Activities began on Monday with the start of float building. Class competition began with the different dress up days with Tuesday "Pajama Day," Wednesday "Woodstock/Flower Power Day," and Thursday "Inside Out/Backward Day." Friday will be the traditional "Green, Gold and White Day."

A pep assembly will be held Friday afternoon at which time all varsity fall sports members will be recognized along with the introduction of the Homecoming Court and this year's King and

Queen.

The parade will be Friday night at 6 p.m., which will include the KHS Marching Band, several floats, convertibles as well as the football team. The Indian fans are hoping for a victory as the team plays the Kiel Raiders at 7:30 p.m.

The Homecoming dance will be on Saturday, Oct. 8 from 8 to 11:30 p.m. with music provided by "The Groove." Ticket prices are \$3.00 for singles and \$5.00 for couples in advance and \$3.50/\$6.00 at the door. Parents are welcome to attend the dance compliments of the Class of 1989. The Grand March will be at 9 p.m. with the crowning of the King and Queen immediately after.

The Class of 1989 has chosen to invite back the Class of 1984 and hope to see as many people as possible from that class at the game and dance.

Village Won't Pay for Next Year's Picnic Liability Insurance

Repairs to Existing Sidewalks Presents Perplexing Problem

By GERRY MUELLER
Statesman Staff Writer

Where do you start, how much will you do in any one period and who will pay for it were just a few of the questions that came up as the Kewaskum Village Board discussed the replacement of damaged existing sidewalks within the village.

The discussion came up at Monday night's meeting after Administrator Dan Schmidt advised the trustees that the final and last phase of the village's New Sidewalk Capital Improvements project was expected to be completed by the end of this week.

In addressing the subject of repairs, Public Works Superintendent Augie Bilgo stated, "I think you board members should seriously consider how we're going to

handle sidewalk replacement." All the board members agreed it was their understanding that once the new sidewalk installation program was complete the village's next project would be to set up a program to take care of replacement and repair of existing sidewalks and curbing throughout the village.

Everyone agreed there was a real and serious need to get such a project started and as soon as possible, but after that, no one had any specifics on how it should be handled.

Schmidt noted that in the past, replacement costs had been 100% the responsibility of the landowner if the sidewalk damage was caused by tree roots. In other instances which necessitated replacement, the landowner and village each paid

a portion of the cost.

"I personally don't think it's fair to have the taxpayers pay for all of it," said Bilgo. He noted in some areas where trees may have caused the damage, the trees themselves have been gone for as long as twenty years. "In a case like that, who's going to dig up a sidewalk and see if there's roots underneath to prove they actually did create the sidewalk problem?" asked Bilgo.

It was noted that the new sidewalk installation had been done on a shared basis, with the landowners and the village each paying a part of the cost.

Schmidt was asked how other municipalities handled the problem of sidewalk replacement costs. He said everyone else throughout the entire state

Marigold Foods Buys Kewaskum Mill

A Marigold Foods official confirmed Wednesday that the company has purchased the Kewaskum Mill property.

The official, who asked not to be identified said the purchase will be finalized October 14th. The property has been acquired for future expansion of the Kewaskum plant.

The Kewaskum Mill is already closed for business and dismantling of its storage tanks has begun.

The spokesman also stated the company does not have any plans to buy the old Sentry Foods property which it presently leases.

Self-Insurance Again Tops School Board's Agenda

By GERRY MUELLER
Statesman Staff Writer

In a special meeting Monday night, the Kewaskum Board of Education again spent more than a hour listening to another presentation on the pros and cons of self-insurance or self-funded insurance for the district's health and dental insurance programs. This time the board was addressed by Orv Behnke and Ron Schmitz of Behnke and Associates, Kewaskum.

While there were some points on which the two men agreed with in previous presentations

there were also other points on which they differed. "We're not only brokers, we would provide consultation and our expenses would be very minor," said Behnke, possibly referring to the \$60 an hour fee of another consultant. Behnke also said, "We don't agree with the idea of employes picking up a share of the premium cost. You can be sure if it were me paying, I'd make sure I would use it then and get my money's worth," he noted.

Behnke and Schmitz both agreed that the biggest [Continued on Page 2]

Peace Church to Present Dinner-Theater Production

A dinner-theater production of the play, "The Hidden Heiress," will be presented at Peace United Church of Christ in Kewaskum on Saturday and Sunday evenings, October 22 and 23 at 6:30 p.m., in the Fellowship Hall of the church. The melodrama, written by Betty A. Bettin, is a surprise-filled, two-act comedy and involves the dramatic talents of area residents of the Peace Players group. This is the first non-religious work the Players have offered since their formation two years ago, but plans now include an annual production "for fun." Rev. James Bettin is director of the Peace Players.

In the play, Becky Manthei portrays Annabel, a wealthy young orphan expected to marry Sterling, played by Dr. Gregory Ogi. Steve Romans is Sebastian, Sterling's father and husband of Stephanie, portrayed by Margaret Seideman. A London solicitor, played by Charles Petrie, brings news of a lost heiress and must face the evil cunning of Marvella, schemingly presented by Margaret McFadden. The beautiful wanderer from the Ridgeway Orphanage is Rose, played by

Shannon McFadden. Dennis Seideman completes the cast as Jack, the estate superintendent. The setting is the 1800's in the eastern United States. Period costumes and elaborate staging will enhance the semi-arena style production, which follows a complete dinner for theater-goers. Willard Gruhle is in charge of set construction.

The public is invited to attend either production, but seating is limited to 80 guests per night. Tickets for the play and dinner are \$6.00 for adults and \$3.00 for children, 10 years and under. Reservations may be made by calling the Peace Church office (626-4011) week-day mornings, or the church parsonage (626-2911) at other hours. There will be no tickets sold on the nights of the production.

POST OFFICE HOURS ON MON. COLUMBUS DAY

The Kewaskum Post Office will be closed for window service on Monday, Oct. 10 in observance of Columbus Day, a legal holiday. The lobby will remain open for lock box patrons. There will be a dispatch of mail. There will be no rural delivery.

Main Street Tattoo Wins Design Trophy

David Jaacks, operator of Main Street Tattoo, Kewaskum, won a national competition with his design of a flower and humming bird.

Jaacks took first place in the small design category at the Seventh Annual Mid-West Green Bay Tattoo Show held recently in Green Bay.

Proceeds from the show, sponsored by Tattoos By Rick of Green Bay, are donated to benefit Vietnam veterans.

The contestant displaying Jaack's tattoo artistry was Judy Mingari of the Holy Hill area.

Reading Council to Meet at Timmers

The Washington - Ozaukee Reading Council will hold its first meeting for the 1988-89 term at Timmer's on Big Cedar Lake, Hwy. NN, West Bend, on October 20, at 6:00 p.m.

The theme of the year is "The Reading-Writing Connection." Our speaker for the evening will be Dr. Mary Jett-Simpson of UW-Milwaukee. Dr. Simpson is a well known reading educator. She is one of the authors of DPI's nationally acclaimed Guide to Curriculum Planning in Reading. She is also a co-author of Storylords, a video series that teaches comprehension strategies to students. In connection with Dr. Simpson's presentation, professional books on reading-writing will be given away.

Cost for the dinner and program for members is \$11.50; non-members \$15.50; program only is \$4.00. Reservations must be received by Gerald Falkenstein, 410 W. State Street, Hartford, WI 53027, by October 14.

