Honeck Chevrolet to Be Sold

Mrs. Kilian Honeck stands in front of the Chevrolet dealership which has been owned and operated by the Honeck family for over 60 years.

By GERRY MUELLER
Statesman Staff Writer

Mrs. Janice Honeck, wife of Kilian "Killy" Honeck who passed away last July, confirmed this week that the Chevrolet dealership operated by the Honeck family for more than 60 years, is in the process of being sold to Young's Royal Ford-Lincoln-Mercury of West Bend.

Mrs. Honeck said Tuesday,

she and her family were surprised to see the story in the media this week. We hadn't anticipated making any announcement of the sale until it was actually finalized.

Mrs. Honeck said negotiations of the sale were being handled by her daughter Jane, a certified public accountant, who now lives in Maine.

Mrs. Honeck said her husband had begun looking for

a buyer for the business before his death. Except for Killy, no other family members were actively involved in the business, she noted.

Negotiations are basically done, said Mrs. Honeck, however the sale has not been finalized. We are still waiting for approval from General Motors on the dealership transfer and that's expected to come by November.

Wagner Victorian Bed and Breakfast Now Open for Business in Kewaskum

By Sharon Callaway Roznik

Picture yourself sipping coffee in a cheery parlor set in antiques. Sun streams in through stained glass windows and lace curtains, highlighting the rich, ornate woodwork refinished in warm cherry

tones. A carved Victorian fireplace is the focal point of a room that's open and airy despite numerous collections of memorabilia neatly displayed throughout the parlor, entranceway, and dining room. Glancing outside, you notice

an array of flowers blooming along the white picket fence, and remember the shelves full of African violets that decorated your suite last night. Morning brought with it a delicious continental breakfast complete with

Chamber of Commerce to Sponsor Christmas Parade

The Kewaskum Area Chamber of Commerce held its monthly meeting on Wednesday, Sept. 20, at 6:30 p.m. in the Community Room of the Municipal Building.

Members who attended this meeting included Bill Geidel of Sentry Foods, Randy Gust of American Family Insurance, Ed Miller of Miller's Furniture, Judy Jaeger of Jaeger Sewing Center, Lana Kuehl of The Kewaskum Statesman, Jan Bartelt of Shefond Mobil Mart, Charleen Barutha of West Bend Savings and Loan, Don Sedgwick of Village Bootery, Bob Beisbier of Kewaskum Frozen Foods and Gladys Seefeldt of Buf-

fy's Village Inn.

After the treasurer's report was approved, a variety of new and innovative ideas were brought up for discussion. One of the most timely items on the agenda was the possibility of the Chamber sponsoring a 1989 Christmas parade.

This idea, which drew much excitement from all members present, was unanimously approved. Much enthusiasm was generated from the following committee members who generously volunteered their time and efforts: Gladys Seefeldt, Charleen Barutha, Jan Bartelt, Lana Kuehl, Bob Beisbier and Don

Offering Reward for Information

Vandals Damage Park's Shelter

By GERRY MUELLER
Statesman Staff Writer

For the last two weekends the shelter at Kiwanis Park has been the target of vandals.

This past weekend, culprits tore a section of shingles off the northwest corner of the structure's roof and ripped off the toilet tissue dispensers from the walls in both the mens and womens bathrooms.

Public Works Superintendent Augie Bilgo told the village board Monday night, "The last three weeks have been nothing but that up there (at the park), vandalism, even human waste."

Police Chief Richard Knoebel said he thought the weather had something to do with the problem, believed to be the work of juveniles. Its been nice and the kids are bored and have nothing to do so they pull stuff like this, he noted.

Bilgo said he was upset and angry because the vandalism "is not little kid pranks any more." He asked the board to take some kind of action to stop the destructive acts.

Trustee Ken Bonlender asked Knoebel, "Can we go after the little varmints?" Knoebel replied, "When we catch them we refer them to juvenile authorities." From there, noted Knoebel, its up to the judge.

Knoebel told the board his officers make frequent trips into the parks, however its difficult for one officer on patrol at night to be everywhere. He indicated there were other options besides patrolling, which his department could follow to

apprehend the individuals. We can do it but you have to realize it will cost the village money.

Trustee Mary Krueger agreed that some action should be taken to stop the vandalism. "Its a shame, everyone worked so hard to have something nice and then you have something like this."

The trustee discussed the idea of posting a reward for information leading to the apprehension of the offenders. Krueger said the village would probably have to make it big enough so somebody wants it.

Knoebel said he had no problem with the idea except that any reward should only be paid if it leads to a conviction for the act. After further discussion the board unanimously voted to post a \$500 reward for information that leads to a conviction of the persons accused.

The board then directed Administrator Dan Schmidt to check with other communities to see what kind of policy they have to handle such situations and what type of rewards are being offered for information. No matter what Schmidt comes up with, Bonlender said the village should have some type of policy set up.

Trustee Richard Schlice said he would also like the police chief to come up with some recommendations on how the village could tighten up security.

GTE Won't Update Equipment for 911

By GERRY MUELLER
Statesman Staff Writer

Despite a written request from the village, General Telephone of Wisconsin (GTE), has informed Kewaskum it will not move up its plans to update the '626' exchange's equipment.

With the activation of a countywide 911 system approximately one year away, the village had hoped to persuade GTE to renovate the system, which presently is not adaptable to the 911 network.

"GTE's response to our letter," said Administrator Dan Schmidt, "is that the company has no plans to update the Kewaskum line until 1994." GTE did qualify that statement, however, by indicating if Washington County would incorporate the \$52,500 cost to update Kewaskum's equipment into its expansion for 911 service, the company might consider moving that 1994 date up.

"What they're doing," said Kewaskum Police Chief Richard Knoebel, is trying to get the county to pay for their (GTE's) expansion. Schmidt noted that Ozaukee County is also being

told the same thing. "The cost to update their system is about \$37,000," said Schmidt.

