## School Board Okays 1987-88 Budget

By GERRY MUELLER  
Statesman Staff Writer

At a special meeting Monday night, the Kewaskum School Board voted to present the proposed 1987-88 budget of \$6,996,662, to electors at the district's Annual Meeting on July 27th. The proposal represents a 3.6% increase over 1986-87, one of the lowest, if not the lowest hike, as compared to neighboring school districts, for the coming year.

After more than two hours of discussion and a half dozen motions which were defeated, the board, with the exception of president Ralph Horner who was absent, voted to reduce the district's Fund Equity by \$100,000. That vote passed five to two, with Perry Ankersen, Ron Beimborn, Don Nowak, Ron Theusch, and Ruth Schmitt voting yes, and Clara Trapp voting no. While that action will not reduce the budget itself, it will, in effect, lower the tax levied on property owners from \$3,321,511, to \$3,221,511.

Board member Donald Nowak, who made the motion, asked Business Manager Cherna Gorder what kind of a difference people would see on their tax bills. Gorder said the budget, as presented, represents a decrease of 2.85% or 39c per \$1,000 of assessed valuation from last year. Reducing the levy by an additional \$100,000, means the mill rate would drop more, by another 40c, for a total decrease of 79c/\$1,000, slightly under 3% from 1986-87. The combination of these two factors would mean a proposed levy of \$12.88 per \$1,000 of assessed valuation as compared to the 1986-87 levy of \$13.67. As an example, Gorder indicated that would mean a drop in taxes of about \$55.30 on a \$70,000 home.

Nowak's motion came after similar motions by board member Perry Ankersen were defeated. After questioning the administration about teacher and support staff salaries, Ankersen moved that the budget itself, specifically in the area of teacher salaries, be reduced by \$20,000, and that, along with \$50,000 from Fund Equity and \$30,000 in interest earned be approved to reduce the budget and tax levy.

While contract negotiations with the two unions have not been completed, Ankersen felt that the \$3.4 million budgeted for teacher salaries could easily be reduced by \$20,000. He said the increase of approximately

\$338,400 budgeted for salaries over last year was equivalent to average increase of \$1,650 per teacher. Ankersen's recommendation would have reduced that projected increase to \$1,450 per teacher.

President pro-tem Ronald Beimborn, one of the board members to vote against Ankersen's motion, said he did so because he felt the board should not make any changes in the area of salaries until negotiations were completed. Ankersen noted that amount was not written in stone, but merely the business manager's best calculated guesstimate so she could plug in some kind of figure to build the budget.

After having different versions of his original motion defeated or killed by tie votes, Ankersen asked the other board members to come up with some kind of recommendation but to at least make some kind of decision. He told the rest of the board he was dumbfounded at their reactions to his motions to reduce the budget and levy. "I don't see how so many of you could run for School Board on the premise of cost saving and then vote against budget reduction" said Ankersen. "I don't think this budget is going to hurt our Fund Equity at all, and I don't think \$20,000 is an unreasonable reduction in teacher salaries."

An earlier motion by Nowak to make a reduction of \$150,000 was also defeated, with Beimborn, Schmitt, Trapp and Theusch voting 'no', and Ankersen and Nowak voting 'yes'.

Theusch said his concern was in using fund equity to reduce taxes this year. He asked Gorder, "would we have any reason to think we will need more of a cushion next year than this year?" She indicated yes, to some extent. District Administrator Penny Kleinhans told Theusch she agreed with his concerns. She said, however, that, as evidenced by the last two years, the district is exercising more control over its spending. Using the guidelines of need, rather than the 'Wish List' which saw the district with double digit increases in the past, has improved the district's financial position, she noted.

Both Kleinhans and Director of Instruction Julie Backus cautioned that programs and courses mandated by the state will probably mean increases in future budgets but they should not be out of line.

After approving the fund equity motion, the board had problems in approving the

presentation of the budget to the Annual Meeting. Schmitt, who has been on the board since late April and has attended numerous meetings on the budget, said she was reluctant to vote yes, to present the budget and wanted to schedule another meeting. "I have no real problems with the budget, I

## County Fairest of the Fair Entries Sought

Do you ever feel that you have something to offer your community...a cheerful aura about you, a friendly smile, an open mind, or an out-going personality? If you possess any or all of these qualities, don't let the beauty pageant image frighten you; you have the potential to be the next Washington County Fairest of the Fair!

This lucky girl will serve as a proud representative of her county, promoting the fair and her home county in many ways for the next year.

The duties of the Fairest are highly concentrated in the five days of the fair at the fairgrounds in Slinger. Immediately after being selected through interviews and the demonstrating of speaking ability at the pageant, the winner begins her reign. A typical day for the Fairest would begin with an early 8:00 a.m. arrival at the fair. The day would include presenting ribbons to 4-H'ers and FFA members, making introductions for events on the stage, interviews on radio stations and maybe even a few polkas with the D.J.'s. Also, one must mention the innocent inquiries of children, such as "Are you a princess?" or "Are those real diamonds in your crown?"

Things do quiet down a bit after the fair. Some other events of the year include parades, the June Dairy Month Banquet, and the state pageant in January.

Are you interested in entering. To be eligible you must be single and 18 years old by January 1, 1988, must not have reached your 22nd birthday by that same date and be a resident of Washington County.

Application forms and more information can be obtained from the County Fair Office, Betty Christen of WBKV Radio or from Adrienne Thull, phone 334-3902. Applications will also be available from area sponsors.

Deadline for entry is Monday, July 6.

## FIREWORKS

### Here Friday, July 3

The annual Fourth of July holiday fireworks display will again be held in Kewaskum River Hill Park on Friday evening, July 3. The event is sponsored by the Village of Kewaskum under the supervision of the Kewaskum Fire Department.

The spectacular fireworks will be set off at dusk from the west side of the Milwaukee River. Spectators on the park hill across the river will have the best view of the brilliant fireworks, which will include ground displays of color and light and thunderous aerial bursts and sprays illuminating the sky.

The park will open at 6:00 p.m. and food and refreshment stands will be in operation at

that time. Hamburgers, French fries, hot dogs, popcorn, beer and soda will be available. Live music will be provided starting at 7:30 p.m. to midnight by Danny and the Sunliners.

All residents of Kewaskum and surrounding area are invited to "light up" their holiday celebration by attending the traditional fireworks. Come early and enjoy the entire evening.

In the event of rain the fireworks will be held on Saturday night, July 4.

A reminder that the annual Kewaskum Firemen - Legion picnic will be held on Saturday and Sunday, July 11 and 12, with an excellent parade at 12 noon on Sunday.

To Call on Local Business for Support

## B. C. Ziegler Donates \$5,000 To KEYS Scholarship Fund

Recent Milwaukee newspaper articles point out the business community's critical role in turning the education of kids into a success story.

KEYS, the local scholarship fundraising group, couldn't agree more, particularly after two important events occurred last week.

The B.C. Ziegler Foundation, of West Bend presented Kewaskum Youth Scholarships, Inc. with a \$5,000 gift for its scholarship fund. This brings the total amount raised so far to approximately \$16,000.

KEYS' mailing of some 80 letters of introduction to Kewaskum business men and

women is the second big step towards raising scholarship money for Kewaskum High School seniors. The goal is \$100,000.

"We plan to personally call on all the business people in the community during the next few months," explains KEYS president Gerald Gosa. "The support of each local business, large or small, is essential," says Gosa.

Some 4,000 letters have already been mailed to Kewaskum High School alumni.

Contributions may be sent to KEYS, P.O. Box 124, Kewaskum, WI 53040.

## Allenton Man Killed In Motorcycle Mishap

Edward Moser, 22, of Allenton, died Tuesday night, June 16, after his motorcycle struck the rear of a pickup truck on Lake Bernice Drive, two-tenths of a mile north of Rustic Road in the Town of Ashford. He was the seventh person to die on Fond du Lac County roads.

Moser was southbound on Lake Bernice Drive about 9:30 p.m. when his motorcycle

rammed the rear of a southbound pickup truck driven by Jean A. Stoffel of 9562 Lake Bernice Drive, Kewaskum.

According to the Fond du Lac County Sheriff's Department, Moser died as a result of apparent head injuries. He was not wearing a helmet. The traffic fatality toll on county roads is two fewer than on this date in 1986.

## Campus Notes

### KEWASKUM STUDENT WILL MADISON WORLD

State Superintendent Herbert J. Grover announced that Jeff Brigham, son of Tom and Kathy Brigham, has been selected as one of 200 students statewide to participate in Arts World, a summer program for students in music, theatre, dance, creative writing, or the visual arts.

Arts World participants will work on independent projects as well as with master artists and teachers during daily six-hour studio sessions. Students will also participate in evening performances, special arts events, and programs by guest artists. Field trips are planned to Eagle Valley Nature Preserve in Glen Haven, the mining Museum in Platteville, the Dickeyville Grotto, the Wisconsin Shakespeare Festival at UW-Platteville, and other centers of cultural interest.

A two-week session of Arts World is scheduled June 21 to July 4 and a one-week session is July 5 to July 11, at UW-Platteville.

Brigham, who will be a sophomore at Kewaskum High School this fall, was nominated to Arts World in vocal music. "We are pleased that Jeff will have the opportunity to work under the guidance of professional artists, master teachers, and in the company of other students from throughout Wisconsin," said Superintendent Grover.

