The week of October 12 through 17 is Homecoming at Kewaskum High School. Activities were begun on Monday with the start of float building. Class competition began with the different dress up days with Tuesday "Fun In The Sun Day," Wednesday was "Nerd Day" and Thursday was "Grandpa and Grandma Day." Friday will be the traditional "Green, Gold and White Day." Hall decorations were put up Wednesday after school and added much color and excitement to the halls.

A pep assembly will be held Friday afternoon at which time all varsity fall sports members will be recognized along with the introduction of the Homecoming Court and this year's King and Queen.

The parade will be Friday night at 6:00 p.m., which will include the KHS Marching several Band, floats, convertibles as well as the football team. The Indian fans are hoping for a victory as the team plays the New Holstein Huskies at 7:30 p.m.

be on Saturday, Oct. 17 from 8:00 to 11:30 p.m. with music provided by the band RUNAWAY. Ticket prices are \$3.00 for singles and \$5.00 for couples. Parents are welcome to attend the dance compliments of the Class of 1988. The Grand March will be at 9:00 p.m. with the crowning of the King and Queen immediately after.

The Class of 1988 has chosen to invite back the Class of 1978 and we hope to see as many people as possible from that The Homecoming dance will class at the game and dance.

Project Smart Energy Program Savings at \$65,000 Annually School Board Okays Lower Mill Rate

By GERRY MUELLER Statesman Staff Writer

The Kewaskum School Board voted Monday night, to add \$52,000 to the budget for 1987-88. Along with that, new estimated equalized valuation figures show a .3% drop. Even with those revised figures, the end result is a new mill rate of \$13.36 for 1987, nineteen cents lower than the \$13.55 approved by the electors at last month's Annual Meeting.

In presenting her report, Business Manager Cherna Gorder told the board the latest equalized value figures show a

drop of \$756,000. She cautioned the members to remember however, that these were still estimates and final figures would not be out until next year. Before the board voted on the revised levy, board member Ruth Schmitt expressed her concern over the major roof repairs project facing the district the next three years.

Schmitt said in the past boards have "all of a sudden been hit with tremendous maintenance and repair costs," and she did not want that to happen again. "I would like to add at least \$52,000 into this year's budget

for those repairs," stated Schmitt. She asked Gorder what would happen if the mill rate were increased to reflect that addition. Gorder estimated it would bring the rate up to about \$13.67 per \$1,000 of assessed valuation. Schmitt was reluctant to have that happen.

Board member Perry Ankerson suggested the \$52,000 be added to the expenditures portion of the 1987-88 budget.

On a 6-1 vote, the board approved the motion covering the repairs addition and new (Continued on Page 2)

levy of \$3,331,500. Board member Ron Theusch cast the one dissenting vote.

Theusch felt he had to explain his 'no' vote. He indicated he was not against the addition of money for roof repairs, he was opposed, however, to using fund equity to accomplish some of these projects. "A few years ago our fund equity was down to \$500,000," he noted, over the past three years or so, the district has worked very hard to increase that figure. He asked the other board members, "where do we want our fund equity, and where should it This continued erosion of be? it is heading the other way.'

Theusch related his concern to a statement made earlier in the evening by Mr. Don Smith of Touche-Ross and Company, who recently completed the district's audit. In his report Smith noted the district's \$1.484 million fund equity was, "A very good position to be in from a financial reporting standpoint." In questioning by Ankerson as to how Kewaskum compared to other districts, Smith said it fell in with the level being maintained by a majority of the schools. Smith did, however, say that over the past three or four years districts have been trying to increase their fund equity because it reduces their need for short term borrowing. "I would not be opposed to saying you should increase it more," stated Smith. Gorder was asked what the

district's fund equity level would have to be to allow it to discontinue short term borrowing. She estimated it to

proposal is too expensive." He also expressed displeasure at the board not being provided with other quotes and alternative recommendations. From his own recent personal experience, Ankerson felt a considerably less.

Kopecky said the Burroughs system was recommended because it was compatible with the Burroughs system in the Administration Office and in an emergency could be used as a backup. He also felt it was more flexible than the IBM systems. Ankerson questioned those comments noting IBM has several new computers on the market which he felt could do the job for a lot less money.

Other board members asked why the Administration Office's computer could not be used. Gorder said the system's two stations were in use nearly 100% of the available time and it did not have enough memory capacity to store the bookkeeping and high school records. It was questioned whether it wouldn't be considerably less expensive to expand the computer's capacity and just add one or two stations at the high school rather than purchase another complete system.

Ankerson also asked why this record keeping could not be done on the new IBM computers being purchased for the high school. "Before I vote to spend \$20,000, I want to see some alternatives' said Ankerson. Kopecky was directed to secure additional quotes in time for the board's next meeting on October 26th.

The board did approve the request of music instructors Larry Ammel and David Bertelson to purchase two new pianos at a total cost of \$4,930. One piano will go into the high school choir room and the other the middle school music room.

also received Gorder permission to borrow \$800,000

energy consumption.

Local Dan Wangerin, Education Vocational Coordinator for the district, requested and received approval for the implementation of three new co-op work/study courses for the high school. Along with class time, students would spend a set number of hours each week working in the public sector under the guidance of company supervisors and teachers. The new programs would involve Home Ec, Business Education and Technical Education.

Home Ec would provide experience in areas such as food service, daycare, nursing homes, etc. Business Education would cover a course in recordkeeping to help re-enforce accounting skills. It would replace one section of shorthand and one typing course in typing which will be dropped due to declining enrollments. The Technical Education Department will have a Woods Mass Production course, replacing a Woods class and reducing the Construction courses from two to one.

main concern in The approving the courses was that they be instituted without the addition of any additional

staffing. In other action the board

approved the appointment of Howard Zemlicka as Chair for the Tech Ed Department, the resignation of David Wietor and appointment of Dan Wangerin as Ski Club advisor, appointment of Mary Holfeltz as Frosh girls volleyball coach, and three requests of withdrawal from school

The board also approved a new format for the district's newsletter. It will eliminate school board minutes which will now be published in the Kewaskum Statesman. Residents who wish to continue receiving the minutes can do so by contacting the Administration Office and requesting that they be mailed to them.

