## Police Department Requests Additional Manpower Budgets Top Board's Discussions

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Village Board began its arduous task of reviewing departmental budgets for 1988. While there were some high points and low points, Administrator Dan Schmidt told the trustees he was hoping to hold down the village's total budget increase. "I feel our budget for 1988 will be real close to no-increase, to 2.5%" Schmidt stated.

Monday night's discussion was the first review of proposed budgets for all the departments. Schmidt said the budgets were still preliminary and would be reviewed several times by him and the respective department heads in an attempt to trim them further before their final drafts are presented at the budget hearing.

Beginning with his own department, Schmidt presented a budget of \$71,877 for 1988, up 4.5% over the '87 budget of \$68,733. He said one of the major items affecting his budget was a 13.4% increase

for postage costs because of anticipated rate hikes.

The Library's budget was presented with two options. Depending upon which proposal the board approved, there could be an increase of 15.8% or 29.3%. The first proposal would increase the Library's budget from the 1987 figure of \$24,034, to \$27,828, while the second proposal would increase the 1988 budget to \$31,081.

The Municipal Building budget reflects a proposed 4.4% increase of \$756, from \$17,138, to \$17,894 for 1988.

The Parks and Recreation

Department is also presenting two budgets for the coming year. The first request contains a 2.5% or \$1,483 increase from \$59,100 to \$60,583. The second which contains funds for ballpark lights, contains a 6.7% or \$3,983 increase to \$63,083.

In revenue related statistics, Schmidt noted 677 swim passes had been sold in 1987, with a high attendance of 415 swimmers using the pool on June 18th. He said that while attendance had been good, it can improve.

Not All of Cost Increases Passed On

## 1988 Fire Service Contracts Go Out

By GERRY MUELLER  
Statesman Staff Writer

The Towns of Auburn and Kewaskum will receive an unpleasant surprise when they

receive their 1988 fire service contracts for 1988. But as unhappy as they may be with the cost, it could have been a lot worse if the Kewaskum Village Board had decided not to go along with recommendations made by Administrator Dan Schmidt.

According to the report given by Schmidt at the board's meeting night, fire service costs will take a considerable jump as the result of a ruling by the Public Service Commission to increase the village's hydrant rental costs by 151%.

The Town of Auburn's contract for 1988 will go up 25.1%, from \$19,048 this year, to \$23,836 for next year. The Town of Kewaskum's cost will go from \$37,471 in 1987, to \$40,949, a 9.3% hike for 1988. The village itself will see a dramatic 20.8% increase from \$47,568 to \$57,451.

While these are some hefty increases, they could have been even bigger if the board had not accepted Schmidt's recommendation to make adjustments in the contract figures. The culprit in the whole issue could be considered the PSC which recently set the village's hydrant rental cost at \$58,785, up the 151% from this year's budgeted cost of \$23,401. That cost is just one of the figures used in the formula to calculate fire contract costs. Another figure is the number of fire calls made to a township.

In his recommendation, Schmidt suggested the formula be calculated based on half the hydrant cost figure rather than the entire \$58,785, thereby considerably reducing the increase in the contracts for the

## St. John's UCC to Celebrate Centennial

St. John's United Church of Christ, Beechwood, will begin celebrating their 100th anniversary this fall, October 18, with a pre-centennial celebration. The public is cordially invited to this first centennial observance.

The Centennial committee consisting of Joyce Gerlach, chairman, Carolyn Beimborn, Linda Gerlach, Jean Krahn and Robin Krahn have set the theme for this service as an Old Time Worship Service. All members participating in the services will be wearing clothes befitting of the olden days. Other

members and guests are encouraged to do likewise, but are not required to do so. More important, is to come and share in the worship and fellowship.

The celebration will begin with a 10:00 a.m. worship service. Rev. Robert Horst, pastor of the South East Association of the Wisconsin Conference will act as liturgist. The Rev. Charles Koch, son of St. John's congregation and now serving the St. Paul's United Church of Christ in Sheboygan, will be guest speaker. Rev. Elmer Becker,

## End Comes for Mobile Home Residents

Empty lots stand vacant where mobile homes once stood as families leave to make a home for themselves somewhere else.

By GERRY MUELLER  
Statesman Staff Writer

It was an uphill battle from the start and residents of the Tompkins Mobile Home Park have finally had to admit defeat, move on, and continue their lives somewhere else. September 30th was eviction day.

The park has been the center of controversy for several years, but the problem which finally brought things to a head last year was the park's failing septic system.

After receiving complaints on effluent discharging through the ground, the Town of

Kewaskum notified the Washington County Land Use and Parks Department. Samples were taken and a directive issued to correct the situation or the park would be shut down.

Park owner Melvin Tompkins tried to resolve the problem but finally decided any acceptable options open to him were not financially feasible.

Residents of the park formed the Kewaskum Mobile Home Park Association. The group had hopes of buying the property and making the

## Pleads Guilty in Shefond Robbery

By GERRY MUELLER  
Statesman Staff Writer

Kevin Pierce, a twenty-year old Fond du Lac man who was apprehended and charged in a string of robberies throughout Wisconsin, pleaded guilty Monday to an armed robbery charge for the February 16th holdup of the Shefond Self-Serv gas station, 1149 Fond du Lac Avenue, Kewaskum.

Assistant District Attorney Carol Petersen said the guilty plea was the first Pierce had made to any of the armed robbery charges facing him. Along with the Kewaskum incident, Pierce faces charges in Fond du Lac, Manitowoc, Marathon, Sheboygan and Outagamie Counties.

Pierce at first tried to plead no contest to the charge. He refused a plea bargain and then

pleaded guilty to the charge.

Pierce was identified by Shefond employe Kathy Gudex at a preliminary hearing in June as the robber who entered the station, displayed a gun and demanded money.

Pierce entered the plea acknowledging there was no agreement as to what the prosecution would recommend for a sentence. He faces a maximum 20-year sentence for each armed robbery conviction. In deciding the sentence, however, Washington County Circuit Court Judge James Schwalbach could impose a term more lenient than the state had offered to recommend.

Schwalbach ordered the State Department of Social Services to prepare a pre-sentence report and ordered Pierce back to court for sentencing on Tuesday, November 24th.

## Village Budget

(Continued from Page 1)

presented two proposals reflecting manpower requests. Based on a budget including two additional part-time officers the department's budget would increase 2.1% or \$3,656, from \$177,336 for 1987, to \$180,992 for 1988. If the village, however, okays the hiring of one full-time officer, the budget would rise 4% or \$7,141, to \$184,477.

The Public Works Department budget carried some good news showing a proposed decrease for 1988, of 8.5% or \$31,208, from \$366,331 in 1987, to \$335,123 for 1988.

The Fire Department's budget has a 56.9% increase up \$41,408 from \$72,737 in 1987, to \$114,145 for 1988.

The Water Pollution Control Department has not submitted its budget as yet.

Schmidt said the 1988 budget hearing will be tentatively set for November 16th, unless some unforeseen circumstances arise that will delay its finalization in time for the hearing.

In other action the board heard a request from Police Chief Donald Hlavaty to advertise for additional manpower. In a letter to the board, the Fire and Police Commission recommended the hiring of two part-time officers in lieu of the chief's first choice of one full-time officer.

In presenting his request, Hlavaty indicated it would be more difficult to go with the addition of part-time officers. Most of the part-time men we have now work on their rollover

shifts or days off from other departments, he noted. Hlavaty said that was one of the problems he was running into with his present personnel. There are times when we need an officer and we can't get one because they are obligated to their primary jobs. He noted that there have been occasions when none of the part-time men were available when he needed them. Because there are also more jobs available he said men are less willing to work part-time, especially at night when the department's need is the highest.

Hlavaty said that while there was an increase in his proposed budget of \$3,600 or \$7,100, the difference between hiring two-part-time men as compared to one full-time was about \$3,000. "We've got enough bodies to do the job, but they're not available when we need them," said Hlavaty. "What I would like to do, he said, is offer one of the part-time men a full-time position and not hire anyone. What we have now are six part-time officers and three full-time. I would like four part-time and four full-time."

Trustee Richard Schmidt said he would like to get a list of part-time candidates and see what hours they would be willing to work. "If we say we have 24-hour protection then we should provide it," he said.

Hlavaty noted between fifteen and sixteen weeks vacation time, holidays, sick time, schooling and court appearances, that covers almost a half year as far as another full-time officer's time could be accounted for.

The board gave Hlavaty permission to advertise for part-time officers and it will review

his request for a full-time officer further.