Arts World is sponsored by the Wisconsin Department of

Public Instruction and Wisconsin Arts Board in cooperation with the Wisconsin Alliance for Arts Education and the Wisconsin Academy of Sciences, Arts, and Letters.

just feel rushed," stated Schmitt.

Ankerson told Schmitt, she, as well as all the other board members have had ample opportunity to go to, or call the administration with their questions and concerns. He asked her if she had done this. She said no, but she had gone over the paperwork.

Trapp wanted to postpone action, even to the point of re-scheduling the Annual Meeting if necessary, because Horner was not present. Ankerson told her Mr. Horner had addressed his concerns at the last meeting. Ankerson felt that if Horner had any serious problems, he would have contacted the administration before the meeting. He told Trapp however, he would be glad to wait while she or someone else called Horner at work to see if he had any questions. We have all the people here, he told Trapp and Schmitt, so now is the time to ask your questions.

On a four to two vote, the board approved a motion to present the budget, as modified, at the Annual Meeting.

Ankerson thanked the administration for its time and effort in preparing the budget as well as the detailed and very complete reports furnished to the board in its review of the budget.

Two area students are among College of Agricultural and Life Sciences students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin Madison. Only full-time students with "B" or better are eligible for recognition on the "Dean's List."

George Sledge, Associate Dean and Director of Academic Student Affairs, says that last semester some 2,270 undergraduates were enrolled in the college's 22 departments. They selected from five curricular options which stress either business and industry, natural resources, natural science, production and technology, or social science.

The students are: Mona Marie Anderson, 8183 Broadview Lane, Kewaskum, Wildlife Ecology; Terry Lee Koth, 9204 Hwy. 144, Kewaskum, Construction Administration.

### Receives Degree

Heidi Flasch, 9075 St. Kilian Heights, Allenton, graduated from the University of LaCrosse on May 23, at 1:00 p.m. at the Memorial Field Stadium from a class of 777. She received her Bachelor degree in Psychology. She is the daughter of Mr. and Mrs. Robert Flasch.

## Award Coulter \$2,000 Lakeland Scholarship

Michael Coulter

Sheboygan — Michael Coulter, son of Mr. and Mrs. Michael Coulter, Allenton, has been awarded a United Church of Christ (UCC) Pastor's Scholarship worth \$2,000 to attend Lakeland College this fall.

Coulter graduated from Kewaskum High School this spring. He was active in football and basketball for four years and in golf for three. He plans to enroll at Lakeland in the fall. UCC Pastor's Scholarships

are awarded to new Lakeland students who are members of a UCC congregation and have been nominated by their pastors. The \$500-per-year scholarship is renewable if the students maintain a 2.0 grade point average or above.

Lakeland is a private liberal arts college affiliated with the United Church of Christ. Celebrating its 125th anniversary this year, the college served over 1,200 students last year.

# Memories...

The forerunner of the present Sentry store had its beginning in 1876. It was started as an independent food store by the late Nic. Marx, then a young man of 25. This was one of the first stores in Kewaskum. The store was run in conjunction with a saloon in the Marx building now occupied by the Kewaskum Saloon. The building to the west was occupied by Ebenreiter Furniture Store and its last occupant was KB Lettering. The building at present is vacant, and is owned by Gary Gavin and Don Nowak.

Mrs. Nic. Stoffel (Dela Marx), 98, only surviving child of Nic. Marx, tells an interesting anecdote connected with the store. In those early days, there were quite a few passenger trains of the North Western Railroad stopping in Kewaskum. Since the store was so close to the depot and the train had to stop long enough to unload baggage, the passengers were permitted to leave the train, run over to the store for a small snack, such as an orange or such.

In May of 1911, Nic. Marx was succeeded by his son, John. In 1926 the store was moved, just one building over to the East.

## Dinner at the County Fair

Mark your calendar for Wednesday evening, July 22, to come to the Fair for dinner! The Washington County Extension Homemakers are sponsoring the dinner, in recognition of 50 years of membership.

The dinner is a part of the opening events of the fair. Other events scheduled include carnival wrist band promotion, Fairest of Fair Contest, commercial exhibits open and fireworks.

The menu for the dinner includes mouth watering ribs and roast beef, potato salad, baked potatoes, baked beans, fruit tray, rolls/butter, assorted sheet cakes, coffee and milk. The dinner will be served in the dairy barn from 4:30 to 7:00 p.m.

Tickets must be purchased in advance. They are available from Extension homemaker members, County Board of Supervisors and at the County Fair Office, located at the Courthouse, 432 East Washington Street in West Bend.

Ticket prices are \$5.00 for adults and \$3.50 for children under 10. **ADVANCE TICKET PURCHASES ONLY.** Deadline for purchasing is July 17.

MADISON...Business World 1987 is being held this year at St. Norbert College from June 21-26 and at Lawrence University from July 26-31. Sponsored over the past 6 years by Wisconsin Manufacturers and Commerce (WMC), in cooperation with the Department of Public Instruction and local chambers of commerce, the program offers an inside look at how business operates. Business World brings Wisconsin high school students and teachers together with business men and women who have volunteered to share their expertise and career experiences.

Six-hundred-seventy-five students and 60 teachers, representing 60% of the state's public and private high schools, are attending Business World this summer. All participants have been awarded scholarships contributed by nearly 700 Wisconsin businesses, foundations and service clubs.

The Business World experience is a valuable and lasting one according to James S. Haney, President of Wisconsin Manufacturers and Commerce. "We believe this program provides an ideal way for high school students and teachers to really learn what business is all about. By actually meeting in person with business men and women, participants gain a new understanding of what it takes to make a business operate successfully, whether that business employs hundreds or is a one-person shop."

More than 150 business men and women have volunteered to serve as speakers or advisors for the two week-long sessions. Participants will spend three to four hours each day hearing presentations on a variety of topics related to the many

facets of business. Topics include competition, business ethics, quality assurance, international trade, and regulation. Students and teachers are encouraged to engage in question and answer exchanges with speakers during these presentations. Additional hours during the days and evenings are spent in small group meetings, led by volunteer business advisors. Activities during these meetings include a computer-based management simulation.

The press is welcome to attend Business World. A listing of session speakers is enclosed. For further information, contact Linda Western, Business World Director, at WMC, 501 E. Washington Ave., P.O. Box 352, Madison, WI 53701; 608-258-3400. Student and/or teachers from this community participating in Business World 1987: Kewaskum High School - Michael Lubahn and David Harju.

Contributors to the Business World 1987 scholarship fund from your community: Kewaskum Kiwanis Club, Regal Ware.

**VILLAGE OF KEWASKUM NEWS NOTES**

**ON OVERHANGING TREE LIMBS**

The Village of Kewaskum Municipal Code addresses a particular hazard or public nuisance the Village Board wishes to review with all property owners. This hazard or public nuisance is in reference to **TREE LIMBS**. As stated in Chapter 10.05(5): All limbs of trees which project over and are less than 10 feet above any public sidewalk, street or other public place are considered a public nuisance. Any property owner in violation of this section is asked to correct the situation to elevate any further action required by the Village.

It should also be noted that

bicycles are considered recreational vehicles and fall under the Village Traffic Code Chapter 7, which in turn adopts and places enforce all State Traffic Codes. What this means to bicyclists is that all regular traffic laws are to be followed as to stop signs/lights, signalling, traveling on the right side of the roadway and operating the bicycle on the roadway adjacent to the curb (not on the sidewalk).

Everyones cooperation in appreciated in the maintenance of safety for all residents.

**4-H Members Show Off Livestock-Judging Skills in Fond du Lac**

Wisconsin 4-H youth will show how well they can judge livestock this month at Wisconsin District Livestock and Dairy Days.

They'll come together to demonstrate their skill at evaluating dairy cattle, beef cattle, sheep and swine.

Junior 4-Her's (age nine to twelve) and seniors (ages 13 to 18) will participate individually and as teams at Fond du Lac. Washington County's livestock judging team consists of six members. Senior judging team members include Pam Hetzel, Michelle Hacker, and Shelle Hacker. Junior judging team members include Brian Butzlaff, Tina Langenecker, and Maureen Miller. These youth have participated in a series of four judging workouts.

Each animal species will be grouped four to a class. Participants will rank those four animals according to marketing characteristics, then explain the ranking to the judges. Judges will decide how well the participants know the characteristics that make up the ideal animal, and the seriousness of various defects.

Youth learn to make decisions

and justify their decision through oral reasons. Youth develop communication skills and decision making skills.

Some of the participating 4-Hers may one day be taking over the family farm. Others are pursuing careers as breed classifiers, artificial inseminators, or as buyers for milk and meat companies.

The District Livestock and Dairy Days are intense learning experiences. It's not just a matter of evaluating the animals. The 4-Hers must also be able to logically and rationally organize their thoughts, and clearly articulate them to the judge. Basic science is also involved. For example, participants must understand the genetics involved in animal breeding.

The Wisconsin artificial insemination industry exported 1,506,782 units of semen to 58 different countries in 1986.

County Register of Deeds Elected  
President of Wisconsin Association

John Steilen

The Annual Seminar for Wisconsin Registers of Deeds was held at the Sheriton Inn and Conference Center in Madison on June 7th, 8th, 9th and 10th. The seminar is held in conjunction with the Wisconsin Association of County Officers, which also includes the county treasurers and the clerks of court.

