsin law provides that drivers may use yellow adverse weather lights in lieu of headlights only during periods of inclement weather; however, they are never legal as a substitute for headlights at night, and only may be used when absolutely necessary in case of rain, snow, dust, or fog.

State Receives \$869,660 Grant From National Cystic Fibrosis Foundation

Stan Shaw, president of the Wisconsin Chapter of the Cystic Fibrosis Foundation, recently announced that a major research grant totalling \$869,660 has been awarded to Wisconsin by the National Cystic Fibrosis Foundation to support a project centering around a new cystic fibrosis neonatal screening process. The project, entitled "Pulmonary Benefits of Cystic Fibrosis Neonatal Screening," will be a jointly study between the Cystic Fibrosis Center at the University of Wisconsin - Madison Hospital and Clinics, the Cystic Fibrosis Center at Milwaukee Children's Hospital and the State Laboratory of Hygiene on the Madison campus. Dr. Philip Farrell of the University of Wisconsin - Madison Hospital and Clinics will serve as the principal investigator on the project. Dr. Elaine Mischler, Madison CF Center Director, and Dr. W. Theodore Bruns, Milwaukee CF Center Director, will be responsible for the study at their respective centers.

Cystic Fibrosis (CF) is an inherited, chronic degenerative disease that attacks the exocrine (outward secreting) glands of the body, predominately the mucous glands and sweat glands. In CF patients, an abnormal production and accumulation of sticky mucus clogs the lungs, interfering with breathing and leading to gradual destruction of the lung tissue. Individuals with CF are also very susceptible to respiratory infections which further damage the lungs. The mucus also impedes the flow of digestive enzymes from the pancreas to the intestines. As a result, food is poorly digested and proteins and fats insufficiently absorbed.

Approximately one in every 1,600 live births is a child with cystic fibrosis. While nearly half of the babies born today with CF will live past the age of 21, the disease is potentially fatal. At present, there is no cure or control for cystic fibrosis, nor is there a test to detect the over 10 million Americans who are unknowing, symptom-free carriers of the gene which causes the disease.

Early diagnosis of the disease is essential so that treatment can be started promptly before permanent lung damage occurs. There is currently no proven test to detect the disease at birth. The sweat test, which is presently the most reliable and simplest test to detect cystic fibrosis, cannot be reliably performed until a child is at least 6 weeks of age. The sweat test is only performed on children

who display the symptoms of CF or have a history of cystic fibrosis in the family.

Dr. Farrell explained that the first phase of the Wisconsin research project will be to further develop the newborn screening test for CF. Promising results from outside of the United States have suggested that the newborn screening process to be tested in Wisconsin may be very effective. In the United States, Colorado has also performed research on this CF lab screening test but the validity of the test has yet to be established. The Cystic Fibrosis Foundation has selected Wisconsin to test the validity of the screening test.

The CF screening test will use the same blood samples which are used to detect other genetic diseases of metabolism such as PKU and hypothyroidism. Beginning in March of 1985, a screening of selected newborns will begin in Wisconsin. Using a control group of newborns, the CF researchers hope to discover the benefits of neonatal screening for cystic fibrosis.

Because the neonatal screening test has not yet been proven reliable, all infants who are diagnosed as having CF through the neonatal screening test will also be given a sweat test when they are 6 week old to confirm the diagnosis.

The neonatal screening test grant is the largest research grant ever awarded for a single project by the National Cystic Fibrosis Foundation. In 1984, approximately 6 million dollars was allocated to CF research and patient care projects throughout the country by the National Cystic Fibrosis Foundation. The state chapter of the Cystic Fibrosis Foundation is located at 6330 West North Avenue, Milwaukee, Wisconsin 53213. For further information about cystic fibrosis, please contact the Wisconsin Chapter at (414) 257-0525.

