Groundbreaking ceremonies were held last Friday for Kewaskum's newest and largest residential housing complex. The \$1.3 million project, known as Rustic Timbers, is being developed by owners Tom and Debbie Timblin of rural Kewaskum.

The project will contain 36 apartments of which 32 will be two-bedroom units and 4 will be one-bedroom. Construction of the complex will be done in two

phases. The first phase, expected to be completed and ready for occupancy by January 1, 1988, will consist of twenty units, sixteen two-bedroom apartments and the four single-bedroom apartments. Phase two will be started in the spring of 1988, for the completion of the final sixteen two-bedroom units.

Rustic Timbers will be located on a new street being built by Timblin, Courtney Lane, directly west and within walking distance of the Kewaskum Mall Shopping Center. The

land was purchased from Hank and Carole Timblin.

The apartments will feature appliances including a stove, refrigerator, dishwasher, disposal, along with a security intercom system, cable TV hook-up, air conditioning, individual patios, and bedrooms large enough to accommodate king-size bedroom sets. In addition, there will be coin-operated laundry facilities on each floor and a basement storage facility.

The building will be all-

Board Approves Hike in Water Rates

By GERRY MUELLER
Statesman Staff Writer

Village residents will see an increase in their water bills for the last quarter of 1987. Effective October 1st, rates will go up approximately 60% according to Village Administrator Dan Schmidt.

While that sounds like a whopping increase, Schmidt noted that increase actually works out an average increase of 14c per day more than customers are paying presently. Using water bills of the village board members and department heads as examples, Schmidt said a low usage customer using 8,000 gallons would see an increase in their fourth quarter

water/sewer bill of \$8.69, from \$25.09 in 1986, to \$33.78 for 1987. A high usage customer consuming 26,000 gallons would see their bills increase by \$20.93, from \$67.93 in 1986, to \$88.86 for 1987. The average increase between the lowest and highest bill worked out to \$13.98.

Schmidt told the board that the last time the village had increased its water rate was in 1982. Had we had a yearly increase over those past five years, noted Schmidt, the rate would have gone up 8% annually.

Schmidt also reminded the board that the village had made over \$1 million in improvements to its water service since 1982,

including the new well, water-tower, and reservoir. That was all paid for through the TIF District program, said Schmidt. If the village had financed all that with revenues from the water department, rates would be substantially higher than they are.

The increase, as authorized by the Public Service Commission, allows the village to realize a reasonable rate of return (5.5%) for the operation and maintenance of the plant. Schmidt told the trustees the department was presently running \$42,000 in the red. Even with the increase, said Schmidt, a survey shows the village is on the cheaper end of

Regal Ware Hauls Hay to Stricken Farmers

Operation Northern Express: Hay for Northern Wisconsin

By GERRY MUELLER
Statesman Staff Writer

Richard Rodefeld, economist with the Department of Agriculture, Trade and Consumer Protection (DATCP) and state-level coordinator of the Emergency Feed Advisory Program has announced that a new plan, 'Operation Northern Express' has been developed to help farmers in Wisconsin's drought area.

It is hoped that approximately two million bales of hay from around the state can be collected and delivered to the ten northern counties of Barron, Burnett, Florence, Forest, Oneida, Polk, Rusk, Sawyer, Vilas and Washburn, where the lack of rain this summer has reduced overall production by approximately 50%.

Each Wisconsin town (except those within the ten-county area) are being asked to select a centrally located drop-off point where area farmers can bring and stack small loads of 50 to 100 bales of hay. When a large enough quantity of hay has been stockpiled to warrant trucking, the DATCP will

coordinate and arrange transportation.

Regal Ware, Incorporated of Kewaskum, has already been involved in trucking hay to northern Wisconsin. Cy Wietor, Traffic and Fleet Manager for Regal Ware, says the company working in conjunction with state coordinators, has taken three loads to date, to the drought stricken area. Regal trucks hauled two loads from Sheboygan and one from Waukesha. Wietor said he expects the company's trucks to make more trips after the Labor Day holiday.

David Miksa of Mt. Calvary, has also been involved in trucking hay to the drought stricken farmers.

Area donations of hay have come from Germantown, Hartford, Sheboygan and other communities. Many farmers have asked to remain anonymous. "It's hard to keep track of everyone who has donated," said one Hotline worker. Some donations have been as little as 50 bales, while others have given truckloads. Every bale is welcome and needed though, to help these farmers.

While some donations have come from Washington, Fond du Lac, and Sheboygan Counties, officials in Madison noted Ozaukee County has

Labor Council Picnic Here

The Washington County Central Labor Council Labor Day picnic will be held on Sunday, Sept. 6, at River Hill Park. Tickets are \$1.50 in advance and \$2.00 at the park. Your ticket entitles you to free beer and soft drinks from 1:00 to 5:00 p.m. Music furnished by Musicians Anonymous. Prizes will be awarded.

Chamber of Commerce Elects

At its organizational meeting held on August 19, the Kewaskum Area Chamber of Commerce elected Larry Williams of K L Home & Hardware Center, as President; Wayne Rimmel, of Regal Ware Inc., as Vice-President; Larry Martin, of Miller's Funeral Home, as Secretary, and Robert Beisbier, of Kewaskum Frozen Foods, as Treasurer. The terms are for one year.

Also appointed to the Chamber Board are Ed Miller, of Miller's Furniture; Richard Thieme, of Richard's Kut & Style, and Bill Geidel, of Sentry Foods.

Legion Post to Dedicate Robert G. Romaine Plaque

A dedication of his stone and plaque for navy veteran Robert G. Romaine, Kewaskum, who lost his life at sea during World War II, on Oct. 29, 1942, will be held at 11:00 a.m., Saturday, Sept. 5.

The dedication will be held on the Legion Clubhouse grounds, Fond du Lac Ave. The color guard and firing squad will take part in the service. Clayton Stautz, Commander, will be master of ceremony.

Brothers and sisters and their families, of the late Robert G. Romaine will be present for the dedication.

Jim Andre, member of the Kewaskum Legion Post, was instrumental in research and ordering of the plaque.

The flag pole which graces the front lawn of the legion grounds, will also be dedicated. The public is invited.

electric, with baseboard heat and individual thermostats in each room. The complex will have two parking facilities, one entering from Courtney Lane and the other from Timblin Drive.

Timblin feels the complex is one of the nicest projects to come to the village. He noted that almost half of the apartments are already leased and suggested that anyone interest-

ed in the units should make early inquiries. Rental information can be obtained by calling 334-1395.

Timblin said he made every effort to use as many local contractors as possible for the project. Bunkelman Builders of Kewaskum is the general contractor for building construction, Mueller Excavating

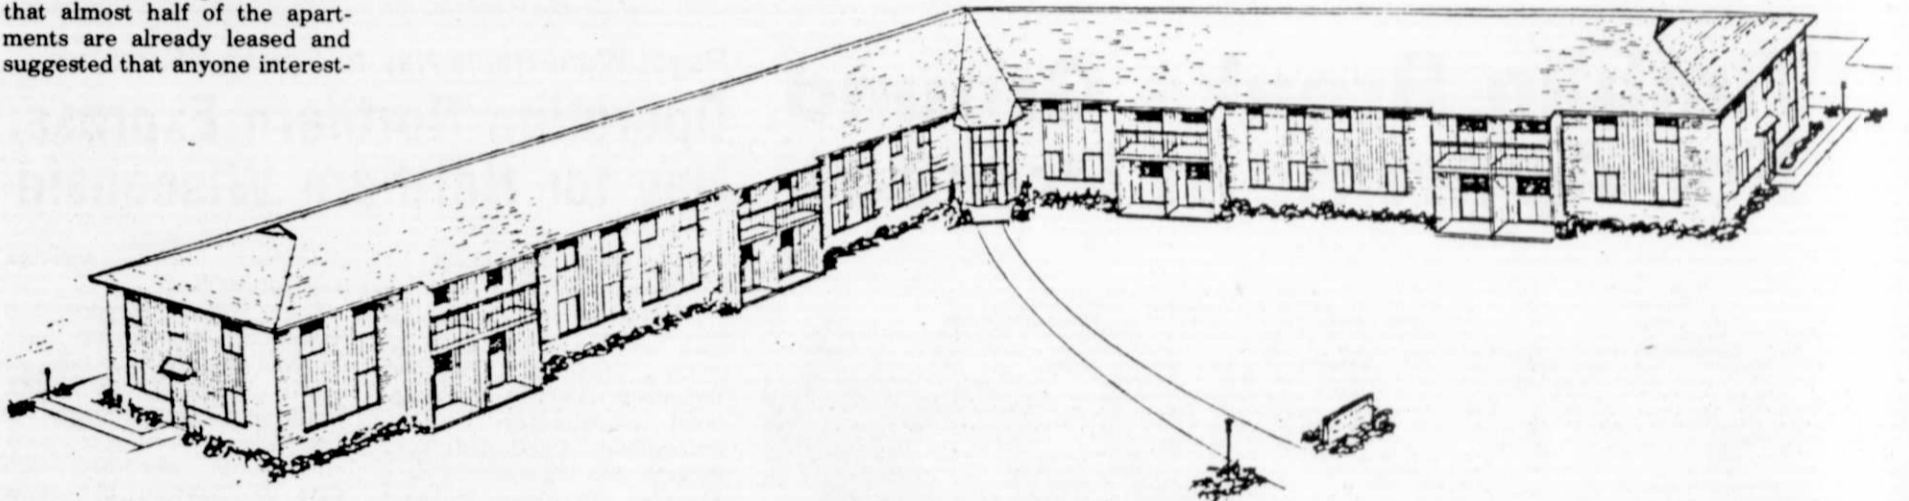

of Campbellsport, the general contractor for road construction and site improvement, and RAM Construction of Byron, gravel and blacktop work for the new road which is being built.

