Committee to Pass on Repair Recommendations

By GERRY MUELLER Statesman Staff Writer

At the March 9th, Kewaskum School Board meeting, the Finance - Transportation -Buildngs and Grounds Committee will make several recommendations concerning repairs at some of the district schools.

Two projects, the replacement of the Kewaskum Elementary School water softener and replacement of hall lights at the high school, are from the State Trust Fund Priority List and are slated to be done with money remaining in the Fund 40 account.

As requested at last month's committee meeting, Buildings Superintendent Fred Boehlke returned with bids on the KES water softener which include the cost of an aqua - sensor that will recycle the softener by usage rather than on a pre-set schedule by a timer.

Boehlke told the committee that while there would be a savings on salt use, the sensor would cut down on the wear aspect. "What concerns me more." said Boehlke, "is running too much water through the unit if it is not needed and you wear out the expensive pellets in these

The committee voted to recommend the board approve the low bid of \$1,010. from Frank Krueger Plumbing. Soft Corporation submitted a bid of \$1,144, and Cullligan \$1.284.

The Committee will also recommend the purchase of 65 new fixtures and 10 spare lens from Waukesha Wholesale Electric at a total cost of \$1,800.15, to convert hall lights at the high school. Waukesha submitted the per fixture low bid of \$26.31, Moe Northern \$28.27, and Honold & LaPage \$30.70. Money for this project

would also come from fund 40.

The committee inspected one fixture which had been installed on a trial basis to determine whether the unit would provide a sufficient improvement and be easily installed by maintenance employes. Boehlke told the committee the new unit contains a smaller wattage bulb but provides double the lighting capacity of the present fixtures.

After a short discussion, the committee agreed recommend the board approve the installation of an acoustical ceiling in the high school Home Ec room. At a previous meeting, the committee had inspected the room and decided it had a definite noise problem.

The group voted to recommend the low bid of \$1,495, from Verhalen, Inc. Bunkelman Builders submitted a bid of \$1,953.39, and Heberer Brothers Construction \$2,085. Committee Chairman Ron Theusch asked Boehlke where the money would come from to do this work. He noted he had money left in this year's budget which was supposed to be used for fuel tank tests and work. Boehlke said that work has been delayed at least one, possibly two years, so that money could be used for the ceiling in-

The committee also discussed carpet replacement at the Middle School. In total, Boehlke listed thirteen areas throughout the building, containing 22,636 square feet of area which are targeted for replacement.

He noted four areas, in particular, which he felt were in very bad condition and should definitely be replaced. They included the south and north entrances, main open area, and band room, which would consist of approximately 20,000 square

Boehlke and District Administrator Penny Kleinhans

noted they were simply seeking input from the committee as to what it felt should be undertaken. Committee member Jerry Couch asked, "are we just recommending you put it in the budget?" "Yes," said Kleinhans, "We're building the budget right now." Theusch stated, "I'm inclined to take your word for it and say fine, go ahead, but I don't want to approve something now and find out there's some other big item later. I guess my biggest question at this point is, do we consider the Maintenance Budget open-ended." Kleinhans said "no, we're shooting for the same as last year or

committee on the water problems at the high school. His report stated that treatment by the Alliance Group is reducing the scaling problem, resulting in lowering the stack temperatures and improving efficiency.

The report also noted three items which need to be corrected. They include lowering of a fresh water make-up valve on the north boiler which is overfilling the north boiler causing excessive pipe wear, installation of vacuum breakers on the steam heating coils to eliminate vacuums which cause the coils to twist and break, and the future installation of an auxiliary storage tank to retrieve condensation so it may be reused.

Boehlke indicated he had already begun to make the snowmobiles. They also donate corrections. He also informed a \$5,000.00 machine that is the committee he had located a company which will repair the broken steam coils. This will

Howes Raise \$2,264.50 In Pledges During Multiple Sclerosis '500' Run

Linda and Milton Howe

The weekend of Feb. 5-8 was the date of the 1987 Multiple Sclerosis "500" run. The event was again enjoyed by Milton Boehlke also updated the and Linda Howe, members of the Boltonville Bunch Snowmobile Club. Linda's pledge total was \$1,602.00 and Milton \$662.50 for a total of \$2,264.50. Last year the group total was \$80,000. This year, with about 170 snowmobilers, the group total became \$137,000.00 plus.

> Snowmobilers participate in this event for "sweet charity" but it does have personal advantages. It is an ideal winter vacation with a chance to win BIG prizes. The top pledger receives a 1988 Polaris snowmobile valued at \$5,000.00. Anyone over \$1,500.00 in pledges receives an entire 1988 Polaris snowmobile outfit - suit, helmet, boots and gloves. Linda will receive this prize this year. The event is sponsored by R. L. Ryerson, distributor of Polaris given away at the banquet Saturday night as a door prize. They also furnish top mechanics for the riders in case of breakdowns of machines along the

another sponsor. This year all but 10 rooms were filled with the M.S. "500" riders. They also gave door prizes at the banquet of week-end package deals. The Howe's did not win any of the door prizes.

The first day their group was first out. There were 27 machines in the group. 6 groups participated. The trails were again picked out by the trail master Coley Findley of Boulder Junction. He has ridden a snowmobile over the past several years, 131,000 miles plus. One of the "Big" events on the first day was riding on the Turtle Lake Flowage. This is a chain of lakes and many miles were done in short order. Total ride of the day was 130 miles. The second day had them on the top of Porcupine Moutain and Lake of the Clouds in Michigan. Just beautiful!! Total miles of the second day,

They needed pledges of \$500.00 per person to go. This gave them 3 nights lodging at the Holiday Inn in Hurley, and meals from breakfast Friday through breakfast Sunday. Breakfast and supper were eaten at the Holiday Inn. Lunch

Attend Jaycees M-Night

Bored on weekends, nothing to do during the week, need to get out of the house? Attend Kewaskum Jaycee's M-Night on March 2, at 8:00 p.m. in the basement of the Savings and Loan Building.

Jaycees are active in community events, such as Youth Softball. Last year alone over 100 children were involved. They are also active in Cystic Fibrosis, Bike-A-Thon, and activities during Dairy Daze, plus many many more. Besides community involvement, Jaycees - offers an

opportunity for self growth, leadership and personal development opportunity, for each individual. Anyone, man or woman, between 18 and 35 years of age who is interested in seeing what the JC's is all about or have new ideas to share, attend the March 2nd meeting. Our meetings are fun with a chance to meet other interesting young people.

Anyone interested or needing more information call President Linda Gavin at 626-2209. Hope to see you there.

Draw Ballot Positions for School **Board Election**

By GERRY MUELLER Statesman Staff Writer

The order in which candidates for the Kewaskum School Board General Election will appear on the April ballot was determined this week. The sequence is as follows: #1 Ronald Beimborn, #2 Jean Goeden, #3 Robert Schulteis, #4 Ruth Schmitt, #5 John Spoerl, and #6 Donald Nowak.

