## Board Approves One Conditional Use Permit, Denies Another

By GERRY MUELLER  
Statesman Staff Writer

Two similar items on the Kewaskum Village Board's agenda Monday night received different reactions and actions from the trustees.

Before the board, under new business, was the request for a conditional use permit from The Herro Company to allow for an exception to establish a Community Based Residential Facility (CBRF) on vacant land directly behind the Sison Medical Clinic at 1040 Fond du Lac Avenue.

During a public hearing on

the request at the beginning of the meeting, there was no one speaking for or against the request. The property, which has already been rezoned R-4 residential, would require the permit since the company proposes to construct two 15-unit buildings adjacent to one another on the property. According to state statutes unless an exception is granted, there must be a minimum of 2,500 feet between institutional type facilities such as the CBRF and the Exodus House which also falls into that same category.

CBRF's are designed to provide a family/comunal type living arrangement for people who do not require a nursing home setting and want to live with some degree of independence while needing some assistance with daily routines such as cooking, laundry, bathing, etc.

On a roll call vote the board approved the granting of the permit which will now allow the company to proceed with license applications and construction plans.

Under unfinished business, the board again addressed the requests of Wisconsin Elder Care for both a rezoning request and a conditional use permit which would allow it to also establish a CBRF. Elder Care's request, however, pertained to an existing structure, the former Three Avenue restaurant property also located on Fond du Lac Avenue.

At a public hearing on those requests May 1st, several of the trustees expressed their reservations about granting the rezoning which would have changed the property from commercial retail to institutional. Trustee Ken Bonlender stated at that time he felt the property should be given the opportunity to become successful again as a retail business establishment.

No action was taken on the requests at the May 1st meeting since two trustees were missing and it was felt their two votes might affect the outcome of a vote.

At Monday night's meeting members of the Hayes family, which operate a CBRF in Fillmore, refuted the board's comments saying their facility would be an asset both financially and in meeting the needs of senior citizens in Kewaskum.

The Hayes' noted several businesses had attempted to operate on the property but had been unsuccessful. They questioned whether the village wanted the building to stand empty for another year. Trustee Mary Krueger noted the property had operated successfully for many years as a supper club.

Krueger and Bonlender both said they had no problem with Elder Care's proposal to create a CBRF, however, they did not feel the 'Avenue' property was the proper location for such a facility.

When the board voted to deny Elder Care's rezoning request it, in effect, also killed the need to act on the

## Accidents Claim County's 15th and 16th Victims

Officers from the Kewaskum Police and Washington County Sheriff's Departments assisted Emergency Medical Technicians from the Kewaskum Fire Department as they prepared accident victim Clifford Niemi for transport to St. Joseph's Hospital, West Bend. Niemi, who lost control of his motorcycle after passing a car on Oak Road, later died at Froedtert Memorial Hospital, Milwaukee.

Two separate accidents last Thursday claimed the lives of two people, raising Washington County's highway death toll for 1989 to sixteen as compared to only one fatality for the same period of time last year. The toll for the entire year of 1988 was eleven.

The first accident claimed the life of a 38-year-old Slinger woman. According to authorities, Marlene E. Gochenaur swerved in front of a passing truck when she apparently diverted her attention to her two-year-old granddaughter, Natasha Henninger of Hartford, who was a passenger in the Gochenaur car. The woman was pronounced dead at the scene of the accident which occurred at about 2:50 p.m. on Mayfield Road in the Town of Polk. The Henninger child was transported to Milwaukee Children's Hospital.

The second accident occurred just an hour later at about 3:50 p.m. on Oak Road, just north of Highway H, in the Town of Kewaskum. The victim in that one-vehicle accident was Clifford T. Niemi, 47, of 324 Barbie Drive, West Bend, who was riding alone on his motorcycle.

According to a witness and Sheriff's Department report, Niemi was northbound on Oak, when he passed a car along a winding section of the road. After passing the car Niemi

apparently rounded a curve leaving the road for a short distance, when he returned to the road Niemi lost control and the cycle overturned coming to rest in the southbound lane.