Cholesterol, Blood Pressure Screening At West Bend

Cholesterol screening and blood pressure measurement will be offered to West Bend area residents by the Community Health Nursing Service Cardiovascular Risk Reduction Program, in cooperation with the American Heart Association. Screening tests will be available at the Washington County Court House 432 E. Washington.

October 27, beginning at 3:00 p.m. in the Auditorium (lower level).

Blood Pressure and Cholesterol screenings will be done BY APPOINTMENT ONLY. Cholesterol screening will be done for a charge of \$5.00.

To schedule an appointment for cholesterol and/or blood pressure screening, call 338-4707 or 644-5204 or 342-2929 (toll free, ext. 4707).

drawback for the district right now is the fact that it cannot get any claims experience data from the Wisconsin Education Association which supplies the district's present coverage.

Schmitz said that data would be very valuable in both determining whether or not such a switch would be practical for the district as well as helping bidding companies to "sharpen their pencils" to come up with better quotes.

Schmitz told the board that, within the immediate West Bend/Kewaskum area, almost every employer with over 150 employees has some kind of partial self-funding.

Board member Perry Ankerson asked Schmitz if he knew of any companies which had gone back to their old form of full coverage insurance. Schmitz said of 16 companies he had dealt with, only one had gone back but, after two years, they too returned to the partial self-funded type of coverage.

Ankerson said it bothered him that the district was not

able to get any information out of the WEA. "I don't like the fact that we can't find out what we're paying for," said Ankerson. The WEA had indicated that because the district has less than 250 employees, it is pooled with other small districts and the rates are calculated on that combined pool.

Schmitz said he could only make two recommendations for obtaining the data. First, try getting the information through the State Insurance Commissioner's office or, as a last resort, join together with other districts to file a class action suit to obtain that data. Ankerson said he had hoped the idea of WEA's losing the district's business might make them more inclined to release that claims data.

Behnke said his office would like to work with a committee from the school district to gather information and look into insurance alternatives. He suggested the group be made up of three board members, two teachers and one administrator. "In order to come up with any type of plan," said Behnke, "we're going to need data."

Schmitz was asked if the district could realize any savings. "Honestly, it's tough to say what the savings would be over a full insurance plan," he stated. Schmitz did note, however, that it was possible the district could be looking at a 12% to 15% savings in insurance costs.

In other action the board approved membership in the Eastern Wisconsin and Central Lakeshore Athletic Conference Negotiations and appointed Ron Beimborn as representative.

Ankerson and board member

Don Nowak voted against the motion which will cost the district an annual fee of \$575. Ankerson felt any information the district needed could be obtained through the Wisconsin Association of School Boards, to which the district already belongs.

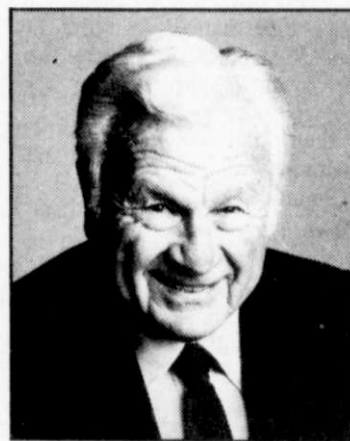

The board also approved the spending of \$23,502 for the installation of a ventilation system, upgrading of electrical systems and purchase of an electrical hook-up for the high school shop area.

The upgrading is required before the district can install and use welding equipment donated to it by the Moraine Park Technical College. At its next meeting the board will decide where the money to do the work will come from. The choice will be to either increase the tax levy or take the funds out of the district's fund equity.

The board approved the district's asbestos management plan, joining CESA 6's Media Center, short term borrowing, the purchase of a saxophone for the middle school, and the hiring of a replacement speech and language instructor.

The board also approved the construction of a new concession and press box stand. The work will be done by the Building Trades students with a major portion of the funding coming from student school organizations.

Fr. Allan Weinert, Native Son, to Lead Holy Trinity Parish Mission

Father Allan Weinert

Father Robert Miller

Holy Trinity Parish, Kewaskum will be celebrating Parish Mission Week October 9 - 13 and invites all people to join us in search for new meaning and purpose to life. The parish mission will be conducted by the Redemptorist Fathers Allan Weinert and Robert Miller. Father Weinert, a native of Kewaskum who was ordained in 1976, attended the University of Wisconsin for certification as an English teacher at the Redemptorist High School in Edgerton. He was dean of students for five years, spiritual director for a year and athletic director for a year. On Aug. 1, 1980, he joined the Redemptorist Mission Team. Father Miller was ordained in his Grand Rapids hometown in 1976. He worked in upper New York and then in Davenport served as associate pastor. He joined the Mission team in 1981.

Each assembly night is different. Symbol, ceremony and song are used to achieve the goal of each evening's presentation.

The topic on October 9 is "The Love of God" and the symbol is the Bible. The topic October 10 is "The Person of Jesus Christ" as symbolized by the Crucifix.

On Tuesday, the topic is the "Light of Christ" and the symbol will be the candle — to

let His Light shine in us and from us.

On Wednesday, Oct. 12 the topic is the "Eucharist" and the symbol is bread — Jesus is the bread of life.

A Mass will be held October 13, with the topic being the "Spread of the Gospel" and the symbol is the Altar.

Each evening service will start at 7:00 p.m. and will last about 1½ hours. A social gathering after each service will be held in the church hall.

Transportation will be available for anyone who may need a ride to the services. Please call Sharron Miller 626-2811 after 4 p.m. if you need transportation.

This renewal is meant for all people — Catholic and non-Catholic. Please feel free to come. Holy Trinity, Kewaskum, invites all people to join us in search for new meaning and purpose to life.

Students in Grades 5 and up are encouraged to participate in evening services. No homework will be assigned these grades so they can attend services with their parents. Students in Grades 1-4 will have their own mini-mission. They will participate in a prayer service each day, using the same themes that the adults will have in the evening. The Mission Team will visit the classrooms and speak to all the students as well.

Joyce Albrecht, County Home Economist Receives National Award

Joyce Albrecht, Washington County UW-Extension Home Economist, received the Continued Excellence Award in Pittsburgh, Pennsylvania on October 5 during the annual meeting of the National Association of Extension Home Economists (NAEHE).

This award recognizes Extension home economists who have been actively involved in personal professional improvement programs and in the promotion of personal development in others.

Joyce has been an active member of both the Wisconsin Association of Extension Home Economists (WAEHE) and the national group for 21 years. At the national level, she served as central regional director and as a member of exhibits, affirmative action, annual session planning, and national publica-

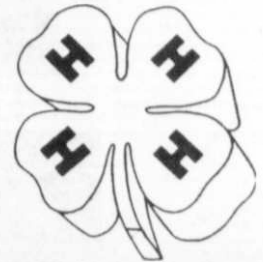

tion review committees. She was state association president in 1983-84 and has served on public relations, public affairs, credentials and annual session planning committees.

Within the past three years, Joyce has participated in both national and state association annual meetings, plus a variety of professional improvement seminars including workshops on consumer credit, housing and elderly, food and nutrition update, computer training, stress, osteoporosis, money talks for farm families, community leadership development and many others.

