## State Legislators Considering Recycling Bill

Pat Walsh, Assistant Professor with the Department of Agriculture Engineering, UW-Extension, addressed the Mid-Moraine Municipal Association on the subject of recycling. The Association's meeting was hosted by the Village of Kewaskum at Hon-E-Kor Country Club.

By September or October, Wisconsin could, and may, have a mandatory recycling bill. That's what members of the Mid-Moraine Municipal Association heard at their meeting last Wednesday. The meeting was held at the Hon-E-Kor Country Club and hosted by the Village of Kewaskum.

## Accident Claims Second Life

By GERRY MUELLER  
Statesman Staff Writer

Loris Nelson, 55, of 1119 Roseland Drive, Kewaskum, died Sunday of injuries sustained in a January 14th accident which also claimed the life of her husband, Edwin C. Nelson.

Mrs. Nelson was a passenger in her husband's car when it was struck by another vehicle driven by Timothy North of Cascade.

According to authorities, the Nelson car was northbound on highway 83, in the Town of Erin, when the North vehicle allegedly crossed the centerline hitting the Nelsons head on.

A spokesperson for the Washington County Sheriff's Department said Tuesday, the case is still under investigation and no charges have been issued.

Washington and Ozaukee Counties who attended that meeting were told the Wisconsin Legislature has a Resources Recovery Committee which is focusing "almost entirely on recycling." "They (the legislature) want to do something this term" said Pat Walsh, Assistant Professor with the Department of Agriculture Engineering, University of Wisconsin-Extension.

Walsh, an expert in pollution and waste management, stated "the Legislature feels that waste management is important and will do something this session." State Senator Joseph Strohl, of the 21st District, is heading up the committee which is looking into the full spectrum relating to recycling.

Some of the many issues being studied by the group are, who should do something about it (right now, no one is legally responsible), how do you do it, how are you going to cut down on non-recyclable materials and just what materials must be recycled.

Walsh said one proposal is mandatory recycling for the entire state, however, he did not feel that would work. "Another option is prohibiting some things from being dumped in landfills." Mandatory recycling of corrugated boxes, glass, newspaper, plastic, office paper, tin and aluminum cans, auto batteries, appliances and tires, could become part of

legislation being considered.

Walsh said one problem with that issue is that if the legislature mandates recycling of those items, it must make sure there are markets for those recyclables. He also noted that a plan that may work well for large metropolitan communities could be impossible for rural areas to implement. One association member agreed with Walsh's comments stating, "if the market is there, people are willing to recycle."

Walsh said the committee is also considering prohibiting the production of some materials in the state such as the bi-metal cans, plastic soda cans with aluminum tops, and styrofoam cups. The use of biodegradable garbage bags may also be required.

Composting is also being looked into by the committee. Walsh noted that some communities in the state have already begun a composting program and met with success.

Walsh was asked why the issue of composting had not been pushed harder instead of incineration. He said that composting as a means of recycling is beginning to be considered more seriously as a better solution to the problem. "It costs about \$20-\$30 a ton to compost, while incineration is in the range of \$40-\$50," stated Walsh.

Walsh said some of the problem with composting is, there are very few technical experts in that field who can lend their guidance to starting up a composting program. Secondly, there have been no real uniform designs developed for composting equipment. Almost every program going so far has been an experiment. Another problem with composting is, you have to have a large amount of space to operate because once the materials have been processed, they must be stockpiled and allowed to age for a period of time before being used.

Walsh agreed that while incineration would appear to be a simpler solution, that too, had its drawbacks. Beside the cost, incineration did give off some pollutants into the air and a landfill is still required for the disposal of ash.

Some incentives being proposed to insure success of a recycling program are, grants for collection bins for the recyclable materials, start-up costs and possibly tax breaks or low cost loans for new businesses.

## Allmann Elected VP of Board of Control, Wisconsin School Evaluation Consortium

The Board of Control of the Wisconsin School Evaluation Consortium has elected George Allmann, of Kewaskum, Vice-President of the organization for the 1989-90 term and president-elect for 1990-91 at its annual meeting January 23, 1989 in Stevens Point.

Allmann, who is district reading specialist for the Kewaskum School District was first elected to the Board of Control in 1985 and re-elected to a second three year term in 1988.

The Wisconsin School Evaluation Consortium is a public service program of the School of Education at the University of Wisconsin - Madison. Its purpose is to provide professional audit and evaluation services to its nearly

200 school district members.

Allmann, who has been with the Kewaskum District for the past 20 years, has served on the local SEC steering committee since its inception. In addition to his school district responsibilities, Allmann is President of the Kewaskum Education Association, Chairman of the Town of Kewaskum Town Board, Chairman of the Washington County unit of the Wisconsin Towns Association, and Vice-Chairman of the Washington County Advisory Jurisdictional Highway Committee.

Allmann who is a 1962 graduate of Plymouth High School, received his BA degree from Lakeland College and his MS from UW-Oshkosh.

## Boys Scouts 79th Anniversary Feb. 8

The Boy Scouts of America will commemorate the 79th anniversary of Scouting in our nation on February 8. Tiger Cubs, Cub Scouts, Boy Scouts, Varsity Scouts and Explorers will join in the month-long celebration.

An Englishman, Lord Baden-Powell, founded Scouting and looked upon the Boy Scout movement as an opportunity for groups of boys to gather for positive activities which would lead them to become better citizens, and improve their lives and the world. The anniversary of his birthdate is February 22.

The BSA strives to serve others by instilling values in young people through the Tiger Slogan, Cub Scout Promise, Boy Scout Oath and the Explorer Code. The aims are to develop character, citizenship and physical fitness.

The significance of Scout Sunday, February 5, will be shown as Scouts throughout our nation attend the church of their choice to express their "Duty To God."

Special activities for Glacier Edge District 11, of the Bay-Lakes Council, include Blue and Gold Banquets for Cub Scouts and Tiger Cubs, Courts of Honor for Boy Scouts, Cub Winterfest and the Boy Scout Klondike Derby.

Residents of District 11 in Washington County who would like information on Boy Scouting, may contact the following leaders:

## Youth Conservation Camps Offer Summer Employment Opportunities

Madison, WI — The Department of Natural Resources is now accepting applications from young women and men, ages 15 through 18, for summer jobs at Youth Conservation Camps. A total of 800 positions are available.

The DNR's Youth Conservation Camps (YCC) program operates four camps: Statehouse Lake Camp near Manitowish Waters, Ernie Swift Camp on the Minong Flowage, Mecan River Camp near Wautoma, and Kettle Moraine Camp near Kewaskum.

Each of the residential, coeducational camps run two five-week sessions. Mecan River and Statehouse Lake camps will hold their first session from June 4 through July 8 and their second session from July 9 through August 12. Ernie Swift and Kettle Moraine camps will hold their first session from June 11 through July 15; their second session runs July 16 through August 19.

Campers are paid \$3.35 per hour for 32 hours of work each week, with 12 hours of environmental education included as part of their conservation work-learn experience. A room and board charge of \$30.50 is subtracted from their weekly earnings of \$107.20.

Campers are involved in a variety of hands-on conservation work. Projects include stream improvements to control erosion; development and maintenance work on public parks, campgrounds, trails and picnic grounds; wildlife

## Kewaskum Resident Named to Who's Who Among Students

MILWAUKEE — Stephanie Amerling, daughter of Allen and Jean Amerling, 9685 Highland Dr. has been named to Who's Who Among Students in American Universities and Colleges. Students are chosen for this honor based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

Amerling, whose major field of study is occupational therapy, is a junior at Mount Mary College in Milwaukee. She is a 1986 graduate of Kewaskum High School.

Johnny, 5, heard his parents talking over plans for the baptism of their baby daughter. Later Johnny told his chums, "My sister is going to be vaporized."

(Continued from Page 1)

the meeting, Walsh told them, "if you like what you hear, or if you don't like it, tell your legislators." He said, "municipal officials can have as much impact on the program's development as the people in Madison."

Another guest speaker was Alderman Carolyn Johnson of West Bend, who is also an Urban Water Quality Educator with the University of Wisconsin-Extension and an advisor for West Bend's recycling program.

Johnson presented a slide program on West Bend's recycling program. She explained how the city was able to dramatically reduce the amount of waste the city hauls to landfills.

