There's no fool like an old fool.  
You just can't beat experience.

## School District of Kewaskum

### Salary Figures for Administrators and Teachers Released

Administrative contracts were reviewed by the Kewaskum School District Board of Education at its meeting on Monday, April 14. The following adjustments were made: Elementary principals received a 6% salary increase; the Middle School principal's salary was adjusted upward at a 4% rate and the contract will be increased from 205 days to 220 days; the High School principal's duties were revised and the position of athletic director was removed, accordingly, there will be no change in salary for 1986-87; the assistant High School principal's position was awarded a 4% increase as was the Building and Grounds supervisor. At the request of the Business Manager there will be no increase in salary for the coming year. All of the above positions will be entering the second year of a two-year contract agreement with the school district. The Director of Instruction position was awarded a 7% increase in salary. The District Administrator had previously indicated to the Board of Education that she would not ask for or accept a raise for 1986-87. Both the Director of Instruction and Superintendent will be entering the second year of current three year contracts with the district.

The Board acted to create continuing contract arrangements with its top three administrators, (District Administrator, Business Manager, and Director of Instruction), with the inclusion of ongoing renewal language. Currently the law requires contract renewals of not less than two years for an administrator who has served in a district for three years or more.

All administrators in the Kewaskum School District set goals and objectives each year and have annual performance evaluations.

The following salary levels for administra-

tors will be in effect for the 1986-87 school year:

District Administrator	\$44,250
Business Manager	\$37,000
Director of Instruction	\$34,240
High School Principal	\$37,980
Assistant High School Principal	\$39,364
Middle School Principal	\$35,110
Elementary Principals	\$37,873

and \$35,278

Buildings and Grounds Supervisor \$27,321

Administrators receive the same fringe benefits as teaching staff.

Teachers in the Kewaskum District received an 8.5% increase in salaries for the current year. Those teachers currently at the top of the salary schedule for next year will be receiving \$31,722. Teacher contracts are for 190 days while administrators are for 220 days, (Elementary and Middle School), and 240 days (Superintendent, Business Manager, Director of Instruction, High School principal, Assistant High School principal, and Buildings and Grounds supervisor).

A complete breakdown of the 1985-86 salaries for the 121 teachers [not including the nine administrators] of the School District of Kewaskum is on page two. Salaries are compared to the 1984-85 salary with the dollar increase and the percentage increase calculated.

These salaries are based on a 190 day contract. Extracurriculars and extra days pay are not included. Salary increases ranged from 6.46% up to a 21.98% increase. Increases are included for experience and additional education lane advancements. Education advancements for the second semester are not included.

## County to Erect Radio Tower

### Village to Seek Bids For Kiwanis Park Shelter Building Construction

By GERRY MUELLER  
Statesman Staff Writer

The Village of Kewaskum will advertise for bids next month on the construction of a new shelter building in Kewaskum Kiwanis Park.

The advertisements will be out May 9th, with bid opening on May 28th or 29th, and awarding of the bid on June 2nd.

The Kewaskum Kiwanis Club has already pledged to pay up to one-half of the cost of the 25 foot by 85 foot building which is expected to run approximately \$80,000. The club had originally pledged \$30,000, however, at a board meeting earlier this year, Kiwanis representative Gene Bohn informed the board his organization would donate an additional \$10,000 if its annual fund-raiser is a success again this year.

When making the presentation, Bohn noted the Kiwanians were proud of the park and felt sure the new building would be another fine addition.

In other action the board approved the request of Water Pollution Control Superintendent Pete Albers to purchase a new water sampler at an estimated cost of \$3,500.

Trustee Mary Krueger asked what the expected life span was on that piece of equipment. Albers said about seven years. He also noted that the village's present sampler, however, is over thirteen years old and replacement parts for it are no longer available.

Administrator Dan Schmidt informed the board that the county would be erecting a new 80-foot tall tower behind the Municipal Building for the county radio system.

The new tower will eliminate the village's need for the \$87.00 per month telephone line now used for dispatching police and fire calls. Because the county will be asked to pick up the cost for the tower insurance and installation of emergency power into the basement, plus the fact that the new tower will save the village \$87 a month in telephone charges, the board agreed to waive the \$15.00 construction and \$50.00 zoning permit fees.

Protection and Public Safety Committee Chairman Howard Laubenstein informed the board that a joint meeting of his group, the Police Commission and Fire Department Committee has been scheduled for

## KHS Academic Best To Be Honored May 4

"Go for the gold"...."Be all you can be"...."Run for the roses"....

In this same "spirit of excellence" Kewaskum High School and the community will honor those students who have achieved academic excellence throughout their high school careers. As in sports, academic competition is demanding, requiring discipline and dedication, so it is fitting to recognize the best.

For the first time, a special ceremony this year will honor scholarship winners and other academic achievers. The program will be held at the high school, Rose Hall, Sunday, May 4, at 1:00 p.m. Friends, families and community residents are invited to attend.

Scholarships amounting to

over \$20,000 will be presented to the graduating seniors, including two new scholarships established this year. In addition, other awards for academic achievement will be presented.

**Daylight**  
savings time  
begins

AT 2:00 A.M.  
SUNDAY, APRIL 27

Remember to turn your clocks one hour ahead before retiring Saturday night, when you will lose an hour of sleep.

## Six Receive Salary Increases

### School Board Approves 1986-87 Administrative Contracts

By GERRY MUELLER  
Statesman Staff Writer

At a special meeting Tuesday night, the Kewaskum School Board approved administrative contracts for the 1986-87 school year. The motion by Perry Ankerson, seconded by Lynn Dieringer, was approved on a 4-1-1 vote. Ankerson, Tom Brigham, Dieringer and Jean Goeden voting "for" with Neal Weare voting "no," Ron Theusch abstaining, and Kim Peterson absent.

While Goeden voted for the motion in open session, she stated after the meeting that she had voted against it in an

earlier closed session. Goeden said she had cast the earlier "no" vote because all the administrative raises had been lumped together into one motion. "I wanted each contract to be voted on separately," said Goeden. She indicated she changed her vote in open session because she knew the contracts would be approved even with her no vote. There should be some unity and working together among the board so I changed my vote, she noted.

In compliance with her statement that she would not ask for an increase, District

Administrator Penny Kleinhans' salary will not be increased and will remain at \$44,250, for 1986-87. At the request of Business Manager Cherna Gorder, her salary will also remain the same for the coming school year at \$37,000.

Director of Instruction Julie Backus was given a 7% increase, raising her salary to \$34,240. Because the duties of the Athletic Director were removed from his contract, High School Principal LeRoy Kopecky will not receive a raise. His contract will remain at \$37,980. Assistant High School

## Chamber Music Concert

The Kewaskum High School music department will present its annual Chamber Music Concert at Peace United Church of Christ, Kewaskum, beginning at 7:30 on Tuesday, April 29. An array of the world's loveliest music performed by the high school's most talented musicians will create the mood for an esthetic evening. A

reception with refreshments will follow the main event.

The students featured at this annual recital will also be showcasing their abilities at the State Solo and Ensemble contest to be held in Madison on May 3. The general public is invited to come support the achievements of this notable pool of talent.

## Alsberg Wins At Newspaper Conference

KHS senior Colleen Alsberg won third place honors at the Northeastern Wisconsin Scholastic Press Association Conference (NEWSPA) at UW-Oshkosh last week.

Alsberg's cartoon about fund-raising placed above and over 20 other entries in the Editorial Cartoon category. Alsberg drew a four panel cartoon which appeared in each issue of the Smoke Signals, the KHS monthly student newspaper. Her work featured the characters "Freddy Rev" and "Strobe Lyte."

The NEWSPA conference is an annual gathering hosted by the UW-Oshkosh journalism department. The keynote speaker was Pulitzer Prize winner Margo Huston of the Milwaukee Journal. Media professionals conducted small group workshops and lectures for the over 600 participating high school journalists.

Besides Alsberg, Smoke Signals staff members attending included Ric Heller, Chris Bodden, Michele Becker, Mary Harju, Connie Menger, Kim Kode, Lisa Fusek, Denise Goetsch, Michelle Gebheim, Tara Kleinhans, Jill Rimmel and advisor Kevin Chambers.

## Lickel Gives Presentation At Convention

Bill Lickel, Kewaskum High School science teacher, gave a presentation to the Wisconsin Society of Science Teachers on Friday, April 18.

Lickel, along with a group of 25 scientists, presented demonstrations dealing with physics to a group of nearly 300 other scientists. Lickel's presentation was to show the refraction of light with a laser beam.

This was Lickel's first time attending the convention. He used the convention as a follow-up to a seminar he attended last summer in Eau Claire. Lickel enjoyed the convention. He said, "it was good to talk to other teachers and get their ideas on things."

## Negotiations Committee Draws Criticism on School Board's Handling Of Beechwood Job Eliminations

By GERRY MUELLER  
Statesman Staff Writer

The discussion of several summer custodian positions in the Kewaskum School District drew flack at Tuesday night's meeting of the Negotiations-Grievance-Personnel Committee.

Roger Reif, a custodian at Beechwood Elementary School and one of the several support staff whose jobs have been eliminated because of the school's impending closing criticized the Kewaskum School Board for its handling of the situation.

Reif's comments came during the committee's meeting which was held before a special meeting of the board. Reif told the committee that, "all the work that I and Neal Weare have done during the past year was made a mockery of in terms of trying to develop some self-esteem and good feelings for the support staff in establishing some seniority and a few other criteria that we felt was very desirable for the support staff and probably for the district as a whole. However, the board and the administration has chosen not to follow that. We have been told it is not mandatory that they do that. We have been told that

repeatedly, that's fine but on the other hand we have people out there that have been employed by this district 18 years, 13 years, 11 years, and thus far nobody, but nobody has come to talk to us personally about the regret they, themselves, may have in having to dismiss these positions after this long service to the district."

"The fact that there is now a position apparently being proposed at Farmington brings to light another situation," said Reif. He told the committee, "it just seemed to him it would not have been too hard or too severe to suggest that if positions were open in the near future, that those positions which were being eliminated would be given the first crack at jobs that appear. And yet, that was never an issue or comment."

"Now here we are talking about a part time custodian position at Farmington. It just seems to me, that out of plain decency, that some of us that already have that work and have been doing it for a long time could be given the first crack at it and, in the case of Marge Krahn, if a cook's position opens up within the next year, I can't see how you could deny her first crack at the position. She certainly would qualify for

it."

Board member Neal Weare said that he wanted to clear up one point, that he had expressed his concern on these points with the previous administrator and the support staff when the Beechwood closing plan first came up. Reif and several other support personnel agreed with Weare's comment.

An aide whose position has been eliminated said she was told she could apply for a similar position which was being posted.

The committee also discussed creation of a Support Staff Handbook which would contain all policies pertaining to support positions. District Administrator Penny Kleinhans indicated these books would be passed out to all support personnel providing them with an immediate source of information especially during negotiations rather than have to look things up in the policy books located in the school libraries.

The committee's agenda item of hearing a teacher grievance was moved to a closed session on May 12th. The meeting was then adjourned to allow the special school board meeting to begin.

## Village Bd.

[Continued from Page 1]

Tuesday, May 6th, regarding the proposed Police and Fire Commission.

A Plan Commission meeting has also been set for April 29th, to discuss the Regal Ware Manor Annexation request.

Public Works Superintendent Augie Bilgo informed the board that the Kiwanis Park pond has been cleaned and is in the process of being filled in preparation for the swimming season.

Bilgo said the cleaning operation was much better this year, noting only 4½ loads of sediment had to be removed compared to approximately 14 loads last year. If we continue to clean the pond on a yearly basis we should be in good shape, noted Bilgo.

The Public Works Committee also asked the board to review a proposal to partially replace approximately 300 feet of curb and gutter along North Avenue before the street is resurfaced. The project will be discussed at the board's next meeting.

The board unanimously approved the adoption of Resolution 86-5, stating its support of the construction of a three-foot wide asphalt bike and pedestrian lane along the shoulder of highway 28 east.

