New Fane Church Named to National Register of Historic Sites

St. John Lutheran Church New Fane, has been named to the National Register of Historic Sites in Washington D.C. The announcement was made by Pastor Charles W. Reehl.

The Church has been a landmark in our area. It nestles in a beautiful valley formed by the Glacier in the Kettle Moraine. The building is made from the natural stone found in this area. Constructed in 1871, it is an outstanding example of

the Celtic Gothic architecture found in Ireland and Scotland. It has the buttressed walls found in true Gothic architecture. The grounds surrounding the church and the cemetery are also included in the designation.

The congregation recently celebrated its 125th anniversary since it was formed in 1859 when Wisconsin had been a state for just eleven years. All of the congregation helped to build the church when it was

decided that the log cabin they had been using was too small. It cost \$4,000.00 to construct and was paid for in three years. Although regular maintenance renovation has been done over the years, the church is very much the same as when it was built.

Pastor Reehl said that the church welcomes visitors. It holds services at 7:30 p.m. on Saturdays, and at 9:00 a.m. on Sundays.

Top Production Award Won By Kemps Dairy Products

Kemps Dairy Products, a division of Marigold Foods, Inc., has been named winner of Quality Check Dairy Product Association's Irving B. Weber Award for excellence in production and distribution of its products.

Kemps is headquartered in Minneapolis and has facilities in Rochester and Farmington, Minnesota, and in Kewaskum, Wisconsin.

This was the third such distinction for Kemps, which also received the group's top production honor in 1984 and 1978.

Kemps was selected for the Weber from among more than

50 Quality Check Production Merit Award winners. The merit award is given to production plants which exceed the association's rigid standards for product quality in ongoing lab tests.

Weber Award winners are selected based on both the results of these lab tests for purity, freshness and flavor and on factors determined during on-site plant audits by Quality Check production staff.

Independent tests on products are conducted throughout the year by certified laboratories of contracted for by Quality Check. Kemps also has

Added Grass Clippings Could Cost Village Over \$3,000 Annually

Kewaskum Firm Awarded Park Shelter Construction Contract

By GERRY MUELLER
Statesman Staff Writer

Eagle Construction, Kewaskum, was the successful low bidder on the Kewaskum Kiwanis Park shelter to be constructed this summer.

The Kewaskum Village Board, Monday night, approved the recommendation of its engineering firm, Reukert and Mielke, Incorporated, to award the contract to Eagle on its bid of \$66,150. The board also approved a recommendation to purchase a molded stone drinking fountain at the shelter at an additional cost of \$300.

In other business, the board heard a report from Village Administrator Dan Schmidt on the cost of picking up grass clippings. Using the period of May through September (20 weeks), for his calculations, Schmidt told the trustees the Public Works Department is picking up an additional 120

bags of clippings, or 20 cubic yards (one truck load), each week. This is costing the village an additional \$140.00 per week to dispose of the waste at the collection site, plus the added time and energy spent collecting and disposing of the clippings.

Based on 20 weeks at \$140 per week, it will cost the village \$2,800 annually to dump the clippings, plus \$60.00 a week

for a truck to pick up the grass. Roughly, we're looking at an annual overall cost of \$3,300 in handling those added clippings, noted Schmidt.

An alternative solution being considered by the board would be to park a manned DPW truck at the Municipal Building for three hours each Saturday morning to allow residents to dump their clippings only. The

Kewaskum Jaycees Planning 3rd Annual Pig Races, Roast

The Kewaskum Jaycees are again planning a splendid event — the Third Annual Pig Races and Pig Roast. The day's events are again scheduled in conjunction with the Chamber of Commerce's Dairy Daze on Sunday, June 22.

A delicious pig roast, complete with all the trimmings, will be served at River Hill Park starting at noon. Advance tickets are being offered at \$4.50 (for adults) and \$2.25 (children 10 and under).

Pig races are scheduled to begin at 1:15 p.m. Special pig buttons and pig shirts are also going to be available for sale.

Community support is asked for the pig races and pig roast dinner. All proceeds will be donated to MDA and community projects. For more information, call Rene at 626-2854.

Other Dairy Daze features will include a dairy breakfast at the Randy Backhaus farm, crowning of the king and queen, honoring the outstanding young farmer, ice cream eating contest, recipe contest, exercise with Jackie Wiedmeyer, coloring contest, and more.

See next week's issue for more information on the Dairy Daze event.

residents would have to empty their containers, bags, boxes, etc., into the truck and take them home since the clippings would be trucked to either the village's landfill for compost, or possibly to a farmer's manure pile and no foreign material would be allowed to become mixed with the grass. That idea would still cost the village about \$1,600 a year, about \$1,800 less than hauling to the collection station.

There are a relatively few people in the village who are bagging their clippings, but it is all the residents who are sharing the cost to dispose of the grass of these few, Schmidt's report noted.

The Village Board is hoping that residents will discontinue collecting their grass. If not, it is suggested they make a compost pile or give the clippings to people who do.

Campbellsport no longer picks up clippings or allows them to be dumped at their landfill. Brownsville and West Bend no longer pick up clippings. West Bend residents must haul their grass to a compost site.

If the situation does not improve, the Village Board may be forced to amend the refuse ordinance to prohibit grass clippings collection altogether.

In other action, the board approved the purchase of a new lawnmower at a cost of \$6,055.00, to replace one which has broken down.

The board again discussed the two sidewalk programs, repairing and replacement, and installation of new walks. Those home owners along North Avenue whose property is involved in curb repairs will be receiving consent and waiver letters for their approval to proceed with the work.

Schmidt will also be drawing up a preliminary resolution on the new sidewalk construction along Clinton and Brooklane. Schmidt indicated there is about one block of new walk to be laid on Clinton and approximately five on Brooklane to the park. He noted bids probably would not be let before late July or August, but the work would be completed this year.

This will be the first phase of the Village's Capital Improvements sidewalk project.

All the applications for renewal of beer, liquor and bartender licenses were approved. A dance hall permit for the Riverview Inn was also approved.

Parks Committee Chairman Tom McElhatton informed the board that over 200 swim passes for this year had been sold so far.

The board adjourned to closed session to discuss purchase of public properties.

CHAMBER OF COMMERCE MEETING WEDNESDAY

There will be a Chamber of Commerce meeting on Wednesday, June 11, at 7:00 p.m. at the Municipal Building Community Room. Discussion will be on Dairy Daze and Krazy Daze. All members please attend.

Kewaskum Schools Receive Staff Development Funds

State Superintendent of Public Instruction Herbert J. Grover has notified the Kewaskum Schools that it will receive \$1,473 to fund staff development projects for math and science teachers. Julie Backus, Director of Instruction, said that these funds were received as part of a joint application with CESA 6.

Administered by the Wisconsin Department of Public Instruction, the entitlement is made available under the Education for Economic Security Act (EESA), a federal law designed to provide professional staff development opportunities for mathematics and science teachers. Approximately six teachers in Kewaskum School District will be served and students at the middle and high school levels.

All school districts in the state are entitled to a portion of the \$860,000 set aside for elementary and secondary education during the 1985-86 school year. Another \$500,000 has been granted to institutions of higher education for local district inservice needs.

Local district entitlements send teachers to classes to update their knowledge in mathematics and science, allow teachers to attend professional conferences and workshops,

Campus Notes

Forty-nine graduating seniors received the Chancellor's Leadership Awards during the spring commencement ceremonies held recently at the University of Wisconsin - Stevens Point.

By being chosen for the awards, which are given in recognition of involvement in extra-curricular activities on campus and in the community, the recipients became eligible for the more prestigious Albertson Medallions which are presented once a year, also at the spring commencement.

The Chancellor's Leadership Award winners from the class of 1986 include: Scott M. Klein, son of Mr. and Mrs. Don Klein, 3813 Bonnie Lane, Kewaskum, Managerial Accounting.

The first person to cross Niagara Falls on a tight-rope was Jean Francois Gravelet, a Frenchman, on June 30, 1859.

and support a variety of other training programs.

Commenting on the program Julie Backus, Kewaskum's Director of Instruction and the project director said, "this has allowed our teachers to participate in workshops related to the new state curriculum guides for math and science. This, in turn, will serve as the basis for review of our local curriculums. Floyd Brenner, 8th grade science teacher at Kewaskum Middle School, has been participating in a series of workshops to provide background in new developments in earth science based on the television series, "Planet Earth" and to learn new teaching techniques which emphasize problem solving skills in this area."

Legion Post Elects Officers

At the last regular meeting of The American Legion, Robert G. Romaine Post No. 384, Kewaskum, officers were voted in as follows:

Commander, Mike Chesak; 1st Vice, Clayton Stautz; 2nd Vice, Dennis Kleinke; Chaplain, Al Dreher; Exec. Board, Lloyd Teeselink; Sgt. at Arms, Harold Boettcher, James Korth; Judge Advocate, Roger McKenna; Historian, Marilyn Haug. Appointed were Merv Thompson, Adjutant and Service Officer; Pat McFadden, Finance Officer and Publicity.

