## Recycling - A Possibility and a Practicality

By GERRY MUELLER  
Statesman Staff Writer

Trustee Charles Boegel's Board Monday night on a plan to start a recycling program contained more questions than answers but it was all part of his Public Service Committee's preliminary investigation into

such a proposal.

The questions which came up at his committee's October 12th meeting were numerous. First, what type of garbage can be recycled and what should the village itself recycle? Glass, tin, major appliances, car batteries, oil, newspapers, aluminum and plastic are all things we should

be recycling, said Boegel.

Next, should the program be voluntary or mandatory? "We feel, to begin with, it should be voluntary," stated Boegel. He noted, however, if the County Incineration program goes into effect, it would have to become mandatory.

Should recycling be curbside pick-up or taken to a drop site? Boegel said the committee favored a drop site, possibly at the village garage, which would be open twice a month for two to six hours. The village would provide areas or bins for sorted recyclable materials. "We thought we could pay a part-time person or local organization to monitor the site," said Boegel. Residents, however, would be responsible for separating the materials, glass, papers, etc.

At present Public Works Superintendent Augie Bilgo interjected that the village, at present, has a place to haul to, and dispose of many metals and major appliances. "We don't get anything for the materials, it's just a place where we can rid of them." He felt the village should continue to pick up the large items such as refrigerators, etc., because most people do not have the equipment to transport them to a drop site. Boegel felt the committee would have no objections or problems with that practice, unless there was a recycler willing to take the items.

Boegel also noted that private individuals and organizations would be more than welcome to collect any of these materials, and projects such as paper recyclers and hauling aluminum to recyclers, etc., would be encouraged.

The village is not trying to make a profit, he indicated, the program itself will cost the village some money. But in the long run, the savings will come

it necessary to extend the drive for a week or two in order to reach our goal," Gosa noted. "We'd rather not be in that position this year," he stressed. Gosa is encouraging individuals and owners of businesses in the Kewaskum area to return their pledge cards as soon as possible.

The Kewaskum Area United Way provides funds for over a dozen service-oriented organizations, including the Boys and Girls Scouts, Kewaskum Blood Bank, American Field Service (AFS), Threshold, Inc., Friends of Abused Families, Kewaskum Special Olympics, Big Brothers and Big Sisters, etc.

"Your contribution, regardless of size, will be greatly appreciated by the many area residents who will benefit from your gift," Gosa stressed.

Checks can be made payable to the Kewaskum Area United Way, and sent to P.O. Box 197, Kewaskum, WI 53040.

## Kewaskum United Way Reaches 30% of Goal

The Kewaskum United Way's 1987 fund drive has reached 50% of its \$32,000 goal, and the total is sure to soar in the next week.

President Gerald Gosa said that the total currently stands at \$16,000, but when the returns from the Regal Ware employee drive are tabulated, the Kewaskum United Way fund drive could reach 75% of its goal.

Gosa said that the Regal Ware employee drive concluded last Saturday, October 17, and the returns have not yet been tabulated. "When the Regal Ware figures are tabulated, I wouldn't be surprised if the fund drive reached 75% of its goal," Gosa said.

While encouraged with the progress thus far, Gosa expressed concern that the Kewaskum United Way might not reach its \$32,000 goal prior to the end of the fund drive on Tuesday, October 27.

### Proposed Village Tax Levy Up 4%

## Budget Up 1.9% for 1988

By GERRY MUELLER  
Statesman Staff Writer

Revenues and expenditures did not balance out in Administrator Dan Schmidt's presentation of the village's proposed 1988 budget. With anticipated revenues of approximately \$990,000, and expenditures of about \$1,059,814 Schmidt told the Kewaskum Village Board Monday night, the village would have to come up with the difference of approximately \$72,900 through budget cuts and/or looking into other revenue sources.

In a line-by-line review of the budget, Schmidt recommended well over a dozen areas in which he felt the proposal could be trimmed. While those recommendations reduced the deficit significantly, he told the trustees, "we're still off by roughly \$37,000." Schmidt thought the village could come up with some added revenues by making adjustments in some of the village accounts such as the Parks Development and Restricted Funds.

In listening to Schmidt's recommended budget cuts, Trustee Mary Krueger asked, "you don't think this is cutting it too short?" Schmidt replied "There is definitely no fat in it."

Trustee Tom McElhatton, who chairs the Parks Committee, voiced his opposition to touching the two funds, noting if the village kept taking out money, eventually there would not be funds for future projects. Trustee Richard Schmidt disagreed with some of McElhatton's comments. "I'm all for the parks and the pool," said Schmidt, "I think they're great but they cost the village roughly \$75,000 a year and they don't pay for themselves." He felt if it was necessary, adjustments should be made in those areas.

After more than two hours of discussion and trimming, Schmidt felt he could come up with a budget which would reflect the various cuts. Because of all the changes, Schmidt said he could not immediately provide a new bottom line figure for the budget. He told the board, however, the revised proposal should reflect an approximate 2% increase for the total budget.

In discussing the levy, Schmidt told the trustees, "assuming we have to raise \$8,000 through taxes, that would mean a 4% or 28c increase in the village's portion of the tax levy, from \$6.79, to

approximately \$7.07 per \$1,000 of assessed valuation. "On a \$70,000 home that would mean about \$19.60 more," said Schmidt.

In reviewing other portions of the village tax bill, Schmidt said the school tax portion would drop this year, from \$879,452 in 1986, to \$742,469 for 1987, dropping the school tax levy from \$15.39 to \$13.28 per \$1,000, a decrease of 13.7%.

All was not good news though, Schmidt noted that Washington County's anticipated budget hike of over 21% for 1988 could mean a hefty increase in the county tax levy of about 71c, from \$3.40 to \$4.11 per \$1,000 of assessed valuation.

"Overall we collected \$23.05 per \$1,000 for all the combined taxes last year," noted Schmidt. "Even with the large county increase, I anticipate the total levy to drop about \$1.00 per \$1,000 of assessed valuation."

Schmidt also told the board preliminary reports indicate both village's assessed and equalized valuation figures will be down for 1987. The assessed valuation is down 1.73% or \$1,022,000, from \$59,252,120 in 1986, to \$58,229,200 for 1987. The equalized valuation dropped 1% or \$589,800, from \$58,430,000 in 1986, to \$57,840,200 for 1987. Schmidt said he wanted the board to be aware of these figures because they have a direct impact on the formula used to calculate the levy.

In other related discussion, the board reviewed the 1988 budget requests for the Sewage and Water Departments. The proposed Sewage Department budget is \$288,292, up 2% or \$5,784 over the 1987 budget of \$282,508. The Water Department's 1988 budget request is \$197,293, up 26% or \$31,000 over 1987's budget of \$140,617.

Schmidt told the board he will review the proposed budget further and begin finalizing it for presentation at the November 16th public hearing.

## WB Savings Announces 3rd Quarter Upsurge In Mortgage Activity

West Bend Savings announced an upsurge in adjustable rate lending during the third quarter ending September 30th. Richard A. Larson, president of the Association, said the popular form of West Bend Savings' Adjustable Rate Mortgage program is the Convertible Adjustable Rate Mortgage.

The Convertible Adjustable Rate Mortgage offers borrowers the best of both worlds by combining the low interest rates of an ARM with the stability of a fixed rate mortgage.

