Town of Wayne Hardest Hit By Last Week's Storm

The base was all that remained of a silo on the Bob Rauch farm on Sunset Drive in the Town of Wayne.

By GERRY MUELLER
Statesman Staff Writer

While last Wednesday night's rain was more than welcome, the storms which brought it were not. Luckily the destruction, which is estimated to run close to \$1 million throughout, was limited to property only, there were no injuries or loss of life in Washington County.

Hardest hit in our area was a stretch which ran along Highway H, from northwest of Highway 41, through the Town of Wayne, southeast to Badger Road, into the Town of Kewaskum.

Nine barns and at least one

machine shed were destroyed or suffered major damage along with lesser damage to homes and trees throughout the area.

Although it was not officially listed as a tornado, those who experienced the fury Wednesday said it was more than high winds. Barns on the farms of Tom Limberg, Highway H, Jerry Herman Highway W, Robert Rauch Sunset Drive and Bill Butzlaff on Badger Road, were among those leveled in the storm which went through about 11:40 p.m. A silo on the Rauch farm was broken off like a snapped match stick, sending the rings flying into fields.

A neighbor of Rauch's said,

"I don't care what some people say, this was more than a big wind. One of Bob's wagons, parked several hundred feet from the barn, was picked up and slammed into the milkhouse, rolled up the roof, through a barn wall and into the barn."

Bill and Carol Butzlaff were thankful the storm didn't hit any later. "We were expecting a truckload of 42 cattle," said Butzlaff, "we were planning on putting them in the barn and if the storm had come just a little

'Price is Right' to Air June 9

Pam Heberer Wins On Game Show

By GERRY MUELLER
Statesman Staff Writer

Pam Heberer of Milwaukee called her parents Bill and Judy Heberer of Kewaskum, Monday, to let them know she had been a winning contestant on the game show "The Price Is Right," in California this week.

Heberer and her roommate are vacationing out west. Bill Heberer said his daughter and her friend had hoped to get on the show but were not sure how successful they would be. Knowing Pam though, she tried as hard as she could to make it, her father noted. "Pam told us she was among 300 prospective contestants who were interviewed for the show. She and her friend spent eight hours at the studio waiting to be interviewed and Pam was the second last contestant chosen," said Heberer.

Pam earned a chance to go on stage with the show's host Bob Barker where she won over \$4,200 in prizes. The show is scheduled to air in our area next Friday, June 9th.

KHS Musicians Compete at State

On Saturday, May 6, a busload of musical Kewaskum students traveled to UW-Madison for the State Solo-Ensemble Contest. These students had earned the right to state by receiving starred first ratings in Class A at the conference contest on February 18.

The results from the state contest are:

Firsts — Angie Schoofs - vocal solo, Ingrid Ankerson and Angie Schoofs - vocal duet, Curt Ammel and John Hazlewood - alto saxophone duet.

Seconds were received by Jeff Brigham - Vocal solo, Mike Heberer, Corey Oppermann, Don Ritchie and Ira Sison - trumpet quartet; double trio and the Swing choir.

The Barbershop quartet received a third. These young people should be commended for their excellent achievements in music at Kewaskum High School.

(photos on page 10)

Announce Picnic Parade Theme

The Kewaskum Fire Department and Legion have announced the parade theme for this year's picnic which will be held July 8th and 9th. The theme is "The Last of the 80s." The parade will be held at 12 o'clock noon on Sunday.

Now is the time to start thinking and planning an entry for the parade. Businesses and organizations, as well as children's specialties are urged to participate. Let's make this year's parade really super.

Henzi Graduates From Seminary

Pastor Ross W. Henzi

Pastor Ross W. Henzi, 251 Clinton St., Kewaskum, is a recent graduate of Wisconsin Lutheran Seminary, Mequon, Wisconsin.

Pastor Henzi holds a Bachelor of Arts degree from Northwestern College in Watertown as well as a Master of Divinity from the seminary. He has now accepted a call to serve Trinity Ev. Lutheran Church in Brillion, Wisconsin, which is a member of the Wisconsin Evangelical Lutheran Synod (WELS).

Pastor Henzi served St. Lucas Ev. Lutheran Church, Kewaskum, last year as part of his seminary training.

Pastor Henzi and his family will reside at 238 W. Water St., Brillion, WI 54110.

Anthony Strigenz Receives Doctor of Medicine Degree

Dr. Anthony Strigenz

A Kewaskum resident was among 173 students to receive a Doctor of Medicine degree from

the Medical College of Wisconsin, Milwaukee, at commencement ceremonies, Sunday, May 28, at Milwaukee Exposition and Convention Center and Arena (MECCA).

Anthony Strigenz, M.D., is the son of Dr. and Mrs. Anthony Strigenz, 9409 Moraine Dr., Kewaskum. He will serve a residency in anesthesiology at the University of Wisconsin Program.

Dr. Strigenz received a bachelor of science from UW-Milwaukee in 1985. He is married to Diane Eau Strigenz.

The Medical College of Wisconsin is a private medical school based on the campus of the Milwaukee Regional Medical Center. The Medical College ranks in the top third of all American medical schools in research grant support, receiving more than \$30 million annually in research funding.

Compete at State

[Continued from Page 1]

The trumpet quartet, including, left to right, Ira Sison, Don Ritchie, Mike Heberer and Corey Oppermann received a second at state.

Curt Ammel (left) and John Hazlewood (right) took first at state with their saxophone duet.

Students Receive Associate Degrees, Certificates at UWWC

Sixty-six students from 18 communities were awarded associate degrees or certificates in science and arts May 26 at the University of Wisconsin Center — Washington County.

Forty-eight of the recipients completed work on their awards during the 1989 spring semester; 18 students qualified at the end of the fall semester last December.

Qualifying for the degrees and certificates signifies a student has completed the freshman and sophomore years at the University of Wisconsin by earning at least 60 credits, balanced across all academic disciplines.

Students receiving the awards, grouped by area communities and the month they qualified for a degree or certificate, are:

MAY 1989

CAMPBELLSPORT:

Associate of Science: Virginia Tucker; Associate Certificate: Randy Delcore;

KEWASKUM: Associate of Science: Michele Becker and Mark Follmann, Christine Kirchner, Susan Survis and Bob Yahr; Associate of Arts: Kevin Geldreich;

WEST BEND: Associate of Science: Laura Bastian, David Brimble, Kristine Buettner, Amy Butts, Michelle Coutley, Jeffrey Faber, Amy Flasch, Anthony Kafura, Sherrie Mikkelsen, Sharon Newcomer, Michael O'Connor, Philina Spaeth, David Stadel, John Stowers and Deborah Wilke; Associate of Arts: Jayson Pearl, Michelle Retzlaff, Daniel Schulz and Michael Stoffel; Associate Certificate: Rita Filo and Rebecca Walsh.

DECEMBER 1988

ADELL: Associate of Arts: Jennifer Wulff;

KEWASKUM: Associate of Arts: Gina Jones;

WEST BEND: Associate of Science: Marielle Becher, Silin Tan and Jeffrey Walters;

Associate of Arts: Elizabeth Collins, Patricia Dorn and Mary Ann Hupfer.

VIETNAM VETERANS TO HOLD SOFTBALL TOURNAMENT IN JUNE

Vietnam Veterans of America Chapter 448 is having its First Annual Class D Softball Tournament June 16, 17, and 18 in Fillmore.

Anyone interested in playing, call Bob Piaro 692-2092, or Ed Lukaszewicz 338-2607. It is open to the public.

Graduate of Southern Cal

The University of Southern California in Los Angeles, California, held commencement exercises on Thursday, May 11, at Alumni Park on the USC Campus. Residing over the ceremony was James H. Zumberge, President of the University.

Among those graduating was Scott A. Prost-Domasky with a Master of Science degree in Aerospace Engineering. Scott was one of thirty-three candidates receiving that degree from the College of Engineering.

While at USC, Scott earned a 3.8 grade point average, on a 4.0 scale, and was involved in the experiments and writing of three papers, one of which was given at a scientific conference in France last year.

A 1979 graduate of Kewaskum High School, he is the son of David and Marlene Domasky and the son-in-law of Willard and Dolores Prost, all of Kewaskum.

Receive Degrees

Seventy-six University of Wisconsin Center - Fond du Lac students received Associate Degrees at the Honors and Commencement program held Sunday, May 21, in the Student Center.

Donald Jones, president of Star Cablevision in Fond du Lac, addressed the audience. His topic, "Steppin' into the Nineties," was very appropriate for the association degree candidates, because it set up the theme that the students must live by in order to compete with other students their age. Jones noted that their competition is not only American students but those from around the world.

Jones encouraged the students to become entrepreneurs, but he reminded them that they must be willing to change. "It's not the person who likes to spend money that makes it big, it's the entrepreneur who enjoys his

creativity and uses money as a means to measure his success," noted Jones.

Area students who received Associate of Arts Degrees for the 1988-89 school year are: Campbellsport — Troy Ketter and Karen Osterman. Cheri Stoffel received an associate of Science Degree.

