## Two More Members Added

### C of C Selects Oct. 13 and 14 For 'Kewaskum Kettle Colors'

Two more new members were welcomed when the October meeting of the Kewaskum Area Chamber of Commerce was called to order at 6:30 p.m. on Wednesday, October 18, at the Kewaskum Municipal Building Community Room.

The two latest members are

Wagner Victorian Bed and Breakfast of Kewaskum and WTKM Radio of Hartford.

Members present included Jeanne Griep of General Store Antique Mall, Jerry Koch representing Regal Ware, Bob Lucynski representing WTKM Radio, Bill Geidel of Sentry Foods, Larry

Williams of KL Home and Hardware, Earl Kleinke of Amerahn, Bob Beisbier of Kewaskum Frozen Foods, Don Sedgwick of Village Bootery, Lana Kuehl of The Kewaskum Statesman, Jan Bartelt of Shefond Mobil Mart, Charleen Barutha representing West Bend Savings and Loan, Gladys Seefeldt of Buffy's Village Inn, Sandi Amerling of Village Hair Stylists, Patsy Vechart of Country Road Refinishing, Al and Lorena Wagner of Wagner Victorian Bed and Breakfast, Judy Jaeger of Jaeger Sewing Center and Ed Miller of Miller's Furniture.

Guests attending the meeting were Debbie Korneli and Kathy Broecker representing the Kewaskum Jaycees, who are interested in learning more about the Christmas Parade being held Monday, December 11 at 6:30 p.m.

Much discussion was banded about concerning the parade. There seems to be an incredible amount of excitement and enthusiasm generated by the upcoming event.

The parade committee consisting of Lana Kuehl, Charleen Barutha, Bob Beisbier, Don Sedgwick, Jan Bartelt and Gladys Seefeldt, reported an overwhelmingly positive response by almost all chamber members and civic organizations contacted.

There are already commitments for numerous float entries, children's specialties, civic entries, club entries, the KHS marching band and the KHS twirlers. Other businesses are also sponsoring or co-sponsoring other live music.

The chamber voted on awarding monetary prizes for the first, second and third prize winners.

It was also decided Santa's elves will hand out small bags of candy to children at the parade, eight years old and under. The candy will be courtesy of the Chamber of Commerce and generous donations by local businesses.

No candy will be allowed to be thrown from any float or unit. If you are sponsoring an entry, PLEASE, for safety's sake, walk alongside your unit and GIVE the

TICKETS FOR KHS 'MUSIC MAN' CAN BE PURCHASED AT DOOR

Tickets for the KHS musical production "Music Man" to be held on November 3rd and 4th, will be available at the door for those who did not reserve a seat. For more information call 626-2166.

## Scouting for Food

Cub Scout Nick Kallmyer, along with other scouts throughout the Kewaskum area will be distributing plastic bags to homes on Saturday, November 4, during the "Scouting for Food" program. The scouts hope to have the bags filled with food donations, nothing perishable, frozen or in glass, for distribution to area needy for the holidays. The scouts will be back to pick up the bags with any food donations on Saturday, November 11, between 9 a.m. and noon.

## No Immediate Plans to Replace School District Business Manager

By GERRY MUELLER  
Statesman Staff Writer

Kewaskum School District Administrator Dr. David Heather confirmed Tuesday, that there are no immediate plans to fill the vacancy created by the recent resignation of Business Manager Cherna Gorder who had been with the district for five years.

Heather said he will assume the duties of business manager, with bookkeeping duties being handled by members of the Administration Office's staff.

"We'll see how thing go,"

said Heather, "and if it looks like the position requires the services of a full time person we will look at hiring a replacement next spring." He noted the district would not look for anyone to fill the vacancy until next April or May. "It's difficult to hire personnel in mid-term after contracts have been signed for the school year."

The district was left without a business manager when Gorder submitted her resignation, effective October 27th, to take the post of comptroller with the Sheboygan School District.

## Support Staff Grievance Resolved

By GERRY MUELLER  
Statesman Staff Writer

Following a special meeting Monday night, to hear a grievance regarding insurance from representatives of the Kewaskum Auxiliary Personnel Union (KAP), the Kewaskum School Board went into closed session and came out with a decision to pick up the added cost of monthly single and family plan premiums which rose due to a hike in rates last September.

The grievance was filed after District Administrator Dr. David Heather informed 13 full time employes by letter, that effective September 1st, they would have to pick up the added cost, ranging from \$20 to \$53 per month. That amount represented an 18% increase in premiums, from \$114.04 to \$134.52 for single and \$298.12 to \$351.12 per month for families.

Norman Kempf, president of KAP and Heather disagreed on the interpretation of language in the union's contract. Heather contended exhibits presented at the hearing contained wording which stipulated the district would pay "up to \$289.84 for a family plan and up to \$110.86

for a single plan." He asked the board to determine if the language, as stated in the contract, was being correctly interpreted by the administration. Heather noted the wording was quite clear as to how much the district would contribute to those premiums and he recommended the board deny the grievance.

Kempf, on the other hand, argued the intent of the original contract was that the district would pay the full 100% of the dental and health insurance for all the eligible employes. Kempf told the board the purpose of placing a dollar amount in the contract had been to give the district an idea of what kind of costs it could expect. It was not to be used as a cap on costs.

On a 5-2 vote, the board decided to pick up the additional premium costs, with refund checks for the September and October payroll deductions being sent to the affected employes.

The KAP and district are presently negotiating a new contract and insurance is once again one of the major bargaining issues.

## Remaining Bypass Ramps Scheduled to Open This Week

The new southbound roadway, the southbound on-ramp at CTH "D", and the southbound ramps at Pleasant Valley Road (STH 143) are scheduled to be opened to traffic the week of October 30, 1989.

Traffic on the divided roadways will then be restricted to one lane in each direction in work areas at various locations along the route. These lane closures are necessary to complete the removal of old pavements in the median area and for other miscellaneous work.

All scheduled work is

expected to be completed by mid-November. Shoulder widening and resurfacing on the northbound roadway is being delayed until next spring due to late season weather restrictions.

Motorists are urged to reduce their speed and use caution in the single-lane work areas.

## Kewaskum Chamber 'Struts Their Stuff' In Turkey Giveaway

The Kewaskum Area Chamber of Commerce members will once again be sponsoring their annual "Thanksgiving Turkey Giveaway" promotion. In the holiday tradition, each participating business will be giving away one turkey for each of the two weeks, running November 3rd through November 12.

All you have to do is register by clipping the coupon's on page 13 and drop them at the designated place of business. One winner per family please.

Drawings will be held on November 13. Winners will be announced in the Statesman. Don't miss your chance to gobble up some free turkey!

## Kiwanis Club Elects New '89/'90 Officers

The Kiwanis Club of Kewaskum installed new officers for the 1989-1990 year during the club's meeting on Monday, Oct. 16 at the Glacier Inn.

The Kiwanis Major Emphasis Program for the new year focuses the organization's resources on community service activities that assist young people with the theme, "Encourage Excellence."

Recent club activities have included projects such as cheese distribution to the needy in the county, scholarships to local high school students, recognition to high school students each month, financial assistance for Badger boys-girls state and sponsoring the Boy Scouts of the community.

Kiwanis has clubs in more than 73 countries with 320,000 members. Last year, Kiwanis clubs donated \$65 million and more than 22 million volunteer hours for community service projects.

Left to right: Steve Van Ess, treasurer; Gerald Stollenwerk, second vice president; Roy Swanson, first vice president; Bob Sparks, president; Gene Bohn, secretary. In addition, Leroy Kopecky, L. N. Peterson, Tom Kennelly, Ray Schaefer, Larry Martin, Dan Beske and Tom Brigham will serve on the club's Board of Directors.