Niemi, who was not wearing a helmet, sustained head and

other injuries. He was taken to St. Joseph's Community Hospital, West Bend, by the Kewaskum Ambulance and then transported by the Flight for Life to Froedtert Memorial Hospital, Milwaukee, where he died at 7:25 p.m.

corporation's request for a conditional use permit.

In other action the board approved the issuance of a beer license to the Kewaskum Athletic Club, allowing it to sell beer at its baseball games.

The trustees also gave Village Administrator Dan Schmidt permission to advertise for bids for the first phase of the village's sidewalk rehabilitation program.

Bonlender also told fellow board members he felt it was time the village got going on a mandatory recycling program. "Every day I pick up the paper and read that another community had begun mandatory recycling," said Bonlender. Krueger agreed with Bonlender noting that in all probability, the state will require mandatory recycling for the entire state by the end of the year. "We might as well get a jump on it and get things started now," stated Krueger. The board directed Trustee Larry Williams and his Public Services Committee to look into the matter.

The board then adjourned to closed session.

Nicole Yogerst, a fifth grade student at Kewaskum Elementary School, proudly displays the plaque she received for her entry in the Fifth Annual Student Awareness contest.

By GERRY MUELLER  
Statesman Staff Writer

Nicole Yogerst, a daughter of Barbara and Gary Yogerst, Kewaskum, and a student at Kewaskum Elementary School, recently received a first place award for her poster entitled 'At the Park,' an entry in the fifth grade category of the Fifth Annual Student Awareness contest co-sponsored by the Wisconsin Council on Developmental Disabilities and the Department of Public Instruction.

Nicole was one of more than 35,000 students statewide to submit an entry to the contest which is designed to promote greater understanding of the potential of children with disabilities.

This year's contest, whose

theme was "How Handicapped People Use Parks," was open to all first, third, fifth and sixth graders in Wisconsin's public and private schools.

Nicole traveled to Madison recently to attend a luncheon where she and the other top prize winners were awarded plaques and certificates in recognition of their efforts.

Nicole also received letters of congratulations from State Senator Donald Stitt and State Representative Mickey Lehman.

KES principal Richard Zarling said he was very proud of Yogerst. When you think about it, he noted, the odds of winning, it really is an accomplishment.

## Recount Verifies Tax Referendum Is Dead

By GERRY MUELLER  
Statesman Staff Writer

An official recount, certified by the Board of State Canvassers last Wednesday, confirms the fact that state voters rejected the proposed constitutional amendment on property taxes as presented to the electors in the April 4th spring election.

Recount results showed the referendum was actually defeated by 448 votes more than the original count figure. The recount came up with the proposal being defeated by 1,098 votes. The original count showed the proposal being defeated by 650 votes, with 406,154 ballots against and 405,504 for.

The recount found an increase of 970 votes from the original count of 811,658, as reported by Wisconsin's 72 counties. The number of 'yes' votes rose by only 261, while the number of 'no' votes increased by 709.

The proposed amendment would have changed the State Constitution's uniform tax clause to permit lawmakers to direct property tax rebates to select taxpayers.

The vote was noted as being one of the closest in recent years in a statewide contest.

# State Land Grassfire Still Under Investigation

This area at the intersection of Auburn-Ashford Road and Youth Camp Road was one of the seven separate fires fought by area departments during last Wednesday's grassfire in the Kettle Moraine State Forest.

Photo by Gerry Mueller

By GERRY MUELLER  
Statesman Staff Writer

After almost a week, authorities still have not determined the exact cause of a grassfire which burned approximately twenty acres of state forest and private land along Youth Camp Road and Highway DD, in the Town of Auburn last Wednesday afternoon.

