Week's Wit

Today an old fashioned couple isn't one that stays married, it's one that gets married.

Ann Skrentny Attends 21st Birthday Celebration of Grandson in England

Barney Skrentny Jr., celebrated his 21st birthday at the Dower House Hotel in Knaresborough, Yorkshire, England, on September 20. His party was attended by a large number of friends and relatives who travelled from all parts of the globe to celebrate the occasion. Barney is in his last year of law studies at London University. Seen here at the party are, from left to right: grandmother, Mrs. Greta Horner, Barney Skrentny Jr., Mrs. Julia Skrentny, Barney Skrentny Sr. and grandmother, Mrs. Ann Skrentny of 104 Main Street, Kewaskum.

A family reunion took place in Knaresborough, Yorkshire, England, on September 20th, to celebrate the 21st birthday of Barney Skrentny, Jr., with guests coming from all over the world and relations from both sides of the Atlantic.

Barney's mother, Julia, was brought up in Knaresborough attending local schools. Her maiden name was Parker. On leaving school she went to work in London for an international insurance company and eventu-

ally found herself working in the company's Chicago office.

Here she met and married another employee of the company, Barney Skrentny, a native of Kewaskum and son of Mrs. Ann Skrentny and the late Ray Skrentny Sr.

When their only son, also named Barney, was eight years old in 1972 they moved to London.

Julia's mother, Greta, still lives in Knaresborough, although she is now married to

Sid Horner. She opened her house at weekends to her young grandson when he started school at Grosvenor House as a boarder and his parents had to travel abroad on business.

Barney Skrentny senior felt very much at home in Knaresborough as it is a small market town situated in very similar countryside to his home town of Kewaskum in Wisconsin. The family bought a house in Abbey Road and when they are not

Fund Forty Project Approved

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum School Board voted, Monday night, to approve the Fund 40 project recommendations as re-submitted by the Finance-Transportation - Buildings and Grounds Committee.

Perry Ankerson, Chairman, told the board that after a second review by both the administration and his committee, it was agreed that the projects previously recommended were of a higher priority than items brought to light in a recent Department of Public Instruction study of the district's food services. We have been assured that the needs of the food services can be accomplished through other means of funding beside Fund

40 noted Ankerson.

The top seven projects which are to be completed with remaining monies from the Wisconsin Trust Fund loan include, sealing of the asbestos ceiling at Wayne Elementary School, purchase of a heating unit for the Middle School Industrial Arts area, purchase of a passenger van, roof repairs on the Kewaskum Elementary one-story section, remodeling of the administration office, repair of the Middle and High School bleachers, and a new water softener for Kewaskum Elementary School.

The estimated cost for the seven projects is approximately \$71,000, however, some actual bids have already come in higher than estimated. If there are any funds remaining after

completion of the seven top projects, the board will look into completing some of the remaining five projects on the priority list. Those projects include, new hall lights at the High School, one room of carpeting at Beechwood Elementary, curtain replacement at Farmington Elementary, an overhead garage door for Kewaskum Elementary, and an airbreak at the administration office.

Buildings Superintendent Fred Boehlke received approval on bids submitted for three of the projects. Resealing of the Wayne ceiling will go to low bidder Skrobis Painting and Decorating at a cost of \$6,915.00 (\$2,000 higher than estimated). Repair of the Wayne School and administra-

All Invited to KHS Holiday Music Concert

Holiday sounds ranging from "Babes in Toyland" to the "Hallelujah Chorus" from Handel's Messiah will be performed by the KHS Music Department this Sunday, Dec. 15, at 7:00 p.m. Everyone is invited to this free Christmas music festival to be held in the auditorium.

Kewaskum area residents have traditionally turned out in large crowds to enjoy performances by the Concert Band, Symphonic Band, Treble Choir and Mixed Choir. The KHS music program is under the direction of David Bertelsen, vocal director, and Larry Ammel, band director.

A special pre-concert performance by the Swing Choir, beginning at 6:30 p.m., will set the mood for the holiday music. An added treat will be cookies and punch, served by the high

school basketball team.

Music selections by the Concert Band include: "Christmas Moods," "Great Songs of Christmas," "An Old English Christmas" and "Home for the Holidays." The Symphonic Band will perform "A Christmas Festival," "A Christmas Intrada," and "Babes in Toyland."

The Treble Choir performance includes: "Isn't This a Lovely Christmas?," "Sing to Him a Song of Love," "Christ Was Born on Christmas Day," and "Christmas Song." Mixed Choir selections include: "Gloria," "Lullaby," "I Saw Three Ships" and "A Celebration of Carols."

The Symphonic Band and Mixed Choir will join to perform "Do You Hear What I Hear?" and "Hallelujah Chorus."

DAR Award Winner Announced

Adrienne Thull

Adrienne Thull, daughter of Mr. and Mrs. Norbert Thull, 2342 Hwy. 28E, Kewaskum, has been selected as Kewaskum High School's candidate for the Wisconsin Society, Daughters of the American Revolution Good Citizen's award, Leroy Kopecky, principal, announced.

The National Society, DAR, aims to develop an appreciation of character building among young people as a basis of good citizenship. Contestants must attend an accredited high school and have four qualities listed to an outstanding degree: Dependability, Service, Patriotism, and Leadership. The contest is open to both boys and girls in the senior class. Students must be American

citizens.

Adrienne will now compete with other high school representatives from Wisconsin. A pin and certificate are presented to all DAR contestants. The state contest will have 1st, 2nd and 3rd place winners with the first place winner going on to the division contest. A \$100 savings bond and participation

Town of Auburn Charity Drive On

The "Four Charity" envelope is once again enclosed in the individual tax envelope this year.

The Wisconsin Heart Fund has made great strides to help those with heart problems of all kinds.

The Red Cross is always there in time of fire, tornado or help of all kind to those in need.

The American Cancer Society has just in the past few weeks made another break through in the cure of certain kinds of this dreaded disease.

The Arthritis foundation has recently published a booklet on "Coping With Stress." This helps the person with Arthritis to help themselves deal with the pain itself.

These four charities are worthwhile, and as in the past, every dollar counts. Marie Mathieu, Alice Marchant and Catherine Strassburg are in charge of the Town of Auburn charity drive.

tion office roofs will go to low bidders Heberer Brothers construction for \$4,993, and heating zone work for the High School will go to L-K Heating and Pieper Power, who will work as co-contractors, at a cost of \$1,583. Boehlke had been authorized to seek bids on those projects at an earlier meeting.

Those projects, along with earlier authorization to seek bids on High School gym divider door repairs and a water softener for the High School, bring the Fund 40 project cost total to approximately \$78,000. At the last accounting, there was \$83,500, plus some interest remaining in the Fund 40 account.

Ankerson also informed the board that his group was beginning a study on the hazardous busing situation and the district's busing policy. The committee will make a formal report when their review is completed.

Neal Weare, Chairman of the Policy-Legislation Committee, gave a report on last month's political forum. Weare said he thought the meeting went very well but one thing that did come out of the discussion was that "we (the taxpayers) all have to take a very active roll in what happens in Madison." People have to contact their legislators and let them know how they feel on issues. "The 1% sales tax money we have hoped for, by the large, is down the tubes," said Weare. It appears that once it gets into the general coffers, there's no getting it back and Governor Earl took care of that, noted Weare.

Weare said he would like to see this type of meeting with the legislators scheduled at least twice a year.

In other action Ms. Julie Backus, the district's new Director of Instruction, presented a proposal which will use Federal funds to help develop basic and creative writing skills in the elementary and middle school students. The approximately \$11,366 in federal funds

available for both public and private schools, will be used to purchase printers, software and textbooks for the program. Backus said the Chapter Two funds would cover the cost of the project.

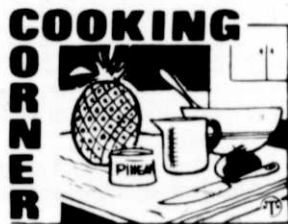

The project would also include a "Systems 80" program which would supplement the elementary schools reading programs.

In other business, the school board approved the first reading of a policy for the Protective Behaviors Program. The program is designed to help children recognize verbal, physical and sexual abuse and the resources and right they have to protect themselves from such abuse. The program also includes a reporting procedure for Protective Behavior.

The board also approved the purchase of two Savon copiers at a total cost of \$4,490. Action on the purchase of a replacement dishwasher for the High School was postponed until Boehlke could obtain additional bids.

The board also approved putting Beechwood Elementary School on an automatic fill system for heating oil rather than the present call for fill system. Due to the school's small tank capacity, there have been problems with the school running out of fuel.

The board then adjourned to closed session.

Meanwhile young Barney went every year to the Dower House to celebrate his birthday so that the choice of venue for his 21st was obvious.

About 100 people came from Knaresborough, London, America, Dublin and Spain, including Barney's grandmother from Kewaskum and his cousin, Brian, who had been his great friend when they lived in America.

Barney junior is now in his last year at law school in London, having done very well at St. Peter's in York. It has been his ambition ever since he was nine to be a lawyer and it looks as if next summer it will be fulfilled.

KHS Student Government To Sponsor Blood Drive

The student government is putting on its annual blood bank Wednesday, Dec. 18. The blood bank will be held from 8:00 a.m. to 12:00 noon in Rose Hall at the high school.

