'Flight for Life' Helicopter Lands at Firehouse for Demonstration Here

The Milwaukee Regional Medical Center's 'Flight for Life' helicopter landed on the north parking lot of the Kewaskum Firehouse on Thursday, June 22, to demonstrate to the firemen and emergency medical technicians their approach and landing techniques.

The helicopter was scheduled to arrive around 7:45 p.m. but was delayed by an emergency flight to Racine. The helicopter arrived around 9 p.m., circled once, and then guided by the red flashing lights of the Kewaskum Rescue Squad, landed in a flurry of wind, gravel and flying dirt amid an anxious crowd of spectators.

The flight from the Milwaukee Regional Medical Center to Kewaskum took only 15 minutes.

Prior to the landing, a program was presented to the Fire Department and Rescue Squad members by 'Flight for Life' Operations Manager Scot Rudolph. A film was shown and discussion followed on landing procedures and what type of rescue cases require 'Flight for Life' transportation.

Mark Herriges, Kewaskum Rescue Squad Captain, made the arrangements for the helicopter's flight and demonstration here.

Ironically, upon their return to Milwaukee, the 'Flight for Life' helicopter was promptly called back to this area. A Milwaukee man was flown from St. Joseph's Community Hospital in West Bend to the Milwaukee Regional Medical Complex following a diving accident in West Bend's Regner Park.

The Milwaukee Regional Medical Complex celebrated the 5th anniversary of Wisconsin's First Helicopter Service with a 'Flight for Life' media birthday party on Monday, June 26.

Contract Approved to Repair Hwy. 28 Bridge Over Milwaukee River Here

Governor Tommy Thompson has approved a \$350,000 contract to provide new concrete bridge deck overlays for six overpasses in Milwaukee and Washington counties.

The contract, awarded to Zenith Tech, Inc. of Waukesha calls for the construction of new concrete floor overlays, expansion joint revisions and curb repairs to the following bridges: 76th Street over Silver Spring Dr., Milwaukee; Hampton Ave. over US 45, Milwaukee; Highway 100 over the Menomonee River Parkway, Wauwatosa; Capitol Dr. over the Menomonee River Parkway; WIS 57 over Brown Deer Rd., Milwaukee; and WIS

28 over the Milwaukee River, Kewaskum.

"While these bridge-repair projects are in progress, there will be some inconvenience to the public, since most of them are in urban areas with high traffic volumes," said Harvey Shebesta, director of the Wisconsin Department of Transportation's Southeastern district.

"We hope that our traveling public understands the need for an aggressive bridge maintenance program to extend the life of these structures."

Construction is expected to begin in mid-summer and be completed by Thanksgiving. Work will be done under traffic,

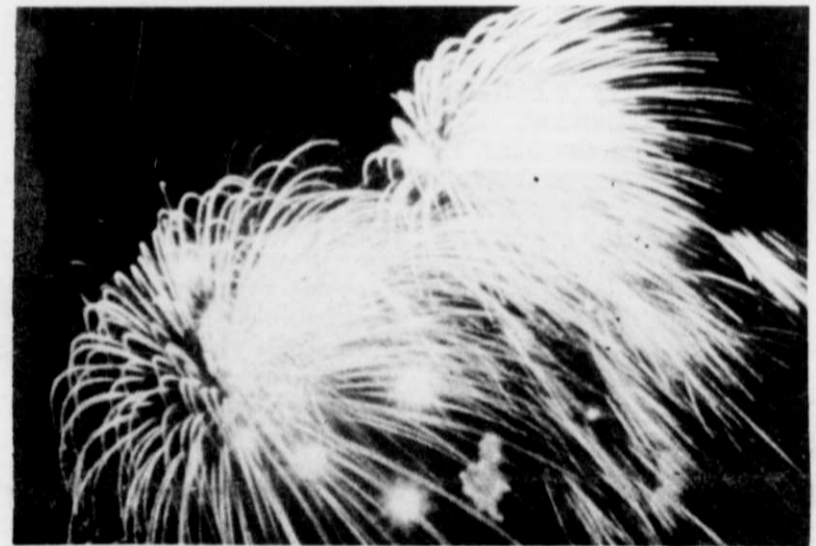

with one 11-foot traffic lane maintained in each direction at all times.

Holiday Notice

Due to the 4th of July holiday next Tuesday, the deadline for news and advertising is **Monday noon**. Classifieds will be accepted until noon on Wednesday. The office will be closed on Tuesday, but a 24 hour mail slot is available for your convenience, in the front door. Thank you for your cooperation.

Kewaskum FIREWORKS

Here Monday, July 3

The annual Fourth of July holiday fireworks display will again be held in Kewaskum River Hill Park on Monday evening, July 3. The event is sponsored by the Village of Kewaskum under the supervision of the Kewaskum Fire Department.

The spectacular fireworks will be set off at dusk from the west side of the Milwaukee River. Spectators on the park hill across the river will have the best view of the brilliant fireworks, which will include ground displays of color and light and thunderous aerial bursts and sprays illuminating the sky.

The park will open at 5:00

p.m. and food and refreshment stands will be in operation at that time. Live music will be provided starting at 7:00 p.m. to midnight by "Platter Chatter."

All residents of Kewaskum and surrounding area are invited to "light up" their holiday celebration by attending the traditional fireworks. Come early and enjoy the entire evening.

In the event of rain the fireworks will be held on Tuesday night, July 4.

A reminder that the annual Kewaskum Firemen - Legion picnic will be held on Saturday and Sunday, July 8 and 9 with an excellent parade at 12 noon on Sunday.

Zimmel Named Chairman for Kewaskum Division United Way

Gerald Zimmel, President and CEO of Valley Bank Kewaskum, has accepted the 1989 drive chairmanship for the Kewaskum division of the United Way of Washington County.

Zimmel, 52, has been president of the bank since 1985 and has been active in the Kewaskum Kiwanis Club, St. Lucas Lutheran Church, and as a former school board member for Kettle Moraine Lutheran High School.

He and his wife, Carol, have resided in Washington County all their lives. They have four children.

Zimmel said that he welcomed the challenge of organizing the first drive in

Charland Submits Resignation

By GERRY MUELLER
Statesman Staff Writer

At a special meeting last Thursday evening, the Kewaskum Board of Education accepted the resignation of High School Social Studies instructor Francis Charland, effective immediately.

Charland joined the Kewaskum School District in 1970. During his nineteen years with the district he taught social studies, with his major history. For a short time he also taught physical education.

Beside his teaching duties Charland, during his association with the district, also served in various coaching capacities. He was Head Wrestling Coach for 13 years, Assistant HS Football Coach 9 years, Head Football Coach 3 years, Assistant HS Boys Track Coach for 8 years and had been Head HS Boys Track Coach for this past year.

In an informal interview

Monday, Charland said there was no 'one' specific reason for his decision to resign, but rather a coming together of several things at this time. "I've been thinking about leaving teaching for about a year-and-a-half," said Charland. "I've come to a point where there are other things I want to do." He noted he is looking at some new opportunities which have recently come his way.

Charland also said he will be undergoing hip replacement surgery next month. "That means I could be out anywhere from three to six months of the next school year," he said. "So, I began to think maybe now is the time to say, 20 years and out." (Charland taught in the Milwaukee area one year before coming to Kewaskum).

Charland said he has no immediate job plans but that he is looking into some different career options.

Children's Parade At County Fair

The 1989 Washington County Junior Fair and the Washington County Extension Homemakers will be co-sponsoring a Children's Parade at the County Fair on Wednesday, July 26 at 6:00 p.m.

All children under 10 years of age are invited to dress up in their favorite costumes and enter the parade.

The categories children may choose to dress as include rock and show business personalities, nursery rhyme or fairy tale characters, farm life, clown, TV or comic strip characters, animal, decorated vehicles, inanimated object or outer space creature.

Entry forms can be obtained from the Fair Office, Courthouse, Room 240 or call 338-4485; 644-5204 or 342-2929. All participants will receive a ribbon and a carnival ride ticket. Pre-registration is encouraged.

Kathy Charland of the Board of Christian Education will direct a summer Sunday School program to follow the children's sermon at the regular 9:30 a.m. Sunday worship services. Pre-kindergarten through students ready to begin fourth grade will be eligible to take part.

