FIREWORKS

Here Thursday, July 3

The annual Fourth of July holiday fireworks display will again be held in Kewaskum River Hill Park on Thursday evening, July 3. The event is sponsored by the Village of Kewaskum under the supervision of the Kewaskum Fire Department.

The spectacular fireworks will be set off at dusk from the west side of the Milwaukee River. Spectators on the park hill across the river will have the best view of the brilliant fireworks, which will include ground displays of color and light and thunderous aerial bursts and sprays illuminating the sky.

The park will open at 6:00 p.m. and food and refreshment stands will be in operation at

that time. Hamburgers, hot dogs, popcorn, beer and soda will be available. Live music will be provided starting at 7:30 p.m. by Danny and the Sunliners.

All residents of Kewaskum and surrounding area are invited to "light up" their holiday celebration by attending the traditional fireworks. Come early and enjoy the entire evening.

In the event of rain the fireworks will be held on Friday night, July 4.

A reminder that the annual Kewaskum Firemen - Legion picnic will be held on Saturday and Sunday, July 12 and 13, with an excellent parade at 12 noon on Sunday.

Regal Ware Closes Mississippi Plant

By GERRY MUELLER
Statesman Staff Writer

While a Kewaskum plant spokesperson for Regal Ware, Incorporated, said there would be no official news release on the subject, Governor Anthony Earl announced at his news conference in West Bend last week that the firm had closed its Flora, Mississippi, facility and moved the production line back to the Kewaskum plant.

Reasons given for the plant shutdown included a slow market for the stainless steel line and the fact that the

products could be manufactured more productively in Kewaskum.

While the plant officially closed June 10th, its employees had been informed in January of the closing. Since then, Regal Ware has been providing training and job search assistance for the terminated employees.

Two managers have been transferred to Regal Ware's Ohio plant and approximately 80% of the remaining workers

have already found new jobs. Although, at its peak, the Flora plant employed as many as 250 people during the nineteen years of its operation, there were only 82 employed at the time of the plant's closing.

The installation of the stainless steel line at Kewaskum is expected to be finished shortly. It is expected that some area laid off workers will be called back to help fill some of the 40 to 50 positions needed to run the line.

Legion Posters and Essays on Display

First, second and third place winners in the American Legion poster and essay contest are on display at the Kewaskum Public Library. They may be picked up anytime during library hours: Mon. and Wed. 12 noon to 8 p.m., Fri. 12 noon to 6 p.m.

800 Attend Dairy Daze Breakfast; Dairy King And Queen Announced

The 1986 Dairy Daze King and Queen were crowned in a short program at River Hill Park. King Keith Bartelt and Queen Bev Schultz represented the Kewaskum FFA in the competition.

Florida Woman, 3 West Bend Men Die of Injuries in Separate Crashes

A Florida woman died last Wednesday morning from injuries she received Monday in a traffic accident on Highway 45 north of Kewaskum.

Julia M. Guldan, 82, of Fort Pierce, Fla., died at St. Joseph's Community Hospital, West Bend. She had sustained a fractured pelvis and fractured ribs in the 11:15 a.m. Monday accident in the Town of Auburn.

She was a passenger in a car driven by Edward F. Guldan, 83, of Fort Pierce, Fla. He was treated at the scene for cuts to his fingers.

Guldan's car and a four-wheel drive vehicle collided at the intersection of Highway 45 and Auburn-Ashford Drive. Guldan's car traveled off the highway and struck a stop sign. The other vehicle spun and came to rest on its left side, according to the report.

The other driver, Randall J. Heberer, 22 of Kewaskum, received a head bump and cuts to his elbow and shoulder. A passenger, Janet A. Heberer, 23, of Kewaskum, sustained a head bump and sore back and legs. Both were treated and released from St. Joseph's Hospital.

Three West Bend men died late Friday on the U.S. Highway 45 bypass in a fiery head-on collision with a charter bus.

The men were killed at 11:40 p.m. when their northbound car crossed the centerline and collided with a southbound bus about a mile south of Mileview Road in the Town of Polk.

Killed were the driver of the car, Scott Wiedmeyer, 21, of 2037 Woodlawn Ave., Apt. 1, and his two passengers who lived at the same address, Scott J. Scherwinski, 21, Apt. 5, and James L. Van Someren, 24, Apt. 2. Scherwinski was a brother of Wayne Scherwinski of Kewaskum.

Van Someren was married to one of Scherwinski's sisters and Wiedmeyer was engaged to be

married to another of his sisters on Saturday. All three were employed at Lippert Corp. in Menomonee Falls.

The driver of the bus, Barbara A. Yankus, 42, of 4944 State 175, Hartford, suffered contusions and a bruised abdomen in the accident. She was treated and released at St. Joseph's Community Hospital in West Bend.

Bob Boltz, Washington County Coroner, pronounced the three men dead at the scene due to burns and massive internal injuries. The West Bend Fire Department Jaws of

Tot Time Classes for Pre-Schoolers Again to Be Offered in Kewaskum

YMCA Tot Time Pre-school will offer classes again this fall for three, four, and five-year-old children in the Kewaskum area. All classes are held at Peace United Church of Christ, Kewaskum. Four and five-year-olds meet from 9:30 - 11:30 on Mondays and Wednesdays; three-year-olds meet from 9:30 - 11:30 on Tuesday and Thursdays.

Tot Time is designed to help pre-schoolers grow socially, emotionally, intellectually and

physically. Children are involved in group activities as well as individual self-directed activities. Art, music, dramatic play, science, language, and mathematics are some of the many areas explored. Tot Time is a parent cooperative program, with two parents assigned to assist the teaching staff daily.

Registrations are now being taken for the fall sessions. For more information, call the YMCA at 334-3405.

Although the weather was not exactly ideal, almost 800 people came to the Randy Backhaus farm on Highway 45N, to enjoy the second annual Dairy Daze breakfast last Sunday.

The breakfast is put on by the women of Branch 7C of the AMPI (Associated Milk Producers, Inc.) as a fund raiser to support its annual scholarship which is awarded to a graduating high school senior.

Other activities held at River Hill Park in conjunction with the breakfast were the crowning of a June Dairy Daze king and queen, a recipe contest using dairy products, and ice cream eating contest for the youngsters.

The Kewaskum Jaycees also held their annual pig roast and pig races to benefit Muscular Dystrophy research.

The Dairy Daze event is sponsored by the Kewaskum Area Chamber of Commerce.

Announce Perfect Attendance at KHS

According to our records the following students have had an excellent attendance record during the 1985-86 school year. This is a commendable accomplishment for developing the correct attitude about being in school as being very important. There is a direct relationship between good attendance and grades as well as an interest in school. This also carries over into the world of work. Industry is concerned about unusual absenteeism and when employers call the school their first question concerns attendance records.

There may be situations when a student is needed at home or if a student is sick he/she should not be in school. The attitude of parents towards attendance in school and in later life on the job is reflected in their children. Truancy tends to be a warning that the student is a potential drop-out and in many cases headed for other problems.

As we prepare for the 86-87 school year we again ask for parents cooperation in encouraging their students to be in school.

We congratulate all of our students but special congratulations to three seniors who have had perfect attendance for four years. They are Jodi Averill, Randy Beth, and Patsy Panzer.

Congratulations to the following students:

Beechwood School Summer Library Has Spectacular Start

"Star Spangled Summer" is the theme for Beechwood's summer library program. The library is open every Tuesday, 10 a.m. to noon, for all Beechwood area children. School age and pre-school children are welcome to attend.

Tuesday, June 17, during the first half hour, 75 books were checked out. A total of 143 books were checked out that morning at the library.

The children signed contracts with the number of books they intend to read this summer. Each child received an "I'm a Star Person" pin and a bookmark. The first week 43 children joined the reading program.

It is great that these children have the privilege of reading this summer. One advantage to the children is that most of them can ride their bikes or walk to the library.

FIREMEN'S MEETING

Due to the fireworks next Thursday night, July 3, the regular monthly meeting of the Kewaskum Fire Department will be held a week later at the fire station at 7:30 p.m. on Thursday, July 10.

