Annual Meeting Set for July 27

Wayne School Well Work to Start June 8

By GERRY MUELLER
Statesman Staff Writer

Buildings & Grounds Superintendent Fred Boehlke presented the Kewaskum School Board with plans for the second phase of work to construct a new well for the Wayne Elementary School. Work is scheduled to begin as soon as the school closes for summer vacation.

Earlier this year the board okayed the low bid of Tischendorf Well Drilling for the actual drilling of the new well. At Monday night's meeting, the board approved Tischendorf's low bid of \$4,365 to install a new pump, install and connect the necessary wiring and piping to the building and construction of a pumphouse.

Tischendorf will also seal up the old well at a cost of \$20 an hour, plus \$8.20 a bag for the necessary cement to close the well.

Board member Clara Trapp questioned the DNR's jurisdiction over the new well's construction, noting it will not be started until June 8th. According to meetings she had attended and news articles she had read, Trapp said she was under the impression the DNR would no longer be involved with wells after June 1st, and

control would then be turned over to local county and town governments.

Both Trapp and board member Ron Beimborn questioned whether or not it would be wise to hold off awarding the contract until after the first, on the premise the district might be able to save some money if the standards were revised when local governments take on the job of overseeing well construction.

At a Finance Committee meeting, Fred Zielieke of Zielieke Well Drilling had indicated he felt the old pump would be adequate for the new well. The DNR, however, has required the installation of a new 5 hp. pump. Trapp felt the new larger pump might not be necessary.

Board member Perry Anker-son felt the board should go ahead with the work noting bids had been received and he wanted the school to have a new well before school was back in session this fall.

The board voted to go ahead with the work on a 5-2 vote, with Trapp and Beimborn voting no.

The board also okayed Boehlke's bid to hire low bidder Mac, Inc., to do some culvert and blacktop repairs at Farmington Elementary at a cost of \$1,700.

Also approved was a contract to Iron Fireman for summer maintenance repairs for the district's air conditioners.

LaMarche and Sleger Careers Mark A Total of 72 Years in Education

Edward Sleger, left, congratulates Eugene LaMarche. Each man is retiring from teaching after having worked for thirty-six years in the field of education. Sleger was a member of the KHS Math Department and LaMarche was a member of the KHS Science Department.

By GERRY MUELLER
Statesman Staff Writer

Eugene LaMarche and Edward Sleger were honored guests at a tea held by the Kewaskum School District last week. The men are retiring from the field of education after teaching for an impressive total of 72 years between them.

LaMarche, a member of the Kewaskum High School Science Department, taught 36 years. Of those years, thirty-three have been spent in the Kewaskum school system.

Sleger, of the high school Mathematics Department, has

also been in teaching for 36 years, and 29 of them were with Kewaskum.

In presenting the men with plaques of appreciation from the district, Administrator Penny Kleinhans congratulated them on their years of service and thanked them for their dedication to the field of education and to the young people of the community.

The men also received certificates of recognition from the Wisconsin Department of Public Instruction and retirement gifts from the Kewaskum Education Association.

1987 J. O. Reigle Scholarships Awarded

Sherri Ann Batzler

Regal Ware, Inc. has awarded the 1987 J. O. Reigle Scholarships to Sherri Ann Batzler and John Markus, seniors at Kewaskum High School.

The \$6,000 scholarships are offered annually and now provide \$1,500 a year for a four-year college program.

Sherri Batzler is a member of the National Honor Society, Key Club, American Field Service and Future Business Leaders of America and she was the school's representative at Badger State. She competed all four years in cross-country, gymnastics and track. She has been recognized for her academic and sports achievements.

Ms. Batzler intends to fulfill her lifelong dream of a nursing career. She will begin her studies at the University of Wisconsin-Oshkosh in fall. She is the daughter of Mr. and Mrs. Donald Batzler of rural Campbellsport.

John Markus is also a member of the National Honor Society. He participated in the Chess Club and the German Club. He was math team of the school's math team.

John plans to attend the University of Wisconsin-Oshkosh to pursue his interest in computers and the high technology field. He is the son of Ronald and Erma Markus of rural Kewaskum.

Regal's scholarship program was established in 1963 in honor

John Markus

of the houseware firm's founder, the late J. O. Reigle. The award recognizes the outstanding scholastic achievements of one or more graduating seniors at Kewaskum Community High School and is pursued to assist them in their pursuit of a meaningful college education.

Swing Choir Receives 'Superior' Rating at State Music Festival

The Kewaskum High School Swing Choir capped its competitive year with a "Superior" rating at the Wisconsin State Music Festival in Madison on Saturday, May 2. The swing choir judge gave special recognition to soloist Jacqueline Schoofs and noted the work done by choreographers Jennifer Frac and Candi Goeden. This is the second time that the Kewaskum Swing Choir, under the direction of David Bertelsen, has placed in the "First" category in the state competition.

Other Kewaskum entries also performed well at state. Joel

Fleury, Jacqueline Schoofs, and Kim Poling received "Superior" ratings with their vocal solos. Megumi Sueki, a foreign exchange student from Japan who is staying with the Kleinhans family, achieved a "Superior" rating for her piano solo. Another "Superior" rating was received by the duet of Danielle Rogne and Joel Fleury.

"Excellent" ratings were achieved by Leighton Peterson (French Horn solo), Danielle Rogne (vocal solo), Carla Anderson and Danielle Rogne (vocal duet), and the symphonic band flute choir.

boilers and furnaces at a cost of \$3,500.

On a 6-1 vote, the board approved the purchase of a new lawn mower from Dairyland Equipment at a cost of \$1,593 plus trade.

The items would come from the 1987-88 budget funds.

The board discussed setting up budget discussion meetings to review the proposed 1987-88 budget. The first meeting is scheduled for Monday, June 1st, at 7:00 p.m.

