## '87 Campaign Teams Peterson, Gosa In United Way Push

KIM PETERSON

GERALD GOSA

Kim Peterson, vice president/general manager of Regal Concepts, will join Kewaskum Area United Way President Jerry Gosa to head up the '87 United Way campaign drive, it was announced last week. Gosa, a Kewaskum High School science teacher, spotlighted Peterson's role at a recent campaign planning session.

At that same meeting the United Way board voted unanimously to set the campaign goal at \$32,000. The six-week campaign will run Sept. 15 to Oct. 27, and covers the same geographical area as the school district.

Campaign Budget Director Jerry Zimmer, president of Kewaskum Valley Bank, pointed out the increasing need for United Way funds. "In the last several years, requests

from our area service and health agencies have regularly exceeded \$40,000," he explained, "so the need is there."

Both Gosa and Peterson firmly believe that United Way provides a positive and helpful way for the entire community to meet the basic needs of all of its residents.

Even before the official kick-off set for Thursday, optimism ran high. Gosa expressed "confidence that we'll go over the top this year since the last campaign came so close."

"We're working with a great support team for this campaign," explained Peterson, a 23 year veteran with Regal Ware, Inc.

## Regal Responds to Cry for Hay Transportation

A Regal truck, driven by Gene Prost, is being loaded with hay from the Ted Fintelman farm in Sheboygan County, destined for a needy farmer in Ladysmith.

Those familiar red and white trucks you see on the interstate and local highways, moving cookware for America's kitchens, have been moving hay for Wisconsin's farmers.

When James D. Reigle, President of Regal Ware, Inc., heard the television plea for trucks to haul hay to drought-stricken farmers in Northern Wisconsin, he responded by volunteering any idle tractor or trailer in the company's fleet, along with the drivers. Regal's truck fleet is used to haul parts, raw materials, supplies and finished housewares products to its plants and warehouses across the country and Canada. The drivers are Regal employees and members of Local 849 AIW-AFL CIO.

To date Regal trucks have hauled three loads from Sheboygan and Waukesha Counties to the northwestern part of Wisconsin and will continue until the need is satisfied. Each load contains about 550 bales weighing more than 22,000 pounds. The hay is

## Holy Trinity, St. Bridgets Represented Synod '87 Closes on Hopeful Note for Catholics of Milwaukee Archdiocese

MILWAUKEE — A call for the promotion of parish stewardship programs of time, talent, and treasure in the Archdiocese of Milwaukee that include the concept of biblical tithing, was the top recommendation from the 1,800 delegates who attended SYNOD 1987, August 28-30 here. The historic weekend gathering was the culmination of a three-year process of consultation with Catholics in the archdiocese. SYNOD, 1987 concluded Sunday at the Milwaukee Exposition and Convention Center (MECCA) here.

Delegates from Holy Trinity Congregation included Marcella Schaefer, Carole Connor, Irma Reindl, Mary Ellen McElhatton, Gerald Gosa and Robert Swanson, Youth delegate, St. Bridget Congregation was represented by Mary Kuphal.

"The Synod, from my point of view as archbishop, was a unique and grace-filled church

experience," said Archbishop Rembert G. Weakland, OSB. "It performed its function of bringing together many divergent voices from around the archdiocese. And from those voices indicate the path that we should be pursuing in the future to be sure our mission corresponds with the gospel mandate.

"It was clear to me that a spirit of concern for the mission of the church today was uppermost in the minds of those present."

The stewardship recommendation formally called on parishes of the archdiocese to "promote proper stewardship of time, talent, and treasure." It was the top prioritized recommendation out of a total of five presented to Archbishop Weakland during the Synod closing liturgy Sunday afternoon. The four other final recommendations were:

- Provide for parish lifelong Christian formation
- Meet the educational and spiritual needs of families and individuals
- Develop a sense of community through small group experience
- Acknowledge and respond to racism

The 1,800 lay, clergy, and religious delegates who attended the General Synod at MECCA represented 264 parishes and other religious institutions throughout the archdiocese. Of all the delegates, approximately 75 percent were lay people and 25 percent were clergy and religious. The purpose of the three-year Synod process, and of their work over the weekend, was to form recommendations that will help shape the future life of the Catholic Church of southeastern Wisconsin.

