### Bonnie Lane Residents Seeking Annexation

## Village Board Approves Wessing Rezoning Request

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Village Board unanimously approved the request of James Wessing to change the zoning for the parcel of land west of Fond du Lac Avenue, known as the Ideal Land subdivision.

The ordinance approved Monday night changes that zoning from R-3 duplex, to an R-1 single family and R-4 multi-family residence district. That change will affect thirteen lots, of which eleven will be zoned single family and two multi-family. One multi-family lot is suitable for the construction of an 8-10 unit building and the other lot is large enough for a sixteen-unit building, however, no definite plans for either of

those lots has been developed.

During the public hearing on the request there were no objections raised. Trustee Mary Krueger, who made one of only a few comments, noted that the project would be an asset to the village.

In other business the board unanimously approved the request of Parks Committee Chairman Tom McElhatton to draw up a "Letter of Agreement" for financial support of the Kewaskum Softball Association's proposal to build a concession and multi-purpose building at the diamond in Kewaskum Kiwanis Park.

Village Administrator Dan Schmidt advised the board their action was only to approve going to the village's attorney

and have the letter written up. "We'll be bringing that letter back to you for final approval," said Schmidt.

McElhatton said the association is asking for financial assistance to pay for materials only to build the structure, with all the work to be done by volunteers. The \$15,000-\$20,000 cost of the building will come from parks development funds and will be repaid to the village from proceeds earned by the association which will operate and maintain the stand.

The board also approved McElhatton's request to advertise for summer Parks Department help. McElhatton noted his request was early this

## School District Finance Committee Looking at Big Ticket Items

### Recommendations Could Have Substantial Impact on Budget

By GERRY MUELLER  
Statesman Staff Writer

If the Finance-Transportation-Buildings and Grounds Committee recommends only a portion of the items it reviewed at its meeting Monday night and the Kewaskum School Board approves them, the district could see a big jump in unbudgeted expenditures for the 1989-90 school year.

In addressing the committee chaired by Clara Trapp in the absence of Chairman Donald Nowak, District Administrator Dr. David Heather said, "I'm trying to get a line on if we should hold the line on the budget or if we can go up say 1%."

While some of the items reviewed were part of the district's "Five Year Plan," others were not. Four asbestos removal projects at the various schools all carried hefty price tags, ranging from a high of over \$56,000 at the Wayne Elementary School, to a low of \$6,664 at Farmington.

Of those projects, the one discussed at greatest length was the Wayne School ceiling. Buildings Superintendent Fred Boehlke was asked if there was any HERO (the state mandated program) deadline for the removal or re-encapsulation of asbestos at Wayne. He indicated the work should be done by 1991. Committee

member Irene Gnackinski said, "If we have until 1991, leave it go then." That project along with the other three continued to be discussed.

"Maybe you want to give us a blanket sum of money and we'll do as much as we can," said Heather. Trapp asked "What's a blanket." Heather replied "\$20,000 and that's a bare amount." "We could get a few things cleaned up is all. If you put in \$25,000 you could clean up the asbestos at Farmington and Kewaskum Elementary." (Except for the floor tile and furnace deck at KES.)

On a 3-1 vote, Trapp, Gnackinski and John Spoerl voting yes, Perry Ankerson voting no, the committee agreed to recommend to the School Board that \$25,000 be added to the budget for asbestos abatement at the two schools during the summer of 1989.

Another big ticket item which got the nod of approval, was installation of classroom walls for the Middle School and Farmington. After hearing the comments of KMS principal Stephen King and FES principal Tom Larsen regarding the need for the walls, to eliminate noise, Gnackinski motioned to recommend to the School Board that the work be done at an estimated cost of \$46,000. Gnackinski, however, had to

coax a second out of fellow committee member John Spoerl who voiced his hesitance in adding another big expenditure into an already overburdened budget. "We can keep

## Candidates Draw Ballot Positions

By GERRY MUELLER  
Statesman Staff Writer

Candidates for the Kewaskum Village Board drew by lot for their spots on the spring election ballot Monday night.

For Village Board President, Donald Hlavaty will have the first slot followed by incumbent Paul Blumer in the number two position.

For Village Trustee, the candidates will be listed as follows, first incumbent Kenneth Bonlender, second incumbent Mary Krueger and Vincent Groh in third position.

For the Board of Education election, incumbent Clara Trapp will be listed first, followed by John Schulte, second and Paul Seymour third on the ballot.

First time candidates Schulte and Seymour will be challenging Trapp for the two positions which will be open on the school board.

## Weekend Accidents Kill Lomira, Kewaskum Men

By GERRY MUELLER  
Statesman Staff Writer

Two separate accidents over the weekend claimed the lives of area men. The first, a single car accident, occurred early Saturday morning taking the life of Patrick D Vander Grinten, 24, of W158 Oak Drive, Lomira.

According to the Washington County Sheriff's Department report, Vander Grinten was northbound on Highway 41, at approximately 3:10 a.m., when his car left the road on the right side near the intersection of Highway 41 and Skyline Drive in the Town of Wayne, traveling into the ditch where it struck a culvert and rolled onto its roof.

Witnesses told police the Vander Grinten vehicle had swerved at least once before the accident occurred. The victim was alone in his car.

Vander Grinten was transported to St. Joseph's Community Hospital, West Bend, where he was pronounced dead. According to the police report, Vander Grinten was not wearing his seatbelt.

A second accident, Saturday afternoon, claimed the life of a Kewaskum man and injured his wife and the driver of the second vehicle involved in the

crash.

According to the Washington County Sheriff's Department, Edwin C. Nelson, 55, of 1119 Roseland Drive, Kewaskum, died as the result of injuries suffered in that Town of Erin accident.

The report on that accident said Nelson was traveling north on Highway 83, when a southbound vehicle driven by Timothy J. North, 34, of Cascade, apparently crossed the centerline striking the Nelson vehicle. The accident occurred at approximately 3:55 p.m., 6/10ths of a mile south of Highway Q, on Highway 83, in the Town of Erin.

Nelson, his wife Loris, a passenger in his car, and North who was alone in his vehicle, had to be extricated from the wreckage by the use of the Jaws of Life.

The three victims were transported to Hartford Memorial Hospital by the Hartford and Stonebank Rescue Squads. Nelson was then transported to Oconomowoc Hospital where he died.

According to a Washington County Sheriff's Department spokesperson, the accident is still under investigation and no charges have been issued.

## No Competition for Town of Kewaskum's Incumbent Officials

By GERRY MUELLER  
Statesman Staff Writer

Electors in the Town of Kewaskum nominated their candidates for public office Saturday. However, contrary to other Washington County townships, Kewaskum's candidates were selected through the caucus process rather than by the use of nomination papers.

## Use of High School Fieldhouse Clarified

An article released by the high school and published last week gave the illusion that the high school fieldhouse would be open 6:30 to 7:30 a.m. for open gym. This was not the intent of the article. Rather, the high school fieldhouse will be available during this time for the district's senior citizens or others who have medical problems and who would like to walk around the indoor track for health reasons.

We certainly hope this clarifies any misunderstandings that may have occurred. Thank you for your continued support.

George Allmann will be running for his seventh term as Town Chairman while supervisor Dan Stoffel will be seeking his seventh term and David Dorn will start his third term as a supervisor.

Delores Prost, the town's treasurer, will begin her seventh term, while clerk Barbara Hinz will be starting her eighth term in that position.

Besides the selection of candidates, the township also uses the caucus system to determine its policies. Those attending Saturday's session also voted to retain the caucus system for their township.

## Vietnam Vets to Meet January 22

Anyone who served their country between Aug. 5, 1964 and May 7, 1975 and is interested in being a member in the Vietnam Veterans of America in the area should write Vietnam Veterans of America, P.O. Box 82, Newburg WI 53060 or call 692-2092.

Our next meeting is Jan. 22, 1989 at 7:00 p.m. at the Newburg Fire Hall.

## Departments Give Year-End Reports Finance Committee

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Village Board received year-end reports from four of its departments Monday night.

Chief Donald Ehnert reported the activities of the Kewaskum Fire Department in 1988 included thirteen calls in the village, of which eight were actual emergency calls with five being false alarms or non-emergency.

There were seven fire calls to the Town of Kewaskum which included six emergencies and one non-emergency. For the Town of Auburn there were six calls, all emergencies.

The department had 26 Jaws of Life calls, one for the village, ten for the Town of Kewaskum, one for Town of Auburn, seven Town of Farmington, one Town of Scott, five Town of Wayne and one in the Town of Barton. Equipment was used for four of the calls.

Chief Richard Knoebel's report for the Kewaskum Police Department showed slight changes over 1987. Burglaries rose from three in 1987, to five in 1988. Thefts were up from 33 to 36. Assaults rose from four to fourteen, while sexual assaults dropped from nine to six.

The arrest rate also dropped. Adult arrests decreased from 75 to 72, while juvenile arrests dropped from 122 to 117.

In 1988 there were 496 traffic citations issued as compared to 461 in 1987. Traffic warnings rose from 2,056 in 1987, to 2,141 for 1988. Parking tags and warnings dropped.

Patrolmen found 107 doors or windows open in 1988,

compared to only 48 in 1987. Warrant arrests rose from 17 to 30. Complaints also increased, from 1,260 to 1,456. There were sixty-one accidents in 1988 as compared to 55 in 1987. Officers patrolled 77,375 miles in 1988, compared to 78,777 in 1987.

Of property stolen, valued at \$4,978, 63% or \$3,150 was recovered by the department.

Head Librarian Kitty Hlavaty reported that the Kewaskum Public Library had seen a substantial increase in circulation during the past year. In 1988, 36,050 pieces of library material were in circulation compared to 20,365 for 1987.

Special programs during the year included the Spring Story Hour with 25 children attending, the Summer Splash Reading Program with 76 children participating and the Fall Story Hour with 32 children involved.

Hlavaty informed the board that 1989 has been declared the "Year of the Young Reader." She also advised the board that the county has begun negotiations for its next three-year contract for countywide library service. She told the trustees the village will have to decide by June if it wishes to participate in the program again.

Village Administrator Dan Schmidt submitted his building permits report for 1988. Single family permits rose from zero in 1987, to five for 1988. Apartments stayed the same at one, garages rose from nine to twelve, additions and alterations dropped by one from 59 to 58, and one residence and two garages were razed.

For mercantile, there was one warehouse permit and seven alterations, up one from 1987.

For non-taxable property, schools, churches and public buildings, there were eight permits issued. The grand total of permits issued was 95 as compared to 88 in 1987.