West Bend's program combines the use of recycling with composting. Johnson noted that yard waste, such as grass clippings, leaves and brush, was the largest component of household waste, comprising about 20% of that total. The next largest item was newspapers accounting for approximately 12%, followed by glass 10%, and metal 8%.

By recycling, noted Johnson, West Bend has been able to reduce its waste collection by almost half. She said preliminary figures show a savings of \$83,000 in tipping fees (the cost to haul to a landfill drop-off point) in 1988.

The municipal officials attending the meeting were urged to attend the association's March meeting when the topic will be "How to overcome outdoor lighting pollution." It was noted that

some cities pollute the evening skies with so much artificial light, their residents can not see the stars.

## Kindergarten Registration

This year's annual "round-up" for the parents of all prospective kindergarten pupils in the Kewaskum School District will be held on Monday, Feb. 6th from 8:00 a.m. to 4:00 p.m. and also 4:30 p.m. to 7:30 p.m. to accommodate those unable to come during the day. Registration will again be held on Tuesday, Feb. 7th from 8:00 a.m. to 4:00 p.m. only.

All registrations will take place in the Farmington, Kewaskum and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1989. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents of bus pupils will need their section number and fire number as well and also fill out bussing forms.

Parents will register their children for next year's term and get the necessary health

forms. If you know of any new families in the district, please pass this information on to them.

I should like to impress upon you the importance of registering your child on either of these two days so that we may plan for them and know staff requirements for next year.

## The 'Big Train Wreck' of '29

A broken equalizer on a truck under the seventh car from the engines caused one of the worst train wrecks in years for the North Western Railroad on the southern city limits of Kewaskum. The accident occurred at about 2:15 a.m. on Saturday, January 19, 1929, when eight cars of an express special No. 126, southbound, rolled down an eighteen foot embankment. This will be the first in a five-picture series on that wreck. More information will follow in next week's edition.

**February 8 Is 'Double Cash' Entry Deadline**

Wednesday, February 8, 1989 is the last day for the Wisconsin Lottery to receive "Double Cash" ENTRY tickets for the game's \$1 million drawing, according to Wisconsin Lottery Executive Director William F. Flynn, Jr.

"The ten finalists for the last \$1 million drawing we will hold for the time being will be drawn at 11 a.m. Thursday, February 9, 1989 at Lottery headquarters in Madison," Flynn said.

The ten finalists will be awarded prizes ranging from \$15,000 to \$1 million paid in annual installments of \$50,000 in a live television broadcast at 6:30 p.m. Saturday, February 18, 1989.

People with a "Double Cash" ticket with the word ENTRY on it three times, should mail the ticket to: \$1,000,000 Drawing, Wisconsin Lottery, Madison WI 53775. Tickets are only accepted by mail.

More than 40 people had

claimed TV winner prizes in the Wisconsin Lottery's "Money Game" through Friday, January 27, according to Flynn.

A TV Winner receives an instant cash prize of \$100 for getting a ticket with three TV symbols on it.

After claiming the TV Winner instant prize, the owner of the TV Winner ticket will be contacted by Lottery officials to discuss the game's weekly television program.

Flynn said a TV Winner is offered an opportunity to appear in person or provide a proxy or stand-in for a television show taping session on a specific date.

A TV Winner who agrees to participate in the television show, or send a proxy, is guaranteed an additional prize ranging from \$300 to as much as \$64,500.

"From early feedback as we call the TV Winners, it seems that the chance to win a substantial amount of money and

be a part of a television show is exciting for the people of Wisconsin," Flynn noted.

More than 400 Wisconsin Lottery winners, who received prizes of \$600 or more, should receive an income tax withholding form called a W-2G. It show how much in state and federal taxes were withheld from major Lottery prizes, Flynn said.

A total of 403 forms were sent

to people who won a total of \$2,770,000 in 1988. A total of \$178,000 in federal taxes were withheld from those winners along with \$191,376 in state taxes.

On prizes of over \$5,000, federal tax withholding is at 20 per cent while on prizes of over \$2,000 state withholding is at 6.93 per cent.

"People who received W-2G's won \$5,000 and \$10,000 prizes or were on one of the two \$1 million grand prize drawings we broadcast in 1988," Flynn remarked.

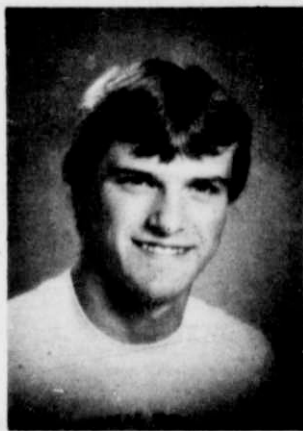

If the world is going to hell, why are we in such a confounded hurry to get there?

Wedding vows were exchanged between Jean Thill of New London and Patrick Lowney of Neenah, at a 2:00 p.m. ceremony on Saturday, Dec. 17th, 1988 at St. Bridget's Church. Father Berghammer was the celebrant.

Parents of the couple are Mr. and Mrs. Allen Thill, Kewaskum and Mr. and Mrs. Warren Lowney of New London.

The matron of honor was Janet Rammer, Kewaskum. Bridesmaids were Joan Schlafer, Cathy Lowney and Mary Bellile.

Randy Rusch of New London served as best man. Groomsmen were John Lowney, Steve Frederick and Al Wangelin.

Ushering duties were shared by David Schlafer, Campbellsport and David Murphy, New London.

Music was provided by St. Matthew's Youth Choir of St. Matthew's Catholic Church, Campbellsport.

A reception and dance followed at the West Bend

Royale.

The bride is a graduate of Fox Valley Technical College. The groom is a graduate of U.W. Oshkosh and is employed at Lakeview Credit Union, in Neenah.

The couple reside at 1326A Meadow Lane, Neenah, WI 54956.

**Valley Bancorporation Announces Dividend Increase**

At their recent meeting, the Valley Board of Directors increased its quarterly per share dividend from \$.24 (\$.96 annualized) to \$.26 (\$1.04 annualized). On an annualized basis this represents an increase of 8.3%. This dividend is payable March 3, 1989, to shareholders of record February 24, 1989. This marks the twenty-third (23) consecutive year in which Valley Bancorporation has increased its per share dividend, supporting Valley's philosophy of increasing dividends as earnings increase.

**Pfister - Schmidt**

Wedding vows were exchanged between Lori J. Pfister and Michael J. Schmidt Jr. during an August 20, 1988 ceremony at Trinity Lutheran Church, West Bend.

Parents of the couple are Audrey Pfister and Michael Schmidt Sr., and the late Mary Jane Schmidt both of West Bend.

The maid of honor was Cheryl Becker, cousin of the bride and bridesmaids were Donna Lenz, Cheryl Schrauth and Lisa Schmidt.

# Giese - Crittenden

Vows of holy matrimony were exchanged between Janice Giese and Jimmy Crittenden, at a 2 p.m. ceremony on Saturday, Dec. 10, 1988 at the First Baptist Church, Campbellsport. The Rev. Randolph Miller officiated.

Parents of the couple are Mr. and Mrs. Elmer Giese, Kewaskum, and Mr. and Mrs. James Crittenden of Florien, LA.

The matron of honor was Cindy Flasch, sister of the bride, Kewaskum, and bridesmaids were Denise Goetsch and Rita Ebert, friends of the bride and Julie Giese, sister of the bride.

David Flasch, brother-in-law of the bride, Kewaskum, served as best man. Groomsmen were Steve Herriges and Eric McElhatton, cousins of the bride, and Randy Kemp, friend of the groom.

Lisa Flasch, niece of the bride, and Adam Baumhardt, friend of the bride, were the flower girl and ring bearer.

James Herriges, cousin of the bride, took care of the ushering

duties.

Music was provided by Corrine Eggert, organist and Virginia Whittaker, soloist.

A reception and dance followed at the Riverview Inn, Kewaskum.

The bride is a graduate of Kewaskum High School. The groom is a graduate of Florien High School and is employed as a machinist at Gehl Company.

The couple honeymooned in Florien, Louisiana.

## 'Dance for Heart' Scheduled

On Saturday, Feb. 11, about 30 aerobic dancers from the Campbellsport area are expected to participate in a "Dance For heart" event from 9:30 to 11:30 a.m. sponsored by the Health Hut Fitness Center of Campbellsport.