In other Police Department business, the board approved Hlavaty's request to advertise for a 1988 replacement squad. Trustee Ken Bonlender, however, indicated he would be interested in seeing some figures comparing the purchase and maintenance costs between a full size car and intermediate vehicle.

While the board agreed with Bonlender's comments, several members felt the village will still end up with a full size car. Board president Paul Blumer indicated one thing to consider was the safety factor. With a frame body an officer would have much better protection if a crash occurred than with a unibody car, he noted. Dick Schmidt felt maintenance savings would be very small or even non-existent.

The board approved Hlavaty's request, but stipulated bids should be provided for both a full-size and alternate intermediate size car.

The board also approved the issuance of three bartender's licenses and the denial of a license to one individual.

The board unanimously approved setting Saturday, Oct. 31st, from 2:00 p.m., to 4:00 p.m., as the time for Halloween Trick or Treat. The date and time coincides with West Bend.

## Fire Contracts

(Continued from Page 1)

coming year.

Had the village approved the contracts as actually calculated by the formula (using the \$58,785), the Town of Auburn's cost would have risen 55.2% from this year's cost of \$19,048,

to \$29,567 for next year. The Town of Kewaskum would have gone up 35.6%, from \$37,471 to \$50,795, and the Village's contract up 49.8%, from \$47,568 to \$71,265.

Both Schmidt and Fire Chief Donald Ehnert expressed their concern over passing on the shared cost of the entire hydrant increase to the townships. While Ehnert noted his department did take water from the hydrants for fighting area fires in many instances, they were primarily for village service.

Schmidt noted that a few years ago, following a department audit requested and paid for by the Town of Kewaskum, there was a question by the township as to its having to pay for a portion of that cost. That cost was found to be justified in calculating fire contract costs.

Trustee Mary Krueger countered back that, while she agreed in theory with Ehnert's remarks, the townships had to realize the village has invested considerable money in purchasing, maintaining and insuring not one, but two tank trucks and a pumper. "These are things the village can do without in providing service to its residents."

Schmidt indicated in essence, it came down to a 'wash,' the hydrant cost versus the cost of equipment needed specifically to fight fires outside of the village limits. Krueger noted that while she was not happy with the situation, she could not see the village reducing the contracts any more than what Schmidt had recommended.

Schmidt said the village has no control over the hydrant

Friday, Oct. 9, 1987, Kewaskum Statesman, Page 2

charges set by the PSC. They review your system and come back telling you its worth 'x' amount of dollars and this is what the charges will be. While the 151% hike is huge, said Schmidt, that isn't the original increase issued by the PSC. When they first submitted their report it was stated that the village should increase the rental charges over 187%. "We went back and appealed their finding and that's when they dropped it to 151%" said Schmidt. He also said that communities all over the state are in the same boat as the village, faced with the same kind of increases.

The board unanimously approved issuing the contracts based on Schmidt's recommendations.

The department's budget, along with other departmental budgets, was reviewed and discussed by the board. The proposed budget for 1988 is \$114,145, an increase of 56.9% or \$41,408, over 1987.

## Man Sentenced Under Huber Law in Sexual Assault Case

By GERRY MUELLER  
Statesman Staff Writer

Robert F. Spoerl, 1140 Fond du Lac Avenue, Kewaskum, was sentenced Monday, to ten months in jail under a work release program.

The sentence was the result of Spoerl's pleading guilty last month to a first degree sexual assault charge involving an eleven-year old girl. He had faced a maximum term of twenty years in prison after he was arrested in May alleged with having sexual contact with the girl.

Initially Washington County Circuit Court Judge James Schwalbach had sentenced Spoerl to five years in prison. The judge, however, stayed the sentence and ordered Spoerl to serve the jail time under the Huber Law. He was also ordered to undergo whatever psychological counseling the Department of Social Services considered appropriate as a condition of a six-year probation term.

Spoerl was ordered to report to the Washington County Jail Tuesday afternoon. He was also ordered to have no association with the girl until his counselor agreed he was ready to have contact with her.

The prosecution had sought a term "commensurate with the seriousness of the crime," indicating that, "there is only one crime worse on the books, first degree murder."

Assistant District Attorney Carol Petersen said Spoerl had not accepted his responsibility for his action and his only concern was for how his case would affect his business.

In considering the seriousness of the crime, the harm to the child and Spoerl having taken photographs of the girl undressed, Schwalbach said he had to acknowledge the man had no previous convictions and

had expressed remorse. Petersen requested that Spoerl spend his jail time in a facility outside of Washington County because the defendant's brother worked there as a jailer. She arranged for Spoerl to do the time at the Fond du Lac County Jail.

## Kewaskum Juniors To Tour Museum

necessary improvements to meet codes.

Finances were a stumbling block for the association. It had hoped to get a financial commitment from each member along with some type of loan assistance. The group worked with a representative of the Wisconsin Partnership Housing Development on plans and procedures. Funds began to run low and time was running out. Because the group was making an attempt to correct the situation the county gave residents an extension from December 1986, to September 30, 1987. The county indicated it was not trying to cause any hardships but some definite action had to be taken. It was decided no further extensions would be granted.

Some of the residents were out by the deadline but many remained looking for somewhere to move. For some of the older residents it is especially difficult having lived in the park over thirty years.

In the eviction notice, residents were advised that if they were not out by the 30th, they would be issued citations for non compliance to the directive. Doris Rittmann, County Land Use Inspector, said Wednesday her department was working with the residents. People who could not meet the deadline were asked to submit a document stating they will be moving within the month. Those who submitted such documentation will not be cited.

Rittmann said to date, she had received eleven letters. "I'll be making an inspection of the park, probably on Friday, for those residents still in the park without having notified our office, citations will be issued early next week. Those citations will cost residents \$130 week."

In a phone conversation Wednesday, Tompkins estimated about two dozen families were still in the park.

Tompkins, who also resides on the property, said he would be installing a septic system for his home. If I don't, he said, I'll have to move, too. "The problem is the present system just wasn't big enough for all the people who lived here" said Tompkins.

Tompkins attorney Andrew Gonring said even with the installation of a system for Tompkins home, the property will probably be put up for sale. The park was Tompkins' livelihood and that's gone now.

Also, during the noon period, there will be free horse drawn hay rides for everyone, young or old.

The afternoon services will

begin at 1:30 p.m. with Rev. Bill Kesting, pastor of St. John's, acting as liturgist. The Rev. Wade Schemmel, another son of the congregation and presently serving at St. Paul's United Church of Christ in New Bremen, Ohio, will be guest speaker. A historical skit entitled, "A Glimpse of our Church's Beginning" prepared by the centennial committee will also be part of the afternoon service.

Immediately following the afternoon service, the high school youth will sell ice cream and lemonade.

Also, centennial note cards and pens will be available for sale. Orders for the centennial plate and historical book will be taken.

Future centennial services for 1988 will be announced prior to their scheduled dates.

St. John's United Church of Christ was organized under the direction of Rev. Julius Frank as the St. John's Evangelical Church. The early records indicated that this organization took place in 1887. The newly formed congregation worshiped in the former District 10 school house, north of

Beechwood, and then moved to a building located across the road from the present day church. The following spring, the members, realizing the need for a more permanent structure, began building their own church. In October of 1888, the building was completed and dedicated. It is this date, 1888, that the congregation holds as its birth date, thereby making its 100th birthday in 1988. The centennial committee has already scheduled October 16th of next year, as their Grand Centennial Finale.

In 1942, St. John's

Evangelical Church merged with the Reformed Church and were then known as the Evangelical and Reformed Church. Another merger came in the early 1960's, when the Evangelical and Reformed Churches merged with the Congregational Christian Churches and then we became known as United Church of Christ.

The ministry of St. John's continues under the guidance of Pastor William Kesting, Jr., who also serves St. Paul's U.C.C. in Silver Creek, and St. John's U.C.C. in Boltonville.

# Kewaskum Welcomes AFS International Students

Anna Burman and Naoko Kimura would like to invite you to "Fiddler on the Roof" at Kewaskum High School on Friday, October 9.

Anna Burman comes to Kewaskum from Sweden. Her home city of Lulea is in northern Sweden.

Anna's father, Stig, is a veterinarian and her mother, Marta, is a teacher in the secondary school. Anna has two

brothers, Anders, 22, and Lars, age 21. She has a sister, Karin, who is thirteen-years-old.

Anna's parents for this year are Mr. and Mrs. Charles Poling, and her host sister is Kim Poling.

Anna has a great time meeting new people. She especially enjoys the cheerleading, football, and in general all the American high school spirit.

