United Way Begins 1988 Campaign

UNITED WAY CAPTAINS — Left to right: Dennis Connor, Gerald Gosa, Ruth Ramel, Pat Sella, Chuck Wilgenbusch and Bob Beisbier.

The Kewaskum Area United Way 1988 campaign has begun. On Monday, September 26, President Dennis Connor laid out his game plan for the captains with the help of his co-chairmen, Leroy Kopecky and Kim Peterson. Part of that team is pictured here before they head out to the field.

The goal this year of \$32,000 is well on its way with \$4860 from Captain Gerry Gosa's public sector. The teachers and support staff increased their support by 24% over last year.

With that incentive the captains from the other sectors will be asking contributors to help them meet that challenge or better it.

The dollars you give help support these agencies: Council on Alcohol and Other Drug Abuse of Washington County; Threshold, Inc.; Citizen Advocacy of Washington County, Inc.; Girl Scouts of USA, WauBun Council; Kewaskum Blood Bank; American Field Service - Kewaskum; Big

Brothers & Sisters of Washington County; Boy Scouts of America, Bay Lakes Council; Christian Record Braille Foundation; D.D.S.F. Programs of Lutheran Social Service; Friends of Abused Families; Kewaskum Special Olympics; Nova Services, Inc.; American Red Cross of Washington County, and the Kettle Moraine Hospice.

Please give when a volunteer asks. Thanks to you - it works for all of us - The United Way!

Junior Women to Host WFWC 6th District Fall Conference

On Tuesday, October 18, the GFWC Kewaskum Junior Woman's Club will host the WFWC 6th District Fall Conference at the Peace Church in Kewaskum. Approximately one hundred women's club members from thirty-two clubs in the 6th district will attend. The district includes Calumet, Fond du Lac, Ozaukee, Sheboygan, Washington and Winnebago Counties, serving 1600 members.

Local women serving as district officers include Gayle Van Ess as District President and Diane Shreves as District Corresponding Secretary. Kathy Charland and Jean Goeden serve as president of the Kewaskum Junior Woman's Club and Kewaskum Woman's Club respectively.

The fall conference schedule includes workshops in each of the six departments of the GFWC: arts, conservation, education, home life, international affairs and public affairs. In addition, Lois Reinfeldt, WFWC President will address

the group on "Aging... Put Your Heart In It," and Kevan Jones, WFWC Junior Director will speak on "Youth Suicide." Mr. Wilford Nehmer Jr., noted author and jazz musician will speak on the theme of his book, "Have A Heart - The Lighter, Brighter Side of Recovery."

Following the conference, Kewaskum Juniors are encouraging their guests to stay in Kewaskum, enjoying the Historical Society Museum and beauty of the Kettle Moraine, as well as to shop in Kewaskum, have dinner, and enjoy the hospitality of Kewaskum businesses, many of whom are offering door prizes or daily specials to the delegates.

The Kewaskum Area Chamber of Commerce is encouraging all their members to participate in extending a cordial welcome to our community to the visiting GFWC members. Let's offer them a slice of Kewaskum that they can take home with them to remember for many years to come.

West Bend's Roethke Wins Olympic Silver

Lynn Roethke made international news Wednesday at the Winter Olympics in Seoul, South Korea, when she took the silver medal in amateur judo competition, losing to Diane Bell of Great Britain on a penalty point.

Competing in the 134 lb. weight class, Roethke also won the gold medal at the 1987 Pan American Games and finished second in the World Championships in Essen, West Germany.

Cheering her on in the Changchung Gymnasium was her own support team: her mother, Joyce; aunt Lolly Nichols, Eden; cousin Virginia

Sterr, Lomira; and friends Gladys Schmidt and Marion Lang, West Bend; Diane Weider, Juneau; Barbara O'Donnell, Albany, N.Y.; and Connie Shigamoto of San Jose, Calif.

Roethke plans to vacation in Hawaii after the games, and will then attend a Women's Sports Foundation banquet in New York.

The West Bend Chamber of Commerce is responsible for raising more than \$22,000 for Lynn's expenses since April 1987. Lynn is the daughter of Joyce and Charles Roethke, Sr. of West Bend.

KHS to Celebrate Homecoming '88

The week of October 4 through October 8 is Homecoming at Kewaskum High School.

Activities will begin on Monday with the start of float building. Class competition begins with the different dress up days with Tuesday "Pajama Day," Wednesday is "Woodstock/Flower Power Day" and Thursday will be "Inside out/-Backward Day," Friday will be

the traditional "Green, Gold and White Day."

Hall decorations will be put up Wednesday after school and will add much color and excitement to the halls.

A pep assembly will be held Friday afternoon at which time all varsity fall sports members will be recognized along with the introduction of the Homecoming Court and this year's King and Queen.

The parade will be Friday night at 6:00 p.m., which will include the KHS Marching Band, several floats, convertibles as well as the football team. The Indian fans are hoping for a victory as the team plays the Kiel Raiders at 7:30 p.m.

The Homecoming dance will be on Saturday, Oct. 8 from 8:00 to 11:30 p.m. with music provided by The Grove. Ticket prices are \$3.00 for singles and \$5.00 for couples in advance and \$3.50/\$6.00 at the door. Parents are welcome to attend the dance compliments of the

Class of 1989. The Grand March will be at 9:00 p.m. with the crowning of the King and Queen immediately after.

The Class of 1989 has chosen to invite back the Class of 1984 and we hope to see as many people as possible from that class at the game and dance. The Championship team from 1983 will be here to celebrate their five year reunion.

Post Office Notice

The last pick-up for out-going mail will be 5:30 p.m. Monday thru Saturday, starting Monday, Oct. 10.

9-30-2t

News In Brief...

By GERRY MUELLER
Statesman Staff Writer

Washington County District Attorney David Resheske has announced his resignation. Resheske will leave office to go into private practice with the West Bend law firm of Bunk, Doherty & Griffin, S.C.

Just two weeks ago Resheske virtually won re-election as DA after running unopposed in the September 13th primary. Unless a write-in candidate receives more votes than Resheske, whose name will still appear on the November 8th

ballot, Governor Tommy Thompson will have to appoint an individual to finish out Resheske's present term which expires in January and the next two-year term he would win in the November election.

Lottery sales are booming. As of Monday, almost \$21 million in Wisconsin State Lottery tickets have been sold. That figure includes 20.1 million one-dollar instant-win tickets and \$850,000 worth of the fifty-cent pull-tab tickets.

If sales continue at this level,

[Continued on Page 8]

St. John's United Church of Christ to Celebrate Centennial

St. John's United Church of Christ, Beechwood, will observe the 100th Anniversary of its founding with morning services and an afternoon program on Sunday, October 16th.

The morning church service will begin at 10:00 a.m. with Dr. Rev. Frederick Trost, Wisconsin Conference Minister, as guest speaker. Liturgist for the service will be Rev. Robert Horst, Southeast Association Minister of the Wisconsin Conference, Rev. William Kesting, Jr., present pastor, and former pastors.

A 12:00 noon dinner will be held at the former Beechwood Firehouse at the corner of Hwy S and A. Dinner reservations must be made in advance and no later than October 6. Adults: \$6.50, Children ages 5-10: \$4.50, under 5: \$1.50. Mail remittance to Mrs. Sylvester Krahn of Route 1, 807 Hwy A, Adell, WI 53001. Make checks payable to: St. John's Centennial Fund.

The afternoon program, also held at the Fire Hall and beginning after dinner, will include the "Good News Singers" of Lakeland College, and a message given by Rev. Charles Koch, son of the congregation. A slide presentation of Confirmation classes prepared by the Centennial Committee will climax the afternoon program.

Anniversary booklets have been prepared with a complete history of the congregation, pictures of members and their families, pictures of the various organizations of the church and a statistical listing including all the births, baptisms, marriages

and deaths that were recorded in the records of St. John's. These booklets and the Centennial plates will be on sale that day.

The public is cordially invited to share St. John's Centennial festivities with its members.

Open House at WB Red Cross

The West Bend Chapter of the American Red Cross has moved to a facility at 422 Meadowbrook Dr., phone 414-334-5687. An OPEN HOUSE will be held for our friends of the general public on Sunday, October 9th from 1 to 4 p.m., serving coffee and cookies.

The Red Cross generates its funding from the United Way.

Come investigate your Red Cross. Find what services such as transportation of patients to area and Milwaukee treatment centers, donations to veterans centers and aid to military personnel and families, classes in first-aid and other life-saving courses the Red Cross performs. Avail yourself of these services.

Come to find out if you might want to volunteer your services to help the Red Cross, come as an interested resident of your community; come to visit us and have an enjoyable afternoon.

You ought to do something about your image if you ask the waiter to recommend a wine and he suggests muscatel.

See the Colorama

'Open House Day' Sunday In Kettle Moraine State Forest

Give yourself a break recommends Walt Adams, Superintendent of the Kettle Moraine State Forest. Come out to the Kettle Moraine Colorama on Sunday, October 2, 1988 on "Open House Day." No vehicle admission fees will be charged at the various public use areas and trail parking lots. Fall colors are expected to be brilliant for a visit to the forest facilities. The area offers a variety of activities for the whole family.

Visit the Ice Age Center and observe the glacial scenes from the deck at the Center, climb Dundee Mountain to view the countryside (access from Area F in the Long Lake Campground), follow the Scenic Kettle Moraine Drive to the new 60-ft. Parnell Tower. The panoramic view from atop the tower will probably be the highlight of

your day. Take the family and make the day complete with wild berry and nut picking.

Flocks of migrating geese can be heard daily along with frequent sightings of deer and wild turkey.

Hikers will be delighted to hike the many fine trails laid out in the forest. Fall season is perfect for hiking with cooler temperatures and no insects to contend with. The forest has several loop trails: New Fane 7.7 mi., Butler Lake 3.1 mi., Parnell Tower Trail 4 mi., Greenbush 10.9 mi., Zillmer Trail 17.5 mi., and of course the nature trails at Mauthe Lake and at the Ice Age Center.

Small Game Hunting and Bow Season is in progress at this time. Whatever activity you partake in, we are sure a visit to the State Forest will be most enjoyable.

New Parnell Tower Dedicated

Much to the delight of its neighbors, the Kettle Moraine Forest's Parnell Tower once again stands tall, looking over the wooded Wisconsin countryside.

Several hundred people were in attendance at Saturday's ceremony to dedicate the new structure which replaces its predecessor built in 1941, a product of the Depression era.

After 46 years of service, the original tower was closed and torn down because of deterioration. There were no plans to replace the 50 foot tower until area residents began a letter-

writing and petition campaign to have the landmark rebuilt.

Those efforts proved successful, and now, the Parnell Tower once again graces the skyline as a giant tempting visitors to climb its lofty wooden stairs for a magnificent view of the kames and kettles which make up the Kettle Moraine.

Now ten feet taller than the original, the new 60-foot tower will provide an even more spectacular view to the 12,000 to 15,000 people who are expected to climb the structure each year.

Teenage Sexuality Presentation Oct. 3

Holy Trinity and St. Bridgets Parish are featuring a guest speaker at their CYM registration night, Sister Kieran Sawyer.

Sister Sawyer is director of "Time Out" - a Youth Ministry Center in Mequon, and a retreat center in Milwaukee. She is author of several religious texts and is widely known for her work with teenagers and young adults.

