Week's Wit

Taxpayers got three choices — long form, short form, or 20-year stretch.

New Police Headquarters Taking Shape

The new Police Department offices will be located on the left [north] side of the old garage. The right [south] side will house the new community room which will have a kitchen area and be able to accommodate about 90 people. The community room will be available to various clubs and organizations for meetings.

Remodeling of the old fire department garage area at the Kewaskum Municipal Building into the new Police Headquarters and Community Room is moving right along, Dan Schmidt, Village Administrator,

stated last week.

Workers began installing dry-wall, and construction of the new offices is moving into the final stages.

Schmidt said the Police Department has moved to tempo-

rary headquarters in the second floor Council Room. Razing of the old offices to make room for the library expansion part of the Municipal Building's remodeling is expected to be done this week.

Mueller Excavating Gets Sewer Contract

By GERRY MUELLER
Statesman Staff Writer

On a unanimous vote Monday night, the Kewaskum Village Board awarded the contract for storm sewer installation along Highways 45 and 'H' to Mueller Excavating of Campbellsport.

Mueller's low bid of \$74,204.50, was considerably under projected engineering estimates of over \$100,000. Two other bids were received for the job. Zunker Contractors of Fond du Lac came in at \$78,836, and Ozaukee Excavating of Grafton had a high bid of \$93,650.

Money for the work will come from Tax Incremental District (TIF) funds.

In other action, the Board accepted the recommendation of the Plan Commission to deny

a rezoning request from Mr. and Mrs. Noble Ray. The Rays wanted to turn their barn into a resale shop for used items.

The board also discussed replacement of the council room tables with desks. While not all the trustees were against the idea, some felt the money might be needed more in some other phase of the municipal building's remodeling. After considerable discussion, the board voted 4 to 3, to table action until a later date.

Presiding over his last meeting as president, Gerald Stollenwerk jokingly noted the vote was the first time in his six years as board president that he has had to break a tie and it was the last item to come before

Mary Thiemer Selected As 'Outstanding Young Woman'

The Board of Advisors for the Outstanding Young Women of America awards program has announced that Mary Clare Thiemer, 8484 Kettle Moraine Dr., Kewaskum, has been selected for inclusion in the 1984 edition of OUTSTANDING YOUNG WOMEN OF AMERICA.

The Outstanding Young Women of America program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, their professions and their communities. Accomplishments such as these are the result of dedication, service and leadership - qualities which deserve to be recognized and remembered.

This is the goal of the many leading women's organizations, college alumni associates and public officials who nominate deserving young women to participate in the program. Serving as chairman of the program's Advisory Board is Mrs. Margaret Arnold, honorary president of the General Federation of

State Officials Address School Tax Concerns

By GERRY MUELLER
Statesman Staff Writer
State Senator Donald Stitt and Assembly Representative Dwight York were guests at last week's meeting of the Kewaskum Board of Education's Policy - Legislation - Instruction Committee.

The two men addressed questions regarding general property tax relief, minimum starting salaries for teachers and taxes for vocational schools.

Stitt was asked if the state would consider transferring school aids financing from property to income taxes. Stitt told the audience, "you're talking about \$1 billion a year, that's what the schools are eating up in the school aids program. To put that on income taxes alone," said Stitt, "you'd be looking at income tax increases anywhere from 60% to 75%. That would probably have the effect of driving everyone out of

the state," said Stitt.

York addressed the problems involved with state mandating courses. He said Madison is listening to the people, noting changes regarding computer literacy and health education courses have already been implemented. Because computer programs are now being offered all the way down through the elementary level, state mandates have been revised to

Neighborhood Watch Program Meeting Here

The Kewaskum Kiwanis in conjunction with the Kewaskum Police Department, will be holding an informational meeting for all residents interested in developing a Neighborhood Watch Program (N.W.P.) in their neighborhood.

The N.W.P. incorporates the cooperation of local residents with their Police Department in the prevention and reporting of crime activity. Statistics show a major decrease in crime activity where N.W.P.'s have been implemented. The success of these programs depends primarily on community involvement.

We encourage you to attend this informational program at 6:50 p.m. on Tuesday, April 23, in the meeting room at Valley Bank. In order to make satisfactory arrangements, we will need to know how many people will attend. Please call 626-2171 to make your reservation. Help take a bite out of crime.

First Wild Turkey Seen in Area Reported

Richard Breit of Kewaskum was the first to report seeing one of the wild turkeys that were planted in the area last January.

Breit said the turkey flew in front of his pick-up truck on Hwy. H, east of Dairyland Seed and the Milwaukee River last Tuesday, while he was on the way to work.

Between 30 and 40 of the wild turkeys were released by the DNR in January at two-sites in the Northern Kettle Moraine. They were divided between the Parnell Tower area and an area just southeast of Kewaskum.

Come and Meet Alice in Dairyland

Cynthia Johnson Hesse
Wisconsin's 37th
Alice in Dairyland

On Thursday, April 25, 1985, the Kewaskum FFA will hold its April meeting. The meeting will be in the Kewaskum High School cafeteria at 8 p.m.

Special guest speaker, Cynthia Johnson Hesse, this year's Alice in Dairyland, will be giving a presentation of the marketing theme, "Something Special from Wisconsin." A question and answer session will be held after.

Cynthia (Cindy), 22, from rural Oregon, WI, is a 1984 graduate of the University of Wisconsin-Stout, Menomonie. She earned a B.S. degree in dietetics, with a minor in business administration.

She has been very active in FHA-HERO (Future Homemakers of America-Home E-

conomics Related Occupations), and in 1979-80, she served as the group's state president. From 1981 through 1983, she travelled throughout the state as the March of Dimes state youth representative. While in college, she was involved with the Nutrition and Food Association.

"My emphasis will be on nutrition," says Cindy. "Nutrition is a very important concept when promoting agricultural products because consumers are concerned with the nutritional value of the foods they eat. The nutritional value of our agricultural products is one of those 'something specials' we should take advantage of to increase consumption and sales," she added.

The Kewaskum FFA would like to invite the community, farmers, businessmen, community leaders, and anyone else, to attend this meeting and hear a distinguished speaker talk about agriculture.

People in the 16th century believed they could predict the future by throwing dirt into the air and "reading" the patterns it made when it fell.

accept computer credits at any time in the curriculum. Health requirements have been changed from ninth through twelfth grades to seventh through twelfth.

Kewaskum School Board member Tom Brigham asked the two men what their feelings were on alternative funding, such as liquor and cigarette taxes, bingo, lotteries and gambling. Stitt said he was not in favor of a lottery. "It's just a form of raising your taxes without you knowing," he stated. "Raise the sales or income tax, but at least be up front about it," said Stitt.

York told the meeting, "there's a lot of money in Madison right now and I don't think we have to raise taxes."

Regarding a minimum \$18,000 a year starting salary for teachers, state legislators have already killed that proposal, said York and Stitt.

The board also approved a Class B beer license for the Chamber of Commerce at the Dairy Daze celebration on June 15th.

The board awarded a contract to Johann Plumbing for installation of separate water utility meters for the village owned property at 1102 Fond du Lac Avenue. The two-family residence is presently served by one set of utilities and meter. Johann had a low bid of \$1,175. Frank Krueger Plumbing bid was \$1,190.

Administrator Dan Schmidt informed the board that Bowmar Appraisals will hold an open book on April 18th, and a board of review is scheduled for May 13th.

Stollenwerk issued a proclamation recognizing Professional Secretaries Week from April 21 to 27.

The board then adjourned to closed session.

CONTROL APPETITE

To control your weight, eat a slice or two of whole grain and high fiber bread with a glass of water before you start a meal, to give yourself a feeling of bulk and fullness so that you will eat less. The natural cellulose-roughage content of high-fiber bread will absorb water to increase the feeling of fullness in your stomach and ease the hunger urge. Also eat very slowly and you'll find yourself satisfied with less - the pounds will start melting away.

Three Injured in Spectacular Crash

By GERRY MUELLER
Statesman Staff Writer

Three young men survived a wild crash late Friday night which demolished the 1974 Chevrolet Nova in which they were riding.

Richard Gaspardo, 20, of 633 Imperial Court, West Bend, Scott Sattler, 20, of 911 Manchester Court, Hartland, and Allen Standish of the Imperial Court address, were transported by Kewaskum ambulance to St. Joseph's Community Hospital, West Bend, where they were treated and released for

minor injuries suffered in the incident.