Walt Adams, Superintendent of the Northern Kettle Moraine State Forest, said Tuesday afternoon, the fire was still under investigation and interviews of several individuals were being conducted. "We do know that the fire started at seven, possibly eight different locations within a two-mile stretch. We hope to come up with at least a probable cause."

"It was a very unusual fire" said Adams, "but we've seen this type before caused by trains throwing sparks along railroad tracks and occasionally diesel trucks or other equipment along roadways. The two causes we're considering right now are either the fire was intentionally set or a piece of equipment was the cause, he noted.

Adams said the original estimate of 70 to 80 acres burned was high. "We still

haven't actually measured off the damaged area but 10 to 20 acres seems a little more accurate."

Adams noted the area fire departments did an excellent job in containing and extinguishing the blaze. "With

the dry conditions and winds last Wednesday, it could have been a bad situation."

Fire departments from Kewaskum, Campbellsport, Eden, Beechwood and Boltonville battled the fire which burned about two hours.

# Weather No Deterrent to Kewaskum's Special Olympics Team

Jessica Troudt put all her effort into the softball throw earning her a first place ribbon.

Athletes and coaches alike dressed like they were at a winter instead of spring meet. Assistant Coach Kathy Charland, right, handed out mittens to keep everyone warm.

By GERRY MUELLER  
Statesman Staff Writer

Despite bone-chilling temperatures in the 30's and blustery winds off Lake Michigan, Kewaskum's Special Olympics Team was up to the challenge at the Moraine Area Regional Meet held May 6th in Sheboygan Falls.

Every one of the ten-member team placed no lower than second place in at least one event. Brian Hanrahan, a previous contestant in the outdoor running and softball events, switched this year to the swimming competition and did so with great success. Brian took a first place in the 25m Backstroke and a second place in the 25m Freestyle events.

Swim team veterans Julie Morgan and Joanne Stautz continued the team's winning streak. Morgan took first place in both the 50m Freestyle and 50m Backstroke. Stautz brought home a first for her efforts in the 25m Freestyle and second place in the 25m Backstroke.

The team's participants in the outdoor field events did equally as well considering the fact that they had to battle the elements as well as fellow competitors. Lisa Loomis took a first in the Standing Long Jump and second in the 200m Run. Blythe Malvick took first place in both the 50m Dash and Softball Throw. Stacy Mueller brought home a first place for the 50m Dash and second in the SBT. Justin Petermann won a first in both the 100m Run and Standing Long Jump. Jennifer

Strancke took a first in the softball event. Jessica Troudt also earned two first place ribbons for the 100m Run and SBT. Jean Wiesner captured second place in the 200m Run and received a participant ribbon for the SLJ.

The regional first and second place wins qualify team

members for competition in the State Meet to be held in Stevens Point on June 8, 9, and 10. The team, under the guidance of Head Coach Jeaneen Kudek and Assistant Coaches Kathy Charland, Marilyn Contrestan and Pat Hanrahan, now have their sights set on bringing home the "gold" next month.

Justin Petermann told a Special Olympics volunteer how he won his ribbon.

# St. Lucas Family Night... A Trip Around the World

The St. Lucas students practiced long and hard to make their family night presentation a success. Pictured singing here are the kindergarteners through 4th grade rehearsing one of their songs.

On the European trek, the "Happy Wanderer" gets passed through the 3rd and 4th graders on his journey.

Over 200 parents, relatives and friends gathered in Kewaskum High School's Rose Hall on April 28th to be entertained by the student body of St. Lucas Lutheran School.

About 140 students in grades K-8 took the audience on a trip

around the world by way of the musical revue, "It's A Small World."

Their melodic journey included dance and dialogue from each continent, and end up in the good ole' U.S.A. Heading up the entourage was

an unconventional travel agent played by Mrs. Hoenecke. There were special appearances from experts from Mexico, Britain, Germany, Africa, the Orient, Australia, and even an accordion playing expert from Italy who was Mr. Bollinger in

disguise.