The last synod held in the Archdiocese of Milwaukee took place some 90 years ago. At that time, participation was limited to clergy only.

## Kewaskum School District Receives \$31,680 Handicapped Education Grant

State Superintendent Herbert J. Grover has notified The School District of Kewaskum that it will receive \$31,680 to fund a special education project similar to past years.

Administered by the Wisconsin Department of Public Instruction, the grant is made available under the Education of All Handicapped Children Act, a federal law which provides a free, appropriate public education for children, ages 3 to 21, with exceptional educational needs (EEN). About 132 handicapped children in the Kewaskum area will be served.

Statewide, all local educational agencies will share in the more that \$20 million available under this program during the 1987-88 school year. Seventy-five percent of the federal funds will flow directly to local school districts.

Commenting on the grant award, Richard E. Zarling, the project's director, said, "Our district continues to use these special funds for instructional materials and equipment, and also for the yearly census, special testing and kindergarten screening expenses to aid in the identification of children with exceptional needs.

In addition, special staff attend various conferences to increase their competencies and

## Kewaskum Veteran Winner In Arts, Crafts Exhibition

Marilyn Haug, Kewaskum, has winning entries in the Veterans' Arts and Crafts Exhibition. The recent judging was held at the VA Medical Center in Milwaukee.

Marilyn entered several categories. She received three first places: weaving, Kachina Indian doll; embroidered pillow cases; crocheted doily; one second place for her embroidered block baby quilt and two third places, for an embroidered bib and stained wood tulip centerpieces.

As in past years, all first place entries go on to the National Contest. There they receive a monetary prize of \$75.00 each for first place winners. Her quilt also went to the national exhibit for best of show.

In last year's contest, Marilyn won first place for crocheting of a baby afghan. She was the only winner from Wisconsin. In past years, she has won in knitting and original ceramics.

The purpose of the VET ARTS is to provide a showcase for the artistic talent represented by the men and women who have served in our nation's armed forces and are currently classified on an in- or out-patient basis at all Veteran Administration Medical Centers. As they strive to present an exhibition that focuses on the abilities not disabilities, or the artists, the work entered in the show has been judged solely on artistic merit.

In the National Veterans Arts and Crafts Exhibition, there are works from 55 VA Medical Centers. Over 300 works by local winners are juried for the national show. The first place winning entries and selected works of art are exhibited at Constitution Hall, Washington, D.C. the third week of September.

## Yarns of Yesteryear

In keeping with the theme of "Early Farm Days" coming up, sponsored by the Kewaskum Historical Society on September 13, Isabelle Muckerheide submitted the following:

Having been born at the close of World War I, I have vivid memories of the "good old days," and living through the Depression. Mother wrapped me in a shawl, and ran to the neighbors when the Armistice bells rang. I was the fourth of six children, and Dad would have had to go to the Army if the war had not ended.

Our childhood was happy, regardless. We lived near the river, and could go fishing and swimming often. Baseball was played in a nearby sand lot. I still have a crooked finger to prove it. In winter we could ski on a hill across the road, or slide down an icy slope on a scoop shovel.

We had several cows and took them to a community pasture before Dad bought our "forty." Luckily enough my parents took some money out of their savings to buy the "forty" just before banks closed during the Depression.

We delivered milk for 7c a quart. What we didn't sell, the cream was skimmed and made

into butter. Sunday fare was usually chicken with homemade egg noodles. Mother was a very good cook, and could make a dollar go farther than anyone I have ever seen. We were happy the day they butchered the Rhode Island Red rooster. He would "attack" us when we came home from school.

We used to hang "May baskets" on the first day of May, filled with spring flowers that were in bloom at the time.

Before we got electricity, it was a weekly chore to fill the lamps and wash the chimneys. We took turns filling the wood box to keep the cook stove and Round Oak heater supplied. When radios came in, Dad enjoyed listening for hours to Gabriel Heater, and Father Coughlin of Royal Oak, Michigan with his Sunday sermons. Then there was Billie the Brownie, The Lone Ranger, Amos and Andy, Major Bowes Amateur Hour, and the many Joe Louis fights.

We loved music - Grandpa, who lived with us for a while, would play the violin, Dad on the guitar, Mother played the squeeze box, my brother on the banjo, someone chorded on the piano, and another would sit on the floor pulling the broom handle back and forth, making a bass sound.

