Memorial Day Parade, Ceremony Here Monday

On Monday, May 29 the Robert G. Romaine Post #384 of the American Legion will hold their annual Memorial Day Parade. The parade to honor those who gave their all will be held at 9 a.m. beginning at the Kewaskum High School and proceeding to the American Legion on Fond du Lac Avenue, Kewaskum. A short memorial service will be held there.

All Legionnaires, Fire Department members, Boy Scouts, Girl Scouts, 4-H, youth groups, etc. are invited to march in the parade. Participants are asked to meet in front of the Kewaskum High School at 8:45 a.m.

The parade route is from the high school to Third Street, south along Parkview to Main Street, west on Main to Fond du Lac Avenue and north to the Legion grounds, where the ceremony will then be held.

In case of rain, the program will be held in the high school auditorium at 9:30 a.m. Marching groups will assemble in the halls and march into the auditorium.

The Memorial Day address will be delivered by Leroy P. Kopecky, Kewaskum High School Principal and a Viet Nam veteran.

This is the most solemn of our holidays as we gather together to honor those who gave the supreme sacrifice so that we may remain free.

We invite you, the public, to join with us to honor those from the Kewaskum area that gave

their lives in all our wars.

"We deem this is a fitting time to pay our respects to our departed Comrades. Let us revere them as good soldiers who fought a good fight in a just cause." May we sincerely say "May their souls rest in peace."

Retiring After 56 Years As Village's Public Health Officer

'Doc' Edwards Recognized for His Years of Dedication to Kewaskum

Members of the Kewaskum Village Board were all present to see 'Doc' Edwards receive his letter of appreciation. Back row, left to right: Trustees Tom McElhatton, Larry Williams, Richard Schlice, Mary Krueger, Ken Bonlender and Vince Groh. Front row: Dr. Edwards and Village Board President Paul Blumer.

By GERRY MUELLER
Statesman Staff Writer

In a brief ceremony Monday night, the Kewaskum Village Board on behalf of the community, publicly recognized and thanked Dr. R. G. Edwards for his long and faithful service as the Village of Kewaskum's Public Health Officer.

"Doc," who has

conscientiously worked for over a half century to guard and protect the health and well-being of his community, was presented with a framed letter expressing the village's thanks and gratitude.

Doc recently announced his retirement after serving for 56 years as the village's health officer. During those years he

has seen its residents through almost every kind of epidemic from Scarlet Fever to Polio. In recent years he continued to make the public aware of health hazards through his periodical articles in the Statesman.

While Doc will no longer officially serve as health officer for Kewaskum, we are sure he will continue to keep an eye on his town.

Jesse Koch, the son of Mr. and Mrs. Daniel Koch, a fifth grade student at Farmington Elementary School, has been named the recipient of a first place premium for his entry in the 1989 Wisconsin State Fair/Department of Natural Resources poster contest.

This year's contest theme was "Wisconsin's Waterfull World." Koch's poster depicted a large Muskie about to make a meal out of one of two Bluegills swimming past it. The contest was open to all third, fourth and fifth grade students in Wisconsin's public, parochial and private schools.

Al Stenstrup of the DNR's Information and Education Center - Milwaukee, said Jesse's poster, selected as the state first place winner for the fifth grade, was among 1,000

entries received in the contest.

Three winners were selected in each grade to receive an award ribbon and \$10. Ten honorable mention winners were chosen overall, with each receiving an award ribbon and \$5.

Stenstrup said Koch's poster will be on display, along with the other winners, in the Department of Natural Resources area at the 1989 Wisconsin State Fair, August 3 - 13, and later at the DNR offices in Madison. Koch and his family will be guests at the fair August 11, for a special awards ceremony. Stenstrup said an estimated 60,000 people will visit the DNR area where they will have the opportunity to view all the winning posters.

The Kewaskum School District's posters were done under the direction of Mrs. Peggy Henke, the district's Elementary Art Instructor.

June is Dairy Month in Wisconsin. Washington County will be starting dairy month activities with a June Dairy Month Banquet on Thursday, June 1. The event will be at Zivko's Chandelier Ballroom, 700 S. Main in Hartford, starting at 7:30 p.m.

The banquet is one way to focus on the dairy promotion activities to be held in the county. It is also an opportunity for both rural and urban people to increase their understanding of each other at the event. The audience is a mix of both rural and urban enjoying a banquet program and a dance.

The evening begins with a

buffet dinner followed by a short program. This year the featured speaker will be Gerald Apps. He is faculty member of the University of Wisconsin at Madison. His topic will be "the Barns of Wisconsin." This is based on his research on the barns built by the different nationalities of immigrants that settled in Wisconsin. Following the program there will be a dance to the music of Bill Thull and his orchestra.

Tickets for the event are \$6.00 each and are available from members of the committee and at the Washington County Extension office. Phone 338-4477, 644-5204, 342-2929. Reservations should be made for the banquet.

LETTER OF APPRECIATION
May 15, 1989

Dr. R. G. Edwards
1121 Fond du Lac Avenue
Kewaskum, WI 53040

Dear Dr. Edwards:

The people of the Village of Kewaskum, Wisconsin are proud of their community and the quantity and quality of services provided. The Village Board would not be able to provide the in depth guidance for all of these services without the dedication of those people who so generously give of their time, talents and energies.

The Village of Kewaskum is proud indeed of your fifty-six (56) years of faithful service as Health Officer to the people of the Village of Kewaskum. The Village expresses its grateful appreciation of the sterling qualities of heart and mind, which manifest in your longstanding devotion and loyalty to this Village.

Therefore, on behalf of the Village Board of the Village of Kewaskum, Washington County, Wisconsin, I congratulate you on your retirement and appreciate your long and honorable record of service as Health Officer of the Village of Kewaskum.

Sincerely yours,
The Village of Kewaskum

High School Announces Badger Boys, Girls State Selections

Badger State selections from Kewaskum High School include, bottom row, left to right: Rich Radtke, Chris Ramthun, Kristina Schinker, Steve Gerhartz. Top row: LeeAnn Winninghoff and Dave Kuphal.

This year some 2,000 junior boys and girls throughout Wisconsin are selected to represent their schools and community at a state gathering of Wisconsin School students. This year the KHS delegates, sponsored by both the local American Legion Post and Kiwanis organization, will be participating in the girls' forty-sixth and boys' forty-eighth annual workshop.

This year Christine Ramthun, daughter of Mr. and Mrs. Kenneth Ramthun, LeeAnn Winninghoff, daughter of Mr. and Mrs. Gerald Winninghoff, and Kristina Schinker, daughter of Mr. and Mrs. Robert Schinker, were the three junior students who applied and were selected from the top third of junior class girls.

Steven Gerhartz, son of Mr. and Mrs. Gary Gerhartz, David Kuphal, son of Mr. and Mrs. Roger Kuphal and Rich Radtke, son of Mr. and Mrs. Richard Radtke, were the three junior

boys who applied and were selected from the top third of their class.

The selection of delegates is based on the students' scholastic standing, their participation in extra-curricular activities such as athletics, music, speech, journalism, clubs or other school organizations and their adaptability to the Badger State program.

Alternate girl and boy delegates selected were Tina Keller, daughter of Mr. and Mrs. Norbert Keller and Mark Heather, son of Dr. and Mrs. David Heather.

The girls will start their week of activities on June 11 at Madison while the boys begin their week of activities in Ripon, on Saturday, June 17th.

Through this Badger State program, those high school leaders of the future should develop a sense of individual obligations to their community state and nation.

Peace Church Recognizes the Commitments of Its Members

Members of Peace United Church of Christ are being recognized for commitments in the Christian education field during the month of May. At the Pentecost Service on May 14, thirteen members received pewter pins to designate their completion of the two year Bethel Bible Study series, under the direction of instructor Nancy Panzer. They are now eligible for advanced topical study with their pastor, Rev. James Bettin in fall of 1989. The students are: Joanne Amerling, Milton Dickinsen, Marion Erdmann, Roland Glass, Lorna Schwingle-Glass, Linda Kroncke, Erma Markus, Shirley Ogi, Bunny Scannell, Darlene and Wayland Tessar, Richard Zarleng, and Connie Zemlicka.

Eight additional students have completed the Old Testament year of Bethel Study and will continue with the New Testament work next fall. Betty Bettin is their instructor. A two-year intensive preparation period is required to become a

Bethel teacher.

Sunday School teachers received floral tributes at the May 21 worship service to acknowledge their devoted service at Peace Church during the 1988-89 year. They are: Milton Dickinsen, Laurie Fechter, Linda Guelig, Karen Kletti, Shelley Pennington, Kim Petrie, Jane and Cassie Romans, Robert Schreffler, Diane Stangl and Jennie Stevenson.

