## School Board Acts to Lower Tax Levy

By GERRY MUELLER  
Statesman Staff Writer

No matter how long or hard the members of the Kewaskum School Board looked at the papers before them during Monday night's budget meeting, the facts did not change that the District is faced with a 13.85% increase in its budget for 1985-86.

This 14% increase is needed just to maintain the same level of service provided in 1984-85, said Board President Tom Brigham, and it is as much of a shock to the Board as it is to the public. The increase is a result of several factors, said Brigham. Number one, we had a reduction in enrollment of 76 students (4%). At approximately \$1,700 per student in state aids, this is a loss of \$129,000 to the District. Secondly, pay-

ments of taxes are not coming in as fast. More people are deferring their taxes. At present over 40% of the taxes are outstanding and will not be received until August according to the business manager's report. Thirdly, the board added 1.8 faculty last year. Business Manager Cherna Gorder also noted the board had added the Academic Decathlon and Olympics of the Mind programs which had not been budgeted for.

The budget figures were basically the same as presented during previous meetings and the bottom line still was that approximately 90% of the proposed budget is fixed costs with nowhere to trim to bring the figures down.

We cannot cut teachers for 1985-86, said Brigham, because we have passed the deadline for

layoff notices.

After two hours of discussion, Brigham conceded that the \$6.65 million budget would have to be presented to the voters at the Annual Meeting July 22nd. He noted the board was not happy with the situation and knew the taxpayers would not be either. He said the board was just going to have to convince people to approve the budget with the assurance that things would be done to improve the District's budget outlook for 1986-87. "To sell this, we're going to have to prove what we're going to do next year," stated Board Member Ron Theusch. "What I hear now is, we're going to start budgeting for 1986-87 on July 23rd," said Gorder. That's correct, noted Brigham.

## New School Administrator Here Elected to WIAA Advisory Council

Donna Thomas of Lake Mills has won a seat on the WIAA Board of Control, the WIAA

said the past week in announcing results of its special spring elections. She is the first woman to serve on the board of control since its formation in 1897.

Thomas defeated Mary Bowden of Cedar Grove in the election, called to add a minority-sex member to the board.

It also was announced at the Board's summer meeting in Elkhorn that Penelope Kleinhans won the minority sex member at-large position on the Advisory Council. Kleinhans, who was district administrator at Deerfield at the time of her election but who recently was named district administrator at Kewaskum, defeated Assistant Principal Patricia Strozyk of South Milwaukee. Kleinhans, thus, becomes the first female member on the Council since its inception in 1949.

The terms of both Thomas and Kleinhans are for three years.

Two other new board members, Douglas Smith of Manawa and Gary Einerson of DeForest, were present at the

WIAA board's reorganization meeting.

In the reorganization, Dave James, principal at Oconomowoc, became the new president of the board. Tom Kneusel, principal at Wauwatosa East, was elected vice president. Jerry Kain, district administrator at Sturgeon Bay, was named treasurer.

Also at the meeting, the board of control tentatively approved a realignment plan involving schools belonging to eight conferences primarily in the southwestern portion of the state. The final decision will be made Aug. 16.

In other action, the board:

- Voted to eliminate diving as a team-scoring event in the state tournament series, effective this coming season. Schools which do not have pools with diving wells at least 10 feet deep may not sponsor diving.

- Increased to 20 the maximum number of basketball games and increased to five the maximum number of multi-school wrestling meets a team may schedule, effective in 1986-'87.

## Paper Earlier Next Week

Because of the Fourth of July holiday next Thursday, when the post office will be closed, the Statesman will be printed a day earlier next week, on Wednesday. All advertising and news copy must be in our office no later than Monday noon. Your cooperation is appreciated.

# FIREWORKS

## Here Wednesday, July 3

The annual Fourth of July holiday fireworks display will be held in Kewaskum River Hill Park on Wednesday evening, July 3. The annual event is sponsored by the Village of Kewaskum under the supervision of the fire department.

The brilliant fireworks will be set off at dusk from the west side of the Milwaukee River. Spectators on the park hill across the river will have the best view of the electrifying fireworks, which will include ground displays of color and light and thunderous aerial bursts and sprays illuminating the sky.

The park will open at 6:00 p.m. and food and refreshment stands will be in operation at

that time. Hamburgers, hot dogs, popcorn, beer, and soda will be available. Live music will be provided from 7:00 p.m. to midnight by Danny and the Sunliners.

All residents of Kewaskum and surrounding area are invited to "light up" their holiday celebration by attending the traditional fireworks spectacular. Come early and enjoy the entire evening.

In the event of rain the fireworks will be held on Thursday, July 4.

The annual Kewaskum Firemen-Legion Picnic will be held Saturday and Sunday, July 13 & 14, with a giant parade at 12 noon on Sunday.

## Gina's Changes Hands

Gina's of 143 Main Street has been sold to David Stern, Dale Stern, and Chris Abel of the Kewaskum area, as of July 1st. The restaurant will be known as the "Landmark Inn" and will feature a much broadened menu while continuing the outstanding pizza tradition.

Gina accepted the offer to buy in order to move her husband to someplace with more opportunities for the blind.

Dale, who had been Gina's assistant manager, and Chris will honor all coupons issued by Gina as prizes or as part of the

cheerleaders promotion.

Gina wishes to thank her many loyal patrons for nearly four years of wonderful experience. "You have become family and will be sorely missed," Gina said.

"Please extend to the new owners the same courtesy and cooperation given to me and my staff," Gina requested.

Gina's future plans are undecided. Currently she is managing Hoef's Drive Inn at Hoef's Resort, Crooked Lake, for the summer.

## Jaycees Torch Run July 5

The Kewaskum Jaycees are finalizing plans for the Torch Run to be held from 1:30 to 3:30 p.m. on Friday, July 5. (This date has been changed from July 4).

The opening ceremony will be held at the Regal Ware Outlet Store, 1308 Fond du Lac Avenue, Kewaskum, at 1:30 p.m. with a short presentation and a chance to meet Ron Stack, the Official Torch Lighter of the 1984 Los Angeles Olympics.

The torch used during the Badger State Games Torch Run through Kewaskum is one of several that were actually used during the Olympic Games. Don't miss the chance to see and hold this torch during its historic trip through Kewaskum.

There will also be a fish bowl at the Outlet Store for any donations you would care to make for our fellow Americans afflicted with cystic fibrosis.

Following the presentation, the torch will make its way through Kewaskum, stopping at area businesses to help spread enthusiasm and to accept any donations for the Jaycees' cause.

The Torch Run is being held as part of the festivities surrounding the 1984 Badger State Games. The Games are a sports festival July 12-14 in Madison. Competition will be in 16 different sports, with a spread from archery to wrestling, and is limited to state residents. The concept of the

budget, the only area which could possibly be reduced was Capital Improvements for \$149,000, which includes typewriters, etc. Gordier indicated, however, that cuts in that area would have little effect on the total budget. She reminded the Board that contract negotiations with the teachers, administrators and support staff had not been completed and this, along with increases in other areas such as insurance, would probably balance out any cuts in that category.

When a resident asked if the teachers would consider a wage freeze, Brigham stated, "we have been negotiating with the KEA and Support Staff and at this point we have stopped all negotiations to look at the status of the District. These people are not insensitive to the situation so all negotiations are on hold."

During last Thursday's budget meeting, Gordier suggested using \$250,000 from the District's fund equity to help lower the 1985-86 levy increase from 25% to 13.22%. This would result in a tax levy of \$12.93 per \$1,000 of equalized

valuation or an increase of \$100 on a \$70,000 home as compared to earlier calculations of \$14.27 per \$1,000 or \$200.

While Gordier was not in favor of the idea, she felt it would provide some relief to the taxpayers. Fund equity should be kept in reserve to cover any unexpected emergencies which could come up, said Gordier.

The board re-affirmed its approval of Thursday's motion giving Gordier the okay to use \$250,000 from the equity to reduce the tax levy for 1985-86.

The board also discussed the options of short and long term borrowing but tabled any action in order to give Gordier more time to collect data on both the financial needs of the District and the various methods of borrowing open to it. "If the Board does look at long term borrowing, now is a good time, rates are down," stated Gordier, "next year the picture may change and interest rates could be up."

The Board moved to postpone the July 8th meeting until July 15th. With the holiday coming up, Brigham felt this would allow the new District Administrator a few extra days to review the budget.

Games is to be a mini-Olympics, involving all levels of athletic participants, from young, to elite, to masters, to the average weekend athlete. Regionals were to be held around the state in those sports where large numbers of participants were expected, with finalists advancing to Madison.