The next meeting of Post 384 will be at 8:00 p.m. Monday, June 9. The next county meeting will be held at the Hubertus Post on June 28.

The Second District Trap Shoot is June 14 at 10:00 a.m. at Post 483 in Allenton.

Money for the Second District Golf Outing must be in by July 31. The outing will be Aug. 8 at Kewaskum, hosted by Post 483 of Allenton and the Kewaskum Post.

Poppy sales went very well this year. The post collected over \$350.

Village of Kewaskum NEWS NOTES

GRASS CLIPPINGS CAUGHT + BAGGED + CURBED = \$\$\$\$\$

From May thru September the Department of Public Works is faced with additional curb side refuse. This being grass clippings which equal an estimated 120 additional bags of refuse per week or 20 cubic yards of waste to be disposed of. In dollars this added waste equals \$140.00 per week, plus the time and energy spent collecting and disposing of it.

The percentage of those collecting/catching their grass is much less than those that don't catch their clippings. This causes another problem in equity for everyone shares in that disposal cost. The Village would encourage those people catching their grass clippings to place them in their gardens, start a neat compost pile or best of all find a rural friend or relative that will take them.

Why add this refuse/waste to our already burdened landfill sites? Why add extra dollars to our already increasing garbage

expense?

Alternative means are being considered by the Village Board as did the Campbellsport Village Board and the West Bend City Council plus many other communities. The most favorable alternative for the disposal of grass clippings was to place the garbage truck in the Municipal Building Parking Lot for approximately three (3) hours on Saturday mornings and having those people bagging their grass bring and deposit only that grass clipping for an alternate means of disposal.

The Village Board is hopeful that residents would either discontinue the collection of grass or find an alternative means for its disposal so the implementation of a separate grass collection may be avoided. Your cooperation in reference to this matter is greatly appreciated.

Thank you!

High-Speed Chase Ends in Accident

A high-speed chase early last Wednesday on Highway 45 ended in a minor accident involving a 17-year-old West Bend youth.

The driver suffered mouth and facial cuts and neck and chest pain. He was taken to St. Agnes Hospital, Fond du Lac, for treatment following the 12:22 a.m. accident.

The chase began in West Bend and reached a speed of 85 miles per hour in the Village of Kewaskum. A Kewaskum police officer pursued the youth's vehicle northbound on 45.

The youth turned east off 45 onto Happy Hollow Road in the Town of Osceola and was injured when his van left the road and struck a mailbox. He was being sought for traffic violations in Kewaskum.

Former Kewaskum Resident Sentenced in Kickback Scheme

By GERRY MUELLER
Statesman Staff Writer

Norman A. Beyer, 48, of 7506 West Grant Street, West Allis, a former purchasing agent for Regal Ware, Incorporated, and former Kewaskum resident, was sentenced in Federal Court recently, to 90 days in prison for accepting \$47,358 in kickbacks from a Glendale plastics firm and not paying taxes on the money.

Beyer admitted scheming with Carl W. Vogel, president of Glendale Plastics, 6677 North Sidney Place, formerly Greb Plastics Incorporated.

Federal Judge John Reynolds

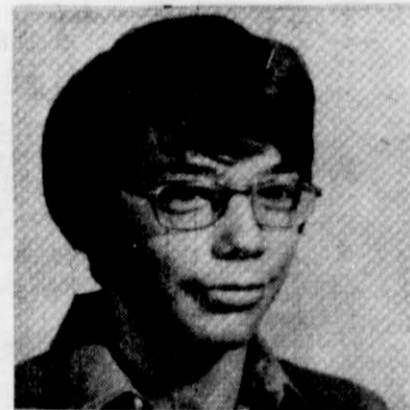

also sentenced Beyer to three years' probation, and fined him \$5,000.

Vogel was sentenced to one year in prison and fined \$30,000 for his part in the scheme and for other illegal financial dealings.

Each year the Kewaskum Jaycees honor several area young people with awards for being outstanding in their community.

Thomas McElhatton was chosen as this year's "Outstanding Young Person." Tom was born and raised in this area, having attended Holy Trinity and Kewaskum High Schools. He went on to become an electrician, now working at the Roman Electric Company in Milwaukee.

Tom joined the Kewaskum Fire Department in February, 1975, and is still a member. He received his Emergency Medical Tech. (EMT) in 1978 and is still a member of the rescue squad with EMT status.

Tom also serves as manager in charge of the Little League Hard Ball program. He has also served several years on the Kewaskum Village Board and is chairman of the Village Park and Recreation Dept. for the board.

Tom, his wife Cheryl and their children, Eric, Cory, Vicki Jo and Brenda, live on Brooklane Drive in Kewaskum.

The "Outstanding Young Educator" award for 1986 was

presented to Dave Wietor. Dave is a counselor at Kewaskum High School. He organized and chaired the Kewaskum Community Alcohol and Other Drug Abuse Steering Committee. He also helped initiate the Youth Scholarships, Inc. - a non-profit community organization designed to raise \$100,000 to

provide a perpetual scholarship fund for graduating seniors of Kewaskum High.

He volunteers his time to coach the Kewaskum Youth Downhill Ski team and to work with the Washington County Council to develop and promote alcohol and drug abuse programs in schools.

Dave has also coached boys' and girls' basketball for five years and has officiated at high school varsity basketball for seven years.

Dave, his wife Yvonne and two children, Michelle and Ryan, live on River View Drive in Kewaskum.

Sixty-three horse riders and a couple of wagons participated in the first leg of the Tecumseh Trail sponsored ride marking the 50th anniversary of the northern and southern Kettle Moraine State Forest Parks.

The group, made of members of the Wisconsin Horse Owners Alliance and area riders, started out Wednesday, May 28, from the northern unit's Horse Riders Camp in New Prospect. Their first overnight stop on the five-day trek was at the Sunburst Ski Hill area in Kewaskum. The first leg of the journey had covered 15 miles.

The riders left the next morning headed for Pike Lake

State Park, approximately 22 miles southwest, their next overnight stop. From there, the group would camp out two more nights before reaching its final destination on Sunday, the Horse Riders Camp at Palmyra in the southern unit of the Kettle Moraine State Forest.

Each morning the motor vehicles and horse trailers were moved on to the next campsite with their drivers then returning to ride their mounts to that next stop-over.

The riders, men, women and children came from Wisconsin, Michigan, Minnesota and Illinois. The objective of the ride was to emphasize the need for a corridor trail which would link the two park areas. The Kettle

Moraine State Forest Parks were established in 1936, by the Izaak Walton League which had hoped to see a multi-purpose trail developed which would allow riders, bikers, and hikers to travel freely between the two parks. Fifty years later, that trail still has not been built. The horsemen hope their ride will draw attention to that need and bring support to the dream of the parks' founders.

Present Plaque to Regal Ware

A special presentation was made to Regal Ware by the Kewaskum Jaycees for their many years of support for Jaycees in Kewaskum.

Through Regal Ware's support many projects done by the Jaycees have helped to improve the quality of life for our residents.

A plaque of appreciation was presented to Regal Ware by Jaycee President Gary Gavin, right. Receiving the plaque, on behalf of Regal Ware, was Public Relations Director, Adeline Halfmann.

Beechwood Rest Home Administrators Attend Nursing Home Conference

Lee Rammer, N.H.A., Delores Rammer, N.H.A., and Scott Rammer, Administrative Assistant, recently attended the 24th Annual Wisconsin Association of Nursing Homes Educational Conference and Product Exposition.

Administrators and personnel from proprietary, non-proprietary and governmental facilities gathered together for three days to learn about new developments within their industry. The conference featured educational seminars which touched on such topics as legal issues, dietary concerns, motivational needs and financial matters.

The conference also included a product exposition which featured over eighty exhibitors from throughout the midwest. Each exhibitor displayed the latest in products and services available to the long term care industry.

In addition, Lee's duo, "APPLE SCRUFFS," performed during the exhibition, providing the classic acoustic songs from the 1960's and 1970's.

As an added note of interest, the management is proud to mention that a poem written by a staff member, Linda Klug, was accepted for publication into the 1986 Yearbook of the Wisconsin Association of

Nursing Homes. We congratulate Linda!

The poem follows:

MY AGELESS FRIENDS
by
Linda Klug

How to describe
the things that I see;
The people, the memories,
how it used to be.

The stories they tell
so fresh in the mind
Each one so priceless,
no two of a kind.

Their age doesn't matter,
the years went by fast;
For us, it's the future,
to them, it's the past.

The lines on their faces,
the love in their eyes;
To hear them remember,
one often could cry.

A time, just to help,
or an ear to lend;
A shoulder, a hug,
comfort to lend.

To be part of their lives
is worth more than gold;
It's more like a treasure
we've been given to hold.

"Pardon me, officer," the pedestrian said in a busy intersection. "Can you tell me how to get to City Hospital?"

"Yes," said the officer. "Just stand where you are."

