First Tax Installment Now Due January 31st Village Board Approves 1990 Budget

By GERRY MUELLER
Statesman Staff Writer

Feeling the budget had been reviewed and discussed to everyone's satisfaction and there were no comments from residents attending Monday night's meeting, the Kewaskum Village Board voted unanimously to approve the 1990 General Budget.

Village Administrator Dan Schmidt told the trustees, the village again had been able to maintain a budget which reflected little or no increase despite the fact that services, in several areas, to its residents had increased.

While the village's portion of the 1989 tax levy will only go up six cents, representing a 0% increase, the same cannot be said for the total gross levy which will increase by 10.2% or \$2.76, to \$29.89 per \$1,000 of assessed valuation as compared to \$27.13 for 1988.

Another factor which will result in an increase in the total net tax levy is the fact that the State's tax credit for the village decreased by 6.3%, from \$2.57 for 1988, to \$2.41 for 1989. The

bottom line to all those numbers means village taxpayers will see an increased net tax levy for 1989, up 11.9% or \$2.92 over last year to \$27.48, as compared to \$24.56 for 1988.

Of the \$1,736,338 in taxes collected by the village, the largest portion, 54.668% or \$949,213.82, will go to the school district, with 24.634% or \$427,723.66 going to the village, 14.152% or \$245,733 to the county, 5.835% or \$101,310 to the vocational school, and .712% or \$12,358.30 going to the state. Of all the tax money collected by the village, 74.5% or \$1,308,614.40, goes to other taxing agencies. Schmidt again emphasized that the village board has no authority to approve or disapprove the increases, just mandated to collect them.

The village's levy of \$7.36 is used to fund approximately 75 municipal services provided to its residents.

Schmidt also drew attention to the fact that, beginning 1990, the deadline for paying the first installment of your taxes will be January 31, "NOT" February,

as in the past. He noted it is no longer legal for municipalities to extend the tax payment deadline as it was in the past.

In other action the board approved the Water, Water Pollution Control and TIF District budgets which are all included in the General Budget.

The board also approved Ordinance 89-15, which raises license fees for soda machines from \$3 to \$6 per year.

Water Pollution Control Superintendent Pete Albers advised the board that new mandates from the Department of Natural Resources will affect the village's disposal of sludge on farmlands. They're cutting our loading down by 20-25%, noted Albers. He said what that means is, what the village used to spread over 8 to 10 acres, will now have to be dispersed over 40 acres. "In the future," said Albers, "that means we'll have to go into storing our sludge somehow."

The board also acknowledged the receipt of a request for annexation for several properties along Highway H, on the western edge of the village.

School District to Hire Additional Aides

By GERRY MUELLER
Statesman Staff Writer

At a special meeting Monday night, the Kewaskum Board of Education voted to accept the recommendation of Administrator Dr. David Heather to hire the equivalent of four additional full-time instructional aides.

The action came as the result of requests by parents of elementary students at the last two regular board meetings that the district provide teachers with aides to help work with classes on at least the kindergarten through third grade levels.

In a letter addressed to the board, Heather stated, "Based on information provided by the teachers and building principals, instructional aides would be assigned to the following grades: Farmington Elementary, Kindergarten P.M., a half-time aide, Grade One, a full-time aide divided between the two classes, Grade Three, a full-time aide divided between the two classes, Kewaskum Elementary, a half-time aide for the two Grade One classes, Grade Two, a full-time aide for the two classes.

Heather said he had received a total of ten requests for additional aide time and that nine were approved and one

rejected. The purpose of the new aides will be to assist teachers in working one on one, or in small groups, with students on such subjects as math, reading and science.

Both elementary school principals Tom Larsen and Richard Zarling told the board the present aides are tied up with clerical duties and have little, if any, time to work with the teachers in the area of classroom instruction.

The addition of the positions would equal a total of four additional full-time aides which

are expected to begin work by January 2nd. The total cost for those positions is expected to be approximately \$18,929, for the remainder of the school year. Since there was no money budgeted for the added personnel, Heather contemplates taking the money

Plans Being Finalized for C of C's Christmas Parade

By S. Callaway Roznik

All the last minute plans and details are being finalized and the community of Kewaskum is hurrying and scurrying about in preparation for their "Kristmas in Kewaskum" parade scheduled for Monday evening, December 11, at 6:30 p.m.

Sponsored by the Kewaskum Area Chamber of Commerce, the village's first Christmas parade promises visions of sugarplums as student and community organizations and local businesses take on the task of creating a "winter wonderland" of festive floats, marching units, costumed children's favorites, elves and other holiday surprises.

The parade is being held in conjunction with the AAL (Aid Association for Lutherans) Christmas Tree Lighting Ceremony which takes place in front of the Municipal Building on First Street, and everyone is invited and encouraged to enter floats or units in the parade.

The Chamber will be awarding monetary first, second and third prizes, graciously donated by the Kewaskum Kiwanis, for entries judged best. It is requested that all entrants refrain from having a live Santa on their entry, as the "jolly fellow" has offered to appear in the grand finale. There will also be special surprises for the children.

The parade committee, consisting of Charleen Barutha, Jan Bartelt, Gladys Seefeldt, Bob Beisbier, Don Sedgwick and Lana Kuehl, are amazed at how the parade idea has snowballed. There are over 25 entries already committed to participate. The Kewaskum High School Band, the KHS twirlers, the Georgie Girls, Spid Peeper, WBWI's Bob Bonenfant, Church Choirs, Bert, Ernie, Woody and many more have also agreed to make an appearance.

Leading the Tree Lighting Ceremony in song, will be the choirs of Kewaskum's churches, including St. Lucas Lutheran Church, Holy Trinity Catholic Church, and Peace United Church of Christ, with the KHS band and swing choir joining in this moving celebration of song and community fellowship.

Lineup for the parade will originate behind the Kewaskum firehouse (north side only) and the Valley Bank parking lot. The route will follow Fond du Lac Avenue, turn east on Main Street, north on Park View and finally west on First Street, where it will arrive at its destination in front of the Municipal Building just in time for the Tree Lighting Ceremony.

Residents and businesses along the parade route are encouraged to join in the fun by lighting their decorations December 11 turning Kewaskum into a myriad of color and light for young and old spectators alike.

Decorated canisters can be found on several local business counters and donations towards the parade will be greatly appreciated.

Please join us as spectators or participants in welcoming Christmas to Kewaskum.

Schlice Will Not Seek Re-election

By GERRY MUELLER
Statesman Staff Writer

Citing schedule problems and personal reasons, Trustee Richard Schlice announced Monday, he will not seek re-election to a second two-year term on the Kewaskum Village Board.

Board president Paul Blumer told Schlice he was sorry to hear his decision, noting he had done a good job while on the board.

Of the other two trustees up for election in 1990, Tom McElhatton said he will again be a candidate for office. Elected in 1984, McElhatton will be seeking his fourth term on the board.

Trustee Larry Williams stated

he is undecided as to whether or not he will run for re-election. I want to think about it a little, he noted. Williams, who is completing the one year left in the unexpired term of former Trustee Howard Laubenstein, would be running for his first full term as trustee. Laubenstein resigned his post when he moved out of Kewaskum last year.

Village Administrator Dan Schmidt said any village resident wishing to be a candidate for the village board may take out nomination papers beginning December 4th. Deadline to return papers is 5:00 p.m., Tuesday, Jan. 2nd.

American Legion News

The American Legion Robert G. Romaine Post No. 384 of Kewaskum hopes every one of you and your families had a wonderful Thanksgiving. After all, there is a lot to be thankful for, especially the last few years. Not only has our country come out of a recession, but also the American Legion has taken a strong stand on certain political items, especially on the status of the American Flag. Be proud of it and thank God you live in the United States of America.

Special thanks are offered to the following people: Rich Stefanovic for donating a slide projector and screen; Clayton Stautz for putting up the Legion House lighted sign after it was repainted, and to Jim Andre for picking up the flags from the veterans' graves.

