CAN YOU HELP?

-Penny J. Kleinhans, Superintendent

Among the many exciting things happening in our school district currently is the development of programming for GIFTED AND TALENTED STUDENTS.

Research continues to show that, as a group, these students are the most underserved pupils in public schools. Too often, these youngsters have been ignored, restricted or are underachieving because they're not challenged enough academically or creatively.

While as educators it has always been a goal to meet the individual needs of each student, new state law

(121.02(1) part t) requires that "each school board shall provide access to an appropriate program for pupils identified as gifted and talented." This will require an identification process and more formal, specific curriculum and activities appropriate to the developmental needs of those children and youth identified.

The rules for establishing this program say that "the school district board shall provide an opportunity for parental participation in the planning of the proposed program." The law requires the districts to be in

Salem UCC to Honor Pastor Staskal's 25th Anniversary

June 7, 1987 is Pentecost — the historical birthday of the Christian Church nearly 2,000 years ago. It is also one of the dates that Salem United Church of Christ at Wayne has selected to observe the 130th anniversary of that congregation.

At the 9:00 a.m. worship, the Rev. Louis Grossen, Director of Church Relations at Lakeland College, Sheboygan, will be guest speaker. Special music will be provided by Donald Stettler as soloist.

Following worship, a special

program will be held to honor their pastor's 25th anniversary of his ordination. The Rev. Dr. Milton Staskal has been the pastor of Salem UCC since January 1, 1985. Greetings and special music will be presented by people from former congregations. The public is invited.

The festivities will conclude with brunch.

Salem UCC at Wayne is located at Washington County Highways H & W 5-29-2t

Marigolds' Kewaskum Plant Wins Award

The coveted Wayne Gingrich Outstanding Plant Quality Award was presented to Marigold Foods for its Kewaskum, Wisconsin plant.

Meredith Conelley, Plant Manager, accepted the award at the Quality Checkd annual awards banquet in Denver, Colorado.

The Kewaskum plant was cited as "best single plant" out of 105 Quality Checkd dairy plants in the United States and

Canada. Representatives of Quality Checkd visited the seven plant finalists prior to selecting Marigold's Kewaskum plant.

"We're naturally very pleased with this recognition, and we're looking forward to competing again for the 1988 award," noted Conelley.

Marigold Foods manufactures and distributes milk, cottage cheese, ice cream and other dairy products under the KEMPS label.

compliance by 1988.

A committee has been formed and been reviewing materials for part of this past year. We would now like to expand it by gaining more parental input. If you'd like to help us in this exciting, worthwhile effort, or just want to find out more about it, please call Superintendent Kleinhaus at 626-8427.

Volunteers' names will be submitted to the Board of Education at its next Regular Meeting on June 8th for appointment to the committee.

Markus Awarded \$500 Renewable Scholarship from UW-Oshkosh

OSHKOSH — Nine outstanding Wisconsin high school students will receive full tuition honors scholarships at the University of Wisconsin - Oshkosh next fall, university officials have announced.

Four of the scholarships will go to minority students. Four of the nine are national Merit Scholarship semi finalists.

The nine scholarships are in addition to five, full tuition scholarship recipients announced by the National Merit Scholarship Corp. recently who will also attend UW-Oshkosh next fall.

UW-Oshkosh is one of five National Merit Scholarship institutions in Wisconsin.

Each of the National Merit scholarships will be funded by \$2,000 from UW-Oshkosh. The remainder will come from the university's privately funded University Honors Program.

University officials also announced the names of 20 recipients of \$500 scholarships, renewable over four years. One of these recipients is John Markus, 8343 Kettleview Dr.,

Kewaskum.

All of the scholarships were aimed at high school seniors in the top 10 percent of their graduating class who have demonstrated leadership abilities. All were funded by private contributions.

"It's a pleasure to announce the names of these outstanding students, who exemplify academic and leadership excellence," said Vice Chancellor David J. Ward. "We're also grateful for the generous support from alumni and friends that makes these scholarships possible."

Among the scholarship applicants were 17 valedictorians (first in their high school class) and 22 salutatorians (second in their class).

Graduates From Wartburg College

WAVERLY (IOWA) — Some 232 seniors participated in Wartburg College's 135th Commencement Sunday, May 24.

Of these, nine received the Bachelor of Music Education degree, two the Bachelor of Applied Science degree and the remainder the Bachelor of Arts degree.

The list of graduates included Jandelyn Hazlewood, daughter of Mr. and Mrs. John Hazlewood, 1093 Fairfield Court, West Bend, (BA).

Village of Kewaskum NEWS NOTES Making Use of Your Yard Waste

Second in a Series of Three

Composting is perhaps the best way to transfer this summer's yard and garden waste into soil fertilizer for next summer. Compost is an ideal soil amendment for gardens, flower beds, shrub areas, and potting soil. A variety of lawn, garden, and home waste materials will produce excellent compost.

These materials include grass clippings, leaves, manure, straw, hay, sawdust, shredded newspaper, hedge clippings, and plant refuse (if it is not diseased). Wood ashes are not recommended because they act as liming agents in the soil and soils in this area already have a high pH (alkaline). Most home garbage may be used in the compost heap with the exception of grease, fat, meat scraps, and bones. These may attract animals and develop an odor during decomposition.

To begin your compost pile, provide an enclosure to hold the materials in place. Make the bin a workable size and height. A 3 to 5 foot circular or rectangular bin which is 4 to 5 feet high is best. Chicken wire or snowfence make ideal construction materials since they allow good air circulation through the pile.

If you have the room, build two side-by-side bins. Two bins permit turning compost by moving it from one bin to the other.

The pile may be started directly on the ground if your soil is well drained. Spread a six to ten inch layer of organic matter in the bin, usually

putting your coarsest material on the bottom. Moisten, but do not soak, the layers of organic material.

Over the layer of your composting material, sprinkle a complete garden fertilizer such as 10-10-10, about one cup for each 25 square feet of surface area. Mixing fresh grass clipping in with the compost often provides the needed nitrogen.

Next, add a layer of soil one to two inches thick. The soil contains micro-organisms necessary for decomposition. A layer of finished compost from the prior year may be substituted for the soil. Continue alternating these layers until the pile reaches a maximum height of five feet. Moisten each layer as needed.