The two-hour event will benefit the American Heart Association of Wisconsin's community programs, cardiovascular research and heart-health education.

Dance For Heart is part of a nationwide effort to fight heart disease and stroke — the number one killer in America. Dancers collect pledges from friends, relatives and co-workers for every minute they dance.

Besides raising funds for the Heart Association, Dance For Heart also promotes the health benefits of exercise and dance, according to Dance For Heart Volunteer Coordinator, Beth

Jones, a Certified Fitness Instructor.

"Dance For Heart is great for men and women, young and old alike. Not only will we be doing something healthy and fun for ourselves, we'll be raising money to help people of the area fight heart disease and stroke," Mrs. Jones said.

Since Dance For Heart began in Wisconsin in 1982, over 21,000 men and women have raised more than \$850,000 at events held throughout the state.

The public is invited to come to the High School New Gym to watch the dancers on Saturday, Feb. 11. For more information on the event, call 533-4747. You may register and join the group for a \$10 fee, which entitles you to a "Dance For Heart," t-shirt.

### Moraine Chorus Invites New Members

Spring rehearsals are underway for the twentieth season of the Moraine Chorus. Director Peter Ayer has issued an invitation for new members to join the group.

The chorus, which topped 80 members last fall, practices Mondays from 7:30 to 9:30 p.m. in the Union rehearsal room at the University of Wisconsin Center — Washington County.

Ayer, a professor of vocal music at UWWC, founded the

group in the fall of 1969 and has directed it ever since. "This spring we will be singing about a dozen of our better numbers from the last 20 years," he said.

Among the numbers listed by Ayer are "Laetatus Sum" (Be Joyful) by Monteverdi, "In Solemn Silence" composed by M. Ippolitof-Ivanof and "My Love is Like A Red, Red Rose" with words by Robert Burns and music by Bill Cutter.

A highlight of the coming semester is the twentieth annual spring concert at 2 p.m., Sunday, May 13. Featured at the concert will be an appearance by Ayer's 28-member Mannerchor, a Milwaukee-area men's group.

Participants in the chorus can choose to earn 1 credit at UWWC by enrolling in Music 072. The credit is entirely optional. Fees for 1 credit are \$57.30. Chorus membership is free.

Chorus members come from nine area communities including Fredonia, Germantown, Grafton, Hartford, Jackson, Port Washington, Saukville, Slinger and West Bend.

For further information, call Ayer at UWWC, 338-5233.

Benjamin Franklin was one of the first people to manufacture playing cards in America.

## Evening of Chamber Music Opens Spring Fine Arts Series

An Evening of Chamber Music opens UWWC's spring Fine Arts Series at 7:30 p.m., Friday, Feb. 3.

Ten area musicians will perform during the program in the campus theatre. They are members of two quintets: the West-Wind Woodwind Quintet and the Washington Brass Quintet.

The woodwind group, which has been together three years, consists of Jane Kesting of Silver Creek, flute; Lois O'Keefe of Grafton, oboe; Heidi Baumann-Schuppel of Slinger, clarinet; H. Robert Dittmer of Milwaukee, French horn; and Lori Coulthurst - Mueller of West Bend, bassoon.

The brass ensemble, which was formed in 1983, consists of Brian O'Keefe of Grafton, trumpet; Kevin Hussey, trumpet; Ken Carson of Whitefish Bay, French horn; Dave Kliss of West Bend, euphonium and trombone; and Marty Gross of West Bend, tuba.

Most of the musicians are involved in school or private teaching. Dittmer directs the West Bend high schools bands; Brian O'Keefe, the Cedarburg High School band; Kliss, the Kennedy Middle School Band in Germantown; Carson, the Whitefish Bay School System Band; Lois O'Keefe, the Middle School Band at Cedar Grove - Belgium Schools.

Each quintet will handle a portion of the program. Albert Asch, an associate professor of music at UWWC and director of the Moraine Symphony Orchestra and the Lakeshore

Concert Band, will direct the combined groups quintets in a closing number.

The Feb. 3 performance will be the second annual appearance of the quintets in the UWWC Fine Arts Series. Asch said the concerts are the culmination of an idea he has had for a chamber music night since first coming to West Bend in 1968.

"It was just a matter of getting people together," he said. "So when these two new groups formed, I grabbed onto them."

The Washington Brass perform a wide variety of quintet literature from the Baroque Era to the present. WestWind's repertoire has numbers from all major musical periods including Broadway and jazz.

"The groups keep the evening pretty much on the light side," Asch said. "This is fun music."

Tickets cost \$5 - \$3 for students and senior citizens. For more information, or to reserve a ticket, call UWWC, 338-5208.

## Washington County Youth Concerto Contest Auditions Saturday

Nearly 50 young people will be auditioning at West Bend on Saturday, Feb. 4, for the annual Washington County Youth Concerto Contest.

The contest is co-sponsored by the Moraine Area Private Music Teachers and the Music Department at the University of Wisconsin Center - Washington County. Winners in the junior and senior piano and

instrumental divisions will perform with the Moraine Symphony Orchestra on April 9.

Students in grades 6 through 8 will compete in the junior division; grades 9 through 12, in the senior.

The public is welcome to attend the day-long auditions. Piano students will play in the theatre, with junior auditions starting at 9:30 a.m.; seniors, at 1 p.m. Instrumentalists are scheduled for the Union rehearsal room: juniors starting at 9 a.m.; seniors at 11 a.m.

Anna J. Asch, spokesperson for the sponsoring teachers' group, said that all contestants must live in Washington County, furnish their own accompanist for the auditions and provide a copy of their music for the judges.

Rules state that all contestants must perform a movement of a concerto or a solo with orchestral accompaniment.

Last year, 47 youth auditioned.

Memorials in his name may be directed to the church.

## IN MEMORY

In loving memory of my husband, SYLVESTER FELENZ, who passed away 15 years ago, Feb. 6, 1974:

What would I give his hand to clasp,  
His patient face to see,  
To hear his voice, to see his smile,  
As in the days that used to be.  
But some sweet day we'll meet again,  
Beyond the toil and strife,  
To clasp each other's hand once more  
In Heaven, that happy life.

Sadly missed by wife, Gertrude.

## IN MEMORY

In loving memory of ELLA ANDRE, who passed away one year ago, Feb. 9, 1988:

A precious one from us has gone,  
A voice we loved is still,  
A place is vacant in our home,  
Which never can be filled.

Missed by James Andre, children and grandchildren of Ella Andre.

## IN MEMORY

In loving memory of our daughter and sister, Janet Gross, who passed away eight years ago Feb. 5, 1981:

They say time heals all sorrow,  
And helps us to forget,  
But time so far has only proved  
How much we miss you yet.

God gave us strength to take it,  
And courage to take the blow,  
But what it meant to lose you,  
No one will ever know.

Sadly missed by the family.

## CARD OF THANKS

Words cannot express our sincere thanks to all the people who showed their concern during the recent illness and passing of our beloved sister IRENE LAWRENZ.

To all who visited, gave cards and flowers, the staff at St. Joseph's Hospital and Dr. Bain. Special thanks to Pastor Robinson for his prayers and visits.

To all who paid their respects, sent flowers and gave memorials and Millers Funeral Home. Thanks to Pastor Robinson for his comforting words.

The surviving family of Irene Lawrenz

# Valley Bancorporation Announces Top Management Changes

Peter M. Platten III, left, and Gus A. Zuehlke

Gus A. Zuehlke, Chairman and Chief Executive Officer, has announced a change in top management of Valley Bancorporation. Zuehlke said he will step down as Chief Executive Officer but will continue as Chairman. The Valley Board has named Peter M. Platten, III as its new Chief Executive Officer. Platten will also continue as President, the position he has held since 1983.

Zuehlke, 67, founded Valley Bancorporation 25 years ago and has served as its Chairman and Chief Executive Officer since its inception. Valley, with banking assets of \$3 billion, was begun in 1963. After numerous acquisitions, its markets now include most of eastern and south central Wisconsin, extending from Green Bay and the Fox River Valley to Madison/Janesville, to Suburban Milwaukee.

Valley is Wisconsin's largest bank holding company headquartered outside of Milwaukee ... and the third largest bank holding company domiciled in Wisconsin. Valley currently serves Wisconsin through 98 offices with additional financial service companies engaged in leasing, insurance, data processing, trust service, brokerage, and credit card

servicing. Gus Zuehlke is recognized as one of the top bank holding company executives in the United States. He comes from a long line of bankers and is a native of Appleton.