Washington County Register of Deeds, John Steilen, was elected President of the Wisconsin Register of Deeds Association at this year's meetings. As president, he will preside at all meetings of the Association and see to it that all resolutions passed on by the group are properly enacted upon and presented to the legislators for possible passage into law. Steilen will also have the general supervisory control of all of the affairs of the Register of Deeds Association. He will serve a one year term until June, 1988. John Steilen is serving his 7th consecutive term as Register of Deeds for

Washington County.

Topics of discussion at this year's seminar included the

new law governing the filing and distribution of birth, death, and marriage records; tax laws and forms governing the sale of real estate; an update of the new proposed state-wide uniform commercial code system, soon to be implemented by the Secretary of State; and speakers with new ideas and modern methods of recording real estate documents, including computers and laser. In addition, tours of the State Capitol and the Bureau of Vital Statistics were conducted.

The Wisconsin Register of Deeds Association exists in order to provide its members with a continuous updating of recording and filing procedures, as well as attempting to maintain a uniform fee system throughout the state. The registers' of deeds use the information gained at these conferences to better serve the electors in Wisconsin.

# July 10 Alfalfa Field Day

Dairyland Seed's Vice President of Research, Dr. Paul Sun, shows how Magnum Plus alfalfa persists where other alfalfas have failed. Magnum Plus can be seen at Dairyland's Clinton, Wisconsin research station this July 10.

An alfalfa field day will be held at the Dairyland Seed research facility at Clinton, Wisconsin, on Friday, July 10, from 10:00 a.m. until 2:00 p.m. The focus of the field day will be to emphasize the production of high quality hay while maintaining your alfalfa stand.

The field day is free of charge. All farmers are invited to attend.

"The field day will emphasize how today's farmer can cost effectively manage his alfalfa stand," said Tom Strachota, Dairyland Executive Vice-President. "The nine keys identified in 'Management 2000 for Alfalfa' will be the basis for

the field day."

Dairyland Research Director, Dr. Paul Sun, emphasized that, "We can show today's farmers how they can produce high quality hay and yet maintain stand persistence for four to five years. With the right and proper management techniques, a farmer can produce four to five years of bud-stage hay."

The research facility is located near Clinton. Clinton is located in south central Wisconsin, seven miles east of Beloit just south of Hwy. 15. Take exit Hwy. 140 south off of Hwy. 15 to County X. Go right or west on X one mile to first left, then

south one mile. In addition to the tour, free lunch will be served. Please call Dairyland Seed at 414-338-0163 if you plan on attending.

You can know people for what they are, but to understand them, you must know what they hope to be.

### Weekly Health Tip

From Tom Kennelly

#### REPELL MOSQUITOES

Vitamin B1 - thiamine - has been recommended by some doctors since 1943 to repel mosquitoes. Taken by mouth, some of the vitamin is excreted via the skin - enough, according to reports, to act as an effective insect repellent. Your doctor or pharmacist can suggest a safe dosage. For some persons, one B-complex vitamin a day does the trick.

## Campus Notes

NORFOLK, VA. Kimberly Ellen Kode 1016 Edgewood Rd., has been named to the Old Dominion University dean's list for the 1987 spring semester.

To be named to the dean's list, a full-time student must have earned at least a 3.4 grade point average out of a possible 4.0.

Approximately 1,130 students were named to the list at Old Dominion University during the spring session.

Susan Lemke, daughter of Mr. and Mrs. Jack Lemke of 7792 Salisbury Rd., West Bend, was inducted as a member of Beta Gamma Sigma, the national honor society in business. The initiation took place at the University of Wisconsin - Oshkosh, on Sunday, April 26.

Susan is a 1984 graduate of Kewaskum High School.

### RIPON COLLEGE HONORS AREA STUDENTS

RIPON, WI: May 19, 1987 — More than 50 citations honoring outstanding students and faculty were presented April 15 at the annual Ripon College Awards Convocation. Among the students receiving awards were Suzanne Schmitt and Richard Staehler.

Schmitt, a junior, was elected to membership in Beta Beta Beta, the honor society of biology. She is the daughter of John and Ruth Schmitt, 8065 Kettle Moraine Dr., West

Bend. Staehler, a freshman, received the J. T. Lewis Prize which is awarded to the student who shows outstanding initiative and performance in the introductory biology course. He is the son of John and Karen Staehler, Route 1, Kewaskum.

Both are graduates of Kewaskum High School.

Ripon College annually recognizes its faculty and students who have accomplished important achievements. The awards convocation is an example of how Ripon has held to its traditions of educating leaders in many career areas over the College's 135 year history.

BLOOMINGTON, IL. — The Illinois Wesleyan University chapter of Alpha Lambda Delta, National Scholastic for freshman college and university students, will hold their spring initiation on May 3, 1987. Students will be initiated into the Society which recognizes superior academic performance by freshmen women. Students must have attained a 3.5 or better grade point average on a 4.0 scale to be named for membership.

One of the students to be initiated is Lisa Krahn, daughter of Sylvester and Jean Krahn, 807 CTH. A, Route 1, Adell.

Twenty Lakeland College students were cited for 1986-87 achievements by 13 academic

departments, and nine returning students were awarded scholarships for the 1987-88 academic year at the recent annual spring honors convocation.

Recipient of a departmental award for "outstanding students" was Pamela Krahn, Adell, junior in biology.

### SCHOLARSHIP AWARDED

The second Mary R. Ciha Memorial Scholarship was presented to electrical and computer engineering student Kathryn Sartori of Elroy at the University of Wisconsin EXPO awards banquet.

Ciha, daughter of Al and Claire Ciha, Allenton, was an industrial engineering student at the University of Wisconsin when she died in a traffic accident in 1982. At the time of her death, she was industrial exhibits chairperson for the 1983 Engineering EXPO. The 1983 EXPO was dedicated to her.

### MONA A. ANDERSON WINS SCHOLARSHIP

Mona M. Anderson, 8183 Broadview Lane, Kewaskum, has been awarded the Vicky Lee Hirsh scholarship for the 1987-88 academic year, according to George W. Sledge, associate dean in the College of Agricultural and Life Sciences, University of Wisconsin -

Madison.

Anderson is a junior majoring in wildlife ecology.

The scholarship has been provided annually since 1968 by the estate of the late Vicky Lee Hirsh, a former Milwaukee school teacher with a deep interest in nature. The awards are made to Wisconsin natives enrolled in conservation and natural resources studies.

Undergraduate students at the University of Wisconsin - River Falls who have exhibited high scholastic achievements were recognized at an Honors' Day program on Tuesday, May 19.

Freshman honors were awarded to 93 freshmen who have achieved a grade point of 3.50 or better, no grade below a "C" and 28 on-campus credits in their first year at the University. The sophomore Silver "R" was awarded to 73 sophomores who have a 3.50 grade point ratio, no grade below a "C" and 45 on-campus credits for two years of study. Junior Honors were awarded to 78 juniors who have maintained a grade point ratio of 3.50 or better, no grade below a "C" and 70 on-campus credits during three years of study at UW-River Falls.

Rhonda Herriges, 9523 Forest View Road, Kewaskum, received FRESHMAN HONORS.

SHARE Celebrates Successful Food Exchange Program with Balloon Launch

On Saturday, June 27, SHARE of Southeastern Wisconsin, Self Help and Resource Exchange, will celebrate a significant milestone with the release of 10,000 helium balloons - one balloon for every 100 dollars saved in the food budgets of its 1987 participants.

Don Borkowski, Executive Director of SHARE, stated, "This month's food distribution will result in the one millionth dollar saved by families who have chosen to use SHARE to help make ends meet."

"Since the first of the year, we've had 50,000 families pay and work for over 2,000,000 pounds of good food," Borkowski added. "This month also marks the opening of our 150th host site in the 15 counties SHARE now serves," he noted.

He explained that the SHARE food concept involves a central warehouse, host sites (typically churches or community centers) and plenty of volunteers. People are invited to sign up for SHARE at the host sites, pay \$13 and agree to perform at least two hours of community service in return for a food package. The two hours are usually spent helping in some part of the SHARE distribution chain, packing the bulk-delivered fresh fruit, vegetables, staples and frozen meat products at the SHARE warehouse; staging each host-site's packages on distribution days; or helping in the distribution at the host site. The final package averages \$29 or more in retail value; over 40 pounds of food. "We're not talking rejected, donated, second-rate food here," Borkowski emphasized. "SHARE USA in San Diego, is in contact with growers, food processors, and people in the meat industry constantly," he explained, "and together we have hundreds of thousands of dollars in buying power every month. As a result, we can virtually guarantee the SHARE food package will be worth two times or more what a partici-

pant pays."

The 10,000 balloons will be released from several locations on this month's distribution day: the central warehouse at 4th and Galena in Milwaukee and "All of Us" at Hartford will be at the VFW on Abbott Avenue at 9 a.m.

Each will contain a \$1-off coupon for a future SHARE package, a promotional device Borkowski hopes will help push SHARE'S monthly participation past the 10,000 mark. Currently, about 7,000 families participate monthly.

Interested individuals or groups who would like more information about participating are invited to contact: Betty Mueller, 508 Pleasant Ave., Hartford, WI 53027, 673-6394 or Walter Kloske at 629-5376.

Scarecrow Contest at County Junior Fair

Create a scarecrow and enter it in competition at the Washington County Junior Fair. This new event will be judged on workmanship and originality. Scarecrows can be entered in two categories: (1) natural materials (must be made from natural materials such as cornstalks, hay or straw) and (2) man-made materials.

