School Board Primary Tuesday Will Trim Competition by One

By GERRY MUELLER
Statesman Staff Writer

The upcoming primary election February 17th will narrow the field of hopefuls in Kewaskum's school board race from seven to six. The candidates feel several controversial issues involving the district, its board and the administration must be resolved.

Electors attending last week's voters forum heard the candidates address what they consider to be their major concerns for the district, a continually escalating budget, closing of an elementary school, the increasing size of the administrative staff, and a school board which some people are saying pays more attention to the administration than to the district's residents who elected them.

Of the seven candidates, six have previously run for office. They include Jean Goeden, the only incumbent and a ten-year veteran of the board, John Spoerl and Neal Weare, former board members who were both defeated in their bids for re-election, Ruth Schmitt, Donald Nowak and Ronald Beimborn who were unsuccessful in their earlier bids to win a school board seat.

Robert Schulteis is the only candidate who is throwing his

hat into the political ring for the first time.

Kim Peterson and school board president Tom Brigham, whose terms are expiring, have chosen not to seek re-election.

Some of the issues addressed by the candidates include some controversy which has apparently arisen from the feeling that the district now has what is considered to be a strong, professional staff which sticks to its guns at times. Goeden has indicated the problem is the district has not had a strong administrative staff in the past.

The biggest issue, as it has been over the past few years, during both election campaigns and school board meetings, is the closing of the Beechwood Elementary School. The administration has continued to cite declining student enrollments and rising costs as some of the reasons supporting the need to close the school.

With the continually rising budget, many electors in the district have expressed their concern over the increasing size of the administrative staff. From a superintendent, business manager and head janitor, less than ten years ago, the district's staff has grown to include the superintendent, business manager, director of

instruction, buildings and grounds superintendent and, most recently, a part-time social worker.

Nowak told those attending the forum he felt the staff was "top-heavy." He also feels the school board pays more attention to the administrators than the people of the district. Nowak favors retaining Beechwood in the event the district's enrollment trend reverses itself.

Beimborn has consistently voiced his opposition to closing Beechwood, as well as the recommendation to sell the school property. He has indicated he thinks the school board is looking to close all the outlying schools eventually. (This has been an issue that has come up several times in the past during school board meetings but has been consistently denied by the board and administrators).

Weare's stand has been in general agreement with Nowak and Beimborn on Beechwood, noting that community schools are a necessity. Weare has stated his goal, if he is elected to the board, is to achieve a happy medium between the citizens, school board and administration.

Schmitt feels she has an added edge that would help her

Board Hears Middle School Proposals for 1987-88

By GERRY MUELLER
Statesman Staff Writer

Julie Backus, Director of Instruction presented the Kewaskum School Board with several Middle School proposals which she would like to see implemented in its programming for 1987-88.

Among her recommendations, Backus would like to see the sixth grade teachers teaching only the sixth grade. Presently some teachers are working with the seventh grade. Backus feels this would allow the teachers more contact time with their own students, enabling them to give extra assistance when needed. The plan would require approximately 1½ additional teachers to affect the change.

Backus also proposes a nine-week computer class be required for all sixth grade students, beginning with the 1987-88 school year. The

purpose of the class would be the teaching of proper keyboard techniques for computer use.

Presently the course is being offered at the eighth grade level but Backus and the instructors feel that by that time some students have learned some bad habits such as the "hunt and peck" method of typing which are hard to break.

She would also like to add a nine-week Quest program at the sixth grade level. The course concerns drugs and related issues and is sponsored by the Kewaskum Lions Club. Presently only about half of the 18-week course is being offered at the seventh grade level.

In the area of elective courses, Backus is recommending the addition of a German Language course in conjunction with the Spanish course presently being offered at the Middle School.

Because teachers at the

Middle School feel students have an excessive amount of study hall time, anywhere from 1½ to 2 hours, Backus is recommending offering an elective short-subject program which would cover a large variety of subjects, anything from home fire safety to reading programs, which would be held during a portion of the study hall time.

Backus also presented a plan for an "extended day" kindergarten. The program would direct its attention to those youngsters who are having problems adjusting to kindergarten.

The program would provide extended classes twice a week which would use the added time to place emphasis on socialization, motor skills and language development for those children who are entering the kindergarten program and are ex-

Free Dental Care for the Needy

DOCTORS WITH A HEART

Saturday, Feb. 14th, Valentine's Day has been named as the day Kewaskum and West Bend Dentists will participate in a nation-wide health care for the needy program and provide free dental care to the needy of the area. The "Doctors with a Heart," as a group is called, is announcing a day of free dental service to those who have urgent dental needs and cannot afford to have them met. Anyone with no job, no money, no dental insurance and no medical assistance insurance can receive this free dental service by appearing at the offices of the volunteering dentists between 8:00 a.m. and 1:00 p.m. on Saturday, Feb. 14th. The local dental society has selected the following offices from those volunteering for this year's program:

Dr. Bero, 533 S. Main - West Bend - 338-8704.

Dr. Connor, 1204 Fond du Lac - Kewaskum - 626-2119.

Drs. Faucett & Porter, 530 Walnut - West Bend - 338-2992.

Drs. Hartley & Johnson, 1500 S. Main - West Bend - 338-0022.

Dr. Heimsch, 1345 Chestnut - West Bend - 338-6622.

Dr. Koehler, 1201 Oak - West Bend - 334-7401.

Drs. Schacht & Schacht, 1201 Oak - West Bend - 334-5151.

Dr. Van Ess, 1053 Fond du Lac - Kewaskum - 626-4666.

Participating offices will display a red heart on their office door for the day.

For further information call the Doctors with a Heart help line at 334-4460.

4 Washington County Communities to Vote In 18th District State Senate Primary

By GERRY MUELLER
Statesman Staff Writer

The Township of Farmington, Towns of Barton and Wayne, and City of West Bend, will have a primary election February 19th, to narrow the field of candidates competing for the 18th District State Senatorial seat which became vacant when Senator Scott McCallum was elected Lieutenant Governor in November.

For the Democratic Party, candidates are Mary Brickle of Fond du Lac, and Tod Weisman of West Bend. The Republicans have three challengers, they are Carol Buettner, Oshkosh and

Jerry Loggins of West Bend, and Al Timm of Fond du Lac.

Tuesday's election will narrow the competition to one Democrat and one Republican candidate on the April General Election ballot.

Since McCallum's resignation, the 18th District has had no official representation in the senate.

In the Town of Wayne, incumbent Supervisors Mark Strobel and Leonard Peter will be battling two challengers, John Oelhafen and Ronald Panzer. Incumbents Chairman Carl Hohlweck, Clerk Orville Kern, and Treasurer Gerald Schulz will be running unopposed.

Lakeshore Symphonic Band To Perform In Rose Hall

The Lakeshore Symphonic Band, under the direction of 'Bud' Asch, will be concertizing on Sunday, Feb. 15, at 2:00 p.m., in Rose Hall of Kewaskum High School.

The Band, made up of amateur musicians from Washington, Ozaukee and Waukesha Counties, will play a variety of pops in this Sweetheart Serenade. Ages nine to ninety will set their toes to tapping hearing this concert.

Tickets, which will be available at the door, are \$1.00 for children, \$2.00 for adults, or \$5.00 per family. Tickets include refreshments.

The concert is being sponsored by the Kewaskum High School Booster Club and all proceeds benefit the High School Band Program.

Grab your Sweetheart and bring her to our Serenade. See you there.

periencing problems because they are not ready for the transition.

Backus told the board she was not looking for any action on the proposals at this meeting. She simply wanted to present the programs, explain them, and ask the board to study them before she brings them back for action at next month's meeting.