The torch for the games will

be carried by persons designated in each community by local Jaycee organizations. The Torch Run, similar to the one held before the 1984 Los Angeles Olympics, will begin June 30 and wind through some 40 cities before ending July 12, date of the Games' opening ceremony in Madison.

## Peterson Represents Bay-Lakes Council at Heritage Campfire

A heritage campfire burned in front of the state capitol in Madison, in commemoration of the BSA's 75th Anniversary year, and the Bay-Lakes Council took part in the celebration.

This special observance was held Monday, June 24th, at 12:00 noon. Joining representatives of councils throughout the state was Governor Anthony Earl.

Similar fires are being lighted in every state capitol during May, June, and July. Then, beginning on the West Coast, ashes from these fires will be carried 7,500 miles to the site of the National Jamboree at Fort A. P. Hill, Va., in advance of the opening of the jamboree on July 24th. The boxes containing the ashes will be displayed like a jigsaw map of the United States and ceremoniously burned before the 30,000 participants.

In keeping with the Diamond Jubilee theme, "Pride in the Past... Footsteps to the Future," Scouts from each council will return home from the jamboree with a small tree.

"It will be a symbol of growth from the ashes into a greater, stronger Scouting program," said Scout Executive Paul G. Bucklin.

Representing the Bay-Lakes Council at the ceremony at the State capitol were George Kaufman, Manitowoc Campfire Chairman and L. N. Peterson, Kewaskum, Council President.

Terry Douma from Waupun, Eileen Hoyt and Karen Mossong from Fond du Lac, Darcy Tagliapietra from Brownsville, Amy Vetter from Beechwood, and Ellen Wettstein from Dotyville.

These students spend 24 months in the technical program which includes classes in subjects as diverse as physics, anatomy, and darkroom chemistry while gaining clinical experience working with patients.

Even though jobs are very tight, all of the students have been successful in securing a position: Terry Ellen and Darcy are employed at St. Agnes Hospital as technologists. Darcy will also be attending UW Oshkosh for Communications. Karen has been employed by Nicolet Clinic in Neenah. Amy will be employed at St. Agnes Hospital and at the Fond du Lac Clinic during the summer as a radiology aide and will attend St. Francis Hospital's School of Sonography in Milwaukee this fall. Eileen will continue to work with Consultant's Laboratory while completing her radiology schooling and then seek employment in this area.

## Kewaskum Elementary School Students Receive Academic Awards

KES' seven Presidential Academic Awards winners proudly display their certificates and the plaque bearing their names as PAFA recipients.

By GERRY MUELLER  
Statesman Staff Writer

Seven Kewaskum Elementary School students were recently recognized as the District's first recipients of the Presidential Academic Fitness Award.

James Dionne, Nicole Gaffke, Scott Hass, Heather Kulcinski, Tammy Staehler, Gerald Sese and Ira Sison were awarded a pin and certificate of recognition signed by President Reagan, the Secretary of Education, and Principal Richard Zarling, for having placed at, or

above, the 80 percentile level on this year's Iowa Test of Basic Skills. The test results were the criteria on which the awards were based. At the elementary level, only sixth grade students are eligible to participate in the program.

The Presidential Academic Fitness Awards (PAFA) program was established by the

President in 1983, and designed to encourage students to achieve their full academic potential.

The students' names were also placed on a large plaque which will be on public display at the school. Future winners in the PAFA program will also have their names added to the list.

## New Amtrak Route Would Pass Through Kewaskum

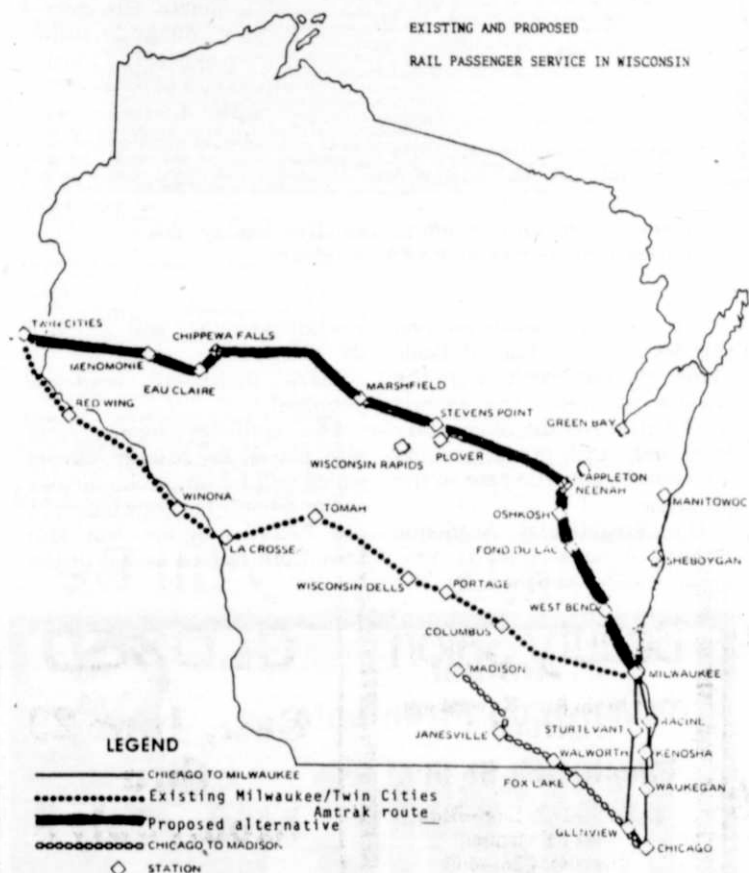

A proposed alternative Amtrak route "would stop in more cities, serve more people and give a big boost to the people of Wisconsin," according to State Representative Mary Panzer (R-West Bend).

Panzer announced she is in favor of the new Milwaukee to Minneapolis route which would schedule stops in 11 Wisconsin cities, compared to six in the old route. Among the stops would be West Bend, Fond du Lac, Oshkosh, Appleton and Neenah. Twelve educational and health institutions would receive rail service, compared

to just four previously. Panzer pointed out that with the addition of only 23 miles, 234,670 more Wisconsinites would be reached.

In addition, businesses in the Fox, Wisconsin and Chippewa River Valleys would have a direct-line connection with Milwaukee and the Twin Cities.

"This route is a tremendous improvement," Panzer said. "It will provide work and service to the people of Wisconsin, and will cut down on traffic and save people money. It's a good plan for reviving rail passenger service in our state."

## St. Joseph's Announces Its Affiliation With Homecare Specialists

Beginning July 1, 1985, St. Joseph's Community Hospital of West Bend and Homecare Specialists of West Bend will provide home care services to patients who require post-hospital care.

St. Joseph's community Hospital has always had a strong commitment to providing quality inpatient and outpatient services. Early in 1985, discussion began with Homecare Specialists of West Bend to continue that same quality care when patients are discharged.

Today patients are released from the hospital after a much shorter stay and many require continuing care while they recuperate at home. These could be patients needing dressing changes, patient education, or help with managing medications. These services will be ordered by the physician and could include nursing, therapy, and home health aide services.

Home health aide service will provide personal care such as assistance with bathing, dressing, and meal preparation.

Essential activities to daily living can be provided for people unable to do their own laundry, shopping and light housekeeping.

The discharge planners, Dorothy Kleinke, R.N. and Patti Luedtke B.S.W., will be working closely with the nursing personnel at Homecare Specialists of West Bend before the patient leaves the hospital. Necessary equipment and services for post-hospitalization will be set up in advance to smooth the transition from hospital to home for each patient needing services.

Together St. Joseph's Community Hospital and Homecare Specialists stand committed to providing quality home care services to their patients.

## JOHN THEISEN

John Theisen, 96, a resident of Fond du Lac County Health Care Center, died Monday, June 17, 1985, at the center.

He was born July 30, 1888, a son of John and Francis Thelen Theisen. He was married to Bernadine Meis on May 2, 1916, in Lomira. She died on Dec. 13, 1968.

Mr. Theisen farmed in Ashford until his retirement.

Survivors include two sons, Henry of Eden and Norbert of Campbellsport; two daughters, Mrs. Raymond (Arlene) Fechter of West Bend and Mrs. LeRoy (Delores) Wollner of Newburg; one sister, Isabelle Theisen of Fond du Lac; and 13 grandchildren, 25 great-grandchildren, and three great-great-grandchildren. He was preceded in death by one son, three grandchildren and three brothers.

Funeral services were held at 10:45 a.m. Thursday at Twohig Funeral Home, Campbellsport, and at 11 a.m. at St. Matthew's Catholic Church, Campbellsport. The Rev. George Etzel officiated. Burial was in the parish cemetery.

