Tuesday's Election Should End Name Calling-Mud Slinging Campaigns

By GERRY MUELLER
Statesman Staff Writer

If the electors are trying to select the right candidates to vote for based on their stands on various issues, they are having a hard time. Since the last few months of campaigning have shed little light on any "issues" or the candidates' stands, other than everyone thinks the other is the bad guy in this year's election, voters are beginning to wonder who is the "right one."

The emphasis, it seems, has been directed instead toward seeing who can dig up the most dirt about who, rather than directing those energies toward presenting ideas and plans to help solve some of our state's and nation's problems.

It appears issues have fallen by the wayside as name calling and mud slinging have taken

precedence, not only on the state but national level as well. Smear tactics seem to have become the name of the game whether the candidate is Democrat or Republican.

With so many pertinent issues and problems facing the state and the country, you would think this year's political hopefuls would have more than enough ammunition with which to battle their rivals. Yet the issues and concerns which are really important have been pushed aside in favor of less constructive, and at times, less than honorable tactics. Some of the candidates, especially in the major races, it appears, have seen fit to ignore those normal battle lines and try, instead, to defeat their opponents by tarnishing their images and blackening their names. While that kind of campaigning is to be expected to some degree in

every election, this year those actions seem to have been taken to the extreme. It seems a shame too, since some of that dirt appears to be clinging to the pantlegs of those who are shoveling it.

Rather than arousing the voters' desire to go to the polls, there are indications that what the candidates are really creating is apathy. In informal election discussions over the past few weeks, many voters have indicated their confusion over the candidates and their campaign issues. More than one person has expressed their indecision even to the point of not voting at all because they were not sure which candidate would be the best person for a particular post.

That too is a shame, because voting is a privilege which no one should take lightly or for

Kiwanis Club Officers Installed

Pictured above are (left to right): Steve Van Ess, Secretary; Tim Miller, President; Jerry Burnette, Past Lt. Governor of Dist. 13 and Leroy Kopecky, Vice-President. Missing was Vince Groh, Treasurer.

The Kewaskum Kiwanis held their officer induction ceremony on the evening of October 6th at the Glacier Inn. The Kiwanians and their wives enjoyed a delicious meal and cocktails served by the Glacier Inn staff.

Past Lieutenant Governor, Jerry Burnette was on hand to install the officers for the 1986-87 year. Vince Groh will again serve as Treasurer, as will Steve Van Ess serve as Secretary again. Leroy Kopecky will serve as Vice-President and Tim

Miller will serve as President.

After the installation of officers, new club President Tim Miller presented long time club member James D. Reigle with a distinguished service award for his many generous contributions to the club and community over the years. This is the highest honor the Kiwanis can award their members.

If you are interested in joining the finest service organization in Kewaskum, please contact any Kiwanis member.

Janet Hubbell Elected President of University Council

University Council elects new officers. (Left to right) Kay Anderson, Vice President; Allan Kieckhafer, Secretary/Treasurer; Janet Hubbell, President.

Officers of the University of Wisconsin Center-Washington County (UWWC) were elected at the annual fall meeting on September 24. Janet Hubbell of Kewaskum is president; Kay Anderson is vice-president; and Allan Kieckhafer is secretary/-treasurer.

The University Council is made up of representatives from different communities in Washington County and is advisory to UWWC Dean

Robert Thompson. The principle goal of the Council is the cultivation of better communication between the people of Washington County and the University.

The Council has recently sponsored the following activities: the Dean's Invitational Performance of the fall theatre production, "Noises Off;" the benefit performance of the spring musical, "A Little Night Music;" the development of a

slide show about UWWC; and an informational program and dinner for area legislators.

Members now serving on the

University Council are Kay Anderson, Richard Kellow, Allan Kieckhafer, Margaret Nielsen, Kathleen Schleif Roth, Thomas Wiedmeyer, all of West Bend; Janet Hubbell, Kewaskum; James Bell and Alice Emmer, Hartford; Dean Marin, Slinger; and Richard Muenich, Germantown.

'Save the Cows' Program

Chili Dinner for Hunger Benefit at Wayne Church

Salem United Church of Christ at Wayne is sponsoring a Chili Dinner on November 2 with serving from 11:00 to 2:00. All proceeds will be used for world hunger through Heifer Project International — a nondenominational group whose theme "Using farm animals to help needy families produce food and income for themselves, since 1944" summarizes their work.

The special emphasis at the present time are dairy cows made available through the governmental "buy-out" program. A million U.S. dairy cows are scheduled for slaughter in a nationwide program to reduce milk production. Heifer Project International plans to save 4,000 of these valuable animals and send them to countries to

provide milk for hungry children.

Funds are needed to ship cows and train participants in their care. Everyone who receives an animal agrees to pass on one of its progeny to a needy neighbor, who in turn does the same. Countries to receive animals are Mexico, Haiti, Jamaica, Bolivia, Jordan and Egypt.

It costs approximately \$260 per cow for health tests, vaccinations, handling and transportation costs plus training for participants. Cows can be purchased at slaughter price (\$300) with many being donated directly by the farmers. Each cow can produce 1,800 gallons of milk plus a calf every year. That's 28,000 cups of nutritious milk every year for up to ten years!

All proceeds from the Chili Dinner will be used for the "Save the Cows" program of Heifer Project International. There will also be some crafts and other items available for

granted. No matter how dissatisfied a voter may be with the names on the ballot, it is everyone's responsibility to exercise that right to vote. It is only the person who casts no vote that has no right to complain.

For better or worse, one of the candidates will be elected to each office and it is the obligation of the electors to try and fill each post with those individuals they feel will do the best possible job for the state and the country.

In the gubernatorial race, incumbent Democratic Governor Tony Earl and his new running mate for the office of Lieutenant Governor, Sharon K. Metz, will be battling against Republican candidates Tommy Thompson and Scott McCallum, Labor/Farm Party candidates Kathryn Christensen and John Bergum, Independent Party candidates Darold Wall and Irma Lotts, and Independent Populist Party candidates Sanford Knapp and Verdell Hallingstad.

Incumbent Democrat Douglas La-Follette will be trying to retain his post of Secretary of State, facing challenges from Republican Clifford Krueger and Labor/Farm party candidate Richard Ackley.

Incumbent State Treasurer Charles Smith, a Democrat, will be running against Republican William Lorge and Labor/Farm hopeful Joan Hollingsworth.

Democratic incumbent Attorney General Bronson La Follette will be receiving strong competition from Republican candidate Donald Hanaway, and Labor/Farm Party candidate Dennis Boyer.

In the race for United States Senator, Republican incumbent Robert Kasten will be facing stiff competition from Democratic challenger Edward Garvey as well as Independent Peter Taylor, Sr., Third Party candidate Eugene Hem, and Socialist Workers Party candidate Margo Storsteen.

For Representative of the Ninth District in Congress, Republican incumbent F. James

Sensenbrenner will be challenged by Democrat Thomas Popp.

For Representative to the State Assembly in the 59th District, incumbent Republican Dwight York is running unopposed. In the 53rd District, incumbent Representative Mary Panzer, Republican, will be challenged for her seat by Democratic candidate Jeff May.

Also running, unopposed in next week's election are Washington County Republican incumbents: Clerk Arthur Degnitz, Treasurer Fredric Seefeldt, Sheriff Clarence Schwartz, Coroner Robert Boltz, Circuit Court Clerk Jon Sanfilippo, District Attorney David Resheske, and Register of Deeds John Steilen.

sale as well as educational material concerning other programs—including bees, goats, rabbits, chickens, etc.