The one-car accident occurred on County Line Road, between Forest View Road and Kettle Moraine Drive, at the Washington-Fond du Lac County line. The Washington County Sheriff's Department report stated the car, traveling west on County Line, skidded 173 feet, crossed the eastbound lane, entered a ditch, struck a tree, rebounded and struck a second tree, rebounded again and uprooted a third tree before coming to rest, upside down, across

the road.

Debris from the wreck was scattered for more than a block from its final resting place. The back seat of the car landed 50 feet into the woods and the transmission was found approximately a half block down the road. The vehicle had to be loaded onto a flatbed for removal from the scene.

Gaspardo, the driver of the vehicle, managed to walk approximately 1/2 mile to the Eugene Pesch residence on Kettle Moraine Drive where they called for help.

First Mary R. Ciha Memorial Scholarship Awarded

The first Mary R. Ciha Memorial Scholarship was awarded to engineering student Linda Rogalinski at the University of Wisconsin College of Engineering EXPO Awards Banquet, Wednesday, April 17 in Madison.

The youngest daughter of Al and Claire (O'Konski) Ciha, 9429 Mullen Dr., Allenton, Mary was Industrial Exhibits chairperson of the 1983 Engineering EXPO when she was killed in August, 1982, in a highway accident in Texas. Mary graduated from Kewaskum High School in 1978. At the end of August, she would have begun her final year of under-

graduate study in Industrial Engineering.

The Mary R. Ciha Memorial Scholarship was initiated with funds raised from the 1983 EXPO, and is continually funded by family and friends through the University of Wisconsin Foundation.

Offered on a biennial basis in coordination with the Engineering Expositions, this \$750 award was presented to Linda for her academic excellence, communication abilities, enthusiasm for engineering, and extra curricular involvement. She is studying Civil Engineering with an emphasis in the sanitation and environmental areas.

Two Scholarships Awarded By AMPI Women of 7C

Randall Igel of 630 E. Newark Dr., West Bend, son of Roger and Joan Igel, was selected to receive a \$100 scholarship. Randall is a student at Kewaskum High School and plans to attend UW-Washington County Campus, West Bend, majoring in animal related Biology and Chemistry. Previously, Randall did volunteer work at the Washington County Humane Society and was a member of the Washington County Veterinary Explorer's Club.

Carl Nehm of 5595 Hwy. 144 S., West Bend, son of Robert J. and Kathleen C. Nehm, was also selected to receive a \$100 scholarship. Carl is a student at Slinger High School and plans to attend UW-Washington

County Campus, West Bend, majoring in Dairy Science and Agronomy.

He works full time on the family farm and helps neighbors. He has been a member of the FFA for four years and was an officer for two years. Carl has received four state awards for farming programs (Ag Mechanics, Dairy Production and two in Home Farmstead Improvement). He has also received the FFA Member of the Year Award, FFA State Leadership, WI Farmer Degree and was a Gehl Essay Winner two years.

The scholarships were awarded by the Associated Milk Producers Inc. Women of 7-C District.

Items Worth \$1,370 Taken in Town of Auburn Burglary

A video cassette recorder, camera, cash and jewelry worth an estimated \$1,370 were stolen in a burglary last Tuesday at the Leon Schultz home, 1531 Forest View Road, Town of Auburn.

Schultz reported to the Fond du Lac County Sheriff's Department that an intruder gained forced entry to the home between 10:30 a.m. and 2 p.m.

Among items stolen, he said, were a video cassette recorder, 35mm camera, cassette tape recorder, \$250 cash, two jewelry boxes, man's silver wedding band, girl's high school class ring, man's ring, set of keys, four old silver dollars, set of cuff links and tie tack, silver chain, two bracelets, 18 necklaces, pocket watch and miscellaneous other jewelry and coins.

The intruder, Schultz said, did an estimated \$85 damage to the home in gaining entry.

Part of Village Without Power

Much of the village's east side was without electrical power for a little over a half hour Friday afternoon due to an equipment short in a substation. The power went out shortly after 2:45 p.m. and was restored just after 3:30 p.m.

It was reported that 1,811 customers were without services for the 30-plus minutes the problem was being corrected. The Wisconsin Electric Power Company said a 26,000 volt fuse had blown in the substation on the southeast corner of Memorial Drive and County Trunk H.

No one is sure what caused the short but it's possible that someone threw a piece of wire over the fence, since one was found in the area, or that a bird or animal in the fence caused the short.

Gary Gerhartz to Be Vocalist At Marian College Concert

The Marian Community Symphony Orchestra of Fond du Lac will be in concert on Sunday, April 28, at 2 p.m. at the Commons, featuring three soloists and duo flutists.

The symphony orchestra guest performers this spring are baritone vocalist Gary Gerhartz, a graduate of UW-Milwaukee in Music Education and Applied Voice, presently teaching in Kewaskum Community Schools as a music instructor; Jan Jacobi, trumpeter, of Fond du Lac, a graduate of the University of Iowa and presently teaching music in the Fond du Lac Public Elementary Schools; and Dr. Robert Cullen of Fond du Lac, a graduate of Edgewood College, playing solos on his self-constructed harpsichord. Two flute players from the symphony, Ted Heubbe and Lisa Bartol, will play a duet accompanied by the orchestra.

Selections for the concert by the orchestra are: "Chorale and Fugue," Bach; "Water Music" by Handel; "Allegro in C," Mozart; "Rosamunde Ballet" by Schubert; "Interlude" by Fond du Lac's own composer, George Resheske; and "The Blue Danube Waltzes" by

Strauss.

Tickets for the concert can be purchased at the door of the Marian Commons. Prices are: \$2.00 adults; \$1.50 students and senior citizens.

Directors of the symphony are Dr. Cecelia Schlaefer, CSA, of Marian College and Charles Bart, retired musician from the Hartland schools.

Ms. Hoenecke Graduate Of McConnell School

Katherine Hoenecke, daughter of Rev. and Mrs. Paul Hoenecke of Kewaskum, has accepted a position with the Dillon Inn, Wauwatosa, WI.

Ms. Hoenecke graduated recently from the McConnell School, Minneapolis, MN, where men and women are trained for careers in travel-related fields.

Campus Notes

Menomonie, Wis. — Four students from the Kewaskum area have been given the Chancellor's Award for academic excellence during the first semester at UW-Stout.

They are Joan Hanrahan, daughter of Mr. and Mrs. George Hanrahan, 4930 Highway 28W, Kewaskum, who majored in home economics education; Amy Sekas, daughter of Mrs. Warren Sekas, Route 2, Campbellsport, who majored in art; Shelly Sekas, daughter of Mrs. Warren Sekas, Route 2, Campbellsport, who majored in home economics education; and Steven Straub, son of Hugo and Isabelle Straub, 1035 Hillside Drive, Kewaskum, who majored in industrial technology.

The award is presented to students who have a semester grade point average of 3.5 or above.

WAVERLY (IOWA) — Eleven Wartburg College

mathematics students have been initiated into the Iowa Delta Chapter of Kappa Mu Epsilon, national mathematics honor society.

This brings the total active membership of KME on campus to 37. Open to faculty as well as students, it is a member of the Association of College Honor Societies and is designed to further interest in mathematics and to provide a vehicle for recognition of outstanding achievement in the field.

New members include Jandelyn Hazlewood of West Bend. Hazlewood, a graduate of Kewaskum High school is the daughter of Mr. and Mrs. John Hazlewood, 1093 Fairfield, West Bend.

Sixty high achieving students at the University of Wisconsin-Stevens Point were inducted Sunday into the campus chapter of Phi Eta Sigma, the national

freshman honor society.

Students who have earned at least a 3.5 gradepoint on a 4.0 scale either during their first semester or first full year are invited to become members of the organization. There are chapters on 252 campuses in the United States.

Parents of the students were invited to be special guests at an induction ceremony in the Founders Room of Main Building. A banquet followed in the University Center.

The inductees included Kirkland Vogt, 1914 Trails End Ln., Kewaskum.

The organization promotes scholastic activity as an on-going activity and also sponsors special public service events. Next year, the members intend to be involved in programs for gifted and talented youth in Central Wisconsin.

