Rosenheimer Store Building Being Razed

Another Landmark to Disappear

By GERRY MUELLER
Statesman Staff Writer

Following in the footsteps of the old Kewaskum Bank, another landmark will soon be vanishing from the Village of Kewaskum. The building which once housed the L. Rosenheimer Department and Grocery store, and most recently Rich's Super Savings, on the corner of Fond du Lac Avenue and Forest, will be torn down.

At Tuesday night's meeting, Village Administrator Dan Schmidt informed the Village Board that a permit to raze the building had been taken out last Friday and demolition work has already begun.

The Rosenheimer family had been a part of the village's business community for over 100 years and three generations. When Lem Rosenheimer decided to discontinue

operating the store, the business was leased by Richard Bechler, a Rosenheimer employee.

The building has been vacant and for sale since Bechler went out of business earlier this year.

The Statesman was unable to contact Rosenheimer to learn what plans he has for the property after the building is gone. Watch for further announcements.

Regal Ware Ranks 16th in 'The Wisconsin 100' List

Special to Kewaskum Statesman

MILWAUKEE, WI — "The Wisconsin 100" for 1986 represent combined annual revenues exceeding \$12.3 billion and a total of almost 90,000 employees.

Thirty-five new companies are included in this year's ranking and recognition of the state's largest privately held businesses. The Wisconsin 100 list was compiled by the Milwaukee office of Arthur Andersen & Co. from voluntary responses to a statewide survey conducted by the accounting and consulting firm. The companies are ranked according to annual gross revenues.

Kewaskum's Regal Ware, Inc., a manufacturer of aluminum and stainless steel cookware, microwave products, and small electrical appliances,

ranks 16th in The Wisconsin 100.

S.C. Johnson & Son, Inc., Racine, topped the list again this year. Schreiber Foods, Inc., Green Bay, a newcomer to the list, ranks second, with Kohler Co., Kohler, listed third. Rounding out the top five companies are U.S. Oil Co., Inc., Combined Locks, and The Journal Company, Milwaukee.

An annual program introduced by Arthur Andersen & Co. last year, The Wisconsin 100 is intended to highlight the contributions of privately held businesses to the state's economy. This year's survey responses indicated a \$2.4 billion increase over 1985 combined revenues and over 8,100 more total employees. The companies also reported an estimated \$2.1 billion in goods

Village Board Reviews More Departmental Budgets

By GERRY MUELLER
Statesman Staff Writer

Village Administrator Dan Schmidt presented preliminary budgets for three more departments at the Village Board's meeting Tuesday night. They covered the Library, Municipal Building and Parks Department.

While the Municipal and Parks, along with the Administrative budgets showed decreases for 1987, the Library budget contained an increase of approximately 18%, or \$3,600 for next year. Schmidt said the library's operating expenses are anticipated to be up substantially in 1987, because of

changeovers which will be required to conform to the new countywide library system requirements. One specific item was the changing of cards to conform with those being used by other counties in the federated system. Schmidt noted, however, that no changes would be made or money spent until the system was actually created and went into effect.

County Supervisor Dan Stoffel, who was present at the meeting, told the board he was reasonably sure funds would be included in the 1987 county budget for the system. Stoffel expressed some reservation

though as to whether money earmarked would be adequate. "I don't think the money we've appropriated is enough to do all that they're doing in Fond du Lac and Dodge counties," said Stoffel. Trustee Mary Krueger noted that, at all the meetings she attended, people had been led to believe the money put into the county budget would be enough.

Library Committee Chairman Richard Schmidt told the board that the village's two librarians would be going to Fond du Lac this week to look into the program. There are a lot of unanswered questions and

Teachers, Administrators and Support Staff Kickoff Kewaskum United Way

The Kewaskum School District teachers, administrators and support staff workers have taken the ball of commitment to human services and carried it forward to a first down of \$3,728 on the way to a touchdown goal of \$30,000 for the Kewaskum United Way.

With Jerry Gosa, school division chairman, calling the signals, a resounding 73% of the teachers, administrators

and support staff, which includes secretaries, maintenance workers and cooks, showed their concern and community spirit with pledges totaling \$3,728. This is a marked increase from last year's 59% participation and contribution of \$2,967.

The school personnel are optimistic that the people of Kewaskum and surrounding communities of Beechwood, Boltonville, Fillmore, Kohlsville, New Fane, St. Michaels and Wayne as well as residents of the various townships located

within the Kewaskum School District, will follow their lead in lending support to the 15 agencies funded in part by the Kewaskum United Way.

Gosa, elated with the positive response of the teachers, administrators and support staff said, "This is a great way to start off the centennial year of United Way in America. The Kewaskum United Way campaign officially starts September 23 and runs till November 1. We've made a great start in continuing a

Historical Society Early Farm Days Celebration Here Sunday

The Kewaskum Historical Society invites you to their 12th annual Early Farm Days celebration on Sunday, Sept. 7. The event will be held on the west side of River Hill Park from 10:00 a.m. to 6:00 p.m.

Visitors will be able to view miniature gas and steam engines, old farm equipment and antiques which will be on display. The award winning Museum and reconstructed 1847 log cabin will be open to the public.

A special event of the day will be the 2nd U.S. Calvary Re-enactment Group who will be present from 11 a.m. to 4 p.m. in authentic dress from the 1860's and 70's and will perform tactical maneuvers at 1

and 3 p.m.. Members of this group appeared in the TV miniseries "North and South."

A fall harvest stew, roast beef sandwiches, hot dogs, delicious homemade desserts and refreshments will be available. Provisions for carryout food and the selling of whole homemade pies have been made for your convenience.

Admission to the event is free for all.

The 12th annual Early Farm Days commemorative collectors button will be on sale for a \$1.00 donation. The proceeds will be used for the Society's museum and log cabin.

There will be free horse drawn wagon rides and special entertainment.

Victory Won for Hwy. 45 Bypass

Calling it a major victory for the people of the West Bend area, Representative Mary Panzer (R-West Bend) announced that an additional two lanes on the Highway 45 bypass was at the top of the state Department of Transportation's list of major highway project recommendations.

The Transportation Project Commission approved the two lane addition to Highway 45, giving 1988 as the earliest year possible for starting construction.

"This is a tremendous relief to the many people who were concerned about the safety of

the West Bend bypass," Panzer said of the Commission's decision. "There were many people who worked hard in generating public support and action in order to see this project through," she said.

Panzer said that the Department of Transportation compiles data on each of the major highway project proposals then determines the relative merit of each project. She said the Highway 45 bypass was ranked as the number one priority project because traffic projections indicated increased traffic capacity by 1990, which is

conflicting answers on some points. Schmidt noted, including how much money the village would receive and, if there would actually be no increased cost to communities who already have libraries as they have been told.

Stoffel also updated the trustees on the Milwaukee River pollution abatement project. The Kewaskum area all the way up to Sheboygan is considered part of the east-west branch of the Milwaukee River. Every acre that drains into the Milwaukee River is being inventoried, said Stoffel, and everything is being laid out on maps, every manure pile, septic system, mound system and barn, it's all on the map.

