Annual Meeting Set for July 24th

1989-90 School Budget Proposal Totes Double-Digit Levy Increase

By GERRY MUELLER
Statesman Staff Writer

Lengthy discussion again centered around the proposed 1989-90 budget during Monday night's regular Board of Education meeting. The third draft of the document received mixed reviews as there were as many opinions of the budget as there were board members. For a while it even looked as though there would be no budget approval in any form.

Most of the board, however, agreed that the proposed budget, while increasing only about 3.5% in expenditures over last year, carried too high a price tag in the area of tax levies. The third draft showed a proposed budget of \$7,810,677, \$269,791 or 3.58% over 1988-89.

The figures would result in a total levy, including debt

service, of \$4,083,161, a 14.42% increase over this year's levy. To taxpayers, that would have represented an increase of \$2.00 per \$1,000 of assessed valuation in the mill rate, from \$13.88 for 1988-89, to \$15.88 for 1989-90, based on the assumption the district would not see any increase in its equalized value.

Business Manager Cherna Gorder noted, however, that was the district's dreariest picture. If the district were fortunate enough to see some increase in equalized values, there was a chance the mill rate could come in at between \$14.84 and \$15.27 per \$1,000 of assessed valuation.

Gorder had forewarned the board at past meetings that losses in state aids could seriously affect the district, and that, apparently is coming true.

Losses in aids are resulting for two main reasons, declines in student enrollment, on which the aids are based, and general cutbacks by the state as more and more funds are directed to the Chapter 220 program.

Gorder told the board the district, in a way, was penalizing itself by trying to maintain a tight budget. "We're working on a 4% budget increase," said Gorder, "while other districts are looking at 7%, 8% and even higher increases." The more you spend, the more you get back in state aids, she noted. Board member Ruth Schmitt asked Gorder if there was any chance the aid will get better. "I just hope it doesn't get worse," stated Gorder. She said from present indications it is very likely the district will lose

(Continued on Page 2)

Two Injured in Town of Wayne Crash

The driver side of a car driven by John Donald, Fredonia, was torn away as the result of a two-car accident on Highway H, west of Kewaskum. The impact of the crash carried the two vehicles into a field on the southeast side of the intersection.

By GERRY MUELLER
Statesman Staff Writer

The drivers of two cars involved in an accident at 4:10 p.m., last Thursday afternoon miraculously survived the impact which completely tore off the side of one of the vehicles.

The Washington County Sheriff's Department report stated a car driven by John W. Donald, 31, of 167 Fillmore Road, Fredonia, was traveling east on County Highway H, west of Kewaskum, when it was struck by a vehicle headed southbound on Town Line Road.

The driver of the second car, Janice Twitchell, 36, of 4991 Arthur Road, Slinger, was cited for failure to yield the right-of-way.

Both drivers were taken to St. Joseph's Hospital, West Bend, for treatment of trunk and leg injuries and released.

Krazy Daze Here Tuesday

The twenty-seventh annual Krazy Daze sidewalk sale, sponsored by the Kewaskum Area Chamber of Commerce will be held Tuesday, June 20. The big event of the year runs from 8:00 a.m. to 8:00 p.m. and features super discounts and special buys.

On Krazy Daze everybody gets in the act of either selling or buying. Merchants, clubs, churches, organizations and individuals set up their stands on the sidewalk or on lots in the village as well as offer sizeable discounts in the stores and shops.

Krazy Daze always offers a

wide variety of food with the many outdoor stands and specials offered at the restaurants and taverns.

In the evening there will be outdoor live music.

Whatever your needs or desires, whether it be bargains for yourself, your home, a gift or to take advantage of all the goodies offered — you'll find it all at Kewaskum Krazy Daze, Tuesday, June 20.

Let's make this twenty-seventh annual Krazy Daze the best celebration of all.

See the many Krazy Daze ads in this week's issue.

Fond du Lac Sheriff's Department Confirms Error Made In Issuing Voigt Citation

By GERRY MUELLER
Statesman Staff Writer

A spokesperson for the Fond du Lac County Sheriff's Department confirmed Monday, that an error had been made in issuing Alfred C. Voigt, of 8701 Oak Drive, Kewaskum, a citation for driving while his license was suspended.

The citation had been issued following an accident Sunday, June 4th, in which another vehicle struck the back of Voigt's truck. The Fond du Lac County Sheriff's Department said an error had been made,

either by the Motor Vehicle Department or Washington County Sheriff's Department and the result was that Voigt's record was not up to date. At the time of the accident Voigt's record did not show that the suspension had been lifted and Voigt's license was, in fact, re-instated.

The Fond du Lac County Sheriff's Department said the citation issued to Voigt has been voided and his record brought up to date and cleared of the citation.

The car of Janice Twitchell, Slinger, sustained heavy front-end damage.

No Action on Long Term Borrowing

Beechwood School Questions On Annual Meeting Agenda

By GERRY MUELLER
Statesman Staff Writer

The issues of the Beechwood School and its future were again discussed by the Kewaskum School Board at its meeting Monday night.

Board member Perry Ankerson asked that the question of either leasing or selling the property be placed, as resolutions, on the agenda for the July 24th Annual Meeting to get input from the electors.

Ankerson indicated the district should be looking to derive some money from the school to ease the district's financial problems either through leasing or sale of the property which has been vacant for two years.

In looking for other ways to cut costs and reduce the budget, board member Ronald Beimborn made a motion to eliminate the three administrative positions of business manager, buildings and grounds superintendent and food services supervisor.

Ankerson questioned how Beimborn planned to fill those positions. He stated the district could possibly take someone from within to fill new, non-administrative positions of head bookkeeper, head janitor and head cook. Positions whose salaries would be considerably less than those presently being paid.

When Ankerson asked Beimborn how much money he felt could be saved by such a move, Beimborn said he did not know, but "guessed" about \$60,000. Ankerson felt that Beimborn, in making such a motion, should have had some actual figures as to how much would be saved and, how much the new positions would cost so the board members would have had some basis on which to vote.

Board president Neal Weare told the meeting, because both the business manager and building superintendent are under contract until 1991, there was little action it could take at this time. Beimborn's motion was defeated 6-1.

Among other items addressed at the meeting was a recommendation by the Finance - Transportation Buildings and Grounds Committee to secure some form of long term borrowing, either through the Wisconsin State Trust Fund or other sources to carry out approximately \$200,000 in capital improvements for the coming year.

As part of the recommendation, the board was presented with a three-year plan costing roughly \$600,000, which covered everything from asbestos removal to equipment replacement.

After discussing the recommendation, it was concluded the district, in all probability, would not make the deadline for this year's Wisconsin Trust Fund application. Business Manager Cherna Gordier noted that besides running out of time, the fund itself, is rapidly running out of money for this year.

In checking with other financial sources Gordier said she had been advised to wait until next spring when both the

funds would have new monies available and the chances of getting lower rates from other institutions were better.

In the audience to visitors portion of the agenda, the board heard from Mrs. Diane Norman, the parent of a Wayne 5th grade student, who spoke against the board's decision to transport that class to the Kewaskum Elementary School next semester. The board said it would take her comments and the petitions she presented, under consideration.

KEWASKUM LIONS CLUB MONTHLY RAFFLE WINNERS

Drawing was held in June at the Amerahn for the Lions Club Raffle. One hundred dollar winners for this month were: Bill Geidel, Kewaskum; Cy Serwe, Campbellsport; and Dee Kleinke, Campbellsport.

Monies from the raffle are used to support the local "Quest Program," fighting drugs through education and other community functions.

Budget

(Continued from Page 1)

another \$100,000 in state aids next year.

Gordier was asked if there was anything the district could do to turn the situation around. Not much, she noted, unless it wanted to join the Chapter 220 program. "That's where all the aid is going."

Board member Don Nowak said he could and would not vote to pass on the budget as presented, to voters at the Annual Meeting. After a motion to recommend the budget to the Annual Meeting as presented was defeated, Nowak proposed a motion which included taking \$100,000 out of the district's Fund Equity to reduce the levy. Both Gordier and District Administrator Dr. David Heather spoke against such a move. Gordier told the board if it continued to draw on its Fund Equity, it will be completely gone within two years.

Board member John Schulte was the lone dissenter as far as budget reductions. "Maybe the budget shouldn't be kept so low," said Schulte. He felt that to continue to provide quality education, the board would have to look at hikes of this size and possibly even more. Schulte

indicated he did not think the district's residents were as concerned with the tax increase as other board members seemed to think. "I haven't heard any comments from anyone about taxes," said Schulte. Nowak replied, well you've heard me say it here at this meeting.

After Nowak's motion too, was defeated, it appeared the board had come to a stalemate, neither approving a proposal or making any recommendations for change. Schmitt, in an effort to resolve the situation again moved to approve the budget as presented. That motion failed again. Finally a third motion by Schmitt to pass on the budget with the recommendation to take \$50,000 from Fund Equity was passed on a 5-2 vote, with Schulte and Paul Seymour voting no.

That revised proposal, which will now be passed on to the electors at the July 24th Annual Meeting, represents a total levy of \$4,033,161, (an increase of

Kewaskum Statesman,
Friday, June 16, 1989, Page 2

13.02% as compared to the original 14.42%).

That proposal would drop the mill rate to \$15.69, which still represents an increase of \$1.81 over the 88-90 levy of \$13.88.