Friends called from 4 to 9 p.m. Wednesday at the funeral home.

mortgage interest deductibility, Joint Finance has already indicated that these deductions advance desirable social and economic goals," Bezold said. "The Committee's actions clearly rejected the governor's original tax plan for complete elimination of deductions," Bezold added.

Washington Board members also discussed tax reform measures with Senators Scott McCallum and Donald Stitt, and Representatives John Merkt, Mary Panzer and Dwight York. "It's important legislators understand Joint Finance's tax reform alternative will not only reduce the ability for people to afford a home, but will also damage Wisconsin's tourism market, because the mortgage interest deduction for second and vacation homes would no longer be allowed under its proposal," Bezold said.

Washington Board members who attended Realtor and Government Day in Madison included: Fran B. Wajer, Fran Wajer Realty, West Bend; Board Secretary William Barnes and Dennis Scherwinski, Wauwatosa Realty Co., West Bend; Board MLS President Daniel D. Coulter and Ann Enright, Re/Max of West Bend; Board Treasurer Carleen Konstanz and Chris Kuechler, Realty-World-West Grove Realty, West Bend.

brokers in the state and originally helped form and organize the Realty World Brokers Counsel of which Don Kuechler is currently president. He had been General Manager and Vice President of Realty World-De Mille in Green Bay and served as a director of the Green Bay Board of Realtors prior to leaving real estate for a period of five years to own and operate a sixteen lane bowling center in Shawano.

Larson indicated that Koeller would be filling a new position and handle duties that had formerly been handled by Don Kuechler in addition to his sales leadership work. Kuechler said that Koeller would be responsible for the day-to-day operations of the office, advertising and marketing, personnel recruiting and training, work assignments, sales scheduling and real estate closing work. Kuechler, as Chief Executive Officer of the company will supervise sales and public relations. Koeller is a graduate of the Wisconsin Realtors Association G.R.I. Courses and a broker of longstanding. Koeller, his wife Ronda and daughter will move to West Bend in the near future. He also has two older sons, Greg who lives in Phoenix, Arizona and Mike in Shawano.

Realty World-West Grove Realty, Inc., a member of West Bend Savings' Financial Resource Group, is a full service real estate sales company headquartered at 2395 W. Washington Street, West Bend.

## 18 County Realtors At Madison Meeting; Oppose Tax Reform

Eighteen members of the Washington Board of Realtors attended the Wisconsin Realtors Association's annual Realtor and Government Day in Madison recently, and heard Governor Anthony S. Earl speak to over 500 Realtors from throughout Wisconsin about his tax reform initiatives.

The WRA is currently fighting for retention of all deductions in Wisconsin's personal income tax code, but the governor and the Legislature's Joint Finance Committee are supporting limitations to deductions like mortgage interest and charitable contributions.

"Limitations mean restrictions and we believe the tax code should promote, not restrict home ownership," Marion P. Bezold, Washington Board of Realtors executive officer said. "By restoring

## Kewaskum Special Olympians Big Winners

Kewaskum Special Olympians [left] Joan Bath, and [right] Jean Wiesner received congratulations and a hug from awards presenter Beverly Lofton, wife of Green Bay Packer James Lofton.

Kewaskum Special Olympians Joan Bath, Stacy Mueller, Jean Wiesner and Coach Jeaneen Kudek relax before the softball competition. Thousands of participants, coaches and parents attended the three-day State Special Olympics meet at Stevens Point.

Everyone's a winner — Softball Bronze Medal third place winner Stacy Mueller congratulated the Gold Medal winner.

By GERRY MUELLER  
Statesman Staff Writer

The five athletes representing Kewaskum's Special Olympics Team made an excellent showing during the Special Olympics three-day state meet held at Stevens Point earlier this month.

All the members returned with at least one medal to their credit. In the running competitions, both Joan Bath and Jean Wiesner received Gold Medals for their First Place finishes in the 50-meter events.

Competing for the first time in swimming events, Joanne Stautz and Julie Morgan did outstanding jobs in representing their team. Stautz won a Gold Medal in Free Style and Silver Medal in the Backstroke. Morgan earned a Bronze for Third Place in the Free Style and Fourth for the Backstroke.

In the Softball Throw, Stacy Mueller received a Bronze Third Place Medal, Bath Fourth Place Ribbon and Wiesner Eighth Place Ribbon.

There were 142 teams, representing hundreds of

athletes from throughout the state, participating in the meet which was held on the University of Wisconsin-Stevens Point Campus.

Green Bay Packers James Lofton and Estus Hood, along with their wives, were on hand to present awards to the athletes. Former Packer Johnnie Gray also assisted with the awards presentations. Special guests included former governor Lee Dreyfus, Miss Stevens Point 1985, Mrs. Wisconsin 1984, Miss Wisconsin Rapids 1985, U.S. Olympics

Speed Skaters Dan Jansen and Sheila Young Ochowicz and Barbados Olympic Swimmer Harry Wozniak.

Sponsors of the Kewaskum Special Olympics Team can be very proud of the performances turned in by their athletes. Coaches Kathy Charland, Jeaneen Kudek and assistant coach Diana Glick wished to publicly acknowledge that it is because of this continued support that the team can participate in these meets and proudly represent the Kewaskum School District.

### Good Summer Nutrition Includes Liquids

By Joan Hanrahan  
Summer Home Economist

Most of us don't drink as much liquid as we should during the summer. If you don't drink enough fluids, it's more difficult for your body to naturally cool itself by sweating. In severe heat, you could suffer heat exhaustion because your body won't be able to cool down. Liquids are also important when doing heavy exercise and in preventing dehydration from fever or diarrhea.

Parents shouldn't simply assume that their children are drinking enough fluids but should monitor their intake. Make sure cups are within easy reach and provide your kids with milk, juices, fruit drinks, or pop to drink. You may want to hand them a glass of water or juice whenever they come in the house.

Adults should drink a

minimum of 1½ to 2 quarts of liquid a day. Children may need more than this because of their size. If you are very physically active or an older adult, you may also need to drink more than this recommended amount.

Coffee and tea may not supplement your total liquid intake because they have a slight diuretic effect. About one-half quart of liquid is contained in the foods you eat. Water constitutes 85% of fruits and vegetables, 50% of meats, and 33% of pasta and breads.

People often mistakenly think that they should increase their salt intake in the summer. The daily sodium requirement is contained in less than one-quarter teaspoon of salt. This amount is present in foods such as meats, milk, breads, and cheeses. If you eat a lot of salty foods or proteins, your body will need more water to get rid of the products these break down into.

When you or your children are particularly active during the summer, your calorie intake may not keep up with the energy you burn. This can result in weight loss. Supplement meals with nutritious snacks such as cookies made from whole grain products, fruits, nuts, and vegetables and dip.

Although children often aren't enthusiastic about vegetables, they may try some from the family garden particularly if they helped plant them.

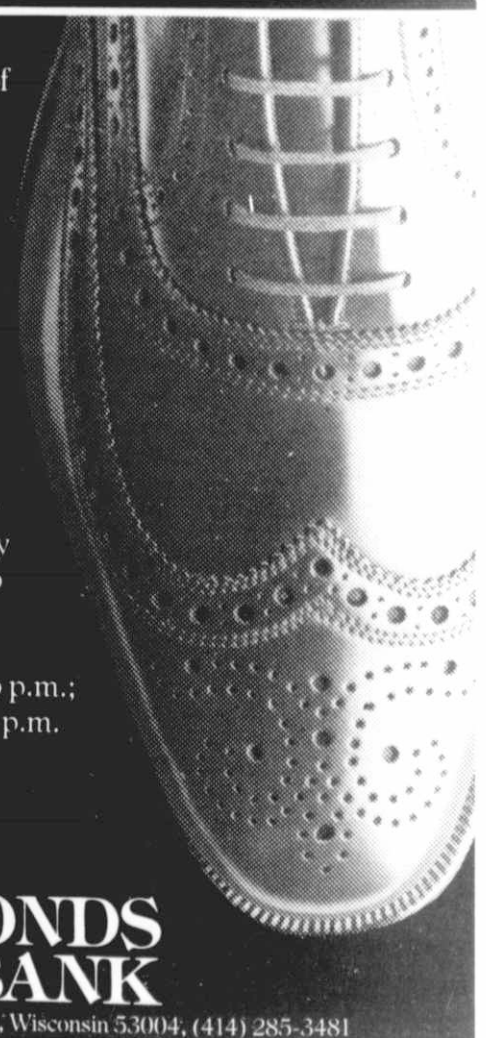

Cream cottage cheese in your blender as a lower calorie substitute for sour cream to use in dips.

