Board Discusses Land Annexation for Regal Lodge

Photos Will Help Village Lay Out Sidewalk Construction Program

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board has approved a proposal from its engineers that it hire Aerometrics Corporation to photograph the entire village, and the resulting stereo photos be used to compile data for use in designing the sidewalk construction program.

A letter from Robert Skatrud, of Reukert and Mielke, Inc., indicated that the use of photography and manuscript base maps could reduce project design costs by at least \$5,000.

After the design work is completed, the engineers will present various options and timetables for the board to

consider in proceeding with the work. Administrator Dan Schmidt indicated, at this time no decision has been made as to when the project will begin, where the work will start, or how long the project will be scheduled to take before completion.

In other business the board discussed a proposed annexation of land at the site of the proposed Regal Ware, Incorporated, guest lodge which is to be constructed just west of the village limits.

The discussion concerned a proposed request for annexation so the structure could be served by village sewer and water. The village also asked

that Regal agree to set aside, for future dedication upon the village's request, a 45 foot wide strip of land along the east side of the property for the construction of a roadway.

There was also considerable discussion regarding an agreement regarding indemnification concerning any litigation which might occur because of the annexation.

Mr. James Reigle was somewhat upset with the way he felt the discussion was going, telling the board that Regal Ware had been getting signals and roadblocks set in the way of the proposal. He told the trustees Regal Ware was

Plans to Open Mini-Mart

Kohn Bros. Discontinues Implement Business

By GERRY MUELLER
Statesman Staff Writer

After forty years, the name of Kohn will no longer be associated with the farm implement business in Kewaskum.

Robert Kohn, whose late father Lester began the business in 1946, said the hard agricultural and economic times have made it impossible to keep the company going on a profitable level. Kohn said he understood very well the financial straits that farmers are in since he is in the same boat. The high prices of new equipment along with the interest rates are eating us alive, noted Kohn. Just three or four pieces of equipment can tie up over

\$100,000 plus interest and I just decided I couldn't borrow any more. It is just throwing good money after bad.

We can't compete when farmers are going out of business and the market is being flooded with used equipment. I've got machinery in the fields that farmers bought from me and haven't paid on in the last three or four years. Customers come in for parts and charge them and don't pay on their accounts but yet I have to pay my suppliers.

Even if equipment is repossessed, said Kohn, I have to put it back onto my inventory list and I have to pay the interest until I'm able to resell

Hwy. 28E Reconstruction in 1987 to Temporarily Close Main St. Here

By GERRY MUELLER
Statesman Staff Writer

The Village of Kewaskum and people who regularly travel on Highway 28 east will be faced with a temporary inconvenience during the summer of 1987 when the road will be closed for reconstruction and paving.

Village Administrator Dan Schmidt told the Village Board Monday night that Highway 28,

from Highway 45 in Kewaskum to Highway 144, is still included in the Department of Transportation's highway program for 1987.

Highway 28 (Main Street) is expected to be closed for several weeks sometime between June and August, 1987. Work will also include closing of the bridge over the Milwaukee River for about three to five weeks for asphalt removal and installation of new

concrete decking.

The village's cost for its portion of the paving, a 2 3/4 inch layer of asphalt on the parking lanes on each side of the roadway, is expected to cost approximately \$85,000. The cost of removing manhole covers, which is the village's responsibility, will bring the total cost to about \$100,000.

All traffic will be detoured to Highway H while the road and bridge are closed, said Schmidt.

Beechwood Community Looks For Ways to Save School

By GERRY MUELLER
Statesman Staff Writer

At a special meeting Friday night, the Beechwood Elementary School PTO formed a sub-committee entitled "S.O.S." (Save Our Schools) to look into any options it might have to halt the pending closing of its school this fall.

Sue Buechel, of Beechwood, said the organization was checking out options which were listed in a workbook obtained from the State Department of Public Instruction.

Among those options is detachment from the Kewaskum School District to join another. Preliminary indications are that the Town of

Scott would need \$14 million in equalized valuation in the Kewaskum School District to hold a referendum and bypass the School Board in an effort to detach itself if that were the action the community chose to take. The 1985 equalized valuation of Scott in the Kewaskum School District was \$25,772,496.

Buechel noted that while she had been answering questions about the meeting for the group, a spokesperson had not been formally appointed. We haven't gotten that far, she said.

The meeting was also attended by several concerned citizens from the Town of Wayne.

Coroner's Inquest Set for Farmington Shooting Incident

By GERRY MUELLER
Statesman Staff Writer

Detective Robert Schulteis of the Washington County Sheriff's Department stated last Thursday, that a request for a coroner's inquest in connection with the February 12th shooting deaths of two Town of Farmington men has been made to the District Attorney's office.

Schulteis said the inquest into the deaths of Allen Guenther, of 9295 Wescott Road, and Lee Luebke, 2083 Stoney Creek Drive, has been scheduled for March 13 and 14, in Judge

James Schwalbach's court. The inquest will be open to the public.

We've received a partial report on the autopsies and some of the lab tests, however, there are still some questions that have to be answered and we're hoping to have all the information in time for the inquest, said Schulteis.

The Sheriff's Department has also released from custody, Daryl Fettig, who said he was a witness to the shooting. Fettig had been picked up for allegedly violating his probation in an unrelated incident.

The department has interviewed approximately 20 witnesses in connection with the incident, indicated Schulteis and we've been getting conflicting stories. It's hoped the physical evidence can be re-

conciled and a determination made as to what really happened.

(Continued on Page 3)

GEESE

One of Largest Formations Ever Seen

Hundreds of Canadian geese were observed winging their way north this past weekend, a sign that spring, hopefully soon, will be following behind.

One of the largest formations ever seen in this area flew over the state forest around noon Sunday. The group was apparently made up of six or seven flocks. The smallest "V" contained over 120 birds, indicating that there were approximately 600 to 700 flying together in that one sighting.

Fredonia Man Involved In Vandalism Incident

By GERRY MUELLER
Statesman Staff Writer

Charges against a 20-year-old rural Fredonia man involved in the February 16th vandalism incident at Howard Laubenstein & Son, Incorporated, 885 Prospect Drive, are being held in abeyance pending restitution of the damages, stated Kewaskum Police Chief Donald Hlavaty.

Hlavaty declined to release the man's name since no arrest had been made, he had no previous criminal record, and the man had agreed to make restitution.

The individual will be going into service shortly and if he keeps his promise to pay for the damages, the insurance company will be satisfied and no charges will be pressed, said Hlavaty.

The incident allegedly occurred in the early hours of February 16th, after the man had attended a function at a local hall. A boat strap was removed from a pick-up truck and used to break plate-glass windows and doors on the building along with windows on the truck.

Tickets for Fashion Fantasy, tonight, March 6, at the Amerahn, are available at the door.

Committee to Recommend Re-Evaluation of Gym Ceiling

By GERRY MUELLER
Statesman Staff Writer

The Finance-Transportation-Building & Grounds Committee will recommend to the full School Board, at its next meeting, that a re-evaluation of the Wayne Elementary School gym ceiling be made.

While no problems have occurred, the administration expressed its concern during last month's committee meeting that no review of the gym's beams had been made since 1980. At that time, an evaluation of the ceiling's slight sag indicated the roof was in no danger, however, periodic checks for further sagging were recommended.

The committee will recommend the board accept the low bid of \$1,400 from the Warzyn Corporation, who did the original evaluation, to do the second study.

In other business, the committee heard a report from Building & Grounds Superintendent Fred Boehlke regarding the installation of strobe lights on district school buses.

Boehlke checked with seven school districts, the Department of Public Instruction, and the Washington County Sheriff's Department on their feelings concerning the effectiveness of the lights.

Several districts felt the costs did not justify their use, however, school districts and bus companies in the Lake Michigan shore area found them to be extremely effective in fog and snow and had them on all their buses. The Washington County Sheriff's representative was also in favor of them.

Wayne Rimmel, who brought the strobe light recommendation to the district indicated he was not suggesting the installation of the lights on all the buses, but rather those used to transport students for extra curricular events, especially to areas like Two Rivers, Sheboygan, etc. He felt the lights could be placed only on those buses regularly used for such

trips.

The committee approved a motion that the district incorporate the installation of strobe lights into its contract negotiations with Johnson Bus Company which will be coming up in April.

The committee also discussed the replacement of the nine-passenger van which has been removed from service as far as student transportation is concerned. Boehlke informed the committee that vehicles used by K-12 districts must meet specific requirements. If the district were to go with a vehicle which could carry more than nine students, a bus driver's license would be required as well as special paint, lights, emergency doors and other safety equipment. A nine-passenger van, on the other hand, has no special requirements and would only require a regular driver's license.

Assistant High School Principal Roy Esser told the committee, a survey of the various activities and groups which would use the van indicate a nine-passenger vehicle still would not meet their needs in many instances. Of the teachers involved, 16 said they would get a bus driver's license to operate a van, while eight teachers indicated they would not get such a license.

District Administrator Penny Kleinhans told the committee the best solution to the situation was to acquire two small vans which would eliminate the special restrictions. Business Manager Cherna Gorder said the district had already dropped two vehicles from service and some type of replacement was needed. She suggested the district consider purchasing at least one replacement vehicle now and look into purchasing a second one in the future.

Esser told the committee, "we're at the point now where we either have to negotiate with the bus company, or buy, and at the present rate of 55c a mile, renting a bus for small groups

can become very expensive."

The committee directed Boehlke and Gorder to go back into the van's use records and compile a report which would include the number of times the van was used, by whom, how many miles, etc., along with a cost estimate and comparison if the district were to use bus services rather than replacing the van.

Gorder also provided the committee with information regarding legislation which will affect the district short term borrowing procedures.

The meeting was then adjourned.

KHS Teacher Attends Workshop

Mr. Bill Lickel, teacher at Kewaskum High School, attended a one-day workshop, "Energy/The Learning Turn-On II" sponsored by Wisconsin Gas Company at the Midway Motor Lodge in Milwaukee on February 8.

"Energy/The Learning Turn-On II" featured university, industry and government experts sharing information on these alternative energy topics: the present and future supply situation for oil and natural gas, solar assistance, U.S. supply of coal, coal gasification, turning plants and landfill waste into usable energy and conservation. Emphasis was placed on the need to teach students about energy-related concepts and provide teachers with the rationale to teach energy.

Speakers for the workshop were Jim Frank, manager of biotechnology applications at the Gas Research Institute; John Steinhart, geophysics professor at the University of Wisconsin-Madison; Don Neuman, professor with the Department of Curriculum and Instruction at the University of Wisconsin-Milwaukee, and Donna Paske, Chief of Energy Conservation, Wisconsin Division of State Energy. The seminar concluded with suggestions on how the speakers' information could be incorporated into practical classroom applications, as well as a review of curriculum and instructional aids on energy.

McCallum Announces Plans For Long Lake Improvements

A new entrance road and visitor parking lot was approved for Long Lake recreational area, a part of Kettle Moraine State Park in South Fond du Lac County, State Sen. Scott McCallum (R-Fond du Lac) announced.

The Department of Natural Resources had requested the State Building Commission to authorize the additions, which it did at a recent meeting.

Attendance at the recreational area is more than 54,000 campers and about 225,000 daytime visitors annually. Currently, entrance to the park is from the existing road, which has been widened periodically

in the past.

"The area has reached a point where further expansion will be very difficult because of space limitations," McCallum said, quoting the DNR proposal.

Ten more vehicles will be able to park because of the addition. Relocation of the vehicle access area will solve the conflict between daytime visitors and campers, who compete for a limited number of spaces. It also will improve traffic flow into the site, according to the DNR.