In other action, the board approved a Finance Committee recommendation to proceed with floor tile repairs in three restroom areas at the high school. Since the work will not be done until this summer, the project's cost of \$2,027, will be placed in next year's budget.

The board also approved the purchase of a computer software program to handle Middle School grading, attendance and scheduling records, at a cost of \$1,500, and a new copy machine for Farmington Elementary School to replace two which have worn out. Both schools have funds in their present budgets to cover the purchase costs.

The board approved 1987-88 contracts with CESA #6 for EEN services and Chapter One services.

District Administrator Penny Kleinhans advised the board that a petition by citizens has been filed requesting a hearing before the arbitrator handling negotiations between the district and Kewaskum Education Association.

The purpose of the hearing, scheduled for Wednesday, March 18th at 4:00 p.m., is to allow individuals to have the opportunity to express their feelings about the wage packages being presented by both sides. The meeting will be open to the public.

Coaching resignations and contracts for various sports were also approved by the board.

Kleinhans asked the board for direction regarding board member Clara Trapp's requests for information from the administrative office. She asked that the board members make sure they understand the procedure which should be followed to obtain information from the office.

As official keeper of a district's records, the superintendent is the individual to which all requests for information from either public or confidential files should be made. Kleinhans indicated no information from confidential files is to leave the office.

The comments were related to visits Trapp made to the administration office asking for information from both public and confidential files.

Kleinhans said Trapp also questioned office personnel about her (Kleinhans) activities

related to her absences from the office. "I believe it is inappropriate conduct to talk to a subordinate about my activities" said Kleinhans.

Kleinhans noted the time taken off was to attend classes at the University of Wisconsin - Madison.

Trapp admitted she had visited the office but had done nothing improper. Trapp said the latest incident occurred when she recently asked to see Kleinhans' contractual agreement and credentials. "All she gave me was a copy of her license to teach for five years" said Trapp. After some comments from Kleinhans, Trapp corrected herself, noting the license was to work in administration. But that's all she gave me, noted Trapp, as she held the paper up.

The confrontation between Trapp and Kleinhans has persisted for several months, with comments and accusations stretching back to last year. President pro-tem Perry Ankersen told Trapp the procedure for any board member was to make their request for information to either the superintendent or board president.

As for discussing Kleinhans' qualifications, Ankersen told Trapp, "we will have a time in closed session when we will sit down with Penny Kleinhans and we will do an evaluation. At that time you have the opportunity to participate in that evaluation process and we wish you would do your evaluation at that time and not in public at a board meeting." With those comments Ankersen adjourned the meeting before there was any further discussion between Trapp and Kleinhans.

on the board. Being both a parent who regularly attends school board meetings and a substitute teacher who has worked for the district, she feels she has an insight and better understanding of the necessities of the classroom and the day-to-day operation of a district.

Schulteis, who serves as a private citizen on the Finance - Transportation - Buildings and Grounds Committee, hopes to unite the school district. He said he also favors expanding the school day from seven to eight periods.

Next week's election will determine which six names will appear on the ballot in April.

According to U.S. Bureau of Labor Statistics estimates, the job classification with the most openings likely between now and 1990 is that of computer service technician.

Little Competition in Area Township Elections

By GERRY MUELLER
Statesman Staff Writer

Supervisors in three local townships are the only officials to face any challengers in the April General Election.

In the Town of Auburn, incumbent supervisors Ervin Seifert and Kenneth Jandre will be receiving competition from Roger Brace, while incumbents Chairman Roger Schleif, and Clerk Camilla Butzke will run unopposed. Maureen (Reenie) Heberer will seek the post of treasurer which is being vacated by her husband

Norman, who has decided not to run for re-election.

Town of Farmington incumbents Chairman Jack Theusch, Clerk Joanne Oneska and Treasurer Kenneth Ramthun are also running unopposed. Incumbent supervisors Frank Mayer and Joe Sekeres will be challenged by Richard Schneider.

In the Town of Kewaskum, all the incumbent officials will be running unopposed. They are Chairman George Allmann, clerk Barbara Hinz, Treasurer Dolores Prost, and Supervisors

Progress Reports Issued To High School Students

Final exams are over, grades are in, and report cards are out. Are you unhappy with what you see? Is your son or daughter settling for less? If so, look into it.

Grades carry meaning. They represent all of the tests, quizzes, in-class assignments, notebook checks, and discussion that occurred in the preceding term. Use these grades as signals to check on the progress of your son or daughter's education. With report card in hand, sit down with him or her to review it. Don't interrogate - communicate!

Address these points:

1. How was each grade reached? Most faculty give students an outline of how they will be graded, and what is expected of them. Ask about this.

2. Account for the poor grades. Which specific areas brought down the grade? (tests, quizzes, homework, absences, etc.) Was there a distraction out

of school? Is the school contributing to the problem? Have you communicated this?

3. Notice Patterns. Failing grades means something is wrong. Are all of the failing or low grades connected in any way? Have similar courses in the past been a problem? If you suspect a pattern, call the school.

4. Don't settle for less. While there is no certain formula for success, there is one for failure...giving in and believing it. Instead, find something positive and work on it. If you can't find anything positive, check your focus. You may be locked into a negative perspective. Change glasses.

If you have questions regarding grades, what they mean, how they were assigned - call for an appointment. A personal conference is one way to gain the insight to get going again. The high school number is 626-2166. Your calls show concern.

BROWNIE TROOP # 57 CHRISTMAS PARTY HELD AT SKAT COUNTRY

On Saturday, Dec. 20th, our 3rd grade Brownie Troop #57 of the Farmington Elementary School had their Christmas Party at Skate Country. The girls had a lot of fun roller skating, especially doing the hokey pokey with Santa. After we had our picture taken with Santa, the girls exchanged presents. By having our Christmas party at Skate Country, we received a stuffed tiger that we donated to a needy family.

Our girls are: Angie Bindrich, Gretchen Gauger, Carrie Gehl, Jenny Knoeck, Holly Krahn, Tanya Krahn, Carrie Krell, Carrie Michaels, Debbie Neumann, Tracy Poehnelt, Erin Stockhausen, Carrie Strigenz, Jennie Theisen and Michelle Thull.

Oppermann Brothers Receive Lutheran Living Faith Award

Left to right — Scoutmaster Freddy Gildersleeve, Shane, Corey, Sheldon Oppermann and Pastor Charles W. Reehl

Corey, Sheldon and Shane Oppermann of 998 Auburn-Ashford Dr., Campbellsport, were presented the Lutheran Living Faith emblem at St. John's Lutheran Church, New Fane, on Sunday, Feb. 8. The recipients are 15, 12 and 12 year old sons of Leander and Janice Oppermann and members of Troop 744 - Kewaskum, of the civic youth - agency Boy Scouts of America, sponsored by Kiwanis Club of Kewaskum.

The Lutheran Living Faith program is a religious growth program which fosters in Lutheran youth in civic youth - serving agencies a deepening understanding of the relevance of their Christian faith to life and strengthens their relationship to God and their church, pastor and community. Recipients must give evidence that they have a meaningful knowledge of the Christian faith, that their worship life reflects their love for God and their desire to communicate with Him often, that they witness to their faith in word and deed, that they are concerned for the spiritual and physical welfare of their fellowmen and that they render worthwhile service to their church and community.

Freddy J. Gildersleeve, leader of Troop 744 - Kewaskum, presented the candidate for this special recognition by the church. The Rev. Charles W. Reehl, pastor of the church, officiated at the presentation ceremony, held on Scout Sunday, Feb. 8, at the 10:15 a.m. Service.

