## Recount Confirms Ankerson, Weare Winners

By GERRY MUELLER  
Statesman Staff Writer

The all-day efforts Tuesday, of a three-member Board of Canvassers verified last week's Kewaskum School Board election results. Incumbent Perry Ankerson remained the top vote-getter, winning his bid for re-election, and Neal Weare capturing the vacant seat of retiring board member Ron Theusch.

After over seven hours of recounting the votes from last week's contest, the canvassers found only three minor discrepancies. The end result being Ankerson receiving two more votes to increase his total from last week's final count of 1,233 to 1,235 in the certified recount. Candidate Neal Weare's count also improved. His total rose to 1,198 in the

recount as compared to last week's figure of 1,197.

Ed Slegler, Jr., who had petitioned for the recount, still ended up the loser in third place with 1,179 votes. In early recounting of the ballots from the municipalities, Slegler gained one vote in the Town of Kewaskum, but as the recount progressed he lost one vote in the Town of Barton. The end result was still 1,179 votes for Slegler as compared to 1,198 for Weare. The figures made Weare the winner by 19 votes, one more than tallied last week.

Final totals as tallied in Tuesday's official recount were, Ankerson 1,235, Weare 1,198, Slegler 1,179, and Amundson 634, no change from last week's count. There were two write-in votes, one for Margaret McFadden, and one for Amy

Zettler.

By township the final recount numbers were as follows. Town of Ashford 2 ballots, Ankerson 2, Weare 2.

Town of Auburn 184 ballots, Ankerson 95, Weare 76, Slegler 102, Amundson 46.

Town of Barton 110 ballots, Ankerson 49, Weare 50, Slegler 42, Amundson 30.

Town of Farmington 685 ballots, Ankerson 297, Weare 339, Slegler 310, Amundson 176, Zettler 1.

Town of Kewaskum 311 ballots, Ankerson 142, Weare 141, Slegler 151, Amundson 77.

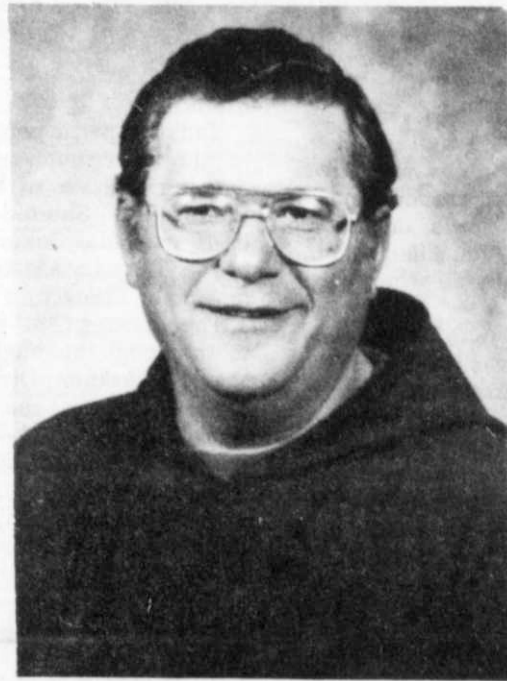

Village of Kewaskum 654 ballots, Ankerson 359, Weare 333, Slegler 295, Amundson 134.

Town of Mitchell, no votes.

Town of Scott 214 ballots, Ankerson 73, Weare 87, Slegler

## Father Elroy Pesch to Celebrate Silver Jubilee

Father Elroy Pesch

Father Elroy Pesch, O.F.M. Cap. will be celebrating his 25th Jubilee on Sunday, April 24, 1988. He and his family wish to extend an invitation to his friends and relatives to attend an Open House in his honor from 2:00 to 4:00 p.m. at the Knights of Columbus Hall, Lighthouse Lane, West Bend.

On April 20, 1963, at St. Mary's Church, Marathon, Wisconsin, Father Elroy (Ralph) Pesch was ordained a priest of the Capuchin Franciscan Order by The Most Reverend John P. Treacy, Bishop of LaCrosse.

Father Pesch is the son of Mrs. Theresa Pesch of 536 Keller St., Kewaskum, and the late Elroy Pesch.

Father Pesch attended East Valley grade school, Town of

Auburn. In 1950 he entered St. Lawrence Seminary, Mt. Calvary. In the fall of 1954 he entered the Capuchin Franciscan Order. He made his first year of novitiate at St. Bonaventure Friary in Detroit, Michigan.

After novitiate he attended college at St. Felix Seminary in Huntington, Indiana, where he received a bachelor of arts degree in philosophy. He continued his theological studies at St. Anthony's Seminary in Marathon.

Father Pesch was the first priest ordained from the St. Matthias Church, Town of Auburn. He celebrated his first Solemn High Mass on April 21, 1963, at Holy Trinity Church, Kewaskum.

## Summer School Program Okayed

## Board Approves Support Staff Personnel's Three-Year Contract

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum School Board, Monday night, approved a three-year contract with the Kewaskum Auxiliary Personnel Union (KAP). While the pact covers three years, it is retroactive back to the 1986-87 school year and will also cover 1987-88, and 1988-89.

The package carries a salaries only increase of 15% over three years (5% per year). Including salaries and benefits, the increase is 17.62% over three years, or approximately 5.87% each year. That means an average increase of 20c an hour for 1986-87, 25c for 1987-88, and 30c for 1988-89.

In other action the board approved an administration proposal and funds to institute a summer school program for the district.

District Administrator Penny Kleinhans indicated the program would be designed to provide classes for both remediation and enrichment. She noted a districtwide survey earlier this year showed parents were highly supportive of the idea. Other data obtained from the survey showed parents felt the program should be run on a primary through high school level basis, with morning classes approximately two hours long, over a four-week period.

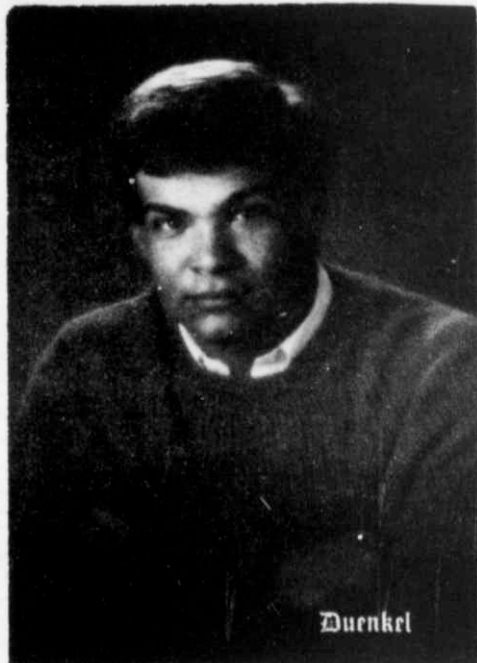

Kleinhans said initial costs for the first year would be about \$16,000, however, after the first year, state aids would offset the cost of the program.

Summer school transportation would have to be provided by the parents said Kleinhans. She indicated the program would probably be run at the

Middle School. Kleinhans said the next step will be to contact those who expressed an interest in the program to determine

[Continued on Page 3]

## Gebheim Awarded \$3,500 MSOE Scholarship

Mitch Gebheim

The Milwaukee School of Engineering has notified Mitch Gebheim, a graduating senior from Kewaskum High School, that he has been awarded their maximum academic scholarship.

The award is for \$3,500 and can be renewed for four years.

Students are selected on the basis of their academic records, leadership and extra curricular accomplishments.

Mitch is the son of Mr. and Mrs. Mitchell Gebheim of Kewaskum and will study Electrical Engineering at MSOE.

## Parade Theme Announced for Firemen's Picnic July 9 & 10

The Picnic Committee has been working on plans for the 1988 Firemen Legion Picnic for the past three months, and everyone is anticipating a fun-filled weekend on July 9 and 10. Excellent entertainment is scheduled for both days. There will be water fights starting at 6:30 p.m. Saturday evening. The Billy Shears Band will be featured in the Beer Garden from 8:00 to 12:00 p.m.

Sunday will be filled with fun for all with music for dancing or plain old toe-tapping by the Syl Groeschel Orchestra. The

Buchel's with Joey Klass Orchestra, and the Kenny Hottenroth Orchestra Sunday night from 5:30 to 9:30 p.m., and Revival from 7:30 to 11:30 p.m.

The Committee is planning a bigger, better, (and hopefully drier parade!) starting at 12:00 noon. The theme for 1988 is "Kewaskum - Gateway to the Kettle Moraine."

Mark your calendar and plan on joining us for some fun. We will have something for everyone.

## Nancy Krahn Wins VCR at Booster Club Basketball Classic

**THE HAPPY WINNER** — Mrs. Nancy Krahn happily accepts her VCR from Booster Club President Margaret McFadden.

The Kewaskum Indian Booster Club would like to thank everyone who participated in their annual Booster Basketball Classic on March 19th. A great, fun-filled evening was enjoyed by all who attended.

One of the happiest spectators was Nancy (Mrs. Larry) Krahn who won the grand prize of the night - a Magnavox VCR. Nancy, whose husband Larry is the Beechwood Assistant Fire Chief, has two children in Kewaskum schools, daughters, Rochelle in 7th grade, and Tanya in 4th

grade.

Tanya participated in part of the entertainment for the evening as one of the super jump-ropers. She did 56 jumps in 10 seconds. Congratulations to Tanya, and congratulations to her mom. Enjoy your VCR.

The Booster Club would like to thank all the businesses in the Kewaskum District who donated prizes, the referees, scorekeeper, timekeeper and announcers, the High School gymnastics team who put on a super demonstration, the rope-jumpers, the Holy Trinity cheerleaders, all those who participated in the Hot Shot

contest sponsored by Homeplate, the WBKV deejays (it's a good thing you don't play basketball for a living), all the basketball teams, Tom Larsen, Dick Thiemer and Larry Ammel for all their hard work, and last, but not least, all the hard-working Booster Club members.

All of you contributed to a fine cause - supporting our extra-curricular activities in our schools.

The Booster Club is working on new ideas for next year to make it even better, watch for it - you won't want to miss it!

## Recount

[Continued from Page 1]

143, Amundson 90, McFadden 1.

Town of Wayne 359 ballots, Ankerson 218, Weare 170, Sleger 136, Amundson 81.

The difference between the number of ballots and the number of votes cast results from the fact that, while the electors could vote for two candidates, many ballots showed a vote for only one individual. Some electors chose not to cast any votes in the school board election.

Last week's final totals on the Kewaskum School District's two advisory referenda were as follows. Reopening of the Beechwood Elementary School, 1,595 electors voted 'no,' while 643 voted 'yes,' (incorrect numbers on this referendum were received last week).

On returning the sixth graders to the elementary schools, 1,348 people voted 'no,' while 839 voted 'yes.'

On the Beechwood question, 71% of the voters were against reopening the school, while only 29% were in favor of it. On taking the sixth graders out of the Middle School, 62% voted against the idea, while 38% voted for it.

In the school board election Weare now has the opportunity to challenge the recount. However, since those figures still show him winning over Sleger and Amundson, it is highly unlikely that any further action will be taken.

## Retired Teachers To Meet at Hon-E-Kor

The Washington County Retired Teachers Association will hold its first meeting of 1988 at the Hon-E-Kor Golf and Country Club, 1141 Riverside Dr., Kewaskum, on Tuesday, April 19.

At time for socialization, coffee and rolls will commence at 9:00 a.m. At 9:30, Florence Hartmann, program chairperson, will introduce Jack Koehn of Koehn and Koehn Jewelers. His presentation, "Gems," will include slides, narrative and a period of questions and answers.

The business meeting, led by President Bernice Hron, will follow. Luncheon will be served at 11:30. Reservations should be mailed to Hazel O'Meara before Wednesday, April 13. Please comply.

WCRTA extends an invitation to all retired educators.

## School Board

[Continued from Page 1]

just what courses will be offered.

In other action the board tabled action on a proposal to offer girls softball at the high school level. Kleinhans presented the plan in an effort to balance the number of sports offered to both boys and girls. She said some school districts are being faced with discrimination suits because more activities are available for boys than girls. She noted there are federal laws which govern the situation.

In the Kewaskum school system there are eight sports available to boys, tennis, track, wrestling, baseball, basketball, football, golf, and cross country. The girls are offered six sports, basketball, cross country, gymnastics, tennis, track and volleyball. Kleinhans said girls softball would be comparable to boys baseball. Board member Ruth Schmitt noted that three girls are going out for the golf team this year.

Schmitt said while she thought it was an excellent presentation, her priorities were with having the tennis courts fixed and getting new band uniforms. She noted she was very interested in equalizing the sports programs but also concerned about the budget.

Kleinhans said initial startup costs for softball would be about \$9,000 which included uniforms, equipment, coaches and travel. After that, annual costs would run about \$3,500.