## Campus Notes

Robert Thompson, Dean of the University of Wisconsin Center-Washington County, has announced the Dean's List for the Spring, 1985, semester. From Kewaskum, students include:

**HIGH HONORS** (3.75-3.99 Grade Point Average): Jeff Eisenmann.

Part-time student Susan Survis achieved **HIGHEST HONORS** (4.0 GPA) by earning at least 15 credits and carrying a minimum of 3 semester credits.

....

An area student is among College of Agricultural and Life Sciences students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin, Madison. Only full-time students with "B" or better are eligible for recognition on the "Dean's List."

George Sledge, Associate Dean and Director of academic student affairs, says that last semester some 2,400 undergraduates were enrolled in the college's 22 departments. They selected from five curricular options which stress either business and industry, natural resources, natural science, production and technology, or social science.

The student is: Michael Allen Schaub, 4991 St. Kilian Dr., Kewaskum, Agricultural Education.

....

Roberta A. Schmidt, a senior majoring in recreation leadership, whose home address is 315 Forest Ave., Kewaskum, has been named to the Dean's List of the University of Wisconsin - La Crosse for the second semester of the 1984-85 academic year. Qualification for the Dean's List is based on outstanding academic achievement.

....

At the conclusion of the 1985 spring quarter, the Milwaukee School of Engineering

registrar's office announced that a total of 351 students had made the college's quarterly Dean's List. That list consists of those students who earned a minimum grade point average of 3.2 on a 4.0 scale over a minimum of 12 credits.

These students include: Duane Douglas Krahn, Adell, Electrical Engineering Technology; Raymond Alan Del Ponte, Campbellsport, Architectural Engineering; Patrick James Griesemer, Campbellsport, Electrical Engineering; Todd Michael Matthies, Campbellsport, Industrial Management.

....

An area student is among students enrolled in the University of Wisconsin - Madison College of Letters and Science who have been named to the Dean's List of top Scholars for the past semester.

The honor is earned by approximately 10 per cent of Letters and Science students. Letters and Science is the largest college of the Madison campus with 44 teaching departments and some 900 faculty members.

The student is Theresa Marie Heller, 517 Keller St., Kewaskum.

## Dance Slimnastics Performs in West Bend Centennial Parade

Friday, June 28, 1985, Kewaskum Statesman, Page 12

Dance Slimnastics, a non-profit fitness organization, performed in the West Bend Centennial Parade last Saturday, June 22. One thousand five hundred coupons for a free aerobics class were handed out to spectators.

Classes are anywhere from 45 to 60 minutes long, depending on the type of class. Dance Slimnastics has many types of classes to suit anyone's taste. There is an Aqua Fit Class (in water), Aerobics for Men, Feeling Fit (co-ed), Be Fit (advanced class), Easy Fit (slower paced program). All of the classes are safe and effective.

Dance Slimnastics is endorsed

by The President's Council of Physical Fitness and Sports. Every class consists of three phases. First is the warm-up. This phase includes gentle static stretching, muscle toning exercises, and routines that start out slowly and gradually to prepare the body for the vigorous phase. The vigorous phase lasts from 20 to 40 minutes, using all types of music — rock, country, cha-cha, waltz, polka and swing. Next is the cool down which includes gentle stretching movements, combined with slow dance steps and walking patterns. This allows the body's system to

gradually return to normal levels before complete cessation of exercise.

There are Slimnastics classes in West Bend, Kewaskum and St. Michaels. The unique free class option allows members to exercise as often as their schedules permit, encouraging fitness and making the classes a better value for the dollar.

Dance Slimnastics will be performing at Summerfest, Wisconsin State Fair, Washington County Fair and the Kewaskum parade on July 14.

If you have any questions, please call Cheryl at 338-0386 or Jacquie at 338-6754.

### Softball Benefit Played for Friends For Battered Women

Friends for Battered Women 2nd Annual Softball Benefit was played on June 8 at Barton Park. Sponsored players participated in games played from noon to 4:00 p.m. to raise money for "Friends." Individuals from various Washington County agencies, including the Sheriff's Dept., the West Bend Police Dept., the District Attorney's office, the Department of Social Services and the Probation and Parole office joined FBW staff and volunteers to make the event a success.

All proceeds from the Softball Benefit will go to provide services to sexual assault victims, battered women and their families.

Friends for Battered Women is a United Way agency.

Clarence A. Schwartz, Sheriff

### C.A.R.E. Traffic Program

The Washington County Sheriff's Department is participating in a special traffic enforcement program called "CARE (Concentrated Accident Reduction Effort). Twenty (20) other Wisconsin counties are also taking part in the program, which is funded by the State of Wisconsin.

"There is significant evidence to indicate that intensive traffic enforcement is effective in reducing the traffic accident rate," according to Sheriff Clarence A. Schwartz. "We are not necessarily looking at arrests or traffic fines. The presence of marked squads is generally enough to spark obedience to speed laws from motorists. Others may need a citation to get the point," he said.

Special highway grants from the State permit the scheduling of extra officers to patrol highways that are experiencing higher than average accident rates. In Washington County the highways affected are State Highway 60 (from CTH C to Hilldale Road) and State Highway 33 (from CTH Z to US 41). Deputies will be assigned to work overtime hours patrolling these areas.

"The CARE program is federally funded through highway safety grants provided by the State Department of Transportation's Office of Highway Safety," the Sheriff stated. "We hope that our motorists will drive with caution, not only on these target highways, but throughout Washington County."

### Board Reorganizes County United Way

The Board of United Way of Washington County voted to restructure the Board along functional committee lines. Two new committees were formed, and a third was activated on a year-round basis. The new committees are a Finance Committee to oversee administrative functions and assist in designing new accounting systems, and a Communications Committee to coordinate publicity throughout the year. The Nominating Committee was activated to make sure Board vacancies were filled as quickly as possible.

Newly elected Board President David R. Heying, President, West Bend Marine Bank, said: "The change is being made to get the entire Board more active in all operating

functions of the Board. I am looking for a strong commitment to the drive from each of the Board members, and I think this is the best way to do just that."

At the same meeting, the Board accepted Larry Tainter's resignation.

### ARTHRITIS

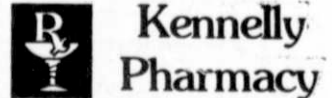

"30 years experience in improving the diets and nutrition of orthopedic patients give clinical evidence that use of vitamin supplements might bring arthritis relief," states Dr. Robt. Bingham of Nat. Arthritis Medical Center at Desert Hot Springs, Cal. The doctor listed these specific arthritis problems and their related deficiencies:

Osteoporosis - lack of protein and calcium.  
Osteoarthritis - lack of vitamin D.

Rheumatoid arthritis - lack of vitamin C.

Arterial Sclerosis - lack of B-complex and vitamin E.

# Letters to the Editor

TO ALL MY Friends  
in Kewaskum:

By the time you are reading this note, I'll be on my way home as I leave June 28, in the morning. First of all, I would like to thank my family for opening their home and hearts to me; thanks also to all my friends for the friendship and amiability they extended to me; to the community, thanks for hosting an AFS'er and for letting me be part of your community and culture. I must also say thanks to the AFS adult chapter for all the work involved. Because of all of you I am taking home many wonderful, unforgettable memories that I'll never forget.

Thank you so much!  
Rosi Cano -

Dear Editor:

The Kewaskum Jaycees would like to thank everyone who supported our Second Annual MDA (Muscular Dystrophy Association) Pig Races and Pork Roast Dinner. Due to the weather, we didn't raise as much money as we had hoped we would, but the community support was still greatly appreciated.

Special thanks are due to the following people and businesses: Steve Palek, Keith "Abdul" Harmon, and Fred Mudd, the disc jockeys from 93 QFM who served as our pig race announcers, Dennis Terlinden who supplied the pigs for the races, Sheri's Wine and Spirits, Rich's Super Savings, Kemps Dairy, L R Trophy, Amerahn, Barrel Haus, Behrings Market, Century 21, Dijon's Bridal World, Gruenewald Farms, Herriges Oil, Homeplate, J & N Liquor, K L Home and Hardware, Kennelly Pharmacy, Kettle Moraine Electric, Kewaskum Frozen Foods, Kohlsville-Wayne Jaycees, Port-Saukville Jaycees, Roger & Dan's, Schmitt's Never Inn, Sentry Foods, Sleepy Hollow Nursery, Village Sport Shop, Village Hair Stylists, Glacier Inn, Trail's End, Richard's Sip 'N Snip, Steiner TV & Appliances, Village Bootery, Riverview Inn, Kewaskum Floral, Miller's Furniture, Ke-

waskum Saloon, Campbell's Village Inn, Rene Beisbier, and Sue Stoltzmann.

The grand champion winner of our pig races was Bambi's Bomber sponsored by Homeplate.