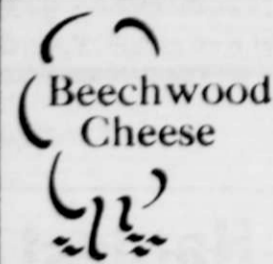

Terry Henning, Campbellsport, received the Natural Sciences and the Outstanding

Achievement in Engineering Sciences awards.

Student Government Service Award went to Cheri Stoffel of Campbellsport.

The Outstanding Performance in Drama Award was presented to Kelly Nitz of Campbellsport.

Cheri Stoffel, president of the student government, was the Mistress of Ceremonies.

Village of Kewaskum NEWS NOTES

The Village Board would like to remind the residents of the Village of a topic covered in the Village's Municipal Code. The topic is covered in Chapter 10, Public Nuisances and Chapter 14, Public Health and Welfare; we shall refer to this problem as a health hazard. The Village has undertaken several steps to improve the clearwater (storm water) discharge in the entire community, but yet people are not cooperating. We find that people cut their grass, discharging it on to the street or catch it just to jump it in a designated clearwater collection point to help plug up and eventually cause water to back up during certain times of the year. The Village would ask that all residents keep their grass

Student Immunization Records Available to Graduating Seniors

Because of outbreaks of vaccine-preventable diseases in the past several years students are required to show proof of immunization records for entry into post-secondary education or employment purposes. These records will be available in the guidance office to anyone interested for future use. We will hold these records until August 31, 1989, and if not picked up at that time, they will be disposed of.

Tip**

From Tom Kennelly

CHOKING

When choking on food or an object, and if alone, quickly lie across a bed, chair, or table, with the head lower than your chest - gravity will then work to help dislodge the object. When in an upright position, gravity tends to keep the object stuck in the throat - despite slaps on the back or the Heimlich treatment - whereas in the upside-down position, gravity works to dislodge the obstruction.

We wish you good health

3 Unleaded Detergent Gasolines

Mobil is introducing a new grade of unleaded gasoline in your market. The new product will be called Special Unleaded and replaces Leaded Regular.

In addition, the other grades will be renamed. Unleaded will become Regular Unleaded and Super Unleaded will be named Super+ Unleaded.

The new line-up at a glance:

Now	Octane	Before	Octane
Regular Unleaded	87	Unleaded	87
Special Unleaded	89	Regular (leaded)	89
Super+ Unleaded	93	Super Unleaded	92

Mobil's new 89 Octane, Special Unleaded, is designed to satisfy the octane requirements of older cars and trucks running on leaded gasoline.

In addition, some drivers currently using 87 Octane may prefer the higher octane of the new 89 Octane Special Unleaded.

All grades of our unleaded gasolines are formulated to keep carburetors and fuel injectors clean.

Mobil's Super+ Unleaded has high octane, plus an advanced detergent formula, for rapid clean up of both carburetors and fuel injectors, and for keeping intake valves clean.

Memorial Day Parade, Program Dampened by Rain

The Kewaskum High School band participated in the annual Memorial Day parade on Monday, as well as Legionnaires, Fire Department members, Boy Scouts, Girl

Scouts, 4-H, etc., despite a slight rainfall.

During the program held on the Legion grounds, the rain subsided somewhat. The Memorial Day address was

delivered by LeRoy P. Kopecky, Kewaskum High School Principal and a Vietnam veteran.

A nice crowd attended the program, although the weather was cool and rainy.

West Bend Freeway Road Construction Begins

Road construction is expected to start the week of May 29, on the reconstruction of the second roadway on the West Bend Freeway (USH 45), from STH 145 to CTH "D", in Washington County. The work will consist of placing base course, concrete paving, and signing and marking work necessary to complete the four-lane freeway.

The base course and paving work will be performed under two contracts let to Roddie E. Beaudoin and Son, Inc. of Menomonee Falls, at a total cost of \$5,086,140.00. The signing and pavement marking work will be performed under a contract let to Century Fence of Waukesha, at an estimated cost of \$255,330.00.

Financing will be shared on approximately a 76-24 percentage by the Federal government and the State of Wisconsin, respectively, from funds provided primarily by gas taxes.

USH 45 will remain open to two-way traffic on the existing pavement and temporary pavements during construction operations. Both southbound ramps at STH 60 and the southbound "on" ramp at Paradise Drive will be closed for about one month at each location. The southbound "off" ramp at Paradise Drive and both southbound ramps at STH 33 will remain open to traffic

during construction. The southbound ramps at Pleasant Valley Road will be closed to traffic for the duration of the project. Two-way USH 45 traffic will be directed off of existing USH 45, onto CTH "D," and back onto USH 45 via the ramps at the CTH "D" interchange. Traffic on CTH "D" will be able to gain access to USH 45 at the ramp intersections. Motorists are urged to use caution in the construction zone.

It is anticipated that this project will be completed by the end of October 1989.

Offer Free Blood Pressure Screening

The Community Health Nursing Service Cardiovascular Risk Reduction Program, in cooperation with the American Heart Association, is offering free blood pressure screening at the following sites during the month of June.

June 10th - West Bend Fire Department, 320 N. 7th Avenue, 1 p.m. - 4 p.m.

June 24th - West Bend Fire Department, 320 N. 7th Avenue, 1 p.m. - 4 p.m.

Questions about the program may be directed to Doris Dauer, Coordinator, at 338-5274, 644-5204 or 342-2929 (toll free, ext. 4707).

Regal Restructures Corporate Management

Robert S. Zarling

Jeffrey A. Reigle

William J. Cullen

Allen C. Koepke

James G. Moran

Kewaskum, Wis. — Regal Ware, Inc. has announced a major restructuring of the company's management, designed to meet the challenges of the nineties and beyond.

Robert S. Zarling has been promoted to the newly created post of Executive Vice President - Direct Sales. He is responsible for franchise and contract direct sales, export sales, plus the Saladmaster, Club Water-masters and Kitchen Fair subsidiaries. Zarling, a 29-year company veteran, has previously served in managerial capacities in direct sales, general sales and most recently as Senior Vice President - Sales/Marketing. A graduate of the University of Minnesota, he is also a U.S. Air Force veteran and active in the Cookware Manufacturers Association (CMA). In making the announcement, company president James D. Reigle stated, "This segment of our business has been growing by leaps and bounds and the time has come to bring it together under one-executive."

Jeffrey A. Reigle has been named Executive Vice President - Housewares and will continue to serve as Secretary of the corporation. He assumes responsibility for general sales and marketing. Reigle, a graduate of Carroll College, Waukesha, joined the firm in 1973 and served in a variety of sales and management posts, most recently as Vice President - Sales.

William J. Cullen has been named Executive Vice President - Manufacturing. In this newly created position he is responsible for all plant management, corporate purchasing and corporate engineering. Cullen is a graduate of Western Michigan University and joined Regal in 1970. He recently served as Vice President - Production and earlier had been in charge of the company's Wooster, Ohio division.

At the same time Allen C. Koepke has been elevated to Senior Vice President - Finance and will continue to serve as Treasurer of the corporation. Koepke is a graduate of UW-Madison and has an MBA from UW-Milwaukee. He joined the firm in 1968 and most recently served as Vice-President - Finance.

James G. Moran has been elevated to Senior Vice President - Human Resources. He is a graduate of UW-Whitewater and came to Regal in 1973. Moran has held a host of

personnel-related positions, most recently that of Vice President - Human Resources.

William G. Crooker has been named Senior Vice President - Corporate Development. In this newly created post he will be responsible for the company's Latin American joint ventures and all offshore sourcing, in addition to special assignments. A graduate of Iowa State University, Crooker joined Regal in 1971 and most recently served as Senior Vice President - Manufacturing.

Focusing on the company's position in the marketplace, Kim T. Peterson has been named to the newly created position of Vice President - Marketing. His responsibilities include advertising, marketing services, consumer service and the company's retail stores. Peterson is a graduate of The Ohio State University and received his MBA from Georgia State University. He previously held various sales - related positions and most recently served as Vice President - Regal

Concepts Division.

According to Regal president, James D. Reigle, "The restructuring was prompted by accelerated growth. These moves will better utilize management talents and enhance our potential for the future without compromising our long-standing commitment to provide maximum service to our customers."

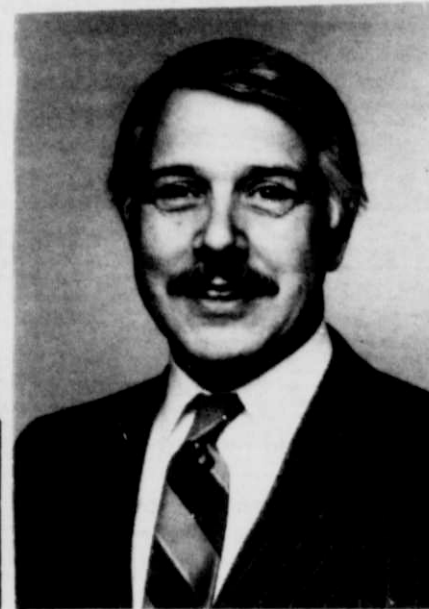

Regal Ware, Inc. is a multi-plant housewares manufacturer with corporate headquarters in Kewaskum, Wisconsin.

