Plant Praised for Quality Control

Kewaskum's Marigold Foods Named National Production Finalist By Quality Check

MINNEAPOLIS, (May 31, 1988) — Marigold Foods has been named a finalist in the annual production awards competition by Quality Check Dairy Production Association. Marigold plants at Rochester and Farmington, Minn. and at Kewaskum, Wis. were cited in the finalist presentation and received a Production Merit Award.

Accepting the award for Marigold Foods from the Kewaskum plant were Dave O'Connell, Great Lakes division

vice president and Meredith Conelley, production manager.

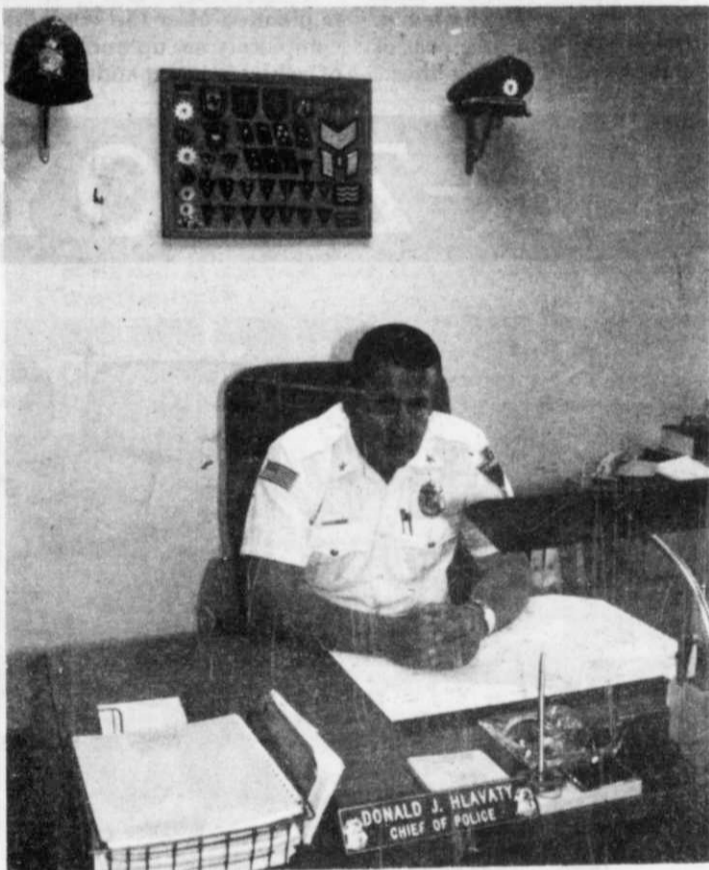

Marigold Foods, manufacturer of popular Kemps Ice Cream, Scandia Yogurt and other products, received the honor last month at the Association's 44th Annual Production and Marketing Conference in Little Rock, Arkansas. More than 200 people representing 43 member companies serving some 38 states and five Canadian provinces attended the three-day event.

Marigold Foods' milk and ice cream production facilities were cited for exceeding the Association's stringent laboratory testing standards for product purity, freshness and flavor — the highest standards in the industry.

The Minneapolis - based Marigold Foods also was selected for its strong attention to environmental cleanliness and sanitation. What's more, Marigold Foods was praised for its ongoing meetings to discuss improvements in quality, productivity and daily product evaluation between plant managers, quality control managers, production personnel and sales and marketing employees. In addition, Marigold's attention to detail in product coding and plant maintenance was cited by the Association.

"Marigold Foods demonstrates a strong people-focus in the way it manages its operations, recognizing that employees are the prime source of value added in producing quality products and services," said Milton J. Scherpf, production director, Quality Check.

Hlavaty to Retire As Police Chief

Donald Hlavaty, Chief of Police

By GERRY MUELLER
Statesman Staff Writer

Kewaskum's Chief of Police Donald Hlavaty officially informed the Village Board Monday night that he will be retiring effective September 7, 1988.

In a formal letter to the board and Police and Fire Commission, Hlavaty thanked all those who had supported him during his 21 years on the force. "I am very proud of the Kewaskum Police Department and the part I played in developing it," stated Hlavaty. He thanked the board for a rich and rewarding career.

Originally from Beloit, Hlavaty came to Kewaskum in

1967 to join its law enforcement staff. He assumed the duties of Chief of Police upon the retirement of the late Roland Pledl as Chief in 1969.

Hlavaty, who will be turning 50 in August, has spent a total of 27 years in the field of law enforcement, 21 in Kewaskum, 2 in Beloit and 4 years in the military.

Hlavaty said he has no immediate retirement plans except to do some fishing. Hlavaty and his wife Kitty will remain in Kewaskum. "My wife is the Head Librarian for the Kewaskum Public Library and she really likes her work," said Hlavaty, "I can't talk her into retiring from her job."

Rev. Hoenecke Passes Away

Rev. Paul H. Hoenecke

Reverend Paul H. Hoenecke was called home to live with his Risen Savior, June 8, 1988, after a two year bout with cancer.

Pastor Hoenecke was born April 19, 1930, in Detroit, MI, son of Hugo and Clarissa (nee Gauss) Hoenecke. He attended Michigan Lutheran Seminary Preparatory High School in Saginaw, Michigan and graduated in 1948. He continued his education at Northwestern College in Watertown, WI, graduating in 1952. He then attended Wisconsin Lutheran Seminary, Mequon, WI, graduating in

1956.

After two years of teaching at Martin Luther Preparatory School in New Ulm, Minnesota, he served a mission church in Bangor, Michigan, which became Trinity Lutheran Church. During the eight years Pastor Hoenecke served Trinity, he also established Hope Lutheran Church in Hartford, Michigan, and served as pastor there for seven years.

In June of 1962, he was united in marriage with Deborah Dorn, of Minneapolis, MN. Their marriage was blessed with two children, Katherine and Andrew, both living at home.

On October 9, 1966, Pastor Hoenecke was installed as pastor of St. Lucas Evangelical Lutheran Church in Kewaskum, where he served for the past twenty-one years.

Pastor Hoenecke has served on the following boards and committees: Michigan District Board for Information and Stewardship 1962-66; Winnebago Lutheran Academy Board 1968-72; Wisconsin Lutheran Child and Family Service Board 1974-80; and Synod Nominating Committee

L & F Motor Sales Opens

Mike Farley, Manager of L & F Motors

By GERRY MUELLER
Statesman Staff Writer

A second used car dealership is making its home in Kewaskum. L & F Motor Sales, located at the intersection of Highways 45 and H west, unofficially opened its doors for business last Saturday.

The company's manager Mike Farley said L & F is not looking to compete with other

area auto dealers. "Our car market will definitely be in the lower price range," said Farley, "where most people would rather put their money for vehicles right now."

Farley said he and the company's owners, Charles Kempainen and Norwood Lemke of Milwaukee, know there is a definite market out there for older, lower priced

vehicles. We want to offer economy and value to people who are looking for an inexpensive second car or just transportation to get to and from work.

Farley said right now the company has some older, higher miles cars, but it will be getting in more cars. "We'll be continually upgrading the

coach, volunteer Little League coach and St. Frances Cabrini choir member. Mr. Nothem, his wife Shari and three children reside in the City of West Bend.

Allen M. Schaetz has joined Valley Bank as Vice President. Schaetz previously was affiliated with the F & M Bank of Menomonee Falls. He has been active in various church and community organizations in the West Bend area. Mr. Schaetz and his wife, Viv, reside in the City of West Bend.

recycling center when it is open.

Schmidt said some private parties who build compost piles have picked up some of the clippings in the village. Public Works Superintendent Augie Bilgo also noted that some individuals on the west side of the village were dumping their clippings on the properties of other people. He reminded the board that the village has ordinances against such actions and suggested that they be brought to the public's attention. "If it were my property," said Bilgo, "I'd get a bulldozer and haul those clippings right back to the property they came from."

In other action the board approved the installation of lights at the Kiwanis Park horseshoe pits. McElhatton said the village would use some existing lights and Steiner Electric would do the installation work at a cost of \$1,200. The money would come from the Parks Development Fund.

The board approved the renewal of applications for Class A, B, and combination beer and liquor licenses. The board also approved 20 of the 21 operators (bartender's) license applications presented. The only license denied was that of Dennis E. Campbell on recommendation of the Police Department.

Building permits were also approved for Thomas Tassar, detached garage, Farmers Union for a milk receiving station and the Kettle Moraine Sportsman Association for Pheasant pens and a storage shed.

The board then went into closed session.

quality of the cars that we have on the lot," said Farley, "of course we'll always have a few bargain cars on hand."

Farley said the company plans to have a good selection of low mileage, reasonably priced cars on the lot. "We would like to keep around 20 to 25 cars on hand and there will always be new cars coming in." He stressed that what doesn't sell will go, nothing will sit around on the lot.

Beside Farley, Mark Radtke of Milwaukee will be handling sales. L & F's hours will be 9:00 a.m. to 8:00 p.m. Monday through Friday and 9:00 a.m. to 5:00 p.m. on Saturday. The business is located at 8896 Highway 45S, as Farley notes, on the top of the hill, (in the former Johnson Hydraulics building), the phone number is 626-4400.

