# Final Leg of 45 Bypass Opens

Washington County Board Chairman Reuben Schmahl cut the ribbon, opening the northern leg of the newly completed Highway 45 West Bend Bypass.

By GERRY MUELLER  
Statesman Staff Writer

[Additional photos on page 6]

After two years of actual construction, two lanes along the entire 13.2 miles of the Highway 45, West Bend Bypass were opened to traffic last Wednesday.

The opening ceremonies marking the completion of the last five miles of the bypass were attended by a host of state, county, and local dignitaries. Participating in the ribbon-cutting were State

Senators Scott McCallum and Donald Stitt, State Representative Mary Panzer, Washington County Board Chairman Reuben Schmahl, West Bend Mayor Donald Gonring, and Wisconsin Department of Transportation representative Harvey Shebesta.

Ceremonies marking the completion of the first eight miles of the bypass from the Highway 45-41 division south of Jackson, to the south edge of West Bend were held last November.

The bypass is the result of

over thirty years of consistent, relentless effort by local, county and state government officials and private organizations to make the bypass a reality. Many times over those years, the bypass' fate was in jeopardy as budget cuts and priority shifts saw the project postponed or rescheduled on the Department of Transportation's construction priorities list.

The total cost of the bypass construction has been estimated at over \$22 million.

# Shooting Victims' Blood Tests Reveal Alcohol and Drugs

By GERRY MUELLER  
Statesman Staff Writer

Results of State Crime Laboratory tests run on the blood and urine autopsy samples of Town of Farmington shooting victims Lee Luebke and Allen Guenther were made public this week by Washington County Coroner Robert Boltz.

The results on the two men, killed in a shooting incident last February, show both men had been drinking and apparently used marijuana shortly before their deaths. The Crime Lab's test to determine ethanol (alcohol) concentration in the blood and urine showed Guenther's blood reading to be .194 by weight, and Luebke's .156. Both readings were above the .10 percent level which is considered legal evidence of intoxication.

Guenther's urine ethanol concentration was .217 percent while Luebke's was .265. The toxicologist indicated this test

showed Guenther may not have begun to sober up at the time of his death while Luebke had.

The only other positive findings on the two men were for marijuana. A positive finding in the blood indicates a drug is active and affecting the body. Tests on Luebke and Guenther showed both men had used marijuana the night they died. State Toxicologist James Oehldrich cautioned, however, against reading too much into the results, including what had been used and how much. He referred to the fact that everyone's metabolism is different and the effects of alcohol and drugs on one person's body could vary from the effects on another person.

The toxicology findings suggests the victims' reactions, motor skills, depth perception and judgement were probably impaired by alcohol and marijuana.

## Steering Committee for Kewaskum Schools to Meet

The Steering Committee for Kewaskum Schools will be meeting on Wednesday, October 1, from 1:15 to 3:30 p.m. in the Community Room of the Kewaskum Municipal Building.

The committee will be reviewing the plans of the program subcommittees included in Cluster 1 of the long-range evaluation schedule. There will also be a report on the follow-up study done of the 1982 and 1985 Kewaskum High School graduates by Dave Wieter, high school guidance counselor. The committee will also begin

developing a district philosophy and educational goals for presentation to the school board at a future date.

The long-range evaluation plan was accepted by the School Board at their August meeting. The teachers involved in the first phase of the self-studies began working to develop their mission statements and K-12 program goals during the August inservice sessions. These are statements of why a program exists and what the program intends to have students learn in broad, global

# Kewaskum School Administrator Wins Sex Discrimination Suit

Penny Kleinhans

By GERRY MUELLER  
Statesman Staff Writer

Penny Kleinhans, District Administrator for the Kewaskum School District, has won

her case against the State Department of Public Instruction in which she claimed sex-discrimination was a factor in her not being selected for a \$38,900 a year position with the DPI. The lawsuit was the result of Kleinhans not being offered the job of School Administrative Consultant, a post for which she applied in 1985.

Kleinhans will receive \$31,500, as an out-of-court settlement from the DPI, which, while it agreed to the settlement, would not admit any wrongdoing. As a condition of the agreement, Kleinhans will not be able to apply for another DPI job for two years.

A State Investigator's report said Kleinhans, after participating in interviews and written tests, had been ranked second in a field of seven candidates. Her discrimination claim result-

ed after the top-ranked candidate took another job and DPI officials eventually selected the fourth-ranked candidate, a male, Richard Peterson, Mount Horeb School District Administrator, passing over Kleinhans.

Last April, State Personnel Commission Investigator Renee Payne upheld Kleinhans' claim, finding probable cause to believe she had been treated unfairly. In the report Payne noted that DPI officials had sought eight job references from Kleinhans, but only two for Peterson.

Kleinhans' attorney said the \$31,500 was intended to reflect the harm to Kleinhans' career, the violation of her constitutional rights and her need to relocate her family when she failed to obtain the position in Madison.

## Power Outage Hits Four-County Area

By GERRY MUELLER  
Statesman Staff Writer

A power outage which lasted from a few minutes to almost a half hour affected residents in a four-county area early Tuesday evening.

Arthur Falk, Wisconsin Electric Company District Manager for West Bend, stated Wednesday morning, the outage, which occurred shortly before 7:30 p.m., affected customers from Port Washington to Fort Atkinson and as far

north as the Eden area when a 138,000 volt power line between the Saukville and St. Lawrence substations failed.

Customers in Dodge, Washington, Ozaukee and southern Fond du Lac Counties were temporarily out of service as Wisconsin Electric bridge (transferred) service to other power sources.

Falk said his company still did not know the reason for the line's failure and crews were out inspecting the entire line to locate the problem.

## V.F.W. Post 8658 Again Sponsors Voice Of Democracy Scholarship Program

The V.F.W. Adrian Neubauer Post 8658, West Bend, is again sponsoring the annual Voice of Democracy Scholarship Program, the winner of which will receive a \$50.00 Savings Bond for the V.F.W. Post.

"Students win more than awards and scholarship when they participate in the VFW Voice of Democracy Scholarship Program" said Commander Carl Mayer of VFW Post 8658 in discussing the broadcast script-writing program conducted annually by the Veterans of Foreign Wars and its Ladies Auxiliary.

Some of the fringe benefits, according to Commander Mayer are increased self-confidence and poise, experience in communicating with others and valuable training in self expression. For the state winners, there is also the broadening experience of a five-day tour of Washington, D.C., and the opportunity to make lasting friendships with the other state winners.

In the twenty-five years that the VFW and its Ladies Auxiliary have sponsored the Voice of Democracy Program, more than 5,000,000 high school students have participated. Participants write and then tape-record a three-to-five minute broadcast script expressing their views of "The Challenge of American Citizen-

ship." From among the state winners, six national winners are chosen to receive a total of \$32,500 in scholarships.

"One of the greatest benefits to young people who take part in the program is that by thinking, writing and speaking up for their country, they gain a better appreciation of their obligation to maintain our nation's freedom heritage," Commander Mayer said.