### Cholesterol, Blood Pressure Screening Offered at West Bend

Cholesterol screening and blood pressure measurement will be offered to West Bend area residents by the Community Health Nursing Service Cardiovascular Risk Reduction Program. Screening tests will be available once a month at the Washington County Court House, 432 E. Washington.

Screening schedule — November 16 beginning at 4:00 p.m. in room 119, (lower level of court house). Enter through the North door after 4:30 p.m.

Blood Pressure and Cholesterol screening will be done BY APPOINTMENT ONLY. Cholesterol screening will be done for a charge of \$5.00.

To schedule an appointment for cholesterol and/or blood pressure screening, call 338-4707 or 644-5204 or 342-2929 (toll free, ext. 4707).

#### HUNTERS ALERT

If you are interested in hunting, why not take a shot at our HUNTING VIDEOS for hints from the professionals like Babe Winkleman, Jay S. Warburton, Dick Gasaway, Chuck Adams and others. Our titles are Archery Tactics for Deer; Decoys and Duck Calls; Deer Hunting Made Easy; Duck and Goose Calling; Gun Dogs and Ringnecks; How to Hunt Whitetail Deer; How to Hunt Wild Geese; How to Hunt Wild Turkey; and Successful Duck-hunting.

We also have a nice collection of books and magazines on hunting. No hunting license required, all you need is a valid library card.

candy to the kiddies. Santa's elves will also be marching alongside the units to make sure the children stay back and so that no accidents happen.

Committee members are also looking into Santa's elves (we need alot of elves!) carrying a sign or banner preceding the parade announcing it is being sponsored by the Kewaskum Area Chamber of Commerce. A permanent sign would be ideal, so it could be used again if the parade is made into an annual event.

Anyone wanting to participate in the parade, contribute money, time or materials is asked to PLEASE contact one of the committee

members listed above.

The next order of business was another discussion on the merits of some type of fall river festival to be held around the Milwaukee River-River Hill Park area. Almost all other neighboring communities seem to be sponsoring some type of festival in order to take advantage of the fall colorama that attract so many tourists to our area.

The pros and cons were weighed and it was felt a decision had to be made because of the time factor. An arts and crafts fair would be part of the fest and crafters have to have a sufficient time to work on their art.

Because of the large number of members present, the officers finally decided to take a vote to see if enough interest was there to war-

rant sponsoring such a large event. The majority of members present decided the chamber SHOULD get involved in the undertaking of this project.

Guests Debbie Korneli and Kathy Broecker came up with the perfect name for the fest... "Kewaskum Kettle Kolors." It was decided to hold this event Saturday and Sunday, October 13 and 14, 1990. If it is as successful as we hope it will be, it can even be extended to include Friday.

Now that this issue is settled, the Chamber will be actively looking for various businesses, civic groups and clubs to become involved and make a commitment to some type of participation, whether it be food, music, refreshments, demonstrations, arts, crafts, retail sales or whatever your creative imagination can think of.

More will be announced about the festival in the future and it is hoped committees will be named (and volunteered for) in the very near future.

The Chamber of Commerce Free Turkey Giveaway is now underway. (See page 13 of this issue.) Fill out the coupons and drop them off at the participating merchants who so graciously are donating turkeys. You may be one of the lucky winners of a Thanksgiving

turkey. Don't forget to patronize these merchants and all of the Chamber of Commerce businesses. Remember everything you purchase in Kewaskum adds revenue to YOUR community in the form of taxes, community projects, etc.

Discussion was also held on Krazy Daze (we need more creative ideas), banners for the street lights, and snowmobiling in the village. It was also decided to hold another Christmas Decorating Contest and more will be said about it at the next meeting.

The attendance door prize name was drawn and the winner was Dick and Mary Ann's Tap of St. Michaels. They were not present.

Kewaskum Police Chief Richard Knoebel will be the guest speaker at our next meeting to be held Wednesday, November 15, 6:30 p.m. in the Community Room of the Municipal Building. Chief Knoebel will be bringing along filmstrips on armed robbery and shoplifting, both of which should prove to be very informative to ALL area business people.

Please feel free to bring along as many of your employees as you wish and be sure to be there yourself. With all the upcoming events the Chamber is planning, everyone's creativity is needed.

## Successful Blood Drive

Thanks to the good people of Kewaskum, we recently had a successful Blood Drive.

By donating a pint of blood, donors truly give the gift of life. Each pint of blood is separated into 3 parts, therefore helping save 3 lives. Donors are eligible to donate every 8 weeks. Our next Blood Drive in Kewaskum will be March 7. In the meantime we encourage you to give at the West Bend Blood Center at 301 N. Main St., West Bend. They are open: Tues. Wed., Thurs., 11:30 - 7:30 and Sat., 8:00 - 12:00.

We would like to thank the Kewaskum High School for use of their facility, the ladies of Peace Church for the delicious lunch they prepared and served, and the Kewaskum Statesman for their generous publicity.

Clayton Stautz is to be commended for donating his 56th pint. Special thanks to Lisa Rodenkirch, Karen Kletti and Richard Thiemer for giving their 16th pint. Our deep appreciation to all our other donors:

Mark Ruplinger, Rogene Engelman, David Drexler, Cynthia Melton, Robert Bath, Yvonne Amerling, Helen Schoofs, Betsy Bruendl, Allen Schoofs, William Gruhle, Louise Marx, Elmer Hallen, Elizabeth Hallen, Sharron Miller, Mathias Schickert, Richard Bechler, Wayne Rimmel, Donald Sedgwick, Margie Ciriacks, Richard Schmidt.

## UW-Platteville Counselor to Visit High School Nov. 9

Ruth Wimer, an admissions counselor, from the University of Wisconsin-Platteville, will be visiting area high schools. On Thursday, November 9, she will be at Lomira High School at 8:30 a.m., Campbellsport High School at 10 a.m., Kewaskum High School at 11:30 a.m. and Mayville High School at 1:30 p.m.

Current enrollment at the campus stands over 5,000 students. Students pursue majors offered in the College of Agriculture, Engineering, Education, Arts and Sciences, and Business, Industry and Communication.

The University faculty and administration are dedicated to academic excellence, practical as well as theoretical education, and meeting the individual needs of the students. The quality of University of Wisconsin-Platteville's program is demonstrated by the success of the institution's graduates. Leaders in business, agriculture, the arts, sciences, education and engineering include among their members a Nobel Prize winner, Pulitzer Prize winners, elected officials and more.

## Historical Society Annual Dinner Meeting Nov. 12

On Sunday, Nov. 12th, members and friends of the Kewaskum Historical Society, will meet to celebrate the end of their 15th, successful year. The dinner meeting will be at the Kewaskum Municipal Building, Community Room, 204 First Street, Kewaskum (corner of Railroad and First Street). Socializing begins at 11:30 a.m. followed at 12:30 p.m. with a buffet dinner. The cost for the dinner and refreshments will be (\$7.50) per person. Please reply and send money for reservations to, Sylvester Schmidt, 309 First Street, Kewaskum, WI 53040 (414) 626-2653 no later than November 4th.

Art students at Kewaskum High School had the exciting opportunity to learn from a local artist. Les Thompson, a Cedarburg resident, demonstrated his watercolor skill and explained his painting style to the Art III classes. Mr. Thompson is a free lance technical illustrator and watercolor artist. He discussed career possibilities and watercolor techniques, and dazzled the students by creating two paintings stressing the speed, spontaneity and transparency of watercolor.