Proper care of the pile is essential to insure successful compost. Turning or mixing the pile periodically is necessary. During warm weather, turn every one to two months. In the winter, little decomposition occurs, so turning is not necessary. During excessively heavy rainfall, the pile should be covered with plastic to avoid soaking.

About a month after starting the pile, it should be hot in the center. The temperature should reach between 140° and 160°F. This will kill off many, but not all, weed seeds and plant diseases. The heat indicates proper decomposition. Failure to heat may be a result of too much water, improper aeration, too little nitrogen, or too small of a pile.

The compost will be ready to use in 8-12 months. The pile should shrink to about half of its original height. The finished compost will be dark and

crumbly and have an "earthy" smell. Compost should be used as soon as possible to prevent excess nitrogen loss. Apply a one to three inch layer of compost over your garden soils and work it into the underlying soil with a spading fork or rototiller.

School Budget Meeting June 1

By: Cherna A. Gorder
Business Manager

The Kewaskum Board of Education will hold a special meeting on Monday, June 1st, to review the proposed 1987-88 school budget. District residents are invited to attend the session which will begin at 7:00 o'clock p.m. in the Kewaskum High School commons.

The total proposed 1987-88 budget calls for an increase in total expenditures of \$242,905 or 3.6% over the 1986-87 budget. The total 1987-88 proposed expenditures are \$6,996,622.

Although salaries and benefits will increase by \$383,067 or 7.63% over the 1985-86 budget, expenditures for all other areas of the budget will decrease by \$140,162.

Major cost reductions to the budget this year include: savings of approximately \$11,000 due to the conversion of CESA data processing to in-house data processing; savings of \$5,000 in telephone costs due to the purchase of a phone system; property insurance cost savings of approximately \$20,000 as the district will insure under the Local Government Property Fund; the reduction of one administrative position at a net cost savings of \$21,000; and a reduction of \$15,000 in unemployment compensation.

A new program added to the budget for this next year is the Alcohol and other Drug Abuse program at a cost of \$28,000. A grant has been written for this project. Should the grant be approved, the district will receive approximately \$22,000 to offset the above costs.

Budgeted equipment includes three replacement photocopiers, two pianos, typewriters, a neon laser microscope, an athletic mat, a replacement lawn mower, and various audio-visual equipment. In addition, the computer curriculum committee will be proposing to begin a replacement of the Commodore computers at the elementary schools with Apple computers. The Apple computers will be moved from the high school to the elementary schools, and the high school will get IBM computers. The total amount budgeted for this project is \$24,000 which includes \$20,000

for the computers and \$4,000 for Apple and IBM software.

Budgeted revenues are projected at \$6,996,622 for an increase of \$215,072 or 3.17% over the 1986-87 budget. The total tax dollars levied will decrease by \$98,441 to \$3,321,511. This is a reduction of 3% the 1986-87 budget and a 10% reduction over the 1985-86 budget.

The proposed equalized mill rate is estimated at \$13.28 per thousand dollars of equalized value. As an example, the owner of a \$60,000 house will pay a school tax of \$796.80 for a reduction of \$23.40 from the 1986-87 school tax of \$820.20.

Booster Club to Meet June 2

The final meeting for the year of the Kewaskum Indian Booster Club will be held at 7:00 p.m. on Tuesday, June 2, in the Kewaskum High School Cafeteria.

Agenda items include: 1. Request for funds; 2. Senior pictures; 3. Election of officers.

Plan to attend and bring a friend. The Booster Club has accomplished a great deal in the past year with a small nucleus of hard-working members. If we are to continue "boosting," we need new members, with new ideas who are willing to give time to help keep our extra-curricular activities going.

Parents who are involved have kids who are involved. And kids who are involved are future better citizens. Show your kids you care - become involved!

Kiwanis Students for the Month of May

Jenny Hintz

Daryl Landvatter

Terri Schmidt

Jenny Hintz, daughter of Mr. and Mrs. Edward Hintz of rural Kewaskum, Daryl Landvatter, son of Janet Landvatter of Kewaskum and Ronald Landvatter of Fredonia, and Terri Schmidt, daughter of Mr. and Mrs. Fred Schmidt of rural West Bend, have been chosen as the Kiwanis students for the month of May.

Jenny is a member of National Honor Society. She is a four-year participant on the volleyball, basketball and track teams. She was a state qualifier for volleyball this year, named to 2nd team all-conference for basketball and MVP for basketball this year, was 1st in conference for shot put

sophomore and junior years, and went to sectionals for shot put during her sophomore year. She was a member of the Key club, German club, Youth Concerned for Special People, and the Ski club. She has been awarded an academic letter and an academic fitness pin. Jenny served as treasurer for her church's youth group.

Daryl is also a member of National Honor Society. He has been on the wrestling and football team for four years and the baseball team for three years. As a senior, he was co-captain of the football team and named MVP on JV wrestling as a sophomore. He was awarded an academic letter

and an academic fitness pin. He represented KHS at Badger Boys State last summer, was on the Homecoming court two years, was a member of the Chess team, and performed in the musical production of Grease. A member of the math team, he was high scorer for Kewaskum on the state high school math test and in the top one per cent in the state. He is the recipient for the Clifford M. Rose scholarship.

BOLTONVILLE RAIN DAYS KICK OFF PICNIC SEASON — Marching firemen, antique cars, floats, bands, horses and more were part of Boltonville's parade Sunday. Shown in the above photo is the Modern Woodmen's float entry. Boltonville's Rain Days signal the beginning of the summer parade and picnic season for area communities. True to its name, people who looked forward to a long, pleasant weekend of outdoor activities in the sun were instead greeted by a string of cold, dreary, wet days. Of course temperatures went from the weekend fifties to the weekday eighties as people returned to work Tuesday.

'Read to Succeed' Students Win Great America Trip

Read to Succeed — Ginny Taddey, Kewaskum Remedial Reading Teacher, had students participate in a special reading program sponsored by Six Flags Great America. This Read to Succeed 600 - Minute Reading Club is an unique program that motivates students to read for recreation and enjoyment. Any student from grades 3, 4, and 5 that read "just for fun" for a minimum of 600 minutes or 10 hours between January 26 and March 6, 1987 were winners! Each student received a Reading Certificate Award from Six Flags. In addition, along with their participating classroom teachers, they were entitled to receive a special designated day at Six Flags Great America with free admission. Within the school district from grades 3, 4, and 5, we are proud to announce 117 total winners who were able to attend Great America free on May 10th. Congratulations!

