Bel Ric Area Wins Partial Victory

Some Students Will Walk to School While Some Will Ride Bus

By GERRY MUELLER
Statesman Staff Writer

On a three to two vote during another special meeting, members of the Kewaskum School Board approved a motion to declare the roadway along Highways 45 and H "non-hazardous" but the district will continue to bus kindergarten through sixth grade students from designated pick-up points near the Bel-Ric/Trailer Court area to school for 1985-86.

The motion, by board member Jean Goeden, came after an hour and a half's discussion on an earlier motion by board member Neal Weare to declare the area "still hazardous" and that K-6 students be bussed, was vetoed three to two, with Goeden, Brigham and Theusch voting against it, Weare and Dieringer for, and Perry Ankerson and Kim Peterson absent.

The district had planned on discontinuing all bussing to the Bel Ric area when construction of sidewalks along the route had been completed. The sidewalk construction had become a priority project in the Village's TIF District after the School Board made several requests,

both directly and written, since 1980, asking that the village install walks. It was felt this would eliminate the hazard of walking on the road so bussing in that area could be dropped, saving the district about \$16,000 per year in transportation costs.

Several of the approximately sixty residents attending the meeting again brought up many of the same arguments which were discussed at last week's meeting, from not having the walks shoveled to concern over children being abducted.

At the start of the meeting, it appeared it was simply a question of busing or not busing, however, many other ramifications surfaced with Weare's motion stipulating busing of K-6 students, opening a whole new can of worms.

A Bel Ric resident asked if that motion pertained to both private and public school students. It was then that Weare learned the parochial K-8 students were being bussed on the early runs with high school students while public school students rode the late bus. "I'm remiss in not knowing the parochial schools start at a different time," stated

Weare. When a hint of excluding the parochial students was made, there was noise from the audience.

Board member Ron Theusch, who voted against both motions, asked about other areas of the village where children walked along the roads and next to highways. He felt the board should remain consistent with its busing policy and, if the area was no longer considered hazardous busing should be dropped. By busing the Bel Ric children, it is showing preferential treatment for some, while other K-6 youngsters from areas such as Knights Avenue and Stark Street will still be required to walk to school. "The thing that keeps coming back to me is what, with the sidewalks, makes this any more hazardous than other routes," he stated.

When parents brought up plowing and shoveling of walks, public works Superintendent Augie Bilgo repudiated statements that it took three days to get roads plowed in the subdivision. "I dispatch the plows at 3:00 a.m. in the morning and one of the first plows goes out to Bel Ric, maybe by the time some people get up there is snow on the road again," said Bilgo. There might be some instance where its 24 hours before we can plow, but never three days, he said. "What we're missing here is the parents' responsibility toward their children in this situation," stated Bilgo.

When one man said the district shouldn't expect the kids to walk along open areas such as the re-load station and cemetery on cold windy days because "they'd freeze their butts," Bilgo noted that area was not any different than walking along the River Road where the wind sweeps across the fields and river. Kids have been walking that route for years.

When all was said and done, the end result was that the district will set up bus pick-up points on H and 45, for kindergarten through sixth grade students as the buses will no longer go into the subdivision, and all seventh through twelfth grade students will now walk to school. The new plan is expected to go into effect Tuesday, September 3rd, following Labor Day.

Mrs. Carol Swenson asked if the board's vote declaring the route non-hazardous was final. "If you feel, next year, the route is still hazardous," said Weare, "you have the right to petition the board and be heard."

Plans Presented Here for Elderly Housing Complex

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Plan Commission reviewed proposed plans by Dr. Cesar Sison to construct a 43-unit elderly housing complex on land directly behind the doctor's clinic at 1040 Fond du Lac Avenue.

The building, as presented, would contain 42 one-bedroom apartments and a two-bedroom manager's unit.

Lew Herro, of Siesel Construction, Milwaukee, said the project would be developed with tenants 50 and older in mind. All the units are designed for the standpoint that they would be convenient for a handicapped person with wide doors, closets and specially designed kitchens.

Sison said it would not be set up as a nursing or rest home type project with doctors and nurses but rather a place where older people who cannot or do not wish to keep up a home would like to live.

Village Administrator Dan Schmidt noted the building would not be a low income or subsidized housing project, just an apartment setting where all the residents would be in the senior age category.

After viewing the plans, Zoning Administrator Richard Zarling told Herro there were some points which had to be clarified before the commission could make any recommendations. The first concern is the density factor which determines how many units can be constructed on a given parcel of land. "We need to know the net acreage, less the land connected with the clinic, because the number of units you can build is based on that fact,"

said Zarling. Zoning regulations also require 1 1/2 parking spaces per unit, noted Zarling, so it also has to be determined if there is enough room for 65 spaces. You can't carry over any spaces from the clinic area.

After some discussion, an item of more concern to Herro and Sison was the fact that since the apartment and clinic would be on one parcel of land, neither building could be sold separately at some future date. Because the apartments would be built behind the clinic, they would have no other road access except by the clinic's driveway. Also, because of the way the clinic is situated on the land, the parcel cannot be split into two separate parcels. The rear section would have no road access and it is questionable whether a road easement would be legal.

Herro asked the commission to refer the re-zoning request to the September 24th meeting, giving him time to clarify some of the points which had been brought up.

In other action the commission reviewed the request of Dennis Anderson for a conditional use permit for construction of a home on land which is partially in the floodplain area along Roseland Drive. The commission voted to recommend the Village Board approve the request with a public hearing scheduled for September 16th.

The commission will also recommend to the Village Board that a \$50.00 fee for re-zoning requests be adopted. Schmidt said the fee would cover the costs of publishing public notes and mailing correspondence resulting from the requests.

Wayne, Scott and School Board Officials Meet

By GERRY MUELLER
Statesman Staff Writer

There was a meeting Tuesday evening that started out with everyone on the defensive, turned into a shouting match, but by the end of the evening things had settled down to a calm discussion and general exchange of ideas and information regarding the Kewaskum School District and its budget problems.