He has contributed much toward the growth of Appleton and served it well. One of his friends said, "Gus never turns anyone down who comes to him for help. Appleton wouldn't have been the same without him. He figures out what is wrong ... and then goes ahead and does something to fix it."

Zuehlke graduated from the University of Notre Dame and the Graduate School of Banking, University of Wisconsin, Madison. Active in banking organizations, he has served as a director of the national Association of Bank Holding Companies, State Vice President of the American Bankers Association and is a current director of the International Financial Conference. He also served two terms as president of the Fox Cities Chamber of Commerce.

Special recognition for Zuehlke has included Outstanding Alumnus, Notre Dame; Paul Harris Fellow of Rotary International and an Honorary Degree of Doctor of Laws,

Lawrence University.

Peter Platten has been President and Chief Operating Officer of Valley Bancorporation. He also comes from a long line of bankers and has been President and Chief Executive Officer of West Side State Bank, West Bank & Trust and United Bankshares, Inc., which merged with Valley Bancorporation in 1983.

He is a native of Green Bay and a graduate of the University of Wisconsin, Madison. He has been active in business and community affairs, serves on many boards throughout the state, including the Green Bay Packers as Secretary and Executive Committee member.

Presently, he is active with his alma mater, the University of Wisconsin, Madison, serving as a director for the University of Wisconsin Foundation and president of the Wisconsin Business Alumni, which is currently raising funds for the new business school at the UW-Madison.

## Former KHS Graduate Returns to Teach

When Jeff Igel entered the restaurant and hotel cookery program at Moraine Park Technical College in 1984 at 18 years of age, he says he was "immature, my hair was wild, I was a 'do-nothing' in high school - a real pain." A 1986 graduate of the associate degree program, he now credits the college's teachers for the success he is finding in education. Igel was a Kewaskum High School graduate.

Later this year, Igel plans to graduate from UW-Stout with a double-major - hotel and restaurant management and vocational, technical, and adult education. He will finish his master's program at Stout in 1990 in vocational, technical, and adult education with a food service emphasis. This past fall, he returned to Moraine Park to student teach with Ron Speich, food service instructor.

"I wouldn't have made it in a four-year college," Igel explains. "The staff at Moraine Park recognized my immaturity and they helped me work on it. While I was attending school here, I thought the teachers were sometimes a real pain; but now that I'm out, I realize how smart they are."

Igel taught with Speich in his Restaurant and Hotel Food Service Management, Food Prep 1 and Restaurant Operation courses. He says he chose Moraine Park because it was easier for him to get teaching experience. "I was only student teaching for eight weeks and I figured I'd spend four weeks learning the ropes at someplace new. Here, I just jumped right in and started teaching."

Speich agrees: "Because he's

a past student and he's had a lot of the subject matter, it was easier for him to get into the job and begin instructing and making plans."

While Igel was student teaching, a Stout supervisor came twice to evaluate his performance. "That went well, but Ron (Speich) actually assigned the grade," he says. "Ron evaluated me every two weeks. He was very supportive and helpful."

"He was a good student before," Speich says, "but he saw the program from a student's point of view. As a teaching assistant, he looked at things much differently - he could see the other side of education. I think he found that teaching is not just giving out material, but dealing with students and their emotions and working on their problems as well."

"I was a fairly good student here," Igel says. "The competency based instruction and the teachers pushed me to my maximum level. I'm always challenged when I'm pushed; I give the teachers credit for that."

Igel, who now lives in West Bend, has worked in the food service industry for three years. As part of his field experience, he worked in Australia for four weeks in a full service restaurant.

He says he would like to work for a while longer before he begins teaching. "In order to be certified to teach, I need 4,000 hours of work experience. If the job I really wanted - food service instructor - opened up, though, I'd be foolish not to take it."

Five students are recognized for their contributions to the 1988-89 Luther College Phonathon. The students, from left, Scott Schmitt, Kecia French, Peter Lawrence and Steve LaMaster, served as chairpersons for the annual fundraising event.

DECORAH, Iowa — Five Luther College students served as chairpersons for Luther's eighth annual alumni phonathon.

Phonathon chairpersons were responsible for recruiting and organizing teams of student and faculty volunteers to participate in the fundraising drive.

The phonathon, in which volunteers solicit alumni by phone, raises money for Luther's annual fund. When the

phonathon started in 1980 there were 2,000 alumni donors. Last year 5,000 alumni pledged more than \$900,000.

Luther's annual phonathon is supervised by the college's Alumni Office.

Students who served as phonathon chairpersons were:

Scott Schmitt, junior, son of John and Ruth Schmitt of 8065 Kettle Moraine Dr., West Bend, WI; Steve LaMaster, senior, son of the Rev. David

and Barbara LaMaster of Box 604, Ogden, Iowa; Peter Lawrence, junior, son of David and Susan Lawrence of Phoenix Farm/Salem Rd. S.W., Rochester, Minn.; Kecia French, senior, daughter of William and Judy French of 1115 Lake St., Alexandria, Minn.; and Jennifer Birgerson, junior, daughter of Judith Birgerson of 1436 Hollywood Blvd. N.E., Cedar Rapids, Iowa.

## Wisconsin Farmers Union Opposes Increase In Congressional Salaries

Chippewa Falls — Wisconsin Farmers Union officials today came out in opposition to the proposed 51 percent increase in Congressional salaries and urged Congress to "reject any salary increase until the federal budget is balanced."

The farm organization's directors and county presidents, meeting here as a resolutions committee, adopted a resolution in a special order of business, opposing the Congressional pay raise while "average Americans face further cuts in their standard of living in paying for the federal fiscal excesses of the past 8 years."

The resolution, adopted unanimously by the 40 officials, was sent to the entire Wisconsin Congressional delegation, Speaker of the House James Wright (D-Texas) and Senate Majority Leader George Mitchell (D-Maine).

The Farmers Union officials cited reports that the federal government is facing a budget deficit of about \$155 billion for fiscal 1990 and unfunded costs of over \$240 billion, including approximately \$50 billion to bail out failing savings and loans, \$144 billion to clean up and modernize hazardous nuclear weapons plants and military sites and a likely \$50 billion to cover a revenue shortfall in the tax code rewrite.

The full text of the resolution follows:

Whereas, the federal government is facing a budget

deficit in the range of \$155 billion, and

Whereas, the Gramm-Rudman-Hollings balanced-budget law calls for a deficit not exceeding \$100 billion for fiscal 1990, which begins October 1, 1989, and

Whereas, according to a recent General Accounting Office report, unfunded costs awaiting President-elect Bush include: approximately \$50 billion to bail out failing savings and loan associations, \$155 billion to clean up and modernize hazardous nuclear weapons plants and military sites and a likely \$50 billion because of a revenue shortfall in the tax code rewrite, and

Whereas, average Americans face further cuts in their standard of living in paying for the federal fiscal excesses of the past 8 years, therefore be it

Resolved, that the directors and county presidents of the Wisconsin Farmers Union do hereby go on record in opposition to the proposed 51 percent increase in Congressional salaries, and be it further.

Resolved that Congress reject any salary increase until the federal budget is balanced.

## NEWS EXTRA...

### Driver License Revocation and Suspensions Double in Five Years

The state Department of Transportation revoked or suspended the driver licenses of nearly 200,000 people in 1988, up 22 percent over 1987 and double the number of only five years ago.

One in four of the 1988 license suspensions had nothing to do with driving violations, reflecting the numerous laws assigning driver license suspensions as punishment for unrelated social problems such as failing to pay fines and forfeitures, juvenile drinking and truancy, according to Joyce Gelderman, director of driver licensing in the Division of Motor Vehicles.

And the number of non-traffic related suspensions will increase substantially after May 1 when a law goes into effect adding violations of municipal ordinances to the list of offenses for which Wisconsin people may lose their licenses, Gelderman added.

Gelderman said her office revoked 190,689 drivers in 1988, compared to 156,726 in 1987 and 95,326 in 1983.

The most frequent reason why people lost their licenses in 1988 was failing to pay a forfeiture, which resulted in 60,244 suspensions. The second most frequent offense was operating while intoxicated, which caused 31,597 people to lose their licenses. Third was operating after revocation or suspension which resulted in 22,920 revocations in 1988.