The ideas for the scarecrow must be original. Entry forms are available at the County Fair Office, Courthouse, West Bend or call 338-4485; 644-5204 or 342-2929. Forms must be returned by July 20.

All scarecrows will be on display outside the flower and crops tent. Prizes will be awarded in monetary amounts of \$15 for first place and \$10 for second place in each category.

# Five Generations

The above five generation picture was taken at Easter. In the back row is Jerome Klein of Winona, MN (grandfather), holding Michael Bruemmer, West Salem, and Dinita Bruemmer, West Salem, (mother). Sitting is Alma Hintz, Campbellsport, (great-great-grandmother), holding Nathan Bruemmer, West Salem, and Floreda Klein, Kewaskum, (great-grandmother).

regular rockets, Roman candles, and similar devices. The permits are available from local municipal offices. The permit must specify the name of the person who wants the fireworks, the location, date and time of their use, the place of purchase, and the amount and type of fireworks that will be purchased.

There are many devices that do not require a permit. These items are toy snakes, sparklers, caps, champagne party poppers, whistles (which don't explode, spark, move, or emit flame), smoke devices (which do not emit flame and which are not propelled), and foundations (which do not move and which emit only smoke or sparks).

Local municipalities have the option of enacting laws which are more strict than the state law, however, and can refuse to issue permits. The prospective purchaser should check local laws before buying. The Sheriff's Department does not issue fireworks permits.

Deputies will confiscate any fireworks that are possessed without a permit, and have the option of issuing a \$67.50 county citation.

## GTE Files With FCC to Increase Interstate Subscriber Line Charges

GTE has announced that it has filed a request with the Federal Communications Commission (FCC) to increase interstate subscriber line charges from \$2.00 per month to \$2.60 per month for residential and single-line business customers effective July 1.

The multi-line business charge would remain unchanged under the new proposal, according to James D. Blanchard, state vice president - general manager for GTE's Wisconsin operations.

The subscriber line charge partially covers costs associated with providing access to all telephone services.

Blanchard said the filing for the increase was in response to a request from the FCC issued April 30. He added that GTE's filing was in line with a recommendation made to the FCC earlier this year by a special conference board

appointed by the FCC. The commission made its recommendation in expectation that long distance rates - formerly subsidizing local service - will continue to decrease.

GTE is required to notify its customers within seven days of filing with the FCC.

## FIREWORKS

County residents are advised to stay clear of fireworks this summer, according to a press release from the office of Sheriff Clarence A. Schwartz. Washington County adopted a series of stiff laws enacted by the State in 1984 regarding the sale, possession and use of fireworks.

"While we recognize that fireworks are fun, the fact had to be faced that many people,

mostly children, were being injured every year by the use of these devices," the Sheriff stated.

Not only are injuries reported each year, but property damage is also a serious problem. While the new laws provide an enforcement mechanism for officers of all jurisdictions, misuse of fireworks continues to be a headache.

You must have a permit to purchase, possess, and use firecrackers, bottle rockets,

## 25 Years Ago

JUNE 22, 1962

The Kewaskum area was rocked by one of the most severe windstorms in many years early Sunday evening. Tornado-like winds lashed the village suddenly and unexpectedly leaving a widespread path of destruction and extensive damage. Some of the damage caused by the fierce, howling storm included a smashed trailer, part of a roof blown off, many roofs damaged, a large tent torn apart, numerous trees twisted off, injuries to a family of golfers, silos blown down, wires downed and boards, branches, toys, garbage cans, lawn furniture and other loose objects flying through the air. The "twister" threw a scare into local people and sent many of them scurrying into their basements and other protective places to escape the fury of the storm. Although it might not have been officially a tornado it was as close to one as Kewaskum's residents care to get. Several persons reported seeing a funnel-shaped cloud south of the village heading in this direction. They said that as it approached Kewaskum the funnel flattened out and seemed to spread out into two directions. This probably is true as the brunt of the storm struck just south and north of Kewaskum while the village escaped with very little damage.

Mariel M. Seefeldt, Route 1, Kewaskum, was among the 448 high school girls from throughout Wisconsin participating in the 19th session of Badger Girls' State June 9-16, at the University of Wisconsin, Madison.

Several youths from this area were among officers elected in 27 mythical cities when 857 Badger Boys' State delegates went to the polls for the first time Monday at Ripon. A city officer from Kewaskum was Allen Koepke who was elected an alderman for the city of Farwell on the Federalist Party.

Steven Bruce Timmerman, 12-year-old son of Mr. and Mrs. Walter Timmerman of the Town of Auburn, Route 2, Campbellsport, a seventh grade pupil in the Kewaskum public school, passed away in June 19, at St. Joseph's Hospital, following an illness of several months.

Miss Margo Weiss, daughter of Mr. and Mrs. Leslie Weiss, Boltonville, was among a class of 130 who received degrees at Spencerian College's 99th commencement exercises held in Milwaukee on June 2.

Pfc. Terry Koch and Pfc. Dennis Jandre in company with Al Rohlinger, arrived Sunday from Fort Lewis, Washington to spend 12-day leaves at home.

Electrician's mate second class Ronald L. Backhaus, son of Mr. and Mrs. Herbert A. Backhaus, Route 3, Campbellsport, is expected to arrive home Saturday after serving the past three years in

the U.S. Navy.

A/c and Mrs. Charles Dreher and family of Roswell, New Mexico arrived on June 10, to spend the former's leave with Mr. and Mrs. Earl Dreher in Kewaskum and Mr. and Mrs. Reuben Vetter at Beechwood.

A son was born to Mr. and Mrs. Robert Gavin, Route 1, Fredonia, on June 16.

## 50 Years Ago

JUNE 25, 1937

Sylvester Staehler of St. Michaels has taken over the former K. A. Honeck service station on South Fond du Lac Avenue in this village, which Clarence Kudek had been operating since K. A. Honeck moved his garage into different headquarters some time ago. The station will be known as Staehler's Service Station and the proprietor is handling Texaco Fire Chief gasoline.

The citizens of Kewaskum will again have the pleasure of listening to another free open air band concert given by the Wayne band, under the direction of Rev. A. A. Graf, on the vacant lot adjacent to the A. G. Koch, Inc. warehouse on Main Street on July 1st.

Miss Linda K. Rosenheimer, daughter of Mr. and Mrs. N. W. Rosenheimer of Kewaskum, student at the University of Wisconsin, Madison, received the degree of bachelor of arts at the 84th annual commencement exercises on June 21.

Holy Angels Church in West Bend was the scene of a pretty nuptial rite June 19 when Charles A. Klumb, one of Kewaskum's well known young men, son of Mrs. Katie Klumb of the Town of Barton, took as his bride a popular West Bend young lady, Miss Rosalie Chesak, daughter of Mr. and Mrs. Alfred Chesak of that city.

In a Badger State league baseball game on the home diamond last Sunday afternoon, Kewaskum defeated Kohler 8 to 6 to break the tie for the first place between the two teams.

With the passing of the week occurred the death of a beloved pioneer woman, Mrs. Anna Wesenberg, nee Wilhelmina Gatzke, aged 75, for many years a resident of this village at her home on Fond du Lac Avenue. Mrs. Wesenberg passed away on June 22 at the home of her sister in the Town of Auburn.

The Campbellsport Volunteer Fire Department has set Sunday, August 22, as the date of their annual picnic and dance. The picnic, as usual, will be held in the park at the west end of Main Street.

Advertisements this week included an ad for the Ford V-8 automobile for \$533. (The lowest price Ford V-8 in years!) This price is for the 60-hp coupe equipped with front and rear bumpers, spare

tire, horn, sun visor, windshield wiper, glove compartment and ash tray.

Beverung Bros. circus made its first appearance in this village on Thursday and pleased all who attended. The circus is a new proposition, this being its first year, and it is a promising aggregation. The owners are Milwaukee boys.

Math. Staehler of St. Michaels had the misfortune of being quite badly burned last Tuesday morning, while in the act of shooting anvils in the church yard. Mr. Staehler was about to pour powder on an anvil, after it was heated, when the powder set fire and rapidly spread over Mr. Staehler. Presence of mind on the part of Mr. Staehler saved his life.

The bridge in the southern part of the village of Boltonville has been completed and is now ready for traffic.

The marriage of John Schlosser to Lena Goshey took place at Barton Tuesday at the home of the bride's parents.

The marriage of Miss Kathryn Habeck of the Town of Kewaskum to Albert Greip of Milwaukee took place last Saturday afternoon at the Ev. Lutheran St. Lucas Church in Kewaskum.

The marriage of Miss Erma Schmidt and Mr. Louis Schmidt was performed by Rev. Mohme at the parsonage of the Ev. Peace Church on June 15.

A little baby girl arrived at the home of Mr. and Mrs. John Meyer, Kohlsville on Sunday.

## Awarded Degrees At UW-Stout

Menomonie, Wis. — Graduation ceremonies were held at UW-Stout on May 16. The following students from the Kewaskum area received degrees. They are Matthew Hanrahan, son of Mr. and Mrs. George Hanrahan, 4930 Hwy. 28 W., Kewaskum, who was graduated cum laude with a bachelor's degree in industrial technology; and Steve Straub, son of Hugo and Isabelle Straub, 1035 Hillside Drive, Kewaskum, who was graduated magna cum laude with a bachelor's degree in industrial technology.