Total project cost is set at \$70,000, from state segregated fees.

Ashford Mobile Home Is Destroyed by Fire

A fire swept through a mobile home in the Town of Ashford over the weekend, and the Ashford du Lac County Sheriff's Department listed it as a total loss.

The mobile home, owned by Raymond G. Schmitt, 658 Spring Drive, Town of Ashford, caught fire at 8:15 a.m. Friday.

According to police, Schmitt had been replacing a water heater and had used a propane torch to "sweat" the fittings. After he removed the old heater and took it outside, he went to get a new one. When he got back, smoke was filtering out of the northeast corner of the building. The Campbellsport Fire Department was then called.

KMS to Present Pops Concert

On Monday, March 17, Kewaskum Middle School will present its annual pops concert. The concert will consist of the seventh and eighth grade concert band, the seventh grade girls' choir and the seventh and eighth grade mixed choir. The concert will be held in the Middle School gym, starting at 7:30.

KHS Grad Heads West Bend Post

Kenneth Pesch, a 1966 graduate of Kewaskum High School, has recently been hired as West Bend's city engineer.

Pesch obtained a Bachelor of Science degree in civil engineering at U-W Platteville. After receiving his degree he began work for the Iowa Department of Transportation. Pesch later attended Iowa State University, where in 1982 he received a Master of Science degree in civil engineering.

Pesch found out about the job after his mother, who read about the opening in a local newspaper, notified him.

Pesch took over the city engineer position March 3. He was previously the district materials engineer for the Iowa Department of Transportation.

Pesch had lived in Iowa for 15 years before moving back to Kewaskum. He said one reason why he took the job was because he has family ties in this area and originally lived on a farm near Kewaskum. Pesch commented on his return home, "it's good to be back!"

"Dieting is a system of starving so that you can live a little longer." Jan Murray

not asking the village or the people to pay for anything. All the company has been seeking is annexation of the building's site so it could be hooked up to the village's sewer and water systems. "We really don't need it," said Reigle, "our septic and well plans have already been approved, but annexing the property would bring a building worth \$300,000 into the village's tax structure. We can put a well and septic in for \$14,000, instead we're willing to pay \$46,000 to install village utilities."

Board President David Nigh told Reigle the village was not trying to create any roadblocks. "What has happened here is a misinterpretation of language." It has always been this board's intent to work with you and your company.

In other action the board approved a recommendation from Dr. Raymond Kipp that the village adjust Kemp Dairy's 1985 fourth quarter sewer bill. Because of malfunctioning equipment at the dairy, the village received inaccurate flow readings. In pro-rating the readings for the four quarters the board approved a bill of \$32,400.

The board also approved the testing of the village's two oldest gas and diesel tanks as part of an application for quotes for pollution liability insurance. The cost of the testing is \$295 per tank.

Kohn Bros.

[Continued from Page 1]

We helped a lot of farmers out in the forty years we were in business, said Kohn, and they could have helped us a little more also by giving us more of their equipment business or, at least, an opportunity to bid for it.

Although Kohn has closed his father's business, he will soon be venturing into a new business, at the same location, of his own. Kohn is converting the east portion of the building into an Amoco Oil Company "mini-mart," which he hopes to have open by the middle of May.

The remainder of the building may be rented out to other businesses. "We're lucky, we've got a lot of land around the building, noted Kohn.

"We may be out of the implement business but the Kohns will still be in town, you can't get rid of us that easy," said Kohn jokingly.

Twins occur about once in every 96 births.

ed, whether the shootings were self-defense or whether crimes have been committed.

In a conversation with Detective Jack Theusch Monday, he said there have been some delays in completing all the necessary tests. One of the State Crime Lab's pieces of equipment broke down and they haven't been able to run some of the tests. Since the tests results are expected to be used as evidence at the inquest, it is unlikely that the department will release any information concerning them prior to then.

Special Olympians Look Forward to Active Year

The Kewaskum Special Olympians team looks forward to another busy season in 1986. The coaches will be attending a training school scheduled for March 13th and 14th. The athletes themselves have already begun training for the area swim and track meet set for Sheboygan in early May.

The team will then set its sights on the state summer meet in Stevens Point on June 6th and 7th.

The team and coaches were recently guests of the Kewaskum Lions club at their last dinner meeting. It was another event the youngsters enjoy and look forward to.

The gift of a specially constructed bowling ball for handicapped individuals was purchased by the Robert G. Romaine American Legion Post making it possible for the bowlers to improve their skills.

Along with the Legion, the team would also like to thank the Lions, United Way and Mr. Clayton Stautz for their continued support and help.

The original manuscript of Lewis Carroll's Alice's Adventures in Wonderland was sold in 1928 for \$75,250.

Campus Day Program In County to Offer Variety of Classes

Explore with Joan Barry on Wednesday, March 26, at the 1986 Campus Day, ways to become a "no limit person," ways to lose your fear of your own greatness, ways to sculpt a life that throbs to a swifter, stronger beat...ways to be first above all else, marvelously alive.

Joan Barry, Staff Development Coordinator, Green Bay Public Schools and independent trainer and consultant, will be the keynote speaker, beginning at 8:30 a.m. The program is co-sponsored by Ozaukee and Washington County Cooperative Extension Service and is an annual event offering a wide variety of classes throughout the day.

Courses being offered this year include: Women's Nutritional Needs are Special, Wellness, The Art of Being a Grandparent, How To Fill the Empty Hours, Convert to Microwave, Growing as You Grow Older, Marital Property Reform, Home Blood Pressure Monitoring, Investment Planning as Applies to Total Financial Planning, plus many more.

For more information and a complete listing of classes with descriptions, contact the UWEX at 338-4479; 644-5204 or 342-2929.

In the Service

Army Spec. 4 Mark J. Fuller, son of Patricia A. Fuller of 8236 Meadow Road, West Bend, and Stephen J. Fuller of 4945 N. 51st Blvd., Milwaukee, has arrived for duty with the 2nd Infantry Division, South Korea.

Fuller, a legal clerk, is a 1984 graduate of Kewaskum High School.

James E. Rohlinger, son of Norbert and Darlene Rohlinger of 1209 Roseland Drive, Kewaskum, has been promoted in the U.S. Air Force to the rank of senior airman.

Rohlinger is an administration specialist at Grissom Air Force Base, Ind., with the 305th Combat Support Group.

His wife, Peggy, is the daughter of Lester and Ernie Hammen of 409 S. Fond du Lac Ave., Campbellsport.

He is a 1981 graduate of Kewaskum High School.

Airman Scott P. Sabish, son of Sandra M. and Richard P. Sabish of 231 N. Elm St., Campbellsport, has been named outstanding airman of the month for the Air Force Hospital.

The competition was based on job knowledge, significant self-improvement, leadership

qualities, ability to be an articulate and positive spokesman for the Air Force and other accomplishments.

Sabish is a medical service specialist at K.I. Sawyer Air Force Base, Mich.

He is a 1984 graduate of Campbellsport High School.

Air Force Airman Lynn E. Dewane, daughter of Charles K. Dewane of 4761 Highway H W., Kewaskum, has arrived for duty with the 28th Air Division, Tinker Air Force Base, Okla.

Dewane, a communications computer specialist, is a 1984 graduate of Kewaskum High School.

Kettle Riders Offer Scholarships

The New Fane Kettle Riders Snowmobile Club will be presenting its third annual James Aupperle Memorial Scholarship for Agriculture or related fields.

Any 1985 Kewaskum High School post graduates who may be interested in applying for this scholarship should contact Maggie or Dennis Seideman, 626-4272, for further information and an application blank.

Deadline for returning the applications to the Seidemans is Friday, March 28, 1986.

**Kewaskum Area Chairpeople
Named for CF Bike-A-Thon**

GET IN GEAR for the Wisconsin Cystic Fibrosis (CF) Foundation's annual spring Bike-A-Thon program! "Each year over 200 Wisconsin communities organize Bike-A-Thons which raise in excess of \$175,000 to fight cystic fibrosis," said Sue Bleckwenn, associate executive director of the Wisconsin CF Foundation. "Your community is an important part of that effort." Ms. Bleckwenn announced the appointment of the following chairpeople in their respective communities:

Pat Hanrahan and the Kohlsville/Wayne Jaycees; KOHLSVILLE/WAYNE

Kathy Broecker, Troy Kuphal and the Kewaskum Jaycees; KEWASKUM

Steve Knickel, Mike Haza and the Campbellsport Jaycees; CAMPBELLSPORT

The principal goal of research is to find a cure for cystic fibrosis (CF), the number one genetic killer of children and young adults in the United States. Only half of the victims of this disease will live past the age of twenty-one. One in twenty Americans are symptomless carriers of the gene which causes CF.

The Wisconsin CFF is one of 65 Cystic Fibrosis Foundation Chapters in the country. The Foundation's mission is to find the means of prevention, control and effective treatment of cystic fibrosis. In addition to providing annual research grants to study the causes of this currently incurable disease, the Foundation also supports a network of 127 CF centers nationally. Two of these are located in Wisconsin at Milwaukee Children's Hospital and the University of Wisconsin-Madison Hospitals. These CF centers specialize in diagnosis and medical care for CF patients, as well as services for CF families.

"Cystic fibrosis research has taken a very positive step in the past year — and now, more than ever, money is vitally needed to fund available research grants. The proceeds from the Bike-A-Thon in your community will help fund im-

portant research and support patient care," said Bleckwenn. "We hope to get the full participation of area residents in this event. Together with the hundreds of volunteers working on similar fund-raising events throughout Wisconsin, we can make a strong impact on the fight to conquer cystic fibrosis. With your community support, a child's tomorrow is just a breath away."

**Panzer Pushes
For TIF Extension;
Kewaskum Included**

Representative Mary Panzer (R-West Bend) urged members of the Senate committee on Tourism, Revenue, Financial Institutions and Forestry to pass a bill (SB 484) that would rescue many Wisconsin municipalities with tax incremental finance districts from possible economic decline.

Panzer, an author of SB 484 and its companion in the Assembly, AB 789, testified before the committee last week and explained that the bill

would grant a two year extension for expenditures by TIF districts located outside the City of Milwaukee.

"Tax incremental finance districts have proven to be an effective means of bolstering economic development initiation at local levels of government," Panzer said. "The tax base in many municipalities has been expanded and has helped to relieve the seemingly relentless pressure on local property taxes."

"However," she continued, "many of these districts were initiated under some of the most difficult economic conditions in recent years. Due to those difficult economic conditions, many TIF districts have struggled to complete their projects within the stated five year period."

Since 1980, about 146 TIF districts have been formed in Wisconsin municipalities, among them being West Bend, Fond du Lac and Kewaskum.

Tax incremental financing allows municipalities to create redevelopment and industrial development districts and keep any property tax increases for use in those districts.

The committee passed SB 484 and it will await scheduling by the Senate Organization Committee.

**Free High Blood
Pressure Screening**

The Washington County High Blood Pressure Control Program is offering free blood pressure screening at the following sites during the month of March. This program is sponsored by the Washington County Community Health Nursing Service and the American Heart Association.

March 8 — West Bend Fire Department, 320 N. 7th Avenue, 1:00 - 4:00 p.m.

March 15 — Hartford Rescue Squad, N. Johnson Street (behind City Hall), 10:00 a.m. - 12 noon.

March 15 — Washington Square Mall, N112 W15800 Mequon Road, Germantown, 10:00 a.m. - 12 noon.

March 22 — West Bend Fire Department, 320 N. 7th Avenue, 1:00 - 4:00 p.m.