While the blood bank is mainly open to students of Kewaskum High School, Bill Lickel, advisor of student government, said that anyone who wants to give blood from the community is encouraged to sign up in the high school office.

There are only a few requirements needed to give blood. You must be 17 years of age or older, weigh at least 110 pounds and free of any symptoms of the common cold. Unlike the past, you might be able to give blood if you are on medication. The blood center simply asks you bring the name

or bottle of the drug to be sure.

Giving blood takes approximately 40 minutes total, although it takes only 7 minutes for the actual blood donation. The rest of the time is used to get a brief record of your medical history and for refreshments. The actual giving of blood feels only like a strong pinch, but almost everyone agrees that they feel special for doing something important after they have donated.

Offer Free Blood Pressure Screening

A blood pressure screening clinic will be held in Kewaskum on Wednesday, December 18, from 10:30 to 11:30 a.m., at the Kewaskum Senior Club at American Legion Hall, 1538 Fond du Lac Avenue. This clinic is a service offered by the Washington County Community Health Nursing Service and is provided without charge.

A slice of bread will often remove makeup smudges from dark clothes.

Christmas Concert At KMLHS Sunday

The annual Christmas Concert of Kettle Moraine Lutheran High School will be held on Sunday, December 15, at 2:30 p.m. in the high school gymnasium.

All the music organizations of KML will participate in the concert including the KML Grade School Colt and Maverick Bands.

This year for a first in the high school's history, an "All School Choir," of over 130 voices will conclude the afternoon concert. Since many students enjoy singing the beautiful Christmas songs and yet their schedules do not allow them to sing in the regular choir, this choir has been established. All students from the 9th-12th grades are welcome to join.

The Christmas Concert selections are centered around the theme: "Telling the Next Generation About the 'Hope' of Bethlehem!"

Kettle Moraine Lutheran High School is located southeast of Jackson at 3399 Division Road. The public is cordially invited to attend.

Your HEALTH TIP

from Tom Leitzke, R.P.H.

DISCARD UNUSED MEDICATION

Destroy unused portions of medications remaining from a prescription that has been discontinued by your physician. This is properly done by flushing the remainder down the toilet. Destroy any old drugs which have accumulated in your medicine cabinet from previous illnesses, since they may have deteriorated and may not be safe to use. Often drugs prescribed for a previous illness may be harmful to your health when taken at another time without your physician's judgement.

VILLAGE OF KEWASKUM NEWS NOTES

SNOW AND ICE REMOVAL

The snow and ice season has arrived bringing along some problems. To elevate the problem or to clarify two items let us refer to the Municipal Code, Chapter 8.09 which covers, "Snow and Ice Removal."

I. Sidewalks to be kept clear. The owner or occupant of any lot or parcel shall promptly each day remove all snow and ice which may have fallen or accumulated upon the sidewalk in front of each lot or parcel; provided, when ice has so formed that it cannot be removed, the owner or occupant shall keep the same sprinkled with a material which will prevent the sidewalk from being dangerous to pedestrians. If the owner or occupant fails to comply with this subsection, the Superintendent of Public Works shall cause the snow or ice to be removed or sprinkled as required in this section and the cost thereof assessed against the property as a special tax.

II. Snow not to be deposited in the streets. No person shall cause to be deposited snow from his premises or sidewalk abutting thereon onto any street in the Village without a permit from the Superintendent of Public Works, who may require to be paid a fee sufficient to reimburse the Village for the cost of removal of such snow.

As for this and all ordinances a penalty is also provided for in Chapter 25.04 of this Municipal Code.

KHS Journalism Class Tours Milwaukee Journal Building

Members of the KHS Journalism class, Smoke Signals newspaper staff and exchange students toured the Milwaukee Journal and Sentinel on Tuesday, Dec. 10.

The students saw a slide presentation about the Journal and Sentinel and took a walking tour of the building. Highlights included the Journal newsroom, the wire services office, the library, the Sentinel newsroom, the presses and the mailing room.

Students taking the field trip included Kris Buettner, Dennis Goetsch, Lynn Correa, Connie Menger, Bill Winker, Sandra Henrich, Michele Becker, Missy Schuppel, Jill Rimmel, Ann-Marie Horner, Carol Staples, Lynn Peters, Sam Ortiz, Cynthia Barra and Dan Burkolter.

Journalism teacher Kevin Chambers said, "I think this sort of field trip is very valuable for the students. It not only broadened their knowledge of journalism, it also exposed the students to many different career opportunities."

Area Students On National Dean's List

A total of 12 students from this area are among the 90,000 students included in the eighth annual edition of THE NATIONAL DEAN'S LIST just published by Educational Communications, Inc., Lake Forest, Illinois.

Students are selected for this honor by their college deans or registrars and must be in the upper 10% of their class, on their school's Dean's List, or have earned a comparable honor. More than 2,500 colleges and universities nationwide use the publication to recognize their academically qualified students.

Local students selected include:

ADELL — Duane D. Krahn, Milwaukee School of Engr.

CAMPBELLSPORT — Raymond A. Del Ponte, Todd M. Matthies, Milwaukee School of Engr.; Jeffrey J. Ruplinger, OH. St. Univ. College; Theresa R. Ruplinger, Univ. of WI. at Whitewater.

KEWASKUM — Todd E. Backus, Univ. of WI at Whitewater; Kevin R. Chesak, Univ. of WI at Stevens Point; Pamela J. Heberer, Doreen J. Klug, Scott J. Nigh, Mary E. Paul, Univ. of WI at Whitewater; Kirkland W. Vogt, Univ. of WI at Stevens Point.

47 Kewaskum Students Included in Who's Who

A total of 47 Kewaskum High School students have been included in the 19th annual edition of WHO'S WHO AMONG AMERICAN HIGH SCHOOL STUDENTS, 1984-85. WHO'S WHO, published by Educational Communications, Inc., Lake Forest, Illinois, is the largest high school recognition publication in the country. Students are nominated by high school principals and guidance counselors, national youth groups, churches or by the publishing company based upon students' performance in

scholarship award contests or extra-curricular activities.

Final selection is determined on the basis of criteria which include high achievement in academics and leadership in school activities, athletics or community service. Traditionally, 99% of WHO'S WHO students have a grade point average of "B" or better and 97% are college bound.

The 19th edition of WHO'S WHO, published in ten regional volumes, features over 424,000 students, or 6 percent of the nation's 6,500,000 high school juniors and seniors. They represent 18,000 of the 22,000

public, private and parochial high schools in the country.

WHO'S WHO students also compete for over \$50,000 in scholarship awards and participate in the publication's annual opinion poll of teen attitudes. The book is distributed on a complimentary basis to over 15,000 high schools, colleges, universities, and public libraries throughout the country.

Local students selected for the 1984-85 volumes are:

Lisa A. Krahn, Michelle Sedgwick, Michael R. Vetter, Colleen Amerling, Rick Dreher, Ron Theusch, Mona Anderson, Ellen Beisbier, Tracy D. Buchel, Robert Callison, Shawn Chesak, Jeanne Cudnohoske, Devona Gruber, Rick Heller,

Linda Jagler, Michelle Beesten, Christine Bodden, Gary Butzlaff, Amber Charland, Connie Coulter, Laurie Grahl, Richard J. Heller, Rhonda Herriges, Michelle Klahn.

Realistic Goals Help Avoid Holiday Bulges

The holiday season not only brings decorations, gifts and festivities—it also brings the temptation to overindulge on snacks, rich treats and heavy meals served at parties and family gatherings.

For those who despair of reaching New Year's without an extra five or ten pounds, Gail Underbakke, clinical dietitian at the University of Wisconsin Hospital and Clinics, has several suggestions. The key to holiday season weight watching, she says, is planning and setting realistic goals.

"Set a goal of keeping your weight gain to two or three pounds," says Underbakke. "You may become frustrated if you try to lose weight during the holidays. However, if you decide to put off all weight watching until after New Year's, you may have more

pounds to lose."

In addition to setting realistic goals, Underbakke has several suggestions for those battling the scales. Avoid weighing yourself after a heavy meal or evening of snacking, she says — it's too easy to become discouraged. If you step on the scale the morning after a heavy meal and find it registering an extra three to four pounds, you're apt to feel frustrated and consequently overeat again. However, the extra pounds on the scale usually reflect a temporary increase in water retention, which occurs after eating salty and fatty foods. "It is almost impossible to gain more than one pound of body fat in a day," Underbakke explains. To gain one pound of fat, a person would have to eat 3,500 extra calories — approximately equal to 10 cups of

cranberry sauce, 12 slices of pumpkin pie, or 35 dinner rolls.

Watching your weight during the holidays doesn't mean depriving yourself of all holiday treats. Just try to carefully choose the foods you want to eat. "For instance, you may want to enjoy a special holiday cake, but skip a dinner roll and butter, which you can eat all year," says Underbakke.

Underbakke has several calorie-cutting tips for holiday party-goers. First, eat a good meal before attending a social gathering. "It's not a good idea to miss meals before the party," she says. "If you do, your willpower will be low by evening, and you'll probably more than make up for the calories skipped earlier."

