OM Team to Compete in World Tournament

Team B, representing Kewaskum High School, will travel to Boulder, Colorado to compete in World OM Competition, after placing first at state. Team members include: front row, left to right: Ira Sison, Jeff Morlen, Dave Prunty. Top row: Jeff Kissinger, James Dionne, Mike Kocher. Not pictured - Chris Schoofs.

The Kewaskum High School's OM team "B" placed 1st in state competition on Saturday, April 29th at Steven's Point and will be moving on to Boulder Colorado for world competition the last week of May.

Coached by Mr. Charles Kocher, the team consists of Ira Sison, James Dionne, Mike Kocher, Jeff Kissinger, Jeff Morlen, Chris Schoofs and David Prunty. Their "Cause and Effect" project is made up of 12 different tasks that are

powered solely by the energy of a cue ball that has been dropped. The cue ball gets dropped into a pipe and from there it turns on lights, flips something over, breaks a balloon, sets something free, makes the letters O.M. appear, sets off a catapult, and causes 4-6 oz. of water to be poured from a 24 oz. full container just to name a "few" things.

"The "B" team has been working on this project for the last five months and were "elated" to say the least with their 1st place finish out of 11 schools and "tough" competition. The competition will only get tougher as some of the World OM teams they will compete against come from British Columbia, Montana, Nevada, Iowa, South Dakota, and more to be named.

The other O.M. team to place for Kewaskum was the "C" team of Mark Peters, Jesse Santoro, George Walz, Don Iwen, and Stacey Schmitt. Congratulations goes out to all OM'ers!!

Board Approves Expenditures for OM Team's Trip to World Competition

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum School District will be sending one of its Olympics of the Mind teams on to participate in the World O/M competition to be held in Boulder, Colorado later this month.

At its meeting Monday night, the Kewaskum Board of Education unanimously approved paying of expenses which enables the team to travel

to the event and compete against other teams from across the U.S.

The team coached by Mr. Charles Kocher recently took a first place win at the state competition in Stevens Point, making them eligible for the world competition. The team is made up of James Dionne, Mike Kocher, Jeff Kissinger, Jeff Morlen, Dave Prunty, Chris Schoofs and Ira Sison.

School Board Reverses Decision on Beer Sales

KES and Wayne 5th Grades To Be Combined in 1989-90

BY GERRY MUELLER
Statesman Staff Writer

The Kewaskum School Board voted Monday night, to combine the fifth grade classes of the Kewaskum and Wayne Elementary Schools for 1989-90.

The proposal was the second option presented to the board for consideration as a way to reduce class sizes at KES. Administrator David Heather, at a meeting last month, had informed the board that fifth grade enrollments at KES for the 89-90 school year would be 62 students, resulting in two large classes of 31 students each.

Heather had indicated his first recommendation was the hiring of another teaching position to reduce those classes to three classes of 21 students. However, in the light of recent staffing cuts, his next choice was to bring the Wayne fifth grade class and its teacher, into KES. With the 17 Wayne and 62 KES students combined, it would result in three classes of about 27 students. Because there is already a shuttle bus between the two schools for special education students, there would be no additional bussing costs.

Another option Heather had presented was the shifting of school boundaries. He noted,

however, this would not provide any significant change in the class sizes.

Heather said that with the trend in declining enrollments, the combining of the two schools' classes could work for the next three to four years. Of course, if enrollment should go on the rise, said Heather, we would have to re-evaluate this plan.

In other business the board acted on the proposal to hire a halftime curriculum coordinator. Board member Perry Ankersen, who has been fighting to reduce the budget, told fellow board members he would not vote for the motion. "I feel we can hold off on this position and save the \$20,000." Ankersen noted he was not against the position, he just felt the district could not afford it at this time. On a 4-3 vote, the board approved the hiring of Connie Strand as the new part time curriculum coordinator.

Despite a negative recommendation from Dr. Heather, the board reversed another decision it made last month. This time, on a 4-3 vote, the board voted to approve the request of the Kewaskum Athletic Club to sell beer during its games played on the district's ball diamond adjacent

(Continued on Page 6)

No Added Teacher for Middle School

By GERRY MUELLER
Statesman Staff Writer

Despite comments from Kewaskum Middle School principal Stephen King, District Administrator Dr. David Heather and several middle school teachers, the Kewaskum Board of Education remained unswayed and refused a request to reinstate one full time teaching position for sixth grade classes.

King tried unsuccessfully to convince the board that the position was necessary to maintain the current house plan for the sixth grade classes.

Several board members, including Perry Ankersen, said they were not aware that when they approved recent staffing cuts it would affect the sixth grade house plan.

Ankersen noted that, while he had never had any intention of destroying the sixth grade house plan, what was done was done. "The administration, of which you are a part," Ankersen told King, "came back to us and said this was the best alternative plan." Ankersen and other board members noted that the administrators were aware of what effect it would have on the sixth grade. If they didn't want that to happen they should have presented other options, noted one board member. Board member John Schulte said he

wondered if it had been "a ploy" and that the administration had planned on coming back and requesting the position be reinstated. Both King and Heather asserted that had not been their intention.

Board member Ruth Schmitt told those attending the meeting, "when I placed this on the agenda I thought it could be done without the addition of another teacher, I'm kind of disappointed." She questioned why when the house plan was put into place for 1987-88, it required 14.25 full time equivalent teachers and now it can't keep operating with 14.5 FTE's.

Former board member Clara Trapp addressed the board saying the Beechwood PTO was told all 6th graders would stay together in a house plan. "The kids were herded in there like cattle in a loafing barn," said Trapp. Board president Neal

Weare told Trapp there was never a motion by any board for a house plan, just a self-contained setting. Heather confirmed Weare's comments saying he had verified that fact by going back through past school board records.

Ankersen told the audience he hated to be the heavy all the time, noting he will have a son going into the sixth grade, but he could not vote for the reinstatement of a full time teaching position at the middle school.

Board member Donald Nowak said, "When we made cuts at the high school there was all kinds of criticism, we knew nothing about education, etc. Well, we turned it around and gave it back to the administration for it to make the decisions about where to cut. This is the way it is and its going to stand." Someone said,

(Continued on Page 6)

Retirement Reception Planned

A reception is being held to acknowledge Walt Bade who will be retiring after teaching for 37 years with the Kewaskum School District. Former school board members Clara Trapp and Ralph Horner will also be recognized.

The reception for these people will be held in the library

at Kewaskum High School on May 25, 1989 from 3:45 to 5:00 p.m. A presentation time of 4:15 has been set for any individual or group to recognize them.

The Kewaskum School Board and the Staff wish to extend an invitation to the community to join them in this event.

Krazy Daze June 20

We know it's a little bit crazy, but its almost that time of year again when the Kewaskum Area Chamber of Commerce sponsors the annual Krazy Daze Sale.

This year it will be held on Tuesday, June 20th, from 8 a.m. to 8 p.m. All area businesses, local organizations, clubs and individuals are

encouraged to join us on the streets of Kewaskum to sell your wares, enjoy some good food, and visit the stores of area merchants and take advantage of their fantastic sales.

The Kewaskum Statesman requests that advertisers have their ads in by Thursday, June 8, or earlier for the Friday, June 16 publication.

Confirmation Held at Peace Church

The following young people were confirmed in their faith at Peace United Church of Christ, Kewaskum, on Palm Sunday, March 19, 1989. Front row, left to right — Courtney Sparks, Heidi Goetsch, Jennifer Stelter. Middle row — Kevin Stern, Yvonne and Marty Schlice, Jason Petermann. Back row — Kevin Hinz, Rev. James Bettin, Patrick McFadden.

Sand Anyone?

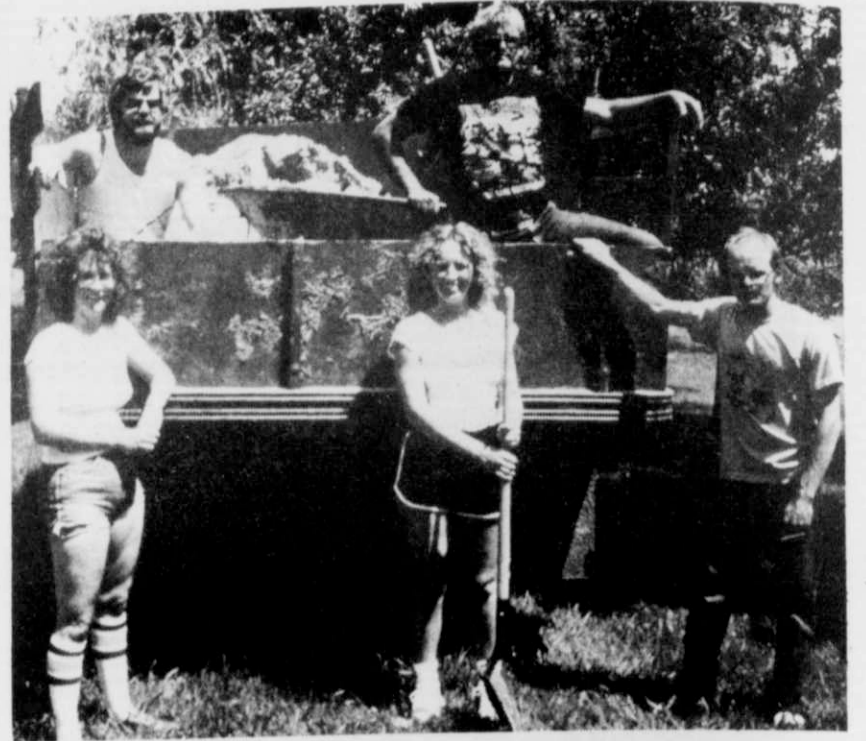

Photo Courtesy of Kathy Fronek

It's that time of year when sandboxes need refilling. Have yours done without leaving home or lifting a shovel. On Saturday, May 20th the Kewaskum JC's will be holding their annual sandbox fill from 10 to 2.
Call 626-4331 or 626-2222

with your name and address for delivery. All deliveries will be in late morning or early afternoon on the 20th. Donations will be appreciated, with all proceeds being used for community projects.

Births

STOFFEL — Twin sons, Steven Joseph and James Allen, to Paul and Joanne Stoffel, Madison, on April 29. Paternal grandparents are Allen and Peggy Stoffel, Kewaskum. The twins join two sisters at home.

Cow-Goat Drop Contest Sponsored By AFS Chapter

With the new craze for raffles and lotteries going on, the Kewaskum AFS Chapter offers a unique way for you to make your fortune. "Bossy" Cow or "Billy" Goat could add to your fame and fortune by picking your number at the AFS Cow-Goat Drop May 19 from 3-8 p.m.

What is a Cow-Goat Drop? With only 300 tickets available to be sold, a grid of 300 numbers will be laid out for the activity at the Kewaskum High School grounds. With bated breath, observers will watch carefully as Bossy, or Billy, or both choose the number on which they will bestow their fragrant "drops." Three lucky people holding those ticket numbers will win prizes of \$100, \$75, and \$50. You need not be present to claim your prize. Along with the suspense of the competition, refreshments will be served by the Kewaskum AFS chapter.

You can join in the fun and prizes with a donation of \$300 per ticket. Call 626-8331 for information and tickets, or call the high school at 626-2166.

Peace Players Present Comedy 'Hot Property'

A dinner theater will be presented by Peace Players at Peace U.C.C. Church on Thursday and Friday, May 25 and 26 at 6:30 p.m. "Hot Property," a two-act comedy by Fred Carmichael, will be featured following the dinner. Rev. James Bettin is the director, with Becky Manthei as co-director.

Members of Peace Church in the cast include Curt Ammel, Margaret McFadden, Shannon McFadden, Shelley Pennington, Charles Petrie, Steve Romans, Margaret Seideman, and William Stangl. Willard Gruhle has constructed the sets designed by Rev. Bettin. The plot of the play centers around the hilarious antics of a temporarily unemployed troupe of actors as they seek to aid a young man in financial and legal distress.

The public is invited to either performance, but guests are limited to 80 per evening.

Reservations may be made at Peace Church office (626-4011) or at the parsonage (626-2911). Adult admission is \$6.00, with children 10 years and under, \$3.00. The 1988 dinner theater production of "The Hidden Heiress" was sold out both evenings.

Proceeds of "Hot Property" will again be used for Peace Players religious drama work and a designated benevolence.

KEWASKUM LIONS CLUB MONTHLY RAFFLE WINNERS

Drawing was held in May at the Amerahn for the Lions Club Raffle. One hundred dollar winners for this month were: Karen Schaub, Karen Kissinger and Vern Seifert.

Monies from the raffle are used to support the local "Quest Program," fighting drugs through education and other community functions.

Meet Actress Lynn Redgrave

Actress Lynn Redgrave, who lost 30 pounds on the Weight Watchers Program, will be in Milwaukee on Friday, May 19th and Saturday, May 20th. This is Ms. Redgrave's first visit to Milwaukee and first opportunity to work with a local franchise.

Ms. Redgrave's visit will entail hosting the American Heart Association's and Weight Watchers' day of Health, Fitness and Fun on Saturday, May 20th between 11 a.m. and

5 p.m. at the Milwaukee Auditorium. Ms. Redgrave will also be attending Weight Watchers meetings as she prepares a book she's writing about her experiences as a spokesperson for Weight Watchers International.