Gelderman said the majority of the increase over the past five years has been in only three categories of offenses. The largest increase was in failing to pay forfeiture which went from 19,380 in 1983 to 60,244 in 1988. Other major increases came from the new administrative suspension law which resulted in 20,089 suspensions, and a 15,000 increase in the number revoked for operating while suspended or revoked which climbed from 7,789 in 1983 to 22,920 in 1988.

"The increase in operating after suspension/revocation convictions isn't too surprising when you consider how many new or expanded ways there are to be suspended or revoked in the first place," Gelderman commented.

Increases also occurred in failure to comply with the alcohol/drug abuse assessment, which went from 11,425 in 1983 to 17,257 in 1988, and a 5,000 increase in suspensions for juvenile alcohol laws which rose from 463 in 1983 to 5,581 in 1988.

There were 3,155 people whose operating privileges were revoked for five years as habitual traffic offenders in 1988 compared to only 314 in 1983.

Point system revocations and suspensions, the "frequent offenders" program, went from 15,868 in 1983 to 16,688 in 1988, only a 5 percent increase.

"Actually, there was a 21 percent drop in point system suspensions and revocations from 1987, which can be attributed to a 1988 law dropping the time period for counting points from three years to one year," Gelderman explained.

"It's gotten to the point that the driver's license is being used as punishment," Gelderman said. "The original purpose of licensing drivers was to make highways safer," she said. "The original point system was weighted so that the revocation or suspension was tied to the seriousness of the violation," she explained.

"We're getting farther and farther away from these original concepts, and many people now believe that this new approach has devalued the driver's license and does not necessarily relate to highway safety," Gelderman added.

### Milwaukee Archdiocese Launches Campaign for Hunger Awareness

On Wednesday, February 1, the Archdiocese of Milwaukee launched an educational campaign to create a greater awareness of hunger.

The semester-long campaign will focus on local, national and global hunger. Students at all grade levels of the 10-county diocese will participate by integrating the issues of hunger and education into their daily curriculum. Counties in the Milwaukee Archdiocese include Dodge, Fond du Lac, Kenosha, Milwaukee, Ozaukee, Racine, Sheboygan, Walworth, Washington, and Waukesha.

The goals of the program are to heighten community-wide awareness of hunger, demonstrate how Catholic schools serve the community, and promote a greater understanding of how education is the long-term solution to hunger.

Archbishop Rembert G. Weakland officially kicked-off the campaign at 9:30 a.m.

during an assembly at Mother of Perpetual Help grade school in Milwaukee.

Approximately one ton of food raised by the school's students was displayed in the gymnasium. From there, the Archbishop discussed hunger with the children and their responsibility to this problem as Christians. The Archbishop announced that the food collected by the students is only enough to feed the hungry in the Milwaukee area for six hours.

Students throughout the 10-county diocese participated in the kick-off via a pre-recorded message by Archbishop Weakland.

The campaign will culminate on May 4, 1989, with a food drive involving the schools of the Archdiocese. May, the month when schools begin to close and hot lunch programs end, marks the greatest need for food.

#### CHANGE BRUSHES

"In only 17 to 35 days, a heavy build-up of germs appears on your toothbrush," says Dr. Thomas Glass, oral pathologist at Oklahoma U. "By changing brushes more often, you can help chase away lingering colds, sore throat, mouth sores, and other infections. Using a new toothbrush may help you to recover more quickly," advises Dr. Glass.

## West Bend President Joins AHAM Board of Directors

Augustine "Gus" J. English

CHICAGO — Augustine "Gus" J. English, group president of Premark International and Consumer Products Division and president of West Bend Company, West Bend, was elected to the Board of Directors of the Association of Home Appliance Manufacturers (AHAM), a Chicago-based organization.

As a member of the Board, English sets AHAM policy and oversees association activities, which include standards development, government relations, product certification, data gathering, and industry communications.

English brings to his new position senior level executive experience in the appliance business gained in the U.S. and in Canada. Prior to joining West Bend - U.S., where he was appointed president in 1982, English was employed with West Bend - Canada, where he became president in 1976.

Earlier in his career English held a variety of management posts for Rexall Drug Co.-Canada, West Bend's sister company under a previous corporate parent, and was appointed president in 1972.

English also serves on the executive board of AHAM's Portable Appliance Division.

He is a director of the Direct Selling Association, a member of the advisory council of the College of Business Administration of Marquette University and serves on the board of directors of St. Joseph Hospital in West Bend.

A native of Canada, English

received a degree in industrial sociology from St. Francis Xavier University and did postgraduate work at Toronto University.

West Bend is a division of Premark International, Inc. Of the appliances within AHAM's product scope, West Bend markets coffeemakers (drip, percolator and urn), corn poppers, fondues, food grinder/choppers, food processors, fry pans, griddles, irons, juicers, slow cookers, toaster/oven/broilers and woks.

AHAM is an international association of 131 member companies which manufacture major and portable household appliances as well as the components and materials used in their production.

1. Record votes cast for each candidate and reported by the towns, villages and cities in Washington County for the Spring Primary of February 21, 1989.

2. Certify that the persons receiving the greatest number of votes for the respective office for which each was a candidate are declared to be candidates at the Spring Election to be held April 4, 1989.

3. Any other business as authorized by law.

## Mech Is AAL General Agent of the Year Short Course Preview Set for February

James D. Mech

Appleton, WI — For the third straight year, James D. Mech of Sheboygan, Wisconsin, has been named AAL general agent of the year. Mech is head of the James D. Mech Agency of AAL, 3124 Wilgus Road. His selection was based on outstanding performance during the 1988 marketing year, which ended on Dec. 31.

The Mech agency, which serves Lutherans and their families in Calumet, Dodge, Manitowoc, Ozaukee, Sheboygan and Washington counties, ranked first among the 84 AAL general agencies in the United States in overall insurance. More than \$94 million of life insurance was placed last year by the 36 district representatives in the Mech agency.

Mech, characterized by his peers as a man of strong convictions, says he has a philosophy of life that he doesn't "check" at his agency office door. "I believe in myself, in my associates and in my friends. You have to make a commitment to God, your family and your job," he said.

Mech is dedicated to success not only as a general agent, but as a human being, and he instills that same conviction in his staff. "We do the best we can to create a positive environment for our people and to help them become the best they can be."

Whenever Mech speaks of his success, it's never in terms of "I" and "mine" — it's always

"we" and "our."

"Our staff is our most valuable resource. The present staff has a combined total of 334 years of AAL service. We treat them with respect and as equals. Our relationships are built on care and trust."

When discussing his personal accomplishments, Mech said, "One reason for my success is that I believe we lead best when we seek the welfare of those we lead. As a general agent, I'm a teacher, coach and mentor."

The district representatives Mech attributes his agency's success to are: Thomas Baalke, C. David Baumgartel, Ronald De Karske, Clyde Gugel, Roger Hering and Gerald Plehn, all from Sheboygan; Larry Capaul, Michael Senkbeil, Brett Thompson and Neil Thompson, all from West Bend; Glenn Dohrmann and Thomas Peppel, Cedarburg; Mark Fischer and Alan Ross, Manitowoc;

Brad Gehrt, Duane Ohland and Marie Press, Beaver Dam; James Geib, Waldo; Verlyn Hahn and Merle Pamperin, Hartford; Daniel Hedrich, Chilton; Ronald Hinz, Hilbert Kamps and Janice Kamps, Cato; Karl Kaeppler and Gerald Wolfgram, Howards Grove; Robert King, Lomira; Glen Kjornes and Bruk Thompson, Juneau; Meinert Otto, Horicon; David Parduahn, Fond du Lac; Edgar Roehrborn, Kewaskum; Eugene Rosenthal, Thiensville; Robert Schlender, Greenleaf; Joseph Stickney, Grafton; and Gerard Thompson, Plymouth.

High school juniors, seniors and parents interested in participating in the 1989-1990 Farm and Industry Short Course at the University of Wisconsin - Madison can preview both the campus and course offerings on Tuesday, Feb. 21, or Wednesday, Feb. 22.

The short course program is designed to prepare young people for careers in farming or agribusiness. Faculty from the UW-Madison College of Agricultural and Life Sciences teach the program's courses.

