There's a psychiatrist who has discovered a new type of shock treatment. He sends his patients their bills in advance.

**UNITED WAY OVER THE TOP** — Long after the last dollar has been pledged, Kewaskum Area United Way is still congratulating the community for topping its \$30,000 goal in the 1984 fund campaign. Residents, business, and industry contributed a total of \$30,439.80, which will be distributed to health and service agencies in February. Extremely pleased with the community support are campaign co-chairmen Margaret McFadden [left] and Dr. Stephen Van Ess [right] shown here receiving appreciation plaques from UW Board President Roy Esser.

## To Host Area AFS Students, Annual Meeting

# AFS Chapter to Celebrate 25th Anniversary with Luncheon, Program

See photos and related articles on other pages.

"25 years of caring and sharing" is being celebrated this week by the Kewaskum AFS Chapter. The first foreign student to Kewaskum arrived in 1961 to live with the Charles Miller family, but a lot of time and planning were involved in first creating a chapter for Kewaskum. Charter members of the organization included Mrs. L. N. Peterson, Charles Miller, Mrs. Ray Schaefer, C. Ernest Mitchell, Robert

Kroncke, Rev. Clark Hammen, Paula Petri, John Stellpflug, Clifford Rose, and Giles Wierman. Since the arrival of the first student, Norwegian Walborg Pettersen, 28 more foreign students have been welcomed into Kewaskum area homes. Presently Miss Rosi Cano, from Honduras, is living with the Ronald Landvatter family. In addition, thirteen Kewaskum students have travelled to other countries to live with families and learn about a different culture. The first student from Kewaskum was Mary Kroncke, who went to

Spain in 1964.

Of course, student involvement has been important from the very beginning. Judy Theusch was chairman of the high school student council committee when AFS began in Kewaskum in 1960. The officers at the time were Ed Ferber, Elaine Weddig, Kathleen Kempf, and Ann Schaefer. Today the student AFS Club supports the activities of the foreign student and raises scholarship money for Kewaskum students who want to participate in the AFS exchange.

During the year 1976 - 1981, the Kewaskum chapter also participated in the AFS domestic exchange program. Five Kewaskum students spent a semester living in other areas of the U.S. while Kewaskum families hosted a student here during each of those semesters. A special celebration of the chapter's 25 years will be held during a luncheon Saturday, January 19, at the high school. Special recognition will be given to businesses and individuals in the community who have given extra support to the chapter through the years. Because Kewaskum is hosting the Lake Moraine Area AFS annual meeting that day, workshops will also take place in the morning. Any interested

## Release Wild Turkeys In Area

Department of Natural Resources game technicians released four wild turkeys at the Parnell Tower in the Town of Mitchell near Greenbush Wednesday morning.

The four Toms are the first release of 40 birds which have been allotted for a trial stocking program in the Northern Kettle Moraine, including Kewaskum.

DNR officials had hoped to have all forty birds by now. However, the trapping program in the southwestern part of the state ran into problems and has only been able to capture the four birds so far.

When the remaining birds

are caught, 16 more will be released in the Greenbush area and the other twenty turkeys will be released in the Kettle Moraine area about two miles east of Kewaskum.

It's hoped the birds will survive and begin to reproduce in the State Forest.

In a late call on Wednesday afternoon from the DNR, they stated that 14 more hen turkeys were to be released on Wednesday afternoon in the Town of Mitchell and six turkeys were to be released Thursday morning at 9:00 o'clock about 2 miles east of Kewaskum in the Kettle Moraine Area.

# School Board Backs Plan To Move CESA 6 Offices

By GERRY MUELLER  
Statesman Staff Writer

On a unanimous vote at its meeting Monday night, the Kewaskum School Board approved a proposal to relocate the Cooperative Educational Services Agency (CESA) #6 offices to a more central location within the new CESA district. Plans are to move CESA 6 from its present facilities in Juneau, to a location between Fond du Lac and Oshkosh.

The motion also committed the Kewaskum School District to provide up to \$10,000 for the

purchase or construction of facilities for the new offices.

The new CESA 6 district, which was formed through consolidation last year, contains parts of the old CESA 8, 13, and 16 districts and extends from Dodgeville to Shiocton.

Board member Ralph Horner, who represents Kewaskum on the CESA 6 Board, told the meeting he was one of the 26 out of 35 schools district representatives who felt relocation would be in the best interests of all the affected schools. He stated Fond du Lac and Osh-

# Regal Opens Store in West Bend Outlet Mall

Regal Ware, Inc., Kewaskum, has just announced the opening of a factory outlet store in the West Bend Outlet Mall.

The 1500-square feet of floor space will stock products direct from its five factories. In addition to a large selection of Regal housewares products, the store will sell the popular LaMachine food processor and Club aluminum cookware. About 75 to 80% of its stock will be seconds, closeouts and refurbished electrics which are available on a first-come, first-serve basis at discounted prices. Not all colors and styles of cookware and kitchen electrics are available at all times. The remaining space houses a selection of first quality merchandise which can be reordered as desired.

Regal produces microwave cookware and a wide assort-

ment of rangetop cookware that includes several cast aluminum lines, drawn aluminum, stainless steel and a variety of SilverStone-coated lines. It also produces kitchen electrics including such items as fry pans, fondues, corn poppers, knives, food grinders and coffee makers in sizes to please any household.

Jerome Ziegler of West Bend will manage the store. The store will employ three additional people at this time.

Grand opening of the new Regal Outlet Store in the Outlet Mall is scheduled for January 21 - 27. Door prizes and special prices are planned for that week.

The company will continue to operate its original outlet store on Fond du Lac Avenue in Kewaskum.

# Area Eagle Scouts to Be Honored at Dinner

Invitations have been sent to all young men from the Milwaukee area who qualified for the Eagle Scout Award in 1984.

The dinner will be held at 4 p.m. Sunday, Feb. 10, at St. Michael's Brillion Inn, State 10 in Brillion.

The dinner will feature Edward W. Weidner, Chancellor of the University of Wisconsin-Green Bay as the keynote speaker, and Bruce Black, professor at UW-Oshkosh, will serve as the master of ceremonies.

The Eagle Badge represents the highest achievement in Scouting, and is worn by Scouts who have distinguished them-

selves in leadership and in service to others.

Eagle Scouts from the area to be honored at the dinner include:

Kewaskum — Steven R. Gross, Michael A. Kirst, Kenneth H. Weiss and Michael G. Geldreich.

Random Lake — Cory J. Davis.

West Bend — Gene D. Teofilo, Jeffrey T. Jatin, Carl F. Peters, Dean Jurss, William J. Mertens, Deven B. McGlenn, Aaron D. Randall and Donald Roehl.

Slinger — John Schoenke, Kacy Kleinhans, Scott A. Hettig and Brad J. Miller.

kosh would be almost the geographic center of the district.

Horner told the school board, the Board of Control had set a limit of \$350,000 for the new offices which results in a contribution of \$10,000 from each of the 35 school districts in CESA 6.

Originally, there was some discussion of purchasing the Juneau site, however, the building has since been sold with CESA continuing to rent from the new owners.

Board member Tom Brigham asked Horner what his feelings were since he was the most knowledgeable on the subject. Horner said his recommendation was that he would prefer to have \$10,000 equity in a CESA owned building than contend with continually rising rent costs.

The Green Lake School District has already endorsed the plan, but it will require approval from two-thirds of the CESA Board of Control and three-fourths of the School Districts.

In other action the board approved the hiring of a part-time aide for the Beechwood School at a cost of \$1,140. Principal Tom Larsen made the request, stating there was a serious need to provide help for the morning reading programs. Larsen noted, that while the school received some volunteer parent aide, it fluctuated and did not give a consistent, reliable source of help to the teacher. Mrs. Carol Connor asked the board if Kewaskum Elementary could have their aide back. "That's suffered too," said Connor. Board President Jean Goeden told her she would have to talk to Mr. Zarling.

Mrs. Terry Candelario of the high school language department addressed the board regarding providing German classes in the Middle School. Spanish has already been approved and she felt students should have the opportunity to take German also. Candelario asked the board to consider the request and make a decision as soon as possible since it takes several months to set up a curriculum that would coincide with the high school program.

The board approved several purchase requests that exceeded the \$1,000 limit which can be approved by the Business Manager. They included a new replacement water heater for Kewaskum Elementary at a cost of \$1,750, a Xerox memory-writer for the Administrative Office \$1,244, and a Savon Copier with service contract at \$2,850, for the Administrative Office.

High School Counselor David Wietor presented the board with an informational report on the Kewaskum School District's Drug and Alcohol Abuse Steering Committee meeting. Wietor said that after an hour's discussion of the policy at its last meeting the committee felt uncomfortable due to its lack of training on the subject. He said efforts were being made to recruit some individuals who could provide that training, hopefully at the committee's next meeting in February.

The board approved a resolution commending the students and coaches who participated in the Academic Decathlon.

The board also approved

several administration resignation and employment recommendations.