Boltonville's 'Rain Days' Kicks Off Picnic Season

The Boltonville Fire Department's Annual "Rain Days" signaled the beginning of the '89 picnic season. Good weather for the three-day celebration belied what was in store for area residents in the form of torrential rains which arrived Monday night. The Kewaskum Indian Princess Twirlettes were one of several groups who participated in the parade.

Antique cars and trucks are always of interest to parade-goers.

Angela Brath to Attend State's First Teacher World Conference

MADISON — "Come and shape the future."

That's a hard invitation to turn down. And it's an invitation accepted by more than 100 Wisconsin high school sophomores who will be part of the state's first Teacher World conference to be held on the campus of the University of Wisconsin - La Crosse, June 18-24. A Teacher World program for Wisconsin teachers will be held on the same site from June 15-18.

At Teacher World students will explore the benefits, opportunities, and possibilities available to them when they choose a career in education. Angela Brath of Kewaskum High School will be one of the students participating.

According to State Superintendent Herbert J. Grover, "The goal of Teacher World is to attract talented young people into the teaching profession to help ensure that Wisconsin will have the skilled

teacher corps it needs for the 21st century."

The Department of Public Instruction selected the students based upon recommendations from public and private schools. Motivation and leadership skills were among the criteria used in the selection.

While at the conference, Teacher World participants will work in groups of 10-12 under the guidance of a Wisconsin teacher. They'll discuss issues in teaching, plan and teach actual lessons, and explore the challenges and rewards available to those entering careers in education.

In addition, they'll receive assistance in planning their college studies, discovering what's required to get into Wisconsin's teacher preparation programs.

Grover added, "We look forward to the future of the Teacher World program. This first conference provides an

enthusiastic beginning and sets the stage for even larger conferences in the years ahead — events that will influence and encourage Wisconsin's future educators."

The first Teacher World conference will be held in cooperation with the University of Wisconsin - La Crosse and the Greater La Crosse Area Chamber of Commerce.

Zion Lutheran Church to Present Video Series For Parents of Teenagers

Statistics show that more than 50% of American teenagers between 15 and 19 have had sexual relations. Teenage pregnancy and sexually transmitted diseases are vital concerns, with abortion

or even suicide as potential consequences. Parents often feel that they are powerless to intervene, but there are ways parents can help to prevent premature sexual involvement.

"How to Help Your Child Say 'NO' to Sexual Pressure" is an eight-session video seminar for parents of teenagers and preteens. It will be presented at Zion Lutheran Church, 6438 Hwy. D on the following Monday evenings, 8 to 9 p.m.: June 5, 12, 19, 26 and July 10, 17, 24, 31.

The video features Josh McDowell, well-known Christian speaker to high school and college young people. Topics covered include: why young people become sexually active, how to help them stay out of potential pressure situations, building self-esteem and the ability to say no, and

how to reinforce positive influences, as well as valuable information and practical help in many other areas. For more information, call 629-5914.

61% of Wisconsin's dairy herds are on farms producing Grade A milk.

Kettle Moraine Lutheran High School Graduation Held for 63

The 1989 graduation exercises were held in a special service at Kettle Moraine Lutheran High School on Sunday, May 28, at 2:00 p.m. The service was held in the high school gymnasium. Pastor Roger Schultz, Principal, served as liturgist, and Pastor Daniel Westendorf was the speaker.

The Valedictory address was given by Erik Munson, son of Mr. and Mrs. Carl Munson of Kewaskum. The Salutatory address was given by Jay Leberecht, son of Dr. and Mrs. Bruce Leberecht of West Bend.

The members of the Kettle Moraine Lutheran High School Class of 1989 are:

David Anderson, Jill Bartholomew, Alexandra Berg, Jay Borns, Jennifer Bublitz, Joseph Bublitz, Tyler Carpenter, Douglas Ciriacks, Gregory Collyard, Sheryl Eller,

Brian Farrow, Philip Filber, Amy Fischer, Timothy Fischer, Carol Geidel, Michael Grulke, Angie Hafemeister, Mark Heckendorf, Susan Henckel, Shannon Hess, Jonathan Jensen.

Area Students Take Part In UWWC Music Night

Forty-four students from 12 communities performed here May 18 in the spring semester Music Night at the University of Wisconsin Center — Washington County.

The students are enrolled in music classes taught by Peter Ayer, a professor of vocal music at UWWC, and Albert Asch, a professor of instrumental music at the freshman-sophomore UW center.

Ayer's 19-member fundamentals of music class led off the program in the UWWC Union theatre by performing five numbers including Beethoven's "Symphony No. 9," "Drink to Me Only with Thine Eyes" and "Amazing Grace."

Fundamentals class members, by communities, are: Cedarburg: Marcia Koch; Hubertus: Mike Wilkinson; Jackson: Pamela Nunez; Kewaskum: Timothy Kaufmann, Joyann Steinle, Susan Survis and Debra Wilson; Neosho: Heidi Nelson; Port Washington: Robert Berthiaume; Saukville: Jean Murphy; West Bend: Tracy Dengel, Shawn Erickson, Nancy Grimm, Kristin King, Kurt Leberecht, Laura Maley, Arlene Mueller, Gail Mueller and Diane Rizzardi.

Asch's instrumental groups took the stage for the middle part of the program. His brass ensemble played "Chorale and Alleluia" by Bruckner and "Surrey with the Fringe on Top" by Rodgers.

Asch on oboe and his wife Anna, a piano instructor at UWWC, joined with violinist

Amy Nordbeck of Cedarburg on Bach's Concerto in d, 2nd Movement."

Two West Bend ensemble students, Ericka Koeller and Kelly Simpson, played "Bel Temp Che Vola" by Lully. Michell Mattice of Allenton performed "Vol Che Sapete" by Mozart.

Asch's 10-member jazz ensemble played "Basso Profundo" by Albam, "Pachyjam" by Class and "Watermelon Man" by Hancock. Ensemble members are: Grafton: Christopher Duwe; Jackson: Christopher Fulton, Jay Heppe and Lee Heppe; Port Washington: Tracey Paape; West Bend: James Beine, Doug Fahrendorf, Randy Rady, James Simmons and Michael Tennier.

Ayer's 15-member vocal ensemble class closed the program with five numbers: "All Ye Who Music Love" by Donato, "O Bella Fusa" by Lasso, "Walk a Little Slower, My Friend" by Besig, "Teach Your Children" by Nash and "Londonderry Air" arranged by Frackenhohl.

Ensemble members are: Allenton: Michelle Mattice; Fredonia: John Wheeler; Grafton: Mark Uselman; Hartford: Mark Koehler; Jackson: Amy Loeffler; Port Washington: Nancy Mulvany; Saukville: Kevin Crandall; West Bend: Gregory Butler, Doug Fahrendorf, Erika Koeller, Kurt Leberecht, Julie Peterson, Randy Rady, Danielle Rogne and Kelly Simpson.

UWWC Professor Cleek Has Article Published in 'Human Biology'

WEST BEND — The journal "Human Biology" has published an article researching a possible link between surnames and cancer genes, written by a professor at the University of Wisconsin Center — Washington County.

Richard Cleek, an associate professor of cultural geography and computer science at UWWC, said he was pleased to see his article in the April issue of the publication. "The journal has done a lot on genetics," he said, "and takes innovative approaches in that area."

Cleek's data was drawn from records of all cancer deaths in the State of Wisconsin from 1979 through 1985 — about 40,000 cases. He used a small grant from the UW Centers, an association of 13 freshman-sophomore campuses, to purchase a computer tape from the Department of Health and Social Services.

"Then what I did," he said, "was to compare the frequency of certain names among the cancer patients against a control population of non-cancer deaths. Clearly there are some names which occur much more frequently or much less frequently than you would expect."

Cleek said his initial reflections on the findings indicate that "in the sense that name expresses genes, then it's evidence for a strong genetic component of some of those cancers, especially in male and female leukemia." Male lung cancer is another area

displaying strong genetic factors, he said.

And Cleek sees another factor which he said he feels "is going to turn out to be most important — strong evidence for tumor-suppressing genes, which may operate across most cancers."

In his abstract on the article, Cleek said, "Clustering of surnames across cancers evinces a number of Wisconsin surnames that may be involved in a cancer family syndrome." Cleek has taught at UWWC since 1971. He and his wife Margaret, an associate professor of psychology at UWWC, live near Kewaskum.

Sponsored By Christian Mothers

WEST BEND — A new resource clearinghouse opened in West Bend this week. Northbrooke Center — West Bend is the name of the outreach center that will link callers with emotional, family or substance abuse problems, to the appropriate community resource. The Center is located at 1305 Chestnut Street, at the intersection of Silverbrook and Chestnut, and can be reached by calling 334-CARE (334-2273).

