3 Bids for Kiwanis Park Shelter Construction

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board opened three bids received for the construction of a new multi-purpose shelter building to be built at Kewaskum Kiwanis Park.

Eagle Construction of Kewaskum submitted a bid of \$66,150.00, W-B Corporation, West Bend, \$68,000.00, and JBJ Construction, Menomonee

Falls, at \$68,832.00.

The bids were turned over to the village's consulting engineers, Ruekert and Mielke, who will review them and make a recommendation to the board at its next meeting.

Approximately one-half of the building's construction cost will be paid for with money pledged by the Kewaskum Kiwanis Club.

Re-zoning Recommended for Timblin Apartment Project

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Plan Commission, Tuesday night, reviewed a petition from Tom Timblin for the re-zoning of a 1.41 acre parcel of land from R-1, single family residential, to R-4 multi-family, for the purpose of constructing two, eight-family apartment

buildings west of the Kewaskum Mall Shopping Center, on Timblin Drive.

The commission's recommendation that the village board approve the petition will be passed on to it at its next meeting. A public hearing on the request has been scheduled for June 16th.

Town Roads South of Kewaskum May Be Closed

Work Progressing on Completion Of West Bend By-Pass North

The last contracts for the completion of the West Bend By-Pass, between Paradise Drive and Friendly Drive north of CTH "D", have been started.

The contract for the gravel base was let to Michels Pipe Line Construction, Inc. of Brownsville, Wisconsin, for \$96,631.40. The concrete paving will be done by Roddie E. Beaudoin & Son Company of Menomonee Falls, Wisconsin, for \$1,773,161. The marking and signing will be done by Timme, Inc. of Endeavor, Wisconsin. Their bid price was \$86,528.

The work will consist of completing the grading and landscaping and placing the gravel base. Then the 5-mile long project will be paved with P.C. Concrete.

Financing on this portion of the work will be shared approximately 75% by the Federal government and 25% by the State of Wisconsin from funds provided primarily by gas taxes. CTH "D" and USH 45 south

of Kewaskum will be kept open to traffic at all times but Light House Road and Friendly Drive may be closed for the minimum time necessary to complete their construction. Traffic is urged to use caution in the construction zone.

It is anticipated that the project will be completed in October.

Legion Places 220 Flags on Vets' Graves

This year, the Robert G. Romaine American Legion Post 384 of Kewaskum placed 220 flags on veterans' graves in 13 cemeteries around the area. The names and flags were given to the post by the Washington County Service Officer.

If any veteran's grave was neglected this year, please give the name and location to the Washington County Service Officer, so that a flag can be placed on it next year.

Committee Reviews Proposed Bus Transportation Contract

By GERRY MUELLER
Statesman Staff Writer

The Finance-Transportation Building and Grounds Committee went over the final draft of a transportation contract for busing which will be presented to the Kewaskum School Board for approval at its next meeting.

District Administrator Penny Kleinhans reviewed several language changes which were made in the contract to bring it up to date and give the district more control over some items such as route scheduling.

Along with its recommendation that the contract proposal be approved, the committee will also recommend that the contract be let out for bids, and the length of the contract be negotiated on a three-year basis. Committee member Jack Theusch felt a multi-year contract would be beneficial to both the district and carrier since they would know where they stood for a while rather than having to negotiate every school year.

Because of the language set forth in the new proposal, there are provisions for changes to be made if any become necessary.

Kleinhans was asked if any other carrier had shown an interest in bidding on the contract. She said there had been one informal inquiry from another carrier but no there had been no specific discussion, since at the time it still had not been decided if the contract would be put out on bids.

In reviewing other agenda items, Buildings Superintendent Fred Boehlke informed the committee he had contacted Village Administrator Dan Schmidt about the possibility of having some school district parking lot repairs done in conjunction with village street repairs in order to get more favorable prices. Boehlke said he would have the prices by July, with work to be done in August and completed before school begins.

Boehlke also told the committee he would be getting bids on the Kewaskum

Elementary School roof repairs by June 24th. Kleinhans indicated she was a little concerned about the late date for receiving bids, however, Boehlke said the bid request specified the work must be completed by September 1st.

Business Manager Cherna Gorder brought up her recommendation that the district consider purchasing its own phone system rather than continue service on a rental basis at a cost of approximately \$6,000 a year. She felt that after about four years, a purchased system would be paid for, reducing the district's cost substantially to just maintenance.

Gorder had made the same recommendation last year but, because of budget cuts, the plan was dropped. At that time, she had received two quotes for purchased phones, General Telephone at \$17,000, and Landvatter at \$25,000. That cost would be spread out over four or five years. Another option would be to purchase the

system outright, eliminating interest costs.

Chairman Perry Ankerson said his committee would not pass on any recommendation to the board, but instructed Kleinhans to place the item on the next school board agenda for discussion. He also asked Gorder to look into maintenance contract costs and what the district's repairs had been over the last four years.

The committee will also recommend the School Board approve a request by the Senior Class to do some landscaping at the High School which would include the planting of four trees.

Ankerson thanked the members of his committee, Carol Connor, Jack Theusch, Tom Brigham, and Kim Peterson for their work over the past year. With the election of school board members, new committee assignments will be made for the coming year.

'Hands Around Farmington'

On May 22, Farmington Elementary School lent their hands in doing what they could for the hungry and homeless in America. For a week the students collected various food items which were donated to the Farmington Area Food Pantry at a "Hands Around Farmington Program." Money they collected was sent to the "Hands Across America National Organization."

The staff and the student body sang several songs which sparked their enthusiasm for this hunger drive. Among the songs were, "God Bless the USA," and original song "Hands Around Farmington" and "We Are the World." Associate professor of music, Mr. Pete Ayer, accompanied by his guitar, led all present in "The Battle Hymn of the Republic" and the Star Spangle Banner."

Adam Pilachowski, a sixth grade Farmington student, read his very moving essay on what

the Statue of Liberty means to him.

The program concluded outdoors where a circle of friendship was formed. Everyone joined hands and sang, "America the Beautiful" and "Hands Across America."

Seefeldt Candidate For Re-Election As County Treasurer

Fredric A. Seefeldt, Washington County Treasurer, today announced that he is a candidate for re-election. Seefeldt, a Republican, is seeking his fourth two year term as county treasurer.

In declaring his candidacy, Seefeldt said: "As County Treasurer I am pleased to report to the people of Washington County that 1985 marked the seventh consecutive year under management that total earnings from the operation of the treasurer's office topped the \$1 million mark."

"As county treasurer I am responsible for the collection of postponed and delinquent real estate taxes and I serve as the county's cash manager and investment officer. Constant monitoring of cash balances and the investment of funds not immediately needed have contributed some \$7.7 million in investment income over the past seven years," Seefeldt stated.

"Each dollar of investment income generated by the county treasurer is in effect a dollar of tax relief, for it means that one less dollar has to be raised from the property tax," Seefeldt explained.

"In addition, I have introduced new procedures to improve the operations of my office. Special computer programs have been written to generate individualized statements to aid in the collection of delinquent taxes. Since 1983, I have added two sites for the collection of postponed taxes in July. One day each is spent in Germantown and Hartford to serve taxpayers from those areas," Seefeldt said.

"I continue to work with delinquent taxpayers and have set up monthly payment schedules to enable many of them to pay off their back taxes. The result has been that any foreclosure action by the county has been averted and past due accounts have been paid," Seefeldt stated.

