Then there was the wife who had trouble seeing eye to eye with her husband on some subjects—there was an eight inch height difference.

## School District Administrator John Long's Job in Jeopardy?

By GERRY MUELLER  
Statesman Staff Writer

A special session of the Kewaskum School Board Monday night gave no clues as to the fate of District Administrator John Long's future in the Kewaskum School system.

For several weeks now, rumors have been circulating that Long's contract, which expires on June 30, 1985, will not be renewed. He is presently working under the last year of a three-year contract.

The rumors apparently started because of numerous closed sessions whose agendas indicated the board was evaluating and considering the employment of Long.

While no board members have publicly made any statements regarding the possible dismissal of Long, the rumors, hinted to have leaked out of a closed session, say the board

has already made its decision not to renew Long's contract.

At the latest meeting Monday, the board's agenda stated, "adjourn to closed session" and "depending upon the outcome of the closed session, the Board may then reconvene into open session to hold a hearing at the request of John Long (approximately 7:30 p.m.)."

Approximately 30 people stood in the hall waiting for the public hearing that never took place. At 8:36 p.m., Patrick Schmidt, legal counsel for the Board, and Ms. Pamela Schaefer, Long's attorney made a joint statement. "Ms. Schaefer and I, on behalf of our clients, have agreed to make the following statement that, at the request of John Long, the second item on tonight's agenda (the open hearing) is being postponed and whether or not there will be a similar item will depend upon what happens

over the next couple of days, that the board and Mr. Long are discussing the matter." The attorneys for both sides refused to make any further comments.

The board continued its closed session and there were further conferences between the two lawyers. At 9:15, Long and Schaefer left, indicating only that there had been agreement on some other items but Schaefer refused to say what they were.

At 9:30, the board finally adjourned their meeting and when asked for statements, board members Neal Weare and Lynn Dieringer along with attorney Schmidt would only state "no comment." This

## FFA Week Observed by Local Chapter

"Keep Agriculture No. 1: Support FFA and Vocational Agriculture" is the theme for the National FFA Week, February 16-23.

In celebration of FFA Week, the Kewaskum Chapter, under the guidance of Dave Rizzardi, Vo-Ag Instructor, has a six-page promotion in this week's issue. Gary Butzlaff, President; Jon Etta, Vice-President; Jim Herriges, Treasurer; Patsy Panzer, Secretary; Joe Schmitt, Reporter; Brian Ruplinger, Sentinel, and Joel Junk, Historian, with the help of the freshmen and sophomore FFA class representatives, were instrumental in soliciting the ads, writing the news items and laying out of the six pages.

FFA Week traditionally is marked from the Saturday before George Washington's birthday (Feb. 22) to the following Saturday. Washington is honored for his significant contributions to American agriculture as well as his military and patriotic contributions.

Through their FFA experience, they will develop skills and knowledge to help them prepare for a career in agriculture. Their future in farming is our future as well.

There are 8,300 FFA chapters throughout the U.S. with nearly half a million members.

We join the community in saluting the FFA during this, their special week.

The members of the Kewaskum FFA have a great deal to be proud of.

Please help support your high school's Vocational Agriculture - FFA program.

## Condura Construction Gets Municipal Remodeling Job

By GERRY MUELLER  
Statesman Staff Writer

On a five to one vote, Trustee Mary Krueger voting "no," and Paul Blumer absent, the Kewaskum Village Board, at its meeting Monday evening, awarded the Municipal Building Remodeling project to Condura Construction of Okauchee, at a cost of \$406,672.

Condura, who had the second low bid, was selected over low bidder Joseph Lorenz, Incorporated, on the recommendation of Robert Skatrud from the village's consulting firm of Ruekert and Mielke.

In a letter to Village Administrator Dan Schmidt, Skatrud listed several reasons for selecting Condura over Lorenz. The main concern was that Lorenz' construction schedule did not take into account the order in which the work must be performed or instructions specified in the special conditions of the contract. Also, the roofing contractor did not have the re-

quired certification for the specifications.

Skatrud advised the village to consider Lorenz' performance when it did the Municipal Building vestibule work. Because of subcontractor delays and material drawings problems, the project was completed two months after the scheduled completion, in March 1984, rather than January 1984, as specified.

Skatrud's letter stated Condura's construction schedule was much more explicit and conveyed the proper understanding of the special conditions and overall complexity of the project.

Since there was only a difference of \$1,672, Ruekert and Mielke felt the work should be awarded to Condura based on their bidding and schedule specifications.

In other action, the board approved a resolution to borrow \$300,000, for ten years at 8.5% interest to cover the largest portion of the remodeling costs.

## Thiemers Honored at Jaycee Convention

Mary and Richard Thiemers

Both Richard and Mary Thiemers of Kewaskum were given honors at the Jaycee and Jaycee Women Winter Convention held in Milwaukee on Feb. 2-3.

Mary was recognized as one of the ten most outstanding Jaycee Women Local Presidents in the State of Wisconsin. She had previously been awarded the "Outstanding New Chapter President" award at the U.S. Jaycee Women Region V meeting in November. Richard was recognized as

the No. 1 Vice President in the month of December for new membership growth. He was also awarded the No. 1 Vice President for "Parade of Chapters" participation in the state.

Richard and Mary would like to thank their local chapters for the continued support and assistance they give. They would also like to thank the community individuals and businesses that have supported their endeavors.

## EW Conference Music Contest Here Saturday

This Saturday, February 23, Kewaskum High School will be hosting the Conference Solo and Ensemble contest. Approximately 800 students from Chilton, Kiel, Plymouth, New Holstein, Sheboygan Falls and of course Kewaskum will be participating. The day begins at 8:00 a.m. and runs until 4:30 p.m.

Each entry performs for a

judge and gets a rating on how well they do. Ratings are from a first to a fifth. Class A events which receive a starred first are then eligible for the state contest in May.

The public is welcome to come and spend time here listening to the individual solos and ensembles. There is no admission charge.

## Donors Needed for Blood Bank Here Wednesday, March 6

The Blood Bank will be in Kewaskum on Wednesday, March 6, from 1:30-6:30 p.m. at the Kewaskum High School. Please stop in anytime, no appointment needed. Why not bring a friend and introduce them to the good feeling you get when you give the gift of life? Recently a letter was received by the volunteers who organize the Blood Bank in Kewaskum. Its message is for all those who help in any way, especially the blood donors themselves.

It stated, "On behalf of the the Blood Center of Southeastern Wisconsin and the hospitalized patients we serve, I would like to commend Kewaskum Community for your continued support of the community blood program.

"AS you are well aware, without the support of blood donor clubs, the Blood Center cannot maintain an adequate supply of blood for the 34 hospitals we serve. But, without volunteers such as the members of Kewaskum Community, the task of collecting 475 units of blood each day would be much harder to achieve.

"The Blood Center deeply appreciates the effort put forth by everyone involved with Kewaskum Community blood drive. Your willingness to organize a blood drive is a vital gift to the community. Without the continued support of Kewaskum Community, the supply of life saving blood would be far less secure."

# Long

[Continued from Page 1]

reporter asked Board President Jean Goeden if it was correct to assume that Long's contract was not being renewed since it was he who had asked for a public hearing. Goeden also stated she had no comment at this time. There were no statements from Ralph Horner or Tom Brigham. Board member Kim Peterson was out of town and did not attend the meeting.

There was some confusion as to just who had asked for the postponement. From the statement made by the two lawyers, it seemed that it was done by Long that night. However, Long indicated his request had been made prior to Monday's meeting because one of his lawyers could not be present, and, not during the closed session as it appeared.

In a letter dated February 14th, Long's lawyers asked for a postponement of the meeting tentatively scheduled for February 18th.

Long, who was not a part of the closed session, seemed as much in the dark about what was going on as everyone else who had come to attend the hearing. There was no face to face contact between Long and the Board during Monday's meeting. All comments and discussions were transmitted by Schmidt from the board located in the library to Long and his counsel who were seated in a room outside the library area.

Many of the district residents present were upset by the fact that no public notice of the meeting had been published in the newspaper. Reporters for the Kewaskum Statesman, Fond du Lac Reporter and West Bend News said they had all contacted Long regarding the possibility of a meeting. On Wednesday Long told the various media representatives he was still talking with his attorneys and he would get back to them as soon as something was set. It wasn't until Friday afternoon, Feb. 15th, that the meeting was scheduled and posted, too late for any news releases. The meeting was considered legal because the notice had been publicly posted at least 48 hours prior to the meeting and publication in the paper was not necessary.

Dr. Charles Ogi, another former board member, was upset with the fact that information regarding the situa-

tion had gotten out of closed session. It's known wherever you go, in Beechwood, Kewaskum, all over, that the board has decided not to renew Long's contract, noted Ogi.

Ms. Schaefer was asked, in the event of another hearing, to have the date and time available early enough so that a notice could be published in the paper. She agreed to discuss it with the board's counsel.

# Municipal

[Continued from Page 1]

The remaining \$106,672, will be transferred from various village restricted funds to cover such items as sewer and asphalt work around the building.

Remodeling on the Municipal Building is expected to begin on March 1st. Work will start on the old firehouse garage. The area will be transformed into an expanded Police Department with the addition of a new section to contain the new community room. When the community room is completed, the library will be temporarily moved into that area so expansion and remodeling of the library can take place. Work will then continue into the municipal offices area.

In other board business, Trustee Mary Krueger brought up the question of the village's participation in a countywide library system. Schmidt indicated it would cost the village \$10,918 to open its library doors to the public other than village residents.

The board approved the awarding of a contract to Kamp and Associates of Grafton to supply a control system for the village's water department at a cost of \$57,950.

The board also approved the preparation of specifications and bids for the Highway 45 and County Highway H storm sewer project. The project is part of the village's TIF District. Bids are expected to be opened in April.

In other action, Gerald Stollenwerk and Colleen McKay were appointed to the Board of Canvassers, and a bartender's license for Glen Dorn was approved.

Because the Board had not received the signed police union contract for 1985-86, action on its approval was tabled until the March 4th meeting.

The board also okayed the recommendation of the Parks and Recreation Committee to

rent portable toilets from the A-1 Service Company.

The board then adjourned its meeting.

# Sensenbrenner Talks at KHS

by John Harju

Congressman Jim Sensenbrenner visited Kewaskum High School Monday morning to talk to approximately 70 students and faculty about relevant issues concerning Congress.

Sensenbrenner, a Republican who represents the 9th Congressional District, arrived at 8:30 a.m. and began his presentation by explaining to the students what exactly a Congressman does and what his responsibilities are. After this explanation which lasted about fifteen minutes, a 45-minute question and answer period followed.

Some of the issues discussed by the Congressman and the students included: abortion, capital punishment, and crime as well as the U.S. involvement in Central America, the budget, student financial aid, and the farm crisis. "The students were very interested in what he had to say," commented KHS social studies teacher Dave Rhode who organized Sensenbrenner's visit for his Social Problems class. "Congressman Sensenbrenner gave a well planned and organized presentation designed to educate the students. "He added greater insight and furthered the inquiry process for the students of such pending legislation discussed in class," said Rhode.

Sensenbrenner, who gave a similar presentation at KHS last year, reiterated his views on the subjects discussed, commenting that abortion, in particular, is a "national tragedy" and that he hopes the Supreme Court will overturn its standing decision of 12 years ago which legalized abortion.

Sensenbrenner added that he will try to visit all the high schools in his district at least once this year in order to get better informed about the problems and opinions of the people of his district.