On April 28 Linda Howe, rural West Bend, left for Honolulu, Hawaii, to be with her daughter and son-in-law, Ramona and Joe Barnett and await the arrival of her first grandchild. Crickett Linn was born May 2nd and was baptized the same day. Both mother and baby are doing fine. Grandma Linda hated to return as they live so far away. Grandpa Milton was unable to make the trip because of work.

On May 30th, the Howes became grandparents again. A son, Joshua Allen, was born to their son and daughter-in-law, Raymond and Holly Howe in Norfolk, VA. Everyone is fine. Neither grandparent is planning

a trip to Norfolk at this time.

Great-grandparents are Maynard and Adeline Kemp of Random Lake.

Holy Angels Parish To Hold Festival

Holy Angels Parish will kick off its annual summer "Festival of Angels" on Saturday, June 7, at 5:30 p.m. on its church grounds at 8th Ave. and Hickory St. in West Bend.

The two day celebration begins Saturday night with bingo, games, rides, food and refreshments with music from 8 until 11:30 p.m. by the 50's & 60's Pop Group, "Gold."

Sunday will include a home-style beef dinner served from 11:30 a.m. to 2 p.m., featuring wonderfully delicious home-made desserts. Dinner is \$4.75 for adults, \$2.75 for children 6 to 12 and free for children 5 and under. Music all afternoon by the Normie Dogs Band.

Planned activities include bingo, games, rides, a dunk tank, bakery, arts and crafts, an ice cream social and more.

The public is invited to enjoy the "Festival of Angels," June 7 and 8 at Holy Angels Parish in West Bend.

Jepsen Awarded Aupperle Memorial Scholarship

New Fane Kettle Riders Snowmobile Club President Dennis Seidman, left, presented Wade Jepsen with the club's Third Annual James Aupperle Memorial Scholarship.

By GERRY MUELLER
Statesman Staff Writer

Wade Jepsen was recently awarded the Third Annual James Aupperle Memorial Scholarship, presented by the New Fane Kettle Riders Snowmobile Club.

The scholarship is presented annually at the Kewaskum FFA banquet in May, to a Kewaskum High School graduating senior, or one-year postgraduate who is continuing their studies in an agriculture related field.

Jepsen, the son of Mr. and Mrs. Robert Zubella, Highway W, Allenton, will be continuing his education in the field of veterinary medicine.

Graduates From St. Mary's Springs, Receives Awards

Brian Kluever

Brian Kluever, a senior at St. Mary's Springs High School, Fond du Lac, was awarded the National School Choral Award recently during the school's annual Spring Concert. The award recognizes the outstanding senior student who, through active participation and leadership during his high school years, has promoted the growth of music and musical activities within the school community. During the last four years, Brian has been a member of the Concert Choir, Swing Choir, and the Music Liturgy Group. He has participated as a soloist

and ensemble member for three years at the district level, and at the state solo-ensemble contest for the past two years winning a "First" for his tenor solo this May. He was selected as an alternate for the 1985 Wisconsin High School Honors Choir. He has also participated in the school musicals all four years having lead roles in "Godspell" as a junior, and as Emile de Becque in "South Pacific" this past spring. In addition to The National School Choral Award, Brian was nominated and accepted in the Who's Who in Music, and also received the Kiwanis Hall of Fame Award for Choral Music at graduation ceremonies on Sunday, June 1st.

Brian will attend Milwaukee School of Engineering next fall to major in electrical engineering.

Leukemia Campaign Here Raises \$68.30

Mrs. Jean Amerling of 9685 Highland Dr., Kewaskum, Chairman of the Leukemia Society's Residential campaign in the Village of Kewaskum announced the completion of the drive. A total of \$68.30 was raised.

The funds raised will support researchers seeking the cause and cure of leukemia, which takes the lives of more children than any other disease, and more adults than children.

The Wisconsin Chapter is located at 1442 North Farwell, Room 503, Milwaukee, Wisconsin 53202.

Degrees Awarded to More Area Students

Commencement exercises at the University of Arizona, in Tucson, Arizona, were held on May 17 in McKale Center.

Over 2000 students were candidates for baccalaureate degrees. Among those candidates was Scott A. Prosdomasky. Scott, a graduate of Kewaskum High School, received a Bachelor of Science degree in aerospace engineering. He was second in his class with a 3.8 grade point average on a 4.0 scale.

Scott received a Merit Research Assistantship scholarship from the University of Arizona and will be going on to graduate school there, studying fluid mechanics.

He is the son of David and Marlene Domasky and the son-in-law of Willard and Dolores Prost, all of Kewaskum.

.....

Menomonie, Wis. — Two students from the Kewaskum area were graduated May 10 at ceremonies held at UW-Stout.

They are John Wayne Rimmel (cum laude), son of Mr. and Mrs. Wayne Rimmel, 8650 Prospect Drive, Kewaskum, who majored in hotel and restaurant management; and Shelly Sekas (summa cum laude), daughter of Mr. and Mrs. Reuben Heidtke, 5846 Schneider Court, West Bend, who majored in home economics education.

.....

Fifty-six applicants for Associate degrees and eight applicants for Associate certificates were recognized at the University of Wisconsin Center - Washington County's Honors Convocation, Friday, May 23. Dr. Stephen Portch, Dean at UWC-Marathon County, delivered the convocation message that challenged students to explore liberal arts education and be open-minded to new ideas and disciplines.

Students were encouraged to be flexible, develop an individual style, and "declone" themselves so that they are different from their peers and receptive to creative thinking.

The following are applicants for Associate of Arts degrees: Kristin A. Backhaus, Tina M. Gallup, James F. Gruel, Kip G. Kusick, Denise P. Meyer, and Barbara A. Roskopf of West Bend; Randall T. Baker and Christine M. Piotrowski of Hubertus; Denise A. Schramm of Jackson; Pamela L. Schultz of Germantown; and Mark R. Umhoefer of Cedarburg.

The following are applicants for Associate of Science degrees: Sherry A. Czisny, Rhonda A. Diels, Bernard A. Ertl, Mary P. Hall, Charles J. Heying, Joanne B. Hron, Howard B. Johnson, Judith R. Keller, Robert J. Koller, Kurt C. Leberecht, Bridget M. Matenaer, Peter J. Rape, Gregory G. Sanders, Henry L. Schille, Kelly L. TenHaken, and Katherine M. Wieland of West Bend; Anne M. Baron of Allenton; Maribeth T. Becker, Steven P. Quick, Deborah A. Schink, and Karen A. Weninger of Hartford; Ronald N. Block, Michele R. Scheunemann, and Mary F. Schoenauer of Jackson; Joel F. Burow and Peggy S. Machacek of Slinger; Robert G. Carpenter of Germantown; Kenneth R. Heisdorf of Kewaskum; Diane R. Lofy and Peter T. Merten of Richfield; Linda S. Prochaska of Saukville; Dan P. Reichert of Colgate; Timothy A. Robertson of Oshkosh; Debra K. Mathews and Debra K. Woods of Hubertus.

The following are applicants for Associate Certificates: Jodi S. Duenkel, Leila A. Heckenlaible, Katherine L. Leitzen, Laura K. Schille, Brian R. Schommer and Kathy A. Vorwerk of West Bend; and David J. Groth of Slinger.

Receiving degrees in January, 1986 were: ASSOCIATE OF ARTS - David

B. Jones and Sunni J. Salaj of West Bend; and Theodore J. Meils of Rubicon. ASSOCIATE OF SCIENCE - Diane M. Kolter, Gerald W. Kudek, Doreen B. Oakley, Russell W. Olson, Heidi M. Potts, and Clifford S. Yantz of West Bend; and Rosemary LaMalfa of Port Washington. ASSOCIATE CERTIFICATE: Mark A. Helmle of West Bend.

Rate Reduction Requested by Electric Co.

Another rate reduction was requested May 28 by Wisconsin Electric Power Co. — its fourth in three years.

The company asked the Public Service Commission of Wisconsin to approve a \$16.8 million, or 1.6 percent, rate decrease for its more than 800,000 Wisconsin retail customers effective immediately. The rate decrease will be in the form of a credit of 0.1 cents per kilowatt-hour for each kilowatt-hour used after approval by the PSCW.

"We've experienced lower fuel and transportation costs, primarily due to the company's success in obtaining lower-cost coal, and we intend to reflect this success in rates to our customers," said David Porter, WE vice president Corporate Planning. About 60 percent of the company's electricity is generated at coal-fired power plants.

The net effect of the latest reduction is that a kilowatt-hour of electricity for the remainder of 1986 will cost about the same as it did in 1982.

Porter noted that the latest rate reduction would be the fourth since early 1984. In addition to the January 1984 reduction, there were two rate reductions in 1985 followed by a small rate increase in January 1986.

The \$16.8 million reduction — after approval by the PSCW — will cut the annual bill of a typical WE residential customer by about \$6.

