The little girl in Sunday school was asked to tell the story of Adam and Eve: "Well," she said, "first God made a man, and then He looked at him and thought he could do better so he made a woman."

Christmas Parade, Tree Lighting Ceremony Set for Monday Eve

By S. Callaway Roznik

All the last minute plans and details are being finalized and the community of Kewaskum is hurrying and scurrying about in preparation for their "Kristmas in Kewaskum" parade scheduled for Monday evening, December 11, at 6:30 p.m.

Sponsored by the Kewaskum Area Chamber of Commerce, the village's first Christmas parade promises visions of sugarplums as student and community organizations and local businesses take on the task of creating a "winter wonderland" of festive floats, marching units, costumed children's favorites, elves and other holiday surprises.

The parade is being held in conjunction with the AAL (Aid Association for Lutherans) Christmas Tree Lighting Ceremony which takes place in front of the Municipal Building on First Street, and everyone is invited and encouraged to enter floats or units in the parade.

The Chamber will be awarding monetary first, second and third prizes, graciously donated by the Kewaskum Kiwanis, for entries judged best. It is requested that all entrants refrain from having a live Santa on their entry, as the "jolly fellow" has offered to appear in the grand finale. There will also be special surprises for the children.

However, parents should be aware that no candy will be allowed to be thrown from any float. Please keep the children on the curb and off the street or they will not be given any treats.

The parade committee, consisting of Charleen Barutha, Jan Bartelt, Gladys Seefeldt, Bob

Beisbier, Don Sedgwick and Lana Kuehl, are amazed at how the parade idea has snowballed. There are over 30 entries already committed to participate. The Kewaskum High School Band, the KHS twirlers, the Georgie Girls, Spid Peeper, WBWI's Bob Bonenfant, WTKM's Bob Lucynski, Church Choirs, Bert, Ernie, Woodsy and many more have also agreed to make an appearance.

Leading the Tree Lighting Ceremony in song, will be the

choirs of Kewaskum's churches, including St. Lucas Lutheran Church, Holy Trinity Catholic Church, and Peace United Church of Christ, with the KHS band and swing choir joining in this moving celebration of song and community fellowship.

Lineup for the parade will originate behind the Kewaskum firehouse (north side only) and the Valley Bank parking lot at 5:30, one hour before the parade is scheduled to begin.

The route will follow Fond du Lac Avenue, turn east on Main Street, north on Park View and finally west on First Street, where it will arrive at its destination in front of the Municipal Building just in time for the Tree Lighting Ceremony.

Residents and businesses along the parade route are encouraged to join in the fun by lighting their decorations December 11 turning Kewaskum into a myriad of color and light for young and old spectators alike.

Decorated cannisters can be

found on several local business counters and donations towards the parade will be greatly appreciated.

Please join us as spectators or participants in welcoming Christmas to Kewaskum. For more information contact Lana at 626-2626, Gladys at 626-2898, Don at 626-2242, Jan at 626-4300, Charleen at 626-2186 or Bob at 626-2710.

KHS to Help Feed Hungry

Kewaskum High School is participating in the McDonald's/WKTI school spirit contest by collecting non-perishable food items. The food collected will be donated to the Full Shelf Food Pantry.

Kewaskum High School is competing against other area high schools to collect the most pounds of food per student. The winning school will host the Jets in concert in their school, compliments of McDonald's Restaurants and WKTI Radio.

KMS Christmas Concert Dec. 14

The Middle School music department will be presenting their Christmas Concert on December 14, at 7:30 p.m. in the Middle School gym. Performances will be given by the sixth, seventh and eighth grade choirs and bands with a wide selection of seasonal music. Everyone is welcome and admission is free.

NOTICE TO PARADE SPECTATORS & PARTICIPANTS

SPECTATORS — Please be sure all parade-watchers, adult and children STAY ON THE SIDEWALK! Santa has informed the parade committee that his elves cannot give out any treats to children who are standing on the road. For everyone's safety... please remain on the sidewalk throughout the entire parade. Outdoor music will be provided before the parade.

PARTICIPANTS — Lineup for the parade will be at 5:30 p.m. If you have not been contacted by a committee member, explaining where to lineup, please call Lana at 626-2626 (days) or 626-4518 (evenings).

With everyone's help and cooperation, hopefully our first parade will run smoothly. (Say a little prayer for good weather!) Please bear with us if there are a few glitches... this is our first effort and we tried our best. We learned alot... especially about the wonderful sharing and caring that occurs in a small community at Christmas. Thank you Kewaskum!

C of C Will Again Sponsor Holiday Decorating Contest

Police Chief Richard Knoebel was introduced as the Guest Speaker when the November meeting of the Kewaskum Area Chamber of Commerce was called to order at 6:30 p.m. on Wednesday, November 15 at the Kewaskum Municipal Building Community Room.

He showed two films with one featuring shoplifting and the other armed robbery. Both were very informative to all the business people present who were invited to ask questions after the films. Chief Knoebel also spoke on the "dos" and "don'ts" during and after shoplifting and burglary and informed the members of laws regarding detaining any offenders. There were many tips for businesses on how to discourage suspects and ways to remember information the police will need to apprehend the intruders.

The Chamber would like to thank Chief Knoebel for his time and very informative program. For those who missed it, it is hoped to have Chief Knoebel back to another meeting in a few months with films which should be available through the Washington County Crime Prevention unit.

Following Knoebel's presentation, Skelgas of Kewaskum was welcomed as the latest member to join the Chamber of Commerce. Discussion was then opened up on the hottest topic of the evening... the Christmas parade. More entries were welcomed and the Kewaskum Kiwanis Club graciously offered to donate the

money for the prizes. Thank you Kiwanis. Judges were discussed and chosen.

Lee Kempf asked if the Chamber would like the American Legion, Robert G. Romaine Post 384, to begin the parade with its Color Guard. This was a positive unanimous decision and thanks go out to them.

Larry Williams offered to ask a few of the firemen's parade organizers to help line up the Christmas parade. Yes!

Kudos to Richard Thiemer, Don Sedgwick and Ed Miller for the fine job they did on this year's annual turkey promotion.

The next order of business was the Holiday Decorating Contest. Everyone was amazed at the variety of color and light the residents of Kewaskum displayed last year during the holidays. It was decided the Chamber should again sponsor the contest this year. Prizes will be awarded for first, second and third place. Judges will be out Monday, December 18, from 7:30 to 10 p.m. So turn on your decorations and perhaps you will be the lucky winner.

Door prize was drawn and the winner was Skelgas of Kewaskum. They were not present.

Members who were present included Laurie Roecker of LR Trophy, Jan Bartelt and employees of Shefond Mobil Mart, Sandi Amerling of Village Hair Stylists, Judy Jaeger of Jaeger Sewing Center, Charleen Barutha of West Bend Savings and Loan, Jane Korth of Hon-E-Kor Country Club, Patsy Vechart of Country Roads Refinishing, Bill and Judy Geidel of Sentry Foods, Ron Schmitz of Behnke-Schmitz Agency, Greg Callaway of Callaway and Co., Chuck Wilgenbush of Valley Bank, Larry Williams of KL Home and Hardware, Bob Beisbier of Kewaskum Frozen Foods, Merlin and Gladys Seefeldt of Buffy's Village Inn, Lana Kuehl of the Kewaskum Statesman, Richard Thiemer of Richard's Kut and Style, Randy Gust of American Family Insurance, Ed Miller of Miller's Furniture, Don Sedgwick of Village Bootery, and Lee Kempf of LK Heating.

It was an excellent turnout and we hope you can all be present for our next meeting on Wednesday, December 13, 6:30 p.m., in the Community Room of the Municipal Building.

Tom Larsen, Principal, (right) and Dan Beske, teacher-in-charge, posed in front of this lawn greeting card to celebrate Boss's Day. The staff at Farmington Elementary School wanted everyone to know how much they enjoy working for such "beary nice" people.