Life unit was used to free the victims from the wreckage.

The crash occurred in the southbound lane as the drivers of both vehicles were attempting to turn right to avoid the

collision. After the impact the car caught on fire.

Dr. Gary Berglin of West Bend confirmed the identifications of the three men from dental records.

Wiedmeyer was driving a 1979 Dodge Omni. The bus belonged to the Konrath Bus Service, Inc. of Slinger. Authorities said neither vehicle

was exceeding the posted 55 mph speed limit.

The deaths raised the 1986 Washington County traffic death toll to 13, five of which deaths occurred on the new West Bend bypass.

Area Students Participate in Farm Bureau Youth Seminar

Seventy-five high school students learned about "Preserving Our Heritage" during the seventh annual Wisconsin Farm Bureau Youth Seminar. Coordinated by the WFBF Women's Committee, the seminar was held June 24-26 at the UW-Stevens Point campus.

The object of the seminar was to encourage students to become better citizens, and to increase their understanding of the duties and responsibilities of good citizens.

Kevin Hermening spoke on "Iran Remembered - An Appreciation of Freedom." Hermening was the youngest American held hostage in Iran.

Senator David Helbach, Stevens Point, talked about "Working with the Government." Tom Lochner of the WFBF governmental relations staff explained "How a Bill Becomes a Law."

The Reverend Bruce Hanks gave a presentation entitled "Lincoln Speaks Today." Hanks is a direct descendant of the 16th president.

Jim Werner, director of WFBF member relations, discussed citizenship. Werner immigrated to the U.S. from Germany.

The students were high school sophomores and juniors. They are sponsored to the seminar by county Farm Bureaus, local FS member companies, Rural insurance agencies, Midwest Livestock Producers markets, and local banks and cooperatives.

Area students who participated in the seminar included: Washington County - Clarence Fry, 8656 Townline Rd., Kewaskum, and Michael Kilian 3477 Pioneer Rd., Richfield; Fond du Lac County - Sam Gudex, Jr., 2361 Haven Dr., Campbellsport, and Lisa Jaeger, 1392 Rolling Dr., Campbellsport.

INSPECTION STATIONS TO BE CLOSED FRIDAY, JULY 4

All Wisconsin Vehicle Inspection Stations will be closed Friday, July 4th for Independence Day.

Station hours are Monday, Wednesday and Friday, 8:00 a.m. - 3:20 p.m.; and Tuesday and Thursday, 8:00 a.m. - 7:30 p.m. There are three locations in Milwaukee plus others in Waukesha, West Allis, West Bend, Cedarburg, Racine, Kenosha and Burlington.

Area Grower Wins Cyanamid Celebrates America Sweepstakes

Dewayne Schulz, Allenton, will join 99 other winning farm couples, their dealers and other guests on a trip to New York City to participate in the rededication of the Statue of Liberty this July 4th weekend.

American Cyanamid Company, interested in both the safety of the grower and environment, sponsored the national sweepstakes to encourage growers to become certified private pesticide applicators.

The sweepstakes was open to only those growers who completed private pesticide application training and received certification from their state. Certification means the grower can properly calibrate and apply pesticides according to safety regulations established by the Environmental Protection Agency.

The trip includes tours of New York City, a Broadway play, meals and lodging. The winners will also view the Statue of Liberty and fireworks from boats on the New York harbor.

Campus Notes

WHITEWATER - German student Ann Fry and Spanish student Ellen Beisbier of Kewaskum Community High School were among those from high schools throughout Wisconsin selected by the University of Wisconsin-Whitewater to receive the 1986 Award for Excellence in Language Study.

Each year the UW-Whitewater Foreign Language Department honors the two outstanding students in each foreign language at various state high schools, and each student receives a certificate indicating the honor.

The awards program was established to help recognize the importance of foreign language studies, as well as to honor those who excel in the respective languages.

Four area students are among College and Agricultural and Life Sciences students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin-Madison. Only full-time students with "B" or better are eligible for recognition on the "Dean's List."

George Sledge, Associate Dean and Director of Academic Student Affairs, says that last semester some 2,270 undergraduates were enrolled in the college's 22 departments. They selected from five curricular options which stress either business and industry,

natural resources, natural science, production and technology, or social science.

The students are: Mona Marie Anderson, 8183 Broadview Lane, Kewaskum, Wildlife Ecology; Gary Loran Butzlaff, 4686 Hillcrest Road, Kewaskum, Agricultural Economics; Terry Lee Koth, 9204 Hwy. 144, Kewaskum, Construction Administration; Michael Allen Schaub, 4991 St. Kilian Dr., Kewaskum, Agricultural Education.

Gaskell Receives Degree in Nursing

RoseMary Gaskell, of West Bend, was one of 37 students to receive a Bachelor of Science degree in Nursing from the Medical College of Wisconsin (MCW) School of Nursing, Milwaukee, at commencement ceremonies, Sunday, May 25, at Milwaukee Exposition and Convention Center and Arena (MECCA).

Gaskell is the daughter of Mrs. Ingrid Mueller and the late Alfred Mueller, 1969 Birch Tr., West Bend. In 1979, she received a diploma from Milwaukee County School of Nursing. She is employed at Froedtert Memorial Lutheran Hospital.

FAIR BOOK DEDICATION

Each year, Washington County Jr. Fair dedicates the fair book to a person or special event. The 1986 fair book has been dedicated to Washington County in recognition of its celebration of the Sesquicentennial, 150th Anniversary.

The following is the dedication article written by County Board Chairman Reuben Schmahl:

WASHINGTON COUNTY 1836 - 1986

On December 7, 1836, Washington County was formed by an act of territorial legislation. At this time, the County extended eastward to Lake Michigan and the first County seat was at "Wisconsin City," now known as Port Washington. It took the legislature from 1848 to 1953 to determine that the County should be divided, and thus, Ozaukee County, with the county seat of West Bend, were developed.

The first white men to reach this area were Marquette and Joliet; however, most of the settlement began in the 1830's. British-Americans, mostly from the eastern portion of the United States, came north along the Milwaukee River and found many sites of friendly Indians scattered over the County.

The land where the old jail and Courthouse Annex I now stand, on Fifth Avenue between Chestnut and Poplar Street in West Bend, was given by Commissioners Kilbourn, Wightman, Kneeland and Wolcott and their wives in 1853 to the county as a park, forever to be used for public purposes. The first county fair was held there in 1856.

From these early developments, Washington County has grown to be one of the fastest growing counties in southeastern Wisconsin. The county contains 13 townships, five villages and two cities which contain enough varied industry and educational means, that the current population is estimated at approximately 87,000 and increase of 23,000 people from

1970.

The Washington County Sesquicentennial Celebration will be in conjunction with the Washington County Junior Fair July 23-27, 1986. This celebration will feature a historical parade on July 22, a chuck-wagon meal on July 23, and many historical exhibits and slide presentations.

On behalf of the Washington County Board of Supervisors, I encourage you to investigate the resources our county has to offer and invite you to help us celebrate our 150th year of existence.

Reuben J. Schmahl,
Chairman
Washington County
Board of Supervisors

FAIR TIME ENTERTAINMENT

Fair time in Washington County is July 22-27. Has your group considered performing at the fair?

The Fair Office is in the process of scheduling groups to perform at the fair. Groups such as square dancers, chorus groups, school bands, dance groups, etc. could be scheduled to perform. Performing at the fair gives good publicity to groups.

The Washington County Junior Fair is a community fair interested in having local talent perform for the enjoyment of fair attendees.

Call the Fair Office at 338-4485 for more details and to schedule your group to perform. Plan now to be a part of the 1986

SESQUICENTENNIAL DINNER

The Washington County Extension Homemakers are sponsoring the 150th Anniversary Sesquicentennial Dinner at the Washington County Junior Fair on Wednesday, July 23. The dinner will be served on the fairgrounds from 4:30 to 7:00 p.m. The menu includes mouth watering ribs and roast beef, potato salad, baked potatoes, baked beans, fruit tray, rolls/butter, assorted sheet cakes, coffee/milk.

