175 Runners Test Endurance in Kettle 20; Over 750 Served at Lions Chicken Bar-B-Q

Bill Grass, Whitefish Bay, and Barb Simon, Germantown, members of the Badgerland Striders, continued on their way after receiving a glass of water from Lions member Larry Ammel. Ammel manned the eight-mile point of the Kewaskum Lions Club 20 + 2 twelve mile race. Grass and Simon were among the more than 170 runners who participated in Sunday's races. Photos by Gerry Mueller

A total of 175 runners gathered at Kewaskum's River Hill Park last Sunday, August 20th, for the 16th annual Lion's Club Kettle 20 held in conjunction with their chicken bar-b-que.

The hills and rough terrain of the Kettle Moraine State Forest made for a tough course as the competitors endured the 3.5, 5, and 12.4 mile events in humid, but decent weather. The well organized race was the key to success for participants as well as spectators.

Races are divided into several age groups, and drew runners

from as far away as Chicago, Missouri, Arizona, and Minnesota.

Wanda Williams, took the women's title in the K20 for the second year in a row with a winning time of 1:34:12. Williams works as a graduate nurse at Columbia Hospital in Milwaukee, and is awaiting the results of her state board exam.

Leading the men to the finish line was Greendale's Bill Antholine with a time of 1:11:53. A member of the Montana cross country team, this was his first time participating in the Kettle 20.

3.5 mile winners were Larry Glassburn, West Bend (20:47) and Melissa Walsh, Gladstone, MO. (27:35), and 5 mile winners included Mark Ulm, Madison (27:59) and Karen Bronikowski, Milwaukee (40:35).

After working up hearty appetites runners followed the smell of grilled food and joined the crowd, already enjoying the delicious chicken dinners, cooked and served by the Lion's members. Over 750 dinners were sold.

Music was provided by the Eddie Schneider Band.

School District Welcomes Students Back On Monday, August 28

by Dr. David Heather, District Administrator

Monday, August 28 is the first day of school for returning and new students of the Kewaskum School District.

Parents and guardians should by this time have received information on bus rules and pick-up times. If you have not, please call the Johnson Bus Company at 626-4414 to

complete arrangements.

We are asking that families take time to review the bus rider rules and safe boarding, riding, unloading procedures. If this is your youngster's first experience at riding the "big bus" why not take some time, or arrange for someone to accompany him or her at that first pick-up and drop-off.

Also, please be aware of the times crossing guards are present on village street corners and utilize them accordingly. And, finally, please don't send your children to school before the school doors open as they will be unsupervised.

Information for those interested and eligible for the free and reduced hot lunch program was published in the Statesman last week. Middle School and High School

Opening Day for Holy Trinity Students Aug. 28

Holy Trinity Catholic School will open its doors on Monday, August 28th at 7:30 a.m. to 168 students. The official liturgy opening the new school year will be on Friday, September 1st at the 7:45 a.m. liturgy. Our theme this year is LOVE ONE ANOTHER AS I HAVE LOVED YOU, with our symbol being a heart meaning a loving, caring community rooted in Jesus.

We have several new teachers joining our faculty this year. Miss Betsy Schill will teach the second grade; Miss Kristen Karpf will teach science 5-8, math 5, 6, and religion in a 6th grade homeroom; Mr. Joseph Kowalski will teach Jr. High English, Reading, and History with an 8th grade religion and homeroom. Our computer teacher will be Miss Brenda Bauer and we welcome back Mrs. Ellen Schmid as our music teacher. We look forward to a stimulating educational year at Holy Trinity Catholic School and we welcome with enthusiasm our 25 new first graders.

St. Lucas School Begins Aug. 30

St. Lucas Lutheran School will start the new school year on Wednesday, Aug. 30th, 1989.

A special opening service will take place at 11 a.m. in the church. St. Lucas has added a new pre-school class to its curriculum, along with grades K through 8.

Preschool through eighth grade begin at 7:45 a.m., with preschool starting on Thursday. Kindergarten starts the day at 9:00 a.m.

Any questions about school or registration can be directed to Rod Bollinger at 626-2680 at school or 626-4655 at home.

New Officers Preside at C of C Meeting; Members Endorse KMS Incentive Program

The 1989-90 officers presided at the regular monthly meeting of the Kewaskum Area Chamber of Commerce held on Wednesday, August 16, at 6:30 p.m. in the Community Room of the Municipal Building.

The new officers are President Lana Kuehl, Kewaskum Statesman, Vice President Don Sedgwick, Village Bootery, Secretary Jan Bartelt, Shefond Mobil Mart, and Treasurer Charleen Barutha, West Bend Savings and Loan, Kewaskum Office.

New members of the Board of Directors who were present at the meeting were Gladys Seefeldt, Buffy's Village Inn and Sandi Amerling, Village Hair Stylists. President

Lana Kuehl and Treasurer Charleen Barutha are also new members of the Board of Directors. Holdover Board of Directors who were present included Vice President Don Sedgwick and Secretary Jan Bartelt. The other holdover Board of Director, Chuck Wilgenbusch, representing Valley Bank, was unable to attend.

Other members in attendance were: Donna and Leroy Bier of Bier's Jewelry; Audrey Krueger of Kennelly Pharmacy; Paul Behring of Behring's Market; Ron Schmitz of Behnke-Schmitz Agency; Past-President Ed Miller of Miller's Furniture; Larry Martin of Miller Funeral Home; Randy Gust of

American Family Insurance; Larry Williams of KL Home and Hardware, and Judy Jaeger of Jaeger Sewing Center.

Guests included Stephen King, Principal of the Kewaskum Middle School, and Janet Lauenstein, President of the KMS Parent Advisory Council and Marcia Theusch, also of the Council. They are seeking the support of the Kewaskum Business Community for a new middle school incentive program.

The incentive program, which is designed to encourage students to strive for academic excellence by achieving honor roll status, was

Boy Scouts Attend National Jamboree

After months of preparation, numerous fundraisers, and community support, 13 boy scouts from troop 744 in Kewaskum left for the National Boy Scout Jamboree at Fort A. P. Hill, Virginia on July 29. Braving the trip with them were five seasoned leaders, prepared for anything.

Before arriving at Fort A. P. Hill, we took a side trip to New Jersey to view the statue of Liberty. The view from the crown is spectacular, and the climb down will never be forgotten by the adults.

Our tour guide for New Jersey and New York city was

Fr. Thomas RainForth (well known as Fr. Dew Drop). We took an evening walk through Manhattan stopping at St. Patrick's cathedral, viewed Greenwich Village and Wall Street, and took a subway ride. Fr. Tom housed us at St. Pauls parish in Prospect Park, New Jersey where we enjoyed a delicious spaghetti dinner cooked and served by members of Pack 2 and Troop 2.

Our adventure continues in Washington D.C. The troop viewed the monuments by night and went to the top of the

Story & Photos Continued on Page 2

Jamboree

(Continued from Page 1)

Washington monument for the spectacular view. We return by day to view the National Archives and Smithsonian museums and take a tour-mobile ride.

We move on to Fort A.P. Hill, Virginia to join about 32,000 Scouts from across the nation, as well as around the world, including friendly Scouts we talked to in fellowship from England and South Korea. Some of our scouts were actively trading pins and patches with scouts from other troops.

The boys took part in various merit badge clinics and environmental seminars. At dusk the opening ceremonies began with wave after wave of boy scouts filing into a natural

amphitheater. Lee Greenward, who is an Eagle Scout, sang the opening songs. Stephen Spielberg, who is also an Eagle Scout, was presented with the first cinematography merit badge for his contributions to the industry. A fantastic lazer light show with fireworks ended the evening.

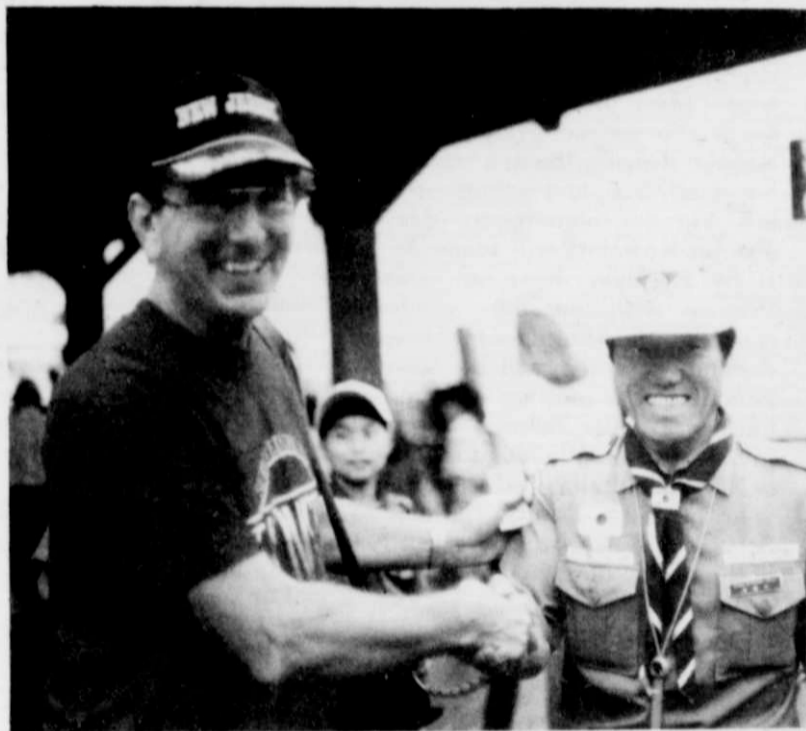

On Friday we pack up and headed for some R and R at Virginia Beach, Virginia. The scouts (and leaders) enjoyed riding the ocean waves.

As the cheeseheads packed up and headed for home Saturday morning, the leaders reflected on the past week. We did not lose anyone (permanently), weather cooperated (it only rained when we were indoors), and there were no mishaps.

Just a special thanks to those who made this trip possible, for those boy scouts it will be a trip always remembered.

Boy Scouts file into opening ceremonies

Kewaskum Scoutmaster Dennis Giese greets South Korean Scoutmaster Choi Byung Soo.

Holy Trinity Still Accepting School Registrants

Holy Trinity Catholic School is still accepting registration for all grades with the exception of Grade 4, which is closed.

The curriculum at Holy Trinity features religious training and academics in a Catholic Christian environment.

Further information can be obtained by phoning the school at 626-2603 or the rectory at 626-2860. A student book fee of \$85.00 is required.

Prize Winners Announced

Holy Trinity Parish prize winners have recently been announced. They are as follows: Mike McKenna \$500, John D. McElhatton, \$200, Roger Bauer \$100, Don Rasbornik \$50, Michelle Etta \$50, Missy Rohrer \$50 and Corrine Mlodzik \$50. The committee extends their thanks to all who bought and/or sold tickets.

Kewaskum Statesman Classified ads really work.

Front row, left to right — Virginia Lettow, Father Tom Rainforth, Billy Lettow, Matt Wiedmeyer, Adam Bude, Scoutmaster Dennis Giese. Second row — Fritz Lettow, Jerry Gosa, Eric Giese, Jason Giese, Phillip Lettow, Jeff Kissinger. Third row — Kathy Giese, Eric Bude, Pat Bertram, David Gosa, Craig Erdmann, Jason Noren and Sheldon Oppermann.

Park Releases Usage Statistics

By GERRY MUELLER
Statesman Staff Writer

A Parks Committee report released to the Kewaskum Village Board Monday showed usage of the Kiwanis Park had remained fairly consistent for the past two years.

In comparing 1988 and 1989 figures, there were 72 participants in two tennis sessions. Swim lessons show a slight increase with 325 students

participating in the two sessions for 1988 and 327 in 1989.

Pool attendance, however, showed a marked decrease, from 13,458 in 1988, to 10,427 in 1989, a drop of 24%. Parks Committee chairman Tom McElhatton noted, however, that 1988 had been a record year because of the hot, dry summer.

A total of 747 swim passes were sold in 1989.

GIRL SCOUT REGISTRATION

Kewaskum area girl scout registration dates are as follows: Farmington, Wed., Sept. 6th, 7 p.m. Kewaskum, Mon., Sept. 11th, 7 p.m. and Wayne, Wed., Sept. 13th, 7 p.m.

Girls must bring a parent and their \$4 registration fee at this time.

First leaders meeting will be on Sept. 21st at 7:30 p.m. at the Wayne Town Hall.

We Help You Learn a Living!

Moraine Park Helped Sally Deniston Learn a Living!

"Returning to school at the age of 27 was frightening for me, but it turned out to be the best experience of my life. I developed friendships with students and staff that have lasted even though I am no longer in school. It wasn't easy, but with that support and a lot of hard work, I have gotten where I am today. The college gave me the skills to secure a position with confidence and make a better life for myself and my family.

Sally Deniston, 29,
1989 Star Student
Medical Record Technician
West Bend

Classes start September 5. Register by calling (414) 626-2166.

We Help You Learn a Living

Newly elected Kewaskum Chamber of Commerce officers and Board of Directors members include, back row, left to right: Secretary Jan Bartel, Shefond Mobil Mart; President Lana Kuehl, Kewaskum Statesman; Vice President Don Sedgwick, Village Bootery and Sandi Amerling, Village Hair Stylists, Board of Directors. Seated are Gladys Seefeldt, Buffy's Village Inn, Board of Directors and Treasurer Charleen Barutha, West Bend Savings and Loan, Kewaskum Office.