The east-west branch will be the first section inventoried, analyzed, and a work plan set up for a public hearing. "The DNR is planning to schedule informational meetings during the winter," said Stoffel.

Our area will be the first to be looked at and hit by the cost of this project, noted Dan Schmidt. Milwaukee County is scheduled to be the last.

Board President Dave Nigh asked Stoffel if the incinerator program was really a dead issue. Stoffel noted there had been some further discussion between the Town of Trenton and West Bend, but that had been dropped. "My feeling is, with the groundwork we have laid, if we had to, we could get an incinerator up in about two years. We know generally where we would put it, that it would be a modular system, and how big it would have to be to do the job. I think you just might see it yet," said Stoffel.

Police Chief Donald Hlavaty told the board Tuesday had been the first day of a complete closed campus at the high school. "Things were pretty quiet so the people should be happy," said Hlavaty.

The Village Board approved Resolution 86-22, related to the establishment of a Debt Service Fund, as recommended by the village's auditors. In conjunction with the resolution,

Schmidt also presented a preliminary budget for that fund.

The board also approved the certified survey map of Mr. and Mrs. Alex Laubach for division of their lot at 536 Werner Drive.

The board then adjourned to closed session.

earlier than originally predicted. Panzer also noted that a good deal of emphasis was put on the safety problems associated with the current two lane facility. She testified on behalf of the proponents of the project at a Transportation Project Commission hearing in July and said that the public's concern and pressure helped bring attention to the safety factor involved.

"I think the commission saw the true need for this project and realized just how dangerous the two lane highway would be with increased traffic projected for the future," Panzer said. "Assuming all the design work gets done in time, plans for construction may be as early as 1988 — the earliest date given to any of the projects."

The 15 member commission, consisting of the Governor, Secretary of Transportation, Lowell Jackson, state legislators and three citizens, approved a \$50 million project list for 36 highway sites across the state. The 13.2 mile, two lane addition to the West Bend bypass is expected to cost approximately \$7,200,000.

That itching sensation that some people mistake for ambition is merely inflammation of the wishbone.

and services purchased from Wisconsin vendors. Employment projections by 87 of its companies indicated a per-company average increase in full-time employees of about 23 percent from 1985 to 1990.

Chief executive officers of The Wisconsin 100 will be honored at a luncheon hosted by Arthur Andersen & Co. in Milwaukee on Tuesday, September 16.

The 100 companies on the list represent many regions of the state and a wide range of its industries. A total of 57 companies are involved in manufacturing, ranging from food products to chemicals, rubber and plastics.

"We're quite pleased with the response to this year's search for The Wisconsin 100," said H. Rick Fumo, partner in charge of the Small Business Division at the Milwaukee office of Arthur Andersen & Co. The Division specializes in privately held companies.

"We're also pleased with the data it gathered, which indicate some very positive growth in terms of revenues and employment in Wisconsin," he said. "Privately owned business has a tradition of quiet success, without fanfare. But it's important to recognize the tremendous impact of these companies — large and small — on this state's economy."

"The Wisconsin 100 is a salute to those hard-working entrepreneurs. We want to pay tribute not only to the top 100, but to all of the closely held companies in the state," Fumo said.

More than 1,000 questionnaires were mailed by the accounting firm to companies throughout the state. To be

eligible for The Wisconsin 100, a company must have its corporate headquarters in Wisconsin, be privately held (not a subsidiary of a publicly owned company or of a company headquartered in another state), have 25 or more full-time employees and have gross revenues of more than \$10 million. Cooperatives, utilities, financial services, nonprofit organizations, construction and real estate companies are not eligible for consideration.

Some 350 guests are expected to attend the September 16 luncheon, which will feature business forecaster Marvin Cetron, Ph.D., founder and president of Forecasting International, Ltd. and author of a dozen books on business and economic issues. The event will be held at the Pfister Hotel in Downtown Milwaukee.

century of tradition of meeting the needs of friends and neighbors in the local communities."

Historically the American United Way concept evolved from the slums of England that Charles Dickens portrayed in his writings. People began to

care and understand that they had to be responsible for their own communities. Philanthropy grew and flourished in America where caring about neighbors and concern about the wholeness of the community is very much a part of our society.

The health of a free society depends on the extent to which people care about helping others, enabling all to become contributing members of society and work at improving their communities.

There's no longer any doubt - smoking causes emphysema, so states Dr. Robert Sandhaus, Denver emphysema specialist, testifying before a U.S. Senate Committee. Announce Fair Contest Winners

The Washington County Republican organization in helping to celebrate the 150th Anniversary of Washington County held a Fair Contest during the Washington County Fair. Participants were asked to answer three questions of a historical nature concerning Washington County and the closest answer to each question received a prize. In the event of more than one correct answer to a given question, the winner was determined by drawing from the correct answers.

The following is a list of the three questions in the contest together with the names of the winners:

1. The first Washington County Budget which included Court Expenses, Officers Salaries, Poor Relief, Roads and Bridges and Schools and Building of School Houses amounted to how many dollars? Answer: \$782.83. Winner: Cathy Arbo of West Bend.

2. How many votes were cast according to the first Poll List of Washington County? Answer: 34. Winner: Robert A. Plahmer of Menomonee Falls.

3. What was the cost of the first Court House, Jail and Jailors House built in 1854? Answer: \$10,000.00. Winner: Ruth Hackbarth of West Bend.

No fee was required to participate in the contest which generated a great deal of interest.

Sunday, September 14, is a busy day for two Campbellsport area parishes.

St. Martin's at Ashford (Hwy. 67 between Lomira and Campbellsport) is planning at Polka Mass for 10:30 a.m., followed by a chili dinner from 11:30 to 3:00 p.m.

Cost of the chili dinner is \$2.75 for adults, \$1.50 for children ages 4 to 12 and 75c for children under 4. There will also be games, refreshments, a craft and bake sale and music by The Haymakers.

St. Matthew's parish in Campbellsport has chosen "Rustic Living" for the Fifth Annual Tour of Homes scheduled from 1 p.m. to 5 p.m. on the same day.

The tour features the homes of Randall & Georgeanna Ryan, Lyle & Kathy Rochwite and Mike and Jan Darvin on Rustic Dr.; Randy and Colleen Karoses, Forest Ave. in Campbellsport, and Joe & Chris Berres on Hwy. 45.

Some of the homes have antiques, one has a collection of music boxes and H O trains, another features stencil designs and one has rose maling on various pieces of decor. The homes are pre-cut, raised ranch, a five level and a small home, remodeled by a young couple - all designed or adapted to fit the needs of the individual families.

Also included in the tour are a bake and craft sale, a hand crocheted afghan and Christmas cards featuring the interior of St. Matthew's Church at Christmas.