Mother and Grandpa used to play at wedding dances which were usually held at someone's home. Each year in May we would gather at home to celebrate the folk's wedding anniversary. We were all married eventually and went our separate ways, but stayed Wisconsin residents. The final one was their 66th anniversary, and for all those years we are

forever thankful.

Looking back through the years, I would not care to change a thing. We learned to appreciate the little things. My Sunday dress was washed and ironed every week to be crisp for Sunday Mass. Mother would arrange flowers on the altar, and before garden blooms were ready, we picked wild flowers along the track. I knew a spot where "velvet" violets grew. The two lower petals were deep purple.

Nowadays your godparents give gifts at Christmas and birthdays. My only recollection of a gift was two goose eggs from my godmother. They were successfully hatched by my mother under an old "cluck."

In season, we picked wild strawberries and asparagus to add to the family fare. The lane to the "forty" was lined with hazel nut bushes. We'd gather them by the gunny bag full, and spread them on the roof of the chicken coop to dry. Then you remove the husks, and the nuts were mighty good eating during the long winter days. Mother also dried apples. Dad's birthday was in January, so we would get a chunk of ice from the river and crank the ice cream freezer to make a creamy batch to enjoy with birthday cake. I recall seeing the local tavern keepers and the butcher having ice cut on the river in huge chunks which were packed in sawdust to keep their drinks and meats in good shape through the hot summer days. It also supplied the ice boxes some fortunate people could afford to have.

What we used to think was old fashioned then, is highly collectible now. The High School we graduated from is torn down and schools have become consolidated. A bit of gray streak our hair already, but thoughts of home and days gone by will keep us forever young at heart.

## Annual School Administrators' Conference Sept. 16-17

More than 400 school district administrators will convene in Madison, Sept. 16 and 17 to attend the annual State Superintendent's Conference For District Administrators. This year's event focuses on the importance of families in education.

"We know from formal research and through common sense that children do better in school when their families take an active interest," State Superintendent Herbert J. Grover said. "That is why this 1987-88 school year is designated as 'The Year of the Family in Education' and why this conference will stress education as 'A Family Affair.'"

A forum for educational issues, the conference will feature nationally acclaimed experts in family involvement who will address administrators and conduct sectional discussions.

The conference includes many noted speakers.

The State Superintendent's Conference for School District Administrators, which will begin at 8:30 a.m. on Sept. 16 in

the Memorial Union Theater on the University of Wisconsin - Madison campus, is an event required by state statute. It is held each year soon after the opening of public schools.

## Ayer Begins 19th Year of Rehearsals With Moraine Chorus

On Aug. 28, Pete Ayer stood in his swimming suit and sang the national anthem to open the National Masters Outdoor Diving Championships at Orlando, Fla.

On Monday, Sept. 14, he will be more traditionally dressed when he stands before his Moraine Chorus to begin his 19th year of rehearsals with the group.

Chorus membership is open to the public and students at the UW Center — Washington County, where Ayer is an associate professor of music. Participants can earn 1 UW credit if they choose.

Fall rehearsals will be held at 7:30 p.m., every Monday, in UWWC's Union music room.

The fall season ends with a 2 p.m. concert on Sunday, Dec. 13, in the UWWC theatre. In preparation for the concert, the chorus will be working on six major Christmas cantatas by Bach, Handel, Berlioz and Saint-Saens.

On Dec. 7, Ayer and chorus members will be involved in "Singalong at Christmas," a UW Extension continuing education course.

Last year Moraine Chorus

member came from nine area communities including Fredonia, Germantown, Grafton, Hartford, Jackson, Port Washington, Saukville, Slinger and West Bend. Persons interested in joining the group or obtaining more information about it can call Ayer at UWWC, 338-5200.

At Orlando, Ayer competed for the first time since suffering massive injuries in a motorcycle accident on May 26, 1981. The year before his accident, he was national grand master champion in the 50-to-59 age category.

This year Ayer placed eighth overall in his age group against

former winners of national, international and Olympic competition. In his new 60-to-69 age group, he was second in diving from both the one-and three-meter boards and fifth from the 7.5 meter platform.

After returning home, Ayer expressed satisfaction with his performance. "I feel like I came back from dead," he said. "I never thought I could do this again. But I can."