## Registration for New Freshmen Begins Monday at UWWC

WEST BEND — A three-day fall semester registration period for new freshmen begins here Monday, June 29, at the University of Wisconsin Center — Washington County.

Mike Murphy, director of student services at UWWC, said that by mid-June 283 new freshman applications had been received at the school including 227 from June 1987 high school graduates. Total applications are down 36 from June 1986; June graduate applications, up by three.

Despite the current lag in total freshman applications, Murphy is predicting another record-breaking enrollment at UWWC. Last fall's 777 students were an all-time high.

Murphy said his optimism is based on advance registrations of 301 continuing students, who were enrolled at UWWC during the 1986-87 school year.

Continuing student pre-registration already have surpassed last fall's final September count of 297, Murphy said.

Both Murphy and UWWC Dean Robert Thompson emphasized the importance of early registration to assure students finding space in the classes they want.

Murphy said that new freshmen applications for fall are no longer being accepted at any of the four-year UW campuses due to new enrollment caps imposed on the schools this year. He said this could lead to pressures on UWWC classes.

"We'll probably close many courses after the next three-day freshman registration," he said.

Thompson urged new freshmen not to delay in signing up for the fall semester. He said, "Courses will be available, but not necessarily some of the ones that students want in the first semester of their freshman year. When classes close, they are closed."

Advance reservations are required for the June 29 and 30

registration sessions. Each runs from 9 a.m. to 5 p.m. at the student services office.

Entering freshmen may register without reservations from noon to 4 p.m. on Wednesday, July 1.

Four more advance registration days are planned for new students before fall semester classes begin on Sept. 8; Monday and Tuesday, Aug. 3 and 4, from 9 a.m. to 5 p.m.; Wednesday, Aug. 5, from noon to 4 p.m.; and Wednesday, Sept. 2, from 9 a.m. to 5 p.m.

Registrations also will be accepted during first two weeks of fall classes.

No advance reservations are required for registration sessions after June, Murphy said. But all new students taking more than six credits are required to attend a program planning session and have their course plans approved before registering for classes.

Each two-hour session includes a brief orientation to college and information on choosing and scheduling courses. Three summer planning meetings are scheduled for Main 201 at UWWC on Tuesday, July 28 at 5 p.m.; Wednesday, July 29 at 9 a.m.; and Tuesday, Sept. 1 at 5 p.m.

New students also must take placement exams before registering in any UW English or mathematics courses.

Murphy said, "The results of these tests do not affect one's admission in any way. Results are used to determine the level of courses in those fields in which they may first enroll."

Summer placement tests will be held in Main 201 at UWWC on July 27 and Aug. 31, at 9 a.m. to 3 p.m. Each test takes about 80 minutes to complete. No one is admitted after testing starts.

No advance reservations are required for either placement testing or program planning. "Students can simply show up at the desired time," Murphy said.

For more information on registration, testing and planning, call the UWWC student services office.

## Lions Foundation Announces Opening of REACH Outdoor Center at Rosholt Camp

The Wisconsin Lions Foundation has announced the opening of the REACH Outdoor Center at the Wisconsin Lions Camp in Rosholt, Wisconsin. Recreation, Education, Adventure, Camping for Handicapped are the important elements of this new program which make outdoor programs and facilities available to special population throughout the year. Recent completion of a winterized conference center, fully accessible facilities, and specialized program services enabled the expansion to year round programming.

REACH Outdoor Center facilities are made available for rental to organizations serving special populations during the period from September through May. The facilities are available for various outdoor recreational and environmental education activities; as well as organizations who wish to conduct educational or training workshops involved in serving special populations. The concept behind the REACH Outdoor Center is to "reach out" to special population groups the many benefits of an outdoor or environmental education experience. In keeping with that concept, rental fees have been established on an "at cost" basis to make the programs and facilities affordable to any group.

In addition to the availability of REACH Outdoor Center facilities for groups, two new programs have been added at the Wisconsin Lions Camp. Two weekend family camps have been established to provide opportunities for families with two or more persons in the family who are visually or hearing impaired. This new program enables families with visually or hearing impaired members to enjoy a camping experience together with the support of specialized facilities and staff. Another new program, the Autumn Adventures weekend provides a camping experience for any handicapped or disabled person not eligible to attend the regular

summer camping sessions. In this program each camper must be accompanied by a special friend who assists the camper in the various program activities. Plans for additional programs focusing on winter camping, and special interest camps are also being developed.

The recent completion of Pinewood Lodge has also enabled the Wisconsin Lions Camp to expand its traditional summer programs for visually handicapped, hearing impaired, and educable mentally retarded children. Camp facilities will now accommodate an additional twenty five children each week serving 135 campers each session, or approximately 2,000 campers during the summer program. As in the past, the summer camp sessions will be made available to eligible children at no cost. In addition to the sessions for children, special camp sessions are also available for adults who are visually handicapped or deaf.

This year the Wisconsin Lions Camp will begin its 31st year of camping for children with disabilities. The camp is accredited by the American Camping Association through its compliance with stringent standards in areas of health and safety, program excellence, personnel, facilities, and administration. The camp is also the headquarters of the National Conference of Lions Camps for special population camping and outdoor education. The Wisconsin Lions Camp is owned and operated by the Wisconsin Lions Foundation, which is the statewide service arm for nearly 700 Lion and Lioness Clubs throughout Wisconsin. The Wisconsin Lions Foundation also operates other programs in the areas of sight conservation, eye banking, drug abuse prevention, diabetes awareness, used eye glass collection, hearing conservation activities, and the leader dogs for the blind. The operation of the Wisconsin Lions Foundation is made possible through donations by Lions Clubs of Wisconsin, individual contributions, and corporate grants. Anyone interested in more information is encouraged to contact their local Lions Club.

## County 4-H Youth Show Off Projects At Clothing Revue

By Lonna Pierce  
Summer Home Economist

4-H Youth were "Looking Good and Feeling Great" during the 1987 Fashion Explosion. The youth gathered June 6, 1987 at UWWC, West Bend, for this year's Washington County Clothing Revue.

Approximately twenty youths were on hand to show off their clothing projects. The Clothing Revue gives young people the opportunity to construct a garment and model it. The individual is evaluated on the overall look, individual appearance and fit of the garment. Mary Koepke, former Home Economist in Milwaukee County judged the revue.

The Clothing Revue is divided into four divisions according to the number of years the youths have participated in the clothing project. Also included in this year's event was crocheting.

Crocheting participants include Rachel Heidtke and Michelle Oestreich. Youth entering the First Year Beginning Designers were Sarah Nothem, Amy Peterson, Karie Reichert, Michelle Schaub and Christine Schmidt.

The next division, Beginning Designer included Kristen Kieselhorst, Amy Chesak, Rachel Heidtke, Karen Nadelhoffer, Beth Schaefer, Teri Schulteis and Julie Yahr made up the Intermediate Designers Division. The Advanced Designers were Carla Anderson, Jeanne Awve, Diane Hammen, Lynn Hammen, Holly Prochnow and Ann Shaw.

Youth ages 14-18 are eligible for State Fair selection. The 1987 State Fair Delegates for Washington County will be Ann Shaw of the Myraners 4-H Club and Lynn Hammen of the Badger Boosters 4-H Club. First alternate was Carla Anderson, Wayne Crusaders 4-H Club and second alternate, Holly Prochnow, is from the Badger Boosters.

While being evaluated the youth had an opportunity to do some judging for the Teen Choice Award. Each participant was asked to choose the one exhibitor who they felt deserved recognition for a job well done.

Teen Choice Awards will be announced at the Washington County Jr. Fair. Also being announced at the Fair will be the Top Designer awards for each category. These participants will receive gift certificates from area businesses. Sponsors for 1987 include Ben Franklin of Hartford, Decorah Yarn Shop, Halla's Variety of Hartford, Heuer's West Bend Sewing Center, Julie Ann Fabrics, Pik Place and Royce Fabrics.

Participants in the 1987 Fashion Explosion had the opportunity to not only be evaluated on their garments but also to learn more about the fashion through the Clothing Skillathon activities. The youth and their guests participated in a Serger Demonstration by Laverne Doll of Julie Ann Fabrics, a computer program on Fashion Options for Your Body, Creative Accents, a video presentation and Modeling tips given by Jeanne Awve and Diane Hammen, the 1986 State Fair Delegates.

"Looking Good and Feeling Great" in the clothes they make is a perfect way for 4-H members to show off their projects. Come and see for yourself the 1987 Fashion Explosion on Friday evening, July 24, at 7:00 p.m. at the Washington County Junior Fair.

## Cadette, Senior Girl Scouts Have New Look

Cadette and Senior Girl Scouts in Wau-Bun Girl Scout Council have a new look. A new uniform that reflects the preferences of older Girl Scouts, aged 12 to 17, features seven interchangeable pieces and a new color, blue.

The components include an A-line skirt with two pleats on each side of center front; pleated, straight leg pants, and for displaying official insignia, a bolero style vest and sash, all in blue polyester/cotton fabric. A white cotton/polyester long sleeve blouse with blue/green pencil stripes can complete the uniform. Or these older Girl Scouts may select a blue polo shirt. A reversible oblong scarf designates the girl's age level, green for Cadette Girl Scouts (ages 12-14) and blue for Senior Girl Scouts (ages 14-17).