"Northbrooke Center — West Bend is not a therapy clinic," says William H. Edmiston, director of outreach services. "We've come to West Bend to provide what we feel is a very valuable and needed service. Northbrooke Center will offer a 24-hour resource and referral service for all area residents. Calling our number, 334-CARE, is all it takes."

According to Edmiston, Northbrooke Center intends to serve as an adjunct to the many quality therapy services already offered in the community.

"Washington County already has many fine therapy services available," Edmiston pointed out. "But what we've discovered is that, whether the problem is a crisis or has been going on for a long time, most people don't know where to start or who to turn to. When they or someone they care about has a problem, that's where Northbrooke Center — West Bend can help."

Whether the problem is

emotional, behavioral, drug-related, a family conflict or even poor school performance, the staff at Northbrooke Center will assist in determining precisely the type of help needed, then put the caller in touch with a highly qualified professional from the Center's resource network.

"The network of community professionals we've assembled is experienced in solving problems of all kinds," Edmiston said, "no matter how big or small they may be. The important thing to remember is that nobody has to face a problem alone. Sometimes, just picking up the phone and calling a resource like Northbrooke Center is the first step towards a solution."

"Sometimes, the individual with a problem doesn't seek help until a crisis is reached," Edmiston explained. "When that happens, professional help or intervention is needed immediately. When a caller has a crisis situation, a call to Northbrooke Center will ensure that they get help quickly to overcome immediate need."

Northbrooke Center — West Bend is the first of several planned outreach centers that will be opened by Northbrooke Hospital of Milwaukee, an 80-bed psychiatric hospital currently under construction in Brown Deer. The hospital is one of 54 institutions in 27 states owned by Psychiatric Institutes of America and will open in early June.

the meeting.

The next meeting will be June 1st at 7:00. Hope to see you there!

Any 4-H member interested in marching in the Kewaskum Memorial Day parade please meet at the high school that morning.

Reporter,
Joanne Lemke

Cholesterol, Blood Pressure Screening Offered at West Bend

Cholesterol screening and blood pressure measurement will be offered to West Bend area residents by the Community Health Nursing Service Cardiovascular Risk Reduction Program. Screening tests will be available once a month at the Washington County Court House, 432 E. Washington.

Screening schedule: June 22nd beginning at 9:30 a.m. in room 243.

Blood Pressure and Cholesterol screening will be done **BY APPOINTMENT ONLY**. Cholesterol screening will be done for a charge of \$5.00.

To schedule an appointment for cholesterol and/or blood pressure screening, call 338-4707 or 644-5204 or 342-2929 (toll free, ext. 4707).

Cudnohoske - Treptow

Wallace and Jeanette Cudnohoske, 208 North Ave., Kewaskum, are pleased to announce the engagement of their daughter, Jeanne Lynn, to Earle Donald Treptow, son of Donald Treptow, 939 Myrtle Lane, Green Bay.

The future bride is a 1986 graduate of Kettle Moraine Lutheran High School, Jackson. This fall she will be a senior at

UW-Madison, where she is majoring in psychology.

Earle is a 1985 graduate of Northwestern Preparatory School, Watertown, and a 1989 graduate of Northwestern College, Watertown. This fall he will attend Wisconsin Lutheran Seminary, Mequon.

The couple is planning a June 16, 1990 wedding.

4H 4h news.....

KEWASKUM 4-H

The meeting was called to order by Michelle Etta at the community center at 7:00, May 4, 1989. The Pledge of Allegiance was led by Christine Schmidt. The 4-H pledge was led by Marlo Deshotels. Willa Marshall read the secretaries report. Missy Radtke and Jenny Johnson approved it. Michelle Etta read the treasurer's report. Wanda Zauters and Amy Johnson approved it.

Old business Missy Radtke talked about the Admirals game. Lynn Johnson talked about planting trees. Michelle Schaub talked about the poster and speaking contest. Wanda Lauters talked about how our window display is doing.

New business - dairy breakfast on June 10th from 6:30 - 11:30 a.m. at Mark and Betty Pamperin's Farm, 7850 Midland Drive, Allenton. Pancakes, all you can eat for \$3.00, children under 5 free. If you would like to help out in this event please contact Diane Lemke.

Day Camp will be on Fantatic Friday, for ages 5-11 years old from 7:30 - 3:00 p.m. on either June 16th or 23rd. Cost is \$2.50 which includes lunch and program costs. Camp is held at Glacier Hills Park near Holy Hill.

A fun day of activities is the Noah's Ark trip on Friday, June 16th. Cost is \$2.50 for members and \$7.95 for non-members. Members will receive their money the day of the trip for spending money, if needed. The trip is on a first come, first

served basis, members and their families first. If there is any extra room guests may be invited.

The County Demonstration Contest will be on June 21st at 6:00 p.m., room 119 at the Courthouse in West Bend. The registration form is in your May Cloverline.

On June 28th the Food Revue will be at the Paradise Mall for all members enrolled in the food project.

Sign up for the refreshment stand at the County Fair. We need one adult leader and 4-8 members or two club families to serve the stand for a three to four hour shift. This will be discussed at the meeting and the time slot decided upon to be sent into the extension office.

The Explorers and Cloverbud meeting will be on Tuesday, May 9th at 6:30 p.m.

at Schaub's residence, 310 3rd Street, Kewaskum near the Elementary School. Sara Lemke and Michelle Schaub will be the youth leaders for the remainder of this project year. We will be making a Mother's Day gift which can also be used as a fair entry.

A special thank you to all who helped plant trees on Sat., April 29th. We all had a great time and enjoyed a good lunch provided by Wings Over Wisconsin and Mrs. Schneider.

Refreshments for the June meeting on June 1st are the Jagelski and Deshotels family.

Missy Radtke got voted in for being the clubs new treasurer.

Jenny Jeigelski and Sara Lemke made a motion to close

Hit By Last Week's Storm

Friends and neighbors helped clear away debris and tried to salvage feed on the Tom Limberg farm on Hwy. H.

Debris from a machine shed on the Jerry Darmody farm on Hwy. H, was strewn about the farmyard like pieces of cardboard. Metal from the shed was found in neighboring fields almost a mile away.

A large tree on the Jerry Herman farm, Hwy. W, narrowly missed the house when it was felled in last Wednesday night's storm but it did land on top of a car parked next to the home.

The Bill Butzlaff barn on Badger Road nearly became a death trap for a truckload of cattle which, luckily, arrived after the storm had hit.

Statesman Photos by Gerry Mueller

Like the Morton Salt Slogan... 'When It Rains, It Pours'

Area Hit By More Drenching Storms

By GERRY MUELLER
Statesman Staff Writer

Farmers and gardeners have been hoping for some much-needed rain to come soon, but they didn't expect, or want, so much at one time.

The rains that began Monday night and continued through Tuesday, dropped approximately 4½ inches of rain in less than 24 hours. And now that it's started, there apparently is no end in sight for the balance of the week. Weather forecasters are predicting the front which has brought the deluges will remain fairly stationary over the area for the balance of the week.

While Kewaskum area farm

fields were flooded and the river and creeks rose considerably, residents were spared the severe flooding conditions which hit the Fond du Lac area.

It looks like Boltonville's "Rain Days" weren't off by much.

ABC CLUB SKAT RESULTS

Kewaskum Students Winners In CLUES Art Contest

Mrs. Peggy Henke, Kewaskum School District Elementary Art Instructor, and CLUES art contest winners, left to right, Andy Palmer, Jody Schmidt and Josh Gaffke.

Photo by Gerry Mueller

By GERRY MUELLER

The Cedar Lake United Educators Council has announced the winners in its recent "My School" poster contest.

The Kewaskum School District had three of the ten winners which were selected from a field of 190 entries from Kewaskum and neighboring area school districts. First place winners were Josh Gaffke, son of Mr. and Mrs. James Gaffke, a second grade student from Kewaskum Elementary School, and Jody Schmidt, daughter of Mr. and Mrs. Dean Schmidt, third grade and Andy Palmer, son of Mr. and Mrs. James

Palmer, fourth grade, from Farmington Elementary School.

The students each received a check for \$50.00 as the prize for their posters depicting their favorite part of school. Their artwork will be framed and displayed in the council's Board Room as part of its permanent collection of student artwork. A brass name plate will be attached to the frame identifying the student artist, his or her school and their grade.

Mrs. Peggy Henke, Elementary Art Instructor, submitted entries from all the district's elementary schools.

Safari Planning Underway at Library

"Super Summer Safari: Make Books Your Big Game" is the theme of the 1989 Summer Library Program to be held at Kewaskum Public Library. A series of five programs will include a variety of activities to encourage reading for children who have completed K thru 4th grades.

"Super Summer Safari" programs will be held on June 14, 21, 28, July 12, and 19th from 1 p.m. to 2 p.m. This statewide program is sponsored by the Department of Public Instruction in order to encourage year round reading.