The public is invited to attend her presentation on Teenage Sexuality at Holy Trinity Parish in Kewaskum on Monday, October 3 at 7:30 p.m. All parents are encouraged to attend this religious education program. For further information call 626-2860.

CYM Registration At Holy Trinity

Parents of Holy Trinity Catholic Church and St. Bridgets Parish high school students are asked to attend a CYM Orientation on Monday, October 3 at 6:30 p.m. at Holy Trinity Parish in Kewaskum. There will be a special guest speaker preceding registration. For more information contact Karen Ellefson at 626-4853.

If you need a trivet for a hot pot, wrap some foil around several thicknesses of newspaper.

Kewaskum Receives Preschool Grant for Handicapped Children

MADISON — State Superintendent Herbert J. Grover has notified the school District of Kewaskum that it will receive \$4,800 to assist in providing special education programs for pre-schoolers with exceptional education needs (EEN).

Administered by the Wisconsin Department of Public Instruction, the grant is made available under Public Law 99-457, the Education for All Handicapped Children Act, Amendments of 1986. The preschool-incentive provision of this federal law has been amended to strengthen the

incentive for states to serve all handicapped children, ages 3 through 5.

Statewide, all local educational agencies will share in the \$2.7 million available under this program during the 1988-89 school year. Seventy-five percent of these federal entitlement funds will flow directly to local school districts.

The entitlement program may provide a broad range of local programs and services to handicapped preschoolers. Funds in Kewaskum will be used to purchase special materials and equipment and arrange for specialized evaluations.

Commenting on the grant award, Richard E. Zarling, the project's director, said, "We are pleased to receive these monies to assist us in providing quality programming to our younger handicapped children and to assist us in identifying their needs. The program continues to provide specific educational services for the 3-5 year olds thereby creating a stronger background for them when they reach regular school age and join the mainstream school population."

Cycle Accident Injures Two

By GERRY MUELLER
Statesman Staff Writer

An accident late Sunday evening injured two Kewaskum area motorcyclists. According to a Washington County Sheriffs Department report, Richard Postuma, 38, of 8561 Salisbury Road and Michael Nigh, 33, of 3824 Badger Road, were traveling south together on Kettle Moraine Drive at approximately 10:28 p.m. As they approached a stop sign at the intersection of Kettle Moraine and highway 28, Postuma stopped. Nigh's cycle approached Postuma and apparently began skidding striking the Postuma motorcycle in the rear. The two machines skidded into the intersection.

The Kewaskum Rescue Squads transported the two men to St. Joseph's Hospital, West Bend. Postuma was treated for leg and shoulder injuries and Nigh a fractured collarbone. Both men have been released from the hospital.

THANKS TO ST. JUDE

ST. JUDE'S NOVENA. May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world, now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us; St. Jude helper of the helpless, pray for us. Say this prayer 9 times a day, by the 8th day your prayers will be answered. It has never been known to fail. Publication must be promised. Thank you St. Jude.

Memories . . .

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the older days in this area. Deliver or mail to The Statesman, 250 Main St., P.O. Box 98, Kewaskum, WI 53040. Photos can be picked up again after publication.

The above memory picture was taken in 1941. It shows the Rex Garage, which was located next to Miller's Furniture. Left to right: Myron Perschbacher, mechanic, son of Arey Perschbacher, owner and John Lecher, mechanic. The garage sold Buick, Dodge and Plymouth cars. During World War II, Perschbacher was rationed to five cars a year and therefore started selling farm machinery. The property was later sold to Miller's when they expanded their furniture store. The photo was sent out as a Christmas card to all customers.

A newly hatched alligator is just eight inches long. It will grow about a foot a year until it reaches the average adult length of six to eight feet.

Free Arthritis Classes Offered at Cedar Haven Retirement Campus

A series of four, free arthritis self-help classes will be offered at Cedar Ridge Retirement Campus located on Scenic Drive, just off Highway 33 in West Bend. The continuing series will begin Wednesday, October 5 and continue on October 12, 19, 26, from 6:30 to 8:00 p.m.

This series of four classes is co-sponsored by Cedar Haven Rehabilitation Agency and the Arthritis Foundation, Wisconsin Chapter.

To register, individuals are encouraged to call the Self-Help Coordinator at 1-800-242-9945. When individuals are registering, they are registering for the entire four classes.

The purpose of the self-help class series is to provide an awareness and understanding of arthritis and improve an individual's ability to make better personal decisions regarding the management of their disease. Class participants will learn in general terms about the medical, physical and psychological methods available for the treatment of arthritis.

Session I on October 5 will feature Dr. Hilgeman, Rheumatologist, Amy Leitheiser, P.T. and Charmaine Loomans, P.T.A. Topics to be covered are introduction to sessions, anatomy of a joint, possible causes, how to diagnose, treatment and team approach, medications and injections and what arthritis is.

Session II will be on October 12 and will feature Jon Herd- rich, Pharmacist discussing types and benefits of medications, side effects and unproven methods. Dr. Reineck, orthopedic surgeon will discuss surgical options and joint replacements.

Session III will be on October 19 and will feature Rosemary Schrauth, O.T.R., discussing joint protection, splints, energy conservation and self-help devices. Joanne Bodien, P.T. will cover exercise, body mechanics, posture, heat and cold, rest and equipment.

The final Session, October 26 will feature Lynette Gagnon discussing nutrition, weight loss management. Sarah Rehring will discuss stress and coping.

Junior Woman's Club Recipe of the Month

This recipe and many more can be found in the Kewaskum Junior Woman's Club new cookbook. Cookbook can be purchased at Kennelly Pharmacy and the Regal Ware Outlet.

VAUGHAN'S POTATOES

Chris Schoofs

3 med. potatoes, peeled and quartered
 1/4 c. Parmesan cheese, grated
 1/2 of a 3 oz. pkg. cream cheese
 1 T. butter or margarine
 1 T. chopped green onion
 2 1/2 tsp. instant onion soup mix
 Dash of pepper
 Milk
 1 beaten egg
 1 1/2 c. cornflakes, coarsely crushed

In saucepan cook potatoes in boiling water about 20 minutes or until tender. Drain and mash. Stir in Parmesan cheese, cream cheese, butter or margarine, green onion, onion soup mix, and pepper. Mix well. Add 1 to 2 tablespoons milk if mixture is dry. Shape mixture into 8 balls. Dip in beaten egg; roll in cornflakes. Place on greased cookie sheet, bake at 400° for 10 to 15 minutes or until hot and crisp. Makes 4 servings.

Unemployment Office Offering Seminars on UC System Changes

The West Bend Unemployment Compensation Office is offering free one-hour seminars to explain to workers the impact on them of the changes in the state's UC system. These changes will become effective in April of 1989.

Wisconsin is making a major conversion to a new system for obtaining wage information from employers. The information will be used to compute an eligible UC claimant's benefits, as well as for other purposes. The program is administered in Wisconsin by the State Department of Industry, Labor and Human Relations.

Unions and community organizations assisting unemployed workers are among

those most likely to request the seminars, according to Larry Sorenson, the local UC office manager. Employers may also wish to schedule the seminars for their employees, Sorenson said.

Seminars will be conducted by local office managers.

"We'll explain why we're changing the system, how the changes will affect employees and the benefits they receive, and what parts of the system are not changing," Sorenson said.

"We prefer to have 20 persons in each seminar," Sorenson said. "We'd also prefer that those asking for seminars also propose a location and give us two weeks or more notice if possible."

To request a seminar, call the UC office at 338-4749 or write to the UC office at 1043 S. Main St., West Bend, Wis., 53095.

Casting Completed for High School Play 'No, No Nanette'

Season Tickets for Moraine Symphony Orchestra on Sale

WEST BEND — Season tickets for the 1988-89 Moraine Symphony Orchestra season will go on sale Oct. 1. Persons buying a season pass will get to attend one regular concert free.

Joyce Christie of Grafton, president of the 55-member orchestra, said the money-saving offer is in keeping with the philosophy of the group. "We're not trying to make a lot of money," she said. "We want people to come out and enjoy good music."

Season tickets cost \$14 with a student and senior citizen ticket available for \$12. Tickets admit symphony-goers to a season opener on Nov. 12, to table seating at an April 29 Pops Concert and to one of two concerto concerts on March 19 or April 9.

The Nov. 12 concert will feature a 70th birthday salute to Leonard Bernstein. Admission to the Pops Concert includes a special cheese, snack and drinks package. The concerto concerts will feature special soloists and the winners of the symphonies annual Youth Concerto Contests in Ozaukee and Washington counties.

The orchestra was founded in 1968 by director Albert Asch, a professor of music at the University of Wisconsin Center — Washington County. This is the first time season tickets are being offered for a symphony season.

Season sales will end Nov. 1. Tickets are available to individual concerts at \$4 or \$2 for students and senior citizens. All table seating at the Pops Concert costs \$10.

The symphony will present its annual Cathedral Concert at St. Mary's Catholic Church in Port Washington on Dec. 4. That performance is free.

"No, No Nanette" will be the Fall presentation to be shown at Kewaskum High School on Nov. 4-5. The play consists of seven major roles and after initial try-outs and call backs, the cast was selected. Playing the role of Nanette will be Angie Schoofs, a sophomore with a beautiful singing voice. Other female major roles include Lucille played by senior Shannon McFadden, Pauline played by junior Becky Manthei, and Sue played by Senior Cindy Wilson. The minor female roles of Flora, Betty, and Winnie will be played by junior Jill Peterson, and sophomores Pam Gauger and Ingrid Ankeron.

Playing the male major roles are sophomore Curt Ammel as Jimmy, junior John Hazlewood as Billy, and junior Jeff Brigham as Tom.

The play takes place in the 1920's and will feature that style of music and costumes. Said Dave Bertelsen, the plays director, "A smaller cast has

been much easier to work with. There's also a lot of talent." He praised the chorus of the play also which he said was "sounding excellent." All in all rehearsals are running quite smoothly. For reserved seating information, please call Kewaskum High School 626-2116 and talk with Larry Ammel.

ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, Sept. 20, were: Marvin Martin, 22-5-17; Julius Yahr, 19-3-16 net; Ruth Egerer, 16-3-13 net; Ralph Laux, 10-1-9 net.

XYZ CLUB SKAT RESULTS

The winners on Wednesday, Sept. 21, played by the Senior Citizens XYZ Club at the Legion Hall in Kewaskum were: Allen Reindl, 21-3-18 net; Sylvester Schmidt, 22-5-17 net; Ken Kaschner 16-2-14 net; Marvin Martin, 15-3-12 net; Elroy Egerer, Heart turn vs 5.

Resolve Through Sharing to Sponsor 'Walk to Remember'

During the month of October (National Perinatal Bereavement Awareness Month) hundreds of parents, health professionals and friends across the U.S. will be participating in "A Walk to Remember." The Fond du Lac area Resolve Through Sharing support group is sponsoring a Walk To Remember on Saturday, October 1.

This walk is dedicated to the approximately 770,000 babies that die each year through miscarriage, stillbirth, or newborn death. The walk also symbolically joins all the people nationwide who are working to raise awareness on perinatal grief and ensure that sensitive care is given to parents.