The Chili Dinner will be held at Salem United Church of Christ at Wayne, the intersection of County Highway W and Washington County H — approximately 6 miles west of Kewaskum or 6 miles south of Campbellsport. Tickets are \$3.00 for adults, \$2.00 for children age 5 through 12 with those under 5 free.

50th Anniversary

Harvey and Margie Janssen of 4831 Ridge Road, Kewaskum, will celebrate their 50th wedding anniversary on Sunday, Nov. 9th.

The former Margie Foerster and Harvey Janssen were united in marriage on November 7, 1936 at Peace United Church of Christ, Kewaskum. They farmed at the present address until 1960, then worked for Farmers, Inc. of Allenton. Harvey retired as Mill Manager, assisted by his wife and they are still living at the farm home where he was born. The Janssens have one

daughter Darlene (Mrs. Harold Pesch) of Route 2, Campbellsport. A son, William, passed away in 1963.

Friends and relatives are invited to attend an open house on Sunday afternoon, Nov. 9, from 3:00 to 5:00 at the Amerahn, Hwy. 45, Kewaskum.

Teachers Attend Energy Conference

Two Kewaskum High School staff members, Mr. Dan Wangerin and Mr. Keith Amundson, recently attended an energy conference. The conference, sponsored by the Wisconsin Electric Company, was held at Cardinal Stritch College in Milwaukee, in recognition of American Energy.

Conference participants were able to see and hear presentations by acknowledged experts on diverse energy topics such as "Invest Now for Your Energy Future," "Exploring the Basic Elements of Energy," "Evaluating Nuclear Power and Public Safety," "Seeking Ways to Use Energy More Wisely," and "Generating Power and Protecting the Environment."

Instructors, Wangerin and Amundson, plan to pass on the information they gleaned from the conference to their classes.

Junior Women to Sponsor Story Hour

The Kewaskum Junior Woman's Club will again be holding their Story Hour. This winter session will be held on Monday mornings at 10:00 - 10:45 at the Municipal Building. The dates are Nov. 10, Nov. 17, Dec. 1 and Dec. 8. Also, there will be an evening session held on Tuesdays at K.E.S. library from 6:30 - 7:15 on Nov. 11, Nov. 18, Dec. 2, and Dec. 9.

Our Story Hour is limited to preschool children aged 3 to 5. To register your child, please call Kathy at 626-4687, or Diane at 626-2457 any evening. Call by Nov. 8. 10-31-2t

Aupperle - Ruhnke

The marriage vows of Judy Arlene Aupperle and Richard Alan Ruhnke, were blessed during a 2:30 p.m. ceremony on May 3 at St. Lucas Lutheran Church, Kewaskum.

Parents of the couple are Eugene Aupperle of Kewaskum and Myrtle Aupperle, also of Kewaskum, and Mr. and Mrs. Gerald Ruhnke of 1235 Roosevelt Drive, West Bend.

The maid of honor was Connie Gleason of Kewaskum, and bridesmaids were Colleen Koch of Campbellsport, Sandi and Debi Ruhnke of West Bend, sisters of the bridegroom.

The flower girl was Stacey Ruhnke of Kewaskum, the bridegroom's cousin, and the ring bearer was Jimmy Stern of Fillmore, cousin of the bride.

Dale Stern of Kewaskum, was the best man, and groomsmen were Donald Stern of Kewaskum, cousin of the bride, Randy Kreif of Kewaskum, cousin of the bride, and Jim Gleason of Kewaskum.

Ushering duties were shared by David Stern of Fillmore, the bride's cousin and Terry Schaub of Kewaskum.

The newlyweds reside at 9623 N. Mill Road, Kewaskum.

You Can Make a Difference!

Big Brothers/Big Sisters of Washington County needs your help.

B.B./B.S. of W.C. is a non-profit organization dedicated to providing adult guidance and friendship to children from single parent homes. Currently we have a waiting list of over eighty kids waiting for a match with an adult volunteer.

These boys and girls, between the ages of six and fourteen and having lost a parent through death or divorce, are experiencing a void in their lives that you can help fill. A couple of hours a week spent with a caring adult can

make an important difference in their lives.

We badly need adult volunteers. The only requirements are that you be at least eighteen years of age and are willing and able to spend some time each week with your little brother or sister for a period of one year. Your investment of time would be minimal and the rewards are great.

If you have an interest in becoming a big brother or sister or would like to learn more about B.B./B.S. visit our office at 129 S. 7th Ave. in West Bend or call us at 334-7896.

Kewaskum FFA Places Secorid at Hartford/Slinger Dairy Judging

On October 18, the Kewaskum FFA had two teams entered in Hartford/Slinger Dairy Judging, held at the Cow Palace located in Hartford. Out of 18 teams Kewaskum, with a score of 671 points, placed second. Columbus placed first with 696 points.

Each team consisted of 3 or 4 members. They were split up into smaller groups. Each person had to judge a class of Holstein 2-3 yr. olds, Holstein aged cows, Jerseys, Holstein yearlings, and a pedigree. A pedigree is based on the cows production, butterfat, and ancestry. The highest possible score you could get would be a 50.

Kewaskum's first team that placed second consisted of:

Keith Bartelt placed 8th with 230 points — 46, 50, 49, 45, 40.

Renee Kapp placed 13th with 226 points — 50, 42, 43, 45, 46.

Jim Schulz placed 30th with 215 points — 46, 50, 43, 30, 46.

Andy Degnitz placed 58th with 193 points — 42, 47, 30, 30, 44.

The second team had three

FFA members.

Kevin Bartelt placed 27th with 218 points — 50, 47, 43, 37, 41.

Bill Butzlaff placed 30th with 215 points — 42, 47, 43, 37, 46.

Mike Ramthun placed 34th with 212 points — 46, 42, 39, 46, 39.

They were tied for 13th place with 645 points. The first team was rated gold and the second team was rated bronze.

This was the Kewaskum's 2nd trophy so far. Jim Schulz, Andy Degnitz and Brian Oelhafen placed second at World Dairy Expo and now another 2nd. So far Kewaskum FFA Dairy Judging is 2 for 2. They hope to do as well in the spring for the District and State Judging Contest.

Terry Schaub is one of the coaches who has dairy judging practice for the team members. The FFA would like to thank everyone who has dairy practice for the dairy teams.

Terry also owes the 2nd place team that won at Hartford/Slinger a fish fry!

Kewaskum FFA's Annual Fruit and Cheese Sale

cheddar; \$2.25 for 1 lb. of string cheese; \$1.50 for 8 oz. Squeaky Curd cheese; \$11.00 for a small gift pack; \$15.00 for a large gift pack.

Each case of fruit weighs about 40 pounds. The mixed cases are half a case of navel and half a case of grapefruit.

The fruit is of the highest quality, shipped directly from Florida and California. All fruit is hand inspected by the FFA members before it leaves the school. We have changed distributors this year and we have been guaranteed the highest quality fruit.

The cheese is from the award winning Schneider's Cheese Factory, located in near-by Waldo. The small gift pack consists of 1 lb. string cheese, 1 lb. cheddar and a stick of sausage. The large gift pack consists of 1 lb. Monterey Jack, 1 lb. string, 2 lbs. of cheddar and a stick of sausage.

All fruit and cheese orders should be placed by Friday, November 7, to Mr. Dave Rizzardi at the Kewaskum High School VO-AG Department. The fruit and cheese will arrive the week of December 7. When we notify you that the fruit and cheese has arrived, you may pick up your order in the ag shop. The fruit and cheese must be paid for when picked up.

United Way Funds Also Benefit Threshold and Girl Scouts

The mercury in the United Way thermometer in front of Kewaskum Valley Bank is continuing its steady upward rise that currently reflects a total of \$6,200 or approximately 20% of the \$30,000 goal for this year. The rural area mailings are expected to be completed by the end of this week. In the event you have not been contacted through work or the mail, please mail your donation to Kewaskum Area United Way, Kewaskum, WI 53040.