14 Graduate Early From Kewaskum High School

The class of 1987 at Kewaskum High School has 14 midterm graduates. To be eligible for early graduation, these seniors had to have 21 credits by the end of the first semester. Another requirement for early graudation is a letter each student must write to the administration requesting permission for graduation.

The early graduates are as

Michael Beck, Julaine Beisbier, Shawn Breit, Vicki Castro, Lisa Dinesen, Sandy Gau, Kristine Klahn, Terri Megonigle, Joe Moriwaki, Jeffrey Mueller, Karrie Nordby, Kelly Padden, Tonya Reseburg, and Nickola Schultz.

Two KHS Teachers, Principal Attend Special Needs Conference

English teacher, Denise Leong, math teacher, Claire Flierl and high school principal, LeRoy Kopecky were among 450 participants from about 350 schools who attended the fourth annual Job Training/-Special Needs Conference in Madison, February 18 and 19.

According to the KHS group attending, the conference sponsored by the Department of Public Instruction, focused on working with special needs learners - those youth who are at risk of dropping out of school. Emphasis was placed on employer's concerns when considering youthful job applicants. "Presentations were organized around the theme: Can You Read?, Have You Been Employed? and Did You Graduate From High School?" Kopecky said.

Featured speakers at the conference included State Superintendent Herbert J. Grover, who addressed the state's perspective in services to at-risk youth: Erik Butler, nationally known author and lecturer from Brandel's University, Waltham, Mass., who presented strategies for working with special needs learners, and Mel Howard, acting director of Region V. of the U.S. Department of Labor, who spoke on the nation's challenge to serve at-risk youth.

Lynn Harens, developer and demonstrator of Content Reading in Secondary School (CRISS) from Kalispell, Montana; Nancy Hoth of Kankaura and Candie Lehto of Shawano, both certified CRISS trainers, and Dick Tepp, vocational education

Jaycees to Have Movies for Children

Once again the Kewaskum Jaycees will be showing movies for the children. This year's film will be a Walt Disney film. Along with the movie will be three feature cartoons.

The movie will be shown at the Labor Center Hall, Kewas-kum, on Friday, Feb. 27 at 6:30, Saturday, Feb. 28 at 1:00 and Sunday March 1 at 1:00. The cost is \$1.00 and all profits go to community projects. Call 626-2481 for the name of the film.

coordinator in Seymour, were also presentors at the conference.

During the conference, the KHS group learned that although the dropout rate in Wisconsin had declined steadily for the last seven years, nearly 10,000 students will still drop out of school this year. "Reaching these students before they drop out of school is important." said Kopecky. School drop-outs cost us dearly in social welfare and criminal justice dollars as well as in unfilfilled dreams." "This conference will help us to enhance our own At Risk program at KHS for 87-88, Kopecky said.

save the district approximately \$3,000 a year in replacement coils. The old coils can be repaired at a cost of \$150 - 200, as compared to \$900 for the purchase of a new one.

Assistant High School Principal Roy Esser reported to the committee on the status of updating and correcting parochial school districts boundaries in reference to Kewaskum providing bus transportation.

Esser said he did not think the situation was perfect, but it is a lot better than it was. After talking with principals of the various parochial school districts, they said they would rather have boundaries defined because it would also help them determine not only who was in their district but whether or not non-resident tuitions should be charged.

"The principals have been very cooperative" said Kleinhans, "and I feel we've got a good handle on it now except for about three cases which need to be straightened out."

Kleinhans said the committee did not have to take any action other than to review Esser's report and maps. She said if the committee had no objection, the item would be placed on the March 9th School Board agenda.

The committee then scheduled its next meeting for Monday, March 30th, and adjourned.

The Howes were with the 'yellow' group. Each group had a different color scarf. During the course of the two days, games were played - trivia, darts, nuts and bolts, and bingo. They also had to do something as a group to use their yellow scarves. On Friday night after the first day of riding they were in third place. At the banquet on Saturday the team came in first place. They all received a medal on red, white, and blue ribbon to go around their necks, and a helium balloon "for the kid in them." It was bingo that put them in

Sound like your kind of fun? Contact the Wisconsin National Multiple Sclerosis office 1-800-242-3358 and get on next year's mailing list. There is no other snowmobile event in Wisconsin like this. You may also contact Milton or Linda Howe, 8527 Orchard Valley Rd., West Bend, 53095, phone 692-2285.

Linda has M.S. She was diagnosed 4 years ago. There were 2 people on the "500" run this year that have M.S. Linda was the only one until this year. Linda went 160 miles on the run this year. After staying up north with friends during the week she got up to 400 miles. Fatigue is a real problem at this point. Linda is on the Wisconsin National Multiple Sclerosis Board. One of her positions on the board is co-chairman of the Government Relations Committee. She is also very active in the Washington County M.S. Support Group. If anyone is interested please call Linda at 692-2285.

The Howes hope someone from the area will join them next year. How about you?

The fastest animal is the cheetah. The large cat has been clocked at seventy miles per hour.

ATTENTION: All Former Girl Scouts

All previous Girl Scouts and Leaders of Kewaskum: We are planning a reunion on May 17, 1987 at Amerahn Hall, at 1:00 p.m. It will be a part of our 75th Anniversary celebration. We will have a short program and court of awards and special presentations and a time to reminisce. We want everyone of all ages, so that we can fill the gap or spare of time from beginning Girl Scouts in Kewaskum until now.

Previous Girl Scouts of all ages, from all over, we need you to make this reunion a memorable time. If you have any pictures or information of Girl Scouting in the past from Kewaskum, call me 626-4001 or send it to Janet Panzer, CTC, 9485 Hwy. V, Kewaskum, WI 53040. All things should be marked so they may be mailed back.

Lori Fitzgerald will continue her role as Office Manager while Sandy Gunderson is retained as The Council's part time Preventionist. Ann Stoffel will continue to coordinate The Council's Community Education Program.

"Contrary to what has been said by President and Mrs. Reagan, drug referral, information and prevention programs are being cut - not increased. It was important that the Board assemble the strongest possible staff to provide information and intervention help to the community so that adults and youth don't have to avail themselves to our other services - drunk driving or operating under the influence assessments)." Maley said, "If you or someone you know needs help - call us.

Upon taking the position, Kohloff said, "The care and growth of persons is our purpose for existence. STAEHLER PLEDGES PHI DELTA THETA

Freshman Richard Staehler has recently pledged to Phi Delta Theta fraternity at Ripon College. He is the son of John and Karen Staehler, Route 1, 8639 Boltonville Road, Kewaskum.

Formal "rush" at the College takes place during the first week of the second semester. Six fraternities and three sororities, as well as one coed fraternity are active at Ripon. All but one of their facilities are owned and operated by the College and are integrated with other residence hall living and dining groups.