"Forget injuries, never forget kindness." Confucius

# Stuffed Animal Donated To Day Care Center

"It was just collecting dust at home, and I thought they would have more use for it," said Jeff Thelen, owner of JT's Pizza.

Jeff was "lucky" enough to win a huge stuffed buffalo last summer at Six Flags Great America.

"We had to drive with five people and one extremely large buffalo all the way home. It was not easy to move, much less breath," Jeff explained. Great America is located just outside

of Chicago.

Last Tuesday the stuffed animal was given to the My Little Friends Daycare Center, in Kewaskum. Comments from various children included, "That's the biggest puppy I ever saw!" and "How much did it cost?"

My Little Friends is open 6:30 a.m. to 5:30 p.m. every weekday. The day care is designed for working parents and includes nutritious meals.

# Chamber Plans 'Business After Hours' Program

On Wednesday, March 6, the Speakers Bureau of St. Francis Hospital will share the latest medical information with the Kewaskum Chamber of Commerce through a quality

discussion by Dr. Terry Graves.

The place is the Valley Bank Community Room, time is 7:30, and Rich's will be setting up a light lunch. This is for all Chamber members and guest. Be ready to ask questions.

## Mayer - Fechter

Mrs. Joyce Doll of 1195 Hillside Drive, Kewaskum, is happy to announce the engagement of her daughter, Jacqueline Mayer, to Dean Fechter, son of Mrs. Joyce Fechter of 2071 Shalom Drive, West Bend.

Jackie will be a 1985 graduate of Kewaskum High School. Dean is a 1982 graduate of Kewaskum High School and is employed at EST Company in Grafton. An October 19, 1985 wedding is being planned by the couple.

## Schladweiler - Bardouche

Mr. and Mrs. Sylvester (Rusty) Schladweiler, Kewaskum, are proud to announce the engagement of their daughter, Loretta (Lorie) Ann Schladweiler, to Todd Steven Bardouche, son of Mrs. Eunice Bardouche, and the late George Bardouche, of Green Bay. The future bride is a 1983

graduate of Kewaskum High School and is employed at Hardee's Restaurant in Green Bay. Bardouche is a graduate of East High School, Green Bay. He is employed by Chicago and North Western Transportation Co.

A Sept. 14, 1985 wedding is being planned.

## West Bend Gallery Lists March Exhibit

The West Bend Gallery of Fine Arts announces its March, 1985 exhibit, "Contemporary Liturgical Arts."

Close to thirty Wisconsin artists and artisans who have been creating liturgical arts will be exhibiting three works each from February 27th - March 31st.

Included in this Judaic and Christian art survey will be functional works in wood, metal, fiber, clay and glass, as well as oil painting, prints, icons and sculpture.

A public reception for the artists will be held March 3rd from 1:30 - 4:00 p.m. Exhibition catalogues will be available. Admission is free and gallery hours for this exhibition are Wednesday, Friday, Saturday and Sunday 1:00 - 4:30 p.m. and Thursday 12:00 - 9:30 p.m.

The gallery is located at 300 South 6th Avenue, West Bend, Wisconsin 53095.

## Mother and Daughter Die 3 Days Apart

### MRS. ANNA VOEKS

Mrs. Anna L. Voeks, 91, of 1885 Stoney Creek Rd., Kewaskum, passed away Thursday, February 14, at St. Joseph's Community Hospital in West Bend.

She was born on August 30, 1893, in the Town of Auburn to the late Frank and Wilhelmina Buss Schultz. On November 8, 1919, she married August C. Voeks in St. John's Church in New Fane. He passed away on April 4, 1958.

Mrs. Voeks was a member of the St. Lucas Lutheran Church in Kewaskum and also of the Farmington Handi-Maids Club.

Survivors include three daughters, Mrs. Leona (Lloyd) Reysen of Beechwood, Mrs. Norma Warnkey of West Bend and Mrs. Celesta (Donald) Jones of Boltonville; and Ronald (Bernice) Voeks of West Bend; six grandchildren; five great-grandchildren; other relatives and friends. Four brothers and three sisters preceded her in death.

Services for Mrs. Voeks were held on Saturday, at 2 p.m., at the St. Lucas Lutheran Church in Kewaskum with Pastor Paul Hoenecke officiating. Burial was in Lutheran Memorial Park, Kewaskum.

Visitation was after 4 p.m. on Friday at Miller's Funeral Home, Kewaskum, and on Saturday at the church from noon to time of services.

### MRS. LLOYD REYSEN

Mrs. Lloyd (Leona) C. Reysen, 63, of 16-172 Co. Trunk Hwy. S, Route 1, Adell (Beechwood), passed away Sunday, February 17, 1985 at St. Joseph's Community Hospital in West Bend after a lingering illness.

She was born on March 13, 1921, in the Town of Farmington to the late August and Anna Schultz Voeks. On June 13, 1942, she married Lloyd J. Reysen in the St. Lucas Lutheran Church in Kewaskum.

She was a member of St. John's United Church of Christ in Beechwood and their Women's Guild. She was a past president of Triangle B American Legion Auxiliary Post 193 and a former member of Beechwood Elementary School PTA.

Survivors include her husband; two children, a daughter, Carolyn (Ronald) Beimborn of Beechwood and a son, Leroy, also of Beechwood, two sisters, Mrs. Norma Warnkey of West Bend and Mrs. Celesta (Donald) Jones of Boltonville; one granddaughter, Jennifer; other relatives and friends.

Services for Mrs. Reysen were held on Wednesday, at 2 p.m. at St. John's UCC in

Beechwood with Pastor Wm. Kesting officiating. Burial was in Union Cemetery, Beechwood.

Visitation was after 4 p.m. on Tuesday at Miller's Funeral Home in Kewaskum and at the church on Wednesday from noon to time of services.

### MRS. OLIVE DIERINGER

Funeral services for Mrs. Olive J. Dieringer, 86, of Beechwood Rest Home, Beechwood, were held at 8 p.m. Tuesday at St. Matthew's Catholic Church, Campbellsport. The Rev. Victor Kemmer officiated. Burial was in the parish cemetery.

Friends called from 2 to 7:30 p.m. Tuesday at Twohig Funeral Home, Campbellsport.

Mrs. Dieringer died Sunday, Feb. 17, 1985, at the rest home.

She was born Sept. 14, 1898, at Campbellsport, to Frank and Elizabeth Ullich Gremminger. She married Thomas H. Dieringer on June 5, 1917, in Campbellsport, and he died in 1966.

Mrs. Dieringer farmed in Fond du Lac County until 1942, when she and her husband moved to Belgium and farmed there until their retirement. She was a member of St. Matthew's Catholic Church and the Altar Society.

Survivors include six sons, Andrew and Thomas, both of Belgium, Gregor of Campbellsport, Adolf of Port Washington, Francis of Hartford and James of Fredonia; three daughters, Mrs. Donald (Lucille) Odekirk of Campbellsport, Mrs. Edward (Phyllis) Stemper of Fredonia and Mrs. Peter (Betty) Grant of Laona; 38 grandchildren, 31 great-grandchildren; one brother, Roderick Gremminger of Mayville; and one sister, Mrs. Valeria Cosgrove of Fond du Lac.

She was preceded in death by one daughter, one grandson, three sisters and four brothers.

## Church Women United Plan World Day of Prayer Observance March 1

The World Day of Prayer will be celebrated on Friday, March 1, in churches across the United States and in 170 countries and regions of the world. The 1985 service takes as its theme "Peace Through Prayer and Action." Written by the Christian Women of India, it calls people the world over to gather for the 98th consecutive year to circle the globe in prayer for peace and to actively become peacemakers.

The Church Women United of Washington County are planning services in many county areas. The West Bend area will observe World Community Day with four services. The community service will be held at Our Savior's Lutheran Church located at 1044 Silverbrook Drive in West Bend. The assisting church will be St. Mary's Immaculate Conception Catholic Church. Registration and coffee will be at 9:30 a.m., followed by Bible Study. The service will be at 11 a.m. People are asked to bring a "sack lunch" for the fellowship hour following the service. A nursery service will be provided for young children.

Included in the West Bend area observance will be a service at the Cedar Lake Home. The participating churches are: Immanuel UCC, West Bend, St. Martin's UCC, Fillmore, Trinity Lutheran, and St. James Episcopal, both of West Bend.

The Samaritan Home service

will be held at 2 p.m. The participating churches will be: St. Frances Cabrini Catholic Church, Fifth Ave. United Methodist, Holy Angels Catholic, and Hope Reformed, all of West Bend.

A 2 p.m. service at Meadowbrook Manor will have these participating churches: Peace UCC, Kewaskum, Calvary Assembly of God, West Bend, Salem UCC, Wayne, and the Christian Science Church of West Bend.

In Hartford World Day of Prayer observance will begin at 9:30 a.m. with Bible Study. Three classes will be offered. A program using dialogue exemplifying the theme will be presented. Refreshments and coffee will follow. The host church is the First United Methodist of Hartford. A nursery for small children will be provided. Participating churches will be: St. John's UCC, Redeemer Lutheran, St. Aidan's Episcopal, and First Congregational.

The Jackson-Slinger area will have its observance at 1:30 at St. John's UCC in Slinger. The program will follow the theme of the day. Dessert and fellow-

Kewaskum Statesman, Page 6  
Friday, Feb. 22, 1985,

ship will follow. Participating churches will be: Christ Lutheran, St. Peter's UCC, Friedens-Peace UCC, all of Jackson, and St. John's UCC and Faith UCC, both of Slinger.

The Germantown, Colgate, and Richfield area will observe the World Day of Prayer at St. Jacobi's Congregational Church located on the corner of Scenic Dr. and Hy 167. The 1:30 p.m. event has as its speaker the Rev. Mosebach of St. Paul's UCC at Erin. Refreshments will be served after the program. Participating will be these churches: Zion United Methodist, Colgate, Our Savior's UCC, St. John's UCC, both of Germantown, St. Columba's Catholic, Lake Five, First Presbyterian, Richfield, and St. Paul's UCC of Erin.

The Church Women United is an ecumenical group, concerned with the challenges of a changing world. The public is always welcome to attend any of the CWU meetings.

## Valley Bancorporation Increases Net Income/Declares Dividend

Net income for the year totalled \$8,497,575, an increase of 2.1% over the \$8,319,130 recorded in 1983. On a per share basis, 1984 amounted to \$3.12 compared with \$3.06 in 1983. Weighted average shares outstanding totalled 2,726,233 in 1984 and 2,719,001 in 1983.

For the fourth quarter of 1984, Valley reported net income of \$1,950,427 compared with \$2,055,570 recorded in the fourth quarter of 1983. On a per share basis, 1984 amounted to \$.72 compared with \$.76 for 1983. During the fourth quarter of 1984, Valley aggressively increased its provision for loan losses. As a result, the yearly provision totalled \$4.2 million for 1984 compared with \$2.1 million for 1983. Valley chose to raise its provision for loan losses in order to strengthen reserves. At the end of 1984, the allowance for loan losses as a percent of year-end loans increased to 1.06% from .98% in 1983. Gary A. Lichtenberg, Vice President-Finance commented that "the increase in the loan valuation reserve reflects management recognition of conditions in the agricultural economy of the State and our market areas."

At year-end, assets totalled \$1.177 billion, an increase of \$155 million over the \$1.022 billion recorded a year earlier. Of the increase, approximately \$56 million resulted from the fourth quarter acquisition of Valley First National Bank of Rhinelander (formerly First National Bank of Rhinelander). Year-end loans totalled \$655 million compared with \$566 million a year earlier. Deposits in 1984 totalled \$1.010 billion versus \$864 million recorded in 1983.