Badger Boys and Girls State Selections Announced at KHS

Kewaskum Statesman, Page 6
Friday, April 19, 1985

Kewaskum Badger State delegates [left to right] — Ada Thull, Ron Theusch, Ellen Beisbier, Rick Heller, Michelle Gebheim.

This year some 2,000 junior boys and girls throughout Wisconsin are selected to represent their schools and community at a state gathering of Wisconsin School students. This year the KHS delegates, sponsored by

both the local American Legion Post and Kiwanis organization, will be participating in the girls' forty-first and boys' forty-third annual workshop.

This year Ada Thull, daughter of Mr. and Mrs.

Norbert Thull, Kewaskum; Ellen Beisbier, daughter of Mr. and Mrs. Cornelius Beisbier, Kewaskum; and Michelle Gebheim, daughter of Mr. and Mrs. Mitch Gebheim, Kewaskum, were the three junior

students selected from the top third of junior class girls.

Richard Heller, son of Mr. and Mrs. Robert Heller, Kewaskum, and Ronald Theusch, son of Mr. and Mrs. Richard Theusch, Kewaskum, were the

two junior boys selected from the top half of their class.

The selection of delegates is based on the students scholastic standing, their participation in extra-curricular activities such as athletics, music, speech, journalism, clubs or other school organizations and their adaptability to the Badger State program.

Alternate girl and boy delegates selected were Lisa Krahn, daughter of Mr. and Mrs. Sylvester Krahn, Adell; Beth Bartelt, daughter of Mr. and Mrs. James Bartelt, West Bend; Lisa Fusek, daughter of Mrs. Ruth Fusek, Kewaskum; Kyle Vogt, son of Mr. and Mrs. Wayne Vogt, Kewaskum, and Rick Staehler, son of Mr. and Mrs. John Staehler, Kewaskum.

The girls will start their week of activities on June 9th at Madison while the boys begin their week of activities in Ripon, Wis. on Saturday, June 15.

Through this Badger State program, those high school leaders of the future should develop a sense of individual obligations to their community, state and nation.

Citizens Credit Corp. Introduces Variable Rate Auto Financing

Gail R. Larson, President of Citizens Credit Corporation, a wholly owned subsidiary of West Bend Savings and Loan Association and a Financial Resource Group member, recently announced the introduction of Variable Rate consumer financing.

The new variable rate auto loans offered by Citizens Credit Corporation are designed for new and late model used car and truck buyers that are looking for lower monthly payment amounts and protection against volatile interest rates.

"Auto buyers continue to face the problem of increasing sticker prices matched with out-dated financing methods," Larson said, "as a result, large monthly payment amounts have priced many buyers out of the market." A relatively new concept to this area, "the variable rate financing method is better suited to the needs of today's auto buyers," Larson continued, "it lessens the strain on the family's monthly budget by offering a lower payment."

According to Larson, the term of a loan can sometimes be the deciding factor when it comes to affordability. Generally, the longer the term - the lower the monthly payment. Conventional financing terms typically range from a maximum of 48 months on new autos to 24 or 36 months on used autos. The new variable rate financing method extends the term to a maximum of 60 months for new vehicles and 48 months for late model vehicles.

"Rate and payment amount protection are also very important to auto buyers," Larson said, "conventional financing locks-in a rate and a monthly payment amount, but does not allow for rate reductions during market swings. Variable rate financing, however, generally offers a rate lower than most fixed plans plus it allows the buyer to take advantage of rate

swings without changing the monthly payment."

Based on a method that is indexed and tied to the 6-month Treasury Bill Auction rates, Citizens Credit Corporation establishes offering rates effective the first of every month. Borrowers' interest rates are adjusted every 90 days but the payment amount remains the same. According to Citizens Credit Corporation the only effect felt by the borrower is

that the term of the loan may be shortened or lengthened depending upon market conditions.

Citizens Credit Corporation will continue to offer fixed rate financing along with the new variable rate plans. The company currently serves the consumer financing needs of West Bend Savings and Loan Association customers and has authorized loan officers in West Bend, Jackson, Germantown, Slinger and Kewaskum.

Winners Announced At Beechwood Easter Egg Hunt

More than 50 school-age children in the Beechwood area gathered Saturday, April 6 at Beechwood Fire Hall to look for Easter Eggs at Modern Woodmen of America's annual Easter Egg Hunt. The Beechwood Fire Dept. Auxiliary assisted in sponsoring the community event for children.

Modern Woodmen of America sponsors Easter Egg Hunts in many communities throughout the United States," says Jerome Beine, MWA Representative. "The Easter Egg Hunt is part of our broad youth program, which provides children with recreation and encourages their interest in hometown activities."

A total of 144 eggs were hidden for community children to find, and prizes were awarded to the children in various categories.

Winners in the contest were: Modern Woodmen prizes: Sarah Liebelt, Doug Buechel and Jason Link; Bank - Donated by Valley Bank of Kewaskum to Nicole Vetter and three auxiliary prizes were also awarded.

"Our annual Easter Egg Hunt makes the Easter Holiday special for Beechwood children," said Kathy Mueller and Thea Liebelt co-chairmen.

Modern Woodmen of America is a Fraternal Life Insurance Society with Home Office in Rock Island, Illinois.

Junior Woman's Club Receives Awards at District Convention

Junior Woman's Club members attending the Sixth District Convention at Ville du Parc Country Club at Mequon.

The GFWC Kewaskum Junior Woman's Club was represented at the 69th annual convention of the Sixth District Wisconsin Federation of Women's Clubs by five of its members. Delores Ninnemann, Campbellsport, 6th District President, presided at the conference which was hosted by the GFWC Cedarburg Woman's Club at the Ville du Parc Country Club, Mequon.

Highlights of the convention included awards, scholarships, and county caucuses. Entertainment was provided by Ellie Quint and Suzy Potter with their program, "Women in Song."

Kewaskum Club President Gayle Van Ess led the delega-

tion to Mequon. The Kewaskum Club has been involved in many worthwhile projects in the community over the past year, and received awards for several of those projects including "Concern for Kids in the Community" and "Lifespan Learning."

Membership in the Kewaskum Jr. Woman's Club is open to all area women between the ages of 18 and 40 who wish to join the world's largest women's volunteer organization in service to Kewaskum. The last regular meeting of the club year will be held Tuesday, May 14, at 7:30 p.m., at the American Legion Hall. Call 626-2205 or 626-4669 for details.

Moraine Symphony Plans Spring Concert

The Moraine Symphony Orchestra will present a Spring Concert at the University of Wisconsin Washington County Campus in West Bend on Saturday, April 20th, at 7:30 p.m. The orchestra, which is directed by Professor Albert Asch, will perform in the University Center Auditorium.

The theme of the concert is "Something For Everyone" and the orchestra will perform in a variety of musical styles with the full symphonic sound. Johann Sebastian Bach will be represented in this 300th celebration of his birthday by his rich sounding "Prelude and Fugue." The finale to the "Symphony No. 2" by Jean Sibelius will provide the romantic nationalism of the 19th Century. For the category of opera music the musicians will play the overture to "Die Fledermaus" by Johann Strauss, and on the lighter side the orchestra will perform "Procession of the Sardar" by M. Ippolitov and the famous "Ballet Parisien" by Jacques Offenbach.

Tickets to "Something For Everyone" are \$2.00 and will be on sale at the box office the night of the concert on April 20th. Children under twelve will be admitted free.

NAME OMITTED

The name of Chad Warnecke was omitted from the 7th grade low honor roll submitted by the Middle School and published in last week's paper.

Unique Woman of God Retreat Saturday

The Unique Woman of God Retreat will be honored this year with inspirational music by the Joyful Heirs of Waupun. They were well received at the last Retreat and have agreed to return this year.

Matenaer Wins \$50 Grand Prize At Teen Dance

Tony Matenaer

At the recent Kewaskum FFA Alumni sponsored teen dance, the \$50 cash grand prize was won by Tony Matenaer of 2050 Hwy. 28, Kewaskum.

Tony is a senior at Kewaskum High School and has been an FFA member for four years. Tony was the lucky winner among several hundred teens who attended the annual dance, held at Amerahn on April 4.

Entertainment for the evening was provided by Boogie Time Duke, disc jockey productions of New Holstein.

Several other contests and pizza winners were announced during the evening.

The committee wishes to thank all who made this dance a success, and hopefully our organization can continue to offer community projects to our area youth, for years to come.

It is better to ask some of the questions than to know all the answers.

