Woman Slain at Wayne Tavern

Dick and Lindy's Tavern in Wayne, Town of Wayne, where Melinda M. Jaeger was slain Tuesday night. (Chuck Vogt photo)

The Washington County Sheriff's Department confirmed Wednesday morning that Melinda M. Jaeger, 71, was shot and killed Tuesday night in her living quarters behind Dick and Lindy's Tavern, 5685 Hwy. H, in Wayne, which is located about five miles west of Kewaskum. The body was found at 9:37 p.m. The victim reportedly died of a gunshot wound to the head.

A 51-year-old male suspect, Richard Bonenfant of Wayne, who lives at the Jaeger residence, was charged with the shooting death later on Wednesday. He is being held in custody in connection with the incident by Washington County Sheriff's authorities.

The sheriff's department at first withheld the suspect's name until his initial appearance in court on Wednesday.

Wayne is an unincorporated community near the Fond du Lac - Washington county line, in Washington County.

An autopsy was to be performed by Washington County Coroner Robert Boltz at an area funeral home. He said Mrs. Jaeger was found on her bed, fully clothed. Boltz said she apparently had been shot once in the head with a .22 caliber rifle.

Mrs. Jaeger had owned and run the tavern for many years. Her husband, a barber, died some years ago.

It was reported to be the first time in memory someone had been slain in the Village of Wayne.

Canoe Launch Area Under Consideration

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board discussed a proposal from the Department of Natural Resources for the development of a canoe launch in River Hill Park, during its meeting Monday night.

The DNR's plan calls for construction of a launch south of the dam and a spur to the north.

Village Administrator Dan Schmidt said the work and \$14,000 in funds would come from the DNR. The money comes to the village as a result of fines to Kemp's Dairy when it had a spill into the river last year.

Schmidt said there would possibly be some asphalt work

done down along the river near County Highway H, to provide parking and another launch point for canoeists. All work would be done by the DNR and the launch turned over to the village if it votes to accept the plan.

The board also discussed the possibility of an archery range for the park. Schmidt said the insurance aspect did not make the idea very favorable. He noted, however, that the village is checking with two communities who have ranges to see how they have worked out any problems.

In other action, the board approved four bartender licenses, a building permit, and a Class B malted beverage

license for Landmark Inn.

The board also approved a procedural change for future meetings. Hereafter Village Board meetings will open with the Pledge of Allegiance and a moment of silence before going into the business agenda.

Bohn Re-Elected

Gene Bohn of the Kettle Moraine Agency, Kewaskum, was re-elected Secretary of the Professional Insurance Agents of Wisconsin, Inc., at their just completed 36th Annual Convention at the Grand Hotel, Mackinac Island, Michigan. Bohn's dedicated service was acknowledged at the annual meeting, and he has the distinction of serving in this capacity longer than anyone else in the past.

Action on Closed Campus Tabled

Board of Education Approves Director of Instruction Position

By GERRY MUELLER
Statesman Staff Writer

Five of the six Kewaskum Board of Education members attending Monday's meeting voted for the hiring of a Director of Instruction with a three-year contract at an annual salary of up to \$32,000 a year. The responsibilities of the Director will include coordinating of all district academic programs from the elementary level on up through the middle school to the high school.

The only member to vote against the motion was Perry Ankerson who noted it did not seem a good time to hire another person when the board was looking for ways to reduce costs in the district. Ankerson told the meeting, the only way I can see reducing is eliminating programs and personnel.

Board member Jean Goeden stated she felt, in the long run, the position will pay for itself. Another board member, Neal Weare, said he felt that if the district had a coordinator three or four years ago, the district would not be in the position it is now.

Jerry Buchel, a resident, voiced his approval of the board's action noting several of the board's committees had made similar recommendations over the last few years.

Following action on the Director's position, Goeden made a motion to table hiring of a social worker. Goeden said, in talking with the new District Administrator Penny Kleinhans, it was felt hiring a social worker should be put off until

spring. Goeden indicated that, in discussing the position with Kleinhans, the situation would be looked into with the possibility that the new Director of Instruction could handle coordination of the drug program, and, there would then be the possibility that a full time social worker would not be necessary.

Goeden did not include in her motion the \$5,000 approved for further training of teachers for the program. She felt the funding of costs for the added training of teachers should go ahead as planned even without the social worker.

High School Counselor David Wietor told the meeting if the social worker was tabled he would rather see the whole motion tabled. Goeden did not agree with Wietor's comments and withdrew her motion. Ankerson then motioned to discontinue the program for further study by the District Administrator, however, his motion died for lack of a second.

The bottom line appears to be that the original motion to hire a social worker and fund teacher training still stands. Goeden indicated in a phone conversation Tuesday morning, that she felt on that basis the position could still be posted and filled by the start of the semester. Business Manager Cherna Gorder said that while the position had not been dropped or tabled, Kleinhans may hold off filling the post until late Fall after she has had an opportunity to complete her study.

In other business, the board

Regal Acquires Capital Stock of Canadian Co.

Regal Ware, Inc., Kewaskum, has announced that a letter of intent has been signed whereby it will acquire the capital stock of Culinaire Regal, Inc. of Baie d'Urfe, Quebec, Canada held by Coronet Housewares, Inc.

Culinaire Regal, Inc. will operate as a wholly-owned subsidiary of Regal Ware, Inc. It will continue to manufacture and market stainless steel cookware. It will also handle the Canadian distribution of cookware, kitchen appliances and microwave cookware produced by Regal Ware, Inc. at its U.S. facilities.

There are no immediate plans for personnel changes at Culinaire Regal, Inc. Regal's management will actively

participate in the management and sales of the Canadian company.

Regal president, James D. Reigle, stated, "We believe this move will provide the support necessary to establish Culinaire Regal as the full service housewares source for the Canadian market."

Regal Ware, Inc. is a closely-held, multi-plant U.S. housewares manufacturer established in 1945 and based in Kewaskum. The company produces a wide assortment of rangetop cookware, ovenware, portable appliances and microwave cookware. Regal products are marketed throughout the United States, Canada and in most of the free world.

The Kewaskum Elementary library will be open on July 22, July 29, and August 5, from 7:00 to 9:00 p.m.

NOTICE

The Farmington Summer Library for Monday, July 22, is canceled. It will reopen on Monday, July 29.

Lions Club Paper Drive

SATURDAY, JULY 20

All paper or cardboard must be on the curb by 9 a.m. tied in bundles, packed in boxes or bags. No waxed paper or boxes, please. This drive is conducted every third Saturday of the month.

Money Used for Local Projects

The D. J. Martin Post #8 of Waukesha honored James Staehler at a dinner on June 12th and presented him with a plaque for the Citizens Award for Bravery. Staehler, of 417 N.

Grandview Blvd., a Waukesha firefighter, assisted at a six-car accident while off duty.

His wife Sharon and Mr. and Mrs. Stan Dirks of Kewaskum were also invited guests at the

dinner.

James is the son of Mrs. Joan Dirks and the late Alois Staehler Jr. Presenting the award is Florence Letts, the Commander of the Post.

School Bd.

(Continued on Page 3)

discussed a Policy Committee recommendation to institute a closed campus at the high school. After some discussion, High School Principal Leroy Kopecky and Assistant Principal Roy Esser became somewhat reluctant to have the board act on the recommendation.

Kopecky told the board he would like to look into more options before the board made any decision. Esser said he would like more time to study the recommendation since he had been hospitalized and he said he was not up on everything.

Residents whose properties border or are near the high school were annoyed by the lack of action. John Stephani said the problem is not new and has not changed. Last year a petition was presented to the board, said Stephani. We were thanked for our time and trouble and that was the last we ever heard.

John Schultz, another high school neighbor, told the board, "I've lived in my home for thirteen years and every year there have been problems." He cited instances of students openly smoking dope and passing it to other students. Schultz said the language was also so terrible he couldn't leave his children out in his yard during lunch hours. "I've been to meetings with Roy Esser, the village and the police and we still haven't gotten any action," said Schultz.

Craig Hubbell, a student

government representative, said his recommendation was to gradually phase in a closed campus, a procedure which is being used in Oshkosh. The first year the campus would be closed for freshmen, the second, freshmen and sophomores, the third, freshmen, sophomores and juniors and the fourth year freshmen, sophomores, juniors and seniors.

Board member Neal Weare, who chairs the Policy Committee, said the recommendation had been presented to his group but he was not in favor of it. "The plan would make the school's neighbors suffer another three years and I think they've suffered enough already," said Weare.

In checking with local businesses, Weare said he was told by the owner of J-N Liquor that he did not want the students coming down to his store and sitting on the steps. In a conversation Tuesday, Weare said he had also checked with Rich Bechler of Rich's Foods. Rich has indicated that if that was the action Jim Boegel wants to take then he would go along with it too, said Weare.

The board voted to table action on the closed campus recommendation and discuss it again at next month's meeting.

The Policy Committee has scheduled a meeting for Wednesday, July 31st, at 7:00 p.m. in the Administration Offices to discuss further its recommendation of closing the high school campus.

Perry Ankerson, Chairman of the Finance-Transportation Committee, advised the board that his group voted against a recommendation to

repair the tennis courts. Ankerson said before any repaving was done it should be determined as to what is causing the problem. It doesn't pay to spend \$17,000 to \$19,000 and two years from now have the same situation, said Ankerson. Buildings Superintendent Fred Boehlke said he was trying to get someone in to look at the courts.

The board also approved a

bid of \$43,059.00 from Haug Roofing for roof repairs at Farmington Elementary.

After a brief discussion, the board voted 6-0, to change the official starting time of School Board meetings from 8:00 to 7:00 p.m. effective with the August meeting. Kim Peterson was out of town and did not attend Monday's meeting.

The board then moved into closed session.

Samaritan Home Plans Craft Fair And Cookie Walk

The Samaritan Nursing Home of Washington County does fund-raising throughout the year to help purchase special equipment and provide the county's poor and elderly with such things as a wheelchair bus, large screen T.V., a player piano, and more. They are now working on the completion of the Nature Trail, which is located in back of the Samaritan building. When completed, it will amble down to the Milwaukee River, providing a beautiful place for the Samaritan's residents to enjoy the wonders of nature and the outdoors.

