## Village Receives Delinquent Cable Fees

### Softball Sponsors Want Park Lights

By GERRY MUELLER  
Statesman Staff Writer

The Village of Kewaskum has finally received its \$3,300 in franchise fees from Riverbend Cablevision of West Bend, said Village Administrator Dan Schmidt at Monday night's board meeting.

The money, which was originally due on March 15th, came five days past the 60-day extension due-date and with a letter of protest. Schmidt told the trustees, the cable company still contends the fee is illegal, however, he also noted legislation is in the works which should eventually resolve the situation.

James Rinas, sponsor, and Merlin Dreher, coach, of adult softball teams, came before the board regarding the subject of

lights on the Kiwanis Park diamonds.

Rinas questioned when lights would be installed at the new diamonds. Parks Committee Chairman Tom McElhatton said \$40,000 has been included in the 1988 budget for lights. Dreher told the board, 1988 is still three years away and I'm sure that if we got lights now we'd have no problem in getting teams and tournaments to the park. Rinas told the trustees, everybody in the area has lights and tournaments and we haven't got anything.

Dreher told the board he works with six girls teams who have been playing on the high school diamond. Now we have a conflict with the high school's summer baseball schedule and we'll have to go out of the

village to find a place to play, noted Dreher.

Rinas asked if the village had looked into the possibility of installing used lighting. Schmidt said Campbellsport had done just that and now they regret it. They found they can't afford the electricity costs of those old lights and maintenance costs on them is also very high. "Ball diamond lighting isn't cheap," stated Schmidt, "Germantown just bid lights for one diamond and the cost was over \$44,000."

McElhatton told Rinas, if he wanted to get a committee together, his group would work with them in trying to raise funds through fund-raisers, tournaments or anything they came up with. What we need is

## School Board Names District Administrator

By GERRY MUELLER  
Statesman Staff Writer

Tom Brigham, President of the Kewaskum Board of Education has announced that a tentative agreement has been reached with Ms. Penny Kleinhans as the new District Administrator for the Kewaskum School District.

Ms. Kleinhans is presently the District Administrator of the Deerfield School District, Deerfield Wisconsin.

The terms of this agreement will be voted on in open session at the regularly scheduled meeting Monday, June 10th. At that time an official news release will be issued.

## Voters Sink Beechwood Lake Pumping Plans

By GERRY MUELLER  
Statesman Staff Writer

On a 146 to 26 vote last Thursday, Town of Scott residents soundly defeated a proposed plan to pump Beechwood Lake down approximately four feet below its present flood level.

A "Standing Room Only" turnout came to hear Town Chairman Charles Miller present a recommendation to authorize the township to appropriate up to \$10,000 from the 1986 budget to pump the lake.

Many of the residents, however, felt the results of the vote were a foregone conclusion since the lake has begun to recede slightly on its own. Melvin Moths told the board the Beechwood Lake area residents aren't the only ones faced with high water problems. "As we all know, we're in the sixth year of a high water plain. We, of the southwest corner of the Town of

Scott, anyone within the range of the plateau of Beechwood Lake to Haack's Lake, all have our problems but, when correcting our problems, we pay for them ourselves and we customarily do not go to the county for assistance."

Once the vote was taken, the special meeting was adjourned and only six people remained to attend a second regular town board meeting which included discussion of five alternative options for correcting the flooding at Beechwood.

During that second meeting, Miller told the board it must make a decision as to what position it will take regarding the lake. Lester Benzschawel, Town Clerk, who served on the Pumping Investigation Committee said, "my feeling is, what we did is for the township and the lake belongs to the township, not just Beechwood."

Benzschawel also felt the full [Continued on Page 2]

## Announce AFS Students, Host Families

Samuel Ortega Ortiz

The Kewaskum AFS Chapter is proud to announce the names of the Kewaskum families who will be hosting during the coming school year and the foreign students who will be living with them.

Mr. and Mrs. Cornelius Beisbier and daughter Ellen are awaiting the arrival of Samuel Ortega Ortiz. Samuel is from Bucaramanga, Colombia. He is 18 years old and enjoys movies, jogging, rollerskating, basketball and swimming. Samuel has

Cynthia Nery Barra

five brothers and no sisters, while Ellen has four older sisters and no brothers. Samuel is due to arrive in August.

Mr. and Mrs. James Dieringer and their children Dawn, Tyler and Josh are looking forward to greeting Cynthia Nery Barra from Juiz de Fora, Brazil. Cynthia is 16 years old and enjoys volleyball,

bicycling, reading, movies and theater. Cynthia has one brother and one sister. Besides the Dieringer children living at home, daughter Monica is married and sons Brad and Chris will be attending college in the fall. Cynthia will arrive in August. She is the second foreign student the Dieringers have welcomed into their home. During the 1979-80 school year, Miss Mirjam Sibbel from the Netherlands lived with their family.

Although both students live in South American countries, Samuel's native tongue is Spanish, while Cynthia speaks Portuguese.

Our exchange student at present, Rosi Cano, who is living with the Ron Landvatter family, will be leaving for her home in Honduras on June 28.

A new program has been added recently by AFS International and is now available to

## Kewaskum Will Begin Neighborhood Watch Program

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Kiwanis Club in cooperation with the village Police Department, is working on plans to begin a Neighborhood Watch program.

At a recent informational meeting, approximately 25 residents indicated interest in starting the program. To involve the entire community, 30 to 35 captains will be needed to head up small neighborhood groups. Guidelines for the plan call for a group to consist of 8 to 15 homes with 50% of the group wishing to participate. So far, there are twelve volunteers, say the program's organizers.

Once captains and assistant captains for the group have been designated, they will meet with Police Officer Richard

Knoebel to discuss how the program operates.

After the neighborhood group is formed, signs will be erected stating it is a participant in the watch program. Neighborhood Watch stickers will also be placed in the windows of homes. The Kiwanis Club will donate the signs.

Knoebel noted three groups are already being formed and he is confident more will join in the program.

The project is designed to involve neighbors in helping each other, and local authorities, in reducing vandalism, theft and other criminal acts to a minimum. Any Village of Kewaskum resident interested in the program, or more information, can contact Knoebel or Kiwanis Club representative Tim Miller.

definite backing, said McElhatton.

Schmidt told the meeting, "we tried to promote a baseball association in 1982, but the leagues shot the village down at that time." Trustee Dick Schlice said, "as long as we have individuals in the community willing to help, we should give it a try." Rinas said he would support the project 100%. Everybody I talk to wants it so I guess we'll just have to get something started. Schmidt told Rinas, the Jaycees started a lighting fund two years ago with \$500. Right now the account has about \$584 in it, he said.

Rinas and Dreher said they would get a citizens committee together and get back to McElhatton. "I'd like to see softball back in Kewaskum," said McElhatton.

In other action the board approved the Fire Department's request to spend \$9,685 for repairs and repainting of the 1963 FWD pumper truck. Fire Chief Augie Bilgo told the board the truck has been mechanically repaired and this work would be the last step in refurbishing the truck. By the time all the work is done, the department will have spent approximately \$20,000 on the truck. Compared to the price of \$150,000 to \$160,000 for a new truck, said Bilgo, that's quite a savings. The unit is sound and by the time we're done, it will look like one of the new ones again because the style is still the same.

The board also approved the purchase of a used cargo van at a cost of \$2,250 which will be used by the Public Works Department.

The board approved the annual applications for malted beverage and liquor licenses along with a dance hall permit for the Riverview Inn.

The board then adjourned to closed session.

all AFS communities. It is called "Summer Homestay" and offers families a taste of the hosting experience without a year-long commitment. The Homestay is a five week hosting opportunity, usually during the month of August. Participants, whose ages range from 15 to 35, spend three weeks in intensive English language training on a university campus before becoming a part of a family. The AFS chapter especially encourages new host families to try this program. Applications for 1986 can be taken in the fall. If your family would like more information about this program or the regular Winter Program, please call chapter president Sue Schmitz.

board should have a meeting with Lowell Klessig, a hydro-nics engineer and lake quality specialist from Stevens Point, who had attended a meeting of his committee. Klessig, along with other specialists and engineers attending that meeting, had made several recommendations which they felt the township should consider in an attempt to find a solution to the flooding problem. The group felt that water shed was posing a greater problem to the lake than runoff, noted Benzschawel. "We voted tonight," stated Miller, "and it's apparent we're not going to do it as a township."

Benzschawel still felt the board should have Klessig meet with them and thoroughly explain its options before any formal decision was made. He also felt the board should pursue the problem just one step farther and determine just whose responsibility the lake

1985 Confirmation Class of St. Lucas Lutheran Church — Back row, left to right - Mark Hartmann, Alexandra Berg, Michael Eichsteadt, Cynthia Wilson, Erik Munson. Middle row - Ronald Dickman, Jacqueline Taylor, Scott Stern, Lynn Dorzok, Todd Stange, Stacy Wilson. Front row - Pastor Hoenecke, Jane Czoschke, Benjamin Edwards, Vicki Schuh, Glen Herman, Rita Ebert.

At a special afternoon service in the presence of nearly four hundred friends, relatives and parents, seventeen eighth graders were confirmed at St. Lucas Lutheran Church. The service was conducted by the congregation's pastor, the Rev. Paul Hoenecke.