His one disappointment was a dive he "crashed on" from the platform. He said, "Right after, when you're 15 feet underwater, you think, 'I don't want to come up.' But when you do, people are cheering."

A big factor in crashing, he said, is the pressure. "The competitive environment is so different than a workout." Ayer had to forego workouts from the platform in the week before competition when the Milwaukee pool he practiced at was closed for repairs.

He said there may be a future remedy for bad dives at the nationals. A proposal is in the works to introduce golfing's "mulligan," where the worst performance can be attempted again.

At Orlando, Ayer closed out his diving by singing in the shower with Tom Harebedian, diving coach from the University of Missouri, who had teamed up with him on the opening anthem and then beat him out for the title. The pair had done a similar vocal duet to open the 1976 grand masters at Lincoln, Nebraska, Ayer's first try for a title.

Ayer plans to join Harebedian in April to sing the opening anthem at the national indoor championships at Baton Rouge, La.

But when the singing stops, the harmony will end, Ayer warned. "His days are numbered," Ayer said of Harebedian and his hold on the title.

### IN MEMORY

In loving memory of our dear husband, father and grandfather, HERMAN EICHSTEADT, who passed away one year ago Sept. 14th:

We walked beside you many times

In memories of the golden days we shared,

We laugh aloud remembering things you said,

We're touched when we recall how much you cared.

Sometimes we hear your laughter in our thoughts

And see that smile that brightened many a day.

Deep in our hearts a memory is kept of one we loved and will never forget.

Sadly missed by wife and children.

## 4-H Interstate Exchange Program

Pictured are youths and adult chaperones from Frederick County, Maryland, and their Washington County hosts, who participated in the Interstate Exchange Program.

Twelve Frederick County, Maryland youths and five chaperones spent a week with host families in Washington County July 31 - August 7 under a 4-H exchange program.

The exchange was a program in which Maryland delegates learn about the Washington County area and Wisconsin, and share the information with Maryland 4-H members and families.

Interstate 4-H exchanges are designed especially for 4-H teens.

The week included group activities, including a tour through the UW-Extension Office, Widmer's Cheese Co., The Old Wade House, Stagecoach Inn at Greenbush, the Washington County Jail, and Regal Ware Company. When the group arrived July 31, a potluck picnic was held and a family potluck fairwell picnic at Joanna and Harold Groth's home was held August 6. The 4-H'ers enjoyed swimming, and

outdoor activities. The Teen Crusaders 4-H members got together August 5 at Cindy Rauh's home with the Maryland 4-H'ers and chaperones to share friendship and meet new friends, and also learn about how others live.

Washington County delegates that participated in hosting delegates and chaperones from Frederick County were: Tina Langenecker, Michelle Schaub, Jenny Liegl, Janelle and Jill Peterson, Tracey Steinert, Steve Liegl, Jim Doll, Terry Groth, Steven Falk, Mark Hetzel and Bob Friedemann. Donna Sauer, Dianne Horlamus, and Helen and LeRoy Doll hosted adult chaperones.

The 4-H Interstate Exchange Programs in Washington County are co-ordinated by Helen and LeRoy Doll, the advisors to the Teen Crusaders 4-H Older Youth of Washington County.

## An Explanation of the Annual Meeting and School Taxes

By Penny J. Kleinhans, District Administrator

Voters in the School District of Kewaskum will have an opportunity to provide their opinions on the 1987-88 school district budget at the annual meeting at 8:00 p.m. on Monday, September 28, 1987.

The budget hearing will be held as part of the annual meeting of the school district. Both will be held at the Kewaskum High School.

Through prior experience, I have found that many school district residents have questions about the powers of the annual meeting in the school budget process. I trust the following information will be valuable to Kewaskum School District taxpayers.

At the budget hearing, taxpayers will receive an explanation of the proposed 1987-88 budget and their opinions and input will be welcomed. By state law, electors at the annual meeting have the power to adopt a tax levy, which is the amount of tax dollars needed to operate the school system for the coming year.

However, state law also provides that on or before the third Monday in October, the School Board must certify the amount of taxes needed to operate the school system for the 1987-88 school year. (S. 120.12(3)).

That was placed in the state statutes to allow the School Board to make necessary adjustments to the tax levy approved by the annual meeting if the amount was either insufficient or excessive.