Gordier is hoping, however, that the district will see at least a 5% increase in equalized valuation which would reduce the 1989-90 mill rate increase to 7.64% or \$14.94 per \$1,000 of assessed valuation.

A newly hatched alligator is just eight inches long. It will grow about a foot a year until it reaches the average adult length of six to eight feet.

SPRING TIME IS BIKE TIME

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. §346.03(9) Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all of the laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs, etc. In addition, the Village of Kewaskum requires that all bicycles operated within the Village must be licensed.

A few safety tips are: keep your bike in good working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we follow these rules and safety tips, we should all have a safe bicycle season.

Richard L. Knoebel, Chief
Kewaskum Police Department

Strobel - Bartz

Joanne Kay Strobel and Thomas Michael Bartz exchanged marriage vows on Saturday, June 3, 1989 at St. George Catholic Church, Elkhart Lake. Father James Cera officiated the 2:00 p.m. double ring ceremony.

The bride is the daughter of Les and Val Strobel, 3825 Bonnie Lane, Kewaskum. She

was presented in marriage by her father to the son of Roland and Elva Bartz, Route 1, Glenbeulah.

Music for the nuptials was provided by Lynn Schmitz, organist, and Dave and Terri Bertelsen, guitar and soloists.

Linda Goad, Milwaukee, served as the matron of honor. The bridesmaids were Rosa

Sabatino, Sarasota, Florida, friend of the bride and Jeanne Lupo and Laurie Gray, Milwaukee, friends of the bride. The flower girl was Amanda Burns, St. Cloud, niece of the groom.

Albert A. Crusoe, Milwaukee, served as the best man. The groomsmen were Myron Strobel, Kewaskum, brother of the bride, Dave French, Elkhart Lake, friend of the groom, and Tim Joyce, Greenfield, friend of the groom. The ring bearer was Mitch Strobel, Kewaskum, nephew of the bride.

Mark Strobel, St. Kilian, brother of the bride and Dean Champeau, Pewaukee, friend of the groom, shared the ushering duties.

A reception was held at Siebken's Resort, Elkhart Lake. The bride is a 1982 graduate of Lakeland College, Sheboygan and is presently employed as an Accounting Supervisor at Tecumseh Products in Grafton.

Her husband is a 1986 graduate of Cardinal Stritch with a masters in Business Administration and is presently employed as Director of Operations at Blue Cross and Blue Shield in Fond du Lac.

The couple will reside at Point Elkhart #79, Elkhart Lake.

Schulteis Awarded National Sheriff's Ass'n. Scholarship

The National Sheriff's Association is proud to announce its selection for the \$1000 NSA Scholarship. The recipient is Martin (Marty) Schulteis, son of Mr. and Mrs. Robert Schulteis.

He was chosen due to his fine records academically and also his potential as a law enforcement officer, both now

and in the future. Marty will also receive a complimentary membership in the NSA for a year and according to Charles B. Meeks, Executive Director, "Martin has a fine career ahead of him."

Marty plans on attending Carthage College in Kenosha in the fall.

Kewaskum Post Office Opens Job Register

Postmaster Frank Beesten has announced that the following examination will be given and urged that all those interested apply between June 19 and June 30, 1989 to take the job-related test that can lead to Postal Service employment:

Rural Carrier

The Rural Carrier register is used to fill Rural Carrier Associate (RCA) vacancies. An RCA employee is entitled to employment and compensation only in the absence of a career regular rural carrier. This could involve working one day each week, one day each two weeks or only filling in for the regular Rural Carrier when that carrier is on leave, depending on the classification of the route. The hourly rate of pay for RCAs is \$10.51. RCAs are not eligible for health or life insurance or the Federal Employees Retirement System (FERS). RCAs with service in excess of one year as an RCA will be eligible to bid on full-time Rural Carrier vacancies at the offices where they are employed and for vacancies posted within the Management Sectional Center.

Position Requirements

Qualify on written examination; valid state drivers license; two years driving experience; good driving record; use of personal vehicle; meet personal and medical suitability requirements.

After 1 year as a Rural Carrier Associate, an employee may apply for full-time rural

carrier positions, as vacancies occur.

Compensation: \$10.51 (average hourly rate) and equipment maintenance allowance for use of personal vehicle.

All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, political affiliations, age, mental or physical handicap, or any other non-merit factor.

"I do not want to give the impression we will be hiring great numbers of people in the coming months," the postmaster said. "I anticipate approximately two vacancies will occur in the next two years that will be filled by hiring people from the Rural Carrier register. We need qualified people who will be willing to accept employment, and we want to offer people in the local community the chance to compete for these openings by signing up for and taking this examination."

Postmaster Beesten explained that those wishing to take the examination could apply by completing an application card at the Kewaskum Post Office, Kewaskum, WI between the hours of 8:30 a.m. and 5 p.m., June 19 through June 30, 1989.

The postmaster further explained that applicants need only apply at one office within an AREA as the exam may be taken only ONCE per area.

The world's longest beard was grown by a Norwegian named Hans Langseth. It was 17 1/2 feet long and is now in the Smithsonian Institution.

Kesting Family Honored at Farewell Service

St. John's United Church of Christ, Beechwood will honor Rev. and Mrs. William Kesting and family on Sunday, June 18, at 10:00 a.m. with a special Fellowship.

The Divine Worship Service will be at 10:30 a.m., in which Pastor Kesting will have his farewell service at St. John's. The Sunday School and Choir will sing during this service.

The Kesting Family will be moving to Cleveland, WI in July, where he will serve. St. James UCC, Newton and St. Mark's UCC, Cleveland.

OM Team Places 22nd In World Competition

The "Cause and Effect" OM team traveled to Boulder, Colorado to compete in World Competition with teams representing Mexico, China, and the USSR in attendance.

The team got to Colorado on Wednesday and found part of their project broken from the flight. They ended up spending almost the whole night fixing it as they were the 2nd team to perform on Thursday.

Their project was reported on by local and national newspapers and was covered by Good Morning America and NBC Nightly News, so although the team only placed 22nd, they still received a lot of attention. Said Mike Kocher "People seemed to be real impressed

with our project."

The trip itself was quite an experience. The students traded various pins, along with O.M. ideas of course.

The highlight of the trip for Kocher was meeting Chuck Jones, the creator of Looney Tunes and Samuel Mickelus who is the inventor of O.M. "Being on the National News was pretty neat too," he stated.

Is the team sticking together? We'll just have to wait until next year to find out.

Congratulations Mike Kocher, Jeff Kissinger, Dave Prunty, Ira Sison, James Dionne, Chris Schoofs, Jeff Morlen and Coach Charles Kocher on your fine representation in OM World Competition.

Village Also Eligible for Grant

Washington County to Receive \$105,000 DNR Grant to Improve Milwaukee River Water Quality

MILWAUKEE, WI — June 8, 1989 — Four counties have been offered money from the Department of Natural Resources to assist them in improving water quality within the East-West Branch of the Milwaukee River.

Washington, Ozaukee, Fond du Lac and Sheboygan Counties received \$220,000 from the Nonpoint Source Pollution Abatement Program, according to John Pfender, a Planning Analyst for the Department's Nonpoint Source Program. The monies will be used by the counties to help rural landowners and renters pay the cost of installing management practices designed to reduce the amount of animal waste and eroded soil from reaching the streams within the watershed. Those management practices are identified in the recently completed A Nonpoint Source Plan for the East and West Branches of the Milwaukee River Priority Watershed. The goal is to improve surface waters for recreation, fish and wildlife.

"We are pleased to be able to make these funds available to the counties," said Pfender. "Not only will they improve water quality in the headwaters

of the watershed, they will also have a positive impact on the water quality in the lower Milwaukee River and the Milwaukee Harbor Estuary." The individual grants are Washington - \$105,000; Fond du lac - \$52,000; Sheboygan - \$23,000 and Ozaukee - \$40,000. The grant given to Fond du Lac County will also be used to pay for practices to landowners in neighboring Dodge County.

Monies are also available to urban areas within the watershed to assist them in implementing the recommendations in the Plan. Municipalities eligible for grants include the City of West Bend and the Villages of Kewaskum, Campbellsport and Newburg.

The East-West Branch of the Milwaukee River Watershed is one of five watersheds within the 268 square mile Milwaukee River Basin were urban and rural nonpoint source needs are being identified and where financial aid will be available from the state for cleanup. The other watersheds include the North Branch, Cedar Creek, Milwaukee River South and the Menomonee River. The East-West Branch is the first of the Milwaukee River watersheds to receive implementa-

tion funds.

Local implementation is the hallmark of the nonpoint source program, noted Pfender. "We put the day to day responsibility of carrying out the cleanup

practices in the hands that can do it best, the local land conservation department staff, he added. "We are extremely fortunate to have such an experienced and dedicated group of local soil and water conservation experts here in southeastern Wisconsin as part of our team. Eventually, we will see the results in a cleaner Milwaukee River."

Junior Women to Hold Quilt Raffle, Cookbook Sale

The Kewaskum Junior Woman's Club's raffle quilt this year is made in shades of brown, orange and ivory and fashioned in a dahlia flower pattern. It is completely handstitched.

The GFWC Kewaskum Junior Woman's Club will be selling raffle tickets for their Amish-made quilt during Krazy Daze, Tuesday, June 20th, 1989.