Farley and his family, wife Marge (Kirsch), daughters Meredith and Melanie, have lived in the Kewaskum area since 1979. The Farleys reside on the Kirsch farmstead.

"My partners and I are here to serve this community and, of course, to do a thriving, profitable business. Because of these twin commitments, we pledge our best efforts at treating all customers like family and giving them a good deal to boot."

Farley said a grand opening is planned after the business is completely set up and the stock of vehicles is expanded.

Highway 28 Bridgework Put Off Another Year Village Opens Bids for Last Phase of Sidewalk Program

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board opened three bids Monday night for work on the third and final phase of its new sidewalk construction program.

Of the three bids, Rennhack Construction of Reeseville at \$57,183.85, was apparent low bidder followed by Quality Concrete and Excavating of Manawa at \$65,685.25, and A.R. Malichar Construction of Grafton at \$68,813. The bids were turned over to the village's consulting engineers for review and a formal recommendation.

The work, which will affect twenty-two properties, will have its public hearing on Thursday, June 9th. Administrator Dan Schmidt informed the board that 19 of the 22 property owners had already signed and returned their easement agreements.

In discussion of other construction work within the village, Schmidt informed the trustees that the repair and reconstruction of the Highway 28 bridge on east Main Street has again been postponed, this time until 1989. Schmidt said he had been advised that letting of bids for the work would not be done until fall, with actual reconstruction not anticipated

to begin until the summer of 1989.

Schmidt also updated the board on the progress of the village's new voluntary recycling program which is to go into effect later this month. He noted that the village had received only one application for the two recycling center attendant positions. He said two individuals would be needed to work on a rotation basis so the village would continue to run the help wanted ad.

Trustee Tom McElhatton said there was confusion on the part of some village residents regarding the collection of tires and grass clippings with the new program. As far as tires are concerned, the village will no longer pick up discarded tires nor will they be accepted at the recycling center. As for grass clippings, Schmidt noted the village would continue to pick them up until June 18th. After that date, they will no longer be picked up by the village, however, residents themselves will be allowed to bring the bagged clippings to the

KEYS Scholarship Winners

Eric Pearson

Craig Hubbell

Each year KEY'S awards scholarships to two graduating seniors. A \$1000 scholarship has been awarded to Eric Pearson and a \$500 scholarship has been awarded to Craig Hubbell.

Eric Pearson is a letter winner in golf, football, baseball and basketball. He is a member of the honors band and National Honor Society. Eric participated in student government and the athletic letterman's club of which he was president. He is a four year member of ski club and ski team. Eric will be attending UW River Falls to continue his education.

Craig Hubbell is president of the senior class and National Honor Society. He also is the

student representative on the school board of education. While at Kewaskum High School, Craig attended the Hugh O'Brian Leadership Seminar, Business World and Badger Boys State. Craig has lettered in tennis and cross country. Craig plans to attend St. Olaf College in Northland, Minnesota in the fall.

The KEY'S scholarship program was established in 1985. The purpose of KEYS is to award scholarships on the basis of outstanding achievements in high school by financially assisting a student in his/her pursuit of excellence in continuing education.

KEY'S wishes to congratulate Eric and Craig on winning their scholarships and wish them the best in their future endeavors.

Peace Church to Celebrate 90th Anniversary

On Sunday, June 12, the congregation and friends of Peace United Church of Christ will gather for a 9:30 a.m. service of celebration at River Hill Park in Kewaskum.

It was 90 years ago on June 6 that a small group of faithful Christians organized the new congregation under the name of Deutsche Evangelisch Frieden Gemeinde. Within months the members erected the church building which still serves the membership as a sanctuary today. As the church grew in numbers, later additions to the building were needed to accommodate its program.

The Sunday service in the park will begin with a hymn sing, recalling favorite songs of the members. Richard Zarling and Mrs. Linda Kroncke will

participate with the pastor, Rev. James Bettin in an anniversary litany which combines words of scripture and historic facts of the church's beginnings. The choir, under the direction of Mrs. Margaret McFadden, will sing the anthem, "Celebrate," by Van Wyatt. There will also be songs offered by the children of the Vacation Bible School. The pastor's sermon for the morning will be, "Questions and Answers."

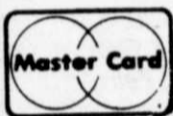

Following the worship service there will be a potluck dinner for those in attendance. Families are to bring their table service and a dish of food to share. Friends from the community are welcome to participate in the anniversary service and the dinner to follow.

Habitat for Humanity Makes Area Counter-Top Plea for Better Housing

Kewaskum Statesman,
Friday, June 10, 1988, Page 5

Kewaskum residents will have an opportunity to help families move from sub-human conditions into decent homes when they contribute to the Habitat for Humanity counter-top displays that are showing up at local businesses.

Betty A. Bettin, a resident of Kewaskum, is distributing the bright yellow Habitat for Humanity displays to local businesses in an effort to raise the community's conscience

about decent shelter.

A photo by Jimmy Carter and his wife Rosalynn, the ecumenical Christian organization's most famous volunteers, appears on the box to show the couple's support of the effort. "We've seen Habitat at work around the world, providing a hand up, not a hand out," emphasizes the former president.

Habitat for Humanity helps needy families by working with

them to build or renovate simple decent homes. Working in partnership with Habitat, the families contribute "sweat equity" hours to help build their house. Habitat sells the house to them at no profit, with a no interest mortgage repaid over a fixed period of time. House payments made by the homeowners are recycled through a local "Fund for Humanity" that goes toward the construction of more decent

homes.

Founded in 1976 by Alabama lawyer and businessman Millard Fuller, a headquartered in Americus, Georgia, Habitat is a grass-roots movement which has grown to 280 affiliated projects in the U.S. and Canada, and 50 sponsored projects in 25 developing countries. For more information about Habitat for Humanity, call (912) 924-6935.

Summer Program for Handicapped Children

The Cedar-Haven Rehabilitation Agency, (CHRA), West Bend, will again provide its annual summer program for handicapped children. Parents recently attended an orientation session at which therapists outlined the helpful program and its objectives.

"The need for a summer program in this area is great," shares Joanne Bodien, Administrator of CHRA. "This year we will be offering double sessions to accommodate the large number of handicapped children needing therapy."

The CHRA is a not-for-profit division of the Cedar Lake Home Campus. The summer pediatric program is in its 4th year. CHRA offers comprehensive outpatient therapy to people of all ages.

Firemen Concerned About Liability for Picnic Beer Sales

By GERRY MUELLER
Statesman Staff Writer

Gene Bohn of the Kettle Moraine Insurance Agency told members of the Kewaskum Village Board Monday night that the firemen had expressed concern about the possible consequences of one of them being sued for unknowingly selling beer to underage individuals at this year's Fireman/Legion Picnic.

Bohn said at a meeting last Thursday, between himself, attorney Gerald Kiefer and the firemen, there was a lot of fear and concern over chances of an accident. "We probably scared some people more than we should have, but I would rather do that ahead of time so people are made aware," said Bohn.

Bohn stressed he was not trying to push any insurance nor was he telling the village it did not need the coverage. He also noted he was not even sure if he could secure a policy even if the board decided to acquire one.

Speaking on behalf of himself and other firemen Bob Stoltzman told the trustees, "we want to know someone is standing behind us, that we're not on our own. At \$90 an hour for legal fees I couldn't afford to hire a lawyer for myself and neither could any of the other men."

Former Fire Chief Augie Bilgo told the meeting he could understand everyone's concern and he did not blame them. "I've gone through this situation and I don't know how you're going to control it. I just don't know what the answer is. You might as well say no more picnic, no more parade."

Bilgo conceded there is no absolute way to prevent underage drinking. The kids could even get the beer at a liquor store and say they got it at the picnic, he noted.

Bohn told the board he was able to locate only one insurance company which might consider offering a liability insurance policy. He said in an informal quote over the phone he was told it would cost \$1,000 for \$500,000 of coverage for the three days. The firemen would also be required to put up a double fence to deter the passing of beer out of the tent over the fence.

Bohn was asked what kind of

fencing the company expected. If you're looking at cyclone fence you're talking at least \$7,000 to \$8,000, said Bilgo. Trustee Mary Krueger said the Village did not have that kind of money for fencing. "We'd be better off to just give the department the \$8,000 and tell them to forget the picnic," said Krueger.

Trustee Ken Bonlender told fellow trustees he thought the village could come up with enough snow fence to provide the double fence. "If worse comes to worse, we'll have to close the north stand," said Bonlender.

The firemen said they would tighten up on security by asking for additional police assistance and being extremely vigilant in checking ID's. Fire Chief Don Ehnert told the board, "I don't like this any more than anybody else but we're between a rock and a hard place."

Administrator Dan Schmidt told the board the last time the village had taken the insurance was in 1985. "We paid \$1,545 for \$100,000 worth of coverage at that time," said Schmidt.