Land - Zolp

Vows of holy matrimony were exchanged between Sharon Marie Land and Timothy Allen Zolp, on August 19, 1989, during a 2 p.m. ceremony at Our Savior's Lutheran Church, West Bend. The Rev. Adolf Quast officiated.

Parents of the couple are Mr. and Mrs. Paul Land, 1007 Sunset Ridge Dr., West Bend and Mr. and Mrs. Benedict Zolp, Rt. 2, Plymouth.

Music was provided by organist, Mrs. Nora Price, and vocalists Mr. and Mrs. Dave Bertelsen.

The bride chose her friend, Kristine Yoho of Kewaskum as her maid of honor. Bridesmaids included her sister Barb Land of Kewaskum; Jackie Fechter and Merri Jo Ritger of West Bend, and Vicki Landreman, Kaukana, all friends of the bride.

Glenn Horning, Adell, served

as his friend's best man. Groomsmen were Mitch Zolp, Plymouth brother of the groom; Eric Groene, Plymouth, nephew of the groom and Jim Horning and Mike Vetter, Adell, friends of the groom.

Ushering duties were shared by Dan Zolp of Plymouth, brother of the groom and Bob Zuern, Allenton, uncle of the bride.

A dinner and dance followed at the Hilltop in Batavia.

The bride is a 1985 graduate of Kewaskum High School, with a BBA from UW-Whitewater in '89. She is employed as an accountant at Eaton.

The groom is a 1984 graduate of Plymouth High School and works as a line operator at Borden.

The couple enjoyed a honeymoon trip to Boston and Philadelphia, and are residing in West Bend.

UWWC Students Initiated Into Phi Theta Kappa

Eighteen students at the University of Wisconsin Center - Washington County have been initiated this fall into Phi Theta Kappa, the scholastic honor society for American Junior Colleges.

The students come from ten area communities and were selected for their academic achievement at UWWC prior to the 1989 fall semester.

Phi Theta Kappa was founded in 1918 and today has more than 700 chapters including UWWC's Chi Chi Chapter. Membership is open to students who have completed 12 hours of college work, maintained a B-plus average and demonstrated "good moral character and recognized qualities of citizenship."

Janis Ford, associate director of student services at UWWC, said, "Nationally the group seeks to provide the opportunity for the development of leadership and service, an intellectual climate for the exchange of ideas and stimulation of continuing academic excellence, encouragement of scholarships for advanced education, and personal enrichment of the student through unique

educational experiences and fellowship with other scholars."

Area students named to Phi Theta Kappa this fall are:

CASCADE: Dorothy Lehman; KEWASKUM: Sherry Becker; WEST BEND: Alois Estermann, Bonnie Fischer, Barbara Franson, Jenifer Helmbrecht, Patrick Kuehl, Jeffrey Neu, Debra Quick and Deborah Wenzel.

Rounding out the fall semester Phi Theta Kappa membership are 35 other students from 12 communities. They were initiated into the group prior to this fall. Area members, by communities, are:

ADELL: Charles Tallman; CAMPBELLSPORT: Sandra Vorpahl; WEST BEND: Kathleen Bardell, James Beine, Patti Crass, Jacqueline Erickson, Erika Koeller, Kathy Lauters, Arlene Mueller, Karen

Newsom, Jennifer Peterson, Roy Peterson, David Prochnow, Dan Rasmussen, Diane Rizzardi, Kurt Roskopf, Peter Shanovich, James Simmons, Debra Unger, Mary Weaver and Patti Jo Wilke.

Sheriff Urges Caution in Reporting Lost Articles

Anyone placing an ad in a newspaper, advertising an item that has been lost, should use extra caution, based on an incident recently investigated by the Washington County Sheriff's Department.

Lt. John C. Peters reports that a woman from the Richfield area lost a diamond pendant, and placed an advertisement in

Milwaukee newspapers. Shortly after, the woman received a phone call from a man who claimed to have found the missing pendant. He explained that he was a truck driver, was calling from Chicago, and would be willing to mail the pendant back if the woman sent him \$75 via Western Union.

The woman was suspicious, and asked the man several questions about the pendant. The man wasn't able to answer the questions correctly, which indicated that he didn't actually have the item.

Still suspicious about the matter, the woman then contacted someone else who had placed a "lost and found" ad in the newspaper. This person, who had lost an expensive tool, reported that he, too, had received such a phone call. Unfortunately, he took the bait and sent money to Chicago, but the tool was not returned.

Sheriff Robert H. Schulteis urges residents to use caution whenever dealing in a

Kewaskum Statesman, Friday, Dec. 8, 1989, Page 4

transaction with a stranger. A public place, instead of your home, should be used whenever practical, for the exchange of property in return for a reward. Money should never be sent by mail to someone based on a weak claim, as experienced by the Richfield woman.

You DO Have a Choice

Consider Holy Trinity School

WE HAVE A LOT TO OFFER!

Not only do we stress the importance of the basic "three Rs," we also teach our students the latest in computer technology. The above photo shows junior high students being instructed by computer teacher Brenda Bauer (hidden in photo). All grades, first through eighth, are given instruction on 6 Apple II E and 4 Cordata computers.

We feel art and the student's individual creativity play an important role in their education. Here Sister Janet gives pointers to part of her third grade art class.

Music brings smiles to the hearts and faces of children. Music instructor Ellen Schmid is shown directing the Select Chorus in preparation for Holy Trinity's annual Christmas Concert being held this year on Tuesday, December 12.

Our teachers must also keep up on THEIR education. Shown here are the teachers doing "after hours" work on a reading course called "Implementing Current Research in K Through 8 Reading Programs," being offered by Cardinal Stritch College.

4th Installment Of Estimated Tax Due January 16

The Internal Revenue Service reminds people who make estimated tax payments that the fourth installment for 1989 is due on January 16, 1990.

The payment should be sent to the IRS along with the fourth quarter voucher from Form 1040ES, Estimated Tax for Individuals. To be sure that the payment is properly credited to your account, write your social security number and the words, "1989 Form 1040ES" on the check.

Usually, people who are self-employed or have income not covered by withholding, such as interest, dividends, or rental income, are required to make estimated tax payments. If you had two jobs at the same time this year or were laid off and received unemployment benefits, you also may need to make these payments. A good rule of thumb, the IRS says, is to make an estimated tax payment by the January deadline if you expect to owe \$500 or more in federal tax at the end of this year. To avoid a penalty, at least 90 percent of your tax liability must be paid during the year.

A worksheet on Form 1040ES can help you figure the correct amount due. A free booklet, Publication 505, has more information on estimated tax. To order, call the IRS toll-free at 1-800-424-FORM (3676).

Tele-Tax, the IRS' automated system of prerecorded tax information, offers a quick summary of estimated tax rules. Dial 1-800-554-4477 and request tape number 156.

In the Service

Air National Guard Sgt. Victor B. Dobney has graduated from the U.S. Air Force aircrew egress systems mechanic course at Chanute Air Force Base, Illinois.

During the course, students were taught to repair and maintain emergency ejection systems in an aircraft. They also earned credits toward an associate degree through the Community College of the Air Force.

He is the son of Mr. and Mrs. Harry A. Dobney of 2106 Sylvan Way, West Bend.

The airman is a 1985 graduate of Kewaskum High School.

...

Marine Pvt. Mark E. Wiedmeyer, son of Kenneth M. and Margret E. Wiedmeyer of 704 North St., West Bend, has completed recruit training at Moraine Corps Recruit Depot, San Diego.

During the 13-week training cycle, Wiedmeyer was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1989 graduate of West Bend West High School, he joined the Marine Corps in June 1989.

Army Reserve Private Barry A. Degnitz has completed training at the U.S. Army Infantry School, Fort Benning, Ga.