A tithing gift was made to the Peace Church organ fund by members of the Peace Players Drama Group following their May 25-26 second annual dinner theater production, "Hot Property," in the church fellowship hall. Proceeds of the play will support religious drama presentations at Peace Church for the 1989-90 year. A cast party for actors, directors, and their families was held on May 31 at church. Those included Margaret and Shannon McFadden, Shelley Pennington, Margaret Seideman, William Stangl, Steven Romans, Charles Petrie, Curt Ammel, Rev. Bettin, Marian Erdmann, and Willard Gruhle.

which Kewaskum is part of the county-wide United Way Drive. The Kewaskum organization was merged into the county United Way system this year.

Last year's Kewaskum drive was a big success, raising about \$30,000 for agencies serving the Kewaskum community. A majority of those agencies serve other parts of the county besides Kewaskum, but there are several Kewaskum agencies that will continue to be separately funded with the proceeds from this year's drive. All Kewaskum agencies have been guaranteed at least their previous level of funding through 1991.

"We've done a good job in the past, and I think we can do an even better job in the future with a drive that has professional support," Zimmel said, "all of the agencies — those that serve the county as a whole and those that serve Kewaskum in particular — will be better off," he added.

John Torinus, Chairman, said that he was pleased with the response of the Kewaskum community to the consolidated

approach for supporting charities in the area.

He noted that the biggest employer in the Kewaskum community, Regal Ware, Inc., had offered its full support for the drive and had agreed to provide a loaned executive to help staff the effort coming up in the fall.

"We're off to a good start with Jerry Zimmel agreeing to head the drive and we are expecting to do a good job for all of the agencies involved," he said.

Summer Events Keep Peace Church Members Busy

"Celebrate Life," a musical presentation of the life of Christ, written by Buryl Red and Ragan Courtney, was presented during the June 18 Sunday worship service at Peace United Church of Christ in Kewaskum to a capacity congregation.

Directed by Larry Ammel, Peace Church Choir featured solos by Shannon McFadden, Charles Petrie, William Stangl, Barbara Breitag and Becky Manthei. Speakers were John Kletti, Clark Pearson, Patrick McFadden, and Rev. James Bettin. Margaret McFadden was organist, and Curt Ammel coordinated the sound effects.

Moraine Area Piano Workshop

Area children will have a chance to "go for Baroque" this summer in the annual Moraine Area Piano Workshop at the University of Wisconsin Center — Washington County.

The Moraine Area Private Music Teachers Organization and the UWWC Music Department are co-sponsoring 8:30 to 11:45 a.m. sessions from July 31 to Aug. 4.

Fee for the program is \$30. The application deadline is July 8.

This summer's workshop is open to students going into grades 5, 6, 7 or 8. Participants should have had at least two years of piano instruction.

Anna Asch of West Bend, an officer in the teachers group and a member of the UWWC music faculty, said the workshop theme "Go for Baroque" points up a central emphasis of the week. She said, "We will explore music of the 18th century with emphasis on Bach."

Four classes are being offered: Music Theory and Composition, Music History, Ensemble Playing and Capriccio Class.

Asch said, "The piano workshop offers a unique opportunity for students to sharpen their musical abilities through the study of musically related subjects with different music teachers of the area."

For more information, contact Mrs. Asch at UWWC, 338-5200.

This celebration concluded the choir season until September.

An all-church picnic for the Peace Church congregation was held on June 11 at Kiwanis Park in Kewaskum, following a religious service led by Rev. Bettin there. Musical selections were presented, featuring the 37 students from the Peace Church Bible School, held June 5-9. Parents and friends of the children as well as church members attended. Shelley Pennington directed the music, and Sherry McElhatton provided keyboard music.

Linda Guelig, Bible School Superintendent, presented Rev. Bettin with a check for \$100.00 and a large first aid kit to be used by the Peace Church Habitat for Humanity work crew slated to build homes in Zanesville, Ohio, July 8-15. The money resulted from a Sunday School aluminum can project and it will be used for construction materials. Regular Sunday School classes will resume next September at Peace Church;

Dr. David Heather, left, presents Walt Bade, right, with a certificate of recognition and the school district's gratitude.

A reception was held Thursday, May 25, 1989 to honor Walt Bade who has retired after 37 years of teaching in the Kewaskum School District.

Friends and relatives were on hand to offer congratulations and well wishes. Dr. David Heather, on behalf of the entire district, thanked Mr. Bade for his years of dedicated service to the children and the community. Tokens of appreciation were presented by School Board President Neal Weare and KEA President George Allmann, LeRoy Kopecky, Bill Lickel and Orv Behnke. Walt also received a certificate of recognition and gratitude from the Department of Public Instruction.

Present also was retiring School Board member Clara Trapp who was recognized and thanked for her service during her 3-year tenure on the board.

Refreshments were served by Farmington cook, Marge Krahn.

KMS Student Dan Schulteis To Attend Science World '89

Dan Schulteis, son of Mr. and Mrs. Robert Schulteis, was chosen as one of 384 students statewide to participate in Science World '89.

The summer enrichment program for eighth-grade students is sponsored by the Department of Public Instruction in cooperation with the Wisconsin Academy of Sciences, Arts and Letters. State Superintendent Herbert J. Grover said, "Science World encourages more students to develop their talents and interests in science, mathematics, and technology."

Schulteis will attend the third session, one of six, one-week sessions to be held at the Pigeon Lake Field Station located near Drummond in the Chequamegon National Forest in northern Wisconsin. He will begin his studies on July 9th.

While at the summer camp, he will participate in a variety of science activities and interact with visiting scientists and technologists from higher education, business, and

industry.

"Approximately 1,000 students throughout the state were nominated for this summer's program," Kewaskum Middle School Principal, Stephen King, said. "So, we are pleased Dan was chosen for this annual science event."

"Dan was nominated by Mr. Floyd Brenner, science teacher at Kewaskum Middle School, and was selected for his potential in science and technology," Mr. King added.

Money Game Show Passes \$1 Million in Prizes

MADISON... The Wisconsin Lottery's MONEY GAME television program went over the \$1 million mark in prizes paid to its participants as checks were given to winners at the conclusion of the June 17 telecast.

"We have given a lot of money to a large number of people," Lottery Executive Director William F. Flynn, Jr. said.

Prizes paid to winners with the three TV tickets reached \$1,040,000 through the June 17 show.

"The object all along has been to give people a chance to

win some money and have fun doing it. To both of those ends, the MONEY GAME show is a success," Flynn said.

The July 1 MONEY GAME show will be taped on the grounds of Milwaukee's famed Summerfest.

"In addition to the usual cash awards, the July 1 show participants and their families will be able to enjoy being part of the greatest festival of its kind in the entire country," Flynn added.

Ready to make the trip to the Summerfest grounds for the taping is Dennis Kohlmeier of West Bend, who will be one of the contestants.

Alcohol and Drug Abuse Hit Home

By Herbert J. Grover, Superintendent of Public Instruction

As we watch the alcohol and drug abuse crisis develop in our national and local headlines, how many of us apply those headlines to our own children, families, and communities? Are we aware that most youth who drink do so at parties or in their own homes? Do we really hear the reporter on the evening news point out that there is little difference between the levels of alcohol and other drug (AOD) use in urban and rural settings? Do we realize that girls use alcohol only slightly less than boys?

Do the news stories seem distorted and unrelated to our experiences here in Wisconsin? In fact, a state alcohol and other drug study released in May by the Department of Public Instruction shows that Wisconsin experiences the same kinds of problems as other states.

"The Wisconsin Study: Alcohol and Other Drug Use," completed by the Search Institute of Minneapolis, obtained information from 6,222 Wisconsin sixth-, eighth-, tenth-, and 12th-grade students. The Department of Health and Social Services, cooperative educational service agencies, local school districts, and the University of Wisconsin - Madison Survey Research Laboratory worked with the DPI on the report.

"The Wisconsin Study" indicates that 53 percent of our sixth-grade students and 94 percent of seniors have used alcohol at some time in their lives. Forty-six percent of 12th-graders have driven after drinking, while 70 percent have ridden in a vehicle driven by someone who had been drinking alcohol. Other information gathered shows that 37 percent of seniors and 28 percent of sophomores had drunk to the point of intoxication once or more just two weeks before their participation in the survey.