The blouse, skirt and pants

are available in sizes 3/4 to 17/18. The polo shirt and vest are available in sizes small, medium, large and extra large. The new Cadette and Senior Girl Scout uniform can be ordered at official Girl Scout equipment agencies, beginning July 1st. These are: Wau-Bun Girl Scout Council, Service Center, 307 N. Main St., Fond du Lac; Alston's Department Store, West Bend; J. C. Penney's, Forest Mall, Fond du Lac.

## Banquet Held for Partners in Caring At Cedar Ridge

The Cedar Lake Home Campus Foundation honored its Partners in Caring Society members with its annual appreciation banquet held at the Cedar Ridge Campus in May.

The Foundation sponsors the annual Partners in Caring fund drive each fall to enable the continuation and advancement of quality care and education at the Cedar Lake Home Tri-Campus. Once again this year's goal was surpassed.

Foundation president, Paul Bast, Jackson, thanked the society members for their financial assistance. Because title 19 pays minimal costs covering only adequate nursing care, quality care for all can be given only through the added support of friends. Quality care addressed residents' medical, nutritional, emotional, recreational, spiritual, educational and social needs, so important to total person dignity. Countless individuals from across the nation provide thoughtful and loving support to make quality care possible. Also, the Cedar Lake educational outreach programs touch the lives of community, state and worldwide lives in a variety of positive ways.

## Farmland Preservation Deadline to Receive Tax Credits Is June 30

Wisconsin farmers in rural counties wishing to receive tax credits on their 1987 state income taxes, and who are not already participating in the state's Farmland Preservation Program, have until June 30 to submit an application for an individual agreement.

According to Dave Fodroczi, Wisconsin Department of Agriculture, Trade & Consumer Protection (DATCP) farmland preservation director, farmers in preservation districts "urban" are eligible for tax credits only if their land is in an exclusive agricultural zoning district. When such zoning is adopted, a farmland preservation agreement is not needed to claim a tax credit. Urban counties include: Brown, Dane, Eau Claire, Fond du Lac, Jefferson, Kenosha, LaCrosse, Manitowoc, Outagamie, Ozaukee, Racine, Rock, Sheboygan, Walworth, Washington, Waukesha and Winnebago.

All other counties are classed "rural" and in these counties farmers can become eligible by entering into farmland preservation agreements when a county plan is adopted.

"All rural counties have adopted plans," says Fodroczi, "so farmers in these counties will be eligible for farmland preservation agreements and tax credits if they apply by June 30 deadline."

Farmland preservation agreements require that land is kept in agricultural use to qualify for tax credits, which averaged \$1,686 per farm last

year. Applications are submitted to county clerks.

"Submitting an application does not obligate the applicant to sign an agreement, but guarantees a tax credit for this year if an agreement is signed later," says Fodroczi. He also advises landowners to begin preparing their applications as early as possible to obtain needed information and attachments such as farm records, deeds, land contracts, property tax bills and air photos.

To obtain information on the Farmland Preservation Program or status of county programs, contact your local county extension office or DATCP, Land Resources Bureau, P.O. Box 8911, Madison, WI 53708 or call 608/266-9819.

## VETERAN ORGANIZATIONS HONORS SENATOR STITT

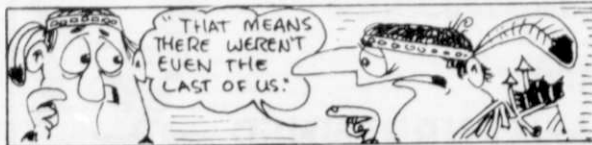

The Wisconsin Association of Concerned Veterans Organizations (WAVCO) has honored Senator Donald Stitt (R-Port Washington) for his "outstanding service and commitment" to veterans' issues.

At its annual convention, WAVCO passed a resolution praising Senator Stitt's strong support of Wisconsin veterans' programs and thanking him for his commitment to veterans' affairs.

WAVCO represents individuals and organizations that are concerned with improving rights and benefits of veterans.

Congressman

JIM  
SENSENBRENNER

**SENSENBRENNER RATED SECOND LOWEST SPENDER IN THE HOUSE OF REPRESENTATIVES**

(Washington, D.C.) — REP. F. JAMES SENSENBRENNER, JR. (R-WI) announced that the National Taxpayers Union (NTU) rated him in its 1986 rating as the Number 2 low spender out of 435 members of the House of Representatives. The Ninth District Congressman was beat out by only one point by Congressman Hank Brown (R-CO).

"Many members of Congress talk about balancing the budget and controlling spending. But Jim's outstanding score in our rating of Congress shows that he backs up those words by votes," said David Keating, Executive Vice President of NTU.

With a congressional spending score of 78%, the non-profit organization gave Sensenbrenner a Friend of the Taxpayer award. On the other end of the spectrum, the Biggest Spender in the House

was Rep. John Murtha (D-PA) with a score of 15%. Senator Proxmire was the lowest spender in the U.S. Senate.

Sensenbrenner's score, which was higher than 99% of his House colleagues, indicates the strength of his support for reducing spending. The NTU calculated scores by analyzing EVERY vote that affects the amount of federal spending. By including the cost of each and every vote, the NTU's analysis gives a truly unbiased picture of congressional spending.

Over all, the NTU named only 37 representatives as Friends of the Taxpayers. The average score in the House was 38%, dropping 5 points from last year.

"The House average score is shockingly low," said Sensenbrenner. He added, "this score helps explain why our federal deficit has reached a new high and continues to climb."

**Senator Kasten Named GOP Platform Committee Co-Chairman**

WASHINGTON, D.C. — Republican National Committee Chairman Frank J. Fahrenkopf Jr. today announced the appointment of Wisconsin Sen. Robert W. Kasten Jr. as co-chairman of the Temporary Committee on Resolutions (also known as the platform committee) to the 1988 Republican National Convention.

"I am pleased and honored to serve as the co-chairman of the 1988 platform committee for the Republican National Committee. It is crucial that we shape a platform, based on our ideological principles, which

will look to the future for all Americans," Kasten said. "America is changing every day, and I believe we should continue to provide the vision and leadership that will lead us into the 1990s."

Kasten will be working with Nebraska Gov. Kay Orr, who was appointed chairman of the platform committee in March. An additional co-chairman will be appointed from the House of Representatives in the coming weeks. Those three chairmen will be in charge of drafting the platform for the Republican Party. This platform will be

presented at the 1988 Republican National Convention, to be held in New Orleans, August 15-18, 1988.

"Bob Kasten played a key leadership role in developing economic policy at the 1984 Republican National Convention, where as chairman of the economic platform subcommittee, he authored the 'no tax increase' plank," Fahrenkopf said. "We are pleased to have the skill and talent of Senator Kasten to again develop the agenda for our party and our candidates."

Kasten was first elected to the U.S. Senate in 1980 and won re-election in 1986. A former small businessman, Kasten serves on several key Senate committees, including Budget, Appropriations, Commerce and Small Business. In the Senate, Kasten has taken a leadership role in significant legislative efforts, including tax reform, repeal of the 10% withholding tax and product liability reform.

**Panzer Appointed To Governor's Study Commission on VTAE**

State Representative Mary Panzer (R-West Bend) has announced that she has been appointed to serve on the Study Commission for Vocational, Technical and Adult Education.

The members of the Commission were appointed by Governor Thompson this week.

Panzer said the group will be studying all aspects of vocational and adult education in Wisconsin, including state aid, fees and tuition, the duties of the VTAE Board and the role of the District Boards, admission requirements and tax levies.

"I'm excited about working on this committee," Panzer said, "because I feel that, although our VTAE system is one of the finest of its kind in the country, we can do more and serve better."

Panzer said the state's 16 VTAE districts had a total enrollment of approximately 440,000 in 1985-86.

"The two primary purposes of our VTAE system are to provide occupational education, training and retraining programs and to provide training and technical assistance to business and industry. That is a big order to fill, but it is a vital component to our state's economic development."

"A well-trained work force is essential in keeping Wisconsin industries and businesses competitive with those in other states. It is also a key factor in attracting businesses to our state," Panzer said.

Panzer added that businesses are not the only group that benefits from VTAE services. Programs such as the displaced homemakers programs, the re-entry women's project, child care initiatives and energy conservation projects are some of the other activities conducted by VTAE schools.

The Commission's first meeting was May 14 and its final report is due to the Governor in September of this year.

# Minutes of Village Board Meeting

Mid-Monthly Meeting  
June 15, 1987  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Community Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. All other Trustee Members were present. A quorum was present. The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Mary Krueger, seconded by Trustee Charles Boegel and unanimously carried by voice vote, the minutes of the June 1, 1987, meeting were approved as printed.

A public hearing was conducted on the application for a Combination Class "B" tavern license for Thomas Piwoni, 1257 Fond du Lac Avenue, as publicly noticed and read by President Paul Blumer. The Police Department had no reason to protest at this time on the application. On a motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein, to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was passed unanimously and the Board declared the public hearing closed.

Fire Chief Donald Ehnert informed the Board that the Firemen/Legion Parade theme for 1987 is the United States Constitution Bicentennial. Fire Chief Ehnert also asked for the Board's help in reference to educating the public as to proper flag etiquette.