## Two Injured in Area Accident

Two West Bend residents were injured early Sunday when they skidded through an intersection in the Town of Kewaskum, after the brakes on their car reportedly went out.

Robert L. Swenson, 23, and Sandra J. Swenson, 19, both of 277A S. Main Street, West Bend, reportedly were taken to St. Joseph's Community Hospital in West Bend. Robert was the driver.

The accident occurred at 1:20 a.m. as the Swenson vehicle was westbound on County H at U.S. 45 south of Kewaskum. According to the driver, the brakes failed as he applied them at the intersection, and the car skidded broadside into a ditch embankment on the west side of U.S. 45.

Sandra was ejected from the car onto a lawn. She suffered a broken jaw, broken right leg and fractured pelvis. Robert had lacerations of the right hand and head.

## Nurses Plan Fall Dinner Meeting

The Kettle Moraine Nurses Association will hold their fall dinner meeting at West Bend Country Club, 5858 Hwy. Z, West Bend, on Oct. 15, 1986. The event is being hosted by the nursing staff of the General Clinic. All nurses are cordially invited to attend.

There will be a social hour beginning at 6:00 p.m., dinner served at 7:00 p.m. followed by a speaker, Judy Price, R.N. Nursing Coordinator, General Clinic, Main. She will discuss spinal cord injury - "The Journey Back."

Pre-registration payment of \$11.00 per person is due by Oct. 7, 1986. Make checks payable and send to: Shirley Hofmaier, 1409 West Chestnut, West Bend, WI 53095.

## Seifert to Give Presentation on Florida Everglades

Fritzie Seifert, President of the Kettle Moraine Audubon Society, will give a slide presentation on Florida's Everglades. Ecological problems of the area will be discussed and Corkscrew Swamp Sanctuary will be visited. This Kettle Moraine Audubon Society sponsored program is open to the public at 7:30 p.m. Tuesday, Sept. 30 at Friess Lake School. Refreshments and social hour follow the slides.

Friess Lake School is located just north of Hwy 167 on the east side of Hwy J, near Hubertus.

## Shooting

(Continued from Page 1)

The tests were ordered by the Washington County Sheriff's Department as part of its ongoing investigation of the incident. Glen Zimdars, whose parents lived in the same home as the victims, has admitted shooting Luebke and Guenther in self-defense, however, officials continue to investigate the case because of conflicting statements and evidence. Investigators have been working to put the puzzling pieces together to uncover the true circumstances which led to Guenther and Luebke's deaths.

The latest development in the case was a reliable report of a "contract" out on Zimdars' life. The source said two men from a southern state had been hired to kill Zimdars in retaliation for Guenther's death.

physical problems.

Stress Management will be held on Wednesdays from 6:30 - 8:30 p.m. on October 8, 15, 22, 29. Course fee is \$25.00 and .8 CEU's will be awarded for successful completion. Pre-registration is advised. Phone the UW Center - West Bend at 338-5200.

## LETTER TO THE EDITOR...

To the Editor:

The Kewaskum High School Student Government would like to thank all of the people who helped to make our car wash on Saturday, Sept. 20, a great success. Thanks to you, we made a profit in excess of \$165.00.

A special thanks goes to Herriges Oil for allowing us to use their facilities, and to WBKV for enthusiastically promoting the event.

terms. The next phase is to have all teachers involved in a particular subject area identify the specific knowledge, skills, and attitudes to be learned by students to each grade level or in a particular course.

This will help to provide a more uniform program between schools and classrooms and to help insure that students are prepared to learn the material in the next grade or course. The areas involved in the first year of study are guidance and testing, social studies, art, and music.

## 3 KHS Seniors Named Commended Students in Merit Program

Kewaskum High School has been notified by National Merit Scholarship Corporation (NMSC) of Evanston, Illinois, that Tara Kleinhans, Daryl Landvatter and Lynn Peters have been designated as Commended Students in the 1987 National Merit Scholarship Program and will receive a Letter of Commendation in recognition of outstanding academic promise. The principal, Leroy Kopecky, has announced that on the basis of performance on the qualifying test for the 32nd annual Merit Program these seniors placed in the top 50,000 of more than one million participants.

An officer of NMSC, which conducts the program, stated, "The very high test performance of the young men and women who are honored as Commended Students in the Merit Program is indicative of exceptional scholastic ability. We hope that NMSC's recognition of these high school students will increase their

motivation to make the best use of their talents and to develop the skills that will be needed by the future leaders of our nation. Being named a Commended Student in this keen competition is a credit to these young citizens as well as to their schools, which play a key role in their development."

Participants entered the current Merit Program by taking the PSAT/NMSQT in October 1985, when most of them were juniors. Although their qualifying test scores are high, the 35,000 young people throughout the nation who are Commended Students scored slightly below the level required for Semifinalist standing in the Merit Program. Only the 15,000 Semifinalists, whose names were announced on September 11, will continue in the competition for some 6,000 Merit Scholarships to be awarded in the spring of 1987.

The official opening of the Kewaskum United Way campaign was observed Tuesday evening at 7:30 p.m. with a meeting of the Kewaskum United Way board members at Valley Bank. With \$4,297 in early pledges and donations, the board members and workers are looking forward to strong support from area residents to reach their goal of \$30,000.

Board Directors are Margaret McFadden - president, Jerry Gosa - vice president, Darlene Tessar - secretary and Ralph Rimmel - treasurer. John Tessar and Tom Larsen are co-chairmen, Jerry Zimmel is budget director and John Coulter is auditor for the 1986 drive.

This year's division captains are: Financial - Mike Pfeiffer; House-to-House Drive - Janet Martinson; Industrial - John Tessar; Outlying Communities - Tom Larsen; Professional - Ron Schmitz; Public Sector - Jerry Gosa; Retail - Dave Nigh; Rural and Village Mailings - Ruth Ramel; Taverns and Restaurants - Jim Kleinhans and Tom Larsen, and Transportation - Roy Esser.

In addition to these, the board also includes Gene Akin, Dr. Dennis Connor, Jim Hammen, Judy Harlow, Joan Groh, Mark Jansen, Mary Secor and Elaine Vetter.

The Christian Record Braille

Foundation is the 5th agency helped by Kewaskum United Way and has been operating since 1899 under the direction of the General Conference of Seventh-day Adventists. The Foundation strives to enrich the lives of blind, visually and physically impaired persons regardless of race, creed, economic status or sex.

The United States and Canada are divided into 9 divisions with area directors responsible for the work of 100 district representatives who contact the blind, visually and physically impaired persons to explain and demonstrate their free services, educate the public concerning the needs of these people and receive contributions.

