## Parish to Celebrate 125th Anniversary

# Holy Trinity Catholic Church Renovation in Full Progress

A Holton Brothers employee works on replacing mortar on one of Holy Trinity's steeples.

May 25th will be a happy and joyous occasion for parishioners of Holy Trinity Catholic Church as the Kewaskum landmark prepares to celebrate its 125th birthday. Archbishop Rembert Weakland will be the special guest during ceremonies which

will include a mass at 4:00 p.m. at Holy Trinity Church, followed by a dinner and dance at the Amerahn.

But before the big day, the church is undergoing a major redecoration and renovation. From the tip of the church steeples, to the ground floor, work is being done to restore the original beauty and dignity of the structure which time and weather have diminished.

Passersby have already observed the hubbub of activity around the church as crews from several companies begin the large task. On the exterior, tuckpointing, caulking, and replacing of bricks and mortar are being done by Holton Brothers, Grafton, while the Krieg Painting Company crew, of St. Michaels, works among an iron skeleton of scaffolding within the church as it handles the task of patching plaster and reinforcing the interior walls.

When the exterior repairs are completed, the structure will receive a complete new coat of exterior trim paint, including the steeples. After interior repairs, painting, insulating and clean-up are completed, new carpeting will be installed.

The main area of the church will also see some changes. To provide more room around the altar, it will be moved forward on the platform and the steps have been extended. The communion railing has also been removed.

The altar will be moveable, which will allow for more flexibility during various liturgical celebrations. Two parish members, Michael Nigh and Zachary Stoffel, have also volunteered to construct a new pulpit.

The front pews, nearest the altar, are being replaced by 100 chairs which will be moveable and not have kneelers. New

## Village Board Incumbents Also Opposed

# Challengers Vie for Defeated School Board Incumbents' Seats Apr. 1

By GERRY MUELLER  
Statesman Staff Writer

Next Tuesday's spring election will answer the question of who will replace defeated incumbents Lynn Dieringer and Neal Weare on the Kewaskum School Board when their terms expire this month.

Both Dieringer and Weare had sought re-election to second terms but were defeated in their bids to keep their posts on the board in February's primary election.

Next week will see the three newcomers, Donald Nowak, Ruth Schmitt and Clara Trapp, and former school board member Ralph Horner take their battles to the ballot box in hopes of winning one of the two seats which are up for grabs.

Each candidate seems to have their own camp of supporters with only slight infringement into each other's territory. Nowak has gained support in the village, with local organizations and some support from rural areas. Schmitt has some teacher support, but also received fairly even primary voter backing throughout the district. Trapp has drawn her strongest backing from her home ground in the Beechwood School area, with some Farmington and Wayne support. Horner, too, drew most of his support from the Farmington and Beechwood

areas.

With little visible campaigning such as signs or posters showing up in the district before the election, the suspense will apparently last until the last votes are tallied Tuesday night.

In the Kewaskum Village Board race, four candidates will be competing for the seats of three trustees whose terms are also expiring.

Incumbents Howard Laubenstein and Tom McElhatton are hoping to retain their posts against the challenges of newcomer Gary Moody and former Village Board member Richard Schmidt. The third vacancy is the result of Trustee Donald Mlodzik's decision not to seek re-election.

In the Washington County Board of Supervisors election in this area, Norbert Dettmann, incumbent Supervisor for the Eleventh District, will be running against challenger Hilbert Scheunemann. Incumbent Supervisor Harold Westerman, Ninth District, and Daniel Stoffel, Tenth District, will be running unopposed.

Voters will also vote on 4 statewide referenda questions, Justice of the Supreme Court and Court of Appeals, District Two.

# Meeting Cancelled As Members Are No-Shows

By GERRY MUELLER  
Statesman Staff Writer

After 45 minutes of waiting, Perry Ankerson, Chairman of the School District's Finance-Transportation-Buildings and Grounds Committee, cancelled the group's regular monthly meeting.

Only Ankerson and committee member Carol Connor showed for the scheduled meeting resulting in less than a quorum and making it impossible for the committee to

officially conduct any business.

Business Manager Cherna Gorder and Buildings Superintendent Fred Boehlke were also present, however, neither committee members Kim Peterson or Ron Theusch called in to say they could not make the meeting. A fifth member, Tom Brigham, notified the administration office that he would be on vacation. District Administrator Penny Kleinhans called in sick.

## KHS Forensics Team Continues Winning Ways

Earlier this month the KHS forensics team had received 31 qualifying ratings in sub-district competition. Last week the team traveled to Chilton to participate in the Eastern Conference meet. At this meet 22 of the 25 KHS entries received qualifying ratings placing the team in a solid 3rd place among the seven participating schools. Kiel High School placed first, followed by New Holstein, Kewaskum, Sheboygan Falls, Chilton, Plymouth and Two Rivers.

This past Saturday the team attended the District Meet at Brookfield East High School. Of the 31 sub-district qualifiers, 24 will go on to state competition. Twenty-eight schools participated in this meet and each student was judged in three separate rounds. In two of these three rounds the student had to receive 19 or more points out of possible 25 in order to qualify.

## Easter Egg Hunt Saturday

The Kewaskum American Legion, Robert G. Romaine Post 384, will hold its annual Easter Egg Hunt in River Hill Park at 1:00 p.m. on Saturday, March 29. All children from the Kewaskum area are invited to participate in the hunt.

Kids in the age group from seven to nine years will hunt eggs in that area of the park located on the east side of the river. The age group six and under will meet in the park on the west side of the river.

In case of inclement weather the Legion Post will be at both sites and pass out eggs and candy in the parking area.

## KMS Forensics Team Receives Solid A's at State Meet

On Saturday, March 22, the Kewaskum Middle School Forensics team participated in the State Junior High WFC Forensics tournament in Hortonville. This year 30 schools and over 1,500 speakers participated in the Forensics Fantasia. The following is the list of KMS students who participated, their categories and grades:

Prose — Erin Hein A, Becky Manthei A.  
Non-Original Oratory — Eva Nowak A, Sara Pearson A.  
Storytelling — Brenda Behling A, Adam McDonald A.  
Poetry — Helena Jaromin A.  
Solo Acting Humorous —

Katie Boland A, John Hazlewood A.

8-Minute Persuasive — Jason Miller A-, Becky Hammes A, Tania Friedel A.

4-Minute Speech — Traci Bindrich A-, Pam Gauger A-, Laura Strancke A.

In extremely difficult competition five members of the team placed in a power round which consisted of the best of the A's and a ranking of 1.

In the category of solo acting humorous in competition with over 200 students, John Hazlewood took 4th place honors and received a medallion. Katie Boland took 2nd place honors in this category and received a state trophy. In the category of storytelling in competition with over 250 students, Brenda Behling placed 4th and received a medallion for her fine efforts. Eva Nowak took 2nd place honors and received a coveted state trophy for her fine efforts in the non-original oratory category. Eva was in strong competition with over 100 contenders. In the category 8-minute persuasive Becky Hammes in competition with over 200 students placed 2nd and received the coveted state trophy.

Forensics coach Margaret Smith, who has coached middle school forensics for eight years, stated that this was one of the best squads she has ever worked with and coached.

Talent combined with hard work were the main ingredients in the successful season, Smith said.

## Renovation

(Continued from Page 1):

pews are also being made for the balance of the church. The altar, pews and chairs are being designed and made by Mike Nigh, from lumber cut from trees on the former Elmer Nigh, Town of Auburn, farm and the Nic Stoffel farm, rural Kewaskum. The lumber was cut and

dried by Zachary Stoffel in his shop. Zachary has a shop where he cuts and dries lumber in his kiln. Insulation work was done by Bunkelman Builders. Bill Kober and crew rebuilt the sanctuary platform which is in cathedral effect. Other related work was done by many of the parishoners.

Because the chairs for the priest and servers are part of the church's original furnishings, they will be kept but refinished to match the new pews.

The confessionals have been removed and there will be a reconciliation room in the right sacristy.

While the work is now all coming together under the guidance of two main groups, the Building and Grounds Committee and Redecorating and Renovation Committee, planning in general has been going on for some time. During its early discussions of plans for the church, the Redecorating Committee learned the building was in need of more extensive renovation and repair. It was then the two committees decided to work together and combine their efforts into one unified project.

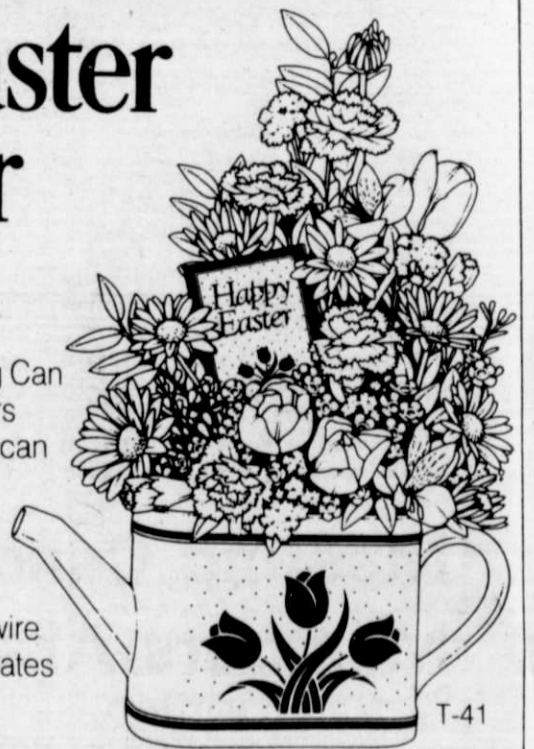

One church group which has been diligently working to see the redecorating become a reality is the Christian Mothers Society. It has been recognized for its many years of effort put forth to raise money for the work. To date, the Christian Mothers have raised almost \$48,000 towards the project's estimated total cost of \$150,000. The church has also received \$100,000 in pledges and a large sum in monthly building fund special collections.