Questions about the program may be directed to Doris Dauer, Coordinator, at 338-4462 or 644-5204.

Girl Scouts to Receive Religious Awards Sunday at Church Services

On Sunday, March 9, at the 9:30 a.m. Mass at Holy Trinity, fourteen Girl Scouts will receive religious awards.

The "Family of God" recipients will be Lynn Thull, Kelly Schneider, Sara Kiefer, Shelly Ann Williams, Andrea Bonlender and Melissa Rohrer.

The "I Live My Faith" recipients will be Vicki McElhatton, Cara Connor, Rebecca Kiefer, Tricia Butschlick, Ginger Wiesner, Christa Fleischman, Erin Stoffel and Racheal Chambers.

The awards will be presented by Father Robert Berghammer and Vivian Stommel.

All the scouts are asked to attend Mass in a group. Please meet in the church basement at 9:15 in uniform.

On Sunday morning at the 9:30 service at the Peace Church there will be religious awards presented to Krysten Ammel, Rhonda Jean Heaslip, and Tiffany Schultz for the God and Family award. Kelly Schreffler will be receiving the "God and Me" award.

The awards will be presented by Janet Panzer.

At St. John's Church in New Fane at the 9:00 a.m. service there will be religious awards presented, to Jacki Fischer, Shawn Erdmann, and Nicole Oppermann for the "God and Church" award. Sarah Vande Vrede will receive the "God and Family" award. These awards will be presented by Karen Erdmann.

The Girl Scouts from St.

Michael's area will attend Mass at 10:30 a.m.

At the Salem United Church of Christ at the 9:00 a.m. service the following scouts will receive the "God and Church" award: Amy Justman, Heidi Goetsch, Jenny Heppner, and Renee Kertscher. These awards will be presented by Judy Goetsch.

The Girl Scouts from St. Anthony will attend Mass at 9:30.

Following the church services there will be a Pot-Luck Brunch at the Wayne School at 11:30 for all the Girl Scouts and their families from the Wayne Girl Scouts area.

All the Kewaskum Girl Scouts and their families will attend the annual Pot Luck Brunch at the Amerahn at 11:30 SHARP! It will be followed by a performance with the theme of "A SALUTE TO AMERICA."

If for some reason you didn't get your reply sent back, you are still welcome to attend these brunches with your scouts.

Congratulations to all these girls and their leaders for throughout the 74 years of the Girl Scout movement has helped prepare young girls to be useful and active citizens in their home and world communities. As part of the observance of Girl Scout week in the Kewaskum area the Girl Scouts will have on display their Art and Craft Fair, March 8 - 15, at the Valley Bank. There will be prizes awarded to each level of scouting.

To Hold Conservation Reserve Information Meeting on Friday

An information meeting for the 10 year Conservation Reserve is scheduled at 1:00 p.m. on Friday, March 7, at the Addison Town Hall in Allenton.

ASCS is conducting a sign up from March 3 thru March 14th. Time is a critical factor, so interested land owners need to respond soon.

Only land that is highly erodible will be eligible. Normally this will be hilly land that has been worked and cropped in recent years. Slopes, soil type and tillage methods also effect eligibility.

Don Sampson of ASCS, Don Kurer of SCS and Jack Trzebiatowski of Extension will conduct the meeting. Items of greatest concern are the 10 year retirement, annual payments and the bidding process, cost-sharing for cover crops and the eligibility criteria.

The objective of the program is to return highly erodible land to a permanent cover. Accepted acreage must be planted to grasses, legumes, trees or wild-life habitat. No harvesting will be permitted during the contract.

All interested persons are urged to attend.

To subscribe to the Kewaskum Statesman, just call 626-2626.

'A Little Night Music' at UWWC

A title taken from Mozart's most famous serenade; a plot drawn from "Smiles of a Summer Night" — one of the most famous movies by the Swedish filmmaker, Ingmar Bergman — put these together and you have the most notable Broadway musical in 1973 and 1974. "A Little Night Music" will waltz into UWWC's Theatre on the Hill for performances March 7, 8, 9 and 14, 15, 16.

Desiree (Annie Strancke) and Fredrik (Jim Mohr) are the couple at the center of the musical merry-go-round. She's an actress fabled for her beauty and off-stage affairs, shackled by a current affair with Count Carl-Magnus (Jim Nelson), a jealous, strutting military officer. Fredrik is a prosperous lawyer burdened with an 18-year old wife (Hilger Kirsch) who, after months of marriage, has skittishly refused to consummate their marriage. Fredrik and Desiree meet after a number of years and, drawn to each other, rekindle their love.

Add to this the lawyer's moody son, Henrik (Tim Dondlinger), who longs for his innocent teenage stepmother; the Countess Charlotte (Ginger Frederick), the neglected and unhappy wife of Count Carl-Magnus; and the maid Petra (Shari Wittmann), another summer-crazed romantic who chases everyone, and you have the ingredients for a first-rate musical. Presiding over all this romance is Madame Armfeldt (Sue Keyes), the actress' salty mother.

"A Little Night Music" is beguiling fun, an imaginative romp, a spring-board for the best kind of music there is — night music.

Call 338-5208 for ticket information.

St. Matthew's CYO To Present Play

St. Matthew's CYO (Catholic Youth Organization) announces that its annual play production is scheduled for Friday, March 14 at 8:00 p.m., Saturday, March 15, at 8:00 p.m., and Sunday, March 16, at 2:00 p.m.

This year's performance, "Hello Dolly," is based on

Thornton Wilder's play, The Matchmaker.

Tickets will be available from all cast members, at Wegner's Office Supplies in Fond du Lac, and at various Campbellsport businesses. Advance prices for tickets are \$2.75 for adults (Grades 9 & up), and \$1.75 for students (Grades Kindergarten through Grade 8). Prices will be 50c more at the door.

All performances are scheduled at the Campbellsport High School Auditorium.

Railroad Club to Hold Open House

The Kettle Moraine Ballast Scorcher's Railroad Club will be holding its 3rd Annual Open House on Sunday, March 9th, at the West Bend Recreation Center, 724 Elm Street, from 10 a.m. to 5 p.m.

Activities will include clinics, movies, videos, slides, a RR model contest (all entries welcome), a RR swap meet area, the portable layouts of the Metro club (Port Washington); the Milwaukee Area NTrak club; the Oshkosh Model RR club and the permanent layouts of the Ballast Scorcher's.

Donation at the door is \$1.50 for adults, 50c for senior citizens and children under 12.

For more information call 338-6021.

Tax Tips...

CHOOSING A PREPARER [Third in a series]

The choosing of a tax preparer by taxpayers should be done carefully and wisely. Most tax return preparers are honest and do not deliberately attempt to defraud either their clients or the IRS. However, a few misuse the responsibility of preparing a tax return for someone else, and the IRS offers some suggestions on how to identify these preparers.

Do not sign a blank return or one which is partially complete. These returns could be altered by the preparer. A tax return preparer is required by law to sign and date the return and to enter his or her identification number. You must be furnished a copy of the completed return.

Preparers who promise a refund, claim a special relationship with the IRS, or boast of ways to beat the tax system

should be avoided.

The choosing of a preparer is particularly important because you, not the preparer, are responsible for the accuracy of your tax return. As much care should go into the choosing of a tax preparer as the selection of any attorney, doctor, or other professional.

**County-wide
Observances of
World Day of Prayer**

The Church Women United of Washington County have planned observances of the World Day of Prayer for several county locations county-wide on Friday, March 7th. The World Day of Prayer is observed by Christian women of many traditions in the United States and more than 170 countries and regions in the world. This year's service was written by the Christian women of Australia. The service calls women to make decisions and take actions that will begin to change the injustices and inequities that cause suffering to countless numbers of the world's people.

In West Bend the main observance will be held at St. Mary's Catholic Church. The event will begin with registration from 9:00 a.m. - 9:30 a.m. At 9:45 Bible Study will be conducted. At 11:00 a.m. there will be a Prayer Service. Members and friends of the Church Women United are asked to bring a "sack lunch." Dessert and coffee will be provided by the women of St. Mary's Church.

Three other services are planned for the same day, all of them at 2:00 p.m. At the Cedar Lake Home the service will be conducted by Church Women United members from Our Savior's Lutheran Church, West Bend, Salem UCC, of Wayne, and Trinity Lutheran West Bend. At the Samaritan the services will be conducted by women from Immanuel UCC, West Bend, Fifth Ave. United Methodist and Hope Reformed, also of West Bend. At Meadow-

brook Manor services are being planned by the women of Peace UCC, Kewaskum and St. James Episcopal of West Bend. Other area churches have shown interest in the World Day of Prayer and will be attending and participating in some way. The West Bend area observances were coordinated by Connie Smith of St. Mary's Church.

In Hartford the World Day of Prayer observance will be held at St. John's United Church of Christ, 228 State St. The service will begin at 1:00 p.m. with Bible study. At 2:00 p.m. there will be a worship service. The speaker is to be announced. No list of participating churches has been received as yet, but in the past it has usually included the United Methodist, St.

Aidan's Episcopal, Redeemer Lutheran, 1st Congregational, Redeemer Lutheran and St. John's UCC.

In the Germantown-Richfield area services are planned for 1:30 p.m. at Our Saviour's UCC, Germantown. In addition to our Savior's participating churches will be 1st Presbyterian, Richfield, St. John's UCC, Germantown, St. Jacobi and Zion United Methodist of Colgate, and St. Columba Catholic of Richfield.

In the Jackson-Slinger area The World Day of Prayer will be held at Faith UCC, Slinger. Participating churches will be Frieden's-Peace UCC, St. Peter's UCC, and Christ Lutheran, all of Jackson. Faith UCC, the host church will be joined by St. John's UCC for the

event. The Rev. Deborah Bartelt, pastor of Faith Church, will be the speaker.

THANK YOU

My thanks to St. Jude and the Blessed Mother for favors granted.

M. J. S.

**CEDAR LAKE HOME CAMPUS
TO PRESENT MUSICALE**

The Cedar Lake Home Campus will present an all new musicale April 24 and 26, Director of Music/Therapy, Dave Stone announced.

To All Taxpayers:

First I wish to Thank All who voted for me in the primary election. Your vote was greatly appreciated. My husband and I had a chance to take a well deserved vacation, the first together in twenty years.

Next I want everyone to know, I did not walk out of last Monday night's meeting after the Beechwood issue. The fact is three other people besides myself, and also a board member, were the last to leave that evening. How can Julie Backus make a remark like she did about me?

I would like actual figures on the savings of Beechwood closing, and moving the sixth graders to Kewaskum, and not estimated figures. Has anyone seen actual figures? I asked one school board member, and he said he has not seen any. A snow job is cheap in February, but it gets very expensive in July and August. Have you read the West Bend paper on page two? All Beechwood people need is 14 million to by-pass the school board. We have an estimated 25 million. But do you taxpayers really want to lose tax dollars? Then wake up and help us. For the tax money the district has been collecting from us taxpayers, we have been paying our own way. There was somewhere around two thousand plus debts on Beechwood school when we joined K-12 district. We helped build Farmington and Wayne schools, middle school and an addition on the high school. So now I ask anyone, are we a burden to you? Do you really want to get rid of us and our tax dollar? Speak up now "please" before it will be too late. Penelope Kleinhans said at Monday nights meeting she spoke to Random Lake people; please check like I did. Who did she talk to?