President Dave Nigh asked Schmidt if the Department of Transportation planned to run the lane all the way out to Highway 144. Schmidt said he was not sure but thought possibly to St. Michaels or at least the gravel pit.

The DOT is considering dropping the bike lane from the Highway 28 reconstruction project because of funding cuts.

The board also gave Schmidt approval to go ahead with work, based on the lowest bid received, for replacement of the village's 800-gallon diesel tank located at the village garage. The tank, installed in 1957, along with two other tanks was tested for possible leakage problems. It will be replaced by a new 1,000-gallon tank which will meet the new ground water pollution control guidelines. The remaining two tanks were found to be in satisfactory condition. Schmidt indicated he would like to see the work completed before he has to submit a report on the tests. I'd rather tell them about the new tank than the old one, said Schmidt.

A list of part-time summer employees for general and recreation work in the village was also approved.

Glowering wife: "And what's the reason for you coming in at 5 o'clock in the morning?"  
Husband: "Breakfast."

## School Bd.

[Continued from Page 1]

Principal Roy Esser received a 4% increase, raising his salary to \$39,364. Middle School Principal Dennis Reha received 4%, going to \$35,110, however, his contract work days were also extended from 205 to 220 days.

The Elementary School principals received a 6% raise, increasing Richard Zarlino's salary to \$37,873, and Tom Larsen to \$35,278. Buildings and Grounds Supervisor Fred Boehlke also received a 4% increase moving to \$27,321.

Besides the salary increases, the administrators will also receive increases in their fringe benefits.

In other action, the board approved several summer custodial positions with a minimum wage of \$5.01 per hour, or, if the position is filled by a present school district employee holding a similar job during the year, they will receive that pay scale.

Roger Reif asked the board how that would effect employees whose jobs will be eliminated. District Administrator Penny Kleinhans indicated that, technically, as of June 7th, those persons would no longer be considered as still employed by the district.

The 1986-87 school calendar was discussed, however, no specific schedule was set. According to the negotiated contract for 1985-86, school would begin on September 2nd, after Labor Day. The Kewaskum Education Association and School Board will discuss the calendar further.

The job description and salary for the Athletic Director's position, which will now become a negotiated item, were approved with an approximate

wage of \$1,628. The duties will require the Athletic Director to be present at all major events, with responsibilities at both the Middle and High Schools. The position will also receive two hours of release time per day to handle work related to the position.

The board approved the hiring of Mr. Ron Hedrick as assistant baseball coach.

Contracts for typewriter maintenance and auditor's services were also approved. Building Superintendent Fred Boehlke also received approval to proceed with emergency water heater repairs which will exceed \$1,000.

The board approved both phases of Driver Education to be run during the summer. Board member Perry Ankerson questioned Kleinhans about the district's considering dropping the Driver Education course. "If you direct us to go back for another round of cuts next year," stated Kleinhans, "this is one program we would look at."

The resignation of Margaret Doty as cheerleading coach and middle school newspaper advisor was accepted contingent upon finding replacements for the positions.

The board then adjourned to closed session.

### ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Firemen's Hall on Tuesday, April 15, were: Willie Blecker, 17-3-14 net; Frank Kadinger, 18-4-14 net; Jack Beck, 17-4-13 net; Merlin Firme, 17-6-11 net; Merlin Firme, Heart Solo vs 4; Jack Beck, Diamond Solo vs 4.

*Designed With You in Mind*

Dear Customers,

As you probably have noticed, we have started a remodeling project at our Self/Serve in Kewaskum.

We are first-of-all replacing our super/unleaded tank, and in the next week we will be installing all new pumps and islands. This will require several days of shutdown next week and we apologize for any inconvenience.

When we are open again, I'm sure you will be favorably impressed with the new, modern, easy-to-use pumps and Kard/Gard system we have installed.

Again, we apologize for any inconvenience involved.

Regards,

Bill Lenz  
SHEFOND OIL, INC.

**WE ARE REMODELING -  
TO SERVE YOU BETTER!**

# Memories...

Can anyone identify the team or any of its players on this 1910 photo of a Kewaskum baseball team? We talked to some of the area old timers, none of whom recognized them. Was it a high school team? August Bilgo, Sr. thought Kewaskum had high school teams in those years. Or was it a village team? Some of their jerseys read "Kewaskum," some "JRS," one "K" and one "HS." In those days Kewaskum teams played their games on the field across from the old high school on East Main Street. (Photo submitted by Herb Backhaus)

## Three Capture Highest Honors With Perfect Scores

### KHS Forensics Team Culminates Successful Season at State Meet

Twenty-three members of the KHS forensics team earned the honor of advancing to state competition this past week after successfully competing in the district meet a few weeks earlier. Coach Barb York said this was the largest number of KHS students to ever participate in state competition.

Scoring a perfect 25 at the state meet, Leighton Peterson, Cheryl Kurtz and Mitzi Nigh led the KHS team. Peterson's poetry reading selection "If I Ran the Zoo" and Nigh and Kurtz's Play Acting skit of "The Children's Hour" captured for them the perfect 25 out of 25 Critic's Choice Award - the highest honor in state competition.

Patsy Panzer scored 23 points in her category of the four minute speech; Debbie Pamperin received 23 points for her poetry selection "Nightmare Number;" Anne Rosenberger also scored a 23 with her prose reading selection "Stone Age Versus Rock Age;" the group interpretive readers - Pam Oelhafen, Tammy Scheffner, Traci Dorschner, Janelle Peterson and Tanya Beske, captured 22 points with their selection of "Cinderella Time." Gina Olmsted also received 22 with her story telling selection. These 23 and 22 point winners earned the All State Award with their fine performances.

Ada Thull earned 21 points

with her poetry selection "Man With the Broken Fingers" and Barb Panzer 20 points with her selection "The Unknown War." In prose Debbie Wilson had 21 points with her reading of "Somebody's Son" and Leah Kuphal received 20 points with her selection "The Answer." In group interpretive reading the Horner sisters, Colleen and Ann-Marie received 21 points with the selection "Thurber Selections;" Sheila Paulson, Jill Schmidt and Nicole Postuma received 21 and 20 points respectively with their solo humorous acting selections. Bobby Castro earned 20 points in the oratory category and Jennifer Lettow also received 20 points in the storytelling competition. These 21 and 20 point winners received Finalist Awards. Michelle Becker had also qualified for state competition in the four minute category, but was unable to attend the meet.

Coaches Barb York and Judy Jacak felt much talent has been utilized and team members

have done exceptionally well this year.

#### BANNS OF MARRIAGE

Marriage banns have been announced for the first time in the Holy Trinity Church bulletin for Michael Ertl and Roseann Peterson.

## Area Herds Involved in Dairy Buyout Program

Twenty Washington County farmers are participating in the federal government's whole-herd dairy buyout programs, in which a total of 881 cows, 486 heifers and 140 calves will be slaughtered.

The county herds range in size from 233 animals, including 108 cows, down to 23 animals and 16 cows. A total of 90 bids were submitted by county farmers wishing to participate in the program.

Highest bid was from a farmer who offered to take his herd out of milk production for five years if the government paid him \$97 for each hundred pounds of milk he produced in a year. The state of Wisconsin reported the highest bid in the nation - \$999.99 per hundred pounds, which was shared with Texas. From there the state's herds ranged down to a low of \$4.47.

The 20 Washington County bids ranged from a low of \$6.50 per hundred pounds to a high of \$22.45. All 20 of the county bids averaged out to \$14.81 per hundred pounds of milk produced in a year, compared to \$15.93 for the state and \$14.75 for the nation.

County farmers will receive an average of \$77,972 in total payments for getting out of milk production.

Washington County participants in the dairy buyout program include the following from this area: Carl Degnitz of 8548 Fillmore Road, Fredonia; Orville Kern of R. 1, Allenton; James Oelhafen of 5543 County H, R. 1, Allenton; John N. Oelhafen of 5908 Butternut Drive, Kewaskum; Lloyd Pamperin of 6570 County D, Allenton; Alton Schrauth, 6544 County H, Allenton; Leo Schweitzer of 6560 County DW, Allenton; Francis Volm of 9455 Townline Road, Kewaskum.

## Town of Wayne Considering Construction of Town Hall

By GERRY MUELLER  
Statesman Staff Writer

The Town of Wayne recently established a Building Committee which has been assigned the task of finding possible sites for the construction of a proposed Town Hall.

The committee, consisting of Dennis Proeber, Dave Resch, Jim Schmidt, Robert Schulteis, and Richard Theusch, will report their findings to the town board on June 10th.

The town presently uses the old school building on Wayne Center and Fairview Roads for meetings. When a large attendance is anticipated, the meetings are moved to Barney's Hall in Wayne. In the past, the town has also used the Kohls-

ville Fire Department garage for meetings.

If a suitable location is found, and the board approves the project, money could be borrowed from the State Trust Fund which is currently charging 7% interest. The loan could also be taken out for ten years, thereby reducing the tax burden for the townspeople.

The town will also construct a salt shed within the year to conform with new run-off restrictions.

Wages for the town's maintenance and snowplowing workers were increased by \$1.00 per hour, from \$5.00 to \$6.00 per hour. All town officials and election workers wages will remain the same.

apportioning that money back to the townships.

The board also approved a Department of Natural Resources request that an overnight camping permit be granted to the Wisconsin Horse-owners Alliance for May 21st, at the Sunburst Ski Hill area. The stopover is part of a cross-country trail ride from the Northern Kettle Moraine Park area to the Southern Kettle Moraine in conjunction with a celebration marking the 50th anniversary of the two state parks.

Town Clerk Barb Hinz said she had also been directed, by Chairman George Allmann, to draft a letter to the Waukesha Department of Transportation stating the township's support for the construction of a three-

foot wide asphalt bikers and hikers lane along Highway 28 east.

The lane had originally been included as part of the highway's reconstruction in 1987-88, however, because of cutbacks in project funds, the DOT is considering dropping the lane's construction from the project. Hinz said the board felt the lane was very important since many of the area's school children who life east of the village begin riding their bikes to school as soon as the weather permits. The lane would also be a safety factor for the many hikers who come into the area to use the Kettle Moraine hiking trails which cross Highway 28.

## Births

**BARTELT** — A son, Tyler Thomas, to Todd and Shelley Bartelt, 8898 Hwy. W, Allenton (Wayne) on Tuesday, Apr. 22. Maternal grandfather is Barney Strobel, Wayne and paternal grandparents are Mr. and Mrs. Tom Bartelt of Mayville.

### Town of Kewaskum Appoints Plan Commission and Board of Appeals

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Town Board, Monday night, appointed five people to its Plan Commission. The commission will consist of two citizens and three board members.

Citizen members Roger Neuman will serve on the commission for three years and Dean Roe will serve two years. Board members George Allmann, David Dorn and Dan Stoffel were also appointed to the commission and will each serve one year. Board member re-appointments will be determined after each election.

The Kewaskum Town Board of Appeals will consist of Attorney John Kluwin with a

term of three years, Mrs. Janice Schmidt two years, and Richard Thiemer one year.

The board also discussed several items including the Regal Ware manor annexation, the Thompkins Mobile Home Park septic system failure, and dog license revenues. No action was taken regarding the Regal Ware project or the Thompkins septic problem.

The board's discussion of dog license revenues included the new state law which directs that leftover license monies be turned over to dog pounds. The board went on record as supporting the Washington County Humane Society in challenging the new law to be returned to the old system of

## Auction to Benefit Beechwood Fire Dept.'s First Responders

By Gerry Mueller

An auction, sponsored by the Beechwood Fire Department Auxiliary, is being held Saturday to raise funds for the department's "First Responders."

The First Responders team was created last year and officially began operating in February, 1985.

Terry Heberer, President of the Beechwood Fire Department and a member of the Responders, said the group was formed when it was decided there was a need for immediate first aid and basic life support assistance. "While we do get excellent ambulance assistance from Kewaskum, Plymouth and Random Lake, on the average there is a period of 12 to 20 minutes until that help arrives," said Heberer, "and those first few minutes can be very critical for an accident or illness victim."