For interviews, contact Susan Trones or Steve Chicorel at 1-800-242-8918 or in Milwaukee, call 354-6647 or 354-7664. See enclosed bio for more information.

WATTS FROM WASTE:
The same high-temperature technology that enables cities to burn garbage for energy is helping rid Pennsylvania of millions of tons of mine waste. Today several Keystone state power plants are being fueled by culm. Once considered a bothersome by-product, culm is the impure bits of coal that are left over after mining. And there's plenty of it. National Wildlife magazine reports there may be 3 billion tons of culm in Pennsylvania alone. Besides being plentiful, culm has another plus. After burning at high temperatures, the ash residue can be used to restore mined lands.

Area Historical Societies to Meet

On Tuesday night May 16th, members of the Kewaskum Historical Society will meet at the Kewaskum Community Room, located at the corner of Railroad and First street, next to the library.

This is our 15th annual potluck dinner and new membership meeting. Guests for this evening are members of the Washington County, Slinger, Jackson, and Germantown Historical Societies. Members of the Kewaskum Historical Society will be supplying all the food and refreshments, our guests are required to bring nothing but a good appetite.

Dinner starts at 6 p.m., with a guest speaker at 7 p.m. discussion to follow, if time permits we will have a video on the Civil War. If you have any questions, or would like to become a member, please call Jake Schmidt at 338-1568 weekdays after 5 p.m.

P.S. The Kewaskum Historical Society's Log House and Museum will open on Sunday May 28 from 2-4 p.m. everyone welcome.

In the Service

Sgt. Darain D. Wodsedalek is a member of the best supply unit in Military Airlift Command, officials recently announced.

Recognized with the annual Supply Effectiveness Award, the 375th Supply Squadron, Scott Air Force Base, Ill., was selected tops in the command for outstanding managerial expertise in eight rated areas ranging from weapon system support to community involvement.

The sergeant, a supply systems analyst specialist, is a 1983 graduate of Kewaskum High School, Wis.

Wodsedalek is the son of Wayne M. and M. Wodsedalek of 5143 Highway 28 W., Kewaskum.

His wife, Debora, is the daughter of Donald J. and Irene Davidson of 206 S. 16th St., Belleville.

You can indicate your support for the Scholarship Program of KEYS by a cash contribution, a memorial gift or a bequest. Act today. Contact KEYS INC. P.O. Box 124, Kewaskum, WI 53040.

SPRING TIME IS BIKE TIME

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. §346.03(9) Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all of the laws pertaining to motor vehicles apply to bicycles, including, but not limited to: riding on the right side of the road, abiding by all traffic signs, etc. in addition, the Village of Kewaskum requires that all bicycles operated within the Village must be licensed.

A few safety tips are: keep your bike in good working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we follow these rules and safety tips, we should all have a safe bicycle season.

THE MEANEST MOTHER IN THE WORLD

I had the meanest mother in the world. While other kids had candy for breakfast, I had to eat cereal, eggs and toast. While other kids had Cokes and candy for lunch, I had a sandwich. As you can guess, my dinner was different from other kids' dinners, too.

My mother insisted on knowing where we were at all times. You'd think we were on a chain gang or something.

She had to know who our friends were and what we were doing.

I am ashamed to admit it, but she actually had the nerve to break the child-labor law. She made us work. We had to wash dishes, make the beds and learn how to cook.

That woman must have stayed awake nights, thinking up things for us kids to do. And she always insisted that we tell the truth and nothing but the truth.

By the time we were teen-agers, our life became even more unbearable. None of this tooting the car horn for us to come running; she embarrassed us no end by insisting that the boys come to the door to get us.

I forgot to mention that most of our friends were allowed to date at the mature age of 12 and 13, but our old-fashioned mother refused to let us date until we were 15.

She really raised a bunch of squares. None of us was ever arrested for shoplifting or busted for dope. And who do we have to thank for this? You're right, our mean mother.

I am trying to raise my children to stand a little straighter and taller, and I am secretly tickled to pieces when my children call me mean. I thank God for giving me the meanest mother in the world.

Our country doesn't need a good 5-cent cigar. It needs more mean mothers like mine.

KHS Band Gets a New Look

Modeling the new concert uniform is junior John Hazlewood...

and with a little help from band director Larry Ammel...

waa-la...the same uniform turns into the new Kewaskum marching uniform.

After two years of long, hard work, the Kewaskum High School Band has reached their goal and will be ordering new concert/marching uniforms.

These dual purpose uniforms, decided on by the high school

and 8th grade are the result of magazine sales, anonymous donors, the Booster Club, and the school board.

The old uniforms purchased in 1976 have served the band

well but its time to retire them and add a new look to the band.

The band hopes to have their new uniforms and show them off for the Homecoming football game of 1989.

School Board

[Continued from Page 1]

to the Kewaskum Elementary School.

In a short discussion, board president Neal Weare said he had talked to both the past and present Kewaskum Police Chiefs and there had been no problems whatsoever during last year's season.

Ric Leitheiser, representing the club at the meeting, said his group viewed the beer sales as a privilege and it could guard against any abuse realizing the board's approval could be withdrawn at any time if problems arose.

Other action taken by the board Monday night will result in the Kewaskum High School band parading around in some brand new uniforms. With more than half the cost of the uniforms set aside, the board approved the budgeting of the remaining cost for the new uniforms. Band Instructor Larry Ammel, who made the presentation, informed the board the district had used its present uniforms for over thirteen years.

The board briefly reviewed three quotes for health insurance. Because the district is also looking into a self-funding type of insurance, it was suggested the board hold one special meeting devoted strictly to the discussion of the subject of insurance.

The board also approved the purchase of new toilet dividers for KES, a maintenance contract for heating and cooling systems, the resignation of Mr. Westphal as freshmen boys basketball coach and the hiring of Dennis Butz as high school baseball coach.

Mrs. Ruth Schmitt and Weare agreed to represent the board and participate in this year's graduation ceremonies.

District Receives Offer to Lease Beechwood School

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum School Board has received an offer to lease, with the option to purchase, the closed Beechwood Elementary School.

In a letter addressed to the board, Lee Rammer, Administrator for the Beechwood Rest Home, Inc., submitted a proposal to lease the building to either himself or the corporation for \$1.00 per year for a period of five years. The district would continue to retain ownership in the event of its future need. "In the interim, I will assume responsibility for insurance and upkeep," stated Rammer in his letter. All he asks is that the district bear the expense of having the proper documents drawn up.

In his proposal Rammer says the Home or he would have control of the use of the building during the lease period with the board's approval. It would be used as an emergency evacuation site; for storage or possibly public use of the gymnasium facilities.

Rammer indicated the lease would be automatically renewable as long as it was not needed for district purposes or on an indefinite basis.

In return, the Rest Home or Rammer would have the right to purchase the building in the

event that the district would decide to dispose of it for any reason.

In closing the communication, Rammer told the board the proposal was something to think about and that he was open to any suggestions from the board.

At the board's meeting Monday night, Perry Ankerson asked that the proposal be placed on the next agenda along with discussion concerning placing the proposal on the agenda of the annual meeting. Any action on such a plan would have to be brought before the electorate of the district.

Middle School

(Continued from Page 1)

now we're hearing don't cut here, cut someplace else.

Ankerson noted that while there was a responsibility to the students, he felt he had a bigger responsibility to the taxpayers to help ease their tax burden. "We're caught in a fiscal squeeze. We're getting help from no one and somehow we're hauled out in public and told we're not doing a good job of public relations, we're not doing a good job of educating our children, we're destroying the education system in Kewaskum and I just don't think that's true. I've talked to teachers individually and now publicly and I'm going to make a statement and realize that it may be misplaced but, by God,

why doesn't the KEA help us do some of this stuff. We need them to assist us. You are the biggest cost we have to contend with and we have no choice, none, but to cut positions in order to reduce this continuing increase in the budget, and without any assistance we will continue to do this, and continue to do this because we again, have absolutely no choice. We have to answer back to a heck of a lot of people beyond the parents and children in the school district. We have to answer to the additional people we put a strain on in house payments, whose rents are raised. Each time we raise taxes we put more pressure on the individual family to meet financial obligations. Inasmuch as I hear if we can save one child, I, in my own mind say, if we can save just one mother from taking a second job or one father from having to take a second job, if we can ease, just a little bit, the financial burden that's constantly being placed on the people in this school district and in this state then, I think I will have done a better job because it provided a more secure home environment and I think we lose sight of that sometimes. I think we have to realize that we have this awesome power just to go and increase the costs that people have to pay just to stay alive and pay their bills. We're going to affect my child, we're going to affect the child of this lady in the audience tonight and I feel bad for her and I feel bad for myself but, I am still going to vote against this motion."

On a 4-3 vote, the board denied the request to retain the 6th grade house plan with the addition of another teacher.

He likes to take a drink because it makes him see double and feel single.

Holy Trinity Students Raise \$2,761 for AHA

Holy Trinity students jump rope for heart

Ann Neumann Photo

More than 113 students and three faculty members at Holy Trinity School jumped rope on April 21 to promote their cardiovascular fitness and to raise money for the American Heart Association.

The event, called Jump Rope

for Heart, aimed to show the benefits of regular exercise and to raise money for AHA's research and public education programs. Students were organized into teams of six, jumped in relays, raising money from sponsors for every minute the team jumped.

Jump for Heart coordinator, 4th Grade teacher Mary Breuer, said the event was a huge success. Teachers and students

worked together toward a goal they could feel good about, and helping the American Heart Association really counts. Since heart and blood vessel diseases kill more American than all other causes of death combined, it makes sense to give heart and blood vessel research priority.

Jump Rope for Heart is held to encourage children and teachers to promote heart health in our community.

Cedar Lake Home Rummage/Bake Sale Slated for May 20

The public is invited to a rummage/bake sale, Saturday, May 20, from 8:00 a.m. to 2:00 p.m. at the Cedar Lake Home Campus.

This sale is sponsored by the Campus Safety and Suggestion Committee representing Campus employees.

There will be a large selection of household items, furniture, and collectibles.

Home baked goods will also be featured.

The employees of the Cedar Lake Home Tri-Campus sponsor this sale annually in order to fund various charitable projects on Campus.

The sale will be held in the Fort Cedar on the Cedar Lake Home Campus, 5595 Hwy. Z, 2 miles south of State 33.

Teacher Retires After 44 Years

Miss Delores Justman

Lomira school District. Miss Justman has been teaching and serving as the building principal since that time.

When asked how education has changed over the years she stated, "Education has changed and made great progress since I started teaching. Teaching methods have improved because of higher educational requirements and standards, teacher inservice training and audio-visual technology. The many services introduced by the school district and CESA have benefited both students and teachers."

Miss Justman has decided to take retirement after a long and fruitful career working with students. As a special project, the PTC is asking friends, colleagues, and former students to write to Miss Justman at the Theresa Elementary School, Theresa, WI 53091. Presently she is not in good health.

During Teacher Appreciation Week the Lomira School District and the Theresa PTC recognize Miss Delores Justman for her contributions to education during the past 44 years. After graduating from Mayville Normal College in 1945, Miss Justman began her teaching career in Dodge County in the Town of Herman at the Lentz School located on Highway 33. While at the Lentz School she taught all eight grades. She then taught all eight grades for twelve years at the Liberty School off of County Trunk P, then a consolidated school with the Theresa Village in Dodge County. This school closed in 1960 and she came to the Theresa Grade School to teach grades 1-2. In 1964 the Theresa School became part of the

SHEEPSHEAD WINNERS

5 handed winner's on Thursday, May 4th were: Judy Lickmann, 61-9-52, 17-4-13; Mathelda Rady, 56-7-49, 17-5-12; Eddie Schneider, 52-6-46, 15-5-10; Walter Bartelt, 57-13-44, 17-8-9; Arnold Hawig, 44-9-35, 19-6-13.

The next 5 handed will be Thursday May 18th and Wednesday, May 24th at 8:00 p.m. Schmitt's Never Inn.

Congratulations go out to the 1989 Kewaskum High School Forensics Team on their best season in KHS history during their recent state competition. End of Lottery 'Game 5' is Announced

FATHER AND SON-IN-LAW TEAM — Two Tomah residents, Byron Wagner and Larry Siekert, teamed up to win \$11,150 in the Wisconsin Lottery's MONEY GAME television show April 29. Wagner was the \$100 TV Winner who won the prize. He had his son-in-law, Siekert, serve as his proxy when Wagner's name was drawn by Trig Solberg, a Wisconsin Lottery retailer who operates supermarkets in Minocqua, Eagle River and Rhinelander, to be an on-stage finalist at the show. Wagner joined his son-in-law on stage for the Bonus Round at the end of the show. Wagner purchased his winning ticket at the Lonestar Bar in Wilton. Pictured are, from left, MONEY GAME host Mark Johnson, Wagner and Siekert.

MADISON ... Wisconsin Lottery Executive Director William F. Flynn, Jr. declared the "official end" of instant scratch game 5 (blue "Money Game" tickets) as May 3, 1989.

"The significance of saying May 3 is the end of the game is to set the 180 day deadline for claiming cash prizes for the game," Flynn explained.

The last day to collect a cash prize on the blue "Money Game" tickets will be October 30, 1989. "Once that date has

passed, the blue 'Money Game' tickets will become worthless," Flynn said.

The deadline to claim prizes for the Lottery's first game, "Match 3" is June 2, 1989. "If anyone out there has a winning 'Match 3' ticket, I strongly urge them to claim their prizes now, and not let the June 2 deadline pass," Flynn added.