Larson said the Convertible

Adjustable Rate Mortgage, which can be added as an option to any regular West Bend Savings' Adjustable Rate loan for a small fee, allows a borrower to convert an Adjustable Rate Mortgage to a Fixed Rate Mortgage at the time of any anniversary date during the first five years of the mortgage. Conversion is at the then current rate for Fixed Rate Mortgages. Larson indicated that the borrower would probably decide whether to convert or not each year depending on the interest rate trend at that time. The cost of conversion is substantially below the cost of arranging new financing or in refinancing existing loans. Most lenders charge approximately half the regular cost for a conversion.

to the taxpayers in reduced refuse costs and not loading up a landfill site with all the things that can be recycled.

Boegel said the committee had contacted several recyclers who would be willing to pick up the materials from the drop site.

Trustee Tom McElhatton, a member of the committee, said "we're trying to come up with some figures as to what could be saved for the taxpayers by recycling. The big thing is to educate the people that this is going to save them money."

Boegel asked the board if it wanted the study continued. The trustees were in unanimous agreement that the committee should continue to look into the plan. They also asked Boegel to invite one of the recyclers to address the board at a future meeting.

This is just a preliminary report, noted Boegel, other issues to be looked into later on will be rules, regulations and the possible need for an ordinance.

In related action, the board unanimously approved a resolution supporting the County Incineration plan and its feasibility study.

In other action, the board approved increasing the rent on the village-owned residence at

1102 Fond du Lac Avenue. Effective January 1st, the upper unit rent will increase from \$175 to \$185 per month, and the lower apartment from \$200 to \$215.

The board also approved the annual resolution to place delinquent accounts on the tax rolls and a resolution to transfer funds for the fire house renovation.

Plan Commission Chairman Howard Laubenstein advised the board that a tentative meeting has been scheduled for October 27th.

## Husband of School Board Member Suing District Administrator

By GERRY MUELLER  
Statesman Staff Writer

Charles Trapp, husband of Kewaskum School Board member Clara Trapp, has filed a civil suit against Kewaskum District Administrator Penny Kleinmans. She is accused of defaming the character of Mrs. Trapp and making false discrediting statements against Trapp and her husband.

The suit, filed in Washington County Circuit Court, is seeking \$100,000 in punitive and \$10,000 in compensatory damages for Mr. Trapp, the sole plaintiff, who alleges Ms. Kleinmans has distressed him forcing him to seek medical treatment. According to the suit Trapp has been unable to sleep or do normal chores.

In the suit Charles Trapp contends Kleinmans made false accusations that he had threatened her and other members of the district staff. The complaint also contains statements by Kleinmans that Clara Trapp was harassing

Kleinmans. Those comments were made in Kleinmans' February 13th petition requesting a restraining order against Trapp. That suit was dismissed on February 17th.

Kleinmans declined to make any comment on the suit. However her lawyer, James Doyle of Madison, stated "in our view there is no cause for action and we will ask that the suit be dismissed." Doyle said his client has twenty days to reply to the complaint.

## Former Local Couple Injured in Accident

Village Clerk-Treasurer Jerome Stautz, 58, and his wife Alice Stautz, 56, of Jackson, remained hospitalized Monday following a two-car auto accident Thursday evening south of West Bend. The Stautzes are former residents of Kewaskum.

Jerome Stautz was taken by VitaCare Ambulance to St. Joseph's Community Hospital after he suffered multiple head and upper body injuries in the accident which occurred around

5:30 p.m. across from the Bob Fish car dealership at 5566 County Trunk P.

He was listed Monday in stable condition in the hospital's intensive care unit.

Alice Stautz remained in critical but stable condition Monday at the Milwaukee County Medical Complex. She suffered multiple injuries to the head, arm and upper body and was taken from the scene of the accident by West Bend Rescue to St. Joseph's Community Hospital. She was then transferred at 8:20 p.m. by Flight for Life helicopter to the medical complex in Wauwatosa.

According to the Washington County Sheriff's Department, Jerome Stautz was the driver of the Stautz vehicle.

According to observers, Stautz was apparently coming from south on County P and landed in a ditch following the accident.

All the details of the accident were not available from the Sheriff's Department, which is investigating the accident and looking for the driver of the second vehicle.

## KHS Spanish Students Find Mexican Culture At New Berlin High

Sixty Kewaskum High School Spanish students traveled to Eisenhower High School in New Berlin on Thursday, Oct. 15th. There they were treated to 75 minutes of Jorge Tyller's dance troupe, "Ballot Folklorico Mexicano."

Along with over a thousand students from the Milwaukee area, the students clapped and sang to the music, and watched the professional dancers perform ancient Aztec rituals in dance, as well as various traditional dances from sections of old Mexico.

The dance troupe is part of the "Live Theater Cultural Programs" whose members tour the United States and perform for school groups. The Kewaskum students were accompanied by the two Spanish teachers, Mrs. Betsy Bornemann and Mrs. Pat Alvarado.

## Campus Notes

WHITEWATER — This fall 13 residents of Kewaskum are among the 10,855 students enrolled at the University of Wisconsin - Whitewater, according to a University report.

Last fall UW-Whitewater enrolled 10,901 students.

The campus made an effort to reduce its enrollment in order to comply with a plan approved by the UW System Board of Regents. Despite earlier application deadlines, the campus exceeded its target

enrollment of 10,750.

Students applying for admission for the fall, 1988, semester, will face stricter enrollment standards than this year's new freshman class. Only students graduating in the top 40 percent of their high school classes will be admitted, provided they apply before any admissions cut-off, according to Chancellor James R. Connor.

The UW-Whitewater enrollment is being reduced, Connor said, in order to

maintain quality and to guarantee access to classes for currently enrolled students.

The UW-Whitewater campus is expected to reduce its enrollment to 10,450 by the fall of 1989.

## Village of Kewaskum NEWS NOTES

### ON WATER BILLS

A reminder to all Village of Kewaskum Utility users.

All water bills that have accrued and remain unpaid on November 1, 1987, shall be placed on the tax roll by the Village Clerk for collection. A late payment charge of three percent (3%) but not less than 30c will be added to the unpaid balance. (PSC of WI Rate File, Mg-1)

All sewer bills that have accrued and remain unpaid on November 1, 1987, shall be placed on the tax roll by the Village Clerk for collection. The owner or user of the real estate being served by the Wastewater Treatment Facility shall be liable for interest upon all unpaid balances at a rate of six percent (6%). (Municipal Code - Chapter 15, Section 6.0 Penalties)

All special assessments that have been billed for services or installation of improvements, such as sidewalk, curb/gutter, water and sewer mains etc. that have accrued and remain unpaid on November 1, 1987, shall be placed on the tax roll by the Village Clerk for collection. The owner of said real estate receiving those services or improvements shall be liable for interest upon all unpaid balances at those specific rates as pre-determined at the time of the implementation of the special assessment or as so mentioned in the Municipal Code or Wisconsin Statutes.

### LOW HANGING TREE LIMBS

The Village of Kewaskum Municipal Code addresses a particular hazard or public nuisance the Village Board wishes to review with ALL property owners, especially those property owners in areas where sidewalks have been recently installed. This hazard or public nuisance is in reference to TREE LIMBS. As stated in Chapter 10.05(5) all limbs of trees which project over and are less than 10 feet above any public sidewalk, street or other public place are considered a public nuisance.