Gallery of Arts Plans Chicago Holiday Tour

The West Bend Gallery of Fine Arts will conduct a holiday tour on December 29th to Chicago. The tour group will take in the Chicago Art Institute's exhibit, "A Day in the Country." Impressionist and French landscape works have been collected from around the world to provide this unprecedented exhibit. Viewers will be treated to paintings by Monet, Pissarro, Renoir, Sisley, Cezanne, Seurat, Gauguin, Van Gogh, Bernard, Signac and Cross.

The second part of the tour will be spent at the Museum of Science and Industry. A national ethnic display entitled, "Trees of All Nations" will be on view. This full day tour is open to the public. For more information, contact the gallery at 334-9638.

Congressman JIM SENSENBRENNER Reports

THE NEW CONGRESS

The 99th Congress will be quite different from its predecessor. While the post-election dust has not yet settled (pending the outcome of several recounts), one thing is clear. This Congress will be less liberal and therefore more in step with mainstream America. While there was little change in the Senate, Republicans in the House won a significant victory. Consider the following:

-The switch of between 16 and 19 seats (pending the outcome of recounts) is a gain of at least 10 percent in Republican strength.

-Republicans won 19 of 28 open seats.

-Republicans beat 14 incumbent Democrats while losing only two of our own.

-Prior to 1984, no elected President, running for his second term, had ever picked up more than 13 seats in the House. Even the vaunted Roosevelt landslide of 1936 generated only 11 new Democrats in the House.

-The Republicans will have a freshman class of about 34 new Members. The Democrats will have only about 10.

-The Democrats have 25 Members who won election by less than 55 percent to 45 percent. (If these Members stray too far from the Reagan

coattails they could be in trouble in 1986).

As a result of these changes there will be opportunities for major policy adjustments in the House of Representatives. Some votes on issues during the last Congress may go the opposite direction during the next Congress. For instance, the discharge petition to demand a vote on the Constitutional Amendment to balance the budget ended up with 196 signatures. 22 more names in the 99th Congress will force that issue to the floor for a vote.

In light of all this, it will be interesting to see how the President pursues pushing his legislative agenda through the Democratic controlled House. In winning 49 states and 525 of 538 electoral votes, the President obviously has the benefit of support from the American people. Nevertheless, each legislative proposal will have to stand on its own merits. From a personal standpoint, I'm certainly looking forward to working in a more conservative House, one that comes closer to representing the views of our President and the overwhelming majority of Americans.

Special Holiday Events at The Milwaukee Public Museum

In Austria, the tree is the bright jewel of the home at Christmas time. The popular custom is for the tree to be kept in a locked room until Christmas Eve.

A special Yuletide greeting and fifth anniversary celebration of the European Village of the Milwaukee Public Museum are characterized by music, ethnic holiday decorations and exhibits, crafts displays and cooking demonstrations along with mirth and hilarity from December 6 to January 13.

Strung with festive decorations and brilliant Christmas trees, the quiet autumn-like ambience of the Pabst courtyard and surrounding residences are magically transformed into a delightful greeting card. Whether a Serbian table strewn with hay or straw, a visit by Befana in Italy or an upside-down Polish tree, the spirit of

Christmas, Chanukah and Orthodox Christmas past embraces each of the thirty-three homes and shops of the village as the museum says happy holidays.

The fun begins with ethnic cooking demonstrations of wonderful European main entrees or dessert dishes at 11:30 and 12:30 in the Corner of the Sun Restaurant on Tuesdays and Wednesdays, Dec. 4, 5, 11, 12, 18 and 19. After learning to prepare such delicious old-world foods as Swedish Potatis Korv (potato sausage), Greek Baklava (a rich-layered dessert), Czech apple strudel, German spice cookies, Polish honey cakes and Italian Fettuccine and cheese roll, enjoy eating tasty ethnic cuisine from the restaurant. Copies of the recipes for all dishes will be provided.