CONTRACT SIGNED

The Wisconsin Lottery contracts with GTECH Corp. of Providence RI was signed and dated Tuesday according to Flynn.

The signed agreement, over the five year life of the contract, will reduce the cost to the Wisconsin Lottery by some 15

per cent of the on-line equipment and supplies to be furnished to the Lottery by GTECH Corp.

MONEY GAME WINNERS BOOKED INTO JUNE

If you claim a \$100 TV Winner prize now, you will be scheduled for the "Money Game" television show in early June.

The list of sixty May 12 Money Game participants include Dorothy Ramthun of Eden and Clifford Peterson of West Bend.

THANK YOU

Thanks to St. Jude for special favors.

Spring Concert Sunday at UWWC

WEST BEND — The 65-member Moraine Chorus will present its 20th annual Spring Concert here at 2 p.m., Sunday, May 14, at the University of Wisconsin Center — Washington County.

The public is invited to the program in the Union theatre at UWWC. Admission is free.

Director Peter Ayer, a professor of vocal music at UWWC, said the concert will feature the music of Monteverdi and Bach and will honor two recently deceased American composers: Norman Luboff and John Ness Beck.

The chorus will sing Luboff's "All My Trials" and Beck's "Every Valley."

Other choral numbers include "The Terrible Tale of Tom Gilligan" by Rutter, "Go Way from My Window" by Zanninelli and "Gonna Build a Mountain" by Newley.

SAVE ON LAWN SEED THIS SPRING!

Chances are, both you and your neighbor are going to need lawn seed this spring. Last year's drought and this winter's icestorm caused severe damage to area lawns. With the coupon you can save up to \$5.00 on your lawn seed needs!

Dairyland has over 20 years of experience in the lawn seed business. Our "No. 1" lawn seed is our top seller. We recommend "No. 1" to provide a lush carpet of fine-stemmed grass for your lawn. Our "Fast Gro" lawn seed has been specially designed for areas that take a beating. Fast Gro is being used on numerous football and baseball fields.

These lawn seed products are packaged in 5 pound, 25 pound, and 50 pound units. Because of the severity of the drought and the icestorm this winter, you'll probably need more lawn seed this spring than you have needed in recent years.

ORLINDA M. SCHACHT

Orlinda M. Schacht, 88, of rural Kewaskum, passed away on Thursday, May 4, 1989 at Samaritan Nursing Home in West Bend.

She was born on November 13, 1900 in the Town of Trenton, the daughter of the late Peter and Mathilda (Meyer) Geib. On November 22, 1924 she was united in marriage to Henry A. Schacht at Holy Trinity Catholic Church in Kewaskum, and he preceded her in death on June 6, 1962. Mrs. Schacht was a member of St. Michaels Catholic Church, St. Michaels The Apostolic of the suffering, the Good Samaritan Guild and the Altar Sodality.

Survivors include a son Henry P. (Marion) of Kewaskum; two daughters Mrs. Vernell (Harold) Krueger of Campbellsport and Natalie (William) Peterson of St. Paul, Minn; a brother Sarto Geib of West Bend; two sisters Mrs. Dolores (Lawrence) Sauter of West Bend and Sister Mercedes Geib of Hays, Kansas; 11 grandchildren and 10 great-grandchildren.

In addition to her parents and husband she was preceded in death by a son Gerald and a sister Loretta Kirchner.

Funeral services were held at the Miller Funeral Home, Kewaskum at 7:00 p.m. and at St. Michaels Catholic Church, St. Michaels at 7:30 p.m. on Monday, May 8, 1989 with Father Roger Zens officiating. Burial was at 10:00 a.m. on Tuesday, at the parish cemetery. Friends called from 4:00 p.m. until 7:00 p.m. at the funeral home on Monday.

ROBERT TACKES

Robert Tackes, 90, of Fillmore, passed away on Saturday, May 6, 1989 at St. Joseph's Community Hospital in West Bend.

He was born on June 6, 1898 in the Town of Fredonia, the son of the late Math and Anna (Molitor) Tackes. On October 27, 1920 he was united in marriage to Helen Syuminski, Town of Cassel, Marthon Co. and she preceded him in death on December 28, 1942. Mr. Tackes farmed most of his life in the Town of Farmington until his retirement in 1971.

Survivors include five sons, Allen of Hustisford, Willard (Bertha) of Newburg, Orville and Marvin (Gladys) both of Kewaskum, and Dalvine (Christa) of Wallace Lake; five daughters, Gladys (Herbert) Ramel of Kewaskum, Virginia (Philip) Schneider of West Bend, Adeline Flasch of Wallace Lake, Darleen (Stewart) Rochwite of

Campbellsport and Darceal (Henry) Jordan of Cedar Lake; two sisters, Peggy Belevins of Chicago, and Gertrude Weiland of Port Washington; 40 grandchildren, 68 great-grandchildren, and nine great-great-grandchildren.

In addition to his wife and parents he was preceded in death by a daughter, Joyce, March 5, 1932; a grandson, Dale Jordan, Jan. 9, 1975; two great-grandsons Timothy Hallister June 15, 1975, and Jay Tackes Nov. 26, 1986; four brothers and three sisters and a son-in-law Wilmer Flasch on July 29, 1985.

Funeral services were held at Miller Funeral Home, Kewaskum at 10:00 a.m. and at St. John of God Catholic Church, Town of Farmington at 10:30 a.m. on Wednesday, May 10, 1989 with Father Roger Zens officiating. Burial was in the parish cemetery. Friends called at the Miller Funeral Home, Kewaskum, after 4:00 p.m. Tuesday, May 9, where there was a prayer vigil at 8:00 p.m.

JOANN LEFEBER-KETTER

Joann L. Lefeb-Ketter, of 1306 County W, Campbellsport, died Saturday, May 6, 1989, at St. Agnes Hospital, Fond du Lac, at the age of 35.

She was born March 7, 1954, in Fond du Lac, and married Daniel L. Ketter April 1, 1989, at St. Matthew's Church, Campbellsport.

She had been employed by Regal Ware, Kewaskum, since August 1972, and was a member of St. Matthew's Church.

Survivors include her husband; her parents, Roger and Joyce Lefeb of Campbellsport; a brother, Steven W. of Campbellsport; and a sister, Karen Lefeb of Campbellsport; two step-sons, Curtis and Kevin, both of Campbellsport; and other relatives and friends.

Funeral services were Wednesday, May 10, at 10 a.m. at St. Matthew's Church, Campbellsport. Rev. Jeffrey officiated, and burial was in the church cemetery.

Visitation at the Twohig Funeral Home, Campbellsport, was Tuesday from 4 to 9 p.m.

MATTHEW J. KENNELLY

Matthew J. Kennelly, of West Bend, died Tuesday, May 2, 1989, at his residence, at the age of 18.

He was born Jan. 4, 1971, in Milwaukee, and was raised in

Hartford and later West Bend.

He attended St. John's Lutheran School and West Bend West High School, and was a member of Our Savior's Lutheran Church, West Bend.

Survivors include his parents, Thomas and Elaine Kennelly of West Bend; a brother, Nathan of West Bend; maternal grandmother, Marie Geldner of Milwaukee; paternal grandparents, Herman and Dorothy Tyriver of Milwaukee, and other relatives and friends.

Preceding him in death was his grandfather.

Funeral services were Thursday, May 4, at 8 p.m. at Our Savior's Lutheran Church, West Bend. Rev. Adolf Quast officiated and burial was at 10 a.m. Friday in Washington County Memorial Park.

Visitation at the church only was Thursday from 4 p.m. until the time of services.

The family appreciates memorials.

The Rothenbach-Phillip Funeral Home of Slinger served the family.

PETRONELLA WERNER

Petronella (Pat) Werner, 79, of West Bend, passed away on Friday, May 5, 1989 at St. Joseph Hospital in Milwaukee.

She was born on August 13, 1909 in Newburg, Wis., the daughter of the late Robert and Mary (Kimla) Lochen. On October 2, 1934 she was united in marriage to Henry Werner and he preceded her in death on August 16, 1965. Mrs. Werner was a former employee of Amity Leather in West Bend.

Survivors include a son Bernard (Ramona) of West Bend; a grandson Dale (Patricia) of Phelps, Wis.; two great-grandchildren Andrea and Bradley and two sisters Dolores Hader of Newburg and Estella Geib of West Bend.

In addition to her parents and husband she was preceded in death by an infant sister.

A Mass of Christian Burial was at St. Frances Cabrini Catholic Church West Bend

Ceramics at 10:00 a.m. every 1st and 3rd Monday of the month.

Card playing everyday.

Freezing changes some flavors: the potency of onion flavor decreases; that of spices and garlic increases.

Gehl's Nielsen Predicts 'Banner Year' for AG Equipment Sales

Bernard Nielsen, Gehl Company President and CEO, predicts a strong increase in U.S. agricultural equipment sales for 1989, despite last year's devastating drought.

Speaking before agricultural dealers at the New York Farm Equipment Dealers' Association meeting in Syracuse, Nielsen noted 'Strong U.S. grain exports, a decreasing farm debt, and a growing demand for replacement equipment are reasons for

optimism.' Nielsen was selected as keynote speaker to represent the agricultural equipment industry. Gehl Company has received widespread recognition for its recent sales success. In 1988, the company increased its sales over 50%, the third such consecutive annual increase. Gehl is now the nation's largest non-tractor manufacturer of agricultural equipment.

To keep molasses, corn syrup or honey from sticking to a spoon or measuring cup, rinse utensil with hot water before using.

PAYING THEIR OWN WAY: In Rwanda, Africa, foreign tourists are going ape over a unique sightseeing safari. They are paying more than 100 dollars per person for the privilege of trekking deep into the bush to spend an hour with the world's last tribe of wild mountain gorillas. International

Wildlife magazine reports the monies raised by these excursions helps preserve the gorilla's fragile habitat and protect the big primates from poachers. The success of the project has spurred efforts to save other threatened species by opening up their habitats for a fee.

GENERAL MOTORS CORPORATION

Kewaskum Cub Scout News

On April 24, the Kewaskum Cub Scouts held their Space Derby. Each scout made a rocket from a kit and these rockets were propelled by rubber bands and run on a nylon string race track. The boys had a lot of fun, as well as some disappointments when rockets broke down. First place went to Bill Jacob; second to Kevin Polzean and third to Junior Loos.

Hartig-Emmer Receives Beltone Award Recently

Tom Thompson, owner of the Beltone Hearing Aid Center at 2395 W. Washington in West Bend, with branch offices in Beaver Dam, Fond du Lac, and Oshkosh, has announced that Mary Beth Hartig-Emmer, manager of the West Bend office, has received a Pacemaker Award from the Beltone Electronics Corporation of Chicago.

The Pacemaker is awarded to a Beltone hearing instrument dispenser who has made significant contributions to the education and well-being of the

hearing-impaired through conscientious and thorough testing, accurate evaluations, and appropriate application of hearing instrument technology.

Thompson accepted the award in Hartig-Emmer's behalf in March at Beltone's Regional Meeting in Chicago. Thompson is an integral part of the Beltone network of independent business owners who serve the hearing-impaired in more than 3,300 offices and service centers throughout the U.S., Canada, and overseas.

To satisfy its huge appetite, the elephant spends up to eighteen hours a day eating.

County Retired Teachers to Meet

Washington County Retired Teachers' Association will meet on Tuesday, May 16, at Hon-E-Kor, River Drive, Kewaskum, at 9:00 a.m. An informal coffee and fellowship will precede the program beginning at 9:30.

Elaine Shanebrook, Attorney, will be speaking on Durable Power of Attorney & Marital Property Laws.

The business meeting, led by President Ted Thomas, will follow. Luncheon will be served at 11:30 for \$6.50 including coffee, breads, and gratuity. Guests are welcome. Reservations must be made no later than Thursday, May 11, with Ms. Jeanette Brodzeller, 203 Fairview Ct., Slinger, WI 53087. All retired educators are invited and encouraged to attend. For more information call 338-8310.

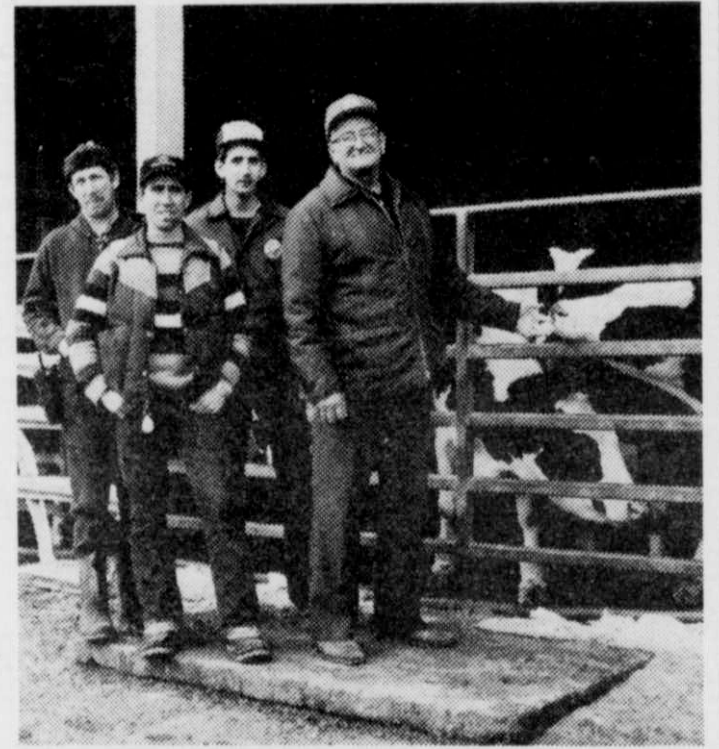

Twin calves were born on the LeRoy Muench farm in Beechwood on May 1. This photograph was snapped when the babies were two days old. We've been told this is an unusual occurrence in nature. Mother and twins are doing well.