School

(Continued from Page 1)

students also received copies at registration. Forms will again be given to elementary students (one per family) during the first week of school. If you don't receive one, or wish to review the criteria, please call the business office at 626-8427.

Hot lunch prices for this year will remain the same as for the past several years. That will be \$1.10 daily and \$4.75/\$5.00 weekly. School on Monday is a full day and lunch will be served. The calendar for the school year has been published and each family will receive one at registration. Extra activity calendars are available for purchase from the business office.

Please be aware of the fact that the School District does not carry accident insurance for students. We therefore urge parents/guardians to review their own policies to be certain coverage is adequate. Particularly in the case of athletics this is a necessity. The schools do have information about the WIAA (Wisconsin Interscholastic Athletic Association) insurance program that is available for parents to purchase on their own at a nominal sum. Information can be obtained by calling the school building offices.

District support staff have worked hard this summer cleaning and making the buildings "spic and span" for fall opening.

Different teachers have continued curriculum development and advanced training. Administrative staff have worked to hire new staff and arrange schedules. All is in readiness and all are anxious to greet children and begin anew.

Most important for us will be the continued support and involvement of parents, grandparents, guardians and community members at large.

Please take the time to review handbooks with your children, go over homework with them, call their teachers or principals, visit your schools, volunteer any time you might have and get involved with parent groups or committees! We need and want your assistance.

Other hints for a successful start to the 1989-90 school year include the following: Be positive about the teacher(s) your child has and the programs available; be interested in what is happening on a daily basis, encourage participation in extra-curricular activities; set goals that are high enough yet realistic and set aside some time on a regular basis for reading (or reading to your child) or homework.

Welcome back and have a great year!

Chamber

(Continued from Page 1)

unanimously endorsed by the Kewaskum School Board at their August 14th meeting. It is hoped the local business community will support this program in the same way they have shown their strong support of winning athletic teams.

The program is also designed to create a positive school-community relationship and to improve the relationship between the students and teachers.

It will, through the local business community, extend special privileges to students who attain honor roll status each quarter. Local businesses can use their own judgement as to what special privilege they wish to offer to these students, whether it be something free, a discount to the student, a discount to parents, etc. Students will redeem their "goodies" by presenting their school ID card with a special sticker given to them each quarter they attain honor roll status.

Participating members are also encouraged to display information regarding the program in their store to give the incentive to more students. Limitations may also be imposed by the merchant.

Audrey Krueger expressed concern that she felt the program ignored the students who simply cannot make it on the honor roll. Mr. King stated there already is an in-school "Good News Lottery" program in the middle school available for all students. This program recognizes one student per week for any kind of accomplishment in school, whether it be behavior, attendance, etc.

It is King's hope that once the incentive program is off the ground, it might be possible to expand the program to include other students.

Gladys Seefeldt stated she thought it might be a good idea to tap into the "Good News Lottery" program by having a Kewaskum Middle School Student of the Week, and featuring this student's picture in The Kewaskum Statesman. King and Lana Kuehl both thought this was an excellent idea and agreed to work on this in the future.

King also stated that both these programs could also be expanded into other community schools and he would be willing to work with the school principals after the groundwork on the incentive pro-

gram has been laid.

The majority of Chamber of Commerce members voted to endorse this program and agreed to support it. For more information, a pamphlet explaining the program, or a copy of the participation agreement, contact Lana Kuehl at 626-2626, Stephen King at 626-2178, Janet Lauenstein at 692-2233 or Marcia Theusch at 338-4777. It is hoped the program will provide additional business to the community and show our support of today's students who will soon be our future customers and employees.

Copies of the participation agreement will be mailed to all Chamber of Commerce members. They must be returned to Stephen King, Kewaskum Middle School, by October 1, so the program can be implemented by the end of the first quarter.

Under the topic of old business, the Chamber of Commerce maps are finished. Judy Jaeger, who handled the entire operation, brought the maps to the meeting. Members needing maps can pick them up at KL Home and Hardware, the Kewaskum Statesman, or they are available at every meeting.

Other old business included the possibility of erecting a community calendar sign. It is being looked into further by Ron Schmitz, Ed Miller and Wayne Rempel. However, Ron Schmitz did speak to Mike and Debbie Korneli, who own a large billboard type sign at the edge of town, across from the Kewaskum Mall. This sign may be used to advertise any community function for a nominal fee.

Under new business the Chamber discussed their own "incentive program" to encourage more members to attend meetings. Also briefly discussed was any possible interest in the Chamber sponsoring a Christmas parade, the River Fest, and the annual Crazy Daze. All these items will be discussed and voted on at the next meeting.

Please keep in mind, by not attending the meetings, it is assumed your vote on any upcoming issue is yes, and that you are in agreement with what the members who do attend decide.

Kewaskum will be growing rapidly as the new bypass comes into town. It is up to the Chamber of Commerce to work together to make sure the business communi-

ty grows along with the Village. Our next meeting is Wednesday, September 20, 6:30 p.m. in the Community Room of the Municipal Building. Please mark your calendar and make a point to be there.

Memories...

The handsome couple above is none other than Doc and Alma Edwards of Kewaskum taken at the time of their marriage 60 years ago, January 7, 1929. The former Alma Zimpel and Richard Edwards were married in Waukegan, Illinois. Alma was a nurse working at Sheboygan and Doc was a medical student at the University of Minnesota. After completing his internship at Minneapolis General Hospital and graduating in December of 1931, the couple came to Kewaskum and opened their general practice in January of 1932. After 45 years of medical practice, Dr. Edwards retired on January 7, 1977.

Grass Clippings in the Street Could Start Costing Residents Money

Recycling Center to Extend Hours

By GERRY MUELLER
Statesman Staff Writer

In an effort to encourage more and continued recycling by residents, the Kewaskum Village Board, Monday night, approved a recommendation to extend the hours of the recycling center.

Larry Williams, chairman of the Public Services Committee, told fellow trustees his group would like to see summer hours for the center changed to every Saturday from 8:00 a.m. to 2:00 p.m. Effective November 1st, the center would be open from 8:00 a.m. to 1:00 p.m.

Williams said his committee was still discussing the issue of paper pickup with the Kewaskum Lions Club as well as looking into various recycling programs in other communities.

Another issue which brought considerable discussion between the board and Public Works Superintendent Augie Bilgo is the continuing problem of residents allowing their grass clippings to fall into the gutter when they mow their lawns.

Bilgo told the board people are continuing to ignore an ordinance which prohibits the practice despite numerous notices and articles in the paper. He said it is costing the village money to vacuum out the storm sewers and sweep the streets. Bilgo noted there have been instances when the sweeper has gone down the street and someone cutting grass blows the clippings into the street right behind the sweeper.

Bilgo asked if there wasn't some way of "putting teeth" into the ordinance. Police Chief Richard Knoebel advised the board that the village could issue municipal citations on its own without going through his department. Village Attorney Gerald Kiefer indicated those citations could run anywhere

from \$5.00 to \$250.00 plus costs.

Trustee Larry Williams said he was hesitant about issuing citations and asked if the offenders could be contacted by phone or letter. Both Bilgo and Village Administrator Dan Schmidt stated these people were habitual offenders who keep ignoring the ordinance. I've made telephone calls to these people and it hasn't helped, noted Schmidt. In that case, said Williams, we should begin issuing citations.

Williams also asked what would happen if the offenders refused to pay the fines. Knoebel thought the village could then have the individual's driver's license suspended until the fine was paid.

Schmidt told the board he would look into the matter with Mr. Kiefer to see what kind of citation could be drawn up, what the costs would be, and how enforcement for payment of the citations could be handled.

In other action the board turned down a request from Holy Trinity Catholic School to close Prospect Street twice a day when its students are using the playground. Chief Knoebel recommended that the request be denied citing the fact that it would cause traffic problems. He also noted that the same

situation existed on Park View with St. Lucas' school and that street was not closed.

The board also denied a request from the Kiwanis Club to use some of the village's picnic tables for its Turkey Shoot to be held at the New Fane Sportsman's Club.

The board agreed that while the Kiwanis had been generous to the village in donations over the years, it has been village policy for several years not to lend the tables out to any organizations or individuals. Schmidt had also suggested that if the tables were lent out, Public Works employees would have to haul them in order to avoid any possibility of injury and lawsuit by private individuals.

Bilgo noted that other organizations had been generous to the village also and they have not been allowed to borrow the tables. "Where do we draw the line?" he asked. Trustee Tom McElhatton told fellow board members, "If you set the policy, you have to stay with it."

In other business the board awarded the contract for construction of a pumphouse for Well #4, to low bidder W.B. Corporation at a cost of \$75,127. Well #4 is the replacement for Well #1, which is located on the north side of the village.

'Doc' Surprises Alma At Anniversary Dinner

by Dr. R. G. Edwards

On Sunday, Aug. 13, I arranged to take my bride of sixty years to a special dinner at the Amber Hotel in Campbellsport, "missed" the turn, and drove into the Amerahn parking lot to "turn around." Our grandson Rick and Alma's cousin from Medford came on the scene, then a dozen or more came tumbling out of the Amerahn Hall to call out "Happy Anniversary."

In the hall we found most of our relatives and many old time friends awaiting our arrival.

It was my desire to honor Alma for all her hard work by being my right hand; helping to deliver babies; attending all phone calls, day or night, with instant care to soothe the

alarmed or injured person; plus being a housewife for nine hungry mouths to feed three meals a day.

Alma was totally surprised by the outpouring of so many relatives and friends, many from California and Medford way.

A two-hour video of the entire celebration was taped by two experts from Milwaukee. If anyone would like to have a video tape of the event, call me and I will get you a tape for \$15.00.

Doc and Alma have five children: Richard (Marilyn) Campbellsport, Bill (Violet), Kewaskum, Dolly (Eldon) Ramthun, Campbellsport, Gwen (Jules) Dreher, Kenosha

and Patty (Dr. Joe) Darin, Milwaukee. A niece, Annabelle (Allen) Tessar of West Bend also made her home with the Edwards family. They have 31 grandchildren and 25 great-grandchildren.

Around 300 well-wishers came to the open house celebration in the afternoon and we both thank everyone for attending.

Doc and Alma

Village of Kewaskum NEWS NOTES

Low Hanging Tree Limbs

The Village of Kewaskum Municipal Code addresses a particular hazard or public nuisance the Village Board wishes to review with ALL property owners, especially those property owners in areas where sidewalks have been recently installed. This hazard or public nuisance is in reference to TREE & SHRUB LIMBS. As stated in Chapter 10.05(5), all limbs of trees and shrubs which project over and are less than 10 feet above any public sidewalk, street or other public place, are considered a public nuisance.

Any property owner in violation of this section is asked to correct the situation to alleviate any further action required by the Village. Your cooperation is appreciated in the maintenance of safety for all residents.

Dated: August 21, 1989

There are about 400 different kinds of ants in the United States alone.

You're Invited to A 'First Day of School' Coffee

The first day of school is difficult for kids and parents alike. The Kewaskum PTO is extending an invitation to all parents to attend the "First Day of School Coffee" after the children have been dropped off at school, on August 28 from 9 a.m. to 10 a.m. at the Kewaskum Elementary School Cafeteria.

NEW MOMS: This is your chance to meet new parents!

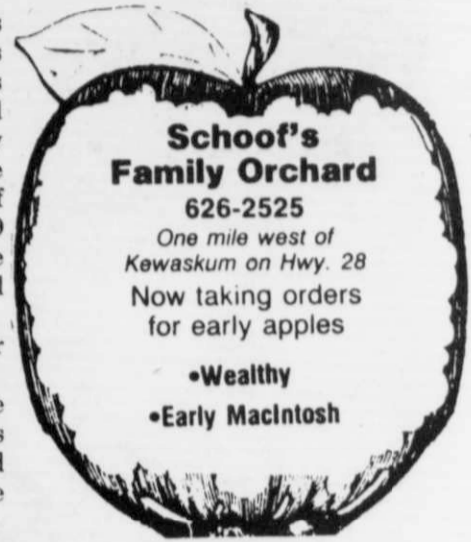

For those of you who have been through this before, this is your change to get reacquainted with old friends and make some new ones.

Hope to see you there!

Seals sometimes swim 6,000 miles over a period of eight months without touching land.

A Tribute To Alma

My Dearest Alma:

Would you have believed on that day so many years ago when you first took my hand that it would lead to over 60 years of living, working and being together. Do you remember those early difficult times when there was little money and prospects were slim ... when we lived mostly on love and faith in our future. Remember too all those happy, hectic days we enjoyed even when they were sometimes mixed with dreadfully long and demanding hours. You were by my side every step of the way. In perfect harmony we moved together to establish ourselves and begin our life's work.

A new baby, a new town and my new medical practice ... an exciting and anxious time. As more children came along and the practice grew, the work load became staggering. You never complained. You pitched in to do whatever was needed to keep our home clean and pleasant, always with delicious and healthful meals. At the same time, as I made house calls and my hospital rounds, you were my home front. You answered the phone and kept the office organized and effective. For nearly 50 years you were my right hand — almost a co-doctor — as you took calls, gave comforting advice, relayed information, and assisted in the care and treatment of all who came to us.

Time flew past so quickly. It's difficult to believe that more than ten years have gone by since we retired. God has been good to us. He has kept us in good health through all our years. We thank and honor Him every day.