Other communities affected by GTE's decision include Allenton and Waubeka. Maybe with enough pressure GTE will reconsider, noted Schmidt, however as of now their stand is pretty firm that Kewaskum will not be changed until 1994.

The potential for problems is already beginning to show up for areas such as Beechwood which is located in Sheboygan County but where some residents are still on the Kewaskum line. If Kewaskum is not included in the 911 system, calls will have to continue going through the regular emergency phone lines. While other areas are being handled through the 911 system, there could be some delays in answering calls.

Trustee Mary Krueger, the village's representative on the County Incineration Committee, advised the board that the committee has voted to proceed with Phase II of plans to set up a county incineration program. Krueger said the committee has decided to go with R.W. Beck & Co., which did the initial study. Now we'll be looking into grants

and funding, noted Krueger. "What the second phase will basically do is go back to all the participating communities and ask them the same thing I'm asking you, 'are we in or are we out?'"

Trustee Richard Schlice told fellow board members, "We've gone this far, I think we've committed ourselves to the project." The other trustees agreed. "That's all I have to know," said Krueger.

Krueger also said the county had been approached on whether it would consider taking over the project again. Schmidt said the 60% participation level which the county had sought when it proposed the plan has now been exceeded. "67% of the communities contacted have indicated or made a commitment to the project," he stated. Krueger noted the county is now showing an interest in taking the project back.

In other business the board gave its approval to Chief Knoebel's request to advertise for the 1990 replacement squad.

In other action the board approved the application of

Patricia A. Taylor for a Class 'B' liquor license to operate the Kewaskum Saloon.

The board also approved the adoption of three resolutions. Resolution 89-19, to transfer funds to various budget accounts, #89-20, to place delinquent accounts on the tax rolls and #89-21 to declare new village roadways and streets for the Department of Transportation's mileage list for street aids.

In discussing Resolution 89-21, Schmidt noted the village had added more streets this year than it had for the last 10-15 years, a total of 1.13 miles. This is an increase of over 10% from the current 9.75 miles of village streets.

The board also approved setting Halloween Trick or Treat for Sunday, October 29th, from 2 to 4 p.m. Knoebel suggested those homeowners who wish to have youngsters come to their doors for handouts should leave a front light on to let people know which houses

have treats.

Schmidt also advised the board that preparation of the 1990 budget has begun. He said it would be a massive job this year because all the prior budget data must first be fed into the new computer system in order to set up the new budget.

In closing the meeting Trustee Schlice complimented the Boy Scouts, in cooperation with the Kiwanis on getting the village sign on the south end of town spruced up and repainted.

Campus Notes

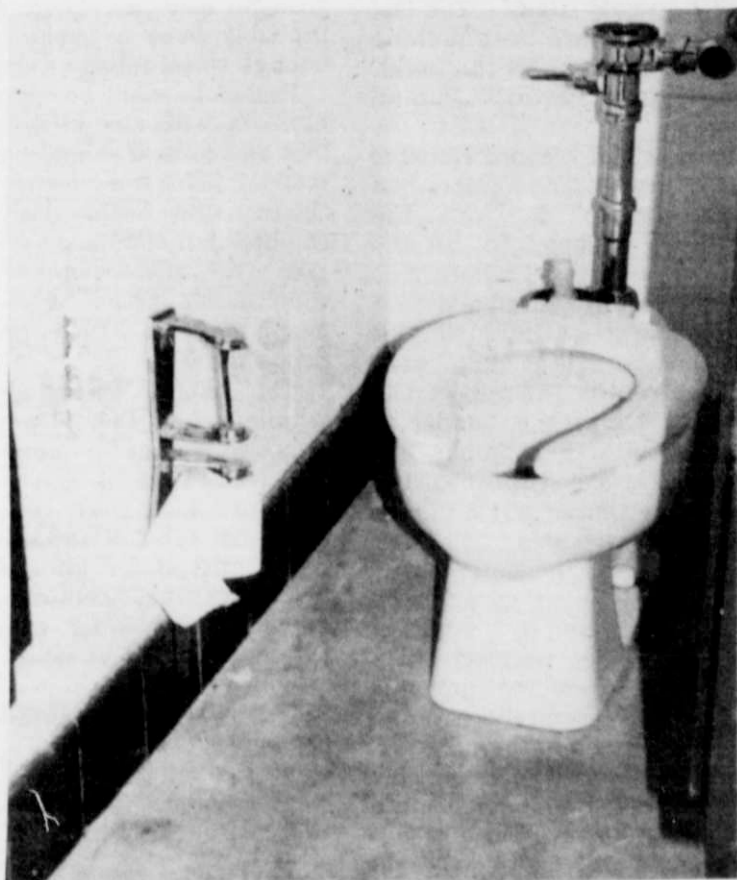

An area resident has headed to the University of Wisconsin - La Crosse to begin undergraduate college course work.

The area resident enrolled as a freshman at UW-La Crosse for the 1989 fall term is: Jennifer M. Emmer, 120 N. Elm Street, Campbellsport.

Vandals Damage

A section of roof shingles was torn off the shelter by vandals over the weekend.

A toilet tissue dispenser hung from a bolt after being pulled loose from the wall at the shelter's women's bathroom.

No Injuries in St. Michaels Accident

The car of Joseph Hahn of Butler, rested in the ditch on the south side of Hwy. 28, after striking an eastbound truck (in the background), on Hwy. 28, which was driven by James Gerharz of Kiel. The Kewaskum Fire Department remained on the scene to guard against a possible fire from gasoline leaking from the truck's gas tank.

By GERRY MUELLER
Statesman Staff Writer

Despite extensive damage to one of the vehicles involved in an accident at the intersection of Highway 28 and Forest View Road, St. Michaels, at 2:40 p.m., Friday afternoon, none of the individuals involved sustained any injuries.