Cedar Lake Home Musicale to Aid Troubled Families

Proceeds from the April 25 and 27 Cedar Lake Home Campus musicale, "The Looking Glass of Song" will aid a number of community programs, including the "Engagement for Change" program for families of troubled adolescents.

This unique camping program, which helps families begin the process of analyzing and coping with their sometimes painful situation, was developed by Sunburst Youth Homes, Neillsville, Wisconsin.

The Sunburst Home helps "problem" children by mainstreaming them into a select society, within a buffered environment, and addresses each child's specific problem without isolating the child.

Both the Cedar Lake Home Campus and Sunburst are members of the Council on Health and Welfare of the United Church of Christ.

Unlike traditional methods of family counselling, "Engagement for Change" is a concentrated team approach to therapy. Here the family members, a trained therapist, and the family's minister make a concentrated and ongoing commitment to resolve the problems and save the family unit.

The musicale proceeds will also pay for a 20' x 20' projection screen at the West Bend High School community auditorium and will go for special music programming at the Cedar Lake Home Campus satellite campuses.

The Looking Glass of Song is a musicale reflection of American music from the Revolutionary days to present day. It will be presented at the West Bend High School, Thursday, April 25, at 7:30 p.m. and Saturday, April 27, at 1:30 p.m. and 7:30 p.m. Passes are

\$4 each and are available from West Bend Savings and Loan, main offices; M & I 1st National Bank, West Bend; Valley Bank at Allenton and Kewaskum; and Slinger F & M Bank.

Farmington Holds Easter Egg Hunt

More than 120 pre-school and school-age children in the Farmington area gathered Sunday, March 31, at Farmington School to look for Easter Eggs at Modern Woodmen of America's annual Easter Egg Hunt.

The Fillmore Fire Department and P.T.O. at Farmington assisted in sponsoring the community event for children.

Modern Woodmen of America sponsors Easter Egg Hunts in many communities throughout the United States, according to Jerome Beine, M.W.A. representative. "The Easter Egg Hunt is part of our broad youth program, which provides children with recreation and encourages their interest in home-town activities."

A total of 600 eggs were hidden for community children to find, and prizes were awarded to the children in various categories.

"Our annual Easter Egg Hunt makes the Easter Holiday special for Farmington children," says Barbara Brown, chairperson.

KHS Students Return With 2nd Place Trophy in First Olympics of the Mind Competition

Kewaskum High School students returned with the 2nd place trophy in their first Olympics of the Mind competition. Left to right — Denise Meyer, Leighton Peterson, Tom Strigenz, Ron Theusch, Beth Bartelt, Mr. Robert Sobelewski [coach], Amber Charland, Mike Steinhardt.

Olympics of the Mind (OM) is a multileveled series of problem solving competitions designed to nourish creativity in students. These competitions require teams of students to utilize their divergent thinking skills - i.e., originality, flexibility - to redefine and solve problems. The OM competitions take place at local, regional, state, and international/world levels. A team must win first place at one level of competition in order to advance to the next level.

Olympics of the Mind competitions are age-graded into three different divisions. Students from kindergarten through fifth grade compete in Division I, students from the sixth through eighth grades compete in Division II, and students in grades nine through twelve compete in Division III.

During an OM competition, each seven-member team of students is required to solve two types of problems, a long-term problem and a spontaneous problem. Each team chooses to solve one of several long-term problems it was provided by the OM Association. The teams have approximately two months to develop and construct solutions to the long-term problems. The one spontaneous problem each team is presented with for the first time at the competition may be a brainstorming type problem, involve drawing, require costume creation, ask for dramatization or creative writing, or involve building something. The solutions to the long-range and spontaneous problems are judged on their quality and each team's style in attaining/presenting their solutions.

This was the first year in which the Kewaskum Public Schools participated in the Olympics of the Mind program. The OM program is in its eighth year.

All Kewaskum High School students were invited to try out for the KHS Olympics of the Mind team during the week of January 14th-18th. Thirty-six potential team members competed among themselves on

problems requiring creative thinking. Each potential team member was given several problems to solve, some requiring oral solutions and some requiring written solutions. Team members were selected according to the creativity reflected in their solutions to the problems. Members of Kewaskum High School's OM team were Beth Bartelt, Amber Charland, Denise Meyer, Leighton Peterson, Mike Steinhardt, Tom Strigenz and Ron Theusch.

Once the team members were selected, they met frequently during the next two months to work on their long-term problem and develop their spontaneous problem solving skills. The long-term problem the team decided to solve was to build a robot. The robot was required to do classwork in math, science, social studies and geography. Furthermore, the robot had to pick up trash from the floor and place it in a wastebasket and hand in a term paper. The team members' spontaneous problem solving skills were developed through exercises in brainstorming techniques, redefining problems, and the ability to synthesize. This year's OM team was coached by Mr. Robert Sobelewski.

On March 30, the KHS Olympics of the Mind team placed second in the regional competition at Morse Middle School in Milwaukee. Nine southeastern Wisconsin schools participated in the regional competition. Heading into regional competition, the KHS team's robot, a wooden structure powered by automobile windshield wiper motors and remote control toy car motors, was functioning flawlessly. The KHS team appeared to be a strong contender to win first place after capturing the

collective imagination of the audience and the judges with the western motif of its presentation, complete with costumes, music, and decorating the robot to look like a covered wagon. Unfortunately, a malfunction in one of the windshield wiper motors prevented the robot from completing all seven of the required tasks.

The creativity and ingenuity of the Kewaskum High School OM team was praised by all

who saw their robot, judges and members of the audience and competing teams alike. Furthermore, the OM team and its project won the media attention of a Milwaukee Journal reporter and WTMJ-Channel 4 news crew.

Kewaskum High School's first entrant into Olympics of the Mind competition can only be classified a resounding success.

District Middle, Elementary Schools Compete in Olympics of the Mind

Approximately 900 students, coaches, judges and parents attended the Wisconsin Schools Olympics of the Mind Competition at Morse Middle School in Milwaukee on Saturday, March 30. The Olympics of the Mind is a problem solving competition that requires students to create, invent, design and solve problems.

This was Kewaskum's first trip to the state regionals competition and it sure was a learning experience.

Since its formal inception in 1978 the OM Competition has spread like wild fire across the nation and into Canada.

There are three categories that a team is judged on:

1. Long Term Problem
2. Spontaneous Problem
3. Style Points

The OM Association has organized the competition into the following divisions:

- Division I - Grades K-5
- Division II - Grades 6-8
- Division III - Grades 9-12

The five long term problems this year were:

1. Ecology Dozer
2. Hi Tech: Smarty Pants
3. Music Maestro, Please
4. Compound Fracture
5. Big Top

BEECHWOOD ELEMENTARY Coach Doris Delzer

The team from Beechwood consisted of seven students from grades 3, 4 and 5. They were Jason Horn, Dixie Schneider, Janelle Horn, Todd Muckerheide, Bryan Blair, Jenny Beimborn and Melanie Lepp.

For their long range project, the team chose Music Maestro, Please. Their problem was to develop a skit, light show, etc. to accompany one of 10 classical music selections. The team chose a piece from Nutcracker Suite, and performed a short play/ballet to accompany it. The theme they chose was "Music Soothes the Savage Beast." Many hours were spent making paper mache heads and animal costumes, but all went smoothly for their performance March 30.

Parents will be able to see the act at the May PTO at Beechwood School.

FARMINGTON ELEMENTARY Coach Mrs. Marlene Domasky

For OM the following Farmington students produced a short circus skit that included all costumes, acts and scenery. Amy Kirmse was the Head-Mistress who did a super job of introducing acts and keeping the circus animals in order. Foxy tiger, Christa Schmidt, jumped rope. Adam Pilachowski was the animal trainer who helped Joe Horvath, a raggedy rat, do break-dancing and a

purple seal, Christa Schmidt, do rope tricks. Moonshine monkey, Nicki Cayner, added between the scenes comedy. Joe and Christa were also a two-headed lizard who did a twirling act.

Kevin Kohn and Amy Gergetz helped out on the team in the spontaneous part of the competition as well as preparation for the circus presentation.

Everyone on the team felt the competition was very exciting and a great experience. They can't wait until next year. As the Farmington coach, Mrs. Domasky feels all the work was well worthwhile and should be expanded next year.

