## West Bend Seeking Support For Its Incineration Plan

By GERRY MUELLER  
Statesman Staff Writer

Trustee Mary Krueger advised the Kewaskum Village Board Monday night, that the City of West Bend is looking for commitments from neighboring communities to use a proposed city owned and operated incinerator.

Krueger noted West Bend's present trash collection contract expires in 1989, and the city is seriously looking at building its own incineration plant which it feels could be in operation by 1990. "They think that is the only way to go" stated Krueger.

"West Bend is looking at several ways of financing the project," said Krueger, "including West Bend having the up-front money and then selling its services to other communities or, having anybody who is interested in it help pay for it immediately or, go with an entrepreneur, apparently there are people who are interested."

"What they are really looking for right now, is to find out how many communities are really serious about having their garbage burned," said Krueger.

"The other thing they (the committee) discussed was recycling" she said, "and it looks like it will become mandatory." Krueger told the board, a representative from the Town of Trenton had indicated that 40% of its residents are recycling and that has reduced the Town's trash pick-up by two loads. Krueger said a man from Jackson asked if it would be cost-effective. "We're burying our heads if we think it's going to get any cheaper" said Krueger.

West Bend is proposing a modular unit which can be expanded, but it must burn at full capacity to be cost-effective, noted Krueger, and that is why they are looking for serious support.

Several board members asked Krueger if she had heard any reports on Port Washington's incineration operation. She said she had heard that Port was accepting garbage from Washington County at \$25 a ton, because they are presently having difficulty running their incinerator at full capacity. However, said Krueger, I don't know how long Port will continue to accept refuse from our county. As more and more landfills are closed, more communities will be looking for

alternate sources to dispose of their trash.

Board President David Nigh told Krueger she could advise the West Bend Study Committee that the Village of Kewaskum was very interested in their plan.

In other action, Trustee Richard Schmidt informed the board that 616 library cards had been issued so far this year. He also told the trustees that the library had received library card holders which were paid for by the Kewaskum Education Association.

Schmidt said the Library Committee was looking into purchasing a set of 31 cassettes containing a variety of classics at a cost of \$99. He noted that the whole county system is shying away from videos because they are readily available at almost every store and gas station. He said the committee was also looking into the Certified Prints Program but for now the county system does not have enough to go around to all the libraries.

Parks Committee Chairman Tom McElhatton told the board his group will be looking at the summer recreation program, park improvements, and the new ball diamond, at its next meeting March 16th.

The board reviewed two proposals for the new diamond's construction and authorized the Village's engineers to proceed with specs and preliminary work for the diamond, excluding the outfield fence.

McElhatton said he would like to acknowledge the receipt of a check for \$3,340.70, from the Kewaskum Softball

Association. The money will be placed in the baseball diamonds lights fund. He thanked the association for their contribution.

The board was asked to think about the establishment of a minimum payment for split special assessments on the Capital Improvements Sidewalk Extension Program. Janet Knops, Bookkeeper - Records Coordinator, who was substituting for absent Administrator Dan Schmidt, said what they were looking for was a minimum limit. For example, said Knops, a property might be assessed only \$100. That would mean a \$25 - a-year payment for four years. The Village would like to set some guidelines to avoid split payments where properties will not have large assessments.

In other business Krueger advised the board that the Administrative Committee has asked insurance agent Gene Bohn to speak to the full board regarding questions and changes in the Fire Department insurance. Before we make any decisions, noted Krueger, we feel there are several points which have to be explained and clarified.

The board also approved a resolution supporting the City of Hartford as a site for the new Quad/Graphics plant, the lifting of the winter parking ban, and the hiring of a part time library aide.

Members of the Kewaskum Mobile Home Park Association Steering Committee were at the meeting to talk to the board, however, Nigh said the group had not been placed on the

## New Pamphlet Highlights Attributes of Kewaskum

By GERRY MUELLER  
Statesman Staff Writer

A new pamphlet being put out by the Village of Kewaskum has been designed to point out that the village is a good place to live in and open a business.

The 12-page booklet gives a complete profile of Kewaskum and covers just about all the questions someone interested in coming to the area would ask in relation to residing in and/or starting a business. Everything from churches to clinics, schools to shopping, soil types

to sewer services, recreational parks to the industrial park, are listed in an effort to provide a complete, rounded picture of Kewaskum and what it has to offer.

The book has been developed to help attract new businesses and people to the community. It will make its official public debut at the three-day trade show in West Bend, which runs March 8, 9 and 10.

A free copy of the booklet can be obtained at the Kewaskum Municipal Building.

## Management Change At Exodus House

Effective March 1, 1987 Thor Otto is leaving Exodus Transitional Care Facility, Inc. to take on new responsibilities and new challenges as Clinic Manager at the Kettle Moraine Outpatient Clinic in West Bend.

The Exodus Transitional Care Facility, Inc. Board of Directors has met and assembled a new management team for Exodus House effective March 1. Frank Ciesielczyk has been promoted to the position of Assistant Director of Exodus House.

In that capacity he will be responsible for the day to day responsibilities of running the house, the clinical aspects of the program, as well as, community service work for the halfway house which includes lectures and public speaking. Ciesielczyk has been the lead counselor for Exodus House for the past 7½ years and his capabilities in this field are well known in the alcoholism community.

Ms. Vicki Towell has been promoted to the position of Office Manager and in that capacity she will oversee the financial, accounting and secretarial activities of the Exodus Transitional Care Facility, Inc. Vicki has been working for Exodus House for the past 8 years. Among her qualifications are an Associate Degree in Accounting, participation on a voluntary basis in

the recovering community as well as assisting the residents in budgetary matters.

In addition Keith Raddemann has been hired as a part time counselor for Exodus House. Keith has worked for Exodus House in varying capacities over the last 4 years and some of this has included working as a fill-in counselor. He is currently pursuing his education in the field of human services.