According to the Washington County Sheriff's Department report, a car driven by Joseph Hahn, 82, of 4703 N. 126th Street, Butler, was northbound on Forest View Rd. Hahn stopped at the intersection and continued to cross Hwy. 28, where he struck a truck driven by James Gerharz, 50, of Kiel, which was eastbound on Hwy. 28.

The Sheriff's Department report stated the Gerharz truck had the right-of-way. Hahn told authorities he thought the truck was going too fast.

The impact, in the eastbound lane, sent the Hahn car off the highway into the ditch on the southeast side of Hwy. 28.

Neither Gerharz, Hahn or his passenger Lorraine Fellenz, 83, of 8193 Forest View Road, St. Michaels, was injured. According to the report, no citations was issued.

Kiwanis Presents Check to Village

By GERRY MUELLER
Statesman Staff Writer

At the regular meeting of the Kewaskum Village Board Monday night, board president Paul Blumer, on behalf of the village, accepted a check for \$1,000 from the Kewaskum Kiwanis Club toward the payment of the shelter building

at the Kiwanis Park.

Kiwanis president Bob Sparks and treasurer Stephen Van Ess who presented the check thanked the people of the community for making the Turkey Shoot, the club's annual fundraiser a success enabling it to support local projects such as the Kiwanis Park.

Good News from United Way

This is part of a continuing series of United Way - funded agencies in Washington County.

One goal of the Early Intervention Program at The Threshold is to provide parents of special needs children with the opportunity to meet one another, share concerns and develop supportive relationships. Informal meetings are held monthly. Books, magazines and other materials are also available.

The two United Way murals displayed in West Bend and Hartford as part of the 1989 Campaign were painted by volunteers from the Volunteer Center of Washington County. Volunteers also helped stuff envelopes for United Way campaign mailings throughout the county.

Outreach to the Aging through Senior Friends in Hartford recently sent greeting cards to their members who live in nursing homes, to let them know someone cares. They also had a speaker at one of their

meetings address burn-out of caregivers.

The Southeastern Wisconsin Center for Independent Living (SEWCIL), an agency that helps physically disabled people, provided services for two Washington County residents. One received help through the housing program, and the other in a sports and recreation program.

In July, the board of directors of Big Brothers and Big Sisters of Washington County voted to expand the hours of one caseworker from 20 to 40 hours per week, due to the projected growth in the number of matches.

Support from the United Way of Washington County makes these and many more services available to thousands of people in our county. Thanks to you, United Way works for all of us!

Doc's Heart Block Symptomatology

by Dr. R.G. Edwards

My heart block was mild but could have been fatal, too.

On a Sunday afternoon as we were all being called to eat one of Grandma Alma's delicious chicken dinners, I leaned over to plug in the air conditioner, and felt tipsy when I arose to an erect position and at once became nauseated. Unable to eat because of the nausea all afternoon, I awaited the departure of our guests. Alma called our family doctor at West Bend. Dr. Gibson said to come down at once so he could see if he could be of help.

Upon checking my blood pressure, heart and a cardiogram he said, "You have a mild heart block and I think you should get an appointment with the cardiac men at County Hospital where your son-in-law, Dr. Joe Darin is employed. This was done, but Dr. Joe's mother died just then so we all waited several days for the funeral to be completed.

On Wednesday afternoon, Sept. 20th, our daughter Patty Darin, loaded mother and me in her van and whisked us to the emergency room at Milwaukee County Medical Complex for immediate care. I road along but wondered why the rush as I had no pain, no discomfort,

except for shortage of fresh air.

Upon arrival a doctor asked me what had occurred that caused us to come to the hospital at emergency quarters? I answered "Nothing that I know" and dropped off to sleep again. This alerted the doctors as they at once gave me nasal oxygen and other support treatment.

Later I learned that my heart rate upon arrival had slowed to 31 beats per minute from an average of 70 beats per minute or proof that I had a heart block. A dangerous situation for me, as complete stoppage could occur at any second. To my everlasting joy of life, support treatment began for me instantly and very soon I felt ever so much improved.

My doctor told me that pacemakers began to be introduced or implanted in late 1950 and now over two million people with a heart rhythm disturbance can expect to live a normal fulfilling life. My pacemaker is approximately the size of two silver dollars stuck together, with an insulated wire being led from the pacemaker, placed deeply under my left clavicle, into the sub-clavicular vein, then down and a few inches into the heart's right auricle of my heart, that the bare metal tip lies near the

correct natural heart responsive pacemaker. Should a need for stimulation be detected, at once my battery-made tiny impulses go out to cause my heart beat to respond. This rate will then be maintained as needed. The battery will last eight to ten years, before a new one need be replaced.

There was absolutely not any pain, nor discomfort for me, and it was done under local anesthesia. I detailed the description of my signs and symptoms hoping anyone who may have such symptoms will act to ask their doctor to check them for a heart block test — your life may be saved!

My symptoms were:

1. No pain or discomfort.
2. Shortness of breath.
3. Sleepy feeling constantly.
4. Lack of muscular endurance.
5. Poor appetite.

I wish to thank all who remembered me with cards and well wishes.

Bike-A-Thon for Children's Hospital

Kewaskum area youth will participate in a bike-a-thon to help raise money for St. Jude's Children's Research Hospital.

The hospital is the largest childhood cancer research center in the world. It is the first and only institution established for the sole purpose of conducting basic and clinical research into catastrophic childhood diseases. The hospital is located in Memphis Tennessee, but the doctors provide daily written and telephone consultation and advice to physicians all over the world concerning the latest procedures for other children. The hospital, which was

founded by Danny Thomas, is non-sectarian, and is helping children throughout the world.

Children of all ages are invited to participate. The bike-a-thon participants will meet at the Kewaskum High School on Saturday, October 14. The ride will be scheduled from 9:30 a.m. until noon. Juice will be available. The interested riders should pick up their pledge forms at Kewaskum Elementary School, Holy Trinity school, St. Lucas school, or by calling Kathy Charland at 626-4687. The members of the Kewaskum Juniors club will serve as the volunteers during the ride.