While the parishioners eagerly await the completion of their church's rejuvenation, they have been attending services in its basement and masses will continue to be held there until work is completed.

wood, asked Ankerson why the meeting had not been cancelled. Ankerson told her he had fully expected there would be at least a quorum present to hold the meeting and knew as much about the absences as everyone else present. Gnacinski asked Ankerson if these people did not feel they had some responsibility to the public to at least call in so the meeting could be called off. "It's not my day to watch people," said Ankerson. He suggested that she bring it up at a school board meeting. "I've been on Peterson's case for quite some time already about his attending meetings," said Gnacinski.

After waiting fifteen minutes to see if any more members would show up, Ankerson told the sixteen people at the meeting he would gladly hold an informal discussion on any concerns they might want to address. Ankerson stressed the fact, however, any discussion was strictly that, informal, and would not be acted upon.

Gnacinski asked Ankerson to clarify a question she had regarding the sixth grade transfer to the Middle School. It was my understanding that originally only sixth graders from the outlying schools would move to the Middle School and the Kewaskum Elementary sixth graders would stay where they are, said Gnacinski, now you're saying all the district's sixth graders will move. Ankerson told her, "the plan as long as the board had discussed it, was for all the sixth graders to move to the Middle School, 'period,' without any distinction."

School Board Candidate Clara Trapp questioned whether there was really enough room to include the sixth graders in the Middle School. "It is my understanding," said Ankerson, "there was a bigger population in there years ago than there will be now." Trapp also asked if the district had gotten architectural drawings and state building permit approval for the necessary changes needed at

the school to accommodate the students. Ankerson told Trapp, those items were some of the things which were to have been discussed at this meeting. I can't give you that information because I had expected to get it from Mr. Boehlke's report tonight, noted Ankerson. "What ever we have to do, we'll do to get the work done," stated Ankerson.

Ankerson and the audience also discussed the recent teacher contract settlement. After hearing their comments Ankerson said, "the question which pretty much has to be answered at the state level is, are teachers underpaid?" School Board candidate Donald Nowak told Ankerson he knew his vote had been against the contract, however, he did not explain his reasons as he usually did. Ankerson said he felt an explanation would not have served any constructive purpose.

"Being on the school board has been a real education," said Ankerson. There is really little that school boards can do, they are locked into binding arbitration and that law is the whole problem, he noted. "What's sad about this whole situation is the system itself," stated Ankerson, "the teachers can't go out on strike and we can't lock them out, it's all against the law."

Ankerson told the people, the only suggestion he could make was for the taxpayers to get on their legislators in Madison and let them know you want the arbitration laws changed. As far as I know, Senator Stitt is the only one who voted against it, noted Ankerson.

Ankerson was also asked if anything had been done about the bus routes study. Gorder said Assistant High School Principal Roy Esser had been riding the routes and checking into them.

Ankerson then cancelled the meeting, thanking all the people who had come.

Good manners are better than good birth.

## 2nd Annual Walk For the Fun of It

If you enjoy nature and walking, this is the greatest way to have fun and see the beautiful Kettle Moraine Forest — the trees in bloom, the tall pines, the Kettle formations in the earth, the natural lakes, birds of all kinds, beautiful scenic views, and just a great experience.

The 2nd Annual Walk for the Fun of It is scheduled for Sunday, May 4th. A few changes have been made from last year as we learned a lot. We will again leave by bus from the Johnson Bus parking lot on the east end of Kewaskum. Departure time is 7 a.m. sharp! The next pick up location will be the parking lot at Mauthe Lake, next to the ticket station, at approximately 7:15 a.m.

The bus will then go directly

to the Greenbush Recreational Ski Area, where the first hikers will be dropped off. Two new drop off points have been added if you don't think that you could walk the entire 24 miles. The next drop off will be at Butler Lake and the last one will be at Mauthe Lake.

How far can you walk? Greenbush to Kewaskum is approximately 24 miles, Greenbush to Mauthe Lake approximately 15 miles, Butler lake to Kewaskum — approximately 18 miles, Mauthe Lake to Kewaskum — approximately 10 miles.

Some things we learned last year:

1. Prepare for the walk - get in shape.
2. Wear shoes that are going to be comfortable.
3. Take a canteen of water

along and something to snack on.

4. Be prepared to go up and down a lot of hills.

5. Ask Dave Nigh, Pat or Lloyd Mueller, Marge Rosenthal how much fun they had. It's going to be a great day.

The cost will be \$3 per person, payable in advance only. Any money left over from the cost of the bus will be used for flowers, in the parks.

Please call Walk for the Fun

## Kiwanis Students for the Month of March

Friday, March 28, 1986, Kewaskum Statesman, Page 7

Leah Kuphal

Leah Kuphal, daughter of Mr. and Mrs. Roger Kuphal of rural Campbellsport, and Barbara Panzer, daughter of Mr. and Mrs. Herman Panzer of rural Kewaskum, have been chosen as the Kiwanis students for the month of March.

Leah was inducted into the National Honor Society as a junior. She was involved in the school musical productions for four years. As a freshman, she was in the triple trio and a member of the Key Club. As a sophomore she was on the track

team. Leah played the keyboard for the jazz band for two years, was a member of the swing choir for three years, and the honors choir for two years, and participated in the solo and ensemble on the state level for three years. She is a two year member of the Spanish Club and served as president. She is secretary of the Future Teachers' Association. For three years, Leah was involved with forensics and participated at the state level for two years. She was the junior prom queen.

Barbara Panzer

Barbara was also inducted into the National Honor Society as a junior. She was a member of the concert band one year, symphonic band three years, pit band three years, and honors band two years. She participated in the state level solo and ensemble in three years. Barb was a student government representative as a freshman. She is a four year member of the Key Club, German Club, tennis team and forensics. Twice she advanced to the state level in forensics.

## Open House for 60th Anniversary

Mr. and Mrs. Ervin A. Matthies. They also have fourteen grandchildren and nine great-grandchildren.

Mr. and Mrs. Ervin A. Matthies, 35-36 Sunset Drive, Route 1, Campbellsport, will celebrate their 60th wedding anniversary with an open house on Sunday, April 6, at Campbellsport Community Center, Campbellsport, from 2:00 until 5:00 p.m.

### 3 Area Students Receive Degrees

The former Lena Hammen was born near Beechwood and Matthies was born near Dundee. They were married April 6, 1926, at Beechwood.

Serving as attendants were Leona Hammen, the late Bill Hammen, the late Erma Buslaff and Orville Matthies.

The couple were lifetime farmers at Boltonville and later at New Prospect. Mrs. Matthies worked a few years for the Campbellsport School District. They are now retired. They are members of Immanuel Evangelical Lutheran Church, Campbellsport.

Children of the couple are Myron Matthies, Campbellsport, Mrs. Joe (Julane) Konen, Fond du Lac and the late Donald

Three area students are among students who recently received Bachelor's Degrees after completing their work at the University of Wisconsin-Madison. The names of students granted their degrees by UW-Madison are being announced as soon as they are compiled by the university.

The students are: Kim Todd Manthei, 330 Braatz Dr., Kewaskum, Food Science; Renee Mary Rieke, 3610 Townhall Rd., Kewaskum, Social Work; Patricia Ann Sleger, 2193 Valley View Dr., Kewaskum, Music; Performance.

## Wayne Elementary School Space Shuttle Project

Friday, March 28, 1986, Kewaskum Statesman, Page 8

Wayne Elementary School fifth graders with their teacher, Tim Leader, displaying their space shuttle project.

On Jan. 29, the fifth grade at Wayne Elementary School began a month long science project simulating a space shuttle flight.

A tent served as the shuttle and each of the students spent between three to five hours in the shuttle. While in the shuttle, they were required to study a space shuttle operator's manual. Some of the topics covered in the manual were the STS (Space Transportation System), maneuvering in space, G forces and microgravity, food and drink, sleep, clothing, communications, payloads, spacelab, tracking and data relay satellites, space telescope, launch and descent checklist, and a detailed study of the orbiter. These are just a few of the items covered in their manual.

To help give the students the feeling of movement around the earth, a Yaesu FRG-7 receiver was installed in the shuttle. During the month, the students identified broadcasts from thirty-one different countries. Other activities dealing with the shuttle and Haley's Comet were also completed while in the shuttle. Each student kept a detailed log of work completed using U.T.C. (24 hr. time).

After completing the shuttle phase of the project, the students worked on follow up activities. These included such projects as making models of

the shuttle, writing poems and songs about the space programs, writing short stories, designing recreational activities for microgravity, making a shuttle menu, designing clothes, planning a space station community, making a collage, constructing time capsules, exercising in microgravity, and keeping a journal on Mission 51-L.

On March 7, the students displayed their projects for their

parents and classmates. Tim Leader (their teacher and amateur radio operator KR9L) set up a display showing how it is possible for amateur radio operators to communicate with astronauts on the shuttles-who are also amateur radio operators. A card was displayed that was received from astronaut Dr. Owen Garriott, W5LF1, the first amateur (ham) in space, from the space shuttle Columbia.

