The Kewaskum High School girls volleyball team has earned the right to compete for the state's most coveted award in girls volleyball, the W.I.A.A. state championship title.

This coming Saturday, Nov. h, the Kewaskum girls, along travel to the Kolf Sports Center which is located on the campus at UW-Oshkosh to take part in the final class B state championship tournament. All three classes will play off on Saturday with the first game in Class B getting under way at 12:00 noon.

The Indian girls earned their berth in the state championship tournament by winning first coach Sue Paul-Kenfield, Laurie Blum, Shelly Petsch, Patti Padden, Jenny Hintz, Debbie Felix, Terri Schmidt, Lisa Schneider and head coach Dave Rizzardi.

tournament which was held on Saturday, Nov. 1st, at the way to the sectional title the girls downed teams from Union Grove, Jefferson and Pewaukee high schools in that order. In the four-team round robin tourney the girls could have been required to play as many as nine games in the first round since the winners are decided

Joint Police and Fire Commission Approved Village Board OKs \$1.2 Million Budget

By GERRY MUELLER Statesman Staff Writer

Following a public hearing Monday night, the Kewaskum Village Board unanimously adopted the \$1,222,252 budget proposed for 1987. That budget represents a 4.6% or \$53,416 increase over 1986.

To the village's taxpayers, that represents a 2.4% or 15c per \$1,000 of assessed value increase on their tax bills, from a rate of \$6.64 per \$1,000 for the year ending 1985, to \$6.79 for 1986

After three consecutive years maintaining balanced of budgets, with decreases or zero increases, the village was faced with the unpleasant task of

having to up taxes this year. Village Administrator Dan Schmidt indicated that increase is due, in part, to a decrease in the village's assessed value, a determination which is made by the Department of Revenue.

While the village has set its portion of the rate, the total tax rate has not been established since final figures for the county and state portions have not been received yet.

The only other taxing bodies to establish their rates so far, have been the School District. which reflects a 2.78% or 41c per \$1,000 increase (considerably less than last year's hike of 32.5% or \$3.68), and the Vocational School System, which reflects a .88% or .014c

per \$1,000 increase. The Vocational School increase is also lower than last year's 7.1% hike.

In other action related to taxes, the board again approved the split payment of taxes, with the first installment due by Friday, February 27th, or February 28th if paid by mail. In other business, the board adopted a resolution which replaces the Police Commission with a new joint police and Fire Commission. The supervision and control of the two departments, however, will remain with their respective depart-

Wisconsin's polling places reported a higher than anticipated turn-out in Tuesday's statewide elections as voters went to the ballot boxes to elect officials from the top U.S. posts down to the local county offices.

The big upset of the election was the defeat of Democratic incumbent Governor Tony Earl and his runningmate Sharon Metz, by Republican challenger Tommy Thompson and his partner Scott McCallum.

In another down-to-the-wire battle, Republican challenger Donald Hanaway was victorious over Democratic incumbent Bronson LaFollette in the race for Attorney General.

Democrat Douglas La Follette, incumbent Secretary of State, was able to retain his post against a strong challenge from Republican hopeful Clifford Krueger.

In the competition for the post of State Treasurer, incumbent Democrat Charles Smith won over his opponent, Republican William Lorge.

In congressional races, incumbent Republican Robert Kasten retained his U.S. Senate seat, defeating Democratic challenger Ed Garvey in another race that was closer than expected. Republican F. James Sensenbrenner, incumbent Representative of the Ninth Congressional District warded off the challenge of Democrat Thomas Popp.

In the State Assembly, Representative Mary Panzer. Republican incumbent in the 53rd District easily defeated her opponent Democrat Jeff May. In the 58th District, incumbent Republican Mark Merkt defeated Democrat Joan Rudnitzki. Incumbent Republican Representative

Legion Post Has Four Remaining World War I Vets

The American Legion, Robert G. Romaine Post No. 384, Kewaskum, will be held on November 10 at 8:00 p.m.

The post sent three teams to the County Bowling Tournament at Allenton on November 1 and 2

According to the monthly newsletter, the Kewaskum Post still has four remaining members of World War I. They are: Louis L. Bath, 201 First Street, Kewaskum, WI 53040. 65 year member; Hubert Wittman, c/0 Rolling Meadows, Hwy. 151. Room 112, Fond du Lac, WI 54935, 65 year

member; August C. Bilgo, Box 34, Kewaskum, WI 53040, and Mike Darmody, 408 Weis Street, Allenton, WI 53002.

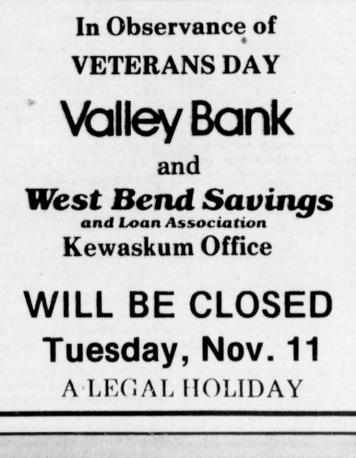

Two other veterans of the first World War who were members of the post passed away this year. They were: Louis A. Seefeldt, a 55-year member, who died recently and Frank Murphy, who passed away on July 6, 1986.

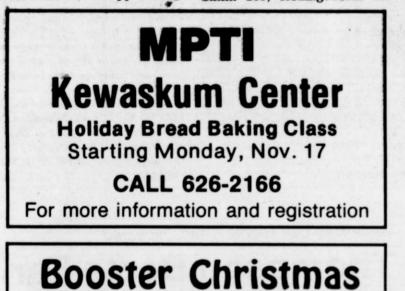

With Veterans Day coming up November 11, the post feels it would be nice if members would send these living World War I members a card.