The board unanimously approved the purchase of the policy for this year but noted the situation would be looked into before plans for next year's picnic were made. Bohn told the board he would get back to them. "I'm not totally positive I

can even get this especially in this short a period of time."

After the board approved the policy's purchase Bilgo asked the trustees, "Okay, we've got the insurance, now what are we going to do in the park when other organizations have events such as baseball tournaments and they want to sell beer?" Schmidt said it would have to be up to the individual organization to provide their own coverage.

6 quarts unsalted popped popcorn
2 cups salted peanuts
1 cup (2 sticks) butter
2 cups packed dark brown sugar

1/2 cup white corn syrup
1 teaspoon baking soda
1 teaspoon salt
1 teaspoon vanilla

Measure popcorn and nuts into two 13x9x2-inch baking pans. Bake 5 minutes at 250° to crisp popcorn. In heavy saucepan, melt butter, add brown sugar and corn syrup. Bring to a full boil over medium-high heat, stirring constantly. Boil 5 minutes. Immediately remove from heat; add soda and salt, then vanilla. Pour syrup over popcorn and nuts, stirring to coat evenly. Bake at 250° for 50 minutes, stirring every 10 minutes. Cool on waxed paper. Makes 6 quarts.

WE PROUDLY SALUTE OUR LOCAL FARMERS

Keeping everyone fed, even in the land of plenty, is no easy task to undertake. Yet the American farmer has undertaken this pursuit as his life's ambition. Although sometimes taken for granted, we acknowledge your dedication, for through your efforts, we all benefit, nutritionally and economically.

We take this opportunity to salute our local farm community and the many organizations whose activities help to improve the quality of life.

THANK YOU FOR A JOB WELL DONE!

KEWASKUM STATESMAN

We've been coming to America's farms for over 80 years. That's a lot of staying power.

When axle grease helped keep horse-drawn implements rolling, Amoco was there to deliver it. Today, quality Amoco products are still delivered right to the farm. But now they're formulated for modern high-performance machines and implements.

Amoco started serving farmers with tank wagon delivery by Company employees. Now we independent Amoco Oil distributors bring you Amoco gasolines, Amoco Premier diesel fuel, Amoco motor oils, Amoco 1000 hydraulic-transmission fluid, Super Permalube grease, and Amoco heating oils.

Between us, we've provided America's farmers with services and products since the turn of the century. And with our established source of supply, efficient distribution system and quality products, we're staying with you.

Dairy industry leaders took the 1988 June Dairy Month theme, "Cool it with Wisconsin's Dairy Best," seriously, when they raised their glasses in a toast to milk, the official state beverage. Bundled up, left to right, are: Will Dahl, Wisconsin Milk Marketing Board general manager; Ginny Boyke, June Dairy Month chairman; Robert Rieck, UW-Extension dean; Fred Fisher, Valders farmer and WMMB president; Helene Nelson, deputy secretary of Wisconsin Department of Agriculture, Trade and Consumer Protection; and Senator Walter Chilson, who sponsored the bill naming milk the official state beverage. June was officially proclaimed Dairy Month by Governor Tommy Thompson. Designed to increase awareness and consumption of dairy products, June Dairy Month is celebrated around the state in nearly every county with activities such as farm breakfasts, dairy fun runs, milking contests and ice cream socials. In addition, WMMB's grocery store displays, radio advertising, and newspaper articles draw attention to Wisconsin's top quality products.

Moraine Chorus to Sing at Waubeka Flag Day Celebration

WAUBEKA — The Moraine Chorus, under the direction of Peter Ayer, has been invited to sing here on June 12 during the 103rd anniversary Flag Day

celebration.

Ayer, an associate professor of music at the University of Wisconsin Center — Washington County, founded the chorus in 1969. The group rehearses each Monday at UWWC in West Bend. About 50 chorus members are expected to travel here for the celebration.

According to Ayer, the chorus will sing five numbers:

"Columbia the Gem of the Ocean," "America, the Beautiful," "Keller's American Hymn," "O Starry Flag" and "The Battle Hymn of the Republic."

We're proud of our dairy farmer neighbors who help make Wisconsin America's Dairyland. Now during June Dairy Month, we take special pride in honoring you as a dairyman. As your Savings and Loan, it's a pleasure to work with you throughout the year. So, stop in and see us anytime.

BUTTER MILK CHEESE

Wisconsin's Dairy Best

Wisconsin has a rich dairy heritage. More than 41,000 dairy farms dot the fertile countryside with 1.8 million cows. Each of these cows produces an average of 1495 gallons per year of high quality, nutritious milk. As the milk moves from the farm to the processing plant, quality continues as the milk is made into Wisconsin cheese, butter, ice cream and other tasty dairy treats. About 72.5

percent of Wisconsin's milk is made into Wisconsin cheese... the cheese more people choose. And we provide the nation with 36 percent of its cheese supply. Besides being the number one producer of cheese, Wisconsin also ranks number one in the production of milk and butter. Join this dairy tradition and.

Ginny Boyke Named June Dairy Month Chairperson

Promoting Wisconsin's Dairy Best comes naturally to Ginny Boyke, Wisconsin's 1988 June Dairy Month chairman. Boyke, a Fond du Lac dairy producer, serves as the state's dairy industry spokesperson. During June, she'll promote top quality Wisconsin dairy products to thousands of consumers. The Wisconsin Milk Marketing Board, June Dairy Month headquarters, named Boyke chairman.

Ginny Boyke (pronounced BOYK), a Fond du Lac dairy producer, is the 1988 June Dairy Month Chairman.

As spokesman for Wisconsin's dairy industry, she will make more than 40 public appearances during June to promote Wisconsin's top quality dairy products and stress the importance of the dairy industry in the state.

Mrs. Boyke is an active partner in Vir-Clar Farms with her husband, Clarence; their son, Gary; and daughter-in-law Rose. She cares for the calves, and helps with field work and daily chores. The Boyke's current herd average on 58 registered Holsteins is 23,729 pounds of milk, 3.6 percent fat, 861 pounds of fat, and 739 pounds of protein.

In addition to helping on the farm, Mrs. Boyke is involved in many agricultural and community organizations. She is an active member of the Holstein Association at the county, state and national level. She has been very active in Associated Milk Producers Incorporated - Morning Glory Farms Region Women, and is a member of East Central - Select Sires, Agri-Land Cooperative and Wisconsin Dairy Herd Improvement Cooperative.

Mrs. Boyke is an avid supporter of dairy promotion and has served as chairman of the Fond du Lac County June Dairy Month Committee. Besides promoting dairy products, she also promotes the Boyke dairy herd. She serves as hostess when visitors from area grade schools, other states, and foreign countries tour Vir-Clar Farms.

A charter and board member of the Agri-Business Council of the Fond du Lac Chamber of Commerce, Mrs. Boyke also serves on the Ag Advisory

"National Dairy Woman" by World Dairy Expo. As a team, Virginia and Clarence have received numerous honors including the Master Agriculturist award from the Wisconsin Agriculturist magazine, and an Award of Distinction from the University of Wisconsin College of Agricultural and Life Sciences. Vir-Clar Farms received the Progressive Breeder Award from the Holstein Association the past 14 consecutive years. The Boykes were named Wisconsin's Distinguished Holstein Breeders in 1983.

Mrs. Boyke and her husband have five grown children: Dale, Gary, Mark, Jeanine Kottke and Janell Heller.

Beechwood Library To Offer Summer Reading Program

Don't miss this splashy way to encourage your child to continue reading this summer. Beechwood Community Library is inviting your family to visit the library and to participate in the statewide 1988 Wisconsin Summer Library Program. This year's theme, "Summer Splash," promises a variety of activities for children between the ages of preschool to adult. The program begins Tuesday, June 14th, and ends Tuesday, July 26th. Library hours are

Tuesday mornings from 10 a.m. to 12:00 noon.

Children can begin registering for the program on Tuesday, June 14th. Weekly programs will include mazes, coloring sheets, scavenger hunt. Children registering for "Summer Splash" will receive a reading record to record the books they've read or listened to during the summer. Children who complete the summer program will receive achievement certificates. Help your children continue the habit and pleasure of reading throughout the summer. For more information contact Sue Buechel at 626-4418.

We Salute the Dairy Farmer

Thanks for everything, Dairy Farmers. All year long you work hard to send us delicious, nourishing dairy foods. You contribute so much to our community's economic health, too. Our nation has always been able to rely on dairy farmers

for the highest quality products. We are proud of the example the dairy industry sets for others who serve the public. During June Dairy Month, it's our turn to say: Congratulations, Dairy Farmers, on a job well done!