The final phase of the project was launching a model rocket. The students braved very cold and windy weather to watch model rocket "expert" Jay Leader blast off a model of the shuttle. After everyone thawed out, a treat of ice cream and cake was served. You guessed it, the cake was a replica of the shuttle.

## Eight Winners Named in Local Spelling Bee

Eight students from throughout the Kewaskum School District were selected as winners in the local spelling bee held recently at Kewaskum Middle School.

Nicole Gaffke and Amie Kirmse were selected as the representatives to participate in the CESA 6 spelling bee to be held at Lomira. Nicole is from the Kewaskum Middle School and Amie represents Farmington Elementary School.

Other winners by grades were as follows:

- First Grade - Christie Heckel, Kewaskum Elementary
- Second Grade - Carrie Krell, Farmington Elementary
- Third Grade - Dennis Haney, Kewaskum Elementary
- Fourth Grade - Krysten Ammel, Kewaskum Elementary
- Fifth Grade - Andrea Pascavis, Kewaskum Elementary
- Sixth Grade - Stephanie Gildemeister, Kewaskum Elementary
- Seventh Grade - Nicole

Gaffke, Kewaskum Middle School  
Eighth Grade - Tricia Schwartz, Kewaskum Middle School

Each student received a trophy for winning his or her respective grade division at the district contest.

Other local winners were first grade: Brian Branchford, 2nd; Sarah Sauer, 3rd; and David Liebelt, 4th. Second grade: Jessica Gerlach, 2nd; Jennifer Schmidt, 3rd; and Karl Anker-son, 4th. Third grade: Laura Dehler, 2nd; Kevin Klahn, 3rd; and Laura Manchester, 4th. Fourth grade: Jenny Iwen, 2nd; Brad Wenzel, 3rd; and Cheryl Michael, 4th. Fifth grade: Nicki Caynor, 2nd; Renee Miske, 3rd; and Deb Steger, 4th. Sixth grade: Renee Kertscher, 2nd; Amie Kirmse, 3rd; and Stacey Heberer, 4th. Seventh grade: Jesse Oresnik, 2nd; Tania Friedel, 3rd; and Jon Fry, 4th. Eighth grade: Tim Schultz, 2nd; Tim Clune, 3rd, and Sara Pearson, 4th.

# LETTERS TO THE EDITOR...

Friday, March 28, 1986, Kewaskum Statesman, Page 10

To the Editor:

Re: County-wide Library Service Referendum

Much has been said about the advantages of this service.

The reason it was defeated by the county board was of an inadequate report by the study committee.

Some of the facts were never addressed such as:

1. Pending state legislation, that would severely change the concept of library service.

2. Decisions for this service should be made by the rural and township voters involved. It should not be made by city and village residents who already have libraries.

3. Costs: The study committee did not address future additional costs such as maintenance, utilities, interest on loans, expanded hours, etc.

4. By joining the Mid-Wisconsin System are we defeating the opportunity for Washington County to have and govern its own system in the future?

Since I attended most all of the study committee meetings I am aware of the above facts.

Voters should have all the information on both sides of an issue before they make a decision.

Sincerely,

Frank D. Mayer,  
Supervisor  
Township of Farmington

....

To: All Kewaskum School District Residents

I urge every voter in the district to exercise your right to vote in the April 1st School Board Election. I believe you have a fine selection of CANDIDATES to choose from.

We should all be proud to be living in a country where we can express our views. I would hope people realize that although our views are different, our goals are the same. Educating our children. Anyone that believes we have no problems in our system or that the problems will go away without everyone pulling together is, in my view, living in a dream world.

Our schools are good, now let's work together to make them better at a cost we can live with. I would appreciate your vote in Tuesday's election.

Your vote counts - please vote!

Donald F. Nowak  
Kewaskum School  
Board Candidate

....

To the Editor:

More taxes!

To all Town of Scott taxpayers in Ward 1. Are you aware of possibly being assessed extra taxes on your property, or starting a sanitary district, to resolve the water problem in Beechwood Lake? You could be paying more taxes for something that effects and

would only benefit a few people, not the majority of homeowners in the Lake area, or everyone in Ward 1.

Our taxes have increased (100%) tremendously during the last 10 years and don't you agree? It is time to stop. Not add more to the burden of you people. Everyone else solves and pays for their own problems when they have one and not ask others to help pay.

This project was voted down once already by the Town residents. Hopefully the Town Board will give us that chance, to again vote or whatever solution they come up with.

Be alert, speak out, or do you want to pay more taxes?

Those springs that were disturbed some years ago, could they have been an outlet for the Lakes and are now blocked??? Something to look into.

Glenn Hammen  
Beechwood

....

To: All Kewaskum School District Residents

There are many problems that must be addressed in the months ahead which concern the education of our children. Spending priorities will have to be set by the board with input from the district residents.

Ruth A. Schmitt  
Kewaskum School  
Board Candidate

....

To the Editor:

First I want to answer Janet Martinson, her statement on how long the candidate will be harping on the raise the business manager got. My answer to you is, as long as it takes to get the portion back, plus interest that rightfully does not belong to her. Nowhere in any minutes of a board meeting was it voted for her to keep that money. She was given that as a one-time payment for the month of June when she took over the duties of Mr. Long when he left and as for her small salary of \$37,000.00 plus fringe benefits. Fringe benefits amount to 20 percent plus.

There are many unemployed who would be glad to earn half that if they only had a job. A farmer may take in that much and after expenses he is glad to break even. Working men and women in a factory are taking a cut to keep their job. A farmer's job is not a job where you can take Sunday off. You feed and milk those animals seven days a week.

I will keep on telling the taxpayers what is going on. I live in America where we still have freedom of speech and freedom of speech it will be; or I may as well be living in Russia. And as your statement about

the middle school. Our sixth graders don't belong in there, not any more than you did not let your youngster walk from Mel-Ric. What about the rest of the youngsters who have to walk from other parts of Kewaskum.

I requested from J. Backus actual figures on remodeling the middle school and the cost of remodeling Farmington and using cost. All I got was estimated figures. I asked Fred Boelke and he informed me that he did not have figures or drawings on the remodeling.

When several of us toured the middle school we were told the janitor's room was going to be remodeled. Do the people of the district know there is a chemical waste pit in that room? J. Martinson would be the first one to complain if her child had class in there.

And where did you get the information the middle school was an unruly hell? In my opinion I had two grand-children go through middle school. One got state honors in art. He and his parents and he was honored by the governor. And he had one of the best teachers that any student could have.

This brings a very interesting thought to my mind. Several weeks ago there was a program at Beechwood school, The D.O.I. was there. Her coat was on the coat rack. After the program she took it off and put it in the office over the filing cabinets. Why? She stayed for lunch, and so did I. After lunch she was in the office with several people. (I stayed in the hallway). Finally she said, I may as well go back, and look outside if my tires are slashed. In my opinion it was a very uncalled for remark. In my opinion she had something else on mind, because of my presence it did not materialize.

And Miss Backhaus taking away a semester of reading at the middle school certainly does not improve education. Putting in ceramics, sculpture, and jewelry making, sure takes a teacher too. In my opinion the reading teacher was more important. How about Spanish, how many students in each class? Spanish is a high school subject. How many sports did you cut back or discontinue? To me and any student, spelling - reading - writing and math are much more important. I was in a place a short time ago where the owner had to hire another person to train the cashier to make change.

When Beechwood school was reopened last time I was told by some board members that they would not vote against to close Beechwood, unless they had figures on the table. Where are the figures now? Beechwood people are working on reopening their school again. I am sure there will be no stone unturned until we get it open. They have not begun to fight in the open yet. There will be a lot of surprised people when they do. Beechwood tax levy was \$377,46.68. Now you take plus state aid, more than a half million dollars. Do you want to lose that? Do you really want us out and pay more taxes? I am sure not. I'm for lowering that sure, but it can't be done if we keep on adding administrators, and this next year is already being mapped out by the old board members.

One more thing most of you

people do not know is, when a former administrator moved into the district he got a thousand dollars moving thousand. When I asked a board member why, it was stated, Oh, I thought the other one got the same.

Beechwood runs their own library, books are brought in by the Random Lake library, and the parents take care of it. No librarian wages being paid. Parents also help teachers correct papers. Their help is always available. The P.T.O. has thousands of dollars worth of equipment in the school, including the intercom system. They don't intend to give up one cent of it.

Now I ask all of you out there, how can someone with less than three months of employment tell the public that Beechwood kids are not getting the education, and she never saw the school at that time when she was talking about the students, and closing it. If she only worked in the district for a year and studied it. In my opinion why don't she do her own homework? How can she come up with a respectful answer, and where are the actual figures? In my opinion, I would like to know, who her coach is? Or is this the same grudge by one board member that closed

Beechwood last time? Why don't the board and the administration quit interrupting the education of Beechwood students and put there little minds at ease, and start treating Beechwood people as human beings, and work with them and not always against them? In my opinion when it comes down to actual figures the district is still ahead on state aid and tax monies. We are being told about the gas money spent for traveling teachers. Are parents going to have the money and time to travel from one school to another? They got to take the gas money out of their own pocket. We are losing parent - teacher guidance to our youngsters, who need parents to help them. That is a very vital start in a child's life. (That has been proven).