Then on Dec. 8 and 9, explore the ethnic customs, music and

crafts of Yuletide celebrations from throughout Europe when from 11 a.m. to 3 p.m., carolers will serenade and local artisans will stitch, knit, spin, embroider and create Czech costume dolls, Danish heart baskets, Finnish gnomes, Lithuanian straw ornaments, Belgian lace making, Irish pillows with holly, Norwegian Christmas stars, Polish and Slovak ornaments, Slovene whirlygigs plus a whole lot more. St. Nick, the devil and angel, important figures from the Czech culture, will make an appearance on both days. The Swedish Linde Chorus and Czech, Welsh and Latvian singers will provide the music.

Chanukah activities on Dec. 23 will be highlighted by the appearance of Congregation Emanu-el B'ne Jeshurun Youth Choir with Cantor Ronald Eichaker, films and children's crafts from 1:30 to 3 p.m.

More craft demonstrations

return during this month of merriment from Dec. 26 - 31. This segment features Norwegian rosemaling, Polish wycinanki (paper cutouts), Slovene whirlygigs and Ukrainian and Swiss embroidery and stitchery. These activities will be presented on a flexible schedule between 11 a.m. and 3 p.m.

Some new acquisitions for the European Village will make their debut for this special holiday and anniversary celebration as well. These artifacts were collected during a field trip to Europe in the Autumn of 1983 and represent 18 European folk cultures. Included are treasured Russian icons, popular clay figures made in Portugal, a traditional wooden Italian creche and other crafted figures, such as a Norwegian pudding dish which had an important use during special occasions like weddings and christenings.

Aside from these public events for the holidays, there will be two important invitational affairs sponsored by Friends of the Museum on December 6 and the Milwaukee Jewish Federation with FOM and the Milwaukee Association for Jewish Education (MAJE) on Dec. 18. To learn more about these activities, call the FOM office at 278-2734 or contact Arlene Mann at 964-1038.

For that special holiday gift giving, be sure to stop into the museum gift shop where merchandise from many parts of the world can be found.

Avoid Trespass on Graded Roadway for West Bend Freeway

For safety's sake, off-road vehicles, including snow-mobles, should avoid trespassing on the graded roadway for the West Bend Freeway. Most of the new roadway has been graded but some uncompleted bridges and drainage ditches will be hazardous to the unwary traveler on the uncompleted highway.

An unusually wet fall has delayed the completion of the bridge at Pleasant Valley road. All other crossroads will be open. In the Spring of 1985, work will resume to place the gravel base course, and pave US 45 from US 41 to Paradise Drive. By this time next year, you should be able to drive on the new roadway and enter or exit at Paradise Drive.

However, during this winter, it is unsafe for trespassers to drive off-road vehicles on the uncompleted roadway. Warning signs will be posted and barricades placed at the future ramp entrances to keep out unauthorized persons. The Sheriff has been requested by the Department of Transportation to issue citations to trespassers.

Contracts to complete the West Bend Freeway from Paradise Drive to CTH "D" will be let in the early Spring. In 1985, the rough grading and construction of the bridges in this section will take place. In 1986, the roadway will be paved and the entire West Bend Freeway will then be completed and opened to traffic.

Minutes of Village Board Meetings

Mid-Monthly Meeting
November 19, 1984
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. Trustee Paul Blumer and Trustee Howard Laubenstein asked to be excused and were absent. Trustee Thomas McElhatton was absent. All other Trustee Members were present.

On a motion by Trustee David Nigh, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the minutes of November 5, 1984, after one correction, that being, Trustee Mary Krueger making the motion to approve the minutes of October 15 and October 25, 1984, and Trustee Donald Mlodzik seconding that motion.

On a motion by Trustee Donald Mlodzik, seconded by Trustee David Nigh and unanimously carried by voice vote, the Board approved the application for an Operator's License (bartender's) License upon proper payment of fee and authorized the office to issue said License as follows:

Thomas R. Cochenet - Kewaskum, WI

NOTE: The Police Department had no objections to the application.