When Cherna Gorder's raise was voted on at that meeting, Jean Goeden's motion was for 240 working days. When I questioned the 26.5 percent raise, she alone changed the motion to read 260 days; she alone changed that not the full board. In my opinion it should have gone back to the full board to decide. There are only 255 working days in a year. Where does her 4 weeks vacation come in? Arithmetic must have changed since I went to school! The business manager was paid that extra \$2500.00 for the month of June, when Mr. Long left. So how can she keep it and when was it voted for her to keep it? She is screaming about townships not paying their share, and she wants to look into their books. Yes, you can, but I hope townships get together and look into your books. In my opinion you mistrust townships. That 26.5 percent raise sure did not fit the taxpayers. Farmers are taking a big cut and manufacturing is asking their help for a give back to keep their jobs. So my way of thinking. How can you take more then you were entitled to? After all you only gave this district one year of work. People have to work 15 years at any place to get 4 weeks of vacation. What do her fringe benefits amount to?

Cherna Gorder also made the remark to me, if Mr. Long stayed she would be out that door. In my opinion the board

bought out the wrong person.

Is this why Mr. Long was bought out for \$14,100.00 above his salary? This money sure could have been used for students' education. Students are my top priority, and I will keep on fighting for them, they are the backbone of this nation. We should put them on top of any priority list.

Another \$900.00 for an agent for short term loans; who was the agent and when was it voted on?

The lawyer who is costing the district over a hundred dollars an hour?

But what is being railroad through before the new board takes over? Monday night three more positions added. The closing of Beechwood school, with no actual figures laid on the table in savings. Ask to have actual figures laid on the table in savings if there are any and figures what the remodeling and busing will cost etc. Taking kids out of their parental supervision is very wrong.

I checked and in a nearby school the superintendent takes care of the Business Manager's job; also the job of Director of Instruction with the Principals. If we had a board which would look into all of this we would have two less people in that office!

Please go to the polls on April 1st. Your vote still counts because this is still a free country. We can no longer afford the taxes, but please don't figure two new board members can change it in one year. Thank you.

Clara Trapp

....

To: All Kewaskum School District Residents

At the February 24 meeting of the school board, it was pointed out by one in the audience that there are "two lame ducks" sitting on the current school board. The point was also made that perhaps the results of the election were an indication to the board that the people are unhappy with the current number of administrators and some of their recommendations.

Board President Thomas Brigham took it upon himself to point out to the audience that only 25% of the electors voted in the primary. I assume that Mr. Brigham believes that the remaining 75% of the electors are supportive of the present administrative team and the current board's decisions. I don't find that to be true at all as I speak with a variety of people throughout the district.

Instead, I hear from parents who are unhappy to learn that all sixth graders will be sent to the middle school with little or no choice in the matter. Parents of next year's eighth graders are unhappy to find out that a semester of reading has been cut in exchange for such courses as Drawing and Ceramics, Teenagers in Today's World, Focus on the Future and other new courses. Parents of the less gifted students in high school math are unhappy to know that their children must take and pass pre-algebra as their second credit in math or they will not graduate.

District residents are also unhappy when they are listened

to at board meetings but they are not being heard. Cuts in the budget can begin at the administrative level. If we must pay thousands of dollars for unemployment of laid off teachers, remodeling the middle school and the administrative building, frivolous courses and busing extra miles, it's not difficult to understand why people are unhappy. It's hard to believe this administrative team is saving us as much as they claim to be.

I truly hope that the April 1 election is one in which we hear from 100% of the electors. Changes need to be made and your vote can help that change take place. See you at the polls!

Ruth A. Schmitt
Kewaskum School
Board Candidate

....

03-02-1986

To the Editor:

Over the past few weeks, there has been some discussion about the decision making capability of the Kewaskum School Board. I think we all, however, agree that the Board's decisions have certainly been consistent. Consistency may be something to strive for, but why must these decisions be so consistently wrong?

This was again very evident at the February 24th board meeting. What were some of these far from great decisions?

One of the first items to be addressed concerned the athletic director position. What was the decision? - to make a change. Net results? - More \$\$\$\$ spent.

Next decision - to change the status quo of the Local Vocational Education Coordinator position. Net result? - More \$\$\$\$ spent.

Next decision - to add a social worker position. Net result? - More \$\$\$\$ spent.

The next decisions concerned the middle school programs. A decision was made to add 2 classes of Home Economics. Net result - More \$\$\$\$ spent. Now it was time for the board to start worrying about spending all those \$\$\$\$.

Next decision - to reduce the reading program at the 8th grade level from a one year course to a semester course. This decision should show the taxpayers that they want to save money. This decision would really show the district that the board is concerned with quality education. After all, now the students should have time for some of the really "important" items scheduled to be taught - like ceramics, jewelry making and photography.

Is it any wonder why there is so much discussion about the decision making capability of the Kewaskum School Board?

Ralph Horner

....

Dear Editor:

Numerous times when I have returned to Kewaskum to leave (furlough) from my duty assignment with the United States Air Force, I have sensed a grave misconception the public may have of military pay and allowances due to the questions asked. I would appreciate it if you could see fit to publish the

following so your readers (tax payers) know where some of their's and my tax dollar is going and why.

First, military pay is not just for fixing a jet aircraft or typing an order. For the \$17,000 a year I as an E-7 with 12 years of service receive (by the way this is taxed both by Wisconsin and the U.S. Government) I must provide the following service to our country. This service includes duty (on call) 24 hours a day every day of the year to assure yours and my freedom. In addition, military personnel have an unwritten contract with society which includes an unlimited liability clause. This clause requires, if necessary, to give up our life in performance of duty so that the nation can remain secure; by the way, to my knowledge, there is no other profession in the United States that has such a liability clause. My service to our country requires separation of myself and family during some holidays (not all) and frequent moves in which my family must say goodbye to friends and start anew. But for someone to say this is just a job and nothing more than an activity performed in exchange for pay??? I would say this about pay for service rendered, we military professionals call it professionalism, dedicated to the preservation of freedom. On the other hand, no sane person works for nothing and I, therefore, believe mine and my fellow enlistee's pay and retirement is just reward from our country for our services rendered. The preceding paragraph commented on retirement which is part of the second area I would like to provide clarification of.

Military personnel do not receive 50% of their pay and allowances after 20 years of service but rather approximately 33% of their pay is what is received for 20 years of professional service. I don't feel this is excessive in light of what pay was received during the 20 years. Up until I had served 8 years and had several stripes on my arm I was collecting food stamps to support my family. Do we the military receive adequate pay during 20 years of service, or does the retirement offset some of the hardships? I believe it is the latter, you decide. By the way, for those of you who may think the retired military person receives both the retirement check and social security, you have been misinformed. Retired military social security entitlement equals the amount in excess of the military retirement check.

The third area I would like to make is to provide you some information on military health benefits. I, as an active duty

military member, receive all medical treatment from Uncle Sam at no cost to me. However, my family does not have the same benefit. They only receive a dental checkup once a year (it does not include treatment unless it is an emergency). Medical treatment is on an as available basis, which is often available but not always. When medical treatment is not provided I incur 20% of the total cost for inpatient care at a civilian hospital. Outpatients care is \$100.00 per year per family at civilian hospitals after which military family insurance picks up the bill. There is a bright side to being a military professional.

Knowing what I'm doing to preserve our freedom and especially my children's future freedom is a plus which cannot be priced out. My pay is adequate (I won't become rich) and with my retirement I will be able to live a middle class life provided I find another employer after retirement. Why do some of our representatives in Washington D.C. attack military pay and retirement? I believe it is because you, the general public, do not fully understand the military, its pay and allowances. Hopefully this letter has put the military benefits into a little better perspective for you.

Finally, I would like to pass on some information about what our Washington D.C. representatives (Senators and Congressmen) receive for payment. The following article was taken from the Air Force Times (an independent newspaper) dated 13 January 1986. It is a letter to the editor which I believe deserves reprinting to show where we the public could be looking for tax dollar savings other than the military pay and retirement.

"Foolish, Dumb, Stupid - Altus, Okla - With all of the talk about how rich the typical military family is, it makes me wonder who is doing all the talking.

Surely it isn't our leaders in Washington - that would be foolish, dumb and stupid because they would be cutting their own throats. Does anyone know our congressmen receive \$75,100 in annual base pay? Compare that to a six-year staff sergeant at \$12,902.40, a 22-year chief master sergeant at \$26,989.20, a 12-year captain at \$30,816 and a 26-year colonel at \$68,698.

Simple math shows that our average performer in the Air Force, i.e., SSgt John Doe, makes \$62,195.60 less than his congressman. That's just the tip

[Continued on next page]

Thank You!

for your vote of confidence
in the Primary Election
for Kewaskum School Board.

Your support in the April election will be greatly appreciated.

Sincerely,
Clara Trapp

Authorized and paid for by Clara Trapp, Route 1, Adell, WI 53001

of the iceberg. Come time for retirement for CMSgt Jane Doe with 22 years, her check is going to equal \$1124.55 if you cut her base pay in half from our new pay rates, which equals \$13,494.60 yearly.

Compare that to former Sen. Margaret Chase Smith (R-Maine) at \$81,204 or former House Speaker Carl Albert (D-Okla) at \$87,864. It's hard to swallow. How can our leaders even show their faces to us?

The length of time for military people to opt to retire is 20 years. That's one third of one's life going through wars, police actions or in remote isolated areas of the world separated from loved ones. Ask the average 20-year man or woman how many assignments they thoroughly enjoyed - it won't be more than three, and usually one or none.

Congress, though, has to serve only as little as five years of vested service and they can draw pensions if they retire or are voted out of office.

And the military is under the gun again, thanks to the Gramm-Rudman bill signed by the President. There goes next year's pay raise. If any raise does come about, it will be nowhere near acceptable for our devotion to our country. I can't comprehend the logic Washington is using when the first to be picked on is the armed forces. A1C B. A. Riley."

One final comment I would like to re-emphasize is working in the military as an enlisted member is the only job in the world (at least the U.S.) where you raise your hand and swear to God to support and defend the Constitution as a way of life. This is not exactly required for a civilian job. The point is, being

a military enlisted person is not just a job, it is a profession dedicated to freedom.

KENNETH K. KREIF
MSgt, USAF

••••

Dear Editor:

I recently testified before an Assembly Agricultural Subcommittee at a hearing called to focus on problems where solutions fall within the power of state government. In my testimony I said that legislators in Madison should enact a law that mandates all cooperatives to pay a dairy farmer his total equity if he signs up in the Whole Herd-Out Program. The enactment of such a bill will encourage participation and ensure the success of the federal program.

Dairy farmers who participate will need the extra cash for living expenses and to cover the cost of making the transition to a new endeavor. For many dairy farmers, their equity in a cooperative is their life savings. In case this legislation is unconstitutional, agencies such as the Task Force Committee and the Wisconsin Agricultural Commission should present this plan to cooperatives and since membership on these two agencies is made up mostly of the directors of cooperatives, there should be no problem in getting this plan to fly.

Millions of dollars in equity monies are held by Wisconsin cooperatives and many more millions by foreign cooperatives such as AMPI based in Texas, Cenex in Minnesota, and Land o' Lakes in Minnesota just to name a few. The state's largest dairy cooperative, Wisconsin Dairies, holds its

members' equity for thirteen years and no interest is paid to the members. The question is, "should a dairy farmer who is trying to help bring about a balance in the supply and the demand situation be penalized by having to furnish the capital to process milk for those who chose not to help?"

The legislation I am suggesting should be enacted as soon as possible in order to encourage maximum participation in the buy-out program. Dairy farmer members of cooperatives should contact the directors and urge them to inform their legislators of the

necessity for enactment of such a law. Somehow, the members of cooperatives will have to make certain that the directors are responsive to their needs so that the payment of equity to those who are trying to solve the problem of overproduction can be accomplished.