## Mielke Receives Teacher Of the Year Award

Ann Mielke

Informed! Knowledgeable! These are just a few of the adjectives her colleagues use to describe Ann Mielke of Fond du Lac, Wisconsin's Sociology Teacher of the Year for 1989.

Mielke, a social science and communications teacher at Moraine Park Technical College, received the Hans Mauksch Award for Excellence in Teaching at the annual Wisconsin Sociological Association conference held in Beloit on Oct. 13.

"I don't know how to feel about this award," Mielke says. "I like to teach and I don't need to be rewarded for something I like to do, but this is a nice affirmation coming from my peers."

"We're so proud of our teachers," says Moraine Park President John J. Shanahan, "especially of Ann — taking the initiative to do this. We are pleased

our students have a teacher of this quality."

Shanahan says Mielke serves as a model for other teachers: "She typifies our efforts to identify leaders as we work on building a better Moraine Park community. She's a leader."

Mielke is the first teacher from a two-year college to receive the award. "We have many outstanding instructors at Moraine Park," she says. "But people look at a technical college and don't see the quality of the education. The people I work with are outstanding."

Her colleagues return the compliment. In his recommendation of Mielke for the award, fellow instructor LeRoy Thielman wrote, "Ann's dedication to successful teaching is evident in her preparation for an organization of class activities. Her energy and enthusiasm are apparent in her willingness to take the risks associated with im-

plementing unique teaching techniques."

"Here is a person who makes sociology come alive for her students and her peers," says Jean Woolley, dean - general education. "She is a master at making connections between the theory and practice. She well deserves appreciation and recognition."

Betty A. Brunelle, vice-president - instruction, echoes Woolley's comments: "Moraine Park's students are richer for their exposure to Ann's sensitive teaching style and, even more significant, to her treatment of all learners as individuals with unique learning styles and special talents. Her positive attitude and enthusiasm are infectious."

Her enthusiasm for teaching was born in the idealism of the '60s, says Mielke. "That idealism is still very much a part of me. I think that through teaching I can make the biggest impact. Sure there are other places I could go and make more money, but I'm not interested in that."

Mielke's early interests were tied to history. "My first attempt was to be a history teacher," she says. "But back in the '70s, history teachers were a dime a dozen so I went into elementary education."

She taught junior high school in Menasha for two years and in Fond du Lac for four years before joining the Goodrich High School staff as a replacement teacher.

One year later, in 1983, she received a call from Katie Soles, Moraine Park's vice president - stu-

dent services, who asked her if she was interested in working for the college part time.

"I was pregnant at the time and it wasn't easy getting a job," Mielke says. "Moraine Park was very supportive — I never felt confined. The support services here are outstanding."

Mielke admits that she had limited knowledge of what went on at a technical college. "When I walked in and started teaching, I was amazed at what I saw. The quality of learning and the high degree of the technical skills surprised me."

In 1984, Mielke began teaching full time for Moraine Park. She now teaches Cultural Impacts, American Government, American Institutions and Critical and Creative Thinking — a course for which she developed and wrote curriculum.

Mielke has presented workshops around the country on critical and creative thinking. She is also active in several professional groups and an institutional research project.

Her professional accomplishments are many, but above all is her love of teaching. As her colleague Collette M. Winfield says, "She inspires persons — students and colleagues alike. It is impossible for even the least scholarly to be around her for long without getting excited about an idea, a time in history, an approach to thinking...or a new curriculum she would like to develop. She is genuine as a person. Her authenticity compels persons to think better

than they have thought before and to be better than they might have thought they could be."

## Fire Chief Ehnert Speaker at Modern Woodmen Meeting

Members and guests of Modern Woodmen of America Camp 2233 Kewaskum heard a speech on "Home Fire Safety" at their Oct. 23, meeting.

Donald Ehnert, Kewaskum Fire Chief, presented an informative talk on the subject of fire safety and answered questions from the audience. Slides were also shown entitled "Home Fires," furnished by the Home Office of Modern Woodmen of America. The meeting was held in conjunction with Modern woodmen of America's Family Life program.

## Rahlf - Tuttle

Lisa Marie Rahlf and Todd Michael Tuttle exchanged wedding vows during a 2 p.m. ceremony on Saturday, Sept. 23, 1989, at St. Matthias Catholic Church. Father Elroy Pesch officiated.

Music for the ceremony was provided by Laurie Schoofs, organist, and Jennifer Frac, soloist.

Parents of the couple are Mr. and Mrs. William Rahlf, 147 Hwy. S, Route 1, Kewaskum, and Mrs. and Mrs. Clark Tuttle, P.O. Box 394, West Bend.

The bride chose her sister, Connie Rahlf, Kewaskum, as her maid of honor. The bridesmaids were Terri Heller, Kewaskum, a cousin of the bride, Leah Tuttle, West Bend, a sister of the groom, Amy Hartig, Milwaukee, a friend of the bride, Wendy Endlich, West Bend, a friend of the bride, and Janel Struebing, Wayne, also a friend of the bride. The miniature bride was Karen Tuttle, a niece of the groom.

Dan Widhammer, New Mexico, a friend of the groom, served as best man. The groomsmen were Scott Tuttle, West Bend, brother of the groom, Dave DeSmidt, West Bend, Mike Waraska, Milwaukee,

Chris Linquist, Milwaukee, and Jon Hargreaves, Milwaukee, all friends of the groom.

Ushering duties were shared by Douglas Carter, West Bend, cousin of the bride, and Robert Whalen, Illinois, cousin of the groom.

Immediately following the ceremony, a reception, dinner and dance was held at the K.C. Hall in West Bend.

The bride is a graduate of Kewaskum High School and MPTI, Fond du Lac. She is employed as a hair designer.

The groom graduated from West Bend East and the Milwaukee Institute of Art and Design. He is employed as a selector.

The newlyweds reside at 8976 North Michele, Milwaukee.

## Becker to Seek Reelection for Circuit Judge

Circuit Judge Richard T. Becker announced Tuesday, Oct. 17th, at the Washington County Bar Association meeting, that he will seek reelection in the April 1990 Spring election. Becker, 54, was elected Washington County Judge in 1977 and took office on January 2, 1978. Upon Court reorganization in 1978 he became a Circuit Judge and was reelected in 1984 to a six year term.

Born and raised in Hartford, Judge Becker is a 1959 graduate of Marquette Law School. He was elected Washington County District Attorney in 1960, serving for six years and was also the County Corporation Counsel and Labor Negotiator. Judge Becker practiced law in Hartford from 1960 until he took the Bench.

Judge Becker lives in Hartford with his wife, Kay, a teacher. Four of his seven children are still at home. He is a member of St. Kilian Church and is on the Board of Directors of the Hartford Foundation. Becker was a founding member and was president of Hartford

Memorial Hospital.

As he seeks reelection, Judge Becker asks for the support of Washington County voters.

## Merriam Will Not Be Candidate for Circuit Court Judge

J. Tom Merriam will not be a candidate for the position of Judge of Branch I of the Washington County Circuit Court in the April, 1990, election.

He served in a judicial capacity for 24 years, first as judge of Branch I of the County Court of Washington County, then as Judge of the 24th Judicial Circuit consisting of Washington and Ozaukee Counties, and finally as Judge of Branch I of the Washington County Circuit Court.

He is now looking forward to retirement in 1990.

THANK YOU

My thanks to St. Jude for favors granted.

## Sargento Presents Check to Moraine Park

John J. Shanahan, far left, president, and Donna Dixon, left, associate dean - service occupations, accept the \$1,000 check given to Moraine Park by Sargento Cheese representatives Lee McCollum, right, plant manager, and Paul Veldman, far right, assistant plant manager. The Sargento Company donated the check for the purchase of a milk separator which will be housed in the wet lab on the Fond du Lac campus.