The Threshold has been active in Washington County since 1960 and worked with 30 people from the larger Kewaskum area last year. Their Early Intervention Program serves children from birth to 3 who appear to have developmental problems, with a home trainer, speech pathologist and occupational and physical therapist.

The Threshold's main purpose is to provide comprehensive rehabilitation services to mentally, emotionally and physically disabled individuals through counseling, evaluation, educational and work training services and thereby increase the disabled person's physical, vocational, personal, social, psychological and domestic abilities.

A variety of programs for adults are offered at their facility on Rolfs Road in West Bend. There is training in the use of power and hand tools, basic living skills are taught, remedial education courses along with specialty classes such as first aid, CPR, diet and nutrition, exposure to various recreational and leisure time activities, a social activity group for those over 60 and 3 basic education programs for severely handicapped adults.

Vocational training includes janitorial and housekeeping positions, outdoor maintenance, food service and sub-contract production enabling the individual to learn job skills and good work habits. Sheltered employment is provided

within the agency for some. Work evaluation, psychological testing and counseling services are also a part of the Threshold program.

The Wau-Bun Girl Scout Council worked with over 300 girls in the larger Kewaskum area last year. The volunteer leaders plan and supervise recreational and educational activities on a weekly basis for girls in kindergarten through 12th grade, beginning with Daisy troops and progressing on through Brownie, Fly Up Brownie, Junior, Cadette, Fly up Cadette and Senior Scout troops.

Girl Scouting helps girls develop their own potential, explore their feelings and values and see themselves as a

part of the larger world.

Kewaskum troop leaders are Pat Morgan, Mary Ann Staehler, Janet Martinson, Meri Lou Chambers, Joan Stoffel, Carole Connor, Mary Theimer, Nadine Lendved, Kathy Schreffler, Lorey Weston, Pat Hosking and Kathy Ramthun.

Wayne leaders are Judy Goetsch, Karen Justman, Joy Kuhnke, Sharon Dedert, Judy Boland, Kathy Mertz, Marilyn Brath and not to be outdone by the women, Richard Goetsch.

Farmington leaders are Lisa Stockhausen, Donna McDonald, Patti Neumann, Chris Dehler, Joyce Melichar, Donna Landvatter, Lynn Miller, Carol Neuser and Joan Gross. The young girls from Beechwood are working with the Farmington leaders at present. Janet Panzer is Community Team Chairperson.

Day camps are held at Camp

Canahiti east of Fond du Lac during the summer with longer camping available at Camp Tiwaushara which has a troop house that sleeps 25, a platform tent unit, teepee unit, resident camp and a prairie unit for pup tents.

FIREMEN'S MEETING

Uribe - Moths

Jacqueline Uribe, Oak Creek, and Joel Moths, West Allis, exchanged wedding vows during a 4 p.m. ceremony on Saturday, October 4, at Immanuel Lutheran Church, Town of Scott. Pastor William Robinson officiated.

Music for the ceremony was provided by the organist Althea Kempf with hymns by the congregation.

Parents of the couple are Mr. and Mrs. Daniel Uribe, Oak Creek, and Mr. and Mrs. Melvin Moths, rural Kewaskum.

Honor attendants were Cheryl Novak, Oak Creek, a friend of the bride, and Mark Rosenthal, West Allis, a friend of the groom.

Martin Stockwell, Elmhurst, Illinois, brother-in-law of the groom, and Gary Uribe, Oak Creek, brother of the bride, shared ushering duties.

Following the ceremony, a reception was held at the Silver Creek Fireman's Hall.

The bride is a graduate of Oak Creek High School and is currently attending MATC. Her husband is a 1979 graduate of Kewaskum High School and is employed as a service technician with Viacom Cablevision.

The newlyweds honeymooned in Door County and are now residing in Cudahy.

Church Women Plan World Community Day

The Church Women United of Washington County will observe World Community Day at Christ Lutheran Church in Jackson on Friday, November 7, at 12:30 p.m.

The event will begin with a "sack lunch" brought by each member and friend representing participating churches county-wide. Dessert and beverages will be provided by the host church. Nursery care for small children will be available.

This meeting will also be the Annual Meeting of the group at which time a new President and Treasurer will be elected. President Janice Vivian has asked Mrs. John (Sue) Spielman of Hartford to tell about the result of the sewing project for Nicaragua. She was one of the

area chairmen for this effort which turned out to be a monumental task.

The Ladies of Christ Lutheran Church will present a program based on the theme of the day, "Look to the Mountain." This year's program was written by a group of New Hampshire women. Their denominations included American Baptist, Greek Orthodox, Roman Catholic, United Church of Christ and United Methodist, which illustrates the ecumenical nature of the CWU. The Rev. Matthew Pushkar, pastor of Christ Church will lead the worship service.

Christ Lutheran Church is located in Jackson on Hwy. 60 East. The public is invited to attend all meetings and events sponsored by the Church Women United.

Bus Company Employees Participate in Fire Extinguisher Use Training

By GERRY MUELLER
Statesman Staff Writer

Employees of the Johnson Bus Company's three area bus terminals participated in a training session recently on the proper use of fire extinguishers in putting out fires.

Approximately 25 employees from the company's Kewaskum, West Bend and Campbellsport terminals took part in the one-hour program sponsored by Johnson.

The demonstration, put on by Kewaskum Fire Chief Donald Ehnert, assisted by firefighters Mark Groeschel and Mike Kardos, was directed at informing the company's employees of the proper procedures to follow in putting out any type of blaze and the correct way to use an extinguisher.

Ehnert told the group the first, and most important, item to keep in mind is life and elimination of serious injury. As bus drivers, their first responsibility is to get their passengers off the bus and away from any fire. Then they should attempt to put out the fire with the extinguisher kept on the buses.

In fighting a fire, no matter where it is, in a bus, home, or outdoors, the procedure to follow is, keep any wind at your back to blow flames and chemical spray away from you, aim the extinguisher at the base

of the fire and keep spraying the fire until all flames are gone, noted Ehnert. "Above all, never turn your back on the fire and walk away. Keep facing the extinguished fire as you walk away from it. In the event it re-ignites, you will be in a position to again put out the flames." Some of the individuals who volunteered to extinguish the small practice fires learned that lesson firsthand as they proudly walked away from their efforts only to look back and see the fire had re-ignited.

Most extinguishers kept in homes and businesses are the dry chemical type which have labels noting they are to be used on A, B, or C fires. "A" refers to solid materials, "B" flammable liquids and, "C" electrical fires. "Another type of extinguisher, containing CO₂, can be used for these fires," said Ehnert, "however, they do not have the same fire extinguishing punch that dry chemicals do." The benefit of CO₂ extinguishers is that they do not damage equipment such as electrical boxes, etc., whereas the yellow powder from dry chemical extinguishers will require some replacement.

Ehnert stressed the points that extinguishers should be regularly checked to see that

they have maintained their pressure and are not leaking. After any use, or signs of leaking, the extinguisher must be re-charged to be returned to operating condition. To determine if an extinguisher is leaking, said Ehnert, just look into the nozzle for any signs of yellow powder. He also suggested that if an extinguisher is purchased, get one with a metal nozzle and handle, not plastic. While they can be adequate, Ehnert feels the plastic are less reliable, tend to leak, and in some cases, cannot be re-charged for repeated use.