Sixty children are enrolled in the Sunday School program from pre-school through sixth grade, under the direction of Kathy Charland, Superintendent. On the same Sunday at 5:00 p.m., the teaching staff and spouses were honored at a banquet at the restaurant at the Cedar Lake Retirement Campus in West Bend. The Peace Church Board of Christian Education hosted the event. Kay Petrie is Chairperson, with board members Barbara Breitag and Pat Deshotels assisting.

Billy E. Kirby
National Commander (1988-89)
The Disabled American Veterans

By Billy E. Kirby
DAV National Commander

Every time I see our flag, I see the blood of our soldiers, airmen, sailors and Marines — blood spilled for freedom yet caught within its blazing field. I see their valiant spirits reflected in its many stars. On Memorial Day, I see in our flag what I can never forget — their sacrifice.

Yet, more than a symbol of their deaths, it stands for their fighting spirit. It is the spirit of men I served with. They are men who didn't come home — a sergeant, a commanding officer, a friend — men who I'll never forget. It's a fighting spirit so valiant, so unbreakable, it inspires poetry and song.

Now, I'm no poet — but inside, I too, feel the pride which inspires a poet to write a tribute to our fighting men — a poet like Francis Scott Key.

In 1814, Francis Scott Key watched as the hopelessly out-gunned and out-numbered men of Fort McHenry, Baltimore, were bombarded by the British Fleet. The battle raged through the night. It wasn't until the morning sun broke through the mist that he knew our men had survived the vicious attack.

There, caught in the gleam of dawn's early light — as if to mock the enemy — was the American flag still flying high and proud over the fort. Francis Scott Key was so inspired, he wrote a poem in tribute to the brave men of Fort McHenry. It's a poem in which he stated:

"... And the Star-Spangled Banner in triumph shall wave..."

These words are as true today as they were when he wrote them. Thousands of young men and women wear the uniform of our Armed Forces. They too are prepared to defend this country and all that it stands for. And tragically, they too, have spilled their blood.

A month ago, 47 sailors aboard the Battleship Iowa paid the ultimate price for our freedom. Do not let their sacrifice be for nothing. Help our young to understand that the flag is not just an interesting exhibit in a museum. Help them to see that the power and beauty of our flag extends beyond an abstract idea.

Past or present, those we

honor on Memorial Day purchased freedom. It's important that we mourn them, I know I will. But it's more important that we honor their service and the lessons they taught.

Francis Scott Key understood this, to make his voice heard he wrote a poem. It speaks of the American flag and how it embodies the American spirit.

He wrote a poem that is heard around the world as America's National Anthem. On Memorial Day, let's use that gift to both honor our fallen and to teach those for whom our defenders gave so much.

Becky Manthei, daughter of Mr. and Mrs. Robert Manthei and Jeff Brigham, son of Mr. and Mrs. Tom Brigham, were chosen as two of 200 students statewide to participate in Arts World '89.

The summer program for students talented in creative writing, dance, music, theater, or the visual arts will be held at Lakeland College near Sheboygan. Arts World was established in 1984 after a two-year pilot project. It is sponsored by the Wisconsin Department of Public Instruction and the Wisconsin Arts Board in cooperation with the Wisconsin Alliance for Arts Education and the Wisconsin Academy of Sciences, Arts and Letters.

State Superintendent Herbert J. Grover explained that Arts World encourages students to develop their talents. "This program provides an opportunity for artistically inclined students to work with professional artists and master teachers and in the company of other students who share artistic interests."

A two-week session of Arts World will be held June 18 to July 1. A one-week session will be held July 9 to July 15. Students attending Arts World will work on independent projects during six-hour studio sessions, participate in evening performances and special arts events, and attend programs by guest artists. Field trips are planned to Kohler-Andrae State Park, the American Club, the Kohler Design Center, and the John Michael Kohler Arts Center.

Manthei and Brigham will attend the one-week session. They were nominated to Arts World in Theatre and Drama,

Kewaskum District Administrator Dr. David Heather said.

FREEDOM...
How lightly we use that word, when it is a reality that has been purchased for us at the cost of lives or personal sacrifice.
This Memorial Day, let's take time from the picnics and other fun activities that usually mark the day to reflect on those lives and sacrifices.
Let's spend some of the day remembering the men and women who gave so gallantly that we might enjoy our freedom.

Local Service Clubs, Business Support Anti-Drug Program, Dinner for Senior Class

The Kewaskum Lions Club, Kiwanis, Junior Women's Club, Allenton Lions Club, North Milwaukee Lions Club, Future Business Leaders of America, The Key Club, KL Home and Hardware and New Fane Kettle Riders Snowmobile Club have all contributed to a Senior Activity Night program for Kewaskum High School Seniors. The goal of the program, according to Kewaskum High School Social Studies instructor Fran Charland is two fold. First, to congratulate the graduating seniors on their achievements in and out of school and, second, to deliver a message to the senior class that we all care so much that we do not want to loose any of them to alcohol or

other drugs.

Activities for the evening of May 30th include a dinner for the senior class to be held at the Amerahn Hall. After the dinner Tom Poberezny Executive director of the Experimental Aircraft Museum Foundation of Oshkosh former World Aerobatic Champion and current member of the Eagles Precision Flying Team will speak to the group about the opportunities for anyone who has high goals and remains drug and alcohol free. Washington County Sheriff Bob Schulteis will also be speaking to the group on the dangers and negative impact of alcohol and drugs on people and our community.

After the dinner and

presentations by the guest speakers the entire senior class is invited to a private showing of a movie voted on by the senior class at the West Bend theatre followed by a swimming party at the West Bend Y.M.C.A.

Our hope is to provide an enjoyable, fun filled evening for the Seniors during their last week as students here at KHS that will show, hopefully, that they can have a good time without alcohol or drugs. The only thing required of those attending is to sign a pledge sheet promising to remain alcohol and drug free for this activity night and hopefully this message will carry over well beyond that one night.

I see this as a great opportunity for school, the

parents and the community at large to demonstrate how important they are and what a serious issue and danger alcohol and drugs are, stated Mr. Charland.

It is very encouraging to see the generous and enthusiastic support given by the service organizations in and around Kewaskum for this program. The senior class will benefit greatly from their generosity and concern. Also thanks to Sheriff Schulteis for his help and support in planning and fund raising and Tom Poberezny of the E.A.A. who has enthusiastically volunteered his time and effort for the seniors here in Kewaskum. This is going to be a great time and hopefully it can become an

annual event.

A big thank you from the Senior Class to: The Kewaskum Lions Club, The Kewaskum Kiwanis, The Kewaskum Junior Women's Club, The Allenton Lions Club, The North Milwaukee Lions Club, The Key Club, The Future Business Leaders of America, KL Home and Hardware of Kewaskum, and New Fane Kettle Riders Snowmobile Club, for your generous support.

Katherine Behnke Receives Degree

Katherine Behnke, 230 Clinton Street, Kewaskum, is a recent graduate of Dr. Martin Luther College, New Ulm, Minnesota.

Katy, daughter of Orv and Ruth Behnke, received a Bachelor of Science Degree in Education, and has accepted an assignment to teach first and second grade students at Peridot Mission School, Peridot, AZ, where she will be living after July 1. The mission is supported by the World Mission Board of the Wisconsin Evangelical Lutheran Synod. It is located on and serves the San Carlos Apache Indian Reservation.

Geldreich, Uhlman, Gillard Graduate From UW-Oshkosh

OSHKOSH — Nearly 1,200 graduate and undergraduate students were eligible to receive diplomas at the 115th annual University of Wisconsin - Oshkosh spring commencement held at 2:30 p.m. Saturday, May 13, at Kolf Sports Center.

Commencement speaker was chancellor Edward M. Penson, who appeared at his final commencement. Penson, 61, has announced his resignation, effective Sept. 1.

Area graduates included Michael George Geldreich, 1720 Hwy. H, Kewaskum, B.S., Letters and Science, majoring in political science; Janet C. Uhlman, 380 Braatz Dr., Kewaskum, B.S. Education, and Kerry Leah Gillard, 637 Woodland Dr., Campbellsport, B.S., Education.

Receive Degrees at Marian College

Thirteen master's degrees and 104 bachelor's degrees were awarded at Marian College's 48th commencement on May 13.

Richard J. Jordan, retired director and executive vice president of Brunswick Corporation and retired president of Mercury Marine in Fond du Lac, received an honorary doctor of laws (L.L.D.) degree. Patricia K. O'Hearn, also of Fond du Lac, received the college's Magnificat award "for her furtherance of social justice through community service."

William G. Ellis, president of

Wayland Academy in Beaver Dam and a member of Marian's Board of Directors, was the commencement speaker.

The following students from Kewaskum received degrees from Marian College: Todd Richard Rodenkirch and Frances J. Standish.