Their booth will be located between Sentry Foods and Kennelly Pharmacy. Tickets are \$1 each or six for \$5. The drawing will be held during the Junior's annual art/craft fair, "A Kettle Country Christmas," scheduled for Saturday, Nov. 25th, 1989 in Rose Hall at the Kewaskum High School. Each raffle ticket holder will be entitled to free admission to the November 25th art/craft fair. A \$1 admission fee will include a raffle ticket.

In addition, the Jr.'s will have their cookbooks filled with tasty recipes for sale. The second edition sells for \$5.50, the 20th anniversary edition is \$6.00 or the set may be purchased for \$11.00.

All proceeds of the sale help to fund scholarships, story hour for preschoolers, Christmas phone calls from the AFS students, supplies for hygiene kits to children in underdeveloped countries, other

service projects and donations to local, state, and national organizations.

The Kewaskum Club is affiliated with the General Federation of Women's Clubs, the largest volunteer women's organization in the world.

Dairy Committee to Sponsor 'Half Pint' Calf Showmanship at Fair

The Washington County Dairy Promotion Committee will sponsor a "Half Pint" (formerly Little Britches) Calf Showmanship contest at 1 p.m. Sunday, July 30 at the Washington County Fair. The contest is open to children five to nine years old who aren't yet enrolled in 4-H.

Children may show calves of any dairy breed, either a heifer or bull. The calves must be born after February 1, 1989.

Children will be judged on their basic showmanship ability. Participants will be divided into age groups and each will receive a ribbon and other prizes.

Entries for the Half Pint

Showmanship contest are due July 3, 1989. For more information or entry blanks, contact the U.W. Extension office at 342-2929, 644-5204 or 338-4400. You may also call Kathy Muth at 334-0873 or Kathy Krause at 242-2979.

Village of Kewaskum NEWS NOTES

The Village of Kewaskum Zoning Ordinance and Wisconsin Administrative Rule Tax 11.10 refer to Rummage/-Garage or occasional sales. The Village would like to remind everyone that a rummage/garage sale is an OCCASIONAL sale, which would normally be for a period of one (1) or two (2) days, but would not exceed seven (7) days. Also, that such an event/sale is only permissible twice in any calendar year.

Rummage/garage sale signs are not to exceed eight (8) square feet in area and placed on the premise of the sale not to exceed seven (7) days twice in any calendar year. Off-premise rummage/garage sale signs are prohibited except where the sign and location have been approved by the Village Police Department. Rummage/garage sale signs shall be removed within 24 hours following the sale.

Everyone's cooperation is appreciated.

THANK YOU

A special thanks to my family, relatives and friends who took time to visit, telephone, and send cards during my stay at St. Joseph's Hospital and while I was recuperating at home.

Also a special thanks goes to Fr. Berghammer, Drs. Schneider and Gardner and the 3rd floor nurses. Everyone's kindness and thoughtfulness was greatly appreciated.

Al Rohlinger

ART CONTEST WINNERS

The following children have won art classes at the West Bend Gallery of Fine Arts: Leah Dzemyk, Kelsey Ebben, Kristen Jansen, Jason Leiberg, Jaime Nickel and Andrea Steiner.

The contest was sponsored by Dick's Pizzeria, 1750 West Washington Street, West Bend. Hearty congratulations go out to the winners and sincere thanks to Dave Wolff for his support.

**Kewaskum's Allocation is \$9,404
Grover Announces 1989-90 Chapter 2 Grants**

MADISON — Wisconsin's school districts and other education providers will share more than \$7 million in federal Chapter 2 grants, according to an announcement by State Superintendent Herbert J. Grover. The Kewaskum School District's 1989-90 allocation is \$9,404.

The state's allotment is down about 4 percent from last year's award of \$9,231,810. For 1989-90, Wisconsin will receive \$8,851,135, of which local education agencies will share \$7,080,908. Twenty percent of Chapter 2 funds remain with the Department of Public Instruction to provide state-level activities.

The Hawkins - Stafford Elementary and Secondary School Improvement Amendments of 1988 made several changes in the Chapter 2 program. The U.S. Department of Education lists six targeted assistance programs eligible for Chapter 2 funding. Activities under those six areas are similar to those from the original block grant program. They include programs to:

- meet the educational needs of children at risk of failing in school or dropping out or students for whom providing an education exceeds average costs
- acquire instructional or educational materials
- provide schoolwide improvements, including effective schools programs
- provide training and professional development for school staff members
- enhance the personal

excellence of students or student achievement

- develop other innovative projects that would enhance school's educational programs or climate

The DPI computed grants using a distribution formula approved by the Wisconsin Chapter 2 State Advisory Committee in May. The formula, modified slightly from that used in previous years, distributes funds based 50 percent on enrollment, 47 percent on the number of families receiving Aid to Families with Dependent Children, and 3 percent on a sparsity factor calculated from the number of students per square mile.

School districts apply to the DPI for Chapter 2 funds. Private schools can receive Chapter 2 money by participating through public schools.

The DPI uses its Chapter 2 funds to provide technical assistance to school districts; to improve the planning, management, and implementation of educational programs; to administer the Chapter 2 program; and to support educational improvement projects.

"The Chapter 2 program is one of the best offered by the federal government because it supports creative and innovative activities on the state and local levels," Grover said. "The Academic Decathlon, Arts World, Science World, Early Identification Program, several Families in Education activities, and other special activities would not have been possible without Chapter 2 support."

**West Bend Red
Cross Annual
Dinner June 28**

The West Bend Chapter of the American Red Cross cordially invites the public to attend their annual dinner on Wednesday, June 28, at the KC Hall, 3245 Lighthouse Lanes West Bend.

Gwen Jackson, National Chairperson of Volunteers for the American Red Cross, will be guest speaker. Social hour begins at 6:30 p.m. with dinner at 7:00 p.m.

Ms. Jackson began her volunteer service 25 years ago for the Greater Milwaukee Chapter of the Red Cross. Today she spends part of each week in Washington D.C. and the remainder in Milwaukee where her family is located. She will share her knowledge, experiences and enthusiasm with us, helping us grow in our capacity as volunteers.

Cost of the dinner is \$6 per person. Reservations are due by June 18, and must be accompanied by a check made payable to Red Cross, 422 Meadowbrook Drive, West Bend, WI 53095.

Let it Rain

Sometimes called "Air Plants," Tillandsia plants absorb moisture and nourishment directly from rain and fog in the air through specialized scales on the surface of their leaves. According to National Wildlife magazine, the plant's spiny leaves act as roots, drawing in nutrients, while the roots mainly anchor the plant to a tree or rock.

**June 17 Money
Game Contestants**

MADISON...The contestants to compete on the MONEY GAME, to be aired Saturday, June 17, have been finalized. The contestants, who each hold a Wisconsin Lottery \$100 TV Winner Ticket, compete for a chance to win up to \$50,000 in

the bonus round at the end of the show.

The show is broadcast every Saturday at 6:30 p.m. on WISN-TV, channel 12, Milwaukee.

Money Game contestants from this area include Marlene V. Schmidt, Fredonia and Lawrence H. Wetzel, West Bend.

Heather to Represent Kewaskum

School Principals, Administrators To Attend Leadership Academy

MADISON — Forty-seven principals and 25 school district administrators from throughout the state will sharpen their leadership skills this summer during an intensive leadership training program in Green Bay. Dr. David Heather of the Kewaskum School District will participate in the 1989 Superintendents Academy.

The second Ollie Berg Administrator Leadership Academy will be held at the Radisson Inn, Green Bay. The administrators' session runs June 25 to July 1, followed by the workshop for principals, July 10 to 16.

Named for Ollie Berg, who retires June 30 as executive director of the Wisconsin Association of School District Administrators (WASDA), the academy provides leadership training and growth to mid-career principals and superintendents to assist them in promoting school improvement and excellence in education. The first academy in 1988 trained 25 principals and 25 administrators.

"The academy has long been a dream of mine," State Superintendent Herbert J. Grover said in naming the 1989 participants. "Ollie Berg of WASDA, the people with the Association of Wisconsin School Administrators, and staff from the Department of Public

Instruction have worked diligently to create this academy. We will continue to work with these leaders of Wisconsin's schools to meet the challenges facing education today and in the future."

Doug Ritchie and Don Hafeman, former principals and superintendents who now work as education consultants, will co-direct the 1989 superintendents' academy. Faculty include Sandra Davis, an industrial psychologist, and Shirley McCune, author of the "Guide to Strategic Planning for Educators." Administrators also will take part in a technology demonstration.

Kent Peterson of the University of Wisconsin - Madison, will direct the principals' academy. Presenters include Louellen Essex, a management consultant specializing in team building and conflict resolution; Bruce Wilson, author of "Successful Secondary Schools"; H. Dickson Corbett, author of "School Context and School Change"; and the University of Indiana's Bruce Barnett, who will talk about the principal as an instructional leader.

Follow-up sessions for academy participants will be held throughout the year. The academy receives federal funding with a 50 percent match from the state. Participants pay

for tuition and lodging.

"Educational research consistently shows that quality administrative leadership is the single most important factor in the success of elementary and secondary education," Grover said. "This academy provides principals and administrators an opportunity to enhance their skills which will be good for education in Wisconsin."