The wall in my den is crowded with plaques honoring my service to the community. These tributes came from people we lived with and served throughout our active years here in this spot we chose to call home. All are tokens of thanks in honest appreciation for the work we accomplished together. I accepted them for both of us.

I want you to know, my darling, though no one else can see it, on the wall in my heart there is only one plaque, and only one name is thereon engraved. The name is yours my dearest, as you have always been my guide, my strength and my light. The gratitude I feel for your unselfish devotion to me and to this community is matched only by my deepest respect for you and my never-ending love.

Vetter - Stange

Marriage vows were exchanged between Tami Jo Vetter and Kevin John Stange during a 2:00 p.m. ceremony on July 22, 1989 at Immanuel Lutheran Church, Town of Scott.

The bride is the daughter of James and Mary Vetter, Kewaskum. She was presented in marriage by her father to the son of Richard and Janet Stange, Kewaskum.

The bride chose Laurie Grahl of Kewaskum as her matron of honor. The bridesmaids were Kim Bingen and Brenda Vetter, cousins of the bride, Renee Kapp, Jennifer Rammer, Jody Urban, and Pam Van Derel friends of the couple.

Rick Staehler, Kewaskum, served as best man. Groomsmen were Todd Stange, brother of groom, Greg Dreher, Don Menzel, Brian Spartz, and Jim Horning, friends of couple, and Jerry Vetter cousin of bride.

The miniature bride was Draceana Spencer, godchild of

groom and miniature groom was Trenton Spencer, godchild of bride. The flower girl was Jenny Melius, friend of couple and ringer bearer Bradley Vetter, cousin of bride.

Ushering duties were shared by Greg Hoepner, cousin of bride and Shawn Stange, cousin of groom.

Music was provided by Kay Muench, organist and soloist Jennifer Frac.

A reception and dance was held at Hilltop Hall, Batavia.

The bride is a 1987, honoring graduate of Kewaskum High School and a 1989 graduate of MPTC. She is employed at St. Agnes Hospital in the diet office.

The groom is a 1986 graduate of Kewaskum High School and has served a term in the Army. He now is employed at EST Company in Grafton.

The couple honeymoon at Islamirada of the Florida Keys. They now reside at 104 2nd St. Apt. #2, Allenton, WI 53002.

St. Joseph's Hospital Auxiliary Luncheon Planned for Sept. 1

The Auxiliary of St. Joseph's Community Hospital of West Bend, would like to remind all present members, and invite all prospective members to the annual Auxiliary Fall Luncheon, which will be held on Friday, Sept. 1st, at West Bend Country Club, beginning with a Social Hour at 11:30 a.m.

Reservations must be made by Monday, Aug. 28th, by calling the Auxiliary Treasurer at 334-2549. The cost of the luncheon is \$8.50, payable on admittance.

Also, said Treasurer will be more than happy (ecstatic, infact) to collect membership dues for 1990, in the amount of \$5.00, at that time.

ANY QUESTIONS? CONTACT YOUR LOCAL LIBRARY

Any last minute questions about canning pickles, fruit or vegetables this season?

Topics ranging from food preservation to food safety are now available at the West Bend, Slinger, Hartford, Germantown and Kewaskum libraries for reference. The manuals include bulletins published from the University of Wisconsin-Extension, Cooperative Extension Service and cooperation with the U.S. Department of Agriculture.

Copies of the bulletins and reference materials can be found at the UW-Extension office, Room 235 of the Washington County courthouse in West Bend.

Kewaskum Statesman Classified ads really work.

Women's Club Plans Annual Fall Tea

The Annual Fall Tea of the Kewaskum Women's Club will be held at the AAL Shelter on Thursday, Sept. 7th at 2:00 p.m. In case of rain the meeting will be held at the Community Room. The short but important program will be a presentation of the Vial-O-Life. This informational program is put on by the Red Cross of Washington County.

All members are asked to bring their medical info and/or a list of medicines they and their spouses are taking. This program is to assist the Rescue Squad and/or relatives in case of an emergency.

The members will also receive their booklets for the 1989-90 schedule. A few topics to be presented are: A fashion show by the Fashion Niche of West Bend; color analysis; stress and tension; and of course the gourmet dinner with the Centennial theme and founders day dinner.

They are quite a few members who have been working hard to get an interesting schedule lined up for this coming year. I hope their efforts won't be in vain. We need all the memberships' support when it comes to attending the meetings. And bring a friend!!

Remember Thursday, Sept. 7th at 2:00 p.m. and bring a prospective member along. The program is a good one for everyone in our community.

NOTICE TO COMPLETE DISTRICT SURVEY

The Kewaskum School District would like to remind those district residents who were selected to participate in the School District survey to please complete the questionnaire and return it to the district office as soon as possible. Your answer to the survey questions are important to us.

To those who have already returned the survey, the School District thanks you for your effort and participation.

Westerman - Lauer

Susan J. Westerman and James M. Lauer were united in marriage during a 1 p.m. ceremony at St. Lucas Lutheran Church on June 17, 1989. Pastor Edwin Fredrich officiated.

Parents of the couple are Harold and Lilly Westerman, and Terry and Cathy Lauer.

The bride chose her sister, Lisa McCrory, as her matron of honor. Bridesmaids included Jenny Lauer, sister of the groom and Vicki Castro, friend of the couple, and Kati Westerman, sister-in-law of the bride.

Tom Cochenet, friend of the couple, served as best man. Groomsmen were Gary Kirst, friend of the couple, Tony McCrory, brother-in-law of the bride, Tim Westerman, brother of the bride, and Brad Kasseckert, friend of the couple.

Ushering duties were performed by Mike Westerman, brother of the bride, and Mark Heise, brother-in-law of the bride.

A reception and dance was held at the Knights of Columbus, West Bend.

Sue is a 1987 graduate of Kewaskum High School, and a

1988 graduate of Moraine Park Technical College, Fond du Lac. She is licensed in Cosmetology and is now a director for Cameo Coutures Inc.

Jim is a 1985 graduate of Kewaskum High School and is employed at Broan Mfg. in Hartford as a welder.

The couple are residing at 136 Hwy 45N, Kewaskum.

Zacher - Garbisch

Sheryl Dean Zacher and Craig Roger Garbisch exchanged wedding vows during a 1:30 p.m. ceremony

held at Immanuel Lutheran Church, Random Lake, on May 6, 1989.

Rev. William L. Robinson officiated.

Parents of the couple are Mr. and Mrs. Steve Zacher Jr. West Bend, and Mr. and Mrs. Roger Garbisch of Kewaskum.

The bride chose her friend Harriet Cameron as maid of honor. The bridesmaids were Shelly Zacher, West Bend, Stephane Jung, Random Lake, Sherry Vorpal, West Bend, sisters of the bride, Lisa Bosch, Winnemucca, Nevada, cousin of the bride, and Chris Jung, Random Lake, friend of the bride.

Jeff Igel served as his friend's best man from Menomonie. The groomsmen were Corey Garbisch, Kewaskum, brother of groom, Dave Jung, Random Lake, brother-in-law of the bride, Dan Mueller, West Bend, Jim Sperber, Grafton, Doug Enright, Kewaskum, all friends of the groom.

Charlie Zacher, West Bend, and Randy Edgar, Kewaskum, shared ushering duties.

Following the ceremony a reception was held for the family and friends at the Knights of Columbus Hall in West Bend.

The newlyweds will take a future honeymoon and are residing at 9192 Boltonville Rd., Kewaskum.

Oelhafen - Freiberg

Lisa Oelhafen and Craig Freiberg are pleased to announce their engagement.

Parents of the couple are Marion and Tom Oelhafen of Allenton, and Joanne and William Freiberg of Fond du Lac.

The bride to be is a graduate of Slinger High School and is employed with Schaetzel Trucking in Fond du Lac.

Craig is a graduate of Winnebago Lutheran Academy and works for the city of Fond du Lac.

A July 14, 1990 wedding is being planned by the couple.

Golden Jubilee Auditions Sept. 12 for UWWC Theatre on the Hill Production

Sister Theophane Himmelberg, Servant of the Holy Heart of Mary, celebrated her golden jubilee on Sunday, August 6. A mass in her honor was read at Nazareth Retreat House, Batavia, Illinois, at 1:00 p.m. with Father Robert Brodzeller, S. J., a cousin, as celebrant. A 3:00 o'clock dinner followed the mass.

She is a niece of the late Louis and Agnes Heisler, Kewaskum, and a cousin of Marcie (Heisler) Harbeck, Kewaskum.

Sister Theophane is a semi-retired teacher at St. John the Baptist Convent at Silver Spring, Maryland. She taught at St. Patrick's Academy, Momence, Illinois for 17 years and other schools under her order. She took her vows at Holy Family Academy, the Mother House of the Sister Servants of the Holy Heart of Mary in 1939.

"The Art of Dining" has been selected as the fall semester production of Theatre on the Hill at the University of Wisconsin Center - Washington County.

In announcing his choice of the play, director Brad Ford called it "a very exciting and phenomenal piece."

Ford, an assistant professor of communications at UWWC, said a working kitchen will be constructed on stage for the show. Among the dishes to be prepared in front of the audience, he said, are Hollandaise sauce, floating island, crepe suzette, baked fish, roast duck and veal.

According to Ford, the play "examines the art of dining" and takes a look at a variety of diners who "love to eat and hate to eat."

Auditions are scheduled for Sept. 12 from 7 to 9:30 p.m. in the UWWC Student Union theatre. Six women and three men are needed for the show.

Performances are scheduled for Oct. 19, 20, 21, 26 and 27, as part of the annual UWWC Fine Arts Series. Individual tickets are \$6 - with \$4 admission available for senior citizens and students. Season tickets to the entire nine-event series go on sale Aug. 28 at a season savings of about 25%.

"The Art of Dining" premiered at the New York Shakespeare Festival in 1979 and was co-produced by the

festival and the Kennedy Center.

For information on tryouts or tickets, call UWWC at 338-5208 in West Bend.

A Hobby That Works for Its Keep

Area Men Recreate a Bit of Farming History

Bud Schmidt's three-horse hitch pulled a 1930 Deering grain binder in an oats field on the Schmidt farm.

Friends and neighbors loaded the sheaves of oats onto a wagon. Matt Harvey, driving the wagon, pulled by his team of Belgians, checked the load.

The 1921 LaPort Rumely oil tractor of Marshall Reysen provided power to drive the threshing machine's belt. A loaded wagon waited its turn to pull up to the thresher.

Bud Schmidt held the reins and Dean Schmidt stood at the head of the team waiting for them to be unhitched from a wagon.

Men unload the oats into the threshing machine which separated the grain from the straw.

By GERRY MUELLER
Statesman Staff Writer

Lewis "Bud" Schmidt, his son Dean and their teams of Belgian draft horses have become a familiar sight and well-known around the Kewaskum area. People have seen the Schmidts and their horses in local parades, in the Kettle Moraine countryside giving hayrides and sleighrides and, thousands of viewers have seen the Schmidt teams in person or on TV pulling wagons in Milwaukee's Great Circus Parade.

For Bud and Dean, who work

for A.O. Smith and Kimberly-Clark respectively, what began as a hobby with a couple of horses has grown over the years to a point where the Schmidts now own a herd of twelve Belgians, including two foals from this year, which has developed into a part-time family business.

When Bud was asked how come he was not at the State Fair showing his Belgians, he laughed and said, "these are working horses, they earn their keep." And work they do. Recently the Schmidts and their gentle blonde giants were seen

in a whole 'new,' but not really new setting. Bringing back memories from farming's past, Bud and Dean had an old-fashioned oat threshing bee at Bud's farm.

Bud began setting the scene on Monday, Aug. 7th, when he and his three-horse hitch reaped (harvested) the oats, using his 1930 Deering grain binder. The binder cut the oats and bound the stalks into sheaves which were later piled in shocks (small stacks) in the field.

On Sunday, Aug. 13th, despite threats of rain, the field

literally became a beehive of activity as machinery was brought in and set up to begin the job of threshing. Marshal Reysen of Beechwood provided his Case 28" threshing machine. The last patent date on that piece of equipment was 1922. Reysen's LaPort Rumely oil tractor, dating back to 1921, was used to power the belts which drove the threshing machine. "That tractor was built to run on kerosene and water," said Schmidt.

Matt Harvey of nearby Elmore brought in his team of Belgians to help the Schmidts and their two teams in hauling wagons.

Friends and neighbors (as in the old days) came to help out. But now the people came for more than one reason. Beside being neighborly, some wanted to rekindle old memories while others wanted to experience firsthand, farm life and work as it was in the not-too-distant past.

Both men and women took part in the muscle-straining work of hefting the bundles onto the wagons with pitchforks and then on to the threshing machine's conveyor. For some it meant sore backs and blistered hands by the end of

the day, but no one complained.

As in the old days, threshing season was both a time of work and socializing as farmers went from neighbor to neighbor helping each other get the crop in. For the Schmidts' threshing, it was no different. Passerby and neighbors stopped to watch the activities and visit with one another. For the older folks who watched, it brought back memories of their youth. For the youngsters it was, as in the past, a time to ride the pony, jump on the haywagons and play with friends while the grown-ups worked. But it was also a time for children to see how grandpa and great-grandpa farmed before the coming of the towering combines and big diesel tractors.