Social Studies with a minor in Secondary Education. She is also employed at A&W Drive-In at Fond du Lac.

Tim is the son of Mr. and Mrs. Thomas Bowen of Hwy. F, Campbellsport. He is a 1984 graduate of Campbellsport High School and is employed with Marvin Butzke's Sand & Gravel.

A wedding date has not been set at this time.

1987 4-H Speaking And Poster Contest

The 1987 Speaking and Poster Program theme was the "5th H" of 4-H. Head, Heart, Hands, Health - these are the four H's of 4-H. But what if there was a 5th H, what might it be? Hope for your future following 4-H? All members working in harmony? The Home, where the root of 4-H is found? This year twenty-one 4-H youth, ages 8-18, gave speeches on what the fifth "H" could stand for. Creativity and ingenuity was used to identify the "5th H" from honor, helping and happiness to honesty, hope, hyped and hallelujah!

Top Blue Awards went to Cindy Rauh, senior division; Becky Schwoch, intermediate division; and Weston Duenkel, junior division.

Cash awards from the Belle Albright Memorial Fund were awarded to all participants in the Speaking and Poster Contest. Dorothy Barnes evaluated over sixty posters. Members of the West Bend Toastmasters Club critiqued the speeches. The 4-H Speaking and Poster Program was planned by the following committee members: Inez Schwoch, Chairperson; Paul Cypher, Hope Nelson, Joanna Groth, Marilyn Mayer, Judy Etta, Holly Prochnow, Diana Buckmann, Dianne Hammen, Lynn Hammen, and Becky Schwoch.

Placement Testing For New Students Underway at UWWC

Placement testing for new students planning to enroll in the University of Wisconsin System is underway here at the UW Center - Washington County.

Three-hour Saturday testing sessions, starting at 8:15 a.m., are being held throughout May. Monthly testing will continue during the summer. The test schedule is June 22, 9 a.m.; July 27, 9 a.m. and 5 p.m.; and August 31, 9 a.m. and 5 p.m.

Advance reservations are required for all May tests. No advance notice is required at the older sessions for persons planning to enroll at UWWC this fall. "Students can simply show up at the testing time," said Mike Murphy, director of student services at UWWC.

He said, "The results of these tests do not affect one's admission in any way." All new UW students are required to write placement tests in mathematics and English. Results are used to determine the level of courses in those fields in which they may first enroll.

As of April 30, Murphy said, nearly 220 persons had applied for admission as new freshmen at UWWC for the fall semester.

For more information on placement testing and applying for admission to the UW System, contact Murphy at 338-5201.

AAL Branch 02557 Members Awarded Gold Star Rating

Members of AAL Branch 02557, Random Lake, have been awarded a gold star rating by the fraternal benefit society in recognition of exemplary volunteer service to the community.

The officers of the branch are: Roland C. Koepke - President, Adell, WI. Gladys F. Francis - Vice President, Kewaskum, WI. Barbara M. Winkler - Secretary, Random Lake, WI.

AAL's 6,600 branches are ranked in 11 performance categories. To achieve the highest ratings, gold or silver stars, branches must conduct at least one AAL benevolent activity (fund raising, work

project, etc.) conduct eight to 12 branch meetings annually, sponsor at least one educational activity, and comply with attendance, voting and reporting requirements.

AAL, the nation's largest fraternal benefit society, provides its 1.4 million members with fraternal benefits and, through its affiliated companies, other financial services. In addition, AAL members are offered volunteer opportunities to help others in their own communities.

West Bend's Downtown Marketplace Hires Two

The Downtown Marketplace, an organization of retail and service businesses in Downtown West Bend, hired two people this month.

Paul Ziegler of West Bend is the Special Projects Coordinator. Ziegler will prepare, conduct and tabulate a survey of Downtown Marketplace businesses and consumers.

Shirley Schwartz of West Bend, the Public Relations Coordinator, will prepare advertising for special events and any other public relations function needed by the organization.

Frank Slesar, president of the organization, said, "All surveys, promotions and publicity were handled by volunteers in the organization. The time has come for us to have more help." The Downtown Marketplace has been in existence for approximately 7 years.

Student Government Association Elects Officers at UWWC

Michele Lukovich of 527 Scenic Drive, E., West Bend, is the new president of the Student Government Association at the University of Wisconsin Center - Washington County.

Lukovich will serve during the 1987-88 academic year. She was elected by the student body during the final week of spring semester classes in May.

Named to serve as officers with Lukovich are Matthew Oswald of 122 Babalee Lane, West Bend, vice president, and Shelly Luepnitz of 5065 Morning Glory, West Bend, secretary. All three served as student senators during the 1986-87 school year.

Elected to serve as first-time senators starting next fall are: Jennifer Wulff of 310 Pelishek Road, Adell; two Port Washington students - Kristen Larsen of 2835 Northwoods Drive, and Bill Van Roosenbeek of 1534 Parknoll Lane; and two West Bend students - Laura Bastian of 460 Western Ave., and Steve Koepf of 815 E. Badger Lane.

LETTERS TO THE EDITOR

To the many people who care:

My children and I would like to thank you all for the concern and prayers you have offered as we try to understand and cope with this very difficult situation.

Willie is still in critical but stable condition at St. Elizabeth's Hospital in Appleton. There are daily signs of improvement, but thus far they have been ever so slow to appear.

We would ask that you continue to remember him in your prayers and also that you add us in your thoughts so we find the strength to face whatever the future might bring.

For any of you who would like to send cards, the address at the hospital is: Willie Goeden, ICU#12, 1506 South Oneida Street, Appleton, Wis. 54915.

Thank you again,
Sincerely,
Jeanne Goeden

Letter to the Editor:

This writing is an answer to the item on the back of a February issue of the church bulletin, in which a man from

Michigan stated his opinion on the sampler.

I always feel reverently whenever I'm in God's house whether for work or worship. I feel his presence everywhere. I get a shock when on Sunday mornings I have to see these creeds, psalms, and prayers where the words are changed almost sarcastically, as if some wise guy wanted to defy the Savior who instituted them. I grew up learning them and devoted my life to the teachings of Martin Luther and the King James Bible and believed that to be the Word Of God. I left my home church because of these changes and went to other churches to say and sing once again the old versions and I enjoyed it.

