Parade Feature 5 Bands, Many Other Marching Units

Annual Picnic Here This Weekend

The annual Kewaskum Firemen-Legion fund-raising picnic will be held in River Hill Park this Saturday evening and Sunday, July 13 and 14.

The park opens at 6:00 p.m. Saturday. Live music will be supplied in the beer garden from 7:30-11:30 p.m. by Phil Delta and the River Delta Band. All of the rides, refreshment and food stands will be in operation.

Starting off the festivities on Sunday will be another excellent parade, one of the best to be seen in this area, at 12:00 noon sharp. The parade, always one of the highlights of the event, will feature five marching bands, including the Kewaskum High School Marching Band, Random Lake High School Band, Wisconsin Lutheran Cadet Band of Mil-

waukee, Wisconsin Lutheran Adult Band of Milwaukee, and popular Hartford City Band.

The parade will again be led by the Milwaukee Civic Riders Motorcycle Club and will also feature the Georgie Girls baton twirlers, dance bands riding on trucks, beautiful floats, novelty and military units, clowns, drill teams, children's specialties, comic entries, clubs and organizations, visiting fire departments and equipment, Legionnaires, antique cars, riding horses, and many, many other units.

The theme of this year's parade is "In the Good Ol' Summertime." The parade will form on the high school campus and adjacent streets, from where it will proceed to the park. All participants should be present to line up no later than

11:30 a.m. Prizes will be awarded for the best floats and children's specialties.

The picnic committee issues a reminder that they still have available for sponsorship marching bands in the parade and bands in the park. Just call firemen Dave Neckuty, 626-4861, or Mike Petri, 626-2749. Also they would like to touch a note on the parade itself. They urge that the entries in the parade will refrain from throwing or handing out candy to bystanders because of possible injury that could occur to the children. It has been noticed occasionally in other area parades that some children went after candy thrown in the streets that didn't reach them and if it wasn't for very alert drivers of the vehicles a serious accident could have occurred. Let's keep our parade a safe one if not for us but for the children.

Immediately following the parade there will be performances by some of the bands in the park. There will also be continuous music throughout the afternoon and evening. On the bandstand music will be by the Buchels w/ Joey Klass Orchestra from 1:00-5:00 p.m. and Anne and the Playboys from 6:00-10:00 p.m. In the beer garden music will be by the Bill Thull Orchestra from 1:30-5:30 p.m. and Rebound (Wisconsin's No. 1 Variety Band) from 7:30-11:30 p.m.

Men's water fights will again be held at 6:00 p.m. Sunday with many surrounding fire departments competing for trophies.

Tickets are on sale for numerous cash and merchandise prizes to be given away. They can be purchased from

Thiemers Honored at National Jaycee Convention

The Jaycees and Jaycee Women from all 50 states gathered to honor the most outstanding individuals in their organizations during the Jaycee National Convention in Indianapolis, Indiana, on June 17-20.

Highlights of the week-long gathering included special appearances by Danny Thomas, founder of St. Jude's Research Hospital and Lee A. Iacocca of the Chrysler Corporation. President Reagan also addressed the group on Wednesday of this week, with his hopes and challenges for the future of America. At this grand nationwide gathering the National Jaycee Women organization

passed a vote to dissolve as an Auxiliary of the Jaycees. (Wisconsin Jaycee Women had voted to consolidate with the Wisconsin Jaycee organization in March of this year - pending the dissolution of the National Womens' Organization).

During the awards ceremony, Richard and Mary Thiemer of Kewaskum were honored with separate National Awards. Richard was honored with a National Presidential Award of Honor, having recruited at least 50 new members into the Jaycee organization this year. Mary was recognized as one of five Outstanding New Chapter Presidents in the Nation for the 84-85 year.

Krazy Daze

Tuesday, July 16

The twenty-third annual Krazy Daze sidewalk sale, sponsored by the Kewaskum Area Chamber of Commerce will be held Tuesday, July 16. The big event of the year runs from 8:00 a.m. to 8:00 p.m. and features markdowns on merchandise and special buys. Rain date will be Wednesday, July 17.

On Krazy Daze everybody gets in the act of either selling or buying. Merchants, clubs, churches, organizations and individuals set up their stands on the sidewalk or on lots in the village as well as offer sizeable discounts in the stores.

The choice of food this year is bigger than ever. You just won't

be able to decide if you should have a brat, a hamburger, a hot dog, hot beef, ham sandwich, chicken, pizza, taco, nachos, French fries, cream puffs, ice cream, popcorn, or how about a fish boil in the evening? No reason to go hungry on Krazy Daze!

In the evening there will be outdoor live music at one of the local taverns.

Whatever your needs or desires, whether it be bargains for yourself, your home, a gift or to take advantage of all the goodies offered - you'll find it all at Kewaskum Krazy Daze, Tuesday, July 16. Come, enjoy the fun.

Herriges Honored for 19 Years of Service

The Kewaskum Town Board recently honored Jerome Herriges (center) for his 19 years of service to the Town. Herriges received a framed citation at a dinner held at Greene's Fort Silver Inn in West Bend.

Town Chairman George Allmann (left), in presenting the certificate to Herriges, cited his efforts over the years in improving the Town's services to its residents. Allmann stated, "Jerome has always kept a close eye on the Town's budget and made sure that dollars were well spent."

During Herriges' tenure on the board, the Town constructed its own town garage and purchased its own snow plowing equipment. Over the years, Herriges spent an active part in plowing the town roads and in maintaining them in the summertime.

Herriges is now retired and

both he and his wife enjoy a number of leisure time activities including bowling, card playing and fishing.

JAYCEES TO SPONSOR CAR WASH SATURDAY

The Kewaskum Jaycees are holding a car wash, Saturday, July 13th, at the new Sentry parking lot. The time is 9:00 to 4:00. The fee is \$2.00 for wash and \$2.50 for vacuum.

The money is going to be used for community projects.

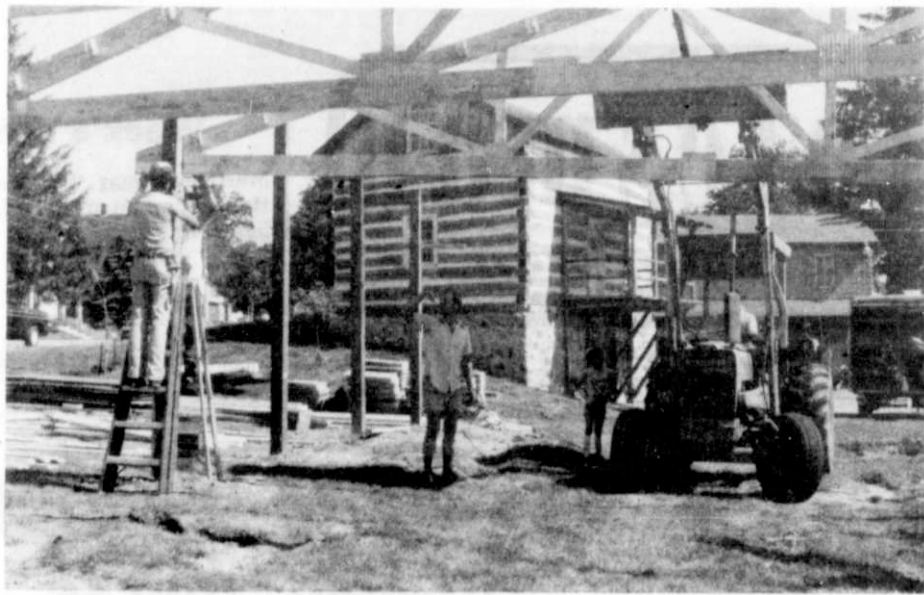

BEEF WINNER

Winner of the half of beef at the recent Chamber of Commerce Dairy Daze promotion in Kewaskum has been announced. She is Judith Pete of 9119 Skyline Drive, Allenton.

Work is moving right along on the addition to and remodeling of the Kewaskum Municipal Building.

Park Shelter Gift From Kewaskum AAL Members

Dick Schmidt guided Sylvester Schmidt as he raised a roof truss into position.

By GERRY MUELLER
Statesman Staff Writer

Aid Association for Lutherans Insurance and members of its local branch 26, have donated materials and labor for the construction of a new shelter in Kewaskum's River Hill Park.

Funds for the building materials were received as a \$2,500 grant from AAL through its Community Action Benevolence Program and fund raisers of Branch 26. AAL member Norman Heberer served as chairman for the project.

Eighteen AAL members, Mr.

and Mrs. Norman Kempf, Mr. and Mrs. Norman Heberer, Mike Heberer, Mr. and Mrs. Dennis Garvey, David Garvey, Mr. and Mrs. Sylvester Schmidt, Dan Schmidt and Marvin Martin donated their help in the shelter's construction. Historical Society members Jake Schmidt, John Lecher, Allen Reindl and Ron Markus, and Public Works Superintendent Augie Bilgo also assisted with the project.

