Area Voters to Face Crucial Questions at the Polls

Remember — Vote April 5th!

By GERRY MUELLER
Statesman Staff Writer

Voters of the Kewaskum School District will be facing advisory referendums on two controversial school issues when they go to the polls next Tuesday. The first concerns the Beechwood Elementary School and the second, keeping sixth grade students at the Middle School.

In the first referendum voters will be asked, "Should the Beechwood Elementary School be reopened?" Yes or No. Beechwood was closed last year but the Board of Education was asked to place the question of keeping it closed on the spring ballot so all the district electors could have the opportunity to express their opinion. The issue of Beechwood and its closing has been a continuing source of confrontation within the district for several years.

The second referendum asks, "Should the sixth grade students leave the Kewaskum Middle School and be returned to the elementary schools?" Yes or No. Both parents and teachers have expressed concern that moving students back to the elementary schools would prove to be disruptive and more detrimental. Some individuals feel the new system has not had enough time to prove itself one way or the other.

Voters will also be asked to elect individuals to fill two positions on the School Board. They are the expiring terms of Ron Theusch and Perry Ankerson. Theusch announced last year he would not run for

re-election.

Ankerson is seeking re-election to a second three-year term on the board. He has taken on the self-imposed role of financial watchdog for the district. Ankerson has continually strived to get the board to work together. Some of his objectives have been to see the board set up both financial and curriculum goals while maintaining a conservative outlook. He has also been a proponent of seeing the district build up its Fund Equity.

Neal Weare, who served on

District Boy Scout Recognition Dinner At Amerahn Here

The annual Recognition Dinner for Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will be held, Sunday, April 10, at 6:30 p.m., at the Amerahn Hall, Highway 45, north of Kewaskum.

All adult members of the Pack, Troop and District Committees and their spouses are cordially invited. Cost is \$8.00 each and reservations are being accepted by David Trehey, 5734 Debbie Lane, West Bend, 53095. For more information, call Trehey at 644-6774.

Dinner Chairman, Marilyn Haug, announced that three volunteers will receive the District Award of Merit, the highest award the district can bestow, during the recognition ceremonies.

the board from 1983-1986, is also seeking election to the board. He was unsuccessful in his bid for re-election to a second term in 1987. During his term on the board Weare served as vice president and chaired the Policy and Legislation Committee.

Ed Sleger, Jr. is the only first-time candidate making a bid for a position on the board. Sleger, 61, recently retired as a math teacher in the Kewaskum School District. He has indicated he was running for the school board because a group of residents talked him into it.

A fourth candidate, Derry Amundson, has withdrawn from the race. He indicated the demands of a new job would not allow him to serve the district properly.

In the Village Board race, three terms will be expiring. Incumbents Howard Lauenstein, Thomas McElhatton and Richard Schmidt will be challenged for a seat by former trustee Richard Schlice. Schlice was defeated in his bid for

Auburn Charity Drive Nets \$672.50

The total collected for the "Four Charities" in the Town of Auburn was \$672.50. After the cost of envelopes was deducted, checks were sent to the following charities: Heart \$179.60; Red Cross \$132.50; Cancer \$192.00; and Arthritis \$136.60.

Marie Mathieu, Alice Marchant and Catherine Strassburg, in charge of these four charities for the Town of Auburn, wish to thank all who donated so generously to their favorite charity and also thanks to Maureen Heberer, the town treasurer, for including the envelopes with the taxes.

The Kewaskum American Legion, Robert G. Romaine Post 384, will hold its annual Easter Egg Hunt in River Hill Park at 1:00 p.m. on Saturday, April 2. All Children from the Kewaskum area are invited to participate in the hunt.

Kids in the age group from seven to nine years will hunt

eggs in that area of the park located on the east side of the river. The age group six and under will meet in the park on the west side of the river.

In case of inclement weather, the Legion Post will be at both sites and pass out eggs and candy in the parking area.

AT 2:00 A.M.
SUNDAY, APRIL 3

Daylight savings time has been moved up from the last Sunday in April until the first Sunday in April which is 2:00 a.m. April 3. Don't forget to turn your clock ahead one hour before you retire Saturday night.

School Board Back to One Meeting a Month

No Full Time Social Worker

By GERRY MUELLER
Statesman Staff Writer

Despite the backing of other administrators and teachers, District Administrator Penny Kleinhans' request to increase the district's social worker position from part-time to a full time position was turned down this week.

Kleinhans had presented the request at the Kewaskum School Board's last meeting, however, action was tabled when board member Ruth Schmitt indicated she wanted more information and time to think about the request.

At Monday night's meeting Schmitt said she was concerned about the overlapping of duties between the social worker and the district's guidance counselors.

Board member Perry Ankerson also voiced his opposition. "What I'm wrestling with," said Ankerson, "is the school's getting involved with the social problems." He said he thought the role of the school still remained in education. "The more we stretch and expand our boundaries, the more society will expect us to do." Ankerson acknowledged that social problems were increasing, but he felt the route to handling them was through the home not the school. He also noted he could not see the school trying to deal with the symptoms when the causes are not being corrected within the home and family.

Board member Ron Theusch favored the full-time position. He said the district buys computers to educate the

children because it feels obligated to give students the best opportunity for a good education. If some students have problems that interfere with their studies and education, he noted, then we should do something to correct the situation. Theusch's motion to increase the position to full-time died due to the lack of a second.

In other action the board approved a two-year transportation contract with Johnson Bus Service. The contract will carry a 3% increase for 1988-89, and 3½% for 1989-90. Also approved was a contract to Del Ponte Brothers for concrete work at the Wayne and Kewaskum Elementary Schools.

The board approved plans for the re-roofing of WES and a portion of KES. There had been some question on the part of some Finance - Transportation - Buildings and Grounds Committee members about the need to re-roof the Wayne gym. Board member Clara Trapp noted that after a check of records, it was found that the gym had not been re-roofed, just patched. Based on that information, she agreed the whole roofing project should be done. Buildings Superintendent Fred Boehlke said the plans would be turned over to the architects for the advertising of bids.

Work on Wayne is scheduled for completion by June 10th, and Kewaskum by August 26th. Money for the Wayne project was included in the 1987-88 [Continued on Page 2]

Let the School District Know How You Feel

by Penny J. Kleinhans
District Administrator

Voters are reminded that April 5th, this spring's elective date is important for a variety of reasons. Not only will electors be making choices in the presidential primary and local elections, including School Board representatives, but be asked two referendum questions as well.

Based on a decision reached last summer the Board of Education is seeking public input on the Beechwood Elementary School issue.

The questions posed are:
1. Should the Beechwood Elementary School be reopened?
2. Should the sixth grade students leave the Kewaskum

Middle School and be returned to the elementary schools?

These are related questions because sixth grade students could not be moved out of the Middle School unless Beechwood were reopened.

The question of closing and opening Beechwood Elementary School has been a matter of community concern and debate over an extended period of time.

While the referendum results are advisory, (according to state statute), the Board of Education and administration are very interested in knowing what the current feeling is among the taxpayers of the District in relation to this important issue.

We urge you to go to the polls on Tuesday, April 5th and vote!

re-election after serving one term on the board.

In District Eleven, for the Washington County Board of Supervisors, Frances Mayer will be challenging incumbent Hilbert Schuenemann for his supervisory post.

For the newly created judgeship post in Branch Four of Washington County Circuit Court, Patrick Faragher will be facing off against Leo Schlafer.

On the Republican presidential primary ballot, six names will appear. They are George Bush, Pat Robertson, Pierre DuPont IV, Jack Kemp, Robert Dole, and Alexander Haig, Jr.

For the Democratic Party presidential primary ballot those listed are, Paul Simon, Jesse Jackson, Gary Hart, Al Gore, Bruce Babbitt, Michael Dukakis and Richard Gephardt.

Several candidates for both parties have already dropped out of the running but their names will still appear on the ballots.

1919-1988... CELEBRATING 69 Years Of Service

During March, The American Legion celebrated its 69th anniversary — 69 years of service dedicated to assistance of veterans in need and the betterment of hometowns and neighborhoods throughout the Nation. Today, there are more than 2.8 million men and women who served our country in time of war who dedicated their American Legion membership to continued endeavor for the benefit of their communities. We salute the Legionnaires of our community and wish them every success as part of the Nation's largest and fastest growing veterans organization — an organization that continues to "Get Involved."

The American Legion

School Board

[Continued from Page 1]

budget. As yet, no funding has been put in next year's budget for the KES roof.

The board approved Boehlke's requests to replace three gym doors at the high school at a cost of \$1,839, replace floor tiles in the art and home ec rooms and carpet the guidance office at a total cost of \$5,300. A contract for KES and WES parking lot crack repair and line painting, at a cost of \$1,835, was also approved. The board okayed the summer repairs of district heating and cooling equipment at a cost of \$4,886. Opening of the high school tennis courts was approved after temporary repairs have been made.

The board approved a new policy #2700, concerning smoking on school property. The policy eliminates all smoking in and on school district property and is expected to go into effect this fall with the start of the 1988-89 school year.

The board approved the amending of Policy 8130, on standing committees. Neal Weare, a former board member who is seeking re-election, told board president Ralph Horner he was very unhappy about the board's action on the policy. Weare noted that, while he was not against policies being revised, he was upset that the board continued to make such changes after-the-fact to make them coincide with members' actions rather than the board following the policies until they were revised.

The board reviewed the budget requests of the district's building principals. They were turned over to the administrator for further review and revision. Ankerson asked Kleinhans to look over the budgets and make any reductions or changes she felt necessary and then return the budgets to the board for further discussion.

The board approved the requests of Mrs. Alvarado to plan a 1989 student trip to Mexico, and Local Vocational Education Coordinator Dan Wangerin to submit grant applications for vocational and

technical education funding from the DPI.

The board reviewed the six-month trial period for the two meetings a month plan. Ankerson told fellow board members his impression of going to that plan was to allow more people the opportunity to attend school board meetings and also the elimination of one standing committee. "I certainly have not seen an increase in attendance or the elimination of a committee," said Ankerson. (Besides the board, administration, staff and news media, the only individual at the meeting was Neal Weare).

It was decided the second

'The Discovery Channel' to Begin Monday for Cable Subscribers

Star Cablevision has just made a discovery. Cable subscribers will soon enjoy THE DISCOVERY CHANNEL, America's fastest growing basic cable service. With 18 hours a day of the finest entertaining documentary programming available on television, The Discovery Channel provides a real alternative to most broadcast or cable fare. This is programming that excites the imagination, stimulates curiosity, and deepens appreciation for the world around us.

According to Dean Sinclair, System Manager, with The Discovery Channel, viewers have a front row seat to the adventures, -mysteries, and

wonders of our world. On any given day, a viewer might explore the ancient temples in Thailand, examine fifth generation computers, marvel at the tenacity of sharks, join in a bicycle race across France, or unravel the origins of the science of anthropology. Whether it's human adventure, The Discovery Channel delivers it all.

Most of the programs appearing on The Discovery Channel are making their American television premiere. In many instances, the programs come from world-class television companies such as the BBC, Granada Television, Yorkshire Television, TVOntario, and hundreds of other producers -

both domestic and foreign. "We are pleased to offer our customers The Discovery Channel," said Dean Sinclair, System Manager. "This service enhances the value of cable television by providing viewers with a quality choice - a choice the whole family can enjoy."

The Discovery Channel premieres on channel 19 on April 4, 1988. For more information about The Discovery Channel, call Star Cablevision at 334-4909.

With the addition of The Discovery Channel, some changes have been made with our present channel line-up. Look for The Home Shopping Network on channel 31, and community information on channel 18.

Call the Statesman for all your advertising needs.

Easter Greetings

Calvary Assembly
Of God Church
West Bend
Rev. Robert L. Schooley

Good Friday — The afternoon will begin with a special Good Friday noon hour service at 12:15 p.m. At 7:00 p.m., in the Calvary Activities Center, the Calvary Fine Arts Department, under the direction of Sherry Harmon, will present an Easter musical dramatization titled, "The Witness."

The musical, written by Jimmie and Carol Owens, features members of Calvary Assembly of God and portrays the apostle Peter giving the account of the ministry, life, death and resurrection of Jesus Christ.

Saturday, — At 7:00 p.m. the Calvary Fine Arts Department will again present "The Witness" in the Calvary Activities Center.

Easter Sunday — Jesus Is Risen. Praise The Lord! — Enjoy a fabulous Easter Breakfast at 8:00 a.m. hosted by the Royal Rangers. At 9:00 a.m. join in the study of God's Word during the Sunday School hour, followed by the Easter morning worship service at 10:00 a.m. in the Calvary Activities Center. At 6:00 p.m., the Calvary Fine Arts Department will present the final production of "The Witness."