The project is being jointly financed by Port Washington Savings and Loan, Port Washington, and Farmers and Merchants Bank of Fond du

Lac. In addition to this new project Tom 29, and Debbie 28, have owned and operated other rental properties since 1979. Tom is also self-employed in the trucking business as an owner-operator and is leased with William Timblin Transit of Eden. Debbie is employed by Kemps Division of Marigold

Foods in Kewaskum as a computer operator.

Timblin said he would like to extend his sincere thanks to Kewaskum Village Administrator Dan Schmidt, the Village Board, Plan Commission, Board of Appeals and everyone involved with the project for their continued support and cooperation.

the rate scale in comparison to 24 nearby communities.

In other business, the board approved the awarding of the fire station renovation project to low bidder Eagle Construction of Kewaskum, at a cost of \$103,200. In related action the board approved the borrowing of \$70,000 over a ten-year period to assist the village in paying off the cost of the project. Work is expected to begin within three to four weeks, with completion 90 days from the start of work.

The board also awarded a contract to Century Fence Company of Waukesha, for labor and materials to install backstop and outfield fencing on the northeast baseball diamond at Kiwanis Park. The

firm was low bidder at \$4,735, with four other bids ranging from \$4,989 to \$5,847.

Schmidt advised the board that the village's 1987 equalized value is about a half million dollars lower than last year. He felt that this was due in part to the closing of the malt plant and the reduction of personal property on the tax rolls. Schmidt noted that because of the drop in agricultural land values, which also affects the village, other townships have gone down drastically. This could mean higher taxes for the village noted Schmidt, however, he still did not expect to see any major change. We're working on our budget consistent with the practices of the past few years, he noted.

In other action the board approved the building plans for twenty units of the Tom Timblin apartment project, and certified survey maps for the Gustav

Werner property, 546 Werner Drive, and village land to be leased to the Kettle Moraine Sportsman's Association.

Schmidt updated the board on the Capital Improvements Sidewalks Project. Phases One and Two of the project have been completed, said Schmidt, including all repairs of broken sections.

Trustee Mary Krueger informed the board that the County Incineration Committee was looking into the costs for consultants and the possibility of using the data and work done by the county's engineers. This will be one of the items discussed at the committee's next meeting scheduled for September 10th at 7:00 p.m., at the West Bend Library community room.

Schmidt reminded the board that due to the Labor Day holiday, its next meeting will be

held on September 21st.

Board president Paul Blumer also read a proclamation recognizing the week of

September 17th, as United States Constitution Week.

The meeting then adjourned to closed session.

Hay

(Continued from Page 1)

mounted the most ambitious effort to help out so far in this area. We're hoping Operation Northern Express will encourage all communities to pitch in and help on the local level.

All counties, state farm organizations, vocational Ag and FFA chapters, 4-H clubs, churches, youth groups, and service clubs are being asked to help support efforts on the town level.

Despite the almost 200,000 bales and money already donated, hay purchased through the federal assistance program, and recent rains, it is anticipated the northern counties may still be two million bales short of the hay needed to feed livestock from January 1, 1988 to June 1, 1988.

"We believe the only potential to generate the needed amount of hay is to encourage small donations from large numbers of farmers at the local or town level," said Rodefeld. "We think many farmers might be able to donate 50-100 bales of hay without endangering their own feed supply, especially if they only have to drive a few miles to drop off a pick-up truck or wagon load."

Rodefeld said, "If each of the 800-plus townships contacted were able to raise even 550 bales of hay (one semi load), we would obtain 440,000 bales of hay."

The 2,500 dairy farms in the ten-county area are under severe financial stress. It is estimated that 20% to 50% of the farmers in the affected counties will not have cash or credit to buy additional feed to see them through this crisis. Without assistance through the fall and winter, many of these farmers will exhaust their limited feed supplies and have to liquidate their operations, noted Rodefeld.

Offers of assistance have come from many areas throughout the country. Southern states helped by Wisconsin farmers during their drought last year have offered aid. Alabama has already delivered 11,000 bales and donations from that state may go as high as 85,000 bales.

Offers of help have also come from North and South Carolina, and farmers in Illinois, Iowa, and Minnesota.

The DATCP has set up the "Hay Hotline," a toll-free number, to accept donations of hay, other feeds, transportation services or labor. The number to call is 1-800-362-3020.

A tax-exempt fund, "Wisconsin Farmers Foundation, Inc.," has been established to accept monetary donations. Contributions may be mailed to the fund at, 3501 South Lake Drive, P.O. Box 2018, Milwaukee, Wisconsin 53201.

Over the last five weeks rain has fallen on the drought-stricken area and pastures and hay fields have begun to green up and grow. It is expected farmers should be able to get one good final cutting before this year's growing season ends.

A blanket of snow on the ground can help protect it from frost damage.

Teachers Unhappy Over Lack of Contract

By GERRY MUELLER
Statesman Staff Writer

No contract for the 1987-88 school year has upset teachers to the point that they have instituted a job action against the district.

Teachers voted 98-15, to participate in the action in which they refuse to enter their schools before the actual school day starts and refusing to stay after the school day ends.

Arnie Dittbrenner, middle school librarian and a member of the Kewaskum Education Association's bargaining committee said Wednesday, the action which began on the first day of school will continue, at least another week.

KEA building representatives held a meeting Tuesday evening at which time a decision was to have been made on whether or not to continue the action.

"As meetings sometimes go" said Dittbrenner, "there were a lot of things to discuss and the reps didn't get to the job action issue." Dittbrenner said the building representatives would be holding another meeting Thursday. The job action will be discussed then and the reps will decide on a recommendation to be presented at a meeting of the full KEA membership next Tuesday. "Until then it's status quo," said Dittbrenner.

The teachers are unhappy with the fact that they lost an arbitration settlement for the 1986-87 contract to the Kewaskum School District last July. At that time the arbitrator awarded a 4.6% increase offered by the district rather than the 8.5% requested by the teachers.

The KEA is seeking parity with neighboring schools. Base pay for a starting Kewaskum teacher is \$16,575. In Campbellsport it is \$15,888, \$17,691 for Random Lake, \$18,010 in Slinger, and \$18,041 for West Bend teachers. In making the award for the 1986-87 contract, the arbitrator threw out the West Bend comparison, noting the Kewaskum School District fell more in line with other communities such as Mayville and Campbellsport.

Girls Receive Marian Award

The following received the Marian Award Medal on Saturday, August 29, at the 5:00 p.m. Mass at Holy Trinity Church: Rachel Gosa, Heidi Gruhle, Kelly Korth.

The Marian Award Medal signifies achievement to many seventh, eighth and ninth grade girls in the Milwaukee Archdiocese. They are Cadette Girl Scouts.

To attain the Marian Award, a girl works in the group for an average of one and a half years, under the direction of a moderator. A Project Book, which is used nationally, contains five chapters covering sixty projects. Some of these are mandatory, some are optional.

Jaycees Sponsor Fish Bowl for MDA

The Kewaskum Jaycees, in conjunction with The Muscular Dystrophy Association's Labor Day Telethon, will be sponsoring a Fish Bowl on Monday, September 7, from 9:00 a.m. to 3:00 p.m. The Fish Bowl will be located in front of Valley Bank, 1225 Fond du Lac Avenue, Kewaskum. Donations of all sizes will be accepted with the proceeds going to the Muscular Dystrophy Association. MDA will be using the donations for research into 40 different muscular disorders, patient services such as wheelchairs and ramps, and summer camps for MD Patients. Last year, the telethon raised \$710,000 locally, and over \$34 million nationally.