I had the occasion to attend a Christmas program at the church where I was confirmed, to sing familiar hymns and carols only to find that the "Oh Little Town of Bethlehem," was changed completely. Not only the lyrics but the music as well. I got a lump in my throat and couldn't sing. Then I attended a concert in a city church where my niece was singing in the choir. They sang what was supposed to be "Silent Night," and I noticed that people in the congregation were getting very uncomfortable. I almost felt like leaving in protest but I stayed

until the end of the concert.

Does God really approve of these defiant acts? What is wrong with the words like Thee and Thou and similar words when singing hymns and praying to our heavenly Father who is our King of Kings and Lord of Lords?

I just want it to be as it was. God never changes, why should we change our way of worship? Phone (414) 533-4781

To the Editor:

Wisconsin taxpayers are being burdened by property taxes that have more than doubled over the past 10 years. The elderly are being forced out of their homes, farmers are being driven off their farms, and young families are finding that they cannot buy homes because they cannot afford the exorbitant property taxes.

Meanwhile, as property taxes increase, local officials complain that one of the reasons they cannot lower tax levies is because their hands are tied by costly state mandates and mediation - arbitration laws.

Clearly, something must be done to reduce property taxes and the state-imposed restrictions that have helped inflate levies over the past decade.

Towards that end, we proposed the "People's Proposition" - a proposal that would give taxpayers control over their tax destiny and would help relieve local governments state-imposed restrictions. Under the People's Proposition:

* Property tax levies would be frozen at their 1986 dollar amounts.

* Increases in the dollar levies could occur only if approved by a majority of voters, and those increases would be limited to the rate of inflation in the previous year.

* Through a local initiative process, people would be empowered to reduce the property tax levy by up to 5% in any given year.

* The mediation - arbitration law would be modified.

* A Joint Survey Committee on Local Mandates would be created as proposed by Governor Thompson.

* Provisions would be made to adjust the levy limit to reflect growth in property value due to annexation or development.

With the People's Proposition, if taxpayers in a

community want additional services, they can elect to raise their taxes to pay for them. If a community's taxpayers would rather pay lower taxes and have less government services, they can vote for a tax reduction instead.

Furthermore, with the proposed changes in the mediation-arbitration law and state-mandate requirements, local officials will not be restrained by state restrictions and will have more freedom in effectively spending tax revenues.

The "People's Proposition" represents an opportunity to stabilize property taxes now. In order for it to pass, however, the people must speak out. We would, therefore, encourage local taxpayers to write their state legislators and encourage them to approve the measure.

ST. LUCAS KINDERGARTEN "KIDS" AROUND — Two weeks ago, St. Lucas kindergarten enjoyed a trip to the David Stern farm near Fillmore. The children were able to pet the baby goats and cuddle small chicks. Since it was feeding time for the goats, each child took a turn giving the friends kids a bottle. The children also tasted pudding made with goat's milk.

SPRING IS HERE I CAN TELL

It's Spring now!
I live in the Kettle Moraine countryside, where life is not the "hustle and bustle" of the big city. Where the smell of the newly fertilized and plowed fields roam across the hillsides and the deep forests grow and the glaciers are — and the fish'n is fix'n to us!

The stories of God's beauties unravel. And with mellow new dew drops upon the fresh green grass — that's just about ready to mow! And the wondering of what summer "fun-days" will bring.

At the first of the cool but warm days, it brings the home windows at half mast with the smell of raindrops upon the newly born tulip and crocuses, as they line-up in their flower beds.

With robin's nests and mother's fondling the about to be births — while Dad closely watches by guarding happily for the about to be births.

Why just yesterday, I experienced the deep mysteries that inhales in the "wee" minds of the little children. My little babysitting girl — just had to touch the "bright-blue" robins' eggs. One day there were three and then, the next day there were four: and now — no more! Because of the eyes that beheld it "all" was curious to the touch! And then to think that in the year 3000, she'll remember doing it and realize that she did wrong.

The tree buds about to burst with their colored leaves and flowers that comes with April showers and the grins from ear to ear!

And not to forget the duties of the soon to be "overworked" gardeners and lawn mowers!

Then comes the sun in the fun for the burnt bathers and the swimmers — young and old alike, splashing in the cool rippling waters.

Then it will be those "dog days," then the thought of winter's snow will once again cool our wishful minds!

For it is GOD'S wish that the new day awaken as it all takes place step by step. And the smiles of faces can be captured on winter's tired faces and hearts are once again "SPRING-GAY!"

HAPPY SPRING!

From Tom Kennelly

PANCREATIC CANCER

Moderate to high consumption of raw fruits and vegetables [high fibre and rich in Vitamins A, C and E] appears to reduce the risk of pancreatic cancer, report scientists from John Hopkins Univ. Conversely, the risk was apparently increased by consumption of white bread, perhaps because of low fiber and the removal of trace elements, zinc and copper in the milling process.

Wangerin Attends Seminar On Technology Education

Representatives from more than seventy schools attended an Administrators Seminar on Technology Education held at Kiel High School on May 15, 1987. Local school personnel attending was Dan Wangerin, Local Vocational Coordinator.

The focus of the seminar was the implementation of programs to teach technological fields at the junior and senior high school level. The program was jointly sponsored by the Kiel Area School District, Wisconsin Department of Public Instruction, University of Wisconsin - Stout, and the Wisconsin Technology Education Association.

The keynote address was by M. James Bensen, Dean of the School of Industry and Technology at U.W. Stout on "Impact of Technology on Today's Education." Richard Dignan, Director of the Bureau for Vocational Education at the Department of Public Instruction addressed the need for change from Industrial Education to a technology based curriculum.

Other speakers described typical technology programs, strategies, and resources available for the implementation of technology education. Students from Kiel, Kewaunee, Valders, and Ashwaubenon assisted in presentations and demonstrations of activities and equipment.

Little Whistler Homemakers Tour Mitchell Park and Pabst Mansion

The Little Whistler Homemakers group of Kewaskum recently spent a day in Milwaukee as part of their summer outing. Their morning consisted of tours of the Mitchell Park Conservatory and the Pabst Mansion.

An afternoon of dining was

enjoyed at Chi-Chi's restaurant in Brown Deer. The group plans to spend a day at the Cedarburg Settlement this Summer.

Anyone interested in joining this Extension Homemaker group may call 626-8232 or 533-8011 for more information.