During the course, students received training which qualified them as light-weapons infantrymen and as indirect-fire crewmen in a rifle or mortar squad.

Instruction included weapons qualifications, tactics,

patrolling, land mine warfare, field communications and combat operations.

He is the son of David A. Degnitz of 1731 Terry Dale Drive, West Bend.

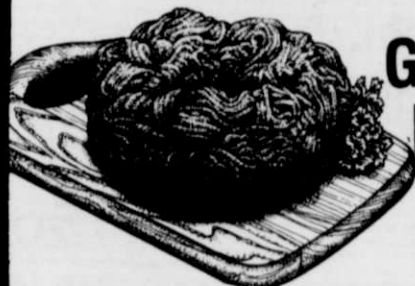

The private is a 1989 graduate of West Bend East High School.

ON RATS - A noted agriculturist was delivering a lecture on the danger of rat infestation. The sixth grade listened with apparent attention and after the lecture, one of the students wrote the lecturer a note of thanks. It concluded: "We didn't even know what a rat looked like until you came."

Mrs. Charles E. Reigle, of 1305 Roseland Drive, Kewaskum, whose husband is vice-president of Regal Ware, Inc., passed away unexpectedly at her home on Tuesday evening Dec. 1, three days before her birthday. She would have reached the age of 51 years on Dec. 4.

Mr. and Mrs. Louis Butzke of R. 2, Campbellsport, marked their golden wedding anniversary celebration on Sunday, Nov. 15. Many friends and neighbors attended the open house at St. John's parish hall, New Fane. They have one daughter and two sons, Mrs. Laretta Kempf of New Fane, Elroy Butzke of Kewaskum and Raymond Butzke of Campbellsport.

Mr. and Mrs. John H. Heisdorf of R. 2, Kewaskum, were pleasantly surprised on Saturday evening, Nov. 28, at West Park ballroom West Bend, when their children arranged a surprise dance in honor of their silver wedding anniversary. They are the parents of eleven children, John, Jim, Judy, Dick, Janice, Jean, Mary, Susan, Rosalie, Debbie and Teresa.

The annual street decorations

for Christmas were put up by village employees on Monday and Kewaskum now has a holiday appearance.

Dennis Vetter, son of Mr. and Mrs. Leland Vetter, R. 1, Kewaskum, was a member of the Wisconsin State University Whitewater Cross Country team which participated in the National NAIA Cross Country meet at Omaha, Nebraska, on Nov. 28.

Miss Margie Kirsch, of R. 2, Campbellsport, daughter of Mr. and Mrs. Arthur Kirsch, shot a seven point buck Saturday morning while hunting near Clear Lake, Wis. This is the first time she ever went hunting.

A daughter was born to Mr. and Mrs. Thomas Larsen, 350 First St., Kewaskum, on Thanksgiving Day, Nov. 26.

This office experienced a serious mishap the past week just at an inopportune time, which meant that we were up against it. The mishap being that the large press broke down, which will take several days to repair. Through the courtesy of the West Bend News office, however, we were able to get this week's issue off in time. We were compelled to take our forms via auto to West Bend and have the boys of the News office do the printing on their large press.

At the annual meeting of the Ev. Luth. St. Lucas congrega-

tion last Monday afternoon, John Klein, Sr., was presented with a gold headed cane by President Conrad Bier for the services rendered by Mr. Klein as secretary of the congregation for 30 years, from 1884 to 1914.

Louis Petri, Wayne, shipped a half car of potatoes to Milwaukee the forepart of the week. Several neighbors assisted Mr. Petri in the hauling.

John Schrauth of Medford arrived at Elmore with his household goods last Monday and took possession of the saw mill property formerly owned by A. Schrauth.

Mrs. Nic Rimmel, Mrs. Rose Harbeck and daughter Helen, Miss Lorena Rimmel of Kewaskum, called at the F. Harter home, Five Corners, on Tuesday.

Conrad Wondra, St. Kilian, left Tuesday for Elmore to learn

the blacksmith trade at Peter Boegel's.

Born to Mr. and Mrs. Richard Heinemann of New Fane, a baby girl last Wednesday.

Mr. and Mrs. Aug. Degner of the Town of Farmington are the happy parents of a baby girl.

Born to Mr. and Mrs. Jacob Schlosser last Saturday, a bouncing baby boy.

Mr. and Mrs. Mike Hall, of Ashford, celebrated their 25th wedding anniversary on Thanksgiving Day.

A number of friends and neighbors gathered at the home of Mr. and Mrs. Gus Lawrenz Tuesday evening. The occasion being their 10th wedding anniversary.

Christ Schmalz and crew of the Theresa Union Telephone Co., are busily engaged in setting new poles and stringing more telephone wires for an additional farmer's line.

Campus Notes

The 8,800 students attending the University of Wisconsin - Stevens Point were welcomed to campus this fall by a new chancellor and the sounds of construction workers who are erecting a \$7 million wellness facility.

UW-SP is now headed by 50-year-old Chancellor Keith Sanders, a former communication/fine arts dean at the University of Southern Illinois in Carbondale.

In the curriculum, a new addition this fall is the undergraduate program in captive wildlife management in the College of Natural Resources. Also, the theatre arts program is having a boost as the only offerings of their kind in the state to be accredited by the professional organizations of drama and dance. Wellness/health promotion and water science programs were named the best of their kind in the country this year by the professional organizations in those disciplines.

And the wellness offering is receiving an even more significant endorsement as the state invests \$7 million in a new health enhancement and natatorium facility that will be used for wellness courses and activities.

The university is in the process of reducing its enrollment, having drawn down its headcount from a high of about 9,500 in the mid 1980s. Next year, more reductions will bring the count down to about 8,500.

Because of tighter entrance requirements and constraints on the number of applications that can be accepted, prospective new students are being encouraged to apply as

soon as possible for attendance in the fall of 1990.

The students this fall at UW-SP, by hometowns, are:

ADELL — Robert A. Glocka, Rt. 1, Hwy. 28, Wildlife Major.
ALLENTON — Brian Ruplinger, 9550 Skyline Dr., Paper Science Major; James Zuern, 6311 Cherry St., Wildlife Major.

CAMPBELLSPORT — Todd Flitter, 2159 Terrace Dr., Physical Education Major; Mary Garvey, Elementary Education Major; Mike Kissinger, Undecided Major; Jon Kober, 644 Kettle Moraine, Undecided Major; Lisa Rentmeester, 2332 Hwy. F, Elementary Education Major; Carol Schlaefer, 322 Mill St., Fashion Merchandising Major; Andrew Weis, 706 Badger Dr., Physical Education Major; Jeffrey Neuhauser, 929 Pine Lane, Political Science Major; Cynthia Wilson, 895 Dietrich Dr., Undecided Major.

FREDONIA — John Cerk, N5340 Co. AA, Geography Major; Mark Armstrong, W3681 Evergreen; Thomas Biever, N5791 Cedar Valley, Physics Major; Douglas Hurth, W3823 Evergreen, Psychology Major.

KEWASKUM — Sandra Segebart, 670 Hwy. S, Elementary Education Major; Tamara Koepke, 8390 Kettle View, Psychology Major; Dennis Aupperle, 3197 Hwy. D, Physical Education Major; Christopher Charland, 9318 Kettle Moraine, Communication Major; Sandra Klein, 900 Prospect Ave., Elementary Education Major.

WEST BEND (rural) — Deborah Felix, 7901 Salisbury Rd., English Major; Pamela Horst, 8344 Orchard Valley, Elementary Education Major; Randall Igel, 630 E. Newark Dr., Water Res. - Chemistry Major; Michael Morell, 7544 Glacier Dr., Resource Management Major.