This year's preview will include visits to the farm electrification lab and to classes on plant diseases, beef management and production, and dairy herd management.

People planning to attend the program should contact their local agriculture teacher, county Extension agent, or Richard Daluge by Feb. 10. Daluge can be reached at 608/263-3918, or at 105 Agriculture Hall, UW-Madison, Madison, WI 53706. The preview is free except for campus bus fare and the luncheon.

Several scholarships are available for short course applicants. Deadline for scholarship application is April 1.

# Hwy. 45 Overpass Work in Full Swing

Construction workers set up forms for the pouring of concrete support walls for the Highway 45 overpass at Highway 33 in West Bend.

Work on the seven overpasses along the thirteen-mile stretch of the 45 bypass is in full swing and that portion of the construction is expected to be completed by April.

Actual construction of the two remaining lanes, which eventually will become the southbound lanes, is expected to begin in spring with completion of the entire project by this fall.

It is estimated that almost 14,000 vehicles a day are using the present two lanes of the bypass.

## Moraine Park Celebrates During February

Moraine Park Technical College's community of students, instructors and staff will celebrate during the month of February as they play their part in two national events.

Throughout February, Moraine Park will join with more than 1,200 other community, technical and junior colleges across the U.S. as they celebrate Community College Month. With the theme "Community Colleges: Where America Goes to College," the month is a celebration of past successes and future achievements of the colleges and their students.

During Vocational Education Week, Feb. 12-19, the college will host several events emphasizing the theme

"Building Tomorrow's Leaders."

Sunday, Feb. 12 - The West Bend, Beaver Dam and Fond du Lac campuses will host an open house from 1 to 4 p.m. Area residents, students and staff are invited to witness firsthand how vocational-technical students are acquiring job skills and preparing for future careers. The open house is the first on the Beaver Dam campus in many years. The campus has undergone extensive renovations this past year, and area residents are invited to tour the expanded and updated facilities. Refreshments will be served and entertainment will be provided on all three campuses.

## Kewaskum Area Girl Scout News

Back row, left to right: Sarah Bausch, Krista Chapman, Misty Hiller, Jeanette Knoeck, Kristi Gundrum, Jo Anne Thull. Front row: Shannon Stockhausen, Katie Boff, Sharon Albrecht, Amy Rettler. Not pictured: Jennifer Deverney. Leader: Lyn Gundrum and Co-Leader Elizabeth Bobb.

Brownie troop #268 are 3rd graders at Farmington Elementary School. We have 11 girls in our troop and we meet after school on Tuesdays. We have been very active since the start of school. We have earned several Brownie Try-It patches and have made many craft items.

We enjoyed going bowling and marching in the West Bend Christmas Parade. We especially enjoyed Christmas caroling at Mapledale Manor

and the West Bend Samaritan Home, which ended with a pizza party at Dick's Pizzeria.

At the present time, we are working on the Girl Scout Cookie sale. In the future, we will be preparing for the Folk Fair in West Bend and troop camping in the spring.

## Geography Bee Held at Middle School

Floyd Brenner, left, and Joy Wilson, right.

Floyd Brenner and Nathan Kloske

Kewaskum Middle School recently conducted a school-wide "Geography Bee." The geography bee is a competitive program of geography facts and concepts sponsored by the National Geographic Society.

Stephen King, principal and Floyd Brenner, 8th grade science teacher organized the competition. Science teachers, Brenner, Dennis Reha, Diane Stangl, and Jim Hanson conducted the class competitions to determine school finalists. Class winners then competed for a school championship. 1st place honors

went to 8th grader, Joy Wilson and 2nd place was captured by Nathan Kloske, also an 8th grader.

Joy will now enter a written examination to see if she will qualify for state competition. State winners will then compete nationally. Eventually the national winners will receive a \$25,000 scholarship. Second, third and fourth place finishers will also receive varying amounts of scholarships. The state competition is scheduled for April and the national for May.

## Campus Notes

Madison — An area student is among students named by Dean John R. Palmer of the University of Wisconsin - Madison School of Education to the dean's list of top scholars.

The honor is earned for maintaining a 3.5 grade point average on a 4.0 scale.

The student is: Ellen Jean Beisbier, 1089 Fond du Lac Ave., Kewaskum, WI.

♦♦♦♦

Madison — An area student is among those named by Dean John G. Bollinger of the University of Wisconsin - Madison College of Engineering to the dean's list of top scholars for the past semester.

The honor goes to fulltime students who earn at least a 3.25 grade point average on a 4.0 scale. Approximately 4,000 undergraduate students are enrolled in the nine fields of engineering studies offered by the college.

The student is: Richard J. Heller, 517 Keller St., electrical engineering, Kewaskum, WI.

The goal of KEYS is to raise and invest \$100,000 and use the interest for scholarships for Kewaskum High School graduates. Send donations to KEYS INC., P.O. Box 124, Kewaskum, WI 53040

## Hay Management Information Available To Local Growers

Hay growers in this area have the opportunity to learn about new hay management techniques and win a free baler from Pioneer Hi-Bred International, Inc.

Alvin C. Panzer, area representative for Pioneer, is hosting the first "Bale it Better Bonanza" for area hay growers.

Representatives will introduce growers to PIONEER (R) brand 1155 Alfalfa Hay Inoculant and discuss the latest information on alfalfa varieties developed for this area.

Growers can visit with their representative about the uses of bacterial hay inoculants and the management techniques used to bale at higher moisture levels.

The introduction of 1155 will enable hay producers to bale at moisture levels up to 25 percent, reducing weather risks and drying losses.

At the end of the "Bale it Better Bonanza," the drawing for a free hay baler will take place.

The Bonanza will continue through Feb. 25, 1989.

## In the Service

Leo Clune recently "shipped out" to Marine Corps Recruit Depot, San Diego, California, to begin his basic training. The son of Leo Sr. and Lois Clune of West Bend, will spend 11 weeks in recruit training, preparing for his career in the United States Marine Corps.

After recruit training he will be reassigned to a Marine Corps Service Support School for his initial skill training in one of over 500 Military Occupational Specialities. Pvt. Clune attended Kewaskum High School, "Class of 1989." He joined the Marine Corps in March 1988.

The Kewaskum fire department was called to the Johnson Tool & Engineering Co. plant on the Kewaskum hill at 11:40 a.m. Tuesday to extinguish a blaze.

The fire is believed to have been caused by an overheated motor on the stroker in the plant and ignited paper and rubbish around the furnace.

This is the first fire call for the local department since last Nov. 9, a period of over 2½ months. This is a very good record for the community especially in the winter heating months.

Mrs. Jack Tessar of Kewaskum, National Flag Bearer, Ladies Auxiliary to the Veterans of Foreign Wars of U.S. will be in Washington, D.C., Feb. 3-5, to take part in the 1964 Women's Forum on National Security.

Building permits issued during the past few months by the village included three for new homes in Kewaskum and one for a \$250,000 addition to the Kewaskum elementary school. Permits issued for new buildings were as follows: Sept. 5, Gustan Werner new home, Oct. 18, and Nov. 15, Marvin Kuehl, new homes in Roseland Hills.

The Rev. R. Hausmann read the 11 a.m. Mass in Holy Angels Church, West Bend on Sat. Jan. 18, during which Mary Jane Peters, daughter of Mr. & Mrs. Elmer Peters of Big Cedar Lake, became the bride of Richard E. Czaja, son of Mr. and Mrs. Edward Czaja of Kewaskum.

A large barn on the Otto Kutz farm near Dundee burned to the ground Sunday afternoon, killing 20 hogs, 40 chickens and several rabbits.

Firemen from Campbellsport fought the blaze for more than two hours but were unable to bring the flames under control until the building was destroyed.

A short or other electrical failure in a water pump in the barn's basement were listed as the probable cause.

Rep. William K. Van Pelt, Sixth District, Wisconsin, today reaffirmed his determination to oppose "hasty action" on a proposal to convert thousands of acres of agricultural and residential land in Wisconsin into a park to be called the Ice Age National Scientific Reserve.

Again it is our regretful duty to record the passing of one of Kewaskum's most widely known and respected citizens in the person of Sebastian N. Casper, 72, who conducted a tavern in the village for the past 25 years. His place of business, formerly known as the Central hotel, is located on Main Street, directly across from the village hall and next to the North Western Depot.