The public is cordially invited to attend any of these special services. Admission is free and

The Victory of Easter With Community Church

Each spring God renews His promise of life. Flowers appear through thawing earth. The trees burst with fresh, new leaves and buds. The birds return with joyful sound. Nature seems to shout "Jesus Christ has risen from the dead and He is alive today. His resurrection is God's personal invitation of eternal life.

Easter is good news. In the Holy Bible, I Corinthians 15:51-58, the apostle Paul reveals an amazing truth: For the christian death is not the end of life but the threshold of immortality! Just as the Lord Jesus Christ arose from the grave, thereby conquering sin and death, so shall those who have put their trust in Him be raised to everlasting

life. The day is coming when the Lord Jesus shall descend from heaven with a shout of victory. At his call those christians who already have died will rise from the grave to meet Him. Those who are still alive will ascend with them in triumphant procession to be with their Lord forever (I Thessalonians 4:13-18).

Because the Savior lives and has promised "I will come again, and receive you unto myself" (John 14.3), the christian can face the trials of life and even death with the sure hope of a glorious future.

Do you have this hope of eternal life? You can have forgiveness of sins and life with Christ today. If you confess with your mouth Jesus as Lord and believe in your heart that God raised Him from the dead, you shall be saved." Romans 10:9.

Community Church meets at Silverbrook School, West Bend. Worship starts at 9:30 a.m. on Sundays.

**FOR A JOYOUS EASTER
COME TO
CHURCH**

Peace United Church of Christ
Rev. James Bettin

Special worship services at Peace Church will mark the passion and the victory of Jesus Christ: On Maundy Thursday, March 31, there will be worship with Holy Communion at 7:30 p.m. The Chancel Choir will sing, "In Remembrance" by Buryl Red. Members of the 1988 confirmation class will receive their first communion. The sermon will be, "Making the Common Sacred."

Good Friday will be marked by two different worship services. At 1 p.m. the Rev. James Bettin will preach the message of "Father, Forgive Them." Traditional scriptures and hymns will be used. At 7:30 p.m. there will be a Tenebrae service entitled, "Shadows Around the Cross." Assisting the pastor as readers for this service are Becky Manthei, Linda Kroncke, and Charles Petrie. A six foot wooden cross candelabrum constructed by Willard Gruhle will dominate the chancel of the church. Candles on that cross will be gradually extinguished until the church is in darkness.

Easter Day celebration will start with sunrise worship at 7 a.m. The pastor's message for this service will be, "Three Gardens." An Easter breakfast will follow at 8 a.m. The later worship at 9:30 a.m. will include holy community. Rev.

Bettin's sermon will be "One Word to Faith." Special music will be provided by the church choirs and soloists. Members of the community are welcome to any and all of these services.

Holy Trinity Catholic Church
St. Bridget's Mission
Rev. Robert Berghammer
Pastor

Holy Thursday — Mass of the Lord's Supper at 8:00 p.m. with Adoration following by families of the congregation. 9-10 p.m. — A-G; 10-11 p.m. — H-N; 11 p.m. to midnight — O-Z.

Good Friday — Celebration of the Lord's Passion at 1:00 p.m. Stations of the Cross at 7:30 p.m.

Holy Saturday — Celebration of the Easter Vigil and Mass at 7:00 p.m.

Easter Sunday — Resurrection of the Lord. Masses at 9:00 and 11:00 a.m.

Father Alan Weinert, C.S.S.R. will assist during Holy Week and have Mass of the Lord's Supper at St. Bridget on Holy Thursday at 8:00 p.m. and Good Friday, Celebration of the Lord's Passion at 1:00 p.m. Easter Sunday Mass will be 7:30 a.m.

St. Lucas Lutheran Church
Rev. Paul Hoenecke, Pastor
Vicar Ross Henzi

Members and guests will have several opportunities to worship this week.

There will be two services on Maundy Thursday. Service times are 1:30 and 7:00 p.m. The guest speaker will be the Rev. Robert Voss, President of

the Northwestern College in Watertown.

Vicar Ross Henzi will conduct the 1:00 p.m. service on Good Friday.

Identical services will be held on Easter Sunday at 6:00, 8:30, & 10:15 a.m.

Both senior and junior choirs will be singing selections. Vicar Henzi will deliver the sermon.

Members may enjoy Easter breakfast prepared by the Young Peoples' Society on Sunday. There will be two seatings. One at 7:00 and the other at 7:45 a.m.

St. Kilian Catholic Church
Rev. Victor Kemmer

Holy Thursday — Evening Mass of the Lord's Supper at 8:00 p.m.

Good Friday — Celebration of The Lord's Passion at 2:00 p.m. Way of the Cross at 8:00 p.m.

Holy Saturday — Easter Vigil and first Mass of Easter at 8:00 p.m.

Easter Sunday — Mass at 9:00 a.m.

St. John Lutheran Church
New Fane
Rev. Charles Reehl, Pastor

Maundy Thursday — Worship with Holy Communion, 7:30 p.m.

Good Friday — Worship Service 1:30 p.m.

Easter Sunday — Sunrise Service 6:30 a.m. "Life after death — we can be sure!" Special devotion for small children on Easter. Easter breakfast prepared and served by the young people 7:30 a.m. Late service (same as sunrise) 10:15 a.m.

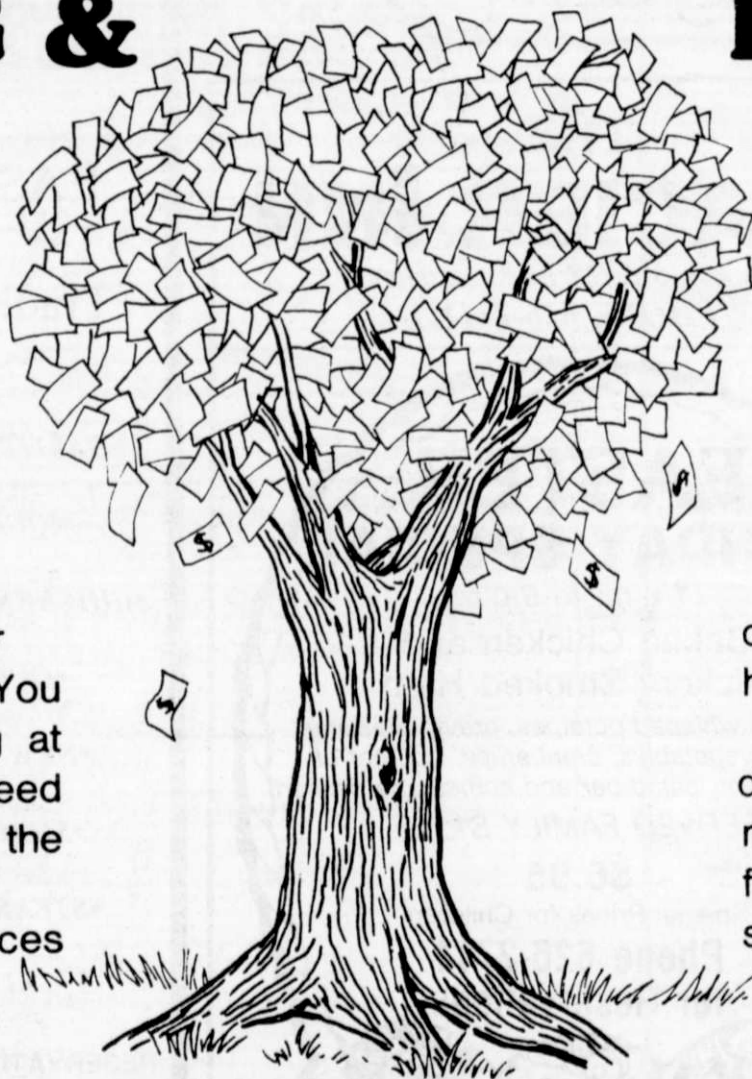

HERE'S HOW TO KEEP YOUR OWN PROSPERITY TREE STRONG & HEALTHY

The mythical money tree doesn't really exist...or does it?

Your community is like your very own prosperity tree. You feed its roots by shopping at home and the more you feed your community money tree, the more it produces in return.

The many community services

you receive, your property values, and local taxes you pay are helped immeasurably every time you, or anyone else, shops here at home.

All of us benefit every time a dollar is spent here, not just the merchants...everyone. Let's all feed our own money tree by shopping at home.

Take a Chance On Our 6 Foot EASTER RABBIT!

Ah... Spring

by Isabelle Muckerheide

A few more days, and we will turn the page to the month of April. The calendar may tell us it is Spring, but you wouldn't know it by the miniature blizzard we had today.

Along about January, when the Christmas season is behind us, the seed catalogs begin to arrive. When the winds are howling, and the ground is covered with snow, we begin to dream of this year's garden. Remembering what we did last season, how we can improve on it, or what to discontinue.

Looking out of my bedroom window this morning, I saw a pair of robins frolicking on the lawn. I can hear the wren singing her cheery welcome, and I hope my turtle doves will be nesting in the evergreens again this year.

The pussy willows are in full bloom, and a crocus peeks her head through the snow.

Those with green thumbs have little boxes of early plantings placed in a sunny window to get a head start for their gardens.

Soon the local farmers will be turning over the soil which has had it's winter rest. Flocks of sea gulls will be following behind, picking up the earth worms.

With warm Spring rains, the cowslips, or "Marsh Marigolds" will soon be found in swampy places. Of course the lowly dandelion will put in its' appearance, like it or not.

We thank the Lord that the winter is passed, and look forward to a new awakening in us, and in the earth.

Offer Immunization Clinics in County

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington

County Community Health Service. April clinics are:
 April 5, 2-5 p.m., Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend.
 April 12, 2-4:30 p.m., Germantown Senior Citizen Center, W162 N11960 Park Avenue, Germantown.

April 19, 3-5 p.m., Hartford City Hall/Community Room, 109 North Main St., Hartford.
 April 26, 9-11 a.m., Community Health Nursing Service, Courthouse, 432 E. Washington St., West Bend.
 records of each child's past immunizations to clinics. Immunizations will not be given without a record card. For further information, call 338-4462, 644-5204, or 342-2929. Parents must bring their

Carol Zoerb Selected As Gifted and Talented Coordinator at Kewaskum

Carol Zoerb has been selected Gifted and Talented Coordinator for the Kewaskum School District. She will be working as a part-time staff member out of Wayne Elementary School.

A graduate of UW-Oshkosh in Elementary Education, she has taught kindergarten in Waukesha and Beaver Dam. She has also been a substitute teacher in the West Bend schools and most recently taught 4th grade reading and language arts at Jackson School. For the past 2 years, Carol has also taught mini-courses as part of the West Bend district's Gifted and Talented Program. She is currently enrolled in the Cardinal Stritch graduate program with an emphasis on Gifted and Talented education.

A resident of West Bend, Mrs. Zoerb and her husband, David, are proud parents of two daughters, Heidi and Mari. Her husband is a former Regal Ware employee, and her mother, Tillie Evans, taught kindergarten in Kewaskum for 20 years before retiring in 1977!

The new GT coordinator plans to work with available resources to meet the state gifted and talented mandate. Specifically her plans include

programs in Great Books, mentor programs using UWWC professors, and fine arts enrichment classes.

As part of her new responsibilities, she has received permission from the school board to promote and solicit parent support and involvement on a gifted and talented coordinating committee to help plan, advise and implement G/T programs in the Kewaskum public schools. Interested parents can call Mrs. Zoerb at 626-4003 during the school day.

Call Zoo Animals On April Fool's Day

Doctor Doolittle may sing about talking with the animals but in Milwaukee on April Fool's Day people go one step further — they give the animals at the Milwaukee County Zoo a telephone call.

Calling the Zoo animals on April 1 is a traditional practical joke in Milwaukee. Last year the Zoo received a record 2,738 calls for 32 different animals including Sally Mander, Anna Conda, and Chip Monk. This year the Zoo hopes to set a new record by topping the 3,000 mark.

The animals aren't the only

ones that are besieged with crank calls. Zoo employees Randy Deer, Stackner Heritage Farm Supervisor and Steve Wing, Aviary Supervisor are understandably reluctant to take calls on April Fool's Day. Even the least gullible person

can be tricked into calling a Zoo animal when a co-worker leaves a message to return a call from Mr. G. Raff or Bob Boon.

For more information about April Fool's Day, please contact the Zoo at 414/771-3040.