The board then adjourned to closed session.

## Sensenbrenner Holds Town Hall Meeting Here

By GERRY MUELLER  
Statesman Staff Writer

Congressman F. James Sensenbrenner held his regular "town hall" meeting at the Kewaskum Municipal Building last Wednesday, but apparently area residents have no "gripes" since the congressman's aides outnumbered the residents in attendance.

Besides this reporter, Village Administrator Dan Schmidt, and a lady who had some time to kill before her dentist appointment, no one else showed up.

Schmidt questioned the congressman on tax proposals. Sensenbrenner said at this time, tax proposals were "not on the front burner. I think we're about a year away from a major tax proposal," stated Sensenbrenner.

Schmidt asked Sensenbrenner if he liked any of the present proposals and the congressman stated "no." Sensenbrenner said he did not go along with the flat tax, or dropping of mortgage interest credits, consumer interest credits, or donations to charitable institutions. He felt there should be limitations in some areas, but they should not be dropped altogether.

Questioned on Medicare, Sensenbrenner said, "we cannot continue to have health

care costs continue as they are." He also said freezing of doctor payments for two years was too much to ask.

Sensenbrenner stated there is no incentive for the medical profession and hospitals to hold down costs, and no incentive on the part of patients to hold down costs.

When asked why the program hasn't been improved and made more efficient, Sensenbrenner said the problem is the bureaucratic machinery which oversees the program has not moved as quickly as the advances in medicine. There are many instances today where patients could be treated in the office or on an outpatient basis, however, such costs are not covered unless a hospital stay is involved thereby drastically increasing the costs.

"One thing I fear is, the United States will do down the road of Great Britain," stated Sensenbrenner. With national health insurance, the English people are on waiting lists of three to four years of elective surgery. "I feel that's a form of rationing health care," said Sensenbrenner. Well-to-do citizens can afford to go to private facilities, while waiting lists grow longer for public health care services.

Maybe the Congressman chose the wrong place to hold his meeting. Perhaps if he'd taken a stand behind a barber-chair with a scissors in his hand or behind a bar with a glass he would have gotten all the gripes and complaints he could handle.

Only two Presidents of the U.S.—James K. Polk and Woodrow Wilson—have been elected without winning the vote of their home state.

## Williams, Weddig Attend Seminar

Larry Williams and Ken Weddig of KL Home and Hardware, Kewaskum, recently attended the Executive Management Meetings conducted by Hardware Wholesalers, Inc. in Madison. KL Home and Hardware are owners of HWI.

The purpose of this seminar was to strengthen knowledge in the practical aspects of managing and merchandising a retail store. It included detailed discussions on advertising, business productivity, employee incentives, pricing, personnel relations and strategic planning. These Management Meetings are being conducted in thirty eight cities throughout the HWI marketing area.

HWI services over 2500 hardware stores, lumber yards, and home centers throughout 34 states. Distribution centers are located in Cape Girardeau, Missouri, Dixon, Illinois; Medina, Ohio; and Waco, Texas.

## Meeting on Groundwater

John Nelson, Department of Natural Resources, will speak at a meeting of Washington County League of Women Voters on Monday evening, January 21st. The meeting will be held at the Freedom Savings and Loan, 2165 W. Washington Street in West Bend. It will begin at 7:30 p.m.

Mr. Nelson has an excellent slide program describing ground water and problems related to it. He will address the issues of how vital ground water is to Wisconsin, some chemical contaminants affecting it, and the need for ground water protection. Included in the evening's discussion will be comments on the recent groundwater bill. Public is welcome.

Tara worked on the reelection campaign of President Reagan and is working on the inaugural parade. Their home address is Alexandria, VA.

Fifty-thousand people are expected to dance the night away at nine official, invitation-only inaugural balls around Washington Monday night, from the Kennedy Center to the D.C. Armory. The Reagans will try to make brief appearances at every dance.

## Cedar Lake Home Directors Select Retirement Site

By GERRY MUELLER  
Statesman Staff Writer

In an exclusive announcement late last week, Rev. L.C. Riesch, Administrator of the Cedar Lake Home, informed this reporter that the Board of Directors has unanimously approved the purchase proposal on a site in the city of West Bend for its proposed retirement village.

Plans for the "Cedar Ridge Benevolent Retirement for the Aged Campus," as it will be called, were to be presented to West Bend City officials at a meeting Monday night.

The 50-acre parcel, belonging to David Bohn, is located on Scenic Road, next to Ridge Run Park, just off Highway 33.

Riesch stated the first phase of the project will be construction of 72 apartments. The second phase will expand the village to a total of 144 apartments.

Rev. Riesch said the site was selected because it would allow for the construction with a considerable amount of land to be kept natural and parklike; the same type of setting as the village adjacent to Cedar Lake Home's present campus. He

also said the site was large enough for the addition of one or two more building complexes. Riesch noted, however, that expansion is a projection for the next 100 to 200 years.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This old postcard, mailed out in 1911, shows a birdseye view of a portion of Kewaskum. In the right foreground is Koch's Mill and in the far right background construction of Holy Trinity Catholic Church was underway when the photo was taken. The cornerstone of the church was laid in 1905. Between the two, at the extreme right, can be seen the former Remmel Mfg. Co. building. If you look over the top of the mill at the homes across the street, that is where the Kewaskum Municipal Building now stands. Old timers no doubt can identify many of the homes and buildings, a number of which have since been torn down.

(2) **SNOWMOBILE ROUTES AND TRAILS DESIGNATED.** In the River Hill Park and KKC Park: Those routes and trails on the annual snowmobile route map which shall be a part of this section by reference as though fully set forth herein.

(3) **ADDITIONAL REGULATIONS.** (a) **Speed.** No person shall operate a snowmobile upon any public highway within the Village at a speed in excess of 10 miles per hour. No person shall operate a snowmobile on any trail designated in sub. (2) or in any public park, golf course or recreation area at a speed in excess of the posted limit or 10 miles per hour, whichever is the lower.

(b) **Hours of Operations.** No person shall operate a snowmobile within the Village between 2:00 A.M. and 6:00 A.M. except upon a public highway as authorized by the Wisconsin Statutes and this section or for the purpose of gaining to or leaving such highway. (The hours of operation as spelled out in this paragraph do not affect the curfew hours for minors as stated in Chapter 9.14 (1) of the Municipal Code).

(c) **Unattended Snowmobiles.** No person shall leave or allow a snowmobile to remain un-

attended on any public highway or public property while the motor is running or with the starting key in the ignition.

(d) **Operation on Sidewalks and Malls Prohibited.** No person shall operate a snowmobile on any sidewalk, pedestrian way or mall within the Village except as specifically authorized by sub. (2) or for the purpose of crossing to obtain immediate access to an

authorized area of operation.

**7.15 Penalty.** The penalty for violation of any provision of this Chapter shall be a forfeiture as hereafter provided together with costs under 345.27, Wis. Stats., and a penalty assessment, where applicable, as required under 165.87 (2), Wis. Stats. ## Henry Weddig, Others Pass On

Henry J. Weddig, 79, of 502 Main Street, Kewaskum, also of the Samaritan Home in West Bend, passed away Tuesday, January 15, 1985 at St. Joseph's Community Hospital in West Bend.

He was born on March 17, 1905 in Kewaskum to the late John and Magdeline Kruetzinger Weddig. On June 2, 1928 he married Martha "Hattie" Marquardt in Town Scott.

Mr. Weddig had been employed by the Rosenheimer Feed Mill for 43 years. He was a member of the Peace United Church of Christ in Kewaskum all his life and was their custodian for 35 years. He was a member of the Kewaskum XYZ and Beechwood ABC Senior Citizens clubs and a member of the Peace UCC dartball team.

Survivors include his wife; one son, Henry (Caroline) of Waupaca; nine grandchildren and seven great-grandchildren; three sisters, Mrs. Magdeline Schroeder and Mrs. Evelyn (Peter) Jansen, both of West Bend, and Mrs. Lillian (Hugo) Kuester of Milwaukee; three brothers, Otto (Ruth) of rural Campbellsport, Arthur (Ella) of Kewaskum and Fred (Lucille) of Germantown; other relatives and friends. One daughter, Gladys, and three brothers preceded him in death.

Services for Mr. Weddig will be on Saturday, January 19, at Peace UCC in Kewaskum at 11:00 a.m. with Rev. Darrell Joiner officiating. Burial will be in the church cemetery.

Visitation will be after 4 p.m. Friday at Miller's Funeral Home in Kewaskum and at the church on Saturday from 10

a.m. to time of services.

### ROLAND F. HASS

Roland F. Hass, of 2134 Chestnut Street, West Bend, died Wednesday, January 9, at his residence, at the age of 63.

He was born October 22, 1921, in the Town of Hull, Marathon County, and married Lucille Fink on June 2, 1945, at Zion Lutheran Church, Colby.