Administrator Daniel Schmidt reviewed with the Board some brief correspondence.

Administrator Daniel Schmidt reviewed the proposed 1985 budget as published for public hearing. The changes in the budget to get to a zero percent increase on the rate were discussed. This was accomplished by increasing the revenue and decreasing expenditures. It was noted that after those computations, the budget went below zero percent to a minus two-tenths percent.

Two specific items were reviewed in detail. The first being the Municipal Landfill account. The main topic being the proposed DNR Closure Agreement and the cost effect on the budget.

The second being the Garbage Collection account and the cost effect on the budget by changing dump sites.

No formal action was taken, but it was the consensus of the board not to sign the DNR Closure Agreement and to switch dump sites for garbage.

Trustee Paul Blumer arrived at 9:15 p.m. for the balance of the meeting.

On a motion by Trustee Donald Mlodzik, seconded by Trustee David Nigh and unanimously carried by voice vote, the Board approved and authorized the signing of the 1985 contract with Bowmar Appraisal of Appleton, Wisconsin, at a price of \$3,200.00.

The Board reviewed the proposed Water Department and Water Pollution Control Department budgets for 1985. It was noted that the Water Department is up approximately 3% and that the Public Service Commission is reviewing the matter for a possible increase. The proposed Water Pollution Control Department budget for 1985 does balance

and that no rate increase would be anticipated until 1986 or later. It was also noted that the public hearing on both budgets will be held on December 17, 1984.

On a motion by Trustee Mary Krueger, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved and authorized the signing of the Town of Auburn Fire Contract for 1985.

Motion was made by Trustee David Nigh, seconded by Trustee Donald Mlodzik to adjourn to closed session under Chapter 19.85 (1) (c) of the Statutes to discuss employee negotiations, compensation and performance data of village employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 2 "Absent." The motion was passed by the majority.

Record Deer Kill In County, State

Washington County's deer kill for the 1984 season, which ended Sunday, easily reached an all-time record of more than 700.

Registration stations Monday morning reported that the total at that point was 705 and two of the six stations did not answer. Besides that, a few more deer could have been registered later in the day prior to the deadline.

It was also a safe deer season in the county, except for a few deer which were hit by cars, including one in the Village of Kewaskum.

Fred Boehlke, maintenance manager for the Kewaskum schools, who is not a hunter, bagged a deer without a gun on Main Street late Friday morning. He was westbound on Main Street around 11 a.m. when a doe ran out from between two houses in the 700 block. Boehlke was unable to avoid the animal, striking it with his car which received in excess of \$500 damage. Although injured, the doe continued on through several yards and finally

collapsed on the lawn at the Harry Koch home on Keller St., two blocks north, where it was tagged by a local hunter. Neither Boehlke nor his two children, who were passengers, were injured.

Throughout the state, Wisconsin hunters killed more than a quarter of a million deer during this year's season for a record harvest. Preliminary estimates put this season harvest at 251,795 deer, exceeding numbers predicted earlier by DNR wildlife managers. Before the season they had predicted about 225,000 deer would be harvested from a herd of about one million. The previous record was 197,600 set last year.

At least four persons were shot to death statewide and at least 33 hunters were injured by gunshot during the season. Five other men died, seemingly of heart attacks, while hunting.

Kewaskum Edged By Twins in Lakes Opener

Kewaskum fell short by two points, 92-90, to Thiensville-Mequon of the "A" Division in their Land o' Lakes basketball opener here Sunday night.

It was another good game between these two evenly-matched teams.

Trailing 44-38 at halftime, Kewaskum narrowed the deficit to two points a number of times in the second half, but came up just short.

Dan Doedens of the Twins and Bob Nigh of Kewaskum shared scoring honors with 27 points apiece. Leon Laatsch contributed 18 points and Clark Eichstedt 15 for the losers.