Letters to the Editor

NEW LETTER TO THE EDITOR POLICY

Beginning with the April 8th issue the Kewaskum Statesman will no longer publish unsigned letters.

March 24, 1988

Kewaskum Statesman LETTERS TO THE EDITOR

TO ALL VOTERS IN THE KEWASKUM SCHOOL DISTRICT:

My reason in running for the Kewaskum School Board is that I am genuinely concerned with our educational system and in the escalating tax dollar.

I feel ALL views should have a voice, and my open mindedness will give you that voice on the Kewaskum School Board. I will also work towards implementing both a sound educational and a sound fiscal long range plan, so the residents of this district will know where we are going, how we plan to get there, and that we have goals that are realistic and attainable.

At the League of Women Voters' Forum on March 15, I was asked if I was willing to allocate dollars to re-open Beechwood School. At this time, my answer has to be, No. However, if, at a later date, pupil enrollment were to increase, it is found to be in the best educational interest of the district, or it is fiscally sound for you, the taxpayer, to re-open Beechwood School, then I would certainly reconsider my position.

Also, I cannot understand how one of my opponents, Edward J. Slegler, Jr., can comment in the newspaper that he is for keeping expenditures at the lowest possible level, and then turn around at the voters' forum and endorse, at great expense to the taxpayer, the re-opening of Beechwood School, the moving of the sixth graders and stating that a 6% raise for the teachers is too low.

On Tuesday, April 5, you will be asked to cast your ballot on two very important referendum questions dealing with YOUR TAX DOLLARS. You will also be asked to fill two seats on the Kewaskum School Board. I would appreciate your VOTE and SUPPORT.

Sincerely,

Neal D. Weare

Candidate

Kewaskum School Board

.....

Fellow Kewaskum School District Taxpayers:

At the polls next Tuesday we will be asked if we want to re-open Beechwood School. In your mind ask yourself, do you want to spend \$100,000 plus and possibly see our school tax hikes go back into double digit figures.

Beechwood School is now a misnomer. It is no longer 'a school'. It is now just an empty building that will need teachers, aides, cooks, furniture, books, supplies and kitchen equipment.

A minimum of three teachers will cost at least \$60,000 (a fourth, possibly a teacher-in-charge will cost considerably more). At least two aides and two cooks, another \$10,000-\$15,000. That's already almost \$100,000. New kitchen equipment, desks, books and supplies without question are going to cost more than \$10,000 so we're over the \$100,000 figure. Then don't forget heat, utility and additional bussing

costs. And these are 'very conservative figures'.

Do we want to, and can we afford to, spend that kind of money for just 50-60 children. If we are going to add another \$100,000 to \$200,000 into the budget, it should be spent so it benefits all the children of the district not just a few. Oh yes, I forget to add the extra cost of time and manpower to get the school set up and ready for classes.

If you answer is 'no', to the question in the first paragraph, then your vote to re-open Beechwood School should be 'no' also.

A concerned
taxpayer and parent

.....

3/28/88

To The Editor:

The issue of reopening Beechwood School is not yet settled. If you recall the near-riotous meeting of last July, the School Board finally agreed to keep the school closed, but insisted the question be put to a non-binding referendum this spring. (Along with reopening Beechwood is a question concerning the return of the sixth graders to the elementary schools. A move that hinges on the Beechwood question).

As the public and as taxpayers here is our chance to speak out once and for all on this issue and put an end to this regressive idea.

As a taxpayer, I feel there are many more productive and cost effective uses for my tax dollars than to reopen a school for approximately sixty students and no projected enrollment growth in the area.

As a parent of two children at Farmington Elementary, I have no complaints about the quality of education with the addition of the Beechwood children the past two years. In fact, in some cases, (i.e. class size), the situation has improved and we now have smaller, more balanced classes than in many previous years.

Also, one of my children is a fifth grader and I am comfortable sending him to middle school next year. The KMS staff have implemented good transitional programs and the sixth graders are experiencing curriculum selections not available in the elementary schools.

It is important that all voters make their choice known on April 5 and vote for quality education: VOTE NO on the School Board referendums.

Marcia Theusch

9060 Hwy. 144
Kewaskum, WI 53040
692-9340

.....

3-28-88

To the Citizens and Parents of the Kewaskum School District:

An important item is the topic of taxes. I believe there can be some savings, but first there must be an analysis of the various costs of operating a school system. This can and should be done as a matter of policy. The expenses that arise from the administration, office staff, equipment, supplies, utilities, maintenance and bus

transportation must be examined. The positions of Director of Instruction and Business Manager should be reviewed with a critical mind. Are they really important? The outlay of money for all aspects of instruction should be studied and discussed thoroughly, as well as for the athletic program for all of the schools in the district.

All of this should be constantly weighed in the light of the priorities set up for our school district on a monthly basis. This can be accomplished, if there is a mutual trust and respect between the administration and the board. There must be an openness and a free exchange of opinions among the parents, teachers, principals, administration and board.

Sincerely,
Board Candidate,
Edward J. Slegler, Jr.

.....

March 26, 1988

To the people who are saying that Farmington Elementary School is too crowded and thus Beechwood School should be reopened, I would like to call attention to the following figures taken from the Papoose school yearbooks. Keep in mind that this year there are 287 students at Farmington.

1973-74 - Kindergarten, 4, 5, 6, Farmington Enrollment - 247

1974-75 - Kindergarten thru 6th - 309

1975-76 - Kindergarten thru 6th - 304

1976-77 - Kindergarten thru 6th - 268

1977-78 Kindergarten thru 6th - 280

1978-79 - Kindergarten thru 6th 293

1979-80 - Kindergarten thru 6th - 274

During the 75-76 school year, I was a volunteer parent helper, two or three days a week at Farmington. During that year, I never heard any teacher, parent or student talk about overcrowding. My children spent kindergarten thru 6th grade at Farmington and graduated from Kewaskum High School in the top 5% of their classes. Some of the credit goes to the great beginning they received at Farmington Elementary.

A Farmington taxpayer
who feels Beechwood
should remain closed.

.....

March 27, 1988

Dear Editor:

I find it incomprehensible that you would see fit to print a letter in the Statesman's letters column of the type that appeared there last week.

No person should have the right to make accusations about anyone, public figure or not, of the type that appeared in that letter and then hide behind anonymity. If a person doesn't have the courage to own up to their convictions, then they have no right to spread them around. I think that the Statesman's editors have a responsibility to see that letters of this type are not printed. Anyone can write an irresponsible letter; we've seen them before in the school board races, but unless they are willing to stand behind their statements they have no business seeing the light of day. I hope you will reconsider your editorial decisions because you have a very large responsibility to the community when it comes to what your readers see in the

papers. Not afraid to sign my name, I am sincerely yours,

Daniel Stoffel

.....

To the Voters:

It is election time, I hope you all go to the polls, and vote. That is one freedom we all have.

I could write a full page, why you should vote for the last two on the ballot.

Edward Slegler is retired, on a fixed income, he will get the maximum of every dollar spent. He is a fine candidate, he was an excellent teacher. His work in the school system was very dedicated and a high percentage of the students respected him. Why did he take early retirement? That is a question he alone can only answer. So please give him your support and vote on April 5th.

Honesty is one Policy that cannot be beat. Thank you.

Clara Trapp

.....

March 28, 1988

To the Editor:

Next Tuesday, April 5, gives all voters in the Kewaskum school district the opportunity to let our school board know which direction we want them to take on one very important issue and to elect two Board members.

The referendum to decide if Beechwood elementary school should remain closed is our decision. Last year close to 2,000 people signed a petition indicating their displeasure with the special interest group who say they want to cut expenses but pushed to reopen Beechwood. The number of signatories was more than double the effort of that special interest group. Declining enrollment continues to be a sound financial reason for not reopening Beechwood. Therefore, it is up to the voters in this district to clearly and decisively state that we want Beechwood Elementary to remain closed! Go to the polls!

The selection of qualified school board members is also our decision. Candidate Ed Slegler's years as a KHS teacher and community supporter are generally recognized. But his recent letter to the editor, in which he describes himself, fails to point out that he is openly against the current administration. These administrators are the same people our tax dollars pay to deal with tough issues and make sometimes unpopular but necessary decisions. As it now stands, the current board has a few members whose tactics include calling for a review of the administrator's contract when there is a controversial issue. This thinly veiled threat is unprofessional and counter-productive to say the least. The board needs two members with the demonstrated ability to work with and get along with other people.

It is not widely known but candidate Slegler has recommended to the Town of Farmington that it become a toxic waste dump (this includes nuclear waste) for the US Government in order to offset their taxes. The potential hazard and ecological threat of such a time bomb ever becoming a reality in our district are most disturbing.... and a very unrealistic approach to lowering taxes! The board needs desperately two members with practical approaches to

solving problems.

So this Tuesday we have at least two obligations: one is to elect responsible people to represent us - Perry Ankerson and Neal Weare - and the second is to keep our taxes as productive - as possible by recognizing that we are operating very efficiently with Beechwood elementary closed. See you at the polls.

Kim T. Peterson

.....

Letter to the Editor: Kewaskum Statesman

While attending a school sports activity, I heard a comment about the upcoming school board election and Beechwood Referendum that prompted me to write this letter.

"I don't know if it's worth going to vote- does anybody really care what's happening?"

Wow - that negative statement really hit me! I care, and there are other good people from this district that are just as concerned about the way our children progress through the educational system and the utilization of our tax dollars, as I am!

If you don't take your voting seriously, this board will continue with people who don't represent the views of the entire district and who don't understand how it operates.

That's worth going to the polls on Tuesday and casting your vote.

Let's be proud of the work that has been done in the last few years to ensure us that we are getting our monies worth. Through cooperation and communication the goals for us as parents and taxpayers can be met.

Spread the word to go to vote on Tuesday...show others that the people of the Kewaskum School District are not negative or vindictive.

Our reward for being so caring and having a positive attitude is to see our children become good and productive citizens.

See ya at the polls!

Still caring &
A Proud Grandma,
Jean Goeden

.....

March 25, 1988

To the VOTERS of the Kewaskum School District:

If you did not attend, or if you have not had a chance to watch the Voters Forum on cable television at which the three candidates for the Kewaskum School Board were questioned you need to have the following information:

Ed Slegler said these things:

(1) A 6% raise was not enough for the teachers, he wants teachers to get bigger raises;

(2) Beechwood Elementary School should be re-opened and the 6th graders should be moved again.

Don't you think we should be trying to keep costs down and put our tax dollars into good educational things?

A vote for Ed Slegler is a vote for more tax costs we don't need!

I would like to take the opportunity to correct some reporting by the West Bend News. Mr. Weare works as a sales representative for a company out of Milwaukee. He is not unemployed.

A Concerned Citizen,
Marilyn Haug

**FACSIMILE BALLOT NOTICE OF
SPRING ELECTION
APRIL 5, 1988**

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:
Notice is hereby given of a spring election to be held in the several wards in the County of Washington, on the 5th day of April, 1988, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a county referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS
Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the nonpartisan election, the elector shall make a punch or a hole or depress the lever, at the right of the candidate's name for each office for whom he or she intends to vote, or write in the name of the candidate of his or her choice on the ballot envelope or in the space provided.

When casting a presidential preference vote, the elector shall select the party of his or her choice and make a punch or a hole at the right of or depress the lever next to the candidate's name for whom he or she intends to vote or shall, in the alternative, make a punch or a hole at the right of or depress the lever next to the words "Uninstructed delegation", or shall write in the name of his or her choice for a candidate.

On referendum questions, the elector shall make a punch or a hole at the right of "yes", or depress the lever, if in favor of the question, or the elector shall make a punch or a hole at the right of "no", or depress the lever, if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initiated by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided as the punching is done. After casting his or her vote, the elector shall leave the booth or machine, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

Cub Scout News

Den 1 Report
In February we worked on projects for the Blue and Gold Dinner.
In March we talked about weather and were weathermen for a day. We made hot pretzels and ate them for snacks.
Den 2 Report
In March we did space activities. We did a Robot crossword puzzle. We also did two word search puzzles, Alien Invasion and Moon Struck. We played a game called Spaceship Race. It was a lot of fun. We made paper bag masks and used them in our den skit. 'A Trip to the Moon.' We also made posters showing cubscouts in the future. We have all been busy working on badges and arrow points, too!

Den 3 Report
This month we explored our solar system. We each picked a planet and gave a report during our meeting. All of us made mini planetariums from tin cans. We also made a marble space game.
We made something for Easter and made parts for Scout -O-Rama project. We had fun by making our projects and playing many games.