Tickets are available from extension homemakers members, County Board members and the County Fair Office, Courthouse, 432 East Washington Street in West Bend. Price of tickets is \$5.00 for adults and \$3.00 for children under 10. ADVANCE TICKET PURCHASE ONLY by July 21.

CHILDREN'S PARADE—LOADS OF FUN

The Washington County Junior Fair is sponsoring a "Children's Parade" at the 1986 County Fair. All children, 10 years or younger, can dress in their best costume and enter the children's parade at the fair. Prizes in each category will be given, as well as a participation ribbon and ride ticket.

The Children's Parade will be held on Wednesday evening, July 26 at 6:00 p.m. Line-up will begin at 5:30 p.m. in front of the Main Exhibit Building and the parade will begin at 6:00 p.m. through the fairgrounds.

The categories the children

can enter include:

1. Rock/show Business Personality
2. Nursery Rhyme or Fairy Tale Character
3. Farm Life
4. Clown
5. TV and Comic Strip Character
6. Animal
7. Decorated Vehicle — Bike, Wagon or Buggy
8. Inanimate Object (i.e. box of crayons)
9. Outer Space Creature

Pre-registration is encouraged. Contact the Washington County Fair Office at P.O. Box 1986 or stop in at the Fair Office located in the Courthouse, 432 East Washington Street, or give us a call at 338-4485; 644-5204 or 342-2929 to receive a registration form. Return forms to the Fair Office by July 23, 1986.

SEEKING MOST ADMIRABLE SENIOR CITIZEN

Do you have a very special friend or relative who is over sixty-two? He or she could be one of Washington County's

five Most Admired Senior Citizens.

No matter what your age, you can nominate your favorite senior citizen. Entry forms are available from the Washington County Junior Fair Office, Courthouse, 432 E. Washington Street, West Bend.

This free event is not a popularity contest, beauty pageant or celebrity sweep-stake. It is, however, a chance for older adults to receive recognition. Persons nominated must have reached sixty-two (62) years of age by July 25. He or she must be a resident of Washington County. The entrant must acknowledge nomination by signing the release form.

The five most admired senior citizens will be presented with plaques on Friday afternoon, July 25, at the Washington County Junior Fair on the main stage.

Plan to enter your special friend in the Washington County Junior Fair's Most Admired Senior Citizen Contest.

FAIREST OF THE FAIR

Are you between the ages of 18 and 22? Are you looking for a rewarding experience? Well, now is your chance. The 1986 Fairest of the Fair Committee is now seeking applications for the position.

Rules for the competition are as follows: This contest is open to all young ladies who have been a resident of Washington County for at least one year prior to entry.

This person must have reached her 18th birthday by January 1, 1986, but must not have reached her 22nd birthday by the same date to be eligible to compete in the State Contest.

Contestant agrees that the time, manner and method of judging shall be solely within the discretion of the rules and regulations set forth by the Fairest of Fair Committee of the Wisconsin Association of Fairs and that the decision of the judges shall be final.

This person must be single and remain single while competing at both the county or district fair and the Association Convention Contest. The person who is chosen at the State Convention must remain single during her tenure as queen, and if she is married, the first runner-up will take over as queen at the State Fair.

Contestant agrees that if she is selected as winner of the contest, she will not sign a management contract with any individual or corporation, and that we will not give any written or verbal endorsement, or make a personal appearance for any mercantile commodity or commercial organization nor will she permit any photographs to be used without the written permission of the Fairest of Fairs Committee.

This person may be an entrant in only one county or district fair which she considers to be her "home" fair. A contestant must reside in the county she represents. The only exception: She may reside in an adjoining county if the majority of her activities are in the county in which she enters the contest.

The contestants are evaluated on: appearance, community activities, personality, poise and speaking ability.

The Fairest of the Fair will appear at the following: as "official hostess" of the Washington County Fair; Sausage-pancake Breakfast Saturday morning; June Dairy Month Banquet; Radio Programs; Annual Fair Convention in 1986; present ribbons and trophies to award winners at the Fair and Emcee all stage shows.

Applications can be picked up at either the Cooperative

Extension Service Office in West Bend or WTKM radio in Hartford. The deadline for applications is July 5. So apply now and start preparing for the fair.

COUNTY HISTORICAL PHOTO CONTEST

The Washington County Extension Homemakers and the Camera Case of Hartford are sponsoring a photo contest at

the 1986 County Fair. The contest is in honor of Washington County's 150th anniversary.

The contest is open to amateur photographers who are adults, youth or senior citizens, with each person being able to make three entries. The photos for the contest must be 8x10 or larger of a historical site in Washington County. Each photo must be matted, accompanied by a 3x5 card with the exhibitor's name, address, class entered (adult; senior citizen; youth under 18 years old) and a brief description with

year of origin of site.

Three placings in each class will be presented with one grand champion gift of a 35mm Sharp camera, donated by the Camera Case.

Deadline for all entries is July 17. Entries may be brought to the County Fair Office,

Courthouse, 432 East Washington Street in West Bend or to the Camera Case, Main Street in Hartford. Photos will be on display Tuesday evening and throughout the fair in the Main Exhibit Building. All entries must be picked up on Sunday evening after 8:00 p.m.

Letters to the Editor

To the Editor:

It is very unfortunate that the censure of Clara Trapp by the Kewaskum School Board ever took place. A censure is used only in very serious cases. In the whole history of the U.S. Congress, it has been used only a handful of times. Our Kewaskum School Board has nothing anything like a serious case!

It is very unfortunate that the School Board took the time and our money for the probable legal services needed to compose such a censure instead of spending valuable time on the real issues of running a school district. What they have done has put a lot of time and energy into their petty personal squabbles! In fact they have formalized it by that unfortunate censure. That appears neither professional nor mature.

The School Board and members of the Administration are public officials. This means that the public has a right to question their actions — even when that questioning is very vocal and very critical. They must expect that scrutiny as part of the public position they hold.

The School Board has spent time, money, and energy on their worries about what a few people in Deerfield might have said about their administrator when just last month, they ignored the signatures of well over 800 people (citizens they represent) who were addressing a real and important school board issue — that of closing Beechwood School and the moving of the 6th graders to the middle school.

Lastly, let us start to question a school board that is not at least an arm's length away from their administration. The school board hires the administration. The administration should answer to the school board. The school board should check and balance what their administration does. It appears too many

people across our district that this has been turned around; that the school board is rubber stamping, without question, everything that the administration proposes. The taxpayers have a right to make sure that their school board and their school administrators are in their proper roles!

In actions such as these, the Kewaskum School Board is pulling itself farther and farther away from the people who elected them.

Thank you,
Mary Feind

Dear Editor:

Without personally knowing Mrs. Clara Trapp, I know that she is a member of the Kewaskum School Board. This is sufficient to motivate me to say that she did the right thing to visit the Deerfield School to look into the credential of an administrator.

Having been in the field of public education, I can tell you that there are cliques on any school board which serve to protect the interests of ad-

ministrations. Whatever an administrator may wish to have done, there will be a small group of board members who will see to it. This is not always considered wrongdoing, but a member of the board who thinks something may be wrong has a right, a duty, to look into the matter.

Mrs. Trapp needed no commission from the Kewaskum School Board president to visit a district school. As an elected public officer, she was doing her duty as she saw it. Were more like her, good government in America might again be a possibility. She should be praised by all concerned with good government, not censured.

Very truly yours,

Dear Editor:

As we celebrate the 210th anniversary of the birth of our great nation, it is easy to recall those whose names are recorded in the annuals of history. However, there are many unsung heroes deserving our recognition and thanks who have namelessly contributed to

the strength of the United States of America.

From the days of the first permanent settlement in Jamestown, through the American Revolution, the War of 1812, the American Civil War, both World Wars and most recently, Vietnam, men have borne arms to fight the common foe when occasion demanded.

During peace and during war, committed men have maintained the military strength so vital to the strength of the nation. Today we are blessed with peace and are fortunate to celebrate more than 13 years of draft-free existence. However, we must be prepared to bolster the all volunteer armed forces in the event of a national emergency.