The Christian Record Braille Foundation prints nine magazines in braille, large print and on flexible discs, runs a lending library circulating books, including Bibles, in braille, large print, on cassettes and on records, as well as full-vision books with a combination of ink print and braille for the blind parent with a sighted child. In addition the Christian Record Braille Foundation conducts 30-35 camps for 2,000 blind children annually, glaucoma screening clinics and offers limited scholarships for those who qualify. Their representatives

personally visit blind people in their homes, coordinate the translation of materials and signing for deaf persons and run a Bible correspondence school with study guides in braille, large-print, on records or cassettes.

The 6th agency aided by Kewaskum United Way is the Children's Service Society of Wisconsin, chartered in 1889 with offices presently in 22 cities including Fond du Lac and Sheboygan.

It is the only private, non-profit, nonsectarian social welfare organization in Wisconsin concerned exclusively with the needs of children. These needs are met in a variety of ways starting with child-parent counseling which may help a child to cope with school problems, depression, death, divorce or remarriage or a parent to cope with discipline problems, a handicapped child or changes in the family structure.

CSSW is licensed as a child placing agency and contracts with counties to provide treatment foster care with both

married couples and single parents. Over 50% of the children in treatment foster care are teenagers trying to overcome emotional problems from abuse and neglect.

Adoption is another facet of the Children's Service Society of Wisconsin. Adoption is not only for healthy infants but for older children with mental and physical problems, minority children or any child who needs a permanent home. The agency works with people of all social, economic, ethnic and religious backgrounds without discrimination and remains responsive to the adoptive parents and the children throughout their lives.

Single parent counseling has become an important part of the CSSW's services with programs in Pregnancy Counseling,

Parenting and Life Skills, plus the Mentor program which matches volunteer professional women as role models with high-risk and pre-teen girls. An adoption program is offered for the young mother choosing to place her child for adoption.

# Bypass

(Continued from Page 1)

brating the bypass' opening, it was unanimously agreed that the next priority will be to see the construction of the remaining two lanes of the four-lane route completed long before 1993. The cost of completing the bypass is projected to be \$7.2 million.

Statistics for the southern portion of the bypass alone, show weekday counts of 11,290 vehicles, already 7% higher than projected. Traffic projections, based on the completed portion of the two-lane bypass, show the traffic capacity which would be provided by the completion of the last two lanes will be needed by at least 1990-91, earlier than the DOT's 1983 traffic projections for the bypass had indicated.

At a public hearing of the state's Transportation Projects Committee in July, representatives of the county stressed the need for the bypass' expansion as soon as possible. Along with the figures showing the bypass' already higher than anticipated

usage, spokespersons pointed out the safety factors involved.

The latest victim of a bypass accident was James Leisch of Milwaukee, who died Sunday as a result of a September 14th incident involving his motorcycle and a car. Leisch's death brings the total to seven who have died on the bypass since its opening last November. The current rate of accidents on the bypass would project to 53 for the year, or 159 over a three-year period.

After hearing the bypass proponents' statements, receiving local communities' resolutions supporting the bypass completion, and petitions containing almost 15,000 signatures supporting construction of the last two lanes as soon as possible, the DOT moved the bypass completion to number one on its priority list for the 1988-1993 construction schedule. Funding for the work is being proposed for inclusion in the state's 1987 budget. Backers of the project, from private individuals, to area governments are hoping to see actual construction begin as early as 1988, if not sooner.

Private citizens participated in ceremonies opening the northern portion of the Highway 45 Bypass. Almost 100 vehicles and several hundred individuals gathered on the highway "D" overpass to watch the ribbon cutting and then become a part of the motorcade which traveled south to the Paradise Drive off ramp, officially opening the new road.

State Representative Mary Panzer of West Bend addressed the crowd who came to participate in the opening of the final leg of the 45 Bypass. Panzer, a strong supporter of the bypass' construction, pledged her help in getting the last two lanes of the bypass completed as soon as possible. Backers of the bypass are hoping to see construction by 1988.

## Serves Kewaskum Riverbend Cablevision Joins Diggers Hotline

MILWAUKEE — Riverbend Cablevision is the newest member of Diggers Hotline, Wisconsin's toll-free information service for the location of underground and overhead facilities. The announcement was made by Mike Hewitt, executive director of Diggers Hotline.

According to Dean Sinclair, manager of Riverbend Cable-

vision, the firm is participating in the Diggers Hotline one-call system to provide an additional service to its customers, as well as professional excavators.

"Damage to our underground cables means interrupted service to our customers and lost work time or safety hazards to excavators," he said. "As a member of Diggers Hotline,

we'll be notified whenever someone plans to dig in our service area. We can then ensure that our underground facilities will be properly located and marked before excavation begins."

Riverbend Cablevision serves more than 5,600 customers in West Bend, Jackson, Kewaskum, Barton and Trenton.

# Kewaskum Juniors Announce 'A Kettle Country Christmas

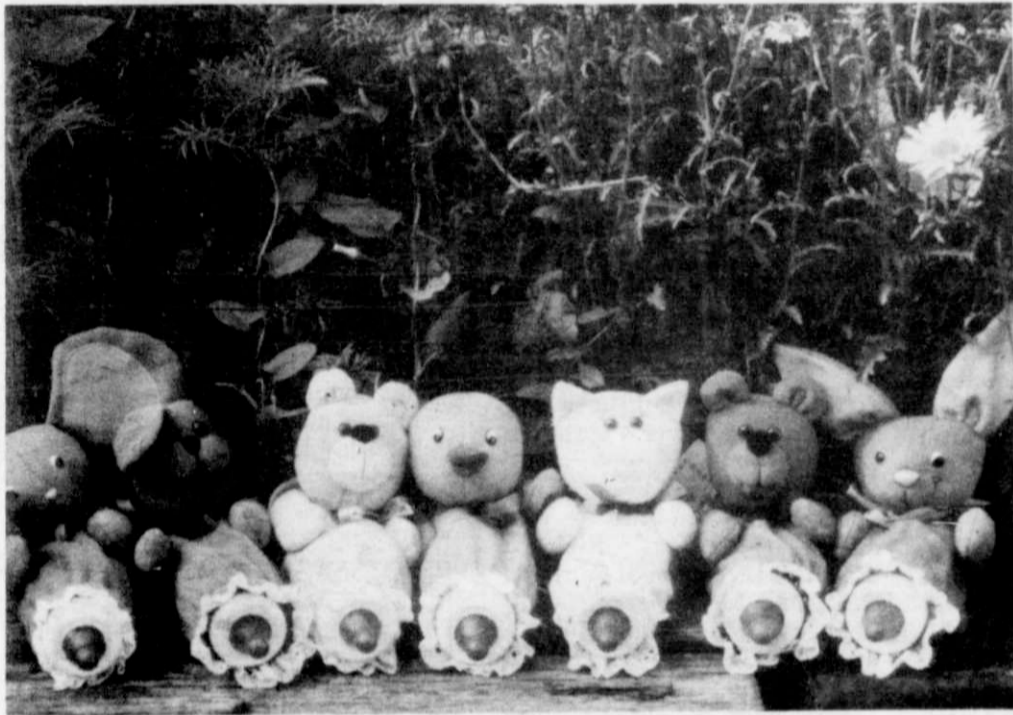

The G.F.W.C. Kewaskum Junior Woman's Club is happy to announce it's fourth annual art and craft fair, entitled "A Kettle Country Christmas." Previously held in autumn in an outdoor park setting, the club has moved the show inside near holiday time, to provide a more successful show for exhibitors and the public. The show accepts original work only, and is hosting local exhibitors from the Kewaskum - West Bend area as well as artists and crafters from Sheboygan, Fond du Lac, Horicon, Wauwatosa, Burlington, Westfield, Ixonia, Hartford, Port Washington, and Muskego. Included in the fair will be numerous Christmas items, Amish & Raggedy Ann dolls, clothing for many dolls including Barbie and Cabbage Patch, stained glass items, soft sculpture pictures, tole painting and rosemailing, custom made

oak picture frames, handcrafted wooden toys, country items, wheatweaving, calico hoops, dried flower wreaths and baskets, appliqued sweatshirts for children and adults, handcrafted silver jewelry, and oil paintings.