Den 4 Report
At our den meetings this month we made kites out of paper bags and we made kite reels, too. We also watched a VCR tape of the Pine Wood Derby contest. We took a trip to the Hobby Shop in West Bend and looked at the trains and watched radio car races.

Den 5 Report
We've been busy planting

our own flowers from seeds to put in a planter for our elderly friends. We also spent the month learning the proper way to use sandpaper. We took our time and were very fussy on the finished product - a kitchen cutting board.
We played a word search game and our den assistant gave out prizes.
We also have been busy working on our arrow patches.
Webelo Report
We went to the Eagle Cave and had a great time. We worked on science experiments. We also worked on our Engineer badge by making catapults. We finished our craftsman badge.

County Separated and Divorced to Meet

Washington County separated and divorced men and women meet every Friday, 7:30 to 9:30, at Sacred Heart Church, Allenton.
Their purpose is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.
April 1 - Good Friday - Slide Presentation on Holy Shroud of Turin - Father Zens.
April 8 - Children of Divorce - Pat Docktor.

Free Blood Pressure Screening in County

The Washington County Cardiovascular Risk Reduction Program is offering free blood pressure screening at the following sites during the month of April. This program is sponsored by the Washington County Community Health Nursing Service and the American Heart Association.
April 2 - Dick's Ambulance & Rescue Service, 411 Kettle Moraine Dr. S., Slinger, 10 a.m. - 12 noon.
April 9 - West Bend Fire Department, 320 N. 7th Avenue, 1 p.m. - 4 p.m.
April 16 - Richfield Town Hall, 4128 Hubertus Road, 10 a.m. - 12 noon.
April 23 - West Bend Fire Department, 320 N. 7th Avenue, 1 p.m. - 4 p.m.
Questions about the program may be directed to Doris Dauer, Coordinator, at 338-5274, 644-5204 or 342-2929.

Receives Degree At UW-LaCrosse

Janet L. Carpenter, BS majoring in finance, 148 Mill St., Campbellsport, was among the 576 candidates to receive degrees at the 23rd annual midyear commencement ceremonies Saturday, Dec. 19, at the University of Wisconsin - LaCrosse.
A total of 496 undergraduates and 80 graduate degrees were conferred.

NOTICE OF SCHOOL BOARD ELECTION

(Sec. 120.06(8)(c))
Notice is hereby given to qualified electors of the School District of Kewaskum that on Tuesday, April 5, 1988, a spring election of school board members will be held. Candidates for the school board are as follows:

- Neal D. Weare
Perry M. Ankerson
Derry L. Amundson
Edward J. Slegler, Jr.

Electors are to vote for two (2).

The referendum questions are:

- Should the Beechwood Elementary School be reopened?
YES [] NO []
Should the sixth grade students leave the Kewaskum Middle School and be returned to the elementary schools?
YES [] NO []

Electors will vote in their regular polling places. Polls will be open at 9:00 a.m. and close at 8:00 p.m.

Dated this 28th day of March, 1988.

PENNY JO KLEINHANS ACTING DEPUTY CLERK

FACSIMILE BALLOT NOTICE OF SPRING ELECTION April 5, 1988

OFFICE OF THE SCHOOL DISTRICT OF KEWASKUM ACTING DEPUTY CLERK

TO THE ELECTORS OF THE SCHOOL DISTRICT OF KEWASKUM: Notice is hereby given of a spring election to be held in several wards in the Counties of Washington, Fond du Lac and Sheboygan on the 5th day of April, 1988 at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote for a school referendum.

INFORMATION TO ELECTORS
Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the nonpartisan election, the elector shall make a punch or a hole or a cross (X) in the square at the right of the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of the candidate of his or her choice on the ballot envelope provided or in the space provided.

If you choose to vote on any referendum question make a punch or a hole in the square or make a cross (X) in the square beneath the question to the right of "yes" if in favor of the question, or make a punch or a hole or make a cross (X) in the square to the right of "no" if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is punched or marked, it shall be inserted in the envelope provided so the punches do not show or folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the booth, and deposit the envelope containing his or her ballot in the ballot box and where paper ballots are distributed to electors, deposit his or her folded ballots in the proper ballot boxes, or deliver the ballots to an inspector for deposit. The unused ballots should be deposited in the blank ballot box, and the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

New Postal Rates to Go In Effect April 3; 'E' Stamps Available

The cost of mailing a First-Class letter will rise to 25-cents beginning Sunday, April 3rd, but Milwaukee Division General Manager/Postmaster Norman L. Miller urges customers not to wait until the last minute to make their new stamp purchases.

"We have an ample supply of the new 'E' stamp available for sale at all post offices, stations and branches," Miller said. "The stamp has a postage value of 25 cents, the new First-Class rate, and will remain on sale until we receive new denominated postage that conforms with the new rate. Also, we have a good supply of one-, two- and three-cent stamps that can be used with customers' existing stocks of 22-cent stamps to meet the new First-Class rate."

Miller emphasized that the "E" stamps are for use within the United States only. "Their use is prohibited on international mail, which requires denominated postage," he said.

The new First-Class rate and increases for other classes of mail were approved March 22nd by the Governors of the U.S. Postal Service. It is the first rate adjustment in more than three years.

The increase for First-Class Mail represents a 13.6 percent rise while the cost of second-class mail (magazines, newspapers) will rise 18.1 percent, bulk regular third-class will go up 24.9 percent and parcel post will increase 14.8 percent.

Not all the rates went up. According to Miller, the minimum cost for sending an Express Mail letter will be \$8.75 for up to eight ounces. Previously it cost \$10.75 to send up to two pounds via Express Mail, from eight to 32 ounces (two pounds) will cost \$12. "This will be a big help to those who use Express Mail for light-weight letters," he said.

"In the three years since the last rate increase, the Postal Service, like most businesses, has experienced rising costs on many fronts — operations, transportation, supplies, labor and health and retirement benefits," Miller explained.

"For example, our delivery network has expanded rapidly since 1985 to reach a growing number of businesses and households created in the strong economy. Nationally, we're delivering to some seven million more addresses, which requires putting 12,000 more letter carriers on the streets each day," Miller said.

But Milwaukee Division General Manager/Postmaster characterized the coming rate increase as a moderate one and needs to be put in perspective.

* To the average householder, the April rate hike will amount to less than 20 cents a week from the family budget, under \$10 a year in added expenditures.

* When adjusted for inflation over the years, the coming 25-Cent First-Class rate is only seven-tenths of a cent more than the First-Class rate was in 1971.

"And, of course, even at 25 cents the United States First-Class postage is still the lowest of any western, industrialized nation," he said.

The "E" stamps, which feature a colorful view of the Earth from space, appear in panes of 100; coils of 100, 500, and 3,000; and booklets of 20. They may be purchased at any post office.

During the phase-in period for

the new rates, the "E" stamp can be ordered and paid for with MasterCard or Visa by calling 1-800-STAMP-24. There is a \$12.50 minimum and a \$2 service charge on each order.

XYZ CLUB SKAT RESULTS

The winners on Wednesday, March 23, played by the Senior Citizens XYZ Club at the Legion Hall in Kewaskum were: Willy Blecher 23-1-22 net; Francis Gilboy 26-4-22 net; Frank Kadinger 14-2-12 net; Marvin Martin 12-2-10 net; Jim Andrae Heart Solo vs 4; Ken Kaschner Grand Schneider 160 points.

FACSIMILE BALLOT NOTICE OF VILLAGE ELECTION

Village of Kewaskum, Wisconsin

April, 5, 1988

Notice is hereby given of a village election to be held in and for the Village of Kewaskum, Washington County, Wisconsin, on the 5th day of April, 1988, at which the officers named below shall be chosen.

INFORMATION TO ELECTORS

The following instructions are given for the information and guidance of electors:

- (a) Upon entering the polling place, an elector shall give his or her name and address before receiving the ballot card and ballot envelope from the ballot clerk. The initials of 2 ballot clerks must appear on the ballot card envelope. Upon receiving the ballot card and ballot card envelope, the elector shall retire alone to a voting booth and punch/mark his or her ballot card and ballot card envelope. A ballot clerk may inform the elector of the proper manner for punching/mark a ballot card and ballot card envelope, but he or she shall not in any manner advise or indicate for whom to vote.
- (b) To vote for a person whose name is printed on the ballot, insert your ballot card with both hands, be sure the pins are through the two holes, hold the punching device straight up and down, press down firmly opposite the candidate and/or proposition selections of your choice.
- (c) Write-in voting. To vote for a candidate whose name does not appear on the printed ballot, use the ballot card envelope to "write-in" the office and the candidate's name.
- (d) The ballot card and ballot card envelope should not be punched/marked in any other manner. If you incorrectly punch/mark, tear, or deface the ballot card or ballot card envelope, return it to the election judge for another one, but not more than 3 ballot cards or ballot card envelopes shall be issued to any one elector. Not more than 5 minutes' time shall be allowed to punch/mark the ballot card or ballot card envelope. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot card or ballot card envelope may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot card or ballot card envelope is punched/marked.
- (e) After the official ballot card or ballot card envelope is punched or marked, remove your ballot card, place it in the ballot card envelope and take it to the inspector at the ballot box, hand him or her the ballot card envelope with the ballot card placed inside, to be placed in the ballot box, and leave the polling place promptly.
- (f) An elector may be assisted by 2 election officials of different political parties in punching or marking the ballot if he or she declares to the presiding official that he or she is unable to read or that due to physical disability he or she is unable to punch or mark his or her ballot. If an elector declares that he or she is visually handicapped; he or she may have anyone assist him or her in punching or marking his or her ballot card or ballot card envelope. The presiding official may administer an oath to a person's disability.
- (g) Any qualified elector who is absent, or expects to be absent from the village in which he or she is a qualified elector, or who, because of sickness or disability cannot appear at the polling place on election day, may vote at such election by means of an absent voter's ballot card or ballot card envelope to be secured upon application to the Village Clerk, not more than sixty days and no less than three days, or be personal application, not later than the close of office hours on the day prior to such election.
- (h) The following is a sample of the official ballot:

NOTICE TO ELECTORS: This ballot is invalid unless initialed by 2 election officials serving as ballot clerks. If cast as an absentee ballot, the ballot envelope must bear the initials of the Municipal Clerk.

'Jean' Ramthun, Others Pass On

Mrs. Ruby "Jean" Ramthun, passed away Wednesday, March 30 at Froedert Memorial Hospital, Milwaukee. Funeral arrangements are pending at Miller Funeral Home, Kewaskum. Please call 626-2185 for information. A complete obituary will be published next week.

ADELA E. GEIDEL

Mrs. Adela E. Geidel, 87, of Kewaskum, passed away on Friday, March 25, at her home. She was born on February 11, 1901 in Kewaskum, the daughter of the late William and Minnie (Bothke) Windorf.

In 1925 she was united in marriage to George Windau and he preceded her in death. She then married Edward Geidel on May 22, 1937 and he also preceded her in death.

Mrs. Geidel was a member of the Lucas Lutheran Church in Kewaskum. Survivors include a daughter, Mrs. Doris (Robert) Bartelt of Kewaskum; a stepson, Merlin (Lucille) Geidel of West Bend; a brother, William (Margaret) Windorf of West Bend; two sisters, Mrs. Hilda Becker of Kewaskum and Mrs. Ella Smith of West Bend; two grandchildren, Mrs. Barbara (Thomas) Knorr and Mr. Richard (Janice) Bartelt, both of Kewaskum; three step-grandchildren, Patricia Geidel, Edward Geidel and Mrs. Mary (Terry) Driscoll, all of West Bend; seven great-grandchildren, Kristine, Laura, Robert and Jeremy Knorr, Kelly Jo, Rick and Jason Bartelt; three step great-grandchildren, Angela, Ryan, and John Driscoll and other nieces and nephews.

She was preceded in death by a brother Lehmann and a sister, Olive Christ.

Private funeral services were held at the Miller Funeral Home, Kewaskum on Sunday, March 27, with Vicar Ross Henzi officiating. Burial was in the Lutheran Memorial Park, Kewaskum. There was no visitation.

LAURA F. BACKHAUS

Mrs. Laura F. Backhaus, 87, of 611 Mill St., Kewaskum passed away on Monday, March 28, at Rock Knoll Health Care Facility in Plymouth. She was born on December 11, 1900 in the Town of Kewaskum, the daughter of the late William and Minnie (Wesenberg) Doms. On May 24, 1927 she was united in marriage to Alex Backhaus and he preceded her in death on May 13, 1977.

Mrs. Backhaus was a member of the Peace United Church of Christ in Kewaskum.