A native of Washington County, Seefeldt is a graduate of the Kewaskum Public Schools and now resides with his wife and family in West Bend.

He received his Bachelor of Arts degree with honors from Lakeland College, Sheboygan, in 1960. He also holds a Master of Divinity degree from the Lutheran School of Theology at

Chicago.

Seefeldt is a licensed insurance agent and president of the A. H. Seefeldt, Inc. agency. He is also a tax practitioner and manager of a tax preparation service.

The present treasurer is a member of the Wisconsin County Treasurer's Association; the board of directors, West Bend Chapter, American Red Cross, the Voluntary Action Center of Washington County, Inc.; the West Bend Rotary Club and the Washington County Republican Party.

The primary election will be held Tuesday, September 9, 1986 and the general election, Tuesday, November 4, 1986 for

all partisan posts, including county treasurer.

County Sheriff's Dept. Participating in C.A.R.E. Traffic Enforcement Program

In a move to try to reduce Wisconsin's traffic accidents by at least 10%, the Washington County Sheriff's Department is participating in the 1986 C.A.R.E. (Concentrated Accident Reduction Effort) program. This is a federally funded program with grants provided by the Wisconsin Department of Transportation Office for Highway Safety.

Washington County is joining 21 other counties in an effort to reduce rural traffic accidents on highways which have high accident rates. This year's program will run from May 23 thru December 31, 1986. Washington County highways targeted for increased traffic law enforcement effort will be:

- US 41 (from US 41 to CTH W).
- STH 33 (from US 41 to CTH Z).
- STH 144 (from US 41 to STH

33). Motorist can expect to see more sheriff's deputies on these three (3) highways, who will be specifically concentrating on traffic law violators. This, in turn, frees the other deputies for additional patrol efforts in other areas of the county.

The Wisconsin Office for Highway Safety reported that the 1985 C.A.R.E. program was the most successful traffic safety program to date. The reduction of fatal, personal injury and property damage accidents on C.A.R.E. targeted highways during 1985, resulted in a 40.6% decrease in economic loss during 1985.

We hope this additional traffic law enforcement will make all Washington County highways safer for motorists.

ASCS Now Accepting Acreage Reports for Wheat, Seed Grains

The Wisconsin ASCS Offices are now accepting acreage reports for all wheat and feed grains. The deadline for certifying these crops is July 15, 1986.

All farmers should file an acreage report whether they are participating in the 1986 commodity programs or not. Acreage reports are used to determine program compliance and document the crop acreage for establishing future crop

acreage bases. The 1986 crop year program was an example how many farmers who had never seen the inside of an ASCS office before, came in to apply for the 1986 program and had no cropping history established, causing long waits while ASCS staff searched through the farmers' evidence of cropping. A few minutes to certify each year will eliminate all that extra work for farmers and ASCS alike.

and Farmers who comply with this year's commodity program provisions will be eligible for price support loans, deficiency payments and other benefits. Farmers who are not participating this year could benefit by certifying their planted acres because it documents crop acreages for future programs. Call your county office for further information.

Other important dates for participants are:

June 1 — Final date to establish cover on ACR acreage.

August 20 — ACR may be prepared for winter wheat.

October 1 — ACR may be worked after producer requests in writing and the County Committee approves.

Kewaskum Newspaper
Kewaskum, WI 53040

Dear Sir:

I am Samuel Orlando Ortiz, an American Field Service (A.F.S.) student. I lived in Kewaskum for one year and attended Kewaskum High School. I did not have a chance to say thank you to all the people there. So I want to ask if I can place a note in the newspaper to thank the people in the Kewaskum community. I would also like to say hello to my friends and teachers at Kewaskum High School.

Sincerely,

Samuel Orlando Ortiz

Tripoli Shrine Parade in West Bend Saturday

Illustrious Potentate James L. Stocking of Tripoli Shrine of Milwaukee has announced that the Tripoli Shrine will be coming to West Bend, on May 31. Tripoli will be holding a ceremonial on that date hosted by the Washington-Ozaukee Shrine Club with President Brian R. Mayer as chairman.

What are Shriners? All Shriners are Masons with a common bond, the worlds greatest philanthropy, that of helping crippled or burned children.

In 1870 several Masons met in New York City and decided to form a new fraternity. On September 26, 1872, twenty-three (23) Masons chartered the first Shrine in New York called MECCA, and in 1875 started the second Shrine in Rochester, New York. By 1918 the Shrine had grown to ninety (90) Shriners including those in Honolulu, Mexico City, Canada and the Panama Canal Zone.

In 1920 Freeland Kendrick,

Imperial Potentate elected for the then 363,744 Shriners introduced a resolution to establish the "Shriners Hospital for Crippled Children."

The first hospital was opened in 1922 in Shreveport, Louisiana for crippled children. Today the Shriners operate 19 orthopedic hospitals and 3 burn hospitals throughout the United States, Canada and Mexico. All of these services are offered to all children, no matter what their race or religion or nationality, at no charge to them, or their families, or any third party. No tax money, insurance money or funds other than those raised by the Shriners go to support the world's greatest philanthropy, that of helping crippled or burned children. With this in mind remember "strong legs run that weak legs may walk."

On May 31, 1986 at 3:00 p.m. join the Tripoli Shrine on parade down Main Street in West Bend, with all Tripoli units on parade.

PLAN VISTA FESTIVAL FOR SUNDAY, JUNE 1

The 20th annual Vista Festival will be held on Sunday, June 1, from 11 a.m. to 6 p.m., at The Vista, located one mile north of Dundee on Vista Drive, to raise funds to support recreational, spiritual and educational activities at the camp.

A swiss steak dinner will be served, and brats and hamburgers will be available all day. In addition, there will be games, crafts, refreshments, prizes and a flea market. Live music is scheduled from 2 to 6 p.m. For more information, contact the Rev. Joseph Fischer at The Vista, phone 477-4442 or 533-4258.

VOLUNTEERING: It Doesn't Cost, It Pays!

This is a partial listing of opportunities available to you if you're interested in volunteering your time/talents. If one of these descriptions looks especially rewarding to you, give us a call and we'll start the introduction! If you are unsure about what area you'd like to get involved in or are concerned about what your skill level is, please stop in at the Voluntary Action Center and we'll work together to find a rewarding "volunteer experience" for you. All that's really required is your interest! The Voluntary Action Center is designed to match the needs of the community to the individual volunteer's time and talent. We aim to help you, help yourself AND others! Call 338-8256 for an appointment.

BLOOD CENTER GREETER: This volunteer opportunity includes many tasks: greet and register persons who will be donating blood, schedule future appointments, serve refreshments. HOURS: 11:30 a.m. - 2:30 p.m. or 5:30 p.m. - 7:30 p.m. on Wednesday and/or Thursdays. Is this something you'd like to do? Call us!

RECEPTIONIST: Looking for work experience? Here's an opportunity that can help you by giving you "on-the-job" experience or helping you "tone-up" your receptionist/clerical skills. Hours: Tuesday evenings 5-7 p.m. or Wednesday morning 7:30-11:30 a.m.

HEALTH ROOM AIDE: Hartford schools are in need of adults who are willing to take some Red Cross training and become active as an aide in their health room. HOURS: one half-day or one full day per week. This is an important need!