Stockholders' equity, showing a 10.0% increase over the previous year, totalled \$64.7 million compared with \$58.8 million recorded a year earlier. On a per share basis, book value at December 31, 1984, amounted to \$23.67 versus \$21.63 in 1983.

Valley Bancorporation currently has three acquisitions pending: Bank of Oregon with year-end assets of \$36 million, BANCWIS Corp. (Janesville)

with year-end assets of \$182 million and United Banks of Wisconsin, Inc. (Madison) with year-end assets of \$352 million. Valley anticipates that these acquisitions will be finalized including all regulatory and shareholder approval during March and April, 1985. After completion, Valley will have assets of approximately \$1.7 billion and will deliver financial services through 64 Wisconsin locations.

At their January meeting, the Board of Directors declared a \$.27 per share dividend (\$1.08 annualized). This dividend is payable March 1, 1985, to stockholders of record February 22, 1985.

Valley Bancorporation, the fourth largest Wisconsin-based bank holding company, currently serves Wisconsin through 40 banking locations with additional service companies engaged in leasing, insurance, trust service and data processing.

## Jon Etta Attends FFA Farm Forum

Attending from Washington County were [left to right]: Carl Nehm, Slinger FFA and Frank Vlasak, Advisor, Slinger FFA, and Jon Etta, Kewaskum FFA.

Nearly 200 FFA members attended the 14th annual FFA Farm Forum on Feb. 15-16 in Madison, sponsored by the Wisconsin Association of Future Farmers of America, the Wisconsin Farm Bureau Federation (WFBF) and its affiliated companies: GROW-MARK, Inc., Midwest Live-

stock Producers, The Rural Companies and the Farm Bureau Marketing Association. The theme of this year's Forum was, "Keep Agriculture #1, support FFA and Vocational Agriculture." The Forum provides senior vocational-agriculture students an opportunity to discuss the challenges they

face as future leaders and farmers.

Representing the Kewaskum FFA was Jon Etta, 5599 Beech-nut Drive, West Bend, Wisconsin. He was sponsored by the Washington County Farm Bureau.

FFA members heard speeches by WFBF president Don Haldeman; George Niebur, vice president, Field Services, GROWMARK, Inc.; and Michael Leckrone, Director of the University Marching Band.

Students and teachers also attended workshops on farm computers, getting started in farming, passing the family farm from one generation to another, and producing for a consumer-oriented market. Workshop leaders for this year's Forum included: Dr. Richard Daluge, assistant dean, director of the Farm and Industry Short Course, UW-Madison; Dan Teetzen, director, career development, The Rural Companies; Sheldon Schieldt, M & I bank, Cambridge; and Dr. Robert Cropp, professor, agricultural economics, UW-Platteville.

# "We could win an IBM home computer! And with a Valley IRA, win on our taxes, too."

**Win a trip to Mexico, an IBM home computer, or \$1040 deposited in your Valley IRA!**

Saving you money on your taxes is what Valley's IRA Action Centers are all about. It's where you'll find experts who can answer all your questions on Individual Retirement Accounts, who will help you save on taxes this year and plan for a worry-free retirement in the years to come.

For as little as \$5 a week, you can open a Valley IRA. And we'll deduct it automatically from your checking account to make it even more convenient for you.

And while you're visiting our

IRA Action Center, register to win one of the fabulous prizes in our "IRA Action Sweepstakes." There's no purchase necessary to win. But there's a lot of ways you will win with a Valley IRA.

**We're the Bank with more investment options for your IRA!**

The key to IRA earnings is investment options. At Valley's IRA Action Centers you'll find more investment options for your IRA funds. And you'll find our experts ready to work with you to develop an IRA portfolio that works best for you.

Our fundamental and most popular IRA plan is the Insured Deposit with certificates of varying terms and highly competitive rates. If you have differing investment objectives, you can establish a Self-Directed IRA, or invest in a Valley Managed or Mutual Fund IRA.

At Valley Banks, we're strong enough to offer more investment options for your IRA funds, options to help keep your Individual Retirement Account at its highest earning potential, year after year.

# Letters to the Editor

February 15, 1985

LETTER TO THE EDITOR:

Recently, Mr. Paul Moser wrote an open letter to West Bend Police Chief James Skidmore and myself as Sheriff, regarding the problem of drivers who fail to yield to emergency vehicles. In his experience, the problem involved an ambulance that was transporting his wife to the hospital. Mr. Moser offered some suggestions on combating this problem.

First, law enforcement officers are not unaware of this, as it is a problem whenever an emergency response is needed. While some drivers may not notice when a squad, ambulance or fire truck is overtaking from the rear, it is difficult for us to understand why someone would not yield the right-of-way when being approached by a vehicle with red and blue lights flashing and a loud siren wailing. Our officers have had some close calls over the years, which is why they are trained never to assume everyone will yield to their approach.

As for Mr. Moser's suggestions, he has asked if the public needs to be educated. I believe so, and I have released press releases and radio announcements on this topic on a number of occasions over the years. Because of our manpower situation we are not able to monitor ambulance traffic for violations as he suggested. But if an ambulance driver spots a violation, we will issue a citation based on the driver's complaint. Our officers similarly have taken action when drivers have refused to yield to the approach of their squad.

Once again, I must ask county residents to pull over and stop when an emergency vehicle approaches from the front or back and its emergency lights and siren are activated.

Sincerely,  
Clarence A. Schwartz,  
Sheriff  
Washington County

January 17, 1985

An open letter to  
Sheriff Schwartz and  
Police Chief Skidmore  
Gentlemen,

On January 11th I rode in an ambulance which was taking my wife to a Milwaukee hospital. The southbound trip went very smooth. However, on the return trip her condition became life threatening, requiring us to rush back to the West Bend hospital. In Milwaukee the traffic respected the lights and sirens of the ambulance by literally scattering to the sides of the roads. After we crossed into Washington County, however, the situation changed. We encountered 11 instances where the traffic failed to yield the right of way properly or not at all for the ambulance. The most serious cases were: 1) just south of Jackson a northbound car, with the ambulance within 75 feet behind, continued to drive next to the center line requiring the ambulance to move completely into the southbound lane. Oncoming traffic went to the shoulder so that the ambulance could use that lane. 2) On Hwy 45 at Hwy C we had a single axle van type truck in front of the ambulance. A car in

front of the truck pulled over to the shoulder but the truck failed to do so. It was over a mile before the ambulance could again use the southbound lane to pass. 3) As we came to Paradise Dr. a car pulled out in front of the ambulance. As we very slowly continued north, this and another car remained in the left northbound lane, while the right lane was unused. The driver again had to wait for the southbound traffic to move over so he could use that lane to pass. These two cars never did change lanes even as we passed.

Does our public need to be educated? I would like to offer a suggestion. The ambulances have radios which could be used to notify your departments of their planned routes. Your squadcars, which are already patrolling in the area, could monitor these routes, not as an escort, but solely to issue citations to some of these people. Then publish these citations, for educational reasons, in the county/city records of the newspaper. Certainly these violations are far more serious and life threatening than a car being broken into or a tire stolen. I hope you take this suggestion into consideration.

Respectfully,  
Paul W. Moser

Note to the public

How about it folks? Sooner or later you too will have a friend or loved one in this situation. Would you like their trip to the hospital delayed so carelessly?

February 13, 1985

Editor of the  
Kewaskum Statesman:

In observance of National Volunteer week, I want to recognize the enormous contribution that volunteers make to the community through the Big Brothers and Big Sisters program.

First, we must accept the concept of working one-to-one with a child. This type of relationship creates an atmosphere of trust, acceptance, love and thereby growth. Positive growth means positive change.

Many situations of divorce, separation or parental death leave marks of emotional impact on young people during the construction of their character. The friendship which a Big Brother or Big Sister might share can be the foundation for renewed growth. The volunteers influence helps to form the shapes of things to come.

To those volunteers that have given their time to another generation...thank you. To those interested in investing in a child's future...welcome.

Thank you,  
Kathy Saemann

# It's Girl Scout Cookie Time!

Now that the Girl Scout Cookie Sale is in progress, let's hope that everyone will drive with extra caution.

Each parent is asked to remind their scout to be careful when crossing streets, use the buddy system, don't sell after dark, use sidewalks, don't give cookies before payment and don't enter anyone's home.

Let us all help to keep Kewaskum a safe place for our kids. Remember "giving never tasted so good."

The Girl Scouts will be selling cookies from Feb. 20 to Mar. 6. If you have not

been contacted you can call the COOKIE HOTLINE 626-4555 after 6:00 p.m.

With all of this snow on the ground it is hard to think of going off to summer camp. The Wau-Bun Girl Scout Council has decided to make it easier for parents to find out just what is available for their daughter this summer. On Tuesday February 26, from 7:00 to 8:00 p.m. a "LET'S GET READY FOR CAMP" get-together will be held at St. Francis Cabrini Church Hall in West Bend. This is open for the whole family to attend.

# Kewaskum Students Celebrate President's Day

Front row, left to right: Tricia Schultz, Karri Brace, Dan Staehler, Rachel Gosa, Heidi Gruhle. Center row: Michelle Wietor, Julie Yahr, Mike Stopar, Eric McElhatton, Sheldon Oppermann. Back row: Randy Schlice and Assemblyman Dwight York.

Dan Staehler as Abe Lincoln during Presidents' Day program at Kewaskum Elementary School.

Parents and friends enjoyed the KES Presidents' Day program.

Assemblyman Dwight York followed the "presidents" through the Presidents' Day luncheon line.

By GERRY MUELLER  
Statesman Staff Writer

The fifth grade classes of Kewaskum Elementary School marked Presidents' Day with its fifth annual luncheon and program.

The guest for this year's program was Dwight York, who represents the 59th District in the Wisconsin State Assembly. York complimented the parents on their fine turn-out for the program. He told the audience

he had run for office because he was interested and concerned about the state of Wisconsin. York told the students, maybe some day one of you may take office and serve your community.

York passed out pamphlets explaining how a bill becomes law. He also invited the students and their parents to come to Madison and see the state government in operation.

Fifth grade teachers Mary Pearson and Erv Uhlman, who coordinated the program, were very pleased with the attendance for Monday's festivities. Mrs. Pearson said approximately 127 parents and friends, the largest number

ever signed up, enjoyed the lunch and parade of presidents program.

Tricia Schultz portrayed George Washington, Karri Brace, John Quincy Adams, Dan Staehler was Abe Lincoln, Rachel Gosa James Garfield, Heidi Gruhle was William Taft, Michelle Wietor Herbert Hoover, Julie Yahr Dwight Eisenhower, Mike Stopar John F. Kennedy, Eric McElhatton Lyndon B. Johnson, Sheldon Oppermann Richard Nixon, and Randy Schlice served as Master of Ceremonies.

Each student was dressed to portray their president and presented a short history of his time in office.

# 4-H NEWS

## KEWASKUM 4-H CLUB

The Kewaskum 4-H meeting was called to order by President Billy Butzlaff on Feb. 14 at the Savings and Loan from 7:30-9:00.

Jenny Carron led the American Pledge and Holli Etta led the 4-H Pledge.

The secretary's report was read by Holli Etta. Kim Shelmidine accepted it and Laura Horlamus seconded it.

The treasurer's report was read by Tammy Bath. Laura Horlamus accepted it and Jenny Bauer seconded it.

For old business, whoever didn't hand in their candy money, please hand it in.