Board member Ron Theusch was in favor of the program, noting many girls participate in summer softball leagues. He felt the school's spring softball program would blend in with the summer league activities.

Board member Donald Nowak was against the idea. "We just saved \$3,500 in negotiations and now we want to spend \$3,500 on a sport." Theusch replied, "I hope spending 30 grand for 31 people (estimated tennis court repairs cost) will draw as much concern as \$3,500 for 41 playing softball."

On a motion by Schmitt, action on the softball program was tabled by a vote of four to two. Theusch and board member Clara Trapp voting no, Perry Ankeron was absent.

In other business the board approved a contract with Wisconsin Asbestos Advisory Team for an inspection and

management program at a cost of \$13,697. The board also approved the hiring of summer maintenance and painting help, and accepted two teacher resignations.

The board agreed to hold a special meeting on May 23rd for the purpose of reviewing the 1988-89 budget.

School board member - elect Neal Weare addressed the board under non-action items. He told the board he felt it would be appropriate if it recognized the work and dedication of retiring member Ron Theusch for his three years of service on the board. Theusch will be leaving the board later this month.

The board then adjourned to closed session.

## Births

**GERLACH** — A son, Douglas Dean, to James and Sandra Gerlach, Beechwood, on April 6th. Maternal grandparents are Mr. and Mrs. Eugene Wiedmeyer, West Bend. Paternal grandparents are Mr. and Mrs. Ray Gerlach, Beechwood. Douglas joins an older brother John, at home.

**KETCHPAW** — A daughter, Kathi Lee, to Victor and Roxanne, 128 Meyer Street, Campbellsport, March 15.

## KEWASKUM LIONS CLUB MONTHLY RAFFLE WINNERS

Drawing was held April 12, at the Amerahn for the Lions Club Raffle. One hundred dollar winners for this month were: Aletta Stautz, Kewaskum; John Petermann, Kewaskum; Keith Squire, Kewaskum.

Monies from the raffle are used to support the local "Quest Program," fighting drugs through education and other community functions.

## Historical Society Elects Officers; To Clean Museum Apr. 19

On Tuesday night, April 19, at 6:00 p.m., the members of the Kewaskum Historical Society will meet to clean the museum and log house. All members are invited to come

and help clean, please bring along towels and glass cleaner.

A short meeting will begin at 8:00 p.m. and refreshments will be served.

During the February meeting the following people were elected to office for the 1988 season: President Jake Schmidt, Vice-President Dan Schmidt, Secretary Minerva Martin, Treasurer Sylvester Schmidt, and Ron Markus to a two year term on the board of directors. Hilda Firks was appointed the Sunshine Lady.

If you have any questions or would like to become a member call Jake Schmidt at 338-1568 weekdays after 5 p.m.

## West Bend Gallery's Traveling Exhibition

West Bend Gallery of Fine Arts' traveling exhibition, WISCONSIN WOMEN IN THE ARTS, is on an eleven-site tour and is generating a great deal of interest.

PRIME TIME, a Wisconsin cultural arts program, has filmed a brief segment on the exhibition and Sandra Butz-Siebers, the gallery's Assistant Director, who curated the exhibition.

This segment of Prime Time will air on public TV on April 14th at 8:30 p.m. and again on April 16th at 10:00 a.m. Consult listing for your local public TV channel.

The date is a nourishing food, high in vitamins A, B, D, and G, and especially the minerals calcium, phosphorus, potassium, iron, sodium copper and magnesium.

## Kewaskum Woman's Club Scholarship

The Kewaskum Woman's Club was founded on January 14, 1913. In celebration of the club's 75th Anniversary, a \$250 scholarship has been established to be given to a graduating senior who plans to go to college and lives within the Kewaskum School District.

To apply for the scholarship, a student must submit a 200 word essay entitled, "Why I Would Like to Win The Woman's Club Scholarship." In addition, the student should include a transcript of his/her

high school record, a list of school activities, and a list of scholarships received to date.

All applications should be sent to: Ruth Schmitt, 8065 Kettle Moraine Drive, West

Bend, WI., 53095. All applications should be received by Monday, April 25, 1988. All students living within the Kewaskum School District are welcome to apply.

## St. Matthew's Parish, Campbellsport To Hold 'Nite Around the World'

St. Matthew's Parish of Campbellsport will again offer the foods of various countries in their annual "Nite Around The World." The foods, music, beverages and an auction are scheduled for Saturday, April 16 at St. Matthew's gym in Campbellsport.

Parishioners have donated a variety of items and services for the highest bidder. Included are: a day of fishing with a guide, 5 gallons of homemade ice cream, handmade afghans and a quilt, a day of babysitting, stenciling for an average size room, dinner of choice for 4 to 6 people, a gas grill, a pressed flower picture, 250 pounds of the prize beef from last year's Fond du Lac County fair, and a repeat of last year's popular "Night of Murder" — a murder mystery with clues "served" along with an English dinner. Or bidder's can vie for Lu's Nims tole painted shutter and add their phone numbers to the decorative wall hanging near the phone. Lu also designed posters for promotion and decoration, featuring children from around the world, dressed in native costumes.

The variety of foods from 9 countries around the world include: Tacos, German potato salad, brats and kraut, eggrolls, fortune cookies, chocolate eclairs, cream puffs, lasagna and garlic bread and sub sandwiches.

The charge at the door is

\$1.00 for adults and high school students and, 50 cents for elementary school students. Bite size samples of the many foods will be available at varying prices. The auction of items and services is scheduled for 9:30 p.m. Children are encouraged to attend between 4:00 and 5:30 p.m. before the serving of alcohol. From 6:30 to 9:30 p.m. there will be music by WFON (Fond du Lac) DeeJay Greg Ows and beer and wine coolers will be available. Proceeds from the event will go to purchase educational needs for St. Matthew's school. The school educates students from St. Martin's Ashford and St. Kilian's, St. Kilian, in addition to those from St. Matthew's.

### GALLERY OF FINE ARTS ELECTS BOARD OF ADVISORS

The West Bend Gallery of Fine Arts announces the election of four Board of Advisors' members to three-year terms.

Elected to second consecutive three-year terms are West Bend area residents, Anne-Lee Geiger, Helen Hillman, Paul Lemler and Susan Priegel. Vic Albiero of West Bend was elected to his first three-year term.

You may not know it when you're well off but the Internal Revenue Service does!

Tues & Thurs 8:30 am - 9 pm, Sat 8:30 am - 4:30 pm

Open Sundays from 11 a.m. to 3 p.m.

## Proposal for Additional Facilities at UWWC Receives Unanimous Endorsement

A proposal for providing additional facilities at the UW Center — Washington County has received a unanimous endorsement from the Washington County Overall Economic Development Program Committee.

Chairperson Dave Heying of West Bend said, "Members of the committee agreed that UWWC expansion is a positive thing for the economic development of our area. Both the school and the quality of its educational program are good for the future of the county."

Heying said the education of local area residents is "a key element in positive economic growth" for the area. He said, "If we want to attract good quality people here in management, we have to realize they are interested in the education of their children and their employees. UWWC is a key element for doing that."

The motion of endorsement was made by committee member Lee Flanders, executive director of the West Bend campus of the Moraine Park Technical College.

Other committee members are county supervisors John Frey, John Kohl, Earl Kruepke, Vincent Groh, Helen Hillman, Jerry O'Connor, John Rozek and Robert Schoenke, Jr.

In addition to its official membership, Heying said, the committee has nine ad hoc members including "people from all over the county." They represent the Chamber of Commerce, the Washington County Council on Tourism, local economic development groups, county park and planning officials and the University of Wisconsin Extension.

Proposals for new facilities at UWWC have been at the discussion stage for several years. The UWWC Board of Commissioners, made up of county and city officials, has been working since last summer with an architect to develop proposals for meeting campus space needs. Three alternate plans have been developed, ranging in cost from \$2.5

million to \$1.9 million.

Commissioners have voted unanimously to recommend the lowest cost plan and are asking the county and the City of West Bend to appropriate about \$95,000 to fund final design plans for bidding.

On March 2, the group met jointly with the county Finance Committee to discuss the design request.

## Area UWWC Students Named to Phi Theta Kappa

Twenty-one students from seven area communities have been named this spring to membership in Phi Theta Kappa, the scholastic honor society at the University of Wisconsin Center — Washington County.

Jan Ford, associate director of students service at UWWC, said that UWWC's Chi Chi Chapter now has 47 members. "That's a good-sized group" she said. "It's a credit to the kind of students we're seeing on this campus."

At a recent reception honoring the new members, Dean Robert O. Thompson of UWWC reminded the initiates that acquiring knowledge is not "the chief end of education."

Thompson said, "Given the explosion of knowledge, much of what you learn will be obsolete in the near future. At least two-thirds of your actual knowledge will be lost within two-years unless you see it."

According to Thompson, university students should seek to "learn how to learn" and strive for "the qualities that make for life-long learning."

He called upon the honor students to develop skills in reading, listening, thinking critically, communicating orally and in writing, identifying problems, collecting evidence and making judgements.

In addition, Thompson said, "attitudes of mind or heart" should be ranked in importance with the knowledge gained from microscopes and telescopes.

One such attitude, he said, is "curiosity about the world." "Keep your sense of wonder," he said.

Another attitude cited by Thompson was openness. He warned against the "hardening of mental arteries that comes from resisting any new points of view."

True learning, he said, is

"learning that changes you."

Phi Theta Kappa was founded in 1918 and today has more than 700 chapters. Students who have completed 12 hours of course work at UWWC can be recommended for membership on the basis of academic achievement — maintaining a B-plus average — and their demonstrating "good moral character and recognized qualities of citizenship."

Ford said that nationally the group "seeks to provide the opportunity for the development of leadership and service, an intellectual climate for the exchange of ideas and stimulation of continuing academic excellence, encouragement of scholarships for advanced education, and personal enrichment of the student through unique educational experiences and fellowship with other scholars."

Area students named to Phi Theta Kappa at UWWC this spring include:

Kewaskum — Michele Becker, 4196 Hwy. H; Chris Kirchner, 4643 Ridge Rd., Route 2;

West Bend : Michael Morrison, 2309 Wellington Dr.; Dan Rasmussen, 920 Cherrywood Circle; Debra Unger, 2035 Hemlock St.; Suzanne Murawsky, 6378 Pleasant Hill Dr.; Philina Spaeth, 1519 N. 11th Ave.; Sherrie Mikkelsen, 108 S. Fifth Ave.; Pam Buchmeier, 2122 Chestnut; Ron Weiss, 151 University Dr. #210; Rex Rubenzer, 1427 W. Decorah Rd.; Lori Wittemann, 5220 Prairie Ct.; Ross Nehm, 5595 Hwy. S; Matthew Oswald, 122 Babalee Lane; Michael Zell, 4895 Lois Lane;

## Village of Germantown Receives Two Grants

State Treasurer Charles P. Smith, chairman of the Board of Commissioners of Public Lands, has announced the disbursement of a state trust fund loan of \$95,779.00 to the Village of Germantown, Washington County, to purchase a snow removal truck sweeper and police equipment, and \$135,000.00. To purchase land to expand the industrial park.

The trust funds were established at statehood and constitute revenues generated from the sale of land grant lands and from penal fines.

The Land Commission consists of the secretary of state, the state treasurer and the attorney general, and invests annually an average of over \$24 million in low interest loans to school districts and municipalities for a wide variety of purposes.

# Five Generations

Five generations were together recently at the Hope Nursing Home - Lomira where great-great-grandfather Kilian Ruplinger resides.

He was 97 on Sun., March 13. In the picture Kilian is holding his great-great-granddaughter, Lynn Preo.

Standing are Mrs. Frank Fleischman, great-grandmother; Mrs. Edward Preo, grandmother and Edward Preo Jr., father.

Kilian has 9 children, 49 grandchildren, 80 great-grandchildren and 7 great-great-grandchildren.

## Junior Woman's Club Recipe of the Month

This recipe and many more can be found in The Kewaskum Junior Women's Club new cookbook. You can buy your cookbook at Kennelly Pharmacy or Regal Ware Outlet.

### REUBEN MEAT LOAF

Chris Schoofs

- 1 egg, beaten
- 1 c. soft rye bread crumbs
- 1/2 c. chopped onion
- 1/4 c. sweet pickle relish
- 1/4 c. Russian salad dressing
- 1 T. Worcestershire sauce
- 1 1/2 lbs. lean ground beef or pork
- 1 (8 oz.) can sauerkraut, drained and finely snipped
- 1 c. shredded Swiss cheese

In bowl combine egg, bread crumbs, onion, relish, salad dressing, Worcestershire sauce, 1 teaspoon salt and 1/4 teaspoon pepper. Add ground meat and mix well. On waxed paper pat mixture to a 12 x 8 inch rectangle; top with the sauerkraut and 1/4 cup of the cheese. Using the waxed paper to lift rectangle, roll up the meat beginning with short side. Press ends to seal. Place roll, seam side down, in a 13 x 9 x 2 inch baking pan. Bake in a 350 degree oven for 50 minutes. Sprinkle remaining cheese on top; bake 3 minutes more. Serves 8.