Eating smaller portions of treats is another good strategy. "The first and last bites are the most satisfying," says Underbakke. "You can eat smaller portions, or split them with someone else, and still satisfy your craving."

Underbakke also suggests standing away from the buffet table, passing on platters of snacks set next to you, and keeping a bit of food on your plate to discourage refills. Dry wine has about half the calories of most mixed drinks, while fruit juices have as few as

one-tenth the calories of eggnog.

Party hosts can help guests avoid extra calories, while still offering a festive array of snacks. Underbakke recommends serving snacks such as vegetables and dill dip, slices of fresh fruit topped with yogurt, and melba toast or breadsticks instead of nuts, cakes and salted crackers. For beverages, she suggests hot apple cider or spiced teas instead of eggnog or punch. Underbakke adds that hosts should try not to "push food" or make guests feel guilty for not eating.

She also recommends that persons take time out to exercise during the holidays, and plan some holiday activities which do not center around food.

Kewaskum CARES Monthly News Notes

By Joan Rosenberger

What is the Kewaskum School District? Physically it covers the northern fourth of Washington County and parts of Fond du Lac and Sheboygan Counties an area that is approximately 144 square miles. In area it is one of the biggest districts in this part of the state. It has four grade schools, a middle school and a high school. The high school with 681 students is designated a class A school by the WIAA. Because of the geographic size of the district, many residents have not visited all six of the district schools.

A brief history of the district shows that before July 1, 1966, when it became the Kewaskum Community Schools as we now know it, each of the schools was separate. Wayne, Beechwood, Farmington and Kewaskum each had their own grade school which they had built and had their own school board. The high school was a union free high school with a board separate from the Kewaskum Grade School.

Kewaskum Elementary History

The oldest school building in the district is the Kewaskum Elementary School. The three story part of the school was built in 1924 for the high school. In 1949 a one story elementary school was built in the same block just north of the high school. When the high school was moved to its present building in 1956, the grade school expanded into the three story building. In 1964 the original buildings were connected by a

two story addition. The area that is now the grade school cafeteria and garage was originally the high school vocational area. The last addition to the grade school was a one story addition on the northeast. It was built in the mid-seventies for classrooms. Now that enrollment is down, this newest area has been converted to the media center which translates to: library, and computer, remedial reading and audiovisual area.

Christmas Programs Planned

All of the schools in the district are alive with the sounds of music this month as the students prepare for Christmas programs and concerts. The first concert was given by the middle school band and choirs on Thursday. The popular high school Christmas Concert will be held on Sunday this year, Dec. 15, at 7 p.m. In addition to the high school bands and choirs, Santa Claus is scheduled to appear.

The elementary school pupils

will be treated to a Christmas Concert by 120 students in the middle school and choirs. The band and choirs will visit Beechwood, Farmington and Wayne schools on Dec. 17 and Kewaskum Elementary on Dec. 19 at 2 p.m. A final middle school concert for classmates will be held at 2 p.m. on the 20th.

Parents are invited to Christmas programs at 2:30 p.m., Dec. 18 at Beechwood Elementary and at 2:30 p.m., Dec. 19 at Wayne Elementary.

After Christmas the emphasis in the music departments will change to preparation for solo and ensemble contests and for 20 middle school students a trip to Hartford, Jan. 12, for honors band and choir. The high school honors band and choir will be held Jan. 11 at Plymouth. Kewaskum will be represented by 33 students.

Many Offer District Help

The initial response to the Kewaskum CARES campaign to find area residents to help in the district schools has been good. Parents attending the parent-teacher conferences and open houses were asked to help with secretarial, tutoring and

chaperoning duties or to give demonstrations or talks to students. More than 40 residents responded positively.

There is still a need for more coaches for the Olympics of the Mind program, and for more people who could give talks or demonstrations. If you would like to help with the Olympics of the Mind program contact Principal Tom Larsen at Wayne, Beechwood or Farmington Schools. Anyone who received a form and wants to help in the

schools return the form to one of the schools or contact Joan Rosenberger, 210 River Drive, Fredonia, 53021, phone: 692-2491.

In parts of northeastern Europe it was customary for children to leave out not stockings but little paper boats for Santa Claus to put gifts in.

ODE TO FRIENDS:

I've been thinking of a hundred ways to get us all together, And now we face a winter of snowy and cold weather. Could that stop a group like ours or foil such good intentions? Who was it who said... Necessity is the mother of invention! I know the Christmas season's here, but wait a minute... Stop! Do this for yourselves, my dears, forget the kids and Pop! (for now)

Kewaskum Elementary Students Re-enact First Thanksgiving

Pilgrims originally moved to Holland, but decided to move to America when their children began to lose their English identity and become more like Dutch children. Here the girls performed a Dutch dance.

The KES "pilgrims" prepared for their first Thanksgiving feast.

The sixth grade classes at Kewaskum Elementary School presented a Thanksgiving pro-

gram for parents and friends recently. Mrs. West's class presented the play "Our Pilgrim Fathers" which told about the events

leading up to and including the First Thanksgiving. Musical entertainment and reading were provided by Mrs. Stangl's class.

Campus Notes

WAVERLY (IOWA) — Jandelyn Hazlewood of West Bend, a Kewaskum High School graduate, is one of 64 Wartburg College students selected to perform with the college's Concert Band this year.

Hazlewood plays the French horn for Director Robert E. Lee.

A highlight of the Concert Band's season is its annual spring tour, which this year will take it to Chicago and St. Louis.

A number of on-campus appearances also have been scheduled, including a special worship service in conjunction with Spiritual Emphasis Week Jan. 12, a concert during the Meistersinger Honor Band Festival Jan. 25-26, two Spring Term concerts March 22-23 and a performance during Commencement May 25.

A recording session is also planned Feb. 23.

Hazlewood is the daughter of Mr. and Mrs. John Hazlewood, Sr., 1093 Fairfield Court, West Bend.

Letters to the Editor

December 10, 1985

Dear Editor,

I would like to take this opportunity to thank the citizens for their contributions to the Kewaskum Area United Way fund drive. Many people will be helped through the various agencies that are funded by the United Way.

I would also like to thank all those volunteers that contributed their time and efforts to carry out this year's drive: John Tessar and Ed Miller, Co-Chairman, and all the Division Captains: Mike Pfeiffer, Lester Francke, Tom Larsen, Gerry Kiefer, Gerry Gosa, Ted Miller, Pearl Thompson, Norbert Serwe, Roy Esser, and Diane Buchel. Also thanks to Judy Harlow, Fran Charland, and Margaret and Pat McFadden for the slide program they made to better explain what United Way was all about.

Through the efforts of these fine, caring people we were able to attain 96% of this year's goal. In light of this year's economic situation, this was an excellent achievement. Thank you one and all.

Sincerely,

J. Dennis Connor D.D.S.
Pres., United Way

To the Editor:

Salaries in question?
After reading the letter to the editor in the West Bend paper, dated 12-3-85, "all women comment questioned," by Jim Kleinhans, raises many questions. To me it was an awesome letter. First the salaries for the top two women, who represent less than two years of service to the district, the top less than six months, at a salary of \$44,200.00. This does not represent fringe benefits of twenty percent, plus now the district should rent a car. Where was that in the budget? Overpaid YES, underpaid NO.

At an area school next door, the top man is only getting that kind of salary after eight years of service to that district.

The three top men represent fifty years plus. Two of them are

very dedicated people, or they would not have been here that long. I'm sure the door is open to men or women, if they are not satisfied. At Monday night's meeting it was voted to use Fund 40 money to remodel that office once more. Was that money borrowed for this? We are operating in the red or on borrowed money. Why? Wait till your tax bill comes. Waiting to vote in April.

Does Organized Crime Prevent Enactment of a Wisconsin Obscenity Law?

Two grand juries have found that organized crime controls 90% of the hard-core pornography in our country. (New York and Bexar County, Texas).

Wisconsin is 1 of only 7 states without an obscenity law. The Milwaukee Sentinel, like a good sentinel, has cautioned us that

pornography has doubled since 1980 in the absence of a law.

For the third time since 1980 an attempt is being made to get an obscenity law passed, but two constitutionally-strong bills seem to be dying, one in Senator Adelman's Judiciary Committee, the other in Representative Rutkowski's Judiciary Committee.

On October 29 there was a hearing on Senate bill 31 in Senator Adelman's committee. As usual, the porno industry was there to influence our legislators not to pass the law. The hearing was obviously orchestrated and the pleading of citizens concerned about the harmful effects of pornography on their families and communities were blatantly ignored by committee members who were absent or not listening. Senator Adelman and the majority of his committee do not favor such a law despite an astounding 75,000 state-wide signatures on a petition asking for the law.

Senate Bill 31 has 53 co-signers. Why is it that such a popular bill often happens to be in a committee where the majority are opposed to it, and the bill dies? Is this more than just a coincidence?

A legislative aid who spoke at Marquette University on November 9 said that a legislator's

office was broken into, property was stolen and destroyed, and a message was left behind which indicated that the perpetrators probably had some connection with the pornography industry and were trying to prevent anti-pornography legislation from being considered by the Wisconsin legislature. The legislative aid felt that the legislator was being harassed, just like a Dane County Supervisor was harassed into dropping her promotion of an anti-pornography proposal. Is this why legislators don't listen to concerned speakers at hearings?