Joyce supervises the summer home economist each year for Washington County, and for nine months worked as a District Family Living Education Program Leader. Her undergraduate and graduate

degrees in home economics education are from UW-Stout. In 1978, Joyce received the Distinguished Service Award from the state and national associations.

As a professional home economist, Joyce feels a responsibility and commitment to be continually involved in personal professional improvement. She believes education is a lifelong process, and to be successful, she will continue to be involved in learning.

Fire Prevention Week Oct. 9-15 OPEN HOUSE HERE OCT. 13

Pictured above are our two newest additions to the Kewaskum Fire Department. The 1887, left, is used both as a fire-rescue utility truck, which in our minds, gives us a little better way to serve you, our friends and neighbors, in the Kewaskum area. 1892, right, is a 1600 gal. tanker. It is used to carry water from a reliable source (river, creek, lake, village hydrant, pond, etc.) to the fire and is used basically in rural areas.

The Week of Oct. 9 - 15 has been designated in our country as Fire Prevention Week. It was instituted as a result of a forest fire near Peshtigo, WI, and in the city of Chicago, IL, when both of these fires ravaged for days.

In the Chicago fire we note that even though at that time it was probably a so-called (Hub City) today, the fire continued on for days and even with Chicagos fire fighting equipment and manpower, a large portion of the city was destroyed. However, close to the lake front (Lake Michigan), they managed to save their water supply building, which at that time was a Godsend and today is part of a tour of Old Time Chicago. So much for history.

The Kewaskum Fire Department will again observe Fire Prevention week held Oct. 9-15, and invite you all to attend an

Open House at the fire station on Thursday, Oct. 13, from 7:00 to 9:00 p.m.

We have tried different things in the past to try to get the people of Kewaskum and surrounding area interested in this worthy cause. We also realize that nobody has a problem until it, shall we say arrives, happens, "It can't happen to me."

We as firemen feel we can help you in operating a home-type extinguisher, which in most cases, will be a 2 1/4 lb. or 5 lb. ABC type chemical extinguisher. With a hands-on demonstration be sure to attend the Open House on Oct. 13 from 7:00 to 9:00 p.m.

'Greenbush Harvest' to Be Celebrated at Old Wade House

The annual "Greenbush Harvest" will be held at Old Wade House from 9 a.m. to 5 p.m. Saturday and Sunday, Oct. 8 and 9.

The event is a reenactment of the annual fall ritual of preparing the 1850s stagecoach inn for winter, and will feature a variety of demonstrations and activities for the whole family. The dining room will be decorated with autumn leaves, berries, flowers and grasses, and the table will present a sampling of foods that might have been served at a harvest dance in the mid 19th century.

In the second floor parlor there will be demonstrations of spinning and wool processing while in the kitchen traditional harvest foods such as apple butter and gingerbread are prepared on a wood burning stove. Also in the kitchen will be examples of how a variety of garden produce was dried for

winter. Samples of freshly pressed cider will be available throughout the afternoon.

A variety of activities will be available outside for children: shucking corn to make mattress tickings, chopping and pressing apples for cider and apple butter, sack and relay races, and a petting zoo featuring young farm animals. Pumpkin decorating contests will be held both days for children 2-17.

Old Wade House and the Wesley W. Jung Carriage Museum are located on Highway 23 midway between Fond du Lac and Sheboygan. For more information contact Old Wade House, Greenbush, Wis. 53026, (414) 526-3271.

Village

[Continued from Page 1]

requires property owners to pay 100% of that cost. "We're the only ones in the state with a 50/50 program," said Schmidt, "and when they (other communities) hear about it they think it's kind of funny." "I think it's kind of nice," said Trustee Charles Boegel.

Trustee Mary Krueger had her reservations about the village paying a portion of the replacement cost. "If you start paying a portion this will be setting a precedent forever since sidewalk repair is an ongoing thing."

The board also asked Bilgo about curb replacement. "My feeling is the top priority is sidewalks." He told the board, "there are some streets where you can look down the entire length of a block and see that every section has to be replaced."

Those comments then brought up the questions where do you start and how much do you do. Schmidt told the board his feeling was to begin in the areas that have the highest pedestrian traffic and then work down from there. "You can't be jumping around doing a section here and then move twenty blocks away and do another section."

As to how much replacement should be done in any one given period, Schmidt said all the village could do was develop a program and set aside "X" number of dollars each year for sidewalk replacement. When that amount is used up, the work is suspended until more funds are available. In some years, he noted, there might be a surplus of funds which would allow us to do more than scheduled.

Board President Paul Blumer told the meeting he felt the

board had discussed the issue at enough length during the meeting. He asked the trustees to give the issue further individual thought and bring their ideas and comments back to a meeting when the issue has been placed on the agenda.

In other action, the board unanimously voted not to pick up the tab for liability insurance for next year's (1989) Firemens/Legion picnic and July 3rd fireworks celebration. This year the village paid \$1,000 for a three-day \$500,000 liability insurance policy to cover the events.

The decision came in response to the Fire Department's request that the village once again secure the coverage but this time in double the amount (\$1,000,000) and now, so it could decide on how to proceed with those celebration plans.

"I think the Legion is great," said Krueger, "but I think they should pay for their own coverage." Several board members noted they had received comments about the village's paying for the policy. "If we did it for them, then we should be doing it for the Lions and Kiwanis too," said Krueger. She asked, "Can't we have the fireworks without the beer, we're not buying the insurance for the hamburgers and soda."

Schmidt advised the board that he had been in contact with the village's insurance agent. "I have been informed that it is virtually impossible to double the coverage" said Schmidt. He also noted that the village would have to wait until March or April to get a firm commitment on something.

Trustee Tom McElhatton told fellow board members, "if those two organizations want it

(the insurance) they should buy it." He felt that, no matter which organization would handle the beer sales, it should be up to them to obtain the necessary insurance.

At the conclusion of the discussion the board decided not to cover the cost of the liability insurance. Krueger noted, however, that the village would continue to pay the cost of the fireworks. The trustees also felt the village should work with the two organizations to assist them in securing some type of insurance coverage.

In other business, the board approved the liquor license application of Lambert Boegel for Thee Avenue at 1139 Fond du Lac Avenue. It also gave Police Chief Richard Knoebel authorization to advertise for a 1989 replacement squad car.

Trustee Ken Bonlender informed the board that the library had received a \$100 donation from the Kewaskum Women's Club toward the encyclopedia fund.

Schmidt also advised the board that, according to a new regulation, the village will no longer be able to extend the deadline for the first property tax payment from January 31st, to February 28th after the year 1989.

The board then adjourned to closed session.

Kewaskum Area United Way 1988-89

Klahn - Ringwell

Kewaskum Statesman, Friday, Oct. 7, 1988, Page 8

Tom Larsen

Ron Schmitz

John and Marlene Klahn of rural Kewaskum are very pleased to announce the engagement of their daughter, Michelle Mary, to Mark Allen Ringwell, son of Ron and Diane Ringwell, also of rural Kewaskum.

Michelle is a 1986 graduate of Kewaskum High School. She is employed in the office of Kemps Dairy, Kewaskum, and attends school part time at MPTC -

West Bend for an office Systems Specialist degree.

Mark is a 1984 graduate of Kewaskum High School and a 1988 graduate of MPTC - Fond du Lac with an Automotive Technician Degree. He is employed at Serigraph, Inc., and part time at Northern Moraine Auto Body, rural Kewaskum.