Receives Degree

Sharon Land, daughter of Mr. and Mrs. Paul Land, 8645 Highway 144, Kewaskum, was among the approximately 1,200 candidates for graduation at the May ceremonies of the University of Wisconsin - Whitewater.

Candidates included about 900 May baccalaureate graduates, about 130 May master's degree candidates, and some 190 students who are to receive their degrees in August. The University no longer holds summer graduation ceremonies.

John H. Barcroft, executive director of the James S. Kemper Foundation was the commencement speaker. UW-Whitewater is the only public four-year institution in the Kemper Scholar Program which provides up to \$12,000 in financial aid over a student's four-year college career and also guarantees summer employment.

Sharon, who earned the degree of Bachelor of Business Administration in accounting, will be employed by Eaton Corp., Milwaukee.

UW Youth Scholarship Winners to Be Selected

The United Way of Washington County will once again be awarding scholarships to two young people to attend the 1989 Young Leaders Conference. The Conference will be held August 12-16, at Indiana University in Bloomington, Indiana.

The goal of the Conference is to equip these students with the excitement, knowledge and skills needed to create an active youth volunteer force. Upon their return, the youth will make a presentation to the United Way Board of Directors and serve as leaders of the Youth Volunteer Force.

Any 9th, 10th, or 11th grader living in the Kewaskum, Slinger, Hartford, or West Bend School districts is eligible for the scholarship. Interested people should call United Way at 338-3821 or pick up a form at the United Way office in the Centrum Building at 120 North Main, West Bend, or at the area High Schools. We ask that nomination forms be returned by Thursday, June 1, at 5:00 p.m.

We are searching for students who have been involved with community and volunteer activities or for those who are interested in learning how to become a youth volunteer leader!

Steiner - Hedrick

Mr. and Mrs. Carl Steiner of Kewaskum are pleased to announce the engagement of their daughter, Laurie Jean, to Ronald Harvey Hedrick son of Mr. Dwight Hedrick of Dyers, Indiana and Mrs. Brenda Anderson of Hammond, Indiana.

Laurie is a 1983 graduate of Kewaskum High School and a 1986 graduate of MPTC. She is

employed as a registered nurse in the intensive care unit at Hillside Hospital, Beaver Dam.

Her fiance is a 1980 graduate of Lake Central High School, St. John, Indiana and a 1984 graduate of Lakeland College, Sheboygan. He is an associate manager with ITT Financial Services in West Bend.

An August 25, 1990 wedding is being planned by the couple.

CA 400 Kickoff Announced

The first leg of the 1989 CA 400 fundraiser for Citizen Advocacy is underway. Washington County businesses are contacted to support Citizen Advocacy, a non-profit organization which promotes and supports relationships between community volunteers and people who happen to have disabilities.

Names of businesses responding to the CA 400 by June 20 will be included in a large mailing to individuals in Washington County; a newspaper ad will be printed thanking those businesses for their support; a certificate will be delivered to them, and they will receive the Citizen Advocacy newsletter.

Any business not contacted, but interested in becoming one of the CA 400, can call the Citizen Advocacy office at 334-3384.

Gallery Schedules Summer Children's Art Classes

The West Bend Gallery of Fine Arts is pleased to announce the following art classes available for children this summer:

All classes run for six weeks - Mondays, Tuesdays and Wednesdays, June 19th - August 2nd with no classes the week of July 3rd.

POP POP POP - 1st - 4th grade 9:00 a.m. - 10:15 a.m.

Artistic exploration of the Pop Art Movement. This class is designed to provide a better understanding of basic design concepts: color, texture, line, shape and form, through the use of a variety of art media.

WARHOL'S WONDERS - 1st - 4th grade 10:30 - 11:45 a.m.

This class will explore the creative uses of clay in functional, sculptural and decorative forms. Work by reknowned pop artist, Andy Warhol, will be used as a

starting point for the class. Hand building techniques will be emphasized.

THE ART OF BEING POP-ULAR - 5th - 8th grade 10:30 - 11:45 a.m.

"Pop, Blam, Zing!" It's a new approach to drawing and painting through the study of pop art! "Pop" is the art of the very familiar image (such as soup cans, Hollywood stars, etc.) presented out of its usual context. Students will work with a variety of media.

POP-ULAR PAZAZZ - 5th - 8th grade 9:00 - 10:15 a.m.

Discover real "pop-ular" images made out of clay. Fast food and exaggerated objects come to "life." Hand building techniques as well as an introduction to the potter's wheel will be taught in the "larger than life," typically American art class.

Further information is available through the gallery. The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend and the phone is 334-9638.

Safari Planning Underway at Library

"Super Summer Safari: Make Books Your Big Game" is the theme of the 1989 Summer Library Program to be held at Kewaskum Public Library. A series of five programs will include a variety of activities to encourage reading for children who have completed K thru 4th grades.

"Super Summer Safari" programs will be held on June 14, 21, 28, July 12, and 19th from 1 p.m. to 2 p.m. This statewide program is sponsored by the Department of Public Instruction in order to encourage year round reading. The Milwaukee County Zoo

has provided free admission coupons for all "Super Summer Safari" participants. All children who read 10 or more books during "Super Summer Safari" will be awarded prizes, certificates and an invitation to a special Safari Party on July 26th.

Registration will be on June 2nd, 5th, 7th and 9th. For more information phone 626-4312 or visit the library at 206 1st Street. Library hours are Monday and Wednesday Noon to 8 p.m. and Friday Noon to 6 p.m.

Cedar Lake Auxiliary Donates to Cedar Haven Rehabilitation Agency

Shirley Birkholz, President of the William Koehl Working Auxiliary, left, presents a check to Cedar-Haven Rehabilitation Agency Administrator, Joanne Bodien, while Auxiliary Treasurer, Esther Lembeck, right, watches.

The Cedar-Haven Rehabilitation Agency (CHRA) recently received a \$5000 check from the William Koehl Working Auxiliary of the Cedar Lake Home Campus.

"The money will be used by CHRA to purchase needed

equipment for our expanding pediatric program," tells Joanne Bodien, Administrator of the non-profit division of Cedar Lake Home. CHRA offers year around occupational, physical and speech therapy. In the summer it offers a special

program for children.

The Auxiliary raised the funds at its Benefit Gala held at Cedar Ridge Retirement Campus last October. The next Benefit Gala is slated for Saturday, October 28. Plan to attend!

Red Cross Offers CPR Classes

The West Bend Red Cross has scheduled a Community (CPR) Cardiopulmonary Resuscitation class.

CPR teaches you how to recognize the early warning signals of an impending heart attack, identify various risk factors that contribute to heart attack and strokes. Rescue procedures for choking victims, conscious-unconscious. How to perform CPR for an adult, child and infant.

CPR CAN MAKE THE DIFFERENCE BETWEEN LIFE AND DEATH. Know what to do to save a life.

The course is scheduled for 3 Monday evenings, starting June 5th, continuing on the 12th and completing on the 19th from 6:30 to 9:30 p.m. at the West Bend Red Cross office at 422 Meadowbrook Dr.

To enroll, call 334-5687.

RED CROSS OFFERS FIRST AID COURSE

The West Bend Red Cross is offering the new Standard First Aid Course.

The new Standard First Aid Course includes adult Cardiopulmonary Resuscitation (CPR). The first 4 hours will teach you how to recognize the signs and symptoms of a heart attack, how to perform CPR on an adult. How to give first aid for a choking victim, conscious or unconscious, and how to open an airway for mouth to mouth resuscitation.

The second half will teach you how to control bleeding, shock, what to do for diabetics, epileptics, stroke victims, burns heat and cold emergencies and how to do a head to toe victim assessment. You will learn how to transport a victim and how to splint. What to do in case of poisoning and many other things.

Two certificates will be issued upon successful completion of the 2 sections. A CPR certificate good for one year and a First Aid certificate good for 3 years.

The class is scheduled for 2 Tuesday evenings, June 6th and 13th, from 6 to 10 p.m. at the West Bend Red Cross, 422 Meadowbrook Dr. To enroll, call 334-5687.

Regal Ware Donates Boxes For UWWC Library Move

WEST BEND — A gift of 2,300 boxes from Regal Ware, Inc., of Kewaskum, has launched the summer library move here at the University of Wisconsin Center — Washington County.

Thirteen students have signed up to work on the project for \$4 per hour. Work began Monday, May 15, and is scheduled to be concluded before June 1.

English Professor Dion Kempthorne, acting dean at UWWC, said he is very pleased with the gift of boxes. "The library staff is ecstatic, and the rest of us are greatly relieved," he said. "As an administrator, I'm especially thankful that we may now be able to keep our supplies and expenses budget out of the red."