To help reach their goal to complete the trail, the Samaritan is holding a "Back to Nature" Craft Fair and Cookie Walk. The Craft Fair and Cookie Walk will be held on Sunday, September 8th (9 to 4) on the spacious county grounds across from the County Court-

house on East Washington Street in West Bend. **DISPLAYERS ARE NEEDED.** For more information, please contact the Samaritan Volunteer Service Office at 338-4500.

Lip Sync Contests At County Fair

The Washington County Junior Fair is sponsoring two Lip Sync Contests at the 1985 fair. All youth, 14 and over are invited to enter the contest on Wednesday, July 24, at 8:30 p.m. and youth between 10 and 13 years of age are invited to participate on Friday, July 26, at 1:00 p.m.

Pre-registration is required by July 23. To register for the Lip Sync Contests, contact the Fair Office, Court House Annex II, 515 East Washington Street in West Bend or call at 338-4485, 644-5204 or 342-2929 to have an entry form sent to you.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the older days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Annual picnic and parade was held in Kewaskum last weekend. Obviously picnics and parades were held in the village for many, many years. This photo shows the L. Rosenheimer Malt & Grain Co. employees float crossing the railroad tracks on Main Street back in the 1912 parade. Note the wooden planks between the rails and the H. J. Lumber Co. buildings and old depot in the background. (Photo submitted by Elsa Stautz)

Surplus Food Distribution At High School Saturday

Washington County has received surplus commodity food items that will be distributed to eligible households on Saturday, July 20, between 9 a.m. and 11:30 a.m. at the following seven locations.

West Bend, St. Frances Cabrini Church, 615 Hawthorne (lower level parking lot); Hartford, Municipal Recreation Department, 525 N. Main St., Germantown, Senior Activity Center, W162 N11960 Park Ave.; Slinger, Village Hall, 220 Slinger Road; Allenton, Addison Town Hall, Village of Allenton; Kewaskum, Kewaskum High School, north entrance; and Jackson, Jackson Fire Department, S. Jackson Dr.

obtaining commodity foods more than once during this distribution period. Violators will be referred to the district attorney. Also, these products may not be sold, traded or given away by any member of the recipient household.

Although no income verification information is required, a self declaration form must be signed by the recipient and is subject to state audit.

This program is being coordinated by the Washington County Department of Social Services, and handled locally by various volunteer groups in each community.

Kewaskum's distribution is jointly handled by Kewaskum Kiwanis and FFA.

Eligibility is based on the current monthly gross income (before taxes) of all household members with the following limits; Household size 1, income limit \$623; 2, \$840; 3, \$1,058; 4, \$1,275; 5, \$1,493; 6, \$1,710; 7, \$1,928; 8, \$2,145.

Eligible household will receive butter and processed cheese. In addition they may choose one of the following: honey, cornmeal, flour or dry milk in amounts which will vary per household with availability of commodities and household size.

Persons are prohibited from

Approval Requested From DNR to Revise Sanitary Sewer Service for Allenton Area

MADISON, WI — The South-eastern Wisconsin Regional Water Commission (SEWRPC) has requested approval from the Department of Natural Resources to revise the sanitary sewer service area for the Allenton Area in Washington County.

The plan amendment will most likely prompt construction of sewer extensions into the expanded sewer service area.

There is no "cost" for the plan per se. It was prepared as part of SEWRPC's annual contract agreement with the Department.

The Department has made a preliminary determination that an Environmental Impact Statement will not be required for this action.

Copies of the Department's Environmental Assessment that led to this preliminary determination can be obtained

from: Al Shea, Bureau of Water Resources Management, DNR, P.O. Box 7921, Madison, WI 53707. Telephone: (608) 266-2554.

Public comments on the proposed project are welcomed and should be received by Al Shea no later than 4:30 p.m., Friday, July 26, 1985. These comments can take the form of either verbal or written communication.

It's thought that the use of engagement and wedding rings began as a Roman custom.

Schmidt - Baker

Mr. and Mrs. Richard A. Schmidt, Town of Wayne, are happy to announce the engagement of their daughter, Barbara Ann Schmidt to Timothy R. Baker, son of Mrs. Rosemary Stassi, Madison.

Tim and Barb both reside in Chicago, Illinois. Barb is a secretary at the law office of Vedder, Price, Kaufman and

Kammholz, Chicago. Tim is employed at O'Connor and Associates, Chicago Board of Trade, as a computer programmer.

Their wedding date is October 26, 1985.

Delegates from Area Attend Synod of U.C.C.

AMES, IA — Like a family on retreat, delegates to the 15th General Synod of the United Church of Christ joined hands last week in the closeness of Iowa's heartland to reach out to the world with a vision of peace, justice and spiritual renewal.

Attending the Synod from this area were Robin Hron, Immanuel Church, U.C.C., West Bend, and Shirley Birkholz, St. John's U.C.C., Boltonville.

The 700-plus delegates approved "spiritual renewal" and "justice and peace" as mission priorities for the next four years. In a pronouncement building on peace actions from earlier Synods, delegates voted to affirm their 1.7 million member denomination as a "just peach church." The Rev. Dr. Avery D. Post, who was re-elected president of the denomination, called the pronouncement "fundamental to the identity of the United Church of Christ."

Spirituality dominated the meeting more than any in the memory of veteran delegates. Spending six days together on the campus of Iowa State University, delegates and visitors flocked to daily worship services in the Stephens Auditorium, a dramatically contemporary structure with a swept-up roof reaching for the blue Iowa sky.

The Rev. Jesse Jackson got the Synod off to an emotional start opening night as part politician and full-time preacher, right down to an old-fashioned alter call. Jackson

told the delegates that "our souls are in trouble tonight. If our souls get well, so will our society."

The United Church of Christ is a 1957 union of the Evangelical and Reformed Church and the Congregational Christian Churches. Its General Synod meets biennially to set policy for the denomination.

Chuck Wagon Dinner At the County Fair

Plan to buy your tickets by July 19 for the 1985 Washington County Junior Fair Chuck Wagon Dinner.

The dinner will feature mouth watering barbequed ribs and chicken, potato salad, baked beans, fruit, relishes, rolls, cake and coffee.

The Washington County Extension Homemakers will be sponsoring the dinner on Wednesday evening, July 24, from 5:00 to 7:00 p.m. Tickets are available from Extension homemaker members and at the County Fair Office, Court House Annex II, 515 E. Washington Street in West Bend at \$5.00 for adults and \$3.00 for children under 10 years.

Other events planned for the evening of the 25th include a children's parade at 6:00 p.m., Fairest of the Fair Contest at 7:30 p.m., Lip Sync Contest at 8:30 p.m. and a Fireworks Display at 9:30 p.m.

Plan to attend the 1985 Washington County Junior Fair for fun-filled activities.

An Explanation of the Annual Meeting and School Taxes

By Ms. Penny Kleinhans
District Administrator

Voters in the School District of Kewaskum will have an opportunity to provide their opinions on the 1985-86 school district budget at the annual meeting at 8:00 p.m. on Monday, July 22, 1985.

The budget hearing will be held as part of the annual meeting of the school district. Both will be held at the Kewaskum High School.

Through prior experience, I have found that many school district residents have questions about the powers of the annual meeting in the school budget process. I trust the following information will be valuable to Kewaskum School District taxpayers.

At the budget hearing, taxpayers will receive an explanation of the proposed 1985-86 budget and their opinions and input will be welcomed. By State law, electors at the annual meeting have the power to adopt a tax levy, which is the amount of tax dollars needed to operate the school system for the coming year.

However, State law also provides that on or before October 15, 1985, the School Board must certify the amount of taxes needed to operate the system for the 1985-86 school year (S. 120.12(3)).

That was placed in the State Statutes to allow the School Board to make necessary adjustments to the tax levy approved by the annual meeting if the amount was either insufficient or excessive.

So, in reality, the opinion and judgements of the electors at the annual meeting are highly valued, but it is the School Board, on or before October 15, 1985, that must make the final decision on the tax levy. In many cases, however, the School Board simply reaffirms the judgements made at the annual meeting.

Another real problem for taxpayers is understanding Wisconsin school taxes. The terms "equalized" and "assessed" valuation are used freely, but seldom are they explained in terms we can all understand. Maybe an illustration of the 1984-85 school district tax rate would be helpful:

June and Don are good friends. They live in the Kewaskum School District and both own exactly the same amount of property (\$70,000).

But, June lives in the Village of Kewaskum, while Don lives in the Town of Wayne. Neither understands how their school property tax is computed; in fact, each suspects they pay more than the other.

June went to the Village of Kewaskum assessor. She found that her \$70,000 worth of property was assessed at 101.06%. She found that this was fair because everyone else's property in the Village of Kewaskum was also assessed at 101.06% of its worth.

Don's \$70,000 worth of property was assessed at 84.72%. This was fair, too, because everyone's else's property in the Town of Wayne was also assessed at 84.72% of its worth.

When June and Don got together and went to the Kewaskum School District assessor, they found there was none. "Well, who assesses for school taxes?" they asked. "Surely, they can't use the same assessment as the Town of Wayne and the Village of Kewaskum, because they differ."

From the district administrator, they learned that long ago this problem was recognized by school authorities. They learned it was solved by "equalizing" (adjusting each community's assessments to approximate actual value on a Statewide basis by the Wisconsin Department of Revenue).

This, then, is what is known as "equalized valuation." "How are individual school taxes computed from this figure?" Don asked.

The district administrator provided them with a short-cut method of estimating school taxes that works very well. "It's based on the assumption that the market value of your property should be the same as its equalized valuation," she said. "Therefore, you can simply multiply what you estimate your property might sell for by the mill levy calculated on the equalized valuation to estimate your school taxes."

