Beechwood Lake Threatening Property and Homes

Looking east, Highway "S" disappears beneath the water of continually rising Beechwood Lake at left. One Beechwood resident's backyard trees are now 12 feet into the lake.

Left to right — Senator Scott McCallum and Representative Mary Panzer, Town Clerk Lester Benzschawel and Town Chairman Charles Fick listened to residents express their concerns during Tuesday's Town of Scott hearing on Beechwood Lake.

By GERRY MUELLER
Statesman Staff Writer

Quiet little Beechwood Lake, located along Sheboygan County highways S and A, is rapidly turning into a creeping monster, rising almost an inch every other day, invading the basements, wells, and septic systems of its defenseless neighbors.

How, why, and who, if anyone, is responsible for the lake rising almost a foot a year for the last four years is a mystery. The lake has grown from its 1964 recorded size of 10.9 acres at 20 feet deep, to its present estimated 35 acres and 29 feet deep, and still rising.

This spring the lake has risen so high that it is now 10 inches over the north side of Highway

S, and is standing about 5 inches deep in the middle of the road itself. Beechwood residents, some who have lived in the area for more than fifty years and never seen the lake so high, theorize water runoff, new springs, or even a combination of these things may be the cause for the lake's uncontrolled growth.

Whatever the reasons, worried property owners adjacent to the lake are looking to someone, anyone, for ideas and help to save their homes and businesses. The lake must be lowered and contained, but the questions which came up at Tuesday night's Town of Scott hearing, attended by approximately 120 people, is how and by whom.

Rick Vetter, Beechwood, told

the meeting he had talked with both the DNR and Sheboygan County Soil Conservation Department. Vetter said all he has gotten so far is speculation and a lot of buck passing from one agency to another.

In a form letter dated October 3, 1984, the DNR said it had no authority to act on the problem. Lloyd Gartman, of the Sheboygan County Highway Department, said the County's responsibility extended only insofar as the roadway was concerned. He told residents, his department could raise the level of the road at the flooding point, approximately three to four feet, but that would only correct the road flooding and result in more problems for residents around the lake.

County OKs Regal Ware Conditional Use Permit

By GERRY MUELLER
Statesman Staff Writer

On a narrow 4 to 3 vote, the Washington County Parks and Plan Commission approved a conditional use permit for a revised construction plan for a private club/housing unit by Regal Ware, Incorporated, on agricultural zoned land in the Town of Kewaskum.

Regal's original request was unanimously approved, however, commission members David Zoerb, Anton Staral and Howard Buth reversed their votes on the new plan which calls for a one-story structure with a setback of 20, rather than 50 feet, as in the original proposal.

The commission members also opposed the obliterating of one potential sanitary deposit

site on the 108 acre site located just off Highway H. The site will still contain two sanitary disposal sites, one for a conventional system and one for a mound system. Commission Administrator Paul Mueller indicated he would have preferred to have the second conventional site as a backup rather than the mound site.

Mueller also felt the original 50-foot setback line would have been more desirable in the event a road would some day be laid near the site.

Ken Strupp, Plant Engineer for Regal, said the revised plans have been approved by the Town of Kewaskum Board and construction of the building designed to house visiting sales representatives and businessmen is expected to begin in early May.

Charland Named Football Coach School Tax Levy Collections Lagging

By GERRY MUELLER
Statesman Staff Writer

Business Manager Cherna Gordor advised the Kewaskum School Board Monday night, that collection of the District's share of the tax levy is lagging considerably in comparison to what neighboring communities have received to date.

Gordor said, as of April 1st, the Kewaskum School District had received 53% of its 1984 levy compared to 57.74% in 1983, and 62.87% in 1982. It has taken us until the end of February to collect the same percentage of taxes that the West Bend District had by the end of January, she noted.

Board member Tom Brigham asked Gordor if the problem was that the municipalities were "holding onto our money and investing it to earn some interest for their own coffers." Gordor said she could not say that in all certainty, but it might be one of several reasons affecting levy receipts.

Gordor told the board she would like one of them to accompany her on a visit to some of the local townships to check their records and see just what the problems were. "I've given them the formula to calculate our share of the collections so there shouldn't be any problem," said Gordor. All tax records are open to the public she noted, and a check

would show if collections are really down or the money is being held back.

District Administrator John Long told the board the City of Greenfield had run into a similar problem and they had taken legal action against some of their municipalities. Gordor said she did not feel such a drastic step was necessary for Kewaskum. She thought a friendly visit would work just as well and would not cause any hard feelings.

Board President Jean Goeden asked Gordor if the added funds would improve the district's financial picture. Gordor indicated the district will still have to borrow some money to meet its obligations.

In other action, the board approved a recommendation of the Finance-Transportation-Buildings and Grounds Committee to hire the architectural firm of Bray and Associates to draw up bid specifications for a new roof on the Farmington Elementary School. The board also approved letting of bids for roof repairs at Wayne Elementary School. Both items will be paid for with money from Fund 40.

The board also approved the Committee's recommendation to purchase a new Savon copier for the high school at a cost of \$3,395, plus a one-year service

Two Kewaskum FFA Members Receive State Farmer Degree

Jim Herriges and Gary Butzlaff of Wayne and Kewaskum, respectively, have been nominated to receive the State Farmer Degree, the highest degree awarded by the Wisconsin Association of Future Farmers of America.

Gary and Jim were nominated for the degree by the Kewaskum FFA Chapter. The nominations were approved at a recent meeting of the state FFA Board of Directors. According to the State Constitution, only 2% of the total state FFA membership can receive the degree; the state membership exceeds 17,000.

Following a final vote of approval from student FFA delegates, Gary and Jim will receive the degree in a special ceremony on Wednesday, June

12, 1985, at the State FFA Convention held in Green Lake. Jim and Gary are two of 380 FFA members in Wisconsin to be nominated for the State Farmer Degree.

Gary Butzlaff is the son of Mr. and Mrs. Loran Butzlaff of Kewaskum, and is currently farming in partnership with his dad.

Jim Herriges is the son of Mr. and Mrs. Leander Herriges of Wayne, and is currently in a partnership with his brother.

Both earned the State Farmer Degree on the basis of a supervised farming program.

Dave Rizzardi of West Bend is the school vocational agriculture instructor and FFA advisor for the Kewaskum High School.

Beechwood

[Continued from Page 1]

Gartman felt no work should be done on the road until the problem of the lake's continued rising was corrected.

Gartman conceded Beechwood's problem is continuing to grow, stating the water level had risen three to four inches since his original inspection two weeks earlier. Gartman noted, however, Beechwood was not the only community facing this situation. Two other Sheboygan County lakes, Bear and Little Elkhart, have had continually rising water levels over the past few years. No one is quite sure what's causing these lakes to rise, said Gartman.

Tillie Schultz, who owns a tavern at the flooded intersection, said what is needed is an outlet. Schultz has built an earthen berm around her building and has attempted to pump the flood water out. She voiced the frustration of other residents when she said she could

not cope with the situation much longer. Beside Schultz, St. John's Church and about a dozen homes are victims of the lake, with up to six inches of water in basements and seepage into wells and septic systems.

A temporary solution may be to pump the lake and lower its level. The problem, however, is who will do it and where the money will come from. Edward Ritger, the township's attorney, felt town funds could not be used to aid a specific area but rather must be used for the general benefit of the entire township. Town Supervisor Clara Trapp informed the group, the Town of Rhine faced a similar situation with Little Elkhart Lake and it cost over \$10,000 to pump that lake.

State Representative Mary Panzer and Senator Scott McCallum, who arrived halfway through the hearing listened to the citizens' plight. Panzer told the audience she and McCallum had made an "on-site" inspection, noting they had driven over the flooded highway to

reach the meeting.

Panzer suggested the township get a professional out to study the situation and give an expert opinion. She said the board could contact a specialist at the University of Wisconsin at Madison.

Town Clerk Lester Benzschawel said, "I think something has to be done in the next couple weeks, if we get any amount of rain, we're going to be in real trouble."

Ralph Buchel, Town of Scott, told the meeting, "I think our representatives should see if there is some money to get the lake pumped this year." Buchel felt pumping would only be a temporary measure but it would at least give the township time to look for a permanent solution.