We're not trained to, or do we give medical assistance. Our job is to be on the scene as soon as possible, providing strictly first aid and life support assistance. Once the ambulance and EMTs arrive they are completely in charge and we provide any additional assistance only if requested.

To become a member of the First Responders, an individual must complete a sixteen-week course in First Aid and Basic Life Support Assistance. In the last year, the group has responded to 27 calls.

Beechwood's First Responders is presently made up of 18 members. Chief Roger Vetter, Assistant Chief Larry Krahn and Jim Vetter, and team members Bob Hartmann, Sue Heberer, Jim Krahn, Spencer Krahn, Terry Krahn, Glenn Luedtke, Mark Muench, LuAnn Potter, Leroy Reysen, Marshall Reysen, Mark Ringwell, Phil Schmidt, Amy Vetter, Terry Vetter, and Larry Gessner.

The all-volunteer staff receives no salary and is on call 24 hours a day, seven days a week. Along with joint monthly

fire department meetings, the team also holds its own monthly practice sessions.

Money raised from Saturday's auction, which begins at 1:00 p.m. at the Beechwood Fire House, will be used to repay the department for costs incurred for training and equipment as well as create a fund for future equipment and training needs.

If there is anyone who would still like to donate items for the auction, they can do so up until the time of the auction by contacting any of the following people: Sue Buechel 626-4418, Kathy Mueller 626-2572, Jan Hartmann 994-4486, or Marge Krahn 994-9316.

Heberer said he would like to publicly thank the Auxiliary for all its support to both the First Responders and the Fire Department.

## Campus Notes

Some 111 Wartburg College, Waverly, Iowa, students have been awarded special or funded scholarships for the 1986-87 academic year, according to Robert Nielson, director of financial aid.

In order for students to qualify for these awards, they must meet the conditions of the scholarships, which are usually based on an area of academic interest. These scholarships are generally funded by individuals or organizations with special interest in certain academic areas or as memorials.

In addition to these funded scholarships, Wartburg provides other financial assistance through grant, loan and employment programs.

Included with the recipients for the 1986-87 year is: WEST BEND: Jandelyn Hazlewood, daughter of Mr. and Mrs. John Hazlewood, Sr., 1093 Fairfield Court (Philosophy Scholarship: Funds are contributed by faculty of the philosophy department and former philosophy majors at Wartburg College).

## KEA Scholarships Announced

Kewaskum High School seniors, Beth Bartelt, daughter of Mr. and Mrs. James Bartelt, 5831 Beechnut Dr., West Bend; Michelle Nigh, daughter of Mr. and Mrs. David Nigh, 355 North Ave., Kewaskum and Lori Melzer, daughter of Mr. and Mrs. Robert Melzer, 9618 Rolling Dr., Allenton, have been named recipients of the Kewaskum Education Association scholarships. Three scholarships are available each year to graduating seniors at Kewaskum High School. Two \$300 scholarships are awarded to seniors planning to attend an accredited four year college and one \$100 scholarship to a senior planning to attend an accredited vocational or technical school.

Beth Bartelt will be graduating with honors from Kewaskum High School. She has also been involved in concert, swing, honors and girls' choirs, and triple trio, cheerleading, student govern-

ment, class president, NHS Spanish Club, the school musical and Olympics of the Mind. Beth will be attending Carroll College and plans to enter the fields of pre-law and accounting.

Michelle Nigh, in addition to graduating with honors from Kewaskum High School, has been actively involved in band, choir, the school musical, forensics, cheerleading, Key Club, gymnastics, student government, Spanish Club, AFS Club and a host of other high school activities. Michelle will be attending UWWC in the fall.

Lori Melzer is also graduating from KHS with honors. While attending high school she has been quite active in the Key Club, FBLA and a member of the National Honor Society. In the fall Lori is attending Patricia Stevens College in Milwaukee, majoring in public relations.

## KHS Again Undergoes North Central Evaluation

Wisconsin, along with 18 other states is a participating member of the North Central Association of Colleges and Schools. Kewaskum High School along with some 260 other Wisconsin high schools has been a member of the NCA for many years and annually undergoes an evaluative process consisting of some 14 standards which must be met before accreditation is granted.

The purpose of the Association is the development and maintenance of high standards of excellence for universities, colleges and high schools, the continued improvement of the educational program and the effectiveness of instruction on school and college levels. These standards are achieved through a scientific and professional approach to the solution of educational problems, the establishment of cooperative relationships between the schools and colleges within the territory of the Association, and the maintenance of effective working relationships with

other educational organizations and accrediting agencies.

A school can only be accredited for one year at a time. Proof must be presented every year, to the NCA that a school is meeting the standards which apply to fit.

Being accredited to the NCA each year has been and will continually remain an important evaluative step in the process of insuring the school and community the high standards of excellence are the foremost goal of education.

## UWWC Announces Auditions for Show

UW-Washington County Theatre on the Hill announces auditions for Summer Rep. IV.

SCAPINO!, an uproarious musical comedy, is one of the three summer shows planned. Seven men (two of mature age and five aged 18-35) and seven women (one of mature age and six aged 18-35) are needed. Auditions will be held on Wednesday, April 30th, from 7-10 p.m. in the UWWC Theatre, 400 University Drive, West Bend. No prepared material is required.

Auditions for the two other shows, STRIDER and THE SOUND OF MUSIC, will be announced at a later date.

For more information, call Professor Brad Ford at 338-5222.

## Town of Farmington Okays Raises; Industrial Park Could Be for Sale

By GERRY MUELLER  
Statesman Staff Writer

Residents attending the Farmington Town Board meeting earlier this month approved 5% increases in the annual salaries for the town clerk and treasurer. The

salaries will go from \$3,000 to \$3,150 per year.

Also approved was a \$1.00 per hour increase for supervisors, from \$6.00 to \$7.00 per hour, for town business other than regular meetings. Wages for the supervisors and chair-

man were increased to \$15.00 per regular meeting. The Landfill Custodian's pay was also increased to \$4.35 per hour. The site is open every Saturday for approximately seven hours.

All increases, however, will not go into effect until after the next election in April of 1987.

The town also abolished the position of constable since the last remaining duty of the job was the Green Lake Safety

Patrol. That responsibility will not be handled by Gene Hayes, who has been hired by the lake property owners and town on a part-time basis for \$6.00 per hour.

The board also informed the meeting that, while the township's 67-acre industrial park is not being advertised or officially being put up for sale, the town will consider selling the land if a suitable buyer is interested.

## KHS Future Business Leaders Compete in State Competition

The Future Business Leaders of America held their State Leadership Conference on April 10-12 at the Embassy Suites/Convention Center in Green Bay, Wis.

Over 1,400 FBLA members traveled to Green Bay to participate in competitive events and to attend special interest sectional. Local students who attended and competed were: Kristie Sarauer - Job interview, Theresa Fehring - Stenographer I, and Janine Spaeth - Office Practice. Kris Buettner and Wendi Eckert were the voting delegates from the local chapter.

Other conference activities include a March of Dimes Mini Walk-A-Thon and a March of

Dimes sponsored dance and a talent show.

The conference officially began Friday morning and concluded Saturday afternoon after the new FBLA state officers were installed and an awards ceremony was held to recognize the winners in each area.

## MPTI Announces Student Awards

More than 100 students were recognized for academic achievement, athletic participation and community service at Moraine Park Technical Institute's 14th Annual Student Awards Banquet, held April 15 at the Fond du Lac campus.

Forty-two students were honored with certificates from "Who's Who Among Students in American Junior Colleges." They join an elite group of students selected from more than 1,500 institutions of higher

learning. Selection was based upon academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

Those receiving certificates from this area include:

Kewaskum — Betsy A. Bruendl; West Bend — Donna J. Abfall, James J. Beine, Robert E. Disch, Paula J. Doyle, Jean M. Johnson, Larry P. Krueger, Lee M. Schultz, Sue E. Weymier, Susan M. Wolf; Random Lake — Carrie C. Link; Theresa — Joan T. Loehrke.

Meritorious Service certificates were presented to 66 students nominated by their cocurricular advisors for outstanding leadership and achievement in cocurricular activities. Those students from this area:

Kewaskum — David G. Cordes; West Bend — Pauline L. Fisher, Kimberly Hansen, Mary A. Jessup, Jacqueline Myrhum, Janice Oesterreich, Gail Schmidt, Myrlene R. Weishaar; Lomira — Bernard Fulayter; Fredonia — Maria L. Grant; Waubeka — Bonnie A.

Friday, April 25, 1986, Kewaskum Statesman, Page 8

## Disaster Checklist Available at Banks

A disaster checklist designed for convenient carrying in purse, wallet or car is being made available courtesy of Wisconsin's commercial banks. The handy card includes a step by step guide to what to do if warned of a disaster such as a tornado as well as instructions to follow when the disaster is over to avoid personal injury or additional property damage.

According to Bryan K. Koontz, executive director of the Wisconsin Bankers Association, the 1984 Barneveld tornado disaster focused attention on the need for a concise, single piece of consumer information telling what to do and the order in which to do it.

The disaster checklist is available through participating banks as well as from the Association at P.O. Box 1667, Madison, Wisconsin, 53701.

Jacque; Allenton — Jacqueline Mollica; Campbellsport — Richard A. Schmitz.

Athletic awards were presented to the eight members of the 1985-86 men's basketball team and includes:

Brian Ruplinger, Allenton, and Jon D. Faul, West Bend.

Special plaques were given to the Student Senate presidents at all three MPTI campuses: Kim Stange, Beaver Dam; David Cordes, Kewaskum; and Darwin Schmidt, Fond du Lac. Susan Wolf and Russell Voigt, cochairpersons of Students Making Activities Count (SMAC) also received special plaques. In turn, the students gave Glenn Sanville, student activities manager at the Fond du Lac campus, an engraved mirror for his contributions to student life at MPTI.

## FIREMEN'S MEETING

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station at 7:30 p.m. next Thursday, May 1.

## KHS Students Attend Concert In Milwaukee

On Wednesday, April 9, thirty-six students and Kewaskum High School choral director David Bertelsen, attended a symphonic concert at the Performing Arts Center in Milwaukee. The Milwaukee Symphony, the Music for Youth Brass Ensemble, and several Milwaukee area high school choirs, all under the direction of Margaret Hawkins, combined for an informative and interesting hour-long program as part of the Milwaukee Symphony Orchestra's High School Concerts Series.

This concert, entitled "Double Your Pleasure," featured various duets including a harp duet by Salzedo, Vivaldi's Concerto in C-Major for Two Trumpets and Strings, P. 75, an antiphonal brass selection from Gabrieli's "Sacrae Symphoniae" (1597) and excerpts from "Israel in Egypt" by Handel.

# KEWASKUM HIGH SCHOOL SCHOLARSHIP WINNERS

Thirty-two scholarships have been awarded to 31 Kewaskum High School seniors for academic achievement this year amounting to over \$20,000. The announcement was made by the guidance department. This is in addition to other awards given by the various institutions they plan to attend in fall.

There are also 11 other scholarships administered through the agriculture department which will be awarded at the annual FFA banquet later this spring. Other scholarships to be announced are Kewaskum Booster Club and F.B.L.A. This year for the first time

there will be an assembly at the high school in the old gym on Sunday, May 4, at 1:00 p.m., to honor the winners.

The following students are the KHS scholarship winners:

**J.O. Reigle Scholarships**, college, two \$4,000 awards — \$1,000/year for four years - Rick Heller and Ellen Beisbier.

**St. Joseph's Community Hospital Auxiliary Scholarship** — \$2,000 - \$500/year for four years - nursing award - Michelle Gebheim.

**West Bend Chapter of the University of Wisconsin Alumni Club Scholarship** — UW Madison, \$1,250 - Ada Thull.

**Kiwanis Club Scholarships** —

College, two \$500 awards - Lisa Fusek and Patsy Panzer; technical school - two \$250 awards - Amy Kougl and Brenda Kober.