Menomonie, Wis. — The following Kewaskum area residents are enrolled this fall as undergraduate students at UW-Stout. They are Michael Johann, majoring in applied mathematics; Beth Metz, majoring in art; Connie McChain, majoring in early childhood education; Kari merchandising; Gregg Dean, Corey Garbisch, Joel Miller and Lisa Wheeler, all majoring in general business administration; Christine Schulz, majoring in home economics educational services; Diane Schulz, majoring in hotel and restaurant management; Mark Brodzeller and Michelle Paul, both majoring in industrial technology; and Jeffrey Igel, a graduate student, majoring in vocational education.

With an enrollment of approximately 7,300, Stout is a "special mission" university in the UW System. Founded in 1891, it retains its original primary mission of preparing men and women for careers. Because of this, the university continues to have a job placement record of better than 90 percent for its graduates.

....

MILWAUKEE — Milwaukee School of Engineering experienced its sixth highest freshman enrollment in the last 20 years this fall when a total of

552 new students began classes. Overall institutional enrollment was 3,034 the highest since 1958.

The Milwaukee School of Engineering, founded in 1903, offers 12 undergraduate degrees in engineering, engineering technology, business, and technical communication programs. Two graduate degree programs are offered: engineering and engineering management.

Area students enrolled at MSOE include: Jason Storlie, biomedical engineering, Campbellsport; David Schultz, manufacturing engineering technology, Kewaskum; Robert Dickmann, electrical engineering technology, Dennis Gundry, manufacturing engineering technology, Lisa Marshall, mechanical engineering, Nikki Olson, computer science and engineering, Kurtis Opelt, mechanical engineering, and Brian Taylor, manufacturing engineering technology all of West Bend.

semester. The program is open to women aged 23 or older who have never attended a post-secondary institution and who have a desire to determine if college is a viable option. The recipient will be able to select from a list of over 75 courses offered throughout the day and at night.

The recipient of the scholarship will be eligible to participate in all campus activities, in addition to receiving information on careers and financial aid.

The scholarship is funded through the generosity of the FDL Soroptimist Club. The Soroptimists also fund a number of "traditional" scholarships as well.

Women interested in receiving more information and an application form should contact the Admissions Office at 929-3606.

Angela Lansbury is Salvation Army's National Christmas Chairperson

The Salvation Army is pleased to announce the national chairperson for its 1989 Christmas Campaign - Angela Lansbury. Ms. Lansbury will be part of the Army's nationwide effort to reach out to those in need during the Christmas season. In keeping with the

theme of "Sharing Is Caring," Ms. Lansbury asks that each of us "give of ourselves for the good of someone else."

Thousands of volunteers from across the country have responded to the call for action. These volunteers are already hard at work, giving of themselves to make the Christmas season a joyous one for thousands of needy people throughout the nation. Each of us can make a unique contribution. By working together, we can make a real difference for many people.

Ms. Lansbury is best known for her appearance in "Sweeney Todd," "Mame" and other Broadway plays, as well as for her award-winning television show "Murder She Wrote." As this year's national representative of The Salvation Army, Ms. Lansbury exemplifies the decency and wholesome living that is upheld by The Salvation Army.

CA Coupon Books Are Now on Sale

Citizens Advocacy of Washington County is again offering its entertainment coupon books. The books this year contain more two-for-one coupons for fine dining, sports, travel, lodging and fun than ever before. Yet the price remains \$30.

Attractions range from county and area restaurants to such Bradley Center attractions as the Bucks, the admirals, the Wave and Marquette basketball. Not all dining is formal: there are 88 coupons for informal or carryout meals alone, from George Webb's to Dairy Queen. There are more than 400 coupons in all.

Sixty-two coupons are devoted to special events. There are two-for-one bargains at Marcus and United Artists movie theaters, the Milwaukee Ballet, the Florentine opera and most area theater groups. Coupons are valid for one year.

Participant sports are included, too, from skiing at Sunburst to auto racing at Slinger Speedway. Bowlers will discover two-for-one deals awaiting them at major area bowling alleys, including eight coupons alone for Red Carpet.

Persons wishing to purchase coupon books for \$30 each can call the Citizen Advocacy office, 2375 W. Washington St. (Highway 33 West), Suite 107, in West Bend. For more information, call 334-3384 in West Bend, or 255-6702 in Germantown. The books are \$32 by mail.

Citizen Advocacy, a nonprofit agency, serves the county by recruiting volunteers as advocates for people with disabilities.

Herman, Julie Schulz, National Congress - Phil Filber, Career Awards Achievement - Tim Herman, Agriculture - Tim and Keith Herman, Brenda Oelhafen Memorial Award - Phil Filber, District Livestock Judging Team - Phil Filber, Tim Herman, Joe Hawig, Clothing Review - Teresa Andreson. Project Awards: Woodworking - Joe Hawig, Rabbits - Bridget and Sarah Ritger Swine - Tim, Keith, and Ryan Herman.

Bridget Ritger told the club about Teen Association and how we can join.

Marie Ritger explained the purpose of the prairie and outlined some of the future plans for the prairie. Mrs. Rebecca Swanson, GT Coordinator for the Kewaskum School District talked about the District's Gifted and Talented Program, and they are interested in working with the club on the Prairie Project.

Results of the Veggie Contest were: Cloverbud - Danny

Markeland, Elementary - Pat Herther, Middle School - Bridget Ritger, High School - Sheila Martin.

The Cloverbuds made witches out of corncocks with their parents.

The meeting was adjourned at 7:37 p.m.

Thompson Attends Beltone Workshop

Tom Thompson of the local Beltone Hearing Aid Center attended a national Beltone Instrument Modification and Repair (I-MAR) School in Chicago.

The intensive, two-day workshop was run by Beltone Electronics Corporation's instrument service department. The I-MAR workshop included hands-on experience in identifying and making complex adjustments and modifications to hearing instruments.

"Minor aid adjustments and repair have always been handled in the local Beltone office," explained Tom Thompson, owner of the Beltone office. "Now, with I-MAR school experience, repairs or changes that in the past might have meant sending the instrument back to the factory in Chicago, can now be completed here in Beaver Dam, often while you wait." "Best of all," he stressed, "the I-MAR workshop has enabled us to provide better service to our

More smoke or fire over smoking bans?

By Al Neuharth

I am a non-smoker who quit 30 years ago. I wish all my friends—even some of my enemies—would quit smoking, because it clearly is dangerous to their health.

But I do not think you or I, or the government, have the right to jerk the cigarettes out of their mouths. Reasonable restriction on smoking in some public places is OK. Total bans are not.

The latest cigarette controversy: The U.S. House of Representatives has passed a smoking ban on all commercial airplane flights across mainland USA. The Senate approved the ban on Thursday, Nov. 9.

AL NEUHARTH
USA TODAY FOUNDER

I think there's more smoke than fire over the airplane smoking controversy. Fact is, the percentage of airline passengers who smoke is much smaller than that of the population as a whole.

- ▶ 55 million people in the USA, or about 28% of the population, are smokers.

- ▶ Only 12% of USA airline passengers request smoking seats.

During the past month, I've been on more than 20 commercial airline flights of long enough duration to permit smoking. I always occupy a non-smoking seat. But even my sensitive nose has experienced no discomfort, or even noticed smoke pollution.

I'm not convinced second-hand danger to us non-smokers is as great as or real as some critics complain.

The issue, of course, is much greater than just smoking on airplanes. More and more self-centered or self-righteous are raising their voices against any lifestyle that does not conform to their own.

The Declaration of Independence promised us all "the right to life, liberty and the pursuit of happiness."

Some forms of "happiness" carry some risk to those directly involved, sometimes even a little to bystanders, friends or relatives. Examples:

- ▶ Drinking or smoking.
- ▶ Gambling, including bingo at church.
- ▶ High-cholesterol or high-calorie food.
- ▶ Banging heads on the football field.

Does the fact that a majority of the population opposes some of these justify denying them to a minority? I think not. Especially when damage to others is highly hypothetical.