The people who were requested to participate in the meeting were the Town of Wayne's board members, Carl Hohlweck, Orville Kern, Leonard Peter, and Mark Strobel, Town of Scott board members Dale Burke and Clara Trapp, District Administrator Penny Kleinhans and School Board members Tom Brigham, Lynn Dieringer, Ron Theusch and Neal Weare. Jack Theusch, Town of Farmington chairman, Ralph Buchel, Town of Scott, and Richard Theusch of Wayne were also present.

While the specific agenda for the meeting, arranged by Trapp, was never clarified, the

night's discussion covered almost all areas of the budget and how people in the district feel about and are reacting to them. Brigham asked Trapp why she had not asked representatives of the other townships and the village to come since the meeting would have been in their interests also.

Once everyone settled down, said Kleinhans, I think we had a good meeting and everyone had a chance to express their thoughts. The board members and myself listened to what the people were telling us. We're not trying to ignore the problems the taxpayers are facing and I think people are beginning to understand a little more clearly the problems the district is facing.

The same questions came up that have been asked at previous school board meetings regarding the budget from more cuts to concerns about declining enrollments and staffing. Brigham and Kleinhans told the group that the board and administration would continue to go through the budget looking

Your HEALTH TIP

from Tom Leitzke, R.P.H.

REDUCE HYPERTENSION [Contd.]

"Walking and other improved health habits should help bring down high blood pressure," says Dr. Andrew Lewin, director of Hypertension Services in L.A. "Also decrease salt and calories in your diet and avoid stress," says Dr. Lewin. Other benefits of brisk walking: reduced blood triglycerides [fatty deposits in bloodstream] - less risk of blood clotting - psychological relaxation - excess weight loss. "Try walking - it's free, and it's the best 'natural medicine' for proper blood pressure and basic health," says Dr. Lewin.

for more areas to reduce this year's budget. Brigham also said that, as soon as the 1985-86 budget had been completed the board was going to start work on the 1986-87 budget, possibly as soon as September.

Because of the small size of the meeting, Leonard Peter felt had he had a better opportunity to discuss individual items and ask questions. At a bigger meeting like the one we had in Wayne, it's hard to discuss any particular thing at length because so many other people are waiting to talk, he noted.

I think almost everyone left Tuesday evening feeling it had been a good meeting once things settled down, with many things brought out into the open and discussed, noted Kleinhans. We're not trying to hide anything from anyone she said, and I'm always willing to discuss any concerns that people may have.

From left: Renee Kapp, George Allmann, Jeri Friedemann at the 1985 State Fair Display.

A summer of showing at state and county livestock expositions has netted two Kewaskum girls over 40 ribbons and a plaque for their efforts.

Renee Kapp, a member of the Kewaskum FFA, and Jeri Friedemann, a member of the Kewaskum 4-H club, received their honors by showing Columbia sheep at the Spring Livestock Exposition at Portage.

the Washington County Fair at Slinger, and the Wisconsin State Fair in West Allis.

The girls' awards included: Champion pair of lambs - Portage.

First place fall ram - Portage. Champion ewe and ram - Washington County Fair.

Champion Wether Carcass - Washington County Fair.

Blue Ribbon - Yearling ram, yearling ewe, fall ram - fall ewe, pen of lambs, flock - Wisconsin State Fair.

Renee and Jeri's sheep were bred and raised in cooperation with George and Anne Allmann of rural Kewaskum. The Allmanns have been raising champion Columbia sheep for a number of years.

Red Cross to Hold CPR, First Aid Classes

The West Bend Red Cross has scheduled a Cardiopulmonary Resuscitation class and Multimedia First Aid course.

Cardiopulmonary Resuscitation (CPR) is a combination of artificial respiration and artificial circulation to assist a person whose heart and breathing has stopped.

The CPR class is scheduled for three Tuesday evenings, September 10th, 17th, and completing on the 24th from 6:30 to 9:30 p.m.

The multimedia class is a

combination of films, programmed workbooks, and teacher-led practice sessions to provide the general public with information of how to handle most emergencies. This course meets the requirements of the Occupational Safety and Health Act of 1970. The Multimedia First Aid Class is scheduled for two Thursday evenings, September 19th and 26th from 6 to 10 p.m.

Both classes will be held in the community room at the West Bend Marine Bank.

To enroll in either class, call the West Bend Red Cross at 334-5687.

The one on the left is our standard Whirlpool 50,000 BTUH upflow pilot gas furnace. Its efficiency rating is 65.9%. That means that 34.1% of the energy it takes to run the furnace is wasted. Totally wasted!

The 50,000 BTUH furnace on the right is the new Whirlpool Tightfist® II high efficiency furnace. Its efficiency rating is 96%!* That means only 4% of the energy is wasted.

The difference is obvious. And remember, you're going to be charged for all the energy you use, whether it's wasted or not. To really get what you're paying for, why not install a high efficiency Whirlpool Tightfist II furnace in your home today. That way you're sure to get your money's worth.

LETTER TO THE EDITOR...

August 7, 1985

To The Editor:

On Tuesday, August 6th, our Beechwood Summer Library Program "Thrillers, Dillers & Chillers" held in conjunction with the Random Lake Public Library, came to a close with the showing of free movies.

Each child signed a contract for the amount of books they could read during the summer and received a book mark, a maze and a "Thrillers, Dillers & Chillers" pin. When they signed their contract, each child also put their name on a "Ghost" and put it on our "Haunted House" bulletin board. Every Tuesday from 10:00 til 12:00 preschoolers through grade school age children came and reported on library books they had read during the week. For each book they read, a "Bat" with their name signed, was put on our "Haunted House" bulletin board. After completion of their contract, they were given a Certificate of Achievement and a certificate for a "FREE" sundae from Dairy Queen.

I am very pleased to say that our attendance was excellent again this year. We had a total of 23 preschoolers and 35 schoolage children attending weekly and they read a grand total of 801 books.