Panzer and McCallum said they would give their help in finding an answer to Beechwood's problem. "I've never run into anything like this before," said Panzer, "but I'll get on this in the morning."

Town Chairman Charles Fick appointed Benzschawel, Trapp and resident Jean Krahn as a committee to work with Panzer and McCallum in coming up with some answers. Another meeting is expected to be held within the next two weeks.

School Bd.

agreement.

The board denied the request of Building and Grounds Superintendent Fred Boehlke to purchase a new trailer for transporting the district's lawn tractor to the outlying schools. Boehlke indicated there was money left from funds budgeted for the tractor's purchase.

Mrs. Diane Buchel raised an objection to the request noting the school board had put a freeze on all capital spending. Buchel told the board, several other departments have money left in their budgets but they aren't being allowed to use it for student needs. "Why are we making an exception for one

department," asked Buchel. The board voted 6 to 1 to refuse the request. Neal Weare was the only "yes" vote.

Mr. Eugene Bohn, of the Kettle Moraine Agency, gave a presentation on the status of the District's insurance program and the needs of the district. The board had been considering going out for bids, however, after a lengthy discussion, the board voted 6 to 1, remain with its present insurers. Neal Weare voted against the motion.

On behalf of the high school coaching staff, Clark Pearson presented some concerns regarding the extra curricular activities for the coming year. Pearson said the coaches had three points they would like the board to take under consideration for 1985-86.

The first item was the instituting of a late bus run. Pearson said the coaches felt this would generate more participation in the district's athletic programs and would help to get more students involved. He said the coaches would cooperate as much as possible to eliminate scheduling conflicts between practices and bus runs.

The second item was dropping, or drastically reducing, the user fee. "We feel there are some students who are unable to participate in activities because of it," said Pearson. He noted that while there was no large income from the user fee, it proved a hardship for some families who have several children attending

school at the same time.

The third concern was the hiring of an Athletic Director. Pearson said he could speak from experience and sympathize with Mr. Kopecky. "The high school principal has enough other duties beside trying to devote time to the position of athletic director." Some things have to suffer or don't get done because there just isn't enough time, said Pearson.

Pearson said the coaches wanted to bring these concerns to the board now, so it would have time to think and talk about them before the new school year starts.

Mrs. MaryAnn Peterson, representing the Drug and Alcohol Abuse Study Committee, gave a short presentation and provided the board with packets containing information regarding a proposed Drug and Alcohol Abuse program for the district. She asked members of the board to review the material so formal action could be taken on it at the next board meeting.

The board approved the hiring of Mr. Fran Charland as head high school football coach for 1985, and Andrew Hoenecke as assistant boys baseball coach.

The board accepted the resignation of Mr. Earl Buswell who is retiring, and Mrs. Lois Weiland, effective the end of the school year.

The board also approved the advertisement of the position of District Administrator.

Kewaskum High School Prom to Be Held April 20

Left to right — Claudie Kleinke, Corey Garbisch, Michelle Gebheim, Rick Staehler, Devona Gruber, Jeff Newhauser, Leah Kuphal, Wade Jepsen, Tina Survis, Jon Klahn, Brenda Kober, Jack Aupperle, Debbie Schoofs, Don Menzel, Tracy Bieniek, Ken Miller, Leann Johann, Brian Spartz, Amy Serwe - MC, Kevin Stange - MC, Ada Thull, Ron Theusch, Kyle Vogt, Jill Schmidt.

"Can't Fight This Feeling" by REO Speedwagon was chosen as this year's theme for the junior prom by the class of 1986. It will be held on Saturday, April 20th, from 8:00 p.m. to midnight at the Kewaskum High School. Music will be provided by the band "Wine-light." The public is invited to

attend.

Court members for this year's prom include: Jack Aupperle and Brenda Kober, Corey Garbisch and Claudie Kleinke, Wade Jepsen and Leah Kuphal, Jon Klahn and Tina Survis, Don Menzel and Debbie Schoofs, Ken Miller and Tracy Bieniek, Jeff Newhauser and Devona

Gruber, Brian Spartz and Leann Johann, Rick Staehler and Michelle Gebheim, Ron Theusch and Ada Thull, Kyle Vogt and Jill Schmidt.

The prom king and queen will be announced at the gym decoration party, the evening of Monday, April 15. They will be crowned following the grand march at 10:00 p.m. on prom

night. Ceremonies for the evening's festivities will be conducted by emcees Amy Serwe and Kevin Stange.

KHS art teacher and prom advisor, Mr. John Baitinger, announced that tickets are now on sale at \$4.00 for a single and \$6.00 for a couple. Refreshments will be served at the dance.

Have Videotape Inventory of Your Home Taken

Today's householders need a record of the valuable things in their home to support a report of losses to police and insurance companies. But most people do not take the time to go through their home and make a written record of everything.

Video Inventory Services has the solution. A new firm operated by Diana Susen, Video Inventory Services, 8275 Sunset Court, Kewaskum, will make a color videotape of everything in your home, garage and yard. It is among the newest West Bend area video production services.

A video movie camera is used to film furnishings and valuable property in and outside the home. Owners are invited to narrate the film, describing the items and the markings on them.

Taping time and costs vary depending upon the size of the home and the number of items to be inventoried.

What the customer gets is a videotape that can be viewed at anytime by means of a videocassette player. Householders are advised to store the videotape away from the home in a safe, dry place, like in a safe deposit box.

Video Inventory Services will be exhibiting at Westfair Mall's 9th Annual Home Show, April 11th-14th and will be awarding a free videotape service to a lucky registrant each day of the show. For more information telephone 629-5162.

Thirty People Sign Up for Fun Walk

The first annual Fun Walk is off to a running start. We have about thirty people interested in walking so far. Remember to mark your calendar for Sunday, May 5. Start getting your legs in shape now; you should be able to walk ten miles by this weekend and fifteen by next weekend.

We need enough people, approximately fifty, so that we can take a bus from Hon-E-Kor in the morning. The cost would be about \$1.00 per person. If you have any questions call Paul at 626-2444.

Historical Society To Meet Tuesday

The Kewaskum Historical Society, Inc., will meet on Tuesday, April 16, at the Museum. An informal meeting will be held at 8:00 p.m. Prior to the meeting a clean-up bee will be held to prepare the museum for the summer visitation season.

Remember this building? It is the A.A. Perschbacher Rex Garage on Fond du Lac Ave. next to Miller's Furniture. The garage also had a car dealership. Later the business was taken over by Perschbacher's son Myron, who added a farm machinery and small engine line. Dr. Harold Aycock Joins Dairyland Seed

Dr. Harold Aycock

Orville Strachota, President of Dairyland Seed, recently announced the addition of Dr. Harold Aycock to the Dairyland Seed Company hybrid corn plant breeding staff.

Dr. Aycock has conducted research on hybrid corn since he received his Ph.D. in plant breeding from Purdue University in 1972. Dr. Aycock is

sign of Dairyland's commitment to better farm productivity through better crop research." Strachota went on to say, "we were very pleased to get a man of Dr. Aycock's caliber. We now have eight plant breeders on staff and feel that we have some of the finest plant breeding talent in the industry."

Dr. Aycock will direct Dairyland's hybrid corn research and will be working out of Dairyland's southern Wisconsin research facility located near Clinton. Dairyland conducts research on more than 400 acres near Clinton, on over 100 acres in California, and has winter nurseries in Hawaii, Chili, Taiwan, and Puerto Rico.

Dairyland Seed is an independently owned and operated seed company serving over 4,000 farmer-dealers across the upper midwest. Dairyland conducts plant breeding research for hybrid corn, hybrid alfalfa, and soybeans. For more information write Dairyland Seed Co., Inc., P.O. Box 958, West Bend, Wisconsin 53095.

Kiwanis Students for the Month of April

Sandy Klein

Sandy Klein, daughter of Mr. and Mrs. Donald Klein of rural Kewaskum and Glen Hupfer, son of Mr. and Mrs. Matthew Hupfer of rural West Bend, have been chosen as the Kiwanis students for the month of April.