Ehnert said anyone who has an extinguisher they would like to have checked or re-checked, and does not know where to take them, can bring them in to the Kewaskum Fire Department. The department will forward them to the proper company, get them back and bill the owners for any service needed. For most home size extinguishers, the cost runs approximately \$5.00 to \$15.00. The cost can vary depending on size and testing needed.

Chief Ehnert said his department will be happy to put on the demonstration for any business or interested group who will provide the extinguishers and bear the cost of the demonstration.

Kewaskum Fire Chief Donald Ehnert explained the various types of fire extinguishers along with the proper procedures for their use in fighting fires during a demonstration at the Johnson Bus Company garage at Kewaskum.

Irene Gnacinski, a bus driver, tried her hand at extinguishing a fire during a training session for Johnson School Bus Company employees at the Kewaskum garage. Employees from the company's Kewaskum, West Bend and Campbellsport terminals attended a demonstration on the proper use of fire extinguishers.

DR. ARNOLD BOEGEL

Dr. Arnold William Boegel, 83, of 214 Menominee St., Theresa, a long-time Theresa dentist, died Monday, Oct. 27, 1986, at St. Agnes Hospital, Fond du Lac.

He was born April 14, 1903, in rural Kewaskum, a son to William and Mary Zwaska Boegel. On Sept. 16, 1930, he married Ludmilla Ruecker in Theresa.

Survivors include his wife, Ludmilla; two sons, Dr. Paul and Brian, both of Madison; one daughter, Mrs. David (Grace) Schommer of Madison; 11 grandchildren; one sister, Mrs. Loraine Grafmeier of Kaukauna; and one brother, Norbert of Jackson.

He was preceded in death by one brother.

Mr. Boegel was a 1922 graduate of Kewaskum High School and a 1926 graduate of Marquette Dental School. He practiced dentistry in the Theresa area from 1927 to 1970. He was a member of the American Dental Society, the Wisconsin Dental Society, and the Dodge-Columbia-Marquette Dental Society.

He was a member of St. Theresa Catholic Church, Theresa, and the church's Order of Foresters. He was president and director of Theresa State Bank from 1941 to 1986 when he retired due to ill health. He served many years as the clerk for the Village of Theresa and was secretary of the Theresa Fire Department, a member of the old public school of Theresa and a member of the Theresa Lions Club.

Funeral services were held Thursday at 10:30 a.m. at St. Theresa Catholic Church, Theresa. The Rev. Charles Loehr officiated. Burial was in the parish cemetery.

Friends called Wednesday from 4 to 9 p.m. at the Kietzer Funeral Home, Lomira.

WALTER MUSACK

Walter E. Musack, 74, formerly of 512 Grove St., Mayville, died Friday, Oct. 24, 1986, at Clearview Nursing Home, Juneau.

Mr. Musack was born June 29, 1912, to William and Martha Becker Musack in the Town of Theresa. On Jan. 27, 1934, he married Dorothy Haberman. He retired in 1974 from Maysteel Corp., Mayville, and was a member of St. John's Lutheran Church, Mayville.

Survivors include his wife of Juneau; two daughters, Mrs. George (Janet) Magyar of Horicon and Mrs. Lorna Beer of Mayville; two sisters, Mrs. Rudy (Erna) Moede and Mrs. Earl (Evelyn) Schmidt, both of Mayville; five grandchildren; and seven great-grandchildren.

He was preceded in death by five brothers and two sisters.

Funeral services were held Sunday at 7:30 p.m. at the Koepsell Funeral Home, Mayville. The Rev. Galen Drawbaugh officiated. Graveside services were held Monday at 9 a.m. in the Kekoskee Cemetery.

Friends called at the funeral home from 4 to 7:30 p.m. Sunday.

REV. WALTER W. KLEINKE

Rev. Walter W. Kleinke, 83, of 4039 Clinton Avenue, Mil-

waukee, passed away Monday, Oct. 27, 1986, at St. Michael's Hospital, Milwaukee. He was the son of the late Reinhold and Helene Kleinke.

Rev. Kleinke is survived by two daughters, Ruth Woldt of Milwaukee and Lois Krantz of Brown Deer; two brothers, Paul Kleinke of Chicago and Richard Kleinke of West Salem; six grandchildren including John D. Woldt of 1450 Park View Drive, Kewaskum; five great-grandchildren; other relatives and friends.

He will be in state at St. Mark Lutheran Church, 8635 N. 60th Street, Brown Deer, on Thursday, Oct. 30, from 4:00 to 8:00 and Friday 12:00 until 2:00, the time of services. Interment will be at Graceland Cemetery, Milwaukee.

Extends Gratitude To Our County Highway Repairmen

About two years ago Highway 45 was repaired by the removal of many sunken blocks of concrete and the replacement of new smooth concrete over which all vehicles moved silently.

In the past ten months a new block of concrete sank about two inches, thus producing loud reverberating bands every time a steel truck body or any other long truck drove north. The defect was on the north bound lane between the Fred Spoerl and Richard Laubach residences.

I mailed an explanatory letter to the State Highway Dept. at Waukesha on Sept. 26, 1986 and on Oct. 8th a representative from our State Highway Dept. and a representative from our Washington County Highway Dept. came to the area to inspect the problem. The men concurred with my opinion when they heard a metal truck

drive over it.

Last week our Washington County road crew came and applied a temporary repair of blacktop for which I am very grateful and so should all the people living within a thousand feet. Now there is no noises as well vehicles pass over the repaired area.

FACSIMILE BALLOT NOTICE OF GENERAL ELECTION NOVEMBER 4, 1986

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:
Notice is hereby given of a general election to be held in the several wards in the County of Washington, on the 4th day of November, 1986, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote for a county referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS
Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector a minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the November general election, if the elector wishes to vote for all candidates nominated by any party, the elector shall make a punch or a hole or depress the lever or button next to the party designation printed on the ballot. Unless another name has been erased or crossed out, another name written in, a punch or a hole made to the right of a sticker applied, a punch or a hole next to the party designation is a vote for all the party's candidates listed on the ballot. If an elector does not wish to vote for all the candidates nominated by one party, the elector shall make a punch or a hole or separately depress the lever or buttons at the right of or next to each candidate's name for whom he or she intends to vote, or write in the name of a candidate on the envelope provided.

On referendum questions, the elector shall make a punch or a hole at the right of or depress the button or lever next to yes if in favor of the question, or the elector shall make a punch or a hole at the right of or depress the button or lever next to no if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth or machine, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.
An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

KEWASKUM 4-H CLUB

The Kewaskum 4-H meeting came to order at the Kewaskum Middle School at 7:00 p.m. Michelle Schaub led the 4-H Pledge and Julie Yahr led the Pledge of Allegiance. The secretary's report was read by Holli Etta. Laurie Horlamus made a motion to accept it and Pat Schmidt seconded it. The treasurer's report was read by Jean Holtz. Brian Butzlaff made a motion to accept it and Julie Julie Yahr seconded it. Laurie Horlamus made a motion to pay the bills and Jenny Liegel seconded it.

For old business Jenny Liegel reported on the Brewer game. Renee Kapp reported on the achievement banquet and Michelle Schaub reported on the window display which was put up at KB Lettering. We thank KB Lettering for letting us use their window.

For new business there was installation of officers. Diane Horlamus told the new members what we will be doing for activities this coming year. She also gave out record books that went to county and gave out awards. There will be a Halloween Party Oct. 24. There will be hay rides and games at the Lloyd Etta farm.

The meetings will be held at the Kewaskum Middle School. The next meeting is November 13.

The meeting was adjourned at 9:00 p.m. Brian Butzlaff adjourned it and Bob Friedemann seconded it.