To those who have not yet sent in their dues, it is asked that you do so immediately. It is

hoped Washington County (Second District) can have 100% paid up membership.

At the November meeting, Elmer Hallen volunteered to get information on some sort of elevator or chair lift to be installed in the Legion House for handicapped veterans and other citizens who use the clubhouse facilities.

Another reminder goes out to start gathering good, usable items together to be sold at the Legion's spring auction which will be held some time in April. Anything will be accepted from new unused items to old antiques.

Due to the Kewaskum Area Chamber of Commerce Christmas Parade being held on December 11, the Legion's monthly meeting will be held one week earlier on December 4 at 8 p.m. The Legion will be leading the parade with the colors.

Wayne Girl Scouts Sponsor Lunch With Santa Claus

The Wayne Girl Scout Cadette Troop 20 will be sponsoring Lunch with Santa on Saturday, Dec. 9th, from 11 a.m. to 1 p.m. at Wayne Elementary School.

Children and parents of all ages are invited. There will be door prizes, along with games and songs, so bring your cameras.

The cost is \$2.50 for a full lunch menu. Reservations are appreciated. Please call Joy Kuhnke at 626-2506 or Bev Mayer at 629-5859.

The girls went to great lengths planning this event so you can have a good time. They are planning a learning trip to Chicago. We thank you for your support.

Friends of Abused Families to Sponsor A Christmas Party

Are you starting to get that Christmas giving spirit? Well, if you are, volunteers from Friends of Abused Families will be at the West Bend Outlet mall to collect gifts for the shelter Christmas party.

On Sunday, December 10, volunteers will be setting up a Christmas tree display whereby shoppers can purchase items at areas stores and then donate them to Friends.

If you are unable to stop by the Outlet Mall on the 10th but still wish to donate or contribute to the shelter Christmas Program, please contact Peggy Bierman at 334-7298, 255-9488 Germantown Area, or 673-7298 in Hartford. All gifts and donations are greatly appreciated.

American Legion High School Oratorical Program Underway

The 53rd Annual American Legion High School Oratorical Program is underway. Wisconsin high school students are invited to participate. Contestants are required to speak on some phase of the Constitution of the United States of America.

Scholarships will be awarded by the Wisconsin American Legion to all state semi-finalists and state finalists. The state winner will advance to the next level of competition (a National Regional Contest) and will automatically receive an additional \$1,000 scholarship from The American Legion National Organization. A contestant who wins a National Regional and advances to the National Sectional but not to the National Finals will receive an additional \$3,000 scholarship. National scholarships will be awarded to the four finalists competing in the contest; 1st place - \$18,000, 2nd place - \$16,000, 3rd place - \$14,000, 4th place - \$12,000.

High school students interested in participating may contact their local high school, the local American Legion Post or the Wisconsin American Legion Headquarters at 812 East State Street, Milwaukee, Wisconsin 53202 phone: (414) 271-1940 for further information.

KEY CLUB SPONSORS TURKEY DINNER

There will be a turkey dinner sponsored by the Kewaskum High School Key Club on Dec. 3. Serving will take place from 11:00 a.m. to 1:00 p.m. at the Kewaskum High School.

from the district's fund equity. Heather noted some of the money could come from an unused portion of funds budgeted for the now-vacant business manager position. He did indicate, however, that he felt no matter what, the budget

still would be short in the area of salaries once teacher, support staff and other contract negotiations were completed.

After the vote, both Gail Van Ess and Kathy Boyd, two of the parents who had pushed for the aides, thanked the administration and board for their action on the request.

Pam Bollen, left, Childsafe Project Coordinator for the Auxiliary, instructs a new mother on the proper installation of the infant love seat.

For the past year, the Auxiliary of St. Joseph's Community Hospital, West Bend, has adopted the operation of PROJECT CHILDSAFE — the infant car seat rental program, which was originated by the West Bend Junior Women's Club and run by them for many years.

Awhile ago, the public was made aware of the Toddler Car Seat/Booster Rental Program; at this time, the Auxiliary would additionally like to inform the public that care seats are also available for rental for babies from birth to the age of 9 months.

Pam Bollen, Project Coordinator, states that the seat we use in Project Childsafe is the Century Infant "Love Seat" by General Motors, which have been proven safe through dynamic testing (simulated crash test), and conforms to all applicable Federal Motor Vehicle Safety Standards. These particular seats should be

in use until the child is approximately 20 lbs in weight. Instructions on properly installing the seats and securing a baby are given at the time of rental.

Auto accidents are the No. 1 killer of infants and children, and many more thousands are seriously injured each year. Even an impact of 30 miles an hour exposes an unrestrained child to the same force as a fall from a third-floor window! Adult seat belts are not suitable for children who weigh less than 40 lbs. Infants and children are not miniature adults. Their pelvic structure is more fragile — their bone structure is softer, and they are top-heavy.

Cost of the rental is \$1.00 per month, for a 9-month period. (A returnable deposit, for the 9-month rental period, is \$20.00). A seat must be returned to the hospital in 9 months after the birth of a child, in a clean condition, so that we may continue to have enough rental seats available for the

ever-steady batch of new babies being born every day!

Anyone is eligible to rent a car seat, whether or not the baby is born at St. Joseph's - West Bend. Rentals can also be arranged on a short-term basis, if additional seats are available.

Project Childsafe Car Infant Seats are rented on a first-come, first-served basis. Call 338-3402, and take the first step to keeping your baby safe and sound in your motor vehicle!

Village of Kewaskum NEWS NOTES 'Snow and Ice Removal'

The snow and ice season has arrived bringing along some problems. To alleviate the problem or to clarify a few items let us refer to the Municipal Code, Chapter 8.09, which covers "Snow and Ice Removal."

I. Sidewalks to be kept clear. The owner or occupant of any lot or parcel shall promptly each day remove all snow and ice which may have fallen or accumulated upon when ice has so formed that it cannot be removed, the owner or occupant shall keep the same sprinkled with a material which will prevent the sidewalk from being dangerous to pedestrians. If the owner or occupant fails to comply with this subsection, the Superintendent of Public Works shall cause the snow or ice to be removed or sprinkled as required in this section and the cost thereof assessed against the property as a special tax.

II. Snow not to be deposited in the streets. No person shall cause to be deposited snow from his premises or sidewalk abutting thereon onto any street in the Village without a permit from the Superintendent of Public Works who may require to be paid a fee sufficient to reimburse the Village for the cost of removal of such snow.

III. Other sidewalk hazards. This is the deposit of or washing of gravel from a private driveway onto a sidewalk. We ask that this gravel also be removed promptly. It should be noted that not only does this gravel create a hazard on the sidewalk, but when it ends up in the gutter it blocks water drainage and eventually blocks/plugs storm sewers.

As for this and all ordinances a penalty is also provided for in Chapter 25.04 of this Municipal Code.

4h news.....

The Kewaskum 4-Her's monthly meeting was called to order on Nov. 2, at the Community Center.

The pledge was led by the Neumann's. Jenny Johnson gave a committee report on the Halloween visit to the Beechwood Nursing Home. The Christmas Parade in Kewaskum is to be held on the night of the tree lighting ceremony on Dec. 11. Marlo Deshotels is in charge of the float.

For new business, Sara Lemke, the director of the music and drama festival, explained what the festival is all about. The Christmas party is going to be next month, Dec. 2 at 6:45 because Santa is coming

to the 4-H Club. All members in the club should bring a \$3 exchange gift.

For this month's trip to the nursing home we'll be giving Thanksgiving decorations. The club is planning to go to a ice hockey game and we have to know by Dec. meeting if you are planning to go. The cost is \$2.00 a member \$6.00 non-member.

On Feb. 2 we are planning to have a Sweet Hearts dance. The meeting was adjourned and the kids that went to the nursing home last month sang a few songs to the club.

The next meeting is Dec. 7 at the community and set for a new time, 6:45. Please remember your \$3.00 gift and the meeting starts at 6:45.