Sandy has been very active in sports during the past four years. A cross-country runner for four years, she received the MVP award every year. During her sophomore year, she made the first team all-conference, in her junior year, second team

all-conference, and senior year, first team all-conference. Sandy is a three-year member of the gymnastics team. During her four years of participation in track, she broke the two mile record outdoor as a freshman, as a junior she broke the one mile indoor record twice and also the one mile outdoor record. Just recently, in her senior year, she broke the two mile indoor record by 9 seconds. She is a three-year member of the Letterwinner's Club and also has been involved in Key

Glen Hupfer

Club, Spanish Club and Youth Concerned for Special People. This year, she was on the Homecoming court.

Glen was inducted into the National Honor Society during his junior year. He was a student government representative during his junior and senior years. This year he is the student representative to the school board. He played football as a freshman, and intramural basketball as a sophomore. He was a member of the AFS Club and the Spanish Club. He was on the prom court during his junior year.

Amber Charland, Other DAR Good Citizens to Be Honored

The Joseph Marest Chapter of the Daughters of the American Revolution will honor six area high school seniors chosen as DAR Good Citizens.

The students will be the guests of the chapter at its annual Good Citizens Tea to be held at the home of Mrs. William Nielsen, 653 Highland View Drive, West Bend, on Thursday, April 18, at 1 p.m.

Judge James Schwalbach will speak on "Good Citizenship" prior to the awarding of the Good Citizens pins.

The 1984-85 Good Citizens are:

- Amber Charland, Kewaskum Community High School.
- Anne Elizabeth Hunter, Washington High School, Germantown.
- Lisa Kiefer, Slinger High School.
- Cathy Listwan, West Bend West High School.
- Christine Lukovich, West Bend East High School.
- Ann Marie Smith, Hartford High School.

DAR Good Citizens are chosen for their leadership, dependability, service and patriotism in their schools, homes and communities. The senior class of each school votes for three seniors who have these qualifications. From the three, the faculty chooses one to be the school's Good Citizen.

Good Citizens are also eligible for awards on the state and national level.

Good Citizens have shown a variety of interests and achievements both in school and in the community.

Amber Charland is a member of the National Honor Society and is planning on a career as a teacher. She is involved in

Varsity Tennis and many musical activities, including musical productions, band and chorus. She plays piano and flute. Amber's special interests are helping care for her two younger brothers, as well as singing in the church choir and participating in community parades. She also holds a job at a clothing store.

Amber's parents are Fran and Kathy Charland.

Plan Meeting Here to Form Neighborhood Watch Program

The Kewaskum Kiwanis in conjunction with the Kewaskum Police Department, will be holding an informational meeting for all residents interested in developing a Neighborhood Watch Program (N.W.P.) in their neighborhood.

The N.W.P. incorporates the cooperation of local residents with their Police Department in the prevention and reporting of crime activity. Statistics show a major decrease in crime activity where N.W.P's have been

implemented. The success of these programs depends primarily on community involvement.

We encourage you to attend this informational program at 6:50 p.m. on Tuesday, April 23, in the meeting room at Valley Bank. In order to make satisfactory arrangements, we will need to know how many people will attend. Please call 626-2171 to make your reservation. Help take a bite out of crime.

FFA Speakers Perform; Bartelt Advances to State

Three FFA speakers from Kewaskum High School went to Juneau-Dodgeland High School on February 6. [Left to right] Keith Bartelt, creed speaker; Patsy Panzer, public speaker, and Jon Etta, extemporaneous speaker.

Go Keith!

On February 6, 1985, three speaking contestants from Kewaskum went to the sectional contest at the Dodgeland-Juneau High School. Jon Etta was the extemporaneous speaker, Patsy Panzer was the public speaker, and our creed speaker was Keith Bartelt.

Extemporaneous speaking is where you pick a topic, randomly, and then have 30 minutes, using five resources, to write a speech. The speech then has to be 4 to 6 minutes long; you can use some notecards. Judges then ask you five minutes worth of questions.

A public speaker has to prepare a six to eight minute speech. This contest allows you to write your own speech, memorize it, and then present it to the judges. The judges then ask you questions for five minutes.

Memorizing and learning the five paragraphs of the FFA Creed is what a creed speaker has to do. The speaker then recites the creed to three judges, afterwards, he is given a question about the creed from

each judge.

Jon Etta and Patsy Panzer both did well, but did not make it to the district. Keith Bartelt took first place in the sectional contest and advanced to the district level.

At the district contest, in Hartford on March 18, Keith went up against two other excellent speakers and once again, took first. Keith will now advance to the State FFA Creed Speaking Contest in June. We congratulate Keith on a job well done and know he will do very well at state.

Your HEALTH TIP

from Tom Leitzke, R.P.H.

PEPTIC ULCERS

"Treating peptic ulcers with bland diets and frequent feedings may not be more beneficial than regular meals," says Dr. Jon Isenberg, chief of Gastroenterology at VA Hospital in L.A. "Instead, the old advice to chew food thoroughly may still be the best safeguard against peptic ulcers. "Proper chewing mixes urogastone, a digestive substance from the salivary glands, with foods and has been found to aid in the healing of ulcers." So chewing food thoroughly promotes ulcer-soothing reactions - also is most beneficial for general health and aids in weight control.

**Retired Teachers
Of County Plan to
Hold First Meeting**

The first meeting of the Washington County Retired Teachers' Association is set for Tuesday, April 16, at 9:30 a.m. at Stoneridge, just south of the West Bend city limits. The volunteer committee has

planned an interesting program and the restaurant will serve a bountiful breakfast for \$3.65. Husbands and wives are also cordially invited to attend.

Because the originally proposed speaker is unable to attend this meeting, we are devoting the time to Social Security, with Mr. Becker of the local office as the main speaker. He was to appear in May but has graciously consented to appear in April instead.

If interested, please send \$3.65 per person to: Miss Marita Yahr, Apt. 201, 151 University Drive, West Bend, 53095 by April 6. The planning committee hopes to have a fine turnout to help get this worthwhile organization off the ground in a grand fashion. Further information may be obtained by calling Ralph Eggert, Inez Muehl, Bernice Hron, Tillie Evans, Marita Yahr or Dorothy E. Williams. Every

effort was made to obtain addresses of known teacher retirees, but if your name was missed, come anyway!

Spring Business Workshop at MPTI

A Saturday **Spring Business Workshop** is scheduled for May 4 at the Moraine Park Technical Institute West Bend campus. Men and women in business, or those who want to start a business, are invited to hear speakers on advertising, cash flow plan, license and permits, and computers.

The workshop will be held at Annex B, 1700 East Washington (Hwy. 33) from 8 a.m. to 1 p.m. The \$6.00 fee includes registration and coffee or juice with rolls.

Two West Bend entrepreneurs are featured speakers: Vic Albiero, Rewards, Inc. and other firms, will address: "Basics in Small Business Start-Up: Cash Flow Plan." Charles E. Hillman, Hillman Consulting Services, will discuss, "Using Computers in Your Business."

Rolf Wegenke, director of the Wisconsin Permit and Information Center, liaison between business and state government, will explain the hotline for state licenses and permits. Rob Grede, account supervisor with Rosenfeld, Sirowitz and Lawson, Inc., Milwaukee, will speak on "Advertising: How to Get the Biggest Bang for Your Marketing Buck."

The Small Business Administration representatives will explain their numerous services, including SCORE (Service Corps of Retired Executives) and ACE (Active Corps of Executives).

Register by calling MPTI at 334-0909. Deadline is April 26.

Office Update

MPTI will offer a one day **Office Update** seminar on Saturday, April 13, 1985, from 8:30 a.m. to 2:30 p.m. Participants may choose from such sessions as Word Processing on the Microcomputer or the Wang, Office of the Future, Written Communications in the Work Place and Success on the Job.

Office education instructors Betty Stiles, Lois Hessenauer, Louise Aplin and Cindy Hagen will serve as facilitators. Enrollment in some sessions is limited.

The fee for the workshop is \$15.00. Lunch is brown bag. For a brochure, call 334-3413.

Accounting on the Micro Workshop

MPTI will sponsor a one-day workshop for accountants and bookkeepers on Saturday, April 20, from 8:00 a.m. to 3:00 p.m. The seminar is designed specifically for practitioners who want a concentrated, hands-on exposure to the General Ledger Business Accounting System on the IBM-PC. No previous computer training or knowledge is necessary.