This weekend Kewaskum has a bye in the schedule. The next game will be on Saturday, Dec. 8, against the Menomonee Falls Badgers at Falls North High School. This will be a 4:00 p.m. game which was moved up from Dec. 9.

Thiensville-Mequon — D. Doedens 12-3-0, Cramer 4-0-2, Heroux 4-1-0, Endsley 5-0-4, Eschrich 5-0-3, Felton 3-0-3, A. Doedens 3-8-2, Metzger 4-0-3. Totals: 40-12-17.

Koepke MVP in Volleyball At Lakeland

Julie Koepke

Sheboygan — Julie Koepke, a freshman from Kewaskum, was named as the "most valuable player" by members of the Lakeland College women's volleyball team, Coach Judy Cohen has announced.

Selected as next year's tri-captains were Tina Inger, Manawa; Patty Kaestner, Howards Grove; and Kay Stoffel, Fond du Lac. Inger and Stoffel are juniors and Kaestner is a sophomore.

Coach Cohen also reported that Cindy Schabach, Chilton, a freshman, was chosen as the team's "most improved player" during the course of the season.

The Muskies won two of six Wisconsin Independent College Women's Athletic Conference matches and eight of 24 overall. There were only four returning players from last year on this year's team.

Letters were awarded to 10 players, including juniors Lori McHugh, Oconomowoc; Inger and Stoffel; sophomore Kaestner; and freshmen Lori Christel, St. Nazianz; Sibhan Gallagher, Chicago; Dona Kalk, Route 1, Sheboygan; Koepke; Janet Lenz, Kaukauna, and Schabach.

Results:

Sunday, November 25 — Oconomowoc 132, Men. Falls Stingers 126; Cedarburg 95, Men. Falls Badgers 92; Thiensville-Mequon 92, Kewaskum 90; Port Washington 117, Hartford 105.

Schedule:

Saturday, December 1 — Port Washington at Cedarburg.

Sunday, December 2 — Men. Falls Stingers at Thiensville-Mequon; Hartford at Oconomowoc; Men. Falls Badgers at Sussex.

WODESDALEK OUT WITH INJURY AT LAKELAND

Dale Wodsedalek, 6-5, junior forward from Kewaskum at Lakeland College, Sheboygan, is sidelined after being injured just prior to the Roosevelt University game recently. Wodsedalek caught an elbow in the face during practice and is expected to be out of action until Dec. 1, according to Coach Duane (Moose) Woltzen.

Indians Win Easily Over Cougars, 61-38

By John Harju

The KHS boys basketball team jumped out to an early 20-2 lead and coasted the rest of the way for an opening game 61-38 victory over the Campbellsport Cougars last Friday in Kewaskum.

After Cougar Todd Rohlinger hit an opening jumper to put Campbellsport out in front 2-0, Kewaskum came back with 20 unanswered points. Indian guard Tim Rohlinger and senior forward Mike Steinhardt each popped in three baskets while Bob Yahr added a pair of buckets to help Kewaskum to a 20-8 first quarter lead.

The Indians shot 10 out of 16 from the floor for a hot 63% in the first quarter. Campbellsport "helped" Kewaskum a little also by turning the ball over 8 times in the first quarter.

At halftime, Kewaskum enjoyed a 32-17 lead. This big point spread was a bit deceiving according to Indian coach Perry Koth. He later commented that Kewaskum lacked control and didn't really run a patterned offense through most of the game — especially the second quarter.

Koth rotated a lot of players in the second half and the reserves played well according to Koth.

Free throw shooting was dismal for both teams. Kewaskum made only 7 of 21 while

Campbellsport converted on only 16 of 32.

Koth was happy about the way the Indians contained Cougar center Chris Stoffel. Stoffel, who is 6'8", was held to only 11 points.

Leading the Indians scoring attack was Rohlinger, Steinhardt, and Todd Wiedmeyer, each of whom had 10 points. Yahr and Tom Herriges were next with 6. Craig Dreikosen led the Cougars with 13.