KEWASKUM ELEMENTARY Coach Erv Uhlman

The Kewaskum Elementary School Olympics of the Mind team has recently completed its activities for this year. Competing at the regionals in Milwaukee were Krysten Ammel (3rd grade), Jenny Campbell (5th grade), Kevin Hinz (4th grade), Paul Janik (3rd grade), Jason Noren (5th grade), Sheldon Oppermann (5th grade), and Michelle Wietor (5th grade).

The team's long range problem involved building a balsa wood structure that would support up to 200 pounds. The team and their coach (Erv Uhlman) enjoyed the experience, learned a lot about problem solving and team effort, and are eager to try again next year.

WAYNE ELEMENTARY Coach Mrs. Mary Diez

Wayne's Olympics of the Mind team worked on the High Tech: Smarty Pants problem. After hours of experimenting and practicing, the robot was ready to go.

Unfortunately, technical problems plagued the robot's performance at the time of the competition. Despite the discouraging conclusion to the long hours of preparation, team members Julie Mertz, Jenny Brigham, Sarah Brath, Stacey Pamperin, Josh Manchester, Russ Bielaga and Kim Petrie learned much about teamwork, frustration, and finding satisfaction in having given their best effort.

KEWASKUM MIDDLE SCHOOL Coach Mrs. Kathy West

The Kewaskum Middle School Olympics of the Mind team consisted of Curt Ammel, Ira Sison, Peter Harju, James Dionne, Suzie Rinzel, Katie Bolland and Michael Kocher.

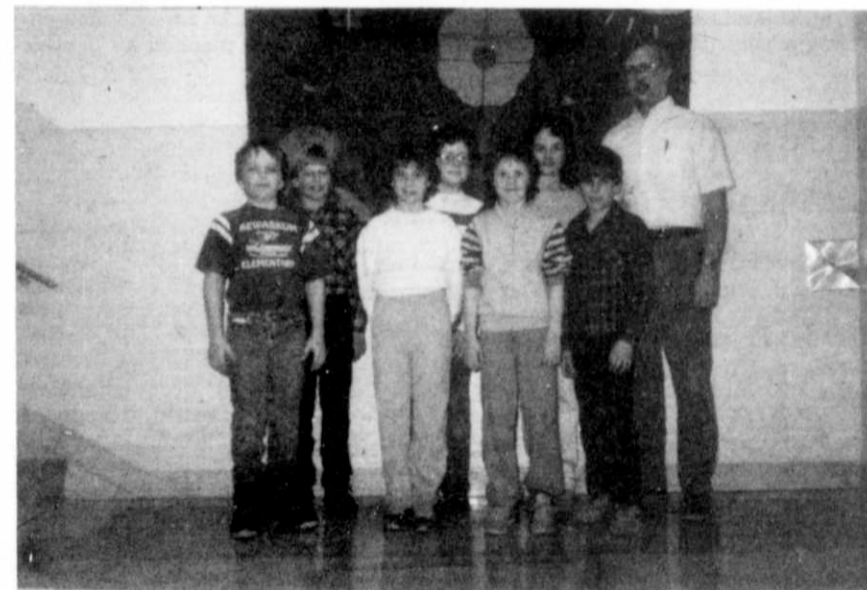

The team was required to design and make "Smarty Pants," a robot to do school work and pick up trash; and deliver a get well card and term paper.

BEECHWOOD ELEMENTARY — Top: Jenny Beimborn, Bryan Blair, Dixie Schneider. Front: Todd Muckerheide, Janelle Horn, Melanie Lepp, Jason Horn, Ms. Delzer.

FARMINGTON ELEMENTARY — Mrs. Domasky, Christa Schmidt, Nicki Cayner, Kevin Kohn, Amy Gergetz, Joe Horvath, Adam Pilachowski, Amie Kirmse.

KEWASKUM ELEMENTARY — Sheldon Oppermann, Kevin Hinz, Jenny Campbell, Jason Noren, Krysten Ammel, Michelle Wietor, Paul Janik, Erv Uhlman, coach.

MPTI Offers Computer Training To Fire Fighters

Friday, April 19, 1985, Kewaskum Statesman, Page 12

Albert Wolf, treasurer of the Allenton Fire Department, gets hands-on training on a microcomputer at MPTI's Fond du Lac campus.

Computers are being used in every field of occupation these days, and fire fighting is no exception.

Moraine Park Technical Institute is providing micro-computer training to 49 fire fighters from 11 area fire departments this spring. The course, "Microcomputer Applications for Fire Service," was created as a direct result of a survey of interest conducted in November 1984 by Jerry Stepien, Chairperson of MPTI's Safety Division.

"We had suggested computer training to our Fire Science Advisory Committee in late 1983, with little interest," said Stepien. Only a year later

the interest was there, an indication of the growing national recognition that computers are valuable tools that can be applied to almost any job situation.

The first class of 20 fire fighters met on Saturday, Feb. 16, for an all-morning, hands-on introduction to the micro-computer. Another 20 fire fighters attended the afternoon session. Instructor Bruce DeBoer, Moraine Park's micro-computer specialist, developed the course to provide specific fire fighter applications of existing computer software.

The course was an ice breaker into the computer world for fire fighters, said Ken Reiser, Chief

of the Allenton Fire Department and a member of MPTI's Fire Service Advisory Committee. Decision making, record keeping and other applications were mentioned by Reiser and other participating fire fighters from departments in West Bend, Beaver Dam, the Town of Fond du Lac, Allenton and Kewaskum.

A second section of the course was offered on April 13, again with 20 students receiving instruction in the morning and another 20 in the afternoon. Some openings are still available; to register, call 929-2100.

An intermediate-level course is planned for September 1985.

THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

Survivors include four children, Alice (John) Heindl, William (Jeanne), Grace (John) Kuester and Roman (Mercedes) all of Kewaskum; 17 grandchildren; 16 great-grandchildren; two sisters, Helen Bunke and Catherine (Lavern) Jones, both of West Bend; one sister-in-law, Olive Otten of West Bend, and other relatives and friends.

His parents, one son, Paul, and five brothers preceded him in death.

He was a member of Immaculate Conception Parish, West Bend.

Funeral services were Wednesday, April 17, at 8 p.m. at the Schmidt Funeral Home, West Bend. Burial was in St. Mary's Cemetery Thursday at 9:30 a.m.

Visitation at the funeral home was Wednesday from 4 p.m. until the time of services.

CECILIA D. McCARTNEY

Cecilia D. McCartney, nee Tackes, of West Bend, died Thursday, April 11, 1985, at St. Joseph's Community Hospital, West Bend, at the age of 55.

She was born February 21, 1930, in West Bend and married Merlin McCartney on December 21, 1946, in Waukegan, IL.

She was a member of the Women of the Moose, West Bend Lodge 732, and had been a cashier at Kohl's Department Store, West Bend.

Survivors include her husband; two children, Gerald (Lynne) of Case Grande, Ari-

zona, and Kim (Louie) Repp of Kewaskum; four grandchildren, Brian, Nicholas, Carol and Julie; four sisters, Gertrude Feider of Random Lake, Frances (Elroy) Feiereisen of Saukville, Ardell (Donald) Yochem of West Bend and Vernita (Orville) Bayer of Campbellsport; two brothers, Lester (Rene) of Arlington Heights, IL and Elmer (Hildegard) of Oak Creek, and other relatives and friends.

Preceding her in death was a son, Jeffery.

Funeral services were held Sunday, April 14, at 8 p.m. at the Myrhum Funeral Home, West Bend. Rev. Victor Hackbarth officiated and burial was Monday morning at Newark Cemetery, West Bend.

Jobs for Youth

West Bend Job Service is now accepting applications for the Summer Youth Employment Program (SYEP), which is federally funded through the Job Training and Partnership Act (JTPA). The program intends to provide entry level work experience opportunities for up to 165 youth from economically disadvantaged families.

Qualified applicants will be: 16-21 years old, residents of Washington County are attending Washington County schools, and economically disadvantaged (i.e.: Low-income, AFDC, Handicapped, Self-supporting College Students or Foster Children).

Those placed may work up to 40 hours per week and will be paid at least \$3.35 per hour. Full or part time work sites will be available throughout the county.

Interested applicants or their parents may contact Carol Morris, Summer Youth Employment Program Coordinator at 338-4737.