Christopher Ogle, assistant dean of students and director of housing at Ripon College, noted this semester's pledges represent a good cross-section of the student population. "This year we have seen a strong showing by the fraternity system in particular. There seems to be a growing trend among men on campus to join frats," said Ogle.

The College's enrollment numbers more than 800, more than half of whom are associated with a fraternity or sorority.

Amerling Fireman of the Year; Three Firemen Retire

The Kewaskum Fire Department's annual banquet for active members, retired (honorary) members and their wives or lady friends was held at Riverview Inn, Kewaskum,

ón Saturday, Feb. 14. An excellent catered dinner by Homeplate of Kewaskum was followed by a short program and presentation of awards. The evening was spent in dancing to the music of the Mountaineers and socializing.

Each year the department

presents a plaque to the "Fireman of the Year" selected for his special service to the department. This year's recipient was Ron Amerling.

Three firemen who retired during the past year were also honored with plaques for their long and honorable record of service with the department. They are Greg Rohlinger, Roger Strack and Rick Boden. Together they total 60 years of service with the department.

Ron Amerling [center] was presented with the "Firemen of the Year" award by Chief Don Ehnert [right] and a portfolio with his accomplishments by Dave Zehren, Assistant Chief, at the annual firemen's banquet held at Riverview Inn, Saturday, Feb. 14.

Dave Zehren and 1986 retired member Greg [Crickets] Rohlinger, Roger Strack and Rick Boden with Chief Ehnert, were presented plaques. The three retirees combined a total of 60 years of service to the department.

LETTERS TO THE EDITOR

LETTER TO THE EDITOR Kewaskum Statesman 250 Main Street, P.O. Box 98 Kewaskum, WI 53040

Dear Editor:

It was a great pleasure to visit Kewaskum and attend the President's Day celebration at Kewaskum High School. The fifth graders participating in the event were delightful and impressive in their knowledge. I learned a lot about U.S. presidents and thoroughly enjoyed the day.

I am grateful to Kewaskum Elementary School fifth grade teacher Mary Pearson and student Missy Radtke for inviting me to this wonderful celebration of important Americans. The parents should be proud of each of the 125 students who prepared reports from Kewaskum, Farmington, Wayne Elementary Schools.

Kewaskum is a fine community with outstanding schools. The Presidents' Day reception gave me the chance to meet many teachers, administrators, school board members, children, and the ballot box. parents. The pride I sensed is a real asset for the community and schools.

Congratulations on creating a very special event for children and adults.

> Sincerely, * Herbert J. Grover State Superintendent

To The Editor: **Beechwood Library Storytime**

We have received permission from the school board and administration of the Kewaskum School District to use the Beechwood Elementary School library for a Storytime Program. This program invites all preschool and young children from the Beechwood area and their families to experience the

This program will be held every Tuesday night from 7:00 p.m. till 8:30 p.m. Storytime will start promptly at 7:15 p.m. and will include story reading, pictures to color and many other

There is a nominal fee charged for the use of the building and this will be paid for by the Beechwood Concerned Citizens group - formerly the Beechwood P.T.O. This allows it to be a Free program for the people attending.

There are still a wide variety of books on the shelves for all ages. We encourage you to come and use these facilities and books. The Storytime Program will start on Tuesday, March 3rd.

If this is well supported we hope to also continue our Summer Reading Program for area children.

To the Electors of the Kewaskum School District:

I'd like to thank everyone who voted for me in the Primary Election Tuesday, Feb. 17.

I have, as one of my goals, an active, aware, and informed public. I will always be open to any and all inquiries. I'm a firm believer in the input of the public and you haven't a better opportunity to speak out than at

To: All Kewaskum School District Residents:

I wish to thank everyone for their kind support in the Primary Election. I am very happy to see that the voters of this district know that it is time

for a change. I feel confident that with your help, we can put an end to the hostility among the school board members. We need to concentrate on important educational and financial issues instead.

We may have "professionals" working for our school district, but I don't think they are all acting very professional. Professionals can work with people from all walks of life in an open and honest manner. Even when one member out of seven does not suit them, professionals are able to carry on with the education of children without going to count.

Professionals are able to take into consideration to direction given to them by the taxpayers of the school district. Let's all hope to see more professionalism demonstrated by our "professionals" in the future.

> Sincerely, Ruth A. Schmitt

To All Kewaskum School District Residents:

I'd like to thank everyone for their support in the primary.

If elected to the Kewaskum School Board in April, I would work with all School Board Members to achieve a common goal, an education for our children that they could use to become a vital part of our community and our country.

I would appreciate your vote in the April 7th election.

Respectfully Yours. Donald Nowak. Kewaskum School **Board Candidate**

Michelle Nigh of Kewaskum, seated at right, is one of six daughters who, with their mother, stitch together their memories of life on the American frontier. Sue Keyes of Cedarburg, standing at left, plays the mother. Standing with her, from left, are Nancy Riege of Cedarburg, Mary Beth Sancomb of West Bend and Sandra L. Cross of Cedarburg. Kneeling at left is Mary Lynne McNamara of West Bend (formerly of Kewaskum); seated, center, is Michele Lukovich of West Bend.

A cast of award - winning singers and veteran actresses has been named for "Quilters," the spring musical of UWWC's Theatre on the Hill.

In announcing his pick of seven performers for his firstever all-woman show, theatre director Brad Ford said, "This is the most-talented group I have ever worked with."

Included in the cast of the show, which goes on stage Feb. 27 and 28 and March 1, 6, 7 and 8, are three women from Cedarburg, three from West Bend and one from Kewaskum.

The Cedarburg women include Sandra L. Cross, winner of the 1985 Metropolitan Opera Southeast Wisconsin District auditions; and Nancy Riege, who won top honors in the graduate division of the National Association of Teachers of Singing competition. The pair are two of the six daughters in "Quilters," who work with their mother to stitch together a legacy quilt of memories.

Cross' most - recent performance was as Pamina in "The Magic Flute" with the Milwaukee Opera Company. She has sung with the Chamber Opera of Chicago, the Racine and Waukesha symphony orchestras and the American Institute of Musical Studies Orchestra.

Riege has been a soloist at the Kennedy Center and with the St. Paul Chamber Orchestra, Wausau Symphony and Central Wisconsin Orchestra and Chorale. She was seen last spring as Carolina in the UW-Milwaukee's opera production of "The Secret Marriage."

Sue Keyes of Cedarburg, attendance clerk at Cedarburg High School, is cast as the mother. She has performed with the Musical Masquers in 'Cocktails with Mimi,' and with Theatre on the Hill in 'Chicago,' 'Annie,' 'Candide,' and 'A Little Night Music.'

The West Bend women list 32

major productions to their credits.

Mary Lynne McNamara, who works in the personnel department at Amity, has been involved in 18 of Ford's 23 shows in both on-stage and backstage capacities. Her appearances include Miss Hannigan in "Annie," Mrs. Frank in "Dairy of Anne Frank," and Portia, a stepsister in "Cinderella."