Let's not forget that on the The next regular meeting of 11th day of the 11th month on the 11th hour, we should all pause for a moment, face east, and give our respect for all veterans of all conflicts.

POST OFFICE HOURS ON TUESDAY, VETERANS DAY

The Kewaskum Post Office will be closed for window service on Tuesday, Nov. 11, Veterans Day, a legal holiday. The lobby will remain open for lock box patrons. There will be a dispatch of mail. There will be no rural delivery.

The low bid of \$12,398, came from Meyer Ford, Campbellsport, followed by Russ Darrow Chrysler/Plymouth, West Bend, \$12,452, third, Honeck Chevrolet, Kewaskum, \$12,509, and Royal Ford, West Bend, \$12,878.

Police Chief Donald Hlavaty recommended the board accept the low bid of Meyer Ford, however, due to a discrepancy in the bid description, action on a bid approval was tabled until the matter could be clarified.

The board also adopted an ordinance changing the term of the Fire Chief from five to three years. The present Chief's term will remain at five years, but the change will become effective at the department's next election for Chief.

In reply to board members' requests that he look into alternate sources of revenue for the village, Schmidt presented three recommendations for the board's consideration. The first recommendation was the establishment of a room tax (for motels, etc.). Schmidt told the trustees, approximately \$1,000 -\$2,000 a year could be generated for this source. Almost all the neighboring communities have such a tax already. The board approved the drafting of an ordinance which would set a 5% room tax. The ordinance will be presented at a future meeting for further discussion and possible approval. If approved, the ordinance could go into effect January 1st.

The second source of added revenues would be rent increases for the village owned property on Fond du Lac Avenue. Since 1981, the rent for the lower flat has been \$185 per month, and \$165 for the upper. The board approved a motion to increase the rent for the lower flat to \$200, and the upper flat to \$175, effective January 1st.

The third recommendation was to require that liquor licenses be maintained and paid for even if an establishment is not open for business. Schmidt was referring to the Brigadoon (formerly the Wigwam). The property is held by the Slinger Bank and is for sale but not open. The license has lapsed and the bank has not paid to keep it in force. Schmidt said that was partially the village's fault in not telling the bank to renew it. If the license were not

renewed, it could become available to some other applicant. Schmidt will contact the bank about the license renewal.

Trustee Richard Schmidt, chairman of the Library Committee, informed the board that names from his committee have been submitted to the county as candidates for election to the new seven-member County Library Board, and fivemember Federated Library System. The Federated System presently consists of Dodge, Jefferson and Fond du Lac Counties.

The board approved building permits from Vernon Fierke and Dr. Sison for the construction of detached garages on their properties.

The board then adjourned to closed session.

Armed Robbery at Weinreich's, Fillmore

The Washington County Sheriff's Department reported a masked armed robbery which took place at Weinreich's Tavern, 501 State Hwy. 84, in Fillmore about 8:45 p.m. Sunday.

In the robbery, which is being investigated by the Sheriff's Department, a man wearing dark clothes and a navy blue ski mask produced a butcher knife and demanded cash from the register.

The sheriff's report stated that the suspect is about 6' 2" tall, has dark eyes and a large nose. The mask had an opening at the nose and cheeks and had two holes for the eyes.

Halloween Candy Tampering

By GERRY MUELLER Statesman Staff Writer

A piece of candy collected by a Kewaskum youngster during last week's Halloween Trick or Treat was found to contain a sharp object.

The tampering was discovered by technicians at St. Joseph's Community Hospital, West Bend, where the child's bag of treats had been taken to be x-rayed as a precaution.

The incident was reported to the Kewaskum Police Department. There were no other reports of any other problems in the county

Local, Area Teachers Attend New Science Enrichment Program

Four Washington County educators are among 75 high school, junior high and middle school teachers of Wisconsin who attended a new science enrichment program Oct. 30 -Nov. 1 at the University of Wisconsin - Green Bay.

Selected for the program this year are teachers of Biology, earth science, and chemistry and physics, including Gerald Hanrahn and Robert Mc-Dermott, Hartford Union High School, and Gerald Gosa and James Hanson, Kewaskum High School.

In addition to the fall session, the teachers will attend a threeday program next spring and a three-week summer session. Each participant will receive a travel and expense stipend, books and materials and, upon successful completion of the program, five graduate credits from UWGB.

Funded for two years by a \$300,000 grant from the National Science Foundation, the UWGB project is designed to improve science teaching and teacher preparation. Through intensive courses that include lectures, labs and field trips, teachers can learn about recent developments in their fields and study local examples and applications to be integrated into their own classes. Kewaskum School District Policy For Emergency School Closings

District Administrator Penny Kleinhans has released for publication the current policy to be utilized when school is to be called off.

Page

Statesman,

Kewaskum

1986,

~

Nov.

As in past years, radio stations WBKV (West Bend), (KFIZ) Fond du Lac and (WHBL) Sheboygan will be used to announce school closings because of bad weather or other emergency situations. In addition, station WTMJ (Milwaukee) will be included this year for announcements.

When school is being called off in the morning, the announcement will be on the air as early as possible. When school has begun but weather is bad, or turns bad, it is advised that parents, guardians and other responsible parties listen to one of the radio stations during the day for possible school closing announcements. The district is very hesitant about closing school during the day because we are concerned that parents or others may not be home when children arrive. Sometimes, however, this becomes necessary to avoid excessive problems with getting students home on busses at a later time of the day. Every effort will be made to announce school closings during the day; at least an hour before we dismiss the students.