For new business, on Feb. 27 there will be a roller skating party at Shorty's from 6:30-9:00. You should bring your friends. The guests pay \$1.00 for admission and the club will pay for the members only if you bring your membership cards.

Holli Etta made a motion to have the club pay for the admission and Brian Butzlaff seconded it.

We will play the Wayne Crusaders in volleyball on Feb. 21 at 6:30 p.m. at the Wayne Elementary School. Everybody

should bring 1 dozen of cookies and bring comfortable clothes and shoes.

The refreshment committee for next month are the Etta and Horlamus families.

The meeting was adjourned. Henry Krier accepted it and Jason Gengler seconded it.

Reporter, Michelle Etta

A billiard player may walk from one to three miles during a close match.

## RIVERSIDE 4-H CLUB

The February meeting was held at the home of the Thull's. Vice Pres. Mandy Thieme called the meeting to order at 7:05.

The treasurer's report and a report on our visit to the Samaritan Home was given by Mandy Thieme. Petra Thull gave a demonstration on Macrame. Each member made a key ring to take home.

Lunch was served by the Thull family. Our March meeting will be held at our General Leader's home on March 6.

Club Reporter, Leona Thull

**"It took us months to find the right house. We found the right insurance in minutes."**

If you're looking for the best homeowners policy at competitive rates, you should know about the Valley Banks' new comprehensive insurance services.

Buying insurance from Valley Banks is fast, easy, and most important, economical.

Licensed members of our staff and a professional support team are committed to providing the broad coverage and responsive claim service that you really need. Your homeowners policy will be selected from one of the top insurance companies in the country.

If you'd like to know how Valley Banks' costs and coverages compare to your present policy, simply bring it in the next time you do your banking. We'd be happy to furnish you with a no-cost, no-obligation written quote.

# It's National FFA WEEK!

## 1985 National FFA WEEK

FEBRUARY 16-23, 1985

1984-85 F.F.A. OFFICERS

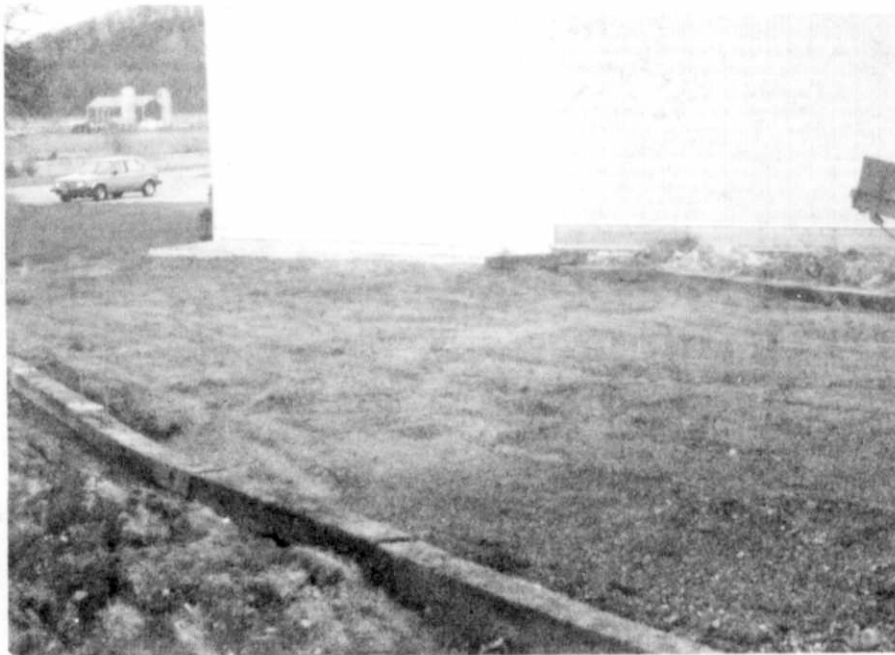

This year's officers' team consists of, from left to right: Row 1 — Jon Etta, Vice President; Patsy Panzer, Secretary; Joe Schmitt, Reporter. Row 2 — Brian Ruplinger, Sentinel; Jim Herriges, Treasurer; Joel Junk, Historian, and Gary Butzlaff, President.

This group of people is responsible for getting the many FFA activities planned and carried out with the help of their advisor, Mr. Dave Rizzard.

The culmination of their efforts is this week — FFA Week. It is the one week out of the year when Future Farmers stand up and show America who is going to keep agriculture number one.

The officers aren't all work and no play. This summer they got together to set up their plan of work at Mauthe Lake. After a three hour work session, they spent the rest of the day doing recreational activities. One was frisbee. Below is Joe Schmitt showing Brian Ruplinger some of his superior frisbee throwing techniques.

We truly hope you enjoy this FFA promotion in this week's paper, and we would like to thank all our sponsors who helped make this extra six page feature possible.

In the above picture, the driveway is ready for the application of the gravel. Below, the senior class is leveling the gravel off.

### Pole Shed Landscaping

This past fall the Kewaskum FFA has been working on one of its B.O.A.C. projects. B.O.A.C. stands for "Building Our American Communities," an area in which local FFA chapters try to beautify their local communities or do something useful for them.

The main project this year was to landscape the pole shed which was put up by the high school last year.

The FFA has laid drainage tile under the driveway on the west side to improve drainage. The old driveway was then torn up to get down to a soil base and after that it was lined with railroad ties on both sides. Two loads of gravel were put down to complete the driveway.

At each of the two front corners of the shed, a box has been dug and lined with plastic to prevent growth of weeds. Railroad ties were also placed around the outside. This spring shrubs will be planted in these boxes.

In places, the sod will be worked up and grass will be seeded down.

With these improvements the Kewaskum FFA hopes to give the high school and community an attractive looking area to be a source of pride for many years to come.

Above, from left to right, are Bill Caraway, National Secretary; Jon Etta, 84-85 Vice-President; Tim Westerman, 83-84 President; Gary Butzlaff, 84-85 President; Jim Herriges, 84-85 Treasurer; and Bev Schulz, sophomore class representative.

In the above right, Roger Batzler and Jon Etta receiving their State Farmer Degree.

### STATE CONVENTION

From June 14-16 the Kewaskum F.F.A. attended the State F.F.A. Convention in Green Lake, WI.

Members attending were Jon Etta, Tim Westerman, Gary Butzlaff, Jim Herriges, Bev Schulz, and Advisor Dave Rizzard.

While at the convention the Kewaskum F.F.A. took part in many awards as a chapter. We received a superior rating in B.O.A.C., a silver rating on safety, and a bronze for Nat. Chapter. Members who won awards were: Tim Westerman - Three Star President degree, Roger Batzler and Jon Etta - State Farmer Degrees. Jon was the state sectional Star Farmer, won two Gold ratings on his state proficiency awards for Home and Farmstead Improvement and Diversified Livestock Production. Jim Herriges and Gary Butzlaff were delegates to the convention. Their duty was to vote on such topics as: Who will be the Section 10 officer?

For excitement at the convention the members went swimming, could have gone to a dance, played basketball or tennis, or just sat in the cabin.

Above are some people who participated in the FFA contests at Kewaskum's Dairy Daze.

### DAIRY DAZE

On June 16, Kewaskum participated in its second annual Dairy Daze at River Hills Park. There were several contests — ice cream eating, milking and a pig race. There was an AMPI luncheon at noon and exhibitors showed throughout the day.

The Kewaskum FFA had two contests that they ran. The first was a cow part contest. The FFA had a cow diagram hanging up with several parts listed on a sheet. People then had to guess at least eight of the ten parts correct to receive a prize.

The other contest had five matching questions which dealt with Wisconsin's Agriculture Statistics. This seemed to be the harder of the two contests, for not many people got this correct.

The Kewaskum FFA, above, was busy unloading fruit during class.

### FRUIT SALE

During the latter part of October and early November the Kewaskum FFA was selling fruit and cheese throughout the community. All of the FFA members put forth a splendid effort in selling, and because of their work, they sold over one thousand, four hundred cases! This is an improvement over last year's one thousand, two hundred cases.

This year, the people who sold the most amount (money-wise) of fruit were Brian Ruplinger, \$1,365; Randy Gindt, \$1,279, and Tony Matenaer, \$1,046.

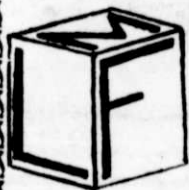

The top cheese salesmen were Patsy Panzer, \$238.75; Jon Etta, \$171, and Gary Butzlaff, \$164. We sold over 80 gift packs and over 430 items of cheddar and string cheese. The Kewaskum FFA greatly appreciate the support the community gave them.

On March 3, 1984, the Kewaskum FFA once again sent teams to Fox Valley Technical Institute for judging.

We entered a team in each of the following judging contests: Agricultural Mechanics, Crops, Dairy Products, Farm Management, Floriculture, Meats, Nursery/Landscaping and Poultry/Eggs.

We had two teams that placed first in judging at Fox Valley. The two teams were Ag Mechanics and Meats.

The Agricultural Mechanics team consisted of Dan Mueller, Mike Gindt, Mike Arndt and Scott Amerling. This team had to take tests on mechanics, identify certain parts of engines relating to farming and also had to correctly identify tools that are used for making and repairing engines.

Joe Schmitt, Gary Butzlaff and Brian Ruplinger made up the meats judging team. They judged carcasses of beef and hogs and also had to identify the cuts of meat of beef, hogs and sheep.

Two of the Kewaskum members also did well in judging individually. Dan Mueller placed first in Ag Mechanics and Pierce Lewis received second in Poultry judging.

After Fox Valley, the team advanced to state competition which occurred in Madison on May 18, 1984.

**SHOP WORK 1984**

Throughout the year, Kewaskum Agriculture students are involved with many different shop projects. These projects may involve wood or metal use. Everything from refinishing equipment to constructing feeders comes out of the agriculture shop.

Craig Garbisch, a 1984 senior graduate, rebuilt a 1948 Gehl chopper for his senior seminar project. Craig did all the work from tearing it apart to putting it back together in working condition, and from sanding and repainting to rebuilding the motor. It roughly took five months to complete the Gehl chopper and after it was all complete the Gehl Company bought it back and used it in their 125th Anniversary display.

Another major project was taken on by Gary Butzlaff, our 1984-85 president. Gary made a 16 foot bunk feeder which he is using for his SOEP project. Gary started in January 1984 with raw materials and in May 1984 had his bunk feeder completed and at home feeding his Hereford beef project.

In the above picture is Craig's chopper nearing completion, and below is Gary's bunk feeder also nearing completion.

Above is Chuck Duggar, retiring Vice President, addressing the convention with his retiring officer speech.

**Kewaskum FFA in Kansas City**

From November 7 to 11, Joe Schmitt, Joel Junk, Gary Butzlaff and Patsy Panzer attended the 57th Annual National Future Farmers of America convention in Kansas City, Missouri.

Leaving Wednesday night from Waupun, they arrived in Kansas City Thursday morning for the first session at the Municipal Auditorium. Close to 23,000 FFA members from over the United States attended the convention.

During their stay they heard motivational speeches from Pat Summerall, Art Linkletter, Bart Conner and Eddie Albert at the convention sessions.

The national officers — Ron Weneinger, President; Bill Caraway, Secretary; Melody Lawson, Vice President; Rhonda Scheulen, Vice President; Carol Irvine, Vice President, and Chuck Duggar, Vice President, delivered their retiring addresses during the convention.

FFA members witnessed the national prepared speaking contest, national extemporaneous speaking contest, the American Farmer ceremony, winners of national proficiency awards and winners of national chapter and Building Our American Communities (BOAC) awards.