In letters to Regal Ware officials, Kempthorne said, "Speaking for all the faculty, staff and students of the University, let me say how important such contributions are to our overall educational mission."

He told Carol Heller, the firm's consumer service supervisor, "Your generosity has brought not only financial but emotional relief. The library staff is now no less busy but ever so much more happy."

In his thank you to Pat

Twohig, vice president - manufacturing, Kempthorne said, "We were facing a considerable unanticipated expense in this project, one which would have sorely strained our supplies and expense budget; so your contribution has brought much needed relief to us."

About 40,000 books weighing about 100,000 pounds, plus collections of periodicals, records, audio-visual materials, reference books, pamphlets, microfilm and equipment must be packed and moved and then returned after construction is completed.

Library renovation is part of the \$2.1 million construction project now underway at UWWC and scheduled for completion by January 1990. When library work is finished, more study areas will be available for students along with more work and storage area for staff and additional shelving to expand collections of books and periodicals.

During the 1989 summer session, which begins June 12, Main 222 and 223 will serve as an interim library, housing a small collection of materials including materials needed by summer students. Several other rooms will be set aside for quiet study.

Murder Mystery Musical Scheduled At UWWC June 15-18 and 22-25

WEST BEND — A ten-member cast has been selected for a new murder mystery musical scheduled for June 15-18 and 22-25 as the summer production of the Theatre on the Hill at the University of Wisconsin Center — Washington County.

Director Brad Ford, assistant professor of speech and theatre arts at UWWC, picked the cast for "Something's Afoot" during auditions earlier in May. Working with him as assistant director is Tanya Beske.

The all West Bend cast announced by Ford includes:

Lori Vetrovec as Lettie, Mark Kohler as Flint, Matt Duket as Clive, Maurine Michaud as Hope Langdon, Andy Gonring as Dr. Grayburn, Tim Dondlinger as Nigel Rancour, Nancy Mason as Lady Grace Manley-Prowe, Pat Gangnon as Col. Gillweather, Mary

McNamara as Miss Tweed, and Paul Vogelsang as Geoffrey.

The 1989 musical makes up the abbreviated seventh summer repertory season of Theatre on the Hill. Construction activities in the theatre area prohibit the usual extended offering, Ford said.

The book, music and lyrics for the show were written by James McDonald, David Vos and Robert Gerlach, with additional music by Ed Linderman.

To reserve tickets or obtain more information on the show, call UWWC, 338-5208.

KMS 'Little Luncheonette of Terror'...a Smashing Success

Dancing scene by the students in Act One of "Little Luncheonette of Terror." More pictures to follow in next issue. Telschow photo

The Kewaskum Middle School presented "Little Luncheonette of Terror" on Friday, May 12th in Rose Hall of Kewaskum High School. The play takes place at Pete's Luncheonette where Pete (Keith Herman) makes contact with Mongo (Pat McFadden) via his radio invention. The radio signals get crossed and Mongo is sent back to earth where he "zombifies" teenagers and "drains their brains" to learn about earth. Marlene (Jenny Stelter) tells Pete how he has to stop Mongo and together they try to figure out a way. The play included 11 musical numbers, the favorite being the "Mongo Mambo" in which all the zombied-students dance with Mongo and "My Honey Bun" in which junior Jeff Brigham makes a surprise appearance as Mongo, the Fantasy Man. Of course, his Elvis imitation wasn't bad, either.

The play received an excellent response from elementary school students to

Kewaskum Statesman,

parents as all enjoyed this lively fast-moving drama that could never happen in Kewaskum... or could it?

Directors - Dave Bertelsen, M. Reilly-Kliss, E. Christie and choreographer KHS junior Becky Manthei deserve to be commended on their fine work.

96TH BIRTHDAY - Peter Heisler, a resident of Hope Nursing Home, Lomira, celebrated his 96th birthday on April 19. Heisler, a retired cheesemaker who ran the 4 Corner Dairy near Theresa, sent invitations and organized this day on his own. Family and friends spent the afternoon visiting, playing cards and enjoying lunch. Heisler is shown in the photo with his guests who brought lunch and a birthday cake for the occasion. He also purchased doughnuts to treat the staff and residents of Hope. Peter is a former West Bend resident.

Lee Rammer Misses 2nd Chance On Lottery's TV Money Game Show

Lee Rammer, of Beechwood, who was a participant in the April 8 and May 20 edition of the Wisconsin Lottery's popular weekly television show, was not one of the fortunate "lucky 5." Lee was one of the 60 chosen to be on the show.

Five of the 60 ticket holders are selected to be on-stage players, and have a chance to win the \$50,000 bonus prize, as well as other cash prizes. Luckily a man from Milwaukee won the \$50,000 prize on the May 20th show.

On April 8, Mr. Rammer took home \$427 plus the \$100 he received for his three TV's on the winning lottery ticket. On May 20 Lee took home \$353 plus the \$100. He purchased both his

tickets at Schultz's Place in Beechwood.

Maybe next time Lee you'll hit the big one.

Three Men and a Miracle is Theme of Children's Miracle Network Telethon

MILWAUKEE - CHANNEL 12, WISN TV news anchor Jerry Taff (left), meteorologist John Malan (center), and Sports Director Tom Sutton will help make miracles happen for Children's Hospital of Wisconsin when they host the Children's Miracle Network Telethon for the hospital. It will be aired on CHANNEL 12 from 10:30 p.m. on Saturday, June 3 to 5 p.m. on Sunday, June 4.

11th Annual Dinner Held by Citizen Advocacy of Washington County

A four year old preschool girl named Tristan has a friend, Priscilla. Tristan would talk about Priscilla at home, telling stories of their joint adventures at preschool. Tristan's father loved these stories of friendship. When he finally met the famed Priscilla, he noticed that she used a walker. He asked Tristan if Priscilla always used a walker, why hadn't she mentioned that? Tristan told him "she doesn't need it when I hold her hand."

That father is Lynn Breedlove, Executive Director of the Wisconsin Coalition for Advocacy in Madison. His keynote speech to the members of Citizen Advocacy at their 11th Annual Dinner illuminated the core of Citizen Advocacy: Seeing past disabilities to form solid relationships and community involvement.

Executive Director of Citizen Advocacy of Washington County Sue Moser and Sandy Olson, Assistant Director, introduced and recognized the partners in relationships brought together by Citizen Advocacy. The partners received silver maple or spruce seedlings as recognition of their shared growth and nurturance of one another.

Outgoing board members Marge Schloemer, the "glue

that holds things together" and Jane Reigle were thanked for their commitment to Citizen Advocacy by Sue Moser.

Moser presented The Rainbow Award to Hallie Stollenwerk. This award is given annually to a board member who has contributed unique and extremely helpful assistance to Citizen Advocacy. Hallie has only been a board member for one year, but "made herself invaluable as Secretary of the board and volunteering 1-2 days of secretarial duties at the Citizen Advocacy office," said Moser.

Board President Lynn Camin introduced two new faces to Citizen Advocacy. Mr. Dick Smith will be taking on the role of Fundraising Coordinator; Lois Pick is assisting to insure the success of the CA400 fundraiser and the year-end letter to supporters of Citizen Advocacy.

Treasurer Dale Tietz thanked the many people who support Citizen Advocacy throughout the year in a financial, ethical volunteer or moral fashion.

The evening's festivities ended with a rousing performance by the members of Kinfolk Country Band.

Donations from the community made the evening a total success. Citizen Advocacy

would like to thank: Pick N Save, Emmons Napp Office Supply, Barth's Linden Inn, Members of Kinfolk Country Band, Hansen's Foods, Hankerson's Country Oven, West Bend Women's Club, a generous anonymous donor of spruce and silver maple seedlings, and many other contributions.

St. Joseph's Auxiliary Moves Magic Marketplace Fundraiser to October

Magic Marketplace — the "Grande Dame" of the fundraisers sponsored by the Auxiliary of St. Joseph's Community Hospital has up and moved — to the first Sunday in October, which is Oct. 1st this year. The decision to make MMP a fall event was made by a consensus opinion of the Auxiliary Board, since many artists and crafts people had indicated that a fall festival was more to their liking.

With three major theme-related occasions such as Halloween, Thanksgiving, and Christmas falling in this season, these artisans will have many

more products available to offer at that time.

The Pantry and Children's Booths, Silent Auction, Quilt Raffle, Booster prizes, lunch and refreshments will again be featured, as well as new vendors who will be making their first-time appearances at MMP.

So mark your calendar for Sunday, October 1st, and plan to attend the new Magic Marketplace Autumn Leaves Fall Festival at Silverbrook Middle School, 120 North Silverbrook Drive (enter from 15th Avenue parking lot), 10 a.m. to 4 p.m.