Open House at New Cedar Valley Retreat Campus

The Benevolent Corporation of the Cedar Lake Home Campus is holding an "Open House" at the new Cedar Valley Retreat Campus on Sundays, November 2nd and 9th, from 10:00 a.m. until 5:00 p.m.

Sunday, November 2nd, will be reserved for Washington County area guests, and on Sunday, November 9th, interested persons from the surrounding counties.

The Cedar Valley Campus is the new retreat-meditation facility located on 99 acres of Kettle Moraine in the Town of Wayne, just west of West Bend.

The Song of Life Lodge and House of Leaven can accommodate 34 for overnight stay and has 5 study-seminar rooms, a

game room, theological-meditation library, and social areas. The lovely sanctuary doubles as an assembly area for concerts, lectures and other programs. On the first floor of the House of Leaven is a dining room which will offer a special dining program featuring home-made meals using recipes from the 1800s and early 1900s. People 50 years and older may make reservations for this unique dining experience which will begin in mid-November.

Open house guests will tour the main building and can visit the animal husbandry barns and poultry house-dog kennel on the Cedar Valley Campus, hike the "Trails of Life" and meditate in the Great Spirit Chapel, if they so desire.

The Cedar Valley Campus opened October 4 and is located at the corner of Hwy. D and Aurora Rd., 1 mile east of Kohlsville.

Wisconsin School Administrators, Nurses Associations Endorse Gov. Earl for Re-election

The Association of Wisconsin School Administrators, Inc., (AWSA) announced the endorsement of Tony Earl for re-election as Governor. Governor Earl's proven record of strong leadership in support of K-12 education was cited by AWSA as the primary basis for the endorsement.

"Governor Earl has an outstanding and unmatched record of leadership in the interest of public education," said Gary Kopitzke, AWSA President and Principal of Cottage Grove Elementary School. "Governor Earl has set high standards and an expectation for excellence that has challenged the educational community. During the four years of the Earl administration, there have been significant increases in state funding for our schools. This has assisted us to meet these expectations for improvement."

AWSA is a Madison-based association of 1600 school principals, assistant principals and other administrative personnel. The association previously endorsed Earl in 1982.

"The AWSA Board of Directors recommended the endorsement of Tony Earl to the membership," said Charles Hilston, AWSA Executive Director. "The results of a membership survey were overwhelmingly in favor of supporting the Governor's re-election campaign. Governor Earl enjoys strong support from our members in all regions of the state." Hilston said the Governor's emphasis on educational issues has been appreciated by AWSA members. Hilston said, "School administrators welcome the attention educational issues have received from the Governor and his staff. We believe Governor Earl's consistent pattern of leadership should continue for a second term."

"Wisconsin has traditionally been an educational leader," said AWSA President Kopitzke. "Over the past four years, under Governor Earl's leadership, Wisconsin has made real and significant improvements in the quality of education, minimum high school graduation standards, enhanced standards for educational excellence, programs for children at risk of failure or dropping out, opportunities for preschool education — all of

these issues, and many more, have been addressed by the legislature under Governor Earl. Wisconsin has a most enviable record among the states."

WINPAC, the political action committee of the Wisconsin Nurses Association, last week also announced their endorsement of Anthony Earl for Governor and Sharon Metz for Lt. Governor.

The Wisconsin Nurses Association has a statewide membership of over twenty-two thousand (22,000) registered nurses.

"Governor Earl and Representative Metz's concern for maintaining quality health care services is very important to our members as is their strong advocacy of the needs of the working woman," Ruth Lindgren, Chair of WINPAC, said.

"Nursing is ninety-eight percent female and most of us are working out of economic necessity — to help support ourselves and our families. Governor Earl and Representative Metz have shown particular sensitivity and leadership on behalf of the many men and women who are working in female-dominated jobs," she said.

"Their leadership in the area of childcare for working parents was also an important factor in our decision," she added.

Set Immunization Clinics in County

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. November clinics are:

November 4, 2-5 p.m. — Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend.

November 11, 2-4:30 p.m. — Germantown Senior Citizen Center, W162 N11960 Park Avenue, Germantown.

November 18, 9-11 a.m. — Hartford City Hall/Community Room, 109 North Main St., Hartford.

November 25, 9-11 a.m. — Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend. Parents must bring their

records of each child's past immunizations to clinics. Immunizations will not be given without past records.

For further information, call 338-4462, 644-5204, or 342-2929.

Thompson Endorsed For Governor by Wisconsin Realtors

One of Wisconsin's most influential trade associations, the Wisconsin REALTORS Association, announced its endorsement of Republican Tommy Thompson for governor.

The REALTORS also contributed \$30,000 from their Political Action Committee, one of the largest in the state, to the Thompson campaign.

"This is a first for our association," Fran Wajer, Washington Board of Realtors president, said. "We have never formally endorsed a gubernatorial candidate before," Wajer said.

The REALTORS cited Thompson's consistent philosophy and legislative actions in support of business and the housing industry as the reasons for their support.

"Thompson understands business and, more importantly, knows how to balance business interests with the litany of competing needs in our society," she said.

"We have REALTORS in every corner of the state and we're going to mobilize in support of Tommy," Wajer said. The real estate trade group has a membership of over 10,500.

"A critical mass of unrest exists on issues such as property taxation, federal tax reform and tort reform among others," she said. "These issues are too important for us to sit on the sidelines and hope for the best," she said.

County Farm Bureau Calls on Candidates To Address School Property Tax Issue

Voters in Washington County want to know more about where candidates stand on the property tax issue, said Elaine Linstedt, Washington County Farm Bureau president in calling on candidates to address the school property tax issue.

"Finding alternatives to the property tax for funding education will be a major issue facing the State Legislature and the Governor in the next session. We urge all candidates for state office to share their views on this issue so voters can make an informed decision on November 4," she said.

"Wisconsin property taxpayers are tired of bearing more than their fair share of the burden for educating our youth. All of society benefits from the high quality of education we are fortunate to have in our state," the county farm leader said.

Farm Bureau launched the STOP (School Taxes Off Property) campaign in the fall of 1984. Since then, other groups have joined the farm organization in its campaign for more equitable financing of public elementary and secondary education.

The state's share of educational funding has increased, but is still "woefully short" of

the effort made by most other states, according to Linstedt.

"Wisconsin prides itself on providing a quality education for its citizens, but the state's financial commitment to education is dismal compared with other states," she charged.

"We lead the nation in the amount of no-strings-attached money we send to municipalities, but are near the bottom of the list in the amount we send to educate our young people. It's time we take another look at our priorities," she said.

"We urge all rural and urban property taxpayers to keep school taxes the main issue not only during the election, but also when the Legislature returns in January."

Ten schools entered the cross country sectional meet (smaller schools — under 700 enrollment) at Berlin last Saturday looking for a chance to go to the state meet at Hartford this Saturday. Kewaskum placed second out of the 10 schools. Dennis Vetter of Kewaskum battled his old foe, Ralph Treder from Berlin, through the whole race. Then managed to close a 15-foot gap at the very end and finished a stride and three-tenths of a second ahead of Treder to place first over all the runners in the meet. Bill Koepke also qualified for individual honors in the first five finishers, placing fourth. These first five are entitled to go to the state meet even if their team does not qualify. Russell Wampler was nosed out of a fifth place finish in the final stretch and finished sixth. Other Kewaskum runners receiving red ribbons are: Allen Koepke, Allen Rinzel, Ralph Albrecht and Roger Yeadeke.