This ride is being dedicated to helping Ellen Marie, a little girl with cancer. Please help this little girl by riding or by donating to the ride. If you would like to make a pledge, but have not been contacted, please call Kathy Charland.

THANK YOU FOR YOUR SUPPORT.

National School Lunch Week Oct. 8-14

From the first class in the morning to recess and the walk home after school, children learn throughout the day. Eating habits that can last a lifetime are reinforced during lunch time, and National School Lunch Week, Oct. 8 through 14, marks an opportunity to pay extra attention to the efforts of our nation's schools to provide nutritious, well-balanced, and low-priced lunches.

Through the National School Lunch program, which began 43 years ago, more than 23 million lunches are served daily in nearly 90,000 schools throughout the country. The state Department of Public Instruction reports that 2,196 public and private schools serve more than 417,000 lunches each school day in Wisconsin. Of those lunches, more than 135,000 are served free or at a reduced price to children from economically disadvantaged households.

Wagner Victorian Bed and Breakfast

Thoma Named New Loan Officer At West Bend Savings

The main dining area is filled with collectibles and shelves of blooming African violets. Visitors may choose to enjoy their breakfast in this sun-filled room.

Mary K. Wartman-Thoma

Richard A. Larson, Jr., Vice President - Sales for West Bend Savings and Loan Association announced the recent addition of Mary K. Wartman-Thoma to the Association's Mortgage Banking Division. Thoma will work out of the Association's real estate affiliate office, Realty World West Grove Realty.

Thoma will be a commissioned loan officer for the local thrift providing residential and investment mortgage services for the areas realtors and

builders.

Thoma is a 1980 graduate of St. Norbert College with a BBA in Marketing. Prior to joining the Association, Thoma was the director of sales/marketing for the Holiday Inn of Traverse City, Michigan. Previously, Thoma has been in the sales/marketing field for both the Civic Center Inn - Eau Claire and the Oshkosh Convention and Tourism Bureau. Thoma and her husband Dale reside in West Bend.

An ornately carved Victorian fireplace warms the living room on nippy autumn nights.

bedroom has matching twin beds; another holds one double bed and the suite contains one queen bed with an adjoining sitting room. All guest rooms have large built in closets, reading lamps and chairs, green plants and are tastefully decorated with quality heirloom items. Oversized dressers and hardwood floors lend to the cozy atmosphere. All visitors share the large, remodeled bathroom and kitchen or they have the choice of eating in the downstairs dining area.

Although Al and Lorena consider themselves retired, the couple both work outside the home. Al drives school bus part-time and Lorena transports children to Threshold in West Bend and sits a few hours per week with a disabled person.

The Wagner Victorian Bed and Breakfast is located in the "Gateway to the Kettle Moraine" with easy access to swimming, hiking, and biking in summer; the gorgeous fall colors of Autumn and the exciting sports of winter. Rates are \$35.00 for single occupancy, \$45.00 double.

Treat yourself to the Wagner's year 'round hospitality with all the comforts of home in a turn-of-the-century setting. Their simple pleasures sure makes "getting away from it all" a delightful experience.

fresh bakery and bowls of fruit, yogurt, juice and coffee.

Sound inviting? Proprietors Al and Lorena Wagner hope so, because their newly remodeled 1904 Victorian House is the latest bed and breakfast establishment in the area.

Located on Hwy. 45 in Kewaskum, the house has had quite a facelift since the Wagners took over as owners five years ago. Extensive work had to be done on the roof when they discovered not one, but two layers of shingles had to be removed and replaced. The entire building was then re-sided in neutral gray, while Lorena labored inside, stripping white paint off all the woodwork and meticulously restoring it to near original color. She is still in the process of completing this work, which takes the patience of a saint!

As if that doesn't keep her busy enough Lorena also creates breathtaking reproduction stained glass lamps in all shapes and sizes. They can be found in every room of the

house, and are available to purchase. Prices start at \$75.00.

The upstairs can accommodate six overnight guests. One

Boy Scouts Give Welcome Sign a New Look

Kewaskum Boy Scout Troop No. 744 and leaders prepare the sign for painting.

The troop proudly poses next to their latest community service project, the newly painted Welcome to Kewaskum sign.

Who were those crazy people out there scraping, sanding and restraining the "Welcome to Kewaskum" sign at the south entrance to the village in windy 39 degree weather?

Those frozen boys and adults were members of the Kewaskum Boy Scout Troop 744. Dennis Giese noticed that the sign was in need of paint, and approached the Kiwanis Club, who own the sign, to see if they would like the scouts to do the work as a community service project.

Kewaskum can be proud of

their hard work. Scouts and leaders who participated were Matt Wiedmeyer, Pat Bertram, Chad Trzecinski, Craig Trzecinski, Jason Noren, Jim

Noren and Dennis Giese.

The scouts also helped out once again at the annual Turkey Shoot held Sept. 16 at the New Fane Sportsmens Club, as another community service project.

Chamber of Commerce

[Continued from Page 1]

Sedgwick.

It was decided to hold the Christmas Parade, titled "Kristmas In Kewaskum" on Monday, December 11, in conjunction with the AAL Annual Tree Lighting Ceremony. A definite time, starting point and prizes will be announced as soon as all the plans have been finalized.

Committee members have been busy contacting Chamber members, other local businesses and civic organizations to ask for everyone's help so that we can make this parade an annual event for Kewaskum.

All Chamber members are asked to participate in the parade by either sponsoring an entry in the parade or by donating money towards marching bands or units. The Chamber is also soliciting other entries. Prizes will be awarded.

If you are interested in submitting an entry, anything from the smallest children's unit, to the largest float or marching band, please contact Lana Kuehl at 626-2626 during the day or 626-4518 evenings.

Further details will be published in an upcoming issue of the Statesman.