Let's see if June and Don paid the same amount of school taxes:

TAX COMPARISON

Dollars of School Tax Levy	\$3,220,287
District's Equalized Valuation	282,055,761
Factor (\$3,220,287 ÷ 282,055,761)	11.417 mills
	(1/10 of a cent or \$11.417 per \$1,000 equalized valuation)
Short-cut: \$70,000 estimated property tax x 11.417 mills	\$799.19 tax

JUNE'S TAX (Village of Kewaskum)

Village's State equalized value	57,006,100
Village's share of levy (\$57,006,100 x 11.417 mills)	650,850
Local assessed value of all property (101.06% of equalized)	57,610,365
Village's mill rate for school purposes (\$650,850 - 57,610,365)	11.297 mills
June's assessed value (\$70,000 x 101.06%)	70,742
Taxes paid for school purposes (\$70,742 x 11.297 mills)	\$799.19 tax
(\$70,742 x .011692)	

DON'S TAX (Town of Wayne)

Town's State equalized value	48,258,529
Town's share of levy (\$48,258,529 x 11.417 mills)	\$550,977
Local assessed value of all property (84.72% of equalized)	40,884,626
Town's mill rate for school purposes (\$550,977 - 40,884,626)	13.476 mills
Don's assessed value (\$70,000 x 84.72%)	59,304
Taxes paid for school purposes (\$59,304 x 13.476 mills)	\$799.19 tax
(\$59,304 x .013476)	

It can be seen from these examples that both Don and June did pay the same amount of school taxes. The equalization process makes the tax rate throughout a school district the same even though the various municipalities within the district are assessing at different levels. The examples given also showed Don and June why the comparison of mill rates between various communities and districts isn't always a reliable measure of costs.

Note: Calculations may not be exact due to rounding of decimal place.

Discussion of the 1985-86 Proposed School Budget

By Cherna A. Gorder
Business Manager

The electorate will be asked to approve a budget of \$6,647,637 for general operations and \$70,223 for debt service at next Monday evening's Annual Meeting. The amount for general operations will represent a 13.85% increase over the 1984-85 budgeted expenditures and a 12.74% increase over 1984-85 actual expenditures. The amount for debt service (long-term debt) represents a decrease of 22% from last year's budget.

Approximately 8% of the increased costs for 1985-86 are due to new programs and additional staff. New programs to the budget include: Olympics of the Mind, Academic Decathlon, middle school girls' volleyball, middle school Spanish, a \$14 per pupil expenditure for library books, a reading textbook adoption (\$24,000), in-service programs for teachers (\$5,000), and employee recognition awards. Increased staffing includes: additional time for high school personnel in the mathematics, home economics, and business education areas, two classroom aides, an administration clerical position and a Director of Instruction.

There is a 5% increase expected for transportation costs which will amount to about \$22,000. Equipment, replacements and additions include 20 typewriters for business education classes, a lathe (vocational education), a copier, additional computers for classroom use, and vehicle replacement.

Additional new costs to the budget include: crossing guards and village landfill charges (estimated at \$6,000 and \$1,600 respectively), as well as Kewaskum's share of the new CESA building (\$5,000).

\$72,181 are added new dollars for insurance over last year's budget as the insurance had previously been prepaid. Also, insurance costs have gone up considerably this year.

The combined costs for salaries and fringe benefits accounts for 73 per cent of the total budget. These are basically fixed amounts in each year's budget, regulated by the labor negotiations process. Currently the district has no salary settlements with six of the seven member administrative team, teachers, or support staff. The budgeted increase for salary is approximately 5 per cent plus an additional 3.69% to cover new positions and \$45,000 for teacher lane changes.

Fringe benefit costs show an increase of 14 per cent. This is due to projected increases in insurance costs (5 per cent), increased employee participation, and additional personnel.

The General Fund (10) was required to transfer approximately \$15,000 to the Food Service Fund (50) this past year to cover clerical and custodial costs that were improperly charged to it. For the coming year these costs will be an addition to the budget.

No major building repairs or remodeling projects are in the proposed budget. There is approximately \$70,000 left in the Capital Projects Fund (40), for these types of projects. The School Board has indicated that in deliberation after the Annual Meeting, they will be looking at the possibility of obtaining more long-term debt to repair buildings and replace obsolete equipment.

Another area of considerable concern for the district is declining enrollment. We have 76 fewer students than last year. The impact of this on the budget will be that we will receive approximately \$130,000 less in various state aids. All revenues, excluding taxes, will decrease approximately 2 per cent due to declining enrollments. This trend is expected to continue for the next few years.

Only 59 per cent of taxes were collected this past year. This means that the district had to borrow more money to meet current operations expenditures. Interest paid out on short-term loans was \$5,360 in 1983-84, and approximately \$23,000 (accrued) for 1984-85. Fund equity has also declined from \$629,000 to \$585,000 as of June 30, 1985.

An interesting fact to point out is the impact that tax collections have on the levy: if 100% of taxes were collected, the levy would decrease approximately 42.8% to a mill rate of \$7.40 per thousand dollars compared to a projected mill rate of \$12.93 per one thousand dollars with the deferred taxes situation.

In order to offset an initial 26 per cent increase in the mill rate, the School Board has directed that \$250,000 of the \$585,000 of general fund equity be used to reduce the general fund levy. This will result in a levy increase of 13.22% which includes the state school property tax credit.

Exercising in The Summer Heat

By Joan Hanrahan
Summer Home Economist

Whether you're training for a marathon or working in your garden, exercising in the summer heat requires special precautions.

Always make sure you take in enough fluids. Before you exercise, drink plenty of water throughout the day. The added fluids give you something to sweat off.

People drink a lot of pop, beer, or lemonade in the summer, but water is the best thing to drink. If you prefer something else, natural fruit juices are better than commercial fluid replenishers which can cause an electrolyte imbalance.

Adding salt to your diet during periods of strenuous exercise probably isn't necessary because you take in so much in prepared foods. Just let your own taste buds tell you whether you need salt; you'll get all you need at meals.

Many people wear too many clothes when they exercise. Some who are overweight may try to cover up with sweatsuits or other clothing; others wear sweatsuits to sweat off weight. Anything that you sweat off is water weight and comes back quickly as soon as you drink. Dress as light as possible.

To avoid overheating, exercise early in the day. Many people exercise right after work, but 4:00 to 6:00 p.m. is the hottest time of the day. If you have to be out during this time, slow down a little and give yourself time to get used to the heat.

Try to do your lawn and garden work during a cooler time of day as well. If that's not possible, don't set a time limit to get the job done. Take frequent breaks to rest and drink fluids.

If you feel light-headed while exercising or feel you're unable to sweat, slow down, find a cool place, get some water, and take it easy. Don't sit down immediately; it's best to keep moving to keep your blood circulating. If you're in a local race, find the emergency staff and explain how you're feeling, especially if the symptoms are unusual for you. Let them decide if you need additional medical help.

Area Students Attend Natural Resources Career Workshop

Washington County residents Iracie Ann Gerholt of 628 Imperial Court, and Dean Jurs of 1008 N. 18th Ave., each of West Bend, as well as Kyle Vogt of 1914 Trails End Lane, Kewaskum, are attending a week-long session of a natural resources career workshop at the Central Wisconsin Environmental Station near Nelsonville this summer.

Each student has received a \$140 scholarship from the 25 Sportsman's Club of Richfield. The scholarships were given in memory of Scott Zernia, the 14-year-old son of Darryl and Patricia Zernia of 1234 Oakwood Manor Drive, Hubertus, who was killed by a hit-and-run driver. Zernia was a member of the 25 Sportsman's Club.

The workshops are sponsored by the University of Wisconsin-Stevens Point and the Wisconsin Department of Natural Resources. Three one-week sessions are attended by approximately 150 high school students from the Midwest. The workshops focus on career possibilities and give students a wide range of field experience in the areas of natural resources and environmental protection. Participants are involved in many facets of natural resources including forestry, fire control, fish and wildlife management, park services, environmental standards and law enforcement.

Environmental organizations and sports and conservation clubs throughout Wisconsin lend their support to the workshop through financial scholarships in varying amounts to qualified and deserving high school students interested in natural resources. Dates for the three workshops are June 9-15, July 7-13, and August 11-17. Information about the workshops can be obtained by writing the Central Wisconsin Environmental Station, 7290 County MM, Amherst Junction, WI 54407, or calling (715) 346-2028 or 824-2428.

Gruyere is a variation of Swiss cheese with a slightly sweeter flavor due to natural flavoring enzymes. No coloring or bleached milk is used, as may be the case with some Swiss cheeses.

Kewaskum FFA Members Attend State Convention; Receive Awards

Jon Etta, Gary Butzlaff, Keith Bartelt, Brian Ruplinger, Bev Schulz and Joel Junk attended the 56th annual State FFA Convention at the American Baptist Assembly near Green Lake, June 11-13. Ruplinger and Junk were official delegates for the Kewaskum FFA Chapter. Joel was also awarded a trophy for his continual work in Wildlife

Conservation. He received a bronze rating out of nine finalists.

Butzlaff attended the three star presidents recognition breakfast which is given to outstanding presidents in the FFA chapters. Gary along with Jim Herriges received the State Farmer Degree, the third highest degree in the FFA. The next step for Jim and Gary is

the American Farmer Degree, the highest the FFA degree bestows upon FFA members.

Bartelt was a finalist in the FFA Creed Speaking contest but was edged out by two other finalists. Keith has a lot to be proud of making it to the state finals consists of a lot of hard work. Shulz was selected to play in the state FFA band and had the honors to introduce the state

FFA officers at each session.

Etta was named winner of the State FFA Swine Production Proficiency. His swine operation has increased to a farrow-finish enterprise. Jon has captured many prizes with his hogs. He was also recognized with a plaque for his continual work with computers.

The Kewaskum Chapter was awarded by receiving a silver

rating in the National Chapter Programs. Kewaskum received a gold rating in the Safety Program and a silver rating in Building Our American Communities (BOAC).

Over 2000 FFA members, guests and advisors attended the convention. The Kewaskum Chapter has much to be proud of, both as a chapter and individual accomplishments.

Shown above, left to right, are, front row: Keith Bartelt, Creed Speaking Finalist, and Brian Ruplinger, Official Delegate. Back row: Joel Junk, Official Delegate; Jon Etta, State Swine Production Proficiency winner, and Bev Schulz, State FFA Band member.

Receiving his Wisconsin Farmer Degree is Gary Butzlaff, right. Gary also was recognized as a three star president throughout the state and his next step is the American Farmer Degree.