The Kewaskum Jaycees would like to caution Kewaskum residents that no one will be soliciting donations on a door-to-door basis. There have been problems with this in the past, and residents are urged to call the Kewaskum Police Department if anyone saying they represent the Jaycees approaches them for a donation. If you want to make a contribution and don't want to leave your car, drive over and someone will take your donation for you in front of the bank.

The Jaycees thank you in advance for your continued support of this worthwhile project.

WEST BEND JAYCEES TO SPONSOR MD FISHBOWL

Once again the West Bend Jaycees will be sponsoring their Annual Fishbowl on Labor Day. This charity fund raiser is run in conjunction with the Jerry Lewis Muscular Dystrophy Labor Day Telethon. All monies collected will go directly to the Southeastern Wisconsin MDA Chapter to aid in the fight against over 40 neuromuscular diseases.

The Jaycee Fishbowls will take place on Monday, Sept. 7th from 8:00 a.m. to 4:00 p.m. The

first of the two fishbowls will be located at the Pick 'N' Save in West Bend. The second will be located at Prescott's Super Value in West Bend also.

Please stop at the MDA Fishbowls in West Bend or Kewaskum and make your contribution to the Muscular Dystrophy Association.

Bobby Castro Attends Workshop

Bobby Castro, Student Council member, Kewaskum High School, was one of 337 students in attendance at the Wisconsin Association of School Councils, Inc. Summer Leadership Workshop for senior high school students held on the UW-Stevens Point campus July 26-31, 1987.

The WASC Leadership Workshop includes six days of instructional activities for student leaders designed to foster the development of a sound philosophy of leadership; provide opportunities for developing skills; to increase self-understanding and confidence; and improve skills in communication, problem solving, group processes and organization. Students from 96 schools across the state were in

attendance.

The directors of the workshop were Donald C. Larsen, Executive Director of the Wisconsin Association of School Councils, Inc., and C.Y. Allen, Professor, U.W. Stevens Point. Doug Geiger, graduate student, UW-LaCrosse, and William Davidson, Professor, UW-Stevens Point, coordinated and presented the Advanced Level IV Program.

Other adult staff members are student council advisors selected from schools throughout the state. Additionally, former outstanding delegates are chosen to assist the adult staff members with various elements of the program. These "Junior Counselors" provide valuable services for the student delegates as well as the staff.

Many activities are scheduled throughout the year by the WASC for advisors and students who are involved in leadership roles. Other basic school organizations to receive specific attention are honor societies and cheerleading groups.

The WASC is sponsored by the Association of Wisconsin School Administrators (AWSA), a 1600-member professional association of school building administrators headquartered in Madison.

Local yearbook enthusiasts recently gathered for a three day yearbook seminar at Carroll College.

Among those attending were the following students from

Kewaskum High School: Beth Metz, Michelle Krueger, Cheryl Miller, Trisha Repinski, Jessica Schmidt, and Lisa Harlow.

Sessions during the workshop included theme development,

layout, copy writing and photography. While at the seminar each yearbook staff had a chance to work with a professional artist from the yearbook plant to design their theme and cover for their upcoming 1988 yearbook.

The workshop, "Super Summer Seminars," is conducted each year at Carroll College in Waukesha, and UW-Stevens Point, Stevens Point, by the local representatives of the Printing and Publishing Division of Jostens, Inc., the largest producer of high school and college yearbooks in the United States. This year over 300 students and advisers from 98 schools attended the two seminars.

Libraries could be filled with books on marriage and the millions of one liners on the subject. To wit:

--A bachelor is a rolling stone that gathers no boss.

--Many a bachelor longs for a wife who will take care of him, and so does many a husband.

--It may be that bachelors make more mistakes than married men, but they don't make the big one.

--A dish towel will certainly wipe a contented look off a married man's face.

--At a convention the 'delegate-at-large' is the man who comes without his wife.

--Genuine happiness is when a wife sees a double chin on her husband's old girl friend.

The lowest auto finance rate doesn't always mean the best deal.

Promotional financing rates offered by auto manufacturers are often restricted to certain models, and may not mean the greatest savings for you.

When you establish a Preferred Relationship with Valley Bank, you'll get a preferred rate on your new or used car loan.

Armed with the cash from a Valley Loan, you can get the exact car you want. And you'll get a better deal when you negotiate with the cash you bring - instead of the cash the dealer supplies.

You know, we value all of our Valley Bank customers. And our preferred car loan rates are one example of how you'll improve your total financial picture when we work with you.

Area County Freshmen Enrolled at UW-Oshkosh

More than 1,850 freshmen are enrolled to begin the fall semester at the University of Wisconsin-Oshkosh on Sept. 9.

The number compares with 1,954 new freshmen in September 1986.

UW-Oshkosh has used higher academic standards and an early application deadline to cut the number of both new freshmen and upperclassmen to meet enrollment reduction goals mandated by the University of Wisconsin System.

Overall university enrollment will decline from 11,823 in 1986 to slightly more 11,600 this year, university officials reported.

More than 72 percent of the new freshmen finished in the upper half of their high school graduating class, the university reported, compared with 66.8 percent a year ago.

Moraine Park Changes Name

On Aug. 20 at its monthly meeting, the Moraine Park Vocational, Technical and Adult Education District Board authorized District Director John J. Shanahan to plan for and implement a change of name from Moraine Park Technical Institute to Moraine Park Technical College. The change is to be implemented by Jan. 1, 1988.

The Moraine Park Board's action came on the heels of a decision by the Wisconsin VTAE Board on Aug. 19 to change all 13 state technical institutes to "technical colleges." (Three of the VTAE schools - Madison Area Technical College, Milwaukee Area Technical College and Nicolet College - already have the designation).

In announcing its decision, the State VTAE Board referenced a study conducted earlier this year by its staff which analyzed vocational-technical schools and systems found in other states. Key findings included: The term "technical college" has

experienced the highest rate of growth among the segments of public two-year post-secondary institution titles over the past 10 years; most technical colleges offer a high percentage of associate degree level programs leading to occupational employment; Wisconsin's VTAE schools have witnessed extensive development of their associate degree programs over the past 20 years and a large number of technical college associate degree credits are transferable to compatible four-year baccalaureate degrees.

In asking the State Board to approve the name changes, State VTAE Director Robert Sorensen said, "These technical colleges should have the same status and excellence in their field as do other segments of the state's higher education system."

Echoing Sorensen's statement, Moraine Park's District Director Shanahan indicated that the name change reflects the academic quality found at the school. He also said the school plans no changes in its mission to provide a variety of vocational, technical and adult education classes to district residents.

Relatives of Dr. Edwards Visit Them from Wales

On August 19th, Dr. R.G. Edwards' great-grandfather's brother Daniel's great-grand-

daughter and her daughter arrived via Amtrak at Milwaukee. Dr. and Mrs. Edwards brought them to their home in Kewaskum.

Nonna Owen and her fifteen-year-old daughter, Elin, came to visit America for their first time on July 29th from England. They arrived at Washington D.C. for their first week of visitation.

The following week Ohio relatives were their hosts and hostesses. The third week they traveled to Denver by airplane to spend a week there. Their next stop was Portland, Oregon, where they spent time with the two doctors, Mary Edwards Steinberg and her husband, Richard, who visited them in Wales when the Steinbergs were students.

Lastly they traveled across Western America to Wisconsin via the Amtrak rail system. They were very amazed at the size of our country, because all of England and Wales exceeds the size of Wisconsin by only a few acres.

When they left Wisconsin on Wednesday, August 26, they expressed great joy to have seen so much of America, all in sunshine except on their day of departure. Hopefully they may return in a few years.

Mrs. Owen's brother, Elwyn, and his bride, Elizabeth, were guests of the Edwards in 1986, and her parents visited with the

Edwards in 1980. Perhaps now it will be the Edwards' turn to visit Wales.

In the Service

Cadet Mary S. Slegler, daughter of Diane J. and Edward J. Slegler of 2193 Valley View Drive, Kewaskum, received practical work in military leadership at the U.S. Army ROTC advanced camp, Fort Lewis, Wash.

The six-week camp, attended by cadets normally between their third and fourth year of college, includes instruction in communications, management and survival training.

Successful completion of the advanced camp and graduation from college results in a commission as a second lieutenant in either the U.S. Army, Army Reserve or National Guard for the cadet.

Slegler is a student at the University of Wisconsin, Madison.

Autumn Arrives With A Burst of Color

By Kaye Anderson, UW-Madison Student Intern

An explosion of color is one way to describe the approach of autumn. Events scheduled in Wisconsin during September are a great match for this festive turning of the leaves.

La Crosse's Great River Traditional Music and Crafts Festival, September 4-6, is a musical occasion for all ages. Concerts, dancing, ethnic foods and children's festivities are only some of the festivities that make this event so popular.

The Rock River Threshere in Edgerton, September 5-7, brings in the month in an old-fashioned way. Demonstrations in log sawing and shingle mill production, as well as turn-of-the-century exhibits, remind one of times past.