The Resolve Through Sharing Walk to Remember will be held Saturday, October 1, at 10:00 a.m. Interested persons are invited to meet in the lobby of St. Agnes Hospital at that time. Participants will walk to the Calvary Cemetery for a small presentation at the baby burial site, then return to the hospital. The walk is approximately one mile to the cemetery and one mile back. In case of rain, the

Walk to Remember will be held Sunday, October 2 at 2:00 p.m. For more information about the Walk to Remember, contact Lillian Foote at 921-4699.

Planned Parenthood To Present Workshop For Young Girls

Planned Parenthood of Wisconsin is presenting a workshop entitled "Boys, Boys, Boys: A Program For Girls" on Wednesday, October 19th from 6:30 to 8:30 p.m. at Bank One, 801 W. Washington Avenue in West Bend.

This workshop is designed for girls, ages 10-13, and a parent (or other significant adult). Topics of discussion will focus on male anatomy, male puberty changes, and conception. Prior attendance at Mother Daughter Program is recommended.

The fee for this workshop is \$10.00 per parent/child couple. For more information or to register, call the Community Services Department of Planned Parenthood at (414) 271-6033.

Reading Aloud is One Way Parents Can 'Team Up' With Children

by Joyce Albrecht,
Extension Home Economist

This may sound old-fashioned, but reading out loud is one of the best things you can do for your child.

Children need to hear how a good sentence sounds before reading them makes sense. They benefit in the same way that a music student benefits from hearing a polished concert. Hearing a story read aloud teaches a child what reading is all about.

The statewide campaign to promote family involvement in education will continue during the new school year. "Our Children...Wisconsin Cares" is the year's theme.

Reading to your child is one way to show you care. Research shows parents can make a big difference in helping children learn to read and help them read better.

For toddlers, reading aloud stimulates spoken language. The child who speaks fluently, who can describe and explain things well, is the one who will learn to read most easily.

Spoken language lays the foundation of written language.

In a recent study, researchers found parents could boost the language skills of their two and three year olds by doing a few simple things when they read storybooks:

- Instead of reading the book straight through, parents stopped to ask questions.

- The questions they asked were open-ended. They did not have a yes/no answer, nor did

they require the child just to point to something. One example is asking "What happened to Humpty-Dumpty?" instead of "Did Humpty-Dumpty fall down?"

- Parents also expanded on their children's answers, praised correct answers, suggested alternative answers, and asked progressively more challenging questions.

No matter what ages your children are, reading aloud is a great activity for the whole family, says Joyce Albrecht, Washington County Extension home economist. She offers these tips:

- Choose books or stories that everyone can enjoy. The librarian at your local public library can help.

- let older children take turns being the reader.

- Consider setting aside no-television nights just for reading and other family activities. Many children will remember the times when their parents read to them as among their happiest family times.

- To make your reading aloud successful, let your child help select the stories to be read. Sometimes a child will want to hear the same story over and over again; that's alright as long as you can talk about some aspect of the book together, too.

- Make sure you quit reading when the young ones begin to lose interest.

- Try to read to your child at least an hour each week (they need at least this much), but not

all at one time.

When parents and teachers work together, the children really benefit, Albrecht says.

"Too often, parents and teachers only talk together when they are required to, or when there is a problem," she says. "Surprise your child's reading teacher - call her or him up and ask how you can supplement at home what your child is learning at school."

Some schools provide parents with materials to use at home, for example, reading games and books.

Your child's teacher will be encouraged to work even harder for your child if she or he knows that you care enough to work on reading at home.

The Washington County UW-Extension Office has a variety of publications for parents of school-aged children. Stop in at our office located in the Courthouse, 432 E. Washington Street in West Bend for more information.

PUTTING FOOD PRICES INTO PERSPECTIVE

Although we're paying more at the supermarket checkout than we did a year ago, the cost of food at home for the average U.S. household continues to decrease.

According to data collected by the Food Marketing Institute and U.S. Department of Agriculture, the average shopper spent just 9.6 percent of disposable income on groceries in 1987, compared to 12.5 percent in 1977 and 20.5 percent in 1947. At the turn of the century, Americans spent as much as 40 percent of their disposable income on food.

KEWASKUM COMMUNITY SCHOOLS

Monday, Oct. 3 - No School.

Tuesday, Oct. 4 - Double hamburger/bun (H.S. & M.S.), single hamburger (E.) French fries, relishes & dip and pineapple chunks.

Thursday, Oct. 6 - Veal parmesan, spaghetti, broccoli, Vienna bread w/butter, apple pie, milk and coffee.

Ceramics at 10:00 a.m. every 3rd Tuesday of the month.

Card playing everyday.

Big Thirst

How much water does a big tree need? According to Ranger Rick magazine, a large leafy tree may take up as much as 240 gallons [900 liters] of water from the soil every day. That would fill the average bathtub more than three times.

News In Brief...

[Continued from Page 1]

it is expected the first \$1 million winner could be drawn some time in October.

A proposed bill could mean dramatic changes in the nation's welfare system. The five-year plan is directed toward getting welfare recipients into the workforce as well as help them collect more child support from non-resident parents.

Under the bill, which would cost \$3.34 billion, welfare parents with children over three years old would be required to enroll in state basic education, job training, work experience and job search programs.

In fiscal 1990 and 1991, states would be required to enroll at least 7% of eligible parents in programs. By 1995, that figure would increase to 20%.

To aid recipients in transition, they would be assured one year of daycare and one year of Medicaid eligibility after obtaining a job.

The bill would also require automatic employer deductions for legally due child support payments from the absent parent's paycheck.

Beginning in 1989, states would be given \$600 million to institute a JOBS (Jobs Opportunities and Basic Skills) program, raising that figure to \$1.3 billion in 1995.

Starting in 1994, one adult in each two-parent family would be required to perform 16 hours

a week of on-the-job training, community work or other work activities.

More reports of "Big Cat" sightings. The Waupaca County Sheriffs Department, this week, investigated the report of an attack by a large cat on a Town of Larabee farmer's pigs.

A veterinarian's examination confirmed the pigs had been attacked by what he considered to be a very large cat. An investigation of the animal's paw prints and stride marks indicated the unknown type cat to be about four feet long, weighing approximately 100 pounds. Neighboring Shawano County Sheriffs Department officials have also received sightings of a large black cat in its southern area near the Waupaca County line in recent weeks. The majority of Waupaca sightings have been in the Iola-Scandinavia area. A Shawano County driver reported a large black cat with silver markings leapt across a road in front of his car.

Early Farm Days Another Success

On Sunday, September 11, the Kewaskum Historical Society held its 14th annual Early Farm Days.

We would like to first thank all of the people who came out and helped to support the society by buying food and drinks, and donating money to

the society. Second to all of those who exhibited their early farm equipment, including Matt Harvey and Dan Naumann who did the blacksmithing, also the Kettle Country Cloggers & the Kettle Moraine Squares. Finally we would like to especially thank Bud & Dean Schmidt of New Fane, and Alvin Panzer of Kewaskum for bringing their horses and wagons to give the people free hayrides, all of their time and effort is donated, and very much appreciated.

Sunday, November 13, is our annual dinner meeting. It will

start at 11:30 a.m. with dinner at 12:30 p.m. at the Kewaskum Community Room. More information to follow. Our 15th Annual Early Farm Days will be on Sunday, September 10th, 1989.

If you have any questions or would like to become a member, please call Jake Schmidt at 338-1568 weekdays after 5:00 p.m.

Statesman classified ads really work.

Lightning Strikes Twice
The idea that lightning never strikes twice is a myth. National Wildlife magazine says that not only does lightning strike some places more than once, but some areas like Castle Rock, Colorado and Cape Canaveral, Florida are struck frequently. Upward moving air causes the frequent strikes near the Continental Divide, while converging sea breezes attract the lightning on the Florida coastline.

UWWC Freshman Orientation Draws Record Capacity Crowd

WEST BEND — Fall semester freshman orientation drew the largest group ever assembled on campus during the first 20 years of the University of Wisconsin Center — Washington County.

The capacity crowd of students, parents and spouses, completely filled the UWWC gym for dinner, necessitating a second orientation session on Sept. 8, during the first week of classes.

UWWC has a record 854 students enrolled this fall, including 382 new freshman, 41 above the previous high set in 1986.

On Sept. 9, at the end of the first week of classes, Mike Murphy, director of student services, said the campus has another new record this fall: a full-time-equivalent enrollment of 616, up from 576 last fall.

The FTE figure, he explained, provides an indication of how fully utilized a campus is. The figure is obtained by dividing the total number of credits being carried by 15 credits.

Dean Robert T. Thompson told the orientation crowd that they had made a good choice in UWWC. The campus, he said, has everything a person needs to get a good education — a strong, excellent academic program, coupled with a good faculty and staff that's easy to find and get help from.

"The only thing missing is you and what you bring," Thompson said to the students. "We all want you to be successful."

Jan Ford, associate director of student services, told students that the process of learning can be an exciting one.

"Learn to trust your teachers," she said. "They'll be able to give you the things that have relevance and meaning — things that down the road will have a real meaning for you."

Ford described UWWC as a friendly place, where students often run into friends they know and can try something new without feeling at risk.

Staff, faculty and 28 sophomore students were on hand to provide information on classes, student activities and give guided tours of the campus.

The evening orientation program was planned and sponsored by the UWWC Student Government Association and the Student Services office. For the first time, orientation included a sit-down dinner for all guests, along with professional entertainment in the form of a brother comedy-magic act.

Some start the new year with high hopes; others just start high.

BABES Program at The Council on AODA

Two members of the Prevention staff at The Council on Alcohol and Other Drug Abuse of Washington County have become certified BABES presenters. Beginning Alcohol and Addictions Basic Education Studies (BABES) is a primary prevention program designed to give children a lifetime of protection from substance abuse.

Sandy Gunderson, Prevention Specialist, and Marty Ison-Kocos, Public Information Coordinator will be facilitating the program utilizing animal puppets which are humanized to be like men, women and children we all know. The information will be presented in a factual, gentle, persuasive and non-judgmental manner.

"The lessons about self-image and feelings, decision making and peer pressure, and coping skills are a blending of actual child experiences plus the wisdom of a recovering cross-addicted friend," said Ison-Kocos. "These lessons will apply to other problem situations that our children may encounter as they grow."

Sandy Gunderson, familiar to AODA Prevention programming in all Washington County school districts, stated "We hope to be assisted in these programs by our Peer Listeners and other volunteers."

For more information on the BABES program contact The Council, 338-1181.

ETN Offers Classes For Librarians

Librarians in Washington County will be able to participate in over a dozen programs to be held at the Hartford Public Library and UWWC in West Bend this Fall.

Conducted by the Continuing Education Services of the University of Wisconsin-Madison's School of Library and Information Studies, the programs will be offered statewide through the UW-Extension's Educational Teleconference Network (ETN).

The classes and their dates are: Language Arts, Science and Social Studies K-9 Trade Books, Oct. 3 and 10; The Basics of Budgeting and Bookkeeping for the Small Public Library, October 14 and 18; Timely Topics for Small Public Libraries, five sessions, October 20 - April 13; Intellectual Freedom and Libraries Today, Nov. 3 and 10; Library Services and Construc-

tion Act, four sessions, Nov. 8-29; Health Science Online Users, three sessions, Nov. 17 - March 16; Alumni Session, November 18; Automation in the Small Public Library, Nov. 30; and A Book is a Gift You Can Open Again and Again, Nov. 30.