A May 26, 1990 wedding is being planned by the couple.

The Kewaskum Area United Way works and meets its goals because of your neighbor—the volunteer. All of the board members, co-chairmen, and captains are volunteers who donate their time and effort to make the Kewaskum Area United Way work. During the weeks of this year's campaign, we would like to introduce you to those volunteers who ask for your contributions to support United Way Agencies. Pictured are three such volunteers.

Tom Larsen is the busy principal of Wayne and Farmington Elementary Schools. As captain of the outlying communities sector, he will be asking Wayne, Kohlsville, New Fane, Beechwood, St. Michaels, Boltonville, and Fillmore businesses to give their fair share.

Ron and Sue Schmitz co-captain the professional sector. Ron, of Behnke-Schmitz & Associates Insurance, and Sue, a native of Kewaskum and former high school German teacher, care about their community and its needs. They feel United Way is a way to pay our fair share for many services at one time.

Paul Behring, owner of Behrings Market and Homeplate Catering, spends his off hours trying to keep up with his two toddlers. Paul captains the taverns and restaurants sector. He feels it is important that the local businesses support United Way.

Thanks to these volunteers and YOU - it works - for ALL OF US - THE UNITED WAY.

History of 4-H

4-H work, as we know it, began around 1900 as a means of reaching parents with improved farm and home practices. In 1902 a few mid-western school teachers developed some crop demonstrations with their students who in turn shared their successes with their parents.

The school projects developed small groups covering a single topic such as beef, corn, gardening, and canning. By 1909 some were called 3-H clubs and in 1911 the name 4-H was finally adopted.

The Smith-Lever Act, passed in 1914, provided the financial support for the Cooperative Extension Service in which 4-H would become the youth education program.

There were corn clubs in Wisconsin as early as 1904. The first Wisconsin State 4-H Leader was hired in 1914 and the first county agents were hired about 1915.

A plan for organizing 4-H clubs was adopted. This plan called for a definite organization with the usual officers, an adult leader, regular meetings, and a series of projects. Clubs were organized in schools and rural communities under the direction of local teachers.

The first 4-H club in Washington County is generally recognized to be the Bee-Happy Canning Club, organized in 1926 by Mrs. Belle Albright with the help of Miss E. Slater, State Club Leader, an Mr. E. Byrns, Washington County Extension Agent. In 1927 the name was changed to the B-Hap-E Club. Charter members were Marie Thoma, Avis Albright, Bernice Bingen, and Rosalie and Gertrude Heindl. In 1945 the name was changed to the B-Mer-E 4-H Club.

Belle Albright was also instrumental in starting the Wayne Crusaders 4-H Club, the Happy Stitchers at Slinger, the Ever-Ready 4-H Club in West Bend, the Busy Bee Sewing Club in Farmington, the Shamrock Willing 4-H Helpers at Holy Hill, the Kewaskum Pioneers, the Happy Girls of Rockfield, and a branch of the B-Hap-E club at Newburg. Other early clubs include the Kohlsville Pioneers 4-H Club (1929), Peppy Peppers 4-H Club (1929), the Oak Grove Moonlite 4-H Club (1932), and Good Luck 4-H Club (1935).

Interest in 4-H has grown over the years. Projects in agriculture have expanded to include more than 80 diverse project areas. Currently in Washington County there are 600 4-H'ers enrolled in 20 local 4-H clubs, assisted by over 200 volunteer 4-H leaders.

CARD OF THANKS

We wish to express our appreciation and thanks to all the doctors of The General Clinic and the nurses on the second floor of St. Joseph's Hospital for their help and understanding during a trying time. Thanks also to our relatives and friends for their concern and help. Record Year for the Best Dam Bike Tour

The 1988 Best Dam Bike Tour shattered all records in its five year history with over 650 participants, and over \$200,000 raised to help fight multiple sclerosis. The Best Dam Bike Tour, the largest tour of its kind in the state is sponsored by the Wisconsin National Multiple Sclerosis Society.

This year's Best Dam Bike Tour took place on August 20 and 21. The two-day, 150 mile roundtrip tour started at MATC's North Campus in Mequon, and wound up the first 75 miles at Lakeland College in Sheboygan. Aided by perfect weather, a staff of over 75 volunteers and sponsors such as Diet Rite, Wheel & Sprocket, WMYX-FM, Super America, Purity Waters, and Curtis Ambulance, the cyclists were well cared for at every turn. Transportation sponsors included Goede Trucking, Emery Purolator, Tax-Air Freight, Inc., and Rushmore Transportation Systems, Inc.

Cyclists from all over the midwest enjoyed a great bike tour for a great cause, each raising a minimum of \$150 in pledges to fight MS. This year's top fund raisers were Mark Lindsay of Monroe (\$5,621.50), Garry Schalla of Milwaukee (\$3,136), Walter Oestreich of Greendale (\$2,354.50), Al Hoffmann of Milwaukee (\$2,000), and John Brown of Racine (\$1,970).

Since 1984, more than 1,800 cyclists have taken part in the Best Dam Bike Tour, raising nearly \$500,000. All pledges raised by the participants support Chapter Services which assist and educate over 5,000 Wisconsin residents and their families who are affected by

multiple sclerosis. Donations will also fund international research into the cause and cure of multiple sclerosis.

Multiple sclerosis is a chronic progressive disease of the central nervous system, most often diagnosed between the ages of 30 and 40. Its symptoms range from blurring of vision and poor coordination to complete paralysis. MS affects more people than cystic fibrosis, hemophilia, muscular dystrophy and myasthenia gravis combined. As of yet, there is no known cause, universally effective treatment, or cure.

Evening of Song At Cedar Ridge

Doreen Jacobs, Ripon Alumna, Receives National Award

RIPON, WI — Doreen Jacobs of Kewaskum has been named a Dorothy Shaw Leadership Award recipient by the Alpha Delta Pi national sorority.

Jacobs was one of 20 so honored for leadership by the sorority's 131 chapters across the nation. Each national chapter nominated one member for the award. Jacobs was Ripon College's chapter nominee. Jacobs was the College's 1988 commencement speaker, pulling together four years of experience into a summary speech. She was also Panhellenic Council president, an educational development peer counselor, and involved in college theater and Circle K, a community service organization.

"The award puts a capstone on my college career," said Jacobs.

Currently working as an admission counselor at Ripon College, Jacobs spent the first semester of her junior year in

Ripon, England and returned to major in speech communication and leadership studies in communication.

She is the daughter of Roger and Darlin Jacobs of 9585 Townline Road in Kewaskum, and a graduate of Kewaskum High School.

Disney Characters came alive at Farmington School on Friday, Sept. 16. As a final activity in a week long Disney Celebration, 3rd graders in Mrs. Marschner and Mrs. Olk's classes dressed like their favorite Disney characters.

To celebrate Mickey Mouse's 60th birthday, Sept. 12 - 16 was designated "Disney Week." Monday was Disney story day.