A class of 36 little children will receive their First Holy Communion on Sunday, Oct. 29. A list of the First Communicants follows: Boys — Ronald Bath, Thomas Cornelius, Jerome Dornacker, John Ebersold, Glenn Eichstedt, Steven Fellenz, Richard Halfmann, Thomas Haug, Thomas Krieser, Leo Lettow, Michael Petri, Mark Reindl, Michael Reindl, James Schmidt, Gerald Schoofs, Steven Schoofs, Joseph Sleger, Allen Staehler, Patrick Staehler, David Stellpflug, Darwin Tackes, James Theusch. Girls — Sharon Bonlender, Sharon Campbell, Susan Czaja, Pamela Dreher,

Anne Etta, Rosalie Heisdorf, Cheryl Keller, Jean Koerble, Bonnie Manthei, Dian Monday, Lucille Schickert, Jane Schmidt, Ann Stoffel, Kristine Volm. Serving as little flower boys and girls will be: John Strobel, Ronald Bonlender, Kerry Staehler, Gregor Nigh, Zachary Stoffel, Ned Stoffel, Luanne Werhanowicz, Cheryl Halfmann, Mary Brown, Dawn Keller, Marie Jaycox and Judy Schaub.

Mr. and Mrs. Walter Klug, Kewaskum, observed their golden wedding anniversary on Sunday, Oct. 22. Their celebration was arranged by the Klugs' two children, Wallace Klug of the Town of Scott and Mrs. Edward (Gladys) Garbisch of Batavia.

Last Tuesday evening being Halloween the youngsters were busy in this village doing all sorts of tricks but we must say that this year they have gone the limit, as some crowd marked up nearly every window in the town with soap, and they also went so far as to pour ink on the windows. We believe in doing some sort of tricks, but when it goes too far it is enough. If the guilty ones could be found a little punishment would perhaps teach them a lesson.

Minutes of Village Board Meeting

Mid-Monthly Meeting
October 20, 1986
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Richard Schlice, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the minutes of the October 6, 1986, meeting were approved as printed.

On a motion by Trustee Richard Schmidt, seconded by Trustee Paul Blumer and unanimously carried by voice vote, the Board authorized the Water Pollution Control Department to replace a blower that is worn out with an identical one at a cost of \$12,050.00. This action is as recommended by Superintendent Peter Albers.

Superintendent of Public Works, Augie Bilgo, informed the Board that the sidewalk project was almost complete with no real problems other than the rain causing delays. Also the matter of landscaping was discussed with the recommendation to withhold an appropriate amount of funds from the contract and have the seeding done in spring rather than this fall for it is getting too late in the season. It was also noted due to the time of the year all sidewalk special assessment invoices will be mailed out on October 21, 1986, because of the time factor with the tax processing.

Administrator Daniel Schmidt reviewed briefly with the Board the 3rd Quarter Sewage Utility Department and Water Utility Department Budget Control Sheets.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. A letter from the Kewaskum School District regarding the intersection of Reigle Drive and Second Street.

2. Mid-Moraine Municipal Association's request for a list of the Village's top priorities for transportation improvements which involve state and/or federal approval and funding.

a. STH 28 - Main Street resurfacing.

b. STH 28 - Rural area improvement and resurfacing.

c. STH 28/Milwaukee River Bridge repair and redecking.

d. USH 45 - Second set of lanes for West Bend Bypass.

e. USH 45 - Resurfacing of Fond du Lac Avenue.

f. Railroad crossing maintenance and drainage concerns.

The Board reviewed the recommendation of the Village Engineers regarding the caulking and sealing of cracks at the Fire House. The proposed cost of this work was \$2,745.00. The Board considered another alternative such as siding the west wall and the capping of it.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried, the Board authorized Superintendent Augie Bilgo and Administrator

Daniel Schmidt to solicit a proposal and contract for the siding of the west wall, both sides, and the capping of it, plus the insulating of it. All work to be done at a comparative cost in relationship to the caulking proposal.

Action was taken on Resolution No. (s) 86-23, 86-24, 86-25, 86-26 and 86-27 as attached hereto:

Administrator Daniel Schmidt reviewed the preliminary TIF departmental proposed budget and general budget information. It was noted that by using preliminary figures the property tax to be levied would be estimated at \$402,239 up \$7,440 or 1.88%. Also noted was the estimated assessed value and how that would affect the property tax rate per thousand seeing the assessed value of the Village appears to have dropped approximately .5%. The estimated proposed tax rate Village portion only after TIF would equal \$6.789 up 14.2c or 2.1%.

It was noted that the office is to prepare a Memo to All Taxpayers as done for 1986.

A review of how the school apportionment of taxes would affect Village residents was reviewed briefly.

The contract for assessment services for 1987 was reviewed from Bowmar Appraisal. It was noted the cost of \$3,200 was the same as 1986. On a motion by Trustee Richard Schmidt, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the signing of the contract with Bowmar Appraisal for 1987 at a cost of \$3,200.

The TIF audit was distributed for the Board to review with final acceptance asked for at the November 3, 1986, meeting.

Motion was made by Trustee Howard Laubenstein, seconded by Trustee Richard Schlice to adjourn to closed session under Chapter 19.85 (1) (c) of the Statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

RESOLUTION NO. 86-23

A Resolution to Request Exemption From the County-Wide Library System Tax Levy Under Provisions of Wisconsin Statutes 43.64(2)

WHEREAS, the Village of Kewaskum has maintained a Public Library since the early 1900's; and

WHEREAS, the Village has a current operating budget for 1986 established at \$19,000.00 plus \$2,610 for fringe benefits and \$5,950 for utilities; and

WHEREAS, the Village has a proposed budget for 1987 at \$24,034 plus \$2,834 for fringe benefits and \$5,702 for utilities; and

WHEREAS, the Washington County Board of Supervisors is in the process of determining the feasibility of providing county-wide library service; and

WHEREAS, the Village has already submitted the proposed estimated additional Library costs for the Village to the County and Library Planning Committee;

NOW, THEREFORE, BE IT RESOLVED, that the Village of

Kewaskum respectfully requests the Washington County Board of Supervisors to grant the Village of Kewaskum, the exemption of our unit of government, from being assessed any additional cost for providing County-Wide Library service.

RESOLUTION NO. 86-26

MUNICIPAL FIRE PROTECTION COST

WHEREAS, the Municipal Fire Protection charges assessed by the Public Service Commission of Wisconsin in conjunction with water utility rate proceedings are becoming increasingly burdensome to property tax levies of Wisconsin's municipalities; and

WHEREAS, there are several methods of defraying the costs associated with providing Municipal Fire Protection which do not impact property taxes; and

WHEREAS, the Village of Kewaskum, Wisconsin, does urge that the Public Service Commission of Wisconsin provide an option that would permit fire protection cost in water rates to be charged as a user fee.

RESOLUTION NO. 86-27

A RESOLUTION URGING SUPPORT OF CONTINUED STATE SHARED REVENUE AND FURTHER GROWTH OF APPROPRIATIONS

WHEREAS, the State of Wisconsin has a history of sharing its tax revenue with municipalities; and

WHEREAS, Wisconsin has a tradition of sharing with its municipalities both the responsibilities for government and the resources to pay for carrying out these responsibilities; and

WHEREAS, since 1911 the State policymakers and majority of its citizens have preferred the more progressive income tax over the regressive property tax; and

WHEREAS, the State has historically supported and/or provided several public services at the local level and shared State taxes with local municipalities for the purpose of maintaining a low and stable property tax; and

WHEREAS, the State has removed from municipalities the power to tax certain classes of property (i.e., manufacturing machinery and equipment); and

WHEREAS, the State has continued to withdraw support for public services at the local level at the same time mandating additional programs to the municipalities; and

WHEREAS, commitments for continued State Shared Revenues were intended in part to reimburse municipalities for state-mandated property tax exemptions and programs; and

WHEREAS, State Shared Revenues allow municipalities to recapture some of the fiscal benefits lost as a result of state mandate tax exemptions and programs; and

WHEREAS, the State policymakers have frozen the 1987 State Shared Revenue appropriation at the same level as provided for in 1986; and

WHEREAS, all municipalities have lost their appropriations for Federal Revenue Sharing for 1987; and

WHEREAS, the State policymakers continue to shift support for future appropriations for State Shared Revenue; and

WHEREAS, the Governor and Legislature wish to redistribute and rename revenue sources; and

WHEREAS, these State and Federal cuts will force an increase in property taxes for municipalities throughout Wisconsin and result in fiscal problems and elimination of municipal services and quality of life provided for its citizens.