Survivors include two nieces,

Marion Doms of rural Kewaskum and Mrs. Adeline (Wilbert) Weinhold of Cascade; three sister-in-laws, Mrs. Alma Jandre of West Bend, Mrs. Lydia Williams of Westfield and Mrs. Norbert (Laura) Gatzke of New Fane, and other relatives and friends.

In addition to her husband and parents she was preceded in death by a brother, Arthur Doms.

Funeral services were held at Miller Funeral Home, Kewaskum, at 8:00 p.m. on Wednesday, March 30, with Rev. James Bettin officiating. Burial was in the Peace U.C.C. Cemetery, Kewaskum, at 10:30 a.m. on Thursday. Friends called from 5:00 p.m. until time of services on Wednesday at the funeral home.

WALTER EBERT

Walter A. Ebert, 73, of Route 1, Highway 45, Eden, died Monday, March 28, 1988, at his home.

He was born Dec. 18, 1914, in Osceola, to Otto and Ida Kutz Ebert. On June 29, 1957, he married Doris Mae Backhaus in Beechwood.

Mr. Ebert farmed in the Town of Osceola and was employed with Regal Ware for 28 years. He was a member of Trinity Lutheran Church, Dundee, and the 25 Year Club at Regal Ware, Kewaskum.

Survivors include his wife; two sisters, Mrs. Malinda Lepp and her husband Edward of Campbellsport, and Mrs. Leona Schiltz and her husband Ben of Kewaskum; one brother, Vilas of Campbellsport; nieces and nephews. Preceding him in death was a brother, Melvin.

Funeral services were held Wednesday at 8 p.m. at Trinity Lutheran Church, Dundee. The Rev. Anthony Schultz officiated. Burial was held Thursday at 11 a.m. at Union Cemetery, Campbellsport.

Friends called Wednesday from 4 p.m. to the hour of services at the church.

Twohig Funeral Home, Campbellsport, handled arrangements.

GORDON H. BARTH

Gordon H. Barth, 69, Milwaukee, a former Kewaskum resident passed away on March 21, 1988.

The Barth family were former Kewaskum residents. Gordon's father, the Rev. Henry Barth, served as pastor of Peace United Church of Christ, Kewaskum, from 1920 to 1925.

Gordon's maternal grandfather Mr. Weber ran a shoe store in the present Kewaskum Statesman building.

He is survived by his wife Catherine (nee Probst) and daughter Sandra (Charles) Lorenz; a sister Clara Backus; two brothers Armin and Vernon; a brother-in-law John (Marie) Probst; son-in-law of Anna Probst; other relatives

and friends.

Preceding him in death was a brother, Theophil.

Funeral services were held Thursday, March 24 at 10 a.m. at Mt. Tabor United Church of Christ, 4920 N. Sherman Blvd., Milwaukee. Entombment was at Wisconsin Memorial Park.

Friends called at the Franzen, Jung, Kaufmann and Weiland Funeral Home, W. Appleton Ave. at N. 76th St., Milwaukee, on Wednesday from 4:00 to 8:00 p.m. and at the church on Thursday from 9:30 a.m. until the time of services.

Mr. Barth was a member of the Dorn-Tell Post No. 7429 VFW.

EDWARD A. "RUDY" RUDOLPH, SR.

Edward A. "Rudy" Rudolph, Sr. of N. Elm St., Campbellsport, died March 16 at St. Mary's Hospital in Port Washington at the age of 85.

He was born May 25, 1902, in Kewaskum to Albert and Ella Kraetch Rudolph. On May 28, 1927, he married Anna Schramm in Fond du Lac. She died in 1986.

Mr. Rudolph was retired from the maintenance dept. of the Campbellsport School District. He also served as a former Village Marshall and Fire Chief for the Village of Campbellsport.

Survivors include one son, Edward Jr. (Karen) of Port Washington; 3 granddaughters and one brother, Aaron (Dorothea) of Oconto Falls. He was preceded in death by his wife and one brother.

Funeral services were held on Sunday, March 20, 1988, at Eernisse Funeral Home, Port Washington, at 3:30 p.m. The Rev. James Liebnow, pastor of 1st Congregational Church in Port Washington, officiated. Visitation was held on Sunday, March 20, from 12:30 to the time of services. Burial was in St. Matthew's Cemetery, Campbellsport.

BILL BROOKINS

Bill Brookins, 56, of 940 Kingston Drive, Bradenton, Fla., 34210, died Monday, March 28, 1988, in Orlando, Fla.

He was born on Aug. 21, 1931, in Fond du Lac, to Win and Lydia Ehrhardt Brookins. In 1949 he married Delores Grahl at Immanuel-Trinity Lutheran Church.

Mr. Brookins operated the Eden Market until 1977, when he moved to Florida.

Survivors include his wife; two daughters, Pat Elsinger and her husband Dave of Eden, and Nancy Wagner and her husband Nick of St. Cloud; three grandchildren; and one sister, Jo Ann Fisher and her husband Kenneth of Jefferson. Preceding him in death were his parents, and one brother Eugene.

Private services were held in Bradenton.

Memorials in his name may

be directed to Camp Vista of Campbellsport or Edgewood Boys Ranch of Orlando, Fla.

CARD OF THANKS

It is with sincere appreciation we wish to express our thanks to relatives, friends and neighbors for their expressions of sympathy received during the recent bereavement, the death of our wife, mother, mother-in-law and grandmother, Marie Gloede. Special thanks to Father Robert Berghammer, pallbearers, Holy Trinity Choir, St. Matthew's Mixed Choir, organist, Ladies Altar Society, donors of memorials, spiritual and floral tributes and donors of food, the kind and caring staff at St. Agnes Hospital, Dr. Hugh J. McLane, Twohig Funeral Home and each one who assisted in any way.

Gilbert Gloede
Rick and Debbie Disterhaft
Stephanie and Eric Gassner

IN MEMORY

In loving memory of our dear son and brother, GARY H. BOHN, who passed away three years ago, March 31, 1985:

Three years has passed since that sad day
The one we loved was called away
God took him home, it was His will
But in our hearts he liveth still.
Sadly missed by his family.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg of whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

L.K.

IN MEMORY

In loving memory of August Voeks, who passed away thirty years ago, April 4, 1958:

The world may change from year to year
And friends from day to day
But never will the one we loved
From memory pass away.

Sadly missed by the family.

THANK YOU

I would like to give special thanks to my family, relatives and friends for their visits, cards and phone calls while a patient at St. Joseph's Hospital and at home recuperating.

Bernice Ramthun

The annual Kewaskum FFA rabies clinic will again be held in the high school ag shop. It will be on Tuesday, April 12. The shots will be administered by Doctor Charles and Doctor Greg Ogi. The cost will be greatly reduced to \$5.00 per animal.

Pictured above are Drs. Greg and Charles Ogi administering rabies shots to some happy little dogs. Also pictured are Scott Volm and Dallas Wodsedalek helping along with some of the larger animals.

25 Years Ago

March 29, 1963

The fifth annual Dairy Day program sponsored by the Kewaskum Business Association Saturday at the high school was the most successful held and was attended by a record crowd. Almost 1,000 persons, the largest number ever, were served a free noon dairy lunch in the school cafeteria beginning at 11:30 a.m. Alice in Dairyland spoke before crowning Judith Hohlweck, daughter of Mr. and Mrs. Carl Hohlweck, Route 1, Allenton, as Dairy Day queen.

It is hoped that the more than 15,000 people who took part in the first oral polio vaccine clinic will return to take the second step in the eradication of all types of polio in Washington County.

A daughter, Jody Lyn, was born to Mr. and Mrs. Jules Dreher, Pleasant Prairie, on March 21, at St. Joseph's Hospital, West Bend. The grandparents are Mr. and Mrs. Earl Dreher and Dr. and Mrs. R. G. Edwards of Kewaskum. Daughters were also born to Mr. and Mrs. Vincent Nigh, Kewaskum on March 11; to Mr. and Mrs. Howard Zemlicka, Kewaskum, on March 22, and to Mr. and Mrs. Lawrence Galabinske, Kewaskum, on March 25. A daughter, Karen Jean, was also born to Mr. and Mrs. James Feiten, Route 1, Kewaskum, on March 19. A daughter was born to Mr. and Mrs. Gerald Guldán, West Bend, on March 26. Mr. Guldán is the son of the Irwin Guldans of Kewaskum.

A son was born to Mr. and Mrs. Stewart Rochwite, Route 3, Campbellsport, on March 20.

week Otto Backhaus and son were at work seeding the field so that grass will make its appearance by the time the baseball season gets underway. Last Fall the school board purchased an additional parcel of land to the east of the baseball grounds from the August Bilgo estate for \$1,250.00. This piece of land will hold the ball grounds, which will be moved approximately 200 feet east of its former location, providing a much larger playing field and eliminating the hazard of the school building in left field. The School board also set aside \$700 for the building of a new grandstand. Work on this project was delayed in fall but will be started this weekend or the forepart of next week as part of the equipment has already been transported to the grounds. The spacious grandstand will be erected in the southeast corner of the purchased parcel of land. With the acquisition of this large new area the school will have a campus upon which can be placed a football field, softball diamond and quarter mile track, besides the baseball diamond. The grounds already contain tennis courts and playground equipment.

Release of \$75,000 by the state for the beginning of the long time task of creating one of the most unusual parks and forests in America, the Kettle Moraine region which extends through Fond du Lac, Sheboygan, Washington, Waukesha, Jefferson and Walworth counties was announced in Madison Monday. Several crews are already at work, some of them in Fond du Lac County, preparing the outline of the vast area which eventually will become one of the leading recreation centers in the country. The forest will be a meandering strip of land beginning

in northern Sheboygan County, varying in width from two to ten miles and extending south and slightly westward for 100 miles. It will roughly coincide with what geologists know as the kettle moraine. This is the disintegration area of the great glacier that came down from the north in the ice ages, centuries ago, and deposited its gravel, sand, boulders and clay to form what is known as a terminal moraine. A kettle moraine is a terminal moraine marked by huge pits or kettle holes, many of which become lakes.

Mr. and Mrs. Charles Krueger of Sussex moved their household furniture and blacksmith equipment into the Otto Stark building, near the bridge on East Main Street, the forepart of the week. Mr. Krueger comes to this village very highly recommended and will do general blacksmithing and welding in the former Stark shop.

Death claimed a widely known and well liked young man when Elmer Martin, 34, a resident of this village, passed away on March 28, following a brief illness with nephritis.

A venerable resident of the Town of Kewaskum since she was 17 years old, Mrs. Leonard Volm, 75, nee Mary Klein, passed away on March 24, death being caused by

a cerebral hemorrhage.

A baby girl was born to Rev. and Mrs. Richard M. A. Gadow of this village on March 25th. A baby girl was born to Mr. and Mrs. Lester Ensenbach of Route 3, Kewaskum, on March 24. A ten pound baby boy was born to Mr. and Mrs. Edward E. Miller of this village on March 27. A nine pound baby boy was born to Mr. and Mrs. Ewald Rauch of South Elmore on March 29. The mother is the former Miss Ruth Menger of Wayne.

girl was also born to Mr. and Mrs. Jacob Weinert, Kewaskum, last week Saturday. A baby boy was born to Mr. and Mrs. Albert Oppenorth of Kewaskum last week Saturday. A baby boy was also born to Mr. and Mrs. Frank Zwaskha at West Bend last week Saturday. A baby girl was born on March 18th to Mr. and Mrs. Dan Calvey of Dundee. A baby boy, sub mail carrier, arrived by parcel post at the home of Mr. and Mrs. Herbert Backhaus of Kewaskum last Wednesday morning.

75 Years Ago

March 29, 1913

It is with mingled feelings of sorrow and regret that we are compelled to announce the death of Chas. Miller, Kewaskum, who passed away at the St. Agnes Hospital at Fond du Lac during the wee hours of March 24th. Death being due to embolism seven days after undergoing an operation for strangulated hernia from which he had all but recovered.

The town caucus held in Groeschel's Hall in this village last Saturday afternoon was quite well attended, with ninety votes being cast. The only opposition on the ticket was for treasurer, three candidates being in the field, Albert Kocher, August Schnurr and Chas. Muckerheide, the former being nominated. The nominated ticket is as follows: Chairman, Emil Backhaus; Assistant Supervisors, August B. Ramthun and Gerhard Fellenz; Clerk Louis Backhaus; Treasurer Albert Kocher; Assessor Jacob Schaeffer; Justice of the Peace for two years, Frank Van Epps, Louis Backhaus and August Schnurr; for Constable, Herman Backhaus Jr. and Emil Siegel. The caucus committee for the year 1914 will consist of William Muckerheide, August Kirchner and Hubert Fellenz.