The Board has also hired James Kirkham as a special management consultant to the Board. In this capacity, Kirkham will assist during the transition period and will also help with the long term planning of the Agency. Kirkham has served in the past as a Board member for Exodus House and has also served as a volunteer in other areas of the human service community.

The board of Directors is deeply appreciative of Thor Otto's dedication and involvement over the past 10 years. Without his commitment and loyalty, Exodus House could not have become one of the most successful and well known halfway houses in the state for the recovering alcohol and drug abuser. The Board wishes Thor the best in the future and asks the community to assist us during this transition as we continue to serve the recovering community.

## LR Trophy Buys KB Lettering

By GERRY MUELLER  
Statesman Staff Writer

Lori and Harry Roecker, owners of LR Trophy Company, Kewaskum have purchased the business of K-B Lettering from Bill and Karen Breitzmann of Campbellsport.

The Roeckers, who have operated a trophy business out of their home, officially took over the operations of K-B on Monday, March 2. Lori said business is temporarily being conducted at the old K-B store at 409 Main Street, however, they hope to be moved into their new quarters in the KL Hardware building at 987 Fond du Lac Avenue within the next week.

The new name of the business is LR Trophy and Sportswear. Harry has left his former employment and will operate the business on a full time basis. Lori will be working at LR, besides continuing her

part-time employment at Valley Bank.

The Roeckers plan on holding a grand opening at the new store in about a month.

Karen Breitzmann will continue to operate her pinstripe painting business in Campbellsport.

## Winter Parking Ban Lifted

Effective Monday, March 2nd, the Village of Kewaskum lifted its winter ban on street parking.

"Should the need arise," said Board President David Nigh, "the village can issue a snow emergency notice which would temporarily restrict parking."

# New System Makes Kewaskum Library Available to All County Residents

By GERRY MUELLER

With the implementation of the new countywide library system this year, services of the Kewaskum and all other county libraries have become available to all the residents of the county.

Communities which do not

have their own libraries may now use the resources of libraries in Kewaskum, West Bend, Hartford, etc., without having to pay the large non-resident fees which were required before the new system went into effect, or which may not have been available even on

a non-resident basis. Since January 1st, all residents of Washington County are eligible to use all the county libraries.

Not only are the resources of Kewaskum's newly remodeled and expanded library available, but materials may be obtained, through the library, from other libraries both within and outside of the county through another program known as the Federated Library System, comprised of libraries in Washington, Fond du Lac, Jefferson and Dodge Counties. This service allows the

exchange of books and materials which may not be readily available at your local library.

A library card obtained from Kewaskum, or any other library, may be used at any countywide and federated system library, and is also honored by some of the state's other Federated Library Systems.

The Kewaskum Library itself, has 19,000 books, 55 magazines and 4 newspaper subscriptions, plus reference sections to provide information on a vast

variety of subjects.

Mrs. Evangeline Teeselink, Kewaskum Library's head librarian, invites everyone to visit the library in their area, and pick up their card. "It can open a whole new source of information and enjoyment for you and your family."

Group and class visits or research projects are welcomed and encouraged. Library hours are: Monday and Wednesday 12:00 noon until 8:00 p.m., Friday 12:00 noon until 6:00 p.m., and Saturday 9:00 a.m. until 12:00 noon.

The Kewaskum Public Library is YOUR LIBRARY, come and enjoy yourself.

Mrs. Teeselink, head librarian, assisted a student look up information in the Kewaskum Public Library's Reference Area.

Librarian Kitty Hlavaty assisted another student at the book check-out desk.

Students from Miss Luebben's eighth grade class from Holy Trinity Catholic Grade School used the resources of the Kewaskum Public Library to do research for their study projects.

## KHS Students Take Part In Leadership Workshop

On Tuesday, Feb. 24, a group of selected Kewaskum High School students and advisors, Mrs. Alvarado and Mr. Soerens, took part in a "Leadership Workshop" along with several other schools in the Eastern Wisconsin Conference. The workshop, which was held at the Sheraton Hotel in Manitowoc, showed the

students how to use different communication skills and how to incorporate them into their organizations.

One of the first tasks was to discover what leadership means. Utilization of small groups and skits helped develop the idea of positive feedback, reflective discussions, listening techniques, team decisions,

consensus stimulated interaction, and above all to respect the rights and opinions of each group member.

The students had a very informative day. They came away with concepts that will help them become more effective and productive leaders for their community.

## Regal Ware, Inc. Introduces New Regalaire Air Treatment System

Regal Ware, Inc. has recently broadened its product assortment with the introduction of the Regalaire (TM) air treatment system.

The compactly-styled Regalaire operates with a highly efficient two-stage filtering system. It removes airborne odors, dust, lint and pollen and mixes floor to ceiling air to increase the efficiency of heating and cooling systems. The quiet operating unit can be mounted in any corner of a room.

Regalaire No. K50250 is designed for use in homes,

offices and institutional residences at a suggested retail value of \$250.00. It will be available in May through a newly-organized manufacturers' rep network.

Regalaire is the company's first product for its Regal Concepts division. This newly-created division will be headed by Kim T. Peterson, Vice President. Peterson, a 21-year company veteran, is a graduate of Ohio State University and received his MBA from Georgia State University. Most recently he served as Regal's Director of Field Sales.

## World Day of Prayer Centennial To Be Observed County-Wide

The Church Women United of Washington County are planning the 100th birthday of the World Day of Prayer which will be observed in Washington County on March 6. The event was "born in America" in 1887 as a day of prayer for a movement and developed into a movement in which Christians in 170 countries and regions of the world gather each year to observe a common day of prayer. It is an expression of mutual prayer and Christian unity. The following county areas will be marking the World Day of Prayer centennial in Washington County:

The West Bend - Kewaskum area observance will be held at Salem, United Church of Christ at Wayne. The participating churches will be Fifth Ave. United Methodist, Trinity Lutheran, St. James Episcopal, St. Mary's Catholic, Immanuel UCC, Our Savior's Lutheran, all of West Bend, and Peace UCC and St. Martin's, UCC, Fillmore representing the Kewaskum area. Salem UCC has planned a Bible Study at 9:30 a.m. and a Worship service at 10:30 a.m. Plans are being made to include foreign exchange students in the program. Following a long tradition women from the participating churches will hold afternoon services at Meadowbrook Manor, the Samaritan, and the Cedar Lake Home.