Any property owner in violation of this section is asked to correct the situation to alleviate any further action required by the Village. Your cooperation is appreciated in the maintenance of safety for all residents.

### ON DOGS and CATS

All dogs and cats are not to run at large or cause damage to other people's property. As per Chapter 12.02 of the Kewaskum Municipal Code and State Statutes Chapter 174.02. The owner or keeper of any dog or cat licensed or unlicensed, shall not permit the same to cause damage (leave body waste) on others property. These matters are also redefined in both Chapter 9, Peace and Order and Chapter 10, Public Nuisances, of the Kewaskum Municipal Code.

The "Park Rules and Regulations" prohibits all dogs and cats from entering any park. The Village would have no objection to a properly restrained animal, that is accompanied by the owner as long as no body waste is left behind. Children and adults use the parks for all

types of activities and should not have to contend with unsanitary conditions.

Cluster mail boxes provide people using them the opportunity of walking their pets when picking up their mail. This provides the property owner that allowed the cluster boxes to be placed on his or her lot an abundance of animal waste being deposited adjacent to those cluster boxes. The above applies in this instance as

well so please be considerate of your neighbors and pick up after your pets.

Your cooperation and consideration of others would be greatly appreciated. The same rules apply for railroad right of ways, boulevards and the like.

Thank you!

### 4-H NEWS

The October 8th meeting of the Kewaskum 4-H'ers came to order at 7:00 p.m. at the Labor Union Hall.

The Hall of Allegiance was led by Jason Liegl and the 4-H Pledge was led by Michelle Schaub. Jenni Carron read the

secretary's report and it was approved. The treasurer's report was read by Beth Schaefer and approved.

For old Business Diane Liegl submitted a bill for the other bus we took to Noah's Ark. Pat Schmidt reported on the trip to the Horicon Marsh. Also the Halloween Party will be Oct. 31, 1987, at the Lemke home on 161 Hwy. S, in Kewaskum. It will be from 7:00 p.m. till 9:30 p.m. Their will be a hay ride if the weather permits it. Pumpkin contests and costume contests will also be held this year. Everyone should bring treats along.

For new business we have decided to go to the Folk Fair in Milwaukee at the Mecca Arena on the 22 of November. More information will be given at the next meeting.

The record books and the fair checks were handed out. We thank everybody for doing such a great job on their record books and at the fair.

The next meeting will be Nov. 12, 1987. Don't forget about the Halloween Party, Oct. 31. Hope to see all of you there.

THE VILLAGE OF  
KEWASKUM, WISCONSIN**

this  
**PROCLAMATION  
OF APPRECIATION**  
is presented to

**\*EVANGELINE O. TEESELINK\***

On the occasion of your retirement as an employee of the Kewaskum Public Library after 19 years of faithful service, it is only right that the Village Board of the Village of Kewaskum, Wisconsin, should record an expression of its grateful appreciation of the sterling qualities of heart and mind, which are manifest in your devotion and loyalty to this Village.

The Village of Kewaskum is proud indeed of the record of its employees who have contributed, in no small measure, to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards have realized fully, that progress in municipal government is predicated, for the most part, upon the loyalty and dedication of the civic employees, and their ability to carry out faithfully and effectively the acts of Village government.

WE, THEREFORE, on behalf of the Village Board of the Village of Kewaskum, Washington County, Wisconsin, issue this PROCLAMATION in appreciation of your long and honorable record of service with this Village.

By Order of the Village Board of the Village of Kewaskum, Wisconsin, this 5th day of October, 1987

Jason is in 8th grade, Catherine is in 4th grade and Michael is in 1st grade. They also have a boxer named Ali and a cat named Tiger.

Chris taught in Iowa City, Iowa for six years. She was director of Creative Preschool in West Bend for four years. She graduated from the University of Iowa with a BA in elementary education. While in Iowa City, Chris started a masters program in early childhood education.

Chris enjoys sewing and teaching an aerobics fitness class at the YMCA in West Bend. She also enjoys collecting children's books. Their family loves to cross-country ski in winter and bike in summer. WELCOME!

**JOANNE TALLMAN** is teaching Learning Disabilities at the Middle School. Joanne and her husband live in Batavia with their 17-month old daughter. Joanne has received an A.S. degree in Science, a B.S. in Elementary Education and a Masters in Special Education/LD. She has taught in Milwaukee Public Schools; Title I Math and Elementary LD; in Norfolk, VA schools while her husband was in the Navy and in Huntington, West Virginia. Joanne has long-term subbed in Kewaskum Schools before her present job.

Joanne's interests include reading, jazzercise, photography and biking. WELCOME, JOANNE!

**CHERYL AMMEL** teaches Grade 1 at KES. She and husband, Larry have two children, Kary and Krysten. Cheryl previously taught Grades 1 and 2 in the Kickapoo School District and has been a substitute teacher for 8 years.

Her education consists of a B.S. in Primary Education from UW-Stevens Point. She has also taken post-graduate credits at UW-Oshkosh.

Cheryl's interests include working with children through her church, scouting, and the parent-teacher organization at school. She also enjoys gardening and crafts. WELCOME, CHERYL!

**KAREN DUREN** is teaching the new program, Extended Day Kindergarten at KES. Her husband, Dave is a systems analyst at Simplicity

Manufacturing in Port Washington. They have one daughter, Rebecca, a kindergarten. Karen feels she can readily relate to the age group she is teaching!

Karen's previous experience was teaching first grade at Fredonia. She has recently finished student teaching in Milwaukee's North side to earn her early child certification. She has attended Cardinal Stritch and UWM for her degrees. In her present program Karen will be holding parent education meetings for the parents of kindergartners. She looks forward to meeting the parents.

Interests and hobbies of Karen include cross stitching; reading modern fiction; collecting children's books; a Daisy leader in Girl Scouts; also a tutor as a volunteer for Washington County Literacy Services - teaching adults to read. WELCOME!

## Holy Trinity First and Second Graders Visit Fire Station

During Fire Prevention Week, the first and second graders of Holy Trinity School, Kewaskum, toured the Kewaskum Fire Station.

The students did not just see the regular tour, they also saw the rescue squad in action. The rescue squad was called on an emergency while the students were there. So, the students had a first-hand experience on how fast the rescue squad responds to a call.

The children were given special information on what to do in case of a fire. It was also stressed that the firemen, who might look like "aliens from outerspace," with their jackets, tall boots, masks and hats on, they are there to help in an emergency.

## 'Pony Express' Rides Again' At Holy Trinity Church

Checking out the new "Pony Express" sign, left to right, are Maggie Herriges, daughter of Mr. and Mrs. Mark Herriges; Kim Marx, son of Mr. and Mrs. Gerald Marx; Nicole Wessing, daughter of Mr. and Mrs. James Wessing; Carol Neumann, daughter of Mr. and Mrs. Roger Neumann, and Jennifer Straub, daughter of Mr. and Mrs. Hugo Straub.

Ann Neumann Photo

"The Pony Express rides again," Pon will be the enthusiastic cry heard at Holy Trinity Church, Kewaskum.

Father Robert Berghammer, pastor, said the parish's past success with the Pony Express stewardship program prompted the return visit.

More than 725 parishioners became saddlebag-carrying "trail bosses" and "route riders" a year ago.