For frisbee fanatics, Appleton's Guts Frisbee World Championship Tournament, September 5-7, at Pierce Park, is a dream come true. This gathering of the world's finest teams features 100 mph-plus shots.

The 50th anniversary of the Wilhelm Tell Festival in New Glarus, September 5-7, begins with a parade at 10 a.m. Saturday and continues with a street dance, art fair, and dramas scattered throughout the weekend and ending on Monday. (Sunday's performance is in German).

Food festivals are not neglected in September. Not only is there plenty of food, but contests and excitement accompany it.

Taste of Madison, September 6, on the Capitol Concourse features 50 restaurant booths and six live entertainment stages. A waiter's race and food follies contest contribute to the excitement.

Green Lake's State Chili Cook-off, September 12, at Deacon Mills Park is one contest that's not only fun for entrants, but for spectators to taste the results.

The United States Watermelon Eating and Seed spitting championship in Pardeeville's Village Park, September 13, is an exciting but tasty contest that shouldn't be missed. Speed-eating and judged.

The Cannonball Express band will be featured at Waterloo's 28th Annual Wiener and Kraut Day, September 26, at Veteran's Park.

Colorama Celebrations abound in northeast Wisconsin on September 26. Boulder Junction's 28th Annual Colorama Celebration features wild game sandwiches and sloppy joes. Lac Du Flambeau's Chamber of Commerce pontoon boat rides and native American food. Manitowish Water's Colorama includes cranberry marsh tours. Minocqua's Beef-A-Rama is also part of the Colorama celebration. Presque Isle's American Legion Colorama Dance is held at American Legion Post 480, Hwy. W., from 9 p.m. to 1 a.m. St. Germain, the birthplace of Colorama Celebration, has an old-fashioned chicken barbecue and arts and crafts fair. Tomahawk's 4th annual Colorama arts and crafts show is at Washington Park 10 a.m. to 4 p.m. Help celebrate autumn's arrival by

participating in one or more of these celebrations.

4, is held at the Dane County Expo Center. This international event allows viewing of some of the world's finest dairy cows and latest farm equipment.

For the rest of the exciting Wisconsin events story, call 1-800-ESCAPES toll free or write Wisconsin Division of Tourism Development, P.O. Box 7607, Madison, Wisconsin 53707.

4-H NEWS

KEWASKUM 4-H

The Kewaskum 4-H meeting came to order at the Labor Union Hall at 7:00 p.m. The Pledge of Allegiance was led by Jason Liegl and the 4-H Pledge was led by Beth Schaefer. The secretary's report was read by Michelle Etta and approved. The treasurer's report was read by Jean Holtz. Michelle Schaub made a motion to accept it and Brian Liegl seconded it.

For old business there were bills submitted, and Michelle Schaub made a motion to pay them and Jenny Liegl seconded it. Michelle Etta reported on the 4-H refreshment booth at the County Fair. Sara Lemke and Michelle Schaub reported on the float committee. Julie Yahr reported on "Anything Goes" which was held at the fair. Laurie Horlamus reported on our trip to the Ducks and Noah's Ark at the Wisc. Dells. Beth Schaefer received a Teen Choice Award for the Clothing Revue.

For new business we decided to go to a Green Bay Packer Game on the 5th of September, for an alternative we will be going to a Badger Game. We elected new officers for the coming year. They are as

follows: President, Holli Etta; Vice President, Michelle Etta; Secretary, Jenny Carron; Treasurer, Beth Schaefer; Reporter, Michelle Schaub; Photographer, Sara Lemke; Recreation, Jason Liegl, Joanne Lemke and Mary Yahr; Newsletter Staff, Laurie Horlamus and Kim Scheldmidine. We congratulate all the officers. Also for new business we decided to do a window display on Sept. 10. We also decided to give the two bus drivers that drove us to Wisconsin Dells a \$20.00 gift certificate for the Glacier Inn. Jenny Liegl made a motion to accept it and Christine Schmidt seconded that motion. We are donating \$50.00 for a backdrop for the Awards Banquets. Brian Liegl made a motion to accept it and Joanne Lemke seconded that motion. Diane Horlamus was showing the members how to fill out a record book. The books have to be in by Aug. 28, by Diane Liegl. After that, the meeting was adjourned.

Our next meeting will be September 9th, at 7:00 p.m. at the Labor Union Hall. Please see you all there!

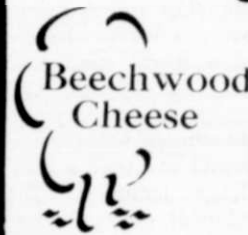

Reporter, Michelle Schaub

GTE Extends Hours For Billing Center

Effective September 14, GTE MTO Inc. (Wisconsin) will extend customer service hours for its billing center in Plymouth. Customers with questions regarding their GTE telephone bills can now call 1-800-242-5705 between 7 a.m. - 9 p.m. - 7 p.m. Thursday, or 7 a.m. - 7 p.m. Fridays.

According to State Director - Operations James E. Courtney, Sun Prairie, GTE recognizes that approximately 50 percent of the firm's customers are working couples or single working parents. Establishment of these new extended hours is designed to enhance the firm's ability to better serve customers who otherwise might experience difficulty in contacting billing center personnel.

"We will continue to review and - as necessary - revise operations policies to promote opportunities for 'One-to-One' service interaction with customers," Courtney emphasized. "We continue seeking new ways to remain a company with whom it's easy to do business."

Shrine Game Queen

Amber Wade

Amber Wade, 17, who will be a senior at John Marshall high school, Milwaukee, has been named Queen of the 38th annual Midwest Shrine game. It will be played Saturday, September 5, at Milwaukee County Stadium and will feature the Green Bay Packers and the Cleveland Browns. Kickoff is 7

p.m.

The selection of the Queen was announced by Douglas L. Warner, Milwaukee, Potentate of Tripoli Temple, sponsor of the game. Queen Wade personifies the type of treatment offered at Shrine hospitals. To date almost 400,000 children have been helped and all treatment is without cost to the patient.

Wade had broken her arm in a trampoline accident when she was 13 years old. The arm did not heal normally and stiffened. Her family doctors felt they could not restore the movement of the arm. But she was taken to the Chicago Shrine hospital for operations. The Shrine doctors felt they could help.

She underwent two medical procedures in 1986 and this did improve conditions. It has enabled her to lead an active life with participation in soccer and cross country at Marshall high.

Wade will be crowned Queen at a coronation ball at the Pfister Hotel, Friday evening, September 4, and will be formally introduced to the crowd at the Packer game September 5.

Tripoli will also provide her with a financial scholarship to be used in her post-high school education.

David Cudnohoske, 8-year-old son of Mr. and Mrs. Wallace Cudnohoske, Kewaskum, escaped with a bruised right leg when the bicycle he was riding was struck by an auto shortly after 1 p.m. on Thursday on Fond du Lac Avenue about 60 feet south of the intersection with Main Street. According to witnesses, the boy was walking his bicycle in front of the Ramthun Hardware Store, strolled out between two parked cars, leaped onto his bike and drove out onto the highway into the path of the oncoming northbound auto. The driver of the car who was traveling at a slow rate of speed, immediately slammed on his brakes in an effort to avoid striking the youth. David, when he saw the vehicle was going to strike him, jumped off his bicycle and was only barely touched by the car. David was taken to a local physician's office.

The Kewaskum Kiwanis Club has announced that its 10th annual

The phrase "minutes of a meeting" does not refer to the time. It stems from the Latin "minutus" meaning "small", since records of proceedings were generally taken down in miniature, to be transcribed later.

Live Turkey Shoot will be held on Sept. 23. The famous autumn event will be held at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

Miss Diann Ramel of Kewaskum, a member of the Kewaskum 4-H'ers entered some of her sewing in the recent state fair. On her reversible coat entry she received a blue ribbon and on her 2-piece wool dress, a sport outfit and party dress she was awarded a red ribbon on each. The blue ribbon is for first place and the red ribbons are second prize awards.

A daughter was born to Mr. and Mrs. Donald Ehnert, Kewaskum, on August 28. A son was born to Mr. and Mrs. Bruce Muckerheide, West Bend, August 24. Mr. Muckerheide is a former Kewaskum resident.

The Kewaskum Public School will re-open on Sept. 7th, with a staff of nine teachers, including Principal Clifford M. Rose. The Kewaskum High School has on several occasions received favorable comments from the University of Wisconsin and other Wisconsin colleges, and from the state department of public instruction for the quality of school work that it fosters.

The Holy Trinity Parochial School will open Sept. 8th. The same two sisters who taught the children last year will again have charge in the two rooms. Sister M. Frances Romana will teach the first, second, third and fourth grades and Sister M. Clarissa the fifth, sixth, seventh and eighth grades.