Tickets are available at several Campbellsport business places as well as from members of St. Matthew's Christian Mothers or from Arlene Mueller (533-8275). Advance tickets are available at a cost of \$3.00, or at the church dining hall the day of the tour at a cost of \$3.50. Dessert and beverage at the dining hall are included in the ticket price.

Proceeds of the Tour of Homes are used to help fund the parish's religious education program.

Members of the two rural parishes invite everyone to spend a fall day in the country enjoying the Polka Mass, chili dinner, crafts, home baked items and a tour of "Rustic Living."

Jazzercise to Host Open House

Pam Fritz, of Kewaskum, a West Bend Jazzercise instructor will join other Jazzercise instructors throughout Southeastern Wisconsin by offering a "Free For All" Open House in her classes on September 10th and 11th.

Why an Open House? "We wanted to say thanks to all our students who have made Jazzercise a success in West Bend. We also wanted to give the public an opportunity to see what Jazzercise is all about," says Fritz, local Jazzercise instructor.

The Open House events will be open to the public as well as Jazzercise students and all will be admitted FREE! The festivities will include information on monitoring ones participation in exercise, low impact movements, the Jazzercise program and a Jazzercise workout. Refreshments will also be served.

Pam Fritz wishes to invite everyone interested in health and fitness to attend the Open House. Dress to exercise and bring a mat. For more information on Open House locations please call 626-2038.

Regal Ware, Inc., Kewaskum, inducted 19 employees into its 25-Year Club during a banquet held August 6 at the Dillon Inn, West Bend.

Also honored were those employees who have 30 and 40 years of Regal service.

The company's service club recognizes the dedication and loyalty of long-term employees. Membership totals nearly 200. The banquet was held on the 41st anniversary of Regal's founding. Master of Cer-

monies for the evening was Kenneth Stuart, club vice president and employee involvement facilitator for the company. The festivities kicked off with words of welcome from company President James D. Reigle. After the Invocation by Marvin Martin, club secretary and retired Regal employee, the group enjoyed a delicious dinner.

Carl Plaum, club vice president II and a carpenter for the firm, introduced those employees with 25 years of Regal service. Honorees were Beverly Backhaus, screwdriver operator; Donald Batzler, draw

press operator; Melvin Butzke, group leader - tool and die; George Chesak, collections supervisor; Harry Cundy, paper bailer - slitter operator set pack; Jack Gillard, draw press operator;

And, James Heisdorf, stapler set pack; Herbert Justman, draw press operator; Joseph Melzer, group leader - tool and die; Janice Morenzen, inspector - steel line; Martha Polzean, cover welder - steel line; Elizabeth Raether, returns and salvage clerk;

Also, Gregor Schrauth, second shift supervisor - buffing, press and parts depart-

ment; Rita Spoerl, set pack; Jeanne Staehler, repairer; Carl Steiner, group leader - maintenance; Phyllis Von Garlem, secretary - Chicago Sales office; and Robert Wietor supervisor - steel line.

The employees with 30 years of Regal service were intro-

duced by L. N. Peterson, chairman of the board of directors. They included Harriet Michaels, screwdriver operator - aluminum line; Darlene Pesch, administrative assistant to the president; James Portmann, regional sales manager - Minneapolis; and Joseph Volz, interstate truck driver.

James Reigle recognized the employees with 40 years of company service: Wilmer Bunkelman, stock clerk - shipping; and Clarence Reigle, director of quality control.

Club members and their spouses spent the rest of the evening socializing and dancing to the music of Two Hits and a Miss.

Excellent Turnout for KeWALKsum Classic

By GERRY MUELLER
Statesman Staff Writer

Approximately 150 people, including teachers, administrators, support staff and school board members turned out for last Wednesday's KeWALKsum Classic.

The early morning event was held to help emphasize health and wellness as one of the Kewaskum School District staff's major goals for the 1986-87 school year.

The classic was used as an example of how physical activity can help reduce stress while

promoting physical and emotional well being.

The participants had the choice of several courses and methods in completing the event, from a 1/2 mile walk around the high school track, to a four-mile maxi run through the village. Any mode of transportation, except motorized, was accepted. While most of the group chose to walk or jog, District Administrator Penny Kleinhans opted for rollerskating while Kewaskum Elementary School Principal

Zarling was seen pedaling his bike along River View Drive. Some more courageous individuals indicated they were hoping to complete to self-imposed six-mile run.

Kleinhans said she was very pleased with the response, noting almost everyone had turned out except some board members who were unable to participate due to their job obligations.

The 7:30 a.m. walk was followed by the annual breakfast meeting at the high school.

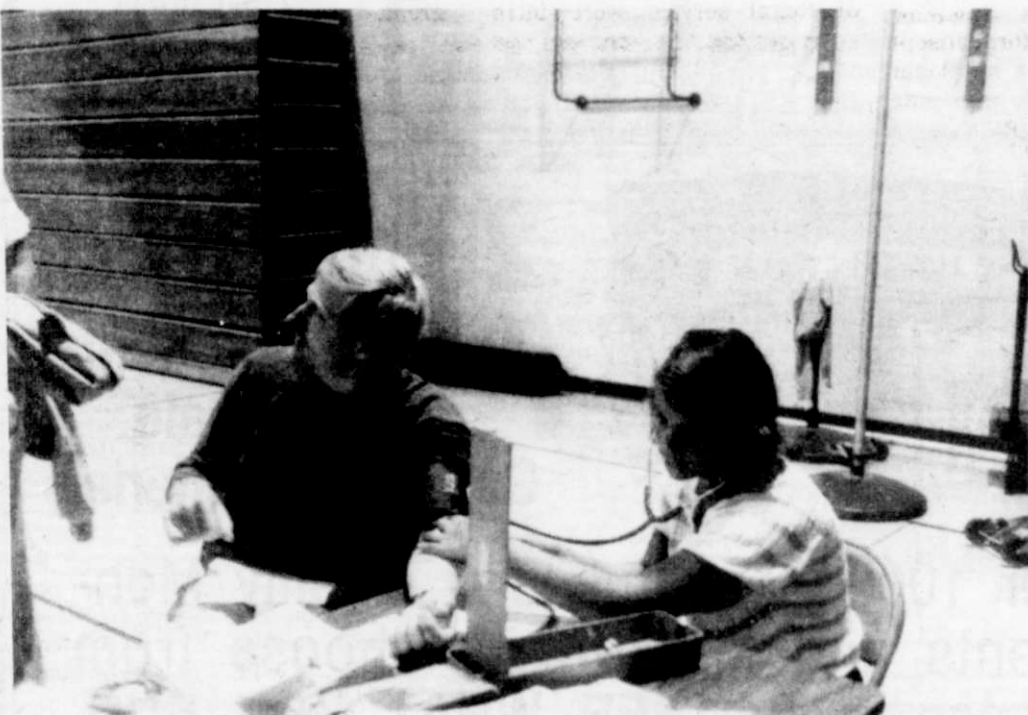

Elementary School Principal Tom Larsen was among those who participated in the one-mile walk.

Equipped with her roller skates, District Administrator Penny Kleinhans fired the starting gun to begin the KeWALKsum Classic.