The Kewaskum Business Association will sponsor another big promotion all day and evening next Friday, June 1, known as a "Dutch Auction" sale. Merchandise will be sold at greatly reduced prices, many bargains will be offered and hundreds of dollars worth of free gift certificates will be distributed to lucky shoppers. If you have never been to a "Dutch Auction" sale, here is how it works. Merchandise items are put up for sale in the stores and other business places at opening time in the morning. Every hour on the hour the selling price of the items is reduced by a pre-set amount until the item is sold. This reduction each hour will range all the way from 25 cents to \$10.00 depending on the value of the item. The longer you wait, the cheaper you can purchase the item. But if you wait too long your neighbor may snap up the bargain.

The Kewaskum Kiwanis Club held its first annual athletic banquet for 29 KHS athletes at the regular meeting of the club on Monday evening at the Republican Hotel. High school athletes invited to the "sports dinner" and the sports in which they participated were as follows: Football, basketball, baseball — Robert Ewert, Gerald Geidel, Mark Kral, David Oppermann, John Theusch. Cross country, basketball, baseball — Allen Koepke, William Koepke. Football, baseball — Robert Butzke, William Gruhle, David Rohlinger, Harold Schladweiler, Terry Theusch. Football, track — Edward Ferber. Cross country, track — Allen Rinzel, Dennis Vetter. Basketball, baseball — William Sengpiel. Cross country, basketball — Russell Wampler. Football — Richard Amerling, Michael Arndt, David Baker, Michael Coulter, Donald Desens, Leroy Dorzok, Walter Ewert, Russell Heberer, John Hron, Frank Kadinger Jr.,

James Klahn, Harold Luedtke, Thomas Spartz, Ralph Struebing, David Zehren. Track — Ralph Albrecht, John Arndt, Allen Bingen, Michael Trebsbach, William Ruth, Richard Stuck, Daniel Russel, Robert — Tom Bartelt, Russell Breib, Joe Enright, James Muench. Basketball — Ronald Gross, Homer Justman, John Thorn, Roger Yeadeke.

The Kewaskum Indians won the championship of the Scenic Moraine baseball conference by taking an extra inning decision from Germantown last week, 3-2. The game went nine innings. The unbeaten Indians took a clear title by winning five straight league outings. Dave Oppermann went the route for Kewaskum in the final game scattering nine hits after a shaky start. Shortstop Harry Schladweiler gave Oppermann good support at the plate by smashing two triples. Oppermann and Mark Kral each contributed doubles to the nine hit Indian attack but the batting star was Theusch with three for five.

Twenty-four eighth grade graduates of Holy Trinity Catholic School will receive their diplomas on June 8 at exercises to be held in the parish hall. With final examinations on Thursday and Friday of this week, another school term was brought to a close in the Kewaskum High School. Commencement exercises June 2, will officially close the school for the summer intermission. The honor of being valedictorian of the graduating class goes to Viola Hawig. Her average is 93.12. The honor of salutatorian goes to Ruth Mary Fleischmann. Her average for four years is 92.95. The next four high students in the class in the order of their ranking are: Jeanette Werner, Dorothy Becker, Ralph Marx and Marcella Heisler, all of whom range very closely. In 1916 Kewaskum graduated 11 high school seniors. In 1936, 28 were graduated. This year 30 graduates from the local school will receive their diplomas, along with more than 28,000 other Wisconsin high school students. The class role is as follows: Lloyd J. Backhaus, Lucille E. Backhaus, Iris M. Bartelt, Dorothy M. Becker, Myron P. Belger, Fred A. Dorn, Myron P. Belger, Fred A. Dorn, Gutkunst, Viola R. Hawig, Marcella M. Heisler, Laura O. Hirsig, Ruth I. Janssen, Marvin L. Kettle Moraine Lutheran High School Awarded \$3,800 Grant from AAL

Kettle Moraine Lutheran High School, Jackson, has been awarded a \$3,800 grant for the 1987-88 school year from AAL, a fraternal benefit society based in Appleton, Wisconsin.

The money will be used to subsidize tuition and related expenses for 12 teachers continuing their education. Local high schools determine their needs in three general areas: faculty and staff development, program enrichment and constituent relations.

The grant is part of AAL's Lutheran High School Enrichment Program, which this year will provide nearly \$500,000 to more than 100 Lutheran high schools in the United States.

Last year, the grants helped 826 Lutheran high school teachers seeking advanced degrees, state certification or other professional development.

In addition, schools used the grants to enhance computer courses, business classes and career guidance programs. Other courses were developed or improved for college-bound students, and to teach basic skills.

Athletics Split Two Games With Slinger, Cedarburg

The Kewaskum Athletics split two games over the weekend. Slinger beat the A's 8-2 on Saturday in the Tri-County League opener for both teams. Todd Pruett turned in a strong performance on the mound for Slinger, striking out 7 and walking only 1 in 7 innings. The Slinger offense was keyed by a bases loaded double by Rick held in the 2nd inning which accounted for 3 runs. Defensive lapses by the Athletics hurt as solid mound performance by Terry Koth and Don Mengel, Scott Muench and Terry Koth led the Kewaskum offense with 2 hits apiece.

The Athletics ran their Land-O-Lakes league record to 2-0 on Sunday with a 6-2 win at Cedarburg. Jeff Geidel turned

in another superb pitching performance, striking out 12 and walking 4. Geidel has a 2-0 record with a 0.50 ERA. Steve Muench, Terry Koth and Don Mengel led the Athletics attack. Muench was 3-4 with a double and a 3 run homer in the ninth that provided Geidel with a 4 run cushion. Koth hit two long triples and scored two runs, Menzel went 3-4 with an RBI.

Kewaskum is currently 2-0 in Land-O-Lakes play, 0-1 in Tri-County action and 4-1 overall. The A's return to Tri-County play on Saturday, May 30 at home against the Horicon Honkers. On Sunday they travel to Grafton for a Land-O-Lakes game. Both games start at 1:30 p.m.

UWWC Women's Tennis Team Wins First State Championship

The women's tennis team at the UW Center - Washington County won their first state championship at Madison on May 2 and 3.

The Wildcat women finished first in a field of 10 during the Wisconsin Junior College Athletic Association (WJCAA) tourney. The UWWC men's team took fifth place in WJCAA competition against 13 other teams.