For an enrollment form or a catalog describing these and other ETN classes, call the University Center, 338-5204. For more information about a library program, contact Jane Pearlmuter, program coordinator, School of Library and Information Studies, 600 N. Park S., Madison, WI 53706; (608) 262-6398.

Customer to postal clerk: "It's fragile, so please throw it underhand."

WASHINGTON, D.C. -- Mrs. Barbara Bush, wife of the Vice President, recently welcomed Mrs. Eva Kasten, wife of Senator Bob Kasten, into the Congressional Wives for Bush Committee. The Committee will work to promote the Vice President's campaign among women voters.

SHERIFFS

DEPARTMENT

Clarence A. Schwartz, Sheriff

*Local Sheriff Offers Children
Back-to-School Biking Safety Tips*

"As school resumes, children will again be riding their bicycles to and from school," comments Washington County Sheriff Clarence A. Schwartz. "All too often, children — like adults — become creatures of habit and overlook simple safety precautions. I would like to ask all school children who ride their bicycles to remember a few safety tips:

- Only one person belongs on your bike. Never let a second person ride with you.
- Allow plenty of room for a safe stop. Never follow bikes or cars too closely.
- Keep both hands on the handle bars for safe steering.
- Always give proper signals. Keep a firm grip on the handle bars with your right hand and

use your left arm and hand to signal turns and stops. Arm straight out is a "left" turn; arm bent up at the elbow is a "right" turn; and arm bent down at the elbow is a "stop."

- Avoid riding your bike at night. If you must ride at night, equip your bike with a good headlight and rear reflectors. Wear light colored or reflective clothing so others can see you easily.

- Make sure you obey all traffic signals. Stop completely at stop signs, and always look both ways before starting out again.

The Sheriff explains that it's easy for children to get into a routine in traveling back and forth to school. However, he stresses that children should remind themselves — and be reminded by their parents — that practicing safety every day can save them from serious injury.

"Remember that a bicyclist is like a motorist," Sheriff Schwartz concludes. "He must be skilled like an automobile driver in handling his vehicle and should always be cautious when traveling the roads."

Schoenwetter Elected An Assistant V.P. at B.C. Ziegler Co.

B.C. Ziegler and Company, an investment banking firm, has announced that David J. Schoenwetter, registered representative in the firm's West Bend office, was elected an assistant vice president.

Schoenwetter received a bachelor of arts degree in history from St. Norbert College in West De Pere, Wisconsin. Prior to joining Ziegler in 1983, he was a teacher and coach for Campbellsport High School. He was a sergeant in the U.S. Army Reserve for six years and he is a member of the West Bend Rotary. Schoenwetter and his wife, Kathryn, have two children and reside in West Bend.

Ziegler, retirement investment specialists serving the conservative needs of America's families, is an investment banking firm that specializes in the underwriting of taxable and tax-exempt debt securities for health care institutions, retirement facilities, corporations, financial institutions and churches. The company has 29 offices nationwide.

Zacher - Vorpahl

The marriage vows of Sherry Zacher and Thomas Vorpahl were blessed during a May 7, 1988 ceremony at Holy Angels, West Bend.

Parents of the couple are Mr. and Mrs. Steve Zacher and Mr. and Mrs. John H. Vorpahl both of West Bend.

The maid of honor was Bonnie Reuwsaat, friend of the bride and bridesmaids were Donna Crass, Shelly Zacher,

Stephanie Jung, Sheryl Zacher and Jean Strobel.

Dale Schmidt, cousin of the groom served as best man, and Mike Schmidt, John Vorpahl Jr., David Jung, Lawrence Vorpahl, and Jeff Vorpahl were groomsmen.

Ushering duties were shared by Charlie Zacher, Uncle of the bride and Steven Charles, friend of the groom.

A reception followed at the

K.C. Hall, West Bend.

The bride is 1980 graduate from West Bend East High School and is employed at A.N. Ansay & Associates, Port Washington.

The groom is a 1982 graduate from Kewaskum High School and is employed at ATACO Steel Company, Grafton.

The couple reside at 2109 Barton Ave., West Bend, with their son, Kyle John Vorpahl.

Governor Thompson Proposes Cash-Balance Change to Speed Needed Highway Projects

Governor Tommy Thompson recently proposed using some of the Transportation Fund's ongoing cash balances to accelerate work on 17 major highway construction projects around the state without a tax increase.

"Using these cash balances is a down payment toward completing 'corridors 2020,' our highway-economic development plan to help Wisconsin compete in the world economy," Thompson said.

Using the cash-balance plan would speed up work on four projects already approved by the Legislature, Thompson told the state Transportation Projects Commission:

- * Highway 53, from Solon Springs to Hawthorne in northwestern Wisconsin, planned for construction in 1992-93, could instead be built in 1990-91;

- * Blue Mound Road (US 18) in Waukesha County, planned for 1992-95, could be advanced to 1990-92;

- * Rhinelander Beltline (US 8), scheduled for 1991-92, could be built in 1990-91 and

Highway 151, from Sun Prairie to Columbus, planned for 1991-93, could be advanced to 1989-91.

Adding two lanes to the West Bend Bypass (US 45), set for 1991, can be moved up to next year because the state last month received some additional federal highway aids when the federal government distributed dollars not used by other states.

Thompson said his proposed use of some cash balances is a prudent way to manage the Transportation Fund that would allow Wisconsin to capture the benefits more rapidly from the completion of economically-justified projects. He said his plan would allow the state to accelerate work on 8 to 11 projects recommended by the Department of Transportation and being considered by the Transportation Projects Commission for the upcoming 1989-91 budget:

- * River Falls' Beltline could be constructed in 1991-92 instead of 1993-94;

- * Eau Claire's North Crossing over the Chippewa River, (which would be built in 1994-95 under current financing methods), could be finished in 1992-93;

- * Highway 61/151 from

Sandy Hook to Dickeyville in Grant County could be done by 1993 instead of 1994;

- * The Fort Atkinson Bypass could be built in 1991-94 instead of 1993-95;

- * Highway 41 from Abrams to Oconto could be constructed in 1991-93 instead of 1994-95;

- * Highway 41 in Winnebago County, from WIS 114 to County OO, could be expanded to six lanes 1991-94 instead of 1993-95;

- * Highway 54 from Wisconsin Rapids to Plover could be built in 1992-96 instead of 1994-98; and

- * Highway 53 from Trego to Solon Springs could be finished in 1992-97 instead of 1994-98.

Three other projects recommended by DOT for construction were:

- * Highway 51 from Columbus to Beaver Dam, scheduled for 1991-93;

- * Highway 12 from Sauk City to Middleton, set for 1991-95, and

- * Highway 60 from Hartford to US 41, scheduled for 1991-93.

In addition, the Governor said, the financing method he is proposing would allow the Legislature to approve five other DOT - recommended projects in the next budget - over and above the 11 it would be able to name under current financing methods:

- * Highway 50, the New Munster Bypass in Kenosha County, starting in 1992;

- * Highway 51 from Merrill to County S in Lincoln County, starting in 1993;

- * Highway 29, the Chippewa Falls Bypass, with construction starting in 1994;

- * Highway 18/151, the Verona Bypass, starting in 1992 and

- * Highway 36 from Burlington to WIS 100, starting in 1994.

All of the proposed changes would be contingent upon reaching local cost-sharing arrangements wherever appropriate.

Governor Thompson said the cash-balance plan would also make available a "substantial amount of money to get the ball rolling on work we need to do now to make progress on key highway corridors like Highways 29 and 151."

DOT Secretary Ronald Fiedler said the plan would make available funding needed

to accelerate location, environmental and design work on highways included in the Corridors 2020 proposal. This will assure that plans are ready by 1993 for actual construction of substantial segments of key highway corridors like Highways 29, 41 and 151. The construction itself will require an additional \$50 million annually beginning about 1993.

Fiedler emphasized that by completing these candidate major projects earlier, resources can be concentrated on corridor development in the 1990s.

Highways 29 and 151 are key parts of the Governor's Corridors 2020 proposal announced in early August. The highway-economic development plan identified highway "economic lifelines" he said need to be improved to help Wisconsin businesses compete in national and world markets.

The Governor's cash-balance plan would free about \$20 million for additional construction over each of the next four to six years.

The current method, which has been used since the mid-1970s, focuses on when financial obligations are made rather than when the actual cash payments are made. Thompson's proposal uses the ongoing portion of the cash balance, which can be tracked on a daily basis.

Fiedler said the average cash balance in the Transportation Fund in the last fiscal year has been \$150 million, ranging from a maximum of \$200 million to a minimum of \$70 million.

The cash-balance initiative would use the portion of the cash balance which is constant - the amount not needed for current-year payout and thus available for other purposes - to speed up the major highway projects.

Another immediate advantage of the new plan would be the use of cash and the deferral of bonding already

approved. The DOT, at a recent Transportation Projects Commission meeting released its list of 35 candidate major projects showing how they ranked following this summer's public hearings. The commission will make its final recommendations to the Legislature by Dec. 1.

This year's evaluation process placed a greater emphasis on economic development-related criteria such as the project's ability to help existing businesses be more competitive, attract new business, and their relationship to the economic-corridors plan.

Other goals considered in the ranking were the project's ability to improve highway service, improve safety, minimize undesirable social or environmental impacts, and to serve community objectives.

In the Pink

In captivity, flamingos are fed carrot oil to keep their feathers pink. Ranger Rick magazine reports that carrot oil contains carotin, a chemical that gives the flamingo's feathers a pink color. Without this chemical the bird's annual growth of new feathers would be white. In the wild, a flamingo's pink color comes from the carotin in the tiny shrimp-like animals they eat.

#1 FITNESS PROGRAM IN THE USA

KHS Agriculture Students Attend 25 Years Ago Wisconsin Farm Progress Days

September 27, 1963

Over 40 members of the Kewaskum High School agriculture department attended this years Wisconsin Farm Progress Days on Thursday, September 22. The three day farm show was held near Janesville in Rock County.

Tent City, the commercial exhibit area of the show, took up over 60 acres at the 1988 show. Students were responsible for visiting various exhibitors and reporting to the class the important aspects of the exhibit and its importance to agriculture.

Other features of this years show included youth activities, farm management demonstra-

tions, family living programs, and old time machinery displays. While the wet weather cancelled all of the field demonstrations, the students had a chance to visit the host farm set-up.

The students that attended the show were: Curt Arndt, Lynn Dorzok, Scott Krueger, Paul Retzlaff, Dave Steger, Scott Volm, Steve Ramthun, Tom Batzler, Scott Berger, Brian Butzlaff, Jason Flasch, Todd Gnacinski, Steve Holl, Jeff Jeske, Matt Klug, Ken Krause, Jon McElhatton, Erik Reha, Jason Reindl, James Van Beek, Craig Amerling, Joe Jeske, Lee Kurth, Scott Limberg, Mike Ramthun, Kevin Resch, Mike Ruplinger, April Wulff, Mike Yahr, Paul Becker, Tim Butschlick, Chad Krahn, Dave Kuphal, Mike Melzer, Chris Michaels, Tim Oelhafen, Trevor Roesel, Chris Schmid, Tim Schultz, Bruce Theusch, David Brooks, Jenny Degnitz, Darrin Haeuser, Tim Herman, John Hupfer, Rick Kreif, Jeremy Lubahn, Jason Thull, Jason Walls, Buffy Reseburg. The students were chaperoned by Mr. Rizzardi and alumni members Bill Butzlaff, Steve Redig and Jeff Mueller.