He resided in Colby until moving to West Bend in 1966, at which time he worked for the Gehl Company as a spray painter. He retired in March of 1984.

Survivors include his wife; four children, Jeanette (Russell) Guillaume of West Bend, Dale (Gloria) of Kewaskum, Glen (Donna) of West Bend and Linda, at home, and her fiance Donald Krizan of Hustisford; eight grandchildren; two sisters, Ella (Elmer) Rapp of Marshfield and Gertrude (John) Alexander of Medford; two brothers, Frank (Theresa) of La Crosse and Norman Meinke of Unity; one step-brother, Elmer Meinke of Unity; one step-sister, Erna Smith of Milwaukee; one sister-in-law, Winnifred Herrmann, and other relatives and friends.

Preceding him in death were his stepfather, Carl Meinke, and a brother, Reuben.

Funeral services were held Saturday, January 12, at 1 p.m. at St. John's Lutheran Church, West Bend. Pastor Robert Hoehner officiated, and burial was in Washington County Memorial Park. The Myrhum Funeral Home, West Bend, was in charge of arrangements.

## Heart Ass'n. Memorial Gifts Chairman for County Area Named

Florence Kissinger has been appointed by the American Heart Association of Wisconsin as the Memorial Gifts Chairman serving the Washington County area. The Memorial Gifts Program is designed to allow the public to honor the passing of a loved one or friend through a contribution to the American Heart Association of Wisconsin.

Individuals wishing to make a memorial contribution may contact Chairman Kissinger at 338-0611, or send contributions in care of Kissinger to the American Heart Association Memorials, M & I First National Bank, 321 North Main Street, West Bend, WI, 53095. Once a gift is received, an embossed acknowledgement card will be sent by Kissinger to the family of the person the donor wishes to honor. All memorial gifts are tax deductible and support the American Heart Association of Wisconsin's state-wide research, public and professional education, and community program efforts.

Cardiovascular disease is our nation's number one health problem. Although tremendous progress has been made in combating this killer in the past decade, over 50 percent of all Wisconsin deaths are attributed to heart disease and stroke each year.

The groom is a 1978 Kewaskum High School graduate and is employed by Dehling-Voigt.

The newlyweds spent their honeymoon in South Carolina and are now residing at 641 S. Main St., West Bend.

## 'Candide' Audition Dates Announced

The University of Wisconsin Center-Washington County theatre department announces auditions for the award-winning, rollicking musical operetta, "Candide," will be held on January 22 and 23, anytime between 7 and 10 p.m. at the University Theatre, 400 University Drive, West Bend. The cast requirements are 18 men and 18 women. Perusal copies of the play are available in UWWC's library.

"Candide," Leonard Bernstein's comic operetta that racked up a 22-month run in New York in the mid 70's, is being presented at UWWC's Theatre on the Hill on March 15, 16, 17, 22, 23 and 24. Based on the classic 18th century novel by Voltaire, the musical is a rollicking satire on senseless optimism -- a spoof of the beliefs expounded by a lecherous Dr. Pangloss that "this is the best of all possible worlds."

For more information call director Brad Ford at 338-5222.

## AFS Chapter Seeks Families To Host Foreign Students

Does this sound like a good description of your home? "My kids argue constantly, the house is not very clean most of the time, and everyone seems to be going in twenty different directions!"

That could be translated like this: "My family loves diversity, and we're an easy-going bunch that likes to be active and involved!"

If either of these descriptions fits your family, you may very well be missing out on one of the most exciting and fulfilling activities you could all share together. Hosting an AFS foreign exchange student doesn't mean that your house has to be clean all the time or that your children can never disagree. It doesn't mean someone has to be home all the time. Hosting an AFS foreign student does mean a new view of the world for you and your children, as well as understanding, tolerance, and excitement! Remember, every experience is a new one for a foreign student.

Tired of thinking up new ideas for meals? Your AFS student will be happy to share a recipe with you! Do you like to meet new people? AFS

volunteers and host families are the friendliest, most positive-thinking people around! They're always there to help when you need it. Volunteers in our community help to provide transportation to AFS events and invite the foreign students to accompany them on outings or perhaps for an evening in their homes.

If you're thinking about hosting but have questions, call us today. If you're excited about AFS and can't wait host, call us sooner! Call 626-4808 or 692-9523. We need you!

The AFS chapter reminds community groups to arrange to have the AFS student speak as early as possible. Our student this year is Rosi Cano, from Honduras. Please call 626-4172 to schedule a date.

The time required for the earth to orbit the sun increases by about .04 seconds each century.

families are invited to attend a special session for "prospective host parents" which begins at 9:45. Registration begins at 9:00 at the high school. The day will end with an International Show Time at 1:30 to be presented by the AFS foreign students in our area. All Kewaskum area residents are welcome to attend the show and find out a little more about AFS.

The Kewaskum AFS, with the generous help of all of Kewaskum, looks forward to another 25 years of "caring and sharing." The purpose of the chapter, as stated by AFS International/Intercultural Programs, is to "stimulate awareness of mankind's common humanity, a wider understanding of diverse cultures of the world, and a concern for global issues confronting society." The AFS motto is "Walk together, talk together, o ye peoples of the earth; then and only then shall ye have peace."

## Local FFA Chapter Landscapes Pole Shed

Initial construction of the driveway was accomplished with the use of the school's tractor. Here the sod is being scraped out to get down to a soil base.

Final driveway preparation was done with the help of Glen Hupfer. Edge work and final leveling to make a smooth base was done better by use of a skid steer loader. Here Gary Butzlaff is moving one of the railroad ties while Glen is doing some leveling.

The last step of the project was actually putting down the gravel. Two loads were hauled in and ag classes leveled it during the day. In this picture, ag four class is working on finishing the driveway.

This past fall the Kewaskum F.F.A. has been working on one of its B.O.A.C. projects. B.O.A.C. stands for "Building Our American Communities," an area in which local F.F.A. chapters try to beautify their local communities or do something useful for them.

This year's main project has been the landscaping of the pole shed that the high school put up last year.

The F.F.A. has laid approximately eighty feet of drain tile under the driveway on the west side of the building to improve drainage. The old driveway was then torn up to get down to a soil base. After completion of this, the driveway was then lined with railroad ties on both sides. Two loads of gravel were put down to complete the driveway.

The east driveway to the shed

also was lined with railroad ties.

At each of the front two corners of the shed, a box has been dug in and lined with railroad ties. Black plastic has been laid down to prevent the growth of weeds. This spring shrubs will be planted in these boxes and also along the driveway.

In places, the sod will be worked up and grass will be seeded down.

With these improvements, the Kewaskum F.F.A. hopes to give the high school and community an attractive looking area to be a source of pride for many years to come.

"All doors are open to courtesy." Thomas Fuller

### FRAGILE BONES

Osteoporosis [thinning of the bones] affects mostly women over age 65. Menopause increases the rate of calcium leaving the body. Adequate calcium intake by younger women becomes inadequate after menopause. Older adults should take extra calcium daily in tablet form - also vitamin D for better calcium retention. Your doctor can best advise quantities.

## 25 Years Ago

January 15, 1960

At the regular monthly meeting of the Kewaskum Fire Department held last Thursday evening, William Schaub retired as an active member of the department. Schaub had been a steady member of the department for the past 25 years, joining for the second time in 1935. He had belonged to the department for a period of years before that time. Schaub's retirement, along with a couple of other firemen, Harold Perkins and Bob Staehler, moving out of the village, has made openings for three new members. The latest young men to be admitted include Clayton Stautz, Donald Ehnert and Floyd Dreher.

The first meeting of the Kewaskum Elementary PTA on January 4 was well represented with 100 parents in attendance. There are now 147 charter members in the organization.

Mr. and Mrs. Melvin Riley, Route 1, Kewaskum, (Boltonville), on Christmas Eve, announced the engagement of their daughter, Sandra, to Douglas Wierman, son of Mr. and Mrs. Giles Wierman, also of Route 1, Kewaskum.

Mr. and Mrs. Anthony Herriges, Route 2, Kewaskum, are announcing the engagement of their daughter, Joan, to David Ryan, son of Mr. and Mrs. Maurice Ryan, Route 1, Campbellsport. Mr. Ryan is employed by Stella Cheese Co. at Campbellsport and his fiancée as a telephone operator at the Kewaskum exchange.

SP/4 William Kober, son of Mr. and Mrs. Christ Kober, Kewaskum, received his discharge at Fort Dix, New Jersey, on December 4, after serving in the army for the past two years. He and his wife, the former Beverly Ramthun, have been living at Richboro, Pennsylvania, the past 1½ years.

Edward Kirsch, son of Mr. and Mrs. Arthur Kirsch, Route 2, Campbellsport, left for Fort Dix, New Jersey, after spending two weeks at home with his family and friends. He received nine weeks of basic training at Fort Leonard Wood, Missouri.