Opening of the Campbell-sport Beauty Shoppe under the

management of Mrs. E. F. Nolting of this village was held last Saturday. Miss Eleanor Schleif of this village, who was employed in Milwaukee the past year, has been engaged at the shoppe.

In a pretty winter wedding ceremony performed by the Rev. H. Hoessel, at Evangelical Church, Cedarburg, Saturday, Jan. 28, Vernon Lierman, son of Mr. and Mrs. Oscar Lierman, formerly of Beechwood, took as his bride Miss Betty Mae Brandstetter, popular young daughter of Mr. and Mrs. William Brandstetter of Kewaskum.

Coming as a surprise to their many friends in Kewaskum, announcement has been made of the marriage of Miss Kathryn Ebenreiter of Kewaskum, to Elmer Meyer of Campbellsport. The ceremony took place on second Christmas Day, Dec. 26, 1938.

Baby boys arrived at the homes of Mr. and Mrs. Oscar Hirsig on Sunday, Jan. 29, Mr. and Mrs. Gregory Harter on Jan. 31, and to Mr. and Mrs. Jos. Mueller of near St. Kilian recently.

During the Radio Reading Club program last Friday, Valeria Koerble and Junior Kaniess received honorable mention for the poems they sent in. Doris Mae Stahl, August Bilgo and Lois Klukas received honorable mention for their stories.

Three hundred students living in the short course dormitories at the University of Wisconsin college of agriculture were placed under quarantine when four cases of scarlet fever were found among the dormitory residents.

The inauguration of Gov. Heil cost the state \$634, according to a legislative bill calling for payment of that amount from the general fund.

Five years in the Fort Leavenworth penitentiary was the sentence passed on Monday by Federal Judge F. Geiger on each of four Yeggmen, William Houlihan, Daniel Murphy, William Burns and James Moore, found guilty by a jury of having attempted to rob the local post office on July 8th, 1913.

Judge Geiger denied a

motion for a new trial. They were sentenced to five years in the penitentiary and an additional fine of \$1,000 each.

William Lindow, who conducts a cheese factory southeast of this city, met with a very painful accident on Wednesday, of last week, assisting in felling trees near his place. In the cutting of a tree, Mr. Lindow misjudged the direction it would fall, with the result that it crashed upon him. Mr. Alwardt, who was working with him, managed to release him from his perilous position and he was brought to this city where it was discovered he had two teeth forced out, besides receiving severe bruises. Mr. Lindow is the president of the Plymouth Dairy Board.

Fred Werner of Schleisingerville was awarded in the neighborhood of \$200 by a jury in a lawsuit against the Soo Railway Co. Werner sued for \$1500 in damages on a charge that he had been put off a train while enroute to Milwaukee and had to walk back to Schleisingerville, a distance of one mile.

Werner had bought a ticket to Milwaukee but the agent gave him the wrong ticket, but the conductor could not be convinced and put Werner off the train.

Henry Garbisch, the local iceman, completed the ice harvest last week. For a time it seemed quite blue for the iceman on account of the mild weather, but weather conditions changed and the ice reached a thickness of about nine or ten inches. The harvest this year was the latest for a long time.

The Bank of Kewaskum had an electric adding machine placed in their office this week. They have the machine on trial and are very well satisfied with it. It is a marked improvement over the hand lever machine and saves much labor and time.

Sleighs are now taking the places of wagons here, the snow of Monday making fair slipping.

The public schools of Horicon were closed last week on account of an epidemic of mumps. Thirty-two cases having been reported.

## Letter to The Editor

Dear Editor:

The recently-completed 1988 Christmas Mail Call was once again the most successful ever. With the support of concerned Americans from coast to coast we were able to increase the amount of cards and letters sent to many of the units and activities across the country and around the world. We were also able to add an entire remote Army base as well as the crews of 19 Navy ships to our list of units receiving Christmas mail.

Sincere thanks are extended to those readers of the Statesman who responded to this unique, patriotic program.

Sincerely,  
Cris Greisdick  
National Chairman

## KHS Gymnasts Host Beaver Dam On Parents' Night

BY Kim Stielow

The Kewaskum Varsity and J.V. gymnasts competed against Beaver Dam last Wednesday night. The gymnastics team put on a great performance for their parents, breaking both the standing school record and the floor exercise record!

The final score between Kewaskum J.V. and Beaver Dam was Kewaskum 63.08 and Beaver Dam 52.2. The top three finishers on Bars were; 1st Jodi Batzler with 3.7, 2nd Deanna Wagner with 3.3, and 3rd Stacy Heberer with 3.25.

Vault scores for J.V. were, 1st Kelli Tabb, Beaver Dam with 6.75, 2nd Sandy Schuttle, Beaver Dam with 6.55, and there was a three way tie for third on Kewaskum's team, Deanna Wagner, Jodi Batzler, Wendy Fiedler all receiving a 6.3.

Beam exercise finals were 1st place Joy Castro with a 5.15, 2nd Jodi Batzler with 4.45 and 3rd Melissa Jones, Beaver Dam with a 4.6.

Floor exercise results were as follows: 1st Paula Wilson with a 6.25, 2nd place Krista Herren with 5.45, and 3rd place Karen Junk with a 5.2. Competing on all-around for Kewaskum J.V. was Deanna Wagner.

The J.V. competitors are: Joy Castro, Jodi Batzler, Wendy Fiedler, Paula Wilson, Angie Clements, Karen Junk, Tracy Ruplinger, Deanna Wagner, Kim Callahan, Stacy Heberer and Jessica Rohrer.

The final score in competition between Kewaskum and Beaver Dam varsity was, Kewaskum 89.91 and Beaver Dam 84.65.

The final scores for vault were 1st Gretchen Mueller, Beaver Dam, with 7.65; 2nd Krista Herren and Heather Worthen, Beaver Dam, with 7.3; 3rd Ingrid Ankerson 7.25 and Tara Broome with 7.25.

Uneven bar results were 1st place Juli Swenarski 7.5; 2nd place Chris Ramthun with 6.8; 3rd place Tara Broome, Beaver Dam, with 5.45.

The scores on Balance Beam were 1st place both Juli Swenarski, and Tara Broome, Beaver Dam, with a 6.75, then taking 3rd place Ankerson with 6.4 and Chris Ramthun finished with a 6.35.

Floor exercise results were, 1st Gretchen Mueller, Beaver Dam, with 7.85 2nd place; Ankerson with 7.65, and a 3rd place tie between Swenarski and Broome with a 7.55.

The school record on floor exercise for Kewaskum was 24.81 and the final score for parent's night was 22.6 missing the school record, but setting a new season high. The high score for a meet total was 89.88, this was the school record. The school record is now 89.91.

The Kewaskum Varsity competitors are: Juli Swenarski, Paula Wilson, Chris Ramthun, Kim Stielow, Ingrid Ankerson, Wendy Fiedler, Tisha Stradtman, Stephanie Reindl and our newest member Stacey Heberer.

## Football, Baseball Programs A Possibility for Area Youth

The Kewaskum Athletic Club recently held a meeting to discuss the possibility of providing organized athletic teams for the area's youth. Seventh and eighth grade flag football and baseball programs were discussed. The flag football program would enable participants to learn and practice basic football skills before the high school level. The baseball program would fill a gap between the present Jaycee baseball league and the

high school level. The program would be opened to all school district residents. However, the program would not be school sponsored.

Present at the meeting were members of the Athletic Club - Tom Bartelt, Jeff Geidel, Ron Theusch, and Ric Leitheiser - and several community members - Shirley Schlice, Clark Pearson, Earl Kleinke and Perry Koth. Success of the program will hinge on further participation and support from residents throughout the school district.

A second meeting will be held for anyone interested on Monday, Feb. 13, at 7:00 p.m. in the Kewaskum High School library. For further information, please call any of the above-mentioned people.

Contact Person: Ric Leitheiser, Home Phone - 334-1432, Work Phone - 338-0611.

## Kewaskum Sinks Port Lakers

**KEWASKUM** — The Kewaskum Lakes team, bolstered by the addition of some new players, easily rolled over the Port Washington Lakers here Sunday night, 147-122. The win broke a four-game losing streak for Kewaskum and elevated them into a tie for fourth place with Thiensville-Mequon at 2-6. Port, meanwhile, remains in the basement at 1-7.