The board also approved setting the 1987 Annual Meeting for July 27, at 7:30 p.m. Because teacher and support staff contract negotiations still have not been completed, Business Manager Cherna Gorder felt proposed budget figures would not change substantially between July and September. She, therefore, saw no reason to extend the Annual Meeting date on the assumption the administration would have some finalized figures by then.

The board also discussed the idea of going to a two-meetings-a-month schedule. Board member Ruth Schmitt, who brought up the idea, felt meeting twice a month would help to eliminate some of the lengthy meetings which have dragged on into the late hours of the night. She felt the second meeting could replace Finance Committee meetings.

Board member Ron Theusch disagreed, stating, "I would rather keep it at one. I think it's too much to ask people to attend two meetings. You may be right that attention lags sometimes, but I don't think meeting twice a month is the answer."

Ankerson told Schmitt, "I think the committee meetings are a real good thing. People have more of an opportunity to discuss their ideas and views because it's a more informal setting. If you put all three committees into board meetings, you would allow less time for people to have the op-

portunity to speak."

Board member Donald Nowak said he would just like to see more board members attending committee meetings as interested citizens in the audience.

Ankerson also addressed the board on the subject of setting up a code of ethics for itself. He read an outline of what he felt the code should contain. "I'm not so tied into the wording but I'm tied into the concept" said Ankerson. He told the board he was not looking for any action at this point, but that he did expect to see the proposal on the Policy Committee's next agenda and that something would be brought back to the board sometimes this summer.

The board approved an Advanced Placement classification for the high school Calculus course. The action would allow students taking the class to apply for college credits by taking and passing a college rated test.

Administrator Penny Kleinhans gave the board an update on fall kindergarten enrollment. So far 114 children have been enrolled, resulting in one section of 19 students at Wayne, two sections of 19 at Farmington, and three sections at Kewaskum Elementary. Kleinhans noted the count is down considerably from last year's enrollment of 150 students.

In other action, the board approved the hiring of seven temporary part time janitors, a school withdrawal, an early kindergarten entrance, the appointment of David Wietor as KHS head basketball coach, the acceptance of Mr. Ed Slegler's retirement resignation, and the resignation of Sharon Blank as cheerleader advisor. The board denied the request of the Administrator to carry over her vacation days from the 1986-87 to the 1987-88 school year.

Board members Clara Trapp and Ruth Schmitt volunteered to distribute diplomas at this year's graduation ceremonies.

Eden Area Fire Claims Barn and Cattle

By GERRY MUELLER
Statesman Staff Writer

A fire of undetermined origin destroyed a barn and over 70 head of cattle on the William Timblin farm, Highway B and W, early Saturday afternoon.

According to reports, shortly before noon, Timblin's nephew Todd and another employe were working on a truck when they noticed the barn was on fire. The fire department was called but within about ten minutes the barn was completely gone.

Eden Fire Chief Roger Engel said the barn boards were burned and the fire was through the roof by the time his department arrived. Fire Departments from Campbellsport, Mount Calvary, and the Town of Fond du Lac, helped Eden firefighters battle the blaze. The structure included an older 40 foot by 90 foot barn and a newer, 78 by 218 foot free stall addition. A 25 foot by 90 foot Harvestore silo was severely damaged by the flames. The milking parlor and milkhouse were saved.

Also lost were over seventy cattle, most of them dry cows

and heifers which were due to freshen in the next several weeks. Seventeen calves were lost and some animals in a nearby pasture may have to be destroyed because of smoke affecting them.

Although the barn was lost, firefighters were able to keep the fire from spreading to two homes and other sheds on the Timblin farm and to buildings at the Claude Miller farm across the road. Beside the intense fire, firemen had to contend with high winds which blew sparks over the area causing grass fires.

The Timblin herd consists of about 225 animals, with an average milking herd of about 120 cows.

Although insurance is not expected to cover the entire loss, the Timblins are considering rebuilding.

Timblin also owns and operates Timblin Transit. He is the twin brother of Henry Timblin of Kewaskum, who also owns and operates a trucking firm.

Village of Kewaskum NEWS NOTES

On Dogs and Cats

All dogs and cats are not to run at large or cause damage to other people's property. As per Chapter 12.02 of the Kewaskum Municipal Code and State Statutes Chapter 174.02. The owner or keeper of any dog or cat licensed or unlicensed, shall not permit the same to cause damage (leave body waste) on others property. These matters are also redefined in both Chapter 9, Peace and Order and Chapter 10, Public Nuisances, of the Kewaskum Municipal Code.

The "Park Rules and Regulations" prohibits all dogs and cats from entering any park. The Village would have no objection to a properly restrained animal, that is accompanied by the owner as long as no body waste is left behind. Children and adults use the parks for all types of activities and should not have to contend with unsanitary conditions.

Cluster mail boxes provide people using them the opportunity of walking their pets when picking up their mail. This provides the property owner that allowed the cluster boxes to be placed on his or her lot an abundance of animal waste being deposited adjacent to those cluster boxes. The above applies in this instance as well so please be considerate of your

neighbors and pick up after your pets.

Your cooperation and consideration of others would be greatly appreciated. The same rules apply for railroad right of ways, boulevards and the like.

Thank you!

Tom Pipines Speaks at Holy Trinity Mother's Day Breakfast

Tom Pipines, WITI - TV, Channel 6, Sports Director and Sports Announcer, greeted all the mothers, fathers and children on Mother's Day, May 10th, at Holy Trinity Church, sponsored by the Holy Name Society.

He opened his "hello!" by saying "He got lost along the way," coming to the lovely village of Kewaskum. He first went by the given directions, and then stopped at the first Holy Trinity Church, he saw — which just happened to be in Newburg.

He went as far as to ask if they were having a breakfast for the Mother's — they in turn said, "No!" Tom then asked, "If there was another Holy

Trinity Church close by?" And that's how he ended up taking a super rural ride to Kewaskum, which brought laughs to all!