Even though skies were overcast and the temperature was just getting into the 60's, approximately 150 teachers, administrators, support staff and school board members participated in Wednesday's KeWALKsum Classic.

Cedar-Haven Rehabilitation Agency Summer/Fall Programs

The Cedar-Haven Rehabilitation Agency (CHRA), a division of the Cedar Lake Home Campus, responded to the need for a continued therapy program during summer months for children with special needs. CHRA initiated a summer pediatric program designed to meet the individual needs of disabled children in the West Bend area.

For some children, Music Therapy has been incorporated into programs offered and has proven to be a very effective addition to Physical Therapy, Occupational Therapy and Speech Therapy. A Family Support Group also was made available to help families cope with, and understand their child's special needs.

"The Cedar Haven Rehabilitation Agency is unique for it is one of the few not-for-profit rehabilitation agencies in

Wisconsin," Joanne Bodien, Physical Therapist and Coordinator of Rehabilitative Services reported. She added, "This is reflected in the low rate structure offered for quality therapy treatments."

The CHRA is an extension of the Benevolent Corporation of the Cedar Lake Home Campus and offers Occupational Therapy, Physical Therapy and Speech Therapy as well as counselling services to persons of all ages. Services are

available on a contract basis to businesses and health care agencies. This year CHRA will begin to serve the special needs of children in the Slinger School District with therapy programs designed to encourage the individual child to strengthen the skills needed to be successful in the educational setting.

Mrs. Bodien continued, "There is a definite need for Cedar-Haven Rehabilitation Agency in the area of Wisconsin, not only for the pediatric population but also for adults who are in need of intensive, long-term rehabilitation."

Adoption Information Workshop Is Scheduled

Building Families Through Adoption will host an adoption information workshop for unmarried and single persons who wish to adopt a child. The meeting will be held at The Good Samaritan Medical Center, Chapel Auditorium, 2000 West Kilbourn Ave., Milwaukee, from 9:00 a.m. to 12:00 p.m. on Saturday, September 6.

Building Families is a licensed agency, licensed by the states of Minnesota, North Dakota, South Dakota, Iowa and Wisconsin. Building Families only places waiting children, including minority children from newborn to teenage, older children of all heritages, and handicapped children.

To register for the workshop please call (612) 769-2933. There is no fee, but space is limited. Minority couples are encouraged to attend.

Building Families was founded in 1984 by Roger and Pamela Reinert, who made an

expensive decision. They added to their typical American family of two children a Columbian girl who was blind and unable to walk. This led to the adoption of five other children who were handicapped or had some other special need.

Throughout this experience, the Reinerts were concerned with the meager resources available for facilitating such adoptions. Emerging among the leading advocates of children with special needs, they founded Building Families. In the two years since the organizations inception, well over 200 children have been permanently placed.

The enthusiasm, faith and personal example of the Reinerts continue to be an inspiration to parents everywhere and a tribute to dedicated family life.

UWVC Beginning Photography Course

Basic 35mm Camera Skills will be offered by the University of Wisconsin Center-Washington County on Tuesday evenings, September 9, 16, 23, October 7 and 14, 1986. The class will meet from 7:00 - 9:00 p.m. at UWVC, 400 University Drive, West Bend. Students must bring a 35mm camera to class (with manual control) and will learn the mechanics of the camera, various camera controls, and techniques for producing rewarding photographs. Individual critiques will follow each assignment.

The course fee is \$30.00. A film processing charge will also be assessed. Bud Asch, UWVC faculty member and photography hobbist, is the instructor.

For more details and registration information call 338-5233.

Can Tomatoes Carefully to Prevent Spoilage

By Joyce Albrecht
Washington County
Extension Home Economist

Tomatoes are one of the easiest food products to can. But the whole batch can be lost if you aren't careful.

Firm ripe unblemished tomatoes are acidic enough so you don't need to use a pressure canner to process them — just a boiling water bath. Botulism can be a problem with tomatoes, if improper processing allows bacteria, yeasts and molds to grow.

To peel the tomatoes, dip them into boiling, then cold water. After that, the skins slip off easily. Cut out the core completely and leave the tomato whole or quarter it. Quickly heat the tomatoes in a large pan or kettle. Then quickly fill clean, standard canning jars. To each quart jar, add 1 teaspoon salt. To assure that the tomatoes are sufficiently acidic, add 2 tablespoons bottled lemon juice or 1/2 teaspoon citric acid per quart (if you are going to process in boiling water bath).

Carefully wipe the rim of each jar so no particles can keep the jar from sealing. Then place the lids on and screw the bands until tight.

Lower the jars into boiling water in the canner. Make sure that the water covers the jar tops by at least an inch. When water in the canner returns to a boil, start timing. It takes 25 minutes for pints, 45 for quarts.

Don't cut the processing time. Also, keep the canner covered during processing. As soon as the time is up, take out the jars and cool them, upright, on a rack.

A pressure canner can be used for added safety and speed. Process the jars of tomatoes at 10 lb. pressure for 10 minutes.

To can tomato juice, first simmer the tomatoes. Then strain them, forcing as much pulp as you can through the strainer. If you have a blender, you can blend the cooked tomatoes a few seconds before straining so more pulp goes into the juice.

Reheat the strained juice to boiling. Pour into clean jars and prepare for processing as with whole tomatoes. Process the jars 35 minutes in the boiling water bath canner. If you add other low-acid vegetables like onions, celery or green pepper to the juice, process the juice in a pressure canner at 10 lb. pressure for 15 minutes.

Perhaps your aim is to make chili sauce or catsup. If you use an old recipe, remember to process these products after filling the jars. It takes only 15 minutes in the boiling water bath to keep them from spoiling. It's low cost insurance to avoid spoilage.

First Fall Meeting Of Retired Teachers

The Washington County Retired Teachers Association will meet at Timmer's on Big Cedar Lake for the first fall meeting on Tuesday, September 16th, at 9:00 a.m.

Coffee and rolls will be served at 9:00 with the program beginning at 9:30. The speaker will be Dottie Cigielski of West Bend, a personal financial planner. Her timely practical and applicable presentation will pay dividends for all who are in attendance.

The business meeting will be led by Dorothy Williams, president. The Wisconsin Retired Teachers Association's new district director, Mrs. Ethel Schroeder, will be present to report on state level happenings and to offer advice and suggestions for local issues.

Luncheon will follow the business meeting. Reservations for the luncheon should be mailed by September 10th to C. Skuldt.

Washington County Retired Teachers Association provides an opportunity for retired educators:

- to have a unified voice in local, state and national matters affecting their economic, physical and social welfare,

- to experience a spirit of fellowship and a means of exchanging ideas,

- to find opportunity to serve others.

The organization meets the third Tuesday in the months of April, May, September, October and November.

All retired educators are welcome. Anyone who has not been contacted by letter may call 334-7560 for more information.