IS YOUR TIME FLEXIBLE OVER THE LUNCH HOUR? Would you like to assist someone else in receiving a warm lunch? Volunteers are needed to deliver meals to shut-ins over the lunch hour. There's no heavy lifting involved and you'll get a warm feeling too!

LOOKING FOR SOMETHING TO FILL THOSE EVENING HOURS AT HOME? Here's an excellent way to help

Attends Insurance Seminar at Wausau

Marlene E. Garbisch, Insurance Coordinator, Washington County Courthouse, West Bend, recently participated in a business insurance seminar at Wausau Insurance Companies' Westwood Training and Conference Center, Wausau, Wis.

Designed as a service for insurance buyers, the seminar covered such areas as the insurance contract, workers compensation insurance, liability insurance, claim handling, employee benefits and loss control.

Approximately 40 representatives from the national insurance firm's policyholder companies attended the seminar, which was conducted by Wausau Insurance specialists. The business insurance seminar is one in a series of educational programs designed by Wausau Insurance to meet the needs of its policyholders in business and industry.

Rites Held for Joseph Schwind

Joseph H. Schwind, 76, a 51-year resident of Kewaskum, passed away at St. Agnes Hospital in Fond du Lac on Wednesday, May 21, where he had been a patient for 3 weeks.

He was born on May 9, 1910, in the Town of Greenbush, Sheboygan County, to the late Nicholas and Mary Mueller Schwind. On November 21, 1936, he married Renetta Becker in St. Michaels.

Mr. Schwind was a retired employee of Regal Ware Inc. in Kewaskum, having been employed there for 30 years. He was a member of their 25-Year Club, a member of Peace United Church of Christ in Kewaskum, served on their consistory for three years, was a Kewaskum Village Trustee for two years, a member of the Modern Woodmen of America Camp #2233 and was also on their Camp Counsel, a volunteer for the Kewaskum Fire Department for 20 years and a former member of the Kewaskum Kiwanis Club.

Survivors include his wife; two daughters, Alice Schwind of West Lafayette, Indiana, and Gloria Schwind and her husband Rafael Jurado of Bryan, Texas; one grandchild; four sisters, Margaret Johnston of Milwaukee, Rose Fitzgerald of Huntington Beach, Calif., Martha Scharf of Welden, Calif. and Mary Baus of Fond du Lac; two brothers, Henry of Cascade and George of Randolph Lake; other relatives and friends. Five sisters and three brothers preceded him in death.

Services for Mr. Schwind were held on Saturday at Peace United Church of Christ at 1 p.m. with Rev. Sandra Palmer officiating. Burial was in the church cemetery.

Visitation was Saturday at the church from 10:30 a.m. to the time of services.

Memorials appreciated. Miller's Funeral Home, Kewaskum, was in charge of arrangements.

ADALBERT BOEGEL

Adalbert Boegel, 75, a long time resident of St. Kilian, passed away at his home in Goldendale on Tuesday, May 27.

Funeral arrangements are pending.

ALVIN KREWALD

Alvin Krewald, 59, of Kewaskum, passed away on Tuesday, May 27, 1986, at the Veterans Hospital in Wood, Wisconsin.

He was born on May 1, 1927, in the Town of Auburn to Walter and Celia Marquardt Krewald. In 1947 he married Dorothy Terlinden in Wayne, Wis.

He had been a former employee of Meis Filter Products, West Bend, as a machinist. He had served in the Army during WW II.

Survivors include his wife; a daughter Connie (John) Adamczyk of Mesa, Arizona, and one son, Robert (Tracy) of Kewaskum; three grandchildren; his mother, Mrs. Walter Krewald of Kewaskum; three sisters, Marcella Krewald of Kewaskum, Mrs. Dorothy (Don) Heinecke of West Bend, and Mrs. Ruth (Laverne) Immler of St. Cloud, Wis.; three brothers, Melvin (Norma) of Campbell, Elmer of St. Petersburg, Florida, and Myron (Margie) of West Bend; other relatives and friends. His father preceded him in death.

Visitation will be on Friday, from 12 noon to 1 p.m. when services will be held in the Chapel of Wood's Veterans Home, Wood, with Rev. John Homeprey of the House of Prayer, Horicon, Wis. officiating.

Burial will be in the National Cemetery at Wood.

CLARA M. MEHLOS

Clara M. Mehlos, nee Risse, 70, of Wauwatosa, died Wednesday, May 21, at her residence.

She was born Jan. 1, 1916, in Silver Creek, and married Harvey K. Mehlos, Sr. He passed away in 1975.

She was a member of Calvary United Church of Christ, Wauwatosa.

Survivors include two daughters, Charleen (LeRoy) Keller of Kewaskum and Barbara E. Mehlos of Wauwatosa; one son, Harvey K. Jr. (Nancy) of Pewaukee; six grandchildren; one great-grandchild; and other relatives and friends.

Funeral services were held Saturday, May 24, at 10 a.m. at Schmidt and Bartelt Funeral Home, 10121 W. North Ave., Wauwatosa. Rev. Donald F. Koehn officiated, and burial was in St. Lucas Memorial Park Cemetery, Kewaskum.

Immunizations Scheduled in County

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Nursing Service. June clinics are: June 3 - Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend, 2 - 5 p.m.

June 24 - Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend, 9 - 11 a.m.

Parents must bring their records of each child's past immunizations to clinics. Immunizations will not be provided without past records.

For further information call 338-4462 or 644-5204 or 342-2929.

Summer Typing Course Offered Here

A personal typing course will be offered for grades 6 thru 12 at Kewaskum High School. This class will be held Monday thru Friday, from 8:00 to 9:00 a.m., June 9th thru July 3rd.

The cost per student will be \$20 - \$25, depending on enrollment. All district sheets are available at sign-up school offices, or by calling 334-7963 before 9:00 a.m. or after 6:00 p.m.

IN MEMORY

In loving memory of Jessica Jean Flynn, who passed away four years ago, June 2, 1982:

Little we knew when we awoke
The sorrow the day would bring
The call was sudden, the shock severe

To part with one we loved so dear.

You bid no one a last farewell
Nor even said goodbye.
You were gone before we knew
And only God knows why.

It only take a little space,
To write how much we miss you
But it will take the rest of our lives

To forget the day we lost you.
Sadly missed by the family.

Are We Pushing Young Athletes Too Hard?

by Anne Gallagher

Winning is important for children competing in sports, but training young athletes too hard may harm their physical and psychological well-being.

"There's nothing wrong with working hard or trying to win, but there should be at a youngster's expense," says Dr. Greg Landry, a pediatrician at the University of Wisconsin Hospital and Clinics.

Children's sports awareness while promoting life-long fitness habits. Yet overly rigorous training programs and unrealistic expectations can dampen a youngster's self-confidence and sporting enthusiasms.

"Sometimes parents and coaches lose their perspective on winning and competition, and push their children too far, too fast in sports," says Landry, also a UW Sports Medicine and Fitness Center physician.

The philosophy that a little training is good, a little more must be better, doesn't apply to young, developing athletes. "Children should not be expected to train or compete at adult activity levels," Landry explains, noting that many physicians are seeing more injury and high school students with overuse injuries previously seen only in collegiate and professional athletes.

"It's important that training programs be geared to the athlete's age and physical maturity," he says. "Adolescents should not be trained as if they were in college programs."