Here is a listing of our BOOKWORMS:

PRE-SCHOOL: Alison Heise, Toni Lecher, Allyson Link, Jodi Schmidt, Heath & Heather & John Hafemann, Nicole & Bradley Vetter, Nathan & Scott Mueller, Staci Siebenaler, Tiffany Beaudry, Sarah Liebelt, Andrea Hartmann, Jordan Schmidt, Justin Wisnepske and Peter Petushek.

SCHOOL-AGE: Bryan & Tacee Blair, Doug & Jeff

Blair, Doug & Jeff Buechel, Carrie & Kirk Gehl, Chris Gerlach, Michele Gerlach, Tracy Gessner, Stacy & Stephanie Heberer, Heath Heise, Beth Kempf, Brian, Jeff & Matt Klug, Kevin Klahn, Bradley, Holly & Jason Krahn, Corey & Kelly Krahn, Todd Krahn, Rachelle & Tanya Krahn, Jenny Krause, Steve Lecher, Angela & Melaine Lepp, David Liebelt, Jason Link, Carrie & Cheryl Michaels, Elizabeth, Staci & Tina Petushek, Randy Reysen, Curtis Ringwell, Jennifer Schmidt, Dixie Schneider, Nicole Wilkens, Beth Ann Roehl, Jenny Beimborn, Chad Wischnepske, Renee Miske, Brian Gnacinski.

I would like to thank all the children and their parents for taking the time to make our summer library program a success. By participating in this

program, these children have kept up on their reading skills and will have an advantage when school starts once again.

A special thank you goes to Carolyn Beimborn and Lynda Klug for without their much needed help, our library program could not have been possible.

Thank You,
Sue Buechel

Save Money! Refinance Your Current, High-Rate Mortgage.

If you bought a home during the early 1980's chances are very good the mortgage financing rate is very high... and the scheduled decreases (if any) from your lender probably haven't kept pace with the rates available today. In fact, your payments may be higher than necessary.

NOW IS THE TIME TO REFINANCE YOUR HOME . . .

- Mortgage loan rates have been steadily decreasing and are at the lowest since 1980.
- New types of mortgage plans have been developed to be more responsive to individual needs and payment abilities.
- There are new sources of mortgage financing available today that did not exist as recently as seven or eight years ago.
- Some lending institutions have changed. . . West Bend Savings, however, has remained committed to serving homeowners.

REFINANCING YOUR HOME TODAY MAY BE ONE OF THE WISEST DECISIONS YOU'LL EVER MAKE.

For complete refinancing details visit or call your nearest West Bend Savings' full service office, or call Williams Mortgage Corporation (representing West Bend Savings' home loan programs) at 334-5636 or Metro: 344-5440.

Kewaskum FFA Operates Dairy Booth at State Fair

Along with Hartford and Slinger FFA Chapters, the Kewaskum FFA Chapter operated a Dairy Booth at the Wisconsin State Fair.

The FFA Chapters sold milk for 25c per cup and ice cream

sundaes with three different choice of toppings for 75c. Each day two FFA Chapters worked. Two shifts were manned from 8:30 to 6:00 and 11:30 to 9:00. Students worked in the booth and were paid for their work.

The Wisconsin Milk Marketing Board turned the booth work over to the FFAs.

Sales were terrific and after all bills are paid, the FFA Chapters will receive the profit.

Many hours of hard work were put in by the Kewaskum, Slinger and Hartford FFA members. The cooperative activity was a tremendous success for all three chapters.

Renee Kapp, Kewaskum FFA member, puts topping on one of the many sundaes prepared by the chapter. Profits will be used by the chapter for improvements and trips.

To subscribe to the Kewaskum Statesman, just call 626-2626.

Nine County Youth Take Honors in State 4-H Dog Show Aug. 17

by Kandi Veal
4-H and Youth Agent

Dogs - short ones, fat ones, tall ones, spotted ones - were the order of the day at the 21st annual State 4-H Dog Show August 17 at the Rock County Fairgrounds in Janesville.

Over 250 youth and their dogs competed for "top dog" honors in the dog obedience and showmanship classes. But dogs weren't the only focus of attention. The show also included poster contests, speeches and demonstrations, and the sixth annual Dog Bowl.

The Dog Bowl featured 18 four-person teams, each competing to correctly answer the most questions about dog breeds, housing, equipment, nutrition, training, health care and other dog trivia learned through 4-H projects.

The state show is the culmination of events for 4-H youth and adults involved in dog projects. State show participants are the top competitors at their county shows.

Washington County had 10 youth participating at the State Show. They were Tina Albrecht, Connie Curtin, Glenn Fick, Jr., Tamme Mannigel, Wendy Reiss, Richard Roemer, Kim Unertl, Diana Witz, Nadene Wahnschaffe and Sharon Wahnschaffe.

Placing in the top of their classes were: Wendy Reiss - 10th Jr. Showmanship, 3rd in Obedience; Richard Roemer - 6th Jr. Showmanship; Glenn Fick, Jr. - 1st. Jr. Showmanship; Connie Curtin - 3rd Jr. Showmanship, 2nd Obedience; Tina Albrecht - 7th Jr. Showmanship; Nadene Wahnschaffe - 5th Jr. Showmanship; Tamme Mannigel - 1st Obedience.

Connie also received fourth on her speech and ninth on her poster. Kim Unertl received third on her speech and Diana

Witz received seventh on her poster.

A different county hosts the State Dog Show each year. The host county is responsible for conducting the show, financing the awards, getting judges, preparing entries and other planning.

Congratulations to these 4-H dog project members and their leaders Muriel Bast, Janet Fick, Joyce Manthey and Mina Kreitzman for their fine work.

Local Specialist Awarded Hearing Aid Certification

Kathy Brown, the local Beltone Office Manager, has been awarded certification as a Hearing Aid Audiologist, according to an announcement by the Certification Board of the National Hearing Aid Society, Livonia, Michigan.

Brown has been associated with the Beltone Hearing Aid Service for three years, and has been a Washington County resident for one year.

The National Hearing Aid Society is the professional organization for individuals who are actively engaged in the testing of human hearing and selection, fitting and dispensing of hearing instruments.