During regular season play, the women's team finished 6-0; the men, 5-1.

Coach Roger Peterson's women were paced by the championship play in number one singles of Jill Zimbal of West Bend and in number four singles by Traci Northrop of West Bend.

In number two singles, Kathleen Kircher of West Bend made it to the title match before losing 2-6, 4-6. Elizabeth Dedrick of West Bend was eliminated in the second round of number three singles after winning her opener 6-1, 6-0.

The number one doubles team lost to the championship UW Marshfield duo in the semi-finals 6-2, 6-4. The number two doubles team lost in the finals, also to Marshfield, 6-2, 6-0.

Peterson, an associate professor of mathematics at UWWC, termed the quality of tourney competition "very good."

UWWC edged UW Marshfield for the women's team title by a single point, 15-14, with the outcome undecided until the final match of the day.

Men's coach Tom Brigham, athletic director and associate director of athletics at UWWC, said his team bumped into "superb competition" in the tournament, which was won by Madison Tech.

UWWC's Michael Warnimont of Mequon lost in the semi-finals of number two singles after a pair of opening

victories.

Todd Seefeldt of West Bend lost in the second round of number four singles.

Steve Olderman of Jackson lost to the second seeded player in number one singles.

The Wildcat men were blanked in doubles play.

Secor Ends Softball Season at Ripon

The Ripon College women's softball team recently finished its season with a doubleheader sweep of Concordia College. The two wins were the only two wins on the season for the Redmen women. The inexperience of this year's team really showed through the first 15 games, as the women were unable to break into the win column. The team was competitive against some very tough competition, but big innings, at the worst times, really hurt.

"The kids were a good bunch to work with, and they had a good time playing softball. The season would have been much more enjoyable had we won a few more, but we do feel that we have some good ballplayers coming back to form the nucleus for next year's team."

There were thirteen girls who finished the season, and only two of them were seniors... Captain and MVP Toni Miller and Jackie Baur. Toni was the catcher and Jackie played second base. The rest of the girls gained valuable experience and are looking forward to an improved season next year.

Next year's returnees are led by leading hitter - Gina Woeger (1b), Most Improved - Kristin Stika (of), Kathy Catron (3b), Sandy Secor (of), Kathy Moses (ss), Colleen Francis (dh), and Tricia Darow (p).

Fischer, Koth Finish Season With Badgers

MADISON, WI - The Wisconsin Badgers completed their 1987 baseball season with a 28-24 record after winning four of five games at Guy Lowman Field last week. Wisconsin tied for fourth-place in the Big Ten's Western Division with a 5-11 mark. The Badgers set or tied ten school records, including three team and seven individual.

Tom Fischer (sophomore, West Bend) paced the pitching staff in earned run average (2.03) victories (6), games (7), innings pitched (75.33), and strikeouts (64). Fischer's earned average is the lowest by a Badger since Allan Clark posted a team-best 1.90 ERA in 1976. In 11 starts in 1987, the sophomore left-hander gave up

more than three runs only twice - in a 5-4 loss at Illinois and four unearned runs in a 4-3 loss to Illinois-Chicago. Fischer struck out nine in a 3-1 complete game win at Valparaiso. He also tossed a five-hitter in a 4-1 complete game victory at Minnesota. He is also tie for fifth in career strikeouts with 139.

Terry Koth of rural Kewaskum also was a member of the UW Badgers pitching but saw little playing time. He appeared in four games, pitching 5.00 innings. He allowed 15 hits, 11 runs, gave up four walks, and struck out three. Both players are pitching for area amateur teams this summer.

Musky Season Opens in North

The Wisconsin musky season for anglers fishing the northwoods opened Saturday, May 23, in the many waters north of U.S. Highway 10, says Department of fishery specialist Hal Schwenn.

"In general, anglers may take one musky a day from most waters north of Highway 10," Schwenn said. "Only muskies measuring 32 inches or more may be kept."

U.S. Highway 10 bisects Wisconsin from Prescott at the Mississippi River west to Two Rivers at Lake Michigan.

Special musky regulations featuring different seasons, sizes and creel limits also exist in some waters north of U.S. Highway 10, Schwenn said. Rules also vary for muskies taken from Wisconsin's boundary waters with Minnesota and Michigan's Upper Peninsula.

Anglers should consult their 1987 Wisconsin fishing regulations pamphlet for details, Schwenn recommended. Pamphlets are available from any DNR office or wherever fishing licenses are sold.

The fishing season later in most of northern Wisconsin than elsewhere in the state to protect the fish during their spawning season, Schwenn said.

The oldest sport known to man is archery.

New Park Visitor's Guide Available

A new visitor's guide, "Wisconsin State Parks - Explore and Enjoy" is now available free of charge at state parks and state forests and other Department of Natural Resources offices.

The brochure lists state parks, forests and trails and gives a summary of the activities and facilities available at each. It also has a map showing the location of these state operated facilities around the state. It's a handy guide for anyone who visits or plans to visit Wisconsin state parks, trails or forests.

The brochure is also available by contacting the Bureau of Parks and Recreation, Department of Natural Resources, P.O. Box 7621, Madison, WI 53707. Phone: 608/266-2181.

Those who obtain one of these new visitor's guides should note that there is an error in the telephone number listed for the Kettle Moraine State Forest - Southern Unit. The correct number is 414/594-2135.

Minutes of Village Board Meeting

Mid-Monthly Meeting
May 18, 1987
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President Paul E. Blumer presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the minutes of the May 4, 1987, meeting were approved as printed.

A public hearing was conducted on the application of Gladys R. Glamann, 1526 Fond du Lac Avenue, for a Class "B" Fermented Beverage License. The Police Department had no objections to the issuance of the License. On a motion by Trustee Richard Schmidt, seconded by Trustee Kenneth Bonlender to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was carried unanimously and the board declared the public hearing closed.

Fire Chief Donald Ehnert informed the Board of the upcoming Wisconsin State Fire Chief's Conference in June.

Administrator Daniel Schmidt extended an invitation to the Village Board from the Robert G. Romaine American Legion Post #384 to participate in the 1987 Memorial Day Observance, scheduled for Monday, May 25, 1987, at 9:00 a.m.

A brief discussion was held on the upcoming Mid-Moraine Municipal Association Meeting scheduled for May 27, 1987. It was noted all Board Members would attend.

Administrator Daniel Schmidt reviewed correspondence.