Don't Forget...

## Fond du Lac Home and Garden Show Set For April 15, 16 & 17

The 1988 Fond du Lac Home and Garden Show is set for April 15, 16, and 17 at the Fond du Lac County Fairgrounds in Fond du Lac. This annual event is co-sponsored by the Fond du Lac County Home Builders Association at KFIZ Radio.

This year's show features 2 sold out buildings and outside display areas, 2 landscape garden displays, and over 225 exhibitors. Exhibits include construction, log homes, remodeling, heating, air conditioning, lending, lighting, windows, glass, furniture,

home appliances, lawn and garden tractors, mobile homes, and much, much more.

New this year are free with admission seminars on windows, doors, lighting, landscaping, investments, painting and wallpapering, counter tops, flooring, ceramic tile, insulation, finance, decorating, moisture, log homes, "buy smart", "good cents", air tight housing, and ventilation. Also new this year are furniture room displays and a bathroom display.

The hours of the show are Friday, April 15th, 5 p.m. to 9 p.m., Saturday, April 16th, 11 a.m. to 8 p.m., and Sunday, April 17th, 11 a.m. to 5 p.m. Admission is \$2.00 and children under 13 are free with parent.

For further information contact Diane Sabel, Promotions Director at KFIZ Radio (414)921-1071 or Joan VandeCastle, Executive Officer of the Fond du Lac County Home Builders Association (414)922-1067.

## Campus Notes

Sheboygan, WI... "Prometheus Bound," one of the oldest surviving plays in history, will be presented by Lakeland College's Theatre Department as the spring performance to be held Thursday through Saturday, April 21-23, in the Bradley Fine Arts Building, at 8 p.m.

"Prometheus Bound" is a Greek classic written by Aeschylus (523-426 B.C.). Although scholars know the titles of around 80 of Aeschylus' works, only seven have survived in complete versions. Of these, "Prometheus" is the oldest, according to some scholars.

"It seems fitting that we conclude our first season in the new Bradley Building with a play that not only represents the beginning of theatre history and dramatic literature, but which will also tax the technical

capabilities of the new facility to its limits," James Crawford, associate professor of theatre and play director, said.

According to Crawford, the play is planned as a spectacular sound and light extravaganza, following Aeschylus' dramatic style and concentration on grandeur and vivid imagery.

Scenery construction for "Prometheus Bound" was completed by Lori Christel, senior from Manitowoc; Troy Dassler, freshman from Sheboygan; Julie Koepke, senior from Kewaskum; Lynette Rizzi, junior from Rib Lake; Sara Waldoch, junior from Neenah; and Dawn Wendegatz, freshman from West Bend.

The performances are open to the public for an admission fee of \$3. Tickets will be available at the door prior to the performances.

## Summer Pediatric Therapy/Recreation Program Scheduled

The Cedar-Haven Rehabilitation Agency, a division of Cedar Lake Home Tri-Campus, will sponsor the third annual Summer Pediatric Therapy/Recreation Program starting June 13 through August 11 at the Cedar Ridge Complex. This program is designed to meet the needs of developmentally and/or physically disabled children, ages zero to 14 years of age, who need therapy during the summer months. Recreational activities include swimming, game playing and music. For further information call the Cedar-Haven Rehabilitation Agency, at 334-9487, extension 290.

The surest way to decide a spanking is unnecessary is to become a grandpa.

# Was It Real? Only the Fire Chief Knew!

By GERRY MUELLER  
Statesman Staff Writer

Shortly after 6:00 p.m., last Thursday evening, the Kewaskum Fire Department was called out to fight a smoky blaze in a vacant trailer at the former Tompkins Mobile Home Park.

The firefighters responded and were on the scene in minutes, prepared to bring the fire under control. As it turned out, it was a mock fire call, but only Kewaskum Fire Chief Donald Ehnert and an assistant knew that.

The purpose of the drill was to give members of the department practice in responding to a fire. Ehnert kept the drill a secret so the firefighters thought they were answering a real fire call.

Once on the scene the men were required to put on breathing equipment, enter the trailer and make their way through the smoke filled structure, searching to see if anyone was in the building.

The main purpose of the drill was to give the men practice in using their Scott Air Paks. The units are designed to provide fifteen to eighteen minutes of oxygen while battling a smoky blaze. However excitement or extreme exertion can drastically reduce the supply time down to as little as five minutes.

The drill helped the firefighters learn to monitor their oxygen consumption and gauges so that they do not deplete their air supplies while inside a burning building.

Firefighters crawled along the floor to an exit and a water hose while battling a smoky fire in a trailer at the Tompkins Mobile Home Park. The "fire" was part of a drill designed to assist Kewaskum Firefighters in learning how to use their Scott Air-Paks. The units are designed to provide approximately 15 to 18 minutes of oxygen assisted breathing.

While fellow firefighters entered the smoke-filled trailer, firemen outside the structure filled a water reservoir to supply water in fighting the fire.

## Workshop on Sexuality Issues at Dillon Inn

The Opportunity League of Washington County, Inc. and Planned Parenthood of Wisconsin are co-sponsoring a workshop on sexuality issues on Saturday, April 30th from 9:30 a.m. to 12 noon at the Dillon Inn, 2520 W. Washington Ave., West Bend. The topics discussed will be Self-Esteem, Relationships, Exploitation and Prevention. The workshop will be geared to parents of children with developmental disabilities and other disabilities.

The deadline for registration is April 20th. For more information or to register,

please call Planned Parenthood at 338-0666. The cost is \$7.00 per person or \$10.00 per couple.

The Opportunity League of Washington County is a self-help group formed by people with disabilities for people with disabilities. The purpose is to develop needed programs which will encourage independence and help people with disabilities for people with disabilities. The purpose is to develop needed programs which will encourage independence and help people with disabilities, to encourage parents, group home staff, case managers and Threshold staff to discover what the group is doing, to protect the rights of all disabled people and to tell

involved community groups what they can do to help in this effort.

Call the Statesman for all your advertising needs.

## Village of Kewaskum to Receive \$11,880.22 Local Governments Receive Share Of Fuel Tax, Registration Fees

The state Department of Transportation has mailed checks to all 1,267 town treasurers, as well as 653 municipal and county treasurers which, over a year, will account for nearly 30 percent of state fuel tax and registration fee collections.

"While most people assume that their user fees are kept by the state for use on freeways and other major state highways, actually a large portion of these fees go back home to pay the cost of plowing snow and patching potholes on local streets," according to DOT Secretary Ronald R. Fiedler.

During 1988, local governments will receive \$193.5 million from the state transportation fund to help pay the cost of building and maintaining local bridges and roads.

The 1,920 checks mailed April 4 totaled \$48.4 million. The largest check, for \$5.5 million went to the city of Milwaukee, while the smallest, for \$262, went to the Sauk County village of Lime Ridge (pop 191).

Checks to local agencies include:

Village of Kewaskum \$11,880.22; Village of Campbell-

sport \$3,607.77; City of West Bend \$175,686.55; Town of Barton \$8,013.75; Town of Farmington \$11,390.62; Town of Kewaskum \$6,941.25; Town of Wayne \$8,429.47; Town of West Bend \$7,417.79; City of West Bend (payment of connecting highways) \$13,623.18; Washington County \$221,828.93.

The total for Washington County (county, cities, villages and townships) is \$676,459.19.

In the current local aids payment, one of four each year, 1,267 towns share \$11.4 million, 393 villages received a total of \$3 million; 188 cities received \$20 million, and Wisconsin's 72 counties shared \$13.8 million. In addition, \$2.3 million was sent to 119 communities to help pay the cost of plowing snow and other maintenance on portions of state highways that are within urban boundaries.

Local governments also receive transportation revenues for other programs such as public transit, elderly and handicapped transportation, airports and harbors, as well as state and federal funds for specific highway and bridge construction projects.

## Career Decision Mini-Class at MPTC

Deciding on a career these days is not as easy as it used to be. There are thousands of different job titles in the nation and figuring out which one is right for you can be an overwhelming experience.

The Career Lab on Moraine Park Technical College's West Bend campus is trying to make the decision a little bit easier by conducting a free Career Decision Mini-Class beginning April 25.

The classes are designed to help anyone who needs advice or direction in determining their career goals. Through the use of

personality, interest and aptitude testing, the students will learn what career areas best suit them. The classes will also help students understand and set realistic career goals. Before completing the course, each student will plan their own employability development program.

The class meets April 25, from 9 a.m. - 12 noon, and April 26 and 28, from 9 a.m. - 2 p.m., in the Career Lab on the West Bend campus. The class will repeat each month during Moraine Park's spring semester.

To register for this mini-class, call the West Bend campus at 334-3413, Ext. 30.

## Lettering & PINSTRIPING

**TRUCKS - SIGNS - CUSTOM STRIPING**  
317 N. Railroad St., Campbellsport  
**533-8094**

Cadette Troop #53 presented a skit, "This Is Your Life Juliett Low." Back row, left to right, Rachel Gosa, Sherry Hass, Heidi Gruhle. Front row, Nicole Oppermann, Shawn Erdmann.

Isabelle Straub, left, representing Miller's Furniture Store, receiving a thank you plaque from Senior Girl Scout Tammy Staehler.

At the annual Girl Scout dinner this year a thank you plaque was given to Miller's Furniture by a Senior Girl Scout, Tammy Staehler. This was in appreciation for the many supplies that Miller's store for the Kewaskum Scouts.

Troop #53 Cadettes presented a skit called "This is Your Life Juliett Low." It was an entertaining and interesting presentation.

On March 11, 100 Girl Scouts from the Kewaskum area went swimming at the Y.M.C.A. It was a beautiful day and the scouts had lots of fun. Many of the scouts worked on their badge and tri-at requirements.

ATTENTION! all Girl Scout leaders of the Kewaskum area there is going to be a monthly meeting at 7:30 p.m. at the Community Room on April 21, 1988. Kewaskum leaders are asked to be there at 7:00 p.m. The year is coming to an end so

there will be a few important things to discuss.

On Tuesday, April 26, 1988 the Annual Wau-Bun Girl Scout Council meeting will be held. It is at the American Legion Clubhouse, 500 Fond du Lac Avenue, Fond du Lac, Wisconsin. Cocktails will be from 6:00 to 7:00 p.m. Dinner will be served from 7:00 to 8:00. At 8:00 p.m. the annual meeting will take place. You can attend the meeting without attending the dinner.

All registered members, 14 years of age and older and guest are invited. Reservations are due by April 15.

LILLIAN C. MARTIN

Lillian C. Martin, 83, of 1101 Pinos Street, Rhinelander, formerly of Kewaskum, died Thursday, April 7, 1988, at her home.

She was born December 14, 1904, and married Leo Martin, June 1, 1927. Her husband preceded her in death in 1945.

Mrs. Martin taught school at St. Bridgets for a number of years and is survived by one son, John of Kewaskum; two daughters, Mrs. Donald (Catherine) Gitter of St. Cloud, and Mrs. Leroy (Rosanna) Dobringer of Phelps; six grandchildren and nine great-grandchildren.

Funeral services were held at 10:00 a.m. Monday at St. Joseph's Catholic Church with Father Dean Buttrick officiating. Burial was in Calvary cemetery in Fond du Lac.

NORMAN HEBERER

Norman J. Heberer, of the Town of Plymouth, died at the Valley View Medical Center, Plymouth, on Sunday, April 10, at the age of 79.

He was born Dec. 19, 1908, in Plymouth, and married Adeline Schaffer July 4, 1931, in St. John's Lutheran Church, Plymouth. She passed away Aug. 11, 1977.

He was a member of St. John's Lutheran Church, Plymouth, the Plymouth Golden Agers of which he had served as treasurer for many years, and the Senior Citizen Dartball League.

Survivors include a daughter, Betty Jean (Lyle) Schwartz of Plymouth; a son, Robert J. of the Town of Plymouth; two grandchildren; two great-grandchildren; three step-grandchildren; two sisters, Mathilda 'Tilly' Mayer of Plymouth and Leona Perronne of the Town of Plymouth; and other relatives and friends.

Preceding her in death was a great-grandchild, a brother and two sisters.

Funeral services were Wednesday, April 13, at 11 a.m. at St. John's Lutheran Church, Plymouth. Rev. Dennis Pegorsch officiated and burial was in the Woodlawn Cemetery, Plymouth.