Kewaskum Statesman,  
Friday, Nov. 3, 1989, Page 10

Sargento Cheese Company Inc. recently presented Moraine Park Technical College with a \$1,000 check to purchaser equipment for the food science technician program.

Lee McCollum, plant manager for the company's new Fond du Lac facility, said the check is one way the company can show support for the college.

"Technical colleges are very important to our industry," he said. "This is a technical industry, and through Moraine Park we have gotten many qualified people to work in our plants."

The \$1,000 check will be used to purchase a milk separator which will be housed in the wet lab on the Fond du Lac campus.

Sargento also plans to strengthen its partnership with Moraine Park through training programs. "We are looking at a lot of training for Fond du Lac plant employees and the company," McCollum said, "and we are looking at Moraine Park to provide that in-house training."

## Portrait Artists Blossom in Fall

Budding artists concentrate on working with their chosen media.

Cheryl Ebert poses as a model for the students.

dressed in a beautiful pink gown, her costume completed with a lovely hat and fan.

Students eagerly set out drawing "Madam Cheryl's" portrait from different angles. Students had decisions to make! What media should they use? What should the style of their portrait be? Colors had to be mixed to achieve just the right hues. As students diligently worked, likenesses of Cheryl were created.

A critique of the finished portraits concluded the lesson. Responding to a survey asking, "How did you feel about the portrait you drew today?" students made the following comments: "I liked it!", "Good!", "I felt good!", "Happy!", "Nice - It was different!", "Proud and happy!", and "Terrific!"

Students experienced success and felt good about what they had accomplished.

A new star forms in our galaxy every 18 days, on average.

The first of four special art classes at Wayne Elementary School got under way on October 11th. Second through fourth grade students participating in this special class were selected by their peers and/or nominated by art and classroom teachers.

Mrs. Peggy Henke, who holds a masters in gifted art education, presented an introduction to portrait painting and portrait artists. Many examples of portraits by famous artists of past and present were displayed and discussed.

At the end of the discussion, "Madam Cheryl" appeared before the students eyes

## Hunting Hours for Small Game And Big Game are Now Uniform

With the deer gun season less than one month away, there is one rule change which has to do with the hunting hours for the 1989 gun season.

If you small game or bow hunt you will be accustomed to using the hunting hours table on the back page of your regulation pamphlet. If you're only a gun deer hunter take time to look at it for there have been changes. In the past hunting hours for the gun season were 6:30 a.m. until 4:30 p.m. They now are the same as the small game hunting hours.

What does it mean? In most cases you will be able to start sooner and also be able to hunt later each day. It will although require that you determine the proper opening and closing times depending upon the area of the state that you hunt. To do this check the zone map on page 31 of the hunting pamphlet and add the proper number of minutes to the hours listed on the hunting hours table. For example, in our area in Fond du Lac County we are in hunting hours Zone B, which requires that we add 4 minutes to the opening time and also to the closing time. On November 18th, 1989, opening day of the deer gun season, the season will open at 6:21 a.m. and close at 4:45 p.m. This will change daily for the whole season, so be sure to check it daily to determine the legal shooting hours.

Why was it changed? First of all to allow hunters in the western part of the state a chance to hunt later in the afternoon where their sun set is 16 minutes later than ours, and also to start 16 minutes later in the morning which should make it considerably lighter. The second reason was to make both small game and big game hunting hours uniform and hopefully easier to understand.

Take some time before the season to write down the opening and closing times daily. In Fond du

Lac Counties it is as follows if you want to clip it out:

Hunting Hours for Fond du Lac Co. - 1989 Gun Deer Season.  
 Nov. 18th - 6:21 - 4:45  
 Nov. 19th - 6:23 - 4:44  
 Nov. 20th - 6:24 - 4:43  
 Nov. 21st - 6:25 - 4:43  
 Nov. 22nd - 6:26 - 4:42  
 Nov. 23rd - 6:27 - 4:41  
 Nov. 24th - 6:29 - 4:41  
 Nov. 25th - 6:30 - 4:40  
 Nov. 26th - 6:31 - 4:39

Just one reminder hunters choice permits should be coming out between November 1st and November 10th.

Warden Doug Bilgo

This is a part of a continuing series of United Way - funded agencies in Washington.

Senior Center cribbage champion Jack Ryan, 98 years young, thoroughly enjoys the Senior Center, and is happy to have a nice place to come to. Jack plays a mean game of cribbage, and recently missed a perfect score by four points. Jack is one of 1,000 area senior citizens who benefit from educational and recreational programs offered by Senior Activities, Inc.

Child's Place day care in Hartford has had tours of the West Bend Gallery of Fine Arts, Lamb's Quarters, and Lincoln Pet Store. Field trips have also been taken to community parks. The West Bend Red Cross

recently completed First Aid training for employees at Wisconsin Pharmacal in Jackson; Infant, Child and Community CPR for the general public; and during the month of August, made 130 trips for patients receiving medical care outside of the West Bend community.

Dr. Marjorie Vukelich, oncologist at St. Joseph's Hospital was the guest speaker at a September inservice for Kettle Moraine Hospice volunteers.

The Salvation Army operates a volunteer-administered Service Extension Program, which provides food, clothing, shelter, utility assistance and other kinds of help to disadvantaged residents

throughout Washington County. Low-income mothers, children and elderly can attend The Salvation Army's camp in East Troy, Wisconsin. Confidential referrals are also made to the Salvation Army's substance abuse facility in Milwaukee.

These are five of the 36 agencies affiliated with the United Way of Washington County. Your continued support makes these services possible.

## LETTER TO THE EDITOR

October 30, 1989

To the Editor:

We would like to thank the many people responsible for the success of our Bowl-A-Thon for SIDS (Sudden Infant Death Syndrome) held on October 22, 1989. Thanks to our families, friends, and co-workers who bowled and helped out in the event. Thanks also to the following businesses for their support and generosity: M&I First National Bank, Lighthouse Lanes, Regal Ware, Dairy Queen, West Bend Mutual, Family Furniture, Sentry Foods of Kewaskum, Buffy's Village Inn, West Bend Company, Cedar Haven Rehabilitation Agency, Jerry's Restaurant, Dick's Pizza, Weasler Engineering, Ken's Carpets, Hart Oil, and Wisconsin Lift Truck. The generosity of many was evident as the pledges of over 100 bowlers totaled \$6,000.00. This money will be donated in memory of our son, David Louis Leitheiser, and will go toward SIDS research and counseling for SIDS parents.

We would like to share some facts about SIDS, more commonly known as crib death. SIDS is not a rare disease. It is the leading cause of death in infants ages 1 week to 1 year. About 150 infants in Wisconsin and 7,000 infants in the United States die yearly of SIDS.

The cause of SIDS is unknown and, therefore, SIDS cannot be prevented. SIDS is not hereditary, not contagious, and is not due to suffocation or aspiration. Babies that die of SIDS appear to be very healthy, and even after a thorough autopsy, no significant defect is found to account for death. SIDS is still a mystery. Much research is being done in hopes to identify a cause, and method of prevention.

We are glad to have this opportunity to raise awareness of Sudden Infant Death Syndrome.

Sincerely,  
Ric and Amy Leitheiser

# LETTER TO THE EDITOR

To the Editor:

One of the major issues confronting the Legislature this fall is recycling. The Senate will be debating a comprehensive statewide mandatory recycling bill when it reconvenes this month.