According to Brown, one of the chief purposes of the national association is to certify those who meet strict standards of training, experience, competence, character and ethics.

Certified Hearing Aid Audiologists make necessary hearing analyses and non-medical recommendations. If amplification is needed, they assist consumers in obtaining the hearing aid most suitable for their particular type and degree of hearing loss.

Brown is also licensed by the State of Wisconsin licensing board to test hearing, fit and dispense hearing aids.

Over 600 pheasants raised this summer by the Kettle Moraine Sportsmen's Association of Kewaskum in the club pens just north of the village were released in the surrounding areas by members on Sunday morning. Each member was given an equal number of birds to "plant" as part of the restocking program to improve hunting in the area.

Competing in a field twice as large as last year's, Seefeldt Apiaries of Kewaskum again captured the Grand Sweepstakes offered in the bee and honey division at the Wisconsin State Fair now being held at West Allis. Aldwin H. Seefeldt, who takes beekeeping as a 4-H project, and Fredric A. Seefeldt, prepared and made the exhibit. Alfred H. Seefeldt is a 4-H project leader in beekeeping.

The Kewaskum High School graduating class of 25 years ago, 1935, held a dinner and reunion at Larry's Supper Club, west of West Bend, on August 20. All 16 living members of the class of 19 were present at the affair. Sylvester "Tiny" Terlinden (the only bachelor of the class) was master of ceremonies. The 16 members of the class who made the 100% attendance at the reunion, are as follows: Howard Backhaus, Kewaskum; Mrs. August Koch (Beulah Schaub), Kewaskum; Mrs. E. Stahnke (Dorothea Manthei), West Bend; Mrs. Willard Wegner (Lorraine Habeck), West Bend; Mrs. Gilbert Battoni, (Alice Dreher), Milwaukee; Mrs. Erwin Seifert (Malinda Heberer), New Fane; Mrs. Gerstmeier (Marcella Klockenbusch), Wauwatosa; Harold Smith, West Bend; Marlin Kocher, West Bend; Martin Gutekunst, Brookfield; Mrs. Carl LaBuwil (Inez Stellpflug), Rubicon; Mrs. Oscar Albert (Evelyn Schaefer), Horicon; Carol Hicken, Adell; Fred Spoerl, Kewaskum; Mrs. Harold Casper (Ruth Koepsel) Racine and "Tiny" Terlinden, Kewaskum.

A daughter was born to Mr. and Mrs. Norman Boegel, Chicago, on August 11. Mr. Boegel is a son of Mr. and Mrs. Oscar Boegel of the Town of Wayne. Mrs. Boegel is the former Kathleen Staehler, daughter of Mr. and Mrs. A. M. Staehler, Kewaskum. A daughter was also born to Mr. and Mrs. Donald Hammes, Route 2, Campbellsport, on August 17. A son was born to Mr. and Mrs. Alfred Voigt, Route 1, Kewaskum, on August

23. A son was also born to Mr. and Mrs. Marvin Tackes, Route 2, Kewaskum, on August 21.

A group of men representing the J. H. Wise Company, Inc., of Missouri, have been at work in the Bank of Kewaskum several days during the past week, where they installed the new equipment which was purchased by the bank. This equipment is known as the J. H. Wise system of bank protection and makes the bank almost impenetrable to bank robbers. The installation consists of a complete bullet-proof glass which is one and one quarter inches thick and is composed of five laminations of glass and four laminations of pyralin. The installation carries with it the latest improvements of sound travel and ventilation and the fixtures are equipped with self locking type gun ports. Windows have been barred and guarded and the entire installation has been approved of by the Underwriters Laboratories.

Three local young men, August Koch, George Koerble and Earl Etta, who made a trip as far south as San Antonio, Texas, last week returned after a most enjoyable and thrilling adventure. They covered 3,250 miles on the trip and passed through 330 villages and cities on their way down the back. The boys intended to go as far as Monterrey, Mexico, but arriving in San Antonio, they changed their minds after being robbed of a number of their possessions in that city. According to witnessed reports, a young man broke the window in their car and helped himself to cameras, pipes, films, thermos jugs, knives and many other articles while the car was parked on the streets while the young men were taking in the Alamo and Buckhorn Saloon. Nine days were spent on the trip.

At a meeting of the directors of the Badger State Baseball League in West Bend Monday evening an all-star team was picked composed of members of every team in the league, with the all-stars to appear in one-half of a doubleheader against the Milwaukee Red Sox at Borchert Field, Milwaukee, the home of the American Association Milwaukee Brewers on September 8. Kewaskum members of the all-star Badger

State League team include: Harold Marx, pitcher; "Fritz" Kral, catcher; Roy Trotter, infielder, and Stan Hodge, outfielder. Bill Harbeck, star Kewaskum center fielder and the league's leading batter, who was also slated for a berth on the team, will be rewarded for his great efforts this season by being given a seat of honor on the all-star's bench. In a game against Port Washington two weeks ago, Harbeck broke his leg sliding into third base, after he had enjoyed a perfect day at the plate with three straight hits.

The 78th Annual Washington County Fair will be at the fairgrounds in West Bend on August 31, September 1st and 2nd. Admission is free, but there will be a 25 cent charge for parking cars.

A series of wrestling matches will be held at the Kewaskum Opera House in the very near future, sponsored by Al Naumann, proprietor of the Opera House, and an ardent fan of the wrestling game. The first three contests will be held on September 12.

A late summer wedding was performed August 24, by Rev. Philip J. Vogt, in the Holy Trinity Church parsonage when Miss Asella Uelmen, daughter of Mr. and Mrs. Jos. Uelmen, of this village, was married to Roland Gruel, son of Mr. and Mrs. Albert Gruel of West Bend.

Frank Thull, 48, Town of Farmington farmer, suffered severe burns to his face, right arm and chest on August 17, when steam and boiling water spurted from the radiator of his tractor after he had removed the

cap to inspect the water supply. He was engaged in threshing grain on his farm at the time.