Trustee Richard Schmidt, Chairman of the Protection and Public Safety Committee, reported on the Committee meeting of May 7, 1987, and reviewed some of the groups joint findings. He noted another meeting would be scheduled so final details on siding and etc. may be worked out for bidding.

Trustee Howard Laubenstein, Chairman of the Public Works Committee, reported on the Committee meeting of May 12, 1987. It was noted action was taken at the meeting to redo the sidewalk in front of 329 Braatz Drive as proposed by the Village Engineer. (The entire Board concurred with those findings).

On a motion by Trustee Charles Boegel, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the Board authorized the calling in of the engineers to help set grade stakes on trouble areas such as Moraine Court, as recommended by

the Public Works Committee. Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, reported on the Committee meeting held on May 18, 1987.

On a motion by Trustee Mary Krueger, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the Park and Recreation Rules and Regulations, Lifeguard and Basket Attendant Manuals as recommended by the Park and Recreation Committee.

The DNR Canoe Launch and restroom facility was again discussed and tabled due to the uncertainty among the Board as to the DNR's staying in the project. The Administrator is to check with the DNR. Meanwhile the project was tabled.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the purchase of an estimated \$900.00 worth of Christmas decorations from Display Sales.

The collection of grass clippings was again reviewed. It was noted Dan Wilson, Washington County Horticulture/Resource Agent assisted the Village by drafting a three part series for publication regarding clippings. The news articles will appear in the Statesman over the next three weeks. The Board's appreciation was extended to Mr. Wilson.

On a motion by Trustee Charles Boegel, seconded by Trustee Thomas McElhatton the Board approved the issuance of a Class "B" Fermented Beverage License to Gladys R. Glamann, 1526 Fond du Lac Avenue, for the period commencing June 1, 1987, to June 30, 1987, upon proper payment of the fees.

Action was taken on Resolution No. 87-13 as attached hereto:

A general discussion was held on the recent letter sent to the Board from State Senator Donald K. Stitt. The letter was in reference to a freeze on local property tax. It was noted the cause and effect of such action left a lot to be desired and such action would be premature prior to State action on itself. The Administrator was directed to send Senator Stitt a letter reflecting those points of view.

Administrator Schmidt reviewed briefly the latest information received from the Public Service Commission on the Village's proposed water rates.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

RESOLUTION NO. 87-13 BOARD OF REVIEW - RECOMMENDED CHANGES IN REFERENCE TO STATE ASSESSMENT PRACTICES

WHEREAS, the Board of Review met May 11, 1987; and

WHEREAS, the Board has heard testimony from varied property owners as to increased assessments caused by normal home improvements; and

WHEREAS, the Board generally agrees with these property owners, that the property owner that is taking care of and maintaining their property is being penalized for that work. The Board of Review had a motion made, seconded and unanimously carried to recommend that the Village Board take action on said Resolution as follows:

BE IT RESOLVED, that the Village Board concurs with the recommendation of the Board of Review as to asking the Wisconsin Department of Revenue, Assessment Section, to consider general repairs and maintenance to property non-assessable nor require a local unit of government to require the issuance of a Building Permit;

PASSED, ADOPTED AND APPROVED this 18th day of May, 1987, by the Kewaskum Village Board.

Paul Blumer
Village President

ATTEST:
Daniel S. Schmidt
Village Administrator/Clerk

Introduced by Trustee Richard Schmidt.
Motion for adoption by Trustee Mary Krueger.
Motion for adoption seconded by Trustee Charles Boegel.

Stitt Attends Special Washington D.C. Briefing

WASHINGTON, D.C. . . . Senator Donald K. Stitt (R-Port Washington) attended a special White House briefing with President Ronald Reagan on Friday, May 1, to discuss state and federal issues. Senator Stitt was one of 125 state legislative leaders selected to attend the American Legislative Exchange Council's (ALEC) 1987 Presidential and Cabinet Briefing, April 30 to May 1, 1987, in Washington, D.C.

In addition to meeting with the President, Senator Stitt also met with Secretary of State George Schultz and Emanuel Johnson, vice chairman of the Federal Reserve Board as well as Frank Donatelli, assistant to the President for political and intergovernmental affairs and Gary Bauer, assistant to the President for policy development.

The American Legislative Exchange Council's national chairman, Representative Roy Cagle, said of the event. "This is the seventh straight year that President Reagan has accepted ALEC's invitation to meet with state legislators and our special friends from the private sector. This demonstrates his commitment to working with state policymakers to advance his federalism agenda."

The American Legislative Exchange is the largest, individual membership organization of state legislators in the United States. A non-profit, bipartisan research and education organization, ALEC is dedicated to the principles of free enterprise, limited government and effective judicial and educational institutions.

Goeden, Laack Top Plymouth Stocks As Records Fall

Despite somewhat cool temperatures several drivers were hot Saturday night at the Sheboygan County Fairgrounds including feature winners Don Goeden of Kewaskum in modifieds and defending champion Gary Laack in sportsmen. Two other drivers producing heat of their own, were fast qualifiers and new track record holders, Chuck Melis and Mark Melger. Melis on his "Wolf Cycle- H & M Pattern" modified, scorched the quarter mile oval in 13.597 sec. while Melger in the "Dean's Machine" turned a 15.580 sec.

Gary Laack of Plymouth finally got his new car sorted out as he drove his Bob Werner Chevrolet to a last lap victory in the 25 lap sportsmen main event. On the start T.J. Haferkorn of Richfield battled polesitter Mark Froh before pulling away from the field. Marv Keller took over second from Froh on lap four as Al Goetsch, Gary Laack and Richard Hed moved in to join the challenge for second.

The group kept swapping positions until lap 9 when debris on the back straightaway brought out the first red flag. Laack slipped underneath Goetsch on the restart to take second behind the fleeting Haferkorn. Hed getting by Goetsch a lap later moved into challenge Laack for the runner-up spot. Hed went high on lap 13 and lost a lot of ground but by lap sixteen had made up the difference and rejoined the leaders. John Born and Randy Markwardt moved up to fourth and fifth just before the second and final red came out on lap 20 for the stalled car of Al Goetsch in the backstretch.

The last five laps saw the cars of Haferkorn, Laack and Hed swap positions with each having

a brief moment in front. The crowd came to it's feet as Haferkorn led Laack out to turn four only to drift high allowing Laack to slip by on the inside and claim the win. Haferkorn managed second followed by Mark Melger, John Born and Randy Markwardt.