Naoko Kimura's homeland is Japan, in the city of Abiko. Naoko's father, Sabura Kimura, is a General Manager of Japan Phonograph Record Association. Her mother is a part-time worker in the kindergarten. Naoko has a brother, Takashi, 18, and two sisters, Motoko, 19, and Ayako, age 14.

Naoko has been an important member of the basketball club in Japan and is looking forward to baseball in Kewaskum. Naoko is living with the Radmann family and loves American cooking. When asked what food she liked best, Naoko

said, "All of it!" Naoko also likes all the beautiful open space in our Kewaskum area.

students, I would like to express our appreciation to the American Legion, Post #384, for their generous gift of 20 American flags to our school. These flags were presented as part of our celebration of the 200th anniversary of the Constitution. These flags are now displayed in our classrooms throughout the middle school. We also would like to thank Mervin Thompson of your group for taking time to talk to our students about the meaning of the Pledge of Allegiance.

We will be continuing with special activities throughout the year in our social studies classrooms to further celebrate the history and heritage of our Constitution.

## MARIAN COLLEGE HAS 98% OF NURSING GRADS PASS STATE BOARD EXAM.

Dr. Ruth Willmington, Chair of Marian College's Division of Nursing, announced that 98 percent of the graduate who attempted the Wisconsin State Nursing Board Examination have passed. "Our rate of success is so high because of the dedication of our students and faculty," she stated. "I'm proud of them. Marian's record of excellence speaks for itself."

The college conducts traditional and completion programs leading toward the B.S.N. at its Fond du Lac campus and outreach sites.

### CHILD NUTRITION

Consider a child who needs 1600 calories of nourishment a day. If he consumes 25 to 50% of those calories from soft drinks, candy and sugary cereals, he has filled up with about 800 relatively empty calories. From the remaining 800 calories he must extract the vitamins, minerals and protein he needs. Children need more whole grain cereals, milk, fruits, and vegetables in their diet.

We appreciate your patronage

## Many Kewaskum Area Residents Being Served by Threshold, Inc.

Members of the Kewaskum Special Olympics team recently honed their bowling skills during a recent outing in Campbellsport.

The Kewaskum Area United Way, which is currently conducting its 1987 fund drive, helps fund Threshold, Inc., which provides rehabilitation for handicapped children and adults in Washington County.

Tom Bergerud, executive director of Threshold, Inc., said that many Kewaskum area residents are taking advantage of the services provided by the private, non-profit corporation.

Bergerud said that at the end of 1986, the corporation was serving 18 individuals from the Kewaskum area, and he suspects about the same number are being served today.

In addition, there are several individuals from the Kewaskum area who are serving as volunteers in such varied positions as adult day services aide, ceramic instructor, clerical aide, craft instructor, early intervention aide, food service assistant, etc. Volunteer days and hours are arranged to meet the needs of the individual volunteer.

Bergerud noted that no individual from the Kewaskum area sits on the Board of Directors, but he stressed that "we are always extremely interested in county-wide representation" on the Board of Directors.

From its modern, one-story building, located at 600 Rolfs Road, West Bend, Threshold, Inc., provides comprehensive habilitation and rehabilitation

services to disabled individuals. These individuals must be from Washington County and be in two age ranges: 0-3 and 16 and over.

For those children up to three years old, Threshold, Inc., offers an early intervention program that provides home training and center-based services.

The home training program provides community outreach, information and referral, and supportive services to parents. The home trainer helps parents work with their child to solve behavior problems, develop motor, self-help and communication skills, and acts as a liaison between the center-based program and home training program.

The center-based program offers therapy and training in gross and fine motor skills, sensory and perceptual development, language, self-help skills, and cognitive and social/emotional development. Speech pathologists and occupational and physical therapists are available to help the children.

A variety of programs are available for adults 18 and older, including adult educational programs, special needs training, skill training, actual subcontract production work, vocational services and counseling services.

Following is a brief summary of some of the programs:

### Adult Educational Programs

The workshop program trains individuals in the safe and proper use of hand and power tools; the basic living skills program focuses on developing skills, attitudes and personality traits which will facilitate future adjustments to life and work in the community; recreation and leisure time activities provide exposure to hobbies, after-hour outings, Special Olympic training, etc.; the remedial education program fills the needs of individuals who need improvement in basic education skills, such as first aid, CPR certification, basic banking/money skills, etc; and the adult development activity program allows citizens 60 years and older to spend one afternoon per week in a social activity group.

**Special Needs Training** — Basic Education I, meets the special daily needs of the severely/profoundly disabled adult; Basic Education II serves severely disabled/multiply handicapped adults in a small group setting using an educational approach to teaching skills; Basic Education III is a program for developmentally disabled adults in an area of low stimulus, low staff/client ratio, and high structure with intense supervision; simulated work and training provides subcontract work and constructive down-time activities to individuals whose mental and/or physical disabilities require more intensive instruction and supervision; and work activities are designed to provide sub-contract work or simulated work for about one-half of an individual's six-hour work day.

**Skill Training** — The custodial training program is designed to prepare individuals for employment in janitorial and housekeeping positions; the outdoor maintenance program is available to interested individuals who show potential for developing skills in lawn care, general groundskeeping skills and bus maintenance; and food service training and production includes classroom instruction, simulated work and job training, and actual sheltered employment in food service.

**Sub-Contract Production** — The production areas provide rehabilitation through work, enabling the individual to earn a wage while learning job skills and good work habits. These areas also serve as a resource to

industry by providing a ready source of labor, high-quality standards, and excellent supervision at competitive prices with on-time delivery. The production areas specialize in shrink wrapping, bagging, bench assembly gluing,

salvage, packaging, collating, and inspection work.

If you wish more information about Threshold, Inc., or wish to volunteer your services, please call 338-1188, or visit the facility in West Bend.

## Kewaskum FFA Chapter Officers Attend Leadership Workshop

The Section 10 FFA Chapter Officer Leadership Workshop was held Tuesday, September 29, at the Jefferson High School.

Richard Heine, State FFA Vice President, and the Jefferson FFA Chapter were the hosts of this inspirational event. There were chapter officers representing 30 FFA chapters throughout the area.

The purpose of the workshop was to promote individual and FFA chapter growth in both leadership and FFA related work. New FFA programs were also introduced and greater participation in existing programs encouraged.

Richard was assisted by ten other State FFA Officers, including Ed Peck, State FFA President from the Marshall FFA Chapter.

Officers attending from the Kewaskum FFA Chapter included: President: Keith Bartelt, Vice President: Brad Enright, Treasurer: Dave Steger, Secretary: Bob Friedemann, Reporter: Dave Schmidt, Sentinel: Dallas

Wodsedalek, and Advisor: Dave Rizzardi.

After the opening ceremonies all the officers broke into separate groups. They discussed what each of the chapters were doing. They gave each other ideas on what their chapters could do for fund-raising and other various events.

After the separate meetings the officers from each chapter got back together and filled out questionnaires for the state office.

## KMS Student Council Members Attend Leadership Workshop

Kate Berres, Stacey Heberer, Karen Junk, Patrick McFadden, Stephanie Reindl, Danny Schulteis and Jeremy Van Assche, Student Council members at Kewaskum Middle School, were part of 304 students in attendance at the Wisconsin Association of School Councils, Inc. Summer Leadership Workshops for middle and junior high school students held on the UW-Stevens Point campus July 12-17, 1987.

The WASC Leadership

Workshop includes six days of instructional activities for student leaders designed to foster the development of a sound philosophy of leadership; provide opportunities for developing leadership skills; increase self-understanding and confidence; and improve skills in communication, problem solving, group processes and organization. Students from 59 schools across the state were in attendance.

The Kewaskum Middle School Council played an important role in promoting the recent KMS Constitutional Celebration. They are now planning the first student after-school social activity on Thursday, October 22.

Other 7th and 8th grade members are Melissa LeRoy, Matt Seiser, and Adam Pilachowski. The sixth grade representatives will be elected in October. The advisor for the Kewaskum Middle School Student Council is Jim Borusky, KMS Counselor.

Jacquelyn Stoffel and Jeffrey Geidel were united in marriage on June 20th at Holy Trinity Church, Kewaskum. Father Robert Berghammer officiated.

Parents of the couple are Mr. and Mrs. Gerald Stoffel of Kewaskum and Mr. and Mrs. Ronald Geidel of Fillmore.