A Salute to Wisconsin's Dairy Farmers

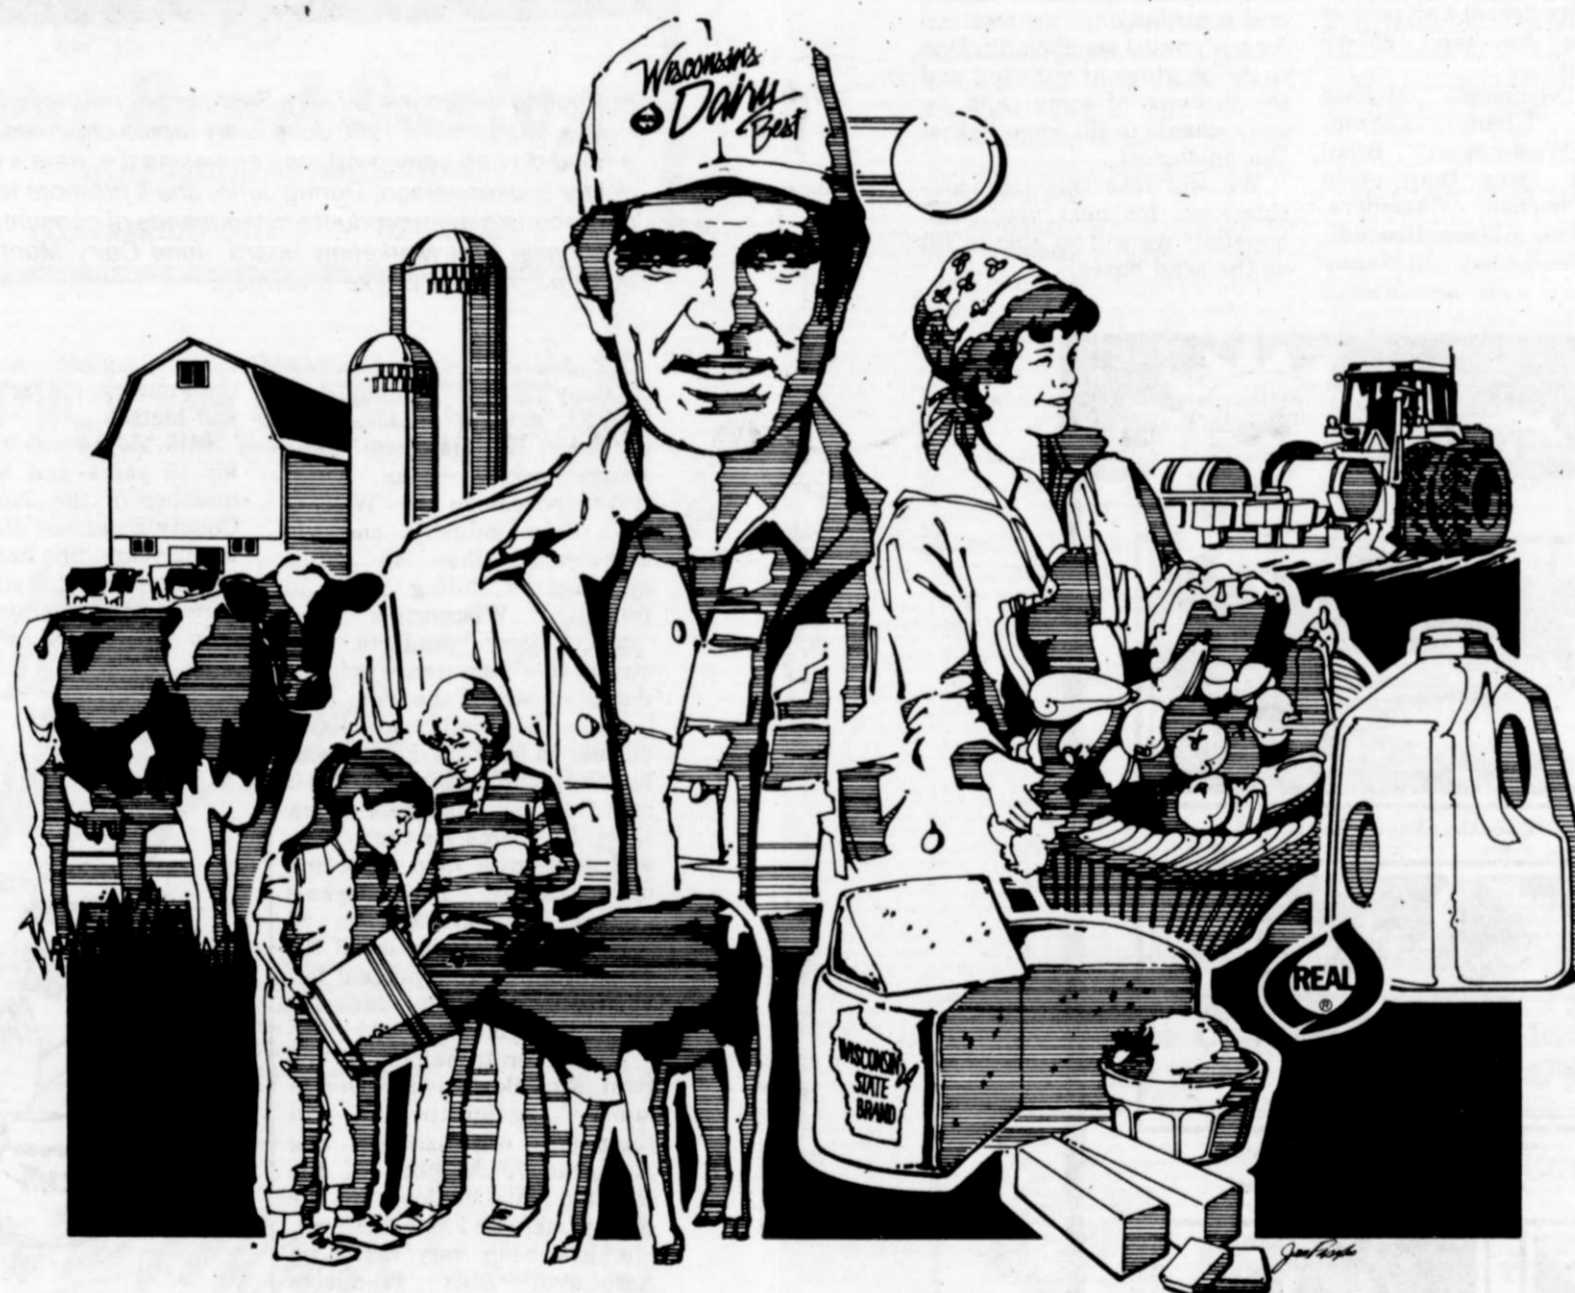

In celebration of June Dairy Month's 52nd Year, we offer a salute to the people who serve us all — Wisconsin's dairy farmers. Dairy farming in the United States started in Jamestown when the first settlers brought over dairy cows. Since then, thanks to the dairy industry and to the dedication of those who have become part of it, dairy farming has grown to one of our most important agricultural endeavors. Wisconsin's 39,000 dairy farmers produce 35% of the nation's cheese supply, as well as other nourishing dairy products consumers enjoy each day. We salute the dairy industry for the important role it plays in Wisconsin's economy.

Valedictorians, Salutatorians Named at KHS

By LeRoy Kopecky

This year the class of 1988 will have two valedictorians and two salutatorians. The reason for the duplication is due to identical grade point averages for four years of academic work.

The valedictorians are Pam Amerling and Craig Hubbell. Pam is the daughter of Mr. and Mrs. Ronald Amerling. Pam was inducted into National Honor Society as a junior. She has been in Key Club for three years and during her sophomore year was her class representative. She has been a cheerleader for both football and basketball for four years. She has been involved with the school musical production for the past two years. As a freshman, Pam was a member of FHA, and during her sophomore and junior years she belonged to the Spanish Club. She played on the Powderpuff football team for homecoming for the past four years. Last year she was a member of SADD and also the manager for the track team.

Craig Hubbell is the son of Mr. and Mrs. John Hubbell. Craig was inducted into National Honor Society as a junior and this year serves as president of NHS. He has been his class president for three years and also the student representative on the school board for three years. Last year he was president of Student Government. He has been on the tennis team since his freshman year, captain during the sophomore year, conference champion for two years, and MVP and letter winner for three years. He played on the football and basketball teams as a freshman and on the cross country team for three years, earning two letters. He has been involved in the school musical production for the past three years. Craig is also a member of the Letterwinner Club, Spanish Club, Key Club, and Ski Club and team, and the Math team. He represented Kewaskum High School at Badger Boys State, Business World and attended the Hugh O'Brian Leadership Seminar.

Salutatorians are Debbie Felix and Eric Pearson. Debbie is the daughter of Mr. and Mrs. David Felix. Debbie was inducted into the National Honor Society as a junior. She has been very active in athletics having been a member of the volleyball, basketball and track teams for all four of her high school years. Last summer she was Kewaskum's representative to Badger Girls State. She has been a Key Club member for four years, served as vice president of the AFS Club as a junior and this year is a member of the Peer Listening group.

Eric is the son of Clark Pearson. Eric was inducted into the National Honor Society as a junior. He was a student government representative for two years, and as a band member, was involved in the school musical as a sophomore and the Honors Band as a junior and senior. Eric also is very involved in athletics, having been on the football, basketball, golf and baseball teams, freshman through senior years. He is a four year member of the varsity club as well as the Ski

Club and Ski Team.

Congratulations to these four high academic achievers and to all of the graduates of 1988.