A severe snow storm swept over the Wayne vicinity last Friday and Saturday, which made Easter appear like Christmas.

The marriage of Miss Frieda Pamperin to Bernard Jagow was solemnized at the home of Mr. and Mrs. John Pamperin on Tuesday.

Jake Theusch and wife of St. Michaels are the happy parents of a little baby boy born to them one day last week. A baby girl was born to Mr. and Mrs. Otto Dorn of Kewaskum on Monday. A baby

Career Decision Mini-Class to Begin At MPTC Monday

Deciding on a career these days is not as easy as it used to be. There are thousands of different job titles in the nation and figuring out which one is right for you can be an overwhelming experience.

The Career Lab on Moraine Park Technical College's West Bend Campus is trying to make the decision a little bit easier by conducting a free, Career Decision Mini-Class beginning April 4.

The classes are designed to help anyone who needs advice or direction in determining their career goals. Through the use of personality, interest and aptitude testing, the students will learn what career areas best suit them. The classes will also help students understand and set realistic career goals. Before completing the course, each student will plan their own employability development program.

The class meets April 4, 5 and 7, from 9 a.m. to 12 noon, in the Career Lab on the West Bend Campus. The class will repeat each month during Moraine Park's spring semester.

To register for this mini-class, call the West Bend Campus at 334-3413, Ext. 30.

This Nature Photographer Is Strictly for the Birds

Being the wife of a preacher keeps Sally Joiner of Saginaw, Michigan in church on Sundays, but Sally and her husband Darrell spend a good deal of their free time in a much larger cathedral.

The outdoors is a home away from home for the Joiners, who have been avid nature buffs for 15 years. Before moving to Saginaw two years ago to accept a ministerial position at the First Congregational Church, the Joiners lived in Kewaskum, Wisconsin where they enjoyed fishing, hiking, and nature study. Sally's interest in photography began when Darrell was Pastor at Peace Church, in Kewaskum, from 1976 to 1985.

Although, the Joiners have been avid photographers, it wasn't until the move here that Sally's interest in photography turned to birds. "I enrolled in a correspondence photography course offered by the Laboratory of Ornithology at Cornell University, and quickly became consumed with the challenge and excitement of bird photography," she said.

Many of the nation's best-known photographers and naturalists have taken this course including Roger Tory Peterson.

She describes her ultimate photographic challenge as a full-frame 35mm photograph of a small bird like a tufted titmouse in a natural setting. If the challenge sounds easy, try it sometime, but be sure to bring lots of film "The first thing I learned about bird photography is that birds will not pose for you," Sally smiled.

To consistently take sharp photos, bird photographers use telephoto lens and blinds to get close to their subjects.

To insure a good supply of birds to photograph, she sets up bird feeders full of sunflower seed and beef suet in her yard. Once the birds become accustomed to visiting the feeders, it's an easy task to locate specific branches and twigs where the birds routinely crack and eat the seeds.

By keeping the camera trained on the right branches and remaining motionless, the odds of getting a good photo are increased considerably.

Baiting them with food works well for most of the common feeder birds, however many birds are not attracted to feeders and must be photo-

graphed in their natural habitat. Sally and Darrell always keep an eye out for new species to photograph, but the favorite bird of the Joiners are the snowy owls that winter in Michigan.

"The mistake most bird photographers make is being stingy with their film," says Joiner. Shoot, shoot and shoot some more if you want the best bird photos, she advises. Film is the cheapest part of being a photographer.

Serious bird photography can be very expensive, but Joiner suggests that many excellent photos can be taken with basic equipment. A 70mm-210mm lens is the most versatile lens for bird photography. Use a blind to get close or place your bird feeders near a convenient window and shoot through the glass.

A blind can be as simple as a blanket thrown over the photographer to hide movement. The beauty of bird photography is once you take a few pictures, there is always room for improvement. That one shot that captures a bird full frame in a natural setting has eluded even the best of photographers.

Taken in part from Saginaw, Michigan news

Wisconsin County Map Atlas Available

As important as gasoline when traveling in the State is the Wisconsin County Map atlas.

This 128 page edition includes separate maps for each Wisconsin county. The maps include all Federal, State, County and Town roads. Symbols in a second color overlay show airports, points of interest and scenic tours within each county. Included on each map are symbols for public hunting grounds, state and county parks, and recreation areas. This book will be sent by mail by forwarding \$9.95 per copy to: Wisconsin County Maps, Stock Number 15M-1087 R.P., P.O. Box 5096, Madison, WI 53705-0096.

A special feature of the edition is a complete alphabetical (by county) list of all Wisconsin named lakes. This index includes lake location, size, depth, if there is public access; plus fish species present in the lake.

Free Assistance Available for Filling Out 1987 Income Tax Forms

If you can't fill out your 1987 income tax forms or can't afford to pay someone to help you, free assistance will be available at the West Bend Community Library on Wednesdays, starting Feb. 24 and continuing through April 13.

Help will be provided from 6:30 to 8:30 p.m. by specially trained students from the University of Wisconsin Center - Washington County. The students are being trained on Feb. 13 and 20 as part of the Volunteer Income Tax Assistance (VITA) program of the Internal Revenue Service.

Sarada Prasad, assistant professor of business at UWWC and coordinator of the volunteers, said that community persons are welcome to take the training and work through VITA. For more information, contact her at 338-5200.

VITA (pronounced veye-tah) has been in existence since the late 1960s. During 1986, about 26,000 people received assistance at about 100 Wisconsin sites.

Last year, 13 business and accounting students at UWWC received three days of VITA training for this year's tax season. Bill Hoyer of Wauwatosa, an IRS taxpayer service representative, handled the sessions.

After the training ended, Hoyer praised the VITA program and its volunteers. The program, he said, is "exciting, growing and living," and Wisconsin people are "responding very well." Along with serving those who "can't afford" to pay for tax help, he said, VITA serves those who are unable to fill out forms including the elderly, non-English speaking and handicapped.

The most common question asked of VITA is whether or not a person has to file a return. The elderly, Hoyer said, are often "afraid something will happen if they don't file."

Homestead questions are the "second biggest" concern heard by VITA workers, according to Hoyer.

The third most-common category are general questions such as: "Do I have to report interest?" "Can I take child-care credit?" "Can I claim somebody as my dependent?"

Hoyer said he is impressed by the volunteers he trains. "Americans are seeing a return to volunteerism," he said. "It

has always been important to this country."

VITA volunteers may find some special benefits from their efforts, he added, noting that students' service becomes a part of their school record. "That may help when they get out of school and look for a job," he said. "Employers will see that they were willing to help out and had more on the ball. That can pay off."

While Hoyer fields a lot of phone complaints from people who claim the tax system is unfair, he takes a different view. "Taxes are an investment in the future," he said. "You see more and more people getting involved in government to see how taxes are spent."

"That's good. That's how the founding fathers viewed it in the beginning."

VITA volunteers will help prepare federal forms 1040 EZ, 1040 A, Form 1040 with A and B, Schedule W and Form 2441; and state forms WI-Z, Form IA, Form 1 (simple) and Homestead.

For more information, call VITA toll-free at 1-800-424-1040.

SHEEPSHEAD WINNERS

5 handed winners on Wednesday, March 23rd were: Vern Schneider 59-4-55, 20-3-17; Mathelda Rady 63-9-54, 21-5-16; Rosie Ritger 61-9-52, 17-5-12; Jerry Darmody 57-8-49, 15-3-12; Rose Meunier 61-12-49, 16-8-8.

The next 5 handed will be Thursday, April 7th & Wednesday, April 13th at 8:00 p.m. Schmitt's Never Inn.

Popcorn will pop better if you leave it in the freezer for a full 24 hours before using.

Panzer Leads State Effort to Support Ice Age Trail

State Representative Mary Panzer (R-West Bend) has successfully restored language in the Governor's budget to establish an Ice Age Trail Match/Grant Program. Panzer commented, "This Program will further cement the public/private partnership that has developed behind the dream of a state-wide Ice Age Trail."

Under the Ice Age Trail Match/Grant Program, a \$500,000 fund will be established to match one dollar of state funds with every two dollars worth of private sector contributions. "This initiative is patterned on the very successful Natural Heritage Match/Grant Program," Panzer added, "and is designed to further encourage the private donation of land and dollars to the Trail."

During the past two years the non-profit Ice Age Park & Trail Foundation has been working to purchase key parcels of land or easements connecting the 11 segments of the Ice Age Trail across the state.

"While the Foundation has experienced tremendous success so far," Panzer noted, "a great deal of additional public support will be necessary for this Wisconsin natural resource project to succeed. This legislation should help make that goal a reality."

Panzer commended both Governor Thompson for recognizing the advantages of the matching fund, and Trail Coordinator Gary Werner for his involvement in the program's development.

**Common Sense Protects
Forest Homes from Wildfires**

We all lose indirectly when any of Wisconsin's forests are damaged needlessly in a wildfire. But if your home is in or near a wooded area, the potential for personal loss is much greater.

Whether your country home is a year-round residence or a summer cottage, it is vulnerable to damage from a wildfire and needs special protection, according to Earl Meyer, Wisconsin Department of Natural Resources fire suppression specialist.

Now is a good time of year to do what you can to protect your property, advises Meyer. This year's Wildfire Prevention Week runs from April 17-23. The threat of spring wildfires increases when snowcover is gone and only dead or dry vegetation remain covering the ground.

"Protecting your forest home from fire requires the common sense that applies to all fire prevention," said Meyer. "You have to anticipate problems and hazards, and do something about them."

"Wildfires are fueled by dry vegetation. Clearing a fuel-free area around your home or cottage will serve as a fire break and can prevent ground fires from creeping toward your home."

To create a fire break around your home, Meyer advises that you remove conifers (evergreen trees) growing close to the building and thin other trees so they are spaced about 25 feet apart. Prune tree branches to at least six feet above the ground and don't allow underbrush, twigs or branches to accumulate under porches or houses with no foundations. Keep grass and plantings near your home cut short.

It may be convenient to pile firewood close to the back door, but that dry wood creates a hazard and should be kept away from the house. And don't store gasoline near your building.

Your home's roof is another important area that requires attention. Meyer suggests making it as fire resistant as possible each spring by clearing leaves and needles from the roof and gutters.

"The other side of the coin," added Meyer, "is to not let your house be the cause of a wildfire."

"You can do that by cleaning your chimney every year, keeping the dampers on heating units in good repair, and never

leaving your house while a fire is burning in the fireplace. Have your electrical system checked for faulty wiring, and replace unsafe cooking or heating equipment."

In addition, rural residents should be prepared to take the initial action on fires.

"With some of your own fire-fighting equipment on hand, you can slow a fire's spread until help arrives," noted Meyer.

He suggests rural residents invest in a long-handled, pointed shovel and a rake to fight surface fires. A ladder long enough to reach your roof is also a good idea, along with a fire extinguisher and an axe or chainsaw.

If you have running water, keep a hose available. When running water isn't available, keep rain barrels full of water and a pail nearby.

"Most people-caused wildfires can be prevented with common sense, caution and knowledge of fire prevention's simple rules," said Meyer. He suggests that people with rural homes or cottages contact their local DNR office or ranger station and ask for suggestions on how to protect their property from wildfire.

**Hobbies Profitable
For Senior Citizens
Of Fond du Lac Co.**

Are you among the fortunate people who have a hobby? Do you realize that many hobbies can be profitable?

Many senior residents of Fond du Lac County 55 years of age or older have discovered that this is the case. Each Monday, from 10:00 a.m. to 3:00 p.m. - (one hour earlier, beginning April 1, due to clerical work) - crafters wend their way to the Gillett Room in the Senior Center with every conceivable proof of their skills. Here they are serviced by the volunteer Intake Coordinator, Bev Furhmann, and her volunteer staff: Jean Welch, Lucile Freund, Mae Klipstine, Lois Krug, Ruth Schumacher, Evelyn Shepro, and Helen Tetzlaff.

The annual \$4 service fee, payable once a year when the consignee brings his/her crafts to the intake room, helps to cover the expenses of running the "This 'n That" Craft Shoppe, primarily for advertising and postage costs. Other overhead is covered by a

15% mark-up for the Center. To this is added the 5% sales tax. Business is good, for the gross sales for the 16 months that the shoppe has been open were \$18,852, with \$17,407 going back to the county-wide hand-crafters.

Items displayed in the shoppe that are not sold within a year are returned to the consignees. They are requested to pick up unsold seasonal items within ten days of the end of the season.