The new 30 foot by 40 foot open air shelter, located on the west side of the river near the Kewaskum Historical Society's

Museum, has since then been completed and will be available for use by the general public. A formal dedication program is being planned for some time in September.

2 Men Arrested For 'Kungfu-ing', High Speed Chase

A Vesper, Wis. man, 20, was arrested by Kewaskum police early Saturday, June 29, after they received a complaint that he was "kungfu-ing" cars in the area of Main Street and Riverview Drive.

When a patrolman arrived on the scene, he subdued the man and arrested him for disorderly conduct and also for criminal trespass to a dwelling, after he entered a home in the area without permission.

A Milwaukee man, 24, was cited for fleeing an officer, failing to stop at a stop sign and operating a motor vehicle after revocation, after leading Kewaskum police and Washington County Sheriff's Deputies on a chase early Saturday morning that reached speeds of 110 mph, according to a sheriff's department report.

The man began the chase after a Kewaskum policeman had stopped him. According to the report, sheriff's deputies were notified, and after the Kewaskum officer radioed he had lost sight of the suspect, he was spotted by a deputy near County Highways D, W and WW, near Kohlsville.

The deputy pursued the man in a chase to Slinger where he was arrested following an accident.

IN MEMORY

In loving memory of Evelyn Ludwig who passed away five years ago, July 10, 1980:

Five years have passed and gone
Since one we loved so well
Was taken from our home on earth
With Jesus Christ to dwell.

The flowers we place upon her grave
May wither and decay
But the love for her who sleeps beneath
Shall never fade away.

Deeply missed by husband, children, grandchildren, and great-grandchildren.

Torch Run Through Kewaskum Successful

Friday, July 12, 1985, Kewaskum Statesman, Page 6

Left to right: Dale Squier, Dave Drexler, Noel Stradtman and Harry Schneider bringing the torch into Kewaskum. They are veterans of the annual Kewaskum Kettle 20 run.

From left: Gary Gavin, President of Jaycees, and daughter Krystal; John Tessar, accepting a Wisconsin Badger State Games T-shirt after he presented a check for \$300 from Regal Ware to the Wisconsin Badger State games; Ron Stack, official torch technician of the 1984 Los Angeles Olympic Games; Joe Barden, coordinator of the Wisconsin Torch Run, accepting the check, and his wife; and Noel Stradtman, holding the Olympic Torch.

The weather was somewhat cloudy with intermittent rain as the Historic Olympic Torch made its way into Kewaskum Friday. Escorted by the Kewaskum police squad and the Official Torch Run vehicles, Noel Stradtman, one of the official Kewaskum Torch Run carriers, ran the torch down Fond du Lac Avenue to the Regal Ware Outlet parking lot. There, they were greeted by a small audience of interested spectators.

Gary Gavin, Kewaskum Jaycee President, began the opening ceremonies with the introduction of special guests: Joe Barden, coordinator of the Wisconsin Torch Run; Ron Stack, Official Torch Technician of the 1984 Los Angeles Olympic Games; Brad Kidd, C.F. Program Manager of the Wisconsin Jaycees; Jacob Barsch, C.F. Poster Child; and John Tessar, Regal Ware representative.

The Torch Run Officials were then presented with a check in the amount of \$300.00 from Regal Ware to be donated to the Wisconsin Badger State Games. Those on hand were encouraged to look at and hold one of these official torches from the Olympics. There was also a fish bowl for donations to the Cystic Fibrosis Foundation, balloons

and stickers from C.F.

Torch runners, Dale Squier and Dave Drexler, then carried the lit torch to many of the area businesses, allowing people to hold and examine this historic piece and accepting donations to the C.F. Foundation. They were relieved at mid-point by runners Harry Schneider, Jason Giese, and Eric Geise, who completed the run through to Kewaskum businesses. Upon their return, the official torch was handed back to the Torch Run Official, Ron Stack. From Kewaskum the torch traveled to Kohler and then on throughout the state until it comes to the official torch at the Wisconsin Badger State Games in Madison on July 12th.

Of all the 250,000 species of flowering plants, there are just two that don't need water from the soil. One is the pygmy cedar and the other is the caper plant of the Sahara. Both take all the moisture they need from the night air.

United Banks of Wisconsin, Inc. Shareholders Vote for Valley Merger

United Banks of Wisconsin, Inc. shareholders have voted overwhelmingly to approve the company's merger with Valley Bancorporation, Appleton. The results of the Special Shareholders' meeting on Friday, June 28th, were announced jointly by Robert C. O'Malley, President of United Banks of Wisconsin, Inc. and Gus. A. Zuehlke, Chairman of the Board of Valley Bancorporation.

merger, holders of United Banks of Wisconsin, Inc. common stock will receive either \$29.95 per share or 1.27 shares of Valley Bancorporation common stock for each share of United Banks of Wisconsin, Inc. common stock.

O'Malley, who is also President of United Bank, Madison, said, "We are very pleased by this affiliation. Valley is a very progressive banking organization with a strong commitment

to the communities they serve."

"Combining our very progressive banking organization with Valley's will ensure our ability to continue to deliver high quality financial services to the Madison, Sun Prairie, Sauk City and Menomonie areas," O'Malley said.

Zuehlke, who heads Wisconsin's fourth largest bank holding company, stated that, "This represents a significant step in our long-range plan to be represented in all of Wisconsin's major markets. We at Valley are looking forward to the addition of the excellent banking organization and its fine management group to the Valley organization. Robert C. O'Malley will serve as Vice Chairman of Valley Bancorporation, as President of United Bank, Madison, and as Regional Vice President for the Badger Region. Madison will serve as a Corporate Headquarters for Valley Bancorporation.

Valley Bancorporation had year-end assets of \$1.18 billion. After completion of the merger, Valley will have assets of approximately \$1.8 billion and will deliver financial services through 71 Wisconsin locations.

Hoesly Selected As Alice in Dairyland

Lisa Hoesly of Brodhead succeeds Cindy Johnson Hesse to become Wisconsin's new 1985 Alice in Dairyland.

Hoesly, 21, was selected from a field of 12 finalists by an interview panel during the 38th Annual Alice in Dairyland finals in Wausau, June 20-22. Wisconsin Department of Agriculture, Trade and Consumer Protection Secretary, La Verne Ausman, announced the decision of the panel Saturday evening at the Wausau High School.

Hoesly graduated from Juda High School and is a 1985 University of Wisconsin-Madison graduate with a degree in dairy science, specializing in agricultural journalism and advertising. She is a member of the National Agri-Marketing Association, Association of Women in Agriculture, Badger Dairy Club and the Holstein Association. Hoesly served as the State Reporter for the Future Farmers of America in 1983, received her State Farmer Degree in 1981 and American Farmer Degree in 1984.

She was a member of the UW-Madison Marching and Varsity bands for four years and was the 1985 Little International Queen. Last summer, she worked on a dairy and vegetable farm near Rome, Italy.

Hoesly will serve as official agricultural spokesperson for one year. During her employment with the Department of Agriculture, Trade and Consumer Protection as Alice in Dairyland, she will travel approximately 100,000 miles and make as many as 1,000 appearances promoting Wisconsin agricultural products and the people who produce them.

Hoesly developed her strong interest in agriculture by working on her home dairy farm with her parents, E. J. and Joyce Hoesly.

During her one year tenure, "Alice" will wear a gold tiara, created and provided by the Wisconsin Jewelers Association. In addition, each "Alice" receives a Blackglama mink jacket from the Great Lakes Mink Association and the Kettle Moraine Mink Breeders Association. The jacket will be designed by Finlandia Fur House of Mequon.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

Right Summer Clothing Can Keep You Cool

By: Joan Hanrahan
Summer Extension
Home Economist

Selecting the right clothing styles, colors, fabrics and accessories can help keep you cool during the hottest summer days.

Dressing for hot weather involves more than simply wearing less. For example, the new loose-fitting styles with wide necklines work with your body's built-in cooling system. As you perspire, loose-fitting clothes allow air to reach your skin and evaporate perspiration, making you feel cooler. Clothing with fitted necks, wrist bands and waists hold body heat in.

Color can have a psychological effect on how warm or cool you feel. You feel cooler when you wear green, ice-blue or light-colored clothing. Light colors and white reflect the sun's rays, while dark colors absorb them.

Clothing made from cotton, linen, ramie, rayon or blends of natural and man-made fibers

absorb perspiration more readily than 100 percent polyesters, acrylics or nylon fibers. Finishes can be applied to man-made fabrics to make them more comfortable.

Open weaves are good choices for hot weather because they let air in and body heat out. Loosely knit or woven fabrics will also help keep you cool.

Water-repellant fabrics are more breathable and feel cooler than those made from plastic, vinyl or rubber. Keep this in mind when you shop for your summer raincoat.