Jon Etta right, receiving the State Proficiency Award in the field of Swine Production. Jon has captured numerous awards with his swine enterprise.

Joel Junk [right] receiving his trophy for his continual work in the field of Wildlife Conservation. The award is given by the Wisconsin Game Preserve to recognize youth involved in preserving wildlife.

Many people believe it good luck to be born with teeth.

Volm - Bastian

Dawn Pamela Volm and Robert Charles Bastian were united in marriage on March 23, during a 1:30 p.m. ceremony at Holy Trinity Catholic Church, Kewaskum. Father Robert Berghammer officiated.

Music for the ceremony was provided by the organist, Sherry Harmon, and the soloist, Debbie Volm, sister-in-law of the bride.

Parents of the couple are Mr. and Mrs. Carl M. Volm, 4630 Hwy. H West, Kewaskum, and Mr. and Mrs. Harvey C. Bastian Jr., 1262 East Green Lake Dr., West Bend.

Donna M. Weiss, Kewaskum, sister of the bride, served as matron of honor. The bridesmaids were Vicki Kabat, Menomonie, friend of the bride, Sharon Beal, Kewaskum, sister of the bride, Laura Rank, West Bend, friend of the bride, Sandi Bastian, West Bend, sister of the groom, and Joanne Arndt Fredonia, friend of the bride. Sara Bernel, niece of the groom, was the miniature bride.

Jeff Bastian, Kewaskum, brother of the groom, was chosen as best man. The groomsmen were Kevin Bush and Eric Waters, West Bend, both friends of the groom, Steve Volm, Kewaskum, brother of the bride, Mark Dahlinger, Campbellsport, cousin of the groom, and Randy Stark, West Bend, friend of the groom. Jerod Weiss, nephew of the bride, was the ring bearer.

Ushering duties were shared by Gary Volm, Allenton, brother of the bride, and Jim Bernel, West Bend.

A reception, dinner and dance was held at Amerahn, Kewaskum, following the ceremony.

The bride, a 1981 graduate of Kewaskum High School, also graduated from Moraine Park Technical Institute, where she studied Restaurant and Hotel Management - Food Service Assistant. She is employed as manager of Kentucky Fried Chicken. The groom, also a 1981 graduate of Kewaskum High School, is employed as route driver for Seven Up Bottling of West Bend.

The newlyweds spent their honeymoon in Kentucky,

Tennessee and the southern states. They are residing at 1290 Wayne Rd., West Bend.

Annual Picnic a Success in Spite of the Heat

Although the temperature soared into the low 90's Sunday afternoon, the annual Kewaskum Firemen-Legion Picnic and Parade held over the weekend attracted thousands and the event was again termed a success.

On Saturday evening a fine crowd was on hand to listen and dance to rock and country music and enjoy the games, amusements, food and refreshments.

Sunday noon's excellent parade featured many beautiful floats, five marching bands, bands on trucks, baton twirlers, novelty and military units, clowns, drill teams, children's specialties, comic entries, visiting fire departments, scouts, little leaguers, and many other units. The theme of this year's parade was "In the Good Ol' Summertime." Following the parade there were performances by some of the bands in the park.

Music by four bands on the bandstand and in the beer garden provided entertainment during the afternoon and evening.

A six o'clock water fights were held with 10 surrounding fire departments competing for trophies. The winners were: Juneau, first; Waubeka, second, and Campbellsport, third.

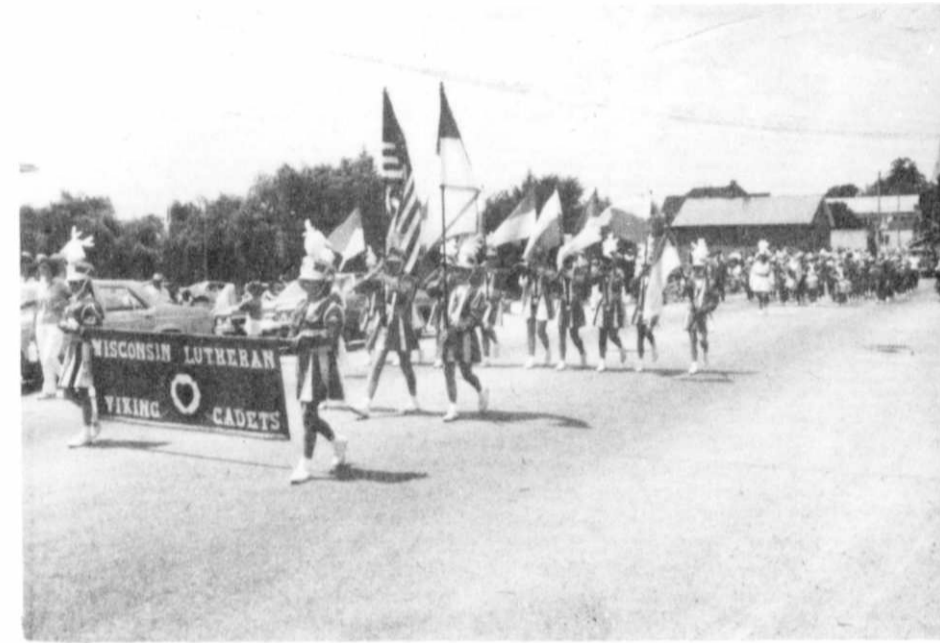

Following is a list of the winners in the float and children's categories in the parade:

Floats — 1. My Little Friends Day Care; 2. Family Hair Salon; 3. Kewaskum Sno-Chiefs; 4. Troop 744, Kewaskum Boy Scouts.

Children's Specialties — 1. Dorn kids on bike pulling wagon; 2. Clown on bike with green and white decoration - Brian Weinfurter; 3. Pat Schmidt - Schmidt's Never Inn; 4. Boy on bike decorated with American flag and red, white and blue crepe paper.

Third place float - Kewaskum Sno-Chiefs

Wisconsin Lutheran Viking Cadet marching band of Milwaukee

Numerous clowns enjoying refreshments after the parade

First place float - My Little Friends Day Care Center

Regal Ware float - Regal does not enter the competition for a prize

New Fane Kettle Riders float

NEW OFFICERS — Seven new Kewaskum FFA officers have been selected to serve the 1985-86 year. The new officers duties are to conduct monthly meetings and serve the Kewaskum FFA Chapter and Community.

These seven people shall lead the over 100 plus strong members in the upcoming school year. The officers are left to right, row 1: Renee Kapp, Reporter; Bev Schultz, Sentinel; Row 2: Joel Junk, President; Doug Enright, Vice President; Joe Schmitt, Treasurer; Todd Steger, Historian; and Jim Schulz, Secretary. The new officers will be guided by their advisor and agriculture teacher, Dave Rizzardi.

Obituaries

MRS. VERA SPRADAU

Funeral services for Mrs. Vera M. Spradau, 63, of 327 Washington St., Campbellsport, will be held Thursday at 8 p.m. at St. Matthew's Church, Campbellsport.

The Rev. Victor Kemmer and the Rev. Walter Morgan will officiate. Burial will be Friday morning in the parish cemetery.

Friends may call Thursday from 3 to 7:30 p.m. at the Twohig Funeral Home, Camp-

bellsport.

Mrs. Spradau died Wednesday, July 17, 1985, at St. Agnes Hospital following a lengthy illness.

She was born Feb. 8, 1922, in Waucousta, a daughter of Eugene and Mathilda Polzean Ford. She was married to Eldon Spradau on March 20, 1943, at St. Matthew's Church, Campbellsport.

She had been employed by Gilbert's Shoe Co. in Campbellsport. She was a member of St. Matthew's Church and its Christian Mother's Society.

Survivors include her

husband; one daughter, Mrs. David (Cheryl) Schellhaass of Campbellsport; one son, Thomas of Downers Grove, Ill.; and six grandchildren.

She was preceded in death by her parents and two brothers.

BERNADETTE I. LUEDTKE

Bernadette Irene Luedtke, nee Bartz, 70, of 475 Meadowbrook Drive, West Bend, died Friday, July 5, at St. Joseph's Community Hospital, West Bend.

She was born Oct. 4, 1914, in

Chippewa Falls, to William and Mary Haley Bartz, and married Jesse Luedtke April 29, 1937, in the Town of Ludington, Eau Claire County. Her husband passed away Jan. 19, 1977.

The couple lived in the Town of Ludington until moving to Milwaukee in 1965. She moved to West Bend in 1978.

Survivors include five sons, Larry and Tony of West Bend, Gary of Lannon, Jim of Kewaskum and Ralph of Allenton; one daughter, Margaret (Richard) Seichter of Kewaskum; a half-brother, Robert Tepp of Chippewa Falls; a half-sister, Donna Green of Augusta, Wis.; 18 grandchildren; three great-grandchildren, and other relatives and friends.

Preceding her in death were two sons, Barry on Feb. 22, 1974 and Kenneth on Dec. 23, 1977.

Funeral services were held Monday, July 8, at 1 p.m. at the Anderson Funeral Home, Augusta, Wis. Rev. Herbert Leitzke officiated, and burial was in the Town of Ludington Cemetery.

The Myrhum Funeral Home, West Bend, was in charge of local arrangements.

NICK L. HABERSETZER, SR.

Nick L. Habersetzer, Sr., of 7697 County WW, West Bend, died Tuesday, July 9, at the Cedar Lake Home, West Bend, at the age of 81.

He was born April 19, 1904, in the Town of Farmington, where he grew up. After his marriage to Loraine Schaefer at Holy Angels Church, West Bend, on Nov. 7, 1933, they lived in Milwaukee for two

years, then came to a farm in the Town of Trenton where they lived for about 10 years. They then settled in the Town of Wayne in 1947.

Prior to his retirement in 1967, he was employed at the Gehl Co. for 23 years.

Survivors include his wife; six children, Joseph (Marilyn) of West Bend, Lorraine (Arthur) Albers of Grafton, Nick Jr. (Joanne) of West Bend, Robert (Gerine) of Vanleer, Tenn., Marie (Robert) Pauls of Ione Rock, Wis. and Edward (Virginia) of Hartford; 27 grandchildren; five great-grandchildren; one brother, Lucian (Evelyn) of West Bend, and other relatives and friends.