NOW, THEREFORE, BE IT RESOLVED, that the Wisconsin Legislature and Governor reaffirm their commitment to the State and local partnership established in the early 1900's;

BE IT FURTHER RESOLVED, that the Wisconsin Legislature and Governor reaffirm their commitment to the State Shared Revenue Program by maintaining the appropriation for 1987 at the currently authorized level and increasing the 1988 and those subsequent years by a designated rate of growth, so as to provide an effective, equitable and progressive means to finance municipal services and promote economic development in Wisconsin.

A SPECIAL THANK YOU

A very sincere and heartfelt thank you to all who remembered our dear husband and dad, Gary Volm, before and after his recent death.

We so appreciate all the cards, memorials, floral tributes and the many acts of love and kindness shown to us these past few months.

Gary loved life and his family and friends. But more importantly he loved the Lord. This fact, along with everyone's prayers, brings us comfort and strength and hope for tomorrow.

We are deeply grateful to each special person who has shared a part of Gary's life. And we are eternally grateful to Jesus Christ, whom to know is life eternal.

Debbie and Lori Volm

A NOTE OF THANKS

A warm and sincere thank you to my family, relatives and friends for the flowers, gifts, cards and visits while I was a patient at St. Joseph's Hospital. A very special thank you to Rev. Hoenecke and Vicar Straseske for their visits and prayers. Also special thanks for the guiding hand of Dr. Sison in making my surgery a success. Your kindness will always be remembered.

Creel Census Continues on Long Lake

Tagging Largemouth Bass at Long Lake

DNR photo

NORTHERN KETTLE MORaine STATE FOREST — Anglers who catch a northern pike or walleye from Long Lake here having a numbered, plastic, yellow Floy tag inserted below its dorsal fin are asked to return the tag to the Department of Natural Resources.

Eight tag deposit boxes are located around the 437 - acre lake in eastern Fond du Lac County at launch ramps, boat liveries and bait shops. Anglers can also mail their tags to the Department's Horicon Area Headquarters, 1210 N. Palmaratory St., Horicon, WI 53032.

The Long Lake Fishing Club, as an extra incentive to turn in tags, will sponsor a drawing at its June, 1987, annual meeting. Actual prizes will be announced at a future date.

The Department is conducting Long Lake's creel census in cooperation with the University of Wisconsin-Stevens Point. Its purpose is threefold:

- *measure fishing pressure.
- *estimate total harvest of each fish species.

*measure percentage of the fish population actually harvested.

Each weekend and on three randomly selected weekdays, a creel clerk, Jeff Scheirer, counts anglers on the lake at various times throughout the day. The monthly average of these counts represents fishing effort.

The clerk also interviews anglers for their catch data, records the number of hours spent fishing, species sought and number of fish caught. Data gathered from interviews provides the basis for the catch rate. Total harvest is estimated by expanding the catch rate to include all fishing effort for the month.

Long Lake's creel census began May 3, 1986, with the opening of the general fishing season and it will continue throughout the ice fishing season. Highest record angling pressure occurred on Memorial Day when 176 people were counted fishing on the lake. To date, Scheirer has interviewed over 2,000 anglers. (Those anglers, notes Scheirer, reported good catches of both gamefish and panfish).

Preliminary analysis of data collected indicates that northers are the most commonly harvested gamefish with largemouth bass following a close second. Although reports of keeper walleye have been infrequent, anglers are often catching and releasing fish in the 9-14 inch size range. The frequency of these smaller walleye could mean that the fingerling stocking programs undertaken in previous years by the Department and the Long Lake Fishing Club is beginning to bear fruit.

Bluegills are the most popular panfish species. Anglers are catching bluegills in the 7-9 inch range by drifting in 15-25 feet of water. Waxworms and crickets seems to be the most productive bait for slab-sided bluegills.

Last spring, immediately after ice-out, Department fisheries technicians set fyke nets in the lake for capturing and tagging spawning walleye and northern pike in an effort to obtain population estimates from anglers' tag returns. Five hundred seventy-five northers ranging from 15-39 inches long and 145 walleyes between 15 and 27 inches were tagged with numbered Floy tags inserted below the dorsal fin. The plastic, yellow Floy tags resemble a piece of spaghetti about one and one-half inches long.

In addition, the technicians tagged 345 largemouth bass during the spring netting and electrofishing operations. The green largemouth bass tags are sutured through the flesh just below the dorsal fin. Each tagged fish was also given a fin clip so accidental tag loss can be monitored.

Estimating the lake's population of each fish species will be determined by comparing the number of tagged fish harvested to the total tally of fish, both tagged and untagged, in the creel.

"Obviously, the ingredient essential to the success of our creel survey is angler cooperation, both in providing accurate information from the interviews and in returning tags from harvesting fish," emphasizes

Scheirer.

"I wish to thank the anglers who have already participated in the survey and ask for their continued cooperation," adds the creel clerk.

Anglers still holding fish tags are urged to return them immediately.

"The valuable information that you can provide will form the basis for recommendations designed to maintain and improve the quality of the lake's fishery resources," points out Scheirer.

Hunter's Choice Permits Being Mailed

The first batch of hunter's choice permits for the 1986 gun deer season in Wisconsin was mailed last Wednesday, October 22, according to Department of Natural Resources' licensing officials.

Dick Royston, supervisor in the department licensing section, said that because of the much larger number of permits this year and a year ago, several thousands of dollars could be saved by mailing them in several batches, rather than all at one time as was done prior to last year. "We began sending the permits out to successful applicants Wednesday," Royston said, "and the final batch is scheduled for mailing on November 7."

"We want to advise hunters who applied for permits of this," Royston said, "so if they hear of others receiving their permits, they will realize that their permit may be scheduled for a later mailing."

The department received in excess of 400,000 hunter's choice applications this year for the 235,000 permits available.

Indian Spikers Split in Final Two EW Matches

The Kewaskum girls split their final two Eastern Wisconsin volleyball matches to end the season with a 6-6 record, good for fourth place. However, the Indians took the championship in the WIAA regional here Saturday to advance to the sectional this Saturday, also to be hosted by Kewaskum. Two Rivers won the conference title, finishing 12-0.

Playing at Chilton Tuesday, the Indians lost the first game, 15-17, but came back to win the last two handily, 15-1 and 15-5. Taking the Tigers too lightly in the first game, the Indians spotted Chilton 10 points before they settled down.

Reserve Dawn Dieringer paced Kewaskum in games 2 and 3 with six "kill points." Other contributors were seniors Jenny Hintz and Teri Schmidt, with Hintz leading the team in points with 9 and both serving well.

The JVs won 15-3, 15-11 and 15-9.

Hosting Two Rivers' champions Thursday in the season's finale, errors hurt as Kewaskum lost the first two games, 11-15 and 7-15. They rebounded to take the third game, 15-7.

Debbie Felix and Schmidt paced the scoring with seven points apiece and Jenny Schuster led in assists. Brenda Vetter topped her team with eight saves.