According to government sources the pornography industry now is the third largest money-maker for organized crime. Is it time for another investigation asking if our legislators in Madison feel threatened? Wisconsin is supposed to have a government OF THE PEOPLE, BY THE PEOPLE, AND FOR THE PEOPLE, WITHOUT INTIMIDATION BY A CRIMINAL UNDERWORLD.

UNLESS WE, THE PEOPLE, URGE OUR LEGISLATORS IN OUR DISTRICTS TO PUT PRESSURE ON SENATOR

ADELMAN AND REPRESENTATIVE RUTKOWSKI TO RELEASE THE OBSCENITY BILLS AND LET ALL LEGISLATORS VOTE ON THEM. WE ARE WITHOUT PROTECTION FROM PORNO - ADDICTED CHILD MOLESTERS, RAPISTS AND SEX DEVIANTS.

IN MEMORY

In loving memory of our mother, mother-in-law and grandmother JOHANNA ROHLINGER, who passed away nine years ago, Dec. 11, 1976.

Beautiful memories woven in gold,
A gift from God we tenderly hold,
Deep in our hearts their memory is kept.
To love and cherish and never forget.

Sadly missed by the family.

THANK YOU

We would like to thank the Kohlsville, Kewaskum, and Allenton Fire Departments for their assistance at our house fire on November 20.

Thanks also to neighbors, friends, relatives, business organizations, and others who donated food, clothing, household items, and cash, and we extend our thank yous to the ladies who provided coffee and sandwiches for the firemen.

Special thanks to Jerome Mayer for the use of his tractor with loader and truck to provide room for our mobile home, Leo Bruskiwicz, Bob Eder, and Curt Bobholz for helping to set up our trailer, and everyone else who volunteered their time in our moment of need.

Thanks again,
Ronald, Sally, Patsy,
and Ronald Jr. Panzer

CARD OF THANKS

We would like to express our sincere thanks to all who showed concern and kindness after the sudden death of our dear mother and grandmother, Marie Wahlen.

Special thanks to Fr. Rinzel and Fr. Kinney, Schmidt Funeral Home, pallbearers, organist and choir, donors of flowers, memorials, food and those who showed their respect. A big thank you to those who prepared and served the dinner.

Your love and support lightened our sorrow.

WAYNE CRUSADERS 4-H

The November 12th meeting of the Wayne Crusaders 4-H club was called to order by President Keith Bartelt. The pledges were led by Beth Bartelt and Tim Herman.

Roll call was to bring an item for a Thanksgiving dinner which we gave to Mrs. Nick Habersetter. The officers handed out program booklets for the upcoming year.

The treasurer's report showed that we made \$25 to \$30 on the club's paper drive.

During new business we talked about a special award for a member who was killed in a car accident. We voted on two awards to be given in memory of our dear friend, Brenda Oelhafen. Mrs. Filber will be working with the County Extension office to word these awards.

Dan Wilson, the Resource-Horticulture Agent, came to our meeting and we discussed the plans for a prairie which is behind Wayne Elementary school. We voted to go ahead with the prairie project.

The meeting was adjourned at 8:13.

After the meeting Dan Wilson showed us some slides that he put together for our proposed prairie project. Roll call for the Wednesday, Dec. 11th meeting is to bring a dozen of cookies and candies. Refreshments for the next meeting will be served by the Anderson and Jenny Schulz families.

The refreshments were served.

State Gets Extra \$2.6 Million for Highway Projects

Wisconsin has been told it can spend an extra \$2.6 million in federal funds on highway projects this fall.

The extra funds will allow state highway officials to get started on some projects earlier than expected.

The \$2.6 million is Wisconsin's share of the total federal highway program spending authority which went unused by other states during federal fiscal year 1985, which ends this Sept. 30, said Tom Hart, DOT highway program management director.

Bids on about \$7.9 million worth of contracts will be opened as part of the state Department of Transportation (DOT) Oct. 8 bid letting.

By far the largest project is resurfacing work along I-94 (North-South Freeway) on the south side of Milwaukee. DOT plans I-94 work on the Edgerton Av. underpass, the Ryan Rd.-Mitchell interchange, the Ramsey Ave. underpass, and the W. Branch Oak Creek bridge.

Also included in the October bid letting are: repaving of WIS 149 in Calumet County from County A to Kiel; repaving on County-N in Marathon County from the west county line to Wausau; replacement of the Roaring Creek Bridge (WIS 54) in Jackson County; and replacement of the Mill Creek Bridge (WIS 37) in Buffalo County.

Without the extra \$2.6 million of federal spending authority, DOT officials say they would have been able to include only about \$5.3 million worth of highway contracts in the October letting, and some of the projects would have been delayed until the November, December or January bid lettings.

Each year at this time,

towards the end of the federal fiscal year, the Federal Highway Administration takes all the spending authority which went unused by each of the 50 states and redistributes it.

This fall, for example, federal highway officials reallocated authority to spend \$368 million to 41 different states. California received \$46.2 million, the largest allocation of any state. Minnesota received authority to spend an extra \$19 million, Iowa \$10.8 million, and Illinois \$24.5 million.

**STUDENT LOAN DEFAULTS:
WHAT IS IT COSTING YOU?**

In the past months, considerable debate has taken place over the waste, fraud and abuse by the Defense Department and its contractors, and rightly so. In fact, the Pentagon is now investigating alleged overcharges of \$240 million over the past decade by the General Dynamics.

However, the huge defense contractor has nothing on the deadbeats who defaulted on their student loans. The Department of Education estimates defaults occurring in Fiscal Year 1985, alone, will cost the federal government nearly \$1.1 billion. The government will pay off these loan guarantees in 1986. Remember the uproar when the President called for \$800 million in cuts in student aid? However, if all those former students who have defaulted on their loans would pay up, it would cover these cuts with funds to spare.

The Reagan Administration is now aggressively collecting these loans. Many of those in default are on the federal government payroll and actions have been taken to collect from them. In addition, the Department of Education is now retaining collection agencies and beginning legal action. Most recently, the Secretary of Education, William Bennett, announced the Department will work with the Internal Revenue Service (IRS) to help collect on these delinquent debts by withholding income tax refunds

from those people who defaulted on their student loans. Before taking action, the IRS will wait sixty days after the taxpayer is notified to see if he or she pays or if other arrangements are made due to extenuating circumstances. If not, the money owed will be subtracted from any federal tax refunds the taxpayer would otherwise receive. The IRS will not, however, garnishee anyone's wages.

Success of a loan program, such as this one, depends on repayment. This obligation should not fall on the back of the taxpayer, especially when the taxpayer is already subsidizing lower interest rates for these loans. By failing to crack down on defaulters, we are sending a signal that it is okay to cheat the government. What it really means is these defaulters are cheating their fellow taxpayers. In this case, the cheaters also might be jeopardizing some other student's college education and career.

It appears that the banks, state agencies, colleges, and universities who were orchestrating this uproar could better devote their efforts by collecting these debts.

What it boils down to is that the President is determined to stop the ripping-off of the taxpayer and those deadbeats are the real reason for any reduction in funds for guaranteed student loans.

Stitt Appalled by Attorney General's Lack of Action on Obscenity Bill

Madison . . . Senator Donald K. Stitt (R-Port Washington) criticized Attorney General Bronson C. La Follette for his lack of support and involvement in a public hearing on Senate Bill 31, a bill revising and strengthening the Wisconsin obscenity law.

"I am completely appalled over the Attorney General's inaction. As Wisconsin's chief law enforcement official, he has obligation to the people of this State to take an active role in establishing an effective obscenity statute in Wisconsin. The people deserve to hear his opinions and concerns over this proposal," Senator Stitt said.

Several prominent individuals in the State's legal community have expressed concerns ranging from the enforceability of this proposed law to its constitutionality.

"Although this bill satisfies the legal requirements of Miller v. California as well as State v. Princess Cinema of Milwaukee, Inc. the Attorney General should certify the bill's constitutionality," Senator Stitt remarked.

"This bill provides an effective mechanism for local governments throughout Wisconsin to control the proliferation of pornography in Wisconsin and gives localities the tools they need to protect their citizens from the dangers of pornography," Senator Stitt stated.

"Considering the important legal and moral issues involved, the Attorney General should not only become involved in this issue, but should promote passage of an obscenity law," Senator Stitt concluded.

York Sees Need For Welfare Reform

Welfare reform is a high priority for the State of Wisconsin if it is to regain control of spending levels, according to State Representative Dwight York (R-Lomira). "Positive changes in the welfare program, including the implementation of 'workfare' and a freeze in benefit levels are among the most immediate steps that should be taken," York said.

Wisconsin is currently ranked third in the nation in welfare payments behind Alaska and California, the Lomira Republican said. "We're easily the most generous state in the midwest, and that reputation has made Wisconsin the prime target for welfare recipients in other states."

York noted that Governor Earl's budget increased AFDC benefits by 4 percent over a two-year period.

"We've become the 'Welfare Santa Claus' of the midwest. A family can move from Illinois to Wisconsin and collect as much as \$281 a month more in Aid to Families With Dependent Children (AFDC) benefits. In some cases, they continue to collect welfare checks from Illinois under a different name. This is called welfare fraud, and local municipalities are reporting, with more and more frequency an increasing number of cases."