Bicyclists Discover Wisconsin Gold

By Jeff Fishburn
UW-Madison Intern

Autumn is nearly here and the Gold Rush is on again in Wisconsin! According to the Wisconsin Division of Tourism, some of the most successful "prospectors" are out hunting on bicycles.

Wisconsin has one of the best secondary road systems in the nation offering bicyclists an escape to the autumn beauty of Wisconsin's rural countryside. The key to finding this hidden treasure is the Wisconsin Bicycle Escape Guide.

The escape guide consists of two maps; each is 34" x 40 1/2" folded in 8 1/2 x 9". By folding the map one more time it easily fits into a bike map window for quick reference. The map divides the state into quarters and one map describes either the west or east half of the state.

This map is a Godsend for bicyclists as well as anyone who wishes to drive through the countryside. The map illustrates in color the topography of the state and almost all of the public roads throughout the state.

This map was developed with the safety of the bicyclist in mind. A computer program, developed under the federal grant, was used to select the safest, less traveled roads in the state. This helped to identify 10,000 miles of safe, scenic roads throughout Wisconsin which pass through all 72 counties of the state and connect all of the Wisconsin state parks.

The map has also identified many off-road trails, such as the Sugar River Trail or the Elroy-Sparta Trail. This map is especially useful for mountain bikers because of the detailed topography of the state. You can use the map to find the rugged terrain that will challenge your mountain biking skills.

If you're looking for a route for the ultimate biking trip or just looking for a pleasant country road to explore, the Wisconsin Bicycle Escape Guide can help you find the safest and most scenic road to get you where you are going.

To order send \$2.25 to: Wisconsin Department of Transportation, Document Sales, 3617 Pierstorff Street, P. O. Box 7713, Madison, WI 53707-7713. (Groups may order larger quantities at the discounted rate of \$1.25/copy for 20-49 or \$1.00 each for 50 or more copies).

**FACSIMILE BALLOT NOTICE
OF PARTISAN PRIMARY ELECTION
SEPTEMBER 9, 1986**

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a partisan primary election to be held in the several wards in the County of Washington, on the 9th day of September, 1986, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a county referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the September primary, the elector, shall designate or select the party of his or her choice by making a punch or a hole at the right of the party of his or her choice. An elector may cast votes for candidates of only one political party or independent candidates for state office. The elector should make a punch or a hole at the right of the candidate's name for each office for whom he or she intends to vote, or write in the name of his or her choice on the ballot envelope provided, or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of his or her choice for a candidate. Write-in votes are not permitted on the independent ballot. In order to qualify for participation in the Wisconsin election campaign fund, a candidate for state office at the September primary must receive at least 2% of all votes cast on all ballots for the office for which he or she is a candidate, in addition to other requirements.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initiated by two inspectors or is defective in any other way, the elector shall return it to the election official who shall issue a proper ballot in its place. Not more than five minutes time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth or machine, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

Obituaries

CHARLOTTE L. GIBSON

Charlotte L. Gibson, 72, of Pebble Beach, California, died Wednesday, Aug. 27, 1986, at Community Hospital of the Monterey Peninsula, Monterey, Calif., after a period of failing health.

A resident of Pebble Beach for the past eight years, she moved to the Peninsula from Palos Verdes Estates, where she lived for 18 years, and San Francisco, where she had lived for 14 years.

Mrs. Gibson, nee Lay, was born May 17, 1914, in Kewaskum. She graduated from Milwaukee Downer College (now Lawrence University) in Appleton.

On the Peninsula, she was a member of the Monterey Peninsula Country Club; of the American Association of University Women; and of the Carmel Presbyterian Church.

Survivors include her husband, Lyle; a daughter, Martha Holiman of Cupertino; a son, Lay of Tucson, Ariz., and four grandchildren.

Memorial services were held at 11 a.m. Saturday at the Carmel Presbyterian Church.

Cremation at the Little Chapel by-the-Sea was followed by inurnment at a later date, with Paul Mortuary in charge of arrangements.

The family suggests contributions to the American Lung Association, 140 Central Ave., Salinas, Calif.

ELEANOR JUSTMAN

Mrs. Eleanor Justman, 89, a longtime former resident of Theresa, died Saturday, Aug. 30, 1986 at Grancare Nursing Center in Fond du Lac.

Koepsell Funeral Home of Mayville was in charge of arrangements. Visitation was from 5 to 7:30 p.m. Tuesday at St. Peter's Lutheran Church at Theresa. The funeral began at 7:30 p.m. Tuesday at the church, with the Rev. John Berg officiating. Burial was at Union Cemetery at Theresa at 10 a.m. Wednesday.

Mrs. Justman was born Feb. 28, 1897 in the Town of Theresa, a daughter of Herman and Louisa Hoepner Zimmer. On March 7, 1920 she married Alvin Justman in the Town of Wayne.

She was a member of St. Peter's Lutheran Church at Theresa.

Survivors include one daughter, Celeste Uhlmann of Fond du Lac, with whom she resided for several years; one son, Oliver of Mayville; three sisters, Mrs. Mike (Violenta) Darmody of the Town of Wayne, Mrs. John (Lorena) Kell of West Bend, and Mrs. Harry (Erna) Lied of Milwaukee; five grandchildren; and five great-grandchildren.

She was preceded in death by her husband, one daughter and two brothers.

EDWIN REISENWEBER

Edwin Louis Reisenweber, 88, of Route 1, Campbellsport, died Tuesday, Aug. 26, 1986, at St. Joseph's Hospital, West Bend.

Mr. Reisenweber was born Feb. 2, 1898, to Louis and Anna Bretzke Reisenweber in the Town of Forest. In 1939, he married Hazel Miritz in

Brownsville. He farmed in the Town of Ashford all of his life.

Survivors include one sister, Mrs. Hilda Pade of Juneau; and one brother, Arthur of rural Campbellsport. He was preceded in death by his wife in 1966, and one sister.

Funeral services were held Thursday at 2 p.m. at St. Paul's Lutheran Church, Brownsville. The Rev. Allen P. Zenker

officiated. Burial was in St. Paul's Cemetery, Brownsville.

Friends called Thursday at the church from noon to 2 p.m.

Kietzer Funeral Home, Lomira, was in charge of arrangements.

Even if you are on the right track, you will get run over if you just sit there.

WEST BEND COUNTRY CLUB WOMEN'S ASSOCIATION

A "Kicker's Tournament" was the event at West Bend Country Club on Aug. 27, for women golfers of the association. Marilou Chapman served as hostess at the first tee to instruct the players. Players could "kick" bad scores from their scorecards.

Winners were as follows:
18-hole golfers: Class A

Barb Martin, 67; Class B - Doris Blake and Marilyn McCollow tied, 72; Class C - Jean Riesen and Pete Koranda tied, 79; Class D - Mary Lloyd, 85.