Because the bill is so complex — more than 60 pages long — Senate Republicans have formed a working committee to scrutinize the bill and come up with amendments to make it better.

Republicans do not want to trash recycling. Burying materials which can be reused is wasteful, and waste is contrary to our conservative philosophy. We do, however, have concerns with some parts of the bill which we believe are unfair or actually work against the intent of the legislation.

One major concern is with incineration. In the bill, incinerators are considered generally the same as landfills and the incineration of solid waste is discouraged, even in waste-to-energy facilities. We believe this goes too far.

Clearly, materials which are easily separated from the wastestream and which are easily recyclable — such as glass, aluminum and other metals — ought not to be buried or burned. Other materials, however — certain plastics or coated papers, for example — are not so easily separated or recycled. For these materials, recovery of energy through incineration is certainly preferable to landfilling and the bill should allow that.

We are also concerned with the funding mechanism which will raise some \$24 million through the imposition of a one-sixth of a cent fee on a single-use, throwaway packaging. The fee will be costly and difficult to administer. Also, because of the definition of a package, the fee will be paid primarily by one sector — the food and food-

service industry.

The fairness issue is important. Solid waste problems affect us all and we are all responsible for the waste we generate. That's why Republicans are looking for a more equitable solution to fund recycling programs. This may include the use of general tax dollars, a tax on waste disposal, increasing tipping fees or a combination of any of these and other revenue sources.

The recycling bill before the Legislature goes a long way toward achieving the goal of reducing our dependence on landfills. It accomplishes this primarily by banning from landfills materials which ought not to be buried in the first place. The bill also contains many good provisions including market identification and development, recycling rebates for manufacturers, education efforts, expanded state purchases of recycled materials, technical assistance and grant programs.

The bill is far-reaching and will have a powerful effect on the lives of all Wisconsin citizens. Without careful consideration and scrutiny we could create more problems than we solve.

Wisconsin has a solid record

of leading the nation in fashioning progressive laws to protect our environment. The recycling bill before us is another opportunity for us to continue that proud tradition. A comprehensive, but fair, recycling law can serve as a model for other states to follow. With the right improvements, this could be such a bill.

Sincerely,

Sen. Joe Leean  
Sen. Brian Rude  
Sen. Barbara Lorman  
Sen. Margaret Farrow  
Sen. Robert Cowles

## Potpourri Burners Are a Potential Fire Hazard

Consumers should be very careful with potpourri burners and tea lights, says Jane Jansen, Director of the Bureau of Consumer Protection at the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP).

"Our regional offices have received several calls about candle flare-ups with the burners," says Jansen. "While we haven't found any defective products, we hope consumers are careful with these decorative items."

First, tea lights and potpourri burners should not be left unattended. "They can be a fire hazard if lit and not carefully watched," says Jansen. "Under some circumstances, their small flame can turn large very quickly."

When using them, consumers should make sure they have the proper candle size and shape for the burner. The most common problem is using candles which are too tall. Jansen suggests following manufacturer guidelines. If the manufacturer doesn't suggest a specific candle, she recommends a candle one-half as tall as the burner.

Proper ventilation is vital for safe burner use. Some manufacturers have designed burners with larger and more ventilation holes in the lower portion of the burner. Jansen says air should flow freely around the device and not be placed on or near combustible items, for example, matchsticks should always be kept away from the burners.

If consumers have questions or complaints about potpourri burners or tea lights, contact a regional consumer office in Altoona, Green Bay, Milwaukee, or Madison. Or call the toll-free hotline at 1-800-362-2030.

**BABIES NEED FAT**

Children under age 5 should not be part of the parents' low-fat diet. Children need adequate fat and cholesterol to fuel their rapid growth, and to provide essential nutrients, vitamins, and minerals, including vitamins A, D and E, which are fat soluble. A balanced diet and plenty of exercise should avoid obesity in young children.

The students took a closer look at the shiny red fire trucks that spray water, and toured the station, becoming acquainted with all the local emergency equipment.

## West Bend Savings Earnings Up

West Bend Savings reported their recent 3rd quarter results with year to date earnings showing an increase of 52.8% from last year. The Association's earnings for nine months ending September 30th were \$646,237 and an after tax earnings of \$479,362. This marked the third consecutive quarter of increased earnings.

Richard A. Larson, president of the Association, said that "the banks earnings as well as those of the Financial Resource Group were due primarily to their balanced portfolio of loans and investments which were not affected by volatile interest rates. Larson stressed that the Association's continued control on operating expenses and unnecessary budget

expenditures have allowed the financial institute to grow steadily while most institutions are reporting earnings in decline.

Larson stated that "as a depositor-owned, mutual association, West Bend Savings and its Financial Resource Group can only build retained earnings and reserves through profitable operations. The Association's reserves exceed the amount required by federal law.

Naomi Engeleiter, association senior vice president announced that the associations service corporations posted 27% of the total income reported for the nine month period while less than 1% of the association's assets were invested in such activities.

There's a lot more to Great Lakes Windows than good looks.

- EXCLUSIVE "R" CORE™ INSULATION R-Core urethane filled extrusions (top, bottom and sides) have an "R" factor of 13 for maximum energy efficiency.
- MAINTENANCE FREE PVC Poly Vinyl Chloride extrusions provide extremely low thermal conductivity, significantly reducing frost and condensation. Color (white or earthtone) is completely throughout extrusions eliminating painting and maintenance.
- 7/8" THICK INSULATED GLASS Hermetically sealed with an extra wide dead air space which equals the highest "R" factor in the industry. Triple glass is also available.
- TILT-IN SASHES Allows easy, safe cleaning. Eliminates the need for outside cleaning.
- FIN-SEAL™ WEATHERSTRIPPING Virtually eliminates air infiltration and heat loss.
- FLEXIBLE FLOATING INTERLOCK Provides tight, wind resistant seal where sashes meet.
- HIGH SECURITY CAMLOCKS Are pick resistant and tighten sashes, reducing drafts.
- DUAL DUROMETER SASH EXTRUSION Provides tighter seal around glass and reduces glass failure.

MADISON... Carol Tiedemann, 22, of Somerset, Wisconsin, was presented a giant check for the \$5,260,000 grand prize MEGABUCKS jackpot she won in the Saturday, Sept. 30, drawing. She and her husband, Dan, arrived at the Lottery's Eau Claire regional office Monday to claim their prize. Carol and Dan bought their first MEGABUCKS ticket at the Country Boy, a convenience store in Houlton, Wisconsin. After their numbers did not match those for the Wednesday, Sept. 27 drawing, Dan threw the ticket away, not realizing the numbers were still good for the Sept. 30 drawing. Carol heard Monday morning there was a MEGABUCKS winner and that no one had claimed the prize. She remembered that three of the numbers drawn were on her ticket. After searching through the garbage, Carol found the ticket and discovered her ticket was a winner. Carol will receive 20 annual payments of \$263,000 before taxes are taken out. She will be presented her first installment check soon.

## Response to Middle School's Open House Encouraging

By GERRY MUELLER  
Statesman Staff Writer

Kewaskum's Middle School teachers and administrators were pleased with the response to an open house held Tuesday, Oct. 24th.

The event, however, was not your typical open house with

parents going from room to room, chatting for a few minutes with their child's teachers. It was, in fact, a condensed version of a class-day in the life of a Middle School student.