The delegates visited the Ag Hall of Fame. Machinery and exhibits from as far back as the early 1900's were on display. A visit to the Harry Truman Museum in Independence, Missouri, was also on the agenda. Many of the late President's articles from his political as well as private life, were on display there. He and his wife's gravesites were also part of the museum in its courtyard.

Members were also treated to a horse show at the American Royal put on in the Kemper Arena. During intermission, country western singer Mickey Gilley performed and put on a show.

There was also a career conference show. Colleges, the armed forces and many agricultural products' companies set up displays informing FFA members of the possible career opportunities ahead of them.

All this kept the members rather busy, and they brought home some ideas for use on the chapter level.

SALUTING FFA DURING NATIONAL FFA WEEK

Terry Ingram, Executive Director of The Eagle Foundation and featured speaker at the March 2 Explore, Discover, Experience, is shown handling an immature bald eagle. A series of 20 classes on a wide variety of subjects related to the natural world will be offered during the seminar held at UW-Washington County. For pre-registration materials, contact Dan Wilson or Pamela Buchholz at 338-4480.

Explore, Discover, Experience (EDE) is a series of natural/environmental classes to help children, youth, and adults become better acquainted with the natural world. It will be held on Saturday, March 2, 1985 at the University of Wisconsin-Washington County campus in West Bend.

This year's featured speaker is Terry Ingram, Executive Director, The Eagle Foundation. Ingram will discuss the status of bald eagles in Wisconsin and will talk about problems with preserving the

bald eagle.

Many other classes will be offered including: Composing a slide program, Indian cultures of Wisconsin, Washington County parks, natural foods, plant lore, prairie restoration, raptor migration, volcanoes, Aldo Leopold, birds of Horicon Marsh, insect folklore, rocks and minerals, plant communities, and decorating with weeds and wild flowers.

Co-sponsored by the Kettle Moraine Audubon Society, Washington County Coopera-

tive Extension Service, and UW-Washington County, EDE is open to any interested persons.

Pre-registration is required by February 22, 1985. Registration fees are \$4.50 per adult class and \$3.50 per youth class. A catered lunch is also offered for \$3.50.

For registration information, contact Dan Wilson or Pamela Buchholz, Cooperative Extension Service, P.O. Box 537, West Bend, 53095, phone 338-4480.

the transaction. Also estate and inheritance tax along with gift tax information particularly as it relates to income tax basis.

3. List of livestock purchased for resale, for example, feeder cattle and feeder pigs. Have date of purchase, purchase price, date of sale and sale price.

4. Information about how CCC loans, chick purchases, crop insurance, pollution control, land clearing, and conservation expenses have been handled in the past. Also have

full information about PIK transactions including dates, physical amounts, values, any assignments made and any delivery made.

5. Complete statement of cash farm income and expenses — farm share of taxes, utilities, auto (including mileage log), insurance, etc.

6. Complete record of non-farm income and expenses—include W-2 forms and 1099 forms.

7. Number of gallons of gas and lubricating oil used in past years that would qualify for refund.

8. Any investment credit information from past years, i.e., carry-over, carry-back, and recapture. Also energy credit information.

9. Complete list of personal deductions—i.e., real estate taxes on farm home, contributions, Wisconsin state income tax paid last year, medical expense, sales tax, interest on farm home, number of dependents, etc.

10. Information about wages paid, social security tax paid, income tax withheld, FUTA information.

11. Information for 1099-type forms for reporting payments of \$600 or more you made to others e.g., cash rent to neighbor, interest to parent, etc.

12. Information for balance sheets for partnership and corporation returns.

13. Information about casualty losses and involuntary conversions.

14. Social Security numbers and employer identification number.

15. Wisconsin Homestead Tax Relief information and Land Preservation Act property tax information.

16. Your income tax blanks for this year and a copy of the tax estimate if one was filed.

17. Your income tax forms from at least two prior years so you can refer to them when necessary. Four previous years are needed in computing income averaging.

18. A cash flow accuracy check or other method to verify accuracy of records.

19. Inventories for accrual

accounters.

Check and recheck to see that you have listed all possible income, expenses, and deductions. Complete, accurate records along with a good working knowledge of the tax regulations are needed to prepare a tax return which will withstand audit without danger of either underpayment or overpayment of taxes.

You and you alone are responsible for your income tax, regardless of who helped you prepare the return.

### Free Shade Trees For Spring Planting

The National Arbor Day Foundation is giving ten free shade trees to people who join the nonprofit Foundation during February, 1985.

A Sugar Maple, Weeping Willow, Red Oak, Green Ash, Thornless Honeylocust, Pin Oak, Silver Maple, Tulip Tree, European Mountainash, and Red Maple tree will be given as part of the Foundation's campaign to encourage tree planting.

These trees were selected because they provide flowers, berries and nuts, in addition to shade and beauty, according to John Rosenow, the Foundation's executive director.

The Foundation will give the ten free trees to members contributing \$10 during February. The six-to-twelve inch trees will be shipped this spring between February 1 and May 31 when conditions are right for planting. They will be sent with enclosed planting instructions, and are guaranteed to grow or they will be replaced free by the Foundation.

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to SHADE TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by February 28, 1985.

## 25 Years Ago

February 19, 1960

Fourteen members attended the monthly meeting of the Kewaskum Business Association at the Municipal Building Monday evening. Almost the entire meeting was devoted to a discussion and planning for the second annual Dairy Day event to be sponsored by the association in the Kewaskum High School gymnasium March 19.

A membership increase of 315 girls in 25 units in 1959 was reported at the annual meeting of the Wau-Bun Girl Scout Council held at Fond du Lac recently. In the election conducted during the meeting Mrs. Harry E. Koch of Kewaskum was elected to the board of directors of the council.

The first organized meeting of the Fillmore PTA group was called to order on February 4, at the Fillmore state graded school. Permanent officers were elected as follows: President, Mrs. Mike Ruhland; vice-president, Mrs. Richard Degnitz; secretary, Samuel Wallendal; treasurer, Mrs. Lee Fickler; historian, Mrs. Willard Heise.

A daughter was born to Mr. and Mrs. Richard Osterloth, Route 2, Kewaskum, on February 13. A son was born to Mr. and Mrs. Carl Wertz, Kewaskum, on February 16. A son was also born to Mr. and Mrs. R. R. DuPont, Milwaukee, on February 16. Mrs. DuPont is the former Delores Mae Stoffel, daughter of the Nicholas Stoffels of Kewaskum.

## 50 Years Ago

February 22, 1935

An unknown thief or thieves broke into the A. G. Koch General Store in this village early last Saturday morning and took quite a bit of valuable merchandise. The exact time that the robbery took place is not known because the thievery was not discovered until in the morning when the store was opened for business, although John F. Schaefer, who resides next to the store, claims he heard a noise at what he thought to be about 4 a.m., but did not investigate because he was under the impression the noise was caused by his dog, which seemed to be restless at intervals during the night. The thief gained admittance by prying open the rear door with a crowbar and shattering the door jam. The articles stolen consisted of all the cigarettes in a showcase on the counter, except a few packages of Twenty Grands, several shirts, size 15, some shoes and hats, underwear and candy bars. The thief was evidently particular as the only kinds of candy he took were Oh Henry and Denver Sandwich bars out of a large assortment. A small amount of change left in the cash register was also taken. In all, the loss was estimated at about \$50. Up to the present time, no clues have been found to implicate the burglar or burglars.

Amelia Earhart, famous aviatrix who flew across both the Atlantic and Pacific Oceans, passed through Kewaskum last week Monday morning on a Chicago and Northwestern Railway train, while on her way to Neenah where she delivered

a speech that evening. As few, if any residents of this village expected her to pass through here, no one was on hand in hopes of getting a glimpse of this famous flying lady.

Miss Charlotte Lay, daughter of Mr. and Mrs. Otto Edwin Lay of Kewaskum, a junior at Milwaukee - Downer College will play a leading part in the play entitled "Raggedy Ann and Andy" to be presented by the Children's Theater group of the college on February 23. Miss Lay is to take the part of Andy, a little colored baby doll, who with his partner, Raggedy Ann, initiates the search and accomplished return of lovely Babette, a little French beauty, who has been kidnapped by pirate dolls and held prisoner. Miss Linda Rosenheimer, daughter of Mr. and Mrs. Newton Rosenheimer, will play the part of one of the pirate dolls.

During a recent statewide intelligence test, five out of the nineteen Kewaskum High School seniors scored in the upper ten percentile. This is a very creditable rating for so large a per cent of the class. In all, more than 25,000 seniors took the test. The local seniors whose rank was above 90 percentile are: Alice Dreher, Martin Gutekunst, Marcella Klockenbush, Evelyn Schaefer and Inez Stellpflug.

Mrs. Barbara Honeck, nee Sukawaty, formerly of Kewaskum, died at St. Joseph's Hospital on February 18. Mrs. Honeck was born in Bohemia on August 4, 1861. When she was about 16 years of age, she came to America, settling at Milwaukee. There she married Jacob Honeck, and the couple settled on a farm near St. Kilian. Later they moved into the Town of Kewaskum, and there her husband died about 1912. The widow then moved to West Bend and resided there ever since. Mrs. Honeck was the mother of six children, three of whom died, one in infancy, Joseph in 1918, and Dora Emis in 1928. Those surviving her are Kilian and John Honeck of Kewaskum and Mrs. Chas. Bruessel of West Bend.

The infant son of Mr. and Mrs. Walter Nigh, born February 10, was baptized by Rev. Father Vogt at Holy Trinity Church on Sunday, receiving the name of Duane Frances.

An interesting freak, a calf with two heads, was recently born in the Gust Kufus farm, Route 1, Glenbeulah. The heads were perfectly formed and had almost identical markings. The body was also perfectly marked, and the calf weighed 110 pounds, but did not live.

A baby girl was born to Mr. and Mrs. Loran Backhaus of the Town of Kewaskum last week Tuesday.

## 75 Years Ago

February 19, 1910

T. F. Wicker, rural mail carrier on Route 29 at Campbellsport, while crossing the tracks of the Northwestern road, was struck by a train, but was only slightly hurt. The horse was badly injured and had to be killed. The mail wagon was demolished.

Marvin, the three-year-old son of Mr. and Mrs. John H. Martin, was quite ill with bronchitis.

Rev. F. Mohme of Woodman,

Wisconsin, the new pastor of the Evangelical Peace Church, arrived here with his family last Tuesday evening. Rev. Mohme will preach his first sermon Sunday.

J. O. Nigh of Auburn rented his farm to John Haug for a term of a year. Mr. Haug took possession of the farm this week. John Harter, who had his farm rented to Mr. Haug last week, has rented his farm to Christ Hall.

### Cedar Lake Home Campus Auxiliary Officers Installed

The William Koehl Working Auxiliary of the Cedar Lake Home Campus installed newly elected officers at the January meeting.

Installed were: Shirley Birkholz, Boltonville, President; Vice-president, Linda Kroncke, West Bend; and board member, Leon Rheingans, Jackson.

The other officers of the Auxiliary are Janet Reichert, Jackson, Secretary; Jenny Rose Pick, West Bend, Treasurer; Edna Guenther, Port Washington Board Member; and Wilma Wade, past president, now a member of the board.

The William Koehl Working Auxiliary is comprised of men, women and youth who desire to share themselves in aiding the elderly and handicapped. It is named after William Koehl, the donor of the original campus property.

The Auxiliary's annual fund raising event is the Benefit Ball held each October.