Mary Beth Sancomb, an optician and the manager of Stein Optical in West Bend, has directed West Bend High Schools musicals for the last three years: "Fiddler on the Roof," "Broadway through the Years," and "The Apple Tree." Her Musical Masquers and Theatre on the Hill credits include "Man of LaMancha," "Barefoot in the Park," "Oliver," "The Real Inspector Hound," "The Importance of Being Earnest" and "Candide."

Sancomb and McNamara are also members of the vocal jazz group SRO (Standing Room Only) along with Jan Ford, musical director of the show.

Michele Lukovich of West Bend, a freshman at UWWC, has appeared in five musicals and won 11 first-place vocal awards in district and state high school music contests. At West Bend East, she had roles in "The Sound of Music," "Fiddler on the Roof," "Broadway through the Years" and "The Apple Tree."

Michelle Nigh of Kewaskum, a UWWC student, was in high school productions of "The Sound of Music," "Do You Remember?", "The Pajama Game," "South Pacific," Bye, Bye Birdie," and "Once Upon a mattress," where she had the lead role as Princess Winnifred. As a senior she received the "most-valuable" award for dramatics at Kewaskum and the "Critic's-Choice Award" at the state forensics meet for playing Martha in "The Children's Hour."

Regular admission for "Quilters" is \$5 for Friday and Saturday evening performances and \$4 for Sundays. All shows are at 7:30 p.m. A \$1.50 discount is available at all shows for persons age 62 or over and 18 or under.

Reservations can be made by calling 338-5208 or mailing a check and a stamped self-addressed envelope to: Ticket Office, UWWC, 400 University Drive, West Bend, WI 53095.

This village suffered but little damage compared to many other places in the state from the flood waters caused by the exceptionally heavy rain and thunder showers last Saturday night. Due to frozen fields and streams none of the water off the surface to the lower spots. Saturday's all night rain caused rivers and streams throughout this vicinity and state to overflow their banks and in many cities bad floods were reported causing many to be homeless. In Fond du Lac a large majority of the west portion of the city was under water, causing much damage and many families to evacuate their homes for higher ground. Rescuers were kept busy Creeks were swollen to overflowing and water ran over roads and tracks, causing washouts and train derailments. Some roads were closed for several days. In Kewaskum the Milwaukee River raised many feet and overflowed its banks and covered many fields. A number of basements in village buildings were filled with water. Employees at the L. Rosenheimer store were forced to work late Saturday evening and Sunday morning to bail water from the basement to protect their stock. Electric power was shut off for short intervals Saturday evening. Still local people were very fortunate, to say the least as the worst did not arrive here, as it did in the lower cities.

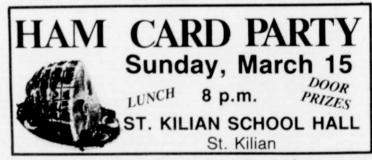

Mrs. John Krautkramer, 75, beloved mother of Ed Krautkramer of Kewaskum, passed away at the home of her son, George in Beechwood on February 20.

Mrs. Anna M. Flasch, 75, widow of Frank J. Flasch, native of St. Kilian, was called in death on February 20 at the home of her daughter, Mary in Milwaukee.

More than 430,000 FFA members will promote FFA, high school agriculture and the food and fiber industry during National FFA Week, February 21-28.

FFA members in 8,000 chapters across the U.S., the District of Columbia, Puerto Rico and the Virgin Islands will organize events and activities to create awareness of and support for high school agriculture and the FFA.

FFA activities and programs will be promoted by FFA members and through public service announcements on the local, state and national levels. This year's theme is "FFA — Leaders for the New Fields of Agriculture," with emphasis on "Excellence Made in the FFA."

High School agriculture classes stress hands-on practice in many diverse areas of agriculture, and FFA activities provide leadership development, communications training and award incentives for these young people.

Kevin Eblen, national FFA president from Creston, Iowa, said FFA Week is the chance for members and communities to recognize the achievements and activities available through FFA and high school agriculture.

"We're proud of this commitment to young people and agriculture. As FFA members, and students in agriculture classes, we are receiving the business, science and leadership skills we need to prepare for the diverse and challenging careers in agriculture," Eblen said.

Each year FFA Week is held during the week of George Washington's birthday to recognize his leaderhip and commitment to American agriculture. The National FFA Center is located on part of the old Washington estate near Alexandria, Virginia.

FFA Alumni Banquet Held

The FFA Alumni Banquet was held on Feb. 5, 1987 at the Glacier Inn. Fifty-one members and guests were present. A delicious stuffed pork chop and sirloin tip dinner was served.

Bill Butzlaff, President presided at the business meeting. Dave Rizzardi, Vice-President, gave the Prayer and reported on fund raisers, State activities and why it's important to pay our State dues, and all the different meetings and events that he attends and what members could attend. He also introduced FFA officers present, including Renee Kapp, President, Bill Butzlaff, Jr., Sentinal, and Steve Redig, Historian.

Bob Etta gave the secretary's report and Chuck Wilgenbusch gave the treasurer's report.

Lee Schaub, chairman for the Polka dance reported that the annual dance will be held Friday evening, March 13, at the Amerahn. The Polka Stars from Stevens Point will play. It's a first time for them in our area and if you have never heard them before, you are in for a real treat. Free cheese and crackers will be served, plus many door prizes will be given

Darlene Schaub reported on the picnic, for Bill Kober, who was absent. Judy Etta reported on the Fair raffle. The half-hog was won by Pam Oelhafen. The two \$50.00 Savings Bonds were won by Richard Wilkens and Julie Schulz. Many other prizes were also given. Roy Esser

FFA Week Observed by Local Chapter

In celebration of FFA Week, February 21-28, the Kewaskum Chapter, under the guidance of Dave Rizzardi, Vo-Ag Instructor, has an eight-page promotion in this week's issue.

The FFA officers along with the help of their Vo-Ag Instructor and other chapter representatives were instrumental in soliciting the ads, writing the news items and laying out of the eight pages. It was then brought to the Statesman office for typesetting, proofing and make-up.

FFA Week traditionally is

marked from the Saturday before George Washington's birthday (Feb. 22) to the following Saturday. Washington is honored for his significant contributions to American agriculture as well as his military and patriotic contributions.

Through their FFA experience, they will develop skills and knowledge to help them prepare for a career in agriculture. Their future in farming is our future as well.

We join the community in saluting the FFA during this, their special week.

The members of the Kewaskum FFA have a great deal to be proud of.

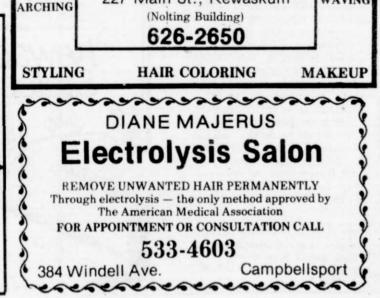

Please help support your high school's Vocational Agriculture - FFA program.