The first highways in the new world were built more than 350 years ago by Inca Indians of South America. At its peak the Inca Empire extended almost 2,500 miles from Columbia to Chile.

'Light Dreams' Exhibition at West Bend Gallery Made Possible by a Grant from Regal Ware, Inc.

The West Bend Gallery of Fine Arts will present two separate exhibitions in September. Modern technology in contemporary art is the theme for the two which are entitled, LIGHT DREAMS and C.R.A.S.H. These exhibitions offer an amazing look at art that could not have existed only a few decades ago.

LIGHT DREAMS is an exhibition of the art and technology of holographs. This art work can be mystifying on first encounter because the image floating before the viewer is not a real object but is made of light having the three-dimensional qualities of any solid object.

Of the many visual properties which distinguish a hologram from images created in other media, perhaps none is so dramatic as its three-dimensionality. The hologram, as evidenced in the works in this exhibit, can portray subjects which may be viewed from many angles, each of which presents a different view of the same subject. The sense of anxiety often engendered by the initial encounter with Holography in art often creates a sense of wonderment.

LIGHT DREAMS is an exhibition organized by Dimensional Imaging Consultants, Niles, Michigan and was made possible in part by a grant from Regal Ware Inc. of Kewaskum, Wisconsin.

Also on view is C.R.A.S.H., an exhibition that examines how artists are using the computer to produce conventional art objects-like prints, drawings or paintings.

C.R.A.S.H. is the acronym for the focus of the exhibition - ComputerR-AssiSted Hard-copy. The "hard copy" art work on exhibit includes dot matrix print, photography collage, etching, relief and other computer-assisted hybrid art.

The exhibition was organized by the Beloit College Museum and the Department of Art, University of Wisconsin - Madison.

According to an essay written by Patric D. Prince for the exhibition publication, the computer's ability to have unlimited random design options, retain and rapidly recall information allows artists enormous possibilities to experiment. The computer is an exciting and perhaps the most significant design tool artists have ever encountered. The visual repertoire in color, texture and pattern are virtually unlimited.

Centrum Computers of West Bend has generously supplied the gallery with a simplified, hands-on computer creativity lab which will be available for guests to experiment with.

A public reception will be held on Friday evening, SEPTEMBER 1st from 6:30 - 9:30 p.m. Doug Tyler of Dimensional Imaging Consultants, Niles, Michigan will present a public lecture at 7:00 p.m. and will be available throughout the evening to discuss art and holography. Also available will be the staff of Centrum Computers, West Bend to discuss and demonstrate current computer technology available to the art world.

Due to the nature and

installation of this exhibition, the gallery will remain closed on Wednesday, August 30th and 31st. The gallery will remain open Friday, September 1st from 1:00 - 9:30 p.m. and will be open during regular hours thereafter. Due to the anticipated crowds, the gallery will open for groups of five or more during any hours that the gallery is not normally open. To

arrange a viewing outside of the regular gallery hours (Wednesday, Friday, Saturday and Sunday 1:00 - 4:30 p.m. and Thursday 12:00 noon - 9:30 p.m.), please call 334-9638.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. There is no admission charge.

Wisconsin Pen Pal Picnic

The Wisconsin Pen Pal Picnic celebrated their 5th anniversary on Saturday, August 12th at Cedar Creek Inn, Cedarburg. About 70 people attended the picnic with 26 of them who do pen paling. Other states represented were Indiana, Illinois, Kansas, Michigan, Minnesota and Nebraska.

Bingo was played and there was a Chinese auction and door

prizes. Carol Tanner from Racine was crowned the Wisconsin Pen Pal Princess. The picnic is held the second Saturday of August each year. If you would like more information regarding the picnic or pen paling write to Donna Barker, 625 S. River Road, West Bend or Ann Neumann, 4264 Hwy. H - West Kewaskum.

Moraine Park Announces Fall Course Additions

A number of courses have been added to the fall course lineup at Moraine Park Technical College that were not included in the fall course schedule mailed to postal patrons.

In Fond du Lac, the following courses have been added:

To register for these courses call Moraine Park in Fond du Lac at 929-2100, in West Bend 334-0909, or from any other location 1-800-221-6430. Registration began Aug. 21.

Kewaskum Schools Awarded Funds In Vocational Education Grants

The school district of Kewaskum will receive \$6,747.50 in vocational education funds through the Carl D. Perkins Vocational Education Act grant awards. These monies will help the district fund four special projects.

"Prescriptive requirements have to be met, and it is a long, involved process," says Local Vocational educational coordinator (LVEC) Dan Wangerin.

First a coordinator must be chosen to facilitate the needs of the program. Next a vocational educational data system (VEDS) is employed, which identifies the programs and students in the Kewaskum District, and a long range 5 year plan (LLRP) must be written up by the local

coordinator and approved by the school board. Every five years the Dept. of Public Instruction evaluates each school district that applies for the grants, and Kewaskum will have its next audit in the year 1992.

Wangerin has written out a project for the school district of Kewaskum which involves four special areas of vocation education; 1) handicapped 2) disadvantaged 3) vocational administration and 4) business improvement. The project must then be approved by the local school board and the Department of Public Instruction.

Each local district pays a percentage of their school's special projects, which varies according to the funds received.

Astronauts circling the earth may get to see sixteen sunrises and sunsets in twenty-four hours.

Q. Would you like to take a class at Moraine Park Technical College, but think it's too far to drive?

A. Think again. With three campuses and 16 instructional centers, you can find hundreds of classes right around the corner.

Classes start September 5; Registration starts August 21.
Take a class from any of the following locations:

Kewaskum	(414) 626-2166
West Bend	(414) 334-0909

Four County Students to Receive American Legion Scholarships

Pictured, left to right: Michael Schmeling, John Mathews, Penny Lou Schneider, Amy Lynn Zahnow and Scholarship Chairman Jerry Bentfield.

Four Washington County students have been selected to each receive a \$200 scholarship from the Washington County Council of the American Legion.

Selected were Amy Lynn Zahnow of Kettle Moraine Lutheran High School in Jackson and Penny Lou Schneider, Michael Schmeling and John Mathews all of Washington High School in

Germantown. This is the first year that the Council has presented these scholarships. The scholarship is set up to go to four Washington County high school students. The students must be a child or grandchild of a veteran and meet the educational requirements set up by the Council. Sixteen students applied for this year's scholarships.

The scholarships were presented to the students by Chairman Jerry Bentfield at a recent county meeting. The County Council consists of Legionnaires from the seven American Legion Posts in the county - Allenton, Germantown, Hartford, Hubertus, Jackson, Kewaskum and West Bend.

High-Tech Workshop Offered at West Bend Gallery of Fine Arts

In conjunction with the September exhibitions, LIGHT DREAMS and C.R.A.S.H., the West Bend Gallery of Fine Arts will offer two outstanding workshops in "high-tec" art.

On Saturday, September 2nd, a HOLOGRAPHY WORKSHOP will be held from 9:00 a.m. - 4:00 p.m. This hands-on workshop will take participants through the rudimentary steps of creating a holographic image. The instructor, Doug Tyler, has taught many such workshops throughout the United States and is a highly skilled holographic artist, lecturer and teacher. Reservations can be made by sending a check for \$35 per member or \$40 per non-member.

On Thursday, September 21st, a CREATING WITH THE COMPUTER WORKSHOP will be held from 7:00 - 8:00 p.m. Taught by Mark Landvatter and the staff of Centrum Computers of West Bend, the course will undertake a demonstration approach to creating with the computer. Many different computer programs will be demonstrated including one that offers free-hand drawing capabilities on the computer with print out capabilities. After the one-hour demonstration session, participants willing to stay will be allowed to try the programs out and discover for themselves the potential of creating with the computer. Reservations can be made by sending a check for \$10 per person.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Questions can be directed to 334-9638.

Statesman classified ads really work.

Workshop Sept. 22 Will Address Municipal Yard Waste Compositing

Municipal and community leaders can find out how to establish successful municipal yard waste compositing programs by attending a workshop on September 22, 1989 at the Embassy Suites in Brookfield.

Entitled "Successful Municipal Yard Waste Compositing," the workshop will focus on the issues faced by local officials in planning and implementing a community compositing program. A recently enacted state law will ban yard waste from landfills after January 1, 1993.

Local officials and community leaders will learn to determine the best methods of setting up a local compositing program in response to the recent state law changes. By attending this workshop, local officials should be better able to assess the various compositing options available to their communities and to avoid the pitfalls and problems encountered by other programs.

Cost for the workshop is \$20 if

registration is received five days prior to workshop; \$25 if registration is received less than five days prior to workshop. The workshop is jointly sponsored by UW-Extension and the Wisconsin Department of Natural Resources. For more information, contact the Washington County UW-Extension Office, 338-4480.

What happens if I pass the test?

You'll find the answers at St. Joseph's Community Hospital's "Early Pregnancy—The First Five Months" Class

The "Early Pregnancy" class is for those couples that are planning a pregnancy or who are in their first five months. The purpose of the class is to make appropriate changes and modifications in lifestyle early to insure a healthy "mom and baby."

Areas covered: fetal development, changes in your body, common discomforts, nutrition, exercise activity and rest, breastfeeding, family life, sexual relations, emotional aspects, danger signals and topics of personal interest.

The class is held on Wednesday, Sept. 6 from 7-9 P.M. in St. Joseph's. Assembly Room. This class is free of charge

To register, call 334-8226.

551 Silverbrook Dr. • West Bend, Wisconsin

AUGUST COMMUNITY CALENDAR

Coming events will be listed only if they are submitted to the Statesman and are of area interest. We will be happy to list meetings of your non-profit organization only if they are sent in to us each month. We can no longer be responsible for keeping a running file of meetings for the entire year. Please submit your meeting notice for publication the week before it is to be published. Bear in mind, if your coming event, is designed to make money for your organization, it should be considered advertising.

SUNDAY, AUGUST 27

The Campbellsport Arrow Masters is holding their Fall Archery and Sport Show at Amerahn, 9480 Hwy. 45 North, Kewaskum, from 10 a.m. to 4 p.m. There will be guest speakers, special events, food and refreshments. Free admission.

SUNDAY, AUGUST 27

St. John Lutheran Church picnic in New Fane starting at 11 a.m. There will be food, games, refreshments and drawings for door prizes. Live music will be provided by Howie Schneider and the Dixieland Allstars.

SUNDAY, AUGUST 27

Campbellsport Sportsmen's Club Turkey Shoot held on the Club Grounds, Lake Bernice Dr., Campbellsport, from 10 a.m. to 2 p.m.

TUESDAY, AUGUST 29

A "Calliope Concert," will be the last of five special twilight programs held at Old Wade House in Greenbush during August. A concert of circus music will be performed by Susan Birkholz on the calliope in the Wesley Jung Carriage Museum from 5 to 7:30 p.m., along with twilight tours of the historic stagecoach inn. For more information contact Old Wade House, Greenbush, WI 53026. (414) 526-3271.

Coming In September...

SATURDAY, SEPT. 9

Exhibitors are still welcome to fill up the Fall Country Arts and Craft Fair to be held from 10 a.m. to 4 p.m.

p.m. at St. John United Church of Christ, N104W14181 Donges Bay Rd., Germantown. For more information phone 255-1023 or 251-0640. The fair will also feature their famous bake sale, hot food and a raffle. Come join the fun.

SATURDAY, SEPT. 9

The Saukville Chamber of Commerce will hold its 5th Annual Oktoberfest. The festivities will begin at 9 a.m. with an arts and crafts fair in Triangle Park and conclude with a fireworks display at dusk. Oktoberfest offers continuous entertainment and fun for the entire family.

UWVC Golf Team to Begin Competition

The Wildcat golf team at the University of Wisconsin Center - Washington County begins 1989 varsity competition on Sept. 13 at the Waukesha Invitational meet.

UWVC has scheduled nine-matches in the seven-team Wisconsin Collegiate Conference.

Mike Murphy, director of student services at UWVC, will teach as coach of the golfers.

Following their noon opener at Waukesha Tech, the UWVC Wildcats play their first home match at 1 p.m., Sept. 15, at the West Bend Country Club against UW-Marquette, UW-Manitowoc, UW-Fond du Lac, UW-Sheboygan and Wisconsin Lutheran.

The team then goes on the road for six matches: Sept. 18, 1:30 p.m., at UW-Fox Valley; Sept. 22, 1 p.m., at UW-Waukesha; Sept. 25, 1:30 p.m., at UW-Sheboygan; Sept. 26, noon, at the Wisconsin Lutheran Invitational; and Oct. 3, 1 p.m., at UW-Fond du Lac.

On Oct. 6, UWVC winds up regular season play with a 1 p.m. home match against UW-Fox Valley.

Following the regular season, the Wildcats compete on Oct. 8 and 9 in the joint tournaments of the WCC and the Wisconsin Junior College Athletic Association.

Rosenthal Descendants Hold Family Reunion

The descendants of Heinrich "Christoph" and Carolina Juliane Bauer Rosenthal gathered together in Allenton Park on Saturday, July 29. It was the very first meeting of all the clan with 185 people attending from all areas of Wisconsin, as well as the states of Illinois, Minnesota, Arkansas, and Alexandria, Virginia. Each branch of the family was represented, except for Ernst, who had no children.