The storm Monday night did considerable damage around St. Michaels. About 25 trees in Mrs. L. Habeck's woods and over 60 trees in Dricken's woods which included some of the largest standing oaks, maples and hickory, were either broken off or torn out by the roots. A large number of fences, corn and trees on other farms were also blown away. This was the worst storm that ever visited the area as long as can be remembered.

On account of other business interests, Geo. H. Schmidt closed out his book store the past week, having sold his entire stock of stationery, public school books, etc. to L. Rosenheimer and Catholic school books to John Marx.

Miss Agnes Schaefer, who has been clerking in the L. Rosenheimer Store for the past eleven years, resigned her position which took effect last Saturday.

The Colosseum received its name not for its size, but for a colossal statue of Nero that stood close by.

DNR Disposal Auction at Mauthe Lake Draws 2,000

APPROXIMATELY 2,000 PEOPLE turned out Saturday for the DNR property disposal auction held at the Headquarters at Mauthe Lake. Shown above is Fond du

they come to spend a week at camp. As summer goes by, and the last group of girls arrive, it is sad to think that summer is just about over and winter is just around the corner. Up at camp it is so quiet that I get very lonesome and that is why I decided this year I would do something different.

I did. As the last scouts were packing their things and saying good-bye to their new friends, I just slipped inside a suitcase with my little sister. I did make one mistake. I climbed in on the side that had the dirty clothes in. You see, the little girl was having so much fun at camp that she forgot to change her socks all week. She changed ten minutes before her parents arrived. As the suitcase cover went shut and it was tossed into the trunk of the car, we did feel a little sad, but that did pass.

After a long ride we could tell that we were slowing down and finally came to a stop. Thank God for that. The suitcase we were traveling in was dropped next to what looked like a washing machine, and we decided that we better make our exit soon.

We slipped out of the house to check where we were. It was breath taking. There were trees and sidewalks and most important, there were people. After a little walk we saw a watertower with big letters on it that read KEWASKUM. Well, we knew that this would be our new home for the next year. We were sure that we made a good choice.

The next few days we spent our time taking long walks around town. On Thursday night, as we walked past the Legion, we saw all these ladies entering the building for a meeting. I just knew that they were someone special for young girls. You could feel that they had a heart of gold and could always find time to share. We decided to slip in for their leader meeting.

After the meeting was called to order plans for the new scouting year were arranged. Some of the activities for the coming year are Halloween, Roller skating party, Kewaskum International Folk Fair and Bake sale, Food Drive & Good Used Toy, Christmas party, Bowling at Weiland's and many other things.

The cost for becoming a Girl Scout this year will be \$3.00. This is for registration and insurance. If a girl finds this hard to meet she should talk to her leader about the problem.

The scouts will be selling magazines for their troop funds. Each parent is asked to sign the packet if they sell or not so that the scout will be able to receive a special sticker.

When the meeting was over the leaders spent time exchanging ideas and sharing valuable information. We sure learned a lot that night. We just can't wait now for the first scout meetings to begin. The leaders will be calling the girls to inform them of the time and place.

If there is any girl that would still like to sign up to be a Girl Scout, she still can by just calling Janet Panzer at 626-4001.

It is time for me and my sister to take another stroll around town to meet more fine people.

Sheriff Announces Appointment

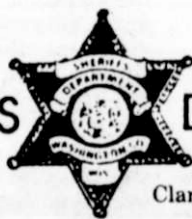

Sheriff Clarence A. Schwartz has announced the appointment of Michael J. Carr to the position of Captain, in command of the Corrections/Communications Division. This division is responsible for the management of the County Jail, Radio Communications, and the Youth Aid Office.

Captain Carr, 41, was a Jail Inspector with the Wisconsin Division of Corrections at the time of his appointment. He has been in corrections for over 17 years, serving in a variety of positions. Carr holds a B.A. degree in Sociology from Lane College, Jackson, Tennessee. He has attended Milwaukee

Area Technical College's police science program and the National Institute of Corrections in Boulder, Colorado.

Captain Carr currently resides in Milwaukee but will soon become a Washington County resident.

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

Beware of Flares

The sight of an orange or red flare on the side of the road should be a signal to motorists that danger is ahead, says Washington County Sheriff Clarence Schwartz.

Sometimes an officer will be the first to arrive at the scene of a serious accident, and will have to attend to the injured, Schwartz explained. There is no time to direct traffic, so the officer may place ignited flares on the side of the road as a signal to approaching traffic to use "caution."

Frequently, the flares are placed at the top of a hillcrest or before a curve in the roadway. This alerts the motorist that some danger, such as the accident, is ahead. The flare can also be used to warn motorists of a road obstruction, high water, or other danger that is not yet in view.

As soon as other officers arrive, more conventional

means of traffic control are then set up, the Sheriff continued.

When a flare is spotted, the wise motorist will slow down and use extreme caution while approaching the scene of the accident, or other event. Be prepared to stop, either upon an officer's order, or on your own, if the road is blocked.

Labor Day Holiday Is Most Deadly Summer Weekend

Labor Day drivers, beware. The summer's last major holiday weekend is statistically the most deadly of the three summer holiday periods on Wisconsin streets and highways, according to the state Department of Transportation.

Maynard Stoehr, director of the DOT's Office for Highway Safety, said accident data indicates that motorists will need to drive with extra care to avoid joining the crash statistics. He urged travelers to obey the speed limit, buckle up and avoid driving after drinking.

Over the past 10 years, Labor Day traffic crashes have killed 195 persons, compared with 138 for July 4 holidays and 154 in Memorial Day holiday crashes.

Last year 20 persons lost their lives in crashes during the Labor Day holidays. The greatest number of Labor Day fatalities occurred in 1977 when 29 persons died. The fewest number of traffic deaths occurred in 1976 when nine were killed.

According to Stoehr, alcohol contributed to a disproportionate number of crashes last year. Of the 19 drivers and passengers whose blood was tested for blood/alcohol concentration (BAC), 10 were over .05 percent, or impaired.