Is it far-fetched to think that parents might someday be barred from buying their kids a high-calorie ice cream cone in a public place? Or that restaurants be prohibited from selling high-calorie foods? Not at all. I know many so-called do gooders who would get their jollies from just such ridiculous rules.

The only way for the afflicted to kick bad habits is through will power and self-discipline. That should be encouraged through education. It should not be hammered home through dictation. **ll**

Award Recipient

Riveredge's Environmental Education Specialist, Suzanne Wade, was the recipient of the Wisconsin Association for Environmental Education (WAEE) 1989 Aldo Leopold Award. This award is presented to a WAEE member who has provided exemplary action and service to the field of environmental education and to WAEE.

Wade has spearheaded environmental education efforts in Green Bay, Elkhart Lake and for the past eight years at Riveredge Nature Center. While at Riveredge, Wade has developed innovative environ-

mental science curricula and field experiences, taught a variety of teacher courses, and presented educational workshops at many national, state and local conferences. She served on the Wisconsin Electric Company's Education Advisory Board and has been a member of WAEE Board of Directors for four years, Awards Chairperson for 12 years and on national and state conference planning committees.

The award consists of a framed picture of Aldo Leopold's Sand County shack, taken by his daughter, Nina Leopold.

Busy November for Kewaskum Cubs

Den 1 — Our den has been very busy. We played "Who's behind the President's Door" to help us learn about our Presidents. Did you know the same president who wrote the Declaration of Independence also had red hair and played the violin? We also played a game, "Who chopped down the Cherry Tree." That's a lot of fun. We also worked on the Law Enforcement Achievement in our book. We took our fingerprints and visited the Sheriff's Dept. Our den also participated in the Good Turn food drive and we would especially like to thank Mrs. Gildersleeve and Mr. Martin for helping us. And just for fun we learned a magic number trick.

Den 2 — We did a report on Abraham Lincoln. We made a log cabin and Abraham Lincoln out of marshmallows. We also made turkeys out of candy and cookies. We also collected food for the poor.

Den 3 — We practiced knife sharpening. We did rope knot tying. We went to the fire house. We made leather neckerchief slides. We did the building muscles requirement.

Den 4 — We learned how to use tools. We made recipe holders. We made head bands. We had lots of fun Scouting for Food.

Road Runner Patrol — This month we earned our Communicator pin. We had to invent our own secret sign language, and we learned the correct way to use the

telephone. We also made a turkey place mat for Thanksgiving dinner.

Cobra — This month we worked on our scientist. One of the many experiments we did was get an oversized, hard-boiled egg in a narrow spout. We did a good job on the food drive.

Panthers — We finished our handy man. We played a game with chopsticks and peanuts. We discussed what the webelos badge meant. And how webelos is the first to Boy Scouts.

Badgers — This month badgers worked on all of our pins. And our Webelos badges and we worked on our first aid. Then we worked on Handyman.

Flying Eagles — In November we worked on completing our Webelos Badge requirements. We also earned our Handyman pin. We learned how to change a car tire and how to check car fluid levels. We also learned all about repairing a bike. Our den also helped collect food for needy families.

Andy Stoffel, Campbellsport, left, receives Best of Show Award for Arts, presented by Louise Martin of the Kewaskum Junior Woman's Club.

Peggy McDaniel of Oshkosh, left, accepts Best of Show Ribbon for Crafts, from Louise Martin.

Nearly 900 area residents enjoyed "A Kettle Country Christmas," the seventh annual art and craft fair sponsored by the GFWC Kewaskum Junior Woman's Club on Saturday, November 25th in Rose Hall at Kewaskum High School.

Fifty eight exhibitors offered fine arts and original crafts of a

wide variety, including ceramics, handcrafted wooden items, oil paintings, folk dolls, country accent items, pottery, stained glass mosaics, stitchery, baskets, candles, wreaths, Christmas items and much more.

Receiving the Best of Show for Arts was Andy Stoffel of

Campbellsport, for his outstanding wildlife oil paintings and prints. The Best of Show ribbon for crafts went to Peggy McDaniel of Oshkosh, for her unique pottery items.

Winner of the raffle drawing for the Amish Dahlia quilt was

Kathy Jacque of Kewaskum. The Junior Woman's Club wishes to thank everyone who made the day a success, and looks forward to next year's show, scheduled for Saturday, November 17th at Kewaskum High School.

Happy Holidays to you all!

Non-Alcoholic Drink Recipes Offered by De Paul Hospital

MILWAUKEE — Once again, DePaul Hospital is offering free non-alcoholic drink recipes for the upcoming holiday season.

Recipes include mocktails, party-pleasing punches and wintertime favorites, all without alcohol. Treat yourself to an Apricot Appearer or a Banana Cooler. Serve guests Hot Mulled Apple Cider or Holiday Honey Nog.

"We are offering this alternative to alcohol as part of our continuing commitment to the community. Many people enjoy alcohol during the holiday season. However, these recipes provide an alternative for those individuals who choose not to use alcohol or are unable to," said Edward T. Hida, DePaul Hospital president.

For a free copy, send a self-addressed, stamped, business sized envelope to DePaul Hospital, Public Relations Department, 4143 S. 13th St., Milwaukee, WI 53221. For more information, call 281-4400, ext. 405.

'Sharing Christmas' to Benefit Children's Health Care

"Sharing Christmas," a neighborhood celebration of the holiday season, will brighten the lives of children - now and in the future.

The sixth annual event is sponsored by the South 95th Street Neighborhood Association from December 1 through 31. Proceeds will be donated to Children's Hospital of Wisconsin and the Midwest Athletes Against Childhood Cancer (MACC) Fund.

During December, more than 60 homes in West Allis will be filled with the sights, sounds and tastes of Christmas. Homes along the streets will create a wonderland of outdoor decorations to delight passers-by. The area is bounded on the south by Oklahoma Avenue and on the north by Montana Street, and is between 92nd and 96th Streets.

Santa will be on hand to greet visitors each night until December 23. Mrs. Claus will be nearby bustling about the Claus family kitchen. Parents may take photos of their children with Santa at no charge.

The Keystone Cops, Frosty the Snowman, animated Christmas packages and elves will delight and entertain families. Home decorations will abound, with homes displaying

thousands of colorful holiday lights. Strolling choirs will sing for visitors on several evenings, and treats will be provided by West Allis businesses.

Visitors may drive through the neighborhood or park nearby and stroll through to view the decorations. The event is free, but visitors may leave a donation.

Children's Hospital of Wisconsin is an independent, not-for-profit, pediatric medical center serving children from Wisconsin and Michigan's Upper Peninsula.

The MACC Fund supports research into the effective treatment and cure of childhood cancer. The primary beneficiary of the MACC Fund is the Midwest Children's Cancer Center.

An Energy Conservation Tip a Day Keeps High Electric Bills Away

In recognition of Energy Awareness Month, the U.S. Department of Energy, Wisconsin Electric has developed the following energy-saving tips for each day of the month. Following these tips will save money on energy bills, help defer the need for expensive new power plants and conserve valuable resources.

WATER HEATERS

1. Repair dripping faucets promptly. One drop a second can waste as much as 48 gallons of water a week. If the faucet leaks hot water, you're wasting the water and the energy used to heat it.

2. Wait until you have a full load before running your clothes washer. Wash your clothes with warm or cold water and rinse them with cold water whenever possible. Use hot water only for whites and hard-to-clean items.

3. Use cold water with your garbage disposal. Hot water can cause the pipes to clog.

4. Avoid running hot water unnecessarily while showering, shaving or washing dishes.

5. Install a reduced-flow shower head or add a flow restrictor to your present shower head and other faucets. They restrict water flow to an adequate three gallons a minute.

6. If you have hard water, consider installing a water softener to prevent mineral deposits from coating the element on your water heater. This will save energy and money.

7. Use your dishwasher efficiently. It's not necessary to rinse dirty dishes before loading the dishwasher, but you may want to scrape them.