When choosing your summer accessories, remember that any additional item will make you feel warmer. The same guidelines that apply to clothing fibers also apply to accessories. Lightweight socks and open shoes can help keep you cool. Jewelry, belts, scarves or anything tight around your neck or wrists might feel binding and uncomfortable. But take advantage of the new hat styles. Choose one in a light color to shade you from the sun and reflect its rays.

ANTHONY A. 'TONY' KARIUS

Anthony A. "Tony" Karius, of 1437 Barton Ave., West Bend, died Monday, July 1, at St. Joseph's Community Hospital, West Bend, at the age of 73.

He was born Dec. 30, 1911, in the former Village of Barton, where he grew up and lived his entire life. He was employed by the Chicago & Northwestern Railroad for over 40 years, retiring in 1974.

Survivors include five sisters, Margaret J. Staehler of Kewaskum, Betty Fehring and Katherine (Howard) Stamper, both of Milwaukee, Barbara Karius of West Bend, and Clara (James) Hendrickson of Los Angeles, Calif.; two brothers, Jake (Lucille) Karius and Adam Karius, both of West Bend; nieces, nephews, other relatives and friends.

His parents preceded him in death.

Funeral services were Friday at 4 p.m. at the Schmidt Funeral Home, with Father John Furtmann officiating. Burial was at 9 a.m. Saturday in St. Mary's Cemetery.

Visitation at the funeral home was from 4 p.m. Friday until time of services.

FRANCIS FOCHS

Francis Fochs, 64, of Route 1, Campbellsport, died Monday, July 8, 1985, at St. Agnes Hospital, Fond du Lac.

He was born Jan. 4, 1921, in Ashford, a son of Louis and Annabella Thelen Fochs. He married Jeannette Unferth on June 4, 1946, at St. Martin's Church, Ashford.

He farmed in the Town of Ashford and was employed at Tolzman Hardware, Lomira. He was presently employed by Ram Construction of rural Fond du Lac. He was a member of St. Martin's parish, Ashford.

Survivors include two sons, Richard of Lomira and Randy of Campbellsport; one daughter, Mrs. Church (Rhonda) Lichtensteiger of Campbellsport; six grandchildren; and one brother, Wilfred of Campbellsport. He was preceded in death by his parents.

Funeral services were held Wednesday at 10:30 a.m. at St. Martin's Church, Ashford, with the Rev. Richard Fehhelm officiating. Burial was in St. Martin's Cemetery.

Friends called Tuesday from 4 to 9 p.m. at the Twohig Funeral Home, Campbellsport.

MRS. DORA LEE

Mrs. Dora Lee, 74, formerly of Campbellsport, died Sunday, July 7, 1985, at Rolling Meadows Nursing Home, Fond du Lac.

She was born July 29, 1910, in Manawa, a daughter of Emil and Amanda Krause Pruess. In January 1934, she married William Lee in Manawa, and he died on July 9, 1984.

Mrs. Lee was a member of Immanuel Lutheran Church.

Survivors include three sons, Richard of Union Grove, Donald of Coral Springs, Fla., and William of Oshkosh; three daughters, Mrs. Myron (Beverly) Pelot of Highland, Ind., Mrs. Roger (Virginia) Flitter of Campbellsport and Debbie Lee of Fond du Lac; 12 grandchildren; one great-

grandchild; and one sister, Mrs. Alice Carver of Plymouth.

She was preceded in death by one son, one sister and one brother.

Family services were held Wednesday at Twohig Funeral Home, Campbellsport. The Rev. Allen Capek officiated. Burial was in Union Cemetery.

There was no visitation.

Free Prairie Walks Slated at Cedar Lake Home Campus Forest

"Prairies change with the seasons," tells Dave Stone, chairman of the Cedar Lake Home Campus Forest, Trails and Prairie Committee. "So we're holding 3 free prairie walks this summer for the community."

The first walk is scheduled for

Saturday, July 20, at 9:30 a.m. Additional walks are scheduled for Saturdays, August 10, at 9:30 a.m. and September 21 at 1:00 p.m. Join in one or all three walks.

These free nature walks are given on the Campus' 8 acre Wisconsin prairie just off the shores of Big Cedar Lake.

Knowledgeable naturalists will

guide participants through the colorful prairie explaining the wide variety of plants and flowers found in Wisconsin.

Registration is limited. Call the Cedar Lake Home Campus at 334-9487.

The not for profit Cedar Lake Home Campus is located at 5595 Hwy Z, just 2 miles south of State 33, west of West Bend.

Letters to the Editor

Dear Editor,

The Kewaskum Jaycees would like to thank all the area businesses and individuals that helped to make the Wisconsin Torch Run through Kewaskum such an outstanding success.

Thanks to our special supporter and business that made the Torch Run through Kewaskum possible - Regal Ware. Thanks also to: KB Lettering, Rich's Foods, Kewaskum Frozen Foods, Miller's Furniture, Valley Bank, KL Hardware, Behnke & Schmitz Insurance, Sentry, Kennelly Pharmacy, Roger & Dan's Service, Honeck's, Campbell's Inn, Amerahn's, Thiemer's, Richard's Kut & Style, Homeplate, West Bend Savings and Loan, Kewaskum Floral, Steiner's Electric, Landmark Inn, Schaefer Trucking, Superior Trucking, Village Hair Stylists, Geri's Beauty Salon, Kemps, McKenna & Kiefer Law Office, and all other individuals who donated to our cause.

Thanks are extended to all those that participated in the carrying of the Torch through these area businesses - Dale Squier, Dave Drexler, Harry Schneider, Noel Stradtman, Eric Giese and Jason Giese.

Thanks also to the Kewaskum Police Department for assisting in the Torch Run entrance into Kewaskum; to the Kewaskum Statesman and Judy Harlow for the excellent news coverage; to Wisconsin Jaycee C.F. Program Manager, Brad Kidd; to Jacob Barsch, C.F. Poster Child and his mom; and to the Official Torch Run Officials - Joe Barden and Ron Stack.

I would also like to thank Gary and Linda Gavin, Rene Beisbier, and Mary Thiemer of the Kewaskum Jaycees for their help during this historic project. With the combined efforts of all, we should have an excess of \$500.00 to donate to the Cystic Fibrosis Foundation. Again thanks.

Sincerely,
Richard D. Thiemer
Project Chairman

Dear Editor:

Recently I entered a pornography essay contest and won first place. Pornography is a horrible thing and I am 16 years old and I feel something should be done about this ugly problem. In my essay I talk about the harmful affects of Porn. I include the moral, safety, health, and sexual development harms that effect people. I really feel that my essay could let a lot of people see what pornography really does, but that is only if you submit it to

your paper.

I am asking you to please submit it to clean up the smut in our community. It would really be appreciated!

Pornography is a problem in today's society. Many people are not aware of the harmful affects it holds - especially the children. I would like to share this with you, so that we can all help to stop or at least minimize pornography.

The Harms of Pornography

Roberta's 16 year old son, David, is away at summer football camp, and today she has decided to give his room a thorough cleaning. Sorting through the shoes and athletic equipment strewn on the closet floor, she comes across a pile of magazines and books hidden under an old sleeping bag. Assuming these are old sports magazines and leftover school books, Roberta pulls them out and discovers a stash of "men's" magazines with titles like "Chic," "Gent," and "Beauties in Bondage." The books she finds, are shoddily printed novels with names like "Teen Slut" and "Baby Sitter's Secret Sex Diary."

Roberta's initial reaction is shock. Her reaction to these rude, ugly pictures is no different than how other parents are dealing with pornography. Roberta was horrified by some of the photographs in the magazines - crude closeups of completely naked women. The pictures of females bound, gagged and bruised, strike her as more scary, than sexy.

Pornography in the last

decade has become a common thing in America. During the 1940's, 50's, or even the 1960's, children would have had to go far out of their way to acquire pornography. But, today, avoidance of even hard-core porn is becoming virtually impossible.

Pornography is as close as the local newstand, and the adults wonder how can it happen to

"their" children. Well, it can, and as a matter of fact, very easily. There are approximately 400 "Porno" magazines on the market, and around as many as 20 million men and boys who buy them regularly. Along with that, two to three million Americans view pornographic movies each week; videotapes

of such "ugly" films represent about 50 percent of the home movie market.

Another development that is disturbing a lot of people is the rapidly growing number of cases, the fact that pornography is not only about women, but also about children. It is estimated there are at least 250 "Kiddie Porn" magazines on the market. Now this all seems to me that there are a lot of open questions with so many empty answers. How do these children get the magazines? Can they actually purchase a magazine themselves?

There are so many harms of pornography that affect children. Many people often never realize that it DOES hurt the child himself. The first harm is the moral harm. The child may never get in touch of the "real world" and only live in his fantasy "porno" magazine. He may get the idea this is the "correct way" because he has

not been shown about other ways.

The number two harm is the safety of the child. Theory states the more pornography a male sees, the more likely he will be to commit sex crimes. The child may lead into a life of hurting women instead of loving them, not because it is his fault, but because he thinks this is right.