Miss Eleanor Koenen, saleslady at the A.G. Koch, Inc. store, was very badly injured Wednesday evening, while on her way home from work. She was walking along the right side of Main Street and upon approaching the crossing at the Frank Stellflug home, was about to cross over, and due to the fact that a severe sleet storm was raging at the time, did not see nor hear the

approaching automobile. The automobile struck her and passed over her body. The driver of the car also was blinded by the storm and did not notice Miss Koenen until he had struck her and on account of the slippery roads, was unable to bring his car to a stop until after the accident had occurred. He at once stopped and took her to her home east of the village where a physician was summoned and found it necessary to rush the young lady to the St. Joseph Hospital at West Bend. Upon X-ray examination at the hospital it was found that Miss Koenen's right shoulder blade and collar bone were broken and both legs were broken below the knees.

The severest storm of the winter was experienced here throughout Wednesday and Wednesday evening. During the day considerable snow fell, accompanied by rain and sleet. By evening the snow and rain had frozen, which made walking and driving hazardous.

Officers of the Washington County Old Settlers' Club met at the offices of the secretary in the courthouse at West Bend on January 12 to formulate plans for the annual meeting of the Old Settlers' Club on Washington's birthday February 22. The gathering this year will be of considerable importance and more auspicious than those of recent years in that this year the club will observe its diamond anniversary.

A bright baby girl was born to Mr. and Mrs. Oscar Boegel of Wayne on January 7.

## 75 Years Ago

January 15, 1910

Another snow storm accompanied by high wind struck this section last Thursday. Although only about six inches of snow fell, the wind blew at a terrific gale all day drifting the snow and filling all passageways made after the recent storm. The rural carriers started out on Thursday morning but were obliged to return after getting out but a short distance. Freight trains were abandoned and passenger trains, although they were pulled by two locomotives, were several hours late or abandoned entirely. Train No. 5, due here at 3:20 Thursday, did not reach here until 6 a.m. Friday.

John Bast, rural carrier on route 34, was tipped out of his cutter last Tuesday while returning from his duties.

Chas. Fleischman while working at the ice house for Henry Garbisch last Monday had the misfortune of breaking his leg at the ankle.

## Girl Scout News

Now that the holidays have come and gone and things are starting to get back to normal, it is time to look forward to 'CAMP TIME.'

It is now time to mark your calendar for Tuesday, Feb. 26. This will be the evening there will be a meeting at St. Francis Cabrini Church Hall in West Bend, for the scout and her parents to learn just what forms of summer camping are available this summer. It will be from 7:00 to 8:00 p.m. This year you can earn the full camp cost by selling cookies. There are many new items with camping this year. Come! "Lets Get Ready for Camp."

The annual Girl Scout Cookie Sale will start on February 20 and end on March 6. There will be seven varieties to choose from. The price will be the same as last year. The scouts will appreciate any sales that you can give them.

The Girl Scouts of the Kewaskum area enjoyed a swim party at West Bend High School on Sunday evening. A good time was had by all.

## Cub Scout News

On Saturday, Jan. 19, the Cub Scouts will be decorating cakes that they made and frosted. All boys will bring their own supplies. They should be starting at 12:30 p.m. at Kewaskum Middle School. The public is then invited to attend an auction of the cakes at 2:00 p.m.

On February 3 all Scouts will attend in groups at their church for Scout Sunday. February 9 will be Winterfest, and on February 17 their Blue and Gold Banquet. The leaders will give the boys more information on these February dates.

Everyone come and enjoy the cake auction this Saturday.

### CUB SCOUT PACK 3779

The cub scouts at Farmington School have been working very hard toward their badges and awards. There were many awards given out at the November and December Pack Meetings. In November our Pack received the "Honor" award. Each member of the pack received a badge to wear on their uniform. This is an award earned by only a few of the Packs. There are ten requirements that must be met.

In Den 1, Jamie Brown and Adam Bude were awarded their Wolf badges. In order to receive their Wolf badges they had to

do 48 Wolf achievements. Adam Bude has also earned one gold arrow and one silver arrow. Jamie Brown has earned his gold arrow. The boys have to do ten achievements on the Arrowhead Trail for each arrow. Congratulations! Also, Shawn Smith and Michael Groskopf received their Bobcats. The Bobcat badge is the first badge that the cub scout earns. Mrs. Barbara Brown and Mrs. Diane Bude, den leaders from Den 1, have received their "Trained" badges. This involved 12 hours of training.

Den 2 has been hard at work also. Eric Bude has received two silver arrows for work in his Wolf Book. Also in December he earned his Bear badge. John Anderson has received his Bobcat and Craig Wink has earned his Bobcat and Wolf badge. Aaron Rettler has received 3 silver arrows for work on his Wolf Book. Congratulations!

Mr. McDonald's Webelos Den has been very busy during the last several months. All of the Webelos received their Webelos Badge at the November Pack Meetings. Also, below is a list of the other awards they have earned:

Scott Backhaus — Athlete, Artist, Naturalist, Sportsman, Traveler.

Doug Goble — Aquanaut, Athlete, Outdoorsman, Artist.

Matt McDonald — Aquanaut, Athlete, Outdoorsman.

Adam Pilachowski — Aquanaut, Athlete, Outdoorsman, Scholar.

Ike Roell — Aquanaut, Athlete, Outdoorsman.

Chris Henning — Webelos, Aquanaut, Athlete, Outdoorsman, Sportsman, Naturalist, Citizen.

David Wink — Aquanaut, Athlete, Citizen.

Kevin Kohn — Aquanaut, Artist, Athlete, Craftsman, Naturalist, Outdoorsman, Sportsman, Forester, Engineer.

At the November Pack Meeting Den 1 put on a Wild West skit, and Den 2 did an Indian skit. A lot of work went into these skits. The boys did a great job. Den 1 had a good time at McDonalds in December. The boys were treated to an ice cream cone for their good behavior in their den. During the month of December Den 1 worked on Christmas presents for their parents.

At our December Pack

Friday, Jan. 18, 1985, Kewaskum Statesman, Page 13

Meeting the Webelos den put on a skit entitled, "The Night Before Christmas." Also, Santa payed us a visit. Thank you again, Mr. Larson for a fine job.

"The things we are doing in the den are: We are making Christmas presents and we also play lots of games.

Eric Bude, Den 2"

## WAYNE CRUSADERS

The meeting was called to order Dec. 11 at 8:10 p.m. by president Jim Schulz. Mrs. Filber passed out all the record books. A sledding party and monthly meeting is planned for Jan. 18, from 1-4 p.m.

Mrs. Filber talked about projects and leaders. Refreshments for next month are the Allan Schulz and Joseph Anderson families.

The meeting was adjourned at 8:45 p.m.

Money used for local projects.

# "Just the Right One"

The following news story was written by Rosalie Kwiecinski of Milwaukee, a classmate of R. G. Edwards, M.D., Kewaskum, who is attending classes in Creative Writing at Concordia College:

The two girls entered the speciality store and went directly to Halloween costumes. A myriad of color greeted them from the flock of hangers that held a wide range of dress for this special day. On a counter were accessory pieces, crowns, ears, feet, tails, noses, and the like. The floor beneath the counter held two boxes of head gear and masks. Excitement built as each started through a rack of color.

"Look, Dawn, what do you think about this?" Christy held up a furry white bunny outfit. It deposited fuzz on the front of her jacket, but Christy was too involved to notice.

Dawn studied it for a few seconds, then said, "There will be too many like that." The bunny was rehung.

"Well, how about this?" Now it was a witches outfit, complete with broom.

"You don't have any originality. You can take that if you want it, but it's not what I want to spend money on," Christy felt rebuffed.

The witch also was returned to its resting place. "Just what are you looking for?"

"I don't know, but I want it to be different. I want something special."

Christy frowned, "You've gone through half of those, didn't you see anything you liked?"

"Oh, there are a couple but I want to see them all before I decide."

"Well, I want something special too, but it will take forever to go through all of those, and I want to get home."

"It won't take that long. Besides what is so important that you have to get home?"

"Nothing, but I don't want to be too late."

"You just don't want to shop any more. Say it. I know you. You'll settle for anything, instead of looking for just the right thing."

"O.K., maybe I'm not as fussy as you are, but it's only for one night. I want a special costume, and I have looked, but I guess I'm not ready to go through every outfit like you are."

"O.K., O.K., what have you got there?"

"This Cinderella costume. I think it's pretty, and it has a glass slipper outlined on the front in glitter. I like it and I'm going to take it." The last remark was spoken with finality.

"How did I miss that one?"

Yeh, I've gotta hand it to you. Maybe you don't go through everything, but you sure found a winner. Now, let me finish looking."

Christy folded the dress over her arm and waited. She sighed as Dawn continued taking hanger after hanger from its resting place, looking at costume after costume and shaking her head. She reached a point of exasperation and said, "Dawn you are never going to be satisfied. There is never anything that's good enough for you."