"We found last year that this unique approach turned the stewardship campaign into an exciting and pleasurable experience," he said.

The program, he said, is based on the same concept as the Pony Express of more than a century ago — teamwork.

Parish leaders are designated as trail bosses, to supervise the relay of saddlebags to each parish family on Pony Express "run" routes.

Each saddlebag bears the names of 10 families on the run route. A family fills in an "estimate of giving" card, seals it in an envelope and inserts it in the saddlebag, which then is hand-carried to another family on the route.

James Wessing, general manager of the campaign, said many dedicated parishioners are hesitant to solicit pledges from their friends and neighbors.

"However, there are no solicitations and no pledges with the Pony Express program," he said.

Father Robert Berghammer explained that each parishioner is asked simply to estimate the amount

he or she will be able to give to the parish during the coming year.

"Each family makes that decision in the privacy of their home, without any over-the-shoulder 'supervision' of someone from the church," he said.

He said the program's success last year was due to the personal commitment and ability of parishioners to work as a team.

"Like the highly dedicated riders of the original Pony Express, each

of our riders was dependent on the other to make the relay system work and speed the mail on to its final destination," he said.

"We have found our families will act responsibly in deciding about the support they will give their church during the coming year," he added.

For additional information, contact Patty Coulter, 618 Highland Ave., Kewaskum, home phone 626-2278 or office phone 626-2375.

## Junior Women's Museum Tour Fun and Informative

Junior club members, Diane Shreves, Karen Kletti and Louise Martin imagine life in a log cabin.

Period clothing on display at the Kewaskum Historical Society Museum.

A tour of the Kewaskum Historical Society museum and log house, led by Jacob Schmidt and Sylvester Schmidt of the Historical Society proved to be an informative and fun program for members of the GFWC Kewaskum Junior Woman's Club.

Old photos showed several relatives of Chris and Lori Schoofs, while the model home of the Norbert Heise family attracted everyone's interest. Period clothing, musical instruments, medical and dental equipment and several outstanding collections sparked a variety of questions.

Clubmembers heard stories of log cabin times and wood cookstoves and imagined living without TV's VCR's and electric lights. The Juniors encourage other groups to take advantage of the museum as an excellent program.

The November 10th Junior meeting will feature Mary Kaye Ernest, State Junior Director, who will speak on the advantages of belonging to a GFWC club. A candlelight ceremony will welcome new members. Any Kewaskum woman interested in membership or additional information should call Lori at 626-2525 or Kathy at 626-4687.

Seamstress, milliner, baker or druggist's wares can be found at the museum.

#### THANK YOU

I would like to give my sincere thanks to Dr. Renick and Dr. Griswold, and Dr. Hammer, all the nurses at St. Joseph's Hospital that took care of me while I was recuperating from my surgery. Without their help I would not be as far along as I am today. You all were wonderful to me. Special thanks to my husband, and my loving family that did so much for me, and are still doing it. Also thanks to my loving friend Marion. Also thanks for all the flowers, gifts, cards, phone calls, visits and prayers that were sent to me.

Now for a special thank you for the retirement party that was given to me Sunday, Oct. 18th from my co-workers from the Beechwood Rest Home. It was just wonderful to be remembered. Thanks for the flowers and gifts. It was wonderful to have you as friends all these years, and a delight to have worked with you all. Thanks.

### Holy Trinity Human Concerns Committee Travelogue Nov. 1

The Holy Trinity Human Concerns Committee of Kewaskum will be sponsoring a winter series of Travelogues beginning Sunday, November 1.

The first presentation will feature Henry Prange of Sheboygan who is a retired dairy farmer and member of the Forage Growers Association. Prange travelled extensively for the University of Wisconsin promoting alfalfa. He will be showing his slides of agriculture in Turkey and also of the research farms in Europe.

An enlightening and rewarding experience is expected for all in attendance. All interested persons are cordially invited to this travelogue on November 1, from 2 to 4 p.m. at the Kewaskum Municipal Building Community Room. Light refreshments and snacks will be available after the slide presentation.

The toucan's bill is larger than its body.

# Scouts On the Go

With the beauty of autumn here at hand what better time for the Girl Scouts to take a few trips and enjoy Mother Nature.

On Sunday, Sept. 27, 97 scouts and adults took a bus ride to North Lake. There they enjoyed the Kettle Moraine Scenic Steam Train ride. It lasted about 50 minutes on the former Milwaukee Road tracks. They were able to tour the coach yards and enjoyed their lunch on the beautiful grounds. The

weather was perfect.

This week the scouts are on the go again. On Saturday, Oct. 24, they will travel to New Fane for a horse drawn hay ride at the Bud Schmidt's farm. The hayride will last from 12:30 p.m. to 3:30 p.m. There is also a bonfire planned so that the scouts will be able to roast wieners and marshmallows.

The day will end with songs and a last look at the beauty of Mother Nature.

Lunch time on the grounds

# BSA Conducts Cub Scout Leaders Pow-Wow

Moraine Park Technical Institute, 235 N. National Avenue, Fond du Lac, will come alive in the style of true fire detectives, Saturday, October 24, as the Bay-Lakes Council of the Boy Scouts of America conducts their Southern Division Pow Wow.

The Fire Detective theme will dominate the hands-on training throughout the day. Sessions will include: Ceremonies, Crafts, Camps, Den Chiefs, Games, Den and Pack Programs and Management, Drug Abuse, Puppets, Skits, Songs, and Webelos Activities. A midway of successful pack activities will be shared from various packs throughout the 5 Districts.

The Southern Division includes the following Districts: 6-Outback, 7-Winnebago, 9-Flyway, 10-Indian Mounds, and 11-Glacier Edge. All Cubmasters, Committee Chairmen, Den Leader Coaches, Den Leaders, Webelos Leaders, their Assistants and Pack Committee Members from these Districts have been invited.

Cost is \$5.00 each and includes the noon meal. Reservations should be sent to Bay-Lakes Council Service Center, 2032 Erie Avenue, Sheboygan, Wisc., 53081.

Registration time is 8:00 - 8:30 a.m. The noon meal will be a traditional Blue & Gold Banquet and a 4:00 p.m. campfire will conclude the day's events.

Dora Zillmer of West Bend is Pow Wow Chairman assisted by a committee from each of the 5 Districts.

## IN MEMORY

In loving memory of our dear son and brother, David Wendelborn, who passed away two years ago, October 23, 1985:

It's been two years ago today  
That God took our dear son and brother away.  
He left us here with loved ones near and far,  
But yet how terribly lonesome we are.  
We love you dear David and always will  
There's a place in our hearts no one else can fill.  
Now we patiently wait for that great day  
And pray dear God be if not far away  
When together again we will all be  
Living with Jesus through eternity.

Sadly missed by his mother and dad, and brothers.

# Girl Scout News

Girl Scout Troop #9 met September 23rd at the elementary school. We started our meeting with a flag ceremony. Then we elected officers for our troop. We had a snack and we sang songs that we learned at camp this summer. We went to North

Lake and took a steam train ride. It was a lot of fun!

We meet every other Wednesday. If you are in 3rd grade and would like to be in girl scouts call Lorey Weston 626-8232.

## IN MEMORY

In loving memory of Brenda Oelhafen who passed away two years ago, Oct. 23, 1985:

Two yeras have passed since you went away,  
But the memory of you lives on everyday.  
We miss your caring ways and your smile  
And the love you gave to us all the while.  
God took you from us and it's hard to know  
What his reason was for making you go.