CHRISTMAS CONCERT REMINDER

Everyone is encouraged to attend the first Christmas Concert of the season on Sunday, Dec. 3, at 7:00 p.m. at Kewaskum High School Rose Hall.

The concert features the very talented Ayer Ensemble. Tickets are \$2.00 and all proceeds go to KEYS Inc. to be used for scholarships. Enjoy the start of the Christmas season and help raise money for KEYS at the same time.

IN MEMORY

In the Memory of JOEL JAMES KUMROW, who departed from us 15 years ago on Nov. 29, 1974:

Fifteen years have now gone past,
Since in our eyes we saw you last.

In our hearts you'll always remain,
as we take many trips through memory lane.

We know God is watching over you,
As he does with us on earth too.
We love and miss you oh so much,

But God had made life as such.
Some day together God will let us all be,

But for now we'll have to say good-bye to thee.

WINTER PARKING

The Winter Parking Restrictions and Snow Emergency Parking Restrictions go into effect on December 1, 1989.

Municipal Code Section 7.04(3) Night Parking Restrictions, reads as follows: Signs have been erected at or reasonably near the corporate limits as provided in Section 349.13, Wisconsin Statutes, no person excepting physicians or licensed emergency vehicles on emergency calls, shall park or stop any vehicle on any public street or highway within the village between the hours of 2:00 A.M. and 6:00 A.M. from December 1, to April 1, of each year; provided that, notwithstanding such restrictions vehicles may be parked a period of time not longer than 3 minutes for actually loading or unloading of passengers, and provided further that no other regulation restricting parking as to place, time, or manner violated thereby.

The fine for violating that ordinance is:

\$5.00 if paid within three (3) days of the issuance of the parking citation.

\$10.00 if paid after ten (10) days but before 28 days.

After 28 days, the amount is \$20.00 and a notice will be sent to the Motor Vehicle Department to suspend your vehicle registrations and refuse renewals until the citation is satisfied.

An important fact is the

owner of the vehicle is responsible for the payment of the citation whether or not he was the operator.

Municipal Code Section 7.04 (4) Removal of Illegally Parked Vehicles. This section covers the issuance of citations to and possible removal of such vehicles in violation of this ordinance. In addition to other penalties provided by Section 7.04(6) of this code, the owner or operator of a vehicle so removed shall pay the cost of the towing and storage.

Salvation Army Kettle Kick-Off

It's Christmas time again and the bells are ringing! They ring for the child who will be without toys this Christmas season. . . the lonely senior citizen who will celebrate the holidays alone in a cramped apartment. . . the family whose Christmas dinner will be sparse like every other meal, unless you help.

The Salvation Army is soon to begin its familiar red kettle program this Christmas season. This program will be expanded into several rural communities throughout the State of Wisconsin, providing hope and cheer to the area's needy. Let this season's bells remind you that you can brighten the holiday season for those less fortunate.

Please support The Salvation Army by dropping your donation in the red kettles. Remember, "Sharing Is Caring." May God bless each of you this blessed holiday season!

A.A.R.P. Chapter Drawing Scheduled

The West Bend Area Chapter #401 of the American Association of Retired Persons will be collecting donations for a drawing at the Christmas Party on December 6th at 1:00 p.m.

The Drawing features a beautiful hand-sewn quilt donated by Sister Mildred Rieber of Newburg and other prizes including a handbag done in needlepoint, horseback rides at Sleeping Dragon Ranch, a large jar of honey, subscriptions to the Jackson-Slinger Herald and many others.

Proceeds of the drawing will be used by the Chapter for the many contributions of the Chapter toward scholarships, local eleemosynary groups, community services and others.

Tickets for the drawing are available from A.A.R.P. Chapter members, or call 644-6415, 334-6073, 334-9033, 629-5767, 644-5065, 677-2563,

The parade route will begin at the Kewaskum Fire House and continue on Fond du Lac Avenue to the stop lights where it will turn east on Main Street. It will progress on Main Street to Park View Drive, then north on Park View to First Street, west on First Street, and will end at the Kewaskum Municipal Building where the Tree Lighting Ceremony will be held. The theme for this year's parade will be simply "Kristmas in Kewaskum" and everyone, young and old alike, is encouraged to attend both the parade and the tree lighting. There are already over 20 floats tentatively signed up, with various bands, marching units, local celebrities, civic organizations and clubs also participating. The jolly old fellow himself, Santa Claus, will be visiting Kewaskum for the grand finale. This is the first Christmas parade ever being held in Kewaskum. The Chamber of Commerce and the A.A.L. invites everyone to be there and hopefully we can make this an

annual event. For more information call Lana Kuehl at 626-2626 days or 626-4518 evenings. (If anyone would care to contribute towards the parade, there are donation canisters available at Sentry Foods, Buffy's Village Inn, West Bend Savings and Loan, Kewaskum, Shefond Mobil Mart, Village Bootery, Kewaskum Frozen Foods and the Kewaskum Statesman).

Washington County Receives Grant

Thirty-five residents of Washington County have received individual grants totaling \$64,175 for the replacement of failed septic systems in 1989. The money has been made available by the Washington Department of Natural Resources program known as the Wisconsin Fund.

Since the Washington County Board agreed to participate in the annual round of grants in 1980, 671 failed systems have been replaced in Washington County, representing a State inflow of \$1,383,209.74 into the Washington County economy. The surface waters and ground waters of the County have been spared from the continuing human waste and chemical contaminations that had been flowing from those systems.

County Land Use and Park Department Administrator Paul Mueller reports that citizens and plumbing contractors alike are relatively pleased with the program which offers up to \$7,000 toward the replacement of a failed septic system.

Residents who are interested in more information about the program are encouraged to inquire at the Washington County Land Use and Park Department in the Courthouse or by calling 338-4445 from the West Bend area, 342-2929 ext. 4445 from Milwaukee Metro, or 644-5204 ext. 4445 from Hartford/Slinger.

MPTC Students Take Six of Nine Medals at Food Show

Students from Moraine Park Technical College's restaurant and hotel cookery program captured six of nine medals at the Northeast Wisconsin Hotel/Restaurant Trade Show held in Green Bay recently.

Six students received one gold, two silver and three bronze medals for their entries in the plate competition.

The gold medal went to Lynn Wallschlaeger of Fond du Lac for her poached red salmon pate rolled in king salmon. The salmon was accompanied by red potatoes carved into seashells.

Wesley Guenterberg of Beaver Dam received a silver medal for his arrangement which consisted of braised breast of duckling with a raspberry burgundy and butter cream sauce accompanied by chateau potatoes, carrot flowerettes, zucchini balls and

turnip balls.

Also receiving a silver medal was Ann Sabel of Fond du Lac. Her entree consisted of duck sausage, zucchini turnips and polenta bread.

A bronze medal went to Laurie Franzen of New Holstein for her poached salmon topped with salmon mousse, potato croquettes almondine and zucchini stuffed with spinach mousse.

Craig Gloede of Plymouth received a bronze medal for his plate of tenderloin fillet with a black currant sauce and potato souffle wrapped in spinach. Gloede also carved zucchini into the shell of a turtle.

Terri Schmidt of West Bend also received a bronze medal. Schmidt said this was the first time she had participated in a plate competition and she was

very happy with the results.

The students said their success at the competition was a result of the help and instruction they received from their instructor, chef Erv Loest.

Kewaskum Junior Women's Club preschool storyhour had some special visitors this fall. "Woodsey the Owl" (left) brought his message "Give a Hoot, Don't Pollute." Officer Bauer of the Kewaskum Police Department (right) delivered a message on safety that pertained to the young child. Bert and Ernie offered suggestions on shar-

ing and cooperation. Storyhour is geared for preschool children ages 3-5. It is designed to enhance social and motor skills as well as introduce pertinent topics and encourage reading. Look for us again in spring.