The board also approved a chaperoned week-end ski club trip to be taken next February.

The board reviewed 28 new or revised policies as presented by the Policy-Legislation-By Laws Committee.

At the close of the meeting District Administrator Penny Kleinhans asked the board members to give some consideration on their ideas as to what the board's goals for the coming year should be so they can be discussed at the next

meeting.

Upcoming Events at Kewaskum High School

by LeRoy Kopecky

Kewaskum High School is a dynamic institution. Our 625 students are involved in a wide range of academic subjects and many extra-curricular activities.

The fall athletic season brings out loyal fans to cheer our Indians on as they participate in Cross Country, Football, Volleyball and Tennis competition. This season is highlighted by Homecoming week, October 12-17.

Yet to come is the Preliminary Scholastic Aptitude Test (PSAT) given to upper classmen desiring to enter college. This test will be given October 20. Anyone wanting more information about this test can call a counselor at 626-2166.

Booster Club meets October 27 at 7:30 p.m. in the high school cafeteria. This is a club

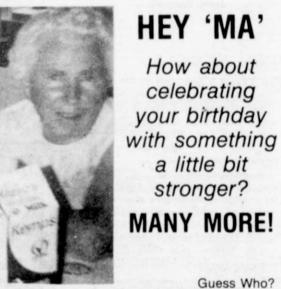

of parents who are interested in helping to promote extracurricular programs in the district. Everyone is welcome there are no stangers in the Booster Club.

October 28 marks the end of the first quarter. Somehow it seems hard to think that $\frac{1}{4}$ of the year is already gone.

The Future Business Leaders of America (FBLA) will be sponsoring a dance the evening of October 28. The theme is Halloween - dress in your scary best!

The last Thursday and Friday of the month of October - 29th and 30th will be a mini vacation for our students. During this time, teachers around the state gather for their annual teacher convention.

We believe that education is a sound investment in the future of America. Thanks for your support.

Thank You!

Six Kewaskum Area Children Have Big Brothers, Sisters

Photo by Pat McFadden

Six Kewaskum area boys and girls between the ages of 6 and 14 are currently taking part in programs offered by Big Brothers and Big Sisters of Washington County.

The Big Brothers and Big Sisters of Washington County is one of the organizations funded by the Kewaskum Area United Way. The 1987 Kewaskum Area United Way fund drive is underway and will continue through Tuesday, October 27. The 1987 campaign goal is \$32,000.

Kathy Saemann, executive director of Big Brothers and Big Sisters of Washington County, said that currently there are no Kewaskum area individuals serving as big brothers or big sisters. "We certainly encourage Kewaskum area individuals to donate their time and talents to this worthy program," she said.

Two of the Kewaskum area boys and girls participating in the program are Jennifer Severance, 8, and Jamie Severance, 13, children of Lori Severance.

Jennifer is matched with Betsy Borisch of West Bend, while Jamie is matched with Curt Personke of West Bend.

Jennifer has been in the program for about 18 months, and gets together with Betsy for several hours once a week. Because he's older and able to be gone from home for longer periods of time, Jamie and Curt get together for a day or two every month. Jamie has been in the program for a little over a year.

Jennifer and Betsy participate in a wide range of activities, including swimming, walking, hikes, roller skating, bowling and hayrides, while Jamie and Curt like to fish, bowl and do chores around a summer cottage in northern Wisconsin.

friendship with one boy or girl.

"Our program is often viewed as a recreational of Washington County, 129A S. program," Saemann said, "but 7th Ave., West Bend, WI our greater mission or goal is friendship, with an emphasis on the prevention or early intervention of potential difficulties that children living in one-part families may encounter or develop."

Little brothers and little sisters are children who need friendship, guidance, and attention to aid them in become responsible, well-adjusted adults. They are boys and girls living in a one-parent family situation as a result of death, divorce, desertion, or disability.

Any mature and responsible adult, 18 years or older, married or single, who is willing to commit to spending at least two to three hours per week with a youngster for a minimum of one year, can become a big brother or big sister. The volunteer is not a surrogate parent; rather, a big brother or big sister is a special friend who spends time one-to-one with the child to meet their emotional and developmental needs.

Lori Severance has only good things to say about the Big Brothers and Big Sisters program. "As a single, working mother, I find that the program is very beneficial for my children," she said. "They have more opportunities than I would be able to provide, and it gives the children confidence and an individual, who is someone other than a parental figure, in which to confide." Besides working, Lori is also a part-time student at Moraine Park Technical College.

Hlavaty on Lakeland Homecoming Court

Sheboygan Three Lakeland College senior coeds were candidates to reign as queen over the school's 1987 homecoming activities last weekend, Oct. 9-10.

They are Cheryl Buehler, an elementary education major from Sheboygan Falls; Donna Hlavaty, a sociology major from Kewaskum; and Janet Lenz, a business administration major from Kaukauna. A student election determined the winner. Because only seniors are eligible to become queen, four other coeds representing the other classes served on the court of honor.

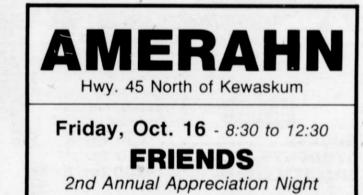

A series of student social activities was scheduled all week long leading up to Saturday, when there were many visitors on the campus, including alumni and parents.

Hlavaty, who is also the general chair of the student homecoming activities, said, "We are trying to make this year's celebration better than ever because of the college's 125th anniversary celebration.