In addition to exhibitors, the fair will also offer a Santa's Bake Shop of goodies hosted by Kewaskum Juniors, Candy Cane Lane, holiday music and the raffle of Juniors' hand quilted full/queen sized "Grandmother's Fan" quilt. The show will be held at the Amerahn on Saturday, November 29th from 10:00 to 4:00. Exhibitor's booths are still available. For more information call 626-4669. As the 20th Anniversary year of Kewaskum Juniors continues, watch for added details on "A Kettle Country Christmas."

## Jeske - Oscar

The marriage vows of Julie Mae Jeske and Dennis Jay Oscar were blessed during a 2 p.m. ceremony at St. Michael's Catholic Church, rural Kewaskum, on May 31. Father Ralph Wagner officiated.

Music was provided by guitarists Sister Gail Patrice Graczyk and Sam Claas. Vocalists were Janet Volm, Carol Ramthun and Dothe Korpela, aunts of the bride.

Parents of the couple are the late Frederic Jeske and Patrice Jeske, Kewaskum and Walter and June Oscar, Tonawanda, NY.

Jeannine Jeske of West Bend, the bride's sister, served as maid of honor. Douglas Oscar, Kenmore, NY, brother of the groom, served as best man.

Ushering duties were shared by Dottie and Ray Korpela, East Troy, aunt and uncle of the bride. Servers were Mike Ramthun, cousin of the bride, and Richie Thiemer. Readers were Carol, Ken and Chris Ramthun and the gift bearers were Jerome and Diane Spaeth, godparents of the bride. Drivers were Richard Thiemer, Jr. and Paul Selinas, Jr.

A horse and buggy ride to the bride's grandmother's home followed the ceremony. The bride and groom were then driven, in a '63 T-Bird, to the Amerahn where the dinner and dance was held.

The couple honeymooned at West Point and reside in Tonawanda, NY.

## West Bend Woman Among Winners Of Mary Kay Car

DALLAS, Texas — Julie Lepak of West Bend, has been awarded the use of an Oldsmobile Firenza by Mary Kay Cosmetics, Inc. as a result of her accomplishments as an independent sales director.

Ms. Lepak is among more than 1500 Mary Kay independent businesswomen who are members of the company's new VIP Club. (VIP means Very Important Performer!) In recognition of her leadership and personal achievements, Mary Kay provides VIPs like Ms. Lepak with the use of a Firenza for as long as she meets production requirements.

The new VIP program was unveiled in February 1984, by the Dallas-based cosmetics company and marks the first time that Mary Kay has offered use of a car as an incentive to independent beauty consultants. Famous Mary Kay pink Buick Regals and Cadillacs have traditionally been awarded only to sales directors.

Mary Kay Cosmetics, Inc. is an international manufacturer and distributor of premium skin, hair and body care products, cosmetics, toiletries and fragrances.

## Jon Etta Runner-Up for Regional FFA Award

Friday, Sept. 26, 1986, Kewaskum Statesman, Page 12

Jon Etta, right, received the First Place Gold at the summer State FFA convention, from a Wayne Feeds representative. Jon plans to continue his FFA activities and farming programs to pursue the American Farmer Degree, the highest level of membership in the FFA organization. Jon is currently farming and attending UW Short Course in the fall.

Jon Etta, graduate of Kewaskum High School, has been named a gold award winner in regional competition for the National FFA Diversified Livestock Production Proficiency Award.

Jon is the son of Ethan and Judy Etta and a member of the Kewaskum FFA Chapter. Jon became eligible for the regional run-off when he won the \$100 State Diversified Livestock Production Proficiency Award sponsored by Dodge Division, Chrysler Corporation of Detroit, Michigan, and Wayne Feed Division/Continental Grain Company of Chicago, Illinois.

The award is one of 29 Agricultural Proficiency Awards presented annually at local, state, regional and national levels to recognize FFA members for achievements in activities leading to careers in agriculture.

This year's regional winner was Brad Chambliss of Hardinsburg, Kentucky, who will receive a plaque, a check for \$250 and partially paid travel expenses to the National FFA

Convention in Kansas City, Missouri, in November. At the convention, Chambliss will compete against three other regional Diversified Livestock Production Proficiency Award winners selected from each of the other three FFA regions.

Jon was presented a framed certificate recognizing his placing in the regional competition. This is the highest award bestowed on a Kewaskum FFA member since Dale Moths received his American Farmer Degree in 1969.

## Reconstruction Starts on Town Of Fredonia Bridge

Bridge construction was expected to start the week of September 22, 1986, on the reconstruction of the bridge over the North Bank of the Milwaukee River North of CTH "A." The work will consist of replacement of the existing narrow bridge with a 3-span concrete bridge with a 24-foot roadway.

The work will be performed under the contract let to Lunda Construction Company of Black River Falls, Wisconsin, at an estimated cost of \$133,995.00. Financing will be shared on approximately a 75-25 percentage by the Federal government and the Town of Fredonia, respectively, from funds provided primarily by gas taxes.

Riverside Road will be closed to through traffic during construction operations, with access only to local property owners. It was anticipated that it will be closed during the week of September 22 and will be reopened by November 15, 1986. Traffic is urged to use caution in the construction zone.

## Sept. 30 Is Wheat Insurance Deadline

September 30 is the last day to apply for crop insurance for wheat in Washington County, according to Jerold Van Beek, a representative of the Federal Crop Insurance Corporation (FCIC).

Recently a new crop insurance plan, called Actual Production History (APH), became available to farmers for specific crops. It is designed to promote actuarial integrity and fairness on a producer-by-producer basis. "Using your own farm records or other available sources of information, an APH yield is determined for each crop produced. The higher your individual APH Yield, the more insurance protection you are offered," explained Van Beek, "and the lower your premium rate."

Since no one crop insurance policy is best for every situation, individual and financial needs must be considered before buying insurance.

"To find out more about the program, contact an authorized insurance agent," urged Van Beek, "as the deadline to apply for crop insurance is September 30."