Students brought in Disney books and wrote a story about a Disney character or characters. On Tuesday, Disney "Thing" day, many items were brought in to share. Many children wore shirts, earrings, etc. showing Mickey Mouse. Imaginations ran wild on Wednesday when everyone created their own Disney character. Some unusual characters were named: Quacker Mouth Mickey and Bambo and Dumbo Duck. Snow White cupcakes were also made that day. On Thursday, Disney Song Day, Mr. Gerhartz sang Jiminy Cricket's song "I'm No Fool," with the 3rd graders. A Disney Sing Along Video was also watched. One of the big highlights of the day, Friday, was a visit from Mickey Mouse (alias Mr. Larsen). He entertained us by reading "The

Sorcerer's Apprentice" and by doing amazing magic tricks! The winners of the best Disney costumes were:

Mrs. Marschner's Class: 1 - Goofy - Nik Webster; 2 - Pinnocchio - Troy Staehler; 3 - Minnie Mouse - Sharon Albrecht.

Mrs. Olk's Class: 1 - Minnie Mouse - Toni Lecher; 2 - Flower - Nichole Shilts; 3 - Tinkerbell - Christa Chapman.

Olympic Games Held at Holy Trinity

Holy Trinity starts off their Olympic Games with a parade of nations. Pictured is grade seven, representing Greece.

Sam Schmidt hands off to Melissa Rohrer in the relay event with Allison Bruendl in the background.

The Olympic Games came to Holy Trinity Wednesday afternoon, September 28, for Grades 1st through 8th in a mini contest. As the temperature dropped and the wind blew, parents and grandparents huddled in groups to keep warm, but the weather did nothing to dampen the enthusiasm the kids had. It all started with the Parade of Nations. Nations represented in the Olympics included: Grade 1 - Japan; Grade 2 - Norway; Grade 3 - Mexico; Grade 4 - Germany; Grade 5 - Sweden; Grade 6 - Canada; Grade 7 - Greece; Grade 8 - USSR; and Faculty - USA. In the parade students dressed in costume, carried their native flags and had a banner stating their country. After students completed parading around the track, a representative from each grade, starting with Grade 1, carried the Olympic torch around the track, then handed it to the representative from the next

class. While the Olympic theme played, the torch was lit and the games began. Students signed up for events in which they wished to participate in. Events included: short relay, long relay, standing long jump, basketball free throws and softball toss. The grades were divided in two, with Grade 1 through Grade 4 competing against each other, and Grade 5 through Grade 8 and faculty competing against each other. Mrs. Gail Filzen, the Physical Education teacher, created the enthusiasm for the mini olympics and organized the events for the day. Officials for the day were helpful moms and dads. The teachers made sure that their competitors were in the right spots and ready to compete. After the games were over, gold medals were awarded to each and every competitor, since everyone was a gold-medal winner at the Holy Trinity Mini-Olympics.

The skin on your body least sensitive to pain is that on your heel.

Reserved Seating for 'No, No Nanette'

The Kewaskum High School Music Department will be selling reserved seating tickets for its fall musical on October 11, 12 and 13, from 6:00 p.m. to 8:00 p.m. in Rose Hall. Tickets will not be sold before Tuesday, October 11, and in fairness to all, telephone reservations will not be accepted. Anyone wishing to purchase the better seats should be at Rose Hall the

first night. Ticket prices will be \$5.00, \$4.00 and \$3.00. It is advised that you have several seating choices ready when you arrive to purchase your tickets. After these three nights of selling, anyone may then go to the High School during the day, beginning Friday, October 14, to purchase tickets. While this is a new procedure

for ticket sales for a High School musical, we do not anticipate any problems. However, it must be noted that all seats will be reserved and that they must be purchased at the school. If anyone has questions or wants to find out about seating availability, please call Larry Ammel at 626-2166 for further information.

Governor Proclaims Oct. 2-8, 4-H Week

Governor Tommy G. Thompson has proclaimed October 2-8 as "4-H Week" in a signing at the state capital. In his proclamation Thompson urged all citizens to "recognize the contributions that 4-H programs have made in advancing the progress of Wisconsin." Calling boys and girls "the future of our state" the governor cited 4-H for helping 150,000 Wisconsin youth learn life skills this year through 4-H projects and activities. He also praised the 27,000 4-H volunteer leaders for their efforts in working with 4-H youth. Thompson also called attention to the fact that this year marks the 75th anniversary of 4-H and the Cooperative Extension Service and credited the vitality of today's 4-H program to "the men and women of vision who accepted the challenge 75 years ago to create a 4-H program."

The 75th Anniversary coincides with the signing of the Smith-Lever Act, the legislation that paved the way for the federal Cooperative Extension Service, giving 4-H a permanent home within that

agency. According to Thompson, "the 75th anniversary commemorates the contributions of UW-Extension staff and 4-H volunteer leaders to the growth and development of one million Wisconsin 4-H alumni, including many of our top business and government leaders." There are approximately 600 youth enrolled in the 20 community 4-H clubs in Washington County, says Valerie Talsma, Washington County 4-H and Youth Agent, and they are assisted in their club work by our 200 adult volunteers. According to Talsma, despite popular belief that 4-H is an organization for farm youth, fewer than 30 percent of the county's 4-H members live on farms. Nearly 400 claim to live in small towns or subdivisions.

Animal projects remain popular with 4-H'ers says Talsma but there is a growing trend toward projects with the smaller animals. 4-H enrollments in rabbit and dog projects for example have increased in the last few years. Other popular projects include those in Home and Family Living, the Fine Arts, and the Mechanical Sciences. October is the month when many local 4-H clubs are busy recruiting new members and 4-H Week provides a focus for their activities, says Talsma. Many clubs have put up displays promoting their clubs and activities in window space provided by local businesses. 4-H is open to all youth ages 9 (or in third grade) to 19. To find a 4-H club near you call the 4-H Office, UW-Extension at 338-4478, 644-5204, or 342-2929.

Obituaries

RAYMOND P. BRATH

Raymond P. Brath, of the Cedar Lake Home Campus, West Bend, formerly of Iron Ridge, died Friday, Sept. 30, at Community Memorial Hospital, Menomonee Falls, at the age of 75.

He was born Aug. 29, 1913, in Ashford, and married Rosemary T. Simon May 29, 1943, at St. Martin's Church, Ashford. She died March 3, 1970.

He lived at his place of birth for 39 years, farmed for a while and later was employed at the Mayville White Lime Works.

Survivors include five sons, Gerald and Joseph, both of Kewaskum, Francis of Watertown, Tony (Jean) of Iron Ridge and Martin (Cathy) of Hartford; four daughters, Cecile (Robert) Pfeifer of St. Lawrence, Dorothy (Niles) Erickson of Green Bay, Donna (Karl) Neumann of Cedarburg and Cynthia (Jeff) Hammes of Elk City, Idaho; 17 grandchildren; two brothers, Al and Mike, both of Campbellspport; three sisters, Paula Fleischman of Lomira, Mary (Steve) Rahn of Kewaskum and Betty (Sylvester) Jacak of West Bend; and other relatives and friends.

A Mass of Christian Burial was held Monday, Oct. 3, at 10:30 a.m. at St. Mary's Church, Woodland. Rev. Martin Gloudeman officiated, and burial was in the church cemetery.

The Matenaer-Schramka Funeral Home, Hartford, served the family.

EDWARD DeBANO

Edward A. DeBano, of West Bend, died Wednesday, Sept. 28, at the University of Wisconsin Hospital, Madison, at the age of 59.