**Clifford M. Rose Scholarship** — College, \$500 - Ada Thull.

**KEYS [Kewaskum Youth Scholarship, Corp.]** — \$500 - Rick Staehler.

**Valley Bank of Kewaskum** — \$500 college - Tim Rohlinger.

**Lions Club** — \$500 college or technical school - Steph Amerling.

**West Bend Masonic Lodge** — \$500 college or technical school - Lisa Krahn.

**Michael H. Strelka Memorial** — \$500 college, medical or

handicapped - Kyle Vogt.

**Brenda Oelhafen Memorial** — \$500 college or technical school - Mary Harju.

**Kewaskum Junior Woman's Club** — \$400 college - Chris Bodden; \$200 technical - Kevin Kempf.

**Dr. R. G. Edwards** — Two \$400 college health care fields - Laurie Grahl and Sandra Muench.

**Kewaskum Education Association** — Two \$300 college - Beth Bartelt and Mitzie Nigh; \$100 technical - Lora Melzer.

**Kewaskum Student Government** — \$250 college - Barbara Panzer; \$100 technical - Kristie Sarauer.

**Future Homemakers** — \$200 college or technical school, home economics field - Chris Schultz.

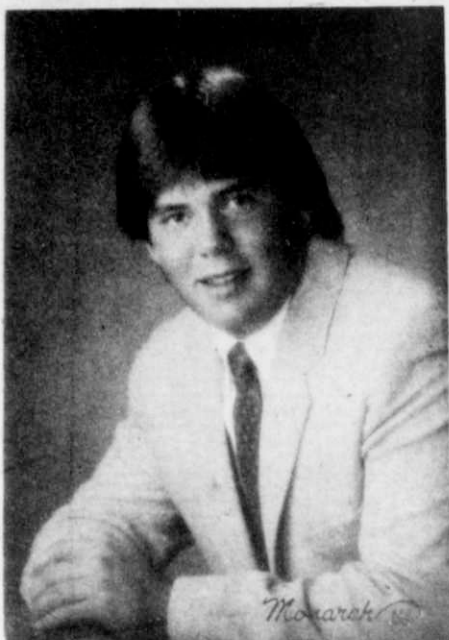

**Roman Muckerheide Memorial** — \$200 college or technical - Leah Kuphal.

**Kewaskum Jaycee** — \$200 college - Debi Seideman.

**Sgt. Clifford M. Bales Memorial** — \$100 - Ron Theusch and Denise Goetsch.

**Arlette Edwards Art Appreciation Scholarship** — \$100 college, art - Ken Miller.

**National Honor Society** — Two \$100 college - Shawn Chesak and Anne Rosenberger.

## Dear Diary: Chap. 3, 3rd Place At State Creative Olympics

(Writer's note: This is the third in a series on KHS Olympics of the Mind team's creative problem solving quest).

Dear diary, I wish ya coulda been there. This KHS Olympics of the Mind team captured the third place trophy at state competition in Stevens Point Saturday...and they did it with style...first class.

I guess a 3rd is sorta like eating a Little Debbie chocolate roll, dear diary....deep down you crave the whole thing, but that smaller portion, how sweet it is! Satisfying, very satisfying. The trophy resembles movie-dom's Oscar, does that make OM's trophy an Omscar? (Creative license for the coach, please).

An early a.m. wake-up call rallied the team for the big day: Mitch Gebheim, Beth Bartelt, Lisa Fusek, Tara Kleinhans, Leighton Peterson and Ron Theusch. Accompanying the team were their very own groupies, those parents and assorted sisters who for the last few weeks have performed various support functions, plus cheerleading roles. Meanwhile OM Coordinator Tom Larsen had driven ahead with the

Wayne Elementary team and a truckload of props and necessities for the competition.

Fresh from a smashing performance at the band dinner concert earlier that week, the team was wired for success, dear diary. Unloading at UW-Stevens Point produced only routine chaos, but you can't imagine our total consternation as we gazed for the first time at the stie where they were to perform. No auditorium with curtained stage setting, but rather a lecture hall with a 15'x8' platform. It crossed my mind that Bill and Horse (a major prop) hardly had grazing room much less space for other massive props and five performers.

Asked by one of the parents how the team was going to handle this logistical setback, I reassuringly replied that I had not the faintest idea, but that creative people do this sort of thing...and so they did. Later in the day it was unofficially reported that someone was detected sneaking into the various classrooms where the teams were assigned and scrawling on the blackboards: "KHS OM Creates It Better."

In OM competition, each team is given a spontaneous problem to solve on the spot, in addition to the presentation of their long range problem. The rest of the day is spent repairing props, making last minute changes, checking out the competition, pumping up the adrenaline and munching.

### Wired for Winning

The spontaneous takes only about ten minutes, with each team given the same problem... this one turned out to be something about naming as many lines as you can, e.g., fishing line, outline, starting line, "why don't ya come up and see me sometime." Points are given for common and creative answers.

After their spontaneous, they seemed fairly normal, dear diary, that is until we tried to find our way back to our headquarters building, which was only located next door! First they determined that the reason we couldn't seem to locate our assigned room was because we entered a different door; then it appeared that we were also on the wrong floor; finally the blue walls clued someone in that we were in the

wrong building. After this venture in creative navigation, I decided they were wired for anything!

Competition at state level is tough, dear diary. Six teams were vying in the "Great Art Lives" long range category. Kewaskum had chosen to replicate two of master artist Picasso's works, to create a third original work in his style and to bring to life the theme art in a ten minute stage presentation. Watching the other teams, pre-curtain jitters mounted and noise and confusion in the lecture room seemed to swell the walls. (A coach's observation).

This team's moving portrayal of the devastation of war as depicted in Picasso's Guernica was top notch, award winning, dear diary. Accepting Omscar at the awards ceremony later was gratifying...they had done well and they knew it.

Homeward bound, the team (minus one who rode back with parents) suddenly experienced a hunger attack which we promptly dealt with in appropriate fashion. The waitress must have recognized creativity

on the loose because she hurried us to a table away from other patrons. As I recall it, everyone behaved in a very mannerly fashion, but the only hard and fast rule was: "no nudity, no profanity and no live animals."

While dining, one of our team persons praised the team on "how terribly creative ya'll are" in her best southern-honeyed accent. As the very proud coach, I have to say, dear diary, she took the words right out of my mouth. As we were finishing, one of our group who had eaten at the restaurant before recommended that we try some of their homemade anise candy. This was the end, dear diary, or so I thought.

Driving home, saturated, fatigued, low key....someone spies a yellow school bus from a certain school district a few miles south of Kewaskum. Suddenly, creative energy abounds, the van's interior lights flash on and Omscar is seen dancing in the window as we slowly pass the yellow bus into the sunset. V for victory, dear diary.

# Holy Trinity Participates in 'Ye Old School House' Program

"School Days, School Days, old and golden rule days. Reading and 'riting and 'rithmetic... taught to the tune of the hickory stick!" These words took on a new meaning as students at Holy Trinity learned their lessons by way of the traditional methods of memorizing, reciting, copying and lecturing. Wednesday, April 16, culminated the event of the school participating in the Ye Olde School House program sponsored by Cedar Lake Home. Old pictures and Readers helped set the mood. Mrs. Isabelle Muckerheide shared scenes and articles from the past with the students in grades one, two and three.

Teachers and students dressed in the costume of the day. In the afternoon, teachers exchanged classes and became a guest teacher for the duration of the day.

Sister Phyllis reads a poem to students in grade four.

Mrs. Isabelle Muckerheide shared articles of the past with students in grades one, two and three.

"A free thinker is he who does not fear to go to the end of his thought."

## Nicole Gaffke is National Award Winner in English

The United States Achievement Academy has announced that Nicole Renee Gaffke has been named United States National Award winner in English.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes only 10% of all American high school students.

Nicole who attends Kewaskum Middle School was nominated for the National Award by Miss Margaret Smith, an English teacher at the school.

Nicole Renee will appear in the United States Achievement Academy Official Yearbook, published nationally.

She is the daughter of Mark and Carol Gaffke of 8601 Forest View Road, Kewaskum. The grandparents are Angeline Zacho of Kewaskum, Shirlee Gaffke of Fredonia and Raymond Gaffke of Blue-Eye, Missouri.

Your HEALTH TIP

from Tom Leitzke, R.P.H.

### LAXATIVE OVER-USE

People with persistent constipation should not make a habit of taking laxatives every day. Long term use of a laxative can make them even more constipated - continuous purging can also cause bowel problems requiring surgery. To prevent constipation, increase your fluid intake and add bran or whole grain cereal to your diet. Extra fruit, prunes, also help. For chronic constipation, consult your doctor.

Your better health is our concern

# Kewaskum CARES

by Joan Rosenberger

In an effort to acquaint the residents of Kewaskum School District with all of the schools in the district, histories have been given on Kewaskum Elementary and Farmington Schools. This month Beechwood Elementary is being featured. The Beechwood School District was formed in 1959 when the four small districts of Beechwood, North Beechwood, Independence and McKinley combined.

Four new class rooms were added to the old school in Beechwood and in the spring of 1952 grades one through eight totaling 125 children moved into the new building. Members of the school board were Raymond Klug, Leland Falk and Erwin Krahn. The teachers were Mmes. Kay Harrison, Cindy DePuis, Edith Rosche and Grace King. The 1952-53 school year was the first full year in the new building.

In 1962 the old school building which had been used as a kitchen, gym and storage area was demolished and two classrooms and a modern kitchen were added. Kindergarten classes were then offered. The planter and school bell in front of the school were dedicated to Mrs. Grace King in 1965. Mrs. King had been a teacher in the district for 16 years and the bell had been used at her school.

Beechwood residents voted to join the Kewaskum district in 1966 and become part of the K-12 system. From 1969 to '74 Beechwood and Farmington schools were operated as one unit with children from both areas attending kindergarten and grades 4 to 6 at Farmington and grades 1 to 3 attending Beechwood. From 1975 to the present time Beechwood has been a K-6 school.

Through the years residents of the Beechwood area have been very proud of their school and have been active supporters. Parent aides have helped with library duties, correcting papers, tutoring, and recess supervision. The PTO has conducted fund raising

events to purchase school equipment and books. Some of the donations made by the PTO are library shelves, \$1,000 worth of books, card tables, chairs, coat racks, an inter-com laminator, tape recorders, indoor games, playground equipment and landscaping material.

## School Notes

The fine arts are flourishing at Kewaskum High School. Last week more than 200 residents enjoyed a dinner concert sponsored by the concert and symphonic bands. Light classical music was on the bill of fare. The musical period ranged from the Renaissance to modern times. It is most impressive when one learns that the bands did not start working on the music until after the solo and ensemble contests in February.

The Swing Choir held a pig roast last weekend to help defray the cost of their trip to Chicago May 9-11 to compete in a swing choir festival. The festival will be held at the Ramada Inn at O'Hare.

Six works of art by Kewaskum students are among the 200 accepted for the Journal's annual art show. Congratulations to Lisa Krahn, Andy Medley, Mark Johnson, Ralph Trapp and Ken Miller who had two works accepted.

Colleen Alsberg also deserves congratulations for her award at the Northeastern Wisconsin Scholastic Press Association meeting in Oshkosh April 16. Colleen took third place honors for her cartoons in the school paper.

## In the Service

Air Force Airman 1st Class Victor B. Dobney, son of Harry A. and Jaqueline K. Dobney, of 1760 Stoney Creek Road, Kewaskum, has arrived for duty with the 376th Field Maintenance Squadron, Japan.

Dobney, an airframe repair specialist, is a 1985 graduate of Kewaskum High School.

## Holy Trinity Honor Roll Announced

The third quarter honor roll for Holy Trinity School has been announced. High honor roll is 3.5 - 4.0 grade average. Low honor roll is 3.0 - 3.4 grade average.

### GRADE 8

High Honor Roll — Steve Gerhartz, Melissa Webber.