How can we, as parents, be unaware of this level of drug and alcohol use among our youth? Do we deny that our own children use alcohol or that their use of it is normal behavior? Do we think about how alcohol and drug use, in even small amounts, affects the physical health and well-being of our young people?

As a result of this study, we finally have the information we need to develop planning and programming for a drug-free future. But our initiatives at the state level will fail unless communities themselves take certain measures. We must insist that local law enforcement officials "throw the book" at parents who allow underage youth and their friends to drink in their homes. Communities must back their school boards and administrators in enforcing school policies or rules which deny privileges to students who drink and use drugs illegally. And we, as adults, must set a standard for social behavior at community events and work to achieve a sense of moderation in the use of alcohol.

We must change the ethic. We can begin by looking hard at the State Assembly bill passed in mid-May that would permit underage young people to socialize in taverns. One advocate of the bill explained that a bar "is a good place to

socialize," that it gives "kids a place to belong." In a state which possesses such excellent natural and recreational resources, it seems ridiculous that we must pass legislation that sends our youth to the bars for something to do!

If parents, educators, and communities do not close ranks with our young people in the effort to provide a healthy growing and learning environment, we will indeed lose our future.

IN MEMORY

In loving memory of Luella Marquardt, who passed away one year ago, July 6, 1988:

Days of sadness still come o'er us.
Tears in silence often flow.
For memory keeps you ever near us
Though you died one year ago.
Death can never take away
And time cannot erase
The memory of a loving heart,
A dear familiar face;
And there is comfort in the thought
That as the years go by
Our memories grow dearer still.
For love can never die.

Deeply missed and loved by her children and grandchildren.

IN MEMORY

In loving memory of Bernard Schmidt, who passed away 16 years ago, July 4:

A beautiful memory of one so dear,
We cherish still with love sincere,
He left us quietly, his thoughts unknown,
But left us with a memory we are proud to own.
So treasure him Lord in your garden of rest.
For when on earth, he was one of the best.

Sadly missed by the family.

Campus Notes

Eleven new freshmen entering the University of Wisconsin Center-Fond du Lac have received scholarships from the University of Wisconsin - Fond du Lac Foundation. "Due to the highly successful scholarship drive this past year, more scholarships than ever before can be awarded," commented Dr. Bradley Gottfried, campus dean.

One \$200 scholarship was awarded to Jeff Clark, 637 Hwy. SSS, Campbellsport, (Campbellsport High School).

IN MEMORY

In memory of Leo Rohlinger, who passed away eleven years ago, June 30, 1978:

We do not need a special day
To bring you to our minds.
The day we do not think of you
Is impossible to find.
So many things have happened
Since you were called away.
So many things to share with you
Never been left to say
Some say time heals all sorrows
But this we know is not true.
Because long years have passed
And our hearts still ache for you.

We love and miss you,
Daughters & son-in-laws, sons
& daughter-in-laws and grandchildren.

Schmidts to Drive Horse Team In Milwaukee's Circus Parade *In the Service*

Dean and Bud Schmidt of Kewaskum will drive their four Belgian horse team in Milwaukee's Great Circus Parade on Sunday, July 16. The horses will pull the historic "Ken Maynard Air Calliope" circus wagon. The Schmidt's team will be among 750 horses in the event which annually attracts up to 800,000 spectators and is nationally televised.

The parade, which was highlighted in June's Reader's Digest, features 75 carefully restored turn-of-the-century circus wagons from the state-owned Circus World Museum at Baraboo, Wis. Included is a 40-horse hitch, the largest and oldest circus wagons ever built, a 21-camel

caravan, a herd of elephants, clowns and marching bands.

The parade culminates a week of circus festivities which start on July 9 at Baraboo. There, the circus wagons will be loaded aboard a half-mile string of flatcars for a nostalgic two-day "whistle stop" rail journey to Milwaukee. For three days before the parade, the wagons will be on public display at the lake-front circus show-grounds, accompanied by a tent circus and other family entertainment.

The Schmidts and several hundred other horsemen will make a practice run Saturday, July 15, in preparation for their starring roles in the next-day Circus Parade.

Slinger School District to Receive State Trust Fund Loan

State Treasurer Charles P. Smith, chairman of the Board of Commissioners of Public Lands, has announced the recent disbursement of a state trust fund loan of \$200,000.00 to the School District of Slinger, Washington County, for the improvement of Allenton and Slinger elementary schools by

erecting and equipping additions, consisting of classrooms, offices, and service areas.

The trust funds were established at statehood and constitute revenues generated from the sale of land grant lands and from penal fines.

The Land Commission consists of the secretary of state, the state treasurer and the attorney general, and invests annually an average of over \$24 million in low interest loans to school districts and municipalities for a wide variety of purposes.

'Something's Afoot' Lottery Unveils New 'Double Feature' Instant Scratch Game Run at UWWC

"Something's Afoot," a murder mystery musical, ended a two weekend run June 25 at the University of Wisconsin Center - Washington County.

Jan Ford, musical director and pianist for the show, said the production featured "a fun show and a fun cast." According to Ford, the musical had eight or nine special effects engineered by Brad Ford, director of Theatre on the Hill at UWWC.

"The effects are in the script," Jan said, "but it was up to Brad how to do them."

Along with the special effects, which were aimed at eliminating the ten cast members, were 11 musical production numbers including: "A Marvelous Weekend," "Something's Afoot," "Carry On," "I Don't Know Why I Trust You (But I Do)," "The Man with the Ginger Mustache," "Suspicious," "The Legal Heir," "You Fell Out of the Sky," "Dinghy," "I Owe it All" and "New Day."

Twenty-two people, including the Fords, were involved backstage in crew and production work on the show.

Brad Ford was director and handled poster design. Working with him was assistant director Tanya Beske, costume designer Sandra Retzlaff, Jack Anderson on publicity and Amy Nordbeck on program layout.

The crew members for the show are: Tanya Beske, Jody Butzke, Evalyn Eernisse, Rita Filo, Kim Gizewski, Sue Hansen, Mary Kay Kasten, Marcia Koch, Kurt Leberecht, Tim Lickel, Amy Nordbeck, Jayson Pearl, Dave Prochnow, Amy Tousey, Ginger Tucker, Tim Uelmen and Robin Wilhelm.

Wisconsin produces a large variety of milk by-products including condensed, dry and whey products.

MILWAUKEE...The Wisconsin Lottery brought back one of its most popular play formats with the new "Double Feature" instant game unveiled Monday, June 26 in Milwaukee.

"The new Double Feature game brings back the top instant prize of \$10,000 and the "Doubler," which doubles an instant cash prize on a ticket with two of the same dollar amounts and the word "Double" printed in the play area," Wisconsin Lottery Executive Director William F. Flynn, Jr. said.

"We've also made this the best instant scratch game we have ever offered to players with a payback of 51.36 per cent," Flynn noted.

"Players will find four times more \$50 prizes in Double Feature than were in the first double game, Double Cash. There are also 17.6 per cent more \$10,000 prizes in Double Feature as well as 40 per cent more \$5,000 prizes, when compared to the earlier double game," Flynn stated.

"Players loved Double Cash which sold out in less than five weeks. From the first day Double Cash went on sale, we received letters and phone calls from people telling us they loved the game."

"We listened to our players and brought the double game back as quickly as we could," Flynn explained.

In addition to better odds and a better pay back, the Double Feature game includes chances to be part of the weekly MONEY GAME television show and win up to \$64,500 or more,

Flynn added. "This is the game Wisconsin loved in December and January with some improvements," Flynn remarked.

Friends of Abused Families Receives HUD Funding

Friends of Abused Families Inc. is pleased to announce that it was awarded \$11,948.00 from the State of Wisconsin HUD Emergency Shelter Grant Program for bathroom repairs, living space restructure and office renovation. The HUD funding for restructure will allow a vital separation of physically shared space for in-house residents and staff. The staff will be able to counsel and advocate for clients privately. Volunteer advocates and volunteers will be able to work with staff in a designated private area and not invade the living area of the in-house residents.