A Father's Day Message From Community Church

Someone said, "If American families are to survive the incredible stresses and dangers they now face, it will be because husbands and fathers provide loving leadership in their homes, placing their wives and children at the highest level on their system of priorities."

A story is told of a dad who worked day and night. Once he worked seventeen nights straight without being home in the evening. His five year old daughter would stand in the doorway and cry as he left in the morning, not knowing when she would see him again.

Although his activities were bringing him professional advancement and financial success, his daughter was growing up in a world much farther gone in moral decline than the world into which he was born. He came to realize that the greatest delusion is to suppose that children would become christians simply because their parents are.

Rather it takes faith and prayer. But this prayer demands time, time that cannot be given if dad is constantly occupied with career ambition.

It is more difficult to teach proper values today than in years past because of the widespread rejection of christian principles in our culture. The result is a generation of young people who have discarded the moral standards of the Bible. So the number one responsibility of dad and mom is to get the gospel safely in the hands of their children. Everything else appears pale and washed out when compared with that desire.

May this prayer as parents be at the top of the list: that God keep your family unbroken. Help you to compensate for your mistakes and failures as parents, and counteract the influences of an evil world that would undermine the faith of your children. Ask the Lord for His involvement when your children or grandchildren stand at the crossroads, deciding whether or not to accept the risen Christ as their personal Savior, walk the christian path and receive eternal life with Him. As you seek to make Jesus Christ Lord of your life and home, search the Bible daily for guidance in your family life and attend a Bible believing church together.

Bank One, Campbellsport to Host Alice in Dairyland Friday

Area residents will have an opportunity to meet the 1988-1989 Alice in Dairyland when BANK ONE, Campbellsport, hosts a royal visit in celebration of June Dairy Month, Friday, June 16. BANK ONE President Russell Kamphuis has announced that Rebecca Weiner, the reigning Alice, will visit the main office of the bank at 114 North Fond du Lac Avenue, from 12 noon to 1:00 p.m. She will present a cooking demonstration and give a presentation in marketing Wisconsin's dairy products. Assisting her with the cooking demonstration will be FKIZ News Reporter Andrea Karworwski.

"We are very proud to serve Wisconsin's dairyland and wanted to do something special to recognize June as National Dairy Month," explained Kamphuis. "We are looking forward to Alice and Andrea's visit to our bank and invite all of our customers and area residents to stop in to meet them on June 16."

Weiner, 23, of Ladysmith, is Wisconsin's 41st Alice in Dairyland. She and her husband, Scott, operate a dairy and steer farm.

Weiner graduated from UW-Madison in 1987 with a BS degree in agricultural economics and journalism. She is recognized for her thorough understanding of agriculture

and agricultural issues.

During her reign as Alice, she has been employed by the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) as a public relations, communications, and market specialist.

Throughout the day, visitors to the BANK ONE main office will be able to sample cheese products donated by several of Wisconsin's leading cheese makers: Grande Cheese Co., Baker Cheese Factory, Park Cheese, Beechwood Cheese Factory, Schneider Cheese Factory, and Wiedmers Cheese Cellars.

An exhibit of model farms built by fourth graders from the Campbellsport Elementary School also will be on display at the bank's main office during Alice's visit and will continue through the end of June.

Family Wild Day Planned for June 24 At Lac Lawrann

Designing a fish, looking for food and water as a deer, and examining the inhabitants of a pond, these are several of the activities planned for Family Wild Day at Lac Lawrann Conservancy in West Bend. Games designed to teach about

the environment as well as entertain children from kindergarten on up, are planned for the first Wild Day June 24.

Four activities from Project Wild materials written by the Wisconsin Department of Natural Resources will be offered. Families with one adult participant are invited to join the fun at Wild Day. The activities will begin at 10 a.m. and end at 2 p.m. Each activity will last about 45 minutes and as the participants move to the next game they will have a chance to see Lac Lawrann. Bring a bag lunch for a picnic in the orchard at the old Schmidt farm. McDonald's orange drink will be furnished and "Racky" the raccoon will be there to greet the families and pose for pictures.

Registration is required. To register call the West Bend Park and Recreation Department at 338-5080. A dollar donation per family to cover the cost of materials is requested.

People believe if you use the same pillow your dog uses, you will dream what he dreams.

Shannon Buending Finalist In Wisc. Teenager Pageant

Shannon Buending of the Town of Wayne, was selected as a finalist in the 18th annual Wisconsin National Teenager Pageant, which was held at Carrol College in Waukesha on June 17 and 18. Shannon is the 17 year old daughter of Mr. and Mrs. Fred Buending.

Tuition scholarships and cash awards totaling over \$55,000 will be presented to the state finalists at the pageant. Shannon and the other contestants will be judged on scholastic achievement, leadership, poise-personality,

appearance, and may choose the option of presenting a talent display or an oral essay entitled, "What's Right About America." No swimsuit competition will take place.

State pageant winner will receive an \$8,000 scholarship to Oklahoma City University, a modeling scholarship, a \$1,000 U.S. savings bond, and expenses paid to the national pageant in Orlando, Florida in August.

Shannon enjoys skiing, archery, target-shooting, Karate and animals.

Her sponsors include: Bank One - Atty. Pat Stroik, Royal Ford, WBKV-92, Midcities Motorsports, Autocraft, Dr. Paul Rice, Gehl Co., Pizza Joes, Amity, Second Sun, Honeck Chevrolet, Dr. Heimsch, Barton Products, Hauser Chiropractic, Dr. Walter Handzlik, J&J Variety Outlet, BJ & Company, Art's Photo, Maysteel, Gary Philippi, Kennelly Pharmacy, Dick's Pizzeria, Randy Beth, Don Frederick Studios, Bits'N Pieces, Mr. and Mrs. Floyd Gessert, Regis Hair Stylists, and her family.

SUPER SUMMER SAFARI BEGINS AT BEECHWOOD

The sixth annual summer library program at the Beechwood Community Library, located in the Beechwood School, runs from June 13th to July 25th.

The program is on Tuesday mornings from 10:00 a.m. to 11:30 a.m. Any age child may register. The program is run in conjunction with the Random Lake Public Library and sponsored by the Beechwood Concerned Citizens group.

Each child makes out a contract for the amount of books they'll read this summer, and if they fulfill their contract they'll receive a certificate for a sundae from any Sheboygan Dairy Queen. As an added bonus this year they get one free admission to the Milwaukee County Zoo. We have a tentative outing planned for the Zoo on August 1st - more details later.

We will not have library on Tuesday, July 4th.

Each child will receive coloring sheets, mazes and other fun activities to do at home and bring back the next week, to be displayed if they choose.

Anyone having questions feel free to call Sue Buechel at 626-4418.

25 Years Ago

June 12, 1964

Mary Kroncke, daughter of Mr. and Mrs. Robert Kroncke, Kewaskum's first student to participate in the Americans Abroad summer program, will fly to New York, Friday June 26, and board the USS Seven Seas to sail for Rotterdam. From there she will go to Barcelona, Spain, where she will live with the Juan Pros Peris family.

Brother Isadore, O.F.M. Cap., son of Mr. and Mrs. Anton Herriges of St. Michaels, will leave for the Catholic mission at Bluefields, Nicaragua. Brother Isadore was not assigned but volunteered for mission work in Nicaragua.

Extremely high winds with gusts up to 50 miles per hour on Tuesday felled trees, downed wires and caused power failures in many areas. It was also the hottest day so far this year as temperatures reached 92 degrees. In Kewaskum, almost the entire village was without electric power from approximately 7:15 to 8:15 p.m. when two electric lines whipped together due to high winds and knocked out the power when the lines burned out.

Mr. and Mrs. John H. Heisdorf, R. 2, Kewaskum, announced the engagement of their daughter Judy to Carl Steiner, son of Mr. and Mrs. Chester Steiner, Kewaskum. An Oct. 10, wedding is being planned.

A marriage license has been issued to William Clarence Volm, Jr., R. 2, Kewaskum and Peggy Lee Larson, R. 6, West Bend, wedding June 20.

50 Years Ago

June 16, 1939

Mrs. Ed Dobke and son Roger, aged seven months, of the town of Kewaskum, and Louis Martin of the town of Barton, were injured in an automobile collision last Sunday morning about 1 1/2 miles south of Kewaskum. Mr. Dobke driver of one of the cars, and a man from Milwaukee, whose name could not be learned, a passenger in the other car, were also involved in the crash but were uninjured. The Terraplane car driven by Dobke, approached the crossing from the west, while the Chrysler car driven by Mr. Martin was headed south. The cars met at the crossing with the Dobke machine crashing into the right side of the one driven by Martin with terrific impact. Mrs. Dobke sustained severe cuts about one of her knees which required about a dozen stitches and several teeth were knocked loose. The baby suffered a forehead contusion which later caused pressure on the brain and left the infant's condition quite serious. After the pressure was relieved through draining, he showed rapid improvement.

Marriage licenses have been issued the past week to the following: Walter Christ, West Bend and Olive Windorf of Kewaskum, wedding June 17. August Koch and Beulah Schaub, both of Kewaskum, wedding June 18. Jos. D. Moser, West Bend and Margaret Rohlinger, Campbellsport, wedding June 24.

Births announced. Sons were born to Mr. and Mrs. Wilmer

Struebing, R. 3, Kewaskum on June 8, and to Mr. and Mrs. Edwin Hess of West Bend on June 4. A baby girl was recently born to Mr. and Mrs. Lawrence Staehler of St. Michaels.