Campbellsport Building Supply Open for Business

Friday, April 19, 1985, Kewaskum Statesman, Page 13

A few months ago the Campbellsport area was shocked to hear that B & H Lumber Company was to be closed. That was forgotten recently as Albert Fleischman has purchased the facilities, and a "lumber company" was again open for business in Campbellsport.

Campbellsport Building Supply will feature free planning and architectural services which are available for new homes, remodeling, additions, etc. Campbellsport Building Supply employs four people — Albert Fleischman and his wife Joan, Judy Christensen and Ken Prochnow. The Fleischmans reside at 1802 Auburn-Ashford Drive, Campbellsport. She is the former Joan Gutjahr of Kewaskum.

Conference Is Scheduled For Working Moms

Are you a working mother? Is your early morning crowded with thoughts of when to shop, how to care for your child with the flu or find ten minutes for yourself?

To help moms learn to make good decisions and organize their lives, a "Working Moms" Conference, sponsored by U.W. Extension, will be held at the UWWC Campus in West Bend on Thursday, April 25.

Guest speaker Gloria Gilbert Mayer, author of the book, "2001 Hints For Working Mothers," will talk about such topics as getting organized, managing time, goal setting and getting the kids to do their chores.

Dr. Mayer received her doctorate in education from Columbia University and is a registered nurse. Recognized nationally for her work in the health care field, Dr. Mayer has written numerous articles on hints for working mothers. She has appeared on many radio and television programs, including the nationally aired "Hour Magazine."

In addition to the keynote speaker, those participating in the conference may attend a workshop on time management, child care for pre-school children, latch key children, dealing with adolescent children or husband/wife relationships.

The conference registration fee is \$8.00. Dinner cost is optional at \$6.00.

The conference is sponsored by the Southeast District Cooperative Extension Service Home Economists, the Racine Journal-times, the Kenosha News, the Johnson Wax Company and Discovery Toys.

For more information, contact Joyce Albrecht, Extension Home Economist, Courthouse Annex II, P.O. Box 537, West Bend 53095. Phone 338-4479; 644-5204 or 342-2929.

Plan Area Workshop For Town Officials

An area workshop for new and continuing town officials is scheduled from 9 a.m. to 4 p.m. on Wednesday, April 24, at the Ozaukee County Courthouse in Port Washington.

Cooperative Extension Service and the Wisconsin Towns Association are staffing the workshop which is especially designed for newly elected town board members, clerks, treasurers, and other town officials.

The April 24 meeting will include topics such as legal and historical framework, responsibilities of town officials, conducting the town's business, liability of town officials, open meeting law, budgeting and the town's responsibility in maintaining town roads.

Contact the Washington County Cooperative Extension Service Office at 338-4480, 644-5204 or 342-2929 for a registration brochure.

Letters to the Editor

April 8, 1985

Dear Mr. & Mrs. Harbeck,

As a public service, we are opening our regularly scheduled diet/nutrition class to attendance by anyone who might be affected by the disorder... "Anorexia/Bulimia." Parents, teens, young adults are invited to attend this free talk conducted by Jean Koch, Nutritionist/Dietitian, at 7 p.m. at the Health Hut fitness center, Campbellsport. Some of the symptoms are: abnormal weight loss; refusal to eat except for small portions; binge eating; vomiting, abusive use of laxatives, diuretics or diet pills; excessive exercise; see themselves as fat although they are thin; preoccupied with food; absence of/irregular menstrual cycles. If anyone... a friend or family member, is experiencing any of these, please attend, or call 533-4747 for more information.

Each Monday evening, diet classes are held on a different topic. Schedule for April is: April 22 - "Sugars...The Longevity Game;" April 29 - "Food Labels;" exercise/stretching classes are held before class at 6 p.m. with weigh-ins after. All classes are free to members but are open to anyone interested in diet and weight control at a \$4 daily fee. Registration is recommended in advance, so materials can be made for all attending. Bring a friend and get that "great fitness" feeling, just in time for the busy summer activities ahead!

Dear Editor,

The week of April 21-27 has been set aside to honor those individuals who unselfishly give of themselves - VOLUNTEERS!

The Samaritan Home is very fortunate to have many fine and dedicated volunteers. These individuals and volunteer organizations help to improve the quality of care our residents receive and we truly appreciate them! So, during this week, as always, we THANK YOU, Samaritan's Caring Team Volunteers!

Because the need for volunteers at Samaritan is great, I would like to encourage more people to become involved in this opportunity for giving. Your rewards will be many. Please contact me at the Samaritan for more information. Thank you.

Sincerely yours,
Mary Thiemer

To the Editor:

The Washington County Mental Health Center is the fortunate recipient of numerous

contributions by volunteers and community groups. These contributions come in the form of volunteer services (over 3,500 hours per year), and by donations from individual citizens, community groups, organizations, and businesses.

The Mental Health Center would like to take this opportunity to recognize those individuals, groups, organizations and businesses for their generosity and community support:

American Association of University Women, Dorothy Brasure, Allen Brath, Lois Buckman, Ann Cupery, Martha Davis, Louise Dhein, Ruth Fuhrman, Sandy Gasper, Lucille Gosse, Jackie Henderleiter, Jane Himes, West Bend Jaycees, Sue Kaegbein, Kewaskum Post Office, Jim Kirtscher, Bernie Klein, Delores Kleinke, Dawn Kraemer, Helen Lauters, Kay Leitzen.

To the Editor:

The purpose of the League of Women Voters of Washington County shall be to promote political responsibility through informed and active participation of citizens in government and to act on selected governmental issues.

Our local program is in support of county-wide library service for Washington County.

We are one of the last three out of 72 counties in Wisconsin (Ozaukee and Florence) not to have public access to county-wide library service. This leaves almost half (34,100) of the Washington County population without access to public library services.

The 34,100 figure is alarming as is the total sum of \$348,000. This is the amount of tax dollars the Department of Public Instruction has distributed to 69 other Wisconsin counties since 1979, which could have been used for library service in Washington County.

The \$348,000 figure comes from a portion of the state property tax that every Washington County taxpayer has paid since 1979.

The League of Women Voters enlists your aid and concern in bringing library services to all Washington County residents. Take the time to learn about the service, attend the public meetings of the Library Planning Committee and discuss it with your County Supervisor. If you are uncertain of your representative on the

County Board, call the Clerk's office for that information at 338-4301. All members of the Washington County Board of Supervisors need to know your library concerns. Please express them by a personal visit, letter or phone call soon. When citizens actively participate in government there will be benefits for all.

To receive the League's recently published fact sheet on county-wide library services, please call 338-3527.

Sincerely,
Collene Anderson,
Library Committee

A building permit has been issued at the office of the county clerk at the courthouse in West Bend to Aloysius Zehren, Kewaskum, to erect a Drive-In A & W root beer stand in section 7, Town of Kewaskum. Building of the stand is now in progress on a parcel of land purchased from Walter Meilahn on Highway 45, just south of the village.

In an all-school election on Tuesday, April 5, nine students were chosen to represent Kewaskum High School at County Day in West Bend on April 27. Candidates for the offices were chosen at a primary election. Each candidate was associated with either the Federalist or Nationalist party with the exception of judge and county superintendent of schools, which were non-partisan. There were contests for all offices except clerk of courts in which the winner, Nationalist Sharon Harbeck, was unopposed. For county judge, Timothy Coulter defeated Donald Theusch. Ralph Albrecht won the position of county superintendent of schools from Judith Theusch. The Nationalists won six of the seven political offices. The only Federalist victory was in the district attorney vote where Robert Kroncke won over Gerald Dreher. Other Nationalist winners were Sue Sengpiel, who defeated Leon Guntly for county clerk; Joanne Kempf, county treasurer-elect who won over Diane Becker; Marianne Schmidt, who won the position of register of deeds over Catherine Pesch; Konstantyn Sadownikow, elected county sheriff, defeated Patricia Edwards, and Elaine Bruessel, who won the county board of supervisors post from Mariel Seefeldt.

Four Kewaskum high school students who received "A" ratings at the district forensic

contest at Oshkosh State College on March 26, represented the school in the state contest at Madison last Saturday. Two of the local students received "A" ratings and two of them "B" ratings in the state meet. Carol Schladweiler received an "A" rating in memorized declamation and Robert Kroncke an "A" in four minute speech.