The bride wore a satin gown trimmed with lace overlays. The gown was made by Martha Stoffel, stepmother of the bride. The bride also wore a 90 year old floral headpiece which had been the groom's great grandmothers. The head piece was made of waxed - paper leaves with silk stephanotis and had a fingertip veil. The brides basket bouquet was made by Ann Stoffel, sister of the bride.

The bride chose her sister, Michele Stoffel, Kewaskum, as maid of honor. The bridesmaids were Karolyn Kutz, Kewaskum, friend of the couple, Nicole Stoffel, Middleton, sister of the bride, and Tammy Hohberg, West Allis, friend of the bride.

Timothy Geidel, Denver, CO, brother of the groom, served as best man. The groomsmen were Jerry Buettner, West Bend, friend of the couple, Timothy

Stoffel, Kewaskum, brother of the bride, and Dean Rabe, Kiel, friend of the groom.

Music for the ceremony was provided by Karen Schneider, organist and Mr. and Mrs. David Bertleson, were the vocalists.

Ushering duties were shared by Daniel Stoffel, the bride's brother, and John Geidel, cousin of the groom.

Readings for the ceremony were done by Ann Stoffel, sister of the bride, Brian Geidel, cousin of the groom, and Joan Stoffel, sister-in-law of the bride.

Following the ceremony, a reception dinner and dance were held at the Turner Hall in Fillmore.

The newlyweds honeymooned on the East coast and are now residing in West Bend.

# Highway 28 Reconstruction Project Winding Down

It chops it up, scoops it up and dumps it into a truck to be taken to the portable asphalt plant where it is recycled with new materials for the repaving process.

The portable asphalt plant set up on Highway 28 and Kettle Moraine stands like a giant metal redwood tree among the pines of the Kettle Moraine. Once the project is completed, the plant will be torn down and moved. The site is already being graded and prepared for seeding to return it to its original state.

Desolate and forlorn looking, Main Street was deserted except for one lone car as it waited for its new coat of asphalt.

Tons of asphalt churned out daily were hauled to the paving machine as it slowly made its way down the prepared roadbed laying a thick black ribbon of blacktop along Main Street.

The Highway 28 resurfacing and reconstruction project from Highway 45 east to Highway 144 is in its final stages.

Workers laid the new asphalt on Main Street last week and

work continues with the finishing touches on driveways and graveling and grading the shoulders along the rural section.

Work on the project is expected to be completed by the end of October with the ex-

ception of Main Street's bridge over the Milwaukee River. That work is scheduled for 1988.

Area residents who have had to cope with the detours and dodging the equipment and barricades will be happy with the end result. But everyone,

including myself I'm sure, will breathe a sigh of relief when it's really all done.

The way to a man's heart is through his stomach, but who the heck wants to go through his stomach.

## STANDARD DEDUCTIONS INCREASED

More taxpayers than ever will find the best deal for them in the standard deduction. That is the amount the government allows them to write off with no questions asked before they compute their tax.

The amount varies with age, marital status, and responsibility for dependents. Blindness also enters the picture here.

The Treasury Department estimates that about one-third of those 40 million taxpayers who did itemize will no longer have to list their expenses on their returns. That should make filling out the annual report much simpler for about 13 million people.

There are some very basic changes in the standard deduction that must be understood. They affect the elderly, the blind, and anyone who can be claimed as a dependent by another taxpayer, such as a child who is supported by his or her parents.

Under the old law, the elderly and the blind received a tax break by claiming an extra exemption...in a sense, they counted themselves twice when they filled out their returns. That is no longer true. The extra exemption is gone; but, under this new law, those who use the

standard deduction will get a tax benefit in the form of an additional \$600 or \$750 deduction depending upon their filing status...married, single, head of household, etc.

And, finally, this is a transition year for all taxpayers except the elderly and the blind. They jump to the targeted \$3,000 or \$5,000 standard deduction for 1987, while the rest of the population will not reach those figures until 1988.

The other significant change in the standard deduction will affect those who can be claimed as the dependent of another taxpayer. This change is intended to plug a loophole which allowed parents to transfer investments to their children to take advantage of the child's exemption and lower tax bracket. So it is expected that most children will not be affected. Here is how it works. The child's standard deduction is limited to the greater of \$500 or the child's earned income from his or her own employment. Of course, the maximum standard deduction of \$2,540 for single persons still applies.

The standard deductions for 1987 are:

Filing Status	Basic Standard Deduction		Additional Standard Deduction
	Under 65 not blind	Over 64 or blind	Over 64 or blind
Single	\$2,540	\$3,000	\$ 750
Married filing jointly	3,760	5,000	600
Married filing separately	1,880	2,500	600
Head of household	2,540	4,400	750
Qualifying widow(er)	3,760	5,000	600

There is more information in IRS Publication 920. Order it by calling 1-800-424-3676. If you decide to use the short Form 1040A and receive the long form in the mail, you can order the

short form and its instructions by calling the same number after January 1, 1988.

## Regional Manager Named by Dairyland

Dairyland Executive Vice-President Tom Strachota recently announced the promotion of Ron Peare of Elida Ohio, to the position of Regional Sales Manager at Dairyland.

According to Strachota, "We're looking forward to Ron bringing his positive attitude and organizational skills with him in the capacity of Eastern Regional Manager for Dairyland."

Peare comments, "It is a privilege to be a part of the Dairyland management team. I look forward to our visions and goals coming to pass and the challenges between now and then."

Peare's eastern region will consist of Michigan, Indiana, and Ohio. In his capacity as Regional Sales Manager, he will be directly responsible for overseeing Dairyland's District Sales Managers in this three

state area. The District Sales Managers are responsible for working with Dairyland's dealer network and direct sales efforts. Presently Dairyland has over 4,000 dealers in the corn belt and upper Midwest.

Peare has worked for Dairyland for nine years. He began his career as District Sales Manager for eastern Michigan and later moved to northwest Ohio. Peare started the Ohio territory from scratch and has developed it into one of Dairyland's strongest territories today.

Dairyland Seed is a family-run business started in 1907. It presently serves farmers in the corn belt and upper Midwest. Dairyland handles a complete line of hybrid corn, forages, and soybeans.

# 'Four-H for Youth for America'

Exploring Day for first year members.

4-H Camp

Opportunities - Challenges - Leadership - Personal Growth - Fun - Friendship - are all part of the 4-H program in Washington County. Four-H is all of these and much more!! Four-H is many things to many people. It is a fantastic opportunity for youth 9-18 to get involved in special activities and leadership. It is for families to join together and learn together. Four-H is the world's largest educational program for young people. The program combines cooperative efforts of local volunteers and support from businesses in the private sector with work of federal, state and local extension staffs. Four-H is the only youth program which combines county governments, all state land-grant universities, and the United States Department of Agriculture as a support base.

"Four-H For Youth For America" is the 1987-88 national theme. Four-H reaches over 4.5 million youth throughout the nation, both urban and rural. The hands-on-experience 4-H'ers gain is the strength of the 4-H program as it allows youth to "learn by doing." Four-H youth in Wisconsin may choose to work in over 80 different project areas ranging from forestry, crops, dairy and small engines to drama, youth leadership, camping and rocketry. Exploring project areas begin at the club level; but it doesn't stop there. Four-H extends further learning opportunities at the county, state, national and international level.

Let's take a closer look at what is going on right here in Washington County. Currently over 650 4-H youth are in one of 20 4-H clubs or special interest activities in Washington County. Community involvement includes club projects such as: St. Lawrence Eager Beavers 4-H Club in their community project at Cedar Lake Home or the Badger Boosters helping clean the Ice Age Trail. Each 4-H club throughout the county has their own project they work with to strengthen the community.

Four-H challenges young people to build on their 4-H Foundation by participating in state drama workshops and State 4-H Congress.

At the National level, young people have the opportunity to strengthen citizenship and leadership skills at Citizenship

Washington Focus in Washington D.C. and National 4-H Congress in Chicago.

We each need to take steps beyond our culture and look to new ideas and ways of learning and living. Cross-cultural understanding is becoming essential in our society today. Whether across county lines with intrastate exchanges or across the ocean to other countries, 4-H strengthens our world understanding. Younger 4-H members can experience another way of life with a county exchange. Older members are exchanging to Clinton County, Michigan.

Four-H also has Japan Labo Exchange; Norske 4-H exchange with Norway and IFYE. You may think this is all "IFYE". IFYE stands for International 4-H Youth Exchange. This program reaches over 82 different countries throughout the world. IFYE's travel to another country to stay with a family and learn a new way of life. This year Mr. and Mrs. Herb Piskoski hosted an IFYE from Switzerland for three weeks. As you can see 4-H is definitely more!!