Flu and Pneumonia Clinics Scheduled Throughout County

Influenza vaccine and pneumonia vaccine will be available to Washington County residents 65 years of age and older and those with chronic disease, at clinics offered by Washington County Community Health Nursing Service. The charge for vaccine will be:

Influenza vaccine - \$3.00 per dose

Pneumonia vaccine - \$6.00 per dose

WHAT IS INFLUENZA ("FLU")? It is an illness caused by influenza viruses. It generally affects people of all ages. Typically, people with influenza have fever, chills, headache, cough, and muscle aches and may be sick for several days to a week or so. Most people recover fully. A small proportion of cases are particularly severe, and patients may develop pneumonia or other complications. The risk of complications and death from influenza is highest for people with chronic health problems and those over 65 years of age.

WHO SHOULD GET INFLUENZA VACCINE? 1) Individuals over 13 years of age with chronic health problems such as diabetes, diseases of the heart, lungs, or kidneys, or severe anemia. 2) Elderly persons 65 years and over. Because influenza is usually mild and most people fully recover, immunization of healthy children and adults is not recommended and will not be offered at the clinics.

Influenza vaccine will not be given to:

- Healthy children and adults (under 65).

- Those who have a fever or feel ill with something more serious than a cold on the day of clinic.

- Those who have received another type of vaccine in the past 14 days.

- Those with allergies to eggs.
- Those with multiple sclerosis or other recurring or persistent neurological illnesses.

- Those who are pregnant.
- Children under 13 years of age.

WHAT IS PNEUMONIA? It is an acute bacterial or viral illness affecting 400,000 to 500,000 persons per year. Pneumococcal infections cause respiratory symptoms, meningitis, and otitis media. The risk of complications is greatest for persons over 65 years of age and those with chronic health problems.

WHO SHOULD GET PNEUMONIA VACCINE? 1) Elderly persons 65 years and over. 2) Persons, two years and older, with immune deficiencies. Children, from 2 years through 17 years, will need a

written order from their physician to receive the vaccine. 3) Persons with chronic health problems such as diabetes, chronic respiratory disease, or cardio-respiratory disease.

WHO SHOULD NOT GET VACCINE? 1) Those who have a fever, illness, or active infection on the day of clinic. 2) Those who have had a pneumonia vaccine; repeat immunizations of pneumonia vaccine are not recommended. 4) Those who are pregnant.

Pneumonia vaccine and influenza vaccine can be administered on the same visit to a clinic.

October 22 - HARTFORD, Harthaven, 33 High Street, 1:15 - 2:15.

October 23 - WEST BEND, Seniors, Courthouse Auditorium - Lower Level, 432

East Washington Street, 12:30 - 2:30.

October 29 - JACKSON, Meal Site, Christ Evangelical Lutheran Church, N168 W20152 Main Street, 12:30 - 1:30.

November 5 - RICHFIELD, Town Hall, 4128 Hubertus Road - Hubertus, 11:30 - 12:30.

November 11 - GERMAN TOWN, Senior Activity Center, W162 N11960 Park Avenue, 12:30 - 1:30.

Those attending clinic will be required to complete a consent form prior to immunization. Registered nurses will be available to answer questions regarding the immunization.

If you have any questions about influenza or pneumonia, please call the Community

Health Nursing Service, 338-4462, 644-5204, or 342-2929.

Sister Mary Edward, O.S.F., daughter of Mr. and Mrs. Edward E. Miller of Kewaskum, was a member of the graduating class of 1961 at St. John's Hospital School of Nursing at Springfield, Illinois.

Now at home in Des Moines, Iowa, are recent newlyweds, Mr. and Mrs. Edward St. Mary, who exchanged vows on August 5 in Iowa. The bride is the former Miss Patricia Ann Dyer, daughter of Mr. and Mrs. Lawrence M. Dyer of Hampton, while the bridegroom is a son of Mr. and Mrs. Raymond St. Mary of Kewaskum.

Miss Gloria Krosnicki, daughter of Mrs. Emma Krosnicki and the late Albert Krosnicki of Mukwonago, became the bride of Norm Hirsig, son of Mr. and Mrs. Oscar Hirsig, Kewaskum, during a nuptial ceremony performed at Mukwonago.

Marriage vows were exchanged by Miss Mary Ellen Jaeger, daughter of Mr. and Mrs. Norman Jaeger, Kewaskum, and John Jeffrey Ahrens, son of Mr. and Mrs. Don E. Ahrens, Bloomfield Hills, Michigan, during a ceremony performed in Holy Trinity Catholic Church, Kewaskum, on August 26.

Married on August 19 in the Church of Our Savior, Fond du Lac, were Miss Delores Vera Gudex, daughter of Mr. and Mrs. Loren Gudex, Route 1, Eden, and Delbert W. Haack, son of Mr. and Mrs. Hilbert Haack, Route 1, Kewaskum.

Sons were born to Mr. and Mrs. Frank Krueger, Jr., Kewaskum, on August 25; to Mr. and Mrs. Joseph Gruber, Route 2, Campbellsport, on August 23; to Mr. and Mrs. George Hanrahan, Route 2, Kewaskum, on August 29, and to Mr. and Mrs. Arvin Merwin, Kewaskum, on August 29. A daughter was born to Mr. and Mrs. A. Thill, Route 2, Kewaskum, on August 23.

Progress is being made rapidly at present and things are beginning to take shape at the new village park and dam site. The dam has been completed with the exception of guard rails and the stop logs, which have been received and

will be put in place next week. The Brown Construction Company of Fond du Lac is now at work dredging the river and excavating in the river bank, for the pond above the dam. For this pond, excavation will be made to widen the river to 250 feet for a distance of 200 feet along the river. From here on to the bridge on Main Street the river will be widened to 130 feet. In the center of the pond excavation will be made at a depth of 8 feet to supply a diving pool for swimming, etc., while the remainder of the river, as far as the bridge, will be dredged at a depth of 5½ feet in the main channel and 2 feet in the river proper. Part of this will be transformed into a sandy wading beach for the kiddies. The park is expected to be ready for the coming winter season and the sports that come with it. A ski slide will be erected and a fine ice skating pond will be built.

"School Days." Again local pupils will answer that old familiar summons next Tuesday morning, Sept. 8, when classes will be resumed at the Kewaskum public school starting at 9 a.m. The parochial school will start one day later on Wednesday, Sept. 9.

A surprise was tendered the people of this vicinity this week when announcement was made by Mr. and Mrs. John F. Schaefer of this village of the marriage of their son, John Louis, which took place on May 23, 1936. The nuptial ceremony was performed at the Evangelical Lutheran Church parsonage in Rockford, Ill. The bride of Miss Wilma Peterson of Lodi, Wisconsin.

Christ H. Schaefer passed away at his home in the village on Aug. 31 after an illness of four years with nephritis followed by a stroke of apoplexy.