[Continued from Page 1]

recommending a lot of good things," said Spoerl, "but I'm not going to the School Board and tell them they have to increase the budget 20%." When the vote came, the motion died on a tie vote with Gnacinski and Spoerl voting for and Trapp and Ankerson voting against.

Gnacinski then made a second motion to recommend that walls for ten classrooms at KMS be installed at an estimated cost of \$12,000 plus an additional \$23,000 for related renovations to the heating and air conditioning systems for those rooms. That motion passed on a 3-1 vote with Ankerson again voting no. Ankerson indicated he would continue to vote against any recommendations which would increase the budget and be financed by using up the district's fund equity.

Heather also addressed the item of purchasing computer software and hardware to handle student records, grading and scheduling, especially at the middle and high schools. Heather thought the equipment could be purchased for about \$10,000 - \$15,000. Business Manager Cherna Gorder thought that estimate might be somewhat low and indicated that \$40,000-\$45,000 seemed more realistic depending upon how much and what kind of equipment the district would be looking at.

Trapp said she was "in favor of the proposal if it would save time all around." Heather said he was not looking for action from the committee on the computer equipment since another vendor would be coming to demonstrate his products. Heather said he would come back to the committee's next meeting with more specific information.

The committee concluded its meeting with discussion of

other repair and remodeling projects, however, no further recommendations by the group were made.

year because of the fact that Easter is early. The department annually advertises for help during Easter vacation when students are home from school and available to apply for the jobs.

The board acknowledged receipt of a petition requesting village annexation of several properties in the Bonnie Lane area which are presently part of the Town of Kewaskum. Schmidt told the board the Town is aware of the petition request which will be turned over to the village's attorney for review and comments.

In other action the board approved the issuance of a liquor license for Kenneth Hanson for the Grapevine Tavern, at 137 Main Street.

# 60th Anniversary

Doc and Alma

Doc and Alma Edwards were surprised by their children on their 60th wedding anniversary Sunday, Jan. 8, 1989. Instead of the children taking them out to dinner, the children brought the dinner to their home. They also

brought the grandchildren and the great-grandchildren. Fifty eight were able to attend the party. Thirty eight were unable to attend.

A lovely time was had by all.

# Sheriff's Department Announces Promotions

John G. (Jack) Theusch, 43, has been promoted to the rank of Captain at the Washington County Sheriff's Department by Sheriff Robert H. Schulteis. Captain Theusch will command the Operations Division of the department, which is responsible for patrol and investigative functions.

Captain Theusch is a resident of the Town of Farmington, where he has served as Town Chairman for many years. He was first appointed as a Deputy Sheriff-Patrolman in 1972. For several years he worked in narcotics and drug enforcement, and in 1976 became a juvenile officer. In 1978-1979, he was one of two law enforcement officers in the State of Wisconsin authorized to work as a juvenile intake worker, the other being Lt. Richard Hulbert, also of the sheriff's department. In 1979, he was reassigned as a detective and has worked in the Detective Bureau since that time.

Captain Theusch and his wife Marcia have a son, Ryan (11) and a daughter Erin, (7).

John P. Buck, 33, has been promoted to the rank of Sergeant in the Operations Division of the Washington County Sheriff's Department, Sheriff Robert H. Schulteis announced this week.

Buck, of the Town of Wayne, was first appointed as a part time Special Deputy in 1979, and after successfully competing in civil service tests, was re-appointed as a full time Deputy Sheriff-Patrolman in 1980.

Sgt. Buck is a qualified accident reconstruction investigator, having been trained at the Wisconsin State Patrol Academy, the University of Wisconsin's Department of Engineering and Applied

Science, and the Institute of Police Technology and Management at the University of North Florida.

Sgt. Buck will supervise a platoon of officers at the sheriff's department.

John Buck and his wife, Julie, have a one year old daughter, Patty.

### IN MEMORY

In loving memory of my dear husband, our father, father-in-law and grandfather, FRANK HERRIGES, who passed away eight years ago, Jan. 20, 1981:

God stood that afternoon beside his bed,

These are the words He must have said:

"You have suffered more than you can stand."

"Come with me - just take my hand."

It broke our hearts to lose you, But you did not go alone,

For part of us went with you. The day God called you home.

Sadly missed by the family.

## Calling All Middle School Parents... GET INVOLVED!

The Kewaskum Middle School Parent Advisory Council is asking you to get involved in your Middle - schooler's life. Come on February 16 and find out how to communicate with your kid over the glare of Night Ranger. Come and find out what is going on behind the quasi-bored, blasé mask. Come and find out what she might look like after the phone is removed from her ear. Come and learn how to be a parent and still retain most of your human characteristics.

Up until he or she was five, the kid craved your constant attention. Then the kid started school, and off he eagerly went, but with a slight quiver in the chin and a poignant glance over his shoulder at you as you waved from the porch. She would come bounding home,

full of the school day's activities, begging you to come visit school for this or that reason.

The day she entered Middle School, it's like she took a vow of silence about anything that happens at school. And, for pity's sake, don't come to school for any reason whatsoever! Nonsense! She really wants you there. She can't say so and be 'cool,' but she wants you there. So here's your chance. Come and get re-involved in your son or daughter's life. Show them you want to be a part of their life, even if he or she is a Middle - schooler. Come and hear Judith Baenan unravel the mystery of the Middle-schooler. February 16, at 7:30 p.m., at Kewaskum Middle School. Be involved!

### CARD OF THANKS

A very sincere thank you to our relatives, and many friends who showed their kindness during the illness and recent passing away of my beloved husband, our dear father and grandfather, William A. Klein Sr. A special thank you to Rev. Daniel Schowalter, the Robert G. Romaine American Legion Post #384, donors of flowers, memorial tributes and Miller's. These kindnesses will long be remembered.

### VA Insurance Dividends To Top \$21 Million Mark

Nearly 64,000 Wisconsin veterans who have kept their GI life insurance policies in force will share an annual dividend in 1989 totaling more than a record \$21 million, the Veterans Administration announced today.

The record payout will be sent automatically to veterans on the anniversary date of their policies in the form of dividend checks or one of five other payment options they selected. Jon A. Baker, director of the VA Regional Office in Milwaukee, said the dividend reflects both favorable claims experience and high yields on trust funds invested in U.S. Government securities.

He said the Wisconsin dividend payment is part of a total \$1 billion worth of dividends to some 2.9 million veterans holding active VA life insurance policies.

Government life insurance policies were issued to veterans of World Wars I and II and the Korean Conflict from 1919 to 1966. Only those policies that have been kept in force receive annual dividend distributions. No application from individual policyholders is necessary.

The largest group receiving 1989 payments will be almost 54,000 veterans of World War II with National Service Life Insurance (prefix "V") who will each receive an average of \$341.

Dividends totalling \$174,000 will be paid to 720 World War I veterans holding U.S. Government Life Insurance (prefix "K") policies for an average of \$241.

More than 7,000 veterans have Veterans Special Life Insurance (prefixes "RS" and "W") and their dividends will average \$301.

Holders of "J," "JR" and "JS" policies — Veterans Reopened Insurance — who currently number 2,301 will receive 1989 dividends averaging \$278.

Individual payments under each of the seven programs paying dividends vary according to age, type of insurance and length of time a policy has been in force.

The VA also administers a special life insurance program for disabled veterans and another offering mortgage life insurance coverage, neither of which pays dividends. The VA supervises a contract with a private carrier who underwrites Servicemen's Group Life Insurance for active-duty service members and reservists.

### Consumer Protection For Senior Citizens

A free program for senior citizens, "Consumer Protection" is planned on Friday, Jan. 27th in the Cedar Ridge Assembly Room, 113 Cedar Ridge Dr., West Bend. Sgt. King Riffel of the West Bend Police Dept. will lead the program which will include a slide presentation, discussion, and booklet, "Senior Citizen Guide to Consumer Protection." It will be held at 2:00 p.m., and reservations are requested in order to have ample supplies of materials available for those attending.

Protecting the consumer is a concern for everyone; and this program will give people an opportunity to improve their security as well as ask important questions about their concerns. The Program Education Committee of Cedar Lake Tri-Campus has planned this event so that all senior citizens who are interested may attend an informative and helpful session on ways to protect themselves. For reservations, call 334-9487 no later than January 18.

### 1989 State FFA Alumni Convention Be the Alumni's Valentine in '89

Join the excitement February 10 to 11 in LaCrosse. More than 500 people will attend to make it the largest State FFA Alumni Convention in the nation. The convention is being held at the Holiday Inn in LaCrosse.

Friday evening highlights include the Annual Las Vegas Night and Wisconsin FFA Foundation Auction. Auction funds will go toward programs and awards for Wisconsin FFA members.

Saturday kicks off with the business sessions and luncheon speaker, Mary McBride, (writer for Phyllis Diller and Joan Rivers) of Janesville. The afternoon will be geared at workshops ranging from membership and FFA Alumni Program of work, to the new presidents and membership workshops. The afternoon will conclude with a press session for top award winners and a photo session for all affiliates.

The grand finale for conventioners will be the Saturday evening banquet. The "Best of the Best" will be honored for their outstanding achievements. Following the

banquet will be entertainment by "The Memories" of Menomonie.

For registration and more information please contact: Delmar Plank, Finance Chairman, R.1, Box 42, Alma, WI 54610 or phone (608)685-4573.

### SPECIAL NOTICE TO ALL BEECHWOOD AREA RESIDENTS

Beginning February 1, 1989, at 12:01 a.m., the Beechwood First Responders will be discontinuing emergency services to the Beechwood area.

We have served this area for four years, but due to the decrease in the number of available, trained personnel, we can no longer effectively continue this service.

If at some time there are enough interested persons to put a responder team back in service, we will do so.

Anyone interested in being a first responder can call Roger Vetter 994-4297, or James Vetter 626-2442, or contact any Beechwood Fire Department member.

The Beechwood area will continue to be serviced by the Kewaskum, Random Lake and Plymouth ambulances and we thank them for their excellent service.

# 1988 Outstanding Conservation Farmers Selected

Shown with their award are, left to right, Mr. and Mrs. Eugene Backhaus and Mr. and Mrs. Dennis Backhaus.

Mr. and Mrs. Gary Schmidt, Mrs. Marvin Schmidt, holding award and Mr. Schmidt.

The Kewaskum Kiwanis have selected the Marvin and Gary Schmidt family and the Eugene and Dennis Backhaus family as their 1988 Outstanding Conservation Farmers. This award was established in 1958 to recognize the soil conservation efforts of farmers living within the Kewaskum School District. The award is presented as part of the Kiwanis annual farm, city meeting.