75 Years Ago

June 13, 1914

The reconstruction of Main Street west of the railroad tracks to Fond du Lac Avenue was finished last Saturday evening. The work was done under the supervision of the State Highway Commission. The exact cost of the road, according to figures of Highway Commissioner Chas. Johnson is \$1,164.15.

During the absence of Henry Damm from his home near Elmore, unknown parties broke into his residence and ransacked the premises last Tuesday. Many articles were taken, among them a good gold

watch, over twenty dollars in cash, a collection of rare coins and about thirty-five young chickens. No clue to the robbery has as yet been obtained, but it is thought that it must have been someone who was well acquainted about the place and knew of Mr. Damm's extended absence.

Miss Katherine Klotz of Fond du Lac and Edward Schneider of Campbellsport, were married Wednesday morning at St. Joseph's Church, Fond du Lac. They were attended by Miss Nia Schneider of Oshkosh and Leo Husting of Campbellsport.

A team of horses belonging to Jos. Ziegler, a St. Lawrence farmer, ran away in Schleisingerville last Monday while in charge of the hired man. The team collided with a Ford auto owned by Hubert Lofy, town of Richfield, and was so badly damaged that it had to be taken to a garage to be repaired.

The KEYS Class Reunion Challenge

The Kewaskum High School Class of 1964 is having their 25th class reunion this summer and along with their reunion has come two special challenges to KHS alumni.

The first challenge is this: The Class of 1964 has challenged each of their class members to donate one dollar per year since their graduation from Kewaskum High School to KEYS, Inc. - Kewaskum Youth Scholarships, Inc.

The second challenge is this: The Class of 1964 is also challenging the other classes and their respective alumni,

that are having reunions this summer and the summers to follow, to also donate one dollar per year that they have been out of high school.

The Class of 1964 is hoping for 100% participation from their fellow class members and are going to keep track of the percent participation in order to compare their efforts with other class reunions. It is their sincere hope that the alumni of KHS will pull together to support KEYS and the quality education that KEYS is striving to make financially possible for our young people.

KEWASKUM 4-H

The Kewaskum 4-H meeting was called to order by Michelle Etta at the Community Center at 7:00 p.m. on June 1st. The Pledge of Allegiance was led by Christine Neumann. The 4-H Pledge was led by Marlo Deshotels. The secretaries report was read by Willa Marshall and approved by Christine Schmitt and Jenny Johnson. The Treasurer's report was read by Missy Radtke and approved by Wanda Lauters and Edie Farley.

Old business- Karen Schaub reported about Explorers Day. Joanne Lemke reported about the 75th Anniversary Action Center at the Outlet Mall.

New business - the 75th Anniversary Action Center will be held again June 10th from 2:00 - 4:00 p.m. at the Paradise Mall in West Bend. This is a fun time to show crafts and projects you are working on.

June 1st summer camp applications are due for camp at Upham Woods in Wisconsin Dells. Camp is July 9-12. This is a fun experience and you can learn a lot of fun activities and meet new friends.

Dairy Breakfast is June 10th from 6:30 - 11:30 a.m. at the Betty and Mark Pamperin farm. Persons who signed up to help should pick up a map and check their time for working. After working your shift you will receive a ticket for a free breakfast. Encourage your families and friends to attend. Tickets are \$2.75 in advance and \$3.00 at the farm for all you can eat.

Fantastic Friday will be held June 16th and 23rd from 7:00 - 3:00 for youth 5-11 years old. This camp is held at Glacier Hills Park near Holy Hill.

Noah's Ark trip is June 16th. The bus will leave from the Sentry parking lot at 8:00 a.m. We will arrive at Noah's Ark where we will be arm banded and receive tickets for lunch. The bus will depart from Noah's

Ark at 4:15 p.m. so we will have time to stop for supper at McDonalds and arrive back in Kewaskum by approximately 7:00 p.m.

June 24th there will be a Clothing Revue in the Paradise Mall. June 28th there will be a Foods Revue in the Paradise Mall. See your project leaders for details for the above events.

You will be receiving your Fair entry forms which should be made out and handed back to Diane Lemke or Pat Staehler by June 24th or earlier. These are forms which should be left together and handed into the extension office together as a group. If you have any questions about the form you may contact either Diane Lemke or Pat Staehler in completing the form.

There will be no meeting in July. Fair time takes its place, July 26-30 the Washington County Junior Fair in Slinger is at the Fairgrounds. See you all there and good luck on your projects.

"Anything Goes" will be held at Fair July 29th.

The Brewer game is scheduled Sept. 16th. Please sign up if you or your family would like to go.

Explorers meeting will be on June 7th at 7:15 p.m. at Schaub's residence, 310 3rd Street, Kewaskum. Please call Sara Lemke or Michelle Schaub if you cannot attend.

June 20th at 1:00 p.m. there will be a meeting at Pat Deshotels home. June 28th the child care people will meet and go to the Dy Care Center and

work with the youngsters for actual exposure on how to play and teach young people. Time is 10:00 a.m.

August 3rd there will be the next 4-H meeting at 7:00 p.m. at the Community Room in Kewaskum. We will be having election of officers this night so let the nominating committee know if you are interested in holding an office for next year. The Briggs family and Schmitt's family will be held in charge of refreshments and clean up.

Marlo Deshotels and Sara Lemke made a motion to close the meeting. Hope to see you August 3rd at 7:00.

Reporter, Joanne Lemke

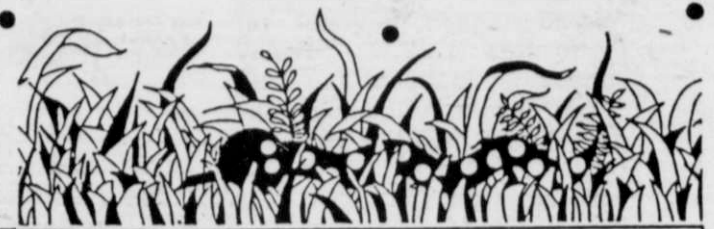

BEECHWOOD LIBRARY STORY HOUR A SUCCESS

The Story Time Library for pre-school ages and up, at the Beechwood Community Library in the Beechwood School, was a big success. Over 40 people participated in the library program from Sept. through May. Students from Farmington Elementary and local parochial schools used the library for reference material.

Each week stories were read, songs were sung, and each child received a picture to color. Special programs were given at Thanksgiving and at Christmas time. Parties were held for Halloween, Valentines Day, and at the end of the year.

Call the Statesman for all your advertising needs.

Weekly Health Tip

From Tom Kennelly

STROKE vs POTASSIUM

A high dietary intake of potassium is related to a 40% decrease in the risk of death by stroke. This finding came from a 12-year study of 859 men and women, age 50 to 70 years. The high potassium intake appears to lower blood pressure, thus reducing the main risk factor for stroke. Green leafy veggies, whole grains, oranges, bananas, apricots are rich in potassium.

We wish you good health

Top Drivers to Test Skills at Wisconsin State Truck Driving Championships Set for June 17 in Eau Claire

The top fleet truck drivers in the state will put their driving skills to a gruelling test June 17th in the 1989 Wisconsin State Truck Driving Championships at Chippewa Valley Technical College in Eau Claire, Wisconsin. Russell D. Witz, Kewaskum, who is employed by Laser Services, will compete in the Twin Trailer class.

The Truck Driving Championships, sponsored annually by the Wisconsin Council of Safety Supervisors, an affiliate of the Wisconsin Motor Carriers Association, to promote highway safety, is the toughest test of a truck driver's knowledge and job performance. The most dramatic competition is the field course, beginning at 7:45 a.m. Saturday, June 17 and lasting throughout the day. There are six parking and maneuvering exercises requiring precision driving and

steady nerves.

In one test, the driver of a typical 60-foot tractor trailer must maneuver his right wheels down a straight line between two rows of sponge rubber balls mounted within two inches of either side, without toppling any of the balls.

In addition to the field course, competitors are required to make a typical pre-trip inspection for the trucks, looking for a series of safety defects planted by officials. Each also

undergoes a personal interview and an hour-long written examination testing his knowledge of the trucking industry, safe driving rules, first aid and firefighting.

"The contestant making the highest total score in each of the events is designated the Champion of his Class," said Gene Vallafsky, of G.V. Associates, Shiocton, Wisconsin, Chairman of the 1989 Wisconsin State Truck

Obituaries

LORRAINE F. PORUBCAN

Mrs. Lorraine F. Porubcan, 74, of 1083 Highway 67, Campbellsport, died Tuesday, June 6, 1989, at her home.

She was born May 22, 1915, in Milwaukee, a daughter of Walter and Frances Wenzel Mueller. On Jan. 24, 1947, she married Stanley C. Porubcan in St. Louis, Mo.

Mrs. Porubcan was retired from Regal Ware. She was a member of St. Matthias Catholic Church, New Fane, and was a 55-year member of VFW Post No. 721 Auxiliary.

Survivors include her husband; two sons, Edgar J. Loomis and his wife Janette of Milwaukee, and Ronald F. Loomis and his wife Vivien of West Bend; one daughter, Joanne Baker and her husband Richard of Waukesha; 14 grandchildren; 10 great-grandchildren; brothers-in-law; sisters-in-law; nieces; and nephews. One daughter, Annita and one son, Jerome, preceded her in death.