Getting to know all about Tom was fun and interesting. He was filled with earnestness and a Christian attitude with his sentiments full of congeniality.

His outlooks and love of reporting and directing news about the Milwaukee Bucks, Brewers and Packers was shown all over his handsome face. Questions were answered and there was even one about the bowling that is no longer televised!

Tom requested that his visit be mentioned by him giving a gift donation to the Kewaskum Special Olympics. He invited everyone present to "come and visit" him at the TV station.

We would like to "THANK" Tom Pipines for coming and speaking with us on that special occasion, Mother's Day.

MARCOE'S RECYCLING

The motto of Project Concern International is "Involved In Mankind." The Kewaskum Junior Woman's Club, with the help of businessmen Larry Martin and Steve Van Ess and many hours of volunteer help from Junior Troop #72 and Brownie Troop #36 also became involved in mankind with a special service project.

Project Concern International is a twenty-five year old, non-profit, non-governmental health care training organization aimed at teaching people to care for themselves. Its goal is to reach children around the world, most severely threatened by hunger, poverty and disease, and to help prevent deaths caused needlessly by curable disease or malnutrition.

As an International Affairs project for the Kewaskum club, money and hygiene articles were donated by clubmembers. Larry Martin donated combs, while Dr. Steve Van Ess donated toothbrush kits for 45 hygiene kits. The Kewaskum Brownie Troop #36, with leaders, Carol Leitheiser and Jane Strobel, and the Junior Troop #72, with leaders MeriLou Chambers and Joan Stoffel, gave many hours of work sewing all the cloth bags, and

and did their part to help people care for themselves.

The Kewaskum Junior Woman's Club has already indicated a continuing commitment to this project for next year, and will be asking for the support of Kewaskum as a community committed to helping mankind.

"We can be wise from goodness and good from wisdom."

Kewaskum Middle School Student Is TV6 Weather Watcher

Chris Wunsch (right), an eighth grade student at Kewaskum Middle School, met with TV6 meteorologist Vince Condella recently during the annual spring meeting of TV6 Official Weather Watchers at the Station in Brown Deer.

Chris, 8022 Sandy Ridge, has been a Weather Watcher for just a few months. He admits a longstanding interest in weather sciences and says he enjoys work that benefits the public.

According to Condella, the volunteer Weather Watchers are contacted twice each day for

their reports on current temperatures and conditions. Their temperature reports and observations appear daily on TV6 News broadcasts, especially at five and ten o'clock.

During special weather conditions in their areas, Weather Watchers keep in close contact with the TV6 meteorologists. Their observations were especially important during the floods of August and September, 1986. The Weather Watchers reported up-to-the minute rainfall totals to TV6 meteorologists who, in turn, notified the Milwaukee Weather Service to aid in the issuance of the Service's flash flood warnings.

BENEFIT DANCE

Brigham, Goeden and Peterson Honored for School Board Service

Left to right — Tom Brigham, Jean Goeden and Kim Peterson were presented Plaques of Appreciation for their service as members of the Kewaskum Board of Education at a recent tea.

By GERRY MUELLER
Statesman Staff Writer

In recognition of their service to the Kewaskum School District and the community, former school board members Tom Brigham, Jean Goeden, and Kim Peterson were guests of honor at a recent tea.

Goeden, the senior member of the three former members,

spent ten years on the board. She served in many capacities including board president, clerk, and chairman of various committees.

Brigham served six years on the board, also having served as president for one year.

Peterson served three years as a school board member.

In presenting them with

plaques of recognition, District Administrator Penny Kleinhans said the three had brought needed diversity to the board. Brigham from the field of education, Goeden a concerned parent, and Peterson from private industry. Kleinhans noted the board spectrum of backgrounds as represented by the three had been a great asset to the district and the community. She thanked them for their time and dedication to the district and their concern for the welfare and education of the children of the community.

Boltonville to Kick Off Picnic Season

XYZ Club Plans Many Summer Trips

We are slowly moving toward the summer season. Our first event will be a sit down dinner May 27, at 12:00 noon at our Senior Center. Cards will be played that morning. (Wednesday) Our Card Party (Wednesday) Our Card Party is always the last Wednesday of every month.

Many of us enjoy trips and going to sport events. We plan on going to Whitnal Park where we will see a display of over 350 roses and other flowers.

Next we plan to take a two hour boat trip on Lake Geneva with dinner on the boat. From here we go to Richmond, Illinois, then home.

On July 16 we plan to see the California and Milwaukee Brewer game. We have lower grandstand tickets in Sec. 2, row 19.

Then on July 22, 23, 24 we plan a boat ride on the Mississippi, visit the Amish settlement in Galena and spend the night at the Holiday Inn at Dubuque. The next day will be a cruise on the river with meals on the boat, and spend the night at Bettendorf, Iowa at the Holiday Inn. The next morning we leave for home but stop at Long Grove, Ill., and stop for lunch there and browse around for awhile.

Our next trip will be a bot trip on the Horicon Marsh, then to

the Gobbler for dinner. We will then go to Watertown to see the Octagon House and also see where the first kindergarten was held.

If you are interested in these trips, please call 626-2984.

Come and enjoy a day with us.

Junior Women Enjoy Program On Home Furnishings

Members of Kewaskum Juniors with Millers' representatives Mary Ellen McElhatton and Sue Lathers.

On Tuesday, April 28th, members of the GFWC Kewaskum Junior Woman's Club and their guests enjoyed an informative program presented by Mary Ellen McElhatton and Sue Lathers of Millers' Fine Home Furniture of Kewaskum.

Speaking on styles, colors, trends, comfort and durability of home furnishings, Mary Ellen and Sue gave an excellent idea of the quality furnishings Millers' has to offer. Often stopping to answer specific questions, the ladies spoke on main groupings and accessories for each room of the house.

Juniors tested most items, and seemed to find the comfortable incliner chairs the most appealing. A lovely brass sculpture, donated by Miller's was won by Diane Stangl. All in attendance enjoyed the program and tour.