The Eugene and Dennis Backhaus families operate the Kettle Aire Acres farm located in Section 34 of Auburn Township in Fond du

Lac County. The Backhaus family farms 300 acres of rolling Kettle Moraine cropland and milk 68 cows. They have cooperated with the Fond du Lac County Soil Conservation office for over 20 years and have developed a program of crop rotations and contour strips to control soil erosion. The Backhaus family has also worked to protect wetlands and improve woodland and wildlife areas on their farm.

The Marvin and Gary Schmidt families operate a 180 acre dairy farm in Section 1 of Wayne Township. Marvin

developed his conservation plan with the Washington County Soil Conservation office in 1961. 83 acres of contour strips were immediately established to control soil erosion on the Schmidt's cropland. After 28 years the contour strips are still in place protecting the land from soil erosion.

The extraordinary efforts of these family farms to control soil erosion will maintain the productivity of their land and protect the quality of the lakes and streams of Washington and Fond du Lac counties.

## Select Sires Honors Top Area Dairymen

Over eighty percent of Southern Wisconsin's top dairy herds buy their A.I. genetics from East Central/Select Sires (EC/SS). That was evidenced when EC/SS recently made production performance awards to their customers.

Each year, EC/SS honors dairymen for outstanding production and herd management at area Fall Member Meetings. Dairymen receive a bronze award for having a combined milk and fat rolling herd average 15 percent

above state DHI average. Silver awards go to dairymen 25 percent above state average and the prestigious gold award goes to herds 35 percent over state DHI average.

This past year, 163 dairy herds in southern Wisconsin ranked 15 percent over state average. Of that, 132 or 81 percent are EC/SS customers. Thirty-four or 26 percent of those herds actively participate in Select Sires' young sire program. Of the 132 EC/SS awards presented, only two

earned Gold Award honors, ten received silver honors with the remaining 120 receiving bronze awards.

EC/SS recently awarded area recognition to: Edward and Harvey Klumb of West Bend.

East Central/Select Sires is a professional artificial breeding cooperative serving dairy and livestock breeders in southern Wisconsin. As a member of Select Sires, EC/SS helps make up the largest A.I. cooperative in the world.

DEPARTMENT

Robert H. Schulteis, Sheriff

## Schulteis Releases Department's '88 Statistics

Sheriff Robert H. Schulteis has released accident and citation statistics for 1988.

There were 11 traffic fatalities in 1988, compared to 19 in 1987. However, personal injury accidents increased. There were 430 accidents investigated which involved injury to a total of 631 people. In 1987, 390 such accidents injured 585 people. Altogether, the department investigated a total of 1,555 traffic accidents in 1988. The average response time by the department was 8 minutes.

After dropping off in 1987, arrests for intoxicated driving increased last year. There were 210 drunk driving arrests made in 1988, compared to 174 the previous year. This compares to the all-time high in 1985 of 254 drunk driving arrests, and 243 in 1986.

The department believes that the new, higher drinking age law and the mandatory use of seatbelts have impacted on the fatality rate and the intoxicated driving problem, although the statistics indicate that many people are still injured each year, and drunk driving continues to be a problem.

The department issued 1,781 speeding citations in 1988. In all, 3,782 traffic citations were issued by deputies.

Alcohol offenses were the most common type of ordinance violation handled by the department in 1988. Two hundred and twenty (220) citations for Illegal Possession/-Consumption of Alcohol Beverages were issued, more than three times the number

issued in 1987. The second most common violation involved animal violations, such as not having a dog licensed, or allowing a dog to howl. More than 100 such violations were handled.

The sheriff's department handles an average of 12,000 calls for service annually.

## Cedar Lake Concert '89 Series to Begin

The popular Concert and Luncheon series presented by the Cedar Lake Home Tri-Campus will again be held in 1989.

"A concert of sacred lenten music and lovely spiritual interpretive dance selections is scheduled at the Cedar Valley Campus, located near Kohlsville" shared Dave Stone, Director of Activities at the Tri-Campus.

The first 1989 concert and luncheon will be held Wednesday, February 22 and repeated Wednesday, March 1.

The series begins with a 4:00 p.m. lenten presentation by villagers and staff, entitled: "The beauty of Faith" through hymn and dance. A delicious fellowship luncheon will follow. A five dollar donation is invited. Reservations are required. Contact the Cedar Lake Home Tri-Campus at 334-9487.

## Parents/Teachers Conference Set

A one day conference for parents, teachers and other educators designed to provide ideas of how parents can be actively involved in their child's learning activities will be held January 25 in Appleton. The conference will also assist school personnel in supporting home learning activities and communicating in-school operations to parents.

Patricia Koppman, president of the 80,000 member International Reading Association (IRA), will conduct the morning session. Patricia is a former elementary teacher, curriculum resource teacher, administrator and college instructor. She has written extensively on reading instruction and is editor-in-chief of a monthly newsletter that promotes school/home communications and joint learning activities. Her presentation is titled "Child + Parent + Teacher = School Success."

In the afternoon Mike Ford, UW-Oshkosh Reading Education Professor and Joan Larson, Omro classroom teacher, will present "Storytelling, Poetry, and Children's Literature Activities for Home and School."

Dr. Myrna Toney, Wisconsin Department of Public Instruction State Director of Chapter 1, will provide state level input to the conference and introduce Pat Koppman.

The conference will run from 8:45 a.m. to 3:30 p.m. (preceded by registration) and is being held at the Classic Arts (Hy. 41 and 125) in Appleton. Parents and educators of preschooler through high school students will benefit from participating in this conference. The cost per participant is \$15.00 which includes the lunch, coffee and take home information packets. The conference is sponsored by CESA No.'s 6, 7 and 8. For more information contact the Chapter 1 Coordinators, Tom Rogers (6) or Frank Kazmierczak (7 and 8). Pre-registration can still be arranged through local school districts or directly through the CESA offices but please hurry as attendance must be limited to 500 participants.

## Courses Help Ease Strain Of Parenting In the '80s

Parenting has never been easy, but with pregnancy consistently occurring in children younger than 16, and cocaine and crack permeating the junior high schools, parenting is a little tougher than it was for June and Ward Cleaver.

Five parenting courses will be offered this spring at Moraine Park Technical College in West Bend to help teach families how to strengthen their relationships and keep the lines of communication open.

Active Parenting (305-402-006) is a six-week video based and group discussion course which will examine areas of child and teen rearing problems. Some of the topics that will be covered include: instilling courage, developing responsibility, winning cooperation and the democratic family in action. It meets Mondays, April 3 to May 8, from 6:30 - 8:30 p.m. Fee is \$11.75 plus parent's handbook.

Strengthening Stepfamilies (305-450-002) will address the concerns of new family units formed at remarriage after a death or divorce. The course will focus on communication, stepparent role, stress and discipline. It will meet Mondays, Jan. 23 to Feb. 27, from 6:30 - 8:30 p.m. Fee is \$11.75 plus book.

Solo Parenting (305-472-004) is for men and women who face child raising without the built-in support of a second adult. It includes parent/child roles, individual needs and feelings, child care, strengthening the family, building new relationships and community resources and services. Since it is sponsored by the Consumer and Homemaking Federal Project there is no fee for this course. It meets Tuesdays, Feb. 28 to March 28, from 7-9 p.m.

Toddler Years (307-413-004) and Parents and Kids in the Kitchen (303-436-010) are two courses that parents and their

children can attend together. Toddler Years focuses on movement experiences such as balancing, eye/hand and eye/foot coordination and fine motor skills. Children 18 months to three years are eligible to attend with their father, mother or care giver. It will meet Mondays, Jan. 30 to March 20, from 9:30 - 10:30 a.m. Fee for the course is \$8.50.

Parents and Kids in the Kitchen invites children four and five years old and a parent or care giver to learn about nutritious snacks and meals. Each has separate instruction for one hour, then they join in the kitchen for hands-on food preparation. The \$20.35 fee includes a meal prepared at each session. It will meet Fridays, Feb. 10 to March 10, from 9-11:30 a.m.

To register for these courses call the West Bend campus at (414) 334-0909. Registration began Jan. 9.

## Friends of Abused Families Experience Christmas of Caring

Recently, Friends of Abused Families was transformed into a holiday wonderland as it hosted its first Christmas Party. The United Way Youth Task Force decorated the shelter, made one-of-a-kind ornaments for the Moms and helped the children make a "Special Tree" for the shelter. The highlight of the party was Santa's visit. Santa gave out toys and certificates from McDonalds, Hardees of Hartford, Dicks Pizzeria and Burger Hut. Everyone enjoyed the refreshments provided by Hankersons and Old Fashioned Bakery of Hartford.

And usually, that is where the story ends. But not this time, this time was different. This time each family received gifts for Christmas morning from Early Risers Kiwanis Club, Peace United Church of Christ, Kewaskum, Shopko, Kohls and some anonymously.

This time they received food

items for Christmas dinner from the Women's Guild of Peace United Church of Christ, West Bend Jaycees and Red Owl Foods with the help of Pick N Save South.

This time the families received something they could never put a value on - something they could only feel. The true meaning of Christmas giving. Because the people and organization who made this Christmas story happen gave of themselves - neither for recognition nor charity - but gave out of love. The love that lets everyone share in the joy of Peace and gives hope and strength to the tomorrows.

This time the families were given the love and warmth that can only be given by people who really care. The people who keep the spirit of Christmas thriving in Washington County.

Statesman classified ads really work.

## 1989 CALENDARS AVAILABLE

(Washington, D.C.) - Rep. F. James Sensenbrenner, Jr., (WI-9) announced that a very limited number of 1989 calendars are available, on a first come first served basis, through his Washington, D.C. office. Due to the limited supply, only individual requests from Ninth District residents will be honored. Only one request per letter will be allowed.

The calendars are produced by the U.S. Capitol Historical Society and include pictures of historical sites in and around Washington, D.C., as well as an abundance of historical data.

## Get Ready for Maple Syrup Time at Riveredge

Riveredge Nature Center will host the Wisconsin Maple Sugar Institute and Amateur Maple Sugar Makers Roundtable on Saturday, Jan. 21, from 9:30 - 2:30.

The Institute, sponsored by the University of Wisconsin Extension, offers the amateur and commercial maple syrup maker the opportunity to learn more about the newest techniques, technology and research that relates to maple syrup making. Representatives of commercial firms that sell syruping supplies will be present. There will be ample time for interchange of ideas and answers to your questions by the pros.

A lunch break will include chili, bread and maple syrup sundaes.

The program is free. Lunch is \$3.00 per person. To register call 931-8095 (metro) or 675-6888 (local).

Riveredge Nature Center is a nonprofit natural sanctuary and educational institution located in Newburg in Ozaukee County.