8. Only run your dishwasher when it's full. Don't overload it, though, or dishes won't get clean.

LIGHTING

9. Wherever possible, substitute fluorescent lighting for incandescent lighting, especially in the kitchen, bathroom or utility areas. Ask for a "color-corrected" type for a more pleasing atmosphere.

10. Lights should be turned off when not in use, even for short periods of time.

11. Keep bulbs and fixtures clean and free from dust. Dirt absorbs light and reduces efficiency.

12. Use light colors on walls, ceilings and floors to reduce lighting costs. Light-colored rooms reflect more light so you can use lower-wattage bulbs.

13. Use dimmer controls, high/low switches or three-way bulbs to adjust the level of lighting to exactly what you need. When used regularly, dimmers can help save energy and increase the life of the bulb.

14. Use timers or photocells that fit on portable lamps or outdoor fixtures to turn lights on at dusk and off at dawn. They help create an illusion of occupancy and provide a welcoming light in the evening without wasting electricity during the daylight hours.

REFRIGERATOR/FREEZERS

15. Keep your refrigerator temperature between 36 degrees and 42 degrees Fahrenheit. Set the freezer control so the temperature is between -5 degrees and +6 degrees Fahrenheit. A colder-than-necessary temperature

will waste energy.

16. A clean refrigerator/freezer runs more efficiently. Check the condenser coils, fins, evaporator pan and motor for dust once or twice a year. Simply unplug the refrigerator/freezer and clean with a vacuum cleaner or long-handled brush.

17. Defrosting frozen food in the refrigerator will save energy because the food will absorb heat and in turn help to cool the refrigerator.

18. An uncrowded refrigerator works more efficiently than a crowded one. Leave enough room for air to circulate around all food in the refrigerator. Freezers work more efficiently when they're nearly full.

19. To freeze food, spread the packages in a single layer in the freezer. After it is frozen solid, pack it as tightly as possible. If space remains, freeze water in empty milk cartons. The resulting ice blocks will help to save electricity.

20. Before opening the refrigerator or freezer door, know what you want. The more often a refrigerator or freezer door is opened, the more energy it uses, especially in hot, humid weather.

SMALL APPLIANCES

21. Turn off controls or unplug your appliance after each use.

22. Turn off appliances you are using, such as your iron, curling iron or mixer, when you are interrupted.

23. Don't entertain an empty room. Turn off your television, stereo or radio when no one is listening.

24. Check your vacuum cleaner bag frequently; empty or replace as needed for the

most efficiency.

25. First iron fabrics which require lower temperature settings and work up to those requiring higher settings. An iron heats faster than it cools, so it's quicker and more efficient to go from low to high than from high to low.

26. Turn off your iron five minutes or so before all clothes have been ironed and finish ironing with the stored heat.

ELECTRIC RANGES

27. Use your toaster oven, electric skillet, popcorn popper or slow cooker rather than the range since these appliances generally use less energy.

28. Don't be an oven peeker. Every time you open the oven door, the temperature will drop 25 degrees. It takes extra energy to bring the oven temperature back up to the original setting.

29. Turn off the cooktop or oven a few minutes before food has completed cooking; retained heat will finish the job.

30. While using the top of your range, cover pots and pans to retain heat and reduce cooking time.

31. Adjust oven racks before heating the oven. The top of the food should be in the center of the oven.

For more information about ways to save energy around your home, call Wisconsin Electric's Energy Facts Phone at 221-2000. Outside the Milwaukee area, call toll-free 1-800-222-9288.

LETTERS TO THE EDITOR

December 1, 1989

To the editor:

Thanks to the generous contributions of the citizens and businesses of the Kewaskum area, we had a successful area campaign and helped the United Way of Washington County exceeds its goal.

In Kewaskum our goal was \$32,000 and to date we have received \$30,417. The county wide receipts totalled \$617,083, exceeding the goal of \$610,000.

I'd like to thank the Kewaskum Area Volunteers whose hard work and dedication made it all possible: Dave Wietor of Regal Ware, Inc., Larry Martin of Miller's Funeral Home, Lana Kuehl of the Kewaskum Statesman, Jerry Gosa of the Kewaskum Community Schools, Ken Weddig of K & L Home and Hardware, Tim Miller of Valley Bank and Paul Behring of the Homeplate Drive-In.

Your support has made it possible for the 36 United Way Agencies to "Paint A Brighter Picture" by providing programs and services that benefit our community and all of Washington County.

Thank you,
Gerald Zimmel

The School District of Kewaskum, not unlike other school districts in the area, is regularly faced with the job of setting and enforcing standards on students as well as staff that the district population deems important and necessary. Drug "sweeps" of school buildings and their population are making current local news, while athletic codes, extra-curricular participation rules, and general student conduct regulations are judged more "routine" by districts. This "routiness," I think, has not allowed time nor opportunity for real community input. The question of "rights and/or privileges" regarding all extracurriculars needs to be answered. The decisions of more and tougher rules vs. less regulation and many other items should be addressed and a consensus reached. Yet the most important element in all this is, I feel, dramatically

missing up to this point: **COMMUNITY INVOLVEMENT!** I do feel the public is reaching a very concerned stage regarding drug/alcohol abuse, but I do still wonder what message the gatherings (parties, picnics, fund raisers) we have all become accustomed to are sending. I would hope a serious accident/incident is not necessary to jog us into action.

A committee is being formed to address student conduct and community expectations of that conduct for all extracurricular activities. Please call Mrs. Jacak at the administration office (626-8427) or myself (629-5268) if you are willing to assist in this process. Remember that your non-vote and/or non action along these lines really is a vote for the status quo. Can we afford not to make some of these decisions soon?

WASB President Feels Teacher Salary Settlements is Reason for High Tax Levies

Kewaskum Statesman,

Friday, Dec. 8, 1989, Page 15

MADISON — High teacher salary settlements are the main reason for school district property tax levy increases of 8 to 15 percent. According to the president of the Wisconsin Association of School Boards (WASB), Jeanne Reed, salary teacher settlements for the current school year are increasing by an average of 7.1 percent. Because employee salaries and benefits comprise two-thirds of a district's budget, a high teacher salary settlement may be the cause of the double-digit property tax increases.

Over the past 13 years, teachers salaries have exceeded the inflation rate by 34 percent. In 11 of 13 years, teachers' salaries have exceeded the inflation rate. No other employee group has enjoyed salary increases equal to those of teachers.

It is no coincidence that Wisconsin's arbitration law has been in existence over the same

time. "Arbitration has worked to the detriment of the property taxpayer. In has taken fiscal accountability away from the 429 local school boards," said Ken Cole, WASB executive director.

School boards have been frustrated in their efforts to moderate teacher settlements because of the arbitration law. "The arbitration law needs to be rewritten. It is incompatible with school boards' efforts to contain costs," stated Cole.

Memorials in her name may be directed to the family.

IN MEMORY

In loving memory of Diane Prost-Egerer who passed away on December 11, 1978.

God saw she was getting tired And a cure was not to be. So He put His arms around her, And whispered, "Come with Me."

With tearful eyes we watched her suffer, And saw her fade away, Although we loved her dearly, We could not make her stay.

A golden heart stopped beating, Hard working hands to rest. God broke our hearts to prove to us, He only takes the best.

Sadly missed by the family.

To keep a small boy out of the cookie jar, lock it and hide the key under the bathroom cake of soap.

IN MEMORY

In loving memory of our dear wife, mother, grandmother, and great-grandmother, MARIE DEI, who passed away five years ago, December 8, 1984:

Days of sadness still come o'er us. Tears of silence often flow. For memory keeps you ever near us

Though you died five years ago. Death can never take away And time cannot erase The memory of a loving heart, A dear familiar face; And there is comfort in the thought

That as the years go by Our memories grow dearer still- For love can never die.