Low Honor Roll — Tim Butschlick, Jenny Liegl, Alan Dirmeier, Paul Becker.

### GRADE 7

High Honor Roll — Kelly Sarauer, Steven Bodden, Kelly Rohlinger, Glenn Kirst, Matt Kuehn, Brian Dobke.

Low Honor Roll — Kristine Heisdorf, Jennifer Mitchell, Bridget Wagner, Terri Grahl, Kevin Ramthun, Scott Heller.

### GRADE 6

High Honor Roll — Jessica Rohrer, Nancy Neumann, Keith Butschlick, Joel Fleischman, Tammy Schmidt, Andrea Waala, Jim Becker.

Low Honor Roll — Teresa Anderson, Tina Bath, Brian Staehler, Kim Marx.

### GRADE 5

High Honor Roll — Jeff Dirmeier.

Low Honor Roll — Tony Knoeck, Tom Kuehn, Kim Sabish, Adam Laatsch, Willie Klahn, Brian Bruendl.

## Kewaskum Middle School Honor Roll

### SEVENTH GRADE

LOW — 3.0 - 3.4  
Kelly Berres, Traci Bindrich, Katie Boland, Angela Brath, Melissa Braun, James Dionne, Janel Flynn, Danielle Klein, Corey Krahn, Carrie Krause, Heather Kulcinski, Lisa Miske, Amy Redig, Becky Reis, Tammy Reis, Becky Reysen, Gerald Sese, Ira Sison, Joe Steier, Tracey Steinert, Jason Thull.

### SEVENTH GRADE

HIGH — 3.5 - 4.0\*\*  
Patti Aupperle, Stacey Betts, Brenda Behling, Tania Friedel, \*\*Nicole Gaffke, Pam Gauger, Erin Hein, Melissa Miller, \*\*Tammy Staehler, Laura Strancke, Tammy Troeller.

\*\*Indicates all A's

### EIGHTH GRADE

LOW — 3.0 - 3.4  
Kevin Bartelt, Brian Callahan, John Hazlewood, Dan Heisdorf, Regina Herman, Shelley Kasseckert, Jessie Koch, Dana Neuser, Anne Niver, Rich Radtke, David Schulz, Shelly Schuster, Tricia Schwartz, Angie Wink.

### EIGHTH GRADE

HIGH — 3.5 - 4.0\*\*  
Shelly Hug, Dawn Jandre, Tina Keller, David Kuphal, Becky Manthei, Michelle Marx, Eva Nowak, Jenny Oneska, Sara Pearson, Chris Ramthun, Suzie Rinzel, Kristina Schinker, Tim Schultz, Noel Stradtman, Tina Weddig, Lee Ann Winninghoff, April Wulff.

\*\*Indicates all A's

## XYZ CLUB SKAT RESULTS

The skat winners Wednesday, April 16, played by the Senior Citizens XYZ Club at the Legion Hall in Kewaskum were: Frank Kadinger, 24-5-19 net; Frank Sell, 14-1-13 net; Francis Gilboy, 13-2-11 net; Willie Blecker, Diamond Solo vs 4.

# LETTERS TO THE EDITOR...

## To The Editor:

I attended the April 22 school board meeting. What I heard left me speechless. The Director of Instructions was awarded a 7% increase in salary. What makes it so awesome is that she has only worked for the district 5 months and to receive a seven percent increase was unbelievable. The few people who were in the audience were as stunned as I was and speechless. In my opinion it was a last meeting railroad job why? When the Backus contract runs from Dec. 1st to June 30-1988. Why the big increase? Is that why Beechwood people are always the victim? In my opinion are Beechwood people paying for the big raises? Why are they always victimized to satisfy someone's ego? Public trust in a school board is a must, but we do not have that trust. Why was this done on a package deal? The last meeting of the old board. I take office April 28th. Do some board members have that big an income, so they can afford this? In my opinion some can't because Neal Weare voted no and Ron Theusch abstained. They wrangled over a few pennies about summer help for almost an hour, but the raises took less than five minutes.

An in my opinion the business manager got a raise too, because she had the money yet from last July. Now they tell you her wages stayed the same. Did they?

Now I want to go on to other things. Backus stated when questioned by a school board member whether the enrollment in the future would result in the middle school population going over the estimated capacity of 350 students? J. Backus reply was no, that the numbers would continue to decrease, due to declining enrollment. The projection by the state's is they will increase the next ten years. In my opinion, I believe the state. I also know she made more mistakes, call me if you want to know.

In closing I wish to thank everyone of you who voted for me and thank you for your vote of confidence in me. I do hope you taxpayers stay with me and help me in the up coming issues. I pray with "Gods" Help I will not let you down.

Thank you.

Clara Trapp

## TO THE EDITOR:

I would like to suggest that we Wisconsinites, Democrats and Republicans alike, support Gov. Tony Earl's re-election campaign. During his term of office he has proven himself to be knowledgeable, flexible, hard-working and a sound politician.

One of my special interests is the business community. Gov. Earl has taken many steps to improve our state's business climate. While there is still much to be done, new paths have been established and an attitude for recognizing business contributions and needs has been created.

Our system of government demands a general consensus in all things. The checks and

balances provide for evolutionary change rather than quick radical changes in direction. While frustrating at times, the system has proven itself. Gov. Earl understands the system, knows the people and is working in the long-term interests of both. He deserves our support!

## Editor:

The League of Women Voters has a long proud history of focusing election campaigns on the issues and helping voters get clear honest answers to their questions. Our public candidate forums give this opportunity to the electorate.

The League would like to acknowledge all 9,462 citizens of Washington County who voted for the candidates of their choice in the Spring election. 6,599 voters cast a "Yes Vote" in support of a county-wide library system.

The League of Women Voters of Washington County has gone on record in support of the county-wide library since April of 1981. After five years of actively working in support of this issue, you the electorate had your say in this democratic process. 70% voted "YES" for county-wide library service.

Now once again it will be up to the County Board to act on this issue. We trust the County Board will let the democratic process work by including funds for county-wide library in the 1987 budget, and also "Vote Yes." EDUCATION IS NOT EXPENSIVE, IT'S PRICELESS.

Thank you to all for your support.

The League is a non-partisan organization working to promote political responsibility through informed and active participation of citizens in government. League membership is open to all citizens of voting age. We invite you to join us.

Sincerely,

**Jacqueline Hansen**  
**President LWV of**  
**Washington Co.**

## To the Editor:

They plan career workshops, organize wilderness excursions, guide community projects, coach signing groups, host international visitors, and encourage girls to develop the planning and decision-making abilities that enables young women to meet challenges and to become competent, self-assured adults. They are the more than 300,000 women and

men who are today's Girl Scout leaders.

How can the community thank Girl Scout leaders for their important work? One way was to take part in the nationwide celebration of Girl Scout Leader's Day on April 22, 1986.

On that day, in honor of the Girl Scout leader, proclamations from government officials were read; and girls, families, and neighbors recognized their leaders in a variety of ways, from thank-you notes and parties to special service projects.

We invite you to join with us in extending your appreciation for the generous contribution the Girl Scout leader has made to our community, and to the more than 44 million individuals who have been members of Girl Scouts of the U.S.A. since its founding 74 years ago. Thanks to the Girl Scout leader, Girl Scouting continues going and growing.

Thank you Girl Scout leaders.

## Dear Editor:

Optimism is on the rise in the progressive camp of Washington County. The reason for our upbeat mood is the appearance of new faces on the County Board, as a result of the spring elections. The overwhelming victory of the concept of county-wide library service adds to our euphoria as well. The end result of these good feelings is high expectations that the Board will move on the issues we consider most important.

1. Countywide Library service heads up our wish list, as it has for some of us for the last 24 years. The referendum results demand swift action on the part of the Board. Breaking down the vote totals by supervisory district, it should be approved by a 25 to 2 count.

2. A renewed effort to effect a workable County incineration plan should begin as soon as possible. We all recognize that the capitalization costs of this project represents a tidy sum, and some townships will face a small increase in hauling expenditures. It is our view, however, that a system of this type is inevitable and it will

never be any cheaper than it is today.

3. Release the funds! The County Board is holding escrowed funds that should be released to the Washington County Humane Society. These monies are the excess dog license fees which are mandated by state statute to be given to the contracted pound in the County. Why this money has not been provided is known only to the Board. If it's a simple oversight, the Board should correct the error and quickly make this a dead issue, before it becomes a HOT issue.

The Democratic Party of Washington County believes a little incentive will help the County Board act on these issues we've outlined. It is proud therefore, to award this month's NUTS TO YOU award to chairman Rueben Schmahl on behalf of the entire Board. This is presented tongue in cheek to remind them that we are watching very, very closely.

Sincerely,

**Dennis F. Burnick**  
**Chairman, D.P.W.C.**

## Editor, Kewaskum Statesman:

I would like to take this opportunity to thank everyone who made the Citizen Advocacy annual dinner celebrating the program's 8th anniversary a wonderful success.

Over 83 people shared in the evening to recognize the accomplishments of Citizen and Self Advocacy and to participate in the third annual meeting of Citizen Advocacy as an incorporated program. It was very exciting to see people with disabilities and volunteer Citizen Advocates taking part as members in the decisions affecting the program.

Many volunteers helped make the evening happen, and we especially thank the West Bend Woman's Club and individuals for donations which made it possible for people to come to the dinner who would otherwise not have been able to. Shopko, Slesar Glass, Rewards, Inc., Bits and Pieces Floral, Arts 1 HR., Prescott's Shoprite, The Paper Factory and Country Keg also made donations which helped make the evening enjoyable. Our success in Citizen advocacy once again reflects the generosity and giving spirit of the Washington County community.

**Susan Moser**  
**Director**

## MARY E. RAASCH

Mrs. Mary E. (Marie) Raasch, 81, of 804 Memorial Drive, Kewaskum, formerly of Waldo, Wisconsin, passed away on Friday, April 18, 1986 at Froedtert Lutheran Memorial Hospital in Milwaukee.

She was born on February 26, 1905, in North Milwaukee to the late Ray and Maude Mason Myers. In 1945 she married Edward Raasch in Milwaukee. He passed away on September 11, 1957.

Survivors include two sisters, Mrs. Mildred Nowak of Kewaskum, and Mrs. Madeline Sammers of New London; one brother, Charles (Theresa) Myers of West Bend; one daughter-in-law, Vi Ertle of Grafton; three grandchildren; four great-grandchildren; nieces, nephews and friends.

One son preceded her in death. Services for Mrs. Raasch were held at Miller's Funeral Home in Kewaskum on Monday evening at 8 p.m. with Rev. Milton Staskal officiating. Burial was in the Pine Lawn Cemetery in Milwaukee on Tuesday at 10:00 a.m.

Visitation was at the funeral home on Monday from 4 p.m. to time of services.

## CHARLES A. KLUMB

Charles A. Klumb, of Minocqua, Wis. and Ft. Myers Beach, Fla. died Tuesday, April 15, at Lee Memorial Hospital, Ft. Myers, at the age of 72.

He was born Jan. 31, 1914, in the Town of Barton, and was a graduate of Kewaskum High School. He married Rosalie Chesak on June 19, 1937, at Holy Angels Church, West Bend.

After their marriage, they settled in West Bend where he was employed as a deputy sheriff for the Washington County Sheriff's Dept. for 15 years, retiring in 1977 when they moved to Minocqua.

Survivors include his wife; two sisters, Anita Kirchner of Kewaskum and Viola (Ed)

Endlich of Rockfield; one brother, Herbert of Kewaskum; two sisters-in-law; three brothers-in-law, and other relatives and friends.

Two sisters and one brother predeceased.

He was a member of the Wisconsin Deputy Sheriffs Association, and life member of the American Rifleman Association.

Memorial services were Wednesday, April 23, at 7:30 p.m. at Holy Angels Church, West Bend. Fr. Jerome Rinzel was the celebrant, and burial of the remains was in Holy Angels Cemetery.

The family met with relatives and friends in Holy Angels Church Hall immediately following the memorial service. Memorials to the American Cancer Society appreciated.