Minutes of Village Board Meeting

Regular Meeting
May 1, 1989
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council room of the Municipal Building, 204 First Street.

President Paul Blumer presided. Trustee Vincent Groh asked to be excused and was absent. Trustee Howard Laubenstein's seat was vacant. All other Trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and carried by the majority, the minutes of the April 17, 1989 meeting were approved as printed.

The public hearing was held on the proposed shoreland wetland zoning ordinance provisions which are intended to meet the requirements of Chapter NR117, Wis. Adm. Code. A brief explanation was given regarding the code and it was noted the Wetland Inventory Map had already been heard and reviewed at the public hearing and approved. On a motion by Trustee Mary Krueger, seconded by Trustee Kenneth Bonlender and unanimously carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

The public hearing on the request of the Wisconsin Elder Care, Inc. (Scott and Joan Hayes) for the rezoning of the parcel of property located at 1139 Fond du Lac Avenue (known as Thee Avenue), Kewaskum, Wisconsin. The property known as Lot 11 Block 15 of the assessor's plat (Tax Key #V4-190) which is zoned B-2 General Retail and Service District to I-1 Institutional District (R-4 Multi-Family Residence District). Administrator Daniel Schmidt reviewed with the Board the recommendation/comments of the Plan Commission. The Plan Commission recommended the rezoning with reservations on the project, those being the bedroom size and lack of individual bathrooms.

Mr. Scott Hayes informed the Board of their desires and indicated the facility would be for eight (8) people and would have 24 hour supervision. Mrs. Joan Hayes and two other gentlemen were also present. Mr. and Mrs. Richard Laubach were present and questioned the status of the retaining wall, green area, zoning status as it would relate to their property and other issues.

The Board members asked several questions regarding the location, noise, grass area and best current use and future use of land. Fire Chief Ehnert indicated the Board should keep in mind the additional load this proposed facility and Sison/Herro facility will cause on the Rescue Squad.

On a motion by Trustee Richard Schlice, seconded by Trustee Kenneth Bonlender and unanimously carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

The public hearing on the request of Wisconsin Elder Care, Inc. (Scott and Joan Hayes) for a conditional use permit to allow for an exception to grant the establishment of a CBR Facility within 2,500 feet to an existing CBR Facility as per §62.23(7)(i)(1) for the parcel of property located at 1139 Fond du Lac Avenue (known as Thee Avenue), Kewaskum, Wisconsin. A brief explanation was held on the reasons for the conditional use permit/exception. On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

The public hearing on the application for a confirmation Class "A" Fermented Malt Beverage and Intoxicating Liquor License for a period commencing May 2, 1989 and ending June 30, 1989, as noticed for Charles Hafemann, 355 Main Street, Kewaskum, Wisconsin. Administrator Daniel Schmidt informed the board the applicant withdrew his application so the hearing could be closed. On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and unanimously carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and carried by the majority by roll call vote, the Board suspended the rules

to take action on IX B. pertaining to ordinance 89-10 & IX C. regarding the Conditional Use Permit/Exception. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

After a brief discussion and with the Board having two Trustee absent it was felt best to table the matter until May 15, 1989. On a motion by Trustee Mary Krueger, seconded by Trustee Kenneth Bonlender and unanimously carried by the majority roll call vote, the board tabled any action on Ordinance #89-10. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent." It was noted this matter will be placed on the May 15, 1989 agenda.

Due to the aforementioned action, on a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by the majority roll call vote, the Board tabled any action on the conditional use permit. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

Fire Chief Donald Ehnert informed the Board of the possible replacement of the 20 breathing apparatuses now being used by the department in 1990. The proposed would cost an estimated \$20,000.

Police Chief Richard Knoebel informed the Board that the ad for part-time patrolmen has been placed in the paper and applicants have until May 8, 1989 to apply. Also, two traffic/parking concerns were brought up for review by the Protection and Public Safety Committee.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board approved the application for an operator's (bartender's) license upon proper payment of fee and authorized the office to issue said license as follows:

Gerald Zorn, Kewaskum, WI

NOTE: The Police Department had no objections to the application.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the building permit application for Robert Staehler, 533 Keller Street, to construct a detached garage. The office was instructed to issue the permit upon proper payment of fees. The plans were reviewed and approved by both the Building Inspector and Zoning Administrator.

Administrator Daniel Schmidt reviewed a variety of correspondence with the Board as follows:

1. Review 1st quarter Budget Control Sheets for the Water & Sewer Utilities.

2. Review General Budget Control Sheets for April 30, 1989.

3. Mid-Moraine Municipal Association notice in reference to May 24, 1989 meeting.

4. Review of some brief correspondence.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and carried by the majority, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General Fund	\$70,616.65
Sewage Fund	16,124.88
Water Fund	4,906.58
TID	\$42,543.75

(Vouchers #11153 thru #11297)

(Vouchers #4880 thru #4898)

(Vouchers #5282 thru #5297)

(Vouchers #253)

Trustee Thomas McElhatton, Chairman of the Park and Recreation Committee, reported on the meeting of May 1, 1989

On a motion by Trustee Mary Krueger, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board authorized the National Society's use of a ball diamond and concession stand at no cost.

Trustee Kenneth Bonlender, Library Board Representative, reviewed the Library Board meeting of May 1, 1989 and informed the Board the Junior Women's Club and Women's Club both donated a book to the Library and that the Country Kitchen Homemakers have donated food for the summer reading program.

The Board was also informed that the Library Board would be holding their organizational meeting on May 15, 1989 and that a joint Library Board and Village Board Meeting will be scheduled for May 22, 1989.

Discussion was held on the Capital Improvement - Sidewalk Rehabilitation Programs. The Board by consensus directed the Administrator to revise the program as prepared and approved in 1986 to reflect the Village to pay 50 percent of the cost of replacing deteriorated/etc. sidewalk of only that area not having sidewalk prior to the sidewalk installation program. It was noted after the Village has had a complete sidewalk review, 100 percent of any repair

or installation is the property owner's expense.

Curb/gutter was addressed using a similar criteria and driveway approaches would be at the property owners expense as in the past. The appropriate changes must also be made to the existing ordinances.

The area to be considered as the top priority is the central portion of the Village including Main Street, First Street, Bilgo Lane, Parkview Drive, Third Street, Reigle Drive and Second Street.

Action was taken on Ordinance No. 89-11 for the Shoreland Wetland Zoning Ordinance as attached hereto:

On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board approved the Certified Survey Map of James Wessing, the R-4 Lot adjacent to Creekview Estate as recommended by the Plan Commission.

Action was taken on Resolution No. 89-9 regarding Municipal Building Summer Office Hours as attached hereto:

Action was taken on Resolution No. 89-10 regarding a three year auditing contract with Conley, McDonald, Sprague & Co. as attached hereto:

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board authorized the signing of the letters as prepared for Lavern Geidel and Jeff & Beth Lauters and approved the signing of the related paperwork with sale of land parcel Creekview Estate.

On a motion by Trustee Mary Krueger, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board approved the hiring of those people on the part-time summer employment list as printed.

President Paul Blumer reviewed his appointments to the committees, boards, and commissions. On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the appointments as presented.

Three applications were received from individuals showing an interest fulfilling the one year unexpired term for Trustee Howard Laubenstein. The three people were Gary Gavin, Thomas Tassar and Larry Williams. The Board had a ballot vote and results were: Larry Williams 4 votes, Gary Gavin 1 vote, and Thomas Tassar 0 votes. On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board appointed Larry Williams to fill the one year unexpired term of Howard Laubenstein.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board directed the Administrator to prepare a preliminary resolution for special assessment for those properties on the north end of the village east side of Fond du Lac that have shown an interest in having sewer and water extended plus the other municipal entities.

The Board reviewed a letter from Mrs. Audrey Krueger regarding grass, leaves and yard waste. The Board reviewed all of the points and directed the administrator to send a letter of explanation to Mrs. Krueger.

Motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger to adjourn the meeting. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent." The motion was passed by the majority.

Daniel S. Schmidt
Administrator

RESOLUTION NO. 89-9

BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that the Municipal Building office hours will be adjusted for the summer only on a trial basis.

BE IT FURTHER RESOLVED, that the hours will be 7:30 a.m. to 4:30 p.m. from May 30th to September 5th, 1989 after which the times will return to 8:00 a.m. to 5:00 p.m.

ADOPTED AND APPROVED this 1st day of May, 1989, by the Kewaskum Village Board.

Paul Blumer
President

ATTEST:
Daniel S. Schmidt
Administrator

Introduced by Trustee Kenneth Bonlender
Motion for adoption by Trustee Richard Schlice
Motion for adoption seconded by Trustee Mary Krueger
Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

RESOLUTION 89-10

BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that the firm of Conley, McDonald, Sprague & Company, Certified Public Accountants of Milwaukee, Wisconsin be retained and are hereby authorized to audit the records of all departments of the Village of Kewaskum for the fiscal years ending December 31, 1989, 1990, and 1991.

Dated this 1st day of May, 1989.

Introduced by Trustee Richard Schlice
Motion for adoption by Trustee Kenneth Bonlender

Motion for adoption seconded by Trustee Thomas McElhatton

Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

ORDINANCE NO. 89-11

SHORELAND-WETLAND ZONING ORDINANCE

For the Village of Kewaskum, Wisconsin

(1)

SHORELAND-WETLAND ZONING ORDINANCE FOR THE VILLAGE OF KEWASKUM

1.0 STATUTORY AUTHORIZATION, FINDINGS OF FACT, STATEMENT OF PURPOSE AND TITLE

1.1 STATUTORY AUTHORIZATION

This ordinance is adopted pursuant to the authorization in sections 61.35 and 61.351 for villages and 87.30 and 144.26, Wis. Stats.

1.2 FINDING OF FACT AND PURPOSE

Uncontrolled use of the shoreland-wetlands and pollution of the navigable waters of the municipality would adversely affect the public health, safety, convenience, and general welfare and impair the tax base. The Legislature of Wisconsin has delegated responsibility to all municipalities to:

- (1) Promote the public health, safety, convenience and general welfare;
- (2) Maintain the storm and flood water storage capacity of wetlands;
- (3) Prevent and control water pollution by preserving wetlands which filter or store sediments, nutrients, heavy metals or organic compounds that would otherwise drain into navigable waters;
- (4) Protect fish, their spawning grounds, other aquatic life and wildlife by preserving wetlands and other aquatic habitat;
- (5) Prohibit certain uses detrimental to the shoreland-wetland area; and
- (6) Preserve shore cover and natural beauty by restricting the removal of natural shoreland cover and controlling shoreland-wetland excavation, filling and other earth moving activities.

2.0 GENERAL PROVISIONS

2.1 COMPLIANCE

The use of wetlands and the alteration of wetlands within the shoreland area of the municipality shall be in full compliance with the terms of this ordinance and other applicable local, state or federal regulations. (However, see section 4.0 of this ordinance, for the standards applicable to nonconforming uses.) All permitted development shall require the issuance of a zoning permit unless otherwise expressly excluded by a provision of this ordinance.

2.2 MUNICIPALITIES AND STATE AGENCIES REGULATED

Unless specifically exempted by law, all cities, villages, towns, and counties are required to comply with this ordinance and obtain all necessary permits. State agencies are required to comply if section 13.48(13), Wis. Stats., applies. The construction, reconstruction, maintenance and repair or state highways and bridges by the Wisconsin Department of Transportation are exempt when section 30.12(4)(a), Wis. Stats., applies.

(2)

2.3 ABRIGATION AND GREATER RESTRICTIONS

2.31 This ordinance supersedes all the provisions of any municipal zoning ordinance enacted under sections 61.35, or 87.30, Wis. Stats., which relate to shoreland-wetlands, except that where another municipal zoning ordinance is more restrictive than this ordinance, that ordinance shall continue in full force and effect to the extent of the greater restrictions, but not otherwise.

2.32 This ordinance is not intended to repeal, abrogate or impair any existing deed restrictions, covenants or easements. However, where this ordinance imposes greater restrictions, the provisions of this ordinance shall prevail.

2.4 INTERPRETATION

In their interpretation and application, the provisions of this ordinance shall be held to be minimum requirements and shall be liberally construed in favor of the municipality and shall not be deemed a limitation or repeal of any other powers granted by the Wisconsin Statutes. Where a provision of this ordinance is required by a standard in chapter NR 117, Wis. Adm. Code, and where the ordinance provision is

(Continued on next page)

unclear, the provision shall be interpreted in light of the chapter NK 117 standards in effect on the date of the adoption of this ordinance or in effect on the date of the most recent text amendment to this ordinance.