When Christoph Rosenthal and his wife came from Germany with their seven children (one had deceased) in 1847, they settled in the Town of Addison, Washington County, Wisconsin, south of Saint Peter's Lutheran Church.

The Invocation was given by Pastor Marvin Volkmann of West Bend, after which followed a pot-luck dinner. The group was entertained by the River City Irregulars, of which Richard (Dick) Rosenthal of West Bend is a member. The German music was greatly enjoyed by everyone.

A program followed with introductions of people representing branches of the Rosenthal Family Tree. They told the histories and showed pictures of each family. The Rosenthal Family History book was introduced, and members were asked to supply additions. Tapes and videos were made for future generations, a display of charts, pictures, and booklets gave opportunity for relatives to trace their "roots."

The next reunion will be held on July 28, 1990, in Allenton Park.

AUGUST NATIONAL WATER QUALITY MONTH

'After All Is Said and Done'

By Marie Morgan
Extension Summer
Home Economist

Why is it that at the beginning of the summer, attitudes are so positive and alive with energy and by mid July, the spirit just kind of takes a nosedive?

I thought before I leave Washington County I would for my farewell give some insight about myself. It has taken me three committed years to realize that Wisconsin is the place for me. Why? Well, usually it speaks for itself, but this summer, Washington County has allowed me to see my state in a new broader perspective. I came to West Bend in hopes of fulfilling a challenge that I put on myself; I wanted to see if college really prepared me for the "real" world and if one more year would capture all of the "important" points I missed along the way.

Well, I'm here to tell you that West Bend and the surrounding communities have definitely sparked in me something that I could only have learned working 40 hours a week...dedication. True dedication can only really come about by being happy. I think. If one truly enjoys what he's doing, he's going to take it seriously and give to the job 100% plus. But, one doesn't learn that by living in a vacuum.

Washington County can pride itself with a lot more than friendly, warm, giving people, beautiful parks and thriving businesses. What this county has given me is the opportunity to test out my knowledge by working with specialists that are all experienced in their fields at the University Extension office located at the Courthouse in West Bend. What I've learned can be summarized in one simple sentence. "I have a lot more to learn."

This experience has made me realize what a process life really is. One thing leads to another. You win some - you lose some, but one thing is for certain, whether we realize it or not we

are constantly learning even when the experience isn't one that was bargained for. It's about decision - making. Fortunately everyday is a new one and we have the chance to start over. Everyday by making decisions that are good for us, brings us closer to our goals. Living by our own decisions makes us true to ourselves by strengthening our courage, self esteem and ambitions in life.

Home Economics is the field I've chosen to live out my ambitions. There are so many interesting areas to investigate such as, Family Living/Family Therapy, Child Development, Foods/Nutrition, Housing/Interior and Hotel/Restaurant Management that the opportunities are limitless. The time is now to begin evaluating where I want to start. Looking back, I realize I've taken that first step - I've made the decision to come to West Bend to start my career. I can't underscore enough what a privilege it has been to be able to come into your homes and help you. You have helped me to get to know you and hopefully I've given you the answers you were looking for.

I strongly encourage anyone to challenge yourself if you feel you're in a rut educationally, emotionally, physically or spiritually to reach inside yourselves to make a change. The answers to some of life's biggest questions are not and will never be found in textbooks or heard by listening to the people who have "made it" in life. Everyone "marches to the beat of his own drummer," as was quoted by a well-known author and we can only learn what life is truly about by living it. Listen to yourself, listen to the people around you, but let that final decision be made by you. You have the power to make the change.

Thank you Washington County for making my blind search become a true mark of strength and reality for me!

**Health
Tip**

From Tom Kennelly

EXCESSIVE EXERCISE

Can excessive exercise reduce immunity to illness? A study of the 2300 runners who registered for the 1987 L.A. Marathon found that 13% of those who actually ran the marathon came down with colds, flu, or sore throat within a week, compared to 2% of those that trained but didn't compete. Those who trained strenuously, running 60 miles per week, were twice as likely to become sick as those who ran less than 20 miles per week. Moderation in exercise seems more healthful.

County Agent Trzebiatowski Receives National Honor

Jack J. Trzebiatowski of Washington County has received the honor of being awarded the Distinguished Service Award from the National Association of County Agricultural Agents during their 74th annual meeting which was held July 30 through August 3 in Somerset, N.J.

The Washington County agricultural agent is one of two from Wisconsin to receive the award.

Jack has served as Agricultural Agent in Marionette County from 1973 to 1977 and Washington County since October 1977.

Trzebiatowski's major program emphasis has been in the areas of farm business

management and financing, and dairy production and management.

He has organized special educational programs for farm families in financial difficulties and agricultural lenders as a part of the SOS (Strategies on Survival) effort.

Dairy programs have been implemented in the areas of DHIA, feeding, reproduction, and quality milk.

Jack Trzebiatowski was among the more than 1,800 members of the association attending the meeting.

The NACAA is a nationwide organization made up of a membership of county agricultural agents from 50 states and Puerto Rico.

Wright Veterinary Service Announces Two Additions

Wright Veterinary Service, SC is happy to announce the addition of Dr. Daiquiri Ahart and Dr. Kellie Kuzdas to the professional staff.

Dr. Ahart is a graduate of the College of Veterinary Medicine at The Ohio State University, Columbus, Ohio. She has interest and expertise in large and small animal medicine with dairy farm experience and has worked in two small animal hospitals. Daiquiri has particular interest in reproduction in horses and has pursued additional training in this subject at the Aubrey Equine Clinic at Aubrey, Texas.

Dr. Kuzdas is a Wisconsin native from the Madison area and graduated from the University of Wisconsin School of Veterinary Medicine. Since receiving her DVM degree Kellie has had clinical experience in small animal

medicine and surgery in Oklahoma City and has just completed a clinical internship in large animal medicine and surgery at Atlantic Veterinary College, Charlottetown, Prince Edward Island, Canada. The case load Kellie handled consisted of 50% cattle, 45% horses, and 5% sheep and goats. In addition she has done externships at two equine practices in Kentucky and Illinois.

The addition of Drs. Ahart and Kuzdas greatly increases the depth and extent of experience and expertise we can offer plus increases our ability to provide specialized service in all areas of veterinary practice.

DMV Has Forms for 'National Driving Test' on TV

Do you know how to drive safely? The state Department of Transportation said a test-yourself program will be shown on national television August 29.

The program is called the "National Driving Test" to be broadcast on CBS at 9 p.m. Aug. 29. It will cover defensive driving techniques, the rules of the road, the driving environment, how to cope with the

unexpected, and basic mechanical know-how.

Norbert K. Anderson, administrator of the DOT Division of Motor Vehicles, said the driving skill test will help Wisconsin drivers assess their own skill and knowledge levels. "We're helping out by making the quiz forms available at our Motor Vehicle Customer Service Offices across the

state," he said.

"We'd like to see parents and teenage drivers or soon-to-be drivers take the test together so that they can discuss the driving safety techniques shown on the program," Anderson added.

The National Driving Test, sponsored by Valvoline, will feature Christopher Reeve (Superman) as host.

THE VALVOLINE NATIONAL DRIVING TEST

Circle the correct answer or fill in the blank for each question. If you answer correctly, put a check mark in the blank at the end of each question. When you have completed the test, add the number of points beside your correct answers to get your score.

School District Announces Attendance Policy Changes

The attendance policy for the Kewaskum School District has been modified to reflect the current state laws, WI SS118.15, regarding attendance and truancy. The school district's attendance policy is as follows.

In accordance with state law, all children between six (6) and eighteen (18) years of age must attend school full-time until the end of the term, quarter or semester in which they become eighteen (18) years of age, unless they have a legal excuse, fall under one of the exceptions outlined in the state statutes, or have graduated from high school.

Any student who has reached the age of sixteen (16) may be excused from school attendance by the Board provided:

- a. the student has requested permission to withdraw;
- b. the school has received written approval of the student's parent or guardian.
- c. the student and his/her parent or guardian agree, in writing that the student will pursue further education in accordance with the state law requirements;
- d. the written agreement is approved by the Board and administration; and;
- e. the student complies with the written agreement. If the agreement is suspended due to non-compliance, the student will be expected to resume attendance at school on a regular basis in accordance with state law and Board policy or be subject to forfeiture for truancy in accordance with established county ordinances.

Procedures shall be developed by the administration to enhance the full attendance requirement and to determine appropriate action to serve as a deterrent to truancy. These procedures shall be in accordance with Washington County ordinances and state law, and shall be approved by the Board. The School District of Kewaskum shall not deny student credit in a course or subject solely because of a student's unexcused absences.

Enforcement of student attendance policies and truancy procedures shall be a shared responsibility between the schools, social service agencies, law enforcement officials, students, parents and the community at large.

The following are examples of excused and unexcused absences the school district will accept.

II. STUDENT ABSENCES AND EXCUSES

A. The responsibility for regular school attendance of a student rests upon the student's parent(s) or guardian.

B. All excused absences require parent/guardian/legal custodian written verification which is to be submitted to the school attendance officer, or designee, in advance or prior to re-admittance to school.

The school attendance officer is empowered to approve a legal excuse to any student for the following reasons:

1. Evidence that the student is not in proper physical or mental condition to attend school or an education program. The district may request the parent or guardian to obtain a written statement from a physical or licensed practitioner as proof of the physical or

mental condition of the students. Such excuse shall be made in writing, shall state the period of time for which it is valid and shall not exceed 30 days. This can be reviewed and renewed.

2. An illness in the immediate family which requires the absence of the student because of family responsibilities.

3. Medical, dental, chiropractic, optometrical or other valid professional appointments. Parents or guardians are requested to make their appointments during non-school hours or whenever possible.

4. A death in the immediate family or funerals for close relatives.

5. Religious holidays.

6. Family events or trips that can be taken only during the normal school term. The intent of this statement is to provide opportunity for students to accompany their parent(s)/guardian on a vacation which cannot be scheduled when school is not in session. A parent/guardian shall be required to notify the school attendance office, or designee, prior to leaving on vacation of the pending absence for the purpose of reviewing the student's attendance record and overall performance record. Student vacations or trips without parent/guardian accompaniment are not excused absences. Pre-Planned/Anticipated Absences: Parents should be aware that all schools in Washington County require a pre-planned for specific anticipated absences and that failure to file a pre-planned could result in unexcused absences and/or truancy.

7. A court appearance or other legal procedure which requires the attendance of the student.

8. A quarantine as imposed by a public health officer.

9. Attendance at special events of educational value as approved by the school attendance officer, or designee. (college visits, armed services).

10. Approved school activities during class time.

11. Driver's test.

12. Deerhunting - gun only.

13. Special circumstances that show good cause which are approved in advance by the

school attendance officer, or designee.

C. All students with excused absences will be given the opportunity to make up work missed in accordance with the following guidelines:

1. It is the student's responsibility to contact the teacher(s) to make arrangements for making up work missed during an absence from school.

2. Students who miss classes for reasons that are determined to be excused will be given the opportunity, whenever possible, to make up work missed when they return to school.

3. Teachers will be asked to grant the number of days absent plus one for make-up time. This provision applies to all work assigned during absence(s).

4. Examination missed during an excused absence will be permitted to be taken at a time mutually agreed upon by the student and the teacher.

III. UNEXCUSED ABSENCES

Students who are absent from school with the consent of their parent(s) or guardian, but whose absence does not fall under the reasons listed above shall be considered unexcused. In such cases, the student, on his/her return to school, will be expected to submit a written statement signed by his/her parent or guardian explaining the reason for the absence. On the basis of this statement, the school attendance officer, or designee, will determine whether credit for the make-up work will be granted.

A. Examples of Unexcused Absences: concerts, shopping, hair appointment, trip preparation, oversleeping, runaways, truancy, cutting classes, leaving school grounds without office permission and office decision.

A student who is absent from school for no particular reason or is truant will also be considered unexcused. Credit will be given for class work missed during an absence if completed satisfactorily. Students have the obligation to understand, retain for future reference and use all materials presented during their unexcused absence.

All students with an unexcused absence will be permitted to make up an examination missed during an absence.

Kewaskum Police Record

JOSEPH MELZER

Joseph Melzer, 86, of the Town of Wayne, passed away on Monday, August 21, 1989 at St. Agnes Hospital in Fond du Lac.

He was born on August 23, 1902 in the Town of Wayne, the son of the late Frank and Mary (Schweitzer) Melzer. On November 15, 1927 he was united in marriage to Elizabeth Batzler at St. Kilian Catholic Church, St. Kilian, and she preceded him in death on February 6, 1962.

Mr. Melzer was a member of the St. Kilian Catholic Church, St. Kilian and the Holy Name Society. Survivors include two sons, Robert (Janet) and Joseph (Theresa) both the town of Wayne; a sister Sophie Weninger of Lomira, eight grandchildren and three great-grandchildren. Funeral services were held at the Miller Funeral Home, Kewaskum, at 10:00 a.m. and at St. Kilian Catholic Church, St. Kilian at 10:30 a.m. on Thursday, August 24, with Father Victor Kemmer officiating. Burial was in the parish cemetery. Friends called from 4:00 p.m. until 9:00 p.m. at the funeral home on Wednesday where there was a Prayer Vigil at 8:00 p.m.

REV. RICHARD GADOW

Rev. Richard Gadow, 88, passed away August 13, 1989 in Wisconsin Rapids at Riverview Manor Nursing Home of natural causes.