The Schmidt Funeral Home, West Bend, served the family.

## SCHOOL LUNCH MENUS

### HOLY TRINITY SCHOOL

Thursday, May 1 — Vegetable soup with crackers, cheese and meat lasagna, tossed salad with French dressing, rye roll and butter, apple pie, milk and coffee.

Ceramics every second Tuesday.

Every Tuesday of the month is card day anytime after 10:00 a.m. to dinner time.

## FOND DU LAC COUNTY NUTRITION PROGRAM FOR THE ELDERLY

Campbellsport Community Center

Monday, April 28 — Beef & green bean casserole, boiled potatoes, celery & carrot stix, sweet rolls.

Tuesday, April 29 — Turkey roll, gravy, dressing, peas & carrots, lettuce salad, chocolate pudding.

Wednesday, April 30 — Roast beef, gravy, mashed potatoes, mixed vegetables, jello mold, apple pie.

Thursday, May 1 — Beef stew with vegetables, boiled potatoes, pickled beets, cornmeal buns, applesauce cake.

Friday, May 2 — Tuna casserole, broccoli, cabbage slaw, baking powder biscuits, ice cream, cookies.

Coffee, 2% milk, bread and butter are served with meals. Special diets possible.

## BIG BROTHERS/SISTERS ORIENTATION MEETING

Big Brothers/Big Sisters of Washington County are holding an orientation and information meeting on Tuesday, Apr. 29, at 129 A. South 7th St., West Bend, at 7:30 p.m.

All those who would like to volunteer to learn more about the program are welcome to attend.

## Local Bridge Inspection, Posting Rule Will Go Into Effect May 1

An administrative rule goes into effect May 1 establishing a mechanism to ensure that local bridges are properly inspected, and that unsafe ones are either posted with weight limits or closed.

James S. Thiel, director of the state Department of Transportation's Office of General Counsel, said the administrative rule provides authority for counties to step in when local governments fail to act, and establishes that if the local governments fail to reimburse counties for doing the work, the amount will be deducted from their local transportation aids payments and given to the county.

Under the new rule, counties will be authorized to inspect local bridges, and to post load limit signs or to close local bridges that are structurally deficient whenever local

governments fail to do so.

Thiel said the administrative rule was adopted in response to a Federal Highway Administration review of state and local bridge inspection and posting programs. The review found 39 local bridges in the state that had not been inspected, and 886 that had not been posted with weight limits or closed, although they were physically incapable of safely carrying the legal loads.

Thiel said adoption of the rule ought to provide sufficient incentive for local governments to do their own bridge inspections and postings, but will protect the public safety in the event that they still fail to perform their duties.

## Canadian Wilderness Slide Show at UWWC

Dr. Wayne Schaefer, Assistant Professor of Biological Sciences at the University of Wisconsin Center-Washington County, will be presenting a Canadian wilderness slideshow on Monday evening, April 28, at 6:30 p.m. in the UWWC student lounge, 400 University Drive, West Bend.

Each year Dr. Schaefer travels to a remote fishing lodge in the Canadian wilderness. This year he will be escorting a group to a lodge located in the District of Kenora, north of International Falls, Minnesota, which is accessible only by float plan. The nine-day trip will run July 25 through August 2.

The slideshow is free and open to the public.

# 25 Years Ago

April 21, 1961

Latest changes at Regal Ware Inc., find the company's advertising department moving into the Schaefer building at 1245 Fond du Lac Avenue and the removal of the recently purchased Rose McLaughlin home to provide extra parking area for Regal employees. The Schaefer building, owned by Carl and Harry Schaefer, who formerly conducted a garage business in it, has been occupied for the past two years by Kewaskum Industries, Inc., manufacturer of parts for marine engines for the Kieckhafer Corp. This firm's machinery and equipment has been moved back to Oshkosh and Regal Ware will take possession of the building about May 1.

Plans are being made at Kewaskum High School for the 1961 Junior Prom to be held on May 12. The juniors chose Ronald Gross, king. He asked Carol Herriges to reign as queen. The court members are Robert Butzke and Carol Schladweiler, Homer Justman and Barbara Ehner, David Oppermann and Rosann Wertz, Terry Theusch and Joanne Beimborn, William Koepke and Mary Reindl, James Hummel and Joanne Jaeger, James Klahn and Mary Klug and Tom Spartz and Joanne Backhaus.

The Edward Theusch farm in the Town of Kewaskum, located about one mile north of the village, has been sold to Alvin Panzer of the Town of Auburn. Panzer sold his farm to Louis Lex of New Berlin.

Milwaukee Gas Light Company estimates it will take about three months construction time to complete the first year natural gas facilities in the Village of Kewaskum.

The senior class of Kewaskum High School will present "The Man Who Came to Dinner," a three-act comedy, on April 22. The cast includes Dennis Pillar as Sheridan Whiteside, with Carol Heberer, Helen Schaefer, Nancy Held, David Hanselman, Judy Ramthun, Richard Puerling, Bonnie Butzke, Jolene Miller, Carla Tanck, Robert Kroncke, Richard Cooke, Nancy Hirsig, Lawrence Gundrum, Claude Johann, Robert Skrentny, Gerald Stark, Verne Seifert, William Heberer, Kenneth Bales, Judith Oelhafen, Robert Berg, Donald Theusch, Alvin Zettler, Thomas Bartelt, Merrill Haug, John Boegel, Gerald Dreher, Gerald Buchel, Marshal Reysen, Patricia Eggert, Elaine Bruessel, Sharon Klein, Marlene Jung,

Catherine Herriges and Carolyn Kempf.

Mr. and Mrs. Earl Etta, Route 1, Kewaskum, have announced the engagement of their daughter, Duane Fern, to Normie Dogs, son of Mr. and Mrs. Peter Dogs, Route 1, Mayville.

Delia Oeder, 79, of the Town of Kewaskum, passed away on April 13.

Funeral services were held for Jacob Horning, 68, Town of Scott farmer who passed away suddenly on April 5.

Funeral services were held for Mrs. Henry A. Jansen, nee Meta M. Wiedmeyer, 65, Town of Barton, who passed away April 14.

Funeral services were also held for Alex Lubach, 73, Town of Scott farmer, who passed away at his home on April 5.

A daughter was born to Mr. and Mrs. Ronald Roth, Route 3, West Bend, on April 18. A daughter was also born to Sfc. and Mrs. Truman Johnson on April 6, at Fort Sill, Oklahoma. Mrs. Johnson is a daughter of Mr. and Mrs. Francis Koughl, Route 1, Kewaskum.

Sons were born to Mr. and Mrs. Merlin Dreher, Route 2, Kewaskum, and to Mr. and Mrs. Robert Scannell, Kewaskum, on April 17. A son, Scott John, was also born to Mr. and Mrs. Roger Bilgo, Milwaukee, on April 14. Paternal grandparents are Mr. and Mrs. August Bilgo, Sr. of Kewaskum.

# 50 Years Ago

April 24, 1936

The honor roll of the intermediate room of the Kewaskum School consists of: Lois Koch, Rachael Brauchle, Beatrice Hafemann, Shirley Backus, Marian Ramthun, Erhardt Schulz and Robert Brauchle.

The high school baseball team lost its opening game against Waldo on Wednesday. Both teams showed evidence of the earliness of the season. The lineup was as follows: C. Werner, lf; A. Uelmen, ss; E. Bartelt, c; K. Honeck, p; W. Prost, 2b; P. Kohler, cf; R. Pfenning, rf; F. Dorn, 1b; R. Marx, 3b.

In a modest but beautiful matrimonial ceremony at St. Paul's Ev. Church, Silver Creek, last Saturday afternoon, Miss Marcella Wilke, daughter of Mr. and Mrs. Emil Wilke of Route 1, Random Lake, became the bride of Reuben Krueger, son of Mr. and Mrs. William Krueger of Route 4, Campbellsport.

A baseball meeting was held by the local baseball club at Jos. Eberle's place last week Wednesday evening to organize for the 1936 pennant race. A large and enthusiastic group

attended, including several members of last year's championship team. The first business of the meeting was the election of officers. N. W. Rosenheimer was unanimously chosen president to succeed Dr. Leo C. Brauchle, who resigned due to other activities. All other officers were reelected as follows: vice-president, Carl F. Schaefer; secretary, Elwyn Romaine; treasurer, Arnold Martin.

The following students ranked high in good conduct in the primary room of the Kewaskum school: Lois Vorpahl, August Bilgo, Bernice Bunkelman, Gerhard Kaniess, Lizzie Lubitz, Jean Rosenheimer, Helen Bunkelman, Lois Klukas, Ray Schneider, Doris Mae Stahl and Betty Krueger.

# 75 Years Ago

April 22, 1911

Joseph Schmidt, proprietor of the Eagle Hotel, and who has conducted a hotel in this village for the past 17 years, has decided to retire from said business within the near future. The building will undergo extensive improvements, at which work has already commenced. The improvements are of a nature that the building is to be divided so that it will consist of two separate business places. The north half will be fixed for a printing office and flat, and will be the home of the Kewaskum Statesman. The south half will be remodeled for a saloon, living rooms and millinery store. An entire new front will be built in the south half. The insurance offices will be moved into the upper floor of the new bank building of the Bank of Kewaskum as soon as the same is completed. The north half of the building has been purchased by the proprietor of this paper. This course has been found necessary as the Statesman was compelled to seek new quarters, as the present quarters lacked the necessary floor space.

A new residence district will be platted in this village some time next week, when Moritz Rosenheimer will have the surveyor of West Bend here to plat out about five acres of his land. The district will be just off of Fond du Lac Avenue in the rear of his store. It will be known as Rosenheimer's First Addition. The addition after being platted will contain about 100 lots. Streets will be at once graded, trees planted and also some houses built.

The Village Fathers were out on a complete inspection tour last Monday afternoon. They found that considerable work is necessary to be done in order to get the streets in proper condition. Some of the work

Friday, April 25, 1986. Kewaskum Statesman, Page 16

found necessary is that Wilhelmina Street east of the railroad tracks should be graded. Most of the streets are to be overhauled either by graveling or coating them with crushed stone. The foot walk north of the brick yard bridge is to be completed.

Last Tuesday the H.J. Lay Estate and Adolph Rosenheimer made a real estate trade whereby Mr. Rosenheimer gave 20 feet frontage of his lot just west of the H.J. Lay Lumber office building for some land in the rear of his lot. The trade was made so that Mr. Rosenheimer would get a square lot on which the new bank building for the Bank of Kewaskum will be built.

Albert Ramel is busy excavating for his new house, which will be built this summer in New Fane.

H. Krahn of Beechwood is busy buying good cigars. The reason is that he is grandfather of two children, which were born last week — a girl to his daughter Lizzie, Mrs. Ed Berg of Cascade, and a girl to Mr. and Mrs. Ed Topper of the Dye Road. Next week is his son Paul's wedding.

A baby boy was born to Mr. and Mrs. Math Kohn on Tuesday.

Kerry Sauer, Linda Schulz and Phil Filber.

Tim and Keith Herman and David Schulz with Mrs. Filber supervising, shall be in charge of coordinating the sale of Kewaskum Dairy Days tickets.

Jim Schulz, one of our members, was presented with a \$100 scholarship to MPPI for winning the Environmental Awareness Judging Contest at Fond du Lac.

Paul Retzlaff offered to make arrangements for the June Dairy Window.

The next meeting will be May 13 at 7:30. The Baron and Dorschner families will serve the refreshments. Roll call for the next meeting will be to make a Mother's Day card for Grandma Koenig. We adjourned at 8:30.

Respectfully submitted,  
Philip Filber, Reporter

## KEWASKUM 4-H'ERS

The Kewaskum 4-H meeting was held on April 10, from 7:30-8:30, at the Savings and Loan.

The 4-H Pledge was led by Chris Holtz and the Pledge of Allegiance was led by Sue Burkhalter.

The secretary's report was read by Holli Etta. It was accepted by Laurie Horlamus and seconded by Katie Lauters.