Fillmore Turner Hall **Celebrates 125th Anniversary**

In August 1862 the "Farmington Turn Verien'' was organized. Initiation fees were set of 50 cents and dues at 10 cents per month. Meetings were held in a meeting room in the old Fillmore brewery building now owned by Wilmer Landvatter.

July 29th was celebrated as Dedication Day. In the spring of 1867 the Turners bought two acres of land from Peter Herbst. This land was covered with trees and it was decided to build a hall and use the logs for this purpose. Some large confers are still in existence on the Turner property. Dedication of the original hall was October 24, 1868

In 1874 dues were changed to \$2.00 per year. Initiation fees were set at \$5.00. In 1876 the temporary hall was taken down and the lumber was used for an addition to the west end of the hall property which became the

stage area In April 1878 a silk flag was urchased at a cost of \$125.00. It is believed that the flag now hanging in the Turner Hall is that flag

In 1881 a hard wood floor was laid in the dance hall. The organization took an interest in promoting amateur athletic sports especially basketball. The hall has been the scene of many well played and hard fought games.

In September 1923 committee members investigated the cost of providing fire fighting apparatus. The Fillmore Fire Department followed and use of the hall was granted free of charge

Records show that Turner members were in service for the Civil War, for the first World War, World War II, and the Korean War.

Picnics and dances were held during the late 50's. In the early 60's the bar was run as a minor bar.

project was started. A full basement was dug out, and bathroom facilities were installed also. The upstairs bar was remodeled in 1973 and a beer bar was added to the basement. For the first time a liquor license was acquired.

The corn Bingo game was started about five years ago. Bingo is played every third Wednesday of the month year around.

Various members went to the bank and signed a note to purchase ten acres of land from the former Charles Weinreich farm. Keeping with the "old time theme" of athletics alive and fulfilling a long time dream, a ball park was constructed. In the fall of 1981 dedication of the new ball park was held, which included a concession stand. bathrooms and a parking area.

In 1962 a major remodeling

The spring of 1983 field lights for the park were added. The last renovating of the hall

occured in January of 1987. The east wall between the bar and hall was opened. The original woodwork was maintained. The original wainscoting still remains in the hall and if one looks closely the marks of history can be seen, burn marks from the old wood stove and black marks made by basketball players. Many local members of the organization donated their time, efforts, and talents in redecorating the inside. The results are beautiful. The hall is rented for weddings or any celebration you have. Call 692-2597 or 692-2767 for any other information you might have concerning the hall.

KHS Students Attend Leadership Conference

The high school principals of Wisconsin the Eastern Conference are promoting the concept that leadership is an investment in our future. As a result, students are encouraged to participate in various leadership seminars, programs, or conferences.

The Eastern Wisconsin Conference is doing its part by promoting a conference called 'Dimensions of Leadership.' This conference is available to any students who are members of a KHS organization and have an interest in pursuing an understanding of leadership, what it means, and how to use

This is the second year EWC has offered the leadership program. Kewaskum High School has participated both years. The most recent conference was held Oct. 6 at Kiel. The following students attended that conference: Kim Callahan, Joan Fellenz, Wendy Fiedler, Karie Reichert, Amy Schuh, Ted Anderson, Bobby Castro, Dawn Jandre, Ellen Kuphal, Mitch Gebheim, Dave Harju, Joel Fleury, Bruce Theusch and Angie Schoofs. Principal LeRoy Kopecky accompanied the students to the conference.

Some of the areas of exploration and discussion Components were: of Leadership, Leadership Styles, Group Thinking, Consensus, Attitudes, Acquisition, Values Clarification and Goal Setting.

The 145 EWC students in attendance at Tuesday's conference represented a cross section of club memberships, They also had representation from grades 9, 10, 11 and 12. Our students gained a lot and behaved in a positive, mature and responsible manner. We can be proud of these future leaders.

Holy Trinity Students Make Pilgrimage to Holy Hill

Students pray the rosary at the Holy Hill chapel.

Holy Trinity students visit the Stations of the Cross.

On Wednesday, September was provided by the school 30th, a beautiful fall day with color at its finest, Holy Trinity School students and faculty made a Pilgrimage to Holy Hill the shrine of Mary.

Pope John Paul II has proclaimed this year as the Marion Year. To celebrate Marion Year and to honor Mary as a person of deep faith in God, three buses of students, teachers, and parent chaperons made the trip along with other parents and grandparents traveling by car.

Father Michael Joseph, director of the Day, welcomed us on arrival and gave the history of Holy Hill. The day was filled with recitation of the

lunch program which was enjoyed out of doors in the picnic area.

The well planned day was concluded with the mass concelabrated by Fr. Michael

and Fr. R. Berghammer, pastor of Holy Trinity and St. Bridget's Parishes. Fr. Mike gave a farewell and the students hurried to the waiting buses and made the journey back to Kewaskum.

200 New Freshmen Welcomed at UWWC

More than 200 new freshmen were welcomed to college with a promise they will find everything they need - with one exception - at the University of Wisconsin Center Washington County

A short time later, their families were warned to expect the freshman year to be a 'transition time.'

Delivering the promise and the warning during an orientation evening was UWWC Dean Robert O. Thompson. More than two-thirds of the 286 new freshmen were at the event.

Thompson told the students, "You will find everything you need here to get an outstanding education ... The one thing we cannot provide is your desire, your motivation, your willingness to persist and get an education.

'Whatever your success or failure before, this is a time for a new beginning.

In a separate session with parents and spouses, Thompson reminded them that adjustments would be more difficult because "almost all the students will continue to live at home." He urged families to "try to listen to what is happening to the students."

He said, "Realize they are not the students they were last year... This is not the high school experience. It is one-step removed - a time to experience new ideas and experiment with new values.

High on Thompson's list of UWWC's educational assets is its faculty, which he called 'well-trained and committed to

students." He said the 17-1, student-faculty ratio was "normally possible only at private colleges" where students "pay handsomely" to attend.

He also focused on the size of classes at UWWC, which he described as being "much smaller'' than at the four-year institutions. "We feel that is very important," Thompson said.