The JVs, showing steady improvement, ended up with a 2-10 record. The Indians lost the first game, 15-13, won the second, 15-12, and were downed in the decider, 10-15. Cindy Donath and Jenny Schneider had the most spikes.

Indian Girls Repeat As Regional Volleyball Champs

TROPHY TIME AGAIN for the Kewaskum girls volleyball team. Above are, left to right, Jenny Hintz, Brenda Vetter and Debbie Felix with the team's latest addition to the school trophy case, the 1986 regional championship plaque.

By Chuck Voge

Although six teams made their way to the Kewaskum fieldhouse on Saturday, Oct. 25th, for the 1986 W.I.A.A. Class B Regional girls volleyball tournament, only one left a champion, the Kewaskum Indians.

For the second straight year the Indian girls earned the right to advance to sectional competition which will be held on Saturday, Nov. 1st, also at Kewaskum High School with the Indians first game getting underway at 1:00 p.m. A victory in this sectional tournament would give the Kewaskum girls a berth in the state championship playoffs and a shot at the "Big One," the 1986 state champion volleyball title.

In the first round of Saturday's tourney Laconia eliminated Mayville, and Kewaskum faced their toughest competition of the day in their opening round with Campbellsport. In game one the Cougars jumped out to an early game lead which they only relinquished to the Indians once at 5-4, Kewaskum. At that point the Cougars tied it up and slowly made their way to a 15-11 first game win. Game two went to the Indians at 15-7 but definitely was not the runaway that the score might indicate. Debbie Felix, a 5'9" junior, scored an ace for the Indians in this one. In game three which went to the Indians at 15-9 the Cougars were in it all the way as they jumped out to a commanding 5-0 lead, and it looked like the Kewaskum fans were going to get an early trip back home to think about "what might have been."

At 5-0 the Indians got a service break and Brenda Vetter went to the line for Kewaskum and put together a string of 4 straight that sparked the In-

dians to a rally and a third game victory and the chance to meet Horicon in semi-final play.

Both Horicon and North Fond du Lac got a bye in the opening round. The Marshmen were absolutely no match for the Kewaskum girls and earned a quick trip to the showers by losing two quickies, 15-3 and 15-4. In the other semi-final match Laconia eliminated North Fond du Lac and earned the right to face Kewaskum for all the marbles and a very handsome 1986 championship plaque.

Jenny Hintz, Terri Schmidt, Lisa Schneider, Brenda Vetter, Debbie Felix and Jenny Schuster started the all-important first game of the final round for the Indians. Although the Indians have fair bench strength it was seldom needed to help them to a first game 15-7 win that had the Indians leading by as much as 7 points at one time. Terri Schmidt had the only Kewaskum ace in the game.

After watching game one there was never a doubt who was going to win this tournament. The Spartans weren't able to put together a spiking attack that Kewaskum couldn't handle and they also didn't have what it took to play from behind. Debbie Felix finished off game two for Kewaskum in grand style with a cross court spike for the Indians 15th point and a second game 15-9 win. "Game, match and tourney going to the Indians."

If one were to fill out a pre-sectional report card on the Indians to evaluate their chances of advancing still farther it might look something like this. In the highest dept. they get a C- with Felix and Schmidt their tallest at 5'9". Spiking attack - well controlled. They keep most of them in bounds, B-. On defense the

Indians get an A plus. They are strong in their back court play and should be able to handle anyone's spiking attack. On total team play and unselfishness they rate an A. The Indians are without any "ball hogs." In the quickness dept. the Indians can play with the best of them and are definitely much quicker than last year's conference co-championship team. They rate an A plus, plus. Getting caught out of position is another area where the Indians have improved their play and they rate a B plus. On their ability to play from behind the Indians rate an A plus, plus. When their backs are against the wall they don't fall apart under pressure.

To sum it up they won't go into the Sectional as underdogs and should have a better than even chance to go on to the state now that they are competing in Class B.

The three other teams competing in this year's sectional are Union Grove, Pewaukee and Jefferson.

Indians Lose Squeaker at Chilton on Broken Play

By Chuck Voge

The Kewaskum Indians were just 150 seconds away from their second win of the season Friday night, only to have their 18-14 lead slip away to the Chilton Tigers on a broken pass play from Tiger halfback Perry Everix to halfback Guy Ploeckelmann.

On the winning play Everix was chased back to near his own goal line and to avoid being sacked he dumped the ball to Ploeckelmann on a short screen pass. Everix was chased so far back and for so long that by the time he threw the winning pass, both the Tigers and Indians were stretched out the full length of the field and Ploeckelmann was able to run 82 yards almost without opposition.

In the first period the Indians scored first on a 45-yard run by Mike Coulter. The Indians tried for a two point conversion, however, Pearson's pass fell incomplete and with 1:32 left to play in the period Kewaskum jumped out to an early game lead.

Only minutes into the second period the Tigers tied the score on Ploeckelmann's first score of the evening, a 45-yard run. Chilton kicked for the conversion and went out in front 7-6. The Tigers scored once more in the half on a 30-yard pass play to their senior end, Todd Hemauer, and the Indians trailed at the half 14-6.

The only score of the third period was a two-yard plunge by Mike Coulter. Again the Indians tried for the two point conversion only this time on a running play that was stopped short of the goal line. The period ended with the Tigers holding a slim two point lead at 14-12 Chilton.

The fourth period started out with both teams trading punts and with less than seven minutes to play the Indians had a fourth down and short yardage situation at about midfield. The Indians went for it and on a big play for Kewaskum Mike Coulter picked up the necessary yardage for the first down, and that play enabled the Indians to keep possession long enough for Pearson to complete a pass to Coulter down at the six. From there Pearson took it in on a Q.B. keeper and the Indians led 18-14 with only 3:10 left in the game. Kewaskum tried their third unsuccessful two point conversion of the game and the score stayed at 18-14 Indians.

On the series that followed the Tigers lost big yardage on a costly clipping call that set them back to fourth down and forty to go and that's when the broken pass play occurred that gave the Tigers the lead at 22-18 with only 2:30 left to play. Pearson made good use of the little time remaining and completed three passes, one to Coulter and one to Johnson and another ruled complete due to interference. This put the Indians inside of the Chilton five and with two seconds in the game Indian hopes died when they failed to score from the five.

The Indians missed out on two scoring opportunities earlier in the game when Pearson passed twice to Jeff Miller for very long yardage that put Kewaskum inside of the Chilton ten yard line. The

Indians failed to score both times with first and goal to go. Inside the ten the Tigers were hard to beat.

The Indians will wind up their season this Friday night when they host Kiel with game time set for 7:30 p.m. The freshmen were pounded by Chilton, 42-0, but the junior varsity won their contest by a score of 14-0.

No Qualifiers for Indians in Cross Country Regional

The Class B cross country regional was held at Homestead Hollow Park, Germantown, last Tuesday. Kewaskum competed in this regional and had no qualifiers for the sectional.

The Slinger Owls won both the girls and boys ends of the meet. The Owl girls won with 25 points. Random Lake was second with 41 and Pewaukee third with 121. The Slinger boys ran one of their best meets of the year, winding up with a six point, 33-39 margin over West Milwaukee.

Kewaskum's season ended as neither team nor any individuals qualified for the sectional. The Indian boys finished last with 154 points. The best finish was by junior Miles Shaw, who was 11th in 18:09. Curt Ayer was 25th in 19:09. Craig Hubbell 37th, Dave Harju 40th and Kris Follmann 41st of the 49 runners.

The girls again were short of a complete team but Ellen Kuphal placed 15th in 14:11. The other three girls were Sherri Batzler (14:55) 19th, Carrie Batzler (14:58) 20th and Pam Osterbrink 15:38) 25th.