Preceding him in death were a son, Victor in 1972 and four sisters and four brothers.

Funeral services were held Friday, July 12, at 9:45 a.m. at the Schmidt Funeral Home, West Bend, with the Liturgy of the Resurrection at 10:30 a.m. at St. Anthony Church, St. Anthony, Fr. Donald Braun was the celebrant, and burial was in St. Peter's Cemetery, Town of Farmington. Visitation at the funeral home was Thursday after 4 p.m., with a prayer vigil at 8 p.m.

WINNING QUILTS ON DISPLAY AT STATE HISTORICAL SOCIETY

Winning quilts from the State Historical Society of Wisconsin's past six annual quilt contests will be on display on the main floor of the Society building now through Sept. 13. The free exhibit makes the end of the annual contests. The Historical Society is located at 816 State St., Madison.

Soon you will own your phone. Make it **INDESTRUCTIBLE!**

Your phone service is changing.

Beginning in October 1985, you will own the telephone you now lease from GTE*. Rental charges no longer will be a part of your monthly bill.

But as you gain ownership, you stand to lose a valuable GTE service.

After Oct. 1 you pay for phone repairs.

Until now repair and maintenance were included in your monthly rental fees.

Once the phone becomes your property, you will pay for all repairs directly. How much do you stand to lose? \$69.95 for a standard service call.

GTE Phone Care makes phones indestructible.

For as little as 60¢ per phone each month, GTE Phone Care extended warranty plans can protect your phone from breakdowns.

In most cases you'll still enjoy a lower phone bill. Plus you'll have the security

of prompt repair or replacement at no extra charge.

Act now to protect your phone—and your budget.

You'll be fully protected as soon as you sign up for GTE Phone Care.

The Decision Coupon describes the two Phone Care plans available. Read it carefully, decide which plan best fits your needs and return it to GTE.

Because the sooner you make your phone indestructible, the better you'll feel.

Reply now! Phone Care coverage is not automatic.

*GTE Phone Care is available for any GTE leased telephones in your possession that were acquired before November 15, 1982. Certain GTE models you might have purchased also are eligible for Phone Care.

Dick Edwards, left, president of the Long Lake Fishing Club, presented the first prize of a Mercury Motor from their Spring Raffle to Sue Quigley, Milwaukee. The raffle was held in conjunction with the club's recent boat parade and picnic at Long Lake.

Kurtis Cochran, 4-month-old, was the fourth prize winner of a trolling motor. He is shown with his parents, Chris and Sally Cochran of Kewaskum. See the ad elsewhere on this page for a complete list of the winners.

How to Build Cooperation and Compliance in Young Children

By Joan Hanrahan
County Extension
Summer Home Economist

The root meaning of the word "discipline," according to Webster, is teaching or learning. But to most parents, "discipline" means punishment.

Rewards and punishments may be effective ways to discipline children in the short run, but these methods offer little opportunity for children to judge what is right and wrong for themselves.

Children may learn to exhibit good behavior for the sake of reward rather than through their own moral development or thoughtfulness.

We need a better way to teach and lead children so they

can grow into responsible, caring, self-controlled adults with initiative and a sense of justice.

Even small children can learn to make their own wise decisions.

Discipline that inflicts pain or is emotionally harmful builds resentment and interferes with learning. This kind of punishment, in most situations, causes the child to focus on the hurt rather than the behavior that

caused the punishment.

When working with children, use positive communication to develop compliance and cooperation. Use "do" statements rather than "don't" statements. For example, "Close the door softly" versus "Don't slam that door!" or "Pet the cat gently" versus "Don't hurt the cat!" Ask the child to be more careful the next time rather than scolding him/her.

Repeated accidents such as spilled milk try the patience of most parents of young children. Spilled milk is truly an accident that they feel badly about. Physical punishment or harsh, emotionally damaging words don't help. Small children can learn how to clean up their own spills. A calm question such as "What do we do now?" is more constructive than shouting, "You careless, naughty child. Look at this mess!"

When the child has the milk wiped up and things have calmed down, parents can ask what happened and teach the child how to prevent another such accident. Was the cup too large or full or the pitcher too heavy? Discussing solutions to problems gives children decision-making practice and helps them gain control of their behavior.

A child doesn't suddenly develop good judgement at age 12 or 16. Rather, he or she needs opportunities to practice making decisions and taking responsibility for the consequences.

Tracy Perkins, Kewaskum, was the third prize winner of the Microwave.

Citizens Credit Corporation

A WHOLLY OWNED SUBSIDIARY OF WEST BEND SAVINGS AND LOAN ASSOCIATION AND A FINANCIAL RESOURCE GROUP MEMBER

County Represented at State 4-H Congress

Friday, July 19, 1985, Kewaskum Statesman, Page 14

Washington County 4-H Congress participants, front row, from left to right: Chris Sterman, David Schmidt, Pat Horlamus, Kris Cramer, Robby Beisenstein. Second row: Jackie Infalt, Tracy Hahn, Julie Bohn, Dianne Horlamus, Laurie Horlamus, Janelle Peterson, Wendy Haack, Jenni Carron.

Thirteen young individuals were chosen to represent Washington County at the 1985 State 4-H Congress. The individuals were: Robby Beisenstein, Julie Bohn, Jenni Carron, Kris Cramer, Todd Wessing, Pam Gundrum, Wendy Haack, Tracy Hahn, Laurie Horlamus, Jackie Infalt, Janelle Peterson, David Schmidt, and Chris Sterman. Pat and Dianne Horlamus served as the chaperones. The State 4-H Congress was held June 10 - 13 and is State 4-H Congress' 65th anniversary. The motto of 4-H Congress was: "4-H and Wisconsin - Shaping Tomorrow."

We arrived in Madison about 2:00 p.m. We had the opportunity to look around the campus, go on some tours, do some recreation, or to go shopping. On Monday evening there was a General Assembly, where a musical production, "Song of the Island Seas," was presented. It was directed by David Peterson. Immediately following the program there was a "Get Acquainted Party."

On Tuesday, there was an opportunity to attend different seminars. You had a choice to go to a morning and an

afternoon, or an all day seminar. Some of the choices were as follows: Videotaping, Storytelling, Geology Hike and many others. Tuesday evening, at the General Assembly the drama company presented a play. The theme of the play was "Inside/Out." The play was very well done. A dance at the Stock Pavilion followed.

On Wednesday, we had the opportunity to go on different tours. For example, to see the inside of the Capitol, Art at the Circus World Museum, and many others. Wednesday evening, at the General Assembly there was a presentation by the 4-H Folk Arts Ensemble. Pam Gundrum and Todd Wessing represented Washington County in this part of the 4-H Congress. Following there was a rock or a polka dance you could attend.

On Thursday, our last General Assembly was presented by Tom Pease and C.Y. Allen. The theme was "Where

You Are Going and How are You Going to Get There?" The 4-H Congress was overall very much a success. T-shirts were available for a souvenir. Group photos were available during the week of each individual county, as a souvenir, if you wanted to do so.

We extend a very grateful thank you to our sponsors: Washington County Bankers' Association, West Bend Kiwanis Club, Washington Co. 4-H Leaders Association, Marie Hug Memorial, and Alma Kuhn Memorial. Without their support, our experience would have not have been possible. It is something that all of us will never forget. Thank you.

Submitted by Wendy Haack

SLICK TRICK

The next time a recipe calls for chopped dried fruit, treat kitchen shears with Mazola No Stick cooking spray before snipping the fruit. If you prefer to chop, spray the knife.

West Bend Savings Reports 2nd Quarter Earnings Up 300%

West Bend Savings and Loan Association reported second quarter earnings up 300% over the first quarter 1985.

Association President, Richard A. Larson, announced that gross income for the period ending June 30 was \$6,158,088, a slight increase over the same period in 1984.

With current mortgage loan interest rates at their lowest level in three years, Larson predicts the association will continue to see a steady increase in the number of mortgage and consumer loans. Savings volumes also remained strong and Larson said he expects it to continue at or above current levels.

Larson indicated that almost all of Wisconsin's savings and loan associations reported excellent earnings during the first two quarters. In general, Wisconsin based thrift institutions have done much better than many of the commercial banks and savings and loans in other parts of the country. Larson feels this is because Wisconsin lenders have traditionally used variable or adjustable rate loans which have helped prevent the devastating losses others experienced during the 1982-83 recession period. Also, because all of Wisconsin's savings and loans are insured by the Federal Savings and Loan Insurance Corp. (FSLIC), an agency of the U.S. Government their activities are closely regulated.

According to Larson, West Bend Savings has matched interest sensitive assets with interest sensitive liabilities in

order that earnings and costs fluctuate in similar cycles. This practice limits profits when the cost of funds are lower but also holds down losses when the costs of funds are higher.

Current economic indicators, according to Larson, call for a near stabilization of interest rates during the next three-to-five months, after which Larson does not expect significant increases in rates to follow.

To Issue Senior Citizen ID, Discount Cards

Are you 60 years old or older? Washington County Senior Citizens Identification and Discount cards will be issued on Thursday, July 25, 1985, from 3 to 5 p.m., at the Washington County Senior Center, 401 East Washington Street, West Bend.

Information needed: your Social Security number, person to contact in case of an emergency and their phone number, and your doctor's name and phone number. Your picture will be taken. The cost for each card is \$1.00.

July 15, 1960

The Wigwam Drive-In on South Fond du Lac Avenue in Kewaskum was burglarized early Sunday and about \$34 in change was stolen. Quick, efficient work by Chief of Police Roland Pleidl, with the cooperation of the West Bend Police Department, succeeded in apprehending the "burglar" only hours after the theft was committed. Admitting to the burglary was a 13-year-old Menomonee Falls boy, residing on Route 1, Germantown.

Although rain halted most of the activity Saturday evening, fine weather Sunday helped make the annual Firemen-Legion picnic among the most successful held in recent years. Many said it was the largest crowd they have ever seen in the park, and the evening attendance was especially large. Over 845 pounds of hamburger, almost half a ton, were consumed, more than 2,000 ice cream bars were sold, to say nothing about the bratwurst, beer, popcorn and other refreshments consumed.