Holy Trinity Athletic Awards Banquet

The Holy Trinity Athletic Association held its annual awards banquet on February 23 in the church hall. The teams, coaches and families celebrated together during the 11 a.m. Mass, which was followed by a potluck dinner and the awarding of trophies and special recognitions. Tom Brigham was the guest speaker.

The following players were awarded trophies:

A-Team Girls — All-Stars - Traci Knoeck and Debbie Rimmel; **Sportsmanship** - Kelly Rohlinger; **Most Improved** - Traci Knoeck; **Best Team Player** - Debbie Rimmel.

B-Team Girls — All-Stars - Kelly Korth and Tricia Schultz; **Sportsmanship** - Tammy Schmidt; **Most Improved** - Jessica Rohrer; **Best Team Player** - Kim Sabish.

A-Team Boys — All-Stars - Steve Gerhartz, Tim Butschlick, Paul Becker; **Sportsmanship** - Chris Schmid; **Most Improved** - Kevin Ramthun; **Best Team Player** - Steve Gerhartz.

B-Team Boys — All-Stars - Kim Marx, Keith Butschlick, Ryan Amerling; **Sportsmanship** - Jim Becker; **Most Improved** - Aaron Laatsch; **Best Team Player** - Kim Marx.

Cheerleading - Team Spirit Award - A-Team - Jenny Bauer; B-Team - Nancy Neumann.

The A-Team girls won second place in league play. They ended their season with six wins and three losses. Members of the team include Traci Knoeck, Kris Heisdorf, Debbie Rimmel,

Debbie Bingen, Terri Grahl, Sue Fierke, Bridget Wagner and Kelly Rohlinger.

The B-Team girls also won second place in league play with four wins and two losses. Three of their games went into overtime. Members of the team include Kelly Korth, Julie Wilhelmi, Nancy Neumann, Andrea Waala, Tammy Schmidt, Teresa Anderson, Tricia Schultz, Jessica Rohrer and Kim Sabish.

Coaches for both of the girls' basketball teams were Jackie Herriges and Sharon Westerman.

The A-Team boys ended their season by taking second place in the Kettle Moraine Catholic League. The season started out on a sour note due to some players having the flu. As the season progressed, they played some fine team ball. At mid-season the A-Team entered two tournaments at Holy Angels and St. John's of West Bend. They met some tough competition at Holy Angels coming out on the short end, winning one out of three games. At St. John's they played very well and came home with the consolation trophy. Members of the team include: Tim Butschlick, Paul Becker, Craig Amerling, Steve Gerhartz, Jim Wilhelmi, Chris Schmid, Scott Muckerheide, Scott Heller, Jeff Sabish, Kevin Ramthun, Jim Gildersleeve, Glenn Kirst and Steve Liegl. Tony Butschlick was the coach.

The B-Team boys ended their season by taking first place in

the Kettle Moraine Catholic League. The following boys scored these high points: Kim Marx, 96; Keith Butschlick, 73; Joel Fleischman, 67; Ryan Amerling, 62, and Ryan Ramthun, 40. Other members of the team include: Brian Staehler, Aaron Laatsch, Jim Becker, William Klahn, Chris Geidel, Jim Marx, Tony Knoeck, Tom Bauer, Brian Bruendl, Adam Laatsch, Chad Harlow and Aaron Rettler. Tom Herriges was the coach.

The A-Team cheerleaders were Jenny Bauer, Kelly

Sarauer, Jenny Mitchell, Debbie Bingen, Lynn Johann and Katie Lauters. The B-Team cheerleaders were Julie Wilhelmi, Nancy Neumann, Andrea Waala, Tammy Schmidt, Kim Sabish and Heather Mitchell. The coaches for both cheerleading squads were Debbie Schoofs and Julaine Beisbier. Mrs. Mary Kay Mitchell was the advisor.

Trophies for the awards banquet were donated by the following: Sportsmanship - Harvey and Kathy Ramthun; Most Improved Boys - Wayne

and Sandy Rimmel; Most Improved Girls - Knoeck family; Best Team Player, Boys - Carl Mayer; Best Team Player, Girls - St. Bridget Christian Mothers; Cheerleading Team Spirit Award - Home and School Association.

The coaches would like to thank the athletic board for setting up a successful awards banquet, and the parents who took part in their sons' and daughters' activities, helping to make this a successful season. They would also like to thank the Holy Name for their financial support.

Farmers Can Help Wildlife

Wisconsin can stem the decline of an entire group of songbirds, owls and other species that have found less and less grassland and prairie habitats for the rearing of their families, a Department of Natural Resources wildlife specialist says.

Farm Wildlife coordinator Ed Frank says the federal government's new Conservation Reserve Program, with signups from March 3 through the 14 holds "new hope" for declining species like the pheasant, bobolink, marsh hawk and short eared owl.

"A whole cohort of birds that once made their homes in Wisconsin's lightly grazed or ungrazed prairies has been largely pushed out by certain intensive farming practices year after year," Frank explained. "This kind of farming was tough on the birds and on hilly lands was bad for the soil, too."

Under the erosion control portions of the new federal law, Wisconsin farmers may be paid for retiring — and putting into grasses, shrubs and trees — up to a million acres by 1990, Frank said. The 1986 program signup target is 137,700 acres, with most of that located in the highly erodible hillsides of western, southern and east central Wisconsin.

Forty Wisconsin counties have significant acreage eligible for participation: Adams, Buffalo, Chippewa, Clark, Columbia, Crawford, Dane, Dodge, Dunn, Eau Claire, Fond du Lac, Grant, Green, Iowa, Jackson, Jefferson, Juneau, Kenosha, La Crosse, La Fayette, Manitowoc, Monroe, Ozaukee, Pierce, Polk, Portage, Racine, Richland, Rock, Sauk, Sheboygan, St. Croix, Trempealeau, Vernon, Walworth, Washington, Waukesha, Waushara, Winnebago, and Wood.

"Farmers and other rural landowners can get paid for doing something good for the land and good for wildlife," Frank said.

"Ground nesting birds such as pheasants, bobwhite quail, the Hungarian or Gray Partridge and prairie nesting waterfowl including mallards and blue-winged teal will especially benefit from increased habitat," he said. Frank pointed out that farmers might realize added income by granting hunting privileges on the Conservation Reserve Program land.

Frank added that the benefits to non-game species are a bonus that give landowners personal satisfaction for many years to come.

"Grassland species like the bluebird, upland sandpiper, meadowlark, Savannah sparrow, Grasshopper Sparrow and Henslow's Sparrow have been declining significantly during the last 15 years," he explained. "Young birds still in their nests are killed by early harvesting of alfalfa hay."

Under the conservation program, farmers are encouraged to plant grass mixtures such as alfalfa, bromegrass and timothy to not only prevent soil loss but provide wildlife cover. Cropping will not be allowed for 10 years but farmers will get annual payments for removing the land from production as well as cost sharing for grass and tree planting.

In addition to grassland birds that will benefit, Frank said birds that find homes where grasses and trees or shrubs meet — so-called "edge species" such as gold finch, brown thrasher, indigo bunting, cardinal, rose breasted grosbeak, catbird and thrushes — also will benefit.

Landowners interested in participating in the Conservation Reserve Program should contact their local county USDA Agricultural Stabilization and Conservation Service (ASCS) or University of Wisconsin - Extension office. Frank said DNR foresters and wildlife managers, also have program information and would welcome questions on the program and can be reached locally.

Washington County Committee to Contact Landowners on River Watershed Project

At their February 7th meeting, the plan development advisory committee approved the final chapters of the Oconomowoc River Watershed plan. This culminates a year and a half of work which began when the inventory was completed in the fall of 1984. The committee is made up of landowners, elected officials and agency staff involved with the project. The watershed plan is a three county effort designed to reduce nonpoint source water pollution for the entire area of land draining into the Oconomowoc River. The watershed boundaries for the river extend from the southern edge of the village of Slinger in Washington County to the town of Ixonia in Jefferson County, where it finally meets the Rock River. The entire area covers 128 square miles and includes all or portions of 19 local units of government.

A combination of rural and urban conservation practices are being recommended for the \$3 million voluntary program. Following a three year sign up period the project could take until 1994 for all the conservation practices to be installed. The Washington County Land Conservation Committee (LCC) is given the lead responsibility in the rural areas of the county, which includes about 40% of the total watershed area. Local conservation staff would begin contacting landowners this spring, after the plan has been approved by the county board of supervisors, possibly in April.

A summary of the plan will soon be distributed to all local elected officials and is now available in the Land Conservation office, 2361 W. Washington Street, West Bend, for anyone who is interested. A public hearing on the project was to be held at the Oconomowoc

Community Center, 324 W. Wisconsin Avenue, Oconomowoc, on Thursday, March 6, starting at 1:30 p.m. Informational meetings will be held at the Polk, Erin and Richfield Town Halls on March 11, 12, and 13th respectively, each beginning at 8:00 p.m. More details of the plan will be explained at that time and local

staff will answer any questions landowners or officials may have on the project. The public hearing record will remain open for comments until March 14th.

For more information on the Oconomowoc River watershed project in Washington County, contact Perry Lindquist at the Land Conservation Department, 334-3636.

State Jaycees to Raise \$55,000 for Kitchen Renovation of Badger Camp for Disabled

The Wisconsin Jaycees adopted Wisconsin Badger Camp as their statewide Priority Project at the Jaycee Winter Convention held recently in Madison. The Region One Jaycees sponsored Wisconsin Badger Camp's bid for the Priority Project. The Jaycees, through their Priority Project, which will run from May, 1986 to May, 1988, hope to raise \$55,000 for Wisconsin Badger Camp's Kitchen Renovation Project.

Wisconsin Badger Camp, located near Prairie du Chien, is a non-profit educational and recreational facility serving mentally and physically disabled individuals ages 3-93. Individuals are accepted on a first come, first serve basis regardless of the severity of their disability or their inability to pay.

The commitment of the Wisconsin Jaycees to Wisconsin Badger Camp began in 1969. At that time, the Jaycees helped

purchase much of the camp land through the efforts of "Honey Sunday." In the past 16 years, Jaycee men and women have raised thousands of dollars to send needy individuals to Wisconsin Badger Camp.

During the next two years, Wisconsin Jaycees chapters will be conducting fundraisers to help meet the Priority Project goal of \$55,000. For more information on Wisconsin Badger Camp and the Jaycee Priority Project contact: Cindy Clark, Program Chairman, Box 184, Landcaster, WI 53813, Phone 608-723-4047.

In the eye of the tiger.

The building world may be a jungle. But all of the creatures are not equal.

Now, as always, it is ruled by those who are swifter, smarter, stronger.

Campbellsport Building Supply meets the needs of the tigers, and has done it with roaring success.

Building projects today can involve permit problems, energy audits, cost overruns, job site delays, insurance liabilities, and so on, and so on, and so on.

At Campbellsport Building Supply we have the insight and professional advice to make those building time decisions all mesh together... and we want the lion's share of the area's building business.

Small wonder more and more building projects are being supplied by Campbellsport Building Supply.