The Lutheran Living Faith program is administered nationally by the Lutheran Council in the USA, 360 Park Avenue South, New York on behalf of The American Lutheran Church, Lutheran Church in America, The

Lutheran Church — Missouri Synod and Association of Evangelical Lutheran Churches upon the recommendation of the youth's pastor and a congregational review committee appointed by him.

The emblem presented on completion of the program consists of a pendant with white background designed with the Chi-Rho in red, superimposed on a gold cross, red circle and modified Luther seal. The pendant is suspended by a red ribbon from a white bar with the words "Living Faith" in gold. The pendant is equipped with a safety catch. It may be detached from the ribbon and worn as a pin or brooch.

Aunt Agnes is Outliving Her Resources. How Can She Plan for Her Funeral?

With an irrevocable funeral trust.

It's happening often these days. It might well be happening in your family right now. An aunt, an uncle, perhaps even your mother or father is outliving their resources.

Their total income from whatever sources is not enough. They have to dip into their meager savings in order to live. But they will not be eligible for additional governmental assistance until their assets are practically gone.

They worry about living, but they also worry about dying. They would like to plan and pay for their own funeral. But is this possible? The answer is "yes" through an irrevocable funeral trust.

Under the law an individual can set aside up to \$1,500 for funeral costs in addition to a burial space and vault and still be eligible for Supplemental Security Income (SSI) or Medical Assistance (MA). This can most easily be accomplished with an irrevocable funeral trust. Your funeral director will be glad to assist in setting up such an agreement for Aunt Agnes or anyone else in a similar situation.

He can also answer any questions you may have about such a trust or any other funeral preplanning. So contact your funeral director first. Remember, satisfying your needs is always his main consideration.

In the Service

Marine Pvt. Thomas W. Pieper, son of Duane R. and Linda E. Pieper of Route 1, Campbellsport, has completed recruit training at Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, Pieper was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program

and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

He is a 1986 graduate of Winnebago Lutheran Academy, Fond du Lac.

Army National Guard Private John A. Turnes, son of Frederick G. and Betty J. Turnes of 798 W. Highway 67, Campbellsport, has graduated as an armor crewman at the U.S. Army Armor School, Fort Knox, Ky.

The training was conducted under the one station unit training (OSUT) program, which combines basic combat training and advanced individual training into one 13-week period.

During the course, students received training in the duties of a tank crewman, including firing the tank's armament and small weapons. Instruction was

also given in field radio operations, map reading, and tank maintenance and repair.

He is a 1986 graduate of Campbellsport High School.

Navy Seaman Recruit Patrick L. Jones, son of James M. Geary of Route 1, Cascade, has completed recruit training at Recruit Training Command, Great Lakes, IL.

During Jones' eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Jones' studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1986 graduate of Random Lake High School, Random Lake, he joined the Navy in October 1986.

Campus Notes

Each of the 22 men of Sigma Tau Gamma fraternity at the University of Wisconsin - Stevens Point are receiving \$10 prizes from their organization because they collectively improved their cumulative gradepoint averages during the fall semester.

The fraternity established a special fund last summer as a means of encouraging academic achievement.

One of the provisions of the awards program is to involve all chapter members as a team in gradepoint average improvement activities. Ten dollars is given for each one-tenth of a point that the fraternity's current semester grade average exceeds the cumulative average at the end of the preceding semester. The group's cumulative average was 2.27 last spring and improved to 2.46 at the end of the fall semester. Had the average been 2.47, each of the members would have received \$20.

The program also provides awards for individual success in the classroom. Kurt Hartwig of

3668 Meta Lake Rd., Eagle River, David S. Jones of N90W25200 Tomahawk Drive, Sussex, and James R. Warnkey of 3621 Town Hall Rd., Kewaskum, received \$70, \$60 and \$20, respectively, based on \$10 for each one-tenth of a point their fall semester grades exceeded 3.0.

Money for the awards has been raised in a series of "Brat Fests" held each spring in a local park.

- Robert H. Schulteis
- Ruth A. Schmitt
- John Harold Spoerl
- Jean E. Goeden
- Ronald Beimborn
- Neal Donald Weare
- Donald F. Nowak

Electors are to vote for three. Polls will be open at 9:00 a.m. and close at 8:00 p.m.

Dated this 29th day of January, 1987.

Ms. Penny Jo Kleinhans
Acting Deputy Clerk

FACSIMILE BALLOT NOTICE OF PRIMARY ELECTION February 17, 1987

OFFICE OF THE SCHOOL DISTRICT OF KEWASKUM
ACTING DEPUTY CLERK

TO THE ELECTORS OF
THE SCHOOL DISTRICT OF KEWASKUM:

Notice is hereby given of a spring primary election to be held in several wards in the Counties of Washington, Fond du Lac and Sheboygan on the 17th day of February, 1987, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a county referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the nonpartisan primary, the elector shall make a punch or a hole or a cross (X) in the square at the right of the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of the candidate of his or her choice on the ballot envelope provided or in the space provided.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is punched or marked, it shall be inserted in the envelope provided so the punches do not show or folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the booth, and deposit the envelope containing his or her ballot in the ballot box and where paper ballots are distributed to electors, deposit his or her folded ballots in the proper ballot boxes, or deliver the ballots to an inspector for deposit. The unused ballots should be deposited in the blank ballot box, and the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

High School Vocational Department undergoes State DPI Program Evaluation

Friday, Feb. 13, 1987, Kewaskum Statesman, Page 11

Front row — Left to right: Team leader, Dan Tentcher, CVTAE rep., Cheryl Lowery; 2nd row — Greg Peynor, Arlene Finn, Sandra Haack, Ed Walker; 3rd row — John Nevins, Robb Jensen, David Asher, Barb Bitters [DPI].

This past week the vocational department at KHS participated in the Wisconsin Department of Public Instruction Secondary Vocational Program Evaluation. An evaluation team of 10 educators visited the Kewaskum district and conducted an evaluation of the vocational programs and made recommendations for program improvement.

The vocational program evaluation is required every five years by the DPI for those schools receiving federal Vocational Education Act related phases - one year self-evaluation by the school district, an external evaluation by the on-site team and utilization of evaluation findings.

The outcome of the secondary vocational program evaluation will be to establish a basis for local long-range planning of vocational programs. The local planning will involve strengthening current programs to prepare students for employment or entry into post-secondary vocational, technical and adult education programs.

The evaluation team was led by Dan Tentcher, Local Vocational Education Coordinator from Winneconne, Cheryl Lowery was the representative of the Center for Vocational, Technical and Adult Education at UW-Stout, the agency that coordinated the evaluation process.

Barb Bitters was the DPI evaluation consultant.

The educators of the visiting evaluation team spent the majority of their time interviewing administrators, vocational teachers, guidance and special needs staff and students within the school. A small percentage of their time was scheduled to interview school board members, graduates, advisory committee members and employers in the community.

A banquet was held on Wednesday evening, attended by administrators, vocational educators, team members and school board members.

Married men live longer than single men. So if you want a slow death, get married.

IMMUNIZING INFANTS

Immunizing babies against diphtheria, whooping cough and tetanus, or with measles vaccine may bring on convulsive seizures in some cases. Fever and low blood sugar may trigger the seizures after the shots. The Journal of Pediatrics recommends a fever-preventer such as aspirin or acetaminophen plus sweetened orange juice be given routinely after children's immunizations to avoid seizures.

We wish you good health

Letters to the Editor

To All the People of the Kewaskum School District:

Are you aware that students entering Kindergarten this fall will be graduating from high school in the year 2000?

This year we have a unique privilege of electing the first school board members that will have a direct effect on these students of the 21st century.