In young children, injury is much more likely to result from overtraining than from actual physical contact during a sporting event, says Landry. The physical injury rate for youth contact sports, such as football, soccer or hockey, is fairly low.

"But injuries increase as competition intensifies, usually at the seventh and eighth grade levels," Landry says. "The bigger the athletes, the harder they run, and the harder they hit in contact sports."

When adolescent or pre-adolescent training programs are too rigid, sports requiring intense repetitive motion, such as excessive throwing, distance running and gymnastics, can cause microscopic scarring and other damage to developing muscle and bone tissues.

Although pain is the most common symptom associated with an overuse injury, Landry says overtraining has other, more subtle cues. An injured or overworked youngster may also lose his appetite, lose interest in the sport, be irritable, tired, or require excessive amounts of sleep.

"Athletes of any age may not enjoy a sport if unreasonable demands are placed on them," says Landry. "Unfortunately, when teen or pre-teen athletes are overtrained early in their lives, they can be turned off to fitness enjoyment as an adult."

Participation in sports can promote a healthy and active lifestyle. Landry recommends that children be allowed to have fun participating in sports and be encouraged to try a variety of physical activities. Children usually know when to stop themselves, Landry adds.

"Winning does not always mean success where children are concerned," says Landry. "But everyone succeeds when kids have fun and feel good about themselves through sports."

Sensenbrenner Announces Candidacy

(Washington D.C.) — Congressman F. James Sensenbrenner, Jr., R-Menomonee Falls, announced today that he is a candidate for re-election to the Ninth Congressional District seat in the House of Representatives.

"I would like to return to Washington to continue the economic progress that has been made during the past six years, get family farms on a solid foundation, and be certain that Reagan's firm stand against terrorism is not diluted," Sensenbrenner said.

Sensenbrenner has served in Congress since he was elected in 1978. He serves on the Committee on the Judiciary and its Subcommittees on Civil and Constitutional Rights (of which he is Ranking Minority Member), and Immigration, Refugees and International Law. He also serves on the Committee on Science and Technology and its Subcommittees on Energy and Applications (as Ranking Minority Member), and Investigations and Oversight.

A 1986 graduate of the University of Wisconsin Law School, Sensenbrenner also received an A. B. degree in Political Science from Stanford University in 1965. He previously

Peterson Named DNR Southeast District Wildlife Specialist

Todd L. Peterson has recently been appointed Private Land Wildlife Specialist for the Southeast District, according to Gloria L. McCutcheon, District Director.

The Southeast District includes the counties of Sheboygan, Ozaukee, Washington, Waukesha, Milwaukee, Walworth, Racine and Kenosha.

Peterson will direct the Private Lands Management Program, designed to provide technical assistance to landowners for wildlife habitat improvement on private lands. He is one of two wildlife managers assigned to the program. The other manager is located at the DNR District Office in Green Bay.

Peterson's duties will include advising other government agencies in cleaning up the Sheboygan and Milwaukee River Priority Watersheds. The water pollution abatement programs could provide additional habitat for wildlife while controlling non-point sources of pollution.

His responsibilities will also include developing wildlife management plans for counties in southeastern Wisconsin. He will assist DNR foresters in developing woodland/forest management plans. Both plans can be adopted by landowners for implementation on private land.

Peterson began his career

with the department working on a private land pilot program in Dodge County. That program was designed to improve pheasant and duck habitat as well as control soil erosion and improve surface water quality.

"We feel that Peterson's work with the Dodge County program will be an asset in working with farmers and other landowners to improve wildlife habitat while controlling pollution in the Sheboygan, Milwaukee and other river watersheds in southeastern Wisconsin," said Tom Smith, District Wildlife Staff Specialist. "He will also cooperate with the Southeastern Wisconsin Regional Planning Commission in updating the Commission's Critical Habitat Maps."

A native of Eau Claire, Peterson received a bachelor of science degree in wildlife ecology from the University of Wisconsin - Madison and a master of science degree in wildlife from the University of Minnesota - St. Paul.

Peterson is single and will reside in Plymouth. He can be contacted by calling the DNR office at Plymouth at (414) 892-8756.

Interest Rates on FmHA Programs Lowered Again

For the second consecutive month, interest rates have been lowered for farmer programs of the U.S. Department of Agriculture's Farmers Home Administration, according to Vance L. Clark, agency administrator. The new rates were effective May 1.

The rate for farm operating loans drops from 9.50 percent to 8.625 percent and the rate for farm ownership, soil and water and Indian land acquisition loans goes down from 10.25 percent to 9.25 percent.

These are the lowest interest rates for these programs since 1979.

The rate for limited resource operating loans drops from 6.50 to 5.625 percent. The rate for limited resource farm ownership loans remains at 5 percent, the lowest rate permitted under the program. Clark noted that the new rates reflect a continuing decrease in the cost of money to the government — a result of lower inflation. All of these trends will be especially helpful to FmHA's farm borrowers, Clark said.

Named 1986 WIAA Scholar Athlete

WAUSAU, WI—Karen Scharf of Lomira High School received an engraved medallion and congratulations from Matt Otte, associate director of the Wisconsin Interscholastic Athletic Association (WIAA), for having been named a 1986 WIAA Scholar Athlete. Looking on was Leon Weinberger, president of Wausau Insurance Companies, whose firm has sponsored the program since its inception in 1984.

Twenty-five public high school seniors from around the state were honored for combining academic excellence with athletic participation. Twenty-two of the winners and their families were guests at the awards ceremony, held at Westwood Training and Conference Center of Wausau Insurance Companies.

Partners in Caring Banquet Held On Cedar Lake Home Campus

The Cedar Lake Home Campus Foundation Board honored its Society Members with an annual membership banquet at the Cedar Lake Home Campus on May 13th and 14th. Three hundred fifty Society Members received their Partners in Caring plaques and emblems recognizing their membership and support to the annual fund drive. The 1986 contributions totaled \$201,882.01, surpassing the \$200,000 goal by \$1,882.00.

The evening was filled with fellowship, fun, fine food and entertainment. Co-fund chairmen, Frank Musbach and Dave Loomans addressed the group, as did the Foundation president, Paul Bast. During the program, a slide presentation entitled "Concepts for Care" on the care for residents with Alzheimer's Disease was shown. At the close of the evening chairman, Paul Bast,

shared, "It warms one's heart to know that each contribution makes provision for special purposeful programming and quality care to those in need."

The Foundation Board of the Cedar Lake Home Campus thanks each donor who has supported the special services and programs for the elderly and infirm residents of the Cedar Lake Home Campus.

MPTI Starts Alumni Association; Marilyn Edwards, Secretary/Treasurer

Moraine Park Technical Institute has established an alumni association for its graduates and will host the association's first major event — a Family Picnic and Reunion — on July 13 at the Fond du Lac campus.

The MPTI Alumni Association had its beginnings almost a year ago, when 6,000 questionnaires were sent to graduates of the technical institute. More than 600 surveys were returned, indicating a broad interest in an alumni association. Some respondents expressed willingness to serve on the association's first board of directors. Others said they would serve on social committees and newsletter committees and volunteer for other needed tasks.