This year's class completed courses in Christian Doctrine and Church History over a three year period. Seven members of the class were instructed by Mr. Ervin Uhlman, while ten members of the class received their 6th and 7th grade religious

instruction from Mr. Rodney Bollinger, Principal of St. Lucas Lutheran School. During their 8th grade, all seventeen were instructed by Pastor Hoenecke.

Their Confirmation took place on May 5th. They received their first Communion the following Sunday. The Confirmands were honored at a reception on Monday, April 29, following their Examination Service. The reception was hosted by local branch 26 of the Aid Association for Lutherans. Each Confirmand was presented a gift from the local branch.

Mr. and Mrs. Harvey Brodzeller of Kewaskum are pleased to announce the engagement of their daughter Kim Marie, to Paul Behring, son of Grace Behring of Kewaskum and the late Arthur Behring. An October 4, 1985 wedding is being planned.

**State Opens Bids For Area Bridges**

Low bids for the construction of three U.S. 45 Bypass bridges in West Bend were opened last week in Madison.

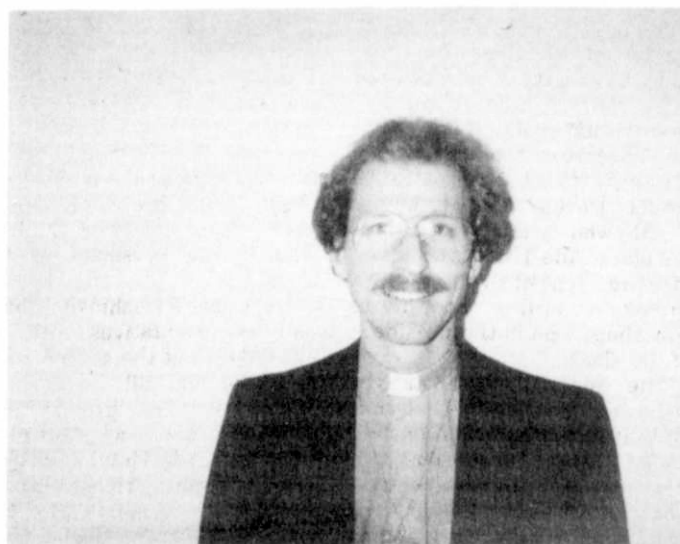

The Lunda Construction Co., Black River Falls, submitted the apparent low bids on bridges for Decorah Road, Chestnut Street and Park Avenue. Cost of the bridges are \$634,539.09, \$420,781.10 and \$354,666.40, respectively.

These were three of 71 highway improvement projects in 38 counties in which bids were opened May 21. Total cost of the bids is \$28.5 million.

A low bid of \$82,659.73 for construction of bituminous shoulder and tapers at the U.S. 41 and State 60 interchange, the U.S. 41 and County B intersection and an intersection in Fond du Lac county was submitted by Payne & Dolan, Inc., Waukesha.

Work on all projects will begin after engineering and computer analysis by the Department of Transportation. Construction on U.S. 45 By-pass structures is expected to be completed this fall.

**Pastor Tom Degnitz To Be Installed**

The Rev. Thomas R. Degnitz will be installed as the new pastor of Our Saviour's United Church of Christ, Germantown, on Sunday, June 9, at 4:00 p.m., during a special service of worship.

Rev. Degnitz is the son of Mr. and Mrs. Willard Degnitz of Boltonville. He is a 1975 graduate of Kewaskum Community High School; a 1979 honor graduate of Lakeland College, Sheboygan; and received his Master of Divinity degree from United Theological Seminary of the Twin Cities, New Brighton, Minnesota, in 1983. While in seminary, he served UCC churches in Robbinsdale and New Brighton, Minnesota, and Yankton, South Dakota. Following his ordination, he served Bethel Memorial

United Church of Christ in Creve Coeur, Illinois. He began serving Our Saviour's UCC in mid-April.

Following the service of installation, there will be a reception for Pastor Tom and his wife, Lori, in the church basement and an open house at the parsonage, which is located next to the church, on North Division Road in Germantown.

# Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

This old photo of the L. Rosenheimer Malt and Grain Co. in Kewaskum shows the disastrous fire which destroyed the grain elevator located just south of the present plant in September of 1911. The plant was also damaged. It was immediately rebuilt on the north side of the plant and malt production was continued until Prohibition in 1919. During the years 1919-1933, some barley malt was produced and in 1930 and 1931 wheat malt, an experimental process at that time, was produced for General Mills. After the repeal of Prohibition, normal operations were again resumed.

## MPTI Honors Staff Retirees

One hundred eighty-one years of collective service to the Moraine Park VTAE District will come to an end this June 30 when ten of MPTI's long-time staff retire. The ten were officially honored at a recent Recognition and Retirement Banquet at the Holiday Inn in Fond du Lac, sponsored by the Moraine Park Vocational Association; other banquets, parties and luncheons have feted individual members of the group since early in the school year.

The ten District employees (and years of service for each) are: Harry Albertin (18); Jane Capelle (16); James Mowbrary (17); Herb Nitschke (18); Carl "Swede" Smedberg (18); and Phil Stoll (39).

"These fine people represent the tradition of service to the community under which we function," said Dr. John J. Shanahan, Moraine Park's district director, at the retirement banquet.

At the banquet, Regal Ware in Kewaskum received an Award of Merit for Outstanding Contributions to Vocational Education.

# June IS DAIRY MONTH!

## Dairyland Seed Acquires Todd Hybrid Corn Research

Orville Strachota, President of Dairyland Seed Co., Inc., West Bend, whose plant is located about one mile south of Kewaskum, recently announced that Dairyland Seed had acquired a hybrid corn research and breeding program from Todd Hybrids of Burlington, Indiana. The acquisition expands Dairyland's hybrid corn genetic base and contains some valuable inbreds.

Dairyland Research Director, Dr. Paul Sun said, "The Todd Hybrid corn breeding program has emphasized disease resistance, standability, and plant health. There appear to be some excellent new lines present in this germ plasm."

Dairyland's hybrid corn plant breeder, Dr. Harold Aycock, who will be working with the superior lines from this germ plasm collection, feels there is material that is ready to bring to market from this breeding program. According to Aycock, "Dairyland will have test quantities of some hybrids available this coming spring and will also be undertaking pilot production of a number of these new hybrid combinations for next season."

Dairyland will be evaluating this material at its new Corn Belt Research facility near Gibson City, Illinois, and also at its Wisconsin research facility near Clinton.

Strachota stated, "Since the first of the year we have strengthened our already deep commitment to the future of agriculture through improved plant genetics. We feel that improved corn hybrids and higher yields will play a critical role in the future of American farming. Our dealers have shown their loyalty to use in the past and we intend to invest our resources in their future. The increased demand for Dairyland hybrid corn helped make this acquisition possible."

The announcement of the Todd Hybrid corn research acquisition culminates three major announcements made by Dairyland since the first of the year. Earlier Strachota had announced the addition of Dr. Harold Aycock to the Dairyland plant breeding staff followed with the announcement of Dairyland's new Corn Belt

Research facility near Gibson City, Illinois.

In addition to its Wisconsin and Illinois research facilities, Dairyland also has a research facility in northern California near Sacramento. Dairyland also conducts winter nursery research in Hawaii, Chile, Puerto Rico, and Taiwan.

Dairyland Seed is an independently owned and operated business headquartered in West Bend, Wisconsin. Dairyland serves over 4,000 farmer-dealers in the midwest. For more information write Dairyland Seed Co., Inc. P. O. Box 968, West Bend, Wisconsin 53095.

## Radio Celebrities To Announce Pig Races on June 15

The Kewaskum Jaycees present their "Second Annual Pig Races for MDA" on Saturday, June 15th, at River Hill Park in Kewaskum. The Pig Races are being run in conjunction with Dairy Daze. There will be 4 preliminary races beginning at 1 p.m. and running every 1/2 hour after that. The Grand Champion race will take place at 3 p.m., and will consist of the top pig from the 4 preliminary races. Five door prizes will be given away with each heat. The races are being announced by radio 93 QFM's DJ's Steve Palec and Keith (Abdul) Harmon. Michael Neufeldt, MDA's poster child will also be at the races.

A spanferkel dinner will begin at 4 p.m. and run until? Roast pig, potato salad, corn, sauerkraut, rye bread and dessert are on the menu. Price for this great dinner is adults \$3.75 and children under 12 \$2.75.

Cottage cheese is packaged in moisture-proof containers. Because of its high moisture content and open texture, it is a highly perishable product. Cottage cheese should be stored as you would fresh milk: Keep it refrigerated and covered. "The fresher the better" is the rule for Cottage cheese; it should be used within a few days after purchasing. Creamed-style Cottage cheese does not freeze well because it separates upon defrosting.

### Girl Scouts Going To Bay Beach June 11

Because of the overwhelming request, the Girl Scouts of the Kewaskum area are again going to Bay Beach. Bay Beach is a small amusement park in a beautiful setting in Green Bay on the lake. Across the street is a wildlife reserve. The scouts will be able to enjoy a fun filled day. June 11 is the day planned.

The scouts are to meet in the high school parking lot at 7:15 a.m. That is where the buses will pick you up. They should return to the parking lot at 5:30 p.m. If the weather is questionable, please listen to WBKV by 6:45 for information. The rain date will be June 12.