Deeply missed by the entire Walter Dei family.

IN MEMORY

In loving memory of our mother, mother-in-law and grandmother, Johanna Rohlinger, who passed away thirteen years ago, December 11, 1976:

In life we loved you dearly, In death we love you still; In our hearts you hold a special place No one else can ever fill.

It broke our hearts to lose you, But you didn't go alone; For part of us went with you, The day God called you home.

Sadly missed by the family.

IN MEMORY

In loving memory of Harold (Schnookie) Stern, who passed away, five years ago, Dec. 11, 1984:

It's been five years since you left us, Schnookie, To take your place in heaven. But there isn't a day We don't think of you. And the good years we had together. We all miss you.

Deeply missed and always loved by mother Mathilda, brother Syl, sisters Evelyn and Delores.

Wisconsin Gun Deer Hunters Put 1989 Season Atop All Others

MADISON, WI — The figures are preliminary, but the fact is definite that Wisconsin gun deer hunters bagged a record number of white tails in 1989. Hunters took advantage of excellent weather and a large, healthy deer herd to top the 300,000 mark for the first time, Chuck Pils, DNR wildlife and landscape ecology section chief, said.

Early registration totals show that hunters took 313,816 deer this season, which is up 19 percent over the 1988 harvest of 263,424. This year's total also tops the 1985 harvest of 274,302 deer that was the previous record.

Since harvest records started being kept early in the 1900s, hunters bagged a total of about 1.6 million deer through 1979. In the decade of the 1980s, hunters more than equalled that figure, bagging some 2.1 million deer.

"The numbers that we have here for 1989 represent our preliminary total based on actual registration figures in some of the DNR's six management districts and on estimated totals using deer populations and past deer registration figures," Pils stated.

"The official final tally will be available sometime early next year after all the registration stubs have been hand counted. Actually the registration figure will probably increase slightly," Pils added.

The Lake Michigan District posted the highest deer registration numbers this season, showing 70,272 deer harvested. This number is up 20 percent over the 1988 total of 58,748 and was aided in part by a large number of Hunter's Choice permits available in that district.

"The highest percentage increase was in the Northwest District," Pils said, "where 61,794 deer were tallied, which is up 27 percent over the 48,752 total in 1988. High deer numbers, good weather and good access were attributed for the increase."

All of the department's management districts showed double digit percentage increases in harvest over 1988. The next highest percentage increase in harvest was shown in the Southeast District, headquartered in Milwaukee, where hunters registered 3,797 deer. This is up more than 580 over 1988's total of 3,213.

Both the Western and North Central districts showed 17 percent increases. The Western District, with its main office at

Eau Claire, reported a projected harvest of 65,192 up from 55,646 in 1988.

The North Central District office at Rhinelander report registrations of 62,932 deer, up from 53,736 in 1988. The Southern District headquarters at Madison projected a 15 percent increase over 1988 for a total of 49,829 this season, up from 43,329 last year.

Department Hunter Safety Coordinator Larry Johnson, Madison, reports a total of 37 accidents during the nine-day season including two fatalities. One fatality was reported in the Northwest District and another in the North Central District.

"The fatality in the North Central District involved a Potawatomi Indian shot by a hunting companion while exercising tribal hunting rights on Indian land," Johnson said.

The Northwest District reported 11 accidents including one fatality, the Western District nine accidents, North Central District five including one fatality, the Lake Michigan and Southern Districts five accidents each and none in the Southeast District.

"The number of fatalities (two) is the same as in 1988 while the number of accidents (37) is up from 19 in 1988, which was the lowest number for a season since we began keeping records," Johnson added. "We aren't satisfied with any fatality or accident, but through active hunter education programs and the exercise of safe hunting practices, the number of accidents per 100,000 hunters has been decreasing dramatically over the past 20 years."

Minutes of Village Board Meeting

Regular Meeting
Nov. 27, 1989
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Paul Blumer presided. Trustee Vincent Groh asked to be excused and was absent. All other Trustee Members were present. A quorum was present.

The meeting was opened with a moment of silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the minutes of the November 6 & 13, 1989 meetings were approved as printed.

The public hearing was held on the proposed budget for 1990. It was noted that four people were present, along with three reporters for the public hearing. The Board reviewed the proposed budget and the slight impact it will have on the tax rate.

On a motion by Trustee Richard Schlice, seconded by Trustee Mary Krueger and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The public hearing was held on the proposed TIF/CIP, Special Revenue Fund and Debt Service Fund budgets for 1990. The Board reviewed the impacts of the appropriate budgets.

On a motion by Trustee Larry Williams, seconded by Trustee Kenneth Bonlender and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The public hearing was held on the proposed Water Pollution Control budget for 1990. Superintendent Peter Albers informed the Board that the DNR recently implemented new rules reducing the amount of sludge being placed on fields creating the need for sludge storage facilities in the near future as well as some pending rules regarding vapors released from treatment facilities. Both could have significant impact on the budget. The Board reviewed the impact of the budget on the utility charges.

On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The public hearing was held on the proposed Water Department budget for 1990. Superintendent Augie Bilgo informed the Board that the electrical service at Pump House No. 1 was in need of replacement and that the matter will be looked at in 1990 so the work may be budgeted for and work completed in 1991. The Board reviewed the impact of the budget on the utility charges.

On a motion by Trustee Richard Schlice, seconded by Trustee Kenneth Bonlender and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Fire Chief Donald Ehnert reported that the interior of the fire house has been painted and that it appears that the cost to purchase the new breathing apparatus equipment will be approximately \$1,100 less than anticipated.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Richard Schlice and unanimously carried by voice vote, the Board authorized the sale of parking permits for the parking lot located adjacent to River Hill Park at a cost of \$5.00 per month. It was noted that this is only for appropriate vehicles and that they are to be moved once every 24 hours.

On a motion by Trustee Larry Williams, seconded by Trustee Kenneth Bonlender and unanimously carried by voice vote, the Board approved the application for an operator's (bartender's) license upon proper payment of fees and authorized the office to issue said license as follows:

Georgene L. Davy, Campbellsport, WI
Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board.

Under committee reports it was noted that a Protection & Public Safety and a Park & Recreation meeting would be scheduled for the near future.

Administrator Daniel S. Schmidt distributed and briefly commented on the Kewaskum 1989 Park & Recreation Survey Results. This matter will be discussed at a future meeting.

Final discussion was held on the pro-

posed 1990 Budget, which had been presented at the public hearing. On a motion by Trustee Mary Krueger, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the 1990 budget as presented. The Village tax rate would reflect a 0.8 percent increase or \$0.06 per \$1,000 of assessed value.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the TIF/CIP, Special Revenue Fund and Debt Service Fund 1990 budgets as presented at the public hearing.

Action was taken on Resolution 89-23 as attached hereto setting the 1989 tax rate.

Indian Matmen Saved by Forfeits

Kevin Kapp, Kewaskum, gets the pin over Tom Rudy of Cedar Grove in 2:33.

by Patti Aupperle

Unlike the match against the Slinger Owls on last Tuesday the Indians managed to turn things around and pick up a victory against the Cedar Grove Rockets last Thursday at Kewaskum with the help of the two Rocket forfeits at 189 and heavyweight.

For Kapp and Sabish it was their second pin of the week with Kapp's pin time of 2:32 and Sabish's pin time of 3:53. Added to the list of pins is fresh man Josh Kurtz who had a 30 second pin against Beernik.

However, there couldn't have been more excitement or disappointment as there was for Heisdorf who at 152, wrestled Eric Justus a two year state qualifer and one time state champ. It was with a mere

second left in the third period with a tied score of 4-4 that Justus received a questionable escape point, bringing the match to a close with a close score of 5-4.

Kuphal, the other present senior member of the team also had a rough match against Scott Watry. Unable to take down this opponent, Kuphal lost with an upsetting score of 4-8.