While at work in the Northern Gravel Company pit in the Town of Barton last Saturday, Elwin Meinecke, 30, of this village, sustained a fractured fibula bone in his right leg when he slipped and fell 14 feet to the ground. He was loading a truck from a bin at the plant at the time of the fall. The flow of the gravel into the truck had become clogged and Edwin climbed up on the bin to loosen it when he accidentally slipped. He was taken to a West Bend clinic where the bone was set.

Herman Tesch of Route 1, Kewaskum, suffered minor bruises August 28, when he was knocked to the pavement by an automobile. Mr. Tesch was crossing Main Street at the railroad tracks when the driver of the automobile, unable to see the man in time because of the many cars parked on both sides of the street for the moving pictures, ran into him. The driver immediately stopped and took Mr. Tesch to a doctor's office.

Volunteers Needed

Following is a list of only a portion of the volunteer opportunities available right now through the Voluntary Action Center of Washington County. We have new opportunities daily. Please call 338-8256 for an appointment - we'll work with you to find a volunteer position that's right

for you and for your schedule. Reach out today and help someone in need.

Advocate to Elderly Woman: A nursing home resident is in need of a friend to visit with her and take her for occasional outings, such as shopping trips, etc.

Drivers: An agency needs drivers to take people for medical treatment in the Milwaukee area. Drivers are also needed by a local agency to deliver noon meals to shut-ins.

Art Enthusiast: There is a need for volunteers to prepare information about artists and their work and then present this information to children at elementary schools. Times and hours vary. This is a wonderful way to expose children to art at an early age.

Blood Pressure Screeners: No experience needed. You can learn a new skill and take part in this important task. Screenings are held in various sites throughout the area. All training is provided. Time commitment is minimal.

Volunteer to Help Youth: Volunteers are needed to be a friend or companion to youth in our community. Times needed are flexible, but a commitment of one year is needed. Help to make a real difference in someone's life - and maybe your own.

Elder Peer Counselors: If you would like to be a friend to an elderly person and you are over 55 years of age perhaps this is for you. Be a friend, gain a friend.

Greeter and Hostess: If you like to meet people perhaps this is for you. The hours and days for this opportunity vary. Call and let us match your time to the hours a volunteer is needed.

Legal Advocate: A support person to accompany people when they must appear in court. Training is provided.

Crisis Line Operator: This you can do from your own home. We ask that you volunteer 1 day a month for a minimum of one year.

Hartford Area: Handyman to repair picnic tables and do other general repair work occasionally.

Unrestrained occupants were 40 percent more likely to be injured in an accident and twice as likely to require hospitalization as restrained occupants. NHTSA, 1987

Eight Boy Scouts Tapped Out Into Order of the Arrow During Busy Summer

Scouts tapped out June 24th included, front row, left to right: Jason Noren, Eric McElhatton, Sheldon Oppermann, Scott Berger. Back row: Corey Oppermann, Phillip Lettow, Fritz Lettow and Jeff Kissinger.

On August 20, twenty-three Boy Scouts and family members spent the day at Six Flags near Gurnee, Illinois. This trip was the final outing concluding a busy summer.

The troop spent the week of June 21 - 27 at Camp Rokolio located near Kiel, Wisconsin working on merit badges. On Wednesday night, June 24, eight members of the troop were tapped out into the Order of the Arrow. The eight scouts

who were tapped out are Jason Noren, Eric McElhatton, Sheldon Oppermann, Scott Berger, Corey Oppermann, Phillip Lettow, Fritz Lettow, and Jeff Kissinger.

The month of July was spent in preparing the float for the Firemen-Legion parade and running several booths at the picnic. A nine-day canoe trip was undertaken by nine scouts and four adults the week of July 18-26th. The group canoed and kayaked on the Flambeau and Brule Rivers in Northwestern Wisconsin. They traveled fifty miles on water and then spent the last two days in Hayward, Wisconsin touring the Fishing Hall of Fame and attending the World Championship Logging Competition.

Meetings will resume for Troop 744 on September 10, 6:30 p.m. at the Legion Hall. The first meeting will be open to parents who will receive information about the upcoming year. Any boys who wish to join the troop may do so at this or any other time. For more details you can call Freddy Gildersleeve (626-4066), Dennis Giese (626-4245), or Mike Berger (626-4647).

Labor Day Weekend Construction Zones, Detours Are Listed

Traffic will be heavy and construction zones may create traffic snags for Labor Day weekend travelers, according to the Department of Transportation.

The DOT urges motorists to be cautious, alert and patient when traveling through these zones. Plan ahead and avoid peak travel hours, if possible. Peak hours are from 3:00 - 9:00 p.m. Friday and 7:00 - 11:00 a.m. Saturday northbound. Heavy southbound traffic will begin at 1:00 p.m. and last until 8:00 p.m. on Labor Day.

In this area WIS 23 in Fond du Lac County is under construction from Prairie to County K. Motorists will be detoured via County K south to County T, then east to UU and north to WIS 23.

WIS 28 in Washington County between Kewaskum and WIS 144 is detoured to County H and WIS 144.

Several scouts wait out one of the storms that were part of the July canoe trip.

GOAL Lab to Open In September at MPTI

Moraine Park Technical Institute will offer free skills instruction to interested persons over 16 years of age beginning Sept. 8. The GOAL Lab will be open at the West Bend campus daily from 8:30 a.m. - 3:30 p.m., and on Monday and Wednesday evenings from 6:30 - 8:30 p.m.

Any resident of the Moraine Park VTAE District is welcome. GOAL offers refresher or basic help in spelling, math, reading or English and instruction for

people whose native language is not English. In addition, persons 18 or over who did not finish high school may study for the General Equivalency Diploma (GED). Students already enrolled in MPTI courses may want to use the GOAL Lab to refresh or update classroom skills.

GOAL's relaxed, non-competitive atmosphere encourages students to develop at their own pace. People study at their convenience; all instruction is free of charge.

Students may drop in during fall lab hours or call 334-3413 for more information.

VEHICLE INSPECTION STATIONS CLOSED SEPT. 7

All Wisconsin Vehicle Inspection Stations will be closed Monday, September 7th for Labor Day.

Station hours are Monday, Wednesday and Friday, 8:00 a.m. - 3:20 p.m., and Tuesday and Thursday, 8:00 a.m. - 7:30 p.m. There are three testing locations in Milwaukee plus others in Waukesha, West Allis, West Bend, Cedarburg, Racine, Kenosha and Burlington.

Moraine Symphony Fall Rehearsals Begin Sept. 10

Fall rehearsals for the Moraine Symphony begin here Sept. 10 at the University of Wisconsin Center - Washington County.

The orchestra is beginning its 20th year under the direction of Albert Asch associate professor of instrumental music at UWWC. Rehearsals are scheduled each Thursday at 7:30 p.m., in the student union music room.

Participants can earn 1 credit at UWWC per semester if they choose to enroll in Music 070. For information on how to join the orchestra, contact Asch at UWWC, 338-5200.

Asch has announced a 1987-88 symphony season that includes three concerts, two youth concerto contests and a pops night.

The concerts, all scheduled for 7:30 p.m., are on Nov. 14 at UWWC and featuring local soloists, a Cathedral Concert on Dec. 6 at St. Frances Cabrini Catholic Church in West Bend with the church choirs and on March 26 at UWWC with the piano and instrumental winners of the orchestra's annual Youth Concerto Contest.

The 1988 concerto contest, co-sponsored with the Moraine Area Music Teachers Association, is set for February 6 at UWWC. On April 23 and 24, the symphony will sponsor a new concerto contest for Ozaukee County students.

Closing out the symphony season is the annual Pops Night on May 7 in the UWWC gym, featuring student instrumental and vocal groups.

Special Meeting
August 25, 1987
4:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in Special Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. Trustee Thomas McElhatton called saying he would arrive later and was absent. All other Trustee Members were present. A quorum was present. Trustee Thomas McElhatton arrived at 4:09 p.m.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

Robert Skatrud, Village Engineer of Ruekert & Mielke, Inc., was present to open the bids as follows:

Bids for the Renovations to the Kewaskum Fire Station

Contractor/Address — 1. Eagle Construction, Kewaskum, WI 53040. Lump Sum/Base Bid — \$103,200. Alt. I — \$ + 4,872.

Contractor/Address — 2. HIS Corp., Hartford, WI 53027. Lump Sum/Base Bid — \$110,475. Alt. I — \$ + 5,244.

Contractor/Address — 3. JBJ Construction, Inc., Menomonee Falls, WI 53051. Lump Sum/Base Bid — \$114,879. Alt. I — \$ + 5,400.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Charles Boegel and unanimously carried by voice vote, the Board turned the bids over to the Engineers for review and a recommendation. (The tentative date for award to be August 31, 1987).