Jackson area services will be held at 1:30 at Frieden UCC located on Hy P. Participating churches will be Faith UCC and St. John's UCC both of Slinger and Christ Lutheran, Frieden's -Peace UCC, St. Peter's UCC, all of Jackson.

Hartford area churches will meet at 1:30 p.m. at the First

United Methodist Church located at 738 Monroe St. A nursery for small children will be provided. Participating churches will be, St. John's UCC, St. Aidan's Episcopal, and First United Methodist. All other area churches are invited to share in this observance of the World Day of Prayer.

Germantown, Richfield, Colgate area churches will meet at St. Columba's Catholic Church located on the corner of Hwy's J and Q. Participating

with St. Columba's will be St. John's UCC, St. Paul's UCC, St. Jacobi's UCC, Presbyterian, Zion United Methodist, and United Methodist of Richfield.

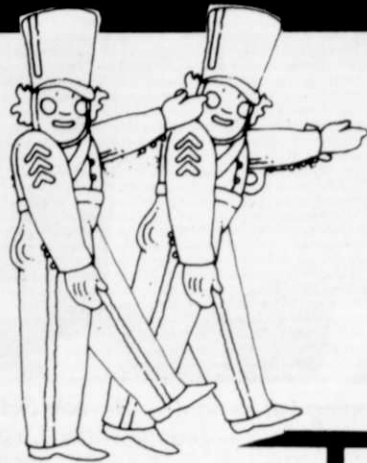

The theme of the World Day of Prayer events world-wide will be "Come and Rejoice." The Church Women United is an ecumenical group of Protestant, Catholic and Orthodox women. The public is invited to all meetings and events of CWU (including men). The Washington County churches invite all to attend a church in his or her area on March 6 and share in the theme of the 100TH World Day of Prayer, "Come and Rejoice."

### IRON and PREGNANCY

Altho pregnant women may take 'multi-vitamin mineral' supplements containing up to 65 milligrams of iron, their systems would absorb only 1.8 mg. of iron, rather than the 3.0 mg necessary. Researchers from U. of Colorado Health Science Center recommend that pregnant women take 'iron salts' separately as supplements, either several hours before breakfast, or at bedtime, to prevent interference from minerals in their food.

## Newly Formed Math Team at KHS Competes at Oshkosh Contest

Row 1, standing left to right — Beverly Schulz, Shannon McFadden. Row 2 — Brenda Vetter, Leighton Peterson, Britt Ellis. Row 3 — Jenny Schneider, Jenny Schuster, Debbie Wilson.

On the evening of March 2nd, eight members of the Kewaskum math team participated in the Oshkosh West Math Meet. The students were seniors John Marcus and Brett Witz, junior Scott Kulas, sophomores Matt Gruss, David Prunty, Gayle Swift, Allison Frac and freshman Suzanne Rinzel. High individual scorer was John Marcus.

The math team is a new organization at KHS this year. The team participates in exams and meets throughout the state, including those at the University of Wisconsin - Whitewater and St. Norbert College.

The math meets consist of written tests in algebra, geometry, trigonometry, advanced math topics and problem solving. There are individual and team events that are designed to challenge students and promote an interest in math.

"Considering they are a young and inexperienced team, they have done very well this year," said Ms. Flierl, their advisor. "They have been up against some tough competition. Hopefully as more students become involved and become experienced, the team will improve in their standings."

The state Math Meet on Saturday, April 4th is the next scheduled meet. It will be held in DePere, Wisconsin.

# Valley Equityline

## A whole new way to borrow money.

### Why is VALLEY EQUITYLINE Unique?

It's a checking account...it's a personal line of credit...and it gives you cash value to the equity in your home. All in one simple account. Only from Valley Bank.

### Who should consider VALLEY EQUITYLINE?

Frankly, Valley Equityline isn't for everyone. It's specifically designed for homeowners who have built up equity.

### What are the advantages of VALLEY EQUITYLINE?

Financial freedom...and convenience. Once you've established a Valley Equityline, you have ready access to a significant line of credit simply by writing a check.

### Are there restrictions?

No. You can write a check for whatever you want...or need. From rec. vehicles to remodeling to college tuition. The decision is yours. But checks must be written in amounts of \$500.00 or more.

### How do I establish a VALLEY EQUITYLINE?

Simply come into Valley Bank. Your credit line will be based on your home equity, credit record, and personal borrowing needs. Pending approval, you'll receive special checks that access your Valley Equityline funds.

### What are the limits?

Whatever your home equity allows...even up to \$100,000. But the minimum line of credit is \$5,000.00.

### How do I repay my credit in use?

Similar to other forms of credit, you pay monthly installments based on funds in use. The repayment plan is based on a minimum of \$100, or 2 percent of your outstanding balance (whichever is greater). And as you repay these funds, they revolve back to your line of credit.

### What about interest rates...or fees?

The Annual Percentage Rates will be quoted based on market conditions. Administrative and closing fees will be similar to conventional equity loans.

### What about....?

For the whole story about Valley Equityline, call Valley Bank.

Strong.  
Helpful.  
Friendly.

# Letters to the Editor 25 Years Ago

March 3, 1987

To the Voters of the Kewaskum School District:

As a former member of the Kewaskum School Board, I had worked with candidate, Ruth Schmitt, through campaigning and on an administrative committee. At that time, she saw the need, as we all did, for a curriculum coordinator or director of instruction.

The cost was not too great then when we thought of who it affected — our students, their education, and their career.