Applications were sent to 77 people who had said they would be willing to serve on the board of directors. The first meeting of the board was held on Feb. 25. Board members are: Paulette Bilke, Marilyn Edwards, Byron Cummins, Lorraine DoBruff, Diane Day, Richard Breister, Todd Goebel, Joyce Kain, Marsha Buchholz, Steven Lindley, Liane Lemke, Richard Lidtke, Jerome Bord and Kathleen Kleb.

Cummins was elected president, Kleb was chosen as vice-president and Edwards was voted in as secretary/treasurer at that first meeting of the board.

Since February, the board has been meeting monthly to get the new Alumni Association on its feet. Committees have been set up to write a constitution, organize a newsletter and prepare for the July picnic. "We see the Alumni Association as a means to maintaining and strengthening the ties between MPTI and its graduates," explains Alumni Association President Cummins. In addition to social events, Cummins says the association will sponsor other activities to promote MPTI and the well-being of its graduates.

An initial list of possible activities developed by the board of directors includes: assisting Moraine Park in its student recruitment and public relations efforts; helping immediate graduates find

gainful employment; working with the school's administration on skills updating programs; tracking graduates and using the newsletter as a forum for alumni to share their experiences with each other; and creating an alumni scholarship program.

"There's a great deal we can do," says Cummins. "Of course, we're just getting started. We hope more and more MPTI graduates get involved with the association."

Cummins points out that because the board's mailing list goes back only as far as 1980, many MPTI graduates may be unaware of the new Alumni Association. He urges all interested Moraine Park graduates to contact the association by writing or calling: Mary Hietpas, Coordinator, Alumni Association, Moraine Park Technical Institute, 235 North National Avenue, Fond du Lac, WI 54935, (414) 929-2127.

Motorcyclists Raise \$10,000 for Diabetes

The rainy weather on Saturday, May 17, did not dampen the spirits of 150 motorcyclists who raised \$10,000 for the American Diabetes Association's research, camp, and educational programs.

The event, held at Old Heidelberg Park, Bavarian Inn, included a sixty-mile scenic tour, field events, and an auction. A signed print by Wm. Davidson, Sr. was the highest bid at \$200. John Drake, Pewaukee, was awarded a leather jacket for raising the top pledge amount of \$611.30. Other prize winners were Al Propst, Reeseville, \$532.99, and Michael Olson, Brooklyn Park, MN, \$442.00. Music was provided by Phil Delta and the River Delta Band and the Lost Armadillo Band.

Special appearances were made by Ms. Harley Davidson Tamra Janell, Harley Davidson officers and the WMIL Country Chicken. The American Diabetes Association thanks all volunteer and participants involved in this event to fight against diabetes.

Announce Air Traffic Controller Recruiting Program

The Federal Aviation Administration has announced a nation-wide Air Traffic Controller recruiting program.

The agency plans to hire 2 to 3,000 controllers in the next year and is actively seeking candidates through its "We Need More of the World's Best" recruiting campaign.

An FAA spokesman said the agency wants U.S. citizens, age

30 or under, with 4 years college, or 3 years work experience, or an equivalent combination of the two.

Candidates must pass an aptitude test, with a high score, for final selection. Aviation experience is not necessary. Persons hired at the \$17,824 starting salary receive free training at the FAA's Oklahoma City Academy with final place-

ment throughout the US. Depending on their assignment, controllers can receive up to \$55,000 in basic annual salary through Civil Service advancement.

Those interested should send a postcard to the FFA, DEPT. 140 BOX 26650, Oklahoma City, OK 73126 for further information.

Adell Couple Named AMPI OYDC Winners

SCHAUMBURG, ILL... Larry and Barbara Laux of Adell, Wisconsin, have been named as winners of the 1986 Outstanding Young Dairy Cooperator (OYDC) program sponsored by Associated Milk Producers, Inc. Mid-States Region. The Laux's were selected after on-farm visits to finalist entrants by a judging panel.

Selected as first runners-up were Tim and Kim Deardorff, Roann, Indiana. John and Jackie Gates, Barneveld, Wisconsin, were named as second runners-up in the 1986 program. The top three winners will take part in the Young Cooperator program held at National Milk Producers Federation annual meeting, December 1-4, 1986 in Las Vegas, Nevada.

The OYDC program, in existence since the early 1960's, plays a major role in AMPI's member education process. Young dairy farmers are brought together for a three-day educational session in March; learning about their milk marketing cooperative, the goals of the cooperative and the dairy industry. Finalists are selected and the judging panel then schedules on-farms visit to complete the selection process. Overall selection is based on leadership ability and dairy management skills.

Other finalists in the 1986 Mid-States program included: Timothy and Mary Jean Jergenson, Alma, WI; Tom and Karen Meier, Waunakee, WI; Randall and Pamela Meyer, Loyal, WI; and Gerald and Ruth Poppe, Chenoa, IL.

Associated Milk Producers, Inc. is a milk-marketing cooperative made up of some 23,000 dairy farm units in 20 states across the central United States. The Mid-States Region is comprised of some 9,700 farm units in an eight state area consisting of Wisconsin, upper Michigan, eastern Iowa, Illinois, Indiana, western Ohio, Kentucky and Tennessee.

MEMORIAL DAY 1986

The last Monday in May is that day each year which rekindles memories of a proud but costly history. It is that day, more than any other, which wakes us to the realization that freedom demands might and sacrifice. It is that day that serves to renew the dreams and the spirit of brotherhood that brought this nation through more than two centuries of struggle and kept it alive, vibrant and free.

Memorial Day is a special time for Americans to collectively remember the more than one million military personnel who not only protected our freedom and opportunities, but also defended our symbol of a free nation to those throughout the world who love freedom as we do.

Deaths in service
 American Revolution 4,000
 War of 1812 2,000
 Mexican War 13,000

Civil War 134,000 (Confederate, approximate), 364,000 (Union)

Spanish - American War 11,000

World War I 116,000

World War II 406,000

Korean Conflict 55,000

Vietnam over 58,000 in Southeast Asia.

Since the end of the Vietnam era, many American military personnel have died in service-related accidents, terrorist attacks and battle, including 261 who were killed in Beirut and 19 in Grenada.

Freedom. Prosperity. Good Fortune. Hope. These are daily our reminders of those men and women who gave their lives to keep our country free.

On May 26, I urged all Americans to honor those who have fallen in military service. The most appropriate way to commemorate them and their deeds is also the simplest. Remember.

of the amendment.

Radium is a natural — not man-made — contaminant whose levels the federal government regulates through the Safe Drinking Water Act. The U.S. Environmental Protection Agency had warned the DNR in April after the amendment was passed by state lawmakers that waiting until 1988 to issue orders could be cause for the EPA to step in to see that planning is under way to clean up radium or find alternative sources of drinking water.

The DNR has asked 37 entities to submit by July 31 a timetable for solving the radium problem. Those in McCallum's district are Edison Estates Mobile Home Park, Oshkosh; Taycheedah Correctional Institution and Mary Hill Park Sanitary District, both Fond du Lac; the city of Fond du Lac; and the Village of North Fond du Lac.

Fond du Lac and North Fond du Lac have preliminary ideas to install water softeners, which would cost up to \$4 million and \$400,000, respectively.

Other ways to deal with radium are finding alternative water supplies and blending water from two or more sources to reduce the radium level.

COMMERCIAL INSURANCE HOTLINE AVAILABLE

If your business or municipality is having problems finding appropriate insurance coverage, help could be a phone call away.