I am for education and a diploma so you can earn a living. Thank you. Please Vote.

Clara Trapp

To the Editor:

Have you heard about the new game, "Hooray - Boo"? It goes like this-

You just won a million dollars. HOORAY! But it is going to be paid in Russian

rubbles. BOO! Here's another example. BOO! You just won a trip to Alaska. HOORAY! But it is in a 15 foot canoe. BOO! Let's play this game with some of the recent decisions made by the Kewaskum School Board.

The Board wants to save money. HOORAY! But it just hired another administrator at a salary of \$32,000 plus benefits. BOO! The Board has spent some of the State Trust Loan on needed maintenance projects. HOORAY! But it also spent money on redecorating the administrative building. BOO!

The Board wants to eliminate unnecessary courses. HOORAY! But it is reducing the essential eighth grade reading program to a one semester course and substituting jewelry making and ceramics. Boo!

Less than 10 years ago, the district had only one administrator and 2126 students. HOORAY! But now the Board has hired four administrators and the district has only 1775 students. BOO!

Board members have said they will be responsive to the taxpayers. HOORAY! But the Board implemented a budget after it had been turned down by the taxpayers by a 3 to 1 margin. BOO!

The Board has recognized its obligation to do long range planning. HOORAY! But it is proposing a committee that will meet secretly and without public input. BOO!

The Kewaskum School District has great students! HOORAY! The Kewaskum School District has great teachers! HOORAY! The Kewaskum School District has great taxpayers that have supported education in our community! HOORAY! For these statements there can be no boos. I ask the voters support on April 1st, so that we can increase the HOORAYS and eliminate the BOOS.

Ralph Horner

To the Editor:

Election coming up very soon. I think we should think back and not vote for a candidate that was, on the board from one to three years back and not vote for no candidate that ever was supported by anybody because I think we found out what happened when we did.

STATE OF WISCONSIN
WASHINGTON COUNTY

NOTICE IS HEREBY GIVEN that an election to be held in all wards, towns, villages and cities election districts of Washington County, Wisconsin, on the first Tuesday of April, 1986, being the First day of the month, in order to obtain an expression of public opinion regarding the issue of county-wide library service. This advisory referendum is directed by Washington County Board Resolution No. 51-85-86, adopted on October 28, 1985.

The referendum question is: "Do you favor creation of a county-wide public library system?"

EFFECT OF A "YES" OR "NO" VOTE
This referendum is advisory in nature. The County Board of Supervisors will consider the results of this referendum to be an expression of public opinion regarding the issue of county-wide library service. The County Board has also directed that the results of the referendum be reported on a supervisory district basis and for each municipality. This may enable the board to determine the relative level of support for county-wide library service.

Although the results of this referendum are entirely advisory, a "yes" vote may encourage creation of a county-wide public library system. A "no" vote will be viewed as opposing a county-wide library system.

The effect of creation of a county-wide public library system would vary from elector to elector depending mainly on the elector's residence and property ownership. Property located in a municipality in Washington County which currently provides direct library services will not be subject to the tax levy which would be imposed by the creation of a county-wide public library system.

An elector residing in a municipality which currently provides direct library service would benefit from a probable increase in library services, and from the local library's greater eligibility for state and federal grants. Borrowing from within the state system would be permitted. The elector would also benefit from the ability to go to any participating library in the county.

An elector who is a current resident of a municipality not directly providing library services would be affected in a number of ways from the creation of a county-wide public library system. Municipal residents would have access to any library within the system. If the resident owns property in the municipality, the property would be subject to a county tax levy for library services. If the municipality currently contracts for library services, cancellation of the contract would reduce the municipal levy and offset part or all of the increase in the county levy. Wisconsin Law does not permit a county to withdraw from a library system once it is established, however, the County Board does control the amount of the tax levy for the library.

I, Arthur G. Degnitz, Washington County Clerk, certify that the county-wide library referendum has been compared by me with the published copy of said referendum and is a true copy of said resolution.

GIVEN under my hand, in the County of Washington this 28th day of February, 1986.

ARTHUR G. DEGNITZ, Washington County Clerk

FACSIMILE BALLOT NOTICE OF SPRING ELECTION APRIL 1, 1986

OFFICE OF THE WASHINGTON COUNTY CLERK TO THE ELECTOR OF WASHINGTON COUNTY.

Notice is hereby given of an election to be held in the several wards in the County of Washington, on the 1st day of April, 1986, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS
Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the ballot may not in any manner advise or indicate for whom to vote.

At a nonpartisan election, the elector shall make a punch or a hole at the right of the candidate's name (or depress the lever next to the candidate's name) for each office for whom he or she intends to vote, or, write in the name or his or her choice for a candidate on the ballot envelope provided (or write in the name of his or her choice for a candidate).

On referendum questions, the elector shall make a punch or a hole at the right of "yes" if in favor of the question, or the elector shall make a punch or a hole at the right of "no" if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth, deposit his or her ballot enclosed in the envelope provided and place in the ballot box. (If voting on a machine, after casting his or her vote, the elector shall leave the machine) and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

## Future Farmers to Sponsor Rabies Clinic

Doctor Greg Ogi administers a vaccination while Bill Winker holds down a "patient" during last year's rabies clinic.

On Thursday, April 10th, the Kewaskum Chapter of the Future Farmers of America will be holding the annual rabies clinic. The clinic will run from 7-9 p.m. in the Kewaskum High School agricultural shop.

Doctors Greg and Charles Ogi will again be administering the shots at a reduced cost of \$5.00 for each cat or dog brought in. All proceeds from the clinic go toward the scholarship fund.

Some 98 percent of American households contain at least one television set.

## Facsimile Ballot Notice of Village Election Village of Kewaskum, Wisconsin

April 1, 1986

Notice is hereby given of a village election to be held in and for the Village of Kewaskum, Washington County, Wisconsin, on the 1st day of April, 1986, at which the officers named below shall be chosen.

### INFORMATION TO ELECTORS

The following instructions are given for the information and guidance of electors:

(a) Upon entering the polling place, an elector shall give his or her name and address before receiving the ballot card and ballot card envelope from the ballot clerk. The initials of 2 ballot clerks must appear on the ballot card envelope. Upon receiving the ballot card and ballot card envelope, the elector shall retire alone to a voting booth and punch/mark his or her ballot card and ballot card envelope. A ballot clerk may inform the elector of the proper manner for punching/mark a ballot card and ballot card envelope, but he or she shall not in any manner advise or indicate for whom to vote.

(b) To vote for a person whose name is printed on the ballot, insert your ballot card with both hands, be sure the pins are through the two holes, hold the punching device straight up and down, press down firmly opposite the candidate and/or proposition selections of your choice.

(c) Write-in voting. To vote for a candidate whose name does not appear on the printed ballot, use the ballot card envelope to "write-in" the office and candidate's name.

(d) The ballot card and ballot card envelope should not be punched/ marked in any other manner. If you incorrectly punch/mark, tear, or deface the ballot card or ballot card envelope, return it to the election judge for another one, but not more than 3 ballot cards or ballot card envelopes shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to punch/mark the ballot card or ballot card envelope. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot card or ballot card envelope may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot card or ballot card envelope is punched/ marked.

(e) After the official ballot card or ballot card envelope is punched or marked, remove your ballot card, place it in the ballot card envelope and take it to the inspector at the ballot box, hand him or her the ballot card envelope with the ballot card placed inside, to be placed in the ballot box, and leave the polling place promptly.

(f) An elector may be assisted by 2 election officials of different political parties in punching or marking the ballot if he or she declares to the presiding official that he or she is unable to read or that due to physical disability he or she is unable to punch or mark his or her ballot. If an elector declares that he or she is visually handicapped, he or she may have anyone assist him or her in punching or marking his or her ballot card or ballot card envelope. The presiding official may administer an oath to a person's disability.

(g) Any qualified elector who is absent, or expects to be absent from the village in which he or she is a qualified elector, or who, because of sickness or physical disability cannot appear at the polling place on election day, may vote at such election by means of an absentee voter's ballot card or ballot card envelope to be secured upon application to the Village Clerk, not more than sixty days and no less than three days, or by personal application, not later than the close of office hours on the day prior to such election.

(h) The following is a sample of the official ballot:

NOTICE TO ELECTORS: This ballot is invalid unless initialed by 2 election officials serving as ballot clerk. If cast as an absentee ballot, the ballot envelope must bear the initials of the municipal clerk.

## NEWS EXTRA...

### Easter Bunnies, Chickies and Duckies Better Off on Farm Than in Easter Basket

With Easter approaching, you may be planning to give your children a chick, duckling or bunny. Give this idea a second thought, suggests Lou Arrington, University of Wisconsin Cooperative Extension Service small-animal specialist. These animals are better off at the zoo or on the farm.

They're cute, but they're not playthings. They are shy, weak and probably no match for a child's energy level, says Arrington. They also have specific dietary, shelter and sleep requirements. Too often the little animals cannot make it in human surroundings...and their deaths can be traumatic for young children. If they do survive, they cannot return to the wild. This means a long-term care commitment, he points out.

If your children receive such a gift, caution them to handle the animal gently and give it plenty of opportunity for rest in a secure, comfortable spot. Don't guess at the animal's needs. Ask your county extension agent for more information on caring for these animals.

State laws prohibit the sale of individual chicks, ducklings and rabbits under two months old. If you're thinking of dyeing an animal a fetching shade of spring pastel, don't. Coloring these animals is against the law too, according to Arrington.