Approximately 150 parents participated in the mini "school

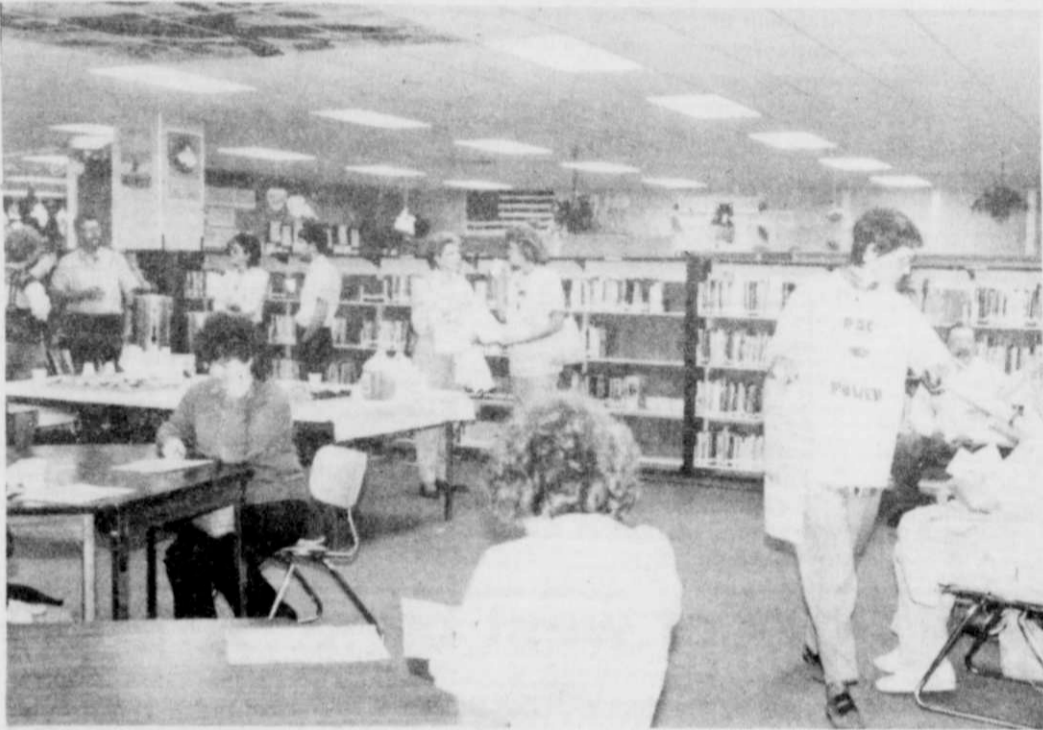

day" which consisted of 15-minute periods, moving from class to class, sitting at desks and listening to the teachers. Instead of presenting lessons to students, however, the teachers explained their courses to the parents, telling them about their methods, materials and

equipment used to teach the class and the goals they, as instructors, have set for their students.

The parents, in turn, had an opportunity to ask questions and learn more about the Middle School, its teachers and

programs.

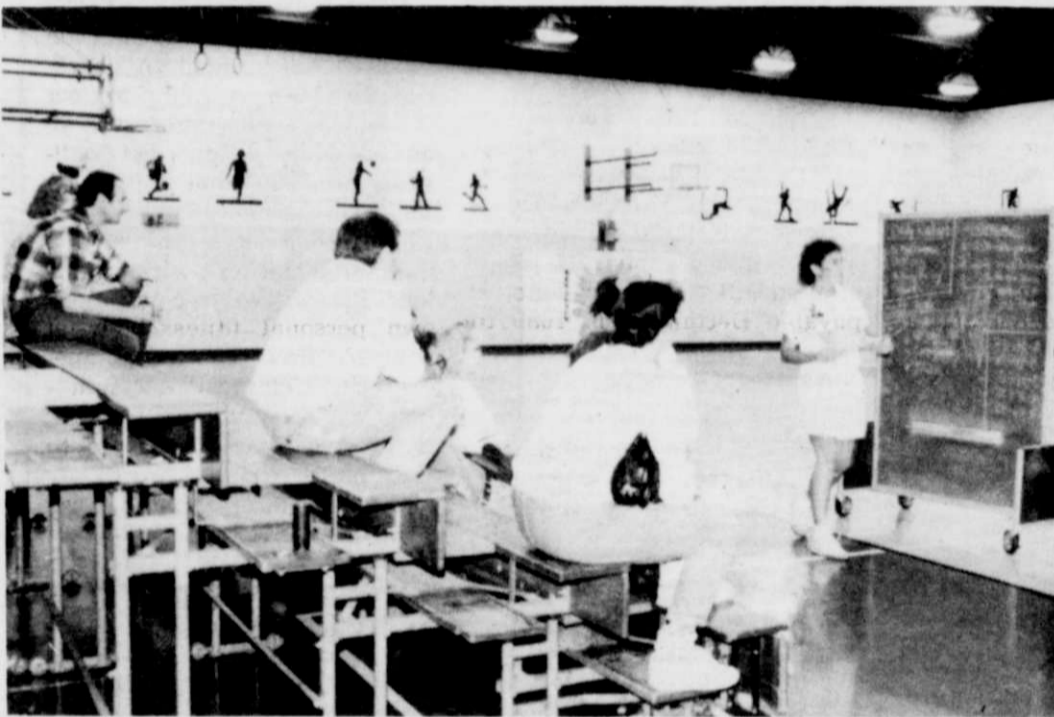

The KMS teachers were encouraged by the turnout and interest shown by the parents and they are considering the possibility of holding a similar open house in the future which, hopefully, will draw even more parents.

Light refreshments were available for parents who attended the Kewaskum Middle School's open house on October 19th. Then it was "off to class."

George Allmann, the school district's reading specialist, spoke to parents about the Middle School's reading program.

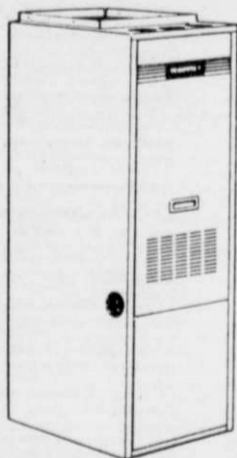

In the gym teacher Mary Holfeltz talked about the Physical Education program.

Floyd Brenner, sixth grade Science teacher, told parents about the various subjects studied in his classes and exhibited some of the books and materials used in the course.

The world distance record for solo ballooning was set in 1984 when Joe Kittinger flew 3,535 miles from Maine to Italy in 84 hours.

November 3, 1939

With six straight victories, Kewaskum High School won the six-man football championship of the Tri-County Athletic conference in its first year of football competition. The season closed with last Friday's games. Kewaskum compiled an outstanding record for the season by scoring 213 points in the six games, as compared to 14 points scored by its opponents. Results of all six games were as follows: Kewaskum 74, Lomira 0; Kewaskum 6, Brandon 2; Kewaskum 38, Rosendale 0; Kewaskum 33, Campbellsport 12; Kewaskum 28, Oakfield 0; Kewaskum 34, North Fond du Lac 0. Only two teams scored against Kewaskum and only one team, Brandon, came close to Kewaskum. Standouts on Kewaskum's squad in the games were Paul Kral, good offensive and defensive halfback, Petermann, great defensive fullback, and Wahlen, six foot two pass snatching end. Romaine, Bunkelmann, Bilgo and all the others consistently played fine football.

In a deal completed recently, Walter Bruessel, who owned and operated Bruessel's Dairy route in Kewaskum for the past two and one-half years, sold his business to Traugott Stenschke of this village. The new owner took over the route on November 1, and at the present time Mr. Bruessel is assisting Mr. Stenschke in making his early morning rounds, helping him to get fully acquainted on the route.