Now that we have a Director of Instruction, and she has worked hard to give our students the much needed up-to-date curriculum in our classroom, Mrs. Schmitt is against the position!

This position has worked for the external funding through grants we've received, saving the district over \$30,000, which has helped in the areas of updating curriculum, equipment, and developing new programs. This would have had to have been done with taxpayers money in a few years because of all the new state - mandates! She now sees no need for this position!!

We need this expertise to keep our children on the right track and above all, to be competitive in life. Why then has Ruth Schmitt changed her mind on this issue?

In 1984 when Beechwood was closed under the former administrator, Ruth Schmitt was a supporter of that issue. Now she says she is for opening the small schools and that it's good educationally.

Well, her statements on this issue leave a lot to be desired! Here she changed her mind again!

My children are enrolled at Farmington where the class sizes are now 22, 21, 19, 23, etc. - far from the sizes 28, 29, 31 etc. that existed before Beechwood was closed. Our teachers can give more time to each student as he/she works with a smaller class size. The students in our district are being given the opportunity for a good education.

If Ruth is elected - will she see that it is educationally sound to keep it closed? I hope so!!

We don't need to spend \$104,000 of our tax dollars just to please Clara Trapp's ego!

Think about it, taxpayers!!

Laneille Dieringer

....

Voters of the Kewaskum School Board:

One wears many "hats" when acting as an elected official representing the people. On certain issues, or to small special interest groups, at first glance my heart might tell me one thing, but after considering all sides of the issues and doing the necessary research, a decision must be made for the interest of the entire district, its students, and their education.

Through the years, I've learned that a member of the school board sets policies, provides guidance and trusts its professional management to accomplish what it has directed. I learned the hard way, and have taken a few "knocks on the chin," but I feel I have maintained the proper decorum and

above all, I have been ethical in my actions and attitude.

I want to thank the voters who went to the polls to cast a vote for me in the primary. I appreciate their confidence in the experience that I have gained during these past 10 years and the help that it will be to the entire Board in the future as much "turnover" takes place.

I've been very fortunate in being able to attend state conventions, law seminars, and negotiations training sessions to gain the much needed knowledge on what is a board member's job and how to carry it out.

I've seen many changes over the past few years because the requirements from the state are constantly changing to meet the students needs. Our school board members must continue to have your children and their education first in their minds at all times, in order to make this a progressive district at a minimum of tax dollars.

Sincerely,  
Jean E. Goeden

....

Attention: Parents of Future Kewaskum Students:

I am a parent who lives in the Village of Kewaskum. My children aren't in school yet, but will be soon. We as parents may not know all that our kids are missing in schools. Schools that make do with too little, and have no coordinating programs and staffing. We may think things would be better without all that administration.

But things just don't happen. Yes, many good things have happened in our schools, in the last few years. Only because our school board saw the need to make changes and moved forward, rather than continue to go backwards. It's been long overdue! We now have a superintendent with a strong knowledge in school administration.

If we elect school board members, who campaign to cut this, get rid of that, we will fall behind again! Sooner or later, your children and mine will suffer. Our children deserve the best education possible, and I don't want my children and their education to suffer because of unethical politics or because someone thinks education will just happen.

Young Mother of the Village

Two more snowfalls hit this area and week of the state during the week, adding to the deep snow and mountainous drifts already covering the ground. Three to four inches of snow fell Sunday and early Monday. This was preceded by a freezing rain and sleet which made highways and streets very icy and slippery. Another one to two inches of snow fell Thursday night and was followed by another sub-zero cold wave. The thermometer registered from 12 to 20 degrees below zero. Thursday morning.

A noticeable improvement which adds much to the appearance and brightening up of Kewaskum's Main Street was made this week when the Bank of Kewaskum installed a large clock-thermometer sign at the front of the building on Monday.

Albrecht, Inc. of Kewaskum, manufacturer of piers, is among the hundreds of exhibitors in the 29th annual Chicago National Boat Show March 2 through 11 in McCormick Place.

Kewaskum High School will host the Scenic Moraine league forensic contest on March 3. Kewaskum students competing in the divisions are as follows: Declamation - Carol Schladweiler and Mariel Seefeldt; original oratory - Richard Campbell and Robert Schlamer; non-original oratory - Carol Erdman and Richard Decker; four minute speech - Dawn Martin and Walborg Pettersen; public address - Richard Williams and Kathy Keno; extemporaneous speaking - Richard Groh and Ralph Albrecht; interpretive reading of poetry - Kay Dorn and Edward Ferber; interpretive reading of prose - at Schall and Elaine Redig; play reading - Bonnie Smith, Janice Luedtke, Donna Schaefer and Ruth Weddig.

A son was born to Mr. and Mrs. Ronald Vorpahl, Route 1, Allenton on February 23.

## 50 Years Ago

March 5, 1937

An estimated damage of \$15,000 was done when the second and third stories of the Stella Cheese Company factory at Campbellsport were destroyed by fire on Thursday evening of this week. The plant is one of Campbellsport's most important business institutions and is one of the largest in Wisconsin. It is one of three factories owned by the company. The main plant and warehouse building, which is near the high school, appeared doomed when flames shot from the roof after the fire had burned for about an hour. Burning cheese vats sent heavy black smoke over the village and countryside making highways and streets nearby almost impossible for travel. The fire started when the engineer at the plant threw in an electrical switch which, because of defective wiring, set fire to the first floor wall and the second floor where paper boxes were stored. Within 15 minutes the first and second floors were in flames. The largest damage was done when three large vats of milk literally boiled away while water from the hoses poured into them. The vats, some of which were wood, also were destroyed, as well as a quantity

of cottage cheese stored on the second floor during drying. Thousands of paper boxes stored in the third floor attic went up in flames and the roof fell when the fire ate away the wooden supporters. The factory's main warehouse was not endangered by the fire, being located two blocks away.