We are to be representatives of the people (all the people, by the way), all School Board members are elected "at large," representing the entire district. If elected, I will do my best to: see all sides of an issue before voting, be a working board member, and personally research issues that I feel are not being presented adequately.

For instance, why aren't there enough textbooks for the students? Because the Director of Instruction didn't order enough text books "to keep the budget down." But now they are ordering new carpeting for her office as well as the rest of the school.

We were promised that when the sixth graders were moved into the middle school that they would have access to the gym for intramurals during their lunch period. A gym class is scheduled during the sixth graders lunch period; the gym is "not available." Also, there is a gym class this semester during the seventh grade lunch period.

We were promised there would be enough lockers provided for all the students. Approximately 80 students in KMS are sharing lockers.

Why does a seventh grade class have to hold study hall in the band room? There aren't any desks in the band room and they are studying while band students are practicing in the side rooms.

These are a few of the concerns of the district. I will investigate these and all reasons that I feel our school system is not working well with the welfare of our children at heart.

Please remember the old saying "don't take any wooden nickels." We've been handed a pocket full in the last few years. Show your concern as an aware public, and vote Feb. 17.

Thank you,
Ronald Beimborn
School Board Candidate

To the residents of the Kewaskum School District:

Next Tuesday, you, as a resident of the Kewaskum School District must make a decision that will affect the children in our schools and their education.

Great strides have been made in the last few years to meet the many educational needs of our students that had previously been put on the back burner. We have greatly improved or implemented programs, such as special education requirements, Alcohol and Drug Prevention, the Protective Behavior curriculum, and a new eight period day in the High School. These will benefit all the students, from the children who may have slipped through the cracks to the professional needs of the gifted and talented.

Significant improvements have also been made in the utilization of teachers in helping to write and improve cur-

riculum. The Administration, along with teachers, are involved in planning and implementing the new state required programs. Their input and extra work means we can make better use of our tax dollars. As a parent of 5 and a taxpayer, I would certainly like to see a continuation of the up-dating of these programs, so our children will be able to go into the world of work or on to additional education. Our children need progressive education to meet the rapidly changing world of technology.

Many of these new programs are now required by state laws. If we do not comply with them, the school district could lose state aids, and that would be even a greater burden to the taxpayers. Grants have been written and directed by our administration to help alleviate some of this tax burden.

During the 10 years that I have been a member of this Board of Education, I have proven to be dependable, organized and conscientious. I exercise a professional manner at all times and participate fully in the Board's activities.

For the past four years I have been our voting delegate to the state school boards convention. I have been a member of the negotiating team for six years, gaining experience and expertise which will be held by no other member of the Board after this new election.

I would like to continue giving programs that have been implemented for the better education of our children with a minimum of our tax dollars.

Remember, when you make that important decision at the polls Tuesday, that our future lies in the proper education of our children and nothing can be more important than that.

Thank you for your support in the past and I would appreciate any that you can give in the future.

Jean E. Goeden
Candidate for the
Kewaskum School Board

To: All Kewaskum School District Residents

I must admit that I am somewhat of an amateur when it comes to interpreting a budget in excess of \$6,000,000.00. At the Voters' Forum, hosted by the League of Women Voters, I reported that our legal fees in the Kewaskum School District cost \$50,000 last year. In taking a closer look, that figure is probably wrong and I do apologize.

Perhaps my mistake is an example of why voters feel confused when they come to a budget meeting. Legal services are listed in a category labeled Personal Services. Included in the category of Personal Services are inservice speakers, election workers, and others.

The actual figures for the 1985-86 category of Personal Services was \$52,693. However, \$15,839 was used to pay various officials and therefore, did not go for legal fees. The proposed figures for the 1986-87 school year includes \$307,698 for legal fees and \$13,650 for the other officials. Looking back at the 1983-84 figures, I find that \$18,894 was spent for legal fees and \$11,752 spent for officials -

quite an increase.

In addition to the excessive legal fees, our school district pays for a direct telephone line to Milwaukee. It makes me wonder just how often our administration finds it necessary to communicate with the law firm. Hopefully, the new telephone system will help lower the \$25,000 a year our district now pays.

Whatever the exact fee for legal services happens to be, it is a non-educational expense. I know the fee can be lowered when the school board quits spending the money on things like the censure of a fellow board member and finding ways to avoid the media. Let's hope that the new school board members can work together to eliminate noneducational expenses and see that the money goes instead for the education of our children.

Please vote on Feb. 17 in the Primary. See you there!

Ruth A. Schmitt
Kewaskum School Board Candidate

To the Editor:

Next week is the primary for the Kewaskum School Board. I would like to take this opportunity to urge the community to exercise its right to vote. This is the way YOU can determine the future of our schools.

As a candidate for the school board, I have the experience from serving on a past board and I have the dedication for a good education necessary for this position. I am a conservative, but please don't think that being a conservative means being against education. An examination of my voting record would prove that I ALWAYS voted in favor of EDUCATIONAL programs.

I would appreciate your vote on Tuesday, February 17.

Sincerely,
John H. Spoerl

To: Editor Kewaskum Statesman,

I would like to thank the League of Women Voters for hosting the recent voters' forum for candidates running for the Kewaskum School Board. I am Robert Schulteis, a resident of the Kewaskum School District for the past twenty-one years. I am married, my wife's name is Joyce, and I have two sons presently attending schools in the Kewaskum School District. I am employed by the Washington County Sheriff's Department, as a Lieutenant in charge of the detective division. Part of the responsibility of my present job includes preparing and managing the entire budget for the detective division.

My background in education includes a wide variety of experiences. My most recent educational experiences are related to the many phases of my job. I am a state certified law enforcement officer for the state of Wisconsin. I am also a certified instructor for the Moraine Park Technical Institute, as well as having completed numerous management courses which have been offered by the University of Wisconsin, and by the State Training and Standards Board.

Currently I serve as Kewaskum School District as a citizen representative on the Finance

Transportation Building and Grounds Committee, and I am also a past member of the Policy Legislation Committee. I am active in town government, serving as chairman of the Town of Wayne Planning Commission. I was also Chairman of the Town of Wayne Town Hall Building Committee, and am currently town constable.

If elected to the school board, I would strive to promote excellence in education by being a representative of the entire Kewaskum School District. I would be willing to work with all school board members to unite and promote excellence in our educational system so that residents of the Kewaskum School District can be assured that they will receive the maximum benefits for their tax dollars. I am willing to make a commitment to attend school board meetings and vote on issues that would keep in tune with the philosophy of what is best for our students and the entire Kewaskum School District. I will do all the necessary research to be informed on issues that come before the board, so that intellectual decisions can be made when they come before the board for a vote. To accomplish this goal I will rely on information from a variety of sources, which will include the Department of Public Instruction, administration, teachers, and citizens of the school district. I am not in favor of closing any existing schools for the sake of building on centralized school.

It is easy to tear things down, but difficult to rebuild them. I will strive to rebuild the spirit of the Kewaskum School District so that citizens of the district will be proud to be a part of this school district. A vote for me will be a positive step toward quality education in the Kewaskum School District.

Robert Schulteis
Candidate for Kewaskum School Board

To: Perry Ankersen,
Vice President of the
Kewaskum School Board

Excellent job at the school board meeting, Monday, Feb. 9th.

You handled the situation of board members continued pettiness and vindictiveness with great diplomacy and professionalism.

When a member goes against policies set by their peers, one must support those laws, and that's what you did.

We commend your actions and hope that by your comments it will put an end to this unethical conduct and harassment of professional people and get back to the real work of the School Board.

Mothers of the School District

Dear Editor:

We are writing in regards to the NEW CREATION series at Holy Trinity School.