The L. Rosenheimer Malt & Grain Company's plant was visited by fire early last Tuesday morning and completely destroyed the malt house and elevator, entailing a loss of more than \$150,000. The origin of the fire is not definitely known. The fire was first noticed at about 6 a.m. by Jos. Schlosser and John Weddig who saw flames shooting out of the second story windows in the malt house. An alarm was

sounded immediately by the ringing of the fire bell and within a few minutes the village fire department with the apparatus was on the grounds. By that time the interior of the malt house building was already in flames and it was evidenced at once that the fire could not be controlled and that the malt house and elevator were doomed, so their attention was directed to keeping the fire from spreading to the adjacent buildings. The engine house, boiler room and electric light plant were saved only by the prompt use of the steam pump in the boiler room which forced sufficient water to save these buildings. The fire, which swept through the malt house burned for over two hours before fire broke out in the large elevator containing over 100,000 bushels of barley. This was the most dangerous time of the fire. Everybody expected that this would spread throughout the village, but fortunately the wind was in a favorable direction. The interior of the malt house by the this time had been gutted by the flames. The original malting plant was built by the Rosenheimers in 1889 and enlarged in 1898 to increase the capacity to 600,000 bushels per annum. The loss on grain, buildings and machinery will be between \$150,000 and \$200,-

000, with insurance to cover the loss fairly well. The buildings that were destroyed were the frame elevator, 56 x 66, covered with sheet iron which was fully equipped with all the latest machinery, and the malt house was a brick building, two stories high, 76 x 114 feet in size and a dry kiln building 39 x 78, 72 feet high. The officials of the malting company informed us that the elevator and malt house would be rebuilt immediately.

George H. Schmidt, editor and proprietor of the Statesman, and Miss Clara Mertes, daughter of Mr. and Mrs. N. J. Mertes, were married at the home of the bride's parents last Tuesday.

Mrs. William Jandre, nee Henrietta Krahn, passed away in death at her home in the Town of Auburn on September 2.

George Arnet, a well known and highly respected resident of Wayne, died September 1, after a three weeks illness with kidney trouble at the age of 83.

The residence of August Backhaus, 2½ miles northeast of this village was struck by lightning last week Friday night. The bolt entered the building at the chimney and

passed along the eaves trough. Outside of a bad scare the only damage done was the tearing down of the chimney and the ripping of the eaves troughs in one corner. All members of the family claim it was a warm bolt as the house soon after was filled with smoke.

A daughter was born to Mr. and Mrs. Geo. Metzger of Kewaskum last Monday. A baby girl was born to Robert Ramel and his wife of New Fane last Thursday.

A ten pound baby boy was born to Mr. and Mrs. And. Heilman of Kewaskum on August 25.

Mr. and Mrs. Joe Riley of Boltonville are the proud parents of a baby boy.

Minutes of Plan Commission Meeting

Village of Kewaskum
Plan Commission
August 26, 1986
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

Administrator Schmidt called the meeting to order at 8:00 p.m. President David Nigh asked to be excused and was absent. Plan Commission Members present were Howard Laubenstein, Donald Mlodzik, Raynor Herriges, Mark Slaughenhoup, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. Commission Members Jeffrey Rohrer and Robert Kirst were absent.

The meeting was opened with a moment of silence and Pledge of Allegiance.

On a motion by Mark Slaughenhoup, seconded by Raynor Herriges and unanimously carried by voice vote, the Commission approved the minutes of May 27, 1986.

Administrator Daniel Schmidt distributed the Zoning Ordinance revision as completed by SEWRPC for review. It was noted October 28, 1986, the Commission and SEWRPC would have a joint meeting for review.

Mr. Thomas Timblin was present to review with the Plan Commission his certified survey map and building plans for the parcel of land to the west of the Shopping Mall on Timblin Drive. He asked the Commission for permission to tie the installation of curb and gutter into the developer's agreement due to the lack of time remaining in this construction season and not being able to get a contractor. He indicated the work would be done in 1987.

Also the matter of the unfinished (170') portion of Timblin Drive north of the Shopping Mall was discussed. Mr. Thomas Timblin agreed

that the 170 feet of roadway would be completed and addressed in the developer's agreement and dedicated with the balance of the road.

On a motion by Raynor Herriges, seconded by Mark Slaughenhoup and unanimously carried by voice vote, the Commission approved the certified survey map and sent it to the Village Board under the stipulation the Chairman and Secretary do not sign it until a favorable developer's agreement has been drafted and approved by the Village Attorney. This agreement would address the 170 feet of Timblin Drive not completed, nor dedicated as of this date and the time table for the balance of the improvements.

Mr. and Mrs. Alex Laubach were present to review with the Plan Commission a certified survey map dividing their lot at 536 Werner Drive into two lots. The Zoning Administrator Richard Zarling indicated there was no problems with the division.

On a motion by Donald Mlodzik, seconded by Mark Slaughenhoup and unanimously carried by voice vote, the Commission approved the certified survey map and sent it to the Village Board for action. It was noted the \$200.00 open space fee should be paid prior to recording.

Motion was made by Raynor Herriges, seconded by Donald Mlodzik to adjourn the meeting. Roll call vote was 4 "Aye," 0 "Nay," 3 "Absent." The motion was carried by the majority.

Eichstedt Repeats As Hon-E-Kor Club Champ

Long-hitting Clark Eichstedt defended his club championship at Hon-E-Kor Country Club in the finals of the 36-hole event on Labor Day with a decisive 10 and 9 win over runner-up Dave Denis.

It was the fifth straight club championship for Eichstedt and his ninth overall. The event was over early as "Ike" consistently outdrove his opponent.

Earlier this season Eichstedt, a prodigious golfer, had also gained a berth in the finals of the State WSGA Match Play Tournament and with partner Mike O'Connor Jr. got all the way to the semi-finals of the WSGA Best Ball event.

It may also have been the last title for "Ike," 33, who with his family plans on moving to England later this fall. Eichstedt told the writer that the family will visit relatives at various places for some time before departing in November for England, of which country his wife is a native. He said if his game continues to improve he has thoughts of turning pro there.

Along with his golf prowess, Eichstedt a standout athlete, also starred in basketball at Kewaskum High School, St. Norbert College and with the Kewaskum Land o' Lakes League team.

Playing slightly over par against Denis, Eichstedt said he just wasn't pushed to play under par golf. The match was over at the ninth hole of the finals. Denis said it was fun watching Clark, who plays well. Denis, who also lost to Eichstedt in the 1980 finals, said it will be fairer for everybody next year because Clark "is a step ahead of most of us." Clark's brother, Glen, caddied for him in one of his championship matches. Glen, who formerly taught at Abbotsford, is teaching and coaching at Lomira High School this year.

Junior finalists, Eric Pearson and Gregg Dean battled to the final hole to decide the championship, won by Pearson with a par. Both are Kewaskum High School aces.

On Saturday, Irene Schlefke won her fifth Hon-E-Kor title, second in a row, by defeating Judi Tiegelman, 4 and 3. Schlefke said she may retire from competitive golf after this season.

Results of other finals are as follows:

First Flight — Terry Aceto defeated Dave Wietor, 4 and 3.
Second Flight — Dave

Froemm won over Buck Averill.

Third Flight — Mike Pfeiffer bested Milt Dickinsen, 3 and 2.