Fire Chief Armin Oppermann and several members of the department were to Appleton on Wednesday to pick up and deliver the Kewaskum Fire Department's new fire engine pumper which was purchased at a cost of approximately \$28,000, including the equipment. About 50 per cent of the cost of the engine is being absorbed by the fire department itself. The pumper, ordered by the department some months ago, is a Clintonville four-wheel drive and was purchased from the Boland Truck and Equipment Company of Milwaukee. It is capable of pumping 1,000 gallons of water a minute.

In a special referendum election held Tuesday in the grade school gymnasium, electors of the Kewaskum Elementary School Joint District No. 1 approved the issuance of \$250,000 in general obligation bonds for construction of an addition to the present elementary school building in the village. The vote was 161 "yes" and 109 "no."

Homecoming festivities for 1963 will be held at Kewaskum High School on October 3 and October 4. The parade and pep rally will be held on Thursday, Oct. 3, starting at 7:30 p.m. The football game with Campbellsport will be played under the lights at 7 p.m. on Friday, Oct. 4. After the game a dance will be held in the high school gym. "Autumn Leaves" is the theme of this year's homecoming. Michael Coulter has been chosen king of the festivities by his fellow teammates. He has selected Colleen Held as his queen. The other members of the royal court and their escorts are: Seniors, Carol Bruessel and Robert Schaefer; Karen Luedtke and Robert Rossow; Laura Laghi, AFS student, an honorary member of the court and her escort Gerald Miller. Representatives from the junior class are Elaine Vetter and Hiram Justman, and Mary Nigh and Ronald Amerling. Lucile Kirchner and Ralph Bier will represent the sophomore class. The freshman class will be represented by Lois Herriges and Barry Beimborn.

Miss Diane Becker, daughter of Mr. and Mrs. Wm. Becker, Route 2, Kewaskum, and Gerald Buchel, son of Mrs. Ruth Buchel of Beechwood, exchanged vows in St.

Lucas Lutheran Church, Kewaskum on Sept. 21.

Norman Zuehlke, son of Mr. and Mrs. Elmer Zuehlke, Route 1, Kewaskum, claimed Miss Helen Kimmerling, daughter of Mr. and Mrs. George G. Kimmerling, Hartford, as his bride during a 2 p.m. wedding ceremony performed in St. John's United Church of Christ, Slinger, on Sept. 14.

A son, Timothy Carl, was born to Mr. and Mrs. Jay Van Blarcom of Garden Grove, California, on Sept. 7. Mr. Van Blarcom is a son of Mr. and Mrs. John Van Blarcom, Kewaskum.

that the store where Mr. Librizzi is employed was filled with water to the ceiling of the first floor. The Librizzi family recently transferred their residence from Milwaukee to Providence. Mrs. Kleinhans had accompanied them to assist in getting settled.

Publications on Single Parenting Now Offered At Extension Office

Making ends meet is often difficult for households with children, but single parents face a unique challenge.

A new 14 part series of publications, "Parenting On Your Own" is designed to help single parents make the most of their money and skills, cope with stress and be effective parents.

The titles include: Feeling Good About Yourself, Turning Lonely into Alone, Managing Stress, Friendship and Support, When There's Not Enough Time, Be in Control of Your Finances, Getting and Using Credit, Finding the Job You Want, Merchandising, Your Job Talents, Discipline, Providing Care for Your Children, How Divorce Affects Kids, Helping Children Adjust, and Sharing Parenting Responsibilities.

You can obtain the "Parenting On Your Own" series by contacting the Washington County UW-Extension Office at 338-4479; 644-5204 or 342-2929. The cost of the publication is \$3.45.

ONLY THE NEWSPAPER goes behind the scenes for the facts behind the events. No other medium can approach this thoroughness. The regular reader of a newspaper not only knows what's going on, but also why.

Weekly Health Tip

From Tom Kennelly

EXERCISE - LONGEVITY

Exercise lengthens your life! A study of 17,000 Harvard alumni, over a 16-year period, suggests that for every hour of exercise, these graduates lived that hour over, plus one or two extra hours. Simply walking, stair climbing, and sports that used 2000 calories a week lowered death rates 1/4 to 1/3 below that of less active persons. Heavy exercise that consumes more than 3500 calories per week, appears to have a slightly detrimental effect.

Filling your prescription is our most important work

September 30, 1938

St. John's Evangelical Church at Beechwood will celebrate its fiftieth anniversary or golden jubilee Oct. 2. Rev. Richard M.A. Gadow, pastor of the Peace Evangelical Church, in Kewaskum is also pastor of the Beechwood congregation. St. John's was established in 1888. Raymond Krahn is church president; Martin Krahn, Sunday school superintendent; Mrs. Henry Kraemer, Ladies Aid president; Norman Held, Young People's League president; Mrs. Winferd Walvoord, organist and choir director. Three services will be held in observance of the jubilee.

John Kleinhans, St. Kilian, received word from his wife, who is visiting their son-in-law and daughter, Mr. and Mrs. Jos. Librizzi and family at Providence, Rhode Island, that they are safe after the hurricane and flood which struck the Eastern states last week Wednesday. However, they suffered slight damage from the storm and water. Mrs. Kleinhans states

New Eyes for the Needy

11 year old Brendan is looking at the world through new eyes now. The fuzzy shapes are clear to him at last, thanks to an organization called New Eyes for the Needy, Inc.

Since 1932, New Eyes for the Needy has helped more than 4 million people both here and overseas — without ever asking anyone for a dime!

New Eyes receives no federal funds, and never requests a monetary donation, but because of their good work, many children and adults can see the world clearly now. A world that was a confusing place of blurry shapes and fuzzy images before.

How do they do it? By asking individuals and organizations to donate discarded metal frames in any condition, reusable plastic framed glasses and precious metal scraps such as old watches, jewelry and silverware.

Metal frames and scrap metal are sold to a refinery, and the redeemed cash is used to purchase new prescription glasses for people here in the states — people who otherwise could not afford the glasses they need to function. The plastic framed glasses are classified and sent to medical missions overseas for distribution to those in such dire need. The glasses are never sold, they are distributed to people who need and can use them.

Nothing is left to chance or to waste at New Eyes. The intact jewelry and silverware are sold at locally publicized sales where hundreds of volunteers and participants are involved. The money realized from the sales is also used to purchase new prescription glasses for our less fortunate neighbors across the country. "The great thing about New Eyes," wrote a lady from Iowa with her donation of old

Girl Scout News — Day Camp '88

Another successful and enjoyable Girl Scout Day Camp was held again this year. Girls from Campbellsport, Farmington, Wayne, Kewaskum, and a few from West Bend and Allenton attended camp at the Kiwanis Community Park in Kewaskum from July 18 to 22.

The Wau-Bun Council's theme — "Girl Scouts take the Lead!", was well construed, as the girls were "led" into many new camping skills. These included fire building, making puggy pies, knot tying, and so much more.

The older unit of 4th and 5th grade girls in Jr. Girl Scouts could say they experienced the best of Girl Scout cooking and baking. One meal included Hobo dinners, followed by a delicious cake made in "a box" — that is an aluminum foil lined cardboard box, heated with 5 or 6 gray-white charcoal, and used like an oven. (And you can believe me...the cake was delicious!).

On Tuesday, the girls made plans for an International and National Day. The idea was that the girls would learn things about other Scouts and Girl Guides from all over the world. The countries the girls were interested in were Mexico, Japan, Greece, Kenya and the U.S. The first year Brownies (6 and 7 yr. old girls) really worked hard. They learned different things about the American Indian. All the girls presented what they learned on Friday afternoon during "skits," when they took turns singing songs, teaching games, or presenting short stories in forms of rehearsed plays and puppet shows.

On Wednesday and Thursday of the week, the girls kept themselves really busy! Learning to tie-dye was found to be a lot of fun, and work. It was even harder to fit it into their schedules, since cooking sometimes took a long time. (That also took planning on their part). Yet all the girls who tried tie-dyeing learned something new and gained something new to wear...for example, beautifully designed T-shirts, scarves, blouses, and even a few pair of socks, and a pair of pants became Girl Scout originals.

Many of the Brownies took

the time to work on one of the outdoor Try-its. With the help of "Sunshine" (Lois B.), the girls made plaster of paris and created sedimentary rocks and fossil prints.

In closing, the experience at Day Camp was a learning one by doing for many of the girls. But, by volunteering as a staff member it proved to be a lot of fun and succeeded in teaching ME new things too!

Sincerely, Korky.

P.S. I hope this encourages a few new faces to help us out next year...experience not necessary; your help and talents would be greatly appreciated.

Cub Leader Basic Training Course

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will conduct a Basic Training Course for all Cubmasters, Committee Chairmen, Den Leaders, Webelos Leaders, Den Leader Coaches, their assistants and Pack Committee Members. To accommodate everyone, two options are offered: **Saturdays**, October 8, from 9:00 - 12:00 a.m., and October 15, from 9:00 a.m. - 2:00 p.m., at the Grafton Senior Citizen Center, 1665 Seventh Avenue Grafton; and **Wednesdays**, October 12, 19 and 26, from 6:45 - 9:00 p.m., at Fifth Avenue United Methodist Church, 323 S. Fifth Avenue, West Bend. Cost is \$2.50. Participants for October 15 are asked to bring a bag lunch.

Sessions on October 8 and 12 will include: Youth Protection, Cub Scouting Purpose and Methods, Pack Organization and Leadership, Activities and Resources, Outdoor Program, Rules and Regulations and Uniforming. Sessions for October 15, 19 and 26 are: Program Planning, Group sessions for Den Leaders, Webelos Leaders and Pack

Kewaskum Statesman,
Friday, Sept. 30, 1988, Page 14

Leaders, Family Involvement, God and Country, Plans for Action and the Pack Meeting.

For more information, call Training Chairman, Carol Winget 334-5703.

Webelos Leaders will also attend the Outdoor Skill Training on Saturday, November 5, from 9:00 a.m. - 8:00 p.m., at the St. Lawrence Fire Department, 4955 Highway 175. Contact Bill Yankus 644-5391, or Steve Zillmer 629-5230 for additional information.

Scout Roundtables Oct. 6 at Grafton

Adult leaders and Committee Members of the Cub Scout Packs and Boy Scout Troops of Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will gather Thursday, October 6, at 7:30 p.m., for the monthly Roundtables to be held at John Long Middle School, Fifth and Hickory Streets, Grafton.

The Cub Leader Roundtable will center their "See and Do It Show" in the All-Purpose Room. Activities will include Charades with Marilyn Haug; Finger Printing, Agnes Knapp First Aid, Carol Wingett; Magic Tricks and Puzzles, George Krueger; Rope Tricks, Cindy Balke; and Use of Tools/Tool Safety, Ron Roecker. Fran Dimick will supply a musical touch for Thanksgiving. All Packs are asked to bring Thanksgiving projects for the Idea Exchange.