Sincerely,

Beth Kidd, Chairman

Dear Foster Parents  
of Washington County:

I am pleased to take this opportunity to let you know how much the Washington County Department of Social Services truly appreciates your many contributions.

Many of you have dealt with children and adults with a variety of different needs and problems. By providing a caring and homelike atmosphere many in need are able to have a more stable and less stressful life.

On behalf of the Washington County Department of Social Services, I extend our deepest appreciation to all of you. Your dedication and invaluable service for foster children and adults is just great.

Thank you for another fine year!

Sincerely,

To the Editor:

"Thank You" for Supporting  
Baseball Card Program

On behalf of the Washington County Sheriff's Department, myself as Sheriff, and the citizens of Washington County, I wish to extend sincere appreciation for your generous donation to the Milwaukee Brewer Baseball Card Program being sponsored by this Department.

Last year's program proved that your support will substantially aid in the improvement of relations between the young people of our community and uniformed police officers, and was termed a "huge" success.

We are grateful for the consideration given by our County business community. Be assured positive contacts such as this program is offering will contribute towards positive effects on

the future of our young people and is definitely a wise investment.

....

To the People of  
Washington County:

Schools are closed for the summer and I am sad for the greater majority of the children of Washington County who are being denied the use of a library.

During the long, lazy, hot days of summer when it is too hot to do anything but read, they do not have the privilege of taking home a book or two to wile away the time. Then there are the days when they are shut in the house because it is too rainy and wet to go outside. They are "oh, so bored" to quote the younger generation, and mother can't read a good

book to them because she, too, is unable to borrow books from any one of the fine libraries of Washington County.

There are so many ways to entertain children when they have access to a library. If they are "doers," there is nothing better than a "how to" book to pique their interest. One year when I was a child I borrowed a book from the Carnegie Library in my small home town. It was called "A Thousand Things a Girl Could Make and Do" and I spent the whole summer with one project or another. One was called "The Hanging Gardens of Babylon." Where was Babylon, I wondered? The librarian found books for me concerning that ancient city and that ancient period of time and a whole new world was opened before me.

Is it any wonder that I am saddened when I think of our rural children of Washington County being refused this privilege?

Concerned citizens of Washington County have tried for TWENTY-THREE years to get a county-wide library system established so that both adults and children would be able to go to any library in our county to withdraw books. Do you people of Washington County know that our county is one of ONLY three counties in ALL of the State of Wisconsin

without this service? How is it that all of these other counties, rich or poor, are able to afford it and we are not?

Our County Board of Supervisors always seems to have money available for a variety of projects that may or may not benefit all of us. Why not money for a county-wide library system? Aren't your children's minds worth the cost of a good book to you? That is about how much your taxes would be raised if the monies needed aren't in the County Board's coffers.

Soon our County Board will be preparing its fiscal budget for the coming year which begins in August. Are you, the people of Washington County, going to let another year go by without this important service for you and your children? Aren't you tired of being second-class citizens?

Laura K. Washa

Recently elected Honorable Robert J. Stoltz, who was installed and sworn in as judge of Washington County Court, Branch 2, on June 6, in the circuit rooms at the Washington County Courthouse, West Bend, heard his first cases in the newly provided courtroom in the municipal building in Kewaskum on June 13. The new Branch 2 will handle all traffic cases, including state, county and city violations and all county, city, village and township ordinance violations. Judge Stoltz will hear Kewaskum village, township and county cases in the courtroom here on the first and third Thursday of the month at 9:30 a.m. The court is open to the public.

At the annual meeting of the State 4-H Junior Leaders' Council, held during the 40th State 4-H Club Week, Aldwin Seefeldt, Kewaskum, was elected to serve as the council's president for the ensuing year.

Five girls from Kewaskum are attending the University of Wisconsin Junior Summer Music Clinic at Madison from June 19 through June 25. They are Dawn Martin, Barbara Koch, Colleen Held, Beth Honeck and Mary Kroncke.

Holy Trinity Church, Kewaskum, was the scene of an 11 a.m. nuptial mass read by Father Anthony Czaja, uncle of the bride, on June 18, which united Miss Diane Mary Czaja, daughter of Mr. and Mrs. Edward Czaja, Kewaskum, and Jerome Roland Spaeth, son of Mr. and Mrs. Isadore Spaeth, Route 4, West Bend.

Barbara Sauer, daughter of Mr. and Mrs. Arnold Sauer, West Bend, and Robert Puerling, son of Mr. and Mrs. Nick Puerling, Kewaskum, were married on June 18, at St. Frances Cabrini Church, West Bend.

Miss Delores M. Horn, daughter of Mr. and Mrs. Howard Horn, Route 1, Random Lake, and Wayne R. Sramek, son of Mr. and Mrs. John Sramek, Route 1, Kewaskum, were married in a ceremony performed at St. John's Lutheran Church, Sherman Center on June 11.

Helen M. Schaefer, 1102 Fond du Lac Ave., Kewaskum, was among the 411 high school girls from throughout Wisconsin who participated in the 17th session of Badger Girl's State June 15 to 22 on the University of Wisconsin campus in

Madison.

A son was born to Mr. and Mrs. Joseph Staehler, Route 2, Kewaskum, on June 21. A son was also born to Mr. and Mrs. Ralph Poelling, Route 2, Kewaskum, on June 22.

The Kewaskum Fire Department was called out last Sunday morning to extinguish a blaze in the garage in the rear of the Ed Dreher home on East Main Street in this village. The garage was a small wooden structure and by the time the fire department arrived on the scene, the fire had made such rapid progress that the building was practically burned down. As there was no need to attempt saving the garage the chemical was played onto the house, which is close by, to keep it from catching fire. After this had been given safe protection the hose was turned onto the demolished garage and the flames were extinguished in no time.

President Henry Bendinger and business manager Louie Nahin of the Milwaukee Brewers American Association baseball team called in the village Wednesday for an interview with Harold Marx, pitcher of the Kewaskum baseball team. Since the Brewers slipped up on Fabian Gaffke, who was snatched up by Minneapolis, they are watching the Kewaskum team more closely in the hope of getting other players who can be a success in the association. Harold was asked to report to the Brewer park at Borchert Field for three days toward the latter part of July, where he will get a fair trial.

The businessmen of Kewaskum have made possible the bringing of talking pictures to this village every Saturday evening during the summer. The first talkies will be presented this coming Saturday evening on the lot between the Bank of Kewaskum and Otto Graf's drug store. The pictures will be absolutely free, so don't fail to be at Kewaskum on Saturday evening and be entertained.

The local 4-H Club met June 21, and elected the following officers: Doris Mae Rosenheimer, president; Charlotte Romaine, vice-president; Patricia Buss, secretary; Mona Mertes, treasurer; Margaret Muenk, reporter.

A very pretty wedding took place last Saturday at St.

Mathias Church, when Rev. J. P. Bertram performed the ceremony which made miss Theresa Klein, daughter of Mr. and Mrs. Stephen Klein, and Reinard Mueller, son of Mr. and Mrs. Nick Mueller of Port Washington, man and wife.

Holy Angels Church, West Bend, was the scene of a very pretty wedding on Wednesday morning when Miss Angeline Beck, daughter of Mr. and Mrs. Albert Beck of the Town of Barton, became the bride of Mathias Schladweiler of the Town of Farmington, son of the late Mr. and Mrs. Math. Schladweiler.

A ceremony was performed at Holy Trinity parsonage in Kewaskum last Saturday when Miss Kathryn Schlosser, youngest daughter of Mr. and Mrs. Jacob Schlosser of this village, was united in marriage to Otto Ramthun Jr., son of Mr. and Mrs. Otto Ramthun Sr. of the Town of Kewaskum.

A very pretty wedding was solemnized at St. Kilian's Church, St. Kilian on June 25, when Miss Ludmilla Mathieu, daughter of Mr. and Mrs. Christ. Mathieu of Campbellsport, became the bride of Elmer Struebing, son of Mr. and Mrs. Robert Struebing of St. Cloud.

St. Kilian's Catholic Church, St. Kilian, was the scene of a pretty wedding last week Wednesday when Miss Mary Cecilia Felix, daughter of Mrs. Anna Felix, St. Kilian, became the bride of Norbert John Heiting, son of Mr. and Mrs. Frank Heiting of West Bend.

Erwin Hess of West Bend, son of Mr. and Mrs. Wm. Hess, West Bend grocery man, recently purchased John Sell's tavern and dance hall at Allenton.

Kewaskum's garbage collection service starts July 1.

Baby number 12, Albert Theodore, arrived at the home of Mr. and Mrs. Math. Herriges of St. Michaels.