Despite the confusion over the effects of the Federal Income Tax Reform, you can still secure your retirement with an IRA at West Bend Savings and still enjoy tax advantages.

If you were a wage earner in 1986, you may open or add to your 1986 IRA until April 15, 1987 and take advantage of a tax deduction of up to \$2,000.

There are changes in the law concerning 1987 IRA's; however, IRA deductions will still be available to many taxpayers. There is a good chance you may be one of these taxpayers since a large number of people are not affected by the new law or are only partially affected. To determine if you are still eligible for a tax deduction on your IRA contribution, consult your individual tax advisor. After all, IRA's are still a good investment for retirement planning

For those not eligible to deduct 1987 IRA contributions, it can still be advantageous to contribute to a 1987 IRA. Taxes on any interest earned by your IRA will still be deferred until withdrawal. The tax-deferred status of any interest earned by your IRA provides a significant advantage over an investment whose interest is taxed every year.

Visit the nearest West Bend Savings office to open or add to your 1986 or 1987 IRA today.

School Children Have Visit from the Dentist

It is once again National Children's Dental Health Month and in keeping with tradition Dr. Connor and Dental Hygienist wife Carole visited Kewaskum Elementary School this past week.

The Connor's set up a mini dental office complete with dental chair and light to explain various dental procedures. Familiarity makes for a good dental patient.

Each class spent one-half hour with the dentist and all the students got a good look into one of their classmates mouths.

Dr. Connor pointed out where new teeth were coming in or where the child had a filling, along with other points of interest in the child's mouth. Mrs. Connor gave the children a good lesson in oral hygiene proper brushing and flossing habits as well as good nutrition

The children as well as the teachers enjoyed it when actual extracted teeth and retainers and fillings and false teeth were passed around. Most people only see these things when they own them.

At the end of their visit Dr. Connor gave each child a package filled with toothbrush, mouth mirror, gauze, cotton rolls, bib, disclosing tablets and tongue depressors as well as stickers and bookmarks with this years theme "SMILE AMERICA."

The Kewaskum Elementary P.T.O. wishes to thank Dr. and Mrs. Connor for spending the day to present this meaningful program to the youth of our school. All your time and effort is appreciated.

It's Olympics of the Mind Season Where Do Ideas Come From?

Friday, Feb. 27, 1987, Kewaskum Statesman, Page 13

Where do ideas come from? They come from thinking. Some people may call this "day dreaming." That's a good term for it, dreaming in the day time; being fully awake so that you can control your fantasies, yet in a dream world so that reality doesn't have to matter.

In the 20th Century Fox movie "Zorba the Greek," Anthony Quinn says to fellow actor, Alan Bates, "You have everything except one -Madness. A man needs a little madness or else he never cuts the string to be free." Good ideas often come from a little "madness." Never be afraid to dream the unusual. Reality will

impose itself soon enough. Enjoy the poetic license of fantasy whenever you can. However, it is daring to dream of the unusual which leads to new inventions, theories, philosophies, arts, and so on.

Announce Dates for KFIZ's 8th Annual Agri-Business Expo

KFIZ is proud to announce the 8th Annual Agri-Business Expo to be held March 6 and 7, 1987 at Sadoff Gymnasium, Marian College in Fond du Lac.

This annual event will be open to the public from 10 a.m. to 4 p.m. during both days of the Expo and admission is free.

Over 45 agri-business firms will represent, display and demonstrate their products and equipment pertinent to farming. Wisconsin farm leaders and political figures will be on hand to answer your questions regarding current issues. Door prize drawings will take place throughout the day.

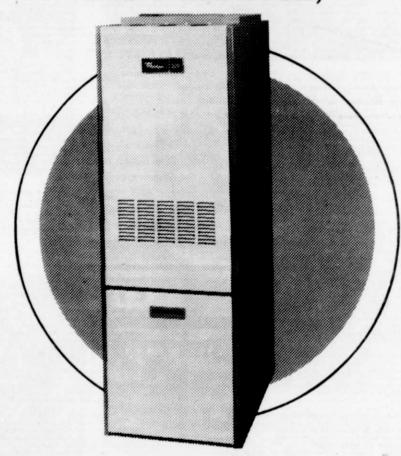

All visitors to the Expo will have the opportunity to enjoy bratwurst sandwiches prepared and served by the Fond du Lac County Pork Producers Association. In addition the Fond du Lac County Dairy Promotion Committee, which includes Farm Bureau, Farmers Union, Holstein Breeders, Holyland Dairy Promoters, and Morning Glory Farms - a division of AMPI will serve chips, hot fudge sundaes, white and chocolate milk, coffee and sweet rolls. Both organizations are handling this event as fund raisers for their specific group.

A continuing feature of the Expo this year is the presentation of seminars providing a variety of information relevant to the farmer. Topics under consideration include estate planning, tax reform, role of women in agriculture, use of computers on the farm and others.

Anyone engaged in Agri-Business is encouraged to attend.

For more information, contact Mike Casper, Vice President/-General Manager, KFIZ Radio (414) 921-3770.

WITH THE NEW WHIRLPOOL TIGHTFIST® II GAS FURNACE.

YOU GET WHAT YOU PAY FOR!

With all gas furnaces, part of the energy you pay for goes to heat your house, naturally. But part of it is also wasted out the vent pipe in your roof. In many cases, up to one-third of your energy dollars are wasted in this way. But with the new Whirlpool Tightfist* Il gas furnace*, up to 96% of the energy you pay for is actually used to heat your home! Only 4% is wasted.

That's real efficiency. And it can make a substantial difference in your fuel bill, too. So why pay for energy you're not getting the use of? Call today and let us help you lower your fuel bill!

New Drunk Driving Laws Go Into Effect March 1

Drivers who refuse the chemical test for intoxication after March 1 will lose their licenses for a year under drunk driving legislation signed Feb. 17 by Governor Tommy Thompson.

With the stiffer penalties for test refusals and other provisions going into effect March 1, Wisconsin will have drunk driving laws as tough as any state in the nation, according to the state Department of Transportation.

Jerry L. Hancock, DOT assistant legal counsel, said law enforcement agencies and courts will find the new law to be "tough, but effective," over the next few months.

Hancock assisted the statewide committee that submitted recommendations for improving Act 337, passed last summer in a special legislative session on the 21-year drinking age. "The new law definitely meets the committee's concerns," he added.

The major changes are:

* Implied consent refusal penalties are now substantially higher than the penalties for operating while intoxicated, thereby restoring the #incentive" to take the test. A first refusal will result in a 12-month revocation, with an occupational license not available for 30 days; the penalty for a second refusal is a two-year revocation with an occupational license available after 90 days. The third refusal results in a threeyear revocation with an occupational license withheld until after 120 days. "In all cases, the penalty for refusing the test is

separate from the penalties for the drunken driving conviction," Hancock said.

* The "aggravated drunk driving" provision, which made it a criminal offense to drive with a blood/alcohol concentration (BAC) of .20 percent or more, is repealed. It is replaced by a system in which judges must consider the BAC levels and will assess heavier penalties at higher levels.