He was born December 30, 1900, in Sutter, Illinois. He was a minister in Wisconsin, Illinois, Missouri, Ohio, Kentucky, New York, Minnesota and Vermont during his 50 year career.

He served Peace United Church, Kewaskum, from 1932 to 1945, and assisted at Beechwood U.C.C. for several years while they were without a pastor. Rev. Gadow confirmed Charles Kocher while at Beechwood and later Kocher became a minister.

Survivors include his wife, Irene Gadow of Wisconsin Rapids, and two daughters, Elsbeth Miller of Port Edwards and Gretchen Whitmarsh of Ukiah, Calif.

Local people who attended the funeral were Mrs. Lorinda Tessar, Mrs. Maude Rose and Mrs. Renetta Schwind.

STEWART L. ROCHWITE

Stewart L. "Junior" Rochwite, 59, of 580 Elmore Drive, Lake Bernice, Campbellsport, died Friday, Aug. 18, 1989, at St. Agnes Hospital.

He was born July 25, 1930 in West Bend, a son of Stewart A. and Mollie Steinke Rochwite. On Oct. 27, 1951, he married Darlene Tackes at Holy Angel Rectory in West Bend.

Mr. Rochwite served in the U.S. Army in Korea and was a heavy equipment operator for Guelig Brothers Construction of Hartford until his death. He was a member of St. Matthew's Church of Campbellsport.

Survivors include his wife; three sons, Lyle and his wife Kathy, Dave and his wife Teri, and Mark and his wife Holly, all of rural Campbellsport; six daughters, Lynn Krueger and her husband Paul of West

Bend, Sheila Biertzer and her husband Mike of Campbellsport, Gayle Galligan and her husband Bob of Waucousta, Joyce Galligan and her husband Bill of Waucousta, Luan Sabish and her husband Steve of Elmore, and Dawn Rochwite at home; his mother of West Bend; one brother, Kenneth of West Bend; and 21 grandchildren.

He was preceded in death by his father.

Funeral services were held at 10:30 a.m. Monday at Twohig Funeral Home in Campbellsport, and at 11 a.m. at St. Matthew's Catholic Church in Campbellsport. The Rev. Michael Moran officiated and burial followed in the parish cemetery.

Visitation was Sunday from 4 to 9 p.m. at Twohig Funeral Home, Campbellsport.

THEOPHILE 'TED' ERBER

Theophile 'Ted' A. Erber, of 5637 Peters Drive, West Bend, died Saturday, Aug. 19, 1989, at St. Joseph's Community Hospital, West Bend, at the age of 82.

He was born March 26, 1907, in Kewaskum, and married Frieda Paul Dec. 7, 1940, in Milwaukee. She passed away in June of 1980. He then married Sally Cooley Dec. 6, 1980 at Fifth Avenue United Methodist Church, West Bend.

He was an employee for the City of Milwaukee for 30 years, retiring in 1971, and was a member of Fifth Avenue United Methodist Church, West Bend Masonic Lodge 138 F&AM, the Wisconsin Scottish Rite Bodies, Tripoli Shrine, past patron of the Order of Eastern Star, West Bend Chapter 73 and past chancellor commander Knights of Pythias, Damon Lodge 102.

Survivors include his wife; two children, Carol (Charles) Niebler of Hubertus and Paul (Susan) of Milwaukee; five stepsons, Robert (Paula Cooley of Waukesha, David (Mary) Cooley of Black River Falls, Bryan (Donna) Cooley of Dallas Texas, Curtis (Susan) Cooley of Wausau and Richard (Julie) Cooley of West Bend; four grandchildren, David and Lynn Niebler and Jennifer and Nicole Erber; 10 step-grandchildren; a sister, Selma Weinreich of Beechwood; a brother, Phillip (Rebecca) of Beechwood, and other relatives and friends.

Masonic services were held Monday, Aug. 21, at 7:30 p.m. with funeral services following at 8 p.m. at the Myrhum Funeral Home, West Bend. Rev. Susanne L. Burwell officiated and burial was in Valhalla Memorial Park, Milwaukee Tuesday at 10 a.m.

Visitation at the funeral home was Monday from 4 p.m. until the time of services.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

Kewaskum Athletic Club Sponsors Flag Football

The Kewaskum Athletic Club - Youth Division is sponsoring a Flag Football League this fall for all 6th, 7th, and 8th graders in the Kewaskum School District. One goal of the program is to teach football fundamentals which can be used at the high school level.

The cost to play will be \$5.00 per family. The \$5.00 contribution is a membership fee to the Athletic Club and allows participation in any Athletic Club sponsored programs for the year. A draft to determine teams will take place on September 5 at 6:30 at Amerahn. Players need not be present. All players interested should fill out the application below and send to Jerry Marx along with the \$5.00 fee. Applications will also be available at the schools. All players must attend an organizational practice on September 9 at 1:00 at the Varsity Football Field.

This is the second program sponsored by the Youth Division. The summer baseball program was a huge success. The team finished high in the

standings, possibly taking first place. Final results from the season will be reported soon. Participation is the key to the success of these programs. Anybody interested in coaching should contact Jerry Marx or Tom Bartelt, or attend the upcoming meeting.

Athletics Even Lakes Record With Victory Over Saukville

By Bob Pick II

SAUKVILLE — Dave Donath and Mike Heberer each drove in a run with an infield grounder in the top of the first inning and Jeff Miller's grounder in the third drove in another to help lefty Don Menzel pitch the Kewaskum Athletics to a 8-2

Land O'Lakes victory against Saukville, his second win against the Saints in less than two months. It was the second loss of the summer against Kewaskum for Saukville's Jerry Hughes.

The Saints scored their first run with two out in the bottom of the first when Randy Mueller singled up the middle to score Jeff Uselding from third base. Darrell Bruggink drove in the other Saint run in the sixth with a double to rightcenter.

In 18 innings against the Saints this season, Menzel (4-4) has given up sixteen hits and six runs, but has recorded nineteen strikeouts and five walks during that stretch.

The Athletics scored three more runs in the top of the fourth off two Saukville relief pitchers without the benefit of a hit. Brian Lallensack and Jeff Jankowski combined to walk five hitters, hit two others with a pitch and added three wild pitches.

The final two Athletic runs crossed the plate in the seventh. Mike Heberer led off the inning with a double to the gap in

Never cut flowers in the morning. Since all day the leaves manufacture food which is transported around in the form of sugars to feed the plant, cut your flowers in the late afternoon when they are the fullest of sugar, if you want the flowers to last.

leftcenter. After Dennis Butz' bullet that was caught by the second baseman, Tim Dettmann's single to short put Heberer on third. Ric Leitheiser's single to left brought home Heberer and moved Dettmann to second. Menzel drilled a double to leftcenter driving in Dettmann. Leitheiser was waved home but wasn't quite as successful. He was tagged out trying to score by the host catcher.

Butz belted a lead-off triple in the Athletic ninth, but was stranded there.

If the Athletics can post wins in their final two lakes contests they can end the season with an overall record of 14-14.

A human being is born with 305 bones, but during childhood a number of them fuse, so an adult has only about 206.

Travel This Fall With the XYZ Club

You are invited to travel with us to the Classic Arts at Appleton to enjoy a dinner show "The Best of Broadway" on Sept. 21, 1989.

We also plan to go to the Cranberry Festival at Warren's, Wis., Saturday, Sept. 23. Then on Saturday, Nov. 4, we plan to see the Moscow Circus at the Bradley Center in Milwaukee.

We also invite you to play cards with us. Card Party day is the last Wednesday of the month. We meet at the American Legion House on Fond du Lac Ave. 8:30 to 11:30 a.m.

We are having our annual picnic on Sept. 6. For more information about our trips or any of the above of our XYZ Club call 626-2984.

25 Years Ago 50 Years Ago

August 21, 1964

Chief Norbert Schultz of the Brownsville fire company announced this week that the RCA Rodeo Queen judging finals will be held Aug. 22, at 8 p.m. Rodeo Queen candidates and their sponsoring organizations are: Nancy Cook of Brownsville, Brownsville Firemen, Vernetta Wilke of Kewaskum, Eden Firemen, "Cookie" Baier of Lomira, Lomira Firemen, and Beverly Kuehl of Kewaskum, Lomira Lions Club.

A large barn on the Ray Helsell place, better known as the former Koepke farm on Hwy. 45, about 2½ miles north of Kewaskum, was destroyed by fire late Tuesday afternoon. When firemen arrived the roof had already burned off and the entire structure was enveloped in flames. With the barn already doomed the firemen confined their efforts to watering down the nearby home preventing it from catching fire and also saved a shed next to the barn which had also caught fire.

In a daring burglary Monday afternoon, a thief obtained \$776 in cash from a Kewaskum widow's residence while the owner was busy working her garden at the rear of the house. The theft occurred at the home of Mrs. Alma Jandre, 1527 Fond du Lac Ave., located across the street from Campbell's restaurant.

A 14-year-old youth who was to start Campbellsport High School this coming term, Roger Tuttle, son of Mr. and Mrs. Francis Tuttle, R. 2, Campbellsport, was fatally injured in a farm accident at 3:20 p.m. Sunday. He had been with his uncle Arnold Knoelke at his farm in the Town of Mitchell and the latter was driving a tractor which was pulling a chopper wagon. Roger was riding on the draw bar between the two units. Knoelke was about to turn off the roadway to the farm driveway when the youth either jumped or lost his balance. The chopper wagon passed over him. Authorities said he died soon after.

Births: A son to Mr. and Mrs. Sylvester Stern, R. 1, Kewaskum, Aug. 14, a son to Mr. and Mrs. Arthur Brendmihl, R. 1, Kewaskum, Aug. 13.

AUTO CRAFT

August 25, 1939

What would have been one of the biggest events, if not the biggest, ever held in Kewaskum was literally washed out when rain lasting nearly all afternoon and part of the evening prevented the Kewaskum firemen's picnic and celebration from being an overwhelming success in the new village park. The only good thing about the rain was that it waited long enough before coming down so that the parade could be held. The crowd witnessing the parade, the greatest one in the history of Kewaskum, was estimated at nearly 9,000 people.

Mr. and Mrs. Nic Gonnering of Orchard Grove announced the engagement of their daughter Miss Florence, to Lloyd Hron, son of Mr. and Mrs. A. G. Hron of this village.

Lois Geib, a graduate of Holy Trinity Parochial School, Kewaskum, daughter of Mr. and Mrs. Peter Geib of the Town of Barton, was one of fifteen young women invested in the habit of the novices of the Sisters of St. Agnes, Fond du Lac, Monday, August 14, at the convent chapel.

Mrs. Casper Brandstetter and daughter Lizzie, who have been residents of Kewaskum practically all their lives, left last week for Milwaukee where they will make their future home at the Catholic Home for the Aged. This will enable Mrs.

Brandstetter to be closer to her daughters who live in the city.

Norman Jaeger of Campbellsport has been appointed to the agency of the Standard Oil Company in Kewaskum, replacing Peter Kohler who has held the position for a number of years.

A marriage license has been issued to Edward Hawig of St. Bridget's and Miss Catherine Felix, St. Kilian.

The infant son of Mr. and Mrs. Albert Gross of East Valley, was christened Sunday. He received the name of Leroy Clarence. Mrs. Joe Hammes and Clarence Gross were sponsors.

Births: Mr. and Mrs. Walter Baumann, R. 1, Kewaskum, are the parents of a son born Thursday, August 17. Born to Mr. and Mrs. Erik Falk, Dundee a son on Saturday, August 19.

75 Years Ago

August 22, 1914

Miss Mabel Koerble, eldest daughter of Mrs. George Koerble, and Erwin D. Koch, youngest son of Mrs. A. G. Koch, both of this village, were quietly married at the parsonage of Ev. Peace Church at 7:30 o'clock last Thursday morning. The bride was attended by Miss Mabel Klug as maid of honor. The groom was attended by Dr. Alvin

Backus as best man.

The New Prospect factory came near burning down Tuesday. The villagers mistaking the cheesemaker's call for help. They thought he was practicing the latest song hit. Mr. Welsh so entertained that he started for the factory and so discovered the factory and so discovered that Mr. Pffingston was calling for help instead of singing. So with the assistance of several neighbors they managed to put out the fire, which so far had not done any damage. The leaking of the oil stove started the fire.

There will be a grand harvest picnic and dance at Schrauth's pond on Sunday, Sept. 13. Music will be furnished by the Campbellsport brass band and the Euphony orchestra.

George Petri of Wayne offers his mercantile business for sale. This includes besides his store building and clean stock of merchandise, eight acres of good farm land with buildings.

M. Forester and wife and Chas. Bruessel and family of Wayne, autoed to Boltonville, New Fane and Kewaskum Sunday.

Mrs. A. C. Benike had the misfortune one day last week to scald her left leg with boiling water, the burns being from the knee down to her foot. For several days she was confined to her bed being unable to be up and around.

Jacob Batzler, St. Kilian, received a new Racine

Thrashing separator last Saturday.

Aug. Dahnke of Middleton spent Saturday and Sunday here with his son Carl Dahnke, who is telegraph operator at the local railroad station.

Mrs. Chas. Terlinden of Byron and Miss Alice Koch called on town of Auburn relatives Saturday.

Campus Notes

OSHKOSH — More than 83 percent of the more than 1,770 freshmen enrolled for the fall 1989 semester at University of Wisconsin - Oshkosh ranked in the top half of their high school graduating classes.