The child's health is the third harm. If the child falls into a violent path, he will more than likely produce harm to his health. He may not be able to cope with the "real world" and have a psychiatric problem. This is not caused directly by the child himself, but through the pornography.

The last harm is the sexual development of the child. Pornography portrays sex as a battlefield, and if the young child is not taught other things, he will continue thinking and feeling this way. The child may

begin to feel like pornography depersonalizes sex and reduces it to a mechanistic function without any feelings. This young child will never learn what it is like to care for someone in a "special" way or how to express his feelings.

Now I'd like you to ask yourself, "Is that what you really want happening to the children of today? Mainly YOUR children?" I certainly wouldn't, and I think it's about time that we do something about this.

The next time you go to your supermarket or local drug-stores, find out if they sell pornographic magazines. If they do, tell the manager how you feel about them and demand they should be

removed. If that doesn't succeed, get a group of friends together and actually "threat" the manager that he will lose all your business if the magazines are not removed.

If we all speak out against pornography, we can help save the atmosphere of our young children of today. If you are accused of being against freedom of speech, remember that under the First Amendment you have the right to say, "I DON'T LIKE PORNOGRAPHY!" And remember, it is pornography - not the outcry against it, that violates women's and children's and men's

constitutional right to "life, liberty and the pursuit of happiness."

Charles Stevens

WEST BEND — The Board of Directors of B. C. Ziegler and Company, an investment banking firm, has elected Gwen M. Wilson, Stanley L. Shaw and Charles G. Stevens as Assistant Vice Presidents.

Joining Ziegler's interim paper department in 1967, Wilson transferred to the company's sales department in 1971 and served as a sales assistant. In December 1981, Wilson became a registered representative in West Bend office serving the firm's Mid-Atlantic states customers.

A native of Hartford, Wis., Wilson is a graduate of Hartford Union High School and attended the St. Mary's School of Nursing, Wausau, Wis. She is finance chairperson and serves on the Board of Directors of the newly-formed Kewaskum Scholarship Fund, KEYS, Inc. Wilson and her husband, David, have three daughters and live at Kewaskum.

Shaw joined Ziegler's internal accounting department in 1962. He was appointed office

services supervisor in 1973 which included the company's direct mail operations. In 1981, Shaw was appointed manager of customer service and direct mail operations.

He is a graduate of Portage High School, Portage, Wis., and attended the University of Wisconsin-Madison and Marquette University, Milwaukee. Long active in the Cystic Fibrosis Foundation, Shaw is the current president of the

Wisconsin Chapter. He has served on chapter's Board of Directors for more than six years. Currently, he is a member of the University of Wisconsin Medical School Advisory Council for the Development of the Children's Lung Institute. Shaw is also a director and past president of the Wisconsin Angus Association.

Married, Shaw and his wife, Barbara, have three children

and live in West Bend.

Stevens, a former managing editor for the West Allis Star and news editor for Post Newspapers, Milwaukee, joined Ziegler in 1981 as a communications and advertising assistant.

He is a graduate of Pewaukee High School, Pewaukee, Wis., and holds a bachelor's degree in mass communications from the University of Wisconsin - Milwaukee. Stevens is a member of the International Association of Business Communicators. Stevens and his wife, Jan, have two children and live in Hartland.

Work was started on July 5, by the contractors on the Village of Kewaskum's \$135,334 street improvement project, which will include new sidewalk, curb and gutter, storm sewers, street lights, street work and other improvements.

This Saturday evening and Sunday are the dates for Kewaskum's big annual Firemen-Legion picnic in the village park. All preparations have been completed to make this year's event one of the finest ever held. Highlights on Saturday evening will be an amateur show open to both individuals and groups from this area, which will be followed by music by Les Schneider's orchestra for the remainder of the evening. Starting off Sunday's festivities will be the feature attraction of the event, the mammoth parade at 12:30 p.m. sharp. Free entertainment from the bandstand will be provided Sunday afternoon and evening by Bob McElroy and Carol in a ventriloquist and balloon act and by Jack Pyle and his magic with a new twist and comedy.

Miss Eileen Matthies, daughter of Mr. and Mrs. Ray Matthies, Route 1, Adell, (Beechwood), and Erwin B. Lueck, son of Mr. and Mrs. Emery Lueck, also of Route 1, Adell, were married on June 25, in Immanuel Lutheran Church, Town of Scott.

Miss Donna Fillion, Iron Mountain, Michigan, and Arthur Schmidt, son of Mr. and Mrs. Arnold Schmidt, Route 2, Kewaskum, were married June 18, in West Allis.

The following Kewaskum Girl Scouts left Sunday for a week's stay at Camp Evelyn Heronymus at Plymouth: Diane Schmidt, Mary Kroncke, Sue Marx, Mary Koerble, Patty Mitchell, Dorothy Buczek, Jeanne Reindl, Linda Gnacinski and Bernadette Falk.

A daughter was born to Mr. and Mrs. Ronald Tacke, Brown Deer, on June 21. Mrs. Tacke is the former Ruth Manthei, daughter of Mr. and Mrs. Arthur Manthei, Kewaskum. A daughter was born to Mr. and Mrs. Tom Tessar, West Bend, on June 29. Tom is a son of Mr. and Mrs. Jack Tessar, Kewaskum. Daughters were also born to Mr. and Mrs. Louis Foerster, Route 1, Allenton, on June 30; to Mr. and Mrs. Max Lund, Route 1, Kewaskum, on June 30; to Mr. and Mrs. Homer Schaub, Kewaskum, on July 1; to Mr. and Mrs. Albert Theisen, Route 1, Kewaskum, on July 3; and to Mr. and Mrs. Allen Reindl, Route 2, Kewaskum, on July 3.

At about 1 o'clock last Wednesday morning this village was awakened by the sounding of the fire siren and upon investigation the fire was found to be at Campbellsport, where an explosion in an oil tank freight car, which stood on the siding and was being heated in preparation for spreading, occurred, and set fire to the supply of road oil contained in the car, and another car of oil attached to the burning car also caught fire and spread to the Chicago and Northwestern

depot which stood just west of the tracks, and burned to the ground. Fire spread to other oil cars parked on the siding and within a short time, the railroad right-of-way was a roaring inferno. Two other oil tank cars were detached and moved further to the north, thus preventing their catching fire. Flames leaped more than 100 feet into the air and started to eat into the H. Conroy potato warehouse nearby. The reflection of the fire in the sky was seen for a distance of 25 miles. The blaze threatened to spread to the tanks of the bulk station of the Standard Oil Company which stood about 200 feet from the burning oil tanks. The force of the explosion tore off a hose through which the road oil was passing into the heating tank. The fluid, catching fire as it flowed from the tank, spread rapidly and at one time there was a miniature lake of oil 200 by 100 feet in a mass of flame.

A new tailor shop will be opened at Kewaskum on July 15 in the Bleck building on Main Street by Joseph Ziech. Mr. Ziech has had wide experience in the leading tailor establishments of Milwaukee and comes here well qualified and experienced to take care of your tailoring wants.

A real estate transaction was made recently whereby Elmer Yost bought the property where his meat market stands, from Walter Schneider. He intends to tear down the old buildings and build a new one in its place in the near future. Clarence Kluever's barber shop located in one of the buildings, will have to move, therefore he has rented the Wm. F. Schultz building, one door east of the Republican House.

A fire alarm was sounded in the village last Thursday evening when smoke was noticed coming through the windows of the Clarence Kudek flat over the Modernistic Beer Garden on Main Street. The firemen arrived on the scene promptly but were unable to find the fire until quite awhile after, when someone accidentally touched the refrigerator and found it very hot. Upon opening the door, smoke poured out and the mystery of the fire was solved. It was found that the motor and condenser had burned out, causing the fire.

Word has been received in this village of the marriage of two popular young people of this community, namely, Miss Rose Kohlschmidt, whose parents reside near Forest Lake in the Town of Auburn, and Walter Baumann, also of the Town of Auburn.

A large majority of the Boy Scouts Troop 14 of this village are spending this week at Camp Shaginappi, located on the eastern end of Lake Winnebago, northeast of Fond du Lac. The following boys made the trip: Louis Bath, Harold Bartel,

Frederick Buss, Louis Heisler, Donald Seil, Curtis Romaine, Bernard Hafemann and Marlin Schneider.

Sparks from a locomotive last Sunday afternoon set fire to a field of standing barley on the Chas. Backhaus farm about one mile north of the village and destroyed a big portion of it before Mr. Backhaus and a few neighbors after hard work extinguished the fire.

Frank Backhaus might have met with a serious accident on Wednesday morning. While driving to the factory the bolt came out of the wagon tongue, throwing from the wagon a few cans of milk which were spilled. There was about 200 pounds of milk in the cans. Frank was pulled over the dash board and received a few slight bruises. The wagon was considerably damaged.