* A first offense of operating while intoxicated results in a six-to-nine month driver license suspension instead of a 'sixmonth revocation. The mandacommunity service tory provision was made optional for judges in communities which wish to establish such a pro-

* Immediate judicial revocation for drivers arrested with a BAC level of .20 or more is eliminated. It will be replaced Jan. 1, 1988 by an administrative suspension for drivers with a BAC level of .10 percent or more.

Hancock said judges may require convicted drunk drivers to make restitution for property damage as part of their sentences. The law also increases the reinstatement fees for all revocations and suspensions to \$50, and raises the occupational license fee to

Minutes of Village **Board Meeting**

Mid-Monthly Meeting February 16, 1987 8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the minutes of the February 2, 1987, meeting was approved as printed.

Fire Chief, Donald Ehnert, reported that a letter was received from Ruekert & Mielke, Inc., the Village Engineers, in reference to the repair work to the Fire House. The plans, specs and bid documents are being processed and bidding will take place the second half of March.

Administrator Daniel S. Schmidt reported on tax collections and read the notice being published in the paper regarding the final date for payment in person, February 27, 1987. Final date for mailed payments, February 28, 1987. Half of tax and all of the special assessments are due. If mailed in, please enclose a stamped, self-addressed envelope for your receipt.

Administrator Daniel S. Schmidt reviewed correspondence with the Board and some general information.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, advised the Board a committee meeting is tentatively being planned for March 16, 1987.

Administrator Daniel S. Schmidt presented his recommendation for providing the 3 portable toilets at the parks for the summer of 1987, that being A-1 Service Company at a cost of \$50.00 for the first unit and \$45.00 for all units thereafter per month. On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board authorized the signing of the contract for portable toilet service from A-1 Service Company as recommended by the Administrator.

Trustee Howard Laubenstein. the Board Representative on the Plan Commission, informed the Board that there will not be a meeting February 24, 1987, due to the lack of business.

On a motion by Tri Richard Schmidt, seconded by Trustee Howard Laubenstein authorized to advertise for summer part-time employees for the Water Pollution Control Department and Department of Public Works in conjunction with the previously authorized summer employees.

On a motion by Trustee Paul Blumer, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board granted Mr. Fred Robertson a one-year extension on his Conditional Use Permit No. 84-CUP-01.

A brief discussion was held on the Capital Improvement Sidewalk Extension Program. The estimated footages and cost per project were reviewed.

Action was taken on Resolution No. 87-2 as attached

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schmidt to adjourn to closed session under Chapter 19.85(1)(e) of the Statutes to deliberate and negotiate the purchase and disposition of public lands (Kewaskum Industrial Park). Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously

RESOLUTION NO. 87-2 OPPOSING A CHANGE IN VOTER REGISTRATION

WHEREAS, The Village of Kewaskum does not agree with Representative John L. Merkt voter registration; and

Kewaskum's Clerk's Office, Election Workers and Voters have not experienced any of the six points noted by Representative Merkt; and

WHEREAS, a change in voter registration would-create additional work for smaller communities, as well as adding expense to the municipalities and taxpayers;

NOW, THEREFORE BE IT RESOLVED, that if a larger municipality would benefit from a voter registration change they should be allowed to make such a change, without legislation imposing such a change on all municipalities.

FURTHER RESOLVED, that the Village of Kewaskum encourages legislation to aid municipalities, but not imposing unnecessary work and expense

ADOPTED AND APPROVED this 16th day of February, 1987, by the Kewaskum Village

DOT Announces License Plate Numbers to Be Replaced In March

The state Department of Transportation has announced the license numbers that will be replaced with new graphic plates in March.

Norbert K. Anderson administrator of the Division of Motor Vehicles, said 25,500 sets of plates issued in March of 1979 with numbers between E10001 and E69-686 have been designated for replacement as part of the scheduled replacement program.

Anderson said the 25,500 sets of plates will replace about a third of the ones originally issued in March 1979. The remainder will remain in service at least another year and the owner will receive a single year validation sticker with instructions to place it on the rear license plate. The front plate must be kept on the vehicle, but will not have a new sticker.

People with March renewals not scheduled to receive graphic plates this year may exercise an early replacement option by sending in an extra \$10 and their vehicle's certificate of

Requests for early replacement should be sent to Wisconsin DOT, Graphic Plate Processing, P.O. Box 7911, Madison, WI 53707. They will then receive a set of new graphic plates along with their renewed registration.

Indian Girls Beat Falcons; Top Slinger to Advance in Regionals

By Michele Wiedmeyer

In Sheboygan Falls last Thursday night, the Indian girls basketball team defeated the Falcons, 52-49.

The teams played evenly in the first half of the game, the Indians with a slight edge, 26-20, at halftime. Third quarter action was a bit slow, with only five field goals scored between both teams. The Indians led by as much as ten points several times in the fourth quarter, but the Falcons fought back and trailed at the end by just three points. Free throws were a key factor in the fourth for the Indians, scoring 10 of their 18 points from the line.

Leading in scoring for the Indians was Jenny Hintz with 14 points. Hintz is among the top ten in conference scoring. The senior forward also chipped in

14 rebounds and three steals.

Next in scoring for Kewaskum were Brenda Theusch and Lisa Schneider with 11 and seven points, respectively. Brenda Vetter also played well, coming up with six assists and four steals. Pam Osterbrink chipped in with 12 rebounds.

The Indians ended their conference season at the .500 mark, with a 6-6 record.

Kewaskum 55, Slinger 38

In sub-regional action at Slinger Monday night, the Indians earned the right to advance by defeating the Owls, 55-38

The Indians were held scoreless for several minutes in the first quarter, until Jenny Hintz opened up and scored the first three baskets for Kewaskum. Brenda Vetter scored the next basket to end the first quarter in an 8-8 tie. The Indians gained the lead in the second quarter on hustle and rebounding and led at halftime, 24-21.

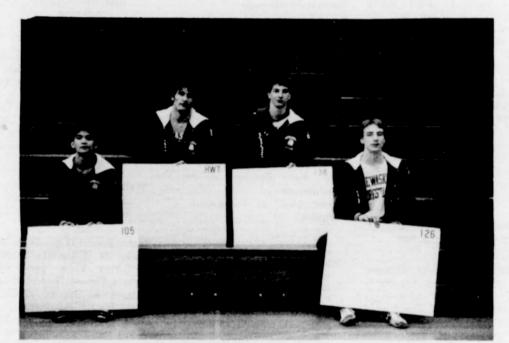

Kewaskum widened the gap in the second half, outscoring their opponent 16-10 in the third quarter, 15-7 in the fourth.

Brenda Theusch led both teams in scoring with 14 points. Theusch also had five assists, five steals, and nine rebounds.

Jenny Hintz, even though fouling out early in the fourth quarter, was second in scoring with 10 points. Brenda Vetter chipped in eight points, five assists, and seven steals.