According to R. Thomas Snider, assistant vice chancellor for enrollment management, that's more than 8 percent higher than fall 1988.

"This freshman class will be the best prepared class in the history of this university," said Snider.

The class will include seven National Merit Scholarship recipients, which will bring the total number of National Merit Scholarship recipients attending UW-Oshkosh to 23.

Kewaskum — Kewaskum High School: Jane E. Czoschke, 533 Alpine Ln, Campbellsport; Stacy L. Oppermann, 1113 Hwy. G, Campbellsport; Keri L. Ramthun, 526 Werner Dr., Kewaskum.

LETTERS TO THE EDITOR

Letter to the Editor:

"A REPLY TO THE 10 MEMBER PARENT ACTION COMMITTEE IN WEST BEND"

The following information from the Wau-Bun Girl Scout Council of Directors will address your stated concerns regarding the implementation of multiage/grade troops in West Bend.

As a group of individuals concerned with the responsibility of stewardship of an organization for girls, a meeting of the board had been scheduled prior to receipt of your request of July 28, 1989.

The board reviewed all communications that we have received on this issue including written communication, phone conversations, personal visits, media coverage, and Mary Muehlbauer's letter of August 1, 1989, (sent via Joe Iannoli) was reviewed in detail.

After giving serious and sincere consideration to all of the points raised in these various communications, the board has reaffirmed its position regarding the implementation of multiage/grade troops in West Bend as stated in its motion of June 6, 1989, i.e. "The Wau-Bun Girl Scout Council Board of Directors supports the recommendation of GSUSA to promote multiage/grade troops. The Board of Directors of the Wau-Bun Girl Scout Council supports the action the Executive Director and staff have taken to implement this goal."

The elimination of single grade troops does not mean the end of quality Girl Scout program, rather it is actually the beginning of a new and exciting membership, opportunity for girls. We are not limiting the opportunities that exist, but allowing for their expansion.

The strength of the Girl Scout Movement is to serve the unique interests and needs of girls. Girls working in partnership with caring adults can explore their potential in Girl Scouting — an opportunity essential to the encouragement of their future aspirations. And, Girl Scouting is open to all girls

— the Movement actively seeks members from every racial, ethnic, religious, and socio-economic group with a goal reflective of all population groups within our council.

Girl Scouting is for girls — girls are the reason for Girl Scouting.

I hope this helps you understand that our decision was made with utmost care and respect for our membership of almost 3,000 girls.

Shirley Reinhardt,
President

Dear Friends of Kewaskum and Area:

Charles and I have finally settled in. It's almost one year now since we left you all.

Enjoy the local news and feel we are keeping in touch with the paper.

We miss you all and if you ever come south this way stop in and see us.

We have golf and ocean swimming within 75 miles, or just stop on your way to Florida, you are welcome.

Thanks again

Charles and Faye McClain

'WORDS FOR BIRDS' PROGRAM AT RIVEREDGE MEETING

Ever wonder what bird names mean or how birds received their names? Are Connecticut Warblers found in Connecticut; who was the Kirtland's Warbler named for; do Red-eyed Vireos have red-eyes?

Noel Cutright will present a program entitled "Words for Birds" at the September 5 Riveredge Bird Club meeting. Please note that this is a change in speaker and program. A 6 p.m. field trip to search for early fall migrants will precede the 7 p.m. meeting.

Riveredge Nature Center is located on Highway Y just north of Newburg. Please note that Highway 33 is closed between Newburg and Saukville to the east. Refreshments will be served and everyone is welcome.

The state of Kansas is named from the Kanze Indians who once lived there.

Americans Will Generate Almost 160 Million Tons of Garbage This Year

Landfills Could Be Full and Closed in Ten Years

By GERRY MUELLER
Statesman Staff Writer

"All the landfills could be full and closed within ten years," that is what we hear every time we have an Incineration Committee meeting, Trustee Mary Krueger told members of the Kewaskum Village Board Monday night. The problem of

where to go with our garbage is reaching the crisis point throughout the nation.

Krueger, who represents the village on the County Incineration Committee, said a meeting will be held next Tuesday, August 29th in West Bend, to advise members on the second phase of a plan to construct some type of system to handle the tons of garbage produced by the county each year.

Krueger told fellow trustees, "We're being told that, while its not the best solution, burning is better than burying the trash. We can clean the air, but once the garbage is in the ground, its there forever and will continue to damage our water."

A recent article in the Milwaukee Sentinel stated, "Americans will generate roughly 160 million tons of municipal garbage - enough to fill the 42-story First Wisconsin Center almost 2,500 times."

The article went on to say Wisconsin alone will contribute 4.8 millions tons of garbage, "enough to fill a city street six feet deep for about 375 miles - or from Milwaukee to Des Moines."

A breakdown of America's garbage shows 64.7 million tons or 41% is paper or paperboard, 12.9 million tons or 8.2% glass, 13.7 million tons or 8.7% metal, 10.3 million tons or 6.5% plastic, 4 million tons or 2.5% rubber and leather, 2.8 million tons or 1.8% textiles, 5.8 million tons or 3.7% wood, 12.5 million tons or 7.9% food waste, 28.3 million tons or 17.9% yard waste and 2.7 million tons or 1.8% other materials, according to 1986 figures from the U.S.

Environmental Protection Agency.

According to Department of Natural Resources figures, less than two years ago there were approximately 1,000 landfills in Wisconsin. There are now 845 active landfills, however, 469 will probably be closed by the year 1991 because of the new EPA regulations.

As Krueger has noted all along, there is not going to be any cheap, easy solution and people better get used to that fact.

Riveredge to Lead Grand Canyon Rafting Trip

Andy Larsen, executive director, Riveredge Nature Center, will lead a nine-day rafting trip on the Colorado River through the Grand Canyon. This trip begins Wednesday, October 11 in Las Vegas and ends Thursday, October 19.

Cost is \$1,030 and includes round trip transportation from Las Vegas to the South Rim, all meals, first night's lodging, all camping equipment (bring your own sleeping bag), expert local guides and the insights of Larsen.

To register or for more information, call the Center at 675-6888 (local) or 931-8095 (metro).

Riveredge is a nonprofit nature center located on Highway Y, one mile north of Newburg.

Riveredge Sponsoring Fall Weekend In Spring Green

Canoeing down the Wisconsin River, attending the American Players Theater production of King Lear and walking through the Spring Green Dry Prairie are highlights of a special weekend trip sponsored by Riveredge Nature Center. The excursion to Spring Green will be held Friday, September 22 to Sunday, September 24. Participants have their choice of camping at Tower Hill State Park or, at their own expense, staying in a motel in Spring Green.

The cost of this weekend is \$80 for adults and \$70 for children 17 and under and includes the following: camping and shelter fees at Tower Hill, breakfast and lunch Saturday and Sunday, dinner Saturday night, ticket to King Lear, guided canoe trip and tour of Spring Green Prairie. For more information or to register, call Riveredge at 675-6888 (local) or 931-8095 (metro).

Riveredge is a nonprofit nature center located on Highway Y, one mile north of Newburg.

Minutes of School Board Meeting

July 10, 1989

President Neal Weare called the meeting to order at 7:02 p.m.

Members present: Ruth Schmitt, John Schulte, Neal Weare, Ron Beimborn, Paul Seymour.

Members absent: Perry Ankerson, Don Nowak. President Weare noted that Mr. Nowak had called to advise him that he would be on vacation.

Clerk Schmitt led the pledge of allegiance.

Schmitt/Schulte motion to approve the agenda. Motion passed 5-0.

Mrs. Sue Buechel was present to explain the Beechwood summer library program to the board.

Diane and Ronald Norman, representing the residents of the Wayne School attendance area, voiced their concern about the transfer of 5th grade WES students to KES being put on the agenda for reconsideration.

Clara Trapp thanked Larry Ammel for taking the KHS band to perform in the Beechwood picnic parade.

Schmitt/Beimborn motion to approve the minutes of June 12, 1989. Motion passed 5-0.

Beimborn/Seymour motion to approve the closed session minutes of July 22, 1989. Motion passed 4-0-1 with John Schulte abstaining.

Seymour/Beimborn motion to approve the open session minutes of July 22, 1989. Motion passed 4-0-1 with John Schulte abstaining.

The next Policy-Legislation-Bylaw Committee meeting is scheduled for July 17, 1989 at 7:15 p.m. in the Administration Offices.

Seymour/Schmitt motion to approve the following policies: #2330-Teacher in Charge Job Description; #2701-Curriculum Coordinator Job Description; #3451-Returned Checks; #3541.31-Transportation; #6112-School Day Schedule; #6171.2-Children at Risk. Motion passed 5-0.

The following policies were read for the first time: #2212-Assistant High School Principal Job Description; #4116.31-Teacher Job Description; #4116.36-District Health Coordinator Job Description; #4116.37-District Child at Risk Coordinator Job Description; #4116.38-District Education for Employment Coordinator Job Description; #2410-Organizational Units and Structural Relationships.

Chairman Ron Beimborn reported that the board met with the KEA on June 14, 1989. No future meeting date has been set. The board and KAP met on June 20, 1989. Another meeting is scheduled for July 20, 1989.

Dr. Heather informed the board that Mr. Bill Houlihan has been chosen as the mediator for the board and KEA but that a meeting date has not yet been scheduled.

No meeting date has been set for the next Finance-Transportation-Buildings and Grounds meeting.

Dr. Heather reminded the board about the upcoming WASB Leadership Conference on July 28-29 and asked that interested members contact him about registering.

Schmitt/Weare motion to approve the payroll and accounts payable in the amount of \$1,277,572.67. Motion passed 5-0.

Marcia Theusch, representing the Farmington P.T.O. was present to answer questions from the board about playground equipment for Farmington School which the P.T.O. would like to order. Schmitt/Schulte motion to approve the payment of \$5500 for playground equipment for the Farmington School with the understanding that the P.T.O. will reimburse the district as soon as possible after they have their fall fundraiser. Motion passed 5-0.

Schmitt/Seymour motion to approve the resignation of Craig Knopps. Motion passed 5-0.

Schmitt/Weare motion to approve the district Education for Employment plan. Motion passed 5-0.

Schulte/Beimborn motion to approve Dan Wangerin as district Education for Employment Coordinator. Motion passed 5-0.

Schmitt/Schulte motion to approve Sue Paul-Kenfield as K-12 district Health Coordinator. Motion passed 5-0.

Schmitt/Schulte motion to approve LeRoy Kopecky as Child at Risk Coordinator. Motion passed 5-0.

Schmitt/Beimborn motion to appoint Dr. Cesar Sison as district medical advisor. Motion passed 5-0.

Schulte/Schmitt motion to approve EEN

contracts for 89-90 with CESA #6. Motion passed 5-0.

Seymour/Schmitt motion to approve David Rhode as assistant football coach. Motion passed 5-0.

Schmitt/Beimborn motion to approve the data processing contract with CESA #1 for 89-90. Motion passed 5-0.

Schmitt/Beimborn motion to approve the staff development plan as presented by Dr. Heather. Motion passed 5-0.

Seymour/Schmitt motion to approve Virginia Waddick as Spanish Instructor. Motion passed 5-0.

Schmitt/Weare motion to approve the purchasing of 6 IBM computers and census software for a total cost of \$9450. Motion passed 5-0.

Schulte/Beimborn motion to accept the bid from Envyr in the amount of \$8555 for furnace replacement above the KHS library. Motion passed 5-0.

Dr. Heather informed the board that a payment of \$1258 has been made for boiler repair at WES.

Dr. Heather handed out survey material to board members from the WASB which will be used during the upcoming board improvement seminar.

John Schulte advised the board that he is in the process of arranging for a guest speaker to present his opinion relating to planned parenthood.

Seymour/Schulte motion to adjourn. The meeting ended at 8:36 p.m.

Dairyland Seed Introduces 4 New Corn Hybrids in the 80-102 Day Maturity

Dairyland Plant Breeder Charlie Hildenbrand examines a potential DX hybrid for ear size and ear fill under 1988 drought stress conditions.

Dairyland Seed Co., Inc. recently announced the introduction of four new DX corn hybrids in the 80-100 day maturity levels for 1990.

In the 80 day maturity zone, Dairyland is proud to introduce its new DX-2080. DX-2080 features fast emergence. We recommend it for no-till and heavy soils planted at low populations. DX-2080 features quick drydown and also has excellent disease resistance. The addition of DX-2080 will give Dairyland three hybrids in the 80-day maturity zone. While DX-2080 is recommended on some heavier soils, other Dairyland hybrids are recommended for lighter soils in this maturity groupings.

In the 92-97 day maturity zones, Dairyland is introducing its new DX-2091. DX-2091 will perform very well on heavy and no-till soils. DX-2091 also seems to perform best in lower

populations. DX-2091 featured very good drought resistance last year. Dairyland feels its DX-2091 will offer farmers an excellent choice when compared to DX-1194 which is recommended for very high populations.

In the 97-102 day maturity group, DX-2098 is being offered by Dairyland. DX-2098 features excellent yield potential. DX-2098 excels on no-till, high organic and heavy soils. While DX-2098 has shown a slight performance advantage in low populations, this hybrid also performs well at higher popula-

tions as well. Excellent drydown and drought tolerance helped this hybrid earn its way into the Dairyland product lineup.