It is important to remember that if school has been cancelled it means that all activities for that day will be cancelled and re-scheduled as necessary.

United Way Extended Two More Weeks, Over 1/2 Collected

Kewaskum United Way is slightly over the half-way mark with expectations of reaching their \$30,000 goal in 1986.

"WE're extending our campaign for two more weeks, until November 15," reported United Way president, Margaret McFadden. "There are a lot of people that haven't been contacted yet," she explained," and our enthusiastic workers feel that everyone ought to have a chance to do their share in helping reach the United Way goal for the larger Kewaskum area." That area includes not only the village of Kewaskum but also the communities of Beechwood, Boltonville, Fillmore, Kohls-ville, New Fane, St. Michaels and Wayne as well as the townships within the Kewaskum School District boundaries.

Badger Packaging with the Financial and Transportation sectors, have turned in their contributions to Treasurer Ralph Remmel this past week. Regal Ware, which has made an annual donation besides the employee pledges and contributions, is expected to complete their portion of the drive this next week according to Remmel.

"I'm extremely optimistic that we'll reach our goal," commented McFadden. "Everyone has been really working hard and doing a fine job. The rural mailing which went out this week should insure that all residents have been contacted.'

A new agency to the Kewaskum United Way this year is the Washington County Council of Alcohol and Other Drug Abuse. The Council has been active in Washington County since 1972 assisting individuals and families in assessing, modifying or stopping the use of alcohol and other drugs in their lives. The Council offers two

programs this coming year. In their Prevention/outreach Ser-

vice, the most current and accurate information on alcohol and other drugs is disseminated through classroom presentations, puppet skits for elementary schools, a free monthly educational service open to the public, and a weekly program on WBKV radio. Teenagers are reached by a Peer Listening service. The Student Assistance service includes education and intervention by means of counseling or evaluation to ascertain whether individuals need referral treatment.

Under the Council's Intoxicated Driver program, services are provided in evaluating persons convicted of drunk driving and recommending a driver's safety plan for them. A 24 hour telephone helpline is maintained at 548 South Main St. West Bend, phone 338-1181.

There may be a giant octopus, 100 feet or more across, lurking in the deep waters of Bermuda. reports International Wildlife magazine. Scientists believe that a Bermuda fisherman attracted a huge predator when he began using special traps to catch foot-long shrimp and twofoot crabs. Damage inflicted upon these traps have led scientists to believe that it may be the work of a giant octopus. Jaws beware!

The Wisconsin Conservation Corps (WCC) celebrates its third anniversary this November. After three years in operation, a look at the WCC and its accomplishments is in order.

The WCC is a state program to provide jobs in conservation for unemployed Wisconsin youth between the ages of eighteen and twenty-six. The program has been compared to the old Civilian Conservation Corps of fifty years ago where unemployed men were paid a dollar a day for doing conservation work. Where the CCC

members lived and worked out of camps, the young people of the WCC live at home and work in their home area.

Under the WCC young men and women have been put to work on more than a hundred worthwhile conservation projects throughout the state. These include trout stream improvement, forestry work, wildlife habitat improvement, trail development, and other conservation efforts. WCC workers joined in the cleanup of twentyseven miles of tornado damage in Oneida and Vilas counties. helping open roads and clearing downed timber. The crews have built an addition to the Environmental Center in Kaukauna, helped conduct a walleye survey on the Bad River, volunteered to load hay in Ladysmith donated to help farmers in Alabama, and even helped clear out a cave in Calumet County which had been filled by glacial debris

WCC workers receive minimum wage. When they complete their one-year term, they are awarded either a \$500 cash bonus or a \$1,000 educational voucher.

After three years the WCC has begun to leave its mark on the face of Wisconsin. The record shows that it is a popular program with both its members and the communities it has served.

DECISION MAKING

People who exercise regularly may be better decision-makers than those who don't, decided Prof. Garriel Salvendy of Purdue University. Persons involved in a 6 month fitness program made 60% fewer errors in forming strategies to arrive at complex decisions. The program, involving 40 men and women, age 27 to 66, included running, walking, track, and bicycling. Half of the group maintained their usual routine.

Butch Thompson, Jazz Pianist, At UWWC Sunday

Jazz pianist, Butch Thompson, has come into national prominence as the house pianist on American Public Radio's popular ''A Praire Home Companion.'' UWWC's Fine Arts Committee, in conjunction with Arts Midwest, is co-sponsoring Butch Thompson's appearance this Sunday, 9th at 2:30 p.m. in the UWWC Theatre, 400 University Drive, West Bend.

"He can make the piano do tricks for him . . ." "The trio had the audience smiling and toe-tapping . . . the audience hardly let the trio finish before breaking into applause." Heard coast to coast by more than two million listeners weekly on "A Praire Home Companion," the Butch Thompson Trio has earned a national reputation for its exuberant brand of traditional jazz and ragtime. The versatile trio offers a fascinating glimpse of the Jazz Age with a well-balanced program of ragtime, blues, stride piano, and classic pop tunes by such masters as Scott Joplin, Fats Waller, Eubie Blake, Jelly Roll Morton, George Gershwin and others.