Another orientation speaker, Pete Ayer, associate professor of music, said that after 18 years at UWWC, "there is no other place I would rather teach.

Ayer said "I would stack this faculty up against any faculty in the country ... This is an exciting place for your sons and daughters to be. They'll get more for their money here than anywhere else.'

Mike Murphy, director of student services at UWWC, said that college will present students with enormous freedom and "a phenomenal amount of responsibility.

Students, he said, will need to spend two to three hours on their studies for every hour they spend in class. "There is a tremendous difference between high school and college," he said.

According to Murphy, fast-changing world will confront the new students with stiff challenges in college. 'Fifty percent of the positions they will hold in life were not around when they were in kindergarten," he said.

"Experience is a dear school but fools will learn in no other. Benjamin Franklin

"We need better trained people to keep everything running." Echoes Weigand: "Everything is data based now. In order to compete with other countries, we've got to streamline.'

The beginning of the school year is a challenge to both men for different reasons. "Finding the time to complete all the work is the hardest part for me," says Schroeder who tries to sandwich in time with his family that includes two children. Unlike Schroeder, Weigand doesn't have a fulltime job or a family, but he envies the work experience Schroeder is able to bring to his studies.

"One of our instructors told us that because technology is changing so rapidly, we'll be going to school for the rest of our lives," says Schroeder. That won't be anything new for this veteran worker and student: "I've been taking courses ever since I got out of the Army.'

work leveling the grounds, preparatory to changing the location of the baseball diamond. Two months ago, at the school board meeting, the board purchased a large additional parcel of land to the east of the present baseball diamond from the August Bilgo estate for \$1,250. This piece of land is now part of the school grounds and on it will be located the baseball field. At the meeting the board also accepted a motion to build a new grandstand, the price not to exceed \$700. The baseball diamond will be changed from the south side of the former field to the southeast corner of the newly acquired land with homeplate situated in the corner of the field directly to the rear of the Louis Bath residence. The left field foul line of the diamond will be in line with the rear of the school building instead of the front as before, with the batter facing more toward the northwest. The school

will also be about 200 feet farther away from the homeplate and the entire playing field will be larger. The grandstand will be built around the back of homeplate. With the acquisition of this new area the school will have a campus upon which can be placed a football field, softball diamond, and quarter mile track. besides the baseball diamond. The grounds also contain tennis courts and playground equipment.

A new grant of \$500 has been made to the village of Kewaskum by the WPA office at Waukesha for use in planting additional trees and shrubbery in the new village park, according to Village President A. Ayer Ensemble to **Open Fine Arts Series**

"Why don't you sing that number again?" audiences often ask after they've heard a performance by the Ayer Ensemble.

During a Friday, Oct. 16, concert by the group, that request will be granted when the ensemble opens the 1987-88 Fine Arts Series at the UW Center-Washington County.

Director Pete Ayer said, "Our program will include some of the most popular pieces from our repertoire of the last six years.

New pieces are also planned including a surprise yodeling opener, a jazzed up version of Shadrach" and three contrasting arrangements of "A Lover and His Lass'' including one by P.D.Q. Bach.

In addition to its dozen singers, the group will use

Their personal touch was evident at the field when Kuss' widow Ida was serenaded with the song bearing her name and President Reagan passed to the strains of "Hi, Ronnie.

Ayer, an associate professor of music at UWWC, talks about his group with the same sense of humor that is a trademark of his patter during a concert. In reminiscing about the summer schedule, he recalled walking past Secret Service men on crowded Main Street carrying his guitar case. "But nobody stopped me and asked, 'What do you have there?' he laughed.

And when talking about the Flying Farmers, he admitted with a smile: "To belong, you have to fly, but you don't have to farm.

Ayer could qualify on both counts. He has been flying for 40 years and spends several afternoons a week in his apple orchard -- along with Friday night sessions at the cider press getting ready for West Bend's Saturday morning farmer's market.

Ayer's sense of humor is helpful in handling a busy schedule. Along with Sunday night ensemble rehearsals, he spends Monday evenings readying his Moraine Chorus for their 19th season and travels to Milwaukee Thursday nights to work with his German Mannerchor, a men's vocal if you will be able to attend. group.

Every second Tuesday, Ayer sits as a member of the Barton Town Board and often fills in at the town dump on weekends. Saturday nights he is a regular

pianists: Scott Russell and Leah on the guitar in an area dance band and is often called on to sing at weddings, funerals and public events.

He is active at the YMCA where he spends four mornings a week each summer teaching kids in two diving classes. In his spare time, he gets in one to three diving practices each week in preparation for competition in the national masters competition next spring.

Rounding out Ayer's physical activities is a couple of weekly handball sessions. In 1955, he teamed up for the intramural handball doubles championship at the University of Kentucky with music professor Albert Asch, his associate of 19 years at UWWC

At UWWC, Ayer teaches courses in music theory, history, fundamentals, chorus, voice, guitar and vocal ensemble. "The children of students I taught at Kewaskum High School in the early Fifties are showing up in my UWWC classes now." he said.

His Kewaskum ties have come full-circle in another way. On Dec. 6, the ensemble will give their third benefit Keys Concert in Kewaskum, an effort that has raised \$20,000 for high school scholarships since 1985.

Third of Series ITEMIZED DEDUCTIONS

The most popular deductions...those claimed by almost everyone who files the long form and itemizes their deductible expenses...are still in place. There is no change for property taxes, Wisconsin income tax, most mortgage interest, and charitable contributions. Only the sales tax deduction is gone completely.

Several other deductions are limited. Medical expenses are deductible only to the extent that the cost is more than 7.5% of a taxpayer's adjusted gross income. That threshold used to be 5%. And the Tax Reform Act introduces the same concept for most miscellaneous expenses. Items such as union dues, educational expenses, work clothes, and safe deposit box rental must now total more than 2% of adjusted gross income to be deducted.