The Public Service Commission of Wisconsin recently granted without public hearing, the following contract motor carrier license, LC - 39545 - Reuben L. Martin, Route 2, Kewaskum, Washington County; Merchandise and supplies from Milwaukee and Kewaskum, to the unincorporated community of Wayne, Town of Wayne, for F. W. Fickert, doing business as Wayne Implement Co., Allenton. The Public Service Commission has also approved the following complete assignment of contract motor carrier license: assignment of Lc - 4220 from Wallace C. Geidel, Kewaskum, to Reuben L. Martin. Martin some time ago purchased the trucking business from Wallace Geidel, who operated the same many years.

A class of ten young people was confirmed at Peace United Church of Christ on Palm Sunday by the Rev. C. F. Hammen, pastor. The confirmands were as follows: Cynthia Erickson, Colleen Held, Ingrid Jorgensen, Margaret Kirsch, Gloria Schwind, Bruce Busch, James Dreher, Frank Kadinger, Kenneth Merwin and Curtis Rauch.

The Most Rev. Roman R. Atkielski, D.D., will administer the sacrament of confirmation at Holy Trinity Church, Kewaskum, on April 20. One hundred twenty children and five adults will be confirmed.

A daughter was born to Mr. and Mrs. Charles Schultz, 1240 Meadow Lane, Kewaskum, on April 7. A daughter was also born to Mr. and Mrs. Frank

Krueger Jr., 1232 Roseland Dr., Kewaskum, on April 13. Sons were born to Mr. and Mrs. John Odekirk, Route 2, Campbellsport, on April 7; to Mr. and Mrs. Raymond Broecker, Route 2, Kewaskum, on April 9; to Mr. and Mrs. Warren Doman, Route 2, Kewaskum, on April 12, and to Mr. and Mrs. Bernard Murray, 1207 Kewaskum St., Kewaskum, on April 12.

The meat market formerly operated by the late Philip McLaughlin, Sr. this week purchased and installed a new Federal All Porcelain refrigerator meat counter with a humidor cooking system, which is the latest development in cooling systems and display cases. The shop has also been completely fixed over and other new installations have been made. Philip McLaughlin Jr. has taken complete charge of the meat department and he will continue to make homemade sausages and will also do his own butchering.

The Tri-County League Forensic contest held at Kewaskum last Thursday afternoon and evening was well attended considering the very unfavorable weather that we had that day. Four schools competed for forensic honors in this contest. They were the high schools in Slinger, Lomira, Campbellsport and Kewaskum. In the afternoon contest Slinger won the Oratorical honors and Campbellsport carried off first place in the Extemporaneous Speaking contest. In the Declamatory contest held in the evening, Lorraine Habeck of Kewaskum was placed first in the serious declamations and Dorothy

Stellmacher was placed first in the humorous declamations.

Bock beer and bockwurst lunch will be served at Joe Eberle's tavern and beer garden Saturday evening.

Mrs. Amelia Butzlaff recently purchased the home owned by Louis Bunkelman on Elm Street which was occupied until now by Mr. and Mrs. Myron Perschbacher.

Reception Honoring 1984-85 Graduates To Be Held at MPTI

A reception in honor of all 1984-85 West Bend graduates will be held at Moraine Park Technical Institute, West Bend campus, on Sunday, April 28, from 1 to 3 p.m.

A recognition ceremony is scheduled for 2 p.m. in the cafeteria at 2151 N. Main St., where faculty will introduce students by program. The graduates' families and friends are invited to attend.

Minutes of Village Board Special Meeting

Special Meeting
April 10, 1985
4:30 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Special Session in the Council Room of the Municipal Building, 204 First Street.

Administrator Daniel Schmidt called the meeting to order. President Gerald Stollenwerk, Trustee Mary Krueger, Trustee David Nigh, Trustee Donald Mlodzik asked to be excused and were absent. Also absent were Trustee Paul Blumer and Trustee Thomas McElhatton. Trustee Howard Laubenstein was present.

Due to a quorum not being present, a motion to appoint a President Pro-Tem could not be asked for and the Administrator and Engineer Robert Skatrud proceeded to open the Storm Sewer bids and publicly read them aloud.

Three (3) bids were received as follows: Mueller Excavating, Campbellsport, WI - \$74,204.50; Zunker Contractors, Fond du Lac, WI - \$78,836.30; Ozaukee Excavating, Grafton, WI - \$93,649.50.

The Engineers will review the bids and submit a recommendation to the Village Board for appropriate action on April 15, 1985.

The meeting was then declared closed by the Administrator.

Former Area Volleyball Players to Compete in National Championship

Several former area volleyball players are the mainstay of a team that is heading to Long Island, N.Y., to compete in the USVBA National Volleyball Championship.

Included on the team are:

- Cathy Johnson — West Bend West varsity volleyball coach and former UW-La Crosse and West Bend East player.

- Debbie (Zimmerman) Butschlick — West JV coach and former UWWC and West player.

- Shelly (Polar) Johnson — Paceloi High School VB coach (Stevens Point), former Badger coach and player at Whitewater and UWWC.

- Lily Morales — Ozaukee JV coach, former West teacher and Arizona State player.

- Pam (Scannel) Lahmann — Waukesha JV coach and former Oshkosh and Kewaskum player.

- Eileen Knaub — Student at MATC and former player at Ozaukee High School.

Rounding out the team are Julie Kakuska, a senior at La Crosse Logan who will be accepting a VB scholarship at Arizona State, and Cindy

Hanson, coach at Middleton High School and former UW-Madison player.

The team won a berth at nationals by winning the Lakeland Regional at Madison on March 30. This also allows the team to play in the Badger State Games (a Wisconsin Olympics) on July 12-14. The national competition will be played from May 12-18. The Lakeland Regional will be paying the teams' \$300 entry fee, but the team is in need of sponsors to cover the cost of transportation, room and board.

The total cost is estimated to be around \$2,000. All donations are tax deductible.

If you are interested in helping to sponsor the team, please call or send your contributions to: Debbie Butschlick, 1717 Green Tree Rd., West Bend, WI 53095, 334-0466; or Cathy Johnson, 1906 N. River Dr., West Bend, WI 53095, 338-3094.

DNR Prepares Master Plan for Fond du Lac County Wildlife Area

The Division of Resource Management of the DNR has prepared a Master Plan for the Mullet Creek Wildlife Area in Fond du Lac County. The proposal includes a modification of the land purchase boundary. The property will be managed for duck production and provide public hunting, trapping, fishing and compatible recreation.

The Department has made a preliminary determination that an environmental impact statement will not be required for this action.

Copies of the Department's Environmental Impact Assess-

ment that led to this preliminary determination can be obtained from: Tom Nigus, P.O. Box D, Horicon, WI 53032. Phone: 414/485-4434.

Public comments on the proposed plan are welcomed and should be received by Mr. Nigus no later than 4:30 p.m., May 6, 1985. These comments can be oral or written communication.

Early Season Ban on Alcoholic Beverages In All State Parks

Park visitors are reminded that there is an early season ban on consumption of alcoholic beverages in all state parks, the Northern and Southern Units of the Kettle Moraine State Forest and Point Beach State Forest. The ban this year is in effect from April 1st to May 24, inclusive.

The early season restriction does not apply to registered campers in family campgrounds, except at Big Foot Beach where the ban is in effect for the entire season in all areas of the park.

The early season ban was begun in the middle 1960s after state parks became the scene of high school and college student "spring flings" often associated with the consumption of excessive amounts of alcohol and numerous incidents of disorderly conduct.

State park officials ask the cooperation of all park visitors in observing the restrictions on alcohol use, "to help maintain a more pleasant and quiet surrounding for all park visitors." Contact Tim Galvin (608) 266-2152.

Charland Named Head Football Coach at KHS

By JOHN HARJU
 Fran Charland, social studies teacher at KHS, was named KHS head football coach, replacing Mike Fifrick who resigned this year at a recent meeting of the Kewaskum School Board.

The board voted 6-1 to accept Charland's application, which was the only one submitted, for the position. Board member John Spoerl gave the only dissenting vote.

Charland, who has taught at KHS for 14 years, had been an assistant for eight prior years up to 1978 when he was the KHS head coach for one season.

Charland will be trying to improve on a 1-7 season which placed Kewaskum in last place in the Eastern Wisconsin Conference, after winning the conference championship the year before. Recruitment will be his first objective commenting, "I invite every young man at KHS to come out for football." He adds that, "any boy who comes out will play; some will play more, but everyone will definitely play."