Students Receive Award for Excellence in Language Study

WHITEWATER — Foreign language students from Kewaskum High School were among those from throughout the state selected by the University of Wisconsin - Whitewater to receive the 1988 Award for Excellence in Language Study.

Each year the UW-Whitewater Department of Foreign Languages honors the outstanding students in each foreign language taught at the various state high schools, and each student receives a certificate indicating the honor.

The awards program was established to help recognize the importance of foreign language studies, as well as to honor those who excel in the respective languages.

Honored students included Curt Ayer, German, and Craig Hubbell and Deborah Felix, Spanish.

CHEESE W-I-S-C-O-N-S-I-N an easy cheese sauce for summer vegetables, noodles, rice or potatoes is made by heating 1/2 cup of evaporated milk in a small saucepan over very low heat just to boiling. Then add two cups of shredded cheese and stir until the cheese is melted and well-blended.

Farmington Elementary School is National Winner in Weekly Reader Balloon Contest

There was great excitement at Farmington School this week, when students learned that one of their balloons was among the winners in the Weekly Reader Balloon Contest. The winning balloon, launched by Tony Cayner, a third grader travelled approximately 500 miles to Jeffersonville, Ohio.

Message cards were attached to the helium-filled balloons released into the air by the school on March 21, 1988. Many students received responses sent by balloon finders.

Farmington School students were among about 675,000 school children across the country who participated in the contest. Principal Tom Larsen

says Farmington School will receive free books from Weekly Reader thanks to student Tony Cayner's winning balloon.

The Balloon Contest is sponsored annually by Weekly Reader, the children's newspaper that this year celebrates its 60th anniversary. The contest is open to schools that participate in the Weekly Reader Writing Pals Program. The Writing Pals Program is designed to encourage children to write and to communicate with others who live in different parts of the country. This year more than 20,000 classrooms were matched by Weekly Readers as Writing Pals.

Perfect Attendance At Holy Trinity

The following students of Holy Trinity School had perfect attendance for the 1987-88 school year:

Carol Neumann, Melissa Theusch, Tiffany Zehren, James Westerman, Brian Butschlick, Dane Dorn, Erin Fronek, Rachael Chambers, Karla Kirst, Allison Bruendl, Julie Wilhelmi, Nancy Neumann.

THANK YOU TO THE KEWASKUM COMMUNITY

The Kewaskum J C's would like to thank the many callers and contributions we received for our annual sandbox fill. Due to the shortage of our sand and the distance of some calls we were unable to fill some boxes. Our apologies!

We will take this into consideration for next year, and hopefully we will be able to fill all the sand boxes.

Connie Schmidt Selected to Compete In Wisconsin Miss T.E.E.N. Pageant

Connie Schmidt

Connie Schmidt, 18, daughter of Michael and Susan Schmidt of St. Lawrence, has been selected to compete in the Wisconsin Miss T.E.E.N. Pageant that will be held at the Oshkosh center July 21 to 24. Connie is the granddaughter of the late Glen and Arlene Gutjahr of Kewaskum, great-granddaughter of Michael and Anita Schmidt of Campbellsport, and great-granddaughter of Lucille Weiland of Kewaskum and the late Ferdinand Weiland.

Contestants will be judged on their scholastic achievements, personal interview, formal presentation, a talent or speech, and their volunteer service. There is no swimsuit competition.

Connie, a senior at Slinger High School, is very active in many school organizations including Future Business Leaders of America, Future Homemakers of America, Yearbook Staff, Newspaper Staff, and Students Against Driving Drunk. She is also involved in the St. Lawrence 4-H

Club as president and youth leader. She is being sponsored by her aunts, uncles, grandparents, and friends, Sonny's Variety, Sansone Drug, Hansen's Piggly Wiggly, and Judy's Beauty Boutique, all of Slinger; St. Lawrence Equipment, The Hustle Inn, The Gin Mill, and Guerns all of St. Lawrence. She would like to thank all these people for their support.

June Exhibition At WB Gallery

A lively and entertaining group exhibition of oil paintings, soft sculpture and woodcut prints of three individual artists will grace the upper gallery during the month of June at the West Bend Gallery of Fine Arts.

Using the human figure as a thematic starting point, RAMONA AUDLEY'S finely executed and intricately

designed soft sculptures bedazzle the eye. Beads, bangles, sequins and a whole spectrum of dyed and finished fabrics are combined to create a whimsical vision which incorporates the figure into a patterned design.

The woodcuts and three dimensional prints of MARVIN L. HILL are also included. Employing the traditional woodcut printmaking technique, Hill carries his pieces many steps further. Through the use of a wide range of color and textures, Mr. Hill superimposes images creating miniature bizarre, dreamlike scenes. Marvin Hill, currently an art instructor with the Milwaukee Art Museum, will be featured in the 1988 Lakefront Festival of the Arts.

The lust oil paintings of JOYCE PAUL could be labeled as human portrait caricatures. The viewer is invited to momentarily step into the bizarre interpreted visions of Ms. Paul's world. Colorful and exaggerated, these paintings reflect our fanciful world filled with a variety of personalities, ages, racial groups, occupations and socio-economic backgrounds. Lighthearted and party-like, these pieces are sure to delight.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue, West Bend. Gallery hours are Wednesday, Friday, Saturday and Sunday 1:00 - 4:30 p.m. and Thursday 12:00 noon - 9:30 p.m. There is no admission fee.

AIDS AIDS.
YOU ASKED FOR ANSWERS ABOUT AIDS.
THEY'RE IN THE MAIL.

Between May 26 and June 30, you will be receiving a brochure in the mail from the U.S. Government. It's called "Understanding AIDS." And it addresses the questions and concerns that the AIDS virus has raised throughout America. It was created in the hope that once you understand AIDS, you can prevent it.

For more information on AIDS prevention, call the Wisconsin AIDS Line: 1-800-334-AIDS (in Milwaukee, call 273-AIDS).

Ashford Polka Mass Sunday

St. Martin's annual outdoor Polka Mass is scheduled for 10:30 a.m. June 12 at the Hilltop Cross south of Hwy. 67 at Ashford.

Last year, an estimated 1000 people gathered on the hilltop, joining in worship at the fieldstone altar near the foot of the huge cross. The present cross is approximately 60 feet high and 25 feet across and is illuminated at night. It is often visible (as a blue glow) for a distance of 10 miles and on a clear evening, can be seen from Hwy. 41 near the Lomira area. The Hilltop Cross continues a European tradition which began when the first cross was erected on the hilltop in 1886 - the same year France presented the United States with the statue of Liberty. The present cross is the fourth cross to stand at this site and was erected in 1966.

There is also a permanent altar built from fieldstones taken from the stone fence that divides neighboring properties on the hilltop. The altar was built in 1977 by parish families.

Members of Lomira's American Legion will open and close the Mass with a flag ceremony. This year's outdoor Mass will again feature music by the Willie Fochs orchestra and will include polka and sing-along selections. A social on the parish grounds will include food, refreshments, games, a bake sale and

entertainment by Willie Fochs and his band. Fun volleyball will be open to all ages at no charge.

Proceeds from the social and donations are used in the maintenance and lighting of the Hilltop Cross.

Father Richard Fechhelm and his congregation invite everyone to join in song and worship at the foot of the Hilltop cross beneath spacious skies while overlooking the majestic rural countryside.

Rain date for the event is June 19.

Ashford is located between Lomira and Campbellsport on Hwy. 67. Signs in the area will direct visitors to the Hilltop Mass. There will be a special parking area for the elderly and handicapped who wish to remain in their cars. Communion will be brought to the cars of those wishing to receive.

'Heaven's Gates and Hell's Flames' at Calvary Assembly

Calvary Assembly of God and Reality Outreach Ministries, Inc. present to West Bend and the surrounding areas: "Heaven's Gates & Hell's Flames" on Sunday, June 12 at 6:00 p.m. and Monday, June 13 at 7:00 p.m. at Calvary Assembly of God, 1110 E. Decorah Road in West Bend (across from the high schools).

"Heaven's Gates & Hell's Flames" is a dramatic portrayal of several characters, varying in

age and circumstance, as they face death. The joy of the believer as he enters God's Presence is dynamically contrasted with the distraught condition of the unbeliever, who in death discovers that he is to spend eternity without God.

This powerful dramatic presentation is designed to challenge both believer and participant to value their current relationship with Jesus Christ ABOVE ALL ELSE.

Rev. Robert L. Schooley, senior pastor at Calvary Assembly, cordially invites the public to attend. Admission is free; a free will offering will be received. Nursery services and children's church will be available for ages 0-7 years.

25 Years Ago 50 Years Ago

June 7, 1963

The Kewaskum Fire Department answered two calls this week, one on Monday, when lightning struck the William Seefeldt home and the second on Tuesday when the cushions of a car caught fire on the parking lot at the Marx Foodliner. Lightning hit the Seefeldt home during the severe electrical storm Monday evening. There was one very sharp bolt of lightning and immediate crack of thunder which is believed to be the one which struck the home, although the fire was not discovered until almost 1 1/2 hours later. Seefeldt went outside to make a check of the home and saw a piece of roofing on the front sidewalk. Looking up he discovered smoke escaping from under the roof and called the fire department.