Arnold, son of Mr. and Mrs. Wm. Prost had the misfortune of receiving a double fracture of his leg last week Friday by being kicked by a horse. The accident happened while the boy was driving home from the hay field on his father's farm with a teddar. The thills on the machine became loose in some way and struck the horse's hind feet causing the animal to kick and struck the boy on the leg below the ankle, causing the double fracture.

Arthur Eichstedt of the Town of Auburn had his leg broken by being kicked by a horse while raking hay. Arthur was knocked off the seat and fell under the rake, from where he managed to get out just in time before the team ran away.

While John Kohn of New Fane was in the village Tuesday evening, his horse broke loose in the stable at Jos. Eberle's place and upon wanting to return home he found the horse gone. The next day Mr. Kohn went to search for the animal and found him about four miles west of Wayne Center.

A baby boy was born to Mr. and Mrs. Robert Wesenberg last week Friday.

Congressman
JIM
SENSENBRENNER
Reports

LEGISLATION ENCOURAGES NEW ARENA

Washington, D.C. - In order to expedite the building of a new arena in Milwaukee County, U.S. Representative F. James Sensenbrenner (R-Menomonee Falls) has co-sponsored a bill, H.R. 2674, which will modify the restrictions placed on the use of the land, allowing the project to proceed. Sensenbrenner commented, "We need this arena, and this legislation will permit us to get started on its construction."

The land on the Milwaukee County Stadium grounds which is being considered for the arena was leased to Milwaukee County by the Veterans Administration. The legislation, passed on 1949 and 1955, which provided for this lease required the land to be used for recreational and civic purposes. The legislation also contained language which prevents the land from being used for purposes other than those prescribed.

Sensenbrenner said, "The

building of the new arena, which has been generously donated by Jane and Lloyd Pettit, has been delayed because construction can be construed as 'alienation' of the land. If construction is construed as 'alienation,' the land will revert back to the United States, in this case the Veterans Administration."

Congressman Sensenbrenner is supporting this legislation because of the importance of a new arena, both to Milwaukee County and the State of Wisconsin. A new arena will be a major step towards Milwaukee's maintenance of a successful NBA franchise. The facility will also provide a larger area for other civic and recreational events.

The Congressman concluded, "The completion of such a project will not only provide many economic benefits, but will also show the kind of support which the Milwaukee Bucks deserve."

costs of splitting the project could well cost \$50 million in additional taxpayer money over ten years. When you add these figures to the over \$8.3 million already spent by the state on the Trostel Tannery and Menomonee Valley prison sites, it becomes readily apparent that, as usual, the taxpayer is the one special interest ignored in this process," remarked Panzer.

The third-term, West Bend Republican also criticized the manner in which Governor Earl is handling the siting process.

"Locating a prison," Panzer commented, "is never an easy task, due to the inherent controversy of such an issue. Unfortunately, however, by lurching from site to site, and ignoring the sentiment of the taxpayer, Tony Earl has managed to alienate most of the people in this state."

Panzer was especially critical of the Governor's decision not to abide by his earlier promise to respect the opinion of local communities who do not want a state prison in their neighborhoods.

"It becomes a matter of credibility," declared Panzer, "and Governor Earl is quickly losing his. He has attempted to foist a prison on three different areas, while ignoring logical sites, such as Waupun, which desperately wants a prison in the community."

"It is about time," Panzer concluded, "for the Governor to stop forcing this issue and begin to consider a logical, non-confrontational approach satisfactory to both the needs of the state corrections and the Wisconsin taxpayer."

8.1% to \$45 per day. These raises will take effect after the legislators are re-elected, but daily expense increase could take effect immediately upon approval of the Joint Employment Relations Committee.

Governor Earl, whose Administration supports this pay increase, would see his salary increase from \$75,337 to \$86,168 - a 14.4% increase. All other constitutional officers, including the State Supreme Court Justices, the Attorney General and the Lieutenant Governor, will receive modest increases.

With prices currently rising at a rate of approximately 3.5%, the level of these raises seems unjustified to say the least. Furthermore, many Wisconsin corporations have recently scaled down their employees' wage increases and some employees have even taken wage decreases just to retain their jobs and help their companies survive.

Wisconsin's Strategic Development Commission has reported on several occasions that Wisconsin government is spending far beyond the level that Wisconsin's residents can

Panzer Critical of Governor's Tactics In Dual Prison Site Selection

The Earl administration proposal for a split prison site in Milwaukee and the Town of Dover is "characteristic of the schizophrenic approach that the Governor and his advisors have taken to the entire prison siting controversy," according to State Representative Mary Panzer (r-West Bend). Panzer joined a growing list of legislators critical of a dual site pro-

posal suggested by a group of Milwaukee area business people and recently embraced by Governor Earl.

Representative Panzer cited two main problems with the Marquette and Dover twin locations: cost and the heavy-handed attitude displayed by the state toward the local citizenry.

"Construction costs," noted Panzer, "will inevitably increase over a single site plan with estimates ranging up to \$80 million for both sites. Furthermore, the operational

Senator Stitt Opposes Pay Raises For Legislators

Once again, some legislators are attempting to raise their pay without bringing the proposal to a vote. The plan now pending before the Joint Employment Relations Committee, which consists of six Democrat and two Republican legislators, will raise legislators' salaries by 8.7% to \$29,565. The plan would also increase daily expense reimbursements by

St. Joseph's, 4 Other Hospitals to Provide Blue Cross and Blue Shield PPO Services

Five hospitals and nearly 100 affiliated physicians in east-central Wisconsin have signed contracts to provide services under Blue Cross & Blue Shield United's Preferred Provider Option (PPO). The affiliation marks the first statewide expansion of the Plan's PPO which began in Milwaukee in 1984.

The five hospitals are St. Alphonsus in Port Washington, St. Agnes in Fond du Lac, Manitowoc Memorial in Manitowoc, Theda Clark Regional Medical Center in Neenah and St. Joseph's in West Bend.

Counties to be served are Brown, Calumet, Door, Fond du Lac, Green Lake, Kewaunee, Manitowoc, Marquette, Outagamie, Ozaukee, Sheboygan, Washington, Waushara and Winnebago.

"PPOs are the latest development in the health insurance marketplace to preserve quality care while better controlling the cost of that care," said E. Everett Edwards, president and chief executive officer of Blue Cross & Blue Shield United. "We are very pleased to be able to offer this 'leading-edge' system to the citizens of east-central Wisconsin."

Hospitals and physicians joining a PPO agree to set competitive rates for services in anticipation of an increase in the volume of patients — in effect trading price for market share.

Employees who choose a PPO have complete freedom to use PPO providers or non-PPO providers each time they need medical services. If they choose PPO providers, they receive first-dollar coverage with no deductible or co-insurance charges for typical inpatient and outpatient services. However, if they choose a non-PPO provider, a deductible and co-

insurance amount is owed.

Employers offering a PPO to their employees can expect significant savings in health care costs compared with traditional fee-for-service insurance plans. Companies in the 14-county region are now able to begin adding the PPO to their employee benefit programs.

NEW RULES ON TAX RECORDS FOR CARS AND TRUCKS

You can forget about the Internal Revenue Service's much-disputed rule changes regarding expense records for cars, trucks and computers. Congress has decided the old rules are okay after all.

Early this year the IRS issued strict, new record-keeping rules for vehicles and other equipment likely to be used for both business and personal activities. Those rules were mandated by the Tax Reform Act of 1984, which also called for tough penalties for persons who claim business expense deductions without having adequate documentation.

But taxpayers reacted negatively, so the IRS revised the rules to allow business operators to get by with simpler records.

Apparently Congress didn't think that was enough. Both the House and the Senate have passed H.R. 1869, a bill which in effect repeals the part of the 1984 act dealing with record-keeping.

Specifically, taxpayers are no longer required to keep trip-by-trip logs, and the penalties for claiming deductions without such records have been repealed. However, the repeal of these rules doesn't mean taxpayers don't have to keep records.

The committee that worked on the new rules put it this way: "A taxpayer's uncorroborated statement as to the business use of an automobile or other...property does not have sufficient probative value to warrant consideration by the Internal Revenue Service."

In other words: Just your say-so isn't enough.

The IRS will, in some cases, accept oral testimony from a disinterested, unrelated party to corroborate an undocumented business expense. But oral evidence carries considerably less weight than written evidence. So you'll be better able to justify an expense — and less likely to get into an argument with the IRS — if you keep a written record of business use of vehicles.

computers and other property also subject to personal use.

The new bill also requires the IRS to ask for certain information on the tax return. For vehicles, the IRS will ask how many total miles were driven during the year, and how many of those were for business, commuting and personal activities. The IRS will also ask what other vehicles were available for after-work use, and whether you kept written records on the business use of these vehicles. The IRS will use this information in deciding which returns to audit.