He said the BAC levels of the drivers involved in fatal crashes over the three-day period indicated heavy use of alcohol. On Friday night, the driver of a pickup truck ran into the rear of a tractor-trailer truck, killing the pickup truck driver. His BAC was .15 percent, in excess of the .10 percent BAC level which is evidence of drunken driving.

Saturday crashes showed BAC levels of .14 percent, .15 percent, .23 percent and .19 percent. Sunday and Monday saw BAC levels of .21 percent,

.37 percent and .25 percent. Stoehr said that none of the people killed were wearing seat belts. One crash involving seven people, four non-belted occupants in one vehicle were killed, while the three people, wearing safety belts, in the other vehicle involved were not seriously injured, including a 3-year-old child in a car safety seat.

He said that statistics such as these are what keeps law enforcement officers intent upon enforcing the state's drunken driving law. The State Patrol and local enforcement personnel will be out in full force over the holiday weekend keeping a close watch on holiday traffic as it moves northward beginning late Friday afternoon, and on the southbound trip home on Monday.

Motorists are urged to obey the speed limit, limit their drinking, and avoid stress and fatigue. Stoehr said if everybody conscientiously used seat belts their chances of surviving a crash are greatly improved.

INSPECTION STATIONS CLOSED LABOR DAY

All Wisconsin Vehicle Inspection Stations will be closed Monday, September 2, for Labor Day.

Stations hours are Monday, Wednesday and Friday, 8 a.m. - 3:20 p.m.; Tuesday and Thursday, 8 a.m. - 7:30 p.m. There are three inspection stations in Milwaukee plus others in Waukesha, West Allis, West Bend, Cedarburg, Racine, Kenosha and Burlington.

Minutes of Village Board Meeting

Mid-Monthly Meeting
August 19, 1985
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly session in the meeting room of the Fire House, 1106 Fond du Lac Avenue.

Administrator Schmidt called the meeting to order. President Nigh asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board appointed Trustee Donald Mlodzik to serve as President Pro-Tem.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the minutes of August 5, 1985.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the building permit application of Richard Breit, 1450 Western Avenue for the construction of a detached garage and razing of a detached garage. The office was authorized to issue the proper permits upon proper payment of fees. The permit application was approved by the Building Inspector and Zoning Administrator.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the application for an Operator's (bartender's) License upon proper payment of the required fee and authorized the office to issue said license to Karen Ann Crowley. The Police Department had no objections to the application.

Administrator Daniel Schmidt reviewed some correspondence with the Board and some general information as follows:

1. The Village of Kewaskum hosting the August 28, 1985 Mid-Moraine Association Meeting, taking count of who is planning on attending.

2. Review some brief correspondence.

Two points of business were discussed:

1. A thank you was extended to the Board for having the weeds cut on Knights Avenue.

2. A suggestion to have an

exterior yard light installed at the Fire House Parking Lot was discussed.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board directed the Administrator to work with Attorney Kiefer on sending a letter to Fiberglass Engineered Products, Inc. instructing them to complete the coating process of the WPC Department Clarifier Covers.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the Village Engineers to check the feasibility of reversing the north ball diamond and check to see if room would be available for another diamond at a cost not to exceed \$1,500.

RESOLUTION NO. 85-17 RESOLUTION FOR OUTDOOR RECREATION AIDS

WHEREAS, the Village of Kewaskum is interested in developing lands for public outdoor recreation purposes as described in the application; and

WHEREAS, financial aid is required to carry out the project;

THEREFORE, BE IT RESOLVED, that the Village of Kewaskum has budgeted a sum sufficient to complete the project; and

HEREBY AUTHORIZES Daniel S. Schmidt, Administrator/Clerk, to act on behalf of the Village of Kewaskum to:

Submit an application to the State of Wisconsin Department of Natural Resources for any financial aid that may be available;

Sign documents; and
Take necessary action to undertake, direct and complete the approved project.

BE IT FURTHER RESOLVED that the Village of Kewaskum will comply with state and federal rules for the programs; may perform force account work; will maintain the completed project in an attractive, inviting and safe manner; will keep the facilities open to the general public during reasonable hours consistent with the

type of facility; and will obtain from the State of Wisconsin Department of Natural Resources approval in writing before any change is made in the use of the project site.

Adopted this 19th day of August, 1985.

I hereby certify that the foregoing resolution was duly adopted by the Village Board of the Village of Kewaskum, Washington County, Wisconsin at a legal meeting held on the 19th day of August, 1985.

Daniel S. Schmidt
Administrator/Clerk

Introduced by Trustee Paul Blumer

Motion for adoption by Trustee Richard Schlice

Motion for adoption seconded by Trustee Thomas McElhatton
Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

On a motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the following application for a Special Class "B" Retailer's License to Sell Fermented Malt Beverages at Picnics or Gatherings, upon proper payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license. (Kewaskum Jaycees).

On a motion by Trustee Mary Krueger, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board authorized the signing of renewal of a new Ten (10) year lease with the Kewaskum Historical Society, Inc. for the Museum, located at 1202 Parkview Drive for the same conditions as in the current lease.

Administrator Schmidt reported that the progress on the Municipal Building was going well and that financially it appears the Village will have a balance of \$25,000 to \$30,000 at the completion of the project. This, along with the good news or a balance in the General Fund, would mean the possibility of reducing the \$300,000 loan to \$270,000 or \$240,000. The Board concurred that after a future update if the reduction of the loan is possible.

the Administrator should prepare the appropriate papers and bring it to the Board.

After some discussion a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and carried by the majority by roll call vote, the Board approved the purchasing of a new council room desk from Quality Cabinets, West Bend, WI at a cost of \$2,600. Roll call vote was 4 "Aye," 2 "Nay," 1 "Absent." Trustee Mary Krueger and Trustee Thomas McElhatton voting Nay.

On a motion by Trustee Paul Blumer, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board cancelled the 1st meeting of September, due to the Labor Day holiday and no scheduled business at this time.

See attached Proclamation to Branch #26 of Aid Association for Lutherans.