Terry Koch, son of Mr. and Mrs. August Koch, and Jimmy Schuppel, son of Mr. and Mrs. John Schuppel, left Saturday for six months of active training with the National Guard.

Miss Sharon Dreher, daughter of Mr. and Mrs. Earl Dreher, Kewaskum, graduated July 6 from American Airlines Stewardess College, Fort Worth, Texas, and now is stationed at 67 Pinckey Avenue, Boston, Mass.

Married at St. John's Lutheran Church, New Fane, on June 25, were Janice Marie Bartelt, daughter of Mr. and Mrs. Otto C. Bartelt, Route 2,

Campbellsport, and Rodger Aaron Breselow, son of Mr. and Mrs. Aaron Breselow, Mayville.

Miss Genevieve Loretta Struebing, Route 1, Allenton, became the bride of Jacob Norbert Fell, son of Mr. and Mrs. John P. Fell, Route 1, Campbellsport, at St. Bridget's Church, in the Town of Wayne on July 9.

A son was born to Mr. and Mrs. Eldon Wulff, Route 2, Kewaskum, on July 8. A son was also born to Mr. and Mrs. Francis Schoofs, Route 2, Kewaskum, on July 9.

50 Years Ago

July 19, 1935

Automobile thieves entered the garage of Dr. R. G. Edwards on South Fond du Lac Avenue last week Thursday night and succeeded in making away with the doctor's brand new Dodge coach. Dr. Edwards had only purchased the car about a month ago. The local police and insurance company were notified of the theft early Friday morning and investigation was begun at once, but no clue was found until this week Wednesday when local police were notified through the Washington County Sheriff's Office, that the car had been located at Ellsworth, Wisconsin, near St. Paul, Minnesota.

The second of the series of free talking pictures sponsored by the businessmen of Kewaskum was given last Saturday evening to one of the largest crowds ever assembled here for this class of entertainment. The picture last Saturday evening was "Big Town," and was very well received. This week Saturday evening a western picture will be shown, entitled "Texas Buddies," featuring Bob Steele. If you have not been out to see these pictures, you want to do so this week.

John "Lefty" Bassler, baseball player who was a member of the Kewaskum pitching staff in the Badger State league last year, is now pitching in Taft, Texas, according to a letter sent to Joseph Eberle last week. We are always glad to here of the successes of young men like "Lefty," who gained much of their experience as baseball players at Kewaskum and hope he becomes a big league star.

Excavating was started this week at the intersection of Main Street and Fond du Lac Avenue for the erection of a new business by Elmer Yoost, proprietor of the People's Meat Market. Half of the old building formerly occupied by Clarence Kluever, barber, has been torn down and the other half, used as a meat market, has been moved to the south where Mr. Yoost will continue business while the new building is being erected.

Miss Dorothy Yoost, daughter of Mr. and Mrs.

Robert Yoost of West Bend, was united in marriage to Leslie Cook, son of Mr. and Mrs. H. Cooke of Barton, last Saturday, in the St. Lucas Lutheran Church here by Rev. Gerhard Kaniess.

Miss Gertrude Opper, daughter of Mr. and Mrs. Herman Opper, of the Town of West Bend, and LeRoy Schultz, son of Mr. and Mrs. Louis Spindler of Kewaskum, were united in marriage at Slinger on July 13.

For the second time in six months, William Riley, 30, of the Town of Farmington, an employee of the highway department, sustained serious burns. He returned from work to his home and when he attempted to light a cigarette, his clothes, which were soaked with gas and oil ignited. His wife threw water over him but not until he had been seriously burned.

A large crowd attended the band and orchestra concert in Wayne on Wednesday evening at Wietor's Hall, which was sponsored by Salem Reformed Church's orphan home of Fort Wayne, Indiana. This was the first tour the home has made through here. Twenty-seven children between the ages of 10 and 16 took part.

75 Years Ago

July 16, 1910

Frank Keller, an employee at the malt house, had a narrow escape at the plant last Tuesday. He was standing on a temporary platform and arranging to unload a car of coal when suddenly his footing gave way and he fell backwards about five feet below, striking his head on a sharp edge, cutting a large gash back of the ear. He was found unconscious but soon revived when he was taken to Dr. Driessel's office to have the wound dressed.

The youngest son of Mr. and Mrs. Charles Mertz of Wayne fell into a wash boiler of hot water last week Thursday and was badly scalded about the body.

Peter Wiesner of St. Kilian lately caught three young coons alive. He was them in a cage now and is going to have them tamed.

Joseph Strachota commenced building a stretch of cement walk this week on Water Street, between Main Street and the St. Lucas church property.

The village stone crusher was kept in operation in the Bartelt gravel pit south of here this week.

A fish picnic was held last Sunday at Adolph Backhaus' place.

A band of gypsies was in the village on Monday.

West Bend Police, CDL to Unite in Preventing Sexploitation and Sexual Abuse of Children

Due to the national attention given child abuse, child neglect and child molestation, Police Departments around the country are developing programs to help prevent incidents against children. The national outrage over missing and sexually exploited children has prompted the West Bend Police Department, through its Crime Prevention Unit, to develop programs to help create an awareness in the community of the abuse of children, physically, sexually and through neglect.

These programs are designed to protect children by teaching them and their concerned parents how to avoid their victimization by child molesters and pornographers. Hopefully, these programs will not only create an awareness, but will also help prevent these types of incidents in our community. These programs will be in addition to the present existing Block Parent Program, Child Fingerprinting Program, Child Videotaping Program, and Child Dental ID Program.

West Bend Police Chief James Skidmore, Sergeant King Riffel, and the West Bend Police Department, are to be applauded for their efforts in the protection of West Bend's children. Representatives of CDL have met several times with Police Chief Skidmore and Sergeant Riffel, and intended to assist in this program, because it collaborates with CDL's anti-pornography efforts.

In meeting the needs of developing these new programs to be used for both adults and children, the West Bend Citizens for Decency Through Law, Inc., has come forward to help raise approximately \$500.00 needed for the purchase of video equipment, cassette tapes and literature. Fingerprinting and dental records can also be included.

Because these are new programs, the city budget does not provide funds for them. CDL has already voted to contribute the first \$100, and intends to raise the required amount of about \$500. Concerned citizens are urged to write checks to CDL - WEST BEND POLICE DEPARTMENT, and send them to CDL, 2011 Woodlawn Avenue, West Bend, WI 53095. CDL will not cash the checks, but will keep a separate accounting of them. When the checks total the amount needed, CDL will endorse them over to the Police Department.

CDL intends to help with the presentation of this worthy program to children and parents, and also intends to contribute further towards replacement of literature. For further information you may contact R. Chas. Weier, at 338-1596.

Fun and Excitement At County Fair

by Kandi Veal
4-H and Youth Agent

July 24-28 is Washington County Junior Fair in Slinger. Fun, excitement, anticipation, ribbons and awards - yes, the County Fair is all this. But, wait - one of the most important qualities of County Fair is the opportunity for young people to learn and grow through their project work. The purpose of County Fair is not just social and recreational, but also educational.

The value should not be placed on whether you receive a red or white ribbon; but instead the personal satisfaction that comes from creating, designing, building or developing your own project. In fact, the self-confidence young people develop is a big part of each individual project.

Four-H projects are judged and evaluated at the Fair to help the individual learn from their project. Thursday is entry day. Thursday is also the day most youth exhibits are judged. The 4-H exhibitors have the opportunity to explain to the judge about their exhibit. The judge is there to help the 4-H'ers learn. They want to know why that project was designed just the way it was.

Join the fun at the fair. Take time to look at the work of the 4-H youth in Washington County. And challenge yourself to learn something new at County Fair.

General Clinic of West Bend Enters High-Tech Medicine with New Blood Analyzer

Paula Theisen, medical technologist and laboratory supervisor of the General Clinic reads test results from automated, computer controlled clinical chemistry analyzer.

High-tech medicine has come to the General Clinic in the form of a clinical chemistry analyzer, a fully-automated, computer-controlled system for testing blood.

The clinical chemistry analyzer is located at the West Bend main office and serves all three General Clinic locations, West Bend main, north and Jackson.

The unit, a Gilford SBA 300, is preprogrammed for 35 standard tests and has the capacity for an additional 23 user-programmed tests. Paula Theisen, medical technologist and General Clinic laboratory supervisor, said the equipment was installed to "do more work in-house to service our large staff of doctors" and to "provide greater patient convenience."

The equipment was just recently installed. It has been used primarily to run basic blood chemistries required by

staff physicians and to develop health maintenance profiles.

Currently, the system runs five to fifteen full profiles and ten to twenty single tests daily. A full profile consists of fourteen tests including checks on glucose, fat and cholesterol levels, and kidney and liver function tests.

Test results appear as a computer-generated printout which shows individual patient results along with a normal range for each test. Any result falling outside of the normal range is automatically flagged by the equipment.

"The doctors like the printout," Theisen said. "It's a complete, easy-to-read report, a valuable diagnostic tool."

The system is also equipped with a video screen that provides a constant monitor of results.

Prior to running the actual tests, the system is programmed with patient and test information. Blood samples are deposited in small temperature controlled, numbered reaction

cups from which the machine automatically extracts samples as required for specific tests. This automatic selective sampling eliminates repeated sample handling thus reducing operator time and the possibility of sample mix-up or error.

Quality control is of major importance. "We're extremely careful about quality control," said Theisen. "Controls are run with every batch of tests. If the controls are out of range, the entire batch of tests is discarded. If our test results are at all abnormal, we repeat the test." The chemical analyzer is equipped to signal quality control abnormalities.

Storage of information is another benefit of the new system. Standard preprogrammed tests can be customized to meet the General Clinic's needs. This customized test information and the resulting special profiles can then be stored, eliminating the need for reprogramming.

The system is limited, however, and not all blood analysis

ed all aspects of operation and maintenance of the system. "It was an intensive week of training," she said, "but with a machine like this it's necessary. I felt much more comfortable with it after the training."

Theisen then trained two other medical technologists on staff at the Clinic.

Everyone at the General Clinic is enthusiastic about the new equipment. "The test results we get are more specific and accurate and we automatically get updated software from the manufacturer on procedures and additional tests." Theisen plans to use the equipment more extensively in the future.