On a motion by Trustee Richard Schmidt, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said Licenses as follows:

- Kenneth Bonlender, Kewaskum, WI
- Victor Backhaus, Kewaskum, WI
- Eleanor C. Guenther, Kewaskum, WI
- Rita L. Johann, West Bend, WI
- Janis Karoses, Theresa, WI
- Lloyd Keller, Kewaskum, WI
- Timothy A. Leitheiser, West Bend, WI
- Annette Luedtke, Kewaskum, WI
- Jerome P. Metz, Slinger, WI
- Agatha Schmitt, Kewaskum, WI
- Janel M. Struebing, Campbellsport, WI
- Joan M. Struebing, Campbellsport, WI
- Steven G. Zehren, Kewaskum, WI

NOTE: The Police Department had no objections to any of the applications.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the application of the Kewaskum Fire Department for a Special Class "B" Retailer's License to Sell Fermented Malt Beverages at Picnics or Gatherings and the office was authorized to issue the License upon proper payment of fees. (July 3 or 4th, 1987, July 11 & 12, 1987)

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Reported on the Wisconsin Department of Transportation highway project for STH 28 (Main Street) from USH 45 to STH 144. Noting the projected start date is July 27, 1987, with the completion date being October 5, 1987.

2. Public Service Commission - Public Hearing on the Water Department Utility rates, scheduled for July 6, 1987, in Madison.

3. Review of some brief correspondence.

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, reported that 563 swim passes were sold to date. Also he announced a Committee meeting is being scheduled for July 20, 1987, at 7:00 p.m.

Trustee Kenneth Bonlender, the Library Board Representative, reported that the Library's Student Aide recently quit and the Library Board asked for permission to hire Danette Survis from the list of earlier applicants.

On a motion by Trustee Richard Schmidt, seconded by Trustee Charles Boegel to hire Danette Survis as the part-time Student Library Aide as recommended by the Library Board.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Thomas McElhatton and carried unanimously by roll call vote, the Board approved the following application for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for

Thomas J. Piwoni, 1257 Fond du Lac Avenue, Kewaskum, WI, for the period commencing July 1, 1987, and ending June 30, 1988, upon proper payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." (Was heard as public hearing on June 15, 1987)

Action was taken on Resolution No.(s) 87-14, 87-15 and 87-16 as attached hereto:

On a motion by Trustee Charles Boegel, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board authorized the payment of the property mentioned in Resolution No. 87-15 and 87-16 plus legal/closing costs related to said property from the Open Space Fund.

Trustee Howard Laubenstein, Chairman of the Public Works Committee, reported on two maintenance agreements received. The first for the mechanical portion of the heating system and the second for the control portion of the heating system. It was recommended to go ahead with the first agreement on the mechanical portion from Magaw Jung for a one year period at a cost of \$483.00. On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the Board authorized the entering into a one year maintenance agreement with Magaw Jung on the Municipal Building heating system.

Motion by Trustee Howard Laubenstein, seconded by Trustee Mary Krueger to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was passed by the majority.

### RESOLUTION NO. 87-14

CONSENT RESOLUTION AUTHORIZING THE TRANSFER OF CATV FRANCHISE TO STAR CABLEVISION GROUP AND THE ASSIGNMENT OF THE ASSETS AND THE FRANCHISE AS COLLATERAL

WHEREAS, the CATV franchise in the Village of Kewaskum is currently owned and operated by Wisconsin Cablevision Partnership formerly known as River Bend Cablevision, Inc. (Partnership as assignee of River Bend Cablevision, Inc.); and

WHEREAS, the Village Board has received a request for approval to assign the assets and franchise as collateral for financings and permission to transfer the CATV franchise from Wisconsin Cablevision

Partnership to Star Cablevision Group, a Wisconsin general partnership.

NOW, THEREFORE, it is hereby resolved by the Village of Kewaskum that Star Cablevision Group may assign its franchise rights and assets as collateral for its financings, and it is hereby approved and permission granted for the use of its new name and transfer of the assets and franchise to Star Cablevision Group.

BE IT FURTHER, RESOLVED, that this consent is given upon the express condition that Star Cablevision Group shall be bound by all the terms and conditions of the Village of Kewaskum's Cable Television Ordinance; and further that Star Cablevision Group shall notify the Village in writing of its consent no later than July 10, 1987.

ADOPTED by the Village Board on this 15th day of June, 1987.

Paul Blumer  
Village President

## Johnson II, Edler Top Old Timers Heimerl Forfeits to Tracy; Born Tops Sportsmen

BY: Dick Jepsen

Budweiser Point leader Frankie Heimerl of West Bend suffered a setback in his plans for a second modified title Saturday night at the Sheboygan County Fairgrounds in Plymouth despite winning the feature event. Heimerl, the 1983 modified title holder was found to be five pounds underweight at the mandatory weigh-in after the 30 lap event thus giving the win to runner-up Randy Tracy.

Heimerl's penalty despite protest cost him all money and points earned during the evening and will also drop him out of the point lead which he held over Tracy by six markers.

Meanwhile John Born fought off the persistent charges of Richard Hed the last three laps of the sportsmen feature to claim the 25 lap event. Victories by Billy "The Cat" Johnson II of Slinger and Steve Edler of Sheboygan in the Old Timers races topped off an exciting evening for the standing room only crowd in attendance.

In the modified feature Ken Bierterz of West Bend paced the field at the start as Gregg Curzon and Jim Melis fought for second. Don Goeden managed to slip by Melis just before the red flag came out on lap three when John Hoch coasted to a stop in turn three. The field didn't complete a lap when the red came out again this time for a tangle between Dan Dittrich and Dennis Wesener in turn four. Ken Bierterz in the Marv's Auto Body modified retained the top spot on the restart as Frankie Heimerl using the outside groove moved from the sixteenth starting position to fourth on lap six.

The third red flag of the event came out on lap eleven when the hood of Dan Dittrich flew off and landed in the middle of turn one. Curzon in second went high on the restart allowing both Heimerl and Goeden to get by.

The red appeared again on lap 13 when Ken Blaine spun in turn two. Heimerl ducked to the inside of Bierterz on the restart to claim the top spot. Bierterz developed mechanical problems on the following lap and retired from the event. Heimerl had built up a good cushion over the second place duo of Goeden and Randy Tracy when the fifth and final red appeared on lap twenty-three when Dittrich spun in turn four and Greg Otte lost a wheel in the front straight.

Back under green Heimerl ran away from the field to finish well ahead of runner-up Tracy. Dick Berth passed Goeden on lap twenty to take third. Schwartz Johnson finished fourth followed by Ken Schulz. Goeden spun on lap 26 dropping him to a ninth place finish.

The '86 Thunderbird of Bernie Jessen moved quickly into the lead in the sportsmen feature as Steve Hoffmann, Kevin Goetsch and Al Goetsch battled for second. Al Goetsch moved to the inside of both Kevin Goetsch and Hoffmann on the third lap to take over second.

Goetsch running a strong second had his '87 Camaro go dead on lap seven bringing out the red as he coasted to a stop in

turn three. Jessen shot out quickly on the re-start followed by Hoffmann, Mike Akright, John Born and Kevin Goetsch. Hoffmann and Akright both managed to briefly taste the lead, before Jessen took back control of the position.

On lap twelve Born moved into second as he moved by Hoffmann as Richard Hed moved into fifth. Born moved passed Jessen for the lead on lap fourteen just two laps before Hed moved to third going by both Akright and Hoffmann in the backstretch. Hed closed in quickly on Jessen and on lap nineteen dropped him to third.

Two back-to-back red flags on lap twenty-one for incidents involving Henry Dickmann and Keith Borth and one for the spin of Hoffmann erased Born's advantage. Born however, held off the challenges of Hed the last three circuits to score a half length win over Hed. Mark Sanders finished third passing Akright with two laps remaining. Akright and Bernie Jessen rounded out the top five.

New Holstein's Tim Zorn led a three car battle for the lead with Dave Horneck and Jeff Leonhard in the early stages of the hobby feature. Horneck dropped Zorn to second on lap six after a restart for a spin by Donna Baumann. Brian Gilles moved passed Leonhard for second on lap 11 just one lap before the second of two red flags came out this one for defending champion Chuck Amweg as he lost a right rear tire in turn four.

A fierce battle on the restart between Horneck and Gilles was short lived as Gilles leading car blew a rear tire forcing him out of the event. Horneck breezed to an easy victory over Leonhard, Dan Dippel, Dave Laabs and Dave Murre.

Semi-feature honors went to Chuck Melis in the modifieds, Mark Melger in the sportsmen and Dennis Klumb in the hobbies. Bill Johnson II won the modified O.T. race followed by Ken Painter, Ken Markwardt, Don Diener and Kermit Schulz. Steve Edler won the sportsmen ahead of Dave Larsen, Scott Vollbrecht, Jack Goetsch and Mike Yancey. Next Saturday night is T103 Night. This Friday June 26th AMA short track motorcycle races will be held at the Fairgrounds. Practice at 6 p.m. races at 7:30 p.m.

## Slinger Speedway to Host Sportsman Triple Crown Series

Wednesday night, June 24th, Slinger Speedway will host the initial race of the Sportsman Triple Crown Series, which will be highlighted by a 75 lap sportsman feature race. Events are also planned for amateur and figure 8 divisions, and a demolition derby will end the evening's racing activities with a bang.

A purse of \$6,000 is up for grabs in the first race to sportsman drivers representing almost every racetrack, asphalt and dirt, in Wisconsin. A total purse of \$20,000 is on the line for the three race-format comprising the Triple Crown Series. Also, the overall winner of the Sportsman Triple Crown Series will receive four 8-inch racing wheels courtesy of Bassett Wheel.