So, in reality, the opinion and judgements of the electors at the annual meeting are highly valued, but it is the School Board, on or before October 19, 1987, that must make the final decision on the tax levy. In many cases, however, the School Board simply reaffirms the judgements made at the annual meeting.

Another real problem for taxpayers is understanding Wisconsin school taxes. The terms "equalized" and "assessed" valuation are used freely, but seldom are they explained in terms we can all understand. Maybe an illustration of the 1986-87 school district tax rate would be helpful:

June and Don are good friends. They live in the Kewaskum School District and both own exactly the same amount of property (\$70,000).

But, June lives in the Town of Wayne, while Don lives in the Town of Scott. Neither understands how their school property tax is computed; in fact, each suspects they pay more than the other.

June went to the Town of Wayne assessor. She found that her

\$70,000 worth of property was assessed at 99.6877%. She found that this was fair because everyone else's property in the Town of Wayne was also assessed at 99.6877% of its worth.

Don's \$70,000 worth of property was assessed at 109.2977%. This was fair, too, because everyone else's property in the Town of Scott was also assessed at 109.2977% of its worth.

When June and Don got together and went to the Kewaskum School District assessor, they found there was none. "Well, who assesses for school taxes?" they asked. "Surely, they can't use the same assessor as the Town of Scott and the Town of Wayne because they differ.

From the district administrator, they learned that long ago this problem was recognized by school authorities. They learned it was solved by "equalizing" (adjusting each community's assessments to approximate actual value on a statewide basis by the Wisconsin Department of Revenue).

This, then, is what is known as "equalized valuation." How are individual school taxes computed from this figure?" Don asked.

The district administrator provided them with a short-cut method of estimating school taxes that works very well. "It's based on the assumption that the market value of your property should be the same as its equalized valuation," she said. "Therefore, you can simply multiply what you estimate your property might sell for by the mill levy calculated on the equalized valuation to estimate your school taxes."

Let's see if June and Don paid the same amount of school taxes.

### TAX COMPARISON

Dollars of School Tax Levy - 1986-87	\$ 3,419,952
(Net tax after property credit)	
District's Equalized Valuation	250,190,020
Factor (3,419,952 ÷ 250,190,020)	13.669 mills
(1/10 of a cent of \$13.669 per \$1,000 equalized valuation)	

Short-cut:	\$70,000 estimated property
	x 13.669 mills (equalized mill rate)
	<u>\$956.83 tax</u>

### JUNE'S TAX (Town of Wayne)

Town's State equalized value	\$39,773,343
Town's share of levy	\$ 543,658
(\$39,773,343 x 13.669 mills)	
(\$39,773,343 x .013669)	
Local assessed value of all property	\$39,649,150
(99.6877% of equalized)	
Town's mill rate for school purposes	13.712 mills
(\$543,658 ÷ 39,649,150)	
June's assessed value	\$ 69,781
(\$70,000 x 99.6877%)	
Taxes paid for school purposes	\$69,781 x 13.712 mills
(\$69,781 x .013712)	<u>\$956.83 tax</u>

### DON'S TAX (Town of Scott)

Town's State equalized value	\$22,308,278
Town's share of levy	\$ 304,936
(\$22,308,278 x 13.669 mills)	
(\$22,308,278 x .013669)	
Local assessed value of all property	\$24,382,430
(109.2977% of equalized)	
Town's mill rate for school purposes	12.506 mills
(\$304,936 ÷ 24,382,430)	
Don's assessed value	\$ 76,508
(\$70,000 x 109.2977%)	
Taxes paid for school purposes	(\$76,508 x 12.506 mills)
(\$76,508 x .012506)	<u>\$956.83 tax</u>

It can be seen from these examples that both Don and June did pay the same amount of school taxes. The equalization process makes the tax rate throughout a school district the same even though the various municipalities within the district are assessing at different levels. The examples given also showed Don and June why the comparison of mill rates between various communities and districts isn't always a reliable measure of costs.

Note: Figures are based on the 1986 Tax Levy including property tax credits. Calculations may not be exact due to rounding of decimal place.