Webelos Leaders will cover the Citizen and Craftsman Activity Badges.

Norman Petersen will be conducting the Boy Scout Leader Roundtable in the school library. District Executive, David Trehey, will instruct participants in the proper procedure for the new Advancement Merit Badge, Registration and Tour Forms.

glasses and jewelry, "is all the good you do with things just lying around the house. Now I have a chance to help others in a very real way — even though I have no money to spare."

And donations really do make a difference. Last year New Eyes mailed more than 250,000 reusable plastic framed glasses overseas and paid for approximately 6,000 new prescription glasses in the United States. Just last month, New Eyes received a neatly printed note from a 7 year old in Texas. It simply said, "I can see! Thank you New Eyes."

All this work is done by volunteers and people who care enough to send discarded glasses, jewelry and silverware to the New Jersey clearinghouse. You can help, too. Send your donation to: New Eyes for the Needy, Inc., P.O. Box 332, 549 Millburn Avenue, Short Hills, New Jersey 07078.

Or you can work with your church group, civic organization or fraternal lodge to conduct a collection drive. New Eyes will supply posters, sample news releases and brochures. Write to that address for more information.

For the cost of a postage stamp, you can make a difference in someone's life.

Obituaries

ROMAN D. ANDERS

Roman D. Anders, of 1643 County H, Kewaskum, died Friday, Sept. 23, at his residence, at the age of 60.

He was born Oct. 5, 1927, in Warsaw, Poland, and married Clara Newton Sept. 14, 1963 in West Bend.

He served in the U.S. Army during the Korean Conflict, and had been employed at Schneider-Vetter Glass Company, Milwaukee.

Survivors include his wife; a son, Philip of West Bend; three daughters, Kathy (Mark) Schwanke of Ripon, Patricia (Jacob) Samphere of Juneau and Lynn Anders, at home; two grandchildren, Leah and Laurene Schwanke; a sister, Marie Kerkusz of Allenton, Pa., and other relatives and friends.

Memorial services were held at the Kingdom Hall, West Bend, at 6:30 p.m. on Monday, Sept. 26, with Don Patton officiating. Cremation was held at Valhalla Memorial Park, Milwaukee.

Miller Funeral Home, Kewaskum, served the family.

EDWARD PROST

Edward Prost, 81, of Kewaskum, passed away on Tuesday, Sept. 27, 1988, at St. Joseph's Community Hospital in West Bend.

He was born on November 16, 1906 in the Town of Kewaskum, the son of the late Charles and Amelia (Kirchner) Prost.

On November 15, 1930, he was united in marriage to Loretta Pflum at Holy Trinity Catholic Church Rectory in Kewaskum.

Mr. Prost farmed for 25 years until moving to Kewaskum where he worked for the U.S. Post office for over 20 years.

Survivors include his wife Loretta; a daughter, Mrs. Beulah (Sylvester) Hawig of Chilton; three grandchildren Chris deCoster, Jeanne and Joey Hawig.

In addition to his parents he was preceded in death by three brothers Charles, Clarence and Albert and a sister-in-law Louise.

Private funeral services will be held at the Miller Funeral Home, Kewaskum, with Father Robert Berghammer officiating. Burial will be in the Holy Trinity Cemetery in Kewaskum. There will be no visitation.

SAMUEL WOOD

Samuel H. Wood, 60, of Route 1, Mount Calvary, died Saturday, Sept. 24, 1988, at his home.

He was born April 4, 1928, in Wisconsin Rapids, a son of Samuel and Rosie Crocker Wood. On Oct. 5, 1947, he married Dolores Shenk in Sparta.

Mr. Wood owned and operated Sam's Painting and was formerly employed with Brenner Tank.

Survivors include his wife;

three sons, John and his wife Sally of Van Dyne, Richard of Milwaukee, and Michael of Kentucky; one daughter, JoAnne Mielke and her husband Roger of Campbellsport; 10 grandchildren; his mother; three step-sisters, Betty Olson and Ruth Brockman, both of Missouri, and May Arnold of Kewaskum. One son and his father preceded him in death.

Funeral services were held Monday at 8 p.m. at Twohig Funeral Home, Fond du Lac. The Rev. Lee Arellano officiated. Burial followed in Estabrooks Cemetery.

Friends called from 5 p.m. to the hour of services at the funeral home.

JUDITH E. VORE

Judith E. Vore, nee Peters, of West Bend, died Saturday, Sept. 24, at St. Joseph's Community Hospital, West Bend, at the age of 48.

She was born Nov. 4, 1939, in the Town of Trenton, and graduated from St. John's Lutheran Day School and West Bend High School in 1957. After her marriage to Leon Vore at Trinity Lutheran Church, West Bend, on Aug. 29, 1959, they settled in West Bend until 1968 when they moved to their present home in the Town of Trenton.

She was employed at the Wesbar Corp. for 17 years.

Survivors include her husband; five children, Russell (Linda), Linda Vore, Barbara (Ralph) Averill and James, all of West Bend, and Ronald of Kewaskum; two grandchildren, Lucas and Jessica; her parents, Arthur and Edna Peters of West Bend; parents-in-law, Richard and Esther Vore of West Bend; a sister, Betty Flasch of Antigo; five brothers, Robert of Newburg, Richard (Adeline), William, Donald (Cindy), all of West Bend and Thomas (Rose) of Jackson and other relatives and friends.

A sister, Janet, predeceased. Funeral services were Wednesday, Sept. 28, at 11 a.m. at Trinity Lutheran

Church, West Bend. Pastor Kenneth Merckx officiated and burial was in Washington County Memorial Park.

Visitation at the Schmidt Funeral Home, West Bend, was Tuesday, Sept. 27, from 4 to 9 p.m. and at the church on Wednesday from 9:30 a.m. until time of services.

MARIE RAMEL

Marie Ramel, 71, died Thursday, Sept. 22 at Mount Pleasant.

She was born March 18, 1917 in the Town of Trenton.

She married Arno Ramel April 19, 1941 and they resided at 3443 Cranberry Road, Town of Scott. She lived in West Bend for a short time before going to Mount Pleasant.

She was preceded in death by her husband, her parents, a brother and a sister.

She is survived by one brother, Bernard (Dorothy) of Racine; five sisters, Polly (William) Gavin, West Bend, Betty (William) Cline, Evanston, Ill., Hildegard Birkholz of Fond du Lac, Rosemary (John) Drott of Racine and Jean (Carl) Berendes of Raleigh, N.C., besides, nieces, nephews other relatives and friends.

Funeral services were held at Emanuel Lutheran Church, Town of Scott at 11 a.m., Saturday, Sept. 22.

Burial was in the church cemetery.

KATHRYN DORNACKER

Kathryn L. Dornacker, nee Schladweiler, of 474 N. Main St., Hartford, died unexpectedly at her residence on Monday, Sept. 26, at the age of 32.

She was born May 27, 1956, in Hartford, where she lived all her life. She married Joseph Dornacker Sept. 23, 1977, in West Bend.

Survivors include her husband; two children, Amy and Glen, both at home; her father, Francis (Betty) Schladweiler of Slinger; her mother, Lucille (Ben) Magiera of Hartford; three brothers, Lawrence (Gayle) of Hubertus and Thomas and Kenneth, both of Hartford; two sisters, Rae Ann Schladweiler, and Marilyn Schladweiler both of Hartford; two step-sisters, Karen

(Charles) Vixmer of Slinger and Debbie (Mark) Niehoff of Port Washington; her mother-in-law, Marilyn Legate of Kewaskum; a brother-in-law, Rodney Legate of Slinger; a sister-in-law, Bonnie (James) DeWitz of Slinger, and other relatives and friends.

Funeral services were held Wednesday, Sept. 28, at 6:45 p.m. from the Matenaer-Schramka Funeral Home, Hartford, to St. Kilian Church for Mass of Christian Burial at 7 p.m. Rev. Eugene Neuman officiated.

Visitation at the funeral home was Wednesday from 3:30 p.m. until time of services.

MARTIN REILAND

Martin D. Reiland, died at the Samaritan Home Thursday, Sept. 22, at the age of 87.

Born Aug. 16, 1901, in the Town of Barton, he lived at the Reiland Homestead, which he farmed until 1970. He moved to Kewaskum after his retirement and became a resident of Samaritan in 1976.

He is survived by nieces and nephews and other friends and relatives.

Two brothers and two sisters preceded him in death.

Funeral services were held Sunday, Sept. 25, at 8 p.m. at the Schmidt Funeral Home, West Bend, with the Rev. James Strupp officiating. Burial was in St. Mary's Cemetery, West Bend.

THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gifts to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

B.K.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

State's Vehicle Emission Inspection Program One of Best in United States

The Wisconsin Department of Transportation's (DOT) Vehicle Inspection Program has been called one of the best in the country by the regional office of the U.S. Environmental Protection Agency (EPA).

Shirley Mitchell, chief of EPA's Air Planning Section, said a recent audit of the Wisconsin program "reconfirmed our perception that...the program is well designed and is being operated effectively and efficiently."

Southeastern Wisconsin was identified as a metropolitan area with air pollution levels that exceeded federal health standards. Motor vehicles are one of the major sources of air pollutants in metropolitan areas. Vehicle exhaust emissions pollute the air with carbon monoxide and hydrocarbons.

The federal Clean Air Act requires states to implement a plan to improve air quality standards. Vehicles registered in Kenosha, Ozaukee, Milwaukee, Racine, Washington and Waukesha counties are tested for excessive hydrocarbon and carbon

monoxide emissions. Vehicles must pass the test before owners are allowed to register them.

Mitchell said the audit team was particularly impressed with the knowledge and capabilities of the DOT staff and the professionalism they displayed in dealing with the public.

Robert W. Baker, deputy administrator of the Division of Motor Vehicles, welcomed the audit findings and said he feels the success is due to the public support of the program.

"The people of southeastern Wisconsin recognize that each of us plays a role in improving air quality through proper maintenance of motor vehicles," Baker said.

Baker called DOT's emphasis on education, outreach and public relations an important factor in achieving the program's goals.

Donald Dean, section chief for the inspection program, also credits efforts to increase awareness of the need for the program and to make it more convenient to comply with the requirements for the degree of

acceptance by the public.

Dean said steps have been taken to improve efficiency of the program, such as shifting inspections to less-busy times of the year, to keep waiting times at the test stations to a minimum.

"Each year since the inspection program began in 1984, vehicle emissions have been reduced, thanks to the conscientious efforts of motorists and the repair industry," Dean said.

Town of Kewaskum NOTICE OF PUBLIC HEARING For Conditional Use Permit

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Town Board at the Labor Hall located at 1230 Fond du Lac Avenue, in the Village of Kewaskum at 7:30 P.M. on October 17, 1988, to consider the application of Emil Shulka for the issuance of a Conditional Use Permit under the Town Zoning Ordinance.

Granting the permit will allow the applicant to construct a two-family dwelling in Residential A2 Zoning District upon the applicant's property located on vacant lot next to residence at 2750 Hwy. H, in the SE 1/4 of the SW 1/4 of Section 13 and NE 1/4 of the NW 1/4 of Section 24 in the Town.