Pam Osterbrink led in rebounding with 15. Osterbrink started at the center position for Debbie Felix, who is recovering from an illness. Lisa Schneider and Christie Kougl each had 11 rebounds.

The Indians now move to an overall record of 9-11.

EASTERN WISCONSIN CONFERENCE WRESTLING CHAMPIONS from Kewaskum were [L-R] Bob Castro, Dennis Aupperle, Rich Straub, and Chris Charland. Aupperle and teammate Steve Kapp advanced to the WIAA Sectional tournament at Whitewater before being eliminated. The WIAA wrestling season concludes this weekend in Madison.

Indians Trounced by Mayville

The Kewaskum boys basket-ball team traveled to Mayville for a non-conference game last Tuesday night. Once again the Indians were defeated by the score of 46 - 29. The Indians suffered through its worst shooting of the year as they connected on only 9 of 51 shots from the field and 11 of 29 free throws. The 17% field goal shooting and the 38% free throw shooting were the poorest the Indians have shot this year.

Defensively the Indians played well enough to win, but they were able to manage only 2 field goals the entire first half, and were able to score only 5 points in each of the first three quarters.

At one point late in the fourth quarter the Indians grabbed an offensive rebound and proceeded to miss 7 consecutive offensive boards. Mayville finally got the rebound and proceeded down court only to have Kewaskum steal the ball. Kewaskum took another shot and missed, then missed 5 more consecutive rebounds. Mayville again rebounded the ball and went down court to score. Kewaskum came back, shot and missed, and again missed 4 consecutive offensive rebounds before Mayville finally rebounded the ball. In all the Indians missed on 16 consecutive offensive rebounds in the 3 possessions they had the ball.

That series at the end of the game signified how the entire game had gone for the ice cold

Kewaskum FFA

EXCELLENCE

You don't have to look far to find those who will leave their mark on our future. They can be found in the local high school agriculture classroom.

Vocational agriculture is a vital training ground for the people who will secure America's future. Today, young men and women study agriculture and prepare for over 200 challenging and rewarding careers in areas such as bio-genetics, engineering, international marketing, horticulture and production agriculture.

Along the way, FFA offers a vast array of programs and opportunities to help them develop that rarest of commodities: excellence. It's their goal; it's our future. They are the leaders for the new fields of agriculture!

FFA Officers - The Cream of the Crop

The FFA is one of the largest student organizations in the state. Pictured are the 1986-87 FFA chapter officers. Officers include, top, from left to right: Dave Rizzardi, advisor; Bill Butzlaff, sentinel; Steve Redig, historian; Brian Oelhafen, reporter; Jim Schulz, vice president; Keith Bartelt, parliamentarian. Bottom, Shelly Petsch, secretary; Renee Kapp, president; and Bev Schulz, treasurer. As an officer team they work together to plan activities for the year. Improvements are also made to better the FFA.

The Future Farmers of America is a student group that carries out many functions throughout the school year as well as the summer months. Many of the activities are done to serve and strengthen the community, as well as to give the members a sense of pride for their communities. A few of the activities include the annual citrus fruit sale, the rabies clinic, safety calling program, and this year's renovation of the Kewaskum FFA sign at the Johnson School Bus Station.

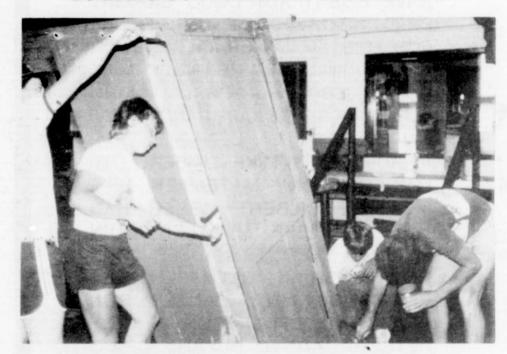

FFA members also perform activities which strengthen their leadership qualities. Some of these activities include judging contests, speaking contests, officer training and workshops and various conventions. Activities which the chapter gets involved with for enjoyment include agricultural olympics, basketball tournaments, summer picnics and monthly meetings and recreation. FFA is an integral part of the vocational agriculture classroom, which provides a valuable training tool in building tomorrows agriculturalists. FFA is an organization you can be proud to say, "I belong to the

On June 10-12, 1986, five FFA members attended State Convention held in Green Lake. Renee Kapp and Keith Bartelt were last

year's delegates who sat in on all the sessions. Joel Junk won the Three-Star President's Award. Joel Junk also won the Wildlife Proficiency Award. Patsy Panzer represented the Kewaskum FFA for the State Band and Chorus. Patsy was chosen by filling out an application that was sent to the state. Todd Steger won the State Farmer Degree, a 28 page application that is judged by the state officers. The five of them brought back ideas from the convention to share with the chapter.

Fox Valley Judging Results

To qualify judging teams for state competition, they must be eliminated at a preliminary contest. This contest is held at Fox Valley Technical Institute in Appleton. Four judges usually constitute a team so the low score can be dropped and the three best participants move on to state competition. The 1986 contest was held on March 1 and sported these teams and judges: (Plac-

ings in the contest are stated behind the last team member)
Dairy Cattle - Keith Bartelt, Brian Oelhafen, Jim Schulz, Bill Volm.
Meats - Jim Wesenberg, Randy Krief, Steve Redig, second place.
Crops - Bill Butzlaff, Mike Limberg, Dallas Wodsedalek, tenth place.
Dairy Products - Mike Horst, Dave Steger.

Meat Animals - Jerry Hupfer, Dave Eisentraut, Roy Radecki, fourteenth place. Ag Mechanics - Doug Enright, Tim Limberg, Todd Steger, fifth place. Poultry/Eggs - Scott Pesch, Bob Friedemann, Scott Volm, Mike Fierke, seventh place.

Kewaskum did a very commendable job in this contest with highlights on the Meats, Ag Mechanics, and Poultry/Eggs teams. The three highest scorers in each contest area moved on to state competition in Madison on April 25.

Hartford-Slinger Dairy Judging Contest

Every year the Hartford and Slinger FFAs sponsor a dairy cattle judging contest at Fullpail Sales Barn in Hartford. This year's teams did especially well, bagging second and thirteenth places.

The Dairy Judging teams are coached by Terry Schaub, a rural Kewaskum dairy farmer. His help

is greatly appreciated by all those who attend practices at local diary farmers' homes.

The two judging teams consisted of these participants: Team One - Keith Bartelt, Andy Degnitz, Jim Schulz and Renee Kapp. Their score was 671 out of a posible perfect 1000, good for second place in the contest. Team Two - Bill Butzlaff, Kevin Bartelt, and Mike Ramthun. Their score was 645 out of the 1000, which tied them for the 13th placing.