In the 100 day maturity zone, Dairyland will be introducing its new DX-100W Waxy hybrid. The release of this hybrid is in response to an increased demand for waxy hybrids in this maturity group. DX-100W features high yield performance across many soil types and plant populations. A consistent performer, Dairyland anticipates wide adaptability for this hybrid.

In addition to these four new hybrids, Dairyland is also introducing three new hybrids in the 105-117 day maturity zones. For more information on any of these hybrids, write Dairyland Seed, P.O. Box 958, West Bend, WI 53095 or call (414)338-0163.

Annual Freshman Fall Orientation Aug. 31 at UWWC

Facts, food and entertainment will make up the annual freshman fall orientation evening on Aug. 31 at the University of Wisconsin Center - Washington County.

New students and their parents or mates have been invited to the event along with UWWC faculty and staff. Last fall more than 500 persons were in attendance.

Orientation begins at 5:15 p.m. in the Student Union. Dinner is served at 6:15 p.m. and costs \$3 per person.

Jan Ford, associate director of students affairs, said, "Space is limited, and reservations are necessary."

She said another large crowd is expected, noting: "The cost is minimal; the dress casual; the atmosphere relaxed."

During the evening, students and their families are divided for special presentations that include talks by faculty and staff.

For more information, call the UWWC student services office at 338-5201.

LOOKING TO BUILD Keep your costs down — start with this affordable lot in small village. Kewaskum School District. 1 acre. \$5,500. Call Gloria Serwe, 626-2880. K111.

7+ ACRES - KEWASKUM AREA Build your dream house on this beautiful building site, partially wooded in the Kettle Moraine. \$24,000. Call Gloria for details 626-2880.

SECLUDED. Looking for privacy? Love nature? 33 plus acre parcel. Milwaukee River runs through property. Spring fed pond. Serenity surrounds you. Perced and surveyed. Only \$39,500. Call Gloria today, 626-2880.

**Postmaster General
Issues Historic Stamp**

Milwaukee will be the center of the American stamp world on Wednesday, August 30, when a special First-Class postage stamp honoring letter carriers will be dedicated there.

Postmaster General Anthony M. Frank and National Association of Letter Carriers (NALC) President Vincent Sombrotto will be the featured speakers at the 10 a.m. first day of issue ceremony, which will be held at the Milwaukee Exposition and Convention Center (MECCA), 500 W. Kilbourn Avenue. Milwaukee was the site of the first meeting of letter carriers in 1889, which resulted in the formation of the NALC.

The letter carriers on the stamp are dressed in a variety of seasonal attire, emphasizing the NALC's official motto: "Neither snow, nor rain, nor heat, nor gloom of night stays these couriers from the swift completion of their appointed rounds."

Letter carriers have appeared on postage stamps throughout the years, including Special Delivery stamps issued from 1885 to 1944, a certified mail stamp (1955), and two of the ten "Postal People" stamps (1973). Also, in 1963, the centennial of city mail delivery was celebrated with a commemorative designed by Norman Rockwell.

The first day of issue postal cancellation (postmark) will be available at MECCA and from the Postal Service's mobile postal unit on Wednesday, August 30, from 8 - 9:45 a.m. and from 10:30 a.m. - 2 p.m. It will also be available at the Milwaukee Main Post Office during philatelic window hours, from 9 a.m. - 1 p.m. and 2:30 p.m. - 4:45 p.m.

In the Service

Marine Pvt. Janet M. Mueller, daughter of Claude A. and Sandra A. Mueller of 2455 Forest View Road, Kewaskum, recently completed the Enlisted Supply Basic Course.

During the seven-week course conducted at Marine Corps Base, Camp Lejeune, N.C., Mueller received instructions on the basic techniques of stock control utilized within the Marine Corps to account for government property.

A 1988 graduate of Kewaskum High School, she joined the Marine Corps in January 1989.

A mole can dig a tunnel 300 feet long in one night.

Lions member Frank Beesten drove the follow-up vehicle for the twelve-mile run.

Family Traditions at the Racetrack

Kewaskum Statesman,
Friday, Aug. 25, 1989, Page 23

Etchie Biertzer with his traditional pink modified No. 34

The names Biertzer and Goeden are synonymous with the field of short track racing in southeastern Wisconsin. A new generation is arriving at the track.

The Biertzer Family tradition continues, as the grandson, Etchie, named for his famous Grandpa, Etchie Biertzer, takes his skills to the track in the traditional pink modified #34.

Young Etchie has first hand knowledge on the hard work and long hours it takes to build a modified. His dad, Ken is the man behind the name "Enticer House Chassis." Racing is Etchie's life. He lists his hobbies as building race cars and doing the lettering on them.

Of course, being only 18 and the 3rd generation of drivers in this family, has to be a very prestigious feeling. However, he had "big shoes" to fill. His dad has had experience in both the modified and midget divisions. His mother also comes from a distinguished racing family of this area. The family is the Heisdorfs, who raced top quality midgets for many years.

This is Etchie's first year at Plymouth on the quarter mile clay oval. He has competed at Hales Corners and Wilmot. This is the only way to get confidence and experience behind the wheel.

The car is a new "Enticer" chassis, modeling a 57 Chev body, and is powered by a 377 Chev engine. K B Fabrication on Indian Lore Rd. Town of Farmington, Ken Biertzer proprietor, is the sponsor and owner of the #34 modified. The "wing" on the car was built by "Schmedly" of West Bend.

Helping Etchie with the "pitting-duties" are: his brother, Scott, Larry Hartman of Campbellsport, Scott Bader

of West Bend, Eugene Schneider of Random Lake, Joe Garczynski and Joe Jr. of Beaver Dam, Brad Schinker of West Bend, and of course his dad, Ken.

As a personal note, Etchie would like to send out a Big thank you to his crew members, and a special thank you to his parents, Ken and Mary. Two young ladies in Etchie's life also deserve recognition, his sister, Therese and his girlfriend, Amy Quincan for their continued support.

Another young gentleman following in the family tradition of racing is, Don Goeden of St. Michaels. Growing up around racing, washing his dad's modified at the age of 6, with his brother Dave, changing the tires on the late model at the age of 10, and finally becoming old enough to pit for his famous dad, Willie Goeden, Don couldn't wait to try his talents behind the wheel of his own car.

His dad, Willie, has won modified and late model championships in the 60s, 70s, and 80s. Now Don is planning to be one of the top competitors in the 90s. Being the son of a top driver sometimes creates extra pressure, but Don wasted little time in proving himself.

In 1985, Don was the Eastern Wisconsin Stock Car Racing Assn. Rookie of the year. In 1987 and 88, he was one of only 6 drivers (of a field of 54 cars) to win 2 feature events in a given season. A 1988 highlight of Don's career was the victory of the Annual Etchie Biertzer Memorial 40 lap event. This year he has won the 40 lap Midseason Race of Champions, the main event of the E.W.S.C. & M.R.A. Shoot-Out, and a modified feature on a regular Saturday evening of racing,

Don Goeden and his modified with an '88 Czarnecki built chassis

July 8th.

The modified is a 1988 Czarnecki built chassis of West Bend, has a 1988 Pontiac body and is powered by a 377 Chev B&B Racing engine of Appleton.

Maintenance is one of the keys to a successful racing season. It's a big share of how the car and driver can perform on the track. Don relies on his brother, Dave, as his crew chief, John Peters of West Bend and Jeff Schultz of Kewaskum to help him with the responsibilities during the week and at the track. Also helping him with the pitting duties at the track are: Rick Heberer and Chris Harlow of Kewaskum and Mike Reichenberger of Oshkosh. His favorite sister-in-law, Sue Goeden serves as Don's Statistician.

This year Don has a very elite group of sponsors on his Blue and White modified. They are:

Slinger Super Speedway of Slinger; Bero Motors of Escanaba, Michigan; Goeden's Auto Body and Hog Haven Valley Farm of Kewaskum; K&B Lettering and Mueller Excavating of Campbellsport, and West Bend Tire Service of West Bend.

Working on his modified #27 and on his dad's late model #72, which is rented to other drivers, requires most of Don's spare summer time. But in the winter, he enjoys snowmobiling and billiards.

These two names Goeden and Biertzer will continue to show-up on the programs and in the point standings at the area tracks. The families have always been involved in the sport of racing. These young men are enjoying the sport and are proud to be carrying on a tradition. Both names stand for

Pictures by Dave Drews

excellence on and off the track. The equipment they have is top quality to achieve this. This coming Saturday evening, besides the regularly scheduled program, will be the spectator races.

Only a few nights left to see a full and exciting night of racing. Aug. 31st is the opening of the Sheboygan County Fair in Plymouth. The races will be held on Saturday, Sept. 2nd and Monday, Sept. 4th with a giant demolition derby that latter evening.

The autograph booklets are still available for \$1.50. All fans may enter the pits after the races for autographs of their favorite drivers. Some of the drivers have pictures to hand out, free to the fans.

Campbellsport vs. Indians Here In Football Opener Friday

Head Coach Clark Pearson will open the 1989 football season with a non-conference game against Campbellsport here on Friday, August 25 at 7:30 p.m.

Among the 16 returning lettermen, Pearson has four starters returning from last season. They are Tim Oelhafen, offensive and defensive tackle who earned an all-conference honorable mention last year; Mike Melzer and John Hazlewood, linebackers, and Brian Leitheiser, quarterback.

Pearson's other top senior prospects include Mike Ramthun, Kevin Bartelt, Eric Reha, Bruce Waechter, Chad Warnecke and Pat Lightner.

Juniors include Brian Dobke, Chris Donath, Mark Felix, Brian Heller, Scott Heller, Kevin Herriges and Jerry Sese.

The balance of the team members who will help decide the future of the 1989 Indians are: (denotes letter winners) Seniors - *Mike Amerling, *Tim Butschlick, *Jim Coulter, *Steve Heberer, *David Kuphal, Randy Romaine, *Chris Schmid, *Tim Schulz, *Noel Stradtman, *Bruce Theusch and *David Yogerst. Juniors are Todd Gnazinski, Scott Hass, Tim Herman, Brian Jackson, Rob Kertscher, *Craig Krell, Craig Kulas, Steve Liegl, Jamie Miller, Kevin Ramthun, Brett Rauch and Jason

The above photo shows the gift Kewaskum High School received from the senior graduating class of 1989. The two-foot high "Home of the Indians" letters were installed this summer by Cochran Sign Co., 5001 Hwy. G, West Bend, on the west end of the high school.

ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Center Citizens at Beechwood Hall on Tuesday, August 15 were: Harold Eggert, 19-0—19 net; Willy Blecher, 23-8—15 net; Frank Kadinger, 15-3—12 net; Elmer Fabian, 11-1—10 net; Willy Blecher, Club Solo vs 4.

The deepest fresh-water lake in the world is Lake Baikal: 5,712 feet.

Thull.

Assisting Pearson during the 1989 season will be Dale Schatz, Ken Soerens, Dave Rohde, and freshman coaches Jim Westphal and Russ Freeman.

A complete roster, schedule and pre-season write-up was published in last week's Statesman.

Sports Licenses Expire Aug. 31

The new Sports Licenses are on sale now at all DNR Offices, County Clerks Offices and their respective sport shops and retail vendors.

It seems each year special hunt application deadlines are earlier. The first deadline this year is for the Apostle Island Muzzle-loading firearm deer hunt which runs from October 1st through October 31st. The application deadline is Thursday, Aug. 31st.

September 8th is the application deadline for individual zones of the 1989 Canada Goose Hunt. All Canada Goose hunters will have to apply for zone permits by mail, except for Exterior Zone Permits, which are also available in person at DNR District, Area and some Field Offices. A change was made for Theresa Zone hunters, who previously got permits on a first come, first serve basis daily. No permits for the Theresa Zone will be issued after the September 8th application deadline. No walk-in permits will be issued for the Theresa Zone at anytime; you must apply. The Theresa hunt will be held as in the past, with a 4,500 goose harvest quota. The bag limit will be one goose

per seven day period with a season limit of four geese. Wisconsin did receive an increase in the number of Canada Geese to be harvested this fall.

Gun deer hunters will have to have their Hunter's Choice applications postmarked no later than Friday, Sept. 29th. A large deer herd throughout Wisconsin indicated that there will be a large number of Hunter's Choice Permits available.

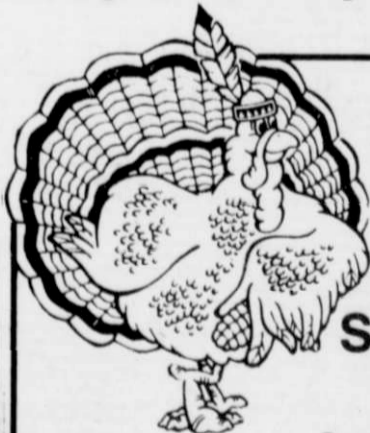

Applications for the Sandhill Wildlife Area deer hunt are also due September 29th. Application for a Bobcat Permit are due on Friday, September 29th for the hunting or trapping of a Bobcat.

Finally, applications for the Spring 1990 Turkey Hunt, which will include a portion of Sheboygan, Fond du Lac, and Washington Counties are to be postmarked no later than November 3rd.

Applications are available at the Mauthe Lake Headquarters and other license outlets.

Any other questions, feel free to give me a call at 626-2116 or 533-5041.