For Kuphal and Heisdorf, their loss against the Rockets marked their first personal loss of the season.

Kewaskum currently has two wins and three losses in non-conference action in the opening season.

On Tuesday Kewaskum hosts Mayville, another non-conference contender and is looking forward to a victory.

STATE PARKS 1990 ADMISSION STICKERS NOW AVAILABLE

MADISON, WI — State parks are the key to Wisconsin's forests, streams, wildlife and other natural resources. And the state park sticker is the key to the 63 state parks and four recreation areas managed by the Department of Natural Resources.

From the northern forests to the Lake Michigan shoreline, Wisconsin state parks showcase a wide array of natural treasures. Each year thousands of residents purchase a state part sticker to enjoy hiking, cross country skiing, swimming, camping and picnicking, according to Bureau of Parks and Recreation Director David Weizenicker.

"The stickers make an excellent Christmas gift because our parks offer a wide range of recreational activities," Weizenicker said. "Whatever your outdoor interest, you're sure to find an opportunity in our parks."

On Friday, Dec. 1, 1990, State Parks stickers will go on sale at state parks, forests and other DNR offices. Stickers cost \$14 for residents, \$28 for non-residents, and are valid at all state parks, forests and recreation areas throughout 1990.

Anyone purchasing both a state park sticker and a state park guidebook, "A Traveler's Guide," will receive a discount

on the guidebook.

And this year for the first time, two-car families will be able to purchase a second sticker at half price. To be eligible for a second sticker, both vehicles must be registered to the same household. Applications for a second sticker are available at most DNR offices.

Forfeits Hurt Indians in Loss to Owls

by Patti Aupperle

The Kewaskum Indian wrestlers lost a close match to the Slinger Owls on last Tuesday, 38-34. The Indians won six out of the eight matches wrestled, however it wasn't enough to keep them up due to the large number of forfeits given to the Owls.

Winning with pins for the Indians were Kevin Kapp in 3:15, Jeff Sabish in 5:17, Dan Heisdorf in 5:10 and Todd Muckerheide in 5:16. Josh Kurtz, the 135 pounder, had no problem with his match winning over Marshall Jutz with a 12-3 decision.

Dave Kuphal at 160 held the Owls Mark Giese tight and defeated him 9-0 to boost his record up to 4-0.

Dean Kries, the freshman at 140, had a tough match but was able to hold on til the end to finish it off with a tie at 11-11.

Greg Holl, who wrestled at 189 received a quick take down and a pin within 56 seconds. Kewaskum's forfeit at

heavyweight gave the Indians their first non-conference loss with a score of 34-38.

Hein, Miller Lead Plymouth Past Indians

by Noel Stollenwerk

The 1-2 scoring punch of Plymouth's Chris Hein and Gabe Miller proved to be too much to overcome for the Kewaskum Indian's Friday night.

Hein scored the Panthers' first 13 points, enroute to a game high 29 points, while Miller added 24 on the night as Plymouth outlasted the Indians, 71-61.

"We knew he was tough," Indian head coach Jim Westphal said of Hein, who came into the game averaging over 30 points per game. "But Miller hurt us quite a bit," Westphal added. "We didn't know he could shoot like that."

Hein, a 6-2 senior, propelled his team to an early 13-12 lead. Miller then added a couple of baskets and Plymouth took a 22-20 lead after one quarter.

The second period got a bit sloppy as turnovers plagued both teams, but it didn't seem to stop with Hein or Miller.

The first half ended with Plymouth leading 37-35, thanks in large part to the efforts of Hein, who had 18 points in the half, and Miller, who had 14. Steve Gerhartz kept the Indians close, however, as he had 13 of his team-high 24 points in the first half.

Plymouth continued to hold a slim lead through the third period. Then, with a little over three and a half minutes left in the period, the Panthers went on a 6-1 run over a minute span to increase their lead to 9, at 54-45. Each team added a basket and going into the fourth quarter, the Indians trailed 56-47.

A technical foul helped fuel a 7-1 Indian run to start the fourth quarter and cut the Plymouth lead to 3, at 57-54.

After a Plymouth basket, Gerhartz was called for a "very suspect" offensive foul, according to Westphal. "I didn't even see him run into anybody on the play," Westphal said. The foul erased the basket by Gerhartz and gave Plymouth a pair of free throws to increase their lead to 7.

The Indians came back, however, and a Gerhartz three point play cut the deficit to 2, at 61-59 with 4:07 remaining.

It was there that the Indians ran out of gas, however. After a couple of Kewaskum misses, Plymouth went to a four-corner delay offense, which forced the Indians to foul. The Panthers made their free throws down the stretch to hand Kewaskum its second straight defeat.

"Their pressure hurt us," Westphal commented. "We played will, except for the turnovers," noting that his team committed 22 miscues, compared to 14 by Plymouth.

The Indians, now 1-2, 0-1 in conference, did a good job on the boards as they outrebounded Plymouth 37-26. Hein led the Panthers with 12 rebounds, while Gerhartz pulled down 11.

"He played just super," Westphal said of his 6-4 senior. "Steve has had three real good games. I couldn't ask any more of him."

"We have to get some other scoring help," Westphal noted, also saying, "we need outside scoring. We really had poor outside shooting."

Indian JVs, Freshmen Lose

by Noel Stollenwerk

The Indian boys' JV basketball team lost a thriller to their counterparts from Plymouth Friday night, falling to the Panthers, 59-58 in overtime.

Coach Dave Dillman cited missed free throws as a key to the loss for the Indians, now 1-2, 0-1 in conference. The Indians had a chance to tie the game, but missed a free throw with :06 remaining. Kewaskum got the rebound, but missed on a jumper at the buzzer which would have won the game. Matt Seiser led the Indians with 28 points.

The Indian freshman also came up on the short end to Plymouth, losing 48-39.

Coach Dale Schatz said too many turnovers and not enough rebounds were the factors in his team's loss. Andy Reichart led the Indians with 13 points, while Jim Marx added 11 in a losing cause.

Indian Girls Fall to Charger's Attack

Statistically the game between Kewaskum's Indian girls and Kettle Moraine Lutheran's lady Chargers was very close Monday. Unfortunately, close only counts in horseshoes as the Indians were downed in a hard-fought, close scoring game, 37-35.

The free throw line proved to be the final battleground where the chargers were able to make things happen scoring on 9 of 15 shots, while the host Indians failed to capitalize on several key opportunities coming away with only 7 of 18. The Indians had five bonus misses in the fourth quarter.

The girls had several chances to pull off a win or tie but they couldn't seem to take advantage of the breaks.

The Indians dominated the first half of the game leading 13-7, at the end of the first quarter. In the second period the Chargers, still trailing 22-9, began to move. By the end of the first half the chargers had scored 17 points tying the game 24-24.

After a couple of early baskets by Rohlinger, there was little action from the outside. KML concentrated its defenses on containing Osterbrink. The Indians also played a good defensive game.

Pam Osterbrink proved to be Kewaskum's scoring foundation

bringing in 13 points while taking down 16 rebounds. Kelly Rohlinger contributed seven points and Nicole Doherty accounted for another six.

Kewaskum's record now stands at 0-1 in Eastern Wisconsin and 3-2 overall. Their next competition is at Oostburg.

A Chicago liquor store sends these cards to clients and prospects: "Since you cannot refrain from drinking, why not start a saloon in your own home? Be the only customer and you will not have to buy a license. Give your wife \$55 to buy a case of whiskey. There are 240 drinks in a case . . . Buy all of your drinks from your wife at 60c a drink and in 12 days (when the case is gone) your wife will have \$89 to put in the bank and \$55 to buy another case . . . If you live 10 years and continue to buy all your whisky from your wife and then die in your boots, your widow will have \$27,085.47 on deposit . . . enough to bring up your children, pay off the mortgage on the house, marry a decent man, and forget she ever knew a bum like you."