In the first round of the Class "C" District basketball tournament at Blasketon on Wednesday evening of this week, the Kewaskum High School team nosed out the Strong Hartland High quint by a score of 16 to 14 after a hard fight.

A baby boy was born to Mr. and Mrs. J. G. Strachota of Milwaukee on Monday, Feb. 22. The mother, before her marriage, was Miss Irene Peters, daughter of Mr. and Mrs. Val. Peters of this village. Mr. and Mrs. Ervin Krahn of Beechwood are the proud parents of a baby boy born on Tuesday at Sheboygan. Born to Mrs. and Mrs. Arthur Meyer of Five Corners, a baby boy on February 25.

The teddy bear was named for Theodore Roosevelt.

## VOTING BY ABSENTEE BALLOT

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where the person wishes to vote at least 10 days before the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, a written request, signed by the voter which indicates that the voter resides within the municipality, will be honored. Written requests may be made beginning six months before the primary election. The deadline for receipt of the written request by mail is 5:00 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 5:00 p.m. on the day before the election.

If the absentee voter resides in a nursing home, the absentee ballot will be delivered to the nursing home by two special voting deputies appointed by the municipal clerk. The special voting deputies will present the absentee ballot to the voter and provide assistance in marking or punching the ballot if necessary. At the request of an absentee voter a relative may provide the assistance. After voting at the nursing home is completed, the special voting deputies will return the absentee ballot to the municipal clerk.

With one exception, the voter who wants to cast an absentee ballot, must make a separate written request before each election. If a voter is indefinitely confined to his or her home or a care facility because of illness, age, or disability, the voter need not make a request before each election. There is a special statement on the application which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the voter before each election if he or she is indefinitely confined. If the indefinitely confined voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can obtain a ballot.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available thirty (30) days before the fall elections and three weeks before a special or the spring elections. The municipal clerk keeps a public record of all individuals requesting an absentee ballot indicating when the ballot is requested, sent, and returned to the municipal clerk.

An absentee ballot can be voted at home any time after it is received in the mail. An absentee ballot can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the certificate-affidavit is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the person providing the assistance must sign the statement on the back of the ballot which provides that the person giving assistance marked the ballot as directed by the absentee voter. The municipal clerk will make sure that the certificate-affidavit is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in the possession of the issuing municipal clerk no later than the close of the polls on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot where the certificate-affidavit is not properly completed can not be counted.

## Award Washington County Jail Two Year Accreditation

The National Commission on Correctional Health Care has awarded a two year accreditation to the Washington County Jail, according to a press release from Sheriff Clarence A. Schwartz.

The commission congratulated Sheriff Schwartz and the jailed staff for successfully completing the fourth accreditation since the facility was constructed in 1979. "This accomplishment," the Commission noted, "gives evidence that sound management, coupled with competent, dedicated staff and health care professionals, can provide needed medical care and health service in a cost - efficient manner."

The county jail admitted 1,748 inmates in 1986. The jail has a design rated capacity of 100 inmates, and the average daily population in the jail is 55. Captain Michael Corris is in charge of the Corrections and Communications.

## Boy Scouts Earn Polar Bear Badge

Dennis Giese, right, helps Shane Oppermann, Sheldon Oppermann, John Gildersleeve and Jason Noren use the tandem snow shoes.

The scouts eat a hot breakfast after the long, cold night.

Twelve boys from Troop 744 and three adults camped out on February 6 at Hawthorne Hills and earned the Polar Bear badge. To earn the Polar Bear badge one must stay outdoors for twenty-four hours between the months of November and March. Boys who earned the badge are Eric Bude, Eric Giese, Jason Giese, Jim Gildersleeve, John Gildersleeve, Chris Henning, Phillip Lettow, Tim Lettow, Jason Noren, Shane Oppermann, Sheldon Oppermann, and Gerald Sese. Adults who earned the badge are Freddy Gildersleeve, Dennis Giese, and Jim Noren.

The morning after the camp out the Troop attended the Klondike Derby also held at Hawthorne Hills. The Klondike Derby is a District winter event where troops from Washington and Ozaukee counties meet for competition. Events at this years Klondike Derby included ice rescue, first aid and transport, fire building, distance, height, and tandem snow shoe.

On Sunday, February 8, Shane, Sheldon, and Cory Opperman received the Living Faith Award. This award is earned through their church, St. John's New Fane, and awarded to them by their pastor.

Troop 744 thanks the community for its support during the candy bar sales. Proceeds from the sale are used to reduce the cost of summer camp, weekend outings, and purchase equipment for the Troop.

On March 30, the Boy Scouts will visit the State Capitol Building in Madison, Wisconsin.

## Mrs. Edward Mueller Dies

Mrs. Edward (Mary) Mueller, 92, of Route 4, Campbellsport, passed away on Wednesday, Feb. 25, 1987, at Grancare Nursing Center in Fond du Lac.

She was born on June 29, 1894, in Kewaskum, the daughter of the late Joseph and Barbara (Lahr) Volm. On November 9, 1915, she was united in marriage to Edward Mueller at St. Bridget Catholic Church in the Town of Wayne. Mrs. Mueller was a member of the St. Matthew's Catholic Church and the Christian Mothers in Campbellsport.

Survivors include her husband Edward; a son Edward (Helen) Mueller of Milwaukee; seven daughters, Mrs. Greg (Dolores) Hau of St. Cloud, Mrs. Joe (Lorene) Nantz of Park Falls, Mrs. Margaret Wroblewski, Mrs. Marie Booth, Mrs. Alice Ciborosky, and Mrs. Loretta Williams, all of Milwaukee, and Mrs. Bernice Herbst of Adams, WI. She is also survived by 44 grandchildren and 90 great-grandchildren and 10 great-great-grandchildren.

In addition to her parents, she was preceded in death by three brothers and three sisters.