Thompson studied both piano and clarinet as a youth and began his professional career at age 19. He played with the Hall Brothers New Orleans Jazz Band of Minneapolis around the Twin Cities. Cornetist, Charlie DeVore, the Hall Brothers' director, musical took Thompson under his wing and more or less brainwashed the youngster into a lasting infatuation with New Orleans jazz. Going to New Orleans, Thompson learned the music firsthand from such jazz greats as clarinetist George Lewis, trumpeter and bandleader "Kid" Thomas Valentine, trombonist Jim Robinson, pianist "Sweet Emma" Barrett, and many others.

Their superb technical skill, lively reportoire, and engaging sense of humor guarantee that a concert by the Butch Thompson Trio will be both entertaining and musically rewarding. Tickets are \$4.00 for adults and \$2.50 for senior citizens and children. His appearance this Sunday at UWWC is an exciting addition to any concert calendar and is made possible in conjunction with Donna Zajonc Management.

Kewaskum Community High School's crack cross country team attained an amazing achievement and wrote a oneyear success story by capturing the state small school championship in the first year it competed in the state cross country meet Saturday morning at the Hartford Country Club. Kewaskum scored a tight 58 points to Ripon's second place 66 and easily took first place and the state title. Individual runners who finished in the first five at each sectional meet also ran, but were not calculated in the team tabulations. Hence, although Dennis Vetter of Kewaskum finished second to Ralph Treder of Berlin, he took first place in the team score. Other Kewaskum runners to place were Bill Koepke 5th, Russ Wampler 8th, Allen Koepke 13th and Allen Rinzel 31st.

Another important step in the history of Kewaskum took place on November 1, when natural gas began flowing into the homes and business places of Kewaskum. Natural gas has joined such other recent improvements in Kewaskum as new schools, streets, municipal and business buildings and recreation centers in bringing a better life to Kewaskum residents.

Mr. A. P. Schaeffer appeared before the Village Board in behalf of the local school board and reported that they were in need of funds to carry on until taxes were paid and asked for a loan to be applied against the 1936 school taxes to be collected. The motion was carried.

The local creamery closed a deal last week whereby they took over the equipment of the Barton - West Bend Cooperative Dairy, located at Young America. The entire butter making equipment of the cooperative plant has been moved to Kewaskum and installed in the local creamery annex, in the rear of the main building. Operations were begun on November 1. The outfit taken over consists of a 1000 pound capacity churn, vats, and local necessary butter making equipment. Mr. George Hansen, who has had about 25 years of experience in butter - making and for the past 21/2 years has been in charge of the cooperative dairy, will be in charge of this department at the local creamery.

Otto Backhaus, village iceman, the past week had a crew of men at work erecting a large new ice house on the west river bank just above the location of the old dam and across the water from where the old sheds stood. The new building will be large enough to safely take care of Mr. Backhaus' ice needs to fulfill his supply needed during the summer months.

'The Gypsy Rover'' is the title of a sparkling 3-act operetta to be presented at the school auditorium November 13 and 14, by the boys' and girls' glee clubs of the Kewaskum High School. The cast includes Doris Seil, Marcella Heisler, Willard Prost, Lester Borchert, Myron Belger, Charlotte Romaine, Russell Belger, Sylvester Harter, Dorothy Becker, Sylvester Gutekunst, Fred

Dorn, Vernon Liermann, and Louis Bath.

Franklin D. Roosevelt, Democratic candidate for re-election

to the Presidency of the United States polled the largest vote ever polled by any candidate for this high office last Tuesday, when the count brought his total vote up to about 27,000,000; winning over his opponent, Gov. Alfred M. Landon, Republican, by 9,000,000 votes. Nearly 400 votes were cast in the Village of Kewaskum and over 300 in the town bringing out almost the entire voting strength of both. President Roosevelt and Gov. Alfred M. Landon ran very close in the village with Gov. Landon winning by eight votes.

The L. Rosenheimer Malt & Grain Company of this village leased a malt house at Appleton recently and commenced making malt in the latter place last Sunday. The reason for this course was on account of the firm having several contracts to fill which were secured before their recent malt house fire in this village. They will make about 100,000 bushels of malt at the new location, which will take about six weeks time. John Groeschel, who for years was foreman in the malt house here, left last week Friday for Appleton to take charge of the malt house there for the local concern.

The bowling season in this village opened last Saturday evening at Eberle's alleys. Landlord Eberle also served a very fine lunch to his patrons that night. The alleys this year are in better condition than ever before. The pins have already dropped well. Wm. Eberle, who led the league last year bowled two 200 scores this week.

'Trail Boss' Breakfast to Kick Off Pony **Express Run at Holy Trinity**

Station Agent Pat Morgan passing saddlebag to Trail Boss Steve Cundy on Roger Neumann's horse Sugarfoot.

A "trail boss" breakfast and commissioning of workers Sunday will signal the start of a Pony Express "run" at Holy Trinity Church, Kewaskum.

The Rev. Robert J. Berghammer, pastor, said he expects 76 members filling the roles of trail bosses and station agents to be on hand for the breakfast briefing.

Parish families on the Pony Express run will be relaying finance campaign saddlebags to gather "estimate of giving" cards.

James Wessing, general manager of the campaign, will hand out the saddlebags and run route lists at the breakfast.

A relay of the saddlebags among parish members will begin early the same afternoon, he said.

Each saddlebag bears the names of 10 parish families. A family fills in a giving estimate card, seals it in an envelope and inserts it it the saddlebag pouch and then hand-carries the bag to another of the families on the route

"We're excited because of the enthusiastic reception the plan has received thus far," he said.

"There's a spirit of teamwork and, at the same time, competition.