We love you and miss you and think of you always. We'll never forget you!

## IN MEMORY

In loving memory of Brenda Oelhafen who passed away two years ago, Oct. 23, 1985:

The days have come and gone,  
Since that stormy autumn night,  
But every day at dawn,  
When the sun turns dark to light,  
We awake to be reassured — it's God's way.  
Yes, truly — our Brenda has gone away.  
Away from all life's trying times,  
No more hurt, failure or fear,  
Yet, sometimes she gives us little signs,  
That really — she's still here.  
But, does she want the tears and grief,  
Of those of us left behind?  
Just good thoughts and memories — sadness brief,  
And friends who've been so kind.

God turned her sighs to songs,  
Her pain is gone that's sure.  
She's had to say, "so long."  
Those two years — they're such a blur.

We DON'T QUIT remembering and caring,  
And want to be strong — not sad.  
"Thanks Red", for all your sharing.  
We love you.

Bruce Seemann, Moraine Park instructor, with Pat Martin, Moraine Park student and scholarship winner.

If anyone had told Pat Martin four years ago that she'd be going back to school one day, she would have laughed in disbelief. Now the mother of five from Kohlsville is back in school and impressing her teachers at Moraine Park Technical College with her work. She was recently awarded a \$350 scholarship by the Wisconsin Laboratory Association in support of her studies in the food science program.

Martin is in the second year of the two-year program. She has been taking courses part time and hopes to graduate a

year from December.

In recommending Martin for the scholarship, Moraine Park's food science instructor Bruce Seemann cited her academic achievement and commitment: "In addition to her family responsibilities, Pat also drives 40 miles to school. A science-oriented program such as food science isn't easy, but Pat does a fine job."

It may not be easy, but Martin loves it. "It's great to be back in school," she said. "You can get into a rut when your life is going to work, coming home and going to work again. Being in school opens up the world to you. It's stimulating."

Personal interest includes all interest paid on car loans, credit cards and charge accounts, as well as other personal loans. It also includes interest on taxes which were paid late.

It does not include home mortgage interest, investment interest, or any interest paid in connection with a trade or business.

Of course, to deduct interest on a debt, you must be legally liable for that debt. You may not deduct payments you make for someone else if you are not legally liable to make them.

Under the old law, personal interest was fully deductible as an itemized deduction on Schedule A, Form 1040; however, beginning with 1987, only a portion of personal interest paid can be deducted. This deduction will be phased

out over a five year period ending in 1991. All of the personal interest is subject to the phase-out regardless of when the loan was obtained. For 1987 only sixty-five percent of personal interest will be deductible.

For example, if in 1986 you paid \$1,000 in personal interest on your credit card balances, car loan, and other personal loans, you could deduct all of this interest on your 1986 tax return. However, if you paid the same amount of personal interest in 1987, or a later year, you will not be able to deduct all of it.

The table below illustrates how much interest you will be able to deduct if you make the same interest payments in later years.

Year	Interest Paid	Deductible Percentage	Amount Deductible
1987	\$1,000	65%	\$650.
1988	\$1,000	40%	\$400.
1989	\$1,000	20%	\$200.
1990	\$1,000	10%	\$100.
1991	\$1,000	0%	-0-

### Insurance Period For Crops Ends Oct. 31

October 31 ends the 1987 year insurance period for barley, oats, and wheat grown in Washington County, and insured by the Federal Crop Insurance Corporation (FCIC) according to Jerold Van Beek, a representative for the Federal Crop Insurance Corporation.

"Under the terms of the policy, any acreage on which harvest will not be completed must be left intact until an inspection is made. Any claim for indemnity may be rejected if these loss reporting requirements are not met," Van Beek stated.

"Any notice of loss must be given promptly after the total destruction of the unit, completion of harvest, or October 31, whichever occurs earlier," according to Van Beek.

The producer who anticipates a claim should notify his or her crop insurance representative immediately.

### 1988 Wheat Program Signup Postponed

Secretary of Agriculture Richard E. Lyng announced that sign up for the 1988 wheat program, scheduled to begin Oct. 19, will be postponed because of uncertainties over legislation related to the fiscal year 1988 budget now before Congress.

"It would be unfair to ask farmers to sign up for the commodity programs while Congress considers budget and related legislative changes which could affect the provisions of 1988 programs," Lyng said.

The new beginning sign up date for wheat and other 1988 farm programs will be announced as soon as it becomes clearer whether such legislation will be enacted, Lyng said.

## County 4-H Youth Honored

Over 350 4-H youth, leaders, families, and sponsors attended the 1987 4-H Achievement and Recognition Banquet recognizing 4-H youth and adult leaders for their outstanding accomplishments.

The Wisconsin Key Award is the highest award a 4-H'er can receive. Recognition is given to four Washington County 4-H members who have shown constant growth and development in their projects, youth leadership, community, county and state involvement. The gold key award is sponsored by the Wisconsin Farm Bureau and its affiliates. Elaine Linstedt of the Washington County Farm Bureau presented the award to Carla Anderson, Diane Hammen, Renee Kapp and Doug Mayer.

The Brenda Oelhafen Memorial Award was presented to Holly Prochnow.

The County 4-H Achievement Award was presented to four members. The recognition is based on their total work in their projects, club activities, community service, and district and state involvement throughout their 4-H career. Recipients were Diane Hammen, Lynn Hammen, and Brenda Beder.

The Leadership Award was presented to Diana Buckmann, Becky Schwoch, Mark Hautamaki, and Connie Schmidt. The Leadership Award is based on their work in helping others in their club and in their community.

The County Agricultural Award for excellence in their total agricultural program was presented to Terry Groth of Jackson.

The Home Economics Award for all around excellence and leadership in home economics project was presented to Kris Rauh of Slinger and Cindy Rauh of West Bend.

A priest tells of an avid golfer who went to heaven, but he didn't stay there long. Maybe because he cheated on his golf score, or something. St. Peter told him he'd have to go to hell for awhile. When the former earthly golfer got down there, he found it a lovely place - plum trees, beautiful lakes and streams and a heavenly golf course. Right away he lined up a recently-arrived foursome and arriving at a No. 1 tee off that challenged the beauty of the best on earth, he was ready to play. The club pro handed each of the foursome a dozen Titleist golf balls. Suddenly our golfer noted that there were no golf clubs. He turned swiftly to the club pro and asked "Where are the golf clubs. I like those with a steel shaft." Whereupon the former PGA pro, with a devilish smile said: "There are no golf clubs here; that's the hell of it." Armand Cirilli, Hurley-Iron County Miner.