Funeral services were held at the Miller's Funeral Home, Kewaskum, at 10:30 a.m. and at St. Matthew's Catholic Church in Campbellsport at 11:00 a.m. on Saturday, February 28, 1987, with Father Gerald T. Schmitz officiating. Burial was in the parish cemetery. Friends called after 3:00 p.m. on Friday, February 27, 1987, at Miller's Funeral Home where the rosary was prayed at 7:30 p.m.

### DAVID EBERT

David H. Ebert, 56, of 352 Cedar St., Fond du Lac, died at home Sunday, March 1, 1987.

Mr. Ebert was born April 10, 1930, in the Town of Osceola to John and Alvina Kutz Ebert.

He married Dianne Stahmann on Jan. 22, 1977, in Fond du Lac. He worked at Regal Ware in Kewaskum for 25 years and at Mercury Marine in Fond du Lac for 10 years. An Air Force veteran of the Korean War, he was a life member of the VFW Post 8339 of Campbellsport. He was quartermaster of that post for over 20 years and was a past commander. He was also a member of Bintzler-Waehler Post 347 American Legion of Lomira.

Mr. Ebert was a member of the Hope Lutheran Church.

His survivors include his wife; one son, Ricky Lee of Rio Rancho, N.M.; two daughters, Mrs. James (Debra) Koch of Edgar and Kim Marie at home; five grandchildren; one sister, Mrs. Rosella Backhaus of New Holstein; six brothers, Elmer of Adell, Louis and Carl of Kewaskum, Eldin of Campbellsport, Bernard of Fond du Lac and Daniel of Fredonia.

Funeral services for Mr. Ebert were scheduled for 2 p.m. Wednesday at Hope Lutheran Church. The Rev. David Jensen officiated. Entombment was in Shrine of Rest Mausoleum.

Friends called at Twohig Funeral Home in Campbellsport from 4 to 9 p.m. on Tuesday and on Wednesday at the church from noon until the time of services.

### AMANDA I. REUL

Amanda I. Reul, nee Klahn, of West Bend, died Wednesday, Feb. 25, at the Samaritan Home, West Bend, at the age of 91.

She was born July 30, 1895, in the Town of Farmington, and married Edward Reul Sr. June 3, 1916, at Fillmore. He passed away Dec. 20, 1961.

Survivors include seven children, Laverne Remich of West Bend, Mildred Donath of West Bend, Howard (Betty) of Random Lake, Bernice Kastner of West Bend, Doris (Adrian) Krahn of Beechwood, Jean (Al) Ripley of Wauwatosa and Edward (Eileen) of West Bend; 25 grandchildren; 45 great-grandchildren; a sister, Edna Schaller of Milwaukee; a son-in-law, Vernon of Staeger of Beechwood, and other relatives and friends.

Preceding him in death was a daughter, Inez; a son, Marvin; six brothers; one sister; a great-grandchild, and two sons-in-law, Warren Donath and LeRoy Remich.

Funeral services were Friday, Feb. 27, at 8 p.m. at the Myrhum Funeral Home, West Bend. Rev. Brenda Yeager of Immanuel UCC officiated, and burial was in Boltonville Union Cemetery.

### FRED J. DOWE

Fred J. Dowe, of Cedarburg, died Tuesday, Feb. 24, at St. Mary's Ozaukee Hospital, Port Washington, at the age of 83.

He was born Feb. 2, 1904, in Grafton, and married Esther Weber Nov. 16, 1940, at St. John's Lutheran Church, Lakefield.

Survivors include his wife; three daughters, Barbara

(Alfred) Falk of West Bend, Margaret (Dennis) Seideman of Kewaskum and Barbara Jean (Dan) Ziegenhagen of Oshkosh; nine grandchildren; five sisters, Helena Maul of Mequon, Lillian Laun of Texas, Clara (Walter) Glaess and Anna Arndt, both of Cedarburg and Ella Pound of Tacoma, Wash.; a brother, William (Leona) of Tucson, Ariz., and other relatives and friends.

Preceding him in death were a son, Frederick and four brothers.

Funeral services were Saturday, Feb. 28, at 2 p.m. at St. John's Lutheran Church, Lakefield. Rev. R. E. McClelland officiated and burial was in Lakefield Cemetery.

## Local Chapter Represented At FFA Farm Forum in LaCrosse

The Kewaskum chapter of the Future Farmers of America was represented at the recent FFA Farm Forum in LaCrosse. Bill Butzlaff, Kewaskum and advisor, Dave Rizzardi attended the two-day conference designed to provide senior vocational agriculture students an opportunity to discuss the challenges they face as future leaders and farmers.

More than 150 high school seniors attended the 16th annual forum held February 20-21.

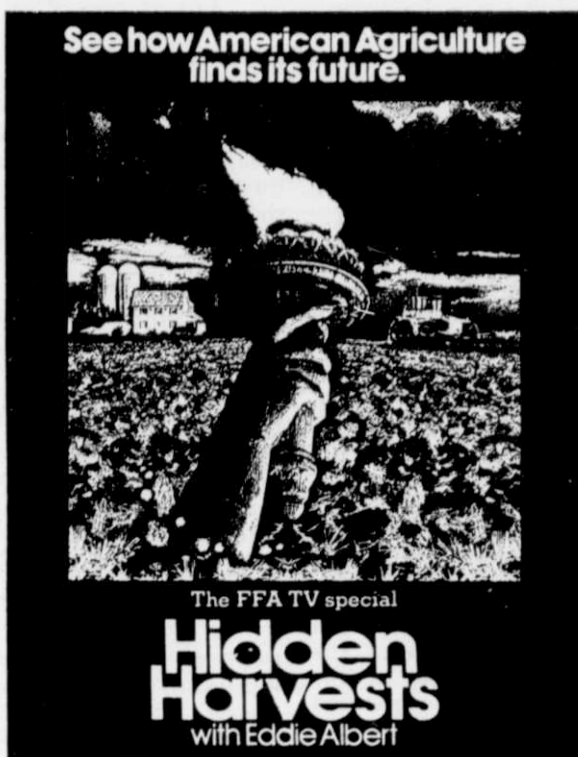

Under the theme of "FFA, Leaders for the New Fields of Agriculture" the students participated in workshops on getting started in farming, transferring the family farm from one generation to the next, producing for a consumer-oriented market and agricultural careers. Workshops leaders were: Joseph Atteln,

vice president for Farm Credit Services; Dan Teetzen, director of career development for The Rural Companies; Dr. Robert Cropp, professor of agricultural economics at UW-Platteville; and Dr. Richard Daluge, assistant dean of the College of Agriculture & Life Sciences at UW-Madison.