The anger in Christy's voice and green eyes caused Dawn to stop for a moment, but she then continued on without saying a word. Christy smoothed her dark brown hair, and said, "You keep on looking if you like, but I'm going over to get a lipstick and then I'm going to check out. I'll meet you at the door." She walked away without waiting for a reply. Dawn's blonde head was bent over a large box on the floor containing large masks that covered the whole head. She was so absorbed in her searching that she didn't care if Christy stayed or not.

Finally, Dawn found what she was looking for, gathered it into her arms, and headed for check-out. Now she was impatient waiting, and set her purchase down on the floor, zipped up her jacket, and looked around for Christy. Seeing her at the door made Dawn more important with the line of people in front of her. Then, as she reached the cashier, she began to have second thoughts about the bundle in her arms. Her eyes went again to Christy and she decided to take what she had, rather than risk another angry outburst. She and Christy did many things together, and it wasn't worth the anger by going back to the costume rack.

Change in her pocket, package in her hand, Dawn walked up to Christy and said, "Here I am, let's go."

Christy mumbled under her breath, but Dawn thought she was better off than to ask her to repeat, and walked silently beside her. Her thoughts went to her package. Christy didn't ask what she bought.

Silence remained the third party as the girls returned home. Dawn thought, "This isn't any fun if she's going to be angry. She doesn't even care about what I found." Gloom cast a pall over what started out to be a fun time. The excitement of an earlier hour was gone.

At home, Christy hung up her jacket noticing the lint from the bunny costume. She brushed the lint thinking it was a good thing she didn't buy that costume. She took her bag and went to the kitchen.

"What did you buy?" mom asked. She noticed a change of mood from the one that went out the door a few hours earlier.

"I got a Cinderella, here look at it." The contents were spewed out over the kitchen table.

"Oh, that's pretty. We haven't had a costume that fancy for Halloween before."

"I know, that's why I bought it. I don't know what Dawn bought, because I got mad at her for taking so long."

"Did she get one, though?"

"Oh, yeah, she got one. At least she carried home a bag."

"Didn't you ask her?"

"No. I told you I was mad."

"Are you still mad?"

"No, I guess not."

"Then why don't you call her and find out what she has."

Christy walked to the foot of the stairs and called, "Dawn." She heard the bedroom door open. Dawn came down the stairs with a bag in her hand.

"Look mom, look what I got." Dawn walked into the kitchen where she, too, spilled the contents of her bag.

"Oh, Dawn, that's cute. It's just right too," Christy said as she picked up the mask.

"Then you're not made any more!"

"No, I'm not mad any more."

Mom looked from one to the other. "You girls went through a lot of trouble for these costumes, what with getting mad and all."

Dawn answered, "Yeah, mom, we did, but we never had anything like this when we were kids and we wanted Amy and Michael to have special costumes for their first trick or treating."

"It sure is going to be special. Michael will make a perfect Raggedy Andy. I just wonder though, if a three year old and a two year old could possibly care what they wear for a costume." Mom held up the Raggedy Andy head piece and shook it, smiling as the hair fell in all directions.

"I don't care," said Dawn. "That's what aunts are for. Buying things for nieces and nephews doesn't have to wait forever."

Excitement was back. Christy said, "Let's call the apartment and take these over to see how they fit."

"O.K. Let's go."

Anger forgotten, the sisters gathered their booty and went off to make the telephone call.

## Conserving Family Energy

By Joyce Albrecht  
Extension Home Economist

"Turn off the lights." "Close the refrigerator door." "Use the clothesline, not the dryer."

These are some famous parental directives you may have repeated yourself. Energy costs and savings may be on your mind a lot. This is an opportune time to focus on activities your family can do together to save energy this winter.

You may want to start with the family meal. Cooking meals together can be not only a fun time for sharing events of the day, but also a time to teach children practical around-the-kitchen skills. Consumer skills can begin with learning the most economic appliances to use while cooking tonight's stew. For example, why not use the slow cooker instead of the oven.

The key is to start slow and work with the child, using the amount of supervision appropriate to the child and the job. Once the child has mastered a few simple kitchen tasks, she or he can move on to the more complex. You may wish to provide written step by step instructions, to use as the child works with you, and later by themselves.

The utility bill is a good place to start learning about household energy consumption. Find out how much energy is used for heating water and electricity, for example. Then target certain areas for conservation. If you're using too much hot water, you might decide to limit hot water used for showers by plugging the drain and marking the water line limit with tape.

To monitor appliance energy consumption, you may wish to use a kilowatt hour meter, available free from some local utility companies. Such meters, which show the number of kilowatts used or the actual dollar amount spent, are graphic tools for teaching children about energy use.

If you are buying a new refrigerator, teach your children about reading appliance labels. Also involve your children in household tasks using appliances properly.

Sometimes it's three times the work to get kids involved.

But children will gain both consumer skills and knowledge on operating appliances.

If you are interested in getting your family to cooperate on an energy program, start by discussing it at the family dinner table or the family meeting. Get everyone's suggestions on how to save energy money.

If you are successful savers you may want to use the savings for a family goal or project. Or treat yourselves to a movie or daytrip to a state park or zoo.

You can also learn if you are not successful. Maybe your old furnace is the culprit. Perhaps your house needs insulation. At least you and the family have learned what must be done to get substantial energy savings.

If you take time to teach your children about appliances and energy use, you can expect later paybacks. Your children will gradually be able to take on more responsibilities. They will know the most economical way to do the laundry, when to use the clothes dryer, and how to save on the hot water bill.

With this cooperative effort from all family members, parenting tasks should grow easier.

Learning is energy intensive. The payback is later.

For more information on how you can save energy dollars, contact your U.W. Extension Office.

## Courses Offered At MPTI

### Adult Education Classes

Enthusiasts in home crafts may polish their skills and perhaps learn to earn extra income through their efforts with Moraine Park Technical Institute evening courses this winter. Participants can learn such skills as Oil Painting on Wednesdays and Hand Stenciling, Basic Photography, Leaded and Stained Glass or Calligraphy on Tuesdays. Automotive Air Brush Design and Decorating also begins Tuesday. Enrollment is limited to ten students.

A six weeks appraisal and appreciation course in Antiques begins Monday. This beginning course includes information on small collectibles, depression glass, stoneware and silver.

All instruction begins the week of February 4.

### Small Engine Repair

Customer-Service Professional Paul Bechwar, from Tecumseh Products Company in Grafton, will instruct Moraine Park Technical Institute students in Small Engine Repair beginning Wednesday, February 13th. Curriculum for the MPTI class includes repair procedures for both four and two cycle engines. The course covers any small engine tune-up, inspection and repair, including machine work, valve grinding, honing, replacement and repair of parts, trouble shooting, cost estimates, and service procedures.

As Service Coordinator at Tecumseh, Bechwar's duties include problem solving for manufactures and consumers for the Eastern region of the United States. He brings a wealth of experience and training to the MPTI adult education class.

Classes run for 11 weeks from 7:00 - 10:00 p.m. at the West Bend High School shop. The course fee is \$23.40.

### Basic Computer Literacy

Moraine Park Technical Institute has scheduled a general computer awareness session where interested residents can learn more about the computer. Basic Computer Literacy will meet on Wednesday evenings from 5:00-6:50 p.m. beginning February 6th. This five week class is designed for the absolute novice. Instruction includes a basic glossary of computer words and phrases, the basic components of a microcomputer system and how they work together, and what it means to be computer literate in today's society.

The course fee is \$6.60.

### Microcomputer Software

Monte Schmiege, Telecommunications Analyst for the

West Bend Company, will teach a weekend course at Moraine Park Technical Institute this winter. Microcomputer Software is a two-credit, Associate Degree course with application both to students enrolled in full-time programs and to the general public. Instruction begins the weekend of January 25 and runs for six weekends from January through May on Friday evenings and Saturday mornings. Course software on the MPTI IBM-PCs includes Lotus 1, 2, 3; Data Base Management and WordStar Word Processing.

In addition, Mitch Gebheim, West Bend Company Manager of Systems and Programming, will teach two evening computer language courses. Programming in BASIC runs for sixteen weeks on Monday nights beginning January 21, and Advanced COBOL Programming meets on Wednesday evenings.

### Foreign Language Courses

Moraine Park Technical Institute will offer two introductory foreign language courses this winter. German - Conversational 2 begins Tuesday, February 5th, and runs for 13 weeks. Taught by Tim Stellmacher, the course covers a basic understanding of German words and phrases, emphasizing conversation more than grammar. German 2 is the first of a series, and interested students may continue in a sequence of classes with Herr Stellmacher.

Introduction to Spanish, a basic course which includes useful phrases and basic conversational work, begins Monday, February 4th, and runs for seven weeks. Taught by public school language instructor James Oakley, the course will be followed by a Spanish II class.

### Principles of Data Processing

Moraine Park Technical Institute will schedule a Principles of Data Processing course beginning Thursday, January 24. This 3 credit course runs from 6:30-10:00 p.m. for 16 weeks.