Visitation at the Wittkopp Funeral Home, Plymouth, was from 3 p.m. Tuesday, April 12, until 9 a.m. Wednesday, and at the church Wednesday from 10

a.m. until time of services.

A memorial has been established in his name.

IN MEMORY

In loving memory of my husband, our father, father-in-law and grandfather, ARMIN OPPERMANN, who passed away thirteen years ago, April 19, 1975:

Loving and kind in all his ways, Upright and just to the end of his days, Sincere and true in his heart and mind, Beautiful memories he left behind.

Sadly missed by Ginny and family.

ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, April 5 were: Elmer Fabian 17-1-16 net; Harold Eggert 14-1-13 net; Wilmer Firme 11-1-10 net.

Cork comes from the bark of the cork tree. It takes the cork tree ten years to produce one layer of cork.

LETTER TO THE EDITOR

April, 1988

We, the GFWC Kewaskum Junior Woman's Club are organizing a Clean Up Kewaskum Day. We are contacting various clubs and organizations in Kewaskum to ask their assistance in beautifying our countryside. The scheduled date is Saturday, April 23rd from 9:00 a.m. to 11:30 a.m. In case of rain, it will be on Sunday, April 24th from 1:00 p.m. to 3:30 p.m. Depending upon the interest of the clubs and organizations, areas will be assigned accordingly.

We encourage the Kewaskum area residents to join us by spring cleaning their yards or if interested, in helping the other organizations. Please contact Karen Kletti at 334-0227 or Lori Schoofs at 626-2525.

A special request to the rural residents - please keep your dogs restrained during the scheduled clean up time.

Respectfully yours,  
GFWC Kewaskum Junior Woman's Club

Weekly Health Tip

From Tom Kennelly

TRAVELERS

Travelers abroad should always carry enough medication to last the trip, plus a letter from your doctor explaining that they are essential. Ask your pharmacist for the drug's generic name, and write it down. A drug's trade name may differ in every country, but it's generic name will be the same everywhere.

We wish you good health

## 1988 Breast Cancer Detection Awareness Project in May

This May, Wisconsin women age 35 years and older will be able to have a low-cost breast cancer screening during the American Cancer Society, Wisconsin Division's 1988 Breast Cancer Detection Awareness Project (BCDA). The screening includes mammography, a physical breast examination by a health-care professional, and training in breast self-examination, all for \$50 or less.

Chairperson of this year's project is Marcia J.S. Richards, M.D., Director of Radiation Oncology at St. Luke's Hospital, Milwaukee, and member of the Board of Directors of the American Cancer Society, Wisconsin Division.

More than 100 hospitals and clinics across the state have voluntarily agreed to participate in the project.

During last year's BCDA project, more than 10,200 women were screened at 100 participating facilities. Preliminary reports indicated that 75 cancers were found, many at an early stage when more than 90 percent can be cured.

A woman 35 years of age or older without breast cancer symptoms is eligible to take part in the Breast Cancer Detection Project if -

- She has not had a mammogram in the past year, if
- She is not pregnant or nursing a baby, or if
- She has never had radiation treatment to a breast.

Eligible women who call the Hotline will receive a packet of information that includes a list of participating hospitals and clinics and the telephone numbers to call for an appointment as well as educational materials on breast health. Ineligible women will receive educational information.

"One of the goals of this project is to educate the public about the benefits of early detection of breast cancer," says Dr. Richards. "We aim particularly to reach women and primary-care physicians with information on the value of early detection, which will result in early referral for treatment. We expect, as a spin-off, that increased usage of mammography equipment will push costs down."

At participating facilities, women will have a two-view mammogram - a safe, low-radiation breast x-ray; a physical breast examination by a health-care professional; and instruction in breast self-examination, for \$50 or less.

Mammography. Mammograms often can detect a breast cancer when it is the size of a freckle or the head of a pin, up to four years before it can be detected with physical examination by the most experienced physician. When breast cancers are localized, the cure rate is approximately 90 percent. If the breast cancer is noninvasive, the survival rate approaches 100 percent. If the cancer has regional spread, however, the rate is 60 percent.

The American Cancer Society's guidelines for early detection of breast cancer in women are as

follows:

\* All women 20 years of age and older should examine their breasts monthly.

\* For women 20 to 40, a breast examination by a physician every three years is advised. Women 40 and over should have this exam yearly.

\* Women between 35 and 39 should have a baseline mammogram, for future comparison. Women 40 to 49 should have a mammogram every one to two years. Women 50 and over should have a mammogram annually.

All women are at risk of breast cancer: About one woman in ten will develop breast cancer sometime during her life.

However, several factors increase a woman's risk of developing breast cancer:

- A personal or family history of breast cancer;
- No children or first child after age 30;
- Being over age 50;
- A high fat diet;
- Being 40 percent above normal body weight.

In these situations, a woman's physician may make additional recommendations for breast cancer tests.

About 2,900 Wisconsin women will be diagnosed with breast cancer in 1988 and 900 women will die from the disease, according to American Cancer Society estimates reported in the Society's recently published Cancer Facts and Figures - 1988.

Previous screenings at many locations around the United States have shown that first-time screenings can be expected to detect 7 cancers in 1,000 women checked. This was borne out in Wisconsin in the Society's 1987 Breast Cancer Detection Awareness Project: 75 breast cancers detected in 10,207 women screened. (Further screenings of the same groups nationwide produced an average of 3 cancers per 1,000 women).

It is estimated that today's Wisconsin population includes almost 1.138 million women 35 years of age and older. If all these women were screened for breast cancer, almost 8,000 cases could be found. Finding these cancers as soon as possible is crucial.

"As women and their primary-

care physicians become aware of the value of early detection of breast cancers, we will see the results - a marked reduction in deaths from breast cancer," says Dr. Richards. "That is, of course, our long-term goal."

### Business Skills Center Keeps Up with Office Needs

The day and night sessions of the class are full. Last semester, people were turned away from the center until a schedule could be set up to accommodate them. What is it that has drawn so much attention that people are waiting in line to get in? It's the Business Skills Center at Moraine Park Technical College's West Bend campus.

Due to the technological revolution, the number of people using the facility has grown dramatically in the last five years. According to Campus Administrator Lee Flanders, an increasing number of part-time people use the facility to upgrade their skills.

"About one-fourth to one-third of the people I see are students," says Lois Hessenauer, a part-time instructor in the center. "The others are business people and homemakers."

The center also offers courses for people who have been out of the job market for awhile. These short courses, which began in February, are designed to upgrade and refresh the skills of the displaced worker. The courses include: Typing, Data Entry, Beginning Micro-computer, Word Processing, Machine Transcription and Receptionist Training.

Since the center opened in 1969, it has developed and changed in an attempt to accommodate the business needs of the Milwaukee and West Bend and area business communities. "Sometimes it is good to be on the cutting edge," says Flanders, "but sometimes it is better to be a response center."

"All of the machines are used quite heavily," he continues. "Computers may be the trend, but it is still necessary to know how to type. Basic keyboarding skills are as important as reading and writing composition skills."

There are three rooms in the facility which simulate office settings - a microcomputer lab, a typing/office machines lab and a machine transcription lab. Students develop and improve their skills through self-directed programs. The courses last anywhere from six to 18 weeks; because each student works at his or her own pace, the length varies.

Instructors monitor each course, except the computer classes which are self-contain-

ed. Teachers are available to help students with problems and guide them through lessons.

"In order to keep up with business and student needs, the center will have to make a few changes in the future," says Flanders. "We need additional staff to keep up with the number of students and the number and variety of courses being offered here. The equipment is state of the art, but minor adjustments to the memory capacity of the computers should also be made. In addition, we need to extend the center's hours to make it more available to the students."

### Citizen Advocacy's Annual Dinner Held

"Look at your brother beside you. Look at your sister beside you. Look, listen and care" were among the opening remarks made by Rev. Dick Truitt at Citizen Advocacy's Tenth Annual Dinner Celebration.

Over 90 people gathered to celebrate the joy they've found in discovering one another through Citizen Advocacy of Washington County.

It was an evening filled with recognition for the 1-1 matches, legal guardians, short-term advocates and educational advocates that have cared for one another over the years.

In the true spirit of community, these people have "looked, listened and cared" enough to become a meaningful part of someone else's life.

Board President Lynn Camin thanked the entire Board for their continued commitment to the work of Citizen Advocacy, and presented the Rainbow Award to Susan Sauer for her work on publicity. The Rainbow Award is given each year to commend a board member for his/her unique contribution to Citizen Advocacy.

Executive Director Sue Moser introduced two new award recipients this year. The Community Award for a Washington County business that has supported Citizen Advocacy through their spirit, donations, employee involvement and enthusiasm for advocacy was given to Serigraph Sales and Manufacturing Co. of West Bend. Kathy Ramsthal accepted the award for Serigraph.

Another new award, for an individual in the Community who has carried the advocacy message with her in all she

encounters, went to Joan Pick. Joan has been very involved in Citizen Advocacy since it began ten years ago.

The "Seed Planter" award was presented to Alice Laubenstein for "planting the seed" of Citizen Advocacy two years before Citizen Advocacy became a reality. "Nothing happens without a dream, and Alice had the dream for Citizen Advocacy in this community" said Moser.

Assistant Program Coordinator Susan Goebel applauded the efforts of the self-advocates to become active and informed about issues that concerned them in the community.

Susan Goebel was given a gift to thank her for six very productive years with Citizen Advocacy. She is leaving the position, but said "This is not good-bye. I keep in touch with my friends." Sandy Olson will be the new Assistant Program Director with Citizen Advocacy.

Executive Director Sue Moser was given a bonsai tree to symbolize the great care and nurturance she's given to Citizen Advocacy for 10 years. The logo for Citizen Advocacy's tenth year celebration is a tree.

The festivities continued well into the evening, as everyone enjoyed the music provided by members of Kinfolk and friends.

### Prenatal Classes At Campbellsport

Prenatal classes will be held at the Campbellsport Medical Center (lobby) beginning Wednesday, April 13th. They are held from 6:45 p.m. to 9:00 p.m., and they run for 6 consecutive Wednesdays, ending May 18th.

The 4th class is held at St. Agnes Hospital. They are free of charge. Sandy Fryda, R.N. with Fond du Lac County Public Health Nursing Service, is the instructor. All pregnant women are encouraged to attend along with their spouse or coach.

If you have any questions, contact the County Nurses Office at 929-3085.

Nothing fishy about it— one of the flounder's eyes travels to the other side of its head as the fish develops. The winter flounder's eyes are on its right side, while the summer flounder's eyes are on its left.

### Cholesterol Screening At Fond du Lac

A study conducted by the National Heart, Lung and Blood Institute in 1984 showed that the link between high blood cholesterol levels and heart disease is as indisputable as the link between smoking and lung cancer. The lower your blood cholesterol level, the better off you are. Yet many people don't know the facts about cholesterol and many have never had their blood cholesterol checked.

On April 15th, 16th and 17th, 1988, Fond du Lac County Public Health Nurses will be conducting a cholesterol screening at the Forest Mall.

The procedure is relatively simple and inexpensive — only a small amount of blood will be drawn using a finger stick. The test is a screening. Results will be available in approximately 15 minutes. It is useful in that it will alert people who may need further testing.

If you decide to have your blood cholesterol measured, you'll be better off knowing a few facts in advance.

#### What is cholesterol?

Cholesterol is a soft, fat-like substance. It is used by the body to build cells and make hormones. The body makes all the cholesterol it needs. Additional cholesterol enters the blood when we eat foods high in saturated fats (those that are usually solid at room temperature) and cholesterol. Too much cholesterol in the blood causes the cholesterol to attach to the arteries and eventually the arteries may become clogged — much as old water pipes build up scale mineral deposits. When the arteries are clogged, the blood cannot get to the heart, causing a heart attack or a stroke if this happens in the brain.

#### Why should I care about cholesterol?

Elevated blood cholesterol is one of the controllable risk factors for coronary heart disease. A risk factor is a habit, a trait or a condition in a person that is associated with an increased chance of developing a disease. A high blood cholesterol level is especially dangerous when combined with other risk factors such as smoking, hypertension, diabetes, obesity and a family history of heart disease.

#### How can I lower my cholesterol?

First, if you're overweight, take steps to lose weight. Reduction of weight will often lower blood cholesterol. The other way to lower cholesterol is by making changes in your eating habits. Eat less saturated fat and cholesterol. Key points to remember are:

- Cholesterol is found only in animal products (organ meats, eggs, meat, butter, cheese)

- Vegetables, fruits, cereal grains and starches contain no cholesterol and little or no

saturated fat. Choose more of these.

- Choose fish, poultry and lean cuts of meat. Serve moderate portions.

- Trim fat from meats and skin from chicken before cooking.