The raindate for the first race is Thursday night, June 25th. The dates for races two and three of the Triple Crown Series are Wednesday night, July 22nd, and Sunday afternoon, September 13th.

The regular Sunday night admission prices will be charged for this series: \$5.00 for adults, \$4.00 for students and seniors, \$1.00 for children ages six to twelve and children under six will be admitted free. The gates open at 5 p.m. with time trials slated for 6:30 p.m. and racing at 8 p.m.

For further information contact Slinger Speedway, Tuesday through Saturday, at (414) 644-5921, or anytime at 1637 Hwy. 83S, Hartford, WI 53027.

## 48-Mile Glacial Drumlin Trail Will Officially Open June 27

The 48-mile Glacial Drumlin trail will open officially Saturday, June 27, with four separate grand opening celebrations at sites along the route.

"We're delighted to be adding the Drumlin trail to public recreational facilities in Wisconsin," said Paul Sandgren, superintendent of Lapham Peak Unit-Kettle Moraine State Forest and the Glacial Drumlin trail. "It's been under construction for about a year and is the longest DNR bicycle trail in the state. We expect it to be in great demand among bicyclers, hikers and snowmobilers."

Waukesha, Wales, Dousman and Sullivan will conduct grand opening ceremonies at 8, 9:30 and 11 a.m. and 12:30 p.m., respectively. Each program will include a ribbon-cutting and guest speakers drawn from local and state officials and from the Department of Natural Resources, which built and maintains the trail. Each program will honor youth and community groups that helped build the trail.

State Senator J.M. Davis of Waukesha and Edgar W. Trecker, Jr., DNR district parks and fire control supervisor, will participate in all four programs along with officials specific to each locality. Smokey the Bear will make an appearance at each location. Other activities

planned are bicycle checkups, food stands and historical displays.

The American Cancer Society is planning a fundraiser Bike-athon to coincide with the grand opening. It will begin in Waukesha, travel 18 miles to Sullivan and back to Waukesha. Participants can complete any portion on the route. Additional information can be obtained by calling the American Cancer Society at (414) 784-6669.

Parts of the trail were opened in July 1986. When completed, by the end of June 1987, it will link the city of Waukesha to the village of Cottage Grove in Dane County. Two gaps still remain in the trail, one around the city of Jefferson, and the other near Dousman, between Highway 67 and Waterville Road. An alternate route may be built for the latter in 1987.

No motor vehicles, horses or hunting is allowed on the trail because of possible damage to the trail surface and potential conflicts between users.

Bicyclers over the age of 18 are required to have a Wisconsin State Trail admission card to use the facility. The cards are available from various vendors located in communities along the trail and from rangers patrolling the route. Admission cards cost \$2.50 for resident seasonal use, .75 for resident

daily, \$3.50 for nonresident seasonal and \$1 for nonresident daily use.

Persons attending the grand opening are encouraged to bring their bicycles and try out the trail, Sandgren said. Trail fees will be waived for the day. The ceremonies are timed to allow a participant to attend one ceremony and bicycle to the next community in time for its program.

Each ceremony will honor the individual and group volunteers who played a big role in completing the trail. Sandgren said that additional volunteer projects are still available.

## Motorcycle Races at Sheboygan Fairgrounds

A field of over 100 riders is expected this Friday, June 26th at the Sheboygan County Fairgrounds in Plymouth. The semi-professional AMA sanctioned short track motorcycle races will be put on by the Kettle Moraine Sport Riders in conjunction with the Sheboygan County Fair Association. In previous years between 80 to over 100 racers competed with drivers coming from as far as Illinois, Indiana as well as all of Wisconsin. Classes competing in the motorcycle division include 250cc, 600cc and the Open Class for bikes over 600cc. In the ATV classes there is 250-2 stroke, 250, 4 stroke and 251 and over. A couple of past winners Tom Bries of Madison and Steve Champine of Green Bay are expected to compete. Practice on the 1/4 mile clay oval will begin at 6 p.m. with races starting at 7:30 p.m. Adult admission is \$5 with children 8 through 15 \$2, under 8 is free.

For more information call the 24-hour hotline at (414) 334-1743. To reach the Fairgrounds take Highway 57 to Highway 23 West, go west to County Trunk O then travel south three blocks to the track.

### EVENING PROGRAMS

All evening programs are presented in the Ice Age Center auditorium beginning at 7:30 p.m., unless noted otherwise.

**Friday, July 3 - "COMMON TREES OF THE KETTLE MORAINE."** These magnificent plants have provided everything from food to shelter for centuries. Join Naturalist R. Reif for this illustrated talk.

**Saturday, July 4 - "AN EXPEDITION TO THE HIGH ARCTIC."** Join Bill Volkert in a synopsis of a recent trip to Baffin & Ellesmere Islands where he crossed the Arctic Circle while hiking more than 130 miles through canyons with 5,000 - 6,000 ft. walls. Bill is employed seasonally by the DNR at Horicon Marsh as a naturalist and for the past 7 years has taught courses on birds and other natural history subjects through the UW Extension at Fond du Lac and West Bend.

**Friday, July 10 - "WEATHER FORECASTING WITH THE EYES."** Campers, boaters and fishermen are at the mercy of the elements. Knowing what the weather has in store for them is important. This talk will explore some of the clues you can use to make a short-range forecast, and develop an appreciation for the ever changing atmosphere. Karl Bohnak, WTJ Meteorologist since 1985 has been interested in the weather for as long as he can remember. He grew up in Milwaukee, developing a keen eye and "feel" for the weather. After several years in radio as an announcer, Karl turned his hobby into his job, completing a study in meteorology while doing radio and TV weather broadcasting in Madison.

**Saturday, July 11 - "WHITE WILDERNESS."** The Arctic and its polar bears and walrus depicted in an award winning Disney film.

**Friday, July 17 - "STEELHEADS."** The DNR has begun a new program with these Lake Michigan whoppers. Paul

Schultz, Fish Manager with the DNR since 1956, and expert on the Lake Michigan fishery will present this program. Paul has also promised to divulge some simple techniques for shore/pier fishing.

**Saturday, July 18 - "BEAVER VALLEY."** Another classical Disney film.

**Friday, July 24 - "COMMON FLORA OF THE KETTLE MORAINE."** This illustrated talk by Naturalist R. Reif features some of the interesting plants found in the Northern Kettle Moraine State Forest.

**Saturday, July 25 - "BIRDS OF PREY."** Join Ryan Walden, Director of the Captive Breeding Program at the Eagle Foundation as he presents an extraordinary program on these magnificent birds. The highlight of the show is a beautiful three year old Alaskan Bald Eagle weighing 13 pounds.

**Friday, July 31 - "FORAGING AND STALKING THE WILD EDIBLE FUNGI."** Mushroom collecting has been called the most dangerous of outdoor sports, and foraging and stalking the wild edible fungi has become a popular autumn and spring past-time. Join Dr. Sami M. Saad, Professor of Biological Sciences at the University of Wisconsin Center, Washington County in West Bend. Dr. Saad has been teaching at the West Bend Campus since 1972. Dr. Saad is now President of the WI Mycological Society.

## Jaycees Girls' Basketball School

The Kewaskum Jaycees are pleased to report that one-hundred girls have registered so far to participate in their Girl's Summer Basketball School. The girls pictured attended the first session for students entering fifth, sixth, or seventh grades. The second session for fifth, sixth, and seventh graders will start Monday, July sixth and run through Friday, July tenth.

The first session for girls entering eighth, ninth, or tenth grades begins Monday June 29th and runs through Friday, July 3rd. There will be a second session for eighth, ninth and tenth grade girls starting on Monday, July 20th and running through Friday, July 24th.

Any interested girls may still register by contacting the Kewaskum High School office. We meet daily from 1:00 p.m. to 3:30 p.m. in the Kewaskum High School gymnasium. The primary goal of this school is to introduce the girls to the fundamentals of basketball. In addition, the girls take part in various games and contests.

The winners of the contests for the first session of the basketball school were as follows:

- Protection Dribble Contest:** fifth grade - Marlo Deshotels; sixth grade - Sharyl Ramthun; seventh grade - Marty Schlice.
- Free Throw Contest:** fifth grade - Rebecca Braun and Tammy Hames; sixth grade - Tammy Kamrath; seventh grade - Nicki Cayner.
- Bank Shot Contest:** fifth grade - Jamie VanDen Heuvel; sixth grade - Ginger Wiesner and Tricia Butschlick; seventh grade - Yvonne Schlice.
- Hot Shot Contest:** fifth grade - Mary Yahr; sixth grade - Lisa Berres; seventh grade - Nicki Cayner.

**Most Improved:** fifth grade - Holly Reindl and Sarah Lettow; sixth grade - Joanne Lemke; seventh grade - Kate Berres.

**Best Hustle:** fifth grade - Mary Yahr; sixth grade - Sharyl Ramthun; seventh grade - Marty and Yvonne Schlice.

**Best Defense:** fifth grade - Rebecca Braun; sixth grade - Tricia Butschlick; seventh grade - Kim Sabish.

Because of such a successful first session, the Kewaskum Jaycees are hoping that even more girls will register for the following sessions so that they too will be able to enjoy the benefits of participating in a summer basketball school.