Since Selective Service registration was reinstated in 1980, more than 16 million men have added their names to the list of those eligible to serve their country in a time of need.

As we take time to celebrate this national day of pride and rejoice in the unveiling of the refurbished Statue of Liberty, let us also take the time to celebrate the commitment of the 18-year-old men who take five minutes of their time to

register with Selective Service and thereby continue our efforts to keep America the "land of the free and home of the brave."

Sincerely,

WILFRED L. EBEL

THANK BEECHWOOD FIRE DEPT. AUXILIARY

The Beechwood First Responders would like to take this opportunity to thank the Beechwood Fire Dept. Auxiliary. The Auxiliary has again done an unbelievable job in helping our community with the large cash donation from the Benefit Auction held on April 26. The Auxiliary did all the planning, all the work and turned over all the profit to the First Responders. The list is too long to mention all the people that donated cash and/or auction items but thanks to all. It is planned to put the money toward a first responder Vehicle. The Auxiliary is a great asset to the Beechwood Fire Dept. and First Responders. Thank you very much ladies.

Area Residents Help Farmers Celebrate Dairy Daze

Friday, June 27, 1986, Kewaskum Statesman, Page 8

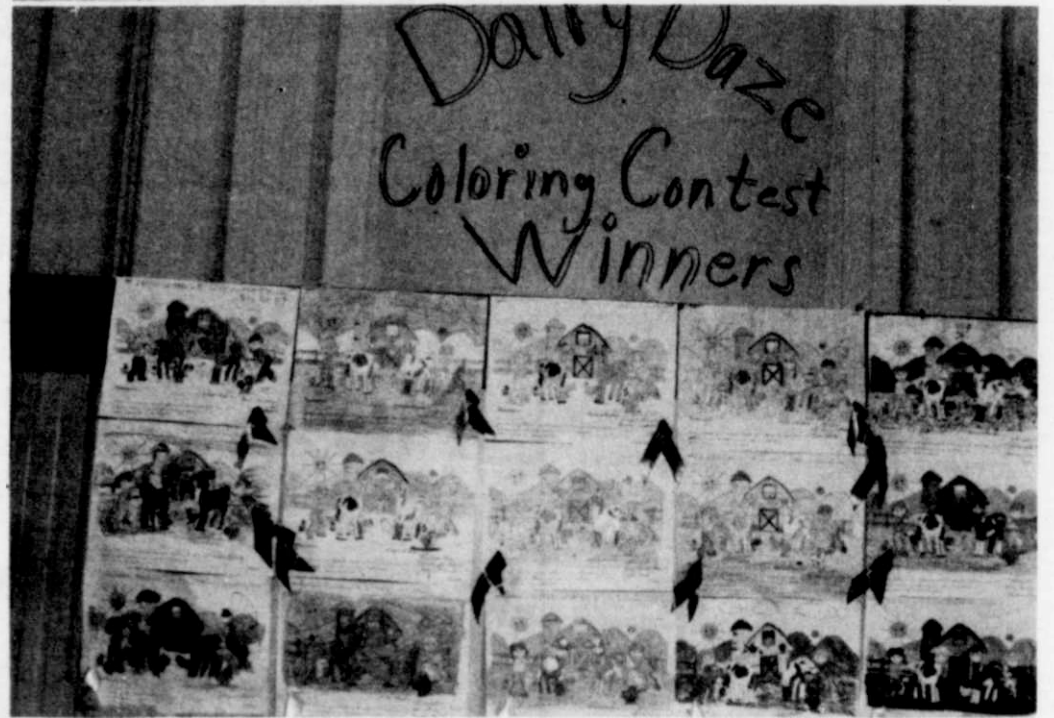

Even though the skies were gray and light rain fell on and off, many of the people attending Sunday's Dairy Daze breakfast enjoyed the short hayride from the Amerahn parking lot to the Randy Backhaus farm. Horses and wagons were provided by Bud and Dean Schmidt and Alvin Panzer.

Too many cooks didn't spoil the food as these "Sunday Chefs" prepared the scrambled eggs for the AMPI Dairy Daze Breakfast at the Randy Backhaus farm. The menu also included sausages, sweet rolls, cheese, beverages and a strawberry sundae to top it off. Shown scrambling some of the 2,400 eggs cooked in Regal Ware's 55-inch diameter fry pan are left to right, Dan Krebsbach, AMPI Field Man, Wayne Rimmel, member of the Kewaskum Area Chamber of Commerce, representing Regal Ware, and Patty Panzer, a Regal Ware employee.

Kim Behring (left) and Donna Bier (center) judged the Dairy Daze recipe entries as Peggy Katalinich, Food Editor of Newsday Magazine, Long Island, New York, looked on. Ms. Katalinich will be doing an interview for the magazine with the winners of the recipe contest featuring their dairy recipe. Winners were Elaine Vetter, Beechwood, 1st place - Cheese Bars. She won the fashion watch. Diane Lemke, Kewaskum, 2nd place - Rhubarb Scrumptious. Her prize was a Dairy Cookbook. Mary Lou Stelter, Kewaskum, 3rd place - Microwave Potato Cheese Soup. She was the recipient of a milk pitcher. Kathie Stephani, Kewaskum, honorable mention - Chocolate Mint Freeze. The recipes will be published in next week's Statesman. The Dairy Recipe Contest was sponsored by Bier's Jewelry, Kewaskum.

Winners of the Dairy Daze Coloring Contest were on display along with all the entries at the Backhaus farm.

These "little piggies" didn't go to market Sunday, but they didn't race around the track either. They were more interested in eating the grass, as anxious bettors waited to see which porker would come in "first."

Katie Gosa, 4 years, displayed the technique which helped her win the "five and under" ice cream eating contest at River Hill Park Sunday afternoon.

Mayer - Schoofs

The marriage vows of Trisha A. Mayer and David M. Schoofs were exchanged during a 2:00 p.m. ceremony at Holy Trinity Catholic Church, Kewaskum, on June 7. Fr. Robert Berghammer and Fr. Allan Weinert officiated. Parents of the couple are Mr.

Campus Notes

and Mrs. Francis D. Mayer of Kewaskum and Mr. and Mrs. Francis C. Schoofs of Kewaskum.

The matron of honor was Jacky Berndt of Ripon, friend of the bride and bridesmaids were Marge Buncak of Tennessee, Joan Thompson, Sheboygan, sisters of the bridegroom and Hetty Mayer of West Bend, sister-in-law of the bride.

Eric Schmidt of Newburg, friend of the bridegroom, was best man, and groomsmen were John Mayer of Kewaskum, the bride's brother, Jerry Schoofs of Iowa, the bridegroom's brother and David Mayer of West Bend, brother of the bride.

The flower girl was Kathy Schoofs of Iowa, niece of the bridegroom, and Jimmy Thompson of Sheboygan, nephew of the bridegroom, was the ring bearer.

Ushering duties were shared by Ray Mayer of Cedarburg, uncle of the bride and Bill Thompson of Sheboygan, the bridegroom's brother-in-law.

Musicians were Robin Hron and Paul Vogelsang.

A reception and dance was held at the Amerahn, Kewaskum.

The bride is employed as a receptionist by Dr. K.M. Bero, West Bend, and her husband is a salesman at Serigraph Sales, West Bend.

The newlyweds reside in West Bend.

Pamela Jean Heberer of Kewaskum has been initiated into the University of Wisconsin-Whitewater chapter of Beta Gamma Sigma, highest scholastic honor a business student can achieve.

To be eligible in the national scholastic honorary, juniors must rank in the top 5 percent of their class and have a minimum grade point average of 3.80 (on a scale on which 4.0 is equal to "A") on all college-level work attempted; seniors must be in the top 10 percent of their class and have a minimum GPA of 3.5.

Pam, a junior in accounting, is the daughter of Mr. and Mrs. William Heberer, 691 Mill Road.

.....