Moving expenses connected with a job change were written off as an adjustment to income in the past, resulting in a tax break whether or not the taxpayer itemized deductions. Now, moving expenses fall into the category of miscellaneous itemized deductions; and, together with the other expenses, they are subject to the 2% restriction.

The area of deductions that needs to be studied more in depth is interest. There are now three distinct categories of interest to be concerned about: mortgage, personal, and investment interest

For the most part, mortgage interest on first and second homes will still be deductible. In those situations where the amount borrowed is more than the cost of the home plus the cost of improvements and where the debt was taken out after August 16, 1986, interest on the excess is generally deductible only to the extent the money is used for medical or educational reasons. In older mortgages, all interest on a debt secured by a home is deductible provided the debt is not more than the fair market value of the home. Generally, at the time of purchase, a home's fair market value is equal to its cost

Personal interest, such as car loans and credit cards, are still partially deductible. This is the first year of a five-year phaseout which will end in 1991. For 1987, sixty-five percent of personal interest will be deductible

Investment interest is interest paid on money borrowed to buy or carry property held for investment such as stocks and bonds. In the past, investors were allowed to as the personal interest phaseout.

Heller Exhibit At UWWC Library; Course Oct. 20, 27

A display of Joe Heller's political cartoons is on exhibit here during October in the library at the University of Wisconsin Center - Washington County.

Heller's staff cartoonist at the Green Bay Press-Gazette, will be at UWWC on Oct. 20 and 27 to teach a UW Extension continuing education course on "The Art of Politics and the Politics of Cartooning.

Sessions are set for 7 to 8:30 p.m. in Main 221. The fee is \$15. To register or obtain more information contact Jack Anderson at UWWC, 338-5233.

Heller syndicates his own cartoons to 70 Midwestern newspaper subscribers including the Milwaukee Journal and Chicago Tribune. His work has appeared in Time, Newsweek and the New York Times, along with several anthologies of best cartoons.

Last year he won second place in a national competition for cartoonists of local papers in the Gannett chain.

Heller, 33, began cartooning in 1980 at the West Bend News after leaving his architectural studies at UW-Milwaukee and later being laid off from a third-shift factory job.

While establishing himself and his syndication, he supplemented his pay with jobs in a pizza parlor and the city library

In the fall of 1986 he took up residence in Green Bay with his wife Pam and their goldfish Jaws

Heller's class will be illustrated with slides of his work and deal with the tricks of caricaturing, the collecting of ideas and the mechanics of marketing.

His library show features 36 cartoons on 11 large panels. An introductory panel depicts a giant Heller at his drawing board surrounded by 24 tiny characters, ranging from persons of world-renown to a football-fumbling Packer.

Heller's show is part of large exhibit that appeared at Green Bay's Neville Public Museum earlier this year. His selections for the West Bend display provide examples of his criteria for good cartoons; they must, he said, be funny, say something and involve the reader.

Sometimes he makes his prime point with pictures like the paint-by-number scene of Springtime in Wisconsin, where the list of 10 colors begins with bitter blue and end with icy indigo

At other times, Heller relies on words, as in the cartoon on Nicaragua where President Reagan is saying, "Ask not what your contras can do for you, but what you can do for your contras.

His most-controversial cartoon at Green Bay resulted in six cancelled subscriptions and showed someone snatching a piece of pornography from a sex criminal and then proclaiming the man "cured."

Heller shies away from attempts to label his work politically. But he does admit to displaying what he calls: 'liberal common sense.'

The UWWC library is open Mondays through Thursdays from 8 a.m. to 10 p.m., Fridays from 8 a.m. to 4 p.m. and Sundays from 12:30 p.m. to 4:30 p.m.

Schedule Benefit Gala at Cedar Ridge **Retirement** Campus

ALTE Freistadt The KAMERADEN Band will perform at the 14th annual benefit Gala, "An Evening on the Rhine" on Saturday, October 24, from 8:00 p.m. to midnight at the Cedar Ridge Retirement Campus. Entertaining people with authentic German music, the band has gained an international reputation having appeared in documentary films and made three musical tours of Germany and Austria. Also featured will be the D'OBERLANDLER Bavarian group with dancers actually schuplattling. The band and dancers have performed for the world famous Oktoberfest in Munich as well as Milwaukee's Germanfest and Oktoberfest. In 1984 they had the honor of sharing the stage with President Ronald Reagan in Milwaukee.

Appetizers and beverages can be enjoyed while listening to the band or watching the dancers. In keeping with the German theme, a delicious Bavarian-style buffet will be served continuously throughout the evening in the lovely Top-of-the-Ridge restaurant.

Proceeds from the \$10-perperson donation passes will be used to purchase a Century Bathtub with Hydraulic Lift to be used with immobile residents at Friendship House.

Cedar Ridge Retirement Campus is located at 113 Cedar Ridge Drive, West Bend. The Gala is sponsored by the William Koehl Working Auxiliary, Cedar Lake Home Tri-Campus, and the public is invited to join in an evening of Gemutlichkeit.

C

Regular Meeting October 5, 1987 8:00 P.M

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the minutes of September 21 and 23, 1987.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board approved the advertising for bids for a 1988 police squad using an alternate bid for an intermediate size vehicle. The Board will review mileage, maintenance and other options regarding the purchase of a smaller vehicle.

On a motion by Trustee Richard Schmidt, seconded by Trustee Charles Boegel and unanimously carried by voice vote, the Board approved the applications for Operator's (bartender's) Licenses upon proper payment of fee and authorized the office to issue said Licenses as follows:

Mary Lou Katzenberger, Kewas-kum, WI.

Bert A. Eernisse, Newburg, WI. Henry C. Delcore, Campbellsport,

NOTE: The Police Department had no objections to any of the above applications.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried the voice vote, the Board denied the application of Tammy J Karst for an Operator's (bartender's) License upon information provided by the Police Department.