The first thing I want to make very clear is that, the parents of all eight grades were invited and informed about the course. It was the parents' choice as to whether or not they wanted their children to have this education. There Was A

Choice!!! So what is the big deal??? If you didn't want your children to take the class, that was your choice. There are parents who do want their children to take this course. It seems like you are downgrading them! Why take away something that's important to them as well as their children away?!

The next point I would like to raise is, in one of the many letters sent to the editor about this topic was the question of Christianity. The letter stated the parents were not good Christians if they allow their children to take the NEW CREATION course. We resent the insinuation made that just because we are being taught this, we are going to go into the back seat of a car and try it out! HOW SICK!! ~~My friend you~~ we are Catholics, all of us come from good Catholic homes and this program is being taught in a Catholic School under the supervision of Sister Phyllis, a Catholic Nun. ~~God didn't~~ put you on this earth to judge us, and he didn't put ~~us~~ on earth to judge you. This program is being taught for ~~us~~ (the students) benefit, to help us in this fast paced society we live in. NOT FOR YOU! You already know about this, but give your children or other people's children a chance to learn it the right way!

The next point I would like to make is what the teachers are teaching out of. You keep teaching out of the teacher's manual. THEY ARE NOT!!! The information in the teachers manual is intended as supplementary information for the teachers.

The last point I think you ought to know is, we are talking about love and relationships which is just as important. I hope this letter gives you some idea of what we, the students of the eight grade think!!

Obituary

MRS. MARION HOFMANN

Mrs. Marion Hofmann, 79, of Kewaskum and formerly of Milwaukee, passed away on Thursday, Feb. 5, 1987, at Beechwood Rest Home, rural Kewaskum.

She was born on May 30, 1907 in Green Bay, Wisconsin, the daughter of the late Arthur and Nel (Ryan) Cunningham.

On April 11, 1946 she was united in marriage to Henry Hofmann and he preceded her in death on August 7, 1984.

Survivors include relatives and friends.

Funeral services were held at the Holy Trinity Catholic Church in Kewaskum, at 11:00 a.m. on Monday, Feb. 9, with Father Robert Berghammer officiating.

Entombment was in Wisconsin Memorial Park, in Brookfield.

Friends called from 9:30 a.m. until service time at the church on Monday. Miller's Funeral Home, Kewaskum served the family.

The Bartelt Brothers, Lyle and Dave of R.1, Tarpon Springs, Florida, who formerly practiced law at Kewaskum for many years, recently announced that progress is well under way for the building of a new city in Florida known as Weeki Wachee Woodlands. The development covers over 600 acres. Previously the Bartelt Brothers have built other communities, Buena Vista, Dodge City and Siesta Terrace.

Charles and Mary Miller are the first host family to sponsor a foreign exchange student at Kewaskum Community High School. She is Walborg Pettersen from Oslo, Norway and she will be spending the school year here.

Marriage vows were exchanged on Feb. 3 in St. Frances Cabrini Church, West Bend, by Miss Geraldine Guttman, daughter of Mr. and Mrs. Gerald Guttman, West Bend, formerly of Kewaskum and Richard P. Domrath, son of Mr. and Mrs. E. Domrath of Shawano.

Mrs. Joseph, Melzer, 58, nee Elizabeth Batzler, of St. Kilian, Town of Wayne, passed away on Tuesday, Feb. 6, at St. Joseph's Hospital, West Bend.

Mr. and Mrs. Don Gilford, R. 1, Kewaskum, announce the engagement of their daughter, Sharon, to Robert James Kroll, son of Mr. and Mrs. Max Kroll, Port Washington.

A daughter was born to Mr. and Mrs. Marvin Kleinke, Sunday, Feb. 4.

A son was born to Mr. and Mrs. Floyd Dreher on Friday, Feb. 2.

Edward Dreher Jr., passed his certified public accountant examination, given in November, by the State Board of Accounting, Madison. Dreher is now employed as an accountant in Chicago.

Word was received of the death of George Ruplinger which occurred Monday, Feb. 8, at the Oaks Sanitarium. Burial was Saturday at 9:30 at Holy Angels, West Bend.

The play "Depend on Me," a three act comedy is to be given by the K.H.S. senior class, Feb. 26th and 27th. The cast of characters includes Lloyd Backhaus, Dorothy Becker, Laura Hirsig, Lloyd Schmidt, Iris Bartelt, Rose Lecher, Fred Dorn, Helen Rosenthal, Walter Werner, Marvin Koenig, Ralph Marx.

Within a space of a few hours two brothers, residing near Campbellsport, became proud fathers on Tuesday, Feb. 9th. Math Serwe had a double reason to be proud - Mrs. Serwe bore him twin sons, each weighing six pounds. At the home of his brother, Simon Serwe, the arrival was a daughter, who weighed only two and one-half pounds.

The Ke-Waynie Five Orchestra of which "Tiny" Terlstra of this village is president, was featured last Sunday afternoon at 2 p.m. in an hour program over the Theresa amateur radio station.

February 17, 1912

The citizens mass meeting, which was held in the village hall last Monday evening by order of a call of the Village Board, was largely attended, with nearly every property owner in the village being present. Several of the citizens gave their opinions as to what fire protection the village at present had and that an engine was very necessary. Others were also in favor of installing a water works and sewerage system. After an hour of discussion it was moved that a vote be taken as to whether or not the village should buy a fire engine. The result being unanimous with not one being against it. The water works question did not make much impression upon those present with over two-thirds showing that they were against it. No vote was taken. Next summer it is the intention to have a few large cisterns built in various parts of the village which will be continually filled with water for the protection as far as water is needed.

This being leap year and for the benefit of the unmarried ladies of Kewaskum who would consider marriage, we are this week publishing a list of the most desirable unmarried men in town, together with a few others who really insist on being included as long as we were doing this anyway. It must be admitted that a great many of the nice men in this town are married and anchored until death otherwise the list would be longer. They are William Krueger, James E. Cavanaugh, Doctor Wm. N. Klumb, John Witzig, Fred E. Witzig, P. J. Haug, Dennis McCullough, Elmer Jacobitz, Alex Klug, Wm. Endlich, Erwin Koch, Oscar Koerble, Emerson Olwin, Otto Stark, Erwin Smith, Joseph Eberle Jr., Wm. Eberle, Carl Brandstetter, Jos. Mayer, Isadore Jung, Byron Rosenheimer, Newton Rosenheimer, Frank Hoerig, William Miller, Arthur Schaefer, Peter Hilbert, William Schmidt, Herbert Backhaus, John Keller, Franklin Backhaus, Frank Hanrahan, Fred Buss, Paul Urban, Alvin Backus, Albert Schaefer and Ben H. Mertens.

Way freight No. 292 southbound, jumped the track two miles south of this village last Thursday afternoon and tore up over 500 feet of rails. Six cars with the caboose left the track. The train was going at a rate of 40 miles an hour. No one was injured. Peter Hilbert, an employee of L. Rosenheimer's of this village, and Mr. Knickel of Knickel and Straub of Campbellsport were passengers in the caboose. They were on their way to Milwaukee with potatoes. Both of these people had an experience that they will not soon forget. Wrecking crews were dispatched to the scene from Milwaukee and Fond du Lac and traffic was delayed for about eight hours.

Anton Werner, 77, died at his home in the Town of Wayne last Sunday morning after a lingering illness. The deceased was one of the oldest pioneers of the Town of Wayne.

Mrs. Anna Christina Jung, 66, died on February 9, 1912.

Mrs. Franziska Becker, nee Baumgartner, wife of August Becker, died at her home in the Town of Wayne on February 12, 1912, at the age of 68 years.