United in marriage in Holy Trinity Church, Kewaskum, on May 25, were Miss Isabelle Miller, daughter of Mr. and Mrs. E.E. "Pat" Miller, Kewaskum, and Hugo Straub, Jr., son of Mr. and Mrs. Hugo Straub, Sr., Route 3, Campbellsport.

Daughters were born to Mr. and Mrs. Leland Schaub, Route 2, Kewaskum, on June 1; to Mr. and Mrs. Carl Koepke, Route 2, Kewaskum, on June 1; and to Mr. and Mrs. Robert Vass, Route 2, Kewaskum, on June 5. A son was born to Mr. and Mrs. James Plzak, Route 2, Kewaskum, on May 31.

The St. Michaels Parochial school closed last Friday. A class of six pupils received their eighth grade diplomas during services on Thursday evening. They were: Sylvester Brodzeller, Dolores Vorpahl, Helen and Anna Cechvala, Angeline Schneider and Dolores Schladweiler.

The graduates and the pupils of St. Kilians parochial school entertained Sunday afternoon with a program in the school auditorium. The following received their diplomas: Esther Kern, Cordell Hurth, Jeanette Strobel, Roland Flasch, Alois Zehren, Herbert Weiland, Leo Bonlender, Ambrose Simon, Jerome Mayer and John Heisler.

The following communicants will receive their First Holy Communion on Sunday morning: Laura

Heisler, Florence Weiland, Audrey Straub, Bernadetta Dieringer, Laurretta Wiesner, Elroy Diringier, Allen Kleinhans, Ralph Peter, Hiliary Batzler and Harold Reindl.

In a charming ceremony Saturday afternoon, in St. John's Lutheran Church, New Fane, Miss Gladys Bartelt, daughter of Mr. and Mrs. Oscar Bartelt of Fond du Lac, became the bride of Lester Butzke, son of Mr. and Mrs. Albert Butzke of Campbellsport.

The Rev. A. Von Rohr officiated at a wedding ceremony June 4, at the Peace Lutheran Church, Hartford, uniting Miss Verna Bohn, daughter of Mr. and Mrs. Charles Bohn of Kewaskum, and John H. Diels of Lomira, son of John C. Diels of West Bend.

75 Years Ago Sensenbrenner Visits Kewaskum Statesman

June 7, 1913

At the village board meeting Monday evening the sum of \$250.00 was donated to the public library to be established by the Woman's Club, providing satisfactory agreement can be made with the latter. A committee of three, consisting of John Marx, Herman Krahn and John Brunner was appointed by President Klassen to take the matter up with the Woman's Club. The library, if established, will be in the upper story of the village hall, a very appropriate place.

A very pretty wedding took place at the Ev. Peace Church here last Wednesday afternoon, when Rev. Mohme pronounced the words that made John H. Techtmann and Ottilie C. Schaefer, man and wife.

William Backhaus of Campbellsport and Miss Anna Scheid of Wayne were married Wednesday afternoon at Wayne Church, Town of Wayne.

Mrs. Margaret Petri, 74, passed away at her home in the Town of Wayne on June 2, after an illness of seven months, death being due to a apoplexy followed by bronchitis. Deceased was born in Prussia, Germany.

Congressman Jim Sensenbrenner visited Kewaskum Monday morning, stopping by the office of the Statesman to talk with the editor and staff about the many services he provides to the people he represents.

To voice an opinion about a particular issue, there is a toll free hot line at Sensenbrenner's office, 1-800-242-1119. He will be happy to respond to your concerns and let you know what's happening. He is also available through "town hall" meetings, or directing mail to his Washington office, House of Representatives, 2444 Rayburn Building, Washington D.C., 20515, (202)225-5101.

To make your input more valuable, the Congressman suggested that a person be specific when possible, share experiences and ideas, detail the impact a specific measure has on the Kewaskum community, and print clearly names and addresses. In this way, he can better serve the people of the ninth district, taking the ideas and opinions of this town to the floor of the House, and the various committees and subcommittees on which he serves.

Congressman Sensenbrenner will be holding office hours in Kewaskum in the very near future.

the tradition of honoring the state's dairy industry began in 1937. This year marks the 52nd year of June Dairy Month in Wisconsin.

CLYDE A. BREHM

Clyde A. Brehm, of Waukesha, died Sunday, May 29, at the age of 56. He was an orchestra teacher for the Kettle Moraine School District from 1977 until illness forced him to retire in 1986. Brehm was a band director for the Kewaskum School District for 17 years and guest conductor at many schools throughout South-eastern Wisconsin.

He is survived by his wife Roberta (Dallenbach), a daughter Rebecca (David Ayer), a son Eric and a grandson, Phillip Ayer. He is survived by his mother, Helen Brehm, two sisters, Muriel Brehm and Adele (Lawrence Stelzel), one brother Richard (Susan) Brehm and other relatives and friends.

Brehm's memorial service was held June 4 at the First Congregational church in Waukesha.

The family suggests memorials to a scholarship fund of the donors choice. Kewaskum residents and alumni may wish to consider giving to our local KEYS, Inc. (Kewaskum Youth Scholarship), P.O. Box 124, Kewaskum, WI 53040.

WISCONSIN OUTDOORS AND CONSERVATION NEWS

State Parks Open House June 18

MADISON, WI — It's time to dust off the fishing rod, load the canoe on the car and grab your bottle of sunscreen. On Saturday, June 18, everyone is invited to enjoy the open house at Wisconsin's state parks, forests, trails and recreation areas.

Admission fees will be waived for the open house; camping fees are not waived. In addition, everyone will be allowed to fish on June 18 without purchasing a license.

"Our open house has become very popular over the years because it gives people the opportunity to visit their favorite park, or try someplace new, free of charge," said Dave Weizenicker, director of the Bureau of Parks and Recreation of the Department of Natural Resources.

Many parks offer special events for the open house in addition to the regular opportunities for hiking, picnicking, swimming and

boating. Some of the offerings include nature hikes, film screenings, slide shows, fishing and boating clinics, and refreshments.

"Wisconsin's beautiful outdoor recreation facilities rival those of any state in the Midwest," noted Weizenicker.

The new Governor Nelson State Park, an urban day-use park located across Lake Mendota from Madison, will be dedicated on June 18. Former Wisconsin Governor and U.S. Senator Gaylord Nelson will be present for the dedication ceremony and related festivities.

In addition to the statewide open house June 18, many other state parks, forests, trails and recreation areas hold free days throughout the year corresponding to special anniversaries, dedications or local festivals. Contact the park you're interested in for more information on festivities planned at the property.

Free Fishing Day June 18

It's free, it's fun, it's for everyone! Saturday, June 18, is Wisconsin's second annual Free Fishing Day. Fishing licenses are not required to fish Wisconsin's waters and, in addition, admission fees to all state parks and forests are waived for the day.

To help introduce first-time anglers and youngsters to the fun of fishing, the Wisconsin

Department of Natural Resources and Wisconsin Council of Sport Fishing Organizations are sponsoring fishing clinics at 14 state parks and forests. During these three-hour clinics DNR personnel and local anglers will provide instruction on techniques for baiting hooks, casting and landing fish. Participants will also learn how to properly release and safely clean fish.

Fishing clinics will be held at the following locations:

1. Big Foot Beach, Rt. 3, Box 12, Lake Geneva 53147. (414) 248-2528
2. Bong, 26313 Burlington Road, Kansasville 53139. (414) 878-4416
3. Brunet Island, Rt. 2, Box 158, Cornell 54732. (715) 239-6888
4. Buckhorn, Rt. 2, Box 725, Necedah 54646. (608) 565-2789
5. Council Grounds, 110 E. 10th St., Merrill 54452. (715) 536-4502
6. Devil's Lake, Rt. 4, Box 36, Baraboo 53913. (608) 356-8301
7. Hartman Creek, N2480 Hartman Creek Rd., Waupaca 54981. (715) 258-2372
8. High Cliff, N7475 High Cliff Rd., Menasha 54952. (414) 989-1106
9. Kettle Moraine — Northern Unit, Box 410, Campbellsport 53010. (414) 626-2116
10. Kettle Moraine — Southern Unit, Hwy. 59, Eagle 53119. (414) 594-2135
11. Lake Wissota, Box 360, Chippewa Falls 54729. (715) 382-4574
12. Mirror Lake, Rt. 1, Box 283, Baraboo 53913. (608) 254-2333
13. Northern Highland, Box 440, Woodruff 54568. (715) 356-5211
14. Pike Lake, 3340 Kettle Moraine Rd., Hartford 53072. (414) 644-5248

People planning on participating in the clinics should bring fishing equipment if they have some and dress sensibly for the occasion and weather. Children under 10 years of age must be accompanied by an adult.

All fishing regulations will be in effect. Participants are encouraged to obtain a free copy of Wisconsin's 1988 Fishing Regulations, available at DNR offices or wherever fishing licenses are sold.