## Local Government Receives Share Of Fuel Tax, Registration Fees

The state Department of Transportation has mailed checks to all 1,267 town treasurers, as well as 653 municipal and county treasurers which, over a year, will account for nearly 30 percent of state fuel tax and registration fee collections.

"While most people assume that their user fees are kept by the state for use on freeways and other major state highways, actually a large portion of these fees go back home to pay the cost of plowing snow and patching potholes on local streets," according to DOT Secretary Ronald R. Fiedler.

During 1988, local governments received \$193.5 million from the state transportation fund to help pay the cost of building and maintaining local bridges and roads.

The 1,920 checks mailed Jan. 3 totaled \$51.4 million. The largest check, for \$5.8 million went to the city of Milwaukee, while the smallest, for \$267, went to the Sauk County village of Lime Ridge (pop. 191).

Checks to local agencies include:

- Sheboygan County
- Town of Scott — \$7,906.46
- Washington County
- Town of Barton — \$8,671.05;
- Town of Farmington — \$12,301.87;
- Town of Kewaskum — \$7,508.70;
- Town of Wayne — \$9,272.42;
- Town of West Bend — \$8,159.57;
- Village of Kewaskum — \$13,068.24;
- City of West Bend — \$184,907.28.
- Fond du Lac County
- Village of Campbellsport —

\$3,968.54; Town of Auburn — \$8,636.62.

In the current local aids payment, one of four each year, 1,267 towns shared \$12.3 million, 393 villages received a total of \$3.3 million, 188 cities received \$21.4 million, and Wisconsin's 72 counties shared \$14.2 million. In addition, \$2.4 million was sent to 119 communities to help pay the cost of plowing snow and other maintenance on portions of state highways that are within urban boundaries. An additional \$165,900 went to Milwaukee County for expressway enforcement.

Local governments also receive transportation revenues for other programs such as public transit, elderly and handicapped transportation, airports and harbors, as well as state and federal funds for specific highway and bridge construction projects.

## Notice of Annual Meeting Of Senior Citizens Activities, Inc. of Washington County

Notice is hereby given that the annual meeting of all interested persons in the above organization will be held Thursday afternoon, January 19, 1989, at 12:30 p.m., at the Senior Center, 401 East Washington Street, West Bend, WI, for the purpose of electing persons to the Board of Directors and transacting any other business that may come before the meeting.

During the Middle Ages, the year began at various dates in different times and places. In England it was not until 1751 that January was restored to its place as first month, as it had been during the Roman era.

## County Merchants Warned of Checks Being Circulated Against Closed Accounts

The Washington County Sheriff's Department warns county merchants to be on the lookout for checks being circulated against closed accounts. The checks are written in amounts from \$100 to \$400, and are drawn against several businesses: Appleton Promotion, Milwaukee Maintenance, Impact Marketing, Duluth Advertising, Shopping Spree.

If someone comes to a business and attempts to cash a check get a description of the individuals and any vehicles involved, and notify the sheriff's department or local police department immediately. Sheriff Robert Schulteis reminds merchants to obtain a complete name, date of birth, and address from anyone cashing a check, and to require

## ...about your Social Security

### WATCH OUT FOR SOCIAL SECURITY FRAUD

According to the Social Security Administration, Social Security has become the target of many misleading and deceptive practices. People are being lured into giving money to official sounding groups which have no connection with the federal government. Here are some suggestions the Social Security Administration offers so you can protect yourself:

WATCH OUT for fund raising letters from groups that attempt to instill fear about the financial stability of Social Security. The Social Security system is currently building

reserves which will enable it to function into the next century.

WATCH OUT for firms charging a fee for services such as changing a newly married woman's name on her Social Security records, obtaining a Social Security card for a child or obtaining your earnings record. The Social Security Administration provides these services free of charge.

WATCH OUT for firms selling products, such as books and pamphlets that promise to reveal "secrets" or "inside information" about Social Security. Generally, they

contain information which is already available - at no cost - through Social Security's own publication.

If you have problems like these, or other problems with Social Security, please contact my District office or the Social Security Administration directly. I maintain a toll-free telephone number for purposes such as these. Call: 1-800-242-1119.

Only the Newspaper

ONLY THE NEWSPAPER lets you pick the time and place to read and relax to become "carried away" with the wide, wonderful world of happenings on every page.

### SPEEDY STAR

Speedy star: Scientists recently discovered the fastest stars yet found in the universe. According to International Wildlife magazine, these two speedy celestial bodies orbit a neutron star at a blazing 750 miles per hour. At that speed you could travel from the earth to the sun and back in about 40 minutes.

The Kewaskum Statesman has tried to "hold the line" and maintain its mail subscription rates at \$2.50 per year but with the numerous increases in the cost of postage and mailing, cost of paper and materials, we have found it necessary to make a slight increase in our subscription price.

No increase in rates has been made in over twelve years, the last raise taking place on Aug. 1, 1951. Effective Feb. 1, 1964, the Statesman subscription rate will be \$3.00 per year in Wisconsin and \$3.50 out-side the state.

The honor of reporting the seeing of the first Robin in Kewaskum in 1964 goes out early this year to Mrs. Walter Wesenberg, 1538 River View Dr., who called the Statesman after sighting a Robin on Monday morning.

Sons were born to Mr. and Mrs. Donald Koerble, Kewaskum on Jan. 14, and to Mr. and Mrs. Richard Wesenberg of Madison on Jan. 4. Mr. Wesenberg is the son of Mr. and Mrs. Walter Wesenberg, Kewaskum.

Marriage license application was made by Richard E. Czaja, Kewaskum and Mary Jane Peters, West Bend; wedding Jan. 18.

## 50 Years Ago

Jan. 20, 1939

Friday, the thirteenth was an unlucky day for two truck drivers last Friday. At about 3:30 p.m. that day a truck owned by the Kays Wholesale Distributors of Stevens Point, ran off Highway 45-55 and tipped over in the swamp about two and one-half miles south of Kewaskum, known as the Kewaskum or Techtmann swamp. The accident occurred when the driver lost control of the truck.

Enroute from Milwaukee to Stevens Point with a load of beer, much of the beer was destroyed in the accident.

The bottled and keg beer from the Schiltz brewery, Milwaukee, with which the truck was loaded, was dumped into the water in the ditch along the road at the scene and bottles were scattered all about the place. Most of the beer was recovered by people on the scene who had free beer for the afternoon and took more along home in their cars, so that there was little left to be taken to the destination.

Mrs. Bartol Fink of Fond du Lac, and Charles Seefeld of Eden, among the oldest twins in the country, who are former residents of Kewaskum, entertained at a family dinner Monday evening, Jan. 9, at the Fink home in celebration of their eighty-second birthday

anniversary.

The St. Lucas congregation, Kewaskum, observed a unique celebration — the 25th anniversary of Conrad Bier as president of the congregation. A special service was conducted in honor of Mr. Bier. \*

John A. Wetzig, aged 63, a popular and one of the most respected residents of this village passed away Jan. 18, at St. Elizabeth's Hospital, Appleton. John went to the hospital last week and underwent major surgery. Mr. Wetzig rallied and was well on the road to recovery when death resulted from another cause, uremic poisoning.

A lifelong resident of Kewaskum, Mr. Wetzig never married. Mr. Wetzig was one of the oldest employes of the L. Rosenheimer store, which firm he served for nearly 50 years.

## 75 Years Ago

Jan. 17, 1914

Frank Heppe, who was employed at the H.J. Lay Lumber Co.'s office the past one and a half years as bookkeeper, resigned his position, same taking effect on Monday. On Wednesday he left for Milwaukee where he accepted a similar position with the Rockwell Manufacturing Co.

The following officers were elected last week Thursday evening at the annual Hook and Ladder Company's meeting: Foreman - F.E. Colvin, 1st assistant - B.H. Rosenheimer, 2nd assistant - S.C. Wollensak, treasurer - Val Peters, secretary - Fred H. Buss.

David Rosenheimer received the sad news this week of his father's death at his home in Erlangen, Batavia, Germany. Deceased was one of the earliest settlers of Schleisingerville and an early pioneer of Washington County. He is very well known in this county having been a businessman at Schleisingerville in the

early days.

A baby girl was born to Mr. and Mrs. Jos. Beisbier of Ashford last Saturday.

Alvin Gottsleben took ill last week Sunday with appendicitis. We are glad to state that he is able to be around again.

Adolph Heberer and Albert Rammel of New Fane made a business trip to Milwaukee Tuesday.

A Grand Dance will be held in John Kohn's hall Sunday, Jan. 18. Music by the Kewaskum Concertina Band.

Q. What does a recipe mean that says, "Cook until fish flakes easily."

A. Start by brushing the fish fillet or steak with melted butter or margarine and season it with herbs, salt, pepper or lemon juice. Then, either bake fish at 350 degrees F or broil one-inch fillets two to three inches from heat source. Fish is done when the translucent flesh becomes opaque, separates easily when tested with a fork and is still moist. Longer cooking time will toughen and dry fish.

Q. What is a batter bread?

A. It's a shortcut yeast bread that doesn't require kneading. Once ingredients are mixed, the batter is simply spread in pan to rise and bake.

# LETTERS TO THE EDITOR

Samaritan Home  
Washington County  
West Bend, WI

Editor:

Once again the beautiful Christmas season is drawing to a close. On behalf of the Samaritan Administration, staff and residents, I would like to extend an enormous THANK YOU to all who shared this special season with us. Many organizations, clubs, troops, and individuals generously supported our Christmas Gift Project with gifts and the monetary means to provide a special treasure for each of our residents. Our halls were frequently filled with beautiful voices sharing, in person, the caroling sounds of the season. Others still, came with special plays, programs, and skits to help our folks celebrate this holiday time. The pleasant feelings of Christmas filled our home each day of Christmas - time.

We sincerely hope that sharing with us helped to bring to you the great joy and meaning of Christmas. We appreciate your thoughtfulness and hope your generosity is returned to you and more! May this spirit of Christmas remain in all of your hearts throughout the year.

Sincerely yours,

Dear members of the  
Kewaskum Women's Club:

You and your guest are in for a real treat at our 76th Anniversary Dinner on Jan. 21st at Hon-E-Kor.

Last evening (Monday) I was invited to listen to the St. John's Bell Choir. The evening was very interesting and enjoyable. Janis Berndt and her crew of six will give a short demonstration on the different techniques of bell ringing, along with a few short songs for entertainment.

Please call Lois Bunkelman at

626-4434 for your last minute reservations. Good food, good company and good entertainment all add up to another successful event held by the Kewaskum Women's Club.

See you there!!