He was born Dec. 6, 1928, in West Bend, graduating from West Bend High School in 1946. Shortly after his graduation he entered the U.S. Army, serving in the Occupational Forces in Japan.

After his discharge in 1948, he returned to West Bend, where he married Jeanette Wilde at Holy Angels Church on Sept. 9, 1950.

He was employed at the Wisconsin Electric Company for 34 years, retiring in July 1988.

Survivors include his wife; three children, Jean (Jeff) Ott of Kewaskum, Edward J. of Appleton and Mary (Kim) Rodenkirch of Campbellspport; two grandchildren, Peter and Karen Ott; two sisters, Florence (Al) Dearing of Wauwatosa and June (Ned) Mineur of Clinton, Md., and other relatives and friends.

He was a member of the IBEW.

Funeral services were Friday, Sept. 30, at 8 p.m. at St. Frances Cabrini Catholic Church, West Bend. Fr. Leo Lambert was the celebrant and burial was in Holy Angels Cemetery, on Saturday.

Visitation at the church only was Friday from 4 p.m. until time of services.

The Schmidt Funeral Home, West Bend, served the family.

ARTHUR MANTHEY

Arthur Manthey, 78, of 328 N. Elm St., Campbellspport, died Monday, Oct. 3, at St. Agnes

Hospital.

He was born May 10, 1910, in Mayville to Edward and Maria Rohshnieder Manthey and was married to Margaret Schrauth on July 17, 1943, at St. Matthew's Church in Campbellspport, and continued as a member of that church.

Mr. Manthey was employed by Stella Cheese for 34 years in Campbellspport and retired in 1975. He served in the U.S. Army during World War II. He was a member of American Legion Post in Lomira and the Campbellspport Veterans of Foreign Wars Post and Senior Citizens. He was a member of the Teamster union.

He is survived by his wife; one daughter, Judith Jordan of Campbellspport; two grandchildren; two brothers, Edward of Mayville and Lawrence and his wife Jane of Sheboygan Falls; and one sister, Laura and her husband John Borchardt of Beaver Dam. He was preceded in death by a son-in-law, six sisters and three brothers.

Visitation was Wednesday from 4 to 7:30 p.m. at Twohig Funeral Home in Campbellspport.

Funeral services were held Wednesday at 8 p.m. at St. Matthew's Catholic Church, with the Rev. Jeffrey Gartman officiating. Burial took place Thursday morning at St. Matthew Cemetery.

KATHRYN H. HUBER

Kathryn H. Huber, nee Schoofs, of the Cedar Lake Home, West Bend, died at the Cedar Lake Home, on Saturday, Oct. 1, at the age of 98.

She was born May 10, 1890, in Kewaskum, and attended Holy Trinity Grade School. After graduation from Kewaskum High School in 1908, she taught in the Washington County School System until 1912 when she joined the U.S. Postal service becoming a full-time clerk in December 1912.

After her marriage to Joseph

J. Huber on Nov. 23, 1921, she joined her husband in 1935 in operating the West Bend News and the News Print Shop. Upon the death of her husband on May 18, 1937, she became publisher until the sale of the paper to the Post Corporation in 1969.

It was the longest tenure of a publisher in the 134-year history of the News. Under her leadership, the News became one of the leading weekly newspapers in the state, and converted to a twice-a-week issue paper in 1953.

Survivors include a son, Joseph F. (Winifred) of West Bend; four grandchildren, Joseph J. (Linda), John M. (Susan), David J. and Lisa (William) Johnson; five great-grandchildren, Scott, Kate, Amanda, Annake Huber and Laura Johnson, and other relatives and friends.

Preceding her in death was a son, Mark W., who had been the general manager of the West Bend News, on Jan. 10, 1972, and daughter, Barbara, in infancy.

She was a member of the Christian Women's Confraternity, National Society of Catholic Foresters, Lt. Ray Dickop Post 36 American Legion Auxiliary, West Bend Women's Club, charter member of St. Joseph's Community Hospital Citizens Advisory Board, and a member and past secretary of the West Bend Vocational and Adult Education Association.

Funeral services were held Wednesday, Oct. 5, at 10 a.m. at the Schmidt Funeral Home, with a Liturgy of the Resurrection at 10:30 a.m. at St. Frances Cabrini Church. Burial was in Holy Angels Cemetery.

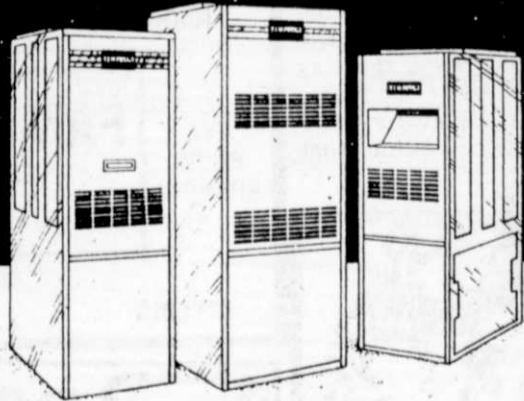

Visitation at the funeral home was Tuesday after 4 p.m., with a prayer vigil at 8 p.m.

THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gifts to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

25 Years Ago 50 Years Ago

In a business transaction completed last week, Mrs. Gertrude Schultz, proprietress of Schultz's Village Inn on Fond du Lac Avenue sold her restaurant business to Mrs. Ruth Campbell of Route 2, Kewaskum, who took possession of the business Oct. 1. Mrs. Campbell will continue to operate the business under the same principles and with the same help for the present. She has been employed as a waitress by Mrs. Schultz for the past 2½ years and is well qualified to take over the restaurant. The new owner extends a cordial welcome to the public and invites their patronage.

Trinity Lutheran Church of Waukesha was the scene of a nuptial ceremony on Sept. 28, during which Miss Jane C. Olshefske, of Waukesha, became the bride of Richard L. Romaine, Monroe, son of Mr. and Mrs. E. M. Romaine of Kewaskum.

A son was born to Mr. and Mrs. Ralph Raether, Route 2, Kewaskum, Sept. 26. A son was also born to Mr. and Mrs. Gerald Thompson, Kewaskum, on Sept. 29.

Kewaskum is a greatly improved little city at night since last Monday when the new ornamental street lighting system brightened up the streets for the first time. Kewaskum's Main Street and Fond du Lac Avenue are dark no more at night but as light as day under the new standards. That is up until midnight when over half of the lights are switched off. Plans are now being made to hold a big street carnival and celebration later on in the village in honor of this major improvement to its streets. The celebration may not be held until spring because the weather might be quite cold for such an event at this time of year.

John H. Martin, rural mail carrier out of Kewaskum, retired on pension with the close of business on the last day of September after 33 years and two months of service. Arnold Bier is serving as temporary carrier on Mr. Martin's route until a permanent one is appointed.

While assisting in the cutting of corn at a neighbor's place at Wayne Tuesday, Wendel Petri of that village, accidentally suffered pain-

ful injuries when the heavy wheel of the corn binder passed over his right leg. He sustained bruises about his hip and leg to such an extent that it was necessary to be removed to St. Agnes Hospital in Fond du Lac for treatment.

Miss Elizabeth E. Tunn, daughter of John Tunn of New Prospect, and Alex Kuciauskas of Route 2, Campbellsport, were united in marriage on Oct. 5.