### MUNICIPAL ASSESSED VALUES AND ASSESSMENT RATIOS

MUNICIPALITY	ASSESSED VALUE	ASSESSMENT RATIO %
Village-Kewaskum	59,252,120	101.4070
Town-Ashford	80,600	46.0358
Town-Auburn	20,073,800	114.0475
Town-Mitchell	344,200	102.7214

## Bickle Jr. and Brownell Bag Finale Features at Slinger Speedway

Friday, Sept. 11, 1987, Kewaskum Statesman, Page 15

1987 TRACK CHAMPIONS — Left to right, Troy Nicholas - Amateurs; Al Schill - Late Model (4th year in a row), and Bob Brownell - Sportsman. Missing - Jim Kannenberg - Figure 8.

Slinger, WI: Sept. 6th — The season championships held at Slinger Speedway Sunday evening could have been titled 'Rich Bickle Jr. night' as the Edgerton pilot posted fast time, won the special 40 lap Race of Champions and dominated the

87 lap late model feature race. The starting line up for the late model main event included several patched-together cars that were casualties in a grinding heat race accident that had late model rookie Andy Wendt getting squeezed into the backstretch wall before flipping over for the second time this season. Wendt was uninjured in the incident, but his car was severely damaged.

Joel Laufer provided the race-ending excitement while running in the sixth slot with two laps left he spun coming off turn two and tagged a tow truck in the infield. No yellow flag was thrown and Bickle Jr. cruised to victory lapping everyone except second- and third- running Morgan and Lampman.

Bob Brownell of McHenry, Ill. captured his tenth feature race of the season in the wild 30 lap sportsman main event.

Curt Pfeil of West Bend was victorious in the 12 lap amateur race and Vern Van De Loo of Milwaukee captured the 10 lap figure 8 event. Milwaukee mile promoter Frank Giuffre edged Slinger Speedway announcer Todd "If I only had another lap" Behling in a special 10 lap grudge race.

The 1987 Slinger Speedway division champions are: Al Schill in late models, Bob Brownell in sportsman, Troy

Nicholas in amateurs and Jim Kannenberg in figure 8.

Sunday afternoon, September 13th, Slinger Speedway will host the finale of the \$20,000 Sportsman Triple Crown Series. The finest sportsman drivers from Wisconsin and Illinois will battle for the overall series championship, which awards the winner a large sum of prize and point fund money plus four wheels and a brand new stock car body courtesy of Bassett Wheels and Five Star Stock Car Bodies, respectively. Gates open at noon with time trials at 1 p.m. and racing at 2 p.m. The amateur and figure 8 divisions will also compete in this program. For further information, contact Slinger Speedway at (414)644-5921.

## Goetsch, Hed, Dippel Win Fair Opener

By: Dick Jepsen

A pair of seasoned veterans, Wayne Goetsch and Richard Hed both of Sheboygan Falls notched feature wins as Eastern Wisconsin Stock Cars ran its first of two racing programs Saturday night during the Sheboygan County Fair at the Plymouth Fairgrounds. Dan Dippel current point leader seeking his first hobby stock championship added to his point lead as he took the checkers in the hobby feature.

In the 30 lap modified feature, Goetsch held the lead to the checkers and went on to win his third victory of the season. Second went to Tim Melis, third to Ken Schulz, fourth to Jim Melis and rounding out the top five was Plymouth's Randy Tracy.

Richard Hed, in his Dirkse Oil Monte Carlo, won the sports-

men feature, despite three red flags. Mike Akrighit nailed down the runner-up spot, ahead of Mark Sanders, Frank Geiger, and Bernie Jessen.

Five red flags dotted the hobby feature, won by Dan Dippel in the Tradewinds Pizza Chevelle. Dave Murre was two lengths back, third went to Jim Kroening in the Ranch Meats Chevelle with Norm Gierke fourth. Jack Kiel, driving for the recuperating Chuck Tuschl, led flag to flag in the modified semi claiming the win over Frank Geiger of Whitelaw.

Mark Melger of Sheboygan Falls won the sportsman semi. Mark Zabel of Brandon won the hobby semi and Dale Bauer of Sheboygan Falls won the sportsman consy.

The last race of the season will be Saturday night Sept. 12 with extended features in all divisions.

# Indians Nip Horicon on Last Minute Score, 8-7

**By Ann-Marie Horner**  
The Kewaskum Indians played Horicon there last Friday night and squeezed past the Marshmen with a last minute touchdown and two-point conversion, 8-7.