- Eat less commercial baked goods made with lard, coconut oil, palm oil or shortening.

- Eat less sausage, bacon and processed luncheon meats.

- Use low-fat dairy products.

- Eat fewer eggs or fewer egg yolks.

### Moraine Symphony Orchestra's 'Night At the Pops' May 7

WEST BEND — Guest performances by a recording star, a popular new singing group and student instrumentalists will be among the highlights of the Moraine Symphony Orchestra's third annual "Night at the Pops" at 7:30 p.m., on May 7.

The orchestra will perform in the gym at the University of Wisconsin Center — Washington County, under the direction of Albert Asch, associate professor of music at UWWC. General admission is \$4 with children under six admitted free. Reserved table seating is available at \$10 for all ages.

George Staerkel, a member of the "Tokens" until 1985, will sing "The Lion Sleeps Tonight," the group's big 1982-83 hit. He will also play solo trumpet on "Theme from Ice Castles," another recording, and on "Bugler's Holiday."

Staerkel played lead trumpet with Dave Major and the Minors from 1985 to 1988.

Rounding out the guest appearances will be a series of numbers of Standing Room Only (SRO) including a collaboration with Staerkel on "The Lion Sleeps Tonight" and selections by the UWWC Jazz Ensemble.

Orchestra numbers will include "Sabre Dance" by Khatchaturian, "Somewhere Over the Rainbow" by Harold Arlen, and "Symphonic Reflections" — compositions by Andrew Lloyd Webber including "Superstar," "Don't Cry for Me Argentina," "King Herod's Song," and "Memory."

UWWC student Rose Schwindemann will play a cello solo with the orchestra, "Allegro Appassionata" by Saint-Saens.

Twenty-one tables with seating for 168 people are being set up in the gym for the "Night at the Pops." Additional seating is available in the bleachers and 150 chairs. Refreshments will be sold during the program.

Proceeds from the evening support the activities of the orchestra, which was founded in 1968 by Asch.

### County Cautions Parents of Infants About Well Water

Nitrates in drinking water can pose a risk to the health of infants. Health officials have known this since 1945, according to a press release from the Washington County Land Use and Park Department, a local agency charged with certain environmental health and sanitation responsibilities.

The problem for infants exposed to higher concentrations of nitrates in drinking water is a disruption of some body processes resulting in methemoglobinemia or "blue baby." Nitrate can be converted to nitrite by the body. Nitrite affects the hemoglobin in the blood, reducing its ability to carry oxygen. This can result in the blue appearance of the body.

Very small infants, under 6 months of age, are most susceptible to this serious medical condition. Their stomachs produce less acid resulting in the possible growth of more of the bacteria which reduces nitrate to nitrite, causing the problem.

It is suggested that residents of Washington County who have or expect very small infants have their well water tested by the State Laboratory of Hygiene. A sample bottle and exact sample procedures can be obtained directly from the State Lab in Madison at (608) 262-1293, or a kit may be purchased by visiting the Land Use and Park Department office, Courthouse Room 150, West Bend.

Nitrates have been observed in the drinking water in areas throughout Washington County and the State. Several natural and man made conditions are involved in the occurrence of nitrate in well water. Federal law requires the periodic testing of public water utilities, however concentrations can occur in private well water without detection by the homeowner.

Tests can also be conducted for bacteriological safety, of interest to all private well owners. Please specify whether bacteria test, nitrate test, or both tests are being requested. Information is also available for those concerned about other types of possible or suspected chemical water contaminants.

The early bird gets the worm - but the early husband gets his own breakfast.

### WE Smart Energy Program Is Back

MILWAUKEE — The Smart Money Energy Program for residential customers of Wisconsin Electric Power Co. is back with a fresh look.

The 1988 program differs in several ways from last year's successful Smart Money offering, which attracted 191,000 customer inquiries in less than nine months. The differences include higher efficiency standards and a two-phase program under which first air conditioners and then other new electric appliances will qualify for rebates.

"These changes will maximize the energy savings from Smart Money, helping us defer the need for new power plants and thereby helping keep rates low for everyone," said Joel Fullmer, WE supervisor of Residential Energy Management.

"Participating customers also will save directly. Smart Money qualifying appliances will cost them less to buy and will use less electricity."

Under this year's Smart Money plan, qualifying appliances must meet federal efficiency standards that take effect in 1990. Central air conditioners must meet the 1992 federal standard. These standards are higher than those required under last year's Smart Money plan.

"These standards will help Wisconsin Electric and our customers save additional energy now. Customers will know when they see the green Smart Money label that they are looking at the most efficient appliances on the market," Fullmer said.

Under the first phase of Smart Money, running now through June 30, qualifying central and room air conditioners are eligible for rebates ranging from \$25 to \$125.

Other appliance offers will begin June 1. The offers will be announced in customer bill inserts and will include the return of last year's popular turn-in program for inefficient old appliances.

"Part of the reason for the special period for air conditioners is that we wanted the Smart Money rebates to coincide with special seasonal promotions offered by manufacturers and dealers,"

Fullmer explained.

The residential Smart Money program ended its initial run last Dec. 31, after 57,000 rebate checks were sent to qualifying customers. The program resulted in about 22 megawatts of peak demand being conserved on the WE system. The Smart Money residential program this year is expected to conserve an additional 11 megawatts.

Smart Money programs for WE's commercial, industrial and farm customers have continued without pause.

### Planned Parenthood To Present 'Mother and Daughter' Workshops

Planned Parenthood of Wisconsin is presenting "Mother and Daughter" workshops 6:00 p.m. to 8:30 p.m. on the following evenings:

- Wed., May 4, at the Marine Bank, 801 W. Washington, West Bend.

- Thur., May 5, at the First Wisconsin Bank of Cedarburg, N61 W6312 Turner Road, Cedarburg.

- Thur., May 5, at the Marine Bank West, 2402 E. Moreland, Eastbrook Office, Waukesha.

These workshops are designed for pre-adolescent girls, ages 8 to 10 and their mothers (or another significant female adult). It focuses on puberty, menstruation, as well as facts and feelings related to growing up female. Group activities, films, mini-lectures, and games are planned.

The fee is \$12.00 per adult/child couple. For more information or to register, call the Community Services office, at (414) 271-6033.

## Susan Engeleiter Names County Coordinator in Senate Race

MILWAUKEE — Tina Gonnering of Washington County has been appointed county coordinator of Republican Susan Engeleiter's U.S. Senate race, Engeleiter announced.

"The contest for the right to succeed U.S. Senator William Proxmire is going to demand hard work by a lot of dedicated people, and a very strong statewide organization," Engeleiter said. "I am delighted that Tina has agreed to be a vital part of that effort."

Engeleiter, now the Republican leader in the Wisconsin State Senate, said coordinators are being named in each of the state's 72 counties.

Each will be a person respected in his or her community and a proven hard worker, she said.

The coordinators will help identify likely voters in the Senate race, help organize local campaign events and coordinate the distribution of campaign

materials for voters.

They also will be responsible for keeping Engeleiter posted on important developments and events in their counties.

Each coordinator will create his or her own steering committee to provide advice and guidance for the Engeleiter campaign.

"A successful statewide campaign depends on three things," Engeleiter said. "It needs a good candidate, good positions on issues and a good organization. I promise to take care of the first two requirements. The third will be up to Tina and the other Engeleiter coordinators throughout Wisconsin."

Engeleiter said people interested in the campaign should contact Tina Gonnering at 414-334-3093.

Engeleiter has served in the Wisconsin Legislature for 13 years. She has been Senate Minority Leader since 1986.

## Panzer Urges Repeal of Federal Diesel Fuel Tax

State Representative Mary Panzer (R-West Bend) announced that she has joined fellow Assembly Republicans in urging that Congress repeal the diesel fuel tax treatment of state farmers. "Good sense dictates that the federal government recognize the unfairness of the current farm fuel tax policy," Panzer noted, "and act to repeal this burdensome filing procedure for farmers."

In an effort to insure that everyone pays their highway gasoline taxes, farmers are currently required to pay diesel fuel taxes and then file for a non-highway use refund. On February 16, Representative Panzer and Assembly Republicans wrote to the members of the Wisconsin congressional delegation, as well as the chairmen of the House and Senate tax-writing committees, to urge immediate repeal of this make-work diesel tax pay-in provision.

Panzer added, "Since diesel fuel is almost exclusively used for agricultural equipment, this pay-and-file requirement serves little purpose other than to create additional paperwork for farmers. Congress should act quickly to correct its mistake."

Never cut your flowers in the morning. Since all day the leaves manufacture food which is transported around in the form of sugars to feed the plant, cut your flowers in the late afternoon when they are the fullest of sugar, if you want the flowers to last.

## The Obscenity Odyssey

By Donald A. Stitt  
State Senator 20th District

### A Technical Knockout

Unfortunately, it sounds like a broken record. Once again, the state legislature failed to pass a measure which would put an anti-obscenity law on our books. How many more times will we have to push anti-obscenity legislation before it passes?

I, along with many other concerned legislators, have worked long and hard to usher a measure through both houses of the legislature that would effectively curb obscenity. Sadly, we have not been able to pass a bill for the Governor's signature.

Perhaps no time since there's been a movement to re-initiate an obscenity statute was the public so vocal and tenacious in their support of a new law. Yet, after intense debate, procedural maneuvering and changes to the original proposal, nothing happened. The public's intentions went unheeded.

### The Dilemma

At risk of stating the obvious, there is a genuine and unforgiving rift in our legislature on this issue. Some feel that an obscenity law may pose an infringement upon our rights as citizens. They argue that in order to protect these rights, an obscenity bill needs to be less forceful.

So, they objected to Senate Bill 31, the original obscenity measure. Then, a conference committee was formed and they crafted Assembly Bill 991, a scaled down and allegedly compromised version. Neither

Kewaskum Statesman,  
Friday, April 15, 1988, Page 13

bill passed both houses.

On the other side are legislators like Senator Chilsen and myself who argue that in order to curtail an increase in obscene material, the new law must be tough. In our view, Senate Bill 31 accomplished this. That measure especially sought to address the problem of hard-core pornography.

### No Middle Ground

The difficulty, as in most controversial issues, is finding an acceptable middle ground. Obscenity may be the sort of policy question that begs for resolve but can never be compromised.

However, an obscenity law with gigantic loopholes is a paper tiger. Legislators who fear a strong obscenity statute will only — and reluctantly — lend their support to a bill that is weak. Those who feel this way will never be forceful advocates for anti-obscenity. That's the reality.

### The Public Speaks

One can not help but notice that this "political reality" carelessly pre-empted what might be called the "public's reality." There are loud and linked voices throughout the state who share intense concern about the impact of obscene material in our society. They've been heard. Just ask any legislator who's received hundreds of calls and letters on the matter.

But anti-obscenity advocates are fast approaching a decade of frustration and legislative failure. The tragic irony is that they likely represent the majority view. Similar to the question of gambling, an obscenity law would stand a good chance of passing if put to the public in the form of a state referendum.

### The Bottom Line

Those against a strong obscenity law may have a greater fear than the law itself. Advocates of an obscenity statute have become very able at counting votes in the legislature. They realize that when legislators return next January, they'll need more officeholders who want to pass an anti-obscenity measure.

They also know that early and strong support for certain candidates and campaigns can help bring this about. They know they have the issue, the public's support and the potential manpower.

Including myself, there will be many people working very hard throughout the state to elect legislators who are sympathetic to the obscenity issue. Next year, with the votes, we could achieve the ultimate — passage of a bill. That would be good news.

## Star Cablevision Announces Availability Of Stock Quotation Service to Subscribers

Star Cablevision proudly announces the availability of a stock quotation service to its subscribers. DBC/Market-Watch sm services gives continuous, unlimited access to stock, option, future and commodity quotes, market summaries and related financial information on your personal computer.

All that is needed is an IBM or compatible personal computer and a standard cable outlet. For one low subscription fee, Data Broadcasting Corporation will supply the rest - a data receiver, software and a choice of real-time or delayed quotes... at a price anyone can

afford.

DBC's exclusive five-window format lets you check the value of a portfolio, monitor a personalized list, watch tickers or read news, and at the same time request a quote on any one of up to 25,000 stocks, options, futures, commodities or indices.

DBC/MarketWatch was developed in conjunction with Merrill Lynch. Data Broadcasting is a sister company of Financial News Network, The Learning Channel and High Technology magazine.

The service is now available from Star Cablevision in the West Bend area.

For more details and a free brochure call 1/800-777-3334.

## Real Estate Tax Collection Up

Washington County Treasurer, Fredric A. Seefeldt, reported that real estate tax collections are up compared to one year ago. Seefeldt completed taking over the tax rolls of postponed and delinquent taxes from local treasurers last week. The County Treasurer computes the percentage of collection of the tax roll for each municipality. That percentage then determines how much of the levy is due and payable to the County and to each of the school districts.