Congress expects to lose revenue by relaxing these rules. To compensate, it has reduced the amount of depreciation and investment tax credits that can be claimed on vehicles. Depreciation on automobiles is limited to \$3,200 the year the vehicle is purchased and \$4,800 in subsequent years. For an automobile, you can claim an investment tax credit of no more than \$675.

Proxmire Says Farmers Are Taking An Economic Beating

Senator William Proxmire (D-Wis.) said Tuesday that, "Our nation's farmers are taking an economic beating unmatched since the Great Depression of the 1930's. Anyone who doubts this has not been looking at the hard, cold facts of rural life in America today."

Senator Proxmire is the ranking Democrat on the Senate Banking, Housing, and Urban Affairs Committee and is also a member of the Senate Appropriations Committee and Joint Economic Committee.

In a statement released from his Washington office, Proxmire said, "Most Americans realize that our farmers are having a tough time, but few are aware of the severity of the situation. The tragic reality is that our country's farmers are suffering a deep, deep depression."

"Here is the most dramatic evidence of the farmers' plight: America's farmers have endured such a continuous and disastrous drop in their return on investment that in 1981, for the first time since Herbert Hoover was President in 1931, they actually received less than nothing, below zero, on their equity."

"Was this a fluke, an accident, or a one-year phenomenon? Unfortunately, the answer is 'no.' In both 1982 and 1983, the return on farmers' equity was again negative. Although the data for 1984 are not yet available, we can expect more of the same for last year."

"And this year — 1985 — will certainly be as bad or worse. In fact, it seems safe to say that in 1985 our nation's farmers face the twin evils of no return on their investment and a farmer buying power that may well hit the lowest level in recorded history."

"One Wisconsin farmer was asked recently what he would do if he were given a million dollars. His response: 'Well, I guess I'd just keep on farming until it was all gone.' That statement reflects the grim future now confronting America's farmers."

Legion Convention This Weekend

The 67th Annual State Convention of the Wisconsin American Legion will be held at Wauwatosa West High School July 12, 13, 14, 1985.

Delegates from 541 Posts and communities around the state will converge on the City of Wauwatosa to attend the Convention.

Senator William Proxmire

Kewaskum Statesman, Page 18

will address the Convention on Saturday morning, July 13. Local dignitaries will greet Convention delegates on Friday, July 12, from the Convention stage.

Convention delegates will consider a resolution on broadening eligibility dates to include veterans who are presently ineligible to join The American Legion and Resolutions to be sent to State and Federal Legislatures concerning veterans' programs.

State Commander James Chapin of St. Croix Falls will preside during the Convention sessions. The newly elected Commander and State Officers will be installed Sunday morning.

The Convention parade will assemble at 3:00 p.m. at 76th and North Avenue and proceed west to 94th and North Avenue where it will disperse.

High-flying performers, all based on real life circus characters, are among the several thousand figures in the Henry Magnin collection of circus historical miniatures. "A giant toy of this magnitude thrills me every day of my life," Magnin says. "But my greatest joy beside playing with it and reliving my childhood fantasy, is sharing the excitement with children of all ages," according to the retired California businessman.

The Owen J. Gromme Special Exhibits Hall of the Milwaukee Public Museum will be transformed into a delightful circus spectacle for two and one-half months with the display of "The Greatest Little Circus," an authentic array of carved historical miniatures.

The major exhibition, will continue through July 21 from 10 a.m. to 4 p.m., daily.

Cavalcades of miniature clowns, giant herds of tiny elephants, hand-carved and hand-painted horses, plus

thousands upon thousands of circus performers, animals, thrilling trapeze acts and a long street parade of famous circus wagons will paint the museum in brilliant and glowing circus colors. In addition, a modern day miniature stadium type circus, complete with arena acts, animals and clowns provide a balance between the historical and contemporary circus worlds.

Creators of this magical circus phenomenon is retired stockbroker Henry Magnin,

whose carving goes back almost 35 years. In 1981 Magnin, of Van Nuys, Calif., took an early retirement at age 60 from his job as assistant manager of E.F. Hutton and Co. in Beverly Hills in order to devote full-time to his lifelong hobby and interest in the circus. He carved and painted all the pieces in the 3000-piece collection, of which 1500 or more are included in this traveling display.

All of the carvings are done to a scale of 1/2 inch to the foot and done mostly in basswood,

jelutong or pine. "Free wood is my favorite," says Magnin, who loves to whittle, and teaches carving when he is not spending his time as a docent at the California Museum of Science and Industry, the first and only other place to display his collection. Every figure is a recognizable circus personality, costumed with the props and acts that made them famous. Even roustabouts and helpers are based on actual people. Some of the famous parade wagons are replicas of those which once appeared in past Milwaukee Circus Parades. An assortment of mounted photographs going back to the turn of

the century and as recently as 1983 also are of past Milwaukee parades. These, along with antique circus toys from the museum's collection, add to the exhibition's authenticity and realism.

Almost as delightful as the exhibition is an accompaniment of circus-related activities featuring "live" clowns, mimes and circus model building.

"The Greatest Little Circus" is being sponsored locally by Friends of the Museum, Inc.

The Icelandic language has changed relatively little since Viking times.

Soon you will own your phone. Make it **INDESTRUCTIBLE!**

Your phone service is changing.

Beginning in October 1985, you will own the telephone you now lease from GTE*. Rental charges no longer will be a part of your monthly bill.

But as you gain ownership, you stand to lose a valuable GTE service.

After Oct. 1 you pay for phone repairs.

Until now repair and maintenance were included in your monthly rental fees.

Once the phone becomes your property, you will pay for all repairs directly. How much do you stand to lose? \$69.95 for a standard service call.

GTE Phone Care makes phones indestructible.

For as little as 60¢ per phone each month, GTE Phone Care extended warranty plans can protect your phone from breakdowns.

In most cases you'll still enjoy a lower phone bill. Plus you'll have the security

of prompt repair or replacement at no extra charge.

Act now to protect your phone—and your budget.

You'll be fully protected as soon as you sign up for GTE Phone Care.

The Decision Coupon describes the two Phone Care plans available. Read it carefully, decide which plan best fits your needs and return it to GTE.

Because the sooner you make your phone indestructible, the better you'll feel.

Reply now! Phone Care coverage is not automatic.

*GTE Phone Care is available for any GTE leased telephones in your possession that were acquired before November 15, 1982. Certain GTE models you might have purchased also are eligible for Phone Care.

Minutes of Village Board Meeting

Regular Meeting
July 1, 1985
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in regular session in the meeting room of the Fire House, 1106 Fond du Lac Avenue, Kewaskum, WI.

President David E. Nigh presided. All Trustee Members were present.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the minutes of June 17, 1985.

Superintendent of Water Pollution Control, Peter Albers, informed the Board on the cleaning of the sediment/spoils from the digester and pre-air tanks. The matter of billing Great Lake Malting for a portion of that cleaning was discussed due to the discharging of grain. The Board was informed Great Lakes Malting has been served notice regarding the billing.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Donald Mlodzik and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said licenses as follows:

Beverly Rohlinger, Kewaskum, WI

Katherine Rohlinger, Kewaskum, WI

Mervin Thompson, Kewaskum, WI

Michael Geidel, Kewaskum, WI

John Boegel, Kewaskum, WI

NOTE: The Police Department had no objections to any of the applications.

Administrator Daniel Schmidt reported to the Board on the anticipated finance balance in the Tax Increment District. President David Nigh complimented the office staff and the Department of Public Works on working diligently at keeping the cost down and saving the public thousands of dollars.

Administrator Daniel Schmidt reviewed some correspondence with the Board and some general information on utility fees and how the Village compares to other area communities. A letter was received from Joe Zahn & Son General Hauling regarding increasing the per yard cost for garbage from \$6.00 per yard to \$6.50 per yard effective August 1, 1985.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by voice vote the Board approved the building permit application of Arnold Stommel, 1415 Roseland Drive, to construct an accessory building and authorized the office to issue the permit upon proper payment of fee. The Zoning Administrator and Building Inspector both approved the application.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote the Board directed the Administrator to update the 1977-78 sidewalk report so new footage and cost can be determined for budgeting purposes for 1986.

On a motion by Trustee Thomas McElhatton, seconded

by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

| | |
|-------------------|---------------------|
| Gen. Fund | \$137,628.04 |
| Water Dept. Fund | 8,074.52 |
| Sewage Dept. Fund | 30,453.30 |
| TID #1 Fund | 97,084.58 |
| TOTAL | \$273,240.44 |

General - Voucher #3665 thru #3838

Water - Voucher #4798 thru #4808

Sewage - Voucher #4118 thru #4142

TID #1 - Voucher #180 thru #187

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board directed the Administrator to send a certified letter to the party parking his semi truck on Fond du Lac Avenue to find an alternate parking location and if that doesn't take care of the hazard to increase the no parking area on the street by having the Department of Public Works paint additional curb.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, reported that 605 swim passes have been sold as of June 25, 1985, compared to a total of 604 for 1984. He also announced a Park and Recreation Committee meeting for July 15, 1985, at 7:00 p.m.