Jeff Gierke of Kiel won the sportsmen semi.

In the modified feature, Don Goeden took advantage of his outside pole position to lead wire-to-wire, winning the event which he dedicated to his father Willie recuperating in an Appleton Hospital from a late model accident.

Goeden overhauled polesitter Tim Crimmings as the duo exited turn two to claim the top spot. As the pack started to string out it was Wayne Goetsch, defending champ, third, followed by Bill Johnson III and Randy Tracy. Racing only lasted five laps before the first red appeared for the stalled mount of Brian Titel. On the restart Johnson III was able to get by Goetsch for third as the leaders once again moved away from the pack. The race was halted just four laps later when Terry Marten's mount rolled on it's side to turn two. He was not injured and several laps later rejoined the field.

Goeden jumped out once again into the lead after the restart with Crimmings trailing. The real battle was the third position as Wayne Goetsch was challenged by Bill Johnson III. Johnson however was not able to get by Goetsch before the third and final red came out on lap 19 when Frankie Heimerl sprayed water all over the track after he lost his radiator and spun wildly in turn four.

Also involved were Dick Berth and Jim Melis who were trailing Heimerl. All were

eliminated with Berth only lasting five laps before mechanical problems finally forced him out. Goeden led the last eleven laps to claim the win. Crimmings finished second with Bill Johnson III taking third after passing Goetsch on lap 26. Goetsch wound up fourth with Randy Tracy fifth.

Ken Schulz took over the lead from Terry Chesak on lap two

and held off the challenges of Gregg Curzon the last five laps to win a photo finish in the mod semi.

Jeff Fechter of Newburg had to fight off the challenges of Dale Peters during the first half of the hobby feature and then as Peters faded Fechter drove home to the checkers. Dave Murre finished second with defending champ Chuck

Amweg finishing third. Dave Laab of Manitowoc won the hobby semi. Jerry Priesgen of Allenton rolled his mount in the second modified heat. He was not injured and later returned to tune in the mod semi. Next week twin 25 lap modified features will be run for the Etchie Biertzer Memorial Race. Time trials start at 6:45 p.m. with races at 7:30 p.m.

Girls Varsity Takes Fourth In Conference Meet

by Lisa Schneider

On Thursday, May 21, the K.H.S. girls track team traveled to Sheboygan Falls to participate in the conference meet. Two Rivers 115, Kiel 82, Chilton 79, Kewaskum 75, Plymouth 68, New Holstein 43, Sheboygan Falls 35.

Coach Denise Leong felt that Two Rivers had enough spectacular individuals to win the meet. Leong also said that the K.H.S. girls track team could have placed higher but Kiel, and Chilton also had outstanding individuals, all in all, it was a very competitive meet. Leong still feels the season was a great one, winning two of three big conference meets is an accomplishment.

Kewaskum's only first came in the 1600 meter-relay which consists of Joy Braun, Debbie Felix, Debbie Donath, and Brenda Vetter (4:16.75).

Seniors Jenny Hintz and Brenda Vetter sparked the Indians by bringing home a total of three seconds for Kewaskum. Hintz placed in both the shot put (35'11½") and the discus (106'5"). Vetter placed in the 400 meter dash (101.60).

Vetter placed third in the 200 meter dash (28.48) while senior Dawn Dieringer placed third in the 300 meter hurdles (52.23).

Girls Frosh/Sophs First in Conference

by Lisa Schneider

On Monday, May 18, the K.H.S. girls frosh/soph track team participated in the Freshman/Sophomore Conference meet. The girls came out shining, placing first (92); Sheboygan Falls (86), Two Rivers (81), Plymouth (73), New Holstein (67), Kiel (65), Chilton (32).

Coach Denise Leong was very pleased with the efforts of sophomore Debbie Donath who was injured but still participated. Donath did a great job for her team by taking second in the 200 meter dash (28.58), was the anchor in the 1600 meter relay team that took second and placed fourth in the 400 meter relay (1:06.35).

The constant improvement of freshman Tina Weddig helped the Indians in their victory. Weddig took first in discus with a new personnel best of 101'2¼".

Sophomore Joy Braun had one of her best meets of the season placing first in both the 100 meter dash (13.38) and the 400 meter dash (1:03.89). Braun was also in the 1600 meter relay team that placed second.

Wietor Named New Basketball Coach

Dave Wietor, Kewaskum High School Counselor, has been named head basketball coach of the high school to succeed Perry Koth, who submitted his resignation at the end of the 1986-87 season. Koth resigned so he could devote more time to his athletic director duties.

Dave has experience as a player and middle school and freshman coach. During the

1983-84 season he led the freshmen to a 2-10 record in the Eastern Wisconsin Conference. He had only a one year contract and did not take it the following season.

Wietor will be holding a summer camp for players from grades four through eight.

Dave will be assisted by Dale Schatz for the JV's but is in need of a freshman coach.

Brigham Elected Chairman of UWWC Department of Health and Physical Ed.

Thomas Brigham, an associate professor of physical education at the UW Center - Washington County, has been elected chairman of the Department of Health and Physical Education for the 13 University of Wisconsin two-year centers.

He was named to a one-year term, effective June 1, during the annual meeting of his 19-member department near Wausau on May 16.

During the 1986-87 academic year, Brigham was co-chairman of the department. He has been a member of the department's executive committee since 1976, serving as its secretary and chairman of the curriculum and grievance committees.

Brigham began his teaching career at UWWC in 1968, was granted tenure and promoted to assistant professor in 1973. He became an associate professor in 1975.

At UWWC, Brigham serves as athletic director, teaches an average of five courses each semester and coaches varsity teams in soccer, women's basketball and men's tennis.

Brigham describes the UWWC physical education program as being "one of the strongest" among all 13

centers. Along with six inter-collegiate sports, he said, "we have an extremely strong coed intramural program."

He earned his B.S. degree in health and physical education from UW-Madison where he was named most-valuable-player on the 1965 football team. In 1963 as a sophomore, he set a record that still stands - scoring a touchdown on a 91-yard run from scrimmage.

Brigham holds his M.S. degree from UW-Madison in physiology of exercise and is working on his doctorate there in administration of physical education, recreation, athletics and facility management.

He is a native of Two Rivers, Wis.