**BAG YOUR LIMIT**

When Wisconsin grocery shoppers go hunting for quality and value they go equipped with powerful information, the advertising information they get from their newspaper. In a recent survey, Newspapers were chosen as the preferred source of advertising information by a 2 to 1 margin over the next favored mass medium.

When embarking on your grocery trip, remember there is safety in numbers. For example, 94% of you read a newspaper in the last week, 92% have clipped a newspaper coupon, and 86% read newspaper inserts. With most people visiting the grocery store 3 or more times a week, there's a lot of value hunting going on with the help of newspapers.

So whether you bag the groceries or sell them, go where the market is...

## September is Proclaimed Pedestrian Safety Month

September is Pedestrian Safety Month in Wisconsin, and a good time to look at pedestrian rights and responsibilities, according to Susan Kavulich, pedestrian and bicycle safety program manager for the state Department of Transportation.

If both motorists and pedestrians respected each others' rights and behaved responsibly, the number of deaths and injuries could be significantly reduced, Kavulich said. "However, in those instances where conflicts occur, it is almost always the pedestrian, rarely the motorist, who receives the injury," she added.

Kavulich said many accidents occur when pedestrians violate basic laws that have been on the books for decades. "Each year large numbers of people are killed or injured while walking or jogging in the roadway with their backs to traffic," she said. "If you must walk in the roadway, walk facing oncoming vehicles. You'll be better able to get out of the way if you see a vehicle coming toward you."

"Pedestrians are killed and injured each year crossing in mid-block, often stepping into traffic from between parked cars. Parents should be very careful to instruct children to use crosswalks where they are more visible and are where drivers usually expect to see pedestrians," Kavulich said. "This is especially important for young people who don't have an appreciation of how fast vehicles are approaching or how long it takes an operator to bring a vehicle to a stop," she added.

Drinking is another major factor in pedestrian deaths, Kavulich said. "Lab tests last year in Wisconsin found that of the adult pedestrians killed and tested for alcohol, 42 percent were over the legal limit of .10 percent blood/alcohol concentration."

Kavulich said that despite recent legislation spelling out the rights of pedestrians to cross the street at marked and unmarked crosswalks, motorists still are often in error about when they have the right of way.

"Pedestrian rights groups continue to be frustrated with motorists who believe that their privilege of turning right on a red signal takes precedence over the right of pedestrians to cross with the green or walk signals," Kavulich added.

Before pulling out to make a right turn on red, motorists must stop and yield to pedestrians who are crossing in front of them with the green or walk signal. Many conflicts could also be prevented if drivers would make a habit of taking an extra look for pedestrians before making a turn at any intersection.

Despite the potential for conflict between growing numbers of drivers and pedestrians or joggers, Wisconsin's pedestrian safety record is improving each year, Kavulich said. Pedestrian fatalities were at an all-time low in 1985 with 74 victims. "This compares with 127 pedestrian deaths only a decade ago. It marks the fourth year in a row that Wisconsin's pedestrian death toll remained under the 100 mark," she said.

Pedestrian rights groups asked Governor Anthony S. Earl to sign the Pedestrian Safety Month proclamation as a way of focusing attention on pedestrian rights and responsibilities. "It's obvious that we're doing some things right, but we cannot relax into complacency," Kavulich said. "Pedestrian Safety Month is one of the events that keeps reminding us that we've still got a lot of work to do to make our roads and streets safer," she added.

## Elderly Couple Together Again

A West Bend couple are living together again, after the state's refusal to provide medical funds for the woman threatened to split up their 55-year marriage.

For three years Mary and Milton Mieritz used their savings on nursing home, doctor and hospital bills, after Mary broke her leg. In that time Milton was diagnosed as having Alzheimer's Disease and Mary as needing therapy to handle her depression. The two have lived in West Bend's Cedar Lake Home Campus nursing home for the past year, but when their own money ran out and their care strained their family's emotional resources, they applied for Title 19 funds to keep living in the home. Milton still is eligible for the funds, but Mary was turned down because she has no medical needs.

The Mieritzers are an example of people "falling through the cracks" of state assistance programs: Everyone connected with their case knew

their health depends on being together, but because they need different types of care, she could get no money to live in the nursing home and he could get no money to live outside of it.

State legislators last year provided a solution: Community Option Program Money. The program, designed to make people aware of alternatives to nursing home placement, had its eligibility expanded last year to include people with Alzheimer's, the chronically mentally ill, and people who had nowhere to go without C.O.P. funds.

Scott McCallum, a three-term state senator, said further changes in the C.O.P. option are likely in the 1987-1988 biennial budget debate. McCallum (R-Fond du Lac) helped get the Mieritzes into their current C.O.P. group home.

The health and social services department plans to ask legislators to return the program to its original funding level, and to make it unnecessary to assess

nursing home residents for C.O.P. eligibility when they'd have to wait for placement anyway, McCallum said.

"This has been one of the more rewarding things I've done as a legislator," McCallum said. "It was clear that the only thing these two people had left in the world was their togetherness. I am happy to have been a part of connecting them with state workers who could help them."

The C.O.P. was set up to handle 5,000 people per year. Its funding level was cut during the budget repair session this January.

## Fall Fest at Cedar Lake Sunday, Oct. 5

The annual Cedar Lake Home Campus Fall Festival will include a variety of activities for people of all ages, and at family prices.

This special fun day for families will be Sunday, Oct. 5 from 11 a.m. - 5 p.m. The community is cordially invited.

There will be plenty of good food starting with a \$3.00 hot ham luncheon serving from 11 a.m. - 1:30 p.m. Charcoal broiled food will be served throughout the day. A bake sale begins at 11 a.m.

Animal lovers will enjoy the petting zoo, horse and pony rides, carriage rides, plus a special depot surrey ride. Tractor pulled hay wagons will travel through the colorful 80 acre hardwood forest to the lake, past the living sanctuary and back to the home throughout the day.

Antique cars and horse drawn vehicles will be on display. Visitors can tour the one-room schoolhouse, Ye Olde School. Also, they can tour a turn of the century homestead museum.

Carnival games are 25c and kids can have their face painted for 50c.

A craft and plant sale are also part of the day's activities as is an old fashioned country store, plus art and craft exhibit.

Music will be provided by Artie Minz & the Countrymen, Kenny Brandt, and the Tripoli Shrine Band. Residents will present a musical program at 1:30 and 2:15 p.m.

This annual event is sponsored by the Cedar Lake Home Foundation to enable

community members of all ages the opportunity to visit the 245 acre campus and enjoy a day of family activities at family prices.

The Cedar Lake Home Campus is located on Highway Z, 2 miles south of Highway 33. There is no admission charge to the Fall Festival.

## Cedar Lake Home Campus Has 4 Music Therapy Interns

The Cedar Lake Home Campus, West Bend, currently has four music therapy interns studying its total team philosophy and program of care of the elderly. They will study here for six months.