Mrs. Arthur Kraetsch of the

Town of Farmington, 1/2 mile north of the village of Fillmore, was fatally burned by the explosion of a can of wood alcohol which she was using in starting her oil stove. Mrs. Kraetsch came home late and was hurrying to get supper ready. She filled a cup on the oil stove with alcohol and lit it, but failed to set the can away, which immediately exploded, scattering the alcohol all over her clothes and enveloping her in flames. She rushed out of the house, when met by her husband, who had just returned from the store. Mr. Kraetsch at once began to tear the burning clothes from her body, but she was already so badly burned that she died at midnight.

Julius Urban, son of Mr. and Mrs. Charles Urban of this village, had the misfortune of breaking his leg below the knee Tuesday afternoon. Julius was loading some butter onto a wagon at the local creamery and in trying to prevent a tub from falling from the load, he slipped and fell from the wagon. In falling his leg caught in the wheel of the wagon and broke it between the ankle and knee.

Mrs. Theckla Backus, who has been attending the Downer College at Milwaukee the past year, spent Saturday and Sunday here with relatives and friends before leaving for an extended trip through Europe.

The thermometer showed 94 and 96 in the shade Wednesday at St. Kilian.

Roman Stoffel, who is studying for the priesthood at St. Francis seminary, arrived here last Friday to spend his summer vacation with his parents, Mr. and Mrs. Simon Stoffel.

## Food Preservation Clinics Scheduled By County Extension

Home gardens are planted now, and early planters may already be enjoying some of the results of their hard labor. Whether your garden is producing yet or not, it is certainly time to start thinking about how you are going to preserve that extra produce which will not be eaten this summer.

Canning, freezing, and dehydration are excellent ways to enjoy a garden throughout the year. Even if you do not have your own garden, these preservation methods allow you to take advantage of low, in-season prices of fruits and vegetables.

The Preservation Clinic is a five week workshop covering jams and jellies, freezing, canning high and low acid foods, pickles, and dehydration. A fee of \$1.00 is charged for each workshop. Pre-registration is required by July 1, 1985. You may pre-register for one workshop or all five sessions.

The clinics will be held at the UW-Extension Office, 515 E. Washington Street, West Bend.

The dates of the clinic are: Jams and Jellies, July 8; Freezing, July 15; Canning High and Low Acid Foods, July 22; Pickles, July 29; and Dehydration, August 5. All sessions will start at 9:00 a.m.

Pre-registration forms may be picked up at the UW Extension Office. For more information call 338-4479, 644-5204 or 342-2929.

## LIGHTS AND REFLECTORS FOR FARM VEHICLES

Farm equipment was involved in 369 accidents and 10 fatalities on Wisconsin roadways in 1984. Faulty lighting and unsafe equipment contributed to many of those accidents. The Farm Safety Specialist offers these tips on how to stay safe and legal on the road this year.

Every tractor or self-propelled farm machine operated on the road must have at least two headlights, one per side. On vehicles operated at less than 20 mph, the headlights must reveal objects 75 feet ahead.

State law requires two red reflectors or lamps, one on each rear corner of the rear-most farm vehicle operated on the road after dark. This means if you're pulling a wagon with your tractor, state law requires reflectors or lights on the wagon, not the tractor. If you unhook the wagon, you'll need red reflectors or lights on the tractor, though. Any train or agricultural vehicles operated at night must have reflectors or red lights, visible from 500 feet, on both sides of each vehicle.

Put amber lights or reflectors at the front corners of towed, overly-wide farm vehicles if you'll be moving them at night, so oncoming drivers can tell how wide the equipment is.

In daylight, you'll need a 12-inch-square red flag on each corner of the rear-most vehicle. Lights and reflectors don't show up well in daylight.

The last vehicle also needs a slow-moving vehicle (SMV) sign mounted two to six feet above the ground and as close to the

center of the vehicle as possible, unless the towing vehicle's SMV sign is visible from the rear. State law requires that the sign be mounted pointing upward. The SMV sign isn't necessary if the last vehicle has a flashing 4-inch-diameter amber light mounted at its left rear.

Specialists recommend an SMV sign for any farm implement you move on the road. When you're moving less than 25 mph, traffic comes up on you quickly.

SMV signs should be clean, unfaded and highly reflective. You can buy reflective red tap to add to faded signs, or you can replace the entire sign at reasonable cost.

You can legally pull two implements behind a tractor. You can tow only one implement behind a pickup truck, although you're allowed to pull two empty anhydrous ammonia nurse tanks.

When towing anything, be sure you're using safety hitch-pins.

If you have questions about vehicle lighting or rules of the road, contact the nearest Wisconsin State Patrol office.

## Crop Certification Time at County ASCS

All Washington County farmers are asked to certify their 1985 planted, diversion, conservation reserve and other program acreages with the Agricultural Stabilization and Conservation Service at West Bend.

"Certification is the procedure by which farmers report their program acreages to insure their eligibility for receiving the benefits of price support, deficiency payments and other farm program benefits," said Donald Sampson, Director of the county ASCS office.

Growers not participating in the 1985 programs should report their acreages to insure future benefits and protect acreage bases.

After certification, the ASCS county office will select farms at random to verify that acreage reports are accurate. Aerial photographs are available for farmers to identify their fields when certifying. If uncertain, measurement service is still available after planting.

"We encourage farmers to certify as soon as possible after planting and not wait until the deadline date to report their acres," the ASCS official said.

## County Holstein Twilight Meeting Scheduled July 1

The Washington County Holstein Association will be having its Annual Twilight Meeting on Monday, July 1. The event will be held at the Harry Melius Farm, Farm #2. The farm is located at the intersection of Highway 175 and Hillside Road, approximately two miles south of Highway 60.

The evening activities will begin at 7:00 p.m. with the judging of two dairy classes. Following the judging there will be a short program, with an opportunity to meet the Melius family and learn about their dairy operation.

The featured speaker for the evening will be Deb Wendorf Boyke, representing the Wisconsin Milk Marketing Board, Inc. She has been involved with many in-state promotions of dairy products, and has worked with county dairy committees to organize dairy promotional activities. She will discuss some of the statewide activities that have been held and the result of these promotional efforts.

Tom Pieper, Fieldman from the National Holstein Association, will be present to update the group on Holstein activities.

Door prizes and lunch will be served.

The event is open to all members of the Washington County Holstein Association, other dairy farmers, and anyone who is interested in dairy and dairy farming.

## County Fairest of The Fair Contest

If you are a single female, resident of Washington County, and will be between the age of 18 and 22 as of January 1, 1986, you are a likely candidate for the Fairest of the Fair Contest. It will be held Wednesday, July 24, at the county fairgrounds in Slinger.

The young lady selected will be the official hostess of the Washington County Junior Fair. She is required to be at the fair Thursday through Sunday to hand out ribbons and make various appearances and announce stage shows. She will also be eligible to participate in the state competition for the Fairest of the Fairs at the Wisconsin State Fair.

Qualities the judges will be looking for include: Appearance, community activities, personality, poise and speaking ability. It is not to be confused with a "beauty" contest.

Guidelines and qualifications for the eligibility of the contest are as follows:

-This contest is open to all young ladies who have been a resident of Washington County for at least one year prior to entry.

-This person must reach her 18th birthday by January 1, 1986, but not have reached her 22nd birthday by the same date to be eligible to compete in the state contest.

-Contestant agrees that the time, manner and method of judging shall be solely within the discretion of the rules and regulations set forth by the Fairest of Fair Committee of the Wisconsin Association of Fairs and that the decision of the judges shall be final.

-This person must be single and remain single while competing at both the county or district fair and the Association Convention Contest. The person who is chosen at the State Convention must remain single during her tenure as queen, and if she is married, the first runner up will take over as queen at the State Fair.

-This person may be an entrant in only one county or district fair which she considers to be her "home" fair. A contestant must reside in the county she represents. The only exception is she may reside in an adjoining county if the majority of her activities are in the county in which she enters the contest.

Application forms are available at the Washington County Fair Office in Court House Annex #2 in West Bend and the WTKM Radio Station in Hartford. Applications must be returned by July 11 and submitted to the Washington County Fair Office, P.O. Box 1986, West Bend, Wis. 53095.

## June 28 Deadline for County Fair Entries

Deadline for County Fair entries has arrived! All Washington County Junior Fair entries are due June 28.

Plan now to stop at the County Fair Office, 515 E. Washington Street in West Bend or call at 338-4485 to get a fairbook and entry form.

All Washington County residents are invited to enter the fair. There are categories for livestock, plants, flowers, honey, photography, woodwork, foods, clothing, knitting, crocheting, home furnishings plus a special senior citizen category.

The Junior Class is open to all youth in 4-H, FFA, FHA, girl scouts, boy scouts, Pioneers or any other youth group approved by the Fair Committee.

The Open Class is open to any resident of Washington County, youth or adult. The Senior Citizen category is open to any resident over 62 years of age.