Secor On All-Midwest Conference North Division Softball Team

Ripon College's Sandy Secor (Kewaskum, WI) was named to the 1988 All-Midwest Conference North Division Softball team.

Ripon's lone all-conference representative was Secor, a junior outfielder. Batting in the leadoff spot, she hit .373 for the season, second on the team; scored 12 runs, second on the team; walked 12 times, second on the team; led the team in stolen bases with six; and was flawless in the field with zero errors during the course of the Redmen's 20-game season. She was also named the team captain at the end of the season.

Secor, who earlier was named as the 1988 recipient of the prestigious S.N. Pickard Award at Ripon, capped a great year with this honor. She also received all-conference mention in volleyball and basketball and was named team captain in those sports as well.

Secor is the daughter of Gerald and Mary Secor, 1856 Scenic Drive, Kewaskum and attended Kewaskum High School.

Frogging at the Pond

Children and adults will learn the importance of wetland amphibians and reptiles in the ecosystem while "Frogging at the Pond" at the Lac Lawrann Conservancy on Saturday, June 11, beginning at 10:00 a.m.

This class will be taught by Don Reed, who is the Principal Biologist for the Southeastern Wisconsin Regional Planning Commission. He has held this position for 15 years. Mr. Reed has been a member of the Lac Lawrann Policy Board for 8 years. He had conducted the plant community survey of Lac Lawrann and the surrounding area at the time the Conservancy was initially opened for tours. In the past Mr. Reed has taught 3 frogging classes in addition to a children's program on reptiles and amphibians of Wisconsin. He also teaches the training sessions for volunteer naturalists at the Conservancy every spring since 1982.

Call the Parks Department at 338-5080 for reservations for this tour. There is no fee. Open to all ages. Bring collecting jars and nets for observing the animals during classtime.

"Ecology of Lac Lawrann's Wetlands" will be the topic of a tour led by Dr. James Reinartz at the Lac Lawrann Conservancy on Sunday, June 12 beginning at 1:30 p.m.

Dr. Reinartz is the manager and resident biologist at the UWM Field Station in Saukville, and has held this position since 1980. He teaches Biometry (statistics for biologists) and Plant Ecology to

graduate and upper-level undergraduate students at UW-Milwaukee. His research involves ecological genetics, the evolution of plant life histories, and the biology of clonal shrubs.

Please call the Parks Department at 338-5080 to make reservations for this tour. There is no fee. Wear tennis shoes for wading in the wetlands.

The Romans built more than 50,000 miles of road in their empire. Some are still in use today. They are distinctive in that they run in almost straight lines, passing over hills instead of cutting around them.

Mauthe Lake Monster

ALMOST A WORLD'S RECORD — Doug Hammes of Campbellsport displayed his 8 pound, 12 ounce Largemouth Bass.

Photo by Gerry Mueller

By GERRY MUELLER
Statesman Staff Writer

Doug Hammes of 849 Highway B, Campbellsport, stopped at the Statesman office last Friday to show off his prize catch of the week.

While fishing on Mauthe Lake with his friend Brian Ebert last Thursday afternoon, Hammes latched on to a whopping 8 pound, 12 ounce Largemouth Bass. The fish measured 24 1/4" in length and had a girth of 18 1/2".

To top things off Hammes got

a bonus, when he looked inside the fish's mouth, a bullhead large enough to be a meal itself was visible in the bass' throat.

Hammes said he caught the bass on a Mepps Spinner. Beside the trophy catch, Hammes and Ebert caught 17 other bass ranging from 2 to 4 1/2 pounds. We threw those back, noted Hammes, we were after the big ones.

Hammes said he missed the World's Record for a 16-pound test line by 4 ounces.

were Ed Grover, Terry Marten and John Hoch of Beaver Dam.

Al Goetsch of Sheboygan moved from his second row starting position to take the lead in the opening lap of the sportsman feature. Mike Harvey held down second as John Born, Dale Bauer and Mike Akright battled for third. Bauer moved past Harvey for second on lap five and set his sights on the leader. He pulled alongside Goetsch in turn two and took the lead after contact was made which dropped Goetsch to fourth.

The red came out on lap eight when Jim Pitzen's Trans Am broke a radiator hose bringing him to a stop just outside turn two. Mike Akright pressured Bauer on the restart followed closely by Gary Laack, John Born, Al Goetsch and Frank Geiger. The six cars ran bumper to bumper the last twelve laps in the 25 lap event.

Coming down to the finish Laack pulled alongside the leader Bauer, but had his efforts fall a half car short as Bauer running his best race of the season was able to hold him off for the win. Third went to Frank Geiger of Whitelaw, fourth to Mike Akright of Sheboygan Falls and fifth to last week's feature winner Richard Hed of Sheboygan Falls.

Mark Gierke and Chuck Amweg battled the first half of the hobby stock feature before Gierke dropped out with mechanical problems on lap seven handing the lead to Amweg. Amweg was only able to hold the top spot one circuit however before being overhauled by Rick Hed of Sheboygan Falls in turn two. On the next circuit Amweg spun taking him out of contention. Hed went on to win the event over Jim Kroening of Milwaukee and Dennis Klumb of Mequon.

Semi-feature winners were Ron Luedtke of Lomira in the modifieds, Bob Heinemann of Sheboygan in sportsmen and Roger Lange of Random Lake in the hobby stock.

Next week there will be a radio control car demonstration by Kvindlog hobbies. On Wednesday night June 15th the first of twelve weekly races will be held on the half mile clay oval at the Manitowoc Expo. Time trials will start at 6:30 p.m. with races at 7:30 p.m.

When a girl is easy to look at, the fellows look that much harder.

third from Marten. Johnson closed in on the leader in the final laps and as the duo exited turn four he dipped under Schultz to nip by about an inch at the checkers. Following Johnson and Schultz to the line

Johnson Tops Mods, Bauer Ends Draught at Plymouth

by Dick Jepsen

(Plymouth, WI) — Bill Johnson III of Slinger snatched a sure victory from young Ken Schulz's pocket Saturday night at the Sheboygan County Fairgrounds in Plymouth as he ducked underneath him at the stripe to win by about an inch. Dale Bauer of Sheboygan ended a two year winless streak as he held off defending champ Gary Laack of Glenbeulah by a half a car length in the sportsman main while Rick Hed of Sheboygan Falls notched his first hobby stock feature of the season.

The 30 lap modified feature saw pole sitter Ed Grover of Glendale lead the first lap before Ken Schulz of Plymouth took command passing Grover exiting turn four. While Schulz was building up a big lead Terry Marten of Sheboygan Falls moved into challenge Grover for the runner-up spot. Marten took over second on lap six as Bill Johnson III put pressure on Grover for third.

The race was halted on lap 24 when a corner marker tire came loose and rolled onto the track in turn two. Bill Johnson III of Slinger moved into second on the restart and Grover regained

Indians Win Nailbiter in Two Rivers

On Thursday, the Indians traveled the long road to Two Rivers in search of their second straight conference victory. Mike Heberer took the mound for the Indians and got locked into a tight pitcher's duel with the Raiders' Steve Stangel.

The Indians took the lead in the first. Scott Krahn led off with a walk, and after a strikeout, Jeff Miller came through with a triple to right-center, scoring Krahn. Steve Johnson then lined one at the pitcher, who quickly fired to third base catching Miller off base. However, the Indians took the field with a 1-0 lead.

That lead didn't last very long, however, as the Raiders quickly struck back. The centerfielder, Fidler singled off of Heberer with one out. Krahn tried picking Fidler off of first base, but instead threw the ball over the head of Dennis Aupperle, and into right field. Fidler made it all the way to third before the ball was retrieved, and consequently scored when a passed ball got by Krahn.

The Indians got another run in the second, using a one-out triple by Mark Hartman and a single by Aupperle to take a 2-1 lead. The Raiders then turned a nifty 6-4-3 double play to get out of any further damage in the inning.

That lead was also short-lived as Two Rivers struck back quickly again. The second baseman Marquart singled with one out, and after an error and a walk, Heberer walked a run in, but got out of the inning by striking out two Raiders. Defense again was a problem for the Indians. They committed six errors, as opposed to the Raider's two.

The two teams went scoreless during the middle innings as the game became a pitcher's duel between Heberer and Stangel. Heberer wound up striking out ten Raiders while walking only five.

Both teams ignited in the final inning. The Indians started off with Krahn walking and with

one out, Miller hit his second triple of the game, scoring Krahn, making the score 3-2. Johnson came through this time as he followed with a double to score Miller and to give Kewaskum a 4-2 lead going into the last of the seventh.

Two Rivers didn't roll over and die through. Fidler hit a shot to right-center for a triple and then scored when shortstop Rich Radtke's relay sailed over the third baseman's head. After an error and two walks, the bases were loaded. Heberer proceeded to strike out two Raider batters. Then the ultimate pressure situation arose. Bases loaded, two out, bottom of the seventh, three balls, two strikes, the score, 4-3. Heberer threw an off-speed pitch, fooling the batter Geiger, popping the ball up on the left-side of the infield. Third baseman Mike Lubahn and shortstop Radtke both converged on the ball, colliding but Radtke hung on to the ball, preserving the Indian victory.