COOK BOOK GOING ON SALE

The Holy Trinity, St. Bridget Cook Book "Favorite Recipes" will go on sale after all the Masses on Sunday, May 17, in the church basement. Cost of the cook book is \$5.50.

Weekly Health Tip

From Tom Kennelly

SKIN CANCER

Repeated suntanning thickens and wrinkles the skin, and permanently aging its appearance beyond its years - whether the tan is acquired artificially from a sun lamp, or naturally from sunshine. In addition to this aging effect, ultra-violet light's cancer-producing effect is also permanent and cumulative as a risk of skin cancer. To minimize the risk use a sun screen.

Arbor Day Observed by Kewaskum Third Graders

Friday, May 15, 1987, Kewaskum Statesman, Page 8

The Kewaskum Elementary School third grade students and teachers Ms. Marlene Erickson and Ms. Eileen Ourada observed Arbor Day on April 30, by planting a tree on the school grounds. The tree was purchased by the Kewaskum P.T.O.

The planting of the tree culminated Arbor Day Activities the students had done during the week. These activities included such things as making posters and accompanying sentences showing various ways to appreciate trees, learning an Arbor Day song, reading an

appropriate poem over the public address system, and making and wearing a "Trees Help Me" tag.

Daniel Young won the name-our-tree contest with the name "Chisca" - an Indian word for "bird place."

'FAMOUS RECIPES' From the World's Greatest Kids

For Mother's Day, I received a colorful booklet entitled, "Famous Recipes from the World's Greatest Kids," from my son who is a first grader at Holy Trinity School in Kewaskum.

I sat down to read all the "famous recipes" and realized they were so precious, that they had to be shared. So here they are, by the "greatest kids," and their teacher, Mrs. Schacht, who helped make them "famous."

KHS Organizes SADD Chapter

Most everyone knows that driving while under the influence of alcohol is a major problem everywhere. Over twenty-six thousand people get killed by drunk drivers alone! To help combat this terrible fact, Kewaskum High School has organized a S.A.D.D. chapter. S.A.D.D. stands for Students Against Driving Drunk. Started in 1981 by Mr. Robert Anastas of Wayland School, Massachusetts, it is a nation-wide organization that alerts people about the effects of driving drunk.

At Kewaskum High, we are planning many fun and educational programs for the up-and-coming year. In fact we are holding a dance May 22, at 7:30, in Rose Hall at the high school. For the 1987-88 year, we would like to hold more dances, contests, have

speakers, and presentations. Just think, all this to promote the stupidity of drinking and driving!

We are looking for many good times, but without your help it might not become a reality. If you have any comments, questions, suggestions, time, talents, or anything, contact the high school, they will contact one of us. Jim Miller, a teacher at the Kewaskum schools, is the S.A.D.D. advisor. The elected officers are the following: Britt Ellis, president; Jeanine McElhatton, vice-president; Dawn Dieringer, secretary; Jeannine Williams, treasurer, and John Hazlewood, public relations.

Have safe and happy lives. Friends, don't let friends drive drunk!

Local FFA Banquet Held Thursday

By GERRY MUELLER
Statesman Staff Writer

Twenty members and 178 guests attended the Kewaskum Future Farmers of America chapter's 36th Annual Banquet last Thursday evening.

John Gehring, FFA Section State Officer, addressed the gathering. In his speech Gehring told the audience that though days have been dark for today's farmers things are starting to look up and there is a future for young people in agriculture and its related fields. He concluded his comments by stating, "If I did not believe in the future of these blue and gold jackets, I wouldn't be standing here tonight."

Two new members were inducted as Honorary Chapter Farmers, they are Randy Backhaus and Roger Stolt.

Graduating senior and chapter president Renee Kapp received the State Farmer and DeKalb Outstanding Senior awards. Bill Butzlaff received the Midwest Livestock Breeder Award, Brian Oelhafen was named the Purina Outstanding Senior, and Andy Degnitz received the Outstanding Dairy

Award from East Central Select Sires.

Kapp and Steve Redig were both honored as FFA Member of the Year. Patsy Panzer was again named to the State FFA Choir.

Scholarships were awarded to Michelle Petsch who received both the Kewaskum Veterinary Clinic and New Fane Kettle Riders Snowmobile Club - James Aupperle Memorial scholarships; Andy Degnitz winner of the Kewaskum Frozen Foods award; Steve Redig recipient of the FFA Alumni scholarship, and Debbie Pamperin winner of the Waubeka Mills scholarship.

Kewaskum High School teachers David Drexler, David Stradtman, and Howard Zemlicka were recognized for their guidance and help which enabled the chapter's Farm Mechanics team to take First Place in state competition and advance to national competition which will be held next November in Kansas City.

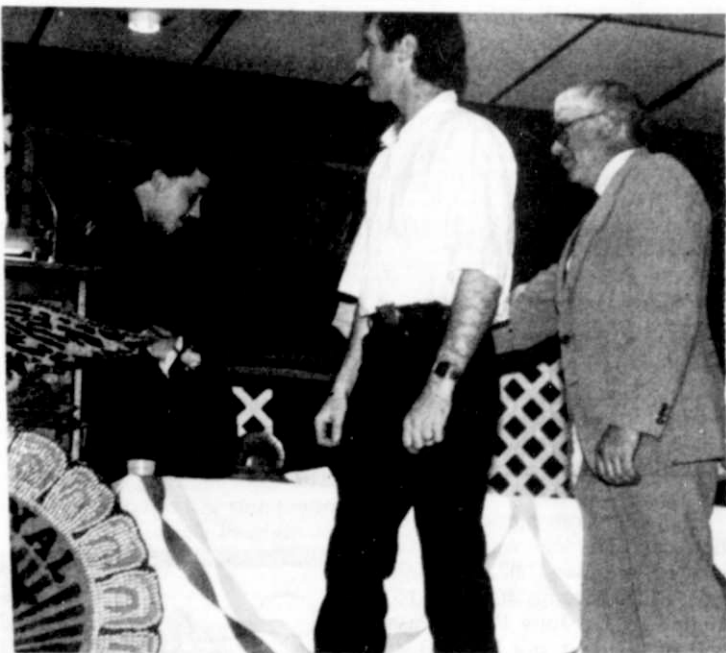

Local proficiency awards and fruit and cheese sale prizes were also awarded to the chapter members.