I have heard some people grumble about the train that again passes through Kewaskum. Years ago it was like a Godsend, business and people, now it just passes us by but it is still a great thing. Yes I too wake to the sound of its horn to save lives at crossings, and the rumble as it passes, but at that time I think of people working to our south; people working to our north; and the people working directly for the railroad; all off the welfare rolls and all paying taxes. A very pleasant thought indeed - one which lulls me back to sleep.

## GTE Telephone Charges Expected To Increase Apr. 1

The monthly telephone bill of all American residential telephone users and businesses with single-line service is expected to increase 30 cents beginning April 1. This increase relative to GTE customers results from a filing by GTE North with the Federal Communication Commission (FCC) - an action similar to filings recently undertaken by virtually all U.S. telephone firms.

The increase will raise subscriber line charges to \$3.50 per month from the current \$3.20 per month. The new charge stems from efforts by the FCC to reduce the amount of long distance operating money needed to support the local telephone networks.

"Traditionally, customers paid only part of the cost of local service through basic monthly telephone rates," said James D. Blanchard, vice president - general manager for GTE North's Wisconsin/Iowa/Nebraska/Minnesota operations. "The remainder has been subsidized by customers making long distance calls."

"The subsidy that has been paid by the long distance companies is being phased out over a number of years. That was one of the stated goals of deregulation, that users pay for the cost of a given service."

The added charge will not result in increased revenues for GTE North's Wisconsin operation. The increase will be offset by a decrease in fees to be charged long distance

companies such as AT&T, U.S. Sprint and MCI.

"The increase in the Subscriber Line Charge should result in further reductions in long distance rates since long distance companies have been ordered to pass the revenue decrease on to their customers," Blanchard said. "This additional 30-cent charge is another step in the process of placing the cost of telephone service where the cost is actually incurred."

Rates for multi-line business customers in Wisconsin - \$6.00 per line per month - will remain unchanged. In Wisconsin, GTE serves 192 exchanges and operates about 360,000 access lines statewide.

## Daniels Is New Navy Recruiter

Navy Aviation Electronics Technician Second Class Petty Officer Todd A. Daniels is the new Navy Recruiter assigned to the West Bend Recruiting Station.

Daniels is the son of Mr. and Mrs. Dennis E. Daniels of South 12th Street in Milwaukee.

As a Navy Recruiter, Daniels is responsible for providing free guidance to interested Washington, Ozaukee and Dodge County residents concerning Navy occupation and career opportunities, education benefits and scholarship program.

In the Navy, Aviation Electronics Technicians maintain the advanced technology radio, radar and electronics equipment that is carried on aircraft. They are responsible for the operating efficiency of equipment used for communications, navigation, automatic landings and identification of friendly and enemy aircraft. Their work is in three basic categories: equipment testing and analysis, maintenance and repairs, and administrative tasks.

Daniels joined the Navy in 1984, after graduating Milwaukee Trade & Technical High School.

After 25 weeks of school, he reported for duty to Naval Air Station Cecil Field, Jacksonville, Florida. He also served aboard the USS AMERICA (CV-66) and USS EISENHOWER (CVN-69).

His awards include: Good Conduct Medal, Battle "E" Ribbon, Navy Unit Commendation, and the Joint Armed Forces Medal.

Daniels is engaged to wed Ms. Valerie M. Rosenbarker in June of this year.

Andrew Johnson was the only ex-President to be elected to the United States Senate.

### Fond du Lac County Wild Turkey Update

The reintroduction of the wild turkey throughout southern Wisconsin continues at a steady rate. This is due to the Department of Natural Resources transplant program. The last of Wisconsin's wild turkeys disappeared around 1885, due to non-regulated hunting, deforestation, and diseases. In 1974, the first reintroduction took place when turkeys from Missouri were released into southwestern Wisconsin. From the original 300 plus turkeys, their population has grown to more than 40,000 birds today.

The spread of the turkey continues as birds are trapped in winter and released into new areas. In 1985, 46 birds were introduced into the Northern Kettle Moraine State Forest. That population has grown to nearly 500. On January 6 and 10, a total of 19 turkeys were released at Mullet Creek Wildlife Area. If trapping success continues, others could be released northwest of Campbellsport. Once a population has become well established, a limited hunting season will be opened, as in the southwestern part of the state. Mullet Creek is within the proposed Kettle Moraine turkey hunting zone that could open as early as 1990.

The success of the wild turkey has come about for a number of reasons. In particular, these birds were taken from a wild population and are free of diseases and well suited to life in the wild. One of the greatest threats today is the releasing of pen-reared birds in an attempt to "help the population." These game farm birds can infect the wild population with any of a number of diseases. Game farm turkey and wild turkey inter-

While some fans are likely to forget their New Year's resolutions and overindulge on Super Bowl weekend, other football fanatics will take a few minutes away to do something healthy.

Healthy? During Super Bowl weekend? You bet. Football fans will be able to participate in the Ben•Gay® Super Bowl Run and Healthwalk on Saturday, January 21, in Miami Beach.

Although the NFL often lends its support to NFL locker room products such as Ben•Gay for Super Bowl-related activities, the Super Bowl Run and Healthwalk will be the first such event planned in conjunction with the football championship game. This new activity will offer fans a break from the party scene and the chance to enjoy the beautiful South Miami Beach area.

The events will include an 8K run, a two-mile walk, and a fun-run, all of which will start and finish in South Miami Beach. The run and walk benefit the United Negro College Fund, and several past and present NFL players are expected to be involved in the festivities.

Ben•Gay has sponsored Active America Day, a nationwide day of running, walking, and fitness fairs in 50 cities, for the past two years. The Super Bowl Run and Healthwalk were natural extensions of the company's commitment to better health and fitness education for Americans. According to Mike Sinsheimer, Marketing Manager for Ben•Gay, "We were looking for a way to provide Super Bowl fans with a fun, exciting activity that would let them enjoy the Miami Beach area and get

in some exercise. Of course, we also want them to learn about proper warm-up and warm-down."

The Super Bowl Run and Healthwalk are being produced by Dean Reinke and Associates of Winter Park, Florida. Reinke also is the national coordinator for Active America Day. The local race director will be Rick Stern, who organizes more than 40 races each year in south Florida. The Super Bowl Run and Healthwalk are being promoted in conjunction with the City of Miami Beach, the Dade County Parks and Recreation Department, and the Super Bowl Task Force.

Wherever you are, if you're planning a Super Bowl party, why not sponsor your own Super Bowl Run? Invite your guests to bring along their running gear and spend halftime doing a couple laps around the block. Better yet — pack your bags and road trip to Miami. Either way, don't forget to warm up and warm down with Ben•Gay!

breeding can reduce survivability in the resulting offspring.

All released turkeys are marked with colored wing tags — red for hens and yellow for toms and jakes (immature males). This aids in identification and tracking their movements. Some of the ways people can help the wild turkey is by reporting sightings of these birds. Make note of the location, date, number of birds sighted, and the colors and numbers on the wing tags. Landowners near release sites can help by good woodlot management, emphasizing mast or nut producing tree species.

It's great news to have the turkey doing so well in Wisconsin after nearly 100 years of absence. The wild turkey once again fills our woodlands with its growing numbers and its spring gobbling, to the thrill of sportsmen and other outdoor enthusiasts.

When in the 1920 Olympics Theresa Weld of the U.S. became the first woman to attempt a jump in figure skating competition in the 1920 Olympics, she was reprimanded for her "unfeminine behavior."

### Ski for Dystrophy

On Thursday, Feb. 9th, Little Switzerland in Slinger, will sponsor this year's Ski For Dystrophy downhill Ski-a-thon. A mere \$14.00 will get skiers their ski pass and transportation. A pair of "Risky Business" style sunglasses will also be awarded to skiers who pre-register by January 27th.

Ski For Dystrophy will be an exciting night of downhill skiing and will benefit those who can't ski, because of neuromuscular diseases.

Skiing will take place from 5:00 p.m. to 10:00 p.m. and free transportation to the slopes will be provided by National School Bus Service, Inc. Buses will

depart from various locations at 4:00 p.m. and will depart from Little Switzerland at 10:15 p.m. The pick-up and drop-off points will be: Whitnall High School at S. 116th Street, Muskego High School at Racine Avenue and Cudahy Junior High East at S. Lake Drive. Buses are also available for groups of 25 or more if MDA is notified on or before January 27th.

Top money raisers will win exciting prizes including free lift tickets, free ski rentals and a Genie Argus 35MM camera.

Registration forms are available now at the MDA Office at 811 N. Hawley Rd., Suite 100, Milwaukee, WI 53213 or call (414) 453-7600. Have fun skiing while helping those who can't! See you on the slopes!!

## 4-H Interstate Exchange Program with Maryland

Youth and adult chaperones from Washington County, Wisconsin and their Frederick County, Maryland hosts.

The Kewaskum 4-H meeting was called to order by Michelle Etta at 7:00 p.m., January 5, at the Community Room. The Pledge of Allegiance was led by Jason Liegl. The 4-H pledge was led by Annie Mertz. Willa Marshall read the secretaries report and Brian Liegl and Jenny Johnson approved it. Jenny Liegl read the treasurers report and there were no bills submitted. Marlo Deshotels and Missy Radtke approved it.

For old business Brian Staehler reported about the Madison trip. Michelle Schaub reported about the tree lighting. Robin Rehbein reported about the caroling at the hospital. All candy money is due. If any members didn't pay their membership dues, pay that as soon as possible.

For new business Mrs. Staehler is in charge of the outing activity for February. It will be announced at the bowl-a-thon. Please fill out the form and return it at the bowl-a-thon. It will be held March 18, and 19. We will be playing two games for a dollar each. The club will pay for your game if you have sponsors.

The meeting was adjourned by Brian Liegl and Missy Radtke. Refreshments were served. The next meeting will be February 2. Hope to see you there!

Reporter, Joanne Lemke

Fourteen Washington County, Wisconsin youths and two chaperones spent nine days with host families in Frederick County, Maryland, July 31 - August 7 under a 4-H exchange program.

The exchange is a program in which Wisconsin delegates learn about a new culture and learning experience as you live

and work with another family. Interstate 4-H exchanges are designed especially for 4-H teens.

The week included group activities, such as, a welcome Potluck Picnic, a Washington D.C. Day, Annapolis/Baltimore tour, a cruise to Fort McHenry, a tour through the United States Naval Academy, a tour through

the City of Frederick, Maryland, a farewell party Recreation Night, and activities were planned by your host family.

Washington County delegates that participated on the trip are: Jenni Buchholz, Steve Falk, Michelle Schaub, Sara Lemke, Jenny Degnitz, Brenda Beder, Janelle Peter-

son, Jill Peterson, Terry Groth, Jeff Steinert, Steve Klein, Jenni Carron, Jim Doll and Bob Friedemann.