Peter Mihás, accounting and computer-related instructor for MPTI for seven years, will conduct the workshop. Mihás, who holds a MS in Accounting, has been primarily responsible for the Information Systems course at MPTI. In addition, he has maintained his own part-time accounting practice since 1980.

Enrollment is limited to 20 in the workshop. The course fee is \$15.00, which does not include lunch. To register, call 334-0909.

County 4-H Music And Drama Festival

Fun, Excitement, Drama, and More! The Washington County 4-H Music and Drama Festival will be Sunday, April 14, 1:30 p.m. at the University of Wisconsin-Washington County Theater in West Bend. Four 4-H Clubs will be presenting One Act Plays, Skits and Musicals.

Play directors include Eileen Klug, Cedarburg; Donna Sauer, Kewaskum; Pam Gundrum, Susan Crysdale Kist, Sarah Kist, Todd Wessing and Debbie Yarmark of West Bend.

Musical directors include Eileen Klug and Mrs. Heidtke, Cedarburg; Kathy Twiford, Richfield; Colleen Alsborg, Michelle Petsch and Debbie Yarmark of West Bend.

The festival is presented for you, the public! Tickets are available from 4-H members or at the door. Children under 12 with their parents are admitted free. It provides opportunity for members and parents to express their creative talents

developing self-confidence, poise and communication skills.

Dolores Bruni of West Bend is the coordinator of the festival and Marge Slaughter of Richfield is the chairperson for the Music and Drama Committee.

We hope to see you at the festival.

'White Easter'

Chuck and Jean Dreher and their oldest daughter, of 1174 Kewaskum Street, took advantage of the spring snowstorm Friday night and built two snowmen on Saturday. An accumulation of several inches left us with a white Easter.

An Easter snow bunny was also noted on the front lawn at the Edward J. Miller home on Forest Avenue.

April 15 Is Last Day to Apply for Crop Insurance

April 15 is the last day to apply for Crop Insurance for barley, corn, grain sorghum, oats, peas - green, soybeans and sweet corn in Washington County, according to Jerold Van Beek, a representative of the Federal Crop Insurance Corporation (FCIC).

Crop Insurance covers unavoidable loss of production resulting from adverse weather conditions, wildlife, earthquake, or fire.

"Three coverage levels (50, 65, or 75 percent) are available for insurance protection. Additionally, FCIC offers three optional price elections for valuing production lost or damaged," says Van Beek.

A new Crop Insurance plan, called Actual Production History (APH), is available this year to producers of corn, grain sorghum and tobacco. Producers of these crops may now qualify for higher yield guarantees by proving their yield history. Rates have been developed to offer reduced premium for producers with above-average yields. "This change could sharply reduce the cost of carrying Crop Insurance," says Van Beek.

To find out more about the APH plan, producers should contact a local authorized agent. To select an agent, producers may check the list of agents at their local ASCS office. April 15 is the final deadline for applications.

Wellners to Speak At Riveredge on Contaminated Water

Robert and Shirley Wellner of Whitelaw, Wisconsin, in Manitowoc County will be the special guests at Riveredge Nature Center's Friday Night at the Movies, April 12th, at 7:00 p.m.

The Wellners have agreed to speak on the difficulties they are facing at their farm due to contaminated well water. They recently lost over 100 animals and the contaminated water is believed to be responsible for the deaths.

The timely and critical topic

Kewaskum Statesman, Page 11

of the evening is WATER - THE ALMOST UNLIMITED RESOURCE. The movie the "Quiet Crisis" will be shown. This film describes the historical uses of water and how we can correct the trends which could lead to an irreversible shortage in the future.

The fee for this program is \$1.00 children, \$2.00 adults for members and \$1.50 children, \$2.50 adults for non-members.

Riveredge Nature Center is located in Newburg on HWY Y, 1 1/2 miles north of the intersection of HWY 33 and HWY Y in northern Ozaukee County.

Mrs. Lyle Swarthout, Others Die

Mrs. Lyle (Dorothy) M. Swarthout, 63, of 8805 Co. Trunk B, Kewaskum, passed away on Monday, April 8th, at St. Agnes Hospital in Fond du Lac, following a lingering illness.

She was born on February 11, 1922, in Antigo, Wisconsin, to the late David D. and Marie Miller Korth. On May 3, 1944, she married Lyle J. Swarthout in the St. Lucas church in Kewaskum.

Mrs. Swarthout had been employed as an executive secretary by Regal Ware Inc. in Kewaskum for 30 years. She was a member of the St. John Lutheran Church in New Fane and was a member of the National Secretaries Association.

Survivors include her husband; a son, David, of Milwaukee and a daughter, Bonnie (Edwin) Burington of Madison; three grandchildren; three brothers, David of Scottsdale, Arizona, Myron (Mike) of Havana, Illinois, and Gilbert (Bud) of Kewaskum; other relatives and friends.

Services for Mrs. Swarthout were at 2 p.m. Thursday at St. John Lutheran Church in New Fane with Rev. Charles Reehl officiating. Burial was in the church cemetery. Visitation was at the church on Thursday from 12 noon to time of services.

In lieu of flowers, memorials would be appreciated.

Miller's Funeral Home in Kewaskum was in charge of arrangements.

REUBEN BACKUS

Funeral services for Reuben Robert Backus, 85, Route 1, Malone, Town of Brothertown, where held Friday at 11 a.m. at St. Paul's United Church of Christ, Malone. The Rev. Walter Wackerly officiated. Burial was in Highland Memorial Park Cemetery, New Berlin.

Friends called Thursday from 7 to 9 p.m. at the Uecker-Witt Funeral Home, Fond du Lac,

and at the church on Friday from 9:30 a.m. to the time of service.

Mr. Backus died Tuesday, April 2, 1985, at Calumet Memorial Hospital, Chilton.

He was born Aug. 25, 1899, in Kewaskum, a son of Robert and Anna Koepke Backus. He married Clara Barth on Nov. 6, 1924, in Kewaskum. He moved from Kewaskum to West Allis and was employed by the Allis-Chalmers Co. for 37 years as a core maker. Following his retirement he moved to Gladwater Beach, Route 1, Malone. He was a member of St. Paul's Church of Christ.

Survivors include his wife; two sons, Donald of Clearwater, Fla., and Warren of Route 1, Malone; one daughter, Mrs. Howard (Doris) Landvatter of West Bend; seven grandchildren; four great-grandchildren; and one sister, Mrs. Beull (Isabelle) Walsh of West Bend. He was preceded in death by three brothers and three sisters.

MARVIN HAYES

Funeral services for Marvin Draeger Hayes, 70, Route 1, Campbellsport, were held Wednesday at 2 p.m. at Trinity United Methodist Church, Lomira.

The Rev. Roger Clapp officiated. Burial was in Ebenezer Cemetery, Town of Lomira.

Friends called Tuesday from 5 to 9 p.m. at the Kietzer Funeral Home, Lomira, and Wednesday from noon to the time of service at the church.

Mr. Hayes died Sunday, April 7, 1985, at St. Agnes Hospital, Fond du Lac.

He was born Jan. 24, 1915, in the Town of Ashford, a son of Carl and Elsie Draeger Hayes. He married Nieta Kindschuh on April 15, 1936, in Lomira. He was a lifelong dairy farmer in the Town of Ashford and Byron. He was a member and lay leader of Trinity United Methodist Church.

He served as Town of Ashford assessor for 12 years and as a Lomira School Board member for 12 years. He served as president, vice president, secretary-treasurer and on the board of directors of East

Central Breeders Association Cooperative. He was a recipient of the ECBAC's Pioneer Award. He was a 40-year member of Associated Milk Producers Inc., serving as a regional and corporate board member for many years.

He was a member of Wisconsin Crop Improvement Association and was awarded its Pioneer Seed Man award. He received the South Byron Grange Service Award after serving as master of that group. He was also a member of the state and national Holstein Breeders Inc. and the Dairy Shrine Club.