Flight for Life Gets New Helicopter

The FLIGHT FOR LIFE program of the Milwaukee Regional Medical Center announces the arrival of its new emergency medical helicopter — the Bolkow 117.

The new helicopter is larger, faster and can travel greater distances than the retiring Bell Long Ranger.

Program Director, Barbara A. Hess, says this is a case where "bigger is better." The BK 117's cabin is large enough to carry two patients, a flight nurse and physician as well as other medical specialists, as necessary.

The BK 117 has twin-engine safety and large double doors in the rear for easier loading of patients. "Not only is the twin engine safer, but because of its hovering capabilities, it will be

able to make water-rescue flights," says Hess.

Even though the vehicle is larger, it still only requires a 60 x 60 foot landing area. It flies at a speed of 155 mph and can fly for three hours without refueling. Hess hopes that these capabilities will reduce the number of flights missed when out on another call.

"The new helicopter is arriving just in time to handle the busy summer season," says Hess. The number of flights usually increase by approximately 50 percent during the summer months.

Since the program began in January, 1984, the helicopter has made 883 life-saving flights. The program's airplane service, FLIGHT FOR LIFE - Long Distance which began in May, 1985, has made 80 transfers.

FLIGHT FOR LIFE is sponsored by Froedtert Memorial

Lutheran Hospital Milwaukee County Medical Complex and the Medical College of Wisconsin, all members of the Milwaukee Regional Medical Center.

The new FLIGHT FOR LIFE BK117 will be available for inspection at the helipad at Milwaukee County Medical Complex, on Thursday, May 15 from 10:00 a.m. until 12:00 noon. There is always the possibility it could be out on a flight. You may want to check with the Flight office at 778-4577 before making the trip.

Jim Blanchard, state vice president - general manager.

Blanchard said the charge is to cover the local telephone company's cost of providing connections to the long distance network for the customer. "It's the second step in a move to place the cost of providing telephone service where the cost actually is," he added.

The common access line charge, CALC, was set by the Federal Communications Commission, and will be included on customer billing statements. An insert further explaining the purpose of the charge also will be included.

"Traditionally, customers only paid part of the connection costs with long distance customers subsidizing the rest," remarked Blanchard. "CALC will more fairly apply the costs of providing access service to actual users of it," he concluded.

GTE Common Access Line Charge Increase

General Telephone's customers will be charged another dollar per month beginning June 1, according to

A Better Deal!

A FIXED RATE (FR) LOAN

may not be a bad choice... but when interest rates go down it can be a losing hand that costs more and may be very expensive to refinance.

AN ADJUSTABLE RATE (ARM) LOAN

is a good choice with low initial interest rates and guaranteed to remain competitive with the market.

A VARIFIXED LOAN IS THE REAL "ACE"!!

- ✓ Low initial interest rates like an ARM
- ✓ Guaranteed payments like a Fixed Rate Loan
- ✓ No need to refinance
- ✓ Rate goes up and down with the market...you never have to outguess the economy
- ✓ The term changes...not your monthly payment and the term never exceeds 30 years

NEW VARIFIXED MORTGAGE

- ✓ 8.75% (APR) Rate
- ✓ 15 year initial amortization period
- ✓ 30 day guaranteed rate commitments
- ✓ Less "red tape" than Fixed Rate Mortgages
- ✓ Borrow up to 90% of the value of your home (PMI necessary if less than 20% down)

Holy Trinity Celebrates 125th Anniversary

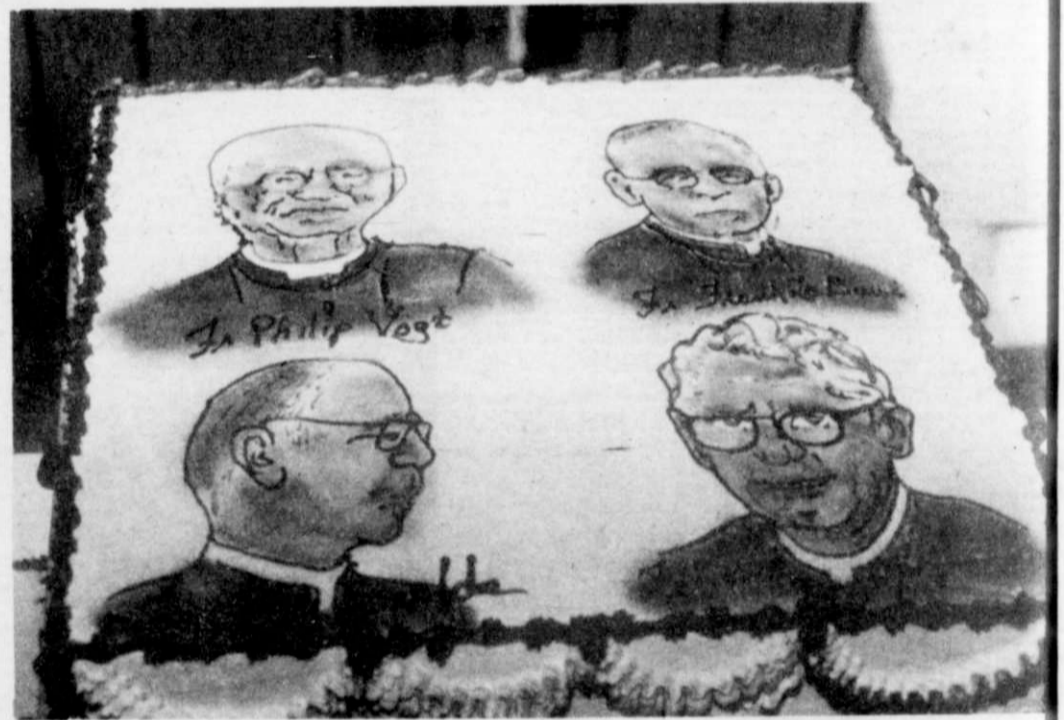

Archbishop Rembert Weakland blessing the new altar installed in Holy Trinity Church as part of its recent major redecoration and renovation project at the parish's 125th anniversary celebration mass on Sunday, May 25.

A portion of the capacity crowd of parishioners, guests and visiting priests attending the celebration mass.

Archbishop Weakland, second from left, Father Robert Berghammer, pastor, some of the visiting priests and guests partaking of the anniversary dinner, which followed a reception at Amerahn Hall. Close to 500 persons attended the dinner, which was followed by a program and dance.

Three of the former pastors and Father Berghammer were portrayed on one of the five beautifully decorated anniversary cakes. They are: Rev. Philip Vogt, top left, 1895-1941; Rev. Frank LaBuw, top right, 1941-1958; Rev. John Budde, bottom left, 1958-1982; Rev. Robert Berghammer, bottom right, 1982-.

The cakes were baked and decorated by parishoner Arnold Stommel. (Photos by Ann Neumann)

The banquet began at 7:45 p.m. with a potluck supper. After the supper, the 1985-86 Key Club officers, Adrienne

Thull - president, Michelle Nigh - secretary, and Ann-Marie Horner - treasurer, were retired from office by Eileen Kurtz, current advisor of Key Club. Brad Benz, Lieutenant governor of district two, inducted the new officers who are Ann-Marie

Horner - president, David Nigh - vice-president, Sherry Becker - secretary, and Joel Fleury - treasurer.

Kevin Laughlin, the district treasurer and Lynn Roth the ex-lieutenant governor of district two attended the banquet.

New Key Club officers are, left to right: David Nigh, vice-president; Ann-Marie Horner, president; Joel Fleury, treasurer, and Sherry Becker, secretary.

The retired officers are, left to right: Ann-Marie Horner, treasurer; Adrienne Thull, president; Claudie Kleinke, vice-president, and Michelle Nigh, secretary.

New Mortgage Loan Plan Announced by West Bend Savings

West Bend Savings' President and Board Chairman, Richard A. Larson, announced the introduction of a new type of residential mortgage loan plan. The new plan, known as Varifixed, was developed over the past several weeks to meet the needs expressed by both new home buyers and current homeowners seeking refinancing of high rate mortgages made within the past 5-6 years.

Larson said, "We have been hearing a need for a new home mortgage plan with low initial interest rates, low downpayment, reasonable underwriting rules and a fixed monthly payment.

"Though an adjustable rate mortgage meets the needs of most borrowers and can actually save them a great deal of money in the long run, some homeowners will pay a premium for a fixed payment loan."

The Varifixed mortgage plan meets each of the needs expressed by borrowers. It offers the opportunity to have a low interest rate mortgage at all times without ever having to refinance. The term of the mortgage is decreased or increased as the interest rate periodically changes to the then prevailing market rate.

Larson added, "The Varifixed rate mortgage is amortized on the basis of an initial 15 year term. When interest rates change the term will be changed, but it will never exceed 30 years from the time of each change and there

will be no negative amortization."

"Because the Varifixed mortgage offers much lower initial interest rates than a fixed rate mortgage, yet still gives the borrower a guaranteed monthly payment for the life of the loan we expect it to be popular with those people normally attracted to fixed rate mortgages." Larson added.