The win gives the Indians a 2-0 mark in conference action, 2-3 overall, with a big week of conference play ahead of them.

Upcoming Games, Mon. June 13th, Kiel, home; Tuesday, June 14th, New Holstein, home; Thurs., June 16th, Campbellsport, home.

There is a baseball game played in Fairbanks, Alaska, every June 21, the longest day of the year. It begins at midnight and no artificial lighting is ever used.

Hubbell Qualifies for State Tennis Tournament

Eliminated in First Round

Craig Hubbell was the only Kewaskum player to qualify to play in the state tennis tournament, which was held last Thursday, Friday, and Saturday in Madison.

In subsectionals, which was held on May 24 in Beaver Dam, Hubbell defeated players from both Fond du Lac and Waupun and therefore qualified for sectionals. All of the other Kewaskum players that played in subsectionals lost their first-round matches and were out of the tournament. Frank Vollmering lost his match to Jon Griefenkamp of Hartford High School. Tim Kaufmann and Bruce Waechter, who played doubles, lost their first match of the day to their West Bend East opponents. George Walz and Sonny Sison also lost in their first round to a different West Bend East doubles team.

Two days later, Hubbell and his coach, Jan Rosenthal, travelled to Sheboygan for sectionals. There, Craig played Tory Lehman, who was a student at Manitowoc's high school. Tory took the early lead and won the first set by a score of six games to three. However, Craig rebounded and won the second set six games to four, and Craig went on to win the third set six games to one. Because he won his first match, Craig qualified for state.

After the state qualifiers were determined, more matches were played to determine seeds at state. In his second match, Hubbell played Jason Cherveney, a player from

Sheboygan Falls High School. Cherveney had defeated Hubbell in the finals of this year's conference meet, but Hubbell won this time by a score of 6-2, 7-6. In his third match of the day, Hubbell played Jason Suscha, an experienced Sheboygan North player. Suscha defeated Hubbell by a score of 6-1, 6-2.

In the first round of the state meet, Hubbell played Jon Calvillo of Jefferson High School. Calvillo, a junior who was making his third appearance at the state meet, defeated Hubbell, and the score was 6-4, 6-1. The loss took Hubbell out of the state tournament.

The tennis team, finishing fourth in the conference, did have its best finish in its history at Kewaskum Community High School. The playing of Frank Vollmering, a German foreign exchange student that played second singles, helped the team. The Indians also had Tim Kaufmann, who compiled a respectable record at third singles. During the regular season, Adam Miklas usually played fourth singles; George Walz and Ira Sison played first doubles; Bruce Waechter and Curtis Ammel played second doubles; and Scott Kulas and Sonny Sison played third doubles.

Other team members were Sergio Tapia, a foreign exchange student from Mexico, and Jeff Brigham, who was a sophomore at KHS.

Indian Pitchers Hum In Consecutive Victories

The Kewaskum Indian pitchers finally got on track last week, using twenty-three strikeouts, as opposed to only six walks, propelling their team to consecutive conference victories over Plymouth and Two Rivers.

On Tuesday night, Kewaskum 8, Plymouth 4, the Indians hosted Plymouth as junior southpaw Dennis Aupperle assumed the mound duties for Kewaskum. The big lefty showed no mercy to the Panthers as he mowed down thirteen men on strikes and walked only one. Aupperle only allowed seven hits, four of which went to the number four and five batters for the Panthers.

However, the Indians major weakness, their defense, appeared a nemesis again. Averaging a total of five or six errors a ballgame, the Indians averaged out on this night, making five miscues, as opposed to the Panther's two. Luckily for the Indians, however, Aupperle had his good pitches and used them to strike out two batters in four different innings, and to strike out the side in another.

The Indians jumped out to an early 4-1 lead without acquiring a base hit. The Plymouth pitchers had their problems early, walking ten Indians in the first two innings. In the first, leadoff batter Scott Krahn walked and shortstop Noel Stollenwerk sacrificed Krahn to second base. Next, Jeff Miller

and Steve Johnson, both walked. Following a strikeout, Mark Hartmann walked, forcing in a run, but Aupperle left the bases loaded when he flew out to the shortstop.

In the second inning, leadoff batter Mike Morell walked and was sacrificed to second by Rob Kode. After a walk to Scott Krahn, the Indians, with runners at first and third, pulled off a double steal. Morell stealing home. Stollenwerk then walked, and Miller got on base after an error by the third baseman. Johnson walked again and another error by the third baseman scored a run, while another walk to Hartmann scored the third Indian run. The bases were left loaded again when Aupperle struck out.

"We've had that problem the whole year," coach Tom Bartelt said after the game, "We're leaving too many men stranded in scoring position." The Indians left ten men on base in this game, twice leaving the bases loaded.

Plymouth came back to tie the game in the fifth, as some untimely errors by the Indians proved costly. But, again Aupperle came through to save the day, striking out the side to get out of the jam.

With the score tied at four apiece, the Indians exploded for four runs in the fifth, everything after two outs. After two groundouts, Rob Kode and Scott Krahn both singled. Stollenwerk then doubled down the rightfield line to score

Padden, Schulteis to State

ELKHORN — Seven Indians (four from the boys' team and three from the girls' team) represented the Kewaskum track program last Thursday at the Class B Sectional Meet.

Two individuals, senior Patti Padden and junior Marty Schulteis will go on and represent Kewaskum in Madison at the WIAA State Track Meet.

Padden placed second in the shot put, with a monstrous put of 37'1/4". This was Padden's personal best by over one foot.

Schulteis was clocked at 15.2 in the 110 meter high hurdle race, as he placed second, three tenths of a second behind the winner, Mike Wollenhaup of East Troy. Schulteis also placed fifth in the 300 meter low hurdle event.

KHS Competes In State WIAA Golf Tourney

Although only Padden and Schulteis will advance to State, five other Indians performed well.

For the girls' team, sophomore Kristi Lubahn rebroke her own KHS record with a second place clocking of 48.8 in the 300 hurdles.

Junior Pam Osterbrink cleared 4'10" in the high jump, but did not place.

For the boys' team (seventh with 23 points), Ryan Degnitz showed Kewaskum's depth in the hurdles with a fifth in the 110 highs and a sixth in the 300 lows while Mike Lubahn placed fourth and fifth in the 100 and 200 meter dashes. Jeff Taylor also placed, taking fifth in the shot put.

STEVENS POINT — The WIAA's first two-class State Golf Tournament was played on Monday - Tuesday (June 6-7) at Lake Arrowhead (on Highway 13 between Adams - Friendship and Wisconsin Rapids). This was the 66th annual tournament.

The Class A field includes Arrowhead, Delavan-Darien, Fond du Lac, Grafton, Janesville Parker, Madison West, Manitowoc, Menomonie, Neenah, Portage, Racine Case, Racine Horlick, Rhinelander, Wauwatosa East, Wauwatosa West and Wisconsin Rapids.

The Class B field includes De Forest, Hayward, Holmen, Kewaskum, Mount Horeb, Oconto Falls, Spooner and Whitewater.

Madison West took the title a year ago with Waukesha South and Homestead fishing 2-3.

Dean Leads Indians To Promised Land

DEPERE — The Kewaskum Indian Golfers, led by a smooth 74 from senior ace Gregg Dean, reached the state level for the first time in their history after taking second at the Mystery Hills sectional Tuesday, May 31.

Oconto Falls, the sectional winner had 322 with two of their players shooting career bests. The second place Indians carded 327 with scores of 74 from Dean, 83 from the struggling Eric Pearson, 84 from Joel Fleury, and 86 from freshman D.J. Slaughenouh. Both Pearson and Fleury had troubles all day which caused their scores to be a little higher than they would have liked them, but the entire team was very relieved when they

realized that their score was good enough to qualify for state tournament. Coach Joe Harlow said that he thought that 320 would have been good enough to win and as it turned out, he was right. He was also pleased with Gregg's 74 which was second best overall behind Scott Seider from Mosinee who shot 72. The Indians traveled to Lake Arrowhead for the 36 hole state tournament on Monday and Tuesday. Details will be published next week.

Kleinhaus On All-Conference North Division Baseball Team

Ripon College and St. Norbert College, which took the Midwest Conference North Division baseball race down to a one-game, nine-inning playoff between themselves, led the balloting for the league's 1988 All-Conference North Division Baseball Team. The team was selected by division coaches.

Ripon's selections to the team were junior pitcher Ev Wood (Waterford, WI), junior first baseman Tyrone Kleinhaus (Kewaskum, WI), senior outfielder Tom Jacobson (Whitefish Bay, WI), and senior third baseman Scott Koepnick (Viroqua, WI).

Kleinhaus, who was also an all-conference pick in basketball, was one half of the Redmen's power force. He batted .452 in the 13 conference games and led the conference with 27 runs batted and six homeruns.

Kleinhaus is the son of James and Penelope Kleinhaus, Kewaskum and attended Deerfield High School in Deerfield.