Survivors include his wife; one son, Howard of Route 1, Campbellsport; two daughters, Mrs. Karen Luedtke of Durango, Colo., and Mrs. Robert (Janet) Ehrhardt of Mesa, Ariz.; eight grandchildren; one great-grandchild; two sisters, Mrs. Kenneth (Ruth) Kortemeier of Palos Heights, Ill., and Mrs. Jacob (Evelyn) Serman of Hartford; and one brother, the Rev. Stanley Hayes of Route 2, Fond du Lac.

He was preceded in death by his parents and three grandchildren.

TAXPAYERS MAY REQUEST A FOUR-MONTH EXTENSION

Taxpayers who were not able to complete their 1984 federal income tax returns on time may receive an automatic 4-month extension of time to file. To get the extension until August 15, 1985, they must have filed the application, Form 4868, before the April 15, 1985, deadline.

An extension of time to file is not an extension of time to pay. Applicants must make an estimate of their tax for 1984 and pay any tax due with the Form 4868. There is a penalty for paying the tax late unless there is reasonable cause for not paying the tax when it was due. If the unpaid amount is more than 10% of the tax, then a 1/2% per month failure-to-pay penalty will apply.

The Form 4868 is available at any IRS office or it may be requested by phone. In any event, it must be filed no later than April 15, 1985, to be valid.

The most commonly used word in English conversation is "I".

... about your Social Security

DEADLINE NEARS FOR ANNUAL REPORT OF EARNINGS

People who get Social Security retirement or survivor checks and who earned more than the annual exempt amount in wages from a job or in self-employment in 1984 have until April 15, 1985, to file an annual report of their earnings, David W. Becker, Social Security manager in West Bend said recently.

The 1984 exempt amounts were \$5,160 for people under 65 all of the year and \$6,960 for people 65 or over any part of 1984. In general, a person has \$1 in benefits withheld for each \$2 of annual earnings over the exempt amount.

Social Security uses the annual report to decide whether the person received the correct amount of benefits during 1984. If too much or too little was paid, any adjustment necessary is made based on the annual report.

A special monthly test is used during a person's first year of retirement. Under this test, a person can get a benefit for a

month in which he or she did not earn wages over the monthly limit and did not perform substantial services in self-employment. This monthly test can be used in the person's first year of retirement.

Most people who need to file a report should have received one in the mail. If a person did not get a form, or lost or misplaced the one he or she did get, another copy of the annual report form can be obtained at any Social Security office, or by calling 1-800-242-9946.

The people at the office will be glad to answer any questions. They also have a leaflet, HOW WORK AFFECTS YOUR SOCIAL SECURITY CHECKS, which contains more information about the earnings test.

The annual exempt amounts for 1985 are \$5,400 for people under 65 and \$7,320 for people 65 or over.

A different test applies to people who get benefits because of disability.

Ground breaking services were held at Peace Church, Kewaskum, on Sunday, March 27, for a new \$80,000 educational building addition. Following appropriate remarks by the president, Myron Perschbacher, and L. N. Peterson, chairman of the building committee, the pastor turned the first shovel of ground. Some of the work is started in the present building. Work on the addition will be underway within a few days. The completion date is set for November 1.

A weather instrument called a Radiosonde, which was released by the weather bureau station at Green Bay early April 5, was found at 8:30 a.m. the same morning on the Raymond Haack farm on Route 1, Kewaskum east of New Fane, by Mr. Haack. According to the information on the instrument the Radiosonde is used for measuring temperature, pressure and moisture of air at various heights above ground. It is sent aloft by being tied to a balloon which, according to the directions on the carton containing the Radiosonde, bursts at a height of about 17 miles. The instrument then comes down on an attached parachute. During the observation, the Radiosonde operated as a radio transmitter which was tracked by a special radio receiver at the ground station at Gren Bay. All of the instruments and wires are contained in a corrugated carton. Mr. and Mrs. Haack followed the instructions on the box to pack the parachute and rigging back into the carton and mail it back to the weather station.

Honor roll students at Kewaskum High School for the third nine-weeks period, which ended on March 25, are as follows: Freshmen — Ralph Albrecht, Nyles Heise, Allen Koepke, William Mertzt, Richard Roecker, Ann Schoenbeck, Mariel Seefeldt, JoAnn Wagner, David Williams. Sophomores — Edward Ferber, Richard Groh, Leon Guntly,

William Koepke, Dona Mueller, Allan Rinzel. Juniors — Elaine Bruessel, Carol Heberer, Nancy Held, Nancy Hirsig, Rita Krell, Robert Kroncke, Jolene Miller, Judith Ramthun, Helen Schaefer, Celine Simon, Judith Theusch. Seniors — Judith Abel, Patricia Edwards, Sharon Harbeck, Delores Ketter, Judith Rinzel, Norman Rodenkirch, Susanne Schmidt, Sue Sengpiel, Margo Weiss.

The Rev. E. F. Menger, pastor of St. John's United Church of Christ, Boltonville, St. John's of Beechwood and St. Paul's Church of Silver Creek has resigned his pastorate and he and Mrs. Menger plan to leave shortly after Easter for the Lake Elmo - Stillwater, Minnesota charge where he will begin work.

Mr. and Mrs. Charles Miller attended the freshman recognition service of the Chicago Wesley Memorial Hospital School of Nursing on Friday, April 1, at Thorne Hall, Northwestern University. Their daughter, Carol Ann Miller, was one of the 98 student nurses to receive her cap.

Honor roll pupils at Holy Trinity school for the third period which ended on April 1, have been announced as follows: Grade 1 — June Scannell, Janet Marx, Michael Stoffel. Grade 2 — David Amerling, Charles Battaglia, Betty Butz, Mary Marx, Sylvester Schoofs. Grade 3 — David Wietor, Mary Strobel, Mary Stellpflug, William Butz. Grade 4 — Linda Nigh, James Butz. Grade 5 — William Backhaus, Mary Jane Bales, John LaMarche, Richard Marx, Paul Reindl, Thomas Stoffel. Grade 6 — Diane Gruber, Karen Campbell. Grade 7 — Mary Ellen Nigh, Milton Schmidt, Diane Schmidt. Grade 8 — Kathleen Campbell, Robert Kern.

A daughter was born to Mr. and Mrs. Donald Herriges, Route 1, Kewaskum, April 2. A son was born to Mr. and Mrs. Robert Gavin, Route 1, Fredonia, on April 4. The Gavins are former residents. A son was also born to Mr. and Mrs. Daniel Rodenkirch, Route 1, Kewaskum.

An important business deal was made in this village the past week whereby Edw. E. Miller purchased the late Clem. Reinders furniture and funeral business and was granted a lease on the store building and other property. Miller's will take complete charge at once. A new business will occupy the store building formerly used as a furniture store, but up to the present time we are unable to state the nature of that business, but Mr. Miller assures us that the new business will be a credit to Kewaskum and vicinity. The Reinders furniture and undertaking business had been conducted here for the past 16 years, and upon the death of her husband, Clem. Reinders, on Nov. 9, 1934, the business was conducted by his wife, Florence Reinders.

Liberty Bonds, totaling \$7,600, which were stolen from Michael Pesch and his sister, Katie, on April 23, 1933, were recovered at Chicago last Sunday. The brutal torture robbery, which occurred on the Pesch farm, about 1½ miles northeast of this village, was believed to be near solution on April 7th, with the questioning by Chicago police of two men. The loot taken from the Pesch home by four bandits exceeded \$10,000 of which \$7,600 of it was in Liberty Bonds. When the bonds were called in by the U.S. government recently, watch was kept for the stolen serials.

Sylvester Terlinden, popular young piano accordionist of this village, was featured in a 15-minute radio program on April 8, over radio station KFIZ at Fond du Lac. A large number of local people tuned in on the program and Sylvester can be assured they enjoyed it very much as surely did other tuner inners.

Otto Stenschke of this village, who made a name for himself on the basketball court by winning high scoring honors while a member of the Kewaskum city basketball team in the Land o' Lakes League the past season,

on Tuesday evening was presented with a one-half foot trophy as Scoring Champion of the Northern Division of Land o' Lakes League.

The following were presented and examined at the Peace Evangelical Church last Sunday and will be confirmed next Sunday, which is Palm Sunday: Dolores Backhaus, Patricia Buss, Harold Bartelt, Evelyn Foerster, Mona Mertes, Earla Prost, Harold Prost and Marlin Schneider.