Staff and clients will have the privacy that is essential to delivering quality services in a confidential and professional manner.

Along with the HUD monies "Friends" received a Wisconsin Conservation Corp. Renovation Proposal for free labor and materials totaling approximately \$4,000. The Corp. will be doing some of the carpentry work and all of the insulating. "Friends" is projecting the completion date to be sometime in the fall Sept./Oct. 1989.

West Bend Savings Announces Promotions

Wendy Heather

Tamra MacDonald

Richard A. Larson, Jr., Vice President - Sales for West Bend Savings and Loan's Financial Resource Group has announced the promotion of Wendy Heather to the position of Business Development Officer. Heather joined the Association in 1988 as a new account representative. She will be responsible for new business development within the West Bend marketplace with primary responsibilities being mortgage origination, savings investments and insurance sales/referrals. Prior to joining the West Bend Savings,

Heather was the business manager for Broadway Chevrolet in Green Bay where she had been employed since 1974. Heather and her husband Dave, reside in West Bend.

Larson also announced the recent addition of Tamra A. MacDonald as assistant Vice President and Branch Manager for the Association's Germantown Office. MacDonald who previously had managed another Germantown Financial Institution since 1987 will be responsible for the general operations of the Association's

Branch in addition to coordinating the office's sales production. Recent additions to the Germantown Branch office have now allowed the Association to provide additional services to their customer base. The first addition will be evident in July as representatives handling insurance, financial planning and investments will be on staff to assist the Germantown community. MacDonald has been employed in the savings and loan industry since 1980 and resides in Hartford.

Children Most Frequent Victims Of Eye Injuries from Fireworks

Sometimes the Fourth of July "bombs bursting in air" are the last things a child's eye will ever see. Last year, more than half of all fireworks-related eye injuries happened to children warned the National Society to Prevent Blindness - Wisconsin, Inc. Fireworks injuries of all kinds soared 10 percent in 1988, up a new total of 10,200. Eye injuries in particular tend to be severe. In one study, 40 percent of the reported cases caused permanent eye damage, visual disability or destruction of the eye.

No fireworks are safe in

children's hands. Even sparklers, which burn at temperatures of more than 1800 degrees F, can cause serious burns to the eyes and skin and can easily ignite clothing. Sparklers alone accounted for more than half of all fireworks injuries reported last year.

Consumer Product Safety Commission statistics show that in 1988, over 45 percent of fireworks eye injuries requiring hospital emergency room treatment struck children 5 to 14 years old.

Most injuries result from mishandling fireworks.

Accidents occur when the fireworks are held in the hand, when attempts are made to relight apparent duds or when bending directly over fireworks to ignite them. While a number of states have banned the private use of fireworks, most still permit Class C devices to be used. This category included pieces that contain no more than 50 mg of black powder. Bottle rockets, roman candles and sparklers are common examples.

Prevent Blindness - Wisconsin warns against the use of fireworks. Unfortunately, the range of state laws and illicit market make fireworks readily available. If you are going to use fireworks, the following safety guidelines are

recommended:

- * Check local laws. Fireworks may be illegal in your area.

- * Never allow children to use fireworks. Even sparklers are dangerous.

- * Read and follow all instructions and warning labels. Wear eye protection.

- * Fireworks should only be used outdoors in a clear area away from homes, buildings and combustible materials.

- * Be sure others are out of range before lighting fireworks.

- * Never handle or attempt to relight a firework that does not go off. Keep water nearby for emergencies and dousing malfunction fireworks. Drench

thoroughly before discarding.

- * Never ignite fireworks in a container; glass and metal containers can easily shatter.

Better yet, rather than expose yourself and others to the hazards of handling fireworks, watch the fireworks display conducted by trained professionals.

Founded in 1908, the National Society to Prevent Blindness is the oldest national voluntary health organization that works to prevent blindness through community service programs, public and professional education, and research.

When You Need Us The Most St. Joseph's Emergency Services Will Be There

St. Joseph's Community Hospital proudly announces 24-hour emergency room physician coverage. St. Joseph's has expanded its emergency services by hiring Emergency Consultants, Inc. of Traverse City, Michigan to provide 24 hour physician coverage in the Emergency Room. In the past, Emergency Services have been available round the clock with local physicians on an on-call basis, and an in-house physician on weekends and

holidays. The expanded hours of coverage will make needed emergency care more available as well as more accessible.

Whether your needs are life threatening, or suffering from a sudden illness or injury, St. Joseph's Community Hospital's Emergency Room remains committed to providing emergency care 24 hours a day.

Students Bid Farewell To Mrs. Lori Telschow

Mrs. Telschow's 7th hour English class bids her farewell and good luck with a Dairy Queen ice cream cake and a card.

Students from all different English classes of Mrs. Lori Telschow's bid her farewell at the close of this school year.

Mrs. Telschow, the newly-hired English teacher, cheerleading coach, public relations specialist, AODA facilitator, and fall play choreographer was laid off due to budget problems in the district and although she'd love someone to tell her this is just a bad dream and one day she'll wake up, she realizes the chances of getting back at KHS next years are quite slim indeed.

The students gave her a grand farewell with gifts ranging from "a Dairy Queen ice cream cake to roses to an inspiring plaque with many cards and fun presents in between," she stated.

Not to be outdone by the students, the second lunch teachers also threw a luncheon party and presented Mrs. Telschow with a beautiful pearl necklace and jewelry box holder to which the teary-eyed recipient could only mutter, "I'm going to really miss you guys."

Mrs. Telschow couldn't believe all the appreciation shown to her and it really made her feel good to know that everyone cared although it also made it harder to leave.

She said on the last day of school, various students came in for a final hug with the message, "Don't leave the area..." which she hopes not to do.

The poem that follows is a poem given to her by one of her students that Mrs. Telschow would like to share.

MY TEACHER, MY FRIEND

*I always will remember you
And you'll remember me
You taught me life holds happy times
Not pain and misery.*

*You made some extra time to help
When you had none to spare
You'd spent most of your day working
But could manage to be there.*

*And even when dejected
You would try to help me out
You gave me hope I needed
And you never had a doubt.*

*Yet always you were there for me
In winter, spring or fall
You taught me how to deal with life
The challenge of it all.*

*A teacher and a friend so true
Your specialty was love
I'll always think of you my friend
As a messenger from above.*

*And so I say goodbye to you
My teachers, new and old
Because of what you've given me
Dear memories I hold.*

CAMPBELLSPORT CHURCH TO HOLD BIBLE SCHOOL

Summer is a tremendous time for an adventure. One of the greatest adventures is discovering what the Bible has to say.

That's the purpose of "Rainbow Mountain Trail," this year's Vacation Bible School, sponsored by Campbellsport Alliance Church.

"Rainbow Mountain Trail" will be held July 10-14 from 9:00 a.m. to 11:30 a.m. at The

Fireman's Park shelters. The morning will be packed full of songs, crafts, Bible lessons, games, snacks and a story from China. All children from age 4 through the 6th grade are welcome.

A closing program will be Friday, July 14 at 7:00 p.m.

For information or to register call Pastor Doug Birr at 533-4516.

The trouble with most of us is that we would rather be ruined by praise than saved by criticism.

Disc Jockey Bob Bonenfant from West Bend radio station WBWI "spun some platters" (pardon my sixties English) in front of Behring's Market. How he could do his job without Richard Thiemer to aggravate him is beyond me. But, "holy haircuts, Batman" wasn't Richard's Kut and Style closed on Krazy Daze? Where was Richard?

Tom Piwoni of T's Lounge, left, and Bill Kulas of Glacier Inn, right, "hard at work" manning the outdoor refreshment stand. Is that a blister on Bill's finger?

Krazy Daze brought one of the season's first real warm, muggy days. Where were the lemonade stands? Here, Crystal Kuehl stays cool with a can of "irresistible" soda. What I want to know is who's sexy knees are in the background. Was that Bob Stoltzmann or Phil Fellenz?

"Spid Peeper," sponsored by T's Lounge and The Glacier Inn performed on the Glacier Inn parking lot. Thousands of fans screamed for the "belly bump" but alas Moochie and Tubby refused all requests. The Barrel Haus on Main Street also offered plenty of "gemuetlichkeit" with the band, "Gypsy" on their parking lot.