Also taking part in this year's performance was a Canadian Mounty, Vicar Nuss, the Statue of Liberty, Mrs. Bollinger and Uncle Sam, played by Pastor Fredrich.

The trip around the world was

a very enjoyable one indeed and special recognition should go out to all the students and teachers at St. Lucas on their fine job and also Miss Schumacher who did the choreography for this production.

**IN MEMORY**

In loving memory of ARNO AUPPERLE, who passed away ten years ago, May 21, 1979:

A beautiful memory of one so dear,  
We cherish still with love sincere,  
He left us quietly, his thoughts unknown,  
But left us with a memory we are proud to own.  
So treasure him Lord in your garden of rest.  
For when on earth, he was one of the best.

Sadly missed by his family, wife, children, grandchildren and great-grandchildren.

**IN MEMORY**

In loving memory of "Arcella Heisdorf" who passed away two years ago, May 19, 1987:

A day doesn't go by,  
Where a tear doesn't fall.  
For we always think of you,  
And you are terribly missed by all.

Those last moments that we shared,  
I'll always treasure in my heart.  
They brought me closer to you,  
Even though we are now apart.  
We spend time with Dad and do his wash,  
Your perfume lingers on when I clean.

I know you're there watching over me,  
Even though you cannot be seen.

Dad takes us out to eat,  
And to Brewer games too!  
But Mom, we know that we cannot take the place of you.

The time goes by so fast,  
And another Mother's Day has gone by.

The Dear Lord took you from us,  
And we all ask ourselves, "Why?"

We all brought you flowers;  
Every year we'll do the same.  
We'll put them there upon your grave,  
And whisper a prayer in your name.

Mom, I miss and I love ya!

**Ms. Puerling Appointed County Clerk of Courts**

The Judges of the four branches of the Washington County Circuit Court, J. Tom Merriam Branch I, James B. Schwalbach Branch II, Richard T. Becker Branch III, and Leo F. Schlaefer Branch IV, today announced the appointment of Carol A. Puerling to fill the unexpired term of Washington County Clerk of Courts, Jon W. Sanfilippo. Mr. Sanfilippo had previously announced his resignation as Clerk of Courts effective June 16, 1989.

In making the appointment the Judges pointed out that Ms. Puerling had over 20 years in administering various segments of the Washington County Court System.

For several years she was employed in the Washington County Clerk of Courts Office, including service as the chief Deputy Clerk of Court and as the Administrative Assistant to the Courts.

Since 1978 she has served as the Register in Probate and Clerk of the Juvenile Court for Washington County. In addition, the Supreme Court of the State of Wisconsin has asked her to serve as an active member of a committee which formulates policy concerning record management for the State court system; and she also serves on the committee which is formulating a plan to

automate the State court system.

The Judges also noted that the Court system of Washington County now consists of four full time Circuit Court branches and further, that the Clerk of Courts Office has 20 employees responsible for administering the court system. Under those circumstances, they indicated that they were extremely pleased that they were able to have an applicant who had extensive background in administering a court system. They further expressed their pleasure that someone with Ms. Puerling's background and experience was available to fill the position as Clerk of Courts.

The winners of the First Annual Student Wildlife Art Contest, sponsored by the Auburn Bluffs Golf Course and Country Club, were recently announced by Andy Stoffel of Campbellsport.

Stoffel, whose own reputation as a wildlife artist is growing, came up with the contest as a way to encourage youngsters to develop an interest in both art and wildlife. The contest was announced at area schools and in the newspaper with the end result being 121 entries from children in grades kindergarten through eighth grade being submitted.

Mrs. Jackie Galligan of Long Lake, another artist, was asked to take on the enjoyable but challenging task of judging the entries. Galligan told Stoffel all the drawings were "great," making her final decisions hard.

One first place winner was picked for each of the grades except the seventh. Galligan said the quality of the entries in that category were so good she ended up selecting two first place winners.