The Boy Scouts held their regular meeting on April 9th, under the leadership of Scout Master Henry Lay. Curtis Romaine received the honor of being the star scout of the week. Those worthy of receiving honorable mention are Louis Bath, Francis Roden and Donald Seil.

Last Sunday afternoon at about 4 o'clock the alarm of fire was sounded by the tooting of the malt house whistle and within a few moments the fire apparatus was on its way to the malt house as fast as the firemen and other citizens could have it. When they arrived there they found that Simon Hoerig's barn on the corner of Fond du Lac-Avenue and Malt House Street was in flames. The fire had gained such headway that no effort was made to save the barn building, but a strong stream of water which was supplied from the malt house was kept on the Hoerig saloon building, located only about ten feet away, and was in great danger for awhile, everybody believing that it would be destroyed.

Following is the result of the election in the Village and Town of Kewaskum last Tuesday: Village - President, Val Peters; trustees, John Klassen, S.C. Wollensak, William Schultz; clerk, Edw. C. Miller; treasurer, Wm. Ziegler;

assessor, Joseph Strachota; supervisor, John Muehleis; justice of the peace, John Muehleis; constable, Fred Andrae. Town-Chairman, B. Haufschild; supervisors, Gerhard Fellenz and A. B. Ramthun; clerk, Louis Backhaus; treasurer, John Klein Sr.; assessor, August Schaefer; justices of the peace, E. Backhaus and Frank Van Epps; constables, Wm. Ramthun and William Quandt.

The mail carrier from Campbellsport met with an accident in Wayne last week. The horse became unruly and upset the wagon, throwing the carrier out, whereby he received a slight cut on his head. He managed to hold the horse and avoided a runaway.

The local baseball team reported for its first practice last Sunday afternoon. Art Taylor, last year's center fielder, will report on Sunday. Manager Lay has signed Jeske of Milwaukee to do the twirling for the locals this season. Jeske is known to be a first class pitcher.

Muckerheide Bros. have their sawmill in operation on the Robert Little farm, sawing lumber for a new barn which Mr. Little will build.

The marriage of Miss Marie M. Dricken, daughter of Mr. and Mrs. Peter Dricken, and Ig-Schiller, took place at St. Michaels on April 3.

Letters to the Editor

Friday, April 12, 1985, Kewaskum Statesman, Page 14

To the Editor:

I would like to thank everyone who supported me in the recent School Board election. I take seriously the promises I made about being accessible and responsive to the citizens of the Kewaskum School district. If you want me to know what you think about an issue or if you want to know what I think about an issue, all you have to do is to talk to me. My phone number is 626-2767 (having just moved it is not listed in the current Kewaskum phone book). I welcome calls at anytime, but the best chance of getting through is during the evening.

Dear Editor:

I would like to take this opportunity to thank everyone who made the Citizen Advocacy annual dinner celebrating the program's 7th anniversary a wonderful success.

Over 85 people shared in the evening to recognize the accomplishments of Citizen and Self Advocacy and to participate in the second annual meeting of Citizen Advocacy as an incorporated program. It was very exciting to see people with disabilities and volunteer Citizen Advocates taking part as members in the decisions

affecting the program.

Our success in Citizen Advocacy once again reflects the generosity and giving spirit of Washington County.

Open Letter to the People of Wisconsin:

As a scholar doing research in the People's Republic of China I saw women in the third trimester of pregnancy — 7, 8, and even 9 months pregnant — being forced to undergo abortions and sterilizations that they did not want. Of the 53 million abortions that Peking admits performing over the last four years, I estimate that ninety per cent were involuntary. In China today, births are governed by a strict quota system, and a pregnant

woman without a birth quota will be fined, threatened, incarcerated, and pressured until she submits to an abortion.

Despite the fact that infanticide and forced abortion are de facto state policy in China, few population "experts" have spoken out against these atrocities. On the contrary, they have been excited by the dramatic reduction in birth rates that China, by these cruel and inhuman methods have achieved. They have even in their zeal, held up China as a model for other Third World nations to emulate. Encouraged by these "experts," the United Nations in 1983 gave China its highest award in recognition of "achievements" in population control.

Now none of the U.S. aid for family-planning organizations, some 290 million in 1983, goes directly to China. But the U.S. does give substantial assistance to the United Nations Fund for Population Activities — about 46 million a year. U.N.F.P.A. has in turn provided 50 million dollars to China over the past

several years and has promised 50 million more in coming years. Not only that, it boasts that it has been instrumental in setting up the technical infrastructure of the Chinese program.

In a move long overdue, the U.S. Agency for International Development has held up this year's 46 million dollar contribution to the U.N.F.P.A. until this organization shows that its hands are clean in China. The Reagan administration wants to make sure that none of our money is going to fund forced abortions and infanticide in China. Wisconsin Senator Bob Kasten, too, is concerned about these massive human rights violations, especially since there are so many countries in Africa and Latin America where these funds could be put to better use.

The Nuremberg Trials in Germany of Nazi war criminals found forced abortions to be a crime against humanity. It still is. And it is time that we did

something about it.

Local Chapter Holds Annual Meeting During FFA Week

PIG OUT! These individuals had to eat cookies, prune juice, peanut butter on crackers, and after this was all consumed they had to blow a bubble with their gum before they were declared a winner.

HAYING TIME — In the middle of winter? Jim Herriges is trying to show off his ability in tossing hay bales in the hay throwing contest.

FARMER IN THE DELL? In this contest, a member was blindfolded and had to be helped in speedy dressing by a member of his team. Here you see Joel Junk as the "farmer" and Jeff Diels as his "helper."

On Friday, February 22, 1985, the Kewaskum FFA held its annual meeting. The meeting began at 3:01, with President Gary Butzlaff calling the meeting room to order.

Patsy Panzer read the secretary's report from the previous meeting. A motion was made by Todd Steger to accept the secretary's report and Steve Redig gave his second. The motion passed.

The treasurer's report was then given by Jim Herriges. Todd Steger made a motion to accept this report, with Jeff Newhauser giving his second; the motion passed.

There was then a discussion on whether the winners on the point system would want to receive their awards now or in May at the FFA Banquet. After much discussion, Randy Gindt voiced his motion to give the awards out now and to mention the winners during the banquet. A second was given by Dave Eisentraut; the motion passed.

Jim Herriges then reminded the members that we would be going to the Milwaukee Bucks versus the Cleveland Cavaliers game on Wednesday, March 13. The game began at 7:30 p.m., which meant we would be leaving from the high school at approximately 5:00. We sold only one ticket to a member

during the first week, to make sure that all members would have an opportunity to buy a ticket. During the second week, a member could purchase any amount of tickets.

On Saturday, March 2, nine teams went to Fox Valley to judge various items. Some of the items our teams judged were meat animals, dairy, ag. mechanics, dairy products and poultry.

This year, the FFA tried a new idea to get the freshmen and sophomore ag. classes more active in the FFA. The freshmen and sophomore ag. classes each voted on a representative that would join the officers at their meetings, to let others of their class know what is being planned. The freshman class chose Bill Butzlaff for their representative, and Beverly Schulz was chosen by the sophomore class.

The district speaking contest was held on February 6, at Juneau-Dodgeland High School. The creed speaker, Keith Bartelt, took first place and will now advance to sectionals. Jon Etta, our extemporaneous speaker, was third runner-up and public speaker, Patsy Panzer, placed second.

The Kewaskum FFA held a 3 on 3 basketball tournament on

Sunday, February 3, in which we invited FFA members from Slinger, Hartford and Campbellsport to participate. The Rubicon Rockers placed first and Guent's team took second. Both teams were from Hartford.

We submitted 6 pages this year for the FFA supplement. It appeared in the Kewaskum Statesman during FFA Week. The articles and pictures in it were from the activities the members have participated in since last February.

The officers of the FFA, once again gave a "Teacher's Tea" for all the teachers and secretaries at the high school. This year's theme was "Wisconsin at Its Best." We served foods that Wisconsin ranked #1 in the nation or in the top ten. The tea is given so the teachers can learn more about FFA by asking the officers questions, and to let them know that we are working hard to promote agriculture and FFA.