The 1985 Washington County Junior Fair will be held July 24-28 in Slinger. All articles previously entered must be brought to the fair on July 25.

Wagon Dinner scheduled for Wednesday evening, July 24, at the Washington County Junior Fair.

The Washington County Extension Homemakers are sponsoring the dinner which will be served from 5:00 to 7:00 p.m. Tickets are available from homemaker members and the County Fair Office, Court House Annex II, 515 East Washington Street in West Bend. Price of tickets is \$5.00 for adults and \$3.00 for children under 10. Advance purchase is advised.

Profits made from the dinner are to be donated for beautification projects at the fairgrounds.

Pre-purchasing of the tickets is requested, as only limited numbers of tickets will be available at the fair. So buy your tickets now!!

## LITTLE LOURDES DAY MASS ON AUGUST 22

The Little Lourdes Day Mass sponsored by The Good Samaritan Guild will take place at St. Francis Cabrini Church, West Bend, on Thursday, Aug. 22, at 10:00 a.m.

## Chuck Wagon Dinner At County Jr. Fair

Mouth watering barbecued ribs and chicken, potato salad, baked beans, fruit, relishes, rolls and cake will be the menu served this year at the Chuck

**CHILD PORNOGRAPHY CRACKDOWN**

Recently, I cosponsored legislation, H.R. 2539, which will combat one of the most terrible crimes in our society - child pornography.

The United States Customs Office has estimated that in just three years they seized more than 247,000 pieces of pornography - 70% of it depicted children. At least one million children have been sexually molested and then filmed for the abuser's pleasure and profit. Approximately 260 child pornography magazines are sold in this country.

The child pornography business makes profits in millions of dollars. Until now, producers or distributors did not lose their assets when convicted. They might receive a sentence for their crimes, but still retained the profits made at the expense of exploited children. This legislation allows the seizure of all assets and profits made from this disgusting business, therefore, removing the profitability of the crime. Fines and sentences are presently handled as an overhead expense and passed off on the consumer.

This bill, the Children's Protections Act of 1985, would also prohibit advertising of child pornography and make it punishable to transport minors across a state line for the purpose of sexual exploitation.

There is no question the child pornography business is one of the most horrible enterprises in society today. It exploits innocent children, often leaving them and their families with emotional and physical scars that will last forever. I hope my colleagues support this legislation because as Ronald Reagan said recently, "Controlling crime in American society is not

simply a question of more money, more police, more courts, more prosecutors; it's ultimately a moral dilemma, one that calls for a moral or, if you will, a spiritual solution... in the end, the war on crime will only be won when an attitude of mind and a change of heart takes place in America, when certain truths take hold again and plant their roots deep in our national consciousness, truths like: right and wrong matters; individuals are responsible for their actions; retribution should be swift and sure for those who prey on the innocent." This legislation must be enacted in order to put an end to this crime and severely punish those who would exploit and harm our children.

**Air Force Has Openings For Graduating Seniors**

Milwaukee, Wisconsin - Young men and women who enlist in the Air Force can delay their entry into active duty for as long as 12 months, according to Lt. Colonel Dennis J. Johnson, 3555th USAF Recruiting Squadron Commander, here.

"This Delayed Enlistment Program lets an enlistee reserve a guaranteed specialty months in advance," says Col. Johnson. "A high school graduate, for instance, can reserve an enlistment date today and still have some summer vacation before leaving on active duty."

Special enlistment options such as the stripes for college experience and accelerated promotion programs are also available for those enlisting in the Delayed Enlistment Program.

For further information on Air Force recruiting programs, contact the local recruiter in your area or call our toll free number in Wisconsin 1-800-242-USAFA and in Michigan 1-800-255-USAFA.

**Visit Your State Capitol**

By Senator Don Stitt

Wisconsin's State Capitol is often referred to as the most beautiful State Capitol in America. During the summer this reputation becomes even more apparent as visitors arrive from various states around the U.S.

If you are considering visiting Madison this summer, a visit to the State Capitol is a must! Tours are available daily at 9 a.m., 10 a.m., 11 a.m., 1 p.m., 2 p.m., 3 p.m., and 4 p.m. If your group contains more than ten people, you should contact the Capitol Information and Tour Service at 608-267-9092 or contact my office at 608-266-7513 and my staff will be glad to assist you.

Capitol tours allow visitors to see where their laws are made and interpreted. Furthermore, visitors may even see the laws being made if the Legislature or the Supreme Court is in session. Generally, the Legislature is in session Tuesday through Thursday and the Supreme Court hears cases during the last week of each month. This, however, varies a great deal.

In addition to the Capitol tour which includes the State Senate, Assembly, Supreme Court, Governor's Office and other areas of the capitol, visitors may wish to view the GAR War Museum and take in Madison at a glance from the dome platform.

The University of Wisconsin and the State Historical Society also offer interesting tours. I would be happy to assist you in arranging your activities for the day if you are interested. Further information regarding visits to Madison can be provided by the Greater Madison Area Chamber of Commerce at 608-256-8348.

If you should decide to visit the State Capitol, I would like to have the opportunity to meet with you. Please write me in advance of your visit. Senator Don Stitt, P.O. Box 7882, Madison, Wisconsin 53707 or call my office at 608-266-7513, or leave a message with the Legislative Hotline at 800-362-9696.

**... about your Social Security**

By David Becker, Social Security Branch Manager in West Bend

**SOCIAL SECURITY SURVIVOR BENEFITS**

When Bill died recently, Donna was surprised that she and her two small children could get monthly Social Security checks. She thought Social Security was primarily for older people. Also, Bill was only 23 and had worked in jobs covered by Social Security only a few years.

Today, Donna and her children are among some 7 1/4 million Americans receiving survivors benefits. The value of just this part of Social Security is worth nearly as much as the face value of all private life insurance in force.

The average benefit for a widow with two children is \$988 a month in 1985. For an aged widow, the average payment is \$415. Benefit amounts increase automatically each January if living costs have gone up 3 percent or more.

Most beneficiaries pay no Federal income tax on benefits. Only if a person has high outside income in addition to benefits are part of the benefits subject to tax.

Children can get survivors benefits if the deceased parent worked under Social Security as little as 1 1/2 years in the 3 years before death. Payments generally continue until a child is 18 (or 19 is still in high school). However, benefits can be paid into adulthood if the individual becomes severely disabled before age 22.

A widow or widower caring for children entitled to Social

Security can get benefits until the youngest child is age 16 (or longer if a child is disabled). If there are no entitled children, the widow or widower can start receiving payments at 60 (or early as 50 if disabled).

In many cases, survivors benefits are payable to divorced spouses and to dependent parents 62 or older. Further details are available at any Social Security office.

A survivor can work part time and still receive some or all benefits. In 1985, a beneficiary under 65 can earn up to \$5,400 and receive all benefits. For those 65 through 69, the annual limit is \$7,320. For earnings over these amounts, \$1 in benefits is withheld for each \$2 in earnings.

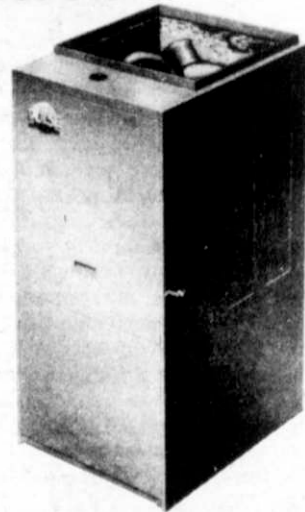

If there is a death in your family, contact the Social Security office to see about filing a claim. You will need certain documents such as: the Social Security number for the deceased worker and all family members eligible for benefits; proof of death; proof of the current and any prior marriages; proof of age for each applicant; and the worker's W-2 forms (or tax returns, if self-employed) for the past 2 years. If you call the office before you come, the people there can tell you what additional proofs may be needed.

# Minutes of Village Board Meeting

Mid-Monthly Meeting  
June 17, 1985  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the meeting room of the Fire House, 1106 Fond du Lac Avenue.

President David E. Nigh presided. All Trustee Members were present.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board approved the minutes of June 3 & June 11, 1985.

A public hearing was conducted on the special assess-

ments for sidewalk, curb and gutter improvements for the properties as described on the Notice of Public Hearing. President David E. Nigh read aloud the Notice. Seven of the property owners were present to hear the engineers report given by Ken Ward of Ruekert & Mielke, Inc. and to ask questions. The property owners that spoke were Orval Behnke, Dennis Giese and Ted Meilahn. No objections were voiced and on a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein to close the public hearing, roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was unanimous and the Board declared the public hearing closed.