Dated September 16, 1988

Barbara Hinz
Town Clerk

9-30-21

NOTICE OF HEARING TOWN OF WAYNE ZONING BOARD OF APPEALS

NOTICE IS HEREBY GIVEN that the Town of Wayne zoning Board of Appeals will conduct a hearing on the application for appeal filed by Lisa Oelhafen. The hearing will be held at 9:00 A.M. on October 8, 1988, at the applicant's property located at 6298 Beaver Dam Rd., Allenton, WI 53002.

The applicant's property is located in the SE-SW Section 33 Town of Wayne.

The appeal seeks a variance from the requirements of the Zoning Ordinance and if granted will permit the applicant to build a porch deck closer to the road than the requirements of Section 1.36(B) of the Town Zoning Code.

All interested persons wishing to comment on the appeal should appear at the hearing.

Dated August 31, 1988.

Orville Kern
Zoning Administrator

9-23-21

Minutes of Village Board Meeting

Mid-Monthly Meeting
September 19, 1988
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in Regular Session in the Council Room of the Municipal Building, 204 First Street. President Paul Blumer presided. Trustee Howard Laubenstein was absent, all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

A public hearing was conducted on the application of The Herro Company, Inc. for the parcel of property located at 1040 Fond du Lac Avenue, Kewaskum, WI. The request is for the rezoning of a portion of this property as shown on a certified survey map from B-2, General Retail Service District to R-4, Multi-Family Residence District. This rezoning would allow for the construction and placement of 2 - 16 Unit Multi-Family Buildings for the elderly and general public. Nine residents were present to ask questions regarding the proposed project. None of them were totally against the project, but had concerns they wanted addressed. A letter was received from an area resident, which indicated they were for community growth, but had concerns regarding traffic on USH 45. Mr. Lewis Herro of The Herro Company was present and described the proposed project to the Village Board and people present.

On a motion by Trustee Richard Schlice, seconded by Trustee Charles Boegel to close the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." Roll call vote was passed unanimously and the Board declared the public hearing closed.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and carried by the majority, the Board suspended the rules to address Item IX, New Business A. Discussion regarding review of rezoning request of The Herro Company, Inc. as heard at public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and carried by the majority, the Board approved the rezoning of said land as referred to at public hearing contingent upon an agreement regarding the access road, developers agreement, and utility easement. The zoning will be R-4 Multi Family Residence District vs. B-2 General Retail Service District. Roll call vote was 1 "Abstention," 5 "Aye," 0 "Nay," 1 "Absent."

Administrator Daniel Schmidt advised the Board of a review of the TIF refinancing as studied by Clayton Brown & Assoc., Inc. It was recommended that it will be more advantageous to look at the refinancing in 1989 versus 1988.

Administrator Daniel Schmidt reviewed two correspondence:

1) Mid-Moraine Municipal Association notice in reference to September 28, 1988 meeting.

2) A letter from the Wisconsin Department of Administration responding to the Village's challenges regarding the current Village census. The DOA informed the Village that a census revision is so noted and the new census is 2434 versus 2327.

Trustee Richard Schlice asked if the Police Department would monitor the skateboard situation in reference to a need for an ordinance revision. It was mentioned by another Trustee to check into the parking stall status on the North side of Clinton Street across from Shefond.

Trustee Charles Boegel asked if the Village could check into the possibility of opening the Open Saturday gym program earlier this fall.

Trustee Kenneth Bonlender informed the Board that the Library has set times and dates for story hour. It shall be from October 5 through October 26, 1988 at 10:00 to 10:45 a.m. and 11:00 to 11:45 a.m. on Wednesdays.

Trustee Mary Krueger, the County Incineration Committee Board Representative, reported that a meeting has been scheduled for September 22, 1988. The meeting is to be held at the West Bend Library Lower Level.

It was noted that the sidewalk contractor has started to move into the Village and is hopeful to finish the project on schedule.

A brief discussion was held on the recycling program and on some items that the State are making mandatory, such as yard waste (composting).

Action was taken on Resolution No. 88-15 as attached hereto:

On a motion by Trustee Kenneth

Bonlender, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board accepted the Police Chief's recommendation to hire Steven F. Seitz of West Bend as a Police Patrolman. It was noted 1 application was received from the in-house posting as called for in Chapter 4.03 of the Municipal Code.

On a motion by Trustee Charles Boegel, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board designated Sunday, October 30, 1988, from 1:00 p.m. to 4:00 p.m. as the Village of Kewaskum Trick or Treat hours. (This coincides with other Washington County communities).

President Paul Blumer informed the Board of a Proclamation prepared and published in cooperation with the Commission on the Bicentennial of the United States Constitution, do hereby proclaim September 17 as Citizenship Day and the week of September 17-23 as Constitution Week, and invite every citizen and institution to join in the national commemoration.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger to adjourn to closed session under Chapter 19.85(1)(c) and 19.85(1)(e) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction and to deliberate and negotiate the disposition of public lands. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Daniel S. Schmidt
Administrator

RESOLUTION NO. 88-15 PRESIDENTIAL ELECTION POLL HOURS

WHEREAS, the Fall Election of 1988 is mainly to elect a President of the United States; and

WHEREAS, the greatest percentage of eligible voters will vote at the Presidential Election at the Village of Kewaskum, Washington County, Wisconsin, Polls; and

WHEREAS, voters have requested longer and more convenient poll hours for the Presidential Election;

NOW THEREFORE BE IT RESOLVED, that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, will lengthen the poll hours for the Presidential Election, November 8, 1988:

BE IT FURTHER RESOLVED, that the official hours of the polls in the Village of Kewaskum, for the Presidential Election only, November 8, 1988, shall be 7:30 a.m. to 8:00 p.m.

Adopted and approved this 19th day of September, 1988, by the Kewaskum Village Board.

Paul E. Blumer
Village President
Daniel S. Schmidt
Administrator

Introduction by Trustee Mary Krueger Motion for adoption by Trustee Richard Schlice

Motion for adoption seconded by Trustee Charles Boegel
Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Valley Bank Offers Next Day Deposit Availability

Appleton, Wis. — "Valley Banks will make checks deposited to customers' checking accounts available for withdrawal far faster than the new federal regulation requires," Peter M. Platten, III, President & Chief Operating Officer, said recently. "This policy reflects our continued commitment to providing high quality financial services to our customers," he said.

Platten indicated that nearly all checks deposited at any of Valley Banks' 88 locations will be available for withdrawal on the next business day. There will be a few exceptions determined on a case-by-case basis.

A federal *regulation scheduled to go into effect September 1, 1988 requires all financial institutions to give customers next day access for certain items that are deposited such as cash, electronic transfers, and U.S. Government checks.

For most other check deposits, the regulation requires that only \$100 be made available on the next business day. Amounts over \$100 could be held from three to seven business days before they are made available, depending on the type of check and the location of the financial institution on which it is drawn.

"The regulation was written to protect consumers and businesses from having their funds held for an excessively long period," Sal A. Troia, Vice President/Operations and Treasurer, said. "But really it is not as pro-consumer as Valley's own practice of next day availability. Valley's policy is to give our customers full access to their money as quickly as possible."

Troia offered some advice for people who are not Valley Bank customers and are concerned about having check deposits available for withdrawal as quickly as possible.

Financial institutions are required to make local checks available for withdrawal faster than non-local checks. If you are not sure whether the check you are depositing is local or not, be sure to ask, Troia advised.

"Also, ask for a written copy of your financial institution's

funds availability policy," he said. Your financial institution will be required to tell you in writing when it will make your deposit available.

NEWS EXTRA...

Safety Belts: Tips for Users

It started out as a routine trip for Donna Pugh of Houma, Louisiana. Routine, until her light truck was sideswiped. According to Donna, who was eight months pregnant at the time, "My truck did a 180-degree turn before slamming into a large steel pole. Fortunately, my two-year old son, Cody, was strapped into his car seat and I was wearing my safety belt. Without our restraints, both of us would have been seriously injured or killed." Today she says, "Thanks to our belts, I now have two beautiful boys and they have a healthy mom."

The safety belts which saved Donna's life have been standard equipment on all cars sold in the U.S. for the last 20 years. Over and over, safety belts have proved to be remarkably effective in helping the human body withstand the violent impact of motor vehicle crashes. The National Highway Traffic Safety Administration (NHTSA) estimates that safety belts have saved more than 8,000 lives and prevented 95,500 injuries in just the last five years. Even more lives could be saved and injuries avoided, if belts were worn correctly and on every trip. The enactment of safety belt use laws in thirty-two states and the District of Columbia has resulted in a record number of Americans buckling up. Forty-three percent of Americans wear their safety belts regularly, and usage is even higher in states with belt laws.

Today's belt systems are easy to use and designed to offer comfort and some movement without compromising protection. The lap and shoulder belt combination, for example, is engineered to offer maximum protection so that crash forces are absorbed and distributed across the strongest areas of the body - the bones of the hips and shoulders. The shoulder belt portion is attached to a retractor mechanism that is designed to let the webbing move freely in and out, except during sudden deceleration, when it locks automatically, keeping occupants in place and preventing them from striking the dashboard, windshield or other hard interior components. Belts also prevent motorists from being ejected, a frequent cause of death or injury for people not wearing belts.

People come in all sizes and modern belt systems are engineered to adjust as necessary. However, the very features that make belt systems fit comfortably and convenient to use can, if used incorrectly, make them less effective.

The most common and dangerous form of misuse by adults, is placing the shoulder belt under the arm. This eliminates the critical protection the shoulder belt provides in keeping the upper portion of the body from pitching forward and striking the steering wheel, dashboard or windshield. Another serious mistake is locating the shoulder belt behind the back which also allows the body to pitch forward.

Excess slack is another problem. American car manufacturers have installed tension release devices which function like a window shade, enabling motorists to relieve some excess pressure exerted by the shoulder belt. But too much slack defeats the belt's purpose. The shoulder belt should be comfortable but snug across the chest. Excess slack should be eliminated by tugging on the shoulder belt, or pulling it out slightly, and then releasing it quickly.

Lap belts and the lap portion of lap/shoulder belt combinations should always be worn low and snug across the bones of the pelvis and not up across the soft organs of the abdomen. Are lap belts effective? Studies have shown that the overall fatality risk of back seat passengers is reduced by 17 to 26 percent with lap belt use. This is because people are prevented from being thrown against each other or ejected from the car. An estimated 660 lives could have been saved and 10,200 serious injuries avoided in 1987 if back seat belt use had been 100 percent. People who want to add shoulder belts for extra protection in the back seat should contact their dealers or a manufacturer's representative.

Children travelling by car have special needs, and they are protected by laws in all fifty states and the District of Columbia. These laws require small children (usually up to age 4) to ride in approved child safety seats or to use safety belts, whether they are in the front or back seat. Again, when lap belts are used, they should be placed as low on the lap as possible, under the abdomen.

NHTSA's latest observational survey found that 84 percent of children ages four and under were in child safety seats (up from 54 percent in 1985) but one-third of the seats were not being used correctly. Parents and other adults must take the responsibility and the time to make sure child safety seats are used correctly, by following the manufacturer's instructions carefully. The safest place for the child safety seat is in the back seat of the car.