The Milwaukee County Zoo has provided free admission coupons for all "Super Summer Safari" participants. All children who read 10 or more books during "Super Summer Safari" will be awarded prizes, certificates and an invitation to a special Safari Party on July 26th.

Registration will be on June 2nd, 5th, 7th and 9th. For more information phone 626-4312 or visit the library at 206 1st Street. Library hours are Monday and Wednesday Noon to 8 p.m. and Friday Noon to 6 p.m.

Conference Literary Magazine Available from KHS

Eastern Wisconsin Conference literary magazine coordinator Lori Telschow proudly displaying "The Menagerie" put together at KHS.

The Eastern Wisconsin conference's 2nd literary magazine is "out" and available in the Kewaskum

community.

The magazine is called the "Menagerie" and is a collection of poetry and writings from the seven conference schools around the area.

Each school has a representative who is in charge of six pages of the book and the various English departments pick the best of their school. The writers who end up being selected are honored at a luncheon in their honor and receive the first copies of the book.

KHS was in charge of putting the book together this year and said coordinator of the book, Lori Telschow, "I actually enjoyed the job because as I worked, I often stopped to read a different poem or story." Telschow was impressed with the quality of writing represented in the book. "The kids have done an excellent job of sharing," she stated.

The booklet is available at various community businesses or at the school office. Enjoy a copy today.

Area Students Honored At Moraine Park Banquet

More than 150 students were honored at Moraine Park Technical College's annual Student Awards Banquet held May 2 at the Fond du Lac campus.

The following area students were inducted into Who's Who Among Students in American Junior Colleges: Tami J. Vetter of Kewaskum; Jacqueline Weiland of Campbellsport and Tanya M. Williams of West

Bend.

The following area students received Meritorious Service Awards: Carol A Corgait, Joell E. Dienberg and Kristi R. Twohig of Campbellsport; Sally Deniston, Mary B. Hasenberg, Dianne A. Kohl, Vicki D. Koller, Shelly Luepnitz, Theresa Rickman and Patrick Van Wie of West Bend; Tamala B. Muench of Kewaskum.

A Great Turnout for KHS Awards Night

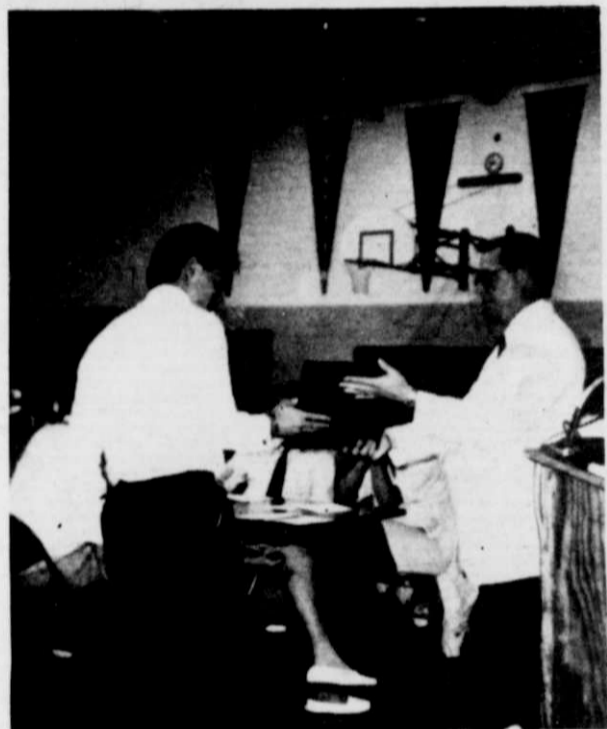

The Booster Club did an excellent job in making the Awards Night dinner a huge success, and deserve a big thank you along with the kitchen crew headed by Kathy Robinson.

Not enough can be said about senior Kris Follman, who despite a serious injury, fought back to become MVP in cross country. He is a great example of courage and the "never-say-quit" attitude fine athletes possess.

Senior Shannon McFadden "swept" the music awards receiving four out of four various music awards. Here she is receiving MVP for her performance in the musical from Dave Bertelsen.

Marty Schulteis, one of KHS's state hopefuls in track, receives the Allen Tessar Memorial Award from Coach Perry Koth.

Runner Laurie Vogt, sophomore sensation in the distance events in track was voted girls cross country MVP for her hard work and dedication. Coach Drexler presented the award.

Wrestling coach John Nell awards Bobby Castro the wrestlers MVP trophy and shows off his latest tie-dyed project in the process. What pants!

Kristi Lubahn, another track state hopeful, receives the Girls Track MVP. Kristi has 18 wins in the hurdle event, broken the school record and has yet to be beaten.

Over 300 parents, teachers, and students attended an Awards Night ceremony Wednesday night, honoring not only the athletes but scholastic achievements as well. Mistress and Master of ceremonies was Gina Olmsted and Bobby Castro kept the show moving and did a fine job. The Swing Choir also provided the audience with some great entertainment.

Senior Shannon McFadden made a sweep in the Music awards capturing the MVP in Instrumental Music, the Musical, Swing Choir, and Vocal Music. She proved to be an asset to all our music programs and has done an outstanding job.

Senior Bobby Castro received two awards for his fine contribution to Wrestling and the newspaper staff. Said Mr. Nell of Castro, "He's a fine, hard-working wrestler who I wish well in the coming years as I do all my wrestlers."

Senior Steve Gerhartz was voted MVP in a unique combination of basketball and art. It just goes to show you the many talents certain individuals possess, as Steve does can be combined and an outstanding job can be done in both.

The Allen Tessar Memorial Award went to two excellent athletes, Marty Schulteis and Jenny Schneider. Both these young people are fine examples that dedication and hard work do pay off as each continually strives to be the best they can

be. They are super "products" of KHS and two students we are extremely proud of. Jenny Schneider and Bobby Castro were also selected WIAA Scholar Athletes and Castro along with Schneider, again, hard-working, dedicated, very deserving of the award.

The rest of the MVP's and their Sport/Scholastic activity are as follows:

Boys Basketball — Steve Gerhartz; Girls Basketball — Pam Osterbrink; Girls Tennis — Jessica Rohrer; Baseball — Jeff Miller; Outstanding Artist — Steve Gerhartz; Cheerleaders — Tammy Sabish; Cheerleaders — Becky Schlosser; Chess Club — David Homuth; Forensics — Brenda Behling.

Gymnastics — Juli Swenarski; Football — Ryan Degnitz; Cross Country — Kris Foll-

mann; Girls Cross Country — Lori Vogt; Volleyball — Tina Weddig; Boys Tennis — Adam Miklas; Girls Track — Kristi Lubahn, and Kewaskum Statesman Journalism Award — Nicole Postuma.

The Kewaskum Indian Booster Club would like to give special thanks to: Kemps Dairy, KL Home & Hardware, Teachers, Coaches, Advisors, LeRoy Kopecky, Roy Esser, Tom Larsen, Larry Ammel - Booster Club Advisor, Rev. Berghammer, Jazz Band, Swing Choir, High School Secretaries, Kathy Robinson & High School Cooks and Keith Amundson - Graphic Arts Department.

Kewaskum Statesman. Classified ads really work.

Campus Notes

Outstanding College Students of America is pleased to announce Lisa L. Ebert has been selected as a new member because of outstanding merit and accomplishment as an American college student. Lisa is the grandchild of Mr./Mrs. Louis Ebert, Kewaskum.

Mental Health Center to Hold Open House June 2

St. Joseph's Community Hospital in cooperation with the Washington County Mental Health Center invites the public to visit the new Inpatient Psychiatric Program at an open house, June 2 from 10 a.m. to 1:00 p.m. Preceding the open house at 9:00 a.m. there will be an opening ceremony on the Psychiatric Unit. Featured guests include: State Senator Carol Buettner, Fred Bury, Executive Director of St. Joseph's Community Hospital, Dr. Todd Hammer, Medical Staff President, Reuben Schmahl, Chairman, Washington County Board of Supervisors, Gail Johnson, Mental Health Center Administrator, Rev. Richard Hoblin, Immanuel United Church of Christ, and Fr. Charles Walter, St. Frances Cabrini.

The new 19 bed unit is a cooperative venture between St. Joseph's and the Mental Health Center, and will provide acute mental health assessment and treatment and medically supervised detoxification from alcohol and other mood altering drugs. The treatment program will be directed by Dr. Marc Ritsema, Director of Inpatient services for the Mental Health Center, with nursing and other clinical staff employed by the Center. In addition to the new Inpatient Program, the Center operates its outpatient Family Education and Treatment

Program from clinic sites in West Bend, Hartford, and Germantown; Community Treatment Services for adults with need for long-term support related to psychiatric disorders; and the County's 24-hour mental health crisis line. The Mental Health Center is a division of the Comprehensive Community Services Agency (CCSA) of Washington County.