The Indian JVs also won a well played 44-39 battle. Mike Coulter and Troy Zimdars led Kewaskum with 14 and 10 points, respectively.

The freshmen suffered a 44-38 defeat. Joel Fleury scored 16 points while Noel Stollenwerk punched in 8 to lead the frosh in their losing effort.

Campbellsport 8 9 12 9-38
Kewaskum 20 12 11 18-61

Kewaskum — Ruplinger 2-2-4, Herriges 3-0-3, Tm. Rohlinger 5-0-3, Wiedmeyer 5-0-3, Steinhardt 5-0-4, Yahr 3-0-3, Steger 0-1-2, Theusch 1-2-2, Harju 1-0-0, Menzel 1-0-1, Stange 0-2-1, Stuck 0-0-0, Ramthun 0-0-1, H. Stoffel 0-0-1, Murre 0-0-0. Totals 27-7-26.

Sheboygan Falls to Open Here

E-W Basketball Preview

By John Harju

The Kewaskum boys basketball team, under the new head coaching of Perry Koth, open their 1984-85 E-W conference season Friday night in Kewaskum against the Sheboygan Falls Falcons.

Falls, which tied New Holstein for the conference championship last year with a record of 9-3, has only two returning lettermen this year, but none the less, they should be a factor again.

Falcon coach Arden Luker, beginning his 32nd year at the helm, has 6'4" Jeff Schomberg, who averaged 13.8 points a game last year, and 5'11" Kevin Mauer back on this year's squad. Expected to help will be 6'2" Randy Rabe, 6'2" Rich Perronne, 5-11 Todd Stoffregren, and 6'1" Terry Van Engen.

"We will have good overall speed. Shooting and rebounding will be a problem," says Luker.

One thing that the E-W coaches agree on is the fact that the E-W should be at its strongest level in years this year.

"Every team has at least one or two quality players," says New Holstein's 16-year coach Rich Rollins. "At least five of the seven teams have a realistic shot at winning the championship."

Rollins has to find a replacement for Dan Wilberscheid, EWC's top scorer and No. 2 rebounder last season. Returning letterman 6'6" Dennis Reider, who has grown two inches since last year, should

Rollins' other returning lettermen are 6'3" Rich Lavenz, a first team all-conference selection last year who was fourth in assists, fifth in steals, fifth in rebounding, and fourth in scoring (15.2 ppg), 5'8" Steve Schmitt, 5'10" Scott Strand, 6'1" Todd Hochrein, and 6'4" Steve Morgan.

Kiel, one of the odds on favorites to win the conference title this year, has a wealth of talent to improve on last year's 4-8 record.

Coach Mike Schroeder has six lettermen returning. Heading the list is 5'10" Scott Schroeder who was third in the EWC in scoring (15.9) and assists 44.

The Raider guards include outside threat Steve Bunge, who averaged 8.3 points last year. Kiel's front line includes 6'4" Darrel Reisterer and 6'4" Steve Lorfeld. 6'2" Leon Deehr rounds out the starting five while letterman Jim Freis lends depth at guard. Expected to help are Mike Klauck, Mark Wagner, and Tim Voelker, all of whom are 6'2".

Chilton, 6-6 a year ago, has one of the area's best players in 6'6" Junior Todd Eisner returning to Coach Jim Eisner's 1984 squad. Last year, Eisner was the EWC's second leading scorer (22.6 ppg) and No. 1 rebounder (11.4 rebounds a game). So far this year, Eisner has scored 39 and 29 points in two early non-conference wins over Reedsville and Hilbert.

Two other lettermen in 6'1" Steve Meyer and 6'0" Dean Henaver return, but Coach Eisner feels his team lacks experienced guards and overall team quickness.

Plymouth's JVs were 14-4

last season and Coach Frank Schade is looking for a lot of help from these juniors who are on this year's varsity squad. Only two lettermen return this year. They are 6'2" Troy Fritz, who averaged 11 points a game last year, and 6'3" Troy Holzmann.