Four-H is for city and country. It is for parents, the family, the grandparents. 4-H is not just youth!! In Wisconsin, more than 22,000 adults serve as 4-H volunteer leaders. On the national level, over one half million adult volunteer leaders are involved. Here in Washington County, over 250 adult 4-H volunteer leaders offer their time and expertise in specific project areas to help teach 4-H youth. Without the 4-H

volunteer leaders, youth and adults and parent support, 4-H could not survive.

Four-H offers you opportunities, challenge, fun and friendship. Yes, 4-H is more! How to Volunteer: If you are an adult that has a special hobby or talent you would like to share and you enjoy working with youth, consider being a 4-H Volunteer Leader. You can make the difference.

How to Join: If you would like more information about the 4-H program contact the Washington County UW-Extension Office. 338-4478, 644-5204, 342-2929.

### TICKETS AVAILABLE FOR YMCA BENEFIT

There are still tickets available for the annual YMCA Benefit Luncheon and Style Show on Monday, October 19th, at the Fox and Hounds Restaurant.

All the guests seated in the charming dining area of the Fox and Hounds will enjoy seeing their neighbors and friends modeling fall fashions presented by Alstons with hair and makeup by Erik of Norway.

The price of the ticket includes the gourmet luncheon, fashion show and door prizes. Cards will be available for those who wish to play bridge. Tickets are \$15.00 and are sold in groups of four; however, a few tables for groups of six and eight are available. Tickets may be obtained from the YMCA or by calling 334-3405.

Proceeds from this event will go to the "Y".

## County Joins National 4-H Week Celebration Oct. 4-10

In Washington County some 625 4-H members are planning special activities and events in observance of National 4-H Week, October 4 to 10 according to Kandi O'Neil 4-H and Youth Agent. The Washington County 4-H'ers are among nearly 4.5 million young people across the country who will participate in the week-long celebration using the theme "4-H For Youth, For America."

"What we do for our youth today, we do for America tomorrow," said O'Neil in explaining the theme. "Through 4-H, young people can acquire knowledge and develop life skills that enable them to become self-directing, productive and contributing members of our society. Specifically, they learn good health habits, develop respect for themselves and others, explore career and leisure time opportunities, share responsibility for preserving the environment, learn how to use technology, and develop leadership and citizenship skills through participation in 4-H. And, that's something to celebrate."

"But 4-H is not only for

youth," O'Neil added. "It's for adults, who as volunteer leaders can share their skills and expertise with young people. It's for families, who can participate in the fun and learning together. It's for the community, which benefits from the community service carried out by youth."

It is through this network of volunteer leaders, state land-grant universities, state and local governments, and the U.S. Department of Agriculture, that 4-H has been able to stimulate youth to develop life skills. In Washington County some 250 adult volunteer leaders work with 650 boys and girls from 9 to 19 years of age in 20 4-H clubs through the Cooperative Extension Service at the University of Wisconsin. Programs are conducted in 3,150 counties nationwide. In addition, some 82 countries around the globe enroll approximately five million youth in programs similar to 4-H.

The members of the Wisconsin Branch of the "Friends of Our Native Landscape," an organization of persons who truly love the out-of-doors, will hold their annual festival of the "Falling Leaf" on October 9 and 10. The festival will be held in the Kettle Moraine area northeast of the village and the members will be served dinner at the Republican House in Kewaskum. People from Milwaukee, Madison and cities all over the state are expected to attend.

A beloved mother and a well known woman was summoned in the death of Mrs. William Bremser, nee Laubach, of the Town of Kewaskum, which occurred on October 4, after a prolonged illness of five years.

Taking effect this last week the merchants of Kewaskum no longer have their stores open on Wednesday evenings, which is customary during the winter months. However, the stores will again be open on Wednesday evenings starting next spring for the accommodation of country people who are too busy during the daytime for shopping. The stores will continue to remain open Saturday evenings.

With this issue the Kewaskum Statesman enters upon its forty-third year.

The remodeling of the interior of the A.G. Koch Inc. Store in this

### NEWS EXTRA

## State Patrol to Strengthen Truck Inspections

The Wisconsin State Patrol will double its roadside truck inspection force starting this October in an effort to improve the safety of large trucks, announced Transportation Secretary Ronald R. Fiedler.

A random inspection taken last July at a weigh station west of Eau Claire on I-94 showed 34 percent of the 109 trucks stopped had serious safety violations, according to Capt. Thomas Cantwell, director of the program.

The data is virtually similar to an earlier random sample of inspections taken outside of Madison in July 1986. At the Utica and Kegonsa weight stations on I-90, 38 percent of the 450 trucks stopped had major safety violations.

Since 1985, the truck inspection program has increased from six full-time positions to the requested 26 full-time positions in the federal fiscal year that starts in October. Currently, there are 13 full-time inspection positions. The safety checks complement the work of 80 inspectors looking for overweight trucks.

The inspectors also check the driver's medical certificate which confirms that the driver is free of medical problems that impair driving.

The number of hours on the road logged by the driver and the driver's licenses are inspected. In this category, the most frequent violations were incomplete or absent log books — a clue that frequently means excessive hours on the road. That violation, which causes driver fatigue, was also cited by a national study as one of the most likely causes of accidents.

"Improving safety on our highways can never be taken too lightly," Fiedler said. "Wisconsin is a national leader in thoroughly analyzing heavy truck safety inspection results and recommending remedies — I look forward to seeing favorable results from this program."

**Little Whistlers Homemakers Club**

The monthly meeting of the Little Whistlers Homemakers Club was held Sept. 14, 1987. We met in the home of Lorey Weston. The meeting was called to order at 7:42 p.m. by our President, Lorey Weston. Secretary and Treasurer reports were abstained. Business for this month is as follows:

1) Oct. 5th we were invited by the Kewaskum J.C.'s to listen to a speaker on "Child Abuse" at 7:00 p.m. at the Kewaskum Savings & Loan.

2) Oct. 6th members of our club went on an outing to the Cedarburg Settlement in Cedarburg.

3) Oct. 20-22-23, we will be finger printing the Kindergarten classes of the Kewaskum School District. Little Whistlers along with the Kewaskum Kitchenettes and Washington Co. Sheriff's Dept., will be providing this public service free of charge to these students.

4) Oct. 22nd at 7:30 p.m. at the Court House in West Bend there will be a project planning meeting. One member from every club should attend. Attending from our club will be Lisa Pulte and Pat Haferman. Some suggestions for projects for this year from our members were: Microwave cooking, holy lands, stenciling or safety for women (Sgt. King Riffel).

5) Oct. 29th we are going to the Beechwood Rest Home to play Bingo with the residents.

It was decided by all members this year to have a cookie exchange. You are to bring your recipe to the November meeting and we will exchange cookies at the December meeting. Our Christmas Party will be Dec. 14th at Joan Stoffel's home. The menu will be pot luck.

Little Whistlers would like to extend a warm welcome to a new member, Lisa Pulte. Anyone interested in joining the Little Whistlers Homemakers should contact Lorey Weston at 626-8232.

Events coming up are election of officers in November. Also our Nov. project will be Lace Net Darn.

We then adjourned to our hostess kitchen where we learned about cholesterol levels in our diets. After which we had a nice high cholesterol dessert and a beverage to drink.

Club Sec., Pat Haferman

**Milk Marketing And Dairy Policy Informational Meeting**

Dairy farmers and other interested individuals will have an opportunity to be updated on milk marketing and dairy policy at an informational meeting. The meeting is scheduled to be held on Tuesday, October 13, 1987, at 8:00 p.m. at the Washington County Courthouse in West Bend. The program will

broadcast over the Educational Telephone Network (ETN), a two way voice communication linking all counties and campuses in the State of Wisconsin.

Dr. Robert Cropp, Milk Marketing Specialist from the University of Wisconsin at Platteville will be conducting the session. Dr. Cropp has been involved on national and state levels in dairy policies and dairy marketing information.

Dairy farmers are concerned about the present dairy programs and the price support for milk. This program will provide an opportunity to be updated on what has been happening and the outlook for dairy policy and price in the future.

There is no charge for the program, but person wishing to attend, should contact the Washington County Extension Office, 338-4477, 644-5204, 342-2929, so that arrangements can be made for those participating.

**Kewaskum Area Girl Scout News**

**Peanut Butter Parade**

Well, it's true!!! The Wau-Bun Girl Scout Council in cooperation with Hardee Restaurants are initiating a joint service project as part of the Girl Scouts' 75th Anniversary Celebration entitled, "The Great Peanut Parade."