Each scout is to bring a bag lunch and a can of soda. Please wear your Girl Scout T-shirt if you have one. NO sandals, and NO midriff shirts.

This trip is only for the girls that signed up and have handed in their permit slips.

BAY BEACH, HERE WE COME AGAIN!

"Men tire themselves in pursuit of rest."

### Ms. Koch Elected Lakeland Senior Class President

Sheboygan — Lesa Wittmus of Cleveland, Wis., an elementary education major who will be a junior next fall, has been elected Lakeland College's student body president for the 1985-86 school year.

Other Student Association of Lakeland College (SALC) officers elected were Todd Halfmann, Campbellsport, first vice president; Lori McHugh, Oconomowoc, second vice president; Don Young, Richton Park, Ill., treasurer; and Marge Gudex, Campbellsport, secretary.

Halfmann, a senior next fall, is majoring in accounting. He is active in Circle-K and Psi Alpha Kappa, a business fraternity. His parents are Mr. and Mrs.

Paul Halfmann, Rt. 2, Campbellsport.

Gudex, a writing and art major, will return next fall as a second semester junior. She is active in choir, the Phi Delta Omega sorority, and the school newspaper. Her parents are Mr. and Mrs. Harold Gudex, Campbellsport.

Students also elected class presidents. Melissa Koch, Kewaskum, will head the seniors; Marilyn Barner, Two Rivers, the juniors; and Cindy Schabach, Chilton, the sophomores.

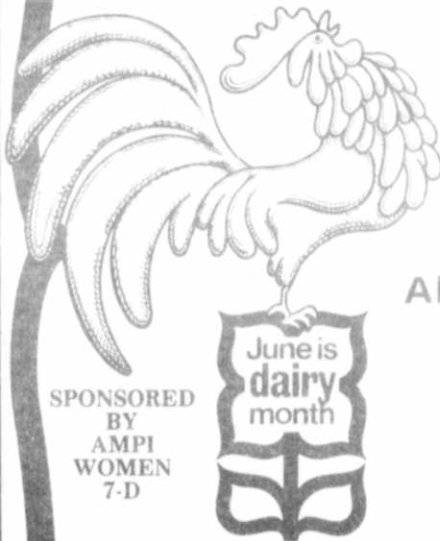

Koch, an accounting and business administration major, is the daughter of Mr. and Mrs. Harry Koch, Kewaskum. She was honored as "outstanding underclassman" in 1984, and "outstanding accounting student" in 1985 in the department of business and economics. She was the recipient of both the Lakeland College

Pastor's and the Edgar A. Stubenrauch Scholarships, served as president and treasurer of Circle-K, president and public relations director of the Psi Alpha Kappa business fraternity, and business director of the school newspaper. In addition, she was named to the Dean's list for six consecutive semesters, was listed in "Who's Who Among American Colleges and Universities," served on SALC's election committee, and was active on the school yearbook staff.

### BUTTER BRICKLE CRUNCH TORTE

- |  |                                  |
|--|----------------------------------|
| 1 package (18½ ounces) German chocolate cake mix | ½ cup packed brown sugar         |
| 1 cup chopped pecans                             | 6 cups butter, brickle ice cream |
| ½ cup (1 stick) butter, softened                 |                                  |

Combine cake mix, pecans, butter and sugar in large bowl. Mix until thoroughly blended. Turn into unbuttered 15½ x 10½ x 1-inch pan. Bake in a preheated 400° oven for 12 minutes. Remove from pan and stir with fork until crumbly. Cool completely. Divide into three equal parts. Press one third of cake mixture into a 9 x 9-inch baking dish. Spread with half the ice cream. Repeat, ending with the last third of crumb mixture. Freeze several hours or until firm. Remove from freezer 20 minutes before serving. Makes 12 to 15 servings.

**Boy Scout Council Launches Drive for New Dining Hall; Peterson on Committee**

Walter J. Kohler III and Richard J. Vollrath, Co-Chairman of the "Camp Rokilio Ahead" Dining Hall Drive announced the kickoff to raise \$300,000.

The drive will be a targeted capital campaign to raise \$300,000 from "Friends" in 1985 to erect and equip a new dining hall at Camp Rokilio on Cedar Lake, near Kiel, Wisconsin.

An appropriate recognition will be permanently displayed in the new dining hall listing all contributors.

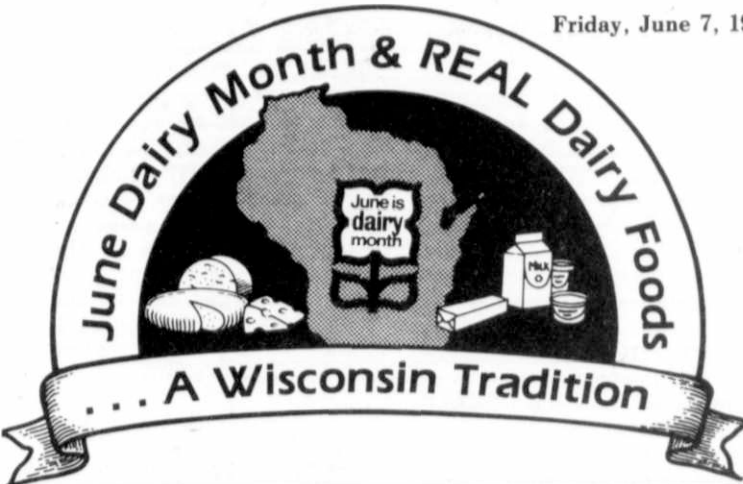

Steering Committee for the "Camp Rokilio Ahead" drive consists of: Judge John Bolgert, Kenneth W. Conger, Edmund R. Knauf, Louis E. Milsted, and John E. Raftery.

The Campaign Committee consists of 25 members, including L. N. "Pete" Peterson

of Kewaskum.

Friends, Scout Families and interested people will be contacted in this drive by the Campaign Committee.

The Bay-Lakes Council administers Camp Rokilio. Camp Rokilio is a year-round, 213 acre camping facility located near the population center of the 22½ county area served by the Bay-Lakes Council. It averages over 2,000 Cub Scouts, Webelos Scouts, and Boy Scouts camping during a two month summer camping season. Over 3,000 youth members use it during the remaining ten months of each year as a weekend camping retreat. The new dining hall would not be winterized but would be heavily used in the summer months and available in the spring and fall for Council, District, and Unit activities.

## Look for the REAL Difference

If you find yourself with less time to shop, but still want to be certain you are getting real dairy foods, try looking to the "REAL" Seal for help on your next dash through the supermarket. The "REAL" Seal appears only on genuine dairy products and can help you find that 100% real cheese pizza or distinguish true chocolate milk from similarly packaged chocolate drink — without a lengthy study of the ingredient list.

Products displaying the "REAL" Seal, a symbolic drop of milk enclosing the word "REAL," must meet legal standards to qualify as real dairy foods. Butter, for instance, must be made from cream and may not contain preservatives or additives, except an approved natural food color.

Across the nation more than 1,100 companies—food manufacturers, retailers and food processors—have obtained permission to display the "REAL" Seal on their qualifying dairy products by signing an agreement with the United Dairy Industry Association (UDIA).

Foods eligible to display the "REAL" Seal include natural and processed cheese, ice cream and ice milk, frozen custard and sherbet, cream cheese, sour cream and yogurt, sweetened condensed and evaporated milks, cream, half and half and pizza made with 100% real cheese.

Products like imitation milk and chocolate drink, cheese substitutes, non-dairy coffee

creamer, whipped toppings, margarine and sour toppings, on the other hand, can not display the "REAL" Seal. These products do not meet the federal standards for dairy foods.

The "REAL" Seal immediately lets you know if you are purchasing a REAL dairy food. But how do you know what's in the foods you eat away from home? Now the "REAL" Seal can also tip you off to restaurants and other food-service outlets that serve natural dairy foods. Establishments that serve only real dairy products may be certified to display the seal. For example, restaurants serving pizza containing only 100% real cheese can use a special "REAL" Seal logo and display the special "REAL" Cheese Pizza Maker symbol.

Besides letting you know

you're getting natural nutrition, foodservice managers feel the "REAL" Seal shows they don't cut corners on food quality.

So next time you're hungry for a "REAL" cheese pizza you won't have to leave things to chance. Whether you're going to your local pizza parlor or picking out the pizza in the frozen food section of your grocery store, just look for the "REAL" Seal—it's your assurance of a "REAL" dairy food.

## MILK CONTRIBUTES TO NATION'S NUTRITION

As one of the four basic food groups, the Milk Group makes a unique contribution to the nutritional well-being of the nation, supplying:

Over three-fourths of the calcium requirements.

Nearly one-fourth the protein for growth and repair of body tissue.

About one-seventh of the food energy and Vitamin A.

More than a third of the phosphorus, two-fifths the riboflavin, one-fifth of the magnesium.

Significant quantities of carbohydrates, iron, thiamine, niacin, ascorbic acid and vitamin D.

**Calcium** is the most abundant mineral in the human body and dairy products are the body's best source of dietary calcium.

Teeth are mostly calcium. Adequate dietary calcium is necessary for children to develop strong teeth. Two glasses of milk a day for children and adults and three a day for teens, provide the needed calcium as well as protein, Vitamin A, thiamin and riboflavin.

## June Dairy Month Chairman

Ed Lump

Ed Lump, executive vice president of the Wisconsin Restaurant Association (WRA), has been named the 1985 June Dairy Month Chairman.