The range on collection percentages was from 76.4 percent for a high to 56.1 percent for the low. "The lower percentage indicates few payments in full and more use of the postponed plan rather than more delinquent taxes. The lower percentages are found in the townships with the most intensive agricultural use. Given the size of their tax bills most farmers opt to use the postponed plan," Seefeldt pointed out.

In comparison, the range of percentages for last year was 72.5 percent to 54.4 percent. "This year saw an increase of 3.9 percentage points on the high end and an increase of 1.7 percentage points on the low end," Seefeldt said.

"The top nine municipalities in terms of percentage of collection remained the same from last year to this year although the order changed in several cases," Seefeldt observed. Topping the percentage rankings both years was the Town of Richfield with 72.5 percent last year and 76.4 percent this year. The next eight municipalities include: Town of Germantown; Village of Germantown; Village of Slinger; Village of Newburg; Town of Jackson; Town of West Bend; Town of Erin and City of Hartford. "This year the top nine

all had collection percentages of 70 percent or better," Seefeldt said. "Last year the top nine had collection percentages of 68.2 percent or better."

## Big Brothers, Sisters 'Bowl For Kids' Event Success, 700 Bowlers

"A fantastic success" is the only way to describe this year's second annual Big Brothers & Big Sisters "Bowl for Kids" which was held on February 27th and 28th. To date the pledges have been coming in by the nearly 700 bowlers who participated.

Initial results in team competition and individual achievements were announced this week. The following are the results in the team competition in the 18 divisions:

Automotive - Royal Ford #1; Banking - F & M Bank of Slinger; Communications - West Bend News; Government Services - D. A.'s office Courthouse; Industry - West Bend Company #1; Insurance - Rural Insurance #2; Investments - B.C. Ziegler Crankers; Legal/Accounting - O'Meara Law Office; Medical - St. Joseph's Hospital Lab; Real Estate - Remax; Restaurants - Hardee's of West Bend; Service Organizations - P.A.C.E.; Retail - K-Mart; Recreation - Hartford Rec. Dept.; Education - Elementary - Allenton Elementary, Middle - Silverbrook #1, High School - Pie Are Squares, Support - West Bend Bus Drivers.

Each team's scores were based on total pins for two games bowled plus handicap. Trophies are being given out to each division winning team. Individual trophies were awarded to Jerry Spaeth who bowled a 267, the high game of the weekend for men and to Jane

Danielson who bowled a 227 for high women's game. Trophies were also awarded for lowest men's and women's game, but their modesty prevents us from using their names.

The bowling committee would like to congratulate all of the bowlers and thank them for their continued support!

## REAL ESTATE TRANSFERS

Comparing the real estate transfers of March, 1987 to March, 1988.

In March, 1987 the Washington County Register of Deeds recorded 184 transfers with a fee. A total of \$47,180.10 was collected in transfer fees. This amount reflects \$15.7 million in real estate transferred.

In March, 1988 the Washington County Register of Deeds recorded 175 transfers with a fee. A total of \$32,304.00 was collected in transfer fees. This amount reflects \$10.76 million in real estate transferred.

Exceptionally large transfers include the following:

Commercial - City of West Bend ... \$141,000.00.

Single Family - T. of West Bend - 7+ Acres ... \$225,000.00

Land & Buildings - 38 Acres - T. of Polk ... \$125,000.00.

Single Family - 15 Acres - T. of Erin ... \$203,000.00.

Commercial - V. of Germantown ... \$367,700.00.

Land & Buildings - Agricultural - T. of Kewaskum ... \$240,000.00.

Single Family - V. of Germantown ... \$123,900.00.

Land Only - Subdivision Lots - C. of West Bend ... \$300,000.00

Land Only - 1.4 Acres Commercial - City of West Bend ... \$195,000.00.

## NEWS EXTRA...

### Chain Letters — Most Are Illegal

Have you ever been asked to participate in a chain letter which is guaranteed to earn you lots of money with one small investment? Don't waste your money! These chain letters are ILLEGAL and they DON'T WORK.

Anyone who promotes or participates in a chain letter which requires the payment of something of value, such as cash or money orders, and offers a prize dependent upon chance, is in violation of federal mail fraud and lottery laws. Even if the chain letter itself is not mailed, as long as the payment or prize is sent through the mail, the entire scheme is ILLEGAL.

The chance that all participants in a chain letter will receive money as promised is mathematically impossible. The progress of a chain letter is so rapid, that the number of participants who continue the chain is soon exhausted. Later investors receive no payment or prize; instead, they become LOSERS.

For example, a typical chain letter scheme may require participants to mail letters containing money to six new participants, each of whom must mail six letters to six more individuals and so on. But, as you can see from the chart, the scheme soon requires more participants than there are people in the United States!

LEVEL OF MAILING	NO. OF PARTICIPANTS
1	6
2	36
3	216
4	1,296
5	7,776
6	46,656
7	279,936
8	1,679,616
9	10,077,696
10	60,466,176
11	362,797,056
12	2,176,782,336
13	13,060,694,016

United States Population (226,504,825)  
World Population (3,860,000,000)

If you receive a chain letter, you are under no obligation to participate. To do so may be a violation of federal and state laws. Turn the chain letter in to your local post office. The Postmaster will send the chain letter to the: Regional Chief Inspector, Central Region, Chicago, IL 60607-5401; for investigation.

**DON'T TAKE THE CHANCE AND DON'T BECOME A VICTIM**

**Our riders won't leave you lurching in the clutch**

Forget about rolling downhill while clutching to shift gears. In fact, you can pretty well forget about clutching at all except when you want to reverse. John Deere RX and SX Riders let you shift through seven forward speeds without clutching... and let you slow down by depressing a pedal. Other features: an adjustable tilting seat. Easy-reach controls, 17-inch turning radius. And high torque 6-, 9- and 12 1/2-hp engines. Come choose from six models, 26-, 30- or 38-inch cut.

Prices starting at \$995.00.

## 25 Years Ago

April 12, 1963

Father Elroy (Ralph) Pesch, son of Mr. and Mrs. Elroy H. Pesch of Route 2, Campbellsport, Town of Auburn, will be ordained a priest of the Capuchin Franciscan Order on April 20, at St. Mary's Church, Marathon, Wisconsin. Father Pesch will celebrate his first Solemn High Mass on Sunday, April 21, at Holy Trinity Church, Kewaskum.

Kewaskum High School seniors, commencing with the class of 1963, will be eligible for scholarships totaling \$1,000 per year under a plan announced this week by Regal Ware, Inc. The new awards, to be known as the J.O. Reigle Scholarships, have been established by the firm to recognize the outstanding achievements of one or more students from each Kewaskum High School graduating class, and to assist them in obtaining college educations. The scholarships will provide each of two students \$500 toward their first year's college expenses. It may then be continued each year for the remainder of a four year course if grades, activities and conduct meet the standards of the Scholarship committee.

Kewaskum High School forensics participants made a fine showing at the district tournament held at Oshkosh State College on April 6. The speakers with "A" ratings at the district level qualify for the state tournament to be held at Madison on April 27. Four Kewaskum contestants qualified for the state tourney with "A" ratings. They are: Ralph Albrecht, extemporaneous speaking; Kay Dorn, interpretative poetry; Georgia Malamaki, original oration; Mariel Seefeldt, original oration.

Mr. and Mrs. Lyle Swarthout of Kewaskum have purchased the Rainbow Bar at Route 1, Mayville, and took possession of the business on April 4.

Mrs. Albert G. Hron, 67, nee Mary C. Stellpflug, well known resident of Kewaskum, passed away on April 6, at her home following an illness of about one year.

Honor roll students at Kewaskum High School for the third nine weeks period which ended March 29 are as follows: Freshmen — Janet Breit, Joyce Bruessel, Lucille Kirchner, Roger Mertz, Curtis Merwin, Jean Miske, Jennifer Nolting, Kenneth Pesch, Virginia Pillar, Jeanne Reindl, Margaret Rodenkirch, Wendy Weiss. Sophomores — Mary Bodden, Kathy Keno, Delbert Miske, Sherilee Schuster, Sandra Senn. Juniors — Karen Brown, Robert Kern, Margaret Kirsch, Thomas Lavarda, Dianne Marx. Seniors — Ralph Albrecht, Allen Koepke, Ann Schaefer, Rita Schumacher, Mariel Seefeldt, Mary Skiba, Judy Truebenbach, David Williams.

A daughter was born to Mr. and Mrs. Tory Russell, Milwaukee on April 5. Mrs. Russell is the former Mary Schaefer, daughter of Mr.

and Mrs. Marvin Schaefer of Kewaskum. A daughter was also born to Mr. and Mrs. Lawrence Wickert, West Bend, on April 8. Mrs. Wickert is the daughter of Mr. and Mrs. Edwin Fickler of Kewaskum. A daughter was born to Mr. and Mrs. Carl Meyer, Route 2, Campbellsport, on April 5. A son was born to Mr. and Mrs. Robert Struebing, West Bend, on April 7.

## 50 Years Ago

April 15, 1938

A local business transaction was completed on April 8, in which Mr. and Mrs. Gerhard Reinders rented the John Gruber bakery. Mr. Reinders will continue to operate the Kewaskum funeral home and he and his family will remain in their present place of residence. Mr. and Mrs. Reinders are handling a complete line of baked goods, supplied fresh every day from the Barton bakery. Ice cream, cigarettes, candies and a full line of groceries will be sold. Five cent hamburgers and wiener sandwiches will be served at all times. Free delivery service every morning from 6 a.m. up.

All boys in Washington County under the age of 16 years are invited to participate in the statewide Marble Tourney under the sponsorship of the Milwaukee Journal and WPA recreation program.

A special bockwurst and mushroom lunch will be served at

Louis Heisler's tavern Saturday evening, April 16. Stop in for a delicious serving.

A well known resident of near New Fane in the Town of Auburn passed away in the person of Mrs. Henry Moldenhauer, 64, which occurred at St. Joseph's Hospital, West Bend, on April 10.

## 75 Years Ago

April 12, 1913

## Recycling Information Available at Meeting

Recycling information for the novice or veteran will be given by Elizabeth Duchelle, DNR recycling specialist, at a public meeting April 20. Sponsored by the Town of Farmington Recycling Committee, the meeting will be at 7:30 p.m. at the Town Hall, Hwy. 144 at Boltonville.

Duchelle will show slides of recycling methods that have been successful and will answer questions about proposed rules on recycling in the state. Landfill rules will also be discussed.

## GTE Files for Rate Increase As Part Of Its Annual Review

GTE, as part of its annual financial review, filed an application with the Public Service Commission of Wisconsin to increase its rates within the state by \$12.3 million annually.

Although GTE North Incorporated only filed financial data in support of the need for the increase, company officials said testimony and other materials in support of the case will be filed with the Commission on May 2. Part of the May 2 filing will include details on how the proposed rates would impact local telephone service customers in the state.

James D. Blanchard, state vice president-general manager of the company's Wisconsin operations headquartered at Sun Prairie, said the increase was necessary because of increased operating expenses in serving the company's 359,000 customer lines through 192 exchanges. "We've consolidated operations and gained other operating efficiencies, but those are

just not enough to continue on the service improvement pace we feel is necessary to meet present and future customer requirements," Blanchard said.

"Our massive network construction program in the latest state-of-the art technology is paying off. This is evidenced by customer responses on those areas where electronic digital switching and fiber optic facilities have been placed. Permission to increase our rates will be a major part of that program," Blanchard added, indicating that the company has spent more than \$445.4 million in construction programs in the last five years and plans to spend more than \$57.0 million in 1988.

An additional part of the rate request, Blanchard said, deals with regulatory requirements to change accounting procedures to more accurately reflect today's new technology serving GTE's customers.

The company's last request for a rate increase was in June 1987. In December, the Public Service Commission of Wisconsin approved an increase of \$3.3 million annually.

# Minutes of Village Board Meeting

Regular Meeting  
April 4, 1988  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. All other trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Charles Boegel, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the minutes of the March 14, 1988, meeting were approved as printed.

Mr. Dean Sinclair of Star Cablevision was present to inform the Village Board of his company's objectives over this coming year and to turn over the 1987 franchise fee in the amount of \$4,089.23.

Nicholas Quartaro and John Knepel of the accounting firm of Conley, McDonald, Sprague & Company, Milwaukee, WI, were present to review the audit for the year ending December 31, 1987, and to answer any questions anyone may have regarding the audit or financial statements. Mr. Knepel explained the entire audit and financial statements regarding the General Fund and the Utilities portion of the audit and associated financial statements. The audit and statement revealed the Village is in a healthy financial condition.