A recently appointed State Spending Commission has been asked to review the welfare system, according to York. "I am hoping the Commission takes this task seriously and considers the options available for reform."

Workfare, a program recently introduced to the Legislature would require all able-bodied claimants and single parent recipients whose children are of school age, to enter jobs training and work search programs in order to receive their monthly checks. Currently, recipients are given the option of participation in similar programs.

York reasoned, "As it stands, there exists no incentive for welfare recipients to look for work. Why should they try to make their life any better, when the government insists on handing them money for nothing in return?"

Freezing state welfare benefits at their current rate is also of major importance, York said. "I don't see how the state justifies benefit increases at a time when efforts are being made to cut spending and welfare payment levels are so far out of line with other neighboring states."

Wisconsin continues to

When a major traffic jam delayed Pearl Bailey, the American Lung Association 1985 Christmas Seal chairman, from getting to New York's Central Park, it looked like the national kick-off event for this year's campaign would have to start without her. Luckily, Dolly Parton happened to be lunching nearby and agreed to pose with children who had decorated a replica of the snowman on this year's Seal. Then, just as the country singer started flashing her smile for the cameras, Pearl arrived and the ecstatic Christmas Seal People had the double pleasure of two superstars.

search for better ways to regulate spending, York said. "AFDC reform is among the most obvious and readily available methods of doing so. It's time to tighten the purse strings."

Information Packet For Candidates Now Available From LWV

Persons interested in running for public office in the Spring Election should note that the time to begin the process is now. Circulating nomination papers for County Board Supervisors, Aldermanic and School Board positions began December 1, and ends January 7, 1986.

The Washington County League of Women Voters (LWV) is making available an information packet for people

interested in running for public office. The purpose of this packet, a simplified guide, "How to Run for Public Office," focuses primarily on helping candidates who seek local, county or regional offices. The cost of the packet is \$3.50. If you are interested in receiving this information, please call Jackie Hansen, LWV President, (414) 338-6922 or Sharon Jach, LWV Board member, (414) 334-9225.

The League does not endorse or support candidates, nor is it affiliated with any political parties. This gives the League its non-partisan nature. However, dedication to good government through a well-informed and active electorate is the basic goal of the League of Women Voters.

Effective December 1, Mr. and Mrs. Bob Flynn of Kewaskum took over the operation of the tavern business formerly conducted by Mr. and Mrs. Russell Kohl on the corner of Main and Railroad Streets, known as Kohl's Tap. The Flynn's leased the tavern from Mr. and Mrs. Oscar Ortmann, owners, of West Bend, who formerly operated the tavern.

Santa Claus will pay his annual visit to Kewaskum Dec. 17, for a big Christmas party for all the kiddies of the village and surrounding community at the local theatre. Santa's arrival and party is made possible by the Kiwanis Club. Santa is scheduled to arrive from the North Pole at 1:30 p.m., when he will be picked up by the Kewaskum fire engine and escorted through the main streets to the theatre. Santa will greet all the little tots and present each with a treat of free popcorn and candy. After he has had time to visit with all the kiddies and hand out their goodies in the lobby, the party will continue in the theatre where free movies will be shown starting at about 2 p.m. A feature movie for the youngsters and six hilarious cartoons will be shown to delight the small fry.

At the regular monthly meeting of the Kewaskum Fire Department held last Thursday night, officers were elected for 1961. All officers were re-elected as follows: Assistant chief, Armin Oppermann; foreman, William Martin; assistant foreman, Bob Ours; secretary, George Koerble, and treasurer, Harry Koch. Chief Harry Schaefer is appointed by the village board.

The Kiwanis Club of Kewaskum will again sponsor the home lighting Christmas contest. Prizes will be awarded in both the religious and other categories. However, the club wishes to emphasize the real purpose for this most joyous of seasons, namely the birthday of our Savior. Judging of the exhibits will be performed on December 28.

Milk and milk products processed and packaged by the Barton Dairy, Route 2, Kewaskum, continue to qualify for the use of Grade A label. The processing plant and its full of milk products meet the high standards of Wisconsin Grade A requirements.

Married in Immaculate Conception Church on November 26 were Miss Judith Ann Lehmann, daughter of Mr. and Mrs. Jos. Lehmann, Barton, and Floyd J. Dreher, son of Mr. and Mrs. Edward Dreher, Kewaskum.

Mr. and Mrs. Leland Vetter of Route 1, Kewaskum, an-

nounce the engagement of their daughter, Jeaneen, to John Kudek, son of Mr. and Mrs. Joe Kudek of Route 2, Kewaskum.

A daughter was born to Mr. and Mrs. William Meyer, Campbellsport, on December 6. A daughter was also born to Mr. and Mrs. John Amerling, St. Kilian, on November 22.

A deal was made last week whereby Roman Smith, who has been the local dealer in the ice business for a number of years, sold his entire equipment and rights to Otto Backhaus of this village, who took over the reins last Saturday in this new venture. Mr. Backhaus, who has had much experience in this line, will continue on where the former owner left off, and will fill his customers' orders with the same promptness and capability. Due to the fact that the ice storage house was recently torn down because of its condition, the new owner is harvesting the ice as he needs it at present but later on, when the ice gets thicker, he intends to store it up in his barn, and some other place as yet undecided upon so that he will have plenty on hand to satisfy the needs of his customers when next summer rolls around.

The community is cordially invited to attend a free Christmas Program in the school auditorium on December 19. The program will include the skits, "Our Club," with Allen Tessar, Robert Brauchle, Beatrice Vorpahl, Shirley Backus, Lillian Werner, Rachel Brauchle, Erna Lubitz, and Lloyd Etta; "Jake Snyder's Christmas," with Curtis Romaine, Kathleen Schaefer, Violet Eberle, Mary Kleineschay, Patty Brauchle, Shirley Manthei, Lorraine Honeck, Belinda Backus, Roger Bilgo, Edward Bunkelman, Harold Manthei, Harold Bunkelman, James Strupp, Marlin Dreher, and Frederic Buss; and "Betty's Candle," with Ruth Janssen, Marcella Heisler, Arthur Weddig, Ruth Fleischman, Dorothy Becker, Fred Miller, Dorothy Smith, and Doris Seil.

At the regular meeting of the firemen last Thursday evening the election of officers for the coming year was held. Chief Harry Schaefer was retained for another term with the remaining officers being as follows: Assistant chief, A.P. Schaeffer; foreman, Arnold Martin; treasurer, Bernard J. Seil; secretary, John H. Martin.

Fourteen members of the Fox River Valley alcohol syndicate, which operated a distillery in Fond du Lac and shipped many thousands of gallons of alcohol out of that city to Illinois, Minnesota and Iowa points during the prohibition era, were convicted by a Milwaukee federal court jury last Thursday of charges of conspiracy.

Congratulations are in order for Mr. and Mrs. Leroy Keller on the arrival of a baby boy last Thursday.

WOULD YOU BELIEVE? Perry T. Goings, now of Sedalia, Mo., is suing his wife for a divorce because he wants to settle down. He claims since his marriage in 1924 she has made him change residence 65 times.

When relatives of Chas. Brumfield of Lizton, Ind., came from Virginia to attend his funeral they found him mixing concrete to repair his garage.

On Sunday many sleighs were seen in the village of St. Kilian. A little more snow will make fine sleighing.

Mrs. John Marx entertained the Young Ladies' Cinch club at the Eagle Hotel last Tuesday. Prizes were awarded as follows: First, Miss Lilly Schlosser; consolation, Mrs. Joseph Schlosser.

The following 200 scores were rolled on Eberle's alleys the last week: Joe Eberle, 206; Steve Wollensak, 206, 207, 209; H. Olwin, 202.

Miss Mary Bleck, daughter of Mr. and Mrs. C. Bleck, Sr., died last week Friday at her home in the Town of Auburn, after an illness of six weeks.

A baby boy was born to Mr. and Mrs. John Andrae last Sunday. A baby boy was also born to Mr. and Mrs. Andrew Groth on Thursday.

General Clinic Offers On-Site X-Ray Services

Barb Gottsacker, x-ray technician, demonstrates the "free floating" diagnostic table in the General Clinic's new x-ray unit. In the patient's position is Mary Schubert from the Clinic's Medical Records Department.

WEST BEND — General Clinic patients now have the convenience of having their x-rays taken at the clinic. New state of the art radiographic systems have been added at the General Clinic Main, West Bend, and Jackson locations.

Since the addition of x-ray facilities, patients do not need to travel to the hospital for many of the basic x-rays their doctors order.

"My biggest comment from patients is that it's been such a convenience to have x-rays taken here at the clinic," said Barb Gottsacker, a registered x-ray technician at General Clinic Main where some 15 to 25 x-rays are done each day.

Connie Cox is the technician serving the Jackson office, which does an average of 30 x-rays each week.

Jackson patients have also been pleased with the on-site facilities, she said.

"It helps out the doctor, also. Especially in emergency cases, when someone comes in with a fractured leg, for example," Cox added.

The Bennett X-Ray system installed at both clinic locations is designed to serve the general purpose needs of modern clinics, such as the General Clinic. It enables the clinic to provide a wide range of basic diagnostic x-rays. They include x-rays of the skull, chest, shoulder, extremities and, in some cases, the abdomen.