In addition to proper adjustment and use, safety belts and child safety seats should be inspected periodically. Look for twisted webbing, frayed fabric and check to see if the belt is retracting properly. If the belts need cleaning, instructions can be found in the owner's manual. Check child safety seats to make sure that they are installed according to manufacturer's instructions, that the harness is adjusted properly and not twisted, that there are no cracks in the shell and that the harness and buckle are in good condition.

Safety belts and child safety seats used in a crash have been subjected to enormous forces and should be replaced. In addition, malfunctioning or poorly-functioning mechanisms, frayed belts, etc. should be repaired or replaced immediately.

Customer enthusiasm for safety and new technological developments is resulting in more and more safety features being provided as standard equipment. Manufacturers are phasing in lap/shoulder belts for people riding in the rear seats, anti-lock brakes, automatic safety belts and air bags. But keep in mind that even with an air bag, SAFETY BELTS ARE A NECESSITY. Air bags provide protection in head-on crashes, but for complete protection inside, rear and rollover crashes, and for even more protection in frontal crashes, safety belts must be used on every trip.

Safety is becoming an important consideration in the new car marketplace. Be an informed consumer who knows what safety features are available - and then take advantage of them. Donna Pugh and her sons are alive today because they were convinced that safety belts make sense and using them every trip is a habit they couldn't afford not to get into. Safety belts are a habit for life.

The names of the five great lakes can be remembered thusly: H-O-M-E-S for Huron, Ontario, Michigan, Erie and Superior.

HARBINGERS OF WINTER...Dark gray skies and Canadian geese heading south are signs that the warm days of summer will soon be just memories. It is estimated that approximately 1,000,000 geese will stop at Horicon on their migration south this year.

Statesman Photos by Gerry Mueller

WISCONSIN OUTDOORS AND CONSERVATION NEWS

Wisconsin Requires Steel Shot Statewide for Waterfowl

MADISON, WI - Wisconsin waterfowl hunters are reminded that steel shot is required for all waterfowl hunting statewide and this includes muzzleloaders for 1988, Dave Gjestson, Department of Natural Resources wildlife biologist said.

"The federal steel shot rules affecting all firearms used for waterfowl hunting was established last year (1987), but Wisconsin and other states received a one-year waiver for applying the rule to muzzle-loading firearms," Gjestson said. "That waiver expired on September 1 this year."

Waterfowl hunters are also reminded of the consumption advisory issued for waterfowl from certain areas in Wisconsin. Wisconsin Department of Health and Social Services has recommended people not eat certain species of ducks due to contamination levels of polychlorinated biphenyls (PCBs) above the U.S. Food and Drug Administration standard of three parts per million.

The advisory recommends that no one eat mallards taken from the Sheboygan River from Sheboygan Falls downstream to Lake Michigan; from the Milwaukee River from Highway 167 (Thiensville) upstream to the Lime Kiln Dam at Grafton; from Cedar Creek from the Milwaukee River up to the Bridge Road in the Village of Cedarburg; and from Milwaukee Harbor.

Also listed in the "don't eat" category are black ducks and ruddy ducks from the Milwaukee Harbor and lesser scaup (bluebills) from the Sheboygan Harbor.

Health officials also advise removing all skin and visible fat before cooking and discarding drippings or stuffing (because they may retain fat that contains PCBs) from mallard ducks from the Lower Fox River from Lake

Winnebago at Neenah and Menasha downstream to the city limits of Kaukauna and from the De Pere Dam to the river's mouth at Green Bay, and from lower Green Bay south of a line from Point Sauble west to the west shore of Green Bay.

For more information contact: Dave Gjestson - 608/266-5463.

Indians Bow to Two Rivers

In their second "away" game of the season, our Indian team traveled to Two Rivers only to suffer a 35-6 loss.

Two way player and starting quarterback Mike Heberer didn't see any action due to a sprained knee which he suffered just minutes into last week's home game. "This hurts our offensive game," commented coach Pearson. Starting quarterback was junior Brian Leitheiser who completed 7 of 12 pass attempts but also threw three interceptions in the loss.

The only bright spot in the game came on a third quarter drive by our Indians that

ended with a seven yard touchdown run by senior Joel Serwe. The extra two point conversion play was unsuccessful to end the Kewaskum scoring for the game.

Said Coach Pearson of the game, "We didn't play as bad as the score indicates."

Tomorrow night our Indians will be at home against the Sheboygan Falls Falcons. Game time is 7:30.

HON-E-KOR LADIES ASSOCIATION

On Wednesday, September 21, the closing dinner was held, ending another year's activities. The ladies had open golf, followed by a cocktail hour and a prime rib dinner. After dinner the Summer Medal winners were announced. Prizes were given these winners and many other prizes were given out for the ringer, chip ins, pars, and door prizes. The Summer Medal winners were: Class A - Betty Hallen (102), Judi Tiegelman (102); Class B - Carole Timblin (88); Class C - Kathy Wierman (101); Class D - Sandy Semler (92).

A big thank you was given Betty Hallen for the super job she did as our president this year, and the new officers were then announced with the gavel given to the new president. Next years officers will be: President - Fran Rohlinger; Vice President - Kathy Justman; Secretary - Sandy Semler; Treasurer - Judy Moede.

Carole Timblin will be in charge of publicity for Kewaskum and Doris Bohn for West Bend.

Card winners were: Bridge - Laura Mathews and Lavern Hron; Sheepshead - Faith Nanetti and Marge Bauer; Rekop - Pearl Miller and Gertie Backhaus.

SEE YOU ALL IN 1989!

Carole Timblin, Publicity

Experimental Goose Hunt at Theresa Marsh Opens Saturday

An experimental Canada goose hunt will again be held this year at the Theresa Marsh Wildlife Area in Washington and Dodge counties.

"We expect a banner year for the goose hunter," exclaimed Bill Ishmael, Wildlife Manager in the Southeast District. "The Theresa hunt is designed to allow the goose hunter to harvest more geese while maintaining harvest control. This year, hunters will have the opportunity to harvest 3,000 geese."

There are special rules that apply to the Theresa hunt. They include the following:

1. Only hunters NOT receiving a 1988 Horicon, Collins, Pine Island, or Exterior Zone Permit are eligible to participate in the Theresa hunt.

2. Participants may apply in person at the registration station, located south of State Trunk Highway 28 on North Pole Road. Permits are available between 9:00 a.m. to 4:00 p.m. September 24 - 30 and from 5:30 a.m. to 3:00 p.m. starting October 1. All eligible applicants will receive a permit while the season is open.

3. The season will open on October 1 and continue through November 19 or until 3,000 geese are harvested.

4. Hunting hours will be from sunrise until 1:00 p.m. during the open season except on October 8 when the season opens at noon and closes at 6:23 p.m.

5. All Canada geese harvested must be registered at the DNR registration station by 3:00 p.m. on the day of the harvest except on October 8 when geese must be registered by 8:00 p.m.

6. The bag is one goose per permittee for each five day period. Periods begin on October 1 or on the date of application, whichever is later. The season limit is four geese.

7. Blinds are required for hunting Canada geese on all

private property within the Theresa zone.

Ishmael added that should the goal of 3,000 geese be reached before November 19, news media outlets near the Theresa zone will be notified. For closure status questions, hunters should contact the registration station at (414) 448-2535 or the DNR offices in Milwaukee (414) 562-9500, Horicon (414) 485-3000, Plymouth (414) 892-8756 or Pike Lake (414) 644-5248.

KHS Volleyball Team Takes 2

The Varsity Volleyball team beat Plymouth last Thursday at Kewaskum. The scores were 15-8, 15-9 & 13-15. Both serving and spiking was good in all three games. The high servers were Karen Felix with 16, LeeAnn Winninghoff - 15, and Deb Donath with 11. The high spikers were Andrea Fliess, Sandy Stollenwerk, Deb Donath, and LeeAnn Winninghoff. The high scorer of Varsity was Deb Donath with a total of 11 points. The assist leader was Deb Rimmel with 11 assists. Deb Rimmel was also the save leader with two saves.

Tuesday the volleyball teams traveled to Kiel to defeat them on their parents night. The Varsity took the match in 2 games. The scores were 15-6, 5-15, and 15-6. Deb Donath did excellent in making 20 serves. Tina Weddig followed up with 15 serves. The high scorer was

Deb Donath. The assist leader was Tina Weddig. Tina was also the save leader.

The J.V. volleyball took Plymouth in all three games with the scores of 15-8, 15-9, and 15-2. J.V. finally reached their goal of serving 90% in a match. The good serves were made by Tracey Steinert, Kelly Rohlinger, and Janet Flynn. Good spiking was by Nicole Doherty and Tracey Steinert.

Against Kiel, the J.V. came back from a loss to take the match. The scores were 10-15, 15-9, and 15-5. They didn't quite reach their goal in serving again but did fairly well. High serves were Marlene Wodsedalek, Lora Delcore, Jessica Schmidt, Kim Stielow, and Shelly Kasserchert. There was a lot of spiking attempts from various people. Some of the high spikers were Carrie Krause, Jessica Schmidt, Tracey Steinert, Kim Stielow, Marlene Wodsedalek and Melissa Braun.

The freshmen played excellent against Plymouth to take the match in all three games. The scores were 15-8, 15-9, and 16-14. Good serving was by Tricia Schultz and Tammy Gundrum. Coach Hofeltz comments, "Stacey Heberer and Jackie Hintz played an aggressive game along with good sets."

Against Kiel, the freshmen won it in two games after losing the first game. The scores were 11-15, 15-8 and 15-3. Good movement was done by Tammy Gundrum, Tricia Schultz, Tammy Schmidt and Tina Schwartz. This brings the freshmen to 4 and 3.

Announce Football Fundamentals Winners

The Kewaskum JC Football Fundamentals was a huge success with 42 boys and girls competing. The weather was perfect, the help exceptional. Thanks go to the local businesses for having posters up, to the schools for announcing the event and the use of a few items and the practice field. To coach Pearson and his players for their expertise, and all the many parents that were there with support for the kids, to all the participants: your sportsmanship, it was great.

Regionals will be held on Oct. 15th at the Slinger high school practice field. First place winners attending will be as follows: Age 8: Ryan Rammer; Age 9: Kevin Martin; Age 10: Nathan Scheel; Age 11: Cory Rammer; Age 12: Rick Bartelt; Age 13: Keith Herman. Congratulations to you all, good luck at Regional.

Other winners were: Age 8: 2nd place, Paul Wiedmeyer; 3rd place: Christopher Wessing; 4th place: Ryan Martin.

Age 9: 2nd place: Andrew Laatsch; 3rd place: Robbie Schultz; 4th place: Jeremy Strassburg.

Age 10: 2nd place: Brian Butschlick; 3rd place: Luke Chesak; 4th place: tie, Jason Bartelt and Aaron Kurth.

Age 11: 2nd place Tim Kiebs; 3rd place: Ryan Radtke; 4th place: Ryan Herman.

Age 12: 2nd place: Erick Andersen; 3rd place: Shaun Fideler; 4th place: Paul Reis.

Age 13: 2nd place Adam Laatsch; 3rd place: Shawn Larsen; 4th place: Michael Marx.

Congratulations to everyone. Hope to see everyone at the 1989 Football Fundamentals.

The oldest Olympic winner was Oscar G. Swahn of Sweden who won the gold in the 1912 Running Deer team shooting competition at 64 years, 258 days. He won a silver medal for shooting in the 1920 Olympics.