They are Kelli Dowd, Redford Township, Michigan; Bambi Hamilton, Canton, Illinois; Jolene Hovey, Burr Oak, Iowa; and Martha Wedemeyer, Mendota, Illinois.

Kelli will graduate from Wayne State University, Detroit, this December with a Bachelor of Music degree. Miss Dowd "searched diligently across the United States for a place to intern and I found the Cedar Lake Home Campus to have the best activity and music therapy program."

Bambi graduated in May with a Bachelor of Fine Arts Degree

in Music Therapy from Western Illinois University. "Cedar Lake Home Campus has so much to offer and I wanted to be part of it," shares Miss Hamilton.

Jolene will graduate in December from Wartburg College, Waverly, Iowa, with a Bachelor of Music Therapy and Music Education degree. Miss Hovey commented, "The Cedar Lake Home Campus offers an excellent learning environment for internship."

Martha graduated in May with a Bachelor of Music Therapy and Music Education degree from Wartburg, Waverly, Iowa. "I'm very impressed with the Cedar Lake Home Campus facility and pleased to be learning here," stated Miss Wedemeyer.

The music therapy internship program is one of the many educational opportunities available for intern students at the Cedar Lake Home Campus.

## Seek Supportive Care Worker Volunteers

The Supportive Care Work program of the Mental Health Center of Washington County has been providing certain long term mentally ill clients with a "first friend" for over four

years now.

Supportive Care Workers are assigned to work on a one-to-one basis with an adult mentally ill client in our Community Treatment Program. The purpose of Supportive Care Work is to provide the client with an opportunity to develop a social friendship relationship that can be enjoyed right here in the community. Workers do various activities with their clients, such as: go to movies, eat at restaurants, participate or spectate at sports outings, museums, card playing, etc.

Supportive Care Workers are reimbursed for mileage and recreation expenses. They are asked for a minimum commit-

ment of six months and three hours per week.

There is a special need at this time to add additional male Supportive Care Workers due to the increasing number of male clients in need of a friend.

Please consider volunteering your friendship to someone in need. Call 338-4600 for information on how you can participate.

The Kewaskum Fire Department was called out shortly after 1 p.m. Sunday to aid in the search for Pamela, three-year-old daughter of Mr. and Mrs. Neil Strutz of Omro, who was reported missing in a large wooded area and marsh just south of the junction of Hwy. 28 and Kettle Moraine Dr., about two miles east of Kewaskum. Mr. and Mrs. Strutz and family were visiting with the Harry Cundy family. Pamela had wandered off into the woods with a group of children. Smaller than the rest, she lagged behind to rest and became lost in the strange surroundings. She was found unharmed in less than a half hour after the search by firemen and volunteers began. The little girl was discovered by Mrs. Jean Backus, who with her husband Howard, were among the volunteers. Pamela was found resting under a tree on a hillside in the wooded area not far from the edge of the woods.

Paul E. Darling has been named general sales manager for all Fairmont operations in southern Wisconsin and in the Chicago area. The territory includes all areas served by Fairmont operations at Kewaskum, North Prairie and Rolling Meadows (Chicago) Ill. He will headquarter in Kewaskum.

The 9th annual Kewaskum Kiwanis Club live turkey shoot held at the Bar-N Ranch Sunday drew the largest attendance and was the most successful ever held. An estimated 6,000 to 8,000 persons attended throughout the day and the large total of 340 turkeys were bagged by marksmen, 269 of them on the rifle range.

Mrs. John W. Stellpflug, 71, nee Ellen Wunderle, a lifelong resident of Kewaskum, passed away early Sunday morning. Mrs. Stellpflug and her late husband formerly conducted a meat business in Kewaskum for many years, now owned by their son John G.

were elected at the first meeting of the grammar room club at the Kewaskum school: President, Harold Bunkelman; Vice-President, Wayland Tessar; Secretary, Lorraine Honeck; Treasurer, Roger Bilgo.

The shocking news was received at Campbellsport on Wednesday evening of the death of one of its leading businessmen, Joseph J. Smith, who was killed late the same day in an automobile accident while enroute to Kaukauna. Mr. Smith, who was 50 years old, was an undertaker and had just completed a modern funeral home. His own funeral service will be the first conducted in the new establishment.

Through the efforts of the Washington County Fish and Game Association, ten black raccoon have been planted in the county. These animals were secured from the State Game Farm at Poyette by Robert Lake, warden for Washington County, and planted in various areas which are suitable for the propagation of the raccoon. Hunters are warned that although there is a short open season on the gray raccoon, the season is closed on the black raccoon.

William Clark, 64, a resident of the Town of Wayne almost his entire life, expired at his home there on Sept. 23 of a cerebral hemorrhage, following an illness of about two weeks.

The L. Rosenheimer Malt and Grain Company has installed an electric motor in their elevator building the past week. Hereafter the motor will be used to drive thier barley unloading machinery. With this motor it will put them in excellent shape for handling all barley, rye, wheat and oats. Ever since the big fire which destroyed the old elevator and malt house, a steam traction engine had been used for running the machinery.

The junior class of the Kewaskum public school met last week and elected the following officers: President, John Strachota; vice president, Lila Petri; editor, Theodore Schmidt; secretary - treasurer, Maurice Rosenheimer.

West Bend is shortly to have a new industry - a factory which will manufacture aluminum ware of all kinds and aluminum novelties. The Pick factory building, which for the past few months was used by the Enger-Kress Pocket Book Co. will house the new works. Local capital only is interested in the new factory, but a number of experienced aluminum workers will look after the mechanical part of the business. Orders for machinery have been

placed and the new works will be ready for operation some time in October.

The barn of Jacob Scheid, two miles north of the village of Campbellsport, was struck by lightning early Wednesday morning and totally destroyed by fire. The loss on the building and the contents amounts to fully \$2,000. The fire is a severe blow to the family. This has been the second fire that destroyed their barn within the past 12 years.

Last Monday Math. Schlaefer of Campbellsport purchased his brother John's stock of jewelry. Mr. Schlaefer took possession of the property at once and will hereafter conduct the business at Campbellsport under his name.

A very pretty wedding took place at the Ev. Luth. St. Lucas Church last week Saturday afternoon, when Miss Hilda Backhaus of this village and Fred Hammen of Oakfield were united in marriage.

# Minutes of Village Board Meeting

Mid-Monthly Meeting  
September 15, 1986  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the minutes of the September 2, 1986, meeting were approved as printed.

A public hearing was conducted on the application of Rose E. Kuehl, 215 Main Street, for a Combination Class "B" Fermented Beverage and Intoxicating Liquor License. The Police Department had no objections to the issuance of the License. Motion was made by Trustee Richard Schlice, seconded by Trustee Paul Blumer to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was carried unanimously and the Board declared the public hearing closed.