The Kewaskum High School chorus, under the direction of Miss Lorenz, is working diligently these days in preparation for their operetta, "Ichabod Crane," to be presented in the school auditorium on November 17 and 18. The operetta is based on the old story "Legend of Sleepy Hollow," Ichabod Crane schoolmaster of Sleepy Hollow, (played by Harry Wahlen), is a very pompous, vain and awkward individual who is in love with Katrina van Tassel, (Eunice Stahl), daughter of the wealthy landowner Mynheer van Tassel (Harold Manthei). Mynheer and Vrou van Tassel, (Dolores Mae Stoffel), favor Ichabod's suit, being entranced with the idea of having such a "cultured" individual in the family. Katrina, however, has a will of her own and loves Brom van Brunt, (Curtis Romaine), a dashing young gallant of the village, who also loves her. Katrina's aunt, a rich young widow from New York, visits Sleepy Hollow, and is enchanted with Ichabod's pretensions to culture. The aunt, (Lillie Zacho), promptly determines that Ichabod is too good for Katrina and decides to marry him herself. Katrina's brother Hendrik, (Harold Bunkelmann), is in love with Wilhelmina, (Lucina Thull), who is a friend of Katrina, and they are determined to marry, although Mynheer and Vrou van Tassel are opposed to this match also. What happens? That would be giving it away. The high school is hoping that a large crowd will be on hand both nights to see how the plot is untangled.

A very pretty wedding was solemnized Oct. 28, when Miss Bernice E. Krueger, daughter of Mr. and Mrs. William F. Krueger of the Town of Auburn, became the bride of Gregory M. Fellenz, son of Mr. and Mrs. Anthony Fellenz of Barton.

A marriage license has been issued to Jerome Herriges and Rosalie Manchewski.

Joseph A. Harter, 81, widely known pioneer resident of the Town of Auburn, passed away on November 1, at the home of his daughter and son-in-law, Mr. and Mrs. Walter Nigh in that township, following a lingering illness of about six months. His death is felt as a keen blow of sorrow in the community in which he resided.

Henry Brandt, 69, brother of Chief of Police George F. Brandt of Kewaskum, and a lifelong resident of the town of Wayne was found dead in a field on his farm by his son Arthur on Oct. 30. Mr. Brandt had been ailing for the past 10 years with heart trouble.

Mr. and Mrs. Edward Weddig of this village are the parents of a baby girl, born at their home on November 1. The Weddigs have one other daughter and a son.

A baby girl, Darlene Helen, was born to Mr. and Mrs. Harold Meisenheimer of this village on Oct. 29.

Gov. F. E. McGovern, the Republican candidate for United State Senator, accompanied by former Governor J. O. Davidson, were in the village last Tuesday morning and addressed a large gathering of voters in Groeschel's Hall. Both distinguished men discussed the political issues of the day.

On Tuesday, October 29th, at high noon, one of the prettiest weddings ever performed in Boltonville, took place, when Rev. Bernd of Batavia performed the ceremony that made Dr. Arthur T. Dettman of Bonduel and Miss Lela Frohman of Boltonville, man and wife.

The marriage of Frank Hron of West Bend and Miss Katherine Volm of the Town of Kewaskum was performed at the St. Bridget's Church last Tuesday morning. Rev. Philip Vogt of this village tied the nuptial knot.

At 10 o'clock Wednesday morning at St. John's Lutheran Church, New Fane, occurred the marriage of Miss Marie Jandre, daughter of William Jandre, New Prospect and Charles F. Norris, son of Mr. and Mrs. William Norris of Eden. Rev. C. Gutekunst performed the ceremony.

A very pretty wedding was performed at St. Kilian last Tuesday morning, October 25th when Rev. Falbisoner performed the wedding ceremony of Miss Eleanor Gitter to Henry Jagsack of Allenton.

The marriage of Rosa Braun, daughter of Mr. and Mrs. George Braun, to Harry Wells of Random Lake, took place at the St. John's Church in New Fane on Saturday afternoon.

It looked like winter Monday morning. We had the first snow for this fall, and the farmers were stopped from digging potatoes.

President Woodrow Wilson issued a proclamation designating November 26th as Thanksgiving Day.

Mr. Block of West Bend put a

heating plant into Max Gruhle's house in Boltonville last week.

Mrs. William Kleinke, nee Schleanter, died suddenly at her home in New Fane on October 17, 1914 of apoplexy. Deceased was born in Maldenine, Germany, on January 1, 1845.

**Wisconsin's Canada  
Goose Season Is  
Progressing Nicely**

MADISON, WI — Wiscon-  
sin's Canada goose season has  
been great, with hunters  
harvesting an estimated 14,100  
geese in the exterior zone, said  
Jon Bergquist, DNR water-  
fowl/wetlands ecologist.

"With about 40 percent of the  
season gone, hunters have  
harvested more than 65 percent  
of the exterior zone quota,"  
Bergquist said. "We have some  
8,200 geese left out of a 22,300  
bird quota. However, we expect  
the harvest rate to decrease as  
the season progresses. Hunting  
pressure and weather condi-  
tions will push the geese into  
Horicon and other tag zone  
areas."

In the Horicon zone, a recent  
population survey indicates that  
more than 225,000 Canada  
geese are present. The harvest  
at Horicon is in its third period  
now, with many waterfowls  
enjoying the liberal season. The  
third period hunt at Horicon  
runs through Friday, Nov. 17  
and then closes for the gun deer  
season. The fourth and last time  
period runs from Monday, Nov.  
27 through Dec. 16.

Goose hunters have also been  
successful in other zones.

"By last count on October 23,  
hunters at Theresa Marsh had  
harvested 2,796 Canada geese  
of a 4,500 quota," Bergquist  
said.

## Auction Benefits Club

A prize winning picture, "Morning Escape," was the premiere auction item at a recent Long Lake Fishing Club dinner/dance held at Hon-E-Kor Country Club in Kewaskum. Purchased by Charles and Cheryl Benson of Long Lake, the photo was donated by MPTC photographer and club member, Terry Leininger. On the left is Dick Edwards, president of the club.

## Rock River Oldtimers Celebrate Their 10th by 'Throwing a Party'

Somebody — it might have been Yogi Berra — once said, "When it's begun, it's begun." The Rock River Baseball league began 60 seasons ago. The league's Oldtimers' association began 10 years ago. To celebrate the double anniversary, the Oldtimers are throwing a party on Saturday night, Nov. 4, at the Mayville Golf club.

It's billed as the association's 10th Hall of Fame Dinner — promising a full house — at which seven new members are to be inducted.

But there's more. Three veteran Rock River Hall of Fame members, with a total 172 years in organized amateur baseball, will be honored with the first-ever Wisconsin "Lifetime Achievement Award" in home talent sports-baseball.

And the guest speaker for the evening is to be National league umpire and renowned speaker Bruce Froemming of Brown Deer.

This year's six Hall of Fame inductees: Jim Bartelt (Mayville team), Harvey "Stubby" Bischoff (Juneau), Bill Jaeger (Ashippun), Ray Messer (Burnett), Claude "Cord" McCormick (Randolph) and Dennis Schramm (Watertown).

A Rock river pitcher from the 1930's, Hustisford's Herb Jeche, will be enshrined in the Posthumous Hall of Fame.

honorees are league Pres. Elmer Marks, Watertown, and VP Tony Notheis, Beaver Dam, and Oldtimer Pres. Carl Heimerl, Jackson.

Marks, 75, has piled up 60 consecutive years in home talent baseball. He started in 1930 as a player and later manager at Hustisford, moved to Ashippun in 1945, where he organized the team and served as manager thru '75, and heads the league since 1965.