Trustee Richard Schlice, the Library Board Representative, announced that the Library will be closed July 5, 1985, due to the July 4, 1985, holiday.

RESOLUTION NO. 85-16

WHEREAS, the State of Wisconsin has created a Local Government Pooled Investment Fund, and

WHEREAS, it may prove beneficial for the Village of Kewaskum to participate in the program,

BE IT RESOLVED, that the Village of Kewaskum participate in the State of Wisconsin's Local Government Pooled Investment Fund, pursuant to the provisions of Section 25.50 of the Wisconsin Statutes,

BE IT FURTHER RESOLVED, that Daniel S. Schmidt, Administrator/Clerk/Treasurer, be designated as the "Local Official" authorized to transfer funds to the State

Treasurer for deposit in the Fund.

BE IT FURTHER RESOLVED, the State Treasurer is authorized to accept telephone requests for withdrawal of funds.

Adopted and approved this 1st day of July, 1985, by the Kewaskum Village Board.

David E. Nigh
Village President

Introduced by Trustee Howard Laubenstein.

Motion for adoption by Trustee Thomas McElhatton.

Motion for adoption seconded by Trustee Donald Mlodzik.

Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

President David Nigh asked that a tour of all Village buildings be set up for the entire Board for the Mid-Monthly August meeting if possible.

Motion was made by Trustee Mary Krueger, seconded by Trustee Donald Mlodzik to adjourn to closed session under Chapter 19.85 (1) (g) of the Statutes to discuss possible litigation regarding a Notice of Injury to Joseph Lorenz, Inc. vs. Village of Kewaskum, etc. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Daniel S. Schmidt

VETERINARY TOPICS

OZAUKEE-WASHINGTON COUNTY
VETERINARY MEDICAL ASSOCIATION

Heartworm, a common disease of dogs, is widespread in parts of this country and seems to be on the increase. It is extremely rare in cats and cannot be transmitted to man by pets.

Mosquitoes transmit the disease as they feed on the dog. They introduce the infective larvae of the heartworm into the dog; then the bloodstream carries the larvae to the right side of the heart. There they mature and may survive for years. If not removed, heartworms can impair the flow of blood, damage the heart, lungs, liver and kidneys and eventually cause death.

Symptoms may not appear in the inactive dog until the disease is well advanced. The first sign is usually a cough, especially after exercise or exertion. The cough is accompanied by fatigue and difficult breathing. There are no other signs of respiratory infection (such as discharge from nose or eyes).

Before treatment, the dog should be hospitalized for a complete physical examination and necessary laboratory tests. A microscopic study of a blood sample may reveal the presence of heartworms, though a chest x-ray is sometimes necessary. Early diagnosis is very important.

Treatment is closely supervised and usually successful if the disease is not too extensive. In advanced cases, especially in old or debilitated dogs, treat-

ment may be directed only toward making the patient comfortable; there is supportive treatment for the diseases of vital organs.

Normally, after the initial treatment, your veterinarian will follow up with drugs that eliminate the larvae in the bloodstream. An additional follow-up blood test is recommended after that.

The best way to prevent heartworm disease, if you live in, or visit an endemic area, is to protect your dog from mosquitoes. Keep him indoors when mosquitoes feed most actively, evening and night. We also recommend that you use mosquito repellent sprays on the dog and put certain medicine into his food prior to periods of exposure. In sections of the country where the disease is especially prevalent, it is advisable to give daily preventive medication to the dog. Veterinary examination is a must before the institution of any medical program or prevention.

Red Cross First Aid, CPR Classes

The West Bend Red Cross has scheduled a Multimedia First Aid Class and a Cardiopulmonary Resuscitation Course.

Multimedia First Aid is a coordinated instructional system consisting of a motion

picture film, instructor - led practice sessions, and a programmed workbook to provide the general public with information on how to handle most first aid emergencies. This course meets the Standards of the Occupational Safety and Health Act of 1970.

The Multimedia First Aid class is scheduled for two Monday evenings, July 22nd and July 29th, from 6 to 10 p.m. at the West Bend Marine Bank.

The Cardiopulmonary Resuscitation class (CPR) is a combination of artificial respiration and artificial circulation to assist a person whose heart has stopped beating and breathing has stopped.

The CPR class is scheduled for three Tuesday evenings from 6:30 to 9:30 p.m. starting July 23rd, 30th and completing on August 6th, at the West Bend Marine Bank.

To enroll in either class call the West Bend Red Cross at 334-5687.

Winners in Big Fish Contest

The winners in the final week of Village Sport Shop's Big Fish Contest are as follows:

The Northern category was won by Jeff Cardarelle, Madison. On vacation at his grandparents, Jeff was fishing on the Milwaukee River when he caught the 2.4#, 22" fish.

Elmer Zuehlke, Kewaskum, had the largest Bass for the week. His 3#, 18 1/2" fish was caught on Long Lake using a Beetle Spin.

Walleye fishing was good this week. Two of the fish entered weighed 3 1/2 lbs. These were

caught on Lake Winnebago by Dave Butzke, Kewaskum, and Rosemarie Strebeg, Medford. Chris Reysen of Fredonia however brought in the prize winner from Kettle Moraine Lake. His fish weighed 6.1# and measured 25 3/4." A minnow was used as bait.

Gregg Whitehall, Kewaskum, had the largest fish in the Crappie category. His 15 oz., 12" fish was caught in the Milwaukee River.

WEST BEND COUNTRY CLUB WOMEN'S ASSOCIATION

The 3rd of July was a gorgeous day for the women of WBCC. The event for the day was GROSS SCORE MINUS PUTTS. The winners had the lowest numerical figure after the subtraction. Hostesses Nancy Van Vooren and Rose Johnson got the ladies going on a cheerful note.

Winners were as follows:

18 holes: Class A (0-23 handicap) - Marilou Chapman with 55; Class B (24-32 handicap) - Jill Jackson accrued honors with 59; Class C (33-41 handicap) - LaVerne Alston and Barbara Esenberg tied for the title with 74 each.

Class D (42 and up handicap) - Margie Nielsen waltzed away with possession of 1st with an 80.

9 holes: Class A & B (0-30 handicap) - Phyllis Gonring secured 1st with an honorable 38; Class C (31 and up handicap) - Marge Lockman was the leading registered entrant, having 49.

The JUNE TOURNAMENTS ended on June 30th. Winner of the Marge Allen Trophy for 18-hole golfers was Joan Heying, who defeated Millie Polsen for the honors. Marlene Wegner defeated Ginty O'Meara for the Charlene Rosenheimer Trophy Match Play title for 9-hole golfers. Congratulations go to the winners, runners-up and to all participants of this event.

Dan Sabish got into the swing of things with a 4 bagger to give Thiemer's a 29 to 9 win over Sundance. Oh, yes! You heard of Mike "Rags" Pfeiffer, who has been hitless in May-June. Well, his son Dave "Slugger" Pfeiffer had a home run for Sundance. I wonder who's teaching who?

Amerahn had Randy Fechter and Don Lavernz hit homers to insure a win for Amerahn but so did Hard Times with Tony Batzler and mighty Jeff Schickert bringing in a few more runs to upset the Amerahn, 19 to 12.

HON-E-KOR Ladies Association

Wednesday, July 3, was "Firecracker Day." The class and day event was minus all fours and count putts with a minus four on putts. Low net winners were:

Time Is Short for Farmers To File Crop Acreage Reports

"Time is getting short. Farmers who have not filed an acreage report should do so right away because the final reporting date for spring-seeded crops is July 15," Donald E. Sampson, Director of the Washington County ASCS Office said.

He said all farmers need to report, whether or not they participate in the 1985 acreage reduction and land diversion program. By reporting, farmers establish documentation for future crop acreage bases as well as eligibility for different benefits if they participate in farm programs.

For price support loans, deficiency payments and other farm program benefits, producers are required to report crops and acreages planted, the uses to be made of these crops, and cropland acres to be devoted to the acreage conservation reserve (ACR).

"Time is running out for farm program participants because without an acreage report, they are not really participating," Sampson said. As of July 5th, 46 farmers in the county had reported spring-seeded crops. "We are still looking for about 600 farmers to report their crop acres to our office.

To take the guess work out of crop reporting and obtain accurate acreage measurements, Sampson recommends that farm program participants take advantage of measurement service. The service includes measurement of planted crops, ACR, fields or subdivisions, total cropland and areas for other purposes. Fees vary, depending on type of

service rendered. "The measurements are guaranteed for the program year in which they are taken, and assure farmers that they are in compliance and eligible for full program benefits."

The ASCS official said accurate crop reporting is necessary before the farmer receives 1985 farm program benefits.