Under "Old Business" the signs were again discussed. Everything mentioned was referred to the sign committee, including the possibility of erecting a sign south of West Bend welcoming tourists to the Kettle Moraine and encouraging them to visit Kewaskum... Gateway to the Kettle Moraine. Two members of the sign committee were not present so all decisions were tabled until the next meeting. It was also noted that work on any signs probably would not take place until Spring.

Members in attendance also voted unanimously to award a monthly door prize. Attend our next meeting to find out all the details.

The "River Fest" is still being discussed for the Fall of 1989. It will require more checking into. If there is interest generated, the possibility could turn into a reality, but the Chamber does not want to make a commitment until they are sure there are a good number of businesses, civic organizations, church groups, etc. interested in participating.

The Chamber is open to any and all ideas concerning the "River Fest." If you have any input or would like to get your group or organization involved, please contact Lana Kuehl at 626-2626. She will take all ideas to present before

the Chamber. If we want to get this idea off the ground, someone has to be willing to become INVOLVED!

It was decided to hold the Annual Krazy Daze Sale on Tuesday, June 19. A brief discussion was held on how to "perk up" Krazy Daze this year and ways to tie the business districts together for this sale. The idea of a scavenger type clue hunt was brought up. This would involve customers traveling to participating business places to receive clues to help them win prizes. More will be brought up at future meetings.

Under New Business, the Annual Turkey Promotion was approved. Richard Thiemeer graciously volunteered to head up the committee. He will be assisted by Don Sedgwick and Ed Miller. The ads will run in the Kewaskum Statesman in November with the drawing being held November 13.

Also approved was the Annual Christmas Decorating Contest. It is hoped more categories and prizes will be added this year as the decision making process last year was very difficult. There were so many beautiful decorations. So start planning your decorations, for you might win. Let's make Kewaskum a "Christmas Showplace" this year.

It was also mentioned the Chamber answered 20 request for information on Kewaskum during the past month.

Also, if there is anyone who has jobs for the elderly, please contact Cheri Ramthun at 626-4395.

There being no further business, and the clock ticking away, the meeting was adjourned. Coffee and doughnuts (thanks to Jan of Sheffond) were served and enjoyed by all the members.

Our next meeting will be Wednesday, October 18. We have added quite a few new members of late, but we would like more of you out there to join and attend our meetings. If you want to see the Chamber get involved in new projects, get involved yourself!

New ideas and promotions cannot be handled by just a few. We are all busy, but if the job is shared, progress will be made and hopefully everyone can reap the benefits.

With this issue the Kewaskum Statesman enters upon

another milestone of progress — its forty-fifth year of publication.

John Wilke, son of Mr. and Mrs. John Wilke, Sr. of this village is a very proud and happy lad these days and he has good reason to be for he was one of two winners in the Lone Ranger radio jingle contest recently closed. Announcement was made over the radio network last Friday that the young fellow had won one of the Monark LeLux bicycles given in the contest. The other bicycle was won by a Chicago girl.

Albert Kocher, 58, prominently known Town of Kewaskum farm resident was killed almost instantly at 12:30 a.m. this (Friday) morning, Oct. 6, when he was struck by a Kewaskum Creamery truck while walking along Highway 55, to his home, which is located about a half mile south of the village, just the other side of the Kewaskum hill. Mr. Kocher was returning home from this village where he had spent the evening at the Herman Belger home playing cards with several friends. Just as he reached his home and before turning into the yard, the truck approached from the north and struck him. The creamery truck driven by Wayland Becker was passing another car at the scene of the accident and he was unable to see Mr. Kocher walking along the left side of the highway until it was too late.

The opening sale held at the local Gamble Store Agency last Saturday by Frank J. Felix, the new owner was a great success, over 170 people registered on the day. Each person registering was given a chance to win the free electric radio given away. The lucky lady to win the radio was Mrs. John H. Martin of this village.

was caught under hundreds of bushels of oats and barley and killed near Hartford Tuesday. His son and some horses, also covered by the falling grain, were dug out alive.

While playing war at Campbellsport, Wednesday morning, Alvin Haessly, aged 7, sustained a gash in the neck which required seven stitches of a physician's needle to close. Young Haessly and a boy of the same age by the name of Floyd Bauer were aligned against each other as ally and Teuton. They were both armed with case knives and in the assault Haessly was repulsed but only after he had sustained a severe cut in the neck. The boys staged their battle in the rear of the Bauer home.

J. C. Westerman of Kewaskum who was in Lomira several weeks ago looking over the prospects of establishing a jewelry store there, has decided to open a store in the building formerly occupied as a millinery store on East Water Street. He has been employed in jewelry stores in Milwaukee and other cities and knows the business.

Aug. Arndt and Frank Bartel, Beechwood, had their stables cemented last week.

A grand thresher's dance will be held in the E.F.U. hall, Beechwood, Sunday, Oct. 4. Everybody is cordially invited to attend.

Three gentlemen from Plymouth and Onion River assisted Mr. Wjerman of Boltonville in installing a large gasoline engine in the mill last Wednesday.

Leonard Gudex had the misfortune of breaking his foot and an arm while working around his threshing machine

last week.

J. F. Walsch and Herman Krueger, Dundee will give a grand duck and goose tournament at the former's place on Sunday, Oct. 11. Everybody is invited.

Laufer Receives Scholarship

DE PERE: Angela Laufer of Kewaskum was recently awarded a Presidential Scholarship from St. Norbert College.

Based on high school academic records, ACT or SAT scores, high school and community activities, and leadership recognition, the merit award is valued at \$8,000 over a four year period.

An 89 graduate of Kewaskum High School, Laufer is the daughter of Mr. and Mrs. James Laufer, 8935 Wescott Rd., Kewaskum.

Weekly Health Tip

From Tom Kennelly

BREAST FEEDING

A mother's choice to breast feed her child for 5 months or more can reduce the risk of the child developing cancer later in life, is the finding of research led by Margaret K. Davis, MD of the National Institute of Health. It may also inhibit later obesity, diabetes, and heart-circulation diseases. "If human milk increases resistance to infection in infancy," Davis states, "artificial feeding, which provides no immunological benefits, may alter the child's responses to early infection."