The addition of the Psychiatric Program increases the inpatient capacity of St. Joseph's to 128 licensed beds. The cooperative venture is structured through a Hospital/Center management agreement signed in January with an initial term extending through 1991. In addition to securing the license to operate the hospital beds, the hospital provides necessary support services for the center, including the space for the unit, dietary services, pharmacy, laboratory, medical records, patient billing, laundry, housekeeping and maintenance. Physicians on the hospital's active medical staff will provide consultation services to patients on the Psychiatric Unit to assure that physical health care problems are addressed as needed. Referrals for admission to the Psychiatric Program are anticipated for adults living in Washington County and in parts of Dodge and Ozaukee Counties.

JUNE COMMUNITY CALENDAR

SUNDAY, JUNE 4

Family Fun Night at Holy Trinity Parish Hall, 331 Main St., Kewaskum, at 7 p.m.

SUNDAY, JUNE 4

Annual family picnic will be held at Vista, located one mile north of Dundee. A barbeque chicken dinner (with huge salad bar and homemade desserts) will be served from noon to 5 p.m. Brats, hamburgers and refreshments will be available all day.

WEDNESDAY, JUNE 7

Rev. Hilton Griswold, Associate Pastor at First Assembly of God in Joliet, Illinois and host of the lighthearted inspirational music/drama television program, "Young at Heart," will be the featured guest at 7 p.m. at Calvary Assembly of God, 1110 E. Decorah Road in West Bend.

WEDNESDAY, JUNE 7

AARP Chapter No. 401, West

Bend Area Chapter, will hold its regular meeting at the Washington County Senior Center, 401 E. Washington St., West Bend, starting at 1 p.m. Those wishing to attend the Nutrition meal at the Center should make their reservation 24 hours in advance. Elaine Shanebrook, attorney, will speak on "Wills, Trusts, and Long Term Nursing Care Under the New Laws."

SATURDAY, JUNE 10

Community-Wide Rummage Sale, sponsored by the General Store Antique Mall, will be held from 8 a.m. to 5 p.m. throughout the Village of Kewaskum. Sign up by June 3, and get your home placed on the maps along with other village residents participating. Hundreds of buyers expected. For more information call 626-2885.

TUESDAY, JUNE 20

KRAZY DAZE IN KEWASKUM. 8 a.m. to ?? Participating merchants promise good bargains, special buys, clearance sales, sumptuous food, taste-tempting treats, thirst-quenching refreshments,

music, novelties, comradeship and fun. (No rain, please.) Shop the sales, fill your tummy, meet your friends (old and new), enjoy the music, relax and have a good time! It's only here, once a year... so don't forget, you'll miss it! (For more information, call Lana at 626-2626).

Any church group or civic organization is invited to submit their coming events for listing in this column, however, we do ask that you keep words to a minimum. (We also appreciate your advertising these events).

The skin on your body least sensitive to pain is that on your heel.

Varsity Club Boasts Accomplishments

Varsity Club Officers, left to right, Jenny Schneider, Debbie Donath, Shelly Kasseckert, Kris Follmann and Mike Heberer. They accomplished much for KHS and its athletic program this year.

Builders of the concession and press boxes include: front row, left to right, Tim Butschlick, David Yogerst, Eric Ebert, Curt Arndt. Second row: Dale Boyer, Chad Krahn. Back row: Todd Anderson, Dennis Aupperle, Mike Ciriacks, Chris Schmid and Brad Enright.

The Varsity Club has coordinated and accomplished much in the 88-89 school year, the biggest being two new press boxes constructed at the football field and the track field, with the football field press box, a combination press box top part and concession stand bottom part. With money donated from Key Club, FFA, FBL and the Booster Club along with the Varsity Club, this major project became a reality and the "Construction Skills" class under the direction of Mr. David Stradtman put up the actual structure.

Another contribution made to the school was the purchase by the Varsity Club of new conference banners in the fieldhouse, replacing the old ones that were beginning to age. The varsity club is also responsible for the new "wall of fame" in which many various athletes and accomplishments as well as "honored" awards will be displayed - memorial awards, conference championship plaques, plaques with all-conference or conference champion names from the year, and plaques for retired teachers with 20 or more years of service for the Kewaskum Athletic Program.

The Varsity Club is also responsible for the Senior Athlete banquet, they run concessions for all the athletic contests, they put together an athletic yearbook, they put the names up on the scoreboard, they sponsor spectator busses to athletic contests, they work with the weight room and the purchasing of new weight room equipment, and they promote Booster Club functions.

Said co-presidents, Mike Heberer and Jenny Schneider, "we're proud of our many accomplishments and feel the Varsity Club did a good job in helping out KHS athletics." Congratulations and thank you goes out to Advisor Perry Koth and the fine job his Varsity Club performed for KHS.

IN MEMORY

In memory of my dad, Gary "TUFFY" Wheeler, who passed away June 2, 1978.

On This Day... June 2, 1989.

On this day - I will graduate and begin a whole new life; Just as you began yours eleven years ago this same day.

On this day - I will open my eyes and see the world differently; Knowing deep down in my heart you'll walk with me silently.

On this day - I will remember the time together we shared; We had very little, just the two of us but I know that you cared.

On this day - you died and took a part of me with you;

But you gave me your strength to go on accepting all things anew.

On this day - I will begin again using the strength you gave to me;

I want you to know - I miss you and I will love you eternally.

Sadly missed this special day and always, your daughter, Lisa.

The first duty of friendship is to leave your friend his illusions.

IN MEMORY

In memory of Charles Dreher, who passed away twenty years ago, June 5, 1959:

We do not need a special day To bring you to our minds. The day we do not think of you Is impossible to find. So many things have happened Since you were called away. So many things to share with you

Never been left to say Some say time heals all sorrows But this we know is not true. Because long years have passed And our hearts still ache for you.

We love and miss you,

Earl, Minnie & family

IN MEMORY

In loving memory of Jessica Jean Flynn, who passed away seven years ago, June 2, 1982:

They say time heals all sorrow, And helps us to forget, But time so far has only proved, How much we miss you yet.

God gave us strength to take it, And courage to take the blow, But what it meant to lose you, No one will ever know.

Sadly missed by mother and family.

A NOTE OF THANKS

I like to thank everybody who gave me cards and visited me while I was in the hospital. Especially I would like to thank Tim and Chad for being there when I needed them. And for helping out the best they could. And to my parents who understood everything and for helping me through it all.

I would also like to thank Jerry, Jim and Karen at the Clothes Clinic for the delicious fruit basket. They're the best to work for.

I would also like to thank Tammy H. for talking to me on the phone the long hours we did to pass time and to take my mind off of other things.

If it wasn't for my friends I don't know where I would be.

Your Friend,
Scott

Peer Listener Conference Held at Kewaskum High School

A Washington County Peer Listening meeting took place at Kewaskum High School on Wednesday, May 10 in the cafeteria.

Leading the meeting were Larry Smolinski, Sandy Gunderson, and Marty Ison-Kocos from The Council on Alcohol and Drug Abuse of Washington County located in West Bend. Also at the meeting were advisors and peer listeners from Kewaskum, Slinger, Hartford, West Bend East, West Bend West, and Germantown.

The purpose of the meeting was to say goodbye to old members and hello to new members. Receiving special recognition for serving three years as a peer listener was Gina Olmsted from Kewaskum High School. She received three roses and a certificate from the council.

Another focus was looking at how much peer listening has grown since 1986. At that time only three schools had peer listening, Kewaskum, West Bend and Hartford. Kewaskum had four peer listeners then and now has 14 members. County wide in 1986 there were about

20 peer listeners and now there are about 95.

Every two months the listeners take turns meeting at each school. Usually there is a specific idea which the meeting centered around. Most of the time there will be a key note speaker, like on grief or things for personal growth to keep the peer listeners listening better.

Also at the meeting are "ice breakers" to help the listeners feel more relaxed and to get to know each other better. Plenty of food is supplied.

Kewaskum advisor John Baitinger, said that it was nice to see that there are so many people caring about others. He also felt that it is beneficial for students all over the county to share their experiences and see there are other people experiencing the same. Kewaskum's peer listeners for this year are LeeAnn Winninghoff, Pam Gauger, Patti Aupperle, Dana Neuser, Terri Vogt, Laurie Vogt, Stephanie Gildermeister, John Hazlewood, Kim Petrie, Karen Junk, Kelly Sarauer, Rachael Gosa, Nicole Doherty, and Kari Krueger.

Senior Gina Olmsted was given 3 roses for the 3 years she's been involved in Peer Listening. She has been with Peer Listening since its start and received special recognition from the AODA Council.

Guidance Counselor John Baitinger and Peer Listener John Hazlewood discuss strategies at the recent Peer Listening conference at KHS.

Awards of Recognition Presented at UWWC

Sixteen students received awards of recognition from 12 academic departments on May 26 during the annual honors convocation at the University of Wisconsin Center - Washington County.

The departmental awards are part of an evening when students are recognized for their academic achievements and contributions to UWWC.