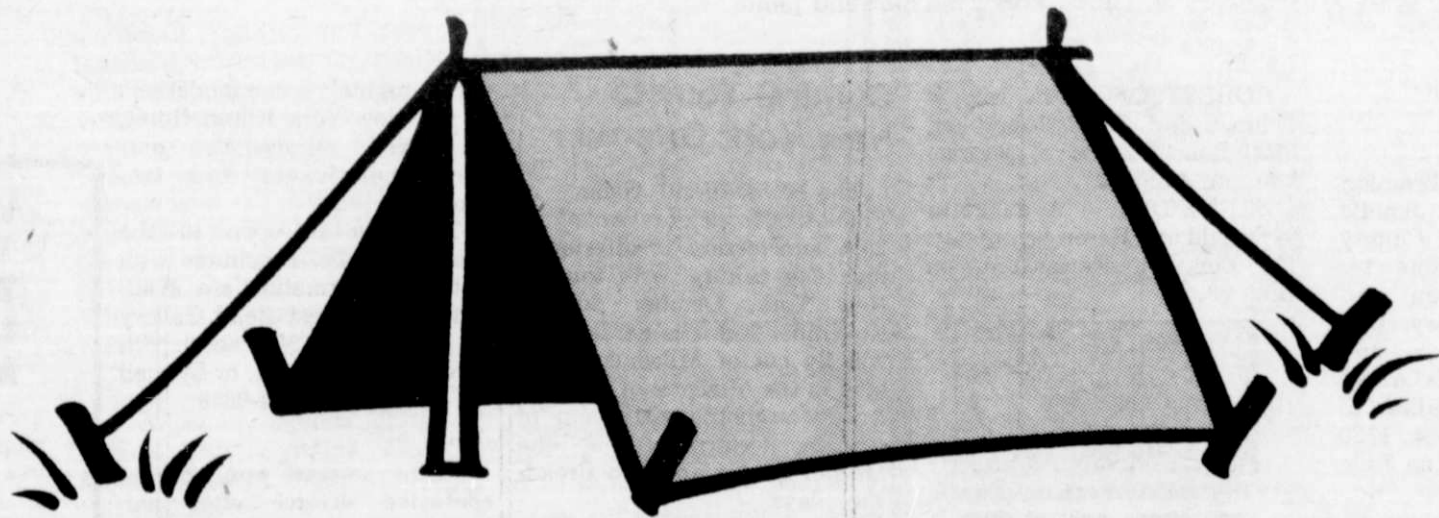

William T. Heberer, son of Mr. and Mrs. William Heberer, 691 Mill Rd., Kewaskum, has been named to the dean's list in the College of Engineering for the second semester at the University of Wisconsin-Platteville.

To be named to the dean's list in the Colleges of Education; Business, Industry and Communication; and Engineering, a student must attain a grade point average of 3.5 or better, based on a 4.0 system, and carry 12 or more credits. In the College of Agriculture the student must attain a grade point average of 3.7 or better and the college of Arts and Sciences names the top 10 percent, 3.76 for the first semester, of their students carrying 12 or more credits to the dean's list.

Tietz Chairman For Leukemia Drive

Dale Tietz of F&M Bank of Slinger has been named Chairman for the 1986 Commerce and Industry (C&I) fund-raising drive in Washington County for the Leukemia Society of America. The appointment was announced recently by George Graham, President of the Wisconsin Chapter.

C&I campaigns are being conducted in 60 Wisconsin communities through the end of July. The statewide goal is \$10,000; the goal for Washington County is \$600.

Leukemia is a form of cancer which affects the blood-forming organs. It kills more children than any other disease - and more adults than children. The Leukemia Society of America provides direct financial aid for Leukemia victims; conducts public and professional education aid for Leukemia victims;

conducts public and professional education programs; and supports research at medical centers around the country, including the Medical College of Wisconsin in Milwaukee and the University of Wisconsin in Madison. During the year ending June 30, over \$110,000 will be spent in Wisconsin for patient aid and research activities.

The circulatory system of the human body contains about 60,000 miles of blood vessels and capillaries.

With Propane Gas, you get the energy you pay for. With electricity, you just pay.

Electricity is expensive. And will cost more all the time. Your bills will be huge. Shocking. Electric. To generate electricity in most areas, monstrous quantities of fossil fuels burn, and almost 87% of the heat energy is lost forever. It doesn't provide you heat or hot water or cook your meals. But you pay for all of it. And pay. And pay. Use electricity where it should be used - lighting and small appliances. For all the big energy jobs, choose right. Why waste money? Use clean, cost-efficient propane gas. And get the energy you pay for.

FFA Wins Gold Ratings at State Convention

Friday, June 27, 1986, Kewaskum Statesman, Page 12

The Kewaskum FFA received gold ratings in B.O.A.C. (Building Or American Communities) and Safety at the State FFA Convention held recently at the American Baptist Assembly in Green Lake. The chapter's success in BOAC came from the extensive renovation of the swine barn at the Washington County Fair, while the safety project involved a presentation by the Allenton and Kewaskum rescue teams, as well as the safety calling project.

The 57th State FFA Convention held every June in Green Lake, marks the culmination of

the past year's work in FFA, while preparing members and chapters for the coming year with motivational speakers and meetings. Kewaskum was represented at the business meetings by delegates Renee Kapp and Keith Bartelt. The delegates are responsible for discussing and voting on various constitutional items. Doug Enright received the gold award in BOAC as this year's co-chairman.

State award recognition was given to Jon Etta for his outstanding work in two State Proficiency areas: Diversified Livestock Production and Home

and Farmstead Improvement. Jon received top gold ratings in both areas, with his diversified livestock project being submitted for national competition representing Wisconsin in that area. Todd Steger received his State Farmer Degree, the third highest degree of membership in the FFA and the highest degree of membership available at the state level.

Chapter president Joel Junk received the three star president's award at a breakfast ceremony. The award is given to chapter presidents that have maintained a successful chapter throughout the year, especially

participating in BOAC, safety and national chapter competition. Joel also received a state silver place plaque for his outstanding work in Wildlife Conservation. This is the second year Joel has been honored at the state level for his conservation work.

Patsy Panzer represented the chapter in the State FFA Chorus, a select group of individual talents. Patsy earned a spot in the choir by submitting a demo tape to the State Association. Over 300 tapes were sent to the state office for band and chorus, of which only

72 people are selected for each. The State FFA choir performed throughout the convention and will perform again at the Wisconsin State Fair in August.

All of the delegates, participants and award winners represent the best of the FFA members from across the State of Wisconsin. The Kewaskum FFA chapter was well represented in all areas of accomplishment. As the convention came to a close, members departed for home with new ideas and goals for the coming year.

Jon Etta, right, received the State Plaque for his first place gold rating in diversified livestock production. Jon will represent Wisconsin in national competition. To the left of Jon is a representative from the Wayne Feeds Company, sponsor of the award.

Todd Steger, center, and his parents, just after Todd received his State Farmer Degree.

Joel Junk, left, and Doug Enright, at one of the award sessions. Joel received the Three Star President's award and Doug represented the chapter in the BOAC award.

Renee Kapp, left, and Patsy Panzer, leaving the motel the Kewaskum chapter stayed in. Renee was an official delegate at the business meetings during convention and Patsy sang on the State FFA Chorus.

Aldwin Seefeldt of Route 1, Kewaskum, was recently selected to represent the nation's two million 4-H members at the national meeting of the American Institute of Cooperation in Minneapolis. The national 4-H office in Washington, D.C. asked him to appear as the official representative of the nation's 4-H'ers at one of the sessions which will be attended by about 3,000 adults and 1,000 junior delegates from throughout the United States. Aldwin is the son of Alfred H. Seefeldt of Kewaskum.

Kewaskum Community High School honor roll students for the fourth nine weeks period, which ended June 9, were announced this week as follows: Freshmen — Karen Brown, Judy Heinecke, Robert Kern, Margaret Kirsch, Diane Marx, Gerald Miller, Claudia Oppermann, Kathleen Schallock. Sophomores — Ralph Albrecht, Janet Dreher, Allen Koepke, William Mertz, JoAnn Wagner, David Williams. Juniors — Diane Becker, Ed Ferber, Richard Groh, Leon Guntly, Joanne Jaeger, Kathleen Kempf, Dona Mueller, Allan Rinzel, Carol Schladweiler. Seniors — Elaine Bruessel, Nancy Held, Nancy Hirsig, Marlene Jung, Robert Kroncke, Jolene Miller, Judith Oelhafen, Dennis Pillar, Judith Ramthun, Helen Schaefer, Joanne Schmidt, Celine Simon, Judith Theusch.