Heimerl, 73, wore a Rubicon uniform as player and manager for an even 50 years thru '82, after which he mothballed the cleats and succeeded the late Pete Martens as president of the Rock Oldtimers' association — a total of 57 successive years.

Notheis, 75, was recognized by The Guinness Book of Records in 1985 for his 50 consecutive years umpiring in the Rock River league. He then added two more before retiring in '86, at which time he was elected league vice-president, a post he still holds. The Beaver Dam native's record: 55 years.

That's grass roots love for baseball and helping others enjoy the game.

## Girls Basketball Practice Begins

By Rachel Howell

The Kewaskum Indian Girls Basketball team had a promising turnout for the first week of practice beginning Monday.

This years varsity is being coached by newcomer, coach Eichstedt, the junior varsity by Mr. Amundson and the freshmen by Mr. Sorens.

The varsity is beginning with a promising seven seniors and nine juniors. The JV has about eleven sophomores and freshmen are starting with eleven girls.

There are six letter winners returning from last years team. They are Pam Osterbrink, Debbie Rimmel, Andrea Fleis, Nicole Doherty, Kristi Lubahn, and Tina Weddig.

With this much talent this is sure to be an exciting year. Good luck Indians.

## Gymnastics Camp Offered at KHS

The Kewaskum gymnastic team is once again offering a gymnastic camp. The team and coaches will be working with boys and girls ages 5 - 14 on vault, balance beam, floor exercise, and uneven bars.

The students will meet on Wednesdays beginning November 8 and ending December 13. The lessons will run from 7:00 - 8:30 p.m. in Rose Hall at the high school. The cost of the camp is \$8.00, which will be used to help purchase additional equipment.

Registration will be held November 8 from 7:45 a.m. - 5:00 p.m. in the lobby of the high school. Registration will be taken at the first session if there are openings. Each participants' parent or guardian will need to sign a permission slip in order for the student to participate. Enrollment is limited to the first 50 signed up, so come in early.

A LITTLE WANT AD IS A BIG BARGAIN!

*Oelhafen is MVP*

# KHS Letter Winners Hailed at Indians Football Banquet

Coach Pearson didn't want to dwell on the over-all standings of his Indian team at their awards banquet Monday night, but rather he noted the fine individuals who put together his Indian squad and gave 100% despite their record.

Senior Tim Oelhafen, who last year was All-Conference Honorable Mention, was chosen this year by his teammates as Most Valuable Player. Oelhafen, a "both ways" tackle, also received "Offensive Lineman of the Year" and was selected as one of the team's captains. Said Coach Pearson of Oelhafen, "Tim was a hard-

worker, hard hitter...he was a top competitor in practice and in games."

Other players selected for special awards included senior David Kuphal who was "Offensive Back of the Year," senior Noel Stradtman "Defensive Back of the Year" and the only junior Brian Heller who was chosen as "Defensive Linemen of the Year." The other co-captain selected by the team members was senior Brian Leitheiser.

The Dotz Hron Memorial Award is an award chosen by the coaches to the player who is the most dedicated all-around 100% player. The selection of this award for the 89 season

went to senior Randy Romaine. Romaine, an offensive guard and punt snapper put his heart and soul into the game and continually concentrated on giving his all to the team. According to Coach Pearson, "We, the coaches, felt he was very deserving of this award."

Besides these special awards, 32 Indian players also earned their letters. They include: Sophomores: Randy Schlice - kick-offs and punt-returns also running back; Kim Marx - wing-back.

Coach Pearson stated these two sophomores did an outstanding job for his squad this year and expects "big things" out of them next

season. He also noted the fine job of sophomores Jason Stielow, Chad Cook and Matt Seiser, who played some of the season on the varsity squad but didn't have quite enough playing time to letter.

Juniors: Brian Dobke - wingback; Mark Felix - defensive halfback 2nd string quarterback; Brian Heller - defensive tackle; Scott Heller - Middle linebacker; team leader in tackles; Tim Hermann - offensive tackle; Craig Krell - Center, defensive line, two year letter-winner; Kevin Ramthun - defensive end, outside linebacker; Jerry Sese - defensive tackle; and Jason Thull - defensive tackle.

Seniors - Mike Amerling - offensive end, started every game, two year letter winner; Kevin Bartelt - defensive halfback; Tim Butschlick - offensive end, wingback, defensive end. In charge of kick-off and receiving teams, four years in football; Jim Coulter - offensive tackle; Bernt Vancinde - foreign exchange student from Germany - out for the team; John Hazlewood - outside linebacker, fullback, defensive captain, two year letterwinner; Steve Heberer - safety, two year letter winner; David Kuphal - offensive, defensive halfback, two year letterwinner; Brian Leitheiser - quarterback, two year letter winner; Pat Lightner - kick-off teams. First year out for football as a senior.

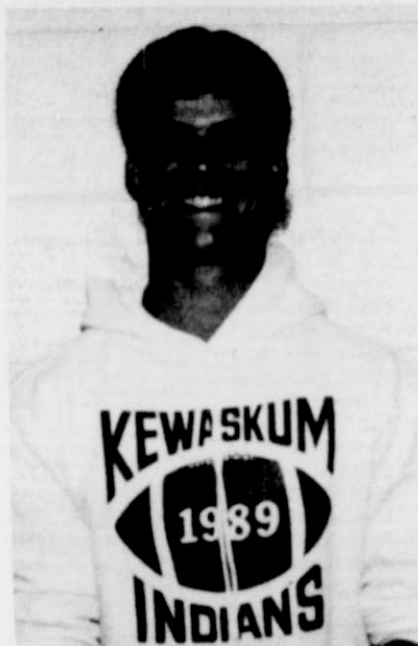

Mike Melzer - middle linebacker, hardest hitter on the team; Tim Oelhafen - offensive defensive tackle, two year letter winner; Mike Ramthun -

defensive end, two year letter winner; Eric Rhea - defensive end; Randy Romaine - offensive guard, punt snapper, two year letter winner; Chris Schmid - offensive tackle, two year letter-winner. In football all four years. Very coachable; Tim Schultz - offensive guard...gave 100% every play; Noel Stradtman - both ways fullback - outside linebacker. Second in the number of defensive points earned - hard hitter; Bruce Waechter - defensive end, punter; Bruce Theusch - defensive end, two year letter winner; and David Yogerst - offensive line, center, defensive tackle, second year letter winner, played all four years, 100% player.

Coach Pearson was also given a special award at this banquet as he was presented a plaque honoring him as "COACH." The plaque read "Thank you for all your time and dedication." Said the coach of this award, "It will be hung up in my office tomorrow."

Summing up the season the coach had this to say, "we would have liked to have seen our record different but sometimes winning and losing isn't everything, it's what you come away with... I came away with a good feeling this season. The guys tried hard and played hard throughout."

Returning to lead the Indians on the victory road next season will be eleven lettermen and with the determination and dedication displayed this season, you can count on the Indian team turning their record around.

Senior Tim Oelhafen is all smiles after receiving this season's MVP award. He was also offensive lineman of the year and selected as co-captain.

Senior Mike Melzer presented Coach Clark Pearson with a plaque thanking him for all his time and effort.

Senior Randy Romaine receives the "Dotz" Hron Memorial Award for being the most dedicated player of the season.

Senior Noel Stradtman was chosen as the "Defensive Back of the Year." For his size, he did an outstanding job.

Senior football letter winners, statisticians and managers are all pictured above. They put out a great effort all season.

## Vogt 18th in State

Junior Laurie Vogt looks to see her time after completing her second state race. She turned in a 12:30 on the course, her best time ever, and good enough for 18th place. She finished 35th last year with a time of 12:55. Great improvement Laurie!