A telephone hotline number is now available for consumers who are finding it difficult to obtain certain commercial insurance. Commissioner of Insurance, Thomas Fox stressed that the Hotline will handle only commercial risks such as business, municipalities or day care centers. The Hotline will not be able to answer inquiries regarding personal insurance such as automobile, homeowners, life or health insurance.

It is recommended, before

calling the Hotline, that you check over the available insurance agents in your area to find out if the insurance you seek is available.

The Special Task Force on Property and Casualty Insurance recommended the installation of the Hotline as a way of addressing the concerns of the commercial insurance crisis in Wisconsin. The Hotline is a joint effort of the Office of the Commissioner of Insurance, the insurance industry and insurance producers.

The Commercial Insurance Assistance Hotline number is (414) 453-0123 and is available Monday through Friday, 8:00 a.m. - 4:45 p.m.

Any insurance agent or company interested in being listed as a source of a particular line of insurance should contact Norm Wirtz of the Office of the Commissioner of Insurance in Madison.

RADIUM IN WATER MAY COST FOND DU LAC UP TO \$4 MILLION, NORTH FOND DU LAC \$400,000

Fond du Lac might have to spend up to \$4 million and North Fond du Lac \$400,000 to eliminate radium from their water because state legislators voted Thursday not to override a veto.

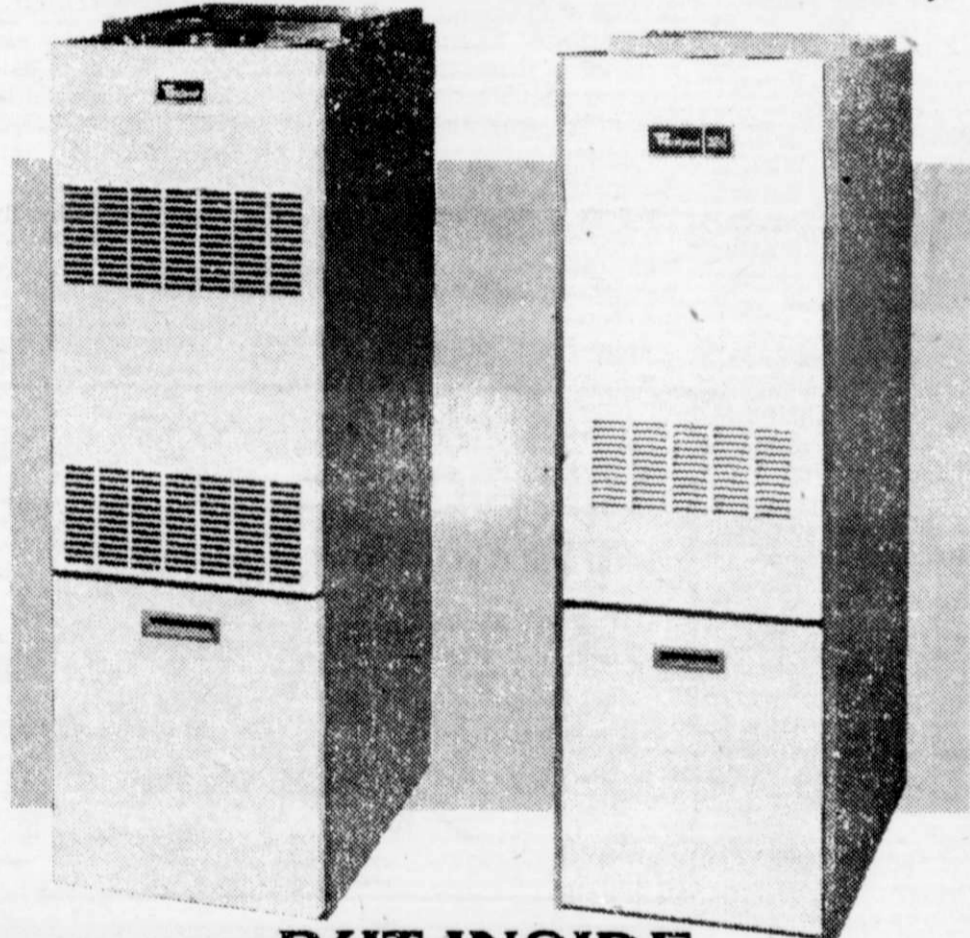

State Sen. Scott McCallum (R-Fond du Lac) had co-sponsored the vetoed amendment, to stop the DNR from ordering significant expenditures until 1988, when legislators have had a chance to consider a new DNR program to help pay for the radium clean-up.

"Putting the possibility of

financial help into law is much better than a promise from one bureaucrat to another," said McCallum, a senator in his third term. "I was the only one who spoke in favor of keeping the amendment on the floor, even though there are more than 30 other cities in this state whose residents' wallets could be tapped."

Gov. Anthony Earl got a letter in April from DNR Secretary Carroll Besadny saying the DNR would not order cities to make capital expenditures on radium projects until 1988 in exchange for Earl's veto

THEY MAY LOOK THE SAME ON THE OUTSIDE,

BUT INSIDE IT'S A DIFFERENT STORY!

The one on the left is our standard Whirlpool 50,000 BTUH upflow pilot gas furnace. Its efficiency rating is 65.9%. That means that 34.1% of the energy it takes to run the furnace is wasted. Totally wasted!

The 50,000 BTUH furnace on the right is the new Whirlpool Tightfist® II high efficiency furnace. Its efficiency rating is 96%!* That means only 4% of the energy is wasted.

The difference is obvious. And remember, you're going to be charged for

all the energy you use, whether it's wasted or not. To really get what you're paying for, why not install a high efficiency Whirlpool Tightfist II furnace in your home today. That way you're sure to get your money's worth.

PROPANE GAS. THROUGHOUT THE HOUSE.

AND OUTSIDE, TOO

Propane gas is America's best kept energy secret. It's the clean, efficient energy alternative to electricity—ideal for every home beyond natural gas service. It's the perfect complement to solar. Simple to install. Complete service available everywhere. Abundant. Safe. Reliable. And amazingly versatile. Propane gas.

We think you need to know more about all the propane uses and benefits. A lot more. And about all the economical, high-efficiency, low

maintenance propane gas appliances. Heating systems, hot water heaters, ranges, dryers and outdoor recreation equipment. So we wrote a book just for you. We want to let you in on the secret and show you how, as budget-busting electric rates rise, the propane advantage grows. Why this "most versatile" of all fuels belongs in your plans. Minutes of Village Board Meeting

Mid-Monthly Meeting
May 19, 1986
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. All Trustee Members were present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Richard Schmidt, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the minutes of May 5, 1986.

A public hearing was conducted on the request of Regal Ware, Inc. on their petition for annexation and temporary/permanent zoning of the parcel of property described as that part of the NE 1/4 of the SE 1/4 of Section 8, T 12 N, R 19 E, Town of Kewaskum. (Land comprising approximately 10.1 acres) The temporary/permanent zoning as recommended by the Village Plan Commission is P-1 Park District.

Attorney Stephen Bauer was present on behalf of Regal Ware, Inc. and Attorney James Hammes was present for the Village of Kewaskum. Ms. Marilyn Reinhardt was present on her own behalf, that being in opposition to the proposed annexation and etc. After approximately thirty (30) minutes of questions, answers and general discussion, President David Nigh asked for a motion to close the public hearing.