It was noted that all residents should deposit and dispose of all leaves in the appropriate manner and that a Kewaskum News Note be published describing the proper actions.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said Licenses as follows:

Donald K. Ruplinger, Kewaskum, WI  
Michael R. Strobel, Kewaskum, WI

NOTE: The Police Department had no objections.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Reviewed the September 24, 1986, Mid-Moraine Municipal Association meeting.
2. Review of some brief correspondence.

Trustee Thomas McElhatton, Chairman of the Park & Recreation Committee, informed the Board that the matter of the DNR's proposed canoe launch in River Hill Park was still alive and being worked on.

On a motion by Trustee

Richard Schmidt, seconded by Richard Schlice the Board approved the issuance of a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License to Rose E. Kuehl, 215 Main Street, for the period commencing September 16, 1986, to June 30, 1987, upon proper payment of the fee.

Mr. Thomas Timblin and Mr. Ron Weiss were present to review the Developer's Agreement being proposed for the development just to the west of the Kewaskum Shopping Center on Timblin Drive. The Agreement was reviewed and questions answered.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and carried unanimously by voice vote, the Board approved the proposed Developer's Agreement contingent upon final review and approval of the Village Attorney, signing of developers and payment of fees.

On a motion by Trustee Paul Blumer, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the certified survey map for Thomas Timblin contingent upon the signing of the aforementioned Developer's Agreement and payment of fees.

On a motion by Trustee Richard Schmidt, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board authorized the issuance of a Building Permit for foundations and footings for the 2 - 8 family apartments for Thomas Timblin contingent upon signing and approval of the aforementioned Developer's Agreement, payment of fees and receipt of State Approval.

Action was taken on Ordinance No. 86-5A as attached hereto:

Review and discussion on the proposed 1987 Fire Department budget was held with the results of the proposed budget reflected to the fire contracts for the Village of Kewaskum, Town of Kewaskum and Town of Auburn. The proposed budget reflects a .15% decrease or \$112.00 less. It was noted the Village's share of the budget will go up approximately 4.5% (\$1,637.00) and the Town of Auburn's will decrease

approximately 5.4% (\$1,089.00).

On a motion by Trustee Mary Krueger, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board approved the Fire Department budget pending public hearing and authorized the Administrator to send the tentatively approved Fire Department budget and contracts to the Townships.

Administrator Daniel Schmidt reviewed equalized values for 1986 affecting the 1987 budget, TIF increment and loss thereof and State Shared Revenue for 1987.

It was noted it was not necessary to adjourn to closed session.

Motion was made by Trustee Richard Schlice, seconded by Trustee Mary Krueger to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Daniel S. Schmidt  
Administrator

## Special Managed Goose Hunt Quota Increased at Theresa Marsh Area

The third year of the special managed goose hunt at Theresa Marsh Wildlife Area, Washington County, will see additional changes over last year's hunt, according to William Ishmael, Department of Natural Resources wildlife manager stationed at Pike Lake State Park.

"The most significant change is the goose quota has been increased to 2,000 geese compared to 800 geese last year," said Ishmael. "The number of permits, however, are unlimited; all hunters will receive a permit while the season is open."

Hunters can begin picking up permits on September 26th at the registration station located south of Highway 28 and east of Highway 175 on North Pole Road from 9:00 a.m. to 4:00 p.m. Beginning October 1st, the station will be open from 5:30 a.m. to 3:00 p.m.

Ishmael added that hunters will be allowed to take one goose for the first five days and one goose per hunter per day thereafter with a season bag limit of four per hunter. Only hunters who did not receive a Horicon, Central or late Horicon-Central Zone permit are eligible to participate in the Theresa hunt.

Other regulations include:  
 - Hunting hours are one-half hour before sunrise until 1:00 p.m. each day the season is open except on October 4th when the season opens at noon.  
 - All geese must be register-

ed at the registration station by 3:00 p.m. of day of the harvest.

- Blinds will be required for goose hunting on all private lands within the Theresa Zone.

Persons needing additional information on the Theresa hunt can call the registration station at (414) 488-2535.

"The hunting forecast is excellent for the Theresa hunt. We are expecting over 25,000 geese this year at the Marsh. Duck numbers are also up this year compared to the last two years," noted Ishmael.

## Free Hunter's Guide Available

Hunter's Almanac, an eight-page publication containing an assortment of information on Wisconsin's 1986 hunting seasons and related programs, is available free from the Wisconsin Department of Natural Resources.

Hunter's Almanac is packed full of important information for hunters:

- \* Hunting season dates, license fees and harvest outlook for each species.

- \* New hunting and trapping rules.

- \* Improved Canada goose hunting opportunities. Wisconsin's harvest quota is up 20,000 from last year to a total 45,000 geese.

- \* Duck season opens October 4. Wetland breeding conditions are improving, but population numbers are still low as they recover from several years of drought.

- \* Steel shot only zones for waterfowl are in effect this fall in some areas of the state.

- \* New deer gun rules simplify Wisconsin's deer hunting regulations. Boundary changes eliminate confusion and a nine-day season statewide gives southern Wisconsin hunters more opportunities for a successful hunt.

- \* Bear season reopened in September and looks promising after being shutdown in 1985.

- \* Expanded turkey hunting opportunities. The 1987 spring season will be five days longer and the number of permits will be almost doubled.

- \* Hunter education classes graduated 23,000 students last year. Wisconsin's hunting accident rate dropped to a low of under 11 accidents per 100,000 licenses.

- \* Farmers suffering crop damage from wildlife received more than \$1 million last year to help cover their losses. Hunters fund the program through a \$1 surcharge added to each license. In return for the financial help, farmers must allow two hunters on each 40 acres of their land daily.

- \* Wildlife diseases can be transferred to people. The Hunter's Almanac lists preventive steps to take to protect yourself and prevent the spread of raccoon roundworm, canine parvovirus and lyme disease among state wildlife populations.

Hunter's Almanac is available at Department of Natural Resources' district and area offices, is included in the September/October issue of Wisconsin Natural Resources Magazine, and can also be obtained by writing: Department of Natural Resources, Bureau of Wildlife Management, Box 7921, Madison, Wisconsin 53707.

## St. Lucas Team Moves to 3-2

The St. Lucas 76'ERS took one on the chin last Tuesday, September 16th, at the hands of the Rams of Good Shepherd Lutheran School, 31-14. A couple interceptions and a number of "big" plays spelled defeat for the 76'ERS.

On Thursday, September 18th, the tone changed once again for St. Lucas which hosted David's Star of Jackson. The 13-12 victory for the Sixers was truly a hard fought battle.

Doug Stern connected with brother Tim for all the St. Lucas scoring of the day. Tim caught two passes for touchdowns and one to add the only converted extra point of the day for both squads. Fine catches by Jody Ludwig and Kris Munson, as well as an interception and a couple nice grabs by Erik Kral, gave the Sixers decent field position throughout the day.

This week's games included a rematch with Good Shepherd of West Bend (22nd) and a home contest on Thursday (25th) against St. Peter Lutheran School of Fond du Lac. The Sixers will close out their flag football season at Redeemer Lutheran School in Fond du Lac on Monday, September 29th.