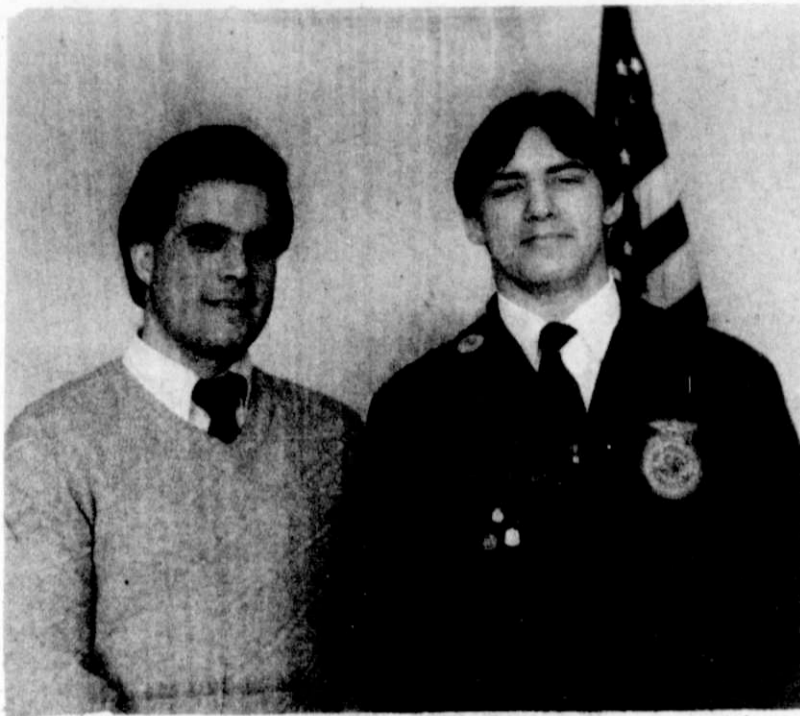

We want your business.

Kewaskum delegates, Dave Rizzardi [left] and Doug Enright attended the 15th annual FFA Farm Forum, February 14 and 15, at the Valley Inn in Neenah.

Nearly 150 FFA members attended the 15th annual FFA Farm Forum on February 14-15 in Neenah, sponsored by the Wisconsin Farm Bureau Federation (WFBF) and its affiliated companies: GROW-MARK, Inc. Midwest Livestock Producers, and The Rural Companies. The theme of this year's Forum was, "FFA Leaders for the New Fields of Agriculture." The Forum provides senior vocational - agriculture students an opportunity to discuss the challenges they face as future leaders and farmers.

Attending from this area were Doug Enright, 1320 Scenic Drive, Kewaskum, and David Rizzardi, Vocational Agriculture Teacher at Kewaskum High School. They were sponsored by Farm Bureau of Washington County.

FFA members heard speeches by WFBF president, Don Haldeman; LaVerne Ausman, former Wisconsin Secretary of Agriculture, and Arnold Cordes, Executive Director, Wisconsin FFA Alumni Foundation.

Students and teachers also attended workshops on farm computers, getting started in farming, passing the family farm from one generation to another, and producing for a consumer-oriented market. Workshop leaders for this year's Farm Forum included: Dr. Richard Daluge, assistant dean, director of the Farm and Industry Short Course, UW-Madison; Dan Teetzen, director career developed The Rural Companies; Mike Fogel, M&I Bank, Beloit; and Dr. Robert Cropp, professor, agricultural economics, UW-Platteville.

Adell Couple Named AMPI Outstanding Dairy Cooperators for District 7-C

SCHAUMBURG, IL... Larry and Barbara Laux, Adell, have been named as Outstanding Young Dairy Cooperators (OYDC) for Associated Milk Producers, Inc. District 7-C. The Lauxes attended the AMPI Mid-States Region OYDC program March 4-6 at The Abbey in Fontana, Wisconsin.

The OYDC program, in existence since the early 1960's, is part of Amp's member education and leadership training process. During the three-day program the young dairy farmers had the opportunity to meet other farmers from across the eight state region while learning more about their cooperative and its milk

marketing function.

Seminars were presented explaining the cooperative's accounting and credit procedures, marketing goals, membership services, communication efforts and quality control programs. Participants also had the opportunity to ask questions of a Mid-States' management panel.

Throughout the program, judges interviewed all of the OYDC's selecting five finalists. The region's top OYDC will be named after on-farm visits this spring. Selection is based on leadership ability and dairy management skills.

Cabbage is rich in vitamin C.

FRANCES SERWE

Mrs. Frances Elizabeth Serwe, 85, of 130 W. Sheboygan St., Campbellsport, died Thursday, Feb. 27, 1986, at Americana Healthcare Center, Fond du Lac.

She was born on Aug. 20, 1900, in the Town of Auburn, to Joseph and Helen Thill Volz. On June 21, 1921, she married Mathias W. Serwe at St. Matthew's Catholic Church, Campbellsport. He died on July 17, 1966.

Mrs. Serwe was a member of St. Matthew's Catholic Church, Campbellsport, and Christian Mother and Altar Society.

Survivors include seven sons, Sylvester of West Bend, Norbert of Kewaskum and Gerald, Frank, Mathias Jr., Cyril and Norman, all of Campbellsport; five daughters, Mrs. Carl (Rosemary) Sether and Mrs. Joann Galligan, both of Milwaukee, Mrs. Elsworth (Virginia) Ruf of Florissant, Mo., Mrs. Bob (Jeanette) Gruber of Kewaskum and Mrs. Ralph (Kathy) Herriges of St. Michaels; 60 grandchildren; and 31 great-grandchildren.

She was preceded in death by one daughter, one granddaughter and two brothers.

Funeral services were held at 11:15 a.m. Monday at St. Matthew's Catholic Church with the Rev. Victor Kemmer officiating. Burial was in the parish cemetery.

Friends called from 4 to 8 p.m. Sunday at Twohig Funeral Home, Campbellsport.

JOHN REITH

John Reith, 69, of 3033 Plum Lake Dr., Sayner, Wisconsin, passed away on Tuesday, February 25, 1986.

He was born in Milwaukee on October 29, 1916. On June 11, 1949, he married Belinda Backhaus a native of Kewaskum, in Milwaukee. He had been a retired truck driver.

Survivors include his wife; two children, Mark of Colgate, Wis. and Mrs. Maggie (Jim) Wiltrout of Cable, Wisconsin; one brother, Henry of Mercer,

Wis.; other relatives and friends.

Graveside services were held at the Peace UCC Cemetery in Kewaskum on Saturday, March 1, at 11:00 a.m.

Miller's Funeral Home of Kewaskum was in charge of the arrangements.

ROSE A. CREUZER

Mrs. Rose A. Creuzer, 76, of 5361 N. 39th St., Milwaukee, died Friday, Feb. 28, 1986, at St. Michael's Hospital, Milwaukee.

Mrs. Creuzer was born May 27, 1909, a daughter to Henry and Catherine Delfeld Betz at Byron. On June 27, 1928, she was married to Oscar Creuzer at St. John's Catholic Church, Byron. She had lived in the Byron area until her marriage. After marriage, the couple moved to Milwaukee where they resided their entire married life.

Survivors include two sons, Oscar Jr. and Kenneth, both of Milwaukee; one daughter, Nancy of Milwaukee; three grandchildren; two sisters, Mrs. Thomas (Agnes) Johnson of Campbellsport and Mrs. Lloyd (Eunice) Huck of Byron and one brother, Raymond Betz of Byron. She was preceded in death by her husband and two brothers.

Funeral services were held Tuesday at 11 a.m. at Holy Redeemer Church, Milwaukee. Burial was in Resurrection Cemetery, Mequon.

Friends called Monday from 4 to 8 p.m. at the Zwaska Funeral Home, 4900 W. Bradley Road, Milwaukee, and Tuesday from 9 a.m. to the time of services.

ARTHUR G. HOFFMANN

Arthur G. Hoffmann, 64, of Dallas, Texas, died Friday, Feb. 28, 1986, at Veterans Administration Medical Center, Dallas.

Mr. Hoffmann was born July 31, 1921, to Dr. Leo A. and Lily Froeling Hoffmann at Campbellsport. On Nov. 20, 1967, he married Louise Young in Texas. He attended St. Lawrence

Seminary for three years and graduated from Campbellsport High School in 1939. He then attended Marquette University and enlisted in the U.S. Army in January of 1941. He served in the Pacific during World War II as an enlisted man in the Signal Corps. He spent 23 years of active duty, retiring as a captain in the U.S. Air Force.

Survivors include his wife; stepmother, Mrs. Malinda Hoffmann of Campbellsport; five daughters, Mrs. David (Sue) Reilly, Mary K. Hoffmann, Linda J. Hoffmann and Terry Theyerl, all of Fond du Lac, and Jane Castledine of Dripping Springs, Texas; one son, Greg at home; five grandchildren; two brothers, Dr. William Phil of Hartford and Mathias of Appleton; and three sisters, Mrs. Geno (Jane) Scudella, Mrs. Robert (Ruth) Hayward of Denver Colo., and Mrs. Cliff (Ann) Hale of West Bend. He was preceded in death by his parents.

Funeral services were held Monday in Dallas.

Campus Notes

The University of Arizona, College of Engineering and Mines, has announced the Dean's List for the fall semester of the 1985-1986 school year. To be eligible for the Dean's List, one must take a minimum of fifteen credits and have a grade point average of 3.5/4.00.

Scott A. Prost-Domasky, a Kewaskum High School graduate, has been named to the University of Arizona's Dean's List. Scott, an Aerospace Engineering student, had an excellent fall semester earning a perfect 4.0 grade point average. He is the son of David and Marlene Domasky and the son-in-law of Willard and Dolores Prost, all of Kewaskum.

March 3, 1961

Mr. and Mrs. Sylvester Schmidt of Kewaskum on March 1 took over the operation of the restaurant business owned by Mr. and Mrs. Alfred "Doc" Johnson, at the junction of Hwys. 45 and H on the Kewaskum hill just south of the village. The Schmidts now have the establishment open for business.

The candidates selected for queen of Kewaskum's Dairy Day have been announced by the Kewaskum High School. This year, as in the past, the queen will be chosen by penny ballots. The money taken in will be donated to the American Field Service of Kewaskum. The candidates from the freshman class are Karen Krell, daughter of Alex Krell, Route 2, West Bend, and Kathleen Campbell, daughter of Mr. and Mrs. Cyrus Campbell, Route 2, Kewaskum. The sophomore candidates are Barbara Fickler, daughter of Mr. and Mrs. Lee Fickler, Route 1, Kewaskum, and Lucy Boegel, daughter of Mr. and Mrs. Oscar Boegel, Route 1, Allenton. The junior class candidates are Mary Reindl, daughter of Mr. and Mrs. Gilbert Reindl, Route 2, Kewaskum, and Elaine Redig, daughter of Mr. and Mrs. Ed Redig, Route 2, Kewaskum. Candidates from the senior class are Elaine Bruessel, Route 2, Kewaskum, and Naomi Engeleiter, daughter of Mr. and Mrs. Herman Engeleiter, Route 3, West Bend.

The Kewaskum Indians brought their scenic Moraine Conference season to a close with a 6-8 record and tie for fourth place with Grafton and Random Lake. The season officially ended Monday night when the Indians were edged, 61-57, by Homestead of Thiensville-Mequon in regional tournament play at Cedarburg. Squad members include Tom Bartelt, Bob Berg, Dave Oppermann, Ron Gross, Homer Justman, Roger Yeadeke, Don Theusch, Bill Koepke, John Thorn, Jim Fickler, Kons Sadownikow and Bob Kroncke, student manager. Walt Bade is the coach.