Administrator Daniel Schmidt reviewed a variety of cor-respondence with the Board as

follows: 1. Balance sheet review for September, 1987.

2. Review of some brief correspondence.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows

General Fund	\$115,451.25
Sewage Fund	25,261.08
Water Fund	6,116.97
TOTAL	\$146 820 30

General Voucher #7919 thru #8121 Sewage Voucher #4561 thru #4578 Water Voucher #5078 thru #5086

It was noted by the Board that two notices should be placed in the paper The first to cover low branches over sidewalks and the second to cover dog waste in the parks and public lands.

Trustee Charles Boegel, Chairman of the Public Services Committee, announced a recycling meeting scheduled for Monday, October 12, 987, at 7:00 p.m. in the Municipal Building. Trustee Howard Laubenstein, the

Board's Representative on the Plan Commission, informed the Board that final work is taking place on the revised Zoning Ordinance and it should be coming to the Board shortly

Trustee Kenneth Bonlender, the Board Representative on the Library Board, reviewed the meeting of October 5, 1987.

working on the proposed 1988 budget. On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the Board designated Saturday, October 31, 1987, from 2:00 p.m. to 4:00 p.m. as the Village of Kewaskum Trick or Treat hours. (This coincides with other Washington County communities).

Discussion was held on the establishment of the public hearing date on the 1988 Budget. The Board suggested having the public hearing on November 16, 1987, if all falls into place regarding budget figures. The Administrator was directed to use his judgement on monitoring the budget on setting the best public hearing date.

The Board reviewed the Fire Department budget and contract prices as prepared annually. It was noted the results of the proposed budget reflected to the fire contracts for the Village of Kewaskum, Town of Kewaskum and Town of Auburn. The proposed budget reflects a 56.9% increase or \$41,408.00 more. It was noted the Village's share of the budget will go sp approximately 49.8% (\$23,697) the Town of Kewaskum's will go up approximately 35.6% (\$13,324) and the Town of Auburn's will go up approximately 55.2% (\$10,519).

Administrator Schmidt informed the Board that there were five (5) reasons for the large increase. first was that the Vehicle and Liability nsurance had increased by 57.9% (\$4,401); the second is the addition of the interest payment for the fire house renovation work of \$5,460; the third is the effect of the renovation work on the Firehouse improvement depreciation equalling an increase of 36.5% (\$4,378); the fourth is the increase on the Fire Department apparatus and equipment depreciation caused by the new all-purpose utility truck equalling an increase of 9.1% (\$1,755), and the fifth and largest is the Public Service Commission's findings as to the new water usage (hydrant rental) charge equalling an increase of 151.2% (\$35,384). It was noted all of the increases were justifiable and a true part of the formula, however, the Administrator said the Board could modify the formual or portions of it to make it more desirable. The recommended alternative was to divide the water usage charge by two and only using half of the amount used in the formula. After considerable discussion on a motion by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein and unanimously carried the Board accepted the recommendation of using half the water usage and maintenance charge for the formula, which reflects a change equalling an which reflects a change equalling an (\$5.991). The change as authorized would mean the Village's share of the budget will go up approximately 20.8% (\$9,883); the Town of Kewaskum's will go up approximately 9.3% (\$3,478), and the

Town of Auburn's 25.1% (\$4,788). On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board approved the Fire Department budget pending public hearing and authorized the Administrator to send the tentatively approved Fire

Department budget and contracts to the Townships. The Board reviewed a manpower

request for 1988 from the Kewaskum Police Department. The matter was previously reviewed by the Police and Fire Commission and a recommendation sent to the Board. The first alternative was to hire and use more part-time personnel, the second would be to add one full-time officer. The cost differences were discussed and the availability of any personnel was reviewed. The Budget variables for the part-time option versus the full-time option equalled an increase of 1.9% (\$3,485) for 1988. It should be noted the total estimated cost for the program would equal \$11,569 for 1988

The Police and Fire Commission's recommendation was to go with the addition of part-time officers on a 3 to 2 vote. On a motion by Trustee Thomas McElhatton, seconded by Trustee Charles Boegel and unanimously carried by voice vote, the Board authorized the advertising for part-time officers with information on availability. The establishment of a list would follow the receipt and review of all applicants.

Action was taken on a proclamation in recognition of dedicated years of service for a retiring employee - as attached hereto:

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schmidt to adjourn to closed session under Chapter 19.85(1) (c) of the Statutes to discuss employee negotiations, compensation and performance data of village employees over which the govern-mental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gifts to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted. even if it may appear difficult. This prayer must be published immediately after the favor is granted. B.K

DNR Proposes Acquisition of 593.7 Acre Parcel in Washington County

The Department of Natural Resources proposes the acquisition of a 593.7 acre parcel in the Town of Erin, Washington County. This acquisition is being proposed as a boundary expansion of the Kettle Moraine State Forest, Northern Unit.

The tract contains approximately 200 acres of hardwood forest, 20 acres of coniferous plantation, 195 acres of arable land and pasture, and 105 acres of wetlands. Other natural features include 3,700 feet of the Oconomowoc River and 23 acre Loew's Lake. The property contains 4 residences, several barns, and a number of out buildings.

The purpose of this acquisition is to preserve and protect a relatively undisturbed segment of the Oconomowoc River and associated natural features and to provide dispersed low impact - low use outdoor recreational opportunities in populated southeastern Wisconsin. Hiking, cross-country skiing and canoeing are probable uses of the property after acquisition and following initial development. Other uses are contingent upon the preparation of a master plan following extensive citizen participation.