The Kewaskum FFA chapter has elected the following officers to serve for the 1961-62 school year: President, Ronald Gross; vice president, John Theusch; treasurer, David McChain; Secretary, David Williams; reporter, Gene Krause; sentinel, Russell Breit. Miss Joanne Kempf, daughter of Mrs. Loretta Kempf, Route 1, Kewaskum, has recently completed a course in the field of cosmetology and received her diploma in ceremonies held at the Wisconsin College of Cosmetology in Green Bay this month. Miss Kempf is joining the staff of the Lucille Beauty Salon in West Bend.

Mrs. Harold Westerman, nee Jeanette Werner, aged 41 years, young housewife and mother of the Town of Wayne, passed away on June 17 at St. Joseph's Hospital, West Bend.

Miss Bette J. Jung, daughter of Mr. and Mrs. Oscar G. Jung, Route 2, West Bend, became

the bride of Eugene E. Laatsch, son of Mr. and Mrs. Lawrence Laatsch, Route 1, Kewaskum, during a nuptial mass read in St. John of God Catholic Church, Town of Farmington on June 17.

Miss Margaret Louise Friauf and James Stuart Landmann were married at Elm Grove Community Methodist Church on June 17. Landmann is the son of Mrs. Edith Landmann of Kewaskum and Paul Landmann of Fort Thompson, South Dakota.

Twin daughters were born to Mr. and Mrs. Lewis Gatzke, Kewaskum, on June 1. A daughter was born to Mrs. Darceal Feuerhammer, Route 2, Kewaskum, on June 18. A daughter was also born to A1/c and Mrs. Charles Dreher, Roswell, New Mexico, on June 15. A1/c Dreher is a son of Mr. and Mrs. Earl Dreher of Kewaskum, and his wife is the former Charleen Vetter, daughter of the Reuben Vettors of Beechwood. They also have a son, Charles II. A son was born to Mr. and Mrs. Allan Martin, Tacoma, Washington, on June 21. Mrs. Martin is the former Sue Weddig, daughter of Mr. and Mrs. Edward Weddig of Kewaskum.

John F. Schaefer and crew of workmen erected a dam across the Milwaukee River on the site of the old dam just north of the Main Street bridge, last week. The dam is constructed of stone from the old structure, picked from the river and placed together across the stream. The dam is about two or three feet high and will have a tendency to raise the water north of the dam several inches. The object of the dam is to increase the depth of the river, thus protecting the large amount of fish spawn which was recently placed in the river by Mr. Schaefer, and also providing an excellent swimming pool for the children of the village.

Among the many June weddings during the past week was that of a prominent Town of Kewaskum man and a popular Town of Wayne woman, when Rev. A. A. Graf united in marriage Miss Margaret A. Diesner, daughter of Mrs. Fred Diesner of the Town of Wayne, and Alfred H. Seefeldt, son of Mr. and Mrs. Albert Seefeldt, of the Town of Kewaskum, at the Salem Reformed Church in

the Town of Wayne on June 21.

St. Matthew's Catholic Church at Campbellsport was the scene of a nuptial ceremony uniting a very popular young couple into the bonds of matrimony on June 23, when Miss Mary McCarty of Route 1, Campbellsport, became the bride of Elroy Hron, son of Mr. A. G. Hron of this village.

A wedding of much interest and ceremony was performed at St. Stephen's Lutheran Church in Batavia last Saturday when Miss Eleanor Pfeiffer, daughter of Mr. and Mrs. Wm. Pfeiffer, living near Batavia, became the bride of Edward Hinn, son of Mr. and Mrs. Otto Hinn, who reside in the Town of Scott.

Wedding bells rang out on June 24 at Holy Angels Church, West Bend, for Miss Sylvia R. Schloemer, daughter of Mr. and Mrs. Chas. P. Schloemer of the Town of Jackson, who became the bride of Joseph Staehler, son of Math. Staehler of St. Michaels.

On June 20th in a quiet ceremony at Chicago, Miss Retha Jane Rosenheimer, daughter of Mrs. D. M. Rosenheimer of Kewaskum, became the bride of Robert Aitken Mason, son of Mr. and Mrs. James Mason, Chicago.

Miss Ruth K. Backhaus, daughter of Mr. and Mrs. William Backhaus, of the Town of Kewaskum, and Wesley A. Haug, son of Mr. and Mrs. Nic. Haug, also of the Town of Kewaskum, became husband and wife in a quiet June nuptial ceremony performed by Rev. Gerhard Kaniess in the St. Lucas Ev. Lutheran Church in this village on June 20th.

The Village Board met in a special meeting last Monday evening for the purpose of granting liquor licenses for the ensuing year. Twelve licenses were granted to the following: N. J. Mertes, John W. Schaefer, William Ziegler, John Klassen, Joseph Schmidt, Louis Guth, Schaefer and Schultz, Chas. Groeschel, Nic. Marx, Chas. Meinecke, F. J. Hoerig and Jos. Eberle.

A special joint meeting of the local fire department was called last week Friday evening for the purpose of taking steps in regard to giving their annual picnic and dance. Proposals for running a Homecoming instead of a picnic were made. After considerable discussion it was decided to take a vote upon the

Friday, June 27, 1986, Kewaskum Statesman, Page 13

question which resulted 22 to 17 in favor of a picnic. It was finally decided to hold the picnic on Sunday, July 30, in the North Side Park. The committee appointed consists of N. J. Mertes, Jacob Schlosser, Val. Peters, Lehman Rosenheimer and John Marx.

A very pretty wedding took place last week Saturday at the Ev. Luth. St. Lucas church when Rev. Greve joined in wedlock Miss Ida Ramthun and John C. Spoerl.

Henry Nauman of the Town of Scott met with a very painful accident early last Monday morning while returning home from a barn party held at Retzlaff's place in the Town of Scott. He was accompanied by Anton Schlosser on his return. The accident happened about 1/2 mile from the Retzlaff place when part of the harness of the horse opened and while turning a corner the phils went over the horse after which the rig was thrown to one side and Mr. Nauman was thrown out of the rig forcibly to the ground causing a severe break of his right arm above the wrist.

Fred Buddenhagen, 50, a well respected farmer of the Town of Kewaskum, passed away in death on June 16, after a protracted illness of one year with pulmonary tuberculosis.

Mr. s. Wm. Ludwig, nee Minnie Dricken, died last week Saturday after an illness of several years with a complication of diseases.

Among the First Communicants at St. Michael's church last Sunday were the following: Fred Duac, Leonard Klunke, Walter McKee, Olive Foltz, William, Jacob and Susan Geib,

window display at Behring's Meat Market. The club received \$10.00 for entering.

Record books were handed out for all the new members. There was a float and ring toss committee organized.

There will be no July meeting.

Mike Carron made a motion to adjourn the meeting and Pat Schmidt seconded it.

Kim Shelmidine gave a demonstration on dogs after the meeting.

Election of FmHA County Committee Members

Election of two Farmers Home Administration area committee members will take place on June 30, 1986, County Supervisor Robert J. Pinney announced today.

"This is a historic occasion," Mr. Pinney said. "It is the first time that FmHA county committee members have been elected. Until now, they have been designated by the agency. The 1985 Farm Bill calls for two elected and one designated member on the committee."

The FmHA committee assists the county office in determining the eligibility of applicants for certain types of FmHA loans.

Farmers who live in Washington, Waukesha, Ozaukee, Milwaukee County, have their principal farming operation within the county or area for which the election is being held, and derive the principal part of their income from farming are eligible to vote.

Nominees for the area FmHA County Committee are:

Tom Oelhafen, Washington County

Leland Schaub, Washington County

Richard Kultgen, Ozaukee County

Robert Fryda, Waukesha County

Mary Ann Krumbiegel, Washington County

"This time, we will elect two committee members," Mr. Pinney said. "One will serve for one year and the other will serve two years. In the future, all three members will serve three-year terms on a staggered basis, with one position to be filled each year."