A little girl arrived at the

home of Mr. and Mrs. William Pamperin of Kohlsville last Thursday. A daughter was born to Mr. and Mrs. Frank Bowen of Dundee. A baby boy came to brighten the home of Mr. and Mrs. Steve Bradley of Boltonville. A baby girl was also born to Mr. and Mrs. Jacob Kudeck of Wayne on February 12.

What is FFA Judging?

You may have asked yourself that question when you see the results of judging contests in the paper. Judging is a way for members of FFA to show themselves as well as others what they are capable of learning, then making decisions to see if they are correct in the eyes of a specialist.

Let's start out with the judge. The judge is just a specialist, or professional in a certain area. He or she makes a decision on a group of items, and explains why, after the contest concludes. For instance, in a dairy cattle contest, a group of four dairy cattle are paraded around a showing in front of the judging contestants. The contestants, who are also usually called judges, rank the cattle in sequential order according to their strong points, this is where the practice and decision making procedures come into play. After the contestants turn in their prediction on what animal they thought was best, down to the worst, and the reasons WHY they feel this way, the judge gives his reasons why he placed them the way he did. Then gives you points for being accurate or close. The closer you are to his reasons the more points you will accumulate and thus, the placing you and the others in your team will rate in accordance with the others in the contest.

There are many contests for judging that may be attended in our area. There is the Hartford-Slinger Dairy judging contest, MPTI technical judging contest, various county sponsored contests, Fox Valley Tech. Institute Contest - this is the preliminary judging contest used for qualifying for state competition, and the State contest in Madison which determines the best team in the state in a particular area. The final contest is on the national level every year in Kansas City, MO at the annual FFA convention.

Some of the contest areas include meats, where contestants analyze and judge cuts of meat and dairy products, contestants in this area taste tainted flavors of dairy products and try to identify the off-flavor. Other contest areas are meat animals (beef, swine and sheep), crops, ag mechanics, poultry / eggs, floriculture, nursery/landscape, forestry, food science, environmental awareness and many, many more.

As you can see, FFA judging has much to offer to its members and they take advantage of it. The sense of accomplishment and pride make judging such a great way to learn and have fun at the same time.

A newlywed couple can't expect the first few meals to be perfect. After all, it takes time to find the right restaurant.

County to Offer Farm Tractor Safety Course

Phone 338-4478, 644-5204, or 342-2929.

Accidents cause more deaths to persons between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most of the accidents happen when the operator does not know to operate the tractor or machine correctly or is unaware of the dangers involved.

To help reduce accidents, a farm tractor safety course has been started. A federal law says that no youth between 14 and 16 years of age may be hired to operate a tractor on a farm unless he has taken the safety course.

A tractor safety course will be conducted by the High School Vocational Agricultural Department and University of Wisconsin Extension in Washington County. It will be on 4 consecutive Saturdays beginning March 21 to April 11, from 9:00 a.m. - 3:00 p.m. It will be held on Saturday, March 21 and 28 at Kewaskum High School. The April 4 session will be held at the Slinger High School and the April 11 session at the Addison Town Hall in Allenton. Youth must attend all four sessions. It is open especially to youth who will be 14 and not over 16 years of age by June. However, if there is room, other youth will be accepted. The federal law requiring the safety course does not apply to youth who will be working on their own farm. However, the safety course would be a good thing to enroll in even if a youth does not plan to work for others.

The course includes instructions on understanding how to operate a tractor, with the emphasis on safety. To complete the course, a member must attend four sessions and then pass a written and a driving exam.

You may get details and information on registration from your High School Vocational Agriculture Instructor or from the University of Wisconsin Extension Office in West Bend.

Sanfilippo Attends State Program of Judicial Education

Jon W. Sanfilippo, Clerk of Circuit Court for Washington County, recently attended the Supreme Court Clerk of Circuit Court Institute held in Wausau, on Jan. 21-23.

The program was presented by the Wisconsin Supreme Court office of Judicial Education and included presentations on "OWI Developments," "Small Claims & Garnishments," "Child Support," "Dealing With Problem Employees" and "Personnel Management and the Law." Other topics in the program included updates on court operations, record management and recent legislation; guardian ad litem cost and court automation survey results; and form and procedure updates on sentencing guidelines reporting and warrants for delinquent

unemployment taxes. The agenda also provided opportunities for the participants to voice individual concerns and ask specific questions during panel discussions, question/answer sessions and small group discussion sessions which occurred throughout the program.

Minutes of Village Board Meeting

The Village Board of Kewaskum, Washington County, Wisconsin met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. Trustee Members Howard Laubenstein and Richard Schlice asked to be excused and were absent. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Richard Schmidt, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the minutes of January 19, 1987.

President David E. Nigh commended Police Chief Donald Hlavaty on the 1986 Activity Report.

Administrator Daniel S. Schmidt reviewed the Building Permit Report for 1986 with the Board. The end result was an increase in permits issued in 1986 with the numbers as follows:

1986 - 79 permits issued
1985 - 63 permits issued
1984 - 83 permits issued
1983 - 70 permits issued

Administrator Daniel S. Schmidt reviewed some correspondence with the Board and some general information as follows:

1. Updated year-end Budget Control Sheet for December 31, 1986.

2. Sewage Utility Department Budget Control Sheet for December 31, 1986.

3. Water Utility Department Budget Control Sheet for December 31, 1986.

4. Request for a volunteer to serve on Area Municipalities Incineration Committee. Trustee Mary Krueger volunteered with Trustee Paul Blumer indicating he would serve as an alternate for the Village.

On a motion by Trustee Paul Blumer, seconded by Trustee Richard Schmidt, and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General Fund	\$658,782.65
Sewage Fund	65,864.19
Water Fund	38,009.77
TID Fund	1,063.00
TOTAL	\$763,719.61

General Fund - Voucher #6652 thru #6790
Sewage Fund - Voucher #4438 thru #4444
Water Fund - Voucher #4989 thru #4998
TID #1 - Voucher #241

Trustee Mary Krueger, the Administrative Committee Chairman, informed the Board that Representative John Merk is proposing legislation to prohibit voter registration the day of elections. It was the consensus of the Board that a resolution should be drafted opposing such action.

Trustee Mary Krueger also informed the Board that our 1987 insurance premium increased 18% or \$7,090.00.

Trustee Howard Laubenstein, Chairman of the Protection and Public Safety Committee, was not present, but asked the Administrator to inform the Board he did not feel any action

should be taken at this time regarding the one alley request and street sign placement at a couple of intersections. The Board concurred and took no action.

Trustee Richard Schmidt, the Library Board Representative, informed the Board that 487 library cards have been issued to date. He also reviewed a few other items discussed at the Library Board meeting of February 2, 1987.

The Board held a detailed discussion on the sidewalk extension program, reviewing specific problems on some streets and looking at doing the bulk of the work in two projects in 1987 and holding a third project which involved more engineering and other types of construction for 1988.

One question was asked of the Village Board in pertaining to the mobile home park located in the Town of Kewaskum as presented to the Village Attorney and Administrator by the mobile home owner's association's attorney. Question: Would the Village be agreeable to accepting the sanitary sewage by means of a contractual agreement or do they prefer as stated earlier that a sanitary sewer district must be formed? The consensus of the Board was to hold firm with a sanitary sewer district.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the street permit for the installation of US Sprint's cable in the railroad right-of-way.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Paul Blumer to adjourn to closed session under Chapter 19.85 (1) (c) and 19.85 (1) (e) of the Statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction (clarification on benefit program) and to deliberate and negotiate the purchase and disposition of public lands (Kewaskum Industrial Park). Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent." The motion was carried by the majority.