Adult chaperones were Helen and LeRoy Doll. They also are advisors to the 4-H Teen Association, Older Youth of Washington County, and the coordinators for the 4-H Interstate Exchange Programs.

### Credit Advocacy for Farming Community

Many of today's farms are experiencing crisis from debt and drought. Isidore Interfaith Organizing wants to insure that every farm has the legal and financial advice to survive.

To inform southeast Wisconsin farm families in responding to current concerns with government lending institutions, Isidore Interfaith Organizing is sponsoring two gatherings during January 1989 for those concerned in Dodge, Fond du Lac, Ozaukee, Sheboygan, and Washington counties. Present at these gatherings to address concerns about farm credit will be Mr. Nick Salm, C.E.O. Farm Credit Services, Fond du Lac, and Mr. Fred Cox, FmHa Regional

Supervisor. The first gathering was held on January 17, at St. John Church, Rubicon. (306 Rome Road). The second will be held on January 19 at St. Martin Church, Ashford at 8:00 p.m. (1276 Hwy. 67 W).

Farmers pastors, church lay leaders, and other concerned citizens are urged to attend one

of these gatherings to give support for the future of family farming.

For more information write or call: Isidore Interfaith Organizing 1300 S. Layton Blvd., Milwaukee, Wisconsin 53215, (414) 384-2444.

## The Regal Challenge Continues... KEYS, Inc. Asks for Help

As the school's first semester comes to a close, KEYS, INC. was anticipating reaching the half-way point of Regal Ware's challenge to raise \$5000.00 from the alumni and community of Kewaskum. (The challenge consists of the Regal Ware, Inc. offer to contribute \$1.00 for every \$2.00 raised by KEYS during the 1988-89 school year, with a \$2500.00 maximum donation if \$5,000.00 is raised.)

Your tax-deductible contribution made to KEYS, Inc. will go directly toward scholarships for the Kewaskum High School graduates. Can we meet this

challenge and raise \$5000.00 in order to receive \$2,500.00 from Regal Ware, Inc.? We hope the answer is yes! Currently only \$635.00 in mail contributions have been received to meet the challenge and KEYS is definitely in need of your help. The goal of KEYS is to raise and invest \$100,000.00 and use the interest for promotion and continuing education for the youth of Kewaskum.

Help us help the Kewaskum youth. Please give and give generously... SOON! KEYS thanks you for your continued support in this effort.

Yes, I would like to help meet the Regal Challenge!

## Money Management Course Offered

We would all like to make the most of our money, but that is easier said than done. Teaching you how to manage the money you earn is the goal of Successful Money Management, offered at Moraine Park Technical College's West Bend campus in January.

In three sessions, beginning Jan. 24, Successful Money Management will introduce the key concepts of wise money management. Participants will learn how to minimize their investment returns and provide

a secure future for their families.

The class is designed for all individuals and couples who want to make maximum use of every before- and after-tax dollar. Students will learn how to get the highest rate of return on their investments; which investments are safe; how to invest small amounts to start building financial freedom and how to prepare for disability, their children's college educations and early retirement.

The course will meet for three weeks from 6:30 - 9:30 p.m. on Tuesdays on the West Bend campus. Cost for the course is \$10.10, plus \$15 for book. To register call 334-0909.

## West Bend Gallery Presents Lecture On Electronic Art

On Thursday, January 26th, George Palmer of Serigraph, Inc. will present a one-hour lecture from 7:00 to 8:00 p.m. dealing with New Technology in Electronic Art. Come learn the amazing and sophisticated artistry of the contemporary graphic arts industry.

Mr. Palmer will have actual copy samples of art work, a slide presentation and video that outlines the precise electronic processes that are in use in Serigraph's West Bend company as well as in the creation of mechanically produced fine art.

This lecture is open to the public. A \$1.00 donation is requested. Please RSVP your positive intentions (334-9638) so that we may have adequate seating available. Seating is on a first-come, first-serve basis so don't delay your response.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue, West Bend. Normal gallery hours are Wednesday, Friday, Saturday and Sunday 1:00 - 4:30 p.m. and Thursday 12:00 noon - 9:30 p.m. There is no admission fee.

## Quilting Workshop

With quick-cut and quick-sew techniques, students in Moraine Park Technical College's Quilting Workshop can construct four different quilt tops at the West Bend campus.

The Quilting Workshop will be offered Saturdays, beginning Jan. 28, from 9:30 a.m. to 2 p.m. at the Moraine Park Annex Q, 1702 E. Washington.

Designs and dates will be as follows: Jan. 28 - Indian Design, Feb. 18 - Irish Chain, March 11 - Double Wedding Ring, April 8 - Bow Tie.

The fee for course 301-641-008 is \$27; with a rate of \$14.50 for persons 62 years and over. Registration deadline is Jan. 20. Call Moraine Park at 334-0909.

The boys worked very hard the past few months to receive their badges, which included working at their den meetings as well as at home with their parents.

The month of December kept the boys busy with making ornaments for their tree and presents for their parents. They also had to practice their singing for the caroling during the X-Mas holidays. However, they still found time to have some fun having a Christmas party, which included games and treats.

Den 1 had a special treat of ice cream sundaes because their

"good behavior candle" burned down which means they were on their best behavior at the meetings.

One den made green houses out of soda bottles. Each achievement brings them closer to receiving the next advancement in rank and awards for their accomplishments.

The Webelo Dens also worked on Christmas ornaments, prepared for caroling and had their Christmas party. The Webelo Scouts are starting to prepare for Boy Scouts with learning the Boy Scout oath and law.

Any boy interested in joining the fun and Cub Scouting can contact Cubmaster Gary Smith, 626-4122.

## Pesticide Applicator Certification Program

Pesticide applicator Certification programs have provided opportunities for many people to become certified to use restricted use pesticides safely.

Recent changes have made it necessary for more producers of agricultural products to become certified to use pesticides. The Environmental Protection Agency (E.P.A.) has been reclassifying pesticides with more products being classified as restricted use. These products can only be used by certified applicators.

There has also been a change in the law that in the past allowed a certified applicator to supervise the application by a non certified applicator. This is no longer legal, all applicators of restricted use products must now be certified to apply restricted use products.

There are two ways to become certified or recertified if your certification has expired. One is to attend a one day certification program. The other is to obtain the educational materials, study on your own, then make arrangements to complete an exam.

If producers in Washington County wish to attend a certification session one is scheduled for Monday, January 23. The session will be held at The University of Wisconsin, Washington County Campus in West Bend from 9:00 a.m. to 4:00 p.m.

Individuals planning to attend this session need to register in advance by January 16 at the Washington County Extension Office. The registration fee is \$25.00. This is for the educational materials, noon lunch and the certification costs.

This will be the only session

held in Washington County this year. There will be a session in Ozaukee County at the Courthouse in Port Washington on Tuesday, March 7. Individuals can attend either session.

Persons wishing to become certified through the self study option can obtain the educational materials at the Washington County Extension Office. The cost is \$20.00.

These sessions are for individuals wishing to become certified as private applicators of restricted use products.

For further information, contact the Washington County Extension Office.

# Indians Dazzle Hometown Crowd With Victory Over New Holstein

The Kewaskum Indians dazzled the home town crowd in Parents Night action Friday against the New Holstein Huskies, and came out the victors 74-62.

The Indians came out like gang-busters and before the Huskies ever knew what hit them, Kewaskum popped in seven points, a basket each from Brian Leitheiser, Randy Krell and Mark Heather, while Steve Gerhartz was one of two from the free throw line. The Kewaskum team controlled the tempo and the ball for the entire first quarter and ended up with 20 points on the scoreboard to New Holstein's 7. Big man Mike Ciriacks led the Indians

with eight points in this quarter.

Gerhartz and Sharp contributed four more points to the Indian total and it was 24-8 to start the 2nd quarter. But then the Huskies started bouncing back. Kewaskum lost the ball to three quick steals - turned - into-baskets and it was 26-18, the Huskies making a comeback.

With 3:03 left in this quarter the game gets a little wild and out of hand with rough action under the boards. Gerhartz tried to call a time-out to get the Indian starters back in the game and ended up getting fouled. Coach Schatz tried to calm the team down and get the game

back in Indian tempo.

Back in action, Brian Leitheiser, who had some beautiful assists to the big men on the night, hit Gerhartz underneath for two quick points but the Huskies answered with four points of their own. Before the quarter was out, it was 28-22, still Kewaskum's lead but now only by six points. Kewaskum just couldn't get control of the game and the missed passes and shots sure didn't help.

And the "darkness before the dawn" continued as in third quarter action, the Huskies sank three baskets to tie the score of 28 all. New Holstein

then went ahead 32-30 before Steve Gerhartz once again put on his third quarter extravaganza and sparked the Indian team with 19 points. Many of the Gerhartz baskets were put up in traffic and he ended up sinking not only his baskets but his added shots from the charity stripe, turning three baskets into three point plays. Gerhartz and team scored 25 points in this quarter with Gerhartz unstoppable once he had the ball. Kewaskum was back in the lead, this time to stay there, 53-45.

Fourth quarter action saw the New Holstein shots just not sinking in and as the game

again got quite physical underneath, New Holstein fans could be heard quite disgruntled in the stands, wanting more fouls called. The game went back and fourth for awhile but the point deficit was never cut to less than seven points. Leitheiser ended the game at the free throw line making four of four and icing the game 74-62, with Kewaskum the victors. Gerhartz led all scores with a personal best game - high 30 points with teammates Mike Ciriacks and Mark Heather sinking 15 points and 11 points respectively. Wayne Weber was high scorer for New Holstein with 17 points.

LET'S GO! The Indian team huddles at the start of its parents' night game against the New Holstein Huskies in which Kewaskum came up the winner.

JV parents wishing for more points on the scoreboard. Behind Chris Schmid's 14 points, and Tim Butschlick's 10 points, the Indians lost 62-40.

Coach Schatz calls a time-out in "heated" fourth quarter action. Seated from the left are Brian Leitheiser, Mark Heather, Randy Krell, Rich Radtke and Steve Gerhartz.

Freshmen parents weren't quite this happy by the end of the freshmen game as their boys ended up losing a close one, 47-44.

The hit of the night. Steve Gerhartz, Kewaskum's scoring sensation, who scored 30 points in the parents' night win over New Holstein.

Junior Jenny Bauer pins a parents' night picture button on the shirt of Mrs. Gerhartz, mother of Steve Gerhartz. What a proud mother she was, as her son scored a game high 30 points before the hometown crowd.

## DNR Invites Anglers To Meeting With Fisheries Managers

Looking for some new fishing waters? Anglers from the Milwaukee area are invited to talk to fisheries managers at a unique meeting to be held on Tuesday, January 31, 1989, co-sponsored by the Wisconsin Department of Natural Resources and Trout Unlimited.