Owning pets can be an enriching experience for the whole family, he says, but some animals are less suitable than others. "It's impossible to housebreak chickens and ducks, and some municipalities have restrictions on keeping them, so check your local ordinances. Rabbits can be house-trained with a lot of attention, but you'd better have steel furniture."

If you'd like to get a pet for a child this spring, puppies and kittens are still a good choice, Arrington says. Try to get them at weaning age...about eight weeks for puppies, eight to 10 weeks for kittens.

### Lehmann Takes 5th in Shawano Lake Enduro

By GERRY MUELLER  
Statesman Staff Writer

Bill Lehmann, 18, son of Bill and Claire Lehmann, 3870 Highway H, made a good showing in the Chargers Snowmobile Club Yamaha 100 Enduro snowmobile race on Shawano Lake March 9th.

Lehmann competed against some of the top racers in the state including Steve Decker of Marshfield, Paul Laabs from Abbottsford, Ron Kehl, Madison, Jim Herzig of Fond du Lac, and Tom Allard.

Lehmann finished the two-hour, one-hundred mile endurance race to take fifth place, with his Polaris. The race isn't just a matter of speed, said Lehmann, it's really a test of your fitness, endurance and knowing how to handle your machine and biding your time so you finish the race. My dad helped me a lot along those lines. Last year only 13 of the 50 machines which started the race survived to cross the finish line, said Lehmann.

Allard took first place in Class A for 1986, with Laabs placing Second and Decker third.

### Koth Pitches Well In UW Opener

In its initial road trip to Illinois, the University of Wisconsin baseball team won one of four games against Southern Illinois-Edwardsville.

The Badgers won a 3-2 extra inning victory Saturday with Boltonville's Terry Koth chalking up the win in relief, while Lance Painter gained a save. No. 1 UW hurler Eric Liebenstein pitched six innings and it was 2-2 when he was relieved by Koth. Terry pitched a scoreless inning, the Badgers moved ahead 3-2, and Painter gained his save.

Assistant UW Coach Daryl Fuchs said Koth, his short-relief pitcher, has really developed his off-speed pitch and gets it in the strike zone.

In Saturday's second game, freshman Tom (T.J.) Fischer,

former Kettle Moraine Lutheran and Barton pitcher, went the route for UW but he settled for a 5-1 loss after a slow start.

Koth and Painter also pitched in relief on Sunday and again did fairly well.

## ... about your Social Security

By David Becker, Social Security Branch Manager in West Bend

### NEW SSI CHECKS COMING

Washington County residents who get Supplemental Security Income (SSI) checks will see a new style check in their mailboxes beginning April 1, Dave Becker, Social Security manager in West Bend said recently. The check will be multi-colored, and it will come in a new, blue envelope.

SSI recipients will no longer get the familiar gold punchcard check, Becker said. The new check is as good as the old one, however, and just as easy to cash.

The new checks show a full-length replica of the Statue of Liberty on the left side. A muted close-up of her head and torch is in the background near the right side.

Becker pointed out that the new check's features dis-

courage alterations, forgeries, and counterfeiting. Its new lightweight paper stock is less expensive and takes less space to store. Use of the new checks is expected to result in a savings to taxpayers of about \$6 million a year.

SSI checks will be delivered in blue envelopes to help distinguish them from other Federal Government checks, which are delivered in brown envelopes.

People who have questions about the new SSI checks should contact any Social Security office, or call 1-800-242-9946.

## Girl Scout Cookies To Arrive Next Week

The "Great Day" is just around the corner. On April 1st the Girl Scout Cookies will be arriving in Kewaskum. The cookies will be delivered to the Amerahn where the leaders will be able to pick them up.

This was a very good year for cookie sales. The Scouts sold 1,195 cases of cookies. That is 14,340 boxes which is 155 cases more than last year. That comes to \$25,095.00 cookies money. This is then broken down to:

\$10,324.80 to Bury Cookie Company - cost of cookies and sales supplies and advertising.

\$11,758.80 to council for on-going expenses.

\$573.60 for cookies Dough and sales incentives.

\$2,437.80 profit directly to troop for their own use.

There were 216 registered girls in the Kewaskum area. 211 girls sold cookies which is almost 98%.

The Council wanted us to sell 75 boxes per girl. We sold 68 boxes per girl, which is 89% of our goal per girl.

The troop that sold the most cookies was Troop 53 with leaders Vivian Stommel and Judy Geidel. They sold 137 cases (1,644 boxes).

The girls with high sales were Sharyl Ramthun Troop 25 Junior Kewaskum - 368 boxes.

Note Sharyl also was 5th highest seller council wide. Rachel Gosa Troop 53 Junior Kewaskum sold 339 boxes. Carrie Krouse Troop 32 Cadette Farmington sold 250 boxes. Jenny Heppner Troop 223 Junior Wayne sold 214 boxes.

The most popular cookie is the mint cookie, 346 cases, then the Savannah with 208 cases, and the third cookie is the Scot Tea with 170 cases.

At this time the Scouts would like to say THANK YOU to everyone that helped to make this sale such a success.

This is a reminder to all Girl Scouts from the Kewaskum area. There is going to be an EASTER ROLLER SKATING PARTY on Monday, March 31, from 4:00 to 6:00 p.m., at Skate Country, in West Bend. The

cost is \$1.00, plus skate rental 75c, or you can bring your own skates, plus your permit slip. Happy Easter to Everyone!

# 4-H NEWS

## RIVERSIDE 4-H

The Riverside 4-H club meeting held March 1 was called to order by President Jean Schmidt at 2:00 in the Thiemer home.

The secretary's report and treasurer's report were approved as read.

Topics discussed were taking a small trip and the Poster Contest. We decided to go bowling for our trip and each member of the club should make a poster on "Marketing

4-H" for the next meeting to be held on April 5 at the Thull home.

Mandy Thiemer gave a speech on cats. In the meetings to follow, one member of the club should volunteer to give a speech on one of their projects they took for the fair.

The members of the club are asked to turn in their choices for the Hoard's Dairy judging contest to Katherine Roden by March 20.

For our next meeting members should bring their poster on "Marketing 4-H" and ideas of places to go for our club picnic this summer.

Refreshments for the next

meeting will be served by the Thull family.

The meeting was adjourned at 3:00. Refreshments were served by the Thiemer family and games were played.

Club Reporter,

## KEWASKUM 4-H

The Kewaskum 4-H meeting was held on March 13, at the Savings and Loan, from 7:30 - 8:30.

The Pledge of Allegiance was led by Bob Friedemann and the 4-H Pledge was led by Laurie Horlamus.

The secretary's report was

Friday, March 28, 1986, Kewaskum Statesman, Page 19

read by Holli Etta. Laurie Horlamus accepted it and Jenni Carron seconded it. The treasurer's report was read by Jean Holtz. Both Friedemann accepted it and Renee Kapp seconded it.

There was no old business. For new business the club will be going bowling on March 22, at 3:00 at the Lighthouse Lanes.

On April 2, we will challenge the Wayne Crusaders in a game of volleyball at the Wayne Elementary School from 1:00 - 3:30. If you would like to go please, call Mrs. Holtz or Mrs. Schmidt.

On April 18, there will be a Sock Hop at the Kewaskum Middle School, from 7:00 - 10:00 p.m.

The refreshment committee for next month's meeting is the Holtz family.

Renee Kapp made a motion to adjourn the meeting. Julie Jahr seconded the motion.

Renee Kapp, Chris Holtz and Sue Burkhalter gave a demonstration on ceramics. Laurie Horlamus and Jenni Carron gave a demonstration on State Congress.

Reporter, Michelle Etta

## 25 Years Ago

March 24, 1961

A class of seven young people will be confirmed at Peace United Church of Christ by the Rev. Clarence Hammen, pastor, on Palm Sunday at a confirmation service. The confirmands are: Karen Fellenz, Kathe Honeck, Laura Freehauf, Beth Kroncke, and John Eggert.

The cooperation of the weatherman enabled the full day of musical activities at Kewaskum High School to proceed as planned on March 18, when the district music festival was held here. Nearby 600 performers put their final efforts into music prepared especially for this occasion.

March 17 was the closing date for filing nomination papers for village offices to be elected in the spring election on April 4. Five candidates filed papers for the three village trustee offices to be filled. They are Joe Eberle, Wayland Tessar and Cyril N. Wietor, present incumbents who will have their name on the ballot for re-election, and two newcomers, Francis Bohn and Joseph Schwind, a former trustee. All other village officials will be unopposed for election. They include James D. Reigle, incumbent president; Elwyn M. Romaine, incumbent supervisor, and Carl F. Schaefer, who will be a candidate for assessor to succeed Ralph Rimmel, who will not be a candidate for re-election.

A son was born to Mr. and Mrs. William Thull, Route 2, Kewaskum, on March 22.

## 50 Years Ago

March 27, 1936

As the first step to converting the Kettle Moraine district in Fond du Lac and Sheboygan counties into a state park, Gov. LaFollette on Saturday approved action by the state conservation commission in acquiring the Izaak Walton League Reserve of 842.2 acres surrounding Moon Lake in the Town of Auburn, the heart of which is located about seven miles northeast of Kewaskum.