Friday, March 22, was the FFA Alumni Polka Dance at Amerahn. This dance is for the FFA Alumni, parents of FFA members, anyone who is interested in FFA or agriculture, or for anyone who wants to have a good time and still support the FFA.

Jon Etta, Gary Butzlaff and Jim Herriges, three officers of

the FFA, attended the FFA Alumni Banquet which was held on Tuesday, February 19. While they were there, they gave some ideas of what the two groups could do together to get the alumni more involved with the members.

FFA Week was February 16 through 23. During the week we had many contests for our members to take part in. We had an agricultural trivia contest, nails in a jar and string guess, an Ag Olympics and a photo contest.

The winner of the trivia contest, with all four answers close to the correct answer, was Bill Volm. Other winners included Lonnie Bath, Keith Bartelt, Randy Gindt, Darryl Pufahl, and Eric Schladweiler.

Greg Chmielewski had the correct guess in the nails in a jar contest, while Keith Bartelt, Andy Degnitz and Randy Gindt each had the correct answer of the string guess.

The photo contest judging was held on Thursday, during Teacher's Tea. The teachers decided upon which photo they

believed to be the most humorous and which was the most serious. Joel Junk's photo won the humorous category and the photo supplied by Jeff Newhauser won the serious.

The Ag. Olympics was held on Wednesday, February 20. The "Olympic games" were a bale throw, egg toss, eating contest and dress the farmer. The overall winning team had Jim Herriges, Brian Ruplinger and Todd Steger as its members.

A one-half hour radio program was given by Gary Butzlaff, Jon Etta and Mr. Rizzardi on the Neighbor to Neighbor Show on WBKV. They told the listeners about the Kewaskum FFA Chapter and our ag classes. During this time, radio listeners were encouraged to call and ask any questions they might have about FFA or agriculture.

After the meeting, 2 six-foot submarine sandwiches were served for refreshment and also thanks were extended to the members for actively taking part in FFA Week.

Have you ever gone on a Winter Safari? Ten Washington County 4-H youth and two adult leaders joined with over 40 other youth and adults from Ozaukee and Racine Counties for 4-H Winter Camp. Four-H youth challenged themselves by making their lunch and successfully building fires to cook it. Building snow shelters, challenge courses, developing

communication skills, working with others, making friends, and having fun were all part of the weekend.

Pictured above Pauline Schroeder, Richfield Thompson Irish Settlers, 4-H Club, packs her lunch for outdoor cookery. Other Washington County 4-H youth and adults at camp were Ann Shaw, Charlie Mayhew, Bill Butzlaff, Jenny Carron,

Jeanne Krueger, Diane Schmidt, Steve Klein, Emil Neidinger, Mark Neidinger, Laurie Horlamus, Lynn Frase. Ann Shaw and Pauline Schroeder served on the planning committee. Charlie Mayhew and Emil Neidinger were each group leaders for the Winter Safari adventure.

Jobs for Youth

West Bend Job Service is now accepting applications for the Summer Youth Employment Program (SYEP), which is federally funded through the Job Training and Partnership Act (JTPA). The program intends to provide entry level work experience opportunities for up to 165 youth from economically disadvantaged families.

Qualified applicants will be: 16-21 years old, residents of Washington County are attending Washington County schools, and economically disadvantaged (i.e.: Low-income, AFDC, Handicapped, Self-supporting College Students or Foster Children).

Those placed may work up to 40 hours per week and will be paid at least \$3.35 per hour. Full or part time work sites will be available throughout the county.

Interested applicants or their parents may contact Carol Morris, Summer Youth Employment Program Coordinator at 338-4737.

4-12-2t

Time For Growth.' The goals of the camp are to strengthen family communication skills, explore nature, share family traditions, and learn about folklore through dancing and storytelling.

The Camp is open to any family regardless of their size, involvement in 4-H, or family status.

Family Camp is one of the newer programs offered by UW-Extension. Last year was the first Family Camp held with sixty participants. This year, the coordinators hope to have twice as many involved.

Families have the option of staying in cabins or in a dormitory. Camp costs will vary according to the lodging accommodations selected. For youth 18 years and younger, the cost will be \$15 to stay in a cabin or \$16 to stay in the camp dormitory. For adults, the cost is \$23 to stay in the cabins or \$31 to stay in the camp dormitory. Included in the fees are meals and program costs.

If your family would like more information about Family Camp, consult the Washington County Extension Office at 338-4478, 644-5204, 342-2929.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen. This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

Tornado Tips

AFTER THE STORM — WHAT DO YOU DO?

(4th in a series)

If a tornado should hit, remain calm — panic never helps. Most tornados are short-lived, lasting only four or five minutes and travelling on the ground for two miles, on the average, according to the Wisconsin Division of Emergency Government.

Closely inspect your property, including automobiles, for damage. Check immediately for electrical problems and gas leaks and report to utilities or the fire department if danger is imminent.

If you have extensive damage, contact your insurance company immediately. In the meantime, secure your property from further damage or theft. Heavy rains often follow a tornado.

Take an inventory of the damage to speed your insurance settlement. Your policy may provide coverage for additional living expenses should you not be able to stay in your home. There is also a policy provision for paying the expense of debris removal.

If you have not suffered damage, be a good neighbor and help those who need it. But, do not telephone directly into or visit a diaster area. Reports will be broadcast, so let the rescue work proceed unhampered by spectators and curiosity seekers.

Do not enter a building damaged by a tornado until you are sure it is safe and will not collapse.

Use only approved or chlorinated supplies of drinking water.

Check food supplies. Food may contain particles of glass or slivers of other debris. Discard canned goods with broken seams.

Get food, clothing, medical care or shelter at Red Cross Stations or from local communities if necessary.

Notify your relatives of your safety. Local authorities may waste time trying to locate you if you don't send word. Do not tie up phone lines if they are

needed for emergency calls.

Cooperate in the general clean-up of debris. You are responsible for cleaning debris from your own property.

During repairs and clean-up wear shoes and gloves. Glass, including fiberglass insulation, can injure unprotected hands and feet.

WHAT IF YOU ARE A VICTIM? Do your best to protect yourself, your family and your neighbors from further damage.

Make sure authorities are notified that you are a tornado victim.

Be prepared to cooperate with trained and authorized officers and volunteers who will arrive to give you aid.

Do not sign contracts for repair work, removal of rubble, or new insurance without consulting authorities.

By thinking clearly and calmly and helping one another, we can limit the injury and destruction tornadoes cause.

Sign-Up for Jaycees Summer Ball Leagues

The Kewaskum Jaycees are having sign-up for the upcoming Summer Ball Leagues. There will be a Youth Softball League (children ages 9 to 12), a Hardball Little League (children ages 9 to 12), a Traveling Hardball League (youth ages 13 to 15), and a new TEENAGE Softball League (youth ages 13 and 14).

Sign-up dates are scheduled for: Saturday, April 13th, from 9 a.m. to 11 a.m., and Saturday, April 20th, from 9 a.m. to 11 a.m. There will also be a sign-up on Wednesday, April 17th, from 6 to 7:30 p.m. The sign-up is being held at the Kewaskum branch of the West Bend Savings and Loan, 114 Main St., Kewaskum. Use rear entrance to basement meeting room.

The Youth Softball program is geared to teaching young children the fundamentals of the game of baseball. Over the year, we've seen many young people develop into very athletic, responsible adults.

The Jaycees are introducing a new league this year for young

people ages 13 and 14. It will be a Softball League and will be played for 8 weeks on Tuesday nights at the new park. Games will be scheduled for 6 and 7 p.m.

WE NEED parents or other interested persons, who would like to COACH, MANAGE, or UMPIRE. Anyone interested should call Gary Gavin (Youth Softball) 626-2209, Steven Liegl (Little League or Traveling League) 626-4568, Richard Thiemer (Teenage Softball) 334-7033.

Remember, we need your support, by participating or just coming out to watch the games. Community support is a most important factor from the Youth Leagues thru High School and even into our Land-o-Lakes Team. We need you! Be sure to come out and join us this summer.

Special note to all youth players: If any young player would like to earn a glove or any other ball equipment, we have an incentive plan - ask at sign-up!