As June Dairy Month chairman, Lump will take part in dairy food promotions and serve as a spokesman for Wisconsin's dairy industry at civic and social events throughout the state.

In his June Dairy Month appearances, Lump plans to stress the interdependence of dairying and retailing. "If dairying is prospering in Wisconsin, so are retailers such as restaurants," says Lump. "I also want to stress the similarities between the food-service and dairying industries, in that both are entrepreneurial, high-risk businesses, family

operations, heavily mortgaged, etc. And, I will emphasize the need for both industries to promote to our mutual advantage.

"The final point I will stress as June Dairy Month chairman is the need for foodservice to utilize the high-quality products that are available because of the efforts of dairy farmers.

"When consumers dine out... they simply do not expect or tolerate substitutes," explains Lump. "They are paying more for their meal and, therefore, expect to dine on REAL dairy foods."

June Dairy Month is an annual promotion event sponsored by the Wisconsin Milk Marketing Board (WMMB), University of Wisconsin-Ex-

tension, the June Dairy Month Advisory Committee and the Wisconsin Department of Agriculture, Trade and Consumer Protection. WMMB serves as the June Dairy Month state headquarters. 1985 marks the 49th consecutive June Dairy Month promotion in Wisconsin.

### Enjoy Wisconsin's Dairy Best

Cool, creamy mounds of ice cream, sumptuous sour cream and elegant cheese trays. Posters of these and other dairy delicacies may be waiting at your grocery store this month to lure you into a dairy department dreamland brimming with Wisconsin cheeses and fresh whipping cream.

Food stores throughout the state are using the posters and other special displays to "Promote Wisconsin's Dairy Best," a contest sponsored by the Wisconsin Milk Marketing Board (WMMB) for June Dairy Month.

The WMMB designed the posters and furnishes them as part of a kit to stores entering the contest. Dairy Department managers are also encouraged to create their own displays.

WMMB will judge the point-of-purchase displays from photos submitted by the stores and will award up to 15 prizes. Judging is based on imaginativeness, creativity, merchandising effectiveness and attractiveness.

In conjunction with these in-store promotions, many supermarkets will feature dairy recipes in their weekly newspaper advertising. Also look for price specials on your favorite dairy foods.

For WMMB the store contest is just one part of its summer promotional campaign. In another phase, WMMB is offering to consumers a free booklet called "Discover Wisconsin Dairy Foods" to let you know more about the uses, nutritional value and storage of dairy

### THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

I'm in the Mooood for Milk!

The 55-inch diameter fry pan, originally manufactured for the Wisconsin Department of Agriculture to promote dairy products, is now used to promote Regal's broad assortment of quality aluminum cookware with DuPont's SilverStone® non-stick interiors.

Weighing in at over 70 pounds without food, the bigger-than-life fry pan has traveled from coast to coast and appeared in many of the nation's major markets in the 10-plus years since it was first created at Regal Ware Inc.'s Kewaskum, Wisconsin plant.

Recipes which this 55-inch pan has been used for include: 300 Eggstravaganza; 10 gallons Chili; 100 pound Taco Scrambler; 50 pound Hamburger Oriental; Turkey Stir Fry; Colossal Fruit Compote; Chocolate Krispies (candy), and Crowd-Pleasing Skillet Spaghetti.

## Obituaries

### RUTH SCHACHTSCHNEIDER

Ruth A. Schachtschneider, nee Knade, of 7501 County M, West Bend, died Wednesday, May 29, at her residence, at the age of 74.

She was born Dec. 18, 1910, in Milwaukee, and married Oscar Schachtschneider Aug. 31, 1935, at Holy Ghost Church, Milwaukee.

They moved to their present address in the Town of Farmington from Milwaukee 12 years ago.

Her husband passed away in January 1981.

She was a member of St. John's Ev. Lutheran Church, Newburg, its Ladies Auxiliary, and St. Joseph's Community Hospital Auxiliary.

Survivors include two sons, Albert (June) of Cedarburg and Robert (Kathleen) of Kewaskum; seven grandchildren, Ria (Greg) Schulz of Cedarburg, Roy of Jackson, and Michael, Susan, Sandra, Melissa and Jill, all of Kewaskum; three sisters-in-law, Elizabeth Knade of Milwaukee, Edna Busack of West Bend and Dora (Elmer) Harmann of Milwaukee, and other relatives and friends.

Funeral services were held Saturday, June 1, at 8 p.m. at the Myrhum Funeral Home, West Bend. Pastor Edwin Biebert officiated and burial was in St. John's Church Cemetery, Newburg, Monday morning.

Visitation at the funeral home was Saturday from 4 p.m. until time of services.

### FRANK GALABINSKA

Funeral services for Frank Galabinska, 79, Route 1, River Road, Campbellsport, were held Friday at 2 p.m. at the Twohig Funeral Home, Campbellsport. The Rev. Victor Kemmer officiated. Burial was in St. Matthew's Cemetery. Friends called Friday from

noon to the time of service at the funeral home.

Mr. Galabinska died Wednesday, May 29, 1985, at his home.

He was born Nov. 20, 1905, in the Town of Osceola, a son of John and Lillian Hebert Galabinska. He was a retired farmer.

Survivors include three brothers, Joseph of Fond du Lac, Clarence of West Bend, and Lawrence of Campbellsport; and one sister, Mrs. Lillian Kelch of Mount Dora, Fla.

He was preceded in death by five brothers and five sisters.

### VOLUNTEER HELP NEEDED

The Washington County Mental Center needs volunteers to assist staff with typing, filing, and related office work. This is an excellent opportunity for those who have had training and need up-to-date experience, for those currently in a training program, or for those considering entering training.

Volunteers must be dependable, accurate, able to give at least four hours a week, and be able to maintain confidentiality. Students over 16 and summer volunteers are welcome. For further information, contact the Volunteer Services Coordinator at 338-4545.

'PRIDE AND PROFESSIONALISM'

## WHO WE ARE:

The Kewaskum Jaycees are a group of dedicated, civic-minded men and women between the ages of 18 and 36 who are seeking to improve themselves and their community while having a good time. Our chapter was chartered in 1975 and has become a highly dynamic and visible force in our community. The Kewaskum Jaycees rank consistently in the top 20 out of 350 chapters in the State of Wisconsin as far as service to the community.

## Adults Can Learn CPR Before It's Too Late

CPR for adults is being offered as a 3-hour course to instruct persons in techniques of rescue breathing and chest compressions for one and two person rescue.

This course will include information on the function of a normal heart and lungs and also how to recognize and possibly prevent a heart attack.

Positive health habits are also emphasized during the course to encourage a healthier lifestyle.

This program will be held Tuesday, June 11, from 9:00 a.m. til noon at St. Joseph's Community Hospital's 4th floor inservice classroom. The fee for the class is \$10.

For more information or to register, contact Lynette Gagnon, at 334-8390 or 334-5533.

## Chamber of Commerce Given Demonstrations at Fire Station

The Kewaskum Area Chamber of Commerce "Business After Hours" meeting was held Thursday, May 9, at the Kewaskum Fire Station. The following members and guests were present: vice president Leroy Bier, Mrs. Donna Bier, Ken Weddig, Judy Jaeger, Fred Miller, Wayne Rimmel (representing Regal Ware), Mrs. Sandy Rimmel, Bill Breitzman, Karen Breitz-

man, Gina Haney, Larry Williams and Nanc Malvick. A tour of the garage, a look at the fire trucks, a demonstration of the hydraulic ladder and explanations of the pumpers, pressure needed for the hoses and the firemen's clothing, were just part of a very informative evening. The members of the fire department who assisted with the tour were Chief Augie Bilgo, Captain

Andy Pesch, Assistant Chief Don Ehnert and Mark Herriges. The chamber members then gathered in the meeting room for a demonstration on CPR given by Morrie Belger and Mark Herriges. Fred Miller asked how long to continue CPR and the attendants said, once you start, don't stop until the patient gets to the hospital. An example was also given on what to do in case of an

obstructed airway. Bend the victim over and give him four back blows and then four abdominal thrusts. (This must be taught, however, to do it correctly). In the case of a choking infant, protect the neck and try to wake up infant. Look, listen and feel for breath. Rescue units have used an airway piece to assist, but now have a pocket mask. The members were also in-

structed not to use CPR on a bed or couch. It must be administered on a hard surface. EMT's (Emergency Medical Technicians) receive 120 hours of schooling, but the training goes on forever. Following the demonstrations, the chamber invited the firemen present for a pizza lunch donated by Gina's. Ken Weddig donated soda and beer. The chamber wishes to thank the firemen for an exceptional, educational and worthwhile evening.

## Ozaukee-Washington County DHIA Awards Presented; Election Held

The Ozaukee-Washington County DHIA (Dairy Herd Improvement Association) met recently for their annual meeting and banquet. The Association presented awards to dairy farmers from both Ozaukee and Washington County.

The following dairymen received awards from Washington County:

Marvin Rusch received the award for the highest butterfat

and milk production. His herd of 60 cows has a rolling herd average of 20,988 pounds of milk and 793 pounds of butterfat.

The most improved milk production award was presented to Mark Proeber. His herd increased milk production by 1,521 pounds. Currently his 67 cow herd has a rolling herd average of 17,931 pounds of milk and 679 pounds of butterfat.