FFA Section State Officer John Gehring addressed the 36th Annual Banquet of the Kewaskum chapter.

Mr. O'Brien and Bill Butzlaff, winner of Midwest Livestock's Breeder Award; Renee Kapp, winner DeKalb Outstanding Senior Award; Andy Degnitz, recipient of Outstanding Dairy Award with Mr. Hahn of East Central Breeders; Brian Oelhafen, Purina Outstanding Senior Award, Mr. John Fest of Purina Co., and Mr. John Lockwood, Kewaskum Mill.

Randy Backhaus, left, and Roger Stolt, right, were named Honorary Chapter Farmers for 1986-87.

Scholarship presenters and winners: John Herriges, Vice President, Kewaskum FFA Alumni with Steve Redig, winner; Jacquie Voeks, winner of Waubeka Mill scholarship presented by Debra Pamperin, President of New Fane Kettle Riders Snowmobile Club - James Aupperle Memorial recipient Michelle Petsch who also received the Kewaskum Veterinary Clinic scholarship, Dr. Greg Ogi, Dr. Charles Ogi; Andy Degnitz, winner of Kewaskum Frozen Foods scholarship presented by David Nigh.

TO WHOM IT MAY CONCERN

Now that Spring is here and we can take walks cheerfully through the streets of Kewaskum - it dismays me to see this beautiful village and town littered with candy, gum and the likes alongside of the 45 Highway sidewalks.

Let's not litter our lovely walkways that lead us to stores, schools and the like. It's disgusting and ugly! GIVE A HAND - DON'T POLLUTE!

No digging zone!

Call before you dig into someone else's conversation.

If you're planning to do any kind of underground digging, give a quick call to your telephone company. It can save time, trouble and interrupted conversation for unsuspecting telephone users.

Maybe someone's just about to pop the question. Or get a great job offer. Then the line goes dead because you cut into their telephone cable.

The telephone company has a free service

designed to help prevent these accidents. Just call us three working days before the start of construction. The call to make before digging is to "Diggers Hotline" 1-800-242-8511. The call is toll-free and it can help ensure trouble-free service.

So if you're putting in fence posts, building a shopping center or expanding a freeway, call us. We'll come right out and mark the precise location of the underground telephone cable... so you won't cut in on someone's important conversation.

It's coming in the mail. It's worth hundreds of dollars. And it's worth hanging on to.

Sometime before the end of May, you'll receive a brochure containing your very own Wisconsin Electric Smart Money Energy Card.

Keep it in a safe place.

It's a way to get in on some of the greatest lighting and electric appliance deals ever.

We're offering 12-months free financing or rebates of up to \$75 on new appliances and up to \$40 on light fixtures that meet certain energy-efficiency standards.* And we have deals on air conditioners and water heaters, too.

So bring your Smart Money Energy Card with you when you shop.

Why are we doing this?

One of Wisconsin Electric's long-term goals is to keep providing electric power at the lowest price possible.

The Smart Money Energy Program can help us achieve that goal.

By encouraging conservation today, we won't need to build as many expensive new power plants to meet the demand for electricity in the future. That means less cost for us—and you.

Now that's Smart Money.

Children Enjoy Visit to Dentist

Pictured with the children from My Little Friends Day Care are, left to right, Shawn McElhatton, Day Care Director, Dr. Stephen Van Ess, Kewaskum Dentist and Donna Schoofs, Day Care Teacher.

On Thursday, April 30th, twenty-one children enrolled in My Little Friends Day Care Center took a field trip to visit the dentist. The class had worked on a dental care project the week before which involved making molar nametags, a toothbrush, toothpaste and dental floss for a large bulletin board at the school.

Dr. Stephen Van Ess of Kewaskum took the children, Shawn McElhatton, day care

director and Donna Schoofs, assistant head teacher through the steps of good oral hygiene, including demonstrations of brushing, talk about eating habits and nutrition. In addition, children saw plaster models of teeth, x-ray films and instruments used in many phases of dentistry.

After promising to brush faithfully and take care of their teeth, each child became a member of the Happy Tooth

Cavity Fighter Club, received a toothbrush kit and other information on dental care.

My Little Friends is a state licensed day care facility, offering care for children 2-7 years old, and after-school care. Other field trips arranged through the school include Pizza Hut, an apple orchard, a pumpkin farm, the Milwaukee County Zoo, Kewaskum fire house and a special Christmas caroling trip.

Two persons lost their lives, one of them a Kewaskum restaurant operator, and five others were injured, four of them seriously, in a head-on crash on Saturday on Hwy. 41, approximately nine and one-half miles north of Fond du Lac. Killed were Leroy C. Schultz, Sr., 56, of Kewaskum and Mrs. Esther Landgraf, about 47, of Route 1, Amherst. Injured were Frank G. Landgraf, 51, of Route 1, Amherst; Mrs. Leroy Schultz, Sr., 43, Kewaskum; her son, Leroy, Jr., 16, Kewaskum; Richard J. Merkt, 16, Route 3, Campbellsport, and another son, Richard Schultz, 10, Kewaskum. According to a police officer Landgraf was attempting to pass a mobile home when his station wagon collided head-on with the Schultz auto. Schultz operated a restaurant business in Kewaskum with his wife under the name of Schultz's Village Inn.