World Dairy Expo Judging

The World Dairy Expo is held annually at the Dane County Fairgrounds and Coliseum in Madison. This show includes new innovations in dairy farming, sales representatives from countless dairy-centered companies and some of the best dairy cattle in the World. FFA members have the opportunity to judge these cattle and this past year, a team consisting of Brian Oelhafen, Jim Schulz and Andy Degnitz took a very impressive second place in the judging contest. Teams from all over the midwest and even one from Japan participated in this contest.

The coach for this team is Terry Schaub, a very knowledgeable member of the dairy judging field in the Kewaskum area. We would like to thank him for his time and effort as well as all the local dairy farmers that allowed the teams to come in and judge their herds.

MPTI Judging Results

The Kewaskum FFA attended the Skills Competitions on April 8 at MPTI in Fond du Lac. There were many technical contest areas. The winners included: HONORABLE MENTION - Pat Ruplinger - food science, Andy Degnitz - food science, Jeff Mueller - small engines, Jim Wesenberg - food science, Doug Enright, ag mechanics.

THIRD PLACES - Andy Degnitz - environmental awareness, Todd Steger - ag mechanics.

SECOND PLACES - Jim Schulz - food science.

FIRST PLACES - Jim Schulz - environmental awareness.

The contest had many other areas of entry such as: Farm Crops, Dairy Products and Farm Management in the Agriculture Division. Bookkepping, Business Law, Business Math, Law Business Math, Data Processing and Filing in the Business Division. Woodworking, Drafting, Metals, Auto Mechanics, Electronics, Machine Shop and Welding in the Trade Division.

WASHINGTON COUNTY JUNIOR FAIR

Every year near the end of July, students are getting ready for the Washington County Fair. Final preparations are being taken care of, and excitement is starting to fill the air as the fair gets closer. Everyone awaits the Thursday of the fair week because it is show day for livestock. The different kinds of livestock shown that day are sheep, beef cattle, and hogs. On Friday, cats are judged. Saturday is the big day for dairy judging, poultry and rabbits. Sunday, the final day, there is a horse show. Many ribbons and plaques are achieved by the students involved in FFA. Plans for the 1987 fair are already in progress.

Last April, Dr. Charles Ogi and Dr. Greg Ogi held the Kewaskum FFA's annual rabies clinic located in the Kewaskum High School. The shots were administered at a reduced cost of \$5 per pet. All the proceeds from the clinic went to the scholarship fund.

The Kewaskum FFA will again sponsor a rabies clinic during April, so be sure to look for more information on the time and date. Since Wisconsin is one of the leading states in rabies and rabies-related cases, it is very important to have your pet vaccinated for the disease

LEARNING

Learning by doing is a basic principle behind the vocational agricultural education program. FFA encourages that principle. And gives the student-member a chance for GROWTH.

STATE FAIR DEVELOPS "SCOOPERS ELBOW"

During the 1985 and 1986 State Fairs, the combined FFA Chapters of Hartford, Kewaskum and Slinger (the Washington County FFA's) have been involved in a very educational and lucrative endeavor.

For years the Wisconsin Milk Marketing Board has operated the "Old Fashioned Ice Cream Parlor" booth in the agriculture products building at the West Allis fairgrounds. In late 1984, the Milk Marketing Board was prohibited.

by a court ruling concerning marketing associations, from selling their commodity for profit.

Through a stroke of luck the WMMB thought of the FFA as their successor to promote the worthwhile and nutritious commodity and to maintain the cleancut image that is so important to the dairy industry.

The endeavor is just too much for one chapter (especially the first year of operation). When the "dust settled" the Hartford,

Kewaskum and Slinger Chapters decided to take the challenge. The undertaking was no small task. The "parlor" sold milk and ice cream sundaes with "Wisconsin" toppings: maple syrup, strawberries, raspberries -and cherries. Coordinating the supplies would have been impossible without the gracious help of the Milk Marketing Board...this included a great deal of advice and past records.

Approximately 15 FFA'ers were

required in two over-lapping shifts each day. The chapters rotated duties with two chapters being used per day, two days of set-up and one day of clean-up.

'Scoopers elbow" was a constant complaint of the workers. Rumor has it that some FFA'ers didn't want to look at ice cream until the following April.

Each FFA member was paid \$35 per eight-hour shift. A good weekend at the fair would find the youngsters making and selling

21,000 sundaes.

After the 11 day run the combined FFA's had grossed approximately \$60,000. The net was in the area of \$10,500 to be split three ways.

The youngsters learned a great deal about working with the public, about teamwork and cooperation and gained a great deal of respect for the people who work at the University of Wisconsin-Madison's dairy at Babcock Hall.

"YOUR ALL-SERVICE PHARMACY"

Kewaskum

The Kewaskum FFA held its annual Safety Calling Program during the month of January. An article about child safety on the farm was in the Kewaskum Statesman. Boxes were located around the local area, and names were drawn randomly from each box. A FFA member called the names choosen, and a total ot ten residents won two pounds of cheese. Listed are the following winners: Jane Jansen, Alma Edwards, Ervin Butzlaff, Carol Ramthun, Linda Barnes, Ernie Mitchell, Sue Edbauer, Evelyn Leuz, Jan Kumrow and Ruth Schmidt. Congratulations to the winners and thank you to those who participated. Watch for the calling program again next year about the same time. Take time to read the article

FFA SAFETY MEETING

Pictured above are President Renee Kapp and Mr. Cummings from the Wisconsin Gas Co., receiving a FFA T-shirt

Every year the Kewaskum FFA Chapter sponsors a safety meeting for

its members as well as anybody that is inclined to learn and eat the 20 pizzas supplied after the meeting. This year our speaker was Mr. Cummings from Wisconsin Gas Co. He gave a very interesting and informational slide presentation on the use of Natural Gas. He later answered any questions anybody may have had about the slide show or anything he said. Regular meeting business was also conducted at the meeting and door prizes were given.

FFA MEMBERS HELP NELLIE'S FARM FUND

FFA members Bev Schulz, Renee Kapp and Steve Redig attended Nellie's Farm Fund telethon this summer. Their job was to take pledges from people calling in. The telethon was seen live on TV from Channel 4 studios.

On June 22, the Kewaskum FFA participated in the Fourth Annual Dairy Daze. The day began with a breakfast celebration sponsored by the Women's Support Group of AMPI. This year's celebration was held on the Randy and Renee Backhaus farm, located at 9575 Hwy. 45 North of Kewaskum. After breakfast, the festivities continued at the Kewaskum Park, where various activities were conducted throughout the afternoon. The entire celebration was sponsored by the Kewaskum Area Chamber of Commerce. The FFA was called upon to lend support to various activities. Starting with the breakfast, members helped prepare food, clear tables and run materials where needed. At the park, members sponsored and manned a booth which attracted hundreds of Dairy Daze enthusiasts. Contestants for King and Queen were members of the local 4-H Clubs and the FFA. This year the King and Queen chosen were from the FFA. The winners were Keith Bartelt, left, and Bev Schulz, right.