Non-lettermen who will help are 6'3" Jeff Schneider, 6'1" Mike Hellmer, 5'10" Andy Horstman, 6'3" Perry Fritz, who should start at center, and 5'9" Mike Rivers.

KHS Girls Thumped By Lomira Lions, 59-37

By John Harju

The KHS girls basketball team received a 59-37 thrashing from the Lomira Lions last Monday night in Lomira.

Coach Milt Dickinsen commented that the Lions were very quick, making up for a lack of height, and more aggressive on defense than Kewaskum. "It was very disappointing."

The Indians (0-2) did, however, get ample opportunities to shoot over the smaller Lions. Unfortunately, they only made 17 out of 62 shots attempted from the floor, a dismal 27%. Lomira converted on 49% of their shots (23-47).

Kewaskum did, however, start on a positive note, jumping out 6-0 on three straight baskets, but after this, according to Dickinsen, "it was all down hill."

Senior Sandy Secor was sick Monday but still popped in 10 points to lead the Indians in scoring. Lisa Fusek followed with 8 points, while Dawn Fellenz, Michelle Gebheim, and Jodi Yearling each added 4. Fusek led Kewaskum in rebounding with 6. Brenda Kober followed her with 5, all of them offensive rebounds.

Beth Raube paced Lomira with 14 points (10 in the first half) while Muehlius had 13.

Kewaskum will be without the services of one of its seniors until late January after she was declared academically ineligible last week.

KHS Wrestling Team Places Third in Triple Dual Meet

By John Harju

The KHS wrestling team placed third out of four teams in a triple dual meet at Campbellsport last Wednesday.

The host Cougars easily dominated, coming out on top with a 3-0 record. Grafton was 2-1, Kewaskum 1-2, and St. Mary's Springs was 0-3.

Coach John Nell had only one wrestler, Bob Callison, come through his three matches undefeated. 126-pound Callison, who qualified for state last year at 119 pounds, pinned his first two opponents before finishing with a 14-4 decision over Cougar Bob Guelig.

132-pound Rick Staehler and Wade Jepsen, wrestling one class above what he actually weighs, were both 2-1 with their only losses coming against Campbellsport opponents.

Senior John Nowak (155 pounds) and junior Jeff Diels

Two Rivers, 12-8 last year, has good quick guards in 6-footers Ron Johnson and Paul Christoffel, but lacks size and rebounding.

The Purple Raiders will depend on 6'3" Mark Monka and 6'3" Mark Meneau for most of their baseline power. Monka averaged 12.6 points and 10 rebounds a year ago.

Kewaskum's roster, which has only three lettermen back, was published in a previous issue.

Snowmobile Safety Course Dates Set

The Kewaskum Sno-Chiefs Snowmobile Club will be holding their annual safety course for children 12 to 16 years old. The cost is \$2.50 each.

Class dates are December 1st and 8th, from 8:00 a.m. to 12 noon. The course will be held at the Kewaskum Legion Hall, 1538 Fond du Lac Avenue.

For further information call Bob Staehler, 626-2329. Club membership is not required for youngster to attend the course.

SANDY KLEIN PLACES 114TH IN RACINE RUN

Kewaskum High School senior Sandy Klein was one of several hundred participants in Saturday's Kinney Midwest Regional cross country run at Johnson Park in Racine. She finished 114th in a star-studded field that included runners from at least 15 different states.

The girls' race, which covered 5,000 meters, was won by two-time Colorado state champion, Liz Britton of Boulder, in a blistering 17:41.42. Klein, who closed out her high school career recently, was named MVP for the third year in a row. She was clocked in 22:50.2.

(Hwt.) were also 2-1 with one of their victories each coming via forfeit.

On Thursday night the Indians host West Bend East and next Tuesday they wrestle at Random Lake. Both are non-conference meets.