Daniel S. Schmidt
Administrator

NOTE: The drawing for ballot positions for the Spring Election was held at 7:55 p.m. prior to the regular meeting of the Village Board. The results of the drawing are as follows:

Village President - 1. Paul E. Blumer, 2. Thomas McElhatton.

Village Trustee - 1. Mary L. Krueger, 2. Richard Schlice, 3. Charles M. Boegel, 4. Kenneth Bonlender.

IN MEMORY

In loving memory of REUBEN MARTIN who passed away one year ago, Feb. 16, 1986:

God stood that morn beside your bed
These are the words He must have said:
"You have suffered more than you can stand.
Come with Me - just take My hand."

It broke our hearts to lose you,
But you did not go alone,
For part of us went with you,
The day God called you home.

Sadly missed by his wife and family.

IN MEMORY

In loving memory of my husband, our father and grandfather, MARVIN KIRCHNER, who passed away five years ago, Feb. 11, 1982:

Those we love go out of sight,
But never out of mind;
They are cherished in the hearts,
Of those they left behind.

The happy hours we once enjoyed,
How sweet the memory still;
But death has left a loneliness,
The world can never fill.

Sadly missed by the family.

IN MEMORY

In loving memory of Clarence Prost who passed away on Feb. 19, 1980 and Louise Prost who passed away on Jan. 18, 1982:

Though many years have gone
Since you were here on earth
We have not forgotten you.
For loving memories kept in our hearts,
Grow dearer with each passing year.

Deeply missed by
The Ron Stange Family

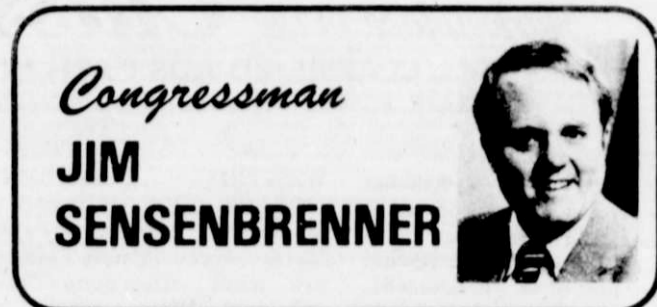

IN MEMORY

In loving memory of my husband, our father, father-in-law and grandfather, LESTER KOHN, who passed away three years ago, Feb. 17, 1984:

Our thoughts are ever with you,
Though you have passed away,
And those who loved you dearly,
Are thinking of you today.

Sadly missed by the family.

The ancient Persians believed a dog protected the just even after death and escorted their souls across the bridge that leads to Paradise.

Congress Gets Pay Raise Due to Legislative Slight of Hand

(Washington, D.C.) - "No gimmicks.....Just get every annual appropriation and every source of revenue out on the table and see if they match! That is what Speaker Wright promised the American people in his response to the President's State of the Union message. But what did the taxpayers actually get from the Speaker in his first opportunity to fulfill that promise? They got gimmickry and under the table legislative slight of hand. The taxpayers got their pockets picked. Not since the days of Lyndon Johnson has such skill been exercised," said REP. F. JAMES SENSENBRENNER, JR. (WI-9).

"By holding the pay raise vote off until today, the House of Representatives was denied the timely opportunity to have an up or down vote on this matter. Through the Speaker's parliamentary trickery, it will appear that the pay increase was rejected. However, it is likely Congress will receive its pay hike. This was intentional misleading of the American public by the Speaker of the House Jim Wright and his Democratic cronies," Sensenbrenner continued.

On a voice vote, the House Democratic Leadership arranged yesterday to delay a vote on a pay raise for itself and other top federal officials until today. The raises had to be rejected by both chambers before midnight, February 4 or the pay would be automatically increased. As a result Senators and Representatives received an automatic 15.6% increase, raising their pay to \$89,500.

Instead, the House of Representatives on a voice today disapproved the pay raise which the Leadership allowed to go into effect yesterday. Sensenbrenner voted against the pay raise. The fifth term Congressman has never voted for a pay raise during his tenure in office.

The main question left unanswered is whether the

resolution disapproving the pay raise is legal since its passage will come after the deadline for blocking the raise.

Sensenbrenner said, "Speaker Wright and the Democratic Leadership had the whole month of January to schedule a vote on the pay raise when it would have meant something. Instead, they have set the stage for the federal judiciary to decide whether the procedure for raising pay is constitutional and these same judges get a raise in this pay raise package."

Sensenbrenner concluded, "Should the Court find the House's vote to rescind the pay increase unconstitutional and the pay raise goes into effect, I will work to find other legislative means to rescind the pay raise. However, the House Leadership has used every parliamentary procedure to prevent a vote on this issue thus far. I highly doubt they will allow any votes on this matter in the future.

Whether we win or lose this time, I will be a part of every effort to change the pay level procedure and to make each Member of Congress accountable."

FITNESS FIRM CLASSES CLASSES TO BEGIN FEB. 23

Falls Holds off Lakes Team

By Bob Pick II

Bob Wolf made two free throws with 22 seconds left to help the Menomonee Falls Badgers edge Kewaskum, 135-129, in a Land O' Lakes basketball game Sunday night.

Falls was up 132-129, when Dale Magedanz made one free throw with 32 seconds remaining. After a missed Kewaskum shot, Wolf connected two throws to provide the final margin of victory for the Badgers.

Menomonee Falls managed to draw its fair share of fouls, as Kewaskum was whistled for 25 in the game, including five personals on each of three players. On the other hand, the Badgers committed 16 personals, with two individuals chalking up five fouls apiece.

The end result was a parade of players to the free-throw line, where the two teams combined for 48 attempts. Kewaskum converted 13 of 18 tries (72 percent), while Menomonee Falls hit on 19 of 30 (for 63 percent).

A large number of Badger baskets came on timely steals via quick defensive hands and a half-court trap.

"They have a good combination of size and quickness," Kewaskum boss Bill Backhaus said of the Badgers. "Plus when you've got a player like Wolf in the lineup, that makes a big difference."

Wolf and Bill Gardner were two Falls players to each score 34 points. Forward Jim Gardner

and Guard Jim Roehle added 28 and 26 for the Badgers.

Kewaskum was led by forward Steve Albinger with 37 points, followed by Leon Laatsch with 36 and Tim Wagner 30.

After facing Kewaskum, Menomonee Falls Badgers (5-2) biggest game to date comes up this Sunday evening when it travels across town to battle the first-place Falls Hebringer Hotel bunch (7-1). Also this Sunday, Kewaskum journeys to Waukesha county and Oconomowoc Senior High School for a 7 p.m. date with the Oconomowoc Lakers.

America's Sport

By Jim Dressel

FOR AWHILE, THE DALLAS Cowboys were "America's Team." Then the Chicago Bears inherited the title, though coach Mike Ditka preferred calling his club "The Grabowskis" of the NFL. Who knows just which team has inherited the mantle this year, and which ethnic group they most closely resemble?

However, there is no denying that Niagara Falls will be hosting "America's Sport" starting this February. Yes, bowling hits the town that made honeymoons famous on February 14th, and will stay there until May 23rd. The show is called the American Bowling Congress Tournament; this year marks the 84th edition and the International Convention Center hosts all the action.

Stop in at the aforementioned Convention Center and you'll see the heartland of America at play. You'll also hear them and their shouts of glee, groans of disappointment and countless other utterances at various points between those extremes.

You see, it is the National Championship of amateur bowling, and no other national sports event compares to it in terms of the sheer press of numbers the ABC Tournament attracts.