Stoffel said he was surprised and pleased with the response to the contest. While only the first place winners were

awarded prizes of a \$50.00 Savings Bond and set of Stoffel prints, Galligan and Stoffel felt many of the other entries deserved public recognition with an honorable mention.

First place winners in the contest were Kindergarten - Jake Panzer of Campbellsport; 1st grade - Melissa Ketter of Eden; 2nd grade - Nathan Koepke, Cascade; 3rd grade - Jodie Schladweiler, Campbellsport; 4th grade - Samantha Stoffel, Campbellsport; 5th grade - Jolene Trapp, Adell; 6th grade - Bernadette Tellier, Campbellsport; 7th grade - James Medinger of Campbellsport, and Seth Laken

of Lomira; 8th grade - Jessie Zielicke, Lomira.

Honorable mentions went to: 2nd grade - Beth Mezera, Campbellsport; 5th grade - Stacy Schonen, Campbellsport; 6th grade - Angie Goebel, Eden; Jennifer Schonen, Campbellsport, and Sandy Fleischman, Campbellsport; 7th grade - Mike Batzler, Lomira, and Jacob Schimming, Theresa; 8th grade - Jason Makowski, Fond du Lac.

Because of the success of this year's contest, Stoffel plans to expand next year's contest so more awards will be available. He extended his thanks to this year's contest sponsors, Amber

Hotel, Joe Berres of Rural Insurance, Campbellsport News, King Pin Lanes, Loehr's Meat Market, Moraine Bank, Shefond Oil, Stoffel's Lawn and Garden, Straub's Piggly Wiggly and Reilly Realtors.

The first place drawings will be on display in the Auburn Bluffs clubhouse throughout the summer.

Weare/Ankerson motion to allow the Kewaskum Athletic Club to sell beer during their games in 1989. Motion failed 2-5 with Clara Trapp, Ruth Schmitt, Ron Beimbom, Don Nowak and Ralph Horner voting no.

The board discussed the administration's recommendation to hire a full-time social worker. Jackie Schoening, the district's part-time social worker, informed the board of her present duties and cited other areas of need in the district for a social worker's expertise. Since the recommendation was a discussion item only no action was taken.

Dr. Heather summarized information regarding elementary class sizes for 1989-90 which had previously been received by the board. The administration recommends one of two solutions to balance the class sizes in next year's fifth grade: 1) Hire another teacher and split the fifth grade at KES into three classes of 21, 21 and 21; OR 2) Bring the 17 fifth grade students and teacher from WES to KES. individuals would be placed on various percentage part-time contracts. This would save an additional \$16,000. However, the administration feels that anyone going to a less than full-time contract would seriously consider seeking other full-time employment and replacing them would be difficult. Dr. Heather's belief is that the sacrifice of the educational program for a large number of part-time employees would be far greater than any savings generated.

Perry Ankerson expressed concern about Parliamentary Procedure and asked if a motion and second were not required before extensive discussion continued. And if so, would such a motion be in order? Could the matter be brought before the Board after it had been defeated at a previous meeting.

President Weare answered that Attorney Spector had been contacted and it was his understanding that because of the change in members of the board it was legal to bring the matter before the board a second time. Mrs. Schmitt had asked for it to be on the agenda.

Schmitt/Beimborn motion to rescind the action taken at the April 10, 1989 meeting to reconsider the proposed cuts to the high school schedule.

Extensive discussion among the board continued.

Approximately 16 members from the audience voiced their opinion and asked questions of the board members.

Schulte/Schmitt motion for a 10 minute recess. Motion passed 7-0.

Several more comments were made after the meeting reconvened. A roll call vote resulted in the motion passing 4-3 with Perry Ankerson, Paul Seymour, and

Don Nowak voting no. Schmitt/Ankerson motion to eliminate 4 FTE positions throughout the district as well as the 1.1 overload and the 1.0 retirement for a total FTE reduction of 6.1. Motion passed 5-2 with Ron Beimborn and John Schulte voting no.