Missing Persons Reported Here Open House at Two 'Bed/Breakfast' Homes

Kewaskum's Weight Watcher group has lost a total of 270 pounds — the equivalent of two people!!! The group reports that the weight, however, is not missed at all! Anyone interested in finding out more about Weight Watchers is invited to attend a FREE meeting on December 5th. Meetings are held on Tuesday afternoons at 4:00 in the Kewaskum Elementary School Library. This is an informational meeting. (Visitors will not be weighed in). The next 10 week session starts December 19th.

What's a "Bed and Breakfast?" A special invitation is being extended to people from the area to tour two Bed and Breakfast homes on Sunday, Dec. 3 from 1-5. Both homes will be open for tours in conjunction with National B&B Open House Weekend. The Wagner Victorian, owned by Al and Lorena Wagner is located at 1546 Fond du Lac Ave., Kewaskum. The Mielke-Mauk House and Peterson Log House owned by Dick and Faith Mauk, are located at 994 County F, Campbellsport (between Waucousta and Dundee). *adv.*

BIGGEST WINNER IN WISCONSIN HISTORY — Francis "Fuzzy" Fruzyna (left) became the biggest winner in Wisconsin Lottery history when he claimed an \$8,840,000 Wisconsin's MEGABUCKS Lotto* America prize on Thursday, November 9, in Green Bay. Fruzyna bought the winning ticket, \$2 worth of Quick Picks, from Don Christian (right), an employee of the Beach Road Liquor Store on Green Bay's east side. Fruzyna is a self-employed mechanic who was also working nights at a Green Bay canning firm, at least until he realized he was about to become a multi-millionaire. The 60 year old winner has two grown children and received the first of 20 annual payments of \$442,000 Monday, November 20. After Federal and State withholding, Fruzyna will receive more than \$322,000 each year. He plans to restore a 1953 Kaiser Manhattan he already owns. "I always wanted to own a Kaiser all fixed up," he said. Fruzyna is the third Wisconsin's MEGABUCKS Lotto* America jackpot winner. Jacek Maciejko of Neenah won \$7.22 million in the September 20 drawing and Carol Tiedemann of Somerset won \$5.26 million in the September 30 drawing.

**Kettle Moraine Audubon Society
Endowed with 40 Acres of Land**

The Kettle Moraine Audubon Society, Inc. has been given a gift of 40 acres of land by Isabelle D. Mount. The land is located in Washington County near Hwy. 167 and Hwy. J in the Holy Hill Glacier Hills Park area. The property was deeded to the Kettle Moraine Audubon Society in October on a Quit Claim Deed with the restriction that the grantee shall use the land for a nature center or preserve and for no other purpose.

Isabelle Mount is a resident of the City of Oconomowoc and a charter member of the Kettle Moraine Audubon Society. For more information from her, you may contact her at 567-2731.

The Kettle Moraine Audubon Society, Inc. (KMAS) was formed in 1977 and is a local chapter of National Audubon Society. KMAS serves Washington County, Jefferson

County and part of Waukesha and Dodge county. Present membership is 750 and majority of members are in West Bend and Oconomowoc/Hartland areas.

KMAS President quote, "Isabelle Mount's gift is for everyone's future. It is wonderful to see gifts that preserve our natural heritage. The KMAS Board Members have taken the land with the sense of responsibility that it carries to protect and preserve the area. More people need to be concerned with preserving land in it's natural state or restoring it to it's original natural community. Time is running out for preserving pristine and near pristine areas as we see development all around us. Isabelle has given a gift for our grandchildren and their grandchildren. For this we are very grateful and this is

what KMAS works hard in it's volunteer efforts to accomplish."

KMAS plans to protect the property as a preserve - no trespassing signs will be posted - no nature center is planned at this time. A complete biological survey of the property will be done within the next year. The property was briefly surveyed by Don Reed, biologist, of Southeastern Wisconsin Regional Planning Commission and in a 20 minute walk over 60 species of plants were identified last May with only 4 non-native plants. It was identified as a "good quality southern wet to mesic hardwood forest with scattered spring seepages." There has been some disturbances from tree cutting possibly 40 or more years ago and situation and sedimentation from adjacent agricultural lands. There were no rare, threatened or endangered species found in the single review.

Ice Age Trail Sign Dedicated at Ridge Run Park

Park and Planning Commission representatives attending the Ice Age Trail sign dedication include, left to right: Roger Kist, Ridge Run Park Superintendent; John Frey, Sherlyn Stiewe, Howard Buth and Hilbert Scheuneman, commission members.

On Saturday, Nov. 11th, members of the Washington Ozaukee Ice Age Trail Chapter and representatives of the Washington County Park and Planning Commission, met at Ridge Run Park to dedicate a new Ice Age Trail sign.

The sign identifies the

portions of this 1000 mile statewide trail that passes through Ridge Run Park. The Ice Age Trail has been designated a National Scenic Trail.

At this dedication, members of the local Ice Age Trail Chapter shared with the Park

and Planning Commission what the chapter has accomplished at the countywide level on the trail and future plans for trail expansion.

Presently four segments of the Ice Age Trail are completed in Washington County. The Northern Kettle Moraine segment starts at the north county line and follows the existing Glacial Trail ending at Highway H. The Glacial Blue Hills segment follows the wooded moraine west of West Bend from Highway D to Highway 33.

The Ridge Run Park segment follows the same wooded moraine south from Highway 33 to Paradise Drive. The fourth segment is the Holy Hill segment which follows a scenic path along the interlobate moraine from Pike Lake State Park to Donegal Road, just south of Holy Hill.

Any one is welcome to hike the Ice Age Trail to explore our rich, glacial heritage. For more information on the trail or to join the local chapter in developing further segments, please call 334-5490.

A Month Of Great Cheese Ideas

Cheese is a delicious way to add nutrition and variety to menus. So, this month put cheese on your agenda and try these ideas:

1. "Sandwich" thin apple slices, Cheddar cheese and cinnamon between whole grain bread slices; grill for breakfast.
2. Make a salad out of spinach, tomato, peppers, garbanzo beans and Brick and Romano cheeses; top with a zesty dressing.
3. At snack time, top crackers with Neufchatel cheese and red or green pepper jelly.
4. Invite a friend for a delicious Swiss cheese fondue and use broccoli, bread and bacon "dippers."
5. For a super snack or side dish, sprinkle Parmesan cheese over shoestring potatoes and bake at 350°F about 10 minutes.
6. Just before serving, sprinkle vegetable soup with grated Swiss cheese.
7. Stuff mushroom caps with bacon and Cheddar cheese and broil.
8. As an elegant nightcap, serve Bel Paese cheese and

fresh fruit with your favorite Italian sparkling wine.

9. Substitute seafood for meat and add cream cheese to the Ricotta and Mezzarella in your favorite lasagna.
10. To make yummy cheese croutons, sprinkle Monterey Jack over rye toast rounds and broil.
11. For a quick meal, microwave a potato and top with Cheddar cheese and your favorite vegetable.
12. Add excitement to your lunch box by making smoked sausage, fresh fruit and cheese "kabobs" on pretzel sticks.
13. Line pizza pan with crescent roll dough, bake, cool and top with cream cheese, shredded Cheddar and fresh vegetables; chill.

14. Blend Blue cheese with butter; spread on pear slices.
15. Start your day with cheese toast; add an egg or tomato for variety.
16. Sprinkle pita chips with

Port du Salut, onions and peppers; broil until cheese melts.

17. Crumble tangy Blue cheese over a spinach salad.
18. Grate Asiago cheese over a bowl of chili.
19. Snack on a toasted bagel topped with Neufchatel cheese.
20. As an appetizer or snack, bake Brie in filo dough.
21. Top French bread slices with tomatoes, pepperoni, Provolone and seasonings; broil until cheese melts.
22. Experiment! Top spaghetti with shredded Swiss.
23. Serve cheese and fruit for dessert.
24. As a brunch opener, serve bread sticks and Blue.
25. Create a tasty treat of sauteed zucchini, onions and cherry tomatoes topped with Colby, Monterey Jack and Cheddar.
26. For a fast fruit dip, combine cream cheese, brown sugar and vanilla.
27. Dress up a grilled cheese sandwich by using two or more cheeses and adding tomatoes and sprouts.
28. Drizzle melted American cheese over popcorn for a late night snack.
29. Top a burger with Colby and salsa.
30. Add shredded Cheddar to the crumb topping on apple crisp.