Nursing Scholarship Established by MPTI For County Residents

The board of the Moraine Park Technical Institute Foundation, Inc. has announced the creation of a \$10,000 endowment fund in the name of Mr. and Mrs. L. R. Amundson of West Bend.

Income from the endowment will be used to provide scholarships to residents of the West Bend, Slinger, or Kewaskum school districts who enroll in the Moraine Park Technical Institute Association Degree Nursing Program located on the West Bend Campus.

Licensed Practical Nurses who are enrolled in MPTI's Associate Degree Nursing-Progression Program will be given preference in consideration for the scholarships. Each recipient's scholarship will be renewed for as long as he or she continues to make satisfactory progress in the program for up to three years.

For information on how to apply for a scholarship, people should write or call John J. Shanahan, Executive Secretary, Moraine Park Foundation, 235 North National Avenue, Fond du Lac, WI 54935. The phone number is (414) 929-2127.

HERRIGES OIL, INC.

Senator William Proxmire (D-Wis.) gave his Golden Fleece of the Month Award for the month of July to the Army Corps of Engineers for "spending \$33 million, with another \$17 million in the pipeline, to pump sand on 10 miles of beach, which fronts costly condominiums and haughty hotels in Miami Beach. The Corps is really sandbagging the taxpayers with this one because one large storm could easily sweep away all this sand. The Corps' efforts are making it easier for those staying in these pleasure palaces to bathe but the average taxpayer is taking the bath."

Senator Proxmire is the ranking Democrat on the Banking, Housing, and Urban Affairs Committee. He serves on the Appropriations Committee and is a former Chairman of the Joint Economic Committee. He awards a Fleece monthly to the most wasteful, ridiculous, or ironic use of the taxpayers' money for that period.

"The Corps is in the midst of a costly, never-ending, and futile effort to rebuild the beach in front of Miami Beach. They are dredging sand offshore and pumping it onto the beach to widen it. Natural geologic forces are eroding the beach, but the Corps is attempting to thwart those forces. Taxpayers in Wisconsin, Nebraska, and throughout the Nation, are paying \$5-6 million a mile to underwrite this effort.

"Are these efforts futile? Here is a quote from *Living with the East Florida Shore*, a book written by expert geologists and marine scientists: 'Shoreline engineering destroys the beach it was intended to save.' Taxpayers can pour in the millions,

the Corps can pump ton upon ton of sand, but recent research demonstrates that the best that can be hoped for is that Miami Beach will become Miami Seawall. If local interests want to protect their investment and reimburse the Corps for the total cost — fine — but the taxpayer should not be handed even part of the bill.

"Make no mistake: the Corps is doing this work to protect the investment of developers who built high-rise condominiums and hotels along an unstable beach. Without that sand, could they charge \$150 a night for a room or \$1 million for that condo? The Corps sows the sand, but developers reap the beach.

"Once this type of work starts, finding a time to say 'Enough, already!' is next to impossible. The Corps is now rebuilding about 10 miles of beach, but is ready to start work on another 2.5 miles because 'Local interests desire extension of the northern limit.' Where does the Corps stop — Palm Beach, Fort Lauderdale, or Main?

"The money for this extension is hidden away in the Supplemental Appropriations Bill recently debated by Congress, which appropriates an initial \$1 million as a downpayment on a \$4.1 million project. But before the money can be spent, the Administration and local interests have to agree on a cost-sharing formula. If local developers want a nice, sandy beach, let them pay for it — all of it. That is the only formula which is fair.

"We laugh today at the story about Xerxes, an ancient Persian Shah who ordered his army to whip the sea after a storm destroyed his fleet. Before laughing too hard, however, the taxpayers should consider what the Corps — a modern-day Xerxes — is doing for Miami Beach."

Need Continues For Volunteers At Samaritan Home

In years past, life in a nursing home was considered the ending place for elderly people — a place to wait to die. But, times have changed. Today, the modern Samaritan Nursing Home of Washington County makes nursing home life a fruitful continuation of living, sharing and growing. With the combined effort and dedication of all the numerous staff members and the help of many volunteers, the Samaritan Home is definitely—a place for the living.

Many of these special sharing and growing experiences are a direct result of the volunteer services programs, performed by a wide variety of special people. "The Samaritan's Caring Team Volunteers."

Volunteers perform many varying numbers of important tasks at the Samaritan. They work with the nursing staff, making beds and assisting with residents' meals. They help to fold and return residents' laundry to their rooms. They do many of the mending and clothing repairs necessary. Many busy and active volunteers belong to the Samaritan Auxiliary to do weekly fancy work, quilting, and help with the mending. Our Home has an Ice Cream and Candy Shop which is staffed entirely by volunteers. Special monthly functions at the Samaritan would never be possible if it were not for volunteers. The "Golden Retreat," which is a special "in-house" restaurant, is operated once a month by volunteers. Volunteers assist with hot lunch programs, too.

Several community volunteer organizations plan special monthly or quarterly bingos, card parties, sing-a-longs, special church services, and others.

The jobs they do may be big or small, but all are important to the continuing good quality of life that we want for our

residents. There are many ways in which volunteers can help — but the search for volunteers to help, is sometimes not an easy task. Days may pass when the Ice Cream Shop stays closed, because there is no volunteer to run it. There are times when mending is waiting — with no volunteers to mend. Or bed-making is delayed, because of the lack of those much needed "extra hands."

A volunteer commitment needn't be a burden. It should be a small amount of time to give, to someone less fortunate than yourself. It should be a small sharing of your special talents, to those who appreciate kindness so. The rewarding good feeling that comes from helping and sharing your time with someone in need — is fantastic!! Won't you consider being a Samaritan volunteer? For more information or to set up a time to come in and see me, please call the Samaritan Home - 338-4500; ask for Mary Thiemer, Volunteer Coordinator. Thank you.

graduate of Kewaskum High School.

Air Force Sgt. Thomas J. Fischer, son of Arlene A. Fischer of Rural Route 1, Kewaskum, has arrived for duty at Lowry Air Force Base, Colo.

Fischer, a weapon control systems mechanic with the 3450th Technical Training Squadron, was previously assigned at Eglin Air Force Base, Fla.

Airman 1st Class Dwayne W. Hill, son of Wayne R. and Arlene J. Hill of 622 Maine Ave., Adell, has graduated from the U.S. Air Force biomedical equipment maintenance course at Sheppard Air Force Base, Texas.

During the course, students were taught to install and maintain medical and dental equipment. They also earned credits toward an associate degree through the Community College of the Air Force.

Hill is scheduled to serve with the U.S. Air Force Regional Medical Center at Wiesbaden Air Base, West Germany.

His wife, Peggie, is the daughter of James and Berniedette Mondloch of Rural Route 1, Adell.

He is a 1978 graduate of Random Lake High School.

In the Service

Tech. Sgt. Richard L. Butz, son of Vernon W. and Carolyn F. Butz of 1325 Park View Drive, Kewaskum, has been decorated with the second award of the Air Force Commendation Medal in West Germany.

The Air Force Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Air Force.

Butz is an air traffic control technician with the 6912th Electronic Security Group.

His wife, Betty, is the daughter of Mr. and Mrs. Lowell Butler of 905 Conway, Mesilla Park, N.M.

The sergeant is a 1973

Army Pvt. 1st Class Kenneth J. Vandermar, son of Raymond J. and Joan F. Vandermar of 243 E. Main, Campbellsport, has arrived for duty in West Germany.

Vandermar, a military police specialist with the Giessen Military Community, was previously assigned at Fort McClellan, Ala.

He is a 1983 graduate of Campbellsport Public High School.

WAYNE CRUSADERS 4-H

Our regular meeting was held Tuesday, July 9th at 7:30 p.m.

We would like to thank everyone who made donations to our club at Dairy Daze and at the Farm Olympics. We raised over \$90.00! The money we raised will go for our trip to the Wisconsin State Fair, on Aug. 7th. We will discuss all of the details Aug. 6th at our monthly meeting.

Flowers were given out to everyone to plant in ice cream pails, to take to the Washington County Fairgrounds to help beautify the fair. We would like to thank the Kewaskum Floral Shop for donating the flowers to our club.

Our Ag meeting will be moved up a week to Aug. 6th so we can discuss plans for our State Fair Trip.

Beth Bartelt, Reporter

IN MEMORIAM

In loving memory of Raymond Klug who passed away ten years ago, July 18, 1975:

Beautiful memories woven in gold,
A gift from God we tenderly hold,

Deep in our hearts his memory is kept,
To love and cherish and never forget.

Sadly missed by his wife Leta and the family.

- VIII. Adjournment

Indians Defeated by Cougars and Chilton

By John Harju

Kewaskum dropped their E-W conference record to 7-8 and their overall mark to 10-12 as they lost a non-conference game to visiting Campbellsport on Friday, 7-1, and then lost to visiting conference rival Chilton on Monday, 8-7.

Friday, the Cougars jumped out to a 2-0 lead after one inning via a Rick Grahl sac-fly, scoring Barry Wenzlaff, who led off the game with a triple, and a Ron Goebel double. That was all they needed as KHS didn't score their lone run until the seventh on a John Mertzig single scoring Jack Aupperle, who had doubled.

Campbellsport bombed Indian pitching for 13 hits. Tim Geidel suffered the loss for Kewaskum while Jeff Krug picked up the win but needed relief help from Brian Hintz.

The Indians had base runners in every inning and ended up stranding 10. The Cougars stranded nine.

On Monday, coach Tom Bartelt and his Indians hoped to avenge an earlier 16-15 loss to Chilton from two weeks ago, but instead, they ended up losing their third EWC game by one run out of four tries, 8-7.

Chilton jumped on Indian starter Geidel for all eight runs (three were unearned) in the first four innings. Bob Yahr relieved Geidel with two outs in the fourth and pitched superbly, striking out five and walking only two while giving up only one hit.

Kewaskum exploded for five runs in the fifth to make the game close, highlighted by a Tim Rohlinger RBI triple and a 2-run double by sophomore Mark Schlosser who was recently called up to varsity from JV's. The Indians then added single runs in the final two frames but fell one run short.