A public hearing was conducted on the application for a Combination Class "B" tavern license for Valera R. McDonald, 215 Main Street, as publicly noticed and read by President Paul Blumer. The Police Department had no reason to protest at this time on the application. On a motion by Trustee Mary Krueger, seconded by Trustee Kenneth Bonlander to close the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." Roll call vote was passed unanimously and the Board declared the public hearing closed.

On a motion by Trustee Richard Schmidt, seconded by Trustee Mary Krueger and carried unanimously by roll call vote, the Board approved the following application for Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for Valera R. McDonald, 215 Main Street, Kewaskum, WI, for the period commencing August 26, 1987,

and ending June 30, 1988, upon proper payment of the required fee. The Police Department didn't have any objections and the office was authorized to issue the proper license. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." (Was heard at a public hearing on August 25, 1987)

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the application for an Operator's (bartender's) License upon proper payment of fee and authorized the office to issue said License as follows:

Gordon S. Wilhelmi, 3620 E. Moraine Drive, Kewaskum, WI

NOTE: The Police Department had no objections to the issuance of the License.

Trustee Mary Krueger, Chairman of the Administrative Committee, reviewed both the Committee's and Library Board's recommendation regarding the hiring of a Library Director, advertising for an Assistant Librarian and designating the labeling of books as the completion of the Student Aide Program.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote the Board will be hiring Kitty Hlavaty as the Library Director upon Evangeline Teeselink's retirement. The position is a regular part-time position with fluctuating hours of approximately 25 hours per week, only partial fringe benefits (no health insurance). The salary, as established for 1987, is \$6.30 per hour with a start date to be determined after the hiring of an Assistant Librarian.

On a motion by Trustee Richard Schmidt, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the advertising for an Assistant Librarian.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlander and unanimously carried by voice vote, the Board authorized the replacement/closing of some windows at the Treatment Plant at an estimated cost of \$1,800,000. It was noted that the project had been budgeted for 1987.

Administrator Daniel Schmidt reviewed a couple of correspondence as follows:

1. Water rate increase as approved by the Public Service Commission. Matter to be reviewed and approved at the meeting of August 31, 1987.

2. Budget Control Sheet for July 31, 1987.

3. Informational letter from Engineers for Board's review.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

On a motion by Richard Schlice, seconded by Mark Slaughenhou and unanimously carried by voice vote, the Commission approved the minutes of November 25, 1986.

The Commission then proceeded in reviewing and discussing the revised version of the proposed new zoning ordinance for the Village. Concern was expressed regarding the possible change in the zoning ordinance to give the Commission the authority to allow residential units in a lower level store front. The matter died for lack of any support and the new ordinance would remain as is.

The Commission reviewed the certified survey map of a parcel of land for the Village of Kewaskum to lease to the Kettle Moraine Sportsman's Association, Inc. On a motion by Richard Schlice, seconded by Raynor Herriges and unanimously carried by voice vote the Commission approved the certified survey map and recommended the zoning of AG-2 be affixed to the lot. This concurs with Zoning Administrator Richard Zarlring's recommendation and will be sent to the Village Board for final approval.

Mr. Gustav Werner was present to answer any questions regarding his certified survey map. The Commission was also informed that Mr. Werner has extended the west lot line to widen the access for the newly created lot.

On a motion by Raynor Herriges, seconded by Jeffrey Rohrer and unanimously carried by voice vote the Commission approved the certified survey map and sent it to the Village Board for final approval upon proper payment of fee. This concurs with Zoning Administrator Richard

Zarlring's recommendation

On a motion by Donald Miodzik, seconded by Mark Slaughenhou to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Greyhound Discounts For Senior Citizens

Effective immediately, senior citizens, 55 or older, may purchase their tickets on Greyhound at a 25% discount to anywhere in the continental United States that is served by Greyhound or Trailways.

The new senior discount fare is available for sale in Wisconsin, Minnesota, North Dakota, South Dakota, Montana and Upper Michigan and good for travel from September 15, 1987 through November 15, 1987. Advance purchase is required 30 days prior to departure. A cancellation fee of 10% will apply. Kirby Parnell, President of Central Greyhound Lines, said we are offering this special fare to our senior citizens as an incentive to try the new Greyhound - Trailways System. We feel this is an attractive offer to an important group, our senior citizens.

Complete details are available at local Greyhound agents.

Prospects Good For Small Game Hunt

Wildlife specialists are predicting good prospects for small game this fall prior to the season opening on September 12. Ruffed grouse, woodcock, and gray and fox squirrels will be legal game statewide. The season on cottontail rabbits opens only in the northern zone Sept. 12.

Ruffed grouse are Wisconsin's most abundant upland game bird. "We're looking for a small improvement over last year's major ruffed grouse population increase," said Ed Frank, farmland wildlife specialist. "We estimate the harvest to have been about 740,000 in 1986. That's up substantially from 580,000 in 1985." The predicted increase in harvest is based on early reports of higher breeding numbers and good hatches.

Ruffed grouse are generally most plentiful in the western half of the state. Good year-round ruffed grouse habitat contains a mixture of young and old hardwood forest with thick underbrush. Young aspen forests and brushy thickets provide excellent ground layer and overhead protective cover, as well as a variety of foods such as berries of dogwood, viburnums, sumac, grapes and acorns.

Woodcock numbers are up too, according to Frank. Statewide, woodcock breeding populations experienced a sizeable increase in the last two years, but despite the increase, hunters did not proportionately take as many, harvesting approximately 134,000 in 1986.

"Woodcock are a migratory species. In early October, migration yields the largest number of woodcock in cover in Wisconsin," said Frank.

Currently, Wisconsin has about 11,000 square miles of woodcock habitat with over 80 percent found in the northern third of the state. This area contains some of the most productive woodcock breeding habitat in the U.S., with summer densities of up to 100 birds per square mile. Wisconsin probably contributes over 750,000 woodcock annually to the flyway population. The annual fall flight through the state totals at least 1.5 million birds.

Wildlife specialists estimate that gray and fox squirrel populations have increased due to the mild winter and con-

tinued availability to corn in picked fields. Hunters harvested approximately 1.3 million squirrels in 1985 and 1986. "We estimate that more young were born and survived due to favorable conditions so we're looking for an increase in the harvest. Populations of both species are most abundant in the west central part of the state in oak-hickory timberlands.

"The cottontail rabbit harvest has really been poor the last couple of years," reported Frank. "Although we can't say exactly why, we believe it is habitat related due to intensifying agricultural land use. Hunting success has been lower in the last two years than at anytime in the past 20. Only about 35,000 cottontails were taken last year.

"However, we are looking for an increased harvest up to about a half a million because, again, the extremely mild winter improved the survival rate, and because more cropland has been diverted under USDA's Conservation Reserve Program." Rabbits are an edge species that need grassland communities and brush in close proximity.

"Hunters in the north can also take advantage of the statewide year-round season on snowshoe hare," suggested Frank.

The squirrel season opens September 12 and closes January 31, 1988. The daily bag limit is five (5) and the possession limit is 10.

The woodcock season opens statewide September 12 and closes November 15. Daily bag limits are five and possession limits are 10.

The ruffed grouse season also opens September 12 but closes December 31 in the north and January 31, 1988 in the south. The daily limit is five and the possession limit is 10.

The season for cottontail rabbits opens September 12 in the northern zone only. It opens in the southern zone at noon on October 17. It closes in both zones on February 28, 1988. Daily bag limits are three with a possession limit of six.

Small game license holders should consult the 1987 Wisconsin Hunting Regulations booklet published by DNR for zone details for grouse and rabbit.

Agriculture Marketing Seminar Slated

A marketing program that follows sound economic principles and uses marketing tools can increase the profitability of many farm operations.

Producers in the Washington County area will have an opportunity to attend an Agricultural Marketing Seminar scheduled for Friday, September 18, 1987. The event will be located at the Five Pillars Restaurant on County Trunk K near Random Lake starting with registration at 9:30 a.m.

This seminar is designed to give grain, livestock and dairy producers information on how they may benefit from utilizing the futures market. The discussion will also cover the use of options and how options can be used to reduce marketing risks. It will also be helpful to growers to develop marketing strategies and explore the best use of government certificates and how to utilize the PIK and Roll program.

The morning session will be presented by Richard Jelinek, Educational Coordinator of the Chicago Board of Trade. He will discuss the basics of utilizing futures and introductions to options trading.

Lunch will be complimentary of the Chicago Board of Trade.

The afternoon session will be developing marketing strategies and optimizing government programs and will be presented by Dr. Gerry Campbell with the UW-Madison, Department of Agriculture Economics.

The program will conclude with a discussion of cash grain and livestock outlooks. Dr. Gerry Campbell, and Randy Thompson, Dairy and Livestock Agent from Sheboygan County, will make the presentations.