SHEEPSHEAD WINNERS Pieper, 45-5-40, 15-4-11; Don Below, 45-6-39, 16-4-12.
5 handed winners on Wednesday, June 21st were: Harry Heinecke, 63-9-54, 19-8-11; John Schuppel, 50-3-47, 16-3-13; Walter Bartelt, 52-7-45, 18-5-13; Marion

The next 5 handed will be Wednesday, July 5th and Thursday, July 13th at 8:00 p.m. Schmitt's Never Inn.

Teachers and Students Breathe a Sigh of Relief on the Last Day of School

Due to the recent popularity of the KHS morning, "John and Sheldon Show," junior John Hazlewood has resorted to dark glasses. The trouble with being a big star...

And the real question remains... Will Elvis (junior Jeff Brigham) make one swooning final appearance at KHS before hitting the big time in Hollywood? Only you, the KHS students will know!

And on the last day of school, we find the "Bathroom Shop Quartet" of Hazlewood, Brigham, Bartelt and Mueller STILL in the bathroom.

Sophomore Maurice LaPlant says, "Look Mom... no tonsils!" in the hall on the last day of class. LaPlant also had no squirt gun on this day.

Teacher Lori Telschow says, "this place is enough to make you sprout gray hairs... or plant hairs, as the case may be."

"Study... yuck!" says sophomore Tracy Hoerig, but friend Tammy Heaslip sets her mind to cramming.

Math teacher Clark Pearson contemplates what Bonnie Klitzke has to say while Gayle Dehnel says, "Thank God it's almost over" in her mind.

Dave Bertelsen says his good-byes and is quite happy about leaving after his two successful musicals this year.

Junior Jenny Bauer is happy to only be studying for one more final.

Sophomore Jeremy Lubahn says, "I'm already gone." No time for pictures.

Riveredge Builds to Preserve

A transplanting ceremony will highlight the groundbreaking for the new environmental education facility for Riveredge Nature Center on Friday, June 23 at 1 p.m. This new facility will be located on the Center's natural sanctuary located on Highway Y northeast of Newburg.

Jane Pettit, Honorary Chairperson, will lead the transplanting of a prairie plant from the building site to symbolize the preservation philosophy of the dreams for the new Center. She will be assisted by other Capital Campaign

leaders, children who are involved in the Center's environmental programs and "critters" reflecting an earth preservation theme.

Private donations to the two phase, \$3.35 million capital program called "Riveredge: A Natural Investment" will fund the one story building. Approximate cost for the building is \$1.5 million which also includes the renovation of the existing 1890's barn. Other funds from the capital program will support the building maintenance costs, educational

program sustenance and development, and land preservation.

The 8,000 square foot building will house two classrooms, a commons, expanded resource library, visitor reception, environmental gift shop and workspace for the full-time staff of seven employees and the many volunteers.

The building is being designed by Plunkett Keymar Reginato Architects (PKR), Milwaukee and construction of the facility is being handled by

CM Associates of Milwaukee, Inc. The building's anticipated completion date is May 1, 1990.

The rustically designed learning center will fit well into the 351 acre natural sanctuary of Riveredge. When completed it will greatly enhance the program opportunities for more than 8,200 children from 85 Southeastern Wisconsin schools who participate annually in the Riveredge learning experience.

The new facility will also provide a reception area for visitors to learn more about the Center and the natural world

through environmental displays. The additional library space will allow the Center to expand and supplement environmental resource material. Workspace for the more than 350 volunteers will help them provide more assistance in maintenance, office, special event and fund raising activities.

The barn renovation will offer a more comfortable and energy efficient space for larger groups attending lectures as well as events requiring kitchen facilities.

CARD OF THANKS

We would like to express our thanks to our family and friends for all they have done for us since the death of our sweet baby boy, David Louis Leitheiser. Your flowers, plants, cards and prayers help us to get through these hard times. A memorial donation has been made to the KEYS scholarship fund.

David was with us such a short time, but we are richer by far to have held him a moment, than to never have held him at all.

Sunny Day for Beechwood Firemen's Picnic

It was another perfect day to enjoy a parade Sunday. The annual Beechwood Firemen's Parade was complete with floats, marching groups, music and, of course, the firemen.

After the parade, it was off to the picnic grounds to enjoy hamburgers, brats, beverages and music for dancing.

KHS Announces Names of Perfect Attendance Students

According to our records the following students have had an excellent attendance record during the 1988-1989 school year. This is a commendable accomplishment for developing the correct attitude about being in school as being very important. There is a direct relationship between good attendance and grades as well as an interest in school. This also carries over into the world of work. Industry is concerned about unusual absenteeism and when employers call the school their first question concerns attendance records.

There may be situations when a student is needed at home or if a student is sick he/she should not be in school. The attitude of the parents towards attendance in school and later life on the job is reflected in their children. Truancy tends to be a warning that the student is a potential drop-out and in many cases headed for other problems. As we prepare for the 89-90 school year we again ask for parents cooperation in encouraging their students to be in school.

We congratulate all of our students but special congratulations go to seven seniors who have had perfect attendance for four years. They are Bruce Bodden, Denise Hlavaty, Michelle Krueger, Mark Peters, Chad Schmidt, Michelle Truog, and Scott Volm.

Congratulations to the following students:

CRP Keeps Farmers In Conservation Compliance

Farmers who place their highly erodible land in the Conservation Reserve Program (CRP) could protect themselves against loss of federal farm program benefits under the

provisions of the 1985 Farm Bill.

One of those provisions states that by Jan. 1, 1990, all landowners farming highly erodible land must have a conservation plan to reduce erosion in order to stay eligible for federal farm programs. Those not having a plan will lose benefits not only on their highly erodible land, but also on all of the land they farm.

The Conservation Reserve Program (CRP) provides a way for those who farm highly erodible land to stay eligible and also maintain an income from such land. ASCS offers farmers an annual rent for 10 years and up to 50 percent cost-sharing to establish a permanent grass, tree, or shrub cover.

Farmers and other landowners wishing to sign up in the CRP should visit their local ASCS office July 17 through Aug. 4.

Barry D. Hellman, M.D.

The General Clinic has announced the addition of a Dermatologist, Barry D. Hellman, M.D., to its professional staff.

Dr. Hellman will be the first Dermatologist on the clinic staff. According to the clinic, the addition of specialized medical services in the area of skin care and the treatment of skin disease will help meet the growing medical needs of the people in this area.

Dr. Hellman has been a practicing Dermatologist for the past 14 years, most recently with CIGNA Medical Plan at CIGNA Hospital in Los Angeles.

Prior to that, he was in private practice for about eight

years in Milwaukee.

Dr. Hellman earned his medical degree from the University of Wisconsin in 1970. He graduated from the UW with a Bachelor of Science in 1967.

Dr. Hellman served his internship at French Hospital in San Francisco and his dermatology residency at Brooke Army Medical Center in San Antonio, Texas. He served in the U.S. Army as a general medical officer in 1971 and 1972.

Dr. Hellman was awarded a fellowship with the Armed Forces Institute of Pathology in Washington, D.C. in the fall of 1974. He served as a major in the U.S. Army and Chairman of the Department of Dermatology at Fort Dix in New Jersey in 1975 and 1976.

Dr. Hellman is certified by the American Board of Dermatology and holds a license to practice medicine in Wisconsin, New York, California and Illinois.

He has held academic appointments at the Medical College of Wisconsin, the University of Wisconsin Medical School and has served on the St. Mary's (Milwaukee) Hospital staff as Head of Dermatology and on the staffs of Columbia and Mt. Sinai Hospitals.

The General Clinic is located at 279 South 17th Avenue in West Bend. As of September, the clinic will move into a new facility at 205 Valley Avenue, West Bend.

By special request of listeners here, the Town Hall players with "Uncle Louie," WIBU radio favorites, will present a complete 3-act comedy in the Kewaskum Opera House on Wednesday, July 12. They will present drama, comedy vodvil and music. Immediately after the play a free dance to those attending the show will be held.