Motion was made by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Community Employment Project to Help Developmentally Disabled Students

An innovative program, sponsored cooperatively by several Fond du Lac County agencies, will help developmentally disabled high school students make the transition from school to work.

The Community Employment Project is co-sponsored by Brooke Industries, Inc., Fond du Lac County Unified Board, Fond du Lac District DVR Office and the Fond du Lac School District. It is being funded for two years by the State Division of Vocational Rehabilitation through a grant from Innovative Program Funding.

"Eighteen disabled students nearing the end of their public school education will be placed in community work sites over the next two years. The jobs will depend upon the student's skills and interest," said Steve Kohn, a Brooke Industries, Inc. employee who serves as program coordinator. "This program will help the students bridge the gap between school and working."

John Helz, Employment Coordinator at Brooke In-

dustries, will be responsible for finding training sites within Fond du Lac. "Traditionally it has been difficult for teenagers or persons with these disabilities to find work," Helz said. "But there are incentives for employers who hire people in our program." Students in the training program will be paid for the work they perform.

"It may take time for these students to learn the skills needed for their jobs," Helz said. "But we are ready to work side by side with them until the employer and Brooke are sure they can perform the work alone. We do not end our involvement there. We remain in close contact with the students and employers, ready to provide whatever assistance is necessary."

"One of the strengths of this program is it brings together agencies that traditionally have served these individuals separately," Kohn said. "It's nice to see everyone working together towards the same goal - helping these students continue to grow."

State Residents Invited to Help Design New License Plate

Wisconsin residents are being invited to offer their ideas for a new auto license plate design.

Norbert K. Anderson, Administrator of the State Department of Transportation's Division of Motor Vehicles, invites graphic design firms and individuals to submit new design concepts. Anderson emphasized that the state is looking for design ideas that will convey a positive image of the state and its recreational, agricultural, social, historical and/or industrial opportunities.

A selection committee will narrow the choices to about 20 which will be presented to Governor Anthony S. Earl for a final selection. The designers of these offerings will receive a certificate of recognition from the Governor and possibly the satisfaction of seeing his/her artistic creation displayed on 2.3 million vehicles.

Participants may submit design ideas in two categories. One category will conform to all existing statutory requirements including incorporating the "America's Dairyland" slogan, identifying letters and numbers three inches in heights, and the name "Wisconsin" or "Wis." The other category will be limited only by the license plate dimensions, 6x12 inches, and location of the mounting holes.

Deadline for submitting design concepts is October 15. Anyone interested in participating may call or write for the

specifications and ground rules (designs may not be copyrighted and will not be returned), at (608) 266-2235, DOT Bureau of Vehicle Registration, License Plate Design, Post Office Box Number 7909, Madison 53707.

Retired Teachers of County to Meet

The first fall meeting of the newly organized Washington County Retired Teachers Association will be held at Stoneridge, located at 5660 Highway 45, just south of West Bend, at 9:00 a.m., Tuesday, Sept. 17. A good breakfast for \$3.75 including tax and tip will be served after which a registered pharmacist will discuss the topic: "Drugs - what you ought to know about them that your doctor may not tell you." Ample time will be allotted for personal questions. People are asked to bring the names of the drugs and their questions to the meeting.

Reservations for the breakfast are due by Sept. 10th to Mrs. Harold Skuldt, 278 Vine Street, West Bend, Wisconsin, 53095 on or before September 10th.

Newly elected officers are: President, Mrs. Dorothy E. Williams, West Bend; Vice President, Bea Keller, Hartford; Secretary, Mrs. Bernice

Hron, West Bend, and Treasurer, Ernie Mitchell, Kewaskum. Committee Chairmen include Ralph Eggert, Josephine Ott, LaVerne Hron, Tilly Evans, Cordy Skuldt, Bertha Hodgson and Inez Muehl.

Any person over 55 who has taught school is urged to join the active worth-while organization. Spouses of active members are also welcome to attend the meetings. Any of the officers or committee chairmen will be glad to answer your questions. The group will meet five times a year in September, October, November, April and May, on the third Tuesday of the month, at nine o'clock in the morning, for a year of varied programs and fellowship.

'Back to Nature' Craft Fair and Cookie Walk

Crafters from West Bend, along with others from Cedarburg, Germantown, Milwaukee, and Illinois will be displaying their wares at the "Back to Nature" Craft Fair on Sunday, September 8th, from 9 to 4. The Craft Fair and Cookie Walk will be held on the spacious county grounds of the Senior Citizens Center at 401 East Washington (Hy. 33 East) in West Bend. A splendid variety of handmade crafts—doughart, wind chimes, wood crafts, stained glass lamps, hand-stitched baby items, ceramic figurines,

candles, etc., will be on display at the Fair.

Sponsored by the Samaritan Home, the Fair will also feature an exciting trip down the "Cookie Walk." There'll be hundreds of different kinds of cookies to choose from on "Cookie Lane." Try one or try them all!

Each hour during the day, there will be free drawings for prizes and clowns with free gifts for the kids. Lunch and refreshments will also be available. All proceeds from the Cookie Walk and fair rental will be used to fund the completion of the Samaritan resident's nature trail.

TOWN OF FARMINGTON Monthly Town Meeting

The Town Board of the Town of Farmington will hold their regular monthly meeting on Tuesday, Sept. 3, 1985, at 8:00 p.m. in the Town Hall, 9422 Hwy. 144, Kewaskum.

WEST BEND COUNTRY CLUB WOMEN'S ASSOCIATION

Monday, August 19, was a golfing-guest day for the women of West Bend Country Club. Chair Lou Moldenhauer and co-chair LaVern Alston, together with committee members Jan Stark, Judi Mottl, Micki Lees, Mary Lloyd, Barb Martin, Darlene Tessar, and Nancy Van Vooren, planned the golfing events around an "island extravaganza" theme. Both members and guests competed for awards and prizes. Don Hill, golf pro, announced the winners.