The most improved butterfat award was presented to Dennis

Kuhaupt. His herd increased its butterfat production by 75 pounds. At the present time his 36 cows produce 17,664 pounds of milk and 696 pounds of butterfat.

Awards were also presented to the following dairymen for their herds producing 625 pounds of butterfat or more: Marvin Rusch with 793 pounds of butterfat, Ed and Harvey Klumb with 770 pounds of butterfat, Joseph P. Peters with 725 pounds of butterfat, Kenneth Kohlwey with 706 pounds of butterfat, Howard Proeber with 705 pounds of butterfat, Dennis Kuhaupt with

696 pounds of butterfat, Ronandale Farm with 693 pounds of butterfat, Paul and Charles Held with 691 pounds of butterfat, Mayer Farms R. H. & F. R. with 683 pounds of butterfat, Ernest Anthony Holsteins with 680 pounds of butterfat, Mark Proeber with 679 pounds of butterfat, David Schumacher with 666 pounds of butterfat, Ned Lepien with 663 pounds of butterfat, Robert Watson with 663 pounds of butterfat, Harold Mueller with 659 pounds of butterfat, James F. Stuetgen with 650 pounds of butterfat, Brian G. Melius with 640 pounds of butterfat, and

Gerald Rate with 630 pounds of butterfat.

Other activities at the meeting included election of Board of Directors. Marvin Rusch and Mike Lettow were elected to the Board of Directors to replace Curt Scheunemann and Curt Becker who have retired after two terms.

Following the business meeting, the Board of Directors met to elect their officers. Fred Mayer was elected President, Glenn Schinker was elected Vice President, and Charles Held was elected Secretary-Treasurer. Other directors include Jerry Rogge and Gerhard Schoessow.

## Items Needed for Cerebral Palsy Auction, Brat Fry

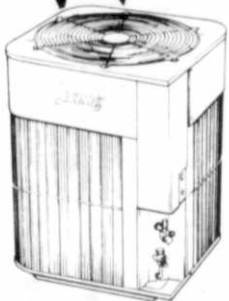

REALTY WORLD-West Grove Realty's United Cerebral Palsy Committee has announced that they will be holding their first annual Auction and Brat Fry at the Bratskeller in Myra on Sunday, June 30, 1985, from 2:00 p.m. to 10:00 p.m. with the auction commencing at 4:00 p.m. There will be live music by Buchel With Klass from 2-4 and again after the auction with brats, hot dogs, ice cream, soda and lots of cold beer throughout the afternoon and evening. Ron Kraus from WTKM Radio Station will be on hand to broadcast the event live.

Joanie Sterr, Chairperson of the Washington County United Cerebral Palsy Committee, said, "we ran so short of time for our auction at our UCP Dinner/Dance last January that we decided to have a summer-time event and combine our auction with a brat fry. We raised over \$6,000 for UCP at our dinner/dance last January to help fight Cerebral Palsy and almost \$1,000 of that was from the auction. The annual dinner/dance will again be held in January."

Sterr said that anyone desiring to donate auction items will receive a tax deductible receipt. Donations can be made in person at the offices of Realty World-West Grove Realty, 2395 West Washington Street, West Bend, or by calling 334-5589 or Milw. Metro 342-1924.

### THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

### NOVENA TO ST. JUDE

O holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

## 25 Years Ago

June 30, 1960

The newly constructed A & W Root Beer Drive-In, operated by Al and Marge Zehren on Hwy. 45 just south of the village limits is now open for business. The drive-in was built in a period of weeks although all work is not yet completed. The drive-in was built on land purchased by the Zehrens from Walter Meilahn. The one story, block constructed building covered with bright, orange colored stucco is 28 x 36 feet in size and has a large, overhanging roof. It stands on a 200 x 200 foot lot. All of the most modern, brand new stainless steel equipment was installed, including a new gas broiler, walk-in cooler, root beer dispenser and soft serve dispensing machine.

The completely rebuilt Wigwam Drive-In on South Fond du Lac Avenue, managed by Dick Edwards, opened for business last weekend, although finishing touches are not yet completed on the beautiful new building. Both car hop and inside service are available. The 46 by 109 foot building includes a well-lighted canopy that can cover 14 cars. The roomy 17 by 46 foot dining room has a 12-stool counter plus a table seating capacity for about 40 persons. The building is constructed in a rustic pattern to conform with the Kettle Moraine area atmosphere with knotty pine outside paneling and comfortable, homey interior decor.

Twenty-seven 8th grade students are graduating from Holy Trinity Catholic School on June 3 in the church hall. The names of the graduates are: Lynn Arnold, Allen Bingen, Carol Brussel, Jerome Campbell, Raymond Dornacker, Jack Falk, Robert Felten, Kathleen Hawig, Sharon Hawig, Richard Heisdorf, Linus Herriges, Joan Hoepner, Robert Kern, Mary Key, Judith Kohler, Mary Ann Manthei, John Pledl, Judith Puerling, Shirley Rohlinger, Eileen Ruplinger, Jean Schaefer, Robert Schaefer, Robert Schlamer, Bernadette Simon, Elaine Theusch, Allan Weinert.

Twenty-six 8th grade students of the Kewaskum Public School will graduate on June 3. Those who will receive diplomas are: Kathleen Breske, Karen Brown, Bruce Busch, Barbara Buss, David Cash, James Dorn, Kay Dorn, James Dreher, Janet Ebersold, Dianne Hammes, Colleen Held, Judy Heinecke, Frank Kadinger Jr., Margaret Kirsch, Charles Kleinke, Harold Kurth, Barbara Liegl, Kenneth Merwin, James Miller, Diana Ramthun, Robert Rossow, Daniel Schmidt, Gloria Schwind, Ingrid Jorgensen, Terry Shaske, Ruth Weddig.

Sharon A. Dreher, daughter of Mr. and Mrs. Earl "Pat" Dreher of Kewaskum, left Saturday for Fort Worth, Texas, where she will attend American Airlines school. She will take a two-month course at the American Airlines Stewardess College, Amon Carter Field, at Fort Worth, where she will also receive her training.

CTI James E. Komaromy and wife and daughters, Amy and Lisa, formerly of Bethesda, Md., arrived by plane at Frankfurt, Germany on May 9. From there they took the train to Bremerhaven, Germany, where he will be stationed for several

years, with the armed forces. Mrs. Komaromy is the former Marilyn Krueger, daughter of the Frank Kruegers of Kewaskum.

Army Pvt. Paul L. Fellenz, son of Mrs. Lorraine E. Fellenz, Route 1, Kewaskum, recently completed the radio-teletype operation course at the Southeastern Signal School, Fort Gordon, Georgia. The 18-year old soldier is a 1959 graduate of St. Lawrence Seminary in Mount Calvary.

Army Pvt. James R. Lauters, son of Mr. and Mrs. Louis Lauters, Route 2, Kewaskum, completed a month long tour of duty patrolling the German - Czechoslovakian border with the 11th Armored Cavalry Regiment in Germany.

Candidates for degrees at the 1960 commencement exercises of Marquette University in Milwaukee will include a senior from Kewaskum. He is Joseph C. Staehler, Route 2, Kewaskum, candidate for the bachelor of science degree, College of Liberal Arts. He will also receive a commission as second lieutenant, U.S. Army.

Miss Carole Schultz, daughter of Mr. and Mrs. Reuben Schultz, Route 1, Kewaskum, who attended the Business Institute of Milwaukee the past nine months, received her diploma in the secretarial course on May 27.

A daughter was born to Mr. and Mrs. Carl Backhaus, Kewaskum, on May 27.

## 50 Years Ago

June 7, 1935

A new business place will be opened up in the former Clem Reinders furniture store building in the near future. Miller's Furniture Store and Undertaking Establishment, which recently took over the Reinders holdings, will move their complete line of radios, refrigerators and electrical appliances department from their present location into the Reinders building. The first floor will be devoted to radios, refrigerators and electrical appliances, while the upper floor will be taken up with furniture. Mr. Charles Miller, son of Mr. and Mrs. Edw. C. Miller, who has an interest in the Miller Electric Store, will be in charge. Frank Felix, our local radio service man, will occupy part of the store, where he will carry on his radio service business as he has in the past.

On Friday (today) four pupils of Holy Trinity School were awarded diplomas for completion of the eighth grade. They are Carl Mayer, Harold Schlosser, Alice Bath and Annette Beilke.

Rev. Father Ph. J. Vogt Administered the sacrament of First Holy Communion to a class of seven children at St. Bridget's Church last Sunday morning. Those who received were: Peter Flasch, George Walter, Francis Volm, Doris Mae Petri, Myrtle Schmidt, Alice Volm and Myrtle Walter.

A very pretty wedding was solemnized at Holy Trinity Church on June 1, 1935, when Miss Frances Zeimet, daughter of Mrs. Mathilda Zeimet, of this village, became the bride of Walter Schneider, son of Mrs. Barbara Schneider of Milwau-

kee.

Those in the high school who have been present every day school was in session are: Rosemary Haug, Marcella Klockenbush, Ralph Marx and Howard Schmidt. On Friday afternoon the school awarded the official "K" to those boys participating in athletics and to the cheerleaders. To those boys playing both baseball and basketball a seven inch chenille letter was given. Such letters were awarded to Harold Smith, Kilian Honeck, Earl Bartelt, Otto Weddig, Clarence Werner, Fred Dorn and Willard Prost.