Two Kewaskum Jr. Women Attend Fall Conference

The GFWC-WFVC Kewaskum Junior Woman's Club was represented at the GFWC Wisconsin Federation of Women's Clubs Sixth District Fall Conference by two of its members. The Conference, which was hosted by the GFWC - WFVC Neenah-Menasha Federated Woman's Club, was held at the Boys and Girls Brigade Building, 109 W. Columbian, Neenah, on Wednesday, September 27. The GFWC Wisconsin Federation of Women's Clubs Sixth District is composed of 30

Woman's Clubs and Jr. Woman's Clubs in 6 counties.

Special guests included WFVC President, Lois Reinfeldt and WFVC Junior Director, Mary Kaye Ernest, both of whom addressed the group. Executive Officers' Reports were presented and the 1989-90 6th District Budget was approved.

An exceptional reporting workshop - "Hands On...How To..." complete with audience participation, was presented by WFVC President Lois Reinfeldt and WFVC 1st Vice-President Ina Trummer.

A lunch featuring GFVC Centennial Winning Recipes was enjoyed by all, as was the musical entertainment.

The GFVC Centennial Video

"Update on 1990!!!" was presented in the afternoon, along with Committee reports and the Credential report, and the 1990 Centennial Convention Invitation was extended.

Materials to be used by the local clubs for their various projects during the coming year were distributed, together with up-dated district handbooks and WFVC updates.

Those members representing Kewaskum Juniors were Karen Kletti, Club International Affairs Chairman and Gayle Van Ess, Sixth District President and Club Public Affairs Chairman.

Adults-Only Piano Class Delayed Until Oct. 14

The starting date of an adults-only group piano class has been delayed to Saturday, Oct. 14, to allow additional students to register.

The class will run for ten Saturdays, from 10 to 11 a.m., as part of the UW Extension Continuing Education program at the UW Center - Washington County.

Joan Laabs, continuing education coordinator, said the course fee is being reduced from \$65 to \$50.

Two other group classes are scheduled to begin the evening of Oct. 4. The popular group sessions will be taught in the

Kewaskum Statesman,

Friday, Oct. 6, 1989, Page 11

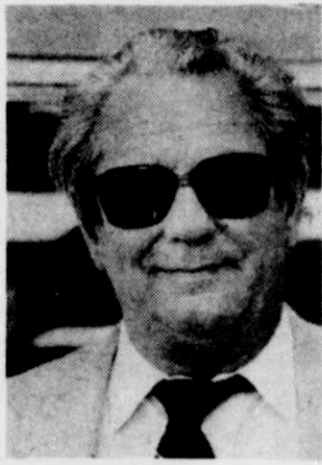

UWVC electronic piano lab.

The group lessons, taught by veteran piano teacher Judy Mitchell of West Bend, were first introduced last January and filled up almost instantly. Student reactions were "very favorable," Mitchell said.

To reserve a spot or get more information, call Laabs or Kathy Kissling at 338-5215.

OCTOBER COMMUNITY CALENDAR

THURSDAY, OCTOBER 5

The Tri-County Pork Producers from Sheboygan, Ozaukee and Washington Counties is sponsoring a Grilled Pork Chop Dinner from 6 to 8:30 p.m. at the Amerahn, Kewaskum. At 8:30 guest speaker Ron Dentinger, voted by Showtime as "The Funniest Person in Wisconsin" will be featured.

THURSDAY, OCTOBER 5

There will be a Kewaskum 4-H meeting at 7 p.m. in the Kewaskum Community Room. Any families wishing to learn more about 4-H, plan to attend.

SATURDAY, OCTOBER 7

Everyone is welcome on the Ice Age Hike-A-Thon, from 9 a.m. to 12 noon at Pike Lake State Park, Hartford. Hike 3-12 miles with or without

a guide. Come and see the Autumn colors at their peak on this portion of the Ice Age Trail. For more information contact Kathy Vorpagel at 377-8456.

SATURDAY, OCTOBER 7 SUNDAY, OCTOBER 8

"Greenbush Harvest" at the Old Wade House stagecoach inn in Greenbush will recall how innkeepers of the mid 19th century prepared for autumn. Witness traditional fall chores such as shucking corn, pressing apple cider, and making apple butter while the kids enjoy a pumpkin decorating contest. For more information contact Old Wade House, Greenbush, WI 53026 or phone (414)526-3271.

SATURDAY, OCTOBER 7 SUNDAY, OCTOBER 8

Migrate to Mayville for Audubon Days and loads of great family fun. On Saturday there will be a run, bike outing, music, food, country crafts and gallery, sport events and games. There will be guided Marsh Tours on Saturday and Sunday. Make your reservations by phoning 387-5776.

Fall Rally Planned At Immanuel Church

Immanuel Lutheran Church, Town of Scott, will be host for the Lutheran Women's Missionary League fall rally, on Thursday, Oct. 12, 1989.

Registration will be at 9:30 and the rally starts at 10:00 a.m. Opening devotion will be conducted by Pastor Wm. Robinson, host pastor.

The guest speaker will be speaking right after the opening. He is Dennis Denow, missionary from Thailand.

There will be a gathering of canned goods for Ft. Wayne seminary students.

Pastor Reehl, zone counselor, will conduct the bible study. The title of the bible study is "Serve the Lord With Gladness." President Doris Krahn will conduct the business meeting, and an election of officers will follow. Everyone is welcome to attend.

Catastrophic Tax Hike Unfair To Senior Citizens

A year ago, Congress passed a Catastrophic Health Care law that looked like it would liberate senior citizens from the financial threat of long-term illness.

Unfortunately, it didn't work out that way. Once the ideas were translated into law, it turned out that the new legislation would impose an unacceptable financial burden on seniors.