He said the teamwork is similar to that of the Pony Express riders of a century ago, knowing they can count on the next rider to relay the mail to its next destination.

The competition, he said, omes in the eagerness of the trail bosses to see that their run is completed before another's is finished. "It's good, healthy competition for a good cause," he said.

Zalewski, James Dean, Gerald THANK YOU Stoffel, Ernie Mitchell, Irma Reindl, Al Zehren, Patricia Morgan, Mark Jansen and Dennis Bingen.

Trail bosses are Bruce Petri, Richard Reindl, Sylvester McNamara, Andrew Pesch, Larry Sabish, Allen Amerling, Tom Staehler, Jerome Nigh, Sue Dobke, Mike Fierke, Jeff Rohrer, Dave Wietor, Sherry Ramthun, Jeanie Slaugenhoup, Gerald Stollenwerk, Bob Teofilo, Mark Herriges, Jan Bunkelman, Ann Martin, Steve Cundy, Cheri McElhatton, Joan Stoffel, Daniel Stoffel, Michael Lettow, Roger Neumann, Sandra Remmel, Genevieve Luedtke, and Anna Nigh.

Speaker on Habitat For Humanity to be At West Bend Church

Millard Fuller, author, lawyer, and former millionaire/businessman, will be in West Bend on Nov. 9, 2:30 -4:00, to speak at Immanuel Church, 501 Walnut Street. Fuller is currently Executive Director of Habitat for Humanity, Inc., and ecumenical ministry attempting to build a better "habitat" for the economically disadvantaged. Believing that the poor "need capital, not charity; co-workers, not caseworkers,'' Habitat builds houses throughout the United States, in Africa, in Central and South America, in Asia, in the Pacific Islands, and in the Carribean. The dwellings are then sold at no profit with a twenty-year mortage period. Since no interest is charged, the houses are brought within an affordable range for extremely poor families.

Complementing the construction program are the development of backyard industries and clinics, the distribution of Bibles, and the introduction of agricultural and nutritional projects. Habitat for

Humanity seeks to implement its motto: "A decent house in a decent community for God's people in need." Born in Alabama, Fuller now resides in Americus, Georgia, where in addition to directing the work of Habitat for Humanity, he is a partner in a law firm, specializing in serving low income clients. Before taking on the present challenge, Fuller practiced law in Montgomery, Alabama, and was co-founder of Fuller and Dees Marketing Group, Inc., a business which made him a millionaire before the age of 30. Fuller left his business endeavors and divested himself of his wealth. He then directed a \$10 million fund raising campaign for Tougaloo College, a black college related to the United Church of Christ and the Christian Church (Disciples of Christ).

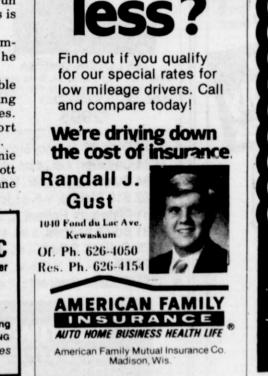

Habitat projects, both in the U.S. and overseas, depend upon people of goodwill to support them. Government funds are not solicited, though the programs always seeks good relations with the government, both local and national, wherever it operates. Each project has a "Fund for Humanity" which receives and disburses funds on a no-profit,

Minutes of Plan Commission Meeting

Village of Kewaskum Plan Commission October 28, 1986 8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh called the meeting to order at 8:00 p.m. Plan Commission Members present were Howard Laubenstein, Donald Mlodzik,

The meeting was opened with a moment of silence and Pledge of Allegiance.

On a motion by Mark Slaugenhoup, seconded by Raynor Herriges and unanimously carried by voice vote, the Commission approved the minutes of August 26, 1986.

Mr. Roland Tonn from SEWRPC was present to review and discuss the revised version of the proposed new zoning book for the Village. It was noted that many of the changes are statutory changes. Also it was indicated a fee schedule has been added to make adjustments in fees easier and less costly.

After a considerable amount of time it was determined to review all changes again on November 25, 1986 before asking for a second draft.

President David E. Nigh

asked to be excused shortly before adjournment and turned the meeting over to Howard Laubenstein.

Friday, Nov. 7, 1986, Kewaskum Statesman, Page 14

Howard Laubenstein expressed the Commission's appreciation to Mr. Tonn for reviewing the proposed zoning ordinance.

Motion was made by Robert Kirst, seconded by Donald. Mlodzik to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Minutes of School **Board Meeting**

120

The Kewaskum Statesman will be printing minutes from past Board of Education meetings that have not been published in the district newsletter.

School District of Kewaskum Kewaskum, Wisconsin 53040 February 24, 1986

Meeting was called to order at 7:05 p.m. by President Tom Brigham. All Board members were present except for Kim Peterson.

Kim Peterson arrived at 7:06 p.m. The Pledge of Allegiance was led by Clerk Theusch.

Three changes were made to the agenda: 1) President's comments were added after IV. Approval of the agenda; 2) J-Motion to set budgetary and levy limits was moved to before A-Approval of payroll and accounts payable; 3) Administrative announcements was added just before K-Adjournment.

Motion by Jean Goeden, seconded by Neal Weare to approve the agenda. Motion passed on a voice vote. Mr. Brigham commented to those present that some pertinent decisions were about to be made. He added that the administration had worked hard to provide the Board with accurate information, and based on that information the Board feels confident that they can act accordingly and make decisions that will be in the best interest of the education of all students.

Audience to visitors; receiving of delegations:

Questions from the audience included concerns over the closing of Beechwood School and the transfer of 6th graders to KMS.