At general sessions, they heard from Nye Pelton, director of Market Development and Communications for Midwest Livestock Producers; F. J. Doering, state FFA advisor; and Don Haldeman, Wisconsin Farm Bureau Federation president.

Area participants were sponsored by the Washington County Farm Bureau. The FFA Forum is jointly sponsored by the Wisconsin Association of the Future Farmers of America and the Wisconsin Farm Bureau Federation.

## TV Special to Support Local Vocational Agriculture/FFA Program

A syndicated half-hour television program entitled **Hidden Harvests** is set to be broadcast Sunday, March 8, at 5:00 p.m. on television station WTMJ channel #4. The National FFA Organization has commissioned this program, which will be narrated by Eddie Albert and will be aired in a ten state area. The Monsanto Agricultural Company is sponsoring the program.

Dave Rizzardi, Kewaskum FFA Chapter Advisor, said of the special program, "It will focus on the need for more young people to enter agriculture - to assure the industry of maintaining its global 'number one' status."

"We're really out to present the facts on the vast opportunities awaiting students with an agriscience background," said Larry Case, National FFA advisor. "This program will reveal the individual spirit that is gripping today's agriculture. This is an industry that employs 22 percent of the working population and should be of interest to every citizen."

Portions of **Hidden Harvests** will feature:

- \* Interviews with futurist Dr. Earl Joseph, Congressman Kika de la Garza (House Agricultural Committee Chairman)

and Jack Anderson, columnist and proponent of the Young Astronauts Council - an effort to infuse the excitement of space into school science instruction.

- \* Scenes of 6,000 farmers attending the "ADAPT 100" diversification conference hosted by Successful Farming magazine in Des Moines and an interview with Rich Krumme, the editor.

- \* The story of a successful 16-year-old businessman writing agricultural software programs in tiny Lyons, Ohio.

- \* Scenes of hi-tech/biotech research currently being done at America's universities.

**Hidden Harvests** is the second National FFA TV Special to be broadcast. The first, entitled **Agriculture's Next Generation, A Conflict Of Interest**, was seen by more than 5 million.

## Washington, Ozaukee Counties Raise \$4,500 For Planned Parenthood

Planned Parenthood of Wisconsin recently announced that it has surpassed its fund raising goal for the second year in a row - raising over \$750,000 in donations for 1986. The 1986 total reflects an additional \$44,000 in donations, a 6.2% increase over last year's general campaign total. Of the total raised, Washington and Ozaukee Counties raised over \$4,500 and Waukesha County raised \$11,866.

The 1986 regional campaign was under the leadership: Susan Warren, West Bend; James R. Sommers, Waukesha; with help from over 200 campaign volunteers throughout the state. "The support from our region and the rest of the state has been tremendous," said Maria Rodriguez-Guzior, Community Services Director for the region. "The number of increased gifts this year was very gratifying, as was the number of new donors. I think everyone is concerned with the teen pregnancy problem, and now more than ever before, people are supporting Planned Parenthood's efforts to address this issue."

The money raised through the 1986 campaign helped provide family planning and reproductive health care services to 74,795 Wisconsinites, including 1,703 at PPW's West Bend clinic, 986 at the Grafton and 4035 at the PPW Waukesha clinic. Another 27,700 benefited Statewide from PPW education programs in the community, and over 3,100 professionals took part in training programs offered by The Training Institute of PPW.

Forgiveness ought to be like a cancelled note, torn in two and burned up, so that it can never be shown against the man.

## Dairy Farmers Invited to WMMB Regional Meetings

Area dairy farmers are encouraged to attend a regional information meeting to learn how their promotion dollars are being put to work by the Wisconsin Milk Marketing Board, according to Sylvia Hemauer.

A Plymouth dairy farmer and WMMB secretary, she represents dairy producers in Kenosha, Milwaukee, Ozaukee, Racine, Sheboygan, Washington and Waukesha counties.

Besides highlighting WMMB's programs and progress, each of the March and early April meetings feature a panel of WMMB farmer-directors and staff that will field questions from the audience. WMMB President Dowaine Giraud and WMMB General Manager Will Dahl will attend the meetings, along with area WMMB directors.

Meeting registration starts at 10:30 a.m., with the program to follow at 11 a.m. and adjourn-

ment by 2:15 p.m.

Since lunch will be served, dairy producers and dairy industry representatives must make reservations by calling 1-800-221-WMMB. A reservation form was also included in the February issue of **Dairy Update**, WMMB's newsletter.

Meetings scheduled for this area include: March 9 - Dillon Royale Hotel, 2520 W. Washington St., West on Hwy. 33 off Hwy. 45, West Bend; March 10 - Holiday Inn, 625 Rolling Meadows Dr., Intersection of Hwy. 41 & 151, Fond du Lac.

**IN MEMORY**

In loving memory of our mother VIOLA BELGER, who passed away 21 years ago, Feb. 25, 1966:

Death is a heartache no one can heal,  
Memories are keepsakes no one can steal.  
Beautiful memories are all we have left,  
Of a wonderful mother we will not forget.

Sadly missed by her sons and daughters.

**IN MEMORY**

In loving memory of my husband, our father and grandfather, RICHARD HALFMANN, who passed away one year ago, March 7, 1986:

Days of sadness still come o'er us.  
Tears in silence often flow.  
For memory keeps you ever near us  
Though you died one year ago.  
Death can never take away  
And time cannot erase  
The memory of a loving heart,  
A dear familiar face;  
And there is comfort in the thought  
That as the years go by  
Our memories grow dearer still-  
For love can never die.