It's just not fair to ask elderly Americans — many of whom live on fixed incomes — to pay a mandatory premium that can reach as high as \$800 per person.

When you already have catastrophic medical insurance coverage, it's absurd for the Federal government to ask you to pay an extra tax to provide protection that you already have. But many seniors are forced to do this under current law.

I'm co-sponsoring a bill that would begin to roll back the negative effects of this law. The Medicare Catastrophic Coverage Revision Act would delay implementation of the law's provisions for a year so that Congress might have time to come up with a long-term solution to the catastrophic health problem.

An attempt to pass this bill failed by a 50-49 vote earlier this summer — but the raised voices of millions of concerned senior citizens are turning the tide. I think that with continued hard work, we can pass this bill soon, and give America's seniors a much-needed break.

I look forward to crafting a catastrophic-health solution that provides the coverage Americans want without imposing a sky-high price tag on seniors. It'll be a tough job, but an essential one; because nobody deserves our serious attention more than these people who have spent their lives in building up our country.

Religious Awards Available for All Catholic Girl Scouts

The following religious awards program is available for all Catholic Girl Scouts this year in the Kewaskum area:

The "Family of God" for Brownies, The "I Live My Faith" for Juniors, and The "Marion" for Cadettes.

Registration for these awards will be this weekend after the masses at Holy Trinity in the basement, on Sat. night and Sun., Oct. 7 and 8.

The cost will be \$3.00 per scout.

Boy Scout Fall Camporee

Plans for the Boy Scout Fall Camporee, "Outdoor Survival," were announced by James Feyrer, Camping Chairman for Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, for October 6-8, at Camp Journal, corner of Highway 83 and Q (4 miles South of Hartford).

Boy Scouts of all District Troops are invited, and 2nd-year Webelos Scouts are encouraged to attend with an associate troop.

A Health Information Form is required for all participants and two adult leaders must supervise each troop. Cost is \$4.00 each, payable at check-in from 5:30 - 9:00 p.m. Friday.

The Patrol System will be used and Scouts will have the opportunity to complete the Cooking, Orienteering, Pioneering and Wilderness Survival Merit Badges; Webelos will work on their Outdoor Program.

Religious Services will be conducted at 7:15 p.m., Saturday, followed by a campfire and cracker barrell.

For additional information contact Feyrer at 677-2969, or Camporee Assistant, Manly Zillmer, at 629-5230.

Why doesn't the water leave the shore? Because it's tide there.

Boy Scout Junior Leader Training

Arthur Herre, Scout Training Chairman, for Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, has scheduled a Green Bar Training Course for Troop Junior Leaders and Scoutmasters, for October 13 and 14, at Hawthorn Hills, Highway I, Fredonia. Check-in time is 6:00 - 7:00 p.m. Friday, and dismissal will be 7:00 p.m. Sunday. Cost is \$5.00 for each participant.

Troop reservations and fees should be sent to Green Bar Scoutmaster, Norm Petersen, 1542 Gloria Lane, Grafton, WI 53024.

The New Boy Scout Program will be implemented and Scoutmasters will work with their boy leaders to plan and practice troop activities. Tents and camping equipment are to be provided by each troop.

For additional information, call Petersen at 375-1280 or 377-8497.

Cub Scout Leaders Basic Training

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will conduct the final session of the two-Saturday option of the Cub Leader Basic Training course,

Caldwell to Continue As FmHA Head

Ron Caldwell, State Director for the Farmers Home Administration in Wisconsin since 1983, has been reappointed to that position by Secretary of Agriculture Clayton Yeutter. The action became official September 22, 1989.

Wisconsin's senior Senator, Bob Kasten nominated Caldwell for reappointment; the nomination was supported by Congressmen Steve Gunderson, Toby Roth, F. James Sensenbrenner and Thomas Petri. In addition, Wisconsin's Governor Tommy Thompson and other state Republican leaders recommended Caldwell for reappointment.

As State Director, Caldwell is responsible for all of FmHA's Family Farm, rural housing, community development, and business loan programs. In these programs, Wisconsin has over 41,000 outstanding loans totaling nearly \$2 billion. He leads a statewide staff of 300 in fifty County Offices, six District Offices, and the administrative headquarters in Stevens Point. FmHA has a presence in each of Wisconsin's seventy-two counties.

Land Use & Park Dept.*

Indians Suffer Hard 40-0 Defeat

The Indians, turning over the ball an even dozen times Friday night, lost to the Eastern Wisconsin league's leading Kiel Raiders 40-0 on their home field.

The ride home was a miserable one for our Indians who not only are winless in all four of their conference games this season but have also lost their last 22 EW contests in a row.

The Indians started junior quarterback Mark Felix as Leitheiser was out with the flu. Felix didn't have much of a chance to prove himself however, due to fumbles and lack of first downs. The Indians just couldn't keep the ball and

the couple of times they did, they couldn't move it.

Indian errors were many, the first being a fumble on the opening kick-off in which Kiel four plays later took the ball into the end zone on a Greg Trewin 15 yd. run.

On the Indian's next possession, the ball was fumbled and the Raiders recovered on the Kewaskum 28. This series ended with Kiel's Greg McCarthy scampered in for his first of three touchdowns of the evening.

The next Kiel score before the half came on an intercepted pass thus giving Kiel a 21-0 lead, all on KHS turn-overs.