Charland says that he has always loved football because it has taught him a lot. He feels football has a lot to offer boys who are willing to try. "Success is measured by people trying to do the best they can. If we have that, we will have victories," he adds.

Charland's background in-

cludes playing four years at Whitnall High School in Hales Corners where he enjoyed considerable success enabling him to go on to UW-Stevens Point, where he was a four-year letterman and finally a short stint with the semi-pro West Allis Spartans. He also was involved in the James Madison High School football program for four years before coming to Kewaskum.

He plans to make the KHS football program one to be proud of but notes that participation is a key to success. "I would like to see a more positive attitude in KHS football and all extra-curricular activities in general... if we don't have a positive attitude, let's get one, and if we do, then let's build on it."

One way he says that could encourage better participation is the establishment of a late bus. The present user's fee (\$15) could help finance this late bus, and provide needed transportation for athletes.

Charland inherits a good nucleus of junior lettermen along with some promising sophomores. He also has a "great" coaching staff surrounding him which has a "wealth of experience" to call upon.

Charland is tentatively planning a meeting on Tuesday, May 7, for all boys interested in playing football at KHS next fall.

KHS Boys New Tennis Team Defeated in First Match Ever

By JOHN HARJU
 The KHS boys tennis team lost its opening match of the year, also the school's first match ever, 7-0, to visiting Sheboygan Falls last Thursday. Coach Rob Anglim credited "experience" as the reason for his young team's loss. Kewaskum has only twelve members to make up a team in its inaugural season.

Although KHS lost all varsity matches, they did manage to win several games against their experienced foes.

Number one singles player, freshman Craig Hubbell, won three games in a 3-10 loss while No. 4 singles player, junior Tom Strigenz, was also a 3-10 loser. No. 2 singles player, freshman Sonny Sison, and No. 3, Tom Stuck, both lost 0-10.

In the doubles, No. 3 team of junior Kyle Vogt and frosh Jason Flynn managed to win

one game in their 1-10 loss. The No. 1 team of Bruce Troeller and Dennis Johnson and the No. 2 team of Wade Jepsen and Mitch Gebheim both lost 0-10.

Anglim is confident his team will improve because "all show potential," especially in his top two singles players, Hubbell and Sison.

Kewaskum had two more conference matches scheduled this week, Tuesday at Plymouth and Thursday at home against Two Rivers.

Sheboygan Falls 7, Kewaskum 0
 Singles — 1. Hubbell lost to Schneider, 3-10; 2. Sison lost to Buelke, 0-10; 3. Stuck lost to Behr, 0-10; 4. Strigenz lost to Biederwolf, 3-10.

Doubles — 1. Troeller-Johnson lost to Vuracher-Cherveney, 0-10; 2. Gebheim-Jepsen lost to O'Connell-Krueger, 0-10; 3. Flynn-Vogt lost to Loth-Fleischer, 1-10.

Long Lake's Bob Mullen Elected to Rock River League's Hall of Fame

The late Bob Mullen of Glenbeulah was elected Saturday to be enshrined in the Rock River Baseball League's Posthumous Hall of Fame at the league Oldtimers' Association annual meeting at Dodge Center, Horicon.

A left handed batter and thrower, the rangy first baseman and relief pitcher was outstanding on defense over a 20-year home talent span, mostly at Long Lake in the 1950's and 60's.

He averaged well over .300 during his Rock River career, with a .400 in 1961 among the highlights.

The posthumous award was established last year to honor past Rock leaguers who died prior to the Oldtimers' organization in the winter of 1980.

Harry Schramm, Menomonee Falls, star hurler at Lebanon and the Falls was the first to have his name inscribed on the posthumous plaque last fall.

Members also bolstered the league's regular 1985 Hall of Fame ballot, adding three names to the 15 holdovers not successful in the '84 election.

New are long-time successful Slinger Manager Glenn Dhein, Rubicon's premier slugger-pitcher-fielder of the late 50's and 60's, Harry Justman, and, from the same period, Hustisford's Rudy Radloff, whose diamond contributions were helping with a rake as well as glove and bat.

All Oldtimers will vote on the 18 Hall of Fame candidates thru the mail next month.

Six will be inducted at the 6th Annual Banquet set for Mayville's Golf Club on October 12. The total then will be 64 so honored by their peers and taken from the league's 56 year history.

Members also set plans in motion for Annual Rock River League Night at Milwaukee County Stadium when the Brewers tackle the Baltimore Orioles on Friday, June 26.

All association members, likewise, are invited to participate in two late season fun activities; The Rock playoff outing in August or early September and the October 12th dinner and program.

Re-elected to Oldtimer offices were President, Carl Heimerl, Jackson; Vice-President, Rube Schuster, Theresa, and Secretary-Treasurer, Bud Bellon, Horicon.

Kewaskum Lakes Team Named Co-Champions of 'B' Division

The Kewaskum Lakes basketball team, along with the Port Washington Lakers, have been named Land o' Lakes "B" Division co-champions by Commissioner Jake Oelhafen. Oelhafen made the announcement after determining that none of the remaining makeup games will be played and the standings are now final. Kewaskum and Port tied for the top spot in the "B" Division with 5-11 records. It makes Kewaskum's sixth "B" Division title in the past ten years.

Cedarburg won the "A" Division crown and the Lakes grand championship with a perfect 15-0 record, finally unseating the Menomonee Falls Badgers after 15 straight years as grand champions. The Badgers settled for second with a 12-3 record.

These teams will receive trophies at the Lakes banquet at Stemmler's White Coach Inn in Thiensville on Saturday, April 27, at 7:30 p.m. Individual award winners will be announced later. Tickets are available from Commissioner Oelhafen and from team managers.

Oelhafen also released the league scoring leaders for the season.

Kewaskum standout Leon Laatsch again took second high individual scoring honors in both divisions of the Lakes League with 570 points in 16 games, an average of 35.6 points per game. He was second only to perennial leader Bob Wolf of the Menomonee Falls Badgers, veteran former Marquette University star, who scored 629 points in 14 games for an average of 44.9. Laatsch scored his 570 points on 247 field goals and 76 free throws.

Kewaskum's Bob Nigh was 13th in scoring with 303 points in 15 games, an average of 24.2; Clark Eichstedt was 16th with 269 points in only 13 games, an average of 20.7, and Bill Gonwa was 21st with 238 points in 14 games, an average of 17.0.

Lakes Baseball Team To Hold Practices

The Kewaskum Land o' Lakes baseball team will have practices on Saturday, April 20, and Sunday, April 21, at 1 p.m. Anyone interested in playing on the team this year should make it to one or both of the practices. The team begins the season May 5 at the West Bend Benders.

Anyone needing more information should contact Tom Bartelt at 626-4903 or Randy Heberer at 626-2491 or any of the other players from last year.

In a great many communities around the nation — including probably half of the nearly 400 cities, villages and towns in Wisconsin with high schools, the social life of the community is built to a large extent around the athletic teams of the school.

Secor, Kougl Lead Girls To 2nd in Triangular

By JOHN HARJU

Despite winning nine of the sixteen events, the KHS girls track team finished second to New Holstein but easily beat Plymouth in a triangular meet held last Thursday in Kewaskum.

The final score showed New Holstein the winner with 78½ points, Kewaskum a close second with 67 and Plymouth a distant third with 19½. It was a case of the Huskies scoring too many seconds and thirds (along with seven firsts) which overrode the Indians' many firsts.

Amy Kougl and Sandy Secor were responsible for over half of the Indians' points as both girls won three events each as well as being members of the second place 800 meter relay team.

Kougl nipped teammate Lisa Fusek to win the 100 meter dash (13.9 seconds) and then followed this up with wins in the 200 (28.8) and high jump (4'10").

Secor easily won the 300 hurdles (52.0), the long jump (14'1½"), and the triple-jump (30'10¼").

Indian distance standout Sandy Klein went up against Husky state-qualifier Deb Mayer in both the 1600 and 3200 meter runs and placed a respectable second to Mayer by only two seconds in the 1600 and under six in the 3200.

Next, Coach Denise Leong's girls will travel to Slinger for the county outdoor championship on Tuesday, April 23. The girls' next home meet will be on April 25th against improving Chilton. The boys will be at home against Sheboygan Falls Friday.