Missed opportunities again hampered Kewaskum as they stranded 12 base runners compared to only three for Chilton.

Chilton's Dean Criter picked up his second EWC win (both against Kewaskum) going five innings while striking out three and walking eight along the way. Scott Schneider relieved in the sixth to record the save.

At the plate for KHS, Aupperle again went 3 x 3 and now has six straight hits in the last two games. Tim Dettmann was 1 x 3 with a double and two RBIs. For Chilton, catcher Kurt Zacharias went 2 x 4 with 3 RBIs while Criter was 2 x 2 with three runs scored.

Friday Kewaskum entertains New Holstein in a postponed game beginning at 6 p.m. Monday, KHS will begin post-season play against Campbellsport for the regional title and a trip to the sectional tournament.

Thiemer Dome Thursday Goodtime League

Standings 2nd half

BJ & Co. 4-0; Crass Salvage 1-2; Bartelt Ins. 1-2; Kennelly 1-2; Thornton & Schaub 1-2.

HIGHLIGHTS

Another glorious summer evening greeted the eager fans at the dome last week. Fond du Lac County Sheriff's Dept. had 3 squads assigned to the dome to direct traffic and most fans were in their seats by game time.

In the first game Bartelt Ins. broke a 4 game losing streak by crunching Crass Salvage 13-8. Bartelt Ins. had a total of 17 hits which were more than the previous 3 games combined. Every player on the Bartelt squad had a hit except for one sad lad. I bet everyone can guess who he is. Batting coach Barracuda Koth had a smile from ear to ear. He was almost as happy as he is at Hon-E-Kor when he takes all the money from those poor younger golfers. Jonsey Korth broke out of a slump with 3 hits and the key hit was provided by Bill "Legs" Gruhle as he stroked a two out single to score 2 runs in the 6th inning as the game was getting close. Thrills on the base paths were provided by Bill "Spider" Wuebben. It looked like he thought he was back in his teen years at Dollar Bay the way he dashed or should I say lugged around the bases.

The second game which was a battle for first place turned out to be a laughter as BJ & Co. smashed Kennelly 14-2. As usual everyone got on the hit parade for BJ & Co. Don Lavernz provided the only home run of the evening for BJ & Co. With this win BJ & Co. won the second half championship. The winner of the 1st half will be decided on 7/25 as Crass Salvage plays BJ & Co. to determine the 1st half.

SPECIAL! Thiemer dome fans were saddened to learn of the accident to the Chairman of the Board of the dome Richard Thiemer Sr. Richard sustained a severe break to his first arm. How this occurred is under much scrutiny. According to Mrs. Thiemer, Richard was on his way to church when he slipped on a banana peel in

front of the VIP Lounge. Richard adamantly states that he was on a ladder repairing a hole in the dome with some heavy duty saran wrap when someone turned off the air pressure pump which holds up the dome and the dome subsequently collapsed as did Richard. This is his story and he is sticking to it. Richard wants to thank everyone for all the cards and flowers he received. In fact there were so many flowers in the VIP Lounge last week that it looked like a funeral home which got Richard a little nervous.

VIP Lounge Special this week: A free can of beer will be given to each fan who brings a 1953 Topps baseball card of Max Surkont in his Milwaukee Braves baseball uniform. Limit of 6 beers per fan due to new Liquor Liability laws. Attendance 501.

Rock River League Elects 6 Members To Hall of Fame

Six new members have been elected to the Rock River Baseball League Hall of Fame.

The 56-year-old league's Oldtimers' Association president, Carl Heimerl, formerly of Rubicon, now living in rural Jackson, this week announced the results of recently completed mail balloting by the association membership.

Based on the present league alignment in two divisions, the six new inductees are divided equally.

They are: Glenn Dhein, league champion Slinger manager in the late 1950's and 60's; Johnson Creek's playing manager of the 1960's and 70's, Bill Fetherston; Rubicon powerhouse batter-pitcher-outfielder of the late 50's and 60's, Harry Justman; Norm Kutz, who played every position for Eden and Long Lake over a 20 year span; Waupun's stellar 60's second baseman Elmo Pomplun; and Rudy Radloff, first baseman, pitcher and outfielder in the 1950's-60's era who was as able with a rake conditioning the Hustisford diamond before the game as he was with a bat during the game.

The six will be enshrined at the Oldtimers' Annual Hall of Fame Banquet scheduled for the Mayville Golf Club on Saturday evening, Oct. 12, and their names will be embossed alongside 68 others already inscribed on the LeRoy Locker Hall of Fame Plaque.

Names of the 12 other 1985 Hall of Fame nominees, unsuccessful in this year's close election, will be carried on the '86 ballot.

HON-E-KOR COUNTRY CLUB TUESDAY NIGHT MEN'S LEAGUE July 9, 1985

Top teams this week were: Par-Nons 5 points; Trails End 5; Hon-E-Kor 5; Doc's Wild Ones 5; Driving Range 4; Regal I 3; Benders 3; Gehl Balers 3; Regal II 3.

Low Gross — Clark Pearson 35, Bill Jensen 37, Bill Wuebben 37, Jim Zernzack 38.

Low Net — Al Barutha 29, Bill Wuebben 29.

Low Team Net — Doc's Wild Ones 130.

Hoenecke, Jaeger, Muench Picked for Lakes All-Star Game

The Land o' Lakes Northern Division stars will take on the Southwest stars at Farmington (Jefferson County) this Sunday at 1:30. Among the North star squad announced by Commissioner Jake Oelhafen are three Kewaskum players: Andy Hoenecke, outfielder; Al Jaeger, third base; Scott Muench, designated hitter.

The Kewaskum team was trounced by the West Bend Lithias last Wednesday night in a 17-7 slugfest at West Bend, now in first place. West Bend had 18 hits and Kewaskum 16. Collecting three hits apiece for Kewaskum were Andy Hoenecke, Ric Leitheiser, Tim Perkins and Tim Leitheiser. Steve Muench went 2 for 2.

WEST BEND COUNTRY CLUB WOMEN'S ASSOCIATION

Women golfers at the West Bend Country Club on Wednesday, July 10, competed for the "most one/two putts" in the day's event. Ginny Karstedt and Mary Ann Yahr served as hostesses at the tee-off.

18-hole golfers in handicap classes A and B were required to post the most one-putts, while the classes C and D, the most two-putts. 9-hole golfers posted two-putts, regardless of handicap class.

The winners were as follows: 18-hole Class A: Barb Martin, Kate Reiss and Pat Torinus tied with five one-putts each; Class B: Marion Scheunemann, eight one-putts; Class C: Joan Wirth, 14 two-putts; Class D: Sally Ratzsch, 13 two-putts.

9-hole Class A and B: Joan Wagner, seven two-putts; Class C: Rose Johnson and Vickie Tighe, tied with seven two-putts.

The first rounds of the women's July tournament were played and results are posted in the locker room.

On July 17, Marilyn Seefeld and Jan Pleimann will be at the tee-off to send golfers off for the day's event - an "over 35/under 35 partner's tournament."

Women golfers are reminded of Fun Day, scheduled for July 31, and an Island Extravaganza guest day, scheduled for Monday, August 19.

KEWASKUM TRAVELING LEAGUE

New head coach Larry Last is scoring his second win in as many tries as his team beat Beechwood in Beechwood, 4-2. The previous week Kewaskum mauled Cascade at home, 17-6.

Against Beechwood, Noel Stollenwerk went 4 x 4 and scored 2 runs and Jon McClanathon went 2 x 3 and scored the other 2 runs, while Bob Koernen limited Beechwood to just 1 hit while striking out the side on numerous occasions in an awesome pitching performance.

Kewaskum's next game is at Campbellsport on Friday, July 19, starting at 6 o'clock.

Team Standings: Kewaskum 2-1; Beechwood 2-1; Campbellsport 2-1; Cascade 0-3.

KEWASKUM JAYCEE SOFTBALL

The A's won their fourth straight game Wednesday, 5-3, from the Lions. The defense was highlighted by Keith Butschlick, Krysten Ammel and Tony Knoeck. The hitting was led by Curtis Ammel with good hits by Brian Staehler, Traci Knoeck and Eva Nowak. The A's continue to work together as a team to form a winning combination.

Superstars remain undefeated after five weeks. Superstars' Richie Radtke was outstanding with his pitching and hitting a triple and a home run to lead the Superstars to a 5-1 win over Mean Machine. Also having a good game were Erick Laatsch, Richie Prost and Nicole Brazee. Player of the week was Richie Radtke.

Little Macks won 5-3 over the Tigers. Indians won 10-8 over the Gems.

Superstars	6	0
A's	4	0
Little Macks	4	1
Indians	3	2
Dukes	2	2
Gems	1	3
Lions	1	4
Mean Machine	0	4
Tigers	0	4

HON-E-KOR LADIES ASSOCIATION

On Wednesday, July 10, the day event was "Blind Partners." Lucille Petri and Marge Zehren were the winners with a low net of 66.

The class event was gross minus putts, and the winners were:

Class A - Corliss Fassbinder (28); Class B - Marge Rosenthal (31); Class C - Lucille Petri (37) and Dorothy Schaefer (37); Class D - Marge Zehren (43).

Blind bogey winner was Doris Bohn. No cards were played.

WEDNESDAY NIGHT TRAPSHOOTING LEAGUE

Kettle Moraine Electric 9½-2½, Dick's Welcome Inn 9-3, L & R Trophy 9-2*, Waala Wheel & Tire 8-4, Sentry 7½-3½*, C & R Catering 6½-5½, King Pin Lanes 6-6, Tippel In 5-7, Barney's 5-7, Kewaskum Saloon 4-8, Regal Ware 4-8, R. T. Speed Shop 4-8, Robbie's 4-8, Bowhunter's Sports Unlimited 1½-10½.

25 straight was shot by Tom Jaeger of Sentry, Dave Schmitt and Don Schmitt of Dick's Welcome Inn.

WOMEN'S HORSESHOE

Carrie - Joanie	18½	8½
Mary - Jenny	17½	9½
Barb - Rita	16½	10½
Cheri - Shirley	13	14
Chris - Kathy	12½	14½
Ceil - Geri	8	19
Bonnie - Nancy	7	20