The Department has made a preliminary determination that an Environmental Impact Statement will not be required for this action. Copies of the Department's Environmental Assessment that led to this preliminary determination can be reviewed at the DNR Southeast District Office, 2300 N. Dr. Martin Luther King Jr. Drive. The Environmental Assessment is also available at Pike Lake State Park, 3340 Kettle Moraine Road, Route 2, Hartford and the Erin Town Hall, 1846 Highway 83S., Hartford. Redmen Volleyball Takes 4th in Beloit Tournament

RIPON, WI; October 5, 1987 - The Ripon College women's volleyball squad ended a very busy three-week schedule by splitting matches with Beloit and Lawrence and finishing fourth in the five-team Beloit Tournament. They upped their overall record to 14-11 and their conference record to 1-1.

At Beloit, in a crucial Midwest Athletic Conference for Women match, the Ripon women snatched another win from the jaws of defeat. After finding themselves down two games to none, the Redmen woke up and played great volleyball. Sandy Secor (Kewaskum) and Tami Thronson (Blue Mounds) each recorded 10 kills as the team won the last three games to win the match. 'We know that we are capable of digging in for the long haul, and we have the ability to outlast most opponents in longer matches," commented commented coach Elaine Coll.

Secor is the daughter of Gerald and Mary Secor, 1856 Scenic Dr., Kewaskum, and a graduate of Kewaskum High School.

Prospects Good For Small Game Hunting Seasons

Several small game hunting seasons open in Wisconsin on Saturday, October 17, and the hunting prospects look good for most species.

The pheasant season opens at noon statewide amid predictions prospects are much improved over a year ago. "I am confident that we will harvest over 300,000 birds this year," said Ed Frank, farm wildlife specialist in the Bureau of Wildlife Management. "We harvested 269,000 pheasants last year, which was a smaller increase over the 261,000 birds taken in 1985 than we expected, Frank continued, "but the prospects are much improved for this hunt." He said information on cock pheasants from managed and unmanaged areas in Dodge County indicate that populations are up significantly this year, the first major increase since the population crash of 1978-79. Also, Frank pointed out that the Povnette Game Farm was scheduled to produce 65,000 birds this year, and right now it appears that there will be between 65,000 and 70,000 pheasants produced "While this doesn't there. mean that we are going to enjoy pheasant hunting the way it was in the 1940s and 1950s." Frank said, "I am very optimistic about the season this year."

The cottontail rabbit season opens at noon on Saturday. October 17, in that portion of the state south of highways 54 and 10, and Frank said that although we haven't had the increases in the harvest he expected the past two or three seasons, he looks for a good year for this species. "This year our population indexes are up enough, like 40 to 50 percent in the southwest and the Dodge County study area, so that I'm going to stick my neck out and say we are going back to a harvest index of 600,000 to 700,000 cottontails this year,' Frank said. The harvest has been as low as 350,000 the past few years. "Perhaps I'm being a little optimistic, but I am looking for a harvest close to double that figure this season,

Frank said.

Residents can look forward to a good raccoon season on the opener, October 17. "There ought to be enough to satisfy everyone," Frank said. He noted that trapping pressure has been off because pelt values have been lower than they have historically and the numbers of raccoons are as good as they have been for some time. The raccoon season for nonresidents opens on October 31.

The red and gray fox season opens in the north on October 17, and Frank noted that while gray fox have never been abundant in Wisconsin, "there is a good supply of red fox in the state, and prospects for the season are good.

Frank said there is no reason to believe that Hungarian partridge are any more abundant than they were a year ago, and he sees no major change in the hunting for that species this year. And, while bobwhite quail populations have been declining very slowly the past three years, Frank said "the past mild winter and very dry spring helped the population and it appears it is back to the level it was three years ago." He reminded hunters that in Wisconsin, bobwhite quail are at the nor thern limits of their range, and "if we take five or six thousand of these birds a season, that's about it.'

The bobcat, sharptail grouse and jack rabbit seasons also open on October 17. Hunters are reminded to check the 1987 hunting regulations pamphlet as for some species the opener is only in a portion of the state, and in some cases the seasons open at noon.

'Overall,'' Frank said, "this promises to be a good year for small game hunting, as most reports to date on the ruffed grouse, woodcock and squirrel seasons, already underway, are good.

Turnovers Hurt

Indians Beaten Again At Kiel Friday, 42-14

Friday night Kewaskum challenged Kiel on Raider turf and took another one on the chin, 42-14. It was the tail-end Indians' fourth straight conference loss to go along with three non-conference victories for a 3-4 overall record.

Turnovers played a big part in the setback. The Indians fumbled six times and lost three, plus they had two interceptions. Penalties really hurt them. Kewaskum could move the ball, but got moved back.

Quarterback Eric Pearson played on two strained legs and still managed to gain 90 yards, but his effort wasn't enough. Pearson scored on a 35-yard run for the Indians and Marty Schulteis returned a kickoff 72 yards for Kewaskum's other touchdown.

by: Ann-Marie Horner

Eric Bonde of Kiel kicked off to the 20 yard line. Ryan Degnitz received the ball and ran to the 41.

The Indians, having the ball on the 41 yard line, couldn't seem to get anything going. Pearson carried the ball and fumbled it to give the Raiders the ball.

The Raiders' David Lepisto passed the ball and Pearson intercepted at the 25 yard line and ran to the 39. Mike Heberer ran it to the 23 yard line for a 1st down, closer to the goal line.

Kiel received an opportunity with the ball on the 21 yard line, but the Raiders couldn't move and punted to the 44.

Steve Johnson carried the ball to the 41 yard line and then carried it to the 25. Pearson set up to pass, but a fumble occurred and Ron Leinen recovered it.

The play that the fumble occurred on was the fourth down, so the Raiders got the ball on the 36 yard line.

Lepisto passed the ball to Randy Schnell to put the Raiders on the 22 yard line. Lepisto passed again but this time Greg Trewin was the receiver. Mike Lubahn tackled Trewin on the 11 yard line. Having the ball on the 11, the Raiders' Randy Schnell ran it into the endzone for a touchdown. Kiel attempted the kick and it was good, to put the Raiders ahead of the Indians, 7-0.