Allan Rinzel has been named valedictorian of the 1962 graduating class of Kewaskum High School. Allan's average for the four years is 96.90. He is the son of Mr. and Mrs. Edmund Rinzel of Route 1, Kewaskum. Dona Mueller, daughter of Mr. and Mrs. the suitor of Route 1, Fredonia is the valedictorian of the class with an average of 94.31. Other honor students in the class are Leon Guntly, Diane Becker, Carol Schladweiler, Edward Ferber, Richard Groh, Hollis Kohl, William Koepke, Carolyn Vollmer, Karen Fickler and Ronald Gross. The Kewaskum County Homemakers' Scholarship is happy to announce that Miss Carolyn Vollmer is the winner of their annual award of \$150. She is a senior at KHS and the daughter of Mr. and Mrs. Herman Vollmer, Route 2, Kewaskum.

Miss Maureen Borchert, daughter of the Milton Borcherts, Kewaskum, became the bride of Norman Heberer, son of Mr. and Mrs. John Heberer, Sr., Route 2, Campbellsport, during a ceremony in Peace United Church of Christ, Kewaskum on May 5.

The faint strains of Hawaiian music have been floating about the KHS gym this week in preparation for the Junior Prom, "Under Hawaiian Skies," on May 11. Reigning as king and queen for the evening were Allen Koepke and Barbara Fickler. The court for this year's Junior Prom included Russell Breit and Gelane Vetter, David Rohlinger and Janet Dreher,

Gerald Geidel and Kathy Hron, John Thorn and Penny Picard, Bill Sengpiel and Jean Schuppel, and Mark Kral and Dianne Schaefer. Presiding as master of ceremonies was Jack Theusch.

A large black bear and a cub, coming down a bank along County Trunk Hwy. G between New Fane and New Prospect were reported seen by a fishing party returning from a fishing near Dundee one night last week. Mrs. Daniel Ebert said the animals turned around and headed back into a wooded area when they apparently were frightened off by the approaching auto and headlights.

Mrs. Walter Heberer, 61, nee Norma Kumrow of New Fane, died May 10 at Memorial Hospital, Sheboygan.

Army National Guard Specialist Four Joseph J. Harter, 25, son of Mr. and Mrs. Aloysius J. Harter, Route 2, Kewaskum, participated in the week-long Sixth U.S. Army Rifle Matches at Fort Lewis, Washington, which ended April 13.

Mrs. Robert McCullough, 77, nee Mary Agnes Murphy, of the Town of Wayne, passed away on May 6 at her home.

Miss Viola Hawig has been named valedictorian of the senior class of KHS with an average of 93.12 for her four years' work in school. Miss Ruth Mary Fleischmann is salutatorian with an average of 92.95 — only .17 of a point behind Miss Hawig. The next three high students in the class in the order of their ranking are: Jeanette Werner, Dorothy Becker, and Ralph Marx.

Last Sunday, Postmaster Heppe had the entire fixtures, equipment and mail in the local post office transferred from its home in the annex building of the A. G. Koch to a new location. The post office is now situated on the ground floor of the Heppe building on Main Street about a half west of its former site. All the fixtures have been stationed and mail is now being dispatched as usual out of the new place. The post office had been located in the Koch annex for a good many years, ever since the time it was moved from the Marx building when Geo. Schmidt was postmaster during Woodrow Wilson's administration as president. Before that it was also situated in the Koch building when the late A. G. Koch was postmaster

for many years.

Be sure to read the ad elsewhere in this paper of the opening of a new beauty shop in Kewaskum, to be known as Bruessel's Beauty Shoppe. Mrs. Lydia Bruessel is the proprietor and manager of the shop, which is located in connection with her home on Prospect Avenue.

The St. Michael's Dramatic Club will present a play, "Professors Preferred," in the St. Michael's Hall on May 16 and 18. The cast of characters includes: Viola Schladweiler, Lucille Theisen, Genevieve Lehnerz, Marie Schladweiler, Albion Lehnerz, Arnold Schladweiler, Leo Schladweiler, Victor Schneider and Carl Herriges.

The businessmen of this village have made it possible again this year to show free movies during the summer months. This year free movies will be held on Wednesday and Saturday evenings instead of Saturday evenings only. The first picture will be shown tomorrow, Saturday evening, on the vacant lot between the Bank of Kewaskum and the Otto Graf drug store. Let's everybody crank up the old speed buggy and come to Kewaskum to attend these excellent open air entertainments.

A Spring wedding ceremony was performed by Rev. Richard M. A. Gadow in the pastor's residence in this village on May 1, uniting Miss

Verona Glass of Beechwood and Alfred "Ollie" Uelmen, son of Mr. and Mrs. Jos. Uelmen of Kewaskum.

Congratulations to Mr. and Mrs. Andrew Staehler of the Town of Kewaskum, residing south of the village, on the arrival of a baby girl on May 12.

Marshall Geo. F. Brandt last Thursday evening made one of the best hauls in this community, when he captured a

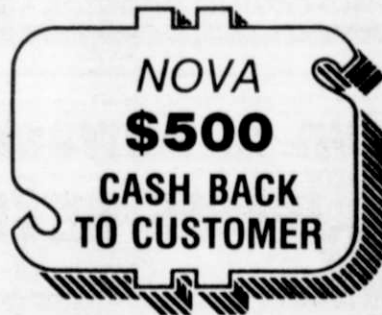

professional burglar, and in his possession found a complete set of burglar tools. A clue was telephoned by Jacob Ferber of the Town of Auburn, stating that two men stole a horse and rig and drove towards Kewaskum. Marshall Brandt at once kept on the lookout and spied them driving on Malt House Street to Oppermann's place, where the men left the horse stand, no doubt with intentions of doing some burglary. When at Groeschel's corner, Marshall Brandt got the drop on them and was successful in capturing the main man. The other lad escaped. Upon searching the party, a loaded 48-calibre revolver was found in the prisoner's coat pocket.