2.5 SEVERABILITY

Should any portion of this ordinance be declared invalid or unconstitutional by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

2.6 ANNEXED AREAS

The Washington County Shoreland zoning provisions in effect on the date of annexation remain in effect administered by the municipality for all areas annexed by the municipality after May 7, 1982. These annexed lands are described on the municipality's official zoning map. The Washington County shoreland zoning provisions are incorporated by reference for the purpose of administering this section and are on file in the office of the municipal zoning administrator.

3.0 SHORELAND-WETLAND ZONING DISTRICT

3.1 SHORELAND-WETLAND ZONING MAPS

The following maps are hereby adopted and made part of this ordinance and are on file in the office of the municipal Clerk:

- (1) Wisconsin Wetland Inventory maps stamped "FINAL" on December 8, 1988.
- (2) Floodplain zoning maps titled "Village of Kewaskum Zoning Map" and dated August 31, 1978.
- (3) United States Geological Survey maps dated January 6, 1982.

(3)

3.2 DISTRICT BOUNDARIES

3.21 The shoreland-wetland zoning district includes all wetlands in the municipality which are five acres or more and are shown on the final Wetland Inventory Map that has been adopted and made a part of this ordinance and which are:

- (1) Within one thousand (1,000) feet of the ordinary high-water mark of navigable lakes, ponds or flowages. Lakes, ponds or flowages in the municipality shall be presumed to be navigable if they are shown on the United States Geological Survey quadrangle maps or other zoning base maps which have been incorporated by reference and made a part of this ordinance. Floodplain zoning maps adopted in section 3.1(2) shall be used to determine the extent of floodplain areas.
- (2) Within three hundred (300) feet of the ordinary high-water mark of navigable rivers or streams, or to the landward side of the floodplain, whichever distance is greater. Rivers and streams shall be presumed to be navigable if they are designated as either continuous or intermittent waterways on the United States Geological Survey quadrangle maps or other zoning base maps which have been incorporated by reference and made a part of this ordinance. Floodplain zoning maps adopted in section 3.1(2) shall be used to determine the extent of floodplain areas.

3.22 Determinations of navigability and ordinary high-water mark location shall initially be made by the zoning administrator. When questions arise, the zoning administrator shall contact the appropriate district office of the Department for a final determination of navigability or ordinary high-water mark.

3.23 When an apparent discrepancy exists between the shoreland-wetland district boundary shown on the official zoning maps and actual field conditions at the time the maps were adopted, the zoning administrator shall contact the appropriate district office of the Department to determine if the shoreland-wetland district boundary as mapped, is in error. If Department staff concur with the zoning administrator that a particular area was incorrectly mapped as a wetland, the zoning administrator shall have the authority to immediately grant or deny a zoning permit in accordance with the regulations applicable to the correct zoning district. In order to correct wetland mapping errors or acknowledge exempted wetlands designated in section 3.24 and 3.25, the zoning administrator shall be responsible for initiating a map amendment within a reasonable period.

3.24 FILLED WETLANDS

Wetlands which are filled prior to December 8, 1988, the date on which the municipality received final wetland inventory maps, in a manner which affects their wetland characteristics to the extent that the area can no longer be defined as a wetland, are not subject to this ordinance.

3.25 WETLANDS LANDWARD OF A BULKHEAD LINE

Wetlands located between the original ordinary high water mark and a bulkhead line established prior to May 7, 1982 under s. 30.11, Stats. are not subject to this ordinance.

(4)

3.3 PERMITTED USES

The following uses are permitted subject to the provisions of chapters 30 and 31, Wis. Stats., and the provisions of other local, state and federal laws, if applicable:

- 3.31 Activities and uses which do not require the issuance of a zoning permit, provided that no wetland alteration occurs:
 - (1) Hiking, fishing, trapping, hunting, swimming, snowmobiling and boating;
 - (2) The harvesting of wild crops, such as marsh hay, ferns, moss, wild rice, berries, tree fruits and tree seeds, in a manner that is not injurious to the natural reproduction of such crops;
 - (3) The practice of silviculture, including the planting, thinning and harvesting of timber;
 - (4) The pasturing of livestock;
 - (5) The cultivation of agricultural crops; and
 - (6) The construction and maintenance of duck blinds.

3.32 Uses which do not require the issuance of a zoning permit and which may involve wetland alterations only to the extent specifically provided below:

- (1) The practice of silviculture, including limited temporary water level stabilization measures which are necessary to alleviate abnormally wet or dry conditions that would have an adverse impact on the conduct of silvicultural activities if not corrected;
- (2) The cultivation of cranberries, including limited wetland alterations necessary for the purpose of growing and harvesting cranberries;
- (3) The maintenance and repair of existing drainage systems to restore pre-existing levels of drainage, including the minimum amount of filling necessary to dispose of dredged spoil, provided that the filling is otherwise permissible and that dredged spoil is placed on existing spoil banks where possible;
- (4) The construction and maintenance of fences for the pasturing of livestock, including limited excavating and filling necessary for such construction or maintenance;
- (5) The construction and maintenance of piers, docks, walkways, observation decks and trail bridges built on pilings, including limited excavating and filling necessary for such construction or maintenance.
- (6) The installation and maintenance of sealed tiles for the purpose of draining lands outside the shoreland-wetland zoning district provided that such installation or maintenance is done in a manner designed to minimize adverse impacts upon the natural functions of the shoreland-wetland listed in section 6.13 of this ordinance; and

(5)

(7) The maintenance, repair, replacement and reconstructions of existing highways and bridges, including limited excavating and filling necessary for such maintenance, repair, replacement or reconstruction.

3.33 Uses which are allowed upon the issuance of a zoning permit and which may involve wetland alterations only to the extent specifically provided below:

- (1) The construction and maintenance of roads which are necessary for the continuity of the municipal street system, the provision of essential utility and emergency services or to provide access to uses permitted under section 3.3, of this ordinance, provided that:

- (a) The road cannot, as a practical matter, be located outside the wetland;
 - (b) The road is designed and constructed to minimize adverse impacts upon the natural functions of the wetland listed in section 6.13 of this ordinance;
 - (c) The road is designed and constructed with the minimum cross-sectional area practical to serve the intended use;
 - (d) Road construction activities are carried out in the immediate area of the roadbed only; and
 - (e) Any wetland alteration must be necessary for the construction or maintenance of the road.
- (2) The construction and maintenance of nonresidential buildings provided that:
- (a) The building is used solely in conjunction with a use permitted in the shoreland-wetland district or for the raising of waterfowl, minnows or other wetland or aquatic animals;
 - (b) The building cannot, as a practical matter, be located outside the wetland;
 - (c) The building does not exceed 500 square feet in floor area; and
 - (d) Only limited filling and excavating necessary to provide structural support for the building is allowed.
- (3) The establishment and development of public and private parks and recreation areas, outdoor education areas, historic, natural and scientific areas, game refuges and closed areas, fish and wildlife habitat improvement projects, game bird and animal farms, wildlife preserves and public boat launching ramps, provided that:

- (a) Any private development allowed under this paragraph shall be used exclusively for the permitted purpose;
- (b) Only limited filling and excavating necessary for the development of public boat launching ramps, swimming beaches or the

(6)

construction of park shelters or similar structures is allowed;

- (c) The construction and maintenance of roads necessary for the uses permitted under this paragraph are allowed only where such construction and maintenance meets the criteria in section 3.33(1) of this ordinance; and

- (d) Wetland alterations in game refuges and closed areas, fish and wildlife habitat improvement projects, game bird and animal farms and wildlife preserves shall be for the purpose of improving wildlife habitat or to otherwise enhance wetland values.

- (4) The construction and maintenance of electric and telephone transmission lines, water and gas distribution lines and sewage collection lines and related facilities and the construction and maintenance of railroad lines provided that:

- (a) The utility transmission and distribution facilities and railroad lines cannot, as a practical matter, be located outside the wetland;
- (b) Only limited filling or excavating necessary for such construction or maintenance is allowed; and
- (c) Such construction or maintenance is done in a manner designed to minimize adverse impacts upon the natural functions of the wetland listed in section 6.13 of this ordinance.

3.4 PROHIBITED USES

3.41 Any use not listed in section 3.3 of this ordinance is prohibited, unless the wetland or a portion of the wetland has been rezoned by amendment of this ordinance in accordance with section 6.0 of this ordinance.

3.42 The use of a boathouse for human habitation and the construction or placement of a boathouse or fixed houseboat below the ordinary high-water mark of any navigable waters are prohibited.

4.0 NONCONFORMING STRUCTURES AND USES

4.1 The lawful use of a building, structure or property which existed at the time this ordinance, or an applicable amendment to this ordinance, took effect and which is not in conformity with the provisions of the ordinance, including the routine maintenance of such a building or structure, may be continued, subject to the following conditions:

4.2 FOR VILLAGES

The shoreland-wetland provisions of this ordinance authorized by s. 61.351, Wis. Stats., shall not limit the repair, reconstruction, renovation, remodeling or expansion of a nonconforming structure in existence on the effective date of the shoreland-wetland provisions. All other modifications to nonconforming structures are subject to s. 62.23(7)(h), Wis. Stats., which limits total lifetime structural repairs

(7)

and alterations to 50% of current fair market value.

4.3 If a nonconforming use or the use of a nonconforming structure is discontinued for twelve (12) consecutive months, any future use of the building, structure or property shall conform to this ordinance.

4.4 Any legal nonconforming use of property which does not involve the use of a structure and which existed at the time of the adoption or subsequent amendment of this ordinance adopted under sections 61.351 or 62.231, Wis. Stats., may be continued although such use does not conform with the provisions of the ordinance. However, such nonconforming use may not be extended.

4.5 The maintenance and repair of nonconforming boathouses which are located below the ordinary high-water mark of any navigable waters shall comply with the requirements of section 30.121, Wis. Stats.

4.6 Uses which are nuisances under common law shall not be permitted to continue as nonconforming uses.

5.0 ADMINISTRATIVE PROVISIONS

5.1 ZONING ADMINISTRATOR

The zoning administrator is appointed for the purpose of administering and enforcing this ordinance.

The zoning administrator shall have the following duties and powers:

- 5.11 Advise applicants as to the provisions of this ordinance and assist them in preparing permit applications and appeal forms.
- 5.12 Issue permits and certificates of compliance and inspect properties for compliance with this ordinance.
- 5.13 Keep records of all permits issued, inspections made, work approved and other official actions.
- 5.14 Have access to any structure or premises between the hours of 8 a.m. and 6 p.m. for the purpose of performing these duties.
- 5.15 Submit copies of decisions on variances, conditional use permits, appeals for a map or text interpretation, and map or text amendments within 10 days after they are granted or denied, to the appropriate district office of the Department.
- 5.16 Investigate and report violations of this ordinance to the appropriate municipal planning agency and the district attorney, corporation counsel or municipal attorney.
- 5.17 Is responsible for inspection of projects to issue compliance with terms of this ordinance.

5.2 ZONING PERMITS

Kewaskum Statesman,

Friday, May 12, 1989, Page 18

MAY COMMUNITY CALENDAR

Coming events will be listed only if they are submitted to the Statesman and are of area interest. We will be happy to list meetings of your organization only if they are sent in to us each month. We can no longer be responsible for keep a running file of your meetings for the entire year. Please submit your meeting notice for publication the week before it is to be published.

WEDNESDAY, MAY 17

Meeting of the Kewaskum Area Chamber of Commerce in the Community Room of the Municipal Building, 203 First St., Kewaskum, at 6:30 p.m. Decisions on the River Festival will be made. All members are asked to attend or send a representative. We need your input. Be there!

SATURDAY, MAY 20

Do you enjoy walking in the woods in the Springtime? The public is invited to a two mile walk led by members of the Washington-Ozaukee Chapter of the Ice Age Trail. Guides will point out the glacial features and flowers and trees along the trail. Meet at the Glacial Blue Hills Recreation area parking lot on Beaver Dam Road north of West Bend, at 10 a.m. From Hwy. 33 take B north to Beaver Dam Road, turn right 1/4 mile to parking area.

SATURDAY, MAY 20

Ninth annual Community Rummage Sale in Jackson, Wisconsin from 8 a.m. to 5 p.m. Over 135 individual homes will participate. Free maps will be available at area merchants after May 18.

SATURDAY, MAY 20

Rummage and bake sale at the Cedar Lake Home Campus, 5595 Hwy. Z, West Bend, 2 miles south of State 33, sponsored by the staff of the Cedar Lake Home Campus from 8 a.m. to 2 p.m.

SUNDAY, MAY 21

The Ozaukee County Historical Society will hold their Third Annual Auction at Pioneer Village at 1 p.m. in The Expo Barn. Antiques and collectibles.

Any church group or civic organization is invited to submit their coming events for listing in this column, however, we do ask that you keep words to a minimum. (We also appreciate your advertising these events).

5.21 WHEN REQUIRED

Unless another section of this ordinance specifically exempts certain types of development from this requirement, a zoning permit shall be obtained from the zoning administrator before any new development, as defined in section 8.2(6), of this ordinance, or any change in the use of an existing building or structure is initiated.

5.22 APPLICATION

An application for a zoning permit shall be made to the zoning administrator upon forms furnished by the municipality and shall include, for the purpose of proper enforcement of these regulations, the following information:

(1) GENERAL INFORMATION

- (a) Name, address, and telephone number of applicant, property owner and contractor, where applicable.
- (b) Legal description of the property and a general description of the proposed use or development.
- (c) Whether or not a private water supply or sewage system is to be installed.