The Marshmen started with an early lead. A touchdown in the first six minutes put the Indians behind until 47 minutes and 36 seconds later. The Indians scored a touchdown with only 26 seconds left on the clock and managed the conversion to win the game, 8-7.

The Indians played without Steve Johnson, who had a slight concussion from practice.

In the second quarter, the Marshmen gave the Indians a chance to score, but the Indians came up empty-handed.

Jeff Miller ran the ball for an 80 yard run to put the Indians on the 7 yard line. A penalty for offside moved the Indians back, but Mike Lubahn ran for 6 yards to make up some distance. Then Miller ran for two yards and Eric Pearson ran for 2 yards to put the Indians on the 4 yard line. But Miller fumbled the ball and Horicon received the ball on the 2 yard line. That was the nearest the Indians came to the goal line in the first half.

In the third quarter neither Kewaskum nor Horicon could move the ball very well, but the fourth quarter was something to look at for Kewaskum.

The Indians started the fourth quarter off well, by having the ball on the 20 yard line. Pearson handed off to Joel Serwe and Serwe ran for 20 yards to put the Indians on the 40 yard line. But the Indians ended up punting to Horicon.

Horicon moved the ball down to the 12 yard line and that was all the Marshmen saw of the ball.

Miller intercepted the ball in the end zone, to give the Indians the ball on the 20 yard line. Then Pearson handed the ball to Serwe and Serwe ran to the 42 yard line for a 22 yard gain. Pearson then threw the ball to Serwe for a pass com-

pletion on the 47 yard line. Miller then ran for 11 yards to put the ball on the 36 yard line.

Passing the ball was going well for Pearson, so he tried it again. Pearson threw to Chris Charland for a 12 yard pass. With the ball on the 24 yard line, Pearson again threw the ball to Charland for a 7 yard pass to put the Indians on the 17 yard line.

Then to change the course of the entire game, Pearson, on fourth and five from the Horicon 18, threw the ball to Serwe, who was in the endzone, to make it a Kewaskum touchdown.

With only 26 seconds left on the clock the Indians had to decide to tie the game or go for the win. Kewaskum chose the 2 point conversion and it proved to be the right decision.

Pearson handed off to Ryan Degnitz, who worked his way in to the endzone to put the Indians ahead of the Marshmen for good.

The Indians kicked off and gave the Marshmen the ball on the 34 yard line. The Marshmen tried passed but Mike Lubahn was there with an interception. To end the chance for the Marshmen to score.

Miller rushed 12 times for 129 yards for Kewaskum and Tony Gedder ran 23 times for 129 yards for the Marshmen.

This Friday Kewaskum travels to Plymouth to take on the strong Panthers in the first Eastern Wisconsin Conference game.

## St. Lucas 76'ers Win Home Opener

The St. Lucas 76'ERS won their home opener at the "Sixer Bowl" last Thursday over Peace, Hartford, 37-24.

Erik Kral led an offensive attack marked by super blocking up front by Robbie Stern, Brian Smith and Jon Boehlke. Kris Munson, Brad Stern and Chris Schmidt excited the crowd with super runs. Tim Stern led the Sixers in receiving and Brian Smith paced the defensive action with three interceptions.

The 76'ERS play next at Good Shepherd, West Bend. Next week the Sixers will play at home on Tuesday, Sept. 15th, against David's Star, Jackson, and on Wednesday, Sept. 16th, against Good Shepherd, West Bend. Please note the dates and come and cheer the 76'ERS on to victory. (The Good Shepherd date had to be changed to Wednesday due to a scheduling conflict).

At race tracks, the favorite wins fewer than 30 percent of all horse races.

## Cross Country Teams Hold First Meets

**By Ann-Marie Horner**  
The KHS Cross Country teams had their first meets last week Wednesday at Howards Grove.

The boys' cross country team had a triangular meet with Sheboygan Falls and Howards Grove, with Kewaskum coming in second place.

Miles Shaw took first place with a time of 19:02 and Craig Hubbell came in eleventh place with a time of 21:00.

Shaw was leading for most of the race, but Miles took a wrong turn and by the time he got back on the course he was in third place. With little time and 3/4 of a mile to go, Shaw came back strong and won the race.

"John Braun has shown great improvement over this last year," said Drexler, "he is moving up to the third runner spot.