St. Joseph's Community Hospital assists in the management of the x-ray services, providing x-ray personnel and supplies.

Not all x-rays can be done at the Clinic. Specialized studies

continue to be done at St. Joseph's. They include tomography, mammography and any contrast x-rays made by using dyes to make organs stand out more clearly on the x-ray. Some x-rays require special equipment or are performed by the hospital radiologist.

A radiologist reads the x-rays each day. The films are then available immediately for the doctors' preliminary interpretations.

High accuracy is a feature of the radiographic system. The system's greater accuracy is able to get the exact quantity and penetration needed. This reduces the number of potential retakes and provides only the necessary exposure to radiation.

Patients' needs have also been considered in the design of the Bennett horizontal x-ray table. The table "floats" on 28 ball bearings, allowing the technician to position the patient precisely and easily without patient discomfort.

"The free floating table makes it easier. You don't have to move the patient — you can move the table!", Gottsacker said.

Wisconsin Medical Ventures Inc. of Pewaukee, which provided the Bennett system, also helped familiarize the technicians with its operation.

The x-ray facilities at both clinic location are in keeping with General Clinic's goals to better serve its patients and to add new dimensions in clinic services whenever possible.

General Clinic Announces Addition of New Employees

New faces at the General Clinic include, bottom row, left to right: Ginny Becker, Cindy Kaufmann and Jill Luedtke; top row: Diane Ausman, Maureen Kirtchen, Millie Tischendorf, Jean Hilt, Judy Zander, Laura Spaeth, Sally Mertes and Sue Pudwell.

The General Clinic has announced the addition of new employees at each of its three offices, in West Bend and Jackson.

They include Virginia Becker,

Jill Luedtke, Diane Ausman, Mildred Tischendorf, Jean Hilt, Sally Mertes and Diane Theisen at the General Clinic West Bend Main office.

Cynthia Koffman and Sue

Pudwell will be working out of the Main and Jackson offices. Maureen Kirtchen, Judy Zander and Nancy Boeck serve the Jackson office.

A new employee at the West Bend North office is Laura Spaeth.

Michelle Deffenbaugh joined the Clinic as a co-op student and Mary Boden is on the on-call medical transcription staff.

Carefully Select Holiday Toys for Children

The National Society to Prevent Blindness-Wisconsin cautions parents and other gift givers to be very selective this holiday season when purchasing toys. Last year an estimated 5,035 children were treated in hospital emergency rooms for toy-related eye injuries. More than 80 percent of these children were under age 15.

The Society feels the first thing a buyer should consider is the appropriateness of the toy for the child's maturity level. The buyer should then be aware of the following potential hazards: sharp, edges, points, nails, screws and pins that are exposed or can become exposed; toys that can shatter; loose parts on toys that can become unattached, exposing sharp metal or plastic. Projectile toys, which include

air and spring operated guns, slingshots, bows and arrows and darts, should not be purchased. Last year, these toys caused 3,600 eye injuries that required hospital emergency room treatment.

A gift from the Society to parents and other interested in year-round children's eye safety is the brochure entitled "Play It Safe." For your free copy send a self-addressed, stamped, business-sized envelope to the National Society to Prevent Blindness-Wisconsin, 759 N. Milwaukee St., Milwaukee, WI 53202.

**PICK A DAY!
ANY DAY!
AND
REGISTER
WITH
SELECTIVE SERVICE.**

If you're a young man born on or after January 1, 1960 you are required to register with Selective Service within a month of your 18th birthday.

The registration process takes less than five minutes at the post office. You just fill out a simple form asking only for your name, date of birth, address, telephone number and Social Security number.

Registration helps keep our country prepared with a pool of names to draw from in case of a national emergency... without interfering with people's lives. When you think about it... that's not a lot to ask for a country as great as ours.

**REGISTRATION.
IT'S QUICK. IT'S EASY.
AND IT'S THE LAW.**

PRINTED AS A PUBLIC SERVICE

**Last Opportunity
For Men Turning
26 to Register**

The Selective Service System reaches an important milestone in the registration of young men on January 1, 1986.

Beginning on this date, men who were required in 1980 to register with Selective Service will be turning 26. Selective Service does not have the authority to accept registration of men after they turn 26. Men who failed to register will have permanently forfeited their right to certain Federal student aid and job training benefits as well as Federal employment. Additionally, registration with Selective Service is a requirement in some states for various employment opportunities, such as law enforcement agencies and permission to practice law.

Men born in 1960 who have registered, will reach age 26 in 1986 and, under present law, will no longer be eligible for selection for induction. Over 15 million men, age 18 through 25, have registered with Selective Service since President Carter initiated registration in 1980.

Many of the men who are nonregistrants may be unaware of the requirement or do not understand the importance of the obligation to register. Some have served in the military but failed to register either before entering the Armed Forces or after leaving active duty. Others may have been incarcerated at the time of their 18th birthday and not realize they were required to register if released from custody prior to age 26.

Men age 18 to 25 who have not yet registered should register promptly to avoid prosecution and/or loss of benefits. Registration takes only five minutes at any post office. Failure to register is a felony, punishable by a fine of up to \$250,000 and/or up to 5 years imprisonment.

**Minutes of Village
Board Meeting**

Regular Meeting
December 2, 1985
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. Trustee Donald Mlodzik asked to be excused and was absent. All other Trustee Members were present.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the minutes of November 18 and 25, 1985.

Robert Staehler, President of the Kewaskum Sno-Chief's Snowmobile Club requested permission to use the same snowmobile route as was approved by the Village Board for the 1984-1985 season for this coming 1985-1986 season. It was noted that there was a change in the route to the Bonne Belle Motel that being from the south rather than the north.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the snowmobile route as presented by Mr. Staehler.

Administrator Schmidt reviewed briefly the final tax rate figures with the Board indicating the State Credit amount will equal \$3.71 per thousand of assessed value, bringing the net rate to \$22.93 per thousand of assessed value. The total rate increased \$2.90 per thousand or 14.5% with the Village of Kewaskum being the only entity reflecting a decrease in taxes.

Administrator Schmidt reviewed with the Board some brief correspondence and passed out the November 30,

1985, balance sheet for the Board to review.

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Gen. Fund	\$115,546.83
Sewage Fund	5,962.96
Water Fund	1,931.42
TID Fund	6,840.88
TOTAL	\$130,282.09

General Fund - Voucher #4486 thru #4615

Sewage Fund - Voucher #4214 thru #4223

Water Fund - Voucher #4847 thru #4852

TID Fund - Voucher #210 thru #215

Trustee Howard Laubenstein, the Board Representative on the Plan Commission, informed the Board of the Public Hearing for the Sison Project, which is scheduled for December 16, 1985.

Trustee Richard Schlice, the Library Board Representative, reviewed with the Board the Library Board's recommendation regarding the charge for non-village resident households. The amount of \$32.58 is what it costs every Village household and the recommended amount for non-village households was suggested at \$36.00 or approximately 10% higher.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the non-resident fee of \$36.00 for a one year library card.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the drafting of specs and the advertising for bids on the Fire Department - Tanker Apparatus Body.

Action was taken on Resolution Nos. 85-28, 85-29 and 85-30 as attached hereto:

Discussion was held on some potential hazards in reference to garbage collection. For a solution to the problem, letters will be sent out where appropriate, news article will be written and garbage containers will be tagged. This is in an effort to enforce the existing ordinance.

Motion was made by Trustee Richard Schlice, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1)(c) of the Statutes to discuss employee negotiations, compensation and performance data of village employees over which the governmental body has jurisdiction. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

IN MEMORY
 In loving memory of our dear wife, mother, grandmother and great-grandmother, MARIE DEI, who passed away one year ago, December 8, 1984:
 Days of sadness still come o'er us.
 Tears in silence often flow.
 For memory keeps you ever near us
 Though you died one year ago.
 Death can never take away
 And time cannot erase
 The memory of a loving heart,
 A dear familiar face;
 And there is comfort in the thought
 That as the years go by
 Our memories grow dearer still.
 For love can never die.

Deeply missed by the entire Walter Dei family.

IN MEMORY
 In memory of Michael Stern - a Birthday Remembrance - Dec. 10th:
 We could write a million words
 Yet what more could we say
 Besides how much we loved him
 And miss him everyday.

Deeply missed and lovingly remembered by the entire family.

IN MEMORY
 In loving memory of our husband and father, HAROLD (Schnookie) STERN who passed away one year ago, Dec. 11, 1984:

This month comes to us with deep regret,
 It brings a day we will never forget,
 His memory still is very dear,
 So many times he seems so near.
 No longer here our lives to share,
 But in our hearts he is always here,
 We miss him more each passing year,
 Someday we'll meet where there are no tears.
 Sadly missed by Shirley and Tom

IN LOVING MEMORY
 In memory of Harold (Schnookie) Stern, who passed away Dec. 11, 1984:

No one can mend the hearts that broke,
 The day you went away.
 No one can stop the tears that fall,
 When missing you each day.
 No one can know the loneliness,
 And sadness we must face.
 No one can love you as we do,
 No one can take your place.

Deeply missed by mother, sisters, brother, in-laws, nephews and nieces.