In a transaction completed on Thursday of this week a Mr. Bies of Slinger rented Casper's tavern in this village from Mrs. Bertha Casper, the owner. The new proprietor will take over the business next Tuesday, the Fourth of July. Mr. Bies is well known in this community and throughout the county having been a former basketball player with the Slinger team.

Banns of marriage were announced for the first time Sunday in Holy Trinity Church for Helen M. Harbeck and Frank J. Felix, both of the village. The wedding will take place on July 15.

A daughter was born to Mr. and Mrs. Alvin Wiesner, St. Kilian on Sunday. A son was born to Mr. and Mrs. Edwin Amerling on Thursday. Mrs. Amerling was formerly Rosemarie Boegel.

Mr. and Mrs. Earl Etta of R. 1, Kewaskum, are the parents of a son, a little orchestra leader, born Tuesday, June 27.

Orders for 69 boys from the Fond du Lac sector to report for Citizens' Military Training Camp duty on July 11 were received this week. Among those ordered to report is Fredrick J. Miller, son of Mr. and Mrs. Edward F. Miller of Kewaskum.

During last Tuesday night, a terrible wind and hail storm struck this village and vicinity doing a lot of damage to garden truck and tearing huge trees up by the roots. We hear that the silo on the Rosenheimer - Day farm, formerly the Scheild farm, was blown down and also a barn on the Adolph Backhaus farm. The storm seemed to have been general throughout this section of the country and thousands of dollars of damage has been reported from different sections.

Children are now on their best behavior in anticipation of a real holiday treat on July 7, when Ringling Brothers' World's Greatest Shows will exhibit in Fond du Lac. It is expected that Kewaskum will send more than its usual number of "sawdust fans" to welcome this popular circus.

While fishing at Cedar Lake one day this week Mr. and Mrs. Jos. Sell of St. Lawrence had a very exciting experience. Mr. Sell was pulling up the anchor when the rope broke and he fell into the lake. In attempting to get into the boat he over turned it and his wife followed him into the water. They clung to the side of the boat until help arrived.

Last Saturday afternoon June 20, occurred the marriage of Miss Olga Ramthun, daughter of Mr. and Mrs. Albert Ramthun, Town of Kewaskum and Mr. Louis Wilke of the Town of Scott. The ceremony was performed at St. Lucas Church in this village with Rev.

Weekly Health Tip

From Tom Kennelly

INDEPENDENCE

Each year, as we grow older, we will lose about 1% of muscle mass, unless we exercise to prevent it. Walking at 3 mph is the limit of endurance for most 70 to 75 years olds. At 80, most can hardly rise from a sitting position. However, if we exercise regularly, we can strengthen our thigh muscles by 10% and postpone the loss of our independence by 10 to 20 years. A daily 3-mile walk and a workout of 30 minutes, 3 times a week should do the trick.

NATURALIST PROGRAM 1989

N. Kettle Moraine State Forest and Ice Age Reserve

This area is internationally known for its famous glacial features and interesting array of plants and animals. You are invited to learn more about this important part of our heritage by visiting the Henry S. Reuss Ice Age Visitor Center and participating in the Naturalist Program.

During the summer, the program offers nature walks, talks, auto tours, evening programs, visiting guest speakers, etc. The events, offered at the Center or Mauthe Lake and Long Lake Recreational Areas, are easy and enjoyable ways to learn more about the area. During the remainder of the year, group interpretive programs are available upon request.

The Center is located one mile south of the Village of Dundee on State Highway 67 in Northern Kettle Moraine State Forest, about 55 miles north of Milwaukee.

ACTIVITY SCHEDULE

Walks range from 1/2 to 1 1/2 miles in length and generally require from 1/4 to 1 1/2 hours. The auto tour requires 2-2 1/2 hours and about 25 miles of driving.

"KAMES, KETTLES AND ESKERS" - May 27th to September 2nd (except June 10th). This auto tour, originating at the Ice Age Center will be offered every Saturday afternoon at 1:30 p.m. It is a fine opportunity to see first hand and learn more about the geology of this area.

"THE LAND THE GLACIERS CREATED" - June 14th to August 16th. Glacial Geology is the topic of this walk to a high ridge above Long Lake. It originates from the North Beach at Long Lake every Wednesday morning at 9:30 a.m.

"THE SPRUCE LAKE BOG" - June 29th, July 13th, 27th and August 10th. This short walk into a fascinating world originates at the Ice Age Center and then requires a 5-mile drive to the bog. It will be offered alternate Thursday mornings at 9:30 a.m.

"TREES OF THE KETTLE MORaine" - July 6th, 20th, August 3rd and 17th. Recently the US Forest Service compiled a list of over 4300 uses of trees. Join us for a short walk and talk about these interesting valuable plants. It originates at the Ice Age Center at 9:30 a.m. alternate Thursday mornings.

"AN INTRODUCTION TO ORIENTEERING" - June 29th, July 13th, 27th and August 10th. Learn to use a compass in this activity for the adventuresome on alternate Thursday afternoons at the Ice Age Center at 1:30 p.m.

"THE WORLD OF BUGS" - July 6th, 20th, August 3rd and 17th. These fascinating creatures will be explored on the Moraine Ridge Trail at the Ice Age Center alternate Thursday afternoons at 1:30 p.m.

"INCREDIBLE EDIBLES" - June 16th to August 18th. The fascinating world of "wild vittles" will be our focus every Friday afternoon at 1:30 p.m. at the Long Lake Nature Trail.

"THE ATLATL" - July 15th. Dick Grybush will talk on and demonstrate the Atlatl as it might have been used by ancient hunters. You may be chosen from the audience to participate. This special program is scheduled to begin at 3 p.m. at the Ice Age Center.

EVENING PROGRAMS

All evening programs are presented in the Ice Age Center Auditorium at 7:30 p.m. Fridays and Saturdays, unless otherwise noted. Most programs range from 30 minutes to 1 hour or more.

FRIDAY, JUNE 30 - NATIONAL PARK SERVICE FILM FESTIVAL.

SATURDAY, JULY 1 - "THROUGH THE EYES OF A FISH" - A close look at various species of live fish to observe their differences in size, shape, color, etc. and how these differences relate to their habitat and food. John E. Nelson, DNR Fish Manager since 1983 from Plymouth will present this program. John has BS degrees in Fish Management from Stevens Point and a MS degree in biology from Tennessee Tech. University.

FRIDAY, JULY 7 - NATIONAL PARK SERVICE FILM FESTIVAL.

SATURDAY, JULY 8 - "BIRD AND DECOY CARVING" - This demonstration and discussion will be led by Ron Osgood. Join Ron and others between 2 and 4 p.m. in the lobby of the Ice Age Center and again at 7:30 p.m. in the Auditorium.

FRIDAY, JULY 14 - NATIONAL PARK SERVICE FILM FESTIVAL.

SATURDAY, JULY 15 - "ROMANCING THE STONE" - After all of mans organic trappings and even his bones have disappeared, simple chips of stone are left to record his passage. Learn more about "flint Knapping" by joining Dick Grybush this evening. Dick will also be presenting a special demonstration at 3 p.m. the afternoon of this evenings program. Please check the Activity Schedule for this date.

FRIDAY, JULY 21 - "FORESTRY IN WISCONSIN" - Trees have played a major role in Wisconsin's development. At one time roughly 3/4 of the State was forested. Then, in 50 years the bulk of this very valuable resource was gone. Join DNR Forester, Larry Baer, for this interesting look at Wisconsin's forests.

SATURDAY, JULY 22 & FRIDAY, JULY 28 - NATIONAL PARK SERVICE FILM FESTIVAL.

SATURDAY, JULY 29 - "OUR NATIVE MAMMALS" - Join G. Wille and one-half dozen of his young furry friends. Wille's Game Farm and Zoo, near Brandon, Wisconsin, is a unique educational facility teaching people first hand about animals. Mr. G. Wille, President, began working with wild animals in 1938. He is a member of the Wisconsin Zoo Association.

FRIDAY, AUGUST 4 - NATIONAL PARK SERVICE FILM FESTIVAL.

SATURDAY, AUGUST 5 - "CRITTER CARE" - Injured wild animals as well as all nature lovers are fortunate to have people like this evenings speaker. Join Barbara Harvey, Bird of Prey Rehabilitator and a number of her permanent residents.