Stop in some day soon and see the wide variety of attractively displayed handcrafted articles. Items selling very well include wood-working items; fabric painting and embroidered items; knitted and crocheted items, especially infant wear; needlepoint; afghans; quilts, pillows; silver jewelry; and a large range of seasonal and holiday gift ideas. All are new and meet a quality requirement.

If you are interested in volunteering to work in "This 'n That," or have questions about the shoppe, call Berne Arnold, 922-0779, or stop in at the Center to complete a Volunteers Application form.

**Water Safety Instructor
Course to Begin April 6**

The West Bend Red Cross is offering a Water Safety Instructors Course.

The Red Cross Water Safety Instructors course enables the students who successfully complete the course to teach swimming lessons. The requirements to take the course are: you must be 17 years of age or older, have a current livesaving certificate, and be able to perform the swimmer skills.

The class will be held Monday and Wednesdays from 3 to 5 p.m. starting April 6th and completing on May 20th at the Y.M.C.A. pool.

To enroll, call the West Bend Red Cross at 334-5687.

**DNR Department of Natural Resources
Southeast District Headquarters**

**DNR CONDUCTING PILOT STUDY TO MAP ALL
NAVIGABLE WATERS IN OZAUKEE COUNTY**

The Wisconsin Constitution declares that all navigable waters are to be public. However, the term "navigable waters" has not always been crystal clear. Since the 1900's, the definition of what is navigable has been clarified several times by the Wisconsin Supreme Court. The current definition is that a waterway is navigable if it has bed and banks, and it is possible to float a canoe or other small craft on a reoccurring basis."

Up until now, the determination of what is navigable was done on a case-by-case basis. Many of the smaller lakes, streams and ponds have not been put through the navigability test. Since the concept of navigability is a crucial aspect of the state's water laws, the Department of Natural Resources will be conducting a pilot study to map all of the navigable waters in Ozaukee County.

Southeast District Headquarters staff will be conducting the study beginning in late March through mid-April, according to Vic Pappas, Water Management Specialist who is heading up the study.

"Several of our employees will be attempting to canoe the waterways throughout Ozaukee County," said Pappas. "If we find this study to be practical and also economically feasible, it could possibly be expanded statewide."

The study will be conducted over a two-week period. Twenty-four employees will canoe and map the waterways,

the Department will then be able to determine if a waterway is navigable and where navigability begins. A final report with maps will be completed by the end of year.

"I anticipate that many municipalities may receive calls from the general public regarding our activities," added Pappas. "If they have any questions, I can be contacted at (414) 562-9682."

**Sew Your Spring
And Summer Wardrobe**

Update your spring and summer wardrobe with a course at Moraine Park Technical College, West Bend. "Spring Fashions and Sewing" will meet on Tuesday nights, from April 12 to May 17.

Home economist/instructor Barb Shaw will discuss the latest colors and fabrics for spring and summer wardrobes and share her expertise in pattern selection and fitting, alterations and time-saving construction techniques. Beginning, intermediate and advance sewers are invited to enroll.

Fee for this 18-hour course is \$14.65. Sessions will meet at the Moraine Park Annex, 1702 E. Washington, West Bend, from 6:30 to 9 p.m. Advance registration is required. To enroll, call Moraine Park at 334-0909.

Cub Scouts Hold Pinewood Derby, Banquet

Derby winners, left to right, Doug Franzen, third, Brad Luterbach, second, Kevin Polzean, first.

A special recognition award was given to Marie, left and Earl Kleinke, right, by Cubmaster Fred Lettow and committee chairperson, Janice Oppermann.

One of the many skits presented by the Cub Scouts at the banquet.

Recognition for the best designed cars were Billy Lettow, third, Chad Schoofs, second, Mike Smith, first.

The January - February 1988 meeting of the local Cub Scout Pack #3744 started off in great form. January 23rd the boys attended a "LOCK-IN" at the West Bend YMCA Club. They arrived at the YMCA at about 7 p.m. and stayed overnight until 7 a.m. the following morning. A number of activities such as swimming, watching movies, basketball, volleyball, raquet ball were participated in by the boys plus the thrill of staying overnight at the YMCA made for an exciting evening of fun.

The Pinewood Derby races were held this year at the Kewaskum Middle School. Due to the heavy snowstorm which shut down much of the local area the Derby was held a week later than originally planned. The one week delay gave all the boys one last chance to make some last minute modifications to their vehicles before race time and heightened the overall excitement of the evening.

The races were held in separate "Heats" with two boys in competition each "Heat." Each boy was allowed to come in second in his race only twice and then was disqualified. Those boys coming in first in their respective "Heats" continued to pair off until ultimately we had our 1st, 2nd, and 3rd place finishes. The boys who had the fastest cars were as follows....first place Kevin Polzean, second place Brad Luterbach, third place Doug Franzen.

In addition to the winners of the overall race, recognition

was also given to the three boys who had the best designed cars as determined by all the boys of the pack. The boys judged to have the best designed cars were first place Mike Smith, second place, Chad Schoofs, third place Bill Lettow.

The process of designing, modifying, and finishing the vehicles within the prescribed rules was most challenging but a lot of fun as well for the boys, their dads, and everyone else involved. The response and participation by all parties made for a most satisfying evening for all who attended.

Amerahn of Kewaskum was the site for this year's Annual Blue-Gold Banquet which was an unqualified success again

this year. The hall was filled to capacity with boys, parents, scout leaders, and invited guests. Everyone not only enjoyed the good food and company, but the lively skits put on by the individual Dens themselves and by the Scout Leaders as well.

In addition to the many skits, awards, and other recognition given, the days main entertainment was provided by the "KLOGGERS" a 4-H Dancing Club from Milwaukee. The girls dancing numbers and demonstrations that they provided were lively, entertaining, and held the young fellows interest. The final numbers where the girls enlisted the support of the Scouts as dancing partners were well received by the boys who participated and those of us who looked on.

Special recognition was given to Earl and Marie Kleinke, owners of Amerahn for hosting this year's annual event in their fine hall. The Kleinkes had donated the use of the hall free of charge for the day's events. A plaque noting their generosity was given to them both on behalf of the local Cub Scout Pack #3744 by Cubmaster Fred Lettow and committee chairperson Janice Oppermann. We all appreciate their backing of our local Scouts and say "Thank You" not only to them but all who made this years Blue-Gold Banquet such a success.

General Clinic Aids In Detection of Colorectal Cancer

Dr. William Listwan, General Clinic Main,
with flexible sigmoidoscope.

Flexible sigmoidoscopy, an effective and more comfortable procedure for the detection of colorectal cancer, has been added recently to the services provided by the General Clinic, 279 S. 17th Ave., West Bend.

With a flexible sigmoidoscope, the physician is able to examine the walls of the lower part of the colon, the sigmoid colon and beyond, to look for signs of polyps, cancers or other abnormalities.

According to Dr. William Listwan, Internist, at the General Clinic, flexible sigmoidoscopy is more acceptable to most patients because it offers less discomfort than rigid sigmoidoscopy, which uses a firm plastic or stainless steel instrument.

An effective and accurate diagnostic tool, flexible sigmoidoscopy can be done in the doctor's office in an average time of about 12 minutes, Dr. Listwan noted.

The flexible sigmoidoscope is a 60 cm. tube containing light-carrying fiber-optic bundles covered with a synthetic material. Its specially controlled scope allows the physician to navigate the S-shape sigmoid colon to accurately observe any abnormalities.

The flexible sigmoidoscope is longer than the rigid metal sigmoidoscope but only one-third its diameter, making its insertion more comfortable to the patient.

The American Cancer Society recommends that everyone over the age of 50 have a sig-

moidoscopy, flexible if available. The first two should be one year apart and, if findings are negative, examinations should be repeated every five years. General Clinic primary care physicians agree and encourage their patients to undergo a sigmoidoscopy at the proper times for good health maintenance.

Colorectal cancer is a common form of cancer in the United States. The five year survival rate has remained stable at about 44 percent. However, estimates are that 75 percent of all colorectal cancer patients could be saved if their cancers were detected earlier and managed appropriately, according to the American Cancer Society.

Dr. Listwan noted that flexible sigmoidoscopy is an important adjunct to rigid sigmoidoscopy, which has traditionally been among services offered at the General Clinic.

While the benefits of flexible sigmoidoscopy are apparent, the risk of problems, such as bowel perforation, is no greater than that associated with rigid sigmoidoscopy. Professional training and education on the part of physicians and nurses has minimized the risk of problems, according to health experts.

Patients should consult their primary care physicians at the General Clinic for more information on the procedure or to arrange for an examination.

FAIRBOOKS AVAILABLE

The 1988 Washington County Junior Fairbooks will be available after April 4, 1988. General leaders must call the Fair Office to schedule pick-up time so that books will be labeled for all your club members. Also, if you were an open class exhibitor in 1987, you will automatically receive a fairbook.

If you wish to pick up books or would like to have a premium book mailed to you, please contact the Fair Office at 432 East Washington Street, West Bend or call 338-4485; 644-5204 or 342-2929.

New 2-Year Program For Webelos Scouts

David Trehey, District Executive, of Glacier Edge District 11 of the Bay-Lakes Council of the Boy Scouts of America, will introduce the new "Two-Year Program for Webelos Scouts" during a joint session of the Cub and Boy Scout Leaders, Thursday, April 7, at 7:30 p.m., in the All-Purpose Room of John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

All adult leaders of the Pack and Troop Committees are invited and all units should be represented. Detailed brochures covering the structure of the program will be distributed.

Separate sessions will follow the presentation. Boy Scout leaders will meet in the school library to discuss the procedures for Webelos to Boy Scout Transition. Cub Scout leaders will construct a Mother's Day and Father's Day gift. A Webelos Arrow of Light Ceremony, Webelos Activity Badges, Pack Summertime Activities and Field Trips will be highlighted.

BOARD OF CANVASSERS TO MEET APRIL 7

The Board of Canvassers will meet on Thursday, April 7, 1988, at 9:00 a.m. in the County Clerk's office. The agenda will be as follows:

1. Record votes cast for each candidate and reported by the towns, villages and cities in Washington County for the Spring Election of April 5, 1988.
2. Certify that the persons receiving the greatest number of votes for the respective office for which each was a candidate are declared to be elected at this Spring Election.
3. Any other business as authorized by law.

GLACIER EDGE ORDER OF THE ARROW TO MEET

Members of the Order of the Arrow of the Awase Lodge of Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will meet with Lodge Chief, Andy Winget, and Advisor, John Knapp, Thursday, April 7, at 7:30 p.m., at John Middle School, corner of Fifth and Hickory Streets, Grafton.

To Hold Public Test of Automatic Tabulating Equipment for Election

Notice is hereby given that the Public Test of the automatic tabulating equipment, to be used at the Spring Election on April 5, 1988, will be conducted in the Washington County Courthouse, Room 212, 432 E. Washington St., West Bend, Wisconsin, on Thursday, March 31, 1988 at 4:00 p.m.

This Public Test is open to the general public.
Chapter 5, Sec. 5.84

PUBLIC NOTICE LEAD AND DRINKING WATER

"Lead is a toxic metal which has been used in the construction of most household plumbing systems in Wisconsin. Water within the plumbing system will continuously dissolve the lead it contacts. The rate can vary greatly with variations in natural water quality and the age of the plumbing system. When water stands motionless for extended periods of time, such as overnight, lead concentrations in the water can sometimes increase greatly. For this reason, the State of Wisconsin is advising all residents to either:

1. Run your water in the morning for 2 or 3 minutes, or until it gets as cold as it will get before you drink it, and never drink water or make baby formula from the hot water tap.

OR

2. Find out how much lead your water is dissolving from your house plumbing system. A list of laboratories which are certified to test for lead in drinking water is available upon request.

The United States Environmental Protection Agency (EPA) sets drinking water standards and has determined that lead is a health concern at certain levels of exposure. There is currently a standard of 0.050 parts per million (ppm). Based on new health information, EPA is likely to lower this standard significantly.

Part of the purpose of this notice is to inform you of the potential adverse health effects of lead. This is being done even though your water may not be in violation of the current standard.

EPA, the State of Wisconsin, and others are concerned about lead in drinking water. Too much lead in the human body can cause serious damage to the brain, kidneys, nervous system and the red blood cells. The greatest risk, even with short-time exposure, is to young children and pregnant women.

Lead levels in your drinking water are likely to be highest:

- If your home or water system has lead pipes, or
- If your home has copper pipes with lead solder and
- If the home is less than 5 years old, or
- If you have soft or acidic water, or
- If water sits in the pipes for several hours.