Motion was made by Trustee Mary Krueger, seconded by

Trustee Donald Mlodzik to suspend the rules to take action on agenda item IX. A., B & C., review and discussion on Resolution No. 85-14 for Public Improvements to Existing Semi-Improved and Unimproved Lots (Parcels) - Ratio Table For Assessments, review and discussion on Resolution No. 85-15 A final Resolution regarding curb, gutter and sidewalk improvements and levying special assessments against benefitted property and discussion and possible action on the bids for the Public Improvements for Fond du Lac Avenue (USH "45") and CTH "H" as recommended by the consulting engineer, Ruekert & Mielke, Inc. Roll call vote was passed unanimously. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Avenue (USH "45") and CTH "H". This was as recommended by the engineers. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Police Chief Donald Hlavaty asked that the Protection & Public Safety Committee look into limiting the parking time on Fond du Lac Avenue as requested by some residents due to semi-tractor parking in certain areas causing a potentially dangerous situation. The Committee will report back to the Board in July on the matter.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the application for a building permit for Richard Halfmann, 611 Highland Avenue, to raze existing garage and to construct a new detached garage. The office was authorized to issue the proper permits upon proper payment of fees. The Zoning Administrator and Building Inspector both reviewed and approved the plans.

On a motion by Trustee Mary Krueger, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board approved the applications for Operator's (bar-tender's) Licenses upon proper payment of fee and authorized the office to issue said licenses as follows:

- Maxine Belger, Kewaskum, WI
- Jayne Fischer, Kewaskum, WI
- Donald Ruplinger, Kewaskum, WI
- Janis Karoses, Campbell-sport, WI

NOTE: The Police Department had no objections to any of the applications.

Administrator Schmidt reported on a letter received from the Department of Transportation regarding the Village's request to repave (recycle) Main Street (STH "28") in the near future. The State concurs with our request and will attempt to schedule the work for 1988 or 1989.

On a motion by Trustee Paul Blumer, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the issuance of an exempt building permit to A.A.L. for the construction of the shelter building they are donating to the Village at River Hill Park.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and carried by roll call vote, the Board approved the following application for a Special Class "B" Re-

tailer's License to sell Fermented Malt Beverages at Picnics or Gatherings, upon proper payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

The Kewaskum Fire Department (Legion).

Administrator Schmidt reported to the Board the receipt of two Notice of Claims:

A. Notice of Claim by Karen Schaub.

B. Notice of Injury to Joseph Lorenz, Inc.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board authorized the retaining of the O'Meara Law Office if needed for the Notice of Injury to Joseph Lorenz, Inc. due to the Village Attorney also being named.

Motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Whenever the existing lots having a long side frontage or front & rear frontage are divided so that an interior lot is created facing a street on which the long side was not assessed, the newly created lot shall be assessed as if it had existed at the time the improvement was made.

(a) The property owner must pay for the water connection permit and all related costs after the Village water valve, a curb stop box.

(b) The property owner must pay for the sewer connection permit and all related costs from the sewer main.

(c) Those property owners that installed or decided to install sidewalk prior to the Village installing sidewalk will bear the entire cost with no cause for a partial claim now or in the future.

(d) The Village to pay for 1/2 of the initial sidewalk cost to be borne by the property owner.

(e) The property owner must pay for sump pump hookup and yard restoration.

NOTE: If a street opening is required by either a property owner, subdivider or contractor (utility) a street opening permit is required to be taken out by the property owner, subdivider or contractor (utility) and paid for.

Adopted and approved this 17th day of June, 1985, by the

Kewaskum Village Board.

### WEST BEND COUNTRY CLUB WOMEN'S ASSOCIATION

Last week at West Bend Country Club brought pleasant weather for the Women Golfers of Wednesday, 19th of June. Since the week before, events had been cancelled due to the inclement weather, the ladies were ready to get back into the "swing of things."

The week's event was a "Lucky Numbers" tournament. A specific "Lucky Number" was assigned to each handicap class and the goal of the golfers was to score this number the most times in her round. The winners for the week are as follows:

18 HOLES - Class A (0-23 handicap) lucky number 4 - Joan Heying had 6 of them; Class B (24-32 handicap) 5 - Doris Blake and Darlene Tessar tied at 6 each; Class C (33-41 handicap) 6 - LaVerne Alston and Marilyn Ausprung carded 7 apiece; Class D (42 and UP handicap) 7 - Polly Rosenheimer had 7 on six holes.

9 HOLES - Class A & B combined (0-23 handicap) 4 or 5, depending on handicap - Elda Uttech of Class B ended up with 2 - 5's.

Class C (24 and UP handicap) 6 - Judy Bing recorded 3 - 6's. Special thanks go to Marlene Wegner and Holly Highstrom, who served as friendly and

cheerful hostesses for the morning.

This Wednesday's scheduled event was a Pick-A-Partner Best Ball. Beth Carr and Olive Crooker served as the hostesses for that day. The winners of the June Tournaments, i.e. the Marge Allen Trophy for 18 hole golfers and the Charlene Rosenheimer Trophy for 9 hole golfers will be announced in next week's report, too.

Probably the smallest of our presidents, James Madison, at five feet four inches, never weighed more than 100 pounds.

## Bear Hunting Season Closed In Wisconsin

Upon the recommendation of state wildlife officials, the Natural Resources Board last Tuesday closed the black bear hunting season in Wisconsin to prevent further over-harvesting of the animals.

Steve Miller, Director of the Bureau of Wildlife Management in the DNR, said the closure is necessary in the absence of legislation giving the Department authority to limit the annual harvest to 500 through a permit system. A harvest permit system cannot be implemented by the DNR without legislative authority.

The motion, adopted by the Board via a telephone conference call, closes the season until such time as legislative authority is received to limit the annual harvest in order to allow the bear population to rebuild to the desired 5,500 level. Currently the bear population in Wisconsin is estimated at 3,600.

"We feel the only way to adequately protect the resource is to close the season," Miller said, indicating the closure covers both the 16-day gun and 58-day bow seasons for bear.

Miller said the Department will continue its efforts to provide a bear hunting season in 1986. "We will seek legislative approval giving us the authority to control the harvest by permit beginning in 1986." Limiting the harvest to 500 per season would result in the bear reaching desired population goals in three or four years.

"We had discussions in the past about having a two-day season as a means of limiting the harvest," Miller said, "but talks with bear hunting groups indicate the shorter season would not necessarily limit the harvest to the desired levels." Also, he noted, that such a short season might result in problems because of the large number of hunters in the field at the same time.

DNR researchers and wildlife managers feel 500 or fewer is a harvest that can be sustained by the current Wisconsin bear population while permitting that population to rebuild to the desired level of 5,500 by 1988 or 1989. At the 5,500 level, an annual harvest of 700 bear would be possible.

Miller noted that the bear dog training season which runs from July 10th through August 31st would not be affected by the closing of the bear hunting season.

### HON-E-KOR LADIES ASSOCIATION

On Wednesday, June 12, no events were played due to the inclement weather.

The class event for Wednesday, June 19, was low putts, and the winners were:

Class A - Irene Schlefke (14); Class B - Chris Palmer (16), Jan Leverenz (16); Class C - Marie Withey (14); Class D - Millie Rosenheimer (20).

Three ladies had chip ins. Chris Palmer on number 15, Ada Kannenberg on number 15, and Phyllis Gessert on number 10.

Bridge winners were Fran Rohlinger and Marion Mitchell. On Wednesday, June 26, evening golf will be held.

## DNR Nurseries Distribute 19,781,600 Trees, 363,150 Shrubs

Some tree sales are difficult to top. This spring, Wisconsin's three Department of Natural Resources-operated nurseries distributed 19,781,600 trees and 363,150 shrubs. Sales haven't exceeded this mark since 1965.

Nurseries near Wisconsin Rapids, Hayward, and Boscobel sell trees and shrubs at cost to landowners after the spring frost for reforestation, windbreaks, shelter belts, wildlife cover or watershed projects. Owners cannot use trees for ornamental or Christmas tree purposes and must agree to apply good forestry practices, protect the trees from fire and grazing, and neither sell nor give them away.

The DNR distributes over 70 percent of the trees to private landowners. The rest of the trees go to state and county forests, state parks and out-of-state and federal agencies. DNR nurseries provide free trees to fourth-grade students for Arbor Day planting.

The most widely-distributed trees are red and white pine. Other available species include Norway spruce, white spruce, jack pine, larch, white cedar, hard maple, white ash, black walnut, and basswood. Popular shrubs include highbush cranberry, silky dogwood, and mountain ash.

In 1984, Bayfield County received the most trees while Trempealeau landowners planted the most shrubs. To order trees or shrubs for planting next spring, individuals can obtain a Tree and Shrub application from any DNR office in November.