Motion was made by Trustee Howard Laubenstein, seconded by Trustee Paul Blumer to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was passed unanimously.

A public hearing was conducted on the application for a Class "B" Fermented Malt Beverage and Intoxicating Liquor License for a period commencing May 20, 1986, and ending June 30, 1986, for William J. Kulas, 109 Main Street, Kewaskum, WI.

The Police Department had no reason to protest the application at this time. Motion was made by Trustee Richard Schlice, seconded by Trustee Mary Krueger to close the

public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was unanimous and the Board declared the public hearing closed.

Motion was made by Trustee Mary Krueger, seconded by Trustee Richard Schlice to suspend the rules to take action on agenda item IX.A.&B. Review and discussion regarding Ordinance No. 86-5 the Ordinance annexing territory as petition by Regal Ware, Inc. and discussion on the Annexation Agreement in relation to the Regal Ware, Inc. annexation. Roll call vote was carried unanimously. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Action was taken on Ordinance No. 86-5 as attached hereto, following some general comments by Village Attorney James Hammes.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board accepted the Annexation Agreement as recommended by the Plan Commission and signed by Regal Ware, Inc. Also they authorized the signing of said Agreement.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the application for an Operator's (bartender's) License upon proper payment of fee and authorized the office to issue said License as follows:

Lambert Boegel, West Bend, WI

Note: The Police Department had no objection to the application.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the Building Permit application for Richard Kleinmann for a new home at 1150 Midland Avenue and authorized the office to issue the permits upon proper payment of fees. The plans were approved by both the Building Inspector and Zoning Administrator.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Mid-Moraine Meeting

scheduled for May 28, 1986
2. KKCP Shelter bid opening May 22, 1986
3. DOT STH "28" Meeting May 21, 1986
4. Review of some brief correspondence.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, announced the dates for the sale of swim passes and sign up dates for swim lessons, along with the Beach opening date of May 31, 1986.

Discussion was again held on the partial curb and gutter replacement and payment thereof on North Avenue. No action was taken other than the Administrator being asked to prepare the proper Resolutions and accompanying paperwork that such work is to be done. Also the Public Works Department was asked to mark which curbing needs to be replaced. The alternative of mudjacking the sunken curb and gutter was discussed and will be used where appropriate.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and carried unanimously by voice vote, the Board approved the following application for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for a period commencing May 20, 1986, and ending June 30, 1986, upon payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license.

William J. Kulas, 109 Main Street, Kewaskum, WI

Action was taken on Resolution No.(s) 86-7, 86-8, 86-9, 86-10 as attached hereto:

Administrator Daniel Schmidt distributed some information on a proposed sidewalk repair and replacement program for the Board to review.

Action was taken on a Proclamation as attached hereto: (Holy Trinity's 125th Anniversary).

Administrator Daniel Schmidt passed out for the Board to review the Water and Sewer Utility Survey recently completed. It was noted the Village of Kewaskum placed 3rd lowest in water rates and 9th lowest in sewer rates of the 24 municipalities responding.

President David Nigh read an

invitation extended to the Board to participate in the Robert G. Romaine Legion Post's Memorial Day observance parade and program.

Motion was made by Trustee Richard Schlice, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85(1)(c) of the Statutes to discuss employee

negotiations, compensation and performance data of village employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was unanimously carried.

Daniel S. Schmidt,
Administrator

HIGHLIGHTS

May 8th was opening day for the 8th season for the Goodtime League at the "Dome."

An immense softball hungry crowd was on hand to witness the 2 games and opening day ceremonies. In fact the Pinkerton ushers had to turn away 150 disappointed fans due to the fact the upper deck is still closed. As the diehard fans of the Dome know, 3 years ago engineers from the USA Softball Association did a routine inspection of the Dome and found that the upper deck was unsafe due to termites thinking the wood beams were file mignons. Because of public pressure Chairman of the Board Richard A. Thieme contacted engineers that constructed Camp Randall Stadium in Madison to rectify the situation. In a 9 page study they indicated that 7 cans of Raid and 2 gallons of Elmer's Glue applied in various pressure points should alleviate the problem. By this week's games the upper deck should be ready for fans again.

Due to a last minute cancellation ex-baseball Commissioner Bowie Kuhn was unable to throw out the opening game ball. As a last minute substitute the league was very lucky to obtain the services of local celebrity and former oil baron Roger Reindl. He kept the pre-game speech short and entertained the fans with his

usual bag of tricks. For his efforts Roger received a season pass to the Dome.

The 1st game saw Thorton's Bombers, formerly Thorton & Schaub, trounce Bartelt Ins. 18-10. The Thorton squad used their speed to consistently outwit the arthritic armed Bartelt Ins. team. The off season was not kind to many of the Bartelt squad. It appears that Father Time has caught up with many members of the team as bifocals and prosthetic devices were in evidence. The 2nd game saw A & M Construction, formerly Crass Salvage whom BJ & Co. 9-1. BJ & Co. lost some of their All-Star performers from last year and it may take them a game or so to round into shape.

The games of 5/15 were called off due to a combination of heavy rains and malfunction in air compressor causing the dome to collapse. This malfunction in the air compressor will never happen again as Dome management has run an underground cable across Hwy. 45 to Buss Farms where they are hooked up to the air compressor on the bulk milk cooler which will serve as a back up unit.

The week of 5/22 saw another new team enter the league. The Barrel Haus, managed by Curt "Road Runner" Schmidt, who is the favorite son of Walter and Loretta, did a real con job on the league commissioner. Curt indicated the Barrel Haus team would consist of overweight has beens who were more concerned with the social aspects of post game elbow bending rather than playing the game. In reality the Barrel Haus squad looked more like nitro fueled jack rabbits as they blazed around the bases. On this young squad the only player who appeared to be past puberty was Derby "Methuselah"

Rinas, the owner of the Barrel Haus, and all he did was crack a 3-run homer which was the 1st home run in the league to this date. The league commissioner is considering a handicap system in which the players from the Barrel Haus will have to wear 5 lb. weights strapped to the ankles to slow them down. The Barrel Boys defeated Thorton's Bombers 15-5. In the 2nd game BJ & Co. defeated the error prone Bartelt Ins. 11-6.

Next week is mosquito night. Fans are urged to bring a friend to feed the mosquitos.

Bartelt, Guenther Regal Cup Winners

Tom Bartelt and Arthur Guenther won the recent Regal Cup competition at Hon-E-Kor Country Club, topping eight other twosomes.

Their winning net total was 133, seven strokes ahead of Jack Holfeltz and Buck Averill. Bartelt came in with a 66 and Guenther with a 67.

The best low gross score of the day was a three-over-par 73 by Scott Rohlinger. Jim Korth shot a 74 and Clark Pearson a 75. Bartelt was next with his 76.

Indian Golfers Place 2nd in E-W; Brodzeller, Dean All-Conference

The Kewaskum High golf team narrowly missed winning the Eastern Wisconsin championship by a mere two strokes Thursday to champion Sheboygan Falls. The meet was played on the Indians' home Hon-E-Kor course.

The Falcons carded a 324, just two strokes better than Kewaskum with 326. The two teams entered the meet 1-2 in the standings with Falls' record at 5-0-1 in the conference and the Indians 5-1. Totaling the points, the Falcons wound up with 17½ and Kewaskum 15.