Membership to the Auxiliary is open to all community members interested in the elderly and handicapped.

### Busy Women's Sewing Class

By Joyce Albrecht  
Extension Home Economist

Would you like to learn to sew a workable wardrobe with efficient, yet professional, sewing techniques? Plan to attend "The Busy Women's Sewing Class," scheduled for February 26 from 7:00 to 10:00 p.m. at the Courthouse Auditorium, 432 E. Washington Street in West Bend. The class will be taught by Nancy Ziemann of Beaver Dam.

Nancy will take a fresh look at the basics, giving hints for both the novice and the experienced sewer.

Nancy will demonstrate step-by-step sewing techniques on all the basic garments that comprise a wardrobe—blazer, blouse, skirt, slacks, casual top, lingerie and accessories. Almost exclusively the techniques are done by machine with very little hand sewing.

For example, Nancy will begin by sewing a semi-lined blazer. The sleeves are lined and automatically hemmed at the same time. With extended facings and the lined sleeves, the semi-lined blazer has the wearability and shaping of a lined blazer.

She will demonstrate how to convert a button closure to the never concealed button closure producing a neat and professional look.

The technique which is the most popular is done on a casual top. It's called the "fake tab front," the front closure found on rugby shirts. The complete sewing is two rows of stitching, accomplished by slightly changing the pattern piece. Nancy will furnish the correct dimensions and guidelines.

Pre-registration is required. The deadline is February 22 with a cost of \$6.00 per person for extension homemakers and \$7.00 per person and mail to U.W. Extension, P. O. Box 537, West Bend 53095.

**Some Vehicles Don't Belong on Ice**

In a recent press release the Washington County Sheriff's Department indicated that all-terrain cycles, motorbikes and similar vehicles were not permitted on frozen lakes that were under the control of the Department of Natural Resources. This information was based on data supplied in a DNR pamphlet.

It has been learned that the

only lakes that fall under this rule are those which are totally surrounded by State property. There are no such lakes in Washington County.

The DNR agrees that this was not clarified in its literature. The Sheriff's Department regrets any confusion which may have been caused by the previous press release.

**'The Bogeyman'**

The following news story was written by Jane Scozzafave of Mequon, a classmate of R. G. Edwards, M.D., Kewaskum, who is attending classes in Creative Writing at Concordia College:

The annoying drizzle did nothing to cheer the approaching dark of the early Fall evening. Our telephone was out, we awaited the repairman. A houseful of busy children kept the quiet away as we were all warm and happy inside. But off to bed now, we'll tuck you in: Mom in one room, Dad in the other.

Thump! Thump! Thump! (Dad's playing games, pounding on the wall). Jump under the covers and squeal, "Oh, no. It's the bogeyman!" Mom answers with a thump, thump, thump and dad and his bunch hide and squeal. The pounding gets louder. The shrieking gets wilder. On and on. Back and forth.

Suddenly the melee is interrupted by the clanging of the dinner bell at the back door (the doorbell as well as the telephone is out of order). Dad makes it to the door first and yanks it open to find the repairman standing there sogging in the rain. "Oh, no,"

Dad moans, "you must be the man from the phone company who was pounding on the door." His stoic reply came, "I'll tell you one thing, Buddy. I ain't the bogey."

**SEW FOR PROFIT**

by Joyce Albrecht,  
Extension Home Economist

Have you considered a home-based business of sewing for other people? How do you determine prices to charge? What government regulations do you need to follow? How do you promote your business? Is there a market for my product? Learn how to be an entrepreneur and Sew For Profit. Attend the two day workshop sponsored by U.W. Extension on Friday, March 29 and Saturday, March 30. The session will be held at the Marc Plaza Hotel in Milwaukee. Registration for the workshop is \$35.00; Friday evening dinner is \$15.00 and Saturday luncheon is \$8.00. Registration closes February 28. Late and walk-in registrations will be accepted if room permits.

Some of the workshop selections include: How Government Affects Your Business; The Alterations Business; Maximizing Profits; Promoting Yourself and Your Products; Notion News; Custom Tailoring and Should You Hire Employees.

To obtain a registration form, contact the U.W. Extension Office at 338-4479; 644-5204 or 342-2929.

**Social Security  
Checks to Be Early**

Monthly social security checks which are normally delivered on the third of March will be delivered on March 1st instead, according to David W. Becker, Manager of the West Bend Social Security office.

"Benefit checks are mailed early when the usual delivery date falls on a Saturday, Sunday or legal Holiday," Becker said. "In these instances, the checks

are dated and delivered on the first day before the third of the month that is not a Saturday, Sunday or Holiday."

Becker stated that this procedure helps reduce the problems that people have when they receive their checks and their banks are closed. These situations occur several times during the year, and Becker advised that SSA would provide similar information about future early check delivery dates as they occur.

NATIONAL CHILDREN'S DENTAL HEALTH MONTH  
FEBRUARY 1985

ADA American Dental Association  
©Henson Associates, Inc. 1985

The Washington-Ozaukee County Dental Society brings you this article in observance of National Children's Dental Health Month. It is the fifth in a series of eight on "The Many Worlds of Dentistry."

Today, more and more people are keeping all or almost all of their own teeth well into their adult lives. Unfortunately, many of these same people do not see a dentist regularly. "Why should I?" they ask themselves. "My teeth don't hurt. When they start hurting, I'll make an appointment."

Whether they know it or not, the chances are good that they've already got a problem—periodontal disease. Three out of four adults are affected by at least the early stages of this disease, the major cause of tooth loss among adults. Often periodontal disease doesn't hurt at all, even when serious damage has been done to the structures supporting the teeth.

Periodontal disease usually progresses slowly, over the course of many years. In the early stage, called gingivitis, only the soft tissue of the gums has been affected. The disease is still reversible. If not treated by a dentist, however, periodontitis, the later stage of the disease, may develop. In this stage, the gums, bone, and other structures that support the teeth become seriously damaged. If the disease does not receive extensive treatment, teeth may be lost.

The cause of periodontal disease is plaque, a colorless, sticky film of bacteria that constantly forms on the teeth. The bacteria in plaque make by-products that irritate the gums. If plaque is not removed daily, the gums become red, tender, and swollen, and start to bleed easily. Over a period of time, the unremoved plaque hardens into a deposit called calculus (tartar). Calculus makes the removal of new plaque more difficult, thus contributing to periodontal disease.

As the disease progresses, the tissue that attaches the gums to the teeth is destroyed. The gums pull away from the teeth, forming small pockets. Plaque moves down along the roots of the teeth, making the pockets deeper. Eventually, the bone supporting the teeth may be destroyed. Unless they are treated, the affected teeth become loose and fall out or

must be removed.

So much for the bad news about periodontal disease. The good news is that this disease can be treated. Often, in the early stage of the disease, the only treatment needed is scaling and root planing. Scaling is removal of calculus deposits on the teeth. Root planing is the removal of calculus and smoothing of the root surfaces so that the gum tissue can reattach.

Sometimes, in addition to scaling and root planing, curettage is performed. Curettage removes the soft tissue that lines the periodontal pocket, which helps the gums to heal.

If pockets are deep (over 5 mm), it is often difficult for the dentist or dental hygienist to remove calculus deposits from them. It is also almost impossible for patients to keep deep pockets clean and free from plaque. As a result, these pockets often become sites of infection, which may lead to bone destruction. Consequently, in advanced periodontal disease, surgery is sometimes a necessary part of treatment. The goals of surgery are to remove calculus from deep pockets, to reduce the pockets, and to arrange the soft tissue into a shape that will be easier to keep clean.

If you have a periodontal problem, your family dentist may treat it or you may be referred to a periodontist. A periodontist is a dentist who has additional training in this area or dentistry and who limits his or her practice to the diagnosis and treatment of periodontics.

Take a good look at your mouth in a mirror. Are your gums red, swollen, or tender? Do they bleed easily? These are some of the warning signs of periodontal disease. Don't wait until your teeth hurt to call your dentist. Make regular appointments for professional dental care, and avoid losing teeth to periodontal disease. It'll hurt a lot less in the long run!

Birds cannot fall off a perch when they sleep. Each toe is connected with a cord inside the leg. When the leg is bent, the cords stretch tight and pull the toes around the branch.

## SCHOOL LUNCH MENUS

### HOLY TRINITY

Monday, Feb. 25 — Hamburger/bun, cheese slice, carrot coins, buttered peas, cupcake, milk.

Tuesday, Feb. 26 — Turkey cubes, fluffy rice, green beans, peach slices, dinner roll, pumpkin square, milk.

Dolores Kleinke 626-8333

Monday, Feb. 25 — Oven baked ham slices, au gratin potatoes, buttered June peas, rye bread w/butter, birthday special, milk and coffee.

Tuesday, Feb. 26 — Minestrone soup w/crackers, spaghetti w/Italian sauce and meatballs, buttered wax beans,

Italian bread w/butter, fresh pear, milk and coffee.

Thursday, Feb. 28 — Chilled tomato juice, braised beef tips w/mushroom gravy, buttered egg noodles, Harvard beets, branatural bread w/butter, peanut butter cookie, milk and coffee.

Ceramics every third Tuesday.

### Cedar Lake Home Campus Slates Caring For Your Heart Series

Heart disease is the number one killer of Americans today. Taking good care of your heart is important, stresses Bonnie Paruch, RN, Nursing Educator at the Cedar Lake Home Campus, West Bend.

"To help people of Washington County become more aware of the importance of maintaining a healthy heart, we've developed a 'brown bag' mini-series workshop," tells Mrs. Paruch.

The series will be held at Oak Knoll School on the Cedar Lake Home Campus. Participants are encouraged to bring a "Brown Bag" lunch to eat during the workshop, and the Campus will provide the beverages. The mini-series, "Caring for your Heart," will be held Wednesdays, March 6, 20 and 27 from 12 noon to 12:30 p.m. The cost is \$1.00 for the entire three sessions.

The mini-series will give an opportunity to learn more about the workings of the heart, coronary artery disease and tips on how to care for your heart.

For registration details, call the Cedar Lake Home Campus registrar at 334-9487.

The Cedar Lake Home Campus is located on Hwy. Z, 2 miles south of State 33, west of West Bend.

A lightning bolt generates temperatures five times hotter than the 6000° found at the surface of the sun.

February 4, 1985  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald F. Stollenwerk presided. Trustee Howard Laubenstein asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the minutes of January 21, and January 28, 1985.

The opening of bids as advertised for the Supervisory Control System were as follows: (The bids were read aloud).

1) Kamp & Associates, Inc., Grafton, WI \$57,950.00 (B. plus addition to lump sum \$750.00).

On a motion by Trustee Donald Mlodzik, seconded by Trustee David Nigh and unanimously carried by voice vote, the Board turned the bidding documents over to the Village's engineering firm, Ruekert & Mielke, for their review and recommendation at a future meeting.

The opening of the sealed bids for the sale of the 1983 Police Squad were as follows:

1) Richard Knoebel, Kewaskum, WI \$2,666.00  
2) Beltline Motors, Inc., Wausau, WI 2,127.00  
3) B.B.S. Leasing & Financial Milwaukee, WI 2,088.00  
4) Cop Car Co., Troy, MI 2,001.00  
5) Woodside Motors, Inc., Woodside, NY 1,800.00

A discussion was held on the Kewaskum Police Department's annual report for the year 1984. President Stollenwerk pointed out a couple of statistics he felt were important and they are as follows:

1) The department shows a good recovery ratio regarding stolen items.

2) The Village averages one criminal arrest every other day.