FRIDAY, AUGUST 11 - "FOR YOU NATURALLY" - An excellent film offering a closer look at Wisconsin's Parks and Forests.

SATURDAY, AUGUST 12 - "ECOLOGY OF SOME ENDANGERED SPECIES" - Join DNR Naturalist, Bill Volkert for a fascinating look at specialization and adaptations of some of our endangered species.

FRIDAY, AUGUST 18 - NATIONAL PARK SERVICE FILM FESTIVAL.

Dairyland Seed Announces Alfalfa Guarantee

Pictured in a field of Magnum III are, left to right: Dairyland's Vice-President of Research, Dr. Paul Sun, and plant breeders Lorilea Miller and Mike Velde.

Dairyland Seed Executive Vice-President, Tom Strachota, announced a major, novel marketing program for alfalfa.

Dairyland Seed guarantees that its Magnum III alfalfa will outyield and outpersist any other alfalfa variety a farmer is using. If Magnum III does not win, Dairyland will provide the farmer's alfalfa seed absolutely free!

This marketing program will be built upon Dairyland Seed's willingness to guarantee the performance of its Magnum III alfalfa variety.

According to Strachota, "We've been telling people for years that we have the best alfalfa in the world. Because we know its best, we are willing to guarantee our product against all comers."

Strachota stated that he was not aware of any other guarantees being offered on alfalfa by any seed companies. Dairyland's willingness to guarantee its Magnum III

alfalfa is based upon over 11 years of research.

"Because we've experienced the superiority of Magnum III in our research trials, we know it is better and are willing to guarantee it!", stated Dairyland Seed Vice-President of Research Dr. Paul Sun.

In order for a farmer to participate in the Magnum III alfalfa guarantee, the farmer must be willing to plant Magnum III side-by-side with his favorite alfalfa. The guarantee is for the life of the stand, and Dairyland will guarantee the yield and persistence of its Magnum III against any other alfalfa variety. The main Dairyland requirement is that the alfalfa grower manages both alfalfa varieties uniformly.

"We believe farmers will manage the alfalfas fairly and when they do we are confident Magnum III will win. After all, we wouldn't guarantee it if we planned on losing!", stated

Strachota.

"It's easy to have a bold marketing program when you have a product this good," added Strachota, "We firmly believe that alfalfa growers would be better off if they planted Magnum III."

Dairyland Seed is a third generation family seed company in West Bend, Wisconsin. Dairyland has research facilities for hybrid corn, alfalfa, and soybeans located in Clinton, Wisconsin, Sloughhouse, California, and Gibson City, Illinois. Dairyland's hybrid seed corn conditioning plant is located at Mt. Hope, Wisconsin.

For more information write Dairyland Seed Co., Inc., P.O. Box 958, West Bend, Wisconsin 53095 or call 414-338-0163.

Only 9 Commercial Exhibit Spaces Left at County Fair

Commercial exhibit space at the Washington county Junior Fair is almost sold out. Businesses wishing to rent space at the 1989 fair are encouraged to make reservations as soon as possible as only nine spaces are available.

The 1989 fair will be held in Slinger from July 26-30. The fair attracts thousands of area residents of varied interests and ages. Products being exhibited may vary from weight control groups to photographers, painters or insurance sales.

Commercial exhibitors interested in reserving space at this year's fair can get information on rental costs and available space by contacting the Fair Office at 338-4485, 644-5204 or 342-2929. The Fair Office is located in the Courthouse in West Bend, 432 E. Washington Street and is open from 8:00 a.m. to 4:30 p.m., Monday through Friday.

BOYS & GIRLS BASKETBALL CLINIC SET

There will be a summer basketball clinic for all district boys and girls who completed grades 5 through 8 this past school year. The clinic will stress fundamentals as taught by members of the Kewaskum High School coaching staff.

The girls will meet each morning from 8:00 a.m. to 9:30 a.m. The boys will meet from 10:00 a.m. to 11:30 a.m. All sessions will be in the high school field house. Comfortable attire and basketball shoes are suggested. There will be no shower facilities available. The fee for the clinic is \$10.00 which will include a basketball. All participants must have registered by having a signed liability waiver on file.

For further information contact Kewaskum High School 626-2166 or Jim Westphal 626-4471. Registrations forms are available at the High School. 6-23-2t

Rascals II Win Wisconsin State Softball Tournament

Over the weekend of June 23, 24 & 25, the Rascals II Junior Girls Softball team, sponsored by the Beechwood Athletic Club, won the Wisconsin State Tournament, beating out teams from Sheboygan, Millersville and Howards Grove.

Games started on Friday evening with the Rascals winning big in five innings of play by a score of 15-0 over Maple Lanes. Game ball was presented to Rachelle Krahn for the many strike outs she accomplished.

Saturday brought two more opponents, Fast Foot and Millersville and both of these games were won in five innings by scores of 11-1 and 16-1 with Joellen Walter smashing a grand slam in the second inning of the Millersville game to rally the team.

Sunday brought a real tough opponent, Howards Grove, last year's State Champs. The Rascals were able to come out on top in that game by a score of 7-4, putting them in the Championship game.

When meeting the Howards Grove team in the Championship game, the Rascals fell short 5-9 and a second Championship game was necessary. After a very tough battle, the Rascals were victorious 9-8. Home Run hitters for the team were Beth Kempf, Joellen Walter, Jackie Hintz and Stacey Heberer. All players contributed with outstanding fielding and many solid line drive hits.

A first place plaque was awarded to the coaches, Jo Ann Hintz and Nancy Krahn and each member of the team was awarded a first place medal. Its on to the World USSSA Tournament in Dearborn, Michigan the first weekend in August.

Team members include: Melissa Braun, Becky Braun, Stacey Heberer, Jackie Hintz, Vickie Borgenhagen, Janel Horn, Kelly Krahn, Rachelle Krahn, Rachelle Krahn, Tanya Krahn, Beth Kempf, Tracy Ruplinger and Joellen Walter.

Athletics Menzel Solves Saukville, 7-4

Kewaskum Statesman, Friday, June 30, 1989, Page 19

By Bob Pick II

Lefty Don Menzel pitched a complete game, leading the Kewaskum Athletics' 7-4 victory against the Saukville Saints in Land O' Lakes baseball Sunday afternoon.

Menzel won his third game against one loss this lakes season.

"I was just trying to get some respect," Menzel said. "That and we needed to get a win against this club to stay in the thick of things."

The victory for the A's was their sixth in seven lakes contests this summer.

The guests scored first in the top of the third. With one out, Jamie Uselding worked Menzel for a walk. Jamie's older brother, Jeff also walked. Player-Manager Dave Dickmann hit a bouncer over the second baseman's head, Jamie scored and Jeff moved over to third. Brian Van Treeck walked. Mike Jacoby's fielder's choice brought home Jeff Uselding. Randy Mueller's fielder's choice ended the inning.

The Athletics put together a rally of their own in their half of the third. After back-to-back walks to Tim Dettmann and Jack Aupperle, Bob Yahr advanced both runners with a sacrifice bunt. Andy Hoenecke stroke a single to right to tie the game. With Terry Koth batting, Hoenecke stole second and moved to third on a throwing error on the Saint catcher.

The hosts had another

uprising going in the bottom of the fourth...Jeff Geidel opened the inning with a single to right center. Menzel's sacrifice bunt put Geidel on second. A wild pitch by pitcher Jerry Hughes sent Geidel to third. Dettmann grounded out and Geidel remained on third. After Hughes walked Aupperle he was replaced by Van Treeck. Yahr walked, filling the bases. A Hoenecke grounder to third forced Aupperle at third and the Saints had escaped successfully.

It was a different story in the home fifth. Koth walked. Donath hammered a double down the left field line. Mark Schlosser looped a clean single to right and the Athletics had a 5-2 advantage.

Pesky Saukville made it a one run game again with a pair in the top of the eighth. A Joe Solonika single, a run scoring Van Treeck double and a Darrell Bruggink single produced the runs.

The hosts got the two runs back in the eighth on a walk to Dettmann, Yahr's single, Hoenecke's ground rule double that bounced over the fence in right and Koth's sacrifice fly.