(2) SITE DEVELOPMENT PLAN

The site development plan shall be submitted as a part of the permit application and shall contain the following information drawn to scale:

- (a) Dimensions and area of the lot.
- (b) Location of any structures with distances measured from the lot lines and center line of all abutting streets or highways;
- (c) Description of any existing or proposed on-site sewage systems or private water supply systems;
- (d) Location of the ordinary high-water mark of any abutting navigable waterways;
- (e) Boundaries of all wetlands;
- (f) Existing and proposed topographic and drainage features and vegetative cover;
- (g) Location of floodplain and floodway limits on the property as determined from floodplain zoning maps;
- (h) Location of existing or future access roads; and
- (i) Specifications and dimensions for areas of proposed wetland alteration.

(9)

5.23 EXPIRATION

All permits issued under the authority of this ordinance shall expire 12 months from the date of issuance.

5.3 FEES

The municipal governing body will by resolution, adopt fees for the following:

- (1) Zoning permits.
- (2) Public hearings.
- (3) Legal notice publications.
- (4) Rezoning petitions.

5.4 RECORDING

Where a zoning permit is approved, an appropriate record shall be made by the zoning administrator of the land use and structures permitted.

5.5 REVOCATION

Where the conditions of a zoning permit are violated, the permit shall be revoked by the Board of Appeals.

5.6 BOARD OF APPEALS

The village president shall appoint a Board of Appeals under section 62.23(7)(e), Wis. Stats., consisting of five members subject to confirmation by the municipal governing body. The Board of Appeals shall adopt rules for the conduct of its business as required by section 63.23(7)(e)3., Wis. Stats.

5.61 POWERS AND DUTIES

The Board of Appeals:

- (1) Shall hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement or administration of this ordinance.
- (2) Shall hear and decide applications for conditional use permits.
- (3) May authorize upon appeal a variance from the dimensional standards of this ordinance where an applicant convincingly demonstrates:
 - (a) That literal enforcement of the terms of the ordinance will result in unnecessary hardship for the applicant.
 - (b) That the hardship is due to special conditions unique to the property; and is not self-created or based solely on economic gain or loss;

(10)

5.62 APPEALS TO THE BOARD

Appeals to the Board of Appeals may be taken by any person aggrieved or by an officer, department, board or bureau of the community affected by any order, requirement, decision, or determination of the zoning administrator or other administrative official. Such appeals shall be taken within a reasonable time, as provided by the rules of the Board of Appeals, a notice of appeal specifying the reasons for the appeal. The zoning administrator or other official whose decision is in question shall transmit to the Board all the papers constituting the record on the matter appealed.

5.63 PUBLIC HEARINGS

- (1) Before making a decision on an appeal or application, the Board of Appeals shall, within a reasonable period of time, hold a public hearing. The Board shall give public notice of the hearing by publishing a class 2 notice under ch. 985, Stats., specifying the date, time and place of the hearing and the matters to come before the Board. At the public hearing, any party may present testimony in person, by agent or by attorney.
- (2) A copy of such notice shall be mailed to the parties in interest and the appropriate district office of the Department at least 10 days prior to all public hearings on issues involving shoreland-wetland zoning.

5.64 DECISIONS

- (1) The final disposition of an appeal or application for a conditional use permit before the Board of Appeals shall be in the form of a written decision, made within a reasonable time after the public hearing and signed by the Board chairperson. Such decision shall state the specific facts which are the basis of the Board's determination and shall either affirm, reverse, or modify the order, requirement, decision or determination appealed, in whole or in part, dismiss the appeal for lack of jurisdiction or prosecution, or grant the application for a conditional use.
- (2) A copy of such decision shall be mailed to the parties in interest and the appropriate district office of the Department within 10 days after the decision is issued.

6.0 AMENDING SHORELAND-WETLAND ZONING REGULATIONS

6.1 The municipal governing body may alter, supplement or change the district boundaries and the regulations contained in this ordinance in accordance with the requirements of section 62.23(7)(d)2., Wis. Stats., NR 117, Wis. Adm. Code, and the following:

(11)

6.11 A copy of each proposed text or map amendment shall be submitted to the appropriate district office of the Department within 5 days of the submission of the proposed amendment to the municipal planning agency;

6.12 All proposed text and map amendments to the shoreland-wetland zoning regulations shall be referred to the municipal planning agency, and a public hearing shall be held after class II notice as required by section 62.23(7)(d)2., Wis. Stats. The appropriate district office of the Department shall be provided with written notice of the public hearing at least 10 days prior to such hearing.

6.13 In order to insure that this ordinance will remain consistent with the shoreland protection objectives of section 144.26, Wis. Stats., the municipal governing body may not rezone a wetland in a shoreland-wetland zoning district, or any portion thereof, where the proposed rezoning may result in a significant adverse impact upon any of the following wetland functions:

- (1) Storm and flood water storage capacity;
- (2) Maintenance of dry season stream flow or the discharge of groundwater to a wetland, the recharge of ground water from a wetland to another area or the flow of groundwater through a wetland;
- (3) Filtering or storage of sediments, nutrients, heavy metals or organic compounds that would otherwise drain into navigable waters;
- (4) Shoreline protection against erosion;
- (5) Fish spawning, breeding, nursery or feeding grounds;
- (6) Wildlife habitat; or
- (7) Areas of special recreational, scenic or scientific interest, including scarce wetland types and habitat of endangered species.

6.14 Where the district office of the Department determines that a proposed rezoning may have a significant adverse impact upon any of the criteria listed in section 6.13, of this ordinance, the Department shall so notify the municipality of its determination either prior to or during the public hearing held on the proposed amendment.

6.15 The appropriate district office of the Department shall be provided with:

- (1) A copy of the recommendation and report, if any, of the municipal planning agency on a proposed text or map amendment, within 10 days after the submission of those recommendations to the municipal governing body.
- (2) Written notice of the action on the proposed text or map amendment within 10 days after the action is taken.

6.16 If the Department notifies the municipal planning agency in writing that a proposed amendment may have significant adverse impact upon any of

(12)

the criteria listed in section 6.13, of this ordinance, that proposed amendment, if approved by the municipal governing body, shall not become effective until more than 30 days have elapsed since written notice of the municipal approval was mailed to the Department, as required by section 6.15(2) of this ordinance. If within the 30 day period, the Department notifies the municipality that the Department intends to adopt a superseding shoreland-wetland zoning ordinance for the municipality as provided by sections 62.231(6) or 61.351(6), Wis. Stats., is completed or otherwise terminated.

7.0 ENFORCEMENT AND PENALTIES

Any development, building or structure or accessory building or structure constructed, altered, added to, modified, rebuilt or replaced or any use or accessory use established after the effective date of this ordinance in violation of the provisions of this ordinance, by any person, firm, association, corporation (including building contractors or their agents) shall be deemed a violation. The zoning administrator shall refer violations to the municipal planning agency and the district attorney, corporation counsel or municipal attorney who shall prosecute such violations. Any person, firm, association, or corporation who violates or refuses to comply with any of the provisions of this ordinance shall be subject to a forfeiture of not less than \$10.00 nor more than \$500.00 per offense, together with the taxable costs of such action. Each day of continued violation shall constitute a separate offense. Every violation of this ordinance is a public nuisance and the creation thereof may be enjoined and the maintenance thereof may be abated by action at suit of the municipality, the state, or any citizen thereof pursuant to section 87.30(2), Wis. Stats.

8.0 DEFINITIONS

8.1 For the purpose of administering and enforcing this ordinance, the terms or words used herein shall be interpreted as follows: Words used in the present tense include the future; words in the singular number include the plural number; words in the plural number include the singular number. The word "shall" is mandatory, not permissive. All distances unless otherwise specified, shall be measured horizontally.

8.2 The following terms used in this ordinance mean:

- (1) "Accessory structure or use" means a detached subordinate structure or a use which is clearly incidental to, and customarily found in connection with, the principle structure or use to which it is related and which is located on the same lot as that of the principle structure or use.
- (2) "Boathouse" as defined in section 30.121(1), Wis. Stats., means a permanent structure used for the storage of watercraft and associated materials and includes all structures which are totally enclosed, have roofs or walls or any combination of structural parts.
- (3) "Class 2 public notice" means publication of a public hearing notice under chapter 985, Wis. Stats., in a newspaper of circulation in the affected area. Publication is required on two consecutive weeks, the last at least seven days prior to the hearing.
- (4) "Conditional use" means a use which is permitted by this ordinance provided that certain conditions specified in the ordinance are met and that a permit is granted by the Board of Appeals or, where appropriate, the planning agency designated by the municipal governing body.
- (5) "Department" means the Wisconsin Department of Natural Resources.
- (6) "Development" means any man-made change to improved or unimproved real estate, including, but not limited to, the construction of buildings, structures or accessory structures; the construction of additions or substantial alterations to buildings, structures or accessory structures; the placement of buildings or structures; ditching, lagooning, dredging, filling, grading, paving, excavation or drilling operations; and the deposition or extraction of earthen materials.
- (7) "Drainage system" means one or more artificial ditches, tile drains or similar devices which collect surface runoff or groundwater and convey it to a point of discharge.
- (8) "Environmental control facility" means any facility, temporary or permanent, which is reasonably expected to abate, reduce or aid in the prevention, measurement, control or monitoring of noise, air or water pollutants, solid waste and thermal pollution, radiation or other pollutants, including facilities installed principally to supplement or to replace existing property or equipment not meeting or allegedly not meeting acceptable pollution control standards or which are to be supplemented or replaced by other pollution control facilities.
- (9) "Fixed houseboat" as defined in section 30.121(1), Wis. Stats., means a structure not actually used for navigation which extends beyond the ordinary high-water mark of a navigable waterway and is retained in place either by cables to the shoreline or by anchors

(13)

Prevention Can Guard Against Lyme Disease

MADISON — Vacation planners need not worry about deer ticks and Lyme disease this summer in Wisconsin, says a Department of Natural Resources wildlife official. A few simple preventative measures can provide protection from the insect and the illness it may carry.

Sarah Hurley, DNR wildlife health specialist, suggests that people who plan to spend a lot of time outdoors this year, especially during May through July, should consider using a tick repellent or insecticide.

"There are a couple of very good products on the market now that have been extensively tested and found to be both safe and very effective," she said. "Products containing 30 percent DEET, or 0.5 percent permethrin, are almost 100 percent effective in eliminating deer ticks.

"Care should be taken to use the products in accordance with manufacturers' recommendations," she stressed.

Hurley suggests that people wear light colored clothing to make it easier to see ticks that might cling to the clothing, tuck pants into socks or boots, and wear long-sleeved shirts buttoned at the cuff.

"Ticks don't fly or jump onto clothing. They become attached to clothes after the wearer brushes up against grasses or bushes where the tick clings. Repellents and permethrin insecticides are effective against wood ticks and other insects as well," she said.

The deer tick is considerably smaller than the wood tick. If you see a deer or wood tick on you or your clothing, don't panic.

"Ticks must be embedded in the skin and have fed for at least 24 hours before they can transmit any infection," said Hurley.

"The best way to remove a tick is to grasp it with a tweezers as close to the skin as possible and gently, but firmly, pull it straight out. Don't squeeze the body of the tick. If you jerk or twist, parts can remain in the skin and cause a general infection.

"See your doctor about removing any embedded parts. Otherwise, wash the bite site with soap and water, and apply an antiseptic."

Pets can be treated with tick repellent too. But dogs should be checked daily for ticks anyway, as their fur may tend to hide ticks. Because cats groom themselves often, tick repellents should be specifically approved for use on cats and may have to be reapplied more frequently.

Both humans and animals can be effectively treated with antibiotics if the Lyme infection should occur. Early diagnosis is the key to successful treatment.

The largest eyes of all land animals are those of the horse and ostrich—about one and a half times the size of the human eyes.

(Continued on next page)

- or spudpoles attached to the bed of the waterway.
- (10) "Navigable waters" means Lake Superior, Lake Michigan, all natural inland lakes within Wisconsin, and all streams, ponds, sloughs, flowages and other waters within the territorial limits of this state, including the Wisconsin portion of boundary waters, which are navigable under the laws of this state. Under section 144.26(2)(d), Wis. Stats., notwithstanding any other provision of law or administrative rule promulgated thereunder, shoreland ordinances required under sections 61.351 or 62.221, Wis. Stats., and chapter NR 117, Wis. Adm. Code, do not apply to lands adjacent to farm drainage ditches if:
- (a) Such lands are not adjacent to a natural navigable stream or river;
 - (b) Those parts of such drainage ditches adjacent to such lands were not navigable streams before ditching; and
 - (c) Such lands are maintained in nonstructural agricultural use.
- "Wisconsin's Supreme Court has declared navigable bodies of water that have a bed differentiated from adjacent uplands and levels or flow

- (14) sufficient to support navigation by a recreational craft of the shallowest draft on an annually recurring basis [Muench v. Public Service Commission, 261 Wis. 492 (1952) and DeGaynor and Col., Inc., v. Department of Natural Resources, 70 Wis. 2d 936 (1975)]. For example, a stream which is navigable by skiff or canoe during normal spring high water is navigable, in fact, under the laws of this area though it may be dry during other seasons."
- (11) "Ordinary high-water mark" means the point on the bank or shore up to which the presence and actions of surface water is so continuous as to leave a distinctive mark such as erosion, destruction or prevention of terrestrial vegetation, predominance of aquatic vegetation, or other easily recognized characteristic.
- (12) "Planning agency" means the municipal plan commission created under section 62.23(1), Wis. Stats., a board of public land commissioners or a committee of the municipality's governing body which acts on matters pertaining to planning and zoning.
- (13) "Shorelands" means lands within the following distances from the ordinary high-water mark of navigable waters: 1,000 feet from a lake, pond or flowage; and 300 feet from a river or stream or to the landward side of the floodplain, whichever distance is greater.
- (14) "Shoreland-wetland district" means the zoning district, created in this shoreland-wetland zoning ordinance, comprised of shorelands that are designated as wetlands on the wetlands inventory maps which have been adopted and made a part of this ordinance.
- (15) "Unnecessary hardship" means that circumstance where special conditions, which were not self-created, affect a particular property and make strict conformity with restrictions governing area, setbacks, frontage height or density unnecessarily burdensome or unreasonable in light of the purposes of this ordinance.
- (16) "Variance" means an authorization granted by the Board of Appeals to construct or alter a building or structure in a manner that deviates from the dimensional standards of this ordinance.
- (17) "Wetlands" means those areas where water is at, near or above the land surface long enough to support aquatic or hydrophytic vegetation and which have soils indicative of wet conditions.
- (18) "Wetland alteration" means any filling, flooding, draining, dredging, ditching, tiling, excavating, temporary water level stabilization measures or dike and dam construction in a wetland area.