The second place was Kewaskum's best golf finish since 1980 when they took third place

in the conference after tying for first in the EW tourney. It was also the best finish by any of the boys' sports teams this year.

Medalist in the meet was Plymouth's Jim Wolcott with a one-over-par 36 on the front nine and a 39 for a five-over 75. Second was the Indians' Mark Brodzeller, who had a 40 on the first nine and came back with a 37 on the back nine which included six straight pars and two bogeys.

The Indians' other scores were: Greg Dean, 42-40-82; Randy Delcore and Bob Yahr with 85s, while Eric Pearson, who played in the No. 1 spot most of the year, dropped to an

87. Two of the Kewaskum players, Brodzeller, who was second in the conference with a 77 average, behind Plymouth's Walcott, 75, and Dean, who was 10th with 82, were selected on the all-conference team.

TOURNAMENT RESULTS — 1. Sheboygan Falls 324; 2. Kewaskum 326; 3. Chilton 331; 4. Plymouth 340; 5. Two Rivers 341; 6. Kiel 345; 7. New Holstein 353.

Kewaskum was fourth in the JV meet with 397 behind Scott Schmitt's 87. Mike Coulter and Rob Baitinger were next with 100s.

previous outdoor bests.

In additional places, Kewaskum also got fourths in the following events: 100 meter dash by Kougl, 300 meter hurdles with Lisa Steiner clipping off almost a full second, 200 with soph Debbie Felix turning in her best time, 800 meter relay, 400 with Brenda Vetter with her best outdoor time. Soph Ellen Kuphal also had a personal best in the 300.

The boys, many of whom are underclassmen, had a rough season but gained much experience. Mark Johnson picked up fifths in both the 110 meter high hurdles and the 300 lows. Corey Garbisch scored a sixth in the 800 meters. Miles Shaw got a fourth in the pole vault.

There were four conference records set in the meet.

GIRLS — 1. New Holstein 138; 2. Kiel 96; 3. Two Rivers

81; 4. Plymouth 70; 5. Kewaskum 57; 6. Sheboygan Falls 41; 7. Chilton 13.

Plymouth 82; 3. Kiel 78; 4. Two Rivers 75; 5. New Holstein 74; 6. Sheboygan Falls 60; 7. Kewaskum 9.

Pearson Qualifies in Golf Regional; No Track Qualifiers

Many athletes from the area made it through the WIAA golf and track regionals last week. Tennis and softball regionals, however, were postponed because of rain.

Hartland Arrowhead and West Bend East placed 1-2 in the seven-school golf regional at the Hartford Country Club with 314 and 322 points respectively. Pat Vichers of Hartland was medalist with a one-over par 73. East's Tom Farris was second with 77. The other three qualifiers for the sectional individually were: Scott Taylor, Hartland, 78; Eric Pearson, Kewaskum, 79, and Steve Schumacher, East, 79.

Team results were: Hartland 314, West Bend East 322, Hartford 338, Kewaskum 340, West Bend West 351, Lomira 362, Slinger 392.

Kewaskum — Pearson 79 (43-36); Greg Dean 83 (44-39); Randy Delcore 88 (43-45); Scott Schmidt 90 (44-46).

Arrowhead and East will be among the sectional teams competing next Tuesday, June 3, at the Squires CC, Port Washington.

Kewaskum had no qualifiers in the track regionals at Beaver Dam. Third places went to: Lisa Fusek 5' in the high jump; Brenda Vetter 62.9 in the 400; Lisa Steiner 51.2 in the 300 hurdles; Patti Padden 35.3 in the shot. Mark Johnson 15.9

took a fourth in the high hurdles for the boys.

Boys and girls who qualified at Beaver Dam advance to the sectional at Manitowoc Thursday.

INDIANS DEFEAT CHILTON, GREEN LAKE

Kewaskum kept pace with Sheboygan Falls by winning at Chilton's Hickory Hills last Monday, 168-175, in a dual meet. The win kept them ½ point behind the Falcons.

Brodzeller shared medalist honors with the Tigers' Bill Suttner. Both came in with 4-over-par 39s. Brodzeller had a birdie 2 on the final hole.

Other Kewaskum scores were: 41 by Yahr and 44s by Dean and Delcore. Pearson struggled with a 46.

Chilton won the JV meet, by one stroke, 202-203. Coulter won the medal with a 45.

The Indians concluded their dual meet season Friday with a 171-187 victory over Green Lake at Lawsonia. Brodzeller shot a 37 while Dean came in at 40. The other two counters were Delcore 44 and Schmitt 50.

The win gave Kewaskum a 8-1-1 dual meet record with their only loss being to Sheboygan Falls' champs.

Indian Netters Finish Last But...

Hubbell No. 1 Singles Player in Conference

The Kewaskum tennis team, only in its second year of competition, finished last in the Eastern Wisconsin but in the conference meet at Plymouth last Monday, the Indians' Craig Hubbell, only a sophomore, became the E-W's top singles player by winning at No. 1 singles.

During the double round robin dual meet season, Hubbell had split against opponents from Plymouth and Sheboygan Falls but was the top seed in the tournament because he had a 6-2 record while they were both 5-2.

Hubbell got a bye in the first round, then defeated Nate Kroening of Two Rivers in straight sets, 6-3, 7-6 to gain the finals. He then faced Todd Vorachek for the title. The two split in the first sets with Hubbell winning the first, 6-4, and Vorachek the second, 7-6. Hubbell then got a 6-3 win in the rubber match.

Plymouth won the meet with 13 points, giving them 34 total points, including dual meet results. The Panthers edged out Sheboygan Falls for the overall title, 34-32. Two Rivers was

third with 27½, Chilton fourth 16½ and Kewaskum last with 9.

At No. 2 singles, the Indians' Tim Kaufman won before losing in the semis, 3-6, 3-6 against Falls. He also dropped a consolation match, 6-1, 2-6, 4-6 against Two Rivers.

Jason Flynn played No. 3 singles but lost his first match, 3-6, 4-6 to a Chilton player. Freshman Adam Miklas filled in the last singles spot after winning a preliminary match over his Chilton opponent 6-2, 7-6.

The Indians' top doubles pair, Joe Hynst and Sonny Sison were eliminated 1-6, 3-6 to Chilton opponents. Mitch Gebheim and Dennis Johnson, at No. 2 doubles lost the first round to Plymouth and also lost the consolation match. Lee Bowser and Rick Landvatter at No. 3 doubles lost in three sets, 3-6, 6-1 and 3-6 in preliminary action.

Several of the Kewaskum regulars sat out because of athletic code violations.

On Tuesday the Indians competed in the sub-sectional at West Bend.

Girls Place 5th, Boys Last In E-W Track Tournament

The New Holstein girls defended their Eastern Wisconsin Conference track title at Plymouth Thursday, while Chilton won the boys' championship.

New Holstein had a total of 138 points to second place Kiel's 96, while Kewaskum finished fifth with 57. The Indians had one first place from Jenny Hintz. The Chilton boys won, scoring 118 points to 82 for

second place Plymouth. Kewaskum had only four places in scoring nine points.

Hintz and the weight group scored 24 points. She and Patti Padden, a soph, went 1-3 in the shot. Jodi Yearling chipped in a third place in the discus with Hintz getting a fifth.

Amy Kougl, who was named as the team's MVP, placed third and Lisa Fusek fourth in the high jump as they topped their