Mrs. William Firks, 78, nee Wilhelmina Kumrow, a beloved resident of the Village of Kewaskum, passed away at her home on Oct. 4, after a lingering illness of about six months.

Mrs. Julius Glander, 63, mother of Mrs. Henry Weddig of this village passed away at her home in the Town of Scott, on Oct. 3, following a stroke suffered on Sept. 30.

Daily Opening for Waterfowl at Sunrise, Not 1/2 Hour Before

MADISON, WI — Hunters comparing the opening times for 1988 small game seasons and waterfowl seasons will find that the small game seasons this year start one-half hour before sunrise as during past years, but the 1988 waterfowl season will open at sunrise. The correct small game hours are listed in the 1988 Hunting Regulations pamphlet, but the pamphlet incorrectly states that the times also apply to water-

fowl hunting. This year the waterfowl daily opening is at sunrise. The table listed in the 1988 Hunting Regulations Pamphlet should have 30 minutes added to each day to determine the sunrise opening time. The timetable listed for waterfowl hunters in the 1988 Migratory Waterfowl Regulations is correct. The first day of the season, Oct. 8, will begin with a noon opening.

Ducks Unlimited Ladies Chapter Plans Banquet

The Washington/Ozaukee Counties Womens Chapter of Ducks Unlimited has chosen October 20 as the date for the annual banquet. It will be held at the Dillon Inn in West Bend. Committee members are busy collecting door prizes and planning the evenings activities. Included are many door prizes, drawings and raffles. The highlight of the evening is a live auction featuring limited edition prints, artwork and carvings by well known artists. This year, four guns will also be won. The price of a ticket includes dinner and a one (1) year membership in Ducks Unlimited as well as a subscription to the beautiful Ducks Unlimited magazine.

There will be an early bird drawing for a diamond and pearl necklace. This drawing will be for those persons who purchase their tickets prior to October 1.

For further information, call Wendy Corlette at 675-2289. Seating is limited to 150 so make your plans now. Join us for a fun evening and help support Ducks Unlimited. All profits go to Ducks Unlimited to promote and preserve our North American waterfowl and wetlands habitat.

Education Fair at UW-Fond du Lac

A Wisconsin Education Fair will be held at the University of Wisconsin Center - Fond du Lac on Thursday evening, October 13, from 6:30 to 8:30 p.m. and Friday morning, October 14, from 9 a.m. to noon. This program, held in the Physical Education building, will provide an opportunity to obtain information about the program from more than 100 different post-secondary schools.

Representatives of community colleges, universities and colleges, vocational-technical schools, trade schools, and the military will be present to talk about various educational opportunities. No formal sessions with college representatives will be held; rather, students and parents will be free to move about the area, spending as much time as they wish with the individual representatives.

Financial aid counselor, Ken Cook from UW-Oshkosh, will be making four presentations on the financial assistance that is available to students as they seek education and training beyond high school. The presentations will be held on Thursday at 7 and 7:45 p.m. and Friday at 9:30 and 10:15 p.m.

Modeled after the successful national college fairs, which are held annually in many large cities, this program has replaced many of the college nights which were formerly held at local high schools. According to the sponsoring state organizations, this will be the best single opportunity to get needed information from the many sources present at this program. It is recommended that parents attend the fair with the students for a more successful interaction between parents, students and college representatives.

More information is available from high school guidance counselors or the Office of Student Services at the UW Center - Fond du Lac.

Voice of Democracy Scholarship Program

"Preparing For America's Future" is the theme of the 42nd annual Voice of Democracy scriptwriting program being sponsored locally by Kettle Moraine Post No. 8339 and its Ladies Auxiliary.

The voice of Democracy Scholarship Program, open to 10th, 11th and 12th grade students, offers local, district, state and national recognition and awards with the top national award being a \$16,000 scholarship.

Post Commander Kenneth Schaefer and Auxiliary President Alice Black urge students interested in participating to contact Dietrich or Dorothy Otto, 1594 Cloverland Drive - Rt. 1, Campbellsport, Wis. 53010 (Co-Chairman of the Voice of Democracy Scholarship Program).

Students win far more than awards and scholarships when they participate in the VFW Voice of Democracy Scholarship Program. Some of the fringe benefits are increased self-confidence and poise, experience in communicating with others and valuable training in self-expression. For the state winners, there is also the broadening experience of a five-day tour of Washington, D.C., and the opportunity to make lasting friendships with the other state winners. In addition, there are awards by the District and Local VFW Posts and their Ladies Auxiliary.

In the forty years that the VFW and its Ladies Auxiliary have been involved with the Voice of Democracy Program, more than 5,000,000 high school students have participated. Last year there were 300,000 young people from over 8,000 public, private and parochial schools participating in the national program. Participants write and then tape-record a three-to-five minute broadcast script expressing their views on "PREPARING FOR AMERICA'S FUTURE." From among the state winners, nine national winners are chosen to receive a total of \$42,500 in scholarships.

One of the greatest benefits to young people who take part in the program is that by thinking, writing and speaking up for their country, they gain a better appreciation of their obligation to maintain "America's Future."

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

Payments to Begin for USDA Drought Aid Programs

WASHINGTON, Sept. 22 — Secretary of Agriculture Richard E. Lyng announced that producers may begin receiving drought aid payments at Agricultural Stabilization and Conservation Service county offices.

The aid was made available by the Disaster Assistance Act of 1988 which was signed Aug. 11 by President Reagan.

Lyng reminded livestock and crop producers to organize their production data and evidence in advance to speed payment for qualified drought-related damage.

"ASCS will administer the programs for the Commodity Credit Corporation and everything will be in place by the end of September," Lyng said. "The forms, regulations and procedures, computer software, and training of ASCS employees are nearing completion."

Program details will be published in the Federal Register, Lyng said.

VOTING BY ABSENTEE BALLOT

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where the person wishes to vote at least 10 days before the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, a written request, signed by the voter which indicates that the voter resides within the municipality, will be honored. Written requests may be made beginning six months before the primary election. The deadline for receipt of the written request by mail is 5:00 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 5:00 p.m. on the day before the election.

If the absentee voter resides in a nursing home, the absentee ballot will be delivered to the nursing home by two special voting deputies appointed by the municipal clerk. The special voting deputies will present the absentee ballot to the voter and provide assistance in marking or punching the ballot if necessary. At the request of an absentee voter a relative may provide the assistance. After voting at the nursing home is completed, the special voting deputies will return the absentee ballot to the municipal clerk.

With one exception, the voter who wants to cast an absentee ballot, must make a separate written request before each election. If a voter is indefinitely confined to his or her home or a care facility because of illness, age, or disability, the voter need not make a request before each election. There is a special statement on the application form which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the voter before each election if he or she is indefinitely confined. If the indefinitely confined voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can obtain a ballot.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available thirty (30) days before the fall elections and three weeks before a special or the spring elections. The municipal clerk keeps a public record of all individuals requesting an absentee ballot indicating when the ballot is requested, sent, and returned to the municipal clerk.

An absentee ballot can be voted at home any time after it is received in the mail. An absentee ballot can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the certificate-affidavit is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the person providing the assistance must sign the statement on the back of the ballot which provides that the person giving assistance marked the ballot as directed by the absentee voter. The municipal clerk will make sure that the certificate-affidavit is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in the possession of the issuing municipal clerk in time for the clerk to deliver the ballot before the polls close on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot received after the polls close or any absentee ballot where the certificate-affidavit is not properly completed cannot be counted.