Hail, Hail, the Gang's All Here

Crystal Kuehl, daughter of Mr. and Mrs. Alan Kuehl, rural Kewaskum, checked on a set of triplet calves born November 20th on the Floyd Flug farm.

By GERRY MUELLER
Statesman Staff Writer

"Two is company, three is a crowd," that's what cow 'C-50,' on the Floyd Klug farm, Route 1, Kewaskum, may have thought recently after giving birth to three live calves.

Klug noted while giving birth to more than one calf is not that unusual anymore, delivering three calves which all survive is a little rare. He said the cow had been pregnancy checked for twins but the third youngster was a surprise.

Herdsmen Ken Kumrow was

on hand when C-50 delivered the first calf, an 83-pound bull, about 8:30 p.m., Monday, Nov. 20th. At approximately 9 p.m., the second bull calf arrived weighing 72 pounds. Klug said when he went into the barn about 9:30, to check on the cow, there was number three, a heifer calf weighing in at about 61 pounds.

The triplets daddy was Tri-State's sire Stardell Valiant Winken ET.

THE LEGEND OF SAINT NICLOLAS

The legend of Saint Nicholas is, of course, centuries old, and began in Europe. The story had its beginning in the semi-tropical city of Patara, Turkey, where St. Nicholas was born and where he lived and died. Until after his death, when his remains were taken by Italian sailors to Bari, Italy, St. Nicholas traveled little, never venturing more than a few miles from his native region.

It was the goodness and generosity of St. Nicholas which led him to become the patron saint of many countries, of all boys, and of sailors.

Many legends concerning St. Nicholas, with re-telling have become a bit vague and clouded, but some things are certain: he was a man of wealth; he was generous and kind; and he was at one time Bishop of Myra.

Three Dowries

What is generally believed to be St. Nicholas first and best-known act of kindness was the presentation of dowries to the three daughters of a poor nobleman. According to the story, St. Nicholas learned that the poor girls had decided among themselves that one of them would sell herself into slavery in order that the two others could marry in honor. On separate occasions, St. Nicholas tossed three bags of gold into each girl's window, so that all three were married with honor, and in the usual fashion, lived happily ever after.

St. Nicholas died in 342, after being imprisoned by the Roman Emperor Diocletian and released by the first Christian emperor, Constantine.

Reserve Phone Calls For Emergencies Only

Sheriff Robert H. Schulteis reminds county residents that they should not telephone the sheriff's department for road and weather information.

During bad weather, the department's dispatchers become extremely busy with emergency telephone calls, and radio "traffic" with squads.

"People must understand that bad weather brings us accidents and other urgent calls for assistance. That is exactly the time when routine calls should not be made to our office, especially our emergency telephone number," the sheriff stated.

Road and weather information is provided to the county's radio stations, for immediate broadcast throughout the day. The department's dispatchers cannot provide this information without tying up radio and telephone communications. The department also does not maintain information on business and school closings. This information is also available from the local radio stations.

Of the five great lakes, only Lake Michigan is wholly in the U.S. the others are partly in Canada.

Local FFA Delegates Attend National Convention

FFA delegates, left to right, Jenny Degnitz, Mike Ruplinger, John Hupfer and Tim Herman.

On Wednesday, Nov. 8 the Kewaskum FFA Chapter sent four delegates to Kansas City, Missouri for the National FFA Convention. The four delegates were Tim Herman, John Hupner, Jenny Degnitz and Mike Ruplinger.

On the way down we stopped at the John Deere plant in Moline, Iowa. We toured the plant and saw how they make tractors.

On Thursday we sat in sessions all day. The first session we listened to comedian Terry Bradshaw and we listened to Jeff Johnson, the national secretary, give his farewell speech entitled "Stay Gold."

At the second session we had the director of the National Drug Control, the Honorable William Bennett. The second retiring address came from Jaye Hamby, National Vice President with his farewell speech, "Field of Dreams." At the third session we had a lazer show, and they recognized the National FFA Foundation Sponsors Board.

On Friday at the fourth session we had the U.S. Secretary of Agriculture, the Honorable Clayton Yuetter. The third retiring address was done by the National Vice President Brad Chambliss with the retiring address "Could this be

Camelot."

That afternoon we went to the American Royal Radio. We also listened to Rodney Corwell after the radio. During the sixth session, we listened to the Public Speaking Contest, and we watched the National Proficiency Awards.

On Saturday, the seventh session we listened to the Inspirational Speaker Mamie McCulough. The National Vice

President Jeff Isom gave his retiring address "Imagine."

At the closing session we listened to the National President Dana Soukeys giving his speech "Common Valor." The past National Officers helped to recognize the 1989-1990 National Officers team. The National President closed the ceremonies and wished us a good trip home.

West Bend Mutual Insurance Company announced today that it expects to pay about \$450,000 in reinsurance for property claims resulting from the Hurricane Hugo disaster in September.

Although West Bend Mutual does not directly operate in Southeastern United States, it does assume some reinsurance from other companies which do sell insurance in other states. Reinsurance allows insurance companies to share the financial burden of disasters such as this.

"It's not unusual for companies to spread their reinsurance risks all over the world," said John Bykowski, vice president - Marketing at West Bend Mutual. "It's impossible for one or even a few companies to shoulder the entire financial burden which one disaster can cause."

"Should a disaster of this magnitude affect the areas where we directly market our insurance products, our reinsurance network would bring in insurance payments from all over the United States and Europe."

About 650,000 property claims were filed as a result of Hurricane Hugo. In South Carolina alone, insurance companies expect to settle some 340,000 property damage claims for as much as \$2.5 billion.

Despite the enormity of the Hugo disaster, the insurance industry responded well. More than 2,000 adjusters settled

most of the claims within weeks.

Nineteen eighty nine will be the worst year ever for insured property losses. The insurance industry will pay well over six billion dollars as the result of Hurricane Hugo and the San Francisco earthquake.

"These types of disasters emphasize the need for insurance companies to be financially strong," said Bykowski. "The industry's reserves and surplus, which are often a subject of criticism, look very comforting today, especially when we are faced with six billion dollars in insured losses from these two tragedies. And there is still the possibility of more to come."

"Disasters such as Hurricane Hugo and the earthquake make it apparent that a strong financially sound, private enterprise insurance business is essential for our country. It can and will respond more quickly, more efficiently, and more humanely than the government without spending taxpayers'

money." And West Bend Mutual Insurance Company is contributing to the financial stability of the industry. Since 1973, A.M. Best, financial analysts of the insurance industry, has rated the company A+ Superior. This is the highest rating an insurance company can receive.

MPTC COURSE HELPS FARM BUSINESS WITH TAX FORMS

Moraine Park Technical College in Fond du Lac has designed a course to help area farm and agribusiness companies plan and process their 1989 income tax forms.

Farm Income Tax Update for Managers, beginning Dec. 12 and running for eight weeks, will provide the student with up-to-date tax information.

The course meets from 8 to 10:15 p.m. on the Fond du Lac campus. Call Moraine Park at 929-2100 or 1-800-221-6430 and ask for course 094-430-001.

Washington County Livestock Projects Need to Be Weighed In Dec. 2 and 9

by Jack Trzebiatowski
Extension Agriculture Agent

The 1990 Washington County Fair is a long ways off, however livestock projects members are getting involved with their livestock for the event. These exhibitors, parents and leaders work with livestock projects throughout the calendar year and not just at county fair time.