Kewaskum is making very elaborate preparations for the Homecoming which will be held on July 27th and 28th. All the progressive and enterprising citizens of the village are doing all in their power to help make this a very grand affair. While something unusual and attractive is being arranged for every minute of the festivities, the Industrial Parade on July 28th will without question be the most attractive.

Minutes of Village Board Meeting

Regular Meeting
May 4, 1987
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. Trustee Charles Boegel asked to be excused and was absent. All other Trustee Members were present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Mary Krueger, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the minutes of the April 20, 1987, meeting were approved as printed.

The Board reviewed the Engineer's proposals on the Fire House project briefly and noted that a joint Protection & Public Safety and Fire Department Committee meeting will be held on Thursday evening at 6:00 p.m. to select specifics for bidding the job.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the advertising for bids for the Fire House repair project.

Fire Chief Donald Ehnert also informed the Board that the Department had purchased a pickup truck chassis and was having cabinetry built for hauling equipment. The truck & cabinetry are to be paid for by the department and will cost an estimated \$30,000 to \$35,000. When all is completed the truck shall be given to the Village for the department.

Superintendent of Public Works, Bill Gilgo, informed the Board that the News Notes was in the paper on grass clippings and his department was monitoring the situation. The topic will be placed on a future agenda for further discussion.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the purchase of a Dissolved Oxygen Recording Meter at an approximate cost of \$2,500.00.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the application for an Operator's (bartender's) License upon proper payment of fee and authorized the office to issue said License as follows:

Marlene Boegel, West Bend, WI

NOTE: The Police Department had no objections to the license.

On a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the Building Permit application of Jerome Kuehl, 623 Highland Avenue, to construct a detached garage and authorized the office to issue the permits upon

proper payment of fees. The plans were approved by both the Building Inspector and Zoning Administrator. NOTE: The old single car detached garage to be removed.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Balance Sheet for April, 1987.

2. News Notes regarding vehicles, unlicensed and licensed, left on the street indefinitely.

3. Mid-Moraine Municipal Association May meeting scheduled for the 27th.

4. Reminded Board of the Board Review meeting of May 11, 1987.

5. Review of some brief correspondence.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schmidt and carried unanimously by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Village Gen. Fund	\$81,732.06
Water Dept. Fund	31,069.79
Sewage Dept. Fund	7,562.25
TID Fund #1	44,193.75

Conservancy at Lac Lawrann Announces 1987 Tour Season

The Lac Lawrann Conservancy, 104 acres of naturally landscaped wetland, woodland and open areas all beautifully blended, has again opened its season for guided tours through its trail system. The conservancy, because of its fragile environment, is open to the public through guided tours or by special appointment only. It offers a unique look at the natural environment.

Lac Lawrann Conservancy was made possible through a gift of the original twenty acres donated to the City of West Bend Park System in 1979 by Lawrence and Ann Maurin. In the thirty-one years the Maurins lived on the property, 223 individual plant species, 220 bird species, 25 animal species and a variety of reptiles and amphibians have been identified. The Maurins have been recognized in the area for sharing their wildlife refuge with local school and scout groups for educational purposes long before the land was given to the City. They were the recipients of several conservation awards on local, state and

national levels.

The 1987 Tour Schedule is as follows:

Sunday, May 17 — Getting To Know Lac Lawrann Conservancy.

Sunday, May 31 — Indian Uses Of Plants with Lee Olsen.

Saturday, June 6 — Let's Go Frogging Down At The Pond with Don Reed.

Sunday, June 7 — Getting To Know Lac Lawrann Conservancy.

Sunday, June 14 — Pond Ecology with Suzanne Wade.

Sunday, June 21 — Getting To Know Lac Lawrann Conservancy.

Sunday, June 28 — Fur & Feathers, Animal Coverings with Suzanne Bateman.

Sunday, August 2 — Textile Dyes from Nature with Colleen Lepper.

Sunday, Sept. 13 — Getting To Know Lac Lawrann Conservancy.

Sunday, Sept. 20 — Land Formations of the Kettle Moraine with Maurie Hovland.

Sunday, Sept. 27 — Animal Life of Lac Lawrann Conservancy with Armen Schwengel.

Sunday, Oct. 4 — Getting To Know Lac Lawrann Conservancy.

Sunday, Oct. 25 — Getting To Know Lac Lawrann Conservancy.

Advance reservations are required for all tours. To make reservations please call the West Bend Park Department Office at 338-5080. All tours are free and children are welcome.

Getting to Know Lac Lawrann Conservancy

A little bit of history, a little bit of plant lore, a little bit of sunshine and the quiet sounds of the natural out-of-doors. The Lac Lawrann Conservancy, located just outside of the City of West Bend, is the place to head for to enjoy a leisure walk to hear the spring bird calls, see the spring wildflowers and discover wildlife. In its seventh season since becoming part of the City's Park System, the conservancy continues to offer an opportunity for the community to share an ex-

perience of "getting back to nature" through its guided public tours.

On Sunday, May 17, volunteer Naturalist Carolyn Johnson, will lead a walk along the conservancy trails. Carolyn is the historian of the volunteer program. Tour participants will learn about the ecology of the area through the relationships between man and wildlife and

how they have lived together during the past 100 years. Fritz's shack, which recently has come into its own notoriety, is part of the area's history and is located along the accessway or old railroad bed which once served the city, carrying loads

of ice, sand and gravel.

The conservancy's tours are offered free of charge and children are encouraged to attend. Advance reservations are necessary and can be made by calling the West Bend Park Department Office at 338-5080.

Open House at State Parks May 17

For a good time in the springtime, join us on Sunday, May 17th during open house day at Wisconsin's state parks, trails and forests.

Dave Weizenicker, Director of the Bureau of Parks and Recreation in the Department of Natural Resources, said that as in the past, admission fees for the state facilities, including Heritage Hill State Park, would be waived for open house day. "The admission free day has become popular over the years," Weizenicker said, "because it gives people an opportunity to visit their state parks, trails and forests during one of the most beautiful times of the year. Quite a few people make it their 'annual first picnic' day." Though admission is free on May 17th at state operated facilities, camping fees are not waived.