Two friends who had not seen each other in quite a spell met on the street. "Hi, Joe, good to see you. Where've you been so long?" "I've been out of circulation for 90 days." "Sick?" "Nope, been in jail." "Jail! Whatever for?" "Well, you know that fancy-looking widow I used to squire around? Danged if she didn't go and charge me with rape. At my age, I felt she was paying me a compliment, so I pleaded guilty. Judge gave me 90 days." "Ya got off easy -- 90 days for rape." "He didn't sentence me for rape. The 90 days was for perjury." The nurse preparing to show a film on childbirth to a group of soon-to-be-parents, asked if anyone had ever witnessed childbirth. One man raised his hand and said he had been with his wife for the birth of one of their children. The man fainted in the middle of the film. After he recovered, the nurse said, "I thought you said you had seen childbirth before?" "I did," said the man, "and I fainted that time too." Florence Berglund, Loyal Tribune-Record-Gleaner

A Town of Wayne farmer, Alex Sippel, 54, of Route 3, Campbellsport, was reported recovering this week at St. Joseph's Hospital, West Bend, from a fractured pelvis suffered in a tractor accident on his farm late last Thursday night. Sippel was losing his field late at night when his tractor apparently stalled. It is reported that he cranked it and the tractor suddenly started, the front and rear wheels passing over him. The tractor, dragging the plow, continued until it struck a fence aside of the road, where it again stalled. When Sippel feared something might have happened and upon investigating found her husband near to midnight lying in the field.

Homecoming festivities for 1962 will be held at Kewaskum High School Thursday, Oct. 25 and Friday, Oct. 26. Some time during last week Friday night burglars entered the store of Saeman, Ziegler & Co. at Adell and blew open the safe, and after rifling the contents which were strewn about the floor, set fire to the building, which was destroyed with a total loss. The safe dynamited contained valuable papers, including government papers, about \$600 in money and a large amount of postage stamps. The post office was located in this building. All of the paper, money and stamps were stolen. Some of the papers were found near the railroad tracks at Random Lake.

August Ullrich, a 16-year-old boy from Campbellsport, accidentally shot himself in the left foot Sunday. He was

hunting in the Stoffel woods, one mile south of the village of Campbellsport, with a companion, Leo Becker, when the accident happened. Ullrich was carrying his gun when it was accidentally discharged and neither he nor Becker knows just how the accident happened. He was taken to Campbellsport and medical aid immediately summoned. His left foot was badly shattered but it is believed that the foot can be saved.

A transaction was closed on Thursday whereby Frank Day of West Bend, the hustling real estate man of that city, became the owner of the 100 acre farm together with all personal property of Etta Bros., located one mile east of New Fane. On Thursday the south 60 acres of the farm on which is the homestead, Mr. Day sold to Albert Kreif of Fillmore, who will take possession immediately.

Mrs. Wilhelmina Bilgo, nee Schultz, aged 86 years, passed

away at her home in this village Oct. 13.

Rumor has it that a new highway will be built from Kewaskum to St. Michaels. Nic Rimmel, Mr. Schmidt and others looked into the matter last Monday and if land can be purchased the road very likely will be built. It would shorten the distance between the two places one mile and besides would make a very level road.

Math. Bath, son of Mr. and Mrs. Chas. Bath of Kewaskum, and Miss Olive Fellenz, daughter of Mr. and Mrs. Ph. Fellenz of St. Michaels were married Tuesday in St. Michaels.

John Engler of Five Corners, and Miss Margaret Berres of St. Michaels were married Oct. 8 at St. Michaels. The bride is a daughter of Mr. and Mrs. William Berres.

# Letters to the Editor

Kewaskum Newspaper  
Kewaskum, WI 53040

Dear Sir:

I am Samuel Orlando Ortiz, an American Field Service (A.F.S.) student. I lived in Kewaskum for almost one year and attended Kewaskum High School.

One year ago I just was leaving U.S.A. and now here in Colombia I want to say thank you to all the people there. Specially to my very good friends as Ken Miller, Tim Douyan; I'm receiving the Kewaskum newspaper, and I really enjoyed reading it. I really miss all my good friends and the way people are in the U.S.A. I'm leaving to Venezuela on vacation and I'll return to Bogota, the capital of my country, to attend my college. I'm now in my second semester.

Thanks for placing this note in your newspaper.

With Love,  
Samuel Orlando Ortiz  
A.F.S. 85/86 from  
Colombia

P.S. could you please send to me a copy of this newspaper. I'd like to have it.

I'm receiving the paper you send to me. I want to know if I can do something for the newspaper from here.

Thanks for your attention.

Sincerely,  
Samuel Ortiz

## To the community:

We wish to draw your attention to an open meeting for the community-at-large which will take place on Monday, October 26, at 7:00 p.m. in the music/art room (basement) of Holy Trinity Catholic School in Kewaskum.

The purpose of this meeting appears to once again initiate the use of the "New Creation" sex course. This is in fact the same course which was introduced in April of 1986. It has been revised since then. The revisions are minimal, affecting 33 pages out of 1,277. Some of the unacceptable graphic illustrations have been removed from the student's books. They are still part of the course in the form of available larger than life overhead projections.

Why was it revised? Last year it was as perfect as could be. The new course was provided at our school's expense, with no explanation nor apology from the publisher to the parents. Most important is that the attitude taught and morals (or lack of same) espoused are still there with the same authors and their bibliography. These consist of dissenters from Roman Catholic teaching, espousers of the Humanist Manifesto, and promoters of the "Planned Parenthood" philosophy.

To set the record straight, a teacher of dissent can no longer be accepted as a Catholic teacher; Humanism is a secular, godless religion, and Planned Parenthood! Who runs abortion mills? Do they teach us how to respect life?

Bishop Leo Maher of San Diego ordered the New Creation not be used in his schools, observing that its "reading list contained all sorts of books that espoused the Planned Parenthood philosophy; the very thing

that I've been so much against."

Other Bishops have spoken out against "New Creation": Archbishop Hannon of New Orleans, Bishop Welch of Allentown, Pa., Bishop Lawrence Sabatini of British Columbia, Cardinal Krol of Philadelphia, Pa., and Bishop Brzdzala of Ogdensburg, N.Y. have issued such statements: "crude and offensive," "I cannot believe a Bishop saw this material and gave it an imprimatur," "not appropriate for grade school children," "not approved for use in our schools," "I would hesitate to implement a program which is still under review by international experts."

Most importantly, our Holy Father has expressed disapproval of this particular course: "It is the New Creation Series which does not follow the philosophies and theology of Vatican II." (per Cardinal Edouard Gagnon, President of the Pontifical Council for the Family, June 21, 1986).

Our entire community should be concerned because what any child learns in school is eventually learned by every child of every denomination. Come to the meeting. Find out how school bus and playground education will affect your children's attitudes. Remember, this meeting is for every adult.

Sincerely concerned,  
Laurence & Nancy  
Dirmeier

## Letter to the Editor:

I would like to have this letter printed because I believe it is relevant to the people of our community as we celebrate the Bicentennial of our Constitution and Bill of Rights.

Do not think that it can not happen to you. It can. I used to think like you. I no longer do. I now have a criminal record, though I am not guilty of any criminal wrong doing. And the Constitution and the Bill of Rights were of no help. In fact, they can give you a false sense of security, and run up your legal bill.

What it all comes down to, as usual, is people. Do they believe in the Constitution and Bill of Rights - even when the law protects their opponents - so that someday this Constitution and Bill of Rights will be there to uphold them when they need it? Or will they act short-sightedly in vengeance and greed to further their own interests, even perjuring themselves, while "waving the flag," and sitting in the front pew of church on Sundays? You guess.

It does not take much to convict you of a crime, though you are innocent, and this is frightening. It can have a chilling effect upon you as you try to live your life under the "protection" of the law, and you try to exercise those promised rights.