Women's President's Flight — Fran Rohlinger over Karen Salzwedel.

One match between Jerry Chapman and Tom Slaughenhoup was still to be played to determine the senior title.

The drawing for the valuable set of new golf clubs given annually was also held on Labor Day. The lucky winner was Dick Quirk, 213 College Ave., Fox Lake, Wis.

1985 'Rookie of the Year' Don Goeden Improving With Every Race

Don Goeden of St. Michaels with his pit crew. Left to right — David "Squeaky" Enright, Russ McCrimmon, Dan "Digger" Ermer, Jeff Schultz, Don, his dad Willie, Bob Mertes, and his crew chief, brother Dave "Dusty" Goeden, who helps keep the car looking its best.

The Eastern Wisconsin Stock Car Association Modified 1985 "Rookie of the Year" is improving every time he gets on the race track.

As the racing season comes to a close, Don Goeden of Kewaskum has proven himself a true competitor in the modified division. For the last 5 weeks he has become more confident and has qualified for the feature event.

Last Saturday at Plymouth he led the feature race for 8 laps and finished 5th in the checkered flag.

Greg Curzon of Baileys Harbor won the event, with Wayne Goetch of Sheboygan placing in the runner-up position. The second place finish for Goetch helped him to take over the modified point lead from Dick Berth of Cedar Grove, who was in an accident with Frankie Heimerl of West Bend on the 11th lap of the feature.

This next Saturday, Sept. 6th, is the last evening to see a complete show of over 130 cars competing in the Modified, Sportsman and hobby stocks Divisions.

Come and support your local drivers: Erv Waala #48, Jeff Fritz #14, Don Goeden #27, Bill Winner #53, Rich Buslaff

#33, all in the modified division.

How is Willie?

Most of you have already heard or read about Willie Goeden's racing accident that occurred on Aug. 10th at the Slinger Speedway during the feature event for late models.

Willie's left foot was pinched in between a bar of his car's chassis and the wheel of another car as it entered the side of the car. The doctor worked for over 2 hours to put a pin in the small toe and correct the bone structure that had been crushed. The foot was very badly bruised and a big gash was ripped below the small toe that required several stitches. He'll be on crutches for another 4 to 5 weeks at least.

This is the first injury in his 28-year racing career, that has taken him out of competition.

Willie is in good spirits and is already making plans for next year. "It sure feels good to know so many people care," he said. He would like to thank everyone for their get-well-wishes, by phone calls, cards, plants or other "goodies."

So, you ask, how's Willie?

He's doing just fine, and getting around slowly on his crutches.

HON-E-KOR LADIES ASSOCIATION

On Wednesday, August 27, evening golf was held. A very chilly "Best Ball" was the day event with two teams tying for low score. Joan Eggers and Ruth Martin had a 33. Fran Rohlinger and Marge Zehren also had a 33. The team of Joyce Gruber and Janis Berndt came in second with a 36. Pearl Miller won the blind bogey.

Card winners were: Bridge - Marge Zehren; Sheephead - Fran Rohlinger; Rekop - Eleanor Marx.

Indians to Host Horicon in Opener

The Kewaskum Indians will open the 1986 football season in a non-conference home game against Horicon of the Wisconsin Flyway Conference Friday night, Sept. 5, at 7:30 p.m. This will be Parents' Night.

Second year head coach Fran Charland will open the season with a squad that is small physically and in numbers but with some skilled players. The team lost heavily through graduation last year but hopes to improve on last season's 1-8 overall record and 1-6 against Eastern Wisconsin opponents. However, two games were lost in overtime and another three by one touchdown.

At the start of practice, on Aug. 11, just 23 seniors and junior candidates and about 15 others from the sophomore class turned out for the squad.

The Indians do have only eight returning lettermen. They include 200-pound senior running back-defensive end Mike Coulter, who made the all-Washington County defensive team. Coulter will be called on to do a lot of ball carrying and may handle kicking duties.

Other lettermen include

running backs Mark Schlosser, a 5-8, 150-pound halfback - defensive back; Rick Krahn, a 5-9, 150-pound guard; Daryl Landvatter, a 5-8, 150-pound center; Jess Mueller, a 6-1, 180-pound tackle-linebacker; Rich Straub, a 5-8, 150-pound guard-linebacker; Keith Ebert, a 5-9, 165-pound defensive tackle, and Eric Pearson, a 5-11, 150-pound quarterback. Pearson is the only junior, and is the leading candidate for quarterback along with another junior, Rob Baitinger.

Leading non-lettermen include seniors Bruce Troeller, Troy Zimdars, Tom Stollenwerk and Jason Stuck, and juniors Steve Johnson, Robbie Hron and Mitch Gebheim. Troeller, a 6-1, 180-pound tight end, is presently sidelined with a knee injury.

Head coach Charland is assisted by assistant coaches Richard Bergman, Ken Soerens, Clark Pearson and Joe Harlow.

Charland picks Two Rivers as a leading contender and believes Plymouth will also be in the title picture. Two Rivers and Kiel have over 20 lettermen returning.

Suns Shine in Scrimmage

By Chuck Voge

The Kewaskum Indians and the West Bend East Suns got a glimpse of their 1986 football teams here Friday, August 29th, as the two teams exchanged the twenty minute possessions in a two hour scrimmage.

If scores were kept, the Suns would have come out on top in the scrimmage, as they scored six touchdowns to no successful scoring plays for the Indians. In the first of the twenty minute possessions the Indians first defensive team held the Suns scoreless. This same first

defense minus three starters out with minor sprains and bruises gave up two of the Suns' scores in the final twenty minute period. The remaining four touchdowns were given up by the second defensive unit.

The Indians will be fielding a very small team this year, both in numbers and size.

Rob Baitinger and Eric Pearson will be sharing quarterback duties with the number one spot going to Baitinger. The regular nine game season opener will put the Indians up against Horicon at 7:30 p.m. here on Friday, Sept. 5th.

KHS Girls Tennis Team Welcomes Six Letterwinners Back

First year head coach Sherry Nothem should have an experienced girls' tennis team at Kewaskum High School this fall.

Six letterwinners will be back from the 1985 squad, which finished third in the five-team Eastern Wisconsin Conference. Some of them could vie for leading spots in the conference.

Heading the letterwinners is senior Julie Reha, who was the No. 1 singles player last season. She is one of four challenging for the position. Reha finished second in the EW championships last year.

Other veterans back are seniors Lisa Dinesen, Becky Falk, Gail Schekirke and Karie Sarauer; junior Sherry Becker, and sophomore Jane Czoschke, who saw much action in her freshman year.

Gone through graduation is Devonna Gruber, the EW's No. 2 singles champ.

The team had a scrimmage against Waupun last week and played Sheboygan Falls in the season opener Tuesday. The Indians will host defending champion Plymouth on Thursday.

KEWASKUM GIRLS TENNIS SCHEDULE

- Sept. 2 — Kewaskum at Sheboygan Falls.
- Sept. 4 — Plymouth at Kewaskum.