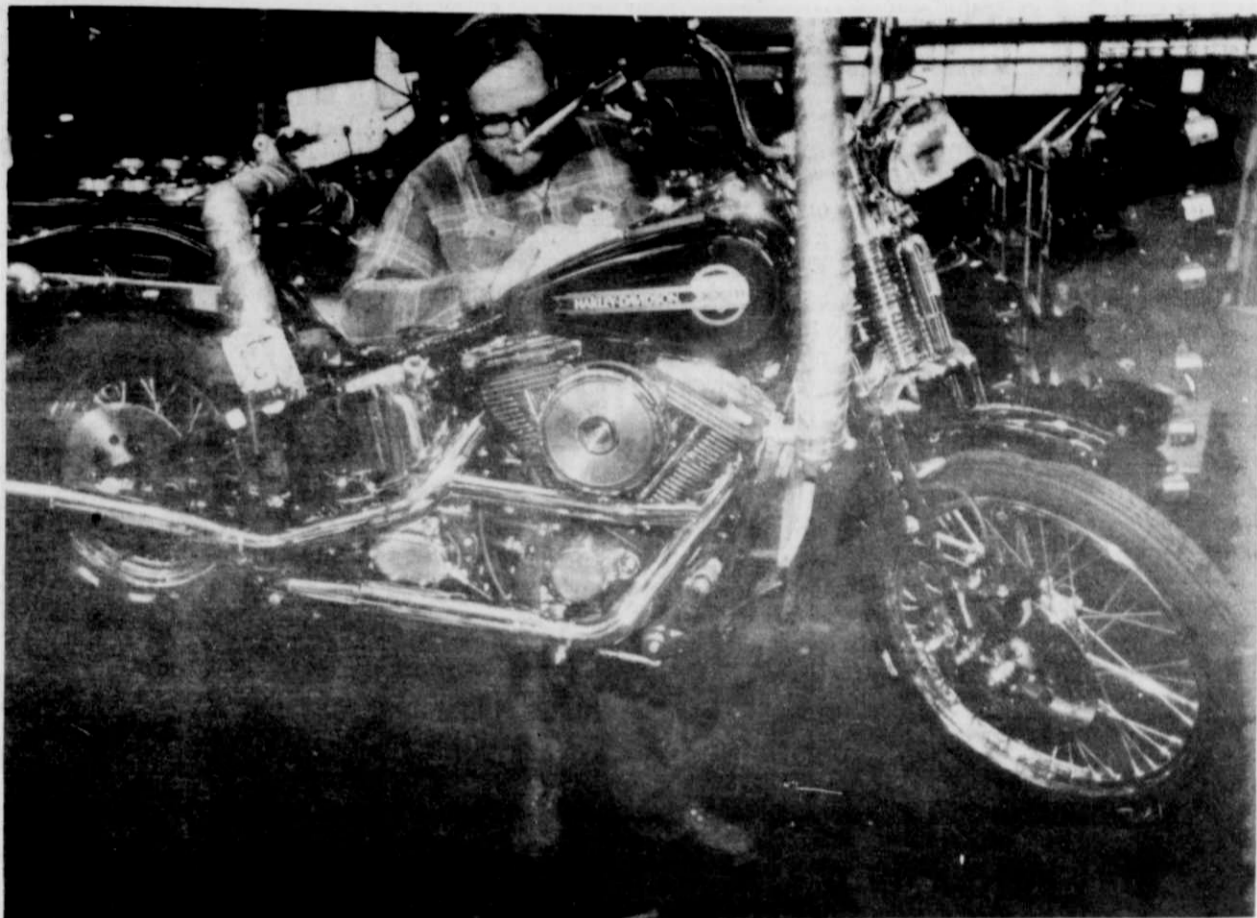

The meeting will feature ten fisheries managers who collectively manage the fish resources of all waters within a three hour drive of Milwaukee. "Although primarily to discuss proposed new trout regulations, we welcome any anglers who just want to find some new waters to fish," said James McNelly, Fisheries Supervisor for the eight county Southeast District. "We are bringing together fisheries managers from areas such as Marinette, Antigo, Wautoma, Wisconsin Rapids and Dodgeville, as well as our local managers."

The Department is proposing statewide changes in inland trout fishing regulations for 1990. "Since many of our anglers fish outside the Milwaukee metropolitan area, we asked these outstate managers to attend this meeting and let anglers know how proposed changes will affect them and the waters they fish," added McNelly.

Approximately 25% of Wisconsin's licensed anglers reside in the Milwaukee Area, where in 1987, over 210,000 resident fishing licenses and over 24,000 inland trout stamps were sold.

The meeting will start at 7:30 p.m. at the Milwaukee Holiday Inn - West, located at the junction of I-94 and Highway 100 (Mayfair Road). A brief introduction followed by a description of the proposed regulation changes will kick off the meeting. Then the various managers will be introduced, with the rest of the meeting informal, one to one discussion on fishing in each area.

The meeting is free and open to the public.

### Lehman Sworn Into State Assembly

MADISON — On January 3rd at 2:00 p.m., Michael Lehman (R-Hartford) officially started his new position as State Representative for the 59th Assembly District. The rigorous schedule will now begin as work starts on the new session, preparing to work and express the views of the 59th district, while working on the new budget.

Having been elected November 8th, there has been much to do with meetings in Madison and attending a new legislator conference, sponsored by the American Legislative Exchange Council, in Washington, D.C. for three days. Rep. Lehman has voted on the Republican party floor leaders and caucus leaders. Assembly committee appointments have now been made, and Rep. Lehman will be serving on the following committees: Criminal Justice and Public Safety; Excise and Fees; Highways; Housing, Securities and Corporate Policy.

Lehman's Legislative Assistant is Jacque Butzlaff who has served in this position for the 59th district for four years working for Dwight York.

Contact can be made with Lehman in his Madison office: 310 West, State Capitol, Madison, WI 53702, (608) 267-2367 or 1-800-362-9696 (Legislative Hotline); or at his home: 1317 Honeysuckle Road, Hartford, WI 53027, (414) 673-7979.

## Minutes of School Board Meeting

December 12, 1988

The meeting was called to order at 7:00 p.m. by President Ralph Horner.

Members present: Clara Trapp, Ruth Schmitt, Ralph Horner, Ron Beimborn, Don Nowak, Neal Weare.

Member tardy: Perry Ankerson  
Clerk Schmitt led the Pledge of Allegiance.

Schmitt/Trapp motion to approve the agenda. Motion passed 6-0.

Perry Ankerson arrived at 7:03 p.m. Student government representation; reports or questions, etc. - none.

Audience to visitors; receiving of delegations: Mary Ann Wagner, representing the KEA, expressed concern for the need of a curriculum coordinator. Discussion followed. Neal Weare asked that the curriculum coordinator position be put on the next agenda as an action item. Ruth Schmitt requested Dr. Heather to provide a list of all administrators' duties.

Weare/Schmitt motion to approve the November 14, 1988 minutes. Motion passed 7-0.

Trapp/Schmitt motion to approve Policy #9369-Minutes. Neal Weare was concerned about destroying meeting tapes after 90 days and also pointed out that this policy contradicts Policy #3514.0. The motion and second were withdrawn and the following motion was made: Trapp/Schmitt motion to take Policy #9369 back to the committee. Motion passed 7-0.

Ruth Schmitt presented the following policies to the Board for their first reading: Policy #3500-Goals; Policy #4147.5-Attendance at State Competitions; Policy #5127-Graduation; and Policy #5133.1-Expense Reimbursement Representing School District. These policies will come before the board for approval at the January 9, 1989 meeting.

The next Policy-Legislation-Bylaw meeting is scheduled for January 23, 1989 at 7:30 p.m. in the Administration Office.

The Finance-Transportation-Buildings and Grounds Committee will meet January 16, 1989 at 7:00 p.m. in the Administration Office.

Weare/Schmitt motion to approve the payroll and accounts payable in the amount of \$1,265,976.66. Motion passed 7-0.

Schmitt/Trapp motion to approve a maternity leave of absence for Margaret Nelson and Leslie Seefeldt. Motion passed 7-0.

Weare/Schmitt motion to approve the resignation of Cecelia Carse and assess \$200 for breach of contract. Motion passed 7-0.

Schmitt/Weare motion to approve the purchase of blinds for the two story addition at KES from House of Window Fashions for \$2145. Motion passed 7-0. Neal Weare requested that Supervisor of Buildings and Grounds Fred Boehlke set deadlines when requesting bids.

Dr. David Heather reviewed the goals he has set for himself as District Administrator and outlined the steps he plans

to take in attaining the goals.

Sharon Blank reported on the 1988 Kewaskum High School A.C.T. test scores.

George Allmann summarized the 1987-88 CTBS test results.

Diane Stangl, Ken Erickson, Robert Sobolewski, Dennis Reha, and Steve King were present to provide information about the 6th grade camp held in October. Mr. King concluded the presentation with an interesting 20-minute video taken at the camp.

Dr. Heather asked board members to contact him if they are interested in attending the WASB convention.

Mr. Milt Dickenson's assignment to the high school math position was announced.

A letter from Quarles & Brady was circulated which contained information about Wisconsin law concerning the sale of a school as requested by Perry Ankerson at a prior meeting. Mr. Ankerson asked that the subject of the sale of Beechwood School be put on the January agenda as an action item.

Dr. Heather announced that the district received a dividend in the amount of \$12,014.00 from Wausau Insurance Company. The district has been informed that there will be no increase in dental rates.

President Horner gave Dr. Heather a 1988-89 salary report which he received from the WASB.

Neal Weare referred to a letter which he received from Mary Panzer regarding the abolishment of property tax for schools. This topic will be on the January agenda.

Perry Ankerson asked that partially self-funded insurance be put on the January agenda as an action item.

Weare/Nowak motion to adjourn. Motion passed 7-0. Meeting adjourned at 8:57 p.m.

### NOTICE TO ALL WASHINGTON COUNTY DOG OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in Washington County that dog licenses and rabies vaccinations are required.

Vaccination by a licensed veterinarian against rabies is required of all dogs (Section 95.21(2)) within 30 days after the dog reaches 4 months of age and revaccinated within one year after the initial vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian when the certificate expires or within three (3) years of previous vaccination. The certificate of rabies vaccination must be presented to the collecting official before a dog license may be issued.