Livestock projects provide an educational opportunity for the project members. It involves learning many skills, such as selecting the type of livestock to be raised, learning how to feed, manage and provide a good environment for their animals and preparing them and learning how to show at the county fair. Livestock project members learn these skills from their parents, from leaders and from attending educational programs and activities that are conducted throughout the year.

Livestock project members belong to a youth organization such as 4-H, FFA, Junior Holstein Association or other groups with adult leadership and educational program for youth project members. Individuals that are interested in getting involved with these programs can contact the Washington County Extension office about 4-H and the High School Vocational Agriculture Department at Slinger, Hartford and Kewaskum about FFA.

One of the first livestock project activities for the year is the weighing in and identifying of steers. All exhibitors that plan to enter either Beef breed or Dairy breed steers in the 1990 Washington County Meat Animal Sale need to have their animals weighed in and identified. This will be taking place from 10:00 - Noon on Saturday, December 2 at Kewaskum Frozen Foods in Kewaskum and from 10:00 to noon on Saturday, December 9 at Family Farm Meats in

Allenton.

Information has been provided to the families that have previously been involved in the beef project area. Families that have not received information and are interested can just attend either of the weigh-in's or contact the Washington County Extension office for further information.

SUPERJOCK

"The heart of a 70 or 80 year old 'superjock' can outperform that of an average 25-year old," says Dr. Jerome Fleg, researcher at National Institute on Aging. Regular exercise - rapid walking, bicycling, swimming - increases oxygen intake, improves metabolism, and enhances confidence and well-being in older persons, says Dr. Fleg. A low-fat, nutritious diet is also essential.

Wisconsin's First Fall Turkey Season a Success

Wisconsin's first fall turkey season is history now, but analysis rates it successful with some interesting data to digest, said Ed Frank, Department of Natural Resources upland wildlife ecologist. Hunters shot a total of 1,570 turkeys during three hunting periods in eight zones.

"One of the most interesting pieces of data to analyze is the success ratio of the number of permits issued to turkeys harvested," Frank states. "The first fall hunt had an overall hunter success rate of 22 percent, which is comparable to spring hunts and slightly above the 1989 spring rate of 21 percent success."

Wisconsin has had spring turkey seasons since 1983, when four turkey management zones were opened to hunting after several years of stocking. The number of management zones open to hunting has increased every year from the 1985 season to a total of 16 in 1989.

"There were 17,700 applications for the 1989 fall hunt and the department issued 7,260 hunting permits," Frank said. "That compares to 33,080 applications for this spring's hunt, when 21,280 permits were issued."

Zones with better hunter success rates this fall paralleled the spring hunt, with the highest success rates indicating zones with the highest populations of turkeys. In the spring, Zone 2 in Crawford County and the southwestern edge of Vernon County had the highest success rate of 33 percent and led this fall with a 29 percent success rate. Of 1,200 fall permits issued in Zone 2, hunters took a total of 344 turkeys at success rates of 30, 32 and 24 percent for periods one through three, respectively.

Zone 4 recorded the highest harvest with a total of 372 turkeys registered out of 1,650 permits available for a 23 percent success rate. Zones 1a and 10 were tied for second this fall with success rates of 26 percent on total harvests of 218 and 215 turkeys each. The total for other zones open this fall included Zone 3 with 230 turkeys registered, Zone 9 with 77, Zone 1 with 74, and Zone 5 with 40.

Field observation indicated that the most common method

of fall hunting was sitting still and waiting for turkeys to travel by the waiting hunter. The second most successful method was stalking, which means walking a few steps waiting and then proceeding, and the third was scattering a flock or driving birds.

Of the 1,570 turkeys harvested, 55 percent were adult birds and 45 percent were juveniles.

"That was a surprise to us, as the data we were looking at seemed to indicate the harvest would be just the opposite," Frank stated. "One explanation is that when there are fewer-than-average young of the year recruited into the population, which we are having this year, then the harvest runs higher to adults."

One shooting accident was reported. A hunter was shot by another hunter at a distance of 39 yards. Both hunters were in full camouflage and neither had attended a turkey hunting seminar.

Badger State Winter Games Welcome Entries

Wisconsin winter sports enthusiasts of all ages and abilities are invited to catch the Olympic spirit and enter the second Badger State Winter Games, February 2-4 in Wausau.

Competition is available in alpine skiing, curling, figure skating, ice hockey (adult and youth), nordic skiing, ski jumping, snowshoeing and speedskating.

"We urge all athletes to sign up as soon as possible," said Otto Breitenbach, executive director of the Badger State Games. "Our goal is to offer competitive opportunities for all citizens of Wisconsin. But some sports may fill up quickly."

Athlete handbooks and registration materials are now available at the Badger State Games office. Send you requests to P.O. Box 1377, Madison, WI 53701, or phone (608)251-3333. Materials may also be obtained at the Wausau Area Chamber of Commerce, 300 Third Street, Wausau, WI 55401 or by calling (715) 845-6231.

The first Winter Games attracted 1,645 athletes from around the state, and three of the five sports were filled to capacity. Wisconsin was the fifth state to hold Winter Games.

The Badger State Games will use facilities at Wausau's Marathon Park, Rib Mountain and Nine Mile Forest. There

will be more competition at Willett Arena and the Stevens Point Curling Club in Stevens Point; the Iola Ski Jumping Complex in Iola; the Medford Curling Club in Medford; and the Mosinee Ice Arena in Mosinee.

Minutes of School Board Meeting

October 9, 1989

President Neal Weare called the meeting to order at 7:09 p.m.

Members present: Ruth Schmitt, John Schulte, Ron Beimbom, Don Nowak, Neal Weare, Paul Seymour.

Board member Perry Ankerson arrived at 7:18 p.m.

Clerk Schmitt led the Pledge of Allegiance.

Schmitt/Nowak motion to approve the agenda with one change: C.2 should read 60 hours rather than 40 hours. Motion passed 6-0.

Audience to visitors: receiving of delegations:

Mrs. Kathy Boyd, representing a group of parents, expressed concern about large class sizes in the lower elementary grades. She requested that the board hire 3 aides at FES, 2-3 aides at KES and 1/2 time aide at WES. Mrs. Boyd asked that the board address this request at the next regularly scheduled board meeting.

Mrs. Jan Lauenstein, representing the Parent Advisory Council at KMS, as well as Jason Sauer and Greta Kuphal, KMS students, spoke about the need to purchase walls at KMS. The board was given a petition signed by students from the middle school asking that the board reconsider their previous decision not to purchase walls.

Presentations this month were given by FMrs. Carol Martin, who highlighted the Family and Consumer Education curriculum and Mrs. Connie Strand, who spoke about the Business Education Department.

A WASB workshop for board members will be held 10-16-89 in the administrative offices.

The WASB Fall Conference will be held October 24, 1989 in Kiel.

The 6th Annual CESA School Board/Administrators Dinner Meeting will be November 9, 1989.

Schmitt/Nowak motion to approve the September 11, 1989 Regular Meeting minutes. Motion passed 7-0.

Schmitt/Ankerson motion to approve the September 25, 1989 Special meeting open session minutes. Motion passed 7-0.

The next Policy-Legislation-Bylaw meeting will be 10-23-89 at 7:15 p.m. in the Administration Offices.

Seymour/Schulte motion to approve Policy #1325 as amended. Motion passed 7-0.

Seymour/Schulte motion to approve the second reading of the following policies: #3276-Lease of District Real Estate; #3277-Lease Terms; #3278-Short Term Lease Agreements; #3279-Long Term Lease Agreements; #3270-Sale of District Real Estate; #3271-Real Estate Appraisal - #3272-Selection of Real Estate Appraiser(s); #3272P-Selection of Real Estate Appraiser Procedure; #3273-Real Estate Agents; #3274-Selection of Real Estate Agents; #3274P-Selection of Real Estate Agents Procedure; #3275-Offers to Purchase; #5141.4G-Guidelines for Handling Body Fluids; #1400-Relations With Government Authorities. Motion passed 7-0.