Funeral services were held Friday at 10 a.m. at St. Matthias Church, New Fane. The Rev. Nicholas Goebel and the Rev. Wayne Barta officiated. Burial followed in the parish cemetery.

Friends called Thursday from 4 to 9 p.m. at Twohig Funeral Home, Campbellsport.

Memorials in her name are appreciated.

MARY K. UELMEN

Mary K. Uelmen, nee Pesch, a resident of St. Francis Home, Fond du Lac, formerly of Campbellsport, died Tuesday, June 6, 1989, at St. Francis Home, at the age of 102.

She was born May 31, 1887, in Campbellsport, a daughter of John A. and Catherine Theisen Pesch and married Dr. Peter E. Uelmen May 13, 1924, in Campbellsport. He passed away Jan. 1, 1933.

She was a member of St. Matthew's Catholic Church, Campbellsport.

Survivors include nieces, nephews and other relatives and friends.

Preceding her in death were a sister, Elizabeth Beisbier and a brother, John J. Pesch.

Funeral services were Friday, June 9, at 2 p.m. at St. Matthew's Catholic Church, Campbellsport. Rev. Jeffrey Gartman officiated and burial

was in the parish cemetery.

Visitation at the Twohig Funeral Home, Campbellsport was Friday from noon until the time of services.

RUTH JEAN SHASKE

Ruth Jean Shaske, 60, of Kathleen, Florida, formerly of Kewaskum, passed away on June 7, 1989 at her residence.

Originally a native of Sheboygan, she later moved to Kewaskum and finally Florida, where she resided with her husband for the last twenty years. She was a member of Our Savior Lutheran Church, Florida.

Survivors include her husband, Arnold; four sons, Terry (Annie) of Campbellsport, John (Cindy) of West Bend, Jeffrey (Kim) of Honolulu and Thomas (Bobbie) of New London, Conn.; two daughters, Sandra (Robbie) Kendrick of Lakeland, Florida and Peggy (Steve) Alander of Guam; one brother Robert Vanderkin of Plymouth; three sisters, Bernice Melius of Batavia, Beverly Hinz of Adell, Carol Fuller of Cascade, and seven grandchildren.

Services were held Saturday, June 10 at 10:00 a.m. in Gentry Morrison Chapel with Rev. Norman Springer officiating, Pastor of Our Savior Lutheran Church. Interment was in Socrum Cemetery, Lakeland, Fla.

IN MEMORY

In loving memory of Mildred Heberer who passed away one year ago, June 22, 1988:

REMEMBER WHEN...

The house was full at Christmas
We saw that smile and heard her laugh,
The laughter and love that made a house a home.

REMEMBER WHEN...

Mother's Day could not have been more special.
We felt her touch and caressed her warmth,
The warmth of her heart settling upon us.

REMEMBER WHEN...

God's fingers touched her, and she slept.

Sadly missed and loved by her husband, children, grandchildren and great-grandchildren.

Births

OTTEN — A daughter, Katie Lynn, born to Patricia and Jefferey Otten, 1505 Greentree Rd., West Bend, on Tuesday, June 13, at St. Joseph's Community Hospital, West Bend. Katie Lynn has one brother, Michael, age 9. Paternal grandparents are Jeanne Otten, Kewaskum, and the late William Otten. Maternal grandparents are Eleanor Holzmann, West Bend, and the late Alfred "Buddy" Holzmann.

BORJA — A daughter, Lauren Jacqueline to Jackie and John Borja of San Diego, CA., on May 26. Maternal grandparents are Mr. and Mrs. Lloyd Mueller of 1074 Hwy. S, Kewaskum. Paternal grandparents are Mr. and Mrs. Joseph Borja of Agana, Guam.

CARD OF THANKS

A warm and sincere thank you to our relatives, neighbors and friends who share in the loss of our dear father, grandfather and great-grandfather, Lawrence Laatsch. A special thank you to Rev. Kesting and donors of flowers, memorial tributes, Millers and to anyone who showed their respect. The kindnesses will long be remembered.

Mrs. Lawrence Laatsch & family

Letter to The Editor...

June 12, 1989

Dear Editor:

Kewaskum High School Odyssey of the Mind team 'B', is back from Colorado. We placed 22 in the world, in our problem division.

We had a great time meeting and trading with people from other teams. There were teams from China, Russia, Mexico, British Columbia, and the other 47 U.S. competing states.

Another part of our experience included getting on the 5, 6 and 10 o'clock Denver Local News (channel 7). We also made the papers, we were in the 'Rocky Mountain News'. The team has been told by family and friends that we were on 'Good Morning America', 'NBC Nightly News', and 'USA Today'.

We would like to say thanks to all who helped out, and made this a most memorable experience.

"THANKS"

from the OMers,

Ira Sison, James Dionne
Jeff Kissinger, Jeff Morlen
Dave Prunty, Chris Schoofs

Date Set for Foods Revue

The 1989 Foods Revue is being held Wednesday, June 28, at Paradise Mall in West Bend. Entrants may choose from several categories including a new edition this year entitled, "Mini Demonstrations." Entrants have the opportunity to demonstrate a subject relating to Foods and are evaluated on the basis of presentation, understanding of the subject

and appearance. All participating in this category are eligible to receive a prize.

All 4-H members and organized youth groups are encouraged to apply by contacting the County Fair Office, P.O. Box 1986, West Bend, WI 53095. Phone 338-4485. The deadline for entries is Friday, June 23.

In getting out our newspaper each week we try hard not to make mistakes.

In Copenhagen, Denmark, some brides rent wigs with tresses eight feet long to wear for their weddings.

Minutes of Special Village Meeting

Special Joint Meeting
Kewaskum Village &
Library Boards
May 22, 1989
8:00 p.m.

The Village Board and Library Board of Kewaskum, Washington County, Wisconsin met in special session in the Council Room of the Municipal Building, 204 First Street.

President Paul E. Blumer presided. All Trustee and Library Board Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

President Paul Blumer introduced the Library Board members to the Village Board.

Review of Ordinance No. 89-7 as approved April 3, 1989 was conducted. It was indicated that the Ordinance was drafted to update the Municipal Code to state statutes 43.54 and to eliminate a conflict of interest by having the Library Director serve on the Library Board.

Review of the proposed Cooperation Agreement between the Village of Kewaskum (Board) and Library Board was conducted. The eleven (11) points of the agreement were reviewed and it was noted how the points relate to State Statutes 43.58. It was so noted there is a need for such an agreement due to the fact the Village and the Library Board are desirous to establishing appropriate arrangements for coordination of Library operations.

On a motion by Trustee Mary Krueger, seconded by Trustee Richard Schlice and unanimously carried by roll call vote, the Board approved the Cooperation Agreement and authorized the signing of same. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Kenneth Bonlender, seconded by Dorothy Blumer and unanimously carried by roll call vote, the Library Board approved the Cooperation Agreement and authorized the signing of same. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

A brief discussion was held on items to be included in a Library personnel policy. Job descriptions, delegation of duties, personnel and Library hours, ability to assist patrons, lunch time, use of and responsibility of microfiche, computer, typewriters, fax and any other equipment, as well as any other points to be suggested by the Library and Village Boards. It was noted that a follow-up meeting just on personnel will be scheduled later after the policies and descriptions are drafted.

The Boards reviewed past and present Library Budgets as well as related Village resolutions pertaining to Library Financial Matters. After the review, the consensus of the two Boards was that all financial matters have been resolved and appropriate action taken as approved by the Corporation Counsel and County Auditor.

General discussion was then held on a variety of topics regarding the Library. Mrs. Hlavaty informed the Boards that she has so much additional work to do because of the system. Also, each library is required to do all sorts of extra programs because of the system. She also informed the Boards she feels it is time to make the Library Director full-time and along with that she felt entitled to all benefits including health insurance. State Certification and Continuing Education were also brought up regarding being paid for the time spent in class, travel time, mileage and study time.

Items mentioned by the Boards were: better delegation of duties, the treatment of everyone fairly as far as pay and the point being that Mrs. Hlavaty was hired as a part-time employee September, 1987 for 25 hours a week and that she has ex-

panded those hours to 32 hours a week with no extension of Library hours. The Village Board by consensus was opposed to any change regarding part-time versus full-time for the Library Director.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Vincent Groh to adjourn the meeting. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent." The motion was carried by the Village Board unanimously. Roll call vote was also carried unanimously by the Library Board. Roll call vote was 5 "Aye," 0 "Nay," 0 "Absent."

Daniel S. Schmidt
Administrator

Special Meeting
May 30, 1989
7:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin met in Special Session in the Council Room of the Municipal Building, 204 First Street.

President Paul E. Blumer presided. Trustee Mary Krueger was absent. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Vincent Groh, seconded by Trustee Thomas McElhatton to adjourn to closed session under Chapter 19.85(1)(e) of the statutes to deliberate and negotiate the disposition of public lands (discussion on proposed land sale of

Creekview Estates).

Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was passed by the majority.

Daniel S. Schmidt
Administrator/Clerk

Village Board Meeting

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, June 19, 1989 at 8:00 p.m. in the Council Room, of the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of the Valley Bank.