Voting ballots are available from the FmHA county office at 2361 West Washington Street, P.O. Box 279, West Bend, WI 53095 and are published in local newspapers.

Marked ballots must be received at the FmHA office by June 30, 1986.

KEWASKUM 4-H CLUB

The Kewaskum 4-H meeting was held on June 12, 1986, at the Savings and Loan from 7:30 - 8:30.

The 4-H Pledge was led by Jenni Carron and the American Pledge was led by Mike Carron.

The secretary's report was read by Holli Etta. Jenni Carron accepted it and Jim Butzlaff seconded it. The treasurer's report was read by Jean Holtz. Laurie Horlamus accepted it and Mike Carron seconded it.

For old business, your registration forms for 4-H camp should have been in by June 13. For new business, Foods Revue was held on June 18 at the Westfair Mall in West Bend. The deadline for fair forms is June 27. 4-H camp will be held on July 9-12. The fair books were handed out. Pizza coupons were handed out for the club members to sell.

Permit Needed For Fireworks, Sheriff Warns

County residents are advised to stay clear of fireworks this summer, according to a press release from the office of Sheriff Clarence A. Schwartz. Washington County adopted a series of stiff laws enacted by the State in 1984 regarding the sale, possession and use of fireworks.

"While we recognize that fireworks are fun, the fact had to be faced that many people, mostly children, were being

injured every year by the use of these devices," the Sheriff stated.

Not only are injuries reported each year, but property damage is also a serious problem. While the new laws provide an enforcement mechanism for officers of all jurisdictions, misuse of fireworks continues to be a headache.

You must have a permit to purchase, possess, and use firecrackers, bottle rockets, regular rockets, Roman candles, and similar devices. The permits are available from local municipal offices. The permit must specify the name of

the person who wants the fireworks, the location, date and time of their use, the place of purchase, and the amount and type of fireworks that will be purchased.

There are many devices that do not require a permit. These items are toy snakes, sparklers, caps, champagne party poppers, whistles (which don't explode, spark, move, or emit flame), smoke devices (which do not emit flame and which are not propelled), and fountains (which do not move and which emit only smoke or sparks).

Local municipalities have the option of enacting laws which

are more strict than the state law, however, and can refuse to issue permits. The prospective purchaser should check local laws before buying.

Deputies will confiscate any fireworks that are possessed without a permit, and have the option of issuing a \$67.50 county citation.

A fact sheet that explains the fireworks law has been prepared, and is available at the Sheriff's Department lobby in West Bend. It can also be obtained by sending a self-

addressed, stamped envelope to Fireworks, Washington County Sheriff's Department, P.O. Box 1986, West Bend, WI 53095-7986.

Important Meeting Scheduled Soil Conservation to Be Required Of County Farmers for Tax Credit

New rules are being proposed in Washington County, as well as across the state, which will require all participants receiving tax credits through the Farmland Preservation program to control soil erosion on their croplands. The Washington County Land Conservation Committee (LCC) will conduct an informational meeting, followed by a public hearing on the proposed rules on Tuesday, July 1, at 8:00 p.m. in the Courthouse Auditorium, (RM.118) 432 E. Washington Street, West Bend.

The soil conservation requirements were added to the rules of the Farmland Preservation program by the state legislature during the passage of the 1985-87 Budget Bill. The legislative changes are a direct result of a series of public hearings sponsored around the state by the Wisconsin Land Conservation Board during August of 1984. During those meetings a lot of support was voiced for cross-compliance of state programs - namely the Farmland Preservation and Soil Erosion Control programs, according to County Conservationist, Perry Lindquist. The general feeling was that if the state is going to offer tax relief to help preserve our farmland, then they should also ensure that the productivity of that farmland is also preserved. "To do that," he said, "the soil erosion rates must be maintained at tolerable levels, which is exactly what the new rules require."

"Tolerable" soil erosion rates in Washington County range from 3-5 tons of soil loss/acre/year. That translates to soil spread over an acre of land about the thickness of a dime. According to soil scientists, if erosion rates are kept at that level, the topsoil depth can be maintained indefinitely through natural soil forming processes. If erosion

exceeds this rate we are in effect "mining" the soil, and off-site impacts often result such as the sedimentation of nearby rivers or lakes.

Each county in the state is required to comply with this new policy by July, 1986. Washington County's draft rules have now been approved by the state and will be considered for adoption on the night of July 1st.

Farmers who wish to find out more about the new soil conservation requirements, and what they may mean to them, are encouraged to attend this important meeting.

Local, County Farmers Apply Conservation

In early spring Washington County landowners got a good start at applying erosion control practices on the land such as contour strips and grass waterways.

In strip cropping, strips of row crop are alternately grown with soil-conserving strips of small grain or a close grown crop, such as grass or a grass-legume mixture. The soil conserving strips trap soil that erodes from the row-crop strips. The edges created by the alternating strips attract wildlife for feeding and nesting. So far this year, 526 acres of strips were applied by Mark Ruplinger, Dennis Terlinden, Terry Schaub and Jim Murphy of Wayne township; by Charles DeWane and Mitch Zimmel of Kewaskum township; by Ronald Stoffel, Harold Mueller, Mike and Jim Becker and Robert Bingen of Addison township; Gary Spiel and Phil Hegy of Hartford township; Gerald Schmidt of Trenton township; Ed and Harvey Klumb of Barton township; Keith Luft of Farmington township; Jim

Wiechert of Jackson township and Gerald Skomski of Germantown township.

As storm water runoff flows downhill, it tends to become concentrated and can form gullies. To prevent gullying, you may need a grass waterway to safely carry storm runoff slowly off the field. The waterway's depth and width are based on size of the drainage area, topography and the amount and distribution of rainfall. By selecting adapted grasses and legumes that benefit wildlife, you can control erosion and provide wildlife food and cover at the same time.

This spring approximately 7,000 feet of grassed waterways were constructed on the farms of Marvin and Warren Rate of Addison township; Gerald Ziegelbauer of Hartford township; Ed and Harvey Klumb of Barton township; Johnson Nursery of Jackson township and David Schaeffer of Kewaskum township.

Register for Fall Semester at UWWC

New Law Tough on Intoxicated Boaters

A law passed during the special session of the Wisconsin legislature last month stiffens the penalties for operating a motorboat while intoxicated and includes an implied consent provision similar to the one for motor vehicle operators.

Under the implied consent provision of the law, an individual arrested for operating a boat while under the influence of intoxicants is required to submit to a chemical test for intoxicants when requested to do so by the arresting officer. Failure to agree to a chemical test on the part of the arrested person constitutes a violation and is subject to the same penalties and conditions that apply to operating a car while under the influence of an intoxicant.

The bill creates new penalties for violations of the intoxicated boating law and the refusal to take a chemical test law. A person operating a motorboat under the influence of an intoxicant, operating a motorboat with alcohol concentrations at or above specified levels, or refusing to submit to a chemical test when requested to do so will be subject to a fine of \$150 to \$300. If the person has a previous conviction within the past five years for the same offense, the fine jumps to from \$300 to \$1,000 and the individual is subject to a jail term of from five days to six months. Conviction for these types of violations two or more times within the past five years results in a fine of from \$600 to \$2,000 and a jail term ranging from 30 days to one year. The bill also creates additional fines and jail sentences for individuals who causes injury to another person through the operation of a motorboat while under the influence of an intoxicant.

The law applies to all motorboats except a sailboat with a motor when it is operating under sail only.

Dale Morey, Department of Natural Resources' Coordinator of Boating Safety, said, "The use of alcohol is a factor in at least half of all boating accidents, and the increased penalties provided in this new law should be a deterrent to the practice of mixing alcohol with motorboating, a dangerous and often fatal practice."

2. The public improvements shall be the installation of sidewalk on Clinton Street and Brooklane Drive to meet the specifications in the Village of Kewaskum and other related specifications contained in Section 8 of the Municipal Code of the Village of Kewaskum and under the Village Engineers specifications for sidewalk installation.