Kewaskum, West Bend Police Receive Letter

Governor Thompson Congratulates Police Agencies, Motorists in Safety Program

Governor Tommy Thompson has sent letters of congratulation to 5,481 parents, and thank you notes to 83 law enforcement agencies for participating in the Protect a Life (PAL) program during Child Passenger Safety Awareness Week this spring.

The law enforcement agencies were thanked for noting license numbers of vehicles they observed with children secured in safety seats and running license plate checks to find the names and addresses of the owners.

Maynard G. Stoehr, director of transportation safety in the state Department of Transportation, said the high level of participation by law enforcement shows that child passenger safety is of major concern. "I think it's terrific that 83 agencies and several hundred officers participated this year, and believe that it shows a positive awareness of the value of safety belts and child restraint systems," he added.

Stoehr said a good share of the credit for the state's successful child restraint program must go to the more than 200 local rental/loaner child restraint programs which

participate in informational programs as well.

Cheryl Forbes, occupant protection program manager for the DOT, said the PAL program is designed to provide a positive incentive to parents and others who transport young children, to make sure they are safe and secure.

"We have seen positive results of Wisconsin's law requiring drivers to make sure that children under the age of two are in approved safety seats, and that those between the age two and four be in safety seats or securely held by the vehicle's regular safety belts," she said.

Local agencies and the number of people in this area to receive letters are: Kewaskum Police Department (22) and West Bend Police Department (84).

The temperature of the earth's interior increases by one degree for every 60 feet down.

From Tom Kennelly

MANGANESE

Basketball player Bill Walton had broken bones that would not heal. Blood studies showed zero levels of manganese for Walton, who was then a vegetarian. His doctor, Paul Saltman of U. of Cal., San Diego, noted in other tests that women with osteoporosis [weak bones] had manganese levels 75% lower than women with stronger, healthier bones. Dietary manganese is found in wheat bran, blueberries, nuts, whole grains, legumes, peanut butter - also in meats.

We wish you good health

Badger Packaging Corporation Breaks Ground for New Manufacturing Facility in West Bend

Ground breaking for Badger Packaging Corporation's new manufacturing facility in West Bend. Left to right: Dave Heying, President of Bank One; John Maliszewski and Brian Byrne of Briohn Building Corporation; Mike Miller, Mayor of West Bend; and Thurm Anderson, President of Badger Packaging Corporation.

Thurm Anderson, President, Badger Packaging Corporation

Badger Packaging Corporation, a corrugated paper shipping container manufacturer, broke ground April 26 for their new 78,000 sq. ft. manufacturing facility. The new facility will be located in the West Bend Industrial Park South at 2035 Stonebridge Road.

Thurman Anderson, President of Badger Packaging, said "We've out grown our 47,000 sq. ft. plant in Kewaskum. The new facility, almost double in size, will give us a chance to grow. Even more important, we'll be able to service our clients better."

"We plan to be a force in this

industry through the 1990's." Badger Packaging is currently located at 3614 Badger Road in Kewaskum.

"We're looking forward to becoming a part of the West Bend community and can't wait to move into our new facility," Anderson commented. Construction will begin immediately and is expected to be completed in late August. The move will be completed by mid-September.

Badger Packaging Corporation was founded in 1965 by Ed Laue and Thurman Anderson, through knowledge gained after years in the fibreboard industry, they developed an

integrated production system which produced quality corrugated products at a sufficiently better cost.

Industries in Southeastern Wisconsin and Northeastern Illinois have come to know that the Badger name stands for quality corrugated products. Today, Badger Packaging supplies corrugated paper shipping containers to over 400 customers.

Ed Laue retired in 1978 and currently resides in Menasha, WI. Today, Thurman Anderson is president of Badger Packaging and resides in Mequon, Wisconsin.

Thurm Anderson has thirty-six years of experience in the corrugated paper shipping container industry and is President of Badger Packaging Corporation.

Thurm was born in 1928 in Hamilton County, Indiana, but lived most of his childhood in Indianapolis. He attended Wabash College, in Crawfordsville, IN and graduated in 1950. After graduation, Thurm's "packaging" career was postponed due to the Korean Conflict and he spent two and a half years in the Air Force.

Discharged in 1953, Thurm accepted a position to sell corrugated materials for Inland Container Corporation. His territory was from Milwaukee, WI to Dubuque, IA. It was the beginning of Thurm's career in the corrugated industry and it was then that Thurm met Ed Laue.

Thurm worked for Inland for eight years. In 1961, he joined Union Camp Corporation's sales force. In 1965, Thurm and Ed Laue joined forces and began the Badger Packaging Corporation.

Headquartered in Kewaskum, WI, Badger Packaging sold corrugated products to companies throughout Southeastern Wisconsin and Northeastern Illinois. An integrated

production system, developed by Thurm and Ed, and Badger Packaging's superb quality led to the corporation's solid reputation.

Today, at the age of 60, Thurm is beginning a new adventure in West Bend. To better serve Badger Packaging's over 400 customers the corporation is expanding and building a new manufacturing facility.

Thurm currently resides in Mequon, WI, with his wife Billie. He has two children, Kristy and Jim. Jim is part of the management team at Badger Packaging Corporation.

Dan Deniston and Linda Albertson

"I feel better about myself now," says Linda Albertson, 36, of Neosho, Wis. "I don't feel so stupid. I wish I had been told about these places when I graduated from high school."

The places Albertson is referring to are the GOAL Skills and Career Exploration Centers at Moraine Park Technical College's West Bend campus. The GOAL Skills Center offers free open lab instruction in reading, writing, math, spelling and study and test taking skills. It also offers pre-technical writing.

The Career Exploration Center helps people explore their interests and abilities and choose careers to match these areas. The center also offers instruction on career decision making processes and job seeking skills.

Albertson admits she was not familiar with the services available at the college until a friend told her about the Women's Reentry Project. (The Reentry Project provides training, employment and support services for displaced homemakers.) Albertson enrolled in the project in January and was introduced to the GOAL and career labs by her instructor.

"I've learned so much in the centers," says this mother of two children, ages 18 and 12. "I now have a better understanding of the things I read, and I can help my daughter with her homework. I've also learned how to study."

The study skills Albertson has gained will come in handy next fall when she begins attending school full time in the office assistant program. "With the help of the GOAL lab I've been able to ease into school - I know what to expect in my courses," she says.

Albertson says she is coming back to school because she needs a change. "I've been working as a volunteer for the last couple of years and I'm getting burned out," Albertson explains. "And I know I can't

handle being a full-time homemaker - so school is a natural option."

Currently Albertson is enrolled in the GOAL pre-technical writing class and this summer she will take study skills and concerning learning classes.

According to Dan Deniston, 31, of West Bend, the GOAL and Career Centers are the West Bend Campus best kept secrets. "My wife went to school here and she wasn't even familiar with all the things that could be done in the centers," he says. (His wife, Sally, was recently chosen as Moraine Park's 1988 Star Student).

Deniston came to the Career Center when an accident forced him to make a career change. "I want to become a certified

public accountant, so I've taken all the career assessment tests to reassure myself. When times get tough in college, I'll be able to look back on the test results and know that I am headed in the right direction. I think these tests are a good thing to do every three or four years because people change. I plan on repeating some of the assessments."

Deniston says he was surprised when the instructors in the centers didn't push him to attend Moraine Park - he is now in his first semester at the University of Wisconsin - Washington County. "They told me outright that my interests required a four-year college degree," he says. "The Career Center really looks out for you - the individual. The instructors aren't there to recruit students; they are there to do what is best for you."

The GOAL lab will be open from 8:30 to 11:30 a.m., June 5 through July 27, in room M-116, on the West Bend campus. The Career lab will be open 8:30 a.m. to noon and 12:30 to 4 p.m. on June 19, 20, 26 and 27; July 3, 10, 11, 17, 18, 24, 25 and 31 and August 1, 7, 8, 14, 15, 21, 22, 28 and 29. For more information call the campus at 334-3413.

Five Dangerous Situations to Avoid When Using Farm Machinery

By Don Kurer

When you think about it, there are a lot of things we do around farm equipment that are far from safe. Actually, we know better, but like most accidents, a lot of them result from being hasty or just plain careless and not using common sense. For an example, how many times have you stepped in between the rear and front wheels of a tractor to talk to the operator while the engine is still running?

Now that spring is here (we hope), you are doing field work and operating farm equipment more often. There are five dangerous situations you should try to avoid.

1. Always use the steps made for mounting the tractor. Never climb up the lugs of the tire which may be wet and slippery.

2. Never operate drive levers from an off seat position even to move the tractor backward or forward for a hitch-up. A little too much pressure on the lever could cause the machine to lurch and run over the driver.

3. Wear safety goggles and protective rubber gloves when working with pesticides.

4. Don't get under a tractor to check or work on it while the engine is running. When changing a tire or wheel, block other wheels so the machine will not move unexpectedly and pin you underneath.