Award recipients and those presenting the honors for each department, are:

Biology Department to Rita Filo of West Bend, presented by Dr. Wayne Schaefer of West Bend, associate professor of

zoology;

Business Department to Gail Bednarek of Saukville, presented by Sarada Prasad of Mequon, assistant professor of business;

Chemistry Department to Therese Spors of West Bend, presented by Joseph Diamanti of West Bend, associate professor of chemistry;

Communication Arts Department to Wendy Silva of West Bend and Arlene Mueller of West Bend, presented by Brad Ford of West Bend, associate professor of speech/theatre;

English Department to Catherine Howard of West

Bend and Jane Maley of West Bend, presented by Susan Brodie of West Bend, assistant professor of English;

Geography Department to Jackie Erickson of West Bend, presented by Edwin Domnisse of West Bend, associate professor of physical geography;

History Department to Elizabeth Collins of West Bend, presented by David Huehner of West Bend, associate professor of history;

Music Department to Jay Heppe of Jackson, presented by Peter Ayer of West Bend, associate professor of music;

Physics Department to James Beine of West Bend and Michael Morrison of West Bend, presented by Dion Kempthorne of Newburg, professor of english;

Sociology Department to Paula Beduhn of West Bend, presented by Lloyd Klein of West Bend, assistant professor of sociology;

Spanish Department to Robert Stodola of West Bend, presented by Michael Murphy of West Bend, director of student services;

Student Services Department to Laura Bastian of West Bend and Bill Van Roosenbeek of Port

Washington, presented by Jan Ford of West Bend, associate director of student services.

In the Service

Air Force Tech. Sgt. Richard L. Butz, son of Vernon W. and Carolyn S. Butz of 1325 Park View Drive, Kewaskum, has been named noncommissioned officer of the quarter.

Butz is a system support section supervisor with the Command and Control System Office, Tinker Air Force Base, Okla.

The selection was based on the individual's exemplary duty performance, job knowledge, leadership qualities, significant self-improvement and other accomplishments.

His wife, Betty, is the daughter of Lowell C. and Lucille P. Butler of 905 Conway Drive, Las Cruces, N.M.

He is a 1973 graduate of Kewaskum High School.

Army Reserve Pvt. Kari L. Kurtz, daughter of Eileen M. and Roland W. Kurtz of 8045 Sandy Ridge Road, Kewaskum, has completed basic training at Fort Jackson, S.C.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

The soldier is a 1988 graduate of Kewaskum High School.

25 Years Ago

May 29, 1964

Margaret Kirsch and Robert Kern have been selected to receive J.O. Reigle scholarships according to an announcement by Regal Ware, Inc.

Miss Kirsh is the daughter of Mr. and Mrs. Arthur Kirsch, R2, Campbellsport. Kern is the son of Mr. and Mrs. Ralph Kern, R1, Kewaskum.

Fire Wednesday night caused damage estimated at close to \$2,000 to a home owned by Louis Bath on First Street, occupied by Mr. and Mrs. Merlin Dreher and family. The fire was reported at 9:10 p.m. by a neighbor who saw smoke pouring from the building. The fire apparently started in a gas water heater in a utility room.

Cars driven by Gerald Luedtke 16, Cascade, and Eugene Bohn, 33, of 316 Third Street, Kewaskum, collided at the intersection of Bilgo Lane and Third St. at 8:35 p.m. last Friday.

Luedtke said he was driving north on Bilgo Lane and did not see the Bohn vehicle until it was too late. The entire front end of Luedtke's car and the left side, trunk and right side of Bohn's car, which was completely spun around, was damaged. Luedtke was charged with failure to yield the right of way.

Mrs. William Guth, 81, nee Louisa Kirchner, a resident of the village of Kewaskum for the past 48 years, passed away quite unexpectedly on Monday, May 25th.

Mrs. Jac Schaeffer, 76, of West Bend, the former Rose Bremser, a native of the town of Kewaskum, died Thursday, May 21, after a lingering illness.

Mrs. Oscar Glass, nee Christine Schleif, 86, of West Bend, died Saturday, May 23. Mrs. Glass was a native of Five Corners in the town of Auburn.

Daughters were born to Mr. and Mrs. John Coulter, Kewaskum, at St. Agnes Hospital, Fond du Lac, on May 18, and to Mr. and Mrs. Glenway Backhaus, R2, Kewaskum, on May 23.

50 Years Ago

June 2, 1939

There was a meeting of 135 property owners of the towns of Farmington, Fredonia, and Scott, to consider the proposed Milwaukee River flood control, at Fillmore Turner Hall, Saturday evening, May 27th.

The Tri-County Anti-flood Control Association was organized with W.H. Gruhle as president and Hilbert Roell as secretary to oppose the flood control project.

Mrs. Mary Furlong, aged 67, resident of the Town of Auburn, suffered a fracture of her left leg last Saturday night and at present is confined to St. Agnes

hospital Fond du Lac.

Mrs. Ed Geidel entertained at her home in West Bend, Saturday evening at a shower in honor of Miss Olive Windorf, daughter of Mr. and Mrs. William Windorf of Kewaskum, whose marriage to Walter Christ will take place on Saturday, June 17.

Marriage licenses have been issued the past week to Cornelius Kohl, Theresa, and Mary McCullough, Kewaskum; Marvin Kaiser, Fond du Lac, and Gertrude Rodenkirch, Kewaskum; Harry Oelhafen, Town of Wayne and Lillian Moritz of West Bend.

A son was born to Mr. and Mrs. Lester Nigh of Milwaukee, former resident of the Town of Auburn, on Monday, May 22.

The eighth grade graduates of Holy Trinity Catholic School will receive their diplomas next Friday, June 9. The class this year includes five graduates: Alex Beck, Gerald Stoffel, Robert Schmidt, Dolores Bath and Lorraine Eberle.

75 Years Ago

May 30, 1914

Last week Friday evening, a peddler, in attempting to cross the railroad tracks at the Lay Lumber yard crossing, nearly got caught by the southbound passenger train which drives here at about 6 o'clock. His horse became frightened at the approach of the train and started to back, upsetting the rig and throwing the driver and contents of the wagon out. The animal then ran away, but got

no further than the malt house, where he was caught by Albert Terlinden who returned it to the owner.

For the third time in the past two years, last Thursday, burglars entered the general store of Knickel and Straub at Campbellsport by forcing the rear door of the place. They took \$1.50 in change from the register and also stole several hats.

Owing to the rain the night before, the burglars' tracks could be easily seen. They were trailed for some distance before the tracks became indistinct.

Frank Schmitz, a laborer was arrested Friday on the charge of entering the general store.

The old Methodist church on the east side of this village is being torn down by owner Valentine Dreher. This edifice, which was erected in 1864, was the second building built in this village.

Mr. Valentine Dreher, who has been in the cigar manufacturing business here for the past 42 years, has decided to retire, as his health has been failing and he is unable to stand the confinement of the indoors which his work requires.

During the rain and electrical storm last Sunday, lightning struck and killed a two-year-old horse belonging to Frank Simon of St. Kilian.

Lightning struck the barn of Theodore Dworschak and the house of Chas. Krueger of New Fane last Sunday. Only slight damage was done to both places.

The barn dance held in Jos. Ketter's new barn at New

Prospect Saturday night was very largely attended. Joe Honeck furnished the music.

The Methodist Church in the Town of Barton was struck by lightning last Monday evening and completely destroyed.

Free Fishing Day June 4 Indians Lose to Germantown, Sheboygan Falls, Fall to 0-5

Spring Wild Turkey Hunt Biggest Ever

MADISON, WI — The toughest decision anglers will have to make on Free Fishing Day, June 4, will be deciding where to fish.

With almost 15,000 inland lakes, 2,674 trout streams, 5,000 warmwater streams and 28 species of game fish to choose from, novice and experienced anglers alike will be able to have their sport and eat it too.

On Free Fishing Day anyone can fish in any Wisconsin water without a license. Admission is also free on June 4 to Wisconsin's 66 state parks, where more than 20 free fishing clinics and other special events will be held.

Panfish — bluegills, sunfish, crappies and perch — are the bread-and-butter fish of 90 percent of all vacationing families in Wisconsin, say Department of Natural Resources fisheries management specialists. The department estimates the panfish population to be more than 200 million.

"Bluegills are terrific little fighters," says Tammy Peterson, aquatic resources education coordinator. "Plain garden worms are their favorite bait, but you can use a variety of lures."

Sunfish, also called pumpkinseed, are equally popular fish for catching and eating. Best caught in cooler water, the six- to eight-inch sunfish provides great sport with a fly rod and a variety of flies.

Crappies are considered excellent game fish when taken on light tackle, says Peterson. "Keep the bait moving," she suggests. "Cast or troll along the outer edges of weed beds with small minnows, small jigs, plastic minnows or small streamer flies in early morning or toward evening."