3. The total amount assessed against the properties in the defined assessment district shall not exceed 100% of the total cost of the improvements. The Village Board determines that the improvement constitutes an exercise of police power and the amount assessed against each parcel shall be based on the lineal footage of said parcel abutting on Clinton Street and Brooklane Drive.

4. The assessment against any parcel may be paid in cash or in annual installments the number of which shall be determined at the public hearing on the proposed assessment.

5. The Village Engineer shall prepare a report which shall consist of:

a. Preliminary or final plans and specifications for the improvements.
b. An estimate of the entire cost of this proposed sidewalk improvement.
c. Schedule of proposed assessments against each parcel.
6. When the report is

Friday, June 27, 1986, Kewaskum Statesman, Page 17

completed, the Village Engineer shall file a copy of the report with the Village Clerk for public inspection.

7. Upon receiving the report of the Village Engineer, the Clerk shall cause a notice to be given stating the nature of the proposed improvements, the general boundary lines of the proposed assessment district, the time and place at which the report may be inspected, and the time and place of the public hearing on the matters contained in the preliminary resolution and the report. This notice shall be published as a class 1 notice and a copy shall be mailed, at least 10 days before the hearing, to every interested party.

8. The hearing shall be held in the Kewaskum Municipal Building, 204 First Street, at a time set by the Clerk in accordance with Sec. 66.60(7), Wis. Stats.

IN MEMORY — In loving memory of our dear husband and father, JOSEPH "TOM" BATZLER, who passed away five years ago, June 30, 1981:

The world was so much brighter When you were here to care, Our hearts were so much lighter For life together we could share.

There were so many things on earth

You hoped that you could do, Including all your dreams for us That never will come true.

Five years of loneliness, Our hearts so weary and blue But thankful to God for the years we had

With a wonderful husband and father like you.

Loved and always remembered by wife, children, grandchildren and great-grandchildren.

4 Games on Consecutive Days This Week Indians Drop Two More EW Games, Shut Out Rams

In action last week, the Kewaskum Indians lost two more Eastern Wisconsin games but blanked Random Lake in a non-conference contest.

Playing at home Monday evening, the Indians were edged by Kiel, 3-2, in eight innings, when Greg Lulloff drove in the deciding run after Ken Zorn had opened with a walk and stole second.

Kewaskum got two men on base in the last of the eighth and had a chance to tie or win it but couldn't bring them home. The Indians outhit Kiel, 8 to 4.

Kewaskum's all-conference slugging catcher, Tim Dettmann, pounded out a triple and two singles to take batting honors. Zorn had a solo home run for Kiel in the third. It was a tough one to lose for Tim Rohlinger, who went the distance.

Hosting New Holstein Tuesday, the Indians were checked on three hits by the Huskies' Scott Lefebber and were shut out, 3-0. Lefebber struck out 11 and walked none in improving his record to a perfect 5-0. He also doubled in John Rulseh with one of New Holstein's two runs in the first inning.

Don Menzel of the losers gave up seven hits, three of them in the first inning, struck out eight and walked five.

Jeff Newhauser collected two of the Indians' three hits and Menzel got the other single. Kewaskum put runners on second and third in the fifth inning, but Lefebber got out of it and held onto his shutout.

Tim Meyer, who stole three bases in the game, tripled and scored the Huskies' first run in the opening inning on Rulseh's single. Rulseh also drove in New Holstein's third run in the fifth inning, winding up with two hits and two RBI.

The victory was the second this season for New Holstein over Kewaskum and dropped their EW record to 2-4.

Playing at Random Lake Friday, the Indians ended a two-game losing streak with a one-sided 11-0 shutout of the Rams, behind the five hit pitching of Bob Yahr.

Yahr struck out five and gave up no walks in the five innings he worked. Junior Troy Zimdars finished up the game and had three strike-outs without a walk in the final two frames.

All of the Indians got a chance to play with Yahr and Jack Aupperle each getting two hits. Yahr also clubbed a home run in the second inning with Rick Staehler and Steve Johnson on base. He also connected for a double and scored on Menzel's hit.

The hits brought Yahr's batting average up to .362. Newhauser is leading the team

with a .435 average, followed by Dettmann with .382. The non-conference win gave Kewaskum an overall 6-5 record.

The Indians had a busy week with four games scheduled this week. Monday they were slated to play at Plymouth, Tuesday they hosted Two Rivers, Wednesday it was a non-conference contest at Campbell-sport, and Thursday they travel to Kiel. Then next week they are scheduled to face Chilton Monday, Sheboygan Falls Tuesday and Plymouth Thursday.

Barton Pounds Lakes Team, 19-6

The Kewaskum Athletics Land o' Lakes team was trimmed by Barton at West Bend Thursday night, 19-6.

Barton's win was tainted by an unbelievable total of 14 Kewaskum errors, plus five by Barton. Barton outhit Kewaskum by just 13-9, led by Mickey Muenster's four for six with two RBI, Tim Perkins' 3-run home run, single and three RBI, and Mike Fleischmann's fine pitching and two hits.

A 9-3 Barton lead mushroomed into a 16-3 rout in the seven-run sixth inning when four Kewaskum errors contributed to six Barton hits, including doubles by Bob Liebetau and Andy Hoenecke. R. Leitheiser collected two of Kewaskum's three hits.

Due to a wet field, Kewaskum's game with the West Bend Benders here Sunday was postponed and will be made up on Aug. 23.

Lakes standings - Plymouth 5-0, Port Washington 5-0, Barton 6-2, West Bend Lithias 3-2, Thiensville-Mequon 2-2, Grafton 2-4, Saukville 2-5, Cedarburg 1-3, Kewaskum 1-4, West Bend Benders 0-5.

Geidel Was 6-1 At UW-Oshkosh

Pitcher Jeff Geidel of Kewaskum led the UW-Oshkosh Titans in innings pitched with 61 the past season and posted a 6-1 record. Geidel gave up 67 hits and 37 runs, of which only 18 were earned for a 2.66 ERA. He struck out 48 and walked 15. He also pitched one of two Titan no-hitters for the season, defeating the College of St. Francis (Joliet, Ill.), 11-0, on April 11.

Rusty Kryzanowski, UW-slugging third baseman from Fond du Lac, who finished in a three-way tie for third place on the Titan squad in batting with a .400 average, has passed up his final year of college baseball eligibility by signing a professional contract with the Houston Astros. Kryzanowski is the 21st Titan to sign a pro baseball contract since 1968, including Eden's Jim Gantner, now of the Milwaukee Brewers. Kryzanowski hit a school record 18 home runs and knocked in 57 runs this spring.

Motorcycle Hill Climb at Sunburst

The Kettle Moraine Sport Riders Motorcycle Club of West Bend is presenting its third annual Midwest Motorcycle Hill Climb Sunday, June 29. It will be held at the New Sunburst Ski Area, located just south of Kewaskum off Hwy. 45, and starting at noon.

For the first time, the club is offering a \$1,000 guaranteed purse to riders in the semi-pro 250cc, 600cc and open classes. Riders with little or no experience will run for trophies in the stock 250cc 600cc and open classes.

A \$100 bonus for the fast time of day by any rider will be awarded by Van Beek Cycle of West Bend and Bob's Harley Division of Fond du Lac.

Food and beverages will be available on the grounds. In case of rain, the event will be held on Sunday, July 13.

Girls Basketball Camp Has Openings

Girls in middle school and high school may still register for UWWC's Basketball Camp to be held at the University of Wisconsin Center in West Bend July 21-25, 1986. This special commuter basketball camp will run from 8:30 a.m. to 4:00 p.m. daily and will be staffed by coaches Tom Brigham, Rick Riehl, and John Larson. Renee Gross, Ann Schneider, and Cheryl Kraus will complete the coaching team.

The camp fee is \$75.00 and includes all supplies, insurance, lunches, snacks, a basketball, and team photos.

To obtain registration forms, call UWWC, 338-5233.

HON-E-KOR LADIES ASSOCIATION

On Wednesday, June 18, the day event was the longest putt on number 13, with honors going to Betty Hallen.