Explanation of the Potential Sources of Lead in Drinking Water

The language in the draft brochure (How Can Lead Get Into My Drinking Water?) may be used verbatim for this section.

Discussion of Procedures for flushing Water Plumbing Systems.

Again, language in the draft brochure (How Can I Reduce My Exposure to Lead in Drinking Water?) may be used verbatim, and may be modified to suit your system characteristics.

Discussion of Any Steps Your System is Taking to Reduce Lead in the Water.

At this point you can discuss the results of lead testing which you may have performed. Bear in mind, however, that the past routine lead monitoring performed by the Department was performed on samples of flushed water, and do not tell you what the "first-draw" sample results might be.

Necessity of Seeking Alternative Water Supplies, If Any.

For single family residences, flushing should be the only measure necessary to reduce elevated lead levels. There may be instances, however, where large buildings such as schools or factories may have difficulty in clearing the lead from their plumbing systems by short-term flushing. If you have identified any such situations, please contact your Department representative, and we will assist you in determining appropriate advice.

Advice on How to Determine if Materials Containing Lead Have Been Used in Residences or the Water Distribution System.

Again the language in the draft brochure (Does My Homes Age Make A Difference? And My House Is New. What Should I Do?) may be used for this section, and may be modified to suit individual system conditions.

Basketball Seasons Ends at Holy Trinity

The 1987-88 season ended for Holy Trinity A Team with a record of 10 wins 0 losses in the Kettle Moraine Catholic League. Their successful season was due to the fact that these boys passed the ball very well and complimented each other. At times there were three player's in a game scoring in the double figures. When their offense was struggling, the

defense picked up the slack, which in return got the offense back into the flow of the game. The team worked extremely hard, and dedicated themselves to the game of basketball all season. The team was coached by Tony Butschlick.

All Star's for the team were Joel Fleischman, Keith Butschlick and Kim Marx.

The Holy Trinity girls basketball "A" and "B" teams both finished with records of 8 wins and 1 loss. This gave each team a first time league championship!

The "B" team consisted of 19 and 5th and 6th graders. As a team they scored an average of 22 points a game and held their opponents to 13. Hustle and determination was the key to their success.

All stars for the team were 6th graders; Tricia Butschlick, Christa Fleischman and Ginger Wiesner. Other 6th graders on the team were; Allison Bruendl, Jenny Heisdorf, Wanda Lauters, Sharyl Ramthun, Erin

Stoffel, April Waala, and Rachael Chambers.

The 5th graders who played are, Holly Reindl, Heather Reindl, Shelly Williams, Christine Neumann, Joann Theusch, Andrea Bonlender, Christine Schmidt, Missy Rohrer and Trisha Teofilo.

The "A" team was composed of 7th and 8th graders. Their average team score was 32 points to their opponents 19. The team, along with the 6th graders, participated in St. Kilians of Hartford tournament where they took 2nd place. In the tournament which consisted of 32 boys and girls teams they

also took the overall sportsmanship trophy. All season both teams displayed excellent sportsmanship on and off the court, win or lose. Excellent defensive play and a total team effort was the reason this years "A" team was #1!!

The All stars on the team were 8th graders Kelly Korth, Terri Vogt and Tammy Schmidt, other 8th graders are Jessica Rohrer, Nancy Neumann, Andrea Waala, and Julie Wilhelmi, 7th graders Kim Sabish and Nancy Koch.

The girls were coached by Jackie Herriges and Sharon Westerman.

HOLY TRINITY A TEAM BOYS

Front row, left to right: Kim Marx, Ryan Ramthun, Keith Butschlick, Joel Fleischman, Aaron Laatsch, Ryan Amerling. Back row: Chad Harlow, Tony Knoeck, Brian Bruendl, Tom Bauer, Coach Tony Butschlick, Adam Laatsch, Jim Marx, Willie Klahn. Not pictured: Aaron Rettler.

HOLY TRINITY A TEAM GIRLS

Pictured, left to right: Coach Sharon Westerman, Kim Sabish, Julie Wilhelmi, Andrea Waala, Tammy Schmidt, Nancy Neumann, Jessica Rohrer, Terri Vogt, Kelly Korth, Nancy Koch. Missing: Coach Jackie Herriges. Judy Harlow Photo

This year the Holy Trinity Boys "B" Team was coached by Tom Herriges. They were small, but very hard workers. The players were: John Gildersleeve, Greg Anderson, Dan Lauters, Dane Dorn, Sam Schmidt, Tony Bunkelman, Shannon Mitchell, Josh Boegel and David Gosa.

It was a long and tough season with a 3-14 overall record in which games were lost by few points. The three all-stars for the team were John Gildersleeve, Greg Anderson, and Sam Schmidt. The high point getters were John Gildersleeve with 77 points, Greg Anderson with 30 points, and

Dane Dorn with 25 points.

Every player received a participation award this season while four players received the coaches awards. Most improved player - Greg Anderson, "Quarterback" award - John Gildersleeve, Best Defensive Player - Sam Schmidt, the hardest worker - Dane Dorn.

This team may not have won many games but they always were giving 110% when they were on the court.

The basketball season ended with a special Mass on Saturday evening followed by a potluck banquet for the players, the coaches and parents.

HOLY TRINITY B TEAM BOYS

Front row, left to right: Dan Lauters, Josh Boegel, Shannon Mitchell, Dane Dorn. Back row: Coach Tom Herriges, Tony Bunkelman, Sam Schmidt, David Gosa, John Gildersleeve, Greg Anderson. Judy Harlow Photo

HOLY TRINITY B TEAM GIRLS

Pictured, front row, left to right: Heather Reindl, Holly Reindl, Missy Rohrer, Shelly Williams, Jenny Heisdorf, Trisha Teofilo. Row Two: Sharyl Ramthun, Rachael Chambers, Joann Theusch, Christine Neumann, Christine Schmidt. Row Three: Tricia Butschlick, Ginger Wiesner, Allison Bruendl, Andrea Bonlender. Row Four: Erin Stoffel, April Waala, Christa Fleischman. Row Five: Coach Sharon Westerman. Missing: Coach Jackie Herriges and Wanda Lauters. Judy Harlow Photo

Indian Girls Take Third at County Indoor

With strong performances in the field events, Kewaskum placed third (with 76 points) in the Washington County Indoor Track Meet behind Slinger (99 points) and West Bend West (82 points). Hartford took fourth place (48 points) followed by Germantown (46 points) and West Bend East (9 points).

The Indians, who normally do not place well in county competition and were not expected to do as well as they did, surprised many with some very impressive performances.

Senior Patti Padden and junior Tammy Sabish took first and second in the shot put. Padden won with a shot put of 32'7 1/2" while Sabish was right behind her with a 30'7 1/2" put.

In the long jump, senior Debbie Felix took a second, 16'1", only 3/4" behind the winner, Kim Raasch of Hartford. Felix also placed second in the 440 yard dash (1:06.7), and helped the four lap relay team to take fourth, as well as the eight lap relay team to take second. Felix, who is closing in on the school long jump record, is expected to be one of the major point getters for the Indians this season.

In the high jump, Pam Osterbrink cleared 5'0", good enough for third place. Osterbrink, who is only a sophomore, seems to have a lot of potential and will only improve as she gains more experience.

Perhaps the biggest surprise of this season so far is freshmen Laurie Vogt. Vogt placed third

in both the one mile run (5:56.9) and the 880 yard run (2:39.5). In the 880, Vogt was only four seconds behind the winner, Diane Breuer, of Slinger. Breuer is the 1986 class B cross country champion and has made it to state in track for the past three seasons. Vogt is only a freshman, but she is the Indians' number one distance runner and should prove very valuable to the Indians as the season progresses.

Kewaskum surprised many teams last season by winning the conference relays; however, in the County Indoor, the girls only placed fifth. This season, after a strong third place finish in the County Indoor and with the addition of many talented newcomers, the girls could be a major force in the Eastern Wisconsin Conference.

Indian Roster

Seniors: Ann-Marie Horner, Anna Burman, Carrie Batzler, Debbie Felix, Ellen Kuphal, Holly Ziegelbauer, Kristin Vogt, Leah Maechtle, Linda Pedersen, Lisa Steiner, Mary Pesch, Nanci Goeden, Naoko Kimura, Pam Oelhafen, Patti Padden, Keiko Iyima.

Juniors: Cindy Donath, Dawn Troeller, Alison Frac, Debbie Donath, Joy Braun, Lisa Chimelewski, Lisa Wheeler, Missy Heisdorf, Tammy Sabish.

Sophomores: Andrea Fliess, Becky Schlosser, Dawn Jandre, Eva Nowak, Heather Kulcinski, Heather Schlieter, Jenny Bauer, Jenny Oneska, Jenny Wesenberg, Jessica Koch, Joy Castro, Kris Schinker, Kristi Lubahn, Laura Davis, Laura

Strancke, LeeAnn Winninghoff, Michelle Marx, Michelle Schaub, Nicole Gaffke, Pam Osterbrink, Shelley Kassekert, Tammy Michaels, Tina Weddig.

Freshmen: Amy Chesak, Carrie Krause, Debbie Bingen, Janel Flynn, Jeni Mitchell, Jodi Batzler, Kelly Rohlinger, Laurie Vogt, Lisa Beal, Lora Delcore, Marlene Wodsedalek, Melissa Braun, Melissa Jacak, Nicole Doherty, Pam Gauger, Patti Aupperle, Rachel Zuehlke, Tammy Troeller, Tisha Stradtman, Tracy Steinert, Wanda Jacobs.

KHS Ski Team Participates In State Meet

On Feb. 29 the Kewaskum Ski team participated in the State H.S. Ski meet in Wausau, Wisconsin. The team placed 18 out of 21 schools represented. The results are as follows:

A. Miklas, finished 53rd overall; slalom 41.57, finished 64th; giant slalom 30.83, finished 57th; super giant 33.84, finished 75th.

J. Piowarczyk, finished 70th overall; slalom 50.91, finished 85th; giant slalom 36.64, finished 99th; super giant 35.31, finished 97th.

F. Vollmering, finished 74th overall; slalom 52.79, finished 91st; giant slalom 45.30, finished 108th; super giant 38.99, finished 109th.

S. Sison, slalom 38.04, finished 34th; giant slalom 30.38, finished 50th; super giant disqualified - finished with error.

E. Pearson, slalom 39.98, finished 50th, giant slalom, did not finish; super giant, 32.82, finished 59th.

C. Hubbell, slalom, disqualified - finished with error; giant slalom, 42.40, finished 107; super giant, 37.82, finished 107th.

The team finished the year 8th in the conference and 18th in the state. The team would like to thank Sunburst ski area for letting them practice on Sunday and Monday nights and the support of the Sisons at the State meet.

We look forward to a good turnout of both boys and girls in next years teams.

Sincerely
Dan Wangerin
Ski Coach

Indian Boys Improve at County Indoor

Kewaskum took fifth place at the Washington County Indoor Track Meet last Thursday, more than doubling its point totals from a year ago. A strong Germantown team won the meet (130 1/2 points), followed by West Bend East (96 points), West Bend West (77 points), Hartford (65 points), Kewaskum (50 points), and Slinger (13 points).

The only first place for Kewaskum was earned by junior Jeff Taylor in the shot put. Taylor's put of 45'10 1/2" was more than four feet further than the put of the runner up.

The hurdle tandem of Marty Schulteis and Ryan Degnitz placed well in both the 50 yard high hurdles and the 50 yard low hurdles. Schulteis took second place in both events while Degnitz placed sixth in the highs and fourth in the lows.

Senior sprinter Mike Lubahn impressed many with his third place finish in the 50 yard dash, just two one hundredths of a second in front of Aaron Sansone of Germantown.

In the pole vault, Senior Miles Shaw placed fourth with a vault of 12'0". West Bend West's T.J. Busse won the event at 13'0" followed by teammate Craig Kohn and John Ferguson both at 12'6".

The only other individual to place for Kewaskum was Dan Fischer who took fifth in the 213

yard dash in 24.5 seconds. In the same event, Germantown's Aaron Sansone set a county indoor record of, 23.2 seconds.

Both relay teams, the eight lap relay team and the 12 lap relay team, placed for the Indians, the eight lap relay team of sophomore Aaron Miller, Fischer, Lubahn, and senior David Harju placed fourth only three one hundredths of a second out of second place. The 12 lap relay team of Schulteis, Harju, senior Clarence Fry and Shaw placed fifth.

Kewaskum's next meet will be April 12, against Kiel and New Holstein at Kewaskum.