Dr. Heather reported that the district's cost for extra-curriculars is \$185,000. Don Nowak moved to implement a \$10.00 per activity fee for the high school and the middle school. The motion died due to lack of a second.

Ankerson/Nowak motion to rescind the decision to implement the house plan and increase a 1/2 time contract to full-time. Motion passed 6-1 with John Schulte voting no.

Ankerson/Seymour motion to eliminate the 1/2 time social worker. Motion failed 1-6 with Ruth Schmitt, Paul Seymour, Ron Beimborn, Neal Weare, Don Nowak and John Schulte voting no.

No action was taken regarding the guidance counselor positions or the support staff positions.

The board was provided with a three year capital improvements expenditure plan which was explained by Business Manager Gorder. The plan will be submitted to the Finance Committee for further review.

Ms. Gorder answered the board's questions regarding the second draft of the budget. She explained that if \$70,000 is saved due to teacher lay-offs the levy will decrease to \$4,110,967 (15.2 percent). If a 5 percent projected increase in equalized valuation is applied to the levy the resulting mill rate will be \$15.23 per thousand. This is a 9.73 percent increase in the mill rate.

Schmitt/Ankerson motion to appoint Neal Weare as board delegate to the CESA 6 convention. Motion passed 7-0.

Schmitt/Nowak motion to approve Jan Uhlman and Kelly Turnquist as limited term teachers. Motion passed 7-0.

**Weekly Health Tip**

From Tom Kennelly

**HEADS UP!**  
Good posture, with the head held high, is one key to keeping a youthful body. A drooping head can deplete lung capacity by 30%, reducing oxygen needed to produce energy and nourish tissues. If your spine curves forward, your intestines sag to the pelvic floor, blocking good elimination. With head held back, you'll look taller, thinner, firmer; for women it can mean a 50% less sag in the bustline.

Peter Wolf, Sr. and Fred Greuel of this village had a narrow escape from serious injury last Thursday afternoon in an automobile accident. The accident occurred near this village while the gentlemen were returning home from Theresa. The front axle on the machine broke in two places and as a result the front part dropped and plowed into the roadbed, throwing the occupants out of the car. They escaped without receiving a scratch.

Shortly after 3 o'clock Monday afternoon, while school was in session, lightning entered the school house at New Fane doing only slight damage.

The crash was very loud and created a small panic amongst the students as they realized the building was struck. The school is in the charge of Miss Lillian Krahn.

In attempting to pass each other on a narrow highway near

St. Lawrence one night last week, two autos collided with the result that one of the machines was overturned and badly damaged. Dr. Ankenbrandt of Schleisingerville, was returning from a professional call and on a narrow stretch of road met a car driven by Charles Storck. In passing the fenders of the machines became caught and the doctor's car was thrown in the ditch. Luckily in falling Dr. Ankenbrandt managed to get clear so that he escaped with a few slight bruises. Mr. Storck was only slightly scratched.

## West Bend Gallery to Offer Pre-Schoolers Introduction to Art

The West Bend Gallery of Fine Arts is pleased to announce a class entitled, PEE-WEE PICASSO'S. For the first time ever, the gallery is offering art instruction classes for pre-schoolers, ages 3½ - 5 years.

Children learn through experience and are products of their own creativity. During these classes, your child will be introduced to a variety of mediums suited for their age and abilities. The emphasis will be on process (what 'can' be done and their own self-paced exploration of the materials introduced) rather than production (prefabricated parts or patterns for a specific end result). With direction, but more through their own discovery and experience, these classes will encourage your child's individual inspiration and creative expression.

Further information is available through the gallery. The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend.

The world's largest swimming pool is in Casablanca, Morocco. It measures 1,575 feet by 246 feet.

They were strangers from different worlds... but a friendship forged out of danger and desperation linked them together forever.

## KHS Netters Still Looking for Victory

The KHS tennis team is struggling through the season this year to say the least and just can't seem to pull it all together. This past week the team was blanked 0-7 against Sheboygan Falls and Kohler in straight sets.