The Indians opened the

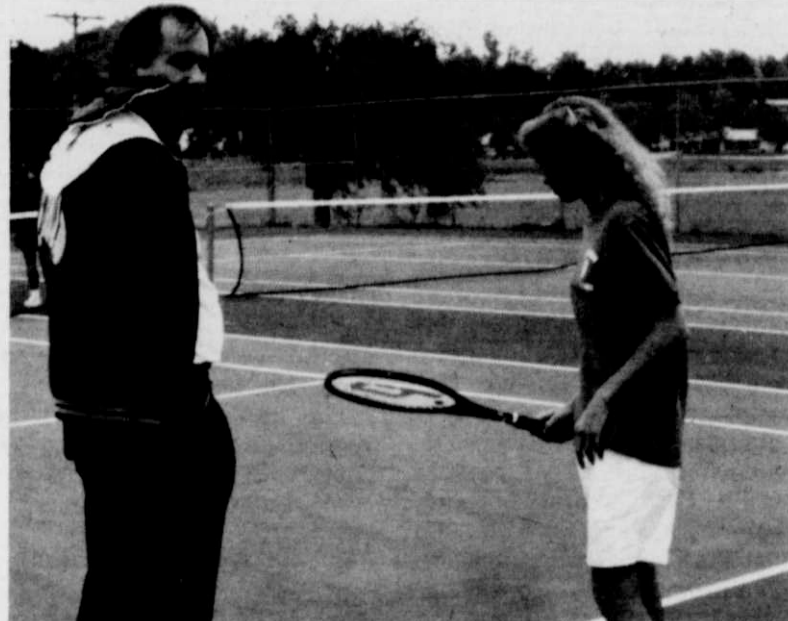

second half of the game with a fumble on their first possession, losing the ball on their own 7 yard line which set up another easy Raider score.

And so the story goes, Kewaskum had just two first downs the entire game and according to Coach Pearson "I think we crossed the 50 yard line only once the entire game."

Statistically, the Indians ended up with negative yards once the quarterback sacks were added in. All in all, it was quite a frustrating loss plagued with KHS errors.

The Indians travel to Two Rivers on Saturday, looking to break their losing streak.

Rohrer Earns Championship In EW Tennis Tournament

Glen Eichstedt, new tennis coach, giving pointers to sophomore Jessica Rohrer.

KHS sophomore Jessica Rohrer, who has been consistently improving throughout the season, found that practice does indeed pay off. Through her diligent practicing, Rohrer earned herself a championship at No. 2 singles in Saturdays Eastern Wisconsin tennis meet, beating Plymouth's Jenny Beaver for the title 4-6, 6-0, 6-3.

According to Coach Glenn Eichstedt it was "Jessica's repertoire of shots that wore down her top-rate opponent." Previously that day, Rohrer had beaten Annalisa Perez of Sheboygan Falls to earn her a place in the final match.

Senior Debbie Rimmel at No. 3 singles also made it to the finals, only to be disappointed by Karyn Wallace. Interesting to note is that both girls are seniors, out for tennis for the first time, and each had beaten the other during the regular season. This time however, Wallace had the upper hand and produced a solid 6-0, 6-0 win.

After the excitement of the Rohrer championship, Coach Eichstedt noted another singles player who gave a "truly dramatic and superlative" performance. The player, Tammy Troeller, the spot, No. 4 singles.

Troeller, known to take matches to the third game, has so been nicknamed "Tie-breaker Troeller." In the first match of the day, she lived up to her name with scores of 6-2, 7-6, and 7-4. In her next match against Two River's Sally Soucoup, Troeller again poured herself into her performance. She lost her first set 7-5, came back to win the second 7-6 and again true to her nickname pushed the match into a third set which a worn-out Tammy Troeller bowed out of at 0-6. Troeller made a good showing

in her battle for third place before losing 4-6, 6-3, 6-2 to Amy Feider of Sheboygan Falls.

In doubles competition the teams of Angie Clements and Laurice Thull and Shawn Erdmann and Jenny Thull, both won their first matches before losing their next two for fourth place finishes.

The Indians ended up with a 4th place finish in the tourney.

Kewaskum Flag Football

The third week of games in the Kewaskum Athletic Club flag football league were played September 30.

In the first game the Amerahn Redskins defeated the Lions Club Packers 31-6. The Redskins took a 2-0 lead on a safety. Ryan Herman had runs of 33 yards and one yard for two touchdowns and Herman added one extra point and Steve Johann the other for the Redskins to make the score 16-0 at halftime. The second half started with another Redskin safety. Jay Enright had a 46 yard touchdown run and Ryan Herman a 7 yard touchdown run with Enright adding one extra point for the Redskins. Erik Ankersen had a 41 yard touchdown run for the Packers.

In the second game the Gruber Tool Bears defeated the Regal Ware Raiders 18-6. In the first half Brad Jackson had a 22 yard touchdown run for the Bears. Beau Coulter came back with a 67 yard touchdown run for the Raiders and the score at halftime was 6-6. In the second half it was all bears as Shawn Fideler scored a touchdown on a 29 yard run and Brad Jackson added a touchdown on a one yard run.

Games on Saturday, October 7 starting at 1 p.m. have the Bears against the Packers followed by the Redskins against the Raiders.

Standings

Gruber Tool Bears	3 - 0
Amerahn Redskins	2 - 1
Regal Ware Raiders	1 - 2
Lions Club Packers	0 - 3

Parents Night Held for KHS Volleyball Team Vs. Plymouth

By Kim Stielow

The Kewaskum High girls volleyball players held parents night on Thursday, Sept. 28 against Plymouth.

The J.V. and Freshmen both came away with a victory, but the varsity couldn't pull it off. The J.V. scores were 15-10,

15-14, and 15-9. The Freshmen scores were 15-5, 15-7 and 5-15. Congratulations to both teams.

Even though the Varsity team had a hard time starting against Plymouth they came away from this match with good effort. Their match scores were 15-12, 5-15, and 15-12.

A very high point total was obtained by Karen Felix (Feli) with 16 total points, a total of 10 spike kills, 3 block kills, and 3 ace serves. Also high as assist scorer was Tina Weddig with 11 assists.

The J.V. hosted a tournament at home this weekend against all conference schools. The J.V. was not on the winning side of this tournament but showed great effort Saturday.

The varsity also competed in the annual tournament held at Grafton this Saturday. They showed great effort by taking a second place finish to Menomonee Falls. This was a class A tournament and the girls showed great talent.