The 1987 edition, for example, will attract over 38,000 bowlers of a wide range of talent, shapes and dispositions, who will take aim at a record purse of some \$1.5 million. Most of the bowlers will have slim or no chance of getting a check.

Not that they care. For many, this is an annual pilgrimage that transcends the mere winning or losing. In this tournament, you see, every bowler is a star.

Andy Warhol said we each have fifteen minutes of fame coming to us. The bowlers who compete in the Niagara Falls bowling arena are in the spotlight for maybe six hours.

If you were a baseball fan, imagine taking a few swipes at a Dwight Gooden fastball. It's not whether you hit the ball or not that matters. It's that you had the opportunity to do so.

That's what this tournament means to the nation's bowlers. And then they get to do it all over again next year.

The women put on an equally impressive show. Theirs starts on April 2, and runs through June 1. It's the 68th Women's International Bowling Tournament and the action shuttles back and forth between Vernon Lanes and Bloomfield Bowl in Hartford, Conn.

If you're in either area during the dates mentioned, you should stop by. When you do, you'll realize what this game called bowling is all about, what makes it so popular and why. Once you take it up, you just can't give it up without giving up a major part of your life.

Between 1882 and 1887, Hugh L. Daly was a pitcher for several major league baseball teams. He won seventy four games, including a no-hitter. He had only one arm.

Indian Wrestlers Win Four Championships; Kiel Wins Title

by Rich Straub

Four wrestling championships helped Kewaskum to a fourth place finish at the Eastern Wisconsin conference Tournament last Saturday.

Kiel won the tournament with 141 points, having two first place and four second place winners. Two Rivers finished second with 116 points, and Plymouth edged out Kewaskum by three points to finish third with 104 points.

With just seven wrestlers competing, Kewaskum did well to finish fourth with 101 points. The Indians were without Doug Mueller at 98 pounds who would have been seeded second and could have moved the team into a third or second place finish.

Three sophomores won titles for Kewaskum. Bob Castro (14-5) was the first at 105 pounds. Castro, runner-up last year at 105, advanced through the first round with a bye. In the semifinals, Castro pinned Rob Provenches of Plymouth in 1:27. In the finals, Castro defeated senior Ken Shilcox of Two Rivers by a score of 12-6.

Chris Charland (126) came up with a quick 58 second pin in the semis over Ron Brown of Sheboygan Falls after drawing a bye in the first round. Charland

was up against Stewart Anhalt of Chilton in finals. Anhalt defeated Charland 4-0 earlier this year. After a quick pep talk, the match was all Charland, winning with a 7-0 decision.

Senior Rich Straub (21-1, second last year at 126) picked up his third tournament title of the season at 138 pounds. Straub pinned Shad Tampas of Sheboygan Falls in the quarter finals in 3:28. In the semis he beat Brad Backhaus of Plymouth 6-2. Straub avenged his only loss of the season by defeating Jeff Binversic of Kiel with 12-3 major decision for the championship. Earlier in the year, Straub dropped a 10-2 decision to Binversic in a dual meet at Kiel.

Heavy weight Dennis Aupperle (20-2) drew a bye in the first round. Then in the semis, he pinned Randy Riemer of Chilton in 5:01. In the finals, Aupperle was up against Jim Tikolsky of New Holstein for their third match up of the season. Aupperle defeated Tikolsky at the Wayne Invite for the championship 14-2, and 6-0 in the dual match up. This time Aupperle found it a bit more difficult but came out victorious with a 7-4 decision.

Kewaskum got a third place finish from Steve Kapp at 119. Kapp defeated Ben Dickman of

Sheboygan Falls 6-0 for the third place finish. Freshman, Dan Heisdorf (12-8-1) finished fourth at 132 and Andy Degnitz was 5th at 155. Kewaskum will be at the Columbus Regional on Saturday.

Indian Girls Overwhelm Kiel; Lose to New Holstein

By Michele Wiedmeyer

In an impressive show last Thursday night, the Indian girls basketball team defeated the Kiel Raiders by a wide margin, 69-28.

The entire game was dominated by Kewaskum, who jumped to a 10-0 lead early in the first period. The gap widened in the second quarter, due to the efforts of senior Jenny Hintz, who scored 12 of her career high 19 points in that quarter. Hintz hit eight of nine field goals and helped boost the Indians shooting percent to 53.

Also helping along the Indians scoring drive were Brenda Vetter and Brenda Theusch, each with 12 points. These two guards also chipped in half of the team's thirty-two assists with eight apiece. Theusch leads the conference standings in assists.

Defensively, Jenny Schneider, who leads the conference in steals, came up with five more, while Jenny Hintz and Brenda Theusch each had four. Pam Osterbrink and Debbie Felix led in rebounds with six apiece.

The JV girls won also, 37-31. Leading in scoring for the team were Debbie Donath with 10 points and Tisha Roher with six. Roher also led in rebounds, pulling down nine.

The freshman girls went down to the Raiders, 25-32, although Coach Notham said it was a good effort by all.

In action Tuesday night at New Holstein, the girls lost to the Huskies, 47-59.

The girls played well in the first half of play, trailing by a single basket after two quarters of action, 24-26. But the Huskies came out strong in the second half, led by Dee Dee Rose who topped both teams in scoring with 23 points.

Jenny Hintz again led the Indians in scoring with 13 points, followed by Brenda Vetter with nine and Brenda Theusch with seven. Theusch also contributed seven assists.

Jenny Schneider led the team defensively with four steals, and doing a nice job on the boards were Jenny Hintz and Debbie Felix with ten and seven rebounds, respectively.

The varsity record now stands at 4-5 conference 6-10 overall.

The JV girls lost their match with a score of 35-58. High scorers were Anne - Marie Horner and Debbie Donath with eight points each. Missy Heisdorf came up with four steals. They stand at 5-4 conference and 7-9 overall.

The freshmen went down to the Huskies also, 18-28, and now are 2-6 conference, 2-9 overall.

Indians Clobbered by New Holstein

KEWASKUM FROSH 48
 NEW HOLSTEIN FROSH 60

The Kewaskum Indians traveled to New Holstein for a conference boys basketball game Friday against the New Holstein Huskies. What they found was a one man wrecking machine as the Huskies Don Flynn scored 21 of his game high 23 points in the first half. Flynn, New Holsteins leading scorer, hit on 10 of 13 shots in the first half to help give the Huskies a 19 point half-time lead. Kewaskum playing many Juniors and one sophomore were able to play even at times with the more experienced Huskies, but were not able to maintain their level of play for long periods of time.

Dave Harju and Noel Stollenwerk led the Indians in scoring with 13 and 12 points respectively. Harju was a perfect 6 for 6 from the field while Stollenwerk connected on 6 of 9. Sophomore Randy Krell making his first Varsity appearance also played well and was able to hold his own. Tuesday, Feb. 10 the Indians will host West Bend West and on Friday will host Chilton.

The Junior Varsity team did not play one of its better games as New Holstein was in control the entire game. Coach Dale Schaatz felt his team was sluggish and never really got into the game. Although no players scored in double figures Freshman Steve Gerhartz making his first appearance at the JV level played well scoring 6 points and getting several rebounds. Record 4-6 conf., 6-9 overall.

The Frosh also went down to defeat to the Huskies by a score of 60-48. Coach John Chevonick felt his team played well at times and nearly pulled the game out near the end of the fourth quarter. Coach Chevonick reported that with 2 minutes remaining and Kewaskum trailing by 6 points the Indians missed a lay-up, stole the ball twice, but could not score on any of these opportunities, despite the fact that they got several offensive rebounds on the missed shots. Leading scorers were Rich Radtke 16, Brian Leitheiser 13, Mike Ruplinger 10.