Koth's run scoring single in the third was his eighth hit in his last four lakes games. He raised his batting average to a hefty .483 (14-29) and has a season total of 18 rbi's.

"I'm seeing the ball better this year. I'm more comfortable at the plate. We owed those

guys something."

The Athletics play their next Nite league game on Saturday afternoon when the Juneau Countyseaters come to town for a 1:30 p.m. game.

The Lakes portion of the schedule continues Sunday afternoon with a 1 p.m. battle at Grafton.

The Athletics will then resume Nite league action the evening following the Fourth of July in hopes of supplying some fireworks in a game at Lebanon's Firemans Park against Rubicon. The July 5th contest gets underway at 7:30 p.m.

Schulteis Ends Splendid KHS Career

Senior Marty Schulteis ended his career at the State Meet in Madison this year in two events and the fact that he was in two events wasn't even as great as the fact that he placed in two events.

According to Coach Fran Charland, "I can't remember another KHS athlete placing in the top finishers in two events." Schulteis, the 110 m. hurdle specialist, ran this event all year without a loss and broke the school record in the process which now stands at 15.1.

The only runner to beat Schulteis in the 110's ended up first place finisher at the State Meet. "Marty continued putting out record-times all year," stated Coach Charland.

The second event Schulteis qualified for was the 300 m. intermediate hurdles in which teammate Ryan Degnitz was his stiffest competition. Although Degnitz captured more firsts in this event during the season, Schulteis turned on the steam and beat Degnitz out in both regional and sectional meets, and turning in the best over-all time of the season at sectionals with a 40.9. Degnitz, running injured, placed a disappointing

KHS Jayvees Run Record Up to 6-0

By Dennis Butz

The Indians swept two more games with two seventh inning rallies this past week.

The Indians managed to sneak past Plymouth, 7-6 last Thursday night with a big three run seventh inning.

The JV's started out hot scoring three runs in the first and one in the second but Plymouth managed to match the score each time. Plymouth then picked up unearned runs in the fourth and fifth innings to make it 6-4.

Dave Powers and Brian Dobke started things off in the seventh with bloop singles to put runners on first and second. Russ Bielaga then singled to drive in Powers. Dobke scored two pitches later on a passed ball. Bielaga then scored on a fielders choice to make the score 7-6. Powers pitched an excellent game in relief of Shawn Schneider, getting five strikeouts and giving up no earned runs. Chad Cook and Schneider also had the hot bats each going 2 for 4.

On Tuesday the Indians once again scored in the seventh inning to stay undefeated as they beat Sheboygan Falls, 4-3. Shawn Schneider pitched a great game in relief. Schneider, who came in with bases loaded, managed to get out of the inning without any damage. Schneider also had a good night at the plate going two for two with the game winning rbi. Jason Krahn also had a good night going three for four.

5th. At the State Meet, Marty took a 5th in this event.

According to Coach Charland, Marty had an ailing leg injury that he worked with all season and was running at peak capacity for the State Meet.

Schulteis ran in three events all season, the 3rd event being the 1600m. relay and accumulated 225 points for the KHS track team. Schulteis captured 22 - 1st places, 5 - 2nd places, 1 - 3rd place, and 3 - 4th places. And the good news for KHS is there is a younger brother Dan, who this year tied Marty's hurdle record at the Middle School with a time of 15.8. There is a strong possibility that Kewaskum will keep the hurdling reputation so built up by the likes of Marty Schulteis.

Gildersleeve Takes 3rd Place In Badger State Games

David Gildersleeve

David Gildersleeve, age 8, competed in the 6.2 mile run. The race began at the Capitol building and ended at the University of Wisconsin track and field grounds. The race started at 8:00 a.m. on Sunday, June 25th. There were about 500 participants in all age groups.

David enjoys running and has competed in shorter races of one or three miles in the past few years, with the longest being Al McGuire's five mile run held in September each year.

David's third place finish for the 6.2 mile run was for his age category of 14 and under and his time was 52.27.0 minutes.

Cheerleading Jackets Are In

All Cheerleaders who ordered jackets may now pick them up at LR Trophy and Sportswear. If you do not claim your jacket by July 15th, it will be taken to the school office.

A reminder from your coach goes with this memo and that is - remember when you wear your jacket, you are a representative of Kewaskum High School and it's community. Represent us well and be students we can be proud of.

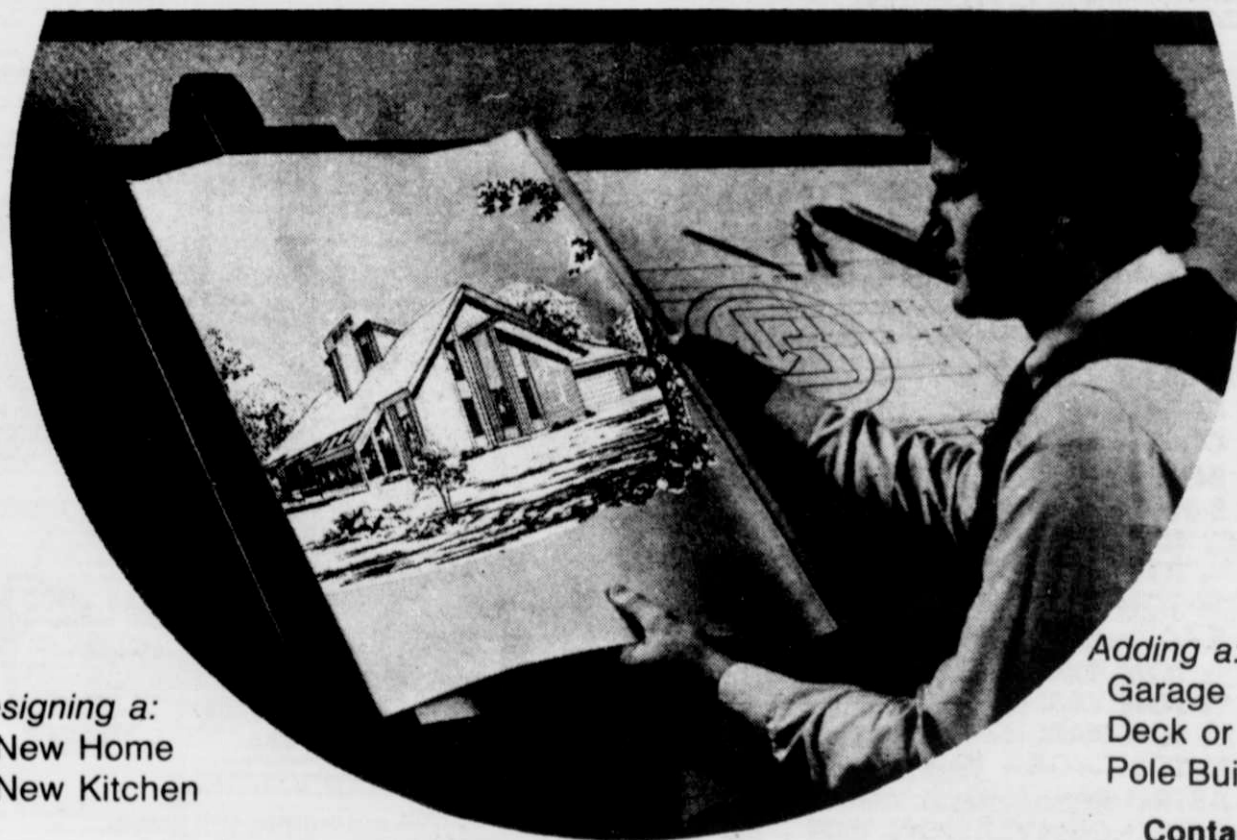

Puestow Shoots Ace at Hon-E-Kor

Dale Puestow hit the once in a lifetime dream of every golfer Friday, June 16, by hitting a hole-in-one. The place was the Hon-E-Kor in Kewaskum where Puestow was just out golfing with the guys on a Friday morning.

Puestow came up to the fourth hole at Hon-E-Kor which is a hundred and sixty yard-par 3 hole, pulled out his 7 iron and hit a beautiful shot which ended up right in the hole. Puestow of course, was exulted with the result of his shot.