5. Never stand in front or back of a wheel to talk to a driver whose machine is still running, you could be seriously injured if the tractor should suddenly roll or lurch. Instead, stand clear of its path, and have the operator shut off the engine.

LETTERS TO THE EDITOR

May 17, 1989

Dear Editor,

As the school year comes to a finish, we at Farmington Elementary School would like to take this opportunity to share with everyone, the fine accomplishments of our school Parent/Teacher Organization.

Through their united efforts, this group has provided so many interesting and educational speakers and programs for students at Farmington, including The Atwood Players, Mr. Wizard, songster and storyteller Robbie Clements, and the Opera for the Young.

In addition to these and more, our PTO provided funds for a new Clavinova piano, computer networking in the lab, software, materials for Kids' Kits, tape recorders, books for our library, and other supplies and equipment.

They also sponsored our great Halloween party, the Easter party, the Jump Rope contest, and will again sponsor summer library at Farmington School to encourage continued good reading habits.

The list could go on, but by now, we hope you understand that we at Farmington Elementary School, have the best PTO in the state, and maybe even in the entire country! We're so proud of them, and so grateful to all the members of the group who worked so hard for us this year. Our sincere thanks to them all!

Sincerely,

Students and staff at
Farmington Elementary
School

Dear Editor:

I am writing in regards to some awful rumors I have heard circulating in Kewaskum about Somethin'-Ta-Do Arcade and Pool Hall. I'm not writing in strict concern for myself but also for the well being of the kids in the area.

It has come to my attention that people have the misinformation that the arcade is nothing but a meeting place for the devious characters in town and a drug and alcohol front, and that we are in business to Destroy our young people. Well, being one of the owners of Somethin'-Ta-Do with my husband Randy, I would like to put your fears to rest!

We started the Arcade and Pool Hall on my knowledge of the community. I grew up here and knew the kids had nowhere to go and nothing to do. I wanted them to have it better than I did, so instead of going to Fond du Lac or West Bend, which we could have, we opened our doors here.

Everyone who came through our doors had a clear slate; I'm sure many people would have liked that to happen sometime in their life. And when the rules were broken, so was our trust and confidence in that person and they were asked to leave.

We're more of a youth center, giving kids a place to meet, play a few games and talk. It is constantly overseen by adults, with a watchful eye on the younger ones to avoid them being hassled.

We've worked hard here to

give the community not only another business but somewhere that their kids can go and parents know where they are instead of running around in cars and being bored to the point of doing something stupid. In fact vandalism has gone down drastically since we've opened our doors.

We've done our best and I certainly hope that the non-existent problems have been cleared up in your minds.

We need your support to survive. Please realize that we are here for kids of all ages, 9 to 90, and that we are a very important commodity to the community. You're all welcome anytime. If you have any questions call 626-8380 and talk to us, Randy or Sherry, or stop in. See what's here for all of you but please leave the rumors where they belong - In the Twilight Zone.

Thank You,

Sincerely,
Randy & Sherry Kemp

Twenty-five members of the senior class of Kewaskum High School will receive their diplomas at commencement exercises next Friday, June 2, at 8 p.m.

The class is composed of the following: Doloris Mae Backhaus, Annette Beilke, Russell H. Belger, Byron F. W. Bunkelmann, Hazel Darmody, Gordon Fellenz, Annabelle Grotenhuis, Donald S. Harbeck, Bernard E. Hafemann, Bernard D. Horn, Claire M. Horn, Evelyn Krieser, Wesley Kuehl, Carl Mayer, James F. McKee, Frederick Menger, Betty Jane Petre, Lucille Pfenning, Earla Prost, Harold V. Schlosser, Marlin Schneider, Marlin Teschendorf, Lucille Theisen, Shirley Werner, Beulah Westermann.

Two of the finest pitching performances that may be seen all season were turned in last Sunday at Greenbush when Kewaskum lost it's second Kettle Moraine league game by a score of 4 to 1. Giles Knowles, ace Greenbush twirler, and H. Marx of Kewaskum opposed each other on the mound and

between them struck out 33 batters.

The parsonage of Holy Trinity church in this village was the scene of a charming marriage ceremony on May 20, which united Miss Marie Beilke, daughter of Mr. and Mrs. Henry Beilke, Kewaskum, and Roland Rate, son of Mr. and Mrs. Ed Rate of Allenton.

Miss Eunice Bowen, daughter of Mrs. Addie Bowen of near Dundee and Cyril Gilboy son of Edward Gilboy, Sr., also of Dundee, were united in marriage in a ceremony read at St. Michael's Church in Mitchell on Saturday, May 20.

Miss Ursula Straub, 79, resident of St. Kilian all her life, died Monday, May 22nd, after an illness of three weeks. Born at St. Kilian May 10, 1860, she was the daughter of the late Caspar and Agatha Straub.

A barn dance will be held at Benson's new barn, 2 miles north of Dundee on Hwy. 67 at Long Lake, Saturday, May 27. Music by Barb and Pete and their Rube Town Entertainers. Admission 25c.

75 Years Ago

May 23, 1914

While returning home from this village last Saturday evening where he had been to meet his cousin who came on the 8:28 train, Charley Koepke had a very exciting experience with a team of colts which he was driving. An automobile, in trying to pass Mr. Koepke, frightened the horses who

started to run and overturned the rig, throwing the occupants out. Mr. Koepke was picked up and taken home. A physician found he was only bruised and jarred up considerably. His companion in the rig was only slightly bruised.

This community was shocked to hear of the sudden and unexpected death of Elsmar Strobel, 12, youngest son of Mr. and Mrs. Andrew Strobel of St. Kilian, which occurred at the office of Dr. Connell at Fond du Lac to which place he had been take for an operation on his nose.

Death occurred after the operation was performed and was due to heart failure.

Henry Finke, a well known farmer living a short distance east of Mayville, was killed by lightning during a thunderstorm Monday.

Mr. Finke had returned from Mayville and as he entered the barn with his horses, a bolt of lightning struck the building killing him instantly. The deceased was 42 years of age and survived by a widow and six children.

J.K. Weninger and wife of the Town of Kewaskum spent Sunday in this city, guests of the Nic Heindl family. During their absence someone forcibly entered their home, which is on the former Honeck farm near St. Bridgets. Nothing was missed about the house.

Gustave Dickmann, Auburn, held a barn raising bee Tuesday.

IN MEMORY

In loving memory of Myron "Mike" Belger, who passed away fifteen years ago, May 25, 1974:

A million times we've thought of you.

A million times we've cried. If love along would have saved you.

You never would have died.

In life we loved you dearly.

In death we love you still.

In our hearts you hold a place.

No one else can ever fill.

It broke our hearts to lose you.

But you didn't go alone.

For part of us went with you.

The day God called you home.

Sadly missed and loved by his family.

West Bend to Get New Driver License Building, Buettner Says

The State Building Commission Wednesday approved funds to purchase land and develop a design report for a new building to house the Department of Transportation's Driver Licensing Bureau, State Senator Carol Buettner (R-Oshkosh) has reported.

Buettner, chairperson of the Administrative Affairs subcommittee of the State Building Commission, said that \$155,500 was approved to cover the cost of purchasing three acres of land, including closing costs, an environmental audit and appraisal fees.

"Currently, the Driver Licensing Bureau is in the basement of the Washington County Courthouse without enough space for any expansion of services," Buettner said.

"Also prompting the need is the fact that Washington County has requested that the DOT vacate the premises as soon as possible, no later than June 30, 1990."

The Department estimates that the West Bend facility will provide both driver licensing and vehicle registration services to approximately 67,700 customers annually within the service area.

The property is located on the North side of Paradise Drive, in the Paradise Mall area.

"The building of this facility will go a long way toward helping the DOT better serve the needs of area residents," Buettner added.

On June 13, 1948, a Los Angeles resident named Jack O'Leary caught a fit of hiccoughs. It was not until June 1, 1956—about 160 million hiccoughs later—that the fit ended.

Gail Picard Joins Coldwell/Banker

Kurer Chosen to Represent Science Educators Workshop

Mr. Cameron Kurer, Mayville Middle School's 7th and 8th grade science teacher, has been appointed to the teacher leadership component of "Science World."

He was one of 30 individuals chosen from hundreds of applicants and nominees to represent middle school science educators in Wisconsin.

Selection criteria reflected the highest standards for commitment to the teaching profession. Great value was placed on innovative and effective teaching techniques. Leadership, as demonstrated by involvement in curriculum development and professional growth activities, was also a big consideration.

Mr. Kurer, who was chosen as last year's teacher of the year, will attend the workshop at Pigeon Lake from July 16-22.

He and his wife Carol and two daughters live in the town of Wayne, Washington County.