Open house activities vary from park to park. Many offer free refreshments, and guided wildflower and bird watching hikes are scheduled at a number of parks. Weizenicker advised that anyone interested in what activities are planned for May 17th at a particular park, call that park in advance of the open house.

And, as they have during the past two years, the Wisconsin Association of Campground Owners (WACO) is joining the Bureau of Parks and Recreation in the open house day program. Jim Kollock, President of WACO said that camping will be free Saturday night, May 16th, at participating private campgrounds. "Seventy-five percent of Wisconsin's campgrounds are privately owned," Kollock said, "they are nice places offering many amenities. We would like people to visit them and see how much they have to offer." Persons wishing to find out which private campgrounds are participating in the open house should call (715) 335-6860 collect.

"Wisconsin's beautiful outdoor recreation facilities rival those of any state in the country," Weizenicker concluded, "and I hope people take advantage of this opportunity to visit Wisconsin's parks and campgrounds, both public and private, to enjoy one of the nicest times of the year to be outdoors."

"Compromise is the art of slicing a piece of cake in such a way that everyone believes he received the biggest piece."

KHS Boys Tennis

by Becky Morlen

During a busy tennis week, the Kewaskum High School boys' tennis team journeyed to Sheboygan Falls on May 5 for a hopeful victory. With the only victor being Hubbell, but a close near victory for Kaufmann - the team couldn't come up with more than a 1-6 score.

Hubbell vs. Varachek 7-6, 6-1
Kaufmann vs. Felsher 6-4, 5-7, 5-7

Miklas vs Cherveney 1-6, 0-6

Bowser vs Aparicio 0-6, 3-6

On Monday, May 11, the

boys traveled to Waupun for a

non-conference meet. In the extreme heat and humidity, the boys had plenty of time to warm up. It turned out to be parents night for the Warriors, and with a large team and four courts, the boys were in for numerous matches although the coaches decided to play a 9 game pro-sets or a tie-breaker at 8-8 to save time. With only the first round counting and victories for Hubbell, Kaufmann and Hynst - Sison, Kewaskum lost to Waupun. (Hubbell 9-3, Kaufmann 9-7, Hynst - Sison 9-1) Although Kewaskum lost according to the first round, they did well with victories for almost all of the team members in later matches. Coach Rosenthal experimented with some line-ups. Some of the singles players making up a doubles team, a doubles team splitting for singles action. Overall it was good practice for the team.

Taking it on the road to Two Rivers on May 8, still without Johnson, the team tried their hardest to win another match but the competition played well. With a usual victory for Hubbell and an exciting match for Hynst-Sison, the team returned with two victories and a 2-5 defeat.

Hubbell vs Jebavy 6-0, 6-1

KMS 7th Grade Basketball Team Has Successful Season

Front row, left to right — Jason Reindl, Bob Schreffler, Mike Daley, Jason Krahn, Thad Koontz, Brian Blair and Brett Prost. Back row — Joe Rehbein, Matt Seiser, Randy Schlice, Eric McElhatton, Dave Bowser, Joe Horwath, Russ Bielaga and Steve Schurrer.

Recently the Kewaskum boys 7th grade basketball players completed a very successful season. The boys learned a lot of fundamental basketball skills, worked very hard at physical conditioning and practiced hard at playing team defense and offense.

At the half way point of the season Kewaskum's record was only 1-6. It became apparent that Kewaskum was having a hard time keeping up with some of the teams. The Kewaskum boys started working even harder at physical conditioning by running stairs, laps, and touch downs. Their hard work seemed to pay off as Kewaskum avenged earlier losses to Pewaukee, Hartford and

Slinger. The team finished with a very respectable combined record of 5 wins and 7 losses. Much improvement was made by all the members of the team and both coaches remarked that they enjoyed working with the boys.

Team members were Randy Schlice, Matt Seiser, Joe Horwath, Thad Koontz, Dave Bowser, Jason Krahn, Dave Bowser, Steve Schurrer, Joe Rehbein, Brett Prost, Bob Schreffler, Brian Blair, Jason Reindl, Eric McElhatton, Mike Daley, and Russ Bielaga. The team was coached by Gerald Gosa and Kathy Schlice. The boys were recognized for their accomplishments at the KMS Awards Night on April 14.

KIDS WRESTLING PROGRAM CONCLUDES — Coach John Nell along with the help of a few of his wrestlers directed the kids wrestling program from March 10 to March 31. Over 50 kids participated. They were taught the rules of a wrestling match and were instructed on the fundamentals of wrestling, take downs, reversals, escapes and pins.

Goeden Seriously Injured In Kaukauna Stock Car Crash

WILLIE AND NO. 72

Kewaskum stock car driver Willie Goeden was listed in critical but stable condition at St. Elizabeth's Hospital in Appleton with severe head and chest injuries resulting from a multi-car pile-up Thursday at Wisconsin International Raceway, Kaukauna.

Goeden, 48, a veteran of over 30 years of racing at area tracks, was trapped in his car after he was turning to avoid a four car pile-up. He ended up being pushed sideways 130 feet into

the wall, with the drivers side against the wall, by another car at full throttle. The accident happened on the first lap of the 20 lap late model feature race.

The roof and part of the roll cage in Goeden's car were cut away in order to free him.

It took over one hour to free him and to clean the track of the wreckage.

Goeden has also raced in the American Speed Association and Artgo events. He was also planning to start at Plymouth

Saturday night.

The Goeden family would like to express their deepest gratitude for all the flowers and plants, calls and concern and most of all your thoughts and prayers.

The hospital has requested that no flowers or plants be sent to him at this time. If you wish to send a card the address is: St. Elizabeth Hospital, 1506 South Oneida St., ICU #12, Appleton, WI 54915.