The KEA requested to have an opportunity to share their views as the issues come up and President Brigham said the Board would acknowledge their request.

Motion by Perry Ankerson, seconded by Jean Goeden to set a goal limiting the tax levy to 3.5% or less and that the budget be a balanced budget. Discussion followed. Motion passed 7-0.

Jean Goeden moved to approve the payroll and accounts payable in the amount of \$171,014.96. Seconded by Neal Weare. Motion passed 7-0.

Motion by Jean Goeden, seconded by Perry Ankerson to approve Robert Sobolewski and Mary Holfeltz as replacements in KMS intramurals program and authorize payment for 1st semester assignments. Motion passed 7-0.

Motion by Neal Weare, seconded by Lynn Dieringer to move the A.D. position back to the bargaining unit beginning in 1986-87. Discussion followed. It was concluded that the position would be divided. The high school principal would be in charge of hiring and evaluation and a member of the bargaining unit would do the rest. Administrator Kleinhans said the KEA was willing to agree to this but that the impact was bargainable. Motion passed 4-3 with Kim Peterson, Ron Theusch, and Perry Ankerson voting no.

Administrator Kleinhans informed the Board that Dick Schafer, representing SEC will inservice the staff on March 27th. To date the district has been paying for the services of SEC, but has not been utilizing them. The district will do so in the future.

Ms. Backus addres

input to continue to assess needs and evaluate neighboring exemplary middle school programs as a basis for additional recommendations for programming. Discussion followed. Motion passed 6-1 with Jean Goeden voting no.

Motion by Jean Goeden, seconded by Ron Theusch that all future 6th grade students from each elementary school be housed at KMS effective with the commencement of the 1986-87 school year. Discussion followed. Motion passed 7-0.

Motion by Kim Peterson, seconded by Ron Theusch that the students presently assigned to the Beechwood Elementary School be reassigned to other District of Kewaskum schools effective with the commencement of the 1986-87 school year; and that the Beechwood School building be used, commencing with the end of the 1985-86 school year, for other school purposes, including but not limited to the storage of excess District furniture, equipment, and supplies; and that the Board of Education commence a study of the possible future uses of the Beechwood School property. Discussion followed. Questions on transportation savings were asked. An audience participants suggested that the issue be put on a referendum. Motion passed 6-1 with Perry Ankerson voting no.

Motion by Jean Goeden, seconded by Neal Weare that one elementary learning disability teacher be transferred to the middle school from Kewaskum Elementary School, the aide position for the emotionally disturbed program at KES be changed to an LD aide position, that 9th grade LD students be scheduled with the LD program at the middle school, and that the LD aide position at Farmington be dropped because of a change in student numbers. Discussion followed. Motion passed 7-0.

Motion by Jean Goeden, seconded by Lynn Dieringer to split the 5/6 band into 2 parts. The fifth grade band program would be offered at the two elementary schools. Motion passed 7-0.

Motion by Jean Goeden to continue the position of remedial reading teacher for the next school year and that the position be made available to the outlying schools. Motion died due to a lack of a second.

Motion by Kim Peterson, seconded by Perry Ankerson, to discontinue the present position of remedial reading teacher at the Kewaskum Elementary School, the Chapter 1 position be transferred to KES at approximately 50 FTE, and that additional reductions be made in the two Chapter 1 allocations at Farmington and Wayne from .60 FTE to .40 FTE. Motion failed 2-5 with Kim Peterson and Perry Ankerson voting yes.

Motion by Ron Theusch, seconded by Neal Weare: With the proposed moving of Beechwood Elementary students, it is proposed that the Chapter 1 position be transferred to Kewaskum Elementary at approximately .50 FTE. It is also proposed that additional reductions be made in the two Chapter I allocations at Farmington and Wayne from .60 FTE to .40 FTE. The Chapter I staff positions are all paid from federal funds and would not affect the overall budget. Motion passed 7-0.

Motion by Jean Goeden, seconded by Neal Weare, that the administration look at the remedial reading program and the role of reading specialist for next year. Motion

passed on a voice vote. Motion by by Ron Theusch, to utilize the remedial reading specialist as the administration sees necessary throughout all elementary schools. Motion passed by a voice vote. Motion by Perry' Ankerson, seconded by Ron Theusch to reduce the contract of Thomas Clark from 100% to 57%. Motion passed 7-0.

of Mary Lou Qualler by 100%. Motion passed 7-0.

Motion by Neal Weare, seconded by Perry Ankerson to reduce the contract of Kathy Sugden-Small from 75% to 57%. Motion passed 7-0.

Motion by Ron Theusch, seconded by Neal Weare to reduce the contract of Neal Weltzin by 100%. Motion passed 7-0.

Motion by Neal Weare, seconded by Kim Peterson to adjourn. Motion passed 7-0.

VETERANS DAY

Americans.

It is a day to pause in commemoration and thanks; to honor those men and women who have personally made sacrifices in the name of freedom. Veterans Day marks the peace that came over the Western Front 68 years ago on the 11th of November, and it is a means for us to express our apprciation to all veterans before and since that time.

Their willingness to give freely and unselfishly of themselves, even their lives, in defense of our democratic principles has given our country the security we enjoy today.

This day often reminds us of the suffering, bloodshed and destruction. But, we must never forget that Veterans Day is really a day of peace. When President Eisenhower signed the Veterans Day Bill in 1954. he called for all Americans to rededicate themselves to the cause of peace.