Port started out hot and held a 28-22 lead after the first quarter. Kewaskum then employed full-court defensive pressure the rest of the game and this proved to be a key to their victory. Kewaskum led 67-63 at the half and 102-92 after three quarters before pouring it on with a big 45-30 fourth quarter.

Bill Albrecht led seven Kewaskum players in double figures with 26 points. Tony Pirozzoli added 22 points, Steve Albinger 21, and Leon Laatsch and Randy Tennes had 19 each. Dave Ross topped the Lakers with 30 point, while Mark Gumm added 20, Rollie Kitt 19, and Shawn Kiefe 18.

Kewaskum will host the Thiensville-Mequon team this Sunday at 7:00 at the high school field house, with the winner taking over fourth place.

## UWVC Women's Team Splits Two

The University of Wisconsin Center — Washington County womens basketball team has started its post-holiday competition by splitting a pair of contests to maintain their Wisconsin Collegiate Conference record at the .500 mark.

The Wildcats began their 1989 play by losing to UWC-Marathon 47-63 on Jan. 12 at the Wausau campus. Two days later they came right back to soundly defeat UWC-Marshfield/Wood County by a score of 60-38.

UWVC coach Tom Brigham said his team played poorly in its loss to UWC-Marathon, allowing 35 turnovers. The Wildcats played that game without the help of one of their best players, Kelly Koller, who was out with a muscle sprain. Tammy Becker was the top scorer in that contest, bringing in 25 points in the loss.

In its win over Marshfield on Jan. 14, the Wildcats trounced a team it had beaten by only one point in a first semester game, Brigham said. Playing at full-strength again, Koller dropped in 24 points, with Becker adding 19 points.

Top rebounder in that win was UWVC's Missy Gundlach who grabbed nine rebounds. "Missy's strength for us is in her defense and her rebounding," Brigham said. "We look to her for that."

## Rock River Oldtimers Plan Upcoming Activities

Mayville Golf Club chefs, be on alert.

On next Nov. 4th, Bruce Froemming will be sampling your famed entrees.

The rotund, popular National League umpire is famous for presiding over two kinds of plates: home plate, as seen on TV, notably at World Series games, and dinner plates, as feature speaker at major sports' functions, in this case the Rock River League Oldtimers' Association 10th Hall of Fame Dinner on the Nov. date.

Association Pres. Carl Heimerl, Jackson, this week announced that Froemming's dinner appearance will wind up a 5-event 1989 program for the Rock's Oldtimers.

It begins on April 8 with the organization's annual business meeting, followed by Rock River League Night at Milwaukee Co. Stadium (Brewers vs. Minnesota) on July 22, then Rock River Oldtimers' Day at the Brewers vs. Yankees Aug. 16 senior citizens' day game and the Oldtimers' outing at a Rock River Championship Playoff game in early Sept.

## Indians Trail Raiders Another Typical Game... Another Typical Loss

A word for the Kewaskum Indian team could be "consistent"... consistently giving up too many points in the first half, consistently having an explosive third quarter, and consistently losing because the first half point-spread was too great.

True to form, Kewaskum played a "sleeper" of a first quarter at the Kiel gym on Friday and before the Indians "woke up," it was 21-6, the Raiders. Kewaskum's starting five had only scored two points mid-way through the first quarter and a frustrated Coach Schatz benched his starters for what he hoped would spark new energy on the floor, and also some points.

Rich Radke led the Kewaskum team in the second quarter with six points as the Indians started fighting back, and in his quarter they scored basket for basket with the Raiders. Still, with that slow first quarter, by halftime the point deficit only dropped to 14, 44-28-Kiel.

Raider teammates Isselmann and Casper provided the hot hands in the first half of play including four three-pointers.

Typical of Indian play, Kewaskum cut the lead to seven points in the third quarter but then the Raiders used a "stall-ball" strategy in the last two minutes of this quarter to produce some Indian fouls - which they capitalized on. By the end of three, the Raiders were up 59-48.

Kewaskum's big men again played the key to the third quarter spirt, and before the game was over, Steve Gerhartz hammered in 24 points with Mike Ciriacks and Randy Krell pumping in 13 and 12 more. Brian Leitheiser, "Mr. Assist"

for the Indians, provided the clutch passes to the right people for the score.

The fourth quarter ended with Kiel breezing into a victory 76-64 and Kewaskum dropping their record down to 2-6.

JayVee's lost to a tough, super-charged Kiel team 63-33. Coach Dillman lost his point-guard Mike Ruplinger for the season with an injury and Mark Felix was playing at only half capacity with an injury of his own. Scott Heller popped in ten points in the defeat.

Freshmen lost 62-50 with Joel Fleischman contributing 14 points for his losing Indians.

## Another Indian Girls' Victory

by Janel Flynn

Last Thursday, the KHS Girls hosted Kiel on Parents Night. Coach Milt Dickinsen expected a close game and was happy to see his girls play so well.

During the first quarter the two teams exchanged buckets and ended the quarter with a score of 10-12 Kiel. The whole second quarter was much different. The Indians were on a streak and broke out with 19 more points, holding Kiel with only a pair of freethrows. The score at half was 29-14 Kewaskum, and their lead kept increasing as the game went on.

In the third period, Kewaskum had a lead of 19 points, 36-17 and finally got up to a 22 point lead 40-18. The Indians kept a steady pace to end the game 52-31.

The high scorers were Debbie Donath with 12 points, six of which were in the first quarter. Pam Osterbrink and Kristi Lubahn were close behind with

ten and nine points respectively. Jenny Schneider and Deb Rimmel led with three assists each. Also, with great steals were Deb - six and Jenny - four.

The J.V.'s also played a good game for the parents. The entire game was close and very competitive but the Indians pulled yet another one off with a final score of 28-24. This win leaves the J.V.'s 7-1.

At the end of the first quarter the score was tied 6-6. At half the Indians were ahead 14-12. Then, at the end of the third quarter, the score was tied once again 20-20. The fourth quarter was very close to determine the win. The Indians settled that decision!

The high scorers were Amy Chesak with eight points, Kelly Rohlinger - seven, and Carrie Krause with five. Krause also led the team with four steals and seven rebounds. Others with steals were Amy Chesak and Laurie Vogt with three each.

## End Season 0-6 In Conference Indian Matmen Plagued by Injuries, Lose to Two Rivers

by Chris Charland

Indian matmen faced conference foe Two Rivers Friday the 27th. Once again the Kewaskum wrestlers were not able to pull off a victory, losing by a score of 36-38.

It was Kewaskum's last home and dual meet of the season and for the seniors, their last at Kewaskum High School. Congratulations on your four years of success. Seniors: Bobby Castro, Chad Schmidt, Chris Charland, Matt Gruss, and Dennis Aupperle.

Forfeits hurt the Indians as they have all season long. The Indians first win came at 112 where Jeff Sabish won by a forfeit. Bobby Castro followed

by winning by a pin. Kewaskum then forfeited the weights of 125, 130, and 135. At 140 Dan Heisdorf pinned his opponent, Dave Kuphal also won by fall, along with Matt Gruss. Dennis Aupperle was the last Indian wrestler to win by a forfeit.

Indian wrestlers losing but putting in good efforts were Kevin Kapp, Chad Schmidt and Dan Roher making his first varsity appearance. He replaced veteran varsity wrestler Chris Charland who is out with an injury but will return this week.

## Ripon College Women's Team Resumes Action

After a tough four-day semester break schedule, the Ripon College women's basketball team resumed action last Wednesday with a non-conference game at home against Marian College. The visiting Sabres used a smothering defense and a 19-11 advantage at the free throw line for the 71-65 win. Ripon's record now stands at 4-7 for the season and remains at 0-4 in the conference.

The Redmen played well early in the ballgame and led 30-26 at the half. The second half, however, was a different story as the Sabres outscored the Redmen 45-35 for the win.

Team leaders for the Redmen were Andi Walczak (Waupaca, WI), who has been a very steady performer, 13 points-five rebounds; Sandy Secor, (Kewaskum, WI), who shot well and played solid defense to keep the Redmen close, 12 points; and Barb Hayden (Merrillan, WI), who was the smallest inside player on the floor but led everyone in rebounding, 10 points-nine rebounds.

Secor is the daughter of Gerald and Mary Secor, 1856 Scenic Dr., Kewaskum.

A minor league pitcher was once traded to another team for 20 uniforms.