The Negotiations Committee will meet with the KAP on 10-12-89 at 6:30 in the KHS library.

The next scheduled meeting for the Finance-Transportation-Buildings and Grounds Committee will be 12-4-89 at 7:00 in the Administrative Offices.

Nowak/Schmitt motion to approve Dehling Voigt as roofing contractor for roof repairs at KES costing \$2370 for a 4-ply repair. Motion passed 7-0.

Schmitt/Nowak motion to approve Ken Erickson as 7th grade boys basketball coach and 7th grade girls basketball coach

at KMS. Motion passed 7-0.

Dr. Heather presented the board with a priority list for capital expenditures. Mr. Bob Sobolewski, representing the staff at KMS gave the board a petition requesting that walls be purchased for dividing the classrooms at KMS. Considerable discussion ensued.

The board discussed the sale of a portion of the Wayne Elementary School property to the Salem UCC Church in Wayne. President Weare requested Dr. Heather to inquire whether the church would be willing to absorb all costs regarding the potential sale and to check into any special town requirements.

Dr. Heather asked the board to give direction about how to receive public input concerning possible school attendance boundary changes. The consensus of the board was that one big meeting be held and that the meeting be noticed in the newspaper.

Ankerson/Schmitt: Resolution awarding the sale of \$200,000 general obligation promissory notes and levying a tax in connection therewith. Resolution passed 7-0. The note was awarded to Bank One - Milwaukee with a net interest rate of 6.6233 percent and net interest cost of \$38,636.17.

Ankerson/Nowak motion to approve the following lending institutions for borrowing 1.3 million dollars short term. Grievance Hearing KAP vs. School District October 30, 1989

President Neal Weare called the hearing to order at 7:03 p.m.

Board members present: Ruth Schmitt, Don Nowak, Ron Beimbom, Neal Weare, Perry Ankerson, Paul Seymour.

John Schulte arrived at 7:08 p.m.

President Weare announced that Norman Kempf would be representing the KAP and Dr. David Heather would be representing the administration. Board members were informed that they could ask questions after the presentations and before the closed session.

Mr. Kempf: During negotiations over

the 1986-88 Master Agreement, an agreement was reached regarding insurance. The agreement as clarified at the bargaining table and witnessed by the KAP negotiating team was that the Board would pay 100 percent of all health and dental insurance premiums for all eligible employees. The intent of the language was to represent that agreement. The Association agreed further to include dollar amounts in the contract because the Board wanted to have the contract state the amounts it anticipated it would have to pay. The dollar amount was not to represent a capped amount. The status quo for the life of the initial agreement until a successor agreement is negotiated requires that the Board continue to pay 100 percent of the premiums for all eligible employees.

The Association has been informed that the District Administrator is demanding that the employees pay the difference between the dollar amount stated in the contract and the actual 1989-90 premium costs. The difference is being deducted from the employees' paychecks. The District Administrator has taken this action based on his interpretation of the language in the Master Agreement. He could not know that the intent of the language is as stated earlier.

This action by the District Administrator violates the negotiated intent of the Master Agreement. The Association is seeking the following remedy.

1. The District shall continue to pay 100 percent of the premium cost of insurances for all eligible employees for the 1989-90 school year or until a different amount, if any, is negotiated.

2. The District shall reimburse each employe for any monies which have been withheld for insurance payments for the 1989-90 school year.

3. All other relief just and proper.

Thank you for your cooperation in resolving this matter.

Board members asked questions relating to the insurance premium dollar amounts listed in the contract, the actual premiums paid and the actual cost increase of the premiums.

Mr. Kempf said the contract says the district will contribute \$289.84 for family plan coverage and \$110.86 for single coverage. These figures changed shortly after the contract was printed and up until September 1, 1989 the district had been paying \$298.12 for family coverage and \$114.04 for single coverage. The insurance costs increased to \$351.18 for family coverage and \$134.52 for single coverage and since September 1, 1989 the employees have been paying for the increase.

Dr. Heather: Your task this evening is to determine if the language as stated in the collective bargaining agreement between the KAP and the School District is being correctly interpreted and administered by the administration of the school district.

If you agree with the administration's interpretation of the contract language, your duty will be to deny the grievance as filed by Mr. Kempf and the KAP.

I believe this grievance to be frivolous in nature in that the School District of Kewaskum is paying the dollar amount towards the cost of health insurance as stated on page 12, Article 12 (1) of the KAP-School Board Collective Bargaining Agreement and exhibit H, paragraph number 2 in your packet of information. The district is currently paying \$298.12 per month for family coverage and \$114.04 per month for single coverage. The wording in the contract is clear and concise as to how much the district will contribute towards the monthly premium.

The school district is maintaining the status quo of the expired contract by continuing to pay the same amount of premiums as was paid during the last year of the contract, \$298.12 and \$114.04 for family and single health insurance, per month, respectively.

When a contract or successor agreement is being negotiated there is always considerable discussion about the intent of each party on each issue; however, when the contract is agreed to and printed, the language in the contract becomes the rules that are followed by both sides. In this case the language states "The District will contribute up to \$298.02 per month for a family plan and \$114.04 per month for a single plan" as amended by the letter designated as exhibit H. With this language in the contract, I believe you must concur that the administration is maintaining the status quo of the current expired contract and has, and is interpreting Article XII (1) correctly. Your decision should be to deny the grievance filed by Mr. Kempf and the KAP.

Karen Staehler provided the board with a document containing handwritten notes stating the board would pay 100 percent

of the insurance costs.

Having heard both arguments, President Weare announced that the board would go to closed session. The verdict would be announced to Dr. Heather who will in turn advise the KAP in writing within a day or two.

Ankerson/Schulte motion to adjourn to closed session as per State Statute 19.85(1)(a) "Deliberating concerning a case which was the subject of any judicial or quasi-judicial trial or hearing before that governmental body." Motion carried 7-0. The meeting adjourned at 7:25 p.m.

Wrestlers Begin Season

Kewaskum Statesman,

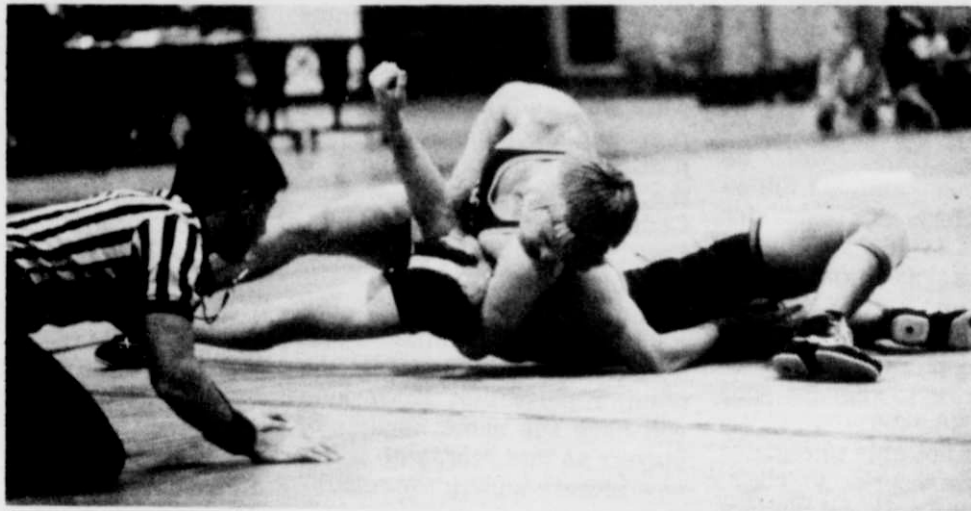

Friday, Dec. 1, 1989, Page 23

Jeff Sabish, Kewaskum, has Rob Fox of Brown Deer down on the mat, pinning him in 3:06.

Dave Kuphal, Kewaskum, decided Bartell of Campbellsport, 19-4.