3) The Village is not a speed trap, but cares for its residents' safety. This is supported with the fact that of every 5 people stopped, only 1 is issued a citation.

4) The department is kept busy with answering an average of 4 complaints per day throughout the year.

In closing, President Stollenwerk complimented the Kewaskum Police Department for a job well done.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the application for an Operator's (bartender's) License for Ruth M. Arbogash upon proper payment of fee and authorized the office to issue said License. Note: The Police Department had no objections to the application.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1) Legislative Bulletins on pending legislation and a meeting of the Mid-Moraine Association Legislative Committee.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and

unanimously carried by voice vote, the Board approved the bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund \$320,341.71  
Water Dept. Fund 4,822.42  
Sewage Dept. Fund 81,676.08

Village Gen. Fund \$320,341.71  
Water Dept. Fund 4,822.42  
Sewage Dept. Fund 81,676.08

Village Gen. Fund \$320,341.71  
Water Dept. Fund 4,822.42  
Sewage Dept. Fund 13,619.47  
TID #1 Fund 81,676.08  
TOTAL \$420,459.68

Trustee Donald Mlodzik, Chairman of the Public Works Committee, recommended that the Administrator and Superintendent of Public Works put together a specifications letter and solicit plumbing contractors for proposals, regarding plumbing modifications at 1102 Fond du Lac Avenue.

On a motion by Trustee David Nigh, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board so directed the Administrator and Superintendent of Public Works as recommended by the Public Works Committee Chairman.

Trustee Mary Krueger reported on the Library Board meeting which was held earlier in the evening. No action was required.

On a motion by Trustee David Nigh, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the annual salary for a Village Trustee to \$1,000.00 and for Village President \$1,650.00.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the sale of the 1983 Police Squad to the high bidder, Richard Knoebel, for \$2,666.00.

Ordinance No. 85-1 was reviewed and action was taken.

### ORDINANCE NO. 85-1

AN ORDINANCE TO AMEND 14.09 (19) Collection Fee: From Tax Exempt Property. (b) OF THE MUNICIPAL CODE OF KEWASKUM, WISCONSIN.

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

14.09 (19) Collection Fee: From Tax Exempt Property

(a) (No Change)

(b) Fee Schedule - The charge to each Tax Exempt property shall be equal to the yardage/-tipping fee the Village is currently being charged for their disposal. The yardage amount shall be determined by the size and number of containers being utilized. (Refer to "Fee Schedule Policy" used for billing purposes which shall be updated appropriately for proper fee calculations).

This ordinance revision shall take effect and be in force upon passage and publication (posting).

Adopted this 4th day of February, 1985.

Published (posted) this 15th day of February, 1985.

Gerald F. Stollenwerk  
Village President

ATTEST

Administrator

Introduced by Trustee Paul Blumer

Motion for adoption by Trustee David Nigh

Motion for adoption seconded by Trustee Donald Mlodzik

Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Discussion was held on the bids received for the Municipal Building addition and remodeling. Questions were again reviewed and answered regarding the generator, the size of the addition and the heating system. A review of the financing for the project regarding three resolutions and a couple of motions were read. This matter will come up for action at the meeting of February 18, 1985.

Motion was made by Trustee Paul Blumer, seconded by Trustee Donald Mlodzik to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried unanimously.

Administrator

## Wisconsin Residents Being Victimized by Prisoners From Jail

There have been numerous instances throughout the state of Wisconsin where altered U. S. Postal Service money orders have been cashed by individuals who are under the false impression they are assisting prison inmates in Indiana and Mississippi. These individuals are unknowingly participating in a fraudulent scheme which is becoming an ever increasing concern of Postal Inspectors.

The victims of these crimes are often lured by personal advertisements placed in newspapers, magazines, etc. These ads are placed by prison inmates and typically state the inmate is seeking a "pen pal" or someone to correspond with on the outside. Once the victim has contacted the inmate and correspondence begins, the inmate may call or otherwise encourage the victim to help out with "a financial matter which they cannot handle from prison." Sometimes the inmate states that a relative is in dire need of money or he needs to pay off a debt to a friend or lawyer.

Inmates tell the victim that they cannot handle these matters due to prison regulations. To resolve this problem, the victim is told, funds in the form of U. S. Postal money orders will be sent to them to be placed in their bank account until needed. The victim is later instructed to withdraw the money and send it to an address which the inmate gives them. Eventually, the postal money orders are charged back to the victim's bank because they have been altered.

This scheme is being conducted by inmates at several prisons in the United States, with help from confederates on the outside. The outsiders purchase low-value money orders from post offices around the country and smuggle them in to the prisons where they are raised to larger amounts. Inmates then rely on this "pen pal" network to set up their victims. Outsiders come into play again when the unknowing pen pal is instructed to mail the money.

Postal money orders can be

purchased in any amount up to \$500.00. When \$1.00 money orders are purchased and raised to show \$500.00 values, the operator stands to show a "profit" of \$499.00 on each document. After a raised money order clears banking channels and reaches the Postal Service Money Order Division, computers discover the alteration and a charge-back ensues.

People throughout Wisconsin and other states have been swindled out of thousands of dollars as a result of this scheme. Dozens of indictments have been issued, including one for a corrections officer in a Mississippi prison. Some of the scheme operators are already serving life sentences and are apparently unconcerned about additional prosecutive action.

Postal Inspectors caution customers to be wary of this scheme. Not only could it cost you hundreds of dollars, it could get you in trouble. A person who knowingly negotiates an altered postal money order could be fined up to \$5,000.00 or imprisoned up to five years, or both. Anyone who is suspicious of a postal money order should consult their local Postmaster.

Spend your money wisely. Advertise in the Statesman.

**MS '500' Snowmobile Ride  
 Raises \$52,500 in Pledges**

Group three of the "500 Snowmobile Ride for Multiple Sclerosis" included Milton and Linda Howe of the Boltonville Bunch Snowmobile Club.

The weekend of February 7 to 10 marked the annual "500 Snowmobile Ride for Multiple Sclerosis."

The big sponsor of the event was R. L. Ryerson, distributor of Polaris snowmobiles, who donated over \$15,000 to the MS fund raiser.

Milton and Linda Howe, members of the Boltonville Bunch Snowmobile Club, who also attended the event, raised over \$1,300 in pledges.

The group stayed at Oneida Village in Three Lakes, Wisconsin. There were 70 snowmobiles involved this year and they rode a total of 250 miles for two days of snowmobiling.

A total of \$52,500 was raised from pledge books and more will be coming in as people who did not make the run are sending in their pledge books.

We stayed at Oneida Village Thursday night. Wake up call was 5:45 a.m. on Friday. We were divided into three riding groups. The first group left at 8:00 a.m. to lots of cheers and a beautiful display of pink helium-filled balloons going into the air. The temperature was -26°. Twenty minutes later group two left and then twenty minutes later group three left. The Howes were in group three. Lunch was hosted by the Boulder Junction snowmobile club in Boulder Junction. Dinner was an all you can eat fish fry at Oneida Village. Total miles for the first day was 124.

The 2nd day wake up call was at 5:45 and at 7:45 group one hit the trails. Lunch was at the Chalet Restaurant in Iron River, MI. Great food, and again it was all you can eat. All three groups had a police escort to the restaurant in downtown Iron River. Total miles for the second day was 126. Arrival back found champagne waiting for us.

That evening we had a wonderful banquet with prime rib being served to all. We danced all night to the music of Van and the Country Men.

We met Tom Anderson, publisher of the "Hummer." He rode along on the second day. The editor of the "Wisconsin Snowmobile" magazine and his wife were there. Also TV6 of Iron River was at the luncheon.

The trails were beautiful. Extra dragging was done by various clubs along the way

because they knew the 500 run was coming through. Two of the guides were Coley Findlay and his wife Kathy. They led group one. People may have seen articles about him in various snowmobile literature, as he went over 100,000 miles on his snowmobile. It took him ten years to get his first 50,000 miles and five years to get his second 50,000 miles.

This 500 run will be held again next year. R. L. Ryerson again will be the sponsor. To remind you of what was needed to go was \$500.00 per person in pledges for MS. This in turn gave us 3 nights lodging at Oneida Village, all meals for 2½ days, Saturday night banquet and band and lots of fun.

How about YOU doing this next year? You can contact the Wisconsin National MS office at 1-800-242-3358 and get on next year's mailing list. There is no other snowmobile event like this in Wisconsin. You may also contact Milton or Linda Howe, 8527 Orchard Valley Road, West Bend 53095, phone 692-2285.

**New Deal Makes  
 Visiting State  
 Parks Easier**

Most people dislike waiting in line, and a new deal from Wisconsin's Bureau of Parks and Recreation can not only eliminate the tedium of lines, but save money and make life fun and easy besides.

"There are 60 parks out there waiting to be visited, and I don't think people should have to wait in line to do so," said Dave Weizenicker, parks bureau director.

During weekends and other busy times, lines of people waiting to buy admission stickers sometimes form at park entrances, he said. To help people avoid those lines, the bureau has set up a money-saving package deal that can be ordered by mail. Included is an annual state parks admission sticker, a guidebook to the park system and forms to serve campsites in state parks.

Weizenicker thinks the guidebook "Wisconsin State parks: Explore and Enjoy," will

help make vacation planning easier.

"The guidebook is 100 pages of color photographs and descriptions of 60 state parks in Wisconsin that the annual sticker will enable people to visit," he says. Many people are surprised to learn the extent of the park system, according to Weizenicker.

While stickers, guidebooks and free reservation forms have been available by mail for some time, being able to order all three by mail in a money-saving package is new.

Weizenicker thinks the new arrangement will be popular with people planning their vacations. "People go on vacation to have fun, not to solve problems," he said. He believes the convenience of ordering admission stickers and reservation forms by mail will help many people avoid potential snags, and help ensure their vacations are happy ones.

The guidebook, normally \$6.00 by mail, is available for \$3.99 when ordered with the \$12.00 (\$20.00 for nonresidents) admission sticker. Camping reservation forms are free.

People wishing to take advantage of purchase-by-mail annual sticker, 100-page color guidebook, and camping reservation forms are asked to send a check or money order for \$15.99 (\$23.99 for nonresidents) to Parks Deal, Box 7921, Madison, WI 53707. Checks should be made payable to the Wisconsin Department of Natural Resources.

The offer will end May 31, 1985. For more information call DNR's Bureau of Parks and Recreation at (608) 266-2181.

**MONDAY NIGHT  
 MOONLIGHTERS  
 Sandy Serwe, Sec.**

Kewaskum Saloon 36-13, Rolling S 35-14, Sentry 24-25, Golden Shear 23-26, M&E Restaurant 23-26, Community S & L 20-29, King Pin 13-31, Smith Insurance 17-32.

The first coeducational college in the U.S. was Oberlin College, founded in Oberlin, Ohio in 1833.

**HOSTS FALLS BADGERS SUN.  
 Kewaskum Takes  
 Over First in  
 Lakes 'B' Division**

The Kewaskum Lakes team took over undisputed possession of first place in the Land o' Lakes "B" Division over the weekend, despite being idle, as Port Washington was buried by undefeated "A" Division leader Cedarburg, 153-117, Sunday night. The loss drops Port's record to 3-7, a half game behind Kewaskum, which remains at 3-6. Third - place Hartford, playing good basketball lately, was narrowly edged by Oconomowoc, 107-104, and drops a full game behind Kewaskum at 2-7.