West Bend Savings and Loan is the largest volume residential mortgage lender in Washington County and also offers fixed rate, adjustable rate, FHA and VA mortgages in addition to the Varifixed mortgage. West Bend Savings is a member of the Financial Resource Group and an Equal Housing Lender.

Working With PLANTS

Q. What is the best way to root pieces of some of my favorite houseplants?

A. From a vigorous, healthy houseplant you want to duplicate, with a sharp knife cut 4 to 6 inches from the tip of stems or shoots from the base of the plant. Dip the cut end in ROOTONE® brand rooting hormone to stimulate roots to form faster. Then make a small hole in the rooting medium (sand, peatmoss, vermiculite, soil or a combination). Insert the cutting and firm the medium around it. Keep the medium moist but not wet, and away from direct sun while the roots form, producing new plants which will be just like their parents. Details for the procedure are on the ROOTONE® brand packaging, which is available in garden stores.

County 4-H Clothing Revue Held

"Looking and feeling good in the clothes you wear" is a lifelong skill that 4-H emphasizes at the County 4-H Clothing Revue that was held May 10, 1986, at UWWC, West Bend.

Thirty 4-H youth participated in the 1986 Fashion Explosion. The Clothing Revue provides an opportunity for youth to construct a garment and model it. The individual is evaluated on the overall look, individual appearance and the fit of the garment. Margaret Gawlik, a graduate home economist, judged the 1986 Fashion Explosion. Margaret is a graduate of UW-Stout.

The Clothing Revue is divided into four divisions. Youth participating in first year Beginning Designers included Rachel Heidtke, Jaimie Heimerl, Kris Kieselhorst, Anne Mertz, Beth Mueller,

Tracy Neuberg, Beth Schaefer, Julie Yahr and Rachel Propp. Rachel Heidtke and Kris Kieselhorst received the top blue awards in their division. They were awarded the Anna Lhotka Memorial Award. Youth participating Beginning Designers were Angela Heimerl, Tracey Jaeger, Karen Nadelhafer, and Teri Schulteis. Tracey Jaeger and Teri Schulteis were awarded top blue awards in their division.

Intermediate Designers included Jenni Buchholz, Holli Etta, Michelle Etta, Lynn Hammen, Diana Buckmann, Chrystal Jaeger, Jamie Lepien, Jennifer Liegl and Linda Prost. The top blue awards were received by Jenni Buchholz and Lynn Hammen.

Advance Designers included Jeanne Awve, Dianne Hammen, Cindy Rauh, Diane

Schmidt and Ann Shaw. The top blue awards were received by Jeanne Awve and Ann Shaw.

Gift certificates awarded to the top designers were sponsored by Hartford Ben Franklin, Halla's Variety, Royce Fabrics, Julie Ann's Fabrics, Main Exchange, Decorah Yarn Shop and Pik Place.

In addition, the youths selected a Teen Choice award. This is the garment the youth feel is top in their division. Teen Choice winners were Julie Yahr, Angela Heimerl, Holli Etta and Dianne Hammen.

Youth age 14-18 are eligible for State Fair selection. Washington County's 1986 State Fair delegates will be Jeanne Awve, Myraneers 4-H Club, and Dianne Hammen, Badger Booster 4-H Club. First alternate was Cindy Rauh, Badger Boosters 4-H Club, and

second alternate was Diana Buchmann, also of Badger Boosters.

Participants in Clothing Revue learn much more than how to sew a straight seam. Careful consideration of color, line and design all contribute to the total look.

How we look and appear to others can have a direct effect upon how we feel about ourselves. Over 35 youth and adults participated in four mini-sessions on "Looking Good, Feeling Great" in the afternoon. Mini-sessions included color analysis and accessories, make-up and hairstyles, modeling plus, fashion and patterns for spring. The workshops were taught by Kathy Schulteis, Sharon Schulteis, Ann Shaw, Jeanne Awve and Dee Berglin of Royce Fabrics.

The 1986 4-H Fashion Ex-

plosion was planned and conducted by the 4-H Home and Family Committee — Maggie Seidemann, Chairperson; Amy Anderson, Diane Jaeger, Bernie McClarren, Kathy Schulteis, Arlene Prochnow, Holly Prochnow, Ann Shaw and Barb Shaw.

If we know we look good in the clothes we are wearing, that gives us one less thing to worry about during our hectic days at school or out and about. Looking good and feeling great focuses on projecting our innerimage and what type of long lasting effect we are having on others. And that is what the new 4-H Looking Good...4-H Clothing Connections project is all about! You can see the 1986 Fashion Explosion on Friday night, July 25, at the Washington County Junior Fair.

Thirty-one children ranging in age from three to five attended the 9th annual nursery school sponsored by the two child development classes offered at Kewaskum High School.

The program, headed by Home Economics teacher, Mrs. Carol Martin, lasted from May 5 - May 15 and completed a necessary aspect of the semester class that studies the areas of development in

children of that age group.

The nursery school not only provided the students with an opportunity to gain "hands on" experience with the skills and knowledge they acquired through the class, but also offered the youngsters a chance to make friends and learn by participating in activities of art, science, dramatic play, story-time, math, and music that the pupils have organized.

The personal needs of prisoners can be met as we have a vocational and technical facility nearby, and a hospital for emergency medical treatment of staff or inmates if needed. Adding to the practicality of the Waupun site, we have wastewater treatment plants available to handle the increased activity of a prison and also adequate landfill facilities.

But most important, we have local and area support for a new prison here in Waupun. Our citizens have stated such in a referendum vote — they have adjusted to a prison in the community. There has also been considerable legislative support for changing the site from Milwaukee to Waupun but it appears this serious problem is being made into a personal, partisan, political issue by Governor Earl which is completely ridiculous.

What the Governor, legislators and others haven't come to realize is that the taxpayers of Wisconsin are getting fed up with the amount of tax dollars being spent in naming more sites and buying more land. The cost of searching for a state prison has topped the \$8 million mark and the meter is still ticking. Land purchases, environmental impact statements, legal fees, etc., have conspired to raise the taxpayers' cost of getting a new prison built.

I believe at this point in time, the state is juggling its corrections' population figures now that the State Supreme Court has ruled on a lawsuit testing the legality of actions of Governor Earl and the Legislature in its dealing with the prison site issues. The state is withdrawing state prisoners from the Milwaukee County House of Correction and will soon return Wisconsin inmates from the Minnesota prisons — a move that will temporarily increase the population and overcrowding at current state prisons. However, this overcrowding may be relieved for a short time by the new correctional institutions at Portage and Oshkosh.

I venture to say that in addition to costing Wisconsin taxpayers millions of dollars, the prison issue is going to pop up at the polls next November when the people of Wisconsin elect a governor and other state officials. The Milwaukee site is a "hot potato" they can't afford to hold onto, and common sense would dictate that someone use leadership and build an addition or new prison, whatever is really needed, at Waupun.

This is the reason you should be contacting your legislators now that the State Supreme Court has spoken. It is imperative that state legislators demonstrate leadership and concern for our tax dollars by designating Waupun as the site for a new prison.

I ask you and all Wisconsin taxpayers: "How much of a price do you want to pay for the mistakes of our State Administration which have been a major disappointment to us all?"

A great deal of money has already been wasted and more is at stake. How much more can you afford?

NEWS EXTRA...

Strawberries Are Ready for Picking

Wisconsin strawberries — red, ripe, juicy, flavorful, mouthwatering...and nutritious—will be available in markets and at pick-your own operations from June until late July.

In spite of cold April weather that froze some blossoms, growers are reporting that the plants are rebounding, and the strawberry harvest should start the first week of June in central and southern area of the state, says Ron Erdmann, Marketing specialist with Wisconsin's Department of Agriculture, Trade and Consumer Protection (DATCP).

"When buying picked berries, look for firm, plump, full-colored berries that still have their green 'caps' on," advises Erdmann. "Medium to small berries have the best eating quality," he adds.

When picking your own, pluck all the ripe red strawberries in your assigned row. Large or small, a red berry is a ripe and ready to eat berry. Look under the leaves, the best berries often hide out of immediate sight, he explains.

"Don't pick green berries or white tipped berries, they won't ripen after picking. When picking, pinch the stem of each berry individually from the plant. Do not pull the berry by the fruit; strawberries bruise easily. Protect your picked berries from sunshine and don't leave them in a hot car. Refrigerate them as soon as possible," says Erdmann.

"Leave the hulls on the berries until they are washed and ready to process," he adds. Rinse your strawberries gently.

Before going to pick your own, call ahead to a grower and check hours, crop availability, and whether or not the producer provides picking containers, advises Erdmann.

To choose a strawberry farm in your area, check local advertisements, or contact DATCP for a brochure listing approximately 150 growers. To get the pick-your-own brochure, send a self-addressed, stamped envelope to Strawberries, DATCP, P.O. Box 8911, Madison, WI 53708. Another brochure, "Berry Good Recipes," is also available.