President Paul Blumer thanked the representative from Conley, McDonald, Sprague & Company for the informal review of the Village's financial condition and a job well done.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Kenneth Bonlender to suspend the rules to take action on agenda item IX. A. Review and discussion on the acceptance of the audit report for the year ending December 31, 1987. Roll call vote was unanimously carried. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Trustee Richard Schmidt, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board accepted the audit and financial statements as presented by Conley McDonald, Sprague & Company for the year ending December 31, 1987.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Reviewed briefly the Budget Control Sheet for March 31, 1988.

2. Informed the Board that an Erosion Control Ordinance would be brought to them for consideration in the near future as per the State requirements.

3. Informed the Board that a notice would be published informing the public that a preliminary wetlands map is on file in the office and that the Board would be holding a public hearing on it on May 2, 1988.

4. Informed the Board that the Assessor's Open Book has been scheduled for April 18, 1988, and the Board of Review for May 9, 1988.

5. A brief review of the School's response regarding the parking problem at the Elementary School was held. The Administrator was advised to respond again asking them for help/action.

6. Review of some brief correspondence.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Howard Laubenstein and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Gen. Fund	\$300,980.00
Sewage Fund	24,020.93
Water Fund	22,128.61
<b>TOTAL</b>	<b>\$347,129.54</b>

General Fund Voucher #8975 thru #9121  
Sewage Fund Voucher #4669 thru #4680  
Water Fund Voucher #5138 thru #5145

Under the Park and Recreation Committee it was noted the aeration equipment installation has begun, the vacuuming of the pond is scheduled for the end of the week and a small screening plant has been located to screen the beach sand.

Trustee Richard Schmidt informed the Board of a County-Wide Library meeting scheduled for April 13, 1988.

Discussion was held on the Capital Improvements Sidewalk Extension Program. A multitude of questions were reviewed pertaining to Riverview Drive, Werner Drive, Prospect Drive and Fond du Lac Avenue. A listing of the questions and answers is to be compiled and sent to the

engineers.

On a motion by Trustee Charles Boegel, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the purchase and replacement of a heat exchanger in one of the Fire House heating units. The work is to be done by Don Herriges with the material estimated at \$1117.20.

Action was taken on Resolution No. (s) 88-5 & 88-6 as attached hereto:

On a motion by Trustee Howard Laubenstein, seconded by Trustee Charles Boegel and unanimously carried by voice vote the Board approved the purchase of fireworks for the July 3, 1988, celebration at a cost of \$1,952.23 from Spielbauer Fireworks, Green Bay, WI.

Action was taken on Resolution No. 88-7 as attached hereto:

Discussion was held on four (4) alternate creek crossing methods for the Kewaskum Industrial Park. On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schmidt and unanimously carried by voice vote, the

Board authorized the purchase of an arched culvert for an estimated cost of \$6,925 to be installed.

Discussion was held on the extension of Sewer and Water mains to service the Kewaskum Industrial Park. It was noted the purchase of land by Resolution No. 88-7 would create a substantial savings in installation versus the original easterly route. Cost estimates and these projects were reviewed.

Discussion was also held on the estimate for drilling a new well at Pumphouse No. 1.

On a motion by Trustee Howard Laubenstein, seconded by Trustee Thomas McElhatton to adjourn to closed session under Chapter 19.85(1)(e) of the Statutes to deliberate and negotiate the purchase and disposition of public lands (Kewaskum Industrial Park). Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried unanimously.

Daniel S. Schmidt  
Administrator

## RESOLUTION 88-5

### SURPLUS ON OUTLAY ACCOUNTS YEAR ENDING DECEMBER 31, 1987

BE IT RESOLVED, that the remaining balances in the outlay accounts be transferred into the Restricted Fund (Account 10912) in the amount of Thirty-nine Thousand Three Hundred Sixteen Dollars and Fifty-five Cents (\$39,316.55).

The outlay accounts showing surplus balances are as follows:

51411	Election Outlay	\$ 350.00
5163	Revision of Ordinances	695.86
51711	Municipal Building	44.32
5217	Police Department	1,359.34
5233	Fire Department	9,416.48
5256	Communication System	809.16
54111	Machinery & Equipment	9,280.00
54331	Curb & Gutter	1,000.00
54421	Street Lighting	1,000.00
54451	Storm Sewers	557.65
54471	Dam Restoration	5,000.00
5479	Refuse	5,000.00
55211	Parks & Playgrounds	3,803.74
5537	Christmas Decorations	1,000.00
	<b>TOTAL</b>	<b>\$39,316.55</b>

BE IT FURTHER RESOLVED, that per Resolution #87-27, a transfer of funds in the amount of Twelve Thousand Seven Hundred Seventy-seven Dollars and Fifty Cents (\$12,777.50) be made from Account 5431 Streets and Alleys and deposited into the Restricted Fund (Account 10912) under the Sub-account Street Outlay (Account 54311).

ADOPTED AND APPROVED this 4th day of April, 1988, by the Kewaskum Village Board.

Paul E. Blumer  
Village President

ATTEST:  
Daniel S. Schmidt  
Administrator/Clerk

Introduced by Trustee Mary Krueger  
Motion for adoption by Trustee Howard Laubenstein  
Motion for adoption seconded by Trustee Kenneth Bonlender  
Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

## TOWN OF KEWASKUM TOWN BOARD MEETING

## RESOLUTION NO. 88-7

WHEREAS, the Village Board of the Village of Kewaskum desires to provide for the orderly growth of the Village; and

WHEREAS, the promotion and development of the Kewaskum Industrial Park is an intricate part of such a process; and

WHEREAS, the installation of sewer and water in the most efficient and economic method is to the community's best interest;

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Kewaskum, that the Village President, Attorney and Administrator execute the Offer to Purchase on parcel V4-0023-00A of the assessors records as negotiated by the Board;

BE IT FURTHER RESOLVED, that the Village is to pay the sum of Twenty-three thousand Four hundred Dollars and Zero Cents for said land and that the money is to come from the Special Revenue Fund entitled Park Development Fund and that when said improvements are completed and land may be sold said funds are returned to the like account.

DATED this 4th day of April, 1988, by the Kewaskum Village Board.

Paul E. Blumer  
Village President

**DNR Workshops  
On Controlling  
Toxic Discharges**

The Department of Natural Resources will be holding a series of workshops for municipal and industrial dischargers to assist them in controlling toxic discharges from their plants.

"When most people think about toxics, they think about spills, industrial accidents or even drums buried at old landfills," said Ted Bosch, Supervisor of the Wastewater Section for the Southeast District. "But smaller, less obvious sources can also be discharging toxic pollutants into surface waters."

Controlling toxic pollutant

discharges to surface waters is required by changes in the Federal Water Quality Act of 1987.

Department of Natural Resources personnel will be on hand to discuss:

- The history, background and need for this control effort

- How effluent limits will be used in discharge permits to control toxic discharges

- What the obligations and consequences this control effort will have on permittees.

- How permittees may reduce the introduction of toxics into their treatment systems

Dates, times and locations of the workshop are listed below:

- Thursday, April 28, 1988, 6:30 p.m., Waterford City Hall, Racine County

- Wednesday, May 4, 1988, 6:30 p.m., Washington County Courthouse, West Bend

- Thursday, May 12, 1988, 1:00 p.m., Waukesha County Technical Institute, Room B201, Pewaukee.

marks the fulfillment of a lifetime dream for Don Morton. After his first season, he has earned the admiration of his players, UW administrators and fans.

Morton is an exponent of the running-oriented veer option offense and achieved successful coaching records at North Dakota State University and the University of Tulsa prior to his appointment at UW-Madison.

A native of Flint, Michigan, Morton earned his undergraduate degree in psychology from Augustana College and a master's in education and administration from Western Illinois University.

This Founders Day observance marks the university's 139th year.

**Farmers Home to Elect New  
County Committee Members**

The Farmers Home Administration (FmHA) will begin accepting nominations April 5 for election of county committee members under new rules that make it easier for farmers to qualify as candidates and to vote, Robert J. Pinney, County Supervisor, said today.

FmHA county committee perform a variety of duties for the U.S. Department of Agriculture's credit agency, including deciding whether an applicant is eligible for a farm loan.

"One important change broadens the definition of a farmer to anyone who has an interest in a farm in the county as owner, tenant or sharecropper," Mr. Pinney said. "The new definition also includes

**UW-Madison Head  
Football Coach to  
Address Area Alumni**

Don Morton, head football coach at the University of Wisconsin - Madison, will be the guest speaker Wednesday, April 27, as the UW-Madison Alumni Club of West Bend celebrates Founders Day.

A 6 p.m. social hour will precede a 7 p.m. dinner at the Knights of Columbus Hall, 3245 Lighthouse Lane, West Bend.

His appointment as head football coach for the Badgers

**NOTICE**

Notice is hereby given that a completed copy of the Financial Report Form for the Village of Kewaskum for the year ended December 31, 1987, and relevant supporting documentation is available for public inspection.

The report and information are available for inspection at the office of the Village Clerk, Municipal Building, 204 First Street, Kewaskum, Wisconsin, during regular office hours, 8:00 A.M. to 5:00 P.M.

the spouse of an eligible farmer. An old requirement that more than half of the candidate's income must come from the farm operation has been dropped."

"The nominating period has been extended to 45 days from the previous 25 days, thus allowing more opportunity for people to run for the committee," Mr. Pinney said. "At least three eligible farmer voters, including the nominee, must sign the petition."

Two of the three committee members are elected by farmers in the county and one is appointed by FmHA. One of the elected seats is

to be filled for a three-year term at this year's election, which is scheduled for June 30.

"Another important change this year is that one member of the committee can be an active FmHA farm borrower, or be eligible for an FmHA farm loan," Pinney said. "Previously, this was not allowed."

Anyone interested in running for the committee can obtain a petition and other information from the FmHA county office at 2361 West Washington St., West Bend, WI 53095, Mr. Pinney said.

**PUBLIC AUCTION**

**Rural Lomira, WI**

**THANK YOU**

My sincere thanks to all who remembered me with cards, gifts, visits and phone calls while I was a patient at the hospital in February and again in March and while convalescing at home.

Special thanks to Drs. Sison and Castro, nurses on the 2nd and 3rd floor of St. Joseph's Hospital and anyone who contributed to my comfort.

Your kindnesses were appreciated.

Erv Bonlender

## DNR Department of Natural Resources Southeast District Headquarters

### DNR Issues New Fish Advisory

MADISON, WI — Eleven lakes and a stretch of the Wolf River identified through routine sampling of sport fish have been added to Wisconsin's fish consumption advisory, a Department of Natural Resources official said today.

Added to the list the Department jointly compiles with the Department of Health and Social Services are Spillerberg Lake, Ashland Co.; Red Cedar Lake, Barron Co.; Upper St. Croix Lake, Douglas Co.; Emily and Sealion Lakes, Florence Co.; Chain, North Nokomis and Stone Lakes, Oneida Co.; Big Hills and Kusel Lakes, Waushara Co.; Lake Winneconne, Winnebago Co.; and the Wolf River, Shawano Co.

Lee Liebenstein, toxic substances specialist in the Department's Bureau of Water Resources Management, said that in newly-listed waters some larger game fish, especially walleyes, contain mercury levels slightly higher than the state's health standard of 0.5 parts per million.

In contrast, results of an expanded Department sampling effort done in the same lakes and others statewide over the past year show that perch, bluegills and other panfish are generally low in mercury and other contaminants, he said.

No changes were made in advice covering Lakes Michigan and Superior. The advisory for Wisconsin's portions of the Great Lakes is based on data the Department regularly exchanges with Michigan, Indiana, Illinois and Minnesota under the Great Lakes Toxic Substances Control Agreement between the United States and Canada.

Advice covering the lower Fox River emptying into Green Bay was adjusted based on results of extensive PCB (polychlorinated biphenyl) sampling conducted there in 1987. Other minor changes were made in advice covering PCB-contaminated fish in the Mississippi River between Trempealeau and Genoa and in several other state lakes where fish contain mercury.

The fish advisory is issued each spring and fall. It advises people to limit consumption of some species and sizes of sport fish that may contain toxic contaminants higher than state or federal health standards. The advice is designed primarily to protect human fetuses, pregnant women, nursing mothers and children from exposure to toxic contaminants. Many states, including most in the Great Lakes region, issue fish consumption advisories.

Because the human body can metabolize mercury over time,

people who eat sport fish infrequently or only over a short period of time are at less risk than people who regularly eat mercury-contaminated fish.

"Average adult anglers who catch only a few big walleyes that may be contaminated with mercury are at little risk if they eat those fish over several weeks," Liebenstein said.

To date, 101 lakes and river stretches in 34 counties have been placed on Wisconsin's fish advisory. The Department has tested mercury in fish from about 450 lakes statewide. About 15,000 lakes are located in Wisconsin.