Principles is an introduction to microcomputers and is set up as a basic education course for all students, regardless of career choice. There are no prerequisites necessary to understand the concepts and principles. Breadth, not depth, is emphasized. Instruction covers the major components of a microcomputer system, the development of computers, programming in BASIC, computer terminology, data communications, and other computer concepts and pro-

vides hands-on experience.

### Adult Education Business Courses

Moraine Park Technical Institute is offering a five week course specifically geared toward those people interested in starting a small business. Instruction in How to Start a Small Business begins Monday, February 4 at 6:30 p.m. Instructor Steven Kjer will lead students through a curriculum including financing, taxes, merchandising, licensing, and personnel management. The course fee is \$8.45. MPTI also sponsors Investing in Securities with instructor William Voss for six Wednesday evenings beginning February 6. Mr. Voss will discuss types of securities, the New York Stock Exchange, how to read the financial page and interpret financial reports, understanding mutual funds, and speculative investing techniques. Tuition is \$11.60. In addition, free income tax assistance is available in a Tax Preparation Workshop on Thursday, January 31, from 7:00 - 9:00 p.m. at West Bend High School, room E117. Known as Outreach, this group assistance program helps taxpayers prepare their own returns. The program offers a group, self-help assistance session, where an IRS assistor leads a group of taxpayers through the return line-by-line. Extension forms and information are also available. Outreach is convenient because the program offers help to taxpayers who are unable to seek IRS assistance during normal business hours.

## TODAY'S AGRICULTURE

By Jack Trzebiatowski, Washington County Agricultural Agent

### TAKE A PICTURE OF YOUR FARM FINANCES

It's nice to take a picture of your family around holiday time. You can put that photo side by side with last year's and next year's to see how things have changed over the past 12 months.

You can and should apply the same concept to your farm finances. Only instead of a photograph, you use a balance sheet, also known as a net worth statement. And it's not just a nice thing to do, it's essential if you want control over your farm finances.

The net worth statement or balance sheet is the most important financial document you can put together at this time of the year. It's a very basic part of any accounting system. The net worth statement shows the financial position of the farm in terms of assets, liabilities and owner's equity, or net worth.

In putting together a financial statement, assets are grouped into current assets, which usually include cash or items that are likely to be converted to cash within the 12 month period; intermediate assets, such as machinery, equipment, breeding livestock; and long term assets, usually including farmland, farm buildings and improvements.

Liabilities also need to be listed and broken down into current liabilities, which include accounts receivable, liabilities that are due within the next 12 months, and the portion of

liabilities due within the next 12 months. Intermediate liabilities include those that are payable within a period of approximately two to five years. Long term liabilities are those liabilities due over a longer period of time.

A net worth statement can give you a better picture of your financial progress than the information from your cash accounting system or Schedule F. It takes into account the changes in inventory. Without that you can't accurately chart your financial progress.

Comparing net worth statements over a period of time will give you an opportunity to see trends in your business. An up-to-date net worth statement will be very helpful when working with farm lenders, accountants, or other financial specialists.

Net worth forms are available from lenders, accountants and other sources. They are also available from the Washington County Cooperative Extension Service Office in the publication "Managing Your Farm Financial Future." It is available for a cost of \$2.00.

### ABC CLUB SKAT RESULTS

The Beechwood Senior Citizens ABC Club results on Tuesday afternoon, January 8, were as follows: Marvin Martin, 14-1-13 net; Elmer Fabian, 13-1-12 net; Ralph Laux, 13-1-12 net.

**ECONOMIC LEADER**

In 1984, the United States became the world's fastest growing major economy. America's economy grew faster than Japan or Germany. Only Singapore and Taiwan were able to keep pace with America's real growth of 7.6 percent over the past 12 months. This burst of economic growth was no accident.

Just a few years ago we were told we suffered from malaise — that there were limits to growth, limits to our future and our dreams. Taxes were taking more and more from our paychecks. The economy was veering between double-digit inflation and high unemployment.

Fortunately, the Economic Recovery Tax Act of 1981 changed all that. The tax cut slashed personal income tax rates by 25 percent for all working Americans. It accelerated depreciation for business investment, dropped the capital gains tax from 28 percent to 20 percent, and sharply reduced gift and inheritance taxes.

Many economists told us that the tax cut would be wildly inflationary and raise interest rates. They were wrong. Interest rates fell from 21.5 percent in 1980 — their highest level since the Civil War — to around

11 percent. Inflation fell from 12.4 percent in 1980, to below 4 percent for the past year. The inherited recession of 1982 ended when the tax cut was fully implemented in January 1983.

Even though the "experts" said "it would not work, it could not be done," the President exercised leadership and followed through with his plan. His economic plan has worked and will continue to benefit more and more Americans. Now the rest of the world is following our lead. Impressed by our success, the President of France has announced a tax cut of about 8 percent. Likewise, Britain's Margaret Thatcher has a new budget with lower marginal tax rates. In the last few years, workers have held massive demonstrations in Japan, Sweden and Ireland, each time demanding tax cuts.

Our secret for rapid economic growth is no secret. The whole world has seen and marveled at the power and the strength of the American free economy when tax cuts unleash the talents, the energies, and the genius of the American people. We must remember for freedom to work, we must also have a free economy.

**McCallum Appointed To Senate Committee**

State Senator Scott McCallum has been appointed to the Economic Development Committee for the new legislative session.

McCallum said he was pleased with the new appointment. "Based on what is important for our area, the Economic Development Committee was my first choice as an assignment."

"Major job shifts are occurring. This committee will be very important for the future of Wisconsin," McCallum stated.

The Fond du Lac senator has been very active in district economic development. This past year he was instrumental with the Mercury Marine decision to remain in Wisconsin. He also recently made state arrangements to make Universal Foundry more attractive to a purchaser.

McCallum's other committee assignments are the Highway Projects Commission, Joint Committee on Tax Exemptions, and Legislative Council.

**Stitt Accepts Committee Appointments**

MADISON... Senator Donald K. Stitt (R-Port Washington) was appointed to serve on the Legislature's Joint Finance Committee last week. The Committee shapes the two-year State Budget and other major spending bills.

A freshman senator, Stitt said he was very pleased and honored to serve on this powerful budget writing committee.

"Long-term tax reduction must remain our number one priority," Stitt stated. "The State has a budget surplus and our economy is growing steadily. We must enact fair tax changes which will relieve our burdened taxpayers and contribute to improving Wisconsin's image as a good place to do business."

Stitt will also serve on the Senate Committee on Judiciary and Consumer Affairs and the Legislative Council Law Revision Committee.

**York Assigned to 3 Committee Posts**

MADISON... Membership on the Assembly Committees on Education, Elections and Commerce and Consumer Affairs will be among the duties of newly-elected State Representative Dwight York (R-Lomira). York was picked for the assignments by Assembly Republican Floor Leader Tommy G. Thompson of Elroy.

Thompson, who saw his GOP ranks swell with a gain of eight seats in the November elections, called York "typical of the thoughtful and talented crop of Republican newcomers the people of Wisconsin have sent to the Assembly."

York said service on the Education Committee would "probably be a focal point" during the 1985-86 legislative session. "The other committees are certainly important, but with all of the attention being directed at education in Wisconsin and across the whole country, I'd suspect the Education Committee will be seeing a lot of action. Some very important decisions with consequences running far into the future are likely to be made there this year."

Elections Committee work, by contrast, might involve examining some of the consequences of decisions made in earlier years, York said.

"Having just come through a campaign myself, I'm very much aware of the complexity of election laws in this state. It seems to me that some things that were undertaken in the name of reform ten or twelve years ago have now become a kind of insurance policy for incumbents, by making it so hard to know if you're complying with campaign laws that people are discouraged from getting involved," he said.

York said he hoped the Elections Committee "would have the opportunity to review legislation that strikes a balance between honest disclosure of where a candidate's support is coming from and the kind of needlessly complicated requirements that prevent good people from offering their services."

Striking a balance between different objectives will also be the biggest part of the task for the Committee on Commerce and Consumer Affairs, York predicted.

"We'll probably be seeing some legislation on product liability and consumer product safety and again, I think the best job we can do would be to apply a common sense sort of balance to the need for some safety regulation and avoid the kind of overzealous approach that can make desirable products prohibitively expensive or downright unavailable," he said.

## Minutes of Village Board Meeting

Regular Meeting  
January 7, 1985  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in regular session in the Council Room of the Municipal Building, 204 First Street.

Administrator Schmidt called the meeting to order. President Stollenwerk asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board appointed Trustee David Nigh to serve as President Pro-Tem.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board approved the minutes of December 17, 1984.

A public hearing was conducted on the application of Gary H. Bickelhaupt for a Combination Class "B" tavern license. There were no objections from the floor to the application as publicly noticed and publicly read by President Pro-Tem David Nigh. The Police Department had no reason to protest at this time. On a motion by Trustee Paul Blumer, seconded by Trustee Thomas McElhatton and carried by majority vote, the Board declared the public hearing closed. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Motion was made by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein to suspend the rules to take action on Agenda Item IX. A (Discussion and possible action on the application for Class "B" tavern license). Roll call vote was passed by the majority. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

On a motion by Trustee Mary Krueger, seconded by Trustee Paul Blumer and carried unanimously by voice vote, the Board approved the following application for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for a period commencing January 8, 1985, and ending June 30, 1985, upon payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license.