All dogs five (5) months of age or older require a license. The minimum license fee for neutered males or spayed females is \$2.00, upon presentation of evidence attesting to the same, and \$5.00 for the unneutered male or unspayed female dog or one-half of these amounts if the dog became five (5) months of age after July 1 of the license year. The governing body of any town, village or city may raise the minimum dog license tax. Any person who keeps or operates a kennel may apply for a kennel license. The fee is \$30.00 for twelve (12) dogs or less and an additional \$3.00 for each dog in excess of twelve (12).

Dog licenses can be obtained from your local town, village or city treasurer or designee during the course of any given year. Dog owners should notify their treasurer if their dog is given away or has died, so that you will not be considered delinquent. An affidavit of death is available.

#### PENALTY

Every owner of a dog 5 months of age or older who fails to obtain a license by April 1 will be assessed a late fee of \$5.00.

Arthur G. Degnitz  
Washington County Clerk

### VOTING BY ABSENTEE BALLOT

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where the person wishes to vote at least 10 days before the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, a written request, signed by the voter which indicates that the voter resides within the municipality, will be honored. Written requests may be made beginning six months before the primary election. The deadline for receipt of the written request by mail is 5:00 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 5:00 p.m. on the day before the election.

If the absentee voter resides in a nursing home, the absentee ballot will be delivered to the nursing home by two special voting deputies appointed by the municipal clerk. The special voting deputies will present the absentee ballot to the voter and provide assistance in marking or punching the ballot if necessary. At the request of an absentee voter a relative may provide the assistance. After voting at the nursing home is completed, the special voting deputies will return the absentee ballot to the municipal clerk.

With two exceptions, the voter who wants to cast an absentee ballot, must make a separate written request before each election. If a voter is indefinitely confined to his or her home or a care facility because of illness, age, or disability, the voter need not make a request before each election. There is a special statement on the application form which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the indefinitely confined or military voter before each election. If the voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can obtain a ballot.

A voter who is hospitalized on election day may obtain an absentee ballot by designating another person as the agent for the voter. There is a statement on the application form for this purpose. An application by agent for a hospitalized elector may be made in person at the municipal clerk's office no earlier than 7 days before the election and no later than 5:00 p.m. on the day of the election.

If a voter requests an absentee ballot stating the reason that he or she is a sequestered juror, the application can be made no earlier than 7 days before the election, and no later than 5:00 p.m. on the day of the election. If the application from a sequestered juror is received by the municipal clerk after 5:00 p.m. on the Friday immediately preceding the election, the municipal clerk or the clerk's agent will deliver the absentee ballot to the court and the judge will call a recess to allow the voter to cast his or her vote.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available twenty-one (21) days before the spring primary and spring election. The municipal clerk keeps a public record of all individuals requesting an absentee ballot indicating when the ballot is requested, sent, and returned to the municipal clerk.

An absentee ballot can be voted at home any time after it is received in the mail. An absentee ballot can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the certificate-affidavit is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the person providing the assistance must sign the statement on the back of the ballot which provides that the person giving the assistance marked the ballot as directed by the absentee voter. The municipal clerk will make sure that the certificate-affidavit is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in the possession of the issuing municipal clerk in time for the clerk to deliver the ballot before the polls close on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot received after the polls close or any absentee ballot where the certificate-affidavit is not properly completed cannot be counted.

To obtain an absentee ballot send a written request to:

## Indian Matmen Place Fifth in Waupun Tourney

Left to right, Dennis Aupperle, HWT, Dan Heisdorf 140 WT, and Bob Castro 119 Wtm are the Waupun Invitational 1989 Wrestling Tournament Champs. Bob and Dan successfully defended their 1988 titles.

Matt Gruss, Kewaskum, up against Jason Buechel of New Holstein at the Waupun Tourney. Matt, on top, decisioned Buechel 12-1 in the first round.

Sue Heisdorf Photos

by Dennis Aupperle

The Kewaskum Indians placed fifth in the eight team Waupun Tournament with 122 points. Waupun placed a strong first with 181.5 points followed by Kimberly with 158.5, following closely in third was New Holstein with 157 points, Hortonville in fourth with 132, Kewaskum with 122 in fifth. Columbus came in sixth place with 84.5 points, then Winneconne with 74, and finally Markesan in last with 59 points.

Kewaskum, along with Kimberly were tied for the most individual champions in the tournament, three. The three champions were Bob Castro at 119, Dan Heisdorf at 140, and Dennis Aupperle at 275.

Bob Castro, going into the tournament was 13-1. His first match wrestled was against Travis Blazer from Markesan and pinned him in 1:02. In the semi-finals he wrestled Chad Moll from Columbus, and pinned him in 2:42. In the finals Bob wrestled Bernie Van Handel of Kimberly, who had a record of 15-4. Bob shut him out 10-0, for first place.

Dan Heisdorf also performed well, beating Reed Swick of Kimberly 11-1. In the semi-finals Dan wrestled Dan Milner

from Winneconne, pinning him in 3:39. In the finals Dan was up against Dan Ludwig of Hortonville, who had a record of 15-2. Dan decisioned him 5-4 to win the championship.

The last finalist was Dennis Aupperle, in the 275 lb. division. Dennis' first opponent was Rocky Vandenyngard from Kimberly. He wasted no time pinning him in :15. In the semi-finals Dennis wrestled Mark Buechel from New Holstein, and pinned him in 1:05. In the finals Dennis met Mike Taus of Waupun, who had a record of 16-2. Dennis wasted no time technical falling him in 4:00, 17-0.

Other Indian wrestlers performing well were, Jeff Sabish, who placed third, Chris Charland placing third, Dave Kuphal placing 5th, and finally Matt Gruss placing third.

Jeff Sabish pinned Jeff Dery of Winneconne in 1:11 in the opening round, but then lost to Jeff Hietpas from Kimberly. Jeff came back strong to place third by beating Tim Bennett from Hortonville 4-2.

Chris Charland had a bye the first round, then lost to Rick Winterhack 7-1, but came back strong to place third by shutting out Jamie Anderson from

Hortonville, 12-0.

Dave Kuphal performed very well, placing 5th in a very tough weight class. In the first round Dave drew Luke Perrin of New Holstein, who was 16-0 coming into the tournament. Dave did well although he lost 8-4. Dave then pinned Tim Burk of Markesan in :57 seconds in the consolation semi-finals. In the fifth place match Dave finished strong by pinning Craig Renier of Kimberly in 2:54.

Another fine performance came from Matt Gruss at 189, Matt started strong by winning his first match against Jason Buechel of New Holstein, 12-1. In the semi-finals Matt was up against a tough competitor in Troy Bolan from Columbus, who was the state runner-up at 185 last season. Troy pinned Matt in 1:05. Matt came back strong to place third by shutting out Bruce Wishefke from Winneconne 7-0.

This Saturday the Indians travel to Sheboygan North to compete in another 8 - team tournament.

A relief pitcher is allowed eight warm-up pitches when he comes into a baseball game.

## Indian Gymnasts Compete In DePere Invitational

By Kim Stielow

Last weekend the Kewaskum Varsity Gymnastics team competed in the DePere High School Invitational. There were a total of ten teams competing in this meet, from Menomonie, Kimberly Kaukauna, Clintonville, Valders, Neenah, Escanaba, Wisconsin Rapids, DePere, D.C. Everest, and Kewaskum. These schools are in mixed classes with class "A" and class "B" schools attending this invitational.

The competition was very tough for the Kewaskum gymnasts, but they showed that they can hang in with the best of them.

The first five places for team competition on the floor were; first place Neenah, 2nd Wisconsin Rapids, 3rd DePere, 4th D.C. Everest and 5th Kimberly, Kaukauna, and Kewaskum placed 9th.

Vaulting competition resulted in DePere taking first, 2nd Neenah, 3rd D.C. Everest, 4th Escanaba and 5th Wisconsin Rapids, Kewaskum also placed 9th on vault.

Beam results were, first place DePere, 2nd D.C. Everest, 3rd Wisconsin Rapids, 4th Neenah and 5th Kimberly, Kaukauna, Kewaskum hung in and took 6th on beam.

The bar results were, 1st DePere, 2nd Neenah, 3rd

Wisconsin Rapids, 4th D.C. Everest and 5th Escanaba, Kewaskum also hung in to take 6th in this event.

There were three all-arounders on the Kewaskum team, Ingrid Ankersen taking ninth with a 6.59, Juli Swenarski taking tenth with a 6.65, and Chris Ramthun taking 14th with a 6.09. First place for all around was captured by Lisa Jones of DePere with an 8.96. She gave an outstanding performance; 2nd place was Liz Klity from D.C. with 8:45 and taking third place also from DePere was Laura Clay with 8:41.

The final team scores for the invitational were, first with a 110.91 DePere, second with a 105.14 Neenah, third with a 103.81 Wisconsin Rapids, fourth with a 103.30 D.C. Everest, fifth with a 93.26 Kimberly Kaukauna, sixth with an 88.65 Escanaba, seventh with an 85.59, eighth with 84.59 was Kewaskum, ninth with 82.21 was Menomonie, and tenth with a 67.24 was Clintonville.

The Kewaskum gymnasts will be hosting West Bend West this Friday at 6:15. Both J.V. and varsity will be competing. The varsity will also be traveling to Chilton this Saturday for the Chilton Invitational. Hopefully we will bring home a victory.

## Indian Matmen Clipped by Chilton

by Chris Charland

Although the Indians have talented wrestlers at certain weights, the four forfeits they give-up are too much to overcome. With the twenty-four points the Indians give-up each meet, it is questionable if they will win a conference dual meet. In tournament action though the Indian matmen fair well because of their good individual wrestlers.

Wrestlers winning for the Indians were Kevin Kapp by forfeit, Bobby Castro by pin,

## Hebbring Hotel Inhospitable Hosts to Kewaskum Lakes Team

MENOMONEE FALLS — Menomonee Falls Hebbring Hotel proved to be inhospitable hosts to the Kewaskum Lakes team here Sunday night, as they took a 137-126 decision behind Mike Ehler's 38 points. The win evens the Hotel's record at 3-3 in third place, while Kewaskum remains tied for the cellar at 1-5.

The Hotel led the entire game but Kewaskum stayed close and within striking range. The Falls broke to a 33-26 lead at the quarter and increased that to 68-57 at the half and 104-91 after three quarters. With the help of a full-court press, Kewaskum pulled to within five points, 124-119, with about three minutes left before the Falls regained control.

Dave Weber added 26 points for the Hotel and Mark Sievers 22. All seven Hotel players were in double figures. Tim Rondorf led Kewaskum with 35 points, while Randy Tennies added 32 and Mike Goldsworthy 22.

Kewaskum now has a string of six home games, beginning Saturday with first-place Cedarburg. Game time is 7:00 p.m. at the high school field house. The game is Saturday due to the Super Bowl football game on Sunday.