On this special day our hearts and thoughts turn to all the

Veterans Day is a day for all Nation's veterans. Let us reflect on the great achievements of those whose sacrifices preserved our peace, our freedom and our way of life.

With a spirit of pride and gratitude, let us recall their heroic accomplishments and thank them for their unselfish devotion to duty. They are indeed worthy of the solemn tribute of a grateful Nation.

Coulter Receives College Offers Indians End Season With Another Loss; 0-6 in EW

By Chuck Voge

The Kewaskum Indians finished their 1986 football season at home Friday night with a 33-0 loss to the third place Kiel Raiders. A dismal losing season by any other name is still a dismal losing season. The Indians finished the '86 season with a 1-8 record with their only win being an Oct. 17th victory over Fox Valley Lutheran High School from Appleton. They were 0-6 in conference play.

In the first period of Friday night's game the Indians held the Raiders scoreless but failed to score themselves. The only Kewaskum highlight in the period was a Kewaskum punt recovered by the Indians when it hit a Kiel defender and was recovered by junior running back Jeff Miller. Miller also had several nice rushing plays for the Indians picking up good yardage.

Kewaskum did get the ball within field goal range near the end of the period, however, Mike Coulter's kick fell short and that was their only threat in the first twelve minutes of play.

In the second period the Raiders scored three times, twice on passes from Dave Lepisto to Rick Bunge, and once more on an 80-yard touchdown run by Ken Zorn. The third extra point attempt was blocked by Kewaskum's Mike Heberer, and other than a pass from Pearson to Coulter for about 17 yards there just were no Kewaskum highlights in the half, which ended with the score 20-0 Kiel.

Near the end of the third period lightning struck twice more when Lepisto threw another strike to Bunge from about seven yards out with the point after blocked to make it 26-0 Kiel.

Less then two minutes later Bunge intercepted Pearson at the Kewaskum 43, and on the play that followed Zorn scored the Raiders' final touchdown of the game on a 43-yard run. The point after, also by Zorn was good to make it 33-0 Kiel.

Zorn's 236 rushing yards in the game put the Kiel speedster over the 1,000 yard mark for the season (1.081).

The fourth and final frame was a total bust for the Indians as they picked up only one first

of 8-6 in triple overtime. The freshmen took a 40-6 pounding in their final game of the season. And so another football season comes to an end, and a not too unpleasant end for Coulter and the teammates that helped him along the way.

Pajak Appointed Milwaukee River **Fisheries Biologist**

Paul Pajak has been appointed Milwaukee River Fisheries Biologist by Gloria Mc-Cutcheon, Southeast District Director. Pajak will coordinate the fisheries portion of the Milwaukee River Priority Watershed cleanup project. His duties will include developing a comprehensive fisheries management plan as part of an overall natural management plan being developed for the Milwaukee River watershed. Pajak is the first fisheries biologist to be assigned full time to a watershed cleanup effort. He will be stationed at the Southeast District Headquarters in Milwaukee. This is the first position Pajak has held with the department. Prior to his start in August, he was a fisheries biologist for the Flathead Indian Reservation in northwest Montana. "We felt the cleanup effort for the Milwaukee River was such a high priority that it

deserved a full time fisheries person working for the program," said James L. McNelly, District Fish Manager. "Paul will be working closely with both department personnel and the public to enhance the fisheries resources within the Milwaukee River basin.'

A native of Orange, Massachusetts, Pajak received a bachelor of science in fisheries biology from the University of Massachusetts in Amherst and a master of science in fisheries and wildlife sciences from Virginia Polytechnic Institute and State University in Blacksburg, Virginia.

Pajak and his wife Joan will live in Grafton. He can be contacted by calling the Southeast District office at (414) 562-9700.

Lofton Donates Record Breaking Pigskin to Packer Hall of Fame

Green Bay Packer Wide Receiver James Lofton presented his record-breaking football to Green Bay Packer Hall of Fame Board Chairman, Tom Hutchison, at mid-field Sunday, October 12, at 10:55 a.m., just prior to the Packer/Lions contest warm-ups at Lambeau Field.

Lofton secured his place in the Packer history books Sunday, October 5, at Milwaukee County Stadium in a match up with the Cincinnati Bengals.

Breaking former Packer Don Hutson's 488, 11-year, 117game reception record, Lofton made his 489th reception in his 8-year, 126-game career in a 15 yard touchdown pass from Quarterback Randy Wright in the 3rd quarter. Hutson's record has stood since 1945.

Lofton, former Stanford University football standout, closed out the day with seven receptions for a total of 109 yards, making Sunday his 32nd 100-yard receiving day in his pro career. Averaging 18.2 yards per reception, Lofton has made 490 receptions for 8,927 yards, which is also an all-time Packer career yardage record.

NEWS EXTRA Personalized License Plates to Be Replaced in 1987

People with personalized automobile license plates will receive new design plates in 1987, according to the state Department of Transportation.

Norbert K. Anderson, administrator of the Division of Motor Vehicles, said approximately 105,000 sets of graphic plates will be issued as replacements for personalized automobile plates now in use, plus an additional number for new personalized plate requests. The personalized plates will be replaced throughout the year as the current plates expire.

Also replaced in 1987 will be some special auto plates, such as Disabled, Disabled Veteran, Amateur Radio, among others.

Anderson said the single-year replacement of personalized plates will mean that some people will receive their replacements before the end of a normally expected seven-year plate life span. "However, our records do not show when personalized plates were originally issued, so there is no practical way of sorting these plates by year of issuance," he explained.