50 Years Ago

May 12, 1939

Two Milwaukeeans, Reinhold Fonslow, 51, and George Joyce, 19, were sentenced Wednesday to the state prison at Waupun for the slugging of Carl Degnitz, 63, Town of Wayne farmer on March 29. Fonslow was given a sentence of 1 to 20 years and Joyce, 1 to 7 years.

The men were originally scheduled to stand trial at West Bend next Monday but were taken to Waukesha to appear before Judge C. Davison Wednesday when they changed their plea from not guilty to guilty, thus making for earlier disposition of the case.

Last week Wednesday afternoon a fire of unknown origin destroyed the strawstack on the Frank Bruesewitz farm located in the Town of Farmington. The blaze had gained considerable headway by the time it was discovered but good work by the Boltonville Fire Department and neighbors kept the fire from damaging buildings on the farm.

Mr. and Mrs. Lawrence Corbett who have been residents of the village of New Fane for many years where Mr. Corbett formerly operated a tavern, moved their household goods to Milwaukee where they will make their home. Their daughter Maebelle has moved to this village and is occupying an apartment in the S.N. Casper building.

The Kewaskum High School Band, under the direction of Mr. Furlong will play for Memorial Day exercises at Boltonville May 30.

Since the band has no uniforms, it was decided that the girls wear dark skirts and white blouses and that the boys dark trousers and white shirts.

Banns of marriage were announced Sunday at St. Michaels Catholic Church for Miss Eunice Bowen of Dundee and Cyril Gilboy of Mitchell. The wedding will take place on Saturday, May 20.

25 Years Ago

May 8, 1964

The Wigwam Restaurant and Drive-In on Fond du Lac Ave., has completed remodeling of its interior to provide faster and more efficient service and has added a carry-out on the north side of the building.

The carry-out center will cater to the younger trade and feature food at reduced prices. Starting Saturday, May 9, the carry-out will open with hamburgers selling for 15 cents, malts 20c, and French fries 15 cents.

King Bob Miller and Queen Bernadine Fellenz will reign over the Kewaskum High School Junior Prom, "Scheherazade," on Friday May 15.

Members of the court of honor are Kenneth Ramthun and Carol Volm, Eugene Schneider and Beth Honeck, Hiram Justman and Linda Mueller, Ronald Amerling and Mary Zehren, Terry Melius and Barbara Koch, John Eggert and Holly Pomahac.

Richard Groh, son of Mr. and Mrs. Vincent Groh, Kewaskum, was chosen as co-editor along with Pat Leu, of "Dormitory," a newspaper of Lake Shore halls at the University of Wisconsin, Madison.

Wendy Koch's entry in the Helen Mears Memorial Art contest sponsored locally by the Kewaskum Woman's Club was awarded third place in the 6th District of the Wisconsin Federation of Woman's Clubs.

Wendy, as 8th grade student in the Kewaskum Public School, is the daughter of Mr. and Mrs. Harry Koch, 510 Keller St.

A daughter was born to Mr. and Mrs. Ronald Staehler, R1, Kewaskum on Thursday April 30. A son was born to Mr. and Mrs. William Meyer R.2, Kewaskum, Monday May 4.

75 Years Ago

May 9, 1914

A shepherd dog saved the life of William Lloyd, a farmer residing five miles south of Eden, when the man was attacked by an enraged bull which had escaped from an enclosure, knocked him down and trampled upon him. The dog went to his master's aid and succeeded in driving the bull back into the enclosure. Mr. Lloyd was badly cut and bruised.

Henry Garbisch and family of Kewaskum spent Sunday with Mr. and Mrs. F. Haack of Boltonville.

Lightning last Sunday, struck the barn of Nic Thill of Ashford and killed four cows.

Jim Flynn, John Polzen and C. Holtz, Dundee, each lost a valuable colt.

Rumor has it that Henry Miller bought the Dr. E.L. Morgenroth.

SENSENBRENNER MAKES U.S. FLAGS AVAILABLE TO NINTH DISTRICT

(Washington, D.C.) — Rep. F. James Sensenbrenner, Jr. (R-WI) announced that nylon United States flags are available at cost to Ninth District residents through his Washington office. Each flag comes with a certificate showing that it has been flown over the U.S. Capitol.

A 3' x 5' flag can be purchased for \$6.58, a 4' x 6' can be purchased for \$9.59, and a 5' x 8' can be purchased for \$15.49. Due to House of Representatives regulations, only checks and money orders for the exact amount can be accepted. These prices are good until May 31, 1989, and delivery takes 4-8 weeks.

Persons wishing to order a flag should make their checks or money orders payable to the "SENSENBRENNER FLAG ACCOUNT" and send it to: Sensenbrenner Flag Account, 2444 Rayburn Building, Washington, D.C. 20515-4909.

There is no such thing as an average tornado, but the typical tornado moves from the southwest to the northeast, following the parent thunderstorm. A tornado can be erratic and change direction suddenly.

Weekly Health Tip

From Tom Kennelly

HEART HEALTH

Light exercise for 45 minutes a day is as good as 2 hours of hard exercise in preventing heart disease, reports a federal study of 12,000 patients. Light exercise includes gardening, home repairs, walking, hoeing, weeding and pushing a lawn mower. The moral: do your own 'home work' instead of paying someone to strengthen his heart.

Filling your prescription is our most important work.

Season Opener at Slinger Speedway

The evening opener at the Slinger Speedway was packed full of topnotch racing.

Lowell Bennett of Neenah took the main event in the late model division. The caution flag came out on the 17th lap of the feature, when John Zimmermann of McHenry, Ill. had problems on the back straight away. This caused a chain reaction, with Tony Strupp of West Bend, (driving the Goeden Thunderbird), who slowed down to avoid contact with Zimmermann.

Strupp was hit from behind by Rob Rieser of Allenton into Zimmermann's car. All were able to continue in the race. Rieser finished 8th, Strupp placed 10th and Zimmermann later pulled out of competition to place 15th.

Tony Strupp took the first flag of the regular season by winning the trophy dash and later finished 4th in the 10 lap heat race won by Bob Browndell of Watertown.

Other area drivers doing well are Terry Helbrecht of Slinger and Kerry Kell of West Bend winning their heat races in the late model division. Scott Weiss of Beechwood placed four in his heat and showed to be a strong competitor as he finished 3th in the semi feature won by Rich Sommers of Stevens Point.

Brian Oelhafen of Wayne put on a very good aggressive show, by coming from the back of a 15 car field to finish in third position in his 10 lap heat in the amateur division.

Next week is Mothers Day at the Slinger Super Speedway. Bits & Pieces of West Bend will present flowers to the first 300 mothers who enter the races to see the cars compete on the fastest quartermile in the Midwest.

Gehl Company Implements Productivity Sharing Program

(WEST BEND, WI) — Gehl Company's West Bend facilities recently implemented an employee productivity gain-sharing program called Improshare (R), which pays employees 50 percent of all

gains made in company-wide productivity. The plan includes virtually all factory and office personnel and could mean significant additional earnings for the employees.

"We want to reward the

extraordinary effort put forth by our people," said Bernie Nielsen, Gehl President and CEO. "This plan gives our employees the opportunity to benefit directly from the success of their own efforts." Over 400 U.S. firms have adopted the Improshare plan,

including Mercury Marine of Fond du Lac.

Gehl Company, a West Bend, WI based manufacturer of agricultural and light industrial equipment, increased its sales in 1988 by over 50%, the third such consecutive annual increase.

KHS Boys Trackers Keep Pushing On

IT'S THE HANDOFF! Senior Marty Schulteis hands off to sophomore Chris Donath in the 1600m. relay. The team of Schulteis, Donath, Doug Mueller, and Ryan Degnitz captured a first place at the recent Vanderpan Invitational in Sheboygan Falls.

Telschow photo

Seniors Ryan Degnitz and Marty Schulteis, the "dynamic duo" of the hurdle events are not only eyeing a victory in the meet, but a chance at state as well.

Coach Fran Charland is quite pleased with his trackmen this year and is very happy with the "consistent effort put out."

The KHS boys track team continues to fight the numbers disadvantage yet despite that fact are doing quite well.

Seniors Marty Schulteis and Ryan Degnitz continue to dominate the hurdle events while senior Jeff Taylor finally broke the shot put record he's been working toward with a throw of 50-10 in the Sheboygan Falls meet on Friday.

Sophomore Chris Donath continues to be "unbeatable" in the 800 clocking times of 2:04.5 and 205.7 respectively.

KHS hosted a triangular meet on Tuesday against Two Rivers and Plymouth and ended up placing second behind Two Rivers with a score of 45. Kewaskum tallied up five first places with trackmen Schulteis in the 110 m. hurdles with a time of 16.2, Ryan Degnitz in the 300 m. hurdles with a time of 43.1, Chris Donath inching out a victory by mere tenths of a second (six tenths to be exact) in the 800 run and weight man Jeff Taylor taking first place honors in the shot put and discus.

Other top four finishers for the Indians included third place finishes by Mark Hartman in the triple jump, Doug Mueller in the high jump, and B. Jackson in the pole vault and fourth place finishes by Doug Geidel in the 1600 m. run, Brian Harycki in the 800 m. run, Aaron Miller in the 200 m. dash, John Braun in the 3200 m. run, Mark Hartman in the long jump, and Kries in the high jump. Said Coach Fran Charland of the meet, "We had

some very good performances and the enthusiasm is remaining quite high."

In JayVee action against Two Rivers and Plymouth, Kewaskum, placed third with Kim Marx and Joey Rehbein, double winners. Marx took a first in the 300 m hurdles and a second in the 110 m. hurdles while Joey Rehbein captured a first in the 3200 m. run and a second in the 800 m. run. Jon Fry took a second in the 400 m. dash and Brian Harycki also finished second in the 3200 m. run for the only other top 3 finishers of the JayVee team.

In the Vanderpan Invitational at Sheboygan Falls on Friday, besides bringing home some colds and near frost-bitten body parts, the trackmen managed to bring home a 3rd place. Providing the strength for the Indians were Schulteis and Degnitz running 1-2 in the high hurdles and reversing to 1-3 in the lows (Degnitz posting the win while Schulteis settled for third) Jeff Taylor took a second place in the shot put by a mere three inches but still broke the school record in the process with a throw of 50-10. His 132-9 discus throw also earned him a third place against tough competition. Sophomore Chris "Wheels" Donath also kept on his winning track with a victory in his specialty, the 800 m. run and the 1600 relay team of Schulteis, Donath, Doug Mueller and Degnitz combined for a win. Thus despite the cold, Kewaskum turned on the heat and faired well.

SCHOOL RECORD POSE! Senior Jeff Taylor broke the KHS record on Friday at Sheboygan Falls with a throw of 50 feet, 10 inches. He's also continually providing the Indians with "points" in the discus as well.

Telschow photos

People believe if a fly lands on your nose, somebody has something to tell you.

Freshman hopeful Kim Marx is learning from the best in Degnitz and Schulteis. Marx has been consistently capturing first places in the 110m. hurdles and 300m. hurdles on the Jayvee level and hopes to follow in his teammates footsteps in the coming years.

Jayvee Girls Are Track Champions Of Marshland Invitational

Placing first, second and third in the Marshland Invitational included, left to right, Andrea Fliess, Pam Osterbrink and Ingrid Ankersen.

Telschow photo

The Kewaskum JayVee girls track team placed first out of six schools in the Marshland Invitational held at Mayville this week and captured TEN out of sixteen first place events.

The girls were unbeatable and unstoppable from start to finish with the whole team producing a super effort.

Double winners for the team included Teri Vogt in the 100 m.

hurdles and the long jump, and Andrea Fliess in the high jump and the triple jump.

Other firsts came from Rachel Gosa in the 100 m. dash, Tina Schwartz in the 200 m. dash, Michelle Marx in the 300 m. hurdles, and the girls also combined to win all three relay events. Coach Koth was mighty pleased with his girls.