The Chilton match provided some highlights with Mark Piwowarczyk winning in #3 singles 2-6, 6-0, 6-2 and the #1 doubles team of George Walz and Ira Sison winning 6-3, 2-6, 6-0. The weather's been cooperating, now the netters just need to pull out some victories.

## Bases Loaded Walk Results in Athletics Victory

By Bob Pick II

Dave Donath walked with the bases loaded forcing Ric Leitheiser home with the winning run with no outs in the bottom of the ninth inning, rallying the Kewaskum Athletics to an 8-7 victory over the West Bend Company Sunday afternoon.

Rick Bury's double, Mark Hall's triple and Jeff Keane's infield grounder in the top of the sixth off reliever Tim Heberer had given West Bend a 7-4 lead, which the Athletics erased in the bottom of the inning on an Andy Hoenecke single, three walks and two costly Company errors. The Athletics still trailed 7-6 after six.

The West Bend Company got singles in the top of the eighth from Mark Hall, Keane and Scott Hall, but Mark was tagged out at the plate on Leitheiser's peg from left on Scott's single and Keane was out at third from Tim Dettmann to Terry Koth.

The Athletics won the game in the ninth on walks to Dettmann and Leitheiser, off Company starter Keane. Mark Hall relieved Keane and Bob Yahr's sacrifice bunt in the West Bend infield, scored Dettmann and moved Leitheiser to third on an error in the infield. Hoenecke was issued an intentional pass, filling the bases. Donath saw a total of six pitches while batting in the ninth with the final one being the fatal one for the guests.

The Athletics will put their 2-0 Land O' Lakes record on the line on Sunday afternoon, May 28th when the pesky Plymouth Flames come to town for a 1 p.m. game.

## Register Now for the Bob Cross Memorial Run/Walk June 4

The fourth annual Bob Cross Memorial Run/Walk is Sunday, June 4.

The event, sponsored by the American Cancer Society, is a 10K/5K run or a 5K walk through the streets of West Bend. The race starts at Regner Park.

Participants are asked to solicit pledges, and all money raised from this event is used to support cancer research, education, and rehabilitation.

If you would like to participate, now is the time to pick up your entry form and pledge sheets. They are available at these West Bend businesses: West Bend Mutual Insurance Co., 1115 S. Main Street; Bits 'N' Pieces Floral, 319 S. Main; Amity Factory Outlet Store, 505 Rolf's Road; and at the Kettle Moraine YMCA, 1111 W. Washington Street.

Registration is only \$8, or \$10 the day of the race. The family registration fee is \$25. All registrants will receive a Bob Cross memorial Run/Walk t-shirt.

Last year's 1,100 participants raised more than \$30,000 for the fight against cancer. This year, organizers hope to see at least 1,300 participants raise \$36,000.

## Jaster, Braddock Spark Joel's Nite League Win Over Athletics

By Bob Pick II

GREENFIELD — Jay Jaster doubled and scored in the fourth, and singled home a run in the seventh and Tony Braddock also drove in a run in the seventh with a single as Joel's on North rallied and beat the Kewaskum Athletics 7-6 in the Tri-County Nite League opener for both teams here last week Wednesday.

Jim Opgenorth pitched the final five innings for Joel's, allowing two runs, four hits and striking out four. Opgenorth also scored two runs for the hosts.

Tim Heberer lost his initial decision of the season, allowing 12 hits in 8 innings, for the Athletics.

Doug Gonring was 2-for-3 with a two run homer, a run scoring single, a sacrifice fly and four rbi.

Kewaskum led 4-0 in the fourth when the North catcher, Ron Wirtz led off with a single down the right field line. A Heberer wild pitch moved Wirtz

second. Bill Howard's chopper back to the mound moved Wirtz to third. Rick Korklewski uncorked a double to right center and Wirtz scored. Kevin Berger singled in Korklewski. Opgenorth entered the game as a pinch runner for Berger. After Dan Kadrich struck out, Jaster lined a double to the right field corner putting Opgenorth on third. John Stanezyk drove in Opgenorth and Jaster with a single to left.