Daniel S. Schmidt
Administrator

TOWN OF WAYNE Town Board Meeting

The monthly town meeting will be held at 8:00 p.m. June 21, 1989 at the Town Hall 6030 Hwy. H. A complete agenda can be obtained from the clerk the day before the meeting.

Genetic Link Found in Lyme Disease Lends Clue to Cause of Rheumatoid Arthritis

A recently completed study indicates there may be a genetic basis for the chronic arthritis found among people with Lyme disease, and as a result, gives greater evidence for what may be the cause of rheumatoid arthritis, according to the Arthritis Foundation's Wisconsin Chapter.

"Lyme disease is caused by bacteria that enter the body through the bite of a deer tick," said Joseph Bretza, MD. "The disease can affect many systems of the body, including the joints, skin, heart and nervous system. Since it was first identified in 1977, Lyme disease has been reported in more than 33 states."

The two-year research study, conducted by the scientist who first identified Lyme disease, found that although 80 percent of people with Lyme disease experienced joint pain at some time during the course of the disease, only 10 percent develop chronic, or long-lasting arthritis.

When different people with Lyme disease were compared, it was found that an increased frequency of HLA-DR3 and DR4 genetic markers were present in people with chronic Lyme arthritis. The same genetic markers are also more commonly found among people who have rheumatoid arthritis, the most severe form of arthritis.

The researchers, supported by the National Institute of Arthritis, Musculoskeletal and Skin Diseases, suggest that the discovery of the same genetic markers among people with both diseases, combined with the knowledge that an infectious bacteria causes Lyme disease, gives greater credibility to the idea that one or more infectious agents may be responsible for triggering rheumatoid arthritis genetically predisposed individuals. "Other research is being conducted to determine exactly what the infectious agents triggering rheumatoid arthritis might be," Bretza said.

This new information is only the latest in progress being made against the various forms of arthritis. The Arthritis Foundation spent nearly \$8 million on arthritis research during 1988, all of which was supported by public donations. Over \$90,000 of last year's national research budget was awarded to Wisconsin researchers. Locally, the Wisconsin Chapter will award \$25,000 to individual investigators and research centers in 1989.

The Arthritis Foundation supports research to find the cure for and prevention of arthritis and to increase the quality of life for those affected by arthritis. It is the only national, voluntary health

organization seeking the answers to questions surrounding all forms of the disease.

To learn more about the latest in arthritis research, contact the Arthritis Foundation's Wisconsin Chapter at 1-800-242-9945 and ask for the new brochure "Arthritis Research: What's New."

SHEEPSHEAD WINNERS

IN MEMORY

In memory of Ruth McChain, who passed away two years ago, June 19, 1987:

We all still have the vision of her sitting in her kitchen, sewing quilts for all the newborn children. Even though her smiling face isn't here anymore. We love her as much now as we did before.

From all of the family we miss her and we all know someday we'll be with her.

LWML Members Prepare To Attend Convention

Esther Maehtle, South Wisconsin District LWML Financial Secretary, and husband, Ralph, Waubeka, Marlene Barber, District Mission Service Chairman, Saukville, Doris Krahn, Zone Nine President, and husband Victor, Plymouth will join with approximately 7,000 convention delegates and guests attending the 23rd biennial convention of the International Lutheran Women's Missionary League, June 26-29 in Rapid City, South Dakota. Doris Krahn is the delegate for Zone Nine of the South Wisconsin District LWML.

Others attending from Zone Nine are Eileen Jentsch, Beatrice Scholz, Helen Winter, and Doris Winter, Sherman Center, Shirley Aurich and Vi Seider, Batavia, Jean Dipple and Mildred Jeske, Cascade, Irene Blanke, Adell and Bernice Ward, Plymouth.

The convention theme is "Seek His Face Always." Highlights include the selection of mission projects, Bible study, featured speakers, interest conferences, entertainment, displays and tours.

A procession of banners from each of the 44 United States and Canadian districts will open the convention Monday evening followed by a Festival Service with Communion. Dr. Orville C. Waltz, President, Concordia Seminary, Edmonton, Alberta, Canada, will be the preacher for the service.

A reception will be held following the communion service to give everyone the opportunity to meet the International officers, nominees and special guests.

For the delegates, a convention highlight on Tuesday will be the setting of a mission goal and selection of the mission projects for the biennium from the 24 proposed projects totaling \$1,442,000.00.

The International Lutheran Women's Missionary League has over 200,000 members in the United States and Canada. From the beginning of this League, the emphasis has always been to encourage and equip members to reach out in love, to provide opportunities for mission service and to gather funds for mission projects all over the world.

Indians JV Rally Beats New Holstein

By Dennis Butz

A six run seventh inning keyed a 7-6 nine inning win for the Kewaskum JV's on Thursday.

The Huskies were cruising with a 6-0 lead going into the bottom of the seventh when the bottom of the Indian order started the rally by loading the bases. Kim Marx, Chad Cook and Jason Krahn then responded with three straight hits and all eventually scored to tie the game. In the ninth Dave Powers hit a bases loaded single to win the game.

Leading the hitting for Kewaskum were Cook and Krahn who both went 3 for 5. Defensively, Sean Schneider pitched an excellent game going the whole nine innings while striking out eleven.

The JVs, now 2-0, travel to Campbellsport on Thursday, June 15, and host Howards Grove on June 20.

WEDNESDAY ENGLISH DARTS

Milwaukee Brewers and Local ALS Chapter Pay Tribute to Lou Gehrig

MILWAUKEE — As part of Major League Baseball's and The ALS (Lou Gehrig disease) Association's 50th Anniversary Tribute to Lou Gehrig, the Brewers and the ALS Southeast Wisconsin Chapter will hold a Lou Gehrig Tribute Night on Wednesday, June 21.

The evening activities start with a tailgate party at County Stadium from 5:30 - 7:30 p.m. sponsored by the ALS Southeast Wisconsin Chapter. Tickets for the tailgate party are \$15 which includes food, beverages, lower grandstand ticket, raffles and music by the band "Shure Thing." Also available for \$10 are lower grandstand tickets.

Ceremonies will take place before the game featuring a specially made video on Gehrig and ALS in addition to other activities.

Tickets can be purchased by sending a check for the number of tickets desired to The ALS Association, P.O. Box 1759, Milwaukee, WI, 53201 - 1759 or at the tailgate party entrance. Please specify if the order is for the tailgate party or the \$10 lower grandstand ticket only.

Major league baseball teamed up with The ALS Association in an effort to create a greater awareness of the fight against amyotrophic lateral sclerosis and to help raise funds for vital research and patient support for the association.

Gehrig, who played his last game 50 years ago was forced out by ALS, the disease that took his name and his life.

"Lou Gehrig epitomized excellence through strength, durability and courage," said Baseball Commissioner A. Bartlett Giamatti, the Tribute's honorary chairman. "Major League Baseball is very pleased to take part in the effort to find a cure for the disease that took his life." (It began with a \$50,000 contribution from Major League Baseball.)

Other activities in which The ALS Association is involved in this Tribute year include:

- participation in the issuance of a commemorative U.S. postage stamp honoring Gehrig at the Baseball Hall of Fame at Cooperstown.
- promotions during the summer at American Multi Cinema and General Cinema Corporation movie theatres throughout the country.
- release of a commemorative edition of "The Pride of the

Yankees" by CBS-Fox Video which will include the four-minute to be shown at ballparks on Tribute Day and an information booklet on Lou Gehrig and The ALS Association.

Lou Gehrig was called the "Iron Man." With boyish enthusiasm and quiet humility, he played Hall of Fame - caliber baseball for an incredible 2,130 consecutive games, leaving a mark on the game and its fans that will never be erased.

Statistics are as much a part of baseball as gloves and bats, high fastballs and home runs. In this dusty, sweaty game of numbers, only one record is secure - Gehrig's. After 150 years of baseball, Boston Red Sox shortstop Everett Scott holds second place in consecutive games played. With 1,307, Scott falls some five years short of the "Iron Man." The only modern marathon men to break a thousand games are Steve Garvey (1,207) and Billy Williams (1,117).

The "Iron Man" drove in 100 or more runs 13 seasons in a row and bettered 150 RBI on seven occasions, setting an American League record with 184 in 1931. The following year, he became the first 20th century player to hit four consecutive home runs in one game. His lifetime batting average? .340!

On July 4, in his famed farewell address, Gehrig said he "may have been given a bad break," but he was "the luckiest man on the face of the earth." On June 2, 1941, 16 years to the day after entering the Yankee lineup, he died in Riverdale, New York.

The ALS Association is the only national voluntary nonprofit health organization dedicated solely to the fight against amyotrophic lateral sclerosis (Lou Gehrig's disease) through research, patient support, information dissemination and public awareness.

Athletics Tounce Cedarburg With 14-Hit Attack

By Bob Pick II

CEDARBURG — Terry Koth and Andy Hoenecke accounted for five of Kewaskum's fourteen hits, enabling the Athletics to post a 12-7 victory over Cedarburg in the Land O' Lakes Northern Division Saturday afternoon.

Koth had a three-run homer to right in the third, a two-run homer to left in the fourth and a single in the seventh, scored three runs and drove in five for the afternoon. Hoenecke had a two-run triple to right in the fourth, a run-scoring single to right in the sixth, scored two runs and drove in three. Bob Yahr had three singles, scored three runs and drove in one for the Athletics.