Daughters were born to Mr. and Mrs. Richard Boden,

Kewaskum, on February 24; to Mr. and Mrs. Leonard Biersack, Route 2, Kewaskum, on February 24, and to Mr. and Mrs. Gerald Schaeffer, Kewaskum, on February 25. Sons were born to Mr. and Mrs. Arthur Buss, Kewaskum, on February 25; to Mr. and Mrs. Roger Groeschel, Kewaskum, on February 25 and to Mr. and Mrs. Eldon Ramthun, Kewaskum, on February 27.

esteemed and pioneer resident of the Town of Kewaskum, passed away in death at his home in the Town of Kewaskum on February 27.

Fred Manske, 61, a prominent resident of New Fane, passed in death at his home in New Fane on February 28.

Mrs. Kathrine Kugler, nee Weinert, passed away at her home in the Town of Wayne, March 3.

A baby boy was born to Mr. and Mrs. Ray Keno of this village last Friday morning.

50 Years Ago

March 6, 1936

The Campbellsport fire department was called to a blaze at the Stella Cheese company's warehouse at about 5 p.m. last week Wednesday. The blaze was extinguished within a short time and little damage was done except the burning out of two motors.

March 1 marked the 25th year of the operation of the local brewery at West Bend by the Walters brothers, Charles and Martin, during which they have built up a business second to none in this part of the country. The brothers bought out the West Bend Brewing Co. in 1911 from the late S.F. Mayer and the Pick family. The brewery is one of West Bend's oldest concerns, being established in 1853 by the Arzbacher family.

Sister Mary Aquin of St. Francis, more widely known here as Isabelle Miller, daughter of Mr. and Mrs. Edw. F. Miller of this village, was among the honored "A" students in liberal arts awarded by Marquette University last Saturday.

Announcement has been received by this office of the marriage of William Francis Hopkins on February 22, at Ann Arbor, Michigan, to Miss Lois Mabelle Graves. The bridegroom is a Kewaskum High School graduate and is a son of Mr. and Mrs. Frank Hopkins, who, until recently, managed the Wild Life Refuge on Moon Lake.

Again the Grim Reaper, Death, has entered our midst and taken another prominent business man and citizen of this village, William Ziegler, who entered his eternal sleep on February 29, at his home in Kewaskum.

William Dobke, 88, a highly

**RIVER CITY IRREGULARS
BAND REHEARSALS BEGIN**

The West Bend Community Band (River City Irregulars) will begin its third season with the second rehearsal on March 20, 7:30 p.m., at Badger Middle School, 710 South Main Street, West Bend. New musicians from West Bend and surrounding areas are always welcome to join.

The band, now numbering close to 40, provides an opportunity for post high school musicians to continue playing and to have fun. Participating in two parades and playing two outdoor concerts will be the band's primary activities this summer. Most of its players have had only high school playing experience. Since the band focuses on fun, while contributing to the community, there are no fees or tryouts.

For more information, call 338-8458.

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U. S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or municipality where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, you must request it in writing. Contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted in person. An application mailed to the clerk's office must be received by the clerk no later than 5:00 p.m. on the Friday before election day. An application made in person in the clerk's office may be done up to 5:00 p.m. on the day before the election.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election. However, if the elector fails to mark and return the ballots sent to them for an election, it will be necessary to complete an application form before receiving absentee ballots for a subsequent election.

Absentee ballots can be voted at home anytime after they arrive in the mail. They can also be voted in the clerk's office if the application is made in person. If an elector requires assistance in casting his or her vote, the assistance must be rendered by someone authorized to administer oaths, such as a clerk or notary public. If the ballots are returned by mail, the affidavit-certificate must be properly completed and signed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to before the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received in incomplete or improper form, or received after the polls close on election day cannot be counted.

ARTHUR G. DEGNITZ, COUNTY CLERK
WASHINGTON COUNTY

PUBLIC NOTICE

**Town of Wayne
Washington County, Wisconsin**

NOTICE IS HEREBY GIVEN that the Town Board of the Town of Wayne, Washington County, Wisconsin, has authorized the preparation of the first portion of the Municipal Code of the Town of Wayne, said portion consisting of ordinances within the Zoning Ordinance, the Minor Land Division Regulations and the Building Code. Said portion of the Code, which has been published in pamphlet form, is on file in the office of the Town Clerk, 9115 Woodlawn Dr., and will be available for public inspection from and after March 6, 1986.

NOTICE IS FURTHER GIVEN that the Ordinance adopting said partial code will come before the Town Board at the Town Hall on March 26, 1986 at 8:00 P.M.

Dated March 6, 1986.

ORVILLE KERN
Clerk, Town of Wayne

- NOTICE -

**Village of Kewaskum
Dog/Cat Owners**

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in the Village of Kewaskum that rabies vaccinations and dog licenses are required under the Statutes. The same applies to cat owners under Chapter 12.01 of the Kewaskum Municipal Code.

Vaccination by a veterinarian against rabies is required (Section 95.21(2)) within 30 days after the year reaches 5 months of age and revaccinated within one year after the initial vaccination. Older vaccinated pets must be revaccinated when the certificate expires or within three years of the previous vaccination. Certificates of current vaccination must be presented when obtaining licenses.

All dogs/cats, 5 months of age or older, require a license. The minimum dog license for neutered males or spayed females is \$5.00, upon presentation of evidence attesting to the same and \$8.00 for the unneutered male or unspayed female dog. The minimum cat license for neutered males or spayed females is \$2.00, upon presentation of evidence attesting to the same and \$4.00 for the unneutered male or unspayed female cat.

PENALTIES

A late fee of \$5.00 shall be assessed the owner of each dog 5 months of age or over who fails to obtain a dog license by April 1st.

New dogs must be licensed within 30 days of ownership unless it is a dog that has been licensed and is being transferred to a new owner within the county and is licensed.

1986 dog and cat licenses can be obtained at the Municipal Building, 204 First Street.

Little Lake, Big Fish

Chuck Dreher displaying his 14-pound Northern.

Chuck Dreher, of Kewaskum, proudly displays a 37½ inch, 14 pound Northern he recently caught in Haack's Lake, located northeast of Kewaskum.

The fish is one of the largest

taken from the tiny private lake in recent years. Neighbors, however, say there are even bigger beauties which have managed to escape the anglers' hook.

Sports a Bargain in 1984-85 School Year

By Chuck Voge

An informal and uncertified audit of extra-curricular spending for the 1984-85 school year has revealed some interesting information.

Spending on sports and other extra-curricular activities made up a surprising 1.8% of the budget for the entire year and that's before income from sports programs was deducted from the gross expenditures. Total cost for all sports for the entire year was an amazingly low \$82,702.00, which includes the cost of equipment, coaches and assistant coaches salaries, transportation and officials salaries plus other minor and miscellaneous expenses that are required to conduct the fourteen sports programs that made up the audit.

Income from the same fourteen sports programs was \$12,758.00. That figure is made up of ticket sales at sporting events, athletic passes and the user fees that students pay to participate. Subtracted from the gross expenditures on sports programs it leaves a net cost to the district of \$69,944.00.

Few things that the district does can boast of being partially self-supporting. There were a total of 402 participants involved in fourteen activities, and of those fourteen activities there were a total of 402 athletic games and contests. The number of home contests was not available, however, these events did furnish a lot of community entertainment for district residents.

The most expensive sport to fund per capita was wrestling at \$316.00 per wrestler. The Cheapest event to fund was cheerleading at \$11.00 per student. From the most expensive to the cheapest the

different events ranged as follows:

1. Wrestling - \$316.00 per participant
2. Gymnastics - \$265.00
3. Girls Basketball - \$256.00
4. Football - \$248.00
5. Cross Country - \$234.00
6. Boys Track - \$213.00
7. Boys Basketball - \$210.00
8. Volleyball - \$171.00
9. Baseball - \$161.00
10. Girls Tennis - \$143.00
11. Girls Track - \$132.00
12. Golf - \$127.00
13. Boys Tennis - \$90.00
14. Cheerleading - \$11.00.

Chess is not included in this 14-sport audit and skiing is not funded by the school.

If the total cost of all sports programs were measured in terms of the cost per contest victory the cost would be staggering, however, if measured in terms of students that were provided with something to do as an alternative to beer parties and hanging around on the streets, then the cost would seem like a drop in the bucket. Throw in the added value to the district in terms of community entertainment and it's hard to understand why we're so under-funded in the area of sports within the district.

Campus Notes

The University of Wisconsin-Eau Claire has named 1,791 students to its Academic Distinction list for the fall semester, according to Dr. Norman Doorenbos, UW-Eau Claire vice chancellor.

To be eligible for Academic Distinction recognition, a student must receive at least a 3.2 semester grade point

Agricultural Safety Winners Announced

This year's safety calling project has once again come to an end. If you recall, the F.F.A. had articles in the Kewaskum Statesman pertaining to safety in agriculture. We then had slips of paper, on which people could put their name and telephone number, that they would deposit in marked boxes at several businesses in the Kewaskum community. Names were randomly drawn from the boxes and members called these people to ask them three questions from the safety article.

The ten lucky winners for this year's project each received as their prize two pounds of Schneider's string or cheddar cheese. This year's winners were: Ernie Mitchell, Mr. and Mrs. Ken Kaschner, John Kletti, Mr. and Mrs. Mark Enright, Richard Thiemer, Karl Schultz, Ronald Stange, Jane Jansen, Nancy Degnitz, and Howard Martinson. Congratulations to all winners and many thanks to the businesses and community members who participated.

average (where 4.0 equals A) for 12 semester credits or more of college credit courses. The semester record may not include repeated courses or incompletes. In addition, a student's cumulative grade-point average must be at least a 3.2.

Student from this area named to the Academic Distinction list at UW-Eau Claire includes: Karen Guenther, Kewaskum, psychology.

♦♦♦♦

Sandra Secor, a freshman at Ripon College, is among honored students named to the Dean's List for the first semester of 1985-86 academic year. Secor is the daughter of Gerald and Mary Secor of 1856 Scenic Drive, and a graduate of Kewaskum High School.

In order to qualify for this distinction, students must achieve a 3.40 grade point average (on a 4.0 scale) while registered for at least 12 hours of course work. According to the Ripon College Dean of Faculty, Dr. Douglas A. Northrop, a total of 127 students were honored in the first semester. "The friends and families of these students should be very proud," said Northrop, "because maintaining a grade point high enough to make this list is quite an achievement."

♦♦♦♦

Sheboygan — Eighty-three Lakeland College students were named to the Dean's List for academic achievement during the recently completed fall semester. Those who attained a grade point average of 3.5 or better for this grading period include:

Adell — Jan Koepke, post-graduate, a business administration major; Pamela Krahn, sophomore, a medical technology major, daughter of Mr. and Mrs. Sylvester Krahn.

Campbelsport — William Duley, senior, a business administration major, son of Mr. and Mrs. David Duley; Margaret Gudex, senior, a writing major, daughter of Mr. and Mrs. Harold Gudex.

W.I.A.A. REGIONAL GYMNASTS face the flag during the playing of the National Anthem at the March 1st regional competition at Fond du Lac. Kewaskum girls are second from the right. The ten inch numerals on the West Bend jackets are impressive and something district administrators should consider in the future. All eight teams marched into the gym single file in the style used in the Olympic games.

Gymnasts End Season at Fond du Lac Regional

By Chuck Voge

The Kewaskum girls gymnastics team finished their season this past Saturday, March 1, by placing 6th in the W.I.A.A. Class A regional competition held at the L.P. Goodrich High School in Fond du Lac.

Goodrich High, incidentally, is the alma mater of Kewaskum's wrestling coach John Nell and John's name is still up on the record board in the front hall along with the 22-3 record that he set as a high school wrestler at Goodrich.