Bonde kicked the ball to the 15 yard line, where Schulteis received it and ran for a touchdown.

The Indians tried for the conversion. Mike Heberer ran the ball into the endzone and put the Indians ahead 8-7.

Robbi Hron kicked off

yard line.

Lepisto passed the ball, Ryan Degnitz was right there to intercept the pass in the endzone and ran to the 3 yard line.

The Indians set up a quick kick play to give the Raiders the ball on the 25 yard line.

Lepisto passed to Jay Binversie to put the ball back on the 3 yard line. Then Lepisto ran the ball in the endzone. Kiel kicked the ball and it was good, to make the score 22-8.

Kewaskum couldn't move the ball and the Raiders received the ball to the 27 yard line.

Binversie, ran the ball to the 32 yard line and Jeff Sabel ran it down to the 6 yard line. Binversie carried the ball again, into the endzone. Kiel kicked for the extra point and it was good, to make the score 29-8.

Bonde kicked the ball to the 25 yard line. Degnitz picked it up and ran to the 39 yard line.

Joel Serwe carried the ball to the 43 yard line and Pearson carried it for a 1st down. Serwe then ran the ball to the 30 yard line and Pearson carried it to the 7. A fumble occurred on the next play and Kiel recovered it.

John Casper carried the ball to the 45 yard line, where Bob Castro knocked him out of bounds. Then Jeff Sabel ran the ball into the endzone for another touchdown. The Raider's attempted the kick and this time it was no good, to put the Raiders ahead. 35-8.

Bonde kicked the ball to the 25 yard line, where Degnitz received it and ran to the 44 yard line.

Serwe carried the ball for 2 yards. Pearson, on the keeper, ran the ball in the endzone.

The Indians tried for the conversion, but the Raiders read it all the way and Kewaskum came up empty handed. The effort on the Indians' squad did change the score to 35-14.

Johnson kicked off to the 26 yard line; the Raiders could not return it.

Trewin ran the ball all the way down to the endzone for a touchdown. Kiel attempted the kick and it was good, to make the score 42-14.

Bonde kicked again to the 17 yard line, where Jeff Miller was

Indians in Two Cross Country Invitationals

The Kewaskum boys and girls participated in two cross country Invitationals at Slinger and Campbellsport. The boys placed last at Slinger and the girls have only five out for the sport. At Campbellsport Thursday the KHS boys wound up seventh out of nine teams and Ellen Kuphal was best for the girls with a 15th.

The host Owl girls (29 points) won their meet while West Milwaukee's boys took their race. Other girls' results were: Shorewood 40, Sheboygan Falls 78, West Milwaukee 132, Kiel 144, and Kewaskum 158. Following West Milwaukee among the boys were: Slinger, Sheboygan Falls, Whitnall, Kewaskum, Kiel and Shorewood.

Kewaskum's ace, Miles Shaw, did not run at Slinger. Kris Follmann was the first KHS runner to finish in 24th place in 19:16. Next was Craig Hubbell with a 19:34. The other three counters were John Braun, Dave Harju and Chad Schmidt.

Kuphal's effort of 13:46 was good for 13th for the girls. The only other Indian among the top 30 was Jodi Batzler in 27th.

In the Campbellsport Invite Slinger boys took first and Random Lake copped the girls' event.

Coulter, Hall to Compete at State Football Fundamentals Contest

The Kewaskum Jaycees are pleased to announce the winners of the local Football Fundamentals contest which was held on September 26th. The local winners were:

8 year olds, Kevin Martin -1st, Daniel Jeresig - 2nd and Andrew Laatsch - 3rd;

9 year olds, Nathan Scheel -1st, Aaron Kurth - 2nd and Jason Bartelt - 3rd;

10 year olds, Jason Shilts -1st, Chris Jeresig - 2nd and Kevin Dobke - 3rd;

11 year olds, Beau Coulter -1st, Ryan Kurth - 2nd and Paul Stoltzmann - 3rd.

12 year olds, Brandon Hall -1st, Jon Boehlke - 2nd, and Adam Laatsch - 3rd;

13 years olds, Joel Fleishmann - 1st place, Aaron Laatsch - 2nd and Ryan Amerling - 3rd.

On Saturday, Oct. 3, the local winners competed at Hartford for the Regional Championship. Beau Coulter and Brandon Hall won their respective age divisions and will represent Kewaskum at the State Championships which will be held in Green Bay on Saturday, Oct. 17th. The competition will be held at the Oneida Street practice facility, with the winners and their families attending the Green Bay Packer and Philadelphia Eagles game on Sunday, Oct. 18th. The state winners will be receiving their awards at a special half-time ceremony during the Packers and Eagles game.

Kewaskum was well represented in the final standings at the Regional competition. Kevin Martin and Aaron Kurth, who went in place of Nathan Scheel who had a previous engagement, placed second, and Jason Shilts placed fourth.

The winners from the local contest will be receiving their awards at half-time at the Kewaskum High School Football game on Friday, Oct. 23rd.

The Jaycees would like to congratulate all of the local competitors for their efforts, and wish Beau and Brandon good luck at Green Bay.

KHS Varsity and JV's Volleyball Teams Lose; Freshmen Win

By Debra Remmel

In the first varsity volleyball match, the team played very well, but lost to New Holstein by a score of 9 to 15.

In the second match, the team moved quicker, but still lost 13 to 15. They also lost the third match 1 to 15.

Debbie Felix had three spike kills. Jenny Schuster contributed 19 assists. Mandy Schmidt added 13 serve attempts and Jenny Schneider had 13 assists.

In the first match of the junior varsity's game against New Holstein, Becky Schlosser served four times in a row to help her team jump out to a four point lead. They could not however get everything together and lost 4 to 15.

The second match saw Paula Wilson start with four serves for four points, but the team took another defeat by a score of 7 to 15.

In the third match Paula Wilson again made four serves for four points, but the JVs lost another with a score of 5 to 15.