Indians Win 3, Lose 2 To Remain 2 Games Back

By John Harju

Kewaskum won three and lost two of their recent E-W conference games, putting their conference record at 7-7 (two games out of first place) and their overall mark at 10-10.

Last Monday, coach Tom Bartelt's Indians won a pair of games against visiting Kiel, first, winning June 18th's game, which was suspended by rain in the fourth inning, 6-2. A bases loaded 3 RBI single by John Donath and the pitching of Tim Rohlinger, who gave up only four hits, highlighted.

In the following regularly scheduled game, the Indians won a crazy 8-6 contest behind the pitching of Don Menzel, who fanned 14 and had a no-hitter going until the seventh inning before issuing two hits. Unfortunately, walks and errors allowed Kiel to stay close throughout the game. In fact, with one out and the bases loaded in the seventh, the score stood at 8-7, Indians, but the Raider who scored took off his helmet before crossing the plate and was called out and the run erased, according to WIAA rules. Rohlinger relieved Menzel with two outs in the final inning to record the save.

Last Tuesday, Chilton won their first EWC game of the year over visiting Kewaskum, 16-15, on a bases loaded single by winning pitcher Dean Criter in the bottom of the seventh.

Chilton came back from a 12-2 deficit to put the score at 15-11 with two outs in their half of the seventh. Then, an error brought in a run, followed by three straight walks by reliever Rohlinger, which tied it at 15-11. Criter then came through with his game winning blow down the right field line.

KHS out-hit Chilton 16-10, but the KHS pitchers (three) walked 13 while the defense committed 7 errors.

Friday's game with New Holstein was postponed because of rain so Kewaskum didn't get back in action until Monday at Plymouth where they won, 7-6, behind a Menzel sacrifice bunt with one out in the sixth, scoring Tim Dettmann who led off the inning with a single.

Menzel, who started and was the winner, then held the Panthers in check for the final two innings, despite giving up two seventh inning walks. Menzel also was the hitting star, going 2x3 with a double and four RBI's.

On Tuesday, Kewaskum suffered a heart-breaking 5-4 loss at the hands of the visiting Two Rivers Raiders.

The Raiders broke a 3-3 tie in the seventh with two runs (only one being earned) off eventual loser Rohlinger to put the score at 5-3 with the Indians coming up for their "last at bats."

Rick Staehler led off with a single, was moved to third on a Bob Yahr sacrifice and a Menzel flyball, and then scored on a Dettmann single, making it 5-4. The next hitter, Tim Geidel, hit a chopper to the second baseman with the ball going off his arm and rolling into right field. Geidel gambled and tried to make it to second, as nobody was covering, but the right fielder flipped to the second baseman on the run and he was tagged out, retiring the side.

The Indians will now try to bounce back Friday evening at home against Campbellsport beginning at 5:30 p.m.

Callison Ousted for Badger State Games

Several area wrestling stand-outs will be participating in the first Badger State Games competition which will be held in Madison, including wrestlers from West Bend and Hartford.

Approximately 50 young athletes from the area competed in one of the regional tournaments held at Hartford High School recently in an effort to qualify.

Kewaskum's Bob Callison, this year's State Freestyle Champion, who recently returned from a wrestling tour in Germany, wrestling in the tough 143 pound weight class was eliminated in an early round of the competition.

The wrestling competition in the Badger State Games, will be held all day Saturday, July 13, in the UW Field House with the finals Sunday morning.

73 Girls Register for Kewaskum Jaycee Summer Basketball School

Kewaskum Girls Varsity Basketball coach Milt Dickinsen is pleased to announce that seventy-three 5th, 6th, 7th and 8th grade girls from the Kewaskum School District have registered so far to participate in this summer's Kewaskum Jaycee Girls Basketball school. The girls pictured attended the first session of the basketball school which started on Monday, June 17th, and ran through Friday, June 22nd.

The second session of the basketball school will start on Monday, July 15th, and run

through Friday, July 27th. The girls meet daily from 1:00 p.m. to 3:30 p.m. in the Kewaskum High School Gymnasium. The primary goal of this school is to introduce the girls to the fundamentals of basketball. Some of the skills taught are shooting, ball handling, dribbling, passing, rebounding and defense. In addition the girls take part in various games and contests.

Because the first session of the basketball school was such a success, Coach Dickinsen is looking forward to the second

session of the basketball school which starts Monday, July 15th, at 1:00 p.m. in the Kewaskum High School Gymnasium. Any girl living in the Kewaskum School District who will be entering or leaving 5th, 6th, 7th, or 8th grade may still register for the basketball school by contacting the Kewaskum High School office. Hopefully, even more girls in the Kewaskum School District will be able to enjoy the benefits of participating in a summer basketball school.

Thiemerdome Thursday Goodtime League

| | | |
|--------------------|---|---|
| Standings 2nd half | | |
| BJ & Co. | 3 | 0 |
| Crass Salvage | 1 | 1 |
| Kennelly | 1 | 1 |
| Thorton & Schaub | 1 | 2 |
| Bartelt Ins. | 0 | 2 |

HIGHLIGHTS

The nickel beers at the VIP Lounge 2 weeks ago really packed the stands for the games. The fans, however, were treated to two very lopsided games. As has been the case this year with the league using a very lively softball and the influx of young players in the league it has damaged the parity of the league and thus the one sided scores. Drastic measures will be taken by the team managers to rectify this for next year.

In the first game BJ & Co. just beat the stuffings out of Bartelt Ins. 20-4. BJ & Co. had so many hits and runs by the 5th inning that their scorers pen ran out of ink. In contrast Bartelt Ins. has been using the same pen for 2 years. BJ & Co. was once again paced by the Schultz Brothers and by lightning quick catcher Tim "Yakker" Smith. David "Weeds" Wietor pitched this game for Bartelt Ins. in relief for Mike "Rags" Pfeiffer. After the game Pfeiffer was recalled from the Boltonville farm club and Wietor was sent by rescue squad to Wood Hospital where he is undergoing treatment for shell shock. The once slick fielding infield of Pearson to Bartelt to Reha lately has looked like Moe to Larry to Curly.

The second game saw Crass Salvage pummel Thorton & Schaub 16-4. Crass was again led by the numerous Crass brothers, Larry, Randy, Blackie, Ricky, etc. By the time

ace relief pitcher Dave "Schauby" Schaub came into the game the game was out of reach.

This week's key game will pit unbeaten BJ & Co. against arch rivals Kennelly Pharmacy for an important 1st place battle. I suggest fans arrive early as good seats will be at a premium.

Special! Rumor has it that local construction conglomerate of Big Bird & Al Martin Inc. are constructing a lavish hotel and health spa across the road from the Thiemerdome. It will feature hot tubs compliments of Lee Kempf, saunas, heated pool, gambling casino and best of all indoor plumbing. The Martin boys indicated they intend to cater to the Thiemerdome fans who hold season tickets for mezzanine and VIP boxes. Negotiations are in process with Backhaus & Buss farms to purchase several acres of land for a corporate jet landing strip. Oil barons and sheiks from Texas and Saudi Arabia are looking for a pastoral hideaway where they can watch some exciting softball, have a few cold beers and some pickled eggs and then top that off with a high stakes game of Baccarat. Fly in Thursday afternoon and fly out Friday morning and willing to pay the price. Who says this isn't the land of opportunity anymore. Big Bird & Allen wanted to make it very clear that there will be special rooms set aside for their buddies.

Attendance 487.

WOMEN'S TEAMS WANTED IN VOLLEYBALL LEAGUE

Any women interested in entering a team in a volleyball league are invited to attend a brief meeting at the Kewaskum American Legion on Wednesday, July 17th, at 6:30 p.m.

Grand Prize Winners in Big Fish Contest

Grand prize winners for the year in Village Sport Shop's Big Fish Contest are listed below:

Northern: Kevin Roesel, Adell, caught May 4, Beechwood Lake, 7.9 lbs., 31 1/2." Won a Sampo Landing Net.

Walleye: Chris Reysen, Fredonia, caught July 5, Kettle Moraine Lake, 6.1#, 25 1/4." Won a Plano 6300 Tackle Box.

Bass: Todd Gnacinski, Adell, caught May 18, Mauthe Lake, 4.1#, 21." Won an assortment of Whizkers Essence.

Crappie: Blake Rodenkirch, Kewaskum, caught May 28, Haacks Lake, 21 oz., 14 1/4." Won a Mepps Killer Kit.

Bluegill: Erik Kral, Kewaskum, caught May 19, Willow Flowage, 16 oz., 10." Won a Berkley Cherrywood Fly Rod.

Village Sport Shop would like to thank everyone who took time to bring their fish in for weighing. It is very interesting to note this year's prize winners were young people. It is good to see their enthusiasm for the sport. If prizes were given for enthusiasm and pride in their catch, it would have to go to young Cory Enright, who very proudly brought in his 6# carp for weighing.

Congratulations to all winners. Hope to see you next year.