Bill McLaughlin belted a two-run homer to left center in fourth and Brian Baster had two singles and drove in a run for the hosts.

Jeff Geidel worked the complete game for the Athletics, giving up seven hits, nine strike outs and two walks.

Cedarburg has lost its only two games; the Athletics have won three of four.

Athletics Fast Start Buries the Benders

By Bob Pick II

WEST BEND — Terry Koth had two doubles and Bob Yahr had three singles and scored four runs as the Kewaskum Athletics routed the West Bend Benders 13-4 in a Land O' Lakes baseball game here Sunday afternoon.

Mark Schlosser had a double to drive in a run in the first when the Athletics scored five times and Skipper Dave Donath drove in a run in the top of the fourth with an infield grounder.

Don Menzel gave up seven hits in pitching the full nine innings. He struck out thirteen Benders and had four walks. Todd Adornato worked six and Andy Klein three for the 0-4 Benders.

The month of June has been a profitable one so far for the Athletics. In the three games the locals have played in the last ten days they have outscored

their opponents by a 37-20 margin. In the process they have raised their lakes record to 4-1, their nite league record to 1-2 and their overall record counting non-league games to 6-5.

The always competitive West Bend Lithias will help the Athletics celebrate Father's Day when they are the guests this Sunday afternoon for a 1 p.m. Land O' Lakes game.

Braun, Lubahn, Kasseckert, Zuehlke Conclude Outstanding Season at State Track Meet

Pictured, left to right: Melissa Braun, Kristi Lubahn, Shelley Kasseckert and Rachelle Zuehlke

On Saturday, June 3, four of Kewaskum High School's top girls track team members concluded an outstanding season by competing in the State Track Meet at Memorial Stadium in Madison. Sophomores Melissa Braun and Rachelle Zuehlke, along with Juniors Kristi Lubahn and Shelley Kasseckert, qualified for the State Meet in three

separate events.

The four girls made up the 800 M relay team which qualified for the meet by setting a school record of 1:49.9 seconds in sectional competition. Melissa Braun also qualified in the 200 M dash by setting a school record time of 26.8 seconds. Kristi Lubahn qualified for the state meet in the 300 M hurdles (Lubahn currently holds the school record in the 300 hurdles 48.0).

The State Meet began on Friday with preliminary heats being run in most of the races. It was a pleasant day except for some fairly strong winds. The wind however did not seem to bother the KHS girls as they made the finals in all three of the events they competed in. To make the finals the runners

must have either won their heat or have one of the next five fastest times in the preliminary heats. Head coach Perry Koth commented, "Just getting here was a GREAT accomplishment, and then to have them all make the finals was frosting on the cake."

On Saturday the weather took a turn for the worse, cool temperatures and rain dampened the competition throughout the afternoon. "It was very windy and raining quite hard when we were running several of our events" Koth said. "I think our lack of experience hurt us the second day." None of the KHS girls were able to place on the final day of competition. There are 118 class B schools who were competing in track this year

KHS Indian Sluggers Still Struggling with the Bats

by Dennis Aupperle

The Kewaskum Indian baseball team continues to struggle with the bats in their last three games.

The Indians lost to Chilton 4-3, to fall to 1-2 in the Eastern Wisconsin Conference. Both teams committed three errors, while Kewaskum outhit the Tigers 6-4.

Indians with hits were Brian Leitheiser and Dennis Aupperle, both going 2 x 3, Bruce Waechter 1 x 4 and Rich Radtke 1 x 2.

Dan Pethan picked up the victory for Chilton while Aupperle took the loss. Pethan struck out six and walked six while Aupperle struck out eight and walked two.

The Indians lost another one run game to Sheboygan Falls

4-3, collecting just two hits while the Falcons had eight. Dan Heisdorf and Mike Heberer collected the two hits, while Heisdorf had two stolen bases and Brian Leitheiser had one. Mike Heberer struck out three, and walked four, then Bruce Waechter came in for relief. John Frausto picked up the win for the Falcons.

On Thursday the Indians traveled to Kiel, losing 6-4. Dan Heisdorf and Rich Radtke lead the Indians going 1x3 and 2x3, both having a home run and Radtke also having a single, but that was all for the Indian bats. The Raiders had seven hits, being led by Jay Isselmann who went 2x4. Aupperle went the distance for the Indians, taking the loss, while Chris Held picked up the win for Kiel.

This week Kewaskum looks for it's second conference win, playing Plymouth on Tuesday, New Holstein on Friday and Campbellsport in a non-conference game Thursday.

Koth's Hot Bat Too Much for Waupun

By Bob Pick II

WAUPUN — Terry Koth had two hits, both homers, as the Kewaskum Athletics rallied to beat Waupun, 12-9 in Tri-County Nite League action here last week Wednesday. Koth's three-run shot with two out in the top of the ninth broke a 9-9 tie.

Tim Heberer (1-1) allowed no runs and four hits in 5 $\frac{2}{3}$ innings after taking over for starter Don Menzel.

Mike Nolan had a double and drove in two runs and Kevin DeBoer had a single and two rbi's for Waupun.

The Athletics took a 3-0 lead in the second on singles by Menzel and Tim Dettmann, three Waupun errors, Mark Schlosser's double and Bob Yahr's sacrifice fly.

Another Athletic run crossed the plate an inning later on Dave Donath's double down the left field line, Menzel's infield grounder and Dettmann second single.

Waupun scored six in the third as eleven men batted and then scored three more in the fourth for a 9-5 lead.

The Athletics scored a pair in the fifth on a walk to Donath, Dettmann's third single, Ric Leitheiser's single and Schlosser's sacrifice fly.

Koth tied the contest in the sixth with a two-run homer to left center off Waupun starter Brad Parrish.

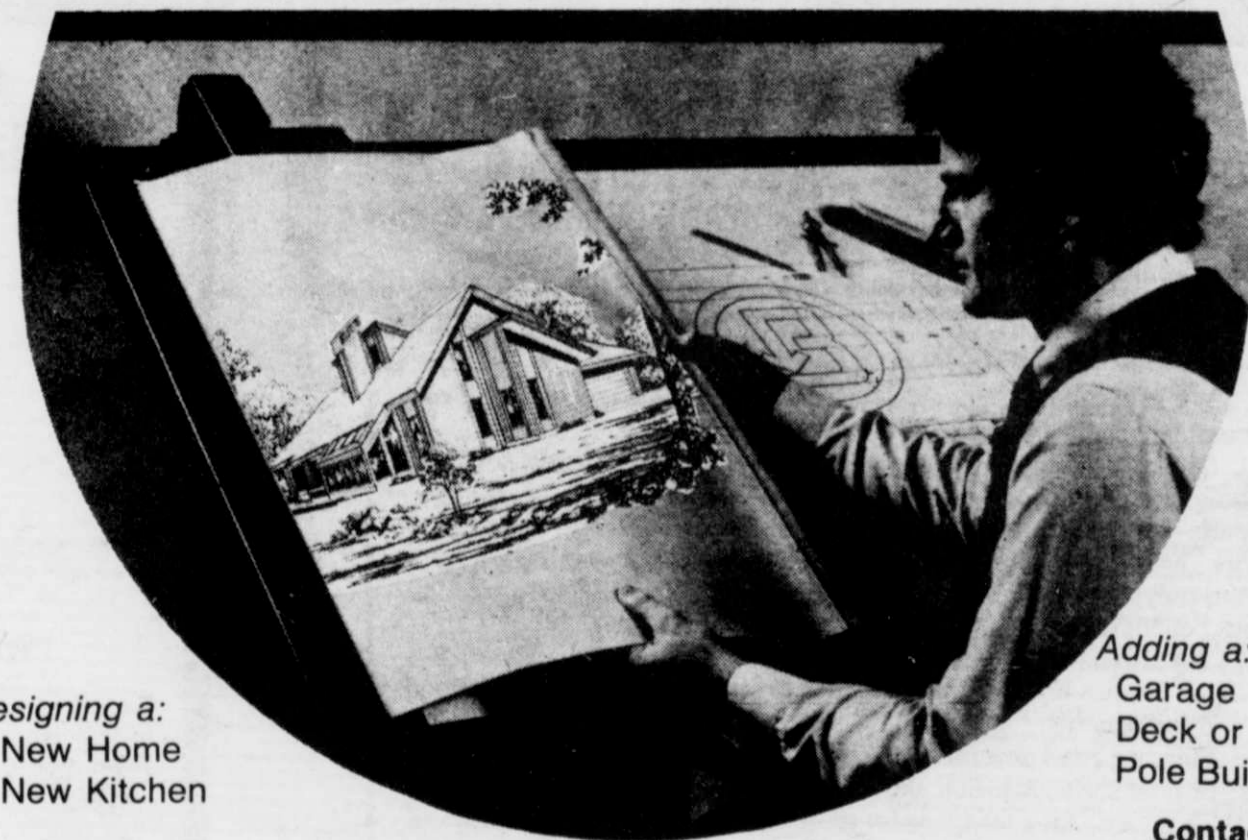

The hosts went to the bullpen an inning later and brought in Tim Bresser. Bresser retired six out of ten batters, gave up two singles and two walks before Koth handed him the loss. Koth's game winner was a 1-and-2 pitch hit down the left field line.

The next Nite League contest for the Athletics will be Saturday afternoon when the West Bend Company comes to town for a 1:30 p.m. game.