Individuals that wish to attend the marketing seminar must register by September 11. Registration forms are being mailed to many residents in Washington County. Registration may also be made by calling the Washington County UW-Extension Office at 338-4477, 644-5204, 342-2929.

There will be \$2.00 registration fee per family at the door for the cost of printed materials.

These fifteen Kewaskum area girls left for Marietta, Georgia on August 4, to take part in the World USSSA Tournament held in Marietta August 6 through August 9, as the Wisconsin State Champions. Although they did not reach the finals, they played some excellent baseball against some very good ball teams. They placed 84th out of 102 teams. The girls and their coaches wish to thank everyone who helped finance their trip to Georgia. Without all of this generous support, this once in a lifetime opportunity would not have come about.

Soccer Season to Begin at UWWC

The 1987 soccer season begins at West Bend on Sept. 19 at the UW Center — Washington County. Coach Tom Brigham said, "If all our lettermen return, we should have a good season."

UWWC's Wildcats have been a traditional powerhouse in the Western Division of the Wisconsin Collegiate Conference soccer play. Last fall they had 6-6 record under coaches Brigham and Dave Huehner.

Fifteen students lettered in soccer in 1986. Edwin Roland of Cedarburg was named most-valuable-player and elected co-captain along with Timothy Kunick of Cedarburg and Ken Mantz of Jackson.

The Wildcat opener will be the traditional home game versus the alumni, starting at 1:30 p.m.

When the regular season ends on Oct. 19, UWWC will have played 10 league matches, five at home and five away. Top teams will meet on Oct. 24 for the Western Division championship.

The league schedule, with all games set for 4 p.m., is:

September 21 at UW-Richland Center and 29 UW-Sheboygan at home.

October 2 at home versus

UW-Fond du Lac, 5 at UW-Fox Valley, 7 at home versus Waukesha Tech, 9 at UW-Waukesha, 13 at UW-Sheboygan, 14 at home versus Milwaukee Tech, 16 at UW-Fond du Lac and 19 at home versus UW-Waukesha.

Fish Snagging Banned In Wisconsin Waters

Fish snagging is now banned on all Wisconsin waters, according to Lee Kernan in the Bureau of Fish Management in the Department of Natural Resources, "and this will increase the opportunities for anglers using conventional fishing methods to catch these salmon during the late summer and early fall in Lake Michigan and Green Bay Tributaries."

Until this year, salmon and trout snagging was permitted during the spawning run in areas of most counties located along the Lake Michigan and Green Bay shorelines.

"Anglers will no longer be allowed to catch spawning trout and salmon by using heavily weighted hooks," Kernan, supervisor of the Great Lakes and boundary water fishery, said. "This means that these areas where snagging was permitted in past years will be brimming with thousands of adult salmon with only a few anglers after them, and casting silver or brass spoons with a fluorescent red stripe on them should result in some solid strikes."

Kernan suggested that anglers who would like to take advantage of the increased conventional fishing opportunities this fall because of the ban on snagging, try to plan their trip just after a heavy rain in mid-September or early October. "The increased water flow will bring in hundreds of salmon, many of them still willing to attack a lure. You can enjoy a quality fishing experience complete with the beautiful fall colors and

uncrowded conditions."

The ban on snagging which became effective this year will: (1) protect brook, brown, and rainbow trout from snagging (2) eliminate adverse publicity associated with the ethics of snagging (3) increase opportunities for conventional angling of trout and salmon, and (4) increase the availability of trout and salmon for egg collection.

The ban affects the following areas by county where snagging was permitted in 1986:

Door — Sturgeon Bay Ship Canal

Kenosha — Pike River and the Lake Michigan shoreline

Kewaunee — Kewaunee and Ahnapee rivers

Manitowoc — East Twin, West Twin and Little Manitowoc rivers

Marinette — All tributaries of Green Bay

Milwaukee — Kinnickinnic, Menomonee and Milwaukee rivers and Oak Creek

Oconto — All tributaries of Green Bay except the Oconto River where snagging was not permitted in 1986

The ban on snagging was adopted this year following a great deal of input from the fishing and nonfishing public.

Wala Smashes Into Guard Rail Curzon Doubles; Melger, Hed Plymouth Victors

BY: Dick Jepsen

Gregg Curzon of Bailey's Harbor won his second feature event in four days Saturday night as he topped an eighteen car field at the Sheboygan County Fairgrounds in Plymouth, Curzon was also the winner of the last race at the Manitowoc Expo Wednesday night. Mark Melger won the 25 lap sportsmen feature ending a drought dating back to July 25. Meanwhile a jubilant Rick Hed of Sheboygan Falls won his first feature of the season, claiming the hobby stock main event.

In the sportsmen main, trouble hit the leader Plymouth's Jim Pitzen on Lap 22 as transmission problems took him out of the race just three laps from victory. Mark Melger inheriting the lead was able to hold off the Bob Werner Chevrolet Camaro of Laack for the win. Third went to Frank Geiger with Russ Spatz and Randy Walters in the Heinecke

Dairy Firebird rounding out the top five.

Mike Borth paced the initial go around in the hobby stock feature before being passed by the Ranch Meats Chevelle of Milwaukee's Jim Kroening. Rick Hed moved in to challenge Jeff Leonhard for second just before the red came out on lap four when Don Grootemaat coasted to a stop in turn two. Hed flexed his muscle on the restart snatching the lead from Kroening. Dave Murre closed in on Hed in the waning laps of the event but Hed was not going to be denied as he held the lead to the checkers.

Murre finished second with Dave Garms third and Kroening fourth.

Randy Tracy of Plymouth won the modified semi while Marv Kellar of Fredonia led the last seven laps of the sportsmen semi to claim the victory.

Wally Becker of Kiel won the

hobby semi and Sheboygan's Henry Dickmann took sportsmen consolation honors.

The race program was halted for fifteen minutes during the third modified heat when the throttle stuck on the Erv Wala modified forcing him head on into the guardrail in turn three. Wala flipped over after hitting the fence landing in the pit area. Miraculously nobody was injured, but it took several minutes to repair the three sections of guardrail.

EWSCA will race twice during the Sheboygan's County Fair the first on Sept. 5th and the second on Labor Day Sept. 7th. A giant demolition derby will be held after the Sept. 7th race. Qualifying and races will start a half hour earlier during the fair races with qualifying at 6:00 p.m. and races at 7:00 p.m. The final race of the season is the end of season championships Sept. 12th.

Bickle Jr., Brownell Prevail In Slinger Speedway Mains

Rich Bickle Jr. of Edgerton began his Sunday evening at Slinger Speedway by setting fast time before crashing in the dash race and then coming back with a victory in the 50 lap late model feature race.

The headline event got off to a rough start. Outside first row starter Tony Strupp led for only half of a lap before a five car crash on the backstretch put the race under the red flag. Involved in the incident were Jim Weber, Al Laufer, Conrad Morgan, Rich Somers and Dave Tomczak. Weber, Laufer and Morgan were finished for the remainder of the race.

On lap 46, as Joel Laufer was attempting to drop Robbie Reiser to fourth place, he looped his IROC-Z Camaro coming off turn four causing a caution flag. When racing resumed, Bickle Jr. again grabbed the front spot and held on for a narrow win over Al Schill, Reiser, Jerry Eckhardt and Somers.

For the second week in a row and the ninth time this season Bob Brownell of McHenry, Ill. captured the 30 lap sportsman feature race.

Scott Eifler of Cedarburg and Duane Langlois of Hartford each won an amateur event and Jim Kannenberg of Jackson was victorious in the figure 8 feature event.

Sunday night, September 6th, R.C. Communications will sponsor the 1987 season championships, the final Sunday night of racing this

year, at Slinger Speedway. Included in over 300 laps of racing action will be an 87 lap late model feature, a 30 lap sportsman headliner and a special 40 lap, \$1,000-to-win Race of Champions for select late model drivers. The raindate for this finale will be Monday night, September 7th. Time trials begin at 6:30 p.m. with racing at 8 p.m.

THIEMER'S SUNDAY LEAGUE

Kewaskum Saloon has taken first, finally, after years of rebuilding, with different management and years of experience. Mark "Hoss" Herriges, manager, has taken the Saloon to a winning season. Team playing and home run shots from Larry Rauch and

Dick Schuppel put the Saloon in a winning way.

The Amerahn had some bright moments, with Steve Ebert and Lee Schultz cracking some home runs but Amerahn fell short to the Saloon and ended up in 2nd.

Barney's, from Beautiful Down Town Wayne, played good team ball but ended the

season in third.

Roger Schneider's home runs just couldn't bail out the Midway Bar. This was a year Darwin Ebert would like to forget. The errors came at the wrong time!

The Saloon also took the Social Trophy!!