## State Cheerleading Competition at Capitol Court

The Capitol Court announced today the date for the Wisconsin Cheerleading Championship.

Open to all high school cheerleading teams, the October 4 competition will offer trophies, prizes and an opportunity to represent Wisconsin at the national finals in California.

"Spirit and pride are what we're looking for," said Patricia Kachie, local contact for the event. "We want to encourage clean, healthy competition, and show students that there is a reward for hard work."

Interested schools or cheerleading squads may contact Patricia for more information at 873-8800.

## Plymouth Blanks KHS In Conference Opener

By Chuck Voge

The Kewaskum Indians showed improvement but lost to a strong Plymouth team in their conference opener at home on a foggy Friday night, 40-0. The Panthers have been picked as one of the favorites in the conference.

In Friday's contest the Indians played like an inspired team throughout the first period as they held the Panthers to just 6 points. It was without a doubt the best quarter of football that Kewaskum has played so far this season. Once again, defensive end Mike Coulter moved through the Panther line like it wasn't even there.

In a post-game interview with Plymouth's coach Ed Brinkman he told the Statesman that "our scouting reports told us that to beat Kewaskum we would have to stop Mike Coulter." Coach Brinkman went on to say that at the start of the second period, the Panthers ran a lot of quick openers in their offensive game plan, hoping to catch Coulter on the wrong side, since Mike has a tendency to stunt a lot and move around on the line of scrimmage to confuse the offense. The strategy paid big dividends for the Panthers as they rolled to five more touchdowns in the last three quarters of play.

While shutting out the Indians, big plays helped the Panthers, who scored in every quarter. The score at halftime was 20-0.

In the first quarter Kewaskum held Plymouth to six points, scored on a 15-yard pass from quarterback Nick Hughes to Jeff Brinkman. But in the second period the Panthers made two more touchdowns, the first on a 6-yard run by Brinkman and the second on a 12-yard pass, again to Brinkman, who scored all three of the visitors' TDs in the first half. Steve Osieczanek made good on the two-point conversion after the last touchdown to make it 20-0 at halftime.

The Panthers added six more points in the third quarter on an 80-yard kickoff return by Todd Steuve. This made it 26-0 and the Panthers added 14 more points in tie final period to win going away. Osieczanek scored one of the TDs on a 6-yard run, while Brad Backhaus tallied the last one from 23 yards out, after

which Rick Zimmerman added a 2-point conversion.

Kewaskum had a good chance to score after Plymouth's center snapped the ball over the punter's head but could not pick up a first down and Coulter's field goal attempt was short.

Late in the game with less than two minutes to play the Indians almost made good on one last ditch attempt to put at least one score up on the board when running back Mark Schlosser took a handoff and ran it for about 40 yards deep into Plymouth territory. Then, operating in the shadow of the Panther goal line post, the Indians tried to take it in on the final play of the game, however, Rob Baitinger's pass fell incomplete and the Panthers won it by a final score of 40-0.

The Kewaskum teams were swept by Plymouth. The freshmen lost by the score of 56-0 and of the three teams the JVs were the only ones that were really in the game. They led by a score of 20-18 until in the last two minutes of the game Plymouth scored on a 25-yard pass play to take it away on them for a final score of 24-20, Panthers.

Next the Indians will travel to New Holstein for a Sept. 26 game with the Huskies with game time at 7:30 p.m.

## Hit by Illness, Boys Ninth in Lomira Invite

The cool, rainy weather and wet conditions this fall are taking their toll on high school athletes. The Kewaskum cross country team participated in the Lomira Invitational Thursday with their No. 3 and 4 runners (Craig Hubbell and Bob Osterbrink) out with illness. This made a difference of many points in their final score of 252 and the Indians finished up in ninth place.

Ripon won both ends of the meet, the boys with 49 points and the girls with 36.

Two of Kewaskum's Eastern Wisconsin Conference opponents, Chilton (88) and Sheboygan Falls (95) placed second and third in the boys' run. Falls was also runnerup for the girls with 64 points.

Kewaskum junior Miles Shaw showed improvement by placing third among individuals with a time of 16:27. He missed second place by just five seconds and was eight seconds behind the winner, Kevin Scherer, who had a time of 16:19.

There was a big gap between the Indians' next counters. Junior Curt Ayer finished 31st with a 17:52, Kris Follman 64th with 19:14, Dave Harju 75th with 19:45, and John Braun 79th with 19:58.

Kewaskum has only four girls left who who are out for the sport and therefore did not have enough runners for a team. Ellen Kuphal did well and finished 12th with a time of 13:47. Carrie and Sherri Batzler wound up 24th (14:13) and 29th (14:25).

## Competition for Punt, Pass, Kick on Sat.

The Kewaskum Jaycees are again sponsoring the Punt, Pass, Kick competition on Saturday, Sept. 27, at 10:00 a.m. at the Kewaskum High School football field, inside of track.

Ages from 8 to 13 are eligible. Trophies will be awarded for first to third places and winners will advance to state and national level.

## Spikers Beat Plymouth, Win Campbellsport Invitational

Despite having lost their first two conference matches and having one of their aces, Laurie Blum, out with a broken ankle, the Kewaskum girls volleyball team came back strong with two fine performances the past week, defeating Plymouth at home Thursday and taking first place in the Campbellsport Invitational Saturday for the third straight year.

The Indians won all three games from Plymouth on Parents' Night Thursday as the girls were really up. Serving had much to do with the outcome with Debbie Felix and Teri Schmidt leading the way in the first two games. Coach Dave Rizzardi said Felix led the team in points, with six spike kills and eight serves which could not be returned.

Felix served from five to 14 in the first game, won by Kewaskum, 15-1, and Schmidt served from two of 14 in the second, also won, 15-4. While the Indians were serving well, the Panthers ran into trouble passing.

Kewaskum put the ball in places that made it tough for Plymouth to return. Rizzardi also lauded the play of Shelly

Petsch and Jenny Schuster for their rolls as setters.

The JVs lost all three games, 11-15, 2-15 and 8-15. The freshmen won their first game, 15-11, but lost the next two.

The Indians finished 5-1 in taking the championship in the four-team Campbellsport Invitational. Campbellsport and Laconia were 3-3 and North Fond du Lac 1-5.

In Kewaskum's first game against Laconia the score was tied at 14-14, 15-15 and 16-16 before the Indians pulled it out, 18-16. The spiking of Felix and Schmidt again stood out. Lisa Schneider and Brenda Vetter served well.

In the girls' next two games against Campbellsport each team had some problems. The Indians took the first game, 15-11, but the Cougars came back with a 15-11 win. Vetter spiked well and Dawn Dieringer was the top server.

This set up the match between KHS and Laconia, who both had only one loss. In both games Kewaskum fell behind, 0-5 and 0-5, but bounced back to win, 16-14 and 15-13. Schuster and Dieringer came off the bench to aid in serving.