Gary H. Bickelhaupt, 1310 Riverview Drive, Kewaskum, Wisconsin.

Police Chief Donald Hlavaty reviewed with the Board the donation the department has received from Superior-Schaefer Trucking (\$550) and the Kewaskum Jaycees (\$100) for the slide programs the department purchased for the public. The Board directed the Administrator to publicly express the Board's appreciation.

On a motion by Trustee

Donald Mlodzik, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board authorized the Police Chief to advertise for bids on the 1983 Plymouth squad car.

Administrator Daniel Schmidt reviewed correspondence with the Board as follows:

- A. 5% rate increase by Cablevision
- B. Scheduled Mid-Moraine meeting for January 23, 1985

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the building permit application of Shefond Oil Inc., 1149 Fond du Lac Avenue for remodeling the garage into a convenience store. The office was authorized to issue the proper permits upon proper payment of fees. The permit application was approved by the Building Inspector and Zoning Administrator.

Administrator Daniel Schmidt reviewed with the Village Board the balance sheets for the year ending December 31, 1984. It was noted all figures are subject to audit and year-end adjustments to be made by the auditors. The Village's financial condition is sound and over on anticipated revenue and under on expenditures. It was asked that the Board consider requesting the rate increase request for the Water Utility be withdrawn at this time, but to be reviewed later in the year.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board directed the Administrator to withdraw the Village's request for a rate increase on the Water Utility with the Public Service Commission.

On a motion by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$65,392.64
Water Dept. Fund	4,786.53
Sewage Dept. Fund	21,861.16
TID #1 Fund	39,848.45
<b>TOTAL</b>	<b>\$131,888.78</b>

Trustee Donald Mlodzik, Chairman of the Public Works Committee, announced a Public Works Committee Meeting for January 21, 1985, 7:00 P.M.

Trustee Thomas McElhatton, Chairman of the Park & Recreation Committee, announced a Park & Recreation meeting for February 18, 1985, 7:00 P.M.

Trustee Mary Krueger, the Library Board Representative, reviewed the meeting results of the Library Board from January 7, 1985.

On a motion by Trustee Donald Mlodzik, seconded by

Trustee Howard Laubenstein and unanimously carried by voice vote, the Board authorized the payment for claim by Xerox Corporation as adjusted by the State Board of Assessors, along with the billing of the other entities for their appropriate shares. The total amount due was \$374.42.

Ordinance N. 84-6 was reviewed and action was taken.

### ORDINANCE NO. 84-6

#### AN ORDINANCE TO AMEND THE SNOWMOBILE ORDINANCE OF THE VILLAGE OF KEWASKUM, WISCONSIN

The Village Board of the Village of Kewaskum, Wisconsin to ordain as follows:

The Village of Kewaskum elects to change the designated curfew hours of operation for snowmobiles from the current 11:00 P.M. to 8:00 A.M. in Chapter 7.10 (3) (b) of the Municipal Code.

#### 7.10 SNOWMOBILES

(3) (b) **Hours of Operation.** No person shall operate a snowmobile within the Village between 2:00 A.M. and 6:00 A.M. except upon a public highway as authorized by the Wisconsin Statutes and this section or for the purpose of gaining to or leaving such highway. (The hours of operation as spelled out in this paragraph do not affect the curfew hours for minors as stated in Chapter 9.14 (1) of the Municipal Code).

This ordinance shall take effect upon passage and publication as provided by law.

Administrator

## VOLUNTEERS WANTED

One of the major concerns of the Voluntary Action Center (VAC) of Washington County is that most people today do not know where to go to give of their time and talents to others. They try to assist those individuals by serving as a clearinghouse for volunteer activities for agencies, organizations and volunteers.

The following is a list of volunteer opportunities available in our community.

\* If you have a sympathetic ear, some occasional spare time, and a willingness to help others, there are people who need you to drive for them. Drivers are needed to transport people to a Milwaukee hospital for treatments, occasionally Madison. The need for drivers in the West Bend area ranges from hospital and doctor trips, grocery and shopping trips, to transporting foster children. In some cases, the clients' car can be used. Depending upon the assignment, there may be a mileage reimbursement.

\* Give your support and encouragement to women dealing with a real life crisis. There is a wide range of activities a volunteer can assist in, such as, crisis counseling, shelter care, forming support groups, working with others within the legal system, transportation (your mileage paid), and to provide childcare for the children of these women. Special training sessions are provided.

\* **WANTED:** An adult with commitment who cares about making a child's life just a little bit better. A single-parent child needs your love. In this one adult to one child relationship, you can help develop personal identity, self-worth, and inner security. With a commitment of at least 2 hours a week, you can make a difference in the shape of things to come.

\* Become part of a program (Elder Peer Counseling) that provides support and concern for the elderly in our community. Not in our society would we expect to find our elderly suffering from loneliness, depression, or isolation. But we do. And something should be done. All that is required of you in order to help

those individuals is that you have some patience, respect, and understanding for others. Training sessions are provided.

\* Many people from all walks of life are unable to take advantage of the full benefits of our society because they are not able to read or write. We are fortunate enough to have available a literacy program. Training sessions are offered. On a one to one basis, you can become a literacy volunteer.

\* Many elderly in our community cannot afford to get a balanced diet and may be suffering nutritiously for it. But through Home Delivered Meals by volunteers delivering meals to those homebound individuals, this can be changed. Meals are picked up at the Washington County Senior Center at 11:45 a.m. on Monday through Friday.

\* Many people suffer when they are close to an alcohol or drug related problem. Some by simply not knowing where to turn for help. You can help inform those in need by offering information through a "Helpline." Training is provided.

Many people volunteer for different reasons, other than helping those who have a need. They volunteer to get out of the house, to get to know important people in the community, to establish a "track record" to help them get a job, to make new friends, to be with old friends who volunteer at the agency, to develop new skills, or to gain status in the community. Whatever your reasons are for volunteering, know that you can make a difference. Know that your Voluntary Action Center is here and designed to help you find the right volunteer experience for you.

If you care about your community, and want to do more, VOLUNTEER!

Prepared by Kathy Schuster, project coordinator of the Voluntary Action Center. Hours are Mondays-Wednesdays-Fridays from noon to 5 p.m. Located at 304 South Main Street, West Bend, in the "Frisby House."

 Jack London

### IN MEMORY

In loving memory of our son and grandson, MICHAEL H. STRELKA, who passed away one year ago, January 14, 1984.

One year has passed since that sad day  
 The one we loved was called away  
 God took him home, it was His will  
 But in our hearts he liveth still.

Sadly missed by parents, Larry and Delores Baasch and grandfather, Henry W. Fick.

### A NOTE OF THANKS

I wish to thank my many friends and relatives for their cards, prayers, visits, flowers, gifts, well wishes and other acts of kindness during my recent illness and through the Holiday Season.

Special thanks to my family and Rev. Ralph Mashmeier, who helped so very, very much and made so many trips to Milwaukee. Thanks to all, and God Bless You.

Glen Gutjahr

### THANK YOU

My sincere thanks to my relatives, neighbors and friends for the visits, cards, gifts, flowers, and phone calls while I was a patient at the hospital.

Special thanks to Rev. Hoenecke for his prayers and visits.

All your kindnesses were greatly appreciated.

August C. Bilgo

### A NOTE OF THANKS

Thanks to everyone who remembered me with cards, gifts, visits and phone calls while at the hospital, and while convalescing at home.

Special thanks to Pastor Robinson for his visits and prayers.

## Lakes Team Edges Sussex For First Win

In a real thriller, Kewaskum pulled out of the "B" Division cellar with their first win of the year, 117-116, over Sussex here Sunday night.

They now trail division leading Port Washington, which lost to Oconomowoc, by a game and a half.

In an exciting finish, Kewaskum blew an eight-point lead in the last three minutes, but Leon Laatsch's four points and a big steal by Bill Gonwa in the last 20 seconds pulled it out for them. After a steal and layup had put Sussex ahead, 114-113, with 25 seconds left, Laatsch hit a clutch 18-footer with 20 seconds left to put Kewaskum back in the lead, 115-114. Gonwa then stole the ball from a Sussex player, giving Kewaskum possession again.

Laatsch was fouled with five seconds left and calmly sank both free throws in the bonus to put Kewaskum ahead by 117-114 and seal the win. Kewaskum left Sussex go in for a meaningless layup as the horn sounded, making the final score 117-116.

Laatsch paced the winners in scoring with 36 points, followed by Clark Eichstedt with 34 and Bob Nigh with 22. Jim Lawinger led Sussex with 26 and Brian Frantz added 20.