Indians Blank Campbellsport In Opening Football Game, 8-0

After a couple of lean years due to a lack of size and quickness, the Kewaskum Indians, a year older, bigger and stronger, opened the 1987 football season with an 8-0 win over Campbellsport at home Friday night in non-conference action.

The physically weaker Indians posted a 1-8 record last year. Their only victory came over Fox Valley Lutheran of Appleton. They played one of their worst games against the Cougars last year.

This year incoming juniors have good credentials. The jayvees won five games last year and the two games they lost were by one touchdown. A good crop of sophomores should help provide the Indians with an experienced team for the next year. The team has 13 returning letter winners.

Returning on defense are Miller, Johnson and Baitinger at defensive back, Pearson and Heberer at linebacker, 5-9, 160-pound Mike Lubahn at linebacker, Kawczynski at nose guard and tackle and 6-0, 185-pound senior Ron Leinen at tackle.

The Indians are strong at linebacker. "Our experience is in the linebacker position with Heberer and Pearson," Charland pointed out.

Another candidate for a starting job at linebacker is 5-11, 150-pound junior Chris Charland, who is the coach's son.

Injuries are a main concern of the Indians, who already have two top starters out. Both are only juniors. Dennis Aupperle, 220 pound tackle, was injured in a scrimmage against West Bend West recently and is in a cast and Jeff Taylor, another tackle, who has a back injury and is out for the season.

By Ann-Marie Horner

The Campbellsport-Kewaskum game started with the kick-off by Eric Pearson. The Cougars received the ball down at the Indians' 30-yard-line and ended up giving the ball back to the Indians.

Pearson was the quarterback. He ran the ball, but decided on third down to pass. Pearson threw it to Steve Johnson to make it a 1st and 10 situation. But the good positioning didn't do much for the Indians. Johnson ended up punting the ball 35 yards, to have it go into the Cougars' endzone and gave Campbellsport the ball on the 20 yard-line.

The Indians didn't get much action after that in the first quarter. With no score the Indians and the Cougars started the second quarter.

The Cougars ended up punting the ball; Johnson returned the punt to the 46-yard-line. But once again the Indians didn't get too far. They brought the ball down to the 10-yard-line, but there was an interception. The Cougars had the ball and moved it up to the 16-yard-line. Once again the Cougars had to punt.

The punt was blocked by Ron Leinen to give the Indians the ball on the 16-yard line with a 1st and 10 situation. With the Indians at the goal, there was a chance to score; penalties prevented the chance. Mike Kawczynski received a penalty for holding, to put the Indians on the 21-yard-line.

Mike Heberer replaced Pearson as quarterback and threw a 14-yard-pass to Chris Charland. Then, the Indians received a five-yard penalty for offsides to put them back on the 12 yard line.

Heberer, still quarterback, fumbled the ball. Campbellsport got the ball on the 12-yard-line.

Campbellsport's number 33 ran for 11 yards to help the Cougars out. Their quarterback, number 11, threw to number 84 for a 23-yard pass. Campbellsport once again threw the ball; Jeff Miller was there to intercept it.

The Indians couldn't get anything going and the Rams ended up with the ball on the 12-yard-line. Time did not

permit; the 2nd quarter ended and neither the Cougars nor the Indians scored.

The third quarter was where the action was; the Indians came alive.

Mike Lubahn intercepted a pass and ran for the one and only touchdown that was seen at the game.

To make the extra 2 points, Pearson threw to Johnson to complete a 2 point conversion pass.

It seemed after that, the Cougars just fell apart. Campbellsport fumbled the ball and Mitch Gebheim recovered it; that put the Indians on the 29-yard-line with a 1st and 10 situation, once again. Joel Serwe helped inch the Indians up to the 25-yard-line. But once again there was nothing doing, Campbellsport received the ball once again.

Marty Schulteis became part of the action when he sacked the quarterback and that forced the Cougars to punt. But once again Leinen came through by blocking the punt, to give the Indians the ball on the 49-yard-line. That ended the third quarter and put the Indians ahead.

The Cougars' number 33 intercepted the ball to start off the fourth quarter; Mike Kawczynski was the tackle of number 33.

Mitch Gebheim became part of the sacking team, he sacked the quarterback to make the Cougars once again punt the ball.

Johnson punted, because the team didn't do very well.

The Cougars' quarterback was pretty well taken care of. This time Schulteis and Gebheim worked together to sack the quarterback, to put Campbellsport on the 13-yard-line.

Once again the Cougars had to punt; the Indians received the ball on the 42-yard-line. Kewaskum inched their way up; Johnson punted once more to give Campbellsport the ball on the 15-yard-line and the rest is history.

On Friday, Sept. 4, the Indians play Horicon at Horicon. The game starts at 7:30 p.m. The strong Marshmen trimmed Union Grove Friday, 30-8.

The following are Kewaskum football players (Name, grade, height, weight, position):

Randy Romaine, Soph., 5-4, 130, G; Tim Schulz, Soph., 5-10, 153, T; Mike Johann, Jr., 5-10, 200, C; Dennis Aupperle, Jr., 6-3, 220, C-G; Steve Johnson, Sr., 6-0, 185, E; Mike Morell, Sr., 5-9, 170, E; Mark Hartmann, Jr., 5-11, 155, E; Mitch Gebheim, Sr., 6-0, 190, FB; Chris Tolonen, Sr., 5-8, 180, FB; Joel Serwe, Jr., 5-11, 170, FB; Noel Stradtman, Soph., 5-6, 160, FB; Dave Nigh, Sr., 5-10, 170, G; Shawn Oresnik, Sr., 5-10, 170, G; Mike Kawczynski, Jr., 5-9, 195, G-C; Rob Baitinger, Sr., 5-11, 155, HB; Rob Kode, Sr., 5-9, 155, HB; Mike Lubahn, Sr., 5-8, 160, HB; Jeff Miller, Sr., 5-8, 160, HB; Paul Budiac, Jr., 5-6, 145, HB; Bob Castro, Jr., 5-5, 125, HB; Chris Charland, Jr., 5-10, 150, HB; Ryan Degnitz, Jr., 5-10, 150, HB; Marty Schulteis, Jr., 5-8, 140, HB; John Hazelwood, Soph., 6-0, 165, HB; Tim Butschick, Soph., 5-6, 115, HB; Steve Heberer, Soph., 5-7, 135, HB; Mike Melzer, Soph., 5-4, 115, G; Tim Oelhafen, Soph., 5-11, 155, C; Shawn Techman, Soph., 5-3, 105, HB; Bruce Theusch, Soph., 5-9, 122, HB; Eric Pearson, Sr., 6-0, 160, QB; Mike Heberer, Jr., 5-10, 170, QB; Steven Gerhartz, Soph., 6-1, 160, QB; Brian Leitheiser, Soph., 5-10, 125, QB; Robbi Hron, Sr., 5-11, 210, T; Jeff Kirsch, Sr., 5-11, 230, T; Ron Leinen, Sr., 6-0, 185, T; Cory Oppermann, Jr., 5-8, 185, T; Mike Amerling, Soph., 6-1, 150, T; Jim Coulter, Soph., 5-9, 260, T; Chris Schmid, Soph., 6-3, 155, T; Rich Thiemer, Soph., 5-9, 190, T; Steve Kaczik, Jr., 6-1, 205, T; Eric Rehua, Soph., 5-11, 165, T; Mike Ramthun, Soph., 6-1, 160, E; Randy Trapp, Jr., 5-9, 155, E; Clarence Fry, Sr., 5-8, 145, HB.

Lakes Team Wins Last Two Games

Kewaskum won two games the past week in the Land o' Lakes League, beating Port Washington last Tuesday, 5-2, and downing Saukville Sunday, 6-2.

Two triples by Jeff Geidel, driving in four runs, and good pitching enabled the Athletics to beat Port.

Girls Lose Three Matches in Tennis

With four letterwinners back, the Kewaskum girls' tennis team expected to have a good year but lost their first three matches.

They were blanked by Waupun, 0-7, in their opening match, although Sherry Becker almost won at No. 1 singles. Things didn't improve much last Tuesday when they were again downed by Horicon, 1-6, although German foreign exchange student Diana Kruger the only winner at No. 4 singles. Saturday, in the Washington County Invitational, the KHS girls lost. Hartford won the meet with 27 points, followed by Slinger 22, West Bend East 20, Germantown and West Bend West 14, and Kewaskum 8.

Fighting for top spots in singles at this point appear to be a couple of seniors, Sherry Becker, who played the No. 2 spot last fall, and Kristin Vogt.

Kruger, who played tennis in Germany, could play in either singles or doubles. Freshman Brenda Falk has impressed.

Two others Nothem experts will be competitive are a pair of juniors, Dawn Troeller and Jane Czoschke.

There are 20 girls battling for spots on the varsity.