Every year, foreign visitors spend about \$14 billion in the U.S.

Minutes of Village Board Meeting

Mid-Monthly Meeting
May 15, 1989
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. All Trustee members were present. A quorum was present.

The meeting was opened with a moment of silence and the Pledge of Allegiance.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the minutes of May 1, 1989 were approved as printed.

President Paul Blumer extended a welcome to the two new Trustees, Vincent Groh and Larry Williams.

The public hearing on the request of the Herro Company (Sison Property Project) for a conditional use permit to allow for an exception to grant the establishment of a CBR Facility within 2,500 feet of each other and a proposed CBR Facility as per §62.23(7)(i)(1) for the parcel of property located at 1040 Fond du Lac Avenue (known as Sison Property), Kewaskum, WI. No one spoke either for or against Mr. Lew Herro indicated he would be a few minutes late and did arrive at the close of the public hearing.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Thomas McElhatton and unanimously carried by roll call vote, the Board closed the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

The public hearing on the application for a Class "B" Fermented Malt Beverage License for a period commencing May 16, 1989 and ending October 1, 1989, as noticed for the Kewaskum Athletic Club, Bilgo Lane, Kewaskum, WI. No one spoke either for or against and the police had no objection. It was indicated a letter was received from the School District of Kewaskum authorizing the sale of Fermented Malt Beverages on the school grounds. On a motion by Trustee Thomas McElhatton, seconded by Trustee Kenneth Bonlender and unanimously carried by roll call vote, the Board closed the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Trustee Richard Schlice, seconded by Trustee Kenneth Bonlender and carried by the majority by roll call vote, the Board suspended the rules to take action on IX A, pertaining to the conditional use permit as requested by the Herro Company as heard at public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Mr. Lew Herro, Ms. Mary Renzaglia and Mr. Eugene Bohn were present and informed the Board as to the type of facility to be provided. (Facts: two - fifteen one bedroom units with private baths and 24 hour care coverage). On a motion by Trustee Richard Schlice, seconded by Trustee Kenneth Bonlender with Trustee Mary Krueger abstaining, the Board by majority voice vote approved the Conditional Use Permit as requested for the 2,500 foot exception as required by the state in reference to the two buildings as well as any other CBRF in the Village.

Fire Chief Donald Ehnert indicated at the time of the next Town Fire Contract renewal, a meeting should be scheduled with the Town to define a fire run.

Police Chief Richard Knoebel informed the Board of Steven Beck's resignation as a part-time officer and that only 3 applications were received for the part-time patrolman positions. On a motion by Trustee Vincent Groh, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board authorized the readvertising for a part-time patrolman with or without certification.

The Board was also informed the baseball card program has been started and will last for 15 weeks. The Valley Bank has donated the cards.

Superintendent of the Water Pollution Control Department Peter Albers reported that progress has slowed down in reference to the new lift station.

Public Works Superintendent Augie Bilgo informed the Board of the Water Utilities' inspection by the DNR. The Village was praised for a good inspection by the DNR.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mary Krueger and unanimously carried by voice vote, the Board approved the application for Operator's (bartender's) license upon proper payment of fee and authorized the office to issue said license as follows:

Patricia Thompson, Kewaskum, WI

NOTE: The Police Department had no objections to the issuance of the License.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board as follows: 1. Upcoming meeting of the League of Wisconsin Municipalities. 2. Invitation to the Board from the Robert G. Romaine Legion Post for the Board to participate in the Memorial Day Observance. 3. Discussion of upcoming Mid-Moraine Municipal Association meeting, May 24, 1989. 4. Informed the Board of public hearing date of June 5, 1989 for special assessments on extension of Edgewood Road. 5. Upcoming News Notes on grass clippings and the issuance of citations. 6. Review of some brief correspondence.

Trustee Kenneth Bonlender, the Library Board Representative, informed the Board of a Library Board policy establishing a fee of \$1.50 to receive a fax and \$2.50 to send a fax message.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board authorized the preparation of plans and specs and the advertising of bids for the sidewalk repair and replacement program.

President Paul Blumer acknowledged the number of people in attendance for the discussion and possible action on the request for rezoning by Wisconsin Elder Care, Inc. as heard at public hearing. Ordinance N. 89-10. Mr. Scott Hayes had seven other people present either family members or association. Including Attorney Daniel Sargeant. President Blumer indicated he would open the matter up for general discussion and questions seeing two new Trustees were now seated on the Board. Also, in attendance were Richard Laubach, a neighbor and Gary Gavin, an area businessman.

General comments made by the attorney for the Hayes were: the facility would house 8 adults 57 years old or older, two people would administer the business which would be centrally located, with no yard currently, but an asphalt area would be converted to grass. The Board was reminded the building had been vacant for about a year. The facility, as they can see, would cause no strain on Village services. Then Mr. Hayes indicated many existing businesses could benefit monetarily from the facility.

All of the Board members did ask questions and indicated they felt the business district should stay intact and that the location left much to be desired as a CBRF.

President Paul Blumer, after over a one half hour of discussion, asked for action by the Board regarding Ordinance #89-10. The rezoning action died due to the lack of an introduction motion and second.

President Blumer indicating the rezoning was denied, stated the action regarding the Conditional Use Permit (2,500 feet exception) would be futile and no action required.

On a motion by Trustee Richard Schlice, seconded by Trustee Thomas McElhatton and unanimously carried by roll call vote, the Board approved the application for a Class "B" Fermented Malt Beverage License for the Kewaskum Athletic Club, Bilgo Lane, Kewaskum, WI, with one restriction placed as to a cut off time for selling at 11:00 p.m. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

RESOLUTION NO. 89-11 PRELIMINARY RESOLUTION DECLARING INTENT TO EXERCISE POLICE POWERS UNDER SEC. 66.60, WI STATS.

RESOLVED, by the Village Board of the Village of Kewaskum, Wisconsin:

1. The Village Board hereby declares its intention to exercise its power under Sec. 66.60, Wis. Stats., to levy special assessments upon property within the following described area for special benefits conferred upon such property by improvement of the following streets:

All property fronting upon the following legal descriptions and address:

V4-0003, Lot 3 Blk 1, 1731 Fond du Lac Avenue

V4-0270-00A, Pt. of Lot 7 Blk 23, 1726 & 1736 Fond du Lac Avenue

V4-0270-00C, Pt. of Lot 7 Blk 23, 1718 Fond du Lac Avenue

V4-0272, Lot 9 Blk 23 & NW.ly 25' of Lot 7 Blk 23, 1746 Fond du Lac Avenue.

V4-0273, Lot 10 Blk 23, 1756 Fond du Lac Avenue.

2. The public improvements shall be the installation of curb/gutter, sidewalk, sanitary sewer mains and lateral stubs, water mains and lateral stubs, storm sewer and street base and surface as well as other related improvements deemed necessary by the Village Engineers on Fond du Lac Avenue to meet the specifications in the Village of Kewaskum and other related specifications contained in Section 8 of the Municipal Code of the Village of Kewaskum and under the Village Engineers specification for utility and street improvements.

3. The total amount assessed against the properties in the defined assessment district shall not exceed 100 percent of the total cost of the improvements. The Village Board determines that the improvement constitutes an exercise of police power and the amount assessed against each parcel shall be based on the lineal footage of said parcel of Fond du Lac Avenue.

4. The assessment against any parcel may be paid in cash or in annual installments the number of which shall be determined at the public hearing on the proposed assessment.

5. The Village Engineer shall prepare a report which shall consist of:

a. Preliminary or final plans and specifications for the improvements.
b. An estimate of the entire cost of these proposed improvements.
c. Schedule of proposed assessments against each parcel.

6. When the report is completed, the Village Engineer shall file a copy of the report with the Village Clerk for public inspection.

7. Upon receiving the report of the Village Engineer, the Clerk shall cause a notice to be given stating the nature of the proposed improvements, the general boundary lines of the proposed assessment district, the time and place at which the report may be inspected, and the time and place of the public hearing on the matters contained in the preliminary resolution and the report. This notice shall be published as a Class 1 notice and a copy shall be mailed, at 10 days before the hearing, to every interested party.

8. The hearing shall be held in the Kewaskum Municipal Building, 204 First Street, at a time set by the Clerk in accordance with Sec. 66.60(7), Wis. Stats.

Adopted and approved this 15th day of May, 1989, by the Kewaskum Village Board.