Wrestlers Win, Draw, Lose in Triple Dual, Beaten by Falls

The Campbellsport wrestling team came out on top in a triple dual wrestling meet hosted by St. Mary's Springs, Fond du Lac, last Tuesday.

The Cougars defeated all three of their opponents, Grafton, 66-3; St. Mary's 51-11, and Kewaskum, 52-10, with six of their wrestlers going undefeated for the night.

Kewaskum and Springs wound up 1-1-1 as both beat Grafton and fought to a 31-31 draw against each other, while losing to Campbellsport.

The Indians' Daryl Landvatter posted two victories at 132 lbs. on a pin and a major decision. Wade Jepson took over in the third match, also winning with a 3:13 pin over Sean Donahue of Grafton.

Ken Miller at 145 recorded a pin and a technical pin before losing to one of Campbellsport's top wrestlers, Bob Guelig, by just two points.

Freshmen Bobby Castro and Chris Charland both picked up a pair of pins in their first varsity competition. Rich Straub also won his first match but did not compete in the other two because of not feeling well.

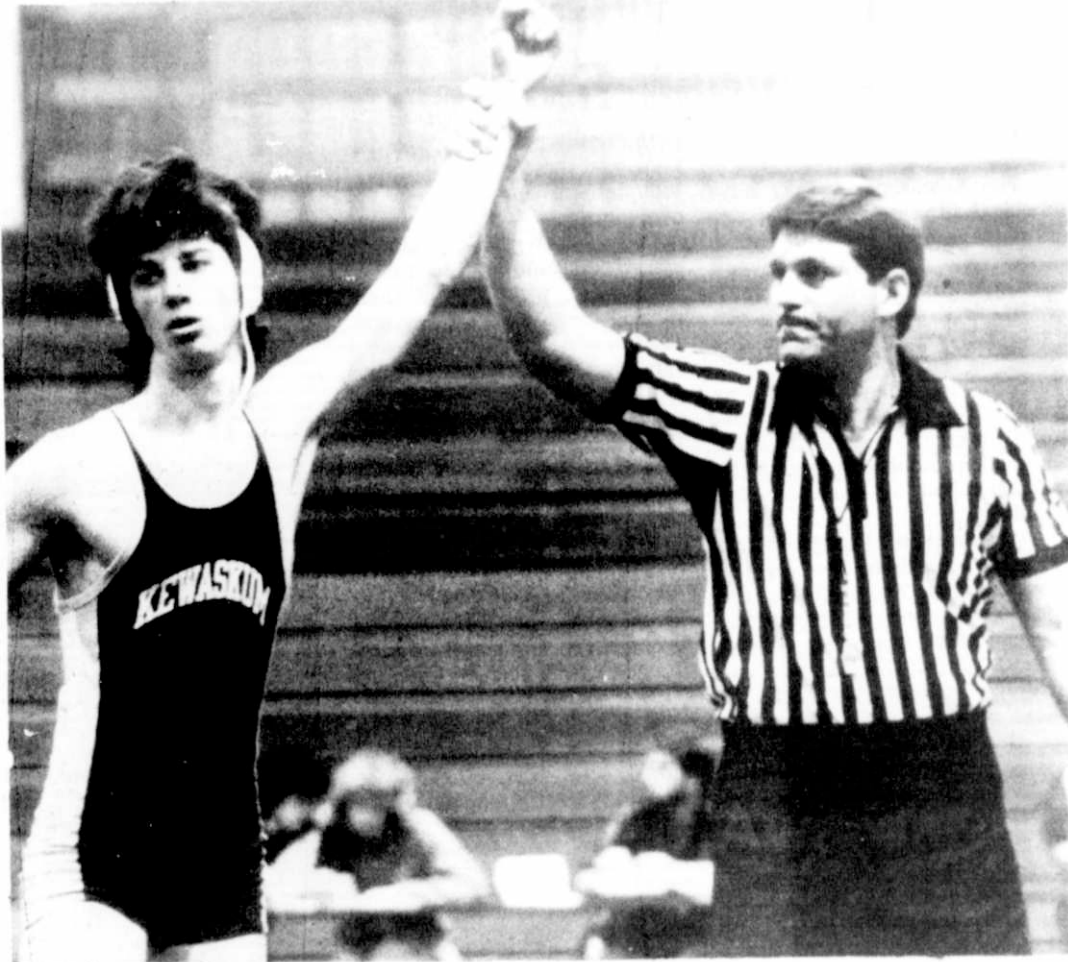

Kewaskum 21, Sheb. Falls 40

The Kewaskum varsity wrestling team dropped their record for the season to 1-2-1 with a loss to strong Sheboygan Falls here Thursday night by a score of 21-40. The Falcons have been picked as the favorites in the EW conference this year.

Indian wrestlers took five of the matches in the twelve match event, with Rich Straub winning on a pin over John Sider. Other Kewaskum winners, all on points, were Bob Castro, Chris Charland, Ken Miller and Jerry Vetter.

At this point in the young season Kewaskum wrestlers Castro, Charland, Rick Staehler and Miller have wrestled their way to 3-1 records. Wade Jepson, wrestling at 132, is the only undefeated wrestler, with a 1-0 record.

Kewaskum's only win of the season came over Grafton with losses to Campbellsport and Sheboygan Falls. The Indians wrestled to a draw with Saint Mary's Springs.

Lakes Team Loses Opener at Port; Lemon Scores 50 Points, Laatsch 42

Kewaskum lost its opening Land o' Lakes League game at Port Washington Sunday evening by five points, 130-125.

A bad second quarter did Kewaskum in, as they were unable to recover. They were unable to contain Port's big man, Kevin Lemon, who scored 50 points. Port maintained a 5 to 10 point lead throughout the entire second half.

Following Lemon, Port's next top scorers were Rollie Kitt with 22 points, and Rick Nuedling and Dave Ross with 18 apiece. Leon Laatsch also had a very good night for losing Kewaskum with 42 points. Next in line were Bob Nigh with 24 and Tim Rondorf with 22.

Kewaskum's next game will be at the Menomonee Falls Honey Bucket Sunday at Falls North High School at 7:00 p.m.

Record County Gun Deer Kill of 735; Extend Season

Washington County's gun-deer kill for the 1985 regular season reached a record of 735. This figure is 84 higher than last year, according to authorities.

Of that total, 265 were antlered bucks while 470 were antlerless deer. The big increase was in antlerless deer.

In the State of Wisconsin, a record 276,000 deer were killed in the nine-day season, which ended Dec. 1, according to the Department of Natural Resources. The deer herd may have yielded the highest harvest hunters can ever hope to see, according to preliminary

figures for the 1985 deer kill. The final figure for this season's harvest is still expected to increase.

On Monday, Dec. 9, DNR Secretary C. D. "Buzz" Pesadny signed an order to extend the gun/deer season for another nine days in 19 deer management units across Wisconsin. After reviewing harvest data, department wildlife managers determined a significant underharvest of antlerless deer occurred in these 19 units. The dates of the extended hunt are Saturday, Dec. 14, through Sunday, Dec. 22.

Winners in BVL Bowling Tournament

The West Bend Women's Bowling Association recently held their annual BVL Tournament Nov. 3 - Nov. 16, at each bowling house. This year, however, WBWBA also held the tournament for the men and is happy to announce the winners of each Bowling House for both women and men.

WBWBA wants to thank everyone who donated and helped to make it possible to send a nice check for our Hospitalized Veterans. Last year bowlers all across the country raised over one million dollars through the BVL fund.

Indian Boys Win Big At Sheboygan Falls

By Chuck Voge

The Kewaskum varsity boys basketball team won a big one Tuesday night, Dec. 10, with a 76-62 win over the Sheboygan Falls Falcons there.

The high scoring Indians had four players that finished the evening in double figures. High scorer for Kewaskum was senior Todd Steger with a total of 16 points, a season high for him. Tim Rohlinger and Mike Coulter had 15 each for the Indians.

The Indians offensive effort was by far their best of the season with everyone on the floor contributing to the scoring in a well balanced attack. Kewaskum's rebounding was without a fault. In spite of having to give a big advantage to the Falcons in the height department the Indians cleared both boards time after time and scored heavily on tip-ins and lay-ups from their own offensive rebounds. Coulter seems to get up higher and higher in each game. No one pushes him out of the play either.

Starters for the evening were Yahr and Coulter at forwards, Ramthun and Rohlinger in the back court and Theusch at the center spot.

Very early in the first period the Indians took a 9-7 lead on two free throws by Coulter and never lost that lead for the entire game. Coulter's ten point total for the period was just three short of what the entire Falcon team scored in the entire first quarter which ended at 19-13 Kewaskum.

In the second period, much like the first, the Indians controlled the pace of the game. They played very heady ball, taking their time in setting up their offense and getting inside time after time. Turnovers were at a minimum, and at the end of the half Kewaskum held a 35-29 lead.

As the second half started the Indians really turned it on, stretching their lead to 17. Steger scored eight in the period with four of them coming on back to back turnaround jumpers. Yahr added another six with a shot from the base line and two tip-ins. The Falcons only scored 11 points in the entire period and this proved to be their downfall. The third

period ended at 57-40, Kewaskum, and the 17 point lead was just too much for Falls to overcome.