Pick-your-own listings are also available from county extension offices and tourist bureaus throughout the state.

Letters to the Editor

Dear Editor:

Two sterling happenings in Kewaskum schools last week:

BALLOON DAY at Kewaskum Elementary. Volunteer mothers inflated balloons for the kids to launch their own with messages. Plus a demonstration by a true-size hot air balloon — too windy to launch, but exciting! Mothers and teachers on breaks bagged popcorn for everyone, plus served juice. Classes decorated their doors with hot air balloon art and many wore their Apple T-shirts. A very "up" day for all! And a golden apple to teacher Sharon Ammel for organizing the fun.

Art Show, KHS. Simply amazing that Rose Hall was transformed into a momentary, sophisticated art gallery — fresh flowers, pleasing display and presentation of numerous works, mouth watering refreshments — and chamber music duets performed by members of KHS Music Dept. All of this setting focused on the power, the talent, the visual energy and directed growth of KHS art students. Many of the senior students displayed works from their four-year portfolios. Simply amazing.

Award-winning selections by those students recognized at the recent Performing Arts Center, Milwaukee, show were also displayed. An added plus was being able to talk with all the artists about their works.

Congratulations to Art

Director John Baitinger and the artists! We look forward to another stimulating show next year.

Sincerely,
M.A. Peterson

Dear Editor:

The State of Wisconsin has been handling the new prison site issue like a bull in a china shop, and this would be a matter of concern to your readers and all the taxpayers in the area. Bluntly put, if there is a need for a new prison in addition to the two now being built by the state, it should be in Waupun for countless reasons that make sense and could save Wisconsin taxpayers millions of dollars.

The facility should be located at Waupun instead of Milwaukee because we already have 1,000 acres of state-owned land available, and sewer, water and utility services are readily available, including a central generating plant nearby that can be expanded. In addition, the state's central warehouse is located in Waupun, and the State of Wisconsin Emergency Response team is headquartered in Waupun providing adequate special protection needs for riots, demonstrations and other institution emergencies. We have fire and police departments trained and experienced in dealing with situations that arise in and around a prison.

Balloon Week at K.E.S.

"It's Coming," "It's Coming," read the signs up and down the halls of Kewaskum Elementary School during the week of May 27-30. What the children were waiting for was a hot air balloon owned by Debbie Spaeth and Tom Shepherd of Jackson.

The balloon arrived on Wednesday, May 28. It was laid out on the playground and inflated while the whole student

body and many parents watched. Due to the afternoon winds, the balloon stood upright only a short while before the crew had to let the air escape.

Debbie talked to the children about hot air balloons and what makes them work. Later, the students were given time to ask questions. They discovered that such balloons cost up to \$20,000.

Earlier in the day all the

classes met on the playground for a mass launch of helium balloons. A few became entangled in the old village water tower, but most flew off to the west.

The first reply from someone who found a balloon came later that day. The balloon belonging to Chad Schoofs was found in Terry Schaub's field. Friday, two of the teachers received a reply from Markesan, Wis.

The students were involved in many other "balloon" activities during the week. They watched a video of the 1985 Balloon Rally at Wisconsin Dells, read stories about balloons, and decorated the school with their own pictures of hot air balloons.

Friday morning was the final activity, judging of the balloon designs on the classroom doors. Our esteemed judges were Mrs. Jeanne Moe, Mrs. Laverne

Hron and Mr. Dan Schmidt. Results of the contest were:

Gr. 1-2: 1st - Mr. Schneider.
Gr. 3-4: 1st - Mrs. Erickson.
Gr. 5-6: 1st - Mrs. West.

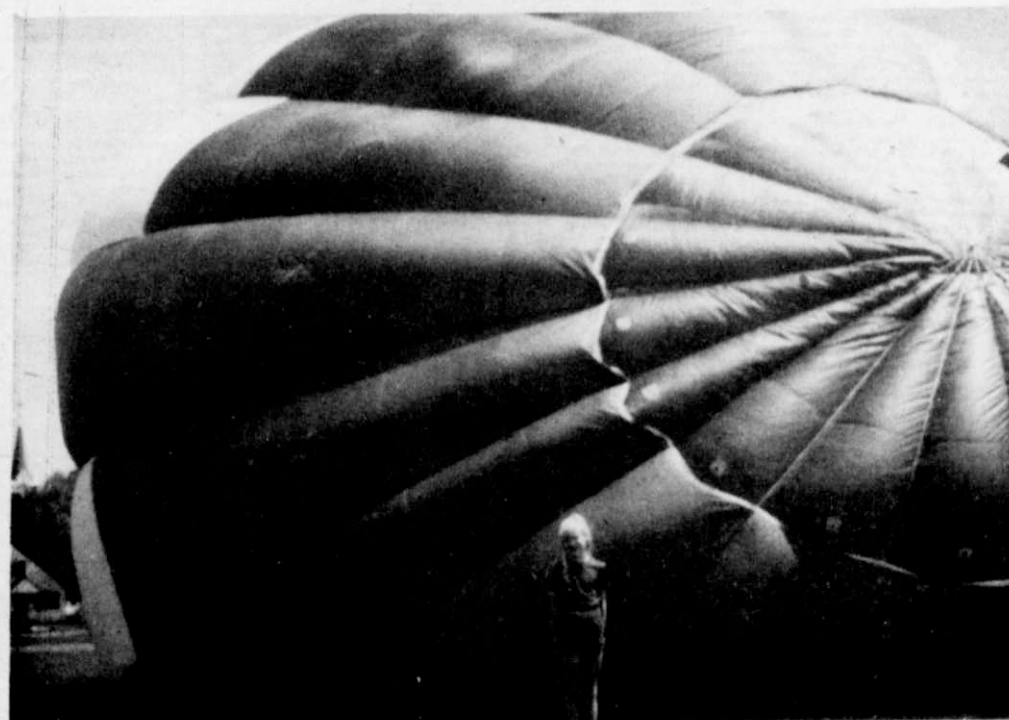

Ungraded: 1st - Mrs. Krautkramer.

All the classes received ribbons for their excellent work.

The staff and student body wishes to thank all the parents and judges who helped out during the week.

The Kewaskum Elementary School students just before the mass launch of their helium balloons.

Stacy Schultz, a Kewaskum Elementary School student, stands in front of the huge hot air balloon which was on display on the playground last Wednesday. She looks like a midget in comparison to the enormous balloon.

Congressman
JIM SENSENBRENNER
Reports

MEDICARE: THE RIGHTS OF A PATIENT

If you use Medicare or have a family or friends who qualify for it, you, your family and friends should know your rights regarding the system.

In creating Medicare 20 years ago, Congress made a commitment to securing older Americans' access to medical care. While Medicare has helped reduce the financial barriers to health care for its beneficiaries, its costs have risen sharply, rising at an annual rate of 13 percent. Expenditures for the Hospital Insurance Trust Fund (Part A of the Medicare program) are responsible for a large part of rising Medicare costs. Such increases have

serious financial implications for this trust fund.

In an effort to contain expenditures from the Hospital Trust Fund, in 1983, Congress radically changed Medicare's hospital payment system. Cost-based reimbursement was replaced by a prospective payments system (PPS) based on fixed per-case payments for hospitalized patients in 468 diagnosis-related groups (DRGs). This proves an incentive for hospitals to reduce their costs.

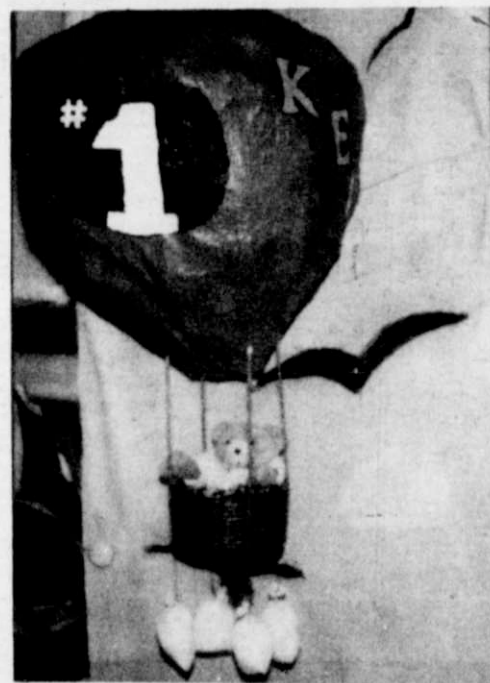

There is concern that such a system may encourage a reduction in the quality of accessibility of hospital care. Although the verdict is not yet in, there are certain rights Medicare patients should be aware of in order to ensure that

they receive the best possible care. When facing hospitalization, keep in mind the following:

*Upon admission to the hospital the patient should begin to make plans for post-hospital care. If additional medical attention is needed after the patient is discharged, find out what types of services will be covered by Medicare and work with his/her physician, hospital staff, and family members to make necessary preparations.

*The patient should not hesitate to ask questions of his/her physician, the nursing staff or other hospital staff, including the patient representative, the director of nursing or the director of social services. Since they are directly responsible for patient care, they should be the first source of information.