RESOLUTION NO. 89-12 TRANSFER OF FUNDS AMONG LIBRARY ACCOUNTS AS IT PERTAINS TO REVENUES AND EXPENDITURES BUDGETED IN 1988

WHEREAS, the Village of Kewaskum has received their audit report for the year ending December 31, 1988; and

WHEREAS, the Library Revenue Account (44611) approved and adopted for 1988 reflected only \$200.00 budgeted; and

WHEREAS, the Library Revenue Account (44611) as audited for the year of 1988 reflected total receipts equalling \$17,688; and

WHEREAS, the Library Expenditure Account (5511) as approved and adopted for 1988 reflected \$29,119 budgeted; and
WHEREAS, the Library Expenditure Account (5511) as audited for the year of 1988 reflected total expenditures equalling \$39,878.00; and

WHEREAS, the County-wide Library Service Agreement dated January 14, 1987, paragraph (6); and

WHEREAS, the County Corporation Council and County Auditor have reviewed said Village records and Library statistics verifying usage and expenditures per said agreement paragraph (9 thru 11); and

WHEREAS, the Village has agreed not to reduce its support to the Library; and
WHEREAS, the Village of Kewaskum has used the percentage as applied to all departmental budgets and determined the amount to be collected through the budget for 1988 was equal to \$22,000.00.

BE IT RESOLVED, that the Village of Kewaskum in reality taxed its citizens \$7,119 above and beyond the normal support base; and

BE IT FURTHER RESOLVED, that due to the receipt of revenues from the County and System in excess of that amount budgeted and the expenditure increase using all such extra revenue;

BE IT FURTHER RESOLVED, that the amount placed in the restricted Library Account temporarily, which equals \$5,874.94, be returned to the General Fund as unexpended tax monies collected to assist the Village Board to stabilize or reduce the tax levy for 1990.

ADOPTED AND APPROVED this 15th day of May, 1989, by the Kewaskum Village Board.

Roeseler's Double Helps Hustisford Edge Athletics

By Bob Pick II

HUSTISFORD — Kris Roeseler hit a two-run double to right center with two outs in the seventh inning and 35 year old right-Curt Kuehl scattered nine hits in nine innings as the Hustisford Astros beat the Kewaskum Athletics 3-2 in Tri-County Nite league last Wednesday evening.

Gary Will led off the inning with a single against Jeff Geidel followed by Steve Held's fly ball to right. After Geidel threw him nine pitches he eventually walked Steve Schiller. Kuehl struck out. Rick Ninmann doubled off the wall in right-center sending home Will and putting pinch-runner Kance Ottesen on third. Roeseler smacked Geidel's second pitch to him in the gap in right-center driving in Ottesen and Ninmann.

Kuehl, a 10 year amateur baseball veteran picked up the win for the Astros. He struck out eight and walked three.

The Athletics took a 1-0 advantage in the top of the first on Doug Goring's solo homer to right and increased it to 2-0 in similar fashion in the third. Goring's round-tripper in his second plate appearance left the park in left.

Geidel also struck out eight and walked only one in a tussle the Athletics had snatched from their grasp.

The next two games on the schedule are important Lakes encounters. This Sunday the Athletics will entertain the Plymouth Flames beginning at 1 p.m. Next Wednesday's contest is an 8 p.m. affair in Mequon against the defending divisional champion Thiensville-Mequon Twins.

On Monday evening June 5th the Athletics play their next Nite League game at Carl Kuss Field in West Bend to play the Benders. The first pitch should be thrown right around 7:30 p.m.

1989 Boating Safety Class

A DNR Boating Safety Class will be held beginning June 4, 1989. The class will run from 6:00 p.m. to 8:30 p.m. on June 4, 5, 6, and 8, and from 9:00 a.m. until 11:00 a.m. on June 7. The classroom portion will be held at the Ice Age Center located on Hwy. 67, ¼ mile west of Dundee on June 4, 5, 6, and 8. On June 7 the class will be held at the State Boat Landing on Long Lake beginning at 9:00 a.m.

The class is open to anyone over the age of 11 years. To register, leave your name, age and phone number at the Mauthe Lake Headquarters Office at 626-2116. The class will be taught by Warden Bilgo and Boating Enforcement Officers along with help from the Town of Osceola Boat Patrol.

The cost will be \$3.00 per student and will be collected the first night of class.

Sandy Secor Named to 1989 All-Midwest Conference North Division Softball Team

Ripon College's Sandy Secor (Kewaskum, WI) was named to the 1989 All-Midwest Conference North Division Softball team. St. Norbert College and Lake Forest College, which finished 1-2 in the division, paced the balloting. St. Norbert placed three players on the elite squad and Lake Forest placed two. Beloit College, Lawrence University and Ripon College each placed one player to the eight-player team. The team was selected by coaches without regard to position.

Secor, a senior outfielder and the team captain, was Ripon's lone representative on the

team. Batting out of the leadoff spot, she hit .286 for the season and led the team in runs scored with 18 and stolen bases with five. Secor was also named to the all-conference team in 1988.

Secor, who earlier was named the recipient, a repeat selection as well, of the prestigious S. N. Pickard Award at Ripon, capped a great career with this honor. During her athletic career at Ripon, Secor, who is also an honor student in chemistry, received all-conference mention in volleyball and basketball, was named most valuable player in basketball and was named team captain in those sports as well.

GOAL... STATE!

KHS Regional Champs, Sectional Qualifiers

The following track men and women from Kewaskum High School have qualified for sectional competition at Clinton this Thursday:

- Jeff Taylor - discus
- Marty Schulteis - high & intermediate hurdles
- Ryan Degnitz - intermediate hurdles
- Chris Donath - record-breaking run in the 800m
- Kris Follmann, Marty Schulteis, Jon Fry, Doug Mueller - 1600m relay
- Melissa Braun - 100 and 200m dash (record set)
- Kristi Lubahn - 300m hurdles (record set)
- Rachelle Zuehlke - 400m
- Pam Osterbrink - high jump
- Melissa Braun, Kristi Lubahn, Rachelle Zuehlke, Shelly Kasseckert - 800m relay

To these 12 sectional qualifiers...
GOOD LUCK GETTING TO STATE!

This 800m relay team broke the school record in the conference meet and recently qualified for sectionals. Runners are, left to right, Shelly Kasseckert, Kristi Lubahn, Rachelle Zuehlke and Melissa Braun.

Records Fall as Girls Place 3rd, Boys 5th in Conference Competition

The conference track meet at Kewaskum last week provided our Kewaskum community with plenty of excitement as trackers sprinted to "personal bests" and various records were broken.

KHS hurdle experts Marty Schulteis and Kristi Lubahn both captured first in their "specialties," the 100 and 300 hurdles. Lubahn broke her own school record last year with a new time of 48.3. Schulteis also placed 1st in the 300 m. hurdles and received no competition from teammate Ryan Degnitz, who because of an injury opted out of the race. Hopefully by saving himself he will be able to compete in regional competition, if the injury gets better. Chris Donath didn't run the 800 m. due to injury also, using the same strategy as Degnitz and hoping to be strong for Regionals. Weight man Jeff Taylor placed second in the shot and the discus with throws of 51'4 1/2" in the shot and 146'4 1/2" in the discus. Doug Mueller dashed to a fourth place finish for the boys to cap off their "placing" efforts.

Eight personal bests and two school records were broken on the girls 3rd place victory. The first place conference championship was decided on the last event of the night with New Holstein, Plymouth and Kewaskum within eight points of each other. Plymouth ended up winning after capturing a victory in the 1600 m. relay with New Holstein coming in second. Kewaskum could only produce a fourth place which didn't earn enough points.

Tina Weddig, who has been a consistent strength in the shot and discus ended her night with two personal bests; 34'4" in the shot for fifth place and 110'9 1/4" in the discus for third. Tammy Sabish also shot the discus 106'5 which was a personal best for her and captured her a sixth place finish. Pam Osterbrink jumped 5'0 in the high jump for first and said Coach Koth, "It's good to see Pam back at five feet as we go into regional

competition as she hasn't always been jumping at that height."

Other personal bests included Laurie Vogt in the 800 m. run with a time of 2.39 for fifth place; Nicole Doherty in the 400 m. dash with her personal best time of 65.7 which earned her a sixth place; Kristi Lubahn personal best and school record in the 300m hurdles with a first place time of 48.30, Melissa Braun and Lubahn both turning in personal bests and a 1-2 finish in the 200 m. run (the difference in 1st and 2nd place being 1 hundredth of a second). The two relay teams, 800 and 1600, also had personal best time with members Joy Braun, Zuehlke, Doherty, Jodi Batzler, Melissa Braun, Lubahn, Zuehlke, and Shelley Kasseckert. The girls put out a great effort and placed at least once in every event. Four first places were also captured in the meet by the girls.

Fishing in the Rain:

A rainy day often makes for better fishing. In fact, according to National Wildlife magazine, insects that are knocked into lakes and streams by wind and raindrops attract insect-eating fish, such as bluegills, luring them closer to the water's surface. Raindrops also break up the surface of the water, making it harder for fish to see the fishermen.