Edw. Brandt, who formerly

resided in Kewaskum, but for the past five years has been service engineer for the Harnischfeger Corp. of Milwaukee, with headquarters in New York City, will leave New York on April 17 for a trip to Chile, South America, in the interests of the Chile Exploration of New York City. Mr. Brandt will go to South America to superintend the erection of an electric shovel, manufactured by the Harnischfeger Corp., which is the first machine of its kind sent by this corporation to a foreign country. The machine, which is being used in the copper mines of South America, weighs 167 tons and can be left in the mine during blasting without harming the machine. The shovel knocked down and made ready for shipment required six full size railroad cars to transport it to the docks at New York. Mr. Brandt sails from New York on a steamship for Antafagasta, Chile, his first stop. From there he goes inland 170 miles to Chuquicamata in the Andes mountains to his destination. He expects to be gone about five months. During Mr. Brandt's absence, Mrs. Brandt will reside in this village with her mother, Mrs. William Martin.

The local forensic contest will be held on April 3 in the school auditorium. Those who will participate in the contest are as follows: Declamatory - humorous - Margaret Muenk, Evelyn Krautkramer, Anna Belle Grotenhuis; Declamatory-dramatic - Mona Mertes, Dorothy Becker, Ruth Janssen, Lucille Pfenning; Oratory - Ray Pfenning, Carl Kohlschmidt, William Roehrdanz; Extemporaneous Speaking - Jeanette Werner; Extemporaneous Reading - Janice Koch.

Fred Bartelt, one of the oldest and most highly esteemed resident of this village, passed away at his home on March 20,

1936.

Mrs. Kathrine Backhaus, nee Terlinden, passed away in death March 19, at the home of her son, Emil, in the Town of Wayne.

Mr. and Mrs. Fred Kempf of Beechwood are the proud parents of an 8½ pound baby boy, born to them on Friday. A baby girl was born to Mr. and Mrs. William Jung of Wayne on March 23.

"Brown Snow" fell in New England recently, report meteorologists at the Blue Hill Observatory of Harvard University. They ascribed the coloring to dust particles blown more than 2,000 miles from the "dust bowl" of the West.

The second attempt at jail breaking at the Fond du Lac jail within a month was foiled on Tuesday by a woman prisoner. She heard sounds in the upper tier and aroused the desk sergeant by shaking the door of her cell. The sheriff was at once notified. As the prisoners had just cut their cell bars away he broke in on them. One of the prisoners was a man charged

on Fond du Lac Avenue.

## Jerusalem to Be Studied at UWWC

Archaeologists and historians have gradually been unlocking the secrets of ancient and beautiful Jerusalem. Violent destructions, foreign dominations, and religious rivalries brought about changes in the city's shape and size, in its streets, architecture and religious character. The physical evidence of these changes will be the focus of this 4 week, non-credit course.

Judith Fitz will lead the class on Monday evenings beginning April 7 and continuing on that day through April 28. The class will meet in UWWC's Library 102 from 7-9 p.m. The course fee is \$20.00. For more information about this class or to register call 338-5233.

Certified? Uncertified? Bin?

## Put the odds in your favor!

When you plan your seed needs, you have three basic options: certified, uncertified or bin. You've invested a lot in getting your land ready for your crop - fertilizer, chemicals, time and equipment. Why gamble with your seed? Go with Wisconsin CERTIFIED and know what's in the bag.

That big blue Wisconsin Certified tag tells the whole story - variety, kind, germination, purity, plus precise percentages of seed, weed and inert matter - because we've got nothing to hide!

Put the odds in your favor and see your WISCONSIN CERTIFIED SEED dealer for all of your seed needs.

## Minutes of Village Board Meeting

Mid-Monthly Meeting  
March 17, 1986  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in Mid-Monthly session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. All Trustee Members were present. The meeting was opened with a moment of silence and the Pledge of Allegiance.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the minutes of March 3, 1986.

The opening of sealed bids for the sale of the 1984 Police Squad were as follows:

1. Beltline Motors, Inc., Wausau, WI \$2,157
2. Mitchell Ogi, Kewaskum, WI 2,100
3. Gerald Schneider, Kewaskum, WI 2,000

On a motion by Trustee Thomas McElhatton, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the building permit application of Robert Kohn, 516 Main Street, for the renovation of part of the structure for use as a self serve (gas) mini-mart upon proper payment of fees (double construction fee). The application and plans have been reviewed and approved by the Building Inspector, Zoning Administrator and has State approval.

Administrator Daniel Schmidt reviewed the following with the Board:

1. Announced that March 20th is Statewide Tornado Awareness Day.

2. Reviewed the "Report of Kewaskum Water Utility," indicating the utility is in sound financial condition.

3. Clarified what was published by both newspapers regarding the proposed 1987 road work to Main Street (STH "28") and the Milwaukee River bridge. It was noted that the work will take 3 to 5 weeks and that the detour route will be CTH "H". It was also noted that the street should be open only to necessary local traffic and that one lane of the bridge would remain open for necessary local traffic. No parking will be permitted on the street during construction.

4. Read a letter from Doc and Alma Edwards complimenting the Village Crew for a great job of snow removal over the winter.

5. Informed the Board of a DNR program and establishment of committees for the Milwaukee River Basin.

6. Review of some general information and correspondence with the Board.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote the Board authorized the advertising for bids on a new diesel tractor and mower using similar specifications as our current diesel tractor to allow for the interchanging of accessories as per the recommendation of the Public Works Committee.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the purchasing of material for the sump pump storm sewer work proposed at an estimated cost of \$3,000 from Forrer Supply, Inc., Mequon, WI, the apparent low quote as recommended by the Public Works Committee.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the sale of the 1984 Police Squad to the high bidder, Beltline Motors, Inc., Wausau, WI, for \$2,157.00

On a motion by Trustee Donald Mlodzik, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board lifted the winter parking restrictions to begin immediately (3-18-86).

Discussion was held regarding the letter received from Renewed Resources, Inc. on the possibility of hauling our garbage to them. The consensus of the Board was our current disposal method was more cost effective and should remain unchanged.

Administrator Daniel Schmidt informed the Board that he is working with Clayton Brown, the Village's Financial Consultants, and a Bond Counsel on the possibility of refinancing the TIF Bonds. The reason for the refinancing is a substantial annual savings for the Village.

Motion was made by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1)(e) of the Statutes to discuss the purchasing of public properties and under Chapter 19.85(1)(c) of the Statutes to discuss employee performance data and evaluation for village employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was passed by the majority.

Daniel S. Schmidt  
Administrator

### THANKS TO ST. JUDE

ST. JUDE'S NOVENA. May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world, now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us; St. Jude help of the hopeless, pray for us. Say this prayer 9 times a day, by the 8th day your prayers will be answered. It has never been known to fail. Publication must be promised. Thank you St. Jude.

L. B.

### THANK YOU

My thanks to all my relatives, neighbors and friends who remembered me with cards, gifts, visits, phone calls and flowers while I was a patient at the hospital and convalescing at home. Special thanks to all for the extra help, and to the doctors and nurses at the hospital.

All your kindnesses and help were greatly appreciated and will always be remembered. Thanks so much.

Tom "T" Piwoni

### THANK YOU

A warm and sincere thank you to all of our friends and neighbors for all the prayers, cards, visits and especially the help given to myself and my family during my stay in the hospital and my convalescence at home. This difficult time was made easier with your concern and assistance.

Everett Betts  
and family

### THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer -for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

Thanks to St. Jude, St. Theresa and Holy Spirit.

R. A. S.

## Tax Tips...

TAX CREDITS  
AVAILABLE

[Sixth in a series]

Taxpayers are entitled to several credits against their 1985 federal income tax bill whether or not they itemize their deductions on their Form 1040.

Some of the expenses that may qualify for credits are child care expenses, energy saving costs, and political contributions.

Working parents can claim a tax credit of up to 30% of qualifying expenses they pay for the care of their children while the parents are at work. The credit ranges from 20 to 30% of the amount spent for the care of the children, the Internal Revenue Service said.

The cost of making a home more energy efficient may also qualify for a special credit. The more common claims for the residential energy credit available to those people who install storm windows, insulation, or replacement furnace burners. An even greater credit is available for converting to solar or wind generating devices. Under the present law, these credits will be available for expenses paid through 1985.

Depending on the amount of a taxpayer's gift, he or she may be able to claim a credit for contributions made to political candidates.

Free publications about these and other tax credits may be obtained by calling your local IRS office.

Thanks St. Jude.

## Cedarburg Crushes Falls Badgers For Share of Lakes Title

In somewhat of a surprise, the Cedarburg Turners easily defeated the Menomonee Falls Badgers, 115-89, at Menomonee Falls Sunday night, to gain a share of first place in the Land o' Lakes Basketball League.

The two teams are co-champions of the league for the 1985-86 season as was decided at a meeting of the league managers at Debbie Frank's tavern in Jackson on Monday night. For the Badgers, it is their fifteenth league title in the last sixteen years.

Rick Nisleit and Rob Sutherland poured in 37 and 34 points to lead Cedarburg over the Falls. Bob Wolf was held to 26 points for the Badgers, and Bill Gardner added 20.

Kewaskum's Leon Laatsch was third in individual scoring during the season with a total of

458 points in 12 games. Perennial scoring leader, veteran Bob Wolf of Menomonee Falls Badgers, dropped to second this season with 503 points, being succeeded in first place by Mike Ehler of Menomonee Falls Honey Bucket with 516.