Dan Heisdorf, Kewaskum, takes Brian Moser, Campbellsport, down with a head throw and pins Brian in 3:30.

The Kewaskum Indian wrestling team is off and "pinning" and although a young team, there are a couple of "hopefuls" in the "STATE contenders" category.

Senior Danny Heisdorf is one of these contenders wrestling at 152 pounds. He was 3rd in sectionals last year and recently completed his first tournament going 3-0 including his first pin of the season.

Dave Kuphal at 160 pounds is the other hopeful, who lost in regionals last year to some tough competition but experience is on his side as he goes to the mats this season. He

also went 3-0 in the Thanksgiving tournament featuring Campbellsport, Grafton, and Brown Deer.

Other members of the team that showed promise in their outings included junior Jeff Sabish who ended the tourney at 2-1 and freshman Todd Muckerheide, a tough 171 pounder who handled two mature wrestlers for wins before bowing out his third match.

Freshman Josh Kirtz, although finishing 1-2 on the day also did a fine job. Not wrestling in the tourney, but definitely a strong possibility to

add some strength to the team is senior Noel Stradtman.

Stradtman missed part of last season due to injury but if all goes well, Stradtman should be on the mats soon for the Indians and according to Coach John Nell "has lots of potential and will do well."

One of the disappointments that happened in the tournament was when freshman Mark Dziezic suffered a broken arm in his first match of the season.

Dziezic would have been varsity and was a real tough wrestler. He was doing a great job his first match and was winning until that last 32 seconds when the injury occurred.

Although saddened by the fact he won't be competing this season, Dziezic already assured Coach Nell he'll be wrestling by spring and plans on being even tougher next season when he gets back to the mats. Young, tough, and dedicated... this is a wrestler who isn't going to let an injury get him down and we hope to see him do great things for KHS in the future.

Coach Nell looks to the season as mainly a learning year as there are many young wrestlers making up the team and his only goal is that his team strives to keep on improving each match. The program is strong, and his wrestlers dedicated and one can't help but feel things will pull together for his team this season. PIN TO WIN!

Intramural volleyball competition is at the mid-season mark at the University of Wisconsin Center - Washington County.

Twelve teams with 105 players are in action during the Oct. 19 to Dec. 14 season. Four matches are played in the campus gymnasium during each Tuesday and Thursday lunch hour.

Teams are grouped in two divisions. On Dec. 14, a championship series will be played. First - and second-place teams will compete in each division. Winners will face each other for the campus title.

Intramural teams at UWWC often pick colorful names. The fall semester volleyball league follows that pattern. Team members include the Purple Helmets, Bumping Bambeanos, Go Ahead - Beat Us, Middle Name First, Lethal Weapons, Served on the Rolls, Half and Half, Jo's Bar and Grill, Ball Baners, Jus' for Fun, The Spankers and Faculty/Staff.

Team members coming from area communities include:

Allenton: Dave Koller.
Campbellsport: Ted Anderson.

Fredonia: Jason Miller, J.J. Solonika, Brian Lallansack.

Kewaskum: Sherry Becker, David Jacob, Tim Kaufman, Tammy Scheffner, Scott Stern, Chris Tolonen.

KHS Girls... Tournament Champs

Pam Osterbrink

The Kewaskum Indian Girls Basketball team not only "hosted" the Thanksgiving Indian Invitational Basketball Tournament over the holiday weekend, but also kept the trophy at home. They won both of their games to become tournament champions and boost their record to 3-0.

In game one, the Indians challenged the Campbellsport Cougars and pulled out a victory, 48-35. Senior Pam Osterbrink popped in 8 of 14 from the floor and ended her night with 17 points to be the teams leading scorer. She also worked over the "boards," grabbing 12 rebounds. Osterbrink and Kristin Lubahn combined to cause 11 turn-overs on the game which also contributed to the victory.

Coach Eichstedt was impressed with the defense of his players stating "solid player to player defense created an early lead for us, then Osterbrink took control in the 3rd quarter to build up a significant 37 to 21 lead." Coach Eichstedt didn't rest easy at this point however because he said "the Cougars kept challenging the Indians throughout the 4th quarter to make a close contest of the ball game."

In the championship game, center Pam Osterbrink provided the key to the Indian victory scoring a game-high 21 points including nine points in the 2nd quarter to help give the Indians the lead at half-time 23-22.

With two seconds left in this period, new coach Glenn Eichstedt used one of his "full court-plays-for-last-second-situations" and this one worked. Kristin Lubahn sank an eight footer after taking a long pass giving the Indians their first lead of the game at the half.

The game see-sawed the 3rd and 4th quarters and "just when I thought the zone would win the game for us, St. Mary's started to hit some bombs," stated Coach Eichstedt.

The lead was cut to two points three different times and due to some missed free throws by KHS, the next thing the Indians knew, the score was tie 43 all. Osterbrink put the Indians back in the lead with 2:33 left but St.

Mary's answered that basket with one of their own to again tie the score at 45.

Osterbrink made another "go-ahead" basket and this time the ledgers did not retaliate. With 47 seconds left, Andrea Fliess made her only basket of the game to make the score 49-45 and Deb Rimmel put the game out to reach with an added free throw with 21 seconds left.

Coach Eichstedt was real pleased with his girls stating, "they played with a lot of heart the second half." He cited Osterbrink who "dominated" the second quarter and Lubahn whose hustle contributed in tiring out the ledger team. Scoring in double figures for the Indians were Osterbrink with 21 points and Lubahn with 10 points while Ann Cappellari scored 20 points for St. Mary's.

Coach Eichstedt commented on his season thus far stating, "the first two games of the season allowed me the opportunity to play everyone on the team and to gain some experience and confidence from winning... In our season opener, the entire team demonstrated the type of defensive intensity that will be required to have a successful season and in the Indian Invitational, we had a chance to utilize various offenses and defenses in game conditions.. it was our defensive combinations that helped the Indians become champions."

He went on to say, "Pam Osterbrink has been the Indians offensive force to date, with many talented teammates chipping in to create our overall advantage."

Whatever the combinations are that coach Eichstedt is using, they definitely are working for the Indian squad and hopeful the girls team will stay on their winning track.

Kewaskum Lakes Team Looks to Improve; Will Take on Hartland This Sunday

Kewaskum will take on the expansion Hartford Pulse this Sunday at 5:00 p.m. at Oconomowoc High School, as the 1989-90 Land O' Lakes basketball season gets underway this weekend.

Kewaskum looks to improve on this fifth-place finish and 3-12 record of last year, while the Pulse will be playing their initial game in the league.

The defending champion Oconomowoc Express team had 14 players come out for their team this year, so they decided to split up into two teams, Oconomowoc and Hartland.

The two teams will play their home games at Oconomowoc High School on the same nights with Hartland playing at 5:00 p.m. and Oconomowoc at 7:00 p.m. The remaining teams in the seven-team league will be Cedarburg, Menomonee Falls, Port Washington and Thiensville-Mequon.

Kewaskum manager Bill Backhaus, beginning his seventeenth year running the team, reports that Kewaskum will have the same nucleus of players as last year, with a few new players joining the team.

KHS Girls Basketball Opens with Win

Behind some good hustle and great defense, the KHS Girls Basketball team won its season opener, 55-46 against the Slinger Owls.

Slinger's Stacy Kundinger sparked the Owl offense scoring 26 points including 16 points in the fourth quarter but it wasn't enough to pull out a win for her team as the likes of center 6'1" senior Pam Osterbrink and scrappy 5'4" guard Kristi Lubahn were not going to let that happen.

Osterbrink led all scores for

our Indians with 18 points while pulling down a total of 13 rebounds. Lubahn stole the ball nine times and aided in four buckets. She did a great job keeping the Owls "on their toes," and scored nine points on her own to be second in the scoring category.

New head coach Glenn Eichstedt worked in all his players on the victory, looking for the right starting combination to make his team successful. So far, so good as he pulled out his first victory.