This service project consists of the collection of 18 oz. jars of peanut butter and then dropping off the jars at local Hardees Restaurants. The public is invited to join in this effort by bringing peanut butter to their local Hardee Restaurant from October 1 until October 31.

Hardees will be offering a free coupon for an ice cream twist cone for all those who bring in jars of peanut butter during October.

**ELECTION OF DELEGATES**

A special Girl Scout leader meeting is scheduled to be held on October 15 at 7:00 p.m. at the village Municipal Building. The purpose of this meeting is to elect four delegates and two alternates for equal representation of our community in the Wau-Bun Girl Scout Council.

Every registered scout, and four years of age and older and all leaders must attend this special meeting.

The monthly leader meeting will follow this special election.

**Master Gardener Program Offered**

The Milwaukee Area "Master Gardener" training program is scheduled to start this fall on Wednesday, October 14, and run for six consecutive Wednesdays.

This year's series of classes will concentrate on fruit production. In successive years

**Blood Sugar, Pressure Screenings Success at Fond du Lac Sr. Center**

Over 40 people each "screening day" have participated in the free Blood Sugar Tests offered at the Fond du Lac Senior Center by the Americana Healthcare Center. The blood pressure readings are provided for the center by a Care Center East staff person.

The tests were offered the second Wednesday and last Tuesday every month. Due to the success of the screenings, the times have been rescheduled to help alleviate long waiting periods. The schedule is: 10:00 - 11 - Blood Sugar; 10:15 - 11:15 - Blood Pressures.

In order to keep things moving, each person receives a number for the Blood Sugar. If they also want their Blood Pressure taken, a second number is given because not all

take both tests.

We hope everyone 55 or over will take advantage of these services offered by the Americana Healthcare Center and the Care Center East. The center greatly appreciates the joint efforts of these agencies to work together for the "good health" of all seniors.

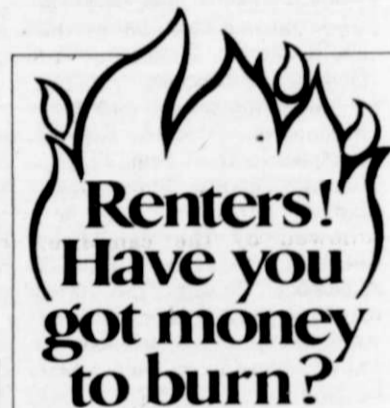

**Schedule Small Business Counseling**

Appointments for counseling in Small Business Development are now being accepted by the UW-Extension Office.

Any person who would like to discuss plans for expanding or starting a new business may make arrangements to meet Chuck Wise, Area Small Business Agent, at the Washington County Courthouse - Room 240, on Monday, October 12.

Any business problem can be dealt with in confidentiality and at no cost to the entrepreneur. Individual appointments will be scheduled for 90-minute periods, from 9:00 a.m. to 3:30 p.m.

If interested, please call the UW-Extension Office, 338-5204 for an appointment.

## 'Greenbush Harvest' at Old Wade House To Feature Fall Harvest Activity

The coming of fall to Old Wade House in Greenbush will be greeted as it was when the stagecoach in its heyday as "Greenbush Harvest" is presented Saturday and Sunday, Oct. 10-11, at the historic site midway between Sheboygan and Fond du Lac.

Just as the staff of the inn would have done in October during the 1850s and '60s, appropriately costumed historical interpreters will be gathering garden produce, drying herbs and nuts, making sausage and smoking meat in the smokehouse, and husking corn.

There will also be demonstrations of gingerbread baking, pressing apples for cider, and making apple butter by slow-cooking apples over an open fire, using an 1840 recipe by Betsy Wade — wife of Wade House builder Sylvanus Wade. Blacksmithing and weaving

demonstrations will also be presented.

Children may take part in a pumpkin decorating contest, using pumpkins from the Wade House pumpkin patch. Pumpkins will be distributed to children both days from 1-3 p.m. for decorating with magic markers. Judges will award ribbons each day at 3:30 p.m. to children in three age categories. A petting zoo featuring young farm animals will also be available for youngsters and adults.

The event coincides with predictions of peak color in fall foliage, making Old Wade House an excellent destination for fall color trips.

The 1850s historic site is owned and operated by the State Historical Society of Wisconsin. For more information contact Old Wade House, Highway 23, Greenbush, Wis. 53026, (414) 526-3271.

at 7 p.m. in Main 201. Potential students are also welcome.

UWWC student services staff will talk about application procedures, including admission requirements, deadlines and tips; financial aids procedures; major fields, academic programs and basic studies; housing; and the helps available in choosing a college such as college fairs, high school visits and bibliographic resources.

A question - and - answer period will follow. Coffee and cookies will be served.

No advance reservations are required. For more information, call UWWC 338-5201.

## Humane Society to Hold Tattoo Clinic

Dog theft is at an all time high! There is only one positive way to protect your pet from being stolen by a professional thief and that is with permanent, painless identification.

Unfortunately collars with tags might get lost or removed. A tattoo, however cannot be lost or removed. The tattoo is inscribed on the inside of the right hind leg. The number used is the owner's social security number; the only number that will never change. The best thing to do is register the owner's number with the National Dog Registry once the dog is tattooed. This registry is a 24 hour a day, 365 day a year service to help you locate your dog if a mistake should be made. The charge for this

registry is \$35 and is a one time charge no matter how many dogs a person may own in their lifetime. The charge for tattooing each individual dog is just \$5.

There will be a tattoo clinic held at the Washington County Humane Society - 3650 Hwy. 60 - Slinger, on Sunday, Oct. 11, 1987 between the hours of 1-3 p.m. The Humane Society is located 1/2 way between Hwy. 41 and 45 on Hwy. 60. For further information call 414-677-4388.

Two cannibals were on a visit to this country. They met in a bus station where one was busily ripping pictures of men, women and children from magazines and eating them. "Say," said the other, "I've heard of this dehydrated stuff. Is it any good?"

## Boy Scout 'Wilderness' Camporee in County

A "Wilderness" Theme will prevail throughout the Glacier Edge District 11 Boy Scout Fall Camporee to be held Friday-Sunday, October 9-11, at Camp Journal, located in the southwest corner of Washington County at the corner of Highway 83 and Q.

Troops may check-in and set up from 5:30 - 9:00 p.m., Friday. Church services will be held at 7:15 p.m., Saturday, followed by the campfire. Sunday at 9:30 a.m. is Assembly Closing and then take-down. The Patrol System will be used and events will be scored accordingly. Each patrol is responsible for their own food, water, cooking equipment and fuel.

District Camping Chairman, James Feyrer, stated that Merit Badges in Orienteering, Pioneering and Wilderness Survival may be completed, so come prepared for the activities and the changeable weather.

A medical form is required for all participants and each troop should provide tentage and tarps for their unit.

For additional information, contact Feyrer at 677-2969 or 284-2499.

## Audubon Society Area Field Trip

In 1934, Aldo Leopold called the Bark River Wetlands near Dousman "the best we have" in Southern Wisconsin. Leopold proposed a national wildlife refuge, but nothing was done. Four years later half the marsh was drained to grow potatoes. Now, the biggest remaining piece of these wetlands is protected in the Perkins Wildlife Area, a private non-profit refuge of 700 acres. The Perkins area is dedicated to research, education and habitat preservation.

Jean Palm, publicity chairperson, 625 Orchard, West Bend, announced the Kettle Moraine Audubon Society will tour the Perkins area on Sun., Oct. 11, from 1:30 to 4:00 p.m. with John Bielefeldt, the site's naturalist and manager. The tour will visit a virgin swamp, white oak forest, maybe see some migrant hawks, cranes or vultures, try to identify sparrows, learn about grassland and wetland management, look for some late-blooming asters (including a nationally - threatened species), and more.

Dress for the weather. Bring binoculars. Expect to walk about a mile. There's no drinking water or bathroom facilities on the site. Directions: Hwy. 94 to Hwy. 67, south to Hwy. 18, west about 3 miles (0.7 miles west of Gramling Road or 1 mile east of Golden Lake) south of Hwy. 18 on long gravel drive immediately west of small white house. Call Jacquie Branchford (692-9067) if you have questions.

## Potential Students, Parents Invited To UWWC Briefing

Parents of children considering college are invited to attend a general information night briefing on Oct. 13 at the UW Center - Washington County.