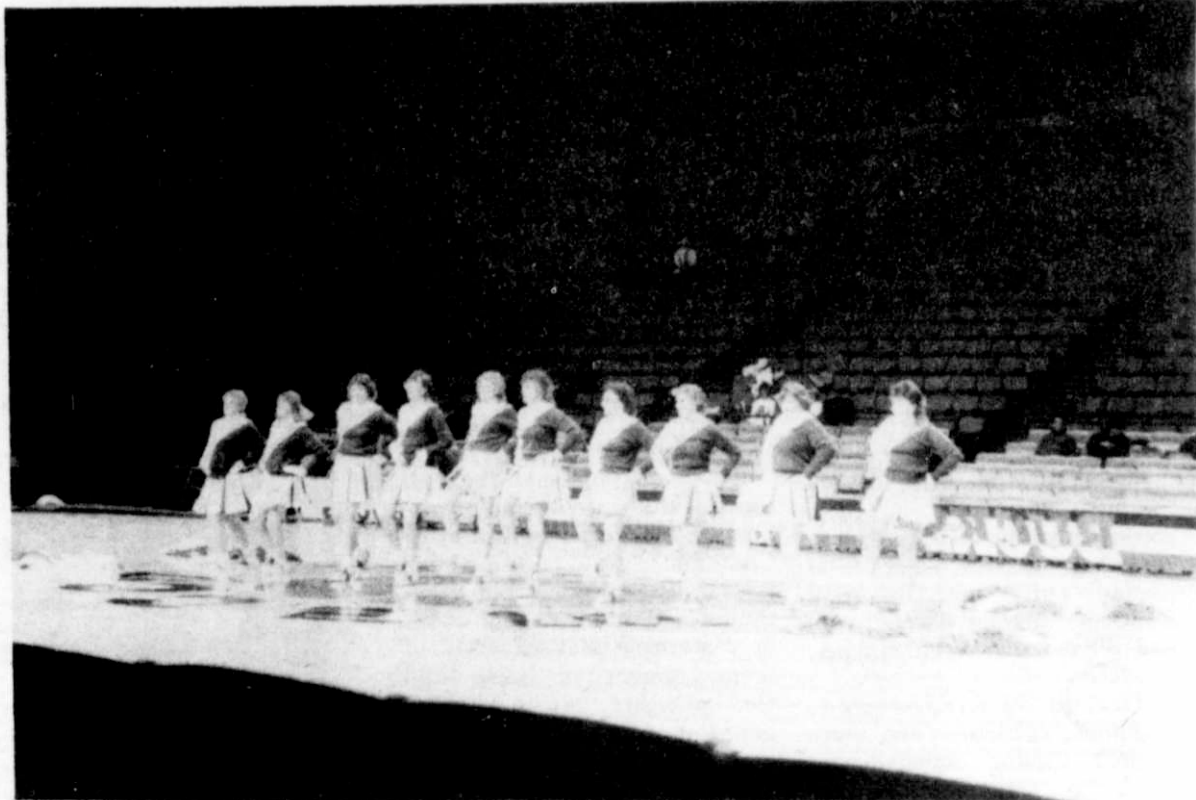

Other top scorers for Kewaskum were Clark Eichstedt, 12th, with 263 points; Bob Nigh, 15th, with 224; Bill Backhaus and Bill Gonwa, tied for 24th, with 152.

The Lakes Awards Banquet will be held at Stemmeler's White Coach Inn in Thiensville on Saturday, April 5.

## KHS Pom Pon Girls Enter Milwaukee Bucks Competition

Left to right: Connie Menger, Becky Morlen, Maria Wodsedalek, Shelly Stoffel, Kim Rehbein, Michelle Brown, Ann Fry, Pam Horst, Lori Wheeler, Candi Goeden.

On March 14 the KHS Pom Pon girls went to the first annual Milwaukee Bucks Pom Pon competition.

Upon arrival the girls received notice that they were to perform their two minute and thirty-nine second routine to the song "I'm Free." All the girls

realized that this being their first competition that they would not place high. However, the girls did show that they were the best of the new squads there.

After the competition all stayed to watch the game and listen for the top eight squads.

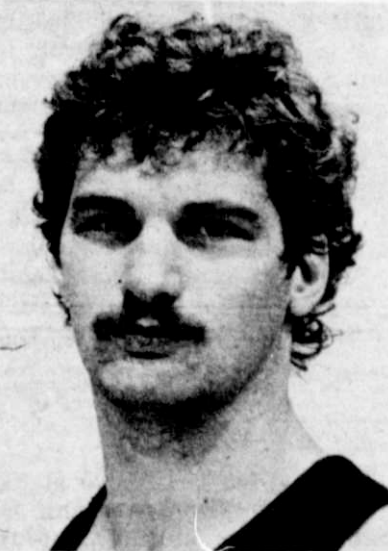

Even though the girls did not get a trophy, all received a ribbon and great new ideas for next year.

The Pom Pon girls would like to say a special thank you to Miss Lisa Rudolf for her help and ideas.

## Wodsedalek Ends Fine Cage Career At Lakeland

Dale Wodsedalek

Dale Wodsedalek, former Kewaskum High School basketball player, recently closed out a highly-successful career at Lakeland College, near Sheboygan.

Wodsedalek, a senior, wound up his career with 1,005 points to become the 24th Muskie cager to gain membership in the college's 1,000 - point club. Wodsedalek tallied 343 points this past season, 266 as a junior, 269 as a sophomore, and 127 as a freshman.

"I think he had a good year. He's been a consistent player for us," veteran Coach

"Moose" Woltzen said, reporting on Wodsedalek's contribution on the Muskies 17-12 season. Woltzen said that Wodsedalek averaged about 13 points and seven rebounds this year. He said Dale has showed marked improvement during his four years and "came close to playing up to his ability." Lakeland finished third in conference action with an 8-6 record.

Wodsedalek is in business administration and will

graduate with his class this spring. He is the son of Mr. and Mrs. Wayne Wodsedalek of Kewaskum.

Junior forward Dan Sikma of Oconto was again selected as the MVP this year by his teammates. Sikma led the Muskies in both scoring (441 points, 16.3 avg.) and rebounding (271, 10.0 avg.) He also was the team's No. 3 man in assists with 90. He and soph guard Dave Albert of Howards Grove were chosen to captain Lakeland's 1986-87 team.

## Indians Had Win Over Chilton's State Champs

The Chilton Tigers of the Eastern Wisconsin Conference (of which Kewaskum is a member) won the WIAA Class B state basketball championship at the University of Wisconsin fieldhouse in Madison Saturday in a tough 45-44 overtime victory over Prairie du Chien in the finals.

The fifth place Kewaskum Indians (4-8) in the Eastern Wisconsin Conference gained the distinction during the regular season of knocking off Chilton's state champs in their first meeting here. However, the Tigers avenged the loss by turning the tables in their second meeting at Chilton late in the season. The Tigers (8-4) placed third in the EW standings behind Two Rivers and Plymouth, co-champions, (10-2).

Including conference, regionals, sectionals and state games, Chilton finished the

season with a fine 22-4 record. All four of their defeats were suffered in conference play during the regular season, after which they ended up strong late in the season. This is some indication of the strength of the Eastern Wisconsin Conference.

Another highlight of the season was the Indians' victory over Mayville's co-champions of the Flyway Conference in a non-conference contest at the end of the season. The Cardinals barely missed going to state again by being edged by Whitnall in the sectional final.

It is very unusual that all three of the state champions — Sheboygan North in Class A, Chilton in Class B and Oostburg in Class C — are located within radius of 40 miles of each other in eastern Wisconsin. Two of them, Sheboygan North and Oostburg, are both in Sheboygan County and Chilton is in nearby Calumet County.

## Girls Dominate, Boys Dominated In Meet With Sheboygan Falls

By Chuck Voge

The Kewaskum High School track teams split in their March 21st meet with Sheboygan Falls.

The girls totally dominated in their end of the meet, winning by a score of 74-26, and took a total of 10 out of the 12 first places in the event. Another school record fell to Kewaskum's Darlene Luedtke. Luedtke set a new record in the 40 meter dash with a time of 5.9. The girls rounded out the day by taking 5 out of 10 seconds and 9 out of ten third places, and all of this was accomplished with two of the Indians' best competitors, Debbie Felix and Amy Koughl, out with injuries.

The Kewaskum boys saw the reverse side of the coin as they were beaten in the co-ed meet by a score of 73.5-44.5. Although the boys took a total of 8 out of the total of 14 first places in the contest, they still ended up on the short end of the score,

due to a lack of depth on this year's squad. After taking 8 of the 14 top spots in the event, the boys slipped to no seconds for the day, and only 4 out of 11 third places.