To those boys who participated in one sport only, either basketball or baseball, a six inch chenille letter was given. Herbert Hopkins received his for basketball and Pirmin Kohler, Anthony Uelmen, Robert Romaine, Dean Stern, Ralph Marx and Roland Koepke received theirs for baseball. The cheerleaders, namely, Janice Koch, Fred Miller, Audrey Koch and Walter Werner received four inch letters with a felt megaphone attached. Those who were cheerleaders but earned letters in other activities received the greater award. Such awards were made to Lorraine Habeck for winning the Tri-County League Declamatory contest, and Anthony Uelmen, who earned his letter in baseball. During the last general assembly period of this week, letters will be presented to Howard Schmidt, oratorical contest winner, and Evelyn Krautkramer, humorous declamatory contest winner. The members of the orchestra will also be given a four inch chenille "K" with an attached felt music lyre emblem as a token of appreciation for playing at various school activities. Those receiving this award were: Beulah Schaub, Janice Koch, Fred Spoerl, Armond Mertz, Viola Backus, Doris Mae Rosenheimer, Rosemary Haug, Sylvester Harter, Lester Borchert, Harry Koch and Gregor Flasch.

Agents of the federal treasury department raided a still in the Town of Ashford on June 3. The officers found a 3,000 gallon tank filled with mash, while another tank showed signs of having been recently run off. After making the seizure, the officers telephoned to Milwaukee for two trucks on which the salvaged equipment was hauled away. Other materials were wrecked on the farm.

Mr. and Mrs. Sylvester Herman are the proud parents

of a baby girl born to them last Saturday morning. A baby boy was born to Mr. and Mrs. Ed Dreher on Tuesday of this week.

### Over 220,000 Surveys Mailed to Catholics In Milw. Archdiocese

A total of 220,830 mailings containing two surveys to all registered Catholics in the Archdiocese of Milwaukee has been completed. On May 15th, 1,000 priests received the mailing. On May 20th, a random sample was mailed to 1,600 households and during the week of May 28th, over 215,000 mailings were sent to Catholic households. Another mailing has been sent to the 3,100 religious Sisters and the 130 religious Brothers during the same period.

Each survey mailing contained a cover letter from Archbishop Rembert G. Weakland stating, "To prepare for the synod, it is appropriate for me to survey the Catholics of Southeastern Wisconsin regarding the issues that they estimate are most important and require attention as we move toward the year 2,000 and beyond."

Each survey question is translated into Spanish to accommodate Spanish speaking Catholics in the diocese. The survey was developed by the synod coordinating committee and the University of Wisconsin-Milwaukee Urban Research Bureau. It was designed so the responder would be anonymous and was field tested in three parishes in late March.

The surveys can be returned in the envelope enclosed in the survey mailing or during parish liturgies on June 2nd and June 9th.

The history of synods in the Archdiocese of Milwaukee dates back over 100 years. A synod was called and convened in 1849, six years after the diocese was formed. In the late 1950's Archbishop Albert G. Meyer called a synod, however, all local planning ceased when Pope John Paul XXIII called Vatican Council II. SYNOD, 1987 will be the first synod to be convened in the 20th century in the diocese.

Fr Michael Newman, chairman of the synod coordinating committee, explained the purpose of the synod survey. "The Archbishop is looking for measured impressions from all Catholics in the diocese. In his pastoral letter, 'Walking Together,' he views the synod as a process in which he will have the opportunity to hear shared concerns and hopes."

The issues identified by responses to the synod survey will be assigned to study commissions which will prepare reports for presentation to the synod in 1987.

The process by which synod delegates and study commission members will be appointed will be announced next fall by Archbishop Weakland.

advocacy program which includes the pro se Temporary Restraining Order/Injunction advocacy services available to battered women.

The expanded program became possible as the result of state funding. The program will provide funds for the printing of booklets explaining battered women's legal rights. The booklet used in conjunction with counseling will enable women to make more informed decisions on which legal measures best suit her needs and give her necessary information to initiate legal procedures.

The booklet will address the issues of Marital Property Laws, Divorce & Legal Separation, Assault Laws, Disorderly Conduct laws and Temporary Restraining Order.

FBW will cooperate with other county agencies, local attorneys and local law enforcement agencies in its effort to enable battered women to utilize the legal system with more confidence and a clearer knowledge of their rights.

In April 1986, group sessions for coping with the legal process while maintaining self-sufficiency and self-esteem will begin. A peer counselor will provide emotional support, available options, and arrangements for transportation and child care throughout the decision making process.

FBW will also provide legal advocacy to children during litigation resulting from a domestic violence situation. These services will carefully avoid infringing on the territory of lawyers, providing such elements as emotional support, aid in using the system, explanations and transportation.

If you or anyone you know needs the help of FBW you may call 334-7298 in West Bend, 289-9960 in Germantown or Enterprise 7298 in Hartford.

### Announce Chairmen For County Cancer Society's Crusade

William (Bill) Bailey and John Bykowski of West Bend will serve as Chairmen of the American Cancer Society's 1985 Crusade for West Bend and Washington County. The announcement was made by Michael Sheppard, President of ACS's Washington County Unit.

In announcing the new chairmen, President Sheppard said, "Bailey and Bykowski are active in many areas of our community, and I am confident that they will conduct a very successful campaign. They will have more than 300 volunteers to help meet the 1985 Crusade goals."

"In West Bend and Washington County we expect to raise \$12,000.00 this year," said co-chairman Bailey. "This

money will be used to support programs in West Bend and Washington County for prevention, early detection and treatment of cancer and to provide assistance to cancer patients."

"Another Crusade goal is the saving of lives in West Bend and Washington County," he continued. "Local volunteers will be going door-to-door on Sunday, April 21, 1985 and over the next few weeks thereafter to distribute a folder called 'Your Colorectal Health Check.' It contains information which could save your life about this highly curable form of cancer as well as cancer's seven warning signals."

Bill Bailey, Asst. Vice-President, M&I First National Bank, is a member and past President of the West Bend Kiwanis, Secretary of the West Bend Area Chamber of Commerce Ambassadors, Boy Scout Merit Badge Counselor, Treasurer of the Board of Directors and the Threshold and a Board Member of the Washington County American Cancer Society. John Bykowski, Vice-President of Marketing, West Bend Mutual Insurance Co. is a Board Member of the Washington County American Cancer Society and a Cub Scout Leader at St. Frances Cabrini.

The 1985 Cancer Crusade in Washington County is part of a statewide and national effort involving more than two million volunteers.

### THANK YOU

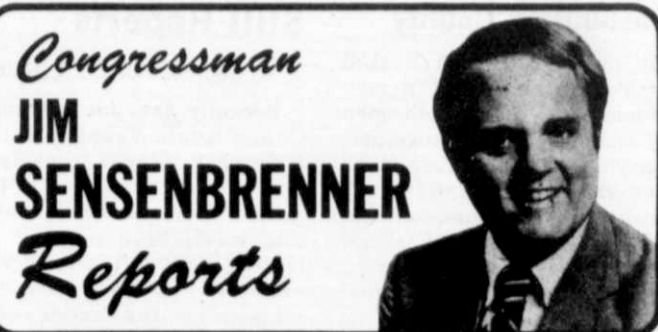

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

### COMMEMORATIVE WASTE

Congress is scheduled to be in session only 157 days this year - a short time, considering the multitude of important matters we must decide. This task would be easier if we were not burdened with hundreds of "commemorative" bills, which comprised one-tenth of the legislation introduced last Congress.

While no one would dispute the worthwhile contribution made to society by disabled veterans, or the need for increased awareness of drunken driving, can we similarly justify designating National Mule Day, or National Sewing Month? Where do we, in Congress, draw the line?

In short, all of these matters should be stopped because I think we are paid to consider more important matters.

Members of Congressional staffs spend hundreds of hours each year on commemorative legislation. Add to that the estimated cost of \$750,000 for printing bills, Dear Colleagues and Congressional Record entries, and it is clear that commemorative bills are not a prudent use of our time or taxpayers' money.

Despite House rules restricting commemorative bills, such legislation is prolific. Last Congress, 652 commemorative bills were introduced, and over 150 have been introduced already this year. We, in Congress, must ask ourselves if we can justify to our constituents - and ourselves - the time spent on legislating such things. The answer is absolutely no.

As a result of all this I have

cosponsored legislation which would prohibit the House from considering commemorative bills. H. Res. 111 would rid us of this unnecessary burden and allow us to concentrate on issues that truly warrant federal action.

### Centennial Art Competition

In conjunction with the West Bend Centennial celebrations, the West Bend Community Trust is sponsoring an art competition open to all Washington County residents. The subject of the art work must deal with any historical aspects of the development of the City of West Bend. All art work must be original, wall-displayed art and ready for hanging.

The West Bend Community Trust has committed up to \$1000.00 in cash awards for the award winning entrants.

Judges for the entries will be University of Wisconsin - Washington County arts educator, Tom Gross and M.P.T.I. arts educator and Vice President at Amity, Paul Lemler. Award winning entries will be displayed at the West Bend Gallery of Fine Arts during the Centennial Celebration week of June 23rd - 29th.