The treasurer's report was read by Jean Holtz. Jenni Carron accepted it and Jason Liegl seconded it.

For old business, Michelle Schaub reported on bowling and Sue Burkhalter reported on volleyball.

For new business the Sock Hop is on April 18 at the Kewaskum Middle School from 7:00 - 10:00 p.m. you may bring along your records and cassettes with your name written someplace on it.

We elected our candidates for King and Queen of Kewaskum Dairy Daze, Bob Friedemann and Michelle Etta shall represent our club.

The refreshment committee for next month's meeting is the Friedemann family.

Jon Etta gave a speech on 4-H Club Congress.

The meeting was adjourned by Jenni Carron and Laurie Horlamus seconded it.

Reporter,  
Michelle Etta

## 4-H NEWS

### WAYNE CRUSADERS

The April 8 meeting of the Wayne Crusaders 4-H Club was called to order at 7:42 by President, Keith Bartelt. The pledges were led by Kevin Resch and David Schulz. Roll call for this month was to discuss items you were taking to the county fair.

The secretary's report was read and approved. The treasurer's report was also read and approved.

In old business we read the names of the people who participated in the Music and Drama Fest. A participation ribbon and a club certificate was awarded to them for their efforts. Special thanks were given to the directors, and to Mrs. Paul Ritger for making the costumes.

In new business we discussed another fund raising project. The club voted not to sell more first aid kits and to sell candy bars. Keith Bartelt, Linda Schulz and Mrs. Filber shall head this effort.

We congratulated the members who made it to the 4-H Congress. Those who will attend are Carla Anderson,

### Latchkey Children Are Safer at Home

by Joyce Albrecht  
Extension Home Economist

"Latchkey" children may be on their own after school, but some of their parents may have less to worry about than others. Depending on where unsupervised children go after school and also on how family decisions are made, latchkey children can stay out of trouble as well as children whose parents are home.

In a study of fifth through ninth graders in Madison, it was found there are three types of latchkey children — children who go home, children who go to a friend's house and children who "hang out."

Latchkey children who "hang out" are more open to pressure from their friends to do things like steal or vandalize than are unsupervised children who go to a friend's house, and these children are more easily influenced than are latchkey children who go home alone, the findings show.

Children who go home are more likely to spend their time doing things that won't get them into trouble, like homework or watching TV or taking care of a younger brother or sisters.

Being at home doesn't have to mean direct contact with their parents. Surprisingly, these children aren't more likely to call their parents when they get home, but they do say their parents know they are.

Two-thirds of the unsupervised children who go to a friend's house, and half of latchkey children who say they just hang out, say their parents don't know where they are. These children are less resistant to pressure to misbehave, according to the study.

How parents discipline their children in day-to-day matters can help keep children out of trouble. Latchkey children whose parents are "authoritative" are much better at resisting pressure to get into trouble. Authoritative parents involve their children in de-

isions about discipline, but keep control — they are warm and responsive, but also demanding.

Children from authoritative homes develop an internal control that buffers them against the ill-effect of lax after-school supervision. This link to parent's values and standards matters more when children are hanging out than when they are at home.

In other words, the less supervision a child gets after school, the more important it is for the child to be from an authoritative home.

The findings of this study are true for both boys and girls, but

clear links with parents helped girls resist pressure more than they helped boys, the study showed. Boys may be so easy to influence into antisocial behavior that where they are or how their parents behave with them doesn't matter as much.

There are positive steps that working parents can take to create and strengthen links with unsupervised children after school. Make sure they go home after school, and know where they are. Involve them in family decisions in a warm and responsive way, and be clear about your standards for their behavior.

## Congressman JIM SENSENBRENNER Reports

### LIBYA

I am sick and tired of watching terrorists use Americans for target practice. My family and I fly to and from Wisconsin on a fairly regular basis. It is an unbelievable day when we Americans fear for the safety of our families and ourselves merely because we are a free country. Possibly, the greatest sin of all is the invasion of our privacy and the restriction on our freedom of movement resulting from the measures necessary to protect ourselves from terrorists.

As you know, on Monday, April 14th, U.S. warplanes bombed targets in two Libyan cities in retaliation for the bombing of West Berlin club where an American soldier was killed and 230 persons injured of which 50 were Americans, and also to prevent future terrorist acts.

I strongly support President Reagan's actions. Once the "smoking pistol" of Col. Khadafy's involvement in the nightclub bombing was established, the United States had to retaliate. Otherwise, any U.S. businessman, tourist, or diplomat would have been a sitting duck for Khadafy. Unless terrorists know there is going to be a price to pay for acts of terror against Americans, the acts will continue to go on indefinitely.

Unfortunately, it is quite possible that there may be several more military exchanges before Khadafy gets

the message that his terrorist activity will not and can not be tolerated in the civilized world.

The question now remains what other measures can we take to prevent this type of terrorism from taking place? Recently I supported legislation authorizing a five year program to beef up security at U.S. diplomatic missions worldwide. In addition, this legislation sets up rewards for the capture of international terrorists, sets up a "most wanted" list of international terrorists and increases security at ocean ports and on U.S. vessels.

I have also cosponsored H.R. 4388, Terrorist Prosecution Act of 1986. This bill authorizes prosecution of terrorists who attack U.S. nationals abroad. Presently, there is no U.S. law with which to prosecute them.

While I strongly support the above pieces of legislation, it is unfortunate that we have to pass legislation like this at all. I believe President Reagan's recent actions in Libya will help deter terrorist activity in the U.S. and abroad in the future.

### Wickes Lumber to Purchase Kindt Home Improvement Centers

SANTA MONICA, Calif. — April 11, 1986 — Wickes Lumber, a Division of Wickes Companies, Inc., announced it has entered into an agreement for the purchase of the assets of The Kindt Corporation, a wholly-owned subsidiary of The Edward Hines Lumber Company.

Wickes Lumber is a leading supplier of lumber and other building materials and products for home remodeling and construction industries. Division headquarters are in Vernon Hills, IL, in suburban Chicago.

Kindt, headquartered in Lomira, WI, has nine retail lumber and home improvement facilities in Wisconsin. They are located in Menasha, Lomira, Sheboygan, Jackson, Greenville, Marshfield, Beaver Dam, Wausau, and Minocqua.

"The Kindt name is well known in Wisconsin, and Wickes Lumber is pleased to have the opportunity to continue serving the home improvement and building material needs of Kindt's customers."

With the purchase, Wickes Lumber will have 16 stores in Wisconsin. Existing facilities are located in Appleton, Beloit, Eau Claire, Elkhorn, Forest Junction, Green Bay and Rhinelander. Nationwide, the addition of the Kindt facilities would give Wickes Lumber 220 home improvement centers in 36 states.

The sale is expected to be finalized at the beginning of May.

### Birding Class Scheduled at UWWC

"Birds of Wisconsin" will be taught by Bill Volkert, naturalist and federally licensed bird bander, this spring.

The course will be held on four consecutive Thursday evenings starting May 1 from 7:00 to 9:00 p.m. in the University of Wisconsin-Washington County Main Lecture Hall. A series of four Saturday field trips beginning May 3 are also included in the course.

Classroom topics include bird identification, migration, behavior, nesting, and ecology. The field trips will be in the best birding areas within a short drive of West Bend. Car pools will be set up to view bird banding, owls, waterfowl, warblers, shorebirds, and other

related subjects.

"Birds of Wisconsin" is co-sponsored by the Washington County Cooperative Extension Service and the Kettle Moraine Audubon Society. Pre-registration is required by April 25 and is \$20.00 per person or \$35.00 per couple. For registration/information, contact Pamela Buchholz at 338-4480, 644-5204, or 342-2929.

### Scout Roundtable Rap-up Set for May 1

The Cub Scout and Boy Scout Roundtable Staffs of Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will host the annual Roundtable Rap-Up to be held Thursday, May 1, at John Long Middle School, corner of Fifth and Hickory Streets, Grafton. Check-in time is 6:30 p.m., and dinner will begin at 7 o'clock.

All adult Scouters from Ozaukee and Washington Counties (Cubmasters, Scoutmasters, Den Leader Coaches, Den Leaders, Webelos Leaders, their assistants, Pack and Troop Committee Members, Unit Commissioners) and their spouses are invited to attend.

Brats, buns, sauerkraut, coffee, punch and place settings for the Pot Luck Dinner will be furnished. A \$1.50 individual fee will be collected at the door and each family is asked to bring a dish to pass.

Leaders will be recognized, attendance awards will be presented, and fun gifts, skits and songs will be shared.

### Social Security Checks Earlier

Monthly social security checks which are normally delivered on the third of May will be delivered on May 2nd instead, according to Dave Becker, Manager of the West Bend Social Security office.

"Benefit checks are mailed early when the usual delivery date falls on a Saturday, Sunday or legal holiday," Becker said. "In these instances, the checks are dated and delivered on the first day before the third of the month that is not a Saturday, Sunday or Holiday."

Becker stated that this procedure helps reduce the problems that people have when they receive their checks and their banks are closed. These situations occur several times during the year, and Becker advised that SSA would provide similar information about future early check delivery dates as they occur.

## NEWS EXTRA...

### Higher Legal Drinking Age Reduces Fatal Accident Involvements of Young Drivers

Raising the legal minimum drinking age substantially reduces the number of young drivers involved in fatal motor vehicle crashes, according to the National Highway Traffic Safety Administration (NHTSA).

A recent NHTSA statistical analysis of 13 states that raised the minimum drinking age to 19, 20 or 21 shows a 13 percent reduction in fatal accident involvement among drivers affected by these law changes.

Applying the 13 percent reduction to the 44 states which had higher than 18 drinking age law in 1984 results in an estimated 700 lives saved nationwide during that year. According to the agency, if all states had a minimum drinking age of 21, an additional 400 lives could have been saved in 1984.

NHTSA Administrator Diane K. Steed said, "We welcome this news as further evidence of the benefits of raising the minimum drinking age. This important step, however, represents only one part of the solution to the tragic problem of drunk drivers on the nation's highways."

"Even if the drinking age of 21 were in force in all states in 1984, almost 20,000 lives still would have been lost in alcohol-related crashes," Steed said. "We need to continue to fight drunk driving at all levels, through a combination of solutions which include stricter state laws, improved enforcement, better public education and continued media attention."

According to the federal safety agency, drivers in the 18-20 year old age group have been disproportionately represented in fatal alcohol-related traffic crashes. Furthermore, the presence of different minimum drinking ages in adjacent states has created "blood borders," which have encouraged young persons to drive across state lines for access to alcohol. To counter these problems, President Reagan signed legislation in 1984 which strongly encourages states to adopt a minimum drinking age of 21. The federal law requires the withholding of a portion of federal highway funds from states without such law by Oct. 1, 1986.

Fifteen states have adopted age 21 drinking laws since the signing of the Federal law, resulting in a total of 38 states which have established age 21 as the minimum legal drinking age.

A recent study conducted by the Insurance Institute for Highway Safety also concluded that raising the legal minimum drinking age reduces fatal crash involvement for young drivers.

A single copy of the NHTSA study, "Effect of Raising the Legal Drinking Age on Driver Involvement in Fatal Crashes: The Experience of 13 States," may be obtained from the National Center for Statistics and Analysis NHTSA, NRD-31, 400 7th St. SW, Washington, D.C. 20590. A self-addressed label should accompany the request.

It's said that the frankfurter was first made in Germany during the Middle Ages.

## Indian Girls Win Easily Over Two Rivers, Chilton

The Kewaskum Indian girls track team won two conference victories by one-sided scores the past week, defeating Two Rivers at home last Tuesday, 83-49, and Chilton there on Thursday, 89-34.

Their outdoor win over Two Rivers was the first of the season and also their first ever over the Raiders. The meet took place on a very cold day.

Darlene Luedtke scored 13 points on two firsts and a second place and she also anchored the 400 meter relay to a victory. Luedtke won the 100 meter dash and the long jump and placed third in the triple jump.