*If you are dissatisfied with the quality of hospital care received and have talked with hospital staff or if you believe that you, a family member or friend are being discharged too early, there are options of recourse. You should contact the Wisconsin Peer Review Organization (PRO) with your questions at: 756 N. Milwaukee Street, Milwaukee, WI 53222 or telephone: 414-271-0336.

Mrs. Krautkramer's room was overall winner of the balloon designs on the classroom doors.

WANTED: VOLUNTEERS!

Here is a partial list of the opportunities available to you RIGHT NOW through the Voluntary Action Center of Washington County — a clearinghouse of volunteer experiences available and matched to fit your needs.

DRIVERS...the American Cancer Society needs your help. They are in need of a volunteer who can drive a person to Milw. Co. Hospital for treatment everyday - weekdays through the middle of June (11:30 a.m. to 2 p.m.). A car is available or you can use your own. Gasoline expense is paid. An excellent opportunity for MANY PEOPLE to get involved in — all scheduled around your calendar. Call the Voluntary Action Center today!

CHAPERONES...are needed by the Park & REC. Dept., WB, for summer field trips and programs. More details available - call us today!

CAREFUL LISTENERS...are needed as volunteers to learn how to take blood pressure readings for industrial screenings (which will be scheduled). Requirement is good eyesight and hearing. Hours requested - 4 hours, once a month! Another opportunity for you to learn a new skill and help others!

SPECIAL VOLUNTEER...is needed to help a 26-year-old man with gaining driving experience and confidence while preparing for his driver's test. This is a vital need and can lead to a greater independence for him. Volunteer needs to have an automatic shift car - gas is provided.

PIANO PLAYER...is needed at the Samaritan Home - evenings. Hours vary - call us for more details. Use your talent and spread some joy!

LAUNDRY - GARMENT HELPER...is needed at the Samaritan Home. Some tasks available include mending, cleaning, sorting clean garments. Hours flexible - call us

for more details.

PRODUCTION AIDES...are needed at the Threshold, Inc. Skills needed: ability to work one on one with disabled people, inspection skills. Hours are flexible. Call us for more details.

If you're interested in any of these opportunities, please call the Voluntary Action Center at 338-8256. We're designed to match you with a satisfying volunteer experience and we have over 30 local agencies registered so we can offer you quite a variety! Call today — 338-8256.

This column is prepared by Laurie Mertens, volunteer, P.R. Coordinator for the Voluntary Action Center. Another reminder that volunteering doesn't cost...it pays!

JUNE 10 FINAL PLANTING DATE FOR INSURED CROPS

June 10 is the final planting date for insured grain sorghum and soybeans in Washington County, according to Jerold Van Beek, a representative for the Federal Crop Insurance Corporation (FCIC).

Insured grain sorghum and soybeans planted by June 10 must be reported by June 25 in order to receive full crop insurance coverage. The acreage report reflects the actual acreage planted and reported by the Farmer.

"During the growing season, if damage occurs, notice should be given promptly," Van Beek said.

A new crop insurance plan, called actual production history (APH), is available this year to

producers of soybeans, wheat, barley, and oats in addition to corn, grain sorghum and other crops. "Increasingly, insured producers are discovering that with a yield guarantee which reflects production capability, crop insurance establishes a farm income floor. Thus, cash flow and the ability to repay a loan may be more accurately projected," explained Van Beek.

Ice Mountain in West Virginia has ice at its base even on hot summer days. Cold air sweeping through underground passages forms the ice.

Mr. E. E. Skaliskey, who has been principal of the Kewaskum public schools for the past nine years, was elected County Agricultural Agent of Washington County, at a recent meeting of the County Agricultural Committee, to succeed Elmer D. Byrns, who held the post for many years. Mr. Skaliskey will assume his duties as Agricultural Agent June 8th.

Kewaskum High School was represented at the 17th annual Wisconsin School Music Festival as 4,000 high school students invaded Madison last Thursday and Friday. Charlotte Romaine of this village, who earned the right to compete in the state contest by winning in the district contest held at Plymouth recently, participated

in the soprano vocal contest Friday morning. Rosemary Haug played the accompaniment. We are very happy to be informed that Charlotte although but a sophomore in school, placed second in her division.

Eighth grade graduation of the pupils of Holy Trinity School in this village was held June 5, in the church. The nine pupils who comprise the class roll are: Carroll Haug, Louis Heisler Jr., Paul Kral, Robert Gruber, Lois Geib, Alice Koepsel, Anna Schoofs, Claudia Beisbier and Ruth Runte.

The 1936 graduation exercises of the St. Michael's parochial school were held June 5 at the church with a class of nine pupils receiving their eighth grade diplomas. They are: Rose Theusch, Eleanor Schmidt, Alice Schneider, Bernice Roden, Irene Wiedmeyer, Werner Hoerig, Edward Cechvala, John Schaeffer and James Hogan.

The businessmen of Kewaskum have again made possible the bringing of talking pictures to this village every Saturday evening during the summer. This year the pictures will be given alternately on the vacant lot between the Bank of Kewaskum and Otto Graf's drug store, and the vacant lot between the Miller drug store and A. G. Koch warehouse. The first talkies will be presented June 13.

The following communicants will receive their First Holy Communion at St. Kilian's Church Sunday: Madaline Ruplinger, Gladys Kern, Orville Ruplinger, Alton Schrauth, Raymond Boegel, Lester Strobel, Harold Bonlender, and Raynor Herriges.

**Register Now for
 UWWC Basketball
 Camp for Girls**

Registrations are currently being taken for the University of Wisconsin Center-Washington County's Commuter Basketball Camp for Girls. Two camps will be held this year. The first camp runs from June 16-20, 8:30 a.m. to 4:00 p.m., for girls presently in grades 5, 6, or 7. The second camp runs from July 21-25, 8:30 a.m. to 4:00 p.m. for girls presently in grades 8, 9 or 10.

The coaching staff will be comprised of experienced players and coaches who have been a part of championship teams.

Thomas Brigham, Associate Professor of Physical Education and Athletic Director at UWWC, will head the staff. Brigham has coached many winning teams and was named women's basketball Coach of the Year for the Wisconsin Collegiate Conference in 1982 and 1983. Brigham will be assisted by Rick Riehl and John Larson. Riehl guided the West Bend Suns to the 1984 Class A Wisconsin Girls' State Basketball Championship in 1984 and was named State Coach of the Year by the Associated Press and United Press International in 1984. Larson is coach of the West Bend West Junior Varsity basketball team. His six years of experience at West has led him to develop video tapes and skill analysis programs for the school system and WBCC television.

Rounding out the coaching staff is Renee Gross of Marquette University, Ann Schneider, and Cheryl Kraus. All three women are former stars on West Bend East's basketball championship teams.

Registration fee for the camps is \$75.00. This cost includes all supplies, insurance, lunches, snacks, camp T-shirts, team photos, and video-tapes of individual skills and team competition.

The camp will be held in the University of Wisconsin Center - Washington County gymnasium, 400 University Drive in West Bend. To apply for the camp or to receive more information, write or call Betty Pearson, 414-338-5233, 400 University Drive, West Bend, WI 53095.

Registration for the first camp is due immediately. Registrations will be accepted until June 30 for the second camp.

**Jaycee Little League,
 Softball Teams to
 Sell Henco Products**

The Kewaskum Jaycees are again giving their Little League and Youth Softball players a chance to earn for themselves needed equipment - gloves, bats, balls, etc. There are also other sports related prizes the players can earn too, by selling Henco products.

The products for this year's sale are: Henco's Household Products and Henco Show 'n Store Canisters. The Household Products - degreaser and multi-purpose cleaner were sold by the leagues about 4 years ago. They are back again by popular demand. The Show 'n Store Canisters are a relatively new item and come filled with favorite treats, like popcorn, candy or dried fruit.

The sale is scheduled to run from June 4th thru June 16th. Proceeds from the sale, excluding the money for the prizes earned by each child, will go to support the Youth Summer Ball Programs and Jaycee Community functions.

Families, friends, neighbors - support your children in their efforts. It's a good experience for them to earn their own equipment - it's a great way to support our community.

If you would like to order Henco products, but have not been asked - please call 334-7033 (evenings after 5.) ... and don't forget - everyone is welcome to join in watching our summer games at the new park on Monday and Wednesday evenings starting June 4th.

**WEST BEND COUNTRY CLUB
 WOMEN'S ASSOCIATION**

Women golfers of the West Bend Country Club competed in a "kicker's tournament" on Wednesday, May 28. Players were permitted to throw out two highest scores on the front nine and the back nine holes. Phyllis Gonring and Jinny O'Meara served as hostesses on the first tee.

Winners were as follows: 18-hole golfers - Class A, Judi Mottl, 60; Class B, Marion Scheunemann, 70; Class C, Barb Esenberg and Laverne Alston tied, 78; Class D, Betty Lewis and Barb Dambeck tied, 82.