All entries must be delivered to the West Bend Gallery of Fine Arts prior to June 14th during regular gallery hours (Wednesday, Friday, Saturday and Sunday 1:00 - 4:30 p.m. and Thursday noon - 9:30 p.m.)

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue, West Bend.

## New Volunteer Opportunities in Washington County

In times past, men worked outside the home and women volunteered. Today both men and women volunteer together. Today's volunteer comes in all ages, shapes, sizes and from all backgrounds. Volunteers are people who care and share. Your volunteerism reflects your concerns and expresses your commitments to others in the community.

You CAN make a difference...and the Voluntary Action Center of Washington County is here to help you express your caring actively. We are here as your clearinghouse for volunteer activities of area agencies, organizations and citizens in need.

The following is a list of current volunteer opportunities available:

- Children are a most valuable resource in Washington County. Let's show them how much we really do care. With a minimum commitment, you could offer support, guidance and love to a single-parent child. In this one-to-one relationship, you can help to widen experiences, expand horizons and help to develop personal identity, self-worth and inner security for a child.

- Sometimes victims do not know where to turn for help and advice. You could lend an ear to a victim who desperately needs emotional support and information as a hot line crisis counselor. Adults are needed who can respond to crisis calls from assault victims. Volunteers in this program are provided with training and support staff.

- With the West Bend Centennial celebration this year, comes a need for a variety of volunteers with a multitude of skills and ambition. Join us to make the Centennial celebration one of reflection and rejoicing in our community. Your special and unique skills and talents would be appreciated on any one of a number of committees.

- Your clerical skills could be enhanced and improved for future employment with just 2-4 hours each week as an office assistant. Typing, phone answering, filing skills and more can be sharpened and advanced in this short-term commitment.

These and more volunteer opportunities are now available to interested people in Washington County. If you have special volunteer skills, need a volunteer, or are interested in any of the activities listed, please contact the Voluntary Action Center of Washington County at 414/338-3884 for additional information. Office hours at 304 S. Main Street, the Frisby House, West Bend, are Mondays 8:00 a.m. - 12 noon, Tuesdays 5:00 p.m. - 7:00 p.m. and Thursdays 8:00 a.m. to 4:00 p.m.

## Two License Plates to Stay, Stitt Reports

By Senator Donald K. Stitt

Recently the Joint Finance Committee's Transportation Discussion Group considered and later voted against a proposal in Governor Earl's budget that would have required the issuance of only one license plate for all motor vehicles. This proposal has substantial impact on law enforcement, road safety and the costs to taxpayers and drivers.

Under current law, the Department of Transportation is required to issue two license plates to most motor vehicles. The Governor has recommended, in his budget, that all vehicles be issued one license plate.

Twenty states currently issue only one license plate for automobiles and fifteen others are considering single plate legislation. States issue a single plate primarily to reduce expenditures.

Law enforcement officials strongly object to the one plate system even when considering the costs. They believe the reflective front plate has value both as a safety device and as a means of vehicle identification.

Surveys of law enforcement officials from both one and two plate states show opposition to a one plate system. The two plate system is strongly supported by 74% of the officers in Ohio (a two plate state) and 58% of the officers in Pennsylvania (a one plate state). They believe two plates are "very important" for safety and law enforcement reasons.

Although I believe very strongly in the need to reduce government expenditures wherever possible, the need to provide our law enforcement officials with the tools they must have to carry out their duties takes priority. The two plate system clearly increases road safety and enhances the chances of identification of vehicles for law enforcement purposes.

The two plate system will now be considered by the entire Joint Finance Committee. I further expect that this system will also be retained by the Legislature.

Please feel free to write me,

Senator Don Stitt, P.O. Box 7882, Madison, Wisconsin 53707 or call my office at 608-266-7513 or leave a message with the Legislative Hotline at 1-800-362-9696.

## Campus Notes

Students from Kewaskum were among some 167 University of Wisconsin-Whitewater undergraduate students who were named to the honor roll for academic achievement for second semester of the 1984-85 academic year.

Students on the honor roll must have a semester grade point average of at least 3.4 on a scale on which 4.0 is equal to "A." They also must have carried at least 12 credits with no grade below "C."

Honor roll students included Todd Backus, 418 Main St.; Pamela Heberer, 691 Mill Rd.; Doreen Klug, Route 1, Highway D; Scott Nigh, 355 North Ave.; and Mary Paul, 320 First St.

....

Students from Kewaskum Community High School are among those from high schools throughout Wisconsin selected by the University of Wisconsin-Whitewater to receive the 1985 Award for Excellence in Language Study.

Each year the UW-Whitewater Foreign Language Department honors the two outstanding students in each foreign language at various state high schools, and each student receives a certificate indicating the honor.

The awards program was established to help recognize the importance of foreign language studies, as well as to honor those who excel in the respective language studies.

Among those honored were Spanish student Sandy Klein and German student Tracy Buchel.

....

One hundred University of Wisconsin-Oshkosh students were initiated into Kappa Delta Pi, a national honor society for education students.

Initiates from Kewaskum included Gerald J. Gosa, Jr. and Sheryl L. Squier.

## ... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

### PEOPLE HAVE REPORTING RESPONSIBILITIES

People in the West Bend area who receive Social Security checks have an important responsibility to report any event that could affect their right to or the amount of their checks, David W. Becker, Social Security manager in West Bend said recently.

A report can be made by telephone, mail, or in person and should include the following information: name of person, what is being reported, date it happened, signature, address, and the claim number under which benefits are being paid (a nine-digit number followed by a letter).

Becker said the following events should be reported:

- Change in mailing address.
- Earnings of more than the annual limit - \$7,320 for people 65 or over, \$5,400 for people under 65. People getting benefits because of disability should report any work.

- A person goes outside the United States.

- Imprisonment for commission of a felony.

- Dependents and survivors should also report:

- Divorce or annulment of marriage.

- Marriage.

- Adoption of a child.

- Child leaves the care of a parent.

- Child nearing 18 is full-time high school student or disabled.

- Change in school attendance for student 18-19.

- A person becomes unable to manage funds.

- A person dies.

More information about reporting can be obtained at any Social Security office or by calling 1-800-242-9946. Free booklets are available which explain reporting responsibilities in greater detail.

### U-Turns Are Illegal at Signal Lights

Making a U-turn at a signal light could cost up to \$40.00 and three (3) demerit points against your driver's license, according to Washington County Sheriff Clarence Schwartz.

Wisconsin law specifically prohibits U-turns at signalized intersections whether or not a "NO U-TURN" sign has been erected, according to the Sheriff. Other places where

U-turns are prohibited are mid-block in a business district or on any through highway in a residential district - unless the turn is at a crossover on a divided roadway where there are no signs posted otherwise. A second or subsequent conviction within a year could result in a forfeiture of up to \$100.00, plus an additional three (3) penalty points.

**IN MEMORY**

In loving memory of our dear father and grandfather, Daniel Zanow, who passed away one year ago.

You have at last the peace you sought.

But we must struggle now, To understand why things must be

And that our lives go on, Our family chain's been broken And nothing seems the same, But as God calls us, one by one The chain will link again.

It broke our hearts to lose you But you didn't go alone, For part of us went with you The day God called you home. At least we have our memories And we've learned to fight the tears

But still we wish that God had shared you

For just a few more years.

Deeply missed by  
Darryl, Bonnie & Brooke Zanow  
Jim & Denise Spaeth

**THANK YOU**

I wish to express my sincere and deepest appreciation to Pastor Hoenecke, my family, relatives, neighbors and friends for the support given me with visits, cards, food and phone calls before and during my convalescing.

Sincerely,  
Mrs. Roman (Trudy) Fellenz

**A NOTE OF THANKS**

We wish to thank our relatives and friends for attending our 50th wedding anniversary and making this a very memorable day. Thank you also for all the floral pieces, gifts and many cards we received.

Special thanks to Rev. R. Berghammer, Rev. E. Pesch, Dick Walter - photographer, Mr. and Mrs. Syl. Campbell - caterers, Merv Thompson and Allen Dreher of the American Legion Post and sincere thanks to our children and grandchildren who made this all possible, a day never to be forgotten.

Walter & Frances Schneider

**A NOTE OF THANKS**

I wish to express my sincere thanks to the Kewaskum Rescue Squad for their prompt and efficient service in transporting me to the hospital. Also special thanks to Rev. Hoenecke for his visits and all who remembered me with cards, visits, gifts and phone calls.

Harry Justman

**THANK YOU**

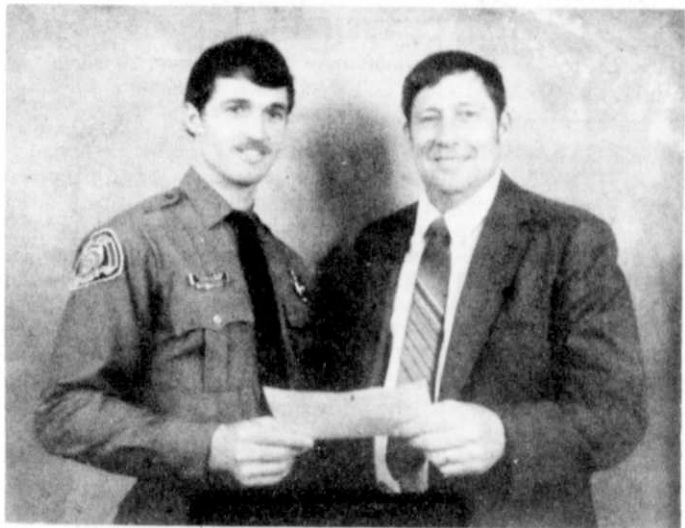

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

And thanks to St. Anthony, the Blessed Mother and St. Jude.