Lakes Team Loses Final Game to Oconomowoc; May Share 'B' Title

The Kewaskum Lakes basketball team lost its final game of the season to Oconomowoc here Saturday, 126-115, to remain in a tie for first place in the "B" Division with Port Washington, both with 5-11 records. Port was narrowly edged by the Falls Badgers, 129-127, Wednesday night in Port.

The two will probably be "B" Division co-champions as it is unlikely but not certain at this time, whether Hartford will play its two makeup games with the Badgers and one with Cedarburg. That will be determined this week.

Cedarburg has clinched the "A" Division championship and the grand championship with a perfect 15-0 record, while the Falls Badgers are in second place with an 11-3 mark, with the makeup games still pending.

A bad third quarter did Kewaskum in their game with Oconomowoc Saturday. The Coons, playing with only five players, had led 36-31 after the first quarter. But Kewaskum came back in the second quarter and led 62-61 at halftime. Kewaskum went flat in the third quarter, being outscored 34-20, and Cooney enjoyed a 95-82 lead. Kewaskum managed to get within six with about three minutes left, but the Coons then thwarted their final surge.

Tom Checkai came close to scoring almost half of the winners' points with 50 (more than entire teams often score in high school). Teammates Jay Koenitzer and Cole Braun contributed 37 and 23 points respectively. Reliable Leon Laatsch again paced Kewaskum with 43, followed by Bob Nigh with 26 and Clark Eichstedt with 25.

The Lakes banquet will be held at Stemmler's White Coach Inn in Thiensville on Saturday, April 27, at 7:30 p.m. Tickets are available from Commissioner Jake Oelhafen and from team managers.

Oconomowoc — Koenitzer 17-3-2, Checkai 24-2-4, Braun 11-1-5, Schaffer 3-4-2, Terlizzi 3-0-2. Totals 58-10-15.

Kewaskum — Laatsch 20-3-6, Eichstedt 12-1-3, Nigh 11-4-5, Backhaus 5-0-3, Gonwa 1-1-4, Schroeder 4-0-1, Kern 0-0-3, Thomas 0-0-1. Totals 53-9-26.

Steinhardt Leads Indians To Third at Co. Indoor

By John Harju

Good things come to those who wait.

This phrase holds true for the KHS boys' track team.

After spending the last few years as a below-average track team, coach Dave Drexler's boys are finally performing up to potential. Evidence of this was shown last Wednesday evening when the KHS boys finished in third place at the Washington County indoor invitational held at the West Bend Fieldhouse.

West Bend East, behind triple-winner Greg Ritzenthaler, won the boys' meet with 128½ points, followed by West Bend West, led by Mike Wolf (also a triple winner) with 100½. Kewaskum was next with a solid 72 followed by Slinger (65), Germantown (49½), and Hartford (16½).

Senior Mike Steinhardt picked up 38 of Kewaskum's points and proved to be the meet's top individual performer by winning the long jump, 50 yard dash, 213 yard dash, and placing second in the high jump.

Steinhardt's time of 23.6 in the 213 yard dash tied the county indoor record, and his jump of 6'2¾" in the high jump set a new KHS mark.

Other highlights for the Indians included Mark Follmann's third in the 50-yard high hurdles and fifth in the long jump, Monty Shaw's third in the 880 and fifth in the 440, Gunner Schlieter's third in the

mile and fifth in the two-mile, and John Nowak's third in the pole vault. Kewaskum's 12-Lap relay team of Corey Garbisch, Mark Johnson, John Mertzig, and Shaw placed fourth (3:11.3), as well.

Kewaskum will hope to continue their success when they host Chilton and New Holstein in their outdoor opener on April 16th.

Girls Lose Outdoor Opener to Two Rivers

By John Harju

The KHS girls lost the final event - the 1600 meter relay - and with it the meet as Two Rivers narrowly defeated Kewaskum, 70-62, Tuesday in chilly Two Rivers.

Despite the cold temperatures, coach Denise Leong's girls responded with some impressive performances which enabled them to come back and trail 66-61 going into the final 1600 meter relay.

In the final race, Kewaskum fell behind early and had a lot of distance to make up when the baton was passed to anchor (wo)man Brenda Vetter. Vetter made up over half the distance but just couldn't catch Two Rivers, and KHS faded in defeat.

None the less, Leong was very happy with her team's efforts, noting the fact that Amy Kougl was a double winner in the 100 and 200 meter dashes as well as taking second in the high jump behind teammate Lisa Fusek. Vetter "looked great" in taking seconds in the 400 and 200.

Other highlights included Sandy Klein's first in the 1600 (5:46) and second in the 3200 (13:05), Jenny Hintz's first in the shot put (31'7½"), Jodi Yearling's first in the discus (91'4"), and Sandy Secor's trio of seconds in the 300 hurdles, long jump, and triple jump.

In the JV part of the meet, Kewaskum narrowly held on to win, 64-63. Highlighting for the Indians were Carol Osterbrink,

whose winning throw of 93-6" in the discus would have also won the varsity event; Mary Murre - first in the 1600; Lisa Steiner - first in the 300 hurdles; Ellen Kuphal - first in the 800; Sherri Batzler - first in the 200; and Ellen Beisbier - first in the 3200.

southern trip in Louisiana, Mississippi and Alabama where they finished with a 7-9 record. He is among Stout pitchers who saw action on the trip. He worked in five games and ended up with a 4.20 ERA. Stout batted .285 on the trip. Jeff is considered as one of the outstanding new prospects on the team.

The Blue Devils have a 31-member roster, including 10 returning lettermen. The squad includes only one senior, five juniors, 14 sophomores and 11 freshmen. The team is in a youth and rebuilding year, according to Coach Terry Petrie, who lost six regulars from the field and four of his five top pitchers.

Stout opened its northern schedule with games against the University of Minnesota at Minneapolis April 3 and St. Mary's at Winona April 9. They opened the conference season April 10 versus UW-Eau Claire at Menomonie, Wis.

Geidel, 21, is 6'0", weighs 165 pounds, and is seeking a major in hotel and restaurant management. The coach's comments on Geidel: "Jeff transferred from Triton Junior College in Illinois. He has a super change-up and is a smart pitcher who won't beat himself. He is a good competitor and will see a lot of action for us this year."

Annual Meeting of Rock River Oldtimers

Old baseball stories will be exchanged once more when Oldtimers' Association members of the Rock River League gather at Dodge Center, Horicon, for their annual meeting starting at 1:30 this Saturday afternoon.

For openers, association President Carl Heimerl, Jackson, who recently returned from a trip to the Brewers spring training camp at Sun City, Arizona, will size up the Milwaukee club's chances this year.

In between yarns, three '85 Oldtimer events — the first, the annual Rock River League Night at the Brewers vs. Orioles game on Friday, June 21 — will be firmed up.

Composition of the 1985 Hall of Fame ballot and election of officers are other items on top.

Girls Place Fifth at County Track Meet

By John Harju

Even though the KHS girls' track team placed in every event but one, not enough firsts and seconds caused them to finish in fifth place at Wednesday's Washington County indoor invitational held at the West Bend Fieldhouse.

West Bend East narrowly won the meet, 84-80, over second place Slinger followed by West Bend West (70), Hartford (55), Kewaskum (53), and Germantown (31).

Sophomore Brenda Vetter picked up the only first for Coach Denise Leong's girls as she ran away from the rest of the field to win the 440 in 1:05.1.

One of two KHS seconds came from Jenny Hintz, whose toss of 32'6½" easily gave her second in the shot put. The Indians' other second came from Sandy Klein in the mile (5:50.4), and she then followed this up with a third in the two-mile (13:02.8).

Taking home fourth-place ribbons were Amy Kougl in the high jump and the 8-lap relay team anchored by Vetter. Kougl also took fifth place honors in the 50-yard dash and the 213 yard dash, as did the 4-lap relay team.

Senior Sandy Secor's career best in the long jump (15'6") and 8.6 in the low hurdles gave

her a pair of fifths while Renee Kapp's sixth in the hurdles rounded out the Indians' placings.

The KHS girls' next challenge will be at a triangular meet at Kiel scheduled for April 18th.