The Indians swept both the 100 mile dash and the long jump, outpointing Two Rivers 18-0 in these two events.

Lisa Fusek also was a double winner with firsts in the 200 meter dash and high jump. In the latter she finished in a tie with Amy Kougl. Fusek also ran on the winning 400 meter relay foursome.

Brenda Vetter had a 1:05 in the 400 meter run, winning over teammate Sherri Batzler, who ran a personal best of 1:06.8. Vetter also anchored the final 1,600 final relay to a first.

Amy Spaeth won the 300 hurdles and sophomore Ellen Kuphal did a good job behind her, taking second.

Three freshmen also showed good potential. Debbie Donath took second in the 200, Lisa Krahn was second in the long jump, and Lisa Chimelewski the

runnerup in the 800.

**Kewaskum places — 100 mt. hurdles - 2. Kapp; 100 mt. dash - 1. Luedtke, 2. Kougl, 3. Kassekert; 400 mt. relay - 1. [Kougl, Fusek, Goeden, Luedtke] 55.0; 1600 mt. run 2. Murre; 400 mt. - 1. Vetter, 1:05.0, 2. S. Batzler; 800 mt. run - 2. Chimelewski, 3. Murre; 300 mt. lows - 2. Kuphal; 200 mt. dash - 1. Fusek, 2. Donath, 3. Pesch; 3200 mt. run - 2. C. Batzler; 1600 meter relay - 1. [Batzler, Murre, Pesch, Vetter], 4:39.3; High jump - 1. Fusek and Kougl [tie]; Long jump - 1. Luedtke, 2. Krahn, 3. Kassekert; Triple jump - 2. Luedtke, 3. Kassekert; Shot put - 1. Hintz, 3. Padden; Discus - 2. Yearling, 3. Hintz.**

**Kewaskum 89, Chilton 34**  
On Thursday, in Kewaskum's 89-34 win at Chilton, the Tigers had only 13 girls on the squad, only a couple of whom are quite good.

Luedtke lowered her 100 meter time again to 13.6 and Jodi Yearling narrowly missed the 100 foot mark in the discus.

Luedtke and Amy Kougl were double winners, and triple if their participation in the relay races are figured in.

None of the other times and distances were too impressive.

The victory brought the Indians' conference record to 2-1.

Kewaskum took first in every event but the 1600, 800, 200 and 1600 relay, and also swept most of the events.

## Boys Lose in Tennis to Kohler, Sheboygan Falls

It was a cold and windy day last Tuesday but Kewaskum and Kohler got their tennis match in here just the same, with the Blue Bombers coming out on top, 5-2.

The only Indian winners were Craig Hubbell, who was victorious in two quick sets over Dave Hoekstra, 6-1 and 6-1, and Wade Jepsen, who at No. 5 singles in pro set competition.

Kohler won handily in the other matches, except No. 2 doubles where Mitch Gebheim and Dennis Johnson lost a pair of 4-6 sets.

The Indians traveled to Sheboygan Falls Thursday for their conference opener and were defeated by the Falcons, 6-1.

Hubbell took a close match at No. 1 singles but Kewaskum didn't have a win after that. Hubbell, a sophomore, (now 2-0), beat Todd Vorachek, winning the first set, 6-4, and then 7-2 in a tiebreaker to cap a 7-6 set.

At No. 1 singles, Tom Ladwig and Joe Hynst lost the third set 9-11 in the tiebreaker after it had gone to 6-7.

The Indian JVs won their match.

### HON-E-KOR LADIES OPENING DINNER

The Hon-E-Kor Ladies Association opening dinner will be held Wednesday, May 7, at the Hon-E-Kor. Cocktails will be at 6:00 p.m. with dinner following at 7:00 p.m. Please call for reservations at 626-2520 before April 30.

Anyone interested in joining the Hon-E-Kor Ladies Association is welcome to attend.

## Spring Conservation Rule Hearings to Be Held Statewide Apr. 28

Wisconsin citizens are encouraged to attend the annual conservation rules hearings to be conducted by the Department of Natural Resources this year at 7:30 p.m., Monday, April 28th, in each of Wisconsin's 72 counties.

The hearings offer the public an opportunity to discuss and vote on fishing and hunting rules changes being considered by the Department. Also, advisory questions from the department and the Conservation Congress will be discussed and voted on. In addition, persons attending the hearings may submit proposals for consideration relating to fishing and hunting regulations and natural resources management. DNR personnel will be on hand to answer questions.

At this year's hearings, a 10-minute slide presentation will explain deer management used in Wisconsin and will discuss the process used by the Department of Natural Resources in establishing population goals for each unit and how they relate to the number of hunter's choice permits issued.

The hearings also provide a forum for the election of delegates from each county to the Wisconsin Conservation Congress. The Congress, comprised of three delegates and two alternates from each county, serves as a citizen's advisory to the Natural Resources Board. Eligible candidates include any adult resident of the county who is not employed by the Department of Natural Resources or a member of the Natural Resources Board.

Conservation Congress County Hearings in this area will be held at the following locations: Dodge County — City Hall, Horicon; Fond du Lac County — Moraine Park Tech. Institute, Room A106, Fond du Lac; Ozaukee County — Niederkorn Public Library, 316 W. Grand Ave., Port Washington; Sheboygan County — Sheboygan Falls High School Cafeteria, Sheboygan Falls; Washington County Lecture Hall 201, UW-West Bend, 400 University Drive, West Bend.

## Heimerl Again Heads Rock River Baseball Oldtimers

Retired, veteran Rubicon home talent baseball manager Carl Heimerl, Jackson, was reelected Saturday to his third term as president of the Rock River League Oldtimers' Association.

Incumbents Vice-Pres. Rube Schuster, Theresa, and Sec.-Treas. Bud Bellon, Horicon, also were reelected at the association's annual business meeting for all members at Dodge Center, Horicon.

Names of the late Dr. Mike Ries, Brownsville, and Ray Schilling, Horicon, who had been on the league's Hall of Fame ballot, were removed and nominated for the Posthumous Hall of Fame.

They joined two previous nominees, the late Elmer Hackbarth (Lebanon team) and Herb Jeché (Hustisford). Members present then awarded the Posthumous honor to Hackbarth, who will be enshrined on Oct. 18. One of the other three will be chosen next year.

Fritz Lautenschlager (Theresa) and John Kling (Rubicon) were added to the regular Hall of Fame ballot to make up the 12 nominees in the Oldtimer's election by mail next month.

The top six elected will be inducted at the association's 7th Annual Hall of Fame Dinner rescheduled for the Mayville Golf Club on the Oct. 18, Saturday night, date.

Rock River League Pres. Elmer Marks, Watertown, reported that an old timers' game will be played at Juneau on Saturday, June 28, at 5:00 p.m. as part of the program dedicating the baseball complex to the late Eddie Joss, a Juneau native and member of the Wis. Athletic Hall of Fame.

Any former ball player is invited to participate by contacting Paul Duffy, Juneau, at 386-4639 after 4:30 p.m.

Rock alumni Heimerl, Kling and Dave Gourlie, Madison, have already indicated that they will compete.

### WOMEN'S LITTLE FIVE Lighthouse Lanes

Joan Meilahn, Sec. FINAL

Dave's Repair Shop 137 points, Enright's Tap 125, Sentry Food 120, Shoey's Brown Jug 120, Ponderosa 118, Lehn Catering 116, Three R's 115, John's Country Inn 107½, Valley View Tool & Die 105, ke's Repair Shoppe 101½, Royal Neighbors 94, Barrel Haus 85.

Ceil Kroll 501 series, Sharon Petermann 501 series.

## Honeck to Be Inducted Into Lakes Hall of Fame

Two former Land o' Lakes baseball players, from this area, Kilian "Killy" Honeck, a pitcher from Kewaskum, and Irv Holzhueter, a second baseman from West Bend, are among the five who will be inducted into the league's Hall of Fame on Wednesday, April 30.

Others to be inducted at the 28th annual Old Timers' Banquet at Marchese's Dancehall, Sussex, include: Lester "Buck" Reimer, a pitcher from Lannon; Dave Weber, a third baseman from Merton; and Jim Wenzel, a first baseman from East Troy.

In addition to being good players in the league, all five ended their careers as managers, directors or officials of various teams. Honeck also was involved in Lakes basketball in the late '40s and early '50s as a player and manager.

John Engelbert, a columnist from the Waukesha Freeman, will be the main speaker, and Ted Mallow, Hartland Hall of Fame, will act as toastmaster.

## A.L.S. Run at UWWC Saturday

The public is invited to participate in the University of Wisconsin Center-Washington County's 6th Annual ALSSOA Run, Saturday, April 26.

Amyotrophic Lateral Sclerosis (A.L.S.) is a disease characterized by the degeneration of the motor cells in the spinal cord and the brain. This process leads to paralysis and, eventually, death. Also known as Lou Gehrig's disease, A.L.S. affects many people throughout the country.

All proceeds for this run go to ALSSOA (Amyotrophic Lateral Sclerosis Society of America).

The 2 & 5-mile runs begin at 10:30 a.m. (There will be no 10-mile run this year). Both runs begin and end on the UWWC campus. Trophies, medals and ribbons will be awarded to 1st through 7th place finishers. There are seven age divisions including two youth divisions.

For more information call 338-5201.

### QUEEN Hits League Kathy Rohlinger, Sec. Final

Bauer Spraying 58½-31½, Everglades 55½-34½, Barney's Bar 53½-36½, Newsettes 53-37, King Pin 52½-37½, Kathy's Tap 50½-39½, Dundee S & G 49½-40½, Marine Bank 44½-45½, Robbie's 44-46, Johann Plumbing 43-47, Tippel Inn 41½-48½, Baumann Bus 41-49, Herman's Const. 40-50, Les & Arlene's 33-57, Laurie's 31-59, O'Brien Bros. 29-61.

**Highlights:** Darlene Sabish 202-221-580, Janet Serwe 545, Julie Theisen 539, Carol Dornbrook 205-528, Sharon Baumhardt 524, Bev Rohlinger 517, Darlene Adelmeyer 516, Joan Bassill 208-504.

## Lakes Michigan, Superior Fishing Rule Is Clarified

Anglers who fish in Lakes Michigan or Superior are advised that the number of hooks, lures, or baits they may legally use to fish with has been changed.

The change is not stated correctly in the Department of Natural Resources' 1986 fishing rules pamphlet that was recently issued to the public, says Hal Schwenn, fishing regulations specialist in DNR's Bureau of Fish Management.

"The DNR's fishing regulations pamphlet incorrectly states that anglers fishing in Lakes Michigan and Superior may use up to two lines with up to two hooks, lures or baits per line," Schwenn said.

That regulation was changed last year to make hook number restrictions uniform in all state waters for the first time, he said.

"Now, current regulations allow each angler fishing on all state waters, including the Great Lakes, to use a total of three baits, lures or hooks," Schwenn said. "This regulation applies year-round, whether anglers fish through the ice or in open water."

In summary, Schwenn said each angler may fish with a total of three baits, lures or hooks on any inland water, on Wisconsin's boundary waters with Michigan, Minnesota and Iowa (including the Mississippi River), and on outlying waters (Lake Superior and Michigan). Schwenn added that a treble hook is considered a single hook.

Schwenn also said that anglers should note two other errors in the pamphlet: (1) trout fishing seasons and bag limits for Trout Creek in Iowa County should read: January 1 through May 2 — 2 trout in total, and May 3 at 5 a.m. through September 30 — 3 trout in total; and (2) anglers may fish year-round in the Black River from the dam at Black River Falls, Jackson County downstream to the Mississippi River.

### THURSDAY NIGHT HOT SHOTS King Pin Lanes Joan Meilahn, Sec. FINAL

King Pin Lanes 116 points, Fred Beede Ins. Ag. 114, Nichol's Mini Charter 108, Doyle Construction 107½, Kewaskum Saloon 107½, Golden Shear 106, Schrauth Builders 92, Gourmet Delights 89.

**Highlights:** Diane Piwoni 521, Janet Serwe 519.