# Steinhardt Just Misses Qualifying For State Finals by .02 of a Second

By John Harju

Although Kewaskum's Mike Steinhardt didn't advance to the finals of the Class "A" 100 or 200 meter dashes at Friday and Saturday's state track meet in Madison, he did put in respectable performances, near his personal bests, in both events.

Steinhardt had the ninth fastest time in Friday's 100 meter trials (11.19), narrowly missing qualification for finals (eight qualify) by .02 of a second as the eighth best time was 11.17. In the 200, he had the 14th best trials time at 23.1. His personal bests in the events are 11.0 and 23.7, but Friday's qualifying heats were run into a strong wind, none the less coach Dave Drexler felt Steinhardt did a good job and should have nothing to regret about his performance.

In addition to Steinhardt, many other area athletes representing Kettle Moraine, West Bend East and West, Campbellsport, Slinger, Mayville and Hartford, partici-

pated in the state meet as well.

Leading the field was Kettle Moraine's long jumper Rob Meredith, who won Class "A" with a leap of 22'9 1/2", West Bend West's Mike Wolf, who was second in the class "A" 110 meter high hurdles, and Slinger's Judy Gehl, who placed in three Class "B" events, including a second in the discus. Campbellsport's Barry Wenzlaff placed sixth in the class "B" 400, as well.

# Indians Split With West Bend East, Beat Cougars, Lose in EW

By John Harju

After four games the past week, the Kewaskum Indians baseball team is now 3-4 on the young season. They have defeated Slinger, West Bend East and Campbellsport, and lost to Sussex Hamilton in a doubleheader, the second game of a twin bill to West Bend East and Plymouth.

New head coach Tom Bartelt, former JV coach and also manager of the Kewaskum Land o' Lakes League team, is the first non-teacher coach ever to direct a KHS varsity team. He has eight lettermen returning, including five starters, from last year.

Kewaskum split a double header with visiting West Bend East last Thursday, winning the first game 18-11 and losing the second 8-6, beat host Campbellsport, 16-10, on Saturday, and lost the EW Conference opener at Plymouth Monday, 11-0.

In the first game against East, Kewaskum jumped on Sun pitcher Paul Jacklin for nine runs in the first inning with the big blow being a bases loaded triple by Bob Yahr. Yahr, who is currently KHS leading hitter with a .444 average, went 2x4 with 4 RBI's on the night. Kewaskum also had an eight run 4th inning, off-setting a 7-run fifth inning by East.

Senior Tim Geidel picked up the win, going five innings, walking 7 and striking out 3, before being relieved by Jeff Newhauser, who finished up.

In the second game, Kewaskum stranded 14 runners on base and couldn't take full advantage of 9 West Bend East errors. The Suns scored 3 runs in the sixth and 2 in the seventh to erase a 5-2 Indian lead. Indian starter Don Menzel struck out 12 and walked 7 in going the distance, but his 7 walks, some wild pitches and dropped third strikes hurt his effort.

Leading the Indians at the plate were Yahr (3x5) and Jim

Lauer with a double.

Against Campbellsport, the Indians exploded for 4 runs in the first and third innings and 7 in the fifth to coast to an easy win. Indian starter Tim Rohlinger upped his record to 2-0 despite having some control problems in walking seven, but struck out 9 while giving up 12 hits in seven innings of work.

Kewaskum banged out 16 hits with six going for extra bases, including a first inning two run homer by catcher Tim Dettmann. John Mertzig went 2 x 2 with two doubles, Tim Geidel went 3x5 with 5 RBI's, and Rick Staehler went 2x2 with 3 runs scored, as well.

Exploding for 10 runs on eight hits and with the help of four KHS errors in the sixth inning, Plymouth defeated Kewaskum, 11-0, in both teams' conference opener on Monday in Plymouth.

Indian pitcher Tim Geidel had given up only one run on three hits before the sixth, unfortunately for Kewaskum, however, Panther starter Troy Petrie had a little better luck, giving up no runs on just three Indian base hits in going the distance.

Geidel was relieved by Jeff Newhauser after giving up 11 runs on 10 hits while striking out five and walking just two in 5 2/3 innings on the mound.

Plymouth banged out 11 hits on the night, five going for extra bases, with the big blows being a bases loaded double by Brian Fuerst and a two-run homer by Tom Richards.

# Kewaskum Lakes Team Reaches Finals in SWABA Tournament

Brookfield, the Land o' Lakes grand champions the past three years, and Thiensville-Mequon made it through the West Bend SWABA Regional Baseball Tournament last week.

Brookfield defeated Kewaskum in one of the regional finals at Regner Park, 8-0, as Mark Schaefer, member of the UW team, pitched a five hitter, struck out 13 and walked none. Thiensville-Mequon won over Lannon, 8-6.

Earlier (on Thursday night) Kewaskum eliminated Cedarburg with a 13-2 win as Terry Koth, who also pitches on the University of Wisconsin team, hurled a six-hitter, struck out 11 and walked only two. Dave Donath and Andy Hoenecke each had two hits for Kewaskum. Also earlier, Thiensville-Mequon ousted Slinger, 15-6.

## Thursday Nite Thiernerdome Goodtime League

### STANDINGS

Cross Salvage	2	0
Kennelly	2	1
Bartelt Ins.	1	1
BJ & Co.	1	2
Thornton & Schaub	0	2

### HIGHLIGHTS

Another glorious spring evening brought record breaking crowds to the Dome. Extra Andy Prine ushers had to be brought in from Chicago to handle the overflow crowd. There were some problems from the previous week where young rowdies were trying to move from their upper grandstand seats to the reserved lower box seats and this was causing problems for the season ticket holders. Pleased to say that everything went smoothly this week.

The first game was a battle of long ball as Kennelly outbelted BJ & Co. 15-7. Kevin Schoeder hit a grand slam in the 1st inning for Kennelly. This was followed by round trippers from Leon "Boomer" Schultz and Dennis "Jacker" Jazak for BJ & Co. With all the homers hit so far this season Chief Umpire Tom "Jacko" Larson threatened to put the softballs in his refrigerator prior to the games to restrict their flight.

In the 2nd game Cross Salvage remained undefeated by squeaking past the punchless Bartelt squad 4-3. Bartelt Ins. hitters are having the opposite problem of the rest of the league as they are having trouble hitting the ball over the infield. Records reveal that Jim "Jonsey" Korth has not had a base hit since he was married last fall. There must be a story there somewhere. In fact of the 21 outs made in the game by Bartelt Ins. 20 were of the weak pop up variety that Aunt Minnie could have caught in her apron. Watching all this caused high priced batting coach Barracuda Koth to fall into a state of apoplexy. Bartelt Ins. sorely missed power hitting utility player Bill "Legs" Gruhle. Word has it that he is attending night school where he is taking a course in the Fine Points of Playing Sheephead. Larry and Randy Cross were the main

culprits in Bartelt's demise as they both blasted long homers. Jim Benike, the favorite son of Art and Ethel, also had 3 hits for Cross Salvage.

Big games this week feature Bartelt Ins. squaring off against Kennelly and Cross Salvage against Thornton & Schaub.

# Koepke Awarded Softball Letter At Lakeland

Julie Koepke of Kewaskum was among 15 players on the Lakeland College (Sheboygan) 1985 women's softball team awarded letters. Julie batted .409 with 25 hits in 61 times at bat and had 15 RBI's. She was third high in batting, third in number of hits, and fourth in RBI's.

Cindy Schabach, freshman outfielder from Chilton, was named the "most valuable player" on the Lakeland team.

In addition to leading the Muskies with a .451 batting average (28 hits in 62 at bats), she was the team leader in homers (4), runs batted in (28), total bases (50), and shared the lead in triples (4) with Donna Schneider, first baseman from Merrill.

Coach Glen Goodberlet's team won 14 of 26 games and placed second in the Wisconsin Independent College Women's Athletic Conference. Schabach, Schneider and Marilyn Barner, Two Rivers, an outfielder, were selected to the all conference team. Schneider batted .312 and Barner .387.

Kay Stoffel, Fond du Lac, was the Muskies leading pitcher, posting a 7-4 record. Lakeland's other hurler was Denise Johnson, Rockford, Ill., who had a 7-6 mark.

# Winners in Big Fish Contest

Winners in Village Sport Shop's Big Fish Contest for the week ending June 1st are as follows:

Debbie Wiesner, Campbellsport, won the Walleye category with the 2.2#, 20" fish she brought in. Debbie was fishing on Lake Winnebago using a jig and night crawler.

Daniel Bartelt, West Bend, brought in the largest Northern for the week and the year so far. His 6.6#, 32 1/8" fish was caught on the Milwaukee River using a chub.

Jack Odekirk, Campbellsport, had the winning Bass for the week. He caught the 2.3#, 17 1/4" fish out of Butzke's Gravel pit using a Rapala.

Blake Rodenkirch, Kewaskum, brought in the largest crappie. The 21 oz., 14 1/4" fish was caught on Haack's Lake using a leech.

Congratulations to the winners.