A free pamphlet containing the update advisory will be available to the public at Department offices in late April. Copies may be requested from the Department's Bureau of Fish Management, P.O. Box 7921, Madison, WI 53707, (608) 266-1877.

### Ripon Softball Girls Play Openers Outside

The Ripon College women's softball team finally was able to get outside but was treated rather roughly by NCAA Division II power UW-Parkside. The Redmen fell in their season opener 10-0 and 18-0 to the host Rangers, who are expected to contend for the Division II national title.

Sandy Secor, (Kewaskum) went 1 for 4.

Five days later the Redmen opened at home against the University of Dubuque, Iowa, but the result was the same. The Redmen fell to the visitors 3-2 and 7-3. The two losses dropped the Redmen's record to 0-4 on the season.

Leading hitters for the Redmen against Dubuque were Secor, 4 for 7; Redman of the Week: Sandy Secor.

Secor is the daughter of Gerald and Mary Secor, 1856 Scenic Dr., Kewaskum, and a graduate of Kewaskum High School.

## WISCONSIN OUTDOORS AND CONSERVATION NEWS

### Spring Conservation Rule Hearings Set

Wisconsin citizens are encouraged to attend the annual conservation rules hearings to be conducted by the Department of Natural Resources at 7:30 p.m., Monday, April 25, in each of Wisconsin's counties.

The hearings offer the public an opportunity to discuss and vote on fishing and hunting rules changes being considered by the Department. Advisory questions from the department and the Wisconsin Conservation Congress will also be discussed and voted on. DNR personnel will be on hand to answer questions.

The hearings also provide a forum for the election of delegates from each county to the Wisconsin Conservation Congress. The Congress serves as a citizens advisory group to the Natural Resources Board. Eligible candidates include any adult resident of the county who is not employed by the DNR or is not a member of the Natural Resources Board.

Following is a summary of the proposed rule changes and advisory questions:

- Establishing bear population goals and annual harvest quotas.
- Adjusting gun and bow bear and bow deer hunting hours.
- Eliminating requirements for bows to be unstrung or cased 30 minutes after through 30 minutes before hunting hours.

- Establishing a fall turkey hunting season.

- Closing portions of Dane, Rock and Iowa counties to pheasant hunting.

- Establishing an open season for trout and salmon in some Douglas County waters.

- Changing bag and size limits for trout and salmon on the Brule River and its tributaries.

- Having an open season for walleye and sauger on a section of the Fox River in Brown County.

- Establishing size limits on largemouth and smallmouth bass.

- Establishing size limits on walleye on inland waters and boundary waters except for the Mississippi River.

- Establishing size limits on walleye in the Mississippi River.

- Allowing backtrailing.

Conservation rules hearings will be held in the following area locations:

Dodge — City Hall, 404 E. Lake St., Horicon, WI

Fond du Lac — Moraine Park Tech. Institute, 235 N. National Ave., Fond du Lac.

Ozaukee — Niederkorn Library, 316 W. Grand Avenue, Port Washington.

Sheboygan — High School Cafeteria, Sheboygan Falls.

Washington — Washington Co. Campus, 400 University Drive, Rm. 201, West Bend.

## TEACHING POSITIONS

**FULL-TIME ENGLISH** teaching position beginning August 22, 1988. 9-12 plus coaching and extra-curricular available. 300 license required, 316 desirable.

**FULL-TIME SPANISH** teaching position beginning August 22, 1988. Beginning Spanish, coaching and extra-curricular available. 365 license required.

**FULL-TIME BAND AND CHOIR** teaching position beginning August 22, 1988 and **SUMMER BAND PROGRAM** beginning June 13, 1988. Certification in vocal and instrumental required - 506 and 515 license.

Application deadline is May 10, 1988

## NOTICE OF RIGHT TO NOMINATE BY PETITION

The Farmers Home Administration (FmHA) is accepting nominations for County Committee election for Waukesha, Washington, Ozaukee and Milwaukee County. This notice is issued to inform eligible voters of the right to nominate candidates by petition. Copies of the petition and instruction on its completion can be obtained from your local FmHA office.

Persons nominated should have an interest in a farm as an owner, tenant, or sharecropper within the county or area in which activities of the county or area committee are carried out. They must be citizens of the United States or aliens lawfully admitted to the United States for permanent residence, and be well qualified for committee work. Spouses of those persons who meet the eligibility criteria are also eligible for nomination for election to the county committee. Nominations must be received in the West Bend County Office, 2361 W. Washington St., P. O. Box 279, West Bend, WI 53095, no later than May 20, 1988. FmHA committee elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, marital status, sex, and/or handicap.

## Hirsch Will Become 6th From State In Prep Hall

STEVENS POINT, Wis. (April 4-88) — Elroy "Crazylegs" Hirsch will become the sixth Wisconsin individual to be inducted into the National High School Sports Hall of Fame this summer.

Hirsch will be among 14 individuals in the 1988 class which is the sixth group going into the "hall" housed at the National Federation of State High School Associations in Kansas City. This year's class raises to 90 the number of persons who have been inducted, and only Wisconsin has as many as six.

Induction ceremonies for the newest members of the Hall of Fame will be held July 8 at the Hyatt Regency Hotel in Kansas City in conjunction with the National Federation's 69th annual summer meeting.

Hirsch was nominated for the national high school honor by the WIAA's Board of Control.

Hirsch, a native of Wausau, is in the "athlete" division of the Hall of Fame along with another Wisconsin product, Alan Ameche of Kenosha. Among those in the "coach" division is the late Win Brockmeyer of Wausau who was Hirsch's coach. Four other Wisconsin persons are in the "general" category (other than athlete, coach or official), and they are Clifford Fagan (former WIAA executive head as well as former executive head of the National Federation), the late P.F. Neverman (the WIAA's first executive head) and Harley Graf (former athletic director at Brookfield Central).

A member of the pro football Hall of Fame, Hirsch is still regarded as one of Wisconsin's all-time high school stars after his accomplishments in football and basketball at Wausau. He was a two-time all-Wisconsin Valley Conference tailback. He led the Valley in scoring twice with 15 touchdowns as a junior and 17 as a senior. He scored five touchdowns in his final high school game.

Hirsch calls Brockmeyer "the single most important influence" on his football career. Added Hirsch: "He taught me early that football is an 11-man game."

A three-year starter in basketball, Hirsch helped Wausau take second place in the 1939 State Class A tournament.

Hirsch went on to play with Wisconsin after high school. He was a key figure in the Badger's 1942 season which resulted in an upset win over top-rated Ohio State and a record showing only one defeat. It was while a Badger football player that the nickname "crazylegs" was fashioned by a Chicago sports writer who describ-

ed his running style by noting "his crazy legs were gyrating in six different directions all at the same time." As a sophomore at Wisconsin, he became one of the top triple-threat players in the nation with 766 yards rushing, 226 yards as a passer and 390 yards on receptions.

As a Marine Corps cadet during World War II, Hirsch moved from Wisconsin to Michigan, and played a key role in the Wolverines' great season of 1943. In the 43-44 school year, he played football, basketball, track and baseball, and he continues to be the only Michigan athlete to letter in four sports in a single year.

Hirsch played three years with the Chicago Rockets of the old All-American Football Conference, then was nine years with the Los Angeles Rams of the National Football League. He took the pro game to new heights by becoming the first flanker. He caught 66 passes in 1951 for 1,495 yards and 17 touchdowns, a performance still regarded as remarkable today.

Following retirement in 1957, Hirsch served 12 years in the Rams' front office until 1969 when he returned to Madison to become athletic director at the University of Wisconsin, a position he held until last year. He continues to serve as athletic director consultant for the University.

In addition to being in the Pro Football Hall of Fame, Hirsch has been inducted into the Wisconsin Athletic Hall of Fame and the Madison Sports Hall of Fame. He also is a member of the all-time NFL all-star team.

The other 13 being inducted this summer include five more in the "athlete" category: Len Dawson and Jim Taylor (football), Cliff Hagan (basketball) and Brutus Hamilton and Randy Matson (track & field). There also are five high school coaches on the list, including A.W. Bazemore of Georgia, August Bossu of Ohio, Bob Jamieson of North Carolina, Bob Siddens of Iowa and Ralph Tasker of New Mexico. The other inductees are two contest officials — Dan Gaylord of Alabama and Mel Otero of New Mexico — and an athletic administrator, John Youngblood of Virginia.

## Redmen Baseball Squad Wins Conference Opener

Everret Wood (Waterford,) pitched a five-inning shutout as the Ripon College baseball team opened Midwest Conference play with a 3-0 win over Beloit College at Beloit last Saturday. The win raises the Redmen's season record to 2-4.

Tyrone Kleinhans, (Kewaskum) singled and moved to third on a hit-and-run single by Andy Metcalf (Wisconsin Rapids).

In their non-conference home opener, the Redmen lost one and tied one to make their record 2-5-1 for the year. In the first game, with warm weather and nice sunshine, the Redmen spotted a hard hitting Carthage College ball club five runs but came back to tie the game at 5-5 in the fifth inning. Ripon's men trailed 5-1 when Kleinhans doubled to drive in Carrane; Rick Staehler Kewaskum, singled home Peterson and Kleinhans; and Brian Besler (Madison), tied the score driving in Metcalf with a sacrifice fly. Carthage scored two runs in their half of the sixth and took a two run lead into the bottom of the seventh. The Redmen rallied again when Carrane drove in Besler, but the Redmen left the tying run on third and dropped the opener 7-6.

In the second game, as playing conditions worsened, the Redmen staged a four run rally in the bottom of the sixth to tie the score at 6-6. Kleinhans got two hits.

Kleinhans is the son of James and Penelope Kleinhans, Kewaskum, and a graduate of Deerfield High School, Deerfield.

Staehler is the son of John and Karen Staehler, Rt. 1, Kewaskum, and a graduate of Kewaskum High School.

The flying fish, when pursued by enemies, can soar above the water from two to 15 seconds and cover distances of 45 to 200 yards.

## Horicon, Neenah Named Sportsmanship Winners

STEVENS POINT, Wis. (April 4-88) — Horicon and Neenah were named, respectively, as the recipients of the Sportsmanship Awards for the 1988 Girls and Boys State Basketball Tournaments.

The announcement was made this week by the Rural Companies of Madison, insurance affiliates of the Wisconsin Farm Bureau Federation and the longest continuing sponsor of the televised basketball tournaments.

The WIAA and the Rural Companies jointly established criteria for determining desirable levels of sportsmanship and named the personnel who helped select the winners.

The judging panel consisted of members of the WIAA tournament staff, University of Wisconsin ushering service and Police & Security representatives, as well as members of the news media and the coaches association.

Steven W. Law, Senior Vice

President of Rural, commented that his company was "extremely pleased with the caliber of competition and the sportsmanship displayed throughout the entire tournament."

Executive Director Doug Chickering of the WIAA acknowledged that sportsmanship was at as high a level as has been observed during recent years.

"The selection of this year's recipients was extremely difficult," Chickering added. "The coaches, participants and fans of Horicon and Neenah are representative of the kinds of sportsmanship necessary for interscholastic athletics to exist."

To be eligible for Sportsmanship Award consideration, a school had to participate in at least two games.

Appropriate awards will be presented to Horicon and Neenah by the Rural Companies later this month. The WIAA also will be represented at the ceremonies.

## Lakes Award Banquet at Hon-E-Kor

The Land o' Lakes Basketball league will hold its annual awards banquet on Saturday, April 16, at the Hon-E-Kor Country Club in Kewaskum at 7:30 p.m.

Jake Oelhafen, commissioner of the league, will be master of ceremonies and will present the awards:

1st place and champion - Cedarburg Turners.

2nd place - Thiensville/-Mequon Twins.

2nd place - Oconomowoc Lakers.

Scoring champion award - Mike Ehler, Men. Falls Hebrington; league most valuable player - Dave Ross, Port Washington; manager of the year award - Rollie Kitt, Port Washington; sportsmanship award - Ron Plahmer, Men. Falls Hebrington; commissioner's award - Jack Friess, Cedarburg Turners; league meritorious award - Jim Klug, Thiensville/-Mequon Twins; scorekeepers award - Ted Miller, Kewaskum; scorekeepers award - Lester Mayer, Port Washington.

The all-league team was selected: Scott Murray, Rick Nisleit and Rob Sutherland of Cedarburg; Dan Hucke and Dan

Doedens of Thiensville/-Mequon; Tom Checkai and Tim Fredman, Oconomowoc; Mike Ehler and Mark Sievers, Men. Falls Hebrington, and Dave Ross, Rollie Kitt, and Mark Gumm of Port Washington.

Banquet tickets are available from your managers and also league commissioner Jake Oelhafen.