The girls' Cross Country team had a dual meet against Sheboygan Falls. Falls won the meet by an 18-49 score.

"Ellen Kuphal is looking very strong," says Drexler, "she is a very smooth runner." Kuphal came in third with a time of 15:58 and Carrie Batzler came in tenth with a time of 18:42.

The boy's Cross Country team consists of 14 boys. They include: Mark Peters, Scott Kulas, John Braun, George Walz, Matt Gruss, Kris Follmann, Chad Schmidt, Greg Holl, John Schmidt, Jim Gildersleeve, Miles Shaw, Jim Prowarsczyk, David Harju, and Craig Hubbell.

"The boys' team looks strong this year," said Coach Drexler. The top individuals should be Shaw, Hubbell, Harju and Follmann. The fifth spot is still open. "John Braun has been winning well," says Drexler, "Walz seems to have some problems with his knees. If he stays healthy he could be in there."

Coach Drexler is very pleased to see some freshman out. "Gildersleeve has a few good road races behind him," state Drexler, "so he may have the potential."

The girls' cross country team consists of six girls. They include: Nicole Postuma, Sheila Paulson, Pam Osterbrink, Jodi Batzler, Carrie Batzler, and Ellen Kuphal.

"The girls' team is lacking in numbers," says Drexler, "Sherri Batzler will certainly be missed." With only six girls Coach Drexler is looking for Carrie Batzler, Kuphal, and Osterbrink to be the strong front winners.

The Wisconsin 40-day waterfowl season opens at noon, October 1. There will be a split duck season in the Southern Zone and a continuous duck season in the Northern Zone.

In the Southern Zone, after the October 1 opening, the season will continue through October 11. It will then close, reopening on October 21 to continue through November 18. In the Northern Zone, the season will be continuous from October 1 through November 9. The season on canvasbacks is closed. A 16-day scaup season follows the regular duck seasons on the same waters as in 1986.

The point values on ducks are the same as they were a year ago. The hen mallard and black duck are 100 points; the wood duck, hooded merganser and redhead are 70 points; the drake mallard, pintail, ringneck and all others not listed are 35 points; and the blue-winged and green-winged teal, scaup, wigeon, gadwall, shoveler and other mergansers are 20 points.

The Canada goose seasons are: Horicon Zone (Period 1), October 1-20; Horicon Zone (Period 2), October 12 - November 9; Central Zone, October 1 - November 9; Late Horicon - Central Zone, December 1-10; and Theresa Zone, October 1 - November 19. Only hunters who do not receive a Horicon or Central zone permit are eligible for the special Theresa Zone hunt.

The seasons outside those special zones are: Northwest Zone, October 1-20; Southwest Zone, October 1-11 and October 21-29; Northeast Zone, October 1-12; Southeast Zone, October 21-November 1.

On all October 1 dates, hunting begins at noon.

The waterfowl regulations pamphlet should be available within a week or so. Check the regulations for maps and other details about the 1987 seasons.

Hunters are reminded that steel shot is required for all waterfowl hunting this year and that includes upland as well as wetland or marsh waterfowl hunts. Steel shot pellet sizes T, BBB, BB or 1-6 may be used. Pellet size F is not legal.

Dick Berth of Cedar Grove clinched his first modified title Monday night and he did it in fine style as he captured the 30 lap feature Monday night at the Sheboygan Fair in Plymouth. Also posting victories were John Born of Cleveland and Kiel's Wally Becker.

Cleveland's John Born took control of the Sportsmen main, which he held to the finish, as Mark Melger took over second, Mark Froh third, fourth went to Mark Sanders, while fifth went to sportsmen champ Gary Laack.

In the hobby stock feature Wally Becker took over the lead and managed to hold off Dan Dippel for the victory. Third went to Chuck Amweg followed by Dennis Klumb and Mark Zabel.

Defending champ Wayne Goetsch of Sheboygan Falls led the final ten laps of the modified semi for the win while Randy Markwardt led flag to flag in claiming sportsmen semi honors. Milwaukee's Jim Kroening took home the win in the hobby semi.

Next week will be the end of season championships with extended features in all divisions. The final event at the Fairgrounds is a 140 car, 2 1/2 hour or 250 lap Enduro on Sept. 19th.