Anderson emphasized that while people with regular non-personalized black-on-yellow plates will be given a chance to purchase their plates early upon payment of an additional \$10 fee, this early renewal option is not available to people who have personalized plates.

Anderson said people who applied for new personalized plates before Nov. 1, 1986, will receive black on yellow plates. Applications processed on or after that date will be filled using the new plate design.

RIFLED SLUG BARRELS FOR SHOTGUNS LEGAL TO **USE FOR DEER HUNTING**

Rifled slug barrels for shotguns will be legal to use for deer hunting in all areas open for deer gun hunting, including those areas open for hunting with shotguns only, Ralph Christensen, Department of Natural Resources chief warden, said.

The intent of the "shotgun only" deer hunting zones remains unchanged by permitting the use of shotgun slugs fired through barrels with rifling as well as through barrels that are smooth bore,

Christensen added.

Testing has shown the rifled slug barrels improve accuracy somewhat. These barrels are also equipped with sights which might aid hunter's marksmanship.

The National Federation office has authentic studies which reveal that the dropout rate of high school students involved in sports, music, speech, etc., is almost infinitesimal comparison to the dropout rate of students not involved in those activities.

down in the entire period and were able to keep posession for only ten plays in the quarter.

The Indians' heads hung pretty low on the way back to the Kewaskum locker room and not without good cause. It was a bitter way to finish a losing season on a rainy night.

Some good did come out of this season, however. Whether the Indians won or lost didn't make any difference to the college scouts that scouted the Kewaskum game. Even in this losing season there is one success story since the scouts saw enough in the play of fullback Mike Coulter, that to date Mike has received letters from five different colleges encouraging him to become a part of their football programs. One of the schools incidentally, is the University of Wisconsin at Madison. More on this situation as it develops.

on the best two of three games in each match. The Indian girls, however, beat all three of their opponents two straight and lost none, and thereby eliminated any possibilities of a tie to be played off.

The Kewaskum girls also won this year's regional tournament in like manner in six straight, and are now 12-0 in post-season play.

Saturday's sectional was definitely not a walk in the park as might be indicated from their 6-0 record. The Indian girls were tested right to the max in 4 out 6 games throughout of the day.

Their opening match with the Union Grove Broncos was without a doubt the toughest of the entire tournament. In game one it was so nip and tuck that the score was tied five different times and the lead bounced back and fourth four times before the Indians finally came out on top by a score of 15-11.

In game two with the Broncos, Kewaskum jumped out to an unbelievable 10-1 lead only to have the girls from Grove get themselves collected and reorganized enough to bounce back and narrow the margin to one at 14-13, Kewaskum. At 14-13 the Indians got a service break and finished this one off with no room to spare at 15-13 Kewaskum.

In match two the Kewaskum girls went up against Jefferson and the Eagles were every bit as tough in game one as was Union Grove. The opening game had the score tied five times and the lead bounce back and fourth four times before the Indians finally put it away, also at 15-13. Game two was all Kewaskum and went to the Indians 15-2.

Now going into match three with Pewaukee, the stage was set for someone to come out number one since Pewaukee also won both of their first two matches with Union Grove and Jefferson.

Both undefeated teams, Kewaskum and Pewaukee were about to meet for the first time with the loser to receive some very attractive individual medals for taking second place along with a "Well Done" and a trip home and a chance to read about it in the newspaper. The winner would receive a very handsome championship plaque along with individual medals for each girl and a chance to play for the class B championship title. In game one the Indians got off to a slow start and fell behind 3-1. They got a service break and after Lisa Schneider's serve Debbie Felix rammed home a spike and the Indians were off on the comeback trail. With Schneider still at the line they ran the score up to 6-3, Kewaskum. Three service breaks later the Indians had run the score up to 9-3, Kewaskum, and at this point the Pirates made their move and battled their way back to a 12-12 tie before being nosed out by a final score of 15-12, Kewaskum. Now the Indians were just one game away from a shot at the state championship title, however there was one very tough Pewaukee team standing in the way.

apart and played like a team that was in a state of shock after their game one loss and handed Kewaskum the title shot on an easy one by going down by a final score of 15-4.

Small scale bedlam broke loose at the field house as most of the Kewaskum fans rushed down to the floor to congratulate their contenders for the 1986 W.I.A.A. class B state volleyball championship title.

EDITOR'S NOTE — The girls volleyball squad is the second Kewaskum High School team going to the state tournament this year. In August the Kewaskum Indians baseball team made it to state by breezing through the regional at Campbellsport and sectional at Port Washington, and then defeating Franklin in the WIAA state opener before being eliminated in the semifinals by Two Rivers' Eastern Wisconsin champions, 6-3.

Sheboygan County Program to Provide Deer Hunting Tips

Department of Natural Resources conservation wardens and wildlife managers will team up with members of the Sheboygan County Conservation Association to provide deer hunting tips at the annual "Evening with the Whitetail Deer."

The event will be on Friday, November 7th, 5:00 p.m. at the University of Wisconsin - Sheboygan County Center, located west of Sheboygan on state trunk highway 28.

"Although the Department is not the main sponsor of this program, we feel this provides us with the opportunity to assist hunters who want to have a successful hunt this year," said Roy Kalmerton, Sheboygan County Conservation Warden.

Area hunter, boating, snowmobile and all terrain vehicle safety instructors will be on hand to provide "how-to" information on aging whitetail deer, compass reading and safe handling of rifle and shotguns. Special demonstrations on field dressing deer as well as processing venison for storage will be given.

Hunter-landowner relations will also be discussed throughout the evening, including tips on how to obtain