The Athletics took the lead for the last time in the top of the seventh when Joel's left fielder, Dan Malloy dropped Dave Donath's fly ball with two down followed by Gonring's single to right.

Heberer's complete game featured 13 strikeouts and two walks but the Athletics stranded thirteen runners leaving the bases loaded three different times.

The Athletics don't play their next Nite League contest until Monday, June 5th when they travel to West Bend for a 7:30 game with the Benders.

## Girls Take 2nd at Conference Relays

The KHS girls track team took second place by a mere two points at the recent conference relay meet, losing to New Holstein 96 to 94.

Kewaskum captured two first places, one in the spring medley featuring Kristi Lubahn, Melissa Braun, Wanda Jacobs, and Rachelle Zuehlke and the other, (which by the way is a new school record), in the 900 m. hurdles. Running this event

was Terri Vogt, Jessica Rohrer and Kristi Lubahn.

Kewaskum placed 2nd place five times in various events including high jump, long jump, triple jump, distance medley and 800 m. relay, and also placed third in the 1600 m. relay and the shot put.

All the girls put out a great effort and were just seconds and inches away from the conference win. Great job girls!

The boys freshmen - sophomore track team placed 5th in the conference meet held at New Holstein.

The sole first place finisher of the meet was "sophomore sensation" Chris Donath in the 800 meter run, with a time of 2:03.4. Donath has remained undefeated in this event this season and the coaches plan on him "going places" in the years to come.

Teammate Brian Harycki placed third in this event with a time of 2:13.2 respectively.

The 1600 meter relay team of Jon Fry, Joe Rehbein, Brian Harycki, and Chris Donath turned out to be the Indians only other 3rd place win with a time of 49.8.

## KHS Chess Club Elects Officers; Closes Season Second in Conference

For the first time, Chess Club elected officers and worked for their letters on a point system.

David Homuth was elected president; Brian Sharpee was chosen secretary by fellow members: Jeff Morlen, Eric Ebert, James Dionne, Jeff Kissinger, Mike Kocher, Andy Schalk, Dave Prunty, Jason Miller, Mark Clements and Scot Wiesner.

In December at the Pre-Season Turney, at Kewaskum, winning individual awards were given to James Dionne and Jeff Kissinger who finished 1st and 2nd at the sophomore level and Brian Sharpee who was first at the junior level.

In February at Kettle

Moraine High School, Eric Ebert won an individual medal for placing second at 4th board in the Varsity Tournament.

When the season ended in March, Kewaskum won a team trophy for finishing second in conference with a record of 6-2.

At the Post-Season Tournament held at St. John's Military Academy in Delafield, the Kewaskum Varsity (top 5 boards) won a first place trophy.

Letter winners for the year were: Dave Homuth (4 years), Brian Sharpee and Eric Ebert (3 years), James Dionne, Jeff Kissinger, Jeff Morlen, Mike Kocher (2 years) and Scot Wiesner (1 year).

## KHS Golfers Still #1

The KHS golfers squeaked out a close one against New Holstein on Friday to keep the Indians golf team at #1. The 5th Indians victory came by just two strokes 179-181 and Coach Joe Harlow admitted "We were lucky."

Kewaskum's top man was Tom Sharp with a 3 over par 38. Sharp birdied the long sixth hole and was even par on his last four holes, Joel Miller's score slipped to a 45 and Schmidt and Slaugenhaupt turned in 47 and 49. The scores seemed to be slipping a little which Coach Harlow is concerned about. "We should be building toward the conference meet but instead we're distracted," commented Harlow.

The regular golf season concludes with a match against

Two Rivers, followed by conference at Chilton.

In JayVee action, the golfers lost to New Holstein 186-193 led by Chris Charland's and Mark Heather's "47" for low scores.