All it takes to convict you is the "numbers game," and the "carrot and the stick" approach by your enemies. Here's how it works: they find some "witnesses" who are willing to lie against you, and they outnumber you. They find a weak judge who will pander to their interests, the same for a police chief, and a district attorney who wants to convict you to help him be promoted to judge. They are not fair and

impartial. Their jobs could suffer if you are not convicted; they will be rewarded if you are.

This is what happened to me. I committed no criminal act on December 19, 1986 at the Sentry Food Store in Kewaskum against an area person. Everybody connected to this disgraceful proceeding knows it. They committed crimes against me, however, and they know that also. Somehow, in their minds, their questionable ends justify their means.

I was given the choice of pleading "guilty" or "no contest" to a lesser charge, violation of a village of Kewaskum ordinance. I refused because it would have meant admitting guilt, when I was not guilty, even to a lesser charge. Did I have confidence that I would be vindicated in the

Washington County courts? No, I have no confidence in courts, or our police. Did I believe some "white knights" would come riding in to save me? No. In fact, I fired two different lawyers because they were damaging me so badly, and I finally had to represent myself. The lawyers reflected that money and power were on the other side, not mine.

Most likely I will appeal this conviction, a misdemeanor. Do I expect to win? It would be nice, to show that our system works, but winning an appeal is an uphill battle, and all but impossible unless you have a lot of money to spend. I do not. So then, why do it? The reason is that I have to live with my own conscience, and that means fighting something I consider evil and destructive to

everything that I have stood for - and taught - all my life.

I am reminded of an old saying, "Use it, or lose it." I think we need to continually fight for our rights, even though our resources are meager, and we may lose. If we don't, we will lose them for sure. Beyond the appeal, and regardless of its outcome, I expect to speak out on issues in public meetings and through the press, as I have always, though this may make enemies, and wrongly lead to more criminal convictions against me. If any of you want to help, through a Legal Defense Fund, or in some other way, please contact me. It is an excellent way to celebrate our Bicentennial.

# Hunters Bring Down 382 Pound Bear in Michigan

Walter Ewert and Robert Ewert, both of Kewaskum are shown with the 382 pound male bear which they brought down with a gun while hunting in the Upper Peninsula of Michigan on Thursday, October 1. The two men have a hunting shack at Route 1, Marion in the Town of Union. The bear was weighed at Marion Milling which has become the unofficial scale for the bear hunters to weigh in. They also shot a 200 lb.

black bear.

This was their first year hunting black bear and they hope next year will be just as successful. It was quite an experience just seeing their first bear while hunting. It's not the same as hunting deer — you have to have a lot more patience, according to Wally.

## Hunting, Trapping Seasons Now Open

The resident hunting and trapping seasons for raccoon opened statewide on October 17 and will continue through January 31. For nonresidents, the hunting season for this species opens on October 31 with a January 31 close.

Nonresidents are not permitted to trap in Wisconsin, but they can hunt raccoon, fox, coyote, skunk, weasel, opossum, and bobcat in season by purchasing a nonresident furbearer license for \$136.60. Bobcat hunting also requires a permit from the Department of Natural Resources.

Furbearer seasons opened on October 17 north of Highway 64, and include: bobcat hunting and trapping through December 31; fox hunting and trapping through January 31; coyote trapping through January 31 (coyote may be hunted year round statewide, except the season is closed in a portion of northern Wisconsin during the gun deer season, November 21 through November 29. See page 29 of the hunting regulations pamphlet for a map showing the area where the season is closed for that period).

South of Highway 64, both the fox and coyote trapping seasons open on October 31 and continue through January 31. And, the mink and muskrat trapping seasons open north of Highway 64 on October 24, and in the rest of the state on October 31. These seasons close on December 31.

Other small game hunting seasons opened at noon statewide on October 17 including pheasant, Hungarian partridge, bobwhite quail and jackrabbit. The cottontail rabbit season opened in the south at noon on October 17, and the season for sharptailed grouse opened in the area of the state north of highways 64, 13 and 29 on the same date subject to regular small game hunting hours.

## 1988 State Parks Calendar Available

Everyone who enjoys the Wisconsin outdoors will welcome the "Limited Edition" 1988 Wisconsin State Parks and Forests Calendar now available at many Department of Natural Resources offices around the state.

It's pretty to look at .... each month features a color picture from a state park representative of that season of the year.

It's loaded with useful information for all of you who camp, picnic or pursue other activities in state parks and forests. It lists the parks that are open year around, and the spring opening dates for those parks which are not open during the winter months. It has a reminder on the date in January when you can submit reservation applications for campsites in state parks and forests, and lists activities scheduled in state parks throughout the year, including special events in specific parks.

Hunters and anglers will find the dates of season openings listed in the calendar. Free fishing day and other special events are also shown by date.

Bird watchers and folks who look for wildflowers and other wonders of nature will find dates shown when bird migrations usually occur and when different species of wildflowers bloom.

And, for those planning midnight canoe cruises or cross country ski treks, the calendar shows the phases of the moon.

This is a limited edition calendar so don't delay getting your calendar or calendars. It would be a nice gift for any outdoor person. The price is \$5.00 and the calendar is available at state parks, the DNR office in Madison, and the DNR district and area offices around the state. Or, the calendar can be ordered by mail by sending \$6.00 to CALENDARS, Bureau of Parks and Recreation, Department of Natural Resources, Box 7921, Madison, WI 53707.

## Audubon Society Presents Program

Kettle Moraine Audubon Society presents Dr. David Overstreet Tuesday, October 27. Dr. Overstreet has spent years discovering things about our past. He has a deep commitment to preserving and protecting our past in Wisconsin and is "deeply" involved in many "digs" around our state. President of Great Lakes Archaeological Research Center, Dr. Overstreet will provide the group with an evening of professional insight on local archaeology and its importance to our locality and the state.

Open to the public as well as members, the program will be held at Friess Lake School on the east side of Hwy. J just north of Hwy. 167 in Hubertus. It begins at 7:30 p.m. and is free of charge.

# Injury-Riddled Indians Drop Homecoming Game

Even Homecoming couldn't provide an Eastern Wisconsin victory for Kewaskum Friday as the Indians were downed by New Holstein, 28-8, on a rainy, soggy night. It was only the Huskies' second conference win and left Kewaskum with an 0-5 EW mark (3-5 overall).

The Indians have played most of the season with an unusually large number of injuries to key players which has really thinned their ranks and weakened the squad. At the beginning of the season Coach Fran Charland believed depth would be a strong point on the team but it didn't turn out that way. Kewaskum lost two starting tackles and a halfback before the first game, another halfback in the win over Horicon and a guard/linebacker due to ineligibility. Linebacker/Offensive end Chris Charland broke a finger in practice before the Sheboygan Falls game and Jeff Miller suffered a knee injury in the loss to Two Rivers. They lost their best lineman, Ron Leinen, in the Kiel contest, among others. For the most part it was a patched up squad. The Indians were just short of players.

On the field, it was a fairly even game against New Holstein but turnovers again hurt, such as fumbles, an intercepted pass and blocked punt.

For the Huskies, Luke Perrin scored on runs of 7 and 3 yards, Steve Wolfgram caught a 12-yard scoring pass from Todd Horneck and Mike Nett blocked a punt and recovered it in the end zone for another score.

Perrin had 16 carries for 77 yards and an interception on defense, while Horneck completed 7 of 15 passes for 98 yards.