Deeply missed by the family.

**THANK YOU**

Thanks to all my relatives neighbors and friends who remembered me with cards, phone calls and visits during my stay at St. Joseph's Hospital. Special thanks to Rev. Paul Hoenecke and Vicar Straseske for their prayers.

Finish 5th in Conference

# Kewaskum Ski Team Goes to State

The Kewaskum ski team qualified for state competition at Rib Mountain, March 2, in Wausau. The state consisted of Slalom, Giant Slalom, and Downhill. Results will be published next week.

The team qualified for state this year by placing first in one meet, second in another, third in two meets, and fifth in one. The team also skied in the

conference meet and placed fifth.

The conference meet was held at Little Switzerland and consisted of ten teams from the Midwest Ski Conference. Kewaskum showed well by taking fifth and the top finisher for them was Jess Mueller taking eighth place with medalist honors.

## Indian Girls Eliminated By Horicon

Despite excellent play by the Kewaskum Girls Basketball Team, the Indians were eliminated from tournament action last Thursday night by the Horicon Marshladies with a score of 43-54.

Both teams came out strong in the opening minutes of the game. Jenny Hintz and Brenda Theusch paced the Indians in first quarter action with two baskets apiece to keep Kewaskum within reach at the end of the first quarter, 14-16. Play remained even in the second quarter, Horicon outscoring the Indians, 11-10, to lead at halftime by three, 27-24.

Horicon increased their lead to six at the end of the third quarter, but gained most of their momentum early in the fourth quarter with the elimination of Kewaskum's center, Pam Osterbrink, who fouled out of the game. With lack of

height, the Indians had trouble on the boards and were outscored by Horicon, 9-14, in the last quarter.

Jenny Hintz turned in another great performance for Kewaskum, leading the team with 14 points, 13 rebounds, four steals, and four assists. Brenda Theusch followed close behind with 11 points, 12 rebounds, six assists, and three steals.

Senior Brenda Vetter also helped along the Indians with eight points and three steals. Frosh Pam Osterbrink, despite lack of playing time as a result of fouls, came up with 12 rebounds and two steals.

Sandi Baerwald, spurred on by an impressive Horicon crowd, led Horicon with 24 points and seven assists.

The Indians finish their season with a 9-12 overall record.

## Falcons Down Indians, 62-59

The Kewaskum boys traveled to Sheboygan Falls in search of their first conference win Friday night as they played the Falls Falcons. This was the Indians final regular season game and it started in typical fashion for the Indians as they spotted the Falcons a 20-6 lead, 2 minutes into the second quarter.

The second quarter however was to belong to the Indians as they outscored the Falcons during a 5 minute stretch by a 19 to 5 margin to cut the lead to 28-25. The Indians had a let down during the last 30 seconds of the second quarter, with the score 30-27 and Kewaskum having the ball it looked like the Indians would go into the locker room at half being down by either 1 or 3 points. However

the Indians turned the ball over once and took a bad shot during the last few seconds and allowed Falls to score 2 easy baskets to take a 7 point lead at the half.

The third quarter was played even as both teams scored 11 points.

The Indians outscored the Falcons by 4 during the fourth quarter and had a chance to cut the lead to 1 with a few seconds left in the game but missed the front end of a bonus free throw.

Joel Fleury led the Indians with 20 points while Mike Coulter had 18, both players each had 10 rebounds while David Harju contributed 7. David Harju was also cited for his fine defensive play.

The Indians finish the season with a 1-19 record.

## St. Lucas Boys and Girls Capture First Place

At the annual KMLGSAL Boys and Girls basketball tournament both St. Lucas squads captured the 1st place trophies in exciting style.

The girls' success came against the always tough Thunderbolts of David's Star Lutheran School. The 24-20 victory gave the Lady Sixers their first championship trophy under the direction of Coach Ruth Huebner.

The Lady Sixers were led by 8th graders Jenny Lauer and Nicole Doherty with 12 and 5 points respectively. Super hustle and team play marked this victory for the Lady Sixers.

The boys' squad also won the first place trophy last Sunday night in fine style. Erik Kral led the Sixer attack with 12 points and Doug Stern added 10. Tim Stern controlled the rebounding action and Jody Ludwig led a

tenacious defense that never let up all evening for the 76'ERS.

The 35-22 victory over Bethlehem Lutheran School helped the 76'ERS to win their first trophy in a good long time.

A special thanks should go to all the Sixer fans who backed our teams in such a fine manner. Thanks for your support!!

This weekend at Peace Lutheran School in Hartford the 76'ERS will close out their season in the annual Peace Invitational Tournament. The first games are Friday, March 6th. The girls' first game is at 6:00 p.m. and the boys play at 7:00 p.m. Come out and cheer the 76'ERS on to victory!!

## Kewaskum Booster Club to Hold 5th Annual Basketball Night

If you want to have fun, laughs, and support a good cause all in one, then you should be at the Kewaskum High School Field House on Saturday, March 28th, when the Kewaskum Booster Club holds its fifth annual basketball night.

There will be plenty of action as teams from the Beechwood, Boltonville, Fillmore, Kewaskum, and Kohlsville Fire Departments take to the court along with a team of Kewaskum teachers and two ladies teams.

Besides the "fast footwork and ball-handling finesse" being displayed on the basketball court, spectators will be

treated to demonstrations by the Indian Princess Twirlers, speed rope jumpers, and music by the Pep Band. There will also be door prizes and concessions.

Proceeds from the event help the club back all extracurricular activities. So remember that date, Saturday, March 28th, games start at 6:00 p.m. Donation is \$1.00, and tickets are available from all the schools, Kewaskum High School students, area fire departments, and at the door.

See you there, and remember bring a friend, or two, or three or four!