Sunday, Jan. 20, Kewaskum hosts the Menomonee Falls Stingers at 1:00 p.m. This game has been moved up to a 1:00 p.m. start due to the Super Bowl football game.

Sussex — Pearson 7-0-2, Kroneberg 8-1-0, Konkell 6-0-4, Wnuk 7-1-1, Krull 6-0-2, Lawinger 13-0-5, Frantz 10-0-3. Totals: 57-2-17.

Kewaskum — Laatsch 16-4-4, Eichstedt 15-4-0, Nigh 11-0-1, Backhaus 3-0-0, Gonwa 2-2-1, Kern 1-1-1, Schroeder 4-0-2, Thomas 1-0-0, Carpenter 0-0-0. Totals: 53-11-9.

## Family Hunter Course Offered

Ken Stuart, Bill Prost and Rick Heisler, Wisconsin DNR Certified Hunter Safety Instructors, invite all people interested in hunting and recreational shooting to enroll in a Wisconsin Hunter Education Course.

The course will be held each Tuesday, at 6:30 p.m., beginning Tuesday, Feb. 12, at the Sportsman Clubhouse in Elmore, and is sponsored by the Campbellsport Sportsman's Club, assisted by DNR Warden, Doug Bilgo. Students must be 12 years old to enroll (or reach 12 prior to fall hunting season). There is no maximum age, and parents are also encouraged to enroll and participate.

Advance registrations are requested. Please contact Ken Stuart at 533-8470, or Bill Prost at 626-4686, or Rick Heisler at 533-4955 for details. The course fee is \$5.00, and covers all necessary materials. Students must be accompanied by one parent on the first night of the course.

Persons successfully completing the course will receive a distinctive embroidered emblem and a Hunter Safety Graduate Certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces. Young students certified will also be able to hunt and use firearms without parent or guardian presence at age fourteen instead of age sixteen.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Dr. Anthony Schlaefer of Campbellsport will conduct hunter vision screening tests for all students as a public service.

## Ducks Unlimited Chapter Needs Help

Ducks Unlimited Greenwings Glacier Lakes Chapter needs your help!

Anyone who can furnish 5 gal. plastic pails, Greenwing members will build to DNR specifications, a wood duck house which will be placed throughout the area by volunteers.

If you have any plastic pails and would like to help the ducks ... easy ... just supply 2 pails which are needed for one house.

Contact Joe Reimer at 533-4175 or Charlie Schmitt at 533-4218, if you would like to help in any way by placing houses or supplying plastic pails.

Greenwing members have one chance at a Winchester Ranger pump shotgun for each wood duck house built. Any member building the most will receive a \$50 Eddie Bauer gift certificate.

The deadline is March 1.

## Christmas Seal Drive Aided By Late Surge; Still Short of Goal

Contributions of over \$100,000 in the past three weeks have brought Wisconsin's 1984 Christmas Seal Campaign to within \$55,000 of its goal, a spokesman for the American Lung Association of Wisconsin reported Friday.

Lung Association Executive Director James E. Pender said that a record post-holiday response had brought the total collected to within 92 percent of its \$750,000 goal by Jan. 11.

Pender credited the state's newspapers and radio and TV stations with helping publicize a special appeal for donations he made on Christmas Eve when contributions from regular contributors were running behind the previous year's campaign.

He noted that reminders were being sent in January to previous contributors who had not yet responded to this season's campaign.

"The need for more funds is clearly evident from the fact that use of Lung Association programs and services rose 54 percent in Wisconsin last year," Pender said. "A generous response by the people of Wisconsin will insure that we can continue to provide vital services for the prevention and control of lung disease in the future," he said.

For information on the programs and services offered by the Lung Association, call 463-3232 in the Milwaukee area or toll-free 1 (800) 242-5160.

## 4-H NEWS

### KEWASKUM 4-H

The Kewaskum 4-H meeting was called to order by President Billy Butzlaff on Jan. 10, at the Savings and Loan, from 7:30 - 8:30 p.m.

Jenny Bauer led the Pledge of Allegiance and Jean Holtz led the 4-H Pledge.

The secretary's report was read by Michelle Etta. Jean Holtz accepted it and Jenny Bauer seconded it. The treasurer's report was read by Tammy Bath. Laura Horlamus accepted it and Brian Butzlaff seconded it.

For old business, people who didn't hand in their 50c dues or their candy money should hand it in at the meeting.

On July 10-13 there will be a 4-H Camp Outing in Ozaukee County. The 9-12 year olds will stay at the base camp. The 12-14 year olds will stay in the outpost camp. The cost is \$35.00 to \$40.00.

We are going to Ridge Run Park on Jan. 20 at 1:00 for our January activity. Make sure to bring your sleds and skates.

For new business, there will be a Music and Drama activity, Mrs. Sauer is in charge. Registration forms have to be in by Jan. 27.

There is going to be an interstate exchange on June 24-30 for 14-18 year olds. Registration forms should be in by Jan. 28.

There will be a photography meeting on Feb. 16, at 9:30-2:00 in the court house.

On Jan. 19 there will be a Poultry meeting at 1:30-3:00 in the 4-H meeting room.

The rest of the Program books were handed out and the Membership Cards were handed out.

We played two games for recreation, led by Mrs. Horlamus. The refreshment committee for next month is Brian Butzlaff and Pat Holtz.

Billy Butzlaff adjourned the meeting. Jenny Bauer accepted it and Bob Friedemann seconded it. After the meeting Kandi

Veal, the 4-H and Youth Agent talked to us about "what 4-H can do for you."

# Eisner Scores 29 in Chilton Win Over KHS

By John Harju

Todd Eisner, the EW conference's top scorer average-wise, scored 29 points and added 12 rebounds in leading the Chilton Tigers to a 64-56 victory over the Kewaskum Indians last Friday in Kewaskum.

Eisner, a 6'6" junior, was held slightly under his average of 36 points a game, but according to KHS coach Perry Koth his fine passing more than made up for it.

Kewaskum did, however, play a good game according to Koth. It was a bunch of "little things," however, which added up to hurt the Indians in the end.

The first occurrence to hurt Kewaskum was when 6'5" Mike Steinhardt, who was guarding Eisner, picked up his third foul with :57 left in the first quarter. Steinhardt then sat the rest of the second half on the bench before fouling out with 1:10 to go in the third. Todd Wiedmeyer was then assigned the task of guarding Eisner. This, however, took away the Indians' height advantage and opened the way for Eisner's team mates to get into the scoring action. One of them, Steve Meyer, responded with 16 points.

6'2" Ron Theusch left the game with a sprained ankle with 1:23 to go before half to hurt Kewaskum's efforts even more.

Statistically speaking, Chilton was outscored by Kewaskum, 32-24, but their 49% (19-39) field goal shooting over-

road this. Chilton also committed only 4 turnovers all night compared to a respectable 8 for the Indians.

Senior Tom Herriges and junior Bob Yahr connected for 16 points apiece to lead Kewaskum. Most of these points came in the second half when the Indians were close. At half Kewaskum trailed 34-32. Steinhardt, who played one of his better games of the season according to Koth, responded with 9 points on 3 for 3 shooting. Wiedmeyer had 8 while Brian Ruplinger, EWC's steal leader, stole 6 more to up his total to 24.

The Indian JVs picked up their first conference win, 48-46, for new head coach Mike Coulter, who replaced Mark Ffrick.

Mike Coulter Jr. led with 17 points while Don Menzel and Ken Vogt popped in 13 and 8 each.

The freshmen lost, 62-58. Coach Scott Reif's team was led by Joel Fleury with 20 points. Keith Bartelt and David Harju added 10 and 6, respectively.

Kewaskum's next game will be Friday, Jan. 25, at Sheboygan Falls.

47-31.

The win was a needed one for Coach Milt Dickinsen and his Indians, as it upped their conference record.

Kewaskum jumped out to an early 11-3 first quarter advantage behind the play of Sandy Secor and Lisa Fusek. Fusek scored two baskets on nice inside passes from Secor in the first period to get the Indians off on the right foot. At half, Kewaskum led 23-12.

Senior guard Debbie Bastian kept the Indians ahead, scoring all 8 of her points in the third quarter to blow the game wide open for the Indians.

Bastian and Fusek led a well balanced scoring attack with 8 points each, in only three quarters of play. Brenda Kober netted 6 while senior captain, Secor, added 5 points and 4 assists. Cheryl Schladweiler, a 5'10" senior reserve, came off the bench to grab an Indian season-high 9 rebounds. Robin VanGrinsven led Chilton in scoring with 12 points.

After opening up a commanding 28-2 lead at halftime, the KHS JVs coasted the rest of the way for a 46-14 victory in the preliminary game.

Brenda Vetter sparked the sophs with a season high 12 points and 8 steals. Laurie Blum, Jenny Hintz and Michelle Beck popped in 9, 7 and 6 points, respectively, while Jill Rimmel came off the bench to lead the team in rebounds with 7.