Jan Ford, associate director of student services at UWWC, emphasized that participation is not limited to those whose children may come to UWWC. "This is for people looking at colleges anywhere," she said. The Monday session begins

## KHS Volleyball Teams Have Matches with Kiel, Two Rivers

By Debbie Rimmel

### VARSIITY TEAM BEATS KIEL

Debbie Felix helped her team win with six spike kills. Patti Padden added 16 serve attempts. Angie Nowak and Jenny Schuster each assisted in the victory with 10 serve attempts.

In the varsity's third game, Kewaskum was losing 7 to zero, but came back strong to bring the score to 5-7. Kewaskum then tied the score at 9-9 and later tied again at 14-14, but still lost the last match.

The scores of the three matches were 15-11, 15-5 and 14-16.

### VARSIITY LOSES TO TWO RIVERS

In the first game the KHS varsity team played very well to win 15-3. But in the second match, the team looked a little less aggressive which led to a 3-15 loss. In the third game the team put up a good fight, but could not pull out the victory, losing 13-15.

Debbie Felix led her team with 8 spike kills, 3 block kills and 19 spike attempts. Jenny Schneider also helped with 27 assists.

The scores of the three matches were 15-3, 3-15 and 13-15.

The KHS varsity volleyball team consists of 13 players: Andrea Fliess, Karen Felix, Debbie Felix, LeeAnn Winninghoff, Jenny Schneider, Mandy Schmidt, Tina Weddig, Cindy Donath, Angie Nowak, Jenny Schuster, Kari Kurtz and Patti Padden. The team is coached by Dave Rizzardi and managed by Tracy Krahn.

### JUNIOR VARSITY LOSES TO KIEL

Coach Paul-Kenfield said, "The games went well, we just had a few mental mistakes." Paula Wilson and Sandy Stollenwerk served well, despite the loss. The team helped each other out to win the first game, but couldn't win either the second or third matches.

### JUNIOR VARSITY LOSES TO TWO RIVERS

In the second match the KHS junior varsity volleyball team played a very aggressive game to beat Two Rivers 15-11. Missy Heisdorf had 8 good serves to help her team and Jodi Zimdars added four good spikes.

In the third game, the JV team was winning 12-0, but Two Rivers came back strong to win 12-15. Shelly Kasseckert served eight in a row in this game, but the team just couldn't pull it out.

The scores of the matches were 5-15, 15-11 and 12-15.

The KHS junior varsity volleyball team consists of 20 players. Becky Schlosser, Keiko Iijima, Debbie Rimmel, Missy Heisdorf, Jody Zimdars, Lisa Wheeler, Jessica Schmidt, Kristi Lubahn, Tricia Schwartz, Joan Petermann, Kim Gaffke, Kris Schinker, Paula Wilson, Shelly Kasseckert, Sandy Stollenwerk, Kim Stielow, Yvonne Amerling, Shelly Schuster, Lisa Harlow and Keri Ramthun.

The team is coached by Sue Paul-Kenfield and managed by Tracy Krahn.

### KHS FRESHMEN TEAM WINNER OVER KIEL

The first game started out slow, but the freshmen showed good effort to come back 10-15.

Tracey Steinert served four good serves in the second game. Rachelle Zuehlke also had seven sharp serves in the second game, assisting in the 15-11 win. In the third match, Marlene Wodsedalek had seven good serves and Carrie Krause had five.

The scores of the matches were 10-15, 15-11 and 15-13.

### FRESHMEN TEAM ALSO BEATS TWO RIVERS

In the first game Melissa Braun served eight in row to begin the match. Nicloe Doherty and Tracey Steinert showed some super spikes. The whole team contributed a nice job, leading 11-5.

In the second game Marlene Wodsedalek served 12 straight points to help the team jump out ahead 12-0.

Mary Jo Breit served seven in a row to assist the team to a victory in the third game, 15-4.

Coach Holfeltz said, "Everyone played super that night. Great team effort."

The KHS freshmen volleyball team consists of 20 players: Jennifer Schneider, Melissa Braun, Tisha Stradtman, Janel Flynn, Nicole Doherty, Nicole Gaffke, Rachelle Zuehlke, Mary Jo Breit, Carrie Krause, Lora Delcore, Patti Aupperle, Pam Gauger, Tracey Steinert, Marlene Wodsedalek, Amy Chesak, Jenny Degnitz, Wanda Jacobs, Heather Kulinski, Kelly Rohlinger and Melissa Jacak.

The team is coached by Mary Holfeltz and managed by Stacey Kode.

## Owners of Real Estate in Washington County

### Take Notice!

On October 20, 1987, and the next succeeding days, Fredric A. Seefeldt, Treasurer of Washington County, will at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1986, except public lands held on contract and land mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

### Pay Your Taxes Now

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

THIS SALE IS NOT OPEN TO THE PUBLIC. THE COUNTY WILL PURCHASE THESE DELINQUENT TAXES.

## Secor Redman of the Week in Volleyball At Ripon College

Ripon College's women's volleyball team blasted Edgewood College for the second time this season. Highlights of the match were Sandy Secor's (Kewaskum), eight-straight service aces and the steady setting of Jackie Makowski (Milwaukee).

Against Lake Forest last Saturday things were quite different. The Redmen had to battle tooth-and-nail through the third game to force a fourth and fifth game of the match. Secor, with 10 kills, played very well at the net. Barb Blahnik (Seymour), also had 10 kills in the match. According to Coach Elaine Coll, "We really played tough volleyball in that third game and the women gave everything they had. Then we won the fourth game to force the deciding fifth match. We expended a lot of energy in those two games and perhaps it took too much out of us, because in the fifth and deciding game we were done in by our own serving errors. The women did such a fantastic job coming back. It's too bad they didn't win the match. They really deserved it."

At Beloit on Monday the Redmen came back from the brink of elimination once again, but this time followed through with strong serves in the fifth game, to up their season record to 12-8 and their conference record to 1-1.

The Redmen reminded Beloit that the Redmen are tough to beat with Secor's 10 kills, Tami Thronson's (Blue Mound), nine kills, Jeanna King's (St. Germain) always being in the right position of defense, and Sue Wagoner's (Rochester, MN), string of eight straight service points.

Secor was named Redman of the week. She is the daughter of Gerald and Mary Secor, 1856 Scenic Dr., Kewaskum, and a graduate of Kewaskum High School.

### IN MEMORY

In loving memory of Arnold Bier, who passed away three years ago, Oct. 6, 1984:

Loving memories never die  
 As years roll on, and days pass by.  
 Deep in our hearts a memory is kept.  
 Of one we loved and will never forget.  
 Sadly missed by the family.

### A NOTE OF THANKS

Thanks to all our relatives, friends and neighbors and especially our children and grandchildren for having a surprise birthday party for us at the home of Sandy and Dick Schultz.

Thanks Again  
 Love,

# Area Men Successful Hunting Canada Bear

Al Broecker, owner of Al's Taxidermy, Kewaskum, posing with four of the bear shot during a recent week's hunting in Canada.

## AL'S STORY by Al Broecker

After our arrival in camp, the guide took us out to show us the countryside which we were to hunt.

Hunting is done over baits, some of which are close to logging roads, so we were told to park our trucks several hundred yards away from our stands. Bears supposedly are very shy creatures and won't come out if there are vehicles nearby. Think again ... here's what happened to me before I shot my bear.

The third night (Monday, Sept. 7), I parked my vehicle on top of a small hill, about 200 yards away from my stand. During the 5 to 6 hours I spent on the stand, for some unknown reason, I turned to look at my truck off to my right, behind the limbs of a big pine tree next to me.

There, to my surprise, standing on its hind legs next to the left front of my truck, was a bear that wasn't supposed to like vehicles. I guess someone forgot to tell the bear.

Squinting through the branches, I watched the animal as it dropped down and walked around to the back of the truck. There it again stood up and placed its front paws in the dust on the truck cap window, leaving three perfect paw prints. Then the bear dropped

down and walked to the front of the truck. It placed its front feet on the hood and looked into the cab.

The bear then dropped to all fours again and went completely around the vehicle to my side and stood up next to the window of the cap, looking in. You would almost think the bear was interested in buying the truck! It then walked to the driver's door and placed one front foot up on the mirror bracket and looked into the cab.

We did use the vehicles to carry the bait to our stands, and that is what the bear was smelling, trying to figure out how to get at it.

Finally, with me being thankful, the bear dropped to its feet and started to walk down the road toward me. Knowing that at anytime the bruin could easily just walk off the road into the woods, I watched as it moved toward the only opening in the branches that offered a shot. After what seemed like forever, my chance came.