9-hole golfers - Class A/B, Phyllis Gonring, 43; Class C, Maricolette Walsh, 48.

The June 4 event is "pick a partner alternate shot," with Joan Heimsch and Rose Johnson serving as hostesses.

Women golfers who are entered in the June Tournament are expected to complete their first rounds before or on June 4.

**KM Amateur Golf
 Tourney at Hon-E-Kor**

The Kettle Moraine Amateur Golf Tournament is scheduled for this weekend, June 7 and 8, at Hon-E-Kor in Kewaskum. It is a 36-hole medal play event.

Mike O'Connor Jr., Hon-E-Kor member from West Bend, won the tournament last fall, breaking the Kettle Moraine Amateur by seven strokes with a 134 total on rounds of 65-69.

The event is open to all amateur players in and around Washington County. Golfers can request being in the Championship Flight, which will include the low 20 qualifiers. There will again be a scratch two-man best ball event.

**Oldtimers to Honor
 'Addie' With Award**

Juneau's major league Hall of Famer, the late Adrian "Addie" Joss, (1880-1911), will be remembered with an Honorary Hall of Fame plaque by the Rock River League's Oldtimers' Association.

Association Pres. Carl Heimerl, Jackson, this week announced the presentation will be made in union with other honors during Joss Athletic Field dedication ceremonies at Juneau the last weekend in June.

Since Joss' baseball years (1895-1911) preceded the Rock River League's beginning (1929), he did not play in the league and could not be enshrined in the Rock's prestigious Hall of Fame, except as an honorary member, the Hall's first.

Oldtimer Association members presently are engaged in a pair of activities.

They're invited, along with their families and friends, to join in Rock River League (Fun) Night at Milwaukee Co. Stadium on Friday, June 20, when the Brewers tangle with the Tigers.

And they are voting on 12 nominees to the League Hall of Fame. Six will be inducted in the association's 7th Annual Banquet for all members, their laides and families on Oct. 18.

**Lake Michigan Lake
 Trout Bag Lowered**

Indians Win Doubleheader From West Bend East

After a time limit 11-6 loss to Germantown and a comeback 15-0 shutout win over Sheboygan Falls in the Germantown Baseball Tournament, the Kewaskum Indians showed strength by taking a pair in a doubleheader against West Bend East here Thursday, 5-1 and 9-6.

The Indians started Eastern Wisconsin play this week with a 4-1 pre-season record, even though ace left-hander Don Menzel will be out for a couple of weeks after breaking his right elbow in a physical education class recently.

Kewaskum could be a contender for the EW championship this year with eight returning lettermen, including two first team all-conference selections. Leading the veterans are the battery combination of Menzel and Tim Dettmann, all-conference catcher. Dettmann batted a powerful .446 last year and Menzel established a 5-2 mound mark before coming down with mononucleosis. He also was the team's leading hitter with a hefty .538 average.

Other lettermen include seniors Rick Staehler, Bob Yahr, Jack Aupperle, Jeff Newhauser and Tim Rohlinger, and junior Mark Schlosser. Other good prospects moving up are Troy Zimdars, Darryl Landvatter, Rick Krahl and Tim Bingen. Two sophomores, Jeff Miller and Mike Morrell, also made the varsity.

Strong points should be the pitching with Menzel, Rohlinger and Yahr back. The infield should be stronger and the team should show more speed in the outfield. Kewaskum was 13-15 overall last season and reached the sectional final before being eliminated, 4-3.

In the first game of the twin bill against West Bend East, the Indians made the most of only four hits and an outbreak of walks. East starter Klay Shannon shut out Kewaskum for the first three innings, while the Suns scored their only run in the second inning.

In the fourth, however, Rohlinger's single, a hit batsman and four walks produced two for the Indians. Shannon was relieved by Mark Munding in the fourth, who gave up another run in the fifth. The Indians scored two insurance runs in the sixth on Schlosser's single to score Newhauser and Bingen.

Rohlinger went the distance for the winners, getting the victory while giving up just four hits.

East got a run off Yahr, winning pitcher, in the first inning of the second game. Kewaskum came right back with a score in its half on Dettmann's home run. The Indians added three in the second, headed by Miller's triple scoring Newhauser and Zimdars. Dettmann tripled and scored on Aupperle's hit and Aupperle scored later.

Kewaskum added three more in the fifth on one hit, a single by Staehler, and three balks. The Suns scored single runs in the second, third and fifth. Down 9-4 going into the sixth, East sent seven men to the plate

and narrowed the gap to 9-6.

KHS Athletes Eliminated In Sectional Competition

Last week mention was made that no members of the Kewaskum girls or boys track teams in the WIAA regional qualified for the sectional. We were under the impression that only the top two athletes in each event advanced. However, in regionals the top three qualify and only in the sectionals do the first two qualify.

Third places were won by Lisa Fusek, 5' in the high jump; Brenda Vetter, 62.9 in the 400; Lisa Steiner, 51.2 in the 300 hurdles; Patti Padden, 35.3 in the shot, and Mark Johnson, 15.9 in the high hurdles. All were eliminated in the sectional

at Manitowoc Thursday.

The Indians' only qualifier in tennis, sophomore Craig Hubbell, was eliminated from further competition in the West Bend Subsectional Wednesday. He was defeated by John Geer (15-0) of Ripon, 6-3, 6-1, in individual competition. Fond du Lac and Beaver Dam teams tied for first place. Next were Hartford 8, West Bend West 6, West Bend East, Waupun and Ripon 4, Kewaskum 2, Slinger 0.

Eric Pearson, who qualified individually in golf in the regional, was scheduled to compete in the sectional at Port Washington Tuesday.

Follmann to Join Pointer Gridders

UW-Stevens Point head football coach D. J. LeRoy has announced that Mark Follmann, a 1986 graduate of Kewaskum High School, will enroll at UW-SP and join the football team.

Follmann, a 6-2, 185 pound quarterback, will join a Pointer offensive attack which averaged 398 yards per game to lead the State University Conference. The Pointers finished the 1985 season with an 8-2-1 record and featured the conference player of the year, quarterback Dave Geissler.

Follmann was an honorable mention all-state selection for the Indians last season, completing 115 of 205 attempts for 1,360 yards and 14 touchdowns.

In addition, Follmann was the Student of the Month at Kewaskum.

Mark is the son of Reinhard and Rosalie Follmann, 2175 Hwy. H, Kewaskum.

Gymnastics Camp To Be Hosted at KHS

The Kewaskum Gymnastic team is offering a one week gymnastic camp to be held June 9 through the 13th. Boys and girls entering 1st through 8th grade next school year may participate. There will be two sessions during that week. The first is from 8:30 a.m. to 10:00 a.m. and the second is from 10:30 to 12:00 noon. The cost is \$10.00 per student and includes a T-shirt.

Parents should sign their gymnasts up at the high school office. At that time the parent is required to sign a permission slip, pay for the camp, and pick up additional information about the camp. Checks should be made out to Kewaskum High School.

Enrollment is limited to 80 students, so sign up early. Deadline for registration is 3:30 on Friday, June 6.

The record for the most strikes in a row in a sanctioned bowling match is 29. That's two-and-a-half perfect games.

Kewaskum Ace

Jeff Geidel Starting Pitcher for UW-Oshkosh in NCAA Tournament

Jeff Geidel, former Kewaskum High School ace, was the starting pitcher for UW-Oshkosh's defending champions in the first round game of the NCAA Division III national baseball tournament Thursday at Marietta, Ohio.

Despite blasting three home runs and collecting 15 hits, UW-Oshkosh lost to Ithaca College (30-14-1), 12-9. Ithaca used a 20-hit attack to claim the victory, snapping the Titans' 22-game winning streak and dropping them to a 35-6 record.

Brian Sashore hit two home runs for Oshkosh and Kevin Reichardt added a three-run homer and four RBI. Brian Wesley (10-2), who came in to relieve starter Geidel in the seventh inning, took the loss for the Titans.

Oshkosh played again at 3 p.m. Friday in the double elimination tournament against Montclair State (35-9-1) and the defending champs were eliminated, 12-3. Brian Ches-

wick of Montclair State (New Jersey) struck out 14 Oshkosh batters and limited them to a season-low four hits. Montclair, which beat California State Stanislaus in the first round, collected 16 hits against four Oshkosh pitchers.

Kewaskum's Geidel was among those receiving varsity letters at UW-Oshkosh this spring. A senior, he was one of the Titans' top pitchers and was instrumental in helping them qualify for the NCAA III College World Series.

HON-E-KOR LADIES ASSOCIATION

On Wednesday, May 28, evening golf was held with a Florida scramble as the event.

The winning foursome with a 40 were Lavern Hron, Marie Wietor, Laura Mathews and Joan Eggers.

Card winners were: Bridge - Trudy Trapp and Mitzi Bartelt; Sheepshead - Joyce Gruber and Doris Bohn; Rekop - Carole Timblin.