Although the Indian girls finished 6th as a team, two Kewaskum gymnasts, Sherri Batzler and Jackie Voge missed out on advancing to sectional competition on an individual level by less than a point. Batzler's 7.15 average on the uneven parallel bars was just .20 short of putting her into 7th place and a spot at the sectionals. Voge's 7.75 on the vault was just .25 short of the 7th place winner in the event, Dawn Kunert from West Bend West.

A near capacity crowd watched as the girls from all eight teams marched into the gym single file in the same style used at the Olympic games. This grand entry is a very impressive event and is sure to bring a lump into one's throat and make a person glad to wear the label parent and member of the Kewaskum High School district.

Folks, as a district you were well represented by a fine group of clean cut young girls that would make any school district resident proud of the Green, Gold and White.

Team scores and places

1. Fond du Lac 102.95
2. West Bend West 99.2
3. West Bend East 99.0
4. Oshkosh West 96.50
5. Oshkosh North 95.60
6. Kewaskum 88.25
7. Waupun 80.15
8. Beaver Dam 66.90

KHS Powerlifting Club Lift-A-Thon

The Kewaskum High School Powerlifting Club will hold its third annual Lift-A-Thon, March 19. The competition is open to any student attending Kewaskum High School.

There will be eight weight classes at which the athletes must compete in three lifts: bench press, squat, and dead lift. The combined total of all three lifts will determine the winner of the weight class.

Trophies will be awarded to first place while medals will be given to second and third. Also, if the participant raises \$50.00 or more from his sponsor sheet, he will receive a free powerlifting T-shirt.

The meet will begin promptly after school and is expected to be over by 5:00. The money raised will be used to purchase new equipment for the weight room and for the football program.

SATURDAY GYM CLOSED

The two Kewaskum High School gyms will be closed for the rest of the 1986 winter and spring basketball season.

Indians Surprised by Sheb. Falls in Finale

By Chuck Voge

The Kewaskum boys basketball team closed out their regular season Friday night, Feb. 28, with a well played but 73-68 loss to the Sheboygan Falls Falcons in a game at the fieldhouse in Kewaskum.

This was the last place Falcons' conference victory of the entire season. Before Friday Falls had gone through 11 games without a win for a final 1-11 record, which proved embarrassing to the Indians.

The Falcons converted 15 to 17 free throws in the fourth quarter and a game total 31 of 37 tries for an impressive 84 percent, while the Indians made just 10 of 22 for 45 percent. They outscored Kewaskum by 20 points at the free throw line, which won the game for them.

The Indians easily had the best of the shooting from the field where they outscored the Falcons, 29 to 21, but on this night Falls couldn't do anything wrong.

Although the boys came out on the short end of the score they came out on top in another area. The last period of the game we thought was the best ball that the Indians have played in the entire season and certainly provided the fans with a good supply of optimism on the Indians' chance of beating Hartford in the up and coming opening round of play in the March 7th regional here in Kewaskum.

This is a team that has showed a continued and steady improvement throughout the season.

High scorers in the game were Todd Steger with 24 points and Mike Coulter with 15. For the Falcons Rich Perrone had 18 and Jim Roeber 14.

The varsity finished regular season play with a 7-12 record overall and placed fifth in conference play with an 4-8 mark.

The freshmen lost their con-

test with Falls, 50-46, and finished the season at 4-11 overall and 4-8 in conference play. More important than the freshmen won and loss record was the fact that they were very much in every game except one with Two Rivers.

The junior varsity picked up the only Kewaskum win of the evening by a score of 55-49. Neil Stollenwerk scored on one of those last second desperation shots at the buzzer that are a part of every game. Stollenwerk's mammoth heave went in from about 55 feet out. The junior varsity finished their season with a 7-12 record overall and were 4-8 in conference play.

Kewaskum — Ramthun 0-1-1, Rohlinger 3-1-7, Menzel 1-0-2, Theusch 2-3-7, Yahr 5-2-12, Steger 11-2-24, Coulter 7-1-15.

Falls — Willadsen 3-0-6, VanEngen 4-4-12, Stoffregan 2-0-4, Roeber 2-10-14, Aparicio 2-6-10, Schneider 2-5-9, Perrone 6-6-18.

Scoring by periods

Kewaskum	16	14	16	22-68
Falls	22	11	15	25-73

Lakes Team Gives Battle To Cedarburg

The Kewaskum Lakes team was defeated at Cedarburg by their second place team Sunday, 156-141.

Playing before a nice-sized crowd of around 100 people, including a spirited group of 35 former Cedarburg players and their families. Kewaskum gave Cedarburg a very tough battle until the final five minutes. Kewaskum trailed by only five points with about five minutes left, but the turners widened the lead the rest of the way.

But Kewaskum can be proud of the way they played against one of the top two teams in the league, giving the old timers and the rest of the crowd an entertaining game to watch.

The game was taped and was to be televised on Port Washington cable television this week.

Kewaskum's reliable Leon Laatsch again ran away with scoring honors with an unbelievable 49 points. Next were manager Bill Backhaus with a surprising 24, Tim Rondorf with 23 and Bill Gonwa with 20. Leading Cedarburg were Steve Van Dyck with 36, Scott Murray and Mike

Schramka with 30 apiece and Rick Nisleit with 29.

Kewaskum hopes to give the league-leading Menomonee Falls Badgers another close game this Sunday at the KHS gym at 7 p.m. in the next to last game of the season.

Mosquitoes are attracted to the color blue twice as much as any other color.

Staehler Loses Out in State Wrestling

Rick Staehler, Kewaskum, and Mike Frankfurth, Sussex Hamilton, in the 138 lb. consolation bout at the WIAA State Wrestling Tournament in Madison.

Staehler takes down Frankfurth

(Ken Miller photos)

Kewaskum's only representative, Rick Staehler, finished the season at the WIAA State Wrestling Tournament at the UW Fieldhouse in Madison over the weekend.

Staehler's last opponent was Mike Frankfurth of Sussex Hamilton. At the end of regula-

tion time, the score was tied 4-4. Rick then lost 3-2 in overtime.

In his first match, Staehler was beaten by Rob Schmidt of Madison Memorial, 11-3.

Although Rick went 0-2 at 138 pounds, Coach John Nell was extremely proud of his efforts.

Mueller Does Well In State Ski Meet

Jess Mueller, Kewaskum High School junior, who qualified for the state ski meet as an individual when he took medalist honors in two meets, entered three state events Monday at Rib Mountain, Wausau.

The three events were down-

hill, slalom and giant slalom. There were 130 competitors in each race.

Jess finished 38th in downhill with his time of 29.79. In slalom he finished 24th and his time was 32.29. In the giant slalom he was 31st with a time of 40.01.

WIAA Boys Regional Here

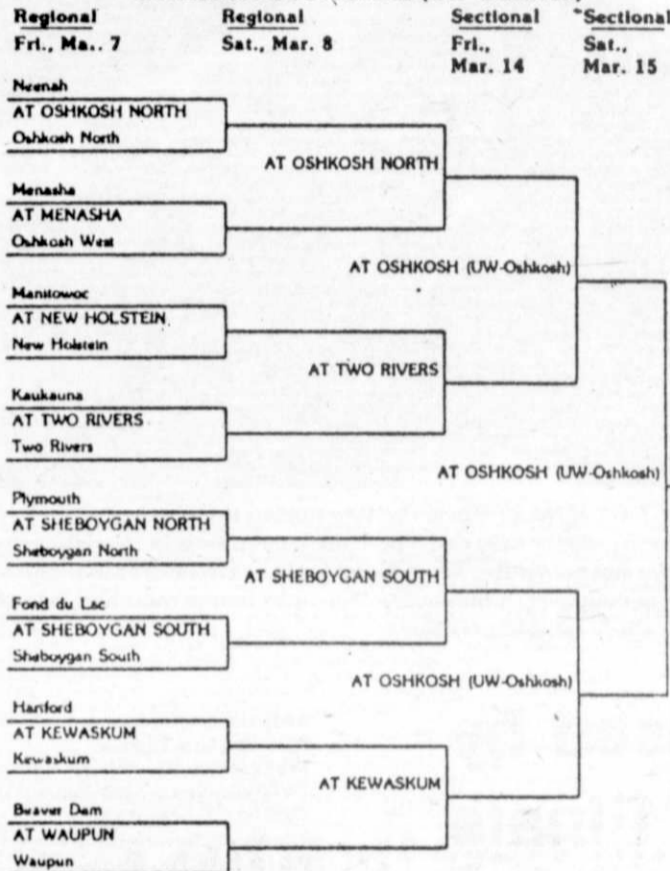

Kewaskum will host WIAA basketball tournament games Friday and Saturday, March 7 and 8.

On Friday night, Kewaskum plays Hartford at 7 p.m. On Saturday night, the winner of the Kewaskum-Hartford game will play the winner of the

Beaver Dam-Waupun contest here. Tip-off time for this game is also 7 p.m.

Tickets may be purchased each night when the doors open at 6:30 p.m. Cost is \$2.50 for adults, \$2 for students and \$1 for children under 12 years.

OSHKOSH SECTIONAL (UW-Oshkosh)

Orioles Advance to Sectional

Hartford Powerhouse Routs Girls in Regional

The Kewaskum girls basketball team was eliminated from further post-season play with their one-sided 54-22 first round loss to the Hartford Orioles in W.I.A.A. regional play at the Hartford Union High School on Thursday, Feb. 27th.

In the other regional opener at Beaver Dam Thursday night the Beavers defeated Waupun, 48-36, to advance to the finals at Hartford Saturday night. The Orioles also won this contest in a breeze, 47-29, to advance to the sectional at Plymouth this

Thursday, where they meet the Panthers (Eastern Wisconsin co-champions) in the second game at 8 p.m.

Before Hartford can start thinking about a return trip to the state tournament at Madison again this year, they will have to get by the Plymouth sectional. The Orioles should be favored. Hartford finished the season as Little Ten champions with an overall record of 17-1 and conference mark of 11-1. Their only setback came at the hands of second place Watertown late in the season.

It would be false to say that the Kewaskum girls had their hopes dashed on the rocks by the Hartford loss because their was no hope of them beating the Orioles, who at game time were ranked third in the state.

High scorers in the game for the Indians were Jodi Yearling and Brenda Vetter with 7 apiece and Debbie Felix with 4. For the Orioles, all-state candidate Steffi Shink had 16 points and Kari Baertlein 9.

A lengthy play by play would serve no worthwhile purpose, so suffice it to say that from their November 21 opener with Lomira, to their Feb. 20th season finale with Sheboygan Falls, these girls gave all that was within them. By the third game of the regular season the team had peaked and reached its fullest potential. That potential was not enough to put together an impressive won-loss record, however, it was good enough to provide the community with a heavy dose of good clean and wholesome entertainment. Kewaskum — Fusek 1-0-2, Kober 0-0-0, Yearling 2-3-7, Beck 0-0-0, Hintz 0-0-0, Schmidt 0-0-0, Schneider 0-0-0, T. Theusch 0-0-0, Vetter 2-3-7, B. Theusch 1-0-2, Felix 2-0-4.

Hartford — Baalke 4-0-8, Gerkhardt 2-0-4, Redlin 0-0-0, Hasch 0-1-1, Hanrahan 3-0-2, Krueger 0-0-0, Schink 5-6-16, Parisi 0-0-0, Klippel 0-0-0, Gosenheimer 0-0-0, Schladweiler 2-2-6, Kernwein 2-0-4, Ciriacks 0-0-0, Baertlein 4-1-9.

ARM CHAIR OFFICIALS, is Kewaskum's Terry Schmidt reaching in, in the girls contest at Hartford or is it a jump ball? You be the judge.