Senior Citizen ID Cards to Be Issued At West Bend

Are you 60 years old or older? Washington County Senior Citizen Identification and Discount cards will be issued on Thursday, May 25, 1989, from 3:00 p.m. to 5:00 p.m. at the Washington County Senior Center, 401 East Washington Street, West Bend.

Information needed: Social Security number, person to contact in case of an emergency and their phone number, and your doctor's name and phone number. Your picture will be taken. The cost for each card is \$1.00.

NOTICE OF BOARD OF REVIEW TOWN OF FARMINGTON

Public notice is hereby given that pursuant to Section 70.47(2) WI Statutes:

That the Board of Review will meet in session on Monday, May 15, 1989 at 6:00 P.M. until 10:00 P.M. for the purpose of reviewing and examining the assessment and valuation of real and personal property therein, and of correcting all errors in said roll, whether in description of property or otherwise, and to perform such other duties imposed by law. Farmington Town Hall, 9422 Hwy. 144.

Dated this 3rd day of May 1989.

JOANNE ONESKA
Town Clerk

KHS Girl Trackers Continue To Do Well Despite Injuries

The KHS girls trackers have been "on the road" all week with meets in Mayville, Two Rivers, and New Holstein and have come home with two second places and a third. At Mayville, the team went without the strength of Rachelle Zuehlke, Joy Braun, and Lori Vogt and were still able to place second, a feat Coach Koth was quite impressed with. The Coach felt that had his team been healthy, "We would've had a shot at the championship."

Kristi Lubahn continues to be a dominating force in the hurdles, finishing first in the 300-meter with 51.66. Lubahn remains unbeaten in the hurdles this season. Pam Osterbrink recorded a win in her specialty, the high jump with a jump of 4'9" while Ingrid Ankerson placed third. Tina Weddig and Tammy Sabish finished 2-3 in the shot put with throws of 33'4" and 30'8 1/2".

The relay teams accumulated points with Lubahn, Melissa Braun, Shelly Kasseckert, and Kelly Korth placing second in the 800 meter relay and Lubahn, Kasseckert, Braun, and Jacobs, third in the 400 meter relay. Melissa Braun also captured a second in the 100 meter dash.

The girls captured another second place in the Two Rivers triangular meet, again without the running power of Rachelle Zuehlke, Joy Braun, and Lori Vogt. Zuehlke a consistent "place" finisher in the 400 and Vogt in distance just might have helped produce a Kewaskum win. Also the Indian 1600 meter relay in which Braun is usually

featured failed to make it in the top two which is unusual for the Indians.

This meet did have its highlights. Kristi Lubahn ran an excellent 300 meter hurdles with a time of 47.96. Tammy Michaels and Ingrid Ankerson posted their first wins in the long jump and high jump and Coach Koth was real happy with their successes. The 800 relay team of Lubahn, Tina Schwartz, Shelly Kasseckert, and Melissa Braun also produced a win for the trackers.

The New Holstein team dominated their Invitational, winning eight of the 14 events and accumulating 106 points to Plymouth's 68 and Kewaskum's 64. The Indians produced a 1-2-3 punch in the high jump with Pam Osterbrink jumping five feet, followed by team mates Ingrid Ankerson (4-6) and Andrea Fliess (4-6). Coach Koth was pleased to see Pam jumping five feet again. The long jumper's consistency was also noted by Coach Koth who referred to Tammy Michaels 14-10, Kelly Koth's 14-7, and Teri Vogt's 14-5 jumps as great efforts by the girls.

In the discus Tammy Sabish and Lora Delcore had personal bests of 92-7 and 84-3 throws respectively while Tina Weddig hit a 106'.

The relay teams of Kristi Lubahn, Melissa Braun, Joy Braun, and Shelly Kasseckert in the 400 and Tina Schwartz who replaced Joy Braun in the 800 relay team continued to do consistently well.

"Considering the injuries we have, I am very pleased with the girls efforts in these meets," commented Coach Koth.

Marytown Defeats Athletics With Simon's Single

By Bob Pick II

MARYTOWN — Pat Simon singled to leftcenter driving in Jeff Bury from third with two out in the eighth inning to give the Marytown Athletic Club of the East Shore League a come from behind 7-6 exhibition victory over the Kewaskum Athletics, Saturday.

Simon hit the fifth pitch from reliever Andy Hoenecke over the centerfielder's head for his second rbi of the game. Scott Sabel, the third Marytown pitcher, who moved from short to the mound in the top of the eighth, picked up the win. Hoenecke took the loss.

The Athletics scored a run in the top of the third on Bob Yahr's long homer to leftcenter, and added three more in the fourth on singles from Doug Gonring, Manager Dave Donath and Don Menzel, a wild pitch and a boot in the Marytown infield. Hoenecke gave the Athletics a 6-0 advantage with a two-run homer in the sixth.

The hosts scored a pair of runs in the sixth and tied the score with four runs in the seventh.

The game was called after eight innings by mutual agreement by both managers because of cold weather.

The Athletics end the exhibition portion of their schedule with a record of 1-2.

TUESDAY NITE MEN'S LEAGUE Hon-E-Kor C.C. 5-2-89

Top teams this week were: Dave's Pudders - 5, Doc's Wild Ones - 5, DV Divot Diggers - 5, Clothes Clinic - 5, Hon-E-Kor - 5, Berndt's Bums - 5, Benders - 4, Handicappers - 3, Sentry Mixers - 3.

Low Gross: Dave Denis - 36, Steve Van Ess - 38, Tom Larsen - 39, Mike Herrick - 39.

Low Net: Dave Denis - 30, Herman Berndt - 32, Jack Eggers - 32, Tom Larsen; Norb Rohlinger; Steve Van Ess & Whitley Knolle - 33.

Low Team Net: Doc's Wild Ones - 142

Highlights: Herman Berndt and Ed Hall posted a net 67.

Birdie Highlights: Jim Gaffke #10, Herman Berndt #11, Mike O'Connor Sr. #14, and Dave Denis #15.

Harold Perkins won the special event on hole #16.

A New York Giant third baseman of the 1920s favored a bat shaped like a wine bottle.

KHS Netters Still Looking for Win

The Kewaskum tennis team is still looking for win #1 this year after dropping its matches to the Ripon Tigers Tuesday.

Senior Adam Miklas #1 singles and freshman Shawn Schneider, the #4 singles posted victories in straight sets for the bright spot to Coach Rosenthal's otherwise cold, rainy day. At #1 doubles, Ira Sison and George Walz played a pretty tight match but ended up losing 5-7, 4-6, while #2 doubles Chris Weddig and Mark Piwowarczyk lost in three sets winning the second set before bowing in defeat.

Coach Rosenthal is looking to

Menzel Magnificent In Lakes Opener

By Bob Pick II

Don Menzel pitched nine innings of five-hit ball in the Land O'Lakes Northern Division opener as the Kewaskum Athletics beat Grafton 1-0 Sunday afternoon.

Menzel struck out thirteen and walked six while consistently pitching out of situations with great runners in scoring position.

Kewaskum scored the only run in the bottom of the sixth off Paul Clemens after Dave Donath, who was 1-for-3, drilled a single up the middle. Terry Koth forced Donath at second. Barry Wenzlaff flied out to right. Koth stole second and moved to third when catcher Nick Caputa's throw sailed into center field.

Koth came home on Jeff Geidel's misplayed grounder to short. Moments later, Geidel tried to steal second and was tagged out.

Andy Hoenecke picked up the only extra base hit of the contest when he led off the bottom of the eighth with a triple to the fence in deep right. Hoenecke was tagged out standing up by the Grafton catcher, Nick Caputa when he tried to score.

Menzel walked three Grafton batters in the top of the ninth but a strike out and two infield grounders at the right time kept the visitors from scoring.

The first-year West Bend Company team will travel to Kewaskum for a game against the Athletics beginning at 1 p.m. Sunday.

Next Wednesday, May 17th, the Athletics have a date in Dodge County when they travel to Hustisford to play the Astros in a 7:30 Nite League game.

Hustisford is where Kewaskum picked up its first-ever Tri-County Grand Championship title last September.

snap his losing streak and also hopes the weather starts cooperating soon too.

HON-E-KOR LADIES ASSOCIATION

On Wednesday, May 3, the Hon-E-Kor Ladies Association held their opening dinner, beginning with a social hour at 6:00 p.m., followed by dinner at 7:00 p.m. Everyone was happy to see a large turnout. After dinner a meeting was held with the new officers presiding.

The 1989 officers are: President - Fran Rohlinger; Vice President - Cathy Justman; Secretary - Sandy Semler; Treasurer - Judy Moede.

A discussion was held to find out if members would like to have a shotgun start this year, or have regular tee times in the late afternoon, as we did last year on our night golf outings. Because of conflicting tee times with other groups, it was decided to have a shotgun start at 5:30, with cards drawn at 5:15.

Cards were played after the meeting and the winners were: Bridge - Shirley Lemler, Marge Rosenthal, Trudy Trapp; Sheephead - Doris Bohn; Rekop - Pearl Miller; Cribbage - Bette Hallen.

Have a good summer of golf!

Indian Golfers 3-0 in Conference

The Kewaskum golfers continue to "drive home" victories, this time on the Quic-Qui-Oc course against Kiel in Elkhart Lake.

The Indians had three golfers coming in with 43's, Tom Sharp, Chad Schmidt and Joel Miller while sophomore D.J. Slaughenhoup came in with a 44 to earn the Indians an easy victory with a team score of 173 to Kiel's 181. Medalist honors went to Kiel's Jamie Miklich who posted a 6 over par 41 for the host school but the consistent club action of the Indian team pulled out the victory and keeps the golf team where it wants to be...on top.

In other non-conference action the Indian golf team continues to fair quite well. At the Hartford Invitational competing against 19 schools on a day when you had to wear gloves constantly to keep your

hands warm, Kewaskum placed 15th. State ranked teams from all over the area competed in this tournament with Grafton taking home the victory. Low man for the Indians was Tom Sharp with an 86, followed by Joel Miller's 91.

At Fredonia, our man Tom Sharp chipped away to earn himself third place honors while the team placed 8th overall. Sharp was low man after 9 holes in the 15 team event with a 2 over par 37 but lost a little of his momentum in the second half of the course turning in a 44 for an 81 overall score. Kewaskum turned out to be right in the middle in this invitation but their key match will be the Plymouth Panthers in conference play this week. Kewaskum and Plymouth finished 1-2 in the conference last year so competition will be tough.

Bedrooms are not just for sleeping anymore. It can become a center for many activities: reading, TV, sewing, studying and the ultimate "breakfast in bed" - Total Relaxation! Tech-Matic offers a size for every need from roomy twin to the new Dual King model . . . An ideal choice for couples who prefer different positions. Each spouse has their own control panel for their side of the bed. Each side in complete control of their own desirable position.

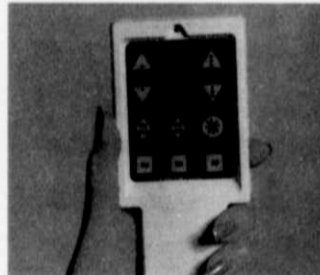

Just plug in the cord and Tech-Matic is ready to go to work for you instantly and quietly at the touch of a finger. All Tech-Matic's are compatible with standard headboards and can be attached to your own headboard, if desired. Available in all sizes: Twin, Full, Queen, King and Dual King!

Can be a blessing for the bed-ridden. No cumbersome toggle switches. Our new Electronic Brain Hand Control just needs a touch to relieve the monotony, nervous tension, aches and soreness from remaining in one position too long. And done with virtually no assistance from others.

Want or need a soothing blood circulating massage? Just touch the control for Ultra-Matic and enjoy a full-bodied massage right in your own bed. Feel the tension slip away. Just like having a skilled masseur RIGHT IN YOUR OWN HOME!

Enjoy Ultra-Therm for controlled warmth. Lets you select the level of heat desired. Since heat rises from the mattress, it is, therefore retained by the lightest of coverings. Much more efficient than an electric blanket.

Electronic brain control

Here is how our electronic Brain Hand Control does your bidding. Just a touch of a finger automatically controls all these functions. Adjust back section, adjust pillow section, adjust leg section, turn TV on and off, or turn off room lights. Full-bodied soothing massage and control optional bed warmer RIGHT FROM YOUR OWN BED!

The "Amazing" All New TECH-MATIC™

INCREDIBLE COMFORT, WITH EXCLUSIVE PILLOW HEIGHT ADJUSTMENT

RELIEF IS SPELLED "TECH-MATIC" - SO IS COMFORT

Many doctors recommend adjustable beds as being beneficial for anyone with lower back pain and swelling of the lower extremities. Enjoy the first great nights rest in years.

Get relief from the pain of arthritis. It will change your whole outlook on life.

Even with no medical problems, Tech-Matic will make you feel extremely rested and "ready-to-go" after a truly good nights sleep.

Do your legs hurt or burn because of poor circulation, even while on medication? Tech-Matic will help and give you blessed relief. Don't wake up with a tired and weary back and no energy to start the day. Tech-Matic will make you feel alive and vigorous. You will even feel like dancing again.

Adjust your bed to your most preferable and comfortable position. It's fun and gets rid of that "can't turn off the mind situation."

Tired of searching for rest on ordinary beds, recliners, sofa, etc. Let Tech-Matic give you a "total night of rest."