This Sunday Kewaskum hosts the Menomonee Falls Badgers at 7:00 p.m. at the high school gym. The Badgers, Lakes grand champions for around the last fifteen years, have seen their championship hopes for this year dwindle, as they were recently beaten by Cedarburg for the second time, both games by very narrow margins. The Badgers are currently tied for third place in the "A" Division with a 6-3 record, 3½ games behind Cedarburg. They still boast a classy team, with the likes of Bob Wolf, the former Marquette University star; Jim and Bill Gardner of UW-Platteville, Dale Magedanz of UW-Stout, and Jim Riehle and Mike DeLany, who also probably played college ball.

**SCHOOL DISTRICT  
 SCHOLARSHIP  
 COMMITTEE TO MEET**

There will be a meeting of the Scholarship Committee of the School District of Kewaskum on Tuesday, February 26, 1985, at 7 p.m. in the Administrative Offices. Discussion of the scholarship program and organization are on the agenda.

**Public Meeting Notice  
 On Proposed  
 Replacement of  
 C.T.H. 'SS' Bridge  
 New Prospect**

All interested persons are invited to attend a public informational meeting which is being held to inform local residents, local businessmen, town officials, and other parties that may have an interest in the proposed replacement of the C.T.H. "SS" bridge in the Village of New Prospect. Construction is expected to take place in the Fall of 1985 beginning after Labor Day with completion anticipated by the end of October.

The meeting will be held on Monday night, March 11, 1985, starting at 7:30 p.m., at the Auburn Town Hall, near the intersection of U.S.H. "45" and S.T.H. "67" in the Town of Auburn.

Plans and other materials will be available for your inspection at this meeting. Your attendance is encouraged and all comments and opinions regarding the proposed improvement will be welcomed.

If you are unable to attend or have any questions regarding this project, please contact either of the following persons at the Fond du Lac County Highway Department, P.O. Box 1234, Fond du Lac, WI 54935:

Steve Chicka,  
 County Highway Engineer  
 or

# Kewaskum Hosts Girls Class 'A' Regional

Kewaskum will host a WIAA girls Class "A" regional basketball tournament on Thursday, Feb. 21, and Saturday, Feb. 23.

Two games will be played on Thursday night and the winners will face each other on Saturday night for the regional title.

Participating schools are Fond du Lac, Beaver Dam, Waupun and Kewaskum.

The schedule follows:  
**Thursday, Feb. 21**  
 6:30 p.m. — Beaver Dam vs. Fond du Lac  
 8:30 p.m. — Kewaskum vs.

**Waupun**  
**Saturday, Feb. 23**  
 7:30 p.m. — Winner of game 1 vs. winner of game 2  
 The regional winner here advances to the Fond du Lac sectional.

The Kewaskum boys open tournament play against Waupun at Waupun Friday, March 1. At the same time, Beaver Dam is playing at Fond du Lac. Regional finals will be at Fond du Lac. The winner advances to the sectional at US-Oshkosh March 8-9.

## New Holstein Suffers First Loss

# Indians Hold Eisner to 17 But Lose to Chilton

By John Harju

Kewaskum held Chilton's 6'6" junior center, Todd Eisner, the conference's leading scorer and rebounder, to 17 points last Friday night, but it wasn't enough as the Tigers used free throws to their advantage in handing the visiting Indians a 68-53 loss.

Eisner, who came into Friday's game averaging 30.5 points a game and 94 rebounds in the EWC, even though he missed two games due to an ankle injury, was limited to only six points in the first half by Mike Steinhardt, Todd Wiedmeyer and Ron Theusch, who took turns guarding him. A strict man-to-man defense caused 23 Chilton turnovers as well, but still the Tigers led almost the entire game.

One reason for this was Chilton's success at the free throw line where they made an incredible 28 out of 32, much to the dismay of KHS coach Perry Koth. Kewaskum, on the other hand, made just 11 of 22 from the charity stripe.

A short mental lapse with 17 seconds remaining in the first half also hampered the Indians. After coming back to within 7 points, two bad passes allowed Chilton to hit two easy buckets before the buzzer sounded and gave them a 33-21 halftime advantage.

Steinhardt led Kewaskum

(now 2-8 in the EWC) with 11 points and 9 rebounds. Tom Herriges and Tim Rohlinger followed with 9 points each while Wiedmeyer netted 7.

Scot Bruckner, Dean Hemauer and Jim Ronk picked up Eisner's scoring slack to score 13, 10 and 10 points for Chilton.

New Holstein, which had won 16 straight games without a loss, fell from the unbeaten ranks when the Huskies were upset by a hot Plymouth team Friday, 65-56. The loss left the EW leaders with an 16-1 record, including 10-1 in the conference.

Friday the Indians finish their regular season play at Two Rivers before getting set for Regional play scheduled for next weekend in Waupun.

Kew. 10 11 11 21 — 53  
 Chil. 15 18 14 21 — 68

Kewaskum (53) — Ruplinger 2-0-4, Herriges 2-5-0, Steinhardt 5-1-3, Wiedmeyer 3-1-5, Yahr 2-1-3, Theusch 1-2-4, Rohlinger 4-1-0, Steger 0-0-0, Harju 0-0-0, Ramthun 0-0-1, Stoffel 0-0-0, Menzel 2-0-0. Totals 21-11-20.

Chilton (68) — Ronk 2-6-1, Brandt 1-0-1, Eisner 5-7-4, Bruckner 6-1-3, J. Hemauer 1-0-0, D. Hemauer 3-4-1, Meyer 1-6-5, Bargholtz 1-4-0. Totals 20-28-15.

FTM — Kewaskum 11, Chilton 4.

girls," he added.

Although Kewaskum shot a season high 73% (8-11) from the free throw line, free throws may have decided it as Two Rivers made a deciding 10 of 19 from the line. It was a case of the Raiders getting to the line once (or in this case twice) too often.

Fusek broke out of a scoring lapse to lead Kewaskum with 13 points. Frantzen and Sandy Secor followed with 10 each while Debbie Bastian added 7 points and three steals. Hendricks and Jackie Thome led the Raiders with 14 points apiece.

The KHS JVs scored a 34-29 victory in their game. Jenny Hintz and Brenda Vetter paced with 8 and 7 points, respectively.

The fresh(women) lost 39-26. Brenda Theusch and Debbie Felix popped in 9 points each.

**Plymouth 52, Kewaskum 35**  
 Lisa Weedman and Camie Nonhof poured in 22 and 17 points each in leading powerful Plymouth past Kewaskum, 52-35, in Saturday's make-up game played at Plymouth.

The Panthers outscored Kewaskum 11-5 in the first quarter and 15-5 in the second on the way to a 26-10 halftime lead.

KHS Coach Milt Dickinsen must have noticed that everything went wrong for his girls in the statistical departments as well. Kewaskum shot a dismal 24% from the field (12-49) and only 37% from the line (11-35).

Junior Jodi Yearling led Kewaskum in their regular season finale with a well-earned 9 points. Lisa Fusek and Michelle Gebheim drilled in 6 points respectively, while Brenda Kober added 5.

The JVs, who finish at 6-6

and 11-8, lost 30-18 in their game. Lisa Schneider and Laurie Blum led Coach Keith Amundson's sophs with 4 points each. Terri Schmidt grabbed 8 rebounds and 4 steals as well as playing "good defense" against Plymouth's 6'2" center.

Turnovers plagued the Indian freshmen (5-5 and 8-7) as they lost 36-28. Brenda Theusch and Debbie Felix netted 14 and 6 points each.

Coach Dickinsen and his varsity squad will host their opening round Regional game vs. Waupun Thursday with the finals scheduled for Saturday.

Kew. 9 18 12 13-0 — 52  
 T. R. 11 14 13 14-2 — 54

Two Rivers — (54) — Belongia 1-1-2, VanderBloemen 3-1-0, Hendricks 7-0-1, Malkowski 3-3-4, Thome 5-4-3, Bruechert 1-1-0, Korneley 2-0-1. Totals 22-10-11.

FTM — Kew. 3, T. R. 9.

Kew. 5 5 11 14 — 35  
 Ply. 11 15 17 9 — 53

Kewaskum (35) — Bastian 0-1-5, Kober 2-1-4, Fusek 3-0-3, Yearling 4-1-2, Secor 0-0-3, Gebheim 3-0-2, Fellenz 0-3-3, Prescott 0-0-4, Frantzen 0-3-3, Osterbrink 0-2-0. Totals 12-11-29.

Plymouth (53) — Brandl 1-1-4, Fuerst 1-0-4, Nonhof 6-5-4, Weedman 8-6-1, Bartz 1-0-2, Matzdorf 0-6-0, LaBillois 0-0-1, Patenaude 0-0-3, Goetsch 0-0-1, Anhalt 0-0-1. Totals 17-18-21.

FTM — Kewaskum 19, Plymouth 17.

## Class A Sectional

# Callison Upset; No Indian Wrestlers Qualify for State

By John Harju

Defending state qualifier Bob Callison was upset while the other three Indian sectional qualifiers were eliminated as well in Saturday's Class A Sectional Wrestling Tournament held in Manitowoc.

Senior Callison (126-pounds) lost his opening round match to Kurt Shillcox of Two Rivers by the narrow score of 13-12. Callison fell behind early, 5-0, when a high-risk move failed and Shillcox turned it into a take down and a near fall. Callison battled back, but Shillcox

scored an escape with 8 seconds remaining to win. Callison finishes the year with a 23-2-1 record.

Senior John Nowak finished third at 155 pounds, unfortunately only the top two in each weight class advance to state. Nowak (21-8) won 9-1 over Tom Stiff of Oshkosh North in the opening round before losing 2-1 in the semis to Scott Kluever of Kaukauna. He then

### MANITOWOC CLASS A SECTIONAL

**Team Scores**

# Girls Lose Final Two Games, Wind Up 5-7

By John Harju

The KHS girls' basketball team ended their regular season play with two EW conference losses to Two Rivers and Plymouth last week, thus ending with a 5-7 EWC and an 8-11 overall record, going into Regionals.

**Two Rivers 54, Kewaskum 52 (OT)**

A basket by Joanne Hendricks of Two Rivers gave the visiting Raiders a 54-52 overtime win over Kewaskum last Thursday.

Hendrick's basket - the only points scored during the overtime period - blemished what was perhaps Kewaskum's best

game of the season.

Senior Chris Frantzen scored 6 of her 10 points during the fourth quarter and enabled the Indians to tie the Raiders at 52-52 after regulation time had expired.

After Hendricks' basket put Two Rivers up by two, Kewaskum settled down and began to work for a good shot to tie. The ball got inside to Lisa Fusek and Jodi Yearling but their shots failed. Rebound attempts by the Indians also failed and time ran out. Coach Milt Dickinsen questioned the fact that no fouls were called during that game-ending flurry of shots but none the less "I was proud of the

won easily, 8-3, in the consolation match.

Rick Staehler (18-10-1) finished in fourth place at 132 pounds with a 7-2 win and 9-1 and 5-2 losses. Ken Miller, also a junior, lost his opener to eventual 145 pound champion Mike Gee of Neenah.

## Wodsedalek Scores

### 24 As Lakeland

### Wraps Up Title

Lakeland College, Sheboygan (21-5 and 12-1), defeated Concordia College of Mequon, 88-83, Tuesday night to wrap up the Lakes Michigan Conference title.

Dale Wodsedalek, former Kewaskum High School ace, scored 24 points for Lakeland, and teammate Dan Sikma had 19 points and 14 rebounds.

Concordia fell to 20-7 and 10-3 in the conference despite 24 points by Bruce Henning.