Yellow perch are popular panfish found throughout Wisconsin. "Small ones are easily caught, but it takes a real specialist to consistently land big ones over 10 inches. They'll eat almost anything, but prefer minnows, insect larvae, plankton and worms. Perch like cool waters, so fish in deeper water," she says.

Fishing for panfish can also net you small and largemouth bass and walleye.

Wisconsin sells more nonresident fishing licenses (one half million) than any other state in the country. More than 1.5 million licenses are sold annually here.

"More and more people are taking up fishing every year," reports Peterson. "It's not difficult to learn, but for those who don't know how and want to get started, especially children, we have established Free Fishing Day and the free fishing clinics."

She urges anyone interested in learning the basics of fishing to attend one of the free fishing clinics. Rods and reels will be provided courtesy of the DNR and local fishing and conservation clubs, but attendees should bring their own equipment if possible. Clinic times vary; contact the area park directly for details: Kettle Moraine State Forest - Northern Unit, Mauthe Lake, Campbellsport; the Long Lake Fishing Club will teach the clinic (414) 562-9605;

The Southern Unit of the Kettle Moraine State Forest will be holding an open forum to

discuss the goals and objectives for the Forest master plan. The forum will be 9:00 a.m. to 4:00 p.m. For details, call the Forest headquarters at (414)594-2135.

"Art in the Park" is the theme this year at Kohler-Andrae State Park's open house program. Two new displays will be unveiled — a multi-media display on great lakes fish and a mural by artist Dr. James Michael. Other artists will be demonstrating egg basket weaving using natural reeds and natural designs for greeting cards. In addition, the ancient Japanese art form of fish printing can be practiced by young and old alike. Bring your own t-shirts or buy one from the Friends group. To find out more, call the Park at (414) 452-3457.

Fish Questions

Each year I answer a lot of questions on the fishing regulations. There are two questions which seem to be asked more than others.

The first question is, "Can I use pan fish for bait to catch larger fish?" The answer is "Yes." The only bait restrictions on Wisconsin Inland Waters are that goldfish, alewife, and live crayfish may not be possessed or used for bait on inland waters. Pan fish or even game fish can be used as bait, but are considered part of a person's daily bag. To give an example, if you had five walleyes in your fish bag and then put a small one on your line as bait for a northern you would be over the daily bag for walleye, for you would be in possession of six.

The second question is, "Can fishermen in a boat keep their fish in the same fish bag or livewell. The answer to this is also "YES." Fish can be kept in the same bag or livewell in a boat or on shore. Each fisherman is limited to his daily bag limit and must stop fishing for a fish species once the limit is reached. There is no group bagging when it comes to fishing. A fisherman can not help his fishing partner catch his daily limit. Each fisherman must catch his own fish.

For more information, please give me a call.

Doug Bilgo,
Conservation Warden,
533-5041.

The flying fish, when pursued by enemies, can soar above the water from two to 15 seconds and cover distances of 45 to 200 yards.

By Dennis Aupperle
The Kewaskum Indians competed in the Germantown tournament this Saturday, playing Germantown the first round, losing 7-1.

The Indians haven't got the bats going yet this season, having only six hits. Seven errors were also costly to the Indians in this one, giving Germantown six unearned runs.

Dennis Aupperle took the loss and Scott Wagner got the

victory. Paul Budiac led the Indians with two hits, while Mark Felix, Mike Heberer, Bruce Waechter and Brian Leitheiser each chipped in one. Germantown was led by Wagner with two hits.

♦♦♦

The second game was a game of errors for the Indians, committing ten, to Sheboygan Falls one. Kewaskum still can't get the bats going, having just four hits, to Sheboygan's fifteen. Picking up the hits for the Indians were Paul Budiac, Mike Heberer, Mark Hartmann and Steve Heberer.

Mike Heberer took the loss, while John Frausto got the win. Leading Sheboygan was Jason Winkle who was a perfect four for four.

Kewaskum plays a tough New Holstein Wednesday, and will have to play error free to beat them. On Friday the Indians host Two Rivers.

Rock Alumni Going to Hall of Fame Polls

Oldtimers' Association members of the Rock River League are going to the polls in June to elect Nos. 94-thru-99 to their Hall of Fame.

With the association's membership spread beyond Wisconsin — Illinois, Ohio, Florida — plus the four corners of the state — Racine, Sturgeon Bay, Mercer, Belmont — polling, as usual, will be conducted by mail.

On the ballot are 12 nominees from the 60-year-old league's past, including a pair from Burnett which last fielded a team back in the 1950's.

The candidates and their former teams:

Ray Messer and Marv Klawitter (Burnett), Bill Jaeger and Dennis Schramm (Ashippun), Harvey "Stubby" Bischoff and Harvey Vocks (Juneau), Roy Maass and Wally Baumann (Lebanon), Claude McCormick (Randolph), Don Gourlie, Sr. (LeRoy), Jim Bartelt (Mayville) and Francis "Fritz" Goebel (Long Lake).

The top six will be inducted at the Oldtimers' 10th Hall of Fame Dinner on Nov. 4 at the Mayville Golf Club.

Association Pres. Carl Heimerl, Jackson, is issuing an invitation to all Rock River alumni to join the active organization by writing him at 3322 Hiway "P", Jackson, WI 53037. Membership fee is \$3.00 for one year or \$10.00 for four.

Six KHS Trackers On to State

Senior Marty Schulteis eyes victory at the State meet in the 110 m. high hurdles and the 300 m. intermediate hurdles. Hopefully Schulteis can wind up his running career by capturing top honors.

Four individual events and one relay event will have representatives from Kewaskum High School on June 2nd and 3rd in Madison at the State Meet.

The events and the qualifiers are: Senior Marty Schulteis who will be competing in both hurdle events, the 110 m. highs and the 300 m. intermediate hurdles with times of 15.2 and 40.9 respectively. Not enough can be said about Schulteis who is not only an excellent runner but a fine individual as well. Schulteis, who competed at State last year knows what its like to run under "pressure" and Coach Charland feels "Marty will be real competitive in both events, as he's feeling good and running well." Said Charland, "If things go well, he'll do well... we're real excited about State."

Junior Kristi Lubahn qualified for State by placing 2nd in the 300 m. hurdles with a time of 49 flat. This was the first time Lubahn was beat in her specialty event but pointed out. Coach Koth, "Our sectional was the strongest Class B with "tough competition." Because of this fact, we also had one runner and a relay team qualify due to time. To qualify by time, your sectional meet time has to be one of the eight fastest times in Class B of all the sectionals around the state.

KHS has sophomore Melissa Braun qualifying for State in the 200 m. dash with a time of 26.8 which was a school record and the 800 m. relay team of Lubahn, Braun, Junior Shelley Kassekert, and sophomore Rachelle Zuehlke qualifying with a time of 1:49.9 (also a school record) going to State because they were in the top eight times.

Coach Koth was ecstatic with the news that these girls qualified and stated, "The fact that these girls are even down at State is an indication of how strong these people were throughout the year.... I'm very proud of these girls at State regardless of how the races turn out."

An interesting fact to note is that all of these state qualifiers except Schulteis are underclassmen and will have the chance to qualify for State at least one more time. KHS wishes these athletes well at the State Meet and invites the community to cheer these individuals on to victory in Madison. Go Team!

These girls will be competing at State in Madison this Friday and Saturday in the 800 m. relay event. They are Shelley Kassekert, Melissa Braun, Rachelle Zuehlke and Kristi Lubahn. Braun and Lubahn will also be competing individually in the 200 m. dash (Braun), and the 300 intermediate hurdles (Lubahn).

Kewaskum Loses Conference Opener

By Dennis Aupperle

The Kewaskum Indians opened it's conference season against Plymouth Thursday, losing 6-2.

Junior Bruce Waechter, in his first varsity start, took the loss, while Mike Hasee got the win. Plymouth's Chris Hein had the only homerun of the game, a solo shot in the third inning.

Mark Felix, Ken Krause, Dennis Aupperle and Rick Radtke each had a hit for the Indians.

The Indians compete in the Germantown tournament this Saturday.

while the Indians didn't have any. Both teams played well in the field committing no errors.

Mike Heberer took the loss, having four strikeouts while Scott Sarauer got the win having six strikeouts.

The Indians scored all their runs on walks, receiving ten while the Suns received nine.

The Indians start their conference season, trying to improve on last year's second place finish, this Thursday at Plymouth.

Indians Drop Two To West Bend East

By Dennis Aupperle

The Kewaskum baseball team dropped both games Tuesday to West Bend 10-0 and 5-3.

In the first game, Kewaskum committed four errors while West Bend East played errorless ball. West Bend East also outhit the Indians thirteen to six. Mark Felix led the Indians with two hits, a single and a triple. Scott Krahn, Paul Budiac, Mike Heberer and Dennis Aupperle also chipped in a hit.

Aupperle took the loss for the Indians, having seven strikeouts, while Dean Sternig got the win for West Bend East, also having seven strikeouts.

In the second game, Kewaskum lost to West Bend East 5-3. The Suns had five hits