Member winners for low gross were Marilou Chapman, 91, Judi Mottl, 96, and Kate Reiss, 96, with guest winners Robbie Van Laanen, 94, Kay Anhalt, 97, and Lana Schumacher, 97.

Member winners for low net were Ann Gonring, Millie Polsen, and Lois McGlenn, all with 72. Guest winners for low net were Yvonne McCollow, 70, Phyllis Genzel, 74, and Cay Anderson 75.

Member Euna Matenaer and guest Jullane Jackson sunk the longest putts on number 6 green, while member Ruth Modrow and guest Betty Petzko sunk the longest putts on number 11 green. The longest drive honors on number 15 tee went to member Dorothy Porlow and guest Lois Bursten. Closest to the green in two

strokes on number 4 tee were member Jenny Smith and guest Karen Saar; on number 7 tee were member Iris Glidden and guest Bonnie Buchanan.

Low putts for the day went to member Janet Alsteen, 32, and guest Betty Dramel, 33. The most sand trap shots were recorded by member Phyllis Moebius, 7, and guest Jeanna Hoppe, 8.

Ruth Modrow and guest Lois Wittig encountered the "most unique island shots."

Club manager Richard Gerbitz arranged for a luncheon for the 88 women attending the annual invite-a-guest day, and the women assembled in the dining room applauded the committee and all staff members responsible for the "island extravaganza" including "beach boys" Kevin McGlenn and Tim Beecher.

Low putts, the day's event on Wednesday, August 21, resulted in the following winners at the West Bend Country Club, for women members of the Association:

18-hole golfers — Class A - Kate Reiss, 30; Class B - Millie Polsen, 32, Marion Scheunemann, 32; Class C - Barb Esenberg, 32; Class D - Phyllis Moebius, 34.

9-hole golfers — Class A & B - Beatrice Kuhn, 16; Class C - Faith Sullivan, 19, Lil Geitz, 19.

Fun Day, with 18-holes played by all women golfers was held on Wednesday, August 28.

Women are encouraged to sign up for an Invitational at South Hills, Fond du Lac, on September 11.

Indians to Scrimmage West Bend East and Slinger Friday

The 1985 Kewaskum Indians football squad members, who have been hitting each other in practice for the past two and one-half weeks, will finally get the opportunity to see some action and bang heads against some opponents in a pre-season scrimmage at 4:30 p.m. this Friday at Slinger against the West Bend East Suns and Slinger Owls.

Although West Bend East has nine returning lettermen, plus several others expected to contribute, the Suns are not expected to be a serious contender in the Little Ten football race this fall.

Slinger is tabbed as a title contender in the revamped Parkland Conference this fall. The Owl varsity squad appears to have the depth it will need to equal last year's record of 6-0 in the Parkland West. Slinger has 17 lettermen back on a squad that includes eight players at 200 pounds or more, including four returning regulars. It is hard to figure where Coach Vic Erickson gets all the beef on his squad year after year.

Kewaskum has only 10 returning lettermen on its squad, 16 of whom are seniors. New head coach Fran Charland's squad was hit hard through graduation. Charland said he don't know where the Indians will finish in the conference standings but has some reason for optimism. The Indians finished sixth in the Eastern Wisconsin Conference last year with a 1-5 record and were 1-7 overall.

Kewaskum will open regular

season play with a non-conference game at Horicon on Friday, Sept. 6, at 7:45. The first conference contest will be at Plymouth on Friday, Sept. 20.

Oldtimers Plan To Meet and Eat

"Never too pooped to participate."

If that slogan sounds like any graying Rock River League alumnus is reflecting on past glories, it's positive thinking by them these days.

And today, with a multitude of those alumni — players, managers, umpires, team officials — enrolled in the league's Oldtimers' Association, more opportunities to participate are again coming up.

First, there's the Oldtimer Outing for all members and their ladies at the Slinger (15-1) at Juneau (15-2) league championship playoff game this coming Sunday, Sept. 1, at 1:30 p.m.

If free admission and refreshments, plus door prizes, are not inducements enough at this nostalgic annual outing, there's always a possibility that association Pres. Carl Heimerl, Jackson, as a bonus will place on exhibit his unusual "how to dance sideways."

Second is another zinger, the Hall of Fame Banquet for all members, their wives and/or companions, as the case may be, and families at the Mayville Golf Club on Saturday night, Oct. 12.

A renowned speaker is being firmed up at this time to anchor the program that'll include Hall of Fame induction for seven and a special 50 years of service award for league umpire Tony Notheis, Beaver Dam.

Lakes Team Loses Final Two Games; Four-Way Tie for First

The Kewaskum Land o' Lakes League team was defeated in their final two games of the season by two of the four teams which tied for first place in the final standings. On Friday night Kewaskum lost to Barton, 11-1, and Monday night they were downed by Thiensville-Mequon in a makeup contest, 14-2. Kewaskum wound up in ninth place with a 3-15 record.

Barton's 11-1 victory Friday featured the 4-hit pitching of T.J. Fischer, 9-2 in the Lakes, who is headed for UW-Madison. Fischer also extended his hitting streak to 13 straight games with 2 for 4. He struck out 10 and walked just two batters. Tim Dettmann came up with three of Kewaskum's four hits, all singles. Andy Hoenecke had the other hit. For Barton, Don Leibtrau went 3 for 4 and Tim Perkins went 2 for 3.

Barton pushed across seven runs in the fifth inning to sew it

up. Fischer lost his shutout in the 9th, when loser Al Jaeger walked and scored later on a wild pitch.

No statistics were available in Kewaskum's 14-2 loss to Thiensville-Mequon Monday night.

The final Lakes standings ended up in a four-way tie for first place, the closest race in many years. Barton, Port Washington, Plymouth and Thiensville-Mequon all finished with 13-5 records.

In the first of the playoff games Tuesday night to break the logjam, Port beat Thiensville-Mequon and Barton defeated Plymouth. The winners will meet Thursday night for the Lakes Northern Division championship and the right to represent the northern division in the grand championship playoffs that start Sept. 1, with the North champs hosting Dousman, Southwest champ.