I placed a shot into the bear's right shoulder, through one lung and out the other side. The bear took off at a full run. In the time that it took to pull the rifle out of the limbs, put another shell into the chamber, and turn toward the right, the bear had run 75 yards.

I shot again, putting the 180 grain 30/06 slug through the

top of both shoulders and breaking the bear's neck, killing it instantly. My hunt was over, except for the work of gutting, skinning, and preparing the meat and hide for the trip home.

This bear will be on display in my shop, Al's Taxidermy Studio, in the future, as a life size mount, standing on its hind feet.

There were five other men on this hunt, that I had arranged, plus my self. Vernon Ludwig of Kewaskum got his bear less than 2 1/2 hours into hunting the first night.

Jim Roe, also of Kewaskum, got his bear on the second night after the bear walked around the stand for 50 minutes. Roe downed his bear with a well placed heart shot. He found the bear about 300 yards or so later. Jim and the guide tracked and then dragged this animal over two hours before getting it to the road.

The other three hunters never saw a bear the rest of the trip. But that's fall bear hunting. Everyone had a good time and learned a great deal about Canadian bear hunting. I also met some other hunters from Madison and Chippewa Falls who I helped with bear skinning, and enjoyed details of their hunt. Maybe again next year...

Vernon Ludwig, Kewaskum, and the bear he shot after only 2 1/2 hours hunting.

Jim Roe, Kewaskum, and the bear he bagged with a bow and arrow.

## Indians Last In Tennis Tourney

The Kewaskum girls' tennis team finished last in the Eastern Wisconsin Conference tournament and also ended up at the bottom of the EW standings this year, Plymouth won the championship in the tournament and conference.

In the conference meet the Indians had only two girls, Dawn Troeller and Brenda Falk, go past the first round. All others were eliminated.

At No. 2 singles, Troeller won her first match 6-3, 6-1, then was eliminated and also lost her consolation match. Falk drew a bye in the first round, then lost the champion, 1-6, 0-6.

Placing behind Plymouth were Sheboygan Falls, Chilton, Two Rivers and Kewaskum.

The Indians recently also lost two makeup matches with Plymouth.

Kewaskum was handicapped by many girls missing matches this year due to other activities.

## KHS Eliminated In Sub-Sectional Tennis

The sub-sectional tennis meet was held on Tuesday, Sept. 29, at Beaver Dam.

In first round singles play Missy Brown, Waupun, beat Kristin Vogel, Kewaskum, 6-1, 6-0, and Eva Caceres, Waupun beat Jeanine Williams, Kewaskum, 6-1, 6-1.

In first round doubles Liz Pollom and Cathie Petak, Fond du Lac, topped Dawn Troeller and Brenda Falk of Kewaskum, 6-3, 6-2 but were eliminated by Waupun's Sharon Rachow and Shelley Oppermann 3-6, 6-4, 6-1 in the second round. A. Buddenhagen, Kewaskum and K. Schober, West Bend West, beat R. Brink and L. Boesch, Ripon, 6-1, 6-1, but were defeated by K. Koller and D. Becker, West Bend East, 6-4, 6-3 in the second round. M. Kaehny and K. Kirsch, West Bend East beat T. Baron and D. Kruger, Kewaskum, 6-0, 6-1.

The WIAA sectional meet

was held at Sheboygan South on Thursday.

### Beaver Dam Sub-Sectional Team scores

Fond du Lac, Waupun and West Bend East 12, West Bend West 6, Beaver Dam 4, Horicon 2, Ripon and Kewaskum 0.

## Best Ball Title At Hon-E-Kor Won By Hartford Golfers

The third annual Best Ball event held at Hon-E-Kor over the weekend was won by a Hartford father and son, Bob and Tom Talajakowski.

The Hartford pair played well Saturday with a 3-under par 67 to take a three shot lead. On Sunday the Talajakowskis ended up with a 70 for a 137, enough to make their Saturday lead stand up.

Playing second with a 72-71 were Doyle Daity and Jocko Rueth, also from Hartford CC. They finished one shot ahead of

Mike Ladwig and Joe Lisome of Quit Qui Oc (144), who were tied with Mike O'Connor Jr. and Terry Aceto of Hon-E-Kor.

The First Flight winners were Herman Berndt and Russ Averill (148). Averill shot an eagle on No. 10 Sunday. Second Flight champs were Bill Geidel and Mike Pfeiffer (165). Dick Wietor and Bruce Halfmann placed fourth.

Jim Westphal and Jim Korth of Hon-E-Kor placed sixth, in the Best Ball (147) and Jim/Gregg Dean ninth (150).

Twenty-nine teams were entered in the event.

# Undefeated Sheb. Falls Runs Over Indians, 49-8

The Kewaskum Indians absorbed their third straight conference loss and worst of the season at Sheboygan Falls (6-0) Friday night when the unbeaten, conference leading Falcons overpowered them, 49-8.

The setback left the Indians with an 0-3 EW record and 3-3 overall and dropped them to the bottom of the conference standings as New Holstein won its first game over Kiel, 23-6.

Scott Specht ran for three touchdowns and scored another on a pass from Brek Rammer to lead the Falls victory. The only score for the Indians came in the fourth quarter on an eight-yard run by quarterback Eric Pearson. He also passed to Mike Lubahn for the two-point conversion.

Powerful Falls led over the injury ridden Indians, 35-0, at the half. They scored the first five times they had the ball. Playing without several starters, Kewaskum also lost both of their ends in the first quarter to injuries.

By Ann-Marie Horner

To start the game off number 11, John Frausto, from Sheboygan Falls, kicked off.

Ryan Degrizzit returned the ball on the 21-yard line and returned it to the 34. The Indians couldn't get anything going, so Steve Johnson punted the ball.

The Falcons couldn't hang on to the ball and Mike Lubahn recovered a fumble on the 43-yard line.

Having better field position, the Indians still couldn't get anything going. Johnson once again punted to the 20-yard line.

The Falcons' Brad Rutgers played a remarkable game. Rutgers ran the ball to the 45-yard line for a gain of 25 yards.

Brek Rammer, the quarterback, handed off to Rutgers and he ran down to the 8-yard line before being knocked out by Lubahn.

Then Rammer threw to Paul Kuplic for a complete pass and a touchdown.

The Falcons tried for the extra point but failed and the Indians led, 6-0.

Falls kicked off to the 11 yard line. Johnson returned it to the 23-yard line.

With the ball on the 23, the Indians tried moving it but didn't get far.

John Specht punted to the 30-yard line, where the Falcons recovered it.

Rammer carried the ball and Degrizzit tackled him. Then Specht gave it a shot, but Robbi Hron and Mike Heberer stopped him.

Rutgers once again carried the ball to the 8-yard line and Eric Pearson tackled him. But Rutgers got the ball again and this time he managed to make it into the endzone. The Falcons tried for the conversion but got it, to put them ahead, 14-0.

The Falcons kicked off again. Marty Schulteis returned the ball, that landed on the 19-yard line, to the 46 yard line.

Pearson threw to Joel Serwe and completed the pass to the 40-yard line. Pearson then carried the ball to the 34-yard line to make it first and 10.

The Falcons set up to pass and the Falcons gave him a little

trouble, but Pearson managed to throw to Mike Morell.

Pearson next attempted to throw it to Mark Hartmann, but it was intercepted.

The Falcons got the ball and managed to get another touchdown. Sheboygan Falls attempted the kick and it was good to make the score 21-0.

The Indians received the ball, but again couldn't move it.

The Falcons got the ball again, carried it for another touchdown, and kicked the ball for the extra point.

The Indians received the ball on the 26-yard line. Pearson tried to pitch it to Lubahn, but a fumble occurred and the Falcons recovered it.

Falls ran the ball for another touchdown and an extra point, to put the Falcons ahead 35-0.

The Indians received the kickoff and ran it to the 21-yard line. Pearson carried it to the 17, and carried it again to the 5-yard line.

But a fumble occurred once again and the Falcons number 10, Mike Walker, recovered it and ran all the way down to the 1-yard line. The Falcons carried it into the endzone for another touchdown and extra point.

The Falcons managed to get another touchdown by running the ball and made the score 49-0.

The Indians received the ball on the 34-yard line. Pearson passed to Heberer to the 31-yard line. Pearson then passed to Paul Budiac to give the Indians a first and 10 situation. Pearson carried the ball in for a touchdown.

Kewaskum set up to kick, but faked it and Pearson passed to Lubahn to make the score 49-8.

This week KHS plays at Kiel, which is 1-2 in the standings.