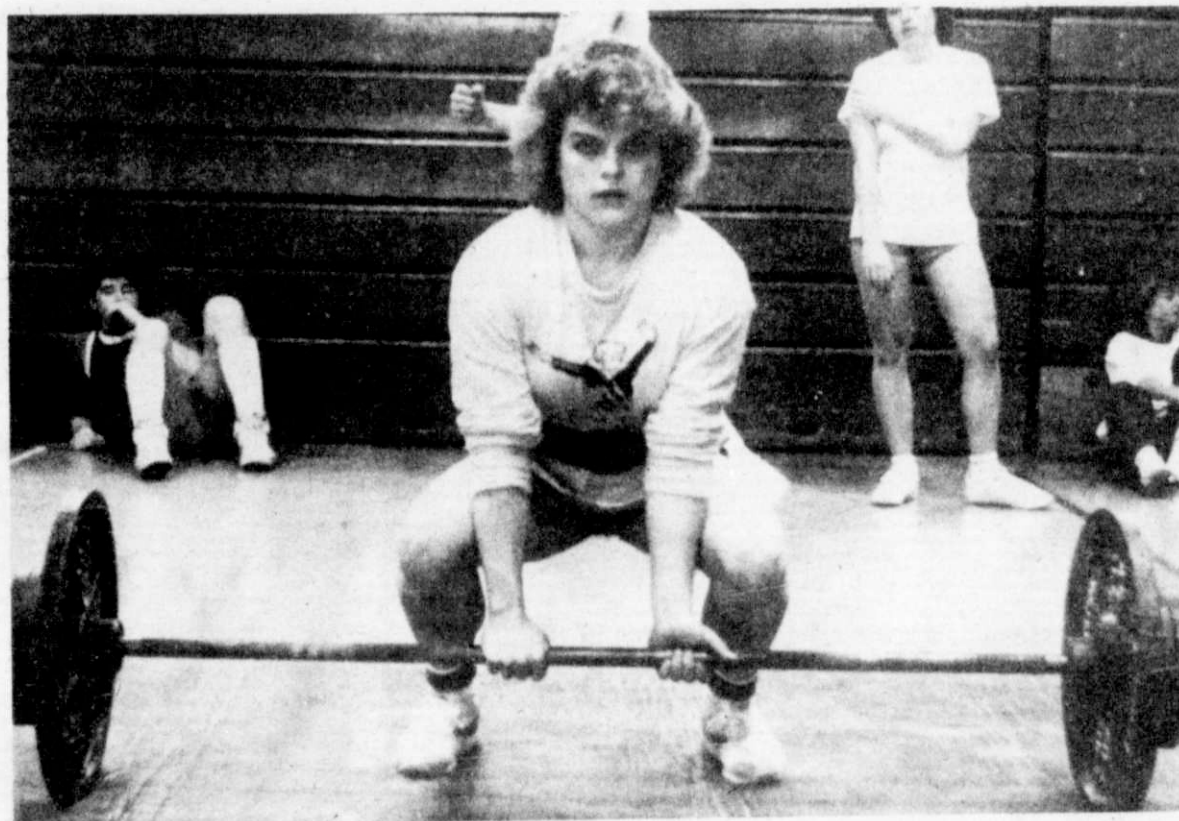

Coach Dave Drexler was quite pleased with the effort that his boys put forth on their way to the 8 first places, but stated that the lack of depth hurts a lot. Drexler was also quite pleased to have both Cory Garbisch and Miles Shaw improving on their times in the 400 and 1600 meter events. He went on to say that Shaw is already 12 inches over his last year's height in pole vaulting, and that Mark Johnson is holding his own in both the high and low hurdles.

Drexler singled out still one other competitor by saying that, "Steve Johnson is one to keep your eye on. This is his first year in track and he is doing well in both sprints and jumping."

basketball season has been completed. Koth has gone from basketball right into one of the three assistant track coaching positions that are a part of the five member track team coaching staff. Koth handles the job of coaching both boys and girls on the hurdles, and also helps out with the relay teams.

Koth is a graduate of Kewaskum High School. He attended the University of Wisconsin-La Crosse for two years and also attended the University of Wisconsin-Oshkosh for two years. He holds a B.S. Degree in physical education from La Crosse with a minor in health. Prior to his two years as varsity basketball coach at Kewaskum, Koth coached the freshmen basketball team for four years, and the junior varsity for one year. He also coached at St. Frances Cabrini in West Bend for one year.

While in college Koth took courses in the philosophy of coaching, athletic injuries as well as motivational techniques.

DARLENE LUEDTKE, lifting in division #3, had a three lift total of 565 pounds, and was the overall winner in the girls class, in the March 19th Lift-A-Thon.

(Statesman photo by Chuck Voge)

Final totals aren't in yet, since all pledges haven't been collected, however the third annual lift-a-thon organizer Fran Charland reported that approximately \$1200.00 was raised by the young high school lifters in the March 19th lift-a-thon held at Kewaskum High School.

Charland hopes to use about one-half of that amount toward the purchase of a new seven-man blocking sled, with the rest going toward other items to be purchased for school athletic programs.

A total of 28 boys and 13 girls lifted a total of 25,640 pounds or a little over twelve and one-half tons in the 123 combined lifts in the event. The boys were divided up into eight weight groups starting at 115 to 124 pounds and going all the way up to an unlimited weight class. The girls group was divided up in a like manner, however, in our society girls are never required to make their weight known, and in this way we protect their fragile feminine images.

First place winners for the boys include: Shane Megonigle, Mark Schlosser, Daryl Landvatter, Brian Spartz, Rick Krahn, Dennis Gundrum, Tom

Stollenwerk, Chris Tolonen and Ric Heller. Heller and Tolonen finished in a tie in the unlimited category each lifting an impressive 1,025 lbs.

He and his family live at 317 Braatz Dr. in Kewaskum. He has three children, four-year-old twin boys, and a one-year-old daughter. Koth feels that sports teach things such as sacrifice, dedication and sportsmanship to young people and these qualities will help them throughout their adult lives. He also feels that sports teach other valuable things to students such as: 1. How to work with other people; 2. How to work under someone; 3. How to work within a system; 4. Frustration of not reaching goals and also how to work toward fulfilling other peoples expectations. We extend to Perry our very best in this new coaching endeavor and wish him success during the fourth coming track season.

Stollenwerk, Chris Tolonen and Ric Heller. Heller and Tolonen finished in a tie in the unlimited category each lifting an impressive 1,025 lbs.

First place winners for the girls include: Chris Holtz, Dawn Dieringer, Darlene Luedtke, Shelly Petsch, and Jenny Hintz. Luedtke got the largest total for the girls lifting 565 lbs.

The three lifts (deadlifts, squat, bench) showed the true strength of the lifters. Heller deadlifted the most of the boys doing 410 lbs. with Tolonen close behind at 405 lbs. Shelly Pesch got the strongest dead-lifter award for the girls lifting 230 lbs.

In the bench press, Tolonen took the honor for the boys pressing 260 lbs. with Landvatter close behind at 250 lbs. Luedtke pressed the most for the girls doing 145 lbs.

Heller took first in the squats doing 370 lbs. with Tolonen again close behind at 360 lbs. For the girls, Luedtke blew out her competition doing a massive 200 lbs. with the next closest being Petsch at 155 lbs.

Charland reported that nearly all of the lifters lifted enough to raise the necessary \$50.00 to earn a lift-a-thon t-shirt to commemorate the event.

Charland was assisted by the following faculty members, who incidentally, volunteered their time to help out in the fund raiser: Jerry Gosa, Joe Harlow, Dale Schatz, Sue Paul-Kenfield and Carrie Swanson.

The lift-a-thon committee would like to extend a special thanks to the Kewaskum Jaycees and also to the firm of Gardon Painting from Kewaskum for their financial support. When community business places and civic organizations like this pitch in and help in an event such as this it just has to be a success. The whole event was another outstanding example of our district's young people giving of their time and talents to be a part of the solution to a problem rather than being just another part of the problem.

Some of the team concept attitudes that these young athletes learned in high school

sports were put to good use in the district to solve just one of the many problems facing the school. "Well done kids."

**LIFT-O-THON TOTALS** — Shane Megonigle, 585 lbs. three lift total; Bobby Castro 575, Chris Charland 490, Steve Kapp 455, Mark Schlosser 740, Jeff Miller 560, Joel Serwe 465, Daryl Landvatter 945, Jim Herriges 645, Eric Pearson 625, Mark Kirst 585, Brian Spartz 800, Ken Ruppert 730, Scott Kulas 710, Rich Krahn 775, Troy Zimdars 735, Dennis Gundrum 935, Keith Ebert 830, Tony Marovetz 745, Paul Schiefelbein 815, Tom Stollenwerk 885, Jim Wesenberg 820, Scott Schmitt 795, Robbi Hron 790, Mike Fierke 420, Chris Tolonen 1,025, Ric Heller 1,025, Mike Coulter 835.

**GIRLS DIVISION** — Chris Holtz 355, Dawn Dieringer 395, Joan Van Den Heuval 385, Mary Murre 310, Darlene Luedtke 565, Brenda Vetter 410, Tara Kleinhans 330, Shelly Petsch 515, Ellen Biesbier 335, Mary Harju 315, Jenny Hintz 490, Ann-Marie Horner 405, Lisa Fusek 390.

Event organizer Charland has a second barrel that he plans on firing in his assault on the \$2,000 figure that he's trying to reach on his way to the new blocking sled. At this time Charland is planning an all-adult record dance for those 21 and over, with himself and one other faculty member handling the disc jockey chores for the evening.

More on this when the final date for the dance has been set. Until then any other places of business or private individuals that would like to help out in the cause with a donation toward the new blocking sled or any other athletic equipment can still contact Charland at the high school.

Fran Charland, organizer of the meet, said everyone had a real good time and he saw some super efforts. Gift certificates from the drawing went to Craig Hubbell, Ben Edwards, and Matt Gruss. Mike Morell won the cake and John Baitinger won the brownies.

## Koth Switches to Track

ASSISTANT track coach, Perry Koth.

By Chuck Voge

Kewaskum High School varsity boys basketball coach, Perry Koth, won't be taking any breaks now that the 1985-86