By Ann-Marie Horner

The Indians sparked at the end of the game when they scored their only touchdown on a pass from Eric Pearson to Steve Johnson.

Todd Horneck of the Huskies, kicked-off to start the game. Ryan Degnitz received the ball on the 18 yard line and ran to the 39.

Pearson passed the ball to Mike Morell for a gain of 3 yards. Jeff Miller then carried for 6 yards, but the Indians couldn't get a first down.

The Huskies had a chance to move the ball, but could not. They punted to the 28 yard line, and Kewaskum failed to return it.

Kewaskum, having the ball on the 28, had a hard time hanging onto it and fumbled. Scott Petrie recovered the ball for New Holstein, recovered the ball on the 26 yard line.

for a 16 yard completion. Perrin then ran the ball in for a touchdown. New Holstein attempted the extra point and it was good, to put the Huskies ahead, 7-0.

Jeff Miller returned the kick from Horneck. Miller received the ball on the 16 yard line and ran to the 37 for a gain of 21 yards.

The Indians couldn't advance the ball and Johnson punted to the 39 yard line. The Huskies also had some problems moving the ball so they punted. Johnson got called for roughing the punter, so the Huskies got the ball back on the 41 yard line. Perrin carried down to the 24

yard line and Mike Lubahn was in on the tackle. Horneck then passed to Tony Matznick to put the ball on the 6 yard line. Perrin once again ran the ball into the endzone for another touchdown. New Holstein tried for the extra point and it was good, to make the score 14-0.

Ryan Degnitz received the ball that Horneck kicked, on the 15 yard line and ran to the 32 for a gain of 17 yards.

Pearson tried a pass, but it was intercepted by Perrin on the 42 yard line.

Mike Heberer sacked the quarterback and pushed them back to the 46 yard line. Horneck passed to Todd Lautenschlaege to put the ball on the 18. Horneck passed again, but this time to Wolfgram in the endzone. The Huskies attempt for an extra point once again was good, to change the score to 21-0.

Marty Schulteis received the ball on the 17 yard line and carried it to the 29 for a gain of 12 yards.

The Indians once more couldn't move the ball so Johnson was all set up to punt. The punt was blocked by Nett and he followed the ball into the endzone to make the Huskies' fourth touchdown. The extra point was good and it moved the Huskies ahead of the Indians 28-0.

In the fourth quarter the Indians came alive.

New Holstein had the ball on the 32 yard line. Mitch Gebheim sacked the quarterback and pushed the Huskies back to the 38. After Gebheim sacked the quarterback, Randy Trapp sacked the quarterback also and pushed the Huskies all the way back to the 48 yard line.

The visitors punted the ball in the endzone for a touchback, to put the Indians on the 20 yard line.

Miller carried the ball to the 32 yard line and then carried it again to the 39. New Holstein got caught for face masking so

## HIGH SCHOOL FOOTBALL PLAYOFFS AT MADISON

Madison, WI — University of Wisconsin's Camp Randall Stadium will be the site of the WIAA State High School Football Championships on Friday and Saturday, November 13 and 14.

Three games are scheduled to be played each day at Camp Randall Stadium.

This will be the sixth straight year — since 1982 — that all six championship games have been played in the stadium.

the Indians had a little help moving the ball.

Ryan Degnitz became a part of the action by carrying the ball for 5 yards. Miller then carried to the 33, and Johnson carried it to the 26 yard line. Pearson ran the ball to the 16 yard line. He then found Johnson in the endzone and passed the ball. Johnson made a fantastic catch to put the Indians on the board.

KHS set up to kick for the extra point, but faked it. Pearson passed to Mike Morell for a conversion.

Friday night the Indians play Chilton at home starting at 7:30 p.m. in their final game. Chilton is 3-2 in the standings and will provide a tough assignment for an Indian victory.

# KHS Volleyball Teams Take Some Wins; Suffer Losses

By Debra Rimmel

On Tuesday, the KHS varsity volleyball team lost to Sheboygan Falls.

Patti Padden had 9 served attempts and 4 spike kills. Mandy Schmidt had 10 served attempts and Jenny Schneider served up 8 and had 16 assists. Kari Kurtz added 13 assists.

The match scores were 6-15, 7-15 and 15-13.

The junior varsity also lost to Sheboygan Falls on Tuesday.

Paula Wilson had 7 served attempts, but the team still lost 2-15, 7-15 and 3-15.

The freshmen team took another victory winning all three of their matches.

On Thursday, the varsity and junior varsity both played Chilton, with the varsity winning and the junior varsity losing.

In the first varsity match, Lee Ann Winninghoff began with 5 straight points. Debbie Felix added some points with her spike kills. As the game continued, the team kept the aggressiveness going to win 6-15.

In the second match, Mandy Schmidt served four straight points. Lee Ann Winninghoff, along with Debbie Felix added some spike kills. Lee Ann also had four good serves for four straight points. The

# Shaw Qualifies For Sectionals

By Ann-Marie Horner

Tuesday night Kewaskum held the Cross Country Regionals at Kewaskum's new park.

The Boys Cross Country team took seventh out of seven places. Slinger came in first with 39 points; Campbellsport second with 64 points; Sheboygan Falls third with 71 points; Random Lake fourth with 108 points; Brown Deer fifth with 128 points; Howards Grove sixth with 138 points; and Kewaskum seventh with 145 points.

Miles Shaw took third with a time of 17:27, which qualified him for sectionals.

Tom Jollie, Slinger, came in first with a time of 17:19. Following Jollie was teammate Dave Breuer with a time of 17:24. Shaw was just three seconds short of second place. Fourth place went to Pierret, Campbellsport, with a time of 17:29 and fifth place went to Travis Lawrence, Sheboygan Falls, with a time of 17:31.

The Girls Cross Country Team took fifth place out of five places.

Slinger took first place with a score of 34 points; Random Lake second with 41 points; Sheboygan Falls third with 73 points; Campbellsport fourth with 89 points; and Kewaskum placed fifth with 135 points.

Ellen Kuphal took twelfth place with a time of 13:33. Kuphal missed qualifying for sectionals by two places or 11 seconds.

Diane Breuer placed first with a time of 12:25; Breuer is from Slinger. Second place, Lisa Hirsch, with a time of 12:44; third place, Donna Struck, with a time of 12:48; fourth place, Julie Cotter, who is from Random Lake like Struck, with a time of 12:42; and fifth place, Stacy Kunderinger, Slinger, with a time of 12:55.

team also played this match aggressively to win 15-3.

The third match found Karen Felix serving three straight points. Mandy Schmidt assisted the team with four spike kills along with Andrea Fliess who had three spike kills to take their team to victory.

The whole team played well to win all three matches. The scores were 15-6, 15-3 and 15-3.

In the junior varsity's first match against Chilton, the team played a very good, aggressive match, moving their feet well and keeping their heads, to win 15-12. Paula Wilson served four straight points with Missy Heisdorf contributing five straight points and Shelly Kassekert adding her four straight points. Sandy Stollenwerk also helped with her well-performed spikes.

The second match saw Paula Wilson serving five straight points, along with Becky Schlosser. They played well after a late start, but lost 13-15.

The team started out slow in the third match, then came back a little, but still lost 11-15.

On Tuesday, Oct. 20, the volleyball teams played Plymouth on their home court. On Thursday, Oct. 22, they played at Kiel to end the season.