In the fourth period Rohlinger picked up nine of his fifteen point total, with four of them coming on a pair of lay-ups. Menzel added another two on a very long base line jumper, and the Indians coasted for the last three minutes to a 76-62 win. The Indians are now 2-2 for the season, and a perfect 1-0 in Eastern Wisconsin Conference play. Next they take on Plymouth at home this Friday at 7:45 p.m.

In other action the junior varsity took their first loss of the season, dropping the night's contest, 51-48. The JVs are now 3-1 for the season. The freshmen lost, 38-36, on a long last minute desperate shot just thrown up at the basket at the buzzer.

Girls Lose to Talented Hartford, Sheb. Falls

A very good Hartford team of the Wisconsin Little Ten Conference rolled over the Kewaskum girls here last Tuesday night, 48-29. The Orioles, who have most of last year's powerful team back, led by ace Steffi Schink, are tabbed as the favorites in their conference.

The victory raised the undefeated Oriole girls' record to 4-0 this season. (They are now 5-0, having beaten West Bend East in their conference opener Thursday, 57-43. Schink scored 24 points in this one).

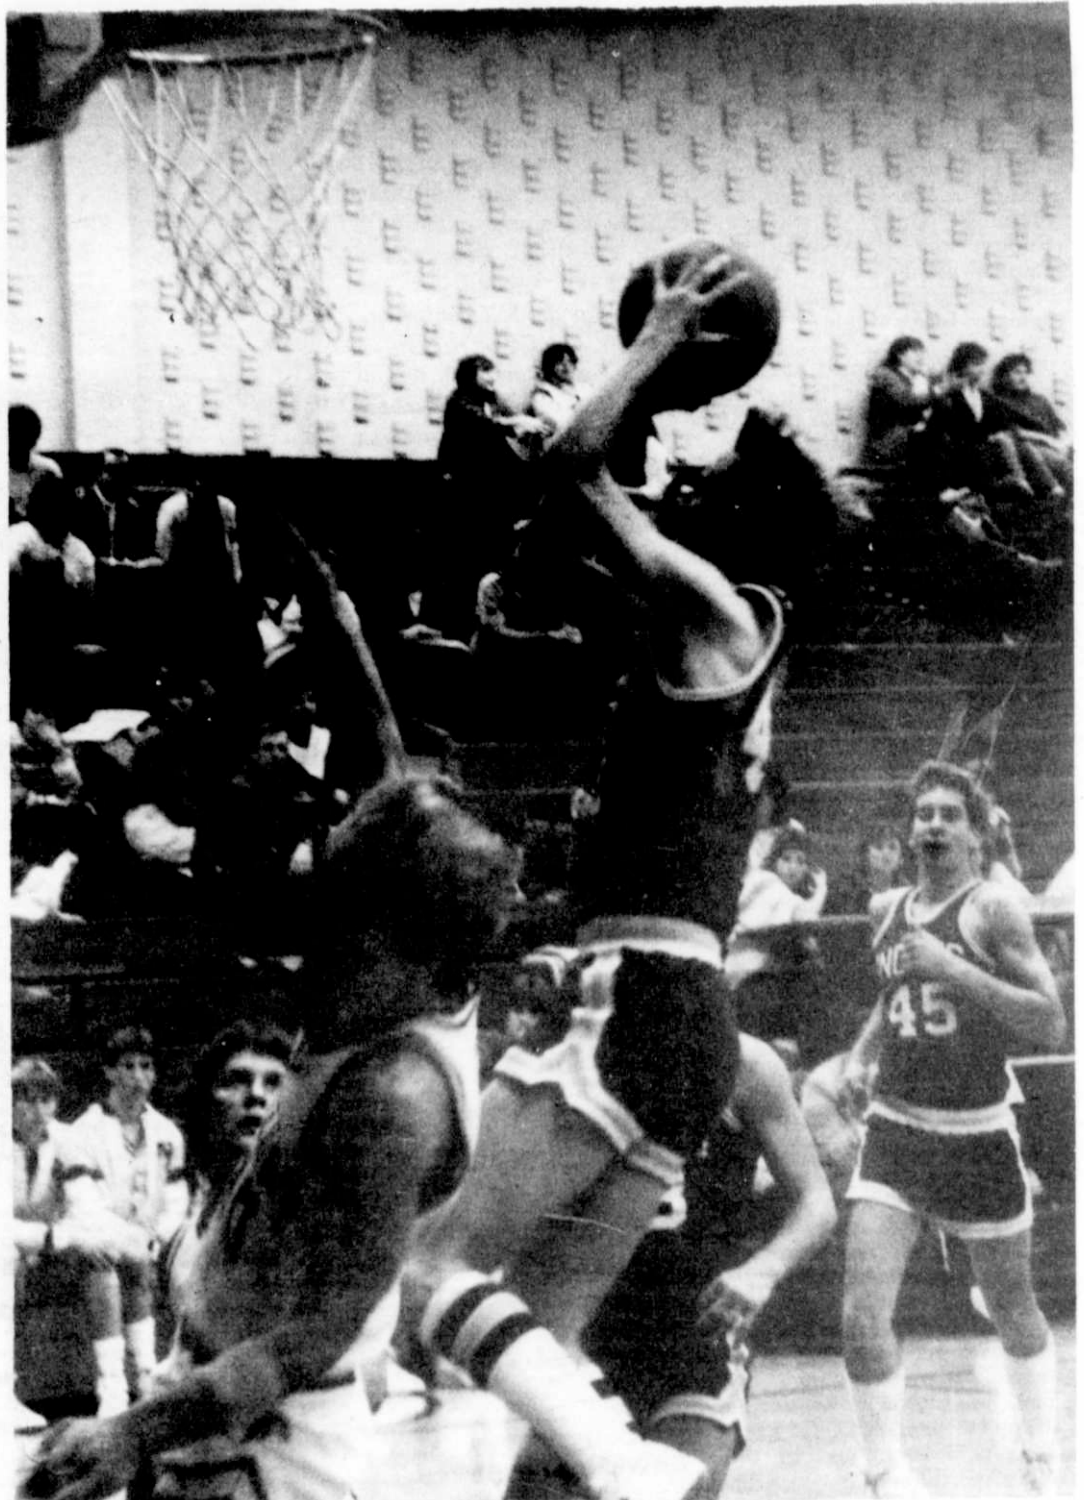

Hartford got off to a slow start here and the two teams battled to an 8-8 deadlock in the first quarter before the Orioles used a 16-4 advantage at this point to take control of the

game. The Indians really missed Jodi Yearling and Laurie Blum, both of whom did not play in the game because of injuries.

Kewaskum held high scoring center Schink to 14 points but she didn't play full time. She also had nine rebounds. Tami Baalke led Hartford with a game high 16 points. Brenda Theusch and Fusek paced the Indians with 6 and 5 points respectively.

Kewaskum had balanced scoring but the players scored only a few points and missed a lot of good scoring opportunities. The team shot only 19 percent while the Orioles hit for 37 percent.

The two teams will face each

KEWASKUM'S BOB YAHR drives another nail in the Falcon coffin.

other again in the first game of the Class A regional on Feb. 27.

Hartford also won both preliminary games, with the JVs posting a 38-28 victory and the freshmen won, 39-33.

Hartford — Schink 6-4-3; Baalke 7-2-3; Baertlein 4-0-3; Kernwein 1-0-2; Hanrahan 0-2-4; Gosenheimer 0-0-0; Schladweiler 0-0-0; Ciriacks 0-0-0; Hasch 0-0-1; Gerhardt 1-0-2; Krueger 0-0-0; Paris 1-0-2; Klippel 0-0-0; Redlin 0-0-0. Total — 20-8-20.

Kewaskum — Kober 0-3-1; Fusek 1-3-4; Schneider 2-0-1; Schmidt 0-0-3; B. Theusch 3-0-2; Vetter 0-3-0; Hintz 1-2-2; T. Theusch 1-2-0. Total — 8-13-13.

Sheb. Falls 44, Kewaskum 42

The Kewaskum girls lost a real squeaker at Sheboygan Falls Thursday night, Dec. 5, by a score of 44-42.

Starting the game for Kewaskum were Brenda Vetter, Lisa Schneider, Brenda Kober, Brenda Theusch and Terri Schmidt.

The result might have been turned around had Kewaskum had the injured Jodi Yearling and Laurie Blum able to play in this game.

Kewaskum's high scorer for the evening with a total of 15 points was Terri Schmidt, a junior. Second high scorer for the Indians was soph Brenda Theusch with 7. The loss drops the girls to 2-2 for the season

and 0-1 in conference play.

In Schmidt's 15 point performance, her high for the season, Terri shot a perfect 5 for 5 from the floor and 5 for 8 from the free throw line.

High scorers for Falls were Mattek with 20 and Hizon with 8.

In other girls' basketball action the freshmen defeated Falls, 48-36, with Jenny Schneider scoring a fantastic 31 points for the evening. Her 31 may very well have set a new girls' scoring record. The freshmen are also 2-2 for the season and 1-0 in conference play.

The junior varsity dumped Falls, 29-20, with Christy Kougl leading the way with a high point total of 8 in the game. Jill Rimmel was the Indians' second high scorer with 7. The JV's are now 1-3 for the season and 1-0 in conference play.