To obtain an absentee ballot send a written request to:

DNR Department of Natural Resources Southeast District Headquarters

The Department of Natural Resources is conducting a firewood sale on the Kettle Moraine State Forest, Northern Unit according to Larry Baer, Southeast District Forester.

The sale will begin at 8:00 a.m. on Monday, October 10.

Forty permits will be available on a first come - first serve basis from two areas within the forest. Each permit is for two standard cords or tops of other down wood within the boundary and will cost \$60 per permit. A standard cord is four feet high by four feet wide by eight feet long. Permits are available at the forest headquarters, located on Highway G, north of Kewaskum.

"The sale will be administered on the honor system," according to Baer. "Permit holders will be expected to terminate cutting after they have taken two full cords."

Other conditions that will apply are:

- * Even numbered permits must cut and remove wood on even numbered days; Odd numbered permits must cut and remove wood on odd numbered days.

- * There is no cutting of standing trees.

- * Permit periods will run from October 10 through November

18 and from November 22 through December 18. No cutting or removing of wood will be allowed after December 18.

- * Access to the wood will be permitted by pick-up trucks and

all-terrain vehicles. However, the forest superintendent has the discretion to limit the use on bridle trails.

Baer recommended that all wood should be removed the day it is cut. "We won't be responsible for any loss of wood," he added.

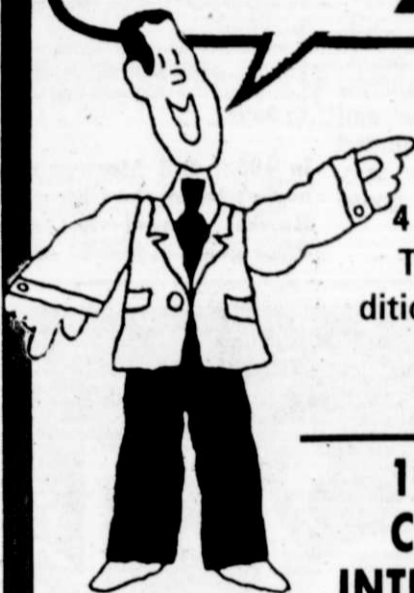

The tracts are located in the Town of Mitchell, Sheboygan County and the Town of

Kewaskum, Washington County. Additional information and a detailed perspective is available from the forest headquarters by calling (414) 626-2116 or Baer at (414) 895-8756.

If you need a trivet for a hot pot, wrap some foil around several thicknesses of newspaper.

Trophies Get Loving Care

To be rescued: Dusty Rock River league baseball trophies.

What to do with old tarnished trophies has been a problem every since Geo. Washington won the Potomac coin toss.

Up steps the Rock league's benevolent Oldtimers' association that is decorating one classroom at the historic Limestone school building at Mayville with its "Wall of Fame."

All sorts of memorabilia are on display at the Wall, including league posters, Hall of Fame member pictures, plaques, special awards, Rube Schuster's pro contract, a few trophies.

One poster lists the All Star Game roster at Clyman in 1940; another announces the "You" All Star Southern Division Game" of 1958.

But team and individual trophies and championship pennants are needed by the dozens to give the wall full historical significance.

Oldtimer Pres. Carl Heimerl, Jackson, says, "We'll take anything that we can dust off with tender loving care and fill this first on the way to all four walls."

Oldtimer association members will be at the Limestone Museum from 9:00 a.m. to 5:00 p.m. this Saturday, Oct. 8, during Mayville's Audubon Days celebration to show their Wall of Fame and to accept for safe keeping there any trophy or other item.

The public is cordially invited, and many - old and young - will recognize a relative, who has played in the 59-year-old Rock, in a picture or printing from way-back-when.

Indians Drop Another Football Game to Falls

The Kewaskum Indians just can't seem to pull it all together, this time losing on their home field to the Sheboygan Falls Falcons by the score of 35-0.

The Indians, who were scoreless throughout the first three quarters of play, finally moved the ball down field to score, only to get the touchdown called back due to a holding penalty. The "almost" touchdown came on a beautiful pass from Brian Leitheiser to Mike Ciriacks. All looked great to Kewaskum fans until flags flew and the touchdown was called back. Kewaskum then failed to score and

soon after the game ended.

Sheboygan Falls had an excellent first half, scoring 14 points in the first quarter and 21 points in the second. Although the Indians held Sheboygan Falls scoreless in the second half, they still had more than enough to win the game.

This Friday's Homecoming action features our Kewaskum Indians against the Kiel Raiders. Game time is 7:30 p.m. with pre-game activities, including the honoring of our 1983 Eastern Conference Championship Team, starting at 7:00 p.m.

KHS Volleyball Team... Winning and Losing

On Thursday, Sept. 29, the Volleyball team traveled to Two Rivers to try to take a victory. The Varsity had a slow start and lost the first two games 10-15 and 13-15. Their great skills brought the victory of the last game 15-9. The high servers were Tina Weddig, Karen Felix, Mandy Schmidt, Debbie Donath, LeeAnn Winninghoff, and Sandy Stollenwerk. Great spiking attempts were made by Mandy Schmidt and Winninghoff. The high scorer was Winninghoff, the assist leaders were Deb Rimmel and Weddig. Tina was also the save leader of the night. This brings Kewaskum Varsity to 6-3.

Tuesday the Varsity played New Holstein at Kewaskum. The scores were 16-14, 15-10, and 15-5. Good serves were made by Tina Weddig, LeeAnn Winninghoff and Debbie Donath. The high scorer was tied between Donath and Karen Felix. The assist leader was Jenny Schneider and the save leader was Weddig.

The J.V. played a tough game in Two Rivers and took the match in three games. The scores were 16-14, 15-5, and 15-6. They once again reached their goal of 90% serving. The high servers were Tracey Steinert, Marlene Wodsedalek, Mary Jo Breit, Patti Aupperle, and Janel Flynn. J.V. also had many spiking attempts, some of which were made by Nicole Doherty, Carrie Krause, and Wodsedalek.

Tuesday, the J.V. started off slow but took the match in two games. The scores were 6-15, 15-10, and 15-11. The J.V. was out to beat New Holstein and worked hard to prove it. The high servers were Nicole Doherty, Janel Flynn, Marlene Wodsedalek, and Mary Jo Breit. Excellent serves were made by Doherty, Melissa Braun, Jessica Schmidt and Carrie Krause.

The freshmen played a tough game also with the scores of

4-15, 15-13, and 8-15.

Thursday, Oct. 6, the volleyball team has a bye.

Bag Limits for Some Geese Omitted from Regulations Pamphlet

The bag limits for geese, other than Canada geese, were omitted from the 1988 regulation pamphlet, Department of Natural Resources wildlife management officials said today.

The bag limit for all other species of geese for the entire state is a total of five, to include no more than two white-fronted geese and not more than the established daily limit for Canada geese or its subspecies during the open season on Canada geese.

The season dates for other species of geese (blues, snows, white-fronted, etc.) runs concurrent with the Canada goose season in each goose zone.

Steel shot is required while hunting all ducks, geese, brant, coot and gallinule, but not for hunting woodcock, snipe and rails. Hunters are reminded that to hunt Canada geese, they must obtain a Canada goose permit.
